

# ALL URGED TO OPPOSE BUSING

## HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, September 30  
THE FEDERAL GOVERNMENT Wednesday backed down on the controversial air bag protection system, delaying the deadlines for the first installations until the 1976 model year. Transportation Secretary John A. Volpe ordered that instead of installing the new restraint system in 1974 models, the manufacturers will be required to provide seat belts and shoulder harnesses that must be buckled before the vehicle will start.

THE HOUSE WAYS AND MEANS COMMITTEE gave formal approval Wednesday to \$15.4 billion tax cuts over three years. With prompt House and Senate endorsement, small tax benefits could start showing up in payroll withholding as early as mid-November.

Friday, October 1  
COUNTY PROSECUTOR William L. Cahalan's "hand-gun moratorium" resulted in only 27 persons turning in hand-guns for disposal. However, handgun registration was nearly three times the average number. Cahalan conceded that the figures seemed small when contrasted with the 400,000 unregistered hand-guns estimated by police to exist in Detroit alone.

Saturday, October 2  
STRIKING LONGSHOREMEN closed all but a handful of American deepwater ports Friday and President Nixon was studying the possibility of stepping in to end the walk-outs. It was the first time in American history that docks on the Atlantic, Gulf and Pacific coasts were shut down at the same time.

Sunday, October 3  
CHINESE DANCED and sang in Peking's parks this past Friday on National Day and shrouded "Long Live Chairman Mao," a broadcast from Red China's capital reported. But Mao, the center of speculation about recent puzzling events in China, did not appear on the 22nd anniversary of the founding of his regime, although he was in the spotlight at all previous National Day celebrations.

Monday, October 4  
PRESIDENT NGUYEN VAN THIEU was assured Monday of an overwhelming "vote of confidence" far in excess of what he had asked in his unopposed but violence-marred bid for re-election. With final results tabulated in 45 of South Vietnam's 58 voting constituencies authorities said Thieu had won an average of 95.5 percent of the ballots cast, with 4.45 percent against him. Election officials claimed that a record 87.7 percent of the more than seven million registered voters cast their ballots despite communist rocket attacks, polling booth explosions and demonstrations that left at least 20 dead and more than 100 wounded.

Tuesday, October 5  
U. S. DISTRICT JUDGE STEPHEN J. ROTH on Monday gave the state board of education 120 days to come up with a Detroit school integration plan that includes at least some suburban school systems. That order, and Judge Roth's comments from the bench, represented his clearest indication in over a year of hearing the Detroit School case that he will include suburban schools in any integration plan.

PRESIDENT NIXON signed an executive order Monday night as the first step toward invoking a Taft-Hartley injunction in an effort to settle a crippling dock strike. The president appointed a five-member board of inquiry headed by J. Keith Mann, associate dean of Stanford University Law School. The board will report to Mr. Nixon on its findings on issues involved in the stalemated labor disputes on the Atlantic, Pacific, Great Lakes and Gulf Coast ports.

## Pointers Get Early Start in Torch Drive

Grosse Pointe was well represented when CLEVELAND THURBER, JR. (center), chairman of the United Foundation advance gifts committee, called a meeting of men's division leaders. From left GEORGE N. MONRO III, captain in the division headed by JOHN B. FORD III, and HERBERT I. LORD and JOHN POSSELIUS, also captains in Ford's division. The advance gifts workers solicit early Torch Drive contributions from select individuals and foundations prior to the campaign's official opening. The 23rd annual UF campaign opens Tuesday, October 12, and continues through November 4. Its target is a record \$31 million to underwrite 164 health and community agencies in Wayne, Oakland and Macomb Counties.

## Defendants Ask Trial in Noise Case

Appeal Filed by Jack Grenard and Jere Thomas, Ecology Project Supervisors

The battle continues between Jack Grenard and Jere Thomas, on one side, and the City of Grosse Pointe and some 21 residents who signed a petition against the duo with reference to noise created by their work with the Earth Lovers, a local ecology group which collects bottles for recycling on Saturday afternoons behind the Grosse Pointe Unitarian Church.

Grenard and Thomas were charged with violating the city's noise ordinance on Saturday, August 14, after residents living in the area complained about the excessive noise.

Following a court appearance on Friday, August 20, at which time the Earth Lovers volunteered to move their operations indoors, the case was adjourned until Friday, September 10.

Allowed to Confer  
Judge Paterson at that time permitted representatives of the City and residents and Earth Lovers to confer before the trial, but no equitable arrangement could be reached.

Upon hearing all the evidence, a procedure which took the better part of the day, (Continued on Page 2)

## Annual Torch Drive Opens With \$31 Million Target Next Tuesday, October 12

Leaders Promise Victory Dinner Celebration on November 4; Much Hard Work and Many New Contributors Needed

"There will be a Victory Dinner November 4 to celebrate this community's finest hour."

With that promise this week, the 1971 Torch Drive General Chairman Gilbert R. Richards of Bloomfield Hills, set the stage for the 23rd annual United Foundation campaign beginning Tuesday, October 12.

The drive continues through November 4 with a record \$31 million target to underwrite 164 health and community agencies in Wayne, Oakland and Macomb Counties.

"Our challenge is the kind this community relishes and responds to with characteristic determination," Richards said.

"But before we can celebrate, we must work hard and give generously to maintain our Torch Drive as the world's leading expression of charity and community spirit," Richards added.

New Dollars Needed  
The campaign chairman emphasized that many new dollars are needed this year to implement the UF's new priority rating system "smoothly and effectively."

"This can be accomplished," he stressed, "only by surpassing our goal which represents only minimal needs of 164 health and community agencies."

To signal the start of the campaign, a torchlighting ceremony is scheduled for 6 p.m. Monday at the 60-foot

aluminum torch erected for the first time last year at the foot of Woodward avenue.

Pushing the button which lights its gas-fed flame will be three Detroit area youngsters who have been named torchlighters.

All patients at Detroit Orthopaedic Clinic, a Torch Drive agency at 5447 Woodward, they include:

Shawn Leonard, four-year-old son of Mr. and Mrs. Charles Leonard, and Keith Krystoforski, 6, son of Mrs. Diane Krystoforski, all of Detroit.

Also, Susan Gross, daughter of Mr. and Mrs. Joseph Gross, of Troy, formerly of Warren. The newly named "Miss Torch of 1971," Patricia Ann Drotos, will join the torchlighters for the ceremony.

A 21-year-old secretary in Ford Motor Co.'s plant engineering office, Miss Drotos is the daughter of Mr. and Mrs. John Drotos, of Lincoln Park.

## Teener Trio Faces Charge in Drug Case

Farms Detectives Use Undercover Agent to Make Purchase of Marijuana From One

Jeffery Wertz, 17, of 409 Manor, charged in a warrant violation of the state narcotic laws, was arrested by Farms detectives on Wednesday, September 29, and arraigned for a preliminary examination before Farms Municipal Judge Robert Pytell the morning after he was taken into custody.

He stood mute and a plea of innocent was entered for him.

The police officers, Det. Sgt. George Van Tiem and Det. Joseph Miller, received permission from Wertz's father, who was unaware of his son's activities, to search the house for another youth the policemen were positive was hiding there. Van Tiem and Miller found two young men, including a 16-year-old, both of whom were taken in custody.

Two Are Arraigned  
The oldest of the pair, David Van Assche, 19, of 1700 Prestwick, was also arraigned before Judge Pytell the same morning, under a warrant charging him with loitering in a place where narcotics are sold, stored or dispensed. Det. Thomas Podszvick of the Youth Service Division, who was at the scene when the trio was arrested, accepted custody of the youngest lad.

Farms Police Chief Robert Ferber lauded the work of Van Tiem and Miller, who, he said, worked many hours, for more than two months, mostly on their own time, keeping Wertz under constant surveillance, after receiving information from a reliable source that Wertz was engaged in selling marijuana.

Judge Pytell set examination for Wertz, who was released on \$1,000 bond, and the trial of Van Assche, for yesterday, October 6. Van Assche was released after posting a bond of \$500.

May Face Court Trial  
Van Tiem and Miller explained that Wertz was to be examined, and if sufficient cause is found, will be bound over for trial in Circuit Court, whereas Van Assche will stand trial in Municipal Court under a city ordinance making it a misdemeanor to loiter in a place where illegal business is being done.

Charges against the juvenile (Continued on Page 2)

## Woods and Farms Join Fight Against Edison Rate Hike

City Also Expected to Send Attorney to Commission Hearings; Park Was First to Take Steps to Prohibit Increase

By Pepper Whitelaw  
Two more of The Pointes have voted to fight the proposed rate increase by the Detroit Edison Company, the City of Grosse Pointe Woods and Grosse Pointe Farms. (The Park has already instructed its city attorney to attend hearings of the Michigan Public Service Commission and the City of Grosse Pointe is expected to instruct its attorney similarly at its next regular meeting).

Both the Woods and Farms Councils met on Monday, October 4, and instructed their attorneys to attend the hearings and register their objections to the increases.

141 Percent Increase  
According to City manager Chester Petersen if this latest rate increase is approved by the PSC, The Woods' street lighting bill will in less than 18 months jump from \$108,302.52 to \$261,276.72, which is a total increase of 141 percent or a 1.23 mill increase in tax levy.

Mr. Petersen further recommended that the Woods explore the possibility of seeking State legislative action which would set a maximum street lighting rate that any power company could charge a municipality in order to help deter crime on the streets in the cities of Michigan.

Mr. Peterson's report stated that in 1970 the annual street light bill was \$108,302.52. The recent rate increase granted the Detroit Edison Company for street-lighting increase the Woods annual costs to \$174,246.72, or an additional \$65,944.20, which was an approximate 60.9 percent increase and equivalent to a .53 mill increase in tax levy.

Would Boost Taxes  
The proposed new rate increase would increase the annual street lighting bill from the current \$174,246.72 to \$261,276.72, or an additional \$87,030.00 per annum which is close to a 50 percent additional increase for the Woods and equivalent to a .70 mill increase in tax levy.

The Farms' monthly street lighting bill is presently \$3,172. With the proposed rate hike it would be \$11,978 or a 46 percent increase. According to City Comptroller Carol Locke this would cost the City of Grosse Pointe Farms approximately \$30,000 more annually.

The matter was taken before Circuit Court Judge Blair Moody, Jr., on April 23. He refused to grant the application as a matter of law, thus requiring the plaintiff to go to trial.

At the trial before Judge Vokes, the company contended that the City of Grosse Pointe Woods acted "arbitrarily and capriciously" in its decision to deny the permit.

After Judge Vokes decision, city attorney, George Catlin recommended that the council instruct Wakely to issue the building permit as required by the court and added that he felt it would no longer be to the city's advantage to fight the matter in court. The Council then instructed Wakely to issue the building permit.

However, the residents did not give up. Led by Charles (Continued on Page 4)

Judge Moody Refuses  
The matter was taken before Circuit Court Judge Blair Moody, Jr., on April 23. He refused to grant the application as a matter of law, thus requiring the plaintiff to go to trial.

At the trial before Judge Vokes, the company contended that the City of Grosse Pointe Woods acted "arbitrarily and capriciously" in its decision to deny the permit.

After Judge Vokes decision, city attorney, George Catlin recommended that the council instruct Wakely to issue the building permit as required by the court and added that he felt it would no longer be to the city's advantage to fight the matter in court. The Council then instructed Wakely to issue the building permit.

However, the residents did not give up. Led by Charles (Continued on Page 4)

## School Board Statement On Desegregation Order

William J. Adams, president of the Grosse Pointe Board of Education, has re-issued the following statement on behalf of the school district's trustees:

The Grosse Pointe Board of Education has considerable concern with Judge Stephen Roth's opinion of September 27, in which he found de jure segregation in the City of Detroit, and his order of October 4, 1971 in which he directs the State Board of Education to prepare a plan of desegregation which would involve the entire metropolitan area. The Board has not felt that it could comment responsibly on these matters until Judge Roth on October 4 ordered the State Board to draw up a metro school integration plan. It now appears clear that the Grosse Pointe Public

School System may be involved in the resolution of this problem.

Grosse Pointe is not formally involved or a party to the legal action in Judge Roth's court. Grosse Pointe has not been ordered to bus its students to other districts nor to accept students from other districts. Judge Roth has indicated that in no event would any possible metropolitan integration plan involving Wayne, Macomb and Oakland counties be implemented until September 1972.

In the interim, attorneys for the school system are engaged at the Board's request in thorough research of the legal issues involved, the remedies which may be available to the School District and the time (Continued on Page 8)

## Established Organization Starts Fight

Pointe Study and Action Committee Holds Sunday Meeting to Lay Battle Plans

An established community organization active in the past in non-political education issues has taken steps to attempt to generate and coordinate productive community efforts opposed to forced cross-boundary busing of school children.

As a result of action taken at its meeting of Sunday, October 3, the Grosse Pointe Study and Action Committee, a broad-based community group formed early this year to be active in vital education issues, has announced formation of a special committee to provide information and to encourage and coordinate appropriate and productive action toward the end that there will be no court-ordered busing of school children across school district boundary lines in the Detroit metropolitan area.

Co-chairmen of the committee, Mrs. F. Charles Kaess and Mrs. George Maghiesse, made the announcement of the results of the meeting.

Had Taken First Step  
"We had already taken a first step at trying to inform parents of the present status of the Detroit desegregation suit by our information sheet sent home with all public school students last Friday," said Mrs. Kaess, "and our meeting resulted in formal action of the committee to step to the forefront on this very critical issue and to try to provide a focal point for action."

The committee announced it has formed a legal advisory sub-committee to research issues and provide legal advice and assistance to the committee.

The committee will operate a speaker's bureau to attempt to provide groups with competent speakers who can discuss the complex issues involved.

Prompted by Decision  
The committee's action was prompted by the recent widely publicized decision by Federal District Judge Roth, in the Detroit school desegregation suit, that Detroit schools are segregated and became so partly because of official Detroit Board and State acts and omission. Though no busing has been ordered and no suburban school districts have been brought into the suit, the decision creates at least the theoretical legal possibility the Judge might, in the future, order some form or relief which could involve busing not only within the Detroit School District but between Detroit and suburban school districts.

The Detroit decision, finding that "de jure" segregation exists, may still be appealed. The decision has, however, resulted in much apprehension in the Grosse Pointe and other suburban school districts and has brought demands from residents for official and community action.

"The Grosse Pointe Study (Continued on Page 2)

Proofing Error Unfair To GPEA

A serious proofing error that entirely changed the context of a statement by Rita Carey, president of the Grosse Pointe Education Association, appeared in last week's paper.

The NEWS sincerely apologizes to members of the GPEA and Miss Carey for the consequences and inconveniences they suffered through publication of this erroneous statement.

Miss Carey's statement, in the banner story, "Teachers Pay Ruling changed," read "It was and is our intention to obtain the teacher's salary increases through illegal means. Obviously, it should have read "It was not and is NOT our intention to obtain the teachers' salary increases through illegal means."

(Continued on Page 8)

## Milliken, Kelley Blasted By Representative Bryant

Representative William Bryant, (R., Grosse Pointe) blasted the announcement by Governor William Milliken and State Attorney General Frank Kelley they plan to file suit to have property tax use in school financing declared unconstitutional.

Bryant insists there are adequate statutory methods available and that the constitutional approach taken by the Governor and Attorney General only causes confusion and delay. He further accused both of "share politics" in their announced approach.

An opponent of the ill fated proposed constitutional amendment "G.G.," Bryant favors simpler approaches which he feels will retain local control of schools.

"I don't believe," Bryant states in his answer to Kel-

## Woods Supports Hockey Project

The City of Grosse Pointe Woods Council on Monday, October 4, voted to provide verbal and moral support to the efforts of the Grosse Pointe Hockey Association in its attempt to provide an indoor public ice skating facility for the use of the residents of The Pointe area.

The Council further indicated that such support as can be provided within the framework of the recommendation will not include the expenditure of tax revenues for this proposed project, but that the Council will continue to support any reasonable fund raising activities by the association.

The Council also approved the placing of signs indicating the progress of the GPHA's fund raising campaign on city property.

### Trio Charged

(Continued from Page 1) have been filed with Juvenile Authorities by Podeszwick, it was disclosed.

The Farms detectives said that their informant acted as an undercover agent in the making of a purchase of a pound of marijuana from Wertz. The agent kept in constant touch with the youth, gaining Wertz's confidence, it was said, until the sale was consummated.

Van Tiem and Miller said that at 11:57 p.m., they were in the vicinity of the Wertz residence, far enough away without being seen, but close enough to keep the agent in full view. The officers said they saw Wertz come out of the house and approach the passenger side of the agent car and converse with the man. Wertz then went back into the house and came out again with a package, which he handed to the agent, who in turn gave Wertz money.

**Watched Sale Made**  
The Farms officers said as soon as the sale was made, they pulled up behind the other car, and arrested Wertz on a charge of violating the state narcotics laws.

The detectives said they were aware that another youth was in the house. They called Wertz's parent, and after informing him of his son's arrest, asked for and were given permission to look for the other youth. The policemen said they found Van Asche and the 16-year-old hiding in the basement, and took both into custody.

With the aid of Farms Patrolmen Vincent Peiers and Donald Dewey, and Podeszwick, the trio were taken to the Farms station, where the two older youths were placed in the local cell to await examination, and the younger had was released to his parents, who had been called, pending further action by Juvenile Court authorities.

### Urge Busing Opposition

(Continued from Page 1) and Action Committee," explains Co-chairman Gail Kaess, "hopes deliberate and timely community action will help assure that no order will be entered or become effective that could result in the busing or transfer of children from one school district to another, and we believe there must be a group capable of acting as the focal point to coordinate appropriate action and to discourage counter-productive action."

**Believed Illegal**  
In the statement of the committee co-chairmen further explaining why they feel such a group should become active, they state they believe the decision is not legally correct and should be reversed. The statement continues, "Nor do we believe it would be legal with the Judge to order cross-busing. If he did, it would be a totally new constitutional concept and one so fraught with legal and logistics problems that we trust the Judge would not attempt such a move. But we intend to do everything legally possible that we can to assure that such an order is never given or, even if given, that it will be otherwise reversed or legally negated."

The committee will be keeping in close contact with the Board of Education, the Administration, and the legal counsel for the Board.

**Suggest Action**  
The committee suggests that certain action is immediately appropriate and needed. Co-chairman Mrs. Maghielse listed the following as actions she hopes residents will take at this time. "The decision rendered by Judge Roth is appealable. We ask people to write Governor William Milliken, the State Board of Education, and State Attorney General Frank Kelley strongly urging them to immediately appeal the decision. They are all defendants in the case. Further, we recommend asking friends in other suburban districts to write. Also encourage people you know who live in Detroit to demand that the Detroit Board of Education appeal the decision. We believe these actions are appropriate," Mrs. Maghielse continued, "because we believe the decision would be reversed by the Supreme Court and such a reversal would avoid any possibility of a cross-busing order."

Other action is suggested by the committee. They suggest writing Congressman Lucien Nedzi and U.S. Senators Philip Hart and Robert Griffin opposing cross-boundary school busing and urging Congressional action. They further recommend people write President Nixon asking that he consider legislation or

proposing a constitutional amendment.

**Obtaining Petitions**  
"Aside from these notes or post cards," Mrs. Maghielse concluded, "we are obtaining, and soon will have available, petitions started by State Senator Bowman, of Roseville, urging federal congressional action which could specifically make forced busing across school boundaries illegal."

Mrs. Kaess added, "When we determine other or further action that may be beneficial, we will announce it and solicit support. We do not feel that a school boycott, mass meeting, or any drastic action would help at this point. However, we want to assure the community we will continue to explore all avenues of effective and legal action."

The committee views the busing issue as an important part of the broader issue of local control of schools and inseparable from the issue of "education reform" which had occupied most of the time of the committee to date. The Grosse Pointe Study and Action Committee earlier this year organized for the successful battle to obtain repeal of a state law which would have severely limited the amount of money by which a district could increase its support for K-12 education.

**Guard Local Control**  
Recently they began to work actively to assure that any form of change in the raising or disbursement of taxes for education will allow retention of local control of schools and allow pursuit of excellence when the people of a district choose to pay for excellence.

The committee urges any who may have formed a small group opposed to cross-busing, who are otherwise interested or who may hear rumors, to contact the committee by writing Mrs. Kaess at 289 McMillan road or Mrs. Maghielse at 572 Lakeland avenue, or by calling the school administration offices, or Mrs. Kaess at 886-3502 or Mrs. Maghielse at 884-0704.

The Grosse Pointe Study and Action Committee has 25 on its steering committee and a mailing list of over 300 persons who have worked with or been interested in the committee.

**Committee Funded**  
The committee is funded by a small payment made from each of the PTA and PTO groups at the public schools in the district. Also present at the meeting, to provide liaison, were Robert Warner, Grosse Pointe School Board member, William Bryant, State Representative from the Pointes and Harper Woods, and Dr. George Edgington, Assistant to the Superintendent of Schools. Representative Bryant supports the actions of the committee and has pledged to work closely with them.

The committee will be working with other similar groups in other school districts. It will make further periodic reports on its activities to the community.

### Noise Case

(Continued from Page 1) Judge Paterson adjourned the matter until September 17 for final disposition.

On the 17th, Judge Paterson said that it was the opinion of the court that the people had proved beyond a reasonable doubt that the defendants were guilty as charged. Grenard and Thomas were fined \$50 each and made to pay costs of \$50 each.

**Appeal Is Filed**  
Now Grenard and Thomas have filed an appeal and are demanding a jury trial. In their appeal they allege that the ordinance under which they were charged is void on account of its vagueness, that the burden of proof, which was on the people, was not shown beyond a reasonable doubt and that there were errors of fact as to the nature and circumstances of the operations complained of which led to erroneous conclusion of law.

Mr. Grenard told the NEWS that friends have donated over \$200 to help with the fines and the appeal. No date has been set for the appeal at this writing.

### PTA Council Holds Meeting

The September meeting of the Grosse Pointe PTA Council was held Tuesday, September 28, in the Exhibition Room of the Central Library. School principals, the presidents of each Grosse Pointe PTA or PTO organization and delegates from each area school are invited to attend the meetings.

The Grosse Pointe PTA Council supports several standing committees: Legislation, Millage, and the PTA Council for Exceptional Children. It also financed the Grosse Pointe Study and Action Committee which was formed last year and helped in the formation of the Environmental Action Now Committee.

At Tuesday night's meeting a brief report was heard from Mrs. George Maghielse, co-chairman of the Study and Action Committee, the group which successfully helped to amend portions of Public Act 100 last year. She reported that the group has over 300 interested citizens on its mailing list.

PTA Council officers for 1971-72 are Brandon M. Rogers, president; Charles F. Woodbury, Jr., vice-president; Mrs. Douglas G. Graham, secretary; and John W. Marschner, treasurer.

The next meeting of the PTA Council will be on Tuesday, November 23.

### Blazes Damage Homes in Park

Fast action by Park firemen confined a fire to the rear porch of the home of Thomas Maroon, 1007 Bishop road, on Friday, October 1. The blaze was started by a shorted wire, according to information released by Fire Chief Henry DeClerck, and was unnoticed by Maroon and another member of the family, who were in another part of the residence.

The chief said that an alert woman neighbor heard the sound of breaking glass at about 4:23 p.m. and looking out the window, saw the fire which had a good start and called in the alarm before running over to the Maroon home and informing the owner and his daughter.

A few minutes more, DeClerck said, and the flames would have eaten through the ceiling of the porch and into a bedroom above. The blaze had burned an area of about four feet of the ceiling and was within inches of reaching the bedroom, the chief said. The heat burst the glass of the porch windows, he added.

The fire fighters brought the flames under control and out in about 15 minutes. Although the fire was confined to the porch, it was said, there was considerable smoke damage to the rest of the house.

The amount of damage has yet to be determined by insurance adjusters, the chief said.

In another incident, at the home of Bryan Brieden, 1384 Balfour, on Monday, October 4, at 10:05 a.m., a contractor, using a blow torch to remove old paint, accidentally started a fire inside a window casing at the front of the house.

The prompt appearance of the fire personnel and equipment, Chief DeClerck said, confined the damage to the window casing.

### Report Shows Farms Lost 1,276 Elms in 18 Years

A Dutch Elm Disease report submitted to Farms council on Monday, October 4, by Director of Public Service John A. DeFoe, revealed that the city's loss of public and privately-owned trees this year nearly equaled the number of 1970. This year's loss showed a slight increase on public land.

According to the report, the number of trees inspected and found to contain the blight, and consequently had to be removed this year, was 98 on private property and 31 on public property. Compared to this, the number for 1970 was 103 lost on private land, and 28 on public property.

DeFoe stated in the report that in conjunction with a complete city-wide Dutch Elm Disease survey conducted twice a year, the city also checks all requests for inspections by residents who suspect their elms are infected.

As a result of this inspection, 71 private trees were found to have the blight, and 15 publicly-owned, and all were removed. Dead and dying trees

condemned numbered 27 private and 16 city.

Since the Dutch Elm blight hit the Metropolitan area in 1954, the Farms has suffered the loss of a total of 1,276 elms, both public and private, with the highest loss occurring in 1969, when 152 trees were condemned and removed from private property, and 45 from city-owned property. DeFoe's report showed.

In 1954, when the dread disease first attacked the beautiful shade trees, only 16 private elms were lost and only three publicly-owned. As the battle to save the trees continued through the years, the loss figure fluctuated, sometimes showing a marked decrease, and at times showing an upsurge.

The years 1969 and 1970, have been the worst years, with this year coming in a very close third.

**EXAGGERATION**  
There's some question as to whether fish is brain food, but it's a proven fact that fishing stimulates the imagination.

### Defer Scouts To Wash Cars

Boy Scout Troop 147 of Defer School will hold a car wash this Saturday, October 9, in the school parking lot from 10 a.m. until 4 p.m. All proceeds will be used to purchase camping equipment for the troop.

To the average guy most of the teachers in the school of experience are very attractive.

### Milliken, Kelley Blasted

(Continued from Page 1) ney General's apparent support for greater state control. Representative Bryant, a freshman legislator, has been deeply involved in education issues, and serves on the Education and Urban Education Committees of the House. He is the only freshman in recent memory to draft and sponsor his own totally new approach to school aid. His bill (H.B. 5500), pending in the House Education Committee, develops a flexible, automatically increasing permanent formula.

"I hope my bill will now receive some attention. It combines the best features of some other approaches which to me had merit. My own districts would not get one penny under the bill, so I certainly can't be accused of favoring the so-called wealthy districts. What it does is equalize funding and retain local control, decrease reliance on property tax and yet avoid a graduated income tax."

Representative Bryant is further developing a reform package for submission when the legislature reconvenes on October 26.

A letter from Representative Bryant to Attorney General Kelley follows.

Dear Mr. Kelley:

I am in receipt of your letter to me and others dated September 30, 1971. Your surface conclusion that a pupil taught by a \$9,813 teacher receives a lesser education than one taught by a \$13,118 teacher, and this is all you cite as the basis for

your letter, is typical of your thoroughness. Why not spend your time deciding if you are going to appeal the decision of Judge Roth in the Detroit desegregation case, an appeal I urge you to make, rather than jumping on the pseudo-tax-relief band wagon.

I suspect, though, that your apparent wish to take local control of school purse strings away from taxpayers could only be consistent with approval of Judge Roth's opinion and its possible consequences. I will watch with great interest for your public pronouncement relative to the Detroit decision.

As for school financing, it would seem appropriate for you to have requested the Governor to veto the new school aid bill on your advice it is "unfair, unequal and inequitable" financing. This would have continued Public Act 100 of 1970 as the law of this state and afforded you the opportunity to render opinion as to the new method used in that act.

One must also ask why the Governor wanted repeal of the Public Act 100 approach with its guaranteed yield per 1/10th mill local levy, and why Messrs. Anderson, Sharpe and Smith voted against that act.

Those of us who supported retaining the Public Act 100 approach and who support raising the homestead exemption agree property taxpayers want and need relief from property tax. But we also know that those same taxpayers want to retain local control over the affairs of their children's schools. And that, sir, is the inescapable central issue.

I am sorry to see you have joined the ranks of those who want strong state control over our public schools. I suspect you may regret that decision.

I don't believe the people of our State want Lansing to tell them what to teach and how, what books and tests to use and what schools to go to.

Further, I trust that if you do file suit that you will include in your attack all sections of the school aid act, not just the formula section. Then, at least, we might get rid of inequity in sections 3, which results in no aid to poor rural districts, and 17, which unfairly grants money to city districts such as Detroit, and other "special" sections.

I thought perhaps the Governor and others, including yourself, had learned a lesson from the defeat of the ill-conceived H.J.R. GG, that a complicated constitutional approach only frustrates legislative attempts to provide equitable school funding. In fact, I am convinced much, if not most, of the budget delay this year was because of the Governor's insistence on constitutionally strengthening the heavy hand of the state in the field of K-12 education.

I see in your "new" approach only further confusion, delay and sheer politics. Very truly yours,  
**WILLIAM R. BRYANT, JR.**  
State Representative  
First District

The type of people you can fool all the time makes it hardly worth your trouble.

### Torch Drive

(Continued from Page 1) rell, UF president, both Grosse Pointe residents. Tomorrow is group vice-president of Chrysler Corp., and Merril is vice-president for civic and governmental affairs of Ford Motor Co.

Also present will be UF Executive Vice President Jacques Cousin, who lives in Dearborn. Top-level campaign leaders will join torchlighting principals at a reception hosted by Campaign General Chairman Richards, Budd Co. president. The reception will be held in the Michigan Consolidated Gas Co. building overlooking the torch.

**Plan Kick-Off Luncheon**  
The drive officially opens at noon Tuesday with a kick-off luncheon in the Sberaton-Cadillac Hotel, campaign headquarters.

President Merril will adhere to UF tradition by passing a lighted torch to Campaign Chairman Richards with the challenge to meet or surpass the goal before Victory Dinner.

The dinner on November 4 will conclude the drive that is to be sparked by 11 report luncheons and special observances.

These include a salute to labor on October 20, a salute to UF agencies on October 22, Residential Day on October 25, Youth Day on October 27, and Sports Day on November 3.

### Restaurant

(Continued from Page 1) Woodbury and attorney Leo Ottoni, they went to work acquiring signatures on petitions requesting that the Council appeal Judge Vokes' decision.

Over 2,836 Names  
At Monday night's meeting, they presented the Council with over 2,000 names requesting the appeal. The group obtained the signatures within a 10-day period.

Many of the petitioners were in Monday night's audience. The Council chambers were filled to capacity.

Mayor Kenneth McLeod permitted Mr. Woodbury and Mr. Ottoni to make statements during the meeting. Immediately following these statements, Mayor McLeod asked a recess during which time Council members and members of the citizens committee conferred.

Following the conference, Councilman Kenneth W. Boerner moved that City attorney Catlin be instructed to file an appeal. The motion was seconded by Councilman Marvin K. Boutin. The motion was passed by a vote of 5 to 1, with Mayor McLeod voting no and Councilman George Freeman, absent. Mayor McLeod explained that he could not in all honesty vote yes since Food-makers, Inc. had complied with all the requirements necessary for issuance of a permit.

**Stay Put on Permit**  
Mayor McLeod then instructed Mr. Catlin to file the appeal and to request a "stay" be placed on the order to issue a permit until the appeal is heard.

In the meantime residents plan to continue circulating petitions. Mr. Woodbury told the NEWS that anyone interested in signing or circulating a petition should call 896-1007.

### Will Give Talk On Civil Rights

Mrs. Frank Wylie of Washington road will be the guest speaker at the 11 o'clock morning service of the Grosse Pointe Unitarian Church on Sunday, October 10. Mrs. Wylie is widely known throughout the community and the state for her active concern with civil rights and human relations. She was appointed to the Michigan Civil Rights Commission in 1965 by Governor George Romney.

She continues as a member of the Commission, having served as secretary and chairman. She has also been active as a trustee of the Merrill Palmer Institute and many other organizations. Mrs. Wylie's topic will be "After Tea and Sympathy." Mrs. Andrew Brown, vice-president of the Grosse Pointe Unitarian Church, will conduct the services.

### Reckless Driver Facing Charges

Virgil Howard, 22722 Travers, S. Clair Shores, was charged by City police on Saturday, October 2, under the drunken motor law and for not having a driver's license on his person.

Howard was observed driving east on Jefferson in a reckless and erratic manner. He was stopped at Lake Shore and taken to the City station where he was advised of his rights. He refused to submit to a breathalyzer test. Officers indicated that his speech was slurred and he had difficulty standing.

He was released on \$100 bond pending a court appearance on Tuesday, October 12.

### Red Barons, Rah! Rah! Rah!

### Red Baron Cheerleaders Very Important to Team

By Pepper Whitelaw  
Snoopy's on the left side, Red Baron's on the right. When they get together, they all begin to fight. When the fight was over what do you think they saw? Red Baron made a touchdown Horrah! Horrah! Horrah!

If you've attended any of the Grosse Pointe Red Barons football games you are sure to have heard this chant, lead by 22 sisters of the players who cheer the team weekly (but never weakly).

The girls are all between the ages of 9 and 12. Their training is almost as rugged as that of their football playing brothers. Trained by 15-year-old North High School student, Lori Burns and 13-year-old Brownell student, Robin Henritz, the girls are really put through the paces.

They practice every day before the season begins and twice a week in season. They spend many afternoons practicing somersaults, cartwheels and jumps. Once that end of their training is over they commit to memory a number of rousing cheers. Then they put it all together. The result is what you see and hear on those cold autumn and winter football Saturdays.

Dressed in flashing red tunics and matching slacks the girls add a great deal of color and a passel of enthusiasm to the games.

"Team" members include two 12 year olds, Meg Murphy and Tami Stieber; two 11 year olds, Susan Moody and Janet Patosky; six 10 years olds, Cathy Bells, Julie Burns, Priscilla Langs, Julie Hosking, Regina Piche and Nancy Neville.

The rest of the "team" are nine-year-olds and include Carolyn Brewer, Tammy Henritz, Kathleen Lane, Amy Rentschler, Tracy Shanley,

American Indians on reservations throughout the United States are being helped to more productive citizenship through self-help projects directed by the Community Development Foundation (CDF), an international nonprofit voluntary agency headquartered in Norwalk, Conn.

Judy Vermeulen, Karen Cooper, Susan Shanley, Francis Shook, Mary Jo Arpin, Cathy Brown and Caroline Messing.

These girls have as much fun leading the cheers as the fans do cheering.

#### DRESS DISAPPEARS

Helen Pytell, 303 Lothrop, called City police on Thursday, September 30, to report that while shopping at the A and P Store, 17120 Kercheval, someone removed a newly purchased dress valued at \$98.80 from her shopping cart. The dress was a multi-colored in shades of purple, blue and red.

### North Students Stage Protest

**By Ron Mallard**

An estimated 200 students at Grosse Pointe North refrained from going to classes on Friday, Oct. 1, 1971. Assistant principal James Cooper explained to the students that the Judge Stephen Roth decision on integration was that no district except the Detroit Public School System was immediately affected by his ruling.

It was announced that students would be marked tardy if they did not return to an extended homeroom period. All other students would then be marked unexcused. Only half of the students took Mr. Cooper's advice and returned to their respective homerooms. The other 100 students were notified by the Youth Service Division, if they were not off school property they would be charged with trespassing.

Students decided to take the advice of the Youth Service Division and have a peaceful and orderly demonstration off the school grounds.

General consensus among the students was to the affect that they wouldn't mind Negroes coming to the school, as long as they paid equal taxes towards education. In other words, they do not want their parents paying higher taxes for an "inferior" education in the Detroit Public School System, while other children are reaping the benefits of the Pointe school system.

Principal at North, G. B. Feighner, thought he had a chance to communicate with the students, urging them to channel their opinions through legal means.

Only minor complaints were received by the Grosse Pointe Woods Police department throughout the day, concerning students trespassing on private property. Out of the 200 students that started the demonstration only three students remained at 3 that afternoon.

**TRAFFIC ERRORS**  
Accidents don't just happen—they are the result of mistakes we all make every day.

### Tribute To A Fallen Athlete

Photo by Randy Steinkampf

In dramatic half-time ceremonies on Saturday, October 2, during the North High School-Lakeshore High School football game, fans and friends paid tribute to Danny Clem, former football and baseball star, who was killed last spring while playing baseball with a Detroit ball club. The field was lined with members of the band, the football team and the cheerleading squad, when the new bleachers, inspired by a sizable donation from William C. Beckenhauer, Jr., were

dedicated in Danny's name. A plaque in Danny's memory will be affixed to the bleachers. Pictured at the formal ceremonies are (left to right) DR. THEOS I. ANDERSON, superintendent of schools, ALFRED GLANCY, JR., School Board vice-president, MR. and MRS. GENE CLEM, Danny's parents and G. BRUCE FEIGNER, North High principal, Danny's brother, Tom, also took part in the ceremonies.

### Man Accused Of Shoplifting

Gjylo Tahir, 48, of 1464 Lakepointe, was arrested by Woods police on Thursday, September 30, on complaint of a J. C. Penney store security guard, who, it was said, saw the person take a sweater from a display counter.

The guard, who called the accused take a black sweater from a rack, remove the price tag and label, keeping them in hand, drape the sweater over his arm and then go to the jewelry counter at the east end of the building.

As the suspect was about to leave the store, the guard approached and placed him

### GARBAGE GRINDER?

**BRUCE WIGLE**  
PLUMBING • HEATING

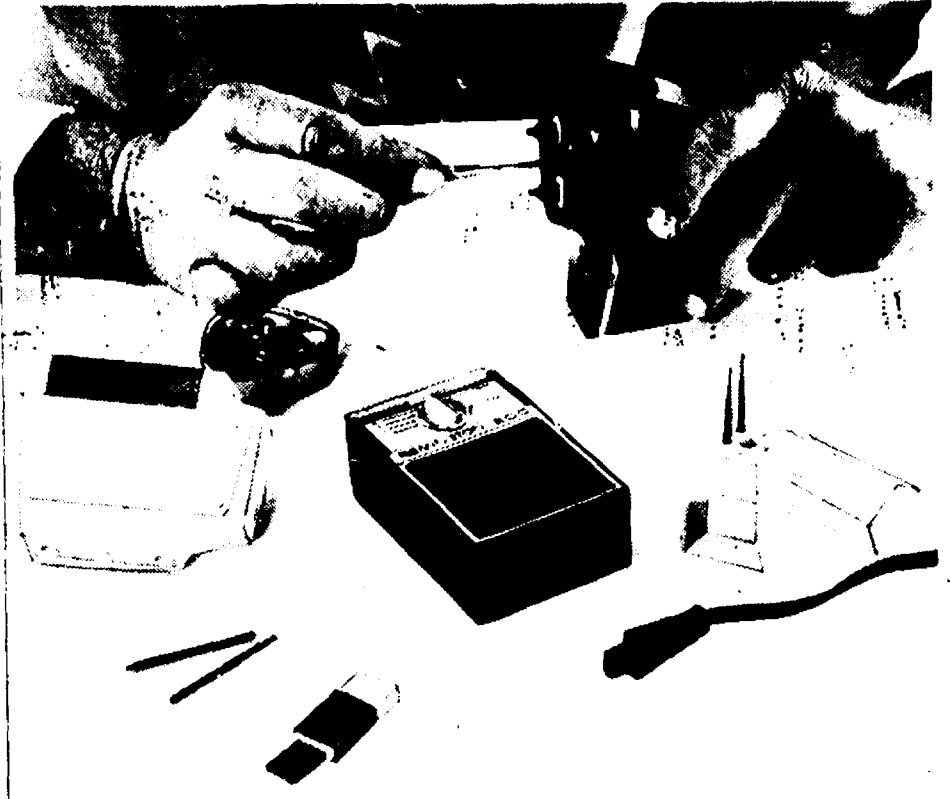

15304 KERCHEVAL • VA 2-9070

under arrest, and took the tag and label, which were concealed in the man's right hand.

The suspect was taken to the station and charged and released after posting bond of \$50, pending a court hearing on Wednesday, October 27.

The best of highways will not help some folks go straight.

Community Development Foundation (CDF) headquarters in Norwalk, Conn., provide the know-how for self-help projects of community development in this country and in many areas of the world. The people themselves choose which projects they want to carry out to help them develop their communities improve the quality of life for all.

**Quality and Service as always . . .**

A partial listing of the persons whose lives will be affected in 1972 by the 164 agencies of the United Foundation.

Affect you? Ridiculous! You never asked for help in your life. You make a good enough living. You're happily married. Your children are well adjusted. How can a UF agency even touch your life . . . let alone affect it?

Like this: The Methadone Clinic weans a drug addict from his \$100-a-day habit. And he no longer burglarizes homes in your neighborhood.

Like this: A hospital patient is given an early release because a Visiting Nurse is committed to attend him at home. The hospital calls to tell you a bed is now available for your mother.

And like this: Directly or indirectly, what happens to the over 1 1/4 million human beings who will be counseled, treated, defended, entertained, adopted, restored, sheltered, educated, fed, reconciled, encouraged, scolded, and loved through the services of the 164

Torch Drive agencies will have an affect on your life and the lives of your family.

But, none of these agencies can operate without your money. Give Generously.

For a better life for yourself and the 4 million of us who live in Metropolitan Detroit.

Cuts and bags your grass... **The NEW V-21 SNAPPER** the easy way!

Here's a new concept in lawn mowers... it cuts and bags grass and also vacuums yards, driveways and walks. Look where the grass bag is... behind the mower... nothing projects on either side... you can close-trim on both sides. Perfect balance... easy to push and you get a level cut even with full grass bag. 3 1/2 HP, 4 cycle engine; die-cast magnesium deck; a full 21" cut. Try it... you'll be glad you waited for the Snapper V-21. So easy to handle, it is a pleasure to use.

**Ever wonder why it's called the "economic climate"?**

If you've made any investments at all recently, you don't have to wonder. You know. To say that the last few years have been stormy is probably being too kind. Up. Down. Bad times. Good times that turn out to be the lull before the storm again. If your money's been buffeted all over the place by the climate of the last few years, maybe you're ready to find a little shelter for it.

**TUCK YOUR MONEY UNDER ONE OF OUR PASSBOOKS.**

We're in the business of savings. That's almost all we do. And we want your savings. Now what would you do if you were in the savings business and recognized the times as being stormy? You'd make your savings plans very attractive, right? That's just what we've done.

**WE'RE A SAFE HARBOR DURING STORMY TIMES.**

We're the largest savings and loan association in Michigan. We're not about to be shaken by an ill wind or two. Our certificate interest rates are guaranteed. (And just how often do you hear that word these days?) Our interest is paid and compounded quarterly. And your savings are insured up to \$20,000 by the Federal Savings and Loan Insurance Corporation.

**WE'VE DONE A LOT FOR OTHER PEOPLE WHO'VE THOUGHT FIRST.**

We're proud of it. And we think the fact that other people have flocked to us in droves isn't the worst reason for you to think about us, too.

We must be doing something right. Because we have 227,000 savers who have decided to weather the times with us. These savers want the highest possible interest rate. And they want to earn it in a safe place. How about you?

**LOOK AT OUR NUMBERS AND SEE WHY YOU SHOULD THINK FIRST.**

Think about the interest you're getting. Think about the interest you'd like. Then think First.

In the following section, you'll see the various interest rates we offer. And the terms required to get those rates. Look them over. Then either decide

Each one is best for you. Or come in to one of our branch offices and talk it over with us. We'll be glad to help you decide. If you don't need the help, clip the coupon, enclose the necessary amount of money and we'll send you a passbook. Put a little something away for these rainy days.

<b>6%</b>	CERTIFICATE ACCOUNT <b>\$5,000</b> Minimum	Annual rate for 3-, 4- or 5-year certificate savings. Interest paid and compounded quarterly.
<b>5 1/2%</b>	CERTIFICATE ACCOUNT <b>\$1,000</b> Minimum	Annual rate for one-year certificate savings. Interest paid and compounded quarterly.
<b>5 1/4%</b>	CERTIFICATE ACCOUNT <b>\$1,000</b> Minimum	Rate for 6-month certificate savings. Interest paid and compounded quarterly.

### North Harriers Going Strong

By David Moxley  
North's runners continued their tremendous season as they finished second in the 22 team field on Saturday, October 2, at the Pontiac Invitational.

This meet was one of the most unique of the '71 Cross-Country season. There were three races in this competition. In the first race the participating team's seventh, sixth and fifth men competed. The second race grouped the fourth and third runners. And finally the team's second and first runners competed in the last race. The meet was run in this manner so each runner would be evenly matched with competitors from other teams. Upon completion of the races, the best five times on the teams were added up and the lowest time won.

Placing first was Bay City

### Neighborhood Club News

To lend a helping hand is the goal of the Neighborhood Club Volunteer Program. Opportunities for young people to contribute to society are offered through a wide range of activities coordinated by Mrs. Louise Tewart. Volunteers are placed as recreation aides, nursing home and hospital aides, library aides,

tutors and in many other areas.

At the present time recruiting is being carried out at the Grosse Pointe High Schools. Young people who would like to become involved are encouraged to contact Mrs. Tewart at their school or at the Neighborhood Club.

The North High School Gridders defeated the Lakeshore Shorians on Saturday, October 2, by a score of 34-7. For the third straight week North held its opponents scoreless in the first half.

Joe Puleo opened the scoring after North recovered the kick-off fumble. Puleo scored on a 25-yard run. Greg Cook made the score 14-0 when he caught a long pass from Joe Puleo.

Chris Lehmann and Duane Johnson scored the other touchdowns.

### North Gridders Beat Lakeshore

By Paul Ewart

The North High School Gridders defeated the Lakeshore Shorians on Saturday, October 2, by a score of 34-7. For the third straight week North held its opponents scoreless in the first half.

Joe Puleo opened the scoring after North recovered the kick-off fumble. Puleo scored on a 25-yard run. Greg Cook made the score 14-0 when he caught a long pass from Joe Puleo.

Chris Lehmann and Duane Johnson scored the other touchdowns.

The Star of the S-a grade school football team, the Sail-

ors opened their 1971 season with a decisive victory over St. Rose's.

The running game was highlighted by fine blocking by Scott Egnatios and Greg Woodbury. The Sailors take on Holy name at 1 o'clock, this Saturday, October 9, at Balduck Park.

**Schrom Exhibit At U-L School**

Soft bunnies and bunny tailed red foxes are part of an unusual showing of animal watercolors by Pointe artist Don Schrom. The exhibit opens to the public without charge at an artist's reception between 2 and 4 o'clock, Sunday, October 10, on the University Campus, in Cook road, and will be open daily until October 23.

Mr. Schrom was awarded first place in the J. L. Hudson Metropolitan Artists Exhibit; he received honorable mention in the Silver Medal Show at the Scarab Club and has received the Best Traditional Watercolor Award in the Grosse Pointe Artists Show.

He has had previous one-man shows at the War Memorial, Bookshelf On-The-Hill, Westminster College, New Wilmington, Penn., Kenilworth Gallery and the Women's City Club of Detroit. He has also exhibited at Bowling Green State University, the Scarab Club, Detroit Artists Market, Horizons Gallery in Birmingham, The Country Mouse Gallery, Columbus, O. Leon's of Grosse Pointe, Haney Interiors, Toledo, and the American Airlines Admiral Club, Detroit.

Mr. Schrom, presently in his sixth year as art instructor at University-Liggett School, taught art for eight years in the Grosse Pointe Public Schools and was art director at the University-Liggett Day Camp for seven years. He is also presently teaching watercolor classes for adults at the War Memorial.

Born and raised in Chicago, Ill., Mr. Schrom now lives with his wife, Ginger, in St. Clair avenue.

He received his B.A., M.A. and M.F.A. degrees from Bowling Green State University. He has taken additional work at Wayne State University, of Michigan and Ohio State University.

Mr. Schrom is an active member of the Scarab Club, Michigan Watercolor Society, the Grosse Pointe Artists Association, Past Member of the Board of Directors of the Michigan Watercolor Society.

**Austin Queen**

Photo by Mark Prozaki  
**CARRON PROMACK**, of Thorntree lane, is Austin Queen's 1971 Homecoming Queen. Carron was sponsored by Fred Conway, of Lakeshore road, Senior members of her court include Sandi Harned, sponsored by Matt Seibert and Laura Burr, sponsored by Brian Kingsley.

Junior members of the court are Karen Seagram, sponsored by Thomas Jacob, and Nancy Saviano, sponsored by Frank Roney. The sophomore member of the court is Pattie Bryce, who is sponsored by Peter Custello.

Homecoming Week began last Monday, October 4, during which time students were busy constructing class floats and were planning decorations for the gym, cafeteria and halls. This year's theme is a park scene.

Saturday's activities will begin with the judging of the cars and clowns at 12:45. A parade will be held from Austin to South High School's football field. Parade cars and floats will travel from Austin's parking lot at 1 o'clock, along Mack to Moross, down Moross to Kercheval, right on Kercheval, down Kercheval to Fisher, left on Fisher to the football field.

Kick-off time for the football game is slated for 2:30 when Austin's Friars face the Irish of Notre Dame. The Homecoming Ball will be held from 8 o'clock until 11 o'clock on Saturday night.

The administration and principal of Austin will wrap up the formal ceremonies on Saturday night with a dinner at the Grosse Pointe Yacht Club for the queen, her court and their escorts.

Sunday night a special homecoming coffee house is scheduled from 7:30 to 10:30 in the school library.

**Rose Society Meets Oct. 13**

Miss Marie Anderson and Mrs. Ralph Urso will be hostesses for the Grosse Pointe Rose Society's meeting slated for Wednesday, October 13, at Central Library, Kercheval at Fisher road. Coffee and dessert will be served at 7:30 o'clock.

The program is slated to begin at 8:10 o'clock and features consulting rosarians, Forrest Geary and Angelo Tavaglia, both of whom have successfully exhibited in local and state rose shows. They will discuss "Putting Roses to Bed for the Winter."

Anyone interested in roses is welcome to attend.

**CLAIM STAKED**

No right-thinking man makes public his route of success until he has secured the right-of-way.

**Junior League Meets Oct. 13**

Frank Ditto, East Side Voice of Independent Detroit; Lawrence P. Boss, President of New Detroit, Inc.; The Reverend William Cunningham, Focus: HOPE; and Robert E. McCabe, President of Detroit Renaissance, will be panelists representing the private sector of Detroit in a combination round-table discussion and press conference at the Wednesday, October 13 general membership meeting of the Junior League of Detroit to be held at 9:30 a.m. in Fries Auditorium.

If the schedule of the Detroit Common Council allows, they will be joined by the Honorable Carl M. Levin who will represent Detroit City Government.

Neil Shine, managing editor of The Detroit Free Press, will head a group of top newsmen who will question the panelists. Other newsmen participating include a representative from the Detroit News, Ladd Neuman, chief of The Free Press City-County Bureau, and Jerry Flint, New York Times correspondent.

Some 75 students from social studies classes in the Grosse Pointe schools will join League members at this meeting. Representatives from six other Michigan Junior Leagues, who will be in town to attend a Junior League State Public Affairs Conference, will also be in attendance.

Don't let well enough alone—make an effort to improve it.

WOMEN'S PAGES

## From Another Pointe of View

By Janet Mueller

There's going to be a 50th birthday tea Sunday, November 7, at Williams House in East Grand boulevard.

How's that for a good cause for some good autumn rejoicing?

It was 50 years ago this year that Williams House, named after the Episcopal Bishop Williams, started as a home for teen-age girls, temporary housing for young women who had left their own homes to come to the city.

Among those who will celebrate at the 2 to 5 o'clock tea will be present and former board members, (many Pointers among them, of course), present and former residents, their husbands, and individuals who have shown a great interest through the years in the Williams House girls.

By the time the tea rolls around, the House itself will have had a face-lifting.

An extensive renovation plan was started this summer and is expected to be completed by the end of the month. The downstairs recreation room, where the girls hold their parties, has been completely paneled. New lighting and a floor have been added, and the walls are bright with huge, colorful posters.

The Williams House residents held their first party in this newly-decorated room September 21.

Three first-floor bedrooms have been changed into offices, painted and carpeted in soft green.

New fiberglass showers have been added to the bathrooms, and there's an inter-com system on three floors.

This updating of Williams House is being done to make it more serviceable and comfortable for the girls living there.

Isn't that a good cause for some good autumn rejoicing?

### Visitors From Japan

The James H. Dingemans, of Radnor circle, entertained the President of the Japan Medical Association and his party at a dinner at the Country Club a few days ago.

Dr. Taro Takemi, head of his country's Medical Association since 1957, is on a world tour for the (Continued on Page 21)

## Short and to The Pointe

Marine Lance Corporal JOHN J. SCHERER, son of MR. and MRS. RALPH J. SCHERER of 1115 Audubon road, has completed a specialized aircraft maintenance course with a naval air maintenance training detachment at the Marine Corps Air Station in Cherry Point, N.C. He is a graduate of Grosse Pointe High School.

CHARLES R. PETERSON, JR., son of MR. and MRS. CHARLES PETERSON, of Berkshire road, graduate of Grosse Pointe High School, attained the Honor Roll at Milwaukee School of Engineering during the Summer Quarter.

Among Kalamazoo College juniors who have begun foreign study assignments in the College's centers abroad are TOM THOMSON, at Aix-en-Provence, France, son of MR. and MRS. JOHN R. ## AAUW's Used Book Sale Starts Tuesday

Collectors' Items and Modern Novels Included in This Year's Selection; Sheet Music and Records Also Available.

It takes a lot of women and a lot of books to keep a Book Sale going four full days. Approximately 40 women will work each day to keep order in the Ninth Annual Used Book Sale sponsored by the Grosse Pointe Branch of the American Association of University Women.

It will be held at the Unitarian Church Annex in Maumee avenue from 10 to 9 each day October 12, 13, 14 and 15, Tuesday through Friday.

General chairman of this year's sale is Mrs. John M. Moran, who reports her committee has been busy for weeks marking prices on books.

At last fall's sale there were 19,000 items, and Mrs. Moran feels the total number will be larger this year.

The list of interesting books is endless. There are old books with publishing dates going back to 1732, and new books published in 1971.

Among autographed copies are those signed by Richard Nixon, Nelson Rockefeller, Dr. Karl Menninger and Grosse Pointe author Jay McCormick.

On a table displaying old books will be a 1732 edition of

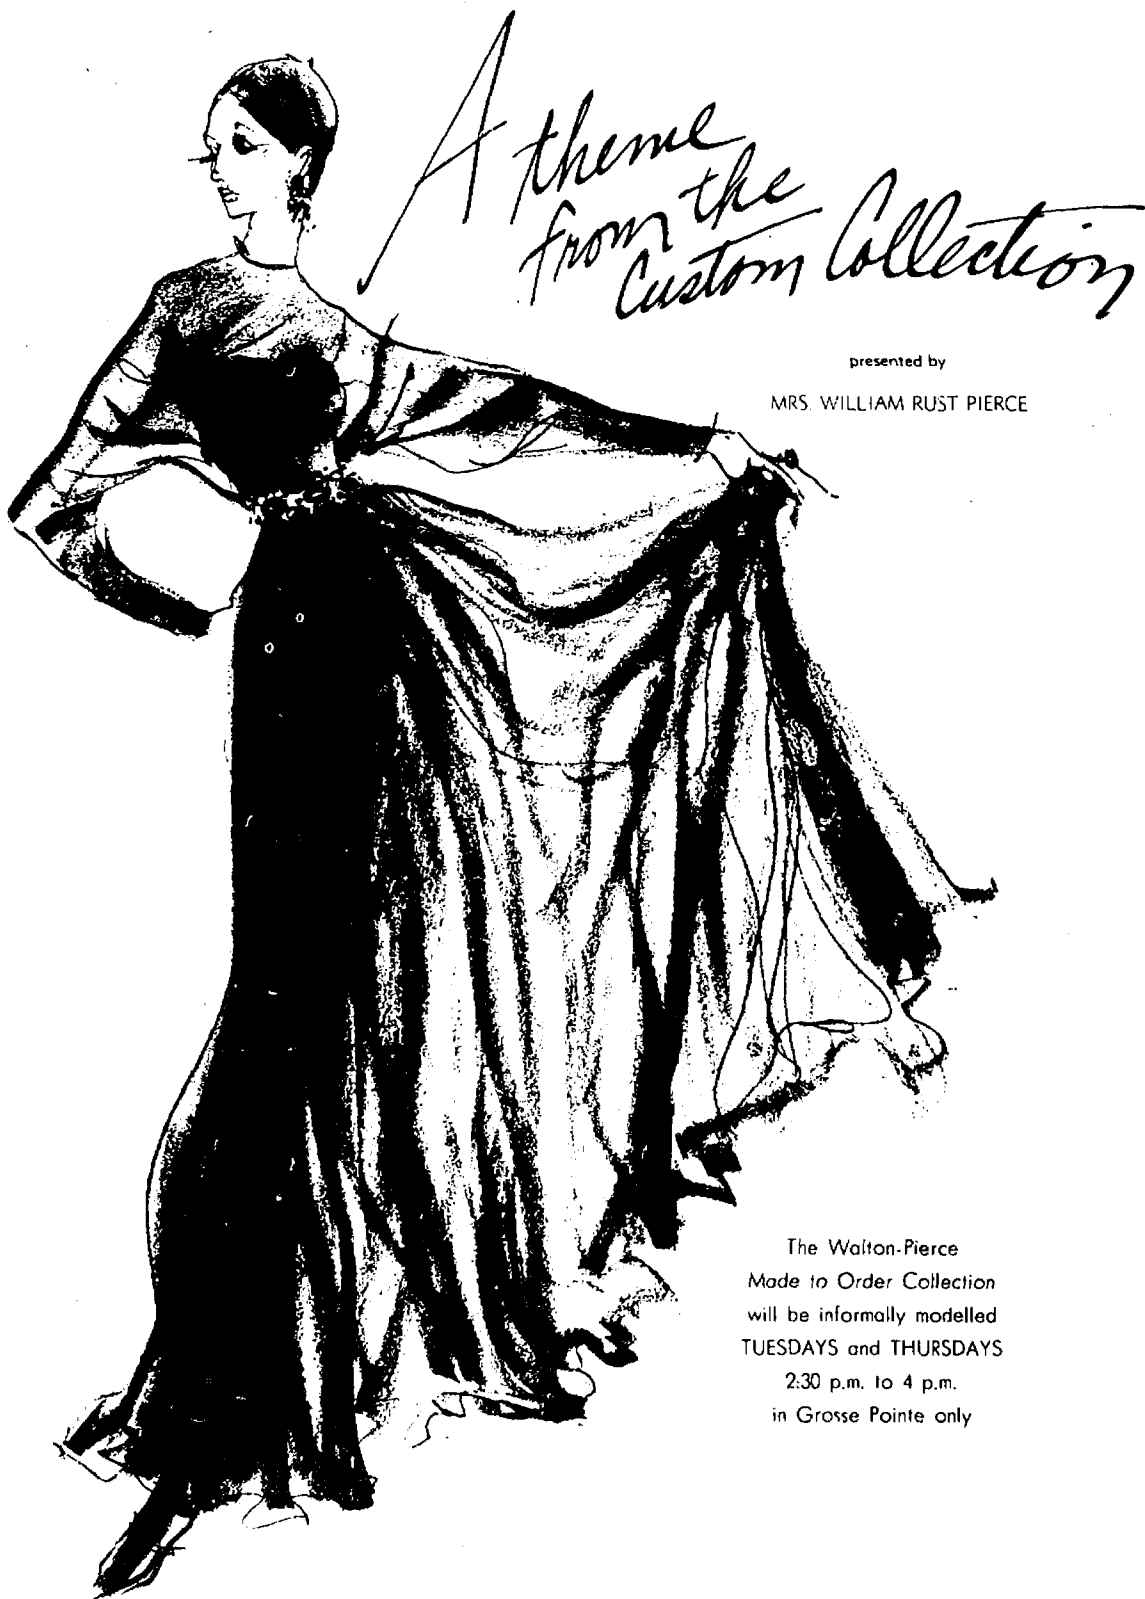

"Lives of the Roman Poets, an English translation of the Court of Louis XIV, published in 1770, an 1849 publishing date on a copy of "American Ladies and Gentlemen's Manual of True Politeness" and old editions of Horatio Alger.

The Children's Section features: an especially good selection for the teen and young adult group, including Hardy Boy books and first edition Nancy Drews.

Copies of "Larousse Gastronomique" and the "Life Cookbook" should prove of special interest to collectors.

A large variety of periodicals including copies of National Geographic, American Heritage, Horizon and art magazines. Sheet music and records will also be available.

Most books are priced from (Continued on Page 14)

### Mental Health Is Panel Topic

This season's opening meeting of the Assistance League to the Northeast Guidance Center was held yesterday, October 6, at Lochmoor Club.

Because the issue of mental health has become such a vital one in our day and age, and because the League aids the Northeast Guidance Center, a community mental health facility, the program for the afternoon was geared toward mental health.

Participating in a panel discussion were Dr. Eli Rubin and Dr. William Rowell, of the Guidance Center, and Dr. Sandra Lyness, of Wayne State University. Each presented his philosophy and approach to community mental health, then answered and discussed questions from the audience.

Prior to the afternoon's program a business meeting was held under the leadership of Assistance League president Barbara Boyce.

## Chateaux Talk Slated Oct. 16 at Center

In the Alger House of the Grosse Pointe War Memorial Saturday, October 16, at 2 o'clock, the Alliance Francaise de Grosse Pointe will present Mme. Genevieve Prevost, well-known lecturer and professor of languages, who will speak in French on "L'Auvergne et Ses Chateaux de Reve."

Her talk will be illustrated with the superb collection of colored slides she took during the month of August while visiting the castles of the Duc de Polignac, La Marquise de Lastic and La Baronne de Maison Rouge, among others.

Mme. Prevost, who has previously given illustrated lectures locally at both Grosse

Pointe North and South High Schools and at Liggelt, is presently associated with the University of Michigan-Dearborn campus, where she is professor of French and is organizing the French Language department.

Born in Geneva, Mme. Prevost earned the European equivalents of a Bachelor of Arts degree at the University of Strasbourg and a Master of Arts at the University of Geneva. She received her Doctorate in Italian Literature from the University of Rome.

Over a period of 14 years in Switzerland she taught French, German, Italian and Latin to German and French-speaking

students. Her assignments included a stint at the internationally-known School for Interpreters at the University of Geneva.

Since coming to the greater Detroit area Mme. Prevost has been affiliated at various times, as a language professor, with Wayne State University, Oakland University's Center for Continuing Education, the Highland Park School System and Colombiere College, where she was the first woman to teach French to the seminarians.

During one busy period she was concurrently teaching grade schoolers in the morning, high schoolers in the early afternoon and, later in the day, intermediate and advanced French to university students, including some at the PhD level.

In addition to her current association with the University of Michigan Mme. Prevost is much in demand as a lecturer, both in English and French, for schools and clubs.

Students and members of the Alliance Francaise de Grosse Pointe will be admitted free to the "L'Auvergne et Ses Chateaux de Reve" lecture. Admission for others is \$2.

Immediately preceding the lecture there will be a noon luncheon, also at the War Memorial, priced at \$5.

Pointers who wish further information about the lecture or who would like to make luncheon reservations, (the deadline is Monday, October 11), are invited to contact Mme. Robert Sillery at 882-1060.

She is being assisted in ar-

## Mrs. Paul S. Wemhoff

Photo by Eddie McGrath, Jr.

In Saint Paul's-on-the-Lakeshore Saturday, September 25, MARY JO ANNE GALLAGHER, daughter of the John Desmond Gallaghers, of Lakeshore road, and Mr. Wemhoff, son of Mr. and Mrs. Bernard J. Wemhoff, of Stratford place, were married.

## Wemhoff-Gallagher Nuptials Celebrated

Mid-Day Rites Are Followed by Lochmoor Club Reception; Pearls and Lace Accent Bride's Ivory Silk Organza Gown

Planning to make their home in Grosse Pointe Park when they return from a vacation in the Bahamas are Mr. and Mrs. Paul Stephen Wemhoff, who exchanged marriage vows Saturday, September 25, in Saint Paul's-on-the-Lakeshore.

Mrs. Wemhoff is the former Mary Jo Anne Gallagher, daughter of Mr. and Mrs. John Desmond Gallagher, daughter of Mr.

Mr. Wemhoff is the son of the Bernard J. Wemhoffs, of Stratford place.

The 12:30 o'clock rites at which The Reverend Father E. J. Sweeney O.S.A. officiated were followed by a reception at Lochmoor Club.

Scattered seed pearls and appliques of Alencon lace accented the high-necked Empire bodice and Bishop sleeves of the bride's ivory silk organza gown. Her shoulder length illusion veil fell from a lace and pearl camelot cap.

She carried a nosegay of white Sweetheart roses, baby's-breath and stephanotis.

Theresa Gallagher was her sister's honor attendant. Bridesmaids were Mrs. Terence Gallagher, Mrs. Mark Wemhoff, the bridegroom's sister-in-law, and Mrs. Allan Hooper, of Middletown, Pa.

They wore pale blue saki cloth frocks styled with long A line skirts, high cowl necklines and long full sleeves. Their nosegays were fashioned of daisies and baby's-breath.

Best man was Donald R. McMillan. Philip Wemhoff, the bridegroom's brother, Terence Gallagher, the bride's brother,

## To Tell Project Hope's Purpose

The Michigan Women's Division of Project Hope will hear Mrs. Charles E. Hilton, of Washington, D. C., speak at a luncheon at Kingsley Inn in Bloomfield Hills, next Wednesday, October 13. Mrs. Hilton is special assistant for Development of Project Hope.

Her talk will concentrate on "What Is Project Hope"—How It Works and Who Can Serve on the Hope Ship.

She will tell how women can become involved as doctors, nurses and miscellaneous personnel, and explain how women at home with no medical talent, but some spare time they would like to put to good use to aid humanity, can help as individuals or through organizations.

Mrs. Hilton will tell, too, what happens to the "Hopies" who stay on after the ship leaves port.

Program chairman is Mrs. Earl E. Weston. Reservations chairman is Mrs. Joseph A. Kozma, Jr., of Bloomfield Hills. Guests are welcome.

### Woman's Club Group To Meet

The Grosse Pointe Woman's Club Discussion and Garden Group will meet at the home of Mrs. Marlin Wickline in Woods lane at 1 o'clock Wednesday, October 13. Mrs. Russell McLachlin will discuss Theatre Methods of Acting and Actors and Actresses.

Chairman of the meeting, which ends with a tea, is Mrs. James H. Allen. Co-chairmen are Mrs. John S. Momeyer and Mrs. Edward D. Trowbridge.

### Kitchen Band Concert Friday at Eventide

One of the biggest events of the year at the Salvation Army Eventide Home is the annual concert of the renowned Kitchen Band. It will be held at the Eventide Residence for Senior Citizens in Park avenue, Detroit, tomorrow, Friday, October 8, at 7:30 o'clock.

There will be new costumes, new music and special scenery for the occasion. Walter Bronston, long-time leader of the Kitchen Band, was recently honored at the Michigan State Fair for having appeared there 10 straight years.

Brigadier William Kautz, manager, is issuing a cordial invitation to everyone in the Detroit area to come and enjoy the unique sound of the famous 35-piece Kitchen Band. Refreshments will be served.

Free parking is easily accessible on Eventide's own lot at the rear of the building off Sproat street.

**WHEN YOU WEAR YOUR FUR COAT JUST TO KEEP WARM...MAYBE IT'S TIME TO RESTYLE IT!**

Hours: 9:30 til 5:30—Thursday til 8:30

This is a place of remembrance.  
A place where we honor our family and friends and rediscover the values they loved and lived for.

Here, amidst this quiet beauty, the past, present and future are one. Because the good that is in each of us lives on as long as those who love us remember.

For over half a century, Harris has provided a setting for remembrance, a place where love looks back in order to go forward with renewed strength.

Five Harris locations serve Metropolitan Detroit.

**STOP! — LOOK! — LISTEN!**

**855 AVON COURT**  
Just LISTEN to the fine features this home offers. A New Orleans living room, dining room, 4 large bedrooms, 2 1/2 baths, spacious kitchen plan with ample eating space. A delicately cared for home, tastefully landscaped. STOP and LOOK this Sunday from 2-5, or better still, call for a personalized appointment.

**TAPPAN**  
884-6200  
90 Kercheval On-The-Hill

**947 LAKESHORE ROAD — OPEN FOR YOUR INSPECTION SUNDAY 2:30-5:00**

The ever popular center hall colonial and maintained in the peak of condition comes on Lake Shore Road in the Shores. Could be just the place for the family wanting four bedrooms in a manageable-sized house. The gigantic family room has access from the living room, the kitchen through a rear hallway, and the backyard. Priced in the eighties.

THIS ONE could be the one that made the waiting worthwhile. In a top location in the Farms we are showing a brick center hall colonial with five bedrooms and three baths on the second floor. The third has two more bedrooms and another bath. Plenty of yard, even large enough for a pool. Decorated so beautifully that after calling us your next call will be your mover.

## Hold Seven Eastern Colleges' Gathering

Committee Deletes "Women's" From Its Title, Since All Schools in "Girls Ivy League" Are Now Either Coed or Affiliated With Men's Colleges

The annual meeting of the Detroit Committee for Seven Eastern Colleges was held at the Bloomfield Hills home of Mrs. William Harris yesterday, where coffee served at 10 o'clock was followed by a business meeting focusing on the presentation of officers for 1971-72, a discussion of the College Information Program to be held next month and announcement of the deletion of the word "Women's" from the Committee title.

This Committee is actually a conglomerate of nine clubs in the metropolitan area, since both Smith and Wellesley have a Detroit and a Birmingham club.

For 1971-72 the clubs are being headed by presidents Mrs. John Gregory, Barnard; Mrs. Bruce Steinhauser, Bryn Mawr; Mrs. Elisio Vieira, Mount Holyoke; Mrs. Edgar Gordon, Radcliffe; Mrs. William Davenport, Smith-Birmingham; Mrs. George Wilson, Smith-Detroit; Mrs. Jerome Ahlbrand, Vassar; Mrs. Jacqueline Passino, Wellesley-Birmingham; and Mrs. Robert Everett, Wellesley-Detroit.

To form a Committee each year takes much energy and telephone time, lining up workers from among 1,200 alumnae scattered throughout the metropolitan area.

In the center of this intensive hunt has been outgoing general chairman Mrs. Robert Sukenik.

She has worked with the club presidents to present the following slate of officers and chairmen: General, Mrs. Leonard Grabow; project, Mrs. Donald McCormack; vice-chairman, Mrs. Kenneth

McCoy; corresponding secretary and calendar coordinator, Mrs. Charles Slough; recording secretary, Mrs. Sidney Kelly; treasurer, Mrs. Daniel Boone; College Information chairman, Mrs. Milton Hoffman; and publicity, Mrs. David Wenzler.

The group is already working hard for a successful College Information Program, to be held November 21 at 3 o'clock in Cranbrook Auditorium, Bloomfield Hills.

Purpose of the program is to provide prospective students with information about the seven colleges and to answer questions.

At the moment 85 Michigan undergraduates, including scholarship students, attend the Seven Eastern Colleges. Projects sponsored by the Committee and by the separate clubs raise scholarship money.

As a special attraction this year's program at Cranbrook will be jointly sponsored by the Seven Eastern "Men's" and "Women's" colleges. In other words, information will also be available about the following Ivy League schools: Brown, Columbia, Cornell, Dartmouth, Harvard, Prince-

## Mrs. Thomas J. Murphy

JANET ARLENE MERONY and Mr. Murphy, son of the John Murphys, of Detroit, were wed Saturday morning, September 25, in Saint Joan of Arc Church. The bride is the daughter of the Joseph Meronys, of Hollywood avenue.

ton, the University of Pennsylvania and Yale. All are very interested in attracting qualified Michigan students.

All interested high school students, parents and school counselors are invited to attend.

Though the Committee's seven campuses are all located in the East, they vary in size, setting and atmosphere. As a group they are referred to by nicknames such as "the Heavenly Seven," "the Seven Sisters" and "the Girl's Ivy League." But the latter nicknames no longer applies, for now all of the seven colleges are either coed or affiliated with men's colleges. This represents a radical break with tradition. For ex-

## Miss Merony Bride Of Thomas Murphy

Venice Lace Appliques Accent the Ivory Organza Gown She Selects for Rites; Her Bouquet is Fashioned of Orchids and Stephanotis

Setting for the Saturday, September 25, wedding of Janet Arlene Merony, daughter of Mr. and Mrs. Joseph Merony, of Hollywood avenue, and Thomas Joseph Murphy, son of Mr. and Mrs. John Murphy, of Campbell avenue, Detroit, was Saint Joan of Arc Church.

The Reverend Father Arthur Neffy officiated at the late morning rites. A reception at the Gabriel Richard Knights of Columbus Hall in East Warren avenue followed the ceremony.

The former Miss Merony chose an ivory silk organza gown, appliqued at her bodice, neck and cuffs with Venetian lace, for the 11:30 o'clock service.

She wore an elbow length illusion veil and carried an arrangement of white orchids and stephanotis.

Honor matron Mrs. Robert

Wietzel, of Fort Lauderdale, Fla., bridesmaids Mary Ellen Goodrow, Mary Murphy, the bridegroom's sister, Lynn Stanbridge and junior bridesmaid Kathy Merony, sister of the bride, wore floor length frocks fashioned with green chiffon skirts and orange-trimmed beige bodices. They carried yellow Fuji mums.

Jack Murphy was his brother's best man. Ushers were Ken Merony, the bride's brother, Marty O'Leary, the bridegroom's cousin, and Dennis Doyle.

The bridegroom's niece and nephew, Kathy Murphy and Kevin Brennan, were flower

girl and ring bearer. The bride's mother wore a mint green costume, the bridegroom's mother a burnt orange ensemble. Both selected white orchid corsages.

The newlyweds vacationed on Jamaica. They will make their home in East Detroit.

Celebrating their 80th wedding anniversary October 6 were MR. and MRS. AN- DREW McLACHLAN, of Muir road, Pointe residents for over 40 years.

## Plan Lebanese Dinner Oct. 13

The Missionary Board of Grosse Pointe Congregational Church has planned a Lebanese Dinner for Wednesday, October 13, at 8:30 o'clock. Donation is \$2.50.

Pierra Essa, vice-consul for Lebanon, will have slides to accompany a talk on his country. The meal will be prepared by women from St. George Orthodox Church.

PTA at Kerby Meets Monday

The first parent-teacher meeting of the 1971-72 school year will be held on Monday evening, October 11, in the gymnasium.

Following the general meeting, a social hour for parents and teachers will be held in the gymnasium.

Plan Programs For Maire PTA

Planning programs for the 1971-72 school year are new Maire PTA officers Larry Scoville, president; Mrs. Michael Marrs, vice president; Mrs. Linda Raymond, secretary and Conrad Ott, treasurer.

To Receive Rank Of Eagle Scouts

Four members of St. Paul's Boy Scout Troop 61 will receive the rank of Eagle Scout on Thursday, October 14, when the troop convenes its annual Court of Honor in St. Paul's School Cafeteria at 7:30 p.m.

Come live on an island.

John's Island. By the developers of Lost Tree Village. Built around a championship 18 by Pete Dye and Jack Nicklaus. Nestled between unspoiled Atlantic beaches and the warm shores of the Indian River.

Center Concert By Peter Nero

In line with Grosse Pointe War Memorial's policy to bring the very best to Grosse Pointe, "The Lighter Side of Life" series will present Peter Nero in Fries Auditorium the evening of Friday, October 15, at 9 p.m.

He is a musical category unto himself. He is "the Horowitz of the popular field."

Genealogical Research Workshop Is Scheduled

The Detroit Society for Genealogical Research, Inc., has scheduled a free workshop, open to the public, in place of its regular monthly meeting.

The critics in Rome say of Mr. Nero, "He is not simply a master of the piano, but truly a virtuoso. He has technical brilliance, blazing speed, and fingers that dance with the fire and rapidity of a machine gun."

In Amsterdam they say, "One could make a case that a popular song isn't really great unless Peter Nero gives it the treatment and it survives."

THE COVER Most folks could still live on a small income today if they didn't spend so much of their time trying to keep it a secret.

Men Gardeners Plan Banquet

The Men's Garden Club of Grosse Pointe will hold its annual banquet at 6:30 o'clock, Thursday, October 14, at the Gourmet House on Jefferson Avenue.

Featured speaker for the evening is Charles Helin, designer and inventor of fishing lures. He will show a film on his visit to Expo 70 in Japan.

CITY OF Grosse Pointe Woods HOLIDAY RUBBISH COLLECTION NOTICE
