## HEADLINES of the WEEK

As Compiled by the  
Grosse Pointe News

Thursday, March 2

**THE SENATE REJECT-**ED three more tough anti-busing proposals Wednesday, defeating an amendment to guarantee children the right to attend the public school nearest their home; an amendment to allow parents to choose the school their children would attend; and U.S. Senator Robert E. Griffin's once-rejected amendment to prevent court-ordered busing. The Senate passed two weaker anti-busing measures now added to their \$23 billion aid-to-education bill recently sent to conference with the House.

Friday, March 3

**ADDRESSING THE ITT** POLITICAL SCANDAL, Attorney General-designate Richard G. Kleindienst swore under oath Thursday that the administration did not okay the largest merger in corporate history in exchange for a pledge of up to \$400,000 in contributions for the GOP national convention this year. But Mr. Kleindienst, who insisted previously that neither he nor former Attorney General John N. Mitchell had been involved, acknowledged that he did work for the out-of-court settlement with the International Telephone and Telegraph Corp. by holding secret meetings with an ITT director, Felix Rohatyn.

Saturday, March 4

**A MOHAWK AIRLINES** propjet carrying 47 persons crashed during a snowstorm into a residential neighborhood near Albany, N.Y., Friday night. At least 17 persons were killed and 34 were injured. The plane, on a flight from New York City, was making a landing approach to Albany County Airport, about three miles away. It crashed into a one-story house, tearing it from its foundation, but causing no explosion or fire. The residents, the Joseph I. Rosen family, sustained only minor injuries.

Sunday, March 5

**IN TERROR-RIDDEN IRE-**LAND, a bomb ripped through a restaurant filled with mothers and children in downtown Belfast Saturday, killing two women and injuring 135. At least 15 of the injured were in critical condition. A British Army spokesman called the incident, "a deliberate attempt to kill and maim innocent men, women and children." Later Saturday afternoon a second blast injured 11 persons, including four children, in the Roman Catholic district.

Monday, March 6

**THE VEGA WALKOUT** CONTINUES in Lordstown, O., as talks between General Motors Corporation and the UAW reached an impasse late Sunday night. Pickets had been outside the plant complex since 2 a.m. Saturday, when production ended for the weekend. Despite optimism voiced earlier by GM and the UAW, indications were that a full-scale strike would be called, idling 7,600 workers who assemble the Vega and the G-10 Chevrolet van. The UAW cites "speed-up" and the recent layoff of 800 workers as strike issues.

Tuesday, March 7

**THE PRESIDENTIAL** COMMISSION ON SCHOOL FINANCE recommended Monday that states relieve local governments of the \$21.8 billion they now collect, mostly through property taxes, for schools. The report did not say how the states should raise the money, but it said most states would probably adopt statewide property taxes, much lower than local property taxes, and increase state sales, personal and corporate income taxes. The federal government would add \$1.1 billion annually over five years.

## Pointe Players To Present "A Man Called Peter"

Pictured (left to right) are **BETSY STILL, RICK CONNOLLY** and director **JAMES DUBUAR** in rehearsal for the Pointe Players (South's theatrical group) production of "A Man Called Peter," slated for Thursday, March 16, and Fri-

day, March 17, at 8 o'clock, in the Performing Arts Center located at North High School. Tickets are one dollar for adults and 75 cents for students and are available by calling 882-7636.

## Two Cities Affected By Complex

**Woods and St. Clair** Shores Approve Construction After Long, Confusing Discussion

By Roger A. Waha  
Confusion was the keynote on the request of Merrill Homes, Inc., 21513 Harper avenue, St. Clair Shores, to construct a proposed family development at a public hearing during the Woods regular council meeting Monday, March 6. The development would fall partly in the Woods and partly in St. Clair Shores.

The Woods area involved is situated west of Mack avenue, north of Brys drive and east of Helen avenue. Tied in with the matter of multiple family units were hearings to amend a section of zoning ordinance No. 88, as amended, to provide for uses permitted in the R-3 district, (planned multiple family residential development); and to construct a six-foot brick ornamental fence, and waivers of setback requirements.

**Two Hour Discussion**  
Around two hours of discussion between representatives of Merrill Homes, including Charles J. Merrill, a number of concerned residents and the council were finally climaxed when the project was given the green light. The Woods City Planning Commission and the St. Clair Shores Council.

## Detroit-Park Boundry Dispute Still Unsettled

By Pepper Whitelaw  
Wayburn avenue was briefly discussed at the regular meeting of the Park Council on Monday, February 28. Councilman O. J. Williams told Council members that at a recent gathering of the Michigan Municipal League in Lansing, he spoke with Detroit Mayor Roman Gribbs, who indicated that he would expedite the issue.

## Farms Plans to Install Meters in Free Parking Lanes Behind Lot on Hill

**Hope to Alleviate Trouble Voiced by Merchants; Must Get Approval of Board of Education**

By Kathy Duff  
The Farms council, responding to recent pressure to relieve the parking shortage in the municipal lot behind the Kercheval On-the-Hill business district, voted in the Monday night, March 5, meeting to meter the "Free Lot" located between the large municipal lot and Ridge road.

The land belongs to the Grosse Pointe Public School System, so the council's Monday night action was to authorize Farms City Manager Andrew Bremer Jr. to contact the school system and request permission to install parking meters in the parking lot.

**Will Take Time**  
According to Farms City Assessor-Controller Carol Lock, it will take several months to secure the school system's approval and install the roughly 80 parking meters. The Farms renewed the lease agreement with the school system in December 1971.

It is hoped that the metering of the no-longer "Free Lot" will alleviate the long-term parking shortage in the Hill area. A study by Farms Police Chief Robert E. Ferber in January 1972 showed a severe 10-hour parking shortage making it difficult for Hill employees to secure all-day parking.

The problem was intensified by the free lot being used by Hill merchants to park their delivery vans, by residents parking their cars and then taking the bus down-

## Fluid Situation Kills Comment

The NEWS, in response to several inquiries from high school parents regarding scheduling limitations at the high schools next year, and the possibility of half-day sessions, contacted Superintendent Theos I. Anderson for a statement.

## Poke Taken At X-Films By Farms

**Council Passes Resolution Voicing Opposition to Their Showing in That City**

By Kathy Duff  
The Farms council, in an unexpected move at the close of the regular council meeting held Monday night, March 6, passed a resolution voicing opposition to the showing of X-rated films in the Farms.

The resolution reads: "Resolved that the council of this city of Grosse Pointe Farms is in principal strong-ly opposed to the public showing in this city of motion pictures that are generally rated 'X' under the current rating standards of the industry."

The resolution was formally proposed by Councilman Mark Stevens and supported by Councilman James Dingemans. It received unanimous support from the council present at the meeting. Councilman Richard Hudson was unable to attend the meeting, being at a National League of Cities convention in Washington, D. C.

**Response to Letter**  
The resolution was in response to a letter written by Mrs. William L. Hurley, 501 Lakeland, who asked the council to use its influence to prevent the Punch and Judy Theatre, 21 Kercheval, from showing X-rated movies.

Mrs. Hurley wrote, "these pictures are in poor taste in any community of families."

Two members of the Grosse Pointe Film and TV Council President Mrs. Maurice G. Declercq and Past President Mrs. Edward L. Kliber, were present at the meeting to back the resident's letter and to note how the Farms council received the communication.

At the outset of the discussion, Councilwoman Nancy Waugaman asked John Axe, who was sitting in for Farms City Attorney George McKean, what a community could do, legally, to prevent the showing of X-rated films.

**Recalls Woods Action**  
Attorney Axe recalled the recent activity in the Woods council chamber when Woods City Attorney George Catlin had informed the council and the concerned residents that

## Woods Assessor Explains Reason For Value Hikes

**First Major Reassessment Since Tax Rate Was Lowered in 1958 Made Necessary by State Act on Valuations**

By Pepper Whitelaw  
The NEWS offices have been inundated with telephone calls regarding the increased assessment of Woods properties. (The City, Park and Shores are also currently reassessing). Woods Assessor-Comptroller Frederick G. Hornfisher has provided a breakdown of the reassessment and the reasons for it.

He said, "In compliance with the state act, whereby the assessed valuation of property shall reflect 50 percent of the market value, it became necessary for The Woods to reassess our property. The last major reassessment took place in 1968 at which time our City Council reduced the city tax rate.

**Increased Constantly**  
"However, property values have increased constantly since that time. In 1971 there was a slight increase in our assessed valuation to avoid having the county of Wayne add a factor to our total assessed valuation, but sales data indicates we have not kept our assessment values proportionately high. We are compelled by the state law to assess accordingly.

"I have gone over property values in our city by each individual sub-division reassessing in accordance with sales figures. In some areas of our city selling prices have risen more than in others. This has been reflected in the reassessment to keep figures as fair and realistic as possible.

**Has 6500 Homes**  
There are about 6500 houses in The Woods.

Using the 1971 tax rate, (which could change), a breakdown percentage-wise is 21 percent for City tax; 13 percent for County; 7 percent for drain and 59 percent for schools. For example, if your home is reassessed at \$3,000 more, the actual money breakdown is \$33.85 for City tax; \$20.95 for County; \$11.28 for drain and \$95.12 for schools, a total increase of \$161.20.

**Armed With Samples**

## Pointes See Advantages Of Package

**City Mayor and Council Criticize Representative Bryant for Voting Against Bill**

By Pepper Whitelaw

The mass transportation package, currently in The Senate, recently passed in The House, has created a great deal of discussion in The Pointes. The package would create a fund to distribute \$10.4 million to transit authorities such as the Southeastern Michigan Transportation Authority (SEMATA) for mass transit and some \$10.4 million to urban communities for relief of traffic congestion and transit-related projects.

It would also raise the state gasoline tax from the current seven cents a gallon to nine cents, and could, according to four of the five Pointes, be of great assistance to our area.

The City of Grosse Pointe Council and Mayor John L. King asked legislative representatives William R. Eryant, Jr. and State Senator George S. Fitzgerald to support this package. However, the City Council and Mayor King, at the recent council session, expressed displeasure over the fact that when the bill was in the House of Representatives Bryant abstained the first time and voted against the package the second time.

**Changed His Mind**  
Mr. Bryant explained to the city councils that although he had previously indicated support for the bill he could not ultimately support it "because of the attempts to make a Christmas tree out of these bills, with something for everyone. But the principal reason is that it has occurred to me that with this package enacted, SEMTA could obtain the DSR, new rolling stock and other suburban bus systems, and if forced cross-district bussing were ordered by Judge Stephen Roth, SEMTA could, and probably would, institute such bussing without any further action on the part of the legislature."

The Park, Shores and Farms, either by formal resolutions or telegrams to legislators, have indicated their support of this transportation package.

**Could Fix Streets**  
City Manager Thomas Kressbach told the NEWS that the council and mayor believe this bill would benefit the City of Grosse Pointe.

He said the basic advantage is that it would give the City of Grosse Pointe an additional \$10,000 return of gas and weight tax revenues which in turn could be used for improvement of streets within the City.

He continued, "We are involved in an annual resurfacing and curb repair program and to a large degree these programs are funded from this revenue source. In

### Colonial Road Lambasted

(Continued from Page 1)

inch water main was installed, and the sewer was built under the paved street.

These developments gave Colonial the various distinctions of being the narrowest street in The Shores, the only one with a sewer built under a paved surface, and having the smallest water pipe (four inches, in contrast to The Shores' required eight inches).

**Change of Heart**

In 1947, The Shores had a change of heart and accepted the street after making improvements on the sewer, sidewalks, curbs, and road.

Mr. Jefferis pointed out that the principal difficulty in maintaining the street arose from the sewer pipe being located underneath the paved street, stating that it was virtually impossible to detect a sewer pipe failure.

The village superintendent closed his report by saying that the trustees recognized

the problems faced by Colonial residents and other Shores residents, and for this reason the trustees had asked him to make a study of The Shores sewer system in August 1971 and to submit it to the Planning Commission. In his report, he had recognized the situation on Colonial road.

**Waiting for Study**

He also reminded the residents that before The Shores would make any improvements on their street, they had to know the water safety standards which might be proposed by the State of Michigan. To prepare themselves, the village had enlisted the engineering firm, Hubbell, Roth, and Clark, Inc., to make a thorough study of the Shores sewer system.

In particular, Mr. Jefferis mentioned, The Shores was concerned about rainwater overflow washing into Lake St. Clair.

Bringing ecology problems to a more immediate level, Colonial resident Mr. Sehoan exclaimed, "You're concerned over sewerage washing into Lake St. Clair, while I'm concerned over sewerage washing into my basement."

The Colonial resident went on to list the other problems which troubled Colonial residents such as terrible water pressure, sewer smells, corroded water pipes, and a street which "washes away every year."

President Schroeder, endeavoring to answer the question of what could be done to improve the situation, explained that The Shores could not sanction repairs for Colonial without the support of the Shores residents through a bond issue.

If Colonial residents wished to fund the improvements privately through increased tax assessments, the cost would be \$100,000 for a new water and sewer main alone, not even including a new paved street. The cost would average \$2,500 a lot.

After the residents absorbed the sobering facts, Richard McBrien, 66 Colonial, asked, "What is the village's liability in regard to the ditches in the street? I have five kids and I worry about them. A delivery man told me that we have the worst street in Grosse Pointe, and he should know."

Another resident complained, "I have nothing but ice in front of my house in the winter, and a pool of water there in the summer."

"Between 6 and 7 p.m. on a summer night, no one in my family can take a shower because of the poor water pressure," a third resident added. Other residents had cited their fear of the low water pressure constituting a fire hazard.

The reason for the poor water pressure, Mr. Jefferis explained, was that The Shores was at the tail end of a water feed from Detroit, and before the water reached The Shores, it passed through Detroit, Harper Woods, and Grosse Pointe Woods. He quickly allayed their fears of a fire hazard by reporting that their water mains had been inspected recently and met the standards set by the State of Michigan.

President Gerald Schroeder, in concluding the issue, promised the Colonial residents that their road would be made passable, to rely on the Shores Department of Public Works. He assured them that their water and sewer facilities were adequate, and that after the engineering firm completed the professional sewer study, the Colonial problems would be given top priority since they were the most pressing.

### Land Transportation Plan

(Continued from Page 1)

the next few years the city has a large amount of work in terms of resurfacing to be done and we are very concerned that we obtain as much revenue from this program in this resurfacing work as possible."

He also said that the City Council and Mayor felt that with the present agreement with SEMTA, if that operation becomes a deficit one, all participating communities would be forced to subsidize the deficit. To date the operation has not run into a deficit position but this package would be a further protection against our being placed in this position.

**Refers to Agreement**

The agreement Mr. Kressbach refers to is one which all of the Pointes and St. Clair Shores entered into with SEMTA following its purchase of Lake Shore Coach Lines from Walter Schweikart last year. SEMTA obtained the necessary funds from the U. S. Department of Transportation's Urban

Mass Transportation Administration and an additional \$78,000 from the six local governments. This guarantee from the cities, of an operating subsidy of \$5,000 per month if needed, was agreed upon by the five Pointes and St. Clair Shores.

Under this transportation package the county road commission would receive additional funds which could lead to benefits in the City of Grosse Pointe and Grosse Pointe Park, both of whom have asked Wayne County Road Commission to undertake resurfacing and improvements on Jefferson avenue and to The Farms who has made a similar request for Moross road.

**Woods Is Opposed**

Chester Petersen, city administrator of Grosse Pointe Woods, said his council, with the exception of Mayor Kenneth McLeod, "is definitely opposed to the mass transportation package, primarily because the bill does not provide funds for mass transit as it indicates it does. It only provides that SEMTA help existing municipal operations. Our council opposes this bill because all it does is bail Detroit out of hook. SEMTA would take over the debt-ridden, inefficient operation of the DSR."

The bill is expected to come to a vote in the Senate within the next few weeks.

### Sunningdale

(Continued from Page 1)

stepped right up to the microphone and spoke directly to the council, who were all obviously impressed. The lad said the vacated land is a playground for his friends and himself. They play baseball, football, and hockey in the area, not to mention having some picnics. And with new construction, that would be gone with the wind.

Other residents commented about the beauty of the park, its openness, the unbroken view, and their disenchantment with the thought of putting the property on the tax rolls.

After the "nays" had their chance to be heard, Mayor McLeod asked anyone in favor of the vacation to speak. Only moments of silence were apparent. With that, councilman Marvin R. Boutin moved that the hearing be closed and the council passed his motion unanimously.

Then Mr. Boutin moved that the council take no action at this time regarding the property in question, and the council unanimously agreed.

And as most of the Sunningdale Park area residents filed out of the council chambers, smiles filled their faces.

### Hill Parking

(Continued from Page 1)

ing shortage for the Hill customers.

**Councilmen Agree**

The Farms council, at the January meeting, agreed with the Hill merchants to retain the current number of 2-hour parking meters which constitute 50 per cent of the municipal parking lot meters.

At the close of the police chief's report, two recommendations were offered. One of the recommendations was to meter the Free Lot to discourage the use of this area by persons taking the bus downtown and the merchants who use the area for unsold cars or commercial vans.

In the January meeting, Mr. Morse had said that he had no objection to the metering of the Free Lot.

Taking action on the recommendation, City Manager Bremer had asked, in last Monday night's regular meeting, the council's authorization to contact the school system for permission to meter the area.

### Benefits of Meditation Subject of Open Lecture

By Pepper Whitelaw  
When you hear the word meditation you often envision cults, far-out religious groups or just downright kooks. But a few minutes with teachers John Lyons and Maureen Stern, of the International Meditation Society, and a good hard look at their credentials, and you reconsider and listen.

The International Meditation Society is a non-profit educational organization which advocates the technique of Transcendental Meditation, as taught by Maharishi Mahesh Yogi. It is a process that according to its proponents can provide an individual with deep rest which releases the fatigue during daily activity, which sleep does not release, resulting in more energy, relaxation and clarity of thinking.

Dr. Robert Keith Wallace and Dr. Herbert Benson of Harvard Medical School have recently published in the "American Medical Association Journal" (January 17, 1972) and in the February issue of "Scientific American" the physiological effects of Transcendental Meditations.

They found that the metabolism which shows how much work the body does, is refined during sleep about five to ten percent.

During 15 minutes of TM, the metabolic rate is refined 20 to 25 percent, twice as much as deep sleep, showing deeper, more profound rest.

Dr. Wallace also studied the amount of oxygen consumption during TM and compared this with sleep. In five hours of sleep, oxygen is refined approximately eight percent. . . in 15 minutes of TM, oxygen is refined 16 percent.

The lactic acid salt particles in the blood decreased some 50 percent. Since increase in lactate goes with attacks of anxiety, the reduction meant much less anxiety during TM and throughout the day.

The proponents of TM stress that it is not a religion, philosophy or life style and involves no physical or mental requirements. No degree of belief makes the practice work any better and no degree of skepticism prohibits the technique from working.

It first became popular in the United States in 1965 with students in colleges across the country and, because of this, the organization was named Student's International Meditations Society. Because of profound changes in the students, both personally and academically, teachers began to investigate the practice.

Today courses on "Science of Creative Intelligence" are being taught in over 1000 major college campuses. The Science of Creative Intelligence is the theoretical application that supports the experience of TM. By naturally and spontaneously bringing awareness to the source of energy and creative intelligence an individual can make use of his full mental potential. Mr. Lyons stressed that this is not a process of learning but one of releasing.

There are at least 25 pointers who practice TM, three of whom the NEWS contacted. The first, Chris Worrell, a South High graduate and a student at Wayne State University said that through TM he has become a more efficient, fruitful human being with fewer anxieties.

Mrs. Emil Dauch, a housewife, became interested in TM through her daughter Emilie. She now practices

it twice daily and finds it a subtle, soothing, relaxing experience.

Engineer Allan Turner said that he is used to dealing with facts and that it is a fact that after practicing TM twice daily he feels more relaxed and more rested.

None of them claimed any miracles for the practice of TM; they all said that for them it was a relaxing, soothing experience and consequently worth the time they devote to it.

Pointers will have the opportunity to hear about TM on Wednesday, March 15, at 8 o'clock, at Grosse Pointe Unitarian Church when the International Meditation Society will present an open lecture.

Representatives of IMS letters commending the work of the society from college professors, medical men and legislators. All indicated that meditation can be a useful and effective program. Its work in the areas of drug abuse have been commended by Chris Meriam, prevention manager of the Governor's office.

Whatever your attitude on the subject, it certainly would be worthwhile to attend Wednesday evening's session and hear for yourself just what transcendental meditation is all about.

#### PLAYERS WARNED

Woods policemen were dispatched to 21711 Eastbrook court on Monday afternoon, February 21, to disband a group of boys playing hockey in the street. There the policemen found a small group of young players and informed them that they were violating a city ordinance. The boys agreed to leave. Less than 15 minutes later, the Woods police received the same complaint, and the police again reported to the location. This time, a boy came forward, said he was representing the group, and they had a right to play in the street. The Woods policemen read city ordinance No. 345, against ball playing in the street, and the young hockey players complied with the ordinance and left the scene.

#### ANALYSIS

Hardworking parents who work to make money to leave to children who won't work are all part of the cycle of success.

### Teacher Fails In Citizenship

There is one City of Detroit teacher who did not receive a good report card on Thursday, February 17.

Farms patrolman Thomas Kelly was on routine patrol at 1:45 a.m. Thursday morning when he paced a car speeding 55 m.p.h. on Mack avenue past the Moross light.

Patrolman Kelly stopped the '68 Plymouth, driven by a Detroit teacher, Robert W. Nave, 22819 East Mile, St. Clair Shores, at Mack and Colonial court.

Making a routine check through the LEIN machine which records persons who are wanted for past arrests, the policeman discovered Nave was wanted by the City of Northville for passing bad checks.

The offender was transported to the Farms police station and turned over to a Northville police officer at 3:20 a.m. after being charged with a speeding violation by The Farms.

### Farms Amends Building Code

The Farms council passed unanimously two amendments to the building codes in the Monday night, February 14, meeting.

Farms City Manager Andrew Bremer, Jr., said that the amendments serve to update the Farms building code and electrical code, and that neither amendment contained any major changes.

"About every five years, the Building Officers of America (BOCA) present an updated version of building and electrical codes, and The Farms adopts the new code by reference," Mr. Bremer commented.

The amendments to the building and electrical code ordinances go into effect on Wednesday, March 22.

### Machine Helps Heart Patients

Bon Secours Hospital has a new machine which can help a doctor to find out how strong a patient's heart is.

It's a motor-driven treadmill which, together with electrocardiographic equipment, can measure the endurance limit of a patient's heart under controlled exercise conditions.

This new addition to the hospital's electrocardiography (EKG) department was made possible by a donation from the friends of Larry M. Farnam, M.D., a physician on the staff of Bon Secours for 15 years who died of a heart attack last April.

The treadmill is a recently developed tool (only a few are in use in the Detroit area), useful for the detection of heart disease in individuals who may have experienced chest pain but show no other evidence of heart disease. It is also instrumental in determining the degree of limitation that should be placed on an individual with actual heart damage.

To administer the test, the patient walks on the moving treadmill while hooked up to a monitor which records the rate of his heartbeat. The speed of the treadmill can be varied from 1.7 to 10 miles an hour.

A cardiologist, assisted by an EKG technician, administers the test and interprets the results.

#### SHAKING HOUSE

An East Jefferson avenue resident reported to City police on Monday, February 28, that a large machine working at the Bon Secours Hospital construction, was driving back and forth in front of the house shaking the entire building. Officers checked and found a bulldozer was hauling sand onto the construction site.

### Three Voting Machines Purchased for Park Use

By Pepper Whitelaw  
The Park Council at its regular session on Monday, February 28, approved the purchase of three used voting machines from Computer Elections Company of California at a cost of \$3000 each.

The need for additional machines has arisen due to the increased number of newly franchised voters, the large volume of absentee voters in The Park, the varying size of the precincts, according to City Administrator Robert Stone and City Clerk and Comptroller Nunzio Grisi.

Mr. Orisi explained that by state law a voting machine is required for every 400 voters. He said that precincts in The Park vary in size from 940 voters to 1439 and that the eventually that some precincts may have to be split is almost inevitable.

Mr. Stone pointed out that one of the major reasons for purchasing these additional machines is the heavy absentee vote. He explained that in the past, precinct results were usually in 9:30 p.m. but that the absentee votes, which are hand-counted, usually were not tabulated until 3 a.m. Absentee votes are treated as a separate precinct.

Mr. Orisi added that if the council were to purchase new machines of this type, five bank, electric, they would cost around \$2,400 each. He said this was a great opportunity to get these much needed machines at a real savings.

**INTERESTING FACTS**  
Copyright  
A teacher recently asked this question and was shocked when no one knew the answer.  
The question was this: Here are the names of 9 men. What do they all have in common: George Clinton, Daniel Tompkins, Richard Johnson, William King, Hannibal Hamlin, Henry Wilson, Thomas Hendricks, Garret Hobart and Charles Dawes.  
Here's what they all have in common. They were all Vice-Presidents of the United States, and it's surprising how few Americans recognize their names.  
And, here's another interesting fact . . . our name is not a common one, but Maliszewski Carpeting is becoming well known by Grosse Pointers as THE place to get "new for Spring" decorating ideas. Starting with carpeting, of course. Come in and browse, we'll be happy to be of service.

# Pre-Spring Sale

The earlier you buy,  
the more you save!

## GET "DOUBLE SAVINGS" by buying now BEFORE MARCH 14

Simply buy before March 14. The sale extends a few weeks beyond that date, but the savings are reduced 50% from March 14 on. So why not double your savings now, while the discounts are at their highest.

### TURF BUILDER

to make your lawn sparkle this year

Simply spread a bag of Scott's TURF BUILDER on your lawn and enjoy the difference it will make. TURF BUILDER is the patented fertilizer that makes grass grow greener and sturdier. It feeds slowly, steadily, avoiding the wasteful surge growth that makes extra mowing. Keeps grass greener longer too. Pick up a bag this weekend and enjoy a lovelier lawn this year.

Scott's Pre-Spring Sale

- 15,000 sq. ft. bag (58½ lbs.) ~~19.95~~ **9.95**
- 10,000 sq. ft. bag (39 lbs.) ~~9.95~~ **7.95**
- 5,000 sq. ft. bag (19½ lbs.) ~~5.45~~ **4.95**

### SUPER TURF BUILDER

if your lawn needs "something extra"

You'll be pleased with Scott's SUPER TURF BUILDER. It provides even more greening power than regular Turf Builder, with no increase in weight. SUPER TURF BUILDER is just the thing for the lawn that missed its fall feeding last year. Or for the lawn you may want to green up early and get the jump on spring. A terrific bargain at these low sale prices.

Scott's Pre-Spring Sale

- 15,000 sq. ft. bag (58½ lbs.) ~~19.95~~ **14.95**
- 10,000 sq. ft. bag (39 lbs.) ~~14.95~~ **11.95**
- 5,000 sq. ft. bag (19½ lbs.) ~~7.95~~ **6.95**

### HALTS PLUS

to prevent crabgrass as you fertilize

If there was crabgrass in your neighborhood last year, it will likely be back this year, because its seeds are in the ground. But you can stop them before they get started in your lawn with Scott's HALTS PLUS For Established Lawns. It sets up a barrier which stops crabgrass seeds as they sprout. Full-fertilizes your good grass at the same time, making your lawn grow greener and sturdier.

Scott's Pre-Spring Sale

- 5,000 sq. ft. bag (23 lbs.) ~~14.95~~ **12.95**
- 2,500 sq. ft. bag (11½ lbs.) ~~7.95~~ **6.95**

### Poke Taken at X-Films

(Continued from Page 1) a community could not ban X-rated films.

Councilwoman Waugaman, not to be rebuffed by the legal counsel, continued by stating, "I would like to discourage the showing of X-rated films before it happens here." It was the councilwoman's opinion that the showing of X-rated films would "pull the community down."

The Farms councilmen, rallying in sympathy with Mrs. Waugaman, discussed the means at their disposal to prevent the showing of X-rated films in the Farms.

Councilman Dingeman proposed that The Farms spearhead a "united front . . . by The Pointes acting together by passing a resolution to discourage the showing of such films."

He cited the example of the Punch and Judy Theatre dropping the showing of "The Fox" several years ago since the owners of the theatre, Adolph and Irving Goldberg, had respected the residents' expressed wish that the film not be shown in the community.

Supporting Mr. Dingeman's opinion, Councilman James Mast said that he felt the Punch and Judy Theatre was more of a neighborhood theatre than the Woods Theatre, located on Mack avenue, showing the X-rated film which has caused so much recent citizen protest.

In the midst of the council's discussion, Mrs. Declercq spoke up. She praised the Farms council's suggestion, and urged them to take official action in the form of a resolution.

Farms Mayor William Butler read a resolution, containing the intent of the resolution which finally passed, that he had phrased in the course of the discussion.

Mrs. Declercq termed the Farms decisive and immediate action "courageous . . . in contrast to The Woods."

At this point, Councilmen James Mast and E. Rust Muirhead expressed their belief that the X-rating was too broad a category, and that the final resolution should not condemn all X-rated movies. In the resolution that was finally passed, the phrase read "motion pictures generally rated X."

### Involved in Development

(Continued from Page 1) Clair Shores Planning Commission were reported to have okayed the development as proposed.

The designer of the units presented ground plans and frontal color elevations as he described the project. He emphasized the fact that the homes would "blend in" as nicely as possible with the land and other homes in the area.

Each building was designed to contain six living units, with 12 houses being on a "private street." Each unit would have its own rear yard and its own attached parking. He said he would like to do what the bulk of the neighbors wished regarding the brick wall. About 60 percent of the development falls inside St. Clair Shores, according to Mr. Merrill.

Residents expressed concern about a number of items including fire and police protection inasmuch as the

county line splits the project, the traffic flow, and the style of the wall.

The county line splits the units, bisecting three dwellings. Two of the dwellings will be under the jurisdiction of the Shores, while the other will be under the Woods' jurisdiction. Woods and Shores units would be under the fire and police protection of the respective cities. Each city would take care of its own storm water drainage problem.

Woods City Administrator Chester E. Petersen said that the Woods would furnish water and sanitary sewer for the project, while St. Clair Shores would provide the rubbish collection.

Among other actions, the council approved waivers of setback requirements from 60 feet to 35 feet for rear yard setbacks. The 35-foot rear yard setback is the same requirement for single family residential units, too.

**Cinema League Meets Tonight**

The Cinema League will meet this evening, Thursday, March 9, at 8 o'clock, at the War Memorial. Featured speaker will be Dale Pegg, cameraman and reporter for WJBK-TV, Channel 2, and Grosse Pointe High School graduate.

He will show several short movies and commercials which trace his progress in the communicating arts. Mr. Pegg attended Northwood Institute for four years and joined the staff of WJBK-TV as film editor in 1970.

Dr. William Hoover, director of the Audio-Visual Department of South High School, will be on hand to distribute information on how the sound films were made. Professional cameras and other photographic equipment will be on display.

Following the presentation Mabel Humphrey, Ruth Campkin and Stuart Werback will serve refreshments.

**North Parents Plan Election**

Mrs. Thomas DeVries, president of the Grosse Pointe North High School Parent's Club, has named the 1972 nominating committee. It includes Mrs. Joseph James, Mrs. Vassel Nickoloff, Mrs. Jack Huckins, Mrs. Walter Albrecht, Judge Blair Moody, and Charles Kavelage, who will chair the group.

Mrs. DeVries suggests that anyone wishing to suggest names to the committee must do so on or before April 20, and must be a dues paying member.

Officers to be elected this year are president, father-vice-president, recording secretary and treasurer. They will serve during the 1972-73 school year.

**TOO MUCH**  
An efficiency expert walks in his sleep so he can get his rest and exercise at the same time.

**Car Totaled In Accident**

Two employees of Richard Buick, Robert Fletcher Teague and Paul Buccilli, were testing a customer's automobile on Friday, February 18, traveling east on Vernor when the vehicle left the paved portion of the roadway striking a tree, then crossed Vernor through a fence, into a yard at 1262 Berkshire, finally coming to rest against a second fence in the rear yard.

Buccilli grabbed Teague when during the mishap the driver's door flew open almost throwing Teague from the car. There was damage to the tree, lawn and two fences.

The car, which belonged to V. J. Davis, 4335 Bedford, was totaled.

A violation was issued to Teague for leaving the paved portion of the roadway striking a fixed object.

**Men Gardeners Elect Officers**

The Men's Garden Club of Grosse Pointe recently elected their 1972 club officers.

The men elected Forrest L. Geary, president; Stanley R. Remus, first vice president; Edmund J. Boell, Jr., second vice president; Edwin Roehrig, recording secretary; David T. Sickler, corresponding secretary; Leonard R. Wise, treasurer; Philip C. Baker, parliamentarian; and A. Lynn Zwiekey, editor.

Named to the Board of Directors are Joseph F. Nagel, L. Dale Seif, Ralph F. Urso, Howard J. Krieger, Herbert D. Ralph, and Simon Schorer. Ken Cary, past president, also serves on the Board.

The Men's Garden Club of Grosse Pointe has the distinction of being the fifth largest men's garden club in the country.

**A SWITCH**  
If women ever do get equal rights it will be quite a comedown for some of them.

**Discuss Park Real Estate**

"Values in Grosse Pointe Park Properties," was the topic for discussion at the recent monthly meeting of the Grosse Pointe Women's Real Estate Councilors held at the War Memorial.

Rita E. Dodge, of Bruce R. Tappan and Associates, and Rachael Bauman, of Higbie-Maxon, are both experienced saleswomen of old, established Pointe brokers.

Mrs. Dodge talked about values of quality homes in The Park which younger families have moved into and ambitiously updated. She said The Park is the most revitalized of all the Pointes and commented on the popularity of the Windmill Pointe area and Trombley school district.

Mrs. Bauman discussed the advantages of living in The Park such as its proximity to downtown (only 18 minutes). The fact that it has no indebtedness, its outstanding city services and is the only Pointe with two parks. She also stated that residents of The Park are known for their political interest and high level of formal education.

A survey conducted in early February revealed that there were 78 homes for sale in The Park, out of 4,911 dwellings; 69 homes for sale in The Farms out of 3,792 residences; 84 homes for sale

in The Woods out of 6,422. The City and Shores had 33 and 25 homes for sale respectively.

The Women's Councilors meet monthly. Any saleswoman interested in joining may do so by calling Irene Broderick at TUxedo 4-4400.

The people who don't know when they're licked can't be.

### Night in Jail Follows Chase

After a high-speed chase on Lake Shore drive, Farms policeman John Kraiza halted Dorothy L. Weddell, 4675 Three Mile drive, Detroit, and charged her with driving while under the influence of liquor early Sunday morning, February 20.

Patrolman Kraiza first noticed the car as he was stopped on Lake Shore drive and placing a warrant check on two suspects.

A red '71 Camero approached his scout car from behind and almost collided. The scout cars emergency flashers were on at the time.

The driver of the red Camero applied the brakes and, with the tires squealing, came to a stop two feet behind the scout car.

The car then backed up, went around the police car, and proceeded to hit the curb of an island.

At this point, Farms Patrolman Kraiza, put on his car's flasher and siren, and began to chase the red car.

He reported that the red car picked up speed and began to travel at 55 m.p.h. along west Lake Shore drive. The car went through the red light at Moross and jumped off the curbs of the median islands eight times.

The car was finally halted near Provençal road. Patrolman Kraiza reported that the car accelerated as he approached, and struck him in its escape attempt.

The vehicle was finally stopped when the policeman reached into the car through the open left window, pulled the gear shift into park, and turned the ignition off.

Patrolman Kraiza reported that the defendant, Mrs. Weddell, resisted arrest and refused to take the breath-alizer test.

At the Farms police station, she was charged with driving while under the influence of alcohol. She spent the night in the Farms jail and was arraigned the next morning.

### Grant Helps 400 Students

The first grant from the Joanne P. Bokram Memorial Arts Fund of the Grosse Pointe Foundation for Academic Enrichment provided more than 400 local high school youngsters with an unusual and creative opportunity not currently available within the framework of the present public school curriculum.

Last week Pointe youngsters had the opportunity for investigations in "the film as a form of art" under guidance of a national authority in the field, Dr. Frank E. Beaver of the Department of Speech at the University of Michigan.

Dr. Joseph Spagnoli, Assistant Superintendent-Instruction, developed the school system's portion of the plans, in concert with other staff members and representatives of the Bokram Fund, including Mrs. Edward C. Hanpeter of Berkshire road.

Morning lecture-demonstrations were presented to an audience composed of 200 students each from both North and South High Schools. Afternoon workshops for 30 (15 from each school) were also scheduled.

Topics for lecture and discussion sessions are "Development Techniques of the Film as an Art Form," "Original Student Work in Film," "What Do You Do When the Lights Go Out?" (or "How to Critique a Film"), and "Film and Its Relationship to Other Arts—Art Music, Drama."

The afternoon workshop session, devoted to film technique and film production by students, was attended only by those desiring to make a film.

Participation in the unique program required teacher recommendation. "Art of Film" teachers in both high schools, Miss Sue Boivin at South, and Norman Shurmur and Miss Lucy Carmichael at North, were also involved in the project.

Assistant Principals for Instruction, Miss Frances French at South and Robert D. Welch at North, developed an enrollment form which assisted in channeling the most interested and most qualified students in the program. Support personnel in audio-visual aspects of the project were supplied by Don Richards of North and Dr. William F. Hoover of South, and members of the Grosse Pointe Motion Picture Council.

Income from the Bokram Fund, the first to be established by the non-profit Grosse Pointe Foundation for Academic Enrichment, will finance the learning activity for local high school students.

### Judge Speer Clears Docket

The City of Grosse Pointe Park Municipal Court convened on Wednesday, February 23, with Judge William Speer presiding. Nineteen warrants were signed by the court for failure to appear and eight cases sent to Lansing for failure to appear.

Sixteen cases were heard.

Alexander F. Arino, Jr., 2850 Bennett, Dearborn, pled guilty to speeding 40 mph in a 30 mph zone. He was fined \$15 plus five dollars in costs. The ticket was issued May 22, 1971, subject did not appear in July for court date and since has posted a bond with the Michigan State Police post for this court date.

Bradley Bradshaw, 3188 Lakeview, Detroit, pled not guilty to speeding 41 mph in a 30 mph zone. He was found guilty and made to pay a fine and costs of \$30. His sentence was suspended. He must return to court March 22 for driving while his license was suspended. He previously posted bond and did not appear. This \$100 bond was forfeited and paid to the city treasurer.

Brenda Golson, 2145 Drexel, Detroit, pled guilty to speeding 50 mph in a 30 mph zone. Fined \$50.

Joseph Hall, 708 Lyncaste, Detroit, pled guilty to speeding 40 mph in a 30 mph zone. Fined \$25.

Dolores Tarpley, 28830 Jane, St. Clair Shores, pled guilty to traveling through a red light and was fined \$15.

Al Baron, 1364 Wayburn, pled not guilty to parking in an alley. No complaint was taken.

Roger Salomon, 1174 Lochmoor, pled not guilty to failing to yield to a pedestrian. He was found guilty and fined \$15 including costs.

Ronald Valcke, 14548 Imlay City road, pled not guilty to speeding 35 mph in a 30 mph zone. He was found guilty, paid a fine and costs of \$15. Pled guilty to driving without insurance and paid \$25 fine. He also pled guilty to driving with expired Alabama plates and paid an additional fine of \$10.

Dominic Padula, 4706 Somerset, Detroit, pled guilty to speeding 42 mph in a 25 mph zone. He paid a fine and costs of \$35.

Wesley Bush, 550 Pemberton, pled guilty to speeding 35 mph in a 25 mph zone. He paid a fine and costs of \$20, and was placed on probation for six months and his license was suspended for 30 days by the court as a term of his probation.

Frank Meeseman, 21527 Alger, St. Clair Shores, pled not guilty to failing to stop for a stop street causing an accident. He was found guilty, and made to pay a fine and costs of \$20.

Kenneth Johnson, 13400 Evanston, Detroit, pled guilty to traveling through a red light causing an accident. His sentence was suspended.

Peter Corrado, 3900 Three Mile, pled not guilty to making a left turn without signaling, causing an accident. He was found not guilty.

Loretta Kaiser, 745 Harcourt, pled not guilty to pulling into moving traffic causing an accident. She was found guilty and paid a fine and costs of \$15.

Ilene Moses, 15810 Windmill Pointe drive, pled not guilty to speeding 35 mph in a 25 mph zone. She was found not guilty due to a faulty speedometer.

James Paul Van Assche, 1700 Prestwick, pled guilty to speeding 40 mph in a 30 mph zone on August 5. He paid a fine and costs of \$20. His previous court date was November 3; at that time he did not appear.

**TV Newsmen To Speak Here**

"TV News: Measure of the Medium" is the title of a new 16-minute film prepared by Shelby Newhouse, distinguished WWJ-TV newsmen.

Newhouse will be the guest for the Sunday evening, March 12, special events program set for 7:30 o'clock, at the Grosse Pointe Unitarian Church.

He will show his new film which assesses the credibility of TV news in general, and specifically attempts to answer, "How much of what I see on TV News can be believed?"

A discussion about the making of a documentary film for TV and a question-and-answer period will follow. "This is a rare opportunity for taking a realistic look at the TV news industry with one of its most knowledgeable practitioners," according to program chairman Robert DuPuis.

Tickets will be available at the church Sunday evening, at \$1.50 for adults, and 75 cents for students.

The public is cordially invited. Coffee will be served.

**Church Plans Lenten Season**

Grosse Pointe United Methodist Churches' Lenten Program is titled "A Festival of Life," to date a showing of the film "Ecco Homo," and a Lenten Art Workshop have been held.

"The Light Company," is planned for Thursday, March 16; an organ recital by Jack Ellis on Sunday, March 26; Communion in the Round on Maundy Thursday, March 30; services from 1 o'clock to 3 o'clock on Good Friday, March 31; and Sunrise Service and breakfast presented by the youth of the church, followed by traditional services on Easter Sunday, April 2.

**School Board OKs Salaries**

By Kathy Duff  
The Board of Education trustees convened for a short meeting Monday night, February 28, to vote on a list of recommended salaries for the administrative staff for the 1971-1972 school year.

With the exception of Trustee Donald Semmler who voted no, all the trustees present voted in favor of the proposed salaries which are based on the merit system this year. Trustee President William Adams and Trustee Robert Warner were absent. Superintendent Theos I. Anderson, introducing the issue to the trustees and residents who attended the meeting, said that the salary increases included the assistant superintendent of schools and was influenced by the wage-price freeze as had been agreed upon at the school board meeting held on Monday, February 7.

Trustee William Huetteman commended the merit system as a "great step forward," and his sentiments were echoed by Trustee Alfred Glancy Jr. who added that a "great deal of care and consideration" had gone into the structuring of the wage scale.

At this point, Trustee Donald Semmler asked for a role call vote on the proposal, and he lent the sole dissenting vote. When asked his reason for his negative vote, he stated that his view on the proposed salary increases had not changed since the February 7 meeting.

In Mr. Semmler's prepared remarks at the February 7 meeting, he had said that the preliminary bargaining covered most aspects of the administrators' proposed salaries; while the new recommendation only included salaries, insurance, and travel allowances for this year and next year.

"I seriously question the procedure of approving only a portion of the agreement at this time and leaving the balance to future negotiations," Mr. Semmler had commented. He also questioned the success of any future millage elections when the administrators' salaries showed recent increases.

By approving the list of recommended administrators' salaries, the trustees were voting in performance raises which range from zero to six percent contingent upon each administrator's performance.

**Exhibitionist Seen on "Hill"**

Three 15-year-old girls reported to Farms police on Friday, February 18, that a man had exposed himself in front of 72 Kercheval earlier that morning.

They recalled sitting on the bench in front of the store when a man, in his late 20's or early 30's and wearing a short blue zipper jacket and dark blue pants, exposed himself. He immediately left the scene and went west on Kercheval avenue before turning at a service station in 66 Kercheval, and then disappearing.

The man was described as being five feet 10 inches tall, weighing 160 pounds, and having sandy-colored hair.

The Farms police, receiving the report on a hour after the incident occurred, were unable to locate the man.

**Honored**

MARY ELLEN TAPPAN, an executive with the world's fourth largest advertising agency, Batten, Barton, Durstine & Osborn Inc., (BBD&O) has been named 1972 Advertising Woman of the Year by the Women's Advertising Club of Detroit. She was honored at the Ad-Woman-of-the-Year recent dinner at the Roostertail.

Sometimes called "Tap" by her many business associates and friends, Mary Ellen brings a distinguished and varied background to her career at BBD&O. Mary Ellen originated and implemented the management system which assembles, supervises, and motivates a staff for client billing, budget and traffic control on the Dodge car and truck account. She describes her job as, "chief cook and bottle washer concerned with 'care' and 'feeding' of all office systems and equipment."

A Michigan State University graduate with a B.A. degree in commercial art, Tap's advertising career began as an art apprentice at Florez Inc., studios in 1944-45, the only position she ever lost — when Florez lost its World War II government defense contract at the war's end.

After five years with J. Walter Thompson Advertising Company and several years with Grand Advertising Company, Mary Ellen joined BBD&O. She initially supervised all traffic, billing and budget control areas before being appointed to her present position as officer manager in 1968.

A former president of the Women's Advertising Club, "Tap" has relentlessly served in varied capacities to further the role of women professionals in the advertising field. She is one of the 20 founding members of the Women's Economic Club of Detroit. Tap served as director in charge of liaison with the American Advertising Federation in 1969-70 and coordinated the Federation's national projects in Detroit.

A member of the Founders Society of the Detroit Institute of Arts, The Detroit Historical Society, The United Foundation Public Relations Miss Torchy committee, Mary Ellen Tappan pursues her "hobbies" with the same skill and ease as her work. An accomplished navigator, Mary Ellen is one of the few women in the U.S. holding a Power Squadron "N" (navigator) rating, earned through a rigid five-year course training. She is also a member of the Photographic Society of America and a former secretary to the organization's Detroit Regional Conference.

A long-time Pointe resident, Mary Ellen has served as a judge and analyst at critiques of the Grosse Pointe Camera Club, an educational self-improvement group encouraging young lens buffs.

She also maintained a real estate sales license for several years in order to assist her father, Bruce N. Tappan in his realty business. (He was formerly president of both the Grosse Pointe and Detroit Real Estate Boards).

**School Board Meets Monday**

The regular monthly meeting of the Grosse Pointe Board of Education will be held at 8 p.m. on Monday, March 13, in the gymnasium of Monteith Elementary School, 1275 Cook Road.

William J. Adams, president of the Board of Education, will chair the meeting. Dr. Theos I. Anderson, Superintendent of Schools, will present his recommendations for the trustees' action.

Interested citizens are invited to attend.

**CHARLES "RIC" RUTAN**

It's a pleasure to congratulate Charles R. Rutan, Jr. as a member of the "President's Club" of the Massachusetts Mutual Life Insurance Co. He has attained this honor by placing more than 1 MILLION DOLLARS of individual life insurance protection in 1971 and is one of an exclusive group of Massachusetts Mutual Representatives who made up the membership of this organization.

The Agency was founded in 1855 and services more than 20,000 policy holders with over \$175 million of life insurance protection. Mr. Rutan and his associates specialize not only in solving personal and business life insurance needs, but also in developing pension profit sharing, and other employee benefit programs for the corporate client.

**CARL M. WEIDEMAN**  
Funeral services for Judge Carl M. Weideman, 74, of Windmill Pointe drive, were held on Wednesday, March 8, in the Verheyden Funeral Home. He died on Sunday, March 5, in his home.

Judge Weideman served as a member of the Wayne County Circuit Court for 19 years, from his appointment in 1950 by then Governor G. Mennen Williams to his retirement in 1969.

A graduate of the University of Michigan and the Detroit College of Law, Judge Weideman was elected to the U. S. Congress in 1932, representing Michigan's 14th Congressional District.

While in Congress, he served as a member of the Immigration and Naturalization Committee and the United American Activities Committee and as assistant majority whip for Michigan, Indiana, and Ohio.

In 1936 he was elected a Circuit Court commissioner for Wayne County and served until 1950.

He is survived by his wife, Grace; a son, Carl M. Jr.; three grandchildren and a brother.

Interment was in Woodlawn Cemetery.

**ANNA R. LANTRY**  
Funeral services for Mrs. Lantry, 66, of 1476 Maryland road, were held on Wednesday, March 8, in the Verheyden Funeral Home. She died on Sunday, March 5, in Bon Secours Hospital.

Mrs. Lantry was secretary of a bearing company. She is the wife of the late Joseph, and is survived by a nephew.

Interment was in Mount Olivet Cemetery.

**HAROLD L. BALDWIN**  
Funeral services for Mr. Baldwin, 75, of 797 Rivard road, were held on Monday, March 8, in the Fredericks Funeral Home, St. Clair, Mich. He died on Thursday, March 2, in Cottage Hospital.

Born in Comstock, Mich., Mr. Baldwin lived in Detroit for 50 years. He was owner and president of Industrial

Interment was in Roseland Park Cemetery.

**MARSHALL PEASE**  
A memorial service for Mr. Pease, 67, of 16843 St. Paul road, was held on Wednesday, March 8, in Christ Episcopal Church. He died on Sunday, March 5, in his home.

Mr. Pease is the retired vice-president for purchases and real estate of the Detroit Edison Company. He retired in 1969, after joining the company in 1924 shortly after his graduation from Massanutten Military Academy, Woodstock, Va.

He started in the utility's construction department, became a coal buyer in 1930, and held several more supervisory posts before becoming manager of pur-

Home for Boys, 2701 Fenwick, Detroit 48238.  
Interment was in Mount Olivet Cemetery. Funeral arrangements were handled by the Eppens-Van Deweghe Funeral Home, Inc. (Continued on Page 9)

**John's Island: 8 pertinent points for those considering Florida this winter.**

- Location.** John's Island is a private residential resort located at Vero Beach in subtropical Florida just 65 miles North of Palm Beach.
- Privacy.** Natural geography and a manned gatehouse assure John's Island residents total privacy and security. The property is bordered on the East by 2 1/2 miles of private oceanfront, on the West by 10 miles of Indian River waterways.
- Golf.** A championship 18 hole golf course designed by Pete Dye and Jack Nicklaus forms a permanent 167 acre green belt in the heart of the John's Island property. A second course designed by Pete Dye is under construction assuring residents unburied, varied play. Ernie Ball is Director of Golf. The John's Island Club is private and offers full dining, pro shop and locker facilities. Our Beach and Tennis Club is now under construction.
- Environment.** At John's Island more trees have been relocated than other private Florida communities have removed. Large, heavily wooded homesites on the golf course, its lakes and John's Island Sound are presently available for sale. Also, Oceanfront Condominiums, private residences and South Village Townhouse Apartments. Some properties are available for rental.
- Design Building.** John's Island maintains its own construction company, Town Island Builders, exclusively for the property owners' use. James E. Gibson, A.I.A. is resident architect. Complete maintenance service is available for the absentee owner. Property owners are guaranteed the highest standards of design and materials.
- Residents.** The average age of the John's Island property owner is 52. You probably know someone who lives at John's Island either on a personal basis or by reputation.
- Zoning.** Zoning at John's Island limits building height to 3 stories. Strong deed restrictions further protect property owners.
- Management.** John's Island is owned and administered by E Lloyd Ecclestone and Roy D. Chapin III. A detailed and illustrated brochure on the property may be obtained by writing Mr. Chapin, John's Island Drive, Vero Beach, Florida 32960.

### Woods Okays Solicitations

The Woods council gave permission to two Parent Teacher Associations to conduct fund-raising drives within the city limits at a recent council meeting.

They granted permission to George Cherpelis, president of the Parcels Middle School PTA, to solicit merchants in The Woods for contribution of products or services for the PTA pancake supper scheduled for Wednesday night, April 19.

Mr. Cherpelis promised that only six adults would be involved in the solicitations. The Mason School Parent Teacher Association requested permission to conduct a

fair on the grounds of Mason School on Saturday, April 29, and permission to solicit contributions from merchants on Mack avenue within city limits.

Aldo Cardosi, president of the Mason PTA, promised that the planned activities would be co-ordinated through the Woods director of Public Safety and that proper insurance had been contracted for.

The Woods council, since it is the policy not to endorse officially any fund-raisers, gave the go-ahead to the organization by voicing "no objection" to the requests.

### Water Safety Course Offered

The Grosse Pointe Department of Community Services is scheduling a training course for water safety instructors. The 10-week course will be conducted weekly on Thursday evenings from 7 p.m. to 10 p.m. at Brownell Middle School, beginning March 30. The registration fee for the course is \$10.

Upon successful completion of the course, the students will receive an American Red Cross W.S.I. certificate. This certification allows the holder to teach all American Red Cross courses through Senior Lifesaving, and issue certificates for these courses.

Persons interested in registering for this course should call 885-3808, 885-0271, or 885-3701, immediately to reserve class space.

### Poor Driving Hard on Rider

The Farms police did some police work for Detroit early Monday morning, February 14.

A '64 Ford, driven by a Dearborn man, went through the stop sign at Mack and La Fontaine, and was stopped by the Farms police at Canyon and Warren. There they checked the identification of both the driver and his passenger, Mario Matrionola, 26301 Hliss, Dearborn Heights.

The Farms police discovered that the passenger, Matrionola, was wanted by Detroit for two unsettled traffic warrants, and received a request from Detroit to hold the suspect.

Detroit police officer Ronald Le Gende picked up Matrionola, who probably wished his friend was a better driver, at the scene.

### Woods Stages Students' Day

By Roger A. Waha

The first voter registration day held at the Woods for Grosse Pointe North High School 18-year-olds Thursday, February 24, has been called "very successful" by City Administrator Chester E. Petersen. At least 64 "young adults" were registered and plans are on the way for a second day sometime in May or early June, according to Mr. Petersen.

Mayor Kenneth R. McLeod welcomed the students upon their arrival to the Municipal Building on city buses. The program included voter registration, instruction in voting procedures and the proper utilization of voting machines

and a tour of the Municipal Building and the Department of Public Safety.

"The young adults were attentive and showed an interest in voting procedures and the operation of the machines," said Mr. Petersen. He added that they were "inquisitive" about the operations of city government, and especially about the Department of Public Safety. Question and answer periods also proved helpful to the students.

In a letter to Mr. Petersen from the Student Association of North, Steve Rabaut, president, Carl Munaco, vice president, Julie Remter, secretary, and Ruth Johnson, treasurer, expressed their appreciation for the day.

The students thanked Mr. Petersen and the City Hall staff for the "beneficial time" they had. "All of the eighteen-year-olds who participated in your program also thought very highly of it. We are sure that everyone involved learned something."

In the same vein, a newsletter from Mr. Petersen, ("Council Newsletter No. 5"), reports it's believed that

the Woods currently has 97.6 percent of all eligible voters now registered. However, some 311 people who are thought to be Woods residents are still not "on the books."

The newsletter also reports that a new program for voter registration "for any senior citizen, disabled veteran or any eligible voter who is physically handicapped or unable to come to the Municipal Building for the purpose of registering to vote" is ready to begin.

These individuals should telephone the city office, (884-6800), and an appointment will be set up for one of the deputy city clerks to go to the citizens' homes for registration.

### Woods Group Holds Election

The annual meeting of the North Woods Property Owners' Association was held at the Liggett School Campus on March 2.

The following officers were elected: president, Thomas J. Fahrner; vice-president and treasurer, John Sabol; secretary, E. J. Williams; social chairman, Mrs. James Oliver; and Trustees, Gene Shannon, J. B. Oliver, G. P. Kurze, J. C. Kennedy, L. Sullivan and W. Peeler.

The association boundaries cover the general area from Robert John, Van K, Brys, and River road, and was founded for the purpose of civic improvement, fostering good neighbor relationship, and for disseminating pertinent information. A spring dinner dance is being planned for residents by social chairman Mrs. James Oliver.

Guest Speaker Corporal Gerald Kenzora of the Grosse Pointe Woods Department of Public Safety outlined various things home owners can do to minimize the breaking and entering of residential properties.

### Edison Trucks Told to Move

A "hazardous" condition brought quick response from the Woods Police Department Thursday, March 2, at the median on Mack avenue at Hampton road.

Officer Ronald Hayden received a report from George Zicas, 1793 Hampton, regarding "trucks parked on median, obstructing view." Zicas stated that the condition is an extreme hazard to the extent that it almost cost him his life on March 2 while he attempted to cross Mack.

He was advised that Detroit Edison is working in the area and that the workers have continually been warned regarding the situation. The police told Zicas that they would follow through with his complaint.

Officer Hayden spoke with the involved subjects, and again warned them of the complaints being received by the police. They were told that parking on the median must cease so the hazards created by parking at this location can be eliminated.

The trucks were then moved from the median.

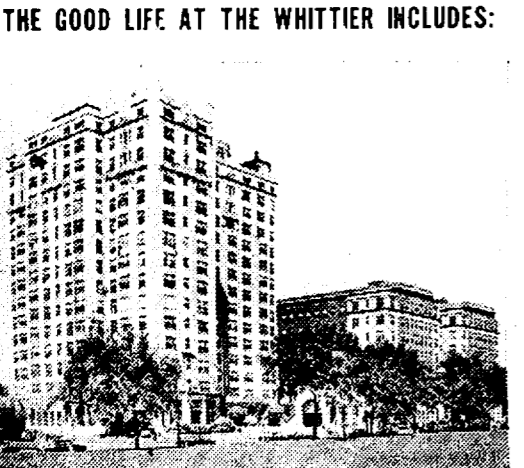

**WINE TAKEN**

Joseph Fox, manager of Schettler's Drugs, 137 Fisher, reported to city police that a number of bottles of wine that he had purchased were stolen from his '64 Dodge which was parked in the rear of the store. The auto was locked and had apparently been entered with the use of a wire. Taken were 12 bottles of wine, valued at \$60.

### Does Christian Science really heal?

Yes, it does. But no advertisement can fully explain it.

You have to read about it and prove its practical and reasoned approach for yourself.

Healing in Christian Science means much more than just physical release. It means an improved character. Release from wrong. A newfound understanding of God, and yourself.

You're always welcome at our Sunday and Wednesday service.

**Hockey Bruins Keeping Active**

The Grosse Pointe Bruins played their first game in the state tournament on Friday, February 4, against Southfield and were victorious 2-0. Alan Taber scored both Bruin goals, one unassisted and on the other assisted by Kevin Moore. Drew Mascarin recorded the shutout.

In an exhibition game February 5, the Bruins faced the Warren Eagles and came up with a 9-2 win. The scoring was led by Taber with three goals and one assist. Joe Brykalski posted two goals and two assists. Scott Seaver and Joe Sehee each had one goal and two assists. Matt Costello and Ben Amore put in the other two goals. Assists were awarded to Bill Seaver, Leo Fenn, Brian Moody, Kevin Moore and Amore.

The Bruins met the Denby Bulldogs on Sunday, February 6. The Bruins led until midway in the third period when the Bulldogs scored twice to win 3-2. Matt Costello scored first on a power-play goal with Bill Seaver and Taber assisting. The second goal was by Taber with Joe Sehee getting the assist.

In a league game February 8, the Bruins bested the Cherokees 6-0. Single goals were posted by Amore, Costello, Morris, Bill Seaver, Sehee, and Taber. Credited with assists were Brykalski, Scott Seaver and Matt Rossetti.

The Bruins traveled to Toronto to participate in the Longbranch Invitational tournament February 12 and 13. The first game ended in a 2-2 tie. Taber scored assisted by Bill Seaver. Jim Morris scored the second with Taber assisting. In the second game the Bruins were victorious 4-1. Morris led the scoring with two goals and one assist. Bill Seaver had one goal and one assist. Matt Rossetti scored an unassisted goal.

In a very important league game February 15 the Bruins battled the second place Hussey's Hawks to a 3-3 tie. Brykalski scored first with John Davies assisting. Taber scored the other two goals with Morris, Sehee and Rossetti assisting him. Tom Hastings and Brian Moody played excellent defensive games.

In an exhibition game February 17 the Bruins met the always strong Fifth Wheels and chalked up a 4-3 win. Bruin goals were scored by Taber, Morris, Sehee and Bill Seaver. The second state tournament game was played February 19 against the St. Clair Shores 'Lil Saint.' The Bruins couldn't match the excellent play of the 'Lil Saints' and lost to them 3-0. The Bruins received runner-up honors in District 3. St. Clair Shores will represent District 3 in the state finals in Sault Ste. Marie.

On February 19 and 20 Grosse Pointe hosted Longbranch, Ontario. The Bruins were victorious in the first game 5-1. Amore, Fenn, Morris, Sehee and Taber scored for the Bruins.

At Taber received the first star award. Brian Moody was the second star. The third star award was received by Hugh Hilliard from Longbranch. Rob Fredal, the Bruin goalie played a strong game.

The second game on February 20 found the Bruins again on top 2-0. The Bruin scorers were Scott Seaver and Joe Brykalski with Fenn assisting on each goal. The game's first star was Drew Mascarin for his fine effort in the Bruin goal. Second and third star awards went to Danny Dupre and Frank Horvath from Longbranch.

**Neighborhood Club Entered**

The Neighborhood Club was entered twice in two days. The first entry, on Tuesday, February 29, was reported by janitor Carl Prytula, who found the basement storage room door hinges had been pulled.

He also found two hammers, a spoon and a scissors on the floor near the storage door. The upstairs storage room door also appeared to have been tampered with.

The culprit also sprayed with a fire extinguisher the girls lavatory and rooms on the main floor. Nothing was missing from the premises.

Entry apparently was gained again on Thursday, March 2, when once again nothing was stolen.

**Cagers at South Finish Season with 9-7 Record**

By Mark O'Keefe

The Devils won eight of their last 12 games to finish the season with a respectable 9-7 record. South then disappointed many fans by losing to North in the district cage playoffs, 54-49. The game was North's first stepping stone to the district title which they took with a 57-47 win over Bishop Gallagher Friday, March 3.

South started the season on the wrong foot, dropping three consecutive games after winning narrowly in their opener.

While trying to pinpoint the reason for this, coach Charles Hollosy shunned the phrase "bad luck" claiming that South had not yet produced a strong starting five to carry the team.

The Devils ended the season averaging 72 points per game with 61 of them coming from the starters. Jim Bird led with a 15 and one-half point average while sinking a team high, 41 percent of his field goal attempts. George Heidt and Pete Farmer each scored 12 points per game while Dave Gaitley was good for 11. Steve Kennel's average output was 10 and one-half points.

Bird also was high in rebounds for South grabbing nine each game while Pete Farmer averaged eight.

Mr. Hollosy had no regrets on the season, claiming that South's tough schedule was part of the won-lost record and that an easier one would not have prepared the Devils for tough games. He added, "I am very happy with the season. The players seemed to enjoy being on the team and playing together."

In a season with six losses by less than ten points, it seems likely that the coach would have many second guesses as well as ulcers. Mr. Hollosy candidly admitted, "I always second guess; I second guess every game, but right now I don't think

that's the thing to do. I think we should look ahead to next year."

Next year should be better for the Devils, although Farmer, Kennel and all BCL Heidt will be leaving. Bird, South's statistical leader and also a member of the BCL team, will return with first string guard Gaitley.

Mike Stavale should see some action at the other guard position along with Rob Heidt who played well for the JV's this season.

Jim Scala, Pete Grambo and Stu Cammett could add a new dimension to South's varsity—height. Grambo and Scala are each 6' 5" and Bird is 6' 3", making Cammett look small at 6' 2". Stu Thiede could also help the team after averaging 17 points in the JV's last four games.

Mr. Hollosy conceded that the initial outlook for next year's varsity is better than it had been for this year's team, but cautioned that South will be playing another tough schedule and "It won't be easy."

Many people return to religion after trying everything else. Assuming too much, too often, usually means many mistakes.

Public Schools in Focus

By Dr. Theos I. Anderson, Superintendent of Schools

There has scarcely ever been a time when education has received more columns of print in the media than it does today. Even without the issue, (cross-district busing), "challenge" and "change" are two words that seem to characterize the situation in education at the end of the second month of 1972 and which the following items seem to exemplify:

Vermont Changes School Bonding Procedure
Spurred on by possible entanglements stemming from the current nationwide assault on the property tax as the basis for financing public education, the State of Vermont changed its Bond Bank Act recently, deleting the provision that it could purchase only bonds payable with ad valorem taxes and substituting general obligation bonds instead.

Problems in Hawaii
As anyone knows who has heard Governor Milliken describe "educational reform," Hawaii has a statewide school system run by a central department of education. Its aura of perfection may diminish somewhat with the realization that the February 21 vote of more than 9,000 school teachers there could set the stage for pay raises for additional government employees and could leave the state, now facing

that we do not care—it is often that we do not know. As members of a very community oriented organization, Grosse Pointe Theatre, we are very pleased and proud with the support the community has given us over the years. However, we would like to bring to the attention of the community in general an event we think of great importance to theatre, and to our supporters.

Letters to the Editor

Dear Sir, So often we in Grosse Pointe are so involved with our own community that we neglect to find things which might be of interest only a few miles away. It is not

Carl's Corner
Yesterday at breakfast, Mr. Gilleasbuig Macmillan, our ecumenical minister from Scotland made a remark I liked. "Today a man who stands in the middle of the road is apt to be run over!"

Beginning Monday, March 13, the biggest event in the history of Detroit-area Community Theatre will take place at the Detroit Institute of Arts, when twelve theatre groups in the area will come together to present the Metropolitan Detroit Community Theatre Festival. For six nights running, groups of every kind from the tri-county area will present productions in competition. There will be inner-city and suburban groups, dramas and musicals, originals and Broadway veterans. Each night during the week, two groups will present their selections, which will average one act in length. Each presentation will be critiqued individually, and there will be an opportunity for the winner of the competition to appear in State, national, and international competitions. We of Grosse Pointe Theatre are very proud that we

What Goes On at Your Library

By Virginia Leonard

The Gale Research Library Date-Book for 1971 contained, among other fascinating bits of information, the story of the bookplate. And since it is done so well (by Leslie Shepard), I thought I would share this information with you. After all there is a pertinence. Many people use bookplates; bookplates belong in books, and many books are found in libraries!

As time went on, the plates became lighter, the printing was cheaper, the motifs of a more popular type — more plebeian. Landscapes, views of libraries, allegorical pictures, piles of books, mottos and quotations—this was the type of decoration that appeared. Some were inscribed with verses, witty and otherwise. A most interesting motif, used by a number of discriminating collectors, was the horn-book—the little paddle shape from which children learned their letters. Some great collectors have left their mark on these labels. Samuel Pepys had three differently designed bookplates, one bearing his portrait. The plates belong

What's New on THE HILL

By Pat Rousseau

Harbingers of Spring . . . the new selection of School of Paris Impressionist paintings of beautiful florals and bright landscapes which has just been received by the Sign of the Mermaid Gallery, 88 Kercheval. The Gallery is open Thursday evenings seven until ten.

Go Together . . . go golfing. Izod has coordinated a link stitch cardigan golf sweater (\$18) with a mock turtle short sleeve knit shirt (\$13). Both are of 100% orlon which is machine washable and driable. Find them in handsome colors at Picard-Norton, 92 Kercheval.

The Interior Designers . . . at Denler have edited the new fabric and wall paper lines. See their expert choices at 77 Kercheval.

Tennis Everyone . . . the red, white and blue of the tennis world is a fashion favorite found combined in a new tennis carry-all for ladies at Gray's Sport Shop, 106 Kercheval.

Spring Has Sprung . . . in the Top Shop of the League Shop where you'll find bright gay lanterns for family room and patio. Speaking of color, you'll love the flatware with yellow or blue handles . . . sophisticated black too! . . . 98 Kercheval.

Bravo . . . for the Italian Florentine frames, tissue boxes, sconces, easels, candle holders and card boxes which have just arrived at Virginia Williams, 79 Kercheval. Most are white gold, some are softly colored.

Spring Specials . . . at Trail Apothecary, 121 Kercheval, feature Jean d'Albert Ecusson or Casaque cologne and bath oil . . . a nine dollar value for six fifty. The spray cologne and cologne refill, a ten dollar value is six fifty. Ecusson hand and body lotion, the six dollar value is three fifty. Princesse d'Albert hand lotion, a six dollar value is three fifty. Princesse d'Albert eau de toilet spray and refill, a eleven fifty value is seven fifty.

Hamlin's Has . . . Roland miniature baby corn on the cob in a fifteen ounce tin for sixty-nine cents. It's delicious hot as a vegetable, cold as a salad . . . also as a garnish . . . 89 Kercheval . . . TU 5-8400.

Seems Like Old Times . . . the Bronze Door is open and under the capable management of Bill Jatronsen. Joe Wagstaff is entertaining at the piano bar Tuesday through Saturday evenings . . . 123 Kercheval . . . 886-1932.

Oh Say Have You Tried . . . the delicious freshly-made popcorn at the Stroh Ice Cream Parlor, 74 Kercheval. It's toasty warm and lavished with Land O'Lakes butter and made in an old fashioned popcorn maker.

WOMEN'S PAGES

## From Another Pointe of View

By Pepper Whitelaw

Easter Monday, April 3, will be a gala night at the Fisher Theater. The Auxiliary of Stapleton Center is sponsoring a benefit performance of the musical revival, "No, No Nanette," featuring June Allyson, Dennis Day and Judy Canova.

The proceeds will be used to assist Monsignor W. F. Suedkamp in his program for The Aged Poor at Stapleton, located in the old Annunciation Parish on Parkview in East Detroit. It will eventually provide housing for aged men and women regardless of race or creed.

Monsignor Suedkamp is planning to provide a private room and bath for each resident, a common dining room and a recreation mall. The facility, according to Mrs. Charles W. Talbot, auxiliary president, will be fashioned on the motel concept of Kundig Center on the West side.

Co-chairmen of the benefit are Mrs. Charles T. Fisher, Jr., Mrs. Aloysius F. Power, Mrs. Brian J. Molloy and Mrs. Walter B. Fisher. Committee members include Pointers Mrs. Gerard R. Slattery, Mrs. Harry J. Mack, Mrs. Harry B. Howenstein and Miss Margaret Bradford.

Pointer and ticket chairman, Mrs. Joseph E. Bejin will honor ticket requests. She advises that reservations be made early by calling 881-1020. Checks should be made payable to Stapleton Center.

Area women planning to attend the gala include Mrs. Charles T. Fisher, Jr., Mrs. Richard Manoogian, Mrs. Emmet Tracy, Mrs. John Riekel, and Mrs. J. Addison Bartush. The play received rave reviews and a standing ovation at its recent opening performance in Cleveland.

Kudos to the Grosse Pointe Women's Club's Blood Bank Unit, which during the year 1971, assisted the Red Cross Blood Mobile in collecting over 3,000 pints of blood. The unit is made up of both members and non-members of the Women's Club and is directed by Mrs. Walter Hallenbeck and her assistant, Mrs. Austin Wheatley.

(Continued on Page 15)

## Short and to The Pointe

Marine Pfc. JON C. EBBLER, son of MR. and MRS. GEORGE E. EBBLER of Fleetwood drive, has completed the Aviation Maintenance Administrative School at Memphis. He will be assigned to administrative and clerical duties involved in the operation of aircraft maintenance programs. He is a 1966 Graduate of Grosse Pointe High School, and a 1971 graduate of the University of Detroit.

Named to the Dean's List at Babson College, Wellesley, Mass., is DENNIS M. GANNAN, son of MR. and MRS. LEWIS ROWADY, of Lakeland avenue. Dennis was congratulated by letter by Babson's dean of students, Paul C. Staake Jr.

Named to the top Honor Roll at the Orme School in Mayer, Ariz., is HERBERT A. EPSTEIN, son of MR. and MRS. HERBERT S. EPSTEIN, of Windmill Pointe drive. Herbert, who recently attended the University-Liggett School, was also awarded the Introductory Physical Science Award.

Dancer KATHY HAMBY, daughter of MR. and MRS. WINSTON HAMBY, of Mason road, will perform in "Dance Concert Weekend I" held in the Power Center for the Performing Arts, Ann Arbor, Mich., on March 24 and 25. Kathy is a junior at the University of Michigan, studying speech and dance. Prior to coming to the university she danced with the Ruth Carney Dance Studio, and in Our Lady Star of the Sea High School and Austin Catholic Preparatory productions.

## Getting Ready For Their Open House

Students at The Grosse Pointe Academy are preparing for their Open House slated for this Sunday, March 12, from 2 o'clock until 4:30 o'clock. Pictured (front row—left to right) CLARK SWART, JIM FITZPATRICK and STEVE METZ, (second row—left to right) MARK WAL-

LARD, MERRIEL ROBINSON, KATIE WARD and PAT FITZPATRICK, (third row — left to right) KEVIN BURKE and CURTIS FISHER. (Story on Page 17)

## Set Chi Omega Meeting Mar. 14

The Eastside Evening Group of Alpha Chi Omega sorority will hold its monthly meeting at the Yorkshire road home of Mrs. Bruce Tock on Tuesday, March 14, at 8 o'clock. Co-hostess for the evening is Mrs. Walker Lundy. Program chairman, Mrs. David Smith will present Sister Sean Martin, an advisor to Centerpoint, a drop-in-center for youth, which is sponsored by the Family Life Education Council (FLEC). Sister Sean is on leave of absence from St. Paul's School to work on this project.

The business meeting will be under the direction of group chairman, Mrs. John C. Krato. The group will make plans to finish the puppets they are designing for the Church of the Messiah Day Care Center, which is supported by the group through donations of clothing, equipment, books and play. This project is under the direction of Mrs. R. A. Armbruster. Mrs. Daniel Manthe, ways and means chairman, will outline the new group project, testing for Milton Brands.

The group will host the Detroit Area Alpha Chi Omega Spring Luncheon at the Womens' City Club on Thursday, March 23. The luncheon is under the direction of Mrs. Tock and Mrs. Krato.

Committee members include Mrs. Walter Weed, Mrs. James Johnston, Mrs. D. J. Rasmussen, Mrs. Lyle Heavner, Mrs. Thomas Woodruff and Mrs. Arbruster.

## Birthday Luncheon Set By Delta Kappa Gammass

The Detroit Metropolitan Council of Delta Kappa Gamma, international honorary organization for women educators, will hold its annual birthday luncheon on Saturday, March 11, at the Grosse Pointe War Memorial.

Delta Kappa Gamma has 2,190 chapters in the United States and Canada. There are 10 chapters in the Detroit-Windsor area, three of which are located in the Pointe.

Mrs. Elizabeth Kenny, Theta Delta chapter and president of the Detroit Metropolitan Council is general chairman. Mrs. Kenny is a staff member of Poupard Elementary School. She is assisted by Mrs. Marior. Saille, Beta Xi chapter, who is a staff member of Kerby Elementary School.

Following the luncheon the members will have the opportunity to hear Dr. Edward Stasheff, professor of speech at the University of Michigan.

Dr. Stasheff, author and lecturer, established Education TV in Israel. His topic will be, "Women and Educational Broadcasting."

## Daughters of Isabella Circles Hold Benefit

The Daughters of Isabella Circles in the Archdiocese of Detroit will hold a Benefit Card Party, Sunday, March 12, from 2:00 p.m. to 5:00 p.m., in the Community Arts Building, State Fair Grounds. Admission is \$1.50. A delicious Smorgasbord Dessert Luncheon is planned. Many gifts will be awarded.

Proceeds will be given to "Heartline, Inc." formerly Sancta Maria.

There are now three homes, known as "Heartline", which are staffed by nuns and day people, who offer

counseling, medical care, job placement and friendship.

"Heartline" services are available to all girls, from age 17 and older.

Heartline was started seven years ago in St. Aloysius Parish with the help of Father Richard Ward, Pastor.

Mrs. Jerome Kozlowski, state regent, chairman is being assisted by the regents vice-regents, past regents and members of the State Circle.

Friendly advice should never be given to a friend.

## Church Ladies Meet Tuesday

The General Meeting of the Grosse Pointe Congregational Church Women's Association will be held Tuesday, March 14, at 12 o'clock, in the Church Lounge.

Following a business meeting, conducted by President Mrs. Robert Crory, luncheon will be served by Group Six in the Social Hall.

An inspirational and unusual Lenten Program, planned by Mrs. Bernice Bates and Mrs. Robert Choate, will provide the music for the program.

Hostesses include Mrs.

Frank Turpin, Mrs. William Frame, Mrs. Crory, Mrs. George Draiss and Mrs. Kenneth Koppin.

The culinary services will be provided by Mrs. Kurt Tech, Mrs. Roy Hutcheon, Mrs. Martin Hawley and Mrs. Richard Allor.

Luncheon reservations will be taken at the church office until 12 o'clock, Monday March 13. Nursery care will be available.

Be a safe driver—always be on the alert for the unusual.

## Delta Zeta Alums Slate Meeting March 15

The Detroit Metropolitan alumnae of Delta Zeta sorority will hold a general meeting March 15, at 8 o'clock, at the Dearborn Historical Museum, 915 Brady, in Dearborn.

The program will include the election and installation of officers and a short business meeting.

The hostesses for the evening will be alumnae members of the Dearborn-Downriver groups.

Delta Zetas from the area planning on attending are Mrs. L. M. Gilewicz and Mrs. William Kamm.

A slip of the foot may break a bone, but a slip of the tongue may break someone permanently.

## Book Review Group to Meet

The Friday Book Review group of Grosse Pointe Memorial Church will meet on March 17 to hear Mrs. Frank J. Sladen, Jr. and Mrs. Harry Whittingham in a piano duo program of "Great Music for Lent."

Mrs. Ellsworth W. Allison will be the tea hostess, assisted by Mrs. William H. Bundeson, Mrs. Phillip C. Davis, Mrs. John D. Eichelbarger, Mrs. John E. Finch, Mrs. Robert J. Henry, Mrs. William T. Krebs, Mrs. William T. Krebs, Mrs. Wilfred G. Whittingham and Mrs. W. T. ZurSchmiede.

Balance your life as you would balance your bank account.

## They're Hoping for a Sell-Out Crowd

Looking over the beautiful gym at Grosse Pointe North High in anticipation of the Saturday, March 11, Sparks Wheelchair benefit basketball game to be played there are Junior Group of Goodwill committee members (left to right), MRS.

RICHARD MOELLER, MRS. G. NORMAN GILMORE and MRS. ROBERT B. SANFORD. Giving the committee members a conducted tour of the facility is G. Bruce Feighner, principal of the school.

## Woods Garden Club Meets

The Grosse Pointe Woods Garden Club met at noon on Tuesday, March 7, at the home of Mrs. Lowell Montgomery, of North Edgewood drive.

The co-hostesses were Mrs. Clara Finnerty and Mrs. Robert G. Hammel. There was a workshop on table arrangements.

## Yachtswomen To Meet To Meet at St. Clair

The Yachtswomen will gather at the St. Clair Yacht Club this evening, Thursday, March 9, at 8 o'clock.

Hostesses include Mrs. William Smith, Mrs. Frank Weyburn, Mrs. Gale Dennis, Mrs. George Orr, Mrs. Edgar Breedlove and Mrs. Roy Landahl.

DENNIS GANNAN, son of MR. and MRS. LEWIS ROWADY, of Lakeland avenue, has been named to the Dean's List for the fall term at Babson College, Wellesley, Mass. He is a graduate of Grosse Pointe South High School, and is a sophomore majoring in management at Babson.

Named to the fall semester of MR. and MRS. WILLIAM Deau's List at Xavier University, Cincinnati, O., is MARILI McFAWN, daughter of the university.

## Questers Plan Friday Meeting

The Grosse Pointe Chapter of Questers will meet tomorrow, Friday, March 10, in the Hillcrest road home of Mrs. Hazen Keith.

Mrs. Siegfried Franz will present a program on "Miniatures and Portraits," following a brief business meeting.

Mrs. Pierre Palmentier and Mrs. Harry Hauschild are assistant hostesses.

Hard luck comes from sitting around waiting for a miracle.

## Basketball Game Benefits Goodwill!

The Junior Group of Goodwill Industries Sponsor National Champions of Wheelchair Basketball This Saturday

The Detroit Sparks, National Champions of Wheelchair Basketball, will play at Grosse Pointe North High at 8 o'clock, Saturday evening, March 11. This special benefit game is being sponsored by the Junior Group of Goodwill Industries. Admission is \$1.50. A pregame supper, for just \$2 will be served in the school cafeteria from 6:30 to 7:30 o'clock. Proceeds from the event will be donated to the League for the Handicapped-Goodwill Industries.

The Detroit Sparks, a non-profit organization, began in 1965 when the Sparks were admitted into the National Wheelchair Basketball Association.

The Detroit Sparks Athletic Organization has a continuing recruiting program for basketball or track team members. A person need not be confined to a wheelchair to participate in wheelchair sports. Physically handicapped persons with leg disabilities or paralysis in the lower extremities preventing participation in regular sports activities are eligible for wheelchair sports. Members of the varsity squads have the opportunity to travel throughout the United States.

Competing with the Sparks in the Saturday game will be the finalists in the Mid-American, Midwest and North Central conference depending on the outcome of pending games deciding the final standings.

Pointer Mrs. Jo'm E. Bodkin is chairman of this special project. Pointe Junior Goodwill members assisting on the committee include Mrs. George M. Brooks, Mrs. G. Norman Gilmore, Mrs. Robert H. Kennedy, Mrs. George Lott, Mrs. Harry W. Mellen, Mrs. Richard Moellering, Mrs. Robert B. Sanford and Mrs. James Stewart.

Tickets may be purchased at the door or by phoning Junior Goodwill members at 887-9725, 882-5270, 884-0669 or 884-6538.

Advance reservations for

the pregame supper are necessary and may be made at the same telephone numbers.

## Meeting Set By Questers

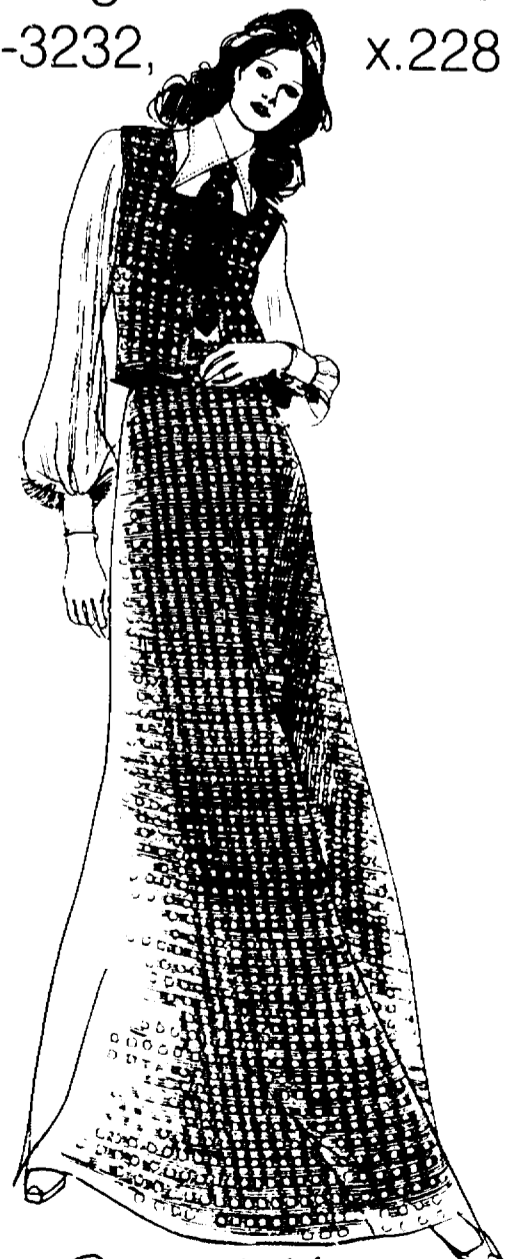

The Pear Tree Chapter of Questers will meet in the Washington road home of Mrs. Frederick Wicklund, Thursday, March 16. Mrs. John McLellan, president, will present a paper on "Yankees of New England."

At the February meeting members were asked to do research on designated antiques and present papers on them at future meetings.

The National Convention of Questers is slated for Sunday, April 30, and is a three-day affair, at the Hilton Hotel in Indianapolis. Indiana hostesses will arrange tours to points of interest.

No two people are alike—and usually all are glad of it.

Come to a breakfast fashion show of Glen of Michigan's new spring collection, "Games People Play," presented by designer Patsy Cummings, Tuesday, March 14, at 9 a.m. in the dining room at Hudson's Eastland. Modeling 10:30 to 3:30. r.s.v.p. 371-3232, x.228.

## From Another Point of View

(Continued from Page 13)

Volunteer committee members include Mrs. Donald T. Doherty, Mrs. E. Mireau, Mrs. W. R. Kempthorne, Mrs. A. L. Steinman, Mrs. H. L. Keim, Miss Elizabeth James, Mrs. R. B. Convery, Mrs. A. N. Slater, Mrs. Arthur Balfi, Mrs. D. L. Alter, Mrs. L. J. Engel, Mrs. Colin Neal, Mrs. Thomas Pearsall, Mrs. William P. Swan, Mrs. Henry VanderVoort and Mrs. Walter Wolf.

The unit will be honored at the St. Patrick's Day Tea and regular meeting of the club on Wednesday, March 15, at 12:30 o'clock, in the Crystal Ballroom of Fries Auditorium.

Program chairman Mrs. John Bourne has arranged to have Wilbur J. Pierce speak on "Into the Twenty-First Century." Mr. Pierce is president of the Purchasing Agents Association of Detroit, a member of the National Panel of Arbitrators, the American Arbitration Association and The Engineering Society of Detroit. He attended Wayne State University and the University of Detroit. He the author of many articles and pamphlets on management, purchasing and personnel subjects.

Tea hostess is Mrs. Thomas P. Magee. Co-hostess is Mrs. Irving Bennett. Assisting them are Mesdames Arthur Beckman, Charles Bick, G. A. Coury, L. J. Engle, F. J. Horn, B. M. Jannuzzi, and Louis Lee. More are Mrs. Otto Mann, Mrs. Donald B. McPhail, Mrs. George Petersen, Mrs. Chester Politowicz, Mrs. William G. Quigley, Mrs. George R. Reed, Mrs. Dallas W. Shepler, Mrs. Joseph Sheppard, Mrs. Philip J. Skillman, Mrs. William B. Stuck, Mrs. Norman Summers, Mrs. William P. Swan, Mrs. James H. Weidman, Mrs. Howard S. Williams. Sure and begorra it sounds like a delightful afternoon!

## Fashion Show Committee Meets

Pictured entering the home of General Chairman Mrs. Mark Valente, Jr. for a planning meeting for the "Secrets of Spring" Fashion Show, sponsored by the Assistance League of the Northeast Guidance Center, slated for Wednesday, March 15, are (left to right) MRS. JAMES E. ST. DENIS, reservations chairman, MRS. WILLIAM VEIT, II, hostess, and MRS. ELI J. IGNA, arrangements chairman. Welcoming committee members are MRS. RENATO STARRICO, co-chairman of the event and "J.B." VALENTE, who served as his mother's host.

Pointers active in the Metropolitan Detroit Council of the Association for Research and Enlightenment (ARE) are MRS. D. L. DE COSTER, of West Doyle place, and MR. and MRS. ROLAND GROSE, of Nottingham road. Currently the association is planning a lecture to be held at 8 p.m. on Saturday, March 18, in the Michigan State Fairgrounds, which will deal with Edgar Cayce's psychic readings on dreams, symbology,

meditation and the relationship of the Bible to contemporary psychic insights.

CHRISTIAN HUGHES, son of MR. and MRS. J. S. HUGHES, of McMillan road, has been named to the Dean's List for the fall term at Babson College, Wellesley, Mass. He is a graduate of University-Liggett School, and is a freshman majoring in management at Babson.

## Park Garden Club to Meet

The Grosse Pointe Park Garden Club will meet on Monday, March 13, at 12 o'clock, at the University Club.

Hostesses include Mrs. Albert Cooper, Mrs. Vernon P. Johnson, Mrs. Albert M. Raisch and Mrs. John A. Ross. Members will visit the New Detroit Garden Center on East Jefferson avenue.

## Assistance League To Present Show

The Assistance League of the Northeast Guidance Center will hold a spring fashion show and luncheon on Wednesday, March 15, at 12 o'clock, at the Detroit Athletic Club.

Fashions, presented by Walton-Pierce, will feature Helga's Regency Spring Collection which is highlighted in the April Issue of Town and Country magazine. Mrs. Jacques Rousseau will commentate.

Providing the piano artistry will be Mrs. John Mazer. General chairman of the show is Mrs. Mark Valente, Jr. Her co-chairmen are Mrs. John Elias and Mrs. Renato Starrico.

Other committee chairmen include Mrs. James E. St. Denis, reservations; Mrs. Eli J. Igna, arrangements; Mrs. Thomas Hosea and Mrs. John L. Meier, special gifts; Mrs. Robert Vallee, program; Mrs. William Veit, II, hostesses; Mrs. Arthur R. Pfannen-schmidt and Mrs. Joseph F. Dillon, publicity.

For ticket information call Mrs. Erwin Lemke, chairman, at 886-5002.

ELIZABETH GALE SALT-MARSH, daughter of MR. and MRS. W. C. SALT-MARSH, of Lake Shore lane, is among eight Wheaton College sophomores who are pumping gas at a local service station near the college in Norton, Mass. The girls wished to learn more about auto maintenance, and one applied for the job when a "help wanted" sign appeared at the station. So far, service station owner Ronald Balise hasn't received any complaints.

Easter comes early this year, but your gift will be right on time with a Tissot watch. His (right) with black dial, hers (left) with blue dial. Both, in stainless steel with matching bracelets, are shock and water resistant and anti-magnetic. Each 79.95. Come in or phone 885-5515.

## St. Mary's Area Grads Set Communion Brunch

The annual communion brunch for area alumnae of the St. Mary Academy, Monroe, will be held on Saturday, March 18, beginning with the celebration of the Mass at Our Lady Star of the Sea Church at 10:30 o'clock. A brunch at the Grosse Pointe Hunt Club will follow.

Sister Margaret Mary Look will be honored on the occasion of her 50 years as a

member of the religious of the Sisters, Servants of the Immaculate Heart of Mary.

Mrs. Paul Gracey, retiring president will present her with a gift from the alumnae commemorating this golden anniversary. Mrs. Donald Irvin is chairman of the brunch.

Back in the good old days child psychology grew on trees.

## Sporting Sunny Smiles at Sun Valley

Officials who planned the Seventh Annual Sun Valley Ski Club Reunion are all smiles as they accept congratulations for one of the finest parties ever staged at the famed Idaho resort. MRS. LIVINGSTONE HOWARD, of Merriweather road, was particularly singled out for her efforts as reunion chairman. With CARL GRAY of Durham, N.C., former chairman; SERGE GAGARIN, Fairfield, Conn., area chairman; and JOHN JAY, Williamstown, Mass., co-chairman. Mrs. Howard, who annually spends several weeks at Sun Valley, skied well enough during Reunion Week to place third in the Veterans' I giant slalom race.

## Ukrainian Egg Coloring Art Displayed

During the season of Easter, one of the oldest art forms used by man comes to life. The tradition of coloring Easter eggs.

From the early years of Christianity, the egg has been a symbol of life. Particularly suited to Easter, the egg symbol was likened to the tomb of Christ who rose on Easter morning.

The Ukrainian people, for over 1,000 years, have richly ornamented eggs as religious mementos. These traditional eggs, called "Pisanky" (from the verb "pisaty" meaning "to write") are the most famous.

Pisanky are raw eggs on which designs are actually "written" with a stylus dipped in wax. Intricate, traditional Christian symbols, are carefully applied in wax on the egg which is then dipped in dye for color. The wax is removed after drying, new designs added and another dye applied. This

process is repeated several times until the desired finished art work is obtained. The finished egg sometimes takes several days to complete.

The true craftsman carefully selects eggs for shape and texture of the raw shell so as to obtain the most beautiful end product.

It is not uncommon for the Ukrainian women, who have preserved this art form over the centuries, to say a pray-

er before starting an egg design employing the basic patterns used thousands of times before. Yet each egg is an "original" based on the skill of the artist.

It is important, we think, in today's world to preserve such art forms so rich in Christian tradition. If you have never seen real "Pisanky," still made by centuries old methods, they are currently on display at Ben's Boutique, 20327 Mack avenue.

## Gardeners Set Monthly Talks

Mrs. David C. Lowe, new chairman of the Grosse Pointe Garden Center's monthly workshops, has already lined up five excellent speakers for 1972.

Mrs. Lowe, assisted by Mrs. Paul Giffen and Mrs. Stanley Dolega, has changed the name of these complimentary lectures to "Green Thumb Lectures," for new gardeners and new ideas for experienced diggers.

The first of these will be held on Wednesday, March 22, at 10 o'clock, in the Garden Center room of the War Memorial. Featured speaker will be Ted Weber, of Weber Brothers Greenhouse, whose plants have been used since the very first trial gardens were dug.

A Michigan State University graduate, he will talk informally on seed propagation and new developments in plants.

Garden Center members are urged to bring a neighbor or friend to this session.

Named to the first semester Dean's List at Harvard University, Cambridge, Mass., is MARK DE GAETANO, son of DR. and MRS. ARMAND L. DE GAETANO, of Beaufort road. In his senior year, Mark is majoring in The Classics and is in the pre-medicine program.

Many a young man who writes political speeches for a living finds it a "promising" career.

## Lochmoor Ladies Plan Luncheon Fashion Show

Lochmoor Club ladies will view "A Bouquet of Fashions" by Jacobson's of Grosse Pointe, Wednesday, March 11. Marji Kunz, fashion editor of the Free Press will commentate.

Members will model before a capacity attendance at the luncheon-fashion show under the co-chairmanship of Mrs. Frederick S. Neumann of Three Mile drive and Mrs. Elmer O'Berski of Chalfonte avenue.

The pay is better if you try to get ahead instead of even.

## LWV March Unit Meetings Planned

Sessions Slated for March 14, 15, and 20, on School Financing Will Feature a Panel of Experts

The March Unit Meetings of the League of Women Voters of Grosse Pointe will be concerned with the financing of our schools. Chairman Mrs. John Moran and her committee have been looking into the availability of state funds.

They are prepared to deal with such questions as: Should a new method of distribution of tax

money be introduced? Should the same system be applied to all schools in one district, and to all districts in Michigan? Should federal funds remain available only for categorical aid or should federal aid be available on a long range, general support program for education?

Change, possibly of a very drastic nature, will have to be made to finance our school system. To find the role that you can play in solving the problem, attend the unit meeting and share your views with the League's "panel of experts" Mrs. Moran, Mrs. Joseph Evola, Mrs. Douglas Graham, Mrs. Edward Hanpeter and Mrs. Benjamin Almany.

The unit meetings will be held at three locations: Tuesday, March 14, at 8 o'clock in the evening, at the home of Mrs. Howard Hush in Alford road; Wednesday, March 15, at 1 o'clock, in the home of Mrs. Bruce Miller in Notre Dame avenue; and Monday, March 20, at 9:30 o'clock in the morning, with Mrs. A. C. Fortunski of Berkshire road as hostess.

Navy Seaman Apprentice MARK R. LAUTH, son of MR. and MRS. GEORGE H. LAUTH of Rivard boulevard, graduated from recruit training at the Naval Training Center at San Diego. He is a former student of Grosse Pointe South High School.

## May Bride

Mr. and Mrs. James Widlaski, of Anita road, have announced the engagement of their daughter, KARIN LOUISE, to Edward W. Homfeld, son of Mr. and Mrs. Max F. Homfeld of McKinley road.

The bride-elect is currently attending Wayne State University Medical School where she is earning her BS degree in occupational therapy.

Her fiancé attended the University of Michigan and holds an executive position with Ground/Air Systems, a diversified corporation based in Detroit.

A May wedding is planned.

## St. Michael's Ladies to Meet

The third and final general meeting of the Episcopal Church Women of St. Michael's will take place on Tuesday, March 14. Mrs. Robert Hamilton will be the guest speaker.

Her topic, "Spires and Stained Glass," will deal with the architecture of some of the old churches in Detroit, particularly in the Inner City, showing how their various styles reflect the culture and values of the groups which built them and how they were fitted into the urban setting. Her research was done in cooperation with James Conway of the Detroit Historical Museum.

Among the churches Mrs. Hamilton will discuss are St. Anne's, SS. Peter and Paul, Temple Beth El, Second Baptist Church, St. Mathews, and Mariner's.

Mrs. Hamilton is a native of Hartford, Conn., but has lived in The Pointe for the last 25 years. She earned a Bachelor's degree in Art History from Smith College, a masters degree from New York University, and has professional training as an organist at Columbia University. She has traveled extensively, and will speak from a first-hand knowledge of church architecture in this country and abroad.

The day will begin with the celebration of the Eucharist at 11 o'clock after which an important business meeting will be held. Luncheon is set for 12:30 o'clock, followed by Mrs. Hamilton's presentation. Luncheon reservations may be made by calling the church office at TUxedo 4-4820.

Child care will be provided upon advance request.

Initiated to Pi Kappa Alpha Fraternity Delta Nu Chapter of Wayne State University, is PAUL STEPHEN PILLERITO, son of MR. and MRS. G. J. PELLERITO, of Paget court. Paul is a junior majoring in Business Administration in the field of marketing.

## Set Open House At GP Academy

School Enters Third Year With Increased Enrollment and Expanded Programs For Students

The Grosse Pointe Academy will hold its Open House this Sunday, March 12, from 2 o'clock until 4:30 o'clock. Headmaster John Poplawski, members of the board of trustees, teachers and parents will be on hand to conduct visitors on a tour of the school facilities.

The nuns of the Academy of the Sacred Heart announced in January of 1969, that they were closing their school. A group of concerned citizens who felt there was a need for this independent school to remain open set up a board of trustees and succeeded in purchasing the property and building.

The school opened, as The Grosse Pointe Academy in September of 1969 with 319 students. Its current enrollment is 375 students. The student-teacher ratio is nine to one.

The Academy offers a highly individualized program for pre-school to eighth grade students employing the Montessori Method in its Early and Lower Schools and complementing programs in its Middle School.

The Montessori Method is a system of education which takes the child on self-selected tasks of interest in a prepared environment. The "prepared" environment allows the child to develop at

his own rate in a non-competitive atmosphere according to his own capacities.

The Lower School uses the Lippitt and Fox Social Science Program which deals with the dynamics of human relations. They also use the Human Development program in grades one through three which is designed to facilitate learning in the af-

fective domain. The Middle School stresses a living-learning experience. The students spend a full day with the teachers including class time, meal time and recreation. Throughout the day students come in contact with 10 to 12 adults providing a full sharing situation which is evolved from the Christian tradition of the school.

The Academy offers a complete educational facility including libraries, science and

language laboratories, a gymnasium, auditorium, art and music rooms, a middle school learning center, a athletic fields, tennis courts and play areas, on its 22 acres of land.

TERRANCE LYNN ALBRECHT, daughter of MR. and MRS. WILLIAM H. ALBRECHT, of Buckingham road, was initiated recently into Delta Delta Delta sorority at Michigan State University.

## Detroit Antiques Show Opens March 15

Ben Signorella, Pittsburgh antiques dealer, is obviously pleased with these ancient Chinese art objects and Oriental rugs, typical of the fine antiques to be found in the Detroit Spring Antiques Show, March 15 through 19 at the East Eight Mile Armory.

A gala benefit preview of the 166 exhibit show will be held Tuesday, March 14, 8:00 to 11:00 p.m., sponsored by Spirit of Detroit Association, to help raise funds for the Gold Cup Race for Unlimited Hydroplanes in June.

Mrs. Thomas Lee Schoenith, Devonshire Road, is Preview Chairman, with Mrs. Florence Siman, Grosse Pointe, as honorary chairwoman.

Preview ticket holders enjoy first-nighter shopping among the show's two floors of exhibits, plus a return visit to the show on any one of the regular days, March 15 through 19. Tickets are on sale at the Spirit of Detroit Association office, 12730 East Warren, or at the door on preview night.

Leading antiques dealers from over 100 cities in 26 states will fill the East Eight Mile Armory's exhibit halls with antiques and collectibles from all over the world. Twice-daily seminars by leading antiques experts are a special feature of the five-day show.

Hours of the Detroit Spring Antiques Show, March 15 through 19, will be from 1:00 to 11:00 p.m. the first four days, and from 1:00 to 9:00 p.m. on the final day, Sunday, March 19.

## Ice Capades Benefit Slated

Pointers have circled Tuesday night, March 21 on their calendars as the opening night of the Ice Capades and a night to benefit the Metropolitan Society for Crippled Children and Adults.

The Society, a voluntary health agency, serves the tri-county area through its Therapy Center, located at 17330 Schaefer, Detroit.

Many Pointers are involved in the Society, among them John L. Potter who is first vice-president. Serving as directors are Joseph H. Dimond, William R. Ludwig, and Mrs. Paul D. Bagwell who is an honorary director.

Three top-notch unions have joined forces in sponsoring the opening night show of the Ice Capades at Olympia Stadium.

The three chairmen of the event and their affiliations are Bobby Holmes, vice-president, International Brotherhood of Teamsters; Nelson Jack Edwards, vice-president, UAW International; and Tom Turner, president, Metropolitan Detroit AFL-CIO.

They are urging show-go-

ers to buy tickets for the opening night so that coffers for the spring "Gift of Therapy" campaign fund will be swelled by the first night-ers.

All seats are reserved and tickets are \$4, \$5, \$6. Persons should contact the Metropolitan Society, 17330 Schaefer, Detroit, Mich., 48235, or by calling the Society at 861-0510.

The Metropolitan Society has served the metropolitan area for more than 38 years and today directs services for families of the handicapped in the tri-county area of Oakland, Macomb and Wayne.

## Chrysanthemum Society To Meet on March 12

The public is cordially invited to hear a talk entitled "Container Gardens, Flower and Vegetable," given by Dr. Lee Taylor, horticultural specialist, of Michigan State University sponsored by the Greater Detroit Chrysanthemum Society at its next regular meeting to be held at 3 p.m., Sunday, March 12 in the WWJ Auditorium, 322 West Lafayette.

## June Bride

Photo by Eddie McGrath, Jr.  
Mr. and Mrs. Charles Silwell Tompkins, of Windmill Pointe drive, announce the engagement of their daughter, MARGO SHAFFER, to William Calder Sutton, son of Mr. and Mrs. Robert Sutton of Mount Vernon road. A June third wedding is planned.

## Grand Marais Meets Friday

Mrs. Arthur Bersoy will hostess the Grand Marais chapter of Questers this Friday, March 10, at her home on Harbor Island.

Mrs. Edward Bunn has prepared a talk on American mirrors. Mrs. Wyman Barrett, Jr. will describe some of our country's folk art. Plans will also be made for a tour of Meadowbrook Hall which the group will be making in May.

NANCY ELIZABETH HOUGHTON, daughter of Dr. and Mrs. M. A. HOUGHTON, of Berkshire road, was recently named to the first semester Dean's List at Illinois Wesleyan University, Bloomington, Ill.

## Church Ladies Plan Breakfast

The women of Grosse Pointe Memorial Church have invited the women of all the Grosse Pointe Churches to join them for an Agape Breakfast on Tuesday, March 14, at 9:30 o'clock in the Fellowship Hall of the church.

The Service Guild is organizing the Breakfast with Mrs. Eugene Locke as chairman for the day. There will be no charge.

Translated from the Greek, Agape means "selfless love," and during the Agape Breakfast the women will be discovering how selfless love can be translated into ways of serving and sharing with each other and also those outside their immediate community.

Their sharing of bread in an atmosphere of fellowship will be symbolic of a greater degree of sharing and service within a wider community.

These present will be given the opportunity to explore various avenues of service to the community, as women who are active in different projects share their experiences. They will also sing and hear timely folk songs. It is hoped that sharing this simple breakfast and program will become a real celebration of fellowship.

Please call Memorial Church, 882-5330, for reservations.

JEFF MATHEUS, son of MR. and MRS. JOHN MATHEUS, of Edmondton drive, is a member of the 1972 indoor track and field squad of Carthage College, Kenosha, Wis. The first meet was held on Saturday, March 5, with Wisconsin State University. Jeff is a graduate of South High School.

## Pointers to Taste Wines of France

Alliance Francaise de Grosse Pointe and the War Memorial Are Co-Sponsoring Series at Center

Alexis Lichine, internationally known expert, in his book "Wines of France," says "The greatest wines on earth come from France and the wines of this century are the greatest in the history of man."

Pointers will have an opportunity to confirm Mr. Lichine's point-of-view at the sold-out Wine Tasting Series, scheduled for three consecutive Monday evenings, March 13, 20, 27, at 8:15 o'clock in the War Memorial's Crystal Ballroom. This series, co-sponsored by Alliance Francaise de Grosse Pointe and the War Memorial, will be conducted by Larry Leone and Son Wine Company.

Wines from the valley of the Loire, the garden of France famous for its gentle countryside and historic chateaux, will be seriously sipped, compared and evaluated under Mr. Leone's guidance on March 13.

These will include Pouilly-Fume, Muscadet, Sancerre and Vouvray. Such famous Rhone area wines as Hermitage, Cote Rotie, Cotes du Rhone, Chateaufort-du-Pape, Chateau de la Gardine, Chateaufort-du-Pape-Alexis Lichine will be tasted on March 20. Tasters will sample some of the treasures of the Bordeaux region, considered by many to be France's greatest wine district, on March 27, including Chateau Duhart-Milon Rothschild, Domaine du Cheval Blanc, Chateau Timberlay, Chateau Ripeau, Chateau Prieur-Lichine.

Alexis Lichine also says in his book, "The more you know about wine, the more pleasure you can get from it, for knowledge of wine helps you to buy good bottles."

Larry Leone, the third

will help local wine-lovers to shop more selectively and to sip more appreciatively in the future.

Mr. Leone will be joined at the head table during these events by his father, John C. Leone. Also among top tasters will be Joel Thenin, the French Trade Commissioner; the Consul General of France, Jacques Dircks-Dilly; Alliance Francaise president, Warren S. Wilkinson and Mrs. Wilkinson, who is entertainment chairman for the organization.
