of an apartment house in Alameda, Calif., were sifted through by rescue teams looking for bodies. Eight were recovered including that of the Navy pilot of the A7 Corsair jet that crashed and exploded into the apartment house Wednesday night. Authorities listed 14 residents of the Tahoe Apartments as unaccounted for. At least 18 persons living near the scene of the crash were also injured. The Alameda fire chief described the apartment as a "crematorium," although 20 of the 41 tenants did manage to escape before the building collapsed.

**PENN CENTRAL** railroad strikers vowed to continue their walkout today until President Nixon signs the Congressional resolution ordering them back to work. United Transportation Union president Al H. Chesser cited Penn Central's plan to reduce train crews by attraction, inept management of the company, and overworking of the employees as grievances of the strikers. Congress passed a back-to-work resolution yesterday afternoon because of the disastrous economic effects the strike would have in agriculture and in layoffs in auto, coal, and steel industries.

**BRITISH, FRENCH, AND WEST GERMAN FINANCE** ministers met in Paris yesterday to confer on ways to end a nine-day dollar crisis that threatens to collapse a world monetary system that is only 14 months old. West German Chancellor Willy Brandt is reported to have asked President Nixon to devalue the dollar again, a request Mr. Nixon refused. These actions followed a week in which speculators unloaded dollars by the billions, fearing that the dollar will drop lower in value while such currencies as the mark and yen go up in value.

**A NATIONAL ACADEMY OF SCIENCES** REPORT, released by the academy's Environmental Studies Board, said that the flights of large fleets of supersonic transport airplanes (SSTs) might kill 300 American a year and give 8,000 persons skin cancer. The study, partly funded by the government, also said that the exhausts of large numbers of SSTs might partially destroy the earth's protective shield zone and permit increased ultraviolet radiation to penetrate to the earth's surface. The report said the subject was still one for "scientific debate," but warranted "utmost concern."

## Pointe Gets Splendid New Banking Facility

National Bank of Detroit will officially open this beautiful new building between Kercheval and Waterloo in St. Clair avenue next week. Discussing plans are MRS. BETTY CHAPMAN, special events coordinator for the bank, and JOSEPH A. TOLARI, vice-president, who will be in charge of the new unit.

## Woods Fire Losses Cut Drastically

Number of Blazes and Total Damage Far Below Figures for Previous Year

**By Roger A. Waha**  
"Fantastic!" That's the sizzling word used by Woods Department of Public Safety Captain Henry March and in describing the drop in total fire alarms and actual fires in his city last year.

Total alarms fell from 219 in 1971 to 167 in 1972. Meanwhile, actual fires declined from 116 in 1971 to 96 last year. At the same time, the total adjusted fire losses on structural, (including contents), and non-structural blazes dipped from \$63,565 in 1971 to \$22,250 in 1972.

The captain feels a main reason for the decline is the awareness of citizens to the dangers of fire, and the role the mass media plays in this respect. He also said Building Inspector Earl Wakely's work examining stores, schools, churches and theatres is helping "keep people on their toes."

**Dwelling Blazes**  
Dwelling fires fell from 33 in 1971 to 27 in 1972, while mercantile blazes dropped from eight in 1971 to five last year. Dwelling adjusted fire losses derived from \$51,015 in 1971 to \$16,910 in 1972.

In the non-structural fire classification, 59 actual blazes.

## NBD Opens Magnificent New Building in 'Village' On Tuesday, February 20

Williamsburg Style Structure Offers Complete and More Personalized Community Banking Services

**By Kathy Duff**  
A distinct taste of old Williamsburg will be brought to The Pointe with the opening of NBD's regional banking headquarters on St. Clair avenue, just north of Kercheval, Tuesday, February 20.

Architect C. E. Noetzel of Detroit, in preparing the plans for the new National Bank of Detroit headquarters, made a special trip to Williamsburg, Va., to recapture the town's Colonial charm.

It's much like walking down a restored historical street, as a pattern of brick pavers leads from the entrance lobby, and into the main room of the downstairs floor.

On the exterior, carriage lamps add to the Colonial feeling as well as the Mansard roofline and Quoin corners. The Quoin corners recall early American architecture as brick buildings then required reinforced corner structures.

**Sugar Maples Planted**  
Even the landscaping is tied to the Colonial scheme, as five sugar maples, prevalent and popular in early Williamsburg, line the front walk. With their spring time blossoming, they give Pointers something to look forward to come Spring 1973.

The interior conveys some of the elegance of old Williamsburg as a dozen brass chandeliers light the main

room. To the left, upon entrance, are 11 teller stations constructed out of the early American materials of brick, brass and wood. The dark wood desks and Williamsburg reproduction chairs complete the effect.

However, as much as the new NBD building recalls the past, the structuring of the center looks to the future of banking business. It's a headquarters for The Pointe, Harper Woods and adjoining sections of Detroit, and not just another branch office. NBD officials are quick to point out that it's considered one of the most modern and complete banking centers in the state.

**Tolari in Charge**  
Joseph Tolari, NBD vice-president in charge of the center, said that the new regional headquarters "will give the people of the Grosse Pointe area both the advantages of a large metropolitan bank and a more personalized community banking service."

"What this means to customers," he added, "is that they can continue to transact their day-to-day banking business at their branch office, and on special matters go to a center in the neighborhood" (Continued on Page 2)

## Center Sets Blood Drive For Feb. 22

Red Cross Sending Two Bloodmobile Units for Collection in Memorial Ballroom

Grosse Pointe War Memorial Association is making an urgent appeal for citizens ages 18-60 to donate blood on Tuesday, February 22, between 9 a.m. and 8 p.m., where a double unit of the American Red Cross Bloodmobile will be set up in Grosse Pointe War Memorial's ballroom at 32 Lake Shore road.

The Community Blood Bank maintained by the Memorial for free loan to citizens in case of emergency is very low—less than 30 pints. It is hoped as many Pointers as possible will contribute to this cause. Also, this is an opportunity for area citizens to conveniently contribute to any organizational blood bank they care to, or for the benefit of any individual or specific need.

**Make Appointment**  
While the Center is glad to have walk-ins, it is very helpful to have donation appointment cards filled out ahead of time so the load of donors can be evenly distributed and the people processed with a minimum of delay. These appointment cards are available at the Center's office, open each day and evening, except Sunday evening, and through Blood Council chairmen in the churches and organizations throughout the area.

According to Mrs. Shirley Goolsby, the War Memorial's volunteer chairman in charge of this collection, the goal is 200 pints to be donated. Any-one 18 to 60 who has no history of blood disease such as hepatitis or jaundice should be able to give, with the exception of pregnant mothers. Volunteers carefully take each donor's history and screen them.

**"Donate to Humanity"**  
The donation is painless and quick and Junior Red Cross helpers assist with orange juice following the collection. Baby sitters and rides are provided to donors who need them. As Mrs. Goolsby says, "This is a most personal way to donate to humanity."

## See Lake St. Clair Setting Records As Spring Nears

Park Has Sand and Bags for Residents Who Wish to Take Precautions; High Winds Cause Greatest Fear

Residents living along the shoreline of Lake St. Clair can now obtain bags and sand in the battle against a possible overflow of lake water, which the U.S. Army Corps of Engineers predict will reach another six inches by June 15. The prediction means that the lake will crest an all-time high, according to information given to City Manager Robert Slone.

Army officials disclosed that the level of the lake in 1952 was 575.7 feet above sea level, and the latest report shows that the water level is now 576.1, and by the middle of June, this will rise another six inches.

**Wind Causes Floods**  
Slone said that it is not the height of the water so much, but because of its present and predicted June level a high wind could send the water over the shorelines and seawalls, flooding streets and private properties, which could cause an unknown amount of damage.

Recently, strong winds caused the lake to overflow the banks at the foot of Trombley road, flooding this area, but it was nothing compared to the high gale winds last November which caused flooding all along the shore line properties, including the municipal parks, (Windmill Pointe and Three Mile Drive Parks).

Slone said that under certain wind conditions, waves can reach high enough to overflow banks along the shores. If this occurs, according to information released by the Army engineers, the water could reach 577.5 feet above sea level, which could be disastrous.

One encouraging statement made by the engineers, is that if the cold weather holds and freezes the lake, this would hold the water at its present level until spring. Another encouraging aspect, it was pointed out, is that when the thaw comes, the hot rays of the sun could cause enough evaporation to prevent the elevation of the water from going higher.

The city manager announced that the city now has 6,000 bags which were obtained from the Army Corps of Engineers, and that 60 yards of sand are stockpiled at Windmill Pointe and Three Mile Drive Parks and at the foot of Trombley road. The sand bags are all at the Windmill Pointe Park, he added.

Citizens living along the lake, who are interested enough to want to prevent damage or complete destruction of their properties, are urged to obtain bags and sand for this purpose.

**Dike Dirt Stockpiled**  
Slone also said 600 yards of dirt have been stockpiled at the parks, which the Army (Continued on Page 4)

## Judge Speer's January Cases, Fines Set Record

Park Municipal Judge William E. Speer was kept very busy during January, with the number of court cases heard and fines collected breaking his November record, which at the time was the highest for any single month since he assumed office in July 1969.

During January the judge heard a total of 268 matters involving local violations, and ordered fines be paid totaling \$4,548. In addition, last month he heard seven State cases, of which four accused persons were bound over for trial in Circuit Court and three other cases were dismissed.

Judge Speer's November cases totaled 185, and fines levied and collected amounted to \$3,885.

According to information released by the court, regarding traffic and ordinance violations, 132 persons were fined; 11 were given suspended sentences; 33 were found not guilty; 14 were sentenced to a total of 148 days in The Park's local jail and to the Detroit House of Correction (DeHoCo); and 21 persons found guilty were placed on probation for periods ranging from six months to one year.

In addition, 18 motorists had their operator's licenses suspended from 30 to 90 days; 59 persons had their names sent to Lansing for

## Will Ballot On Millage On March 29

Have Until March 5 to Decide Amount to Be Asked and Date of Termination

**by Holly Angell**  
A millage election date for the Grosse Pointe Public School systems has been set for Tuesday, March 29. This action was unanimously approved by the Board of Education at their regular meeting on Monday, February 12.

The Board has until March 5 to determine the amount and date of termination of the millage. It will take these matters under consideration at either the February 26 or March 5 meetings.

William J. Adams, treasurer of the Board, cited reasons for setting March 29 as the millage date.

He stated that to wait until September, when millage is usually voted upon, would not be beneficial for the schools. He felt it would be "foolish" to open schools without definite funds to sustain programs.

**Dates Are Restricted**  
Mr. Adams went on to say that the board was restricted in the number of dates it could select. It was necessary to consider other elections, and the trustees had consulted with the local municipalities before arriving at the March 29 deadline.

Furthermore, since state aid and local adjustments are almost zero at this time, Mr. Adams felt it was more feasible to come before the public at an early date.

All millage voted on in the past will expire on June 30, 1973. These include the 19.7 levy instituted in 1970 and the 1.2 levy approved in September, 1972. The only other funds presently available are the 8.65 mills allocated by the county.

**Sole Dissenter**  
The lone voice of dissent against the millage date was raised by Stanley Fisher, a City resident. He felt it was too early to set a date and thought it should be delayed until decisions were reached on education bills pending in Lansing. He also stated that it would be an added expense (Continued on Page 2)

## Board Amends Behavior Code

An amendment to the high school behavior policy was approved at the Board of Education meeting on Monday, February 12.

The amendment prohibits the use of "any prescription drug where possession or use is not in pursuance of a validly issued prescription or other physician's instructions while on school property or during school-sponsored activities."

The prohibition of prescription drugs is included under section five of the Student Code pertaining to legally controlled substances. Previously the code, which was approved on April 13, 1972, had specified narcotics, dangerous drugs and marijuana.

However, the board felt that it was necessary to itemize non-valid prescriptions as an addition to the dangerous drug list.

Violators of the code face a suspension up to 20 school days for a first offense and suspension for the remainder of the school year for a second offense. In each case, the Youth Service Bureau will be notified and offenders may face legal prosecution.

In addition, the sale, distribution, or delivery of such drugs on school property or during school-sponsored activities also will be cause for expulsion.

### New NBD Building

(Continued from Page 1) rather than NBD's main office in Downtown Detroit. "The opening of this regional headquarters ushers in a new era in the scope and convenience of banking services to the Grosse Pointe community," Mr. Tolari said in citing bank services such as Personal Trusts, home mortgage and commercial loans.

The building replaces the present NBD branch office at Kercheval and St. Clair, behind the Walton-Pierce Store, which will close Friday, February 16. Richard Gardner, manager of the old branch, will remain as manager in the new building.

**Three Service Floors**  
The building's three service floors contain a total of 20,000 square feet of space. The lower level includes a loan center, a mortgage department and a catacomb of safety deposit boxes which can provide mini-vaults for up to 3,000 persons.

The main floor contains the teller booths for day-to-day banking matters. On the second floor is the bank's Trust Division Branch, the second regional trust operation begun by the bank in metropolitan Detroit. Peter Smith, assistant vice-president has been named to handle the trust operation.

The opening of the NBD building will mark another milestone in the Village's transition from mid-20th Century Colonial to 17th Century Colonial. Although representing a regression in chronological terms, it marks an advance in creating a more pleasing Pointe environment.

The building joins with the new McCourt building and the planned Jacobson's expansion in creating the Colonial atmosphere in The Village. The McCourt building, completed in August 1972, is of sand mold buckskin bricks, and has brick arches and a recessed entry area connected to a covered arcade. Ornamental lanterns provide the exterior lighting.

Jacobson's plan calls for a remodeling of its present store to convey the Williamsburg atmosphere, complete with another covered arcade on the Notre Dame side of the building. The 300-car parking structure is expected to assume the lines of the "carriage house" behind the Governor's Mansion in Williamsburg.

**Council Gets Credit**  
Much of the credit in revitalizing the Village goes to the City Council which decided over two years ago that the store fronts in the Village should be based on a central theme. After making an appraisal of the entire Pointe area, they decided

### Woods Fire Losses Drop

(Continued from Page 1) es were reported last year as against 71 in 1971. The biggest drop under this heading was in brush, grass and rubbish fires which fell from 51 in 1971 to 22 last year.

Captain Marchand felt a reason for this decline was that as the community continues to grow, less vacant lots appear on the horizon. No fatalities were reported either year regarding citizens or fire fighters. And no citizens were injured. However, two fire fighters were injured last year while three were hurt in 1971.

"Mothers on Ball" One astounding figure can be seen regarding the amount of cooking fires. Eight such fires were reported last year, while nine were noted in 1971. But here is the "astounding" part . . .

There are 6,368 homes in The Woods. In each home one may figure three meals a day are prepared. That gives an estimated 19,104 opportunities in using a stove, excluding any extra snacks, with only eight fires. "The mothers have got to be on the ball!" exclaimed the captain.

In reviewing the causes of fires, Captain Marchand stressed human carelessness and cited some examples. In one, a resident installed a new gas line and checked for a leak with a match and . . . well, you can guess what happened. Luckily, damage was prevented when the gas was shut off and the fire was doused with water.

Then there was the resident who placed a banana in the oven, forgot about it, and had a nasty scare, much smoke and a well done pech to boot.

He also cautioned against overloaded circuits, faulty wiring and children playing with matches.

Education gives you nothing—it just develops what you are. Profit from the experience of others—correct your own faults.

### Set Millage Election Date

(Continued from Page 1) to run the millage election in the 10 precincts.

Board Secretary Joan Hanpeter refuted Mr. Fisher's arguments. She cited the expiration dates of the current millages as ample reason to call for a millage election.

She claimed further that the legislative reforms in Lansing may take some time, perhaps entailing a constitutional amendment. She could not see any action until August, at the earliest. And these funds would not be available for the 1973-74 school year.

Finally she said that the legislation was not earmarked particularly for Grosse Pointe. Therefore, it was not definite that the school system would get any state aid.

Judge Speer signed bench warrants for the arrest of 65 persons who failed to come to court to answer charges against them; 17 citizens were allowed to pay their fines through the Violation Bureau; and bench warrants were signed against two individuals for violation of probation.

In two city ordinance cases, sentences were suspended; one person found guilty of narcotics violation, paid a fine of \$100 and was put on probation for one year; one paid a fine for being drunk and disorderly; a taxi driver, accused of drinking on the job, was found not guilty; one person was sentenced to five days in jail for contempt of court; and another was given five days for violation of probation.

Woods Councilman Benjamin W. Pinkos was hopeful all council members would attend the meeting of the Milk River Drain Drainage Board, scheduled for Tuesday, February 13, at The Woods Municipal Building. This item was on the agenda of the regular meeting Monday, February 5.

Wayne County Drain Commissioner Charles N. Youngblood, in a letter to the city administration, said a discussion would be held on advertising for contracts for sheet piling necessary to safeguard the Milk River Drain outlet.

Another item scheduled for discussion was the report of Larry Pate, of Pate, Hirn and Bogue, Inc., on the necessity of further storm water sanitary improvements to the Milk River Pumping Station and the Milk River Drain to comply with Federal and State water quality orders.

## GP Park Buys Chemical For Elm Tree Spraying

By James J. Njaim  
The Park will buy approximately 4,600 gallons of Methoxychlor, at a cost of \$2.59 a gallon from the Michlin Chemical Corporation. The city council authorized the awarding of the purchase contract to the firm, which submitted the lowest of two bids, on Monday, February 12.

City Manager Robert Slone informed the solons that the cost has gone up one cent from last year, and two cents over the price in 1971. He said that the chemical will be used to spray both city-owned and private-owned elms one time only, as soon as the weather permits. The temperature must be at least 40 degrees, or higher before dormant spraying can be done.

Personnel of the Department of Public Works and city-owned spraying equipment will be used, as was done in 1972. Spraying will be from the ground, he added.

Slone pointed out that the best method of saturating the elms is by helicopter, but there had been some problems involved, including some of the chemical landing on automobiles and other vehicles parked in the areas, and house windows. The methoxychlor is hard to remove once it dries.

The city had used DDT from 1952, when the Dutch Elm Disease first attacked the trees in the community, through 1967. After that year, because of federal and state laws, the use of this type of chemical was discontinued because of its lethal effect on birds and other wild life.

## Warn Resident About Trapping

A Shores resident, unaware of a village ordinance preventing the trapping of animals, received a warning from police when two traps were discovered near his home Saturday, February 10. A cat was caught in one.

After receiving information about the incident, Shores Corporal Dan Fronczak and Officer Michael Kenyon discovered the animal caught in a small trap behind a row of bushes on the home's front side. Corporal Fronczak released the cat, which scampered away.

Police said the trap was a small game trap with a four-inch span when opened. It was held secure by a 16-inch chain which was connected to a tire iron, driven into the ground. A similar trap also was discovered connected to the iron with a 14-inch chain.

Albert William Beyer, of South Duval road, told police he set the traps to catch cats which had been doing damage to his bushes.

Officer Kenyon informed Mr. Beyer of Ordinance 60, section 2, and the possibility

Twenty Pointers were elected to various posts during the 62nd annual business meeting of the Detroit Area Council, Boy Scouts of America, Tuesday, January 30.

Herbert I. Lord was elected first vice-president of the council, Roy D. Chapin, Jr., vice-president, Byron J. Nichols, vice-president, William H. Klingbell, council scout commissioner, Frank Couzens, Jr., treasurer and Pierre V. Reftier, counsel.

Newly elected members of the board include James Barnes, William Finkenshaed, Edwin Lau, Jack Otto, Benjamin H. Paddock and Charles Trapp.

Re-elected to the board for another term were John N. Bockstanz, Frank S. Hedge, John S. Pingel, Dean E. Richardson, Thomas F. Russell, Paul A. Duker, Robert B. Evans, R. T. Johnstone, Mr. Chapin and Mr. Klingbell.

Mr. Lord was co-chairman of the meeting along with F. Lloyd Smith, the newly elected president.

## Asked to Top Paths in Park

A letter and petition signed by 17 different families regarding the black topping of foot paths at Sweeney Park was unanimously referred to the Committee of the Whole for further study by The Woods Council, with a report back to the council.

The action taken at the regular meeting Monday, February 12.

In their letter to the city administration, the residents said they were "most concerned about the physical condition of the park."

The foot paths, particularly those connecting Marford court, Fair court and Clairview court, have been "mud" for months due to the many thaws and wet weather, they said. "It is especially difficult for the children who use the park for play and as a route to school." So they requested the "established foot paths" be black topped.

Councilman Roger A. Graef asked if any petition signers were present at the meeting. There was no response. Then the councilman moved the communication be received and placed on file, and referred to the C.W. His colleagues agreed.

## City Council Meets Feb. 20

## Woods' Judge Goodrow Retires April 1

(Continued from Page 1)  
 said, "In a sense, they are all a little different because when you are on the bench you consider someone else's liberty. In criminal law, the only penalty is a fine or a jail sentence or both. In that sense, it is not as easy as it looks." He's on police call all the time and has had to hold court on Saturday, Sunday and holiday afternoons.

"Busy Kid"  
 His case load during the past few years hasn't become any lighter. He said the office of municipal judge is no longer the part time position contemplated in The Woods City Charter of 1950 regarding duties and case load. Judge Goodrow noted a community's growth plays its role in this respect. In 1972, for instance, he heard a total of 5,148 cases in The Woods. Fines and court costs assessed that year totaled \$84,122.51.

At the same time, he spent four days a week for the past two years as a visiting Recorder's Court judge on assignment by the Michigan Supreme Court. While at Recorder's Court, he heard examinations, miscellaneous cases and presided over early sessions. But this work ended when the seven new judges were recently elected.

"We had an average of 10 judges there, and in the landlord and tenant division of the Common Pleas Court," he said. Each day an average of 20 to 30 examinations and around 50 to 75 early session miscellaneous cases would be heard. Two or three miscel-

laneous jury trials also would be held each day, he added. And a long with other Pointe judges, he would take his turn in Westland once every three months handling all arraignments for the entire county on individuals arrested the night before. The Wayne County Circuit Court made these assignments. Judge Goodrow then stated, not without a touch of good humor, "You can become a very busy kid."

"Judicial Temperament"  
 When asked about the pressures and strains a judge faces, he replied, "You have got to be able to let it run off your back. If you would take them home with you, you would go crazy. I suppose that is what is known as a 'judicial temperament.'" Besides noting the long hours in this respect, Judge Goodrow also mentioned instances of heckling.

In discussing the way of life of youth today, Judge Goodrow reflected on his many years of experience while sharing some thoughts. He said young people today are not as confined to their own environment "like they used to be," and where they were known to everyone. Today, the "mobility" factor plays an important role regarding behavior.

He felt young people be-

haved better when confined to an area where most people knew them but became "braver" in an area where they were unknown to many. "Kids are smarter today but decision-making is a burden on some of them regarding their own doings and welfare."

While focusing on The Pointe, he described police-community relations as "excellent" in the area.

Practice Some Law  
 Judge Goodrow plans "to practice a little law" after he retires, (he was admitted to the bar in 1938). And he hopes to "fool around" the house and his yard, not to mention checking the nineiron on the rolling green.

Born and raised in Detroit, Judge Goodrow was graduated from Annunciation Catholic High School in 1925. He became a court clerk in 1928 at the county building, continued in that position until 1937, and was graduated from the University of Detroit Law School. He also was a counsel for Hasseps Investment Company. In 1950, he joined the Detroit Bank and Trust Company and was an assistant vice-president there. He retired from that post in 1971.

Judge Goodrow said he was the first chairman of the first Planning Commission in The Woods in the mid-1940's, and was president of the Pointe Kiwanis Club in 1948. Besides that, he was Kiwanis lieutenant governor of this district in 1948, (it included, at that time, Port Huron and Fenton, Mich.). He also was president of the Detroit Curling Club in 1960 and is still an active member of the organization.

The judge and his wife, Shirley, have two married daughters, Mrs. Dwayne (Donna) Morrow and Mrs. Allen (Marilyn) Boganwright, and three grandchildren, (all boys, ages 12, 10 and eight). Both daughters were graduated from South High School and Michigan State University. Judge Goodrow added Marilyn raises Appaloosa horses at Hillsdale and has shown them in Michigan, Ohio, Illinois, Indiana and New York State.

## Admits Theft of Woods Home

Further background information has been received on the arrest of a Detroit man, who admitted to two break-ins and enterings in The Woods. Last week's NEWS story reported the recent arrest of Robert Gerald Russ, 23, by East Detroit police on charges of the breaking and entering of an occupied dwelling.

East Detroit police, during an interview with the suspect, received an admission from him that he had burglarized several houses in East Detroit, St. Clair Shores and the two Woods residences, those of John Hyde, 1882 Fleetwood, and Richard H. Walworth, 1930 Fleetwood.

Woods Detectives Everett Plumb and Theodore Hinz interviewed Russ in the Macomb County Jail Thursday, February 1, where he is being held in default of bond on the break-in charges. At that time, the suspect admitted the two Woods burglaries.

Police said Russ told them he and another subject, whom he refused to identify, didn't get anything from Mr. Hyde's home but took an RCA portable color TV from Mr. Walworth's house. The TV was reportedly sold to a fence in Detroit, which has since been raided by Detroit, East Detroit and St. Clair Shores police. However, the TV was not recovered.

The property taken from the raid is currently being held by the Fifth Precinct, Detroit Police Department. Woods police will contact authorities to see what was recovered in an attempt to

 engineers will use to dike the shore line where areas are lowest, or wherever necessary.

Slone also urged Park citizens to take advantage of the low cost, Federally subsidized flood insurance. Residents, even if they do not live along the shores of the lake, should consider some insurance.

He pointed out that the homeowners who could suffer the most would be those living along Lake St. Clair. However, those further away from the lake, might possibly have their basements flooded from back-up water coming through the basement sewers.

See your insurance agent and discuss with him which insurance would be to your advantage, Slone added.

 or \$34.3 million, after deduction of \$1.08 million for previously distributed snow removal assistance, will go to Michigan's 83 counties; and the remaining 20 percent, or \$20.8 million, goes to the State's 530 incorporated cities and villages.

Of the \$20.8 million, the five Pointes will share a total of \$175,996, as compared to \$157,595 received in the fourth quarter in 1971. A breakdown of the 1972 total revealed that the biggest share, \$62,990 will go to the Woods; \$45,304 will be received by the Park; \$37,147 is the Farms' share; \$20,436, goes to the City; and the Shores will get \$10,159.

During the fourth quarter in 1971, The Woods got \$56,426; The Park, \$40,485; The Farms, \$33,288; The City, \$18,322; and The Shores, \$9,074.

Wayne County's share of the last quarter of 1972 amounts to \$5,851,732. Its share for October, November and December 1971, was \$5,166,019.

## Bon Secours Elects Officers

Gordon E. Simpson, M.D., has been elected president of the Bon Secours Hospital medical staff. A Fellow of the American College of Surgeons, Dr. Simpson has been an active member of the hospital's staff since 1933. He served as chief of surgery in 1962 and 1972 and department secretary for three years.

Other newly elected officers of the executive committee are president-elect John M. Nehra, M.D., secretary Salvatore Longo, M.D., and treasurer Hugh W. Henderson, M.D. Dr. Nehra will also serve as chief of obstetrics-gynecology and Dr. Henderson as chief of medicine.

Other departmental chiefs elected for 1973 are Wilfred Hueggl, M.D., family practice; Roger R. McNeill, surgery; Francis P. Shea, M.D., special services; and David Transue, M.D., pediatrics.

## Medieval Man Focus of Study

Christ Church School, in cooperation with the Grosse Pointe Academy and Saint Paul's Evangelical Lutheran Church presented "an exciting and ecumenical educational opportunity" called "A Day in the Life of Medieval Man" Saturday, February 10.

Students from the sponsoring institutions were offered a one day, in-depth experience of the world of Western European Medieval Society. Through music, food, films, architecture, worship, lectures, tours, costumes and dances, each student had the opportunity to participate in aspects of the life of Medieval people.

Since the Christian Church was perhaps the major influence in the life of Medieval society, it is appropriate the endeavor be sponsored by church-related institutions, noted Father Ralph R. Carskadden, Christ Church School, Sister Rosemary T. Roney, GP Academy, and Father Roland Schaedig, St. Paul's Lutheran Church.

The day began at the Academy at 9 a.m. and ended at Christ Church at 6 p.m. During the day the students viewed four special films, participated in a Latin mass, toured the Romanesque and Gothic wings of the Detroit Art Institute, feasted at a Medieval banquet and were entertained by the costumed dancers and singers of the Collegium Musicum of Whittemberg University, Springfield, O.

Father Carskadden, Sister Rosemary and Pastor Schaedig added they felt this was a significant educational event in the community.

## Another NBD Coffee Concert, Another Capacity Audience

On Friday morning, 2,872 Detroit area women will stream into downtown Detroit and Ford Auditorium. The occasion? NBD's three-hour "Coffee Concert" combining a continental breakfast, a showing of new trends in fashion and an excursion into classical music with the Detroit Symphony Orchestra.

Friday's "Coffee Concert" is the eleventh of these events, each one reflecting our conviction that the cultural arts deserve the support of the corporate community—and the many Detroiters

who have enjoyed them prove their popular appeal.

This same dedication accounted for our promotion of the African Terra Cotta exhibit held recently at the Institute of Arts. It is the reason we produced "The First Detroiters," a new color motion picture tracing the city's history to its origins in France.

At NBD, we believe that fine art and great music are attributes as significant to the city's future as its business and industry. We intend to help them endure.

### Large Crowds at TM Talks

**By Gail Ingham**  
Record attendance for the monthly introductory lectures on Transcendental Meditation (TM), was set Thursday, February 8, as 222 Pointers overflowed the scheduled rooms at the War Memorial.

The evening crowd was cooperative and helped move the chairs to a larger room and even then there was standing room only. Soon the group was listening to Lew and Andree Leonard explain the benefits of the program.

Mr. Leonard commented at the beginning of the lecture, "Since our first introductory lecture series at the War Memorial in December, attendance has doubled each month. This rate of growth is consistent with the growth of interest in TM throughout the country."

In introducing TM to the

audience, the Leonards began by presenting a broad perspective of life. They described life in terms of growth and evolution and explained that the natural tendency of man's life is to grow and expand in ever-increasing degrees of happiness, knowledge, strength and success. Even with the natural tendency of life to evolve, we find around us stress, tension, lack of achievement and fulfillment.

They explained that this was due to man not being able to make use of the full resources of his creative abilities and to provide the body with a deep enough rest to remove deeply rooted stresses and strains. They offered TM as an effective tool with which to unfold the full potential of the individual.

Mrs. Leonard said, "TM is a technique which dissolves deeply rooted stress and strain which restricts a person's ability to live a successful and dynamic life. Not only does TM provide deep rest to the body, but it develops the creative potential of the mind so that the individual can meet the increasing demands of a fast pace of living and enjoy a full and enriching life."

An investment banker in the audience inquired how TM would be of use to him. Mr. Leonard replied that a stock broker in New York who began practicing TM has found great application of the benefits in his business. For him, anxiety has decreased, his relations with others has improved and with a greater clarity of mind, he is able to see a broader range of possibilities and opportunities in his day to day business affairs.

There will be a second introductory lecture at the War Memorial Thursday, February 15, at both 1:30 and 8 p.m.

#### AWARD CONTRACT

On Monday, February 5, the Farms Council awarded a contract to Shock Brothers, Incorporated, to provide the city with work and service to trees located on city property. This includes the removal of dead and diseased trees, elevating trees and the trimming of dead and dangerous branches. The firm submitted a low bid of \$12 per man-hour.

### Detroit Police Find Hot Car

Detroit police located a car Monday, January 29, which had been listed as stolen since Tuesday night, January 23. The car was taken from the Sunoco Station at the corner of Neff and Mack avenue that night while the car owner was in the Marino Restaurant, 17447 Mack.

Dianne J. Lacombe, 5951 Neff, called City police to report her '69 green Dodge Charger missing after leaving it unattended for 20 minutes. Before leaving the car, she locked it and took the keys with her.

City police entered the car as stolen into the LEIN computer and issued a look-out to all local scout cars. Identifying marks were two stickers on the car, Macomb County Community College and Kiwanis Club stickers.

The cost of safety goes up if you try to get along without it.

### Men's Garden Club Honored

The Grosse Pointe Men's Garden Club was recently selected as the 1972 Honor Club of the United States by the National Men's Garden Club, it was disclosed on Monday, February 5.

The Pointe organization was selected on the merits of visiting similar organizations to further knowledge of gardening, going on field trips, visiting gardens of members and other groups and for increasing its membership roll by at least 10 percent. The present membership count is 142, it was noted.

The Pointe club meets on the third Thursday of each month. Its aim is to help amateur gardeners with their garden problems, and for the fun and comradeship in meet-

ing with other fine men living in the Pointe. Coffee and doughnuts are served after each meeting.

During the meetings, new ideas are learned from experts from the University of Michigan and other universities and colleges, on how to grow flowers, especially roses, and how to maintain a beautiful lawn.

Mrs. Fred Schumann, past president of the Garden Clubs of Michigan, will next speak on "Herbs", their origin, growing and uses.

The event will take place at the Grosse Pointe Central Library, Kercheval and Fisher, at 8 p.m., on Thursday, February 15. Friends and neighbors are invited to enjoy this gathering.

Success is merely a matter of getting what you want —happiness is wanting what you get.

### GPHA to Host Hockey Finals

The Grosse Pointe Hockey Association, GPHA, has been designated as host for the District Three finals in the Squirt and Pee Wee Open classifications by the Michigan Amateur Hockey Association, (MAHA). GPHA also has been designated as host for the Michigan State Finals of all district winners in the Squirt Open classification.

MAHA District Three is comprised of the following areas: Grosse Pointe, St. Clair Shores, Warren, Oak Park, Southfield, Royal Oak, Birmingham, Madison Heights and Walled Lake. The District Three finals take place at the Grosse Pointe Community Rink at Austin Saturday, February 17. The Squirt finals are at 10 a.m. and the Pee Wee finals are at 11 a.m.

The finals for Michigan State Playoffs of all district winners in the Squirt Open classification also will be held at the rink the weekend of March 10 at the following times: Friday, March 9: 5-6-7 p.m.; Saturday, March 10: 10-11-12 a.m., and 5-6-7 p.m., and Sunday, March 11: 9-10-11 a.m. and 4-5-6 p.m.

The district and state finals pit the best hockey teams in Michigan against each other and the winners are district and state champions.

**Stolen Wallet Found Empty**

A Detroit woman informed Farms police that when she was about to pay for purchases at the Kroger Supermarket, 18870 Mack avenue, on Thursday, February 8, she found her wallet missing. Mrs. Margaret K. Mulligan of 4403 Chatsworth, personally went to the Farms station to report the loss of the wallet, which she said contained \$90 in cash, a silver dollar dated either 1889 or 1902, and a single dollar bill with "Hawaii" printed across it by the U. S. Government Mint.

She said the wallet apparently must have been taken sometime between 6:45 p.m. and 8:30 p.m., at which time it was missed. The following day, a stock boy employed by the store found the wallet alongside a row of canned vegetables, and turned it over to the manager, who in turn notified Mrs. Mulligan of its recovery, sans all the money, including the silver dollar and "Hawaii" bill. All her personal papers were intact, she noted.

**Parcells Sets 'Drug Update' Program for February 22**

Parcells P.T.O. will host an informational program called "Drug Update" Thursday, February 22, at 8 p.m. in the school auditorium.

A panel of four men will speak at the program and a brief question and answer session will follow. Among the speakers will be the Honorable George N. Bashara, Jr., a Michigan Court of Appeals Judge, and Dr. Joseph Spagnoli, assistant superintendent of instruction of schools. Addressing the audience will be Agent Michael A. Ferrence of the Grosse Pointe Youth Services Division. A former drug addict from Shar House also will speak.

Judge Bashara, a former student of Pointe schools, was recently sworn in as the youngest appellate judge in Michigan history. He is recognized for his extensive work with drug-addicted youth and for his efforts in educating youth to the dangers of drugs.

In March of 1970, Judge Bashara began a program of educating the Junior High schoolers of Wayne County on the dangers of narcotics. Through his unique program of "showing the kids what it's really like," in the courtroom and the jail, he has

**To Hold Paper Drive Feb. 17**

Boy Scout Troop 74 is sponsoring a paper drive on Saturday, February 17 from 9 a.m. to 3 p.m. at the Richard School parking lot.

If papers cannot be brought to the school, call 886-8834 for pick-up. The troop has asked that papers be tied up.

**Figures Given On Building**

SEMCOG, (Southeast Michigan Council of Governments), recently released a report of southeast Michigan dwelling units, based on residential units authorized, for the first six months of 1972.

The Pointe breakdown of dwelling units based on residential building permits, according to the report follows: The Woods: — detached single family units, 14; two-family units and multi-family units, none; gross total, 14; less demolition, one, for a net total of 13.

The Shores: — detached single family units, five; two-family units, none; multi-family units, three; gross total, eight; less demolitions, none, for a net total of eight.

The City: — detached single family units, one; two-family units, four; multi-family units, two; gross total, seven; less demolition, none, for a net total of seven.

The Farms: — detached single units, five; two-family units and multi-family units, none; gross total, five; less demolitions, none, for a net total of five.

The Park: — detached single family units, two; two-family units and multi-family units, none; gross total, two; less demolitions, none, for a net total of two.

The report notes housing units in multi-family structures accounted for 11,689 of the new units authorized in the first half of 1972. This exceeds the units authorized as detached single family units by 1,657 housing units, and represented nearly 58 percent of the new units authorized.

Included in the report are Livingston, Macomb, Monroe, Oakland, St. Clair, Washtenaw and Wayne counties.

Today's miser is anyone who can live within his income.

**Wake up to a brighter morning.**

Sony's FM/AM Digimatic "Lifetime" clock radio.

You never strain to read the time with the Sony TFM-C720W FM/AM Digimatic clock radio.

A specially designed black light system called, "lifetime" makes the big numerals glow brightly. Even in the morning light.

Preset the time once—radio turns on automatically every day. Extra loud buzzer wakes up even heavy sleepers. Sleep timer shuts set off after up to an hour of play.

Graceful hardwood cabinet gleams too in a walnut grain finish, and adds resonance to the rich FM and AM tone.

A clock radio with a bright future—in any light.

**Deadline Set For APO Mail**

Acting upon a request from the Department of Defense, the U. S. Postal Service announced recently that personal mail addressed for delivery through Vietnam Military Post Offices (APO's), will no longer be accepted for mailing after certain designated dates.

SAM and PAL parcels, and all other classes of mail except personal letter mail had to be mailed prior to Monday, February 5 if addressed to any of the APO's listed below.

Personal letter mail addressed to these APO's must be mailed prior to Thursday, March 1, or delivery prior to the discontinuance of the Vietnam Military Post Offices cannot be assured.

Postmaster Edward L. Baker pointed out that these are policies of the Department of Defense and they apply to personal mail addressed to the following APO's only: 96201, 96203, 96205, 96215, 96222, 96227, 96240, 96258, 96260, 96266, 96291, 96297, 96307, 96303, 96309, 96318, 96337, 96347, 96348, 96349, 96375, 96381, 96384, 96388, 96392, 96399, 96485, 96491, 96496 and 96530.

With the exception of letter mail, the above mailing deadlines apply also to FPO 96626. Letter mail to FPO 96626 will be accepted until further notice.

Mr. Baker said military personnel involved will advise their correspondents and mailers of their new address when and as appropriate.

**Entry Deadline for Miss GP Pageant Approaching**

Time is slipping by for young ladies who wish to compete in The Grosse Pointe Scholarship Pageant, sponsored by the Jaycees. The deadline for mailing entry blanks is Saturday, March 10.

Blanks are currently available at the "J" Shop, Jacobson's In-The-Village, and in the main offices at North and South High Schools. And this week's edition of the NEWS publishes an entry blank.

All entries should be mailed to Tom Andris, 715 Blairmoor court, Grosse Pointe 48236.

**City Has Rash Of Bike Thefts**

Perhaps it was the rash of warm weather which hinted at spring and outdoor activities. Weather or not, three bicycle thefts were reported to City police on the same day recently.

George Baudeloque, 275 Moran, reported the theft of two bicycles from Kercheval and St. Clair. The bikes were a boy's 20-inch green Schwinn and a girl's 26-inch pink and purple Sears. Neither bike had a license or serial number.

Later in the afternoon, John Hurley, 501 Lakeland, notified City police that a 26-inch brown and chrome Schwinn had been taken from his garage. The bike was registered at the police station.

**AFS Students Present Talks**

The four students from foreign countries attending North and South High Schools this year spoke in the home of Dr. and Mrs. Robert C. Everett, of Woodland Shore drive, on Wednesday evening, January 31. The audience was primarily adult members of the Foreign Student Committees at both schools, however, persons interested in the foreign exchange program attended.

The two students attending South High School are Peter Moland from Norway and Thuong Lynh Nguyen, whose home is in Vietnam. Peter is living with the Lionel S. Bird family and their son, Jim, of Whittier road. Uynh is residing with Dr. and Mrs. Sebastian Buffa and their daughter, Beth, in Balfour road.

Mr. and Mrs. Donald Yerkes, of Oxford road, have opened their home to Miyomi Harata of Japan this year. Miyomi attends North High School with Nancy Yerkes. Ahmet Erozceni came from Turkey to spend this year with the Jack Ottos and their son, Tom, of Moorland drive.

"Youth For Understanding" is sponsoring Peter and Miyomi. Ahmet and Uynh are sponsored by "American Field Service." Expenses for their stay in the United States are provided partly by the students themselves, partly by the sponsoring organizations and partly by the local community.

The proceeds from the annual Donkey Basketball game, which has become an eagerly anticipated event in The Pointe, are used to defray the costs of foreign students, as well as to help Grosse Pointe students who qualify to spend either a summer or a year abroad with YFU or AFS. The Donkey Basketball Game will be held in late March at North High School.

Following the Wednesday evening presentation, Peter, Uynh, Miyomi and Ahmet are available to talk to garden clubs, church groups or other organizations. Arrangements to host any or all of the students for a daytime or evening program can be made by calling Mrs. Everett at 884-1024 for the North High students or Mrs. Donald Spencer at 821-4355 for the students at South High.

Both schools are accepting applications for homes of foreign students next year. For information about having a student from a foreign country as a member of your family for a year, call Mrs. Glenn Moore, 886-4553, or Mrs. William Ludwig, 885-4982.

**Woods Okays U-L Activities**

The Woods Council unanimously approved the requests of the University-Liggett School to hold a carnival on the University campus, and an antiques show at the Liggett campus this summer. Both requests are subject to the requirements of The Department of Public Safety.

The approval for the requests came at the regular meeting of The Woods Council on Monday, February 5. Charles V. Hicks is chairman of the carnival which will be held on June 8 and 9. Mrs. Harold Frank is chairman of the antiques show which will be held on June 14, 15 and 16.

In his letter of request to the council, Headmaster Raymond P. Robbins expressed optimism that "as usual there will be the incredible amount of help from many people throughout the community who have worked on the carnival and antique shows over the years."

**Trial By Jury Proves Costly**

A Park jury of four men and two women found Attilio Primo, 44, of 1075 Newport, Detroit, guilty of two counts of traffic violations. The jurors deliberated only 10 minutes before arriving at a guilty verdict. Municipal Park Judge William E. Speer presided.

Primo was arrested on November 15, 1972, at 2 a.m., by Park police, and issued a violation ticket for driving a motor vehicle at night without headlights.

On December 3, at 2:30 a.m., he was stopped again by the authorities, and was found to be driving while his operator's license was suspended. He was given a violation for that offense.

Primo appeared before Judge Speer on December 20, and entered pleas of not guilty to both charges and demanded a trial by jury. The judge wanted the accused to have an attorney, or at least legal advice, but Primo insisted on representing himself. The trial date was set for February 7.

Primo did not fare so well, either as his own attorney, and at least on the no car lights charge, as attested by the jury's verdict.

The fine for driving without lights at night would have cost Primo only five dollars, if paid at the Violation Bureau. Judge Speer ordered Primo to pay a fine and court costs amounting to \$30.

The guilty verdict of driving while his license was suspended cost the Detroit a fine of \$150.

However, his troubles were not over. So that Primo can learn some of the finer points of traffic law, the judge ordered him to attend six sessions of court and sit through entire court proceedings each time.

Primo did not fare so well, either as his own attorney, and at least on the no car lights charge, as attested by the jury's verdict.

## Cottage Judged Safe and Sound

Cottage Hospital has received full, two-year accreditation by the Joint Commission on Accreditation of Hospitals, reported Cottage Administrator Ralph L. Wilgarde.

Four national medical and hospital organizations comprise the Commission. They are the American College of Physicians, the American College of Surgeons, the American Hospital Association and the American Medi-

cal Association. "Hospitals seek accreditation voluntarily," Mr. Wilgarde said, "and those hospitals which receive accreditation must pass rigid inspection in all areas of service they provide patients."

JCAH representatives John K. Nattinger, M.D., and Lauretta Stocker, R.N., inspected Cottage in late September.

"Accreditation," Mr. Wilgarde continued, "assures the community and patients that the hospital's physical plant is safe and sound; that the hospital has good facilities and equipment to diagnose and effectively treat patients' illnesses; that special hospital services, such as the dietary department, pharmacy, emergency room and social service department, meet each patient's individual needs; that the medical staff is competent and qualified; and that there is a well-trained nursing staff and adequate hospital personnel."

The Commission also sets high standards for administrative practices, and requires complete medical records on all patients, as well as physician consultation and case review.

"Hospitals seeking accreditation were formerly surveyed every three years," Mr. Wilgarde said, "and beginning this year will be inspected by JCAH representatives every two years. During the odd year, the hospital will inspect itself by filling out self-inspection forms and reporting to the Commission how its recommendations are being met."

## PWP Meeting Set for Feb. 23

The Grosse Pointe Chapter of Parents Without Partners, (PWP), holds a general meeting Friday, February 23, in the War Memorial, 32 Lake Shore road. The gathering begins at 8 p.m.

Gerhard Ritsema, a marriage counselor with an office at the Wayne County Circuit Court, will speak on "After the Bomb: What?" He will focus upon reactions and adjustments to divorce and widowhood.

PWP also is scheduled to accept nominations for its new officers, with an election of 1973 officers to follow.

## Cinema League Meets Feb. 22

Jack Drummond, president of the Southeastern Chapter of the Michigan Botanical Club, will show his color slides on Michigan wildflowers, trees and birds to members and guests of the Grosse Pointe Cinema League in the War Memorial's Alger House Thursday, February 22.

The public, especially those interested in photography and nature trails, are welcome for the 8 p.m. program. Mr. Drummond has been an examiner for the nature and conservation

merit badge for the Boy Scouts of America.

Knowing that names of the flowers and being able to recognize them will make one's trip through the woods and fields more enjoyable. The earliest spring flowers are the Skunk Cabbage and Harbinger of Spring. Other flowers to be viewed and discussed include the Spring Beauty, Bloodroot, Hepatica, Trout Lily, Queen Anne's Lace and Lady Slipper.

Pictures of trees in full bloom will include the Pussy Willow, Paw Paw, Horse Chestnut, Dogwood and Basswood. Bees love the nectar of the Basswood blossoms, and man can make a good tea from the flowers.

Winged friends of the scenic landscape were also caught in Mr. Drummond's lens. The audience will see the acrobatic Chickadees, the wintering Juncos from the far north, Scarlet Tanagers, Cardinals, Red Wing Blackbirds, Grosbeaks and the Monarch Butterfly. The latter migrates south in the fall like the birds. To complete the evening he will show deer, snakes, turtles, frogs, mushrooms and puffballs all with scenic background.

After the pictures with commentary, the audience will adjourn to the dining room for coffee, hot tea and snacks prepared and served by Miss Mable Humphrey, Mrs. A. A. Vermeulen and Miss Peggy Bessert.

## Austin Students To Direct Plays

The Drama Department of Austin High School will present four student-directed one-act plays on Saturday, February 17, at Star of the Sea auditorium. Curtain time is 8 p.m.

Immediately following the performances, the four plays will be judged by Mr. and Mrs. Ron Grieve of the Hillberry Theater of Wayne State University. Trophies will be given for awards in the following areas: Best Director, Best Actor, Best Actress, and two awards for acting excellence.

The plays to be given are: "Charlie Brown," directed by Kevin Keller; "He Ain't Done Right" by Nell, directed by Carl Phillips; "Bench 18," directed by Joe Vermilion; and "Balcony Scene," directed by Maureen Wagner.

The presentation of student-directed one-act plays has been a project of the Austin Players for the past 10 years. The best of these plays will be entered in competition in the WWJ-TV annual festival of one-act plays.

Tickets are available at the door.

## Hit-Run Driver Spotted in City

An alert City officer, Patrolman Richard Lanski, spotted a car Thursday night, January 25, at the Fisher and St. Paul intersection, which had obviously been involved in a recent accident. There was fresh damage to the car.

Stopping the suspicious '69 Pontiac, Officer Lanski checked with the Detroit police department on recent accidents and learned that the Pontiac was sought for a hit-and-run accident on Ashland in Detroit. It was a three-car collision.

The driver, Dennis Alan Setter, 981 Nottingham, was turned over to the Detroit police for investigation of the accident.

## Canine Class Begins Feb. 20

Dog training classes for The Pointe's canine citizens will begin Tuesday, February 20, at South High School's old gym. The owners' meeting starts at 7:30 p.m.

People who wish to enter the course are asked to report to this meeting without their pooches. There will be a brief explanation of the work, a demonstration by former students and enrollment by those who are interested and who have made an advance request at the Department of Community Services' office.

Instruction is provided by the Southern Michigan Obedience Training Club, a club whose members serve as instructors without pay. The head instructor is Raymond Gielegem.

During the course of instruction, students will learn how to teach their dogs to walk quietly beside them in the "heel" position under any circumstances, to stay in one place on command and to come when called. These exercises are based on recommended procedures of the American Kennel Club.

Registration may be made for any dog six months or older, regardless of pedigree or ancestry. While the course is primarily for adults, children 12 years or older may enroll if their parents will assist in their guidance.

For further information, call the department at 885-3808 or 885-0271.

## Fails to Pass Her Inspection

A 16-year-old Allard avenue girl contacted Woods police Sunday, February 4, on a "personal" matter.

It appears the complainant was dissatisfied with the looks of her blind date and declined to go out with him. The lad, she said, had been sitting in front of her house for 20 minutes, so she called police.

But when the scout car arrived, the vehicle and its disheartened driver had left the area.

# 8 great cars in one: The 1973 Audi.

- Presenting the 1973 Audi.
1. It has the same type of steering system as the racing Ferrari.
  2. It has the same trunk space as the Lincoln Continental Mark IV.
  3. It has the same type of ignition system as the Porsche 911.
  4. It has about the same headroom and legroom as the Rolls-Royce Silver Shadow.
  5. It has independent front suspension like the Aston Martin.
  6. It has front-wheel drive like the Cadillac Eldorado.
  7. It has a luxurious interior like the Mercedes-Benz 280SE.
  8. It gets the same expert service as the Volkswagen.
- With the 1973 Audi you'll always get a lot more car for your money. (Or, should we say, a lot more cars.)

**Motorist Hits Police Vehicle**

A St. Clair Shores motorist was arrested and charged by Farms police on Saturday, February 10, when he crashed into a GP Shores police car, causing it to run into another vehicle whose driver had been stopped by the Shores officers for a traffic violation.

According to a Farms accident report, Shores patrolmen Robert Bensinger and Archie Grieve pulled Barbara Gordon of 24262 Petersburg, East Detroit, over to the curb at 2:45 a.m., just over the limits in The Farms, for a traffic violation. While the policemen were out of the car, in front of 423 Lake Shore, issuing a ticket to the woman, Christopher Pray of 26312 Culver, St. Clair Shores, traveling west on the road, struck the left rear end of the police car with the right front end of his vehicle.

The impact pushed the police auto into the Gordon car, causing damage to it. Since the accident occurred in The Farms, police of that city were called and Farms Cpl. Ronald Wooten responded.

Bensinger and Grieve said that the warning flasher of the car was on when their vehicle was hit.

Both the woman's auto and the police car were unoccupied at the time of the crash, and no one was injured.

Wooten said that Pray was taken to the Farms station, where he was issued a violation ticket for drunk driving and another for failing to stop within an assured clear distance.

Pray was released later after posting a bond of \$25. He is scheduled to appear in Farms Municipal court on Wednesday, February 28.

**Police Officers Not Alone, Find Good People Do Care**

With the number of policemen killed in the line of duty mounting annually, and certain segments of the country's population threatening officers and their families with death or great bodily harm, it seems that no one cares. Law enforcement officers stand meekly by as slurs and insults are heaped on them.

These stalwarts, who protect the nation, its cities and citizens, and who are often frustrated in their efforts to bring wrong-doers to justice for breaking the laws of society, take consolation in the fact that there are people who care.

Mrs. Emmet E. Tracy of Provincial road, distributed copies of the following prayer to the Farms Police Department, which was composed by and is being circulated by the Carmelite Nuns, with ecclesiastical approval:

**My Prayer for Policemen**  
"Oh Almighty God, Whose great power and eternal wisdom embraces the universe, watch over all policemen and law enforcement officers. Protect them from harm in the performance of their duty to stop crime, robberies, riots and violence."

We pray, help them keep our streets and homes safe day and night. We recommend them to Your loving care because their duty is dangerous. Grant them Your unending strength and courage in their daily assignments.

"Dear God, protect these brave men, grant them Your mighty protection, unite them safely with their families after duty is ended. Amen."

Police Chief Robert Ferber said that all the officers of his department, including himself, were so touched by the wording of the prayer, and so grateful to Mrs. Tracy for giving it to them, that each policeman took a copy, either to keep in his wallet or to take home to their loved ones.

**Park Disowns Two Avenues**

Jefferson and Mack avenues have been designated as county thoroughfares, but the State Highway Department is preparing an up-to-date, seven-county area map, which includes Wayne County. The Park council on Monday, February 12, has been requested by the Highway Department to approve a formal resolution which states that the avenues are under the jurisdiction of the county and not the city.

A resolution indicating that the avenues are officially county roads, was prepared by City Attorney Richard Rohr, who said that this must be done under a State statute enacted by the Legislature back in 1925.

City Manager Robert Slone said that the resolution is only to show that both Jefferson and Mack belong to the county, which is charged with repairing and maintenance of the avenues, for which it receives revenue from the State Highway Tax Collection Fund, on a quarterly basis each year, for that purpose.

The solons could not help chuckling as they approved the resolution, although the approval was only a formality.

**Woods Okays League Parley**

The Woods Council unanimously authorized any councilman, the city administrator and/or the city attorney to attend the Michigan Municipal League's Annual Legislative Conference Thursday, February 22, in Lansing, and to have any participant's necessary personal expenses reimbursed.

The action was taken at the regular meeting Monday, February 5.

The conference will focus upon the 1973 legislative session and such issues as public employe labor relations, finance and taxation, state land use and zoning controls, human resources and others.

Michigan Week city and village pairings also will be drawn. Mayors' Exchange Day, during Michigan Week, is Monday, May 21.

**Woods Shifting Its Precincts**

By Roger A. Waka

The first reading of an ordinance to revise, establish and describe the boundaries of the election precincts in The Woods was unanimously approved by the council at the regular meeting Monday, February 12. When it becomes final, the previous measure, (Ordinance No. 330), will be repealed.

This revision resulted from the redistricting of the city by the State Legislature. "We could have added a new precinct but felt it prudent to realign the precincts rather than add one," City Administrator Chester E. Petersen told the council.

It was revealed a majority of the city is in one Senate district while another portion is in a new district. As a result, the precinct boundaries were realigned to sustain the Senate district and to equalize the precincts regarding the number of voters in each as much as possible.

When the ordinance becomes final, all effected voters in the precincts will be sent a new registration card by mail.

Of the 12 city precincts, changes were made in eight of them: No. 1, Parcels Middle School as the place of voting; No. 2, Barnes School; No. 3, Mason School; No. 4, Mason School; No. 5, The Woods Municipal Building; No. 6, the Municipal Building; No. 9, Grosse Pointe Memorial Post No. 303, and No. 11, Parcels Middle School. No changes were reportedly made in precincts No. 7, Ferry School, No. 8, Barnes School, and No. 12, Ferry School.

**REQUEST GRANTED**  
The Farms council on Monday, February 5, acting on a petition received from Commodore Albert J. Boland of the Grosse Pointe Farms Club, approved the organization's use of facilities at the Municipal Pier-Park for the club's 1973 social program and annual regatta.

Family tradition is a fine thing only when used to set a course in life — not an anchor. Never look backward unless you are sure you can profit by the mistakes made in the past.

**Name Pointers on Star Team**

Three Pointe youngsters, who swim on the Detroit Yacht Club team, were picked for the first annual Michigan AAU All-Star team. The three fastest swimmers in each boys and girls age group, in each stroke, were chosen to swim in a 65 event dual meet against the Lake Erie, Ohio AAU area in Berea, O., Sunday, February 4.

Eric Rodin, 13, of Westchester road, took home an Olympic size silver medal for his outstanding performance in the 13-14 boys 100-yard breaststroke with a time of 1:08.5. The boy who beat Eric for first is a 14-year-old from Michigan; his time was 1:08.4.

Todd Lindheim, 10, of Yorkshire road, came home the proud possessor of a gold medal in the boys 10 and under, 200-yard freestyle with a time of 2:16.6. He holds the fastest time for that event in Michigan this year and is shooting for the state record of 2:15.2 which was set by his friend, Jordan Kleber, 11, last year. Todd also placed third and was awarded a bronze medal in the 100-yard freestyle for boys 10 and under with a time of 1:04.5. He placed fifth in the 100-yard butterfly at 1:16.0.

Lauri DeSantis, 12, of Pemberton road, was chosen to participate in the All-Star meet for her time in the 11 and 12, girls 100-yard breaststroke at 1:18.0. That time is the second fastest in the state for that event.

**1,350 Children In Tank Meet**

Budding Pointe swimmers on the Detroit Yacht Club team under coach Jeff Longstreth showed future promise in the Ferndale Barracuda meet the weekend of February 3-4. The event, representing 43 clubs from Michigan and Ohio, was long and crowded as 1,350 children were entered.

DYC natators from The Pointe area included Terri Austerberry, 10, Laurel Bacillus, 10, Han Breiden, 6, Denise DeSantis, 6, Berry Fires, 8, Ricki Quinn, 9, Shannon Riley, 8, and Dave Wittwer, 8.

Dave and Berry swam with teammates Scott Gest and Jerry Carroll to place sixth in the boy's eight and under 100-yard freestyle relay. Long hours of practice are showing their worth as each swimmer bettered his times, it's reported.

Laurel and Hans made their AAU debut as neither had participated in statewide competition before.

A native of Chicago, Mr. Winston is survived by his wife, Myra; a daughter, Mrs. Daniel Fleming, and three grandchildren.

Memorials may be made to the Michigan Heart Association.

Interment was in Roseland Park Cemetery.

**U-LS Plans Week in Woods**

The parents and faculty of U-LS Middle School's sixth graders are again preparing for their outdoor education experience. The students will be spending a carefully planned week in the woods at Proud Lake Recreation Area near Milford, Mich. The outdoor school will take place from Monday, April 23, to Friday, April 27.

The program is headed by U-LS sixth grade teacher Carol Johnson and Lower School Science Head, Mike Bowden. Seven faculty members and twelve U-LS juniors and seniors will participate as counselors during the program.

Activities include working with maps and compasses, lake studies and "sensory" ventures into the wilds where students will write about the sights, sounds and smells of the forest. By special arrangement, Don Schrom, head of Upper School Art, will spend one day at the camp helping students doing sketches.

The faculty and counselors of the program invited the parents of all U-LS sixth graders to attend a special meeting held Monday, February 12, at 7:30 p.m. The meeting familiarized parents with the students' schedule of activities.

**Woods Group Holds Election**

Numerous officers were elected at the annual meeting of the North Woods Property Owners Association at the Liggett School campus Tuesday, January 30.

Thomas J. Fahrner was elected president, John Sabol, vice-president and treasurer, E. J. Williams, vice-president and political action, Marguerite Hendrie, secretary, Mr. and Mrs. W. Kurtz, social chairmen, and Beverly Oliver, membership chairman.

Elected trustees include G. Shannon, G. P. Kurze, J. B. Oliver, J. C. Kennedy, R. M. Fetscher, L. Bressler and E. Farbri. The association was founded for the purpose of civic improvement fostering good neighbor relationships and for disseminating pertinent information. For further information, call Mrs. Oliver at 881-8846.

A course in photography is being offered by the Department of Community Services in cooperation with the Grosse Pointe Camera Club, starting Monday, March 5, for a seven-week period. The department has planned and coordinated this course with the Camera Club for many years, and the talents of club members have been tapped to present lectures and workshops designed to help amateur photographers get better results with equipment they already own, as well as those who contemplate the purchase of new equipment. Individual attention will be available for students enrolled in the course. Advance registration will be necessary, and made by calling the department at 885-3808 or 885-0271.

**WHAT CHRISTIAN SCIENCE CAN DO FOR A FAMILY.**

It can bring an understanding of God's closeness and care, helping each one in the family in everything he does.  
It can develop a deep love for the Bible, and joyful obedience to God's law.  
It can teach every member, and the family together, to heal problems in the way Jesus showed.  
How can Christian Science do all this? Through Sunday School classes that strengthen children. Through Sunday services that inspire parents. Through Wednesday testimony meetings where personal accounts of healing are shared. Through Reading Rooms where truths are pondered in quiet. Won't you invite Christian Science into your family's life?

into one of America's most important all-seasons residential/resort leisure colonies.  
  
Rendering of proposed Golf Course and Clubhouse.  
The activities pictured above are representative of those in the Harbor Springs area.

you find some of America's finest championship golf courses and country clubs, such as Wequetonsing, Harbor Point and Boyne Highlands. It's at Harbor Springs that boating—both motor and sail—achieve their ultimate on the Great Lakes. And it is at Harbor Springs that internationally-reported social events invariably seem to occur.  
Birchwood Farm Estate is some 1,700 acres in size. It is situated three miles from the center of Harbor Springs, west on Route M-131, on a high bluff with majestic views sweeping far out on Lake Michigan.  
The property goes back in-land for some 1 1/2 miles. The fully-treed rolling terrain in fact extends to within 5 miles of the slopes and other superior attractions of Boyne Highlands. (All roads are private incidentally, and the community has its own 24-hour-a-day Security Police Patrol).  
Our pledge to uphold every strand of the area—with an added stipulation  
To turn this farmland to its highest and best use, we were selected over a number of other interested parties—after giving our pledge that every standard appropriate to the area would be observed in creating a leisure community of the first rank of excellence and importance.  
If past experience is a guide, a goodly percentage of people will own this leisure-oriented land purely for investment purposes, feeling it will be in ever-decreasing supply at the same time as demand will be increasing with apparent inevitability. (What's more, another notable percentage of families will be acquiring land now for possible building later on. The advantage to doing so at this time of course is their firm conviction that this land will never again be priced at these introductory-phase levels. And, naturally, never again will the initial selection of prime locations be available. Indeed, land later on may not be available at all).  
In the opinion of many, the most desirable location on the entire Great Lakes  
Harbor Springs is usually considered to be a component of a region encompassing four 'arm's length' townships or in the area of Little Traverse Bay—Harbor Springs, Bayview, Petoskey and Charlevoix. It is at Harbor Springs that  
In this day and age, it's indeed difficult to believe that an area to escape to like Harbor Springs could still exist—or that a project like Birchwood Farm Estate could ever come into being.  
And what is Birchwood Farm Estate?  
It's a full-facility community where the most desirable modern aspects of luxurious leisure living are added to the most sought-after heritages of a peaceful American past.  
Where young families can introduce to those who are older a life-style which makes winter, informality and friendliness as irresistible as summer, courtliness and reserve.  
Where interesting and appealing individuals can share common sports and social interests; where there is peace of mind and security in feeling confident that almost certainly will nothing more tempting ap-

Cobras Take Playoff Game

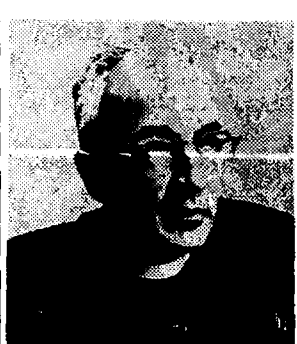

For the first time in Grosse Pointe hockey history, a Pee Wee League house team won a District Three playoff against Royal Oak. The victors are the Cobras, who hold the number one position in the Grosse Pointe House League, under coaches Norm Willson and Lou Vondette. The Cobras defeated the Royal Oak Pee Wee team Sunday, February 4, by a score of 3-1.

Cobra goalie Kenn Herrmann held Royal Oak at bay for most of the contest. Jon Hosking netted two goals for the winners, while Eric Schonenberg scored once. Jeff Nacu had two assists. Other members of the Cobras include Donn Dirven, Barry Hayden, Randy Knoebel, Don Schmid, Mark Schonenberg, Martin Tighe, Frank Urbanic, Louis Vondette and Bruce Martin. The boys credit their success to the fine coaching they have received this season, and also to the enthusiastic support of parents and friends led by cheerleaders Julie Hosking, Joan Urbanic, Mary Schmid, and Debbie Dirven.

The Cobras will represent Grosse Pointe in further district competition at the Southfield Arena Sunday, February 18.

Bishop Emrich Set to Retire

The Right Reverend Richard S. Emrich, Episcopal Bishop of Michigan, will retire March 11 after 27 years of service in the Diocese of Michigan. He will be honored at a banquet to be held at Raleigh House in Southfield, Michigan, the evening of March 1, and at a Service of Thanksgiving to be held at the Cathedral Church of St. Paul at 11 a.m. on Saturday, March 3.

Formerly a Professor of Christian Ethics at the Episcopal Theological School (Cambridge), Bishop Emrich came to the Diocese of Michigan and offered leadership during the period of rapid growth and church expansion. He assisted in the foundation of the School of Theology to pioneer in new ways of training lay people for auxiliary ministries. This experiment has been carefully observed by church leaders throughout the world.

A deep passion for social justice led him into a leadership role in the struggle for racial equality in Michigan. He was the first chairman of the Citizens' Committee for Equal Opportunity, a blue ribbon group which brought many changes to the Michigan scene.

His diocese, which comprises the eastern half of the lower peninsula, will say farewell not only at the principal banquet in Southfield on March first but also at other locations throughout the state, particularly at Alpena February 21 and at Saginaw on February 22.

In recent years the Emrichs have lived in Grosse Pointe at 368 Washington Road.

Sassy Squirrel Defies Helpers

A stubborn squirrel provided some trying moments for a Doyle place resident Monday, February 5. Woods Dog Warden David McQueen discovered the furry one in the fireplace but was unable to nab it as the squirrel crawled up the chimney.

So an attempt to have the bushy-tailed rodent come down was made by setting pans of bleach and ammonia water out but, alas, the liberated beast continued to "play tough."

The complainant finally advised she would have her husband start a fire in the hope the squirrel would cough its way upward.

Edwin K. Wheeler and William E. Blevins have been appointed to the Board of Trustees of Bon Secours Hospital. Mr. Wheeler is the executive vice-president and member of the board of directors of the Evening News Association encompassing WWJ-TV and radio and THE DETROIT NEWS.

Mr. Blevins is the vice-president and director of personnel of the National Bank of Detroit. Mr. Wheeler, a resident of Grosse Pointe Woods, was born in Detroit and attended Detroit public schools, Wayne State University, the University of Michigan and Harvard Business School.

He has been associated with THE DETROIT NEWS and its radio and television stations for the past 34 years and is currently publisher of the News and owner and operator of WWJ.

Mr. Wheeler serves on the board of directors of the United Foundation of Metropolitan Detroit, the Detroit Convention Bureau and the Michigan Chapter of the Arthritis Foundation.

LoCICERO APPOINTED

At a regular meeting on Monday, February 12, the Park council, acting on a recommendation of Mayor Matthew Patterson, approved the appointment of Thomas V. LoCicero of 1106 Three Mile drive to the Merit Board. LoCicero will fill the unexpired term of Kenneth Hoolidge, who recently moved to another community. The tenure will expire on December 31, 1974.

Mr. Blevins was born in Virginia where he attended Marshall University and received a bachelor of arts degree in political science. He also holds a master's degree in personnel administration from City University of New York.

Mr. Blevins serves on the board of directors of the Michigan Society for Mental Health and the Employers Association of Detroit in the capacity of treasurer. He is also chairman of the American Bankers Association Employee Relations Committee.

The appointment of Mr. Wheeler and Mr. Blevins increases to five the new trustees added to the hospital board in the past month. There are currently 16 members on the board of trustees of Bon Secours Hospital, which is involved in a major building expansion program.

Approval Given To Teen March

The Woods Council unanimously approved the permit request made by the greater Detroit chapter of ALSAC for their 1973 teen march for St. Jude Children's Hospital.

This action was taken at the regular meeting of the council on Monday, February 5. The only stipulation made was that the soliciting take place during the daylight hours.

Tag days for the march will be June 20-22, July 27-29, August 3-5, August 10-12, and door-to-door solicitation will be held Sunday, September 16.

St. Jude's Hospital is the largest leukemia referral center in the western hemisphere.

BUYING A SECURITY SYSTEM?

When you buy an apartment at

The Jefferson Apartments Grosse Pointe's newest condominium ... you get not one, but a network of the most modern security systems to guard you, your home and your possessions.

A CLOSED TV MONITORING SYSTEM covers the entrance, outside parking areas and inside garage. The caller can be viewed from a selected channel on the owner's TV set in each apartment. The doorman and manager's office views the same areas.

THE ENTRY COMMUNICATIONS SYSTEM is a new system conceived and engineered by Michigan Bell Telephone Company. Using a touchtone panel telephone in the lobby, the caller dials the owner's apartment. This enables each party to have a private conversation. During the time the caller is in the entrance vestibule, he is under surveillance by the concealed TV camera.

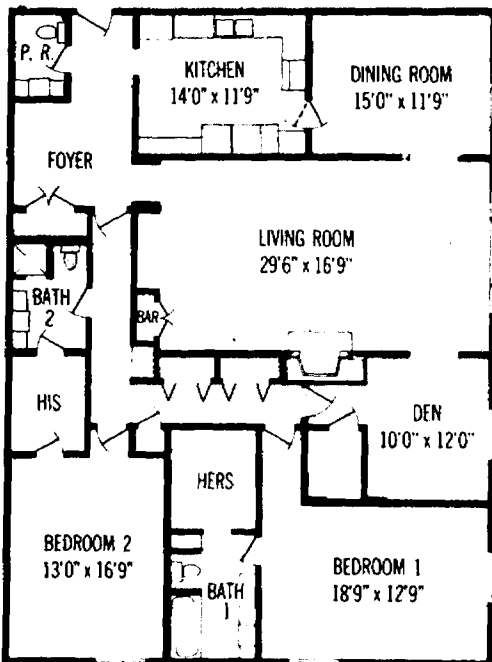

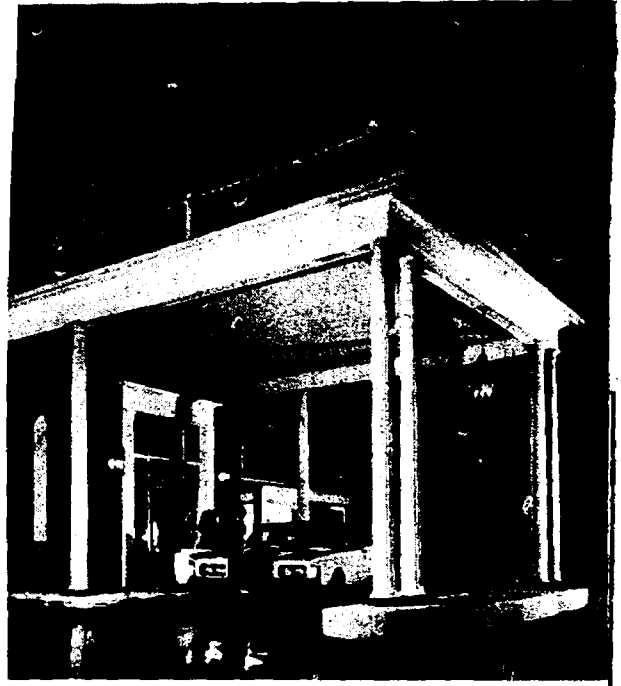

AN ON-GUARD ALERT SYSTEM features a control panel in the manager's apartment and the attendant's office. This notifies of any intrusion into any apartment when the occupants are away. The doorman or manager controls the system by activating the apartment's security supervision at the request of the owner.

THE FIRE PROTECTION ALERT SYSTEM gives added protection to all occupants of the building and will insure notification of each individual occupant of a fire in an unoccupied apartment.

Further elements of security are the uniformed doorman-attendant and resident caretakers.

Besides security, you also get really gracious living. Here is a typical spacious floor plan of an apartment home which features 9 foot ceilings, individual heating and cooling, top of the line G. E. kitchen with an icemaker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet. Natural fireplaces, naturally.

There are three separate elevators and approximately a thousand square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. The Jefferson Apartments is an adult community. Residents are home owners and enjoy tax deductions and the investment security of being a property owner and equity advantages.

The Jefferson Apartments is located 2 blocks from a beautiful park with boat slips, 3 blocks from Grosse Pointe Village shopping, 20 minutes from downtown Detroit by bus. Don't worry about selling your home. Visit us and learn of our new trade-in program for your home, and our new pricing policy. The model apartment is open 12 to 5 daily except Wednesday. The mystery and drama of the Middle East will provide a background for the Assistance League to the Northeast Guidance Clinic's Sixth Annual Crystal Ball; vibrant colors, palm trees and exotic foods will transform the Grosse Pointe Yacht Club into an Arabian Nights paradise.

Mrs. John Elias, of Renaud road, has even turned to the Levant for her ballgown: A Florence Lustig import of gold and white silk georgette, embroidered in Lebanon.

She'll glitter under iridescent silk hanging GPYC foyer, where a birdcage filled with white cockatoos will be surrounded by hanging oriental tapestries and lemon leaves Saturday evening.

She'll glitter under iridescent silk hanging from the grand ballroom's ceiling in a Sultan's Tent effect over blue and gold tables centered with fresh fruits and greens.

It's a setting fit for a Grand Vizier, thanks to decorations chairman Mrs. Randolph Agley, her co-chairman Mrs. Albert Heholt, their committee and talented floral designer Donald Jensen, of The Arrangement.

Mr. and Mrs. Alfred R. Glancy, Jr., will entertain at a pre-Ball cocktail fete at their Lakeshore road estate, hosting patrons of the evening, including, of course, honorary chairmen Mr. and Mrs. Elias.

The Glancys' guests will enjoy music by the Gail Rice Duo strolling violinists between 6:30 and 8:30, when they'll make their way to the Yacht Club, where dinner, featuring tastes and aromas of the Middle East, is scheduled for 9.

At the Club, the cocktail hour will have begun at 8 o'clock, and continuous music will be provided

## 'Lighter Side' Stars Brazilian Guitarists

Los Indios Tabajaras to Perform at Fries Auditorium February 23; Cocktails and Dinner Precede Program

The second in the series of 1972-73 "Lighter Side of Life" programs at the Grosse Pointe War Memorial is scheduled for Friday evening, February 23. The gala begins with subscription cocktails at the Grosse Pointe Yacht Club at 6 o'clock.

The black tie crowd will move to the War Memorial's Crystal Ballroom for dinner.

After dinner, Brazil's Los Indios Tabajaras will perform in Fries Auditorium, directly beneath the ballroom.

It is a long way from the equatorial rain forest of Northeastern Brazil to the concert halls of the modern world—long in time and in distance—but it was in that primitive setting that one of today's major concert attractions was born.

Los Indios Tabajaras are two talented brothers who accidentally found their first guitar, a strange instrument they didn't recognize.

As they conquered their fear of touching this unusual object, they discovered the fascinating sounds it could make, and their primitive ability to make music with it.

Their musical curiosity led

them to Rio de Janeiro, where they took jobs to sustain themselves and to pay for music lessons. They studied and practiced and their development was phenomenal.

After seven years, their efforts were rewarded with an RCA Victor recording contract and a hit record, "Maria Elena."

The fame and popularity of Los Indios Tabajaras spread throughout Latin America, northward to the United States and to Europe. It wasn't long before the brothers were appearing on major television shows, in leading concert halls, as guests artists with symphony orchestras and as a much sought-after attraction on college and university campuses.

They developed stunning programs blending classical popular and folk music.

## Serrano Slates Pointe Concert

Former Hurok artist Juan Serrano, Flamenco guitarist extraordinaire, will perform in special concert at Grosse Pointe War Memorial's Fries Auditorium Tuesday evening, February 27, at 8 o'clock.

Adult tickets are \$2.50. Special student tickets for guitar aficionados through high school age are \$1.50.

Juan Serrano is noted for his lush romantic playing and his spirit of improvisation.

After a Town Hall performance in New York, Theodore Strogis wrote in The New York Times; "There is far more than finger dexterity in Mr. Serrano's playing. He commands a diverse panel of tone color, and he applies it neatly. He plays with beauty of phrasing. . . His performing virtues are universal and can be appreciated as much by just plain listeners as by flamenco enthusiasts."

Mrs. Stephen McGratty is in charge of acknowledgements, while Mrs. John Fleck handles the program, Gertrude Graves the entertainment. The Mesdames David Olson, Jerry Berkey and Thomas Arndt complete the committee chairman roster.

The Crystal Ball, highlight of the Assistance League's year, is designed to provide a grand evening for volunteers and their guests, and at the same time to meet the important need of raising additional funds for the Guidance Center.

Mrs. McCloskey, 881-3516, has information regarding reservations.

## Onward To England

This seems to be Grosse Pointe's International Weekend. . . On Sunday, in the War Memorial's Fries Auditorium, the Detroit Branch English-Speaking Union will sponsor a showing of the color film "Palaces of A Queen," featuring intimate views of Buckingham, St. James and Kensington Palaces, Holyrood House, Hampton Court and Windsor Castle.

Dramatic highlights include the Grand Staircase, White and Blue Drawing Rooms at Buckingham, and the famous Gobelin tapestries in the Queen's Presence Chamber at Windsor.

The movie's fully narrated. The Union welcomes all who are interested in enlarging their knowledge of things British. There is no admission charge.

## Patriotic Day For Musicales

Music of contemporary American composers will be featured at Tuesday Musicales of Detroit's seventh morning concert next week, February 20, at 10:30 o'clock, in the Lecture Hall of the Detroit Institute of Arts.

President Mrs. Charles Bryant, of Holiday road, has announced that four composers will be represented on the program: Henry Gilbert, Peter Dickinson, Roy Harris and Detroit's own Joseph Hayes.

Duo-pianists Alice Ellison and Laurie Lindemulder will play compositions by Gilbert, outstanding among American composers for his use of folk tunes as musical themes, and Dickinson.

Joseph Hayes' compositions, "Recitative and Air" and "Hornotations #1," will be played on the French horn by Ernestine Barnes, accompanied on the piano by Pointer Myra Brown. "Hornotations #1" was composed especially for Mrs. Barnes.

Concluding the program on a very patriotic note will be Roy Harris' setting of Vachel Lindsay's "Abraham Lincoln Walks at Midnight."

Tuesday Musicales members presenting this composition are Alice Engram, mezzo-soprano, Agnes Hutchins, pianist, a guest performer, Lucille Zocharski, violinist, and Joy Greenleaf, cellist.

The program has been planned by Marian Parkins, with Bernice Van Husen, general program chairman.

## Miss Allard Bride Of John Plesivec

Home in Detroit Awaits Pair Upon Their Return From Vacation in Bahamas; Thomas Manor Reception Follows Candlelight Rites

Detroit's Immanuel United Methodist Church was setting for the Saturday, February 3, candlelight wedding of Judith Ann Allard, daughter of the Charles Allards, of Oxford road, and John Joseph Plesivec, son of the John Plesivecs, of Farmington.

Officiating at the 6 o'clock double ring ceremony, which was followed by a reception at Thomas Manor, was The Reverend James R. Timmones.

The newlyweds are vacationing in the Bahamas. They will return to Detroit to make their home.

The bride's Empire-waisted, high-necked gown featured a high neckline and long sleeves ending in wrist points. Appliques of pearl-embroidered Alencon lace accented her bodice, sleeves and Cathedral train, and a wide lace band hemmed her skirt.

A Juliet cap of pearl-studded lace caught her Chapel length illusion veil. Her cascade of white cymbidium orchids was centered with an orchid corsage.

Attendants were honor matron Mrs. Arthur Fischer, of Milford, bridesmaids Mrs. James Grizzle, Jr., and Mrs. Vincenzo Amore, the bridegroom's sisters, Carol Obelnicki, Charlotte Catania and Mrs. Robert Genovich, and flower girls Michelle Griz-

zle, the bridegroom's niece, and Wendy Honstain, the bride's cousin.

Their long frocks of ruby chiffon velvet were fashioned with white lace yokes and stand-up collars, and featured long lace sleeves ending in wide cuffs. Narrow lace bands circled their waists.

The senior attendants carried nosegays of pink and white carnations and red roses, the flower girls baskets filled with matching flowers.

Best man was Daniel Reardon. Ushers were Vincenzo Amore, Robert Pugsley, the bride's cousin, Allen Nameth, the bridegroom's cousin, Henry Bozich and Richard Rue.

Ring bearer was James Grizzle, the bridegroom's nephew. Acolyte was Earl Allard, Jr., cousin of the bride.

Mrs. Allard chose a long-skirted, long-sleeved, high-necked gown of aqua brocade for her daughter's wedding. The bridegroom's mother wore a floor length pastel pink sheath, styled

## Mr. Berschback To Claim Bride

Mr. and Mrs. James Robert Thompson, of Okmulgee, Okla., are announcing the engagement of their daughter, Mary Marie, to Thomas Paul Berschback, of Lakeshore road, son of the late Mr. and Mrs. Don F. Berschback.

Miss Thompson, a graduate of Stephens College, the University of Tulsa and the University of Oklahoma, is a primary teacher in St. Louis, Mo., and is writing of her experiences in the ungraded classroom for Harper and Row.

Her fiancé, an alumnus of the University of Detroit, has done graduate work at the University of Oklahoma and expects to receive his Master of Arts degree in Mathematics from Purdue University this summer. He teaches Mathematics at Grosse Pointe South High School.

The wedding is planned for April 14, in Oklahoma.

with short sleeves and a round neckline.

Both mothers selected orchid corsages.

Out-of-town guests included Mrs. P. M. Smith, of Halifax, Nova Scotia, Mrs. W. A. DeLong, of Kentville, Nova Scotia, the Andrew Ferrillas and their son Edward, and the Joseph Plesivecs and their mother, of Cleveland, Mr. and Mrs. R. E. Wiggins, of Macomb, Ill., Edward Mosher, of Dracut, Mass., Mrs. Nathaniel Mosher, of Lowell, Mass., and the H. W. Heard, of Macomb, Ill.

## Mrs. John J. Plesivec

Exchanging marriage vows Saturday, February 3, in Immanuel United Methodist Church were JUDITH ANN ALLARD, daughter of Mr. and Mrs. Charles Allard, of Oxford road, and Mr. Plesivec, son of Mr. and Mrs. John Plesivec, of Farmington.

## Inside The Mothers' Club

The goals and problems of the Grosse Pointe South High School Student Association were discussed by its president, Jeff Jay, at the February 5 South High Mothers Club executive board meeting.

Jeff also described the Student Union to the board, as a group formed spontaneously at North High due to dissatisfaction with the Student Association. The main purpose at both schools now, however, is to encourage student participation—particularly that of underclassmen—in school activities and hitherto unused opportunities.

The Union is an after-school group, not school-sponsored.

Jeff expressed the hope that more underclassmen would be represented in the Student Association next year, so there would be some "carry over" from one year to another.

He has suggested that election of class officers be held in early spring, and that their training begin immediately. Second hour, (formerly home room), representatives will be elected to the Student Association in February.

The Association meets every three weeks, but the split

school day has made attendance a problem.

The Eastern Michigan League, of which South is a member, hopes to expand into more than an athletic league by planning seminars for the seven schools involved.

The Student Association is pushing for more exchange days with high schools in the city, to develop rapport with other students. Cass Tech and Martin Luther King, Jr., have been suggested.

Jeff concluded by thanking the Mothers Club for its help as "adults the students can rely on."

Scholarship Applications Mrs. Donald Briggs, scholarship chairman, announced that March 16 is the deadline for scholarship applications, but predicted many would be in well before then.

Faculty Representative Mrs. Benson McClure showed copies of the Course Guide for 1973, pointing out some new, exciting offerings for next fall—classes in creative writing and art history, for example.

Next year's seniors, said Mrs. McClure, will all be enrolled for five classes, unless a statement is received from the family exempting a student for emergency or health reasons.

Spring Benefit Mrs. Francis Crowley, Spring Benefit chairman, received the board's approval to raise ticket prices to \$3. Plans include a salad luncheon followed by a fashion show, optional card-playing and prizes.

Theme for the scholarship party, to be held Wednesday, March 28, is Paris in Spring. Tables will be set up in eight-rooms as well as foursomes this year.

The Ninth graders will hold a Fun and Games Night Saturday, February 24, at the Neighborhood Club, according to Ninth Grade Chairman Mrs. Cavalier Worrell. Admission will be 35 cents, and plans call for ice skating and free music.

The senior class is sponsoring a Winter Carnival at South High February 17, complete with an Emperor and his court.

Among candidates for Queen of the Hillsdale College President's Ball is senior LYNDA LENAHAN, a Grosse Pointe South High School graduate, daughter of Mr. and Mrs. Denis Lenahan, of Crescent lane. Lynda, an active member of Kappa Kappa Gamma sorority, is majoring in Business Administration at Hillsdale.

## Illinois Rites For Miss Olert

Carol Lee Olert chose a gown of antique ivory silk faille and Venice lace for her marriage in the First Presbyterian Church of Evanston, Ill., Saturday, January 27, to Robert H. Lounsbury, Jr.

The dress featured a high Victorian neckline, full Bishop sleeves, a fitted bodice, gathered skirt and detachable chapel train.

She wore a matching bow headpiece and carried red and white roses.

The daughter of The Reverend and Mrs. John Olert, of Saddle lane, was given in marriage by her older brother, John R. Olert.

Officiating at the noon rite: was the bride's father, pastor of Grosse Pointe Woods Presbyterian Church.

Mrs. James Scott, matron of honor wore a frock of moss green crepe, designed with a high stand-up neckline, full Camelot sleeves, fitted bodice and gathered skirt, and a matching bow headpiece. She carried red roses.

Parents of the bridegroom are Mrs. E. Stewart Epley, of Stephentown, N.Y., and Robert H. Lounsbury, of New York City.

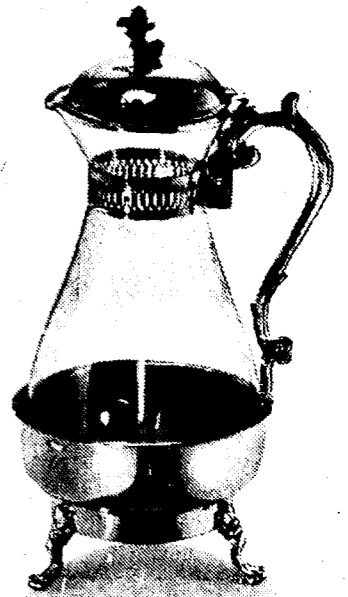

Royce Field served as best man. Ushers were David Olert, brother of the bride, James Scott and Andrew Nelson.

Immediately following the ceremony, the newlyweds and their parents received friends and relatives at a wedding luncheon at LaMaisonette, Skokie, Ill.

The bride is a teacher of English in the Evanston Township High School. Her husband is sales manager for Nationwide Electronics in Chicago, where the couple will reside upon their return from a Hawaiian vacation.

## AMIT Dance Fetes Italian Ambassador

"Serata di Gala" Proceeds Will Benefit Maria Lalli Honorary Fund for Scholarship; GPHY to Be Party Scene

American-Italian Professional and Business Women's Club will present a "Serata di Gala" dinner-dance, honoring His Excellency Egidio Ortona, Ambassador of Italy, and Mrs. Ortona, as their annual fund-raiser.

The party is planned for Wednesday, February 21, at the Grosse Pointe Yacht Club. Cocktails begin at 7, with dinner at 8:30 o'clock.

Proceeds will go into the Maria Lalli Honorary Fund for Scholarship, and will be used this year to aid graduate students working toward Master of Arts degrees in Italian Language and Literature.

Mrs. Lalli, AMIT founder, is among "Serata di Gala" party-planners. Mrs. Joseph N. Impastato is honorary chairman.

General chairman is Mrs. Felix P. Abaldo, of Canterbury road. Rita's parents were emigrants from Italy, and she is the youngest of 13 children, (nine of whom eventually entered the professions), a graduate of Mount Mercy College, Pittsburgh, and a Registered Nurse.

Mrs. Abaldo has worked at Harper, Saint John and Jennings Hospitals, and at the League for the Handicapped. She is married to an M.D. The Abaldos have lived in The Pointe for 24 years. They have two daughters: Angela, a Dental Assistant, University of Detroit graduate, due to be married this September, and Lisa, a student in Special Education at Eastern Michigan University.

Through the years, Rita has maintained her interest in civic affairs, serving as a Girl Scout leader for eight years and working for the March of Dimes and the United Foundation, in addition to AMIT charities.

Assisting Rita Abaldo as general co-chairman is Mrs. Denis Luz, of Stephens road. Mrs. Fedele Bianco, of

Warner road, heads the decorations committee. Mrs. J. Dennis DeSantis, of Pemberton road, is in charge of invitations.

Mrs. Dominic Pucci, of Moran road, is responsible for favors. Mrs. Mark Valente, of Whittier road, for entertainment.

Planning is the responsibility of Mrs. James Barnes, program of Miss Rose Giglio, patrons of Mrs. Dominic Rossi.

The Mesdames Nino Uberti, Aldo Omaviani and Andrew FaMo are accepting reservations, while Mrs. John Basso handles arrangements and Miss Bridget Giola and Mrs. James Holden head the advertising committee.

Hostesses will be past AMIT presidents, including Pointers Mrs. Thomas Lo Cicero and Mrs. Pucci, and the Mesdames Edward L. Baker, Arthur Desantis, Dominic Rossi and Frank Franco and Miss Alma Petrini.

Egidio Ortona was chosen to be Italy's Ambassador to the United States in May, 1967. He entered the diplomatic service in 1932, and was successively assigned to Cairo, Johannesburg and London.

He was sent to Washington in 1945, and remained at the Italian Embassy there, serving in various capacities, until 1958, when he was appointed Italy's Representative to the United Nations. He presided over the Security Council in 1958 and 1960.

Recalled to Rome in 1961, he served as Italy's director of Economic Affairs. Appointed Secretary General of the Ministry of Foreign Affairs in September, 1966, he retained that position until his appointment as Ambassador to the United States. The Ortonas have a married daughter in Italy and a married son, who is Italian consul in Montreal.

## Will Wed

Photo by Embassy Studio

Students Earn Music Honors

Many young instrumental music students from the Grosse Pointe Public Schools participated in the annual Junior High School Solo and Ensemble Festival on Saturday, February 3, held at Henry Ford Community College in Dearborn.

North Cagers Receive 'Boost'

By Phil Guastella
Playing without their leading scorer and defensive player, Ron Zenn, North High received a big boost from Dave Chapman and defeated the L'Anse Creuse Lancers, 65-56, last week.

In the first half John Puleo tallied six of his eight points for North. Coach Ray Ritter was very pleased with Puleo's efforts.

Coach Ritter was pleased with the way his players performed. He particularly noted Humes and Kiley. "This was the fourth consecutive game where Jeff scored in double figures, two before his illness and two after. We need this scoring from our forwards."

"It was also good to see Kevin score in double figures as he's been battling a little slump. He played a good defensive game for us, and on offense he directed the team. His seven assists were high in the game."

North dominated the boards, 36 rebounds to only 15 for the Lancers. Puleo was high with 12 and Gerry Humes hauled in 11 rebounds.

The torrid shooting of Len Palmeri and Rick Reagan led Fraser to a surprising 58-52 victory over the Norsemen.

Palmeri fired in 18 of his game high 24 points in the first half, as Fraser built up a 34-20 halftime advantage.

Fraser hit an unbelievable 68 percent from the floor, connecting on 32 of 47 shots. North was a respectable 24 of 57 to 42 percent.

Thief Likes TV But Not Radio

The burglar who broke into the home of the Neil Van Tongerens, in Nottingham road on Saturday, January 27, left the house with a small portable television set and a portable radio. The radio was later recovered in the rear yard of another home in the Park.

According to information given to Park authorities by Van Tongerens, there was no one home between 8:30 p.m. and 9:45 p.m., at which time he arrived home and discovered the rear door lock had been broken and the door was standing ajar.

On checking to determine what was missing, he told police, he discovered that a Sony black-and-white TV and the radio missing. Nothing else seemed to have been taken.

Lt. Gordon Duncan, who released the information on the break-in, said that the radio was found the next morning in the rear yard of 930 Beaconsfield, where it had apparently been discarded by the burglar. This could indicate that the thief had escaped through the alley, the lieutenant surmised.

Figure Skaters Perform Here

A Pointer was one of five amateur figure skaters who entertained University-Light Figure Skating Club members and students Monday, February 5. The event took place at U-L's artificial rink.

Mrs. Clementine Rice, figure skating pro at U-L, said the skaters included Kathi Abela, 13, of Saint Clare School in The Park. She is a competitive skater in both the United States and Canada.

The program began with the skaters giving a demonstration of one figure from each level of the required school figure tests. Then they performed a bronze medal dance, a silver medal dance and concluded with the toughest, a gold medal dance, said Mrs. Rice.

Besides Kathi, the other skaters included Mary Kay Behen, 15, of north Detroit, Julie Newton, 12, of Windsor, Ont., Keven Hicks, 13, of Windsor and Lee Armstrong, 16, of Chatham, Ont.

Crescent Sail Elects Officers

The Crescent Sail Yacht Club, 276 Lake Shore road, recently announced the following men have been elected to 1973 offices: Commodore George T. Satterley, of Detroit, Vice - Commodore George N. Smith, of St. Clair Shores, and Rear-Commodore Earl R. Zuehlke of St. Clair Shores.

New members of the board of directors include Richard Grenzke, 454 McKinley, and Jack Leverenz, 1023 Bishop, and Philip McCallister, of Auburn Heights, Mich.

Pointer Cited For Ice Play

A Woods athlete, who is currently attending and playing hockey for the University of Denver, recently received two honors.

Rob Palmer, 20, of Blairmoor court, received an engraved silver bowl as the "Outstanding Young Forward" in competition in the World Cup Tournament held in Colorado Springs, Colo., and Minneapolis, Minn., from December 30 to January 2.

He also has been selected to play for the United States national hockey team in Graz, Austria, in the World Amateur Hockey Tournament in March. The team will play exhibition games in Belgium and Switzerland. This will be after the collegiate season since the club is composed of the top collegiate players in the country.

Last season, Palmer was drafted by the Chicago Blackhawks of the National Hockey League and by the Houston team of the World Hockey Association.

Bruins Start Tourney Play

The Grosse Pointe Bruins sponsored jointly by Pro-Systems, Inc., and Mallard, Inc., have started their district playoff games to qualify for the state finals at the Grosse Pointe Community Rink in March. The club stands at 65-6-3.

The Bruins drew the St. Clair Shores "Lil Saints" in their round of play and posted a 5-0 victory. Alan Taber scored twice and Matt Costello, Bill Seaver and Scott Seaver netted single tallies.

In three league games during the past week the Bruins came up with victories. On Feb. 4, for example, they played Little Caesars and won, 5-0. Drew Mascarin was credited with another shut-out. Taber scored twice and the other three were provided by Costello, Mike Burkheiser and John Davies.

The Bruins also won convincingly in four recent exhibition games: beating Fraser, 5-1, Sarnia, 5-1, Farmington, 9-2 and Wallaceburg, Ont., 7-1.

A Bachelor of Science in metallurgical degree was awarded to John Marvin Meininger.

A Bachelor of Science in family consumer resources was received by Linda Carol Babich.

The battery of a 1959 Thunderbird was taken while the car was parked in its garage. Mrs. Charles Creedon, the owner, 17525 Maumee, reported the theft to police on Monday, January 29. She said the hood of the car was up but the cables were not cut.

South Cagers Regain Form

By Mark O'Keefe
The Devils seemed to have easily downed Port Huron Northern, 62-49, and then coming within 12 points of beating Ann Arbor, the State's top team.

South will try to be the spoiler when they meet the Fordson Tractors in Dearborn tomorrow, February 16. The Tractors have lost only one game this season and are undefeated in league play.

Jim Bird continued his scoring surge against Northern on Tuesday, February 6, with 19 points. Jim Scala played strongly and scored 13 points while Dave Gaitley contributed 12.

Ann Arbor's Bob Elliot scored 42 points and was largely responsible for South's 85-73 defeat Saturday, February 10. Ann Arbor jumped to a 20-13 first quarter lead and the two teams played nearly evenly for the remainder of the game.

Early in the third quarter, Jim Scala fouled out with a little help from the "ref." The loss hurt the Devils as did several other questionable calls.

Gaitley played one of his best games, scoring a team

high 24 points, while Bird added 15 and Mike Stavale netted 10. Jim Wilson and Pete Grambo also had good games scoring 9 and 8 points, respectively.

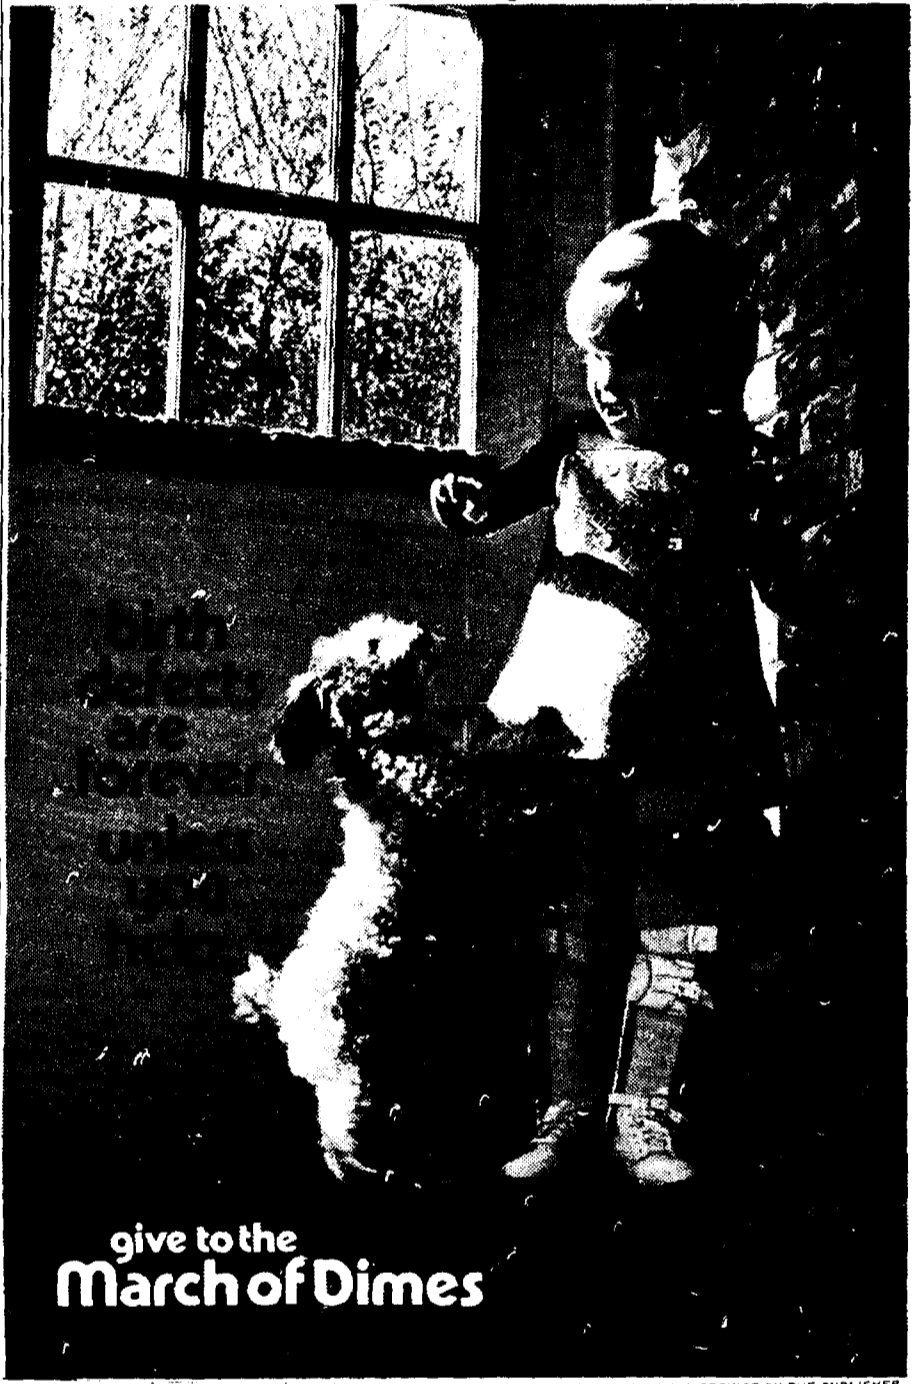

After losing to Highland Park by 29 points a week earlier, South's performance was encouraging.

Blame Alcohol For City Crash

Edward Crane, 48, 702 Notre Dame, was charged with violation of the Drunk Motor Law on Thursday, Feb. 1.

On the evening of the first while he was driving south on Notre Dame from the St. Paul intersection, Crane crossed the center line and struck a car owned by Anna Louise Brossy, 588 Notre Dame. Her car was knocked backward and, in turn, hit another owned by George Busarich, 10045 Grayton, Detroit. There were no injuries reported.

Crane was apprehended by City police. He was taken to the Woods police station for a breathalyzer test. He was then freed after posting a \$100 cash bond. A court date has been set.
