HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, January 6
THE FEDERAL PAY BOARD rejected Wednesday a 12 percent wage increase for some 200,000 aerospace workers in what the board chairman, George Boldt, described as a "landmark" decision. It was the first time since the board began operating last November that a major labor contract in excess of the government's 5.5 percent wage standard was turned down. Boldt said that after the final vote, the public members proposed paring the aerospace contract to about eight percent, but that the labor members took the position that it was not the pay board's business to suggest a compromise contract.

TOP UAW LEADERS said Thursday that the 1.3 million-member union, the nation's second largest, will help U.S. Senator Edmund S. Muskie lock up the Democratic presidential nomination in the early primaries. The early rush toward the Maine senator reflects rising concern among UAW leaders that Mr. Nixon is becoming more difficult to defeat for reelection.

CHAIRMAN HENRY FORD II said Thursday that Ford Motor Company will not close down any plants because of lengthening new model change-over cycles despite the General Motors Corporation's decision to shut down the Piquette Fisher Body Division tool and die plant.

Saturday, January 8
EIGHT TIME BOMBS were removed safely Friday from banks in New York, Chicago, and San Francisco, where they were planted six months ago by an anonymous person in a plot to free "all political prisoners." The bomber, who rented safety deposit boxes under the name Charles Mohr, proposed to plant more time bombs, and then demand the freedom of political prisoners as ransom against allowing the bombs to explode. Only when the prisoners were freed, he wrote, would he reveal the locations of the bombs.

Sunday, January 9
PAKISTANI PRESIDENT ZULFIKAR ALI BHUTTO placed former president Agha Mohammed Yahya Khan and former army chief of staff General Abdul Hamid Khan under house arrest Saturday night. Sheik Mujibur Rahman currently in London, has urged world powers to recognize Bangladesh and admit it to the United Nations, has pledged cooperation with the Soviet Union, and has said that he would accept U.S. aid to help rebuild his shattered country.

Monday, January 10
THE OCEAN LINER QUEEN ELIZABETH was destroyed Sunday by a fire of unknown origin. The 83,000-ton vessel, once the world's largest passenger liner, capsized just before noon Monday in Hong Kong harbor where she was being converted to a floating university and cruise ship. Over 200 workmen were aboard the vessel at the time the explosions began, but all managed to escape the burning ship. Valued at \$6 million, it is insured by Lloyd's of London.

Tuesday, January 11
A RACIAL DISTURBANCE IN BATON ROUGE, La., Monday left two white deputy sheriffs and two black men dead after a gun battle between police and an estimated 1,000 blacks. Besides the four dead, at least 34 persons were injured, two critically, and 23 were arrested. Louisiana's governor John J. McKeithen called out 800 National Guard troops to patrol the streets and enforce the 5:30 p.m. curfew. The demonstration started before noon near two predominantly black high schools where students were soliciting funds for the Black Muslims and blocked a road.

Park Hoping For Decision On Boundary

City Attorney Richard D. Rohr reported that he will meet with the Detroit Corporation Counsel Thursday, January 13, and try to arrive at a timetable for this matter. Some line of action on the Corporation Counsel's part may be obtained on this issue.

"I'm hopeful to have a real progress report at the next meeting," said Mr. Rohr. The next Park council meeting is on Monday, January 24, at 5 p.m. in the Municipal Building, 15115 East Jefferson.

The current Wayburn boundary hassle has been going on for around a year. Concerned residents packed the Park council chambers on November 8, 1971, to find out what progress was being made on their petition to have their properties located completely within the Park city limits. Similar efforts have been made periodically for a number of years.

Pointes Show Decreases In Number of Accidents

By Pepper Whitelaw
The number of accidents in the five Pointes decreased in 1971, according to statistics released to the NEWS by the five public safety departments. There were three fatalities in The Pointes, two in the Farms and one in the Shores. The first occurred on February 26. On that date, Manuel Eusebio Vasquez, 70, of St. Clair Shores was struck by a car driven by Edward M. Dunn, 58, also of St. Clair Shores, while crossing the street at Mack and Moross road. Mr. Vasquez died two days later at St. John Hospital. A witness told police that Mr. Vasquez was crossing in mid-block against the red traffic signal. The second fatality occurred in The Farms on May 10 and involved a motorcyclist. On

Building Permits Requested For Two Woods Projects; Council Postpones Decision

Wants More Detailed Information on Plans of Frank's Nursery and Proposed Condominium Complex at Limits

By Kathy Duff
Two requests for public hearings were made by land developers, Frank's Nursery Sales, Inc., and Merrill Homes, Inc., at the regular meeting of the Woods council held on Monday night, January 3. Both requests hinged upon the councilmen studying the plans and then granting permission for the plans to be submitted to the Board of Appeals or to a public hearing.

The first request was filed by Frank's Nursery Sales, Inc., of 6399 East Nevada, Detroit, for a Board of Appeals hearing to determine if a Frank's Nursery Sales could be built in the Mack-7 Mile Center. The store would be a combination nursery-trim outlet, like the store on East Nevada.

Within Parking Area
The site of the proposed store would be in part of the area now used as a parking lot for Wrigley's, J. C. Penny, the Woods Theater, and some of the employees of St. John Hospital. The Woods councilmen and the persons attending the meeting were confused as to the exact site of the proposed store since no building plan had been submitted to the council.

A representative of the company, Mitchell Dechter, explained that the proposed nursery outlet would consist of their typical "combination" structure composed of approximately 18,000 square feet under the roof and 22,000 square feet of unenclosed area. Mr. Dechter was seeking a

Board of Appeals hearing since the Woods building inspector, Earl J. Wakely, had denied the firm an immediate building permit.

Code Changes Needed
Mr. Wakely had pointed out in a letter to the company that several deviations from the Woods zoning code would have to be approved, such as the outside storage of materials in connection with a materials and supply business, and the re-zoning of an area of the lot which is currently zoned residential. Since a nursery operation is not specifically covered in the code, a use permit would also have to be granted.

The nursery representative, Mr. Dechter, besides having a three foot by three foot site plan he was willing to show the councilmen, was prepared to answer any questions in regard to the proposed construction.

However, the Woods council, led by the protests of Benjamin Pinkos, felt that they had not been given sufficient notification of the request, or supplied with sufficient information of the proposed project to vote on a possible Board of Appeals hearing.

Symphony's Concert Set For Jan. 23

Roma Riddell Will Be Soloist on Program to Be Presented at North High School

Pointer and soprano, Roma Riddell, will be the soloist with the Grosse Pointe Symphony Orchestra on Sunday, January 23. The concert will be held in the Performing Arts Center of Grosse Pointe North High School at 3:30 o'clock.

Miss Riddell, well-known in this country and in Canada, is a graduate of the Faculty of Music of the University of Toronto and holds the Artists Diploma from the Royal Conservatory of Music. She has sung many major roles with the Toronto Opera Company and the Canadian Broadcasting Company Radio and Television network.

In the Detroit area she is a member of the Overture to Opera Company and has been guest soloist with the Detroit, Plymouth, Pontiac and Windsor Symphonies. This is her third appearance with the Grosse Pointe Symphony.

For this appearance with the symphony, Miss Riddell has chosen a program including works by Mozart... "Voche sapete" from the Marriage of Figaro and "Ch'io mi scordi di te" (K.505). She will be accompanied by pianist Lawrence La Gore. She rounds out her performance with Tchaikovsky's "Leter Scene" Eugene Onegin.

The symphony will complete the program with Wagner's Prelude to Die Meistersinger; Corral Nocturne, Saturday Night Waltz and Hoedown from Copland's Rodeo; and Allegretto, Allegro, Lento and Allegro Molto from Symphony No. 1 by Shostakovich.

A reception for Miss Riddell will follow the performance. Tickets are available the day of the concert at the box office at \$2.50 for adults and 50¢ for students.

Story on Hospital Usage Isn't True Of Ones in Pointe

Bon Secours, Cottage and St. John All Report Admission Waiting Lists and Unusually High Occupancy

By Pepper Whitelaw
A number of questions have been raised as a result of the recent article in the Wall Street Journal concerning hospital usage. The article questioned the need for expansion of hospitals and stated that hospital occupancy figures were low for last year.

The NEWS contacted local hospital administrators to see if these national figures were also true locally.

Barry Spero, administrator of Bon Secours Hospital, said, "The hospitals used as examples were basically inner-city and/or university teaching-type institutions rather than community hospitals and the comments should not be applied to community-oriented hospitals or hospitals in the Greater Detroit Area."

Bon Secours Busy
"In 1971, Bon Secours Hospital's total occupancy was 88 percent. Within the hospital field, a total occupancy of 85 percent on a yearly basis is a rather high figure when you consider that occupancy figures are low for holidays such as Christmas, New Year's, Easter and Thanksgiving when most people avoid having elective surgery or other medical procedures, to be home with their families. Also, a number of beds must be reserved in the obstetrics area where occupancy is less predictable. For these reasons, 100 percent occupancy is virtually impossible to achieve in any hospital."

"At the present time, we have a waiting list of 30 persons for medical admissions to Bon Secours Hospital. These persons must wait two to three weeks before a bed will be available for them. Also, it is necessary to wait three weeks before admission for surgery, except for emergencies, which must be handled immediately."

More Beds Needed
"Figures, in themselves, do not tell the complete story. In light of the waiting lists for admission to the hospital, high occupancy percentages and increased emergency visits, (14,899 in 1971 in comparison to 14,364 in 1970), an increased number of hospital beds in this community is a very real need."

"It is interesting to note that the hospitals mentioned in the Wall Street Journal article, had for the year 1970, rather high occupancy rates. Mount Zion Hospital in San Francisco witnessed an 86.3 percent occupancy; Methodist Evangelical Hospital in Louisville, Ky., had a 91.3 percent occupancy and Michael Reese Hospital in Chicago had an 88 percent occupancy."

Symund Gottlieb, executive director of the Greater Detroit Area Hospital Council, said, "In our latest study made in the first six months of 1971,

Better Use Of Two Sites Under Study

Council Supports Plan Commission Decision to Deny Request of Babe Ruth League

By Roger A. Waha
The Park council at the regular meeting Monday, January 10, approved the recommendations of the Plan Commission that the request for a Babe Ruth baseball diamond and football field at the Three Mile Drive Park be denied.

However, in a report to Mayor Matthew C. Fatterson and the city council on November 16, 1971, the Plan Commission felt that the activities of the Three Mile Drive Park could be "expanded in a way in which its facilities will be more generally used, and the wishes of our residents, as a whole and also those near the park, will be more satisfied with it providing a moderate amount of funds are available for the construction and development of a softball field and a football field."

Soft Ball Diamond Okay
The Commission recommended that a softball diamond with an appropriate back stop should be constructed and used "informally by groups under our existing permit system. However, it should not be the kind of diamond that could be taken over by organized teams or reserved for their use."

As for the football field, the Commission felt that an area should be set aside for touch football and "similar field events." It also should be used by informal groups under the present park permit system. The gridiron could be superimposed over the outfield of the softball diamond.

The Plan Commission studied the proposal for the construction of the diamond and football field in response to a council request of July 12, 1971.

Both Sides Heard
Plan Commission meetings were held on August 17 and September 21, 1971, in the council chambers where people for and against the proposed baseball diamond and football field could state their opinions. Babe Ruth League proponents indicated that an increased number of Grosse Pointe youths were involved in the program and that the Park was the only city that didn't provide Babe Ruth activities. Therefore the proposed facility was most needed. This point was stressed repeatedly by them, according to the Commission report.

James E. Beall, 771 Bedford, stressed scene of the opposition's points at the January 10 meeting. "I'm opposed to the use of a city park by a private organization," he said. Mr. Beall mentioned he was against the proposal "as a taxpayer to devote money to a private organization, no matter how worthy it is." He felt the money should be used to benefit all the people.

Would Cost \$24,000
Robert A. Stone, Park city manager and secretary of the Plan Commission, mentioned that the Babe Ruth diamond with a superimposed football field would cost around \$24,000, without lights, for a real good field.

Mayor Patterson expressed concern over what would be best for Park citizens. "It's not a matter of cost but a matter of policy. What are we going to do with the city park?" He urged a decision to be made on the facts.

The mayor also was concerned about the park pass system. He felt that if the park was used by the Babe Ruth League, others would use the park and "the system won't be any good." By ordinance the council adopted the system which requires a permit and identification for entrance into the Three Mile Drive Park, and also the Windmill Point Park.

Councilman Robert J. Hutton said, "I feel the Plan Commission's recommendations are sound and we should do everything to implement it." Then

Love of Nature, Wildlife Keynotes Lives of Pointers

By Roger A. Waha
An appreciation and love of nature, and a strong interest in ecology and wildlife, permeates the lives of Dr. and Mrs. Robert Riethmiller of Pemberton road.

From their cozy, glassed-in porch area they watch with fascination the hundreds of birds who visit their backyard sanctuary each day. Binoculars are within reach along with some of their 125 books on birds for ready reference.

"There's nothing so fascinating as nature," said Mrs. Riethmiller. "It's so spontaneous." And from daybreak to late afternoon they're serenaded by the tweets and chirping of birds feasting in their yard, comfortably enclosed by numerous pines. But sometimes it can be a "devastating distraction." One day, while ironing and watching the birds, "I ironed the same napkin 12 times," she said.

Open Classroom Teaching

(Continued from Page 1)

Olive Wanderer and Mrs. Mary Owens.

Monday's presentation took over 100 hours of preparation. It was worth every minute of the time.

Unifying Principles
Board members and the audience learned that the Open Classroom has as much meaning, satisfaction, creative opportunity for the teachers as for the students and that all Open Classrooms have several principles and a thread of characteristics in common.

The room belongs to the children and they're proud of it. They are expected to use everything in it... maybe not every day, but sometime during the week.

How does an open classroom work? We were told that it is organized into learning areas. Although, from an adult point of view the areas can be labeled pretty much along traditional lines such as social science, art, math, reading, writing and spelling. However, in an Open Classroom exploration and quiet reading are added bonuses.

Method Is Different
Although the traditional subjects are taught, the manner in which they are taught is the key to the success of the Open Classroom.

Youngsters are not lined up in rows with a teacher at the head of the room lecturing. No, not in an Open Classroom.

Basic skills are taught through learning activities centers which are filled with skill games and projects which obtain the same results in basics without the painful repetition of the traditional classroom.

The system of instruction starts with the child himself,

his readiness, his expectations and his interests. He enters into the system of instruction in a needs assessment phase, which can be anything from a diagnostic test to determine a youngster's strengths and weaknesses, to a talk with the teacher about his special interests. Open Classrooms give the teachers more opportunity to have one-to-one relationships with students than do the traditional classrooms.

Next Steps In Cycle
The youngster's next step in the cycle is to become engaged in a learning activity, which can be anything from the day's spelling lesson on tape, to writing a play with friends.

Next is the evaluation and feedback, which is a continuous process and never has a delay time of more than one day.

Sometimes, as in self-checking exercises, (this is a big factor in Open Classrooms and teaches youngsters responsibility of handling time that is available to them). Sometimes this checking is instantaneous, other times it is done after the teacher or evaluator, (mother volunteers, student tutors and student teachers are a big help in this area), has looked over the work and checked it. The key to the entire feedback system is the teacher and she has to be a very special breed of cat. One who is willing to work on a one-to-one basis... one who is on her feet most all of the day, creating new challenges for her students. Her day is an unbroken string of 600 mini-conferences and tutoring sessions.

Many Opportunities
And your child is reaping the benefits of this individual instruction that gives him the opportunity to explore, discover and enjoy learning.

It is literally true that each youngster schedules his own day. The first reaction to a statement like this from some teachers and parents is that it is an impossible dream to expect youngsters to exercise the degree of responsibility and self direction necessary to get through a school day and still learn something while doing it. The film proved they could.

The film presentation took the audience through a school day. Interestingly enough the classroom clock said 8:30, 15 minutes before school officially begins, yet youngsters were already busy at work.

Children Have Freedom
What struck the viewer particularly is the freedom of movement the children enjoy in this type of classroom. Mr. McCaig pointed out that expecting children to sit quietly at desks is a vestige of the 18th century notion that children are little adults.

In the Open Classroom it is not against the law to walk around, to stand or squat with groups of friends or stretch on the floor to do your work.

The program of self-scheduling capitalizes on the differences between children, instead of attempting to press them all into a like mold.

This does not mean that the Open Classroom is built on "What are we going to do today philosophy." According to Mr. McCaig, the "what" has been established by the Board of Education and planned by the teacher. The "when" is the part that is up to the students.

Unexpected Results
For example, one child may decide to work on a project all morning long. The fact that he can stick to one project for that length of time is not likely to be found in many teaching textbooks. After watching Open Classroom children, one is tempted to redefine the notion of attention span to mean the average length of time the youngster can be expected to sit still and stick to a job he has been told to do.

In an Open Classroom one youngster may move five or six times while another does not move at all. That's the way he learns best, so why not take advantage of it?

But it should be mentioned here that if a child loves to draw he can not get away with working on art projects all week and never get to his math. There is a tight, well organized structure to the frame of the Open Classroom

that make this an impossibility. Every child knows that he has required work to do each day and each week, because he keeps a log of his activities which his teacher checks. The teacher keeps a careful eye on the children and nudges them from area to area when necessary.

Important Lessons

The self-scheduling does however teach the youngsters something that has been sadly lacking in the education of youngsters today, to use their time wisely and learning to profit from their own mistakes... all pretty important parts of the adult world.

The Open Classroom provides real payoffs in increased productivity. The core of the classroom is individual progress. The child moves at his own speed, avoiding the stigma of labels such as "slow learner" or "brain." When he works at his own speed he can complete required work then move to areas of special interest to him.

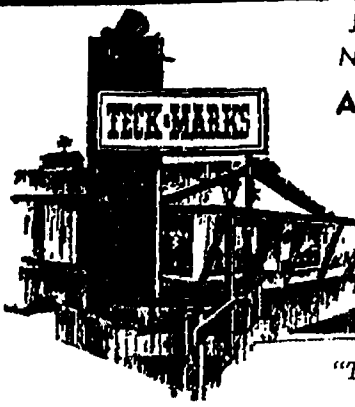

Another plus for the Open Classroom and one which should delight taxpayers is that the Open Classroom makes each instructional dollar go farther. Since children distribute themselves into different learning areas at the same time, it isn't necessary to have 50 copies of the same reader. For that same \$120 five readers, cassette tapes, activity sheets and a whole kit of stories for individual reading may be purchased.

Improvement Sought
Perhaps the most impressive part of the entire presentation was Mr. McCaig's closing statement, he said, "Is the Open Classroom the best of all possible educational worlds? Is Open Classroom in January 1972 as good as we can make it? Definitely not. As soon as we think we have achieved perfection, we will have failed. The quest for perfection is a search for something we know we won't find because it isn't findable. The search itself is really the goal."

Now that's what a Board of Education meeting should be like... one that talks about the children and the progress our system is making in bettering the educational opportunities in our community!

LAMP POST DAMAGED
Marilynne Foley, 294 Merriweather, returned home on Monday, December 3, from a 10-day vacation to discover that someone had damaged the electric lamp post located near the sidewalk on the Beaupre side of her residence. Fight Continues Over Brys Buses

By Kathy Duff

Another chapter has been added in the Brys residents' fight to get the public buses off their residential street.

In the regular meeting of the Woods council on Monday night, January 3, the council officially "received and placed on file" two more letters from Brys residents who wanted the SEMTA bus re-routed off their street. The letters were from Mrs. Donald R. Smith, of 1332 Brys drive, and Kramer W. Foster, of 1701 Brys drive.

One of the letter writers, Mrs. Smith, attended the Monday night meeting to reinforce her letter's impact on the Woods council. Her husband, Donald Smith, accompanied her.

Once recognized by the council, she stated that they had passed a resolution in the November 15 regular meeting that buses were no longer to operate on residential streets. She pointed out that the buses were still operating on Brys drive, and that SEMTA had actually increased the traffic by adding a late bus to the service.

Councilman Kenneth Boerner immediately assured the Brys drive resident that the Woods council was against the buses on Brys, and added "In fact, we are not for buses going down any of our residential streets."

"Everyone would like the buses to go down a residential street—as long as it is not their street," the councilman quipped.

Woods mayor Kenneth McLeod, the Woods representative to the SEMTA's meetings, reported that SEMTA had not been interested in the council's resolution to re-route the bus down Marter road. He said that SEMTA had asked to leave the bus route as it was for the present, until a satisfac-

PLAYGROUND DAMAGE

Donald Bassett, principal of Maire Elementary School, 740 Cadieux, called City police on Thursday, January 6, to report someone had driven his car inside the school playground and knocked down a tether ball pole valued at \$150.

factory agreement for both parties could be reached.

The mayor assured Mrs. Smith that the Woods November 15 resolution will "hold good," yet that "these things just don't happen that fast."

In closing the issue for the evening, Mayor McLeod remarked, "I assure you that this is not something that is being forgotten."

The two letters from the Brys residents, after being officially received and placed on file, will be considered by the Woods council in their next meeting-of-the-whole. The letters presented several new aspects of the bus issue.

In her letter, Mrs. Smith reaffirmed the charge that the buses speed along the residential street, endanger the lives of the children, and cause the houses to vibrate. She extended an invitation to anyone who refuted these charges to "spend a day in my home to witness such facts."

Moreover, she writes that she had "personally counted over 17 recent repairs of gas leaks by the Michigan Consolidated Gas Company (from Marter to Mack) prior to the repaving of the street."

The letter of Kramer W. Foster, of 1701 Brys drive, in his letter to the Woods council, noted few people traveling on the bus, and questioned, "Why should many be inconvenienced to favor a few?"

He supported Mrs. Smith's claim that the buses did cause the houses to rattle by stating that his house had "cracked plaster caused by vibration of heavy vehicles passing the house."

A historical perspective of the issue was added by both Mrs. Smith and Mr. Foster citing that the bus route extension along Brys was a World War II measure designed to assist residents who could not obtain gasoline stamps for fuel to drive their cars to work, and that this extended route would be discontinued after the war.

Both letters also cited the 138 signatures on the petition to get the SEMTA bus off Brys drive.

In closing his letter, Mr. Foster encouraged the Woods council, in regard to their November 15 resolution, to "stick to your guns and leave your decision stand."

But those of us who are impartial observers can only wish "good luck" to the Woods council who are placed in the middle of this dilemma.

Forum Tonight On Education

The second in the series of community forums on contemporary issues in education, organized by Dr. Theos I. Anderson, Superintendent of Schools, is scheduled for 8 o'clock tonight, Thursday, January 13, in the Board Room at 389 St. Clair avenue.

Douglas West, attorney with Hill, Lewis, Adams, Goodrich, and Tait, will present a "Summary of Legal Issues Currently Confronting Public Education." Also on the program is William R. Bryant, Jr., State Representative. His topic is "One View from the Capitol on Public Education in 1972."

Both Mr. West and Representative Bryant will answer questions from the audience. Superintendent Anderson extends an invitation to interested citizens to attend Thursday's meeting.

12 Cases Heard By Judge Speer

Twelve court cases were heard by Park Municipal Judge William E. Speer Wednesday, January 5.

Six other cases were sent to Lansing for failure to appear in court as directed, with the Secretary of State suspending the licenses of these individuals until their violations have been paid. Meanwhile, 17 people failed to appear in court and warrants were issued.

Catharine McMullen, 8120 E. Jefferson, Detroit, kept her driving record perfect as she pled not guilty to disobeying a red signal light, and was found not guilty. She has had no tickets for almost 40 years.

Frank Solomon, 1222 Bedford, pled not guilty to backing and striking a parked vehicle and was found not guilty.

Robert Bennage, 22621 Statter, St. Clair Shores, pled not guilty to going through a red light, causing an accident, and was found guilty. His sentence was suspended.

Arnette Eder, 5550 Stratford, Walled Lake, pled not guilty to failing to yield in an accident. She was found guilty and paid a fine of \$15.

Richard Bourgeault, 23741 Kelley road, East Detroit, pled guilty to failing to yield in an accident, and paid a fine and costs of \$20.

Kent Bishop, 3740 Bedford, Detroit, pled guilty to driving while his license had been suspended by Judge Speer on December 15. He was sent to the Detroit House of Correction for 10 days and paid a fine of \$50. His license was picked up by the Secretary of State.

Geoffrey Thomas, 719 Berkshire, pled guilty to failing to stop for a stop street on November 28. He paid a fine and costs of \$15.

Four speeding cases were heard by Judge Speer. Stephen Coffman, 2114 Lakeview, Detroit, pled guilty to speeding 45 m.p.h. in a 30 mile zone, but because he was going to the hospital on an emergency, the sentence was suspended.

Jerry Lee Brown, 15260 Evanston, Detroit, pled not guilty to speeding 60 miles in a 35 mile area on Jefferson. He was found guilty and fined \$50. Brown also was put on probation for one year. His license was suspended and is held by the Court for 60 days.

Walter Jenkins, 17600 Chandler Park drive, pled guilty to speeding 37 miles in a 25 mile zone. He was fined \$25 and \$5 costs.

Gerald Ciak, 2536 Lenox, pled guilty to speeding 40 miles in a 30 mile area on November 12. He paid a fine and costs of \$30, and was placed on probation for six months. Ciak's license was suspended for 30 days and is held by the Court.

In a state case, Alan Bycraft, 203 Riverside, Detroit, pled not guilty to malicious destruction of property, was found guilty, and fined \$100. The property belonged to Bob Saks Oldsmobile, 15205 E. Jefferson.

WALLET STOLEN

A Jacobson's employe reported to City police on Thursday, December 9, that her wallet had been stolen from the cloak room near the store's south entrance, sometime between 5:30 p.m. and 6 p.m. The purse was on the table underneath a coat. It contained one personal paper and about one dollar in change.

Erratic Driver Damages Meter

City police officers while on routine patrol on Wednesday, January 5, observed a parking meter had been knocked down in front of 17770 Mack. Further investigation revealed that the driver had driven over the curb, struck the meter, knocked it out of the ground, then continued on hitting the front door of the Mack avenue office. Tire tracks indicated that the driver then fled east on Mack avenue. The meter was taken to the City station.

John's Island: 8 pertinent points for those considering Florida this winter.

Location. John's Island is a private residential resort located at Vero Beach in subtropical Florida just 65 miles North of Palm Beach.

Privacy. Natural geography and a manned gatehouse assure John's Island residents total privacy and security. The property is bordered on the East by 2½ miles of private oceanfront, on the West by 10 miles of Indian River waterways.

Golf. A championship 18 hole golf course designed by Pete Dye and Jack Nicklaus forms a permanent 167 acre green belt in the heart of the John's Island property. A second course designed by Pete Dye is under construction assuring residents unhurried, varied play. Ernie Ball is Director of Golf. The John's Island Club is private and offers full dining, pro shop and locker facilities. Our Beach and Tennis Club is now under construction.

Environment. At John's Island more trees have been relocated than other private Florida communities have removed. Large, heavily wooded homesites on the golf course, its lakes and John's Island Sound are presently available

for sale. Also, Oceanfront Condominiums, private residences and South Village Townhouse Apartments. Some properties are available for rental.

Design Building. John's Island maintains its own construction company, Town Island Builders, exclusively for the property owners' use. James E. Gibson, A.I.A. is resident architect. Complete maintenance service is available for the absentee owner. Property owners are guaranteed the highest standards of design and materials.

Residents. The average age of the John's Island property owner is 52. You probably know someone who lives at John's Island. Either on a personal basis or by reputation.

Zoning. Zoning at John's Island limits building height to 3 stories. Strong deed restrictions further protect property owners.

Management. John's Island is owned and administered by E. Llwyd Ecclestone and Roy D. Chapin III. A detailed and illustrated brochure on the property may be obtained by writing Mr. Chapin, John's Island Drive, Vero Beach, Florida 32960.

Student Rights Policies Decisions Being Appealed

By Pepper Whitlaw
 It was just a few weeks ago that educators and School Board members formalized in writing school policies on distribution of student printed materials and student organizations. At that time board members and staff expressed the need for clear-cut procedures in these areas.

At Monday's night's regular board meeting the proof that there is such a need unfolded when Pat Slavin, a student at North High School expressed the desire of a number of students at North, writers of an approved, yet underground publication, to appeal a portion of the Student Rights section.

Pat explained to board members that her group, "Students for Better Education," had received approval from G. Bruce Feighner, principal to distribute their publication and were given a time and location. Pat and her co-workers object to the time (sixth hour), since most of the seniors leave the building at the end of fifth hour, and the location because it is not, according to Pat, well enough trafficked. She asked the board how to appeal Mr. Feighner's decision under the new student rights code.

The student rights policies were adopted on December 13. The ink is barely dry on the document and the first appeal seems imminent. The appeals committee is composed of a student, a teacher, a parent, a building administrator and the assistant superintendent of instruction.

It was heartening that the students, through the foresight of educators and board members, now have legal channels in which to air their disagreements with administrators and policies.

Judging from the many stu-

dents in Monday night's audience, it appears that we will be hearing more from the students than ever before.

Particularly since many students at both North and South High School will be 18 years of age by graduation time. Also present at Monday's meeting were Mark Kennedy, Student Association president of South, and Ted Sweeney, a student at South, both of whom spoke out for the rights of the 18-year-olds to leave the campus during the lunch period.

The new adults are determined to prove that the right to leave campus now that they are adults is a right that they are entitled to and judging from their words Monday night they mean to be heard.

Fortunately these new adults have chosen the "proper channels" in which to make their appeal. Another plus in communication between students and board members.

Let's hope that these lines of communication will not be severed by thoughtless statements from students or board members. They've got a good thing going and quick tempers and snap judgments could destroy it all.

EDITOR'S NOTE: The NEWS contacted Mr. Feighner following Monday night's session regarding the students' appeal. Mr. Feighner said, "There seems to be some wrong information abroad concerning the location for distribution of the magazine published by the 'Students for Better Education.'"

"They were given a table and opportunity for an identification sign at the junction of the east corridor with the south corridor of the B building. Some have been led to think that these pupils were assigned a location far from a main corridor."

Three Pillow Cases Used To Carry Off Thief's Loot

Two breaking and enterings were reported to the Woods Police Department within a three-hour period Tuesday evening, January 4.

The first report was from Mary Greening, 762 Hollywood, at 1:56 p.m., while the second report came from James Young Bohne, 630 N. Renaud, at 11:37 p.m.

Thieves took over \$400 in cash, numerous coins whose total value is around \$600, plus three rings valued at \$750 and two antique necklaces of unknown value from the Bohne residence.

The culprits entered through a bedroom door and broke into a safe. A partial list of items taken from the safe include 40 John Fitzgerald Kennedy 1964 half dollars valued at \$80; 20 Liberty Walking 50 cent pieces, valued at \$100; 15 Canadian silver dollars, valued at \$45; four \$100 bills in an envelope.

One small can of quarters and dimes, \$100 value; a second small can of quarters and dimes, valued at \$25; one \$20 bill, and \$85 in silver quarters and dimes.

The thieves also took from the safe items belonging to Bohne's brother, Robert

Eugene Bohne, 21625 Greater Mack, St. Clair Shores, including one gray metal box measuring 6"x7"x18". It contained 32 silver certificates (one dollar bills), a Canadian Centennial set, valued at \$100, 15 silver dollars, \$30 to \$40 in assorted silver coins, and a National Bank book.

Taken from a bedroom chest were the three rings and the two antique necklaces. Three pillow cases were used to carry the missing items.

The robbers exited through the front door, which was found standing open. Footprints in the snow on the south side of the home led to the sidewalk and then headed towards Morningside. There were footprints on the back porch near the point of entry, too.

Thieves entered the Greening home through an unlocked patio door. They broke the glass in the door leading into the house and reached around and turned the lock.

A slide projector was stolen from the basement, while \$40 in cash was taken from a bedroom jewelry box and approximately \$100 in bills was stolen from a dresser drawer. A hi-fi tuner was taken from the front room, plus the arm from the turntable.

Officers observed two sets of tracks in the snow leading north from the patio behind the house.

Drinking Driver Cause of Crash

A driver under the influence of alcohol ran a red light and struck another auto, injuring the driver, Thursday, January 6, according to the Park Police Department.

An auto driven by Thomas Edward Hurley, 31, 441 McKinley, going eastbound on Mack failed to stop for a red signal and struck a vehicle driven by William James Fritz, 26, 1167 Whittier, on the left side. Fritz was traveling northbound on Whittier and at Mack, entered the intersection with a green light.

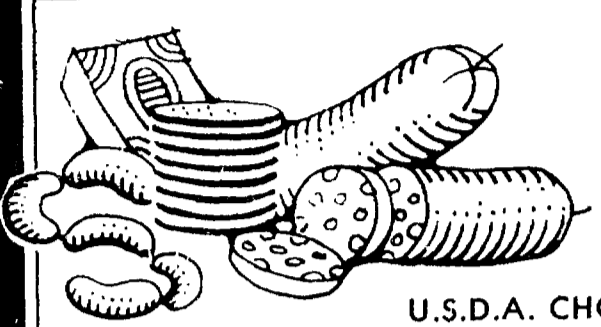

Fritz was taken to Bon Secours Hospital, treated, and released. Hurley was issued two violations: one for driving under the influence of liquor and one for driving with no license on person.

JOSEPH E. BAYNE
Funeral services for Mr. Bayne, 69, of 75 Touraine road, were held on Tuesday, January 11, in the Grosse Pointe Memorial Church. He died on Saturday, January 8, in Ford Hospital.

Mr. Bayne retired in 1967 as general sales manager of the former Lincoln-Mercury Division of the Ford Motor Company. He has been in the automobile sales business since 1931 when he joined Chrysler Corporation as retail sales manager for the Detroit factory branch. In 1936 he was made president of Chrysler Detroit Company and in 1940 was named president of the Plymouth Division, a position he held until 1947 when he went to Ford. In 1957 he was made a member of the Ford dealer policy board.

Before entering the automotive field, he was a reporter for The Detroit News and later The Detroit Times.

He was a former president of the Detroit Athletic Club, a director of the Country Club of Detroit, and headed fund raising drives for the Red Cross and the United Negro College Fund.

A native Detroit, he is survived by his wife, Ruth, and a daughter, Mrs. Jock Guyton. Interment was in Woodlawn Cemetery.

Fewer Accidents

(Continued from Page 1) a motorist whose car he had struck in The Farms. Sherman

was rushed to St. John Hospital by Farms police and was pronounced dead on arrival.

In the year 1970 there were five fatalities in the Pointes; three of them in The Park; one in The City, and one in The Woods.

The City of Grosse Pointe had 206 accidents in 1970 and 190 in 1971. Some 372 vehicles were damaged in '70 and 355 in '71; vehicles involved in accidents in 1970 were 409, in 1971, 366; persons injured in 1970 were 79 and only 39 were injured in 1971.

Eighty-four violations were issued in accidents in 1970 as compared to 97 in 1971. Accidents involving fixed objects totaled 14 in '70 and nine in '71. One pedestrian was injured in '70 and two in '71. Accidents involving bicycles totaled five in '70 and three in '71. There were four motor bike accidents in the City in '70 and only one in '71. The City had no fatalities last year and only one the year before.

The Park had three fatalities in 1970 and none in 1971. It issued 214 violations in accidents this past year and 213 the year before. There were a total of 305 accidents in The Park last year and 328 in 1970. Property damage accidents also dropped this year. There were 224 as compared to 238 in 1970. Accidents involving injuries in 1971 were 81 and 87 in '70. There were 75 accidents involving fixed objects, including parked vehicles, in '71 and 90 such accidents in 1970. There were nine bike accidents this past year and 12 the year before. Some 512 drivers were involved in accidents in 1970 as compared to 534 the previous year. There were 13 motorcycle accidents in 1971 as compared to seven in 1970.

The Farms had 53 injury accidents this year, 10 less than 1970. However property damage accidents were up with 251 this past year as compared to 246 in 1970. Seventy-two persons were injured in '71, and 77 in 1970.

Total accidents in The Woods were also down this past year, 257 as compared to 273 in 1970. There were no fatalities this past year and only one in 1970. Non-fatal accidents were also down, 73 this past year and 91 the year before. Property damage accidents as in The Farms were up however, 184 this past year; 181 the previous year.

Six pedestrians were injured in accidents in 1971 and five the previous year. No pedestrians were killed either year.

Students Design Sets for Show

Grosse Pointe South High School's art department is making a name for itself through the work of six of its students and instructor Arlene McFeaters, who have designed all of the photographic sets for the Detroit Photo Show.

Three South High seniors, Jed Halada, Rick Rachford, and Valerie Weidig, and one junior, Susan Unger, were joined by two former students, Sue Beck and Ray Wrona. Under the direction of Miss McFeaters, the six have designed and painted the 25 sets which will be used in the Photo Show at the Light Guard Armory January 20 through 23.

The students have received on-the-job training in commercial art and design while working on the project. Part of the sets are purely abstract or graphic; others are realistic. The artists had to consider values as well as color contrast and tone, so that the sets will lend themselves equally well to black-and-white or color photography.

Subjects of the sets cover a wide range—an African jungle, Florida beach, Swiss Alps, toylend, zoo, circus, flowers, filmstrip, forest, gateway, Japan, storage warehouse, jetliner, interior—these are but a sampling.

Photo Show visitors will photograph live models from the John Robert Powers School against the backdrops of the sets. The best of their pictures will compete for trophies and cash awards in the Detroit Photo Show Pictures Contest.

Special exhibits, new product introductions (several for the first time anywhere), lectures, seminars, movies, demonstrations, the famous Eastman Kodak clowns (Tiny, Jocko and Little Midge), an action revue by Powers models and an antique camera display will be among features of the four-day show.

The handiwork of the young Grosse Pointe South artists may be seen at the Detroit Photo Show in the Light Guard Armory, 4400 E. Eight Mile, January 20 through 23. Hours of the show are from 6 p.m. to 11 p.m. on Thursday and Friday, and from 1 p.m. to 11 p.m. on Saturday and 1 p.m. to 9 p.m. on the final day, Sunday, January 23.

Police Probing Robbery in Park

The Park Police Department is currently investigating a breaking and entering at the home of Gaton Urban, 1001 Three Mile. The incident occurred Friday, January 7.

Urban told police that someone entered and extensively ransacked his home. He found missing miscellaneous coins, valued at approximately \$150, and miscellaneous stamps, also valued at approximately \$150.

Miscellaneous jewelry, value unknown, was taken, plus a shotgun, rifle, stereo player, and a camera, all of unknown value.

VIGILANCE

Always bear in mind that freedom is an achievement—and like any other achievement it can be lost by indifference.

Jaycees Seeking Man-of-Year

The Grosse Pointe Jaycees have obtained Patrick A. McDonald of the Detroit School Board as key-note speaker at their annual Distinguished Service Award/Bosses Night Banquet slated for Thursday, January 20, at the War Memorial.

The annual event is held by the Jaycees to recognize the young man whose efforts and contributions to the community have been the most outstanding over the past year. The recipient is selected by a Senior Selection Committee composed of community leaders and managers.

This year's committee is chaired by Mayor William G. Butler of Grosse Pointe Farms, who is aided by William J. Adams, president of the Grosse Pointe School Board, Clarence F. Wascher, manager of Jacobson's and John W. Lake, director of the Grosse Pointe War Memorial.

The Jaycees encourage individuals and organizations in the community to nominate men between the ages of 21 and 35, who live or work in The Pointe.

They may do so by writing Grosse Pointe Jaycees, 631 Barrington road, Grosse Pointe 48230, with the name, address and phone number of their nominee. Individuals or organizations making nominations should also include their own name, address and telephone number.

Offer Leather Sculpture Class

The newest offering in the adult education program of the Grosse Pointe Department of Community Services is a Leather Sculpture class. This course will be devoted to the techniques of carving leather and making such items as billfolds, purses, notebooks, and keycases.

Students will be taught basic techniques of leather sculpture and work on projects of their own choosing under the guidance of an experienced instructor.

Conducting the class for the Department of Community Services will be Mrs. Shirley Zienkiewicz. Mrs. Zienkiewicz has had much experience in this field, and has a collection of many beautiful items that she has made. A small sample of her craftsmanship, and an example of some items that could be made by students, are on display at the Community Services offices.

The course will be taught on Thursday evenings from 7:30 to 9:30 beginning on Thursday, February 17. The registration fee for the 10-week course is \$12. Materials and tools may be purchased from the instructor at additional cost. The quantity of leather needed will be determined by the products chosen.

Interested persons can register for this course by calling the Department of Community Services at 885-3808, 885-0271 or 885-3701.

ANOTHER LESSON

All mistakes are well worth thinking over—but really destructive to brood over.

New Minister

The REVEREND JOSEPH P. FABRY will be installed as the new pastor of Christ the King Lutheran Church, 20338 Mack avenue, on Sunday, January 16, at 4 o'clock. The Reverend Edward N. Schulte of Detroit will deliver the Installation sermon and The Reverend Carl J. Sangers, circuit counselor from Marysville, will serve as liturgist.

Present Pastor Walter J. Geffert, who will administer the Rite of Installation, will retire as of January 31. He will remain at the church to assist Pastor Fabry in a limited capacity for an indefinite period of time.

Pastor Fabry, a 1949 graduate of Concordia College, Fort Wayne, Ind., was born in Chicago, Ill., September 26, 1929. He continued his studies at Concordia Theological Seminary in St. Louis, Mo., and received his diploma in 1954.

During the past nine years, he has served two congregations in Ontario, Canada; St. Matthews, in Smithville, and Faith, in Dunnville.

Reverend Fabry, his wife Shirley, who was graduated from Valparaiso University, and their four children, will make their home in Beaufait avenue. A reception for the Fabry family will be held at the church immediately following the installation.

A FINE OFFERING

HERE'S A SPACIOUS AND DELIGHTFUL FARM COLONIAL IN A NICE RURAL ATMOSPHERE, BUT CONVENIENTLY LOCATED NEAR SCHOOLS, SHOPS AND TRANSPORTATION. THE NICELY LANDSCAPED SITE IS 110x120.

The warm paneled family room adjoining the living room adds much to the livability of the house besides being a wonderful asset to entertaining. The up-dated kitchen offers a cheerful and convenient work center with its nearly new fruitwood cabinets and carpet. The breakfast room with handy serving island is also carpeted and its bay window provides a lovely view of the large rear garden.

THERE ARE 4 BEDROOMS—THE SMALLER OF WHICH WOULD BE PERFECT FOR AN UP-STAIRS DEN, NURSERY OR GUEST ROOM—AND TWO BATHS; THE BASEMENT IS NICELY TILED AND PANELED AND HAS A GAMES ROOM WITH NATURAL FIREPLACE AND BAR.

IF THIS SOUNDS LIKE IT MIGHT MEET YOUR FAMILY'S NEEDS, WHY NOT GIVE US A CALL AND LET US SHOW IT TO YOU. YOU WILL LIKE WHAT YOU SEE AND THE "PRICE IS RIGHT".

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

They began working before Christmas to make sure the Detroit Institute of Arts' major exhibition of 1972 would be properly welcomed—and what a "bien-venue" they've planned for Passion and Protest in Romantic Art: Theodore Gericault!

"They" are members of the museum's Founders Society Women's Committee, including Mrs. Daniel Goodenough, of Lothrop road, chairman of the festive, formal subscription dinner-preview scheduled for Monday, January 24, and her co-chairmen Mrs. Wilber H. Mack, of Country Club lane, and Mrs. Lee Hills.

The Honorable Charles Lucet, French Ambassador to the United States, is expected from Washington to represent his government at the Arts Institute, along with Detroit's own Consul General and Mme. Jacques Dirks-Dilly and Vice Consuls Pierre Viaux and Joel Thenen.

Invitations are being extended too to other dignitaries, to patrons of the Founders Society—the Founders will have their own special preview Tuesday evening.

Pointe Symphony Women Stay Busy

Violist Robert Howes Will Perform at Annual Meeting Next Thursday; Grosse Pointe Yacht Club to Be Scene of Gathering

Chairman of the Grosse Pointe Symphony Women's Committee Mrs. J. Ross Bush, of Pemberton road, fired off a surprise to her co-members' mailboxes last week, a chatty, gossiping newsletter admonishing them to "think music in 1972"—and providing lots of reasons why they should.

Among the most rewarding reasons was a check for \$1,515.13 turned over to the Grosse Pointe Symphony Society from the Women's Committee at the end of last year.

In 1972 the Women hope to double their fund-raising efforts in order to present the Orchestra with about \$3,000, according to Mrs. Bush's bulletin.

Next gathering on the Committee's agenda is the annual meetings set for Thursday, January 20, at the Grosse Pointe Yacht Club. Business first, at 11 o'clock, will be followed by noon cocktails and a 12:30 luncheon.

The afternoon's musical treat will be a performance by

Robert Howes, violist with the Grosse Pointe Symphony. Hostesses will include Mrs. Waldo E. Fellows, Mrs. Donald Mandel and Mrs. W. Gardner Strawbridge. Handling program details are Mrs. Felix Resnick and Mrs. Robert L. Kaiser.

Social co-chairmen Mrs. Joseph Marshall and Mrs. Ray W. Macdonald will be welcoming newcomers as well as familiar faces.

As is the case with all Symphony Women's Committee doings members are welcome to bring interested guests.

Mrs. J. C. Hurley is organizing an Afternoon of Art Luncheon for the group on Wednesday, February 23. There'll be bus trips from the War Me-

Miss Meyer Says Vows January 8

Selects Satin Gown Accented With Pearl-Embroidered Lace for Her Afternoon Wedding to The Reverend Thomas Darrell Kennedy

Vacationing on the Caribbean island of St. Lucia are The Reverend and Mrs. Thomas Darrell Kennedy who exchanged marriage vows Saturday, January 8, at a 4 o'clock ceremony in The First Presbyterian Church of Royal Oak.

Mrs. Kennedy is the former Christine Sylvia Meyer, daughter of Mr. and Mrs. Norwood H. Meyer, of Greenbriar lane. The bridegroom is the son of Mr. and Mrs. Cecil T. Kennedy, of Fayetteville, Ark.

Dr. Thomas W. Kirkman presided at the rites which were followed by a reception in the Church Fellowship Hall. The newlyweds will return to make their home in Royal Oak.

For her afternoon wedding the former Miss Meyer selected an Empire gown of candlelight satin applied with lace floral motifs em-

broided with seed pearls. Duchesse lace edged her illusion mantilla and she carried white carnations with white Fuji mums and German statis.

She was attended by honor maid Joyce Rosenthal and bridesmaids Mrs. Thomas Coyle, Mrs. William Bean, III, and Barbara Bacon, in pinfore-style frocks of antique gold silk, carrying bouquets of yellow rosebuds and Fuji mums.

The Reverend Robert Clifford came from St. Paul, Minn., to act as the bridegroom's best man. Ushering were the bridegroom's nephew Rick Langham, of Fayette-

Celebrity Series Spotlights Bove

Elge Bove, award-winning designer whose gowns have been worn by movie stars, the Jet Set and members of royalty, presents "A Practical Approach to Glamour" this morning, Thursday, January 13, as the third episode in the 1971-72 Grosse Pointe Celebrity Series.

Using guests from the audience he will demonstrate with creations from his collection and other beauty aids how every woman can be more attractive and glamorous—without being a millionairess.

Following the 11 o'clock program at Eastland Theater he will answer guests' questions at a subscription luncheon at Stouffers.

The Celebrity Series, which featured Eve Arden and Clive David, party-planner, in October and November, is presented by the Assistance League of Bon Secours Hospital.

Chairman of the current series is Mrs. Donald Pokorny. Mrs. Clayton Alandt serves as Celebrity Series chairwoman-elect.

This year money raised by the Celebrity Series will go into a fund for the hospital's \$18 million expansion program scheduled to begin this month. Last year's efforts enabled the Assistance League to complete a fund for an emergency generator at Bon Secours.

Tickets have been sold out for months for the Series which will present Admiral James Calvert in February and Dr. Joyce Brothers in March.

Macomb Dental Auxiliary Rings in the New Year

The Macomb Dental Auxiliary rang in the New Year with a dessert meeting at the Grosse Pointe Yacht Club Tuesday evening, January 11. President Mrs. Michael Kratochwill, of West Doyle place, presided over the session which included discussion of plans for a spring fashion show to be held in April.

Mrs. Kenneth Retford, of Yorktown road, with the assistance of Mrs. Paul Riek and Mrs. Roger Schoenherr, arranged the meeting.

Spending the winter holidays at their vacation headquarters, Ingalls Bay on western Michigan's coast, were MR. and MRS. J. LAWRENCE BUELL, III, of Merriweather road, and his brother-in-law and sister, MR. and MRS. JOHN H. STEPHENSON, JR., who recently returned to The Pointe from Ohio.

Reception To Honor The Goran Genteles

Detroit-Swedish Council Sponsors Party at Detroit Athletic Club to Fete Successor to Metropolitan Opera's Rudolf Bing

The Detroit-Swedish Council will honor Mr. and Mrs. Goran Gentele at a 5 to 7 o'clock reception at Detroit Athletic Club Monday, January 31. Mr. and Mrs. Gentele, who now reside in New York, will be coming from there to attend the annual Opera Day Luncheon at the Detroit Institute of Arts.

Officers of the Detroit Grand Opera Association as well as other civic leaders and members of the Swedish community will be present.

Mr. Gentele replaces Rudolf Bing at the helm of New York's Metropolitan Opera July 1.

Mr. and Mrs. Ata Berker and Mr. and Mrs. E. Jan Hartmann are co-chairmen of the reception. Assisting them are Mr. and Mrs. Dwight M. Nelson, Jr., of Windmill Pointe drive, and Mr. and Mrs. W. W. Wood, of Renaud road, as well as Mr. and Mrs. K. G. Aronsson, Mrs. Gunnar Karlstrom and Dr. and Mrs. John Ylvisaker.

Among the hosts will be Mr. and Mrs. Marvin R. Anderson,

of Deeplands road. He is president of the Council.

Mr. and Mrs. Arvid Lundell, of Duval road, Mrs. Sixten Ehrling, of Trombley road, (Maestro Ehrling will be on tour with the Detroit Symphony orchestra), Mr. and Mrs. Carl A. Cassman, of Kensington road, Mr. and Mrs. Charles J. Koebel, of Shelden road, Mr. and Mrs. Gustave Dahlen of Devonshire road, also will be among the official reception greeting corps.

Mr. Gentele came to Detroit in 1964, (his first visit to USA), at the suggestion of Sixten Ehrling to participate in a symposium, "The Arts and Culture of Sweden." He was

Westover Day Set in Pointe

Westover School, Middlebury, Conn., is planning to spend a day in Grosse Pointe as part of an ongoing program to reaffirm and reacquaint alumnae, parents and friends of the School with its objectives and opportunities.

Mr. and Mrs. Jack A. Tompkins, of Tonnancour place, whose daughter Marianne will

be graduated from Westover in 1972, will be hosts at a 4:30 o'clock reception in their home this Tuesday, January 18.

Headmaster and Mrs. Joseph L. Molder will be there to represent the School, together with the Undertones, a Westover singing group of nine girls.

That evening Mr. and Mrs. William C. McKay, will entertain for the Molders, at their home in Alger place. Lynda McKay, and Jean Pearce, of Chalfonte avenue, also are seniors at Westover.

Mr. Molder stated recently, "Schools and colleges are making renewed efforts to be certain their goals and opportunities are understood by prospective students, parents, alumnae and other friends."

"Since the dozen or more Grosse Pointe families interested in Westover in recent years are unable to come to Middlebury all at the same time, the flexibility of the school year and travel permit us to bring Westover to Grosse Pointe for a day."

Westover is a boarding and day school for girls in grades nine through 12. Interested students in this area may contact Mrs. E. Osborne Coates, alumnae representative. Mrs. Coates says there are over 40 alumnae in Michigan.

Questers Focus Is Philadelphia

Members of Questers' Grand Marais Chapter will have Questers' national headquarters described at a meeting this Friday, January 14, at the home of Mrs. R. O. Artner in Doyle place.

Discussing the historic headquarters building and its renovation in Philadelphia will be Mrs. Arthur Bersey, national historian of Questers and a member of the Grand Marais Chapter.

She will illustrate her talk with slides showing some of the many gifts donated by Questers chapters throughout the country.

Kresge Concert Slated Sunday

Pianist Earl Wild will be featured with the Detroit Symphony Orchestra at a popular-priced Kresge Family Concert in Ford Auditorium Sunday afternoon, January 16, at 3:30 o'clock.

The concert is supported by a grant from The Kresge Foundation. Sixten Ehrling will conduct.

The program will focus on "virtuoso romanticism" and will consist of the Tchaikovsky "Pathetique" Symphony, the Polka and Fugue from Weinberger's opera Schwanda the Bagpiper and the grand-style virtuosic composition Concerto No. 1 for Piano and Orchestra by Xaver Scharwenka.

Tickets are available at Ford Auditorium Box Office, 961-0700.

Nancy Thomas Speaks Vows

People Church, East Lansing, was the setting Saturday afternoon, January 8, for the wedding of Nancy Ann Thomas, daughter of Mr. and Mrs. Edward W. Thomas, of East Lansing, formerly of Cadieux road, and Robert Douglas Street, son of Mr. and Mrs. Robert C. Street, of Hartsello, Ala.

The 4:30 o'clock rites at which The Reverend Wallace Robertson officiated were followed by a reception at the Lansing Country Club.

The newlyweds are at home in Tuscaloosa, Ala., where they are students at the University of Alabama. The bride expects to receive her Bachelors degree in May.

The bridegroom, graduated from the University of Alabama in 1969, is studying there for his Masters degree and expects to receive it in May.

The evening of cocktails, dancing and games will culminate with a late buffet supper. Further information may be obtained by contacting Mrs. Robert A. Pelletier, 881-0937 or Mrs. Haass at 884-5657.

Slides to Show African Safari

The Grosse Pointe Memorial Church Women's Association Book Review Group begins the new year with an interesting travelogue Friday, January 21, following a 1 o'clock tea.

Edgar Hahn will present the slide program, "African Safari." Devotions will be given by Mrs. Edwin G. Evenden.

Mrs. Donald P. Schurr, tea hostess, will be assisted by the Madames Urban Boresch, Donald L. Castle, George Ciavola, Sheldon L. Drennan, Richard C. Edwards, Martin B. Hutchinson, Kennard L. Jones, Walter E. Pattee, Herbert Schumann and Lawrence H. Wilson.

Miss Howe Speaks Vows In St. Paul's

Her Elmwood School First Graders Attend Pre-Christmas Ceremony at Which She Becomes Bride of Paul J. Schulte

At home in Tonawanda, N. Y., are Mr. and Mrs. Paul J. Schulte whose Friday evening, December 17, wedding in Saint Paul's-on-the-Lakeshore was followed by a dinner reception at the Grosse Pointe War Memorial.

Mrs. Schulte is the former Mary Jane Elizabeth Howe, daughter of Mr. and Mrs. Edward V. Howe, of Fisher road. The bridegroom is the son of the Leo G. Schultes, of McKinley avenue.

A group of the bride's first graders from Elmwood School, St. Clair Shores, attended the 6 o'clock ceremony. Monsignor Peter Hill, who presided, was assisted by the bridegroom's uncle, Monsignor Albert

Matyn. The bride wore a gown of candlelight ivory sata peau fashioned with a fitted bodice, Bishop sleeves and a Victorian neckline and accented with pearl embroidery. Her detachable train was Chapel length. Her elbow length illusion veil fell from a pearl-embroidered Camelot cap and she carried a cascade of white roses, stephanotis and ivy. In floor length frocks of wine velvet trimmed with Alencon lace were honor maid

Mrs. Paul J. Schulte

MARY JANE ELIZABETH HOWE and Mr. Schulte were married Friday evening, December 17, in Saint Paul's-on-the-Lakeshore. Their parents are the Edward V. Howes, of Fisher road, and Mr. and Mrs. Leo G. Schulte, of McKinley avenue.

Kathy Zenti, of Marquette, a sorority sister of the bride, and bridesmaids Anne Marie Schulte, of St. Paul, Minn., the bridegroom's sister, and Sue Auch.

Their cascade bouquets featured pink Sweetheart roses and ivy.

Dr. Edward J. Schulte served as his brother's best man, John Schulte, another brother, and James Kennedy, of Cleveland, O., ushered.

The bride's mother wore a coat and dress ensemble of champagne silk-and-wool and carried pink Sweetheart roses. The bridegroom's mother selected a violet silk dress and matching jacket. Her flowers were gardenias.

Youth Orchestra Playing Jan. 30

A "second season" begins for the Detroit Symphony Youth Orchestra Sunday, January 30, with the first public concert of 1971-72 in Ford Auditorium at 3:30 o'clock in the afternoon.

The group, whose concerts last season were praised as "professional" by the critics and enthusiastically received by the public, will play music of Franck, Rimsky-Korsakov and Leonard Bernstein under the direction of conductor Paul Freeman, who is also conductor-in-residence of the parent organization, the Detroit Symphony Orchestra.

The Detroit Symphony Youth Orchestra was organized to provide an opportunity for talented and interested musicians to receive additional orchestral experience in a professionally-oriented environment.

After its initial concert last January, a critic wrote that the idea "paid off—certainly there was nothing amateurish or childish about the performance of any part of the orchestra."

Another purpose of the DSYO is to serve as a type of training orchestra for the Detroit Symphony. Its present 105 members come from all parts of the metropolitan area and it already has had one member "graduate" to membership in a fully professional metropolitan orchestra, the New Jersey Symphony.

A special feature of the Youth Orchestra's weekly rehearsals has been reading through a wide variety of orchestral literature under guest conductors including Henry Lewis and just this past fall, Hans Schmidt-Isserstedt.

The program for the January 30 concert consists of three substantial works: Rimsky-Korsakov's "Russian Easter Overture," the D minor Symphony of Cesar Franck and Leonard Bernstein's "Chichester Psalms." The Orchestra will be joined by the combined choruses of Wayne State University for the "Psalms."

General admission tickets are available both from Orchestra members and from Ford Auditorium Box Office.

Price is \$1 and all proceeds are earmarked for the Orchestra's Scholarship Fund which enables deserving and talented musicians in the group to study with members of the Detroit Symphony Orchestra.

Michigan Orchid Society To Hold Sunday Meeting

The Michigan Orchid Society has scheduled its next regular meeting for Sunday, January 16, at 2:30 o'clock in the Detroit News Auditorium, West Lafayette boulevard, Detroit.

Dr. Lyle Elliott, of Ann Arbor, will present a slide program and lecture, "Standard Cymbidiums and their Origin." Dr. Elliott, a very successful cymbidium grower, is president of the Mid-America Orchid Congress.

Exchanging marriage vows in Saint Katharine of Siena Church, Philadelphia, Pa., Saturday, December 18, were SUZANNE RUTH CORMIER, daughter of the Joseph R. Cormiers, of Lakeland avenue, and Mr. Gehringer, son of the Charles E. Gehringers, of Philadelphia.

Gehringers-Cormier Rites Read In East

Pair Are at Home in Havre de Grace, Md., After Williamsburg Vacation; Bride Is First Lieutenant in Army Nurse Corps

Saint Katharine of Siena Church, Philadelphia, Pa., was the setting for the Saturday, December 15, wedding of Suzanne Ruth Cormier, a graduate of Duquesne University College of Nursing, now a First Lieutenant in the United States Army Nurse Corps stationed at Kirk Army Hospital, Aberdeen, Md., and Michael Edward Gehringer.

The bride is the daughter of Mr. and Mrs. Joseph R. Cormier, of Lakeland avenue. The bridegroom, who is completing his senior year at Duquesne, is the son of Mr. and Mrs. Charles E. Gehringer, of Philadelphia.

The noon rites at which The Reverend John Givney presided were followed by a reception at L'Auberge Inn.

After a vacation in Williamsburg, Va., the newlyweds are at home in Havre de Grace, Md.

For her marriage the former Miss Cormier chose a gown of organza and Alencon lace. A Camelot cap caught her lace-edged illusion veil and she carried white roses.

Honor maid Carol Zitelli, of Pittsburgh, a Duquesne classmate of the bride, wore red velvet. Bridesmaid Brenda Stout, a classmate at St. Paul's School, Grosse Pointe, wore green velvet. Their bouquets were fashioned of white roses and holly.

Green Thumbs Don Thimbles

The Pointe Garden Club will meet Monday, January 17, at the home of Mrs. C. Bayard Johnson, in Tonnancour place where, for a few hours, members will forsake their avid interest in gardening as Donald Mettler speaks on "New Ideas in Needlepoint."

Ribbon Farms Meets Monday

The Ribbon Farms Chapter of Questers will gather for a luncheon meeting at the Golden Lion Monday, January 17, at 1 o'clock as guests of member Mrs. William Kabbush. The program, "Oriental Export," will be given by Mrs. Kabbush following a business session.

Local Lawyers Wives to Meet

Grosse Pointe Branch, Lawyers' Wives of Michigan, will gather next Thursday, January 20, at 12:30 o'clock at the Grosse Pointe Hunt Club for a general meeting and program.

Following the business session members and their guests will hear Harry Klein, senior attorney for Legal Aid, speak and conduct a question and answer period.

Holding undergraduate and Law degrees from Wayne State University Mr. Klein is active both in West Bloomfield Township and Detroit community affairs and is an attorney for United Community Services.

Prospective members are cordially invited to attend and may make reservations by calling 886-3281.

Branch members entertained new and prospective members at a morning coffee Wednesday, January 12, at the home of Mrs. Donald Cook.

The group's past activities were viewed through a beautifully-detailed scrapbook kept since the Branch was found in 1961.

Owosso Wedding For Christine Benger

Mr. and Mrs. Richard Walter Sobak, IV, Vacation on Nassau After Their December 18 Marriage; Are at Home in Owosso

Christine Margaret Benger, who is completing her student teaching in Flint and will be graduated from Western Michigan University this April, and Richard Walter Sobak, IV, a Ferris State College of Pharmacy graduate, exchanged marriage vows Saturday, December 18, in First Congregational Church, Owosso.

She is the daughter of Mr. and Mrs. Edward Taube, Jr. of North Duval road, and the late Ernest Benger. The bridegroom is the son of Mrs. Walter

vacation on Nassau in The Bahamas.

They are at home now in Owosso.

For her afternoon wedding the bride chose a white velvet gown trimmed with lace embroidery sprinkled with seed pearls. A white velvet Juliet cap caught her illusion veil and she carried a nosegay of rosebuds, carnations and heather.

Janet G. Benger served as her sister's honor maid. Bridesmaids were Patricia Ann and Barbara Lynn Benger, two other sisters, Katherine Rogers, of Saginaw, Mrs. Kelly Hassel-

back, of Kalamazoo, and Mrs. Gerritt Pyke, of Owosso.

Their Empire frocks were fashioned of purple velvet and they carried bouquets of heather accented with rosebuds and carnations.

Best man was Steven Baumhardt, of Rochester. Ushers were Arthur Hultin, Jr., of Ann Arbor, Roger Ganger, of Kalamazoo, Gerritt Pyke and Brian Brown, of Owosso.

The bride's mother wore a champagne satin dress with a corsage of roses, carnations and heather, the bridegroom's mother a mint green and beige silk suit with a similar corsage.

Mrs. Richard W. Sobak, IV

Married to Mr. Sobak, son of Mrs. Walter Sobak, of Owosso, and the late Mr. Sobak, in First Congregational Church, Owosso, Saturday, December 18, was CHRISTINE MARGARET BENDER, daughter of Mr. and Mrs. Edward Taube, Jr., of North Duval road, and the late Ernest Benger.

Pittman-Simson Troth Revealed

Dr. and Mrs. Clyde B. Simson, of Lakepointe avenue, announced the engagement of their daughter, Susan Elizabeth, to Steuart Lansing Pittman, II, Friday evening, January 7, at a cocktail party at their home.

The bride-elect attended the University of Massachusetts and received her Bachelor of Arts degree in Fine Arts cum laude from Michigan State University. She is presently associated with the Art Department of the Detroit Public School System.

Her fiancé is the son of

Mrs. Lansing M. Pittman, of Webber place, and the late Mr. Pittman, grandson of the late James Burgess Book, Jr., who, with his brothers Frank and Herbert, built the Book Building and the Book Cadillac Hotel, now the Sheraton, and great-great-grandson of Joseph Campau, one of Detroit's founding fathers.

He attended Grosse Pointe University School, was graduated from Suffield and is presently a student at the Embry-Riddle Aeronautical University of Daytona Beach, Fla.

An August wedding is planned.

Broadcasting Is Current Theme for Mid-Century

Since Mid-Century Toastmistress Club's January study area is microphone techniques, using the theme "American Broadcasting," a humorous rendition of a modern American news, sports and fashion trends broadcast, complete with commercials, was program feature of the group's January 4 meeting.

The same theme, with a different interpretation, will highlight the Tuesday, January 18, meeting.

Newcomers to the Pointe area will find a Mid-Century Toastmistress booth at the Newcomers Reception in the Fries Ballroom of the Grosse Pointe War Memorial this Sunday, January 16.

Mrs. W. S. (Maxine) Riesenberger and Mrs. C. L. (Barbara) Cardwell will be hostesses.

International Toastmistress Clubs are learning clubs for the woman who has a point to make at PTA or church meetings, in business or simply in conversation—but can't bring herself to stand up and talk. Toastmistress helps instill confidence through learning and practice.

Mid-Century meets the first and third Tuesday morning of the month at 9:30 o'clock at the First Lutheran Church of Detroit in Cadieux road. All visitors and potential new members are welcome.

Florence Nolte, 881-0582, will be happy to provide more information on club activities and purposes.

Regina High's Mothers To Present Card Party

The Regina High School Mother's Guild has chosen "Sparkling Snowflakes" as theme for its annual card party, to be presented this year next Thursday evening, January 20, at 8 o'clock at the Regina High Gym in Kelly road, Harper Woods.

Prizes and refreshments will be featured. Donation is \$1.75 and tickets may be obtained at the door. The Guild especially invited senior citizens and retirees to join in the fun.

WE LIKE THIS FLOOR PLAN

Note the large living areas. Not shown is the Recreation Room (with fireplace) in the basement. And if you have a surplus of younger people in your family, there are 3 extra Bedrooms in the basement with wood floors and ample ventilation. There is a shower room adjoining them. The house is in excellent shape, having been recently decorated inside and out. The heat is gas forced air. Possession can be given at close of sale. Shown by appointment.

Dear Mr. and Mrs. Homeowner:
Why go through houses you should have known were for someone else? Consult our floor plan and photograph system. You'll save yourself, and the home owners, a bit of trouble.

Neighborhood Club News

The Neighborhood Club Basketball League started with a barnburner. The North Division Hawks beat the Celtics 31-28 in overtime. The Celtics tied it up with only 14 seconds left. The taller Hawks were led by Bill Hines' nine, Drew Miller's seven and Mark Marshall's four points. Pete Black had four, Don Allen three and Steve Rudolph two points.

The Celtics' scorers were R. J. Paradee 11, Bill Ventimiglia seven, Jeff Cardwell six, and Jule Dionne four points. Kurt Tech had a good day rebounding.

The Bulls' 19-10 half-time lead was enough to beat the Pistons 28-22 as a rally fell short. Mike Smith had seven, Jeff Johnson six, Dean Brierly and Doug Langs three points. Ted Werner, Bill Mesdaugh and Brent Freeman had two points each.

The Pistons' Dave Charvat had 10, Doug Greenup six, Jave Feryus four and Curt Truett two points. The Pistons' press came too late.

Cliff Morehead was hot-handed from all over the court. His 15 points led the Bucks' 28-20 victory over the Bulls. John Baerke had six and five were added by Steve Fowler.

Dave Beyer had six, Rob Burns three, Gary Fenton three, Dave Vroom two and Curt Major two points. Mike Sapini and Vince Day also scored for the Bulls.

The 76ers' tallest man was

absent and the Knicks gained an easy 51-33 victory. John Grennan led all scorers for the day with 22 points. Jim Manning had 14, Steve Johnson eight, Roy Spezia two and Dave Van Egmond one for the winners.

Ralph Cross had 12, Ned Wogniak 1, Pat Antonelli eight and Bill Fraunheim two for the losers.

HOME FIRE DRILLS

Planning in advance for fire emergencies would save the majority of the 6,550 lives lost annually in home fires, National Fire Protection records show. Prepare two escape routes from every room in your home. Have family fire drills often to make sure everyone, including children, knows what to do in case of fire. Careful planning and regular rehearsing of drills may save all your lives. And remember, don't give fire a place to start.

Monteith PTO Fair Jan. 18

The Monteith School P.T.O. general meeting to be held on January 18 is the Monteith Science Fair and Open House.

All six grade students, about 90, will have science exhibits in the gym. These exhibits will be set up on the morning of the 18th. A team of judges including Jack Howells, Barbara Krauss, Ruth Truhol, Marilyn Bocci and John Hamel will be busy all afternoon judging exhibits.

The other students of Monteith will have displays in their classrooms.

Everyone is invited to come to Monteith on Tuesday, January 18, at 7 p.m. to view the exhibits and visit all the classrooms.

South to Hold Winter Concert

The 200 members of the Grosse Pointe South High School Instrumental Music Department will perform their annual Winter Concert at the Parcels Middle School Auditorium on Sunday, January 16, at 4 o'clock.

The two bands and the Symphony Orchestra, under the direction of Russell D. Reed, will perform works from the Romantic era and the Twentieth century.

The Symphony Orchestra will open the program with "The Moldau" by Smetana, a programmatic work depicting the flow of the great river by the same name.

The next work will be the second movement from "Scheherazade" by Rimsky-Korsakov. This features several of the fine young soloists of the orchestra performing the difficult cadenza passage of this challenging work. The Concert Band follows with three short

brisk compositions by Bilik, Wagner and Cavacas.

The Symphony Band provides the after-intermission portion of the program with works by Edgar Warren Williams, Robert Jager, Sousa and Penderecki. The work by Penderecki will provide the greatest musical variety for the program. It is best described as a series of sound experiences where the instruments of the band are used in unusual manners and in the extreme ranges.

Half the world spends more than half its time wondering how the other half can afford it.

GARBAGE STATISTIC

Each family in the Woods buys an average of 300 bags a year from the city of Grosse Pointe Woods, it was learned in the Monday, January 3, Woods council meeting. This statistic surprised many of the councilmen who were approving the purchase of 720,000 rolls of plastic garbage bags from Cadillac Products, Inc., the lowest bidder.

INTERESTING FACTS

Ever wonder where the days of the week got their names?

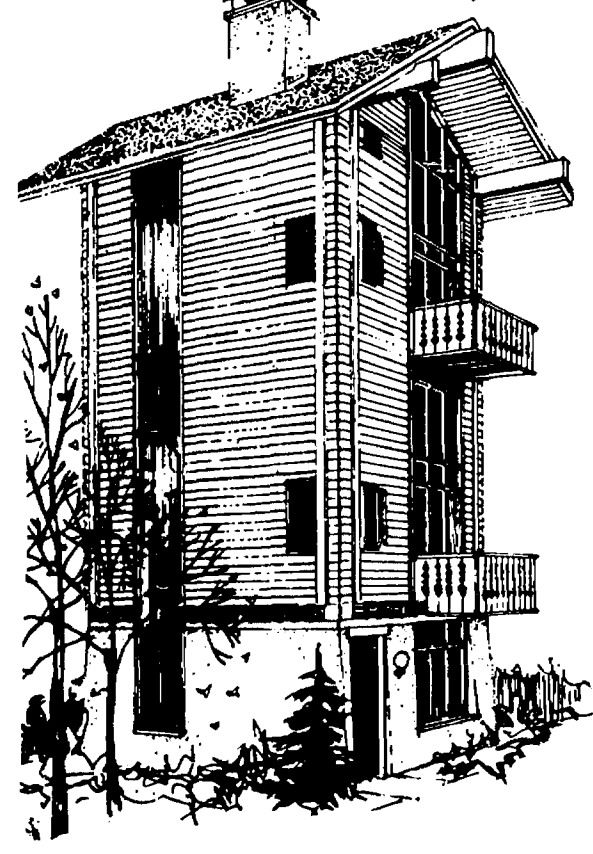

Tuesday, Wednesday, Thursday and Friday were originally named after Scandinavian gods—Tuesday got its name from a god named Tiu (Tiu's day), Wednesday from the god Woden (Woden's day), Thursday from Thor (Thor's day) and Friday from the goddess Fria (Fria's day). Saturday was named for the Roman god Saturn (Saturn's day) while Sunday was the sun's day and Monday is so called because it was originally honored as the moon's day.

And, here's another interesting fact... any day is a good day to see Maliszewski Carpeting for everything new in carpeting. Competitive prices... expert advice are a few good reasons to come in and browse.

Boyne Country Condominiums

Right in the heart of Mid-America's skiing, golf and recreation mecca—BOYNE COUNTRY. The Boynestart condominium village is nestled at the foot of fabulous Boyne Mountain and overlooks world-renowned Boyne Mountain Lodge.

Arlberg As vast as the Austrian Alpine Ski country after which it is named, the Arlberg apartment building houses 12 apartments and is the largest of all buildings in the Boynestart Condominium village complex.

Mont Blanc Recalling memories of Europe's highest mountain, the "Mont Blanc" building sets in quiet majesty in the Boynestart complex. The two-storied Mont Blanc building houses 4 apartments keyed to discriminating tastes and offers broad vistas of the entire area.

Boynestart is only minutes of easy access to a resort complex which offers you 10,000 acres of pleasure—skiing, golf, salmon and trout fishing, sailing, motorboating, deer and small game hunting, swimming, waterskiing, horseback riding, retirement living, investment opportunities—all in one recreational, administrative organization

4 seasons of recreation

Skiing at all the famous Boyne Country areas—Boyne Mountain, Boyne Highlands, Thunder Mountain, and Wailoon Hills—from November through April. Golf at the magnificent 18-hole championship mountain course, 9-hole par 3 course with walking distance from the village, plus a golf training camp for youngsters—and only a short drive away, the challenging 18-hole, Boyne Highlands course, already one of the top ten in the nation, designed by Robert Trent Jones plus the 9-hole par 3 Highlands course—72 holes of golf. Deer Lake Four-Seasons Beach. Chalk to serve golfers, swimmers, boaters and fishermen whose beautiful white beach and private club house with dining and locker room facilities offers the ultimate in lakeside fun. The prime sandy beach, much of which shelves out at a gentle slope as far as 300 yards before youngsters can get chin-deep, is the lake's chief allure. Water is crystal-clear and, because the half-mile wide lake is nestled like a jewel in a bowl of hills, waves are never so high that a fisherman would be come endangered by high winds. It also has a good lake shore, regardless of wind direction, for water skiing at any time of the day. Deer Lake has long been noted as a bass and pike angling lake and abounds with bluegills, sunfish, and perch for the neophyte angler just learning to handle a fly rod. What's more, several small trout streams flow through the Deer Lake area just south of the lake and are readily accessible by good roads. A fleet of rental boats and sailing craft will be available to guests—and a launching ramp will be provided for club members desiring to bring their own. A private road connects the Boyne Country Four-Seasons Beach Club with Boynestart just a mile away to the eastward.
