

HOCKEY RINK PLAN REJECTED

HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, October 15
NORTH VIETNAM officially rejected President Nixon's week-old proposals for peace in Indochina Wednesday night. "The Vietnamese people and the government of the Democratic Republic of Vietnam severely condemn and resolutely reject the deceitful peace proposals put forward by the Nixon administration," the foreign ministry said.

A PANEL OF THREE federal judges has ruled that the Michigan Legislature acted unconstitutionally when it prevented the Detroit Board of Education from putting a highly controversial high school integration plan into effect this fall. The ruling, which threw out last summer's action by legislators, was issued Tuesday by the U.S. 6th Circuit Court of Appeals in Cincinnati, O.

Friday, October 16
MAYOR GRIBBS HAS NAMED John F. Nichols, a career Detroit policeman, as the city's new police commissioner. Nichols' appointment marked the second time in the history of the Detroit Police Department that a member of the rank-and-file has been named to head the 5,000-member department. Nichols has held the second ranking Detroit post of police superintendent, and has been a member of the department since 1942.

THE UNITED AUTO WORKERS' strike against General Motors Corporation showed its impact on the economy Thursday, contributing to a sharp drop in industrial production and keeping the nation's total output of goods and services from rising significantly. The developments gave no clear indication of whether the economy is on the upswing as the Nixon administration has predicted.

Saturday, October 17
THE CANADIAN GOVERNMENT invoked emergency war powers Friday and arrested hundreds of French-Canadian radical leaders and their sympathizers in a massive effort to crush the Quebec Liberation Front (FLQ), a terrorist revolutionary organization bent on achieving Quebec's secession from Canada. Prime Minister Pierre Elliott Trudeau exercised his authority under the War Emergencies Act to outlaw the FLQ, whose members kidnapped James R. Cross, the British trade commissioner, and Pierre Laporte, Quebec's labor minister.

Sunday, October 18
PRESIDENT NIXON DECLARED Saturday that the Vietnamese war is drawing to an end in a way which he hoped would assure a full generation of peace. President Nixon made the statement at an airport rally in Burlington, Vt. It was his first stop of a 3,000-mile, one-day political swing in four battleground states, Vermont, New Jersey, Pennsylvania and Wisconsin.

Monday, October 19
QUEBEC PROVINCIAL POLICE issued nationwide warrants for teacher Marc Rose, 27, and cab driver, Marc Carbonneau, 37, charging them with kidnapping and murdering Labor Minister Pierre Laporte, whose body was found stuffed in an auto trunk Saturday night. In the meantime, British diplomat, James R. Cross, the other kidnap victim, begged police to call off their search for him, but authorities issued kidnap warrants for the two men despite his appeal.

Tuesday, October 20
AN AROUSED Canadian Parliament on Monday overwhelmingly backed the government's invoking of extraordinary police powers to wipe out the French separatist terrorists who assassinated one hostage and still hold another. In the first major break in the search for the Quebec Liberation Front terrorists, police found a bungalow in Montreal where they believe slain Quebec Provincial Labor Minister Pierre Laporte had been held and may have been killed. British Trade Commissioner James R. Cross is believed to still be alive.

South High Court Ready for Homecoming

Smiling in anticipation of South High School's Homecoming Day, slated for this Saturday, October 24, are members of the Homecoming Court. Pictured, (standing, left to right): CAROL FISHBACK and LAURIE VAN HAMPLER, freshmen; KATHY CORNILE and MARIE ANN KOZLOWSKI, juniors; BESS HICKEY and RONDA MARTINEZ, sophomores.

Seated, left to right:--CATHY DISANTE and KATHY McNIECE, seniors. Not pictured are senior Toni Parker and junior Eve Marston. One of the three senior girls will be selected Homecoming Queen. Because of a three way tie in the election for junior representative on the court the junior class has three members in the Homecoming Court.

Parade to Precede Ball Game with Fordson Tractors as Opponents; Dance Follows

Excitement is mounting at South High School as students prepare for Homecoming slated for this Saturday, October 24. The big day will begin with the Homecoming Parade which will feature floats representing each class and various school clubs, four parade cars containing the Homecoming Court, foreign exchange students, past Student Association officers, Senior class officers, "Y" Teens and current Student Association officers.

Parents Invited Back to School

All parents of Grosse Pointe North High School students are invited to participate in the "Third Annual Back to School Night," Wednesday, October 28, beginning at 7:30 p.m.

Vernier Road Speed Limit Awaits Action by State

Within the past few weeks, the NEWS has received inquiries concerning the 25 mile-per-hour speed limit on Vernier road between Mack and the Grosse Pointe Shores city limits. Because drivers are accustomed to the speed limit of 35 mph that was in effect just prior to the construction project there, many have been traveling close to that speed and have been receiving speeding tickets for five to 15 mph over the posted limit.

Last month alone, violations along Vernier accounted for 60 of the total moving violations in the Woods. Many of these violations were not issued specifically for speeding, but more speeding tickets than usual have been issued. So many in fact that one officer estimated an average of 15 automobiles were

Recall Campaign Possible Against School Trustees

A five-man committee headed by Ed Pongraz, who served on the Grosse Pointe Board of Education for 11 years as a trustee, president and treasurer, is investigating the possibilities of instituting a recall campaign against trustees Arnold Fuchs, Calvin Sandberg and Donald Semler.

WINDOW BROKEN

Sam Cracchiolo of 158 Kenwood court, showed investigating Farm police on Saturday, October 17, where someone had broken a 2 1/2 by 4-foot thermo window at the front of his house, smashing the glass with an apple.

DOG BITE

Robert James, 416 Neff, called City police on Sunday, October 18, to report he was bitten by a medium sized, black and white dog, while walking on the St. Clair side of the Unitarian Church, around 12 p.m., on that date. He was treated at Bon Secours Hospital and released.

School Standards In Pointe Lowered By Public Act 100

Citizens Urged to Contact Elected Representatives and Candidates and Protest Limitations on Education Expenditures

"If Public Act 100 law is not repealed and replaced, it appears that next year the educational program of each child in our public school system will be cut by \$200-\$300. Some 200 people will be notified that their services will probably not be required," Mrs. Joseph P. Thompson, President of the Grosse Pointe Board of Education, said Monday.

State Okays Transfer of Farms Fund

Will Make Money Available to Help Pay Costs of Repairing Harbor Hill Explosion

The city's request for permission to transfer an additional 15 percent, over and above the normal 10 percent, of the Major Street 1970 Motor Vehicle Highway Fund to the Local Street Fund, has been approved by the Department of State Highways in Lansing, the Farms Council was informed on Monday, October 19.

Set Special Meetings for School Board

November 2 Session Scheduled for Discussion of South High Renovation Problems

The Grosse Pointe Board of Education has scheduled two special meetings during the next two weeks. The first, to be held at 6 p.m. on Monday, October 26, will deal with the routine approval of accounts payable.

City Pledges Help to Find Better Site

Council Votes Unanimously Against Development of Center on George Elworthy Field

By Pepper Whitlaw
Some 120 persons jammed into the City of Grosse Pointe Council chambers on Monday, October 19, to once again express their views, pro and con, on the establishment of an artificial ice rink complex at Elworthy Field.

City Planner Brandon Rogers presented the city's Master Recreation Plan for Elworthy Field which has been worked and reworked over the past three-and-a-half years. The revised plan would provide six tennis courts (of the dimension which would lend them to an outdoor artificial or natural ice rink during the winter months), a shelter building for rest room facilities and equipment storage, a lot lot, an off street parking strip on Waterloo with 59 parking spots, enlarged Babe Ruth and softball outfields, a football field, relocation of the Little League "skin" diamond and the present Little League Major League diamond.

Lively Discussion

Following Mr. Rogers' presentation and a lively discussion period, Councilman George Henry offered the following resolution for the Council's approval:

Whereas: The Grosse Pointe Sports Center Steering Committee has proposed development of an artificial ice rink complex at Elworthy Field, consisting of an indoor ice rink, combination outdoor ice rink, tennis courts and off street parking area and

Recognizes Need

Be It Resolved that the Council supports the need for additional artificial ice rinks facilities in the Grosse Pointe area, and be it further resolved that the Council concludes that Elworthy Field is not an appropriate site for said complex involving an indoor rink as proposed and be it further resolved that the Council encourages the Grosse Pointe Community Sports Center Steering Committee to consult with all interested governmental leaders and other citizens to search out more appropriate sites in the Grosse Pointe Area, and be it further resolved that the Council stands ready to assist the Committee in this task.

The Council voted unanimously for the resolution. All preceded their vote with remarks reiterating their interest in developing such a complex in the Pointe area but adding that the site at Elworthy Field was not adequate for this type of venture.

Jaycee Ladies To Sell Candy

The Grosse Pointe Jaycee Auxiliary will be selling Halloween Candy at Jacobson's In-the-Village, this Saturday, October 24, from 10 a.m. to 4 p.m.

Proceeds from the sale will be used for Jaycee youth programs.

OKAY PAYMENT

A final payment to Soulliere and Son, Incorporated, in the amount of \$2,703.60, for landscaping work satisfactorily completed, was sanctioned by the Farms Council on Monday, October 19. The work was done at Kerby Field.

CAR RADIO STOLEN

Wesley Johnson of 207 Ridge road, informed Farms police on Monday, October 19, that while his car was parked in his driveway during the night, someone broke into the vehicle and stole the car radio, valued at \$50.

Vernier Road Speed Limit

(Continued from Page 1) speed limit to be temporary and that 35 mph signs would be posted after the construction on the highway was finished. A check proves this to be true

but the question remains as to exactly when motorists will be allowed to drive 35 mph. The road surfacing has been finished, after a 20-day strike, since the beginning of this month.

Project Engineer Dale Morse indicated that it was his understanding that the function of speed limits was the responsibility of the city. A further check, however, revealed that reversion back to the original speed limit is the responsibility of the Traffic Section of the State Highway Department.

Director Coats said that the official transfer of the Vernier jurisdiction from the state to the city has not yet been made and, until it is, speed limits are posted at the state's discretion.

An administrator of the Traffic Safety Department, Frank Simmons said the higher speed limits have already been authorized and it is only a matter of time before the Wayne County Road Commission finishes making the signs and erects them.

In the meantime, residents exceeding the posted speed limit will continue to receive speeding tickets regardless of the fact that the street has been widened and work on the projects is largely finished.

Eyes Recall

(Continued from Page 1) to do with education, the Council of Governments. He used this as one of his first scare campaigns then followed it with the Martin Luther King episode. (Mr. Fuchs opposed renting the facilities at South High to the Grosse Pointe Human Relations Council for presentation of Mr. King).

"He has constantly frustrated fellow board members and architects both during construction of North High School and now with the renovation of South High School. He continuously refuses to accept studies made by architects and the professional staff.

"In general the committee feels this constant opposition from these men to the thinking of competent school administrators is influencing the community in such a way that its damage may take years to correct."

As for Mr. Semmler, Mr. Pongraz said it was too early to tell whether his mistakes were well-intentioned or calculated toward divisiveness on the Board.

The recall procedure is a complicated one. Mr. Pongraz and his committee are currently consulting attorneys as to the steps involved.

Public Act 100 Hurts Pointe

(Continued from Page 1) Compare that to the \$1,125 cost for the current year.

Some Districts Gain
"Certain of the low valuation districts can pick up as much as a 20 per cent increase under this formula for next year. These districts aren't at all interested in fighting it. This means that our superintendent and our teachers and your Board of Education are going to have to do battle within our own organizations to get any lobbying started.

"If Public Act 100 stays on the books, education as you and I have known it will be impossible. All of this comes to us under the heading of 'equalizing educational opportunity,'" Mrs. Thompson said.

William J. Adams, Secretary of the Board of Education, and also its Legislative Chairman, alerted the audience at the trustees' October 12 meeting to the dilemma facing the public schools unless this piece of legislation is repealed or modified.

Various community groups have expressed concern at the limitation placed on educational expenditures. For example, the Grosse Pointe PTA Council has re-formed its Legislative Committee under Jerry Driscoll, 780 Whittier, who is Chairman Pro-Tem.

Area representatives include Gilbert Cox, Barnes; John Corey and John Frakes, Perry; Muir Snow, Kerby; Mrs. Julius Huebner, Maire; Al Cardowski, Mason; John A. Nelson, Pierce; Don Ruswick, Poupard; Mrs. Richard Edin, Trombly; and William Porter, North High Parents' Club.

Camera Club Meets Tuesday

The Grosse Pointe Camera Club will meet Tuesday, October 27, at 8 o'clock, at the War Memorial.

Jack Petzoldt will present "Photography in Greece." Visitors are welcome.

Men Gardeners Hold Banquet

The Men's Garden Club of Grosse Pointe recently held its Annual Banquet and Ladies' Night at the Gourmet House.

Featured speaker and guest of honor was Mrs. William Milliken. Mrs. Milliken holds a degree in landscape architecture. She urged members to extend their activities beyond their own gardens and stressed the importance of conserving our natural resources.

A profusion of chrysanthemums, dahlias, roses and geraniums, grown by members, decorated the tables.

William Nill, chairman of the awards committee, presented trophies for the 1970 season. Winners included Paul Machuga, who won the DePetris Award for chrysanthemums; Stanley Gitre, who won the Harry G. Schorr Award for best all-around garden; Kenneth Carey who was awarded the Horticulture Award, and Andrew Larkins, who won the Service Award.

Alumni may purchase dance tickets at the door or at the concession stand during the game. The Queen and her court will also be presented at the dance.

Witnesses Trap Reckless Driver

Three motorists took the time to stop at the Farms station to report to police that William Taylor of 276 LaSalle place was driving in an erratic manner and nearly struck several cars head on.

Taylor was arrested after he parked his car in the driveway of his property in LaSalle place, and according to the arresting officer, behaved in a disorderly manner when informed that he was under arrest.

On Tuesday, October 13, at 8:45 p.m. the first witness stopped in the station and informed the desk officer of the drunk driving incident, and pointed out the car parked in the Taylor driveway.

The witnesses stated that Taylor followed them on Moross road, and was crossing over the center line, and several times missed head-on collisions with oncoming vehicles.

Taylor turned onto Kercheval toward Kerby road, then made a left on Kerby, where he hit the curb in a wide turn, then, according to the complaints, appeared to have hit a utility pole. The errant driver proceeded down Kerby to LaSalle place and home.

Taylor was given a preliminary hearing before Farms Municipal Judge Robert Pytell at 10:30 p.m. the date of the arrest, after which the judge set bond at \$100, and released the man until trial date scheduled for Wednesday, October 28.

BUYS SALT SPREADER

At a regular meeting held on Monday, October 19, the Farms council approved the purchase of a Gerwood salt spreader at a cost of \$1,083, an amount included in the current budget. The spreader will be mounted on one of the Public Works vehicles, to be used on city streets during the winter months.

President of the Board, Sister Justine, who made the announcement, pointed out that two of the five appointments were to fill vacancies caused by the resignation of Charles T. Fisher, Jr., and the transfer of Sister Emerentiene. Membership on the board now stands at eleven.

Schools Seeking Voluntary Help

The increased efforts required by the staff of The Grosse Pointe Public School System in improving communication between the schools and its many publics have resulted in a request for voluntary clerical office assistance in the Office of the Superintendent of Schools.

Dr. Theos I. Anderson, Superintendent, has embarked upon a program of communications with the public by using mass mailings, employing bulk postal rates. Recently he sent a letter to all professional and business people in the school district discussing school problems for the 1970-71 year.

Anyone who can volunteer an uninterrupted period of three

hours in either mornings or afternoons on call over the next few months is urged to call 885-2000, extension 57.

Schools Increase Program For Better Communication

As part of his increased program of communication with the total community, Dr. Theos I. Anderson, Superintendent of The Grosse Pointe Public School System mailed 1,100 letters to businessmen, professional people, and community leaders urging them to become more aware of the problems of public education in Grosse Pointe.

"If you wish to know more about the schools and to stay abreast of the latest development, I urge you to consider the following:

"The school's newsletter, Education In Our Town, is mailed 10 times this year to all residents. Extra copies of the September and October issues are available at my office.

"Several community organizations are school-oriented and frequently offer programs based on educational topics. I have recently invited 75 community groups to appoint a member as 'school liaison' to attend a monthly 'press conference' with me during 1970-71.

"The newspapers are another excellent source of information about the schools. Did you know that the Grosse Pointe News received an award from the Michigan Education Association every year from 1961 through 1969 for its coverage of local public education? This is a recognition that no other weekly in the state has achieved.

"I have recently completed a series of 10 informal discussions in each elementary attendance area. I have appreciated this opportunity to talk to so many residents and I hope to schedule a second series later in the year. You may also be interested in knowing that our staff has united to fight rumors of anonymous and potentially damaging publications that may be circulated about the system or its personnel.

Dr. Anderson also urged citizens to attend meetings of the Board of Education. Reg-

ular meetings are held at 8 p.m. on the second Monday in the auditorium of South High School. Special meetings are generally held at 8 p.m. on the fourth Monday in the Administration Building at 389 St. Clair Avenue.

"With the 1970-71 year well underway, I urge you to be aware of the problems facing the public schools and public libraries. Right now your elected trustees are studying South High School to determine the needs of its aging physical plant, they are pondering all-system program requirements prior to a millage renewal later this year, and they are contemplating the many state-level proposals to finance public education, (including a stricter state rein which will seriously diminish local control, and possible 'property tax relief' which may well mean that most Grosse Pointe residents will pay more for public education than they do now—with the proceeds not used locally," Dr. Anderson said.

Woman's Purse Returned by PO

The United States Post Office returned a purse that had been stolen from Mrs. Helen Joy Dickson of 185 Ridge road on Sunday, October 11. The mail had placed the purse in the mail drop box at the corner of Cadillac and Maumee.

A postal official, in a note to Mrs. Dickson, informed her that her property had been recovered at 3:20 p.m. on the Sunday date.

Mrs. Dickson told Farms police on Wednesday, October 14, that she had placed the purse in the closet of her bedroom. It could have been taken by a teenager, one of several who had been in the house on Saturday and Sunday, she said.

She said that the purse had contained \$154 in currency, her drivers license, credit cards and personal papers.

When it was found, she told the authorities, the money and a gas credit card were missing.

Judge Pytell Clears Docket

Three persons who appeared before Farms Municipal Judge Robert H. Pytell on Wednesday, October 14, have been scheduled for another appearance in court on October 28; 10 others who failed to show up now have outstanding warrants for their arrests, signed by the judge.

Sitting in judgment on still others who came to court to answer charges, the judge accepted a plea of guilty from Frank

P. Rupp of 1878 Allard, accused of ignoring a red light. Rupp's fine was \$15.

George H. Lauth Jr., of 1247 Bedford, charged with speeding, was found guilty and given a suspended sentence.

Anne L. Williams of 63 Stanton lane, ticketed for driving while her operator's license was suspended, entered a plea of not guilty and a further hearing in the matter was postponed to October 28.

Jack DeRosette of 4638 Chalmers, Detroit, was found guilty of being a disorderly person, and sentenced to pay a fine of \$125, or serve three days in the Wayne County Jail. The fine was paid.

Robert DeRosette of 24596 Hayes, East Detroit, brother of Jack, charged with fleeing police, is re-scheduled to appear before Judge Pytell on October 28.

Willow D. Blanton of 21702 Lakeview, St. Clair Shores, was found guilty of reckless driving and paid a \$15 fine.

Charles M. Schreiner of 13335 Spring court, Fraser, charged with driving without ever acquiring an operator's license, stood mute. Trial date has been set for October 28.

William H. Walker of 3965 Woodhall, Detroit, was found guilty of careless driving. He was ordered to pay a fine of \$75.

Nicholas Kappaz of 740 North Oxford, charged with assault, was out of town. His attorney notified the court that his client was unable to make an appearance in court. Kappaz's sentence was deferred.

Ronald Vernier of 819 Beaconsfield, accused of theft by trick, was found guilty and sentenced to 12 days in the Detroit House of Correction. He will come before the court on completion of the jail term for a two-year probation sentence.

Richard W. Keller of 310 Kerby, was found guilty of driving the family car without permission and sentenced to two years probation.

On Monday, October 19, the Farms council requested of and received from City Attorney George McKean a ruling that the city cannot use public funds for improvements in private roads, according to the Farms City Charter.

The legal opinion was given when it was disclosed that residents living in Irvine lane, a private road, approached the council on the possibility of having street lights installed in their lane. There are five homes located in the lane, a cul-de-sac,

including that of Councilman Robert T. Herdegen.

The matter was brought up to determine if it could be done. It was disclosed at the meeting that the city's private streets were not designated for street lighting in the Detroit Edison company's Street Lighting Master Plan, with the exception of Beverly road. No record could be presented, at least for the present, why this road was an exception.

Mayor William Butler said that if the residents of Irvine lane would dedicate their street for public use, the matter could be considered.

It was pointed out that to bring adequate lighting to the lane, four street lights will be needed. It costs the city approximately \$110 a year for each light on its streets, but what it will cost the lane residents themselves is not known, that is, if they have the lights installed and maintained at their own expense.

Investigating officers at the scene said that the woman's vehicle was in the curb lane, when Worgum's auto crashed into it. No injuries were reported.

Worgum was taken to the station where he was issued the violation ticket.

Woods Council Ratifies Public Safety Pay Pact

Grosse Pointe Woods Public Safety Officers are now officially the highest paid police and fire officers in the state of Michigan.

Ratification of a new two-year contract by the Woods City Council Monday, October 19, will give the officers, \$11,750 for policing and \$750 for their fire services for a total of \$12,500 a year.

The ratification follows acceptance of a wage proposal from the city's bargaining committee to the public safety officers after six months of negotiations.

The new wage, which is not retroactive to the July 1, 1970 fiscal date but begins as of this month, will be increased to \$13,125 as of July 1, 1971.

In addition to the wage increase, officers will receive six paid holidays during the year. They are: Christmas, New Year, July 4, Memorial Day, Labor Day, and Thanksgiving Day.

If one of the holidays fall on a day off, the officers will have an option of receiving eight hours additional pay or be credited with an additional day off.

Other information, not completely available to the NEWS for the issue of October 15, is that life insurance will be increased to \$10,000 with compensation for accidental death and dismemberment also to \$10,000.

The wage increase to \$12,500 compares to Oak Park police-

including that of Councilman Robert T. Herdegen.

The matter was brought up to determine if it could be done. It was disclosed at the meeting that the city's private streets were not designated for street lighting in the Detroit Edison company's Street Lighting Master Plan, with the exception of Beverly road. No record could be presented, at least for the present, why this road was an exception.

Investigating officers at the scene said that the woman's vehicle was in the curb lane, when Worgum's auto crashed into it. No injuries were reported.

fireman's wage of \$12,441, the second highest in the state. Other Grosse Pointe police-man's wages are in the area of \$11,700 for duties that do not involve fire control.

In a statement to the NEWS, City Manager Chester Petersen said the administration is happy that a satisfactory end to the negotiations has been reached and it feels that the new contract is for the benefit of all parties.

Non-Residents In Woods Court

Woods Court convened Wednesday, October 14, with Judge Don J. Goodrow presiding. Of the 13 cases heard, only three were from the Grosse Pointe area.

In the Woods, William Gray III, of 919 Cook, pleaded guilty and was found guilty of unsafe backing. He paid a fine of \$10.

Also paying a fine of \$10 but on a charge of speeding was Ralph Woodbury, of 844 Lakeshore in the Shores. Woodbury also pleaded guilty.

Ralph Didomenico, 1321 Buckingham, in the Park, pleaded guilty of failure to wear corrective lenses. The court found him guilty and fined him \$20.

Diane Thomas, 324 Piper, Detroit, after pleading guilty and being found guilty of driving with a suspended operator's license and failure to register a change of address, was fined \$150 and sentenced to three days in the Detroit House of Correction.

James Richerman, 22423 Lincoln, St. Clair Shores was fined \$100 and spent three days in the Wayne County Jail for driving after his operator's license was denied. Richerman pleaded guilty to the charge.

Fined \$10 for having an expired license and \$150 for driving while her license was suspended was Virginia Carlton, 1868 Kirts, in Troy. In addition, Carlton was given a sentence of three days in the Detroit House of Correction. She pleaded guilty to both charges.

Appearing in court on a charge of improper passing, Waldemar Kubasiewicz, 3336 E. Davison, in Detroit entered a guilty plea. He was found guilty and fined \$10.

Pleading guilty on a charge of careless driving, Michael Martino, 22934 California, St. Clair Shores paid a fine of \$25.

Three non-residents, stopped and charged with speeding, paid a total of \$90 in fines. Daniel Cysel, 20875 Hollywood, in Harper Woods pleaded guilty and paid \$25. Robert Muhleck, 20268 Country Club, also in Harper Woods paid a \$50 fine on a guilty plea. Daniel Freeman, 2472 Loretto, in Detroit was fined \$20 for speeding.

The court fined Ronald Brown, 29588 Ruthdale, in Roseville \$10 after finding him guilty of squealing his tires. Brown pleaded guilty to the charge.

Charles Shelton, 11301 Berwyn, in Detroit was fined \$10 and made to pay \$7.50 in court costs when the court found him guilty of failure to stop in the assured clear distance ahead. Shelton had entered a guilty plea.

David Vollick, 29900 Elm Grove, St. Clair Shores forfeited \$125 in bonds for not appearing on a charge of driving while his license was suspended and for door-to-door canvassing without a license. Judge Goodrow issued a bench warrant.

Two cases were dismissed after a hearing and 22 warrants were signed by the judge for failure to appear on a summons.

Record Million At Woods Park

Over one million residents and guests have made use of the Woods lakefront park in the past four years, during the months of June, July and August, it was disclosed at the Woods City Council meeting by City Manager Chester Petersen.

The park attendance results were printed in a monthly report to the Council submitted at the regular council meeting Monday, October 7.

In the report, Petersen stated that total attendance for the months of June, July, and August of this year was 276,917, up 11,858 over 1969 for the same three months.

The highest attendance of the four years for the same period was in 1968 when 288,753 went through the gate. Total attendance for the summer months adds up to 1,047,633 since 1967.

This comes to an average of 2,862 swimmers, tennis players, boaters and picnickers patronizing the park each day.

Also in the report, it was revealed that property losses resulting from crimes in the city have dropped almost \$40,000 from this time last year.

Among the criminal activities included in the report are robbery, burglary, larceny, forgery, embezzlement and vandalism.

The property loss figures showed a drop to \$75,893 from \$115,473 of last year.

SARAH DETWILER, of Kenwood court, recently pledged Phi Beta Phi Sorority at the University of Denver.

Song and Dance Benefit Slated

The East Lake Baptist Church Gospel Chorus will present a benefit performance for the Keating-Stark Pre-school, on Sunday, October 25, 7:30 p.m. at the Grosse Pointe Unitarian Church, 17150 Maumee. The Festival Dancers of the Jewish Community Center will join them in a dance for one of the Gospel songs. This event will bring to the Pointe public for the first time an opportunity to see and hear modern dance and Gospel singing performed together.

The East Lake Gospel Chorus has given concerts at the Detroit Institute of Arts and several east-side locations. The Festival Dancers are a quasi-professional troupe which has performed with the Detroit Symphony and is well-known for its presentation of sacred dance at many Detroit churches.

Keating-Stark Pre-school was established two years ago by parents and others when it became clear that the Board of Education would be unable to place a Headstart program in their area. The program is community controlled and administered. The benefit on October 25 will raise money to hire a second teacher.

A contribution of \$2.50 is suggested.

Public Schools in Focus

By Dr. Thomas I. Anderson, Superintendent of Schools

On October 12 Random House published a book called "Crisis in the Classroom." And, from reading a single pre-publication newspaper article about it, I predict that the book by Charles E. Silberman is almost certain to hit the educational scene with an explosion—and to be quoted and misquoted for a long time to come.

According to my report, the general tone of Mr. Silberman's book is highly critical of what goes on in public schools. In fact, the headlines on the front page of the New York Times on September 20 read: "Study Calls Public Schools 'Oppressive' and 'Joyless'." So Mr. Silberman joins the cast of virtually thousands to make widely-publicized comments on public education.

What does Mr. Silberman find wrong? (It might be more appropriate to list what he finds right!)

Well, according to the advance information that I have, "the report recommends a radical reordering of the classroom along more informal lines, so that a student would be free to use his own interests as a starting point for education would no longer be dominated by the teacher."

The article from The New York Times also states that, among other things, most schools are preoccupied with order, control and routine for the sake of routine; that students essentially are subjugated by the schools; that by practicing systematic repression, the schools create many of their own discipline problems; and that they promote docility, passivity and conformity in their students.

Mr. Silberman questions many common assumptions about schooling, including the assumption that "teaching" means teaching a group of students at once from a uniform lesson plan, or any lesson plan at all, and the assumption that all children in a group should be studying the same subject at the same time even when each child is allowed to go at his own pace in what is often called "individualized instruction."

Author Silberman comments that the "tyranny of the lesson plan" and of the rigid time schedule often start before children become interested and end before interest is exhausted or understanding achieved.

Enough of Mr. Silberman for the moment.

So much of our recent emphasis in curriculum development at all levels in Grosse Pointe has been to improve and to individualize instruction. The middle school approach was based on this, as is the independent study program at the high schools, and the many new elective courses offered in recent years in the high schools are an attempt to meet the interests of youth.

Mr. Silberman expresses no ideas that educators have not heard (and practiced) many times. But he will be reaching a generation of readers for whom much of his approach is totally new. There is no doubt in my mind that the book will generate controversy. I suspect that it is only the current economic and political climate of the nation that will prevent the translation of at least some of Mr. Silberman's ideas in action.

The excerpts from the report contained in the article in The New York Times drop bombshell after bombshell on virtually all phases of public education. And if they seem to betray a lack of understanding of the problems that we on the firing line face, this is probably not all bad—we have been stirred up before by those whose qualifications are considerably slimmer than Mr. Silberman's.

Hitchhiker's Fall Nets 'Headache'

A nine-year-old Farms boy, who tried to hitch a ride on the back of a bakery truck on Saturday, October 17, without the knowledge of the driver, panicked at the last minute, slipped and fell to the pavement on his head while the vehicle was in motion, according to a Farms police report.

John Mark Porter, son of the Perry Porters of 89 Meadow Lane, was conveyed to Bon Secours Hospital by Farms Fire Department ambulance. At the hospital it was determined that his injuries were minor. He was treated and released. The lad had a "slight headache," the boy's father told police.

It was the opinion of those at the scene at the time of the mishap, that young John was a lucky boy, in that he did not receive worse injuries.

Patrolman Timothy Morrison disclosed in his report that he was dispatched to the area when a "call was received that a boy had been hit by a car."

Two young witnesses told the officer that John climbed aboard the truck which was parked in front of 103 Meadow Lane. When the vehicle started up, the boy became frightened and tried to get off. His foot slipped and he fell and struck his head on the pavement, and he lay there stunned. The driver was totally unaware of what had happened, it was disclosed.

Police contacted an official of the bakery and requested that he contact the route driver and ask him to report to the Farms station.

The driver, Leonard T. Jane of 4850 Berkshire, Detroit, arrived at the station when notified by his superior.

Jane stated that he had no knowledge that anyone was on the truck, nor did he know what had taken place until he was told to report to the authorities. He said that he sold some cakes to three young boys, and after completing the sales, drove off.

After finishing his statement for the records, Jane was released without blame.

Swim Classes About to Start

Swimming classes are re-opening for all Grosse Pointe residents once again as the Fall Season of activities is about to begin. Hundreds of children will be re-entering the five Grosse Pointe Public School swimming pools to take lessons and participate in recreational water activities under the supervision of a well qualified staff of swimming supervisors.

The schedule of activities begins Saturday, October 31. In addition to the usual class offerings for beginners, intermediates, and competitive swimmers, special interest area classes in beginning and advanced diving, Junior Lifesaving, Women's and Men's Swimming, Pre-School Swimming, and swimming for handicapped children are also being offered.

All classes are limited in size, and interested persons are urged to call immediately to reserve class space. Call the Department of Community Services at 885-3809 or 885-0271. The schedule follows:

CLUB VANDALIZED
 Vandals struck at the Grosse Pointe Hunt Club, 635 Cook road, sometime between 5 and 7 p.m. Monday, October 12. The Club reported to Woods police that a time clock in a barn was smashed and two gallons of paint had been poured on the floors and walls of the paint shop.

Teens Invited To Ski Hi Club

The opening get-together and program for Grosse Pointe War Memorial's Ski Hi Club for students in grades 9-12 will be held Sunday afternoon, October 25, at 2 p.m. in Fries Auditorium.

All former Ski Hi members and all students whether in public, private or parochial schools who ski or wish to learn to ski are invited to this opening meeting which is free.

Pictures of the Ski Hi Club's last year's holiday trip to Vail, Colo., will be shown and narrated by the trip's leaders Mr. and Mrs. Frank McBride, Jr., who will also be conducting this coming Christmas vacation trip to Vail which has a limit of 35 members.

Hugo Bohm, Boyne Country's ski ambassador, will also appear on this program. He will present films on skiing and discuss the latest techniques for the beginning, intermediate and advanced skier alike.

Hugo's many years with the ski industry as a racing competitor, ski instructor and C.U.S.S.A. ski instructor examiner both in the U.S. and

abroad assures his part of the program will be most exciting.

At this opening meeting all will be invited to become Ski Hi members—just \$3 per year—and all will receive a schedule of the forthcoming ski trips and activities which, beside the trip to Vail, include a five-day trip to Boyne Country skiing Boyne Mt., Boyne Highlands and Nube Nob while staying at Harbor

Dr. Rupe Named To Hospital Post

The appointment of Clarence E. Rupe, M.D. as the first full-time Chief of Medicine at Saint John Hospital was announced by Robert E. Birk, M.D.

Said Dr. Birk, current Chief of Medicine, "The growth and development of the medical services and the medical education program at Saint John Hospital now requires full-time direction of these functions. We are most fortunate," he continued, "to obtain a man of Dr. Rupe's stature for this most important post. With his assistance, Sa'nt John will continue to provide

exemplary medical care to the community as it expands its services and facilities." As Chief of Staff, Dr. Rupe will direct the medical education of house staff residents specializing in internal medicine. In addition, he will supervise clinical research and the practice of internal medicine at the hospital.

Prior to accepting this position, Dr. Rupe served as Physician-in-Charge, Fourth Medical Division, at Henry Ford Hospital where he has been affiliated first as a resident and later as a staff physician.

Prior to accepting this position, Dr. Rupe served as Physi-

St. Paul Lakers Capture Second

The St. Paul Lakers football team evened their season mark Sunday, October 18, with a 13-0

win over Dearborn, St. Alphonsus.

Providing the spark for the St. Paul team, the defense has held opponents to 27 points in four games this season and not a touchdown from the line of scrimmage in the last two games. Sunday, October 10, Alphonius was held to three first downs the whole game and gained their six points on a 93-yard punt return.

The punch of the Laker defense has been provided by senior co-captains, Mike Nally, who was all-city and all-state last year, and Gary Grenier with a lot of help from the entire front four. Defensive ends Dave McShane and Mark Rometty have played particularly well.

Nally's name on offense, too, as he and his running mate, sophomore Greg Brynaert, have accounted for 460 yards rushing in the last two games alone. Against St. Alphonsus, Nally gained 100 yards on twenty carries and Brynaert gained 70 yards on twelve carries to split the rushing load evenly.

St. Alphonsus was beaten by quarterback, George Heidt, however, as he scored the first touchdown on a 15 yard pass to tight end Mark Rometty and the second he took in himself on a one-yard sneak.

Senior, Andy Dombrowski made the other big play of the game as he recovered a fumbled punt by St. Alphonsus, and made possible the Heidt sneak play.

Pointe Sail Club Winners Listed

Figures determining the overall winners in the Grosse Pointe Sail Club's Tuesday night race series released in conjunction with the final sailing regatta of the season for the Club, held Sunday, October 11.

With 228 entries sailing in 13 races and two separate classes from June 2 through August 26 in the Tuesday evening series, the grand total winners were Dan Hazebrook of Port of the Port Huron Yacht Club, and Ralph W. Bower sailing under the banner of the Grosse Pointe Sail Club.

Hazebrook, sailing a Crecent in Class A, and Bower, with a Columbia Challenger for class B accumulated 844 and 896 points respectively.

Second place in class A was taken by Edward Lyons of the Detroit Yacht Club, sailing a Cal 25 with 830 total points and John Bourne, skippering a Bristol 27 from the Bayview Yacht Club, was third with 829.8 points.

A Folkboat sailed by Bob Hanley from the Detroit Boat Club accumulated 811 total points to win second place in class B, followed by Roger Crawford gaining 756 points in a Shark Sloop to take third place for the Detroit Yacht Club.

The final race of the season, called the "Frostbite Regatta," was open only to members of the Grosse Pointe Sail Club but guest boats were allowed to sail in the race without being in contention for the trophy.

Of the 13 boats racing with their hardy crews braving the crisp, windy weather, six were non-club guests. Officials attributed the relatively poor turnout to the rough weather and the fact that popular football games were being played that afternoon. Other races during the summer have produced

Opponents Blanked Again By North High Defensive

Grosse Pointe North chalked up its third shutout in a row by blanking Clintondale 26-0 and handing them their first homecoming loss in 12 years. The Norsemen completely dominated the game by holding the Dragons to a minus five yards rushing and 87 in the air. North's defense has allowed only three touchdowns in five games.

North opened the scoring in the first period when Joe Puleo threw a two yard scoring pass to Steve Schleicher. The 33 yard drive was set up when Roger Ulmer recovered a dragon fumble. Duane Johnson picked up 24 of the yards on six carries. Puleo threw to Schleicher for the two point conversion and the Norsemen led 8-0.

Chris Truhan picked off a Clintondale pass midway in the second period and returned it to the Dragon 22 yard line. On the second play, Puleo pitched to Schleicher on the option to complete a 20 yard scoring play. An attempted pass for the two point conversion went incomplete and North led 14-0 at the half.

The defense was outstanding

upwards of 75 and 80 boats in contention with a total of 88 entries included in the August 26 race.

Floyd Skikiwicz, Race Committee Chairman of the Sail Club, said that he and members of the club were gratified that so many guest boats showed up for the regatta knowing that they could not be allowed to be in contention for the trophy.

Winning first place and the trophy for the final event of the season was Ralph Burton sailing an Alberg "30". Floyd Skikiwicz, in his "L" boat, took second place and a Thistle took third with Stan Shanck at the tiller.

In the first half as they held Clintondale to two first downs, intercepted two passes, recovered two fumbles and didn't allow the Dragons to cross the fifty yard line.

The Norsemen had their best drive of the year in the second half when they took over on their own five after a punt and marched 95 yards in 18 plays for the score. The drive took eight minutes of the third quarter and three minutes of the fourth. Puleo threw a 19 yard touchdown strike to Dan Clem for the score. The two point conversion attempt failed and North led 20-0.

Clintondale came roaring back with their only real threat of the afternoon. They drove to North's eight yard line but lost the ball on a fumble at the 27 yard line.

The Norsemen took the ball with three minutes to go and marched 73 yards for their fourth touchdown. Duane Johnson went the final eleven yards for the score. The conversion attempt was stopped short and the Norsemen posted a 26-0 win.

Johnson was the leading rush-

er with 103 yards in 20 carries. Truhan had 80 in 14 tries. Schleicher, Jeff David, Clay James and Truhan were the defensive stars. North is now 4-1 overall and 3-1 in the Bi-County league.

Austin Prep School News

Austin Prep. presented its first Honor's Convocation for this year with the presentation of 96 first and second Honor Roll certificates for the last grade reporting as well as the presentation of scholastic letters and induction into the National Honor Society. The program was on September 28 with the introduction of the program done by Vice Principal Thomas E. Bailey. It was cited by Mr. Bailey that first honor requirement is a 3.8 average and second honors demanded 3.5.

Guest speaker for the event was Ronald Kevern, Assistant Director of Placement at Oakland University. Mr. Kevern's theme was "It is smart to be smart."

Recipients of Scholastic Letters, which demand a 3.5 average for three semesters, were James Cox, Robert Lane, Frank Markowski, Thomas Ricci, James Szafarezyk and Daniel Vohar. To be inducted into the Austin Chapter of the National Honor Society, one must achieve a 3.5 average over three semesters as well as have demonstrated his leadership in school and community with good citizenship. New members of the Society are Kenneth Cooper, John Dery, Robert Fitzgibbons, Robert Hammer, Brian Kingsley, Paul Raykov, Thomas Ricci, Robert Lane, Michael Rizzo, Michael Rochowiak, Ronald Schramm, Thomas Sydnow, Daniel Thomas, James Szafarezyk and Daniel Vohar.

The semi-annual Convocation ended with the presentation of the certificate to John VanTiem, National Merit Foundation Semi-finalist, and certificates to David Catlin and Robert Klumpp for their placing as Commended Students of the National Merit Foundation. John

VanTiem ranked in the upper 2 percent of the country's seniors taking the National Merit Exam. He now goes on to the finalist stage in which he may receive scholarships for college. Letters of Commendation for Catlin and Klumpp indicate that these students ranked just below the semi-finalist level on the national exam. The Merit Qualifying Exam opens many doors and scholarship opportunities for American scholars. The next Honor's Convocation will take place in February to honor the first semester students.

"If you're unhappy with the phone company, we'll get you action."

"It happens. Sometimes people have a legitimate complaint against the phone company. But too often they go to someone else for an answer. When we should be the first to hear about it. We're service and repair representatives at Michigan Bell, and if you need an answer for a slip up, call one of us first. We have a new way to handle complaints and unusual service requests much faster. Now if you should ever have a question for the phone company, you don't have to contact someone else. To take care of these hang ups, Michigan Bell has set up 'Special Action

Forces' in its local offices. Our 'Special Action Forces' are made up of specially trained people. They know the best ways to track down misplaced orders. To answer uncommon questions. To process even the most complicated service and repair requests. So if you ever have a telephone repair problem, just dial repair service; for any other service requests, call your service representative at your local Michigan Bell business office. If we can't solve your problem through regular channels, we'll turn it over to our 'Special Action Forces'. Now, if you contact us first, you'll get faster action."

Obituaries

CHARLES L. JACOBSON
 Funeral services for Mr. Jacobson, 74, formerly of South

Deplsands, more recently of Detroit, will be held on Friday, October 23, at 11 o'clock, at the Jefferson Avenue Presbyterian Church. He died on Monday, October 19, in Henry Ford Hospital.

Mr. Jacobson began his career in the auto industry 40 years ago as a motion picture cameraman and advanced to vice-president and a director of Chrysler Corporation. He was a member of the Chrysler Corporation Board of Directors from April, 1956 to 1961.

In June of 1954 Mr. Jacobson was elected a vice-president of the corporation and was named

to head the company's sales activities. His appointment to the new post was part of the intensified sales program that played a major role in the launching of "Forward Look" program that year.

He previously had been president of the company's Service Parts and Accessories (MoPar) Division since 1949. At that time he became the third president of MoPar, his two predecessors being the late Walter P. Chrysler, founder of the company and K. T. Keller. Under the direction of Mr. Jacobson, the parts operations of the company were streamlined and the time needed to handle dealer orders was reduced from weeks to a matter of hours. He established parts wholesalers throughout the country, increased the parts business and built a strong, efficient organization.

During World War II, Mr. Jacobson was given the assignment to obtain defense contracts for Chrysler Corporation's Evansville, Indiana plant which up to that time had been assembling Plymouth autos and had an employment of some 600 people. He transformed it into one of the nation's leading ordnance producing units, employing more than 12,000 workers. It produced more than three billion rounds of small arms ammunition, incendiary bombs and other ordnance items, and also rebuilt 5,300 medium tanks.

He became regional manager for the Minneapolis territory in June, 1926, and in the following year and made president of the corporation's retail and wholesale outlets in Philadelphia. He operated these retail branches so successfully that he joined the Chrysler Division as a sales executive in 1932. A year later he took over the division's Detroit retail branch and shortly thereafter set up Chrysler retail branches in Pittsburgh. In 1934, he was placed in charge of the division's seven major branches throughout the country. The retail outlets were strong sales centers for the Chrysler Division when he left in 1936 to become vice president of Chrysler, DeSoto and Plymouth sales for the western part of the U.S.

He was named vice-president in charge of sales for the Chrysler Division in 1938, with responsibility for all sales activities. Under his leadership, the division increased its sales during 1939 and 1940 by 64 percent over the previous two year period.

He received his education at Plano and Chicago, Illinois and at Kalamazoo, Michigan, where he was graduated from the Western State Normal School in 1914.

Mr. Jacobson served two years as Michigan State Chairman of the Crusade for Freedom, an enterprise through

which millions of Americans support Radio Free Europe by their voluntary contributions.

He has made trips abroad to observe the operations of Radio Free Europe, and he was a member of the president's advisory committee for the American National Exhibition in Moscow.

A former commodore of the Grosse Pointe Yacht Club, Mr. Jacobson served on the mayor's advisory committee for the Port of Detroit for several years. He was a member of the board of trustees for Grace Hospital and the Jefferson Avenue Presbyterian Church, also a member of the Detroit Athletic Club, Detroit Club and the One Hundred Club, and the Senior Men's Club of Grosse Pointe.

He will be in state in the

Verheyden Funeral Home until tonight, Thursday, Oct. 22, at 9 o'clock.

He is survived by three daughters, Mrs. D. J. Patton, Mrs. Thomas C. Miller, and Mrs. William P. Kreml; two brothers, Louis S. and George; one sister, Mrs. Constance B. Fraze, seven grandchildren, and three great-grandchildren.

Interment will be in Woodlawn Cemetery.

EVA DOTY WORCESTER
 Memorial services are being planned in Palm Springs, Cal., for Mrs. Worcester, formerly of Sunningdale drive more recently of Palm Springs. She died on Saturday, October 17, in Santa Barbara, Cal.

Mrs. Worcester was a well-known artist, who had shown

A review of the past presents a new view of the future.

Farms Submits Building Report

Residential and commercial building constructions appear to be almost at a standstill in the Farms, according to a month report for September, submitted by John DeFoe, director of Public Service.

The report showed that no applications have been for new homes or for business edifices during the entire month of September. This also holds for the same period in 1969.

From January 1 through September 30 of this year, only one permit application was approved for a residential structure valued at \$25,000, and two permits were granted for commercial buildings worth a total of \$85,000.

For the same nine-month period in 1969, two permits were granted for homes valued at a total of \$105,000. No applicants applied for commercial building permits.

Last month, permits for miscellaneous constructions, such as home additions, garages, etc., valued at \$124,500, were sanctioned by the Building Department, as compared to 13, worth \$47,700, during September 1969.

From January through September of this year, a total of 55 miscellaneous construction permits were approved for property worth a total of \$424,100. During the same time in 1969, it was disclosed, a total of 88 miscellaneous permits were approved for constructions valued at \$450,750.

So far this year, only one permit was granted for non-assessable property construction worth \$30,000, and none during the same period in 1969.

Four Pointers Receive Grants

Wayne State University's Board of Governors recently accepted \$1.9 million in grants and contracts for research, instruction and student aid.

Included was a grant to Professor Raymond B. Bauer, of Buckingham road, The United States Public Health Service provided \$42,000 to Dr. Bauer to continue research into blocked arteries in the brain. The study is being conducted by the Department of Neurology at the WSU School of Medicine in cooperation with Detroit General Hospital and Harper Hospital.

Professor Benjamin M. Lewis, of Kenmore drive, will study the distribution of gases in the lungs and entire pulmonary system with a \$22,300 USPHS grant. Dr. Lewis works in the Department of Medicine at the WSU School of Medicine.

The Michigan Department of Education has provided the WSU College of Education with \$18,000 in order to update its business education programs. Directing the project will be Professor Fred S. Cook, of Fairholme road, who is chairman of the Department of Business and Distributive Education.

The U.S. State Department has provided \$41,700 to the University for an urban planning center sponsored by Wayne State and the City of Belgrade, Yugoslavia. The program is being supervised by Associate Professor Jack C. Fisher, of Oxford road. Dr. Fisher is associate director of WSU's Center for Urban Studies.

Major Meyer Earns Medal

The Joint Service Commendation Medal for meritorious service with the Joint Chiefs of Staff was presented recently to Pointe Major Albert D. Meyer, Eighth Air Force Director of Operations Intelligence, by Brig. General Leo C. Lewis, Eighth Air Force Vice-Commander, at Andersen Air Force Base, Guam.

Major Meyer was cited for distinguishing himself as an electronics warfare staff officer with the Joint Strategic Target Planning Staff from July 1968 until April 1970.

He is currently at Andersen AFB with the Eighth Air Force, a major component of the Strategic Air Command.

The major holds the aeronautical rating of senior navigator. A 1951 graduate of Grosse Pointe High School, he received his BA degree in Psychology from Michigan State University in 1955, and was commissioned there through the Air Force Reserve Officers Training Corps Program. Major Meyer, a member of Lambda Chi Alpha, earned his MA degree in Political Science at the University of Oklahoma.

He is the son of Mr. and Mrs. Albert A. Meyer, of Hampton road, and the husband of the former Dianne Nichols.

Advance Gifts Spurs to UF

The United Foundation Advance Gifts Committee gave the 1970 Torch Drive a \$803,343 send-off last week. Early contributions totaling 80 percent of the committee's \$1,079,726 goal were reported at a luncheon in the Detroit Hilton Hotel.

Advance Gifts Chairman Robert H. Kanzler, of Lakeshore road, said it was the largest total reported by the committee on this date in the UF's 22 campaigns. The pre-drive gifts came from 328 "generous, long-time friends of the UF," Kanzler said.

"But obviously our task is not completed," he added. "We must get to work and try to break all precedent by reporting 100 percent by the Torch Drive kickoff."

The UF campaign began Tuesday and continues through November 5. Its goal is \$29,750,000 to finance nearly 200 health and community services in Wayne, Oakland and Macomb counties.

The Advance Gifts chairman said his committee must complete calls on 348 additional prospects, all select individuals, and foundations soliciting prior to the campaign's official opening.

Winning report for women's divisions came from Mrs. Edwin Deer, of Birmingham, committee co-chairman. Mrs. Deer turned in \$32,627 or 81.4 percent of her target.

Men's division chairman with the highest total was Pointer John B. Ford, III, who reported \$514,730 or 79.7 percent of his division's goal.

The total for women's teams, reported by Mrs. John S. Judd, of Birmingham, was \$200,928 or 78 percent. Mrs. Judd is Advance Gifts chairman for the

women's group. Pointer Cleveland Thurber, vice-chairman for the men's group, turned in \$602,415 or 75 percent of quota.

Other chairman reporting included Mrs. David Handelman, Robert Aronsson and Frederick Colombo.

Guest speaker for the advance gifts meeting was Frank R. Andrews, executive secretary of the Michigan Humane Society, a Torch Drive service. UF Executive Vice President Jacques Cousin also addressed the group.

WATCH LOST

Mrs. Leonard Bradley, 570 Lakepointe, called City police on Friday, October 16, to report the loss of a Croton, diamond watch with a black silk band, somewhere between Rivard and Jefferson. The watch is valued at \$425.

When a crusading Northeast Guidance Center Assistance League "Guidance Gazeteer" knocks on your door, asking for an advertisement in the February 18 Grosse Pointe NEWS—don't be alarmed.

The NEWS has not begun door-to-door weekly ad solicitation.

The lady will be talking about a one-time-only Something Special, the "Guidance Gazette," a special section being published by the NEWS in an exciting new approach to fund-raising for the Northeast Guidance Center.

The Center, serving northeast Wayne County, was formed to aid children who need help. They may have difficulties at home . . . refuse to conform in school . . . engage in illegal activities, (such as drug abuse or alcohol) . . . be slow readers or have learning disabilities.

The Assistance League is the prime fund-raiser in a total campaign to meet the \$120,000 needed by the Center.

Its staff includes psychiatrists, psychologists and social workers who help the child understand his feelings, his family and the world around him. Parents are also helped to understand their feelings . . . and how these feelings affect their child's behavior.

Located at 17000 East Warren avenue, the Center is under the direction of Dr. Eli Rubin. The Keating-Stark Branch, at 12922 East Jefferson avenue, is supervised by Wayne Plakmeyer.

When members of the Center's Assistance League gathered recently at the Country Club for their fall meet-

Christ Child Society Fair Slated Oct. 28

Proceeds Support Christ Child House for Children in Need of Temporary Shelter and Christ Child School for Mentally Retarded

The Raleigh House, Telegraph at Ten-and-a-Half Mile road, (just south of the John Lodge expressway), will be the scene of Christ Child Society's Star Spangled Fair next Wednesday, October 28, from 10 to 4:30 o'clock.

The red, white and blue color scheme has been worked out, booths are stocked with many, many beautiful and charming items and chairman Mrs. William Arnold and her committees are settling last-minute details.

There are 11 booths involved with as many chairmen, plus many others as co-chairmen—and of course workers.

Mrs. David Henes, East Side co-chairman, has been especially busy coordinating and working with Bags and Basket chairman Mrs. Lorenzo Browning and her co-chairman Mrs. Robert Michalik, Flower Arrangements chairman Mrs. Shad Kozlowski

and her co-chairmen Mrs. John Tulloch, Mrs. Samuel Solomon and Mrs. Thomas McCarthy and Knitting chairman Mrs. Bruce Burnett and co-chairman Mrs. J. Maurice DesRosiers.

Mrs. Thomas McGann, chairman of luncheons for the day, is also working long hours.

Christ Child members are willing to give these hours of planning and work to the Fair as it is their major fund-raising project of the year to insure the support of Christ Child House, a temporary shelter for needy children without regard for race, creed or color, and Christ Child School, a school for mentally retarded children, again

Miss Cody Speaks Vows In St. Lucy's

Home in Detroit Awaits Newlyweds Claude William Carneys Upon their Return from Canadian Vacation; Rites Are Followed by DBC Reception

Margaret Mary Cody, daughter of Mr. and Mrs. Joseph Burns Cody, of Woods Lane, and Claude William Carney, son of the William L. Carneys, of Detroit, were married Friday evening, October 9, in Saint Lucy's Church.

Presiding at the 6 o'clock rites which were followed by a reception at the Detroit Boat Club were The Reverend John Sullivan, The Reverend Raymond Feuerstein S.J. and The Reverend Harry Benjamin.

The bride's ivory organza gown featured a bodice of Belgian lace accented with seed pearls and a Chapel train. Bows accented her short puffed sleeves.

She wore a Cathedral length Brussels lace veil loaned by Mrs. Louis Bridenstine, Jr., and Mrs. Dixon Doll, daughter of Dr. and Mrs. D. L. Pucci, close family friends, and carried an old-fashioned bouquet of white roses.

Honor attendants Mrs. Christopher Fischer, of Shorewood, Wis., and Carol Aiuto and bridesmaids Frederica Cody, of Atlanta, Ga., and Mrs. Michael F. Dowley, III, cousins of the bride, Peggy Tamblin, Mrs. Patrick Doyle, Peggy Hack and Mrs. Paul Russell Frerer wore Empire frocks of forest green moire and ivy in their hair, and carried arrangements of green Fuji mums and ivy.

Best man was Patrick Doyle, Gary and David Carney, the bridegroom's brothers, Frank Cody, brother of the bride, Frederick Cody, Jr., and Michael F. Dowley, III, her cousins, Christopher Fischer, Charles Stoll and Richard De Grande seated the guests.

The bride's mother wore a gold brocade dress and matching coat, the bridegroom's mother a dress and coat of pink Alaskine. Both selected cybidium orchid wrist corsages.

The newlyweds vacationed in Canada and will make their home in Detroit.

Among out-of-town guests were the bride's aunt, Miss Alice Dowley, of Menlo Park, Calif., and the bridegroom's uncle and aunt, Mr. and Mrs. Elmer Adams, of Murry, Ky.

MR. and MRS. DAVID M. BURGESS, of Nottingham road, announce the birth of a son, DAVID LYLE, October 10, Mrs. Burgess is the former TINA HARVEY, daughter of MR. and MRS. KENNETH HARVEY, of Renton, Wash. Paternal grandparents are MR. and MRS. DAVID E. BURGESS, of Washington road.

Wedding vows were spoken Friday evening, October 9, in Saint Lucy's Church by MARGARET MARY CODY and Mr. Carney, son of Mr. and Mrs. William L. Carney, of Detroit. The bride is the daughter of the Joseph Burns Codys, of Woods Lane.

Gikkas-Fotiou Rites Are Read

Lieutenant Alexander Peter Gikkas, son of Mr. and Mrs. Alex P. Gikkas of Yorkshire road, claimed Katherine Georgina Fotiou, daughter of Mr. and Mrs. Ted George Fotiou, of Grand Blanc, as his bride Sunday, October 4, in Assumption Greek Orthodox Church, Flint.

The newlyweds vacationed in Canada and are making their home in Del Rio, Tex., where the bridegroom is stationed at Laughlin Air Force Base.

The former Miss Fotiou selected an Empire wedding gown of ivory de soie and handclipped Chantilly lace featuring a detachable Watteau train. A matching headpiece caught her silk illusion mantilla and she carried a cascade of stephanotis and white Fuji mums.

Honor matron Mrs. Richard Rehn, the bridegroom's sister, carried a cascade of bronze and gold Fuji mums. Bridesmaids, holding cascades of yellow and gold carnations, were Patrice Gikkas, another sister, Kathy

Slate Fun Day At Star Of Sea

Halloween Fun Day sponsored by the Rosary Altar Society of Our Lady Star of the Sea Parish will be held in Star of the Sea school gym Saturday, October 24, from 10 to 5 o'clock. Festivities start with a parade at 9:30 o'clock led by the school band and cheerleaders.

There will be games of all kinds as well as a Fish Pond, Spook House, Halloween Candy booth, Bake Sale, Cotton Candy machine and luncheon.

Beth Chirco, Mary Ann Dunohue and Nancy Sutton, Star of the Sea High School students, are in charge of the Pumpkin Patch and promise many delightful surprises with their "Flower Power".

Among Altar Society ladies planning the event are Mrs. Bryan Melvin, Mrs. Peter Chirco, Mrs. James Barker, Mrs. Charles Molter, Mrs. Arnold Kargenian and Mrs. Roy Matzka.

Mrs. C. B. Treder is in charge of the parade while Mrs. Eugene Freitas and Mrs. John Pennell are taking care of decorations.

Thursday's Holiday Fair To Aid Salvation Army

Christmas comes early at the Holiday Fair sponsored by the Auxiliary to the Salvation Army. And Holiday Fair shoppers also will be aiding distressed men and women who continue to find help through the many services of Detroit's Salvation Army.

The Holiday Fair, a tradition in Detroit, is scheduled for next Thursday, October 29, from 10 to 5 o'clock in the Crystal Room of the Pick-Fort Shelby Hotel.

Booths will feature Christmas variety items, baked goods, candy, aprons, hats, jewelry, needlework and an old-fashioned country store.

Mrs. George H. Ploss is president of the Auxiliary, Mrs. Charles H. Woodrow general chairman of the Fair. All proceeds will be donated to Salvation Army programs in Detroit. Everyone is cordially invited to come, browse and enjoy a friendly cup of tea.

LINDSEY STEWART, daughter of MR. and MRS. JAMES C. STEWART, of Kenwood court, has begun freshman year studies at Colby Junior College.

Christ Child

(Continued from Page 15) without no race, creed or color restrictions.

Both facilities are funded solely by Christ Child Society. Each booth has its quota of devoted workers. Not only the departments mentioned but Baked Goods, Boutique, Candy, Christmas, Sewing, Toys and Dolls and White Elephant shops will be featured.

The fair is open to the public with no admission charge. Since the luncheon and fashion show, (fashions by B. Siegel Co.) is by reservation only, there will be a sandwich bar for those

attending just the Fair. Those wishing to attend Fashion Luncheon may contact Mrs. McGann at TU 4-8852. Christ Child members work as volunteers at the School and House all the year round.

Humorist Opens Celebrity Series

Humorist Sam Levenson spoke to an audience of almost 1,200 at the Grosse Pointe Celebrity Series opener last Thursday, October 15. The lectures are sponsored by the Bon Secours Hospital Assistance League.

Mrs. Don Currier chairmans this year's programs held at Eastland Theater, assisted by Mrs. Don Pokorny. Mrs. Thomas McCarthy is president of the League which raises funds for Bon Secours and promotes good relations for the Hospital.

Mr. Levenson developed an instant rapport with his audience and was interrupted frequently by bursts of laughter, applause and many heads nodding in agreement.

Recounting one-liners he has "collected" while waiting to speak, Sam recalled hearing: "On club reports: 'Before I begin reading my treasurer's report, I want you girls to remember I didn't ask to be treasurer.'"

On the PTA: "Last year our PTA represented 300 children, this year 360. You can see we haven't been sleeping."

On rummage sales: "Ladies, get rid of your old cast-offs, bring your husband." Then the woman added, "Ladies who drop off their clothes will receive prompt attention."

Sam was originally a teacher and he told about a mother's note to a French teacher: "My son is home with a sore throat; he can hardly talk English, let alone French."

Discussing the new morality, Sam said, "Kids today have only made one change in The Ten Commandments—they took out 'not'."

"My mother practiced medicine without a license on us nine kids" he reported. "Her

They're Making 'The Sound Of Music'

"The Sound of Music" rang out at The Players' Playhouse in East Jefferson avenue last weekend, and this Friday and Saturday, October 23 and 24, it will ring out again thanks to the combined efforts of members of the Fine Arts Society of Detroit. The Players and Theatre Arts Club who, with the help of their children including, (standing, left to right), CAROLANNE KLEIN, DAVID BLENKLE, NANCY EDWARDS

and STACIA COUGER, discussing some fine points of phrasing with Pointers JACK PETZ and BARBARA BAILEY, appearing as Captain von Trapp and his Maria, and, (seated, left to right), SHAWN FIELDING, MARYANNE KLEIN and VIRGINIA BERRY with director KEN HOWARD, of Rivard boulevard, are staging the musical as a benefit for The Players Maintenance Fund.

hospital—that made him almost an intern—until he stepped back to admire his work."

Talking about familiar types, he cited the intellectual who majored in Physics and looks like that's what he's been doing ever since.

Author of two books, "Everything but Money" and "Sex and the Single Child," Sam is translated into Italian and German. He is writing another book "about my hang-ups," such as filling out forms.

An excerpt: "If answer to No. 5 is yes, do not answer No. 4. If answer to No. 4 is no, do not answer No. 3, pass to No. 2. Add lines 2 and 5, divide by 7, unless it's leap year, then proceed to box marked 'do not write in this box'."

Reid Buckley is the Novem-

ber 12 speaker in the Grosse Pointe Celebrity Series. The younger brother of William Buckley will speak on "Can Conservatives be Progressive?"

Named to the Summer Term Michigan State University Honors List are CHRISTINE A. LARSEN, of Touraine road, PHILIP J. PHILLIPS, of Hampton road, and GARY M. LEHNER, of McMillan road, a trio of straight-A students; and MARY G. CIARAMITARO, of Audubon road, DOUGLAS J. HAMMEL, of Hunt Club drive, ELLEN WITUS, of Blairmoor court, SUSAN M. President's Preview Opens Hilberry Year

WSU President and Mrs. William R. Keast and "Understudies" Host Invitational Black Tie Performance This Saturday

The President's Preview of "Room Service," the 1930's farce hit that was revived with great success on Broadway last season, will herald the opening of the Wayne State University Hilberry Theatre's new season this Saturday evening, October 24, at 8:30 o'clock.

The official public opening is the following Wednesday, October 28, at 8:30.

Theatre Sponsors, contributors to the theatre's Fellowship Fund, will be the guests at the invitational black tie preview. Hosts are WSU President and Mrs. William R. Keast and members of the Understudies, the women's committee that works for community support of the theatre.

Following the preview performance the actors will join guests at a gala reception in the theatre foyer.

"Room Service," a Broadway hit of 1937, was directed there by George Abbott who is credited with saving the play from obscurity.

After flopping in a Philadelphia try-out "Room Service" underwent a number of script changes suggested by Abbott and went on to wild acclaim in

gerae."

Miss Kramer played Antoinette in "A Flea in Her Ear," Felice in "After the Fall" and Noona in "Alladin."

Newcomers in the cast include Layne Littlepage, from Monerey, Calif., as the actress Christine, and James Ryan, from San Jose, Calif., as the playwright Leo Davis.

The production is directed by Robert T. Hazzard, with scenery by Russell Smith, costumes by Vic Leverett and lighting by Gary M. Witt.

Following the official opening for press and public on Wednesday, October 28, "Room Service" will play Thursday and Friday, October 29 and 30 at

8:30, then will alternate with "Macbeth" and, later, "Cyrano de Bergerac" weekly through December 19.

Performances are Thursday through Saturday evenings at 8:30, with matinees Tuesdays, Wednesdays and/or Thursday and some Saturdays.

After the first of the year "Our Town," "Much Ado About Nothing," "An Enemy of the People" and "Country Wife" will join the repertory.

Complete ticket and schedule information is available from the Wayne State University Theatre Box Office, Cass and Hancock, Detroit 48202, 577-2972. Tickets also are available at J. L. Hudson stores.

Sibby Johnson Will Be Bride

The engagement of Elsie Sibley Johnson and Clifford Otto Arnebeck, Jr., has been announced by her parents, Mr. and Mrs. Charles B. Johnson, Jr., of Rivard boulevard. They plan a November 28 wedding at Christ Church, Grosse Pointe. Sibby, an alumna of Grosse Pointe University School and Briarcliff Junior College, received her Teaching Certificate from the University of Michigan. A member of Tau Beta and the Junior League of Boston, Mass., she is presently an assistant to the Dean of Faculty, Harvard University.

She was presented to society in 1963, at a tea in the Washington road home of her grandmother, Mrs. Charles B. Johnson.

Her fiance, son of Mr. and Mrs. Clifford O. Arnebeck, of Silver Springs, Md., is a graduate of Wesleyan College and Harvard Law School and is presently associated with the legal department of the Ohio Bell Telephone Company, Cleveland.

Roostertail Reception Follows Rites at Which She is Wed to Leonidas Michael Tavoularis; Pair to Reside at Shore Club

Vacationing in Greece are Mr. and Mrs. Leonidas Michael Tavoularis who exchanged wedding vows at an evening ceremony Friday, October 16, in Saint Clare de Montefalco Church. They will return to make their home at the Shore Club.

The bride, the former Mary Frances Laige, daughter of Dr. and Mrs. Raymond John Laige, of Audubon road, teaches kindergarten at Mason School.

The 6 o'clock rites at which The Reverend Father Edward J. Sweeney O.S.A. presided were followed by a reception at The Roostertail.

For her marriage the former Miss Laige selected an ivory peau de soie gown accented with pearl-beaded Alencon lace. Her detachable train was lace-edged and her fingertip silk

illusion veil fell from a matching Juliet cap.

She carried a cascade of ivory roses, stephanotis and ivy.

Ms. Michael Murphy came from Lansing to serve as her sister's honor matron. Honor maid was Janet Lenhard and bridesmaids were Kathleen and Pandora Tavoularis, the bridegroom's sisters.

Their Grecian style yellow jersey frocks featured pleated bodices with Mandarin necklines and criss-cross belts defining their high-rise waists. Their yellow and bronze mum bouquets were accented by bit-

tersweet, wheat and ivy.

Nickolas Tavoularis acted as best man for his brother. They are the sons of Mr. and Mrs. John Tavoularis, of Detroit.

Dr. Michael Murphy, Christ Panos, Arthur Scarmas and Elias Tavoularis, another of the bridegroom's brothers, ushered.

An aquamarine silk shantung dress and coat ensemble featuring a beaded neckline was Mrs. Laige's choice for her daughter's wedding and the reception. She pinned white phalaenopsis orchids to her beaded purse.

The bridegroom's mother chose a long-sleeved gown of soft white and green wool and a white phalaenopsis orchid corsage.

Many a man sees his duty, but can't find anyone who'll do it.

Planning Rites At Saint Paul's

Mr. and Mrs. Robert S. Geyman, of Bloomfield Hills, have announced the engagement of their daughter, Betty Jane, to Thomas A. Handlos, son of Mr. and Mrs. Alphonse A. Handlos, of Belanger road.

of Wylie E. Groves High School, her fiance of Saint Paul's. Both attended Northwood Institute, Midland, from which he was graduated last June.

The wedding will take place December 26 at Saint Paul's-on-the-Lakeshore.

Auer To Debut With Symphony

Edward Auer, one of the stars in the galaxy of new-generation American pianists, will make a debut with the Detroit Symphony Orchestra conducted by Sixten Ehrling this Thursday, October 22, at Ford Auditorium. Concert time is 8:30 o'clock.

Auer, a 28-year-old native of Los Angeles, who has been praised as a "young Richter," will be heard in the Concerto for Piano and Orchestra in A major, K. 488, by Mozart. The work last appeared on a Detroit Symphony program in 1960 with Arthur Rubinstein as soloist.

Ehrling and the Orchestra will open the program with Arnold Schoenberg's Theme and Variations, Opus 43B and close with the popular Symphony No. 2 by Brahms.

Edward Auer was the first American pianist to reach the finals in the prodigious Chopin International Competition in Warsaw (1965) and has been a high-ranking prize-winner in most of the major international contests.

These include awards in the Vienna Beethoven Competition (1965), Tchaikovsky Competition in Moscow (1966), Marguerite Long Competition in Paris (1967) and Queen Elizabeth Competition in Brussels (1968).

To date Auer has appeared in 16 countries on four continents.

Antiques Market Set By Goodwill Juniors

Forty Dealers Will Exhibit This Year; Dinners, Luncheons and Snacks to be Available Throughout Four-Day Show at Industries Building

The pursuit of success has again motivated the Junior Group of Goodwill Industries in planning their 23rd Annual Antiques Market and Sale. The 1970 Sale will be held at the Goodwill plant, Brush Street at East Grand boulevard, Detroit. An invitational preview Friday, November 6, opens the show.

It will be open to the public Saturday, November 7, through Monday, November 9, from 11 to 9 o'clock and on Tuesday, November 10, from 11 until 6.

Valet parking for 800 cars is available. Admittance each day is \$1.50.

Honorary chairmen are Governor and Mrs. William G. Milliken and Mayor and Mrs. Roman S. Gribbs.

Chairman of committees is Mrs. Ralph F. Lee, Jr. Chairman of dealers is Mrs. Eric G. Horst. Contracts have been executed with 40 dealers from diverse sections of the country to display and sell fine-quality American, English, French and Oriental furniture, prints, silver, china, glass, pewter and many other items.

A free catalogue listing the dealers, floor plan of the show

and articles of interest to antique collectors will be available.

The Goodwill Booth will be stocked with antiques and near-antiques along with many interesting items which have been given to the Industries throughout the year.

A special exhibit of crafts including paintings, pottery and handicrafts created by handicapped people will be staged by the Division of Vocational Rehabilitation, State of Michigan.

Homemade jams, jellies, salad dressings, pickles and other specialty items will be sold at the Pantry Shelf on the Second Floor while the Country Store, also on the Second Floor, features candies, nuts, cheeses and several unusual gourmet treats.

The Junior Goodwillers may easily be spotted by their bright pink uniforms. They will be

GP Newcomers Switch to NYC

The Detroit Yacht Club on Belle Isle — and not the Grosse Pointe Yacht Club as originally scheduled — will be the scene of Grosse Pointe Newcomers' 25th anniversary dinner-dance this Saturday, October 24.

A last-minute change in party site was necessary because facilities available at the Grosse Pointe Yacht Club were insufficient to accommodate the large number of couples planning to attend.

The committee planning the party explains responses in the past few weeks was so overwhelming that it had no choice but to switch to the Detroit Yacht Club.

"We were pleased but surprised that so many former and present members of the Club are planning to be present," note Mr. and Mrs. David Hanes, general party chairman.

They said that other than the change in location all other details remain the same. The Silver Anniversary observance gets underway at the NYC with cocktails at 7 o'clock, dinner at 8.

MR. and MRS. EMMETT E. TRACY, of Provençal road, will entertain Tuesday evening at the Country Club at a black tie dinner honoring the 15 distinguished American women who will be cited by Northwood Institute for their significant contributions to the growth of the college during the past 10 years at an Awards Luncheon at the Detroit Athletic Club Wednesday. Mrs. Tracy is chairman of the Detroit Women's Board for Northwood Institute.

The Goodwill Antiques Market, with the exception of the dealers' booths and the Goodwill Booth, is entirely staffed by Junior Goodwill members.

The recent merger of the League for the Handicapped and Goodwill Industries provides even greater opportunities for the Junior Group of Goodwill to serve handicapped men and women.

Combining the facilities and staffs of these organizations creates the nation's largest single agency devoted to the testing, training, employment and placement of the handicapped.

With the blending of League for the Handicapped-Goodwill Industries, the Junior Group of Goodwill will continue to function as it has in the past. To Hold Card-Bazaar For Cripple Children

Proceeds From Next Wednesday's Benefit Will be Used to Operate and Maintain Camp Grace Bentley's Summer Program

The Michigan League for Crippled Children, Inc., will hold its annual benefit card party and bazaar in the Terrace Room of the Pick Fort Shelby Hotel next Wednesday, October 28, beginning at noon.

Proceeds are used for the operation and maintenance of the League's Camp Grace Bentley which accommodates 400 orthopaedic and cardiac children for two months each summer, each child enjoying a two-week session.

While the youngsters were at camp this past summer party chairmen under the leadership of League Ways and Means chairman Mrs. George Deffenbaugh were busy working to-

ward the success of next week's benefit.

East Side Sewing chairman Mrs. George J. Lasher, Jr., turned her recreation room in Newcastle road into Santa's Workshop for the East Side Boutique. Its red carpeting and decor were perfect mood sus-

tainers. Mrs. Lasher and her vice-chairman Mrs. Bruce A. Stewart, of North Oxford road, had their "elves" working each Monday on the many original items which will be ready for the Bazaar, (the air-conditioned rooms were delightful refuges during summer's hot spells).

Early Christmas shoppers will find a multitude of lovely things to choose for their gift items from among the bounty created by Mrs. Lasher's and Mrs. Stewart's workers, as well as decorations for the holiday season.

Mrs. James Meisnitzer

In Saint Clare de Montefalco Church Saturday morning, October 17, SHARON ANN FALLON became Mr. Meisnitzer's bride. She is the daughter of Mrs. John Joseph Fallon, of Yorkshire road, and the late Mr. Fallon. The Clarence Meisnitzer, of Detroit, are the bridegroom's parents.

Sharon Ann Fallon Wed In St. Clare's

Presiding at Rites at Which She is Wed to James Lowell Meisnitzer is Father Edwin Schroeder, Who Officiated at her Parents' Marriage

The morning ceremony in Saint Clare de Montefalco Church at which Sharon Ann Fallon, daughter of Mrs. John Joseph Fallon, of Yorkshire road, and the late Mr. Fallon, spoke her marriage vows to James Lowell Meisnitzer was followed by a reception and champagne luncheon in the Grosse Pointe War Memorial's Crystal Ballroom.

Father Edwin Schroeder, who officiated at the marriage of the bride's parents, presided at the 10 o'clock Latin mass Saturday, October 17.

The newlyweds are vacationing in Nassau and will return to make their home in Warren.

Her brother, given in marriage by her brother Michael Fallon, wore an ivory satin Empire gown accented with Alencon lace and pearls and featuring a Cathedral train.

A lace-embroidered cap en-

crusted with seed pearls caught her Cathedral length illusion veil and she carried a Colonial bouquet of white Fuji mums, stephanotis and baby's-breath.

Braid trimmed the cuffs and necklines of her attendants' violet saki cloth frocks. Their Colonial arrangements of purple-tinted asters and mums and bachelor buttons were tied with purple ribbons.

Roberta Paczala served as honor maid, Mrs. James B. West, Patricia Fallon, of Manhattan Beach, Calif., the bride's

sister, and Mrs. Richard Prim-eau as bridesmaids.

The bridegroom, son of Mr. and Mrs. Clarence Meisnitzer, of Detroit, asked James Kahn to act as best man. Ushers were James McCarthy, Glenn Sutt and Charles Birdsall. The bridegroom's cousin, Paul Meisnitzer, served as altar boy.

Mrs. Fallon selected a champagne dress with contrasting ribbon trimming for her daughter's wedding and the reception. She pinned a cymbidium orchid to her purse.

The bridegroom's mother chose a dress and matching bolero jacket of pale blue wool crepe and a cymbidium orchid corsage.

A difference of opinion need not be a difference of principle.

is good taste a dangerous thing?

Maybe so . . . because some folks have our line pegged as purely decorative, not down-to-earth. They don't see the fact for the frou-frou. The fact is . . . Cabin Crafts stresses Beauty and the Basics. We have Wild Ones . . . and Safe Ones. Sensationals . . . and Staples like "National Velvet." So why settle for one or the other when you can have both . . . Beauty and the Basics . . . with Cabin Crafts.

Theater North Season Begins

This year Grosse Pointe North High School is presenting a wide variety of interesting and entertaining theater fare. The 1970-71 theater season will include two comedies, a mystery, a musical and a drama.

For the first time, theatergoers will have the opportunity to purchase special season tickets at the minimal cost of \$6, on a reserve seat basis. Checks payable to the Theatre North, may be mailed to Gael Barr, director, Theatre North, Grosse Pointe North High School, 707 Vernier road, Grosse Pointe Woods, 48236. Tickets will be sent immediately by return mail.

The first offering of the season, slated for this evening Thursday, October 22, and tomorrow evening, October 23, is "Barefoot in the Park," and will feature Rochelle Wilson and Pat O'Brien in the lead roles.

The second production will be "Wait Until Dark," a suspense thriller set for Thursday and Friday, December 10, and 11; a musical, yet unselected is slated for six performances in February and will feature Herman Clein as musical director and Nat Judson as orchestral director.

The March offering will be Carl Reiner's warm and winning comedy "Enter Laughing," "The Diary of Ann Frank," will be

the final production of the season. Regular admission is \$1.50 with the exception of the musical which will be \$2.

Weavers to Exhibit

A demonstration of the basic steps of threading a loom will be part of an exhibit and sale at which more than 40 women weavers from the Michigan Weavers Guild will have over 700 handwoven articles to show and sell. The exhibit and sale will be held at Somerset Mall, Troy, beginning at 10 o'clock Thursday, Oct. 29, and will run through Saturday, October 31.

Woods Sees No Need for Curfew

In a verbal report to the Woods City Council at their regular meeting Monday, October 19, City Manager Chester Peterson said that a survey of the Grosse Pointes revealed that there has been little danger to children of the Grosse Pointe area that have been begging on Halloween during past years.

The survey taken by Petersen was in response to a letter to the city from a resident asking that children begging on Halloween be placed under a curfew starting at 6 p.m.

The resident, who had recently moved from a town in Wisconsin, where a curfew from 4 p.m. to 6 p.m. was in effect

during Halloween, expressed fears about the children's safety.

City managers in Grosse Pointe reported that in the past the danger has been minimal and there has been little or no trouble. Public Safety Director Donald Coats said, however, that they recommend that parents see that their children always go trick-or-treating in groups, or, ideally, that the parents go along themselves in a car.

The Council said that it was too late for the question to be considered this year, in view of Petersen's report, but that it would place the letter on file and regard its practicality for next year.

Antique Fair

The Sisterhood of Congregation Beth Achim, West 12 Mile road, Southfield, will present an Antique Fair and Art Show Sunday, November 1, from 10 in the morning to 9 in the evening, and Monday, November 2, from 10 until 5 o'clock. Snacks and meals will be available. Tickets at \$1 per person may be purchased at the door.

TAPE DECK STOLEN

Mary Stockard, 548 Neff, contacted Woods police to complain about an apparent theft that had occurred while her car was being serviced. She told police that when she had picked up her car at Pointe Dodge, Inc., 19391 Mack, she noticed that her tape deck had been unscrewed from the dash. The car had been at the dealership from 8 a.m. Tuesday, October 6, to 3 p.m. Wednesday, October 7. She also in-
