Burger Chef to Build

(Continued from Page 1) Chef where she saw two persons eating in the cars. She was also interested in the way the food was served, and asked Mr. Dunn to review the service arrangement.

The Burger Chef representative said a party would be shown to a table, then select their meal from a menu, go to a central ordering area, where their order would be immediately filled, the food served in plastic and paper containers, on a reusable plastic tray, and then return to their seats and eat.

Councilman James Mast asked the representative how the proposed restaurant would compare with the Burger Chef at Eastland.

"The floor plans are similar and the shells of the buildings are similar, but the two restaurants have a completely different concept. The menus are different, and there is more seating in the Grosse Pointe Farms restaurant," Mr. Dunn explained.

"What would prevent you from converting the Farms Burger Chef to one similar to the Eastland Burger Chef?" Councilman Mast pressed.

At this point, another representative of Burger Chef broke in and explained that the newer marketing concept, was that employed in Grosse Pointe Farms.

Councilman Mast then questioned the three foot gate at the rear of the Burger Chef's parking lot. A representative confirmed that it was for pedestrian traffic, particularly for pedestrians coming from the "monstrous" parking lot behind Sears Roebuck and from the Kerby playing field.

Councilwoman Nancy Waugaman posed the problem of the customers going onto Kerby Field with their litter.

Councilman James Dingeman cited General Foods Management's recent \$47,000,000 tax write-off as a business loss over the last four years. He stated his concern over the firm lack of experience and questioned what would happen to the facility if the business venture proved to be a failure.

"Would it be fair to say that the Burger Chef might be converted to a drive-in?" Councilman Dingeman probed.

"Yes... but all indications in the market is that the trend is going away from drive-in restaurants," one representative returned.

Farms Mayor William Butler then recognized the local residents who had filled the Farms council chambers to capacity.

One resident, Sid Girardin, 425 Hillcrest, asked "If this is a family restaurant, why not poll the residents?"

Mayor Butler said that a true sampling of opinion was difficult to obtain, since only two percent would be heard—those violently for the restaurant or those violently against.

Councilman Mast then asked

ed the resident "Are you for or against the restaurant?" and all the persons in the audience motioned that they were against it.

Other residents posed the question of the height of the back enclosing fence, the hours of the restaurant and the possible traffic hazard.

The Burger Chef representative made it clear that they were willing to comply with any regulations The Farms would place on the back wall, closing off pedestrian traffic; that the hours of the restaurant were reasonable, 11 a.m. to 11 p.m.; and that no additional traffic hazard would be created since autos would not have access to the alley.

Farms Mayor Butler, after the debate had continued for over an hour, indicated that the issue should be resolved. Councilman Dingeman moved the resolution for the restaurant, and Councilman Mast seconded the motion.

Councilwoman Waugaman voted against the Burger Chef stating that the restaurant "lends itself to carry out service and eating in car."

Councilman Hudson joined her by deciding "This installation will be more of a liability than an asset."

The other councilmen, with the exception of Mark Stevens who was absent, voted for the Burger Chef making the final vote 4-2.

After the vote, the question was raised whether the 4-2 vote was valid, since five votes are needed to amend a Michigan State Statute on zoning.

At this point, Jay M. Kogan, the owner of the property and whose office is on James Couzens, stood up and told the council that he wanted the issue resolved.

"I am the owner of this property, and I have been held up for six months. It was my understanding that it would be 'yes' or 'no' tonight. It is my capital that is tied up," Mr. Kogan said.

Farms Attorney George McKean promised the property owner that the question would be resolved this week, as to whether the Michigan statute would interfere with the affirmative vote of the Farms council.

Woods B-E's

(Continued from Page 1) cross is about 24-inches high. Its value is unknown.

Officer Patrick McMath received a report from Henry Toenjes, 1248 Anita, at 8:12 p.m., while officer William Lentz received a report from Homer P. Strale, 1923 Norwood, at 8:37 p.m., on February 10.

The thieves entered the Toenjes residence by breaking a small hole in a living room window and unlocking it. A bedroom was ransacked and various jewelry and cash valued at \$585 was taken.

Stolen from a nightstand drawer was one solitaire diamond ring valued at \$110; one wedding band containing seven diamonds valued at \$150; one sterling silver chain; a diamond pendant, valued at \$140, and one diamond ring which originally contained five diamonds, with the center diamond removed and set in the pendant, valued at \$125.

Further investigation revealed that \$60 in cash was taken from a gray metal box in the den and an unknown amount of change also was stolen. Police discovered footprints leading from the back of the house going north, then west on Marter road.

Entry into the Strale residence appears to have been through an unlocked side door. The culprits took a new Zenith 19-inch color television set, valued at \$410, from a bedroom. An "Aima" five-inch reel tape machine was stolen from a stairway closet. It was valued at \$68. A roll of eight-cent stamps also was taken.

The thieves also took seven one-quarter carat diamonds of unknown value from a jewelry box on top of a dresser. Ten silver dollars, plus ten 1964 half dollars, were stolen from a drawer.

Footprints, leading to Oxford, were observed from the side of the house to the back fence.

Movie Causes Protests

(Continued from Page 1) brutal and take delight in beating prisoners; prisons are completely inhuman.

"Religion and its ministers are treated with no respect; scientists are mechanical, completely devoid of feelings; doctors and nurses are lewd and indecent, and government's only interest is to stay in power, not the people or their wishes."

The "Morality in Media of Michigan, Inc.," in a release said, "The fact that this film was given a 'film critics award' (The New York Film Critics awarded "Orange" the best film prize and Mr. Kubrick the best director award) should not deceive you, as this merely applies to the direction and does not cover the content or subject matter of the film which is brutal, sadistic and erotic beyond description."

The release added, "We are all so concerned about pollution these days — here is an opportunity to do something constructive about 'Pollution of the mind' in our own neighborhood."

Theater Receives Complaints

Meanwhile, the NEWS contacted the Warner Brothers Distributing Corporation in Oak Park, ("Orange" is distributed by WB). A spokesman said that he has received no complaints about the film and added, "It is perfectly normal when you have an X-rated picture that a certain number of calls like this are expected," even though the film is critically acclaimed.

The NEWS also contacted the Woods Theater's assistant manager, who refused to give his name, and he said that numerous complaints have been received against the film. When asked for his reactions to the com-

plaints, he declined to comment.

"Orange" is Mr. Kubrick's first film since his generally applauded "2001: A Space Odyssey" (1968) which also featured considerable discussion among viewers. What the result of all this commotion on "Orange" will be is difficult to assess. However, it's not apt to hurt the box office returns at the Woods and Bloomfield Theaters where the pic is currently showing.

Woods Makes Appointments

Four appointments were made by the Woods council at the regular meeting Monday, February 7.

Reappointed to the Pension Board were City Treasurer Helen L. Fox, Mayor Kenneth R. McLeod, and Councilman George S. Freeman, whose current terms expire April 30, 1972. The new appointments are for two years.

Councilman Kenneth W. Boerner was reappointed to the Election Commission. His current term ends in April 1972, while his new term will be up to October 1973.

Woods Upset Over Refund

The Woods sent a refund check of \$11,543.58, under official protest, as repayment for the alleged overpayment to the city of its share of the State income tax. A letter from City Administrator Chester E. Petersen to Louis H. Funk, Wayne County treasurer, regarding this matter was an item on the agenda at the regular meeting Monday, February 7.

In his letter, Mr. Petersen said that the Woods is protesting because the provisions of the proposed "Revenue Sharing Act," (namely, P.A. 140-1971), "in our opinion were arbitrarily and capriciously changed prior to its adoption by the Legislature."

Mr. Petersen also mentioned that the Woods felt that the public act wasn't equitable, favoring "a few of the larger cities within the State of Michigan by providing an incentive for inefficiency in local government while penalizing other local governments for their efficient operations."

Woods Advises Against Building of Restaurant

By Roger A. Waha
One item on the agenda at the Woods regular council meeting Monday, February 7, was a letter written by City Administrator Chester E. Petersen to R. H. Dean, chief executive officer, Ralston-Purina Company, St. Louis, Mo., regarding construction of a Jack-in-the-Box restaurant.

It received a favorable reaction from the council and a motion was unanimously passed to receive it and place it on file.

Foodmaker, Inc., has been making an effort to build a Jack-in-the-Box restaurant on Mack between Van Antwerp and Lennon. But resident petitions have recently snowballed against the construction. As of January 18, they totalled 2,743. The petitions were sent to Ralston-Purina, Foodmaker's parent firm, along with Mr. Petersen's letter dated January 18.

In the letter Mr. Petersen said, "Our City Council has currently denied Foodmaker, Inc. a building permit for the construction of such a restaurant on the basis that the proposed location for same and the construction thereof would be detrimental to the health, safety and welfare of our residents and would pose as a serious traffic hazard within our community. This matter is now pending before the Circuit Court of Wayne County, Mich."

"On behalf of the residents of Grosse Pointe Woods, we would urge you to use your influence upon the officials of Foodmaker, Inc. and your company's Board of Directors to direct that such proposed restaurant construction within our City be withdrawn in view of the fact that any business venture such as the proposed restaurant cannot be a success

Judge Pytell Hears 9 Cases

The Farms Municipal Court convened on Wednesday, February 9, with Farms Judge Robert Pytell presiding. The judge heard nine cases, all involving driving infractions, and issued two bench warrants for failure to appear in court.

Wilbert M. Brucker, Jr., 76 M^erriweather, was charged with failure to stop resulting in an accident. He pled not guilty, and his trial is scheduled for Wednesday, April 26.

Christopher L. Wilk, 1070 Torrey, was charged with making an improper left turn resulting in an accident. He pled not guilty, and his trial date is also Wednesday, April 26.

Robert R. Gross, 228 Ridgmont, and Theodore Fair, 23142 Doremus, were both charged with careless driving resulting in an accident. Both pled not guilty, and their trial is Wednesday, March 22.

Thomas Richardson, 33330 Marquette, Garden City, was charged with careless driving. He pled guilty, was fined \$150 and placed on probation for a year.

Elizabeth R. Rollins, 19927 Doyle place, was charged with opening a vehicle's door so as to impede traffic. She pled not guilty, and her trial is set for Wednesday, March 22.

Howard Anderson, 847 Newport, Detroit, was charged with driving with a revoked license. He pled guilty, was found guilty, and was sentenced to 15 days in the Detroit House of Correction and fined \$150.

Eric S. Quint, 217 Riverside drive, Detroit, was charged with speeding. He pled guilty, was found guilty, and his sentencing was set for Wednesday, February 16.

Michael Sassin, 11645 Nottingham, Detroit, was charged with driving without a license. He pled guilty, yet the case was dismissed since he had been granted a permit.

Council Makes Judge Winner

Farms Municipal Judge Robert H. Pytell let the Farms council be the judge in the Monday night, January 31, council meeting.

The case in question was whether the City of Detroit should reimburse The Farms for Judge Pytell's time in Common Pleas Court. In other words, for every day Judge Pytell spent in Common Pleas Court, Detroit would pay The Farms \$9.60 for the service of their judge.

The judge had informed the council by letter that the reimbursement could be waived by The Farms, or The Farms could accept the money and then pay the judge the refunded money.

Farms Mayor William Butler asked Judge Pytell, "Does your work for Detroit ever interfere with your work for The Farms?"

The judge replied that it didn't, since Detroit usually checked to see if a proposed date in Common Pleas Court would interfere with a judge's schedule.

When asked how much Detroit could be responsible for paying The Farms, the judge replied that it was between \$1500 and \$2000 for his services in the last three years.

Andrew Bremmer, Farms city manager, pointed out that Judge Pytell was doing a commendable job, and that he had even added an extra court day to keep abreast of his responsibilities.

Councilman Richard Hudson moved that The Farms accept the reimbursement from Detroit, and that The Farms pay the judge the refunded money.

The council voted unanimously in favor of paying the judge the \$1500 to \$2000, so Judge Pytell's appearance before the Farms council proved not to be too great a "trial" for him.

Police Teamwork Results in Arrest

The combined efforts of the Farms and the Park police forces resulted in the arrest of a man who had attempted to steal a color TV from Sears Roebuck, 18950 Mack, on Monday afternoon, February 7.

The Farms police department were alerted by the Sears customer service manager, Leonard J. Vervaeke, who said that he had observed a white male about six feet tall, weighing about 200 pounds, attempting to take a Sears portable color TV set from a dolly which was on the loading dock at the rear of Sears.

The Sears employe then saw the subject, apparently frightened by something, run to the parking lot. There he got into a red Mustang,

occupied by another white male, and the two proceeded to travel west in the alley behind Sears.

When the Sears employe, Mr. Vervaeke, 30649 Mayflower, Roseville, called the Farms police, he described the thief as having brown hair, a beard and mustache, and wearing a grey jacket and dark pants.

The Farms police alerted the neighboring forces, and Park patrolman William Furtaw soon spotted the suspects in the red Mustang and Three Mile drive.

After the suspects were taken to the Park police station, Farms patrolman Timothy Morrison took them to the Farms police station. There the two suspects were

identified as Larry A. Cooper, 22, 4389 Parkinon, Detroit, and David J. Mayo, 688 Eastlawn, Detroit.

Cooper was charged with the attempted larceny, and was released on bond pending his court date of Wednesday, February 23.

Let's Fight Human Pollution In Our Community

On Feb. 9th, "CLOCKWORK ORANGE" opened at the WOODS THEATER

It is "X" rated, has been given a "C" rating (condemned) by the NCOMP, and is admittedly totally violent, bestial, erotic, dehumanizing and nauseating, featuring drug-saturation, gang beatings, gang rapes, and debased sexual representations.

However, notwithstanding its total vileness and degeneracy, certain reviewers and "pornography-pushers" would have us accept this HUMAN POLLUTION in our community on the grounds that:

- 1) It has the socially redeeming factor of a) portraying the total violence, eroticism and degeneracy to which our civilization is speeding, and b) examining experiments in rehabilitation (brainwashing);
- 2) It is brilliantly done and original;
- 3) To exclude it from the community would be akin to censorship.

We invite the citizens of the community to join with us in rejecting the absurdity and falseness of the aforesaid rationalizations. We invite them to recognize CLOCKWORK ORANGE for the epitome of filth, degeneracy and human pollution that it is. And we invite them to join with other citizens in having this pollution excluded from our community.

Detroit Solon To Speak Here

Last September Detroit's city councilmen were told they would soon have the tools to crack down legally on the city's "adult" book stores and movie houses. Led by Councilman David Eberhard, city officials have sought ways for over a year to control the spread of pornography. Next week the Detroit City Council will vote on such an ordinance.

The Grosse Pointe Woods Council on January 17, unanimously approved the adoption of such an ordinance to regulate adult book stores.

The Grosse Pointe Motion Picture and Television Council, whose purpose is to "stimulate interest in the showing of better films in our community as expressed by the membership from our community," in its effort to keep the community posted on progress in this area, has invited Councilman Eberhard to be its guest speaker at its meeting on Monday, February 21, at 1 o'clock, in the Central Library.

Councilman Eberhard has received many honors and awards for his outstanding leadership in community affairs. He was named one of the Outstanding Young Men of America in 1970. Councilman Eberhard will discuss the proposed Detroit ordinance.

He will explain how working with the City Corporation they have an ordinance they feel will be binding.

Councilmen from all five Pointes and Harper Woods have been invited to attend.

Because of recent developments affecting our own Community we urge local citizens to attend this session, and ask questions. The council hopes to provide some answers.

Quite a lot of wreckage results from bursts of confidence.

Pier Hazard

(Continued from Page 1) Mr. Turos, before continuing his remarks, commended the rescue squad. "Your police and fire department made an excellent try, and I wish that the council would recognize Officer Otto Glanert."

In concluding his remarks, Mr. Turos urged the council to be aware of the accidents which could happen at The Farms Pier, and to install water safety equipment at the warming shack and increase supervision so that a person cannot trespass onto the lake.

"I don't ever want to hear of another tragedy, and I will continue to check if anything is done," Mr. Turos warned the council.

Farms Mayor William Butler expressed the sympathy of the entire city and said "You showed great courage to speak here." The Mayor promised that The Farms would weigh the suggestions carefully, and investigate the situation at The Farms Pier.

'Drug Trial' Slated Feb. 24

A "Mock Drug Trial" sponsored by the Grosse Pointe Jaycee Auxiliary and the Family Life Education Council (FLEC) will convene at 8 p.m. on Thursday, February 24, in the auditorium of St. Paul On-the-Lakeshore.

The trial, which was held previously in New York and met with great success, is based on a true drug case although fictionalized names are used. The audience will form the jury, and a question and answer period will follow.

Judge George Bashara, Jr., will preside, with Herold Deason, assistant city attorney for The Park, acting as prosecutor and attorney Richard Miller as defense attorney.

There is no admission charge and everyone is encouraged to attend.

DO YOU HAVE THE APTITUDE AND THE DESIRE TO —

1. Render professional sales service to professionals in other fields?
2. Become a member of a team of career professional salesmen?
3. Complete a 4 year training and educational program to equip yourself to meet and to solve the personal business and estate problems faced by everyone today?
4. Take over and run your own lucrative business without capital outlay — now or ever?

WHO SHOULD APPLY?

1. Persons who have successful jobs in business or industry but who are "dead ended" until someone dies or retires.
2. Persons with good educational or experience background who are dissatisfied with their pattern of advancement in the prestige, income and personal goals of their present employment.

Church Choir Bids Singers

In preparation for a "remembering" of the awesome event that happened on Good Friday, the Festival Choir of Grosse Pointe Memorial Church will begin rehearsing "The Passion according to the Gospel of St. John" by Heinrich Schutz.

The rehearsals are held each Sunday, beginning on February 20, from 12:25 to 1 p.m. in the Choir Room on the third floor of the Church House. Singers from the community-at-large, beginning at high school age, are invited to learn this short Passion, without auditioning.

This short, impressive choral service will be held on Good Friday, March 31, at 8 p.m., as a "Tenebrae" experience based on the early church tradition of gradually darkening the church over the three days from Maundy Thursday through Saturday evening. To emulate this tradition, the sanctuary of Memorial Church will be dimly lighted, with the congregation's visual attention drawn to the cross, and its audible focus on the vocal "story-telling" by the sung roles of the individual characters, with the Festival Choir representing the crowds.

The German composer, Heinrich Schutz, (1585-1672) composed the St. John Passion when he was 80 years old, and the work was considered to be "avant-garde" at that time. It was from Schutz's simple form of the Passion that Johann S. Bach (1685-1750) was able to pick up and develop the great oratorical works of our musical heritage.

Recognition of Schutz's place in music history is a recent development, and the English edition use for this service bears a 1962 copyright of which no English recording has yet been made. To make the text even more contemporary, Mr. Johns has substituted the New English Bible translation for the King James' version of the 1962 edition. The Passion is of approximately 30 minutes' duration and is an excellent "stepping-stone" for young people wishing to understand the more elaborate, highly developed Passions written by Bach and such twentieth century composers as Penderecki.

For further information, call the Memorial Church of office at 882-5330.

Cinema League Meets Feb. 24

The Cinema League will meet Thursday, February 24, at 8 o'clock in the auditorium of the Grosse Pointe War Memorial.

Charles Helin, local industrialist and world traveler, will provide running commentary on his 16mm. movie, "Foreign World Highlights".

This film was edited to feature the outstanding places of interest from Mr. Helin's numerous trips around the world.

The Cinema League membership and visitors have enjoyed several of his presentations during the past few years.

Refreshments will be served after the program by Mrs. Jan Nyboer, Mrs. Marshall E. Collins, and Mrs. Everett C. Tranbarger, the club secretary.

Live in fear of the future and you'll fumble the present.

School System Gets Hearing

The Grosse Pointe Public School System in seeking to intervene in the Detroit school desegregation case has been granted a hearing before U.S. Judge Stephen J. Roth, at 10 a.m. on Tuesday, February 22.

Other groups reportedly asking to intervene in the case include the National Action Group (NAG), the Jefferson-Chalmers citizens District Council, Tri-County Citizens, and attorneys representing 55 other suburban school districts.

Judge Roth is not expected to rule which groups, if any, will be allowed into the case until the beginning of hearings on the integration plans he has before him.

The Grosse Pointe Board of Education voted unanimously at the regular February meeting to direct its attorneys to intervene in the Detroit school desegregation case.

The schools are represented in the proceedings by the Detroit firm of Hill, Lewis, Adams, Goodrich, and Tait.

Car Damaged By Hit-Runner

A hit-and-run accident was reported to the Farms police on Sunday, January 23, by Richard A. Delsener, 17, of 312 Ridge road.

Damaged is a '70 Ford belonging to Wayne Arthur Manson, 15911 Edmore, Detroit, which had been parked in front of Delsener's house on Saturday night, January 22.

Delsener reported to Farms police that he heard a loud crash between 6 and 7 p.m. on Saturday night, but when he looked out a front window he could see no vehicle damage.

Later when he inspected the car about 1 a.m. that morning, he noticed the damage. The owner, Manson, estimates the damage at \$150.

Brownell PTA To Meet Feb. 24

The Brownell Parent-Teacher Association will hold its third meeting of the school year on Thursday, February 24, beginning with room visitation at 7:30 to 8:00 o'clock.

A highlight of this segment will be the presentation of instrumental music solo and ensemble numbers which received high ratings at the recent Junior High Music Festival, in the instrumental music room (C-15).

President Stuart Cammett, Jr., will call the meeting to order at 8:05 p.m. in the gymnasium. The 120-voice, sixth-grade choir will sing a few selections, under the direction of Daniel Evola.

Program chairman, John Marschner, has arranged for Detectives John Kendall and Mike Ferrence of the Youth Service Division, to speak to parents concerning the division's role in the community.

Mrs. William Race is in charge of the refreshments which will be served in the girl's gymnasium at the conclusion of the program.

Trombly PTA Meets Feb. 22

Dr. Theos I. Anderson, Superintendent of Schools, speaks at the Trombly School PTA meeting, Tuesday, February 22, at 8:15 p.m. Current local and state issues have a profound far reaching thrust on the shape of our schools in the immediate future. The Detroit segregation suit, state finance reform, local finance, and the constitutionality of the local property tax are facets Dr. Anderson will explore in his talk "Current Issues Facing The Grosse Pointe Public School System."

Classrooms are open at 7:45 p.m. and parents are cordially welcome to view their child's "office" and visit with the teacher.

Mrs. Foster Redding and Mrs. Bruce Thomas, social chairmen, together with room mothers, Mrs. Joseph Greiner, Mrs. Paul Ender, Mrs. Lee Caplan, and Mrs. Warren Couger host the informal social hour in the gym following the general meeting.

Ice Hockey Tourney Set

The Long Branch Minor Hockey Association from Toronto, Ont., will visit Grosse Pointe for a hockey tournament Saturday, February 19, and Sunday, February 20.

Long Branch is bringing five teams ranging in age from Mites, (six to eight-years-old), to Midgets, (15-16-years old). The boys will be guests of Grosse Pointe families for the weekend.

In hosting this tournament, the Grosse Pointe Hockey Association is returning the hospitality extended by the Long Branch Association when several GP teams visited Toronto the weekend of February 12-13.

Games will be played at Gordie Howe Hockeyland, 33101 Harper, St. Clair Shores. Action on February 19 includes the Mites at 6 p.m.; PeeWees, 7 p.m.; Squirts, 8 p.m.; Bantams, 9 p.m., and Midget "B" teams, 10 p.m. On February 20, the Mites play at 9 a.m.; Squirts, 10 a.m.; PeeWees, 11 a.m.; Bantams, 12 noon, and Midgets "A" teams, 1 p.m.

There is no admission charge, and anyone interested in enjoying minor hockey is encouraged to attend the games.

CAR DAMAGED

Virginia Van Tiem, 1716 Anita, reported to Farms police on Wednesday, February 2, that someone had run into her '71 Ford Torino parked in the rear of 18950 Mack and had left the scene without leaving his name. Traces of turquoise paint were found on the hood where the car was dented, and she recalled a turquoise '57 Chevy parked in front of her car when she left it at 1:30 p.m.

Cagers Work On Win Streak

By Mark O'Keefe
The JVs are working on their third three game winning streak of the season after downing Monroe 59-51 and then walloping Ann Arbor 72-42, in weekend action. Monroe fought hard to beat the Devils and managed to hold a 31-26 halftime lead. Coach Dan Cole feels South's basic problem was that Monroe was well prepared for South's defense.

A strong third quarter put the Devils in front 42-36 and they continued to outplay the Trojans in the final period to take the victory.

In the first quarter Pete Grambo injured his ankle and was forced to leave the game. His replacement, Stu Thiede, went on to pace the Devils with 19 points, and in rebounds, with 13. Mr. Cole and the JV team agreed that Thiede was the difference in the game.

Rob Heidt's 16 points backed up Thiede's scoring in the victory. Jim Scala's 11 rebounds, along with Stu Cammett's nine, helped the Devils defensively.

The JVs found winning to be easier Saturday, February 12, as South led all the way in their victory over Ann Arbor. This was one of South's better games defensively as well as offensively. South scored 18, 22, and 20 points, respectively, in the first three quarters.

In the first half South was keeping Ann Arbor from moving the ball down court as they outplayed the Pioneers by a large margin to gain a 40-17 halftime lead. The JVs continued to score in the second half and wound up with a 30 point victory.

Scala was high scorer for South with 17 points. Heidt scored 15 points in the game and Cammett, Scott Solomon and Thiede added eight points each. Scala was the high rebounder with nine as Heidt finished second with seven.

The JVs will take their 11-3 record against Wyandotte Friday, February 18 at 6:30 p.m. Wyandotte lost to the Devils earlier this year, 64-51. Midway through the final period South had only a four point edge, so Mr. Cole feels the Bears could be very tough this week.

Policemen Nab Runaway Girls

Farms policemen Otto Glanert and Gordon Evans were on routine patrol at 10 p.m. Thursday, February 3, when they noticed two 15-year-old girls hitchhiking on Mack avenue between Manor and Cloverly.

Upon questioning, the girls admitted that they were wards of the Wayne County Juvenile Court and had been placed in a foster home at 4626 Somerset, Detroit, until their hearing. They also admitted that they were attempting to run away.

The Farms policemen took the girls to the Farms station, where they telephoned the foster home. The woman at the home refused to take back the girls, stating that the suspects had stolen \$10 and two rings from other youths in the home.

The Farms police turned the girls over to the Wayne County Youth Home.

Set Pre-School Study Groups

The Northeast Guidance Center will offer a Pre-School Child Study Group for four year olds and their parents beginning in March. The 10-week session will begin March 27 and continue on Mondays and Tuesdays from 9:00 a.m. to 11:15 a.m., in the Salem Memorial Lutheran Church, 21230 Moross road.

The Pre-School Child Study Group is designed to help parents learn more about child development in general, about the specific development of their own child, and about techniques in child rearing. The children participate in a nursery school program and the parents take part in a series of discussion group meetings.

The nursery school is staffed by one nursery school teacher and trained volunteers. Group meetings for mothers are held on Tuesday mornings, and evening meetings are scheduled for fathers and both parents. Parent meetings are led by a child development specialist. Individual conferences with each set of parents are held at the end of the 10-week session.

This service is available to anyone living in the area bounded by Eight Mile road, Lake St. Clair, Conner and Gratiot.

Fees are based on ability to pay. Applications and information may be obtained directly from the Center by the family by calling 886-3566 or writing Northwest Guidance Center, 1700 East Warren Ave., Detroit.

GAS SIPHONED
Gary Evans, 923 Washington, called City police on Saturday, February 12, to report that he has suspected for some time that someone has been siphoning gas from his tow truck and his wife's car. He said the previous evening he filled his truck with gas, to verify his suspicions, and the next morning found an empty tank.

Hockey Mites 1-1 in Canada

The Grosse Pointe North Stars, the Mites all-star team, split two games with the Canadian equivalent of the Mites, the Paperweights all-star team, in the Invitational Tournament of the Long Branch Minor Hockey Association February 12-13. The games were played in Toronto, Ont.

In this first appearance of the Mites in a travel tournament, the North Stars were dumped 5-1 in Saturday's action. However, the Stars "put it all together" and edged the Paperweights, 4-3, in Sunday's contest. The Sunday game featured fine passing by the forwards, plus excellent defense and goaltending.

The Stars are "number one" in the current Mite standings through February 14. They boast a record of 10-1-3 for 23 points, while the Flyers at 10-1-2, 22 points, are right behind. The Kings are 7-2-4, for 18 points; Hawks, 8-5-1, 17; Stars, 4-8-1, nine; Bruins, 2-10-1, five, and the Leafs, 0-13-0, no points.

School Board Schedule Told

Although the media (and others interested) received copies of the schedule of meetings for the Grosse Pointe Board of Education for the 1972-73 year, in light of the questions raised at a recent meeting, the administration has asked the NEWS to re-state the meeting schedule.

The regular meeting of the trustees is held at 8 p.m. on the second Monday of each month in the gymnasium of Monteith School, 1275 Cook Road.

A special meeting (normally for paying bills) is generally scheduled for 8 p.m. on the fourth Monday of each month in the Board Room of the Administration Building, 389 St. Clair Avenue.

In addition, the trustees are empowered to hold other special meetings when the need arises, according to the provisions of bylaws adopted by the trustees last July.

Unless the schedule is changed (by formal action of the trustees), dates for regular meetings for the balance of the 1971-72 year are: March 13, April 10, May 8, and June 12. Dates for special meetings are February 28, March 27, April 24, May 22, and June 26.

South Cagers Beat Monroe

By Mark O'Keefe

A strong fourth quarter by the Ann Arbor Pioneers prevented the Blue Devils from sweeping their weekend series as the Pioneers squeaked out a 70-66 victory. But on Friday, February 11, the Devils smashed Monroe, 79-66.

South will meet Wyandotte in their final home game of the season Friday, February 18. Game time is 8:15 p.m. The Bears have a 4-4 Border Cities League record, good for third place. The Devils are 3-5 in BCL action and are 7-7 overall. Earlier this year, the Devils were defeated, 86-75, in Wyandotte.

Coach Charles Hollisy commented, "I can't believe they're as good as Ann Arbor," implying that South should fare well against the Bears. The Bears have two 6'7" forwards and high scoring guard Gary Frazee to pace the attack.

South played strongly and consistently in Monroe, leading by 10 to 15 points throughout the game. The Devil's 15 point halftime edge carried them through the second half. South got in close against the Trojans and were able to score on easy shots.

Steve Kennel had 16 points to pace South's victory as Jim Bird and Dave Gaitley scored 15 points each. Pete Farner added 12 and George Heidt scored 10.

Temporarily, it looked like South would pull their biggest upset of the season over Ann Arbor, but the Devils scored only two points in the final three minutes of the game and lost out to the Pioneers.

Ann Arbor started well, holding a 12-2 edge in the first quarter. They finished the quarter leading 19-12. South scored 10 consecutive points to start the second quarter and played evenly with Ann Arbor for the rest of the game.

The Devils second quarter was their strongest as they outscored the Pioneers 26-19 to tie the game at half-time, 38-38.

In the third quarter South lost the lead twice momentarily, and managed to hold a 58-55 lead entering the fourth quarter. Mike Stavale put South in front by five but from there on Ann Arbor took over. The Pioneers won the game by outscoring South 15-8 in the final period.

During the second half the Pioneers never led by more than two points until Bob Elliot scored his buzzer shot to give Ann Arbor a four point victory. Hollisy credited Ann Arbor's edge to Elliot, who scored 29 points and pulled in 26 rebounds.

Gaitley scored 16 points for the Devils while Heidt notched 13. Kennel and Chris Charlton added 12 and nine, respectively.

Woods Officer Nabs Speeder

Officer William Desilets of The Woods Police Department spotted a speeding driver, and pursued him until he "got his man" Friday, February 11.

While on patrol, he observed a vehicle driven by Raymond Gilbert Mascar, 401 Riveria, St. Clair Shores, traveling north on Mack at Vernier. Mascar turned left onto westbound Vernier, failing to follow the "No Left Turn" sign.

The auto continued, failing to stop for a red light, turning left onto southbound Mack, proceeding at a high rate of speed. Officer Desilets tried to pace the vehicle but wasn't able to do so until Norwood and Mack, at which time Mascar slowed down for the red light near the police station.

Mascar then proceeded again at a high rate of speed, failing to stop for the red light. At that time, officer Desilets paced the car in excess of 80 m.p.h.

Between Stanhope and Bournmouth, the auto passed three other vehicles on the right side at an 80 m.p.h. clip. When Mascar approached Mack and Moross, he failed to yield to a Detroit scout car, with emergency lights and siren on, who was turning left onto Moross going to St. John Hospital.

Mascar was ultimately stopped and brought to the station. He posted a \$100 bond and is scheduled to appear in court Wednesday, March 15, on reckless driving charges.

Character has very little market value unless it has been put to the supreme test.

Local Jaycees Seek Members

The Grosse Pointe Jaycees have announced the development of an active program to offer more young men the opportunities and benefits available through Jaycee membership.

William Swasey, local Jaycee president, indicated that in order to increase the number and scope of the projects conducted, and to have a greater impact on community problems, the participation of more men from The Pointe area is important.

An invitation is extended to all young men in the area to attend a special meeting to be held tonight, Thursday, February 17 at 8 o'clock, at El Cid's, 17569 E. Warren at Hereford Refreshments will be served.

Patrick Nowak, past-president and board chairman of the Michigan Jaycees, will deliver the keynote address. Various local officers will be in attendance to discuss the broad aims of the Jaycees and their role in the community. They will also review the current and future plans of the organization during a short business session.

The Jaycees are an organization of active young men between the ages of 21 and 35 whose purpose is leadership training and individual development through community involvement. A variety of programs and projects are conducted throughout the year to provide members with this opportunity and many of the project ideas come from new members.

If you are interested in the Jaycees and cannot attend this meeting, a call to William Swasey (886-8096) or Joseph Lanz (884-6041) will enable you to obtain further information about the group and its activities.

Paddle Tennis Fans Expectant

By Kathy Duff

The hope of a paddle tennis court installed in the Shores' George Osius Park, located across the street from the village offices in Lakeshore road, is continuing to rebound off the walls of the Shores' council room.

Shores' Trustee Daniel R. Beck, chairman of the Park and Recreation committee, expressed his "surprise and pleasure" over the residents' response to the proposed paddle tennis court, in the January meeting of the Shores Village council.

Trustee Beck read a letter from a new Shores resident who voiced strong support for the project, and cited how many Shores residents and even councilmen from the other Pointes had asked how the proposed project was progressing.

He then credited the residents' response to an article in THE NEWS that had first publicized the paddle tennis proposal.

Because of the large resident response, Trustee Beck promised to have a full report of the estimated cost

of installing one paddle tennis court in the park for the next meeting of the Shores Village council, to be held on Tuesday night, February 22.

He encouraged rapid action on the part of the Shores trustees, noting the recent escalation of costs involved in the construction of a paddle tennis court.

At present, it would cost \$10,000 to construct one court, whereas it would have cost only \$7,500 three years ago, Trustee Beck stated. He attributed the rise in expense to increased labor and lumber costs.

So those of you who are paddle tennis fans had better spare an hour of "lobbing" for "lobbing" in support of a paddle tennis court.

TIRE TAKEN
Dorothy Haupt, 663 Neff, called City police on Monday, February 7, to report that someone had stolen a spare tire from her Ford station wagon, which was parked in the side drive of her residence.

Shores Fire Extinguished

The Shores Department of Public Safety quenched a fire in the home of Theodore D. Held, Jr., 30 Putnam, Sunday, February 13. No one was hurt in the blaze which took place in an upstairs bedroom. The damage was confined to the bedroom, although there was some smoke damage upstairs. A bed, radio, television, and curtains were destroyed in the fire, which was reported at 2:16 a.m.

It's mighty easy to go astray—most paths lead that way.

To Mend Roof On Boathouse

A bid from General Roofing Company, Inc., to repair the roof of the Farms Pier boat house was accepted by the Farms counsel in a recent meeting. The firm submitted the low bid of \$1,296, underbidding two other construction companies.

John R. Defoe, Farms Director of Public Service, had informed the council that the condition of the roof was progressively getting worse "especially during the high winds we have had this year."

The company has been authorized to begin work as soon as weather permits.

NH Natators Real Winners

By Fred Schneider
The Norsemen from Grosse Pointe North, after winning the Bi-County League Championship at Lakeview last week, came back to their home pool Saturday, February 12, with an overwhelming victory over the Devils from Grosse Pointe South. The Norsemen won 10 out of the 11 events in the 80-25 victory over the Devils.

The Norsemen started out the meet by winning the 200-yard Medley Relay with a winning time of 1:48.0. In the next event, the 200-yard Freestyle, the Norsemen got the first of their six slams (first and second place) with Mike Dimond first with a time of 1:55.1, and Rich Russell second with a time of 1:55.5. John Watts from South finished third with a time of 1:56.9.

In the 200-yard I. M. the Norsemen scored their second slam when Keith Hallman won setting a new varsity record of 2:09.0, he was followed by Mark Dupuis' 2:11.5. Mike Schroeder from South was third.

The Devils finally broke through North's tight hold when Fred Weckler finished second for the Devils in the 50-yard Freestyle with a time of 23.4 But Norsemen Gary Hoffman was first with a time of 23.3.

Dominic Cusumano finished third for the Norsemen with a time of 24.7. But once again the Norsemen picked up the slam in the Diving Competition as Fred Klingbeil with 200.7 points and Tom Hellstrom 171.0 points outlasted the diver from South, Gary Jackson.

Blue Devil Bob Heels brought the Devils their only victory in the 100-yard Butterfly. North's Tom Scherr had the same time of 58.0, but by the judges decision Heels was the winner. Norsemen Mark Craig was a close third with a time of 58.9. In the 100-yard Freestyle Weckler once again finished second for South with the time of 52.5. This time he finished second to All-American Tom Heholt who had a winning time of 50.1. Freshmen Tom Filgo finished third for North with a fine effort of 52.7.

After the 100-yard Freestyle the rest of the meet was all North, with three more slams. In the 400-yard Freestyle, Dimond and Scott Veil combined for the next slam. Their times were 4:07.2 and 4:09.1, respectively. Schroeder from South finished third. Brian Fink and Bill Dimond brought North their fifth slam in the 100-yard Backstroke. Fink had a time of 59.3 and Dimond had a time of 1:02.5.

Dupuis and Keith Hallmann both from North had a real race in the 100-yard Breaststroke. Dupuis took a strong lead at the 50 but found Hallmann had cut that lead to nothing by the last length. At the finish Dupuis out touched Hallmann for the victory. Dupuis had a time of 1:05.3. Hallmann had a time of 1:05.4. North's Craig Barker had a time of 1:07.6, Pete Rodin from South had a time of 1:11.8 but was awarded third place because any one school may take only two of the three places.

In the final event, the 400-yard Freestyle Relay, North put all they had into it in an attempt to break the pool record held by Ann Arbor Huron. The relay was started by Hoffman, followed by Filgo, Heholt and Russell. But when the mist had cleared from the pool the Norsemen found themselves with eight-tenths of a second too much and a time of 3:28.8; the record was 3:28.0. The relay team from South finished second with a time of 3:39.9.

North's Coach Tom Teactert explained, "the boys really looked good, but the real test will come next week at the Detroit News Invitational, and the following week against the top ranked Ann Arbor Pioneers." The meet with Ann Arbor will be at North's pool on Saturday, February 26, at 7:30 p.m. The News Invitational will be held at Wayne State University this year.

Woods Council Grants Permits

Three motions were unanimously passed by the Woods Council at the regular meeting Monday, February 7, permitting University-Liggett School to hold its carnival on the University campus and the antiquities show on the Liggett campus, and also permitting solicitations by the ALSAC St. Jude Children's Research Hospital and the American Cancer Society.

U-L received the go ahead for the carnival, 4045 Cook road, and the antiquities show, 50 Braireliff drive. The carnival dates are June 9-10, while the antiquities show is set for June 15-17. In his letter to City Administrator Chester E. Petersen, Raymond P. Robbins, headmaster, said William C. Osborn, Jr., is carnival chairman, and Mrs. Harold Frank is antiquities show chairman. The carnival and antiquities show are subject to the coordination of the Director of Public Safety, Donald B. Coats, regarding police and traffic matters.

In a letter to Mr. Petersen, Mrs. John Bekolay, campaign director, ALSAC, requested permission to solicit August 25-26, the first three weekends in September, and September 24 from 11 a.m. to 3 p.m. The solicitations are scheduled to be during daylight hours. Norman N. Robbins, president, Wayne County Unit, American Cancer Society, and Bob Allison, 1972 crusade chairman, Wayne County unit, asked for permission to solicit for the society's annual crusade from April 14-28. The solicitations also are set for the daylight hours.

Cubs to Hold Pancake Party

Kerby School Club Pack 481 will host a Pancake Supper, Monday evening, February 21, from 5:30 to 7:30 o'clock, in the second gymnasium.

Tickets, at one dollar a person, will be available at the door the evening of the supper. Proceeds will be used for the operation of Pack 481.

Man With Gun Facing Charge

Farms Patrolman Clarence Reichling was on routine patrol Wednesday night, February 9, when he noticed a car traveling west on Mack and straddling traffic lanes.

The policeman stopped the car, a '67 Mercury, at Mack and Fisher and noticed that the man was dressed in a security guard uniform and was carrying a gun, which later proved to be loaded.

Investigating the subject's papers, the Farms policeman discovered that the man was licensed to carry a gun only for his duties as a uniformed private security guard.

The subject, Lonzo Davis, 4828 Lumley, Detroit, was an employee of Ogle Protective Services, in the Griswold Building, and was currently assigned to one of The Pointe's private clubs.

 The rampaging Warriors set a new fifth and sixth grade Pro League scoring record by ambushing the Cavaliers 76-4. Jim Parsons fell 2 points shy of the individual record with his 28 points. He was aided by Randy Vanden Brouck's 20, John Hartman's 13 and Mike Ladd's 10. The fast improving Supersonics dumped the Royals 35-8 as Mike Schaeffer pumped in 19 points. The blazing Bullets swept to their fifth win by

defeating the Trailblazers 31-6. Walt Owens lead his team with 20 points. The Lakers won their third straight by downing the Hawks 21-8. Jim Cox lead the balanced Laker attack with 6 points, and Paul Maghielse led the losers with 8.
CENTRAL PRO
 The tight Central Division race was finally broken open when the Colonels, coached by Grosse Pointe South J.V. players Scott Solomon and Stu Thiede, defeated the Rockets 14-6. Tough team defense and balanced scoring lead by Bob Baker's 7 aided the Colonel's win. The Cougars, Stars and Pacers stayed one game out of first with their Saturday games. The Pacers beat the Condors 11-2 and the Stars downed the Nets 12-7. The Cougars were upset 15-14 by the Chapparrals' "Big Gun" Glen Hackman's 15 points. David Evenden had 8 for the losers.

One View From The Capitol
 By William R. Bryant, Jr.
 The proposed Presidential Primary for Michigan is so fouled up now that many of us who supported it initially must now oppose it.
 There is serious question now whether the Democrat Party wants a primary, which, with the large number of candidates they have for the nomination would be quite expensive for them.
 The first proposal, which is supported by a presidential primary with the winner in each party getting all the Michigan delegates. The delegates were to be chosen by the candidate.
 The leadership of the Democrats could not buy that approach. They said it did not live up to the edicts of their "reform" commission as to manner of selection of delegates.
 So, they proposed a complicated multi-level delegate selection procedure with every Presidential candidate who receives over 15% of the popular vote getting a proportionate piece of the delegates.
 At this point we are fast running out of time within which to even have a chance to fit all the procedures into the time frame from now to mid-May. Delegate candidates have to be found, the slate of Presidential candidates determined, ballots printed, machines set up, etc.
 It all hardly seems worth a million dollars. If we had started six months ago and worked out a rational plan with time to make it work out, then, maybe, just maybe, it would have been worth the cost. As it is now, though, I will not support any but a simple, direct Presidential primary. I hope you agree.

NORTH PRO
 The big battle in the North Division was between second place teams the Braves and the Bucks. The Braves pulled out a close 14-14 victory as Scott Engel scored 9 points. Karl Tech lead the Bucks with 8 points. The first place Pistons squeaked by the Knicks 20-17. Steve Arthur lead the Pistons with 13 points and the Knicks Brian Barry and Andy Foody lead their team's balanced attack. The Celtics won their second game of the season by defeating the Bulls 19-15. Jim Arpin dumped in 10 for the victors as Tom Marks hit for 12 for the losers. The 76'ers swept by the Suns as Griff Parks stuffed in 20 points.
 Georgia stayed in second place by downing Auburn 10-9. Alan Hackman had 8 for the victorious Georgia.
NORTH COLLEGIATE
 Illinois took a commanding two game lead for first after squeezing by Ohio State 14-13. Jim Gorzalski had 6 for the winners, but Brian Engel had 10 for the losers. Purdue romped by winless Michigan 28-4 as Gary Kinder scored 18 points.
SOUTH GIANT
 The Cincinnati Royal's set a South Division scoring record by bombing the Lakers 58-20. The Royal's featured a balanced attack with all their players scoring. Kevin Kreger's 16, Jim Hoffman's 12, and Vince Lynch's 10 lead the victors. The Portland Trailblazers remained deadlocked for first with the Royals by bouncing the Supersonics 33-29. Rick Wood lead the victors with 16 points, and Renee Vandebrouck lead the losers with 14. The Cleveland Cavaliers took sole possession of first in the All-American division by beating the Suns 35-28. League scoring leader Bob Conlon and teammate Mike McEachern hit for 11 points each. The Golden State Warriors knocked the Rockets out of first by their 37-29 upset. Dave Ferris, of the Rockets, lead all scorers with 16. Jack Tocco lead the Warriors with 14.
NORTH GIANT
 The scoring Celtics broke their week old record by romping over the 76'ers 78-33. Bill Ventimiglia took over the league scoring lead with his 28 point effort. R. J. Paradee, 20, Marck Wichard, 12, and Jeff Cardwell 10, added to the Celtic total.
 The National Division has a first place tie between New York and Milwaukee. The Bucks beat the Bullets 46-28 as Cliff Morehead pumped home 26 points. Dean Brierly lead the losers with 11. The Knicks kept pace by squeaking by the Hawks 27-23. John Grennan's 11 points for the Knicks outdid Keith Nickoloff's 10 for the Hawks. The Detroit Pistons ended their 5 game losing streak by upsetting the Chicago Bulls 23-20. This defensive battle was close all the way. Curt Pruett hit for 7 for the Pistons, and Dave Beyer had 8 for the losers.
SOUTH COLLEGIATE
 Two one point victories featured the fourth grade league action last week. First place L.S.U. averted an upset by last place Alabama with their 11-10 win. Ed Fish had 5 points for L.S.U. and Bill Quinn had 6 for Alabama.
BATTER UP!
 The Neighborhood Club Girls' Softball is putting on a new face for the 1972 season. For the first time fifth grade girls will be offered the opportunity to join a Softball Clinic, which will run from May 4 through June 8. Membership and a \$3 registration fee are required.

Approve Agent For Bargaining
 The Woods council, at the regular meeting Monday, February 7, unanimously passed a resolution recognizing the Grosse Pointe Woods Administration Association as "exclusive bargaining agent" for all city clerical employees.
 City Administrator Chester E. Petersen recommended passage of the resolution which encompasses city employees classified as "clerk-dispatcher, administrative clerk, meter maid and any other office or clerical employees."
 Excluded in the resolution are "any and all elected or appointed officials, directors or assistant directors, administrative assistants, part time, temporary, seasonal and/or contractual employees" of the city.
 The purpose of the GPWAA is for collective bargaining "relating to wages, hours, and conditions of employment" for the employees.
 Christine Schneider, physical Education teacher, will be giving instruction in batting, throwing, fielding, and rules of the game. Scrimmage games will be scheduled to give the girls some actual experience in preparation to joining the Girls' Softball League when they become sixth graders.
 Sixth, seventh and eighth grade girls may sign up for the Girls' Softball League anytime between now and March 10, at the Teen Center. Membership and a \$5 registration fee are required at sign up time. Try out schedules will be available at the Teen Center.
 Volunteer Mothers and High School girls are always needed, for coaching, scoring and etc. and will be invited to attend a special clinic for coaches at the Teen Center, March 29 at 10 a.m. Please contact Nancy Mahoney, Softball Director, at the Teen Center for further information.

They've Earned Our Thanks

Almost two years have gone by since the five Pointes and the School System, breaking all precedent, joined together in an activity for the good of the entire Pointe community... establishment of the Youth Service Division.

During those years, the division, with a staff of only four men: John Kendall, liaison officer for South High School; Mike Ferrence, liaison officer for North High; Detectives Tom Podeszwick and Jim Davidson, have proved invaluable to the five Pointe police departments, residents, parents, and above all, local youth.

During 1971 alone the division handled 683 juvenile offenses involving some 787 young people. It was instrumental in arrests and/or contacts with 159 persons engaged in possession or sale of narcotics or dangerous drugs. It referred 99 persons to rehabilitation or guidance clinics. YSD officers presented 219 drug education programs to over 12,000 people in The Pointes, recovered 105 runaways, participated in seizing the largest shipment of heroin in international trafficking in the Detroit area and analyzed 147 samples of suspect drugs for parents, youths and the schools.

The officers also counseled over 339 young people who were troubled, assisted in resolving or easing some 171 family problems, and provided the schools, and subsequently the community, with security involved in crowd control, as well as served as resource teachers in classrooms from grade three up to the university level.

The work of the Youth Service Division has not gone unnoticed nationally; inquiries on its operation have come from as far as Sarasota, Fla.

The YSD has made a tremendous contribution to all of The Pointes. The individual municipalities and school system, by supporting the division should be congratulated for their foresight. A special plaudit to Chester Petersen, Woods City Administrator, who coordinates the program.

Pointers are indeed fortunate to have YSD and individual city councils and a school board willing to make YSD possible through financial and moral support.

Public Schools in Focus

By Dr. Theos I. Anderson, Superintendent of Schools

Dr. John W. Porter, Michigan Superintendent of Public Instruction, has proposed the enactment of legislation in 172 areas prior to the end of the current session of the Michigan Legislature. His all-encompassing proposals range from such major issues as full-state funding of public education and the reorganization of intermediate school districts, to providing for extended school year operation and amending legislation pertaining to the review of textbooks. The scope of the proposals gives you an idea of the broad powers of the State Board of Education.

Full State Funding

Since any proposal for full state funding might not meet the immediate requirements of the 1972-73 budgets of Michigan public schools, the State Board of Education is proposing a re-codified State School Aid Bill, implementing many of the principles which have recently received such widespread publicity. Readers are probably aware that the State Board of Education has adopted a policy supporting full state funding of K-12 education. An assumption underlying the allocation plan is that near full-state funding of education could substantially reduce inequities in educational opportunity resulting from local district wealth.

Reorganization

According to Dr. Porter, "there is a pressing need to provide statutory procedures of reorganizing the present 59 intermediate school districts in Michigan." It is his claim that "previously passed appropriation legislation on the federal and state levels demands a more efficient allocation of resources."

A State Department of Education publication indicates that "Substitute Senate Bill No. 365 introduced in 1971 having passed the Senate is now housed in the House Education Committee. Because of the many pending educational issues, some type of plan is necessary to better provide career education, special education media centers, and adult education

programs. The State Board of Education would request an expeditious passage of this bill to enable the Commission proposed in the legislation to get on with the crucial and necessary work or reorganizing intermediate school districts of our state, in order that district lines can be legally formed as early as possible."

Extended School Year

The statement covering this topic states: "The State Board of Education is recommending the passage of House Bill No. 4885, presently housed in the Senate. This is proposed legislation containing modifications considered necessary for providing a legal base compatible for implementing the extended school year for any local school district interested in this option. The bill would also establish requirements and permit school districts to determine days and weeks of student instruction within these requirements. These would provide the flexibility necessary for a local school district to select an appropriate design for extending the school year.

"The development of this piece of proposed legislation was primarily the result of a cooperative effort by local administrators and educators together with members of the Legislature and representatives from the Office of the Governor and the Department of Education. The State Board of Education feels that passage of this bill will be of great benefit to the children and youth of our State."

Textbook Review

Section 365a of the Michigan School Code calls for the Department of Education to examine every year social studies materials in regard to minorities. Staff of the Department of Education feel as a result of findings of an examination that textbook changes are not apparent in a one-year period. Therefore, a bill to amend Section 365a of the Michigan School Code would reduce the frequency of the present mandatory examination to two years as requested.

What Goes On at Your Library

By Virginia Leonard

We continue to get many interesting and beautiful memorial books. Perhaps, at the Central Library, you have seen periodic displays of these on tables. If so, you will agree with me, that they are most attractive and useful additions to our collection. And I'm sure the people in the Branches feel the same.

Spring should arrive some day, so the green-thumb expert will welcome Christopher Lloyd's THE WELL-TEMPERED GARDEN. With delightful illustrations both in black-and-white and color, this is certainly a fresh approach to a popular and well-written-about subject. This gardening book is both a complete guide to gardening success and a pleasure to read. The author draws on his many years of experience in planning and growing plants in all kinds of soil and under a wide variety of conditions. Both the day-dreamer who anticipates and plans, and the immediate man of action will enjoy this volume.

A most unusual gift which has been presented to us by the Society of the Descendants of Robert Bartlett is THE PILGRIM WAY by Robert M. Bartlett. It is a scholarly and carefully documented study of the Pilgrims epic centering around John Robinson as its intellectual and spiritual leader. The author portrays the struggles the Pilgrims had in England in the late Tudor and early Stuart era, and deals at length with their experiences in Holland. It is certainly a fascinating and definitive history.

The American Heritage is responsible for THE AMERICAN HERITAGE HISTORY OF THE AMERICAN PEOPLE, written by Bernard A. Weissberger. It is filled with marvelous illustrations. The editors have tried to show the development of the various forces, cross-currents, problems, arising from the ethnic diversity which has existed in the development of our country. It is an encyclopedic overview and is easy to read. "The character of the American people has been reworked and replenished in each generation. It has never existed in what could be called a definitive form. Even strict barriers to immigration were raised in the 1920's, internal migrations continued to sustain the momentum of constant, massive change. This is the story, then, of how 'the American, this new man,' as Crèvecoeur called in 1782, has remained new for more than three centuries."

The West has always had great allure for some. Those dreamers and explorers will want to read GOLD AND

Grosse Pointe Newcomers members are in rehearsal for their annual variety show slated for Saturday, February 26, at 8 o'clock, in Fries Auditorium. This year's production promises lots of local color. It's called "A Typical Day in Grosse Pointe," and features sketches on: the doctor, (hmn, Dr. Joseph Beals is president of Newcomers this year); the hairdresser, the columnist (no comment); the socialite, the executive wife and . . . we'll let the others be a surprise.

John Lower and Shirley Cary are directing the production. Cindy Van Pelt is doing the choreography and is general chairman. Ross and Pat Naidow, Afterglow chairman and their committee; Mr. and Mrs. Proctor Denno, Mr. and Mrs. Robert Marks, Mr. and Mrs. Gene Parker and Mr. and Mrs. Joseph Selden, have planned a Champagne Breakfast in the Crystal Ballroom, all for only \$8.50 a person. For ticket information call 885-1452.

Local Artists Keeping Busy

The Lakeside Palette Club currently has an exhibit at 17401 East Ten Mile road. The work of Pointers Helen Adams and Mary Ann Kamlay is on display. Both ladies are ribbon winners. Helen won one for her oil, "Wine Bottle," at the Metro Woods Exhibit (another of her works, "Antique Candle Mold," was selected by Mike Church for display at the University of Michigan's Regional Show in Ann Arbor). Mary Ann's landscape captured a ribbon at the Metro Woods Show, too!

Busy preparing for the club's 25th Annual Exhibit slated for Friday through Monday, March 17-20, in St. Clair Shores Recreation Center, are other Lakeside Palette Club members from The Pointe, Mary Jane Starnes, Lucy Wells, Carol Hackman, Shirley Curcuro, Carol Deary, Barbara Kuczynski and Martha Paquette.

All American Musicale

Sara Ladd, of Grayton road, member of the Tuesday Musicale of Detroit, has planned a special program for the seventh morning concert set for 10:30 o'clock, February 22, at the Lecture Hall of the Detroit Institute of Arts. Since the meeting falls on George Washington's Birthday, the program will feature American music and composers.

League To Present Robert Semple, Jr.

Family and friends will be in the audience at the University-Liggett School, in Cook road, Wednesday, February 23, at 8:00 p.m., when Robert B. Semple, Jr., speaks at a meeting sponsored by the Junior League of Detroit and the University-Liggett School. The meeting is open to the public.

Mr. Semple, son of the senior Semples of University place, attended the school when it was called Detroit University School. He is presently the White House correspondent for the New York Times.

The audience will hear his views on the entire political scene in a presidential election year. With the 18-year-old voting age now effective, Mrs. Arthur T. Waterfall, II, who is making all arrangements for Mr. Semple's appearance, is expecting many students to attend.

Attending Yale, being chairman of the Yale Daily News, and teaching there under the auspices of a Carnegie Teaching Fellowship, were all part of the prologue to Mr. Semple's journalistic career.

He was employed by the Detroit Free Press and Newsweek Magazine. He signed on with the National Observer three days after it began assembling a staff in 1961. Hired by James Reston in 1963, he has had a variety of assignments for the New York Times and has been its White House Correspondent since 1969. Mr. Semple

was recently seen on television by many Pointers when he participated in "Meet The Press."

Alex Karras Will Narrate "Peter and the Wolf"

Alex Karras will narrate Serge Prokofiev's "Peter and the Wolf" and the world premiere performance of a symphonic work written in Karras' honor, "Freddie the Football," at a Detroit Symphony Orchestra Winter Pops Concert on Saturday evening, February 19 in Ford Auditorium. Concert time will be 8:30 p.m.

Richard Hayman of Boston Pops and Detroit Symphony Cabaret Pops fame will conduct a fun-oriented, potpourri program that also will include the symphonic debut of a choral group from the Symphony Junior Women's Association, a Beatles song, "surprises to be announced" and a Vincent Youmans medley.

"Freddie the Football," written for Alex Karras and "dedicated to football fans everywhere" was composed by Hayman and Bernie Wayne (whose own credits include the song "Miss America"). As a special introduction preceding Karras' stage entrance, Hayman

will lead the Orchestra in the first hearing of his own specially composed song "Come to the Football Game." This also will be sung, danced and further enhanced with pompons by 10 cheerleaders from University-Liggett School, Grosse Pointe.

Karras' readings will constitute his debut as a performer with a symphony orchestra.

The Chorallers, a group of 28 members of the Junior Women's Association for the Detroit Symphony Orchestra who began singing together on an informal basis three years ago, will make their debut with the orchestra as the kickoff event of the concert. They will be spotlighted in Ernesto Lecuona's "The Breeze and I" and in a special arrangement by Richard Hayman of a medley of "Love Songs of Our Time," which incorporates such current favorites as Bridge Over Troubled Water, I'd Like to Teach the World to Sing, and The Look of Love among other tunes. Mrs. Judith Istock of Grosse Pointe is the group's director.

Among orchestral works to be heard on the same program are selections from "No, No, Nanette," "Look What They've Done to My Song, Ma," and "Eleanor Rigby" (a Beatles song) as well as surprises to be announced.

Tickets from \$3 to \$7 are now on sale at Ford Auditorium Box Office (961-0700), all Hudson's and Grinnell's.

They're Engaged

Mr. and Mrs. Willard J. Hadley, of Balfour road, are announcing the engagement of their daughter, EILEEN VICTORIA, to Wayne Alan Senneke, son of Mr. and Mrs. Warren Senneke, of Glen Ellyn, Ill.

Both the bride-elect and her fiancé are juniors at Northern Illinois University. A summer wedding is planned.

Mr. and Mrs. Robert S. Cheetham, of Christine court, announce the engagement of their daughter, EDNA NEVILLE CHEETHAM (MIDGE), to Lee Timothy Glancy, of Detroit, and the late Mrs. Glancy. A spring wedding is planned.

Dinner Dance Tour Planned at Tudor Mansion

The magnificent 100-room baronial Tudor mansion of the late Mr. and Mrs. Alfred Wilson will be the setting for a special dinner dance sponsored by Grosse Pointe War Memorial Association on Friday evening, March 3.

Charter busses will pick up the black tie crowd at 32 Lake Shore at 6 o'clock and take them to the lovely rolling estate near Rochester. Set-ups will be available on the bus and at the mansion where guests will enjoy cocktails in the luxurious fountain room. The entire mansion remains furnished as it was when the Wilsons lived there. Dinner will be served in the state dining room and will feature Tournedos of Beef de Rossi.

Following dinner, guests will adjourn to the grand two-story ballroom to dance

the evening away to the music of Irv Fields. Charge for the complete gala including transportation, set-ups, dinner and dance is just \$35 a couple. Reservations should be made promptly at the Memorial Association office 32 Lake Shore. Places are limited.

The engagement of JUDITH ELAINE PARKER, daughter of Mrs. Frances P. Parker, of Torrey road, and the late Mr. Parker, to H. Edward Bonsecour was announced at a family party on Saturday, February 5.

Mr. Bonsecour is the son of Mrs. Catherine Gougeon, of Southfield, and Charles V. Bonsecour, of Roseville. A July wedding is planned.

Mr. and Mrs. Raymond Steffes, of Hollywood avenue, announce the engagement of their daughter, MARY GERTRUDE, to James F. Hewson, son of Mr. and Mrs. Donald Hewson, of St. Clair Shores.

The bride-elect will receive her Associate degree in Secretarial Studies from Macomb County Community College in June.

Her fiancé, who attends Eastern Michigan University, is a member of Sigma Tau Gamma fraternity. An August wedding is planned.

Mr and Mrs. Paul Eagan, of Lothrop road, have announced the engagement of their daughter, BARBARA LARISSA, to Peter John Olivere, III, of Wilmington, Del., son of Dr. and Mrs. Peter J. Olivere.

Barbara was graduated from the Academy of the Sacred Heart and is presently completing her studies at Trinity College, Washington, D.C.

Her fiancé was graduated from Archmere Academy, in Wilmington, and Georgetown University, Washington, D.C. A June wedding is planned.

Detroit Kappa Kappa Gamma Alumnae To Hold Sessions

The February activities of the Detroit Alumnae Association of Kappa Kappa Gamma center around the Rehabilitation Institute. The evening group, on Friday, February 18, will meet in the Hillcrest road home of Mr. and Mrs. David L. Roll for a potluck supper and workshop evening.

Fifteen Kappas with their husbands will finish constructing and painting five collapsible carnival booths to be used in the recreation area of the Rehabilitation Institute of Detroit for patient parties.

The Kappas will be given a tour of the Rehabilitation Institute on Tuesday, February 22, at 1:30 in the afternoon. Dr. Joseph N. Schaeffer, director of the Institute, will address the group. Kappas planning to attend should call Mary Roland (884-2981) for car pool information and reservations.

Three Kappas presently serve on the board of the newly formed auxiliary at the Institute. They are Mrs. Joseph N. Schaeffer, member-at-large, Mrs. Joseph C. Smith, treasurer, and Mrs. Willard S. Smith, recording secretary.

Local Women Win Hearts of Gold

Mrs. William G. Milliken and Mrs. Roman S. Gribbs Bring Congratulatory Messages from The Governor and Mayor

Four Pointers captured awards for outstanding volunteer service at Detroit's recent fifth annual community-wide recognition luncheon. More than 2,000 Wayne-Oakland-Macomb residents attend the event staged in Cobo Hall by the Heart of Gold Award Council. The council is comprised of 42 leading women's organizations working with Women for the United Foundation (WUF).

Receiving gold heart-shaped charms signifying extraordinary community service during the past year were Mrs. Hugh G. Harness, of Lincoln road, cited for fundraising work with cultural organizations; Mrs. Bernard M. Segner, of Westchester road, for "tactful and comprehensive leadership at the highest levels of many volunteer organizations;" Mrs. Perry L. TeWalt, of Lincoln road, for her work with Grosse Pointe's Family Life Education Council (FLEC) and "for bringing superior intellect, fine judgment and boundless energy to a long list of service groups;" and Mrs. Gerald E. Warren, of Merriweather road, for instituting many new programs as chairman of the volunteer office for the Southeastern Michigan Chapter of the American Red Cross.

As president of the Junior Women's Association of the Detroit Symphony Orchestra, Mrs. Harness turned the group in many new directions. These included joint luncheons and joint undertakings with the Women's Association. Her fund-raising innovations included the first river boat party which doubled the Juniors' contribution to the Symphony Maintenance Fund from \$20,000 to \$40,000, as a result, she became the youngest person ever named to the symphony board of directors.

Mrs. Harness has served on the special activities committee for five years and was named its head in 1971. She undertakes responsibility for the yearly symphony pension-maintenance fund concerts. She has also worked with Oakland University's Meadow Brook Theater; is a trustee of Oakland Univer-

of volunteers for the Southeastern Michigan Chapter, American Red Cross, Mrs. Warren has guided almost 4,000 volunteers to more than 300,000 hours of service in all phases of the organization's activities.

She has spearheaded many new programs including Project Pride, a tremendous city clean-up drive, and a Rubella immunization program which reached 44,000 tri-county children.

Mrs. Warren also is involved in an inner-city clinic program and in a school health program.

She has served as a Red Cross Grey Lady and as chairman of both the home nursing and the nursing and blood program advisory committees.

For 10 years, she was chairman of the public relations committee and a benefit committee member for corporate solicitations at Children's Hospital.

Mrs. Warren has held leadership roles in Scouting and Parent-Teacher Associations. She has worked with the Neighborhood Motion Picture and Television Council and at Grosse Pointe Memorial Church where she is superintendent of Church School Christian Education.

In addition, she is active with United Foundation and United Community Services. At the speakers' table with the award winners were Michigan's First Lady, Mrs. William G. Milliken, and Mrs. Roman S. Gribbs, wife of Detroit's mayor.

Flowering spring plants and gold hearts decked the tables for the luncheon at which Mrs. Lee Hills, of Detroit, presided as chairman. Mrs. Hills is the wife of the president and publisher of the Detroit Free Press.

Reading citations and presenting awards to the winners chosen from 130 nominees, was the luncheon vice-chairman, Mrs. Ralph T. McElvenny, of Cloverly road, wife of the president of Consolidated Gas Co.

Headliner was Virginia Graham, NBC television personality, author and lecturer. Community leaders serving on the panel of judges that selected the 1972 winners included Charles T. Adams, president of MacManus, John & Adams, advertising agency; Charles T. Fisher III, president of National Bank of Detroit; Grant W. Howell, managing editor of the Daily Tribune, Royal Oak.

Also, Alfred M. Pelham, of Detroit; Alan E. Schwartz, partner in Honigman, Miller, Schwartz and Cohn, Detroit law firm, and Sister Anna Suttman, administrator of St. Joseph Hospital, Mt. Clemens.

Announce Wedding Plans

Mr. and Mrs. George Wahl, of Audubon road, have announced the engagement of their daughter, ELLEN, to David Norton, son of Mr. and Mrs. Chester Norton, of Lexington road. The bride-elect received her degree in biology from the University of Michigan. Her fiancé was graduated from Wayne State University. A May 27, wedding is planned.

Mr. and Mrs. Edward R. Bartos, of Edshire lane, are announcing the engagement of their daughter, MARIANNE, to John R. Fleming, son of the Richard Flemings, of Detroit.

The bride-elect is presently completing her senior year at The University of Detroit, where she will receive her degree in Elementary Education.

Her fiancé is completing his final studies in Computer Technology at Computer Management Institute.

A June 16 wedding is planned in Our Lady Star of the Sea Church.

Set Ecumenical Services Feb. 20

Churches in the area will gather for an Ecumenical Service the First Sunday of Lent, February 20, at 7:30 p.m., at Queen of Peace Church. The purpose of this service is community worship leading to community involvement.

Ministers from three of the participating churches will give the homily while a combined choir from all the churches will provide music. The service and the discussion which will follow are not just to pray for unity among churches, but they also aim at showing a deeper Christian commitment to our neighborhoods, to practical action. One of the topics to be discussed is: "What can our churches do for the neighborhood, for the youth, for the senior citizens etc.?"

Discussion with refreshments will be in the Parish Hall after the service.

Some of the churches involved in preparations of this event are Grosse Pointe's United Methodist, St. Michael Episcopal, Star of the Sea Catholic Church, Grosse Pointe Woods Presbyterian, Salem Memorial Lutheran, Immanuel United Methodist Church, Faith Community Reformed Church, Calvin East United Presbyterian Church and St. Ambrose Catholic Church.

Members of all area churches are invited to attend.

Kaleidoscope Concert Slated

A unique musical juxtaposition of old and new, Oriental and Occidental is the motif for a Detroit Symphony Orchestra Kaleidoscope Concert to be given at Ford Auditorium on Friday evening, February 18 at 8 o'clock.

Under the direction of Symphony associate conductor Pierre Heu, the program will include the first Detroit performance of Japanese composer Toru Takemitsu's "November Steps." Two of Japan's most distinguished instrumentalists will be heard in solo roles in this performance. They are Kinshi Tsuruta, playing the ancient eastern "biwa," which resembles a lute, and Katsuya Yokoyama, playing the ancient bamboo flute known as "shakuhachi." The composition itself, written in 1967, uses these two historic eastern instruments in a concerto-like way within a modern western orchestral setting.

J. S. Bach's Brandenburg Concerto No. 4 in G major, which will be heard with concertmaster Gordon Staples and flutists Ervin Monroe and Shaul Ben-Meir in solo roles, will appear in the same program next to American composer Lukas Foss' "Phorian" (from "Baroque Variations"), which he wrote in 1967 as a contemporary impression of the J. S. Bach style.

American composer Earle Brown's 1961 composition "Available Forms I," which is a series of musical events that may be changed or modified according to the performers own feelings, will appear for the first time on a Detroit Symphony program.

The popular "Bolero" by Maurice Ravel also will be performed.

Tickets from \$2.50 to \$5.50, all available at half-price for students are now at Ford Auditorium Box Office (961-0700), all Hudson's and Grinnell's stores.

The event will be the last of three Kaleidoscope Concerts scheduled during the Orchestra's 1971-72 season.

Set Thursday Services at St. James Lutheran

Lenten services will be held on Thursday evenings at 7:30 o'clock, at St. James Lutheran Church from February 24 to March 23.

The series of five services, named "We, the Jury," will be a form of modified chancel drama. The courtroom scenes of the trial of Jesus will be enacted by a cast of St. James members.

The programs are designed for the modern, "uninhibited listener" and have been an unusual hit with students and young adults.

Boyne Country Condominiums

Right in the heart of Mid-America's skiing, golf and recreation mecca—BOYNE COUNTRY. The Boynestadt condominium village is nestled at the foot of fabulous Boyne Mountain and overlooks world-renowned Boyne Mountain Lodge.

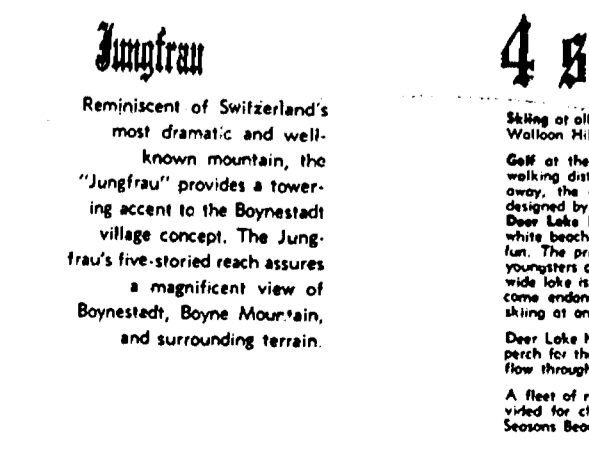

Arlberg

As vast as the Austrian Alpine Ski country after which it is named, the Arlberg apartment building houses 12 apartments and is the largest of all buildings in the Boynestadt Condominium village complex.

Mont Blanc

Recalling memories of Europe's highest mountain, the "Mont Blanc" building sets in quiet majesty in the Boynestadt complex. The two-storied Mont Blanc building houses 4 apartments with discriminating tastes and offers broad vistas of the entire area.

Jungfrau

Reminiscent of Switzerland's most dramatic and well-known mountain, the "Jungfrau" provides a towering accent to the Boynestadt village concept. The Jungfrau's five-storied reach assures a magnificent view of Boynestadt, Boyne Mountain, and surrounding terrain.

4 seasons of recreation

Skiing at all the famous Boyne Country areas—Boyne Mountain, Boyne Highlands, Thunder Mountain, and Walloon Mills—from November through April.

Golf at the magnificent 18-hole championship mountain course, 9-hole par 3 course within walking distance from the village, plus a golf training camp for youngsters—and only a short drive away, the challenging 18-hole, Boyne Highlands course, already one of the top ten in the nation, designed by Robert Trent Jones plus the 9-hole par 3 Highlands course—72 holes of golf.

Deer Lake Four-Seasons Beach Club to serve golfers, swimmers, boaters and fishermen whose beautiful white beach and private club house with dining and locker room facilities offers the ultimate in lakeside fun. The prime sandy beach, much of which shelves out at a gentle slope as far as 100 yards before youngsters can get chin-deep, is the lake's chest of gold. Water is crystal-clear and, because the half-mile wide lake is nestled like a jewel in a bowl of hills, waves are never so high that a fisherman would become endangered by high winds. It also has a good lee shore, regardless of wind direction, for water skiing at any time of the day.

Deer Lake has long been noted as a bass and pike angling lake and abounds with bluegills, sunfish, and perch for the neophyte angler just learning to handle a fly rod. What's more, several small trout streams flow through the Deer Lake area just south of the lake and are readily accessible by good roads.

A fleet of rental boats and sailing craft will be available to guests—and a launching ramp will be provided for club members desiring to bring their own. A private road connects the Boyne County Four-Seasons Beach Club with Boynestadt just a mile away to the eastward.

Boynestadt is only minutes of easy access to a resort complex which offers you 10,000 acres of pleasure—skiing, golf, salmon and trout fishing, sailing, motorboating, deer and small game hunting, swimming, waterskiing, horseback riding, retirement living, investment opportunities—all in one recreational administrative organization.
