man was identified by a mug shot as the man who cashed a check, one of several that had been reported to Park authorities as stolen at the Joseph's Mobil Service Station, 20700 Mack avenue on Friday, October 8. The owner of the station, Moses Joseph, told the detective that Roggeman purchased two dollars worth of gas, and presented a check for \$30, and was given change of \$28.

Joseph said that the accused man came into the station and presented the check, bearing the names and address of a St. Clair Shores couple and drawn on the St. Clair Shores National Bank.

The service station owner said that Roggeman claimed to be an employee of the Michigan Telephone company, and further claimed that he had done some painting for the St. Clair Shores couple and had been paid for his services by check. Joseph said that Roggeman submitted a Bell identification card bearing the name of Howard Hoffman. Joseph then told the officer that Roggeman recognized one of his station employees, calling him by his first name, and stated that the employee would vouch for him, that he had done business with this man at another station.

Joseph said that he gave Roggeman 50 cents worth of gas in a container, which the man presumably took to a stalled car. A few minutes later, Roggeman returned in the car, driven by another person.

After obtaining \$1.50 worth more of gas, Roggeman gave Joseph the check and received the cash balance.

The Woods detective said that he called the couple in St. Clair Shores, and the husband informed him that he had reported the theft of seven checks to Park police on October 8. He said they had been stolen from the front seat of his car, which was parked on Mack, between Somerset and Nottingham, and the bank was promptly notified of the missing checks. This was verified by banks officials.

On Tuesday, October 12, Hinz took the check cashed by Joseph, and another check which Roggeman attempted to cash at the station, to the Michigan State Police Post in Warren, where a special chemical was sprayed on them. On the check that was cashed, Det. Robert Cameron of the State Police Laboratory found a perfect left thumb print on the check, which was identified through records as belonging to Roggeman.

Following this, Hinz took several mug shots, including one of Roggeman, to the gas station, where the employee, John Landingham of Detroit, identified the accused man. Joseph also picked out Roggeman from the pictures shown.

Landingham said he recognized Roggeman as a customer who patronized another station where he had been employed before coming to work for Joseph, but had seen the man only once or twice.

The evidence of the thumb print and the identification through the mug shot were presented to Assistant Prosecutor Teranes, who recommended the felony warrant against Roggeman.

Hinz said the arrest on the Woods charge came about when Roggeman was arrested by Detroit police on the larceny charge, and when the man was searched, a hypodermic needle was found in his possession. He was charged with larceny from a store, and possession of the needle without a prescription.

Hinz said that on October 16, he and Plumb began a search for Roggeman, which was unsuccessful. Two days later they received a call from the Conner Station, asking for a verification of the warrant against the man. When informed that the warrant was valid, the Woods detectives were told that the man will be arraigned before McNally on October 20. Following the examination, Roggeman was placed under arrest, and the judge held a preliminary hearing immediately on the forgery charge.

Roggeman is scheduled for trial in Detroit Recorder's Court, on the Detroit charges on November 11.

Advise Kids About Leaves

(Continued from Page 1)
occurred in Hawthorne road, the unknowing motorist ran over the child's head; and in the second the driver went through a pile in Beaufait avenue, hitting a youngster, and dragging him approximately 400 feet before he was able to stop. The children, both boys, were hurt critically, but fortunately recovered.

Coats and Petrik said they earnestly plead with all parents to warn their children of the dangers they face by playing in leaf piles. Not only do the children face this traffic peril, but there might be broken glass, cans and rocks

beneath the leaves, which could cause injury to the youngsters, they added.
It was pointed out that Woods residents are permitted to pile leaves between the curb and sidewalk, not on the street, for pickup by a vacuum truck. However, it would be much better to bag the leaves. This would eliminate pile ups and thereby remove the temptation to play in them. Under no circumstances are residents allowed to burn leaves or any debris. This is a violation of a city ordinance.
The burning of leaves and debris is also prohibited by law in the Park, City, Farms and Shores.

Barry M. Spere, Bon Secours' administrator explained that hospitals are inspected on an annual basis by the Fire Marshal Division of the Department of State Police. He said, "As a result of the last inspection, Bon Secours Hospital received several recommendations to correct certain deficiencies with reference to stairways, types of doors, latching hardware and other minor deficiencies. Plans for changes and modifications have been reviewed with the State Fire Marshal and the deficiencies have been corrected or are in the process of being corrected."

"I feel the article last Saturday was very misleading in that it inferred poor patient care was being rendered as a result of these deficiencies. It is to this point that I would take exception. I feel that the care rendered to patients at Bon Secours is superior."

FLEC to Meet With Ministers

The Grosse Pointe Family Life Education Council (FLEC) has invited Pointe area ministers and a representative of each church's laity to an informal informational meeting at Center Point, 17150 Maumee avenue, on Friday, October 29, from 11:30 a.m. until 12:30 p.m.

Participants in the program include Sister Sean representing Center Point; Dr. Joseph Beals, representing the Free Medical Clinic; Mrs. Jane Stone, school social worker; Sister Rita Mae and Stan Stanczak, of Flec's Bon Secours' Methadone program.

A light lunch will be served. A tour of both the Center Point and the Free Medical Clinic is planned.

First vice-president, Mrs. Perry TeWalt and her assistant, Mrs. Charles Kinnaird, are organizing the program to provide church personnel and program participants with an opportunity to exchange ideas about cooperatively meeting community needs.

GIVE! TO RAISE THE RINK

the Grosse Pointe Community Ice Rink at Austin

\$500,000 by Nov. 15

Local officials are backing up their pledge of support for the proposed new public indoor ice-skating arena for all residents of Grosse Pointe, as evidenced by Mayor WILLIAM BUTLER of Grosse Pointe Farms, making his donation to fund co-chairman, JACK CUDLIP. The "EVERY RESI-

DENT" fund-raising campaign has a goal of \$500,000 and residents are being urged to support the drive by sending their contributions or pledges to: THE GROSSE POINTE COMMUNITY RINK FUND, Post Office Box 6814, Grosse Pointe, Michigan 48236.

Pointes Sharing Federal Funds

Thirty-nine Wayne County communities will share an additional \$1,414,300 in Federal public employment funds allocated to correct an error in the original distribution. The County Board of Commissioners, meeting October 21, voted to pass on the entire amount to the cities and townships, as it had with two earlier grants which totaled \$1,496,200.

When the latest grant was announced, it was acknowledged that the money was intended to make up for the fact that the U.S. Department of Labor had estimated the Wayne County jobless rate outside Detroit at nearly two percent less than it was.

The first grant of \$797,700 was based on an "assumed" jobless rate of 4.3 percent for May, 1971. In addition, \$698,500 was allocated for 15 localities which had over six percent of their residents unemployed as of May.

Under strong pressure from the county commissioners and local officials and Wayne County congressmen, labor department officials promised an increase if higher unemployment could be proved.

A laborious card-by-card count of the jobless roles of the Michigan Employment Security Commission offices in Wayne County established 6.2 percent unemployment for the area involved.

The funds, now totaling \$2,910,500, will be used to add unemployed residents to the payrolls of the cities and townships which decide to take part in the program. Based on an average cost of \$10,000 per job, the funds would provide 290 jobs.

All the cities, townships and villages in Wayne County are eligible except for five cities of over 75,000 population which received direct grants. The five are Detroit, Dearborn, Dearborn Heights, Livonia and Westland.

Under the latest allocation, each community will receive \$73.66 per unemployed resident. The amounts for which they are eligible range from a low of \$2,136.18 for Grosse Pointe Township, with 29 jobless residents to a high of \$141,798.31 for the City of Taylor which had 1,925 unemployed in May.

"We are gratified that we were able to convince the labor department to rectify its error," commented Robert E. FitzPatrick, chairman of the Board of Commissioners. "But, frankly, we are not entirely happy with the amount. Based on grants to other areas, we feel Wayne County should have gotten a total of \$4 1/2 to \$5 million."

Grosse Pointe Farms, with 100 unemployed, is slated to receive \$7,366.15.

The City of Grosse Pointe, with 66 unemployed, will get \$4,861.66.

Grosse Pointe Park, having 275 unemployed, will receive \$20,256.90.

Grosse Pointe Woods, listed as having 400 unemployed, is due to get \$29,464.58.

The business of city government continues despite re-election campaigns. Hard at work during a September Council meeting are Mayor Patterson and Councilmen Hutton and Luedders.

Matthew C. Patterson, Mayor, Grosse Pointe Park, Says:

"I have no hesitation in urging your support for our two incumbent councilmen in next week's election. Both Councilman Luedders and Councilman Hutton have served Grosse Pointe Park with distinction during the years when we have provided for our residents the highest standards of municipal service, public works and police and fire protection. Our city tax rates are still among the lowest in the Grosse Pointe communities—you can be confident that our incumbent team will do everything possible to keep them on this basis. Both of these men have earned your continuing support."

Trio Suspected of Armed Robbery Nabbed in Park

A Farms police officer, with the aid of other Farms policemen and several from the City and Park, arrested three suspects shortly after midnight on Monday, October 25, sought for questioning by Detroit authorities about an armed robbery.

Arrested and released to Detroit police for investigation and questioning were Stanley Cornett, 23, of 2594 Marborough; James R. Naylor, 18, of the same address, and a 16-year-old boy, all of Detroit. A pellet gun, which resembled a .45 caliber automatic, was found in the trio's car and confiscated and given to the Detroit officers who picked up the three from the Farms station.

A Detroit police call was monitored over the police stations throughout the area, and relayed to alert all scout car crews in the Pointe and other communities, giving a description of the car, license number and that the vehicle was occupied by three white males. The report in the Farms day log did not give the location of the robbery.

Farms Patrolman Johannes Winter, at 12:25 a.m., while patrolling north on Fisher road, received the alert over his radio, and as he approached Kercheval avenue, observed a gold-colored Chevrolet traveling west on the avenue, which answered the description of the wanted car. This vehicle had three occupants.

Winter followed the suspects, and a check of the license number he had written down, identified the wanted auto, and the policeman called for assistance, and to alert other stations in the area.

Farms Sgt. Marvin Krebs, and Patrolmen Philip Miglio and Gordo Evans, City Patrolmen Edward Miller and Ronald Pryor, and Park Sgt. Walter Paton and Patrolmen Ralph Moore and Edward Serwach, responded to the alert.

The Park officers placed their scout cars across Kercheval, at Devonshire, blocking the avenue, which forced the followed car to come to a stop. All the policemen surrounded the suspects' auto, service revolvers drawn, since it was radioed that the trio was armed, and the three were ordered out of their vehicle.

Cornett, Naylor and the 16-year-old were placed under arrest and searched, but they had no weapons on their persons.

Paton searched the car, and under the front seat of the passenger's side, he found a .177 repeater pellet hand gun, which resembled a .45 caliber automatic.

The three suspects were conveyed to the Farms station by the Farms officers, and Detroit's Jefferson Station, Fifth Precinct was notified of the apprehension, and officers of the precinct were dispatched

to the Farms to take custody of the suspects and the confiscated weapon. It was disclosed that the vic-

tim of the holdup surrendered 18 cents to the persons who robbed him, which was all the money he had on his person.

Every one of those dots represents a National Bank of Detroit office. And every one of those NBD offices lets you deal with Michigan's biggest Bank on a personal basis. You do your banking with people who know you and your community. Without ever having to leave your community. You see, having all those offices hasn't in any way diluted NBD's services. Each office is a full-fledged bank—capable of meeting all your banking needs. And should any special situation arise, the senior

management of our main office is only a phone call away. So even though we're Michigan's biggest bank, we're not all that impersonal. We're as friendly as any bank down the street. Because we probably are the bank down the street. That's the advantage of having more dots than any other bank in town. And that's why the bank to see is NBD. National Bank of Detroit.

Four More Eagles At St. Paul

Four members of St. Paul Scout Troop 61 were awarded the rank of Eagle Scout in impressive ceremonies that featured a candlelight service in the school cafeteria on Thursday evening, October 14. The four receiving the Eagle Scout recognition shown here with Scout Master TED GRANGER are (from left to right) BILL KREIG, MR. GRANGER, JOHN TEMROWSKI, JOHN MAC FARLANE and PETER COLLINSON. The new Eagle

Scouts also gave Mr. Granger a special medal of appreciation. Under his direction the troop now has 10 percent of its members who have attained the rank of Eagle Scout, the highest award possible in scouting. Nationally the average number per troop holding this rank is just one percent. The Honorable John L. King, mayor of the City of Grosse Pointe was the featured speaker for the evening.

Service Station Robbed in City

While on routine patrol on Tuesday, October 26, City patrolman Edward Miller and Corporal Richard Clarke discovered a breaking and entry had occurred at Beaupre's Service Station, 18184 Mack avenue. The officers found that someone had broken into the south rear window of the building and exited through the overhead door on the west side of the building. Owner Marvin Beaupre was notified immediately. Preliminary inventory revealed that 10, 13-inch tires had been taken. Officers found broken glass, a wrench and grease gun still on the window sill. The items were taken to the City station to be checked for fingerprints.

INTERESTING FACTS

Did you know that the man who invented cross-word puzzles originally called them "word-cross" puzzles, but a printing error made it come out "cross-word" instead of "word-cross" and since it appeared that way in the newspaper the first day, it was decided to let it stand in that form.

Thus, one of our most famous expressions exists by accident. The creator was Arthur Wynn. His first puzzle appeared in the New York World on Dec. 21, 1913.

Young Thieves Caught in Act

Three juveniles were seen by Farms police Friday night, October 22, in the act of trying to steal a four-cycle engine, chained to a pole at Mack and Moran. The engine was with other equipment belonging to the Michigan Bell Telephone company.

The juveniles, two 15-year-olds and one 14-year-old, all boys, were observed by Cpl. Otto Glanert and Patrolman Clarence Reichling. The younger lad acted as a lookout, the officers stated in their report.

The policemen stated that as they approached, they clearly heard the 14-year-old shout to his companions, "Here come the cops," and the two older lads fled, but the younger lad was not so fortunate. He was apprehended before he had gotten too far. The two who had escaped were later brought to the station by their parents, when the captured juvenile made known the names of his companions.

Glanert and Reichling said they saw one 15-year-old trying to loosen the engine from

its chain, with tools that he had brought from his home. The young would-be thief's friends, in the presence of their parents, confessed that they had full knowledge of the intended theft and had gone along with the one who wanted the engine.

The boy who tried to take the engine, told the officers, also in the presence of his parents, that he had seen the telephone company's equipment at the southwest corner of Mack, at Moran, and noticed the engine, as he was going to and from school.

He decided that he wanted the four-cycle, easy-spinner for his mini-bicycle. He had told his father that he needed an engine for the frame of his bike, and that he was going to see a friend who had one for sale for \$25. He then took a number of tools from the house, without his parents' knowledge, and with his two friends, went to the scene and was in the process of removing the engine when the policemen arrived.

School children. Shoppers. People who like riding places but don't like paying parking costs, ride Lake Shore buses daily. They'll continue to do so. Because the people in St. Clair Shores and Grosse Pointe communities came up with money to match a federal grant so SEMTA could buy Lake Shore. SEMTA is a public agency. And as such will keep Lake Shore rolling. SEMTA has already

added buses for better service. Schedules have been printed to make trips predictable. Right now the fleet is being shaped up mechanically, buses are being painted and interiors are being renewed. All told, Lake Shore is in better condition now than it has been in years. And in business to stay. Ride a Lake Shore Bus. Tomorrow.

4 1/2% interest daily

The results are there in dollars and cents. Two savings accounts paying 4 1/2% interest, with identical deposits and withdrawals. Yet Michigan Bank paid \$34.56 in interest for the three-month period, while XYZ Bank paid only \$5.63. The difference? Daily interest. It means a Michigan Bank regular pass-book savings account never penalizes you for withdrawing before the end of the quarter. You earn interest day in and day out. And Michigan Bank is the only large Detroit area bank that pays 4 1/2% daily interest—the highest book interest allowed by Federal Regulations. So why settle for a smaller return on your savings? Why be tied down by a quarterly interest account when you can get 4 1/2% daily interest? And, since most Detroit banks only pay 4% interest, you would be losing money there, too. Be a winner. Human Relations Council Formulates Busing Policy

The Grosse Pointe Human Relations Council's newly formed Equal Education Committee has formulated a policy statement on the busing issue which it has released to the NEWS.

Its members said: "So far, Judge Roth has decided only that the Detroit School District is unconstitutionally segregated. He has not yet decided how this problem is to be remedied, and has directed the Detroit and State Boards of Education to advise him. Plainly, everyone has a right to form and express an opinion on this vital question. Just as plainly, however, everyone has an obligation to consider all alternative means of remedying the problem before adopting and pressing a position. The opportunity to develop useful and constructive proposals is clear and present. Examination of the problem without prejudice requires a special kind of integrity."

"The GPHRC agrees that the Detroit School District is unconstitutionally segregated. We expect that the State Board of Education will exercise its responsibility for developing a plan to provide integrated education for Detroit school children.

"We intend that all alterna-

tive ways to achieve this result are explored. We recognize that busing is one such alternative, but that it and all other alternatives must be considered in determining which is best.

"We hold that our Council, and others studying the same problem, should take a position only after considering all alternatives.

"These points illustrate our broad aim of insuring that the community can indeed accommodate itself to enlightened change with respect to human relations. The present resources of the council, according to president, Robert Roney, will be dedicated to these ends."

"Those persons who would like to help pursue vigorous and logical search for effective solutions to problems in this area are welcome to join in the effort," said Mr. Roney. Mr. Roney added that the Equal Education Committee, under the direction of John Countroulis, will implement the council's policy. The new committee will have subcommittees responsible for policy, legal information, education and liaison with other groups.

For further information, contact Mr. Countroulis at 885-2767.

Drinking Driver Caught in Chase

Thomas R. Crowe, 29, of 21244 Bon Heur, St. Clair Shores, was arrested by a Woods policeman on Tuesday, October 19, and charged with driving while under the influence of liquor. Crowe was stopped and taken into custody following a high speed chase, a report disclosed.

The arresting officer, Patrolman William Desilets, said that he was patrolling Mack avenue at about 1:33 a.m., when he observed Crowe traveling north on Mack, from Lennon, at a high rate of speed and gave chase.

Desilets said that he tried to pace the motorist, but at Vernier road, Crowe increased his speed, but from Anita to Maple lane in St. Clair Shores, where he was finally stopped, the officer said he clocked Crowe at 80 miles an hour.

When Crowe came to a stop, the officer said, the car came to rest on the lawn between the curb and sidewalk. The man was asked for his operator's license and car registration and ordered out of the vehicle.

The man appeared to have a hard time getting out of the car, the policeman said, and staggered when he walked to the rear of his auto. There was a strong odor of alcohol on the driver's breath, and he spoke incoherently, the officer added.

Crowe was placed under arrest and taken to the Woods station where he was given a violation ticket for driving while under the influence of liquor. He failed two breathalyzer tests.

The accused motorist was released after posting bond of \$100, pending a court appearance on November 10.

Public Schools in Focus
 By Dr. Theos I. Anderson, Superintendent of Public Schools

Many issues which each week demand our attention should provide food for thought by citizens interested in the future of public education in Grosse Pointe — and in Michigan. These issues range from the headline-making, dramatic kind that seem to forecast sweeping changes in schools — to the equally important, but less dramatic activities happening in our buildings — research designed to improve the instructional program of the schools.

Among the dramatic issues are the property tax suit, the prospect of forced busing, and the schools' financial outlook. There is nothing new since last week when the school district decided it will protest vigorously the suit brought by the Governor and the Attorney General to eliminate the local property tax base in financing education. The matter is in the hands of our attorneys — and attorneys of the other parties.

The busing issue remains as it has been: Grosse Pointe has not been directly involved. Another legal matter, the ramifications of the recent ruling by Judge Roth are being studied by attorneys for all the metropolitan area school districts, as well as by administrators and trustees.

The school district's precarious financial condition may sustain a further blow

Speeding Teen Cyclist Nabbed

A 14-year-old Harper Woods boy, riding his father's motorcycle without his parent's permission, and who acknowledged a Woods police officer's signal to stop with a nod of his head, stepped up speed in an attempt to avoid arrest. He was taken into custody in Harper Woods following a chase that ended in St. Clair Shores.

The juvenile jumped off the two-wheeler at Chalon and Harper avenue and fled the area. He was taken into custody by Woods Patrolman John Albrecht, who had called for assistance while pursuing the youngster at high speed through residential streets.

According to Albrecht's report, the young teenager was observed traveling north on Mack avenue on the motorcycle without red lens over the rear light. The officer stated that he pulled alongside with his flasher on, and signaled the lad to pull over to the curb. The boy nodded, then suddenly made a fast turn west onto Beaufait and stepped up speed.

With siren and flasher on, Albrecht gave chase, during which the young man, still going west on Beaufait, ignored stop signs at Jackson, Helen and Canton, going through at very high speed. The officer radioed for assistance, and a Harper Woods police car, also took up pursuit, when the cyclist turned right onto Harper and passed Vernier road.

The speeder turned abruptly onto Eight mile road, going east, then north on Harper-Hampton, then north on Harper, then made a fast turn onto Chalon and onto a driveway at number 21630, leaving the cycle at the rear of the place.

The boy then fled the area on foot, with Albrecht and the Harper Woods police officer in pursuit, also on foot. The lad ran through several back yards in his attempt to escape. While the Harper Woods policeman continued the foot chase, Albrecht returned to the motorcycle to check the license plates and called his station.

A return reply revealed that the cycle was registered to the boy's father, who, when called, was not aware that his son had taken the machine.

The boy was walking on foot in front of 20889 Hollywood, Harper Woods, when he was seen by Treppa, who placed him under arrest. With the aid of Woods Cpl. Robert Setchell, the teenager was taken to the Woods station, where he denied he was involved. He claimed that the two-wheeler had been stolen and that he was not the person who was riding it, but when confronted

for Michigan operator's license never acquired. He was released to his parent pending a hearing in Juvenile Court.

The Harper Woods officer who assisted in the chase, brought a green T-shirt to the Woods station, which he had found near a rear fence at 20881 Hampton. It was noted that the lad had discarded the shirt at that location in an effort to thwart a description appearance broadcast over the police radio. The boy admitted the garment was his.

Friendly, Badly Needs a Friend

By Pepper Whitelaw

The Chuck MacKinnon love animals. So it was perfectly natural for daughter, Pam, 11, to run home to tell mom about the cat she found near Elworth Field that had a big nail sticking out of its back and asked mom for help.

Mom and Pam decided to call the Farms Police and tell them of the cat's plight. The police collected the cat and brought it to the MacKinnons Muir road home.

The black and gray short-haired wanderer is friendly with sparkling green eyes. (No one knows for sure whether it's male or female in the MacKinnon household, they've been too busy trying to locate the owner to notice).

Now the MacKinnons have a puddle and a Norwegian Elk hound, neither of whom wanted to share their "family" with "Friendly." So Mrs. MacKinnon decided to take "Friendly" to a veterinarian. When the vet saw the cat he explained that it had recently undergone surgery and the "nail" was in fact a pin put there when "Friendly" had its right rear leg operated on. He added that the pin must ultimately be removed. Mrs. MacKinnon left "Friendly" to board with the vet and went back home.

Then the MacKinnon detective agency went to work. They called other veterinarians to see if any of them had performed such surgery on an animal of "Friendly's" description... none had.

They checked with the local schools to see if any students had reported a lost cat... no one had. Finally, Pam fashioned a "Found-Short Haired Cat" sign which the MacKinnons toted to stores On-the-Hill and in-the-Village to post in their windows... still no one has claimed "Friendly."

Now time is getting short. The animal hospital needs the cage "Friendly" is in for the sick animals. Mrs. MacKinnon can't bring "Friendly" home because of her dogs. So "Friendly" will have to be given to the Humane Society AND in the meantime someone out there is agonizing over his cat's disappearance. If that someone is you, contact Mrs. MacKinnon immediately at 884-2996.

Apaches Beaten By Red Barons

The three Red Baron football teams broke free of an encirclement by the Roseville Apaches and swept to victory last Sunday at GPUS field. The Varsity pounded out a 48-13 win, the Junior Varsity a 8-0 victory and the Freshmen escaped a scalp with a 7-0 win.

Lou Moran, Dick Langeson, Bobby Neville, Nick Cunneman and Dick Seagram scored touchdowns for the Varsity team.

Junior Varsity tackle Scott Engle burst through to smash down an Apache halfback for a safety. Steve Arthur dashed 50 yards on a punt return for Baron tallies.

A highlight of the Freshmen game was a 30-yard pass by Jeff Woodbury to end Rick Zenn for a touchdown. End Vince Meli hauled in the extra point.

Next Sunday, October 31, the Roseville Mohawk tribe will be on the warpath to scalp the Red Barons at 1 o'clock, at GPUS Field.

Alumni of Cottage Hospital Contact Their Alma Mater

By Lynda Krynski

Cottage Hospital alumni are turning up in full force from all over the country for the hospital's 30,000th baby celebration announced in August. The hospital has asked for information about babies born there, since its opening in 1919. They will use recent photographs of the alumni to dress the walls of the new two story wing.

Letters and photographs have flooded the hospital from proud parents, grandparents, foster parents and the "babies" themselves. One such grown-up baby now in California, said "thanks" to the administration for giving her a chance "to talk about myself".

Mr. and Mrs. Jamie V. Carreiro, of Mt. Clemens, are so proud of their son, Joey's, Cottage heritage that they wrote a play about his birth entitled "I Wish Your Father Were Here - Having You or Where is that No Good...?"

Presented by WOW, (that's "Mom" turned up), "Production" the new play, (one performance only), was presented at the Cottage (Playhouse) Hospital on February 7, 1967 at 3:45 a.m.

The Producer-Actor-Director was played by "My Daddy," the Assistant Producer-Actor-Director was "My Mommy" and it was adapted for staging from an original behind-the-scenes play and movie entitled, "I'm Arriving."

The play was staged by Frank Pugliesi M.D. with settings by the Associates of Cottage (Playhouse) Hospital.

Special Make-Up created by Daddy for Mommy was "Bloat, Pop Eyes, Swollen Legs, and Protruding Stomach." Costumes were... Ha! Ha!

The Labor Techniques were created by "Me" and the Technical Extractor Dialogue (for the man in the pretty green smock with matching hat and mask) was "You can do it," "Make like your going to...," "Wake her up!"

The Cartoon Sequence, Animation and Lyrics Created by Daddy: "Is that one Mine? On. The Next crib! Hi-oo! Ba Ba Ba - Look over here, here I am. Are you sure that one's mine?"

Production and Costs: Not covered by Blue Cross, nine month guarantee (finished two weeks under schedule) and Marinated Herring - four cases.

The cast, in order of their appearance was: My Mommy played by Female - a Parent; My Daddy played by Male Man; "What Seems To Be the Problem?" played by Admitting Nurse; Wheel Chair played by Recycle Nurse; Assuring Mommy played by Nanny Nurse; Reassuring Daddy played by An Indifferent Nurse.

Also in the cast were: "It Won't Be Long Now" played by A Practical Nurse; "Does Doctor Know She's Here?" played by A Whore's Nurse; "Her Water Broke" played by A Panicky Nurse; "Doctor Has Arrived" played by A Relief Nurse; "Clean Up," played by A Scrub Nurse; and "All Done?" played by A Stretcher Pusher.

Of course, the star of the show was played by "Me" (playing Myself): Joseph Jaime Tavara Valerio Elmer Aguilar Carreiro but, you can call me Joey-Jaime.

The authors included a "Caution" at the end of the play: "Professionals and amateurs are hereby warned that being fully protected under the reproduction desire of this great society, and including "Hamtramck" of copyright union, is subject to royalty. "All rights, including professional, amateur, temperature taking, shots, lectures, secondhand advice or by ac-

cident strictly reserved by copyright or desire.

"Particular emphasis is laid on the question of rehearsals; permission for this pleasure must be secured - anyway you can!"

"The amateur acting rights of this exciting play are controlled exclusively by a marriage stuffed with love, fused with respect and fringed with accents of unselfishness."

Although not all the alumni wrote plays about themselves, many did try to claim the "first twins" title. Some contestants date back to 1928.

One 13 year-old alumna wrote to inform the hospital that her doctor named her "Sputnik" because she kept him from seeing the Russian space shots and Sputnik happened to be flying overhead at that time: 5:37 a.m.

Another St. Clair Shores mother wrote in about her twin daughters, apparent geniuses. Born in 1967, one is now working as a secretary and the other has her B.A. and M.A. from Michigan State University. Some twins!

A Ferndale mother of five wrote to say she hopes and prays that her family is complete - however, if not, she wouldn't go anywhere else.

Finally, another mother sent her children's pictures to Cottage and said she was going to take the opportunity to complain about emergency service charges and outrageous hospital rates. She did so for three full pages.

YOUTH SENTENCED

Thomas R. Sobieski, 17, of 19713 Anita, appeared before City Municipal Judges Douglas Paterson presiding in Woods court on Wednesday, October 20, and entered a plea of guilty to fleeing traffic arrest. He was ordered to pay a fine of \$150, and placed on probation for six months. He surrendered his operator's license and car plates to the court, which will not be returned until his term of probation expires.

Optimists Hold Annual Show

The Grosse Pointe Optimist Club will present their 24th annual show, an original musical comedy, on Friday, November 5 and Saturday, November 6 at Parcels Middle School auditorium, Verdier road and Mack avenue. Curtain time is 8:15 o'clock for both performances.

"Here I am, Uncle Sam" features flag-waving and foreign intrigue and involves more than 50 people. It will be produced and directed by Prudence Butterfield. The story is written by the associate producer George Rogers. The plot concerns an attempt by a fictitious show producer to revitalize patriotism in America by means of a rousing flag-waving musical comedy. The show to his delight receives preliminary rave notices and is heading for a "Broadway" opening at the time the action begins. What happens when certain subversive elements kidnap the entire cast and imprison them aboard an ocean liner to keep them from making their scheduled Broadway appearance, becomes the basis for many fine musical numbers and comedy situations.

Among the outstanding vocalists who are donating their time and talents to this worthy cause are: Doreen Muirhead, Ray Muirhead, Kathy Consentino, Norm Gugel, Mary Greening, Nancy Melnik, Bill Densau and Lila Wyrock. The choreographers are Pat Vigna and Linda Starkey.

St. Clair Shores beauty queen, 17-year-old Gwen Humble, will display the singing and dancing talents that enabled her to win the titles of Miss Michigan-World and 1st Runner-Up in the Miss World-U.S.A. This is Miss Humble's fourth year in the Optimist show. She will be featured in "I Enjoy Being a Girl."

One of the trademarks of the Optimist shows is an abundance of fun and comedy. You will again enjoy the talents of "Maggie" Sautter, Marvin Robertson, Dale Hansen, a 350-pound former Detroit Lion, Johnny Christian, present Optimist president, Millie Head, "Pinky" Weather-up, and a talented newcomer to the field of comedy, Linda Clark. Ruby Hobbs, a Grosse Pointe Opti-Mrs. will again be featured.

This is the only major fund raising project of the Optimist Club. Last year's proceeds were used to help the Foundation for Exceptional Children, a Grosse Pointe foundation, provided scholarships to Grosse Pointe North and Grosse Pointe South, and campships to the Michigan League for Crippled Children and the community's needy.

Tickets may be purchased from any member of the club or cast and at the box office at Parcels. Adult donation is \$1.50 and children \$1. Ernie Hobbs is Show Chairman.

Circus Coming November 2-7

Boasting the most elaborate, exciting and super-spectacular acts, artists and attractions ever assembled, the stupendous 100th Anniversary Edition of Ringling Bros. and Barnum & Bailey Circus will arrive in Detroit on Tuesday, November 2, for performances at Detroit's Cobo Arena through Sunday, November 7.

The star-spangled observance of its monumental 100th year is studded with an exceptionally large and talented array of accomplished acts and artists. In addition, The Greatest Show on Earth presents its 100th Birthday production, a prodigious pageant of professional pageantry which traces the long and glorious life of this unique and beloved American institution.

Featured in this year's all-new Centennial Edition are 25 international circus superstars making their American debuts, along with a host of all-time favorites in the most eye-filling three rings on earth.

From England's most famous Circus family, the Greatest Show on Earth this year presents the dynamic and daring wild animal trainer, young and handsome Richard Chipperfield, Jr. Making his American debut, Chipperfield presents two fantastic performances: first he puts a cageful of snarling lions through their paces and later, returns with a rare and treacherous mixed group of panthers and leopards.

And the Circus presents more wild animals! Returning by popular demand is the internationally acclaimed Charly Baumann, controlling the world's largest group of performing Royal Bengal Tigers.

Among the host of dazzling international ring royals making their American debuts: the Petrovs, Bernean and Gabriele, the three most incredible perch-balance acts in history; the unbelievable and dangerous hand-vaulting of Bulgaria's Netchkaroff; the delightfully different Willie Lenz Chimps from the Netherlands; Europe's sensational 3 Breyer and their dare-devilry on lofty ropes; the matchless iron-jaw maneuvers of the Csobo; the terrific new teams of teeterboard terrors, the Mosianu, Foray and Bydzyn Troupes; the horseback acrobatic achievements of the Equous and Putaj families; the super-sensational balancing of the Alexandrov and Oblocki Troupes.

High above the three magical Circus rings, Guzman and Monique perform hazardous feats on a mid-air motorcycle and the world-famous high wire team of Mendez and Seitz, making their Ringling Bros. and Barnum & Bailey debut, perform hair-raising feats of daring.

Australia's matchless masters of the trapeze, The Flying Waynes, contribute their world-famous leaps and catches to the super-spectacular Centennial Circus.

Also highlighted is the electrifying Elvin Bale who presents his own heart-stopping

One View From The Capitol

Representative William R. Bryant, Jr.

The legislature is now back in session after a five-week recess. This was supposedly to provide some breathing and vacation space since the legislative session ran all through the summer starting from January. However, Judge Roth and the Milliken-Kelley property tax suit have assured that I kept busy and I still haven't found a week to take even a small vacation.

So you bought yourself a full time legislator and, though the gravity of the issues facing us all has become awesome, I must admit to you I am pleased to have the task of representing you and pleased with the support you have been generous enough to give me.

These past weeks have been filled with work on the two law suits and talking with attorneys and formal and informal groups of residents rightly concerned over the issues involved.

The crucial question of whether, under the coming "equalization of educational opportunity" excellence will be allowed above and beyond some state-determined norm, was made graphic and the need for excellence touchingly illustrated to me last Friday as I was preparing to write this article.

Returning to my office by car I stopped on McMillan behind a school minibus which was picking up children from Richard at 3 in the afternoon. It was raining as the small children happily piled on the minibus. Their pretty, young teacher stood in the rain un-

Born in Unionville, Michigan in 1905, Mr. Sellers graduated from Caro (Mich.) High School in 1923. He attended the University of Michigan from 1925-26, and the American Institute of Banking from 1927-30. He attended the University of Detroit from 1930-35, majoring in accounting.

Must Pay SS For Domestic

Many Pointe residents may not be aware of the fact that they are employers and as such must withhold and pay Social Security taxes for their employees.

George Franzen, District Manager of the Social Security Office located at 14740 Mack, said that, "when a homemaker hires a household worker who will earn more than \$50 in a three-month quarter, Social Security taxes must be reported for that worker." The three-month quarters run from January through March, April through June, July through September, and October through December. Franzen described household workers as maids, cooks, cleaning women, gardeners, handymen, babysitters, and any worker who performs household work in and about a private home.

Currently, the employer must withhold 5.2 percent of the wages paid to the household worker. The employer pays a matching contribution of 5.2 percent. If the employer chooses, he may pay the full 10.4 percent contribution himself.

By paying these taxes, the household worker gains Social Security protection for herself and family. The benefits payable under the Social Security program include retirement and medicare benefits, as well as disability and survivors benefits.

Franzen emphasized that it is the homemaker's responsibility to withhold and report the Social Security contributions to the Internal Revenue Service. If this is not done the homemaker must be contacted in many instances when the household worker files an application for benefits and it is discovered that no wages were reported for periods of time that she says she has worked. Wages must then be reconstructed. The homemaker then becomes responsible for all the back taxes plus interest and possible penalties that may be imposed by the Internal Revenue Service.

An employer of household workers who wants more information about his responsibility for reporting Social Security contributions may get this information about his responsibility for reporting Social Security contributions by writing to or calling the Social Security Office and asking for the leaflet, "Social Security and Your Household Employee." The office address is 14740 Mack, Detroit, Michigan 48215.

Burglar Uses Ladder on Job

A burglar used a step ladder to enter the home of Edwin C. Galant, 123 Grosse Pointe boulevard, sometime between 3:30 p.m. and 8:20 p.m., on Tuesday, October 19, according to information released by Farms police.
The intruder took advantage of a window, which was left open about four inches, in the breezeway, located between the house and attached garage.
Police said that the burglar went through the house in a very neat manner, leaving practically everything in its place.
Galant said that the thief took about \$28 in assorted silver coins from one bedroom on the second floor, and from another bedroom he took a portable television set, valued at \$90. Nothing else seemed to be missing.
Police said that evidence indicated that the robber left the house by unbolting the rear door.

Buy low. Sell high.
The day you sell your car could very well be Black Tuesday.
Which is why we'd like to let you in on a good thing.
A common Volkswagen Beetle:
According to the Official Used Car Directory,* a 1969 Beetle that sold new for only around \$2000 still sells used for around \$1550 in 1971.
Our tip really isn't much of a revelation. Seasoned traders have known that since a Beetle requires very little upkeep, you don't have to make big investments in oil and gas issues.
And every Beetle is sealed underneath so the bottom won't suddenly fall out of your market.
And what other 3-year-old car can be sold honestly with the words: "It looks just like new."
When we introduced the Beetle in 1949, a lot of car makers did us short.
Now they're trying to make their own.
We'd guess after 23 years and 18 million Volkswagens, somebody out there has spotted a trend.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

We took a look last week at some of the beautiful items you'll be seeing next week at the Grosse Pointe Memorial Church Fair, and fell in love with a pale green velvet party dress for a very little lady . . . an old-gold evening purse with a shadowbox lid . . . a minute dried flower Victorian garden, "Nature's Treasures" planted in a teacup . . .

Among other things. The trouble is: There's so much here to fall in love WITH.

The Women's Association of Grosse Pointe Memorial Church has chosen "The Star of Hope" as this year's Fair theme. The Fair is next Thursday, November 4, from 10 until 5 o'clock at the Church in Lakeshore road. All Fair items are handmade, so many are one-of-a-kind.

Medical Missions to India, America, Ethiopia, Korea, Columbia and other countries benefit from this project, as does the Protestant Chaplaincy at Detroit General Hospital. Scholarships to Alma College and assistance to foreign students at the University of Michigan.

This work, a play of dialogues between Death and people from all walks of life interspersed with short aphorisms sung by the Chancel Choir, will comprise of first half of the worship service.

The play will be followed by a sermon, "Tearing Up Roots," by The Reverend Richard Mitchell, comparing 15th century mysticism with 20th century concepts of death.

Playing the role of Death will be John Mason, of the Grosse Pointe South High School English Department. He is also director of the production.

Cast members include John Mazer, Don Leschier, Gordon Maitland, Jr., Dr. John Controulis, Leonard Hopkins, Fred Boyce, Thomas Candier, Stan Kenn, C. Thompson Wells, Jr., Dr. Charles Brake, Maryanne Klein and Lee Wells.

century North German play, took place at Memorial Church on October 29, 1967. Through the centuries this morality play by the mystic Angelus Silesius has been revised and edited many times. In 1934 the young organist-composer Hugo Distler (1908-1942) was inspired by the stained-glass windows of the Marien-Kirche in Lubeck, where the "Totentanz" scenes are depicted, to write musical settings for the chorales of Angelus Silesius.

Johannes Klocking, a friend of Distler, wrote the dialogues.

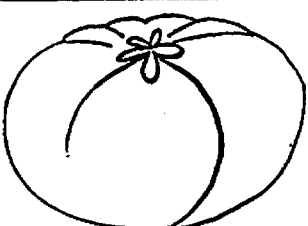

While on sabbatical in Europe in 1964 Professor and Mrs. Johns learned of this unique work and brought back with them the recording and score.

With the assistance of Mrs. Brigitte Rauer, head of Foreign Languages at Grosse Pointe North High, the Johns were able to make the first English edition.

In 1970 this edition was published and the work is being performed in churches and universities in all parts of the country.

We have red things too. In bottles. That we mix with other red things in other bottles. That we add little golden things to. And maybe mix with some coppery stuff. And then we can brush it all into your hair and put you under a little baking machine and then when you're all washed and set and combed out, you're what every girl should be at least once in her life. Miss Barnes Says Vows In St. Paul's

Newlywed Michael Joseph Kirchners, vacationing in Spain, Will Return to Pointe to Make Their Home

A reception at the Grosse Pointe Yacht Club followed the wedding of Christine Mary Barnes and Michael Joseph Kirchner Friday evening, October 22, in Saint Paul's-on-the-Lakeshore. Archbishop James P. Davis came from Albuquerque, N.M., to preside at the ceremony.

The bride is the daughter of Mr. and Mrs. James J. Barnes, of Lakeshore road. The bridegroom is the son of Mr. and Mrs. Arthur Kirchner, of Oxford road.

The newlyweds are vacationing in Spain. They will make their home in Grosse Pointe.

For her marriage the former Miss Barnes selected an Empire gown fashioned of candlelight pearly silk, its bodice inset with illusion embroidered with seed pearls and crystals. Appliques of re-embroidered Duchesse lace accented her skirt, sleeves and circular train.

A band of cutout floral lace motifs embroidered with seed pearls held her Cathedral length illusion veil and she carried a loose round bouquet of white Sweetheart roses and ivy.

She was attended by her sister, Mrs. David Manning, as matron of honor and bridesmaids Mary Ann Kirchner,

the bridegroom's sister, Linda Kotcher, Mrs. Robert Smart, Peggy Tamblin and Mrs. Randy Waterman, of Connecticut.

The necks and waists of their emerald green dresses were circled with white satin. Their bouquets featured yellow daisy mums, white miniature Fuji mums and ivy and they wore matching flowers in their hair.

Flower girls were Shannon Manning, the bride's niece, and Karen Kirchner, the bridegroom's sister.

Arthur Kirchner, III, served as his brother's best man. Ushering were James J. Barnes, Jr., the bride's brother, Frederick Jackson, Kenneth Kirchner, Howard J. Keating, III, and Thomas Vigliotti.

The mother of the bride wore a long, slender gown of blush pink, gold and coral metallic brocade, its neckline and belt embroidered with gold and coral beading.

The bridegroom's mother selected a parisian print of claret chiffon delicately outlined with fine gold thread.

Opera Overture Season Begins

Once again Detroit's Music Hall Theatre will have the magic of live productions when Overture to Opera Company opens its 1971 fall season with two works never seen before in Michigan.

The first production, "Joseph and the Amazing Technicolor Dreamcoat," will be performed Thursday through Saturday, November 4, 5 and 6.

This new multi-media rock oratorio was written by Andrew Lloyd Webber and Tim Rice, the same creative talents who produced "Jesus Christ, Superstar." Each performance will feature a light show.

The performance November 4 is a noon matinee. The November 5 and 6 performances start at 8 o'clock.

Overture to Opera Company returns to the Music Hall November 18, 19 and 20, with the Michigan premiere of Puccini's "La Rondine," (The Swallow).

This opera, performed in English, is a bittersweet romance set in the opulent and reckless atmosphere of Paris in the 19th century. The role of Magda will be sung by Nancy Shade, of the New York City Opera.

The Overture "La Rondine" production will be staged with a full orchestra conducted by William Byrd, of the Flint Symphony. Once again, there will be a Thursday noon matinee, followed on November 19 and 20 with evening performances at 8 o'clock.

DAC Features Greatest Jazz

This weekend, October 28 through 30, will provide a special sort of nostalgia for members of the Detroit Athletic Club and their guests as they take advantage of an opportunity to enjoy the special treat provided by the music of the "World's Greatest Jazzband."

Featuring some of the greatest jazz musicians of all times the group of nine graying, short-haired men will hold forth for SRO crowds on each of the three nights, giving out with the sweetest music this side of anywhere.

Opening night, October 28,

DAC President and Mrs. Frank McCaffrey will host a party of 14 including their son John and his wife, Mr. and Mrs. Peter Koenig, Mr. and Mrs. George Lott, Mr. and Mrs. Walter Sielke and Mr. and Mrs. Joseph Smith.

Earlier in the week many Pointers were on hand to enjoy a Wine Appreciation Night staged Tuesday in the Club's Pontchartrain and Georgian Rooms where a delightful dinner was laced with suitable wines accompanying each course.

Part of the evening's program included a dissertation

by experts on the various wines.

Among area persons attending were Mr. and Mrs. Frank A. Colombo, who hosted a party of eight, the Eugene Gargaros, Jr., who were six, Mr. and Mrs. Harry Esling, Jr. and the Robert Bacons.

Others with reservations were Anthony C. Fortunski, Peter S. Logan, J. Robert Prince and Dr. D. E. Texter.

More Support For Symphony

The Detroit Symphony Orchestra now has more subscribers than at any time in its 57th-year history.

A tally of season ticket sales indicates the total number of subscribers currently stands at 6,332 persons, compared with last year's 4,810. This represents an over-all increase of 31 per cent for the regular subscription series.

The figures do not include

the thousands of Young People's Concerts subscribers, (that total will be announced when available), or the many thousands more who attend Kresge, Kaleidoscope and other types of concert events.

Total annual attendance at the Symphony has been averaging more than 400,000 persons in recent years and is expected to show a substantial increase this year.

gan are among other on-going activities Women's Association funds help to make possible.

The Fair's the major source of these funds, backbone of the Women's Association budget for the next two years. That's a big responsibility. But then . . . this is a BIG Fair.

Two booths, Felt Decor and Christmas Decorations, are devoted exclusively to holiday items, everything from tree skirts to candle arrangements. The Handpainted Boutique offers trays and boxes and Serendipity includes three-dimensional decoupage.

Tin cans become stunning decorative plaques, sconces and mirrors courtesy of Ideas Unlimited, while Potpourri features a clever conglomeration, Christmas ties to wastepaper baskets. Suncatchers delight the eye; the Ink Spot offers Church-pictured stationary. Apple dolls are among Nature's Treasures.

The quilted robes, pinafores and smocked dresses at Children's Clothes are a Memorial Church Fair tradition. Children's World presents toys and stocking stuffers for tots to teens.

Gourmet returns with its famous salad dressings. There's a Knitting Booth and a Knitted Hangers Booth. Aprons this year include midis while Needlepoint and Stitchery offers pockets for blue jeans and do-it-yourself kits. French satin laundry bags are among Boutique's bounty.

Look for wren houses in the Little Gift Booth, for nylon net sweater bags in the Elizabeth Ketchum Booth. Browse through collections of jewelry, books, heirlooms and treasures and white elephants, and pick-a-pretty-package for \$1.

Presbyterian missionaries have sent wares from all over the world for Crafts International. The Skinner Twins will again—by appointment only, available at 886-2854—do Children's Portrait pastels.

Food to take home includes the Candy Bar's delicious peanut brittle and a variety of Baked Goods. Food-to-Fair-on is available all day at the Coffee Shop. A hot luncheon will be served from 11:30 until 1:30 o'clock.

No Bonsai Fair Day

Because of the Fair, Mrs. Harley Higbie has announced that the Grosse Pointe Garden Center Bonsai Class scheduled for November 4 will be postponed to the Thursday after next, November 11.

That's good thinking!

Rah, Rah, Alumnae!

University-Liggett and Sacred Heart Academy alumnae face each other on the University School campus athletic field next Sunday, at 1:15 o'clock, prepared to fight it out at their annual field hockey contest. Since these ladies always fight like ladies, it's one of the best battles of the year.

Mrs. Bruce Birgbauer and Mrs. Thad Joos, busy notifying all the "old girls," expect a large turnout of husbands, children and dogs . . . Next Sunday, there's NO Lions game.

Open practice is scheduled for this afternoon, at 2:30 o'clock, on the field where Sunday's game will be played. Sticks and equipment will be issued, and all former Academy of the Sacred Heart, Grosse Pointe University School, Grosse Pointe Country Day School, Liggett School—there've been so many mergers, it's hard to figure out just WHAT school you're an alumna OF, but if you went to any of the above, you're qualified to join a team—are invited to show up.

If you can't make the practice, show up anyway to play the game. Those practicers just might get themselves in such good shape that they "peak" early, leaving the field to the mini-muscled but willing.

News Flash From Paris

The President of the Alliance Francaise de Grosse Pointe, Warren S. Wilkinson, of East Jefferson avenue, and the vice-president, Henry deSegur Lauve, of Sunningdale drive, are having an extraordinary meeting in Paris this week.

Cinema League Meets Tonight

The October 28, Thursday night program for the Cinema League will feature pictures and travel commentary by Ray Walk on East Africa. Flower and bird life, interesting people, scenic beauty, unusual rites and traditions of Masai tribes of Kenya and Tanzania will come alive for the audience through the camera lens of Mr. Walk.

The film will also feature the Ethiopia of today with spacious lodges and beautiful grounds and gardens as found in the cities of Amara and Addis Ababa.

The program starts at 8 o'clock and will be held in the War Memorial. Light refreshments will be served by Mrs. Arthur Smith, Mrs. William J. Nixon and Mrs. George S. Pead.

Guests are welcome.

Miss Dupuis Bride of Norman A. Kraus

Bridegroom's Uncle and Cousin Officiate at Celebrated Evening Mass; Detroit Yacht Club Reception Follows Mass

A white peau de soie gown fashioned with Bishop sleeves ending in wide lace cuffs was Lynda Marie Dupuis' choice for her wedding to Norman A. Kraus Friday evening, October 22, in Saint Clare de Montefalco Church.

Matching lace trimmed her bodice and edged her train and a Venise lace Camelot cap caught her long illusion veil.

She carried a Colonial bouquet of white pom-pom mums, rosebuds, baby's-breath and stephanotis.

Officiating at the 7 o'clock celebrated mass were Father Charles Kraus, the bridegroom's uncle, and Father Richard Osebold, the bridegroom's cousin.

The new Mrs. Kraus is the

daughter of Mr. and Mrs. Wayne Dupuis, of Briarcliff Drive. The bridegroom is the son of Mr. and Mrs. Raymond Kraus, of Somerset road, Detroit.

Denise Mastro was her cousin's honor maid. Bridesmaids were Carol Mastro and Janine Carley, two other cousins, Sue Kraus, the bridegroom's sister, and Ruthann Schoenrock.

Their floor length frocks featured ivory crepe skirts, long-sleeved ivory lace bodices and brown velvet vests. Tufts of

brown velvet accented their bouquets of yellow and burnt orange pom-poms with baby's-breath.

Jim Kraus served as his brother's best man. In the usher corps were Larry Kraus, another brother, Mark Dupuis, the bride's brother, Bob Butson and Dennis Culloty.

Lisa Lentini, the bride's cousin, was flower girl and David Caldwell, the bridegroom's nephew, was ring bearer.

For her daughter's wedding and the reception at the Detroit Yacht Club following the ceremony Mrs. Dupuis selected a floor length long-sleeved yellow crepe gown with rhinestones accenting her waist. She carried a single yellow rose.

Beading trimmed the neckline, cuffs and side of the bridegroom's mother's pale blue silk costume. She carried a single blue-tinted rose.

The newlyweds will make their home in Kalamazoo.

Exchanging marriage vows in Saint Clare de Montefalco Church Friday evening, October 22, were LYNDA MARIE DUPUIS, daughter of Mr. and Mrs. Wayne Dupuis, of Briarcliff drive, and Mrs. Kraus, son of Mr. and Mrs. Raymond Kraus, of Somerset road, Detroit.

DYC's Wheels Turn Saturday

The Wheels, a club within the Detroit Yacht Club, turn this Saturday evening, October 30, at their dinner-dance cum art exhibit, featuring a collection of paintings by artists from 17 countries courtesy of

Gary Timco, who will be host at a 6:30 o'clock pre-dinner punch bowl.

Members and candidates for the Club's board of directors, to be elected November 1, will be on hand to greet party participants.

Dance Benefits Harper Addition

As completion date for the Harper-Webber Unit draws closer the Woman's Auxiliary to Harper Hospital is increasing its efforts to meet its pledge.

This fall the Auxiliary has already completed two successful projects, a September fashion show and an October rummage sale.

November brings a gala evening at the Latin Quarter, a pre-holiday supper-dance Saturday, November 6, with cocktails beginning at 6 o'clock and a buffet at 8.

Music will be provided by Tony Dannon and master of ceremonies Oliver Petrini will introduce Father Joseph Dustin C.S.S.R. with his banjo and vocalist Lillian DiMara.

A group of Harper physicians who are excellent musicians also have a program to present. Many of these doctors have played together since the "swinging 30's" when they entertained at Emily McLaughlin Hall, (Harper's Nurses' Residence).

Included in the group are Drs. Clifford Benson, Stephen Bohn, Raymond Bauer, Leonard Heath, Carroll Kennedy, Fred Watts and John P. Ottaway.

The Auxiliary has pledged

\$118,000 over a four-year period for the Surgical Intensive Care Unit in the new Harper-Webber Building. To help in this good cause all of the entertainers are donating their talents for the evening.

Mrs. Ralph Thomas, Jr., is supper-dance coordinator. Mrs. Emmett McNamara, of Shoreham road, is director of the Harper-Webber Fund. Party reservations at \$25 per person may be made with Mrs. Gervid Atkinson, of East Bradford drive, Birmingham.

Committee members from Grosse Pointe include Mrs. Donald Austin, Mrs. Ned Chalot, Miss Carol Cobane,

Mrs. James Gotham, Mrs. Eli Igna, Mrs. Arthur Johnson, Mrs. Richard McKean, Mrs. Earl Merritt, Mrs. Frank Scott Perkin, Mrs. Paul Ruble, Mrs. Thomas and Mrs. Lyle G. Waggoner.

Saint Clare Ladies To Present Harvest

Booths, Games for Children, Pony Rides, Square Dance Exhibition and Auction to Be Featured at Country Gala November 5

Members of the Women's Archconfraternity of Saint Clare de Montefalco Church, dressed in their country best, will act as hostesses at a Country Harvest and Auction Friday, November 5, starting at 2 o'clock in the Church auditorium.

The fruits of their summer-long labors may be purchased at 10 different country booths, ranging from Country Primitives to Arts and Crafts, from Canned Goods and Candy to Trinkets and Treasures.

While parents do some early Christmas shopping children may play country games, view old-time movies, "pick a prize" from scarecrow's pocket, eat popcorn and pizza—even enjoy a ride on the back of a real, live pony.

A light supper will be available in the Country Kitchen and an authentic square dance exhibition will precede the auction at 7 o'clock, with Lawrence and Ernest DuMouchelle knocking down antiques and junkies to the highest bidders.

A busy committee has been collecting auction treasures for months. Among the more unusual items is a collection of 140 record albums featuring famous symphonies and old-time artists.

Donations are still welcome. Vintage furniture, large or small articles, pictures and whatnots will be picked up by Sue Karrer, 823-4600, or one of her assistants.

"We can handle anything," says Sue. Tax deductible receipts are available upon request.

The booth shelves are stocked, thanks to many summer and fall workshop sessions. Fresh, homemade baked goods will be added to the Country Harvest November 5.

Miss Ross Married To Charles Shelley

Pair Return to Their Studies at Hillsdale College After Rites Early in the Month at Martha Mary Chapel, Greenfield Village

In Martha Mary Chapel, Greenfield Village, Saturday, October 9, Marilyn Louise Ross, daughter of Mr. and Mrs. John D. Ross, of Hampton road, and Charles Jamieson Shelley, son of Mr. and Mrs. Charles E. Shelley, of Flint, were married.

The noon rites at which Frank Martin, Jr., presided were followed by a reception at Dearborn Inn.

Chantilly lace accented the neck, sleeves and hem of the bride's white satin gown. Her illusion veil fell from a lace-covered cap and she carried a traditional round bridal bouquet.

Carrying arrangements of gold, orange and rust mums complimenting their gold satin frocks were Karen Reay Ross, who served as her sister's honor attendant, and bridesmaids Betty Lord, of Hillsdale, and Cheryl Johnson, of Jamieson, N.Y.

The bridegroom asked Bill Colborn, of Syracuse, N.Y., to act as best man. Steve Lord, of Hillsdale, and Joe Caskey seated the guests.

The bride's mother wore a champagne and gold brocade dress and matching jacket colored with autumn haze mink. She pinned two orchids to her purse.

The bridegroom's mother selected a multi-colored silk print costume with gold accessories and an orchid purse corsage.

The newlyweds are making their home in Hillsdale where both are students at Hillsdale College.

At a recent Fine Arts meeting in the Lakeshore road home of Mr. and Mrs. Diamond Phillips, Bernard P. Pearse, president, announced plans for the Society's 66th season. Far from "retiring", Fine Arts opens this year with the comedy hit by Neil Simon, "Come Blow Your Horn."

Members of the board of directors who will be working with Mr. Pearse during 1971-72 are Richard S. Shannon, Mrs. John Denler, Mrs. James B. Doll, Donald Constans, Mrs. Earl G. Meyer, Mrs. William R. Evans, Arthur Gohle and Mrs. Milton W. Volkens.

Regardless of your walk in life, smooth running will get you there a lot quicker.

Contentment with very little is a man's greatest asset.

Our 20th YEAR

Selling Grosse Pointe Real Estate

(OUR BIRTHDAY NOVEMBER 1st, 1951)

So this is our birthday — Time flies with staggering swiftness. It was only 20 short years ago that a war was over and our young men returned from many foreign lands as the new era of peaceful existence gleamed through clouds on the ashes of tragedy.

These strong forward-looking men were consumed with the desire for a home in which to raise their families to be a credit to the world that they themselves had made serene and Grosse Pointe was "THE" place.

Throughout these cities of the Grosse Pointes and along the waterfront the victorian era was hovering on the precipice of destruction; mansions of the elite were being grabbed out of their well-manicured rolling resting places and the fallow land which lay behind, sleeping drowsily since the crashing 30ties, was now taking shape making way for the new and the modern.

The word was "build, build, build" until here in all their shining brightness were the Grosse Pointes—good solid home communities and here also was John S. Goodman, well versed to handle these valuable properties.

Thank you, Grosse Pointers, for giving us your support, confidence and making our anniversary possible. May we continue to give you at all times the best of service and consideration. "We will always try a little harder!"

Annual Fund-Raising Bazaar to Aid Camp Bentley

The Michigan League for Crippled Children, Inc., will hold its annual fund-raising bazaar and card party next Wednesday, November 3, in the Terrace Room of the Pick Fort Shelby Hotel in downtown Detroit, beginning at noon.

Proceeds will be used for the operation and maintenance of Camp Grace Bentley where as many as 400 orthopaedic and cardiac girls and boys are accommodated each summer. Each youngster enjoys a two-week camp vacation, an experience he cannot achieve in a normal camp.

Even as youngsters were attending Camp Bentley this past summer a Ways and

Means committee, under the leadership of Mrs. George Deffenbaugh, was working toward next week's benefit.

East Side Boutique chairman Mrs. George Leaser, of Newcastle road, and her co-chairman Mrs. Bruce Stewart, of North Oxford road, had their group busy on traditional bouquet items as well as holiday decorations. All are ready for bazaar browsers' selection.

Mrs. Jay Youngs, of the West Side Sewing group, had her members doing the same.

Painter Elizabeth Wood, president of the League's Junior Auxiliary, has had her group engaged in collecting and sorting white elephants

and will be responsible for that booth.

Miss Ann Ostrum heads the Pantry Shoppe.

Mrs. Marvin Boutin, of Newcastle road, is ticket chairman. Donation is \$1.25 for those wishing to play cards. There is no charge for shopping in the bazaar.

Mrs. Boutin may be reached at 881-1515 and will be on hand with tickets at the party.

A mini-lunch is being planned at \$1.50 per person and will be served in the Empire Room off the lobby. No reservation is required.

Friends who are in need seldom hesitate to tell you so.

Plan Fox Creek Quester Meeting

The Fox Creek Chapter of Questers will meet at the home of Mrs. Michael Brennan in Three Mile drive next Thursday, November 4, at 1 o'clock. Mrs. Noel Fry is co-hostess.

Mrs. Robert Reas, program chairman, has arranged for Mrs. Oscar Teeg to talk on "Caveat Emptor." A native of Switzerland Mrs. Teeg is now a resident of The Pointe and a member of the Pear Tree Quester Chapter. She is very knowledgeable about both European and American antiques.

Earlier in October Fox Creek members drove to Farmington, to the home of Mrs. Peggy Harding, where they were entertained with a lecture on the life of Early American Farm Women which included a demonstration of

carding and spinning wool.

Four Fox Creek members attended the October 13 fall meeting of the Michigan State Questers at the Hilton Inn in Ann Arbor.

At the session following luncheon they learned their chapter had been awarded a Certificate of Honorable Mention in recognition of meritorious civic service for their donation of money earned as a group to the Grosse Pointe Public Library for books about antiques.

This project was completed during the term of office of Mrs. John Lee Thompson, immediate past-president.

HAUNTINGLY CHARMING is this French influenced house in the City. Four bedrooms and a large family room and another first floor social room for all your little hobgoblins. Come see for yourself on Sunday afternoon ... we wouldn't soft soap you.

ALSO IN OUR BAG OF GOODIES is a sweet colonial at 1158 Yorkshire, again with four bedrooms on the second floor. The first floor will surprise you with a den and a family room which is a few doors south of Kercheval, and when we mention that the price has been reduced to \$34,500, this might tip you over ... and that's no rubbish.

APPOINTMENTS PLEASE BEHIND THE MASK of this freshly decorated colonial you'll find the charm which will entice you to sit and stay. Room sizes are larger than you would expect and the newly done over kitchen is a show stopper. There is a large den, the house is air conditioned and the owner is preparing to move, and hopes the house will likewise.

BWITCHED YOU'LL BE when you treat your eyes to this center hall colonial near Windmill Pointe Drive. No tricks with this one, just a spacious four bedroom with a breezeway and paneled library. We're ready to broom this one out for \$65,000. Make an appointment and we're sure you'll be swept away.

LIKE TO REVEL AMONG THE OWNER OF THIS ONE has been caught in the old squeeze play. He's the owner of two club houses, which is one too many. Take a cut at what we will deliver in five bedrooms and three baths. Check your swing long enough to note the complete third floor with more bedrooms and another bath.

COMBINE LOCATION, house size, lot size, and add to them your imagination and ambition. We'll put them together as a package which includes you and yours in a four bedroom house on Merriweather Road. Your all brick home with attached garage has a separate dining room, living room and den. There are two small bedrooms over the garage, and a patio off the living room. Wrap it up for \$80,000.

ANNUAL FINANCIAL REPORT The Grosse Pointe Public School System

The following report is a summary of the financial condition and the financial transactions authorized by your Board of Education in support of the total Educational program of the Grosse Pointe Public School System for the fiscal years ended June 30, 1970 and 1971.

The Board of Education wishes to supplement the financial data with a few brief comments:

In accordance with State Law, all funds received and disbursed by The Grosse Pointe Public School System are maintained under three major classifications, or Funds, which broadly indicate the function. These are:

GENERAL OPERATING FUND BUILDING AND SITE FUND DEBT RETIREMENT FUND

GENERAL OPERATING FUND: As indicated by the title, this fund provides for all activities of the School System, other than those specifically designated as Building and Site or Debt Retirement. The General Fund receives the bulk of its revenue from two main sources. The first and largest source is from tax levies on real and personal property within the school district. The second is from State Aid. Expenditures from the General Fund are made in accordance with a budget prepared by the Superintendent of Schools and as reviewed and adopted by the Board of Education.

GENERAL FUND COMPARATIVE BALANCE SHEET FOR THE FISCAL YEARS ENDED JUNE 30, 1970 AND 1971

Table with columns: ASSETS, Fiscal Year 1969-70, Fiscal Year 1970-71. Rows include Petty Cash Funds, Cash in Banks, Investment Securities, Accounts Receivable, etc.

Comments on the General Fund operation: The School System completed the 1970-71 fiscal year with unused funds in the amount of \$179,000 for general operating purposes. These funds will be appropriated to its 1971-72 program.

During the year 2.7 mills for operation purposes expired. Millage requests were rejected by the electorate in March and in September 1971. These reductions, together with possible reductions in State School Aid have resulted in reduction of personnel, and other reductions in the general education program for 1971-72. The Board of Education is committed to the concept of a balanced budget and will periodically review and consider necessary adjustments to line within available income.

GENERAL FUND COMPARATIVE STATEMENT OF REVENUE AND EXPENSE FOR THE FISCAL YEARS ENDED JUNE 30, 1970 AND 1971

Table with columns: Fiscal Year 1969-70, Fiscal Year 1970-71. Rows include REVENUES (Total Revenues from Local Sources), EXPENDITURES (Instructional, Administrative, etc.), INCOMING TRANSFERS, etc.

DEBT RETIREMENT FUNDS: This fund is established for the purpose of paying principal and interest on the outstanding bonded indebtedness of the School System.

DEBT RETIREMENT FUND COMPARATIVE BALANCE SHEET FOR THE FISCAL YEARS ENDED JUNE 30, 1970 AND 1971

Table with columns: Fiscal Year 1969-70, Fiscal Year 1970-71. Rows include ASSETS (Cash in Banks, etc.), LIABILITIES (Accounts Payable), FUND EQUITY.

DEBT RETIREMENT FUND COMPARATIVE STATEMENT OF REVENUE AND EXPENSE FOR THE FISCAL YEARS ENDED JUNE 30, 1970 AND 1971

Table with columns: Fiscal Year 1969-70, Fiscal Year 1970-71. Rows include REVENUES (Total Revenues from Taxes, Penalties, etc.), EXPENDITURES (Redemption of Bonds, Bond Interest, etc.), EXCESS REVENUE.

At June 30, 1971, there were outstanding bond obligations of the School System as follows:

Table with columns: Original Issue, Balance Outstanding June 30, 1971. Rows include 1955 Bond Issue, 1964 Bond Issue, 1965 Bond Issue, 1966 Bond Issue, 1971 Bond Issue.

These are serial bond obligations financed with unlimited tax levies. This means that we levy taxes each year sufficient to meet the annual principal and interest payments. Taxes are being levied for the first time in December, 1971 to support the interest and principal payments on the 1971 Bond Issue for the addition to and renovation of South High School. This issue was approved by the electorate on December 7, 1970. The first principal payment is due in 1972.

BUILDING AND SITE FUND

Monies in this fund are used primarily for the acquisition of land, construction of buildings and the equipment for such buildings. Funds may be realized from the sale of general obligation bonds, by special voted tax levy specifically designated for the purposes mentioned above, or by appropriation from the General Fund.

BUILDING AND SITE FUND COMPARATIVE BALANCE SHEET FOR THE FISCAL YEARS ENDED JUNE 30, 1970 AND 1971

Table with columns: Fiscal Year 1969-70, Fiscal Year 1970-71. Rows include ASSETS (Cash in Banks, Investment Securities, etc.), LIABILITIES (Due To Other Funds), FUND EQUITY.

BUILDING AND SITE FUND COMPARATIVE STATEMENT OF REVENUES AND EXPENDITURES FOR THE FISCAL YEARS ENDED JUNE 30, 1970 AND 1971

Decolletion of the rear annex building has been accomplished and some site clearance work has been done. The completion of the additions and renovation work are scheduled for completion in the Fall of 1972.
