### HEADLINES of the WEEK

As Compiled by the  
Grosse Pointe News

**Thursday, June 1**  
**PRESIDENT NIXON**, after his final hours in Iran was marred by terrorist bombs, was happily mobbed by a cheering crowd in Poland. Pole leaders are convinced that his summit mission in Moscow signals a dramatic new turn in U.S. relations with countries of Eastern Europe. The White House announced that the president will report to a joint session of Congress on Thursday, a half-hour after he arrives at Andrews Air Force Base, Md. It was estimated that 300,000 persons lined the streets of Warsaw to give Mr. Nixon the wildest reception of his 13-day, 16,000-mile journey.

**Friday, June 2**  
**PARATROOPERS** of South Vietnam attacked Viet Cong and North Vietnamese soldiers, who had hoped to capture or destroy the City of Hue. American tanks and air power covered the South Vietnamese advance as they moved into the foothills north of the city. Two airborne task forces repeatedly sought shelter from enemy artillery but this did not stop their advance. More than 30 U. S. B52 bombers pummeled the area with heavy explosives beforehand. In the closest dogfight near the Chinese border in four years, American Air Force F-4 Phantom II fighters shot down two MIG 21 interceptors.

**Saturday, June 3**  
**AN INVESTIGATOR** Alfred W. McCoy, a PH.D. candidate in Southeast Asian history at Yale University, testified before the Senate Appropriations subcommittee on foreign operations, that South Vietnam President Nguyen Van Thieu, former Vice-President Nguyen Coa Ky and Prime Minister Tran Van Kiem, are involved in the sale of heroin and other hard drugs to American GIs and to addicts in the United States. McCoy accused American officials of condoning and even cooperating with corrupt elements in Southeast Asia's illegal drug trade out of political and military consideration. He said he spent 18 months interviewing officials in the U.S., Indochina and Europe. He implicated scores of officials of high rank in South Vietnam, Laos, Cambodia and Thailand.

**Sunday, June 4**  
**SKYJACKING DOMINATED** the headlines in today's newspapers. FBI agents announced the capture and arrest of Frederick W. Hahneman in Honduras. He was brought back to the United States to face charges of hijacking an Eastern Airlines jet May 6 and parachuting into Honduras with \$330,000 ransom money. Hahneman gave himself up to Honduras police, but the Eastern Airlines officials said the money had not been recovered. William Holder, 23, of Oakland, Cal., and his companion Katherine Mary Kerchow, 28, hijacked a Western Airlines plane in San Francisco and forced a flight to Algiers with \$500,000 in ransom. The pair asked for political asylum. They claimed membership in the Black Panther movement, which has a base there.

**Tuesday, June 6**  
**A VETERAN SEAMAN**, Capt. Arnold Kristensen, blamed treacherous currents for the collision that sent his ship, Sidney E. Smith, Jr., to the bottom of St. Clair River, opposite Port Huron. The captain spoke briefly in his hotel room in Port Huron, where he and his crewmen were taken. He was not on the ship's bridge at the time of the crash with the steamship Parker Evans. The bow of the Parker Evans was damaged, but the ship remained afloat. Kristensen's ship's bow was ripped open and sank within 25 minutes.

For The Interest And Benefit Of All

Putting the finishing touches to the new contract between The Woods and the Woods Police Officers Association for the period of July 1, 1972, through June 30, 1973, are, (left to right), Detective JAMES DAVIDSON, association president; Patrolman DOUGLAS DOSMAS; Mayor KENNETH MCLEOD; Patrolman ARTHUR

GEKIERE, and City Administrator CHESTER E. PETERSEN. The council at the regular meeting Monday, June 5, unanimously approved the contract and a "Memorandum of Understanding" between the city and the association. Both sides stressed the cooperative spirit of the bargaining sessions.

### New Salary Agreement For Woods

Police Officers Association and City Happy With Adoption of New Contract

By Roger A. Waha  
A "spirited and meaningful" bargaining session, according to Woods City Administrator Chester E. Petersen, between the city and the Woods Police Officers Association was climaxed with unanimous council approval of contract amendment no. 2, and a "memorandum of understanding" between the city and the association. The action was taken at the regular meeting Monday, June 5.

The contract, which affects 35 patrolmen in the Department of Public Safety, is from July 1, 1972, through June 30, 1973.

Both Mr. Petersen, who represented the city, and detective James Davidson, association president, who along with patrolmen Douglas Dosmas and Arthur Gekiere represented the association, underscored the spirit of cooperation of the bargaining sessions. Both stressed that there was no need of "outside help", (i.e., arbitration or mediation), at the sessions.

The salary and fringe benefit agreement includes \$13,750 per year for completion of (Continued on Page 2)

### Police Make Big Peyote Haul; Nab Two Suspects

A detective from the Grosse Pointe Youth Bureau and two Park detectives arrested an 18-year-old Canadian youth and a 14-year-old boy on suspicion of possession of 45 pounds of Peyote buttons, according to an official police information release on Tuesday, June 6.

The older suspect, identified as Dennis Bruner of Rural Rte. No. 1, Harrow, Ont., was charged with possession of one lid (an ounce) of marijuana, which he had on his person when searched. He was scheduled to appear before Park Municipal Judge William E. Speer, Tuesday afternoon, charged under a local ordinance which makes possession of the weed a misdemeanor.

### Attendance at Municipal Parks Shatters Records Over Holiday Weekend

1972 Three-Day Memorial Celebration Shows 44,826 Used Recreational Facilities as Compared to 33,583 Last Year

The long Memorial Holiday weekend, Saturday, Sunday and Monday, May 27, 28 and 29, sent Pointe citizens to their respective municipal parks in record shattering numbers, according to attendance figures released. The main attraction at all parks were the swimming pools, reports disclosed.

The record attendance, it was stated, was due to the fact that a great number of residents did not feel the inclination to leave town. Another factor, it was stressed, was that the weekend temperature was in the 80s, which accounted for the surge toward the pools.

**Monday Was Busiest**  
The heaviest attendance, officials said, took place on Monday, when Memorial Day was officially celebrated. The actual date is May 30, but a decree by Congress designated the Monday closest to the national holiday be the day of celebration.

Last year's figures showed that large numbers of citizens made use of recreational facilities at their respective parks, but the 1972 attendance was the biggest on record. This, it was pointed out, could be that during the 1971 holiday weekend, the temperature was in the low 70s.

The following is a breakdown of the attendance at the six parks, both for this year and last:

**Park—(1972)** Windmill Pointe Park, on Saturday, 4,250; Sunday, 5,175; and Monday, 6,250. In 1971, it was Saturday, 3,500; Sun-

day, 4,250; and Monday, 3,850. At the Three Mile Drive Park (1972): Saturday, 350; Sunday, 665; and Monday, 850. In 1971, it was Saturday, 600; Sunday, 665; and Monday, 825.

The Park is the only Pointe maintaining two parks.

**Other Statistics**  
In presenting the attendance at the other Pointe parks, the first figure is for 1972 and the second for 1971.

**City—Norbort P. Neff Memorial Park:** Saturday, 1,135-1,796; Sunday, 1,693-783; and Monday, 1,938-372.

**Farms—Municipal Pier Park:** Saturday, 1,150-2,499; Sunday, 2,237-3,465; and Monday, 5,377-3,698.

**Woods—Lakewood Park:** Saturday, 1,581-975; Sunday, 2,652-2,532; and Monday, 5,639-3,170.

**Shores—George Osius Park:** Saturday, 600-234; Sunday, 969-563; and Monday, 1,325-806.

Total attendance at all parks for the 1972 three-day holiday weekend numbered 44,826, as compared to 33,583, for the same holiday period in 1971.

It was disclosed that both the Park and the Shores have extended their boating season from April 15 through November 15, giving enthusiasts an extra month to enjoy their sport; whereas, the City, Farms and Woods, are continuing their season from May 1 through November 1.

### CARELESS DRIVER

Robert Sundberg, 21, 14657 Eastwood, Detroit, was charged with careless driving resulting in an accident on Tuesday, June 6, by City police. At 12:12 a.m. on that date Sundberg lost control of his car going east on Lakeland, hitting the curb with such impact that the doors of the car were jammed shut. Cpl. Edmund Benthuys and Patrolman Dave Teolis freed the doors and removed Sundberg and his passenger 18-year-old Nina Stotman, of St. Clair Shores, from the vehicle. Neither party suffered injuries. ### Farms Views Two Citizens' House Plans

Rejects Division of Moross Lot; Approves New House at 19300 Mack

By Kathy Duff  
The Monday night, June 5, Farms Council meeting was largely the tale of two zoning variances as two citizens' requests took up over an hour and a half of the council's time. One variance was granted and one variance was denied, so for one citizen it was the best of council meetings, for the other citizen, the worst of council meetings.

A Farms resident who has lived at 34 Moross road for over 18 years, Mrs. Mary J. Loranger, asked The Farms Council to allow her to subdivide her property into front and rear lots.

The Moross property measures over 100 feet on Moross and is 248 feet deep. The resident wished to sell the front lot containing the main house and build on the new rear lot which has access to Carver lane.

Mrs. Loranger pointed out that a carriage house once stood on the rear of the lot and had been demolished after a windstorm. However, the foundations, water mains and other structures were intact and she wished to build.

The Moross resident, with the aid of a legal advisor, stressed that her case was unique as the property was the only lot on Moross having access to Carver lane.

However, there was a fly in the ointment as the existing house does not meet the required 30-foot setback from the proposed rear lot line. The distance measures only 25 feet and so The Farms Council had to convene as a Zoning Board of Appeals to grant a non-conforming structure situated on the new lot.

The seemingly simple request was further complicated by all the neighbors dead set against the property division. A petition was submitted to The Farms offices, signed by 20 neighbors, in opposition.

The complaints fell into two camps; one group stressing how a piecemeal development of the area would affect property values; a second group emphasizing the present natural beauty of the area. (Continued on Page 4)

### Elworthy Field's Tennis Project Gets Under Way

To Build Four Courts Immediately; Public Asked to Contribute to Fund for Other Major Improvements

By Pepper Whitelaw

The City of Grosse Pointe Council has awarded the contract for the construction of four tennis courts located near St. Clair avenue in Elworthy Field to the Dougherty Paving Company in the amount of \$21,987.70. The cost of the project, together with the related fees and other costs for the tennis work, will be charged to the Elworthy Field Trust Fund.

The Council also authorized City Manager Thomas Kressbach and Rossetti Associates Inc., the firm which prepared bid documents and specifications and reviewed the bid tabulations, to negotiate with Dougherty for an option to construct four additional tennis courts near Neff road in the amount of \$22,372.10, at a later date during the 1972 and 1973 construction season. Hopefully sufficient contributions will be received to make these four additional courts possible.

### Will Light Courts

The courts will be of asphalt with a red and green overlay of plexipave surface. Two of the courts will be lighted and eventually all four.

Members of the Elworthy Field Trust Fund Committee hope that Pointers who are interested in helping with this project will want to make a tax deductible contribution to the fund. Contributors giving \$25 or more will have their names inscribed on a plaque which will be permanently located at the courts. Checks should be made payable to The Elworthy Field Trust Fund and mailed directly to 17147 Maumee avenue, Grosse Pointe, 48230.

Donations may be made specifically for use in the construction of the tennis courts, for general purposes, or for use in planned projects such as the children's play area, the shelter-restroom building, or the outdoor natural ice rink surface, which will be adaptable to basketball and other hard surface games.

### \$50,000 Received

To date approximately \$50,000 has been received in donations from individuals and foundations, most of which has been designated for general development.

Mr. Kressbach said work on the four courts will begin within the next few weeks and be completed the first part of July.

William L. Hurler is chairman of The Committee for Improvement of Elworthy Field and David Robb, chairman of the tennis subcommittee.

Tennis committee members include Arthur Cerre, Mrs. John L. King, Mrs. Keith A. Leibrand, Mrs. Paul Shirar, Thomas Mercier and Benjamin Chapman.

### Vapor from Fumigation Mistaken for House Fire

Escaping vapors from a fumigation defogger sent firemen from the Park and Detroit racing to the home of M. F. Edmonds, 16350 Mack avenue, on Thursday, June 1, it was disclosed by Park Fire Chief Phillip Costa.

The chief said that the residence is located at the corner of Mack and Yorkshire, and an unknown person, assuming that Detroit had jurisdiction, pulled a Detroit fire alarm box.

Park and Detroit firefighters and equipment arrived at about the same time, the chief said, but all for nothing. A sign on the house bore the legend "Pay no attention to the vapors coming out of vents. House being fumigated."

"This was a defogger-type fumigation," Chief Costa said, "and not the cyanide-type, which is sometimes used in extreme cases. When cyanide is used, the buildings are sealed and signs are placed to warn people that the place is being fumigated and to stay away because of the lethal affects of the poison."

"Apparently several persons saw vapor coming out of the house vents, and assumed that there was a fire. We received an alarm, and so did Detroit."

The chief said that it would be a great assistance to all fire departments, if companies performing this type (Continued on Page 2)

### Eight Seek Two Seats On Board

League of Women Voters Queried All Candidates to Learn Qualifications

By Pepper Whitelaw

Monday, June 12, is election day in The Pointe. At that time voters will select two trustees for four-year terms on the Board of Education. Eight candidates are competing for two seats, six men and two women.

They include Frank A. Guns, Jr., age 25, who lives in Lakeshore road with his father Frank A. Guns, Sr. Mr. Guns is a bachelor who taught social studies for one year (1970-71) at North High School. He is presently substitute teaching within the Pointe School system. Mr. Guns attended the University of Detroit and the University of Hawaii. He earned his bachelor of science degree and teaching certificate at Wayne State University. He worked at the Neighborhood Club for five years. He is a three-generation Grosse Pointer.

Walter Hage is 28-years-old and lives in Fairholme road. He is an attorney. He received a BA degree from Wayne State University and his JD degree from Wayne State Law School. He is currently enrolled in a masters degree program in education at the University of Michigan. He is retained by the Government Relations and Information Division of the Automobile Manufacturers Association. He is a former member of the Judicial Assistant's Staff of the Wayne County Circuit Court and at one time taught at North High School. He is a bachelor and lives with his parents, Mr. and Mrs. Walter Hage.

His sister, Kathy, was graduated from North High School in June, 1971 and is presently attending Michigan State University. His brother, Larry, is a ninth grader at North High School; another sister, Betty (Mrs. Mark Decker) lives in Detroit and is student teaching at South Lake in St. Clair Shores; his sister Charlotte is teaching at Lakewood Elementary School in St. Clair Shores.

Joan R. Hanpeter lives in Berkshire road. She is married to Edward Hanpeter, an attorney. They have four children; Brad 13, a student at Pierce Middle School; Eric 11, and Paula 7, students at Defer Elementary School; and Greg 5, who attends Richard Elementary (Continued on Page 6)

### Farms Victim Of Vandalism

An unfortunate side effect of good weather is that it seems to bring out the best, or the worst in this case, in young vandals.

Patrick Cosgrove, Farm Director of Public Works, reported Friday morning, June 2, that someone had stolen a barricade with flasher light from 437 Chalfonte. The theft, amounting a \$57 loss, occurred sometime after Saturday, May 27.

A second case of vandalism was reported Friday, June 2, when Patrolman Vincent Peters brought Neil Johnson, 282 Hillcrest, into the Farms station after he attempted to steal the blue flasher from a scout car.

The incident occurred at 12:25 p.m. when the youth, a student at Austin Prep School, dismantled and removed the blue dome light cover from the police vehicle and damaged the flasher in the process. He was stopped by an adult bystander and turned over to the police at the scene, South High School.

At the Farms station the youth was booked on two counts: larceny from a police car and malicious destruction of city property. His court date is Wednesday, June 28.

### Woods Wage Agreement

(Continued from Page 1)  
four years service. Previous to this, a public safety officer received \$13,125 for four years, noted Mr. Petersen.  
For completion of five years of service, an officer receives \$13,850; for 10 years, \$14,000; for 15 years, \$14,100, and for 20 years or over, \$14,150. The salary for completion of five years service or more includes police, fire, technological longevity and shift differential pay.  
The contract features an improvement in longevity pay. Previously the officers received \$100 per year for five years; \$225 for 10 years, and \$350 for 15 years. While the figures for five and 15 years service remain the same, the new agreement specifies \$250 for 10 years and the addition of \$400 for 20 years of accumulative service. Longevity bonus payments become effective January 1, 1973.  
Under the contract, the officers annual clothing allowance jumps to \$200 from \$180, said Mr. Petersen. The officers also have two more holidays, Washington's birth-

day and Columbus Day, and a cost of living allowance, payable in January 1974, is included.

**Insurance Benefit**  
A life insurance benefit is provided which stipulates that at the time of retirement each full-time employee will be credited with an amount equal to his current wage rate for his job classification in the amount of 25 percent of his unused accumulated sick leave days.  
Such credit will be considered as paid-up life insurance, will be held in a reserve fund by the employer, and will be payable to the employee's estate upon proper notification to the employer of the retired employee's death.  
The contract also includes, as an incentive bonus, the addition of one bonus day to each employee's sick leave bank if no sick leave is utilized in a continuous six-month period, and an additional two bonus days will be added if no sick leave is utilized in a continuous 12-month period.

**Favorable Emphasis**  
As for the "memorandum of understanding," it permits unlimited residence boundaries for any officer. In short, he may live where he wishes.  
The memorandum notes that all officers must obtain a certificate of law enforcement or police administration from an accredited college or university, or shall have attained five years of practical police experience by December 31, 1975. Both these points were favorably emphasized by Mr. Petersen, Detective Davidson and Donald B. Coats, Director of the Department of Public Safety.

Other items in the memorandum include: prerogative of management to set the starting salary and subsequent salary range increases for four year new recruit increments; any association member, while assigned standby station duty, may be allowed to attend association meetings within departmental quarters subject to the duty command officer's approval, and shot gun installations shall be made in the front seat of patrol cars.

of service, when using defoggers in fumigating, would notify the respective city departments beforehand, so that firemen and equipment will not be dispatched to a false alarm.  
In this case, he pointed out, two departments, the Park and Detroit, made needless runs, although those who had called in the alarms did so with good intentions.

The doctor who has offices at a medical dental clinic in Mack avenue, was leaving his office at 5:45 p.m. on Monday, June 5, when he observed a white male, about 20 years of age, six-foot-six inches tall, thin, with medium long blond hair removing a spare tire from a '72 Dodge.

The doctor asked the youth what he was doing. The youth said he was fixing his father's tire. With that he threw the tire in the passenger side of the front seat of a black, four-door Ford or Mercury sedan and exited north on Notre Dame.

The doctor became suspicious and took the license number of the car then called City police who put out an all-points bulletin on the youth. A check revealed that the vehicle was registered to Joseph A. Koeber, 50, of East Detroit.  
When City police contacted Mr. Koeber he said his car had been stolen at 3:30 p.m. on that date in East Detroit and that he had reported the theft to East Detroit police. A check revealed that this theft had been reported.

The owner of the vehicle from which the tire was removed was Bernard Asher of Madison Heights.

ground up, and mescaline is derived from it, and taken in pill form. The actual value of the confiscated buttons was not stated, but a pill retails for about 50 cents each in street sales, it was disclosed.  
The Peyote was taken to the Michigan State Police Scientific Laboratory in East Lansing for analysis, the three detectives disclosed. Charges on possession of the drug are pending a laboratory report, it was said.  
The policemen said that the suspected Peyote was the largest amount they can recall that had been confiscated in the Pointe.

 The Woods has a new public safety officer who joined the department Monday, June 5. He's Robert Kwiatkowski, 23, who finished eight weeks of basic training at Macomb County Community College's Criminal Justice Center.  
 Officer Kwiatkowski, who was graduated Friday, June 2, finished fourth of a class of 25 in basic training, said Donald B. Coats, department director.  
 Born in Detroit, the officer is a 1967 graduate of Pershing High School and attended both Highland Park Junior College and Wayne State University for one year. He also is a staff sergeant in the Michigan Air National Guard.  
 Officer Kwiatkowski and his wife live at 12894 Buffalo, Detroit.

**Cremation Box Mystery Solved**  
 There is rarely a dull moment at The Farms police station as an incident Saturday, May 27, proves.  
 The Farms police were contacted at 8:30 a.m. by an 18-year-old girl who found a dark brown plastic box at The Farms Pier. The box measured nine by six by three inches; a tag was affixed which read "recepticle contains the cremated remains of." The deceased's name was not evident.  
 Farms Corporal Otto Glanert picked up the brown box at The Pier where it had washed ashore. At the station, he discussed the problem with Detective Earl Field. Both men realized that they did not have the authority to open the box as a cremation box has the same respect as a sealed casket.  
 Contacting the Wayne County Morgue, an attendant recommended that the box be taken to Evergreen Cemetery, one of the area's two crematoria.  
 Corporal Glanert took the box to Evergreen, 19807 Woodward, and there spoke with the superintendent who identified a metal tag inside the box as from White Chapel Cemetery.  
 White Chapel records listed the funeral arrangements handled by Bell Chapel, Birmingham, and the cremation completed Tuesday, May 23, 1972.  
 Speaking with officials at White Chapel, the mystery was finally solved. The deceased, an 81-year-old Bloomfield Hills widow, entrusted the funeral arrangements to a business associate of her husband. He, in turn, had given a houseman the responsibility of disposing of the cremated remains.  
 However, the houseman, instead of opening the brown plastic recepticle and scattering the ashes up river (per the deceased's request), had merely dropped the box in the river.  
 The cremated remains have been returned to the business associate to dispose of properly.

**Sentence Youth On B-E Charge**  
 A Harper Woods youth was sentenced to three to five years in Jackson State Prison by Wayne Circuit Judge Michael Stacey Thursday, June 1, for attempted breaking and entering.  
 Michael David Velardo, 19221 Woodland, along with Robert Elias Wucetich, 19373 Beaconsfield, Harper Woods, pled guilty to the charge before Judge Stacey Wednesday, May 10. Both were charged with the March 28 burglary of a Moorland drive residence.  
 Wucetich's sentencing is set for Wednesday, June 21.

**Home Owners Meet Today**  
 The 1972 annual meeting of the Audubon-Whittier Property Owner's Association will be held Thursday, June 8, at 8 o'clock at the Grosse Pointe Hunt Club.

**Farms Council Hears Residents' Pleas**

(Continued from Page 1)  
"Once you start granting exceptions, there is no end to it," one Moross resident commented.

Others expressed their opposition to the council approving special exceptions, fearing that the community would develop in a haphazard fashion.

One Moross woman made a simple case for the aesthetics of the region. "I love my piece of land more than any other place in the world," she commented. "It would take away every bit of beauty."

The sole resident of Carver lane, who recently bought the property after Mrs. Loranger had passed on her option to buy the land, said he enjoyed the open space

and did not wish to see a second lot developed or the lane paved.

At one point in the discussion, a woman stated that she had not been notified and that it is required by law that everyone within a 300-foot radius of the property be notified by mail. Farms Attorney John Axe asked the residents if they wished to reconvene the meeting at a later date; however, the residents felt suitably represented at the meeting and waived the postponement.

Mrs. Loranger and her representative presented many strong arguments for allowing the property division. She stressed how she had bought two 50-foot lots on Moross, and how a Farms Council had later ruled that

any exsistant 100-foot lots could not be resold as 50-foot lots. As a result of the 1954 ruling, Mrs. Loranger divided her property into front and rear lots.

After such a controversial discussion, chaired ably by Councilman James Dingeman (acting as Mayor while William Butler was out of town), the council members at first seemed reticent to speak. However, Councilwoman Nancy Waugaman took the initiative and opened council discussion by stating, "I don't see how we can approve the request with so many people objecting."

City-Assessor Carrol Lock added that he did not remember when The Farms had received so many objections to a proposed zoning variance.

The decision of the council members, when it came time for a vote, hinged upon the spirit of The Farms zoning ordinances and the granting of variances.

Mr. Axe emphasized that in order to grant a variance, the proposed unconforming structure must be in harmony with the neighborhood, must constitute a unique and singular case and must be based on more than the personal and financial hardship of the present owner.

Mrs. Waugaman stated that the proposed subdivision of the lot was not in the best interest of the community, suggested a piecemeal development of the area, and was not in harmony with the character of the neighborhood.

Mark Stevens seconded the denial and, in a roll call vote, all the members voted against the variance. Mayor Butler and Councilman E. Rust Muirhead were absent from the meeting and excused.

The second appeal was from Eugene D'Andrea who wished to build a house at 19300 Mack Avenue.

The owner of the property was present at the meeting and emphasized how the land which is trapezoidal in shape, cannot be built upon unless some form of variance was granted.

City Assessor Carrol Lock reported that no objections had been filed and that all the residents living within a 300-foot radius had been notified.

Councilman James Mast moved that the council approved the request and grant a variance of the 15-foot front set back.

His approval was based on the exact criteria which had vetoed the proposed development of the Moross property. He viewed the proposed Mack house as an improvement to the area, in harmony with the neighborhood and not injuring the rights of other property owners.

The council unanimously approved Mr. D'Andrea's request.

**Pure Hogwash**

That's right — it's just so much hogwash for CFE (Citizens for Education) to assume the high and mighty attitude that, if you do not agree with everything they do and are not a dues-paying member of CFE, you are against education... and if you speak out, you are divisive and an obstructionist; also any criticism is not "positive criticism."

What an absurd and ridiculous bit of gibberish.

For the Hanpeter-Snow Campaign Committee, which in reality is CFE, to have the unmitigated gall to label any School Board Candidate or Member divisive or obstructionist is a travesty on our American way of life.

Just look at Congress. Honest differences of opinion are voiced and respected. Only on rare occasion has the Congress had a unanimous vote.

And when the U.S. Supreme Court renders a decision, frequently a dissenting opinion is written.

Differences of opinion is what makes horse races, ball games and political campaigns.

Not only is it not necessary... it is not desirable for residents of our school district to have to "goose-step" to the tune called by CFE, or any other power-hungry, self-serving pressure group.

Fred Rogers and Edith Wilson are independents and are not supported by CFE. Fred and Edith are responsive to the needs and wishes of the total community and will truly represent you on the School Board. This is why CFE and the "rubber stamp gang" have labeled them as divisive.

GROSSE POINTE SCHOOL BOARD ELECTION — MONDAY, JUNE 12

**"The Peoples Choice"**

FRED ROGERS

EDITH WILSON

(Rogers-Wilson Campaign Committee)

**A MESSAGE TO VOTERS**

BY FRED ROGERS AND EDITH WILSON

How do you fight Tammany Hall? How do you beat the political machine that has organized School Elections and kept hip-pocket control of the School Board for the past 4 years? What can you, as an ordinary concerned citizen, do to regain control of our School Board for the people? The only way is with your vote. Let's take a look at CFE and see what it is... and how it operates.

CFE was founded in 1967 by a small, select group as a political organization to get their hand-picked candidates elected in future Board elections. The instigators of CFE became the powerful inner circle who control CFE. They named the organization (CFE) Citizens For Education because it had a ring of authenticity to it... and it also indicated that it was "pro-School administration."

After selecting their staff of trusted lieutenants, they promoted public membership in CFE as a public-spirited, almost civic organization, whose only interest is in supporting a first-rate school system. Membership rolls swelled. By the time for the 1968 Board election campaign, they were ready with a well-oiled political machine. Everything, from crews to address mailings, telephone canvassers, poll watchers, ward heelers to get out the vote and to distribute literature, door bell ringers, block workers, precinct workers, etc. CFE was a success.

And since then, CFE has been successful in controlling the School Board. Today, there are 6 CFE votes on the Board who can "rubber stamp" the party line on any proposal. The 7th member of the School Board is Donald Semmler, an independent. When Semmler disagrees with the "pat"

of economies we could affect in a joint campaign. We are campaigning as a team because we are in complete agreement on the campaign issues and also because of economies we could affect in a joint campaign. We pledge to you to remain independent and to represent the total community—not a special interest group. You can break the strangle-hold that CFE has on our School Board with a vote for Fred Rogers and a vote for Edith Wilson on Monday, June 12.

## Pope Elevates Maronite Exarchate to a Diocese

By James J. Njalm  
The Most Rev. Francis M. Zayek, who was installed as the first Apostolic Exarch of the Maronite Rite by His Holiness, Pope Paul VI, on June 11, 1966, became the first bishop of the Maronite Diocese at ceremonies held in St. Maron Cathedral, St. Jean and Kercheval, Detroit, on Sunday, June 4.

Pope Paul announced the Canonical erection of the Maronite Apostolic Exarchate-U. S. A. to the rank of a Diocese in March of this year, and named Bishop Zayek as its first bishop.

He was born in Cuba, and as a young man he entered the Maronite Seminary in Lebanon. He continued his priestly training in Rome. He was auxiliary bishop of Brazil before coming to Detroit.

The ceremonies were performed by His Excellency, The Most Rev. Luigi Raimondi, Titular Archbishop of Tarsus and the Vatican's Apostolic Delegate to the United States at the 10:30 a.m. Mass.

Following the installation ceremonies and Mass, a banquet was held at 1 p.m. in the Grand Ballroom of the Detroit Hilton Hotel, at which John Cardinal Dearden, Archbishop of Detroit, gave the main address.

It was Cardinal Dearden and the then Apostolic Delegate to the United States, His Excellency, The Most Rev. Egidio Vagnozzi, who in 1966 installed Bishop Zayek as Apostolic Exarch-U. S. A., at ceremonies held in Blessed Sacrament Cathedral in Detroit.

Following his installation, the Apostolic Exarch chose Detroit as his See, and took up residence in The Park, at 935 Three Mile drive, at Jefferson avenue.

In attendance at Sunday's ceremonies and festivities, besides Cardinal Dearden and Archbishop Raimondi, were Archbishop Peter Sfair of Rome a close friend, who was Bishop Zayek's teacher; Bishop Elias Cueter, Melkite Bishop of Brazil, scores of priests from the U. S. and other countries, and a large delegation of Maronite lay people from throughout the country.

The establishment of St. Maron's Diocese and the in-

stallation of Bishop Zayek attracted national attention because of the historic nature of the event.

After Pope Paul elevated the Maronite Exarchate to the rank of a Diocese, His Excellency, Bishop Zayek, went to Rome to personally extend his thanks and deep appreciation to His Holiness on behalf of himself and all the Maronites of the United States.

The new diocese is now known as "St. Maron's Diocese of Detroit—U. S. A."

The Maronite Rite is the only Eastern Catholic Rite with no counterpart in the non-Catholic Eastern Christian Rites. Its liturgical language is Aramaic, said to be the language spoken by Jesus Christ.

There are nearly two million Maronites throughout the world, most of whom still reside in Lebanon. Approximately 150,000 Maronites emigrated to the United States. There are 43 parishes in this country.

According to the latest census taken by St. Maron Cathedral, there are about 16,000 members of the Rite residing in the Detroit Metropolitan Area.

## Will Graduate 575 at South

Some 575 seniors will graduate from Grosse Pointe South High School on Wednesday, June 14, at 7 o'clock, on South's football field. In case of inclement weather the ceremonies will take place in the school gymnasium.

Commencement speakers are Chris Vermeulen and Steve Potter. Paul Atwell is senior class president.

Following the ceremonies The Mothers Club is sponsoring a party at the War Memorial from 10 p.m. until 2 a.m.

A band will play in Fries Ballroom. There will be games in the library at the

Alger House and a buffet in the dining room.

The charge is \$1.50 per person as compared to \$3 last year. It is a non-date affair although guest tickets may be purchased.

It is hoped that parents of seniors will make cash or food contributions to help defray some of the cost of the party.

Contributions of money may be made payable to Mothers Club GPSH and sent to Mrs. James Maurer, 1064 Balfour. Food contributions may be made by calling Mrs. Sebastian Buffa, 885-6166.

## This Is A Power-Hungry, Self Serving Clique?

We've been called that and more, so we thought you'd like to meet some of us.

**WE'RE YOUR NEIGHBORS.** We're working for **JOAN HANPETER** and **MUIR SNOW**. Given a choice we would much rather be gardening than going door to door. The kids would prefer the park to handing out campaign literature. The grandparents would rather play bridge than make telephone calls on election day.

But, it's a job that has to be done because we care about our community. We all have different motivations for working. The mothers want their children to have a good education, it's why they moved here. The kids are more aware of school problems than you think. The grandparents want to see their tax dollars used wisely. We want to **KEEP** our children in their neighborhood schools and retain local control of our educational system.

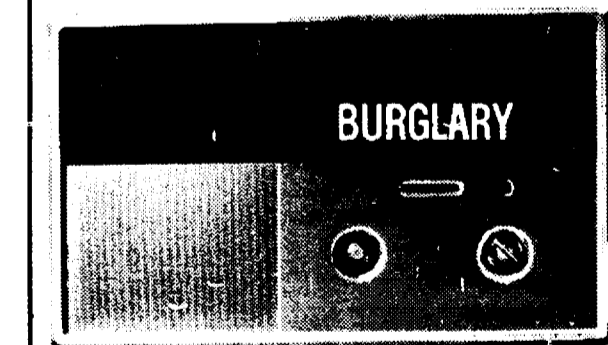

So our personal pleasures will have to wait!

**HELP us elect JOAN HANPETER and MUIR SNOW**

It's nice to know there's a Westinghouse security system at home when you're not.

Especially when you realize there's a home broken into every two minutes. The Westinghouse security system is more than a burglar alarm. Say you're away for the evening or off on a trip and someone breaks in. There's a loud alarm. Loud enough to scare him off. The system automatically sends a coded message to a 24-hour communications center, and they call the police. Same for fire. Loud alarm. Coded message. A call to the fire department. In other emergencies, direct voice contact with the center brings help. Send the coupon. Or call 464-3700.

**PWP To Hear Rev. Fenton**

The Grosse Pointe Chapter of Parents Without Partners (PWP) will meet tomorrow, Friday, June 9, at 8 o'clock, at the War Memorial.

Following the coffee hour, The Reverend Arnold A. Fenton, rector of Christ Church, will address himself to the problems of newly single people who find the need to reassess their personal values.

Guests are welcome.

**Power Failure Felt in Woods**

A defective cable at the Detroit Edison Company's sub-station, 1490 Vernier road, caused a power failure in The Woods Friday, June 2.

Around 1,000 customers, including residents and some businesses, were without power from 11:25 a.m. to 12:35 p.m., said Robert A. Hoving, director of public information at Edison.

The effected area is bordered by Sunningdale drive on the north, Fairway avenue on the east, Oxford drive on the south and Mack avenue on the west, he said.

During a power failure, noted Mr. Hoving, the first thing Edison does is check for emergency equipment in a service area, e.g., iron lungs in hospitals or homes.

In this case, Edison sent an emergency generator about five minutes after the failure to a resident in an iron lung, he said. The iron lung came from the Gratiot Field Station. The NEWS contacted the resident June 2 who reported all was well.

**GPAC Backing Joan Hanpeter**

Carl Lord, chairman of Grosse Pointe Action Committee (GPAC) has announced that GPAC is formally endorsing Mrs. Joan R. Hanpeter in the upcoming June 12 election for trusteeship on the Board of Education. GPAC is an organization of teachers and other employees committed to educational excellence in the Grosse Pointe School System.

Mr. Lord said, "This decision is the result of detailed examination of personal background, a review of activities supportive of education, and both written and oral statements presented to the GPAC Executive Board."

"Six of the eight candidates agreed to be interviewed; only Mrs. Edith Wilson and Fred Rogers declined to meet with GPAC."

She has attended School Board meetings on a regular basis for the past six years.

All candidates were queried by the League of Women Voters of Grosse Pointe as to why they felt qualified for membership on the Board of Education.

Here are the answers they gave: Mr. Gung, "I am a trained educator and I can listen to the will of the people;" Mr. Hage, "I believe my legal and educational background has provided me with a necessary blend of qualifications and experience, plus a professional trained awareness of the needs and requirements of quality education;" Mrs. Hanpeter, "I believe I am qualified to be on the board of education because I have the unique combination of former business experience in the personnel management field and a long record of demonstrated leadership in the schools and community. I have attended Board meetings during the past five years so I have the knowledge; as well as the time, which is needed to make a positive contribution."

Mr. Jaeger said "I am accustomed to managing large sums of money. In addition, I handle public relations for a number of corporations."

Mr. Rogers said he felt qualified for membership on the Board because, "My deep concern for our schools and the education of our children; my training and business experience as superintendent of management training for New York Life Insurance Company and now as general manager of the largest life insurance agency in Michigan. My career policy in 15 years of business life has been to protect policy holder's money and this ingrained personal policy will help me make wise decisions as a member of the School board; my desire to represent and be responsive to the needs and wishes of the total community."

Mr. Shaheen said, "My background and experience of 21 years in the educational field and my six school age children give me the perspective of knowing the educational needs of students."

Mr. Snow said he felt qualified for membership on the Board because, "With five children in the system, I bring a training that enables me to look at all sides of a question critically. I am able and willing to devote as much time as is necessary to get the job done."

Mrs. Wilson said, "My intense interest in our school system is long-standing, not a Johnny-Come-Lately surface interest... my knowledge of the problems of our school system... my ability to search out all the facts of an issue and to make sound decisions based on all the facts."

Be sure to go to the polls on Monday, June 12, and cast your ballot. Polls will open at 7 a.m. and close at 8 p.m. Voting will take place in the elementary school district in which you live.

**SPEAK OUT ON BUSING**

School taxes should be used solely for education—not for busing, which is a ruse to steal educational dollars and use them for racial homogenization.

**Judge Roth's Decision**

U.S. District Judge Steven Roth is expected to order wide-spread cross-district busing between Detroit and the suburbs, including Grosse Pointe. Most experts are convinced that this decision is eminent. Insiders believe that there is not enough time for the entire busing plan to be put into effect this fall, but that Judge Roth will order limited busing to be put into effect by September... and full busing the following year.

**Prompt Appeal Urgent**

The Grosse Pointe School Board should promptly appeal this decision. In fact, every legal means should be used to prevent busing and to insure that our schools are for the children who live in our community. (Now even CFE candidates, Hanpeter and Snow have joined our lead and are claiming to be against busing.)

**ATHLETIC — ART MUSIC PROGRAMS IMPORTANT**

Reductions in coaching personnel, physical ed., art and music teachers and drastic cuts in these budgets have reduced these programs to just token gestures. Funds are available, but are being spent on less important things. The Board has the authority and the responsibility to change policies and priorities and to allocate necessary funds to restore the athletic, art and music programs to acceptable levels.

**"FREE-SPENDER" POLICY WITH SCHOOL FINANCES MUST BE STOPPED**

We can no longer afford the luxury of "free-spending" attitude of the "rubber-stamp gang" toward school monies. Careless and expensive habits must be broken. We do this in our personal lives when we control our desire for a prime steak and order hamburger. Hamburger is less costly and just as nutritional. Budgets must be factual and budget control must be firm. Each expense item must be examined critically. Can it be eliminated? Can it be reduced? All fat must be trimmed from each budget item. Inefficient money management is costly and wasteful.

**REPRESENT TOTAL COMMUNITY**

Voter unrest, anger and frustration is directed at those "rubber stamp" School Board Members and Administrators who they feel are "puppets" for CFE (the power-hungry special interest group) instead of being responsive to the needs and wishes of the total community. Fred Rogers and Edith Wilson are responsive to the total community and will truly represent you. For this fearless stand, Fred and Edith are labeled "divisive" by CFE and the "rubber stamp gang."

**RESTORE PUBLIC LIBRARY CUTS**

Public Library personnel, services and hours have been chopped severely. Threats have been made by the Board and the Administration to completely close the Library. **Police Arrest Drinking Driver**

A Centerville man, driving under the influence of liquor, was arrested by Farms police Wednesday, May 31.

Patrolman Thomas Kelly, on routine patrol, spotted the car as it traveled to the left of the center line of Grosse Pointe boulevard, causing east-bound traffic to pull to the curb to avoid collision. The '65 Pontiac was also traveling about 10 m.p.h., according to the police report. Patrolman Kelly observed the car from Meadow lane to Fisher road.

The suspect, Leander Green Dodge, 26941 Lawrence, Centerline, was charged with driving while under the influence of liquor and assigned a date in The Farms municipal court.

**150 Trees Sold At Woods Sale**

Around 150 trees were sold during The Woods' recent cooperative tree sale for residents as part of a Municipal Tree Planting Program.

Although all the trees ordered were unable to be delivered, around 300 were, according to City Administrator Chester E. Petersen. Of the four types of trees that were sold, the Sunburst Locust and Crimson King Maple were the most popular. The other types were Scarlet Hawthorne and Golden Seedless Ash.

Mr. Petersen said the other 150 trees which weren't sold will be planted on public property. He added that the city is planning another tree sale this fall.

**Injured Girl Back in School**

Mary Kallardos, the 11-year-old girl who was struck by an east-bound Mack car on Tuesday, April 25, is back in class at Kerby School.

The girl's mother, Mrs. Nicholas Kallardos, of 405 Moross road, said that Mary had been in school for the past week although she does not yet participate in active sports.

The girl was hit near the Mack and Moross intersection at 5:35 p.m. by a '69 Camaro traveling about 25 m.p.h. She was crossing north against the light and 44 feet from the crosswalk.

Farms firemen rushed Mary to St. John Hospital where she was treated for head injuries and placed in intensive care. She was taken off the critical list Thursday morning, April 27.

**Indian Guides Collect Paper**

**Dog Warden Friend to All**

A dog warden's responsibility cannot, strictly speaking, be limited only to "man's best friend." Take the case of Woods dog warden David McQueen, on Tuesday, May 23.

Upon receiving a run to a South Brys drive home, Mr. McQueen was taken into the kitchen by the resident to hear some birds in an oven vent.

With the help of a neighbor, Mr. McQueen removed the oven's top panel. And, lo and behold, three baby black birds were taken from the vent.

The birds were placed in a box with straw and left in the back yard for the mother to pick up.

**WILLIAM F. HUETTEMAN**

TRUSTEE, BOARD OF EDUCATION, GROSSE POINTE WOODS

June 7, 1972

**An Open Letter to:**

**The Voters of the Grosse Pointe School District**

One year ago, Bob Warner and I were elected Trustees of the School District. We replaced Sandberg and Fuchs. A major issue at that time was the petty bickering, name calling and general confusion that our opponents had caused in the previous four years.

Now two people are running as the "People's Choice." What people chose those two candidates? How do you join the group? The answer is that the same people who gave you Fuchs and Sandberg now want to give you Rogers and Wilson, and don't try to join, it's a closed group.

Look at their advertisements. Such words as "rubber stamp gang" and "free spending" should remind you of "double set of books" and similar unsupported charges that punctuated the Fuchs-Sandberg campaign of last year.

If you are looking for a strong unified front against cross-district busing and loss of local control plus new ways for better fiscal planning, then we don't need to return to name calling and problem posing with no problem solving.

I have evaluated the credentials of the candidates and I support Joan Hanpeter and Muir Snow. I am personally familiar with Rogers and Wilson and I can find nothing to persuade me that a three year resident who has never attended a school board meeting nor voted in a Trustee election, and a long time advocate of the "No, No, I don't care what it is, I vote No" philosophy, will better our schools.

It may be said that it is uncommon for a present board member to speak out so vividly in a Trustee election, but after reading the half truths, innuendoes and outright falsehoods of some of the copy in the Rogers-Wilson ads, I can't stand idly by and watch our community go down the drain. It is only my personal recommendation, but I ask you to support JOAN HANPETER and MUIR SNOW.

Respectfully submitted,

WILLIAM F. HUETTEMAN

**One Candidate Stands Out From the Rest . . .**

**WALTER HAGE**

*An Attorney and a Teacher*

**On Issues**

- ... I favor & support a Constitutional Amendment as the most effective means of prohibiting busing.
- ... The question of the financial restructuring of public education in Michigan must be resolved with solutions that correspond with the best interests of the students and citizens of Grosse Pointe.
- ... Loss of community control of our school system need not be the price we pay for stabilization of school revenues and financing.
- ... Property tax relief is an essential priority.
- ... Effective management and sound economical administration of our school system are functions of experienced and qualified professionals and will not simply result from promises to hold the line on salaries.
- ... Emotionalism will never be able to adequately deal with the problems in the field of Education. They are legal and legislative in nature and require the attention and dedication of professionals trained and experienced in these areas.
- ... Academic excellence can be achieved within the bounds of fiscal integrity and responsibility.

**Students Reverse Stand**

(Continued from Page 1)  
The signs along the lakeshore are misleading. The signs state "No fishing, picnicking, loitering, swimming or bathing."

"By saying 'no loitering' the city is falsely implying that there are conditions under which it is lawful to be on that land and is indirectly encouraging the pedestrians, who do not consider themselves loiterers, to walk on it," Steve emphasized.

The committee head then entered a request for the Farms to post signs stating "No trespassing — Public Safety Hazard", along the shoreline.

It was evident that the students' position reverberated through the council members and Farms residents alike as some of the subsequent remarks revealed that they did not absorb the full impact of the students' revised attitude.

Immediately after the student finished his remarks, Councilman James Dingeman, (standing in for Mayor Butler who was excused), began an explanation which would have sensibly rebutted the committee's original position.

**Commends Students**  
However, at the close of his remarks, Mr. Dingeman commended the students on their revised consideration and their mature attitude.

He referred their two requests, the deletion of the loitering provision and the new street signs, to Farms Attorney John Aze. A report from the legal counsel was promised for the next meeting of the Farms Council, Monday night, June 19.

For the benefit of the residents, Mr. Dingeman listed the many legal and safety problems which could be encountered if the strip were open to the public.

The problems he enumerated were those which had pushed the student committee to shift their position even after they conducted the petition drive.

**Safety Hazards**  
Foremost is the safety hazard as the breakwall is a concave structure, making it difficult for a person to get back on land after falling into Lake St. Clair. A victim would also have to fight an undertow.

Lake Shore road has the highest speed limit in the Farms and is a well-traveled thoroughfare. Besides the obvious danger of a vehicle plowing into a group of strollers, the pedestrians might constitute a distraction for the drivers.

A second consideration is that most of the strip is private property owned by the residents who live on the adjacent Lake Shore lots. Several of the Lake Shore property owners, notably William R. Yaw, John L. Booth, Frederick S. Ford, Raymond C. Smith, and Mr. and Mrs. Gerard R. Slattery, wrote the Farms Council in opposition to pedestrians using the strip.

**Littering Problem**  
Other problems raised were the possibility of littering and polluting the lake, and the question of traffic lights to govern pedestrian flow and off-street parking.

Mr. Dingeman, in listing the liabilities, also stressed the presence of "adequate substitutes" such as the municipal lake front parks and the sidewalk on the other side of Lake Shore road.

The discussion was opened to the members of the audience. No students spoke, feeling that Steve Potter had competently articulated their position. However, comments given by some residents were less than enlightening as they revealed that they had not absorbed the students' altered position.

**Residents Confused**  
One Lake Shore resident stressed that the strip was private property as though

the students were still asking for pedestrian rights. A second resident stated that he thought that the "loitering" restriction was sufficient, and Steve quickly pointed out that walking was not loitering, and that the students were asking for more accurate signs.

Another resident, not from Lake Shore, commended the students on their revised position and then suggested that students (who were from South High) direct their energies on cleaning up the litter in the North High area.

The issue is scheduled to be resolved at the next meeting of the Farms Council when the city attorney will present the legal aspect of deleting the word "loitering" from Ordinance No. 96 and consider the students' request to post signs stating: "No Trespassing — Public Safety Hazard".

"It is the only honest way to approach the problem and to resolve the conflicts which have recently arisen," Steve commented.

**School Board Meets Tuesday**

The regular monthly meeting of the Grosse Pointe Board of Education will be held at 8 p.m. on Tuesday, June 13, in the auditorium of Grosse Pointe North High School, 707 Vernier road.

Reason for the change of date, from Monday, June 12, is because of the conflict with the trusteeship election.

William J. Adams, president, will conduct the meeting and Dr. Theos I. Anderson, Superintendent of Schools, will present his recommendations for the trustees' action. The public is invited to attend.

**URNS LIFTED**

A resident of 194 Stephens, Milton Cross, contacted Farms police Saturday morning, May 27, to report the theft of two concrete urns from the front porch. The urns were described as octagonal-shaped and covered with blue, yellow and white tiles. They were worth \$80 and were taken sometime during the night.

**WINDOW BROKEN**  
Joseph Palazzo, of St. Clair Shores, called City police on Saturday, June 3, to report that a large window on the west side of Artona Tailors, 17834 Mack, had been crack-

ed by persons unknown sometime between 7 p.m. on Friday, June 2, and 3 p.m. on Saturday, June 3. Officer Edward Miller, Jr., found a metal pellet on the ground near the cracked window.

**RADIO REMOVED**  
Regina Gersch, 676 University place, called City police on Sunday, June 4, to report that sometime the previous night someone stole the radio out of her '68 Volvo station wagon, which was parked in the driveway near the garage at the rear of the house between 5:30 p.m. on Saturday, June 3, and 10 a.m. on Sunday, June 4. The culprit damaged the car heater while removing the radio. A wire cutter was found on the floor of the vehicle.

### Judge Paterson Clears Docket

The City of Grosse Pointe Municipal Court convened on Tuesday, May 23, with Judge Douglas L. Paterson presiding.

Thor Peebles, 773 Westchester, was charged as a disorderly person. He pled not guilty. His case was dismissed, no complainant in court.

Irene Gracey, 1338 Grayton, was charged with improper parking. She pled not guilty, was found guilty, sentence suspended.

Gary Hicks, 403 Touraine, was charged with reckless driving. He pled guilty, was found guilty, fined \$100 and costs, placed on one year probation and no driving for six months.

Mark D'Achille, 3907 Connors, was charged as a disorderly person. He pled guilty, was found guilty, fined \$100 and placed on one year probation.

Charles Cudlip, 1170 Harvard, was charged with driving on a suspended license. He pled guilty to the added count of operator's license not on person. He was found guilty to that charge and fined \$25.

Palmer Jordan, 5321 Harvard, Detroit, was charged under the stop law, resulting in an accident. He pled guilty, was found guilty, fined \$25. Costs of \$15 were suspended.

Milo Bancroft, 604 Notre Dame, was charged as a disorderly person. He pled guilty, was found guilty and fined \$10.

Elizabeth Ingram, 20943 Beaufait, Harper Woods, was charged as a disorderly person. She pled guilty. Paid costs of \$39.55. Final disposition was held for six months.

Steven Bradbury, 319120 Gary, Mount Clemens; Kevin Gunn, 2145 Manistique, Jeffrey Bloink, 1334 Kensington, and Thomas Gunn, were charged as disorderly persons. All four were found guilty after standing mute and placed on six months probation. Final disposition was held for six months. Bradbury paid costs of \$125; Kevin Gunn, \$100; Bloink, \$50, and Thomas Gunn, \$50.

### Appointed

The United States Naval Academy at Annapolis has appointed ARTHUR J. VANDERSCHAAF as a member of its Brigade of Midshipmen. This announcement was made by Representative Lucien N. Nedzi of the 14th Congressional District in Michigan. The Class of 1976, of which Art will be a member is going to be sworn in at Annapolis July 6.

Art is the son of Mr. and Mrs. Clarence VanderSchaaf of Lincoln road. He is a member of the First Reformed Church of Detroit and is a student at Grosse Pointe South. He has been active in the Bands and Orchestra, track team, Grosse Pointe Symphony Orchestra, and the Neighborhood Law Club.

### Awards Night At South High

Following the ceremonies, junior members of the National Honor Society will host a social hour for parents and seniors.

### BATHROOM LOCK-IN

Farms firemen came to the rescue of a very young damsel in distress Tuesday morning, May 30, when the John Hanseys one-and-a-half-year-old daughter locked herself in the bathroom. The firemen had the door unlocked in less than 10 minutes and then everything was back to normal at 258 Moran.

### Honor Beeler On Retirement

"Automo Beeler," Samuel C. Beeler, head of University-Liggett School's Mechanical Arts Department retires this year after 28 years of devoted service during which he built his department from a space next to the boilers in the school's basement to a full-scale mechanical art building.

The University-Liggett Alumni Association feted Sam, on Sunday, May 21, at an afternoon reception at the Little Club attended by over 200 friends and his sister Harriett Koberline of Syracuse, N.Y. Sam was presented with several gifts which included a box full of used spark plugs.

University-Liggett Parents' Association held a farewell reception on Wednesday, May 24, at which Sam received two autographed birdhouses made to his original blueprints to hang permanently outside his Florida home; and a calendar clock with a miniature model A Ford. Upper school students presented him with an autographed hub cap and lower school students with a bird mobile.

Sam's students have found that his mechanical and architectural drawing course gave them advance placement status at college. Throughout the country mechanical arts students are studying "Understanding Your Car," a textbook authored by Mr. Beeler which is affectionately referred to by his students as the "Sam-ual Manual."

Tucker Whitehead, a former pupil and Sam's replacement as head of the University-Liggett Mechanical Arts Department says "If I were to write a 'Most Unforgettable Character' sketch, it would be about Sam Beeler, who other than my parents influenced me most during my school years and in my career choice."

**Police Warn Of Molestings**

With the advent of warm weather, many Pointe youths have returned to walking or cycling to school and recreational facilities. However, also at this time of year, the police records show an increase in attempted molestings.

Very few of the attempts have serious consequences as Pointe girls usually exercise judgment in not speaking to strangers and not accepting rides from unknown men.

Examples of two such narrowly averted misfortunes recently surfaced on The Farms police records. They are here reported to serve as warnings to other Pointe girls.

Two Brownell girls recently reported a young man, driving a compact red car, who attempted to lure them into his vehicle. The first girl, 12, said that she had been riding to school at 8:30 a.m. Wednesday, May 24, when a clean-cut, light-haired man began to drive slowly beside her near Kercheval and Stephens road. He followed her north on Stephens, asked her directions and told her that she had nice legs. The girl, after telling him that she could not help him with directions, rebuffed his remarks. He drove away.

A second Brownell girl, also 12, reported that she had been walking near Grosse Pointe boulevard and Vendome Friday afternoon, May 19, when a youth (who matched the other girl's description) slowed his car. He remarked that she looked tired and asked if she wanted a ride.

The girl got into his car and when he grabbed her arm, near Moran and the boulevard, she jumped from the car.

An earlier incident was two Farm girls, six- and seven-years-old, who were walking on Lewiston road Monday evening, May 15, when they were approached by a young man.

He asked the girls if they wanted to join his club and led them into a room of a vacant house. He unbuttoned one of the girl's blouse and tried to pull down the other girl's skirt. However, both girls became afraid and immediately ran from the vacant house.

None of the girls was followed once they attempted to elude the alleged molester. So the tried and true advice holds good: Don't speak to or accept rides from strangers!

**Occupants Safe In Car Dunking**

An auto travelling east on Woodland Shore drive went across the south and north bound lanes of Lake Shore road, including the 22-foot island divider, across the bank and into Lake St. Clair Friday, June 2, around 3 a.m. There were no injuries.

Shores Corporal Chester Painter and Officer Harry Hamilton, while patrolling on Woodland Shore drive, were hailed by passing motorists who said a car had just gone into the lake. The auto's two occupants were observed by the officers scrambling out of the water over the sea wall.

Ronald Pascal Carron, 18, 676 Reach Tree lane, the driver, stated that while travelling on Woodland Shore he saw a stop sign, was unable to stop, locked his brakes and ultimately went across Lake Shore into the water. Albert Joseph Hillebrand, 18, 311 McKinley, also was in the car.

The vehicle came to rest approximately 60 feet east of the sea wall in around three to four feet of water.

Rendering assistance at the scene were Shores Patrolman Gordon Swartz and firefighter Harry MacColm, plus Farms Patrolmen Philip Miglio and Timothy Morrison.

No violation was reported issued.

**TO SEEK REELECTION**  
State Representative William R. Bryant, Jr. (Republican), First District, announced he is a candidate for re-election. Representative Bryant is an attorney and lives in The Farms with his wife, Lois, and their two children.

**Set Basketball Summer School**

The Grosse Pointe Summer Basketball School will again be in operation this summer. The school, under the auspices of the Department of Community Services and direction of Chuck Hollosy, is aimed at developing the basketball skills of boys in the sixth through ninth grades.

Participants will be given the opportunity of selecting a site most convenient to their home. Classes are limited to 40 boys, with enrollments accepted in the

order of receipt of fees. Non-residents will be placed on a waiting list.

Registration reservations can be made by calling the Department of Community Services at 885-3808. Application blanks are also available at each high school and middle school physical education department.

The school is conducted each Tuesday, Wednesday, and Thursday morning beginning on June 20 and ending on July 27.

Sixth and seventh grade boys attend from 9 to 10:30

**Commencement Set at North**

Grosse Pointe North High School will hold its 1972 Commencement Exercises at 8 o'clock, Thursday, June 15, in the gymnasium at North High School. This is the first four-year-class to graduate from North. There are approximately 600 graduates.

a.m. at Grosse Pointe North or Pierce Middle School and eighth and ninth grade boys attend from 10:30 to 12 noon at the same sites. The fee for the entire six weeks is \$15.

Kay Kappaz is commencement chairman; Elizabeth Banks, student speaker, and Guido Regulbrugge, adult speaker.

Senior Vito Ciaravino will give the invocation and The Reverend F. Keppler of the First English Evangelical Lutheran Church the benediction.

The North High Parents Club is giving a post-commencement party for seniors from midnight until 5 a.m., which includes an "all-you-can-eat" buffet breakfast at 3:30 a.m.

The cafeteria, commons, pool, upper and lower gyms and the courtyard will be open. Seniors will be able to play cards, listen to music,

play pingpong and use any of the sports equipment. Tickets are 25 cents in advance. Students may enter one time only.

**Rated R**

We want to help make the Summer of '72 the most memorable summer of your life. A summer where everything is going to be at the right place at the right time. So we've taken the letter "R" and placed it in front of 4,500 outstanding hotels and motels in our Tour Books. This little "R" simply means we're going to help you instantly make, confirm and guarantee your reservations and room rates at any of these places anywhere in the country. And your reservation will be held for you no matter how late you arrive. The Summer of '72 comes just once. So please don't rush through it. If you want to poke along a secluded beach an extra day or two, go right ahead. Just dial a nationwide, toll-free number (800-336-0336) called, appropriately enough, SUPERNUMBER. You can change, confirm and guarantee new reservations. And it won't cost you one thin dime. If, heaven forbid, you should have a disabling automobile accident 100 miles or more from home, there's AAATripGuard, our newest travel service. TripGuard guarantees we'll chip in up to \$200 to pay these extra expenses caused by the accident: replacement car rental, meals, lodging or alternate forms of transportation. The Summer of '72. Beginning now at your neighborhood Triple-A office. Rated "R". Restricted to Triple-A members and their families.

**Tire Squealer  
 Handed Ticket**

While on routine patrol on Sunday, June 4, at 10:05 p.m., patrolman Edward Miller, Jr. heard a car squealing its tires on Lincoln in the area of Goethe. Miller turned east on Goethe from Washington and saw a '63 Dodge convertible come to a stop on Lincoln road at Goethe.

The car then proceeded south and approximately 200 feet from the intersection once again squealed its tires. Miller pulled the vehicle over at Charlevoix and Lake-land. The driver, Frederick Weckler, 1350 Devonshire, Jeffery Gomley, 908 Washington, and Dave Romain, 937 Washington, were in the car.

When Miller pulled the car over he observed one of the youths put a bottle in the glove compartment. Investigation revealed that the bottle contained bitter lemon and what appeared to be alcohol. All three were released with a warning. The driver was issued a ticket for excessive noise.

**Park Group  
 Incorporates**

At a recent special meeting of the board of directors of Kercheval-in-the-Park Business and Professional Association called by its president, Julian J. Shoreck, a vote was taken to incorporate the association as a non-profit corporation. The vote was unanimously in favor of this action.

A petition of the membership was also unanimously in favor of the action. Legal papers have been filed with the State of Michigan. The association will now be known as Kercheval-in-the-Park Business and Professional Corporation-non-profit. The constitution and by-laws will remain the same. All elected and/or nominated officers will complete their terms of office.

**Slate Concert  
 At North High**

Six outstanding Grosse Pointe South High School senior instrumental soloists will be featured in a Concerto Concert on Friday evening, June 9, at 8 o'clock. The concert will be held in the auditorium at North High School.

Each of the soloists will be accompanied by the South Symphony Orchestra under the direction of Russell D. Reed. The soloists include: Christine Duncan, piano; George Skaff, cello; Debbie Mast, violin; Donna Grunewald, flute; Al Ruedeman, bass, and Virginia Zeleznik, clarinet.

The concert is open to the public without admission charge.

**Sends Out Call  
 For Volunteers**

Mrs. Louise TeWalt, volunteer coordinator for Grosse Pointe Family Life Education Council's Middle School Student Volunteer Service Corps Program, has announced that a program which offers middle school students an opportunity to gain work experience while helping others will begin Tuesday, June 20, and conclude Saturday, July 15 with a picnic.

The volunteers meet from 9 a.m. to 11 a.m. on Tuesdays and Thursdays (no meeting July 4), at Grosse Pointe Memorial Church, 16 Lake Shore road.

Volunteers work on Service projects and visit local organizations and institutions. There is a 50-cent fee for craft materials. Planned trips include visits to the Foundation for Exceptional Children on Thursday, June 22; to Grosse Pointe Nursing Home on Thursday, June 29; to Sacred Heart Enrichment Program, Thursday, July 16 and to Cottage Hospital on Thursday, July 13.

Participating volunteers must have their parents' permission to participate in the program.

For further information call Mrs. TeWalt at 885-7214.

**Gift Provides  
 Speech Course**

A six-week summer speech and language program will be initiated at Cottage Hospital through the generosity of Mrs. James T. Barnes of Lake Shore road, according to Cottage Hospital Administrator Ralph L. Wilgarde.

"Mrs. Barnes has contributed the funds to enable us to offer this program for preschool and school-age groups of children with speech, language, hearing, and learning problems," Mr. Wilgarde said.

The program will be directed by Dr. Susan A. Greif, Director of the Cottage Hospital Department of Speech Pathology. It will begin June 26 and end August 4 and will consist of two hour-long sessions each week.

For enrollment information, Dr. Greif may be reached at 884-8600, extension 223, or 882-8379.

Individual speech therapy sessions for both adults and children will continue as they have for the past two years, Mr. Wilgarde said.

**IMS to Meet  
 This Monday**

The International Meditation Society (IMS) will hold an introductory lecture this Monday, June 12, at 8:30 o'clock, at Grosse Pointe Unitarian Church.

IMS is a non-profit educational organization which advocates the technique of transcendental meditation (TM) as taught by Maharishi Meesh Yogi. Proponents indicated that TM can provide individuals with deep rest which releases the fatigue of daily activity. It is not a religion, philosophy or life style.

Recent issues of The American Medical Association (January 17, 1972) and Scientific American (February) carried articles by Dr. Robert K. Wallace and Dr. Herbert Benson of Harvard Medical School, indicating the positive physiological effects of transcendental meditation.

**Rape Reported  
 By Shores Girl**

A 14-year-old Shores girl was reportedly raped Friday, May 28, at 3:10 p.m. at the foot of Clareview and Lake Shore road, near the sea wall.

The girl told police she was waiting for a bus on Lake Shore, across from Claireview, when a man on a gold Honda came by and said something to her. When she didn't answer, the man returned, drove over the curb near the sea wall and allegedly assaulted her. He then drove off north on Lake Shore toward Vernier road.

Upon arriving home, the girl contacted police. She was taken to Bon Secours Hospital, treated and released.

The suspect is described as a white male, between 18-23 years, about 5'10", medium build and muscular, with dark brown hair and eyes and heavy eye brows which grow together over the bridge of the nose, pock-marked complexion, a heavy turned down mustache, and chipped yellow, ivory teeth.

The man was wearing a black leather jacket, white tee shirt, blue pants with a white design resembling vertical stripes, brown low cut shoes with a gold buckle and a gold colored helmet.

Further description includes a reddish scar, (birthmark type), on the underside of the right jaw between the ear on the point of the chin. The suspect is said to have smelled of shaving lotion and his breath of liquor.

**BURNING TREE**

Farms firemen rushed to Cottage Hospital Saturday morning, May 20, at 9:35 a.m. on the report of a tree burning. At the scene, they used a booster line to put out the blaze which appeared set intentionally.

### Vandals Visit Three Schools in Pointe

Three Pointe schools reported cases of vandalism to the Woods Department of Public Safety over the Memorial Day weekend. Vandalism was reported at the University-Liggett School, 1045 Cook road, Saturday, May 27, where entry took place, while windows were broken at both Mason School, 1640 Vernier road, Saturday,

May 28, and Our Lady Star of the Sea, 675 Ballantyne road, on May 28 and Monday, May 29.

At U-L, officer William Desilets was told by headmaster Raymond Robbins that unknown persons broke into the school and vandalized it. Mr. Robbins showed the officer a broken window, (24"x36"), in the southeast corner of the west courtyard. The persons had reached through the window to unlock it, thus gaining entry.

The individuals then proceeded through the school to the library where they broke a 12"x14" window to gain entry. The librarian's office was reported ransacked. In the library area, several book cases were tipped over and books scattered about.

A check of the area was made and it's believed that nothing was missing from the school. Vandalism was seemingly the only motive of the persons involved. Corporal Robert Setchell received a report from an Anita avenue resident on the Mason damage.

The witness said he observed two white males, (one approximately 11-years-old, the other around 8-9 years), break some windows. The boys after being yelled at, got on their bicycles and rode east on Vernier road.

A check of the school revealed two broken 10"x12" windows on the building's east side.

On May 28, officer Paul Crook received a report from one of the Sister's at Our Lady Star of the Sea. A report of prowlers took two scout cars to the scene, but the culprits were gone on arrival.

However, a check of the school revealed three broken windows. Two of the windows are 4'x4', while the other, (of frosted glass), is approximately 38"x30". An interior check of the school showed entry wasn't gained. One of the windows reportedly appeared kicked out.

At the scene, officer Frederick Lovelace spoke with five witnesses who said they heard a loud crash. They spotted two or three persons running north across the parking lot and jumping the fence at Barnes School, according to police. All were reported wearing dark clothes.

In a related complaint on May 29, officer Richard Prietz received a report of five broken windows at the school.

#### GUILTY GOLFER

The Farms police were seen on Wednesday, May 31, at the Country Club of Detroit golf course. However, they had not traded their badges for golf balls; they were still on duty. At the scene, they arrested an 18-year-old BournemOUTH youth for trespassing. A member had asked the youth to leave, the youth had rudely refused, and the member had contacted the police. The disorderly golfer was released on \$23 bond, pending his court date.

### Farms Swim Program Offering Many Classes

This year's swimming lesson program at The Farms Pier promises to be a successful one in many ways.

A very enthusiastic and well qualified teaching staff consisting of Kathy Pillsbury, Mary Lauer, Vanessa Vinci, Kathy Crowley and Dorine Dziuba, (with Mark Boerner and Jeff Watts part-time), should make for a fine program.

The registration for the first four-week session is on the weekends of June 10-11 and June 17-18 from 10 a.m. to 4 p.m. There will be a \$1 registration fee per family. Classes begin Monday, June 19, and meet twice a week for one-half hour, regardless of weather.

Then registration for the second four-week session will follow the termination of the first session. Classes will be kept small for the convenience of the instructors and benefits to the children.

American Red Cross swimming tests are given at the end of each session and cards are awarded to those passing. Private lessons also are

available and may be arranged with any instructor at registration time.

This year's classes include non-swimmer, beginner, advanced beginner, intermediate and swimmer. In addition, junior and senior life-saving courses are offered. These courses last eight weeks with meetings twice a week for an hour and a half. A written and water test are required to pass these courses.

Synchronized swimming will be offered again this year. The enrollment is limited to girls 12 years or older.

Competitive swimming classes will be taught by Boerner and Watts. Butterfly, backstroke, breaststroke and freestyle classes stress racing form and three types of racing dives. They also will teach classes in beginning, intermediate and advanced diving.

A class for mothers who wish to learn swimming or improve their strokes also will be taught.

#### TANK PUNCTURED

In an act of senseless vandalism, someone punctured the gas tank of a '71 Chevrolet parked in the South High teachers' parking lot off Fisher road during the Wednesday, May 31, school day. Karl Geisler, 834 Neff, owner of the vehicle, reported the vandalism at The Farms police station.

Remember, it's impossible to win big stakes by beefing.

### Steals Clothing In Parked Car

A Hill employe contacted Farms police Thursday afternoon, June 1, to report the theft of sports clothes from her parked car. The '72 Vallant was parked in the metered lot behind The Hill shopping area from 8:30 a.m. to 6 p.m. the day before, Wednesday, May 31, when the theft occurred.

Missing are two ladies' yellow snowmobile suits; one men's black snowmobile suit; a ladies' alpaca waist-length coat; and a pair of men's hunting pants. The insured loss amounts to \$300 in sporting clothes.

The complainant reported that the vehicle was locked and there were no signs of forced entry.

### Which family has the Gas incinerator?

It's the family whose trash is a mere fraction of what it was. Because their Gas incinerator makes short work of everything that burns. Without smoke, odor, noise or air pollution. And that's good news for the neighbors and the whole community.

A Gas incinerator disposes of every-

thing combustible, including all kinds of things you can't put into a garbage disposal. All paper products. Garbage, including bones. In fact, almost everything but bottles and cans is reduced to a fine ash—and trash day is reduced to a minor event.

So, enjoy the convenience of a

smokeless, odorless Gas incinerator. Plus the neater basement, the tidier garage and the uncluttered curb that go with it.

### SCHOOL MILLAGE PROPOSAL TO INCREASE PROPERTY TAXES

## Vote NO June 12

The Wayne County Intermediate School Board proposes a 1-mill tax levy to construct and operate four Area Vocational-Technical Centers, three located in the downriver area and one in Highland Park. Detroit is not included in this proposal.

Grosse Pointe and Harper Woods students would be bused to Highland Park.

Local Control would be lost since these Centers would not be under the control of the Grosse Pointe School Board.

Our Grosse Pointe School Board has refused to approve this millage proposal.

The 1-mill is only the initial millage. Projections are that 5 or 6 mills may eventually be required.

If passed, it would mean about \$500,000 in increased property taxes for the people in the Grosse Pointe School District.

### AND WHAT ABOUT MILLAGE ELECTIONS FOR OUR SCHOOLS

There should be no millage requests for operation of our Grosse Pointe Schools until all the facts are revealed and analyzed . . . and these facts show a convincing need. Such millage requests should be limited to the minimum amount for the actual needs.

Facts — not scare tactics — should be used to fairly present the need to the public. The School Board and Administration must start providing the electorate with true facts, not a high-powered propoganda campaign.

Nothing to inflate! Completely puncture-proof!  
Lasts for years and years!

You're looking at the first puncture-proof float that you don't inflate. Hallelujah! Now you can say goodbye to floats you have to huff and puff to inflate, only to have them deflated in no time at all. SUNFLOATS are made of UniRoyal's Ensolite® . . . the same material used in Coast Guard approved life jackets. With normal care, they are indestructible! (Imagine: A product made to last).

72" long (The child's float is 50" long), SUNFLOATS are incredibly comfortable. Unlike inflatables, they conform to your body—much like a water bed. Great for pools (won't chip, peel or crumble), lakes, oceans. You can even body surf on it.

At last—the perfect lounge pad for boat decks. Stays cool in the sun, too!

Makes a marvelous beach pad and exercise mat. (Take note, yoga buffs).

In Ocean Surf White with Blue Seahorse, High Noon Yellow with Orange Seahorse or Island Turquoise with White Angel-fish. Child's floats same colors, imprinted with sea lion.

Comes rolled up in handy zippered case for easy carrying, storing, taking on trips.

**Time and Talent for Others**

Pictured with some of the items created in the seventh grade junior homemaking class at Parcels Middle School which were given to children at the John Lee Regional Program for Retrainable Children are (kneeling—left to right) ROSEANN MALO and ROBIN CHAPMAN, (standing—left to right) BETSY CLINTON, MRS. JAMES SPILOS and MRS. JOHN GRAHAM.

By Pepper Whitelaw

"Time and Talent for Others," proved to be "Christmas in May" for some 265 youngsters at John Lee Regional Program for Trainable Mentally Retarded and an "Experience in Living" for Seventh grade Junior Homemaking students of Mrs. John S. Graham and Mrs. James Spiilos of Parcels Middle School.

"It wasn't just a 'fun' project although the girls enjoyed it immensely," said Mrs. Graham, department chairman. "In this course we try to acquaint the girls with ways in which they can become contributing members of the family, school and community. Making gifts for these youngsters was a perfect way to accomplish these goals."

This segment of the course took three weeks. During that time the girls concentrated on developing good work habits, scheduling time, safe use of and respect for room equipment and consideration and cooperation with their classmates in the performance of group activities. The result was realization of the standards of accomplishment they had set for themselves.

Most of the girls completed more than one project during the three-week period. Many took extra work home to do.

The girls made stuffed animals, Raggedy Ann Dolls, cloth picture books, felt covered treasure boxes, felt dolls similar to the old-fashioned paper dolls, measuring spoons, posters, clocks and other educational toys.

All of the girls learned new sewing techniques, how to follow instructions, how important accuracy is and above all the joy of doing for others.

Seven class representatives went down to John Lee to present their gifts. They included Roseann Malo, Robin Chapman, Betsy Clinton, Deirdre Ratusnik, Marcia Finateri, Olga Theros and Mandy Study. Here are some of their reactions:

"It was all worthwhile just to see the joy in the little kids' eyes . . . I'm happy I spent extra time on this project; it was so appreciated . . . The kids were so lovable, they were kissing the dolls and thanking us at the same time."

There are many facets to this Junior Homemaking Course. Girls learn to work in the kitchen, practice planning and preparing simple foods that are also appetizing and well-balanced.

They also work with fabrics, familiarizing themselves with the basics of selection and handling; with patterns; with the sewing machine and basic hand sewing.

Recently the girls made nightgowns which they had a chance to display at an open house. "We make sure that every project we work on in this course has a positive end result," said Mrs. Graham.

She explained that the daily interests and lives of the girls are considered in planning the course. She said since so many of the girls do babysitting, one portion of the course is directed toward helping them understand a child's needs, both physical and emotional, teaching them how to keep the children safe, busy and happy and how to develop patience when working with young children. The girls compiled a pamphlet on babysitting tips upon completion of this unit.

Although no textbooks are used, many classroom books are used as well as films, film strips, pamphlets, charts, magazines and classroom demonstrations.

Seventh grade junior homemaking has for years been a required subject in all Pointe middle schools. However, next year, due to staff cuts, it will be an elective course.

Mothers of girls who have taken this course have noticed that their daughters have a deeper appreciation and understanding of the

**Barnes School Band Televised**

Sixth grade youngsters in the stage band of Barnes Elementary School in Grosse Pointe Woods will be featured next week on "The Young Sounds of Summer," a musical television program covering Detroit area schools.

The program, hosted by Smokey Robinson, will be seen at 8 p.m. on Channel 7 on Wednesday, June 14.

Dr. Winnifred Fenton, Elementary Music Consultant for The Grosse Pointe Public School System and director of the Barnes youngsters, said the program was videotaped at station WXYZ on April 25.

The Barnes School musicians will play "This Old Man," arranged by Ployhar.

The sixth grade state band includes four flute players: Maryanne Kennedy, Marian Marks, Amy Oleszko, and Ann Rabbideau; seven percussionists: Jeanne Ballew, Jayne Dutcher, Jeff Jaskolski, Thomas Marks, James Murphy, Brian Nixon, and Nancy Norman; four clarinet players: Gary Hughes, Deanna Iwanow, Deanna Pack, and Judy VanVoorhees; four cornetists: Robert Bokram, Paul Lewis, William Stefani, and Karl Tech; three alto horns: Paul Cusenza, Pohn Grissim, and Edward Hammer; one trombone: John Willison; and two baritones:

David Loehr and John Uimer.

Other schools that will be represented include Bloomfield Hills, Cass Tech, Brookside School at Cranbrook, Farmington, Wyandotte, East Detroit, and Redford.

Porsche Audi: a division of Volkswagen.

Unless you were born into it, a Porsche was always something that came with success.

Now there is a Porsche you can afford on the way to success.

In the classic sports car tradition, the 914 is a two-seater.

In our race car tradition, it's a mid-engine.

Weight distribution is about 45% up front and 55% in back. That and rack-and-pinion steering make for a very quick handling car.

With the engine in the middle, other advantages come to light. Tires wear better because each wheel carries almost the same load. Brakes work smoother for the same reason.

There are two trunks, front and rear. (The re-

movable fiberglass roof stows away in the rear trunk along with a sporting amount of luggage.)

Other standard equipment includes a 5-speed gearbox, 4-wheel disc brakes and a built-in roll bar.

For a Porsche, the price is strictly youth fare. But you'll have to be under 30 to enjoy it.

A resident of 157 Merrjweather called The Farms police Thursday morning, May 25, to report that someone had stolen a hubcap off her maid's car. The '65 Catalina was parked in the driveway overnight. It was the third time the maid's hubcaps were stolen.

**AN OPEN LETTER TO THE GROSSE POINTE COMMUNITY REGARDING THE SCHOOL BOARD ELECTION**

As a retiring School Board Member, I feel obliged to respond to the current School Board Election Campaign. Of the eight candidates, running for two vacant seats, six have in their campaign literature and public statements presented a forthright position with integrity. The Rogers-Wilson Campaign Committee ads in last week's Grosse Pointe News I believe do not fall within this framework.

I recognize the temptation to campaign on a platform designed to further undermine local support for the Grosse Pointe School System as politically adroit. However, what I believe to be distortion of issues should be spoken to. Firstly, the Rogers-Wilson ad in last week's Grosse Pointe News stated that School Board Members and Administrators are responsive to power-hungry special interest groups. These groups were not identified in the ad and are unknown to me in my four years as a School Board Member. On Monday night I asked Mr. Rogers if he would identify to me who they were. The only one named was the Grosse Pointe Citizens for Education which had supported me and other candidates. In my opinion, their only special interest is the promotion of a strong effective school system and the support of candidates committed to this goal. As a matter of record they have never attempted to influence my posture on the Board and, to the best of my knowledge, have not sought to do so with others.

Secondly, the Rogers-Wilson ad of last week indicated a "free-spending" attitude of the "rubber stamp gang" of which I am presumably a member. School spending has never been under closer scrutiny than during the past four years, three of which I spent as Treasurer, and the economies and agonies associated with curtailment of desirable programs for our children have been severe within this period. To insinuate otherwise without giving recognition to the problems of bargained wage level increases, reduction in state aid and other factors beyond the control of the local School Board does in fact rob our students of the community support of our schools which has been in the past our greatest local asset.

Thirdly, the Rogers-Wilson ad of last week raised busing as an issue, again politically adroit but patently, and I believe, deliberately misleading. The ad stated that the School Board is jumping on the Rogers-Wilson bandwagon by CLAIMING to be against busing. The facts are that long before Rogers and Wilson had a band-wagon, the public posture of the Board, individual public statements by all of the Board Members and the charge by the Board to its attorneys clearly showed the unanimous posture of the Board being in strong opposition to busing. Since the Rogers-Wilson band-wagon has been newly formed, there has been no new position taken by the Board on this issue. Anyone who has had the interest to follow Board deliberations would know that the insinuation in the ad had no relationship to the facts: and was an insult to the integrity of the community, the present Board and particularly to Mr. Rogers.

Statements such as in these ads—clever, opportunistic, devious—reflect a political posture that has been effective in reducing support for a strong locally controlled, locally financed school system. I believe that the division formed in this community by deliberately encouraging distrust of School Board Trustees elected by this community has been the principle reason that Grosse Pointe has not been able to speak with greater authority in Lansing as a witness that a community that values good schools can effectively run and control its own destiny.

The challenges facing the School Board over the next four years are enormous and must be met with strong positive leadership with broad public support. I believe the communities' interests would best be served by the vigorous support of Joan Hanpeter and Muir Snow to retain, insofar as possible, the integrity of this community's prime asset—excellent, locally controlled schools. I urge that you join me in voting for them on June 12.

ing a tie for the first half leadership. Tom Marantette took the win and also stroked a triple, as did Tom Steen. Jeff Gardner led the attack with three hits. Peers Henes had a three-bagger for the Phils.  
 With Doug Donald on the mound, the Indians whipped the White Sox, 10-3. Dick Borland had two hits for the Tribe, while Brian Canmett had a triple for the Sox. Each club had a double play.  
 The Dodgers beat the Phillies, 3-1, as Jim Reno took the win. Tom Marantette went two-for-three for the Dodgers. Then the Rangers dumped the Brewers, 5-2, as Ed Schervish took the win with Doug Skipp's relief help.  
 The Red Sox split their weekend games with a 5-3 win over the Yankees Saturday but dropped a 13-4 decision to the Indians on Sunday. Sox hurler Terry Corbett gained Saturday's win with help from Mark Isley, who went three-for-four.  
 But the Indians combined five singles with 18 walks by four Sox hurlers to take the victory. Jim Neville pitched a strong game, giving up but one walk.  
 In another Sunday contest, the Expos trimmed the Astros, 4-1, as Berry Quinn fanned nine batters for his win. Joe Madonna took the loss.  
 The Phillies edged the Dodgers, 12-10 in a playoff to decide the first half winners. Scott Smith banged out two doubles, Bill Schaffner, a double, and Jack Tocco, a triple, for the Phils. Tom Steen had a triple for the Dodgers.

**Youth Gets 60 Days in Jail**

Gary H. Hicks of 403 Touraine, was placed on probation for six months and his operator's license was suspended for that period of time by City Municipal Judge Douglas Paterson on Wednesday, May 24. The youth was arrested on complaint of Park Patrolman Collin LaLonde who saw Hicks driving in a reckless manner in the City on May 23.

The next day, May 24, at 2:45 a.m., while on routine patrol, LaLonde saw Hicks driving east on Jefferson. Knowing that Judge Paterson had suspended the youth's license, the officer arrested the young man, who was arraigned before Park Municipal Judge William E. Speer, who sentenced Hicks to 30 days in the Detroit House of Correction.

Following this court hearing, Hicks was taken before the city judge, who added another 30 days in DeHoCo for violation of probation. Hicks is now serving 60 days in the jail.

In other matters that were heard by Judge Speer, Michael Murphy of 16778 Stricker, East Detroit, pled guilty to driving the wrong way on Whittier and having no operator's license on his person. He was fined a total of \$25 for both offenses.

Betty Jo Bogos of 1456 Beaconsfield, entered a plea of guilty to speeding 25 miles an hour in a 25-mile zone and paid a fine of \$25.

Tyre Sutton of 5544 St. Aubin, Detroit, pled guilty to driving a commercial vehicle on Vernor. His fine was \$10.

Michael Smithson of 19396 Elkhardt, Harper Woods, accused of speeding 40 miles an hour in a 30-mile zone, pled guilty and was fined \$25.

Rodney Luzl of 936 Trombley, pled guilty to speeding 45 mph in a 30 zone. His fine was \$25.

Frank McKnight of 3269 Northwestern, Detroit, was found guilty of ignoring a red traffic signal and was fined \$35.

William Rutledge of 9311 Morang, Detroit, pled guilty to speeding 35 mph in a 25-mile zone, and was fined \$25. Charged with speeding 35 mph in a 25-mile zone, Leonard Ulatowski of 28882 Patricia, Warren, pled guilty and was fined \$15.

William Foster of 4543 Bewick, Detroit, paid a fine of \$40, after he entered a guilty plea to a charge of speeding 44 mph in a 30 zone.

John F. Ripton of 3064 Ashland, Detroit, pled guilty to speeding 35 mph in a 30-mile zone and was fined \$20. Lawrence Zola of 23403 Edsel Ford, St. Clair Shores, accused of running a red traffic signal, pled not guilty and was found not guilty and the charge against him was dismissed.

Gregory W. Allor of 53450 Terrain, Mt. Clemens, pled guilty to speeding 35 mph in a 25 zone, and he was assessed a fine of \$20 and court costs of \$5, with the alternative of serving five days in DeHoCo. He paid the fine and costs.

Jimmie Turner of 4821 Iroquois, Detroit, entered a plea of not guilty to speeding 40 mph in a 30 zone. He was found guilty and paid a fine and court costs totaling \$20, rather than spend five days in jail.

Robert Michigan of 5050 Surfwood, Milford, pled guilty to speeding 39 mph in a 25 zone. However, there were certain circumstances brought before the court. He was found guilty of travel-

ing 35 mph and assessed a fine and court costs of \$20. Malcolm Woods, Jr., of 14824 Dexter, Detroit, paid a fine and court cost of \$15. He was found guilty of speeding 35 mph in a 30 zone.

Dominic Cafagna of 5037 Yorkshire, Detroit, pled guilty to speeding 40 miles an hour in a 30-mile zone. Having just had another speeding ticket two weeks prior to this time, he paid a fine

and court costs of \$25. Twenty persons accused of traffic violations failed to come to court in answer to summons, and Judge Speer issued bench warrants for their arrests.

The court disclosed that as of May 24, eight violations have been issued to drivers for driving while under the influence of intoxicating liquor. This is very high for this time of year.

### Vote For Joan Hanpeter

Originally the NEWS was hesitant about endorsing a school board candidate. The field was large and many candidates' qualifications were unknown. However, after the League of Women Voters' Candidates Rally on Monday evening, the NEWS feels compelled to endorse the one candidate who stands head and shoulders above the rest . . . Joan Hanpeter.

Mrs. Hanpeter, a most familiar face at school board meetings, built further confidence in her ability to be a good school board member through the honest, forthright and knowledgeable manner in which she conducted herself during her presentation and the question and answer period that followed.

She is not a politician. She is an educated candidate with an interest in the school system, the energy to activate that interest, the curiosity to learn and the courage to disagree. The NEWS urges its readers to cast their ballot for Joan Hanpeter on Monday, June 12. She can and will do the job!

### What Goes On at Your Library

By Virginia Leonard

Guest Columnist: Robert M. Orr  
 "CLOSED UNTIL FURTHER NOTICE"

As I prepare this report, the future, the very existence, of the Grosse Pointe Public Libraries as effective institutions is in serious question. There is no doubt that the time has come when our public school system can no longer finance public library service.

With one-third of our professional staff previously cut, our remaining nine professional librarians dismissed as of June 30th, and given temporary appointment until September 15; with similar notices to our clerical and plant personnel, this is a sobering period.

The Board of Education will ask the voters September 7 for one mill plus, on a separate ballot for operation of our three public libraries for the coming year. This is with the full approval of the Friends Board and the Public Library staff, who feel any further cuts in staff and service would irreparably damage our libraries.

And it is important to realize that this millage is for one year only. Full state funding and state control of our public schools, long a threat, may take effect July 1, 1973. To date there has been little encouragement for school district libraries such as ours, and 40 others including Flint, Ann Arbor and Kalamazoo, which have been a group Michigan's strongest libraries. So it appears that another election must be held in the spring to provide long-term financing of our public libraries, either under the school system or separately.

I have assured our staff, composed almost entirely of veterans who have served this community long and well, that our Friends intend to do everything possible to win this coming election, (our own millage and school millage). I believe that with the help of our patrons, the active participation of our staff,

and the support of the total community — which has enjoyed a high level of service for 43 years — the Friends election efforts will be successful.

And I assure you that "going for broke" is for real! There can be NO SECOND election in September for tax collection in December. There are no tax funds budgeted to operate our Public Libraries beyond September 7. I am convinced all three libraries WILL close if voters reject the library millage, and that it could be months and years before there is any restoration of service funded by private sources, and that there would be absolutely no chance of restoring the kind of library service offered from 1953 to 1965 when we ranked among the top suburban libraries in the nation.

In closing, I salute Friends President Cleveland Thurber, Jr. and his board of directors whose determination to save our libraries is literally our principal hope for survival; William Dahling and his Campaign Committee; Superintendent of Schools Thos. J. Anderson and the Board of Education who continue to be faced with heartbreaking problems; our 30,000 registered users who prove the claim made by a nationally known library expert that "Grosse Pointe is the most ideal library-use community in America;" the GROSSE POINTE NEWS which has consistently supported our libraries, and the staff whose dedication to public service has not wavered during these troubled times!

Ever wonder how Wall Street in New York got its name?

When the Dutch controlled New York City in the 17th Century, they were expecting an invasion by British forces, and so they actually built a 9-foot high wall around the city in that area.

Later when the wall was taken down, the street where it had been erected was known then—and forever more—as Wall Street.

WOMEN'S PAGES

## From Another Pointe of View

By Janet Mueller

The lady wanted an auto repair manual for 1957 cars. She tried everything: Friends, libraries, Contact 10 . . . No luck.

Then, among the Grosse Pointe Branch of the American Association of University Women's nearly 60,000 second-hand volumes, last year's Pointe AAUW Used Book Sale collection, viola! — The manual surfaced.

The lady was very happy.

This year, the Used Book Sale committee is offering a special service to anyone interested in procuring a special book.

One out of print, for example, or one hard to find, or one by a certain author. A special title. A treatment of a particular subject.

For a \$1 service charge above the marked price of the book, workers will search out special requests while the books are being collected.

General chairman Mrs. Thomas G. Arndt, 882-8587, is accepting orders for the special requests.

Collection for next fall's Used Book Sale is beginning now, with children's books, cookbooks, (Continued on Page 34)

This is hair that's decided to be itself.

It's not curly and trying to be straight. Or vice versa. It is what it is and proud of it. What we do with such hair is find something it wants to do naturally — and then improve upon it. For instance. If it's super-curly, we might cut it long and blunt. If it has one great shock of white, we might make it the focal point. If you have a head of hair that's decided to be itself, see us. We believe in things as nature intended them. Only better.

## Margaret Tompkins Says Vows June 3

William Calder Suttons to Live in Lakeshore Village When They Return from Northern Michigan Vacation

A reception in the garden at the Windmill Pointe drive home of her parents, Mr. and Mrs. Charles Stilwell Tompkins, followed the afternoon wedding of Margaret Shaffer Tompkins and William Calder Sutton Saturday, June 3.

Japanese-style floral arrangements throughout the house were done by Mrs. Earl Weston, of Birmingham, a friend of the bride's mother. Mrs. Weston is a Woman's National Farm and Garden Association judge and a member of Ikebara International.

Soloist at the 2 o'clock Grosse Pointe Memorial

Church ceremony, with The Reverend Eugene Locke presiding, was Mrs. James Berg, of Ann Arbor, a life-long family friend.

Lace and seed pearl appliques accented the front panel and sleeves of the bride's peau de soie gown, and lace edged her illusion veil. She carried white roses on an heirloom carved ivory fan.

## Mrs. William C. Sutton

Wedding vows were spoken by MARGARET SHAFER TOMPKINS, daughter of Mr. and Mrs. Charles Stilwell Tompkins, of Windmill Pointe drive, and Mr. Sutton, son of Mr. and Mrs. Robert James Sutton, of Mount Vernon road, Saturday, June 3, in Grosse Pointe Memorial Church.

Honor maid was Lynn Williams, of Ann Arbor. Bridesmaids were Mrs. Charles Tompkins, III, Mrs. Joseph Tompkins and Barbara Sutton, the bridegroom's sister. Their floor length frocks featured pink bodices overlaid with ivory lace and full ivory skirts ending in wide hem flounces. They wore pink straw picture hats and carried pink Fuji mums.

George Douglas Sutton was his brother's best man. They are the sons of the Robert James Suttons, of Mount Vernon road. Ushers were Christopher Norris, James Evans and Joseph and John Tompkins, the bride's brothers.

Mrs. Tompkins chose a street length costume of pink peau de soie and a gardenia wrist corsage for her daughter's wedding. The bridegroom's mother wore a blue cotton brocade dress and coat ensemble. Her corsage was a white rose.

After a vacation in northern Michigan, the newlyweds will make their home in Lakeshore Village.

Out-of-town guests included the bride's uncles and aunts, Mr. and Mrs. Arthur Tompkins, of Bloomington, Ill., Mr. and Mrs. Lawrence Tompkins, of Lincolnwood, Ill., Mrs. Lester Hall, of Seattle Wash., Dr. and Mrs. Donald Bourg, of Cincinnati, O., and Donald C. Henderson, of Burlington, Vt.

From Howell came the Charles Suttons, great-great-uncle and aunt of the bridegroom.

Donald C. Henderson, Jr., arrived from State College, Pa., the William Meeks and Mrs. Aubrey Meek from Woodstock, Ont., the Peter Meeks, from London, Ont., and the Ralph K. Seeleys from East Lansing.

## Miss Congdon Wed June 3

Candace Ann Congdon, daughter of Mr. and Mrs. Francis Layton Congdon, of Barely road, exchanged marriage vows with Timothy Campbell Wilson, son of Mr. and Mrs. Allan F. Wilson, of Detroit, Saturday, June 3.

Presiding at the 2 o'clock ceremony in a lakeside setting near South Lyons was The Reverend Mark Harris, of Ann Arbor.

The newlyweds plan a summer-long trip through the Canadian Rockies and Western States.

## Detroit Rose Society Plans 41st June Show

The Detroit Rose Society will hold its 41st annual June Rose Show at Oakland Mall Saturday and Sunday, June 10 and 11.

The Show, largest in the State of Michigan, will feature 170 classes of roses, from the newest of hybrid teas to the oldest garden roses grown at the turn of the century.

Every amateur rose grower in the area is invited to participate. Entries will be accepted from 8 to 11 o'clock on Saturday, June 10. They will be judged by American Rose Society accredited judges.

There is no admission or entry fee. Further information may be obtained by calling Fred H. Rogalski, Show chairman, 561-6781.

## Peter Cinelli Weds In Aspen

Mr. and Mrs. C. M. Kahl, of Marfa, Tex., announce the marriage of their daughter, Gail, to Peter Stewart Cinelli, son of Mr. and Mrs. Ferdinando O. F. Cinelli, of Voltaire place, in Aspen, Colo., Saturday, June 3.

Officiating at the noon ceremony was The Reverend Frank Harvey, of the Aspen Community Church.

Mrs. Luther Fry, of Detroit, served as the bride's only attendant, and Royce H. Randlett, Jr., of Winchester, Mass., was best man.

The rites were followed by a small reception at the Pomegranate Inn in Aspen. The newlyweds will make their home in Sand Point, Idaho.

The new Mrs. Cinelli is the granddaughter of Mrs. Frank Jones, of Marfa, and the late

Mr. Jones, and great-granddaughter of Mr. and Mrs. J. W. Espey, of Fort Davis, Tex., and Los Angeles, Calif., pioneer ranchers in Texas. The bridegroom is the grandson of Mrs. Arthur B.

McGraw, of Kenwood road, and the late Dr. McGraw, and of Mrs. Frances Hartz Cinelli, of Birmingham, and the late Italian author Delino Cinelli, of Florence, Italy.

## University-Liggett Poised For Carnival

One Hundred Volunteers Will Be On Duty, in Red-and White Striped Aprons, at Any Time While Fair is in Progress

The 1972 University-Liggett Carnival opens tomorrow, Friday, June 9, at 4 o'clock on the School's Cook road campus, continuing until 10 that evening. Saturday's hours for the rides, food, shopping, games and fun are 10 in the morning to 10 at night.

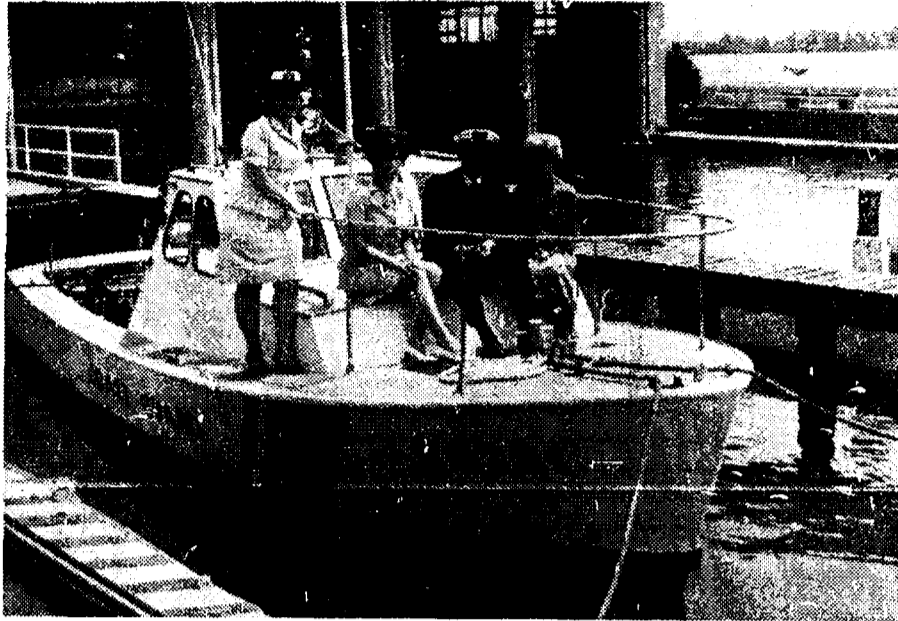

This year's Carnival will be enhanced by the Saturday, June 10, 10 to 10:30 o'clock appearance of Bozo, the TV clown.

Since the School's alumni have been in the Carnival business 22 years now, it might be hard to distinguish University - Liggett's amateurs from professional Carnival personnel—so bright red-and-white striped aprons will help to identify the 100 volunteers per shift who are working to raise scholarship

funds for able students. Alumni, students, parents and friends will don the aprons to flip hamburgers, serve soft drinks and sell ride tickets, books, baked goods, candy, casseroles, pickles and preserves and, for the first time this year, Attie Treasures donated by parents and alumni.

Among those wearing the aprons will be Carnival general chairmen Pat and Bill Osborn, of Bishop road, and their general assistants, Alice

## Ready To Launch Navy League Ball

Making ready to launch the 22nd annual Navy League Ball, sponsored by the Detroit Women's Council of the Navy League of the United States, are, (left to right), MRS. ELLEN McCALLUM, of Bedford road, Captain, Division XII, United States Coast Guard Auxiliary, MRS. WALTER CORNELIUS, program chair-

man, FRED L. PORTER, Commanding Officer, United States Coast Guard Station, Belle Isle, and MRS. EMIL C. GROB, of North Renaud road, chairman of this year's party, honoring the Coast Guard, to be presented Friday evening, June 16, at Lochmoor Club.

## History Coming To 'The Block'

The Detroit Historical Museum will be visiting "The Block" this Sunday, June 11, from 10 in the morning until 5 in the afternoon, for a special day of family fun to welcome summer, sponsored by The Block Association, representing merchants on Mack avenue from Three Mile drive to Haverhill, who have pledged proceeds from all sales made that day to the Museum's Historymobile Project.

The Historymobile transports school children to and from the Museum. This year's "Daisy Walk" sidewalk sales and craft demonstrations will be augmented by special outdoor activities provided by the Museum, including a blacksmith who, among other things, will cast buttons that may be purchased after they cool.

One Museum booth will offer varieties of homemade bread. Another will feature Detroit souvenirs, including genuine D&C headline stock certificates. Many participants will be in costume, and Pointers Dr. R. John Bradford and Harold Emmons are providing antique cars.

## Yachtswomen Meet Tonight

Yachtswomen hold their monthly meeting at the St. Clair Yacht Club at 8 o'clock this evening, Thursday, June 8. The program features an adventure in wine tasting and cheeses.

Hostesses will be Mrs. Kenneth Maxwell, Mrs. Lynn McCorry, Mrs. Paul Lustick and Mrs. Julius Szba.

## Fiesta Mexicana To Light Up NYC

Hostesses Will Wear Special South of the Border Costumes; Mariachis and Folk Dancing Will Highlight Evening

The colors of Mexico will fly at the Detroit Yacht Club this Saturday, June 10, green, white and red bunting for NYC's traditional June Fiesta Mexicana.

Ed Joswick and his entertainment committee have been working for weeks completing plans and decorations for this event, one of the biggest parties on the club's calendar.

The cocktail hour will feature taquitos with Spanish sauce, chorizo and beans, tostitos and guacamole with tequila drinks.

Authentic Mexican entrees will include carnitas de puerco, rice, beans, costillas en verde, tacos, fried chicken and stuffed peppers.

To complete the 1,000 paper flowers needed for decorations, Helen Markey and Jo Short have rotated evenings at the Club, supervising the construction of their committee's work.

The flowers will join burros, sleeping Mexican figures in serapes and sombreros, colored lanterns, flags of the United States and Mexico and pinyatas to create a true south of the border atmosphere.

Special Mexican dresses have been designed by Peggy Hoffman for the evening's hostesses. Judi Law and Delma Alfonso have asked Mary Alexander, Mary Ellen Murphy, Gina Barrett, Harriet Munley, Lou Aiken and Evelyn Eyesline to serve on the hostess committee.

Mariachis and folk dancing should keep the party exciting. Commodore George Menendez, of Westchester road, is looking forward to joining his guests from Mexico, his fellow NYC members and his many friends at the festivities.

## Pamela Poorman Wed In St. Paul's

Reception at Her Parents' Rathbone Place Home Follows Afternoon Ceremony at Which She Becomes Mrs. Robert H. Phillips

Returning to Grand Valley State College, where they are completing their freshman year and where they will be supervisors at the Campus View Apartments, are Mr. and Mrs. Robert H. Phillips, who were married Saturday, June 3.

Saint Paul's-on-the-Lakeshore was setting for the 1 o'clock rites, at which Father James F. Cronk, associate pastor, and The Reverend Fletcher Smith, pastor of Jefferson Avenue Baptist Church, presided.

Mrs. Phillips is the former Pamela Elizabeth Poorman, daughter of Mr. and Mrs. Paul A. Poorman, who entertained at a reception in their Rathbone place home following the ceremony.

The bridegroom is the son of Mr. and Mrs. George M. Phillips, of Lincoln road.

For her wedding, the former Miss Poorman chose a gown of candlelight pea de soie, fashioned with a Chapel train and Alencon lace yoke

and sleeves. Her illusion veil fell from a matching bow, and she carried a basket of spring flowers.

She was attended by her sister, Cynthia Margaret Poorman, in a frock of tired lavender silk organza, designed and made by the bride, and a picture hat, carrying a basket of spring flowers.

Flower girls, dressed in lavender and white gingham, were Jennifer and Elizabeth Carr, the bridegroom's nieces, of Klin Lakes, N.J. They, too, carried baskets of spring flowers.

Joseph Moore came from Grand Valley State College to act as best man. Peter Poorman and Stephen Poorman ushered.

## July Bride

Mr. and Mrs. James R. White, of Brys drive, have announced the engagement of their daughter, BEVERLY CAROLYN, to Irvin O. Norelius, son of Mrs. Alvin Norelius, of Duluth, Minn., and the late Mr. Norelius.

They plan a July 21 wedding at St. Joseph's Church in Rice Lake, Wis., where both are presently employed, and where they will be making their home.

## Vows Spoken By Pointe Pair

Carol Lee Sparshott, daughter of Mr. and Mrs. Theodore A. Sparshott, of Roslyn road, and Thor Olson Peebles, son of Mr. and Mrs. Robert S. Peebles, of Yorkshire road, were married Thursday afternoon, May 25, in Grosse Pointe Methodist Church. Darle Kerst and John S. Peebles attended the couple, and The Reverend Perry A. Thomas presided at the 4 o'clock rites.

Flying in for the wedding were the bride's aunt, Mrs. Carl Kent, of Zephyr Hills, Fla., and the bridegroom's sister, Martha Peebles, of Denver, Colo.

New president of the Lehigh Club of Detroit is JEFFREY WEAVER, of Trombley road, member of the Class of 1954.

## Alpha Xi Deltas to Hold Rose, Thorn Cook-Out

Members of the Grosse Pointe Chapter of Alpha Xi Delta are preparing for their annual "Rose and Thorn Cook-Out," scheduled at the home of Mr. and Mrs. Ronald Launs in Buckingham road Friday, June 16, at 6:30 o'clock.

A cocktail party will precede the steak fry. Those wishing to cool off may dip in the Launses' backyard pool.

Highlight of the evening will be a surprise dunking for some unsuspecting guest. Members of Alpha Xi Delta and their husbands will be greeted Hawaiian style with leis, and will sup beneath the stars surrounded by an array of Hawaiian lanterns and poolside torches.

Alpha Xi Delta's pink roses will adorn table lights, adding to the party's theme.

Mary Leah Hanger, of Radnor circle, and Sue Teetzel, of Vendome road, both seniors at Grosse Pointe South High, will serenade with guitar, and co-hostesses Mrs. John Rasch and Mrs. Alfred Wittwer will assist the Launses in greeting guests.

Among those attending will be Mr. and Mrs. Robert Shannon, Mr. and Mrs. Edward Deeb, Mr. and Mrs. Arthur Leslie, Mr. and Mrs. Rosch, Mr. and Mrs. Wittwer, Mr. and Mrs. Arthur Bersey, Miss Vera Rowerdink, Mrs. Marion Saile, Mr. and Mrs. Ronald Birgbauer, Mr. and Mrs. John Rini, Mr. and Mrs. John Klock and Mr. and Mrs. Stanley Striffler.

In the gardens of the Grosse Pointe War Memorial Saturday, June 3, with Father James F. Cronk presiding, Sheila Doubles, daughter of Mr. and Mrs. Harold G. Doubles, of Madison road, and Paul Huxley were married.

The War Memorial's Crystal Ballroom was setting for the reception following the ceremony.

Lace and pale pink ribbon trimmed the bride's Victorian silk organza gown. A

## M. V. Hendrie To Take Bride

Mr. and Mrs. Julius W. Semetko, of Wyandotte, have announced the engagement of their daughter, Janice, to Michael V. Hendrie, son of Mr. and Mrs. George S. Hendrie, of Hillcrest road.

The bride-elect was graduated from Nazareth College and is currently studying for her Masters degree at Eastern Michigan University and teaching in the Wyandotte School system.

Her fiancé, an alumnus of the College of the Holy Cross and the University of Detroit School of Law, is a land developer, and a partner in Metropolitan Title Company of Troy.

An August wedding is planned.

ured a full, floral-printed skirt. Bridesmaids, in pink, were Karen Bachman, Mary Ann Doubles, the bride's sister, Christine Morris and Rosemary Lock.

Their flowers were daisies and Sweetheart roses.

Michael Huxley served as his brother's best man. They are the sons of Mr. and Mrs. Frank Huxley, of Roseville.

Ushering were David and Kenneth Huxley, two other brothers, Jan Appel and David Howes.

The bride's mother selected a yellow chiffon dress, the bridegroom's mother a gown of mint green silk crepe. Both pinned cymbidium orchids to their purses.

After a wedding trip in northern Michigan, the new Mr. and Mrs. Huxley will make their home in Farmington.

## Mrs. Paul Huxley

Exchanging marriage vows Saturday, June 3, in the gardens of the Grosse Pointe War Memorial were SHEILA DOUBLES, daughter of Mr. and Mrs. Harold G. Doubles, of Madison road, and Mr. Huxley, son of the Frank Huxleys, of Roseville.

## Garden Party to Honor Miss Laura Jane Tocco

A garden party will be given Sunday, June 11, by Mr. and Mrs. A. J. Tocco, of Lathrop road, for their daughter, Laura Jane. The occasion is Laura Jane's graduation from St. Mary Academy of Monroe. She will attend Aquinas College, Grand Rapids, next fall.

On hand to assist in greeting guests at a rose arch entrance to the party tent will be Laura Jane's brother, Mark, and her grandmother, Mrs. Henry E. Koppin.

The senior class colors of pink and dabbnet will be reflected in flowers, tent and lanterns, and strolling musicians will entertain 175 guests.

Laura's sponsors at St. Mary Academy were Mr. and Mrs. T. K. Fisher, of Lothrop road, Dr. and Mrs. Eugene Freitas, of Lochmoor boulevard, and Mrs. Leo F. Moriarty, of Yorkshire road, a member of the St. Mary's first graduating class. Laura Jane was secretary of her graduating class.

## Black-Schoes Rites Are Read

Carolyn Susan Schoes and Joseph Loren Black were married Saturday, June 3, in Ann Arbor, at a 1 o'clock outdoor ceremony in Hudson's Mills Park, with The Reverend Charles Irvin, of the University of Michigan Catholic Student Chapel presiding.

A lace and pearl Camelot headpiece caught her tiered illusion veil.

She was attended by her sisters, Christine Schoes, as maid of honor, and bridesmaids Nancy and Judy Schoes. David Black was his brother's best man.

The newlyweds, both recent University of Michigan honor graduates, plan to live in Ann Arbor.

## Queen Chosen For Derby Ball

The most important thing to an M.D. child—next to attending the Muscular Dystrophy Summer Camp—is the young, dedicated attendant who will act as the child's arms and legs during Camp Week.

Each year the Michigan Derby Ball, sponsored by Hazel Park Raceway, benefits the camp, and each year the Ball committee honors outstanding Camp attendants by choosing a Queen, a court and escorts to reign over the Ball.

The choice is made from among 70 young men and women who have worked at Camp the previous year.

Kim Zell, 18, will reign this year as Queen of the Michigan Derby Ball, to be presented tomorrow, Friday, June 9, at 8 o'clock in the Michigan Palace. Karen McGregor, 15, and Mary Rice, 17, are court princesses.

Kim was chosen for her outstanding dedication to the M.D. campers and the individual love and devotion she has extended each camper assigned to her care. A perfect example of this dedication is evidenced by her attendance at the Ball, held the same night as her high

school graduation exercises. Kim will forgo her own graduation to attend the Ball, lending full support to the M.D. cause.

Karen McGregor will return to Camp this summer as a second year attendant. Mary Rice, also will be an attendant for the second time this year.

Tim Fowler will escort Kim, Fred Stella, II, will escort Mary, and Jim Haupt will escort Karen. Each

young man has served as a Camp attendant for at least two years.

LINDA LUKE, daughter of MRS. HILDA LUKE, of Merriweather road, received a Bachelor of Science degree from Boston University, where she majored in Broadcasting and Film in the School of Public Communication, May 21. Linda plans to stay in Boston, working with a film production unit.

## Ellerman-Ratusnik Vows Are Spoken

University Presbyterian Chapel in West Lafayette, Ind., is Setting for May 27 Ceremony, Written by Bride and Bridegroom

At a "wedding in the round," gathered in a circle around a white-clothed table centered with pink roses, pink daisies and baby's breath ringing a white wedding candle, Deborah Lee Ratusnik and William Eugene Ellerman exchanged marriage vows.

The words of the ceremony were written by the bride and bridegroom, and a guitar combo and a girl soloist provided the music.

The bride, daughter of the Edward Ratusniks, of Roslyn road, designed and fashioned her smock-bodiced white silk organza gown for the rites in University Presbyterian Chapel, West Lafayette, Ind.

A circle of pink Sweetheart roses held her illusion veil, and she carried a single pink rose.

She was attended by honor maid Brenda Brown and bridesmaids Beth Parker and Janet Aydak, her Phi Mu sorority sisters at Purdue University, and by her sister, Deirdre Ratusnik, as junior bridesmaid, in a pink flower-sprigged frock, carrying a basket of pink daisies.

The senior attendants' pink and white gingham gowns were fashioned with pink or-

Setting for the Saturday, June 3, wedding of Martha Ann Conley, daughter of Mr. and Mrs. James Conley, of Prestwick road, and Neil Walter Byrne, son of the John Byrnes, of Severn road, was Our Lady Queen of Peace Church.

The noon rites, at which The Reverend Donald B. MacLennan presided, were followed by a reception at the Golden Lion.

The bride's silk organza gown featured a Venice lace bodice, with a square neckline, and long, full, lace-trimmed sleeves.

Matching lace edged her floor-length illusion mantilla, which fell from a Camelot cap, and she carried a spring bouquet of white roses, carnations, baby's-breath and daisies, with lavender accents.

Carrying arrangements of lavender and white garden flowers were Kay Conley, who served as her sister's honor attendant, and bridesmaids Mrs. Richard Ciaramitaro, Pat Byrne, the bridegroom's sister, and Becky

### Coutilish.

Their floor length frocks were fashioned with vest-like organza bodices embroidered with lavender, white and green flowers, long, full sleeves of white organza and lavender chiffon skirts.

Best man was Richard Ciaramitaro, Marty Moran, Mike McNulty and Alan Ray seated the guests.

A floor length gown of lavender floral-printed nylon chiffon was Mrs. Conley's choice for her daughter's wedding. Her corsage was an orchid.

The bridegroom's mother selected a gown of lemon yellow chiffon, styled with a vest-like bodice and skirt in a lemon yellow print, and an orchid corsage.

The newlyweds will be making their home in Detroit.

## Miss Forte Married To James A. Neill

Wears Mother's Antique Ivory Satin Gown at Saturday Morning Rites in Our Lady Star of the Sea Church

Carrying a replica of her mother's bridal bouquet, white roses, stephantis and other white flowers surrounding a coral orchid, Jo Ann Susan Forte became James A. Neill's bride Saturday, June 3.

She wore her mother's gown of antique ivory satin, fashioned with a fitted bodice, sheer yoke and Cathedral length attached train. Her Cathedral length illusion veil fell from a band of satin and lace.

She was attended by her sisters, Mrs. Ronald Pinnick, as matron of honor, and Nancy Forte, as maid

of honor. They are the daughters of Mr. and Mrs. Gesue Forte, of Doyle place west.

Bridesmaids were Sandra Hosanna, Maria Leone, Catherine Hamlin and Carole Neill, the bridegroom's sister.

Multi-colored embroidery accented the waists and cuffs of their peach chiffon

frocks, and the flowers in their hair matched the coral and blue blossoms in their arm baskets.

The bridegroom, son of Mr. and Mrs. C. J. Neill, of Mount Clemens, asked Thomas Kern to act as best man. The bride's brother, Paul Forte, the bridegroom's cousin, Thomas Langley, John Fleischer, Robert Bielecki and Bruce Mathews ushered.

Presiding at the 10:30 o'clock rites in Our Lady Star of the Sea Church was The Reverend Thomas Osborne. A reception at Royalty House followed the ceremony.

A floor length gown of blue chiffon was Mrs. Forte's choice for her daughter's wedding. Mrs. Neill wore green chiffon. Both mothers selected corsages of baby orchids.

The newlyweds will return from two weeks' vacation in Nassau and Florida to make their home in Harper Woods.

## Mrs. James A. Neill

Scene of the wedding of JO ANN SUSAN FORTE and Mr. Neill, son of the C. J. Neills, of Mount Clemens, Saturday morning, June 3, was Our Lady Star of the Sea Church. The bride is the daughter of Mr. and Mrs. Gesue Forte, of Doyle place west.

## Miss Flaska Bride Of Cass Shumann

Double Ring Ceremony Is Followed by Reception at Gourmet House; Bridegroom's Nieces Are Flower Girls

A home in St. Clair Shores awaits Mr. and Mrs. Cass A. Shumann, vacationing in Nassau following their Saturday, June 3, wedding in Grosse Pointe Woods Presbyterian Church.

Mrs. Shumann is the former Gail Darlene Flaska, daughter of Mr. and Mrs. William Flaska, of Manchester boulevard. Mr. Shumann is the son of the Fredrick Shumanns, of Newcastle rd.

A reception at the Gourmet House followed the 6:30 o'clock double ring rites, at which Dr. John Olet, Jr., presided, for which the bride chose a high-necked, long-sleeved gown of ivory silk organza trimmed with Alencon lace.

Pink satin ribbon, ending in a back bow and streamers, circled her waist. Her illusion veil fell from a pearl-studded lace and ribbon Juliet cap.

In orchid voile frocks, carrying rosebud and baby's-breath nosegays, were Kathy Lynn Ferguson, who served as her cousin's honor maid, and bridesmaids Janet Angel, Darlene Hogue and Lin-

da Weichner. Flower girls were the bridegroom's nieces, Lisa Battani and Cheryl and Kimberley Craig, of Lansing.

Best man was Frank Cuzenza, a friend of the bridegroom from Northern Michigan University. Kenneth Flaska, the bride's brother, Dave Maynard and John Climas seated the guests.

The bride's mother wore a

long dress of pink matelasse, featuring a beaded Empire bodice, with a wrist corsage of pink rosebuds and baby's-breath.

The bridegroom's mother chose an Empire-waisted dress of yellow chiffon, styled with butterfly sleeves. Her wrist corsage was fashioned of yellow rosebuds and baby's-breath.

Josiah Harmar DAR Ends Year June 10

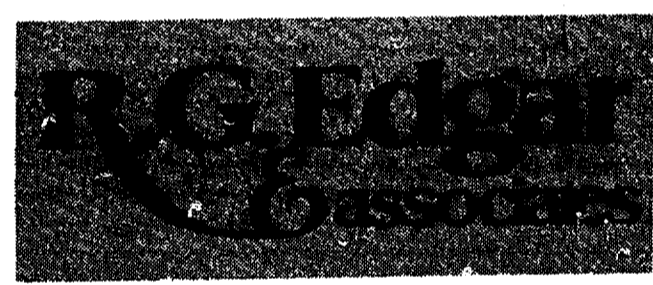

The Grosse Pointe General Josiah Harmar Chapter, Daughters of the American Revolution will hold its final meeting of the year Saturday, June 10, featuring a trip to Marine City and luncheon at a local restaurant at 12:30 o'clock.

Afterwards, the Chapter gathers at the home of Mrs. Harold Doyle for a business session and Flag Day program. Further information may be obtained by calling 533-5207.

## Call Goes Out For Volunteers

League For The Handicapped-Goodwill Industries has many challenging opportunities for volunteers at its headquarters in Ash street near Grand River, and also at its branches. Needed are not only those who have specific skills, contacts and talents, but also those who feel they have only under-

standing hearts and a willingness to share themselves. League-Goodwill clients who are blind or have recently been institutionalized require help in adapting to community life. Some must acquire confidence in using public transportation, going marketing and going downtown, assistance in going

through a cafeteria line, or some tutoring for their classes in elementary adult education.

Some need help with beginners guitar or piano lessons. Some wish to learn to sew, cook or to improve their appearance.

Volunteers might enjoy telling stories to children and assisting regularly in the Day Care Center. Many of these children have had few opportunities to relate to male figures, and need to experience wholesome relationships with a "big brother," "father" or "grandfather."

Typing, math ability and telephone answering ability are usable volunteer skills. Receptionists are needed, as are someone to sort books... someone with strength to move hospital equipment in the loan closet... someone with mechanical skill to make simple repairs on hospital beds and wheelchairs.

Contract or sub-contract work for industry is a vital source of employment and job experience for those with disabilities. Men with previous experience in purchasing, sales or industry may have contacts which would be an asset in procuring contract work or jobs for newly-skilled handicapped persons. Persons interested in volunteering should phone 864-3900 and ask for Mrs. Price. There may be tasks such as sales, caring for flowers in the roof garden, or supervising recreation or crafts activities that would prove challenging to prospective volunteers.

Friends of MRS. MARY CORNEILLIE, including MRS. JOSEPH BEAUFIT, MR. and MRS. VINCENT LEACH, MR. and MRS. OSCAR KELLER, MRS. JOSEPH FRESARD and MRS. GERTRUDE CAROLINE, surprised her on her 88th birthday April 27, at St. Joseph Home for the Aged in Cadieux road, with a large cake and gifts.

Among those gathered at the Bloomfield Open Hunt Club recently for a Michigan Derby Ball Invitations Committee addressing session was MRS. WILLIAM H. BUNDESEN, of Lincoln road. The Ball, benefitting the Muscular Dystrophy Children's Camp, is scheduled for June 9.

## To Wed in September

Mr. and Mrs. H. Hugh Mullinger, of Severn road, are announcing the engagement of their daughter, JANET PATRICIA, to MICHAEL JOHN KILLEEN, son of Mr. and Mrs. James R. Killeen, of Moran road. Janet, a graduate of Grosse Pointe High School, is a senior in the College of Lyman Briggs, Michigan State University. Michael, graduated from Gonzaga University, is presently stationed at Fort Leavenworth, Kans., as a second lieutenant in the United States Army. A September wedding is planned.

## Camp Program For Girl Scouts

The 1972 resident camping program of Girl Scouts of Metropolitan Detroit has been expanded, with scouts registering for two-week sessions at Camp Metamora and Camp Innisfree able to choose from a variety of special beginning and advanced programs.

These include setting up outpost camping sites, ecology projects, watersports, backpacking trips, outdoor cooking and preparation for advanced camping trips, as well as canoe and hiking trips in northern Michigan and Canada.

In operation since 1937, Camp Metamora, near LaPeer, is used by troops on weekends during the school year. It offers the resident camping program in the summer months.

Camp Innisfree, a recently-acquired 1,000-acre site near Howell, is under development for a variety of year-round camping programs. As facilities become available, it is used for troop camping on weekends during school months and in the summer.

The 1972 season offers both troop and resident camping, the latter for the first time.

A third site, Camp Holly, near Holly, is available for troop camping throughout the year.

Resident camping sessions are scheduled at Camp Metamora June 25 to July 8, July 9 to July 22, July 23 to August 5 and August 6 to August 19.

The two-week resident camping sessions at Innisfree run from June 25 to July 8, July 9 to July 22 and July 23 to August 5.

Both Camp Innisfree and Camp Metamora have openings for some sessions. Both are open to scouts of the Metropolitan Detroit Council from 9 to 17 years of age.

Non-scouts and scouts from other Councils are accepted where there are vacancies.

Information about Camp Innisfree and Camp Metamora may be obtained by calling the Camping Department of the Girl Scout Office, 961-8921.

A day camping program, operating at Proud Lake Recreation Area, Rochester Recreation Area and Lower Huron Metropolitan Park, opens June 20. Scouts are bussed to the sites for two-week daily sessions through July 20.

Information about this program may also be obtained by calling 961-8921.

## St. Clare To Host Moonlight Cruise

Reunion of All Parish Grade School Classes to Highlight This Year's Excursion; Father Joseph Dustin Will Play His Banjo

Members of St. Clare de Montefalco Parish are extending an invitation to all neighbors to "leave the rest of the world behind" and join them as they cruise the Detroit River and Lake St. Clair next Thursday evening, June 15.

This Fifth Annual Moonlight Cruise, sponsored by the St. Clare Athletic Commission, aboard the Bob-Lo boat, departs the foot of Woodward avenue at 8:30 o'clock returning at 11:30.

The Cruise has developed into a fine Parish tradition. In addition to dancing under the stars to the music of the ship's orchestra, the evening offers entertainment by banjo-playing priest Father Joseph Dustin, and by Dr. Richard Ferrara.

This year, in an extension of the usual format, the Athletic Commission is offering facilities of the boat to

all alumni of St. Clare Grade School, from its inception in 1927, to hold a massive class reunion on board.

Assisting in the coordination of this herculean effort are Reunion chairmen John Potvin, 885-7555, and Francis Feola, 822-5997. They may be contacted for further information.

Tickets at \$3 per person are available from Dr. Tim Sullivan, 882-7880, and Joseph Pellerito, 822-4875. General chairman is James Sylvain, 882-4044, assisted by Joseph Cueter, 886-4917, as general co-chairman.

Thomas Verbiest is president of the St. Clare Athletic Commission.

NANCY LOUISE NOBEL and Mr. Allen exchanged marriage vows in Concordia Lutheran Chapel, Ann Arbor, Saturday, June 3. The Harold C. Nobels, of Colonial court, are the bride's parents. The bridegroom is the son of Mrs. Howard Huntington Allen, of Geneva, N.Y., and the late Dr. Allen.

## Ann Arbor Service For Nancy Nobel

Alencon Lace Accents Empire-Waisted Gown in Which She Speaks Marriage Vows to William S. Allen

Ann Arbor's Concordia Lutheran Chapel was setting for the Saturday, June 3, wedding of Nancy Louise Nobel, daughter of Mr. and Mrs. Harold C. Nobel, of Colonial court, and William S. Allen.

He is the son of Mrs. Howard Huntington Allen, of Geneva, N.Y., and the late Dr. Allen.

For the rites at which The Reverend Gilbert Meseke presided, the bride chose an ivory silk organza gown, fashioned with an Empire waist and Alencon lace Edwardian neckline.

Matching lace bordered her hem, and her elbow length illusion veil fell from a lace-edged headpiece. She carried white lilacs and roses.

In Empire-waisted flowered white voile frocks were Barbara Nobel, who served as her sister's maid of honor, and bridesmaids Mrs. David

Klegon, of Chicago, and Linda Balas. They carried nosegays of multi-colored spring flowers.

Best man was Victor Bowles. Ushers were John Allen, the bridegroom's brother, and James Bader.

Mrs. Nobel chose a lemon yellow ruffled crepe gown for her daughter's wedding. The bridegroom's mother selected a pink crepe dress and suede coat ensemble. Both chose gardenia corsages.

After a reception at the Lord Fox, the newlyweds left to vacation in Maine. They are returning to make their home in Ann Arbor.

Mrs. David Norton

Wedding vows were spoken Saturday evening, May 27, in Our Saviour Lutheran Church by ELLEN REGINA WAHL, of Hillcrest road, daughter of the George F. Wahls, of Audubon road, and Mr. Norton, son of the Chester Nortons, of Lexington road.

## Norton-Wahl Rites Celebrated May 27

Bride Is Attended by Her Sister, Carolyn, as Honor Maid; Another Sister, Elizabeth, Is Junior Bridesmaid

A silk faille gown with a silk-satin train, trimmed with Alencon lace re-embroidered with pearls and beads, was Ellen Regina Wahl's choice for her wedding Saturday evening, May 27, to David Norton.

The bride, daughter of Mr. and Mrs. George F. Wahl, of Audubon road, wore a long illusion veil, falling from a Juliet cap trimmed with silk stephanotis blossoms, and carried white roses and ivy.

She was attended at the 7 o'clock rites in Our Saviour Lutheran Church by her sister, Carolyn Wahl, as maid of honor, and bridesmaid Marylou Carr Woodbury, in pearl-trimmed pink silk worsted frocks.

Junior bridesmaid Elizabeth Wahl, another sister of the bride, and flower girl Judy Kay Boldt, of Harbor Beach, wore matching pink silk worsted dresses. Their Empire waists were defined by floral ribbon.

Their Colonial bouquets featured pink carnations and purple and pink mums.

The bridegroom, son of Mr. and Mrs. Chester Norton, of Lexington road, asked John Morse to act as best man, and Craig Tuer and Phillip Wahl to usher.

Junior usher was Gary Schneider, of Edison, N. J. Ring bearer was James Dimick, of Port Huron.

For the rites at which The Reverend William Britton presided, and the reception following at the Golden Lion, Mrs. Wahl chose an Oriental silk muted blue and white print costume, and a cream orchid corsage.

The bridegroom's mother wore pink chiffon. Her corsage, too, was a cream orchid.

The newlyweds vacationed in Williamsburg, Va., and will reside in The Pointe.

Out-of-town guests included the Henry Schneiders, of Edison, N. J., the William Wahls and Richard Wahl, of Rochester, N. Y., the Eugene Kruses, Douglas Marquardt, Frederick Marquardt and Mrs. James Mayhew, of Webster, N. Y., and David Wahl, of Kansas City.

DR. JAMES J. HORVATH, of Berkshire road, was installed as president of the Wayne State University School of Medicine Alumni Association for 1972-73 at the annual Alumni Reunion Dinner, held Wednesday, May 10. Dr. Horvath, an adjunct associate professor of Orthopaedic Surgery at the WSU School of Medicine, was elected president of the Rehabilitation Institute Medical Staff in April.

## Delle Caldwell Married May 27

Delle Jean Caldwell and James Archer Kopcke, who were graduated May 6 from the University of Michigan, exchanged marriage vows Saturday, May 27, in Grosse Pointe Memorial Church.

She is the daughter of Mr. and Mrs. T.E. "Gene" Caldwell, of Williams avenue. He is the son of Mr. and Mrs. William R. Kopcke, of North East, Pa.

A reception at Alger House of the Grosse Pointe War Memorial followed the 7 o'clock rites, at which The Reverend Eugene Locke presided.

The bride's candlelight silk organza gown featured a high-rise waistline and mandarin collar of peau d'ange

lace. Matching lace threaded with ivory satin ribbon accented her A-line skirt, and her train was Chapel length.

A Camelot cap veiled her triple-tiered illusion veil. She carried white daisies, with yellow Sweetheart roses and baby's-breath.

She was attended at the evening ceremony by her sister, Mary Caldwell, as maid of honor, and bridesmaid Carolyn Schnoes, her friend from Grosse Pointe High School and roommate at the University of Michigan.

With the help of the bride, they fashioned their yellow cotton and polyester frocks, complimented by bouquets of daisies, yellow Sweetheart roses and baby's-breath.

Best man was John Ore, of Edinboro, Pa. In the usher corps were the bridegroom's brother, Richard Kopcke, of Cambridge, Mass., Barry Rider, of North East, Pa., and Michael Kidney, of Ann Arbor.

Mrs. Caldwell chose a long gown, styled with a green and white silk organza skirt and green chiffon brocade, for her daughter's wedding. She pinned white Sweetheart roses to her purse.

The bridegroom's mother selected a gown of multi-colored print chiffon, pink predominating, and a pink cymbidium orchid purse corsage.

The newlyweds will make their home in Edinboro, Pa.

Coming Attractions... fall and winter fashions! Important looks are the sweater and dress costume for day and evening, the chemise, dolman sleeves for dress and coats and ball gowns.

Head To Toe Look... The look for fall '72 is really great. While in New York previewing fall fashion collections, we noted the models' hair styles were simple and their hair was gloriously shining and beautifully highlighted.

The Best of Two Worlds... an apartment-home in Grosse Pointe's newest condominium, the Jefferson Apartments, 17111 East Jefferson.

Why... are Scotsman ice cubes so clear, solid, pure? Because they are made a special way. In the Scotsman ice cube maker the operation is completely automatic.

Bare Your Back... for fashion's sake! Choose a matte jersey halter top long skirted dress in a bright gay color. This style also comes in colorful cotton.

In Martha's Closet... 373 Fisher Road, you'll find dramatic hand-made sterling silver jewelry (as seen at Georg Jensen, New York).

Those Folks at Mr. Q... say keep in mind the one "weekers" to Europe coming up next November through April.

Yves Saint Laurent... fragrance coordinates are now at the Notre Dame Pharmacy.

On His Day... give dad a gift he will treasure. The Sphere, 1947 Mack Avenue has a complete line of Selective Industries products.

Love the sun... and get all you want without any worry of rough, drying skin. The secret is to moisturize your skin often.

Luncheon Date Day... is Wednesday. The place... The Golden Lion to see a sunny collection of fashions from Martha's Closet.

Fathers Will Love... the easy carry, blue canvas, six pack cooler. It zips around, has a shoulder strap and a container (you freeze it in your refrigerator).

It's Posh... Michael says, "For the lady who is looking for a softer and more flattering coiffure,

paperbacks and reasonably current encyclopedias among the most desired donations.

Novels and biographies, how-to manuals, games, records, sheet music, hobby magazines, (on antiques, say... or needlework... or model cars...), textbooks and almanacs will be most gratefully accepted, too.

If it's in print, the Used Book Sale committee wants it. They'll even pick it up. Arrangements for this service may be made by contacting Mrs. Doran Peslar, collection chairman, 886-0129, or Mrs. Gordon Cameron, Jr., 889-0632.

All donated items, less the Search Service funds, will be resold at the 10th Annual Pointe AAUW Used Book Sale.

It's a five-day autumn event, scheduled for next October 9 through 13.

It has a new location this year: Fellowship Hall of the Grosse Pointe Woods Presbyterian Church in Mack avenue.

All proceeds go, as always, toward AAUW fellowships for college students.

Among those already hard at work on this year's Sale, collecting, sorting and marking, are the Mesdames Richard J. Beaudry, John R. Cobau, S. Robert DeMaggio, John M. Moran, Richard E. Rabideau, John Schonenberg, Jr., and R. L. Shepherd. More who've promised to help are Mrs. John D. Bayne, Jr., Mrs. John N. Fox, Jr., Mrs. Richard L. Landgraff and Mrs. David C. Rieven.

Skipper Host At Christening

Dynamite, the brand new 39-foot sloop with which E. Llywd Ecclestone, Jr. will challenge for the Canada's Cup in September, was christened on Thursday, June 1, at Bayview Yacht Club.

The owner and skipper's wife, Sally, crashed the traditional bottle successfully on the first attempt, against the beautiful boat's nose, with the moral and physical support of Detroit Mayor Roman Gribbs as the pair perched precariously on the narrow catwalk supported between two ladders.

The Rt. Rev. Archie H. Crowley, Suffragan Bishop of Michigan, blessed the sloop and her crew prior to the christening.

The Ecclestones were hosts at a large luncheon in the clubhouse immediately following the ceremony. Members of the crew, their backups and owners and skippers of the four other Detroit and Pointe boats which will also challenge for the Canada's Cup, were among the honored guests, as was Llywd Ecclestone, Sr., who came from his Lost Tree Club home in Florida for the event.

The younger Ecclestones and their children will be in The Pointe all summer at the Jefferson Apartments, which he also owns.

MR. and MRS. LOYAL HAIGHT, of Littlestone road. Paternal grandparents are the JOHN A. HENDRIES, of Deming lane.

Initiated May 14 into Mortar Board, national honor society for senior women, at Purdue University was DEBORAH L. RATUSNIK, of Roslyn road, completing her junior year as a Creative Arts major, who has served on the Junior Board of the Panhellenic Council and on the Grand Prix steering committee, and is a member of Gold Peppers and Skull and Crescent activities' honoraries.

Among the 100 Michigan enlisted reservists and national guardsmen who have been named winners of the eighth annual Military Achievement Awards, sponsored this year by Parke, Davis and Company, was L. HOWARD ROCHTE, JR. (300th Military Police Prisoner of War Command, Livonia) son of MR. and MRS. LEONARD H. ROCHTE of Roslyn road.

WILLIAM J. VLASIC, son of MR. and MRS. ROBERT VLASIC, of South Deeplands road, will receive his diploma during Culver Military Academy's Iron Gate Ceremony June 5. A member of Culver's famed Black Horse Troop and, Blue Key, the junior class scholastic honorary, he has been awarded Gold and Silver A's for academic achievement. He has served on the First Class Board of Governors and participated in intramural football, basketball and volleyball.

MARY ANN KELLETT, daughter of MR. and MRS. CHARLES P. KELLETT, JR., of Devonshire road, has received her Bachelor of Arts degree from Dumbarton College of the Holy Cross, Washington, D.C. Mary Ann attended Grosse Pointe Academy of the Sacred Heart and was graduated from Grosse Pointe South High School in 1968. Her brother, PHILIP JEROME KELLETT, is also a '72 diploma recipient, a College Prep Honors graduate from University of Detroit High. He plans to major in Political Science at the University of Michigan.
