

KING ELECTED MAYOR OF CITY

HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, November 12
GENERAL MOTORS CORP. and the UAW reached a tentative agreement Wednesday on a new three-year labor contract that included an unlimited cost-of-living allowance, a first-year wage increase averaging 5 1/2 cents an hour and an opening for the "30-and-out" retirement plan. GM vice-president Earl R. Bramblett, terming the contract "inflationary," said the cost will be more than the increase in productivity. Union leaders said there may be some dissatisfaction among the rank-and-file because the "30-and-out" clause has an age stipulation.

IN A STORMY DEBATE Wednesday, the State Board of Education moved closer to severing public-parochial school ties. The board upheld a ruling by the Attorney General which held that Section C prohibits auxiliary services or shared time classes to non-public schools and voted to refuse to allow the author of the amendment to explain what its backers intended it to do.

Friday, November 13
CHARLES deGAULLE was buried in a village churchyard, Thursday. Later, hundreds of thousands of Frenchmen, in an outpouring of grief, marched through darkness and rain to the Arch of Triumph. The day of requiem was in three stages. First, 100 world leaders gathered with thousands of others at Notre Dame Cathedral to hear mass. Four hours later the funeral itself began at Colombelles - Deux - Eglises, 180 miles away. After nightfall, came the dawn of emotion of Parisians drawn as if by command into a march along the Champs Elysees ending at the nation's shrine of liberty.

Saturday, November 14
DEFENSE SECRETARY Melvin R. Laird warned North Vietnamese Friday that the United States stood ready to take "appropriate action" for the shooting down of an unarmed U.S. reconnaissance plane 105 miles north of the Demilitarized Zone. Laird spoke several hours after the U.S. Command announced in Saigon that an RF4 jet had been downed by enemy ground fire about 42 miles south of Vinh in North Vietnam. Its two crew members are presumed dead.

Sunday, November 15
NINE TUPAMAROS guerrillas using three kidnaped bank officials as hostages to get past guards, robbed Uruguay's Bank of the Republic Friday. If preliminary estimates are correct, it would be not only the biggest bank robbery but also the biggest jewel robbery in records, netting six million in jewels and \$48,000 in cash. The Tupamaros, a leftist terrorist organization, have carried out a series of robberies and political kidnappings in the past year in a self-declared war against the democratic government of this smallest nation in South America.

Monday, November 16
FLEETWOOD LOCAL 15 Sunday became the first United Auto Workers local in the Detroit area and the second in the nation to ratify the agreement between the union and General Motors Corporation. The 5,400 member local voted almost four to one to approve last week's national agreement and end the 62-day-old automobile strike.

Tuesday, November 17
THE STATE OFFICERS Compensation Commission, exercising its pay-raising authority, set Michigan Supreme Court justices, the governor, the lieutenant-governor and some 148 state legislators. The seven justices were granted \$7,000 annual salary increases pushing their pay to \$42,000 a year. The governor's raise was \$5,000 up to \$45,000; the lieutenant-governor was raised to \$25,000 with his hike of \$2,500; all members of the Senate and House were raised \$2,000 giving them a base pay of \$17,000. The increases will take effect January 1 unless two-thirds of the membership of both the House and Senate reject them, which is unlikely.

Sharpening Up At The Recording Session

Pictured minutes before the Grosse Pointe South High A Cappella Choir recorded its Christmas album, (in foreground) Technician KENT CARLANDER, (standing left to right), SUSAN SHUMAKER, Director LEONARD RICCINTO and STEPHEN THOMAS. The Choir was asked to record an album of Christmas music by Delta Records. The record will go on sale Monday, December 7, at selected stores On-The-Hill, In-The-Village and at Eastland Center. Choir members will also be selling the recording.

How Pointes Cast Ballots On Proposals

State Housing Loan, 18-Year-Old Vote Rejected by All; Park Approved Parochial

Residents in The Pointes have expressed an interest in the result of local voting as far as the three proposals on the ballot are concerned in the recent election. Broken down into the five Pointes, the results of Proposal A, a proposal which asked permission for the state to borrow money for housing, and which was defeated, were tallied as follows: in the Woods, yes, 3,417, no, 5,809; the Park, yes, 2,500, no, 3,100; the Farms, yes, 2,302, no, 3,215; the Shores, yes, 535, no, 785; and in the City, yes, 1,279, no, 1,528.

Proposal B, also defeated, was an amendment to the Constitution which would have allowed 18-year-olds to vote. It received the following votes: in the Woods, yes, 2,993, no, 6,545; the Park, yes, 1,764, no, 3,684; the Farms, yes, 1,764, no, 3,684; the Shores, yes, 472, no, 898; and in the City, yes, 1,066, no, 1,814.

Finally, proposal C, an amendment which prohibits state aid to non-public schools, registered the following tally: in the Woods, yes, 5,025, no, 4,725; the Park, yes, 2,904, no, 3,070; the Farms, yes, 3,006, no, 2,753; the Shores, yes, 707, no, 689; and in the City, yes, 1,587, no, 1,387.

MEETING POSTPONED

The regular meeting of the Woods City Council originally scheduled for Monday, December 7, has been postponed to Monday, December 14 at 7:30 p.m.

Brave Woman Driver Halts Would-Be Purse Snatcher

A would-be thief was frightened away by a woman motorist who witnessed his attempt to grab a purse from a Hill woman employee as she was placing articles in the trunk of her car on Saturday, November 14. The victim, Mrs. Mildred Simpson of 2040 Lennon, told Farms police that she had finished work and walked to her auto parked in the free section of the municipal lot. As she opened the trunk of the vehicle, she said, a white male, between 18 and 20 years old, grabbed her about the wrist and tried to jerk the purse from her hand. She instinctively went on to the purse. While this was going on, a woman who prefers to be unidentified, was driving through the metered lot and saw the

'Back to School Night' Opens Eyes of Mothers To South High Conditions

Inspection of Physical Plant Puts Spotlight on Necessity of Renovating; Find Many Facilities Most Inadequate

Mothers who recently attended South High School's "Back To School Night" came away more convinced than ever that something just had to be done about the facilities at South High School. The NEWS spoke with five such mothers. Mrs. Jerome Benson, of Wellington place, whose son Brett is a senior; Mrs. J. Douglas Thomas, of Lincoln road, who has two children there, Cindy a sophomore and Jim a senior; Mrs. Philip J. Ferling, of Westchester avenue, whose son Scott is a senior; Mrs. Robert Williams, of Yorkshire road, whose daughter Sally is a senior and son Beau, a freshman; Mrs. Bruce Reynolds, of Washington road, whose daughter Julie is a ninth grader at South; and Mrs. Joseph H. Perry, of Lewis road, whose son Charles was an eleventh grader at South before his transfer to University-Liggett School.

Clies Fire Hazard

Mrs. Benson said she was particularly distressed with the Humanities facility, located in the basement of the annex, which is composed of three rooms with inadequate exits. "In case of fire it would be sheer disaster. There are no aisles for orderly exit. When films are being shown the projector must be placed in the hall because there is no room for it in the classroom; thus creating still another fire hazard. In the middle of the classroom is a three-foot in diameter pillar behind which some of the students are forced to sit."

City Upgrading Lighting at Lots

Last year the City of Grosse Pointe Council approved the recommendation of City Manager Thomas Kressbach to upgrade the parking lot lighting in the Village on a systematic basis as each of the parking lots was resurfaced and improved, and subsequently did so in the lot behind Kroger's and the lot in Kercheval place. Presently the lot behind Jacobson's is being resurfaced. Mr. Kressbach on Monday, November 16, recommended that the lighting in this lot be improved at this time. Based on an examination by the Detroit Edison Company, Mr. Kressbach proposed that the single wood pole with two 10,000 lumen incandescent lights located near the center of the lot be replaced with two semi-ornamental poles with overhead watt (20,000 lumen) mercury vapor lights, which would substantially increase the amount of lighting on the lot. The increase in annual light cost for this improvement would be \$204. The Council voted to approve the lighting improvement by a vote of 5-to-1, with Councilman John R. Hamann, as Councilman since he is associated with Detroit Edison.

Woods Hears Gripes, Pleas Of Residents

Vernier Crossover, Parking Problem, Election Pay Among Matters Aired at Meeting

In official action on Monday, November 16, the Woods City Council received several letters and reports that were placed on file and referred to committees for further consideration. In a letter dated Thursday, October 29, Mrs. Evelyn McKinnon 2022 Vernier, expressed concern over the fact that there is no crossover on Vernier between Mack and Helen.

Overlapping Titles

According to Catin the question involves more than just one lawsuit and is extremely complicated with overlapping land titles that must be considered. The dispute revolves largely around the correct placement of a wooden post that had been staked into the ground at the edge of the Milk River in the year 1811. The river has since been partially routed underground and the course changed somewhat while the post has rotted away completely.

Tires Taken

City police received a report from Mrs. Arthur Gohle, 825 Bivard, on Tuesday, November 10, of the theft of a spare tire from her car. The tire was last seen on Tuesday, November 3. Mrs. Gohle told officers the tire could have been taken while parked in a downtown parking lot. It is valued at \$62.32.

Threat Reported At Building Site

Contractor John DeRonghe called City police on Friday, November 6, to report the theft of a number of building materials from his work site at St. Clair and Jefferson sometime during the evening of November 5 and that date.

Child, Matches, Bad Business

A minor garage fire Wednesday, November 11, at 1255 Aline started by a four-year-old child playing with matches he had found in the back yard. Mary Malewich, baby-sitting for her nephew, telephoned Woods police to report the fire after a neighbor first discovered the blaze in the rear of the garage and began to put it out.

North High Gridders Beat South to Win News Trophy

By Greg Boyd
Moving his squad to pay dirt in seven plays, 185-pound Junior quarterback Joe Puleo raced the final seven yards for a touchdown. The attempted conversion failed and the clock ran out the first half with the scoreboard showing a 6-6 tie. It was still anybody's ball game and with South's record of 74 yards rushing in the first half, the possibility still remained open that South could crack the tough Northmen's defense. The Blue Devils were holding their own against the Wild until a bad kick into the wind traveled only 17 yards to give North the ball on the South's own 30 yard.

Woods Paid State \$10,500 for Land State Didn't Own

Statute on Lawbooks of Michigan Requires Claim Must Be Filed Legally in Court; Purchase Was Made 15 Years Ago

By Greg Boyd
A lawsuit instituted against the State of Michigan was recently approved by the Woods City Council to gain the return of some \$10,500 that was paid to the State for land which it apparently did not own. In a letter to the council, City Attorney George B. Catin stated that the money was paid to the Michigan Department of Natural Resources for the "title" to parkland on the lake front park which was eventually filled for construction of the pool. The land was "purchased" about 15 years ago and it was just recently determined that the land did not belong to the State of Michigan.

'Stretchout' Parking Cut On-The-Hill

Farms Reports Success in Drive Against Practice of Befond Limits

Farms Police Chief Robert Ferber announced that the crackdown on "stretchout" on-the-street parking in the Kercheval-on-the-Hill Business District, appears to be a success. The program was started on Monday, November 2. The chief disclosed that from November 2 through Monday, November 16, only three tickets were issued to "all day" parkers leaving their cars at metered spaces in Kercheval avenue. The last time a violation was issued was on Friday, November 13, an unlucky day for the car owner.

Drive To Continue

Officers will continue to maintain a close vigilance on the Kercheval parking situation, and car owners leaving their vehicles beyond the set limits, will be cited, Chief Ferber said. The Kercheval-on-the-Hill Association, comprised of businessmen of Kercheval, had received numerous complaints from customers that it was almost impossible to find a parking space in the avenue, where they can leave their cars while shopping. Tony Morse, owner of the Sign of the Mermaid, 75 Kercheval, and president of the Association, said that a survey revealed that automobiles left "all day" were mostly owned by Hill employees. The workers "stretchout" parking by returning hourly and dropping coins into meters, without moving their vehicles, a violation of the city ordinance.

Expensive Lunch Blamed on Youth

Pam Meehan, 591 Oxford, reported to City police on Saturday, November 7, the theft of her wallet containing \$30 in cash, credit cards, and her operator's license, from her purse while she was lunching at Sanders on that date.

MOTORCYCLE ACCIDENT

Eleven-year-old Mary Merrier, 804 University, was riding her bicycle north on University on Tuesday, November 10, when she failed to stop at the Kercheval intersection and was struck by Warren C. Terrace, 17, of 1194 Kensington, who was driving a motorcycle. Terrace's passenger, Christine Alessi, 1032 Audubon, was thrown to the pavement. All persons were taken to Bon Secours Hospital for treatment and released. Mary Merrier sustained injuries to her leg and arm. No violations were issued.

Council Taps Lawyer for New Leader

Fills Vacancy Created by Sudden Death of David Burgess, Vote Is Unanimous

By Pepper Whitelaw
A King was elected Mayor of the City of Grosse Pointe at the regular meeting of the council on Monday, November 16, by a unanimous vote of council. John L. King, 46, has lived in The Pointe for 20 years. He and his wife, Eileen, live on Lakeland avenue with their four

children, Sara R., 19, a student at Western Michigan University; John L. Jr., 17, and Mary L., 15, both students at South High School, and Anne E., 12, who attends Pierson Middle School. Councilman Since 1967

Mr. King was elected to the City Council in November of 1967. He was graduated from the School of Business Administration of Ohio State University as an accounting major, and received his LL.B. from the University of Michigan law school. He is a World War II Veteran. He was formerly trial attorney for the Regional Counsel's Office-Internal Revenue Service in Detroit, and assistant to the attorney general of the State of Ohio in the Inheritance Tax Division.

Has Many Affiliations

Mr. King is a member of the Michigan, Detroit, American, and Federal Bar Associations, a member of the Board of Trustees of the Foundation for Exceptional Children Inc.; a trustee of the Chamberlin Foundation of Huntington Woods; director of numerous corporations, past secretary of the City of Grosse Pointe Little League and former Troop Committee-man for Maire School's Boy Scout Troop.

Accepting the position, Mr. King said, "David Burgess was a fine man; a close friend, a good attorney and one of the best mayors the City of Grosse Pointe has ever had; we will all sorely miss him. I will, as the newly mayor, continue to work for the citizens of the city and the betterment of the community in which we live." The term will expire November 1971.

REPORTS THEFT
William Magee of 1119 Nottingham, notified Park police on Tuesday, November 10, that

while his station wagon was parked in front of his house during the night, some one removed the spare tire and wheel.

North Wins

(Continued from Page 1)
In the second half, the Blue Devils were held to only five yards total offense and were not even allowed to move outside their 35-yard line.

North capitalized on another bad South punt to gain the edge on a score late in the third quarter. Junior fullback Duane Johnson barreled in from the six for the first of his three touchdowns and made a successful two-point conversion to move North's gridders ahead by a 14-6 lead.

From then on it seemed North was just collecting insurance for the win. Scoring the next time North got the ball, the Norsemen returned a South punt to their 40-yard line with Dan Clem carrying. Eleven plays were executed to score with Johnson doing most of the heavy work and plunging the last yard. The conversion, however, was not successful making the score 20-6.

Late in the final period North finished their scoring for the entire season when Johnson boomed over from the two for his third touchdown of the game. The extra kick was wide, and the clock ran out with the final score of 26-6.

For the win in the second annual North-South game, Grosse Pointe North received the Grosse Pointe News trophy award, a traveling trophy presented to the winner of the match each year. The trophy was awarded at the North High athletic banquet honoring the North footballers and cross-country runners. Detroit Lion Alex Karras was the featured speaker.

The trophy, presented last year to South High, represents the spirited rivalry and good sportsmanship that has been indicated in the past and, it is hoped, will continue in the future.

A football dance was held Saturday night, November 14, for both students of North and South High Schools in the North gym.

BATTERY STOLEN
Mrs. C. B. Couse of 268 Provenal road, informed police on Wednesday, November 11, that while she was a guest of the Higbie family, 201 Lake Shore road, she parked her car in front of the family's residence. When she returned to the auto, she found the battery had been stolen.

(Continued from Page 1)
ting to the problem, and have sought the advice and cooperation of the authorities.

Chief Ferber said that personnel of his department have been chalking tires of cars parked on Kercheval since the beginning of the month, and only three violators have been ticketed.

He said that the alleviation of the problem is due primarily to Association members talking to their employees and asking them to use the all day metered parking spaces in the last two rows of the MO lot, or the free parking facilities at the rear of the Muir property line.

He also credited a story printed in the NEWS, outlining the problem, and asking the cooperation of the employers and employees. He pointed out a clause in the Farms Parking Ordinance, which stresses that it is illegal to park beyond the restricted time, or to "feed" a meter during specified parking hours and failing to move a car from the space after expiration of the allotted time.

SHS Renovation Meetings Slated

The Grosse Pointe Board of Education and the citizen's South High Bond Campaign Committee have scheduled a number of activities to inform the total community about the December 7 bond issue being sought for the renovation of South High School.

All residents of the school community are invited to attend a presentation on the renovation program to be held at 8 p.m. on Tuesday, November 24, in the auditorium of Parcels Middle School.

A second community-wide meeting has been scheduled for 8 p.m. on Monday, November 30, in the auditorium of South High School. Everyone interested in obtaining additional information about the election is urged to attend.

There will be time for questions and answer following the formal presentations at both meetings.

Mrs. Joseph H. Perry III and Robert J. Hummel, co-chairmen of the citizens' committee, and Mrs. Joseph P. Thompson, president of the Board of Education, have indicated that speakers on the bond issue are available to any and all community organizations requesting them. Requests may be made by calling 885-2000, extension 57.

STOLEN CAR RECOVERED

Joseph L. Swiderski called City police on Monday, November 9, to report the theft of his automobile from in front of a store on Notre Dame and Mack. Mr. Swiderski said his son had parked the locked vehicle there when he went to work at 17220 Mack, at 11:30 a.m., when he returned to the spot at 6 p.m., the vehicle was gone. Detroit Auto Squad was notified and recovered the car at 775 Emerson. Detroit with the ignition pulled later that day. The owner was notified.

'Back to School Night' Opens Eyes of Mothers

(Continued from Page 1)
said she was particularly concerned with the fire escape exit the students are forced to use.

Mrs. Williams said that the wiring in the basement of the annex was so bad that twice last year her daughter was unable to hear the fire alarm bell. She added that she felt the narrow, overcrowded halls were a real fire hazard also.

Mrs. Feringa, whose son Scott is a member of the South High Stage, Marching and Concert Bands was particularly concerned with this area. She said, "I believe the people in The Pointe should realize that the bandroom was originally assigned to the band many years ago as a temporary facility. It is located in a storage area at the back of one of the gyms and is not sound proof or well ventilated. It is difficult to concentrate on tonal quality and true pitch with basketballs and game noises echoing in your ears. Also there is no adequate place to store instruments, and when the students break into smaller practice groups they are forced into even smaller, more poorly lit, poorly heated storage rooms."

Transferred Son

Mrs. Perry has transferred her son Charles to University-Ligettt this year because, according to Mrs. Perry, science facilities were inadequate at South High and her son was going into the study of medicine. She said that there is only enough work space for half the members of the class and that most of the sessions were demonstrations due to the lack of experiment table units. "There is no place to store or do individual science projects which are so vital in the field of science. Another handic-

Blaze Damages Home in Woods

Woods Public Safety Officers responded to a call reporting a house fire Wednesday, November 4, at 1229 Brys, to find an attic fire had burned a hole through the roof.

Gordon Anderson, owner of the home, was not aware of the fire at the time his son, Steven, reported it to police. Steven arrived home at 12:30 p.m. and had been watching TV when he heard and found the fire just after 1:30 in the one-and-one-half story house.

With 12 men answering the alarm, Woods officers used two booster lines to fight the fire. One was brought up to cover the fire from the outside and one was carried into the home to douse the interior of the attic.

Cause of the fire is presently unknown and damage to the home has not been estimated.

TELLS OF THEFT

Jack Frank of 139 Mapleton, phoned Farms police on Monday, November 16, to disclose that while his station wagon was parked in the driveway alongside his house during the night, a thief broke in and stole the spare tire and wheel.

cap is that the science department is so separated, half of it in the annex and the other half in the main building . . . this prevents the department members from working in group teaching units."

Only the voters can decide whether the renovation at South will take place by voting

for or against the bond issue. Ladies already have decided the way they're going to vote!

Students Back Bond Proposal

Jeff Montgomery, president of South High School's Student Association, read the following letter into the record at the Monday, November 9, meeting of the Board of Education.

Dear Mrs. Thompson:
This afternoon, after a lengthy Student Association Meeting, it was the unanimous decision of the representatives to support the Board of Education's Bond proposal for 3.6 million dollars for renovation of South High School. As students at this High School, we know how urgently these renovations are needed.

We want the Board of Education to know that as a student body we intend to execute our own campaign. We will finance, write, and distribute our own material. Students are citizens of this community. As citizens we must carry the weight of our own decisions. We must not rely on other groups for directions or financial support, but we do need cooperation.

Through cooperation we can pass this bond proposal!!

Sincerely,

The Student Association
Grosse Pointe South High

Command Performance

Photo by Mark Wiedeman

The Pointe Players production of "Lil' Abner" was so well attended last Saturday night that people had to be turned away. So in an effort to provide this entertainment for those disappointed theater-goers The Players will present a command performance of the show this Saturday, November 21, at 8 o'clock, in the Performing Arts Center at North High School. All Mothers' Club tickets will be honored. Tickets may be purchased at the door, \$1 for adults and 50 cents for students. Playing starring roles in the production are (left to right), JUDY GIESEKING and PETER BIRD.

Brownell PTA Meets Monday

Parents of Brownell Middle School students have been invited to attend the school's second PTA meeting of the year next Monday, November 23, at 8 o'clock, in the gymnasium. President Harold E. Machamer will open the meeting and introduce Dr. Theos I. Anderson, superintendent of schools, and a Brownell parent.

Dr. Anderson will discuss "South High School and Other School Problems." Parents and friends are cordially invited to attend this important meeting and gain first-hand knowledge concerning the need for renovation at South High and other problems facing the school district. A question and answer period will follow Dr. Anderson's talk.

Mrs. William H. Race is handling refreshments for the meeting.

Bands Exchange For Other Side

The Senior Youth Council at the Grosse Pointe War Memorial has announced a new band for their Thanksgiving dance on Wednesday, November 25. The very popular "Third Power" will be the feature attraction, replacing the feature band announced in an earlier release.

As with all Youth Council dances, the dance is chaperoned by parents and Center staff and protected by the police. ID is required at time of ticket purchase and at the dance itself.

Time is 6:30-11:30 p.m.; price of admission \$1.50 for tickets purchased in advance, \$2 at the door.

Meeting Called By School Board

The Grosse Pointe Board of Education will meet in special session in the Board Room of the schools' Administration Building, 389 St. Clair Avenue, at 8 p.m. on Monday, November 23.

The trustees will act on accounts payable. The public is cordially invited to attend.

Nab Two Girls For Shoplifting

City police received reports of two thefts from Kay Baum's, 16822 Kercheval, within a two-day period. Both incidents involved teenage girls who left the store with assorted lingerie items.

The first occurred on Thursday, November 5, when a girl left the store with items valued at \$2.50. She was given a court date of November 24 and released.

The other incident occurred on Friday, November 6, and involved a juvenile girl who left the store with lingerie valued at \$4.57. She was released to her father and her case was referred to the Youth Service Division.

PHONE BOOTH DAMAGED
While on routine patrol on Wednesday, November 11, City police officers Richard Lanski and John Drummond observed two windows in the telephone booth at Notre Dame and Kercheval had been broken. They immediately notified Detroit Edison.

Woods Hears Gripes, Pleas

(Continued from Page 1)
Councilman William Huettman said the request for parking permits indicated also that a volume-discount was also being requested. At the present time, the Woods charges 25 cents for all-day parking. The matter is to be considered by a committee-of-the-whole at a later date.

The Council considered a letter from David Rentschler, 891 Roslyn, addressed to Councilman Huettman, stating that he feels the \$5 charge for illegal overnight parking on city streets "is too punitive and goes beyond the intent of the ordinance."

Rentschler suggested that the fine be minimal if paid within a short period of time, such as 48 to 72 hours, with a reduced full fine thereafter. He suggested a \$1 minimum fine and a full charge of just \$3.

"I do not believe that the City has adopted this ordinance as a revenue source but for other reasons that are much more important," the letter stated. "By reducing the charge

for prompt payment, I believe that you would continue to keep our citizens from disregarding the ordinance and at the same time show some compassion for honest mistakes."

The matter was referred to a committee to consider the question.

Want Pay Equalized

In a memo from the Woods' Election Commission, it was recommended that members of the counting boards from the recent election be allotted extra money after they had worked as many hours as the inspectors, who were paid twice as much.

The report stated that originally it was expected that the six counter and two counting board chairmen would work only half the time of the inspectors and inspector chairmen. The reason the work was stretched to over 12 hours for the counters, the memo stated, was because of the long ballots and the extra mixed and split ballots which were unanticipated.

The Council voted to double the pay of the counting board members to \$25 for the workers and \$30 for the inspectors for their services. In addition, a resolution was changed to allow absentee ballots to be counted by machine, rather than just manually.

Letter From Troy
Received and placed on file and referred to the city manager to obtain more background information, a letter from the city manager of Troy expressed concern over Sunday business operations by merchants and explored the possibility of enacting ordinances to prevent seven-day operations. A questionnaire was also enclosed in the letter.

The Troy official stated that some merchants would like to close on Sunday but find it necessary to open their doors because of nearby competitors.

"This introduces the 'herd instinct' into the behavioral patterns of other competitors, (both real and imagined), and a 'stampede' into seven-day operations naturally follows," the letter read. "Competition among commercial establishments cross municipal boundaries. Hence, uniformity of ground rules is necessitated."

Councilman Huettman noted that Grosse Pointe City has an ordinance barring some supermarkets from operating on Sundays.

Burgess Honored By City Council

Before the official business of the City of Grosse Pointe Council began on Monday, November 16, Councilman William L. Hurley asked for a moment of silence for Mayor David E. Burgess, who died suddenly last week.

Following this the council unanimously passed the following resolution:

WHEREAS, David E. Burgess faithfully served the City of Grosse Pointe and its citizens for more than 16 years, as City Councilman from 1954 to 1963 and as Mayor from 1963 to 1970, and,

WHEREAS, Divine Providence has suddenly taken Mayor David E. Burgess from our midst, and

WHEREAS Mayor Burgess' distinguished public service record and activities encompassed Grosse Pointe citizens, the City Council, City employees, fellow Mayors, Wayne County Board of Supervisors, Southeast Michigan Council of Governments, and the Michigan Municipal League, and

WHEREAS, Mayor Burgess' unselfish efforts and outstanding leadership have resulted in lasting achievements for the City of Grosse Pointe; now therefore, be it

RESOLVED, that the City Council of Grosse Pointe posthumously honor Mayor Burgess for his unselfish contributions and extend to his wife and the Burgess family its sincere thanks and grateful appreciation for his outstanding community service.

STONES STOLEN

John DeRonghe, 4376 Guilford, Detroit, called City police on Tuesday, November 10, to report persons unknown had stolen two key stone cement blocks and 100 feet of water hose from his construction site on Jefferson between Neff and St. Clair, the previous evening.

Men Gardeners Meet Tonight

The Men's Garden Club of Grosse Pointe will hold its regular meeting Today Thursday, November 19, at 8:00 o'clock, at the Grosse Pointe War Memorial.

Roger Watkins-Pitchford, who was a complete delight on the November, 1966 program, returns to speak on the topic "Plants I Have Known".

Mr. Watkins-Pitchford has a varied background, including such disparate titles as radio commentator, plant propagator and landscapist, special constable of the R.C.M.P., executive officer of the Royal Canadian Navy, and office manager for the H. and C. Engraving Corporation in Windsor.

He has been active in Little Theater movements and won "Best English Production" in the Dominion of Ottawa Festival for the part of Marco Polo. He has had many poems published in the Canadian papers and magazines and is a Water-Colorist of note.

His radio program, "The Sun Parlor Gardener" is heard on Sundays at 8:30 p.m. over station CBE. Any men who are interested are welcome to attend the meeting.

biggest, winningest auto show ever! cobo hall, nov. 21-29

Vandals Pick on Policeman's Car

Patrolman Patrick Fagan of the Woods police force, while performing his duty in keeping the peace and protecting North High school property during the North-South football dance, found that his own property had been vandalized.

Saturday, November 14, Fagan discovered after the dance that his car had been stripped while it was parked at the North High parking lot.

Assigned for the evening at the North High detail, Fagan found no scout cars were available for use at the time, so he and Officer Richard Priezt drove his car to the school and parked it at the rear of the school around 7 p.m.

When he returned at 11:45 p.m., the car was stripped of its coil and all the wires from the distributor and spark plugs. A vacuum line had been cut and a battery post had been broken from its mooring. The car was towed away.

Congregation to Pay Honor
To Pastor and Mrs. Geffert

Seated behind his desk in his pleasant office at Christ the King Lutheran Church, one would hardly suppose that the Reverend Walter Geffert, pastor, had managed a jazz band, ridden shotgun for his parishioners in Saskatchewan province or ministered to the needs of POW's in Oklahoma.

Obviously time has dealt kindly to the man who ministers daily to the needs of 550 communicant members. Under a grey white head of hair, Pastor Geffert's blue eyes sparkle at reminiscence of ministry that has lasted 4 years and is still flourishing.

On November 22, Christ the King congregation will pay tribute to the pastor who has led them since October 25, 1945. Pastor Geffert first gathered his flock consisting of nine families in a small building at Mack and Lancaster. The present edifice at Mack and Lochmoor was dedicated in March, 1964.

The son of the Rev. Francis Geffert, Walter was born August 20, 1905 at Reed City, Mich., the eighth in a family of nine children. Following the death of his father, his mother moved her large family to Arlington Heights, Ill. In 1924 he earned his Bachelor of Arts degree from Concordia College, Fort Wayne, Ind., and in 1929, a Bachelor of Theology from Concordia Seminary, St. Louis.

Through a jazz band with which he and five other students earned college funds, he met Miss Anne Kuehner of St. Louis, also a student. She became his bride on August 17, 1929 at Kirkwood, Mo., and the couple headed north to Lipton, Saskatchewan to minister to a small plains congregation. Riding horseback or by sled, a shotgun at his side at all times to ward off wolves, Pastor Geffert most vividly remembers being lost during a blinding snowstorm, traveling in circles with a thoroughly confused horse and daring not to doze for fear of freezing to death. Temperatures often dipped into the forties and fifties "below" there, uncomfortable to even such an avid sportsman.

The Gefferts' first son, Walter, was born at Lipton, and from the wheat country of Canada the small family accepted a call to wheat country at Mokena, Ill., in 1932, founding a new mission church at New Lenox. Shortly after the birth of their second son, Paul, they answered a call to Kingfisher, Okla., where besides serving his home flock, Pastor Geffert was assigned an Army chaplaincy at El Reno, German prisoner of war camp.

Memories of those days, fraught with restrictions on food, gasoline, and other necessities involving a nation at war, convey a sense of gratitude and warmth as Pastor Geffert recalls them. It was 1942 and the first batch of prisoners were soldiers under Rommel from the African desert. "Most of them clung to their old Christian precepts, and out of 500 prisoners, 450 would appear in chapel on Sundays."

Older men in their thirties and forties, they appreciated everything done for their com-

fort. Werner Fiebiger was one of these men. After the war Fiebiger returned to East Germany to preach in the Lutheran church at Dresden-Briesnitz. Pastor sadly remembers that the second group of prisoners under his chaplaincy were younger men in their twenties from the Normandy invasion, thoroughly brainwashed by the Nazis and hostile to the church. Just a few years ago, a young

REV. WALTER GEFFERT

American loaded down with fresh bread, wine and all he could carry on a hiking jaunt through Europe, bade a fond farewell to the Fritz Koch family at their farm home near Dusseldorf. The young man was Paul, son of the Rev. and Mrs. Geffert, accorded this hospitality by a German family who had not forgotten the kindness of his parents when Herr Koch was a prisoner of war bivouacked El Reno, Okla., and Pastor Geffert was his chaplain.

Mack avenue was a narrow road when Pastor Geffert was called to establish a mission in Grosse Pointe Woods, as peace fell over the land in 1945. In 1953 the first church at Mack and Lochmoor was built, but in the following decade a further addition was required.

An unwavering fundamentalist to the original doctrine espoused by Dr. Martin Luster, Pastor Geffert was asked what is his gravest concern. His answer was, "People are losing their sense of values in a vain effort to debunk what has been tried and tested in time: our morals, our culture, and our traditions. There is only one solution. Teach the old and the young the truths given by God on Mt. Sinai. As they accept God's will, they will appreciate culture, cultivate respect for traditions, and promote a spiritual way of life."

A service of Thanksgiving and a buffet dinner on Sunday, November 22, will honor Pastor and Mrs. Geffert for their 25 years of diligent ministry at Christ the King Lutheran Church.

LAWN DAMAGED BY CAR
James Causley, 544 Canterbury, called Woods police Saturday, November 14, to report that a beige Volkswagen had driven over his lawn around 10:14 p.m.

D'you
Know
That.?

By Paul Schweitzer

Did you ever hear of the "FATAL 20" as referred to presidential elections?

It is a superstition which stems from the fact that beginning with President William Harrison, who died one month after his inauguration in 1841; every president elected EVERY 20 YEARS THEREAFTER, has died in office - before completing his term . . .
1861 - Abraham Lincoln . . . 1881 - James Garfield . . . 1901 - William McKinley . . . 1921 - Warren Harding . . . 1941 - Franklin Roosevelt . . . 1961 - John F. Kennedy . . . The 20 year sequence of tragedy is viewed by many as a foreboding sign for the president-to-be in 1981.

This is another matter, but it's to remind you that SCHWEITZER has never crossed swords with customers. Our service is so dependable, there's never anything to complain about. Try us. Call on SCHWEITZER REAL ESTATE for anything in the way of Realty Service. Two locations for your convenience: SCHWEITZER REAL ESTATE, 21300 Mack Ave. . . PHONE: 886-4200, and 18530 Mack Ave. . . PHONE: 888-1270.

the claymore shop
is pleased to
announce an
important
breakthrough
in men's
clothing
stores.

We broke through the wall and made the Claymore shop twice as big! It's like two Claymore shops in one! And, as you might expect, we've filled both of them with more things than you'd expect to find in a couple of ordinary places. Come and find them.

Take a look at the shirts!
Solids, stripes, stripes
with stripes, pointed collars,
longer pointed collars,
button-downs, too.

Take a look at the suits, the sportcoats, the outerwear. Name a color, a fabric, a style. Are you a three-button natural-shoulder man? Good, we're the store for you. You aren't traditional? Good, we're the store for you.

What kind of slacks do we have? What kind of slacks do you like? Cotton? Wool? Leather? Traditional? Stovepipes? Flairs? Come and look. But plan on being here a while.

Ties?
Some people think we're a tie store that sells suits. Why? Maybe because the place is filled with ties

Now, how about a hat?
Cuff links?
Fifteen or 20 different scarves? New buttons for your old blazer? (Unless you'd rather have a new blazer for your old buttons.)

A belt ought to do more than hold up your pants. It ought to look good. Come and look good.

we're twice as big now

SC At Defer Gets Involved

The Defer Elementary School Student Congress has been functioning for some six years. It serves as a sounding board between students, administration and faculty. Its members are fifth and sixth grade students who are interested in being an active part of the school, community and national education picture.

Recently members, concerned with environmental pollution, decided to do something about it which would involve the entire school. Toward that end they organized a special assembly for Thursday, November 12, dramatizing the problems of "Space Ship Earth," via an original taped skit. The concepts presented were reinforced by an impressive slide presentation narrated by two members of the Student Congress.

Both presentations said in effect that everyone must become involved in the effort to stop pollution of our planet . . . NOW.

The balance of the program concentrated on positive steps individuals and/or groups might consider in helping to correct earth's ecological problems.

The group's sponsor, Kenneth Starring, then introduced members of Defer's newly organized Environmental Patrol. The patrol will serve as an information and action center for activities associated with problems involving improvement of our environment. Patrol leaders, composed of members of the Student Congress, will assist each classroom in its efforts.

Principal Jesse Lowther joined Mr. Starring in inviting students to contribute their ideas to the Student Congress.

Members of the SC who participated in assembly were David McCoy, Ellen Cerutti, Pam Wallace, Vince Pravetone, Bill Templeman, Debbie Fischer, Ann Aasmussen, Brad Turkun, Toni Simon, Kris Holterbach, David Halter, Yolanda Mohammed, Eric Ballou and Ron Herndon.

Methodists Plan Choral Program

The Chancel and Youth Choirs of the Grosse Pointe United Methodist Church will present a Choral Program of Thanksgiving on Sunday, November 22, at 5 p.m. Featured in the program will be "A Song of Thanksgiving" by Vaughn Williams, "The Heavens are Telling" by Hadyn, "Jesu, Joy and Treasure" by Burethude and "Now Thank We All Our God" by Pachelbel.

There will be three featured soloists. Mrs. Martin Dutt, soprano, has appeared in programs throughout the Detroit area. Gene Wobech, tenor, though new in the Detroit area, is a member of the Ken Jewell Choral soloist at the Kirk in the Hills in Birmingham, John Carter Cole, bass, is Dean of the Detroit Chapter, American Guild of Organists.

Narrator on "A Song of Thanksgiving" will be William Giles of Pontiac. Mr. Giles is secretary of the Episcopal Diocesan Committee on Music and Organist-Choirmaster at the All Saints Episcopal in Pontiac.

Jack E. Ellis will direct the choir. Mr. Ellis is the Organist-Choirmaster at the church and is a graduate of Western Michigan University.

Organist for the program will be Harland Jyhla, Organist at the Drayton Avenue Presbyterian Church. There will also be a brass quartet and a string trio, composed of local students. There will be no admission charge; an offering will be taken.

Pointes to Share \$128,294 From State Highway Fund

Motor Vehicle Highway Fund collections for the third quarter of 1970 are up 6.8 percent from the same period a year ago, according to State Highway Director Henrik E. Stafseth, who announced that distribution of the collections have already started.

Stafseth said that net receipts in July, August and September totalled \$77,766,148, an increase of \$5,271,480 from the third quarter of 1969. He pointed out that the increase is due to normal growth in motor vehicle registrations and fuel consumption.

According to the third quarter announcement, the five Pointes will share a total of \$128,294, up slightly from the 1969 third quarter distribution, which was \$120,321.

As its share of the latest collections, the Woods will receive \$42,087; The Park, \$35,036; The Farms, \$29,694; The City, \$15,924; and The Shores, \$5,553.

Last year, during the same period, The Woods was given \$39,422; The Park, \$32,869; The Farms, \$27,873; The City, \$14,

948; and The Shores, \$5,209.

The fund is made up of the seven-cent-a-gallon state tax on gasoline and diesel fuel and motor vehicle license plate fees paid by motorists.

After deduction of the Department of State collection costs, 1.5 percent of the gasoline tax is for the State Waterways Commission and \$3.5 million annually for the Mackinac Bridge Authority to retire bridge

bonds; 46 percent goes to the Department of State Highways, 34 percent to the 83 counties, and 20 percent to the State's 529 incorporated cities and villages.

Under this formula, the Highway Department receives \$55.77 million as its share of the third quarter collections; the counties, \$26.44 million; and the cities and villages, \$15.55 million.

Wayne County's share of the latest distribution will amount to \$4,802,932, as compared to \$4,542,294, during the same time last year.

Ignorance ceases to be bliss to those seeking information.

CFE BACKS BOND ISSUE
The membership of Grosse Pointe Citizens for Education has voted to support the \$3,600,000 bond issue for renovation of South High School, which will go on the ballot Monday, December 7.

SHOPLIFTER STOPPED
A 18-year-old shoplifter was stopped on Wednesday, November 11, after leaving Kay Baum's, 1682nd Kercheval, with a belt valued at \$6. She was taken to the City station and released to her parents.

BATTERY TAKEN
Carol Lauri, 715 Peartree, telephoned the Woods police to report that a battery had been taken from her car from 12:30 a.m. to 9:30 a.m. Wednesday, November 11. The battery was valued at \$46.

Society Honors James Marks

A signal award for outstanding services was given to James H. Marks of Sunningdale drive, at the meeting of The Society of the Sigma Xi at Palm Springs, Calif., on November 2.

The Society of The Sigma Xi is a national honorary society in the field of pure science and applied science. All the members are elected and chosen on the basis of outstanding accomplishments. There are 110,000 active members.

The award consist of a citation for devotion to his commitment given at the time of his initiation into the Society in 1908. During the past 11 years he has been a member of the board of governors and chairman of the Chapter-at-Large which is the largest chapter.

At a dinner in his honor Mr. Marks was given the citation and a sterling silver plaque bearing the insignia of the Society and his name. This is the second award of this nature that has been granted. The other was for long service of the Editor of the Society magazine, The American Scientist.

Under Mr. Marks' direction the Chapter-at-Large has more than doubled its size and has almost doubled its contributions to the Society's Grants-in-Aid for benefit of researchers who need relatively small starting funds to begin the work of their chosen fields.

REALITY
The actuality of the present seldom looks as good as the theory of the past.

Most automobile makers would like you to visit the showroom.

Mercedes-Benz would rather you visit the factory.

PONTIAC, MICHIGAN 48053

Almost any automobile can be made to look good in the showroom. Sloppy workmanship and production shortcuts are easily glossed over amid a barrage of adjectives and the glitter of neon lights.

But you can't hide anything in the factory. It's as revealing as inspecting the kitchen of a restaurant.

That's why, at Mercedes-Benz, we wish everyone could visit our factory before they visit our showroom.

Here are some of the things you'd discover.

Some quaint notions
The work areas are clean and bright. The atmosphere orderly and unhurried. More like an Old World Guild Shop than a typical automobile factory. While some brag about assembly lines that build 100 cars an hour, we boast of building 30. We take six weeks to craft our 600 model.

And we have some refreshingly quaint notions about how automobiles should be built.

In our upholstery shop, over 100 former dressmakers cut, stitch and tailor each interior with the care that goes into a designer's original.

A luxury to some makers. A necessity to Mercedes-Benz.

Five layers of material, an inch of rubberized padding and 16 man-hours go into every convertible top.

That's longer than it takes most manufacturers to assemble an entire convertible.

Expensive? Of course. But the top of a Mercedes-Benz convertible will never billow or flutter. And it muffles road noise better than most hardtops.

Cabinetmakers, not chemists
We have still another old-fashioned idea. It concerns the wood trim that goes into our automobiles. We think it should come from a tree. Not a plastic mold.

So instead of chemists we have cabinetmakers.

They take hours to select and match grains; highlight and accent the wood's character with artist's brushes and stain; protect its beauty with five coats of varnish; then polish it with oil and pumice. When time permits they use their cabinetmaking

skills to build furniture for our executive offices.

Minutes, not seconds
Even the assembly lines reflect this pace. Cars crawl along while workers spend minutes, not seconds, on their specialty. You'd find craftsmen filing, grinding, and smoothing a single roof seam for 15 minutes or more. Solidifying the body into a single rattlewarting unit with 8,000 to 10,000 welds. And patiently fitting doors, hoods and trunk lids to a tolerance that cannot vary more than one millimeter.

A blow to time and motion experts. But a boon to some appreciative owner.

If it might rust, paint it
You can't fully appreciate the 44 pounds of rust protector, we apply to every car until you've exposed your Mercedes-Benz to the slush and salt of several winters.

But in our factory you could begin to understand why it will resist the ravages of corrosion.

You'd see workers swabbing zinc oxide paint on the back side of body panels before they are welded airtight.

Spraying the underside with a resilient armor that actually "heals" itself when struck with a stone.

Hand painting the front of the car with an extra coat of specially formulated enamel designed to shrug off gravel.

Even the insides of the bumpers get a protective coat of paint.

The car rejects 1 in 10
Wending your way through the factory, you'd notice a curious mix in our labor force. One of every ten workers is

an inspector. Inspectors check vital welds by pounding away at them with a hammer and chisel. A skill so demanding they're sent back to school twice each year.

Inspectors with white gauze mittens painstakingly feel every inch of the unfinished body. Because the hand is better than the eye in detecting minute burrs and ripples.

And after inspectors subject rear axles to 55 mechanical and electronic checks, some to tolerances as fine as 8/10,000 of an inch, one in ten is rejected by an amazing device called the human car.

"A small basket for waste"
But in checking disc brakes, our distrust goes largely unrewarded.

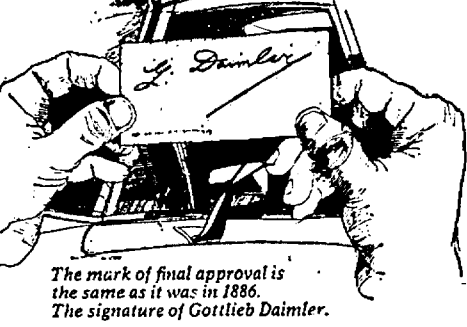

The machines that produce the discs are adjusted after every 40 pieces. An electronic inspector measures five critical dimensions on every disc they make. A production supervisor manually re-checks the dimensions on every fifth one. And a quality controller must personally take every disc from the end of the line.

Yet after all this, *only one disc in a thousand* fails to meet our exacting standards. As an experienced controller once told a visitor, "We have only a very small basket for waste."

One man decides
But after passing thousands of quality control checks, it all comes down to one man. A sort of "ultimate inspector."

He spends at least 20 minutes with each car as the world's fussiest critic. Feeling, checking and testing anything he suspects. No car can leave the factory

without his approval, which he signifies by affixing a signature to the windshield. The traditional signature of Gottlieb Daimler. Only then is it ready for your approval in the showroom.

The mark of final approval is the same as it was in 1886. The signature of Gottlieb Daimler.

\$5,000 and up.
Adhering to an engineering ideal, not a price objective, has put our automobiles among the world's most costly.

The least expensive Mercedes-Benz, our 220 Sedan, costs \$5,217!

But to the man who buys an automobile to keep, not to trade every few years, this seems no extravagance at all.

As the engineering editor of *Road & Track* magazine noted in a recent article on his own Mercedes-Benz, "The most satisfying thing about the car is its great precision of operation and quality of manufacture."

"At 35,000 miles... the car is more impressive than when new."

If you are planning to visit Europe this year, plan to visit our factory. To see, for yourself, why even the lowliest Mercedes-Benz is worth over \$5,000.

To make arrangements, just check the coupon. Our man in charge of tours, Peter Grassl, will send details.

And if you'd like to see the rest of Europe in your own Mercedes-Benz, simply check the box for our Guide to European Delivery.

East and Gulf Coast ports of entry, exclusive of transportation, options, state and local taxes, if any. Copyright 1970, Mercedes-Benz of North America, Inc.

Tougher than rain, sand, heat, cold and shock.

SONY'S FM/AM/VHF-Weather radio. \$69.95

Action people can't resist Sony's TFM-8100W. Because it's built to resist everything. Hammer it. Drive over it! You can't hurt its tough fibre glass cabinet reinforced with steel frame.

Resistant rubber sealed, too, to protect against freezing rain and hot sand.

And with 1 FET plus 15 transistors, this radio gives remarkably sensitive and selective FM/AM and VHF weather band (162.55 Mc) for instant weather reports.

Expect big sound from the TFM-8100W it has 650 milliwatts of output power and a large 3" speaker.

Plus Sony's new development, LED, for correct tuning indication. And AFC switch for drift-free FM.

Works on battery or AC cord.

Now you know why this Sony is going places. **SONY**

Troop 61 Holds Court of Honor

The Boy Scouts of Troop 61 at St. Paul School and their parents recently attended a picnic supper and Court of Honor

celebrating the achievement of Eagle Scout Awards by Rudy Grosse, Jr. and Lee Temrowski, Jr.

To become an Eagle Scout, the highest rank in scouting, it is necessary to earn 21 merit badges including citizenship, conservation, first-aid, personal fitness, safety, life saving and nature study. There are approximately 30,000 registered Boy Scouts in the area and each year only about 400 become Eagles.

Guest speaker of the evening was the Honorable Robert H. Pytell, municipal Judge of Grosse Pointe Farms. Mr. Frank J. McPhillips, pastor of St. Paul's Catholic Church delivered the invocation.

Other awards presented were: Life Scout ranking to John MacFarlane, Mark Webb and John Temrowski; Star Scout ranking to Bill Kreig and Mike Seaver, and First Class Scout badge to Jeff Reger.

Second Class Scout badges were presented to Craig D'Hondt, Kevin Burke, Jim Tuscany, Mark Cornille and Tim Hurley.

New members of the troop were awarded Tenderfoot Scout ranking. They included Courtney Fitzsimons, Hank Roesch, David Sholtz, Eugene Belanger, Ralph Basile and Robert Striker.

Named officers in Troop 61 were: Lee Roy Temrowski and Rudolph J. Gross, Junior Assistant Scoutmasters; Leo Roney and Rudy Grosse, Tom Albers and Lee Temrowski, all members of the troop have been especially active this year. Troop enrollment has increased 31 percent over last year.

Bill Krieg was named quartermaster and Jon Seaver, Dave D'Hondt, John Temrowski, Ken Schmucke and Jeff Collinson, instructors.

Due largely to the dedication of Scoutmaster Ted Granger, of Muir road, troop committee chairman, Douglas Collinson and assistant scout masters Rudy Grosse, Tom Albers and Lee Temrowski, all members of the troop have been especially active this year. Troop enrollment has increased 31 percent over last year.

Center Skiers Meet Tuesday

The Grosse Pointe Ski Club (Adult) has a special program planned for their meeting on Tuesday, November 24, at 8 p.m. in the Fries Auditorium.

Mike Krag, the Metropolitan Detroit Ski Club president, will present a film of 24 well known ski areas in Europe showing the various types of slopes, available lodging and other pertinent information.

Following the film, Roger Drouin of the Slalom Ski Shop in Mt. Clemens will present his "Indoor Ski School" covering valuable information to skiers.

Bob Meachum, president of the Grosse Pointe Ski Club, urges all members (and prospective members as well) to be on hand.

Coffee House Set for Sunday

"The Kindred Spirit," a local folk trio composed of Mrs. Ralph Wilgarde, Jim Reddick and Thom Byrd, will perform at 8 o'clock on Sunday, November 22, at the Grosse Pointe Unitarian Church's coffee house.

Tickets are \$1.75 and may be purchased at the door.

The sure way to continue going up hill is to stay on the level.

Judge Goodrow Clears Docket

Court for the City of Grosse Pointe Woods was held Wednesday, October 28, with Judge Don J. Goodrow presiding. Fifteen cases were heard.

Richard Setili, 21127 Beaufort, in Harper Woods was found guilty of possessing narcotic paraphernalia. Setili was placed on probation to Wayne County Probation Department and was assessed total costs of \$150. He had entered a guilty plea.

Pleading guilty on a charge of no registration in his possession, Charles M. Grimshaw, Jr., 864 Berkshire, was found guilty and fined \$10.

William Douglas, 1021 Wayburn, was found guilty of trespassing and fined \$15. Douglas had pled guilty.

The court found Bruce Robertson, 1313 Hawthorne, guilty of hitch-hiking after he had entered a guilty plea. He was fined \$5 for the offense.

The Wrigley market, 19231 Mack, was found by the court to be the scene of four violations of an open dumpster at the rear of the store. For the offense, the court set a fine of \$40.

James Presnell, 22000 Ridgeway, St. Clair Shores, pled guilty to driving with defective lights. He was found guilty and fined \$11.

In court, five had been found guilty of speeding after all but one had entered a guilty plea. They are: James Watson, 12460 Moross, in Detroit, fined \$15; David Beaupre, 440 Roland, fined \$17; Shirley Borczak, 25704 Waldorf, of Roseville, fined \$24; and Jennie Obertyniuk, 31637 Kelly, in Fraser, fined \$25.

Pleading not guilty for speeding was Frederick Kisbany, 2648 Military, in Port Huron. The court found him guilty and fined him \$10.

Howard Jones, 1281 Lycaste, pled guilty to driving without a Michigan driver's license in his immediate possession. He was found guilty and paid a fine of \$25.

Fined \$25 for drag-racing was Francis Rayba, 11784 Sanford, in Detroit. He had entered a guilty plea.

Michael Risky, 29400 Apollonia, Warren, was found guilty of failing to stop for a stop sign, after pleading guilty, and paid a fine of \$13.

Calvin Patton, 9475 Traverse, in Detroit pled guilty to committing a larceny of under \$100. The court found him guilty of the charge and ordered him to pay restitution in the amount of \$85. In addition, he was placed on probation for one year and ordered to pay \$100 in costs within 90 days.

Judge Goodrow signed 19 warrants for failure to answer a summons. Four cases were adjourned and four were dismissed.

A St. Clair Shores resident, stopped by Woods police for driving with one headlight out and a noisy muffler, was found to be wanted on warrants in St. Clair Shores and Detroit.

While on routine patrol, Woods police spotted George Olah, 22314 Helen, driving south on Mack, and after stopping him, found that he was driving with an expired license and a 1969 registration.

A routine warrant check at the scene showed outstanding warrants in St. Clair Shores and Detroit. Olah was arrested and taken to the station where the two departments were contacted. Both departments requested bonds totaling \$79 on Olah, and that he be held by the Woods.

A \$100 bond was also placed on Olah by the Wood. Olah was unable to come up with the money and was placed in the cell at 3:15 a.m. until trial.

FAST MOVING The more we learn about this old world of ours, the more we want to stick around and see what happens next.

City Judge Paterson Holds Court

The City of Grosse Pointe Municipal Court convened on Tuesday, November 10, with Judge Douglas L. Paterson presiding. The following cases were heard:

Tom Vanderveide, 787 Fisher, was charged as a disorderly person. He stood mute, was found guilty and fined \$25.

George Gardner, Jr., 921 Canterbury, was charged under the drunken motor law. He pled guilty, was found guilty, fined \$50, placed on one year probation, the first 45 days of which were to be spent in jail.

Thomas Holstein, 16833 Cranford, was charged as a disorderly person. He pled guilty, was found guilty, fined \$50 plus \$75 costs, and placed on one year probation.

Milo Bancroft, 604 Notre Dame, was charged as a disorderly person. He failed to appear and a warrant was issued.

Theresa Mirch, 23235 Lauren Lane, Warren, was charged with careless driving, resulting in an accident. She pled not guilty, was found not guilty and the case was dismissed.

Mary DeVos, 481 Bournemouth, was charged with traveling 35 mph in a 25 mph zone. She stood mute, was found guilty, the sentence was suspended.

Mary Cornelius, 4360 Kensington, Detroit, was charged with careless driving resulting in an accident. She pled not guilty, was found not guilty, case was dismissed.

Steven Art, 4830 Courville, Detroit, was charged with going through a red light. He stood mute, was found guilty and fined \$11.

Stella Strelbitzky, 4624 Alter, Detroit, was charged with failure to yield-the-right-of-way resulting in an accident. She stood mute, was found guilty and fined \$50.

John Akers, 1288 Piper, Detroit, was charged under the

drunken motor law. He failed to appear, a warrant was issued for his arrest and bond was forfeited.

David Sparks, 30238 Taylor St. Clair Shores, was charged with speeding and excessive noise. He pled guilty, was found guilty, fined \$40 and \$15 costs, placed on six months probation and made to attend four sessions of Driving Training School.

Frequent collisions are bound to occur when great minds run in the same channel.

PTA At Ferry To Meet Dec. 3

Ferry School PTA is welcoming its parents and any interested citizens to a "Back to School" night on Thursday, December 3, at 8 o'clock.

An informative program is in the offing with Dr. Joseph Spagnoli, Assistant Superintendent-Instruction discussing the South High School Bond Issue, and Howard Wright, Past-President, Ferry PTA, explaining the recently passed Public Law 100 and the effect of both on the school system.

Following this portion of the

meeting, parents will go to their children's classrooms where teachers will discuss what programs their youngsters pursue at that particular grade level. A two-stage format will make it possible for parents visit more than one room.

PRESENT TENSE
Remote difficulties are easily cleared up by doing immediate duties today—not tomorrow.

BRIGHT SIDE
There are few dark days ahead for the people who have learned to spread sunshine.

Pointe Veteran Killed In Crash

A 20-year-old Vietnam marine veteran, Mark W. DuFour, 1179 Yorkshire, was killed on Monday, November 16, when his car missed a curve and hit a tree at Miller and Maple, in Ann Arbor.

Mark, a student at Washtenaw County Community College, was returning from work at the Holiday Inn Motel in Ann Arbor around midnight when the accident occurred.

Funeral services will be held at 9:30 o'clock, in the Verheyden Funeral Home today, Thursday, November 19, and at 10 o'clock, from St. Clare of Montefalco Church.

He is survived by his parents, Mr. and Mrs. George DuFour; his brothers and sisters, Mrs. Martin Bergeson, Richard, Randy, Patrick, Michael, Thomas, Mary Margaret, James, George II and Renee.

Interment will be in Mount Olivet Cemetery.

Citizens Asked To Coffee Hours

Dr. Theos. I. Anderson, Superintendent of The Grosse Pointe Public School System, this week began a second series of informal morning and afternoon coffee hour discussions with interested citizens throughout the school district. The public is cordially invited to attend any of the scheduled meetings.

During his appearances throughout the district he is expected to discuss the December 7 bond issue to renovate South High School and the potential impact of Public Act 100, a state law that will impose limitations on educational expenditures in Grosse Pointe in 1971-72.

The series, which began with discussions at Pierce on Tuesday and at Monteith on Wednesday, continues today, Thursday, November 12, at Kerby School.

Next week Dr. Anderson is scheduled at Ferry School at 9:30 a.m. on Tuesday, November 17; at Barnes School at 9:30 a.m. on Thursday, November 19; at Mason School at 9:30 a.m. and at Trombly at 1 p.m. on Friday, November 20.

The series continues the week of November 23 with appearances by the Superintendent of Schools at Poupard School at 1 p.m. on Monday, November 23; at Richard School at 9:30 a.m. on Tuesday, November 24.

Following the Thanksgiving recess Dr. Anderson will conclude the series of appearances by visiting Maire School at 9:30 a.m. on Monday, November 30; Defer School at 9:30 a.m. on Tuesday, December 1, and Parcels Middle School at 9:30 a.m. on Thursday, December 3.

OBITUARIES

GEORGE R. REED
Funeral services for Mr. Reed, 72, of 720 Pemberton road, were held on Monday, November 16, in the Verheyden Funeral Home. He died on Thursday, November 12, in Bon Secours Hospital.

Mr. Reed was chief engineer for Eaton Manufacturing from 1928-1963. He was personally responsible for many of the technological improvements in tooling up for World War II in springs for guns and tank sprocket wheels and later in the introduction of automated equipment. He was a member of the Engineering Society of Detroit; Grosse Pointe Rotary Club and a Veteran of World War II.

Mr. Reed is survived by his wife, Marie; a son, Fred A.; two daughters, Mrs. Ada N. Stallman and Mrs. Helen Boyle; a sister, Mrs. Grace Reed Coliar; and eight grandchildren.

Interment was in Forestlawn Cemetery.

JOHN BRAY
Funeral services for Mr. Bray, 62, of 1651 Oxford road, were held on Saturday, November 14, in the A. H. Peters Funeral Home. He died on Wednesday, November 11, in Harper Hospital.

Born in Michigan, Mr. Bray is survived by his wife, Genevieve; four daughters, Mrs. Jacqueline Tighe, Mrs. Mary Walker, Geraldine and Pamela.

Interment was in Mount Olivet Cemetery.

FLORENCE KLEEFUSS
Funeral services for Mrs. Kleefuss, 83, of 763 South Renaud, were held on Saturday, November 14, in the A. H. Peters Funeral Home and from Our Lady Star of the Sea Church.

She died on Wednesday, November 11, in St. John Hospital. Mrs. Kleefuss was the wife of the late Aloys and is survived by a son, Joseph, and a granddaughter, Joette.

Interment was in Mount Olivet Cemetery.

ANN MARIE PASQUINZO
Funeral services for Mrs. Pasquinzo, 49, of 482 La Belle, were held on Saturday, November 14, in the Verheyden Funeral Home and from Our Lady Star of the Sea Church. She died on Wednesday, November 11, in St. John Hospital.

She is survived by a son, Alex; a daughter, Sister Luanne Marie; her mother Mrs. Kathryn Manion, and a brother, John.

Interment was in Mount Olivet Cemetery.

CARL A. BROSS
Funeral services for Mr. Bross, formerly of The Pointe, more recently of Bloomfield Hills, were held on Monday, November 16, in Bell Chapel of the William R. Hamilton Company in Birmingham. He died on Friday, November 13, in Henry Ford Hospital after a brief illness.

Mr. Bross was a collector of African art and president of the Traub Jewelry Company of Detroit.

He is survived by his wife, Susanne; two sons, Frederick A. and Avery W.; his mother, Mrs. John Duncan, Jr., of Toledo, O., and a sister, Mrs. John B. Snyder.

Memorial tributes may be made to the American Cancer Society.

Private interment was in Woodlawn Cemetery.

JOHN EDWARD SCHUTTE
Funeral services for Mr. Schutte, 71, of 256 McKinley avenue, were held on Tuesday, November 17, in the Verheyden Funeral Home and from Grosse Pointe Congregational Church. He died on Saturday, November 14, in his residence.

Born in Pittsburgh, Pa., Mr. Schutte is survived by his wife, Anne; one daughter, Mrs. John H. Rodgers; three brothers, William, Richard and Harry, and a grandson, John David Rogers.

Mr. Schutte was a member of the Grosse Pointe Senior Men's Club.

Interment was in Woodlawn Cemetery.

ANGELA MCGREGOR
Funeral services for Mrs. McGregor, 204 Vernier road, were held on Monday, November 16, in the A. H. Peters Funeral Home and from St. Joan of Arc Church. She died on Friday, November 13, in Lapeer County General Hospital.

Born in Canada on May 5, 1886, Mrs. McGregor was the wife of the late Howard. She is survived by a son, Keith R.; a daughter, Mrs. Reginald Robinson; five grandchildren and five great-grandchildren.

Mrs. McGregor was a member of the Daughters of Isabella, AMA Deuts Circle No.

THIEVES OBTAIN TIRES ON CREDIT

Two men in a car drove into the Standard Gas Station, 19100 Mack avenue, at Moross road, on Friday, November 6, and purchased six tires valued at a total \$223.52 with a stolen credit card, and fled before they could be detected.

According to a Farms police report, the pair drove into the service station and bought four regular tires and two snow tires, and handed a credit card, made out to Curtis A. Davis of 4721 Tirenman, Detroit. The card was checked by an employee, and at the time was found to be in order.

The owner of the station, Fred Gram of 12243 Laing, Detroit, told police that the next day the employee informed him of the sale, and that he became suspicious when he was told that the two men did not have the tires mounted on their car, but told the employee that they were taking them to have them placed on another vehicle at a station at Warren and St. Jean in Detroit.

Gram said that he called the Davis residence to inquire about the sale and was notified that the credit card had been stolen, and a report of the theft had been made to the Standard Oil company.

J. WALTER RUNCIMAN
Funeral services for Mr. Runciman, 76, of 1370 Bedford road, were held on Wednesday, November 18, in the Verheyden Funeral Home. He died on Sunday, November 15, in his residence.

Born in Michigan, Mr. Runciman was the owner of Runciman Drugs, at 2500 Mount Elliott, for over 50 years. He was a member of Moslem Temple—Ashler Lodge No. 91 F&AM and a World War I veteran.

He was the husband of the late Evelyn, and is survived by a son, John; a daughter, Mrs. Frank Scrimgeour; a brother, Lyle, and a sister, Mrs. Sylvia Bilten.

Interment was in Acacia Park Cemetery.

JOHN EDWARD SCHUTTE
Funeral services for Mr. Schutte, 71, of 256 McKinley avenue, were held on Tuesday, November 17, in the Verheyden Funeral Home and from Grosse Pointe Congregational Church. He died on Saturday, November 14, in his residence.

Born in Pittsburgh, Pa., Mr. Schutte is survived by his wife, Anne; one daughter, Mrs. John H. Rodgers; three brothers, William, Richard and Harry, and a grandson, John David Rogers.

Mr. Schutte was a member of the Grosse Pointe Senior Men's Club.

Interment was in Woodlawn Cemetery.

ANGELA MCGREGOR
Funeral services for Mrs. McGregor, 204 Vernier road, were held on Monday, November 16, in the A. H. Peters Funeral Home and from St. Joan of Arc Church. She died on Friday, November 13, in Lapeer County General Hospital.

Born in Canada on May 5, 1886, Mrs. McGregor was the wife of the late Howard. She is survived by a son, Keith R.; a daughter, Mrs. Reginald Robinson; five grandchildren and five great-grandchildren.

Mrs. McGregor was a member of the Daughters of Isabella, AMA Deuts Circle No.

Until Sony Color TV... Better Color was just a promise.

Sony simplified its TV system and got better color. They call it Trinitron. Sony invented its color TV as it was meant to be: all colors are shot through one big color gun.

The Trinitron system has a bigger lens, too. Twice as large as other TV's. With the larger lens you get a sharper, brighter picture.

There are many other features too:

- Automatic color control; integrated contrast-color control; pictures stay crisp and brilliant at all points on the screen; all solid state circuitry for greater reliability; contemporary wood cabinet styling.

Come in and watch the Trinitron System with 12" diagonal screen display a sharper, brighter, and a better color picture.

SONY

Trinitron Color TV

Stop waiting for better Color TV. It's here!

AMAZING!

That's the only thing Mrs. "J.M." could say when she returned from a one-week trip and saw what our finish crews had accomplished in her house while she was gone.

The house had practically been "guttled" just one week ago! Now the new oak cabinets and the built-in barbecue have been installed in the kitchen. She can't wait for the brick to be installed around the new oven and she thinks the luminous ceiling is going to be just "super".

When Mrs. "M." saw the rough-sawn paneling and the rustic beams in the new family room, she wanted to move her furniture in immediately and start a fire in that huge new fireplace.

Village Food Market

18328 MACK AVE.—GROSSE POINTE

WE ARE OPEN ALL DAY WED., NOV. 25th
8 A.M. TO 6 P.M.

Why Fresh Turkeys For Thanksgiving? BECAUSE THEY TASTE BETTER!

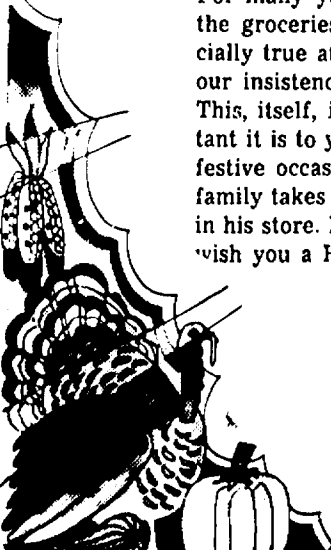

The flavor isn't "frozen" out. The fresh turkey doesn't stay for days or even weeks locked in a freezer. VILLAGE FOOD MARKET fresh turkeys are on our counter twenty-four hours after they're dressed. And all of that succulent aroma and flavor remains. Our turkeys are oven-ready and U.S.D.A. Grade A. Advance orders will be appreciated. We will stuff your turkey with our own dressing if you wish.

A Happy Thanksgiving To All!

For many years Grosse Pointe families have relied on the fine quality of the groceries they find at Village Food Market. This fact has been especially true at Thanksgiving. We like to think it's because people recognize our insistence on offering only the very best at the lowest possible price. This, itself, is a tradition of Village Food Market. We all know how important it is to you that your family's Thanksgiving Dinner will be a genuinely festive occasion. Knowing this, every member of the Village Food Market family takes a quiet pride in the care he gives to every item that you'll find in his store. Maybe that's why there's an extra sparkle in your eye when we wish you a HAPPY THANKSGIVING.

We Carry A Complete Selection of Fine Wine and Liquors to Complement Every Meal

WE ARE OPEN ALL DAY WEDNESDAY
NOV. 25, 1970
8 A.M. TO 6 P.M.

Eagles Hockey Team in Lead

The Grosse Pointe Eagles have jumped off to a fast start in hockey league play this year and are currently holding down first place.

The Eagles, a Grosse Pointe Hockey Association team playing in the six-team Fraser league, are unbeaten in their first two outings. Led by alternate Captain Mark Santti's two goals and four assists, the team has scored 12 goals and given up just three.

The first win came off the Grosse Pointe Rangers Wednesday, November 4, with a score of 5-2. Thursday, November 12, the Eagles out-scored the Fraser Cobra Jets 7-1 in a route led by the first line of Santti, Rusty Green and Todd Tobin plus the great defensive play of Paul Marshall, Randy Mitseff, Steve Sickelsteel and Captain Pete Howard. Outstanding so far this year are Green and Marshall with two goals apiece.

Other icers are Andy Bentley, Larry Buhl, Tom Michaels, Bob Morris, Jim Andary, and Charlie Boyce. Not to be overlooked is the standout goalkeeping of Eric Franz and his backup man, Bradley Mitseff. The team, coached by Mike Merritt and his assistant, Jim Rini, plays in the Bantam Division for boys 13 and 14-year-olds.

Bruin Icers Too Hot to Handle

The Grosse Pointe Bruin Travel Team continued their assault on the teams of the Tri-County Hockey League with their third shutout in as many weeks. The Pointe skaters have poured in 29 goals in their last three league tilts while holding their opponents scoreless.

In their latest win over Northwest Realty November 14, Jeff Kydd collected two goals and two assists while linemates John Hastings scored a pair and had one assist and Jeff Johnston scored a goal and an assist. Nine year old Don Orlando got two goals, one on a nice pass out by Jeff Logan, while Terry Hogan put in a lone marker to end the game.

Dave Carron continued in his role as the playmaking defenseman by setting up two of his teammates goals with rink long rushes.

The Bruins will play three exhibition games this week and on Saturday, November 21, will take on the Slator Squirrels in a league battle to decide first place in the standings.

Saturday, November 7, the Bruin skaters shut out the Sabers in league play, 11-0, as the Squirt Division representatives from the Grosse Pointe Hockey Association tied for second place in Michigan's fast competition.

Once again eight players took part in the scoring spree. Terry Hogan led with two goals and two assists. Jeff Logan and John Hastings triggered two goals and an assist each. Don Orlando, George Hogan and Jeff Johnston all tallied a goal and an assist. Jim Morris and Steve Olson got lone markers while Jeff Kydd and Kevin Moore had assists. Dave Carron set up three scoring plays from his defensive position.

Sunday, November 8, the team journeyed to Port Huron and in exhibition play tied last season's state champs, 2-2, at McMorran Arena. Despite the tie score the Bruins outshot the All-Stars and gave rise to the hope for the Pointers making a strong bid for this year's state title.

Big Buddies Need Helpers

Are you a male high school senior or adult with an interest in helping young boys? Then you're just what Harry Newman, representative of the South Macomb YMCA's Big Buddy program is looking for. He needs volunteers to assist fatherless boys between the ages of seven and fourteen, in recreational and educational activities. If you're interested contact him at 776-1619.

RADIO STOLEN
An AM-FM radio with an estimated value of \$30 was taken from a car while it was parked on Newcastle. The owner, of the car, Ernest A. Kelin, 16070 Crescent, in Southfield, told Woods police the theft occurred sometime between 5 and 7 p.m. Wednesday, November 4. The car had been unlocked.

Farms Council Okays Contracts

The Farms council on Monday, November 9, approved the awarding of contracts to low bidders, whose collective bids totaled \$34,284.85, for services, equipment and materials, payments for which are in the 1970-71 fiscal budget, according to City Manager Andrew Bremer, Jr.

The council, on recommendation of the city manager, accepted the bid of Shock Brothers, Incorporated, selling the city 106 trees, for the replacement of elms and for new tree planting, for the sum of \$6,890. The solons then agreed to expend the total of \$10,000 in the budget which was set aside for the tree planting program. At the price offered by the firm, if the extra trees are bought from it, the plantings would be about 172.

The American Oil company was awarded a contract to sell the city \$3,595 worth of fuel oil. The Farms will purchase a 12-inch brush chipper from the Miller Equipment company in the net amount of \$3,250, after deduction of the trade-in value of a 1963 piece of equipment.

In the only bid received by the city, the Bland company offered to sell the Farms leaf bags at the cost of \$78.75 per hundred, and rubbish can bags at \$42.10 per hundred.

The Michigan Mutual Liability Insurance company submitted the only bid to give the city comprehensive general liability insurance coverage, for a gross three-year premium of \$13,729.17. The council then snapped up an additional \$1,000,000 'Umbrella Insurance' coverage, over and above the comprehensive, for a gross three-year premium of \$3,600.

Unfortunately the bird in the hand never sings as delightfully as the one in the bush.

Guidance Center Talk Scheduled

Pointe psychiatrist Dr. Frank Parcels will speak on "Sexual Curiosity in the School Age Child" on Monday, November 23, at 8 o'clock, at the Northeast Guidance Center, 17000 East Warren. Following his presentation there will be a question and answer period. Dr. Parcels is a member of the Center staff.

This will be the first of a series of lecture-discussions under the general theme of family life and personal growth sponsored by the Center.

Dr. William Rowell, who is coordinating the new program, stressed in announcing these talks that they are designed for lay people and are open to residents of the communities served by the Center which include the five Pointes, east side Detroit and Harper Woods.

The purpose of the new program, Dr. Rowell explained, is to provide a resource of information on child development, child rearing and the parenting process.

Dr. Rowell further noted that because of the size of the board room at the Center the group would be limited to 35 people. Reservations may be made by calling the Center at 886-3566. A donation of \$1.50 is asked from those who are able to make a contribution to defray the expense of the series.

Present plans call for a lecture-discussion to be presented monthly with the speakers being drawn from the professional staff of the Center initially.

The Northeast Guidance Center provides a wide range of diagnostic, therapeutic and consultative mental health services. It operates a satellite facility at 12928 East Jefferson Avenue in Detroit.

Brownell Middle School on Tuesdays from 3:15 to 5 p.m. This is a wonderful opportunity to keep those tennis muscles in shape and to be able to obtain advice and assistance if a certain stroke is presenting a problem.

For information regarding fees, please call 885-4600.

BASKETBALL

Boys in the 7th and 8th grade interested in improving their basketball techniques will be afforded the opportunity of attending the "Clinic" under the instruction of Ron Loosvelt, an avid basketball coach, referee, and player.

The Clinic will be held on Saturdays November 21 through December 19 from 10 a.m. to 12 noon at High School North. The last day of the Clinic will be a tourney to put acquired skills into actual play.

Boys interested may register at the Teen Center or call 885-4600. Pre-registration is urged.

Seniors High Tryouts

All Senior High Boys Grade 9-12 will try out for the Neighborhood Club Basketball League Tuesday, November 24, at Brownell Junior High School between 7 and 9 p.m. Only boys who live in Grosse Pointe or attend a Grosse Pointe School may play. Boys who tried out previously must attend.

Men interested in coaching these boys please call TU 5-4800.

Hockey Chargers In Second Place

The Grosse Pointe Chargers are in second place in the Fraser Suburban Hockey League with a record of two and two.

The Chargers, a Squirt B travel team coached by Mr. Dave Fessenden and assisted in coaching by Mr. Bill Tripp and Mr. Thad Ketchum, met the Grosse Pointe Pros in a league game Sunday November 8. The Pros scored first on an unassisted goal by Allan Taber but the Chargers came back with four goals to win four to one.

Harry Blackwood scored after a pass from Tim Walton in the second period. Captain Steve Levick scored twice more in the second period, once unassisted and again with assists from Bob Barker and Bob Rahaim.

On Friday November 13, with the Chargers playing the first place Fraser Raiders, Harry Blackwood scored first with an assist from Scott Santi. The Raiders came back with three goals and the Chargers lost by a score of three to one. Goalie Doug Tito made some fine saves against this strong team and Harry Blackwood played an excellent game.

The Chargers played an exhibition game with the St. Clair Shores Five Electric team Saturday, November 14 at Fraser Hockeyland. Five scored the first three goals but the Chargers came back with two goals to make it a close game. Steve Levick scored the first goal from Rahaim and Fraser. One minute later Harry Blackwood scored after a nice pass from Brian Moody. Blackwood, Moody, and Santi showed fine performances and Bob Rahaim was strong in defense.

The Charger players are: Danny Austin, Harry Blackwood, Bob Barker, Matthew Costello, Dave Fessenden, Mark Fraser, Steve Levick, Karl Ketchum, Brian Moody, Bob Rahaim, Scott Santi, Joe Sehee, Doug Tito, Bill Tripp, Jr., and Tim Walton. Mr. Burkey is their manager.

MODERN LIVING

The average man spends nine-tenths of his time trying to earn enough money to enable him to enjoy the other tenth.

North Harriers Have Good Year

The Grosse Pointe North High School cross country runners, this year's Bi-County League champions, have finished the season with a record that will be tough to beat in coming years, making it all the way to the State meet.

Head Coach Tom Gaukerke and his harriers have done the job of remaining in contention through the State Regional Championships, and losing top ranking only in the final meet.

The Norsemen staged grand slams earlier in the year against Southlake and Austin on the two-and-one-half mile course, crushing Austin with eight runners coming in before the Friars' first man. In that meet, Rich Montauk set a new course record with a time of 13:11 followed a few seconds behind by Ralph Hoffman with a 13:18 time.

In the Pontiac Invitational, based on time placement rather than position at the finish, North finished third, behind the first place team by less than a minute after three races had been run using the seven best runners on each team. Outstanding performances in that meet were shown by Kevin Sun, placing second out of 60, and Bill Hammer, finishing seventh out of 46 runners.

Rich Montauk, Ralph Hoffman, and again, Bill Hammer and Kevin Sun also showed good speed in the Clarenceville Invitational placing second through fifth respectively. Together the varsity placed first out of seven teams.

Rouge Park was the scene of

the State Regional Championships, one of nine such meets throughout the state, Saturday, October 31. North tied for first place with Notre Dame in that meet with Montauk placing second out of 105 harriers.

Hoffman, Hammer and Sun crossed the finish line ninth, tenth and eleventh respectively.

Wednesday, November 4, the Bi-County League Championships were held on a slow, clay course much of which was submerged under water.

Times were affected and, although no records were broken, the Norsemen proved they could run under adverse conditions as they came first with 23 points, 32 points less than second place L'Anse Creuse, whom they had beaten earlier in the season.

In the state meet Saturday, November 7, North ran to the wire to place 16th out of the top 20 teams in the state. North's Montauk led his team, finishing 31st against 139 other runners. Other runners in the meet were Hoffman, Hammer, Dave Moxley, Dave Mogk, Jeff Schott and Mark Olesko.

Sun was unable to run after injuring his leg just a few days prior to the meet.

Other North harriers contributing to an outstanding season are John Kopacka, Gary Knoff, Gary Marowski, Randy Petrilli, John DiMercurio, Marty Monforton, Jim Stuart and Scott Veil. Ralph Hoffman's younger brother, Paul, also ran for North.

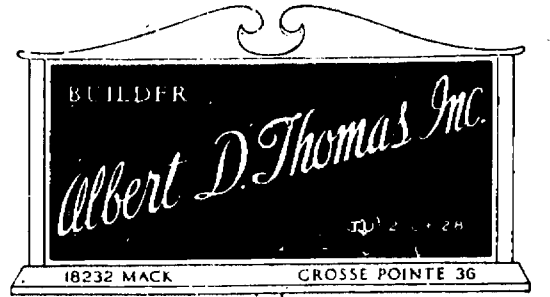

With 40 boys on the squads, North has lost only one meet in the school's history.

Student Council Makes Awards

The Student Council of Grosse Pointe South High School recently presented awards to students who have contributed greatly to the work and functions of the Council and the student body.

Those honored were Anne Henry, for organizing Homecoming; Jane Johnson, for handling Homecoming Queen selections; Scott Feringa, for Homecoming Parade arrangements; Bob Wiley for his handling of Homecoming Decorations; Sarah Wriston for Homecoming Dance refreshments and Mark Driscoll for his supervision of the Homecoming Dance.

**Norsemen's Season Over;
Tops in Bi-County League**

The Grosse Pointe North Norsemen, led by Head Coach Jim Krucki, have had their most successful football season ending up at the top of the heap in the Bi-County league after polishing off the Lakeview Huskies and Roseville Brables before meeting South High in their annual match.

North placed their bid for the championship by blanking Lakeview 8-0 in a hard fought game Saturday, October 31. While North was rushing for 215 yards, the Norsemen held Lakeview to just 122 yards, upset every Husky pass attempt and allowed the enemy to cross into their territory only once during the entire game.

Outstanding in the win was Chris Truhan, rattling off 72 yards in 10 carries, Steve Schleicher, in his best performance with 59 yards in nine carries, quarterback Joe Puleo, racing 14 yards for the single TD, and Dan Clem, receiving the two-point conversion pass to all but guarantee the victory. Jeff Clay and James David were also solid on defense.

In Lakeview's only threat of the game, Norseman Jeff David blitzed the quarterback to stop the drive on the North's 30-yard line.

North's "Green Machine" sealed the Bi-County championship as the top-flight defense recovered five fumbles and three passes.

After pushing for a first down in the first three plays of the game, Chris Truhan hit pay dirt on a 44-yard dash to give North a 6-0 lead. North scored thrice more, one after Clay James recovered a fumble on the Roseville 30-yard line. Joe Puleo, moving his squad like a pro, scored on one after a plunge which topped a 50-yard drive. Steve Schleicher snagged a Puleo pass for the conversion.

In the third quarter, North again moved the ball 50 yards setting Duane Johnson up for a 14-yard sweep for the touchdown.

Roseville Brables scored twice in the game, one sprint from 20 yards out and one on a 15-yard gain.

Late in the last quarter with the clock running out, Dan Clem leaped high into the air to make an outstanding interception only to find that time had run out.

Prior to the Brables game, North's defensive wall had been unscored on in 22 straight quarters.

Knight Gridders Overcome Odds

By GREG BOYD

Facing odds stacked against them, the Grosse Pointe University-Liggett Knights have played consistently solid, tight football for a winning season after losing, (and learning), against Almont and Northwood in the first two games of the season.

Some of the odds: the Knights must play against schools sometimes two to three times their size, they face heavier teams, and they hold no membership in any league, hence no championship status is offered for a spurring incentive.

In spite of these awesome odds, the gridders, under the tutelage of Head Coach Tom Taber, have won four of their first six games, every one a shutout.

Losing the first two matches, 20-0 against Almont and 6-0 against Northwood of Ohio, Taber's boys learned fast. They also had to pay for it. Taber's prime quarterback, Neil Swenboro was taken out the first game with an injury. Senior co-captain Mike Getz, originally scheduled to fill in as end and safety, has had to take over the quarterback slot. Chris Bushnell has suffered a broken arm. Doug Rivard, a sophomore back with a compressed fracture is also out for the season.

As Taber said though, they've been improving, and more than making up for the losses. Against Maumee of Ohio, a team that has averaged a gain of 400 yards per game, the Knights allowed only 37 yards on the ground. Taber said his boys were stacked against passing. As a result, Maumee, a team that depends largely on its air strength, was able to gain only 78 aerial yards in the match.

Quarterback Mike Getz, using his head and calling exceptional games all season, rushed for 86 yards alone. Dark horse Larry Scott surprised the whole coaching staff by running 25 yards off tackle and setting up the first touchdown. Sharpeyed senior Dale McCarthy grabbed a Maumee pass and Steve Markey, 5'8" sophomore tailback weighing 130 pounds, carried the ball 140 yards. Not a bad performance against a team that has never lost a game.

Against big and tough Detroit Country Day, the Knights showed their best stuff of the season in a David and Goliath replay, winning by a score of 12-8 and holding DCDS to 64 aerial yards, cutting down their 400 yard average. Sophomore running back Thad Galvin was the leading scorer on the team.

A slight damper was put on the season's finish with U-L's loss to Saginaw Lutheran, 20-6, Saturday, November 7.

The defensive squad had proven its worth during the games and brutal Jim Solomon, a 195 pound tackle and middle linebacker has been outstanding all season long. Not to be outshone, All-State guard and linebacker Don Lennox has also proven to be a mainstay to the defensive squad.

Other notable Knights playing like pros all season are spirited All-State halfback Marty Wiczorek, his brother Steve, credited with five pass interceptions at the last count, linemen Mike Oberski and Kirk Renaut, Doug Reed, playing off guard, and touch-to-keep-down tackle Bill Weall.

Lieut. John Osborn Earns Navy Medal

Navy Lieutenant (junior grade) John E. Osborn, husband of the former Miss Mary E. Ross of 301 Touraine road, was presented the Naval Achievement Medal at the Naval Construction Battalions Pacific Fleet Detachment in Vietnam.

He received the award for superior performance as Officer in Charge of Detachment Kilo of Naval Cargo Handling Battalion One, deployed to McMurdo Station, Antarctica, from December 1969 to February 1970.

During this period he devised many new procedures that greatly increased stevedoring efficiency in the Antarctic.

CAR BEANED

William Donahue, 1427 Hampton called police to report that vandals had thrown a 9-inch boulder at the rear of his car sometime during the night of Friday, November 8. Donahue said that he had heard a noise around 1 a.m. and that this might have been the incident in which his car was damaged.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

If you hurry over to Christ Church now, there'll still be time to pick up some lovely goodies at the Christ Church Fair, which doesn't close its doors 'till 4:30 this afternoon . . . then we recommend a dash home for dinner and a good night's sleep before the Annual Holiday Mart sponsored by the Gift Shop of the Auxiliary to Cottage Hospital opens ITS doors at 9:30 tomorrow morning at Cottage Nurses' Residence in Ridge road.

We know you don't have time to read any more about the Christ Church Fair—you want to GET there—so put this paper aside awhile, until tonight, before turning out the light for that good night's sleep . . . Then read what tomorrow will bring.

Cottage Holiday Mart

From a multitude of handmade Boutique creations fashioned by Mrs. William Schwartz and her committee to toys, games, lingerie and stocking stuffers, this Holiday Mart offers something for everyone.

Mrs. Paul Moreland, general chairman, and Mrs. (Continued on Page 17)

Short and to The Pointe

MR. and MRS. JOHN FRANK, of Mapleton road, announce the birth of a son, BRIAN MILES, November 5. Mrs. Frank is the former BONNIE SHAW, daughter of MR. and MRS. HOWARD A. SHAW, of Harbor Hill.

MRS. G. MENNEN WILLIAMS opened her Tonnacour place home November 9 to members of the Grosse Pointe Farm and Garden Club who enjoyed a slide program and talk on Isle Royale by MILTON VOLKENS. President MRS. CHARLES A. PARCELLS, JR., conducted the business meeting.

Appearing in Centenary College for Women's production of Frederico Garcia Lorca's "The House of Bernarda Alba" will be freshman JULIE SIBLEY, daughter of MR. and MRS. FRED SIBLEY, JR., of Vendome road.

Airman GARY L. FREEMAN, son of MR. and MRS. GEORGE S. FREEMAN, of Briarcliff drive, has completed basic training at Lackland Air Force Base, Texas, and has been assigned to Shepard Air Force Base, Wichita Falls, Tex., for training in aircraft and engine maintenance. Airman Freeman is a June 1970 graduate of Grosse Pointe North High School.

MR. and MRS. WILLIAM WARNER, JR., of Harper Woods, announce the birth of their first child, a son, MARK, October 22. Mrs. Warner is the former EWA FUGER, daughter of MRS. FREDERICK FUGER, of Cadieux road. Paternal grandparents are MR. and MRS. WILLIAM WARNER, of Harper Woods.

Oakland University student STEVEN M. SULLIVAN, of Bournemouth road, is among 18 representatives elected to membership on the recently formed University Congress, the first unified student government in Oakland's 11-year history.

Reception Follows GP Symphony Concert

Final plans for the reception following the Grosse Pointe Symphony Concert tomorrow evening, Friday, November 20, at 8:30 o'clock at Grosse Pointe North High were made last week by the Reception committee including, (left to right), MRS. WALTER F. ISLEY, MISS JUNE SHADER, MRS. ROBERT LEWIS, MRS. J. ROSS BUSH, MRS. D. R. WISELY, general chairman; MRS. DON CHERRY, MRS. KEN P. LOVE, MRS. MICHEL SKAFF, responsible for food, and MRS. LOUIS DUENWEG. Not pictured are committee members Mrs. Wayne Austin, Mrs. Richard Maxwell, Mrs. Paul Silbert, Mrs. Paul Grubbs, Mrs. Albert Teetzal, Mrs. C. Dale Barrett and Mrs. Richard Hugli.

MRS. RAYMOND EDDY opened her Pemberton road home Friday, November 13, for a meeting of Grosse Pointe Memorial Church Women's Association's Elizabeth Ketchum Group. MRS. ERNEST P. LAMB led the devotions.

The Balfour road home of MRS. GEORGE BAER was the setting for a meeting of The Pointe Book Club Monday, November 16. MRS. CHARLES KOEBEL and MRS. WILFRED HARRISON assisted the hostess and VIRGINIA LEONARD reviewed Nancy Milford's "Zelda."

The WILLIAM K. MUIRS, CARSTEN TIEDEMANS and C. THORNE MURPHY joined the EMORY MORAN FORDS, of Woodland place, at the Ford's country residence in Avoca, near Port Huron, for a recent duck and pheasant-shooting weekend.

LINDA CHARLES, a junior Speech major at Baldwin-Wallace College, Berea, O., daughter of MR. and MRS. ALBERT P. CHARLES, of McKinley avenue, was an attendant in the College's 1970 Homecoming Queen's Court.

GEORGE BALLANTYNE, a sophomore at The College of Wooster, Wooster, O., son of MR. and MRS. FORD BALLANTYNE, JR., of Touraine road, received the Netta Strain Scott Prize in Art, given annually to the student who has achieved the highest standing in Art History, at the College's first annual scholarship and academic awards banquet.

Louisa St. Clair DAR Hears Travelers Today

Miss Dorothy Pudrith, a world traveler and member of the Louisa St. Clair Chapter, Daughters of the American Revolution, will give a talk on her last summer's Alpine Tour at Louisa St. Clair's meeting today, November 19, in Botsford Inn at 10:30 o'clock.

Mrs. Floyd W. Dargel, regent, will tell of her trip south to attend the dedication ceremony of the enclosed lighted athletic field given to the Kate Duncan Smith DAR School in Alabama and her visit to the Tamassee DAR School in South Carolina, where chapter members gave 24 beds to the little boys' dormitory at the Michigan Mooney-Goddard Cottage.

Attending today's meeting from Grosse Pointe will be Mrs. Cornelius G. Egan, Mrs. Norman D. Parker, Mrs. George C. Hofmeister, Mrs. B. Thomas Weyhing, III, Mrs. Robert O. Artner, Mrs. Grant Evans, Mrs. Charles C. Andrews and Mrs. Clarence E. Carroll.

Quartet Of '70 Debs Bows At Christmas

Tommy Buell, Jane Whitney, Sally Pittman and Julie Sibley Will Be Presented During Short Season Which Begins December 22

Four young ladies, all Pointers, all college students, will make their bows to society during a short Christmas Season this year. Three teas and a tea dance comprise the 1970 winter holiday debutante calendar.

First to be presented will be Julie Sibley, daughter of Mr. and Mrs. Frederic M. Sibley, Jr. Julie's tea, at the Sibleys' Vendome road home, is scheduled for December 22.

A student at Centenary College for Women, Hackettstown, N.J., Julie plans a career in the theater and won't be home until mid-December. She's visiting roommate Cathi Gamble, in Greenwich, Conn., over Thanksgiving.

The Country Club will be the setting for Sally Pittman's tea dance debut the following day, December 23.

Sally, daughter of Mrs. Lansing M. Pittman, of Webber place, and the late Mr. Pittman, has followed brothers

Phillip and John and is studying at Kenyon College, Gambier, O. She's expected home for a family Thanksgiving.

Taking a break from classes at the University of Grenoble, France, next month is Jane Whitney, who'll bow at a tea the same day, December 23, as Sally's tea dance.

Jane's the daughter of the Charles R. Whitneys, of Lakeland avenue.

It's back to the Country Club for the final party presenting Eleanor Hudson ("Tommy") Buell, daughter of Mrs. John H. Buell, of Provincial road, and the late Dr. Buell, December 30.

She's a student at Lindenwood College, St. Charles, Mo.

MARK PROMACK, 15-year-old son of DR. and MRS. WALTER B. PROMACK, of Thorn-tree road, has entered the seventh annual Orange Bowl International Junior Golf Tournament, to be held December 26-29 at Billmore Golf Course, Coral Gables. The tournament, sponsored by the Orange Bowl Committee, Junior Orange Bowl Committee and the City of Coral Gables, is open to boys up to and including 17 years of age provided they have a handicap of six or less. Junior golfers will be battling for the Gary Player Championship Trophy in the 72-hole, medal-play competition.

MRS. JOSEPH B. MASON, of Touraine road, attended Mothers' Weekend at Pine Manor Junior College, Chestnut Hill, Mass., November 8 and 9. She's the mother of MEREDITH, Class of '72.

Among 384 new members of the Indiana University Student Foundation, a 650-member committee of juniors and seniors that functions as an arm of the Indiana University Foundation in raising scholarship money and conducting other programs of benefit to the campus and the community, is ROBERT J. WEIL, of Hall place.

Women To Promote WSU Peace Center

Many Pointers Serve on Board of "Associates" under President Mrs. Alfred R. Glancy, Jr.; Group Now Seeking Sponsors

A new organization, "Center Associates," to introduce peace education to the classroom by supporting the Center for Teaching About Peace and War at Wayne State University, has been formed and under the leadership of its newly-elected president Mrs. Alfred R. Glancy, Jr. of Lakeshore road, will serve as a supportive arm of the Center.

The group will implement existing Center programs and initiate new programs to extend the scope of education and resource projects and to contribute to the financial support of the Center.

The new Center Associates Board is composed of some 35 women from the Detroit metropolitan area, including Pointer Mrs. George C. Crane, who serves as treasurer.

Other Pointe Board members are the Mesdames Douglas Sargent, Eli Z. Rubin, J. William Rioux, Werner Richerzhagen, Frank Parcells, R. Ritter Newell, John A. Nelson, Donald A. Blomquist, John A. Fillion, James H. Graves, William H. Kessler, Joseph C. Marshall and Harry C. Meserve.

The Board represents not only Detroit and the surrounding communities, but was multiple identifications with women's organizations, churches, Parent-Teacher Associations, professional and civic organizations.

The Center has developed innovative projects for school educational needs to crucial educational needs in the area of peace and war.

"Today," says Betty Glancy, "we are confronted by historic changes in the relationships between war and peace. National interests and security in the Atomic Age require cooperation, not conflict."

"Economic gains in an age of interdependent world economy cannot be made by war: War only leads to general dislocation and the destruction of human resources.

"To understand the changed

June Bride

Dr. and Mrs. R. Sidney Sinclair, of North Renaud road, have announced the engagement of their daughter, SYDNEY JOAN, to Rudolph Stanford Hornus, son of Mr. and Mrs. Edward John Hornus, of Okemos.

Sydney, a graduate of Grosse Pointe High School, is a senior at Michigan State University, majoring in Special Education. She is affiliated with Gamma Phi Beta sorority. Her fiancé, also at Michigan State University, is a member of Lambda Chi Alpha fraternity.

A June wedding is planned.

Fine Arts Presents Comedy

Producer SUE (Mrs. Jack) PETZ, of Lakeland avenue, (left), watches CAROL HARRISON, MICHAEL HUGHES, AL BERTEEL and DON KUHN, (left to right), rehearse a scene from Woody Allen's "Don't Drink The Water," to be presented this Friday and Saturday, November 20 and 21, by the Fine Arts Society of Detroit at the Players Playhouse in East Jefferson. Mr. Bertheel, president of Fine Arts, now in its 65th season, and Mrs. Frank Finney, president of Theatre Arts, are the comedy's two leads. Curtain time is 8:30 o'clock.

Lewis Appears With Symphony

Henry Lewis, one of the most dynamic young conductors on the American music scene, will open a two-week guest engagement with the Detroit Symphony Orchestra this Thursday and Saturday, November 19 and 21.

His opening pair of concerts will be all-orchestral. The following week, November 27 and 28, 18-year-old Korean violinist Young Uck Kim will be featured as soloist with Lewis and the Orchestra.

All performances will be held in Ford Auditorium at 8:30 o'clock.

Lewis' all-orchestral program this week includes the Haydn Symphony No. 44 ("Trauer"), Richard Strauss' "Till Eulenspiegel," Frederick Delius' "Cong of Summer" and Serge Prokofiev's "Romeo and Juliet" Suite.

The same repertory was covered at the Symphony's Second Open Rehearsal of the season Wednesday afternoon, November 18.

Lewis has conducted the Detroit Symphony on numerous occasions since 1966, including school programs and Meadow Brook concerts, though these will be his first appearances on the Symphony's regular subscription series.

He was appointed music director of the New Jersey Symphony in 1968 and since then has brought national recognition to that ensemble. Born and raised in Los Angeles, his guest appearances have included engagements with the Detroit, Chicago, Los Angeles, San Francisco, Boston and Royal Philharmonic orchestras as well as at noted opera houses.

He is married to soprano Marilyn Horne.

Call For Toys By Thrift Shop

The Neighborhood Thrift Shop is collecting used toys for its annual pre-Christmas Toy Sale, to be held Tuesday, December 1, at the Shop in Waterloo avenue. Proceeds support the Neighborhood Club's program for toddlers, teens and adults.

Toy Drive co-chairmen Mrs. Alfred R. Reuther, Jr., and Mrs. Muir B. Snow, III, are being assisted by Mrs. Robert E. Boomer, Mrs. William B. Canfield, Jr., Mrs. Henry B. Joy, III, Mrs. John R. Odell, Jr., and Mrs. Paul H. Townsend, Jr.

DIANA L. REIDT, daughter of DR. and MRS. WILLIAM U. REIDT, of Cambridge road, has enrolled as a student at Urbana College, Urbana, O.

Zoar Schedules Holiday Bazaar

Zoar Society will sponsor its annual Holiday Bazaar and Supper this Saturday, November 21, at the Evangelical Home, West Outer Drive, Detroit. The sale begins at 3 o'clock and supper will be served from 5 to 7 o'clock. No reservations are necessary.

The bazaar this year features a boutique with many unusual Christmas gifts and decorations plus booths with homemade baked goods, White Elephant and knitted and crocheted items.

Assisting Zoar president Mrs. Carl Mimp as committee chairman for the event are Mrs. Fred Schloff, Mrs. Charles Mauer, Mrs. R. R. Gardner and Mrs. G. N. Born.

Hold Blair-Gault Rites in Hawaii

Nancy Louise Gault became the bride of George B. Blair, III, Saturday, October 24, in the Cathedral Church of St. Andrew, Honolulu, Hawaii.

Both their parents, Mr. and Mrs. James Gault, of Harvard road, Detroit, and Mr. and Mrs. George Blair, of Beaconsfield avenue, and Fred Blair, the bridegroom's brother, flew to Hawaii for the wedding. Fred was his brother's best man. Former Detroit Jane Colbert was maid of honor. The rites were followed by a small family luncheon at the Pagoda Teahouse.

The bridegroom, a 1965 Grosse Pointe South High School graduate, completed his military service in 1969 and went to Hawaii, where his bride was completing her studies at the University of Hawaii.

They plan to live in the Islands for a few more years.

Buffets Precede Center Theater

A sumptuous buffet will precede the performances of Grosse Pointe Theatre's production of "Apple Tree" on Thursday and Friday, November 19 and 20. The buffets are served in the Crystal Ballroom of Fries Auditorium from 6:30. Theatre patrons may come early, get the best parking spots and enjoy a leisurely dinner before the 8:30 curtain. Immediate reservations may be made at the Center office. The cost of dinner is just \$5 tax and service included.

This is the final week of "Apple Tree." The buffets will be offered again on Thursday and Friday evenings only preceding the January production of the Theatre when it will present "Breath of Spring."

Josiah Harmar DAR Will Mark Birthday

The General Josiah Harmar Chapter, Daughters of the American Revolution, with state regent and chapter regents from the area as guests will celebrate the 32nd anniversary of its founding as a Chapter with a luncheon at 12:30 o'clock at the Women's City Club Saturday, November 21.

F. D. Thomas will speak on Conservation. His topic is "God's Wonderful World."

'Kaleidoscopes' Debut Nov. 23

An entirely new musical attraction designed to appeal to audiences of high school age, Kaleidoscope Concerts, will be inaugurated by the Detroit Symphony Orchestra Monday evening, November 23, at 8 o'clock in Ford Auditorium.

This first Kaleidoscope program will be conducted by the Symphony's new associate conductor Pierre Hetu and will feature The Symphonic Metamorphosis, The Joshua Light Show and pianist Hilde Somer.

The musical agenda will include Paul Hindemith's "Symphonic Metamorphosis on Themes by Carl Maria von Weber," Argentinean composer Antonio Tauriello's Concerto for Piano and Orchestra with Miss Somer as soloist and Donald Erb's "Klangfarbenfunk I" for rock band, orchestra, electronic sounds and special lighting, (the work was commissioned by The Symphonic Metamorphosis).

The concluding work will be Igor Stravinsky's "Petrouchka." The Joshua Light Show will provide visual effects for the compositions by Tauriello and Stravinsky.

The Symphonic Metamorphosis is composed of eight symphony musicians, six of whom occupy first-chair positions. London Records, for whom the

group records, has termed their music "fusion rock"—a mixture of music of the masters, such as Bach, Strauss and Hindemith, with today's rock rhythms.

The Joshua Light Show will be making its first appearance in Ford Auditorium. In addition to functioning as the light show-in-residence at New York's Fillmore East, the group has appeared on programs with such artists as B. B. King, The Jefferson Airplane, The Who, Blood, Sweat and Tears and Sly and the Family Stone.

Thomas Shoesmith, luminist with The Joshua Light Show, supplied the lighting effects for pianist Hilde Somer's sensational recital of music by Alexander Scriabin at Lincoln Center's Alice Tully Hall.

Miss Somer, a Vienna-born pianist who now makes her home in the United States, has been known throughout her career as a performer of all the new trends in contemporary piano music. She has given world premieres of works by such composers as Prokofiev, Ravel and Poulenc.

Tickets for the Kaleidoscope Concert are available at Ford Auditorium Box Office, all Hudson's and all Grinnell's stores.

CONVENT WINDOW SHOT

A nun, Sister Albertine, from Our Lady Star of the Sea, 467 Fairford, told Woods police that on Wednesday, November 11, she heard something hitting a window in the convent building two or three times. When she inspected, she found one of the windows had a small hole through it which, police say, could have been made by a BB fired from a pellet gun.

Feature Holiday Styles At GPYC

"Time for an old-fashioned Christmas" will be the theme of the last fashion show of 1970 at the Grosse Pointe Yacht Club today, Thursday, November 19 at 11:30 o'clock, with Jacobson's presenting the holiday fashions. Bart Edmond and Ronald Koles will also be there to show the absolute "flippiest" in hair styles.

Joann Fisher has asked Joan Knies to serve as chairman of the event. Her committee of Kathleen Kirsch, Lore Girschner, Alma Johnston, Lynn Kolo-wich and Adele Theuerkorn will be wearing long ruby-red skirts completing the holiday theme.

Evening elegance in a swirl of flowing pants, perfect for coming holiday happenings. Deeply V'd at the neckline with sumptuous jeweled trim at the waist. Of acetate/nylon. Red floral, Misses 6 to 14. \$115. Miss Hudson Shop—Downtown, Northland, Eastland, Oakland.

Society News Gathered from All of the Pointes

Pointer Named Head Of Reorganized UCS

Other New Officers Include Pointers Mrs. Robert F. Sullivan, Elected Secretary, and Frank Couzens, Jr., Who Will Serve as Treasurer

Chester F. Ogden, of Hawthorne road, administrative vice-president of the Detroit Edison Company, has been elected president of the newly reorganized United Community Services of Metropolitan Detroit. During the coming year he will head the efforts of UCS' new 135-member Citizen Assembly as well as its newly-elected board of directors.

He succeeds John C. Dean, president of Ford Motor Credit Company, who was elected chairman of the UCS Board.

Sharing official duties with Ogden will be vice-presidents Frederick S. Gemmil, administrative assistant, Public Services Department, City of Warren; William Harvey, III, general manager - Holding Division, General Motors Corporation; Olga M. Madar, vice-president, UAW; William T. Patrick, Jr., president, New Detroit, Inc.; Erwin S. Simon, attorney with Butzel, Levin, Winston & Quint; and Mrs. Charles Whitten.

Mrs. Robert F. Sullivan was elected secretary of the board and new treasurer is Frank Couzens, Jr., senior vice-president of Manufacturers National Bank. Both are Pointers.

The creation of the UCS Citizen Assembly and, from its ranks, the election of this week culminated more than two years of extensive work by UCS to overhaul its total operation. This sweeping change in the UCS structure was recommended in the highly publicized in-depth study of UCS conducted by Greenleigh Associates, the nationally-known New York-based study firm, to enable broader citizen involvement in social planning and community action.

Greenleigh's findings pointed the way for the development of a planning body of citizens which would reflect a cross-section of the metropolitan Detroit area's four and one half million residents from various social, ethnic, economic and geographic elements.

Dreaming of A White Christmas Ball

They're doing more, actually, than just dreaming, for these are a few of the ladies whose concrete plans, made over a period of months, culminate in this year's White Christmas Ball, sponsored by the Fontbonne Auxiliary of St. John Hospital. Discussing final details for the party, to be presented Saturday, December 12, at the Grosse

Pointe Yacht Club, are, (standing, left to right), MRS. EUGENE FREITAS, MRS. FRANK PIKU AND MRS. RAYMOND KOKOWICZ, (seated, left to right), MRS. ROGER RINKE, MRS. JOHN ELIAS, general chairman; MRS. ROLAND ... MRS. CHARLES DAWOOD and ... CHARD SHALLA.

Economic Club of Detroit and board member and past-president of Junior Achievement of Southeastern Michigan. Born in Grand Rapids and a Detroit-area resident since early childhood Mr. Ogden obtained degrees in Engineering and Business Administration from the University of Michigan. With the Detroit Edison Company since 1934, he began

as a clerk in the purchasing department moving up to the post of administrative vice-president in 1964. He also has served in many and various capacities for the U.S. Government as consultant to the War Production Board during the 40's, as assistant director, Office of Defense Mobilization, and with the U.S. Agency for International De-

velopment. In addition to the officers of the UCS board, new directors include Pointers William S. Blakeslee, vice-president - Defense Space Group, Chrysler Corporation; Richard B. Canfield, attorney with Miller, Canfield, Paddock & Stone; and Robert M. Hanson, Director of Public Relations, Michigan Blue Cross.

TU 6-0600

In addition to community planning one of the major responsibilities of UCS will continue to be the budgeting of nearly 60 per cent of the total Torch Drive funds to more than 100 agencies in the tri-county area.

As the president of the new UCS model Chester Ogden brings considerable and distinguished community service to his new assignment.

Involved deeply in many facets of community life he is also a trustee of Michigan Cancer Foundation; vice-president, YMCA of Metropolitan Detroit; and treasurer, Children's Hospital of Michigan.

He also serves on the boards of World Medical Relief, Wayne State University's Applied Man-

agement and Tech Center, Detroit Convention Bureau, Citizen's Research Council of Mich-

igan and ... er Business Bureau. He is a vice-president of the

IN THE VILLAGE
REMEMBER . . . MEN'S NIGHT, DEC. 7

Society News Gathered from All of the Pointes

From Another Pointe of View

(Continued from Page 13)

Marvin Harz, her chief assistant, promise earlybirds their choice of some very choice antiques. The Antiques Booth is a new feature of the Mart.

Another of this year's special attractions is a collection of brand-new cameras, albums and other valuable photographic items, to be found in Mrs. E. C. Gentleman's and Mrs. L. G. Modlin's basement White Elephants.

Of course the Cottage Mart's always been famous for its Christmas decorations. They're back again, more beautiful than ever thanks to the designing genius of Mrs. William Turner, Mrs. William Hinckley and their committees.

To make Mart-going easy as opening a car door, a gally decorated mini-bus and station wagon will roam continuously on Ridge road, Lewiston, Charlevoix and Muir to shuttle shoppers from their autos to the Nurses' Residence.

Among ladies serving on various Mart committees are Mrs. Wesley Randall, Mrs. Arthur Hanigan, Mrs. Fred Grice, Mrs. Aaron Evans, Mrs. Clarence Williams, Miss Rose Barton, Mrs. Howard Poppen, Mrs. Howard Maynard, Mrs. Joseph Thompson and Mrs. Ernest Collins.

Proceeds will swell the Building Fund for Cottage Hospital's new addition.

The Things We Did Last Summer . . .

Mr. and Mrs. Horace C. Ford will host the first showing of the new 1970 Camp Bryn Afon movie at

their Fair Acres drive home next Monday. The Fords' daughters, Carey and Lee, are Bryn Afon-ites.

CBA-ers too are young Pointers Libby Candler, Jennifer Mackey, Pamela MacKinnon, Ann Carey, Nancy Donahue, Martha Fruehauf, Martha Gard, Heidi Mosher, Beverly Nalbandian, Carla and Lisa Reichert, Lynn Sales, Jacqueline Galushe, Mary and Sara Hendrie, Katrina Higbie, Virginia Schaefer and Chris Simone.

AND Eula McKee, Mary Howard, Jean Walker, Edith and Jane Thurber, Constance Smith, Jennifer Hudson, Penny Stroh, Leslie McKay, Didi Thibodeau, Carol and Susan Tettelbach, Julie Sutherland, Ellen Hyde, Julie Johnson and Lisa McCabe.

The girls and their families have been invited to the film premiere. Bryn Afon, located near Rhineland, Wis., was founded in 1918 and is owned and directed by Mr. and Mrs. H. Bradford Aarons, of Rivard boulevard.

It Runs In The Family

Nobody was surprised when John McMillin announced he was going to become a teacher—after all, both his older brothers chose the same profession: Kenneth's a Social Studies instructor at Brownell Middle School, Stewart's at East Detroit High, where his subject too is Social Studies.

But John DID pick a rather out-of-the-way, (from here), place to begin his career. He's just arrived in

Kenya to teach Physics, (note that subject change: John may follow, but he doesn't copy), under Peace Corps auspices.

This latest addition to the ranks of McMillin educators was graduated in 1966 from Grosse Pointe South High School and with honors in Mechanical Engineering this year from Michigan State University, where he affiliated with Beta Theta Pi social fraternity and was tapped for membership in Pi Tau Sigma, national honorary mechanical engineering fraternity.

He and Kenneth and Stewart are the sons of Mrs. Kenneth McMillin, of Neff road and Sarasota, Fla.

Wellesley Club Meets Tomorrow

Mrs. John E. Williams will open her Merriweather road home tomorrow evening to members of the Detroit Wellesley Club who, with husbands, guests and parents of undergraduates have been invited to hear Mrs. Bruce J. Renaud speak on "You and the Michigan Environment."

Mrs. Keith Leibbrand, of Fisher road, and her assistant, Mrs. Paul J. Witzel, are in charge of arrangements.

Among those who've already said they'll be there

are the Henry Kohrings, Mrs. John R. Decker, the Edward Spechts, the Robert Pattersons and Mrs. Ezra W. Lockwood.

Afternoons Of Art Offered Once Again

Choice of Two Programs on Tuesday or Wednesday Available to Clubs and Individuals; Docent Committee Members Serve as Guides

The Sixth Season of the popular Afternoons of Art at the Detroit Institute of Arts has begun, with luncheon and tour program offered each Tuesday and Wednesday at the Detroit museum.

These "Afternoons" begin at 12:15 o'clock with a salad luncheon at \$2.75 per person in the Institute's new North Wing Court.

After lunch small groups are formed for an hour's tour of the galleries. The groups are guided by members of the Founders Society Docent committee, many of them Pointers.

This year there'll be a choice of two tours. The Ancient Tour includes objects from prehistoric times, the Near East, Egypt, Greece and Rome.

The American Tour surveys works of art from the Colonial period through the 20th century. (A different American Tour was presented last year).

The Afternoons of Art were designed to accommodate clubs and organizations of from 15 to 80 members, but this year individual reservations will be accepted for both the Tuesday and Wednesday programs, depending upon space available.

Advance reservations are required from both clubs and individuals and may be obtained,

with more complete information, by contacting the museum's Education Department, 832-3488.

Group Touring To Frankenmuth

The Senior Citizens Group co-sponsored by the Neighborhood Club and the Grosse Pointe War Memorial are planning a special holiday outing to Frankenmuth, the Bavarian town established in 1845, just an hour and a half from Detroit.

On December 10, Thursday, the group will gather at the Grosse Pointe War Memorial at 10:30 a.m. where a special chartered bus will be waiting to drive them to Zehnders in Frankenmuth. There they will enjoy a special chicken dinner — the specialty of the house — before taking a tour of one of

the breweries there. There will be ample time to visit the quaint shops such as the Schmitzbank which specializes in wood carvings and Bronzes, famous for imported Christmas decorations. Then it's back to the Center by six.

Trips for Senior Citizens are open to Grosse Pointe residents and special events will be planned monthly.

The cost of the Frankenmuth outing including transportation round trip and luncheon is just \$7 per person. Reservations may be made at the Center office or by mail to 32 Lake Shore road.

'The Brass' En Masse At DBC Party

—Photo by Eddie McGrath, Jr.
Detroit Yacht Club Commodore JOSEPH M. BELLARDI, of Putnam place, (left), and Grosse Pointe Yacht Club Commodore RALPH KLIBER, of North Oxford road, (right), flank Detroit Boat Club President DONALD H. Ama Deus Circle Plans Card Party Next Monday

A card party sponsored by Ama Deus Circle 616, Daughters of Isabella, is scheduled for Monday, November 27, at Gabriel Richard Hall, East Warren avenue, starting at 8 o'clock. Donation is \$1.50. Card games, lunch and prizes will be featured.

Proceeds from all D. of I. card parties are used for charitable purposes.

Conservateur de Antiquites et Objects d'Arts du Departement des Hauts de Seine, Conferencier Officiel de la Federation des Alliances Francaises aux USA, comes to the Grosse Pointe War Memorial to speak in French on "Arts et Histoire dans les Chateaux de Bourgogne."

He'll bring color slides to accompany his talk Saturday evening, February 27.

Also planned for 1971 is a bilingual lecture featuring the color slides of Mrs. Genevieve Prevost in the spring . . . and the Entertainment committee's working on a special Cooking Lesson project.

The Grosse Pointe Alliance is now receiving the latest books and magazines from France for its library. Guillemette Bachrach, TUxedo 2-1430, has information on winter and summer charter Alliance flights.

The fellow who speaks without thinking puts his foot in it by saying what he thinks.

Alliance Francaise Looks Ahead To '71

Dates And Times of January and February Programs
Now Firm; Thomas Morrow to Show Apollo Moon Shot Film December 3

The newly-busied Alliance Francaise de Grosse Pointe is already busily planning its programs for 1971, but before the New Year begins there's a special treat in store for members and students, who'll be admitted free, and non-member adults, for whom there's a \$1 admission charge, when Thomas Morrow, of Vendome road, shows his own PRIVATE film on the Apollo Shots.

Mr. Morrow, recently appointed vice-president of Chrysler International, will explain France's participation in this huge project.

He's scheduled to speak at 8 o'clock Thursday evening, December 3, in the Grosse Pointe War Memorial's Fries Auditorium.

The first Alliance program after the first of the year will be a luncheon-causerie Satur-

day, January 16, featuring George Duca, executive director and secretary of the Federation des Alliances Francaises aux USA, who will talk in French on "Français au propre et au figure."

The luncheon-causerie begins at noon at the Grosse Pointe Yacht Club.

The following month Bernard de Montgolfier, noted author,

Three Ways To Sell Your Home

1. TRY TO SELL IT YOURSELF—This is usually the most unsatisfactory way. It eliminates professional qualification of prospects and invites the showing of your home to practically anyone who rings the doorbell, regardless of their ability to buy or the time of day or night at which they want to make an inspection. Owners are not professional negotiators. They do not know what comparable properties they will have to compete with—the condition of the market—financing possibilities, demand, or how to properly expose their home only to prospects actually in the market to buy.
2. LIST IT WITH ALL BROKERS—This usually results in getting attention from none. No one is responsible; consequently the listing receives little attention. Everyone knows about it, but no one makes any special effort to effect a sale. Brokers, obviously, promote and spend money only on their own Exclusive Listings and neglect those that are non-exclusive.
3. LIST IT WITH ONE BROKER, EXCLUSIVELY—This produces by far the best results. It exposes the home to not only prospects of cooperating brokers and their salespeople but also justifies the cost of extensive advertising promotion. Prospects are qualified as to ability to purchase prior to showing and inspections are by appointment only with the salesman accompanying the prospect.

ONE OF THE QUICKEST, SUREST AND MOST EFFECTIVE WAYS TO SELL YOUR PROPERTY IS TO LIST IT EXCLUSIVELY WITH JOHNSTONE & JOHNSTONE.

Cliburn Concert Evening Planned

The Grosse Pointe War Memorial is planning a special Van Cliburn evening Friday, December 4. A charter bus will leave the Center at 7:30 to take the crowd to the door of Masonic Auditorium where a section of \$6 orchestra seats have been reserved for the concert.

Following the concert, the bus will take patrons to the Pontchartrain Hotel where they will be served wine and hot hors d'oeuvres in the La Boheme room while listening to the music of Frank Sidney's orchestra. Then it's back to the Center before midnight where cars have been parked free.

The complete evening—trans-

Set Friday Book Group's Meeting

"Vietnam Doctor" by James Turpin will be the book under discussion at the Friday Book Review Group of Grosse Pointe Memorial Church Women's Association meeting tomorrow, Friday, November 20, at 1 o'clock at the Church.

Mrs. Jack Leithauser, a book reviewer of long experience, will present the review immediately following tea in Fellowship Hall.

Tea hostesses are Mrs. Ivan M. Kirlin, Mrs. Cyril J. Barrett, Mrs. John M. Chase, Mrs. Fred M. Cousins, Mrs. Edward F. Gehring, Mrs. Albert Raich, Mrs. Donald P. Schuur and Mrs. M. L. VanDagens. Mrs. Fred Flom will give the devotions.

Balfour Concert Slated Sunday

The 38th Annual Balfour Concert, sponsored by the Zionist Organization of Detroit, will be presented Sunday, November 22, at 8:30 o'clock in Ford Auditorium and will feature the Detroit Symphony Orchestra conducted by Pierre Hetu with tenor Richard Tucker as special guest soloist.

Mr. Tucker will perform selections from Verdi's "Aida," Bizet's "Les Pecheurs de Perles," Halevy's "La Juive" and Mehul's "Joseph."

Mr. Hetu will conduct the Symphony in Mendelssohn's Symphony No. 4 ("Italian") and Beethoven's "Egmont" Overture.

Make Plans For Met's Visit Next Spring

Discussing plans for the Metropolitan Opera Company's visit to Detroit next spring with MRS. VICTOR WERTZ, (center), one of more than 45 volunteer Opera Women's Committee workers who gathered recently for luncheon and reports from Detroit Grand Opera Association officials, are MRS. ROY D. CHAPIN, JR., (left), of Country Club lane, luncheon hostess and Co-chairman for the 1971 season, and general chairman MRS. CHARLES T. FISHER, III, of Lothrop road.

Fort Pontchartrain DAR Meeting Set Tomorrow

"Our First Americans" will be the topic of Russell Wright, speaker at the Friday, November 20, meeting of Fort Pontchartrain Chapter, Daughters of the American Revolution. The meeting will be held in the Women's City Club after a noon luncheon. Regent Mrs. George Killeen will preside.

Members attending from this area will include the Mesdames Harry E. Barnard, H. Sanborn Brown, Jr., Frank D. Prigel, Henry G. McCabe, William M. Perrett, Albert E. Cooney, Glenn H. Friedl, John M. Jackson, Leonard L. Jensen, Cletus M. Laux, Wilfred C. Owens, Robert Hale Peterson, Bruce K. Reynolds, Marion M. Sheaffer, Foyd F. Smith, John P. Thomas, Leon Van Goethem, Louis B. Ebe, Car D. Macpherson and Adrian V. Roff.

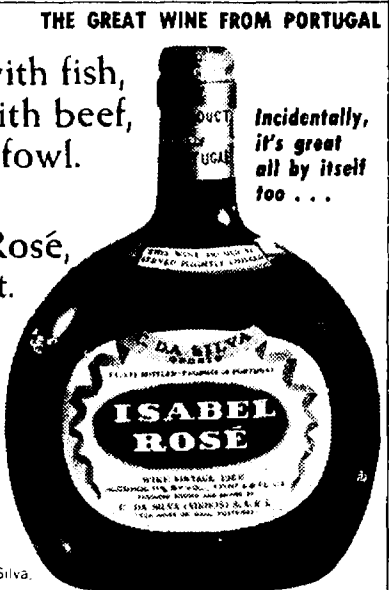

Church Women Set Bake Sale

The Women's Society of Christian Service of the Grosse Pointe United Methodist Church is having a Bake Sale at the J. C. Penney Store, Seven Mile and Mack, Saturday, November 21, from 9:30 to approximately 1 o'clock — or until all the items are sold.

Some people even worry about the worries they have missed.

Scenic and Magnificent

A Canadian Estate

\$275,000

Yes, everything under the sun for your family to enjoy peaceful, quiet and relaxed living at its finest. This classical, luxury home is located on the shore of the fascinating St. Clair River 15 miles south of Sarnia, Ontario and less than 60 miles from Detroit, Michigan. A four bedroom home with a large family room that is ideal for either comfortable family life or well suited for entertaining. Has central air conditioning, a large dining room, library and a charming formal living room. Also on the main floor is a very modern kitchen, laundry-room and a large double garage with remote control electrically operated doors. At pool level there are two change rooms, a filter room, work shop and billiard room. The heated pool and shuffle board court are only a part of the landscaping. This property consists of 5 acres of mature trees, rolling lawns, well cared for flower beds and shrubs. The dock has mooring facilities for a 40 foot cruiser and a boat house with guest apartment above. Will carry financing for buyer. See your broker or write for brochure.
