Volunteers Aid Park, City in Dikes

(Continued from Page 1)
 And as always, there is a group on hand to make sure that the hard working volunteers, during rest breaks, are fed, and that was the Environmental Action Now (EAN) members, under the supervision of the organization's president, Mrs. Jeanette (G. William) Duffield.

Mrs. Duffield and her group served hot chocolate and an uncounted number of sandwiches to feed the hungry workers. Counted among those who contributed toward feeding the "labor of love" volunteers, was Park Councilman George Verdonck, owner of the Verdonck Bakery, who donated many dozens of donuts and sweet rolls, enough to "go around."

Park Mayor Matthew Patterson expressed the thanks of his community and the city council, and of City Manager Robert Stone for the tremendous effort being made in the battle against the possible dangers expected from the high level of the lake.

Rewarding Experience
 "On behalf of myself, the city council, and the city administration, we wish to express our sincerest thanks to those youngsters and adults who contributed their time and effort in this very vital project," Mayor Patterson said. "It is heart-warming to know that in times of emergency, the people of the community can be counted on to help. I also wish to extend our sincerest thanks to those from outside our city who came to help. When help is really needed, there are no city boundaries; we are all one in working in a common cause."

City Mayor John King's comments echoed those of Mayor Patterson's.

"What can we say to these people, except extending our sincerest thanks for working in our behalf," Mayor King said. "We wish to especially thank the young volunteers, their parents, our city employees, including City Manager Tom Kressbach, for a job well done."

Weather No Help
 Mrs. Duffield had this to say: "On behalf of the com-

Shores Warns Residents on Lake Levels

(Continued from Page 1)
 will give advice to any resident relative to sandbagging against flooding and other precautionary measures.

The topography of The Shores is such that the water will flow back into the lake in case of flooding. There are now no land basins in which water will collect as in neighboring communities.

As far as the sewer system goes, the village is in good shape. Its system is described as a hybrid one as different sections were built as the village grew.

All "dry weather flow" runs by gravity to the south end of the village where pumps are provided to lift dry weather flow from deep levels to outfall sewers. From there, it is pumped to the City of Detroit treatment plant in West Jefferson avenue at the River Rouge.

Four Overflow Points
 In most cases, water from the roofs of homes also goes into the same sewer, as does some water from road catch basins. The sewer system has four overflow points along Lake Shore road which work by gravity, flowing into Lake St. Clair, and one location where excess flows are pumped into the lake.

Residents can help alleviate the sewer system problem by disconnecting roof conductors and letting the water flow onto the land, or where possible, into driveways so that the water ends up in the street. Some system of piping should be provided so that the rain does not flow down along the house foundation,

which will defeat the program and cause problems with basement walls.

Village officials do not have sufficient information at present about basement levels for each home to be able to predict the effect of high lake levels relative to flooding. A survey crew has been called to make an assessment.

The Shores Council is assured that the principal sewer pumping station has had excellent power reliability through the use of two power lines originating in separate Detroit Edison substations and reaching the pumps via different routes. Even though there is no record of complete power loss, the council has ordered a large gasoline driven pump as an extra precautionary measure.

YSD Helps Communities

(Continued from Page 1)
 and religion," said the agent. Church, parents, Rotary, Kiwanis and other groups are forums for YSD speakers within The Pointe and without.

All must strive towards the solution of various youth-oriented problems.

Main Concern
 The primary concern of the communities is the drug problem, according to Ferrence. But there's also the problem of youths' rationale when trying to defend certain positions, youth sub-culture, motivation and/or the lack of it, et. al., he added.

He notes some parents try to abdicate their responsibility of raising their children. "We can't touch them with a magic wand and make it better." Here, of course, the discipline problem intrudes. "A parent doesn't have to be harsh, but be consistent," he stated.

At the YSD, "we don't try to put a bandage on a wound but strive to eliminate it," said Ferrence. And to help "eliminate the wound" the division draws upon a wealth of information including ministers, school personnel, psychiatrists, social workers — the list is endless. "We would do a great disservice to assume all these roles. We must be broad-based to realize a problem to make a referral or decision," he added.

"Some Way"
 "There's always some way of working with a youth." And to work with a youth, the YSD calls on other "team members."

"Most Youth Service Bureaus would not go any place without drawing on the community," said Ferrence. Bridges must be built between different people and groups. And helping to build and reinforce these bridges are the liaison officers in The Pointe and other communities.

The liaison officers "spread the word" on motivation and cooperation within a community and between communities.

Liaison means teamwork.

Pair Arrested by Police After Patient Stakeout

Park police are working on clearing several burglaries in their community, and possibly in other cities, with the arrest of two Detroit men on Monday, March 12, by Park and Detroit authorities.

Arrested were Harvey K. Sampson, 18, and John W. Emery, 21, both of 4214 Newport. Sampson was arrested by Detroit police, with the aid of Park Det. Sgt. James LaPratt, on Monday, March 12, and arraigned before Detroit Recorder's Court Judge Henry Heading on the same day.

Park Lt. Gordon Duncan said the accused men broke into Easterman's home by prying open the sliding door of the sun porch at the rear of the house, then breaking the glass of the rear house door and reaching in and unlatching the lock.

The alleged thieves took an assortment of change, some wrapped coins and three diamond rings from a bedroom dresser drawer, then went into Easterman's garage, from which they took his 1969 Chevrolet station wagon, with the ignition key still in it.

It was believed that Sampson and Emery were involved in the theft of a small gray combination safe, a 12 gauge shotgun and other items taken from the home of James A. Addy, 1317 Kensington, which was broken into on Friday, March 9.

In searching areas in the Park and in Detroit, Park officers found Easterman's station wagon parked in front of the Newport address, and waited patiently for several hours for someone to claim it.

Sgt. LaPratt waited from 1 a.m. to about noon on Monday, at which time he saw a man come out of the house and get into the station wagon and drive off. Detroit police were called. The sergeant followed the vehicle, and with Detroit police, stopped the station wagon being driven by Sampson at Chalmers and Warren in Detroit.

Sgt. LaPratt returned to the scene of the original stakeout, in time to see Emery and two juveniles come out of the house carrying a paper bag, which, it was found out later, contained about \$35 in wrapped coins. Emery was placed under arrest and taken to the Park station along with the juveniles.

In the meantime, Sampson was taken to Detroit's Conner Station, Fifteenth Precinct, where he was booked on a charge of receiving and concealing stolen property valued at over \$100, a felony.

Lt. Duncan and Detectives Robert Salfyrd and William Furtaw, obtained a search warrant approved by the Wayne County Prosecutor's Office and signed by Judge Speer, and the officers, accompanied by two Detroit policemen, searched the apartment of the accused pair where they found the safe taken from Addy's residence, and a number of other items believed stolen during burglaries in Park homes.

The Park detectives are now in the process of trying to clear several reported burglaries in their city, and to unravel the mystery of which items belong to whom, and from which homes they were taken.

Sgt. LaPratt said that after questioning the juveniles, it was found they had no knowledge of the activities of either Sampson or Emery, and were released without charge.

Further Items Taken in B-E

Further investigation by the Woods Department of Public Safety of the burglary of a Holiday road residence Monday, February 26, has revealed the theft of more items.

Besides a solid gold Elgin watch, which has a revised value of \$175, (not \$300), police said a white gold watch, valued at \$50, a \$20 bill and an instamatic camera, valued at \$100, were reported missing.

Woods Council Considers Uses of Revenue Sharing

or aged; financial administration, plus "ordinary and necessary capital expenditures authorized by law."
And revenue sharing funds may be used to reduce taxes, according to the Federal Government.

Keep Rate Down
The NEWS contacted each Woods councilman and asked which areas would be, personally, like to see monies used for.

Mr. Boutin said a number one priority is to keep the city's tax rate down. "We think that this is the thought behind everyone's mind." He also stressed the city is faced with the ever-increasing costs of government.

He said the council hasn't had any great study on a municipal improvement program as yet but added the body will be trying to have as many Committee of the Whole meetings as possible to discuss the use of funds.

Mr. Boutin did mention, however, improvements at the city's Lakefront Park swimming pool which has suffered miserably through the winter. Department of Parks and Recreation Director Don Hallmann, in a recent report, said the constant thawing and freezing has taken its toll on the pool which shows "a great deal of winter wear. There are many sharp protruding edges along the line: where the cement bottom and sides have cracked."

"Premature" Question
He felt it was "a little premature" at this time regarding a consensus of opinion on the council's part regarding the use of monies, but added, "I know we have good, solid thinkers in this respect."

Councilman Rodger A. Graef also felt the question was "premature." "We are still in the committee phase of studying this in order to prudently use these funds," he said.

Continuing, Mr. Graef stated the council is currently studying certain improvements to the pool and anticipates an answer to the improvement study within the next two weeks. Mr. Graef emphasized, "We plan to use the funds for the maximum benefit of our citizens."

Councilman Benjamin W. Pinkos emphasized the use of funds to keep the city's tax rate down and also mentioned the pool improvements, as did Councilman Kenneth W. Boerner.
Meanwhile, Councilman George S. Freeman suggested some funds could be used for sheet piling, which need fixing along the banks near the city's boat docks. Councilman Conrad A. Naegel stated, "This is pretty hard for me to answer now" regarding the use of funds. "We're in the midst of working on it and I'd just as soon hold off on an answer to that."

Increased Amounts
The revenue sharing amounts will be increased by annual increments for each of the four succeeding years, (1973-76), to states and local governments, according to the government's "Detailed Fact Sheet on Revenue Sharing," October 1972.

A total of \$5.64 billion will be paid in fiscal year 1973; \$6.05 billion in fiscal year 1974; \$6.20 billion in fiscal year 1975; \$6.35 billion in fiscal year 1976 and \$3.325 billion for July-December 1976. In successive years, revenue

sharing checks will be mailed on a quarterly basis, says the fact sheet.

As for "qualification requirements," the fact sheet notes the law gives discretion to communities on how they spend their monies but requires expenditure and obligation reports.

Submit Report
At the close of each entitlement period, each state and local government must submit a report to the Secretary of the Treasury, which sets forth the amounts and purposes for which the funds under revenue sharing, (State and Local Fiscal Assistance Act of 1972), have been spent or obligated.

Before the beginning of each entitlement period, each state and local government must file with the Secretary a report setting forth the amounts and purposes for which they plan revenue sharing funds to be expended or obligated during that period. In addition each report must be published in general circulation newspapers within the geographic areas of each state and local government.

Mr. Petersen said The Woods' report would be published at the same time as the city's proposed budget in early May.

As for contributing factors used to determine the amount a community receives, they include population, the general tax effort factor and the relative income factor.

Truck Helps Save Lives

(Continued from Page 1) the van which assures the baby of sufficient warmth. There is also equipment for suctioning, and for administering oxygen. Other devices on the van include a respirator and a catheter.

On arriving at St. John the infant intensive care unit. The hospital acquired this unit about three years ago, and it has brought remarkable results.

The fatality rate for premature, or high risk infants is about 50 percent without the intensive care unit. With it, the mortality rate has been reduced to about 12 percent.

Many Infant Problems
Babies may require intensive care for a variety of reasons. Most commonly, the baby is extremely premature, weighing only one or two pounds. But the baby may also be overweight, have a diabetic mother, have severe Rh blood factor problems, have a birth abnormality or some other problem.

One percent of these babies have Hyaline membrane disease in which the alveoli in the lungs can collapse. The intensive care unit has helped make headway in dealing with this problem.

Babies are fed in the intensive care unit through narrow tubes through which the nurse gingerly gives the baby liquid nourishment. The vital signs of the infant are checked, and especially designed equipment for infants, such as a scaled-down x-ray machine, also aids the nurse and doctor in observing the infant's condition.

The unit also performs other duties such as monitoring blood sugar and blood chemistry. The exact amount of oxygen to be administered to a baby is determined by catheterizing the aorta.

Sets Oxygen Dose
In this way, too much oxygen, which is dangerous to the eyes and lungs, or too little oxygen, which is dangerous to the brain, are

avoided in administration. Nurses in the neonatal intensive care unit take great pride in their training and their work and find that there is "always something to learn here everyday."

There is a surprisingly small turnover rate in this unit although the mortality rate, even with the tremendous strides that have been made, is quite depressing.

Working with infants, too, creates an emotionally charged environment and nurses must be careful not to get personally involved with the babies they care for.

Surely one of the most difficult things to accept is the death of a baby. It is somehow inconceivable to us. And yet it occurs, not infrequently.

The nurses and doctors in the intensive care unit and van at St. John's are fighting that.

They often succeed.

Select Teams for First Lochmoor Pin Tourney

The teams have been announced for the first annual Lochmoor Invitational Bowling Tournament, which rolls Saturday, March 24, at Fred Wolf's Eastland Bowl. The action begins at 2:45 p.m.

Taking part are six-team contingents, (three mens' and three womens'), from the Lochmoor Club, Grosse Pointe Yacht Club, Gowanie Golf Club and Detroit Yacht Club.

The top three mens' and ladies' teams from each club will compete in a three-game round robin competition on a total pin basis. Handicaps will be used from the respec-

ive club averages.

The winning club will receive the Lochmoor Inter-Club trophy, which, it is hoped, will be the start of annual bowling competition between the clubs, plus the planned invitation of other clubs in the future.

Lochmoor's Ken Adler is the tourney director, while Skip Baer of the GPYC, Bogdan Baynert of Lochmoor, Jack Mendelsohn of Gowanie and Earl Salomon of DYC are the respective chairmen of their clubs.

Lochmoor's men's teams include Mr. Wolf, Jim Zakem, George Kramer, Lee Schoenith and Ned Macaddino, no. 1; Al Wilke, Joe Dimond, Joe Wagner, Joe Mihelich and Hal Jenzen, no. 2; and Kurt Hartlieb, Bruce McDougall, Chuck Elliott, Bill Dawson and Al Bonahoom, no. 3.

Women's teams are Pat Nicholl, Audrey Schmid, Dolly Woodard, JoAnn Mihelich and Shirley Schoenith, no. 1; Marie Elliott, Zina Zakem, Helen Wagner, Marilyn Wilke and Nora Kramer, no. 2; and Dewey Dawson, Ann Hartlieb, Agner Bonahoom, Eva

McDougall and Donna Elliott, no. 3.

GPYC men's teams are Gene Misczak, Mr. Baer, Wally Harper, Hugh Strong and Ferd Lepley, no. 1; Jim Mitchell, John Mortson, Ted Smith, Bud Newberry and Al Oberson, no. 2; and John Brooks, Henry Kafarski, Doug Willis, Mike Tusa and Bill Lacy, no. 3.

Women's teams include Georgia Brooks, Billie Oberson, Nancy Lepley, Patty Harper and Betty Mortson, no. 1; Fran Strong, Peggy Zaer, Marge Smith, Julie Mitchell and Emily Kafarski, no. 2; and Sandra Newberry, Sue Misczak, Voni Willis, Judy Tusa and Connie Lacy, no. 3.

Men's teams from Gowanie include Don Perry, Paul Richards, Don Duchene, Don Seiler and Clay Dumas, no. 1; Jerry Grow, Dave Harrison, Frank Whelan, John Rollins and Arnie Macksey, no. 2; and Dave Hagberg, Mr. Mendelsohn, Bob Kimber, Gordon Scratch and Jim Maurer, no. 3.

Women's teams are Ann Richards, Maxine Harrison, Evie Dumas, Jean Mendelsohn and Ellie Opel, no. 1; Mary Ann Hagberg, Angie Grow, Bonnie Scratch, Gerry Rollins and Marion Maurer, no. 2; and Dorothy Whelan, Jean Seiter, Betty Kimber, Fannie Macksey and Doris Duchene, no. 3.

DYC men's teams include David Hopp, Jr., Mr. Salomon, Ray McPherson III, James McCuish and Ray McPherson, Jr., no. 1; Gary Theuerkorn, Dan Tomlinson, Robert Rosellep, Russell Berg and Daniel Hogan, no. 2; and William Smith, Claire Cronkright, Russell Imus, John Novak and Dr. Paul Brownell, no. 3.

Women's teams are Patricia Smith, Sandy Theuerkorn, Freda Cronkright, Rosemary McPherson and Alrene Salomon, no. 1; Joann McPherson, Arlene Imus, Cheryl Nelson, Alice McCuish and Barbara Brownell, no. 2; and Sue Hogan, Carol Kutyla, Karen Hopp, Nancy Tomlinson and Modestie Rosellep.

Traffic Report Filed by Park

The Park Police Department recorded a total of 342 traffic accidents of all types during 1972, according to information released by Police Chief Henry Coonce on Thursday, March 8. For the second consecutive year, no fatalities were reported.

The chief disclosed that of the total number of accidents, 99 were non-fatal (accidents in which injuries were reported), and 243 resulted in property damage. A total of 149 persons reported some type of injury, ranging from serious or bleeding injuries, to whiplashes or body pains.

By comparison, accidents reported in 1971 numbered 305, with 104 persons injured.

Of the 1972 over all total figure, 32 accidents involved hit-and-run, of which three were non-fatal; three persons were hurt; and 29 resulted in property damage.

In the hit-runs, the chief report revealed, seven persons were arrested; nine cases were cleared and only one person was convicted.

In his report for 1972, Chief Coonce stated that 31 accidents involved motorists whose vehicles left the roadway and struck fixed objects, as compared with 35 in 1971.

The 1972 report showed 19 persons were hurt in these accidents, whereas, in 1971, it was 15.

Last year there were eight accidents involving cars hitting pedestrians and 10 people suffered various injuries. During the previous year, there were only two such mishaps and only two individuals hurt.

There were nine car-bi-

cyclist collisions in 1972 and a like number in 1971, but eight persons were reported hurt in the former, and seven the year before. Moving vehicular traffic accidents totaled 202 in 1972, and 184 occurred in 1971.

In 1970, Chief Coonce stated, the Police Department recorded 328 accidents, and three fatalities.

New Students to Enroll at NH

Students currently attending private or parochial schools who intend to enter Grosse Pointe North High School in the ninth grade in September will be enrolled on Monday, March 19, at 2:10 p.m. in rooms 131, 133 and 135. They should bring their latest report card and a copy of their birth certificate.

The school is aware of the number of students expected for enrollment from Star of the Sea, St. Peter, St. Joan of Arc, and Queen of Peace.

Students from other schools who plan to enter the ninth grade and attend the enrollment session are asked to call the school in advance and leave their names. In this way, the counselors will know approximately how many students to expect.

Students who plan to enter in the tenth, eleventh, or twelfth grades will be enroll-

ed on Tuesday, March 20, at 2:10 p.m. They should also call the school first to leave their names, and should plan to bring their latest report card and birth certificate with them.

Students enrolling for these grade levels should report to the Counseling Center when they arrive.

It's too late to reform after you've read the proofs of life.

Park Reports Drop in Crime

An annual report will be submitted to The Park Council and to City Manager Robert R. Coonce. It reveals increased activity in most phases of the city's police operations during 1972.

Incident or assigned time involved 71.1 percent of the officers' duty time, as compared to 67.8 percent in 1971, the chief's report showed.

North Runners Rally to Win

Whisssss! That's the sound North High trackmen made during the NCAA Indoor Track Championships at Cobo Arena Friday evening, March 9.

And what Ann Arbor Huron and Mount Clemens athletes saw was a blur as the Norsemen came from behind to edge their competitors in the suburban high school mile relay.

North runners Rob Holmes, Ed Brennan, Ken Delor and Tom Przeslawski zipped to victory at 3:31.1. Although trailing Ann Arbor and Mount Clemens at the half-mile mark, Przeslawski "turned it on" and made up a 30-yard gap with a 51-second time for his quarter. Delor also had a 51-second quarter.

These hours identified as "free patrol" normally associated to selective enforcement, totaled 21.9 percent of duty time, whereas in 1971, it was 32.2 percent.

Chief Coonce stated that major crimes reported to the FBI last year, reflect a decrease that is reported by most cities in the metropolitan area, with the exception of burglaries, which went up 20 percent. Of the total number of breakins in The Park, 55.4 percent have been cleared, as compared to the national average of 19 percent.

The chief disclosed that his department personnel handled a total of 6,566 reported criminal and non-criminal investigations and 342 traffic accidents from January 1 through December 31, 1972.

"The current report reflects the personal effort and dedication of Chief Gerard J. Kesteloot, who retired last July 31, after more than 31 years of service with the department," Chief Coonce, who succeeded the retired chief, stated.

One fault that can be found with some people is they never know what to say — and do.

Honors Earned by North Band

The Grosse Pointe North High School Band performed on Saturday, March 3, at John Glenn High School, Westland, in the Michigan School Band and Orchestra Association District Twelve Band and Orchestra Festival.

Over 120 band and orchestras participated in the event, with 24 bands in Class AA (schools averaging over 400 students per grade), at high school level.

Playing in nine sections on two consecutive Saturdays, the bands and orchestras were rated by approved adjudicators from schools and colleges in Michigan and other nearby states. Three adjudicators evaluated a half-hour concert performance, while a fourth adjudicator rated the group on its sight-reading ability.

Richard Barber, Albion College, listed the following strong points in the GPN Band's performance: "many fine individuals, good conducting, good attention to style, taste, dynamics, climaxes."

Seymour Okun, Band Director at Fraser High School, wrote: "A good band. I enjoyed listening to it . . . the little nuances and details make this a good and excellent performance."

Dale Bartlett, Professor of Music at Michigan State University, also awarded the GPN Band all A's for its sight-reading.

The four adjudicators were unanimous in rating the Grosse Pointe North Symphony Band First Division. A First Division rating is defined as an excellent performance, worthy of first place.

The band is now eligible to enter State Band and Orchestra Festival on Saturday, April 28. Unfortunately, it will not be able to participate because Grosse Pointe Schools will be on spring vacation April 20-29.

The Grosse Pointe North Symphony Orchestra is scheduled to perform in District Festival on Saturday, March 10, at Lincoln Consolidated High School, Ypsilanti.

Water Safety Class to Start

The Grosse Pointe Department of Community Services is scheduling a training course for Water Safety Instructors. The 10-week course will be conducted weekly on Thursday evenings from 7 p.m. to 10 p.m. at Brownell Middle School, beginning March 22, 1973. The registration fee is \$10.

Upon successful completion of the course, students will receive an American Red Cross W.S.I. certificate. This allows the holder to teach all American Red Cross courses through Senior Lifesaving, and issue certificates for these courses.

Persons interested in registering for this course should call 885-3808, 885-0271 or 885-3701 to reserve class space. Enrollment is limited to those who have a Senior Lifesaving certificate and are 17 years or older.

Stay in Same Schools

(Continued from Page 1)
\$50,000 if the sixth graders remained.

By moving the students together, the school system would be able to consolidate vacant space. This consolidation would result in the reduction of the custodial staff by at least two.

Sixth graders presently in the middle schools receive one half hour more instruction a day than elementary school students — six hours as opposed to five and one half hours. This instruction was mostly additional physical education and music classes. However, Dr. Anderson did not feel it was a significant loss for students and with its elimination, personnel cost would be reduced.

In addition, Dr. Anderson said that the sixth graders benefited in the middle schools when the middle school concept was utilized to its fullest. Unfortunately, a loss of funds has virtually eliminated it.

Dr. Anderson also felt the retention of the sixth graders would be advantageous to the seventh and eighth graders. If the .14 additional levy is passed in the March 29 millage election, the middle school will be able to employ more counselors and "make a major step to move toward the middle school concept."

Dr. Anderson assured Board member Robert Warner that the basic educational program would remain unchanged. The sixth graders are self-contained in the middle schools and would be self-contained in the elementary schools.

"I think we would be taking a step forward if the sixth graders remain in the elementary schools. I would prefer the seventh and eighth grade organization to develop to the fullest possible. I think we would have the opportunity to return to some of the concepts of the middle school program."

Board President Huettner also supported the recommendation. He too felt that the sixth graders in the middle schools were enriched if they were given the total

program. But since this is not the case, and because of the definite dollar savings, he thought it would make more sense to leave them in the elementary schools.

Mr. Huettner went on to say that, "Perhaps sometime in the future we could put the sixth graders in the middle schools with a middle school program, but that would require more funds."

Mrs. Hanpeter was the sole voice of dissent. She thought it would be ideal if the parents could have the choice as to the placement of their children. Unfortunately, this is not possible.

She gave specific reasons for her opposition to the recommendation. She felt the retention of the sixth graders would over-crowd some elementary schools and not utilize the facilities, such as swimming pools and gyms, at the middle schools.

Furthermore, she stated that the one half hour additional instruction the sixth graders received in the middle schools adds up to three weeks of additional instruction a year. She felt this was worthwhile for the students despite the extra costs.

Finally, the parents she had spoken with were enthusiastic about the middle school benefits. She believed the retention of the sixth graders would be "the final death knell for the middle school concept. It would take us back educationally."

Board Treasurer William J. Adams supported the recommendation. He cited the good experience his child had in the middle school but felt there were no concrete reasons or no comparative results to show why sixth graders would be better off in either school.

He believed the school system would have more opportunity to move back into the middle school program if the sixth graders remained in the elementary schools.

Audience members who participated in the discussion were against the recommendation. They had children in the sixth grade middle school and felt the benefits were advantageous.

In answer to them, Mr. Adams again cited that the middle schools had not been able to afford the pilot program. And even though there were additional facilities of libraries, gyms and swimming pools, the education advantages are not as good.

The middle schools were implemented at the beginning of the 1967-1968 school year. They differed from the junior high schools in that they were more oriented to individual students rather than subjects.

The initial concept included a large staff of teachers to handle groups of students. In this way, the teachers would get to know each student and his needs. The junior high school programs resembled those in the high schools where students were arranged according to subject scheduling.

During the last three years the middle schools have been forced to cut back on staff members and counselors. Therefore, the program for the sixth graders in the middle schools is not much different than that in the elementary schools.

Stage Unusual Court of Honor

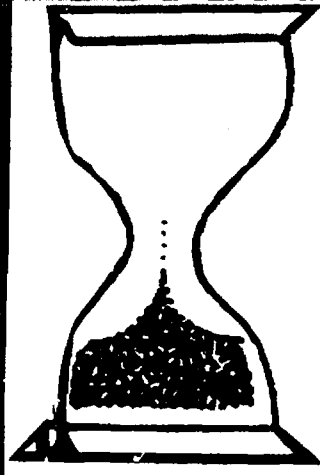

A Court of Honor for Scout Troop 96 recently held at the Grosse Pointe Memorial Church, 16 Lake Shore road, was reportedly a memorable occasion. The ceremony was observed by the scouts' parents in a candle-lit chapel.

Thirteen scouts were promoted to a higher rank while 12 others received a number of merit badges. A total of 64 merit badges were awarded to all the scouts.

The rank of Tenderfoot was earned by John Onstwedder, Christopher Powell, Andrew Richner, David Riddle and Coleman Rogers. Mike Mallon and Mark Thorne received the rank of First Class Scout while Jim Teetzl, Matt Aaron, and Brad Murray were given the Star rank.

Fred Rogers and Scott Singelyn were promoted to Life Scouts and Dean Face received the highest rank in scouting, Eagle Scout.

State Hockey Title Won By Grosse Pointe Bruins

The Grosse Pointe Bruins won the Michigan Hockey Championship in the Squirt Open Division Sunday, March 11. The Bruins are the first Grosse Pointe Hockey Association team to ever win a state championship.

They climaxed a thrilling weekend of hockey by defeating Detroit Robins Printing Sabers, Tri-County League champs, 10-0. Mike Burkheiser led the scoring with six goals. Alan Taber scored twice with Greg Johnston and Jim Morris contributing the other two markers. Goalie Drew Mascarin came up with 16 saves to post his 30th shutout of the year.

The tournament, held at the Grosse Pointe Community Rink, opened Friday, March 9, with the Bruins meeting the Port Huron Star Oilers. The Bruins were stunned

with a 5-4 loss. This was enough to start the Bruins on a rampage and they came back on Saturday with a big 8-1 victory over Sault St. Marie. Early goals by Greg Johnston, Bill Williams and John Davies started the Bruins off to victory.

The hardest fought game of the tourney was played against a strong Little Ceasars team. Burkheiser scored the "hat trick" and Taber scored once in this 4-2 win. Matt Costello was a playmaker, assisting on three goals. This battle was reportedly marked with outstanding play, especially by Mike Fredal and Scott Seaver as penalty killers. The defensive team of Robert Brykalski, Jim Kennary, Randy Lewis and Bill Seaver played well.

Co-sponsored by Pro-Systems and Mallard, Inc., the Bruins are looking forward to the National Invitational Squirt Championship at the Grosse Pointe Community Rink April 6, 7 and 8. Teams from Minnesota, New England, Illinois and other states are expected to participate in this event.

The Bruins also are representing Grosse Pointe in tournaments in Windsor, Ont., Trenton and Ecorse. As a fitting climax for these nine and ten-year-olds, they have been invited to play in the Oakville, Ont., tournament April 13, 14 and 15.

Woods Okays League's Dues

The Woods Council at the regular meeting Monday, March 5, unanimously approved the payment of the city's annual membership fee for one year's services of the Michigan Municipal League.

The amount for the period April 1 through March 31, 1974, is \$1,571.

PUT ON A HAPPY FACE

Come retire with us

If you're considering gracious, secure retirement, you should consider joining us in Ann Arbor.

We're some of the first retirees to reserve apartments at a brand new, full service retirement community... the interdenominational Lutheran Retirement Center.

When the Center is completed, a few short months from now, we'll start enjoying a whole new experience in living.

Socializing is a natural part of Center living, with luxurious lounges and well-equipped recreation rooms as the setting for our lively schedule of programs and activities. A carefully selected library is available, with books and periodicals for the most discriminating of tastes. We also have a fully-equipped and professionally-staffed health and therapy center. It's comforting to know nursing care is readily available at the Center if ever needed.

Dining is a daily delight in the pleasant atmosphere of the Center, with private dining rooms available to make entertaining guests an effortless pleasure. And, the meals are not only delicious, they are also nutritionally planned, making it easy to get one's daily vitamins.

To begin with, we have quite an estate. Our 5-story residence building is set nicely on 34 acres of beautiful open space in the northeast part of the city... just about a mile from North Campus.

The landscaping is going to be really lovely, and having such an expanse of landscape provides nice recreational opportunities. Like gardening, picnicking, walking, putting and fishing on our man-made lake.

Fill out and return this request to receive complete details on retirement living at our interdenominational center, or call (313) 663-1330.

Winter Prompts Extra Pet Care

Like their owners, pets need added protection from the cold during the winter months, and some pet owners need to be reminded of the fact, reports the Animal Protection Institute, a national humane organization based in Sacramento, Calif.

API states that some pets are left outside, chained or in cages, exposed to the elements without adequate shelter or access to food or water, and urges pet owners to consider the following:

A pet needs a shelter that is warm, well-ventilated, waterproof and free from drafts. If the shelter is outdoors, it should face south to lessen the effects of west winds and should have a protective covering over the entrance.

Bedding should be warm and dry, preferably elevated to protect against cold floors or ground. Hay or straw, which provides good insulation, can be used for outdoor shelters. Adequate diet and a supply of fresh water are year-round considerations but especially so in winter. In areas of extreme cold, if left outside, food and water can become frozen in a short amount of time. In these extreme cold conditions, metal containers should not be used. Regular, daily exercise is a good preventive measure against illness in winter and helps to build a pet's resistance to colds and infections.

As an added note, the Institute suggests that winter can be an especially hard time for birds in areas where the ground is frozen or covered by snow. Stale bread and grains can be disposed of in a useful way as food for the birds.

Free brochures on pet care are available through the Institute. They can be obtained by writing Pet Care, The Animal Protection Institute, P.O. Box 22505, Sacramento, Calif., 95822.

Slate Tryouts For 'Fair Lady'

Tryouts for the Grosse Pointe Theatre's production of "My Fair Lady" will be held at St. Michael's Episcopal Church, 20475 Sunningdale, on Monday, March 25, at 7:30 p.m.

The play has roles for 50 people, including nine major parts for both men and women. There are singing and non-singing parts.

Pointe Dogs Participate In Big Kennel Club Show

By Roger A. Waha

Where can you see an apparently grumpy Bulldog, who probably would lick you to death if you approached him?

And where can you see the sleek, streamlined Borzoi, who looks like he's dashing 50 m.p.h. when standing still?

In fact, where can you see 114 different breeds of dogs within an hour's stroll? At the 55th annual Detroit Kennel Club all-breed dog show and obedience trial held Sunday, March 11, from 8 a.m. to 11 p.m. at Cobo Hall.

The show is a dog fancier's delight. One can become so involved in studying and savoring the breeds, in watching owners and handlers groom, caress and cajole their pets, that the show seems to become not only a salute to "man's best friend" but to man, himself.

It is tense, often nerve-wracking. It is hard on the animals in one way, and tough on the owners and handlers in another. The latter are a special "breed," too.

This year's show featured around 3,113 dogs with total entries reaching 3,394. This cross-section of various shapes, sizes and colors of canines is pleasantly awesome to behold.

Besides dog owners from all over the United States, including California, Utah, Texas, Florida, Virginia and Georgia, many presented their pets from Ontario.

Those who sell a variety of dog products were in attendance, too. Food, brushes, toys, shampoo—you name it, they have it.

People scurry all about. The 24-odd rings are often jammed with onlookers; the refreshment stands are crowded; the aisles are filled. The public address system competes with high, medium and low-pitched barks; a child is lost, a sweeper is needed at ring so-and-so . . . (which brings one back to the reality of becoming a nimble walker).

It's sometimes excruciating . . . but always fabulous.

Dog lovers in The Pointe were once again prominent in the program as numerous families entered their beauties in one of the country's biggest shows.

They include Fred B. Bellamy, of Trombley road, Bulldog; Dorothy M. Burns, of Beaconsfield avenue, Shetland Sheepdog; Anne Carr, of Lakeview, Collie, (rough); John N. and Jane A. Clark, of Lakepointe avenue, Old English Sheepdog.

More are Patrick and Joan Clarke, of Meadow lane, two Bull Terriers, (white); Mary Lou Duncan, of Michaux lane, two Golden Retrievers (one in obedience); Dr. and Mrs. Thomas R. Gebelk, of Lochmoor boulevard, Labrador Retriever.

Others include Leslie Ann Hammelef, of Wayburn avenue, Welsh Terrier; Dr. and Mrs. Hugh C. Hendrie, of Canterbury road, Mastiff; Jeanine G. Jodar, of Lake Shore road, Newfoundland; Doris C. Lubeck, of North Renaud road, two Yorkshire Terriers, Airedale Terrier and Lakeland Terrier.

Still more are Steven Rioux of Devonshire road, and Ronald Pemberton, Newfoundland, and Robert and Louise Sparling, of Lakepointe avenue, Bull.

To get rid of your faults look them squarely in the face. Many a convincing orator can't even get a hearing at home.

HAVE YOU SEEN THIS MAN?

YOU SHOULD!!

Scotts Pre-Spring SALE

The time to think about improving your lawn is now, while you're still shivering.

To make your lawn sparkle this year

Simply spread a bag of Scotts TURF BUILDER on your lawn and enjoy the difference it will make. TURF BUILDER is the patented fertilizer that makes grass grow greener and sturdier. It feeds slowly, steadily, avoiding the wasteful surge growth that makes extra mowing. Keeps grass greener longer too. Pick up a bag this weekend and enjoy a lovelier lawn this year.

If your lawn needs "something extra"

You'll be pleased with Scotts SUPER TURF BUILDER. It provides even more greening power than regular Turf Builder, with no increase in weight. SUPER TURF BUILDER is just the thing for the lawn that missed its fall feeding last year. Or for the lawn you may want to green up early and get the jump on spring. A terrific bargain at these low sale prices.

To prevent crabgrass as you fertilize

If there was crabgrass in your neighborhood last year, it will likely be back this year, because its seeds are in the ground. But you can stop them before they get started in your lawn with Scotts HALTS PLUS For Established Lawns. It sets up a barrier which stops crabgrass seeds as they sprout. Fertilizers your good grass at the same time, making your lawn grow greener and sturdier.

Denby Defeats North, 81-71

By Phil Guastella

The Denby Tars defeated the Grosse Pointe Norsemen, 81-71, on Saturday, March 10, to win the District Championship.

The first quarter was a closely played affair with neither team able to surmount any type of lead. Denby led, 22-20, after the opening stanza. The second quarter proved to be the downfall for the Green and Gold. The Tars outscored the Norsemen, 26-16, to take a 48-36 halftime lead.

Dennis DeWalt proved the largest thorn in the side of the Norsemen. He tallied 21 of his game high 29 points in the first half.

In the third period North showed some signs of life, but came out, after 24 minutes of action, trailing 58-48. In the fourth quarter North chipped the Tars' lead down to six points, but could get no closer as Denby held on for the victory.

Sam Jones added 23 points to the Denby attack to finish as the second highest scorer of the contest.

Kevin Kiley paced the Norsemen attack with 22 points. Ron Zenn and Kevin Clinton chipped in with 12 points apiece.

To get to the finals, North downed Austin, 69-61, and Finney, 64-60.

North was forced to come from behind after squandering a 20-point lead in the Austin game. The lead slowly dissipated for North until the Friars took a four-point lead with only two and a half minutes to play. But, with the help of clutch shooting, North overcame the deficit and rolled on to the finals.

Ron Zenn and Gerry Humes led the Norsemen attack with 16 points each, while Dave Chapman added 12.

North was forced into overtime against Finney before coming away victorious.

With North down by a point, 60-59, and time running out, Kevin Kiley drove the base line and was fouled.

School Election Coffees Slated

Informal coffee gatherings to discuss the Thursday, March 29, millage election have been planned throughout the Grosse Pointe area.

Mrs. Jack Mitchell, coffee chairman, has scheduled 18 coffees prior to election day.

Board of Education members Mrs. Joan Hanpeter, Muir B. Snow and William Adams, as well as library representatives Robert Orr and William Peters are among the guest speakers. They will be available to provide information, facts, figures, and answer questions about the millage proposals.

Coffee gatherings are scheduled for today, Thursday, March 15, at the home of Mrs. William Krause, 1294 Lochmoor Blvd. at 9:30 a.m.; Friday, March 16 at the home of Mrs. Laddy Rice, 993 Hawthorne road at 10 a.m.; Tuesday, March 20, in the Defer School library at 10 a.m.; Wednesday, March 21 at Defer School at 8 p.m.; Friday, March 23 at the home of Mrs. Wilson Moin, 1915 Stanhope avenue at 9:30 a.m., and also on March 23 at Parcels Middle School at 1 p.m.

Babysitting services are provided at all coffees.

For more information, contact Mrs. Mitchell at 884-7681.

Center Point Has Birthday

Center Point, located in the Unitarian Church Annex in Maumee avenue, celebrated its second anniversary by holding a get-together on February 28, for Family Life Education Council (FLEC) volunteers in cooperation with the FLEC Board.

As a Crisis Intervention Center, Center Point exists to help troubled youth on an individual basis whether the problem is personal or drug related.

In its second year of operation, Center Point handled over 5,000 calls—2,500 informational calls, 2,000 problem calls and 500 referrals to the Center Point Medical Clinic.

While trained young adults provide peer to peer counseling on the telephones and staff the drop-in center, a

coordinator is at Center Point to handle emergencies and to counsel.

Center Point is open daily from 4 p.m. to 12 p.m., and the Center Point Medical Clinic is open Tuesday and Friday evenings from 7 p.m. to 9 p.m. Telephone number is 881-7744.

Center Point is sponsored by FLEC. In addition to Center Point, FLEC sponsors a methadone withdrawal program, a student volunteer program and educational program for residents of Grosse Pointe and Harper Woods.

William C. Porter is president of FLEC and Dr. Joseph Beals is chairman of the Center Point Advisory Committee.

Ferry Stages 'Caesar' Play

"Julius Caesar" was at Ferry School, Tuesday, Wednesday and Thursday, February 27, 28 and March 1.

Mrs. Norma Stevenson's sixth grade social studies class presented Shakespeare's play as a project in connection with study of ancient Greece and Rome.

A Roman Forum was erected by the students as a backdrop for the action.

Caesar was played by Steve Schucker and Kevin Bertelsen, Mark Anthony was played by Jim Gotham and Tony Ferlito, Lars Rahm was Brutus, Valerie Samaras was Calpurnia and Janet Scaplino was Portia. Thirty-three students had speaking parts.

Introducing a \$13,500 sedan that promises the most remarkable driving experience of your life: the new Mercedes-Benz 450SE

tion; electric windows; AM/FM stereo receiver; tinted glass; twin front fog lights and front- and rear-seat armrests.

The brief option list includes: leather upholstery; electric sun roof and fitted luggage.

The final significance

The 450SE incorporates more safety thinking than any Mercedes-Benz in history.

Mercedes-Benz motor cars: from \$16,498* to \$6,662*

Mercedes-Benz offers a vast range of models. Here are suggested retail prices for 8 of the most popular types:

YEARS OF intense engineering effort were invested in the new Mercedes-Benz 450SE. Technical advances everywhere combine to produce handling response, security and stability that may well surpass any Mercedes-Benz sedan yet built, according to the engineers.

New front suspension

This car's sense of control is uncanny. The 450SE goes where you aim it—so precisely, that even veteran Mercedes-Benz drivers may find themselves astonished.

The reason: a zero steering offset front suspension system, adapted from the 180-mph C-111 experimental coupe.

Rear suspension design is the same fully independent system you will find on the 450SL. And radial-ply tires are standard equipment.

New front suspension adapted from C-111 experimental sports car.

The 450SE's designers wanted to keep the car as unruffled as possible—even in sudden, violent maneuvers.

2.7 turns lock-to-lock

An already superb power steering system was reworked for an even surer road feel. Consider that the 1973 Lincoln steers from full-left to full-right in 3.9 turns—the 450SE does it in 2.7 turns.

Under the hood is a 4.5 litre electronically fuel-injected V-8. And specifically designed to mate with this engine is a 3-speed automatic gearbox with a floor-mounted shift lever.

Front discs blasted with air

In the new Mercedes-Benz 450SE a ring of air scoops is built into the inside of each wheel. Purpose: to bathe all four

disc brakes in a steady gust of air. No domestic luxury sedan even employs 4-wheel disc brakes. Mercedes-Benz has used this system in its sedans for nearly a decade. Of course, the 450SE carries on in this tradition.

Shaped in the wind tunnel

Its designers gave the 450SE a shape that owes much to aerodynamics.

Massive windshield wipers are meant to harness the car's airflow to stay flat on the glass, even at maximum speeds. Vanes on the forward pillars and catch gutters on the rear window are placed there to scoop rain over the roof and away from the side and rear windows. Ribbed taillight lenses were designed to use the car's own air turbulence as a constant "scrubber" in rain and slush—staying visible to following traffic.

Almost absurdly maneuverable

This spacious 5-passenger sedan whisks through a turning circle smaller than a Corvette sports car—only 37.5 feet.

The 450SE measures 2 feet shorter overall than any 1973 Lincoln, Cadillac or Imperial. It isn't quite as wide, either. And in most vital respects, it gives you equal interior room and a larger trunk.

Front doors that breathe

The 450SE's built-in air-conditioning system is designed to prevent jarring blasts of frigid air; instead, controls are infinitely adjustable for temperature. Cooling or warming air is channelled not just through separate instrument panel vents but also via hidden outlets in both front doors.

A vacuum-operated central locking system is also built into your 450SE. One twist of the key in the outside driver's door lock silently secures all 4 doors, the trunk lid and the gas port.

Besides that air-conditioning system, standard equipment includes power steering and brakes; automatic transmis-

Bar Penalized For Gambling

The New Brick Inn, 18696 Mack avenue, was penalized by the Liquor Control Commission for allowing gambling on the premises, according to information released by Farms authorities on Monday, March 12.

The information did not disclose what form of gambling took place, but records on file with the Farms Police Department revealed that an LCC agent, on a routine inspection, discovered the violation and wrote out the report and the complaint on January 6.

The LCC found the owner of the establishment, Adolph Palen of Ridgmont road, guilty on February 22, on which date the hearing was held.

Palen was ordered to pay a fine of \$100 by April 2, or his Class "C" liquor license will be suspended for a period of 20 days, the information to police stated.

A Class "C" license permits selling of alcoholic beverages by the glass only.

The owner of any establishment selling liquor is held responsible for any violations, whether or not he is present on the premises, under Michigan Law.

League of Women Voters Publishes Info Booklets

The League of Women Voters of Metropolitan Detroit and Wayne County have been hard at work. Recently, they published two booklets entitled "Know Your Wayne County" and "School Desegregation."

"Know Your Wayne County" was compiled by the seven leagues in Wayne County. It is an easy-to-read, non-technical booklet on the structure of Wayne County government and updates similar information on county government published by the League over 10 years ago.

It describes the organization and functions of county government in areas like welfare, health, court systems, the Wayne County Road Commission, and the Wayne County Board of Commissioners.

Each of the Wayne County Leagues took a particular section of the booklet as its responsibility. The Grosse Pointe League prepared a chapter on Department of Social Services and Library System with Mrs. Howard Hush and Mrs. Harold Jinks participating in the research and writing. The League worked closely with County officials in obtaining information and in checking for accuracy prior to the booklet's publication.

The editorial committee for "Know Your Wayne County" consisted of Henrietta Jenks, chairman, and Margaret Terry, both of Dearborn; Beverly McAninch of Plymouth, and Bebe Lindhout of Livonia.

The committee considers the booklet suitable as reference material for junior and senior high school students as well as for adults.

The seven Wayne County

leagues are distributing 25 complimentary copies to each junior and senior high school, public and non-public, in Wayne County. Ten complimentary copies are also being distributed to each of the municipal offices in the county and two copies to public libraries.

The League of Women Voters of Grosse Pointe are handling this distribution in Hamtramck, Highland Park, Harper Woods and Grosse Pointe.

"School Desegregation" was published by the League of Women Voters of Metropolitan Detroit. It is a 50 page booklet dealing with the legal framework for school desegregation and the various methods used to achieve it by school systems across the country.

This publication is the product of the League's Metropolitan Integration Study Committee, a representative group of the 17 Leagues of Women Voters in the Detroit metropolitan area.

The committee's efforts over the past year have been directed toward researching the answers to common questions about school desegregation in a factual unbiased manner.

Educational park plans, magnet plans and one and two-way transportation plans are discussed in the publication. In addition, desegregation experiences in the cities of Pasadena, Ca., Detroit, Mi., Rochester, N.Y. and Boston, Mass. are included.

Sections of the study also deal with the effect of desegregation on students and the community, open housing, and the rationale and approximate cost of the current transportation of students in Michigan.

Mrs. John Schonenberg and Mrs. David Howell, members of the League of Women Voters of Grosse Pointe, worked on the booklet.

"Know Your Wayne County" is available to the public for \$1 from the League of Women Voters of Detroit, Dearborn, Downriver Wayne County, Plymouth-Northville, Livonia, Allen Park and Grosse Pointe. In the Grosse Pointe area, contact Mrs. Hush at 888-2590.

Individual copies of "School Desegregation" are also available for \$1. They may be obtained locally from Mrs. Howell at 381-5027.

Hearing on Gas Tax Scheduled

State Senator James Gray will sponsor and conduct a public hearing on the repeal of the gasoline tax increase today, Thursday, March 15. The hearing will be held at 8 p.m. in the St. Clair Shores Municipal Building council chambers, 27600 East Jefferson avenue.

All interested persons are invited to attend.

S&G Seniors Win Ice Title

The S and G Grosse Pointe men's senior hockey team has won the right to represent The Pointe in the forthcoming State Championship playdowns in Ann Arbor today, March 15, and Saturday, Sunday, March 17-18.

The S and G sporting goods team won the men's senior league title in the Grosse Pointe Senior League by clinching first place.

Team members include Ron Neal, Paul Mazur, Wally Ogorek, Harvey DePape, Ron Springer, John Thill, John Doptis, Ralph Waldo, Tom McLeod, Rich Kahn, Mike Stecko, Dwight Thomas, William Cron, Ken Ballinger, Fred Springer and Stu Robinson.

The manager and coach is Dean Higbee, while Al Bellevue is coach.

South Ends Cage Season At 10-11; Bird All-BCL

By Mark O'Keefe

Denby surprised South with a 56-52 victory Wednesday, March 10, and then beat North, 81-71, to win the District Championship while the Devils watched from the sidelines.

The Devils played nearly even with Denby for the first three quarters but were out-hustled in the final period and lost by four points. Dave Gaitley scored 12 of the Devils' 15 points in the final frame and finished the night with 22 points.

South will now have to look for better things next year after finishing the 1972-73 season with a 10-11 record. The one bright spot was two wins over North.

The Devils' last season in the BCL was disappointing as the cagers, who once thought about the title, finished in a tie for last in the five-team league.

Jim Bird was named to the

first team in the Detroit News' ALL-BCL and to the second team in the All-Metro East. Mike Stavale was second-team All-BCL.

The EML could provide easier competition for South as shown by the Devils' five wins in six games with EML teams this season.

Coach Charles Hollosy commented, "The only team that beat us was Sterling Heights Stevenson, but I don't think that most people realize their two guards were out for that game." Sterling Heights will have four starters returning next year and may be favored to repeat as league champs.

Romulus will be added to next year's non-league schedule. They will also have four starters returning. Other non-league action will include two games with North and single contests with Norte Dame, Ann Arbor and Dearborn.

Mike Stavale, Jim Bird, Dave Gaitley, Jim Wilson, and Dave Heim will graduate in June but won't leave South void of basketball players.

Mr. Hollosy will have ample size and talent to choose from among juniors and sophomores. Pete Grambo at 6'6", Jim Scala at 6'3" and Stu Cammett at 6'2½" all saw action this year as juniors and should be key members of next year's team.

Junior forwards John Schultes and Fred Kreger also will compete for places on the squad. Rob Heidt, Terry Corbett, Scott Solomon and Steve Morrison, all guards, are the other members of the 1972-73 varsity team who will look for spots on the 1973-74 team.

Spring Classes About to Begin

Spring classes in Adult Education offered by the Department of Community Services are ready to begin.

In the field of Arts and Crafts, the following will be offered: Drawing and oil painting, Decoupage, Copper-Silver Jewelry, Lapidary and Woodshop.

In the Homemaking classes: Antiques, Chair Caning, Home Decorating, Knitting, Pattern Drafting and Sewing and Upholstery classes are available.

Languages offered are: English for New Americans, French, German and Spanish Conversation. In Business: Shorthand, Typing and Office Practices.

A variety of classes in Sports and Exercise are available. For men: Basketball, Gym and Swim and Volleyball. Badminton, Golf, Tennis and Yoga are offered for men and women, and Rhythmic Exercise for women. Family and Open Swim are offered at Brownell, Parcels and North High School. Classes in Bridge, Investment Procedures and Photography also are on the spring schedule.

For further information and class reservation, call the department at 885-3808 or 885-0271.

U-L Wins 'D' Championship

Grosse Pointe University-Liggett nipped St. Hedwig, 68-65, to win the Class D District Basketball Championship in action at Harper Woods Bishop Gallagher Friday, March 9. The victory upped U-L's record to 20-2.

The club faced Waterford Our Lady of the Lakes in the state regional opener Tuesday, March 13, after press time.

The St. Hedwig contest went down to the final buzzer when U-L's Jim Paradee sank two foul shots with some 90 seconds left, breaking a 64-all tie.

Paradee led the winners with 20 points, while Ron Roberts netted 17 and Chuck Getz contributed 15.

PTA at Ferry Meets Tonight

The P.T.A. of Ferry School will hold its general meeting tonight, Thursday, March 15 at 7:30 o'clock in the Gymnasium.

Dr. Kenneth Schoof, P.T.A. president will conduct a brief business meeting and then introduce the guest speaker, William A. Cilluffo, staff director of the State Senate Democrats.

Mr. Cilluffo will talk on the overview of educational finance of Michigan. In addition, he will discuss education bills pending in Lansing and what they mean to the Grosse Pointe community. A question and answer period will follow.

Also on the agenda is a short demonstration given by the children of the Saturday morning gymnastic program under the guidance of Denise Tazzoli and Lori Schulte.

Mrs. Joan Hanpeter, Secretary of the Board of Education will give a short talk on the March 29 millage election.

Cadettes Set Paper Drive

The girls of Cadette Troop 78 of Parcels Middle School and North High School are having their last fund raising paper drive on Friday, March 23 and Saturday, March 24. Papers will be collected at 1376 Blairmoor Court. For large pickups, call 881-4885.

The girls have been saving trees and earning money for their four-day trip to Washington, D.C., on April 11. Already they have saved a total of 2,354 trees from recycled papers.

Troop leaders are Mrs. Ruth Kaal and Miss Sue Cheesman.

If you banked at NBD, you'd have until 7:30 tonight to do your banking.

If you banked at NBD, you could do your banking on your way home from work tonight... or first thing in the morning, or anytime during the day Monday through Friday.

That's because there's an NBD Drive-In Office near you now open from 8:30 A.M. until 7:30 P.M.,

five days a week. And while you couldn't do all of your banking from your car, you could cash checks, make withdrawals, deposits, payments—all of your routine banking transactions. Because every NBD teller now has Computer Contact:

a system that gives her the status of your account in an instant—and allows you to do your banking at any NBD office, regardless of which office has your account. NBD... making banking better for you with more hours and more services. Shouldn't we be your bank?

There's an NBD Drive-In Office near you open from 8:30 am to 7:30 pm Monday through Friday.

Blues Capture Two in Quebec

The Grosse Pointe Blues bantam division travel team really traveled this past weekend when they ventured to Quebec for two games. The Blues took both con-

tests by 12-3 and 3-0 scores. While in Quebec, the Blues stayed at Le Chateau Frontenac and toured the French-speaking city aboard a special tour bus chartered for the team.

On Friday evening, March 9, the Blues faced the 13-and-14-year-old boys of the Sillery Bantams. Goal scorers included Dave Smith, Pat Fox, Mark Seski, Mike Sandmair and Brian Carron, who scored three to earn the "hat trick."

The following afternoon, Saturday, March 10, the Blues defeated the Mini-Ramparts of St. Nicholas, a team of all 14-year-olds, by the 3-0 score. Goal scorers included Allen Jones and Dave Austin. The shutout victory was achieved by goalie Peter Wenzell.

The Blues were reportedly successful in their fund raising program which provided for the Quebec City Hockey Tournament. The team effort succeeded in raising total pledges to approximately \$1,500.

Each team member received a souvenir patch from the competition.

Cinema League Offers Movies

The next meeting of the Grosse Pointe Cinema League will be held on Thursday, March 22, at 8 p.m. in the Alger House of the War Memorial.

Two movies photographed in widely different areas will be featured: "Scenes in New Mexico, Arizona and Colorado," filmed by Ester Porter; and "Salvador, Bahia, Brazil," by Warren Lapham.

Miss Porter, instructor of French at Grosse Pointe South High School, and twice past-president of the Cinema League, will show her 8mm color motion pictures taken on a motor trip last summer.

The film begins in Taos and Santa Fe, N.M., and continues by way of the Painted Desert and Petrified Forest to both the south and north rims of the Grand Canyon.

Viewers are then taken for

rides on two historic narrow-gauge steam railroads, the Cumbres and Toltec and the Silverton. The Cumbres and Toltec runs four times weekly from Chama, N.M., to Antonio, Colo. Passengers view the high mountain scenery from open-air reconconditioned 1904 box cars. The Silverton train is less rustic, but takes its passengers on an equally scenic trip from Durango to Silverton, Colo.

Among other places of interest in Colorado which are featured are Mesa Verde National Park, the world's highest suspension bridge near Canyon City, the Garden of the Gods and Estes Park.

Mr. Lapham photographed his super-8mm color movies of Salvador, Bahia, Brazil, while visiting his daughter this past Christmas. Since he was the guest of a resident, he was able to film areas not seen by the average tourist.

There are interesting scenes on the beautiful tropical island of Mar Grande, as well as beach scenes in the summer resort area of Buscavida. Some of the many new condominiums and high rises in Salvador are also pictured.

The public is invited to attend the Thursday night program. Hostesses for the social hour are Mrs. George Fead, Mrs. William Nixon and Mrs. Sydney Partington.

North Natators Set 5 Records

Grosse Pointe North's powerful swimming team set five new records in winning its fourth straight title in recent Bi-County League action.

North compiled 481 points, followed by Lakeview with 191, Lakeshore, 187, Clintondale 124, and South Lake 109.

The winners placed first in eight of 11 events, five of which were league records. The new league record holders are Mark Craig, in the 100-yard butterfly, (1:56.2), double-record holder Scott Veil in the 200-yard freestyle, (1:53.8) and in the 400-yard freestyle, (4:06.0). The other records were the 200-yard medley relay mark broken by the team of Bill Dimond, Chuck Riddle, Mark Craig and Gary Hoffman, (1:45.7), and the 400-yard freestyle relay record broken by Scott Veil, Tom Filgo, Hank Kuhlman and Gary Hoffman, (3:26.0).

Coach Tom Teetaert commented, "We had a great team performance in our league victory. Gary Hoffman and Jeff Jackson did a super job in the 50-yard freestyle and Eric Van Hee did a great job in dropping some three seconds off the 200-yard individual relay mark. Mark Craig had to be the outstanding performer in setting a new varsity, pool and league record as well as qualifying for this year's State Meet!"

This was a solid showing for the Norsemen as they now prepare for the State Championships this weekend in East Lansing.

Will Sentence Trio March 21

Three Detroit men who recently pled guilty to attempting to obtain a controlled substance with a forged prescription, will be sentenced Wednesday, March 21, according to Woods police. They were originally scheduled for sentencing in early February.

Charles Edward Wooten, 23, H. Daniel Luke, 23, and Timothy Eric Anderson, 20, were arrested by a detail of six officers under the direction of Sergeant John Hardy, Michigan Department of State Police, Intelligence Division, on December 18.

They were apprehended on the premises of the A. J. Meyer Drug Store, 19876 Mack avenue.

John's Island: 8 pertinent points for those considering Florida this winter.

- Location.** John's Island is a private residential resort located at Vero Beach in subtropical Florida just 65 miles North of Palm Beach.
- Privacy.** Natural geography and a walled gatehouse assure John's Island residents total privacy and security. The property is bordered on the East by 2 1/2 miles of private oceanfront, on the West by 10 miles of Indian River waterways.
- Golf.** A championship 18 hole golf course designed by Pete Dye and Jack Nicklaus forms a permanent 167 acre green belt in the heart of the John's Island property. A second course designed by Pete Dye is under construction assuring residents unhurried, varied play. Ernie Ball is Director of Golf. The John's Island Club is private and offers full dining, pro shop and locker facilities. Our Beach and Tennis Club is now under construction.
- Environment.** At John's Island more trees have been relocated than other private Florida communities have removed. Large, heavily wooded homesites on the golf course, its lakes and John's Island Sound are presently available for sale. Also, Oceanfront Condominiums, private residences and South Village Townhouse Apartments. Some properties are available for rental.
- Design Building.** John's Island maintains its own construction company, Town Island Builders, exclusively for the property owners' use. James E. Gibson, A.I.A. is resident architect. Complete maintenance service is available for the absentee owner. Property owners are guaranteed the highest standards of design and materials.
- Residents.** The average age of the John's Island property owner is 52. You probably know someone who lives at John's Island. Either on a personal basis or by reputation.
- Zoning.** Zoning at John's Island limits building height to 3 stories. Strong deed restrictions further protect property owners.
- Management.** John's Island is owned and administered by E. Lloyd Ecclestone and Roy D. Chapin III. A detailed and illustrated brochure on the property may be obtained by writing Mr. Chapin, John's Island Drive, Vero Beach, Florida 32960.

GP Leafs Have Busy Weekend

Hockey pucks were flying and skates flashing the weekend of March 3-4 as the Grosse Pointe Maple Leafs hosted a two-game series against the Toronto Bisons, a midget "A" team. The action took place at the GP Community Rink.

In their first taste of international competition, the Leafs fell to the Bisons, 4-0, and 2-0.

Sponsored by Rinke Pontiac, the Leafs are presently in first place in the midget "B" division of the South East Michigan Hockey League. The club is coached by Bill Morman and managed by Frank Piku.

After the first game, Mr. and Mrs. Piku showed National Hockey League Stanley cup films, and later all players enjoyed an evening of pizza and music.

Both teams reportedly agreed the series was a worthwhile experience, with the Leafs hoping for a return series and victory.

Among the Leaf players participating were Pete Marshall, Bill Tucker, Mike Mikhal, Dave Ligotti, Chris Piku, Chuck Buysse, Brad Borkowski, John Lange, Bob Morris, Dave Ehrlich, Jim Klimechuk, Chan Vandenburg, Mike Lucas, Jeff Lubeck and Joe Clor.

Loop Sets Date Of Registration

Registration for the upcoming Babe Ruth League season in The Park, City and Farms will be held Wednesday and Thursday, March 21-22, at the Neighborhood Club, 17150 Waterloo avenue, from 7 to 9 p.m.

The league, which has 10 major league teams and six minor league clubs, is for boys 13 to 15 years of age.

Parents must accompany prospective ballplayers to registration, and new registrants must present a birth certificate. The fee is \$15 for one youngster and \$20 for more than one.

For further information, call league president Don Armbruster at 884-9531.

Busing Theme of Nedzi Talk on March 2

Congressman Lucien Nedzi (D-14th District), met with more than a dozen Pointers on Friday, March 2, at an informal dinner party at the home of Pointe school board trustee, Mrs. Joan Hanpeter.

The purpose of the meeting was to give citizens an opportunity to meet with Congressman Nedzi and discuss current issues.

Public education was the primary topic and busing the central question. Mr. Nedzi said that on January 24 he introduced a resolution on behalf of himself and other Michigan representatives to amend the Constitution to provide that no part of it could be construed to require a school system which assigns pupils on the basis of neighborhood areas to assign pupils in any other manner.

Mr. Nedzi indicated that he believed the language of the measure, which in effect preserves the neighborhood school concept, overcomes many of the objections voiced to other Constitutional amendment proposals. The Congressman felt that there was little chance it would be passed by the Senate, however.

Mr. Nedzi said that most education measures introduced in the House this session will have an anti-busing

FIRST FEDERAL HAS THREE GREAT INTEREST RATES TO HELP YOU BUILD YOUR SAVINGS.

5% DAY to DAY
That's the interest rate our regular passbook savings account pays. It's as regular as you'd want it to be. There's no minimum amount needed to open. And you may deposit or withdraw any amount whenever you like. And you earn 5% per year daily interest from the date of deposit to the date of withdrawal, paid and compounded quarterly. The highest regular passbook interest rate in town.

5 1/2% YEAR to YEAR
First Federal also has two Certificate Savings Accounts. With an investment of \$1,000 dollars or more for one year, your Certificate Account will earn 5-1/2% annual interest, paid and compounded quarterly. And you begin earning 5-1/2% interest from the day the funds are deposited. Open a Certificate Savings Account at any one of First Federal's offices, and make a little extra interest.

6% YEAR by YEAR
That's for our long-term investment savers. With \$5,000 dollars or more, you may open a Certificate Savings Account for 2, 3, 4 or 5 years. And your account will earn interest from the date the funds are deposited. At 6% annual interest, paid and compounded quarterly.

At First Federal Savings of Detroit, your savings, whether in a Regular or a Certificate account, are insured up to \$20,000 by the Federal Savings and Loan Insurance Corporation.

When the lights go on at the Players Theater tomorrow night, Friday, March 16, and Saturday night, March 17, over 60 members of The Fine Arts Society will present "The Apple Tree." The play, written by Jerry Book and Sheldon Harnick, is a many-faceted musical, actually three plays in one.

Mr. and Mrs. Thomas Girardy, of Vernier road, are producers of the fantasy which is presented in three parts.

"The Diary of Adam and Eve" will be directed by Fine Arts Society member Peter Jolly. Pointers Lorraine St. Clair and Audrey Jennings are co-directing "The Lady or the Tiger." The third offering, "Passionella," is under the direction of Alice Finney and Violinda Nelson. Set design is by Charlotte Giltner, of Renaud road.

Fine Arts Society President Bernard Pearce, of Westchester road, reports that "The Apple Tree" is growing beautifully. He anticipates a full house for the production.

Culture for the Young Set

Students at Pierce Middle School enjoyed a special outing Wednesday, February 21, as a group of 45 Seventh and Eighth Grade choral music students from Mrs. Roger Bailey's classes attended a Lecture-Open Rehearsal of the Detroit Symphony Orchestra.

Featured in the program was the piano virtuoso Israel Margalit, who performed the Prokofieff Third Piano Concerto. Among the other selections heard was Stravinsky's Firebird Suite conducted by Aldo Ceccato.

After becoming familiar with the music, and with Miss Margalit's accomplished rendering, a group of seven students were so inspired that they decided to hear the formal concert Saturday night. After making the necessary transportation arrangements, all that was left was the purchase of tickets. The fledgling Collins George's decided that the student seats, priced at \$1.75, were unsatisfactory as they would not allow a good view of the piano key board. So all seven students bought premium seat tickets.

More V.I.P. privileges were in store for the students as the Junior Women's Association for the Detroit Symphony Orchestra had asked their teacher, Mrs. Bailey, to be hostess all week for Miss

Dinner Reception at Detroit Athletic Club Follows Evening Rites in Grosse Pointe Memorial Church

Wearing her mother's wedding dress and veil, Trudy A. Miller, daughter of Mr. and Mrs. Don W. Miller, of Lakecrest lane, became the bride of Robert P. Gillard, son of Mrs. Jack M. Gillard, of Pompano Beach, Fla., and the late Mr. Gillard, at a double ring evening ceremony at Grosse Pointe Memorial Church on Saturday, March 10.

The 5 o'clock candle-light rites at which Dr. Ray H. Kicly and Father Carl F. Ebey, CSC of Notre Dame University, presided were followed by a dinner reception at the Detroit Athletic Club. The bride, given in marriage by her father, wore the gown and veil her mother wore 33 years ago at her marriage. The dress was of heavy candlelight satin with satin corded epaulets at the shoulders with a low shirred waistline that held the cathedral train. The full-length silk tulle veil was held by a queen's crown of corded satin.

Her cascade bouquet was of phalaenopsis orchids, stephanotis, baby's breath and ivy.

In bright yellow frocks, styled with high collars and long sleeves edged in self-ruching and long skirts ending in a deep flounce were honor matron, Mrs. Mitchell Fortner, and bridesmaids, Mrs. Charles Burns and Mrs. Cindy Smith.

They carried ball-shaped bouquets of white and yellow carnations and yellow daisies on yellow velvet ribbons, and had hairpieces of carnations and daisies. John F. Gillard, of Chicago, was his brother's best man.

Guy J. Miller, the bride's brother, Thomas J. Conway, George M. Pedley, and Michael A. Conway seated the guests.

Women's Guild Offers Concert

The Detroit East Chapter of the Valparaiso University Guild will present pianists Alice Ellison and Laurie Lindemulder in an "Afternoon Musicale" followed by tea on Wednesday, March 28. Concert time is 1 p.m. in the lounge of Christ the King Lutheran Church, 20338 Mack avenue.

The two pianists met in 1963 while both were faculty members of the Detroit Institute of Musical Art. At first they performed as a two-piano team in the Detroit area and throughout the state. In 1970, they began playing as a four-hand, one-piano ensemble. Since that time they have performed frequently, doing lecture-recitals at schools, as well as concerts.

Laurie Lindemulder holds Bachelor and Master of Music degrees in piano from the University of Michigan. Alice Ellison is a graduate of Valparaiso University with a degree in education. Both continue their teaching profession.

Mrs. Otto Auch, of Grayton road, is serving as chairman, assisted by Mrs. Harvey Groehn, of Kensington road, Mrs. Ralph Jewell, of Lakeshore road.

The public is invited to the concert. Tickets are \$2. Reservations for the benefit performance may be made by calling Mrs. John Crichton, of Balfour road, at 894-7351 or Mrs. Auch at 883-0815.

MRS. ROBERT C. EVERETT, of Woodland Shore drive, president of the Detroit Wellesley Club, and MRS. SIGURD R. WENDIN, of Cloverly road, president of her Wellesley class, will be leaders in helping the college raise \$70.7 million in a 10-year centennial development program.

Engaged

Mr. and Mrs. Louis Rabaut, of Hawthorne road, are announcing the engagement of their daughter, HELEN LUCILLE, to Steven Gerald Weitzmann, son of Mr. and Mrs. Donald Weitzmann, of St. Clair Shores.

Miss Rabaut and Mr. Weitzmann graduated from St. Paul's-on-the-Lake and are presently attending the University of Detroit.

A June wedding is planned.

Entertaining the Kenyon College Swimming Team, here to compete in the NCAA championships at Wayne State University, at dinner next Wednesday evening will be the WILLIAM C. State Educator Guest of DKG

The Metropolitan Council of Delta Kappa Gamma Society, international organization of women educators, will hold its seventh annual birthday luncheon on Saturday, March 17, at the Grosse Pointe War Memorial.

The Metropolitan Council is composed of 10 chapters in the Detroit area of which two are local Grosse Pointe chapters, Alpha Mu and Beta Xi. Current president of Alpha Mu is Geraldine Bertovick of North High, past president is Florence Miller also of North High. Acting as president of Beta Xi is Frances Morris of Ferry Elementary School, with past president Marian Saile of Kerby Elementary School.

Arrangements for the luncheon are the responsibility

of the past and present presidents of each chapter. Decorations will feature St. Patrick's Day. Pointe chapters are responsible for the designing and printing of the programs.

Dr. Michael Deeb, vice-president of the State Board of Education and supervisor of student teachers in the College of Education at Wayne State University will be the speaker for this festive occasion. The topic that Dr. Deeb has chosen is educational accountability.

His speech will be followed by a reactor panel consisting of the following: Cecelia Wells, Alpha Chapter; Gwen McKenna, Alpha Omicron Chapter; Mrs. Miller, Alpha Mu Chapter; and Ann Areeda, Kappa chapter.

Luncheon Planned By South Mothers

"Student Helping Student" is Emphasized as South High Students Assist With Decorating, Publicity and Hostessing

A "Paris in the Spring" theme will highlight the Grosse Pointe South Mothers Club scholarship luncheon to be held on Wednesday, March 28, at North High. The time is 12:30 o'clock.

The Mothers Club Scholarship Fund, in existence for 25 years, awarded 18 scholarships in the 1971-1972 season, totalling \$8,200.

A series of guidelines determines the recipients, with financial need the highest priority. With the rising college costs, more money is constantly needed to replenish the diminishing Scholarship Fund coffers.

"The success of the Paris in the Spring luncheon is paramount if the Mothers Club is to meet its 1973 commitments", states Mrs. F. B. Crowley, general chairman. "To assure its success, we are offering, in this age of \$7

afternoon benefits, a delicious luncheon, fashion show by Himelhochs and card games if you so desire, at the price of \$3 per person. It's a Parisian holiday captured into one afternoon".

Student helping students is also emphasized as Grosse Pointe South students work side by side with Mothers Club members to assure the perfection of the "Paris in the Spring" luncheon.

Members of South's Key Club and Future Teacher Club are assisting in decorations. The Art Class is responsible for the poster art gracing the business establishments of the community,

'Paris in the Spring' Aids Scholarships

Making final plans for the Wednesday, March 28, South High Mothers Club "Paris in the Spring" Scholarship Luncheon is a committee including South mothers, counselors and students. Standing, (left to right), are MARIE CASTEEL, South High counselor; COLLEEN GOUGH, chairman of the Junior Hostesses; KAY DREXEL, Key Club chairman; and COLEEN DOOLEY, Future Teacher

Club chairman. Seated, (left to right), are MRS. F. B. CROWLEY, general chairman; MRS. ROBERT LAFAVRE, decorations chairman; and MRS. EDWARD SULLIVAN, Service chairman. The luncheon will be held at North High School, beginning at 12:30 o'clock. Tickets are \$3 and can be obtained by calling Mrs. William Gough at 885-0126.

Three Soloists for Symphony March 15, 17

Sixteen Ehrling returns from a triumphant Metropolitan Opera conducting debut in New York to lead the Detroit Symphony Orchestra in a program featuring three soloists tonight and Saturday, March 15 and 17, at 8:30 o'clock in Ford Auditorium.

Spain's "grand seigneur of the Harp" Nicanor Zabaleta, plus the Orchestra's own concertmaster Gordon Staples and the Orchestra's principal cellist Italo Babin will be featured at both performances.

The Detroit Symphony premiere of Argentine composer Alberto Ginastera's harp concerto, featuring Zabaleta, and Ginastera's Suite from "Panambi" will be included on the program.

Also scheduled is the Brahms' Double Concerto in A minor for Violin and

Violoncello, a work which last performed by Staples and Babin was with the Orchestra under Ehrling's direction at the inaugural concert of the Meadow Brook Music Festival in 1964. This concerto is generally considered to be Brahms' last important orchestral work.

Smetana's symphonic poem "The Moldau" completes the program.

Nicanor Zabaleta, born in San Sebastian, Spain, began musical studies in his native country, then perfected his talent in France.

Once embarked upon his career as a concert artist Zabaleta rapidly gained international recognition, giving more than 2,500 recitals around the world and playing as soloist with more than 150 symphony orchestras.

He is invited every year to the major music festivals

in Europe and America. Gordon Staples, concertmaster of the Orchestra since 1968, came to Detroit in 1955 after serving as concertmaster of the New Orleans Symphony.

His concert career began at the age of 13. Shortly thereafter he became a staff solo artist for the Canadian Broadcasting Corporation, performing weekly over the Trans-Canada network.

His career encompasses a long list of engagements, ranging from solos with orchestras across North America to recitals in Detroit, including a series of violin-piano programs with Sixteen Ehrling several years ago.

Staples is making his 36th and 40th appearances as featured soloist with the Detroit Symphony Orchestra this week.

Women Voters Study Land Use

The League of Women Voters of Grosse Pointe will combine the usual three monthly study units in a single meeting Monday morning, March 19, at 9:30 a.m. in the Congregational Church, Lothrop and Chalfonte avenue.

A double feature, "Consensus on Shoreland" and "National Land Use" will be the program. Leaders are Mrs. C. B. Conover, Mrs. Robert G. Coyle and Mrs. Joseph Evola.

As part of the Leagues of Women Voters national project to study land use, a speaker from SEMCOG, Southeastern Michigan Coun-

cil of Governments, will introduce land use planning of the area. Slides will be shown demonstrating housing, water and transportation forecasts. The meeting will serve as a joint study by both the Human Resources and Environmental Quality groups.

Antique Dolls Luncheon Topic

Grosse Pointe Woods Presbyterian Church will present its Spring Luncheon program "Dolls for Dolls" at 12:30 o'clock on Saturday, March 24.

Mrs. Susan Manos will show many special and antique dolls. A well-known private collector, Mrs. Manos has a museum of 450 dolls and antique toys. Members are invited to ask questions and bring their doll treasures to the speaker for her evaluation.

Chairwomen of the luncheon are Mrs. Clarene Honkanen, of Marter road; Mrs. James Marshall, of Oxford road; Mrs. James Spencer, of Torrey road; Mrs. Robert Swaney, of Brys drive; and Mrs. James Weaver, of Hawthorne road.

Reservations and tickets can be obtained from Mrs. Joanne Heritier, of Kenmore road, 884-6975. Tickets are \$2 for adults and \$1.25 for children under 12 years.

James Cleary Wed March 10

Franklin Community Church, Franklin, Mich., was the setting for the 12:30 o'clock wedding of Carla Joanne Jolly, daughter of the Edgar William Jollys, of Bloomfield Hills, and James Peter Cleary.

Mr. Cleary is the son of Mrs. John Joseph Gorman, of South Deeplands road, and the late James P. Cleary.

The wedding, at which The Reverend Frank Cavick presided, was followed by a

luncheon reception at the Oakland Hills Country Club.

The newlyweds are vacationing in Hawaii, and will return to Grosse Pointe to make their home in Notre Dame boulevard.

The bride's princess style gown, of ivory organza, was fashioned with a high neckline and long fitted sleeves. The bodice was trimmed in val lace and accented with pearls forming a scroll pattern. A panel of dulcette satin ran down the front, around the hemline and formed the train. The bride's headdress was outlined in val lace and seed pearls and the double veiling fell to a court length train.

She carried a Williamsburg arrangement of small white roses and stephanotis.

Her six attendants, including honor maid Margaret Jolly, the bride's sister, wore emerald green dresses of peau de soie sashed in ivory satin, with yoke collars and cuffs of ivory lace. Daffodils, fleur de lis, tulips and baby's breath formed their bouquets.

They were Sally Cooney, of Royal Oak; Mrs. David Custer, of Atlanta, Ga.; the bridegroom's sisters, Kathy Cleary, Susan Cleary and Patricia Gorman.

Mr. Cleary asked his brother, Robert, to act as best man. Ushers were Pointers Alan Godin, Gerald Young and Dr. Albert DeFever and the bride's three brothers, Edward, John and Craig Jolly.

The bride's mother wore a long lime green sheer dress accented with reembrodered leaves of gold and silver. She chose green cymbidium orchids. The mother of the bridegroom wore a long pastel apricot dress trimmed with topaz jewel loops at the waist. She selected off-white cymbidium orchids.

AAUW to Gather At Annual Meeting

Groups Plan Spring Workshops in Subjects Varying From Contemporary Literature to Health Care Insurance

The Grosse Pointe branch of the American Association of University Women will hold its Annual Meeting this afternoon, Thursday, March 15, at the Lochmoor Club. Mrs. Paul Brown, president-elect for Michigan AAUW, will speak on the topic, "Education in the Now Generation".

La Causerie, AAUW's French speaking study group, met yesterday, Wednesday, March 14, in the McMillan road home of Mrs. Samuel Nelson, who narrated art films.

Mrs. Emil Berg, of Kenwood Court, will extend hospitality to the Folk Guitar Group on Monday, March 19.

Stitchery Group will attend a demonstration on Tuesday, March 20, at Needles and Knots.

AAUW's Book Group will gather Monday, March 26, at Mrs. Robert DeMaggio's home in Maddelein, Detroit. Mrs. Urban Borech will discuss some of the recent books on gardening to help members plan spring and summer gardens.

AAUW's Contemporary Literature Group will meet Tuesday, March 27, at Mrs. Claude Streb's home in Broadstone. Mrs. Robert Nicholson will review "Women and Madness".

On Wednesday, March 28, the topic of Health Care Insurance will be debated by Mrs. Robert Leech and Mrs. John Schonenberg at "A Dollar's Worth" Study Group. Meeting place will be Mrs. Denis Woods' residence in Brys drive.

"Executive Wife's Role Today" will be reviewed by "We the People" of Friday, March 30. A Japanese menu will be featured at the homes of Mrs. Thomas Arndt, in Fisher road, and Mrs. John Brewster, in Norwood drive.

Notre Dame Band Moms Host St. Patrick Dance

There will be a St. Patrick Dance at Notre Dame High School Saturday night, March 17, from 9 p.m. to 1 a.m. The band is Sparks of Fire, and refreshments will be served. Tickets are \$5 per person and reservations may be made by calling Mrs. Louis Gola (773-3085) or Mrs. Michela Skrzynski (775-4334).

KIM MICHELLE MENAGH, daughter of the CHARLES R. MENAGHS, of Blairmoor court, a sophomore music major at Hillsdale College, where she was recently elected vice president of Sigma Alpha Iota national music sorority, will be featured soprano soloist in a performance of Schubert's Mass in G at Hillsdale March 11. Her mother and grandmother, MRS. JOHN PANKOW, will be in the audience.

Exhibiting in the 1973 Faculty Exhibition of the Wayne State University Department of Art and Art History, which continues through March 25 in WSU's Community Arts Gallery, is LOUISE NOBILI, of East Jefferson avenue.

Dartmouth's Glee Club Concert Set

Will Be Heard in Rackham Memorial Auditorium on Monday, March 26; Many Pointe Alumni March Support

With principal support from alumni in the Grosse Pointe area, the 60-member Dartmouth College Glee Club will visit Detroit for two performances on Monday, March 26.

General Chairman Thomas E. Candler, of 51 North Duval, has arranged that the touring men will sing for the student body at Northwestern High School, (a first for an Ivy League college in the Inner City), and then an evening concert open to the public at Rackham Auditorium across from the Art Institute.

The near-professional group is now in its 105th year of

Center Offers Theater Buffets

The increasingly popular dinner-theater concept is beautifully represented in Grosse Pointe at Grosse Pointe War Memorial where in the elegant Crystal banquet ballroom overlooking Lake St. Clair and the show place Memorial Gardens, the Center will serve sumptuous theater buffets prior to the Thursday and Friday night performances by Grosse Pointe Theater of the comedy "40 Carats" on March 22, 23, 29 and 30 in Fries Auditorium immediately before the dinners.

The candlelight Theater buffets begin with a happy hour at 6:30 p.m. Both punch and the following buffet dinner complete with tax and service are included for \$5 on a prepaid reservation basis. Tables may be arranged for parties and, of course, dinner guests get the choice parking before the rest of the theater patrons arrive.

The buffets include a smorgasbord of appetizers—whole mushrooms, herring in sour cream, crabapples, marinated Brussel sprouts, etc., a table of assorted salads and dressings, hot entrees including roast beef, chicken and casseroles, a variety of vegetables and, in the center of the room, a tiered table of home-made dessert selections.

Only those with theater tickets can be accommodated at the buffet. For theater tickets call 881-4004. For dinner reservations come in person or mail checks to Grosse Pointe War Memorial office, 32 Lake Shore road—open 9 a.m.-9 p.m. daily except Sunday (10 a.m.-5 p.m.).

Wayne Women Plan Art Tours

Art appreciation is the focal theme for Women of Wayne Grosse Pointe activities this April. On Wednesday, April 11, at 12:15 p.m., Women of Wayne Grosse Pointe will participate in a program of luncheon and art tour at the Detroit Institute of Arts.

Members and interested guests should contact Rose Giglio. The cost of the luncheon and tour is \$4.25. Also, on Thursday, April 26, a tea and tour of African art and Chinese porcelain will be held at the home of Mrs. G. Mennen Williams between 3 and 5 p.m.

Ribbon Farms Questers Study Kitchen Antiques

The Ribbon Farms Chapter of Questers will meet Monday afternoon, March 19, at Mrs. John Schneider's residence in Belanger road. The program is family recipes and kitchen antiques.

In place of the April meeting, the chapter plans to attend the State Quester Assembly at the War Memorial on Wednesday, April 4.

Mr. and Mrs. Aldo Saccomanno of Hialeah, Fla. have announced the engagement of their daughter Rosemarie, to Richard Robert Shalla, Jr., son of Mr. and Mrs. Richard R. Shalla, formerly of Morningside drive, more recently of Ormond Beach, Fla.

Rosemarie is a graduate of Hialeah High School. Richard is a graduate of Austin High School and Villanova University, Villanova, Pa., where he majored in Accounting. He is currently working for Haskins and Sells accounting firm in Miami.

An October 6 wedding is planned at Immaculate Conception Church.

Business Women Hold Enrollment Tea Mar. 18

Motor City Charter Chapter of the American Business Women's Association will hold its "Hand of Friendship" Enrollment Tea on Sunday, March 18, from 2 to 5 p.m.

This event is held semi-annually to introduce the organization and the local chapter to Business Women in the area. The chief function of A.B.W.A. is to help women in business advance through education, increased competence, and through upgrading of professional skills and business attitudes.

The Association, founded in Kansas City, Missouri, in 1949, now has more than 1,000 other A.B.W.A. chapters with over 65,000 members.

Those interested in attending should call Ms. Marilyn Karpuk, president, 294-2302, or Ms. Jerry Norkiewicz, membership chairman, 775-4668.

Pointe area women attending the event include Miss Loretta M. Bates, of Hollywood avenue, Miss Tina Guastella, of Aline drive; and a Chapter past president, Mrs. Betty Knop, of Yorktown road.

Guest House Benefit Scheduled for Friday

The annual Guest House dinner-dance hosted by Bishop Walker J. Schoenherr will be held at Raleigh House Friday, March 9. Lawrence M. Carino and Kenneth J. Whalen are co-chairmen of the committee sponsoring the benefit.

Over 600 are expected to attend.

Guest House is a non-profit organization directed by a board of volunteer laymen which operates facilities in Lake Orion, Mich., and Rochester, Minn., for rehabilitation therapy and treatment of Catholic clergy suffering from the disease of alcoholism.

Since its beginning in 1956, more than 900 priests and brothers have been restored to health and returned to their religious functions.

Navy Seaman Recruit son of MR. and MRS. DONALD McEACHERN, of Maryland avenue, has been graduated from recruit training at the Naval Training Center, Great Lakes, Ill.

Brownell Thrift Sale Aids Music Campers

A Rummage Sale at Brownell Middle School, 260 Chalkonts avenue, on Saturday, March 17, from 9 a.m. to 2:30 p.m. will provide summer music camp scholarships for gifted students.

It is the third annual sale and Mrs. Nathan Judson, director of the Band and Orchestras at the school, is hoping to make it a yearly event. Along with the Rummage Sale, there will be a Bake Sale under the chairmanship of Mrs. Robert Boman.

A goal of \$1,000 has been set, a goal reached in both 1971 and 1972. Another money-raising project has been a bagel sale every Friday after school.

Interlochen Music Camp, along with the Central Michigan University Music Camp, Mt. Pleasant; Blue Lake Fine Arts Camp, Twin Lakes; and Manistee Music Camp, Manistee, are ones the students attend. The scholarships are open to any qualified Sixth, Seventh or Eighth Grade instrumental students.

In 1971, 17 students received \$50 scholarships; in 1972, 20 received grants. Twenty scholarships have been reserved for 1973.

An indication that the young musicians enjoyed the camps is that 12 campers were repeaters, attending in both 1971 and 1972. In 1972, 32 students went to music camps.

One of the boys who received a scholarship to Blue Lake Fine Arts Camp in 1972 was David Bastranelli. He was named the Outstanding Camper of the year.

The camps are recognized for providing excellent instruction in the particular instruments. Many hours a day

are spent in rehearsal and individual instruction. A program of swimming, boating and tennis supplements the music schedule.

Many friendships are started in the summer session which foster correspondence throughout the winter.

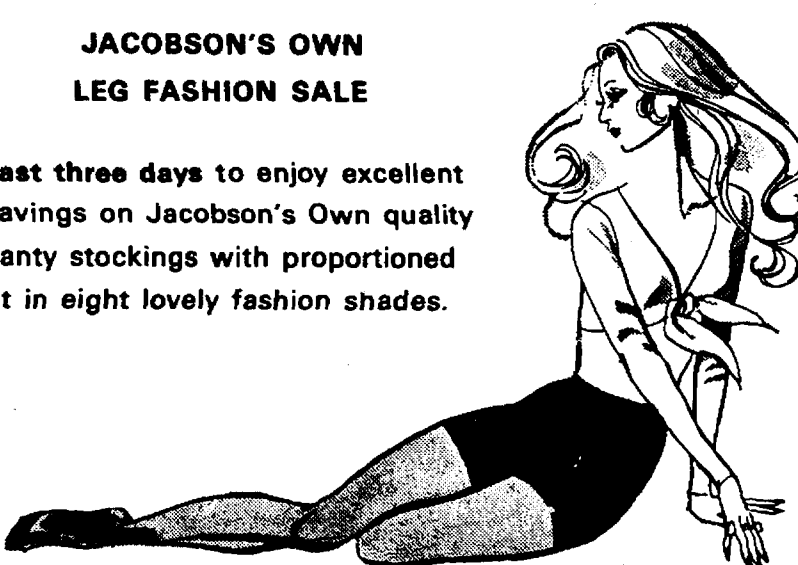

Chairmen of the sale are Mr. and Mrs. Robert Armstrong (881-6835), Mrs. Judson (885-4914) and Mrs. Jean Gilbert (884-9538). They have sent out a call for usable items which can be dropped off at Brownell music room during the week. The organizers will pick up any articles donors are unable to deliver.

Russian Music for Symphony

An all-Russian program, featuring Detroit Symphony premiere performances of Shostakovich's Symphony No. 12 and performances of Rachmaninoff's piano concerto No. 3, Alexis Weissenberg, soloist, will be presented Thursday and Saturday evenings, March 22 and 24, at 8:30 p.m. in Ford Auditorium.

Sixteen Ehrling will conduct the powerful and little-known Shostakovich work, which is subtitled "Lenin," and the Rachmaninoff selection, which will be a musical salute to mark the centennial observance of the composer's birth.

Described by Time magazine as having "Horowitz-like technique, poet's heart and vast reserves of power," Alexis Weissenberg has appeared many times with the

great orchestras of the world since his dramatic debut with the New York Philharmonic following his capture of the coveted Leventritt International Award in 1948.

The Bulgarian-born Weissenberg has eclectic musical interests and enthusiasms which result in a particularly wide-ranged repertoire, embracing musical opposites such as Brahms and Bartok, Stravinsky and Chopin.

No stranger to the American summer music festival scene, Mr. Weissenberg's initial appearances with the Detroit Symphony were in 1968 at the Meadow Brook Music Festival.

Tickets are available for \$7, \$6, \$5, \$4.50, (also \$4 and \$3.50 on Thursday), at the Ford Auditorium box office (961-0700) and at Hudson's and Grinnell's ticket offices.

Will Wed

Mr. and Mrs. James T. Beck, of Harvard road, announce the engagement of their daughter, DEBORAH ANNE, to Timothy S. Kasper, son of the Stanley J. Kaspers, of St. Clair Shores.

Miss Beck is a student at Eastern Michigan University. Her fiancé attended John Carroll University.

An August wedding is planned.

ORVIS H. (Bud) LEIDY, of Notre Dame avenue, is new president of the Anti-Cruelty Association of Michigan, only animal welfare unit in metropolitan Detroit that provides year-round 24-hour pickup service on an emergency basis for injured or ill stray animals.

April Bride

Planning an April 28 wedding in St. Ignace, Mich., are YVONNE M. DOLAN, and George E. Brand III.

The bride-elect is the daughter of Mrs. Harry Taylor, formerly of The Pointe and more recently of Duluth, Minn., and the late Lieutenant William Dolan. Her fiancé is the son of Mr. and Mrs. George Brand, Jr., of Kensington road.

Miss Dolan and Mr. Brand were both graduated from Grosse Pointe High School and are currently seniors at the University of Northern Colorado, Greeley, Colo.

James Walker To Take Bride

Dr. and Mrs. Donald Robert Holland, of Painesville, O., are announcing the engagement of their daughter, Elizabeth Jane, to James Adams Walker, son of the Donald Albert Walkers, of University place and of Leland, Mich.

Miss Holland attended the Thomas W. Harvey High School in Painesville and is a candidate for a Bachelor of Arts degree in Education from Hillsdale College in May. She is a member of Chi Omega.

Mr. Walker is a graduate of Cranbrook School and Hillsdale College, where he was affiliated with Delta Tau Delta. He is associated with The Travelers Insurance Company.

The wedding is planned for July 14 in St. James Episcopal Church, Painesville.

Heartline Is Seeking Volunteer Assistants

Heartline, Inc., a service-oriented family-type program for women 17 and older, offering vocational and educational along with group counseling, is seeking volunteers, and has scheduled an information/training session for Saturday, March 24, from 1 to 4 o'clock, at the Gabriel Richard Building, Michigan avenue corner of Washington boulevard, Detroit.

The program started eight years ago, as a helping hand for young girls, alone, in need, with no place to go. It has expanded to three homes in Detroit's northwest area. Its success has been due, to a great extent, to help received from community volunteers.

Further information may be obtained by contacting Chairman Perreault at Heartline, 923-2800.

Camp Fire Girls Half Century Old

The Sunrise District joins with the Detroit Area Camp Fire Girls in the anniversary celebration of 50 years as a Council. Sunrise District is composed of nearly 1,000 girls in the Grosse Pointe area and eastern section of Wayne County.

"Fifty and Forward" is the theme that has been adopted for the birthday year and is a good description of Camp Fire efforts in the Grosse Pointe area. New groups join with experienced groups to make this one of the fastest growing districts in the Detroit Council. Girls are now enjoying Camp Fire Girls programs in almost every school in our city.

Mrs. Joan Hanpeter and Mrs. Laura Evans head Blue Bird groups at Defer School. Blue Birds are young girls seven- and eight-years-old in the beginning level of Camp Fire Girls.

Mrs. Judy Western of Mason School, Mrs. Marilyn Spurlock of Monteith, Mrs. Janice Dahl of Richard, Mrs. Elizabeth Berezik and Mrs. Marilyn Blair of St. Clare School, and Mrs. Patricia Clancy and Mrs. Helen McGraw of Trombly School also lead this age level striving to develop in these young girls an awareness of themselves, personal growth and a dedication to Camp Fire ideals of work, health, and love.

Camp Fire Girls, that is older girls from nine to 12 years of age, are headed locally by Mrs. Mary Brieden, Mrs. Dolores Gross and Mrs. Ann MacGillis of St. Clare School and Mrs. Martha Bickley of Trombly.

Camp Fire Girls participate yearly in four district-wide events as well as their own projects, services and camping trips on a group basis.

The Council Firt held in November at Grosse Pointe North High School was an opportunity for recognition of group achievements over the past year. The Candy Sale just completed was an effort to help support the Detroit Area Office financially and to contribute to the maintenance and development of Camp Wathana in Holly, Mich. The Father-Daughter Dinner in April is a non-profit evening of fun for the girls and their dads.

The Birthday Celebration now being launched is a special opportunity to share with the community and demonstrate what Camp Fire is really all about. It is a time for looking back on past efforts and planning ahead to learn better ways of living and working together.

Tuesday Musicals Has Spring Feeling

In tune with the season, the ninth morning concert of the Tuesday Musicals of Detroit will present "Songs with A Touch of Spring" on Tuesday March 20, at 10:30 a.m. in the Lecture Hall of the Detroit Institute of Arts.

President Mrs. Charles Bryant, of Holiday road, has announced that a spring theme runs through the music planned by Carolyn Jewell Anderson who is chairman of the day's program.

Opening the concert, Lee Thume will perform piano compositions by Chopin and Liszt. Helen Smith, lyric-

coloratura soprano, will follow with a group of songs including Oskar Morawetz' musical settings of two of William Blake's poems: "Piping Down the Valleys Wild" and "I Love the Jo-cund Dance." She will be accompanied on the piano by Barbara MacIntosh.

Continuing the program, Hanna Lahti will perform four light-hearted compositions on the flute. Her piano accompanist will be Alice Haidostian. The concert will conclude with Pianist Mary Maas performing Beethoven's "Variations in C Major on a Waltz by Diabelli."

They did.

Final Lecture/Open Rehearsal

The "Putter-Offers" of the musical set in The Pointe should mark the date of Wednesday, March 21, on their calendars as it is the last Lecture/Open Rehearsal of the season.

The afternoon, organized by the Junior Women's Association, will start at 1 p.m. with a talk by noted music authority and lecturer Mrs. Robert Kaiser, who will discuss the afternoon's music.

Beginning at 2 p.m. Sixten Ehrling, guest artist Alexis Weissenberg, pianist, and the Orchestra will rehearse works from the Thursday, March 22, and Saturday, March 24, concerts. The program, one of all Russian music, includes Shostakovich's Symphony No. 12 and Rachmaninoff's Piano Concerto No. 3.

A bus will be leaving for the Lecture/Open Rehearsal at 12 noon Wednesday afternoon, from the War Memorial. Tickets, including round-trip transportation, the lecture and refreshments, are \$2.50 and may be purchased at the Center (881-7511) or by calling Mrs. Robert Reising, 874 Lakeland court, (885-2473). Patrons will be back by 4 p.m. Tickets may also be bought at the Ford Auditorium door: Price \$2.

Bus to Somewhere

Word came into the NEWS office that on Saturday, March 24, at 6:45 p.m., Grosse Pointe Newcomers, alumni and their guests will board a bus at the Shores George Osius Park and head for an unknown destination.

Even though the terminus remains a mystery, party chairmen Mr. and Mrs. Morris Burrows promise a delightful evening of dinner and dancing for all. They also promise a prize for the person who guesses the group's destination—before departure.

Serving as committee members and aiding the Burrowses with party details are Dr. and Mrs. Joe Beals, Mr. and Mrs. Don Flowers, Mr. and Mrs. Gary

Hope to Give Fun to 1,000

Detroit Lions quarterback Greg Landry has been named as chairman of a project which will send 1,000 handicapped youngsters to the opening performance of Ice Capades Tuesday, March 20, at Olympia Stadium.

The endeavor is a joint undertaking between radio station WEXL and the Metropolitan Society for Crippled Children and Adults. Proceeds will go to the Metropolitan Society to provide therapy and diagnostic services for residents of the tri-county area.

Heading up the WEXL involvement with the project is radio personality Ron Ferris.

Both men are hopeful the funds will be raised to send 1,000 handicapped children

to Ice Capades. They are aware of the excitement a child experiences in attending such an event and the happiness of such a pleasant memory.

For further information, call 861-0510 between 9 a.m. and 6 p.m. Monday through Friday.

BUYING A SECURITY SYSTEM?

When you buy an apartment at

The Jefferson Apartments Grosse Pointe's newest condominium

... you get not one, but a network of the most modern security systems to guard you, your home and your possessions.

A CLOSED TV MONITORING SYSTEM covers the entrance, outside parking areas and inside garage. The caller can be viewed from a selected channel on the owner's TV set in each apartment. The doorman and manager's office views the same areas.

THE ENTRY COMMUNICATIONS SYSTEM is a new system conceived and engineered by Michigan Bell Telephone Company. Using a touchtone panel telephone in the lobby, the caller dials the owner's apartment. This enables each party to have a private conversation. During the time the caller is in the entrance vestibule, he is under surveillance by the concealed TV camera.

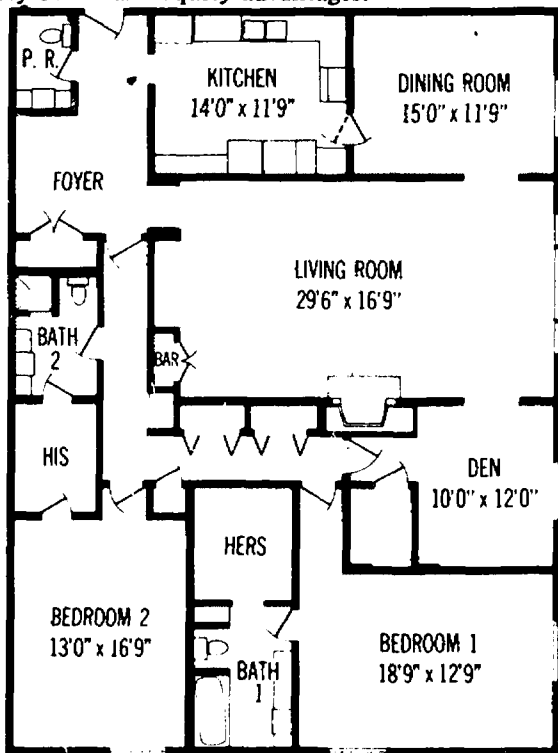

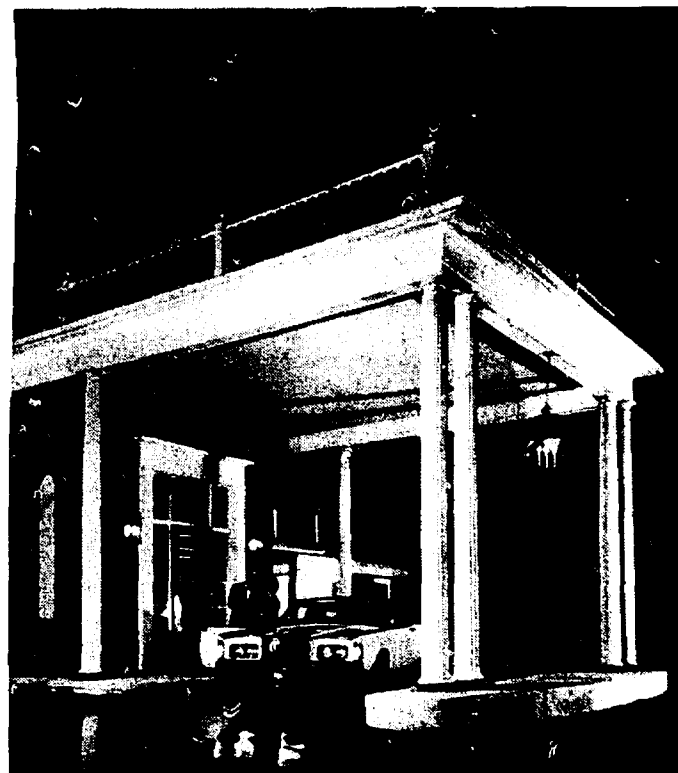

AN ON-GUARD ALERT SYSTEM features a control panel in the manager's apartment and the attendant's office. This notifies of any intrusion into any apartment when the occupants are away. The doorman or manager controls the system by activating the apartment's security supervision at the request of the owner.

THE FIRE PROTECTION ALERT SYSTEM gives added protection to all occupants of the building and will insure notification of each individual occupant of a fire in an unoccupied apartment.

Further elements of security are the uniformed doorman-attendant and resident caretakers.

Besides security, you also get really gracious living. Here is a typical spacious floor plan of an apartment home which features 9 foot ceilings, individual heating and cooling, top of the line G. E. kitchen with an icemaker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet. Natural fireplaces, naturally.

There are three separate elevators and approximately a thousand square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. The Jefferson Apartments is an adult community. Residents are home owners and enjoy tax deductions and the investment security of being a property owner and equity advantages.

Red Cross Starts Drive to Recruit Volunteers

The Southeastern Michigan Chapter, American National Red Cross, Detroit, is recruiting area residents to serve as Red Cross volunteers. Hospital volunteers are needed to serve in Sinai Hospital, Deaconess Hospital, Brent General Hospital, Northwest Grace Hospital and Presbyterian Village, all Detroit. Red Cross hospital volunteers' responsibilities will include visiting patients, performing errands, assisting with telephone calls, feeding patients and many others. Blood Program volunteers are needed to make open

heart surgery telephone calls. Open heart surgery callers make appointments for volunteer blood donors, by blood type, to donate blood for open heart surgery. Red Cross is also seeking men and women to serve as volunteer drivers. Although blood delivery to hospitals is a primary responsibility, drivers still have time to make other trips for persons who are in need of transportation. Volunteers are needed who can donate a few hours of their time, one day each week. Interested persons may call Red Cross at 833-4440.

JOAN R. HANPETER, Secretary Grosse Pointe Board of Education

NOTICE OF SPECIAL ELECTION To the Qualified Electors of The Grosse Pointe Public School System Wayne County, Michigan

NOTICE IS HEREBY GIVEN that a Special Election will be held in The Grosse Pointe Public School System, Wayne County, Michigan, on Thursday, March 29, 1973, between the hours of 7:00 o'clock A.M. and 8:00 o'clock P.M. Eastern Standard Time.

At said Special Election, the following propositions will be submitted to the vote of the qualified electors of the School District:

PROPOSITION I Operating Millage Renewal Proposition

Shall the limitation upon the total amount of taxes which may be assessed against all property in The Grosse Pointe Public School System, Wayne County, Michigan, be increased as provided by the Constitution of Michigan by twenty and nine-tenths (20.9) mills on each Dollar (\$20.90 for each \$1,000.00) of the assessed valuation, as equalized, of all property in the School District, for the year 1973, for the purpose of providing funds for operating expenses of the School District (said increase representing a renewal of millage for such purpose previously approved by the electorate which expired in 1972)?

PROPOSITION II Library Operating Millage Renewal Proposition

Shall the limitation upon the total amount of taxes which may be assessed against all property in The Grosse Pointe Public School System, Wayne County, Michigan, be increased as provided by the Constitution of Michigan by one and twelve one-hundredths (1.12) mills on each Dollar (\$1.12 for each \$1,000.00) of the assessed valuation, as equalized, of all property in the School District, for the years 1973 to 1975, both inclusive, for the exclusive purpose of providing operational funds to support the Public Library System operated by the Board of Education in the School District (said increase representing a renewal of millage for such purpose previously approved by the electorate which expired in 1972)?

PROPOSITION III Additional Operating Millage Proposition

In addition to the millage recited in PROPOSITION I being voted on at this Special Election, entitled OPERATING MILLAGE RENEWAL PROPOSITION, shall the limitation upon the total amount of taxes which may be assessed against all property in The Grosse Pointe Public School System, Wayne County, Michigan, be increased as provided by the Constitution of Michigan, by six-tenths of one mill (0.6 mills) on each Dollar (\$0.60 for each \$1,000.00) of the assessed valuation, as equalized, of all property in the School District for the year 1973, for the purpose of providing funds for operating expenses of the School District?

PROPOSITION IV Additional Library Operating Millage Proposition

In addition to the millage recited in PROPOSITION II being voted on at this Special Election, entitled LIBRARY OPERATING MILLAGE RENEWAL PROPOSITION, shall the limitation upon the total amount of taxes which may be assessed against all property in The Grosse Pointe Public School System, Wayne County, Michigan, be increased, as provided by the Constitution of Michigan, by fourteen one-hundredths of one mill (0.14 mills) on each Dollar (\$0.14 for each \$1,000.00) of the assessed valuation, as equalized, of all property in the School District for the year 1973, for the exclusive purpose of providing operational funds to support the Public Library System operated by the Board of Education in the School District?

Each person voting on the above propositions must be: (a) A citizen of the United States of America over eighteen (18) years of age; and (b) A resident of this School District and a registered elector in the City or Township within this School District in which he or she resides.

The place of election will be the duly designated voting places in each election precinct in the School District and are as follows:

known politicians, sports figures, DJs and columnists will be among the party-goers stirring up action on the runway.

Again this year, Pointers have accepted the top committee positions to insure the success of Youtheatre.

The event is sponsored by the Junior Council of the museum's Founder's Society.

Serving as general chairman is Tom Schoenith, of Devonshire road.

The Youtheatre project is managed by Dr. Audrey M. Grossman, Curator of the Art Institute's Theatre Arts department.

It is the largest professional children's theater in the U. S. with live Broadway musicals, plays and puppet shows.

Smaller, more versatile shows travel to the schools throughout the metropolitan area.

The same shows are scheduled at the museum for the public as part of the "Something Every Saturday" program.

As far as the celebrities that night, the event is billed as the "greatest gathering of celebrities in the history of Detroit."

Also on hand will be former Miss America Pam Eldred and Mike Garofalo.

Light food will be served and, for the first time this year, music for dancing will be supplied.

After Dave was graduated from Law School, he handled the business end of the day camp while Joy and a partner did the actual running.

For 14 Cleveland years, Joy was involved in summer camping.

Joy, retired from summer camping now, still loves getting out. She'll hop on her bike, pedal down to the lake-shore and sit for a while, watching the water.

Joy is especially skillful with plastic resin, ecopage plaques and candle-making.

"Crafts for people who don't have talent" is her term for her projects, but there are those—especially those who've seen the finished products—who'd quarrel with that definition.

Amazing what women, working hard, for a good long time, can accomplish.

The seemingly indefatigable Alliance Francaise de Grosse Pointe has come up with a lecture-wine tasting that should be of interest to everyone as it is entitled "French Wines that You Can Afford."

A world-recognized connoisseur of wines, Monsieur Andre Ponsart, director of marketing for Foods from France will guide the wine tasting and lecture at the War Memorial Fries Auditorium Tuesday night, March 20.

Attendance is limited to 200. Interested bon vivants should send a self-addressed envelope with check to Mrs. William Barry, 90 Stanton lane, (48236). The price is \$6 per person.

Other Great Helpers Mary Ann Dye handled most of the telephoning. Mary Ann, active in Fiesta Handicrafts for the past three years, is well-known for her antique button bracelets.

Phyllis Havey took charge of purchasing while serving as the Triumvirate's "Idea Lady."

Phyllis and her husband, The Honorable Gordon Havey, a judge, have one son who will be graduated from Austin this year.

There are perhaps a dozen "faithfuls" who've been spending Tuesdays in the Friary basement. They are Fiesta Handicrafts' backbone, but not its sole source of supply.

Women with specialized talents donate them, like the lady who can—and does, for Austin—line a purse to perfection.

"We have so many talented people working for us," Helen and Joy marvel.

They've been marveling all along, as their stockpiles have been mounting, as the recipe holders and jewelry, the dolls, purses and flower arrangements come pouring in.
