ECOLOGY PROJECTS PLANNED

A Fertile Field For Improvement

Imagine what some trees and other landscaping will do to hide this eyesore. It's the old Marter road pumping station built in the 1920's and is included in the five-project environmental improvement program being jointly sponsored by EAN and the National Bank of Detroit.

Thursday, June 15
DETROIT and 52 suburban school systems were ordered to begin the most massive school busing program in the nation. The order was issued by U.S. District Judge Stephen J. Roth, who gave a nine-member panel of educators and planners 45 days to submit a detailed plan, at least for elementary school students when school opens this September. His order would require total metropolitan integration by September 1973.

Friday, June 16
AN EX-GI, now a law student at the University of Michigan, charged that as a sergeant in Vietnam in 1970, he planned offensive bombing action against North Vietnam. Michael A. Lewis, 25, said he served with the 12th Reconnaissance Intelligence Squadron (RITS) in Saigon, with the 7th Air Force from June 1969 through June 1970. He also said that he helped analyze photographs and map coordinates for two such attacks in March and April of 1970. The alleged attacks took place during a period when the United States publicly stated that it was not bombing North Vietnam except for "protective reaction" strikes. Lewis said he outlined his charges in a letter to a U.S. senator, but declined to name him.

Saturday, June 17
THE PROPOSED new sports stadiums in Detroit and in Pontiac received severe setbacks, and plans for their construction appeared doomed, by a decision of the Michigan Supreme Court. The tribunal upheld a lower court ruling barring the sale of bonds to finance Detroit's \$126 million riverfront stadium. The unanimous decision blocks present plans to build a domed stadium next to Cobo Hall in Detroit. The decision also indirectly postpones construction of a \$41 million football stadium in Pontiac. The Supreme Court upheld a ruling held on June 1 by Wayne County Circuit Judge Blair Moody, Jr., who said that the stadium financing in Detroit was unconstitutional because it provided public funds for a place to be used for the benefit of private business, the Tigers. The Pontiac Stadium was to be built for the use of the Detroit Lions.

Sunday, June 18
THE U. S. COMMAND, in a surprise move, virtually ended American Army ground troop activities in South Vietnam yesterday, but warplanes demonstrated America's still powerful presence by hitting North Vietnam supply routes and supply depots in record numbers. In a move that caught many American military men unawares, the U. S. Command announced the deactivation of the 3rd Brigade, First Cavalry Division, the last Army ground brigade in the War Zone. The division was the guardian of the vital Saigon area. The announced decision came a day after the deactivation of the 196th Infantry Brigade, which has protected the big American air base at Dangang, 370 miles north of Saigon.

Monday, June 19
AIRLINE PILOTS of the International Air Line Pilots Associations began a worldwide 24-hour strike today to dramatize demands for tighter security controls against airborne hijackers. There has been no indication of how many of the world's 50,000 pilots were taking part in the work stoppage, but before the strike began, three U. S. airlines and 18 foreign carriers announced they had suspended flights for 24 hours.

Farms OK's Booklet for New Citizens

Councilwoman Nancy Waugaman Assumes Task of Producing Informational Pamphlet

By Kathy Duff
In response to a resident's request for an informational pamphlet on The Farms, Councilwoman Nancy Waugaman presented an outline for the project at the regular meeting of The Farms Council, Monday night, June 19.
The pamphlet is directed to new residents of The Farms, however, Mrs. Waugaman suggested that it be prepared and distributed as a special edition of The Farms' periodic newsletter to residents. The publication could be used subsequently for distribution to persons coming into the community.
Residents' Request
The action was prompted by a resident of Merriweather road, Mrs. Eric Seeley, appearing before The Farms Council on Monday night, May 8, to protest the Animal Restriction Ordinance. Her main complaint wasn't that her family had to give up one of the dogs, rather that there was no way they could have known about the animal regulation.
"It's a city's responsibility to make new residents aware of those laws which directly affect them," Mrs. Seeley stated as she pressed for a short informational pamphlet.

South High Project Report Presented to School Board By Alfred R. Glancy, Jr.

Chairman of Building Committee Reports Total Project of Additions and Alterations to School Generally on Schedule

By Pepper Whitelaw
Alfred R. Glancy, Jr., chairman of the South High Building Committee, presented a comprehensive project summary on the additions and alterations to South High School as of May 3 at the regular meeting of the Board of Education on Tuesday, June 13.
Work began on the project in November of 1971 and is considered ahead of schedule due in part to the favorable winter weather and to the pace set by the contractor.
In January work at the west addition, (music wing), began to fall behind schedule and is presently about three to four weeks behind. Work on this wing according to Ben Zenn, director of administrative services, must be completed by Jan. 1, 1973.
To date work completed or underway on the west addition includes completion of a new manhole, foot excavation, rerouting of underground mechanical work, forming and pouring of footings, backfill of footing, masonry foundations, grade beams, and underground mechanical work.
The exterior masonry walls and insulation are 90 percent complete. This was scheduled for completion no later than May 1, 1972.
The vertical piping rough-ins are progressing with masonry work and interior masonry walls 25 percent complete. These were scheduled for completion no later than May 15, 1972.
Erection of structural steel is 20 percent complete; this too is behind schedule by a few weeks.
The east addition is slated for completion by July 23, 1973. The progress of the larger east addition around the library remains well ahead of schedule, according to Mr. Glancy.
Work completed or underway thus far on this east addition includes completion of excavated footing, with exception of the retaining wall, completion of form and pour footings and piers, and completion of the north half of the foundation walls. The south half of the foundation walls is complete. This is about a week ahead of schedule, as is the mechanical work underground and the erection of structural steel.
Cles Two Categories
Mr. Glancy's report indicated that work scheduled to take place over the summer months falls into two categories. The first is that work required to maintain progress on the additions already underway. The second is that work required in the existing building which could not begin until school was out and which must be done before students return to school in the fall.
Slated for completion by September are the underground electrical work, the metal deck and concrete slabs, built-up roofing and flashing.
Other west wing construction.

School System Receives Gift

Superintendent Theos I. Anderson announced at the regular meeting of the Board of Education on Tuesday, June 13, that George Johnson, Jr., of Johnston Optical Company, has donated a Burroughs accounting machine to the school system. The machine, worth several thousand dollars, is only five months old.
The trustees passed a resolution thanking Mr. Johnson for his donation. Dr. Anderson said the machine will fill a very definite need in the school system's accounting department.

Farms Study Of Land Use Wins Praise

Muir Road Residents And Dodge Estate Executors Question Council

By Kathy Duff
The Farms land use plan was submitted to the citizenry for discussion and suggestions at the regular meeting of The Farms Council, Monday night, June 19.
Only two parties expressed concern over provisions in the recently completed land use study, commissioned over a year and a half ago from the firm of Parkins, Rogers and Associates, Planning and Urban Renewal Consultants. The cost of the study, termed one of the most significant undertakings of the Farms Council by Mayor William Butler, is \$5,000.
25-Year Projection
The plan analyzes the present land use in The Farms and projects optimum usage of property for the next 25 years. Closely working with the professional firm throughout the study was the Mayor's Advisory Planning Committee and the Farms councilmen.

Arrest Suspect In Rape Case

Detective Sergeant Frank Mustazza of the Shores Department of Public Safety arrested a suspect Friday, June 16, in the case of a 14-year-old Shores girl who was allegedly raped May 26.
Douglas Love, 26, of St. Clair Shores was arrested in that city, and charged with carnal knowledge of a female juvenile which reportedly means statutory rape, according to police.
He was arraigned Saturday, June 17, before Woods Municipal Judge Don C. Goodrow and is currently out on \$5,000 bond. Love's examination before Judge Goodrow is scheduled for Wednesday, June 21, said police.
"Sergeant Mustazza did a fabulous job, working only on a good description provided by the victim," said Chief Joseph Vitale.
Police also reported that Love is awaiting trial in Roseville on charges of kidnapping and indecent liberties and is out on \$2,000 bond in that city.
The girl was reportedly assaulted at the foot of Clairview and Lake Shore road, near the sea wall.

To Ask Voters To Approve 1.12 Library Millage

Board of Education Unanimously Endorses Recommendation of School Superintendent Theos I. Anderson

By Pepper Whitelaw
Pointe voters will be asked to approve 1.12 mills for the support of the district's three public libraries in its September 7 millage election. The trustees of the Board of Education unanimously approved the recommendation made by Superintendent Theos I. Anderson at their meeting on Tuesday, June 13.
At prior meetings members of the Board of Education, The Friends of the Library and the library staff decided to take a "sink or swim" position in determining whether the libraries will be open in the fall. All indicated that they would rather try for separate millage than be included in the school millage also slated for that date.
Budget Is \$512,000
The 1.12 mills recommendation was based on these computations:
A library budget of \$512,000, is based on the extension of the current library budget plus salary increases and earned increments. This figure represents the increase over \$485,132, (the 1971-72 budget after cuts).
Revenue from property taxes is estimated at \$504,721, state library aid \$3,479 and Wayne County Penal fines \$3,800, for a total of \$512,000.
Property taxes were computed on a State Estimated Valuation (SEV) of \$467,290,490 at 97.0 percent tax collection: Total revenue required \$512,000, less other revenue of \$7,279, making the net taxes required \$504,721.
Tax levy and millage: \$504,721 with 97 percent collection, equals \$520,331; \$520,331 minus \$467,290,490 equals 1.1135 mills.
Cites Other Costs
In making the recommendation Dr. Anderson said that they were aware that there are other costs for the operation of the library built into Fixed Charges, such as hospitalization, long term disability and life insurance, (estimated at approximately \$23,000), administrative personnel and payroll costs, (estimated at approximately \$14,500). Dr. Anderson said that they were not recommending that these amounts be segregated and included as a part of the library millage. He said, "as long as the library continues to be a part of the school system we think these costs should be absorbed in our regular budget as they have been in the past."
If the \$37,500 were included, the additional millage required would be .0836 mills or a combined total of 1.20 mills.
Dr. Anderson added that if the library millage is not approved by the electorate September 7, the amount needed to operate the library from July 1 to approximately September 15 (estimated at \$100,000) must be secured from other current revenue.

Woods OK's Park Permit Amendment

Non-Resident Taxpayers Can Get Pastes If Difference Is Paid Between Taxes and \$25

By Roger A. Waha
Non-resident taxpayers who have not paid a minimum of \$25 in Woods city taxes for the preceding year will be entitled to a Lake Front Park permit if they pay the difference between their city taxes up to \$25.
The Woods council at the regular meeting Monday, June 19, passed an amendment to this effect, (as an emergency measure), to Section 2 (c) of Ordinance 329 by a 4-3 vote. Now non-resident property owners can apply for a park permit at city offices when they bring along last year's tax bill.
Ordinance 329 regulates the use of the city's Lake Front Park, bathing facilities, parking and recreational grounds, and establishes rules and standards for the issuance of entry permits to the facility.
Group Displeased
Around 30 residents attended the June 5 meeting and indicated their displeasure with the ordinance. About the same number of residents were present at the June 19 meeting to await final council action.
Some of the residents, for instance, pay city taxes of 33 cents, \$8.03 and \$18.72 and now will have to pay the difference up to \$25 to obtain park permits. This they probably will do, and gladly.
Voting against the amendment were Councilmen Kenneth W. Boerner, Rodger A. Graef and Conrad A. Naegel. Mr. Boerner said he voted "no" because he felt the amendment was unfair to other resident taxpayers who pay their "just share" of city taxes and "carry the load" in comparison with those paying under \$25 in taxes. He stressed, for example, that costs for pool and other maintenance at the park could ultimately reach a million dollars in the future.
Councilman Benjamin W. Pinkos, who voted for the amendment, added that the

Opening New Facilities At Bon Secours Hospital

Bon Secours Hospital has opened a new emergency entrance on Cadieux at the corner of Maumee. Under construction since January, the entrance provides a more direct access to the hospital's emergency services which could save valuable minutes for emergency patients. The entrance was formerly located at the back of the hospital, accessible through a parking lot.
Bon Secours' new parking structure is also open, but at half capacity. Employees, physicians and visitors are parking on the ground level while construction continues on the underground portion. The lower level will be completed in a few weeks. Jefferson avenue provides the only access to the parking structure.
The new emergency entrance and parking structure were part of the preliminary phase of Bon Secours Hospital's \$18 million four-year expansion program. The first construction was intended to free the former parking area and emergency entrance for excavation. The second phase will begin with excavation of the former parking area later this month for subsequent addition of hospital wings.
An attractive brick fence conceals the parking structure from the bordering residential backyards. In many cases, the fence jogs into the hospital property a few feet

EAN, NBD Sponsoring Programs

Major Environmental Improvements Scheduled For Each Pointe Starting in July

By Pepper Whitelaw
What more appropriate setting for the kick-off of the most exciting environmental happening in The Pointe area than the War Memorial! The formal gardens in bloom... fishing boats lazily bobbing on Lake St. Clair... and nearly 100 civic and community leaders breakfasting together.

Plans for five major environmental projects, one in each of The Pointes, were revealed in this setting last Monday, June 19, by Mrs. G. William Duffield, Environmental Action Now (EAN) president. EAN is a non-profit organization with a 30-man board of directors made up of local residents. Its purposes are to provide individuals and organizations with a central authority which will support, encourage, supplement and coordinate the efforts of those presently engaged in constructive ecological activities; to carry on programs in pollution abatement, environmental study, plantings and beautifications, recycling collection centers; to educate and inform individuals through speakers' bureaus, literature and films, and provide educational programs with school coordination.

EAN Has Pioneered
EAN has been responsible for most of the environmental improvements in The Pointe area in the past year. The projects, according to Mrs. Duffield, will begin in July and range in scope from nature trails to children's gardening areas.
EAN will be spearheading these projects with assistance from the National Bank of Detroit (NBD) and the city fathers of the five Pointes.

Hope All Will Help
Joe Tolari, NBD vice-president, said Monday, "NBD believes in meaningful community involvement and there is no better way to underscore this belief than to join EAN in this environmental program."
Outlining the projects was landscape architect Lynn Murphy, manager of NBD's landscaping program. The bank has volunteered his technical services for the coming year to see the projects to completion. Mr. Murphy's experts should make these projects some of the most outstanding in the state.

Mr. Murphy stressed, in discussing the benefit of the five projects, that landscaping is more than flowers, bushes, walkways and trees.

Cars Damaged By Vandalism

Two cases of vandalism to autos were received by Woods Corporal Thomas Kerwing Friday morning, June 16.
He received a report from a North Brys resident at 7:35 a.m. The resident said that sometime between 12:15 a.m. and 7:30 a.m. unknown persons broke windows in two cars.
One vehicle had a rear window smashed in a convertible top, while the other had a left window broken plus the rear convertible top window. Both were parked in the driveway.
Then at 7:40 a.m., the corporal, while cruising the area, found that someone had shattered a car's rear window while it was parked in a driveway. The vandalism occurred in Moorland drive sometime between Thursday, June 15 and June 16.

Park Permit

(Continued from Page 1) cost of keeping the pool and the park open is "burdensome." He suggested that the ordinance be subject to review on a yearly basis, and that the \$25 amount may have to change in the future. However, he stated he would go along with this amount for now.

Mr. Graef felt that adequate time was not given to study the question. He wanted further information on property tax statistics before changing the ordinance and the consequences of the action. Mr. Graef added that he wanted to know "the scope of the whole problem."

Councilman Marvin R. Boutin, who also voted for the amendment, tried to help clarify the situation. Calls for Study He said the issue here is the sudden change in procedures after the non-resident taxpayers have had park privileges for years. Mr. Boutin stated that he would like to see a comprehensive evaluation of the matter.

The council then unanimously passed Mr. Boutin's motion that this matter about taxes and benefits received be referred to the Committee of the Whole for a comprehensive study about what types of services non-resident taxpayers receive and whether they pay a fair share of taxes to receive these services.

Mayor Kenneth McLeod and Councilman George S. Freeman also voted for the amendment.

STEINER TO SPEAK

Ervin A. Steiner, Jr., Wayne County Commissioner from the Third District, spoke before the Eastside Women's Republican Club on Monday, June 19, in a meeting at the Republican District Headquarters, East Warren avenue at Beaconsfield.

EAN, NBD

(Continued from Page 1) He said it takes on its greatest value when people work together to bring beauty to their own community.

Elworthy Field Plans The high point of the program is major landscaping of the passive play area at Elworthy Field. This will include the planting of shade trees such as locust and maples which will be at least three to four inches in diameter, the planting of a rose garden and related ornamental landscaping.

The Grosse Pointe Park area will have a nature trail through a portion of Three Mile Park. Mr. Murphy said there are specimens currently on the grounds that he believes may be among the largest in the state. The nature trail will be developed to take advantage of the present copper beeches, dark red maples and hawthornes already on the property to the rear of the old McMillan estate. Mr. Murphy said that many of the existing trees will be labelled for easy identification as will the new plantings on this quarter of a mile nature trail. It will also include a meadow area planted with low grass that will encourage birds, (which normally migrate), to stay in the area.

Shores Nature Area In The Shores further development of the present nature area behind the old Vernier School is planned, such as the clearing of underbrush and planting of currants and rhododendrons.

In The Woods the old Marter Pumping Station will be repaired and landscaped.

A new floor will be installed, the wood door and hinges restored, a patio laid, walkways built, and trees will be planted to achieve a park-like atmosphere to encourage birdlife. Hopefully the station will eventually be used as an office for an ecologist hired by EAN with community support. The entrance on Hollywood will also be paved with brick and landscaped.

To Rebuild Greenhouse In The Farms the existing greenhouse on Grosse Pointe Academy grounds will be rebuilt and used to grow youngsters' starter seeds. Children's gardens will be planted between existing raspberry bushes and fruit trees. Youngsters will be encouraged to grow organic plants. Mr. Murphy stressed the need for total community involvement in this project. He added that he hoped high school students, Boy and Girl Scouts and interested garden groups would help in this area.

The response to these proposals on Monday was gratifying. It was good to sit in on a session of this type and see the enthusiasm projects like this can engender in busy and active people.

EAN, NBD and the city fathers have set the pace, let's hope other businessmen and community leaders join in the walk.

Bike Thefts

(Continued from Page 1) The upsurge in stealing usually takes place when the warm weather season starts. Losses every year run into thousands of dollars. Thefts usually occur when owners leave their bicycles in open view on front lawns, sidewalks and driveways, where thieves can easily spot them. Too, one of the most common occurrences, the sergeant pointed out, is that residents leave their bikes in garages with the garage doors open, which is practically an invitation to those looking for just such a situation.

He pointed out that about a week or so ago police alerted to the actions of a suspicious person, who turned out to be a teenager, arrested the youth prowling the neighborhoods in a car. In the vehicle they found a bolt cutter, which was confiscated. Police knew what the intentions of the young man were, but because of insufficient evidence, they had to release him.

Owners of bicycles should take the time to lock the wheels of bikes with an extra heavy chain and lock, of the type that would make it difficult for a thief, or thieves, to snip with cutters, LaPratt said. Never leave bikes on front lawns, sidewalks or driveways, but place them in the rear yard, or in the garage. If placed in the garage, make sure the doors are locked.

Even after putting the bikes in the back yard or in the garage, LaPratt stressed, they should be secured with heavy chains or locks. One good way of preventing thefts, if the owner values his two-wheeler enough, is to cement an eye-bolt on the floor of the garage, through which a chain or lock can be attached.

"Of course," he pointed out further, "all bikes must be registered and license plates obtained for them from the owners' local police stations. This is mandatory in most communities, including The Park, under local ordinances. The plates are very inexpensive.

"With the registration number and the license plate number on file, police have a better chance of recovering and returning the bikes to the rightful owners," LaPratt added.

Farms Booklet

(Continued from Page 1) booklet for new residents. Councilman Retired

It was evident that the council members backed Mrs. Seelye's request; however, The Farms management seemed reticent to tackle the job, fearing the cost and labor involved.

So Mrs. Waugaman took it upon herself to prove the feasibility of such a project and presented her recommendation in a memorandum to The Farms Council.

In the memo, she outlines the publication which would include information on the police and fire departments, the Farms Pier, trash collection, city regulations and city government, among other aspects of the community.

TAPES TAKEN

Don C. McCullagh, of 553 Lakeland, called City police on Wednesday, June 14, to report that four eight track tapes were taken from his '71 Vega which was parked in front of his residence on that date.

The Farms Council applauded Mrs. Waugaman's efforts and immediately voted approval of the informational publication. Mrs. Waugaman informed the trustees that several Farms residents had volunteered their services in the preparation of the booklet.

You get just about the same headroom and legroom in an Audi 100 LS as you do in a Rolls-Royce Silver Shadow.

The Audi isn't a very big car. On the outside. But don't let that fool you about the size of the car on the inside.

You'll find there's more headroom than you'd ever expect. Enough for, say, a person 6'6". And if he's got unusually long legs (which a person of his size usually has) he won't have to sit clutching his knees. Because there's more legroom than you'd ever expect.

Mind you, he's not the only one who would sit comfortably. The Audi can seat a family of five rather nicely.

Now the Rolls-Royce isn't the only great car the Audi has a lot in common with. The Audi has rack-and-pinion steering just like the Ferrari 512 racing car. And front-wheel drive just like the Cadillac Eldorado.

The Audi has the same type of brakes as the Porsche 917 racing car. And the same amount of trunk space as the Lincoln Continental.

Our interior looks so much like that of the Mercedes-Benz 280SE, you can hardly tell them apart.

And as for service, you'll get the same kind of expert service a Volkswagen gets. Because a Porsche Audi dealer is part of the VW organization.

Impressed? You should be. After all, the Audi bears a startling similarity to some of the world's finest automobiles.

But what makes the Audi especially impressive is its price tag.

It's a lot less than you'd expect to pay for that many great cars.

A GROWTH OPPORTUNITY

Growth in the understanding of God results in healing.

On Wednesday evenings, in churches around the world, Christian Scientists tell of what they've learned, and the healings they've had as a result.

Christian Science is a spiritual discipline with infinite rewards. It opens thought to new channels. Come next Wednesday. We'd love to share with you what we've been learning.

Thief Takes Salon Decor

An employe of Posh Studio, 18700 Mack, called Farms police Tuesday morning, May 16, to report vandalism of the store front.

Someone had taken four green hexagonal plaques from the front door, and, possibly seeking the total effect, had also tried to remove an 18-inch-high cement urn. However, the dark green urn weighed 100 pounds, and the vandal only succeeded in breaking the 12-inch cement base.

The damage, which occurred the previous night, was estimated at \$100.

Water Balloon Causes Arrest

William Bodeau, 17, 1043 Kensington, was charged by City police on Friday, June 9, with violation of the ordinance on possession of controlled substances.

On that date, Bodeau was observed by Youth Service Division officers throwing a water-filled balloon at a passing vehicle which was turning right on Fisher at Maumee.

The balloon missed the car and fell on the paved portion of the service station or the corner. Officers approached Bodeau and as they did so the youth attempted to conceal a silver object in his waistband.

A search revealed a pipe commonly used to smoke hashish. Bodeau was taken to the City station and held in lieu of \$50 bond. He was given a court notice to appear on July 11.

Rose Society Holds Show

From a modest display of individual flowers in pop bottles the annual Rose Show of the Grosse Pointe Rose Society expanded until Friday and Saturday, June 16 and 17. It occupied the lobby of the Colonial Federal Savings Building, 63 Kercheval, corner McMullan, "On-the-Hill" with special rose arrangements by members exhibited both days.

For the first time members of the society had their best blooms judged for ribbons, certificates from the American Rose Society and silver trophies for Queen of the Show, King of the Show and Princess. A silver award was presented for the best arrangement based on members' Pointe grown roses which will be at the peak of their beauty June 16 and 17.

All rose growers were invited to bring their questions to ARS Consulting Rosarians Forrest L. Geary, President of the Pointe Society, Elmore Frank, Jerry Kulaja, Harold Lee, Arthur Shimmin and Angelo Taveggia.

To encourage talk about their favorite flowers women of the society served coffee each morning and tea each afternoon. Hostesses included Mrs. Ralph Urso, Mrs. Harold Lee, Mrs. Donald Ross and Mrs. E. O. Brady.

Ralph Urso was general chairman of this popular show. Mrs. Geary supervised judging of individual roses and the special arrangements.

Mrs. Lyndie Martin was Sicklesteel supervised the opening, placing and closing. Arthur Shimmin and Mr. Lee were in charge of potted roses, of public relations and publicity.

Stop Drinking Driver in City

Emmett Duff, of St. Clair Shores, was charged with driving under the influence of alcohol by City police on Sunday, June 11. Duff was first observed at 3:15 a.m. traveling east on Mack with his left front and left rear tires flat. He had no lights on the car at the time.

He was appraised of his rights then taken to The Woods station for a breathalyzer test. The reading was .17. He was subsequently charged, and held for \$100 bond. He was released at 10:50 a.m. upon payment of bond.

Burglars Visit Stores in City

Two attempted breaking and entries and two entries occurred in the City of Grosse Pointe this past weekend.

The first report was from an employe of Notre Dame Pharmacy who told officers that entry must have been gained sometime between 9 p.m. on Saturday, June 17 and 9:22 a.m. on Sunday, June 18. The employe found the front door open when he reported for work on Sunday. Money from three cash registers amounting to around \$35 had been taken. The back office door had also been forced but nothing was taken from there.

The second report was from Joseph Belloli, manager of Marty Fuerst Shoes, 16906 Kercheval, on Monday, June 19, at 9:45 a.m. Mr. Belloli told City police that the front door of the building had been pried open. Investigation revealed that a half-inch prying tool had been used. There were pry marks on the door jamb at the bolt.

The next report came from an employe of The Village Coffee Shop, 17728 Mack, who told City police that she found the front door pried open and some \$29 in change removed from a desk and some \$20 to \$30 removed from the coin box of the juke box. It appeared that entry had been gained by use of a half-inch tire iron.

The fourth report came from Louis Ochs, owner of Neels Shoes, 16844 Kercheval. Mr. Ochs told officers that when he entered the building on Monday, June 19, he did not notice pry marks on the door casing but discovered them later in the day as he was leaving the store. Police officers believe the marks at Notre Dame, Marty Fuerst and at Neels were done with the same tool.

Lieutenant Robert VanTiem told the NEWS that Detroit police had similar incidents over the weekend in two Detroit stores on Mack.

Some never look ahead for fear they'll see their finish.

BIKE STOLEN

Another Pointe bicycle has been added to the number already stolen this summer. Paul Bracken, 377 Rivard, called Farms police to report his 10-speed, yellow Schwinn bicycle taken from Brownell Middle School Tuesday, June 13, at 3:40 p.m. A witness later reported that three youths, about 17 years old, had driven up in a late model light brown car. One had exited the car, picked up the bike and placed it in the car before driving away.

Farms Land Use Study

(Continued from Page 1) Several residents of Muir road attended the meeting to inquire about the future use of their street. They heard that The Farms wished to use the area between Kercheval and Ridge road as an extension of the present public parking facilities in the Hill commercial area.

Some residents expressed concern that The Farms could force them to sell their land at a future date; other residents expressed concern that The Farms could not afford to purchase their land at a present date.

Diplomatic Mayor
However, Mayor Butler proved that a government official occasionally can please all of the people, all of the time, by stating that the city would never force the Muir residents to sell their land. He also said that he was in favor of The Farms setting aside money in future budgets for purchasing the property. There are no provisions in the present budget, or in the 1972-1973 budget, for land purchase.

The second concerned party was a representative of the Anna Dodge estate. In contrast to the Muir road residents who asked simple, direct and personal questions on the effect of the land use plan on their property, the representative unleashed a prepared diatribe. He stated that the study did not deal realistically with the potential usage of the Rose Terrace estate, located on the lake next to the Grosse Pointe Memorial Church.

No Offers Received
He was referring to Section 4.1 of the study which states: "Located on Lake Shore drive at Fisher road, this area contains approximately 9.17 acres. This area continues to be classified Low-Density Residential (Detached Homes)."

"Water and sewage capacity in this area is limited, and this capacity would have to be increased to accommodate a substantial population growth."

The representative stressed that the property has been listed on the real estate market for over a year and that no offer has been made by either a single family or a subdivider. He criticized the study for not recognizing the potential of the estate for multiple dwelling units or a recreational facility.

He stated that a water interchange existed at Jefferson and Fisher road which could be improved to service up to 60 units on the Anna Dodge property.

The council members appeared stymied at the close of the representative's remarks as to how they were to answer his charges.

Not Council's Job
"No formal plans for the development of the property have been presented before this council," Councilwoman Nancy Waugaman commented. She pointed out that it was The Farms Council's responsibility to approve developers' plans once submitted, that it was not the council's responsibility to plan the development.

Mayor Butler added that the study did recognize the possibility of multiple dwelling units in The Farms and that the plan itself carried no legislative force, that it only provided guidelines for the optimum development of the area.

Closing the discussion on

the land use plan in Monday night's meeting was Brandon M. Rogers, appearing at the meeting as one of the authors of the plan much like Cecil B. DeMille at the world premiere of "The Ten Commandments."

Commends Balance
In his remarks, Mr. Rogers commended the balance of residential areas, recreational facilities, churches and schools, and business districts which compose The Farms. He emphasized that the land use plan was not a "straight jacket" in binding The Farms to its advisees, rather a group of guidelines for the optimum development of the area.

"Our problem in The Farms is aging," Mr. Rogers stated, recognizing the necessity of preserving the present character of the community.

Before finally adopting the plan, Mayor Butler, speaking for the council, said, "I would like to commend publicly the firm of Parkins, Rogers and Associates and to express our debt of gratitude for such a fine job."

Set Special Meeting
However, Councilwoman

PWP to View Classic Films

The Grosse Pointe Chapter of Parents Without Partners (PWP) will meet this Friday, June 23, at 8 o'clock, at the War Memorial.

Following the coffee hour, Roger Bailey, audio visual director of Kelly Junior High School, will present a program entitled, "Classic Film As an Art Form."

Old movies, slides, posters and stimulating comments by Mr. Bailey should make this a "fun" session.

Guests are welcome.

Woods Okays Ordinances

Two proposed ordinances received unanimous approval (on a first reading basis) from the Woods council at the regular meeting Monday, June 19. Final adoption of both ordinances is set for the next regular meeting Monday, July 3, said City Administrator Chester E. Petersen.

One ordinance will prohibit the outside storage of boats, boat trailers, house trailers, mobile homes, v a c a t i o n campers and other equipment used for temporary or mobile living quarters within city limits. If adopted at the July 3 meeting, the ordinance becomes effective October 1, 1972.

The other ordinance will prohibit the outside storage of non-licensed or inoperable automobiles, panel trucks, or pick-up trucks within city limits. If adopted, it will become effective 20 days after the date of enactment.

Opens New Facilities

(Continued from Page 1) to save a tree which otherwise would have been removed. In one case, the fence was built around a stump which happened to house a family of woodpeckers.

When the double structure is completed, it will provide a total of 440 parking spaces.

The area bordering Jefferson avenue will be attractively landscaped.

A brick canopy over the new emergency entrance provides cover for unloading passengers. There is a small parking area in front of the entrance for emergency vehicles.

Ora Russell Is Retiring

Ora Russell, 64, who has been teaching upholstery classes for the Department of Community Services for 25 years has announced his retirement. During that time Mr. Russell has had 400 classes with approximately 5,000 students. He estimates that he has spent 10,080 teaching hours working on the program.

The hours were well spent for the work his students produced was absolutely incredible.

Mr. Russell told the NEWS that he will be retiring to Anaheim, Cal., but that's not all of the story. He plans to remarry his former wife. And we're willing to bet that his wife will keep him busy employing those upholstery talents for the new Russell abode.

German Pupils Earn Honors

From 150 to 175 Grosse Pointe North High students have been enthusiastically learning German every year since the school opened in 1968. This year, 26 of them voluntarily participated in a nationwide contest sponsored by the American Association of Teachers of German, where they competed with 17,000 others for honors and prizes.

The results were impressive: 23 of the 26 scored higher than the 90th percentile; four of them received half of all the awards presented in the State of Michigan.

Stephen Shepard won the coveted first prize, a four-week all expense paid trip to Germany. Dennis Hopkins placed second and received a book and citation. Edwin Van Horne and Don Wolczko placed first and second among second year students and also received books and citations.

All four students were honored by Dr. Montag, the Consul General of the Federal Republic of Germany, at a German luncheon at Ann Arbor on Saturday, May 13.

Mrs. Brigitte Rauer and Mrs. Lori Rasmussen, German teachers at North High, both were delighted with the results of this contest. Mrs. Rauer faced just one minor problem: How do you go to an honors luncheon in Ann Arbor with so many award winners and only one tiny VW?

Four Children Bitten by Dogs

Park authorities received reports of four dog bites, one reported belatedly, in four days. All persons bitten were children, according to information released.

The first report was made by the parents of a 12-year-old boy, at 8:50 p.m. on Monday, June 5, who stated their son was bitten while trying to pet an Afghan Hound in front of 613 Barrington. It was not disclosed where the child had been bitten.

The owner of the animal was traced to a nearby residence. It was revealed that the pet had been on a leash in the back yard and had broken loose.

The second report was received from Bon Secours Hospital on Thursday, June 8, where an 11-year-old boy was being treated for puncture wounds on the left forearm inflicted by a Labrador at 1022 Yorkshire. The youngster was a guest in the house. The bite took place at 8:26 p.m.

At 9:45 p.m. the same day, police were called and informed that an 11-year-old girl, while a guest at 1168 Yorkshire, was bitten on the left buttock by a German Short-haired Pointer. The girl was treated by the family physician.

Before the latter report was received, police said, the parents of a 12-year-old girl called at 8:10 p.m., to disclose that their daughter had received a bite wound on the upper lip, from a male dog of mixed breed, in the rear yard of 1156 Wayburn.

The parents told the authorities that the bite had taken place on Sunday, June 4, but did not explain the delay in making the report. They said their daughter was treated by the family doctor.

Police did not disclose the names of the victims nor the names of the owners of the canines, but said that all owners have been instructed to keep their pets confined for the customary 10 days.

Reports of the bites have been made to the Wayne County Board of Health and to the Michigan Department of Health, it was said.

Alter School's 72-73 Calendar

At the regular meeting of the Board of Education on Tuesday, June 13, Superintendent Theos I. Anderson recommended that the 1972-73 school calendar be modified. The board unanimously approved his recommendation.

Changes include a change in staff planning days from September 5 and 6 to September 7 and 8. Students will begin instruction on September 11 instead of September 7 as originally scheduled.

School will reopen Tuesday, January 2, instead of January 3 as initially planned. The last student attendance day is June 14 instead of June 12, and the last teacher attendance day is June 15 instead of June 14.

Offer Worship On Lake Shore

The Grosse Pointe Memorial Church will provide informal worship services on the lawn by the lake each Thursday evening at 6:45 o'clock, starting on June 22.

The Galleian services will center on the teaching of Christ by the Sea of Galilee and make creative use of the Psalms, traditional choral music, folk music as well as banners and posters. A brief sermon will be presented each week by one of the pastors. Dr. Ray Kiely will give this Thursday's sermon.

Worshippers are encouraged to dress informally and come if possible by walking or bicycle. The service welcomes everyone and especially those who may be out of town on the weekend and otherwise miss the opportunity to worship in their own congregation.

tion includes blocking up of the gym and cafeteria exterior north sash, placing of cooling towers and the beginning of work on overhead ducts, piping and electrical rough-ins. These should be well underway in September.

Over in the east addition, work has begun on the exterior masonry, roof and floor decks. Other scheduled work includes pouring of second floor slabs and starting work on overhead ducts and piping and electrical runs.

Doing Inside Work
Work on the existing high school building includes installation of new stair enclosures. These must be completed by September 1, 1972, the earliest scheduled completion date of all areas in contract.

Other work to be done is the completion of electrical work for exit lights and fire alarm systems on the first and second floor corridors, auditorium, pool and locker rooms; replacement of existing electrical equipment and hook-up of permanent power to new transformers and switchgear. Associated with this is the reworking of the exterior entrance to the transformer room. This must be completed by August 14, 1972 and is a change in the schedule which allowed for this work over the summer of 1973.

Other work on the existing building is continuation of piping and conduits in the tunnels; removal of coal room roof and installation of chiller, (work on this has already begun and the new precast roof sections and paving should be completed before the start of school); demolition, excavation, foundation walls and new masonry walls at rooms M-100 through M-110 and M-200 to M-202 in the north end.

New Passageway
These form the new passageway which cuts through the existing building linking the east and west additions.

Prior to the beginning of school, the new corridor walls must sufficiently enclose the area so that cross-over student traffic can move between the gym and the rest of the building without being exposed to the construction activities. Also scheduled to be underway this summer is the structural steel, supporting floor slabs, built-up roofing and flashing, and overhead piping, ducts and conduit for this two-story corridor.

Upon completion of his report, Mr. Glancy asked Mr. Zenn, director of administrative services, if he had anything to add. Mr. Zenn said, "We are satisfied with the progress to date and when looking at the total project we are on schedule."

**Fire Hydrants
Reported Open**

Four different reports of open fire hydrants were received by the Woods Department of Public Safety within a two-hour period Saturday, June 10.

The first was reported at 1:55 a.m. on Shoreham road between Oxford and Fairfield, (one hydrant); the second at 2:36 a.m. at North High School, 707 Vernier road, (two hydrants); the third at 3 a.m. on North Oxford, (one hydrant), and the fourth at 3:31 a.m. at Mack avenue and Broadstone, (one hydrant).

All the hydrants, which were spewing water, were closed.

Board Honors Two Trustees

At the regular June meeting of the Grosse Pointe Board of Education, the trustees honored retiring trustees Barbara R. Thompson and Lee H. Allen with resolutions commending them for their service to the schools. As of June 30, Mrs. Thompson will conclude eight years of community public service and Mr. Allen will end four years. The resolutions follow:

"Barbara R. Thompson has served the Grosse Pointe Board of Education for eight years, including four terms as secretary and one term as president and her interest in public education has encompassed virtually every area of the academic and extra-curricular program, and she has focused upon satisfactory resolution of the problems of maintaining and expanding instructional excellence in the face of declining revenue and dwindling community support.

"During the decision-making process she has shared generously the wisdom gained as a concerned citizen, former teacher, community leader, and mother of three graduates of The Grosse Pointe Public School System. "She has fought unrelentingly to maintain local control of public schools in the face of serious and continuous attempts by the state and federal government to dictate educational policy.

"She has served the Board of Education with special distinction as its Legislative Chairman, as a member of the South High School Building Committee, as an officer in the Wayne County Association of School Boards and as Co-Chairman of the Middle School Study Committee.

"Her deep knowledge and inquiring mind, have enabled her to serve the Board of Education as an effective spokesman.

"She has demonstrated courage and integrity in times of recurring crises, and has held unwaveringly to her principles.

"She demonstrated an interest in improved school facilities, beginning with the construction of North High School and continuing through the successful campaign for the renovation of South High School.

"By her decision not to be a candidate again for the post of trustee, we are left with a sense of sadness at the loss of her counsel.

Lee H. Allen has served the Grosse Pointe Board of Education for four years, including three terms as treasurer. His resolution read: "He has sought to maintain a system of public schools and public libraries that reflects the educational background and goals of the

community, and labored for the maintenance of excellence in public education in the face of changing times and the pressure of momentous forces at the state and national levels.

"He has drawn upon his considerable experience in the business world to assure the continuing sound financial management of the public schools and public libraries, and has devoted time from his increasing business responsibilities and growing family to meet the demands of conducting school business.

"He has promoted the widest possible use of the school facilities by encouraging the creation of the committee to study the utilization of the Performing Arts Center.

"He served as co-chairman of the citizens' Millage Study Committee to achieve greater public confidence in the fiscal operation of the schools.

"He has advocated innovative methods of organization and utilization of community resources in the face of reduced finances and voter support.

"He has endeavored through the creation of the Moral, Ethical, and Religious Values Commission to support an educational program which embodies not only good scholarship, but also good citizenship.

"He has enhanced the dignity and integrity of the Board of Education.

"By his decision not to be a candidate again for the post of Trustee, we are left with a sense of sadness at the loss of his counsel."

ON WINGS

There seems to be no shortage of money today — the trouble is, it's moving too fast.

What you always wanted to know about aluminum siding but were afraid to ask!

Aluminum siding & trim can be applied on wood, stucco, & block sidings/trim. Deteriorated surfaces do not have to be replaced providing an adequate nailing surface is maintained. Aluminum siding provides an insulation value of 1"-2" of wood while maintaining a sound barrier from street noise. Its fireproof ability will stop the progress of fire or exterior origin.

Damaged panels can be replaced without disturbing adjacent panels. Aluminum siding is not an electrical hazard provided it is electrically grounded. One of the finest investments for home owners, it offers maintenance freedom, increased property value and an attractive resale asset while providing redecorating freedom due to style panel and color variations. According to Mr. T. Kotara, manager of Charing Cross, Detroit and East Macomb remodeling contractors, as much as \$1,750 savings can be realized in a 15 year period if painting costs approach \$350 every three years.

For a no obligation estimate call Charing Cross Exteriors... the house doctors, dedicated to couples who remember when weekends were for fun.

127 Graduated At Austin Prep

Austin Prep School presented its Baccalaureate Mass and Commencement Program, Sunday, June 4, at St. Clare Church.

Some 127 students received college prep diplomas. One exchange student received a certificate of attendance.

Reverend Edward McCarthy, president of Villanova University, was the principle speaker. Thomas E. Bailey, vice-principal, presented graduates for awards and diplomas.

Reverend Albert J. Hillebrand, principal, awarded the diplomas. Following the awards, graduates were inducted into the Alumni Association by alumni president, Vincent Locicero. A reception, sponsored by the Austin Mother's Club, followed the ceremonies.

Fifty-eight graduates received scholarships or tuition grants.

Ken Cooper, Mike Rizzo, Ron Schramm and Dan Thomas were admitted to Phi Beta Kappa. Ken also received the Detroit Police Youth Award.

Twenty-five students received certificates of recognition from the Michigan Competitive Scholarship Program.

Mike Rizzo was a national finalist in the National Merit Scholarship Examination and Ron Schramm received a letter of commendation from NMS.

Jim Bonamy, Ken Cooper, Dave Ledwon and Tom Mushro were presented with perfect attendance awards.

Each department presents awards to outstanding graduates. The following students received first and second medals of excellence: the award from Studies as Valedictorian, Mike Cooper; the award from Studies as Salutatorian, Ken Cooper; Theology courses, Mike Rizzo and Ken Cooper; English, Mike Rizzo and Ron Schramm; Mathematics, Mike Rizzo and Dan Thomas; French, Mike Rizzo; Spanish, John Vicari; Social Studies, Mike Rizzo and Ken Cooper; Science, Mike Rizzo and Ken Cooper; Business, Eugene Fontana and James Szaferczyk; Studies and Athletics, Ron Smith and Tom Ricci; and Forensics, Ken Cooper and Mike Rizzo.

Austin closed for this school year with the distribution of report cards on June 13. Austin's summer program will run from June 26 through July 28 with classes at 8 a.m. and 9:30 a.m. Brochures are available for course descriptions at the school.

Burglar Visits Shores Home

Six items, valued at \$868, were taken from a Moorland drive residence Sunday, June 11. One of the items, a radio, was recovered by Shores police after the burglary.

The items initially stolen included a bronze AM-FM radio valued at \$100; a stereophonic combination tape deck-turntable-AM-FM radio with two speakers, colored in a dark brown wood grain finish with a gray, smoke colored clear plastic cover, \$229; approximately 30 long playing record albums, around \$150; approximately 40 tape decks, about \$250; a 12" Zenith black and white portable television, \$100, and an Alaron AM-FM radio, \$39.

Evidence of forcible entry was apparent as police found pry marks on the outside aluminum frame of a sliding glass door between the door and the frame.

The home was reportedly vacant for a number of hours until the burglary was reported at 3:44 a.m. June 11. At that time, police said a graduation party took place nearby and around 200 cars were in the area.

Pellet Pierces \$250 Window

The owner of Mr. A's Party Store, Sam Amato, contacted Farms police Thursday afternoon, May 25, to report that someone had put a BB hole through a store front window.

Damaged is a \$250 plate glass window located near the east corner of the building located at 19210 Mack. The window measures six feet by six feet and the BB or pellet hole is eight inches from the top of the now cracked window.

Mr. Amato reported that he did not hear anything unusual the afternoon the damage occurred.

Offer Chillers At Memorial

Pointers who appreciate a good chiller should attend the War Memorial's series of "Old Time Mysteries and Horror Movies." Six features, plus two episodes per evening of "Flash Gordon Conquers the Universe," will be shown Monday evenings at 7:30 p.m. in Fries Auditorium.

Roger Cornan's horror-comedy "The Raven" featuring Vincent Price, Peter Lorre and Boris Karloff will open the series June 26. Then on July 10 the second version of "Phantom of the Opera," (1941), directed by Arthur Lubin, will be presented. Claude Rains, Susannah Foster and Nelson Eddy head the cast.

Jacques Tourneur's "Comedy of Terrors" with Vincent Price, Basil Rathbone and Boris Karloff is set for July 17. Tod Browning's classic thriller "Dracula," (1931), with Bela Lugosi, Helen Chandler and Dwight Frye will be shown July 24.

Then another classic, James Whale's "Frankenstein," (1931), featuring Boris Karloff, Colin Clive and Mae Clarke, is presented July 31. The last film of the series is "The Face of Fu Manchu" with Christopher Lee, Nigel Green and James Robertson Justice on August 7.

The series of films is \$5 per person. However, single tickets may be purchased for \$1 in advance, or for \$1.25 at the door.

Citation Won By Petersen

Woods City Administrator Chester E. Petersen received a citation for his service at the "Michigan Conference on the Problem Driver and Traffic Safety" Monday, May 22. Secretary of State Richard H. Austin signed the citation.

Mayor Kenneth McLeod and the council congratulated Mr. Petersen at the regular council meeting Monday, June 5.

Mr. Petersen said the conference's purpose was "to make recommendations to the Secretary of State so he can make recommendations to the State Legislature on various changes in state laws and policies affecting the problem driver," e.g., driving under the influence of liquor. Other items discussed included the effort to reduce traffic accidents, law enforcement, senior citizen problems and the young adult driver.

Many individuals throughout the state participated, serving on different committees, at the conference which took place in Lansing over a period of weeks. Mr. Petersen stated he was mainly involved with the problem of the drinking driver.

The citation notes that Mr. Austin acknowledges "the outstanding service" rendered by Mr. Petersen in assuring the conference's success.

Dear Friend:

Money is one subject that interests everyone, so when NBD can put as much as \$1,000 of instant buying power in your pocket, I'm pretty sure you'll want to know how we do it.

The answer is an NBD Master Charge Card, honored by more than 10,000 Detroit area merchants and by 900,000 others coast to coast. Our 60-second color camera is ready right now to take the photo that makes a Master Charge Card yours — and yours alone. That means your card is ready to use in as little as five days. And once you get it, Master Charge is good for three full years!

And Master Charge comes in mighty handy, because you can get a cash advance — instantly — from any NBD office, or from any other Master Charge bank anywhere.

With NBD Master Charge, you'll know where every penny goes and you'll enjoy the convenience of paying for all your Master Charge purchases with just one check, once a month.

We only need a few minutes of your time. I hope we see you soon!

Here's an oddity.
 Margaret Mitchell, who wrote one of the world's most successful books, "Gone With The Wind" never wrote another book before that, and never wrote another book after that!
 And, in another oddity, Miss Mitchell didn't even think "Gone With The Wind" originally was worth anything, and in fact, it might never have been published had not a friend found out about it and given it to a publisher.
 And, here's another interesting fact . . . more and more Grosse Pointers are becoming acquainted with Ed Maliszewski Carpeting. We'd like to think it's because of our sincere interest in helping homemakers get the most for their carpet dollar.

Officer Boone Set to Retire

Park Patrolman Gustave Boone, who will retire from the force after 44 years of service, will be honored at a banquet to be given by his colleagues of the department on July 7, at St. Maron's Social Hall, St. Jean and Kercheval.

Invitations to join the festivities have been extended to policemen of surrounding communities and to friends and citizens wishing to participate. Tickets are \$10 each and the absolute deadline for reservations is Sunday, June 25.

Any one interested should phone Park Patrolman Andrew Meeker at the Park station by calling Valley 2-7400, or contact him at 882-6283.

Boone was appointed to the force on June 30, 1928, during the height of the Prohibition Era, at the age of 20 years. He lied about his age, claiming to be 21, the legal age one must be to become a police officer. However, he straightened this out and presented proof of his true age in 1960, in order to bring his pension data up to date.

He was born in the Pointe, where he has been a lifelong resident, and attended St. Ambrose High School. He is married to the former Evelyn Rose of Detroit, and they have a son, Jay, living in St. Clair Shores.

Patrolman Boone, who is on leave, will return to work on Wednesday, June 21, and will officially retire on June 30, the anniversary of his appointment to the department.

Boone, who is the holder of three departmental citations, said that he can recall when the Park Department used Model T Fords as scout cars, which had top speeds of 80 miles an hour "wide open", when chasing smugglers, bootleggers and other law breakers.

To the best of his knowledge, and according to records, he is the only officer to have 44 years of continuous service as a police officer in the Park, if not in the other Pointes.

His brother, Alphonse, retired as a Park patrolman in 1960, after 32 years of serving the community.

The plaque to be presented to the retiring patrolman, will bear a replica of his badge, No. 110, which he said he has had for so many years, he can not recall when it was given to him.

He was 65 on Monday, June 12, and his retirement is mandatory under the pension plan he had chosen.

Fifth Graders Give Luncheon

The fifth-grade girls of Mason School, under the direction of Mrs. Ted Jacobs, presented a luncheon in the school gymnasium, Wednesday, June 7.

The girls invited their mothers, persons who helped with the program during the year, Superintendent Theos I. Anderson and Mrs. Anderson, Dr. Theodore Binkowski, president of the Mason PTA; William Mestdagh, principal; and Mrs. Jeanne Fisher, school secretary.

The purpose of the luncheon was to demonstrate the cooking skills the girls acquired during the past year and thank those persons who helped with the program.

The year-long program was divided into four parts: health and personal care, crafts, careers, and cooking skills. The girls met twice weekly with Mrs. Jacobs to work on individual programs. Fifth grade boys met with Richard Markel on a similar program designed to interest boys.

The girls arranged the entire luncheon themselves from creating the menu, to writing invitations, to shopping, and preparing the food, to decorating the tables and gym, to serving and cleaning up.

Following the luncheon the girls presented a brief resume of the program.

Catch Women Stealing Meat

Whenever you think of shoplifters in a supermarket, you usually think of small, expensive, packaged items stolen. However, Salem Square Market, 107 Kercheval, recently reported two incidents of women placing meat cuts in their purses and attempting to leave the store without paying.

The manager of the supermarket saw a Pointe woman place a package of L'Eggs pantyhose in her purse Thursday morning, June 15. Apprehending the shopper after she left the store, he also discovered a boneless beef roast, weighing almost four pounds, in her purse.

The suspect was later released on \$25 bond at the Farms police station, pending her arraignment at the end of June.

Another incident was reported Saturday morning, June 10, when a Clawson, Mich., woman attempted to leave the store after placing some food items in her purse. When apprehended outside the store, the Salem Square manager found two New York strip steaks and two pounds of Canadian bacon in her purse.

Youth Arrested In Stolen Car

An 18-year-old Detroit youth was arrested by Park police at 4:11 a.m. on Sunday, June 11, and charged with receiving and concealing stolen property. He was driving a stolen car, according to the arresting officers.

Accused is Bruce Price of 2237 Watson, who apparently would have gone unnoticed if he had not been seen driving in an erratic manner and speeding west on Mack avenue by Sgt. Walter Payton and Patrolman Lawrence Rice. The policemen checked the car's license plate with their "hot sheet," and found that it had been reported stolen to Detroit authorities.

The officers stopped the car and placed Price under arrest. At 11 a.m., following the arrest, Price was arraigned for a preliminary hearing before District Judge Robert Brang, in the Wayne County Prosecutor's Office, on the dual charges. The

youth entered a plea of not guilty. Judge Brang released the youth on \$1,000 bond and ordered examination be held on Wednesday, June 21.

The examination was held before Park Municipal Judge William E. Speer.

The name of the owner of the stolen vehicle, a 1967 Pontiac, was not known by the Park authorities, but Detroit police were notified of the arrest of the suspect and recovery of the auto.

CITY OF Grosse Pointe Woods
Proposed ORDINANCE

AN ORDINANCE TO PROHIBIT THE OUTSIDE STORAGE OF BOATS, BOAT TRAILERS, HOUSE TRAILERS, MOBILE HOMES, VACATION CAMPERS AND OTHER EQUIPMENT USED FOR TEMPORARY OR MOBILE LIVING QUARTERS WITHIN THE LIMITS OF THE CITY OF GROSSE POINTE WOODS.

THE CITY OF GROSSE POINTE WOODS ORDAINS:

Section 1. DEFINITIONS: As used in this ordinance the following terms should have the described meanings:

A. The terms "Boats, Boat Trailers, House Trailers, Mobile Homes, Vacation Campers and other equipment used for temporary or mobile living quarters" shall mean any equipment designed to be used for or intended to be used for boating or the transportation of boats and temporary living or sleeping quarters, whether or not such equipment is self-propelled, pulled by any vehicle or placed upon any vehicle for transportation purposes and designed or intended to be used for temporary living quarters whether or not such equipment contains beds or bunks.

B. The term "outside storage" shall mean the placing, positioning, permitting or continuing to allow the presence of any boat, boat trailer, house trailer, mobile home, vacation camper or other equipment used for temporary or mobile living quarters within the corporate limits of the City of Grosse Pointe Woods, Michigan when such is not completely enclosed within a building or garage structure.

Section 2. PROHIBITIONS: On and after the effective date of this Ordinance it shall be unlawful for any person, firm, corporation and the registered owner, if any, of any boat, boat trailer, house trailer, mobile home, vacation camper or other equipment used for temporary or mobile living quarters to permit, allow or maintain the outside storage of such within the corporate limits of the City of Grosse Pointe Woods, Michigan.

Section 3. PERMITTED EXCEPTIONS: The prohibitions of this Ordinance shall not apply in the following situations:

A. Any contractor or construction organization using a mobile home, house trailer or like equipment at or near a job location during the time such job or work is in progress.

B. Any person, firm, corporation or registered owner storing such equipment outside a building or garage for the purposes of repairing same, cleaning same or loading or unloading of such equipment subject to the limitation that such outside storage shall not be for a longer period than 24 hours within any 7 day time period.

Section 4. SPECIAL PERMITS: Any person, firm, corporation or registered owner of equipment described herein, upon application to the Director of Public Safety or his designated representative and upon a showing of necessity as determined by the Director of Public Safety or his designated representative, shall be permitted outside storage of equipment described in this ordinance for a period longer than 24 hours each 7 day time period, by receiving a temporary permit issued by the Director of Public Safety, but in no instance shall any temporary permit for outside storage be issued for a longer period than 72 hours in addition to the permitted 24 hours and the Director of Public Safety shall be empowered to renew such permit for an additional 72 hours upon the determination of absolute necessity and hardship by the Director of Public Safety or his designated representative. In no instance shall any permit be renewed more than one time.

Section 5. PENALTIES: Any person, firm, corporation and registered owner, if any, of the equipment described herein, who shall violate the terms of this ordinance, upon conviction thereof shall be subject to a fine not to exceed \$500.00 and a jail sentence not to exceed 90 days in the discretion of the Court.

Section 6. EFFECTIVE DATE: This ordinance shall become effective on October 1, 1972.

Pick Students To Go Abroad

Youth for Understanding (YFU) is one of several organizations in the United States that provide, in cooperation with the State Department, for the exchange of students between the United States and other countries.

Through these programs students are sent to live in homes abroad and students from abroad come to live with American families. The program is fully inter-faith and inter-racial.

The purpose of YFU is to develop understanding among people through a family living experience. Students share in family and community life and develop greater appreciation of the cultural background and historic contributions of other peoples.

North High students participating in the program include Mary Helen Beauvais, of Hampton road; Sara (Sally) L. Fairless, of North Brys drive, and Patricia A. Slaven, of Anita avenue.

South High students who will study abroad include Connie Drake, of Touraine road; Amy Deaknye, of Washington road; Becky Beyer, of McKinley avenue; Nancy Krausman, of McMillan road; Laurie Kalkman, of Fisher road; Richard Connolly, of Washington road, and Priscilla Spencer, of Trombley road.

TIRES TAKEN

Two car-owners recently contacted Farms police to report the theft of spare tires and wheels. Victor A. Rusnak, 1779 Littlestone, called Monday, May 29, to report a tire stolen when his '72 Chevrolet station wagon was parked in the rear of the New Brick Inn, 18696 Mack. The second \$70 theft also occurred over the Memorial Day weekend when someone stole a new tire and wheel from a '72 Dodge parked at 18210 Mack. The vehicle belongs to Lochmoor Chrysler.

An Eagle

Scouting's highest award, that of Eagle, was presented to KEITH LAWRENCE, (pictured above), son of Mr. and Mrs. Clark Lawrence at Troop 96's Annual Court of Honor Awards Banquet held recently at Memorial Church.

Dr. Thomas E. Singelyn, advancement chairman served as master of ceremonies. Scoutmaster Chuck Donovan and Eagle Scout Chris Lucander presented the awards. Lyman Larrabee, chairman of the Father's Committee, gave the welcoming address.

Assistant Scoutmaster Bob Patterson charged Second Class Award recipients to live up to scouting's highest ideals and to progress along the scouting trail. Among those receiving Second Class Awards were Matt Aaron, Chris Alexander, Craig Borowsky, Scott Frazier, John Kuhn, Maes McLeod, Brad Murray, Ross Murray, Steve Patterson, Richard Scott, Mark Thorne and James Weitzman.

Assistant scoutmaster Fred Rogers presented First Class Awards to Matt Aaron, David Larrabee, John Munro, Brad Murray, Ross Murray, Robert Patterson, Randy Singelyn and Jim Teetzel.

Earning Merit Badges were Keith Lawrence, John Munro, David Pear, Robert Peterson, Fred Rogers, George Roney, Bob Scott, Jim Scott, Bill Teetzel and Scott Singelyn.

Assistant scoutmaster Clark Lawrence presented Fred Rogers, Bob Scott and Scott Singelyn with the Star Rank awards.

Thomas Parker, Detroit District Scout Council Executive, was the guest speaker and made the Eagle presentation to Keith Lawrence.

The Star and Eagle Scouts all presented their mothers with miniature gold pins of their rank.

Continue SHEP In New Home

SHEP—The Sacred Heart Enrichment Program — has found a new home in the Grosse Pointe Community for its 7th session as a dynamic learning experience for girls from varied socio-economic, racial, religious and cultural backgrounds.

Registration Day last Saturday brought 180 young persons to the Church School facilities of the Grosse Pointe Memorial Church, where the program will operate from June 26 through August 4.

SHEP was created in the summer of 1966 by the Religious of the Sacred Heart in Grosse Pointe, as an educational service involving the total community. This spring, it was made known that the operation of the program could no longer be continued at the Grosse Pointe Academy, and the future of the service was jeopardized.

However, an invitation was extended to SHEP by the pastors of Grosse Pointe Memorial Church, Dr. Ray H. Kiely and Eugene T. Locke, and the board of trustees, as part of their outstanding Christian Outreach Program.

The six-week program will open as planned under the direction of Sister Annette Zipple and Mrs. Elizabeth Greer, with a staff of professionals and para-professionals from city and suburbs dedicating their efforts towards "creating Bridges of Understanding linking communities, races and religions."

Sentence Four On B-E Charge

Four men were sentenced in Wayne County Circuit Court Tuesday, May 30, on charges of breaking and entering an occupied dwelling, according to Woods police. The men were reportedly involved in the burglary of a South Renaud road residence earlier this year.

The men, all from Detroit, and their sentences, are: James Franklin Burchfield, three to five years in Jackson Prison; David Donald Cole, placed on three years probation with the Wayne County Probation Department; Charles Maylen Coats, 14 months to five years in Jackson Prison, and Edward Paul Cote, placed on two years probation with the Wayne County Probation Department.

Nab Probation Violator in City

Antoine J. Nahoum reported to City police on Saturday, June 10, that he was driving east on Mack from Cadieux around 9 p.m., when his car was struck in the left rear by one driven by Stafford B. Starcher, 1405 Lenox, Detroit.

Starcher claimed he had been to Anderson's Gardens in downtown Detroit and that someone had stolen his wallet; consequently he had no driver's license or registration on his person.

He said he was recently hired as a chef at Jacobson's and was to start work on Monday, June 12. A 22-caliber starter revolver model V-22, made in Italy, was found on Starcher.

A lien report showed he was wanted by Detroit police for violation of probation for accosting and soliciting.

He was given a court notice to appear on June 27, for careless driving - drinking, then turned over to Detroit police.

Woods Has Two Weekend B-E's

Two breakings and enterings were reported in The Woods during the weekend of June 17-18. Thieves entered a Vernier road resident's apartment on Saturday, 20745 Mack avenue, on Sunday. Officer Frederick Lovelace received a report from the Vernier road resident who said items valued around \$1,400 were believed

taken. They include a man's Omega gold watch at \$150; a woman's old English watch, \$25; a woman's gold ring with sapphires around a diamond in the middle, \$500; a woman's gold pin with three pearls, \$125; a woman's gold charm bracelet, \$600, and a woman's pearl necklace of unknown value.

Entry was apparently gained by removing the outer screen of a window and then forcing the window up.

Officer Wayne Blum received the burglary report at Carmens. The thieves took \$25 in bills and \$29.75 in change from a cash register. They also forced a coin box off of a juke box and took the money, amount unknown.

Pointers Rout Clawson, 41-14

Although it's a bit early for football, the Pointe Police softball team would probably tell you differently. After all, the club bombed Clawson, 41-14, in Macomb-Oakland Softball League action Sunday, June 18. And how close to football can a numerical score get?

The victory ups the Pointer's record to 5-1. They will tangle with Warren Traffic Sunday, June 25, at the L. W. Baumgartner Park, 15 Mile road near Schoenherr. And it could be another "kick-off."

Appoint Three Commissioners

The City of Grosse Pointe Council on Monday, June 19, unanimously approved the appointment of three commissioners to the Grosse Pointe Building Authority. The Authority is incorporated for the purpose of acquiring, furnishing, equipping, owning, improving operating and maintaining buildings, automobile parking lots, recreational facilities for use for any legitimate public purpose in the City of Grosse Pointe.

The commissioners include John R. Hamann, whose term ends June 30, 1973; David Robb, whose term ends June 30, 1974, and Dennis C. Foran, city finance director, whose term ends June 30, 1975.

Church to Host Guest Preacher

Grosse Pointe United Methodist Church will be host to the Reverend Mr. Justin N. Harris of Bombay, India, Saturday and Sunday, June 24 and 25. He will be staying in the home of Dr. and Mrs. Charles L. Swan of Bournemou's circle and will preach at the 9:30 Sunday morning service of the church.

In the evening from 7 to 9 o'clock Mr. Harris will be the guest of honor at an open house in the home of Dr. and Mrs. Robert J. Priest of Devonshire road. At this occasion members of the congregation will have an opportunity for personal conversation and questions with him.

The Reverend Mr. Harris was born in Neyyoor, Tamil Nadu, India. He is pastor of the Tamil Methodist Church, Parel, Bombay, and superintendent of the Bombay District. The district contains 25 charges (churches), speaking eight different languages, worshipping in 56 places. There are also 15 social welfare centers in slum areas where adult literacy work, sewing classes for women, health and child care are taught.

Dr. Eugene Crawley of Kensington road has been chairman of the committee which has made the arrangements for the visit of Mr. Harris.

Form Softball Six-Team Loop

The Pointe has a new softball association.

Known as the Grosse Pointe Softball Association, it was formed to promote men's slow-pitch softball in the area. Although the league's name is G.P.S.A., it's a privately operated, non-profit organization having no affiliation with any official Pointe activity.

For its first year, the board of directors is led by Mike Bolton of North Oxford road, president; Tim McMillan of Devonshire road, vice-president, and Tom Zink of Fairholme road, treasurer. The board coordinates a six team membership which includes a total roster of over 100 players.

Last weekend's action saw Art Van Furniture continue to stretch its winning streak by taking a Saturday, June 17, double-header, 15-3, over the East Warren Bingers and 10-5 over the Marauders.

The Sarasota Truckers remained in hot pursuit by defeating Team 2, 14-12. The Truckers' only loss this season was to Art Van. The Marauders bounced back Sunday, June 18, to take the Bingers, 11-6. In their only game this week, the Fontana Brothers took Team 2, 18-6, but Team 2 came back in the afternoon to defeat the Bingers, 21-15.

Standings for the first half will be given next week. All games are played on Saturday and Sunday at Austin Catholic Prep, 18300 East Warren.

Vitale to Take FBI's Course

Chief Joseph Vitale of the Shores Department of Public Safety will attend the new FBI academy at Quantico, Va., for a 12-week training course covering all phases of police work from patrol to management.

The chief, who was selected with other police officers for the training, leaves Sunday, June 25.

Chief Vitale also wrapped up an "Administrative Management" course at Wayne State University Monday, June 19, as he works towards his degree in Police Administration.

Game to Offer Varied Curves

"Beauty is in the eye of the beholder" said one wise fellow many moons ago. And Pointe policemen hope there are many "beholders" at the GP University School, 1045 Cook road, Sunday, June 25, at 1 p.m.

For that afternoon the Pointe police softball team will play the Bunny Girls from the Playboy Club. Fans, as well as the players, will be treated to a variety of curves on the ol' diamond. Mike Weger, Detroit Lions defensive back, is scheduled to coach the bunnys.

The benefit game (all proceeds will go to the Muscular Dystrophy Association of America), is presented by Grosse Pointe Lodge 102, Fraternal Order of Police. It was coordinated by Sergeant Donald S. Jacob of the Shores Department of Public Safety and Liaison Officer Michael Ferrence of the Youth Service Division.

Tickets at \$1 are available from any Pointe or Harper Woods police officer.

Explains Pointe's Stand In Desegregation Case

Just how does the Detroit Desegregation Case affect the Grosse Pointe Public School System? What part is the school system taking in legal activities involving the case?

The school system's legal counsel Douglas West has summarized activities to date and outlined future action, as follows:

Attorney General Frank Kelley filed an appeal (technically a Petition for Writ of Certiorari) to the United States Supreme Court on May 7, 1972. This appeal was from a ruling of the Sixth Circuit Court of Appeals that the Detroit desegregation case was not then ripe for an appeal in this case, however the Attorney General included in his appeal to the U.S. Supreme Court all substantive issues, including the question of the legal propriety of a Metropolitan Plan of Desegregation.

Although we were not parties to the suit at the time that appeal was originally taken to the Sixth Circuit, we did have standing to join in the subsequent appeal taken to the U.S. Supreme Court. Consequently, Grosse Pointe Schools, in conjunction with the other intervening school districts, filed a Brief with the United States Supreme Court on June 5, 1972, supporting the Attorney General's appeal, and also calling the Court's attention to Court rules and statutes permitting the Court, in its discretion, to take immediate jurisdiction of all issues in the case, even though the Sixth Circuit had not ruled on them. Because Judge Roth entered his Order on June 14th, involving Grosse Pointe and 52 other school districts in a Metropolitan busing plan, we have prepared and will file with the United States Supreme Court a Supplemental Brief pointing out the incredible scope and nature of Judge Roth's Order and urging the Court to take immediate jurisdiction. We have been informed through the Supreme Court Clerk's office that the Court is expected to rule on this special request before the Court adjourns for the summer.

The cooperation between the attorneys defending this case is extremely good and, in my opinion, will result in the optimum legal defense possible being put forth. Attorneys for the Suburban School Districts have been working very closely over the last few days with the Michigan Attorney General's office and we have participated in the preparation and filing of a Joint Supplemental Appendix with the Attorney General, (containing Judge Roth's latest Orders), so as to save costs to the defending parties. Although the major portion of the work load has been assumed by William Saxton and John Weaver, the attorneys representing the group of 40 school districts through Region Nine Association of School Administration, we have and will continue to assist and participate with these attorneys, and other school district attorneys, where we believe our added participation will be of some benefit to our common cause of defending this case as vigorously as possible. At the same time, we have tried to limit our participation so that on balance it will be commensurate with our desire to keep at a minimum the legal costs to the school district—which have been extraordinarily high during this past year.

Although it would not be wise to publicly disclose the details of our defense strategy at this time, we can inform the community that at a minimum, the following action has or will be taken:

(a) We have filed a Supplemental Brief in the current appeal to the United States Supreme Court, as well as the Supplemental Joint Appendix referred to earlier.

(b) Attorney General Kelley filed on Monday, June 19, with Judge Roth a Motion for Stay of Execution. This will, of course, be taken to the Appellate Court if refused by Judge Roth.

(c) The intervening school districts on Monday, June 19, jointly filed a new appeal with the Sixth Circuit Court of Appeals. This will be followed in due course by appropriate Motions and Briefs for Stay of Execution.

(d) We have been coordinating special strategy with attorneys for school districts who are a part of Judge Roth's Order but who are not parties to the suit.

Regarding requests for a Stay of implementation of the Judge's Order, special mention should be made of the Broomfield Amendment to the Higher Education Act. This statute would require an automatic stay of busing orders when appeals from such an Order are pending. Our office drafted this legislation, which was later first passed by the House of Representatives. (At this point it should also be noted that although previously unreported, Michigan representative William Bryant, participated in the preliminary discussions which led to the drafting of this proposed legislation.) The original draft contained a provision that any decision by a Federal Judge declaring an intention to issue a busing order, would be deemed a final order for purposes of appeal.

This provision was removed in the final version passed by the House of Representatives and consequently, because Judge Roth has not as yet issued a busing order, but only an order that a panel will recommend the details of the busing order, this statute granting an automatic stay is not yet applicable. In the event the courts should refuse to grant our requests for Stay of Execution, which are currently being filed, we will, of course, file an additional request for a Stay based upon this statute, at such time in the future as the Judge may actually issue the final busing order.

Some months ago it was made perfectly clear to us that Judge Roth would order some kind of a Metropolitan Plan. There remained open only the question of whether it would most resemble the Plaintiffs' Plan or the Detroit Board Plan. This recent action by Judge Roth was not at all surprising to the attorneys participating in this case, and, if anything, our confidence is building greatly because of the recent reversal of the Richmond case and the aggressive cooperation exhibited by defense counsel.

Although we could not legitimately represent to you that there is no need for concern, we can emphasize that everything possible is being done and panic or over-reaction by the Community could prove to be counter-productive.

The NEWS then asked Board of Education President William Adams to comment on the situation. Mr. Adams said, "We are proceeding with planning on the assumption that there will be no busing in September of 1972."

What Goes On at Your Library

By Virginia Leonard

Guest Columnist: Melita E. Roemer

The American Public Library, as a free institution which dispensed reading materials for recreation and research, had its greatest development in the first half of this century. This concept developed because of community interest and support; and not only spread throughout this country, but was adopted throughout the world. One of the interesting adventures while traveling is to look for the public library, whether in the U.S.A. or abroad, for it reveals a great deal about the character of the community; and incidentally the library is a great source of local information.

Library service prior to the establishment of the Grosse Pointe Public Library in 1929 consisted of small stations of the Wayne County Library. The first was a request from Mr. George Osius of the County Library and was located in 1922 in the Village Hall in Grosse Pointe Shores. A few years later another was located in the old Neighborhood Club of Oak Street (Muir Road). This was the result of Club's director, Mr. George Elworthy.

When the Club moved to the new quarters in The Village, the D. M. Ferry, Jr. offered the use of a cottage on Waterloo adjacent to the Neighborhood Club. The Edgar B. Whitcomb paid for the remodeling of the interior; the Neighborhood Club paid for the heat, light and janitor services; and the County Library supplied the furniture, books, supplies and salaries.

It was the policy of the Wayne County Library that as soon as a community provided a separate building for a library the County Library would supply a professional librarian. Thus in February 1922 Miss Florence Severs was appointed the Branch Librarian of the Village Branch; and Grosse Pointe had the first library building and first professional librarian, outside the Main Headquarters, in the Wayne County Library System. Another station was opened that year, with a very limited collection, in the Goodrich Confectionery Store on Mack avenue in Lochmoor. And most important of all that year, as a result of a petition by Mrs. Charles Marden to the County Library, with the approval of the officials of Grosse Pointe Park, another County library was opened in the Municipal Building in Grosse Pointe Park. Known as the Park Branch, and under Miss Severs' supervision, this library soon became a popular one in spite of being located in the basement and open only part time.

In June of 1928, a motion was presented and approved at the Annual School District Meeting that a study be made of the establishment of a public library. The following year at the Annual Meeting the Board of Education accepted the recommendations to establish a library to serve the entire School District; and to contract with Wayne County for a period of three years, so that the library could be organized before it was taken over by the School Board. And so in June 1929 the Grosse Pointe Public Library was born. The Park Branch became the Main Library with Miss Severs and her staff, including Mrs. Helen Finster her assistant and Cataloger. This location for the headquarters proved to be a good one, for library use increased rapidly. The physical features of the quarters left much to be desired but the quality of the book collection, a trained staff and eager patrons made up for the shortcomings.

The library on Waterloo became the Village Branch with Miss Jean A. Taylor as the librarian in charge. She was also the Director of the Children's Department for the entire library system, in which capacity she served until she retired a few years ago. There are many Grosse Pointers who recall this library and its subsequent locations; but I'll wager that the original Village Branch

evokes the most nostalgia. This small cottage had a cozy atmosphere with bright windows, soft colored walls, attractive plants and flower arrangements, (due to Ruth Bundy's green thumb and artistic touch), and on a cold night the crackle of the fire in the space burner. Sometimes this necessitated the emptying of a coal scuttle by the librarian. This setting was enhanced by the book collection most temptingly displayed in the three small rooms. By 1937 the increased use necessitated a move to larger quarters. Two cottages were joined and housed the City Branch (by that time the Village had become the City) on the present site of the Maire School. The gay black and Chinese red painted shelving gave it a fresh bright look. When the Maire School was built, the library was moved over to Notre Dame and library activities continued as usual. When the Central Library was opened in 1953 the City Branch closed forever.

It soon became apparent that the library facilities for Lochmoor had to be increased; and in September 1938 a library, in a converted store, was opened on Mack near Vernier road. I'll never forget the enthusiasm of the patrons who came in such numbers on a beautiful fall afternoon to the opening, that we had to move the tea table out on the sidewalk. They continued to come for their books so that we had to lengthen the hours. And it was with great satisfaction that we were able to move into a wing of the Parcels Junior High School when it was completed in 1949. This branch continues to have excellent usage, and, of course, is now known as the Woods Branch.

In October, 1939 the Main Library moved into a wing of the new John D. Pierce Junior High School. This was the result of community interest in a petition drive for enlarged quarters. At last there was space for a book collection to meet the interest and needs of our patrons. The attractive library with lovely paneling was furnished in Williamsburg period furniture. It soon became a very popular spot.

For the next nine years the Main Library with the Village Branch, a small branch in the Woods, stations in the Grosse Pointe Farms and Shores Municipal Buildings, were the sources of library service, with constant growth in use. But in January 1949 the Woods Branch was established in a wing of the new Charles A. Parcels Junior High School. This library, with its attractive light furnishings, soon proved that enlarged library service was needed in that area.

On April 1, 1949, Miss Florence Severs retired, after 21 years of distinguished service. Mr. Robert M. Orr assumed the duties of Director of Public Libraries on August 1, 1949.

The new headquarters of the Library, the Central Library, was opened on January 26, 1953. At that time the old Main Library became the Park Branch, and the City Branch was closed. Shortly thereafter the stations were also closed. The Central Library had been a gift of Mr. D. M. Ferry, Jr. and furnishings contributed by Murray Sales and a number of organizations. This building was a wonderful gift and appreciated by many. Besides its many library services, it is noteworthy for its examples of modern art, gifts of Mr. Hawkins Ferry. The Central Library had a rapid growth in services used for years, until the cuts in staff, book budgets and other services. The Branches have reflected the same results.

I cannot believe that this community, which I served during my 34 years as a member of the Library staff, has lost its interest in its cultural heritage, in the pertinent issues facing the world today, nor its pleasure in recreational reading for young and old. There certainly has never been a time when we have needed these more.

The obvious excitement of equestrian competition permeates the Grosse Pointe Horse Show, which opened yesterday and will continue through Sunday at the Grosse Pointe Hunt Club, in Cook road, but there's more than a little social excitement in the Hunt Club air these five days, too.

Last night, at the close of Day One's Show activities, the Hunt Club hosted an exhibitor-member cocktail party, followed by a cookout-buffet in the big concession tent near the Show ring.

There was tap beer, served in steins, and a side of beef roasted over an open pit. There was rousing music, supplied by Herb Lang's Original German "Oompha" Band, its members attired in—what else?—traditional lederhosen.

It was a great party.

And there's another great party coming up Saturday night, when members, exhibitors and guests mingle at the Annual Horse Show Dinner-Dance. Steaks grilled to order are the fare here.

Receiving diplomas from Lawrence Institute of Technology June 4 were Grosse Pointe High School graduates GEORGE A. RAGO, JR., who served as treasurer of the Newman Club at L.I.T. and resides with his wife, JANET, in Anita avenue, Associate in Engineering; THOMAS VENETTIS, of Sheldon road, a member of Alpha Sigma Phi fraternity, Bachelor of Science in Industrial Management; and RICHARD A. HENDERSON, of Lennon road, Bachelor of Science in Industrial Management.

Among Marygrove College President's Council members invited to attend an informal supper party recently on the campus, at which plans for an exciting fall fund-raising event were announced, were the JOSEPH J. MARSHALLS, of Harbor Hill, and MR. and MRS. THOMAS LOCICERO, of Three Mile drive.

JACK A. TOMPKINS, of Tonnancour place, has been elected president of the University of Michigan's "M" Club of athletic letter winners. Mr. Tompkins won six "M's" in baseball and hockey while at Michigan, was named to the All-American hockey team for two years and served as student representative on the University's Board in Control of Athletics. He is the only man ever to serve as captain of two major sports at the University: Baseball in 1932, hockey in 1931. His record of having played every minute of each hockey game his team played for three years has never been equaled.

Perfect Place For A Party

George P. Johnson's Whittier road gardens are perfectly beautiful, designed and executed under his personal supervision, so the ladies of Saint John Hospital's Fontbonne Auxiliary were perfectly delighted when Mr. Johnson offered his landscaped area as setting for a June 28, (in case of rain, June 29), benefit garden party. Standing on a bridge near his grinding mill with its red water-wheel, which took three years to complete, MR. JOHNSON points out specific garden features to MRS. JOHN ELIAS, (left), party chairman, MRS. WILLIAM RUSH, (second from right), co-chairman, and MRS. DARLENE LARSEN, publicity chairman for the event, designed to raise funds for Saint John's Neo-Natal Intensive Care Unit expansion. Reservations are being accepted through tomorrow, Friday, June 23, at the Fontbonne Office, 881-8200, Extension 545.

State Medical Society to introduce students to community medical practice as a complement to the academic studies, (its formal name is the Student American Medical Association Project for Medical Education and Community Orientation: SAMA-MECO), will be Pointer THOMAS H. WEBSTER, 23, holder of a Bachelor of Science degree in Zoology from the University of Michigan, a first-year medical student at Wayne State University.

Among students who have earned berths on Michigan State University's 1972 Lacrosse Team are Notre Dame High School graduate RON HERBERT, an MSU freshman, on the verge of breaking all Spartan goalie marks in the record book, (his 44 saves against Oberlin cracked the Spartan record by 16), son of the ROY HERBERTS, of Hawthorne road; Bishop Gallagher High School graduate BOB JURATOVAC, a senior Education major beginning his second year as a stickman, (his strong point is defense), son of the PETER JURATOVACS, of Raymond road; and Grosse Pointe North High School graduate PAUL SAFRAN, senior attackman, currently the fourth leading scorer for State with 11 of his shots bounding into the opposing nets, (his four goals against Illinois this year is the second highest total ever in a single game for the Spartans), son of the JOHN SAFRANS, of Huntington boulevard.

Presently on leave en route to a tour with the United States Army Corps of Engineers in Karlsruhe, Germany, is CAPTAIN ALTON P. DONNELL, JR., who with his wife, the former CAROLYN CUNNINGHAM, (they were married December 27 in Cornwall, Ont.), will spend 10 days with the SENIOR DONNELLS, in Balfour road. Reception Bow For Miss Lee

Candace Elizabeth Lee, daughter of the Harold Lees, of Lakeland avenue, was presented to society last Thursday, June 15, at a reception given by her aunt, Mrs. Simpson C. Leonard, in her Elm court home.

Bowls of roses filled the house for the 4 to 6 o'clock party, scheduled for the garden before the rains came, and pink and white was the decorations' color motif.

A refreshment table on the porch, covered with a pink cloth, featured white geraniums, in pots. Candy, tall and blond, chose a frock of off-white, apple green and pink, while her mother's dress was floral-printed in pink shades, her aunt's pink and white.

The trio formed a receiving line for their 100 guests, Candy carrying a nosegay of pink Sweetheart roses.

Miss Lee, a sophomore Landscape Architecture major at Michigan State University, is spending the summer in London, member of a 50-student MSU group that's studying four days a week at the University of London, enjoying long field trips in the English countryside each long weekend.

Pair Traveling to England, to Study at Oxford this Summer; Will Tour Continent Before Returning Home

Julie Elizabeth Spencer and Robert Perry Peterson exchanged marriage vows Saturday, June 17, in St. Clare de Montefalco Church. The Reverend Frank P. Sullivan officiated at the noon ceremony, which was followed by a reception at the bride's parents Trombley road home.

The bride, daughter of Mr. and Mrs. Donald R. Spencer, chose a white chiffon gown with a high neckline, cuff sleeves and Empire bodice embroidered with Venise lace.

She wore flowers in her hair and carried a small cascade of white daisies, with yellow rosebuds.

The bridegroom is the son of Mr. and Mrs. Robert V. Peterson, of South Renaud road.

Priscilla Spencer served as her sister's maid of honor, in a pale blue organza gown with a white embroidered front panel. She wore flowers in her hair and carried a bouquet of yellow daisies and white rosebuds.

Thomas H. Purves, of Elsie, Mich., served as best man. Acting as ushers were Robert J. Fuehr, of Athens,

O., Mark T. Hodgman, David H. Deal, of Scottsdale, Ariz., and David R. Bell.

The bride's mother chose a sleeveless, pastel floral print silk dress. Mrs. Peterson wore an aqua faille coat and dress ensemble. Both mothers selected white rosebud corsages.

The newlyweds will continue their studies this summer at Oxford University in England, then travel on the continent before returning home.

Out-of-town guests included the bride's grandmother, Mrs. W. M. Spencer, of Ann Arbor, Mr. and Mrs. William A. Paterson, of London, Ont., Mr. and Mrs. Wendell L. Page, of East Lansing, Ralph Peterson and Mr. and Mrs. Raymond Peterson, from Ann Arbor.

Raymond Joseph Grzeskowiaks Will Reside in East Lansing While He Studies for His Masters Degree in Marketing

Kathryn Ann Edwards, daughter of Mr. and Mrs. Richard C. Edwards, of Chalfonte avenue, became the bride of Raymond Joseph Grzeskowiak, son of Mr. and Mrs. John J. Grzeskowiak, of Wyandotte, at a 10 o'clock double ring ceremony Saturday, June 17, in Saint Paul's-on-the-Lakeshore. Monsignor Frances X. Canfield officiated at the rites.

The bride wore a puff-sleeved, Empire-waisted gown of embroidered organza trimmed with pink satin ribbon

A floor length mantilla fell from her Camelot headpiece, also trimmed in pink satin, and she carried pink roses, white carnations and white baby's-breath, centered with an orchid.

Mrs. Ron Dorobek served as matron of honor. Bridesmaids were Patricia Edwards, sister of the bride, and Jean Edmundson and Jane Selmo, the bride's former school roommates.

They wore frocks of pastel-flowered silk, fashioned with Empire waists and high collars, trimmed in blue velvet. They carried pink roses and white daisies.

Best man was Ronald Dorobek. Ushers were Leonard Kulik, Dick Plak and Gary Tarnacki, all of Wyandotte.

The mother of the bride wore a street-length dress of hot pink chiffon, trimmed in

white lace. Her corsage was a pink orchid.

The bridegroom's mother chose a pink crepe dress, with a pink lace bodice. Her corsage was also a pink orchid.

Among guests at the luncheon reception at Flamingo Hall immediately following the ceremony were Mrs. Cullen Edwards, paternal grandmother of the bride, her uncle and aunt, Mr. and Mrs. Robert Edwards, and their family, all of Fort Wayne, Ind., Mr. and Mrs. Raymond Schumann, another uncle and aunt of the bride, of Walden, N. Y., and Mr. and Mrs. J. R. Grzeskowiak and their family, of Chalfonte avenue, and Mr. Grzeskowiak, son of the John J. Grzeskowiaks, of Wyandotte, was Saint Paul's-on-the-Lakeshore.

The bridegroom's sisters, Sister Louis de Montford and Sister Ronald, both of Toledo, also attended.

After a short vacation on Lake Michigan, the newlyweds will reside in East Lansing, where the bridegroom will finish his Master's program in Marketing at Michigan State University.

Artists Market Show To Open

The Detroit Artists Market's "Art on a Budget," last scheduled show of the current season, featuring works of 100 contributing artists priced under \$50, opens Friday, June 23, and continues through Friday, July 14, at the Gallery in Randolph street on Harmonie Park.

Regular Gallery hours in June are Monday through Saturday, 10 to 5 o'clock. Monday through Friday, 10 to 5, is the July schedule.

The exhibition is being held in conjunction with Detroit Adventure's summer program involving the Inner City. As one of 27 cultural groups which form Detroit Adventure, the Artists Market provides a viable place for Detroiters to purchase quality art works.

"Art on a Budget" offers paintings, prints, graphics, ceramics, weaving and jewelry to young collectors, new collectors, and the community in general.

The Detroit Artists Market will participate June 28 in a poster-making workshop to be conducted throughout the downtown area by the Detroit Historical Museum. This effort, also, is part of Detroit Adventure's summer program.

Inner City children will be instructed in poster-making in Harmonie Park from 2 to 4 Wednesday, June 28, by Artists Market volunteers. Simultaneously, workshops

will be in progress throughout the downtown area.

Children will carry posters, keyed to "My Feeling About America," in the Independence Day parade on Woodward avenue.

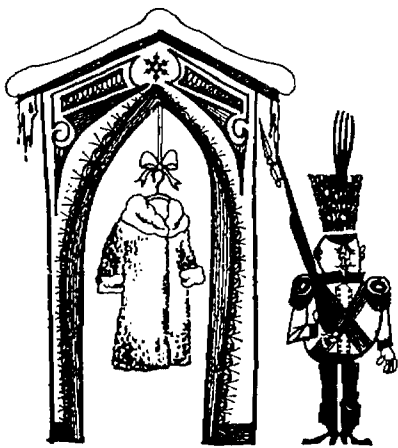

Mrs. Jack E. Rosch is chairman of the "Art on a Budget" show and coordinator of the poster-making workshop. Assisting Mrs. Rosch with organizing and hanging the show are Mrs. Robert Hutchison, Mrs. Jean Mesritz, Mrs. Richard M. Silven and Mrs. Wyman D. Barrett, Jr.

Mr. and Mrs. John I. Martin, Jr., of North Renaud road, are announcing the engagement of their daughter, DIANE CHRISTINE, to Thomas Donald Yannitelli, son of Dr. and Mrs. Salvatore Yannitelli, of Battle Creek.

Diane was graduated from Grosse Pointe South High School and attended Endicott College, Beverly, Mass. She is presently completing her studies at the University of Michigan.

Her fiance, graduated from Battle Creek High School, will receive his degree from the University of Michigan in August. A late summer wedding is planned.

'Fling' Planned By Christ Child

Christ Child Society members, husbands and guests will have a "Fling" at the Roostertail's Upper Deck this Saturday, June 24, starting at 7 o'clock. It will be an informal affair, featuring free beer, cocktails, beef buffet and dancing.

The Upper Deck will be all decked out. Tiny Italian lights will flicker in topiary trees. Candelit tables will wear gaily-colored cloths.

The most exciting decor should be provided by partygoers themselves, women in

mini skirts, hot pants or popular long skirts complementing colorful sport clothes men now are so happily wearing.

Weather permitting, many of the couples will be arriving by canoe, yacht or houseboat, tying up in the Roostertail's marina.

Hostesses for the evening include Mrs. James Connolly, chairman of the whole Fling thing; Mrs. Harold Goldsmith, Mrs. Robert Reason, Mrs. David Smith, co-Chairmen Mrs. John Mortell

and Mrs. John Tulloch. Proceeds will go towards maintenance of Christ Child House on Joy road and the Christ Child School.

Christ Child Society is a non-profit organization established to take care of unfortunate children regardless of race, creed or color. Reservations may be obtained by contacting Mrs. Connolly at MI 6-2160, Mrs. Mortell at UN 4-8148 or Mrs. John Tulloch at TU 2-0486.

Among those who plan to arrive via their boats are Mr. and Mrs. George Vanlokoren, Mr. and Mrs. Donald Rothang, Mr. and Mrs.

George Gotshall and Mr. and Mrs. Victor Breidenbach.

Pointers who've already announced their intention to attend include Mr. and Mrs. Edward Monahan, Mr. and Mrs. Jack Steffin, Mr. and Mrs. Bruce Bartsch, Dr. and Mrs. Eugene Freitas, Mr. and Mrs. Robert Molloy, Mr. and Mrs. Frederick Evatz, Mr. and Mrs. Stanley Stone, Mr. and Mrs. Stanley Stone, Mr. and Mrs. William Ort, Dr. and Mrs. Ralph F. Woodbury, Dr. and Mrs. Elmer O'Berski, Mr. and Mrs. Thomas F. McGann and Mr. and Mrs. Shad Kozlowski.

Set Huguenot Society Picnic

The Huguenot Society of Michigan will hold its annual picnic this Sunday, June 25, at Husbrouck House near Marshall, Mr. and Mrs. Max Bushong are host and hostess. Miss Maralyse Brooks, of St. Johns, president, will officiate at a board meeting preceding the picnic. Attending from The Pointe area will be Mrs. Arthur H. Bacon, Berrien Eaton and Mrs. H. A. Powell.

Hold Gold Cup Dinner Tonight

The Gold Cup Patrons Dinner this evening at the Roostertail is a complete sellout, according to Spirit of Detroit Association's Commodore Paul Ketterman.

The \$100-a-couple event, one of the Association's annual fund-raisers, will evoke memories of past Gold Cup races as boat racing greats of former years mingle with backers and participants in the 1972 contest.

Band leader Guy Lombardo, who raced his own unlimited hydroplanes, The Tempo boats, in Gold Cup

races of the 1940's, will lead his orchestra.

Among those expected to attend are Detroit Mayor and Mrs. Roman Gribbs, Dearborn Mayor Orville Hubbard, Mr. and Mrs. Ketterman, Vice Commodore and Mrs. John Dubrovich and Rear Commodore and Mrs. Ervin A. Steiner, Jr.

Movies of the 1968 Gold Cup Race, the most recent year that it was held in Detroit, will be shown. Scale model hydroplanes, exact miniatures of the life-size boats, will be displayed by Unlimited Unanimous De-

troit, a group of model-racing hydroplane enthusiasts.

Boat racing people, participants and spectators, are in Detroit in full force all this week. Qualifying trials began Tuesday morning, June 20, on the Detroit River.

The big boats are racing against the stop watch from 8 to noon and again from 1 to 5. Tuesday through Friday. Boats and drivers take a day off Saturday.

The Gold Cup Race starts at noon Sunday, June 25.

Mid-Century Sends Pointers To Toronto

Five Pointe women represented Mid-Century Toastmistress Club at the Sixth Annual Great Lakes Conference of International Toastmistress, held in Toronto, Canada, the weekend of June 9 to 11.

Mrs. W. S. (Maxine) Riesenberger, president-elect of Mid-Century, was the official voting delegate. Also attending were Mrs. Robert (Jean) Burrow, Jr., alternate delegate and alternate speech contestant for Council Four, Mrs. Harold (Mary) Dewey; Mrs. Mary Evelyn Self and Mrs. Philip (Marian) Skillman.

Theme of the Conference, hosted by Metropolitan Toronto, was "The Age of Excellence." Besides official business, the Regional Speech Contest and a variety of workshops were held.

The Pointe women attended workshops on Advanced Parliamentary Law, Membership Recruitment, Public Introductions, Microphone and TV Techniques, Effective Speech Preparation and Human Relations.

International Toastmistress is the largest non-profit women's educational organization in the world. It is dedicated to helping women reach their full potential, and to prepare them to take an active part in their other activities, whether business, PTA, church, charity or social functions.

Miss Vendittelli Wed in St. Paul's

Home in Mount Clemens Awaits Newlyweds, Vacationing in Northern Michigan After Friday Evening Marriage Service

Saint Paul's-on-the-Lakeshore was the setting for the wedding of Francesca Karla Vendittelli, daughter of Mr. and Mrs. Dominic D. Vendittelli, of Madison road, and Patrick Joseph O'Grady, son of Mr. and Mrs. James O'Grady, of Three Mile drive.

The 5 o'clock rites Friday evening, June 16, at which Monsignor Frank Canfield presided, were followed by a reception at the Grosse Pointe Yacht Club.

The newlyweds are vacationing in northern Michigan. They will make their home in Mount Clemens.

The bride's ivory silk chiffon gown featured an Empire bodice, mandarin neck and Bishop sleeves ending in wide cuffs of re-embroidered Alencon lace. Crystal and pearl embroidery accented

the lace at her bodice and neck, and her skirt ended in a Chapel train.

A small pillbox of matching lace secured her bouffant illusion veil. She carried an arrangement of gardenias, stephanotis and baby's breath.

Honor matron Mrs. Christopher Mannino, the bride's sister, and bridesmaids Mrs. Richard Kristufek, Michelle Brugnoli and Mary Kay O'Grady, the bridegroom's sister, carried nosegays of Sweetheart roses and baby's breath.

Troth Told

Mr. and Mrs. Willard Krause, of Hampton road, are announcing the engagement of their daughter, NANCY, to Bruce Hassan, son of Mr. and Mrs. Morris Hassan, of Trenton. A September wedding is being planned.

The bride-elect, a Grosse Pointe South High School graduate, received her Bachelor of Science degree from the University of Michigan this May. Her fiance attends Wayne State University.

Miss French Bows At Tea

Catherine Carrig French made her bow to society Wednesday afternoon, June 14, at a 3 to 5 o'clock tea at the Little Club, presented by her parents, Mr. and Mrs. James M. French, of Country Club lane.

The 300 guests, including the deb's own friends, friends of her mother and father and of her grandmother, Mrs. John H. French, arrived at a Grosse Pointe Club shimmering with white daisies and antique silver, daisies and ivy spelling out Kiki's name at the entrance hall archway, daisies and greenery decorating the nine-foot tea table, Mrs. John French's creation, covered in antique lace and set with her antique silver tea service, silver candleabra and crystal-and-silver epergnes filled with daisies, ivy and smilax.

Kiki, in a sleeveless, daisy-fresh afternoon dress, received with her mother in the library, standing before a fireplace banked with

Carol Degen Bride Of D.A. Leininger

Selects Empire-Waisted White Silk Organza Gown, with Re-Embroidered Alencon Lace Accents, for Candlelight Rites

Planning to make their home in Hillcrest avenue when they return from a two-week vacation in Bermuda are Mr. and Mrs. Duane Alan Leininger, whose candlelight wedding Saturday, June 17, in Saint James Lutheran Church, was followed by a reception at the Grosse Pointe War Memorial.

The bride, the former Carol Harriet Degen, daughter of Mrs. H. Frederic Degen, of Allard road, and the late Mr. Degen, was given in marriage by Robert F. Bode.

She chose a white silk organza gown, fashioned with an Empire waist, Chapel train, mandarin neck, Bishop sleeves and a line skirt appliqued with re-embroidered Alencon lace, for the 5:30 o'clock rites at which the Reverend George E. Kurz presided.

Her silk illusion veil fell from a half-hat of matching lace, and she carried a cascade of stephanotis and

phalaenopsis orchids, with ivy foliage.

In floor length frocks of lilac voile trimmed with matching embroidery, complimented by large picture hats, were honor maid Elizabeth J. Bode, whose basket of pink daisies and purple statice was accented with pink Sweetheart roses, and bridesmaids Carol A. McKenna and Mrs. Thomas E. Hogan, the bridegroom's sister, carrying baskets of daisies and statice.

The bridegroom, son of the late Mrs. Wilbert Hogg and the late William Leininger, of Detroit, asked Carl M. Smith to act as best man. Seating the guests were Alex-

ander Merkau and Thomas E. Hogan.

Jeweled beading accented the neckline of the bride's mother's floor length shocking pink costume. She pinned cymbidium orchids to her purse. The bridegroom's grandmother, Mrs. Clarence Downing, wore a long apricot-colored gown, with chiffon sleeves. Her purse corsage, too, was fashioned of cymbidium orchids.

Out-of-town guests included Mrs. Rene Allard and Mrs. William McNair, of Philadelphia, formerly of Rosedale Park.

Benson Fords Feting Doctors

Mr. and Mrs. Benson Ford, of Lakeshore road, will host a buffet dinner at the Grosse Pointe Club Tuesday, June 27, for over 450 physicians from all over the world attending an international symposium at Henry Ford Hospital June 26 through 29.

The informal dinner will be served under a special canopy on the lakefront.

Mr. Ford is president of the board of trustees of the Hospital. Mrs. Ford is a member of the board.

Also in the receiving line will be Boy Frame, M.D., of Lakepointe avenue, chief of the Fifth Medical Division of Henry Ford Hospital, general chairman of the symposium, and Mrs. Frame, and Stanley R. Nelson, of Bloomfield Hills, executive director of the Hospital, and Mrs. Nelson.

Out-of-town guests will arrive at the Club following a tour of downtown Detroit and the Lakeshore area.

The party is one of the few social events interrupting an intensive series of meetings on the "Clinical Aspects of Metabolic Bone Disease." The Detroit Program is an official satellite symposium of the fourth International Congress of Endocrinology, being held this week in Washington, D. C.

Most of the world leaders in mineral metabolism and

metabolic bone disease will be at the Detroit meetings. Physicians, scientists, researchers and medical specialists already registered represent all the countries of Europe, England, India, Israel, Canada, Soviet Russia, Australia, Japan, the Philippines Thailand and several South American countries.

The highlight of the dinner will be the Garter Snappers musical group, entertaining with a ragtime variety show of songs, dances and skits.

The group, three banjos, a bass banjo, trumpet, piano and drums, specializes in razz-ma-tazz reminiscent of vaudeville. Members include Ford Hospital staff members, auto industry executives, engineers and a carpenter.

In addition, Jack Qualey and his orchestra will offer dinner and dance music.

During advance registration at the Hospital, a reception for early arrivals will take place Sunday, June 25, from 4 to 7 o'clock on the spacious Clara Ford Nurses' Home lawn at Byron and Bethune avenues.

Members of the Henry Ford Hospital Staff wives Club will serve as hostesses at the reception, and during the symposium.

Cheryl Lee Smatlak Wed To Mr. Peters

Pair Will Reside in South Bend, Ind., Upon Their Return from Vacation in Michigan's Upper Peninsula

A reception in the King George Room of the Georgian Inn followed the wedding of Cheryl Lee Smatlak and Robert C. Peters Saturday afternoon, June 17, in Grosse Pointe Methodist Church.

She is the daughter of Mr. and Mrs. Rudolph G. Smatlak, of Middlesex boulevard. The bridegroom is the son of Mrs. Clifford B. Peters, of Buchanan, Mich., and the late Mr. Peters.

The newlyweds will return from a vacation in Michigan's Upper Peninsula to make their home in South Bend, Ind.

For the 4 o'clock rites at which The Reverend Perry Thomas presided, the bride chose an ivory silk organza gown, appliqued with seed pearl-beaded peau d'ange lace at her fitted bodice and high neckline, fashioned with Bishop sleeves and an attached train.

Matching lace edged her floor length illusion veil, and she carried a semi-cascade of white roses and daisies, with baby's-breath and ivy.

Her attendants' frocks of floral-printed chiffon, in shades of green, yellow and peach, featured fitted bodices trimmed with green satin. Honor maid was Karen

Jean Smatlak, the bride's sister, and bridesmaid was Kathleen Mary Werth. Their Colonial bouquets were fashioned of baby's-breath dotted with yellow and white daisies, and apple green ribbon streamers accented the front of their gowns.

Larry C. Smith, of Hillsdale, was best man. Ushers were Dale M. Pfingst, of Edwardsburg, Mich., the bridegroom's cousin, and James Gaeremink.

The bride's mother wore a floor length dress of powder blue silk crepe, with a long-sleeved, hip length jacket. The bridegroom's mother selected a street length dress of pale blue crepe, short-sleeved, with black patent accessories. Both mothers chose corsages of white roses and baby's-breath.

LYNN BERNICE ENGSTROM, of Three Mile drive, has received a Bachelor of Arts degree from Southern Illinois University, Carbondale.

Mrs. Robert C. Peters

Married to Mr. Peters, son of Mrs. Clifford B. Peters, of Buchanan, and the late Mr. Peters, Saturday, June 17, in Grosse Pointe Methodist Church was CHERYL LEE SMATLAK, daughter of the Rudolph G. Smatlaks, of Middlesex boulevard.

the bride's brother, Rick Pochmara, Tim Laske, Dan Zelenak, Steve Parker and Dan Moylan. Out-of-town guests included the bride's uncle and god-mother, Mr. and Mrs. Walter Brysacz, of Avon Lake, O., her uncle and aunt, Mr. and Mrs. Charles Henneberger, of New York, and another uncle and aunt, Mr. and Mrs. Frank Bartos, from Lansing.

Miss Summers Speaks Vows

In Birmingham's First United Methodist Church Saturday, June 17, Sheridan Susan Summers, daughter of Mr. and Mrs. Norman J. Summers, of East Jefferson avenue, Detroit, formerly of Bournemouth road, and Philip Brown, son of The Reverend and Mrs. J. Bruce Brown, of Birmingham, were married.

The Reverend Brown presided at his son's 2 o'clock wedding, which was followed by a tea reception in the Church Fellowship Hall.

The newlyweds are vacationing in Toronto. They plan to make their home in Ann Arbor, where the bridegroom will return to his studies at the University of Michigan in September.

The bride's ivory silk A-line gown was floor length, fashioned with a train, fitted bodice and Mandarin neck. Brussels lace accented her collar, bodice, sleeves and cuffs.

She wore an elbow length Brussels lace mantilla and carried a cascade of white roses.

Honor matron was Mrs. Robert Smith, of Bay City, honor maid Mary Sue Boyd. Bridesmaids were Barbara and Ruth Ann Brown, the bridegroom's sisters.

Their frocks of French voile, peasant-printed in muted shades of white, magenta, blue and pink, featured smocked bodices and puff sleeves. They carried spring flowers in wicker baskets.

Stephen Brown was his brother's best man. Norman Roller, Paul Kluzak and Rocky Pozza ushered.

A soft pink crepe A-line dress, touched with lace at her bodice and sleeves, was Mrs. Summers' choice for her daughter's wedding. Her corsage was an orchid.

The bridegroom's mother chose a pale blue coat and

John Richard Flemings Are Cruising in the Caribbean, Will Return to Detroit to Make Their Home

The wedding of Marianne Bartos, daughter of Mr. and Mrs. Edward Bartos, of Edshire lane, and John Richard Fleming, son of the Richard Flemings, of Detroit, Friday evening, June 16, in Our Lady Star of the Sea Church, was followed by a reception at the Roostertail.

The newlyweds are cruising the Caribbean. They will return to make their home in Detroit.

Alencon lace and seed pearls accented the bride's ivory silk organza gown, and her illusion mantilla was edged with matching lace. She carried an old-fashioned bouquet of daisies, carnations, roses and stephanotis.

Persiding at the 5 o'clock rites were The Reverend Vincent Schuster and The Reverend Stanley Krogiel.

In cornflower blue frocks trimmed with white lace, carrying baskets of white and yellow daisies, were Beth Bartos, who served as her sister's honor maid, and bridesmaids Patsy and Sue Bartos, two other sisters, Nancy and Maureen Fleming, the bridegroom's sisters, Donna Rogers and Rose Zelenak.

Grosse Pointe Hunt Club Reception Follows Afternoon Rites at Which She Becomes Bride of Timothy Gerard Sullivan

Vacationing in Europe are Mr. and Mrs. Timothy Gerard Sullivan, who spoke their marriage vows Saturday, June 17, at 2:30 o'clock ceremony in the Barbour Chapel of Grosse Pointe Memorial Church, with The Reverend Eugene Locke presiding.

Mrs. Sullivan is the former Linda Sue Nissley, daughter of Mr. and Mrs. S. Keller Nissley, of Berkshire road, who entertained at a reception at the Grosse Pointe Hunt Club following the service.

Mr. Sullivan, of Rochester, N. Y., where the newlyweds will make their home, is the son of the late Mr. and Mrs. Timothy Sullivan, of New York City.

Pearl clusters accented the re-embroidered Alencon lace on the bodice of the bride's ivory organza and lace gown,

and a scalloped lace band edged her hem. More lace appliques were scattered over her sheer, detachable train.

Her Cathedral length mantilla fell from a pearl-studded lace headpiece, and she carried an arrangement of yellow-throated white cattleya orchids.

She was attended by her sister-in-law, Mrs. Robert Nissley, whose floor length frock of yellow organza over peau de soie was accented by a white collar and cuffs. Her bouquet featured yellow-centered white daisies,

baby's-breath and mixed green foliage.

Coming from New Providence, N. J., to serve as the bridegroom's best man was James D. Blum, Robert H. Nissley, the bride's brother, and Gerald St. Amand ushered.

The bride's mother, in a street length dress of multi-colored pastel print on white chiffon, pinned small white

orchids to her purse.

Out-of-town guests included the bridegroom's sister, Patricia Sullivan, of New York City, and former Detroiters Mr. and Mrs. Robert Keller, who now make their home in Los Angeles.

Saint John Accepts Flag From John Sackett DAR

The John Sackett Chapter, National Society, Daughters of the American Revolution, recently made its annual presentation of an American flag to the Saint Edward Chapel at Saint John Hospital.

During the presentation ceremony, a Papal flag, which traditionally stands at the opposite side of the altar from the American flag, was presented as a gift to the Hospital by Mr. and Mrs. Bernard Green.

The flag presentation was arranged through the Green's daughter, Barbara, a Registered Nurse and administrative assistant in Nursing Service at Saint John, who suggested the Chapel as recipient. In March, Miss Green was named 1972 Outstanding Junior Member of the Michigan Daughters of the American Revolution at the group's state conference in Lansing.

Each year, the DAR Chapter presents an American flag to an organization such as a school, church, lodge or business. This is the first time the presentation has been made to a hospital.

DAR members from throughout the Detroit area were on hand for the official ceremony. The flags were carried in by Miss Green and another DAR member, Lucille Eckard, R. N., a staff nurse in Saint John's Coronary Care Unit. The actual presentation was made by Mrs. Walter Fyish, of Southfield, Chapter chairman.

Accepting the flags on behalf of the Hospital were James T. Farley, Saint John president, Sister Verence McQuade, assistant administrator, and Father Peter Decker, chaplain.

Miss Cinelli Bows At Ball

As it was for her older sister, Francesca, the Italian Renaissance was theme for Gioconda Cinelli's debut ball Wednesday evening, June 14. Blue and white were the colors as Mr. and Mrs. Ferdinand Hartz Cinelli presented their daughter at the 10 o'clock party in their Voltaire place home and gardens.

Miss Cinelli, granddaughter of Mrs. Arthur B. McGraw, of Kenwood road, and the late Mr. McGraw, and of Mrs. Frances Hartz Cinelli, of Birmingham, and the late Italian author Delfino Cinelli, of Florence, received with her mother and father in the library.

Pearl and lace embroidery accented Gigi's traditional long white satin gown. She carried red Sweetheart roses and ivy. Her mother's gown, sleeveless and Empire-waisted, was of pink chiffon.

Tiny candles winked in the windows of the Cinelli's home, and the shield of San Marino, (Mrs. Cinelli is the miniature nation's consul here), was at the doorway, while the entrance hall was hung with the family's collection of silk flags from Sienna, already donated to the Detroit Institute of Arts.

Pots of white geraniums dotted the garden, and blue and white were the colors on the screened terrace. After dancing the night away to music by the Guardian Angels, the young revelers enjoyed an early morning breakfast.

The deb's ushers included George Sylvestri, Rocky Flintermann, Timmy Marks, Corky Caulkins and John Graffius. Among her many friends who came to town for the party were a cousin, Paul McGraw, from New York, Jean Farnham, from Rochester, N.Y., Jessie Hill, from Philadelphia, Mark Vappi and Alexandra Evans, from Milton, Mass., David Cunningham, from Marion, Mass., and Jonathon Loring, from Princes Cross, Mass.

After graduation from the Milton Academy, Milton, Mass., Gigi studied art in Florence, with Francesca, and has most recently been active as a volunteer with the New York Museum of Modern Art. She plans to enter Tufts University's Jackson College in the fall.

She and Francesca are spending the summer in New York, sharing their grandmother's apartment overlooking the East River.

Before her party, Miss Cinelli and Helen Exley, who bowed at a tea dance reception Sunday, were honored by Mr. and Mrs. Lem Bowen, of Elm court, at cocktails and dinner.

C. R. Hastings To Claim Bride

Dr. and Mrs. Henry Wise Wood, Jr., of Norfolk, Va., have announced the engagement of their daughter, Maryanne Roberta, to Charles Wendling Hastings, son of the Reverend Dr. and Mrs. Wendling Hastings, former Pointers who now reside in Topeka, Kan. and Presque Isle.

Dr. Hastings is a former pastor of the Fort Street Presbyterian Church, and founded the Grosse Ile Presbyterian Church.

The bride-elect, a graduate of St. Catherine's School, Richmond, Va., was graduated in May from Goucher College. She made her debut in June, 1969, at the Val du Bois Ball, Richmond.

Mr. Hastings, graduated Phi Beta Kappa from the University of Kansas, is a senior at John Hopkins Medical School, Baltimore. An August wedding is planned.

MARK C. STEVENS, of Moross road, president of the Detroit Historical Society, presided at the Society's 50th annual meeting May 22, in the Dossin Great Lakes Museum.

OUR
FIRST OFFERING

GRAYTON 4261—English Colonial in nice condition and located in excellent area. Three bedrooms, one and a half baths plus modern kitchen. Only \$28,000.

OPEN SUNDAY 2:30 to 5:00
78 MEADOW LANE—Does the English style get to you—Tudor or Cotswold? This is neither—but a real English Cottage and on a dead end street. Close to everything. If you're looking for four bedrooms, a large library, modern kitchen, plus many extras—stop by Sunday—it won't last.

1372 DEVONSHIRE — Early fall possession at the latest—time for school—think about it. Here's a classic buy. The true family home. Solidly built. Modernized. Four bedrooms, library and family room. Walking distance to most everything. Priced in the fifties.

1061 FAIRHOLME—Spanking clean, three bedroom, one bath ranch. Attached garage, nice location. So many good features too numerous to mention, so come by Sunday and see for yourself.

SHOWN BY APPOINTMENT
FANTASTIC! Yes, and you can catch all the fish you want right off the break wall of this stately home located in Grosse Pointe Shores. A real family home, six bedrooms, plenty of baths, room for a tennis court, pool and all. The kitchen is ultra modern. The library is warm and exciting, and we'll save the family room for your personal inspection.

OVERLOOKING the lake. A breathtaking view—something special. Let's start with two master bedrooms on the first floor. Then, there's a guest room and bath, plus maid's quarters on the second floor. The family room is quasi modern and outstanding. Owner says sell—so . . .

A MODEST PRICE for so much. The house, in Grosse Pointe Farms, has six bedrooms and plenty of baths, exciting library with fireplace. Then the super extra—we will describe. The pool is the finest in Grosse Pointe—a pool in a pool, but! The pool house—honeymoon house—has two bedrooms, living room, dining area plus bar, etc. Won't last long.

GREAT PARK BUY! Truly a family home, five bedrooms, three and a half baths, plus library and recreation room. The yard is great—the street beautiful, the location — superior. Immediate occupancy.

SWITCH TO THE FARMS—This one is Colonial in design with three bedrooms, bath and a half, paneled den and kitchen with breakfast bar, living room has fireplace, two car garage and priced at only \$35,500.

AGAIN, in the Farms, but over \$100,000. Extra special lot and the house is magnificent. The extras—central air, circular drive, sprinkler system, don't even scratch the surface. The bedroom situation is grand, six of them, plus plenty of baths. There's a paneled library and family room, both have fireplaces. Call.

GROSSE POINTE WOODS—Would you believe three bedrooms and two baths for only \$48,500. That's only the beginning. This home is in perfect shape, a gem, not a thing to do. Aside from the above, we offer living room with fireplace, large recreation room, screened and glassed porch and two and a half car garage.

1109 BISHOP — \$45,900 will take this well located family home. You just won't believe how much you get for the money, four bedrooms, two baths, modern kitchen and extra room on first floor.

NEAR LAKE—A hop from and a view of! The uncluttered look of a beautifully decorated and appointed Colonial. Four lovely bedrooms and three elegant baths. Superb kitchen with utility room, family sized activities room plus fireplace. Electronically air cooled and cleaned with good assumption.

LITTLE house on large lot? We have it and it's a gem. Only two bedrooms, but they are great. Plenty of charm and plenty of opportunity to improve, add on etc.

Police Check Farms Bikes

The newly-appointed Farms traffic safety officer Patrolman F. J. Belanger II, recently supervised inspection of 490 bicycles belonging to Farms youths.

The inspections took place at four elementary schools in The Farms.

Each student submitting his bike for inspection was asked to sign a safe riding pledge and then the tab end of the pledge was entered in a drawing.

Not only are many Farms youths now safe bike riders, but many are also recipients of bicycles, generator light sets and handle grip streamers as a result of their signing the pledge!

At Grosse Pointe Academy and St. Paul School, 120 bikes were inspected on Monday, May 15, and 16 new licenses were issued. Paul Tonjes won the bicycle; and students Peter Frost, Renee Wolfe, Kim Monahan, John Kukla, Susan Sohsou, Brian Welch, Tom Cornelli and Paul Kramer won bicycle equipment.

Roughly the same number of bicycles were inspected at Richard Elementary School on Wednesday, May 17, and 70 new licenses were issued. Riding off with the grand prize, a bicycle, was Jamie Main. Other winners were Michael Leinweber, David LaCombe, Bob Hood, Tom Persing, Brett Vining, Basil Johnson, Karen Eppinger and John Cammet.

The latest inspection took place on Thursday, May 18, when 260 bicycles were inspected and 70 new licenses were issued. The bicycle went to Dan Riddle, and winners of the lesser prizes were Kathy Mastroanni, Nancy Wright, Debbie Camp, James Clark, Beverly Beddon, Tom Buda, Kurt Mohring and Rick Parsons.

The prizes were provided by The Farms; Sears Roebuck, 18850 Mack, contributed a bicycle.

School Board Sets Meetings

The Grosse Pointe Board of Education will hold a final special meeting of the 1971-72 year at 8 p.m. on Monday, June 26, in the Board Room of the schools' Administration Building, 389 St. Clair avenue.

Agenda items will be approval of accounts payable for the month of June, construction certificates, and approval of minutes.

William J. Adams, President, will chair the meeting. Dr. Theos I. Anderson, Superintendent of Schools, will present his recommendations for the trustees' action.

The annual meeting of the Grosse Pointe Board of Education is slated for 8 p.m. on Monday, July 10, in the auditorium of Grosse Pointe North High School, 707 Vernier road. Election of officers for the 1972-73 year will occur at that time, as will approval of by-laws and meeting dates for the coming year.

Both the June 26 and July 10 meetings are open to the public.

Tossed Bottle Damages Car

A University police resident called City police on Friday, June 9, to report damage to her car which was parked in front of 917 University.

She told officers that when she went to her car at 5:35 p.m., she discovered someone had thrown a bottle at the driver's side of the car damaging the paint on the left quarter panel of the driver's door and the hood.

The sideview mirror had also been smashed. The bottle used was found at the scene. It was a partially-filled quart beer bottle.

If more drivers would be ground there would be fewer in it.

Five Vandalism Cases Reported

Five cases of vandalism took place in The Pointe early Friday morning, June 16. Three were reported in The Shores, and one each in The Woods and Farms. Police are looking for the occupants of a small tan or yellow auto with a rack or puppets which may have been involved in the incidents.

In The Shores, windows were broken at both a Clairview and Lake Shore residence and auto windows were shattered at a Lochmoor residence. The Woods reported broken windows at a Moorland drive home and in The Farms, two Bournmouth road autos received broken windows.

The Clairview resident, who contacted police at 2:21 a.m., said a 24"x26" window and storm were broken. Police believe sticks around two and one-half feet long were used.

At 2:22 a.m. police received a second report from the Lake Shore resident. A full can of beer was thrown at a kitchen window, missing the glass but damaging aluminum siding above the window. And a beer can was thrown at a front room window, damaging the storm.

Two cast iron ducks were taken from the rear porch of the Lake Shore home and thrown at front windows, one hitting a top pane.

Summer Fun At Farms Pier

By Kathy Pillsbury Fun in the sun. Yes, there's fun for everyone at the Farms Pier with swimming, picnicking, shuffleboard, tennis, boating and fishing. However, Farms Pier passes MUST be shown upon entering.

The Farms Swim Team has started a new season. Practice started Friday, June 2, at 4:30 p.m. and double workouts were scheduled to begin Friday, June 16.

New this season is the formation of a swimming clinic. The purpose is to develop the competitive swimming potential of each swimmer. Swimming lessons are offered again this year. Also, a water polo team will be formed depending upon interest and available staff.

So, if you are interested, be sure to let us know. Tennis is in the swing again this year! Courts are available for sign-up starting at 8 a.m. each day. A player can sign up for one hour at a time and he must be present no later than 10 minutes after the hour to hold the court.

The new tennis instructors this year are Karl Kratz and Jim Eckenrode.

Two very important events at The Pier this year are the Regatta on July 29 and 30, and the Fishing Rodeo on August 28. There'll be excitement and fun for the whole family.

For more information call The Pier office, 885-9535. See you at the Pier!

Thief Exposed By Lock Cutter

Farms bicycle owners should thank Patrolman William Fowler for his alert police work Friday morning, June 9, which stopped the activities of two young bicycle thieves.

While on routine patrol traveling west on Chalfonte, Fowler noticed two juveniles walking south on Moorss road. When the juveniles, aged 14 and 15 years, spotted the police car, one hid something behind his back. The patrolman, suspecting their activities, stopped them at the corner. He then found that one of the youths was hiding a lock cutter and bolt cutter with red handles.

Asked why he had the tools, the youth gave four different stories, according to Fowler's police report.

At the station, the youths' parents, who live in Harper Woods, were contacted and one mother admitted that her son was scheduled to appear in The Woods Municipal Court this month on a bicycle larceny charge.

The juveniles were released to their parents after being processed at The Farms police station.

Receives NLC Appointment Woods Councilman Marvin R. Boutin was recently appointed a member of the committee on International Municipal Cooperation of the National League of Cities by Sam Massell, league president and mayor of Atlanta, Ga.

His term on the committee is for 1972 and expires November 30, upon adjournment of the annual congress of Cities convention in Indianapolis, Ind.

In a letter to Mr. Boutin, Mr. Massell said he will be a member of a three-member delegation from his state "to represent its municipal interests on this important committee."

Mr. Boutin proudly accepted the appointment and noted at The Woods regular council meeting Monday, June 5, that an appointment to such a committee is "rarely accomplished for a city of our size."

The Walton-Pierce Ad . . . in this issue is also a Walton-Pierce full page national ad in color. The gown is fashioned from ivory peau de soie. There will also be other full page ads in color with Walton-Pierce credits for the fall and winter bride. Speaking of color, you'll see charming bridal gowns with touches of yellow, pink or blue becoming more and more popular. Other news from the bridal market in New York is the halter neck bare-back bridesmaids dress which comes with a lovely little cape cover-up. Pretty as a picture for the wedding party . . . great for a season of parties afterwards.

Blondes . . . have more fun . . . but not in the sun! Sun can turn blonde hair coloring garish. Who wants that? But then again who wants to stay out of the sun. The dilemma is solved by new L'Oreal toners which have a way of making hair more natural looking and shiny. We discovered L'Oreal when the representative was at Leon's a week ago. Leon recommended we try one of the new formulas. Arlene made the application. It's a natural! Be a sunny summer blonde . . . suntan . . . outdoors . . . fun and all . . . 17888 Mack Avenue . . . Property Group Extends Grant

The annual meeting of the Audubon-Whittier Property Owners Association was held at the Grosse Pointe Hunt Club Thursday, June 8. President Paul Nicolucci welcomed new members, and asked for a vote of the membership to extend the Association's charter with the State of Michigan.

The original term of the charter was 30 years, going back to 1941. The extension will be in perpetuity. Guest speaker Dr. Theos I. Anderson, Grosse Pointe Superintendent of Schools, discussed school busing, educational reorganization by the state, and millage.

Four Block directors were elected for a two-year term, including, on Audubon, Raymond Regner and George Mehling; on Whittier, Oliver Ward and William Fritz.

Continuing for another year are directors Albert Wagner and Henry Gildner, Audubon; and Harry Hayter and Mr. Nicolucci, Whittier. Special thanks were given to Mrs. Clinton R. Amhuxen, past secretary-treasurer, George P. Johnson, honorary life board member, and outgoing directors David Tyler, Charles Kosmas, Carolyn Ward and Gordon Gerow.

Cocktails and a buffet followed the meeting. The new board met briefly and elected Mr. Ward president, Mr. Regner vice-president, and Mr. Nicolucci secretary-treasurer.

Michauxs Wed For 50 Years

By Kathy Duff
The Michaux family, owners of the farm in Vernier road which has become a landmark in The Pointe community, recently celebrated a Golden Wedding anniversary.

It's 50 years for Mr. and Mrs. William J. Michaux who have lived on the property located at 76 Vernier road since their marriage in 1922. Both came from a family of farmers; Mr. Michaux is the third generation to live on the farm purchased in 1860, and Mrs. Michaux's parents owned a farm on what is now Kelly road between Seven and Eight Mile roads.

Currently, the fifth generation is involved with the Vernier road farm, just ask grandson Kenneth who was cutting the grass as I approached the Michaux white clapboard farmhouse!

To mark the anniversary, the Michauxs' son Harold and his wife, Doris, invited relatives, neighbors and friends to a celebration in the Knights of Columbus Hall Sunday, June 4. The party followed a mass at the Our Lady Star of the Sea Church at 12:30 p.m. On hand to greet the 150 guests were grandchildren Sharon, Harold, Kenneth, Cathleen and David.

Those of us who recall tagging along with our parents to buy late summer corn and playing with the latest batches of kittens and chickens, will find the farm much as we remember it. The farm is one of the last farms in operation in The Pointe area, and even the farmhouse bespeaks the passing of generations.

Mr. Michaux notes how he enlarged the farmhouse by adding on to the kitchen and dining room, which formed a part of the original structure.

The dining room and front parlor of the farmhouse are now filled with congratulatory cards which surround old family pictures, one of which is the Michauxs' wedding portrait. And Mr. and Mrs. William Michaux look as healthy and contented now, in 1972, as they did on that day, June 6, 1922.

group's national convention in Dallas, Tex., June 25 to 30 will be the newly-elected local Alumnae's president, MRS. JAMES E. MEYERS, of Fisher road.

Among Lake Forest College students participating in the annual spring concert May 18 was WILLIAM L. CAMPBELL, son of MR. and MRS. H. M. CAMPBELL, III, of Kenwood road.

John Carroll University has awarded degrees to EDWARD S. EGNATIOS, of Webber place, graduated summa cum laude, Bachelor of Arts; and KURT F. HARTLIEB, JR., of Berkshire road, and W. RAY LAWRENCE, of Thorn Tree road, both of whom received Bachelors of Science in Business Administration.

Among advisors, guardians, leaders and sponsors participating in Detroit Area Camp Fire Girls' clean-up, paint-up, fix-up program at Camp Wathana, Holly, the Camp Fire Girls' resident camp, during the Third Annual Mini Mix and Fix, was POINTER MARTHA BRICKEY-LEY.

on the Hunt Club terrace. Dancing will be to Danny Jaye's music.

Donna Caiger, Martha Adam, Sally Lenahan and the Pug Murveys have spent many hours planning and organizing this gala. It can't miss.

AND, for those who are up to three parties in five days, there's a Champagne Brunch scheduled for Sunday, last social event of the week before Horse Show activities wind up Sunday afternoon and evening.

Everybody who takes in everything is entitled to spend all day Monday in bed.

The concession tent is, of course, open daily during Horse Show Week, to supply the appetites of exhibitors and spectators. Many of its menu items reflect the names of Hunt Club officers and directors. There's the "Beardslee Burger," for example, named for William Beardslee, Club president, and the "Stormin' Norman Sandwich," for Norman Werthmann, vice-president.

How about sinking your teeth into "Barry's Burger King," or diving into an order of "Kahn's Cackle Chicken-in-the-Basket?" The former commemorates William Barry, Hunt Club treasurer, the latter Kenneth Kahn, secretary.

Close to 400 top horses are entered in this year's Show, making it one of the biggest in Grosse Pointe Hunt Club history. They come from across the States and Canada, and they include the Grand Over All Hunter Champion for 1969 and 1971, "Advance Ticket," ridden by Miss Michelle McCovey, of North Carolina.

Many of Grosse Pointe Hunt Club's own junior riders are competing, too, among them Billy Beardslee, Ann O'Berski, Pat Staskowski, Angelo Polizzi, Nancy Fruehau and Weezie Henkel.

The Show is open to the public. General admission is \$1.

A Good Idea That Grew . . .

The Detroit Institute of Arts Rental Gallery opened in 1952, with a stock of 25 prints—and 24 were rented that very first day!

There was very little doubt, from the very beginning, that this Rental Gallery was a Very Good Idea . . . and that it would grow . . .

Today, the Rental Gallery boasts an all-time high of 750 original works by Michigan artists, and 1,300 framed reproductions.

It continues to be one of the museum's Founders Society's most popular features. Its initial service concept still holds, including the framing of all pictures. It has not raised its rates in two decades: Founders' members are still offered the opportunity to "try on" paintings, graphics and sculpture in home and office, at \$1.50 a month for reproductions, \$5-to-\$25 for originals, for two-month periods.

Circulation figures measure the enthusiasm of Rental Gallery subscribers. Gallery manager Mildred Grace estimates some 1,500 items are in circulation at any given time.

Next Tuesday, the Rental Gallery celebrates its 20th anniversary, at its annual meeting and luncheon at the Bloomfield Hills home of Mrs. Charles L. Wilson, Jr. Volunteer members of the Gallery's task force, the Founders Activities Committee, will honor past-chairmen, including Pointers Mrs. Albert M. Mackey, Mrs. Walter G. Guler, Mrs. J. Crawford Frost, Mrs. Frank B. Ware and Mrs. Joseph E. Bayne.

Among the Activities Committee's 1971-72 officers are Mrs. Mackey, honorary chairman, Mrs. Joseph A. Vance, Jr., of South Deeplands road, vice-chairman and program chairman, and Mrs. J. Robertson Isbey, also a Pointer, treasurer.

Extra Special Congratulations

Marie Louise Anderson, of Cranford lane, has, as usual, been celebrating her birthday ever since June began, (a Gemini), the actual day of her debut is June 1, the year . . . well, that remains Miss Anderson's secret!), with friends entertaining at a series of birthday luncheons and dinners, but this year she received some Extra Special Congratulations, from President and Mrs. Richard M. Nixon, no less!

Now THAT'S something for a Birthday Girl to shout about! So go ahead, Sis—shout!
