

SCHOOL BUSING DELAYED

HEADLINES

of the WEEK
As Compiled by the Grosse Pointe News

Thursday, January 11
ELLIOT RICHARDSON, President Nixon's new choice as Secretary of Defense, firmly squelched outgoing Secretary of Defense Melvin Laird's peace program, when he told Congress yesterday that Mr. Nixon does not want to simply accept a peace deal in Vietnam that would require the U. S. to pull out in exchange for the return of POWs. He said that the President wants to get more out of the talks now going on in Paris, including a cease-fire that would extend to Laos and Cambodia, and reasonable assurance of peace throughout Southeast Asia.

Friday, January 12
PRESIDENT NIXON has scrapped most wage and price controls in favor of voluntary guidelines; and in Michigan, Gov. Milliken has asked the Legislature for tax cuts with the target date set for January 1, 1974. Mr. Nixon announced that controls will be kept in economic areas where inflation was worst, such as food, health care and construction. He also abolished the Pay Board and Price Commission, turning over their remaining duties to a beefed-up Cost of Living Council. As for Gov. Milliken's proposals, he painted a rosy picture for a majority of the State's taxpayers. If the Legislature approves his plans, it would provide tax relief totaling \$240 million to \$280 million in 1974, with most of the cuts involving income and property taxes.

Saturday, January 13
THREE SUSPECTS in the December 4 and 27 shootings of four STRESS policemen and two Detroit policemen came out of hiding yesterday after six weeks of one of Detroit's most intensive man-hunts. The three staged a fire-bombing of the second floor clinic of Planned Parenthood, 3750 Woodward, near Wayne State University. One of the suspects, Hayward Brown, 18, was caught after lengthy pursuit by police.

Sunday, January 14
HENRY A. KISSINGER ended six days of talks with North Vietnam's Le Duc Tho and flew to Florida where he conferred with President Nixon. The President dispatched Kissinger's assistant, General Alexander Haig, to South Vietnam, Laos, Thailand, and Cambodia to discuss the peace negotiations. It was viewed by experts as a strong indication that progress had been made in the talks in Paris.

Monday, January 15
PRESIDENT NIXON ordered a halt to all bombing and shelling of North Vietnam and suspended mining of North Vietnamese waters. Press secretary Ronald L. Ziegler announced the halt stressing that "this action was not an element of the negotiations." He described the action as a "unilateral gesture" following Presidential assessment of the negotiations. Ziegler refused to discuss reports that an accord had been reached between Kissinger and Hanoi's Le Duc Tho.

Tuesday, January 16
PRESIDENT NIXON, citing peace progress made in negotiations, ordered a halt to the bombing and shelling of North Vietnam. The announcement of the cessation of bombing and shelling was made by White House press secretary Ronald Ziegler, who refused to comment on reports on foreign capitals that the U.S. and North Vietnam are on the verge of signing a cease-fire agreement. Commented Ziegler that "peace might come in a matter of hours. However, they said more meetings with Dr. Henry Kissinger and Le Duc Tho would be crucial."

Students Not Too 'Chicken' to Show Their Art Work

Parents, teachers and students at St. Paul's On-the-Lake School have been busy the past week preparing for a Chicken Dinner to be held Friday, January 19, at 5:30 p.m. Highlighting the dinner is an art show of student work as exhibited here by students (left to right) **CLAIRE TOENJES**, **PETER TOENJES**, **CATHY OLDHAM** and **JOHN WAGNER**. Serving as co-chairmen of the event are **MRS. GERALD TOENJES** (left) and **MRS. THEODORE OLDHAM** (right). The tariff is \$2

for adults, \$1.50 for students. Profits from the dinner will equip learning centers for the St. Paul students. The centers will provide tape records, ear phones, overhead projectors and instructional packets allowing a student to proceed at his own pace. Turning the hallways and rooms of St. Paul into a young Whitney Museum are Mrs. Edward Monahan and Mrs. Paul Gracey, chairmen of the art show.

Farms to Lease Now Free Strip Of Parking Lot

Ordinance Passed Authorizing City Manager to Negotiate with Hill Merchants Interesting in Leasing Spaces

The Farms council on Monday, January 15, at a called public hearing, authorized City Manager Andrew Bremer, Jr., to negotiate with Hill District merchants for leases on parking spaces in the "free parking" strip at the rear of the Muir road property line. An ordinance to that effect was drawn up by City Attorney George McKean, and adopted by the solons at the hearing.

Bremer is scheduled to meet with the merchants and by tomorrow, January 19, should have allocated spaces to those who want them. The merchants had requested that parking facilities be made available for themselves and for their employees.

The city manager said that the outcome of the meeting will determine which merchants want to participate in the leasing of spaces, and how many will be allocated to each establishment. There are 72 spaces in the strip.

Under the ordinance, vehicles using such leased spaces shall display a valid and permanent affixed identifying emblem in a location on the car, designated by Police Chief Robert Ferber, for quick identification. The emblem will be issued by the city manager or his representative.

In the event that the city shall enter into a lease of all, or a portion of the lot, no person, other than the lessee shall be permitted to park in the leased spaces during the period such time is effective. Signs will be posted indicating the spaces leased, according to the new law.

The spaces will be leased at \$10 a month, for a period of three months, for a total of \$30. An application for renewal of a lease must be made every three months. Failure to do so will mean that the auto owner is no longer interested and the space will be rented to someone else.

To change colors Authorized to use the lots do not continuously do so, without paying the three-month fee, with the renewal of each application, he or she will be given a sticker of a different color, indicating that the fee has been paid for the three months. For example, the first stickers could be red, the next time, green, or any other color.

All lessees will be issued one color for the three-month period the rental is in effect. Each sticker will bear the initials "GPF" with a number underneath.

OKAY THEATER LICENSES

The Woods Council at the regular meeting Monday, January 8, unanimously approved the license application of ABC Michigan Theaters Corporation, Detroit, for the Woods Theaters I and II, 19269 Mack avenue. The vote was 6-0 for the license renewal.

Woods' Freeman Named Lutheran Layman of Year

Woods Councilman George S. Freeman, insurance executive and active worker in Lutheran as well as civic organizations, has been named "Lutheran Layman of the Year" for 1973 by the Lutheran Luncheon Club of Detroit.

Whole Court Will Rehear Vital Case

Decision on Roth Ruling Handed Down by Three Judges Preempted by Newest Action

By Kathy Duff

On the basis of a Sixth Court of Appeals decision in Cincinnati, Tuesday, January 16, School Board President William F. Huetteman and Attorney Douglas H. West are confident that a metropolitan busing plan has been delayed until September 1974, at the earliest.

The basis of their optimism is the January 16 decision of the Circuit Court to rehear en banc the appeal of the Detroit Desegregation Case.

The rehearing, scheduled for Thursday, February 8, will preempt the Circuit Court's mid-December ruling which upheld the principle of cross-district school busing to achieve school integration in the Detroit area.

Was Panel Decision

The mid-December decision was handed down by a panel of three judges, Chief Judge Harry Phillips of Nashville, Judge George Edwards of Detroit and Judge John Peck of Cincinnati. Due to the heavy case load of the Sixth Circuit Court, cases are often reviewed by a panel of three judges instead of the entire nine-member bench.

Pointe school system attorney Mr. West received permission from the School Board to file for a rehearing before all nine judges. Once granted, a rehearing en banc assures the defendant of receiving two written judgments, the majority opinion and the dissenting opinion, as all nine judges are not expected to concur on the decision.

Requests Arguments

"One encouraging aspect of the rehearing is that the Court asked for further arguments from the defendants. Normally, no more briefs or oral arguments are filled in the case of a rehearing; the Court has to ask specifically for further arguments."

"What this means for The Pointe school system is that it will be at least March 8, 1973 before a second decision is handed down by the Sixth Circuit Court. If we lose, we have 90 days to petition for a writ of certiorari from the Supreme Court. It will be June 1973 before the case comes before the U.S. Supreme Court, and by then the Court will be adjourning for the summer months."

The Pointe attorney believed that the Supreme Court would accept the case, as the Detroit case is significantly different from the Richmond desegregation case now under review.

Any action on the District Court level, where the desegregation-busing order originated through Judge Stephen J. Roth can be held by a "stay" until the case has exhausted appeal proceedings.

It looks now as though the appeal proceedings will take at least through late 1973, which precludes implementation of a metropolitan busing plan until September 1974.

Reports Thefts At Neff Park

Over \$100 in city property was stolen. City Park employee Robert Kuhn reported after he noticed a life preserver and two signs missing from the Norbert Neff Park in East Jefferson avenue, on Tuesday, January 2.

Missing is a life preserver ring with rope attached, stolen from the park dock. Also missing are two signs which read "Stay Off the Ice" in black and white letters. As the signs were placed across the harbor entrance, a safety danger is created when the signs are removed.

University Campus, 1045 Cook road. The Middle School (grades 6-8) is located on the 10-acre Liggett Campus in Briarcliff road.

Students and teachers have been preparing classrooms with displays of current projects, such as the Middle School's Proud Lake Experience, along with displays of class subjects and texts. Department heads will be on hand to answer any questions concerning the students' work and the school's academic programs.

Oil paintings, ceramics, wire and wax figures created by Upper School art buffs under the direction of U-LS art instructor Don Schrom will be exhibited throughout the University Campus. Visitors may attend a mini-art class or view a continuous slide show of slides used in Mr. Schrom's art history classes.

Lower School Head Mary Thorn said, "All of our classrooms will give a perfect picture of what's going on inside each one."

U-LS Open House guests may end their visit by relaxing and enjoying a musical program by the Detroit Chapter of the American Recorder Society at 3:30 p.m. in the Liggett Campus Main Auditorium.

Refreshments will be served.

partment like to work steady midnights," the chief said, "for the simple reason that some of them have an opportunity to attend school during the day."

"Not only this," he added, "when a man works on a shift without change, it makes for better home life, in that he knows that he will be home at a certain time each day, and will spend more time with his family. Too, it makes for better morale in the department."

Woods Okays Bag Quotations

The Woods Council at the regular meeting Monday, January 8, unanimously awarded quotations for rolls and boxes of plastic bags to Cadillac Products, Inc., of Warren and Anjo Products of Troy, respectively. The vote was 6-0 with Mayor Kenneth McLeod, who's recovering from recent surgery, excused.

Bags in rolls total 960,000 in quantity, while bags in boxes total 180,000. The price of Cadillac Products was \$40 per 1,000 bags, while the Anjo price was \$39.75 per 1,000 bags. This action was a renewal of the city's annual contract.

The cost of the bags, which are available at The Woods Municipal Building, is five cents per bag, \$2.50 for a roll of 50 and \$5 for a box of 100. "The city's specifications for plastic bags are greater than those normally utilized for such bags," said City Administrator Chester E. Petersen. "We requested a two mill thickness and a bag 44 inches in depth. Most bags are between one and one and a half mills in thickness and 37 inches in depth."

Freeman Receives Honor

scoutmaster of Troop 301, Holy Cross Lutheran Church, Detroit, for eight years.

A native Detroit, Mr. Freeman is a graduate of Denby High School. He holds degrees from General Motors Institute and Wayne State University, as well as certificates from Life Underwriters and Fraternal Sales Training Programs.

He began his career in automotive engineering, switching later to sales. In 1955, he became a district representative for the "Aid Association for Lutherans." Three years later he was named general agent, the position he currently holds.

Plan Workshop Starting Jan. 31

A "Junior Efficiency Training" workshop begins Wednesday, January 31, and will continue on February 7, 14, 21 and 28. The workshop has been designed for prospective young career persons who will be managing their own apartment, or for students interested in part time employment in the area of Home Management.

Co-sponsors of the workshop are FLEC (Family Life Education Council), and the Department of Community Services, Grosse Pointe Public School System.

It will be held from 3:45 to 5:30 p.m. at Brownell Middle School, 280 Chalfonte Avenue. The workshop is limited to 50 students, 11th and 12th grades. Participants attending all sessions will receive a certificate of completion, and have their names placed on employment lists if they desire.

The cost is \$2 registration with pre-registration payable by check to "Department of Community Services," 43 Grosse Pointe boulevard, Grosse Pointe 48238, telephone 885-3808.

Sessions will cover the following: "Orientation to Home Management," "The World of Food," and employment guidelines, "How to Get a Job," and "Emergency Treatment in the Home."

Lodge 102 Has New Officers

New officers and trustees of Grosse Pointe Lodge 102, Fraternal Order of Police, were sworn into office at the Monday, January 8, meeting, held at the Grosse Pointe Yacht Club.

Serving one year terms are Shores Sergeant Donald Jacob, president; Woods Public Safety Officer Donald Sun, immediate past president; Woods Officer Stephen Petrik, vice-president; Farms Patrolman Philip Miglio, secretary; Harper Woods Detective Sergeant James Miglio, treasurer; Shores Officer Daniel Healy, corresponding secretary; Woods Officer Kenneth Metcalf, guard, and Shores Officer Archie Grieve, conductor.

The following trustees serve two year terms: Park Sergeant George Blair, City Patrolman Dale VanDale, Farms Patrolman Vincent Peters, Shores Sergeant James Jurcak, Woods Captain Henry Marchand and Harper Woods Patrolman Jack Reghi.

Widow and Orphan Fund Directors include Patrolman Richard Warren for The Park, Patrolman VanDale for The City, Detective Earl Fields for The Farms, Sergeant Jurcak for The Shores, Officer Petrik, (the chairman), for The Woods and Detective Sergeant Miglio for Harper Woods.

Sergeant Jacob said these directors are in the midst of six-year terms with the exception of Sergeant Jurcak, who's beginning his term. Ex-officio members of WOF include Sergeant Jacob, president, and Captain Marchand, treasurer.

The lodge has 196 members and 350 associate members, including friends and area businessmen, according to Sergeant Jacob.

Second Woman Assumes Post of Park Treasurer

By James N. Njalm
Mrs. Bettann Fradeneck of 1024 Nottingham is The Park's new city treasurer, becoming the second woman in the city's history to hold that post, which was vacated when Mrs. Alice Haas retired on December 31.

Mrs. Fradeneck, who was officially appointed treasurer by the Park council on Monday, January 8, assumed her new duties with a wealth of bookkeeping and accounting experience, which began during her high school days, working after school and during vacation time for a Detroit firm.

She began working for the city in 1969, starting in the accounting department, handling payroll, water and budget accounts.

She was born in Detroit and graduated from Southeastern High School in 1938. She has lived in the Pointe for 28 years, 10 years in the Woods and 18 years in the Park, at her present address.

She met and married her husband, Gilbert V., in 1945 while she was with the Women's Army Corps, during World War II, while both were stationed at Camp Pine-dale, Calif. She has the unique distinction of being the first WAC to be granted permission to be married in a full wedding gown and veil, rather than in uniform. She and her husband were sergeants.

Shortly following the marriage, after two and one half years in the service, she was honorably discharged with the rating of staff sergeant in June 1945.

When Mr. Fradeneck was released from the service the couple took up residence in The Woods, then moved to The Park, and have lived at their present address since.

Mrs. Fradeneck is a graduate of the Detroit Business Institute. Following graduation she attended Wayne State University for one year, taking up accounting. She

worked for the United Savings Bank, where she stayed until she enlisted in the WAC in December 1942.

Following her marriage, however, she settled down to the new job of being a housewife and mother. She and her husband are the parents of eight children. They are:

Mrs. Timothy (Pamela) Scanlon of The Park; Mrs. James (Sandra) Harville of Detroit; Mrs. Russell (Susan) of Algonac; Timothy M., who is with the U.S. Naval Reserve at Whidby Island, Oak Park, Washington and William, Kevin and Liz; all students at Grosse Pointe South High School, and Robert, a student at Pierce Middle School.

The Fradenecks have six grandchildren, Mollie, 6; Patrick, 5; Jamie, 2; Chris, 1; and Kirk and Kellie, who are only four months old.

After 18 years, Mrs. Fradeneck decided she wanted to return to work and was employed by a real estate firm, and for three years sold real estate. She left this job and went to work for another Detroit company, where she was placed in charge of accounts receivable. On leaving this position, she applied for work with The Park and was accepted.

The Fradenecks are members of St. Ambrose Parish in The Park. Their four oldest children are graduates of St. Ambrose High School.

Helping the new city treasurer and her husband take care of the children still at home, while the couple works, is Mrs. Fradeneck's cousin, Marie Prowse, who recently retired from Chrysler Corporation, and who has lived with the family for the past 14 years.

"We are very happy to have a person with Mrs. Fradeneck's experience and background, as the city's new treasurer," City Manager Robert Stone said. "She will be responsible for maintaining the tax rolls, collecting taxes and other monies due to the city, and is empowered to issue tax warrants against property owners who fail to pay their taxes, or who are going out of business, still owing taxes. The warrants allow her to seize property in lieu of taxes owing."

Coats Lauded on Retirement

By Roger A. Waha

Donald B. Coats, the first Woods Department of Public Safety director to advance through departmental ranks, spent his last day at work Friday, January 12, after nearly 32 years on the force.

Woods City Administrator Chester E. Petersen had sound words of praise for Mr. Coats while reflecting upon their relationship.

"I have been in public service for 23 years and I have never had the privilege of working with anyone who was any more sincere, dedicated and loyal than Director Coats has been," he said.

"He has earned a place of trust and esteem not only in The Woods, but through the entire Pointe community."

"I have to give his predecessor Allen H. Andrews, Jr., credit for starting the Public Safety Department on

the road to become the outstanding department it is today," continued Mr. Petersen, "and Director Coats has contributed his share, and leadership, in building the reputation of the department."

"It is recognized as one of the finest departments of its size, and it has truly developed into a highly professional department under Director Coats' direction."

Officers of the department are sponsoring a stag retirement party for Director Coats Monday, January 29, at the Revere Hall, 24725 East Jefferson avenue, St. Clair Shores. A donation of \$7 includes dinner and refreshments for the 7:30 p.m. gathering.

Pointers who wish to attend should contact the department at 886-2700 as soon as possible. The ticket cut-off date is reportedly Thursday, January 25.

(Continued from Page 1)
 and steel type, the long central hallway can sustain two arenas of action. At one end, a floor hockey game is in full swing; at the other end, a relay race is going strong with the kids racing from end line to end line on scooter boards.
 "It's a regular six-ring circus," Tony Spada, head of the program, explains, as he tries to be convincing that there is method in the surrounding madness or organization in the chaos.
 "At the close of each session, we organize one big activity, be it a tug-of-war volleyball or dodge ball game. We never have sign-up sheets for the fathers for any particular Saturday, and we are never at a loss for parents. The fathers just like to come out and spend time with the kids," Mr. Spada said.

however, there are only a few hardy girls in the second session hockey play and it takes a while to find them in the action.
 However, such vigorous activity is not necessary for every child at the recreation hour program. At the other end of the hallway, Mrs. Fred Osmon, a Mairre mother who has several years of teaching experience, organized less vigorous games, such as relay teams.
 "You can see who is the fastest in the relay race, so watch and see how they do it," Mrs. Osmon says as she coaches her group in the scooter rally.
 Other parents who have become active in the gym program include Lou Cerre, William Cox, Robert Kotas, Skip DeSmyter, Mrs. Joseph Palms, Mr. and Mrs. Michael Marrs and Mr. and Mrs. Steve Shraeder.

Explains Objective

Stopping by to review the Saturday morning action was Mrs. Robert Peterson, president of the Mairre PTA. As head of one of the most active PTA's in The Pointe, Mrs. Peterson explained the association's objective.
 "Our purpose is to get as many parents involved as possible. Whenever we have an activity, be it a hot dog lunch, Election Day bake sale, whatever, we always try to involve new parents. We hope that the next time we schedule the activity, those new parents will serve as co-chairmen and include more new faces."
 "We sent out a questionnaire at the beginning of the year, and the parents, if they wished to become involved, checked off their interests," Mrs. Peterson said.

Have Varied Projects

It's difficult to imagine a more active PTA, as the projects range from a creative stitching program under Mrs. Charles Cudlip to a dramatics club under Mrs. Donald Kuhn. Highlights from the 1971-72 school year include last year's Mairre Aire Faire, a kite flying picnic at Three Mile Park where 600 hot dogs, 500 soft drinks, and 200 kites were purchased during the day. A White Elephant sale netted \$630 and a June 7, 1972, Ice Cream Social netted a good time for all involved. The Mairre Mom's cookbook has earned a place on the Pointe's cookbook best seller list with over 650 sold, and only 250 remaining.

But back to the Saturday morning gym. At the close of the second session, Mr. Spada and Mr. King could be seen having a summit conference in the midst of a pack of moving kids.

"But you see, the younger kids are too little for dodge ball, they aren't strong enough to throw the ball and they don't understand the game. Now do you remember that race with the potato sacks last year . . . ?"

CG Auxiliary Offers Classes

The Coast Guard Auxiliary, Division XII, in cooperation with the U. S. Coast Guard will conduct classes in boating safety and seamanship, at various locations throughout the Detroit Metropolitan Area. The Auxiliary's proposed schedule now offers over 25 classes for both powerboat and sailboat.
 Among the 16 locations picked for powerboat classes is the Grosse Pointe War Memorial, 32 Lake Shore road, with a starting date set for Monday, February 5.
 For those in the Pointe area who are interested in learning sailboat safety and seamanship, the closest location to home would be Lakeview High School in St. Clair Shores, where classes are scheduled to begin on Monday, February 19. For further information, call 885-7138.

"Just a few hours of time to learn the basic steps of safety and seamanship could prevent much of the tragedy recorded on our waterways this past season," said Patrick L. Willhoite, public relations staff officer of Division XII.
 Persons interested in information and other class locations can now call The Detroit Coast Guard Base, 226-6870, or write USCG Auxiliary, 5040 Nottingham, Detroit, 48224.
 The following is basic information for those interested:

1. The courses are designed for all members of the family. They will provide information and instructions which will add new safety, pleasure and enjoyment for recreational boating;
2. Registration for classes, in most cases takes place on the first night. Most classes start at 7:30 p.m. with registration at 7 p.m.
3. The instructions contained in the courses are free. A small fee is requested to cover the cost of text book and materials issued during class;
4. Most of the classes listed in this schedule will last 10 to 12 weeks.
5. A vast range of subjects from navigation, rules of the

Subsequent Event—On January 1, 1973 the Bank became a wholly-owned subsidiary of National Detroit Corporation, a newly-formed bank holding company. Under this plan, each share of the common stock of the Bank was converted into one share of common stock of National Detroit Corporation. In addition, the Bank's capital notes became the joint and several obligations of the Bank and National Detroit Corporation. The Convertible Capital Notes became convertible into shares of Common Stock of National Detroit Corporation on the same basis as they were convertible into shares of Common Stock of the Bank.
 If the transaction had been consummated in 1972, and the financial statements of the Bank had been consolidated with those of National Detroit Corporation, the consolidated financial position at December 31, 1972 would not have been materially different than that presented by the Bank's financial statements.
 Assets carried at approximately \$407,000,000 (including U.S. Treasury Securities carried at \$72,000,000) were pledged at December 31, 1972 to secure public deposits (including deposits of \$34,789,112 of the Treasurer, State of Michigan) and for other purposes required by law.

Following a career of 20 years in the Navy where he achieved the rank of Lieutenant Commander, E. Norman Giard has joined the staff of Saint John Hospital as an assistant administrator. In announcing the appointment, hospital president James T. Farley stated that Mr. Giard would function as the administrative officer for the general services departments of the hospital. Mr. Giard is a graduate of George Washington University and the United States Naval Post Graduate School. Since receiving his commission he served as an administrative officer in the Medical Service Corps. Together with his wife, Joyce, and their six children, Mr. Giard lives in Willow Tree place.

**Artistic Miss GP Enjoys
Making People Happy**

By Roger A. Waha
A "huge, big ham" will represent The Pointe at the State Pageant June 23 in Muskegon. For that's how Miss Grosse Pointe, Marsha Bogdanski, 19, describes herself. (What Marsha forgot to add, however, is she's a lovely "ham" as well.)
Marsha was crowned the new Miss Grosse Pointe in November when Susan Matzka relinquished her title because of marriage plans. The Jaycees, sponsors of the Miss Grosse Pointe Scholarship Pageant, then selected Marsha to represent the community.

MARSHA BOGDANSKI

"I had mixed reactions at first," noted Marsha. "I wanted it the first time and put my all into the pageant." But she quickly decided to do her best and expressed her pride at being "next in line." After performing a waltz tempo Polish folk dance at the pageant, Marsha felt she pleased the audience with "something different." And a Polish song.

On a personal basis, Marsha feels the title gives her a good chance to broaden her realm, as she enjoys performing and "being in front of people." This, she says, is her "thing."
Marsha has performed Polish dances since she was four-years-old and from that time until now, she hasn't changed—Miss Grosse Pointe enjoys making people happy.

Busy Schedule
Her schedule is a busy one. Besides attending classes at Detroit's Society of Arts and Crafts College, (where she is a sophomore), and Wayne County Community College at its North High center, Marsha also works at Marianne's at Eastland.

Emphasis on Heritage
The man and woman she most admires in today's world are her parents. "If it weren't for them, I wouldn't be what I am. I've had guidance from the word 'go.'"
Since becoming Miss Grosse Pointe Marsha feels she's channeling more activity into the community, and has become more involved in The Pointe. Both she and her father put particular emphasis upon new relationships and discoveries about their heritage.

Empress of Heritage
"We feel very elated about the whole thing," said Mr. Bogdanski. "People are getting an awareness of who they are. They are glad for Marsha, which is an added bonus for us." This emphasis on pride and heritage has been rekindled, he feels, since Marsha was selected to represent the community.

Marsha, who lives in Lochmoor boulevard, has three brothers, two of whom are married, and one sister. The married brothers are Richard, 31, and Tom, 30, followed by Jim, 23, and Carol, 14. She also has two nieces and three nephews. And to round out her family — a loveable cat.

**Cinema League
Meets Jan. 25**

The Grosse Pointe Cinema League meets at the Alger House of the War Memorial Thursday, January 25, at 8 p.m. Willis Bugbee, patent attorney and former resident of The Farms, will show travel slides of his most recent trip to Burma during November 1972.

Following the program there will be coffee, tea and cookies served in the Alger House dining room by the committee. The hostesses are Mrs. Harold Jinks, Miss Ann Stock and Mrs. Harold Killins.

Farms Students Hear Ice Safety Talks by Officer

All students in public and parochial schools in the Farms are being indoctrinated with helpful hints for ice safety by Patrolman Joseph Belanger, the Department's safety officer.

Why? For the simple reason that a great many ice skating and hockey-playing youngsters are utilizing the frozen lake to pursue the winter sports they love best, and a good number of the youngsters skate without thinking of the dangers involved.

"It is all right to skate on the lake if the water is frozen to a depth of at least four inches," Belanger said, "although we would rather they did not do so because of the possible dangers involved."

Many times youngsters, and older people, too tend to take advantage of the days when it is cold enough for the lake to freeze to the proper thickness. However, regardless of how thick the ice may be, or seem, always test it to make sure that it is safe to skate on.

In his ice safety lectures, Belanger gives 10 helpful hints, which are as follows:

1. Be sure your parents know where you are going, and don't go elsewhere.
2. Don't go on the ice alone, and walk one behind the other at a distance.
3. Be a follower — not a leader. Go where you see other people on the ice.
4. Use some type of sharp implement to test ice thickness in front of you. Ice less than four inches thick is not safe in our opinion.

Constructions Drop in Farms

A quarterly report from The Farms Building Department, submitted by Public Service Director John A. DeFoe, showed that from January 1 through December 31, 1972, only five applications were approved for permits for residential construction, one for commercial and 82 for miscellaneous building (additions, garages, etc.)

The five permits were for homes valued at a total of \$197,000; the one commercial permit was for a building worth \$130,000; and the 82 miscellaneous permits were for constructions valued at a total of \$261,470.

During the entire year of 1971, only seven permits were granted for residences valued at a total of \$504,000; none for commercial, and 91 were approved for miscellaneous constructions, having a total valuation of \$3,591,779.

Neither in 1972, nor in 1971, were applications received for nonassessable constructions. DeFoe's report revealed that during the months of October, November and December of 1971, three residential permits for homes valued at a total of \$113,000 were approved; none for commercial, and 23 for miscellaneous, worth a total of \$3,098,600.

During the last three months of 1972, no permits were applied for for new homes, none for commercial buildings, and only 15 for miscellaneous construction, valued at a total of \$61,000.

Offer Class In Speaking

A 10-week course in "Speech Techniques" begins Monday, February 5, at 7:30 p.m. It is offered by the Department of Community Services, Grosse Pointe Public School System.

Taught by Thomas Bailey, this course is designed for everyone—housewife or businessman—who must communicate with the public, either singly or en masse. It is designed to eliminate the butterflies experienced by most people when circumstances require appearing before groups of people, whether making simple introductions, giving a short impromptu speech or presenting a plan of action at a business meeting.

Mr. Bailey received his Master of Arts and Ph.D. from the University of Detroit, and is presently teaching English, Speech, Drama and French at Austin Prep School. Among many other activities, he is founder and director of the Austin Players and moderator of the National Honor Society and Scholastic Lettermen's Club.

This class is limited in enrollment, and class reservations may be made by calling the department at TU 5-3808 or TU 5-0271.

Pistol-Packer To Face Court

Bound over to Circuit Court Wednesday, January 10, was Robert Lee Lewis, 45, of Pontiac, who was found with a loaded 32-caliber automatic when stopped by police for speeding.

The arrest came at 3:30 a.m. Friday, December 29, when Lewis was stopped by Park Sergeant Robert McAllister and Patrolman Norman Gangola at Kercheval and Rivard. As the arrest was made in The City, City Patrolman Jerome Petz assisted at the scene.

During the routine check of the '64 Oldsmobile, one of the policemen noticed a Colt automatic gun lying next to the driver. Also in the car were six spare rounds of ammunition.

Lewis's bond was set at \$150 at The City police station. Pontiac authorities were contacted as the suspect is wanted on a drunk driving charge there.

Open Campus Vote Slated

The monthly special meeting of the Grosse Pointe Board of Education will be held at 8 p.m. on Monday, January 22, in the Board Room of the school's Administration Building, 389 St. Clair avenue.

In addition to the approval of the monthly accounts payable, the trustees will vote on the Open Campus policy for both high schools which was discussed at the regular monthly meeting held Monday, January 8.

The meeting is open to the public.

John's Island: 8 pertinent points for those considering Florida this winter.

- Location.** John's Island is a private residential resort located at Vero Beach in subtropical Florida just 65 miles North of Palm Beach.
- Privacy.** Natural geography and a walled gatehouse assure John's Island residents total privacy and security. The property is bordered on the East by 2 1/2 miles of private oceanfront, on the West by 10 miles of Indian River waterways.
- Golf.** A championship 18 hole golf course designed by Pete Dye and Jack Nicklaus forms a permanent 167 acre green belt in the heart of the John's Island property. A second course designed by Pete Dye is under construction assuring residents unhurried, varied play. Ernie Ball is Director of Golf. The John's Island Club is private and offers full dining, pro shop and locker facilities. Our Beach and Tennis Club is now under construction.
- Environment.** At John's Island more trees have been relocated than other private Florida communities have removed. Large, heavily wooded homesites on the golf course, its lakes and John's Island Sound are presently available for sale. Also, Oceanfront Condominiums, private residences and South Village Townhouse Apartments. Some properties are available for rental.
- Design Building.** John's Island maintains its own construction company, Town Island Builders, exclusively for the property owners' use. James E. Gibson, A.I.A. is resident architect. Complete maintenance service is available for the absentee owner. Property owners are guaranteed the highest standards of design and materials.
- Residents.** The average age of the John's Island property owner is 52. You probably know someone who lives at John's Island. Either on a personal basis or by reputation.
- Zoning.** Zoning at John's Island limits building height to 3 stories. Strong deed restrictions further protect property owners.
- Management.** John's Island is owned and administered by E. Ulysses Ecclestone and Roy D. Chapin III. A detailed and illustrated brochure on the property may be obtained by writing Mr. Chapin, John's Island Drive, Vero Beach, Florida 32960.

Brownell Middle School Parent-Teacher Association will conduct its second P.T.A. meeting of the school year on Monday evening, January 22, at 8 p.m.

Dr. Max Gardner of FLEC and Detective Michael Ferrence of the Youth Service Division will bring parents and teachers up to date on the topic "Drug Abuse Today."

A question-answer period will follow their presentation.

A special feature is the sixth grade chorus singing several selections under the direction of Daniel Evola.

Coffee will be served following the meeting by the refreshments committee under the chairmanship of Mrs. Samuel K. Ulmer.

Jr. Symphony Slates Concert

The newly-formed Grosse Pointe Junior Symphony will give its first public concert at Parcels Middle School Tuesday, January 23, at 8 p.m.

Under the direction of Russell Reed, chairman of the Secondary Music Department for the Grosse Pointe Public Schools and well-known director of Grosse Pointe South High School's Band and Orchestra, this young, (grades two through 10), group of 60-some musicians will present a program of varied interest with works ranging from a "Fanfare and Rondo" by seventeenth century English composer, Purcell, to "American Folk Scene" by Orlean Dalley.

The highlight of the program will be the performance of De Beriot's Violin Concerto No. 7 by the Pointe Junior Symphony's brilliant 11-year-old concertmistress, Suzanne Leon. A sixth grader from Brownell Middle School and well-known to many Michigan audiences, Suzanne has been appearing in public performances since she was six years old.

Suzanne, a pupil of Jeanne Rupert at the Detroit Community Music School and trained in the "Suzuki Violin Method," is a Dykema Scholarship student. (Only five students at the Detroit Community Music School have such a scholarship.)

Other highlights of this young violinist's career this year have included participating in a master class with the celebrated concert violinist Itzhak Perlman; sharing program billing with Detroit Symphony Concertmaster Gordon Staples last April, and being a part of the Midwestern Music Conference in Ann Arbor. Suzanne is one of four gifted children of Mr. and Mrs. Harold B. Leon of Ridgemoor road, (Kelly, 7, and Stephanie, 12, also are Grosse Pointe members of the Pointe Junior Symphony).

Neighborhood Club Picks New Recreation Director

Former Pointer Marc Lonesk recently joined the staff of the Neighborhood Club as its new recreation director. Marc succeeds Pauline Masak, a gal who has been at the center of every Neighborhood Club activity for the past 39 years.

A native of Grosse Pointe, Marc is remembered as captain of the Grosse Pointe High School basketball team in 1963, the year that the school placed a close second in state competition. He also lettered in football and baseball, so it's a safe guess that

MARC LONESK

the upcoming sports activities sponsored by the Club will have a strong supporter.

The new recreation director returned in October 1972 after a five-year tour of duty with the Navy. After graduating from GPHS, the present South High School, he entered the United States Naval Academy at Annapolis.

Upon receiving his commission, he spent 14 months in Pensacola, Fla., for instruction as a naval aviator. His next two years were spent as a radar control officer at Point Mugu, Calif., followed by 10 months in Vietnam assigned to a helicopter gunship unit. Marc's last year in the service was spent in San Diego, Calif., as a member of an anti-submarine helicopter squadron.

Marc has been active in sports throughout his 27 years. While at Annapolis he participated in a wide range of activities including football, basketball, baseball, volleyball, rugby, golf and tennis. For this reason, he places top priority on a sound recreational program for both the students and the adults in the community.

"One thing that upsets me on coming back to Grosse Pointe is the loss of strong athletic programs at the schools, particularly the middle schools and high schools. I can remember a good sports program when I was at Pierce School, yet the recent cutbacks have made this impossible now. I hope that the Club can supplement the sports program," Marc said.

At the present time, Marc is in the midst of keeping four basketball leagues, ranging from 10 to 20 teams each, on schedule.

A second sport which has showed remarkable growth is the Club's gymnastics program as so many Pointe youths were inspired by the recent Olympic games. The tumbling and gymnastics program now runs from 9 a.m. to 2 p.m. every Saturday at Brownell Middle School.

The Grosse Pointe Jaycees are seeking a young man between the ages of eighteen and thirty-five who has distinguished himself both in his personal career and in service to the Grosse Pointe Communities as a possible recipient for the Grosse Pointe Communities as a possible recipient for the Grosse Pointe Jaycees Distinguished Service Award.

The final winner will be recognized at the Fourth Annual Distinguished Service Award Banquet to be held at the University Club on January 24, 1973. The keynote speaker will be the Reverend David Eberhard, Councilman, and possible mayoral candidate for the city of Detroit.

Nominations for the award will be taken by the Jaycees until 5 p.m., January 22. Nomination forms may be obtained by contacting Rich Mueller at 824-7224 or 543-3060.

Previous award winners include John Probst, State Representative William Bryant, and Youth Service Division Detective John Kendall.

is God A STRANGER TO YOUR child?

He needn't be. In the Christian Science Sunday School, children learn that God is not a stranger, but a close friend. Through weekly Bible Lessons they learn to turn to His all-embracing love for protection and help. They are prepared to meet each day's problems successfully. Bring your child to our Sunday School this week. We'd love to welcome him.

Auditions Set For '40 Carats'

The Grosse Pointe Theatre will hold auditions for "40 Carats" on Monday, January 22, and Tuesday, January 23. Auditions will be held at the Fries Auditorium, the War Memorial, at 7:30 p.m. on both dates. There are six parts for women and four parts for men. The ages range from 17 years for one woman to 70 for another. The men's ages are open. For further information, contact Nancy Scholes, producer, at 886-5006.

Offer Parents Special Class

A class in "Pre-School Education" is being offered by the Department of Community Services beginning Wednesday, January 31, at 7:30 p.m. for an eight-week period. This class is designed to show parents the types of activities that will help the development of the child before attending school. Emphasis is given to the Montessori method of pre-school education. Not only will activities be explained, but projects will be made in the class. The instructor is Mrs. Barbara Labadie, who is on the staff of University-Liggett. Class fee is \$8.50. Further registration information is available by contacting the department at 885-3808 or 885-0271.

Glass Broken To Enter Home

The breaking and entering of a Morningside drive home was reported to the Woods Department of Public Safety Tuesday, January 2. Lloyd Marks of Van K. drive told Corporal Peter Thomas he checked the home and found nothing missing or damaged at this time. Police said entry was gained by shattering a storm door pane of glass. The culprit, or culprits, then broke an inner door's pane of glass to gain entry. Police discovered a small smear of blood on the storm door with the possibility that the burglar cut himself while breaking the window. Mr. Marks told police other homes which he's building nearby were not bothered. The breakin occurred sometime between 5 p.m. Friday, December 29, and 10 a.m. of the 2nd, police said.

Pointers Score In Huge Meet

The Grosse Pointe Swim Club "A" team journeyed to Farmington for the annual Michigan Stingray Association sanctioned AAA meet the weekend of January 13-14. Thirty-six teams with 287 swimmers from Michigan and Canada participated. Many of the Pointers came through with strong performances in spite of the fact that several swimmers were out with the flu bug. In boys 10 and under, the medley relay team of Billy Babcock, Watty Bernard and Dan and Paul Treder finished sixth with a 2:36.8. In Girls 10 and under, Frances Shook took first place in the 100-yard breaststroke with a time of 1:27.5. Frances' time was the fastest 100 breaststroke in 10 and under AAU competition in two years. Jim Shook took third place in the 100-yard breaststroke at 1:17.8 in boys 11 and 12 action. In girls 11 and 12, the 400-yard medley relay team of Kelly Bernard, Julie Eugenio, Debbie King and Megan Montagne took third place. Megan Montagne took a second place in the 50 backstroke at 32.7 and duplicated the feat in the 200 individual medley at 2:34.6, the 100 breaststroke, 1:21.3, the 50-yard freestyle at 27.7 and the 50-yard butterfly at 32.6. In boys 13 and 14, the 400-yard medley relay team of Ray Bernard, Tom Hesseburg, Steve Swanson and Scott Nixon were second at 4:28. Individually, Ray Bernard took first place in the 100 fly at 1:03.0, first in the 50 free, 24.5; and to cap off Ray's superb day, he swam first in the 100-yard free with the winning time of 54.0. He finished with a 200 open backstroke time of 2:18 and 2:18.3 in the 200 individual medley. Steve Swanson won the 100 breaststroke at 1:12.5 and his teammate Tom Hesseburg was a close second at 1:13.3. Mickey Montagne won the 100 freestyle at 58.0 and her time of 2:25.4 was good for second place in the 200 individual medley in girls 13 and 14 action. In girls 15 and 17, Pam Hallman took third place in the 100 butterfly at 1:06.3 and Pam combined with Mickey Montagne, Megan Montagne and Marsha Maurer for third in the 400 girls open relay. Next week, coach Tim Kenary will take his "B" team to Utica, Mich., for a meet and the following weekend his "A" swimmers will depart for Schoolcraft Community College as the host Bulldog Aquatic Club holds one of the outstanding Age Group AAU meets of the year.

Heroism Earns Officer Honor

At a regular meeting and in the presence of a full council on Monday, January 15, Mayor William Butler read and presented a resolution to a heroic police officer who risked his life in a futile attempt to rescue a drowning man from the icy waters of Lake St. Clair on November 3. The man was trapped in his car which had gone over the seawall and landed 100 feet beyond the shoreline. Cited for his brave deed was Patrolman Johannes Winter, whose action, as quoted by the mayor, from the resolution, "is both recognized and appreciated" by the community. Mayor Butler said that Winter removed his clothing and dove into "extremely hostile water and swam 100 feet out to the sunken car, trying to open the doors, but was frustrated in his rescue attempt." Because of the icy condition of the water and high waves, the policeman was forced to return to shore, where with the aid of other officers was taken to the station, where he put on dry clothing and returned to the scene to direct traffic. "The fact that Patrolman Winter braved the choppy and icy water, and swam out 100 feet to the car, was a remarkable feat in itself. fact that Winter returned 'Also,' the mayor added, 'the fact that Winter returned after donning a dry uniform to assist further at the scene, was in itself a sign of a good policeman doing his utmost in the performance of his duties.'" The resolution was presented to Winter, and the mayor ordered that it be made a part of the officer's service record. Present to watch the ceremony were Police Chief Robert Ferber, Fire Chief Michael Beaupre and Det. Sgt. George Van Tiem. The drowning victim was Terrance McPharlin Broderick, 23, of 164 Lakeview, whose car went over the seawall at the foot of Provincial road.

BUYING A SECURITY SYSTEM?

When you buy an apartment at **The Jefferson Apartments** Grosse Pointe's newest condominium ... you get not one, but a network of the most modern security systems to guard you, your home and your possessions.

A CLOSED TV MONITORING SYSTEM covers the entrance, outside parking areas and inside garage. The caller can be viewed from a selected channel on the owner's TV set in each apartment. The doorman and manager's office views the same areas.

THE ENTRY COMMUNICATIONS SYSTEM is a new system conceived and engineered by Michigan Bell Telephone Company. Using a touchtone panel telephone in the lobby, the caller dials the owner's apartment. This enables each party to have a private conversation. During the time the caller is in the entrance vestibule, he is under surveillance by the concealed TV camera.

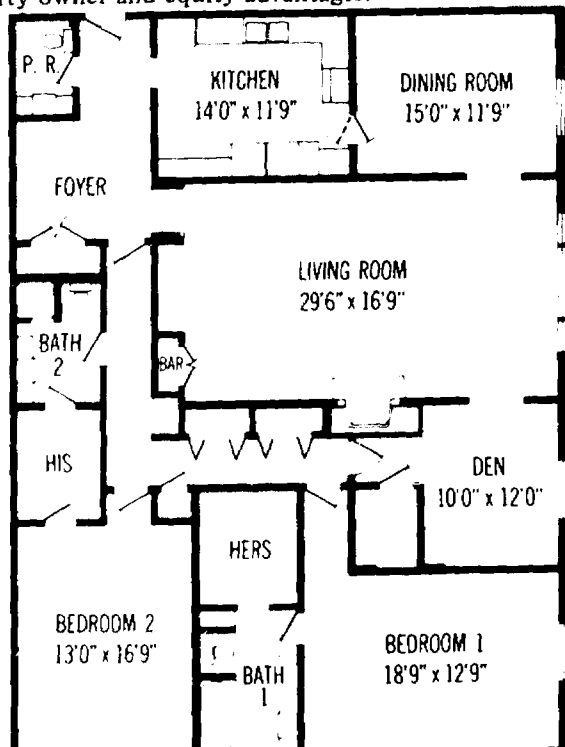

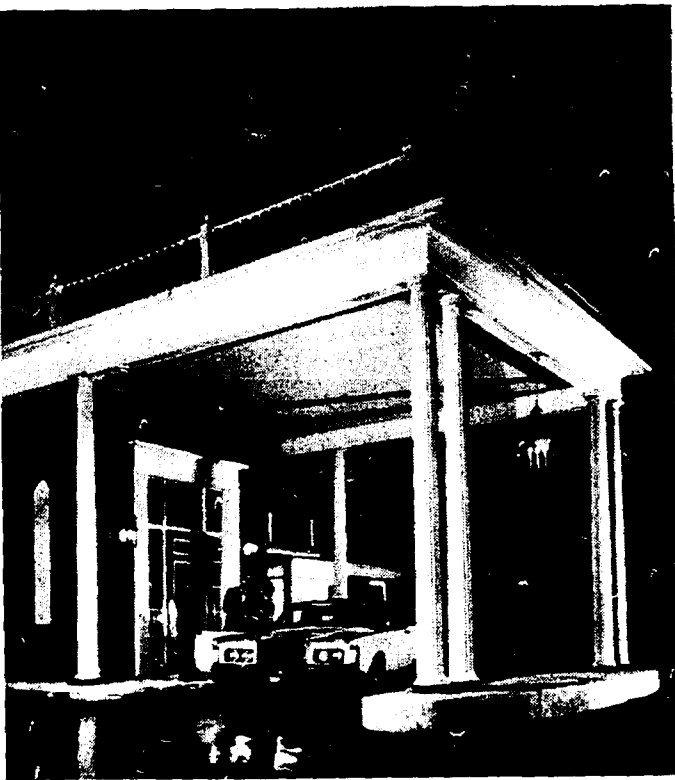

AN ON-GUARD ALERT SYSTEM features a control panel in the manager's apartment and the attendant's office. This notifies of any intrusion into any apartment when the occupants are away. The doorman or manager controls the system by activating the apartment's security supervision at the request of the owner.

THE FIRE PROTECTION ALERT SYSTEM gives added protection to all occupants of the building and will insure notification of each individual occupant of a fire in an unoccupied apartment.

Further elements of security are the uniformed doorman-attendant and resident caretakers.

Besides security, you also get really gracious living. Here is a typical spacious floor plan of an apartment home which features 9 foot ceilings, individual heating and cooling, top of the line G. E. kitchen with an icemaker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet. Natural fireplaces, naturally.

There are three separate elevators and approximately a thousand square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. The Jefferson Apartments is an adult community. Residents are home owners and enjoy tax deductions and the investment security of being a property owner and equity advantages.

Fathers to See Baby Delivery

Maternity patients at Bon Secours Hospital will benefit from two new policies placed in effect this year. It is now possible for the father to be present in the delivery room to share the birth of his child with his wife, and later during the mother's hospitalization to share a visit with mother and baby during "father's hour." Washed and gowned in hospital garb, new fathers will be able to hold and feed the infant and begin to build the new family relationship before taking the mother and baby home. Previous to the new policy, the father could only peer at his offspring through the glass window of the nursery. "Father's hour" will be held on Monday, Wednesday and Friday from 6 to 7 p.m. Whether or not the father is present for his child's delivery is a personal matter decided by husband, wife and physician. A few hours past midnight Christmas Day, Jim Van de Wyngearde, of Chandler Park drive, became the first father to witness his child's birth in Bon Secours Hospital. In expressing his joy, Mr. Van de Wyngearde wrote: "A little more than an hour ago I saw my son born. A simple statement of fact. But the feeling and emotions involved in this statement are innumerable. To be present, to be a part of this final step in the creation of my son, was an experience I will never forget."

Recover Stolen Car in Detroit

A 1972 Thunderbird, owned by a Warren resident, and which was stolen from the parking lot at the rear of the Woods Theater, was recovered by Detroit police a few days later. Alfred Navaroli, Jr., told Woods Corporal Thomas Kerving he parked the auto at 9:30 p.m. Friday, December 29, and upon his return at approximately 12:30 a.m. Saturday, December 30, he discovered the vehicle missing. However, on Tuesday, January 2, Woods police received notification from the Detroit Auto Squad that the T-bird had been recovered at Warren and French. The Auto Squad also reported there was one arrest and one juvenile detained.

Center Skiers To Take Trips

Grosse Pointe War Memorial's Ski Hi Club for teens will have a twilight trip for members to Pine Knob Friday, January 19, from 4 to 11 o'clock. Round trip bus transportation, tows and chaperonage are included for \$5.50 plus \$1 mandatory skiing insurance. Group lessons are available for \$1 and equipment may be rented for \$2. Taking advantage of the Fridays when school is out, a four day weekend north to Boyne Country is planned for Ski Hiers January 25, (Thursday), through January 28, (Sunday). The group will stay at the Marches Motel and Cottages at Walloon Lake. Round trip highway bus transportation north and back, daily transportation to the slopes, lodging three nights, five meals, chaperonage and roller skating available at night are included for \$48.50 plus \$3 mandatory ski insurance. Tows and snacks are extra. Skiing is at Boyne Highlands, Walloon Hills and Boyne Mt. Reservations should be made at once. A mystery week end ski trip by bus is planned for the Adult Grosse Pointe Ski Club Friday, January 26-28. Bus with cocktails aboard, lodging, meals, parties, swimming and skiing are included for \$54. Reserve at the Center office now.

North Cagers Win Two Tilts

By Phil Guastella
Grosse Pointe North invaded Southlake and came away with a 70-45 cage victory Friday, January 12.
Senior guard Ron Zenn tossed in 22 points, including eight in each of the first and fourth periods.
North ran off to an 18-10 first period lead over the Cavaliers and expanded the lead to 34 to 19 at the half.
A rugged North defense led by Larry Bauer contained the Southlake club. North's Coach Ray Ritter commented, "Larry played an outstanding game. His hustle and aggressiveness proved to be inspirational to his teammates."
In the third stanza North's Gerry Humes tallied six of his

14 points and was a dominant factor in leading North to a 48-34 third quarter lead. North outscored Southlake 22 to 11 in the final quarter.
Jeff Humes added 15 points for North and hauled in 12 rebounds to complement younger brother Gerry's 13 snatches and his 14 points. Keith Hughes paced the Southlake attack with 17 points.
L'Anse Creuse hosted the Norsemen Tuesday, January 9, and ended up on the short end of a 63-58 score. It took a determined North defense and a 23-point second quarter to defeat the Lancers.
Behind six points each from Larry Sorenson and John Smalley, the Lancers raced to a 16-9 first quarter edge. But the Norsemen rallied behind Ron Zenn's 11 points to take a 32-30 lead at the intermission.
The lead was upped to 48-44 after three periods, and North held off a last minute rush for the victory.
"Again our defense was superb," said Coach Ritter. "Larry Bauer played another fine game at forward."
Zenn's 29 points took honors. Jeff Humes added 12 points to help the North attack. The Lancers were paced by Sorenson with 18 points and Smalley with 17 points.

Farms Police Release 1972 Accident Statistics

The Farms Police Department's 1972 accident reports disclosed that one person who drowned when his car went over the seawall on November 3, 1972, is classified as a traffic fatality.
This tragedy was given this classification although the victim was under a doctor's care and may have blacked out when his auto went into Lake St. Clair at the foot of

Provencal road.
The victim of the drowning was Terrance McPharlin Broderick 23, of 164 Lakeview, who was traveling south on Provencal and continued across Lake Shore road without stopping, hit the curb and flew over the seawall and into the lake. Patrolman Johannes Winter, who dove into the water in an attempt to rescue the man, was unsuccessful but has been cited for his heroic deed.
The following is the accident report as compiled by Lt. Ignatious Backman, and released by Police Chief Robert Ferber.
During 1972 a total of 276 property damage accidents were investigated, a reduction of 46 from the previous year; and 73 personal injury accidents were reported, five less than in 1971.
Last year, a total of 40 hit-and-run accidents were investigated, an increase of eight over 1971. Thirty-seven of these accidents involved property damage and three involved personal injury.
"I think it is important to point out that the Grosse Pointe Farms Police Department is one of the few police departments to record ALL accidents in its local accident statistical reporting," Chief Ferber stated.
"The State of Michigan requires that he only report roadway statistics," the chief added. "Under our local statistical reporting, we include roadway and private property accidents."
"While this procedure may tend to show that we have a considerably higher accident rate than surrounding communities and a lower enforcement index as a result of the total number of accidents investigated, it does, however, provide a true picture of the time spent in accident investigation, and even more important, allows us to isolate hazardous conditions on roadways and private property alike."

South's Record Stands at 5-3

By Mark O'Keefe
South's Blue Devils dropped games to Notre Dame Tuesday, January 9, and to Fordson Friday, January 12, and saw their record fall to 5-3.
Notre Dame led all the way against South and earned the 71-65 victory. It effectively used the fast break to pick apart South's defense, and played well in the final period to preserve the lead.
In this game, "five" seemed to be South's unlucky number. On five occasions, Notre Dame scored less than 10 seconds after a Devil tally. In the final period, the Devils lowered the deficit to five points at five different times, but the Irish managed to fight back each time.
Jim Bird was high for South in rebounds, with seven, and in points with 21. Mike Stavale pumped in 14 points.
Fordson also streaked to a quick lead, but South fought back in the third quarter and temporarily took the lead. Ken Giovaninni's 20 rebounds helped the Tractors to their 57-44 victory.
After cutting Fordson's lead to one point entering the final quarter, the Devils quit scoring and Fordson ran away with the game. A brief skirmish late in the game seemed to take away South's vigor as the Devils scored only seven points in the fourth period.
Stavale paced the Devils with 12 points while Bird and Dave Gaitley each scored 10.
On Friday, January 19, the Devils will play in Monroe. Both teams have 0-2 records in the BCL. On Saturday, January 20, South will be in Port Huron to play the Big Reds.

City Purchasing Four Vehicles

The Council of Grosse Pointe City recently approved the purchase of \$11,381 in equipment for its police department and DPW.
The police department gained two new station wagons and a sedan after the council approved the bid of Roseville Chrysler-Plymouth for \$6,761 (with trade-in of three used vehicles). It was the low bid of the three received as the Roseville dealership outbid Cook Ford and Roy O'Brien.
Also purchased was an industrial/utility type tractor with front bucket and flail mower attachments. East Detroit Ford Tractor, Inc., submitted a bid of \$4,620, the lowest qualifying bid of the five received.
The City traded in its 1969 and 1951 farm type tractors for the purchase. The new tractor is used for various City DPW tasks such as grading land and snow removal.

City Promotes Fireman Mehl

Upon the retirement of City Fire Sergeant Svyryn Bliss, fire fighter Gerald R. Mehl has been promoted to the rank of sergeant.
A native Pointer, Sergeant Mehl, 31, joined The City Fire Department in 1963, following graduation from Grosse Pointe High School, and a two-year service in the U. S. Navy.
The new sergeant attended the Advanced Firemanship Training School in Ann Arbor to increase his fire fighting skills. He was selected to succeed Sergeant Bliss on December 23, 1972, on the basis of a written and oral examination.
Residing in Detroit with his wife, Judy, and three children, Sandy, Tom and David, his hobbies include hunting, fishing and handball. His parents, Mr. and Mrs. Clarence Mehl, reside at 702 St. Clair.

St. John Asks For Volunteers

Mid-winter and spring training classes are now being formed at Saint John Hospital for adult volunteers, (19 years of age or older), interested in direct patient contact. Duties include helping patients with letter writing, reading, eating and generally brightening their long hospital day.
Volunteers must attend several evening training sessions. Applications may be made in Room 116, Volunteer Office, Monday through Friday, from 9 a.m. until 4 p.m., or by calling 881-8200 extension 541.
Applications are also being accepted for other volunteer assignments at the hospital.
In order to make a point good speakers must drive home.

To know what a Sky House is, you have to know what it isn't.
A Sky House is a lot like a home, but isn't.
A Sky House is a lot like a townhouse, but isn't.
A Sky House is a lot like an apartment, but isn't.
A Sky House, in fact, isn't anything like anything you've ever seen before. A Sky House incorporates all the best features of a home, townhouse and apartment. Features like privacy. An upstairs and downstairs. A winding staircase. Security. Space. Elevators. Lake St. Clair. Private terraces. Parking in the building.
So if a home isn't exactly what you want.
A townhouse isn't exactly what you want.
An apartment isn't exactly what you want.
We think, then, that a Sky House most definitely is.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

The Warren S. Wilkinsons are back in Woodland place after a lovely long weekend in Palm Beach, and welcoming houseguests Aline and Jacques Leblanc.

M. Leblanc, president, chief executive officer and member of the board of Dart Containerline Incorporated, will present an Alliance Francaise de Grosse Pointe-sponsored program at the Grosse Pointe War Memorial tomorrow evening.

His talk begins at 8 o'clock. A 20-minute color movie on containerization will be shown.

M. Leblanc was born in Liege, Belgium, received a Masters degree in Economics from the University of Liege in 1953, joined the Compagnie Maritime Belge in Antwerp and became assistant manager of the company's office in Kinshasa, Zaire, (then Leopoldville, Belgian Congo), remaining there through all the country's difficulties.

He came to The States in 1964, settling with Aline and their three children in Scarsdale, N.Y., joined the Belgian Line, (Compagnie Maritime Belge's parent company here), and was eventually promoted to executive vice-president.

When Dart Containerline, a Compagnie Maritime Belge, Bristol City Line of Bristol, England, and Clarke Traffic Services of Montreal, Canada, international consortium, designed to provide a weekly service in the North Atlantic trade between the USA, Canada, the United Kingdom and the continent of Europe, was formed in 1969, Jacques Leblanc became its president.

The Leblancs will be returning to Belgium for good soon. Their visit in The Pointe is part of their "farewell to America" trip.

They will be guests of honor at a cocktail party hosted by the William Barrys, of Stanton lane, tomorrow evening, before the War Memorial program.

The Wilkinsons will entertain at a French dinner party Saturday. The Leblancs leave Sunday.

A Voice From The Past

Few things please a professional interviewer more than a voice from the past, a note/Christmas card/letter from a former "subject"—dreadful word that: We prefer to think of them as people with whom we've talked-in-depth, with mutual enjoyment.

So when we noted the return address name on the outside of the envelope was Mrs. Theodore B. Stedman, (Pointer of Interest October 13, 1966, when she was all caught up in Parent Education Associates), we pushed aside that day's other mail.

No matter what the other envelopes might contain, Jeanne's was going to come first.

Borge to Conduct Detroit Symphony

Evening of Music and Mirth Will Raise Funds for Ford Auditorium Acoustical Renovation; Audience Invited to Afterglow

Midwinter doldrums will be banished at Ford Auditorium next Saturday evening, January 20, at 8:30 o'clock, when Victor Borge appears with the Detroit Symphony Orchestra as guest conductor and pianist.

The Evening of Music and Mirth is designed to assist in financing acoustical renovation of Ford Auditorium, home of the Detroit Symphony.

Two years ago, Borge convulsed audience and Orchestra members at a similar concert. Joining the Great Dane for his demand-return visit will be Marilyn Mulvey, soprano, scheduled to sing "Musetta's Waltz" from "La Boheme" plus "Regnavit Solenzio" from "Lucia di Lammermoor."

Miss Mulvey often serves as foil for Borge's antics.

and Borge's Arrangement of Concerto in F by Gershwin, plus various piano selections. And of course there will be time for a famous Borge monologue.

Borge has confessed that his greatest satisfaction is performing before professional musicians, because of their instant understanding of the slightest nuance, be it a gleam in the eye or an hilarious gesture.

"My finest hour occurs when some of the greats of the music world wipe tears of laughter from their eyes. Also on the program will

Special Circus Benefit Slated

Former Detroit Lions star Ron Kramer and Marilyn Turner, WXYZ-TV weather-caster, have been named chairmen for the opening day matinee of the Shrine Circus scheduled for 2 o'clock Friday, January 26. Over 7,000 handicapped children from the tri-county area are expected to attend. The matinee benefits the Metropolitan Society for Crippled Children and Adults.

A donation of \$2.50 will provide a handicapped child with an afternoon he will remember forever. Tax deductible donations may be made by sending a check to the Metropolitan Society Therapy Center, 17330 Schaefer, Detroit 48235, or by calling UN 1-0510.

Donations may be made for an individual ticket or for a block of seats.

Borge concerts have been Or perhaps when the musicians in the orchestra almost break their instruments from uncontrollable giggles."

Schedule Scandinavian Symphony Performance

Music from French composers will be featured in the next Scandinavian Symphony concert Saturday, January 20, at 8:20 o'clock in Henry Ford High School.

Soloist Beverly Stief will sing operatic arias from "Manon" by Massenet, "Louise" by Charpentier and "L'Enfant Prodige" by Debussy.

The orchestra will be featured in the rhapsody "España" by Chabrier, the prelude to "Afternoon of a Faun" by Debussy and the bacchanale from "Samson and Delilah" by Saint-Saens, plus a special composition, Sibelius' "Nightride and Sunrise."

Tickets may be obtained at the door or by contacting ticket chairman Lawrence Sheppard, 271-8609.

Select Strings For Musicale

Music for stringed instruments will be featured at the fifth morning concert of Tuesday Musicale of Detroit next week, January 23, at 10:30 o'clock in the Lecture Hall of the Detroit Institute of Arts.

The program is dedicated to "Crusade for Strings," a year-round project of the Michigan and National Federation of Music Clubs, aimed at developing interest in stringed instruments.

Scholarships and cash awards are given at the national level for excellence in this field, according to Tuesday Musicale president Mrs. Charles Bryant, of Holiday road.

Included on next Tuesday's program will be music for violin, viola and cello, as well as flute and piano.

Performers will be Hanna Lahti, flute, Inez Redman, violin, Grace Konopka, cello, Csroline Jewell Anderson, piano, Irene Kinsey, violin, Louise Gall, piano, Virginia Wulff, piano, Lucille Zocharski, violin, Betty Peterson, violin, Margo Krumel, viola, and Joy Greenleaf, cello.

The program has been planned by Lotta Winkler and Margo Krumel with Bernice Van Husen, Tuesday Musicale's general program chairman.

Philanthropic chairman Mrs. Charles Bishop reports that several members recently presented musical programs at the Cambridge Nursing Center in Northwest Detroit and the Williamsstonburg Convalescent Center, Farmington.

Tuesday Musicale members also provide music for the 10 o'clock chapel service at the Veteran's Hospital in Allen Park on the fourth Sunday of each month.

Tri-Deltas to Gather For Evening Session

Local Delta Delta Delta Alumnae meet Monday, January 22, at 8 o'clock at the Fisher road home of Mrs. James Meyers, their president. Assisting hostess is Mrs. Dennis East.

Reporting national activities and advising the group will be Mrs. Russell A. Holden, of Concord, N. H., Tri-Delta's national executive president.

She will also visit collegiate chapters at Michigan State and the University of Michigan during her stay in the state.

Wedding vows were spoken by HEDWIG ANN SESKI, daughter of Dr. and Mrs. Arthur George Seski, of South Deeplands road, and Dr. Murphy, son of the Frederick J. Murphys, of Clifton, N.J., Saturday, January 13, in the Grosse Pointe Academy Chapel.

Miss Seski Says Vows January 13

Newlyweds to Live in Detroit, Where Bridegroom, Dr. Patrick Leo Murphy, Will Be a Resident at Kresge Eye Institute

Vacationing on St. Barthelemy in the French West Indies are Dr. and Mrs. Patrick Leo Murphy, who exchanged marriage vows Saturday evening, January 13, in the Grosse Pointe Academy Chapel.

Mrs. Murphy is the former Hedwig Ann Seski, daughter of Dr. and Mrs. Arthur George Seski, of South Deeplands road.

Dr. Murphy is the son of Mr. and Mrs. Frederick J. Murphy, of Clifton, N. J.

The Reverend Albert Hillbrand presided at the 6:30 o'clock rites, which were followed by a reception at the Grosse Pointe Hunt Club. The bride's cousin, Robbie Seski, was altar boy.

The bride's candlelight satin gown featured a high-necked, long-sleeved Empire bodice, and a circular train. She carried champagne orchids.

Her Cathedral length veil was a combination of her

mother's illusion and antique pointe d'aiguille lace, made in 1867 in Lille, France.

She was attended by her sister, Mira Seski, as honor maid, and bridesmaids Colleen Murphy, the bridegroom's sister, and Mrs. Robert Parshey, of Yalesville, Conn.

Brown velvet circled the waists of their high-necked, long-sleeved beige moire frocks. Their bouquets were fashioned of tangerine feathered carnations and Fuji mums.

Sean Murphy was his brother's best man. In the usher corps were Jan Seski, the bride's brother, Michael Dailey, James Walters, of Long Island, N. Y., and Frank Check.

The newlyweds will make their home in Detroit, where the bridegroom will be a resident in Ophthalmology at the Kresge Eye Institute.

been the Stedmans' home since October, 1969. They really love it, leaving only in mid-September to visit friends and family in Michigan and New York State.

They're back in Florida by late October.

Their house is about 100 yards off the Intra-Coastal Waterway, their 28-foot cabin cruiser moored at their dock, just steps from their back door. They're members of Coral Ridge Yacht Club, and Jeanne is Special Projects chairman for the Club's women's boating group, the Anc-Hers.

She served recently as chairman of a luncheon cruise to Bai Harbour, handling reservations and transportation, (by eight boats), for 85 people.

Their oldest son, Bill, is married, has a son, Michael, and was released from the Army the day after Christmas. He had been stationed at Walter Reed Army Medical Center, doing television films and commentary for the Army hospitals. He's a disc jockey in Buffalo, N.Y., now.

Second son Ted is a sophomore at Manatee College, Bradenton, Fla. Music is his major interest this year.

The Stedmans participated in Coral Ridge Yacht Club's Fleet Review last Sunday, and entertained at-home New Year's Eve. Among their guests were Mr. and Mrs. George Armbruster, of Devonshire road and Fort Lauderdale.

"Can you imagine," Jeanne writes, "greeting the New Year in a house completely open to the balmy breezes?" Most of the activity was on a screened lanai, overlooking their swimming pool and boat, and those breezes coming from the Gulf Stream, about a mile offshore, caused the palm trees to dance in moonlight.

The morning she wrote the letter, Jeanne cut

Church Women Meet Tuesday

Grosse Pointe Memorial Church Women's Association will hold its annual meeting next Tuesday, January 23, at 10 o'clock. Mrs. Arthur O. A. Schmidt will preside.

New officers will be installed by Dr. Ray A. Kiely at an 11 o'clock communion service in Barbour Chapel, with visiting minister Dr. Jack Dalziel assisting.

Besides Mrs. Schmidt, Mrs. J. Ross Bush, vice-president, Mrs. Stuart George, treasurer, and Mrs. Harry W. Mellen, secretary, will continue in office.

New committee chairmen are Mrs. James L. Lafler, coordinator for program and studies, Mrs. J. Alfred Grow,

coordinator for membership and fellowship, and Mrs. Harold L. Quackenbush, registrar.

At a noon luncheon, Dr. Dalziel, ecumenical minister from Johannesburg, South Africa, will talk on the "Changing Church in a Changing World."

Dr. Dalziel, former pastor of St. Columbus Church, South Africa's largest Presbyterian congregation, has just arrived to spend the winter in Grosse Pointe and assist at Memorial Church.

He is presently Senior Lecturer in the Department of Divinity, University of Witwatersrand.

Invite Women To Plan Lives

Women from throughout the metropolitan area will converge on Oakland University Sunday, January 21, for a free program designed to introduce them to winter and spring courses offered by the Continuum Center.

The "Investigation into the Continuum Center" will be held from 2 to 4 o'clock at the Meadow Brook Clubhouse, Adams road at the east end of the campus.

Ruth Van Leeuwen, of University place, is one of several dozen women recently trained by the Center to be a group leader in these programs.

Mrs. Van Leeuwen was given 48 hours of professional training under Continuum Center psychologists and staff to prepare her as a para-professional in guidance and counseling for this job.

Continuum Center Director Eleanor Driver and a group of trained group leaders will give participants a preview of the new two-stage program called "Life Planning for Women," as well as information about programs designed for other members of the family.

The first stage of Life Planning explores a woman's present life style and future goals. Graduates may then choose a second-stage course in Personal Growth or Career Development.

Stage one programs will be held from 12 to 3 o'clock Tuesdays and Thursdays, January 23 through February 8, at Northwest Unitarian

Church, Southfield, and from 12 to 3 Mondays and Wednesdays, January 29 through February 14, at St. Paul's United Church, Warren.

West Bloomfield programs run Tuesday and Thursday afternoons starting February 27 and Monday nights starting March 5, at the Church of Our Saviour.

A Monday and Wednesday afternoon program begins March 26 at Oakland University.

The Center also will offer a Communication Workshop for Teenagers from 7 to 10 o'clock Thursdays, starting January 25, at Meadow Brook Clubhouse; so teens may learn to communicate more constructively with the various people in their lives.

Other programs include Persons Alone, a course dealing with the problems of people left alone by death or divorce, starting February 8 in West Bloomfield; an eight-week program in Transactional Analysis starting February 1 at Meadow Brook Clubhouse; a Refresher Course in Fight-Training for couples at Meadow Brook Clubhouse February 21; a Drama Workshop and a behavioral laboratory called Significance of the Individual, both starting February 23 at Meadow Brook Clubhouse.

March programs include the Creative Problem Solving Process, Learning to Communicate on Your Feet and a Teen Weekend Encounter.

An eight-week session of Yoga and a two-day workshop called Getting It To-

They'll Have A Ball

Grosse Pointe Yacht Club Immediate Past Commodore CURTIS CARMICHAEL, of Bishop road, stopped by his wife's Scarab Club studio recently to confer with BERNIECE about costumes they'll wear at Bal Scheherazade, the Scarab Club's annual Beaux Arts Ball, to be presented Saturday evening, February 24, at the Latin Quarter. Joseph Maniscalco, the Club's president, and entertainment chairman Alex Marinos conceived the Arabian Nights fantasy theme for the 1973 costume party. They promise authentic belly dancers plus a Big Brass Band sound. Proceeds are earmarked for renovation of facilities at the oldest art club in Detroit, designated an historical site and destined to be part of the new Cultural Center. Tickets are available from Scarab Club members at the Club in Farnsworth avenue, Detroit.

Kresge Concert Slated Sunday

Romantic music and the return of a native son will highlight the next Kresge Family Concert in Ford Auditorium Sunday, January 21.

Music by Franz Liszt, as interpreted by the Detroit Symphony Orchestra and its music director and conductor Sixten Ehrling, will be featured during the performance which begins at 2:30 o'clock.

Third in a series of five popularly-priced family concerts, the program also presents Detroit-born pianist James Tocco, appearing as guest artist with the Orchestra to play Liszt's Second Piano Concerto.

This is Tocco's first performance with the Detroit Symphony since 1968, when he made his initial appearance with the Orchestra during the Cabaret "Pops" Series.

Also on the program will be three symphonic poems, "Battle of the Huns," "Orpheus" and "Mazeppa," plus the Hungarian Rhapsody No. 2.

Talented young Tocco was born in 1943, youngest of 12 children. Although raised in the Detroit area, his musical studies took him to Salzburg for work with Magda Tagliferro and Badura-Skoda at the Mozarteum.

In 1964 he won first prize in the 74th International Tagliferro Competition. In 1945 he won a first place in an international competition in Barcelona.

After several years of European concert dates, he became the only American

winner in the prestigious Tchaikovsky International Competition of 1970.

Since 1970 he has been artist-in-residence at the University of Wisconsin, making his home in Madison.

Remaining Kresge Family Concert dates include an April Fool's Day Concert with Sixten Ehrling conducting an audience-choice pro-

gram on April 1, and An Afternoon of Ballet featuring the Detroit Severo Ballet Company, with Pierre Hetu conducting the Orchestra April 29.

Tickets for all Kresge Concerts are priced at \$2.50, \$2 and \$1.50. They are available at Ford Auditorium Box Office, 961-0700, Hudson's and Grinnell's ticket offices.

Louisa St. Clair DAR Marks 80th Birthday

Louisa St. Clair Chapter, Daughters of the American Revolution, celebrates its 80th birthday Saturday, January 20, at noon, at the Detroit Golf Club.

Mrs. Kenneth M. Wheeler, of Lincoln road, is sponsoring the chapter.

Eighty years ago, in January, 1893, eight women met at the home of Mrs. William Fitzhugh Edwards in East Congress street, Detroit, and the Louisa St. Clair Chapter, named for the only daughter of General Arthur St. Clair, Territory of the Northwest following the Revolutionary War, was born.

By the time the National Charter was issued on February 13, 19 more ladies had joined, making 18 charter members. Mrs. Edwards served as first regent of the first chapter in Michigan and the 30th in the National Society DAR.

Louisa is the first, oldest and largest DAR chapter in Michigan.

Mrs. Maxwell E. Hunt, current Louisa regent, will preside at the anniversary luncheon.

Guest speaker will be Mark C. Stevens, of Moross road, past-president of the Detroit Historical Society, member of the Circumnavigators Club and Detroit Club, and Honorary Consul of Thailand.

His topic is "America's Place in Today's World." Honored guests will include Michigan Daughters of the American Revolution state board members and regents of metropolitan area chapters.

Mrs. Leslie O. Carlin, of Mount Pleasant, is state regent.

Mrs. James D. Eastin, of Royal Oak, first vice-regent, Mrs. Eldon A. Behr, of Okemos, second vice-regent, and Mrs. Walter Fysh, of Southfield, chaplain, will be among them, as will Mrs. A. R. Meacham, of Royal Oak, recording secretary, Painter Mrs. Norman L. Parker, past regent of Louisa, state corresponding secretary, Mrs. William G. Lee, of Hillsdale, state treasurer, Mrs. C. B. Mitchell, of Birmingham, registrar, Mrs. Milton F. Hopkins, of Livonia, historian, Mrs. C. F. Miller, of Monroe, librarian and state directors Mrs. B. E. Gillespie, of Flint, and Mrs. Clayton A. Hopp, of Ypsilanti.

Regents of metropolitan area chapters attending will include Mrs. Hoyt Stewart, Three Flags, Lathrop Village; Mrs. Orvis L. Henkie, Quakertown, Farmington; Mrs. Anthony Korte, Colonel Joshua Howard, Dearborn; Mrs. David Christensen, Sarah Ann Cochran, Plymouth-Northville; Mrs. Cyrus Weatherby, Elizabeth Cass, Grosse Pointe, Mrs. Neil D.

Mrs. Marc DesLauriers

Exchanging marriage vows Saturday, January 13, in Saint Paul's-on-the-Lakeshore were NANCY JANE ELLIOTT, daughter of Mr. and Mrs. Charles W. Elliott, of Touraine road, and Mrs. Veronica DesLauriers, son of Mrs. Veronica DesLauriers, of Leawood, Kans., and Dr. Austin DesLauriers, of Devon, Pa.

Seven Sisters Project Slated

Members of the Detroit Committee for the Seven Eastern Colleges took a little time to recover from the frenzy of Christmas before beginning to plan the Committee's annual fund-raising event at a project meeting at the Bloomfield Hills home of Mrs. John Barnes, Jr., Tuesday morning, January 16.

This year's committee has chosen as its theme "Stimulating Involvement by the Club's members, mostly suburban residents, in Inner City Activities."

In keeping with this theme, Hilberry Theater on the campus of Wayne State University has been chosen as site for the 1973 project, a performance of George Feydeau's "Cat Among the Pigeons."

All proceeds from the champagne theater benefit, scheduled for May 19, will go towards a scholarship fund to send deserving Michigan students to the Seven Eastern

Colleges. Of the many Michigan girls who have attended Barnard, Bryn Mawr, Mount Holyoke, Radcliffe, Smith, Vassar and Wellesley, several hundred have received scholarship funds from the more than \$160,000 netted through the Committee's projects.

The Committee makes every effort to provide scholarships and to support the policy of the colleges represented to encourage applications from outstanding students, regardless of their financial resources.

Alumnae of the Seven Eastern Colleges who would be interested in working on the project may contact Mrs. Barnes, 644-2462, or Mrs. Herbert Fisher, 646-8212.

Durant Sparks Betrothal Told

Mr. and Mrs. John C. Sparks of Poland, O., are announcing the engagement of their daughter, Susan Elizabeth, to William Clark Durant, III, son of Mr. and Mrs. Richard Durant of Lincoln road.

Miss Sparks, a graduate of Grove City College, Grove City, Pa., is currently teaching at the Davis Middle School, Hillsdale. Her fiancé, a graduate of Grosse Pointe University School and Tulane University, is assistant to the president of Hillsdale College.

A June wedding is being planned.

Banjo Priest to Play At Bishop Gallagher

Bishop Gallagher High School Mothers and Fathers Clubs will hold a joint meeting Wednesday, January 24, at 8 o'clock, inviting all members and students to hear Red Hot Banjo Player Priest Joseph Dustin C.S.S.R., in a program of songs from Cole Porter to Rodgers and Hart.

Home again in Radnor circle after touring Italy and Sicily by car are MR. and MRS. HAROLD H. EMMONS, JR.

Set Wellesley Club Luncheon

Mrs. Wilfred C. Hugh, Jr., will open her Three Mile drive home next Tuesday, January 23, to members of the Detroit Wellesley Club, who will honor their past-presidents at luncheon.

Included among the honorees are Mrs. Herbert P. Bartlett, Mrs. Wilber M. Brucker, Jr., Mrs. George Detwiler, Mrs. Orvil R. Aronson, Mrs. Thomas H. Miller, Mrs. Sigurd R. Wendin, Mrs. Taylor H. Seber, Mrs. John R. Decker and Miss Louise Owen.

Following luncheon, Eugenia P. Janis, assistant professor of Art at Wellesley College, will give a talk, accompanied by slides, about photography, one of her special fields.

Mrs. Janis introduced a course on the History of the Graphic Arts and Photography into Wellesley's curriculum, and is currently engaged in research on the development of the graphic arts which led to the invention of photography.

Nineteenth Century painting and the works of Edgar Degas are also among Mrs. Janis' special interests. She received her Bachelor of Arts degree from the University of Michigan.

Wellesley College will celebrate its centennial in 1975. It has chosen to remain a four-year liberal arts college committed to the education of women.

One-third of Wellesley's students receive financial aid in the form of grants, loans and work opportunities.

Although men live and study at Wellesley through an exchange program with 11 other liberal arts colleges, and a cross-registration program with the Massachusetts Institute of Technology, Wellesley awards degrees only to women.

New St. Paul Lutheran Co-Op Heads Named

Members of St. Paul Lutheran Co-Operative Nursery have elected officers for the 1973-74 school year.

Mrs. Stephen Horn will serve as president, Mrs. James Bruno as vice-president, Mrs. Edward Rowady as secretary, and Mrs. John DeGrandis as corresponding secretary.

Treasurer is Mrs. Theodore Trefzer, health chairman, Mrs. James Meyers, and membership chairman, Mrs. James Ketzler.

Applications for three- and four-year-old classes for 1973-74 are now being accepted. Interested parents may call Mrs. Robert Wood, 885-7657, for further information.

Lochmoor Sets VIP Excursion

Lochmoor Women are planning a red carpet trip to Ford Auditorium Wednesday, February 21, to attend a Detroit Symphony Orchestra Open Rehearsal.

Their "champagne flight" will include special waitresses and an on-the-bus gourmet luncheon.

Musicologist Ruth Kaiser, a Lochmoor member, will present the pre-rehearsal lecture, "To Build or to Paint."

Mrs. James O'Beski, Lochmoor Women's social committee director, Mrs. Joseph Mihelich, chairman, and Mrs. Jerome Benson, Red Carpet committee chairman, are coordinating the event.

To Hold Power Squadron Ball

Three hundred guests will gather at the Grosse Pointe Yacht Club Saturday, January 27, for the annual Grosse Pointe Power Squadron Commanders Ball, honoring new Commander and Mrs. Fred C. Berger and Immediate Past Commander and Mrs. Don G. Strnad.

Mrs. Berger plans to wear a formal gown of white peau de soie, accented with a medium blue front panel. She'll fasten a rhinestone pin

August Bride

to the matching blue bow at her neck.

Mrs. Strnad has selected a pale green silk palazzo pants ensemble, with a bodice embroidered in gold thread.

Also honored will be GPYC's new Commodore George Cooper, a past Power Squadron Commander.

Other members of the Power Squadron's board include Lieutenant Commanders Henry Webster and Robert Robison, and First Lieutenants Anthony Delsener and Fred Brauning.

fresh roses for her breakfast table and picked oranges from her orange tree. Her mango tree is in full bloom, promising an abundance of fruit in June.

"The boating season is 12 months here," she reports. "Of course, so is the grass-cutting season." You can't have everything, but roses in January make up for a lot. And there are those of us who'd be quite willing, right now, to trade grass cutting for snow shoveling.

No wonder the Stedmans love life in Florida. Just as they loved Grosse Pointe during the 18 years they lived here.

ACS Unit Needs Volunteer Drivers

The American Cancer Society's Wayne County Unit is in need of volunteers to drive cancer patients to and from hospitals for therapy treatment.

Treatments are given on a daily basis, Monday through Friday and are essential to the patients' recovery. Therapy lasts approximately 30 to 40 minutes, excluding driving time.

American Cancer Society transportation volunteers are given driving schedules well in advance of the patient's appointment at the hospital so appropriate arrangements may be made. All patients are able to walk, and do not require special equipment.

Interested persons are asked to call the Wayne County Unit's Transportation coordinator, Priscilla Nye, 273-1710.

Plan Program On Alcoholism

The Archconfraternity of Saint Clare de Montefalco Church invites the community to a talk on Alcohol Abuse by John Parker, associate for Education and a member of the staff of the National Council on Alcoholism, Greater Detroit area, in the church auditorium, Mack avenue at Whittier road, Wednesday evening, January 24.

Alcoholism afflicts one out of eight persons between the ages of 25 and 54, but this age bracket is dropping rapidly, as many teenagers are becoming involved.

A coffee hour with time for discussion and question will follow the 8:15 o'clock program.

Phase I will take the Amtrak passenger train to Ann Arbor Saturday afternoon, January 20, returning to Detroit by train following dinner in Ann Arbor. Interested singles are invited to meet at Memorial Church at 4:30 o'clock.

Phase I meets every Sunday night at 7:30 at Memorial Church. Further information may be obtained by contacting Gust Jahnke at 882-5330.

Artists Market Exhibit Slated

"Three in Prints," featuring works by Semivan, Evermon and Simon, opens with a 5 o'clock reception at the Detroit Artists Market Friday, January 19, and will continue through February 17.

Gallery hours are 10 to 5 o'clock, Monday through Saturday.

A Stake In The Future

Mr. and Mrs. Alfred H. Kelly, of Balfour road, like to put themselves out of business.

Their "business" is aiding needy children and their families to attain permanent prosperity, and they are on their way to doing just that with the family of Soterios Geros, whom they sponsor through Save the Children Federation's self-help program.

After writing a happy ending to the story of one struggling Greek family, the Kellys in 1964 took over sponsorship of the Geros family.

Now the Geroses, too, are within sight of their goal of economic self-sufficiency.

Opera Luncheon

The Detroit Grand Opera Association's 1973 Opera Luncheon, followed by the Grinnell Scholarship, Elizabeth Hodges Donovan and Henry Edmond Wenger scholarship finals, is scheduled for Monday, January 29, in the Great Hall of the Detroit Institute of Arts.

Mireille Wilkinson, in between being the perfect hostess to the Leblancs, is taking reservations.

CCW General Session Slated

Pointer Leontine Keane will be speaker of the day next Wednesday, January 24, when the Council of Catholic Women of the Archdiocese of Detroit meets in general assembly at the Gabriel Richard Building in Michigan avenue.

Miss Keane, director of Information for the Division of Urban Extension, Wayne State University, and president of the Detroit Chapter of the Public Relations Society of America, will talk on "Communication—Is Anyone Listening?"

All Catholic Women are invited to attend and to voice their thinking on various areas of the Council program. Reports of the By-Laws and Resolutions committee will be presented.

Mrs. G. SamZilly, of Merriweather road, president of the Council of Catholic Women, will chair the meeting. It begins at 10 o'clock with the celebration of the Liturgy. There will be open discussion and a coffee break. Participants are asked to bring their own sandwiches.

The meeting will adjourn at 2 o'clock.

Organ Guild Presents Program By Pinkham

The Detroit Chapter of the American Guild of Organists will present Daniel Pinkham in a program of organ and electronic tapes Monday evening, January 22, at 8 o'clock at Westminster Presbyterian Church, Hubbell at Outer drive, Detroit.

Mr. Pinkham, internationally known composer, organist and conductor, will explain his music and its use with the electronic media.

Mrs. Espenschade Moves to Symphony

The appointment of Sylvia Johnson Espenschade as promotions manager of the Detroit Symphony Orchestra has been announced by Marshall W. Turkin, Symphony general manager.

Mrs. Espenschade, now in her new post, is responsible for helping develop new areas of sales promotion and community involvement, as well as assisting Wesley DeLacy, public relations and promotion director of the Orchestra.

Sylvia Espenschade was formerly editor of the Detroit Shopping News. She numbers the Women's Advertising Club of Detroit, Women's Economic Club of Detroit and Women in Communications, (formerly Theta Sigma Phi), among her professional affiliations.

Her community activities include membership in Women of Wayne's Grosse Pointe Chapter, the Women's Association for the Detroit Symphony Orchestra, Founders Society of the Detroit Institute of Arts and Speakers Bureau of the United Foundation.

District Dental Ladies To Fete Past-Presidents

Detroit District Dental Auxiliary past-presidents were honored at a luncheon at the Women's City Club, Tuesday, January 16.

District Denial Ladies To Fete Past-Presidents

Detroit District Dental Auxiliary past-presidents were honored at a luncheon at the Women's City Club, Tuesday, January 16.

Annis Gaynor presented the program: "Everything You Wanted to Know About Furs but Were Afraid to Ask."

Hostesses were Mrs. Henry Herpel, Mrs. Paul Butcher, Mrs. J. R. Lyons and Mrs. John R. Champagne.

Convention Scheduled By Industrial Nurses

The Michigan State Association of Industrial Nurses will celebrate its 25th anniversary during its winter conference at Stouffers Northland Inn January 27 and 28, with the Detroit Industrial Nurses Association as hostesses.

Program theme is "Self Worth: How It Affects Our Human Relationships."

ROBERT M. SURDAM, of Provençal road, has been appointed chairman of the Government Borrowing Committee of the American Bankers Association.

CCW General Session Slated

Pointer Leontine Keane will be speaker of the day next Wednesday, January 24, when the Council of Catholic Women of the Archdiocese of Detroit meets in general assembly at the Gabriel Richard Building in Michigan avenue.

Miss Keane, director of Information for the Division of Urban Extension, Wayne State University, and president of the Detroit Chapter of the Public Relations Society of America, will talk on "Communication—Is Anyone Listening?"

All Catholic Women are invited to attend and to voice their thinking on various areas of the Council program. Reports of the By-Laws and Resolutions committee will be presented.

Mrs. G. SamZilly, of Merriweather road, president of the Council of Catholic Women, will chair the meeting. It begins at 10 o'clock with the celebration of the Liturgy. There will be open discussion and a coffee break. Participants are asked to bring their own sandwiches.

The meeting will adjourn at 2 o'clock.

Organ Guild Presents Program By Pinkham

The Detroit Chapter of the American Guild of Organists will present Daniel Pinkham in a program of organ and electronic tapes Monday evening, January 22, at 8 o'clock at Westminster Presbyterian Church, Hubbell at Outer drive, Detroit.

Mr. Pinkham, internationally known composer, organist and conductor, will explain his music and its use with the electronic media.
