## GP Farms Fiscal 1973-74 Budget Set at \$2,544,963

**\$2,643,641 Required to Operate City**

Tax Levy of 9.48 Mills Same as Last Year; State Shared Revenues Help

Appropriations Include Funds for Capital Improvements for Street and Curb Repairing and at Pier-Park Facilities

At a public hearing held on Monday, May 21, at which no residents made an appearance, apparently expressing confidence in the city officials, the Farms council approved the city's 1973-74 fiscal budget, amounting to \$2,544,963, which includes debt service of \$76,060.

The new budget for the year beginning July 1, is \$380,248 more than the current fiscal year which ends June 30, but even with the increase, The Farms is holding the tax rate levy to 15.85 mills (\$15.85 per \$1,000 State Equalized Valuation), which is the same as for the year 1972-73.

Budgeted for the coming year are capital improvements such as street construction and repairs, mostly recapping of thoroughfares and curb repairing, to cost \$12,000; catch basins, \$14,000; tree planting, (final phase of the program), \$20,000; Pier-Park improvements, including construction of a picnic shelter building and sand filter for the swimming pool, \$20,500. Total public improvements will amount to \$161,000.

**New Ladder Truck**  
Also included in the new budget is \$82,000 for a new aerial ladder truck, and \$9,000 for a new ambulance for the Fire Department, both of which will be paid for from funds under Federal Revenue Sharing.

One major improvement at the municipal park is the construction of a children's wading pool, at a cost of \$25,000, donated by Mr. and Mrs. Allan Shelden, III, in memory of their son, Allan Shelden, IV. A beautiful brass plaque, commemorating the memorial, and which will cost \$250, was approved by the city solons at Monday night's meeting. The plaque will be placed in an

**Lochmoor Club Trees Damaged**  
Thirty damaged trees at the Lochmoor Club, 1018 Sunningdale drive, were reported to The Woods Department of Public Safety Sunday, May 20.

The trees, about 25 feet tall, are along the club fence line running east from Marter road. Police discovered the trees, all poplars, had branches broken between eight to 10-inches long. And one tree was broken off about three feet from the ground.

**Runners-Up**  
Mrs. Fred Schaefer, Jr., of Cloverly road and Tom Tyler, of Grayton road, a fifth grade student at Mair School were the two runners-up. They will receive gift certificates for Stroh's Ice Cream Parlor.

And here they are — the award winning limericks! Mr. Turnbull's:

There once was a beautiful land

**City Tax Rate Reduced; Budget Set at \$1,476,330**

The Grosse Pointe City Council adopted a budget which will reduce City taxes 1.0 mill for the coming year.

The budget for the 1973-74 fiscal year was approved by the City Council at its regular meeting on Monday, May 21. It provides for a tax rate of 18.13 mills for operating purposes and 2.05 mills for debt obligations.

This amounts to a one mill or \$1.00 per thousand assessed valuation reduction in taxes compared to last year. The operating rate was decreased 33 cents and the debt requirement 87 cents.

Since there has been an increase in assessed valuations, this will lower city tax bills, except for limited instances of new construction. Although State assessment levels were increased in prior years, the combined tax rate is now less than that levied during the five years since 1967.

The General Fund budget totals \$1,476,330 or an increase of \$7,360. City Manager Thomas Kressbach said the costs of personal services, contractual services, such as refuse disposal and street lighting, and supplies and materials have continued to increase.

However, The City has been able to meet these costs through federal revenue sharing, improved state shared revenues, a one-time increase in reappropriated revenues, and a decrease in debt service requirements.

Public improvements are projected at their present level except for a proposed expansion of the street resurfacing program. The City Manager indicated that this program must be increased in scope to both offset rising costs and to avoid serious deterioration of city streets in the next few years.

The General Fund budget appropriations are as follows: (Continued on Page 2)

By Roger A. Waha  
The Woods' biggest budget yet was unanimously approved by the council at the regular meeting Thursday, May 17. The total general fund appropriation for the 1973-74 fiscal year budget is \$2,643,641, a jump of \$106,698 from the 1972-73 amount of \$2,536,943. The 1971-72 figure was \$2,303,656.

On the revenue side, the estimated revenues from sources other than property taxes are anticipated to be \$1,237,301. The additional amount necessary to meet the appropriation, together with an estimated collection of \$3,309 in delinquent taxes and interest thereon, is \$1,406,340 which will be raised by an ad valorem tax on all real and personal property in the city.

This amount is scheduled for spreading on the 1973-74 city tax roll at the rate of 9.48 mills per thousand of the city's current assessed valuation, (\$9.48 per \$1,000 of State equalized assessed valuation). This is the same tax levy as in the 1972-73 budget.

**Consistency**  
"The tax levy has remained the same for two years and the actual tax dollars paid in have remained the same for three years," said City Administrator Chester E. Petersen. Even though the tax levy is 11.00 mills per \$1,000 in the 1971-72 budget, the actual dollars paid in remained the same because State equalized valuations were raised in 1972, he said.

The 1973-74 budget increase is taken up by salaries and wages, street lighting and the city's utilization of the Grosse Pointes-Clinton Refuse Disposal Authority incinerator, the city administrator stated. He emphasized there will be no increase in taxes with the increase being primarily paid through additional State shared revenues.

In this regard, Mr. Petersen cited around \$45,000 in State shared taxes, Emergency Employment Act funds totaling about \$32,000 which runs out around March or April 1974, \$18,000 in fines and a reappropriation of an additional cash surplus totaling \$10,000 plus miscellaneous items.

**Seniors Program**  
Other aspects of the budget which Mr. Petersen cited include provisions for an expanded street repair and maintenance program along with Federal Revenue Sharing monies, a new administrative assistant position and around \$91,600 towards the replacement of various kinds of equipment for all the city's departments, e.g., scout cars, trucks, et al.

Another item which the budget provides is "a modest amount" to consider some type of recreational program for Woods senior citizens, he noted. Mr. Petersen plans to explore this program with the Grosse Pointe Woods Presbyterian Church regarding the possibility of using the churches facilities after July 1.

The Enterprise Funds budget, which isn't supported by tax monies, totalled \$888,610 for 1973-74. This budget includes water-sewer, parking, concessions, boat docks, the Youth Service Division and Federal Revenue Sharing. The budget mainly consist of fees charged, e.g., rental fees from boat docks.

The Youth Service Division, which receives contributions from each Pointe, will get \$107,740 from The Woods in 1973-74 in comparison to \$107,740 in 1972-73.

## HEADLINES of the WEEK

As Compiled by the Grosse Pointe News

### Thursday May 17

**THE CENSUS BUREAU** reported Wednesday that for the first time in history, the rate of birth in the United States declined in 1972 to a rate below the level necessary to sustain zero population growth. The estimated number of births in 1972, 3,256,000, was the lowest since 1945. The total estimated U.S. population on January 1, 1973, was 209,717,000, including armed forces overseas. The figures point out most Americans are having fewer children which could lead eventually to a decrease in the country's population.

### Friday, May 18

**A SENATE INVESTIGATING COMMITTEE**, headed by Senator Sam J. Ervin, a Democrat from North Carolina, began its probe yesterday into the Watergate incident. The first witness in the televised hearings, Robert C. Odle Jr., said H. R. Halde- man and former Attorney John Mitchell played "the principal roles" in recruiting key campaign figures from the White House staff. He also said Mitchell was making major strategy decisions even before he left the Justice Department in March, 1972, to head President Nixon's re-election campaign. Odle was the re-election committee's administrative director until last May.

### Saturday, May 19

**ARCHIBALD COX**, a Harvard law professor and former U.S. solicitor general was named as special government prosecutor in the Watergate case. Attorney General-designate Elliot L. Richardson chose Cox Friday after his two top choices for the job turned it down. Cox, a Democrat, will choose his own staff and will have a free hand, although Richardson will retain "ultimate power of removal." Both men will appear before the Senate Judiciary Committee on Monday.

### Sunday, May 20

**MR HIJACKERS** and 38 board an airplane late Friday night in Havana, Cuba, Saturday night. The domestic Aven's Airlines flight was seized by the hijackers, armed with sub-machine guns, on Friday, over the Andes Mountains in Venezuela. The hijackers threatened to blow up the plane if Venezuelan authorities did not free 79 "political prisoners." The authorities refused to comply. The plane arrived in Cuba after landing in Curacao, Panama, Merida, Mexico and Mexico City.

### Monday, May 21

**THE DETROIT FREE PRESS** has offered a \$5,000 reward for information in connection with the attempted murder of Free Press staff writer Howard Kohn. Kohn was kidnapped late Friday evening, held captive for 12 hours and escaped being shot when the captor's revolver jammed. Kohn recently wrote stories naming some of Detroit's top dope dealers as well as six policemen involved in the drug traffic. He has been investigating the narcotics trade in Detroit for the past two years.

### Tuesday, May 22

**LT. GENERAL VERNON A. Walters**, deputy director of the CIA, said yesterday before the Senate Committee investigating Watergate that former White House chief of staff, H. R. Halde- man, told top CIA officials that it was "the President's wish" that they try to prevent an FBI investigation of Republican campaign funds linked to the Watergate affair. He also revealed that acting FBI director, L. Patrick Gray, warned the President that the Watergate affair "could not be covered up."

## Center Plans Memorial Day Service

Ceremonies Set for Monday Morning May 28, on Terrace and Lakeside Lawn

All Grosse Pointers are invited and urged to attend the brief but impressive Memorial Day Service at the Grosse Pointe War Memorial Monday morning, May 28, at 11 a.m.

The ceremonies will take place on the terrace and lakeside lawn, weather permitting. They will be moved into Fries Auditorium in case of rain.

The order of service is as follows: Raising and Half Masting of Colors, Boy Scout Troop 96, Grosse Pointe Memorial Church; Advancing and Placing of Colors, Commander William T. Duval, Alger Post 995, V.F.W.; Invocation, Dr. Roy R. Hutcheon, Pastor at the Grosse Pointe Congregational Church.

## Information Furnished For Students Planning to Attend Summer School

Registration Dates for Elementary, Middle and High School Classes Set—Variety of Courses Offered

Although summer is not yet upon us, it's not too early to think about summer school. The scheduled summer classes, offered by the Grosse Pointe School System, provide students with an opportunity to strengthen basic skills and to enrich their regular school curriculum.

Elementary, middle and high school summer courses are being offered from Monday, June 18, through Friday, July 27.

Elementary summer school will be held at Monteith School and at North High for Science and Computer Mathematics. Middle and high school classes will be held at North High. Hours for summer school are from 8 a.m. to 12:25 p.m.

**May Have Substitute**  
Registration can be made only at the time and place listed below. If a parent or child cannot be present at the scheduled time, he may have another person register for him.

For elementary school courses, except Science and Computer Mathematics, the schedule is as follows: Wednesday, May 30, at Monteith School from 3:45 to 5 p.m.;

## List Winners Of Limerick Competition

James Turnbull, III, Mrs. Fred Schaefer, Jr., and Tom Tyler Receive Awards

It's all over. The limericks are in. The contest is closed. An astute and well versed panel of judges carefully read and re-read each of the entries. There were many outstanding limericks and poems which did not, unfortunately, fulfill some of the contest rules. Entries had to be in limerick form dealing with Michigan or the Grosse Pointe area.

However, we did have some winners. James Turnbull, III, of Barrington road, won first place and will be the recipient of a Michigan apple tree.

**Runners-Up**  
Mrs. Fred Schaefer, Jr., of Cloverly road and Tom Tyler, of Grayton road, a fifth grade student at Mair School were the two runners-up. They will receive gift certificates for Stroh's Ice Cream Parlor.

## Theater Offering Benefit To Help Memorial Center

Opening night of Grosse Pointe Theater's production of "My Fair Lady" on Tuesday, June 5, will be given for the benefit of Grosse Pointe War Memorial's Flood Control expenses.

Already Mrs. Frederick M. Alger, Jr. has rallied a group of nearly 100 to purchase seats in the special sponsor's section at \$25 each. Mrs. James A. Humphreys of the War Memorial's volunteer Board of Directors, acting as general ticket chairman, with the cooperation of present and past Board members is working hard to sell out the remainder of the house—about 340 seats at \$12.50 per ticket when sold in pairs. All but \$4 of each ticket purchased is deductible from taxable income.

The many friends and supporters of the Memorial Center are urged to make this a gala occasion to help meet

the Center's unusual financial needs this year and to make the opening of the Theatre's spring production a truly gay affair. So excellent do Grosse Pointe Theatre patrons think they are, that, but for this benefit, Pointers wishing to go to this production would now be out of luck.

Not only does the Center need the money, but it wants all the tickets used so everyone catches the spirit of the thing, has a terrific evening and the first night curtain can close to the enthusiastic response of a full house.

To make it a complete evening, the Center's able caterers will provide a pre theatre buffet to first nighters in the Crystal Ballroom at 7 o'clock beginning with a "happy hour" before the meal. Happy Hour and dinner, including tax and service may be reserved at cost—\$5 per person.

## Correction

In the Thursday, May 10, issue of the NEWS, there appeared an article about the new National Honor Society members at Our Lady Star of the Sea. The release received in this office listed one sophomore girl as Pat Tindall. Her name is, however, Posie Tindall. We would like to give credit where credit is due. Congratulations, Posie.

**Sharing Funds**  
A total of \$125,000 of Federal Revenue Sharing money will be used for administration, supervision, engineering, construction and equipment costs for additional street improvement and maintenance in the 1973-74 budget. This work includes asphalt resurfacing and curb repair.

Mr. Petersen said curb repair work will be concentrated in an area west of Mack from Stanhope to the southern city limits, and on Lochmoor boulevard and Oxford road. Meanwhile, asphalt resurfacing will be concentrated in an area east of Mack between Oxford and Vernier road. There also will be some sectional repair of concrete in streets primarily east of Mack to the southern corporate limits to Oxford road.

Roughly 1,500 man hours were devoted towards the budget, said Mr. Petersen, who prepared the budget along with the council. The city administrator started the work in February and added he burned "many hours of midnight oil."

The total general fund appropriation is as follows: Department of General Government, \$253,805; Department of Public Safety, \$1,105,141; Department of Public Works, \$1,014,394; Department of Parks and Recreation, \$153,771; Municipal Improvements, \$50,000; Debt Service, \$28,530, and Contingency, \$40,000.

The following is the city's 1973-74 fiscal budget as approved: Administrative, \$95,972; Police, \$587,344; Fire, \$374,290; Public Service, \$60,433; Public Works (DPW), \$560,736; Recreation, \$143,942; Municipal Court, \$11,700; Sewage Pumping, \$90,170; General, \$238,480; and Major and Extraordinary, \$205,836; and Debt Service, \$76,060.

The source of funds were noted as being from: Estimated Revenue, \$547,325; Surplus Appropriated, \$179,000; Tax Levy, \$1,659,638; Highway Fund received under the Emergency Employment Act, \$159,000.

Assessments on real and personal properties has risen slightly in 1973, as compared to 1972.

In 1972, the assessment on real property was \$101,156,760, and personal, \$3,434,620; whereas in 1973, real property assessment is \$101,173,560, and personal, \$3,535,460.

035; Police and Court, \$369,520; Fire, \$271,120; Public Works, \$324,510; Sewage Pumping, \$19,170; Parks and Recreation, \$92,925; Contingency, \$5,000; Debt Retirement, \$110,015; Public Improvements and Other, \$100,775, and Highway Fund Contribution, \$24,125.

The Council also approved a Federal Revenue Sharing Fund of \$48,698, a Motor Vehicle Highway Fund budget of \$117,925 and Enterprise Fund budget projections of \$165,870 for the Water Supply and Sewage Disposal Fund and \$142,600 for the Automobile Parking System Fund.

These funds are supported by federal and state shared revenues and user charges unlike the General Fund, which is supported primarily by property taxes.

### Appointed

**Group to Hold GP Walkathon**

Walkers, hikers and all others. Mark Saturday, June 2 on your calendar as a day worthy of your support and participation.

The Grosse Pointe Walk for Human Development in connection with the Detroit Young World Development is sponsoring a walkathon on that date.

The walkathon will be in the Grosse Pointe area, beginning at University-Liggett School, and is about 20 miles in length. Each participant in the walk asks friends, relatives, business and community organizations

to sponsor him or her for so much a mile.

Some of funds gathered will go to the Committee for Indian Youth Development. It will enable the committee to provide aid for summer education projects for the Indian youth in Michigan.

In addition, funds will aid the development of Twin Valley, a 200 acre community and school in Ontario, Canada for young people with drug problems.

Walks of this sort have been going on across the nation. However, this is the first major effort in the Detroit area. The Walk organization is non-profit and sponsor donations are tax-exempt.

Committee members for the Walk for Human Development in Grosse Pointe include Cliff Crockett, Chris Kleiman of South High, Gail Hammond of South High and Mrs. Sandra Hatfield.

Walk cards and information may be obtained by writing Grosse Pointe Walk for Human Development, c/o 476 Fisher road, Grosse Pointe, 48236 or by calling 881-9011.

**Deny Request For License**

The Woods Council at the regular meeting Monday, May 7, unanimously denied a request for a new SDM license for the proposed new owners of Harkness Pharmacy, 20315 Mack avenue, on the basis the request was premature.

However, the council is expected to reconsider the request after the new owners have taken occupancy.

**Residents Seek Action on Lot**

A request from 92 residents regarding the purchase of a lot on the southwest corner of Mack avenue, at Newcastle road, for use as a municipal parking lot was unanimously referred to the Committee of the Whole for further study by The Woods Council, with a report back to the council. The action was taken at the regular meeting Thursday, May 17.

A letter, bearing 92 signatures of Newcastle road residents, was sent to the council. It voiced their complaints about "the filth and the nuisance of the lot" which, it was said, they have lived with for "many, many years."

"It is our understanding that this lot will be sold by its present owner," says the letter, "and being as there is a definite need for more off-street parking in the immediate vicinity, we firmly believe the city should purchase same and improve it for use as a municipal parking lot."

Continuing, the letter states, "It is our further belief that there should be ample monies collected into the parking meter fund to be able to accomplish this for the betterment of esthetics and needs of the community of which we should all be proud."

**Pointe Municipal Parks Set for Official Opening**

The individual Pointes are either preparing for, or have already opened their respective municipal parks for the use of their citizens, according to information received by the NEWS.

The Park announced that its recreational facilities at both the Windmill Pointe and Three Mile Drive Parks have been kept open all year around for winter sports.

However, it was disclosed unofficially, the swimming pool at Windmill Pointe Park will be made available to the public on Saturday, May 26, although it is not scheduled to be in use until Memorial Day, May 28.

The exterior of the bathhouse has been repainted, a broken pipe for chlorine from the filtration plant to the swimming pool has been replaced, and picnic tables and stoves, and the play areas for children at both parks, have been cleaned and readied.

At The Farms Municipal Pier-Park, the new children's \$25,000 wading pool, donated to the community by the Allan Sheldon III family, in memory of their son, Allan Sheldon IV, is nearly completed and should be, if everything goes according to schedule, ready by tomorrow, May 25.

The electrical system and lights have been put in operation; the pool filtration system overhaul is finished, and the pool is waiting for the people to use.

The only major repair being done is the mud-jacking of the floor of the bathhouse, which has been sagging over a period of years, and was weakened further by the floods from Lake St. Clair.

The children's recreational area has been equipped and facilities left out during the winter have been cleaned and painted. The official opening date of the park, and especially for swimming, is Memorial Day.

At the Norbert P. Neff Memorial Park in The City, all facilities will be opened for the long holiday weekend, beginning Saturday, May 26, including the swimming pool, which will be open daily from 10 a.m. to 10 p.m. Picnic tables and stoves and the play areas for children are ready for those who wish to use them.

Woods officials revealed that they had opened their Lakefront park as of May 1, for boating and picnicking. They disclosed that because of major repairs, the replacing of deteriorating concrete in the swimming pool, which had been crumbling over a period of time, is still in progress. Swimming will be delayed until at least Saturday, June 2.

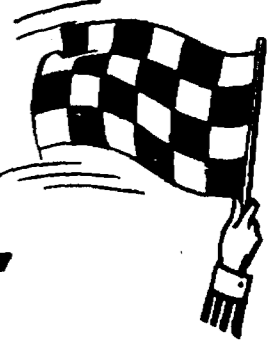

All other recreational facilities are available for general use.

At The Shores' George Osius Park, the opening date has been set for Saturday, May 26, in anticipation of the long weekend, and the only major repair work done was the replacing of 20,000 yards of clay and dirt along the north side of the park, caused by erosion from lake waters in the recent flood and storms. This has been completed.

Children's recreational areas are ready, and picnic tables and stoves are in place. Everything has been cleaned up. The large swimming pool and the children's wading pool are being heated and should be ready for swimmers by Saturday.

**FIRST FEDERAL HAS THREE GREAT INTEREST RATES TO HELP YOU BUILD YOUR SAVINGS.**

**5% DAY to DAY**

That's the interest rate our regular passbook savings account pays. It's as regular as you'd want it to be. There's no minimum amount needed to open. And you may deposit or withdraw any amount whenever you like. And you earn 5% per year daily interest from the date of deposit to the date of withdrawal, paid and compounded quarterly, which equals an effective annual rate of:

**5.09%.**

**5 1/2% YEAR to YEAR**

First Federal also has two Certificate Savings Accounts. With an investment of \$1,000 dollars or more for one year, your Certificate Account will earn 5-1/2% annual interest, paid and compounded quarterly. And you begin earning 5-1/2% interest from the day the funds are deposited. That's an effective annual rate of:

**5.61%.**

**6% YEAR by YEAR**

That's for our long-term investment savers. With \$5,000 dollars or more, you may open a Certificate Savings Account for 2, 3, 4 or 5 years. And your account will earn interest from the date the funds are deposited. At 6% annual interest, paid and compounded quarterly, which is an effective annual rate of:

**6.14%.**

**Merchants Plan Annual Festival**

Kercheval In The Park, the Kercheval Avenue business district from Nottingham road to Alter road, will hold its second annual Americana Festival on Friday and Saturday, June 15 and 16.

The area will be transformed into an old-fashioned street fair and patriotic festival. Arts and artists, crafts and craftsmen, hobbies, ethnic foods, popcorn wagons, and colorful costumes will join to create an atmosphere of festivity.

Exhibits and sales booths will be set up on the sidewalk in front of Kercheval In The Park businesses. Hours of the festival will be from 10 a.m. to 6 p.m. In case of rain exhibits will move indoors.

Kercheval In The Park, also referred to as "Gateway to the Pointes," has been known for its cherry trees which turn the area into a blossom lane each spring, and for its installation of flagpoles from which the flag flies on all important American holidays.

Groups or individuals interested in setting up an exhibit of arts and crafts or having an ethnic booth in the Americana Festival are asked to contact Mrs. Allen Rademaker, co-chairman, Americana Festival, 12730 East Warren Avenue, Detroit, Michigan 48215, or phone 489-1720.

**Doctor's Trial Set for May 31**

Following the presentation of briefs by The Park city attorney and the attorney for Dr. Edwin J. Hammer, 63, of 903 Berkshire, at an examination held before Park Municipal Judge William E. Spear Wednesday, May 16, the doctor was bound over for a Thursday, May 31, trial in Circuit Court.

Dr. Hammer is accused in two State warrants of violating the State Controlled Substance Act, and with issuing, delivering and dispensing; and not acting in an ordinary course of professional medical practice. The warrants were obtained by two State Police undercover agents.

Judge Spear continued the physician's bonds of \$1,000 on each count until the trial in the higher court.

Dr. Hammer, who was arrested on March 26, is alleged to have issued prescriptions for controlled drugs in amounts more than normally prescribed, and giving them to "patients" without benefit of examination.

According to an official Park police release, Dr. Hammer's activities were brought to the attention of the authorities by pharmacists, who noted the large number of prescribed drugs on the prescriptions, on which the dates were left blank.

The druggist informed local police, who in turn notified the State Police and the Federal Narcotics Bureau. It was alleged that the doctor's activities dated back to 1970.

Two State policemen went to the doctor's office, applied for and were given a prescription. Each officer filed a separate complaint, accusing Dr. Hammer of issuing the prescriptions without normal medical procedures involved.

**Refer Request On Boat to C-W**

By Roger A. Waha

A request from a resident to park his boat on a trailer at the Lake Front Park this summer was referred to the Committee of the Whole for further study by The Woods Council at the regular meeting Monday, May 17. The vote was 4-1.

Part of the motion also referred to the citizen's committee, chaired by Councilman George S. Freeman, for its study. This committee has been working with City Attorney George Catlin towards a final draft of the proposed ordinance to prohibit the outside storage of boats, boat trailers, house trailers, mobile homes, vacation campers and other equipment for temporary or mobile living quarters within the city.

Mr. Freeman, who voted against the motion, felt the specific request from Charles K. Veenstra, of Hollywood avenue, was an entirely different matter and didn't want it to possibly hold up the present study. As for this study, Mr. Freeman stated Mr. Catlin has a final draft of the ordinance ready for presentation to the citizen's committee.

In a letter to the council, Mr. Veenstra said, "I yielded my well this year due to inadequate bridge clearance, and it has been my plan to trail my boat in from storage north of Mount Clemens on a day-by-day basis. You can readily appreciate the time and inconvenience which would be saved by parking at the Lake Front Park."

### Center Holding Big Pet Show

The second annual All Community Pet Show will be held on the grounds of Grosse Pointe War Memorial Center, 32 Lake Shore road, Sunday, June 3, between 2 and 5 p.m. For a modest fee of 50 cents, everyone in Grosse Pointe is encouraged to bring pets down to the Center at 1:30 p.m. for entering and positioning.

Viewing and judging will start at 2 p.m. All pets must be leashed or in containers and owners are responsible to have them under control. Refreshments, (for the humans, that is), will be available throughout the afternoon.

Pets will be displayed on either side of the entrance drive of the Center which will be turned into a mall for the occasion.

All interested Pointers—adults or children—are invited to view the pets and cast votes for their favorites.

Judging of obedience, behavior and performance will take place under the eyes of Grosse Pointe Farms Chief of Police Robert K. Ferber. Other judging will take place in the show areas. There will be prizes for the most unusual, the most lovable, the dog with the longest tail, the best groomed, the biggest, the smallest, etc.

Already in addition to dogs and cats, there have been two boa constrictors entered, a quail, tadpoles, rabbits and turtles. Entries will be received right up to the day of the show.

Young people and adults working on the Pet Show Committee include chairman Debbie Pittel, co-chairman Jim Aimmerman, Mrs. Morgan and her two daughters Joan and Marilyn, Happy and Mrs. Freiwald, Al Anter, Anne and Donna Carr, Geri Crossman, Mary Gebeck, Stephanie Knopf, Mary Sanders, Marjorie Sulzmar, Tracy Tuck and Cathy Williams. Brownell students under the direction of Mrs. Dunce will provide assistance with posters.

Mr. Yardley of the Michigan Humane Society and Mr. Andrews will be on hand and are bringing a giant, real life "Snoopy" with them.

There will be an exhibit of photographs of pets and the best photograph will receive a prize.

### Ferry School Having Social

The PTA at Ferry School will sponsor an Ice Cream Social on Thursday, May 31 from 6:30 p.m. to 8:30 p.m. in the school gym. Clowns and balloons will add an extra flavor.

A donation of 50 cents is asked for the ice cream and cupcakes. Ferry School is located on Roslyn road in Grosse Pointe Woods. Ferry parents, students and friends are invited to enjoy.

### A Crowning Achievement

The new Miss Grosse Pointe KAREN GARRETT, 18, (center), is flanked by MORRIE CARLSON WWJ newsreader and Miss Grosse Pointe Scholarship Pageant master of ceremonies, and MARSHA BOGDANSKI, who will represent the

community at The Miss Michigan Pageant Saturday, June 23, in Muskegon. Miss Garrett was selected by five professional judges from a group of 10 finalists on Saturday evening, May 19, at North High School.

By Roger A. Waha

An enthralled Karen (Gerbas) Garrett, 18, who minutes before was the recipient of the Miss Talent award, was named Miss Grosse Pointe for 1972-73 at the Miss Grosse Pointe Scholarship Pageant Saturday evening, May 19, at North High School.

The University of Michigan School of Music freshman, who sang "Till There Was You" during the talent competition, was selected from 10 finalists by a group of five professional judges.

Actually, until The Miss Michigan Pageant Saturday, June 23, in Muskegon, the area has two Miss Grosse Pointe, although Miss Garrett is the "official" one, noted George A. Williamson, pageant publicity director. Marsha Bogdanski will compete against 33 young ladies in Muskegon, added Mr. Williamson, with the pageant deciding who will represent the State in the "Miss America" competition. The estimated crowd of 650 persons had a "sneak preview" of Miss Bogdanski's talent presentation—a lively Polish folk dance and song.

Other Selections

The judges selected Kathleen Jevons, 17, a North student, as first runner-up; Karen Seagram, 18, a North

student, as second runner-up, and Renee LaRose, 21, a South High graduate who is currently attending Macomb County Community College, as third runner-up. Miss Seagram won the Miss Congeniality award, voted by the girls themselves.

Miss Jevons performed a free floor exercise during the talent competition. In fact, because of technical audio difficulties during her first performance, it was decided she have a second chance to perform. Miss Seagram presented a singing skit from "Annie Get Your Gun," while Miss LaRose gave a creative art and ink work presentation.

Other finalists and their talent presentations include Susan Zalenski, 17, a North student who performed a monologue skit on sewing; Lori Knaggs, 17, a North student who sang "I Don't Know How to Love Him" from "Jesus Christ Superstar"; Vita Agosta, 17, a North student who presented a skit based on cosmology.

More include Wendy Ann Naz, 18, a North graduate currently attending Eastern Michigan University who performed a ballet selection; Carolyn Levick, 18, an Our Lady Star of the Sea student who sang "If They Could See Me Now," and her twin sister, Christine, also a Star of

the Sea student, who performed a piano selection.

To Do "Very Best"

Besides talent, the judges also considered evening gown and swimsuit competition. Morrie Carlson, WWJ newsreader, was master of ceremonies, the Blue Notes provided musical accompaniment and Frank Hochstein sang two numbers, dedicating "The Men in My Little Girl's Life" to the finalists' fathers. Mrs. Linda Finger, pageant auxiliary chairman, also sang numerous selections, including "People."

During her farewell address, Miss Bogdanski recalled many "fond memories" during her reign including the Thanksgiving Day Parade and the faces of youngsters. She gave a special thanks to her parents and told the audience she will do her "very best" in representing The Pointe at the State pageant.

Mr. Williamson expressed his appreciation to all pageant participants on behalf of the Jaycees, while citing the cooperation of North, South and Star of the Sea High Schools. Thomas Andris was pageant chairman, William I. Stott, pageant director, and Mrs. Ann Billiu, official hostess.

Music, Music, Music

Miss Garrett, a 1972 graduate of the Interlochen Arts Academy, is immersed in music. For example, Mr. Williamson reports she sings in the U-M chorus and participates in the Arts Chorale, a U-M group. And besides that, she was the recipient of the bronze, silver and gold medal awards from Tuxis, a Pointe singing group, he added. The 5'6" brunette also enjoys riding, sailing, baseball and sharpshooting. She is the daughter of Dr. and Mrs. Francis Garrett, of Lochmoor boulevard.

As the new Miss Grosse Pointe, she receives a \$500 academic scholarship from the Jaycees and Roger Penski Chevrolet and a \$500 modeling scholarship from Patricia Stevens finishing school, plus other jewelry, clothing and trophies.

The Jaycees present the first runner-up with a \$100 Savings Bond, the second

**YSD Reports Complaint Drop**

The Youth Service Division, (YSD), reports 17 less complaints in April as compared to March. Forty-seven complaints were processed in April as against 64 complaints in March. However, this year's April total showed an increase of 13 over April 1972.

Meanwhile, the overall total for 1973, through April,

is 194, an increase of 13 over the total for the same period last year.

The leading complaint for April was drug abuse with 20 such cases, an incident drop of five from March but an increase of 12 over April 1972.

Fifteen marijuana cases were reported involving 20 males, (10 adults and 10 juveniles), and two females, (one adult and one juvenile). Two synthetic cases involved two male juveniles, and under the "all other" classification, three cases were reported involving two male adults and one female juvenile.

Runaways was the second leading complaint with seven incidents involving four males and three females. All runaways voluntarily returned to their homes.

Larcenies, the third leading complaint, dropped to six incidents during April from 11 in March.

Twelve applications for petition were filed with the Wayne County Juvenile Court. These involved 10 males and two females. Six were for violation of the Controlled Substance Act. (VCSA), four for larceny, one for breaking and entering and one for assault with intent to commit robbery.

The breakdown of total cases for April shows VCSA, 20; runaways, seven; larcenies, six; malicious destruction of property, four; other criminal contacts, three; other assaults and disorderly conduct, two each, and burglary, weapons laws and mischievous children complaints, one apiece.

If a speeder could see himself as others do many highway accidents could be avoided.

**Suspect in Park Burglary Arraigned by Judge Speer**

Thomas E. Doyle, 23, of 14787 Novara, Detroit, accused in a warrant in the November 17, 1972, burglary of the home of Dr. Robert C. Dickenman, 1014 Bishop road, was arraigned at a preliminary hearing before Park Municipal Judge William E. Speer on Friday, May 18. Doyle was released on \$5,000 personal bond and examination was set for Wednesday, May 30.

Doyle's release was only a technicality according to Lt. Gordon Duncan, who explained that the accused man is being held by Federal authorities on a \$10,000 bond for bank robbery.

Two other persons, believed to have been involved in the Dickenman burglary, were arrested and released because of insufficient evidence tying them in with the crime.

The lieutenant said that taken from the doctor's house on the November date, were original oil paintings and ink pen drawings by famous artists, Oriental rugs and other items of value, plus the doctor's automobile, a 1972 Corvette. The total loss set by insurance agents was about \$80,000, although Dr. Dickenman claimed it was much higher.

Lt. Duncan said that following a six-months investigation by Det. Sgt. James LaPratt and agents of the Federal Bureau of Investigation, evidence pointed to Doyle as the suspect in the burglary.

The lieutenant said that the FBI entered the case because of the large amount of the loss and the possibility that some of the stolen goods might be transported over state lines.

Approximately \$8,000 worth of the loot, and the car, were recovered by officers of the Park Detective Bureau from friends of Doyle, who apparently purchased the items without the knowledge that they had been stolen. The rest of the loot, it is believed, had been disposed of to fences, making it harder to track down.

Dr. Dickenman, a pathologist at Cottage Hospital, had accumulated the art objects

over a period of years, and personally set his loss at \$120,000, stating the value of the objects increased with time.

Lt. Duncan said that at least two persons must have been involved in the burglary because the rugs, some of which were extremely heavy, required at least that many to carry one. However, with the evidence acquired, only Doyle could be linked to the break-in and theft.

Dr. Dickenman and Dan Clancy, a J. L. Hudson company interior decorator, who shares the residence with the doctor, had just returned from a visit to Rome. When the doctor and Clancy entered the house they discovered everything in disarray. They heard a noise in the back and went to the kitchen, where they found a rear door ajar.

This led to the belief, without question that the intruder, or intruders, were surprised while looting the house. Another factor that led to this belief was that an oil painting, valued at \$11,000 was discovered just outside the building, apparently dropped by one of the intruders.

Clancy said he ran outside when he heard the noise and saw two young men running from the area of the residence and disappear.

Sgt. LaPratt said at the time, that if the doctor and Clancy had not arrived home at the time they did, the loss would have been much greater.

Local dignitaries attending the pageant, and who were introduced to the audience, include Park Mayor Matthew C. Patterson, Shores Village President Gerald C. Schroeder and Farms Councilman Richard Hudson.

The judges were Jack Bushong, executive director, Miss Michigan Pageant; Ms. Patricia Hunt, official hostess, Miss Michigan Pageant; Cleve Beachame, talent agent and owner of Advertisers Casting Service; Ms. Kay Wise, ballerina and owner, Kay Wise E'cole de Ballet, and William Morgan, vice-president and director of personnel, Elias Brothers, Big Boy.

**Cottage to Hold Speech Classes**

For the second year, Cottage Hospital will offer a summer speech therapy program for children with speech, language, hearing and learning problems, Cottage Hospital Administrator Ralph L. Wilgarde has announced.

The program will be coordinated by Susan A. Greif, Ph.D., director of the Cottage Hospital Department of Speech Pathology, and Gary J. Cooper, Ph.D.

The six-week therapy program will begin Monday, June 27. It will consist of two weekly hour-long sessions.

Enrollment information may be obtained from the Speech Pathology Department at Cottage at 884-8800, extension 223 or 224.

## Robbery Suspects Bound Over to Circuit Court

Two Detroit men who are charged with armed robbery stemming from an incident in The Woods Monday, May 14, have been bound over to Wayne County Circuit Court for trial.

Donald Slezinski, 22, and Steven Vangorder, 21, waived their examination before Woods Municipal Judge J. Patrick Denis Wednesday, May 16, said Woods Detective Everett Plumb. The suspects are each being held in the Wayne County Jail in lieu of \$5,000 bond. The detective added their Circuit Court arraignment is scheduled for Thursday, May 31.

### Addition Appeal Still Has Life

A request from Flowers by Kimberly, Inc., 20311 Mack avenue, for a variance in the city's off-street parking requirements in order to permit the construction of a building addition still has some life.

The Woods Council at the regular meeting Monday, May 7, denied the request in a 3-2 vote after a Board of Appeals hearing. However, Councilman Kenneth W. Boerner requested a reconsideration of the vote at the regular meeting Thursday, May 17.

After giving the 3-2 vote further thought the same evening, Mr. Boerner said he revisited the area and had "mixed emotions" on the matter. He also noted the council didn't have a full complement on the 7th.

Mr. Boerner's motion to reconsider the May 7 vote at the Monday, June 4, meeting with a full complement of the council was unanimously approved by the solons. Councilman George S. Freeman, who recently had open heart surgery, was excused from the May 7 meeting and wasn't involved in the voting. But Mr. Freeman, who said he was feeling better, was present at the May 17 meeting.

Flowers by Kimberly intended to enlarge their business building and remodel the front side elevations in a "Williamsburg colonial" design. A two-story solarium with numerous display bays was planned.

Investigation of armed robbery charges last week. Their examination in Detroit was scheduled for Wednesday, May 23. Woods police added Detroit police placed a hold on the suspects in lieu of \$5,000 bond.

The detective told the NEWS that Slezinski and Vangorder both admitted three incidents of purse snatchings and two incidents of armed robbery to him. Two purse snatchings occurred in the Eight Mile road, Gratiot avenue area and one happened at Seven Mile road and Mack, he said. The armed robbery incidents occurred at a doughnut shop in Gratiot, and at a party store in Van Dyke, added Detective Plumb.

Slezinski and Vangorder were arrested after Woods Public Safety Officers were flagged down by two East Detroit women at the Woods Theatre parking lot, and then pursued the suspects at speeds exceeding 50 m.p.h. They were apprehended by Lieutenant Roland Symons and Officer Kenneth Metcalf on Warren, near Hereford.

During the chase, police said two ladies' purses and a switchblade knife were thrown from the suspects' auto. The knife was ultimately identified by a complainant as the one used in the robbery, police added.

The complainants told police they were walking to their car parked behind the theater when one suspect ran after them. They reported he had a knife and told them to hand over their purses or he would kill them, according to the report. They handed over their purses, entered their vehicle, started to follow the men, saw the police and reported the robbery.

### BROKEN WINDSHIELD

Barbara Livingston, of Fisher road, reported to City police on Friday, May 18, that the windshield of her car had been broken. She told Police Officer Edward Miller Jr. that her car had been parked on Chalonte near Fisher during the evening of Thursday, May 17. The window had been broken with a beer bottle which was found at the location.

## Candy Burglar Raids Machine

The burglar who broke into Grosse Pointe South High School during the early morning hours of Friday, May 18, apparently had a "sweet tooth." The culprit raided the candy machine in the school cafeteria and took the candy bars after smashing the glass.

The break-in and theft were discovered by Thomas Lubeski of 277 Ridgmont, boiler operator, when he arrived for work at 3:17 a.m. and found the door at the north side of the building open. He called Farms police.

Patrolman Gerald Deburghgraeve, who initially investigated the burglary, said he checked the school and all appeared to be in order except for an open door leading into the music room on the third floor to the entrance way to the bell tower. The officer said that he made sure that all doors were securely locked before he left. At 5:50 a.m., he was dispatched to South High again when Lubeski called the station a second time.

This time, Deburghgraeve said, it was found that the candy machine glass had been smashed and the candy taken from the display section.

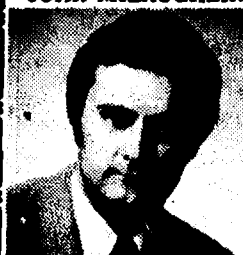

Exit from the school was found to have been made through a window left open from the lower level roof.

Evidence led to the belief that entry was gained by the thief through the window

leading into the girls' locker room. A trash can was used as a stepping stool, it was said.

The officer said he found several bars of candy on the roof, and candy wrappers under the vent cover over the roof of the gymnasium. Further investigation of the matter was turned over to Det. Joseph Miller.

North High School and University-Liggett both finished in third place in Class A and Class D track action, respectively, Saturday, May 19.

The Norsemen had 26 points in the State Class A High School track and field championship at Michigan State University, Saginaw, with 41 points, won the crown, while Pontiac Central was second with 35 points.

Ken Delor won the 440 at 48.0 to tie Chadsey's Stan Vison's mark made in 1971. Delor also participated in North's winning mile relay at 3:22.5.

Meanwhile, University-Liggett, with 32 and one-half points, came in behind first-place Mendon, with 74 points, and second place Grass Lake, with 42 points, in the State Class D high school track championship at Caro High School, Caro, Mich.

Dwight Jones of U-LS set a Class D record in the 100-yard dash. Jones' 9.9-second performance in the event broke the old mark of 10.2 set by Suttons Bay's Donald Beuerle in 1952.

**Junior Tennis Tourney Slated**

In an effort to provide a continuing outlet for area youth to become involved in sanctioned tennis competition, the Grosse Pointe Jaycees and East Side Tennis Association have again joined forces to conduct the fourth annual Junior Center Tennis Tournament June 9 and 10.

The Tournament has been officially sanctioned by the United States Lawn Tennis Association and U.S.L.T.A.

medals and trophies will be distributed to winners, plus points tallied toward local, regional and state rankings. The winners and runners-up in each age category will be advanced to competition at the Michigan Jaycee Tennis Tournament in Rochester June 23-24.

The age groups for the singles competition will be for boys and girls 12 and under, 14 and under, 16 and under, 18 and under. In doubles competition players will compete in the 14-and-under, 16-and-under and 18-and-under categories. The age category for each player will be determined by their age as of October 1, 1973.

The courts at North High and at the Neighborhood Club will be used. Each event must have at least eight entrants. Play at the tournament will be continuous and there will be a 15-minute default time.

Entry blanks for the Tournament may be picked up at the Neighborhood Club; The Tennis Shop, 19271 Mack; and Gray's Sport Shop, 106 Kercheval, as well as at the local parks and clubs. Applications may also be ordered through the mail by writing Kirk Leighton c/o 1070 North Oxford road, Grosse Pointe Woods.

Entries must be in by June 8 and should be accompanied by a check made out to Grosse Pointe Jaycees. The entry fee is \$1.50 for singles and \$2.00 for doubles plus a can of tennis balls.

**Executes Triple Play Unassisted**

Ken Fromm, Albany second baseman, executed an unassisted triple play as Albany defeated Rochester, 1-0, Tuesday, May 15, in Farms minor league action.

Rochester had men on first and second with no outs in the third inning. Fromm caught Pat Drummy's line drive for the first out, raced over to second to double off the runner for the second out, and tagged the runner coming into second from first base to complete the triple play.

**Plan Art Show At North High**

Art students at North and South High Schools have been working hard this past week in preparation for the Fifth Annual Art Exhibit, scheduled for Wednesday, May 30, and Monday through Thursday, June 4-7.

The art exhibit, where the students' art objects will be sold, is on display in the foyer of North High School Auditorium. It will be open to the public on May 30, from 7 p.m. to 10:30 p.m., and June 4-7, from 8 a.m. to 3:30 p.m., and 7 p.m. to 10:30 p.m.

This year's exhibit will be especially outstanding as works of art have been contributed by both high schools for the first time.

Included in the exhibit will be works done by National Scholastic Winners from North High. Recipients of awards were Tony Warren, winner of the National Scholastic Award; Paula Stenczynski, Gold Medal Award; Pam Plotzke, Graphic Arts Award, and Jon Webster, Photography Award.

On display will also be works again by Paula Stenczynski and Janet Nixon, recipients of awards at the Michigan Youth Arts Festival.

Proceeds from the Fifth Annual Art Exhibit will go to the Joanne P. Bokram Memorial Arts Fund. The Fund was established to bring outstanding artists, musicians, authors, and poets to the community to enrich the fine arts program in the public schools.

"Film As An Art Forum" was presented by the Fund in 1972 by Dr. Frank Beaver, a professor from the University of Michigan and a national authority in his field.

In 1973, the Interlochen Jazz Quintet held seminars for the students. More than 400 students participated in these seminars.

**Champs Sport Perfect Mark**

The Champions, led by the fielding of Judy Hodges, Lisa Wood and Katie Higbie, have a 7-0 record after first half season action in the Neighborhood Club Softball League for girls, grades six, seven and eight.

The winners nipped the Bailiffs, 11-10, in a make-up game Wednesday, May 16, under a pouring rain and then came back the following day to blast the Flames, 15-5.

Heavy hitters for the Champion squad have reportedly been Sue Garey, Jeanne Kennary and Janet Audretsch, all of whom smacked homers during the season's first half. In a winning effort against the Park Police, Kim Melton and Kebby Blough also hit home runs.

Games are played on Tuesdays and Thursdays at Brownell, Mason and Elworthy Field at 4 p.m. Bleachers are available and spectators are welcome.

Seven teams, including 98 girls, participate in the league.

The standings find the Champion Realty Champions, 7-0; Go-Go Girls, 5-1; Plasterettes, 4-2; Park Police, 3-3; Flames, 2-3; Bullets, 2-4; Spirit 20, 2-5, and Bailiffs, 0-7.

Whenever you think about men overcoming handicaps, did you know that men with only one arm have played big league baseball, and big-time football, too? ... Back in 1945, outfielder Pete Gray, who had only one arm, played in 77 American League games for the St. Louis Browns. ... And, Guard Ellis Jones, who had only one arm, was a star on the highly ranked Tulsa football teams of the early 1940's, and in fact, played in three bowl games, the Sugar Bowl of 1943-44 and the Orange Bowl of 1945!

Did you know that Henry T. Ewald Sr., founder of advertising agency, Campbell-Ewald Co., made 3 hole-in-ones on 3 different championship courses, but hardly ever during his lifetime of playing golf broke 100 for 18 holes.

Here's an oddity... The 1927 Yankees are often called the greatest team in baseball history — yet did you know they do NOT hold the record for winning the most games in a season? ... The '27 Yanks won 110 games, but two other teams have won more in a year... The Cubs of 1906 won 116 and the Indians of 1954 won 111.

I bet you didn't know that Ted Ewald Chevrolet founded in 1928 as Mack-Gratiet Chevrolet (on the corner of Mack & Gratiet) and now in its 45th year is the oldest Chevrolet Dealer in the Detroit area.

**DON'T WASTE NATURAL GAS.**

**Bea Rankin is no "pot-watcher"—but her Gas range is.**

That's because Bea's Gas range has the Burner-with-a-Brain—the Gas-saving feature that provides the exact amount of heat for every food. So if Bea is busy elsewhere, or just plain forgets, her Burner-with-a-Brain adjusts the heat for her—automatically.

Today, Natural Gas does so many things so well—so inexpensively—that we should make sure we don't waste it.

You can help conserve Natural Gas if you'll cover your saucapans for faster cooking, use the lowest heat required for the job, cook one-dish skillet meals occasionally, and use a pressure cooker for steam cooking.

### Election Held by Symphony on May 15

Board members Harold G. Warner and Pierre V. Hettler were elected vice-presidents at the annual meeting of the Detroit Symphony Orchestra, Inc. this week (Tuesday, May 15) in Ford Auditorium. Warner, who is executive vice-president of General Motors, also is serving as the

Orchestra's 1973 Quest for Excellence campaign. A Detroit attorney, Hettler acted as chairman of the Orchestra's Acoustics Committee during the 1972-73 concert season.

Other officers, re-elected for the 1973-74 term of office, include John B. Ford, chairman of the board; Robert B. Semple, president; Walker L. Cisler, vice-president; William M. Day, vice-president; Ralph T. McElvenny, vice-president; Alan E. Schwartz, vice-president; Raymond T. Perring, vice-president; Mrs. Theodore O. Yntema, vice-president; David D. Williams, treasurer; Donald S. Grant Barnes, secretary; and Peter P. Thurber, assistant secretary.

Newly elected board members include Edward A. Baumann, J. Lawrence Buel, Jr., Mrs. Charles M. Endicott, Mrs. Charles T. Fisher III, Gordon T. Ford, Edward Froehlich, Hans Gehrke, Marvin Katke, Mrs. Tom Killefer, Mrs. Margery Myers, Arthur Snyder, Mrs. Richard Van Dusen, Richard Williams and Mrs. Isadore Winkelman.

### Woods Approves Two Resolutions on Voting

Two proposed resolutions regarding the Michigan Municipal League and The National League of Cities focusing upon voting were unanimously approved by The Woods Council at the regular meeting Thursday, May 17.

A motion by Councilman Rodger A. Graef that both resolutions be sent to the mayors and councils of cities who are Michigan Municipal League members, and whose population is under 30,000, also was unanimously approved.

One resolution will be sent to the Michigan Municipal League for consideration at its annual meeting in September. Mayor Pro Tem Marvin R. Boutin said this resolution deals with "voting power" and will "permit The Woods to have indirect voting rights at any of the conventions."

The resolution notes under the present Constitution and By-Laws of the National League of Cities, The Woods has no direct vote in the League's affairs, and also that the Michigan Municipal League has 10 votes in the organization of the National League of Cities, which votes "purport to represent the interests of those members of the National League of Cities who are presently not permitted a direct vote" in the National League's affairs.

Then the resolution notes

that the League submit to a vote of its members the following proposition:

"That, henceforth, the Michigan Municipal League shall be required to caucus and take a vote of those representatives of units of government who are members of the Michigan Municipal League and who are delegates in attendance at the National League of Cities convention, and that the Michigan Municipal League shall be required to cast its ballot and votes on issues under consideration by the National League of Cities in a pro-rata manner in accordance with the caucus and vote of the member delegates of the Michigan Municipal League who are in attendance at the convention or meetings of the National League of Cities."

The second resolution centered upon the voting privileges of small cities at the National League of Cities convention. This item will be sent to the Michigan Municipal League and to the National League of Cities.

Mr. Boutin said, "We tried to get consideration of a similar resolution two years ago." However, he continued, the National League of Cities didn't consider the item at that time. So, the resolution was revised to have the League consider it at this year's convention in December.

### Postpone Exam For BE Suspect

The pre-trial examination of a Detroit man charged with the breaking and entering of an occupied dwelling has been postponed from Wednesday, May 16, to Wednesday, May 23, in The Shores Municipal Court.

Shores police reported that Donald Ray Boggess, 36, of Pelkey, appeared at 2 p.m. for his exam which was set for 10 a.m. on the 16th. Police said Boggess thought it had been told it was scheduled in the morning.

When he appeared at the police desk at 2 p.m., Boggess was promptly arrested on a bench warrant for failure to appear at 10 a.m. for the exam. At that time, his \$3,500 bond was forfeited. However, his bond was reinstated later, police said, so he is now out on the \$3,500 bond.

Boggess is allegedly involved in the breaking and entering of a Sheldon road residence. He was arrested by Shores Public Safety Officer Robert Bensinger early Saturday morning, April 28.

### To Hold School Election Forum

The League of Women Voters of Grosse Pointe will present a School Board Election Forum on Thursday, May 31 at 8 p.m. in the Ballroom of the War Memorial.

The four candidates running for election on the Board of Education are Laurance J. Harwood, Melissa Maghielse, Patrick McMath and Jack Mitchell. There are two openings on the board; term of office is four years.

Co-sponsors of the Forum are the Junior League of Detroit and the War Memorial Association.

The public is cordially invited to attend. The Forum provides the opportunity for Pointers to meet and question the candidates.

### OKAY LAW CHANGE

At its regular meeting held on Monday, May 14, the Park council approved a slight change in the city's Chapter 42 Disorderly Conduct, Title IX Regulation, Section 9.41 (2) changing the language from "narcotic drugs" to "controlled substance" to conform to a State statute. The change will enable the prosecution of violators in its municipal court under the local ordinance.

### Students' Art Exhibits Slated

Two student art exhibits will be shown at Grosse Pointe War Memorial in the next two weeks. The first is a children's art exhibit by boys and girls in all the classes of Mrs. Carol Lachusa who is the Center's children's art instructor.

These will be on display beginning with an opening and refreshments Thursday, May 27, at 7:30 p.m. They will remain on display through Saturday the 26th. The works include everything from drawings and paintings by 5 year olds to three dimensional mobiles and sculptures by young people in their teens.

Some of the boys and girls with art on view include: Laura Moniel, Gretchen Lawrie, Richard Berke, Sean Eady, Becky Ambill, Nancy Lowichik, Lee Sutton, Geoffrey Lawrence, Virginia Kearney, Margaret Colby, Stephen Holley, Anne Hoey, Allison Evtatz, Susan Smith, Derek Stevens, Hope Higbie, Kiti Hubbard, Chrissie Chappelle, Debbie Lubera, Tom Mutschall, Scott Eaton.

Christa Dennis, Holly Stover, Tom Bartsch, Michelle Reuter, Robert Orban, Patrick McKee, Robert Kost, James Schilling, Michael Shine, Mark Ledertough, Patricia Lees, Margaret Wittmer, Frances Lucido, Sally Russell, Kathy McCleary, Kathy Penrian.

Adult students of Lorraine McCarty, who also teaches at the Center, will open an exhibit of their paintings in various media in the Memorial's second floor galleries with a tea on Sunday, June 3, at 2 p.m. The paintings will remain on view through June 12.

Exhibiting are: Irene Lightbody, Vera Srigley, Mrs. John Roach, Mary Shaw, Mrs. William Tily, Elaine Suhr, M. B. ### Camera Club Plans Banquet

A banquet at the War Memorial will mark the close of the 1972-73 season for the Grosse Pointe Camera Club. The event will be held on Wednesday, June 6.

After a social gathering around the punchbowl at 6 p.m. and dinner at 7, awards will be presented. The Print of the Year and Slides of the Year competition winners will be shown.

Vella Sanders, an accomplished photographer will present a travelogue on "India and Nepal."

Those interested in attending the banquet should make reservations now by mailing checks, (tickets are \$5.50 each), to Ray Walk, 813 Park Lane, Grosse Pointe, Michigan 48230. Enclose a self-addressed, stamped envelope for a prompt reply.

### SEMTA Announces Two Service Improvements

Two service improvements for Lake Shore bus line passengers were announced last week by Daniel D. Morrill, operations manager for the Southeastern Michigan Transportation Authority's Lake Shore Division.

The first is the resumption of the Metropolitan Beach service that proved to be successful last year. This service that proved to be May 26, with buses running about every 20 minutes as an extension of the Kercheval/Deanhurst route.

The first bus will leave downtown Detroit at 8:20 a.m., Jefferson and Maryland at 8:45 a.m., Seven Mile and Mack at 9 a.m., Nine Mile and Jefferson at 9:10 a.m. and arrive at Metropolitan Beach at 9:40 a.m. The last

### Visit Toronto Science Center

The members of the Parcels Young Scientist Club are a curious and active group. On Saturday, May 12, 31 of them journeyed to Toronto for the day to tour and view the Ontario Science Center.

Their other treks have included trips to Greenfield Village, Wayne Medical School and Detroit City Airport.

The club is a group of seventh and eighth grade boys and girls who have a special interest in science and math. The purpose of the club is to visit exhibits, museums, businesses and shops that show the use of science and math in everyday life.

The club is open to everyone in the school interested in its activities. Trips usually take place on the weekends and the club members must pay for their own transportation and admission.

Head of the Young Scientists is science and math teacher Alan Silverston. Future activities in the planning are excursions to the Chicago Museum of Science and Industry, the Henry Ford Museum, Cranbrook, Uniroyal and Park Davis.

### Police Softball Team Wins One

It's a little too early for football season but from the three games The Pointe police softball team has played, one begins to wonder.

One wise soul once said, "Defense is the name of the game" but take a look at this, fans: the Pointers nipped Sterling Patrol, 18-17, Sunday, May 20; lost to the State Police, 12-9, Sunday, May 13 and were drubbed by Warren, 22-5, Sunday, May 6. The club stands at 1-2 in Macomb-Oakland Police Softball League action.

The Pointers face Sterling Fire Sunday, May 27, at the L. W. Baumgartner Field, 15 Mile road near Schoenherr. Game time is scheduled for 11:30 a.m. on diamond two.

### NAMED DIVISION MANAGER

Joseph A. Lucido, of Vernier road, has been named division manager in the Prudential Insurance Company's C. S. Yessian ordinary agency. Mr. Lucido is now responsible for the recruiting, training and supervising of special agents. A graduate of Wayne State University, Mr. Lucido joined Prudential in 1969. He has earned the company's Northern Star Award for outstanding sales and service achievements.

In some political circles deals always over-shadow ideals.

### Safety Group Sets Election

At the Wednesday, April 25 meeting of the Eastern Metropolitan Area Safety and Traffic Committee, chaired by City Police Chief Andrew Testaert, a nominating committee was appointed to select candidates for officers for the 1973-1974 season.

Included on the five man committee are George Measel of the Grosse Pointe Division of the Automobile Club of Michigan and Chief Joseph Vitale of the Grosse Pointe Shores police department.

Lt. Zane Gray of the Michigan State Police, Safety and Traffic Division, discussed the Selective Traffic Enforcement Program (S.T.E.P.). The program was begun in June, 1972 and was designed to keep down the total of fatal and drunk driver accidents on weekend and during peak periods of traffic. Six counties are participating, with funds appropriated by the federal government.

The next meeting of the Safety and Traffic Committee will begin at 12 noon on Wednesday, May 30, at Stouffers Restaurant. The election of next year's officers will take place at that meeting.

Dig up the facts—that way there's no room for doubt.

**BUYING A SECURITY SYSTEM?**

When you buy an apartment at

**The Jefferson Apartments** Grosse Pointe's newest condominium

... you get not one, but a network of the most modern security systems to guard you, your home and your possessions.

**A CLOSED TV MONITORING SYSTEM** covers the entrance, outside parking areas and inside garage. The caller can be viewed from a selected channel on the owner's TV set in each apartment. The doorman and manager's office views the same areas.

**THE ENTRY COMMUNICATIONS SYSTEM** is a new system conceived and engineered by Michigan Bell Telephone Company. Using a touchtone panel telephone in the lobby, the caller dials the owner's apartment. This enables each party to have a private conversation. During the time the caller is in the entrance vestibule, he is under surveillance by the concealed TV camera.

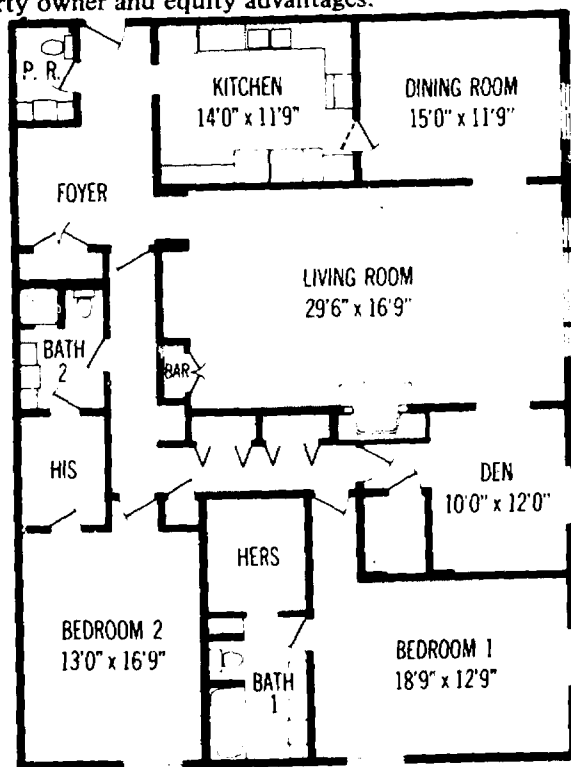

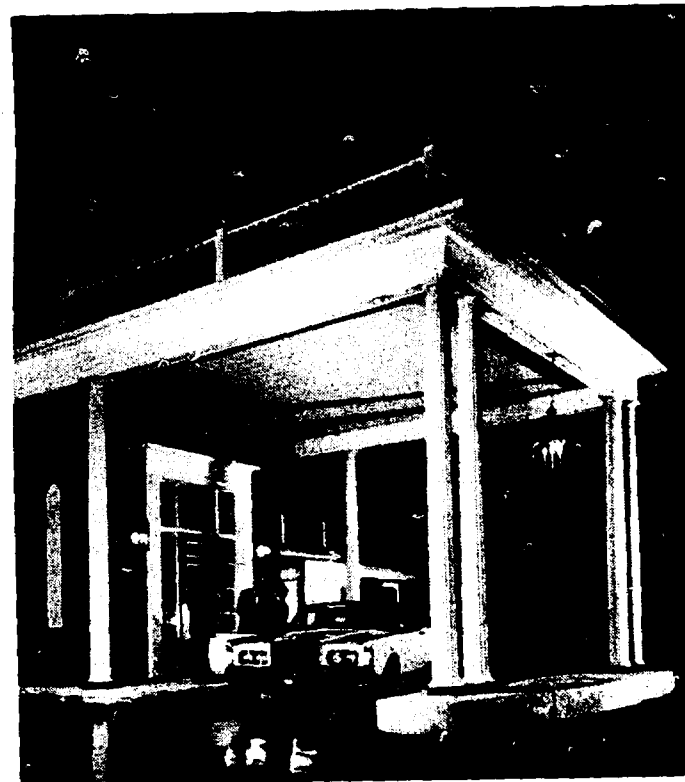

**AN ON-GUARD ALERT SYSTEM** features a control panel in the manager's apartment and the attendant's office. This notifies of any intrusion into any apartment when the occupants are away. The doorman or manager controls the system by activating the apartment's security supervision at the request of the owner.

**THE FIRE PROTECTION ALERT SYSTEM** gives added protection to all occupants of the building and will insure notification of each individual occupant of a fire in an unoccupied apartment.

Further elements of security are the uniformed doorman-attendant and resident caretakers.

Besides security, you also get really gracious living. Here is a typical spacious floor plan of an apartment which features 9 foot ceilings, individual heating and cooling, top of the line G. E. kitchen with an icemaker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet. Natural fireplaces, naturally.

There are three separate elevators and approximately a thousand square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. The Jefferson Apartments is an adult community. Residents are home owners and enjoy tax deductions and the investment security of being a property owner and equity advantages.

**Win Top Honors in Shop Contest**

Two South High students won top honors at the State Leadership Conference for Vocational Industrial Clubs of America, (V.I.C.A.), held at Western Michigan University, Thursday and Friday, May 10 and 11. Brian Crowley and Joseph DiSante, both seniors from

the Trades-Industrial Co-op class will represent Michigan at the National Conference for V.I.C.A. members to be held the week of June 18, at Tulsa, Okla.

Brian, 18, of The Park, took first place in the machine drafting competition. He was given a problem to solve where he had to design a machine part, giving the necessary orthographic views to fully describe the shape characteristics.

The design included all necessary dimensions and specifications so that the part could be made and be functional. The objective of this category was to promote the basic skills and understanding of fundamental information needed in the industrial drafting field.

Brian, like the other co-op students, is in school part of the day and out on job training the remainder of the day. He has been associated with Pointe Enterprises, Inc., and hopes to stay after graduation, making design engineering his vocation.

Pointe Enterprises, Inc., located in The Woods, designs tools, dies and fixtures.

Joseph DiSante, 17, of The City, also won top honors in the metal removing competition. Joe was given two blueprints, one of a bearing cone spindle and the other of a set of metal sliding blocks.

A number of machines were used to make the parts to the specifications on the prints. The purpose of this competition was to promote trade excellence in a competitive situation.

Joe is training at Axis Tool and Die, located in St. Clair Shores. He has been offered a number of apprenticeships and will start work with one when he returns from Tulsa.

Other South High students receiving certificates of recognition were James Brownell and David Lock, both entered in the automotive mechanics division.

Tony Spadafore, coordinator of the Trades and Industry Co-op program at South High and also advisor to the V.I.C.A. group, felt that the students' performances were excellent.

Mr. Spadafore said he is looking forward to the new group of incoming Trades and Industry Co-op students. Many of these students have already been placed for the summer and for next September.

Any business or industry interested in working with the Co-op program is invited to call Mr. Spadafore at South High, TU 4-3200, extension 23. Students are available in automotive services and mechanics, wood-working, drafting, metal-working, electricity-electronic services and any other trades and industry related jobs.

**Maire Parents Receive Honors**

On Wednesday night, May 16, two special awards were given at the Maire School PTA meeting. Mrs. Maurice DesRosiers was selected as Maire's "Mother of the Year" and Anthony Spada took the "Father of the Year" award.

Both of these parents were selected through the combined efforts of the teachers, the PTA Executive Board, and the school principal. The choices were exceptionally difficult due to the many active parents in the Maire PTA.

This was the first year an award was given for the "Father of the Year," but it was felt that Mr. Spada's activities for at least the past three years merited more than a simple "thank-you." He organized and has been coordinating the activities of the Saturday Play Day at Maire which has been so successful since its inception the 1970-71 school year.

For the last five years at least one mother has been selected for the "Mother of the Year" award and Mrs. DesRosiers follows a list of names synonymous with community wide activities and contributions.

The main criteria used in selection of these two outstanding parents was that of their participation in activities beneficial to the children.

### City Denies Two Appeals for Variances in Zoning

By Holly Angell  
Convening as a Board of Appeals on Monday, May 21, the Grosse Pointe City Council heard two appeals on zoning ordinances. After much debate, discussion and audience participation, the board rejected both.

The first concerned a proposed catering hall and restaurant at 17410 Mack Avenue, formerly Wrigley's supermarket. The appeal hearing for this case had been originally scheduled for Monday, April 16.

Attorney Raymond P. Franks, representing the clients who had leased the building, asked for a reconsideration of the building ordinance. The area is classified for local business — retail businesses and service uses needed to serve the nearby residential area.

Mr. Franks was seeking the issuance of a license to conduct a restaurant along with catering facilities. Restaurants are allowed under the present ordinance.

Mr. Franks said that the

hall would not be a separate unit from the restaurant but would be one continuous building. He stated that a catering hall was not so different from a restaurant in that it too dispensed food and drink. "There is no way we can describe this operation other than a restaurant," he said.

Mr. Franks had researched other municipalities and found there were no catering hall zoning ordinances as such. He cited Southfield, Farmington and Birmingham as areas that issued restaurant licenses to catering type facilities.

However, audience members and city officials felt differently. Brandon Rogers, city planner, mentioned Dearborn Heights, Ferndale and Plymouth as municipalities that have distinguished between a restaurant and catering hall.

"I honestly feel that the hall will cater to the outside community," Mr. Rogers said. The hall would handle weddings, receptions and simultaneous parties, often late at night. All of these factors violate the intent of the local business zoning ordinance.

Mr. Rogers went on to say that the building was on relatively shallow property, backing onto one-family homes. He felt that the residents were already burdened with commercial businesses in the Mack Avenue area.

"We must consider the impact on the residents. The catering hall is a more intense use of the land."

City residents living near the proposed hall site stressed the facts that the catering facilities would bring in large numbers of strangers to the area and neighboring properties. Along with the crowds would come liquor, late at night activities as well as parking problems. They asked that the board consider the residents before they made their decision.

And it was the residents who won in this case. The Board voted unanimously to deny the appeal and was supported by approving audience applause.

The second appeal brought forth a familiar issue, that of the Grosse Pointe Nursing Home. Ernest Levin, representing the home, said he had "been called upon by members of the community to keep the home as it is."

Mr. Levin had previously been before the board on Tuesday, February 20, asking for expansion approval. This request had been denied since the City ordinance did

not allow for expansion of non-conforming buildings.

The present site of the nursing home on 0.2 acres is less than the five acres required. The front and side yards are deficient in size and the present off-street parking of approximately four spaces is less than the 13 spaces required for a nursing home of this size. However, Mr. Levin along with architect Henry Abrams, presented new plans which would change the interior of the building, reducing bed capacity from 45 to 34 beds.

The plans called for a conversion of the rooms to single and double occupancy and would provide an elevator. The plans also included the construction of a facade on the front of the building in a colonial-brownstone style.

Mr. Levin said by altering the interior as such, the nursing home would be able to meet the State requirements. Furthermore, the facade would create a less institutional type of appearance and would blend with the overall building style of the city.

He said that if the appeal was denied, the facility would be forced to become a home for the aged. Homes for the aged do not have continual nursing care or nurses aides. They are mostly for ambulatory patients.

Mr. Rogers cited the 1967 zoning ordinance that permits renovations in non-conforming buildings. However the renovation could not exceed 50 percent of the state equalized valuation which would be about \$23,830 in this case. The costs for im-

proving the nursing home were well over this figure. Therefore, the board could not approve the appeal without granting another variance or re-zoning the area.

Mr. Rogers also said that although the building was not being expanded, the major improvement investment would insure its permanence and the continuation of the non-conforming use.

The City hopes eventually to zone out all non-conforming uses of buildings in residential areas.

On the other hand, Mr. Levin stated that even if the Nursing home became a home for the aged, the building would remain. "It is not coming down," he said.

Residents who voiced their opinion were in favor of the nursing home. They felt it served a need in the community and felt that if it is going to remain, everything should be done to improve it.

But despite its services, the board felt there were too many variances already to approve the appeal. And again, it was denied.

Theatre North, the dramatics group at North High School, is presenting a colorful, hilarious and fast moving production of William Shakespeare's "The Taming of the Shrew" as its final show of the year.

On Thursday, Friday and Saturday, May 31, June 1 and June 2, the North High stage will be transformed into an elaborate 16th century Italian street designed by senior Kevin Petrilli with specially designed lighting by Randy Petrilli.

This production is the 20th show of Theatre North, under the direction of Mr. Gael Barr, drama director of North, since the building was opened in the fall of 1968.

Seniors Jeff Jackson and Amanda Mazer, who starred in "Little Mary Sunshine," will appear as the battling lovers Petruchio and Kate.

Other participants in this bright, romantic comedy include: Mark O'Berski, Jim Daoust, Mike Slavko, Greg O'Berski, Marcia Sweeney, Ken Boerner, Randy Petrilli, John Calandro, Dennis Griffin, Brad LaBadie, Dawn Robert, Rick Briski, Steve Hagg, Laurie Steinkamp, Donna Meindt, and Evelyn Spach.

This is the second Shakespearean comedy Theatre North has presented. The group has also sponsored and appeared in a high school invitational festival competition held at North the past two years.

Tickets at \$2 for adults and \$1.50 for students will be on sale at the door. Reserved seats are available by calling, 886-8100, extension 79. Curtain time is 8:00 for all performances.

Letters to the Editor

As the wives, mothers, daughters and sisters of Police Officers, we have pledged ourselves to making the Memorial Day weekend a happy one by calling attention to special traffic problems during this busy weekend.
The holidays should be a happy time, and are for most of us, BUT — the holiday death toll in traffic grows each year.

AAA Shares Safety Tips For Memorial Weekend

Michigan motorists, driving more than three million vehicles, will log an estimated 795 million miles during the upcoming Memorial Day holiday weekend, according to Automobile Club of Michigan.
'This traditional kick-off holiday for the summer vacation season is one of the heaviest traveled periods of the year,' said Joseph L. Ratke, Auto Club touring manager, who noted the projected mileage for the 78-hour weekend is nearly five percent greater than last year's Memorial Day travel.

Worst Problems
The Auto Club expects the worst freeway problems in the State to develop on I-75 around Flint due to a 21-mile long road widening project between the merging point of I-75 and US-23 and Birch Run.
Although work will be suspended during the Memorial Day weekend, traffic at peak travel times around Flint is expected to slow considerably due to the close proximity of construction ditches, equipment and barrel markers.

CFE to Back 2 Candidates

The members of Grosse Pointe Citizens for Education (CFE), have voted to support Melissa Maghielse and Larry Harwood in the Monday, June 11, School Board election.
The Candidate Committee, which was open to all Pointe voters who were dues paying members of CFE, interviewed all candidates announced by Monday, May 7.

What Goes On at Your Library

Guest Columnist: Louise Leeson
The word 'nostalgia' is by way of becoming a cliché. In dress, music and entertainment there is an attempt to revive the fashions and foibles of 30 or 40 years ago.
For some there is an exploration of the past which is not a fad; which is as old as mankind, and reflects the needs and emotions which attend the various stages of existence.

Grosse Pointe Public Library is fortunate in having a fine series of books on mythologies of the world. There are 10 books in all, in the series referred to in this writing. The typography is excellent, the illustrations beautiful, and many of the pictures of the art forms of the various countries are in color. The text is readable and comprehensive.

NEAR EASTERN MYTHOLOGY, by John Gray, includes Mesopotamia, Syria, Palestine, and myths of the Sumerians and Babylonians, Assyrians and Canaanites. One is able to trace the powerful influence these stories had on the myths of the Jews. The author devotes a section called "Region of God" to a description of the ancient religion of the Jewish people.
The life of ancient Egypt was not altogether the gloomy cult of the dead that their tombs would lead us to believe, as is shown by the depiction of their beautiful art in EGYPTIAN MYTHOLOGY, by Veronica Ions.

## From Another Pointe of View

By Kathy Duff

The Hope Ship League has planned another fun, fund-raising event. This time it is a "first" for League members as they are holding an Art Auction on Friday evening, June 1, at the Strohaus, 2001 Rivard avenue, Detroit.

Party chairman Joan M. Yaremy, of East Jefferson avenue, has arranged for Fred Grossman, president of Gallery Art Center, to conduct the auction. Current presidents of the League are Mr. and Mrs. Stark Langs, of Lakeland avenue.

Festivities will begin at 6 o'clock with a buffet dinner and a preview of the art work which will be auctioned beginning at 7:30 p.m. sharp! All the 200 pieces of art works, including oils, etchings, lithographs, watercolors, prints and sculptures are framed and signed. In keeping with the young pulse of the Hope Ship League, all the works are expected to be taken at bargain-budget prices from \$1 to \$100. The auctioneer himself has donated a painting to go on the block that night.

Because of the capacity of the Strohaus, reservations were limited to 100, which were snapped up by League members. An Afterglow with dancing is planned after the auction. New members of the League will be greeted that night by membership (Continued on Page 28)

## Short and to The Pointe

Thirty-six Grosse Pointers recently were graduated from the University of Detroit. Receiving diplomas from the College of Arts and Sciences were ROBERT L. BARTLEY, JAMES P. CENCER, KATHRYN J. DETTLOFF, ALICE A. JOHNSON, ABIE O. MONTEITH, MARY C. PETERSON, PATRICIA PHILLIP, MARGARET M. SPINDLER, PATRICIA L. TRINGALI, and WILLIAM T. WELCH. ALGER P. LAHOOD, THOMAS E. MCGUIH, GENNARO J. PISCOPO, and ALLEN J. VANDEWEGHE received their degrees from the College of Business and Administration, while JAMES E. BUTKE received his from the College of Engineering. Degrees from the School of Dentistry went to MARY H. HWACINSKI, CAROL L. KASSAB, BARBARA H. NOYES, and CYNTHIA S. SUN. Graduates from the School of Law are MICHAEL K. DANIELS, JAMES J. DISSER, JAMES M. RINI, GEORGE H. RUMSTADLER, THOMAS J. RYAN, THOMAS P. SCALLEN, THOMAS C. SHUMAKER, DAVID T. TOUCHTON, DANIEL J. WRIGHT, and RICHARD F. ZAPALA. The Graduate School gave degrees to MAREDA W. BABCOCK, FRANCIS P. BLAKE, ROBERT L. DESPIRT, ROBERT L. MITCHELL, JOHN S. SKINNER, and MARTIN WELCH III.

Members of the Detroit Smith College Club, barely recovered from hosting "Smith Midwest," recently attended a Cabaret Pops Concert with Arthur Fiedler. MRS. MARCUS J. SMITH arranged a party of four tables. MRS. GEORGE WILSON ordered three. Some of the others who planned to attend that night were MRS. DAMES GEORGE SCHEMM, GEORGE PIERROT, FREDERICK FORDON, JAMES WILLIAMS, ALLEN LOMAX, W. BRACE KRAG, and CHARLES E. SLOUGH. Included among those who plan-

## Hope Ship Sets Auction Sail

Making final plans for the Art Exhibit and Auction to be held on Friday, June 1, are (left to right), JOAN M. YAREMY, party chairman, of East Jefferson avenue, and MR. and MRS. STARK LANGS, Hope Ship League presidents, of Lakeland avenue. The art auction is a first for the League,

and over 200 oils, etchings, watercolors and sculptures will go on the block that night. The place is the Strohaus, 2001 Rivard avenue, Detroit, with the auction beginning at 7:30 p.m. Reservations, which are limited, may be made by calling Joan Yaremy at 567-9021.

## Opera Singers Dinner Guests

Grosse Pointe War Memorial Association and the Detroit Grand Opera Association invite members of the community to attend a supper with leading personalities of the Metropolitan Opera on Sunday evening, May 27, at seven o'clock in the Memorial's Crystal Ballroom.

The occasion will herald the Met's season of performances in Detroit.

Schuyler Chapin, newly-announced general manager of the Company will be a featured guest along with Assistant Manager, Frances Robinson, and Italian diva, Adriana Maliponte, who sings the role of Micaela in the Met's new production of "Carmen."

The Met's officials and singers will join in an informal panel discussion of the forthcoming opera season immediately following the dinner. It will be moderated by Donald M. D. Thurber, vice-president of the Detroit Grand Opera Association in charge of public relations.

With Mr. and Mrs. Thurber at the head table, besides the honored guests of the Opera, will be Frank Donovan, chairman of the Detroit Grand Opera Association; Wilber Mack, president of the Detroit Grand Opera, and Mrs. Mack; Harry Ledyard, vice-president and general manager of Detroit Grand Opera, and Mrs. Ledyard; Mrs. Charles Wilson, chairman of the 1973 Opera Season, and Mr. Wilson; Mrs. Elliott Estes, co-chairman of the season, and Mr. Estes; Mrs. Neal Snow, supper chairman, and Mr. Snow; Mrs. John Griffin, assistant supper chairman, and Mr. Griffin; and Martin Oetting, president of Grosse Pointe War Memorial Association, and Mrs. Oetting.

Reservations at \$6.25 per person for the dinner should be made immediately.

## Auxiliary Donates \$85,000 to St. John

Donation Largest Single Gift Made to the Hospital by the Auxiliary Since Its Founding in 1948; Many Pointers Honored at Annual Brunch

Mrs. Mark Valente, Jr., of Whittier road, president of the Fontbonne Auxiliary of Saint John Hospital, presented a check for \$85,000 to Hugh Daly, of Edgemont Park, chairman of the Board, and James T. Farley, president of the Auxiliary's 25th Annual Brunch held last Tuesday, May 22, at Lochmoor Country Club.

The gift brings the total contributions to the hospital by the Auxiliary to \$950,600. It is the largest single gift made to the hospital by the Auxiliary since its foundation in 1948.

The Auxiliary also donated \$2,000 to the Sisters of Saint Joseph at Fontbonne Manor, a retirement home for members of the order of Nazareth, Michigan.

The "Woman of the Year" Award was presented to Mrs. Homer Potts, of Detroit, founding member and former president.

Sister Verence McQuade, S.S.J., assistant administrator of Saint John, received a Special Service Award.

Mrs. John Douglas, director of volunteers for the hospital, received a Meritorious Service Award.

Honored with Special Recognition Awards were Mrs. Maria G. Lall, of Detroit; and Pointers Mr. and Mrs. Ray W. MacDonald, Mrs. Anthony Maiullo and Robert McCurry, Jr.

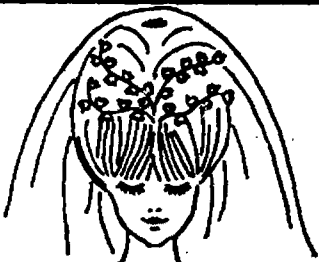

Chairmen of past Fontbonne Events received Special Appreciation Awards. They include Pointers Mrs. John Elias, Mrs. Joseph

Craig, Mrs. Peter Tocco, Mrs. George Shammass and Mrs. Richard Shalla who now makes her home in Ormond Beach, Fla.

New officers were installed including president emeritus, Mrs. Arthur Kerwin, of Detroit; Pointers, president, Mrs. Thomas Baumgarten; president-elect, Mrs. Arthur Roebak; first vice president, Mrs. Robert C. Thumann; second vice president, Mrs. Vic Caputo; third vice president, Mrs. Raymond Whyte; corresponding secretary, Mrs. John Kollet; treasurer, Mrs. Robert Duros; assistant treasurer, Mrs. George Cotichio; and financial secretary, Mrs. Leonard Clafone. Mrs. Robert Knop of Harper Woods, was elected recording secretary.

The members presented out-going president, Mrs. Valente, with a gavel.

TERRY BAULCH, a student at the University of Michigan and a 1972 graduate of South High School, was named recently to the Dean's List at the University. Terry was honored at the 50th Annual Honors Convocation in Ann Arbor. MRS. EDITH BAULCH, of Nottingham road, also attended.

This is a bride.

See her pretty hair-do. It's her very special once-in-a-lifetime hair-do. In the front, long pretty bangs. In the back, a veil falling over an intricate postiche. And in-between, lilies-of-the-valley. We worked all this out. We made the postiche. And we came to the house on the day of the wedding to comb and arrange and place each little flower—for her and her bridesmaids as well. If you'd like the same special care on your special day, do call us. We love being the hairdresser of the bride.

## Kathryn A. Fleming To Be Bride Says Vows May 18

St. Paul's Church was the setting for the wedding of Kathryn Ann Fleming, daughter of Mr. and Mrs. Robert R. Fleming, of North Oxford road, and Cleveland Thurber, III, son of Mr. and Mrs. Cleveland Thurber, Jr., of Edgemere road, on Friday, May 18.

The four o'clock rites at which Monseigneur Francis Canfield presided, were followed by a reception at the University Club.

The bride, given in marriage by her father, wore the gown her mother wore at her marriage. The dress was of chandlight satin with a heart shaped neckline and low shirred waistline that held the cathedral train.

The 100-year-old veil, belonging to the bridegroom's great-grandmother and later worn by the bridegroom's mother, was of ivory rose point lace.

Her colonial bouquet was of white roses and stephanotis.

In long bright print frocks of lavender, beige and white and styled with high ruffled collars and long sleeves, was the bride's sister and maid of honor, Patricia Fleming,

of San Francisco. Carol Pauluk, also of San Francisco; Mrs. David Wells, the bridegroom's sister, and Mrs. James Vournakis were bridesmaids.

They carried bouquets of lavender statice, white carnations and baby's breath.

Terry Shirley, of San Diego, was the best man.

David Wells, the bridegroom's brother-in-law; Michael McNamee; Charles Casgrain, III, the groom's cousin; Richard Tobin, of Framingham, Mass.; and Henry Comstock, Jr., of Boston, seated the guests.

The mother of the bride selected a dress in aqua blue with white accessories.

The bridegroom's mother choice a mint green voile dress with white eyelet embroidery and white accessories.

After a honeymoon in Bermuda, the couple will reside in Roslyn road.

## To Be Bride

## Mrs. Cleveland Thurber

Mr. and Mrs. Cecil Sessions, of Hampton road, are announcing the engagement of their daughter, ALICE LYNN, to Marc Lonoff, son of Mr. and Mrs. Richard Lonoff, of Douglaston, N. J.

The bride-elect was graduated from Grosse Pointe High School and Oberlin College in Ohio. She is presently working in a law firm in New York City.

Her fiancé was graduated from Oberlin College and is now working on his doctorate in economics at the Massachusetts Institute of Technology in Boston, Mass.

A July 14 wedding at the Grosse Pointe War Memorial is planned.

## Lawyers Wives to Present Checks Today

The Grosse Pointe Branch of Lawyers' Wives of Michigan will hold its annual luncheon meeting and installation of officers at the Lochmoor Club on Thursday, May 24, at noon.

Mrs. David H. Williams, IV, president of the Grosse Pointe Lawyers' Wives, will present checks to the Honorable James H. Lincoln and Chester E. Petersen, city manager of The Woods. The funds were obtained from the annual project luncheon and fashion show held in February.

Mrs. Dwayne V. Lighthamer, president of the Lawyers' Wives of Michigan, will also be on hand to install the newly-elected officers for the 1973-74 year.

They are: president, Mrs. Thomas Coulter; president-elect, Mrs. Anthony Vermeulen; recording secretary, Mrs. Thomas Rockwell; corresponding secretary, Mrs. Clair Pike; treasurer, Mrs.

LeRoy McNally; and delegate, Mrs. John Imesch. Members and prospective members are invited. Reservations may be made by contacting Mrs. Robert J. Pear at 821-9528.

## Fall Bride

Mr. and Mrs. Peter G. Manos, of Van Antwerp Road, are announcing the engagement of their daughter, PAMELA ANNE, to James Stover Mehaffey, son of Mr. and Mrs. Robert Mehaffey, of Pittsburgh, Pa.

The bride-elect is a senior at Adrian College where she is affiliated with the Alpha Phi sorority.

Her fiancé was graduated from Adrian College where he affiliated with the Sigma Alpha Epsilon fraternity. He presently resides in Dayton, O., and is employed by the Parker-Hannifin Corp.

The couple plans a September wedding.

Girls might not be allowed to play in Little League, but one Pointe girl CATHERINE HICKS, is certainly doing her share. The eight-year-old girl became a regular at Farms Little League Tigers practices, as she followed her older brother Pat, 11, to practice sessions. Recognizing her interest in the sport, team coaches JOHN WORCHESTER and JOHN HASTINGS, asked Catherine to be bat boy (bat girl?). She was given a uniform with number six, which Catherine quickly pointed out was also Al Kaline's number. Catherine and Pat are children of MR. and MRS. CHARLES V. HICKS, of Lakecrest lane.

## Assistance League Has New Officers

## Offer Contest for Patio Chef

Detroit Edison is accepting recipes for its Ninth Annual King of the Patio outdoor cooking contest for men over 18 years of age. The contest will run through Thursday, May 31.

From written recipes received, 10 men will be chosen to take part in a simulated outdoor Cook-Off at Detroit Edison's downtown Detroit headquarters on Thursday afternoon, June 14. Finalists, whose names will be announced Friday, June 8, must be available to take part in the Cook-Off.

Entries should be mailed to King of the Patio Contest, The

Detroit Edison Company, 2000 Second avenue, Detroit, Michigan 48226.

There is no limit to the number of recipes which can be submitted, but each must include the name, address and telephone number of the participant.

Grand prize to be awarded will be a complete patio ensemble. There will be second and third prizes.

Pointe men should feel some competitive spirit as a Pointe woman, Mrs. George Kopke, of Roslyn road, was a finalist in Detroit Edison's Queen of the Kitchen Contest this year!

## To Present Ice Cream, Music

Would you believe 65 flutes in one band? 43 clarinets? How about 16 trombones?

It's true. A total of 268 young musicians will play in concert at South High School Thursday, May 31.

The occasion? Grosse Pointe's Annual Outdoor Concert and Ice Cream Social. Led by Russell D. Reed, of South High, Nathan C. Judson, North High, the festivities will begin at 6:30 p.m. North's Symphony Band will lead off, followed by South's Symphony Band.

After a brief intermission, during which strawberry sundaes and coffee will be on sale, the two bands will join forces along with the Concert Bands from the two schools, for a massed band finale.

Combining with the massed band for a rousing "Battle Hymn of the Republic" will be choruses from the two schools. Their presence will more than double the size of the total ensemble.

Alumni of the Symphony Bands have traditionally been invited to play with their former directors for the Outdoor Concert. Once again they will be welcome. Mr. Reed and Mr. Judson request only that they be notified as to who is coming by Tuesday, May 29.

The concert will be held on the lawn at South High School. Admission is free.

## St. Michael's Rites For Barbara Noyes

Barbara Henning Noyes and Stephen Lee Miller were married by the Reverend Edgar H. Yeoman in St. Michael's Episcopal Church on Saturday, May 19.

The bride is the daughter of Mr. and Mrs. Richard E. Noyes, of South Oxford road; the bridegroom is the son of the Roy M. Millers, of Dearborn.

A reception in the Crystal Ballroom of the Grosse Pointe War Memorial followed the 12:30 o'clock rites. The bride, wearing a lavender worn by her grandmother and mother, was gowned in a white lace dress

with lace accents at the hem and neck. Her lace mantilla was secured by a crown intertwined with pearls.

She carried a cascade bouquet of Phalaenopsis orchids, stephanotis and ivy.

The bride asked Deborah Behrens, of Menominee, Mich., to be maid of honor. Bridesmaids were Cynthia Sartor, of Dearborn; Judith Steen, of Detroit; Sharon Miller, sister of groom, of Dearborn; and Judith Slater,

a cousin of the bride, of Rochester, N.Y. They wore gowns of colorful prints in pink and blue and carried baskets of flowers.

Best man was David S. Miller, the brother of the groom, of Dearborn. Serving in the usher corps were Peter S. Noll, Gary Luke, both of Dearborn; Robert McPherson, of Cincinnati, O. and Richard A. Noyes brother of the bride, of Grosse Pointe.

The bride's mother wore a sheer print dress in shades of blue and pink over an aqua skirt. A pink cymbidium orchid accented her ensemble. The mother of the bridegroom wore a pink organza print gown. Eucharist lilies were used in her corsage.

Out-of-town guests included maternal grandmother, Mrs. Willard E. Slater, of Boca Raton, Fla., formerly of Grosse Pointe; paternal grandmother, Mrs. Cyril Marshall, of Key West, Fla., and West Newbury, Mass.; Sergeant and Mrs. George Brown, of Jacksonville, Fla.; Mr. and Mrs. Mortimer Graves, great aunt and uncle of the bride, of Key West and West Newbury; Mr. and Mrs. John Prince, of Washington, D.C.; and Mr. and Mrs. Willard E. Slater, of Rochester, N.Y.

The home of the newlyweds will be in Ann Arbor after a wedding trip to New Orleans, La.

## Pointer Wins in Teen Sewing Contest

Hudson's annual teen sewing contest provided Diane Marsteller with an opportunity to display her sewing talents. Diane is an eighth grade student at Parcels Middle School. Each school that chose to participate was allowed to enter only one garment.

Diane was not overly optimistic about her chances of winning since she was competing against ninth

graders who were more experienced in sewing. Evaluation of the garments was based on 75 percent workmanship and 25 percent suitability of fabric to pattern.

Diane was informed by her homemaking teacher, Mrs. James Spilos, that she had been selected as a fourth place winner in the junior division. She was asked to model her entry on Saturday, May 12, at a fashion show in Hudson's downtown audi-

torium before an audience of 1,000 people.

Over 400 garments from Detroit, Flint, Toledo and many other metropolitan communities were entered.

Diane modeled her class project, Simplicity Pattern 5371. She chose a pink and white print fabric, trimmed with ricrac to create a fashion dress.

Diane is an avid sewer and devotes many hours of her spare time to this hobby.

## Garden Center Opens New Headquarters

The Detroit Garden Center will open its new headquarters with an "open house" for members and garden club friends in the historic Moross House, 1460 East Jefferson avenue, Detroit, on Wednesday and Thursday, May 23 and 24, from 10 to 3 o'clock.

The recently restored building is the oldest extant brick dwelling in the city. It was built in the early 1840's by Christopher Moross. The parlor and front hall will be refurbished in the manner of the 1850 period by the Detroit Historical Society.

The Garden Club of Michigan is restoring the garden to its original planting. There are now brick walks made of the old bricks that were found in the excavations made for the Ford Development. A handmade wooden

fence will enclose the front yard. Espaliered pear trees line the wall on one side of the property and viburnums and lilacs on the other.

The back of the property will be of the same period, but adapted to the practical uses of the Detroit Garden Center. A sizable terrace for outdoor meetings will be a feature of the charming garden.

The Detroit Garden Center is a non-profit organization serving the Detroit area since 1932. It provides horticultural information to gardeners. The building will be used for meetings, lectures, flower shows, workshops and craft classes. On the second floor is a 2000 volume horticultural library, which is said to be the most complete library of its kind in the State. The Center will be open

Mondays noon to 3 o'clock; Tuesday, Wednesday and Thursday, 10 to 3 o'clock. The library will be staffed on Wednesdays 10 to 3 o'clock.

## David Eldridge To Take Bride

## St. John Asks For Volunteers

If you are looking for something worthwhile to do with your time and training and have a BS or BA degree in Social Sciences, or teaching experience, St. John Hospital's Social Services Department needs you as a volunteer.

A volunteer must be able to devote one to two days a week, from 8:30 a.m. to 4 p.m. Qualified volunteers will be trained by department director, Robert Kerorian, A.C.S.W.

The Social Services Department provides guidance for unwed mothers, helps geriatric patients with post hospital planning and provides personal counseling. Its workers have handled an average of 300 cases a month.

Anyone interested in becoming a Social Services Volunteer should contact the Volunteer Office at 881-8200, extension 541, between 9 a.m. and 4 p.m., Monday through Friday, for a personal interview.

## Mary Wilberding Married on May 19

Wedding Trip to San Francisco, Calif., Follows Ceremony in the Grosse Pointe Academy Chapel

At a small family ceremony at Grosse Pointe Academy Chapel, Saturday, May 19, Mary Susan Wilberding, daughter of Mr. and Mrs. Frank Wilberding, of Fair Acres drive, became the bride of Donald Jefferey Stump, son of Mrs. James Connor, of Lansing, and Dr. George Stump of Grand Junction, Colo.

The noon rites, at which the Reverend Father Joseph Verhelle of the University of Detroit presided, were followed by a luncheon at the

home of the bride's parents.

Mrs. John Spencer Pingel, of Eye, N.Y., was her sister's only attendant.

Thomas Leonard, of Lansing, served as best man. The bride selected an Empire gown of silk fashioned with long sleeves and a cathedral length veil of silk illusion.

She carried a bouquet of cymbidium orchids and ivy. After the reception, the newlyweds left for a trip to San Francisco, Calif. Upon their return, they will make their home in Detroit.

MR. and MRS. MASON FERRY, of University place, announce the birth of a son, JOSHUA MASON FERRY, born April 16. Mrs. Ferry is the former BARBARA LAROWE. Maternal grandparents are MR. and MRS. ERVIN F. LAROWE, of Canterbury road. Paternal grandparents are MR. and MRS. DEXTER FERRY, of Oldbrook lane.

## Engaged

Mrs. George Hayward, of Nottingham road, wife of the late Mr. Hayward, announces the engagement of her daughter, CYNTHIA, to Marvin Mazur, son of Mr. and Mrs. Edward Mazur, of Detroit.

Cynthia was graduated from Grosse Pointe South and is now a senior at Eastern Michigan University. Her fiance attended Denby High School in Detroit and is a graduate of Eastern Michigan University. He currently teaches in the Royal Oak School System.

A September wedding is planned.

## Eric Mansfield Weds on May 5

In the Epiphany Catholic Church in Washington, D.C., Eric George Mansfield, Jr., took as his bride Barbara Ileen Becker, daughter of Mr. and Mrs. Robert W. Becker, of Lighthouse Point, Fla., on Saturday, May 5.

The bridegroom is the son of Mr. and Mrs. Eric George Mansfield, of Three Mile drive.

The 11 o'clock rites, at which the Reverend Herbert F. Mansfield, cousin of the bridegroom, presided, were followed by a reception at the Army-Navy Country Club in Arlington, Va.

The bride selected a long white organza Empire gown with detachable train. The dress was fashioned with lace and pearl appliques. Her elbow length veil was attached to a lace and pearl cap.

Forming the bridal bouquet were pink sweetheart roses and pink and white lilies of the valley.

Mrs. Marcia King Diuguid, of Alexandria, Va., served as matron of honor. She wore a pink blouse accenting a pink long skirt with floral overskirt. She carried pink peonies and daisies.

## James R. Webb Wed in Ann Arbor

Bridegroom's Three Brothers, David, Mark and Christopher, Participate in Ceremony; Pair Now Vacationing on Cape Cod

Margery Van Auker King, daughter of Mr. and Mrs. Peter Savojs King, of Ann Arbor, became the bride of James Rosson Webb at the St. Francis of Assisi Church, Ann Arbor, on Saturday, May 19. The bridegroom is the son of the Harry Evering Webbs, of Ridgemont road.

The two o'clock rites, at which the Reverend Frank Srebernak officiated, were followed by a reception at the Woodbury Gardens Club House, in Ann Arbor.

The bride wore a gown fashioned of hand-embroidered material which her mother brought from India. The dress featured solid embroidery panels called chikan, encircling the waistline, wrists and hemline.

Her elbow length veil was of dotted illusion, trimmed with lace and secured by a headdress of pink sweetheart roses, baby's breath and stephanotis. Her bridal bouquet was of the same flowers with the addition of white carnations.

Karen Bradley, daughter of Dr. and Mrs. Volker Bradley, the bride's first cousins, of Detroit, acted as flower girls. She was dressed in a long white gown with horizon bands of pink embroidered flowers. She held a nosegay of white miniature carnations, pink sweetheart roses and baby's breath.

The bride asked her sister, Mrs. Daniel C. Schmitz, of Dearborn Heights, to serve as matron of honor. She wore a long white gown with vertical panels of embroidered pink flowers. She carried an arm bouquet of pink roses and baby's breath.

Acting as best man was David Allan Webb, brother of the bridegroom. Two more brothers served as ushers, Mark and Christopher Webb, joined by the brother of the

(Note: Following is the text of Ordinance No. 159 adopted by the Council of the City of Grosse Pointe on May 21, 1973 to become effective ten (10) days from date of publication.)

## ORDINANCE NO. 159

AN ORDINANCE TO REPEAL SECTION 4.18 AND TO SUBSTITUTE THEREFOR A NEW SECTION 4.18 OF CHAPTER 41 OF TITLE IV OF THE CODE OF THE CITY OF GROSSE POINTE CONCERNING CURB CUTS AND PAVING DRIVEWAY APPROACHES.

### THE CITY OF GROSSE POINTE ORDAINS:

- Section 4.18 of Chapter 41 of Title IV is hereby repealed and the following substituted therefor:
- 4.18 Curb Cuts. No opening in or through any curb or any street shall be made without first obtaining a written permit from the Building Inspector. Curb cuts and sidewalk driveway crossings to provide access to private property shall comply with the following:
  - (1) No single curb cut shall be less than ten (10) feet.
  - (2) The minimum distance between any curb cut and a public crosswalk shall be five (5) feet.
  - (3) The minimum distance between curb cuts, except those serving residential property, shall be twenty-five (25) feet.
  - (4) The maximum number of lineal feet of sidewalk driveway crossings permitted for any lot, parcel of land, business or enterprise, shall be forty-five (45%) per cent of the total abutting street frontage up to and including two hundred (200) lineal feet of street frontage plus twenty (20%) per cent of the lineal feet of street frontage in excess of two hundred (200) feet.
  - (5) The necessary adjustments to utility poles, light standards, fire hydrants, catch basins, street or railway signs, signals, other public improvements or installations, or removal of trees shall be accomplished without cost to the City.
  - (6) All construction shall be in accordance with plans and specifications approved by the Building Inspector.
  - (7) The driveway approach, being the area between the curb cut or void and the nearest sidewalk line, shall be paved with concrete or asphalt in accordance with regulations established therefor by the City Manager. If there is no sidewalk, then a driveway approach shall be paved for a minimum distance of ten (10) feet from the curb cut or void towards the property served by said driveway approach. Any existing driveway approach which is not paved shall be paved within three years after the adoption of this ordinance, or at the time when a sidewalk repair program is conducted in a particular area, whichever date occurs first. In the event the driveway approach is not paved as herein required, the Building Inspector shall cause the same to be done, give the same notice required for repair of defective sidewalks and following the procedure now or hereafter established for such sidewalk repair, including the assessing of the cost of paving such area against the premises and the owner thereof.
  - (8) Any curb cut which has been abandoned, or where structural or other changes on the adjoining premises make it no longer useful thereto, or for which any required permission or permit has not been obtained, shall be restored by replacement of the curb.
2. The effective date of the within Ordinance No. 159 shall be ten (10) days after date of publication thereof.

Sale Of Sales... you've heard all about it! The half of one-half off tags are for real. We saw the mark downs being taken on a special group and the values are WOW! Wear-right-now fashions are priced for collectors and there are handsome wool and wool blend designer dresses, ensembles, and coats which are excellent investments to put away for fall. With the fall fashion market prices on the increase, you win both ways. Of course, you have to be lucky as far as finding your size but then as far as I'm concerned you always do. Now there is a wide size range but we urge you to take a close look, as soon as you can. These fashion finds are not staying on the sales rack.

If You've Never... lived in a new well built condominium with modern security systems, it's really a very pleasant experience. We spent our last vacation in Florida at Old Port Cove Condominium and have come to love the ease of this style of living and the great feeling of protection. In Grosse Pointe, the new luxury condominium is the Jefferson Apartments. Security and serenity with full comfort and maintenance-free living keynote the basic planning. Three security systems work to protect you around the clock. A beautiful reception hall welcomes residents and guests with a full time attendant on duty. Sensible details have also been incorporated in the construction to insure tranquility, such as fiberglass insulation in all walls and floors and concrete sound barrier floors. Each residence is larger than most suburban homes. The beauty of Georgian detail is skillfully joined with contemporary technology. Great Adventure In Cooking... Jean-Air's counter top broiler. It cooks everything with the same delicious flavor as an outdoor charcoal grill... but none of the smoke and mess. Permanent grill rock, electrically heated to consistent high intensity, sears genuine charcoal broiled flavor into any meat. It's a whole new concept of indoor cooking. This counter top broiler exhausts cooking fumes without an overhead hood. The secret is a revolutionary surface vent built-in next to the grill. It traps smoke and odor at their source and whisks them out of doors. See it in the handsome new kitchen model display at Mutschler Kitchens, 26227 Mack Avenue.

## Pointer of Interest

MRS. EDWARD C. HANPETER, OF BERKSHIRE ROAD

By Kathy Duff

When Mrs. Edward C. Hanpeter (Joan) was elected a trustee of the Grosse Pointe Public School System in 1972, she inherited a tradition.

The tradition she inherited was to be the only woman member of the School Board, a tradition which carried with it the responsibility of acting as Board secretary and also serving as the Board's liaison with the women's education groups in Grosse Pointe.

It all started in 1942 when Mrs. Alice Sheaffer was elected to the School Board and later elected secretary by her fellow trustees. The pattern has repeated four times, with Mrs. Ruth Goebel, Mrs. Alice Hykes, Mrs. Barbara Thompson, and, finally, Mrs. Joan Hanpeter, following in her footsteps.

In any given week, Joan will be called upon to judge a speech contest at Brownell Middle School, to attend a student speak-out at Grosse Pointe North, and to be the guest of honor at a Grosse Pointe South Mothers Club luncheon.

Has Reputation Joan also has the reputation for being the "most approachable" of the trustees. For this reason, realtors have given her name to persons thinking of moving into Grosse Pointe and wanting to know about the school system. Residents concerned over their children's academic problems will also call Joan, in addition to persons wishing to have an item placed on a School Board agenda.

It's all in a week's work for the only woman member of the School Board.

## Semple Lauded By Symphony

Harold G. Warner, of Bloomfield Hills, general chairman of the Detroit Symphony Orchestra's 1973 Quest for Excellence campaign, has launched this year's campaign by announcing that more than \$600,000 is pledged toward the 1973 goal of \$1,600,000.

It is the second-year phase of a three-year \$4.5 million Symphony fund drive launched in 1972 to help assure the continuance of the Orchestra as a major cultural asset for Detroit. More than \$1.3 million was raised in 1972.

At a recent volunteer luncheon, special tribute was paid to Symphony President Robert B. Semple, of University place, who served as the 1972 campaign chairman. Mr. Warner presented him with the first "Quest for Excellence Campaign Award."

He cited Mr. Semple as "the man who was responsible for last year's remarkably successful campaign, and the man whom Detroit must thank for the continuation of the great Detroit Symphony Orchestra."

Joan finds it a challenge not to let her family life suffer even though she must devote so much time each week to her "new job" as trustee.

She still manages to participate in her 8-year-old daughter's Bluebird troop and to teach Sunday School at Grosse Pointe Memorial Church.

"I have found that I had to cut out activities such as bridge groups, tennis and gardening—don't look at my garden—in order to handle my Board responsibilities," Joan commented as we sat in the living room of her Berkshire road home.

Supportive Husband It's generally recognized that behind every involved woman in Grosse Pointe, there is an understanding husband. However, Joan's husband is so great that he has prompted the remark, "What Grosse Pointe needs is more Edward Hanpeters."

Joan also has an understanding family behind her. Her four children, Brad, Rick, Paula, and Gregg, help to keep her in touch with the Pointe schools as they range from kindergarten to high school age.

Brad, 14, is in the Ninth Grade at Grosse Pointe South and is a member of the Varsity Reserve Tennis Team. He joins his father once a week for a 6:30 a.m. father-son match at a local indoor tennis house. Another favorite sport is baseball, as he is now a member of The Park Babe Ruth team.

An Award Winner His academic forte is draftsmanship. He recently won regional and state awards for his drawings. Another major interest is singing; he is in his fifth year of Grosse Pointe Memorial Church's Youth Choir.

Rick, 12, is the collector in the family, and manages to collect stamps, magazine articles, books, and just about anything which is collectible. In his Sixth Grade year at Defer Elementary School, he is captain of the Safety Patrol boys. He is also participating in an experimental program at Defer, the open classroom. In the summer, he plays on a Park Little League team which has a familiar face on the coaching staff—his father's!

The Hanpeters' only daughter, Paula, is in the Third Grade at Defer and is an active member of her Bluebird troop.

Gregg, although only six and in the kindergarten at Defer, has already shown an interest in anything mechanical. He also shares his big brothers' love of baseball. Even though one of his arms was completely bandaged from a recent minor operation, he still HAD to find his baseball mitt for some temporarily one-handed practice.

It's The Season... to be wedding. Friends and family will find a good selection of shower and wedding gifts at WRIGHT'S GIFTS AND LAMP SHOP, 18650 Mack Avenue. From practical serving aids to beautiful decorative crystal.

Home Health Care Products... are increasingly important for all of us today. Facing rising hospital costs and convalescent homes filled to capacity, more and more of us face caring for patients at home. We can service all your needs, prescriptions, medications, walkers, wheelchairs, hospital dressings, incontinence pads, catheters. We have them all. We will charge and deliver. Let us help you. It's a difficult job... A. J. Meyer, Inc., 16361 Mack Avenue.

## Nancy Allard Wed on May 18

Exchanging vows at a six o'clock ceremony Friday night, May 18, in St. Mark's Church, were Nancy Marie Allard and Walter H. Tycholiz.

The bride is the daughter of Mr. and Mrs. Millard Allard, formerly of The Pointe and more recently of Sarasota, Fla. Parents of the bridegroom, Mr. and Mrs. Walter S. Tycholiz, live in Warren.

The marriage rites, at which the Reverend John Sullivan presided, were followed by a reception in the Athena Hall.

Following a wedding trip to San Francisco, Calif., the couple will make their home in Roseville.

job in Detroit. She took the 6:45 train in the morning, the 6:45 train at night.

"It is NOT the best way to start a marriage," Joan commented with a smile.

First Pointe Home Mr. Hanpeter shares his wife's concern for the quality of education in Grosse Pointe.

He recently served as president of the Pierce Middle School PTA. His other interests include the Grosse Pointe Memorial Church as he is president of the church trustees, and Little League as he has been a coach for several years.

The Hanpeters are fortunate to share the same interests. Joan will chuckle every time she mentions that she thinks she was the only pregnant church Elder in the history of Memorial Church.

Has Speech Ready However, if any woman's group asks Joan to speak on women's liberation, Joan has said that she has a speech all ready.

"I think that a woman can enjoy the traditional role of wife and mother and still further her own interests."

"I think that a woman can enjoy the traditional role of wife and mother and still realize her own identity separately from her husband and family," Joan said.

"Being a trustee on the School Board, with the tremendous amount of work and responsibility it involves, has made me rely on my own abilities."

However, Joan rarely complains about the long hours and the heavy responsibility. Most people attribute it to her highly conscientious approach to her new position, as Joan will rarely vote on an issue until she thinks that she has considered all sides.

Positive View But Joan believes that she has another reason not to complain.

"I think that we have turned a corner in the past two years. Residents are increasingly recognizing the quality of the school system and how we must work to maintain it. I think that there is a new, very positive attitude about both the school system and its Board of Trustees."

There should be, since there are persons of the caliber of Joan Hanpeter on the Board.

Eighth-grade student, at Our Lady Star of the Sea, MARCIA MCBRIEN, was recently named a winner in The Detroit News Creative Writing contest. Her entry, a play entitled "Parousia," detailed the second coming of Christ on earth, and the conditions He finds while He is here.

Carl's Corner

Grosse Pointe also has the Rubys to thank for bringing Joan to Detroit, as Mr. Ruby, for business reasons, moved to Detroit from Shaker Heights, Ohio, while Joan was a student at Cornell University in Ithaca, N.Y.

Tried Detroit After Joan graduated from college, she joined her parents here. Even though she had "no intention" of staying, she got a job with Michigan Bell Telephone Company in the personnel department.

She met Mr. Hanpeter, whom she had known casually at Cornell, through a mutual friend in Ann Arbor. At the University of Michigan, Mr. Hanpeter was studying for his law degree. Later, he was elected assistant editor of its Law Review.

Several hectic years followed after they were married, with Joan still commuting to her Bell Telephone

chairmen, Mr. and Mrs. William Beach, of Rivard boulevard.

Plans are already on the boards for the League's Summer Lawn Party, traditionally held on the Ranger property of the Rose Terrace estate. For this summer fete, reservations are definitely NOT limited to 100 guests, so stay tuned...

## Changing of the Guard

It's that time of year when many presidential gavelts are changing hands.

No exception is the Junior Women's Association of the Detroit Symphony Orchestra who elected Mrs. Kim Lie, of Bedford road, next year's president. Mrs. Lie succeeds Mrs. Bernard N. Craig, of Bloomfield Hills, whose last official duty was the presentation of a \$47,250 check to Walter Cisler at the Association's last meeting.

The meeting, held at Plum Hollow Golf Club on Wednesday, May 16, served as the Association's annual meeting and luncheon. Undaunted by being one of the few men present, Mr. Cisler, the vice-president of the Detroit Symphony who lives in Devonshire road, accepted the check.

Besides Mrs. Lie, Mrs. Eric A. Wiltshire, of Bloomfield Hills, was elected vice-president; Mrs. John H. Fildew, of Bedford road, second vice-president; Mrs. Eugene W. Blanchard, of Livonia, third vice-president; Mrs. William M. Harber, of Birmingham, recording secretary; Mrs. William S. Fiscus, of Balfour road, corresponding secretary; and Mrs. John C. Prost, of Pemberton road, treasurer.

Newly elected to the standing committees were Pointers Mrs. William Beach, Mrs. William J. Rice, Mrs. Don O. Stanitzke and Mrs. John E. Young, Jr. Also elected were Mrs. William Hamel, of Birmingham, and Mrs. Frederick C. Hertel, of Bloomfield Hills.

## Cercle Dramatique Steps Out

If ever you think that you know every cultural club in Grosse Pointe, beware, for another hitherto unknown group will step out and take a bow.

The out-going president of Cercle Dramatique, Mrs. J. Gordon Kroenert, of Bishop road, recently came into the NEWS office and dropped off information on the club's activities.

The drama group, now in its 61st years, is "to further the interest in and appreciation of the drama." It meets on a regular basis the first Tuesday of every month, from October to May, inclusive.

Each reading time is 55 minutes, and selections from "Little Murders," by Jules Feiffer, and "Everything for the Garden," by Edward Albee, have been given readings in past meetings.

Pointers active in the club this coming year include Mrs. Fred Flom, Mrs. John Ault, and Mrs. J. Bernard Dawsey.

Their program has to be one of the most interesting to read as it contains unusual quotes. One of the quotes, by Kenneth Haigh, is: "You need three things in the theater—the play, the actors and the audience, and each must give something."

And that goes for readers too!

## Art in Space

As we have heard from the areas of music and drama it's only proper to give equal time to the visual arts!

The current top event at the Detroit Institute of Arts is "Art in Space: Some Turning Points" which is now in the midst of its six-week run, Wednesday, May 16, through Sunday, June 24.

In connection with the exhibit, Art Institute Director Willis F. Wood recently announced a gift from Pointer W. Hawkins Ferry, of Lake Shore road. Mr. Ferry, who serves as chairman of the Friends of Modern Art, gave the museum Naum Gabo linear sculpture.

Entitled "Linear Construction No. 4," Mr. Woods designated the work as a key piece of 20th Century sculpture. The art work is formed of two intersecting bronze shapes framing a multitude of spiraling steel strings. It is 50 inches high and was completed by the Russian-born artist in 1962.

Pointers interested in the show should contact the museum at 831-0360 for additional information on the events—film, lectures and gallery talks—which will illuminate the fascinating, if sometimes baffling, contemporary art scene.
