Thursday, July 20

THE WHITE HOUSE announced that Dr. Henry A. Kissinger, President Nixon's security affairs advisor, has held secret talks with senior Hanoi representatives in Paris. White House press secretary, Ronald L. Ziegler, said that Kissinger is meeting today with Special Advisor Le Duc Tho and Minister Xuan Thuy of the North Vietnamese delegation to the Peace Conference. The North Vietnamese Government also issued a joint announcement to that effect, an extraordinary move. Ziegler said that the talks lasted for about six hours. Some American government sources were pessimistic regarding the likelihood of a major breakthrough in the negotiations.

Friday, July 21

BELFAST became a city of disaster when the Irish Republican Army set off a series of 28 bombs which reverberated through the community for more than an hour. The British Army said that 11 civilians and two soldiers were killed and more than 130 persons were injured. Another civilian was killed and five persons wounded in a running gun battle yesterday between splinter and troops in the IRA's militant Provisional Wing claimed responsibility for the bombings. Ulster's worst day of carnage in three years. The latest killings raised the death toll to 468 since the strife began in 1969.

Saturday, July 22

PRESIDENT NIXON, in a statement that was not unexpected, announced through his press secretary Ron Ziegler, that Vice President Spiro Agnew will be his running mate on the Republican ticket. Ziegler said that Mr. Nixon informed Agnew of his decision during a one-hour meeting in the White House, after the President returned from his retreat at Camp David. The press secretary said that the President felt that it was unwise to break up "a winning combination." Agnew immediately set out on a campaign sweep that will cover all 50 states. He said that everyone has his moments of insecurity, but he felt he was never in trouble.

Sunday, July 23

THIRTY-ONE MINERS escaped and nine others were trapped in a mine in Blacksburg, Va. Rescuers battled thick smoke in an apparently hopeless effort to reach the nine maintenance men trapped in a stubborn fire deep inside the coal mine which was being readied for returning mine vacationers. The fire broke out in the Consolidation Coal Company's No. 1 mine, Saturday night. Their fate is unknown, but it is believed that the trapped men cannot survive and are presumed to be dead. The mine is less than 30 miles from where 78 died in a fire in November 1968, at Consolidation No. 9 mine in Farmington.

Monday, July 24

KURT WALDHEIM, UN Secretary, was blasted by Secretary of State William P. Rogers, who charged that Waldheim is helping Hanoi in his campaign to convince the world that U.S. bombers are deliberately dropping bombs on dikes in North Vietnam. Rogers told newsmen that he has instructed U.S. Ambassador to the United Nations, George Bush that these allegations were a part of a worldwide campaign by North Vietnam to give circulation to the falsehood. After meeting with the UN secretary, Bush said that he is convinced that Waldheim "did not want to give credibility" to the Hanoi report.

Pointe Optimists Lend Helping Hand

The Grosse Pointe Optimist Club has dispersed money from its Youth Fund to the Michigan League for Crippled Children and the Grosse Pointe Foundation for Exceptional Children. Pictured above are MRS. LANNEAU R. BELL, accepting the check on behalf of the League, with JOHN CHRISTIAN, president of the League, and MARVIN ROBERTSON, president-elect of the Club (right).

Park Giving Pay Increase to All Employees of City

Hike for Firemen, DPW Personnel and Administrative Staff Approved; Increase for Police Being Negotiated

By James J. Njaim

The Park council on Monday, July 24, approved appropriations amounting to \$43,100 from the Contingent Fund, to take care of wage adjustments granted to personnel of the Fire Department, Department of Public Works and the Administrative staff.

Still to be negotiated is a wage increase for members of the Police Department, according to information released by City Clerk Nunzio Ortisi.

The attorney for the Grosse Pointe Park Police Officers Association, Allan Waterstone, and City Attorney Richard Rohr, were scheduled to have met yesterday, July 25, to iron out final details of a one-year contract. The other departments have also settled on a contract for one year, Ortisi said.

Top Pay \$12,343.50

Under the contract settled with the Grosse Pointe Fire Fighters Association, firemen will receive a five and one-half percent increase over their present annual salary, raising the top pay from \$11,700 a year to \$12,343.50.

The city clerk said that the Administrative staff, all of whom are on salary and, therefore, salaries vary depending on what each employee does, received a five percent hike in their present pay.

The personnel of the DPW also received different pay, being paid an hourly rate. They received a flat 19 cents more an hour across the board.

Ortisi said that 19 persons are working with the DPW, and cited two major pay categories. For example, he pointed out, those being paid \$4.25, will now be getting \$4.44 an hour; and those receiving \$4.49 an hour, have their hourly rate hiked to \$4.68.

Nominal Fee Being Asked Of Residents

Many Streets to Be Beautified; Five-Year Program Jammed Into Single Year

By Kathy Duff

Embarking on a village-wide tree planting program, The Shores is prepared to plant 658 trees in the coming year. The trees will be partially a gift to Shores residents, as the village is absorbing the bulk of the cost and asking residents to contribute only a nominal fee.

A tree planting program has been in the offing for six years, as Shores officials, residents and tree experts studied the village "street by street" to arrive at a master planting plan.

The cost of the program is \$10,000, with the small community of Lake Township donating \$5,000 of the amount. Originally, The Shores trustees approved the program on an annual basis, planning to plant 130 trees a year.

Trustees All Agree

However, Village President Gerald C. Schroeder recommended that the program be telescoped to one year on the suggestion of The Shores Planning Commission. His appeal came at the last meeting of The Shores Council held Tuesday night, July 18, and was unanimously approved by the trustees after a short discussion.

He pointed out that many streets in the village, such as Willison road, and Greenbriar lane, were sorely in need of trees.

Trees as varied as Sugar Maples, Red Oaks, and Ginkgos will appear on 20 Shores streets during the fall and spring months.

Planners Made Study

Residents will have no say in what species of tree is planted on their lot, as The Shores Planning Commission has studied the area and determined the optimum planting. In the master plan, each Shores property lot is mapped and the planting program, down to the last tree, is indicated.

Streets receiving over 50 trees include Fontana lane, 54 Tilia cordatas; Greenbriar lane, 56 Ginkgos; Willison road, 60 Tilia cordatas; and Shorecrest Circle, 57 Armstrong Red Maples.

Vincent DePetris, 25 Hamp-

Plan Forum To Discuss School Issue

All Residents Invited to Parcels School August 1 to Get Information

All Pointe residents are invited to attend a Public Forum on School Desegregation next Tuesday evening, August 1, at 7:30 o'clock, at Parcels Middle School Auditorium.

The Forum has been planned as a means of supplying factual information and allowing open discussion of an issue that has aroused the community.

Panelists include William Huettelman, attorney and president of the Board of Education; John Weaver, attorney, actively participating in the Roth case as assistant to Robert Saxton representing the suburbs; William Downs, attorney, professor of law at the University of Detroit and former executive director of Inter-Faith Centers, Inc.; and Dr. Eli Rubin, psychiatrist, and director of the Northeast Guidance Clinic.

Acting as moderator will be Richard Lobenthal, professor of sociology, at Wayne State University, executive director of the Anti-Defamation League and an authority on inter-group relations.

Sponsored by the Grosse Pointe League of Women Voters, and the Citizens for Education, the forum is offered as a public service to the community.

A number of Pointe churches have endorsed the program and are encouraging church members to attend.

Submit Report on Probe Of Nicholas Stroh Death; Pair Murdered in Uganda

Indicates Pointer Investigating Massacre May Have Obtained Information Army Wanted to Conceal

The inquiry into the death of freelance journalist Nicholas Stroh, 33, son of the John W. Strohs, of Lake Shore road, has been completed by a special commission appointed by President Idi Amin, of Kampala, Uganda. Stroh has been missing in Uganda, along with Robert Siedle, 46, a lecturer at Mbarara University in Kampala, for more than a year.

The report by David Jeffreys Jones, a British-born judge who headed the commission, stated that young Stroh and Siedle had been murdered by Ugandan troops. He said troops of the Simba-Lion-Battalion at Mbarara barracks were involved, although it was impossible to pinpoint any particular person or persons. The report stated that the pair were killed on July 9 of last year.

Were Investigating

Stroh and Siedle were in Mbarara to investigate reports of a massacre. The report gave no specific motive for the killings but indicated that Stroh might have stumbled onto something which the army personnel wanted to conceal.

The over-100-page report was based on a 10-week inquiry which ended last May. It implicated four Ugandan officers: Lt. Col. Waris Ali, battalion commander and close friend of President Amin, who is alleged to have covered up the whole thing; Major Juma, second in command, who was said to have driven Stroh's car after the killings and who "may well have had something to do with the actual killings;" Lt. Steven Taban, who is believed to have helped bury the bodies and later helped exhume them; Lt. Silver Tibihika, who fled to Tanzania and admitted in an affidavit that he helped dispose of the bodies and the car on Ali's orders.

The commission said the affidavit, which implicated the other three was backed up by corroborative evidence.

Evidence was also provided the commission during the inquiry that the two bodies were burned and dumped into a river.

Two Boaters Give Police Big Trouble

Officers of Three Departments and Coast Guard Participate

By Pepper Whitelaw

A chase that involved the police departments of Grosse Pointe City, Farms and Park, the United States Coast Guard and a Michigan conservation officer, resulted in the apprehension of Robert Schmidt, 4303 Harvard, Detroit, and William Kulow, 3559 Bishop, Detroit, at 3:15 a.m. on Thursday, July 20.

Schmidt was arrested by City of Grosse Pointe police as recently as June 25, for violation of the Marine Safety Act and for being drunk and disorderly. During that escapade Schmidt's boat struck several boats docked at Grosse Pointe City's Municipal Pier.

In his latest adventure, he attempted to elude all legal authorities, resisted arrest, was abusive to officers, and finally ended up in the City of Grosse Pointe jail.

Told to Leave Park

It all began at 10:45 p.m. on Wednesday evening when Schmidt and Kulow were asked to leave the area since an investigation after the June 25 incident revealed that

Nab Youth After Chase By Park, Detroit Police

By James J. Njaim

A chase that started in the Park and ended in Detroit, involving Park and Detroit police pursuing the driver at speeds between 75 and 100 miles an hour, ended at about 2:45 a.m. on Monday, July 24, when Detroit officers forced the motorist to the curb at Seymour and Celestine in Detroit.

The driver, John J. Connell, 19, of 16937 Cranford, led Park policemen in the chase through the Park, going through several stop streets and traffic lights, on the Edsel Ford Freeway, to the Outer drive exit, where a Detroit patrol car crew was waiting for a light change. The Detroit crew took up pursuit, and the two police cars sped after Connell at speeds up to 100 miles an hour.

In their report, Park Patrolmen Robert Michael and Robert Chester disclosed that they were on routine patrol on Jefferson at 2 a.m. and observed two cars stopped for a red traffic signal at Bedford. When the light turned green, both vehicles took off at a high rate of speed, apparently drag racing, tires squealing.

Michaels and Chester said they attempted to stop both drivers but each ignored the flasher on the scout car. One driver, yet unknown, continued at high speed east on Jefferson. Council also continued on Jefferson, but made a turn north onto York-shire.

Council had slowed down
Continued on Page 2)

Board to Talk About Millage

At a special meeting set for 8 p.m. Monday, July 31, the trustees of the Grosse Pointe Board of Education will discuss the amount of operating millage to be sought in the September 7 election.

Next Monday's meeting will be held in the Performing Arts Center on the North High School campus. William F. Huettelman, president of the Board of Education, will chair the session. The public is cordially invited to attend.

According to the bylaws approved on Monday, July 10, regular meetings of the board will be held at 8 p.m. on the second Monday of each month. Special meetings are usually held on the fourth Monday of the month.

The regular and special meetings for August and September will be held in the Performing Arts Center on the North High School campus. The board will decide at the last session in September where the meetings for the remainder of the year will be held.

Possible Fetus Bones of Duck

The "possible fetus" found on University-Liggett School grounds Wednesday, July 12, turned out to be the remnants of duck bones according to test results conducted by the Wayne County Medical Examiner.

Notification of the results from the Wayne County Morgue to the Woods Department of Public Safety came on Friday, July 21.

A Liggett maintenance man discovered the duck bones while picking up litter at the rear of the auditorium. The bones were wrapped in newspapers.

Lochmoor Club Hit by Vandals

The pool area at the Lochmoor club has been getting a "going over" of late. Around 42 boys and girls' White Stag "Speedo" bathing suits, valued at around \$200, were taken from the pool house Thursday night, July 14.

Then the Woods Department of Public Safety was contacted Thursday, July 20, when someone drained approximately 150-180 gallons of chlorine from a holding tank into the swimming pool system.

Hot Headquarters Heat Tempers of Firefighters

By Pepper Whitelaw

Things are getting pretty hot over at the City of Grosse Pointe Fire Station. The Grosse Pointe City Firefighters' Association has filed an official policy grievance against the City requesting air-conditioning. The City has denied the request.

The firefighters will now take the next step in the grievance procedure, which is filing with City Manager Thomas Kressbach. If the request is again denied, they will take it to the council. If this is refused, to the courts.

Firefighters claim that inasmuch as the entire building is air-conditioned with the exception of the fire department they are being unfairly discriminated against.

President of the Association Steve Madar said the police department was air-conditioned two years ago. He added that the firemen purchased a small air-conditioner for their kitchen, located above the station, with their own funds. He laughingly added, "Oh, the City did give us the police department's old fan when they air-conditioned over there."

Chief Andrew C. Teetaert, who has been looking into the price of air-conditioners, told the NEWS that although there is nothing in the Firefighters' contract agreement with the City regarding air-conditioning.

Continued on Page 4)

Hit-Run Driver To Face Court

City police responded to an auto accident report at 1:45 a.m., Sunday, July 23. On arrival Corporal Edmund Benthuy and Patrolman Dale Van Dale found that John Peklo, 24803 Raven, East Detroit, had driven left of the center line striking a parked car at 800 Cadieux.

Peklo was observed by Park police officers running on Cadieux away from the accident scene. He was apprehended and returned to his car.

He was bleeding from the mouth and was taken to Bon Secours Hospital for treatment.

While at the hospital Peklo undressed to his socks at which time officers observed a lump in the ankle area. When Peklo removed the sock it contained a bottle cap burnt black. A check of his clothing revealed three syringes, and a homemade plunger.

Peklo told officers he was on the methadone program. He was returned to the City station after being treated with driving left of the center line resulting in an accident.

He was released on \$100 bond pending his court appearance on August 8.

SLOW DOWN
The best way to proceed these days is to pay as you go, and if you can't pay, don't go.

658 Trees

(Continued from Page 1)
ton road, is chairman of the Planning Commission. Also on the committee are residents Robert E. Weber, Robert C. Palmer, James T. Wright, Donald Jenkins and Henry Woodhouse.

In keeping with The Shores' tradition of its council being a "working council" and actively involved on all village committees, President Schroeder and Trustee Daniel C. Beck serve on the Planning Commission, along with Superintendent Jefferis.

Will Seek Bids

Soon the village will advertise for bids on the trees, after specifying the species and the minimum trunk diameter. The planting will be supervised by the village, and not the private property owners, as the planting is on public property by the side of the roads. The land belongs either to the village or the county.

At the Tuesday night meeting, several councilmen questioned whether the program would encounter any resistance from The Shores residents, as they were not consulted on what type of tree would be planted on their front lawn and would have to pay a small fee for each tree.

Mr. Jefferis assured the trustees that the residents would welcome the trees as they would increase the attractiveness of the area. He cited past examples of tree planting programs, which although smaller in scale, encountered little opposition.

And residents should welcome the program, for wouldn't you, expecting a Sophora japonica or an Emerald Queen to grow in your front lawn?

MALICIOUS DAMAGE

City police made a radio run to University place between Maumee and Jefferson on Friday, July 21, to investigate a malicious damage to automobiles report. On arrival officers found antennas on three vehicles had been broken. The cars belonged to Ann Kerr, George Price and Edward Acomb. A resident who made the report, told officers he saw two white males, about 15 or 16 years of age, one riding a yellow bicycle, in the area just before the damage was discovered.

Water Chase

(Continued from Page 1)
Schmidt was not a Pointe resident and therefore had no right in the park. The men left. They returned at 12:20 a.m. The watchman told City police that the duo slipped back into the park against orders, got into a boat and drove out onto the lake without lights.

The watchman called City police again at 2:25 a.m. to report that the men had returned to the boat harbor. City police officers Duncan MacEachern and Sergeant Douglas Allor rushed to the scene. Schmidt and Kulow became abusive at which point the officers placed them under arrest.

Schmidt refused to dock the boat, left the area of the City Pier, running the boat once again without lights. The pair went to several locations including the Grosse Pointe Park Pier. They left when approached by a Park Pier security guard. Belle Isle Coast Guard were called to help apprehend the duo at 2:59 a.m.

Long Chase on Lake
Schmidt and Kulow were chased about the lake by the Coast Guard for one hour and 48 minutes. They were apprehended by the Coast Guard about 100 yards off the shore of Bishop road in The Park and ordered to drive their boat to City Pier.

On arrival at the City Pier both attempted to evade arrest but were apprehended by MacEachern of the City police who jumped into the boat to prevent the pair from running ashore and escaping by foot. While officers were attempting to handcuff the pair they resisted arrest and reasonable force was used in order to bring them into custody.

Assisting arresting officers MacEachern and Allor were Farms officers Donald Dewey and Timothy Morrison and Park officers Edward Hiller and Edward Serwack and Department of Natural Resources officer Richard Sawkin.

Had Well Illegally
The two were taken to the City station and apprised of their rights. According to the police report, Schmidt is not a resident of the City and is using a boatwell there illegally by using a Pointe address.

Conservation officer Sawkin detailed the events leading to the arrest. Officer Sawkin states Schmidt was driving in an erratic manner, without lights at a high rate of speed, heading into the Grosse Pointe Municipal dock area. Sawkin reported that Schmidt swerved into the wall at the entrance of the dock, veered off and headed toward the launching ramp at the foot of the Lakeland without running lights and at a high rate of speed.

He said Schmidt made a sharp turn to avoid hitting the seawall, then headed out into the lake at a high rate of speed, again without running lights. During this time a United States Coast Guard patrol boat was on the lake with siren blaring and lights flashing attempting to stop the boat, but to no avail.

Ignore Police
In the meantime, back on shore, City police were flashing scout car lights and calling to Schmidt over a loud speaker to come ashore. Schmidt also ignored their summons.

According to Sawkin when Schmidt was finally stopped by the Coast Guard and escorted to the dock he had to be subdued by City officers. Schmidt had a strong odor of alcohol on his breath

Stop Reckless Driver

(Continued from Page 1)
to make his turn, the officers said, so they decided to attempt to apprehend him. When the youth failed to stop, the policemen turned on their siren, at which time, they said, Council turned off the lights of his vehicle and picked up speed. The teenager sped through the stop streets of Maumee, where he turned off his lights, St. Paul, Kercheval, Vernon and Charlesvoix, traveling about 70 miles an hour. When he reached Mack avenue, Council slowed, then drove through the stop at about 80 miles and hour the patrolmen stated.

Michael and Chester radioed their station that they were in pursuit of an auto, with two males in it, traveling north on Yorkshire, and entering Detroit at Mack.

Council turned onto Vernon to Bishop, north on Bishop to Chandler Park drive, turned west on Chandler to Whittier, turned north on Whittier, ignoring a red traffic signal, at 75 mph. Whittier is a 25-mile zone. The young driver than ran a red light at the intersection of Whittier and Harper. After crossing Harper, he turned left onto the Edsel Ford Service Drive, and entered the freeway, heading west, this time at 100 mph, the Park officers charged.

Council exited the freeway at Outer drive, at 75 mph, and at this point, the Detroit police crew, waiting for a light, observed the pursuit, and joined the chase, north on Outer drive, from Harper.

Council continued his speed at 75, with both police vehicles close behind, flashers on and sirens operating. The young driver turned north onto Hayes, ran a traffic light at the Hayes-Whittier intersection, continued north on Hayes, and was finally forced to a stop by the Detroit policemen, who were from the Conner Station, Fifteenth Precinct.

The Detroit officers placed Council and his passenger under arrest and took them to their station, Conner and Gratiot. Michael and Chester followed.

The commanding officer of the shift noticed the passenger's forehead bleeding

and his speech was slurred, according to Sawkin. Schmidt was charged with reckless use of a motor boat by the Department of Natural Resources and with being drunk and disorderly and resisting arrest by the City police. Kulow was charged with being drunk and disorderly and resisting arrest.

They were arraigned that morning by Municipal Court Judge Douglas L. Paterson. Schmidt was released on \$1,000 bond pending his court appearance on August 3. At that time, the June 25 incident will also be handled according to City Police. Kulow was released on a \$100 bond, pending his August 3 appearance.

and asked him how he was injured. The passenger, name withheld, claimed he had hit his head against the dashboard during the chase.

The Detroit authorities released the passenger, and ticketed Council for reckless driving. Michael issued Council a violation ticket, also charging the youth with reckless driving.

The Detroit authorities impounded Council's auto, after citing him on the traffic offense, and released him to Michael and Chester, who took the youth to the Park station.

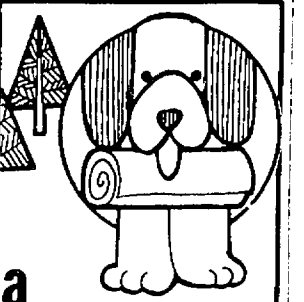

Chester was released at the Park station after posting a cash bond of \$100. He is scheduled to be arraigned before Park Municipal Judge William E. Speer on Wednesday, August 16.

FARMS APPOINTEES

Two residents have been asked to serve on The Farms retirement system commissions. Allen M. Lomax, of Ridge road, was reappointed to the Police and Firemen Commission and Alfred B. Moran II, of Christine drive, was asked to serve on the General Employees Commission, upon the expiration of Earl I. Heenan's term. Councilmen E. Rust Muirhead and Mark C. Stevens continue to serve on both commissions.

Slate Library Survival Fete

The steps of Central Library, Kercheval at Fisher, will be gaily decorated for a party on Thursday, August 3, from 3 o'clock until 8 o'clock.

This rally to support libraries and schools is the work of students from The Pointe's public, private and parochial schools. It's theme "Help Our Minds and Bodies... Vote for the Library and School Millage Proposals on September 7."

T-shirts for adults, teens and children will be on sale for 50 cents each. There will be free bumper stickers and information sheets about libraries and schools.

The Library Survival Party is sponsored by the Citizens for the Grosse Pointe Libraries Campaign Committee.

Stop by and enjoy the refreshments and music.

Sears Violates Zoning Clause

Sears Roebuck and Company was cited recently for a zoning violation, according to Farms City Manager Andrew Bremer Jr.

The department store, located on the corner of Mack and Moross, has been using part of the parking lot in the rear of the building for outside storage. The storage area now encroaches upon 75 square feet of parking space.

Since the area is zoned for parking, store authorities face an August court date in Farms Municipal Court for the zoning infraction.

HAVE PROBLEM

Men who claim to understand women are either psychologists or badly in need of one.

Outdoor Learning Project Great Experience for All

By Pepper Whitelaw

Organizing an outdoor learning experience for some 100 students is quite an undertaking. But Barbette Y. Balciarak, second grade teacher at Richard Elementary School was up to it.

Mrs. Balciarak believes knowledge gained through self-discovery is one of the most exciting ways for children to learn.

So with the help of parents and high school student volunteers, she arranged for an outdoor learning experience at Waldonwoods Nature Center near Brighton.

The youngsters spent three days and two nights using skills they developed during nine months of classroom study, applying what they learned to real life experiences.

Planning was extensive. First, how to finance the project? The youngsters held bake sales, sold sweat shirts and gave a hot dog luncheon. Then they banked the profits every Monday. (Here they learned how to budget for something they really wanted to do).

Then Mrs. Balciarak arranged for parent and student volunteers knowledgeable on such subjects as rocks, minerals, arts and crafts, trees, plants, insects, birds and animals, to attend camp with the youngsters.

The children then prepared lists of "must-take-with-us" items, such as telescopes, magnifying glasses, painting and art supplies, plus the everyday necessities.

They set up their own cooking, serving, campfire, food buying, and cleanup committees. "And they worked out beautifully," says Mrs. Balciarak. "Each child had a responsibility and each fulfilled it."

Classroom preparation included studying about leaves, birds, stars, insects, animals and camping techniques.

Some 60 volunteers from the Honor Society at South High School gave over 100 hours of their time to help youngsters in their classroom planning sessions.

Once at the campsite youngsters used the outdoors as their laboratory for classroom experiences. They wrote and discussed the in-

sects, animals, plants and birds they saw in the woods.

Perhaps the most exciting results of the outdoor experience was that the youngsters saw their book learning come alive before their very eyes.

They "discovered" that the birds, trees, brooks, insects and woods they read about were more than flat-non-dimensional pictures in textbooks but living things to be appreciated and remembered.

Mrs. Balciarak was proud that the youngsters took nothing away but knowledge and helped replace trees destroyed by man and machine.

When youngsters returned to their classrooms they wrote of their camping experience. The consensus? "We never knew learning could be so much fun."

Kary Standish particularly enjoyed finding a blue egg in a nest, hearing a woodpecker, discovering a cottonwood leaf, visiting the lake and finding snails and crabs in the water.

Scott Tisdale talks of wild orchids, chipmunks, beavers, and discovering a black, red and white rock, (granite), a white rock (limestone), clams, painted "ter-deles" (turtles). He sums it all up with "We then got to study about all that stuff." (Makes studying sound like a real pleasure doesn't he?)

Typical of the adult reactions were those of Brad and Linda Tisdale, "The facilities were fantastic. The melding of interested parents, enthusiastic kids and well-selected high schoolers made the trip a real adventure. The semi-structured classroom format allowed the children to learn in an atmosphere that triggered their imaginations, promoted self exploration, personal responsibility and allowed personal talents to come to the surface. It was great."

As for Mrs. Balciarak, it was everything she hoped it would be. Those months and months of preparation were worth it the moment she saw discovery in the eyes of her students!

Firefighters

(Continued from Page 1) conditioning, he felt that the men certainly could use one since it gets very hot at the fire station.

Dennis Foran, acting city manager, said:

"The definition of a grievance per the negotiated contract between the Grosse Pointe Firefighter's Association and The City of Grosse Pointe states 'grievance' means a claimed violation, misinterpretation or inequitable application of the existing rules, procedures or regulations covering working conditions applicable to the members of the department, as interpreted or applied under the provisions of this agreement.

"The first written contract between the City of Grosse Pointe and the Firefighter's Association took two years to negotiate non-economic issues and a few more months to negotiate economic issues.

Not once in the two years of discussions and negotiations did the Fire Association request air-conditioning. Therefore, a violation (grievance) of the contract does not exist.

"The majority of the employees in the City work under situations in which there is no air-conditioning as in the case in most cities. The following areas are not air-conditioned: Public Works garage, Public Works office, Water Dept. office, garbage trucks and scooters, pick-ups, and also police cars.

The City office was built in 1962 and air-conditioning was installed at that time. The Police offices were air-conditioned in 1971 by the use of two window air-conditioners. The fire apparatus and color TV room is 40 years old and may require electrical wiring, installation of air ducts, or other alterations depending upon the type of air-conditioning. In 1971, at the time the units were purchased for the police offices, the City was informed window units were not practical in the fire hall.

"The City is interested in the working conditions of all its employees and will continue to make improvements for the comfort of all employees."

Name Rogers Board Head

The Michigan State Board of Registration for Professional Community Planners, at its recent meeting, elected Brandon M. Rogers, executive vice-president of Perkins, Rogers & Associates, Inc. as chairman of the board for the year commencing July 1, 1972.

Also elected was Charles A. Blessing, Director, Detroit City Plan Commission, as vice-chairman of the board. Mr. Rogers was appointed in 1967 to the first State Board of Registration by Governor George Romney and has served as vice-chairman for the past two years.

The State Board of Registration certifies professional community planners who are qualified by education and training to guide sound land development consistent with the needs of people and the financial capability of the communities concerned. Since the Board was first established, nearly 400 planners were registered, two-thirds of whom are residents of Michigan, the balance coming from 32 other states and one from Hong Kong.

Mr. Rogers lives in Moran road and is Grosse Pointe City's planner.

Stolen Bicycle Awaits Owner

It must be frustrating to be a police officer, discover a stolen bicycle, and then find that the owner has not reported the bike missing.

Such is the case with a bike recently impounded at The Farms police station. The stolen bike was discovered by Corporal Ronald Wooten in the trunk of a car as he was making a tow report.

The officer had recently arrested a 15-year-old St. Clair Shores boy for speeding 38 m.p.h. in a 25 m.p.h. zone on Provincial between Kercheval and Lake Shore.

Another minor, a youth from East Detroit, was in the car that Tuesday afternoon, June 27. The youths admitted stealing the bike in the Mack-Moross area less than an hour before the arrest. In their possession was a pair of pliers.

The young driver was charged with driving without a Michigan operator's license.

However, the stolen bike remains in The Farms property room, waiting notification by its owner. It's a A.M.F. Hercules, but The Farms police expect the owner to complete the bike's description.

Farms Accepts Pair of Bids

The Farms will spend \$42,876.80 this year to keep its roads in satisfactory condition.

Approved at a recent Farms Council meeting was the low bid of Macomb Concrete Corporation for the asphalt recapping job.

Streets throughout The Farms are scheduled for recapping, according to City Manager Andrew Bremer Jr. In particular, he mentioned the streets between Chalfonte and Mack avenues in the north section of the city.

At the same meeting, the council members approved Gulf Oil Company's bid for supplying Farms vehicles with fuel in the coming year. The company's bid was \$1.129 per gallon for Good Gulf and \$1.329 per gallon for No Nox gasoline.

The Farms purchases its gasoline through the Wayne County Public Purchasing Association, a group of cities who purchase supplies in bulk to save money.

A member since 1969, The Farms also purchases its rock salt through the organization.

Citizens Group Formed To Lawfully Resist Busing

A new group has been formed as a result of the recent busing controversy. The "Citizens Association for Quality Education (CAFQE), made up of concerned parents and residents of the Pointe area, incorporated as a non-profit organization on July 11, 1972.

The general purpose of the group set forth at that time was to support and promote: (1) Retention of the neighborhood school concept. (2) Local control of public schools. (3) Equal opportunity for quality education for all children. (4) A fair and equitable means for the financial support of public schools. (5) Resistance by any and all lawful means to any and all proposals for the transporting of school children away from their neighborhood schools, against the wishes of their parents or guardians for the purpose of achieving racial integration or school desegregation. (6) To accept donations and contributions as a means for carrying out the foregoing purposes and generally to engage in any lawful activity of a non-profit corporation as

may be necessary, proper or incident to the carrying out of these purposes.

The immediate goals of the CAFQE as established by its members include: a private school, as an alternative for those children who are ordered to be bused against their parents' wishes; an information center to provide the citizens of the community answers to their many questions; a legal research committee to provide the necessary legal information and counsel on matters essential to the success of this type of organization; a tax research committee to study the probable effects of withheld school taxes and the procedures necessary to carry out such a plan; and finally, to structure this organization so as to provide individual school chairmen and block workers to disseminate information and encourage membership.

The long range goals of the CAFQE will hopefully enable it to span the present busing issue, and thereby provide the Grosse Pointes with a well organized and effective citizens' organization dedicated to quality education and the retention of the uniqueness of the Grosse

Four Arrested For Club Theft

Four juveniles, who are allegedly involved in the breaking and entering of the Lochmoor Club pool house Friday night, July 14, were arrested by Woods police Wednesday, July 19, after information was received on the robbery. All of the youths are from The Woods.

Police recovered 41 boys' and girls' swim suits and 10 bathing caps taken from the pool house. A cigar box containing sales slips from the club was reportedly burned.

The juveniles made a full statement to police on the breaking and entering. A petition will be filed with the Wayne County Juvenile Court for each youth.

One of the juveniles, according to police, said that he and the three others left a Harper Woods party, went

Witness Stops A Tire Thief

A St. Clair Shores man helped out The Farms police department on Wednesday morning, July 19, when he stopped a thief stealing a spare tire and wheel.

The spare tire was inside a '72 Ford station wagon leased by Custom Craft, and parked in the rear of the store, 18332 Mack. The witness saw a blond-haired man, in his late 20's, remove the tire and wheel. As he approached the suspect, the would-be thief dropped the tire and escaped by car.

The Farms police checked the escape vehicle's license number, supplied by the witness, and found it listed as stolen from a car in Roseville.

to the club's pool house and broke into it.

Woods Studies Anti-Noise Law

Two requests via letter requesting an anti-noise ordinance were received by the Woods Council at the regular meeting Monday, July 17. Both residents expressed an interest in such an ordinance and referred to an anti-noise law recently passed by the St. Clair Shores council.

The matter is already under consideration by the Committee of the Whole, and City Attorney George Catlin is currently preparing a draft for a noise-pollution ordinance, said City Administrator Chester E. Petersen.

Councilman Benjamin W. Pinkos noted that a decibel meter is utilized to measure the amount of sound. He suggested that it's best to start out with an ordinance limiting types of noise for certain areas in the city.

Two Eagles for Troop 74

At its recent Court of Honor, held in Norbert Neff Memorial Park, Troop 74 of Richard School, presented Boy Scouting's highest award, Eagle Scout, to MATTHEW BOYSE (left) and JAMES W. BOWEN (right).

Matt, the 14-year-old son of Mr. and Mrs. W. E. Boyse, of Washington road, has served as patrol leader, quartermaster, scribe and assistant senior patrol leader. He hopes to follow a career in conservation. James, 15, is the son of Mr. and Mrs. Dan W. Bowen, of Washington road. He has served as patrol leader, quartermaster, assistant senior patrol leader, librarian and editor of the troop newspaper.

In addition to the two new Eagles, Scoutmaster Jerry Webster called upon assistant scoutmaster George Lewis to recognize younger scouts who have advanced in rank during the troop's 30th year of service to youth in this area.

They include Life Scout Tim Boyse; Star Scouts,

Richard Boman, Brad Leibbrand, David McHugh, Gordon Waggett and Warren Waggett; First Class Scout Glen Hackman; Second Class Scouts, Brad Blevins, David Evenden, Brian McCann, Rick Frantz, Tom McHugh and Dan Smale; Tenderfoots Jon Gentile, Steve Getz, Steve Smith and Mark West.

Advancement chairman Keith Leibbrand announced that Troop 74's scouts completed 44 Merit Badges during the spring semester.

Camping chairman Bill Blevins outlined plans for the Eighth Annual Summer Encampment at the Howell Scout Reservation in August.

Troop committee chairman Art Hackman complimented scout mothers for providing the picnic dinner.

Re-Elect ERV STEINER

COUNTY COMMISSIONER — REPUBLICAN

Photo by Tony Spina

Layoffs by Wayne County are predicted

The Detroit News
Page Three
Friday, February 4, 1972 Section A

By RONALD L. RUSSELL
News City-County Bureau

Unless Wayne County department heads stop spending money at their present rate, the county budget will swell to a \$20 million deficit and force widespread layoffs, a Wayne County commissioner predicted today.

Ervin A. Steiner Jr., Grosse Pointe Republican, charged that department heads are not meeting savings written into their budgets because of inefficient operation of their offices and agencies.

"If this reckless circumvention of the budget is allowed to continue, the county faces sharp cutbacks of employees in June," said Steiner. "We are in the third month of our budget and by the 10th month, I project that we will be out of money—with two months remaining in the fiscal year."

The county's 1971-72 budget of \$235.2 million is based on a fiscal year which ends Nov. 30.

Leonard D. Proctor, chairman of the County Board of Auditors, and Louis G. Basse, recently retired county budget director, acknowledged that the county faces red ink unless sizeable economies are found.

BASSO PREDICTS A DEFICIT of \$12 million to \$15 million "unless there is a drastic reduction in county services and a substantial increase in state financial aid."

WAYNE COUNTY - The place to LIVE, WORK & PLAY

Dear Voter:

This article appeared in the Detroit News, three months after the budget was approved. My prediction of a 12 1/2 million dollar deficit was substantiated by the Board of Auditors.

To fight this reckless spending, I have worked to introduce fiscal integrity into the county and each department by fighting for a freeze on all hiring, a 10% reserve written into all departmental budgets and increased efficiency and responsibility in each office and agency.

There is no need for a tax increase if the county is operated on a sensible, efficient and businesslike premise. I promise to continue my fiscal integrity and county reorganization programs if re-elected on August 8th.

Very truly yours,
Ervin A. Steiner, Jr.

Park Approves Parking Plans

The "No Parking" restrictions on the east side of the 1400 block of Bedford, between Charlevoix and Mack avenues, and the "Two-Hour Parking" on the west side, have been made a part of Traffic Regulation No. 3, by the Park Council on Monday, July 24.

The parking ban on the one side and the limitation on the other, have been in effect since May 5, on a trial basis, following a petition received from residents living in the one-block area.

Police Chief Gerard Kestlelout said that upon the expiration of a 90-day trial period, a survey was conducted on the effectiveness of the project. He told the council that of the 13 families involved in that particular block, only one objected. The rest appeared pleased and asked that the ban and the restriction be made a permanent part of the Traffic Control Code.

Acting on the recommendation of the chief, the council approved a motion that the signs remain indefinitely.

The residents in the one-block area had complained that Mack business personnel have been parking their cars at the curb of their block, leaving them there all day. The signs have alleviated the problem, they said.

Will Present 'The Group'

By Pepper Whiteley

The Grosse Pointe Coalition for Peaceful Integration will present, "We Can Make It Work," by "The Group," this evening, Thursday, July 27, at 8 o'clock, at Grosse Pointe Unitarian Church, 17150 Maumee.

"The Group," is composed of some 30 eighth graders from Washington Junior High School in Pontiac. It is a fully-integrated, multi-ethnic organization that was formulated following the integration of Pontiac's Jefferson Junior High School.

The youngsters will present several skits showing home and family situations which arose when busing began in Pontiac. They have appeared on national television, have been written about in newspapers all over the world and have addressed over 2,000 educators at the Michigan Education Association's Convention. The youngsters have made personal appearances all over the state of Michigan.

The idea for the group originated with Sheryl Toby and April Barr. The girls are 13-years-old. Sheryl is white. April is black. They began talking with their friends and before they knew it "The Group" was organized.

The goal of these young people is to promote peace and understanding during the current busing controversy. Their motto: "We Can Make It Work."

Sheryl told the NEWS that "The Group" now has over 2,000 young members who have signed sheets agreeing to live by six rules. The first rule is look at your fellow students as individuals. Don't judge them by their skin color. The second is think before you fight; maybe a kind word will do as well. Use your sense of humor.

The third is to be proud of yourself. Pride in your school comes from pride in yourself. The fourth rule is ask questions. Don't make wild guesses about people and things that they do. The fifth is don't exaggerate incidents. Tell it like it was or don't tell it. Finally, you must sincerely want integration to work.

Mrs. Toby said a parents group made up of parents whose children work with the media, plus two teachers, has been formed. "We drive the youngsters to performances, handle bookings, do the paper work and plan potluck socials."

Sheryl said, "The first couple weeks of busing everyone was nervous. The parents were complaining a lot, but no one asked the kids. When they asked us, they found that most of us enjoyed this new experience."

Following this evening's program, members of "The Group" will hold a panel discussion and lead a question and answer period. The public is invited to attend.

City Resolution Gets Response

The City of Grosse Pointe Council has received a reply from Senator Robert P. Griffin regarding its resolution of June 18 urging meaningful legislation with the goal of reducing residential noise, by requiring the manufacturer to provide more adequate muffling or improved design for power lawn mowers, air conditioners and motorcycles.

The resolution was introduced by Alfred R. Reuther, Jr.

Upon making inquiries at the United States Environmental Protection Agency, Senator Griffin was told that EPA is deeply concerned with the high noise levels which exist in many residential communities throughout the country. EPA agreed wholeheartedly that efforts can and should be under-

taken on the federal level to control such problems.

In this direction, the office of Noise Abatement and Control was established within the agency in April of 1971.

Recently, EPA published a comprehensive report on all aspects of the noise problem, including noise from sources within residential communities.

EPA told Senator Griffin that the City Council will be happy to know that legislation is now pending in Congress which will empower EPA to set noise source emission standards for various categories of equipment. The pending legislation also provides for a program of technical assistance to states and local governments in developing noise programs.

Don't Vote for O. J. Williams...Unless

You want responsive and responsible representation on the Wayne County Commission. Here are some facts that may interest you:

- Wayne is the third largest county in the United States. The Wayne County Commission has direct control over a budget of \$234 million involving 7,500 employees.
- According to documented county records, the incumbent Ervin A. Steiner, Jr. did not attend 30 of the 76 scheduled commission meetings in 1972, an absentee record of 39%.
- Even though the incumbent has publicly stated that he has "spoken out vehemently against pay increases for commissioners," he did not attend the meeting held on Dec. 9, 1971 when the commissioners agreed to vote themselves a tax-free pay increase.
- The incumbent voted "yes" for the proposed \$126 million domed, air-conditioned river-front stadium, contrary to the wishes of the overwhelming majority of his constituents.

Vote for O. J. Williams for Wayne County Commissioner, District I, in the August 8 Republican primary. O. J. Williams cares.

Report Thefts At North High

A variety of electrical items were taken during a breaking and entering at North High School Saturday, July 22. The value of the equipment is unknown at this time.

A school engineer contacted the Woods Department of Public Safety on the robbery. Police discovered the thieves took two Cannon mke inputs, two Switchcraft jacks, two Crown pre-amplifiers, two Crown transformers, one Crown recorder and one Crown playback power amplifier.

The breaking and entering, which occurred sometime between 6 p.m. July 21 and 4 p.m. July 22, was discovered by the engineer who found a six by two-foot window broken on the southwest side of building "C." He also discovered a door adjacent to the window propped open with the sports section of the Detroit Free Press.

Upon further investigation, the engineer found that the music room had been entered, and a cabinet broken into. No other portions of the school showed signs of forced entry.

KNOW YOUR SUBJECT Remember always to get the facts — gossip is poison, but truth is the antidote.

The Audi has the same steering system as the Ferrari racing car.

It's called rack-and-pinion steering. And it's the simplest, most direct type of steering system any car ever had.

It's precisely this simplicity and directness that gives you such an uncanny feel of the road. And the better your feel of the road, the more control you have over the car.

Besides the Ferrari 512 racing car, the Audi has a lot in common with a lot of other great automobiles.

The Audi has independent front suspension just like the Aston Martin. And front-wheel drive just like the Cadillac Eldorado.

The Audi has the same trunk space as the Lincoln Continental Mark IV. And just about the same headroom and legroom as the Rolls-Royce Silver Shadow.

Our interior looks so much like that of the Mercedes-Benz 280SE,

you can hardly tell them apart. And as for service, you'll get the same kind of expert service that a Volkswagen gets. Because a Porsche Audi dealer is part of the VW organization.

You don't hear about a car like the Audi every day. A car that in many respects bears a remarkable resemblance to some of the finest cars ever made.

That's why we don't think we're asking a lot of money for the car.

The way we look at it, it's a lot of cars for the money.

107 KERCHEVAL ON-THE-HILL

To Open EAN Office July 31

By Pepper Whitelaw
The first step in the ecology programs sponsored by Environmental Action Now (EAN) and National Bank of Detroit (NBD) will be taken on Thursday, July 31, when the EAN Coordination Office opens in the municipal building of the City of Grosse Pointe Woods, 20025 Mack avenue.

The office will serve as a clearing house to take memberships, recruit volunteers, accept donations of monies and equipment to help with the five-point program planned for The Pointes.

The program includes developing a nature trail through a portion of Three Mile Park, repairing and landscaping the Old Marter Road Pumping Station, rebuilding the existing greenhouse on Grosse Pointe Academy grounds and planting of the childrens' gardens, further development of the present nature area behind Vernier School and major landscaping of the passive play area of Elworthy Field.

The EAN office will be manned by 18-year-old Mary Lou Rybinski an honor roll student and graduate of North High School.

Mary Lou has always been active in environmental projects. She headed the committee for the preservation of the old Vanderbush property which lies next to North High School, was on EAN's ad hoc committee and was responsible for naming EAN. She is currently its secretary and member of its board of directors.

She also served on EAN's introductory panel meeting with Senator Philip Hart and was a volunteer for the Political and Environmental Action Center which handled the recycling of bottles. She has also worked with EAN's paper drives. She plans to attend Western Michigan University this fall.

Mary Lou told the NEWS that the EAN office will be open through August 15. Hours are from 10 a.m. to 4 p.m., Monday through Friday. Anyone wishing to volunteer materials, time, or money, may call Mary Lou at 884-4972, before July 31, or EAN's office at 884-6800, after July 31.

A program of this scope needs all the help it can get from members of the community. Why not offer your special talents to this worthwhile project?

Seek Suspects In Tire Theft

Park police are still looking for two suspects, who on Saturday, July 15, stole four tires and wheels from a brand new car on the lot of Bob Saks Oldsmobile, 15205 Jefferson, it was disclosed on Friday, July 21. So far, the authorities have no clues.

According to police, the theft occurred at about 9:30 p.m. witnessed by a citizen who called the station. The witness said he observed two males, description unavailable, roll two tires and wheels to a car at the curb.

Officers investigating the incident, found that the tires had been removed from a 1972 Oldsmobile.

The following day, officials of the auto sales firm, notified the authorities, that the thieves had returned during the night and had taken the remaining two tires and wheels from the vehicle.

Bob Saks said the set of four is valued at \$240.

Any one who can furnish any information regarding the thefts are asked to call Park police, Valley 2-7400. The name, or names of the informants will be kept strictly confidential.

TIME OF YEAR

Home runs are listed as items for which the demand is far greater than the supply.

ALCORT SUNFISH SAILFISH Immediate Delivery GREGORY BOAT CO. 6066 E. Jefferson 823-1900

Woods Trees Hit by Storm

Four calls were received by the Woods Department of Public Safety on damaged trees from the rainstorm Tuesday, July 18. Tom Holmes, standby for the Highway Department, was kept on the move as the calls were within a three-hour period. Two of the trees were blocking roadways.

One tree was blocking the roadway of Eastbrook court and Mr. Holmes was immediately contacted. Twenty minutes later the condition was taken care of.

A short time later a tree, located on city property in front of a Van Antwerp residence, was reported with a broken limb hanging over the sidewalk. Because of the extensive wind, the resident feared it would fall. Mr. Holmes was advised of the problem and quickly took care of the situation.

Over an hour later a tree was split at ground level, blocking the roadway on Norwood drive. A wire also was down at the rear of a nearby residence. Police contacted Mr. Holmes and Detroit Edison to rectify the situation.

Then over a half-hour later, police discovered a tree limb down near Norton court and Torrey road. Mr. Holmes was contacted once again, (he was still over at Norwood), and shortly had the situation under control.

Bust Busing Leader Speaks

Leon Sehoyan, organizer of the anti-busing group, "Bust Busing," told the NEWS that he has over 2,000 Pointers who will keep their children out of school rather than bus them.

He added that John Mazer has agreed to serve as attorney for the organization and Howard Austin, candidate for the 14th Congressional District, is a key advisor.

"Our object," said Mr. Sehoyan, "is to make sure that not one Grosse Pointe child is bused out of the Grosse Pointe School System. When laws interfere with the private rights of freedom of choice it's time to change those laws."

Anyone interested in joining the "Bust Busing" group should call Mr. Sehoyan at TU 4-9393.

TIRE STOLEN

Someone made off with a spare tire and wheel from a station wagon parked in front of 66 Kercheval, Friday, July 14, between 7:30 p.m. and 8:00 p.m. The complainant, James E. Meyers, 288 Fisher road, reported the theft to The Farms police station immediately and said that it was a new U.S. Royal tire, which was taken.

SET PLAN

Foresight is the inborn ability to utilize the present in making a past for future use.

BLINDED

The faults of others appear so glaring that most people overlook the glare of their own.

OFFER EXPIRES JULY 31, 1972

Last summer Lester Gladhand was accused of being antisocial.

Now he has a Gas grill.

Lester's really a warmhearted fellow, but whenever the Gladhands had friends over for a barbecue, Lester was busy. Busy with the briquets. Busy with the starter fluid. Busy keeping the fire going. Busy trying to keep clean. Just too busy to be social.

Now Lester has a Gas grill. He lifts the cover and lights the grill. And he becomes

the life of the party.

Since you're going to cook anyway, why not cook the fun way—on an outdoor Gas grill. And enjoy the party!

See the Gas grills on display at Gas appliance dealers and Michigan Consolidated Gas Company showrooms.

Just think of a Gas grill as a social asset.

Name Ninth Graders To South Honor Roll

Jerry J. Gerich, Principal of Grosse Pointe South High School, has announced the complete honor roll for the building's ninth graders. They are David Alessi, Mark Allison, Barbara Anderson, Margaret Anderson, Robert Ash, Charles Austerberry, Paulette Barker, Julia Barthett, Julie Barton, Kenneth Bates, Arthur Behm, Frederick Berg, Jennifer Blevins, Deborah Block, Diane Boman, Judy Bowen, Virginia Bowen, Matthew Boyse, Janet Bradford, Rick Brewer, Patricia Bristol, Trent

Drivers Face Drunk Charge

Two motorists were arrested by Park police during the early hours of Sunday morning, July 23, and both were charged with driving under the influence of liquor and having no valid operator's license on their persons. The incidents occurred at different times, involving the same arresting officers. At 1:05 a.m., Patrolman Ralph Moore and David Hiller, arrested George H. Johnson, 37, of 3502 Sheridan, Detroit, when they observed the man driving very slowly north on Wayburn, then make a turn east onto Goethe without giving a signal. The policemen said that they forced Johnson to a halt at the curb of the intersection. When Johnson presented his car registration and operator's license, the officer's found that the valid date of the license had expired. The patrolmen said they also detected a strong odor of alcohol on the man's breath and placed him under arrest and took him to the station, where they gave Johnson a violation ticket for driving while his license was expired, and another for driving while drunk. The motorist was released on \$100 cash bond, pending a court hearing scheduled for August 16. At 3 a.m., Moore and Hiller were patrolling on Mack avenue, when Wallace Cothran, 47, of 8319 Bessemore, Detroit, ran a stop sign at Lakepointe and nearly collided with the scout car. The officers gave chase and pulled Cothran over to the curb at Mack and Alter road. Moore and Hiller said that they detected a strong odor of liquor on Cothran's breath and ordered him out of his vehicle. The patrolmen said that the man was unsteady on his feet. When asked for his license and registration, the policemen said, Cothran produced the registration, and admitted he had no license. He was taken to the station and after being booked was given a ticket for drunk driving and a second ticket for not having a valid Michigan operator's license on his person. Cothran and Johnson were both released after they had sobered up. Cothran was freed on \$100 personal bond. Johnson, before his release was found to have been wanted by Detroit for a 1968 traffic violation. Park police collected an interim bond of \$20 for Detroit before letting the man go.

Others are Judith Campbell, Thomas Carr, Cheryl Chabot, Michele Chave, Randy Christofferson, Nanette Clavel, Thomas Coles, Philip Controulis, Marianne Coraci, Eric Crane, Elaine Crowther, Lexa Cruickshank, Leslie Cunningham, Lisa Cunningham, Cheryl Damberg, Mary Kay Darragh, Jennifer Deakayne, Julia Delbridge, Bonnie Demeyere, Dorcas Dobbie, Christina Donath, Catherine Duker, Carol Duncan, Elizabeth Eaton, Martha Eldredge, and Judith Ellis. Baby Decides Time for Debut

Mr. and Mrs. Dan Masouris, owners of the Elias Bros. Big Boy Restaurant at Mack and Harvard in the Park, had some unexpected excitement on Thursday,

July 6, at 6:32 p.m., when the daughter of Mr. and Mrs. David Yuhaus of Somersset road, who had come in for a piece of their popular strawberry pie, decided that it was time to make her entrance into the world.

The Grosse Pointe Fire Department personnel and ambulance with usual efficiency, responded immediately to Mr. Masouris's urgent call, and took Mrs. Yuhaus to Cottage Hospital where she gave birth to six and one-half pound Deborah Lynn. The newborn and her mother are both fine.

According to Mrs. Masouris, Mrs. Yuhaus left the restaurant to a hearty round

of applause from both customers and employes and both she and Deborah are scheduled to make a return visit soon.

Needless to say, little Deborah will be a "preferred customer" and a very popular young lady at the Park restaurant.

Progress is always able to demand and get its own price.

Fortunately most mistakes are not noticed or are overlooked. The surest way to reach rock bottom is to fly high on credit.

Long and Short of It

It takes all shapes and sizes to make a team, as demonstrated by 4'4" JON GREENSPAN, handing the ball to teammate GLEN WILLIAMS, who is 5'10". Both lads play for Hawaii in the Farms AAA league. Williams who just turned 11, is reportedly still growing. In fact, the league didn't originally have a uniform to fit him. Both players attend Monteith School with Williams just completing the fifth grade and Greenspan, who will be 11 in July, the fourth grade.

Decide Champs in GPSA Play

Last weekend proved to be a big one for the Grosse Pointe Softball Association as both the first and second half champions were determined. Art Van was the first half winner, while the Marauders copped second half honors.

The Truckers came from behind in the last inning, edging the Fontana Brothers, 10-8, Saturday, July 22. Later that afternoon the Marauders made it four straight by nipping the Truckers, 6-5.

It was the Sunday, July 23, games that proved to be the most important however.

In the morning game, the East Warren Bingers dumped Budd Wiser, 14-13. The contest featured heavy hitting by both teams.

Then Art Van defeated the Truckers, 5-4, in the first half championship play-off game. Art Van scored their five runs early and held on as Dwight Van Steenkiste allowed the hard-hitting Truckers only six hits.

The Truckers dropped another one, this time to the Bingers, 10-9. The Bingers scored three runs in the final inning to put the slipping Truckers away.

In the final game, the Marauders clinched the second half by edging first half champs Art Van, 3-7. Art Van got off to a quick six-run lead but hard hitting by the Marauders secured the win. John Connolly and Rick Fiori paced the Marauders' attack with a homer apiece.

Wilson Ties For Medalist

Pointer Chris Wilson, 16, tied for low medalist honors in the U.S. Junior Amateur golf qualifying round Monday, July 17, at Novi's Meadowbrook Country Club. He will now compete in championship play Tuesday through Saturday, August 1-5, in Dallas, Tex.

Chris, who's on the North High School golf team, won the Detroit Free Press tournament two years ago. He has also won some tourneys at the Hillcrest Country Club.

Busy Lochmoor Natators Win in Inter-Club Action

Busy is the word in Inter-Club swimming these weeks and Lochmoor is no exception.

A trek across town to Western Golf and Country Club Thursday, July 6, netted Lochmoor a win. The girls medley relay consisting of Joy Promack, Julie Eugenio, Carol Peters and Pam Hallman, set a league record of 2:25.9. Julie, Joy and Pam were a triple threat with three firsts each.

Not to be outdone, the boys free relay of George Schoof, Dave Wyborski, Mike Bernard and Gary Hoffman scored a first, too. Blue was the color of the day as many of the swimmers picked up three firsts. These happy people include George Schoof, Chuck Stoyka, Mary Bozich, Mike Bernard, Tom Matthews, Gary Hoffman and Dave Wyborski.

Just catching its breath Lochmoor traveled to the Detroit Boat Club Sunday, July 9. Another win brought Lochmoor closer to its goal of dual meet champs.

The girls eight and under free relay of Beth Russell, Julie Mihelich, Rachel Krickstein and Sarah Bernard swam to a first at 129.4. Taking first and second provided an exciting moment for Janice Wyborski and Gail Eugenio in the Girls 15 and 16, 50-meter freestyle.

Tom Filgo, 15, really churned up the water winning a first in the 25-meter freestyle at 26.4 and a second in the fly at 30.3. Carol Peters, 14, added to the action with three firsts, sister Sally took third in the 50-meter nine and 10 backstroke and first in the free with a time of 37.3.

Really holding the team in scoring position were second place winners Cheryl Stoyka, girls nine and 10, 50-meter free, at 50.3; Scott O'Berski, boys 11 and 12, 50-meter fly, 42.7, and Laura Bashara, girls 11 and 12, 50-meter backstroke, 39.4, only .2 off first place.

Time to be hosts again. Lochmoor welcomed GP Yacht Club Thursday, July 13. Breaking their season record, Kelly Bernard, Mary Bozich, Carr' Peters and Janice Wyborski, the girls freestyle relay, were timed at 207.3.

The eight and under girls really cut the water to vie for placement in the 25-meter freestyle. Sarah Bernard, 6, took second with a time of 21.1 while Julie

Mihelich, at 21.2, edged Rachael Krickstein 21.4 to place third.

Another club race is that among twins Bill and Bob Frauenheim in the boys 11 and 12 breaststroke. Bill, second at 45.1, held his own but Bob is pressing him and Mike Bernard, who took first in this event at 43.7.

Dean Graham, an up and coming eight-year-old, swam to a third in the eight and under boys 25-meter freestyle and took a first in the eight and under free relay along with Mark Stoyka, Dan Frauenheim and Watty Bernard. Dan Graham got into the action with a fourth in the boys 10 and under breaststroke at 56.5.

A new family to swimming are the Wooltons. Sandy won a place on the winning eight

and under girls free relay and brother John was fourth in the boys nine and 10, 50-meter freestyle. In this same event Jamie Eisey took a third with his best time of 40.0.

Michael Michael, a newcomer to swimming, supports the 13 and 14 boys 50-

meter free style and backstroke. Some of the team members that don't always place first at the meets, but are working hard and giving moral support, are Mark and David O'Berski, Peter and Mary Schoof, Jeff and Beth Jaskowski, Chip Weiler and Nancy Ambrost.

Pointers Near League Title

The Pointe police softball team is "number one" in Macomb - Oakland Softball League play . . . almost.

For the Pointers, who powered past Shelby, 12-3, Sunday, July 23, upping their record to 9-1, have one more game to play — a make-up contest against the FBI Saturday, July 29, at the L.W. Baumgartner Park, 15 Mile road near Schoenherr. Game time is tentatively set for 10 a.m.

The reason for the make-up is because Warren Patrol at 9-2, is a half game off the pace. If the Pointers defeat the FBI, making their mark 10-1, they cop top spot. But if they lose, the Pointers will have to face Warren to decide the league championship.

Park patrolman-manager Michael Kortas stressed his team's good defense against Shelby. Collin LaLonde of the Park Police Department went the distance to nail his seventh win of the season against one loss. Park Department of Public Works worker Arthur Conlan helped the Pointers' attack by blasting a homer.

After the league title is decided, the Pointers will start the playoffs against Probate Court Sunday, July 30, said patrolman Kortas. Game time is scheduled for 9 a.m. If the team wins, they'll play at 10:30 a.m.; if they lose, at 12 noon.

Drinking Miss Misses Police

A veering vehicle gave Woods police a not so merry chase Thursday, July 20. While on patrol going north on Marter road at Aline drive, officer James Fowler spotted an auto going south on Marter in the northbound lane. The car veered into the southbound lane after nearly hitting the scout car head on. The police car ended up on the curb. Continuing south on Marter, police reported the vehicle again swerved into the northbound lane nearly hitting another car head on. Pursuing police stopped the auto on Roslyn road. The driver, an 18-year-old Hollywood avenue resident, was arrested and charged with driving under the influence of liquor. She was released to her mother's custody without bond and is scheduled to appear in court Wednesday, August 16.

Letters Praise Woods Police

The Woods Department of Public Safety received a number of commendatory letters in June. Two concerned Corporal Peter Thom as and officer Frederick Lovelace, and a third was in connection with the Hunt Club Horse Show. Corporal Thomas recently gave first-aid instruction to the Grosse Pointe Woods Auxiliary. In a letter to Director Donald B. Coats, Captain James Marl of the auxiliary said the corporal "exhibited 'in depth' knowledge of first aid training as he took the class through standard and advanced training."

Captain Marl continued, "He presented the material in a dynamic and effective manner, maintaining the interest of the class at all stages. It brings deep pride to our organization to be associated with individuals of Corporal Thomas' stature."

Officer Lovelace spoke to second and third grade students at L'Anse Elementary School, St. Clair Shores, about the duties and responsibilities of policemen, and also showed movies on street safety. The student teacher, Patricia Matthews from Wayne State University, said, "Officer Lovelace did a fantastic job and the children really enjoyed listening and talking to him. I would like to compliment your department on having such fine policemen on your staff who are so concerned about the welfare of young children."

Finally, in his letter to Director Coats, Edwin N. Peabody, National Garages, Inc. president, stressed the success of the horse show. "A large part of the success is attributable to all of the men and women under your direction who cooperated with me as co-director of the show, all officers and patrolmen, dog catcher and the young ladies on the switchboard."

Mr. Dansbury said that the limited space within the house constituted a hardship for his family. He said that their refrigerator was in the hallway and that the freezer was in the garage. The Farms councilmen, after reviewing the request and studying the lot and house area, granted the request. Their only restriction was that the family could not build a second story on the rear addition.

Pebble Creek The Ultimate CONDOMINIUM

Need 100 Male Volunteers

A search for 100 male teenagers to act as "arms and legs" for crippled children during the annual Muscular Dystrophy Summer Camp is being undertaken by the Southeastern Michigan chapter, Muscular Dystrophy Associations of America.

Richard J. Miller, Chapter President, has issued an appeal for young men, age 16 and over, to serve as individual attendants to each child during a special session August 13 through 20 at the MD camp at Fort Huron. Miller said that volunteer registered nurses and licensed practical nurses are also needed for the one-week camp.

The children, confined to wheelchairs and braces because of MD, traditionally learn to play baseball, swim, fish, boat and hike, with the help of their attendants at the specially-designed camp. Nurses and doctors are on the camp grounds at all times.

Although there is no budget for camp salaries, all expenses for campers, volunteers, and medical personnel are underwritten by proceeds from the annual Hazel Park Derby Ball.

"It may seem a bit strange to be running bases for a child who bats from a wheelchair," Miller said, "but to see the child's eyes when he gets his first home run is something else again."

Area teenagers and nurses may volunteer by calling the Muscular Dystrophy Camp headquarters at 399-8801.

Residents Back House Addition

It never hurts to be a good neighbor. Just ask Thomas F. Dansbury who was recently granted a variance by The Farms Council to build an addition to the rear of his house at 82 Mapleton road.

The resident wished to make an eight by 15 foot addition to the kitchen area. As the house is on a very shallow lot, 45 by 70 feet, the addition would extend six feet over the allowed rear yard set back.

At the request of the building department, Mr. Dansbury sent letters to neighbors within 300 feet of his lot. The letters were intended to prompt any complaints over the proposed addition; instead, the letters prompted a resident's appearance at The Farms Council meeting, pressing the councilmen to grant the variance.

A man across the street praised the Dansburys for upgrading the appearance of the house, stating that the house was deteriorating when the family moved in. Another woman said that she wished to commend publicly the family and added that she hoped the council would approve the variance.

A letter had been signed by 28 of the immediate neighbors stating that they did not object to the rear addition.

Mr. Dansbury said that the limited space within the house constituted a hardship for his family. He said that their refrigerator was in the hallway and that the freezer was in the garage.

The Farms councilmen, after reviewing the request and studying the lot and house area, granted the request. Their only restriction was that the family could not build a second story on the rear addition.

Birds 'Dive Bombing' Woods Residents

Dog wardens are contacted for all kinds of incidents involving animals — and not only pooches. Take the case of Woods Warden David McQueen Friday, July 14. He received a complaint

from an Anita avenue resident, of birds "dive bombing," when someone comes towards the porch. Upon his arrival, Mr. McQueen discovered why. Above the porch light was

a nest with five baby birds and "momma" and "papa" obviously don't like intruders nearby. The residents told Mr. McQueen that he watched the birds building the nest and

didn't want to stop them. And when it was suggested that the nest be moved, the resident wouldn't hear of it. Slow down, speeders — before you become a statistic.

GPYC to Host Fathers, Sons

The annual Grosse Pointe Yacht Club father and son party is scheduled for Thursday, August 24, beginning at 5 o'clock. Following the usual club

custom, the day's activities will start at the swimming pool, after which there will be a typical fun program for sons and fathers of all ages.

The Officers of the Detroit Racing Association proudly announce the running of the twenty-fourth consecutive Thoroughbred Meeting

The 1972 Thoroughbred Meet will be held at the Detroit Race Course for one hundred & eight days from Monday, July 31 thru Saturday, December 2.

Racing fans may wish to note these highlights for reference during the season which opens Monday, July 31.

INTERESTING FACTS

It's surprising how few people know the man who actually picked "America" to be the name of this continent.

He was Martin Waldseemuller, a German mapmaker.

Waldseemuller is the one who decided to call this continent America after Amerigo Vespucci came here, explored, and reported back to Europe that the land Columbus discovered was truly a new world.

Some people remember Vespucci, but few remember Waldseemuller—yet, if it hadn't been for Waldseemuller, our country probably would have a different name today.

And, here's another interesting fact... If your planning to redecorate Maliszewski's expert sales staff can help you in selecting carpeting to coordinate with your total new look!

Ed Maliszewski Carpeting

ELECTION NOTICE

To the qualified Electors of the County of Wayne, State of Michigan:

NOTICE IS HEREBY GIVEN THAT AT THE PRIMARY ELECTION TO BE HELD IN SAID COUNTY OF WAYNE, STATE OF MICHIGAN, IN THE REGULAR VOTING PLACE IN EACH ELECTION PRECINCT IN EACH CITY AND TOWNSHIP IN THE COUNTY OF WAYNE, STATE OF MICHIGAN, ON TUESDAY, THE 8TH DAY OF AUGUST, 1972, BETWEEN THE HOURS OF 7:00 O'CLOCK A.M. AND 8:00 O'CLOCK P.M., THE FOLLOWING PROPOSITION WILL BE SUBMITTED TO THE ELECTORS OF SAID COUNTY:

COUNTY PROPOSITION — TAX LIMITATION PROPOSITION

"Shall the County of Wayne continue for five additional years (from 1975 through 1979) the one mill approved by the voters in 1968 for five years from 1970 through 1974, the proceeds to be used to continue existing county services, including public health, recreation and safety services, maintain hospitalization for the medically indigent, help furnish medical care of the aged poor, help care for and train juveniles under county care, help provide treatment for the mentally ill and those suffering from tuberculosis?"

All registered electors may vote on the Tax Limitation Proposition.

This proposition is being submitted in accordance with the following resolution duly adopted by the Board of Commissioners of said County on the 1st day of June, 1972.

RESOLUTION OF BOARD OF COMMISSIONERS OF THE COUNTY OF WAYNE

WHEREAS, the voters of Wayne County on September 1, 1964, did approve a one mill tax levy increase (\$1.00 per \$1,000 of State equalized valuation) for a period of 5 years from 1965 through 1969; and

WHEREAS, the voters of Wayne County on August 6, 1968, approved a renewal of this millage for a period of 5 years from 1970 through 1974; and

WHEREAS, this one mill was absolutely essential to provide basic County services in such areas as hospitalization for the medically indigent and aged poor and for curing and training of juveniles under County care, providing treatment for the mentally ill, and those suffering from tuberculosis, and for maintaining adequate public health, recreation and safety services; and

WHEREAS, the County has no alternative but to seek the voters' approval for the continuation of the existing one mill extra voted levy in order to maintain minimum essential services; now, therefore, be it

RESOLVED, by the Board of Commissioners of the County of Wayne, this 1st day of June, 1972:

1. That there be submitted to the qualified electorate of the County of Wayne, State of Michigan, at the primary election to be held in said County on Tuesday, August 8, 1972:

COUNTY PROPOSITION — TAX LIMITATION PROPOSITION

"Shall the County of Wayne continue for five additional years (from 1975 through 1979) the one mill approved by the voters in 1968 for five years from 1970 through 1974, the proceeds to be used to continue existing county services, including public health, recreation and safety services, maintain hospitalization for the medically indigent, help furnish medical care of the aged poor, help care for and train juveniles under county care, help provide treatment for the mentally ill and those suffering from tuberculosis?"

2. Said proposition shall be prepared and distributed by the County in the manner provided by law, which statement on the voting machines and ballots shall state the proposition in the form set forth in the preceding paragraph.

3. All public officials of the County of Wayne, State of Michigan, and all municipal units thereof, within such time as shall be required by law be, and they hereby are, directed to do and perform all acts and things which shall be necessary to be done or performed in order to submit the foregoing proposition to the electorate of said County at such primary election to be held on Tuesday, August 8, 1972.

COUNTY TREASURER'S STATEMENT

STATEMENT AS REQUIRED BY A T 278 OF PUBLIC ACTS OF 1964 amending the Property Tax Limitation Act

J. Louis H. Funk, County Treasurer of Wayne County, Michigan, do hereby certify that, as of June 28, 1972, the total of all voted increases in excess of the Constitutional fifteen mill tax rate limitation and the years such increases are effective are as follows affecting the taxable property of: COUNTY OF WAYNE, MICHIGAN

You are further notified that the following proposals are to be voted upon:

Proposed constitutional amendment to allow trial by a jury of less than twelve jurors in all prosecutions in all courts for misdemeanors punishable by imprisonment for not more than one year.

Proposal to raise millage from ¼ mill to ½ mill for Huron-Clinton Metropolitan Authority.

You are further notified that the polling place for said election will be at the Gatehouse, 1100 Lake Shore Road.

You are further notified that the polls for said election will be open from 7:00 A.M. until 8:00 P.M., Eastern Daylight Time.

Arthur J. Berk
Clerk

New Fireman Hired in Park

The Park Fire Department has a new man, John A. Viviano, 22, of 20919 Lochmoor, Harper Woods, who was appointed to the fire force on Monday, July 10. He replaces a 19-year veteran of the department who was forced to retire because of a serious heart attack last November.

Fire Chief Phillip Costa said that Viviano scored the highest of 10 candidates who sought the job, both in written and oral examinations. He was also in top physical condition, it was added.

The chief said that Viviano will have to undergo complete fire and first aid training during his probation period of six months. The new recruit will not receive top fire duty pay until he has been with the department for a full two-year period, it was pointed out.

Born in Memphis, Tenn., the new recruit is a 1968 graduate of Austin High School. He is a graduate of Macomb County Community College and attended Wayne State University.

He is married to the former Anne T. Bischoff of Detroit.

Viviano replaces Sgt. Loren Anderson, 45, of 19105 Kingsville, Harper Woods, who suffered a heart attack last November 19, while on duty at the fire station.

Chief Costa said that at the last report, Anderson was doing very well, but his firefighting days are over, and as of Saturday, July 15, Anderson has been placed on the disability list and will receive his disability pension.

Woods Opposes Court Changes

By Roger A. Waha

A proposal to establish a unified state court system and elimination of all municipal courts irked the Woods Council at the regular meeting Monday, July 17. The city has retained its municipal court.

In a letter to the council, Robert E. Fryer, director of the Michigan Municipal League, gave an opportunity to the council to express its views to the League Board of Trustees on the proposal, and on a proposed draft policy resolution which will be considered at the League's annual meeting on September 28.

The special commission to study the Judicial Article of the Constitution recommended the establishment of a unified state court system, noted Mr. Fryer. "SJR 'KK' has been introduced in the legislature to implement the commission proposals and would call for a vote of the people on this proposed constitutional amendment," he said. Mr. Fryer added that it's not likely that the electorate will vote on it until 1974.

City Attorney George Catlin noted that 10-20 communities in the state have retained municipal courts including the Pointes and Harper Woods. He added that the cost of district court operations is three times more expensive than municipal court operations.

Mr. Catlin told the council it would be more costly to The Woods if the state abolishes municipal courts and imposes a district court system.

The council unanimously agreed to oppose the resolution draft. In seconding Councilman Marvin R. Boutin's motion, Councilman Benjamin J. Pinkos said he was opposed to any consideration of the district court system in The Woods. He felt there was nothing in the draft to protect cities who have opted to retain its municipal court.

Mr. Pinkos hoped the Michigan Municipal League would strongly represent cities who have municipal courts. "The cities who have district courts already made their choice," he stated.

Mayor Kenneth McLeod said he was in favor of the "status quo" regarding the city's municipal court. "It would be very expensive to The Woods and other communities to have it otherwise," he noted.

Gardener Loses Trailer Hitch

A gardener working at 41 Renaud road left a large trailer hitch, loaded with leafy debris, at the roadside in time for Shores garage pick-up Monday morning, July 17.

When Peter Hartz, 477 Fisher road, returned to work Tuesday morning, July 18, the \$150 hitch was gone.

After contacting The Shores Department of Public Works, who assured him that they did not pick up a large trailer, the gardener determined that some passerby had taken the hitch, believing that it was left for rubbish pick-up.

The pre-college student describes the wagon as white with green paint spilled on it. It measures six by nine feet, has two wheels, and a trailer hook-up.

He would appreciate any-one with information on the missing trailer calling him at 881-3955 or contacting him at his home.

Lightning Bolt Strikes Home

Twenty-five firefighters from The Woods, Shores and Harper Woods battled a rainstorm to extinguish a blaze in a recreation room at 1121 North Renaud Tuesday, July 18. Fire damage was confined to a corner of the room and furniture there, although smoke and heat damage was done throughout the home.

A motorist reported the fire to the Woods Department of Public Safety at 4:57 p.m. A second alarm for further manpower was called at 10 p.m. by Woods Lieutenant Allan Selby.

The resident, Emery Booker, told Woods Corporal Peter Thomas that he and his wife heard lightning strike, and his wife saw a ball of flame go across the floor. A crackling noise was heard in the basement and upon checking, Mr. Booker saw the fire.

They tried to reach the station but the telephone was out of order. Attempts to reach firefighters from a number of other homes were unsuccessful. So they flagged down a passing motorist and asked him to contact the station.

Investigation revealed the lightning exited a basement wall outlet and traveled into a vibrator chair plugged into the outlet, causing ignition.

Mr. Brooks, according to the department, estimated a 30-minute time lapse between the fire's start and the arrival of equipment due to the lack of telephone service.

Seventeen Woods firefighters, including auxiliaries and off-duty men, were on the scene. Mutual aid assistance was provided by The Shores, (Patrolmen Gordon Swartz, Harry Hamilton, Dan Healy and Archie Grieve), and Harper Woods.

MEET YOUR ARMY RECRUITER

Before you make any decision, make it a point to meet your local ARMY RECRUITER. You'll find that he is much more than a recruiter. His job is to advise and counsel you, so that your aims and goals in life can be reached. It may be that the course of action you have in mind is not exactly right for you. If so, you can be sure that the RECRUITER will discuss everything fully with you and offer useful suggestions. So feel free to drop in at the RECRUITING STATION at any time, even if you're not ready to make your move. The ARMY RECRUITER will always be happy to see you.

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF THE GROSSE POINTE PUBLIC SCHOOL SYSTEM, WAYNE COUNTY, MICHIGAN FOR THE SPECIAL ELECTION TO BE HELD ON THURSDAY, SEPTEMBER 7, 1972

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

PLEASE TAKE NOTICE that a Special School Election will be held in said School District on Thursday, September 7, 1972.

Act 269, Public Acts of Michigan, 1955, as amended, provides in part as follows:

"The Inspectors of Election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the City or Township in which he resides . . ."

THE LAST DAY on which persons may register with the appropriate city or township clerks of the city or township in which they reside in order to be eligible to vote at said Special Election is Friday, August 4, 1972. Persons registering after 5:00 o'clock P.M., Eastern Standard Time on said Friday, August 4, 1972, will not be eligible to vote at said Special Election.

Under the provisions of Act 269, Public Acts of Michigan, 1955, as amended, registrations will not be taken by school officials, and only persons who have registered as general electors with the appropriate city or township clerks of the city or township in which they reside are registered school electors. Persons planning to register with the city or township clerks must ascertain the days and hours on which the clerk's office is open for registration. Registration of unregistered qualified electors of the School District will be received at the following places:

1. Residents of the City of Grosse Pointe Park shall register at the office of the Clerk of the City of Grosse Pointe Park, 15115 East Jefferson Avenue, City of Grosse Pointe Park, Michigan.
2. Residents of the City of Grosse Pointe shall register at the office of the Clerk of the City of Grosse Pointe, 17150 Maumee, City of Grosse Pointe, Michigan.
3. Residents of the City of Grosse Pointe Farms shall register at the office of the Clerk of the City of Grosse Pointe Farms, 10 Kerby Road, City of Grosse Pointe Farms, Michigan.
4. Residents of the City of Grosse Pointe Woods shall register at the office of the Clerk of the City of Grosse Pointe Woods, 20025 Mack Avenue, City of Grosse Pointe Woods, Michigan.
5. Residents of the City of Harper Woods shall register at the office of the Clerk of the City of Harper Woods, 19617 Harper Avenue, City of Harper Woods, Michigan.
6. Residents of the Township of Grosse Pointe shall register at the office of the Clerk of the Township of Grosse Pointe, 795 Lake Shore Drive, Village of Grosse Pointe Shores, Michigan.

This Notice is given by order of the Board of Education of The Grosse Pointe Public School System, Wayne County, Michigan.

St. Paul Slates Grid Practice

Although most Pointers are still "sweating bullets," football season is only a short time away. Gridiron practice for St. Paul School seventh and eighth graders drums this point home despite the fact that the crack of the bat can still be heard in the area.

Practice begins Monday, August 14, at 4:15 p.m. in the gymnasium, 170 Grosse Pointe boulevard.

Police Pursue Bathroom Fixer

A resident of Muir road filed a complaint with Farms police Friday, July 17. He had hired a contractor to replace a bathroom sink on Monday, May 15, paid him \$30, and hadn't seen him since.

Farms detectives attempted to contact Joseph W. Donahue of the T & J Modernization Co., 4165 Woodhall avenue. During the investigation, they discovered that the contractor had applied for a license in February 1972 and had been refused.

Farms detectives located the man and he gave the Muir road resident full restitution. The complaint was dropped, with the detectives giving Mr. Donahue a firm warning not to conduct business in The Farms area.

Police Assist Drugged Youth

Several concerned passers-by alerted Farms Corporal Otto Glanert Saturday evening, July 15, that a youth near 18628 Mack was in need of help.

The officer rushed to the area and found an 18-year-old Pointe youth staggering badly and incoherent, and nearing unconsciousness. He was dirty and his clothes were in a disarranged state.

With the aid of Patrolman Timothy Morrison, they transported the youth to St. John Hospital where he was treated for an overdose of barbituates.

Contacting the family, they said that their son had been transported to Detroit General Hospital the previous Saturday under similar conditions.

Who is eligible for practice? Only registered members of, and those who reside within the boundaries of St. Paul parish, or any boy attending St. Paul's grade school. A player becomes ineligible on his 15th birthday, and the weight limit is 146 pounds.

All boys are required to have a physical examination before the first day of practice.

members of the pulmonary department.

As a physician's assistant his present departmental responsibilities will be expanded to include certain procedures as specifically outlined by the divisional chief and administration. He can work more closely with the physician and follow the patient's progress beyond his hospital stay as part of the total concept of today's medicine.

Ray came to Bon Secours in December, 1969, as an inhalation therapist. He was previously employed as an inhalation therapist at St. John Hospital. He is presently in his fourth year at Wayne State University where he is working toward his bachelor of science degree.

WALLET TAKEN

Andy Gornley, 906 Washington road, reported to City police on Saturday, July 22, that someone had removed the checkroom key off of his towel while he was swimming at the City park. He searched the park and found his clothes on the grass but the wallet containing personal papers was not recovered.

LACK SAVVY

Everyone has an inborn gift of leadership, but only a very few learn how to apply it.

Design for Elegant Carefree Living

Located two blocks from a beautiful park with boat slips to rent, three blocks from Grosse Pointe Village shopping, 20 minutes from downtown Detroit by bus. A door man parks your car. Exterior maintenance, gardening and snow removal are arranged. Insulated walls, floors, plumbing, windows insure maximum quiet. Fire protection and three security systems guard you while at home or away. Other conveniences include individual heating and cooling, ice makers, a washer-drier, marble top vanities, a wet bar with a sink for entertaining, and natural fireplaces. There are three separate elevators, covered garage, and approximately 1,000 square feet of private storage. The Jefferson Apartments is an adult community. Residents are home owners and enjoy tax deductions, the investment security of being a property owner and equity advantages.

Angel Park Is Hell Hole

Angel Park was once a good recreational facility in Detroit, but today, the name is a misnomer, and the park is now primarily a hell-hole.

The matter was reported to the Detroit authorities, and is presently under investigation by the Detroit Police Department's Women's Division.

The parents of the young victim asked that the NEWS print the story of what happened to their daughter, and what is going on in "Angel" Park, which is located only a half a block from Windmill Pointe Park.

Letters to the Editor

To the Editor: July 14, 1972 What unmitigated gall and deceit!

Dear Sir: In response to your inquiry, our positions on administrative salaries and busing are exactly the same now that we have been elected to the School Board as they were during the recent campaign.

- 8:00 a.m. Riding School Day Camp 9:00 a.m. Welcome Wagon, Inc. *12:30 p.m. Duplicate Bridge - Mrs. Philip C. Gibbs, Director

What Goes On at Your Library

By Virginia Leonard

To those of you who have followed the beginnings and growth of the Grosse Pointe Public Libraries, the name of Jean Taylor is interwoven like a bright and shining strand, from the start.

She was modest, warm, loving, charming; a perfect lady with a wonderful tender sense of humor, unbelievably brave during her long sickness, always thoughtful of others.

Educated in Toronto University and a special library school in New York, the story goes that Jean stopped off to visit her sister Doris, (a former nurse who died last March.)

Quoting from the "Pointer of Interest" article from the GROSSE POINTE NEWS of September 20, 1962, written by Patricia Talbot: "(Jean Taylor) recalls...

erally viewed in their grosser terms, i.e., the presence or lack of racial disruptions and violence. Present busing programs in other communities have revealed that the success of new relationships is determined largely by preparations of students, parents, and staff.

What's New on THE HILL

Hamlin's Has... Choice jumbo frozen lobster tails... 8 ozs. each. They're delicious broiled, sauteed or for salad... 89 Kercheval... 885-8400.

Antique-ing... we found a super selection of beautiful antique crystal at Denler, 77 Kercheval.

The Whole Thing!... Find Helena Rubinstein's complete line at Trail Opothecary, 121 Kercheval.

members, to work against forced busing for our children - and yours. Sincerely, Joan Hanpeter, Muir Snow

To the Editor: As a former resident of Grosse Pointe, (I still receive the Grosse Pointe News), I thought you might like an outsider's view of the busing situation.

We moved to St. Petersburg, Pinellas County, Florida, three years ago. At that time, we were pleasantly surprised to find as high a level of education as we had in Grosse Pointe.

In that two year period, if you have read the statistics, Pinellas County's fourth grades were tested and fell far below previous years' levels. Open class rooms, pod, team teaching, new reading techniques, all were tried in an effort to raise the alarmingly low level.

Our children are now in private school at huge expense. Unfortunately, many concerned parents cannot afford this. If all this time and money could only be put into the schools and teachers' salaries, we might have good public education again.

Dear Mr. Peters: We are writing in response to your open letter questioning the position of the Grosse Pointe Coalition for Peaceful Integration, as printed by the Grosse Pointe News on July 13.

Other communities across our land have implemented court ordered busing programs. Some of the communities have done so peacefully with safety for their children, while maintaining a sound educational program.

Will we be seen as mature, law abiding, rational adults to be emulated? Or will we say to our youth "obey laws you like and disobey those you don't?"

Sorry, Christopher The sports Gremlin tampered with the Park Little League Results last week. In a 17-16 Hawaii win over Northwestern, eight-year-old CHRISTOPHER Bowen, (not Jim), singled in the winning run.

ARE YOU INTERESTED IN GETTING 7 TO 8 PERCENT ON YOUR MONEY?

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Mrs. Ray W. Macdonald is having some people in to lunch in mid-August, Wednesday, August 16, to be exact. It's a party with a purpose, kick-off for the Detroit Symphony Preludes to be presented in The Pointe, in the War Memorial's Fries Ballroom, this coming season.

Chairman of the mini-musical cum luncheon series, part educational, part social, all delightful, is Mrs. Arnold W. Lungershausen, of Berkshire road.

There'll be three Preludes in 1972-73, all on Friday mornings, February 9, March 16 and April 6, all starting at 11:15 o'clock. At each, a different section of the Orchestra will be explained.

The February 9 program, on Strings, will feature Detroit Symphony Concertmaster Gordon Staples, talking, playing and answering questions.

The Detroit Symphony Woodwind Quintet—Ervin Monroe, flute, Arno Mariotti, oboe, Paul Schaller, clarinet, Charles Sirard, bassoon, and Eugene Wade, French horn—will conduct the March 16 program, on (naturally!) Woodwinds.

The April 6 program presents the Percussion section, with Salvatore Rabbio, timpani, Robert Pangborn, Norman Fickett and Sam Tundo letting the audience have a close look at all the "gadgets" they use in concert.

Series tickets may be purchased two ways, at \$20 for the three lectures and luncheons, \$8 for the lectures only. They may be obtained by sending a check or money order, payable to Detroit Symphony Preludes, to Alice Lungershausen at 849 Berkshire road, Grosse Pointe Park, 48230.

Florence Macdonald's August 16 luncheon party is for members of the Women's Association for the Detroit Symphony Orchestra Preludes committee.

The committee includes, besides Mrs. Lungershausen, the Mesdames Russell E. Bauer, Gina Barrett, William H. Bundesen, John Deaver, C. Jackson France, Harold J. Hall, Cecil Akroyd, Berj H. Haidostian, Pierre V. Heftler, J. C. Hurley, Joseph

Tuesday's Festival Concert Cancelled

Hope to Re-Schedule Music Program Later in Summer; Outdoor Dixieland Still Set for War Memorial August 6

The second concert of the 1972 Grosse Pointe Music Festival, planned for this coming Tuesday evening, August 1, has regrettably been cancelled due to the illness of Detroit Symphony Concertmaster Gordon Staples.

While ticket sales have been brisk, and the cancellation will disappoint many, it was felt that the group which had been scheduled to play Tuesday's concert of Chamber Music and lieder was too well-chosen and musically cohesive to benefit from a last-minute change of artists.

Violinist Staples, who has been involved with the Festival for most of its 15 years, would have been joined by

Nathan Gordon, viola, David Levine, cello, Marcy Schweikhardt, piano, and mezzo-soprano Roma Riddell.

The Grosse Pointe War Memorial and the Grosse Pointe Music Festival management hope to schedule the same concert later in the summer, or in early autumn, and will announce this event when arrangements have been made.

Ticket holders for the August 1 concert may contact

Barbara Nienstedt Married July 22

Brings Gown from Munich for Rites in Saint Paul's-on-the-Lakeshore at which She Speaks Vows to Captain W. Michael Buttell USAF

Returning to Hof, Germany, where he is stationed with the United States Air Force and she teaches military dependents for the Department of Defense, are Captain and Mrs. W. Michael Buttell, vacationing this week in northern Michigan after their noon wedding Saturday, July 22.

Officiating at the rites in Saint Paul's-on-the-Lakeshore was The Reverend Arthur Neffy. They were witnessed by The Reverend Mr. John Nienstedt, Jr., who came from Rome, Italy, for his sister's wedding.

She is the former Barbara Jean Nienstedt, daughter of Mr. and Mrs. J. C. Nienstedt, of Mount Vernon road. She brought her beau de soie wedding gown, Empire-waisted and fashioned with a rolled collar and trumpet sleeves, from Munich.

The lace edging her fingertip mantilla matched the lace motifs at her bodice, sleeves and hem. She carried an arrangement of white roses, stephanotis and baby's-breath.

She was attended by her sister, Mary Beth Nienstedt, as honor maid, and bridesmaids Corinne Nienstedt, another sister, Mrs. Gerald Corona, their cousin, Colleen Buttell, the bridegroom's sister, Mrs. Lawrence Boldrini, Jane Johnson, of St. Clair, and Margaret Aleska, of Cleveland.

Their orchid organza over taffeta frocks were ruffled at their V-necks and wrists. Pink, baby blue and lavender embroidery defined their Empire waists.

Their Flemish bouquets featured pink roses, pink and blue carnations, statice and baby's-breath.

Charles Buttell acted as best man for his brother. They are the sons of Mr. and

Mrs. W. Michael Buttell

—Photo by Collingwood Studio

Setting for the noon wedding of BARBARA JEAN NIENSTEDT, daughter of the J. C. Nienstedts, of Mount Vernon road, and Captain Buttell, son of the Charles Buttells, of Ventura, Calif., Saturday, July 22, was Saint Paul's-on-the-Lakeshore.

Mrs. Charles Buttell, of Ventura, Calif.

In the usher corps were Gerry Buttell, another brother, Lawrence Boldrini, Mike and Rick Nienstedt, the bride's brothers, Dr. Gerald Corona and Jim Dalton, of Lansing, the bride's cousin.

For her daughter's wedding and the reception at the Detroit Athletic Club following the ceremony, Mrs. Nienstedt selected an aqua silk dress and a corsage of phalaenopsis orchids.

The bridegroom's mother chose a sleeveless frock of pink and white print, with a corsage of pink Sweetheart roses surrounding a white phalaenopsis orchid.

When the newlyweds left for the north, the bride was wearing a navy and white knit suit, with blue accessories, and a corsage of white roses and baby's-breath.

They will be remaining in Germany for the coming year.

Out-of-town guests included Mr. and Mrs. Ed Roenid, of Flint, Jan Rinehart, of Kel-

tering, O., Judy Currie, of Seattle, Wash., Mrs. Elizabeth Bennett and Paula Downing, of Port Huron, Mr. and Mrs. Robert McPhlamy, of Lansing, and Elizabeth Donovan, of Missoula, Mont.

Indianapolis Rites Planned

Mr. and Mrs. Harrison Eiteljorg, of Indianapolis, Ind., have announced the engagement of their daughter, Vivian Sims, to Edward Seward Wunsch, Jr., son of Mr. and Mrs. Edward S. Wunsch, of McKinley place.

The wedding will take place September 3 in Indianapolis, at Trinity Episcopal Church, with a reception following at the Meridian Hills Country Club.

Vivian attended College Cevenol, a high school in France, and was graduated from Tudor Hall, Indianapolis, and from the University of Colorado, Boulder, taking her junior year at the Sorbonne in Paris.

She made her debut at a dance at the Indianapolis Athletic Club, and is a member of Alpha Phi.

Her fiancé was graduated from Grosse Pointe High School and from the University of Colorado, and will attend Business Administration School at the University of Michigan in the fall.

Purdue University has awarded Bachelors degrees to Science major CONSTANCE ANN KIMMEL, of Village lane, and Industrial Management majors ROBERT WILLIAM VANCE, of Lakeland avenue, and KATHLEEN BARR WALKER, of Kenwood court.

John C. Beck Takes A Bride in Florida Ceremony

Rosalind Cohn, daughter of the Alvin Cohns, of Philadelphia, and John Charles Beck, son of the Ernest

Becks, of Nottingham road, exchanged vows Sunday, July 16, at an 11 o'clock garden ceremony in the Orlando, Fla., home of Mr. and Mrs. Saul Cornell. After a wedding trip to the Florida Keys, the couple will reside in Orlando.

The bride's parents traveled south for the ceremony, as did her grandmother, Mrs. Mildred Apple, and her uncle and aunt, Mr. and Mrs. Samuel Cohn, also of Philadelphia.

The bridegroom's parents were there, as were his aunt Mrs. N. C. Johnson, of High Point, N.C., and his cousins, Mr. and Mrs. Chalmers Berry, of Boca Raton, Fla.

The former Miss Cohn, given in marriage by her father, wore a formal gown of embroidered linen, fashioned with an Empire waist accented with satin ribbons.

Her fingertip illusion veil fell from a petal headpiece,

and she carried a cascade of stephanotis, white Sweetheart roses and yellow daisies.

The new Mrs. Beck attended George Washington High School, Philadelphia, and was graduated magna cum laude from Philadelphia Musical Academy, studied harp for three summers with Edna Phillips and Alice Chalfoux at the Carlos Salzedo Harp Colony, Camden, Me., and is presently harpist with the Florida Symphony.

Dr. Alan Altshuler presided at the rites, and Mrs. Edward Marzuki, harpist, of Tampa, presented a program of wedding music.

The bridegroom, a Cass Tech graduate, earned both his Bachelor and Master of Music degrees at the University of Michigan, where he majored in Music Theory and was a member of Phi Eta Sigma honor society, Phi Mu Alpha music fraternity and Kappa Kappa Psi band fraternity.

He played one season with the Grosse Pointe Sym-

phony Orchestra. He has played with the major ballet companies of the world, with Hurok Concerts in New York, and he played several seasons with the North Carolina Symphony.

Currently, he is bassoonist with the Florida Symphony and teaches at Stetson University, Deland.

The bride designed and fashioned her wedding gown as well as the lace-trimmed, ruffle-hemmed yellow dotted

Swiss frocks worn by her attendants, honor maid Janyce Cohn, her sister, and bridesmaid Carolyn MacDowell, who carried daisy nosegays.

Peter Harris acted as the bridegroom's best man.

The mother of the bride wore a long yellow linen dress, the bridegroom's mother a floor length gown of rose flowered crepe. Both selected white orchid corsages.

This is a was-brown.

But no more. Now it's a cool, beautiful blonde that looks as though it came right out of the land of the midnight sun. Actually it didn't. Actually it came out of one of our little miracle-making bottles. And it only took a couple of hours. And it didn't cost much at all. And it did more for the girl that did it than a month of beauty sleep. If you're a brown that would like to be a was-brown too, see us. And be an is-blonde. Or an is-anything-your-little-head desires.

Cheryl Killebrew Says Vows July 1

Grosse Pointe South High School Friends Attend her at her Marriage to James David Buhr in Christ Church

At home in Ann Arbor after a vacation in the West are Mr. and Mrs. James David Buhr, whose wedding Saturday, July 1, in Christ Church, Grosse Pointe, was followed by a reception at Lochmoor Club.

The Reverend Dan Burke, a close friend of the Buhr family, came from Ann Arbor, where he is affiliated with the University of Michigan, to preside at the 3:30 o'clock rites. He was assisted by The Reverend Perry Porter.

The bride, the former Cheryl Ann Killebrew, daughter of Mr. and Mrs. William Killebrew, of Roslyn road, wore a gown of silk organza and Venise lace, fashioned with a high neckline, tucked bodice and sleeves and a Cathedral train, with a Belgian lace mantilla.

Her flowers were a Colonial arrangement of white daisies and yellow roses.

Carrying small Flemish bouquets of multi-colored flowers were honor matron Mrs. Steven Dobson, of Ann Arbor, and bridesmaids Mrs. Rick Brown, of Indianapolis; Mrs. Thomas Orin, of Cleveland; Linda Brink, Mrs. Larry Huhn, the bridegroom's sister, and Pamela and Kadra Killebrew, sisters of the bride.

All, except Mrs. Huhn and the Misses Killebrew, were school friends of the bride at Grosse Pointe South High School. Their lime green jersey frocks featured cowl neck-

lines and multi-colored midriff belts. They wore baby's-breath and miniature flowers in their hair.

Acting as best man for his brother was Richard Buhr, and Thomas Buhr, another brother, was among the ushers. They are the sons of Mr. and Mrs. Joseph Buhr, of Ann Arbor.

Also ushering were Robert Hallack, Douglas Robinson, Larry Huhn, David Copp and Steven Dobson, all friends from Ann Arbor, and Kevin Killebrew, the bride's brother.

Mrs. Killebrew selected a long gown of lemon yellow pique and voile, with a ruffled neckline, for her daughter's wedding. She pinned a yellow orchid to her purse.

The bridegroom's mother's floor length gown of blue and green silk print featured a matching stole. Her corsage was a green orchid.

Coming from Florida for the ceremony were Mr. and Mrs. William Gackstatter, from Ohio, Mr. and Mrs. Ben Farmer.

Among delegates to the North Central Jurisdictional Conference of the United Methodist Church, meeting July 11 through 14 in Indianapolis, was MRS. WALTER GRIFFITH, of South Renard road.

Betrothed

Dr. and Mrs. Allen Zaun, of Westchester road, are announcing the engagement of their daughter, ANDREA, to James Balcerski, son of Dr. and Mrs. Matthew Balcerski, of Barrington road.

Andrea received her Bachelor of Arts degree from Michigan State University. Her fiance attended the University of Notre Dame and is presently working in commercial photography.

A late September wedding is planned.

Mrs. James D. Buhr

Photo by J. S. De Forest

Wed to Mr. Buhr, son of the Joseph Buhrs, of Ann Arbor, in Christ Church, Grosse Pointe, Saturday, July 1 was CHERYL ANN KILLEBREW, daughter of the William Killebrews, of Roslyn road.

Will Wed

Photo by Eddie McGrath, Jr. Mrs. George A. Francis, of Torrey road, is announc-

ing the engagement of her daughter, GEORGIA KAY, to Robert Francis Gibout, son of Mr. and Mrs. Ralph M. Gibout, of Bloomfield Hills. Miss Francis is also the daughter of the late Mr. Francis.

The bride-elect attended Our Lady Star of the Sea

High School and is a recent graduate of Michigan State University. The prospective bridegroom also was graduated from Michigan State. He currently is affiliated with the Troy Hilton Inn. An October 14 wedding is planned.

Concert

(Continued from Page 17) the War Memorial for refunds.

Meanwhile, a sure thing for Sunday, August 6, is Dixieland out-of-doors, as Tom Saunders and his Dixieland Band play on the lakeside terrace of the War Memorial at 6:30 o'clock.

There will be reserved seats . . . but you may also relax on the grass if you wish, and picnics are welcome. In addition, a controlled off-shore area at the seawall will be available for boaters who wish to make this a ship-to-shore concert.

Tickets for this concert are \$3 per person. Boat admissions are \$5 for boats with five or fewer persons, \$10 with six or more.

Tickets and boat admissions are available in advance at the Grosse Pointe War Memorial. Tickets will also be available at the door preceding the twilight concert.

Additional information may be obtained by contacting the War Memorial at TU 1-7511.

Gifts Received By Symphony

The Kresge Foundation has awarded the Detroit Symphony Orchestra a grant of \$450,000 on a "matching" plan to help stimulate additional major contributions to the Orchestra, it was announced July 5 by Symphony President Robert B. Semple, of University place.

Under terms of the grant, the Foundation will contribute \$150,000 annually over the next three years contingent on the Symphony securing at least 150 gifts of \$1,000 or more from individuals for each of those years.

"This gives a tremendous boost to our recently-announced campaign to raise \$4.5 million to help sustain the Orchestra through the next three years," Mr. Semple said.

"The Kresge Foundation gift is a significant step toward the ultimate success of the funding program."

Announcement of the gift was made at a meeting of Symphony directors and friends to publicly launch the \$4.5 million fund-raising

campaign for the Detroit Symphony Orchestra.

Mr. Semple also announced that several other major gifts have been made to the Symphony in the campaign to date. These include \$300,000 from Mrs. Edsel B. Ford, \$150,000 from the McGregor Fund, \$90,000 from Mr. and Mrs. John B. Ford and \$25,000 from the Knight Foundation.

Including the Kresge Foundation grant and all other campaign gifts, the Symphony now has pledges and contributions of nearly \$2 million toward its \$4.5 million goal.

The funds will be used to make up the difference between the Orchestra's anticipated income and expense to mid-1975. All major United States orchestras require similar support programs.

"We are deeply grateful to these good friends of the Orchestra," Mr. Semple said. "All of them, as well, as many others we will be approaching for assistance, sincerely want to maintain for Detroit an orchestra of distinction and service in keeping with the size and destiny of one of the world's most important cities."

"We are especially fortunate to have had among our supporters for many years The Kresge Foundation and other generous individuals and corporations whose gifts now are serving as the keystone for our new campaign."

"While we are greatly encouraged to see our campaign off to a successful start, I wish to emphasize that we have substantial 'matching' requirements to meet, and that the real work has only just begun."

"Also, I want to assure our many friends that the solicitation for major gifts is only one phase of the over-all campaign. We will later be conducting the campaign on a broader scale."

"We want and will ask for greatly-expanded community support."

The special gathering of Symphony officials and campaign leaders was held at the Detroit Athletic Club.

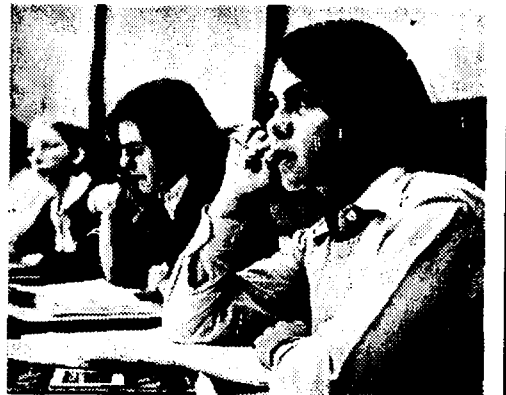

A committee of 15 prominent Detroit businessmen is heading the campaign. Mr. Semple serves as general chairman.

The Symphony's \$4.5 million campaign will be conducted over the next few months in a concentrated effort to help assure the Orchestra's existence through the next three years.

It is, in effect, a consolidation of three separate annual appeals into one solicitation, with three-year pledges an essential ingredient.

Star of Sea Rites For Judith Parker

Selects Lace and Organza Gown for Evening Ceremony at Which She is Wed to H. Edward Bonsecour

Our Lady Star of the Sea Church was the setting for the Friday, July 21, wedding of Judith Elaine Parker, daughter of Mrs. Francis P. Parker, of Torrey road, and the late Mr. Parker, and H. Edward Bonsecour, son of Mrs. Catherine Gougeon, of Southfield, and Charles Bonsecour, of Roseville.

Father Ralph Barton and Father Vincent Schuster, C.P.P.S., celebrated the 7 o'clock ceremony, with Father Schuster, uncle of the bride, presiding at the rites.

Apostolic Blessings were bestowed upon the newlyweds, and upon the bride's maternal grandmother, Mrs. John P. Schuster, celebrating her 90th birthday.

A reception at the Roostertail followed the nuptial mass.

The bride chose a gown of ivory silk organza, appliqued with Alencon lace and accented with baby pearls and crystals. Her Cathedral length mantilla of old English ivory illusion was appliqued and edged with match-

ing lace, and her bouquet was fashioned of phalaenopsis orchids, stephanotis and ivy.

In Empire gowns of multi-colored print on white voile, carrying Edwardian bouquets of white statice accented with blue dried and silk flowers clouded with baby's-breath, were honor maid Mary Ellen Parker, twin sister of the bride, and matron of honor Mrs. Thomas Dembek, another sister.

Bridesmaids were Mrs. Patrick Parker, of Great Falls, Mont., Judy Zinger and Mary Ann and Suzanne Gougeon, sisters of the bridegroom.

Wearing white organdy over yellow and carrying Edwardian nosegays accented in yellow were flower

Fall Bride

Photo by Eddie McGrath, Jr. PLANS for an October 13 wedding are being made by MICHELE MARIE HAMP-TON and Gary E. Anykski, whose engagement has been announced by her parents, Mr. and Mrs. Neal Hampton, of Hollywood avenue. The prospective bridegroom is the son of the Edward Anykski, of St. Clair Shores.

girls Linda and Julie Dembek, nieces of the bride.

Judith was given in marriage by her brother, F. Patrick Parker, of Great Falls. Best man was Lawrence Schmid, uncle of the bridegroom.

Ushers included Steven Parker, brother of the bride, Thomas Dembek, Loren Ger-

Parker, of Torrey road, and the late Mr. Parker.

To Marry

Photo by Richard Nickel Mr. and Mrs. Elmer C. Sutter of Stephens road, have announced the engagement of their daughter, KATHLEEN, to Michael John Kurap, son of Mr. and Mrs. John Kurap, of Lathrup Village.

The bride-elect was graduated from Eastern Michigan University and is currently teaching at University-Liggett School. Her fiance attended Western Michigan University and is a member of the Southfield Fire Department. An October wedding is planned.

SUZANNE ACKERSON, of Notre Dame avenue, a senior at Wayne State University, is spending the summer in Europe, studying at the Sorbonne.

ALAN MEYERS, graduated in 1971 from Grosse Pointe North High School, son of DR. and MRS. SIDNEY S. MEYERS, of Blair-

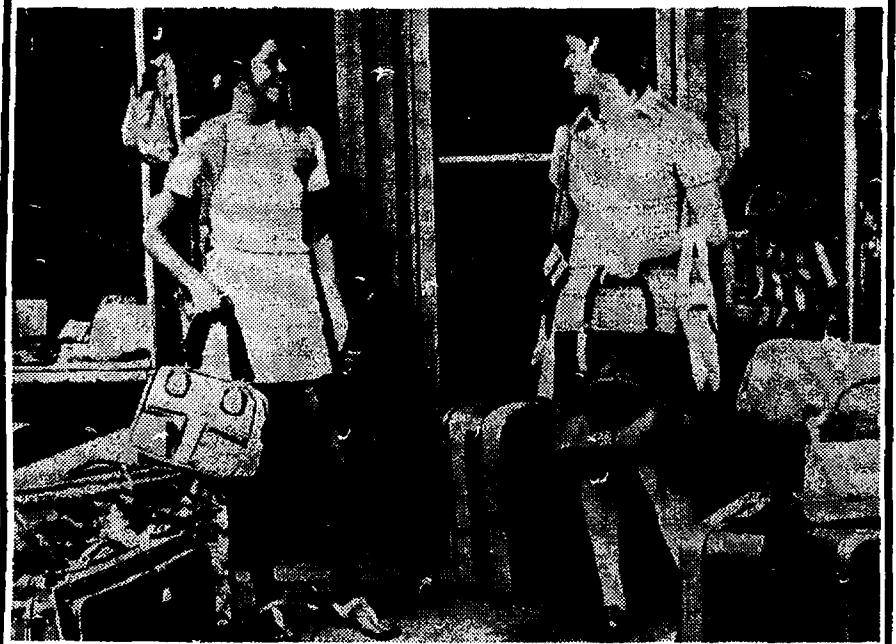

moor court, has been named to the Rensselaer Polytechnic Institute Dean's List.

ROBERT STEIBER, of Severn road, is president-elect of the Metropolitan Distributor's Association, which recently presented a kidney machine to the Kidney Foundation of Michigan.

Women's Page—by, of and for Pointe Women

Short and to The Pointe

(Continued from Page 17) DR. and MRS. ANDREW MANN and their family, of Audubon road, hosted some 40 young people recently at a going-away party for CHUCK BISHOPING, who has been living with the Manns for the past six months, and who joined the Marines and left Friday, July 7, for Boot Camp in San Diego, Calif.

Among a group of incoming freshmen participating in a recent summer orientation program at Eastern Michigan University were TERESA AULT, of Berkshire road, DOMINIC CUSUMANO, of Hampton road, MARY MEREDITH, of Broadstone road, BONITA BAKER, of Torrey road, RALPH HOFFMAN, of Hampton road,

KATHERINE KAPPAZ, of North Oxford road, JAMES THOMPSON, of Saddle lane, ROBERT McPHERSON, of Holiday road, GAIL SPENCER, of Allard avenue, JANET STEIGER, of Blairmoor court, and MARY WRIGHT, of Saddle lane.

Former Pointers MR. and MRS. ROY L. BRADEN celebrated their 50th wedding anniversary July 22, at the Horseshoe Lake home of their daughter, MRS. CHARLES CONNOR, whose twin, MRS. DOUGLAS POOLE, MR. POOLE and their three children came from Lake Havasu City, Ariz., for the party. The TOM BRADENS, of Neff road, were there, as were best man HENRY SCHMIDT and MRS. SCHMIDT, from St. Louis,

April Bride

Photo by Lud Schomiz Mr. and Mrs. James S. Biesenthal, of Country Club drive, are announcing the engagement of their daughter, GAYLE ANN, to Richard William Reppenhagen, Jr., son of Dr. and Mrs. Richard W. Reppenhagen, of South Oxford road.

The prospective bride and bridegroom are graduates of Valparaiso University, where she affiliated with Alpha Phi Delta sorority and he with Phi Delta Theta fraternity.

An April wedding is planned.

and, also from St. Louis, Roy Braden's sister, GRACE SPENCER, her son and his wife, JACK and CAROL SPENCER.

Lake Forest College has awarded Bachelors degrees to History major EDWIN R. STROH, III, a graduate of Fountain Valley School, Colorado Springs, Colo., son of MR. and MRS. EDWIN R. STROH, JR., of Merriweather road; History major THEO-

Ponderosa At Lochmoor

Photo by MARK DOMIN

The Ponderosa's coming to Lochmoor Club Saturday, August 19, and all ready to ride the range are party-planners, (left to right), MRS. ALEX DOMIN, (bottom, left), MRS. JOHN BRICHETTO, (top, left), MRS. GEORGE KENDALL, MRS. LEE ELSEY and MRS. ROBERT KASPER. Members and guests, in their best jeans, will enjoy a special Western style barbecue, a "Chuck Wagon Surprise" and dancing to the music of Danny Jay. Cocktails start at 7 o'clock, dinner at 8:30.

DORE EATON, a graduate of Phillips Academy, Andover, Mass., Lake Forest Dean's List student who spent this year's winter term in Florence, Italy, under the LFC Study Abroad program, son of MRS. HOWARD F. SMITH, JR., of Grosse Pointe boulevard; and American Civilization major WILLIAM L. CAMPBELL, an alumnus of St. George's School, Newport, R.I., member of the Lake Forest Ski Club, the Concert Choir and Madrigal Singers, performer in Tot Shop productions, son of MR. and MRS. H. M. CAMPBELL, III, of Kenwood road.

Grosse Pointe High School graduate KYLE KINSEY, of LaSalle place, has received a Bachelor of Arts degree from Wellesley College, where she majored in English, was president of her dormitory and of the Christian Science Organization, and served on the Curricu-

lum and Instruction committee.

NANCY LOUISE BLACKBURN, daughter of MR. and MRS. JAMES B. BLACKBURN, JR., of Lincoln road, was among graduates receiving degrees at Chatham College's 100th commencement Friday, May 26.

Named to the Northern Michigan University Spring Semester Dean's List are LEE ANDERLITE, of Yorktown road; PATRICIA DICKSON, of Prestwick road; NANCY KUEHNEL, of Clairview road; LORETTA HISCHE, of Maryland road, and GEORGE YOUNG, of Hawthorne road.

CARLTON M. HIGBIE, JR., of Kenwood road, whose eldest son, CARLTON M. HIGBIE, III, is a student at Claremont Men's College, has been named a Claremont trustee. Mr. Higbie, Jr., a

Engaged

Mr. and Mrs. Leonard West, of Hawthorne road, are announcing the engagement of their daughter, MARJORIE LEE, to David Russell Hill.

Miss West attended Michigan State University, receiving a Bachelor of Science degree. She affiliated with Kappa Delta sorority.

She is presently employed as a Medical Technologist at St. Joseph's Mercy Hospital, Pontiac.

Mr. Hill, who also attended Michigan State University, is the son of the Gordon Hills, of Dearborn.

A September 16 wedding is planned.

Yale graduate, is a trustee and past-president of Leader Dogs for the Blind, Rochester, a trustee of the Detroit Orthopaedic Clinic and the Merrill-Palmer Institute and a trustee and member of the executive committee of Henry Ford Hospital.

Hunt Club Set For Clambake

The Grosse Pointe Hunt Club will be transformed into a festive island for the "In" — Island Outing Clambake, this Saturday, July 29. The schedule calls for members and guests to begin to gather at 7 o'clock, to sample a complimentary "Mystery Island" cocktail, and to listen and watch Noble Wilson and His Caribbean Calypsos play lively island music.

The dinner feature is whole live lobsters, to be served on the Club terrace, from steaming lobster pots, with

clams steamed in a huge cooking cauldron.

Table decorations of island fruits are doubling as dessert, with imported cheeses. After-dinner dance music will be in the capable hands — and feet — of Doug DeMakes—The One-Man-Band.

The Seafood parties have always been favorites with Hunt Clubbers, so a large turnout is expected. Many reservations have been in for weeks.

Hosts for the evening are Mr. and Mrs. Michael Webb, Mr. and Mrs. Earl Eden and Mr. and Mrs. John Sarvis.

Irish Waterford crystal, shown in shimmering "Alana" pattern (one of many ready for immediate delivery). Every facet cut by hand, each piece a signed original. Goblet, Champagne or Claret size, \$14 each.

Meadow Brook In Fifth Week

Pianist Alfred Brendel, Peter Nero and Skitch Henderson are the featured artists during the remainder of the fifth week of the Meadow Brook Music Festival.

Brilliant Austrian pianist Brendel will appear at the Music Festival in two different concerts Thursday and Saturday evenings, at 8:30 o'clock, with the Detroit Symphony Orchestra conducted by Sixten Ehrling.

On tonight's program he will interpret the Piano Con-

certo No. 3 in C minor, Opus 37. On Saturday night, the program will include Prokofiev and Mozart works.

A noted pianist and composer, the versatile Peter Nero stars in the Friday night jazz-popular concert at 8:30, performing with his trio. Many of the sensitive and creative arrangements for which he is renowned will be on the program.

Skitch Henderson, popular television personality as well as a gifted musician, will

conduct the Detroit Symphony Orchestra in a Sunday pops concert at 6:30 o'clock.

Selections will include Grofé's Mississippi Suite and a collection of Henderson's own arrangements, such as "Summer of '42," in which he will also play the piano solo part.

Curtain time for every performance this week is 8:30, except the Sunday Pops concert which will begin at 6:30. Tickets for all concerts are available at Hudson's, Grinnell's, Wayne State University, Macomb County Community College and the Festival Box Office.

Children under 12 are admitted for \$1 on the lawn for all concerts. Ticket information may be obtained by calling 377-2010.

Mr. Hollerbach Claims Bride

Michael Hollerbach, son of the Raymond Hollerbachs, of Washington road, claimed Monique June as his bride Saturday, June 24, in the garden of the Kalamazoo home of her parents, Mr. and Mrs. Mason Dale, where a reception followed.

The newlyweds, both recent Western Michigan University graduates, will make their home in Mesa, Ariz., where he will be pursuing graduate studies in Art.

KAREN E. MAISEL, of Doyle place west, has returned from Portsmouth, N. H., where she attended the 50th grand convention of Kappa Alpha Theta, delegate from Ann Arbor's Eta Chapter.

To Work For Torch Drive

MRS. ROBERT A. VALK, (left), greets Grosse Pointe women who will work with her in the United Foundation's 1972 Torch Drive. Entering the University Club for a recent training session were, (left to right), MRS. N. WILLIAM O'KEEFE, MRS. WILLIAM A. EVENDEN, MRS. WILLARD S. SMITH, MRS. THEODORE GRANGER, MRS. MILTON A. MANLEY and MRS. GLEN BOLT MOORE. Mrs. Valk, as a region chairman, will direct the Torch Drive residential campaign in the entire Pointe area. The other women are division chairmen in the Drive, which raised more than \$860,000 last year in the tri-counties to benefit 164 services and agencies. Campaign dates this year are October 17 through November 9.

Belgium Choir to Sing At Saint Joan Of Arc

The Koor Vagantes Moberum (Belgium Choir) of Brugge, Belgium, an ecumenical group of approximately 50 young people, on a Goodwill Concert Tour of Michigan July 30 to August 12, will perform at Saint Joan of Arc Church Monday evening, July 31, at 8 o'clock.

The group, affiliated with Michigan State University's Youth Music Program, is on its first exchange visit to this country, and will conclude its tour here by visiting the Blue Lake Fine Arts Camp, established in 1966 at Twin Lake, Mich.

Saint Joan of Arc is host to the single church concert the group will perform in the United States.

The entire community is invited to the free concert.

THE LITTLE INN at CRAWFORD LAKE KALKASKA, MICHIGAN

Charming New England style accommodations. All activities on or near the premises. (Trout and lake fishing, canoeing, golf, horseback riding, boating, etc.) Rates \$14. per couple, per night.

Call Ken Lawrence in Detroit 557-9000 Ext. 269 or 535-5096 evenings for reservations. Intimate atmosphere. Accommodations limited to 10.

Pre-Nuptial Parties Honor Sheila Jordan

Pre-nuptial parties for Sheila Sue Jordan, daughter of Mrs. Robert Gerald Jordan, of Blairmoor court, and the late Dr. Jordan, who will be married tomorrow evening in St. Mary's Church, Detroit, to Frederick Russell Damm, son of the Russell M. Damms, of Muskegon, began in late June, with a miscellaneous shower given by the bridegroom's parents' friends in Muskegon.

Hostesses were Mrs. J. A. Taylor, Mrs. Charles Latimer and Mrs. Victor Pyle. Party scene was Mrs. Pyle's Muskegon home.

The Gordon Kroenerts entertained July 18 at a cocktail party in their Bishop road home, and the following day Mrs. Robert St. Amour, Mrs. Peter Bogie, Mrs. James Forrest and Mrs. Harvey Johnson, who will attend Miss Jordan at her wedding, gave a personal shower.

A cocktail party and buffet dinner given by Mrs. George Cassidy and the Donald Cherrys in Mrs. Cassidy's Touraine road home was on the July 21 agenda, and on July 22 the scene shifted again to Muskegon, where the R. Lee Footes, Andrew Wierengos, Frank Wilsons and J. O. Funkhausers en-

tertained at cocktails, in Mr. and Mrs. Foote's home.

The Ronald Plaseckis hosted a bar shower in their Muskegon home July 23.

The Roger Waindies and Mr. and Mrs. Jack Cafferty, (she's the bride's godmother), will be entertaining out-of-town guests at brunch, at the Pontchartrain Hotel, tomorrow.

EDWARD J. WASNER, of Trombley road, celebrated his 75th birthday Sunday, July 9, at a dinner party at the Little Club. Guests included members of his family and a few close friends.

NOTICE...
We will be closed August 1st thru 13th for remodeling.

Author, Author!

Remember James Morrison? He used, (from 1959 to 1964), to live in Buckingham road, with his wife and children. Then he moved East, to live in New York suburbia and work on Madison avenue. Then, one day, he said, "Hold it!"

Mr. Morrison is a happy ratrace dropout, living with his family—there are four young Morrissons now, ranging in age from two to 14—in Colorado Springs.

His first novel, "Treehouse," the story of two adopted children, boy and girl, who realize at a fairly advanced point in their lives that they are very much in love, is just out, published in the States by Dial Press, to excellent reviews. Pre-publication rights have already been bought in England.

Mr. Morrison has his own film production company, Film Esprit, Inc., and hopes to begin shooting "Treehouse" in the fall.

If you can get your hands on a July copy of "On The Sound," the new monthly magazine serving suburban Manhattan communities bordering Long Island Sound, check out the fascinating article on Craig Claiborne, retired New York Times doyen of dining.

"Two Good Cooks Improve The Broth" is by Brooke Janis, assistant to On The Sound's editor—and daughter of Mr. and Mrs. Andrew C. Janis, of Handy Road. Brooke's interview with Mr. Claiborne and Pierre Franey, former Pavillon head chef, is absolutely delicious!

A Summer Of Service

The United Farm Workers asked American Friends Service Committee volunteers to join them in various work projects at Delano/La Paz, Calif., this summer, requesting that the volunteers be young people, either entering 12th grade or just graduated from high school, and among those who answered the call was Jack Fillion, son of John and Eva Fillion, of Kensington road.

He's helping to repair and alter an old institution given recently to the UFW Organizing Committee, for use as a Conference Center.

Last Summer's Meaning

Robert Ambrose, son of Dr. and Mrs. Robert H. Ambrose, of Roslyn road, is back in Europe again

Weekend in Toronto

Spend a weekend luxuriating at The Sutton Place. All the pleasures of a 'resort'... in downtown Toronto. Sun yourself on our terrace, cool off in our year-round pool, and relax in the sauna and health club. You can dine grandly on Roast Prime Ribs of Beef and famous continental dishes in The

Royal Hunt Room. And catch top entertainers at Stop 33, the city's favourite nightspot. Come up and luxuriate.

this year, touring Greece with Musical Youth International.

It's his second MYI summer, and equally as marvelous an experience as his first, which prompted this essay, winning him second place in MYI's Essay Contest this spring:

On June 25, 1971, one hundred young musicians left Detroit, Michigan, culminating a dream and in pursuit of a vision. The dream germinated in October, 1970, when we auditioned for entry into Musical Youth International, a youth chapter of People to People. Our dream was a musical goodwill tour of Europe, and our vision was one of world peace.

The peace that we found was not the artificial kind that one can buy with money, that might come with a "dime of grass" or a fifth of whiskey. Rather, it was internal peace, peace of mind, if you wish, that comes with performing, and performing well, some of the finest choral and instrumental literature ever written. It was the peace that comes with knowing and living with people, of a different nationality, different culture, different beliefs and opinions, but nevertheless some of the finest people in the world. It was this vision that kept us going through the long bus rides and the inevitable tensions which occur on any tour.

I firmly believe that if all mankind had our vision, and our conviction to see it through, the world would be a much better place for all generations.

Good thought. Good expression. Good kid.

MYI 1972 Tour Group To Sing at Art Institute

The final home concert of the 1972 Musical Youth International Tour group is scheduled for next Tuesday, August 1, at 7:30 o'clock at the Detroit Institute of Arts Auditorium.

It will feature the 50-member peace choir, and a 50-member peace band. The group will have just completed a four-week People-to-People tour of Greece and North Africa.

MYI's founder was the late Dr. Lester McCoy. Mrs. McCoy is now the head of the world-acclaimed musical organization.

Many Pointe students are present and past MYI participants.

Admission to the concert is \$1.50.

New vice-president of the Women's Economic Club is **MARY ELLEN TAPPAN**, of Alger place.

DAC Planning Football Fun

Many Pointers are making plans to participate in one or more of the Detroit Athletic Club's August football excursions.

The first, planned for Saturday, August 5, will feature cocktails and dinner at the Club followed by the Detroit Lions versus Miami Dolphins game at Tiger Stadium.

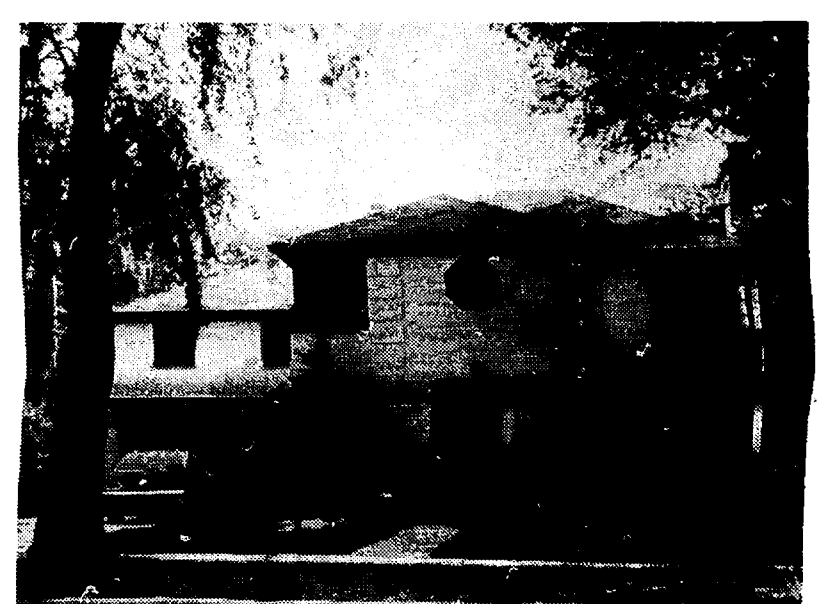

The second is a brunch and bus excursion to Ann Arbor for the Lions versus the Cleveland Browns game Sunday, August 20, and the third another buffet dinner, cocktails and bus to-and-from Tiger Stadium evening, for the Lions versus the Washington Redskins game Friday, August 25.

Society News Gathered from the Pointes

Overture Asks For Donations of Goods

This year, The Overture to Opera Company could well be compared to the comment of the first man on the moon: "One small step for man, a giant step for mankind."

The small step was the establishment of a regular fall opera season for Michigan's professional opera company. This, it is hoped, will lead the way for more development of the Arts in Michigan—and therefore for the development of mankind.

The feeling is well-expressed by the Business Committee for the Arts in a poster: Art is for Man's Sake.

The past season has been both successful and exciting.

Many accomplishments are once again putting Detroit and Michigan on the opera map of the United States.

Two U.S. premieres, ("Joseph and the Amazing Technicolor Dreamcoat" and Holst's "The Perfect Foot"), one rarely performed Puccini opera, ("La Rondine"), which has received wide attention since Overture's production, and a very successful school tour of Donizetti's "Rita" have been offerings of the Company so far this year.

Yet to come is the Overture to Opera Chorus and members of the Company, (Edward Kings, Jan Al-

bright and Gabriel Balasone) performing at the Meadowbrook Festival with the Detroit Symphony and Martina Arroyo in a concert version of "Aida" August 3 and 5.

When one starts to list the names of professional opera companies of the United States, such as the Metropolitan, New York City and the Chicago Lyric, the Detroit Grand Opera Association's Overture to Opera Company must be included.

As of March, 1972, the Overture Company was accepted as a member of OPERA America, now the national association of pro-

Pointe Trio Toasts WUF

Pointers attending a recent Women for the United Foundation tea included, (left to right), MRS. EDWIN O. BODKIN, MRS. JOSEPH A. VANCE, JR., and MRS. JAMES A. HUMPHREYS, JR., Mrs. R. Jamison Williams, of Birmingham, was hostess for the event, which honored outgoing WUF board members as well as newly-elected ones.

Women in the Running For Driver of Year

Is a woman going to be Detroit's Good Driver of the Year for 1972?

Odds now are that a member of the female sex will be, because the majority of drivers now being stopped for good driving acts by specially-selected teams of Detroit police officers are women.

"From 55 to 60 percent of the drivers we have observed for good driving practices have been women," according to Patrolman Howard Hurley and James Blashill, two of the officers.

"They have been performing excellently, and if their records of violations and accidents are equally good, they should be prime contenders for the contest finals."

A final road test over a 10-mile course will be run August 9 to determine the Good Driver of the Year. Five finalists with outstanding records take the road test, after a selection by a board of judges which considers the driving records of the persons and the particular driving acts for which the police originally stopped them.

Dr. Robert O. Nolan, professor of Driver Education at Michigan State University, will judge the five finalists.

The contest is sponsored by the Traffic Safety Association and the Detroit Police Department, with the Marathon Oil Company as a co-sponsor, according to Bruce Grubb, of the Association staff, coordinator of the Good Driver program.

LAWRENCE A. ULMER, son of DR. and MRS. A. A. ULMER, of Greenbriar Lane, has received the highest honor for men students at Western Michigan University: Induction into Omicron Delta Kappa national men's honor society. Larry has just completed his junior year at WMU.

Pebble Creek
The Ultimate CONDOMINIUM!

OPEN SUNDAY 2:30 TO 5:00

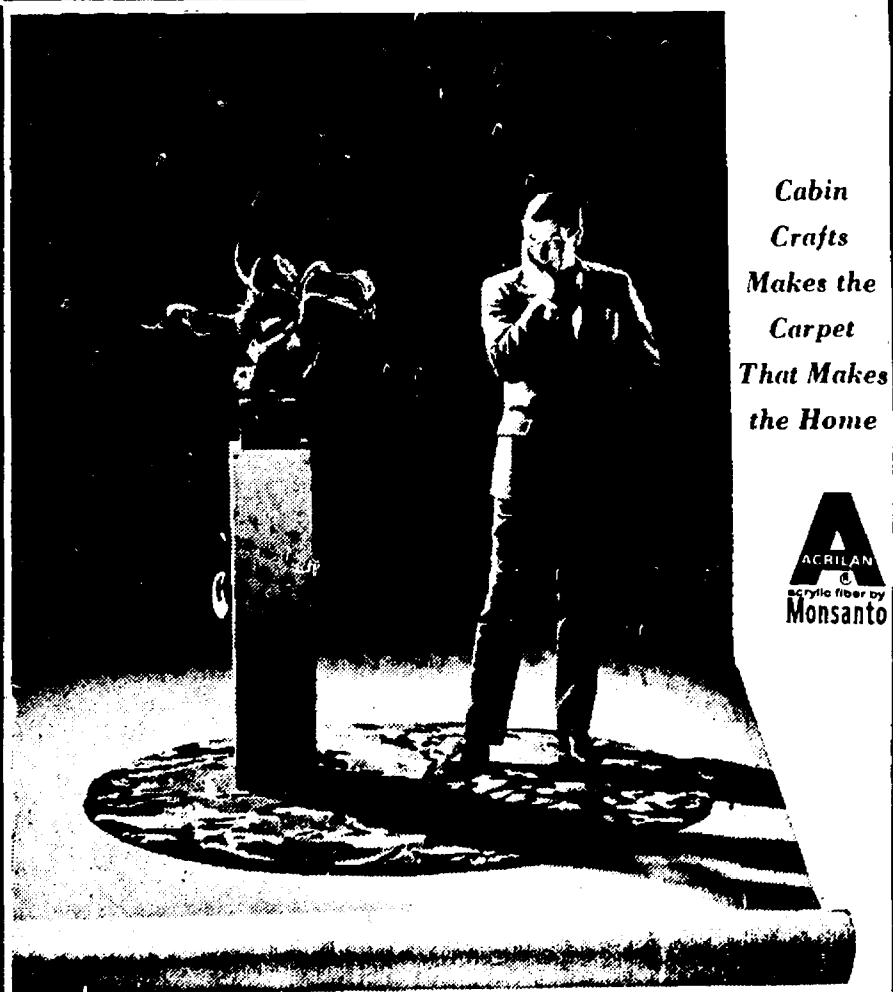

77 STEPHENS

The circular drive leads you right up to the front door — and by the above. It's ready for interior inspection Sunday. Step into the large center Hall — it will be cool — central air you know. There are so many wonderful things about this house, so let's list:

- Living room with fireplace
- Library paneled and fireplace
- Powder room
- Recreation room in basement
- Dining room 15.6x15.6
- Modern kitchen and breakfast area
- Six Bedrooms and four baths
- Family room with fireplace

There's more, but we are saving the best for your personal inspection.

fessional opera companies. OPERA America, with the addition of Overture, now has 38 members.

This is one more step for opera in Michigan.

The 1972-73 opera season will open this fall with Mozart's "Così fan tutte" September 30. This delightful comedy will include in its cast Richard Conrad, Dorlene Davis, Roma Riddell and Charles Roe.

Overture's second opera will be Puccini's "Tosca," with world-renowned soprano Phyllis Curtin singing the title role. Charles Hindsley, who is singing the tenor lead with Martina Arroyo in "Aida" this summer, will sing the role of Cavaradossi.

"Tosca" is another step for the Company, which has received a grant from the National Endowment for the Arts to take the production and Miss Curtin on a state-wide tour.

"Tosca" opens in Flint October 20 and will move to Detroit the following week.

The last production of the fall season will be a Menotti twin-bill: "The Medium," with Muriel Greenspon as Madame Flora, and "The Telephone."

Help is needed if Overture is to take another small step. This is not an appeal for money!

With an exciting season ahead, the Company is now involved in building sets and costumes. Chrysler Corporation has made it possible for Overture to build all its sets and costumes this summer in a warehouse in Highland Park. Help is needed to equip this shop.

Overture will happily accept sewing machines, power tools, irons, saws, dress forms, drills, furniture, old

clothes, drapes and materials.

Tax statements will be provided for donors who want to take deductions.

MR. and MRS. ROBERT W. HARMOUNT, of Lakepointe avenue, announce the birth of a daughter, JENNIFER MARIE, June 17. Mrs. Harmount is the former PAMELA MARIE ROLLINS, daughter of MR. and MRS. FRED H. ROLLINS, JR., of Birmingham. Paternal grandparents are the ROBERT S. HARMOUNTS, of Rosedale Park.

Heritage Day Helps History

Every year, the Historic Memorials Society in Detroit has a Heritage Day fund-raising event that provides money to be used for the many history-related projects supported by the group.

Over the years, this organization has made a real contribution to the heritage of history in city, state and country.

It was first organized in 1891 as the Mount Vernon Society. Its major objective was the purchase and restoration of Mount Vernon.

In 1923 the organization, upon learning funds were sufficient for current needs of Mount Vernon, voted to continue, but to broaden its scope, and so changed its name to the present one.

A second major project was assistance in the purchase and restoration of Kenmore, the home of George Washington's sister.

Through the years, the group has come to focus on the local area. More and more projects have been undertaken in metropolitan Detroit.

Particularly, funds have been made available to the museums and the library, for acquisitions and restoration projects.

Some of those espoused during the past decade include:

Providing historic markers at Botsford Inn, (planting a tree with a marker in memory of Governor William Woodbridge), Old Christ Church, Sibley House and Mariner's Church.

Restoration projects at Old Mariner's Church, (the mural of old Detroit, the log, cases and pedestal), the barracks room at the Fort-Wayne Military Museum, the preservation of historical manuscripts in the Burton Historical Collection of the Detroit Public Library and contributions to various national projects.

Funds for acquisition of various items by the Detroit Historical Museum, such as the Haines-Wilson Flag Col-

lection, a rare example of Staffordshire Pottery produced in the 1830's, and historical uniforms; by the Children's Museum, including the Manson Doll House, the Fern Wagner Collection of Indian Dolls, Polish costumes and a French Fashion doll; by the Dossin Great Lakes Museum, Gothic Room fund.

Awards, (\$100 government bonds), to outstanding American History students at local universities.

This year the Society had a very successful Heritage Day fund-raising, and in keeping with its objectives, made the following awards:

\$300—Burton Historical Collections, for laminating old maps and documents.

\$500—Children's Museum, for the acquisition of early American toys.

\$1,000—Fort Wayne Military Museum, for the restoration of the Barracks Mess hall and the kitchen.

\$500—Pewabic Pottery, for an historic marker and display cases.

\$500—Five \$100 government bonds as awards to the outstanding American History students at the University of Detroit, Wayne State University, Oakland University, Mercy College and Marygrove College.

\$500—Detroit Historic Memorials Society Acquisition Fund.

Truly this organization makes a real contribution to the historical heritage of Detroit and Michigan—a fact recognized when the Society received the Award from the American Association for State and Local History in October, 1957.

JOAN M. HOLLERBACH, daughter of the NORBERT H. HOLLERBACHS, of Lewiston road, a junior Sociology major at Aquinas College, Grand Rapids, has been admitted to World Campus Afloat, Chapman College, and leaves Los Angeles September 3 for a study-voyage to ports in the South Pacific, Asia and Africa, terminating December 22 at New York.

Bride-Elect

Mr. and Mrs. Curtis C. Carmichael, of Bishop road, are announcing the engagement of their daughter, CONSTANCE CARRIE, to John Richard Parnell, son of Dr. and Mrs. John W. Parnell, of Whitcomb drive.

Connie is a graduate of The Liggett School and the University of Miami, where she affiliated with Alpha Delta Pi sorority, as vice-president, and was president of the Association for Childhood Education International.

John is a graduate of Grosse Pointe High School and the University of Miami. He received his Masters degree in Communications from Western Michigan University, and will attend Detroit College of Law in the fall.

A January wedding is planned.
