Grosse Pointe News Elm Wins National Recognition

A plaque designating the great tree which overhangs the NEWS building as an "Historic Elm" was recently presented by the Elm Research Institute of Waldwick, N.J., and has been attached. Pictured are, left to right: JANET MUELLER, society and feature editor; KATHY DUFF, staff news and education writer, and WILLIAM ADAMO, advertising manager. When the NEWS offices were built 27 years ago, tree experts who were consulted on how best to preserve the elm, estimated its age at between 150- and 200-years-old. It measures 13 feet in circumference.

PRESIDENT NIXON opened air and sea channels to Red China. In a major step toward establishing regular air and sea links with China, Mr. Nixon removed the rigid ban on stops by U.S. airliners and ships in the Communist country. It was explained in Washington that the move in the continuing thawing of U.S.-China relations began with the President's visit to the Red mainland last February. Press Secretary Ronald Ziegler said the move came from a governmental review of existing restrictions on trade and travel to China, and that American commercial and private ships would be free to call in mainland China ports with permission from the Peking Government.

SAIGON is beginning to get a little jittery over the secret talks between presidential advisor Henry Kissinger and the North Vietnamese in Paris. Talks between Kissinger and Le Duc Tho and Xuan Thuy, North Vietnam's representatives, lasted for six hours and five minutes, the longest session yet in four days of consecutive negotiations aimed at ending the Vietnam War.

Saturday, November 25
U.S. BOMBERS dropped 5,000 tons of bombs in about 200 strikes against North Vietnam. A strike is one flight by a number of planes. Air Force sources indicated that the heavy raids had a political, as well as a military objective, and that is that the United States will not let up on its bombings until a Paris agreement is concluded. The bombardments were confined to below the 20th parallel.

Sunday, November 26
GERMAN POLICE killed a mental patient after a 22-hour siege, when the patient, identified as Viktor Widera, 58, held a stewardess hostage in a parked Canadian airliner. Widera had threatened to dynamite the plane unless authorities freed a number of prisoners from German jails. He was shot by a sharpshooter when he reached out for a radio asked for by the stewardess earlier. A spokesman said Widera was dead when police stormed the Air Canada DC8 seconds later to rescue the hostage, Margit Sommer, a German-born Canadian, who had been held by Widera since he took over the plane Friday afternoon. The authorities said she was not harmed and was in "good condition."

Monday, November 27
GUNMEN, disguised as priests and doctors, failed in an attempt to free their leader, Sean MacStiofain, from the Mater Hospital in Dublin. MacStiofain, who was captured by British troops eight days ago, is reputed to be the commander-in-chief of the illegal Irish Republic Army. He has been confined to the hospital, under heavy police guard, because of an ailment. Police said that eight gunmen were involved in the aborted try and during the exchange of gunfire between guerrillas and Irish detectives, four innocent persons were shot and wounded. MacStiofain had been sentenced Saturday to six months in jail.

Tuesday, November 28
THE UNITED STATES indirectly hinted to Saigon that the interruptions in the Paris peace talks may mean that no more concessions can be gained for South Vietnam. Administration sources said that if the talks between Henry Kissinger and Le Duc Tho, the Hanoi representative, have reached an insurmountable barrier, the negotiations would have been broken off indefinitely as in the past, not rescheduled for December 4.

Men's Night In 'Village' December 5

Popular Event in 'Christmas Street' Makes It Pleasant for Males to Get Shopping Done

Men's Night in the Village, perennially popular event, will be held Tuesday, December 5. This is the evening set aside each year for "boys" from 16 to 96 to do their Christmas shopping with no interruptions from the distaff side. This is the 27th year for the Grosse Pointe Village Men's Night which was initiated to give "the man who pays the bills" a chance to reign supreme in the stores for one night out of the year. Every store on "Christmas Street," (Kercheval avenue between Cadieux and Neff), will give him the red carpet treatment and special attractions are planned for "his" evening. Strolling musicians, giant spotlights will light the sky at both ends of the Village shopping area, and Kercheval avenue will be in its best holiday dress. Inside each store special attractions are planned as husbands, fathers, boyfriends, and brothers shop for Christmas gifts, completely uninterrupted. No women or girls are allowed in the Village stores on Men's Night, with the exception of sales personnel. Special sales help will be on hand to assist in selection and all stores are brimming with giftworthy items.

Park Woman Succumbs To The Multiple Burns Suffered in House Fire

Sixty Percent of Body Seared by Flames and Heat After She Collapses in Kitchen of Lower Flat Residence

Miss Virginia Rowley, 59, of 1410 Lakepointe, died in Detroit General Hospital on Saturday, November 25, of second degree burns which she suffered over 60 percent of her body when she was trapped in a kitchen fire in her residence, on Thursday, November 23. She is the second person to die as a result of a fire in the Pointe within a week. A fire of still unknown origin, claimed the life of Mrs. Merwyn Rodgers, 58, of 149 Grosse Pointe boulevard on Saturday, November 18, the first such fatality in the Pointe in nearly 38 years. She died of smoke inhalation and was pronounced dead on arrival at Bon Secours Hospital. Miss Rowley was taken to Bon Secours Hospital by Park firemen, and then transferred to Detroit General where they are better equipped for treating burns. She resided with her sister at the Lakepointe address, a lower flat. Park Fire Chief Phillip Costa said that the woman was found in the kitchen and was carried out by Fire Lt. James Palmer, who stumbled over her unconscious body in the heavy smoke. In State of Shock Miss Rowley's sister, Geraldine, who was in a state of shock, escaped the blazing building and was found walking outside by the firefighters who arrived at the scene. She was taken to Bon Secours, still in shock, where she treated and released. Fireman Martin Buss was overcome by hyperventilation, which Chief Costa explained was a lack of carbon dioxide in the body. The firefighter was stretching firehose, and taking short breaths, causing his body to take in more oxygen than it could release carbon dioxide, upsetting the balance of the two. Buss was conveyed to Bon Secours, treated and released and sent home for the balance of his duty day. He returned to duty on Saturday, November 25, the chief said. Chief Costa said that investigation of the cause of the fire is continuing, although evidence points to possible careless smoking. Miss Rowley, he said, was in her bedroom when the fire started, and walked through the dining room, to the kitchen, where she collapsed from the heat and smoke. The fire was first discovered by Harold Stiller, owner of the two-family flat, who was in the upper apartment. He noticed smoke billowing from the lower flat, and called the fire department. Park firefighters and equipment were at a City fire at Lakeland and Maumee, aiding the City battling a blaze there. The fire at that location was out, when the Park alarm came in, Chief Costa said. The Park and the City answer each others' alarms automatically under the Mutual Fire Aid Pact, but since the City firemen were busy at their fire, The Farms Fire Department dispatched men and equipment to aid the Park. "I cannot tell you how much I appreciate how quickly and efficiently the Farms department answered our call for assistance," the Park chief said, "and helping us in putting out the Lakepointe fire." With the aid of the Farms firemen, Chief Costa said, the flames were confined to the kitchen, which was completely destroyed. Other sections of the lower flat suffered extensive heat and smoke damage, the chief added.

Cyclist Does Big Damage To Driveway

Deliberately Drives Motorcycle Over Fresh Laid Concrete

Shores Public Safety Officer Bruce Darlington's persistence led to the capture of a 15-year-old youth, who admitted driving his motorcycle through a freshly laid cement driveway at the home of James N. Scott, 41 Webber place, Tuesday, November 21. Twelve nine by 10-foot slabs of concrete were reportedly damaged during the vandalism. Mr. Scott felt the approximate estimate of destruction was between \$900 to \$1,000, police said. Spun His Wheels Investigation revealed the youth drove his cycle two or three times over the side drive leaving deep tire marks. Police reported in four or five places, he spun his wheels causing gouges in the concrete. Officer Darlington checked with some neighbors who heard a cycle running on Oxford but didn't think anything about it. Continuing his investigation, the officer contacted the youth who has a Yamaha motorcycle. The officer discovered fresh mud on the cycle but no concrete, and then asked for the lad's boots because marks in the concrete showed that the person had dragged his feet for some distance. The youth's boots had an excessive amount of fresh concrete on them, police said. The youth then told the officer he did the damage. Police said he could give no reason for his actions. Father Will Pay The youth's father told police he would make restitution for the damages, and could not give any reasons for his son's actions although the lad told him he didn't think the concrete was still soft. No charges were pressed against the boy. Chief Joseph Vitale praised Officer Darlington's investigation of the incident, saying he did a "darn good job."

Seek to Prevent Repeat of Stupid Devil's Night Fun

Residents Ask Woods Council to Adopt Ordinance Aimed at Curbing Idiotic Vandalism Perpetrated by Youths

By Roger A. Waha
The so-called "Devil's Night," celebrated on the evening before Halloween, is getting special attention in The Woods. One item on the regular council meeting agenda Monday, November 20, was a resident's letter suggesting an ordinance which will stop "the wanton and willful vandalism of our property by youthful bands of marauders."

Councilman Benjamin W. Pinkos' motion, to forward the letter to City Administrator Chester E. Petersen and City Attorney George Catlin for their recommendations at a Committee of the Whole meeting, was unanimously approved. The incidents of "Devil's Night" 1972 in The Woods obviously remain sharply etched in the mind. Some 200 teenagers created what Woods police called a "near riot" situation in the area of Barnes and Our Lady Star of the Sea Schools. Streets were blocked, fires started, traffic signs pulled up and eggs were tossed at civilian vehicles and scout cars. Controlling Measures Mr. Petersen said it's his intention to put some kind of controlling measures in effect, probably via an ordinance, on such activities. He hopes this matter will be brought before the council sometime after the first of the year. Since the previous letter, two further letters were received by the city on "Devil's Night," he added. In commenting on the resident's letter, Mr. Petersen told the council that "many younger residents think 'Devil's Night' is a license to destroy property."

The resident suggested a curfew 48 hours before and after Halloween be imposed. No person under 18 years of age should be on the streets after dark unless accompanied by a parent. He added on Halloween evening the curfew should be lifted between 6:30 to 8 p.m. so youngsters can trick or treat for candy. Study Suggestions What specifically the city administration does on these suggestions remains under study at this time. In his letter to the council the resident stated, "The whole idea of 'Devil's Night' has reached a fearful level. Each year seems to challenge the 'kids' to find something more daring than they did a year before." Continuing, the resident said he was in sympathy with the youngsters' trick or treating. "My objection is the bands of junior high and high school youths who throw eggs, burn, break windows, drag auto over lawns, swear (filth), spray paint, and perform myriad other moronic and idiotic acts of destruction. Obviously, parents of these young imbeciles have little or no control over them."

Close Enough to Schedule to Believe Final Completion Will Be Next September.
By Kathy Duff
The Board of Education held a short meeting Monday night, November 27, to approve accounts payable and a \$179,387 construction certificate. Accounts payable amounted to \$1,173,185 for the school's recent operating expenses. The construction certificate, from Matthew Lawewicz, Inc., covered South High Schools' recent construction costs. In regard to the South High construction project, Ben Zenn, director of administrative services, reports that the remodeling is progressing close enough to schedule to expect the projected completion date of September 1973 will be met. The west addition, the music suite, is approximately three weeks behind its scheduled completion date of January 1973, although remodeling of the passage through the field room is expected to be completed at that time. As for the east addition, the library addition, the contractor anticipates completion.

Tosses Bicycle Into Window

A bicycle was tossed through a window at Our Lady Star of the Sea School, 467 Fairford road, shattering a 12 by 48-inch pane of glass in the principal's office. The vandalism was reported to Woods police Monday, November 20. The bike is owned by a Woods youth, who reported it stolen on an earlier complaint, police said. School authorities will notify the lad of the bike's recovery, as he's a student at the school. Police also discovered the wall clock in the principal's office was damaged and a window sash was torn. A check of the building at the time revealed nothing was missing.

City, Farms Pledge Help To Keep Buses Operating

By Kathy Duff
Two representatives from SEMTA's Lake Shore Division attended city council meetings Monday night, November 20, to discuss the bus line's condition in light of "The Woods" and St. Clair Shores' support pull out. After fielding questions from Farms and City councilmen, the representatives drew resolutions of support for the financially-troubled bus line. Representatives Thomas Lipscomb, general manager, and Daniel Morrill, Lake Shore Division manager, reviewed the bus line's present operation. In the hands of the councilmen was the transportation authority's latest ridership survey, dated Wednesday, November 8. Also discussed was the future of the bus line in the event that the Michigan Mass Transportation Bill is passed in Lansing. As the bill is presently in committee, SEMTA remains in a state of limbo. Farms Mayor William Butler was the first city official to suggest that the council draft a resolution of support for SEMTA. The resolution states that The Farms intends to aid the transportation authority in every way possible so that the line can continue its service. The resolution also urged the other four Pointe cities and St. Clair Shores to continue their support of the bus service.

Both Sides Happy Over New Pacts

First Written Agreement Ever Given Public Safety Officers; DPW Workers Get Raise

By Roger A. Waha
The first contract between the Grosse Pointe Shores Public Safety Officers' Association, (GPSSOA), and the Village was unanimously approved by the Trustees at the monthly Village Council meeting Tuesday, November 21. The one-year contract is retroactive to July 1, 1972. Village Superintendent Thomas K. Jefferis, who along with Village Attorney William W. Killebrew represented the municipality during negotiations, said, "It's a good contract, good for them, (i.e., the GPSSOA), and good for us."

Attorney John Mazer, a member of the Association's bargaining committee, echoed Mr. Jefferis' statements. "We are very pleased and very delighted with the contract," he said. First Written Pact This contract is the first written agreement the Public Safety Officers have had with the Village. The officers had previously worked under a verbal agreement, a "hand shake" type of approach according to Mr. Killebrew in an earlier NEWS story. However, the officers unanimously voted by secret ballot in April 1972 to schedule back to late 1971. The GPSSOA represents 12 officers, excluding supervisors. Under the contract, an officer's pay after four years is \$13,400, a \$700 increase from the previous \$12,700 salary. The starting salary is \$11,000; after one year, \$11,500; after two years, \$12,100, and after three years, \$12,700. The contract stipulates officers will be paid twice a month. They were previously paid once a month. Another aspect of pay includes any work performed by an officer over eight hours a day, (a standard work day), or 40 hours a week, (a standard work week), will be paid for at time and a half for all hours worked, with a minimum of two hours overtime pay. And if an officer reports for court time while not on duty, he will be paid a minimum of two hours at time and a half.

Postpone Exam In Beating Case

The examination of Edward Williams, 22, of Detroit, scheduled for Wednesday, November 22, before Municipal Judge Don J. Goodrow, has been postponed until Monday, December 4. Shores police reported. Williams and Henry Reed, Jr., 27, of Detroit, are both charged with assault with intent to commit murder and armed robbery. They are allegedly involved in the beating of Alfred Glancy, Jr., and the burglary of his Lake Shore road residence Sunday morning, November 12. Reed's examination before Judge Goodrow was scheduled for Wednesday, November 29. Both are held in lieu of \$50,000 bond, two sureties. Shores Detective Sergeant Frank Mustazza and a team of Detroit police officers arrested the suspects Friday afternoon, November 17, at the Chrysler Mack Plant, 11631 Mack avenue, Detroit. Mr. Glancy remains in fair condition at Harper Hospital (as of Tuesday morning, November 28).

Park Prepares to Accept Bids for Tennis Facilities

By James J. Njalm
The Park council approved a resolution on Monday, November 27, to accept bids for the construction of four new tennis courts, lighting of the new courts and the existing two courts and the lighting at the Three Mile Drive Park, are being requested. The taking of bids for improvements of the courts and lighting facilities at Windmill Pointe Park have also been solicited. City Manager Robert Stone said that the entire cost of the projects is estimated at \$44,000, with the final cost depending on the contractors who will handle the work. He said that the winter weather will not hinder the installation of the lighting of the two existing courts.

South High Renovation

(Continued from Page 1)
tion by June 1973, the time remodeling on the existing building will start. Reviewing the schedule comparing where the school is construction-wise to date,

Mr. Zenn noted the following:
Out of 10 stairways to be enclosed in the main building, which were due to be completed September 1, 1972, eight are completed except for kick plates and final painting. Two stairwells are yet to be finished because of needed design revisions.

The west wing and the connecting corridor to the west wing are approximately 60 percent complete. Based on present progress Mr. Zenn anticipates corridor completion in February and the completion of music facilities in the west wing by early spring.
As previously indicated, the library addition, east wing, and the corridors connecting the main building with the library, will be completed about July 1973.
During the summer of 1973, and upon substantial completion of the new science facilities, the school anticipates the demolition of the Annex buildings and the conversion of present science classrooms, in the main building, into English classrooms.

The last phase of the project will deal with total site development and should begin to take place in late summer of 1973.

After the five-minute business meeting, the Board President William Huetteman asked the residents attending the meeting if they had any questions.
In attendance Monday night were The Pointe's 10 elementary school principals. The principals met with the School Board immediately after Monday night's meeting to discuss concerns of both education groups.

Woods Police Elect Officers

The Grosse Pointe Woods Police Officers Association recently held its 1973 election, with the following men taking office January 1, 1973, for a one-year term:

Public Safety Officer Patrick Fagan is president-elect, Officer Patrick McMath, vice-president elect, Officer Arthur Gekiere, secretary-elect, and Officer John Albrecht, treasurer-elect.

Shores Trustees Approve Contracts

computed to July 1 of each year and payment of accrued longevity pay will be made in December of each year. Each officer will be paid longevity based on the following length of service: five years, \$125; 10 years, \$250, and 15 years, \$375, according to the agreement.

Under the sick leave program, each officer is entitled to 15 days paid sick leave per year, with a maximum accumulation of 120 days. Any accumulation over 120 days will be automatically lost.

Other Items

The hospitalization program includes major medical benefits for all officers covered by the agreement.

Each officer is provided with a basic uniform, plus all equipment necessary for his duties at his hiring date. After that, he will have an annual allowance of \$200 for cleaning and replacement of uniforms. Previously, an officer's clothing allowance was \$175 per year.

Under the agreement, the Village will pay group life insurance premiums insuring

each officer for the principal sum of \$10,000.

The agreement states that no outside employment will be accepted by any officer which will in any way "decrease his effectiveness in the performance of his duties as an Officer of the Village." It adds that any officer who accepts outside employment shall first secure prior approval from the Director of Public Safety.

Under residency and check-in and check-out provisions, the agreement notes both the Association and the Village recognize that due to the problem of providing effective police and fire protection to its citizens, and in order to honor the provisions of the Mutual Aid Pact in force with surrounding communities, all officers must live close to their duty posts and otherwise be available in the event of emergencies.

To that end, all officers must reside within a boundary that lies south of Twelve Mile road, east of Beaconsfield and north of Alter road, according to the agreement.

Mr. Mazer said Association representatives will meet

with Chief Joseph Vitale regarding the updating of departmental rules and regulations and the incorporation of the rules as part of the department's policy.

Approve DPW Contract

In other action at the Tuesday night meeting, the Trustees approved a two-year Department of Public Works contract. The contract follows federal wage guidelines by allowing a 5.5 percent salary increase per year for each Shores worker.

The Village employees also will profit from increased hospital insurance benefits, an extra day off and assurance of time and a half pay for holiday work.

Park Tennis Facility Bids

councilmen voted against the program.

At Monday night's session, the two, Councilmen Douglas Graham and O. S. Williams, clarified that they indeed did vote against the construction of two courts because they were in favor of four new ones at Three Mile. Monday's vote for the new courts, which would make six at this park, was unanimous.

Slone said that it will cost an estimated \$9,500 for one replacement of the outmoded 300-watt bulb system, which furnishes the only illumination around the courts, mending the fence, and making other miscellaneous improvements of this facility in Windmill Pointe Park. The new lighting will enable tennis players to enjoy their sport when it gets dark and until the park is closed for the night.

The city manager said that the four new courts, at Three Mile Drive Park which will be located adjacent to and approximately west of the parking lot, will also be lighted for night tennis, as will the two existing courts, located just north of the lot.

The installation of the lighting around all six courts, the installation of the lights throughout this park, including illuminating driveways and roadways, will cost an estimated \$10,000. The on and off light circuits in both parks will be controlled by the city, and the cost of installation will be borne by the Park.

Detroit Edison will install lighting around the perimeter of Three Mile Drive Park, at its expense, with the Park paying only for the kilowatts used. The firm will also hook up the electrical system and circuits to furnish the lighting for the park, it was said.

Okay Highway Funds Transfer

The Woods Council at the regular meeting Monday, November 20, unanimously concurred in City Comptroller-Assessor Frederick G. Hornfisher's recommendation to transfer highway funds from major to local streets.

Under the approved resolution, the sum of \$18,448 will be transferred from the major street fund to the local street fund for the calendar year, January 1, 1972, through December 31, 1972.

the new courts and improvements at the request of tennis buffs, who have been pleading with the solons since last July for more such facilities.

At the November 13 meeting, the tennis enthusiasts drew the sympathetic ears of the councilmen, when many of them complained that they sometimes have to wait for hours before they get a chance to play.

Some also complained that even after a long wait, they were forced to forego games because of darkness.

Tennis playing in an around the Pointe area, and elsewhere, is on the increase, as more and more people come to enjoy this active sport.

At Monday night's meeting, the council instructed the city manager to look into plans and figures for the possibility of erecting two courts for paddle tennis, a game played on a court about half the size of a regulation tennis court. The players use a perforated paddle, similar to but larger than a ping pong paddle. This was tabled until next meeting.

Driver Slams Into Light Pole

Robert M. Currie, 19, of 6585 Hill road, Dearborn Heights, was issued a violation ticket by Park police on Friday, November 24, after he lost control of his car and ran into a light pole. He suffered only a cut over the right eye, for which he was treated at Bon Secours Hospital.

According to an official Park police report, Currie was traveling east on Jefferson, when about 150 feet from the Bedford intersection, he lost control.

His auto leaped the curb, knocked down a "No Parking" sign, rebounded and struck a Detroit Edison pole.

He was given a violation ticket for leaving the paved portion of a roadway and striking a fixed object. He is scheduled for a court hearing before Park Municipal Judge William E. Speer on Wednesday, December 13.

Trustee Makes Generous Offer

At the last Shores Council meeting, the trustees reviewed salt bids for 1972-1973 winter road maintenance. The bid of International Salt was accepted for \$8.73 per ton delivered, being the lower of the two bids received. A higher bid was submitted by Morton Salt. After the bid was approved, Trustee C. Bradford Lundy noted that the minimum purchase was 32 tons and asked "What if it doesn't snow, will we still have to buy the salt?" A quick reply came from Trustee C. F. Ogden, chairman of the Public Works Committee. "If it doesn't snow, I'll buy the salt."

Loot from Home of Doctor Valued at Over \$80,000

Park authorities are of the opinion that at least two persons were responsible for the burglary of the Bishop road home of Dr. Robert C. Dickenson, on Sunday, November 19. Insurance company estimates set the loss at about \$80,000, although Dr. Dickenson, a pathologist at Cottage Hospital, set a higher value on the items, listed as original oil paintings by famous artists, and ink pen drawings, Oriental rugs, and other small items of value. The doctor, who shares his home with Dan Clancy, an interior decorator for J. L. Hudson company, said he had accumulated the art objects over a period of years, and during the passage of time, the values of the stolen items have increased. He set his loss, personally, at as much as \$120,000, which does not include the theft of his 1972 silver Corvette, license plate number PVX-982, valued at about \$6,000, two revolvers, expensive leather clothing and several small silver items.

Lt. Gordon Duncan said on Wednesday that investigation of the burglary has been assigned to Det. Sgt. James LaPratt, who called Michigan State Police to assist him, because of the magnitude of the loss. The sergeant said that the Federal Bureau of Investigation has also been notified because of the possibility that the stolen goods might be transported over state lines.

Lt. Duncan said that six State Police detectives have been aiding Sgt. LaPratt in combing Dr. Dickenson's residence for clues. The lieutenant said that so far there are no leads or suspects, and that a report is being awaited from the State Police Crime Laboratory on fingerprints and photos taken at the house.

"We feel that there must have been at least two persons involved in the burglary because the rugs, some of which were exceptionally heavy, required at least that many persons to carry one," Lt. Duncan said. "Too, there were three 40-pound antique vases, one of which was dropped and split in half, taken. The broken vase was left behind.

The lieutenant and the sergeant said that Dr. Dickenson and Clancy had just returned from a trip to Rome, and as he entered the house, he discovered everything in disarray. The doctor went to the kitchen at the rear of the house and found the back door closed. As he stepped to another part of the building, he heard a noise, returned to the kitchen and found the rear door ajar.

This led to the fact, without question, the lieutenant said, that someone was in the house and that Dr. Dickenson and Clancy surprised the burglars inside. Clancy told police that he immediately ran outside and saw two young men running from the area of the residence and disappear.

Another factor in the belief that the residents of the house had surprised the thieves, was that an oil painting, valued at \$11,000 was discovered just outside the building, apparently dropped by one of the intruders. Sgt. LaPratt said that the burglars entered the residence by breaking the hasp of a locked gate leading from the rear yard swimming pool area, and forcing the rear door of the house. They carried the stolen items out the back door, through the gate, and placed them in some type of vehicle, make and style still not known. The policemen said that it is their opinion that if Dr. Dickenson and Clancy had not come home at the time they did, which was late in the evening, and surprised the thieves at work, the doctor's loss would have been much greater.

Charge Youths With Larceny

Three St. Clair Shores youths were recently arrested and charged with larceny under a Woods city ordinance. The youths are allegedly involved in snatching a purse from Florence A. Flagler of The Farms, while she was looking in a Mack avenue store window, Wednesday, November 8.

The ordinance stipulates a penalty of 90 days in jail and/or a \$500 fine or both in the court's discretion. Michael David Vincent, 18, Arthur Anderson, Jr., 17, and Daniel Timothy Monahan, 17, are scheduled to appear in court Wednesday, December 13, on the larceny charge.

Woods police arrested the youths after an unidentified witness obtained the license number of the apparent getaway car, gave it to Mrs. Flagler, who reported it to police.

City, Farms Back SEMTA

(Continued from Page 1) Mayor Butler said that he regarded the bus line a very vital need of the community.

After the Farms Council appearance, the two representatives rushed to The City's council meeting, but arrived after the regular meeting was adjourned. City Mayor John L. King called a special meeting to consider Mr. Lipscomb and Mr. Morrill's presentation.

At the suggestion of the representatives, The City passed a similar supportive resolution. City Manager Thomas Kressbach later said that the council encouraged SEMTA to secure state or federal aid if possible in order to maintain the bus line.

Mr. Morrill reported that the conversations were almost identical in the two council chambers. Each council was mainly concerned over footing the entire bill

Driver Nabbed Twice in Week

Charles V. Ceransky, 37, of 7591 Paige, Warren, was arrested twice within a week by Farms police, and each time for the same offense, driving a motor vehicle with expired Florida license plates. The second time he was taken into custody, he had an added charge of resisting arrest to answer for, authorities said.

Ceransky was stopped by Cpl. Otto Glanert and Patrolman John Kraiza at 7:40 a.m. on Sunday, November 19, when the officers, while on patrol on Moross road, observed that the car the man was driving had expired Florida plates.

When the policeman asked Ceransky for his operator's license, he produced one that had been issued in New York. Ceransky was taken to the station where he was given a violation ticket for operating a motor vehicle with expired plates for which he paid a fine of \$10. He was then returned to the vehicle, parked on Moross, and warned not to drive it, or the auto would be impounded.

At 8:33 a.m. on Saturday, November 25, Cpl. Glanert, alone on patrol, cruising north on Moross, observed Ceransky driving the same car, with the same plates. The motorist was traveling south on the road.

Glanert said that as he was turning to give pursuit, Ceransky stepped up his speed and made a left turn onto Country Club lane, went through a stop street at Country Club drive, and drove into the Country Club parking lot.

The corporal said that he pulled up in front of the other car, after which Ceransky exited and began walking away, stating at the same time that he was not the driver of the vehicle.

Glanert said he grabbed Ceransky and informed him he was under arrest. The man claimed he was on private property and was not going with the officer, and made another attempt to walk away, struggling with the policeman.

The corporal called for assistance and Det. Sgt. George Van Tiem and Uniform Sgt. Eugene Boylan and Patrolman Joseph Belanger arrived and took Ceransky into custody.

At the station, Glanert issued Ceransky a violation ticket for driving a motor vehicle with expired plates, a second ticket for ignoring a stop street, and a third for resisting arrest, (assaulting an officer in the performance of his duty).

This time he was not at...

lowed to pay a fine. He posted a bond of \$50, and was scheduled to appear before Farms Municipal Judge Robert Pytell yesterday, November 29.

2-Car Collision Injures Five

Five persons were injured in a head-on collision on Jefferson avenue at Trombley road on Saturday, November 25, but none seriously, although a passenger in one car hit a windshield.

According to information released by Park authorities, Brian Jay Ahearn, 18, of 22306 Alexander, St. Clair Shores, the driver of one of the autos, was ticketed for driving over the center line and causing an injury accident. He suffered a cut on the chin. His passenger, David Thomas, 16, of 22317 Bon Heur, St. Clair Shores, whose head went through the windshield, suffered injuries to his face, left ankle and right elbow.

Also injured was the driver of the other vehicle, John J. Marchin, 36, of 4190 Somerset, Detroit, and his wife, Mary, 33; and Joseph Pellerito, 46, and Janet Pellerito, 38, of 1321 Devonshire. There were no visible signs of injuries, but they did complain of body pains.

All the injured, except Janet, who refused medical attention, were taken to Bon Secours Hospital.

Ahearn claimed he did not know what had happened, but investigating officers said that he drove six feet across the center line, while traveling west on Jefferson, and collided head on with Marchin's car, which was going east on the avenue.

Marchin said he suddenly saw the oncoming car, but was unable to avoid a collision and only had time to try to brace his wife with his arm before the two autos came together.

Ahearn is scheduled for an appearance in Park Municipal Court on Wednesday, December 20.

us on the subject of Drug Abuse.

"In spite of all the publicity this problem has been given, many of us are woefully ignorant of some of the difficulties in handling this problem and I feel that you have helped us very much in understanding how we may make a very personal effort in preventing this problem in our own homes by setting a proper example in our own lives, and, after all, this is the crux of the solution to most of our social problems."

• Regarding Public Safety Officer Stephen Petrik from Mary K. Thorn, head of lower school, University-Liggett School.

"The faculty and children join me in thanking you for coming to our school... to talk about bicycle safety. All the youngsters were very intent upon everything you said and hopefully will become safer bicyclists as a result. We will look forward to viewing one of the films about which you spoke."

• Regarding Sergeant Thomas Kane and Public Safety Officer Arthur Gekiere from a Hampton road resident.

"I want to thank you for your kind help yesterday when I broke my ankle. Your service was above and beyond the call of duty, and I really appreciated it."

"The Grosse Pointe North Student Association Officers would like to thank you for all your assistance... at our Homecoming. We appreciated all your efforts which assured us of a happy day despite the weather."

Driver Halted After Chase

An 18-year-old St. Clair Shores youth was pursued and apprehended by Woods Public Safety Officers after an auto chase early Friday morning, November 24.

Todd Perry White was charged with driving under the influence of liquor. He was released after posting a \$100 bond pending his Wednesday, December 27, court appearance.

While on patrol, Officer Michael Giffer and Sergeant Thomas Kane spotted White going north on Mack avenue from Roslyn at an estimated 60 m.p.h. The auto also had one headlight out.

The officers pursued the vehicle north on Mack at approximately 80 m.p.h. with the scout car's overhead lights swirling. But White failed to reduce his speed, police said. So the scout car's siren was activated. But the pursued made a right hand turn on Colony in St. Clair Shores and turned out his lights.

During the course of the chase, police said White ran through two stop signs. He

Get your husband a Toro Snow Pup for Christmas. It's good for him.

Heart. Nature gave everybody only one. It has its limits.

Spinal discs. When they slip—banging! That's trouble.

Back muscles. You've heard of "Oh, my aching back"? You know the problem.

Shovel not. Just put this 22-lb. Snow Pup against a drift and lean on it. Away the snow flies.

Hangs up like a shovel. It can be stored hanging from a hook in a garage. Yet it can clean a 50-foot driveway of 4-inch snow in about 15 minutes.

20 lbs. is what a shovel of snow can weigh. Try flinging 50 shovel-fuls some morning.

Squeeze-like paddles. They look a little funny, but they throw snow up to 15 feet!

The Toro® Snow Pup® snow thrower comes in two sizes: a 14-inch model for a suggested \$124.95* retail price, and a 21-inch model for a suggested \$139.95* retail price. See the Snow Pup and other Toro snow throwers now in time for Christmas.

Austin Reviews Fall Activities

Austin Prep School presented the first in a series of cultural programs for the students Friday, November 10. The first program, Madrigal Singers from Eastern Michigan University, featured selections of choral music dating from the 17th century to the present day. The group is presently touring Michigan and will tour England during the summer months.

Another of the fall activities was a Mock Election held by the newly formed Political Action Club under the mentorship of Mark Cedeck. At a rally, the policies of the candidates were presented by various students. Speaking in behalf of the policies of President Nixon were students Leo Drolshagen and Richard David. On the Senator McGovern side were students Carl Phillips and Craig Keller. The results of the Mock Election reflected the general voting trend of the area as indicated in last week's Grosse Pointe News, an overwhelming majority favoring President Nixon's reelection.

The next major fall activity was Austin Players' presentation of "Guys and Dolls" over the Thanksgiving holidays, opening the Players' fifteenth year under the direction of Thomas E. Bailey.

THEFT REPORTED

Kathryn Arbus of 4977 LaFontaine, Detroit, a school crossing guard in Detroit, informed Farms police on Thursday, November 16, that while her car was parked at the rear of 18666 Mack avenue, someone broke into the vehicle and stole her orange-colored shoulder strap, badge and stop sign. The amount of the loss was not known. A report of the theft was also made to Detroit authorities.

TIP TO MOTORISTS

Control that urge to cut loose, motorists—you will live a lot longer and you'll get there just as soon.

Coaches Honor Athletes At Fall Awards Program

Bi-County League football coaches have named 11 North gridder to the league's 1972 all-star football team. Norsemen also garnered seven of the 10 all-league cross-country team selections.

The honors were announced Tuesday, November 21, during the fall awards program in the school's auditorium. More than 700 students, parents and school officials attended the program, sponsored by the school's Athletic Booster Club, to honor 232 North students who participated in boys and girls fall interscholastic athletic competition.

Pointe Chorus Concert Dec. 3

The Grosse Pointe Community Chorus presents its 20th Annual Christmas Concert Sunday, December 3, at 3 p.m. in the Parcels Middle School Auditorium, Vernier road and Mack avenue.

The chorus, directed by Richard Johns with accompanist Jerry Hughes, has prepared music designed to put you in a holiday mood. The program includes music of Berlioz, Pergolesi, Randall Thompson, Delio Joio and Alfred Burt. Soloists are Judy Hebda, Dorothy Ignasiak, John Smucker, Carl Angelilli, Margaret Johnson and Rita Opydyke.

Guest artists, folk singers Anne Shaheen and Maggie Malone, will entertain at intermission and also accompany an audience Christmas Carol sing-a-long.

A reception is planned immediately following the program. Tickets may be purchased the day of the concert at the auditorium.

The Community Chorus is co-sponsored by the Department of Community Services of the Grosse Pointe Board of Education and the Board of Directors of the Chorus.

Store Reports Porcelain Theft

An employee of Wright Kay, a jewelry store in The Village, contacted City police on Friday, November 24, to report the loss of four blue and white figurines. The loss in porcelain came to \$272. Missing are three girl figurines and one little boy figurine. The china girls are holding a kitten, a doll and a set of blocks, respectively. The blue and white collectors' items are made in Denmark, manufactured by Bing Groedel. Employees believe the statues taken on Wednesday, November 22, or Friday, November 24.

Picked on the defensive team, in addition to Reinelt at end, were linemen Dan Ottoni and John Quinn, linebacker Kevin Sorgeloos and halfback John Puleo. Named to the offensive squad were Reinelt at tackle, ends Doug Ulmer and Mark Gregson, center Chuck DeMars, guard Pat Marciniak, quarterback Jeff Humes and halfback Chris Lehman. Puleo, Ottoni, Quinn and Ulmer are juniors.

All-league selections from coach Tom Gauerke's Bi-County cross-country titlists were led by Michigan's Class A state champion Tom Hammer. An 11th-grade, straight "A" student, Hammer received the team's MVP award. Also selected for league honors were North's senior captain Kevin Sun and juniors Edward Brennan, James Fisher, John DiMercurio, David Marsteller and Brian Mervak.

The program was chaired by Booster Club awards chairman David Marsteller and North's athletic director Edward Wernet.

Cougars Skate To Tie and Win

The Frank Adam Lincoln Mercury sponsored Pee Wee Cougars took on the Windsor, Ontario Mic Macs Thanksgiving eve, Wednesday, November 22, at the St. Clair Beach, Ont. arena. The game ended in a 2-2 tie.

It started on a good note for the Cougars as Chick Taylor, assisted by Tom McHugh, dented the strings with the game less than a minute old. However, the Canadian boys came back with a vengeance and with eight seconds left in the contest the score was 2-1 for the Mic Macs.

At this point Steve Levick picked up the puck in his own end and led a three on one rush down the ice. With just three seconds left, he passed to Dave Seagram who got off a blast that almost took the glove off the Mic Mac goalie. This goal with the clock running out gave the Cougars a hard earned tie with the fast skating Canadians.

A "blood bath" occurred Sunday, November 26, when the Cougars crushed the Pontiac Lakelanders, 11-0, in Southeastern Michigan Hockey League action. Chick Taylor netted his second hat trick of the year to lead the attack. Joe Seehee, Rob Barker and Steve Levick scored two goals and Dave Seagram and Jeff Kydd each tallied one.

The Cougars are now 5-0 in Southeastern Michigan Hockey Association play and stand 19-5-3 overall this season.

GPSSA Seeks More Teams

The Grosse Pointe Softball Association is planning ahead for its summer activity. Beginning now, the association is accepting team registrations for its 1973 season. There are six returning teams and the group hopes to expand its league to 12 clubs.

The association is a non-profit organization which is limited to men between 16-25 years of age. However, there are no residency requirements.

Serving on the association's executive board are Thomas P. Houle, president; Tom Zink, vice-president; and Ron Gartner, treasurer. For further information, write to Mr. Houle at 855 Green street, apartment 305, Ypsilanti, Mich. 48197, or to his Detroit address, 10946 Whitehill, Detroit 48224.

Irate Motorist Thrashes Youth

Incidents of boys throwing eggs, pebbles and other debris at passing cars have become a regular feature on Pointe police records. However, an incident in The City Saturday evening, November 18, should warn boys of the possible danger of the pastime.
 A Kensington road father contacted City police and reported his son was beaten up by a passing motorist whose car was vandalized by his son. The son, 14-years-old, threw a jaw breaker candy ball at a passing white car at the corner of Kercheval and Washington roads.
 The irate driver stopped his car, exited and managed to catch the 14-year-old. Stating that this was the way he dealt with hoodlums, he hit the boy in the face. The 14-year-old's pal managed to evade the driver and get away.
 The boy suffered no broken bones, but is recovering from a bruised and swollen face.

Forum Slated By Coalition

Carole Campbell, well-known Detroit area educator, will be speaking in The Pointe Monday, December 4, at 8 p.m. in St. Paul Evangelical Lutheran Church, 375 Lothrop road. The topic of the discussion forum is "The Power Structure of Schools."
 The forum is sponsored by The Grosse Pointe Coalition for Peaceful Integration. The public is invited.
 Mrs. Campbell is currently serving as project director and director of the Education Division for New Detroit, Inc. She has served as manager of the Education Department for the Detroit Chamber of Commerce, has been a member of the Detroit Board of Education and has written an education needs analysis for the City of Detroit for 1980.

Electric Items Missing at NH

Three items were reported missing from North High School, 707 Vernier road, Tuesday, November 21. The belated larceny report involved an amplifier, a tape recorder deck and a typewriter.
 Assistant Principal James Cooper told Youth Service Division Michael Ferrence the report was delayed because it was felt the articles might have been misplaced rather than stolen. But a search of the building failed to turn up the items.
 One Sherwood amplifier, valued at around \$200, was apparently taken from a classroom sometime between October 30 and November 3. A Sony stereo tape recorder deck, valued at approximately \$160, was believed taken from a classroom office between November 10 and 13. And an electric Olympia typewriter, valued at \$189.50, was reported missing from the Audio-Visual room between November 10 and 15.

SALES OKAYED

At its regular meeting held on Monday, November 27, the Park council granted the Grosse Pointe Lions Club permission to sell Goodfellows newspapers on December 11. The group was also given permission to use the concession shack at the Windmill Pointe Park to prepare and pack Christmas baskets for the needy, purchased from proceeds from the sale.

BROPHY APPOINTED

On Monday, November 27, the Park council approved the appointment of James E. Brophy of 1012 Buckingham, to a three-year term on the Plan Commission. A recommendation for the appointment was made by Mayor Matthew Patterson.

North to Stage Simon Comedy

One of Neil Simon's most popular comedies, *The Odd Couple*, will be presented by North High School's drama group, Theatre North, at 8:00 p.m. on December 6, 7 and 8 in the Performing Arts Center at North High. Under the direction of Gael Barr, drama instructor, the play stars Steve Strika as fun-loving Oscar Madison, and Mike Slavko as the irrepresible Felix Unger. Steve starred last year as King Henry VIII in *Royal Gambit*. Others in the cast are Marcia Sweaney and Kathy Wlsniewski as the Pidgeon sisters, Mike Watson as Speed, Bruce McGraw as Roy, Jim Daoust as Vinnie, and Curtis Lesz as Murray.

The colorful and elaborate New York apartment setting is being constructed by Kevin Petrilli, Mike Watson, Randy Petrilli, Gerry Rausch, and Tom Fernstrum, members of North's stagecraft classes. These students who are on independent study in stagecraft, lighting and design will be designing as well as building sets for Theatre North's upcoming productions of *Miracle Worker* and *The Taming of the Shrew*.

Tickets for *The Odd Couple* are \$2 for adults and \$1.50 for students and are available by calling 888-8100, ext. 79, or at the door.

Lansing Stalls Flood Coverage

In the wake of the recent wind and rain storm which damaged property fronting Lake St. Clair, Shores Village Superintendent Thomas K. Jefferis had a discouraging report to give the council at its Tuesday night, November 21, meeting.

As the lake is currently at an all time high and expected to rise a foot next year, The Shores is interested in protecting its residents against possible flood disasters. On the recommendation of Village Superintendent Thomas K. Jefferis, the trustees wish to certify The Shores so that residents could by coverage through national flood insurance.

In order to be eligible, the village must be approved for coverage by the U.S. Department of Housing and Urban Development (HUD). Once a municipality is accredited by HUD, residents may purchase flood insurance through local insurance companies.

Certification forms are released through the Michigan State Water Resources Commission, a state bureau in Lansing acting as a liaison with HUD. The forms were promised within a few weeks upon receipt of a request, however, Mr. Jefferis informed the council that he had written the state Commission over five weeks ago and had still received no reply. As a result, The Shores remains uncertain when it can offer the insurance which might cover losses such as those incurred by the Tuesday, November 14, storm.

If the state does get off its bureaucratic duff, The Shores will file with HUD for certification. The governmental agency gives its approval once it is assured that a municipality is planned in a manner to absorb all but extreme flooding conditions. Dale Granger of the State Water Resources Commission has informed Mr. Jefferis that The Shores will have no problem receiving certification. The state official cited The Shores comprehensive ordinance controlling zoning, platting and enforcement of building codes which insure a maximum amount of flood control.

Mr. Jefferis gave the report to assure the trustees that the village was working on certification in every effort to protect Shores residents from possible disaster.

Phi Beta Kappa Holds Dinner

The Detroit Association of Phi Beta Kappa will hold a dinner at 6:30 p.m. Tuesday, December 5, at Marygrove College to celebrate the 196th anniversary of the founding of the Society in Williamsburg, Va., in 1776.

Executive Committee members from the Pointe include Mrs. James Beall, Glenn Coulter and William Dahling. After dinner, a musical program, "Why Opera?" will be given by students and faculty of the Music Department of Marygrove College and University of Detroit.

Members of Phi Beta Kappa are selected from the upper tenth of a graduating class of a college or university which meets the exacting requirements of the scholastic honor society. The 500 member group of the Detroit Association was organized 35 years ago.

Annually in May they hold an Honors Convocation to present Certificate Awards to high school graduates in the Detroit area with a minimum average of 3.7. This year 1,100 students were honored. It is the only area-wide recognition given these scholars.

Phi Beta Kappa Association of Detroit is open to anyone who has been elected to the Society. Prospective members are urged to call the recording secretary, Mrs. H. S. Elges of Detroit for information.

Mite Stars Win Hockey Trophy

The Grosse Pointe Mite All-Star hockey team dumped the Fraser Travel Team, 6-3, to win the consolation championship at the Fraser Turkey Tournament. The game was played Saturday, November 25.

After dropping the opener to the Denby Bulldogs, 2-1, the Mites rebounded with a 6-0 win over Fort Wayne, Ind.

In the Fraser game, the Mites were down 2-0 when John Mueller, assisted by Ken Newa, opened the scoring to spark a six goal comeback. Tim Luzadare accepted the team trophy at center ice on behalf of the Mites and the Grosse Pointe Hockey Association.

The All-Stars have been together only two weeks with limited practice but received a strong boost by the fine goaltending of Peter Dettlinger and a great team effort.

All-Star members include Tim Luzadare, Gary Lewis, Eric Avedesian, Pat Bohl, Chris Flood, Peter Dettlinger, John Mueller, Ken Newa, Jeff Henchel, John Keane, Marty Whitmer, George Nicholson, Brian Dalby and Chris Amore.

Three Ways To Sell Your Home

- TRY TO SELL IT YOURSELF**—This is usually the most unsatisfactory way. It eliminates professional qualification of prospects and invites the showing of your home to practically anyone who rings the doorbell, regardless of their ability to buy or the time of day or night at which they want to make an inspection. Owners are not professional negotiators. They do not know what comparable properties they will have to compete with—the condition of the market—financing possibilities, demand, or how to properly expose their home only to prospects actually in the market to buy.
- LIST IT WITH ALL BROKERS**—This usually results in getting attention from none. No one is responsible; consequently the listing receives little attention. Everyone knows about it, but no one makes any special effort to effect a sale. Brokers, obviously, promote and spend money only on their own Exclusive Listings and neglect those that are non-exclusive.
- LIST IT WITH ONE BROKER, EXCLUSIVELY**—This produces by far the best results. It exposes the home to not only prospects of cooperating brokers and their salespeople but also justifies the cost of extensive advertising promotion. Prospects are qualified as to ability to purchase prior to showing and inspections are by appointment only with the salesman accompanying the prospect.

ONE OF THE QUICKEST, SUREST AND MOST EFFECTIVE WAYS TO SELL YOUR PROPERTY IS TO LIST IT EXCLUSIVELY WITH JOHNSTONE & JOHNSTONE.

Reports Items Taken in B-E

The Woods Department of Public Safety recently received a report from a Pearl Lane resident of missing items taken during a burglary of her home. The breaking and entering was reported Friday, November 3.

Articles taken include a ladies platinum and diamond wrist watch, containing a Hamilton movement, with an attached platinum link style band, valued at around \$2,000; a ladies five percent iridium platinum diamond ring, \$900; a ladies 14 carat white gold ring with diamonds, \$1,500.

More items are a gold pin, shaped like a heart with a wedding ring for a base, with filigree rim, containing one pearl and one green stone; a silver Mother ring with seven different colored stones; a silver filigreed brooch; a yellow gold pearl ring, and a reversible onyx

ring with a small diamond and Cameo on the other side. These articles are of unknown value.

The Detective Bureau is investigating the incident.

Bank Promotes Former Pointer

Francis Wetmore McMillan, II, a former Pointer who now resides in Greenwich, Conn., was recently named a vice-president of the Chemical Bank of New York. Mr. McMillan has been with the bank since 1963 and was previously affiliated with Marsh and McLennan, Inc.

Born in Detroit, he was graduated from the Grosse Pointe University School, from the Hotchkiss School and from Yale University. He also attended the Leggs School, Cambridge, England, as ESU exchange student. He served with the USAF in 1961 and with the Air National Guard of Michigan and New York. Mr. McMillan recently attended the International Banking Summer School in Oxford, England, in 1970 as a representative of Chemical Bank.

Mr. McMillan and his wife, Susan, are the parents of two children.

Honored for Service

At a recent Bon Secours Hospital symposium, two Pointe doctors were honored for their outstanding service to the hospital and its employees. Presented with the Semmes Award was DR. S. N. SWAMY (right), of Loraine road, Bon Secours resident in surgery, for best displaying qualities of friendliness, hospitality and dedication encouraged in service to patients. DR. JAMES C. YOUNG (left), intern, of St. Clair avenue, received a second place award. He joined the staff in July and is concentrating most of his studies in the field of cardiology. The awards have been supported annually by the Valerie and Prewitt Semmes Fund since 1968.

Son Shows Up Dad as Hunter

Sixteen-year-old Mark Mailoux, 82 Vernier road, accomplished something in his second year of deer hunting which his father has yet to

accomplish in 17 years. For on the deer season's opening day, Wednesday, November 15, Mark killed a nine-point buck with one shot to the throat, while hunting with his father in Rose City, Mich. The North High junior used a 30-30 rifle to bag his buck.

Mark's mother reports that during her husband's 17 years of hunting, he has only gotten four deer—and he has never seen anything like the buck Mark shot during that period of time.

Charge Driver On Two Counts

A 52-year-old Detroit man backed into a fire plug at the southwest corner of the Waterloo and University intersection Sunday night, November 26.

Stopped by City police, John Bennett, 5216 Duboise, Detroit, was found to have no Michigan driver's license and to have been drinking. The rear of Bennett's car was damaged; the fire plug withstood the collision.

The suspect was taken to City Police Station where he was booked for careless driving and driving without a license. A court date was set in City Municipal Court after the defendant was released on bond.

The only person who can deny us another chance is that fellow in the full-length mirror.

Beware of the fellow who is always shaking your hand—he may shake your confidence later.

Kerby Scouts In Yule Mood

Cub Scout Pack 481 at Kerby School has entered into the Christmas mood. For yesterday, Wednesday, November 29, a chartered bus chauffeured the scouts to downtown Detroit where they saw the Christmas lights, and visited the 12th floor of Hudson's Christmas Fairyland.

In keeping with their December theme of giving goodwill, the scouts are each giving a toy they have used and enjoyed to others with Den Six designating who the recipients will be. This year, the den donated the "goodies" to patients at St. John Hospital's Children Clinic.

One View From The Capitol

By William R. Bryant, Jr.

The defeat of the property tax question, Proposal C, on the November 7 ballot was essentially because of two factors; first, the fear of too great state control, and second, much objection that the property tax relief was not substantial enough.

Opposition by the U.A.W. and the A.F.L.-C.I.O., which was largely on their objections to use of the flat rate income tax and value-added tax to replace property tax, also contributed to defeat.

I ended up voting against Proposal C myself but my fears and misgivings remain. We will have to work very hard next year to come up with an alternative to Proposal C which we can live with.

The State Supreme Court will insist something be done to change present school financing. The suit against the Grosse Pointe, Bloomfield Hills and Dearborn districts will result, in all probability, in judgment adverse to us. It can be appealed but success on appeal would be difficult. Assuming a Supreme Court

directive to the legislature to change the school finance system, what are the alternatives?

We can try a legislative solution or try another ballot proposal to change the constitution. Legislation can equalize the dollar yield for each mill levied and can set mill requirements for receiving state aid.

A new ballot proposal would probably contain language similar to that which I had been seeking, assuring continued local control of schools.

The most difficult problems, to our district, will be the possible combining of a new proposal with a graduated income tax proposal and possible elimination of any local optional millage. The result may be a proposal which would allow a tax graduated as to base only, a "piggyback" tax computed as a percent of federal tax.

The defeat of Proposal C causes as many problems as it avoids. It remains to be seen if the alternatives are better or worse.

Letters to the Editor

Dear Readers:

We are long time residents of Grosse Pointe who were transferred to the West. Although there are many aspects of the job and living we enjoy—we are appalled at the quality of grade school education our children are receiving.

The people of Grosse Pointe don't realize what a treasure they have right in their public schools. Not only do their children receive a quality education, but the level of responsibility and concern shown by the staff toward both the children and their parents is truly remarkable.

I hope those of you who read this will pass the word along — fight to maintain what you have in your public schools — you are so fortunate. If we were still residents of Grosse Pointe—I can assure you we would never vote against a school millage proposal as long as the high level of service and education was being received, and we certainly would fight anyone from taking it away from us. You have earned a high reputation

through citizen concern and school administrative co-operation — keep up the good work.

You have a real treasure going for you and it can only be maintained by continued community concern and support.

Sincerely,
 Dick and Bonnie Levitan
 Mission Viejo, California

What Goes On at Your Library

By Virginia Leonard

New books are finally beginning to come in. (Jobbers can be maddeningly slow, especially when you want new books so quickly.) To cheer you, after our long drought, I'll mention a few for you.

Ira Levin (you do remember ROSEMARY'S BABY, don't you?) has a new novel entitled THE STEPFORD WIVES. The blurb calls it "a novel of slowly uncoiling menace, irresistible in its suspense, terrifying in its final implications." From now on, a certain kind of woman will be known as a Stepford Wife.

In these days of increasing turmoil and confusion, perhaps SUCCESSFUL LIVING DAY BY DAY by Nelson Boswell will help you. Here, a man who has inspired millions presents his positive, practical approach to understanding yourself and others, and getting the most out of life. He feels that the five key aspects of living successfully are: Self Perception; Perception of Others; Problem Solving; a Positive View of Work; a Dynamic Approach to Success. There are certainly days in all of our lives when we feel the need of a little advice and "propping up." Perhaps this book would do the job.

Our local author, Joyce Carol Oates, has a new book out: MARRIAGES AND INFIDELITIES. These are short stories in the traditionally fine Oates fashion. Specifically in this book she explores the complex, mysterious relationship between love and its frequent betrayal. Being an Oates aficionada, I know I'll be reading this just as soon as I find time.

A slim novel, TREEHOUSE, by James Morrison attracted my attention, especially when the blurb says that on reading it we will be reminded of J. D. Salinger, John Knowles and Harold Brodkey. It seems to be a study of interpersonal relationships with two adopted children, (boy and girl), and a half brother, (the only child of their adoptive parents.)

"What the Midas touch was worth in gold, the Kaufman touch was worth in laughter." This could only apply to GEORGE S. KAUFMAN; AN INTIMATE PORTRAIT, by Howard Teichmann. "To write about Kaufman is also to write about the whole spectrum of literary and show-business personalities of the Twenties through the Fifties, ranging from the famed Algonquin Round Table to backstage Broadway and the back lots of Hollywood. . . Ten years of research and writing have gone into this insightful biography by one of Kaufman's collaborators and closest friends.

ROOTS OF WAR, by Richard Barnett deals with the men and institutions behind U.S. foreign policy. It is the first comprehensive investigation of the forces in American life that continue to propel the United States toward international violence. In this compelling book the author asks why killing in the national interest has become routine, and comes up with some surprising and disturbing answers.

A fascinating suspense story is LINE OF SUCCESSION by Brian Garfield. Here radicals working outside the government and politicians working within combine unwillingly to make Washington an armed camp and the Act of Succession a travesty of justice. The author combines the political excitement of the Washington scene with the strategic suspense of a worldwide hunt to give us one of his most engrossing novels.

And still the diet books arrive! Dr. Robert C. Atkins has given us DR. ATKINS' DIET REVOLUTION: THE HIGH CALORIE WAY TO STAY THIN FOREVER. Over 10,000 people have visited the author's office in New York to peel off pounds without pills or hunger, and with dramatic results. He feels that most overweight is not the result of overeating, but of the body's inability to metabolize carbohydrate properly. His diet corrects this. The author grew up in Columbus, Ohio, attended the University of Michigan, and Cornell Medical College, and was a resident at St. Luke's Hospital, in New York, before entering private practice as a cardiologist.

A gift to the library, (copyright 1970), but of interest to many, I suspect, is THE \$20,000,000 HONEYMOON: JACKIE AND ARI'S FIRST YEAR. You may wonder how anyone can spend that much money in one year, but they did! The author takes you on a gilded, guided tour with the wealthiest, most romantic couple of the twentieth century. Mr. Sparks tells you where all the money went: With the help of some well-placed friends he follows this couple through their first golden year. As the blurb reads: "Gossip, glamour — and gobs and gobs of money!"

We hope you'll want to dip into some of these books, as well as some other new ones. Let us hope they will keep coming!

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

Christmas is coming, and so many Christmas "happenings" are about to happen in The Pointe, we can scarcely begin to keep track of them . . .

There is, for instance, the Grosse Pointe Merry-Go-Rounders' "Prelude to Christmas Ball," planned for this Saturday, December 2, at the Grosse Pointe Hunt Club.

The Merry-Go-Rounders, as you know, are 94 couples who just plain love to dance—so, every so often, they have a dance, and dance the night away. Chairman of Saturday's party, which begins with cocktails at 7:30, preceding dinner, is Mrs. Frederick Van Assche.

Her committee assistants include Mrs. Paul Jonkowski, Mrs. John Vanker, Mrs. Raymond Regner and Mrs. Joseph Gaspar.

Tea For Lawyers Wives

The Grosse Pointe Lawyers Wives gather at their eighth annual Christmas Tea Thursday, December 14, at the Preston place home of Mrs. Edward P. Frolich.

(Continued on Page 15)

This is a head that is making waves.

Which means that it's about as today as a head can be. It's re-discovered girl power. Or to put it another way, it's re-discovered what men really like. Waves, curving softly and seductively over pretty pink cheeks. If you'd like to make a few waves yourself, come to the salon that's doing the same thing. Not only where coiffures are concerned, but in the Service and Atmosphere Departments as well.

DON AMEZ, son of MR. and MRS. ACHIEL AMEZ, of Kerby road, was honored recently by the National Office of the National Alliance of Businessmen, when HARRY STROUD, the NAB's vice-president of Veterans Affairs, flew from Washington, D.C., to Tulsa, Okla., to make a special presentation to Don and to KRMG, the 50,000-watt radio station where Don has been employed as public service director and afternoon air personality, for "Vet Hiring Line," the special project Don instituted to find jobs for Vietnam era veterans, responsible for over 1,000 hirings in Tulsa. Many of the veterans hired were disabled. It is estimated that Don's project has added approximately \$3 million a month to the Tulsa economy. KRMG, number one rated station in the Tulsa metropolitan area, is the first and only radio station in the country to be especially honored by the NAB. Earlier in the year, Oklahoma Governor DAVID HALL named it "Radio Station of the Year." Don also has received public service awards from United Press International and the Oklahoma Broadcasters Association. His show, from 4 to 8 o'clock Monday through Friday, is the number one rated show in Tulsa for that particular time period. Don is leaving KRMG to assume duties similar to those he holds in Tulsa at KOSI (AM and FM) in Denver, Colo.

An exhibit of works by artist LEO V. KUSCHEL, an instructor in the Grosse Pointe Public School System, will be on display at the Mercy College of Detroit Student Center through November 30. GEBECK, of Lochmoor boulevard, and ELEANOR (Mrs. Jack) GRIFO, of Lakeland avenue. The workshop was designed to encourage professional dietitians to become more knowledgeable about literature available to the lay public on current nutritional fads, and to give them tools for evaluating that literature.

Among members of the Women's Committee of the Detroit Grand Opera Association who began planning for the 1973 Opera Season at a luncheon given recently by MRS. CHARLES L. WILSON, JR., of Bloomfield Hills, the Season's chairman, was Pointer MRS. ARTHUR J. ROOKS, JR.

He is the author of many articles and several books concerned with mental disorders and social problems. Preview Begins Hilberry's Season

Understudies Sponsor First Night Festivities at WSU Theatre; Mrs. Joseph A. Vance, Jr., is Honored

The 10th Anniversary President's Preview at Wayne State University's Hilberry Theatre November 10 was the occasion for honoring Mrs. Joseph A. Vance, Jr., of South Deeplands road, for six years chairman of the Understudies women's committee for the Theatre.

Recognition also was given to all Theatre Sponsors, guests of WSU President and Mrs. George E. Gullen, Jr., at the special preview of "The Three Musketeers" which opened the new season.

Mrs. Clarence B. Hilberry, widow of the former WSU president for whom the Theatre is named, was given special acknowledgment.

President Gullen presented Mrs. Vance with the Wayne State University Board of Governors Distinguished Service Award, given by the Board and the University in recognition of her outstanding contribution.

President Gullen also introduced Mrs. Vance's successor, Mrs. Stanley Winkelman, who will take over leadership of the committee in 1973-74.

The Understudies this year have gotten 370 Golden Chair holders, Sponsors and Patrons to contribute to the Fellowship Fund for the Hilberry Graduate Repertory Company. This represents a gain

of nearly 50 over last year. At the time of the preview nearly \$25,000, the committee's goal, had been received, with more contributions expected.

Among Understudies their husbands or escorts who attended were Pointers Mr. and Mrs. Wilber M. Brucker, Jr., Mr. and Mrs. Frank Donovan, Mr. and Mrs. Ronald Haughton, Mr. and Mrs. L. Murray Thomas, Mr. and Mrs. Edward J. Tutag, Mr. and Mrs. Vance and Justice and Mrs. G. Mennen Williams.

One hundred and fifty-five of the guests gathered for pre-performance cocktails and dinner at the Standard Club. Hostesses were the Understudies.

Following the performance, guests joined the cast at a champagne reception in the lobby, decorated with photos, costumes and properties from the Theatre's past nine seasons.

Funds raised by the Understudies help support Hilberry's repertory company of 41 graduate students, who

Mid-Century Members Address Two Groups

"Love is Learning" was the title of a workshop led by Pointers Mrs. Carl (Florence) Nolte and Mrs. Mary Evelyn Self, guest lecturers at the annual convention of the Michigan Association of Hospital Auxiliaries.

Their workshop was held twice during the three-day meeting at Boyne Mountain Lodge.

Mrs. Nolte and Mrs. Self are members of Mid-Century Toastmistress Club, and were putting Toastmistress training through its paces. Their workshop material included public speaking, leadership pointers, how to stand on your feet and talk, without "the shivers", and how to conduct a meeting.

Two other Pointe Mid-Century Toastmistress members were featured speakers recently. Mrs. W. W. (Maxine) Riesenberger, president, and Mrs. Robert (Jean) Burow, Jr., parliamentarian, spoke to St. Paul's Altar Society about the advantages of Toastmistress training.

International Toastmistress is the largest non-profit educational women's organization in the world. Its purpose is to teach members to think and speak on their feet, conduct meetings quickly and with ease, and instill self-confidence for productive lives.

Mid-Century meets the first and third Tuesday mornings of the month, at 9:30 o'clock, at the First Lutheran Church of Detroit in Cadieux road.

Any woman interested in Toastmistress may contact Mrs. Nolte, 881-0582, for more information.

man, MRS. ALLAN HART and MRS. THOMAS E. VAN PELT, (seated, left to right), MRS. BOB FETT, MRS. BOB MARKS, MRS. BERT WRISTON and MRS. JACK HATFIELD, and Mrs. Bill Franz, (not pictured). The Willetts are the Club's president couple, and dinner-dance chairmen.

Stephen Miller came from New York City to act as best man for his brother.

Ushering were Mark Ra- paich, Gary Atto, of Iron Mountain, John Lundelius, of Philadelphia, and David Har- ris, the bride's brother.

The bride-elect was graduated from Grosse Pointe South High School and is presently a senior at the University of Kansas, Lawrence. She is a member of Alpha Gamma sorority.

Marc will receive his Bachelor of Arts degree in Psychology from the University of Kansas next month.

They plan a January wedding, in Saint Paul's-on-the-Lakeshore.

From Another Pointe of View

turing many favorite casserole and salad recipes.

After dessert, the room is rearranged into work areas, and soon every member of every family, youngest to oldest, is busy painting, cutting, gluing, decorating . . .

This year, in keeping with the Christmas spirit of giving, everyone will participate in making something for someone else before personal projects are begun.

A large candy Yule Wreath is being prepared for the Grosse Pointe Nursing Home. Each person attending the Workshop will tie a piece of candy to the wreath at the beginning of the evening.

Then it's on to "your own thing," whatever your age.

In one corner of the room, the smallest children will be engaged in very simple projects, under the watchful eye of Jenny Blevins, while their older brothers and sisters, (ages three to seven), are busy in the Children's Corner, fashioning "holipops" of heavy yarn, Santa banks, Love banners and Gold-aroni wreaths, according to directions issued by Mrs. Arthur Erickson and her assistants, Mrs. Albert Dentz, Mrs. Roy Hutcheon and Mrs. Richard Cooper.

"I'll brush the snow off of your boots and from your coat and hood" runs the message attached to "Snowbroom Ladies," to be fashioned at Mrs. William Stetson's table.

Mrs. Stephen Sterner will help anyone who wants to transform a plastic egg carton into a sparkling angel decoration, and Mrs. James Spilos will share the secret of her exquisite needlework ornament.

Mr. and Mrs. Robert Choate will again be giving directions to those who want to make a Nativity Creche, molding and painting the figures of Jesus, Mary, Joseph, Magi and angels.

But the most popular corner of the room—and this holds true for ALL ages—is always the Cookie Table.

It's good for watching as well as working. Grown-ups gather there, chuckling as little fingers pile gobs of colored frosting on fancy-shaped dough, spread it around, sprinkle on the colored sugar—and stop to lick off the "little extra" that occasionally, (happily!) sticks to even the carefulest cook's hands.

Mrs. Richard Allor, assisted by Mrs. Kurt Tech, Mrs. William Frame and Mrs. Walter Kurtz, will be on hand with damp towels, when needed.

General Workshop chairman is Mrs. Alan Wright, assisted by co-chairman Mrs. David Olson. Helping with reservations and tickets are Mrs. Carl Uridge and Mrs. Robert Cooper.

Mrs. Robert Lake is planning the Buffet. Stanley Redding is official photographer.

Other Workshop "Santa's Helpers" are the Mesdames Bernice Bates, Robert Kienle, John Winters, Dennis Kopp, Robert Terry, John Marschner, Dudley Arnold, Gerald Webster, James LeDuc, James Mackintosh, David Brierly, David Johnson, Miss Martha Johnson and Mr. Wright.

More Santa's Helpers

Speaking of "Santa's Helpers," we thought you might like to know the names of those who'll be assisting at the Pointe Alpha Xi Alumnae Mr. and Mrs. Santa Luncheons at Eastland Center Auditorium this year.

Verna Rowerdink, Barbara Masten, Marilyn Shay, Mrs. Neil Otto, Mrs. William Stidham, Mrs. John Rini, Mrs. Maurice Strong, Mrs. J. D. Barlow, Mrs. Arthur Bersey, Mrs. Robert Shannon, Mrs.

Marion Salle and Mrs. Stanley Striffler have signed up for Saturday, December 9.

The Mesdames Richard Swinbank, John Klock, Alfred Wittwer, Tim Pomaville, Eugene Pely, Robert McCluney, Dennis Berdasono and John Rasch, and the Misses Margaret Lewis and Christina Phillips will be on hand Saturday, December 16.

Tickets for these children's parties, which benefit the Foundation for Exceptional Children and Grosse Pointe's Family Life Education Council are \$2.25.

They are available at the Sphere Gift Shop in Mack avenue, or by contacting Mrs. Arthur Leslie, general chairman, 886-6925.

DR. G. JAN BEEKHUIS, of Balfour road, who will become president of the American Academy of Facial Plastic and Reconstructive Surgery in April, 1973, has announced his resignation as chairman of the Wayne State University School of Medicine Department of Otolaryngology, effective May 1, 1973, in order to devote more time to clinical practice and teaching. Shores Garden Club to Meet

After attending the Grosse Pointe Garden Center's Berry Memorial Lecture "Night Before Christmas" in Fries Auditorium, tomorrow, Friday, December 1, members of the Grosse Pointe Shores Garden Club will lunch at the Leaning Road home of Mrs. Stuart Gammett.

Co-hostesses are Mrs. Carl Hanson and Mrs. Kenneth Spauld.

A demonstration of fresh Christmas arrangements by Susan Jakes, from Flowers and Spice, will follow. Four members will receive newly made Christmas decorations.

'Lucia' Heralds Another Yule

The Swedish Christmas "Lucia" begins on December 13, "Lucia Day," when early in the morning the "Lucia" is awakened by her own "Lucia," usually the eldest daughter in the family, dressed in a traditional white robe with ermine sash, a crown of lighted candles on her head, carrying a tray of coffee and special saffron buns to each member of the family as she serenades them with the old Sicilian melody, "Salti Lucia."

Each year, the Jenny Lind Club of Detroit, in keeping with its purpose to perpetuate Swedish culture, stages its own "Luciafest" dinner-dance for members and their friends.

This year's party is plan-

ned for Friday evening, December 8, at Oakland Hills Country Club.

Sara Flom, daughter of the James Flom, of Lakeland Avenue, will appear as "Lucia." Her two "Star Boy" attendants are cousins David Herrington, son of Mr. and Mrs. Hira Herrington, of Fraser, and Benzin Tottle, son of Dr. and Mrs. Tymon Tottle, of Hampton road.

Party chairman is Mrs. Alfred Hopkins, of Birmingham. Co-chairman is Mrs. Marvin Anderson, of South Deeplands road. Pointers Mrs. Robert Peebles, Mrs. Charles Koebel and Mrs. Dwight Nelson, Jr., are serving on the "Luciafest" committee, along with the Mesdames Fred Merner, Hugh

Organize St. Mary Tea

MRS. EMMET TRACY, (standing), hostess for the St. Mary Academy Alumnae Association Christmas Tea, to be presented Sunday, December 3, discusses plans with fellow Pointers MRS. JEAN BELANGER, (center), president of the Detroit Alumnae Chapter, and MRS. EUGENE FREITAS, Tea chairman. The donation party, to be held from 2 to 5 o'clock at the Tracy home in Provencal road, will benefit the Sisters, Servants of the Immaculate Heart of Mary, in Monroe. Alumnae of the Academy and their friends are invited to attend.

Corney and Arne Lagerkvist.

Table decorations of green wreaths, each holding five white candles, (symbolizing the "Lucia" crown), will be lit, all other lights turned off, when "Lucia" enters the darkened dining room. The program will include several Swedish Christmas

carols, sung by sisters Lisa and Lynn Lagerkvist, Lahser School students. Joe Cook and the Pacemakers will play for after-dinner dancing.

The "Lucia" custom began long ago. According to legend, "Lucia" was a medieval saint who carried food to hungry folk in the province of Varmland during a famine.

Because she was seen crossing Lake Vanern clothed in white, a crown of light circling her head, the modern "Lucias" dress in white and wear crowns with lighted candles.

Today, not only in homes in Sweden, but in schools, offices, hospitals, orphanages and other public buildings, "Lucia" appears to open Yuletide celebrations.

Elected to the Colorado Alpha Chapter of Phi Beta Kappa is CHRISTINE H. McNAUGHTON, of Edgemont Park.

City Is Topic For Phase I

Plans for the evening's entertainment call for an opening night curtain shortly after 8 o'clock. Prior to that, premier-goers will enjoy the guitar music of Earl Klugh, performing selections from "Man of La Mancha" and other Broadway shows and films.

Hostesses from the Friends of the Library will greet the audience and hand out souvenir program folders, and ushers costumed in the style of the film will show ticket-holders to their seats.

"Man of La Mancha" is the film version of the Broadway show which won five Tony Awards and the Drama Critics Circle Award as "Best Musical."

Arthur Hiller, (who directed "Love Story"), is the director.

Peter O'Toole, Sophia Loren and James Coco star in the adaptation of the 17th century classic by Miguel de Cervantes.

It is historically accepted that Cervantes wrote "Don Quixote" while in prison, and in the film O'Toole portrays both the imprisoned author and his knight-errant.

Following the film, guitarist Klugh will provide special music at the afterglow.

"Don Quixote de la Mancha," the masterwork of the Spanish novelist, poet and playwright Miguel de Cervantes Saavedra, was originally published in two parts.

Part One was issued in 1605, when Cervantes was 58 years old and was written at least in part in debtors' prison.

Part Two came out in 1615, the year before Cervantes' death.

Biographers have been accustomed to comparing Cervantes' life with that of his creation: Born in 1547 in Alcalá de Henares in Spain, he went to Italy in 1569, joining the Italian army as a private.

Wounded at the battle of Lepanto in 1571, he lost the use of his left arm. When he returned to Spain on leave in 1575, he was captured by Moors and held for ransom as a slave in Agiers.

During the following five years he made several unsuccessful attempts to escape. He was finally ransomed in 1580 by his family, to their financial ruin.

After some further army service in Portugal, he re-

tired in 1582.

Between 1585 and 1588 he wrote over 20 plays, only two of which have survived, and much poetry.

He was in and out of debtors' prison. His character, described as gentle and unselfish, and his penchant for falling short of the prosperity he aimed for, suggest the comparison with "Don Quixote."

The Friends of the Detroit Public Library, Inc., was founded September 24, 1942 by a group of 38 Detroit-area citizens who felt that through such an organization they could best express their concern for, and channel their efforts to support, the Detroit Public Library.

The four concerned citizens who had signed the invitation to the first meeting were George Pierrot, Mrs. Ernest Kanzler, Wendell Brown and Hal H. Smith. Mr. Smith was elected the Friends' first president.

This is the Friends' 30th anniversary year. Its membership has grown to one of the largest in the country, and its support of the Library has increased correspondingly.

In 1971-72, the Friends gave grants amounting to over \$46,000 for purchase of books and other library materials, and in support of special services, which could not have been funded out of the Library's sharply-reduced budget.

Friends' money has provided a station wagon for service to hospitals and the

The bride is the daughter of Mr. and Mrs. Joseph L. Oskin, of Glen Arbor lane, the bridegroom the son of Mrs. Glen Hofer, of Pittsburgh, Pa.

For her wedding, the former Miss Oskin selected an ivory satin gown, its bodice accented with seed pearls, its skirt overlaid with ivory lace.

She wore an illusion veil, and carried an arrangement of pink and white carnations and baby's-breath.

Laura Jean Oskin, of Kalamazoo, honor maid for her sister, wore a white lace frock, overlaid with blue, and a matching veil.

Fox Creek Quester members gather for their annual pre-Christmas meeting next Thursday, December 7, at 11:30 o'clock, in the Three Mile drive home of Mrs. Michael Brennan.

Mrs. Robert Priest is co-hostess for the traditional program, which includes a potluck luncheon and recipe sale, followed by a gift exchange of small antiques.

In frocks of white lace over yellow, with matching veils, were bridesmaids Mrs. Cyrus Picken, of Virginia Beach, Va., Mrs. Ralph Howell, of Marquette, and Linda Kienle.

Best man was John Viviano, James Rak, of Pittsburgh, Mark Kogelman of Mount Clemens, and Phil Costa seated the guests.

The bride's mother chose a pink chiffon gown, the bridegroom's mother a blue silk ensemble.

The new Mr. and Mrs. Taylor, both students at Wayne State University, are residing in St. Clair Shores.

Mrs. Marshall Taylor

ALICE CAROL OSKIN, daughter of the Joseph L. Oskins, of Glen Arbor lane, became the bride of Mr. Taylor, son of Mrs. Glen Hofer, of Pittsburgh, Pa., Saturday, November 4, in Grosse Pointe Woods Presbyterian Church.

Airman DAVID M. BATTS, a 1972 Grosse Pointe South High School graduate, son of MR. and MRS. HOWARD BATTS, JR., of Beaconsfield avenue, has been graduated from the United States Air Force Air Cargo Specialist Course at Sheppard Air Force Base, Tex., and been assigned to Little Rock Air Force Base, Ark., for duty with a unit of the Tactical Air Command.

Inside The Mothers' Club

A very busy month was described by President Mrs. Albert Dickson, Jr., at the November 6 Executive Board meeting of the South High School Mothers Club. Activities since the October Board meeting included Parents Night for Ninth Grade and New Students, as well as Back-to-School Night, both fairly well attended.

Homecoming and the events surrounding it were very successful. City, Farms and Park police reported conduct of students during construction of floats greatly improved over that of past years.

Mrs. Dickson announced that the School Board has approved the raising of funds up to \$8,000 by the South High Mothers and Dads Clubs for extracurricular activities, including intramural athletics, publications, language clubs, Art Club, cross-country ski coach and Theater Guild.

Mrs. Benson McClure, faculty representative, reported that South High Principal Jerry Gerich would welcome any feed-back from Back-to-School Night, including suggestions for changes.

Volunteer Jobs

Mrs. McClure said there had been very few schedule changes among juniors and seniors, who are delighted with their programs which involve a shortened school day.

There are numerous volunteer jobs available, particularly for those juniors and seniors who get out of school early. They are needed at elementary and middle schools every week, for tutoring.

A new form has been designed for next year's enrollment, which will plan for a full program and will be taken home for parents to sign. Since all operating mileage runs out next year, there will either be NO SCHOOL or a TOTAL PROGRAM, depending on passage of millage proposals.

Schedules will be staggered, similar to this year, and, hopefully, students will again be able to select teachers and class periods.

"Appointments only" is the rule at the Counseling Center, except in case of emergencies.

The attendance policy being adhered to is that two days' notice is required for pre-arranged absences, such as doctor or dental appointments, or trips.

This attendance procedure by-passes the counselor, except in cases of unexcused absences for three days, or unexcused tardiness, when the counselor enters the picture by requesting that the parent come to school with the student, to review attendance policies and discuss any problems the student may have.

Members of the Future Teachers Club were highly praised by Social Chairman Mrs. Richard Hinks for their invaluable help with refreshments on Back-to-School Night. Since parents are rushing from one class to another, it is difficult to find adults to serve.

Play Tickets

Mrs. C. J. O'Donnell, play

ticket chairman, reported that an additional Pointe Players' performance of "Our Hearts Were Young and Gay" was presented on Wednesday, November 15, supplementing those on Thursday and Friday, November 16 and 17, to eliminate any "over-sold houses."

All presentations were for the benefit of the Scholarship Fund, but 30 percent of the tickets sales' proceeds were returned to the departments whose efforts made the production possible—10 percent each to the band, vocal department and Pointe Players.

Homecoming Successful Mrs. Paul Shirar, in charge of Homecoming activities, had a meeting with parents who had had floats constructed at their homes, or pom-pom parties.

It was suggested that the position of Homecoming chairman be substituted for Halloween chairman, and the committee include mothers from ninth, 10th, 11th and 12th grades. Guidelines and

suggested rules would be drawn up and sent to those participating.

The Homecoming Dance was beautifully organized. The young people who attended were very well-behaved.

Mothers are signing up to work in the School Health Volunteer Program at Grosse Pointe South, sponsored by the Red Cross, between the hours of 11 a.m. and 1 o'clock.

Anyone interested may call Mrs. J. R. Bush, 821-9558.

These volunteers will attempt to help fill the vacuum created by the cut-back in school nurses.

His first conducting post was as principal conductor with the Kharkov Philharmonic.

Kletzki's illustrious musical background includes appearances on the podium with many major European orchestras, such as the Royal Philharmonic, the Philharmonia of London and the Orchestre Nationale Francais in Paris.

He served as director of the famous Suisse Romande Orchestra from 1964 until 1970, and has conducted regularly in South America and Israel.

Pair Exchange Wedding Vows

Former Pointers Sharon Anne Schollenberger and Harry Corgnell Hoffmann, both Grosse Pointe South High School graduates, exchanged marriage vows Saturday, November 25, at a single ring candlelight ceremony in Lake Shore Presbyterian Church, St. Clair Shores.

She is the daughter of Mr. and Mrs. Christian J. Schollenberger, who now make their home in Roseville.

The bridegroom is the son of Mrs. Harry Charles Hoffmann, of Detroit, and the late Mr. Hoffmann.

For the 7 o'clock rites, at which The Reverend Harold McConnell presided, the bride, given in marriage by her father, chose an ivory satin gown accented with re-

embroidered Alencon lace and seed pearls, and a lace-appliqued mantilla.

Her crescent bouquet featured white roses, stephanotis and baby's-breath twined with avocado velvet ribbon.

She was attended by her sister, Jill Schollenberger, whose ruby velvet frock was trimmed at her neck and long, fitted sleeves with white embroidered lace, and whose bouquet of pale pink carnations, deep red roses and baby's-breath was accented with pale pink streamers.

Best man was Kenneth L. Hoffman. Ushering were Christian Schollenberger, the bride's brother, and Michael Cook.

Center Offers Noel Programs

Two community Christmas programs have been scheduled at Grosse Pointe War Memorial Center.

The first is a Family Night Around the Christmas Tree, on Thursday evening, December 7, beginning with supper served at 6:30 by the Center's Youth Council.

This will be followed by a carol concert presented by the Tower Belles of Grosse Pointe South High School, under the direction of Leonard Riccinto, after which the audience will be asked to join in the singing.

A small bazaar of Christmas gifts made by students will be on sale in the lobby. Cost of supper and this program is \$2.50.

A Christmas program for children will be given, free of charge, Saturday afternoon, December 9, at 2 o'clock, with Santa Claus as special guest of honor.

The Center's Children's Theatre will present a play "David's Christmas Star" in Fries Auditorium. Then all boys and girls will be asked up into the ballroom to meet Santa, tell him what they want for Christmas and get candy canes, cocoa and cookies served by Santa's helpers — the Grosse Pointe War Memorial Youth Council.

This party is for young kindergarten and elementary school children.

Defense Luncheon Set By Elizabeth Cass DAR

The National Defense Luncheon meeting of Elizabeth Cass Chapter, Daughters of the American Revolution, will be held at the Grosse Pointe War Memorial Monday, December 4, at 12 o'clock.

Speaker Mrs. William H. DeGraff, state chairman of Chapter By-Laws, will discuss how "Knowledge Begets Understanding."

Mrs. Cyrus K. Weatherby, Chapter regent, will conduct the election of state conference delegates as well as national conference delegates.

Mrs. Marvin Putnam and Mrs. Corda Sampich are in charge of selling Christmas items from the Talent Table. Each member is urged to attend—and bring a Talent Table contribution.

Mrs. David Donaldson

Married to Mr. Donaldson, son of the Wayne Donaldsons, former Pointers who now make their home in Ann Arbor, Sunday, November 26, in Assumption Greek Orthodox Church was GLORIA P. LITOS, daughter of Mr. and Mrs. Thomas Litos, of Grayton road.

Gloria Litos Bride Of D. J. Donaldson

Her Cousin Is Flower Girl, His Nephew is Ring Bearer at Late Afternoon Ceremony; Pair to Live in Chicago

In a gown of candlelight sata peau, pearl-studded lace accenting its bodice and forming a deep hem, Gloria P. Litos spoke her marriage vows to David John Donaldson. The Sunday, November 26, ceremony in Assumption Greek Orthodox Church was followed by a reception at the Roostertail.

The bride, daughter of Mr. and Mrs. Thomas Litos, of Grayton road, carried an arrangement of deep red roses and stephanotis. Her long illusion veil fell

from a lace and pearl cap. The Reverend Demetrios Kavadis presided at the 5 o'clock rites.

Honor matron Mrs. Henry Clay Bagley, III, the bride's cousin, and bridesmaids Maria and Alice Cardasis, two other cousins. Mary Scott, Bobbie Garbarino and Leslie Hammelef wore burgundy jersey. Their bouquets were fash-

Sal Mineo Starring in 'The Medium'

Movie and stage star Sal Mineo is traveling from London to appear with the Overture to Opera Company, Michigan's professional, regional, opera company, in Gian-Carlo Menotti's, "The Medium."

Mr. Mineo will direct the production and appear as Toby, a young deaf-mute. "The Medium" is a 20th century opera, in English, dealing with the torment felt by Madame Flora, a phony spiritualist, who suddenly is "touched" by a supernatural force.

Mr. Mineo, best known for his film roles in "Rebel Without a Cause" and "Exodus," and for his direction of the play "Fortune and Men's Eyes," can be seen in "The Medium" December 7, 9, 15, and 16 at the Music Hall Theatre, Detroit.

Tickets may be obtained by calling the Music Hall Box Office, 963-3717.

Appearing as Madame Flora is Muriel Greenspon, a native Detroit who was chosen by Menotti himself to sing the role at the Festival of Two Worlds in Italy. She is considered the world's leading interpreter of

ioned of burgundy roses and pale blue mums.

The bridegroom, son of former Pointers Mr. and Mrs. Wayne Donaldson, who now make their home in Ann Arbor, asked his brother-in-law, Robert Ray, of Tucson, Ariz., to act as best man.

In the ushers corps were Stephen Johnston, of Philadelphia, Pa., William Jones, of Sacramento, Calif., Douglas Hammel, Richard Johnson and Bruce Tood, both of Ann Arbor.

Flower girl was Stephanie Bogas, the bride's cousin. Ring bearer was Scott Ray, the bridegroom's nephew.

The mother of the bride wore a gown of emerald chiffon, ruffled at neck and hem, the bridegroom's mother a beige and gold brocade ensemble.

The newlyweds will make their home in Chicago.

MRS. FRANK MacKENZIE, of St. Clair avenue, will spend the Christmas holidays in Singapore with her son-in-law and daughter, MR. and MRS. H. R. HANSEN, and their four children.

MRS. WILLIAM F. HOOVER, OF FLEETWOOD DRIVE

By Janet Mueller

Eula Hoover, at 33, was going to have a baby. Her first. When you have your first baby at 33, you're what is referred to as "an elderly primip." But Eula, when she got pregnant, didn't know that.

Still, she wasn't worried . . . until people began telling her: "Don't worry. You won't remember anything about it anyway." "That," says Eula, "made me worry!"

One day, in the NEWS, she noticed an item announcing an up-coming showing of a film on childbirth.

She had nothing better to do, so she decided to see the film.

"I thought it must be a cartoon." What it was was an explicit, color movie of a real, live woman going through labor and delivery, producing a real, live baby, using the LaMaze Method.

When the lights went up, Eula was breathless.

She felt as if she'd been there, been the woman on the screen, experienced the whole filmed experience.

Her Doctor Agrees. Later, she asked her doctor if he'd mind if she tried to have her own baby via the

LaMaze Method, without medication, using LaMaze breathing and relaxation techniques.

"I think," he said, "it's great!"

"Do it," he said. She noted later he'd had only two other women who'd opted for LaMaze deliveries.

But by then she was committed, and so was Bill. Together, they took the LaMaze classes. Together, they left for the hospital. Together, they waited, and worked, until their child was born. They were together while their child was being born.

Valerie came into the world at eight pounds, six-and-a-half ounces.

She's nine years old now, a fourth grader at Mason School.

Her brother, Billy, is four. He, too, is a LaMaze baby. By the time Billy came along, people like Eula and Bill Hoover, who wanted to

take LaMaze classes, didn't have to leave The Pointe to find them.

People like Eula and Bill Hoover had seen to that.

Both From Ohio

They're both from Ohio, she from a farm, he a city boy. They were almost ships that pass in the night.

"I met him the day before I graduated, (from Miami University, Oxford, O.) He'd come to take his cousin's belongings home."

Bill, an Ohio State graduate, lost no time in finding out that Eula planned to teach, too . . . and then waited around until he learned she'd gotten a job in Franklin, O., a Dayton suburb.

He got a job in Troy, on the other side of Dayton.

They were married a little less than a year after they met.

They moved to Cincinnati, then, in September, 1954, to The Pointe, to their present home in Fleetwood drive, and Bill, whose job had brought them here, began teaching at Richard School.

Actually, it wasn't the JOB that brought him here. It was the lake.

"When we go down to Ohio, to visit our parents, Bill plays around on the Ohio River in his five-foot dinghy."

Sold On The Lake

"When he was thinking of coming to The Pointe to teach, we came up to look over the area, and drove down Lakeshore, and Bill took one look at that water and said, 'They don't even have to PAY me to teach here!'"

They did pay him, of course. Still do.

And Bill, drawn to The Pointe by the lake, has been out on it maybe three times, maybe four, in all his years in The Pointe.

But he knows it's there. He's Dr. Hoover now, Instructional Technologist at Grosse Pointe South High School. The Doctor of Education degree was a long haul, involving, for one whole summer, the whole family as a parade of teens, (160), passed in and out of the Hoover home, where movie screens and testing systems were set up for Bill's thesis experiment on the use of color in films to establish mood.

Eula didn't teach during the Hoovers' first year in The Pointe.

Then she heard, accidentally, of a job opening at South Lake High.

She stayed on the South Lake staff until '58, when Bill took a year's leave of absence. The Hoovers spent that year in England.

Pen Pals Meet. Eula, like so many schoolgirls, had had a Pen Pal, an English girl. Unlike so many schoolgirls, Eula and her Pen Pal kept on writing all the while they were growing up,

and continued when they were all grown up.

In 1955, Eula's Pen Pal and her husband came to the United States, where the Hoovers were their hosts. In '58, the English couple returned the favor. It's a big help, financially, when you're young marrieds on-a-budget in a foreign country, to know someone OF the country.

Bill and Eula lived in a village in Norfolk. Bill taught fulltime for the United States Air Force, while Eula substituted in an Adult Education program.

Norfolk is flintstone and lavender country. Bleak. The Hoovers' English friends, living in the green south near Windsor Castle, felt rather sorry for their American friends in the rugged north.

But there's a special beauty in bleakness, and they were in England . . .

The Hoovers had a good year.

Eula still keeps in touch with her Pen Pal, who emigrated, with her husband, to British Columbia in the '60's. "We went to see them a few years ago."

Goes Back to School

After England, Eula decided to go back to school. She left Bill at home with the dog and spent a summer in Ohio, on the Miami campus.

She planned, that fall, to substitute teach, and every morning, the first week of the school year, she was up, and dressed, and coiffed, and waiting for the 'phone to ring.

It didn't ring. There was beautiful Eula, all dressed up and no place to go at 8 o'clock in the morning.

Enough is enough.

Eula Hoover withdrew her name from the substitute list and settled down to life as a lady of leisure. She played a little bridge.

"I didn't do a thing constructive with my time until Valerie was born."

Today, she's staff coordinator for the International Childbirth Education Association.

Call the Childbirth Information Service, Inc., 881-6808, and it's Eula who answers the phone.

Conducts Classes

Childbirth Information Service, a non-profit organization serving the Eastern Suburban area, sponsors and conducts classes for expectant parents in the LaMaze (Psychoprophylactic) Method at Cottage Hospital, in Tuesday and Wednesday evening series, and Monday evenings at the Health Department in Mount Clemens, and in Warren.

Each seven-class series is taught by a Registered Nurse or Registered Physical Therapist. Each instructor must have had a LaMaze delivery herself, or have worked in a hospital where she has seen, and been impressed by, LaMaze deliveries.

Childbirth Information Service requires permission of the attending physician before a couple may register.

"Pain" is not a word Eula Hoover likes to use in conjunction with childbirth, but she does not promise a sensation-less labor and delivery.

"I think," she says, "it varies." She cites French statistics, in which 30 percent of women say their childbirth experience was completely painless, 10 percent say they felt pain fairly constantly, and the rest report varying degrees of sensation intensity.

"In both labors," Eula says, describing her own experience, "I was aware that had I NOT been working with my labor, I could have panicked."

Needed Doctor's Help. But she didn't—and, when it became obvious that Billy, more than 10 pounds at birth, would have to be assisted into the world when her doctor said, "We'll have to use forceps. I'll give you a pudendal

block," Eula didn't say, "Oh no you won't."

She knew what was necessary. She knew what was going on.

"With Val, I didn't feel the need of medication. It just never dawned on me that I could not control this."

"But if a woman really needs something, she certainly should have it. And not feel guilty—none of us wants a guilty mother."

Childbirth Information Service classes are for mothers and fathers.

"Our feeling," explains Eula, "is that no woman should ever be left alone in labor. She should have someone with her who knows her and loves her." Generally, that someone is her husband.

"He's NOT there to watch her suffer; he's there to SUPPORT her," Eula emphasizes. "We have many couples coming to us for their second baby, and time after time the husband will say, 'I'm here because I don't want my wife to go through what she went through before. There must be a better way.'"

Rarely Lose Husband. Other husbands come for other reasons. "I'm here because my wife said to come," is a common first-session response to the inevitable first-session question.

"We rarely," smiles Eula, "lose a husband after the first class."

When Eula and a friend decided there ought to be LaMaze Method classes on the East Side of town, they never anticipated running more than one series at a time.

They found themselves a nurse who had used LaMaze. In January, 1968, their first series began, in the instructor's home.

In June, Billy Hoover was born.

In July, the LaMaze classes moved from the instructor's home to Grosse Pointe Methodist Church.

In August, the instructor had her third baby.

In October, Eula's partner, co-founder of Childbirth Information Service, had her third baby.

It was quite a year! "We began quietly, keeping small deliberately. We only let favorable (to the LaMaze Method) M.D.'s know . . . We needed the local hospitals to see well-trained LaMaze couples coming in . . ."

Classes Still Small. The classes are still small in size, 12 couples per class in The Pointe, 14 in Warren and Mount Clemens, but now there are four concurrent series.

In The Pointe, classes have moved from the Methodist Church to Cottage Hospital. Eula is an eight-year veteran of Cottage's Women's Auxiliary, dedicated Cottage supporter—but when it came time to have Billy, she went back to Hutzel Hospital, where she'd had Val.

She'd become involved in the LaLeche League, and was determined to nurse Billy successfully. Hutzel had rooming-in. Cottage didn't. "Cottage is great, though,"

she insists, loyally. "We've got fathers in delivery."

"But there's still no rooming-in . . ."

Take it one step at a time. With all the support you can get.

Preferably, from someone who knows you and loves you.

Bill Hoover was one of three original Childbirth Information Service board members. Eula has a sneaking suspicion that Bill, when they left for the hospital to have Val, wasn't exactly cucumber-cool.

He came through it beautifully.

He was, and continues to be, very Childbirth Information Service supportive. "I think sometimes, secretly, that Bill puts up with a lot," Eula muses.

You don't hear Bill complaining.

This has, after all, been Bill's thing too, right from the very beginning.
