## G. P. THEATRE GIVES AWARDS

**HEADLINES**  
of the  
**WEEK**  
As Compiled by the  
Grosse Pointe News

**Thursday, July 18**  
**PRESIDENT NIXON** lifted the month-long freeze in the food and health service industries but continued the freeze over the rest of the economy. A new system of price controls will go into effect August 12, which, according to Mr. Nixon, will allow prices to go up only as much as business costs rise. Because of the Phase IV announcement UAW President Leonard Woodcock said the union will give its top priority rating to improving the cost-of-living (COLA) formula in new contract talks with the Big Three auto makers. The fight to lift the COLA ceiling in 1970 touched off a 67-day strike at General Motors.

**Friday, July 20**  
**A 105-YEAR OLD BAN** on black membership was lifted by the Benevolent and Protective Order of Elks. At three earlier Elks conventions, the group had overwhelmingly decided to keep the "white's only" clause in the lodge's constitution, but the ban was lifted after a 2,186 to 773 vote. The new grand exalted ruler of the Elks, Robert A. Yothers, said changing social values, and a Maine law prohibiting discriminating organizations from receiving food and liquor licenses, were responsible for the rule change. Blacks have their own organization, The Improved Benevolent and Protective Order of Elks of the World, which has no racial restriction on membership.

**Saturday, July 21**  
**THE U. S. SENATE** approved a measure Friday, following a similar bill passed by the House Wednesday, that would put a 30-day limit on undeclared American wars. The measure, receiving a 71 to 18 vote, would require advance congressional authority for the commitment of U. S. troops to foreign wars except for 30 days in specified emergencies. The measure will be sent to a conference of senior members of both the House and Senate to fashion a compromise with the House bill. That bill set a 120-day limit on authorized troop deployments overseas and would permit Congress to order a president to withdraw troops at any time by a majority vote.

**Sunday, July 22**  
**A NUCLEAR BOMB** was exploded Saturday by the French at the proving grounds in the South Pacific near New Zealand. This was the first in a 1973 atom bomb explosion project which has been under a great deal of protest. The bomb was the 34th exploded by the French since they began experimenting and testing in 1966. The blast, which took place 2 p.m. Detroit time at an estimated altitude of 2,000 feet, was reportedly not very bright, and gave off little or no radiation known at the time.

**Monday, July 23**  
**A JAPAN AIR LINES JET**, which was hijacked Friday over the Netherlands, refueled Sunday at Dubai, near the Persian Gulf. It was the second day the Boeing 747 had been at the Dubai airport. The hijackers, believed to number about five, said that they will blow up the plane if any attempt is made to seize it by force. Negotiations to release the plane and passengers have failed. The hijackers, who have not yet made any demands, said they were "awaiting instructions." The plane, carrying mostly Japanese passengers, was on a scheduled flight to Tokyo.

### Can Anyone Pinpoint This Location?

Willison R. Hoff, of Hillcrest road, recently acquired this photograph at a Moran road garage sale. The seller said it was Lake Shore road in 1909 and was supposedly taken somewhere between Moross and Moran. Mr. Hoff has been driving up and down Lake Shore quite frequently since his purchase and feels that it could have been taken around Provencal road.

### Glancy Auction Held July 20-21 Clears \$390,000

Everything from 1916 Stutz Touring Car, to Royal Copenhagen Porcelain, to Rooftop Weather Vane Sold to Highest Bidder

**By Kathy Duff**  
A yellow-and-green-striped tent on the front lawn of the late Alfred R. Glancy, Jr., estate heralded the public auction held there last weekend, Saturday and Sunday, July 20 and 21.  
It took two days, five hours each day, to auction off the contents of the Cotswold-style English stone mansion right down to the paneled in the living room.  
The curious attended the preview exhibit Thursday and Friday, July 19 and 20, when the Glancy furnishings could be last seen in the rooms. Over the weekend, the action was on the front lawn as each piece was brought from the house and held by an official of the H. O. McNierny, Stalker and Boos, Inc., as the bids were called out.  
"They were very sophisticated buyers at the Glancy auction," Nicholas Boos commented. "They knew what they wanted and they knew what they were willing to pay for it."  
**Some Bargains**  
As with most auctions, some articles went for above "market" value, if price tags can be placed on antique or rare articles. However, those in the crowd recognized most articles going for a fair price, such as an Early Georgian Walnut Secretaire Cabinet which sold for \$4,000. Other items were considered downright "steals" such as the family's sterling silver flatware service for 12 which was sold for \$850.  
The bidders appeared to be a mixture of dealers, out-of-town buyers, and Grosse Pointe antique collectors. The crowd was, for the most part, constrained, and the

### Members Honored at Big Dinner

'Clarence' Helps Celebrate 25th Anniversary Season; 1973-74 Program Announced

The Grosse Pointe Theatre concluded its 25th anniversary season Saturday evening, July 21, at the Hillcrest Country Club Mt. Clemens, by presenting "Clarence" statuettes for excellence onstage and backstage.  
Emceed by James Fielding, of Three Mile drive, the awards were interspersed with a filmed montage and clips from 25 years of GPT productions, prepared by Dale Pegg, of Fairholme drive.  
Following a cocktail party and dinner hosted by Vice-President Chancy Miller, the coveted acting awards were presented. John Diebel, of Loraine road, was honored as best supporting actor for his role as Alfred P. Doolittle in "My Fair Lady."  
**Best Performances**  
Mrs. Mark Reeves, of Pemberton road, was chosen best supporting actress for the part of Granny Maud in "Forty Carats." Don Blas, of Ridgemont avenue, and Mrs. Lawrence Marco, of Fairford road, were designated best featured actor and actress for their roles of "Eddy" and "Mrs. Margolin" in "Forty Carats," while Mr. and Mrs. Edwin Lau, of Berkshire road, received statuettes for their non-featured roles as Mr. and Mrs. Latham in the same production.  
Other acting awards were won by Robert McKenna as Henry Higgins and Mary Lou Zuehl as Eliza in the best actor/actress category, for their "My Fair Lady" roles. Mrs. Roger Shepard, of North Renaud, was cited as best director for her work in "Wait Until Dark," while Mary Lou Marko, of Edgemont park, won a statuette for producing "Company." Workers of the Year were Edward Kohl, of Lakepointe road, and Miss Linda Stewart.  
**Backstage Honors**  
Technical awards were garnered by Art Thompson, of Oxford road, who constructed the "Company" set.

### Center Plans Emergency Blood Drive

Red Cross Unit to Be Set Up Thursday, August 9, in Ballroom

A special emergency blood collection will be held by the American Red Cross at the War Memorial Center, 32 Lake Shore road, on Thursday, August 9, from 2 to 8 p.m.  
The bloodmobile unit will be set up in the air conditioned ballroom overlooking Lake St. Clair.  
This is an opportunity to make a very real contribution to humanity's needs, reports the Center. Anyone in good health, and between the ages of 18-60, can participate. You can contribute for the benefit of the War Memorial's Community Blood Bank which holds blood available for free loan to any citizen in case of emergency, or to any other organizational blood bank, individual or cause you wish.  
**Offer Transportation**  
Those in need of transportation to the Center should call TU 1-7511. Babysitters will be provided.  
It is very helpful to have an appointment for blood donation so donors can experience a minimum of waiting time. Twenty minutes should be a sufficient time to allow for a donation. Call the Center for an appointment. Of course, walk-ins will be gratefully accepted, too.  
Anyone can and should donate blood who is free of heart or blood ailments and is not pregnant, notes the Center.

### Enforcement of Bicycle Safety Program to Be Intensified in G.P. Farms

Increased Popularity in Cycling Causes Proportional Rise in Hazards; Three-Phase Juvenile and Two-Phase Adult Course of Action Set

**By James J. Njaim**  
An estimated 80 million Americans are riding bicycles today. The rise in the popularity of bicycling has been phenomenal. Only a few years ago, teens would rather walk than ride a bike like their little brother or sister. Parents rarely ever rode a two-wheeler.  
Farms Police Chief Robert Ferber explained the reasons for the increased popularity in cycling are numerous with ecology, automotive expenses and exercise sharing the lead.  
With the increase in this method of exercise, sport or fun, or what ever you wish to call it, police hazards have increased proportionally, the chief pointed out.  
**Common Violations**  
He stressed the most common bicycling violations, in which both parents and children are equally guilty, are:  
1. Riding more than two abreast;  
2. Failure to stop for stop signs;  
3. Failure to stop for traffic signals;  
4. Failure to signal turns;  
5. Failure to be attentive to their cycling, and  
6. Driving without lights at night.  
"Perhaps the irony of the situation," Chief Ferber said, "is that parents who wouldn't dream of violating these traffic laws in their automobiles, will do so on their bikes and, in so doing, set a pattern for their children to follow."  
"Bicycle accidents are on the increase nationally. The Farms can consider itself lucky in that it has had only 16 bike accidents in the last three years, with no major injuries or fatalities. Of this number, bicyclists were found

### 'Lady' Robs Park Bank; Takes \$1000

Police Request Aid of People Who Witnessed Incident; All Info Will Be Kept Confidential

Exactly one minute before closing time, the Michigan Bank Branch, Jefferson and Barrington, was held up Friday, July 20, by a lone black female, who held her hand in her purse as though she had a gun.  
She escaped in a waiting car with more than \$1,000 placed in a brown paper bag by a woman teller.  
According to information released by Park Lt. Gordon Duncan, the woman bandit entered the bank at 4:29 p.m., approached one of the tellers, opened her purse and placed an old, brown bag alongside it.  
Delivers Note  
Then, putting her hand in her purse, she pushed a note to the teller which said, "Put all your money in this bag and do not alarm any one if you want to live!" The bandit did not show any weapon, the lieutenant stated.  
The amount that was taken was not disclosed, but it was more than \$1,000, it was reported. After the currency was stuffed into the bag, the female robber grabbed her purse and the bag, and ran out the front door. She ran to a waiting car, with its motor running, double-parked at the foot of Barrington. The vehicle headed west on Barrington towards the Detroit River and disappeared.  
The vehicle was described as being a 1966 or 1967 Ford, Chevrolet or Plymouth, and dark maroon in color.  
The woman was described as black, between 5'8"-5'8" tall and 160 and 170 pounds, and "big-chested." There was no description of her clothing.  
**Vital Information**  
Lt. Duncan said there were four people outside the bank building who apparently could not miss seeing the bandit as she emerged from the bank towards the car. There was something unusual about her appearance that they apparently could not help but notice, he added.  
The four people are urged to contact The Park Police Department, VA 2-7400. In the event these persons do not read this story, anyone having information about them, on the chance these people might have told them  
(Continued on Page 8)

### Busy YSD Reports June Complaint Total Tops May

increase of incident rate.

These cases, along with robberies from persons plus incidents of possession of stolen property, (mainly bicycles), brings the incident rate of larceny and related categories to 28 compared to 19 for June 1972.  
Nine drug abuse cases were handled in June. Seven were for abuse of marijuana and two for investigation of suspected sales.  
Cases involved marijuana cases seven 11 males, (six adults and five juveniles), while investigation of suspected sales involved three male adults at this time.  
Meanwhile, the third leading complaint was malicious destruction of property.  
(Continued on Page 6)

### Farms Regatta Starts July 27

In last week's issue of the NEWS, it was disclosed that on Sunday, July 29, part of the Grosse Pointe Farms Boat Club's 21st Annual Regatta afternoon program will include an exhibition of synchronized swimming in the park pool by female life guards and instructors.  
The fact is, the exhibition will be put on by girl swimmers between the ages of 10 and 15 years, and will be under the guidance of Carol Pillsbury (not Vanessa Venic), and Cathy Moran. This part of the program will begin at 2:30 p.m.  
The three-day regatta begins tomorrow, July 27, and all residents of The Farms are cordially invited to attend. There is no admission charge.  
(Continued on Page 6)

### Workers Walkout When Given Two-Day Suspension for Refusing Overtime

Members of the American Federation of State, County and Municipal Employees, (A.F.S.C.M.E.), AFL-CIO, Local 522, are three days behind their rubbish pick-up schedule, following a work stoppage protest over the suspension of four union employees.

### School to Open September 6

We hate to mention it in the midst of summertime but perhaps you might like to make plans accordingly. School is scheduled to open for students Thursday, September 6. Professionals must report two days earlier on Tuesday, September 4.  
The Board of Education approved the school opening date at a special meeting Monday, July 23. Although the Teachers Association is still in negotiations, the board felt an opening date should be established.  
The dates are in accord with previous years. Furthermore, they are in agreement with the dates the teachers have on their calendar; it is other aspects of the calendar that are being negotiated.  
There is still well over a month of vacation left — so enjoy!  
(Continued on Page 4)

### Police Chief Nabs Thieves

Park Police Chief Henry Coonce was on his way home for lunch at 11:50 a.m. Friday, July 20, when he was stopped by a 10-year-old boy who had just been the victim of two black bicycle thieves. The youngster told the chief that he was pedaling his bike in front of 971 Barrington, when two juveniles, one 14-years-old and the other 15, approached and ordered him to get off his bicycle. The boy said, when he refused, the 14-year-old struck him on the temple, toppling him off the two-wheeler. The thieves then got on the bike and headed toward Jefferson.  
The chief saw the young culprits and gave chase in his scout car, and followed them as they turned west on Jefferson, north on Ashland in Detroit and east into the first alley on Ashland.  
The bike thieves went between houses in the alley, abandoned the cycle and tried to escape on foot. Chief Coonce captured the younger boy, and after obtaining his name and address, took the boy home and released him to his mother.  
Later, the mother took her son, and the 15-year-old, who is not living with them, to the station for questioning. Both were released to Youth Service Division officers for further questioning and disposition of the matter.  
The younger bike owner had his two-wheeler returned intact, and the chief went home to his delayed lunch.

### Issues Report Covering Pointe Municipal Courts

Representative William R. Bryant, Jr. (R-Grosse Pointe) reports that the Grosse Pointe municipal courts had a busy year in 1972.  
"They were the least active in civil cases, which is a shame, but handled thousands of traffic tickets and other criminal matters," Representative Bryant reports according to the 1972 report received by the Legislature from the State Supreme Court which oversees all courts in the State.  
"Our courts are weak in providing civil and small claim court services to our residents and are lacking in probation services," says Bryant, an attorney, "but the lack of probation service isn't their fault. That fault

**Auction Draws Collectors to Glancy Mansion**

(Continued from Page 1) bidding was handled in a professional manner. The \$6.50 catalogue, which admitted two persons both days of the sale, functioned much as a baseball scorecard as the bidders faithfully recorded each high bid next to the item's catalogue listing.

**Bravura Bids**  
 A few, particularly bravura bids, created a hush in the crowd, followed by a round of applause, such as the woman who bid \$9,000 for an Oriental Porcelain Figure of a Seated Lohan (ca. 1662-1722) immediately after the opening bid of \$4,000 was announced by the auctioneer. She stopped dead all other competition.

However, after each bid was duly noted in the catalogue, most persons' attention moved on to the next article on the block as the bidding pace was brisk in order to sell the 563 items in the 10-hour auction period. (That figure breaks down to 56 items an hour.)

**Items Varied**  
 Notable items sold last weekend include the Glancy's Stutz Touring Car, \$22,000; a 131-piece Flora Danica collection of Royal Copenhagen porcelain, \$10,500; a J.A. Vermeersch "Dutch Canal Scene," \$11,500; a Walnut and Gild Wood Looking Glass, \$2,000; and the dining room and living room linen-fold paneling and main staircase, \$20,500.

The auction was not as well attended, and the prices not as high, as the last estate auction of a well-known Grosse Pointer, Mrs. Anna Thomson Dodge. At that auction, crowds of curiosity seekers anticipated the high prices the Rose Terrace articles would bring. A prominent collection which did not go on the block was the late civic leader's famous train collection which was given by his

**Woods Okays Fund Transfers**

A recommendation from City Comptroller - Assessor Frederick G. Hornfisher on the certain transfer of funds for the end of the 1972-73 budget year was unanimously approved by The Woods Council. This action was taken at the regular meeting Monday, July 16.

The resolution by Councilman Conrad A. Naegel notes the following:

The sum of \$135,000 in the 1972-73 Unappropriated Surplus account of the General Fund be transferred into the General Fund account as the beginning fund balance of the adopted 1973-74 budget.

That any other excess revenue collected in the General Fund, unencumbered General Fund appropriations, together with excess funds, be transferred into the Municipal Improvement Fund in accordance with provisions of Act. No. 177 of the Michigan Public Acts of 1943.

The sum of \$6,000 be transferred from the Contingency Fund to a Public Safety Department account number due to the increased cost of labor in street patrolling.

And the sum of \$14,693.70 be transferred from the Contingency Fund to the following accounts as these amounts have been approved from payment by the council — three General Fund accounts of \$805.70, \$3,000 and \$9,128, and a Public Works account of \$1,760.

**Shores Feels Gas Shortage**

The recent gasoline shortage, whether fabricated by the fuel merchants or not, has been felt by the Village of Grosse Pointe Shores. In ordering its recent fuel allotment for the public safety scout cars, the village requested 5,500 gallons of gasoline, and were given only 5,000 gallons.

In explaining the cut back, a gasoline official said the firm had agreed to keep all orders to its 1972-73 level in order to ration their gasoline. In the past The Shores ordered 5,000 gallons, but had ordered 500 additional gallons this year in order to compensate for the emission control devices which require more fuel.

In commenting upon the situation at a recent Shores Council meeting, Village Superintendent Thomas K. Jeffers said he did not know if the cut back was a temporary measure or not.

**JC Telethon 'Sales' Along**

Soupy Sales will host the Detroit Jaycees' 24-hour telethon Friday, August 3, on TV-20, according to Pointer Edward S. Piggins, Jr., chairman.

The purpose of the event, which will be held at the Michigan State Fairgrounds August 3-4, is to raise money for the mentally and physically retarded children in the community.

Pointer Charley Manos is scheduled as one of the masters of ceremonies, while comedian Godfrey Cambridge and rock singer Stevie Wonder also will appear.

Kick-off time is 5 p.m. on the 3rd.

# Nab Phony Check Passer After Half-Mile Chase

The manager and an employe of the Sears Store Branch, Mack avenue and Moross, chased a bad check suspect on foot for more than half a mile Thursday, July 19, before apprehending and returning him to the store, where he was released to Farms police.

The suspect was identified as Curtis E. Sanders, 24, of Cloverlawn, Detroit. His actions aroused the suspicion of a woman cashier when he attempted to cash a check in the amount of \$149.40 drawn on the Manufacturers National Bank.

According to information released by Det. Earl Field, Sanders used identification belonging to a James E. Malchow, Jr., of Greenfield, Southfield, which was either found or stolen. The accused man took this identification

to a branch of the Secretary of State's Office, and obtained a temporary driver's permit, using Malchow's full name and address.

Field said Sanders made one big mistake, and that was when he put his thumb print on the back of the permit. In checking the print, the detective said, he was able to positively prove the real identity of Sanders.

The officer said Sanders entered the Sears store and went to the cashier's cage. After endorsing Malchow's name to a payroll check from The Compton Advertising Company of Southfield, dated July 17, he requested that it be cashed.

The cashier, a female employe, informed "Malchow," that because of the large amount of the check, she would have to receive the approval of the manager. The woman took the check, with "Malchow's" temporary permit, which incidentally had Sanders' picture pasted on it, and turned them over to the manager.

He called the Manufacturers Bank for verification, and an official informed him the check was fraudulent.

On sighting the manager coming out of the office, Sanders ran out of the building. The manager and another employe dashed out of the door after the suspect and chased him for more than half a mile before catching him and returning him to the store. In the meantime, Farms police were called, and Field responded.

Field placed Sanders under arrest and after informing him of his rights, took him to the station, where the man was booked and charged.

On Friday, July 20, Field obtained a warrant approved by Assistant Wayne County Prosecutor Caroline Florence, charging Sanders with Uttering and Publishing (forging of legal documents).

Later in the afternoon Sanders was arraigned before Farms Municipal Judge Robert Pytell for a preliminary hearing. The judge set examination date for Wednesday, August 1, and released Sanders on \$10,000 personal bond, over the objections of Field.

When a judge imposes a personal bond, no sureties or cash is involved. The accused merely signs a statement that he will come up with the amount of the bond if he fails to return to court on the date specified.

Conviction on uttering and publishing can mean a term of up to 14 years in prison, it was disclosed.

# Damage Lawns On Lakeland

Two juvenile boys were apprehended by City Police Officer Dennis Van Dale and Corporal Richard Clarke early Monday morning, July 23, for causing lawn damage.

The police received a call from a Lakeland avenue resident at 4:30 a.m. that a car was driving over the lawns in the 800 block of Lakeland.

When the officers responded to the call, they observed a car going south on Lakeland, between Charlevoix and Waterloo, without lights.

When the officers stopped the car, they noticed grass on the rear fender. The driver admitted taking the car without permission. Both the passenger and the driver were Park residents.

The boys were taken to the police station where the driver was issued a citation for driving without a license, driving without lights and leaving the road.

The boys were turned over to their parents and the Youth Service Division was notified. The parents and the boys will be responsible for the damages.

The lawn damage extended from 777 to 849 Lakeland on the odd side of the street and from 802 to 838 Lakeland on the even side. A total of 27 lawns were affected; 789 and 814 Lakeland received the most extensive damage.

**TIP TO MOTORISTS**  
It's more important to get there than to get there quickly on your vacation trip—bear that in mind on the highways.

# Carnival Gains \$500 To Fight MD

**Four Young Sponsors 'Happy' with Event and Estimated Turn-out of 1,000 People**

It was a "happy" Carnival Against Muscular Dystrophy for its four young sponsors as over \$500 was cleared for the fight against MD. The event was held Tuesday, June 17, at The Woods Presbyterian Church parking lot.

An estimated 1,000 people attended the carnival, said Bobby Steiber, 12, who co-sponsored the activity with his brother Michael, 11, John Bissa, 9, and Carl Bengtson, 11. Bobby reported "about 20 donations" from private citizens and businesses to aid their cause. And giving the lads a big "helping hand" was Arthur Kuehnel, who reportedly was in charge of security.

**Look to 1974**  
The youngsters are now looking ahead to next year. Bobby said Carl is scheduling a carnival for 1974, while he, Michael and John will "try to have one."

While the lads were pleased with the turnout and the money, which will be given to the Muscular Dystrophy Associations of America, there were a few electrical problems. "The moon-walk was not as good as last year," Bobby stated, because of an apparent fuse problem.

And a rented cotton candy machine also suffered the same "short" fate. But there were games, soft drinks and a rented snow cone machine to keep everyone entertained and full.

**Strong Effort**  
The lads did all the planning on their own including contacting the church for use of the lot and The Woods Council for permission to hold the event. They expressed their appreciation to Reverend John Olert, Jr., for his assistance and to all the merchants who donated their wares.

Last year, Bobby, Michael and John held a carnival as did Carl, who also sponsored one in 1971. The trio netted some \$150 from their effort, while Carl reportedly gained \$500, (with a moon-walk as a special attraction), in 1972 and around \$150 the previous year.

**BIG DEAL**  
Pop likes to preach economy and then go on a fishing trip while Mom practices it.

# GP Park DPW Employees Okay Three-Year Contract

The 20 employes of The Park Department of Public Works ratified a three-year contract with the city on Wednesday, July 18. It will give them a 60-cent an hour raise spread over the life of the contract. The employes are members of the American Federation of State, County and Municipal Employees, (AFSCME), AFL-CIO.

City Manager Robert A. Slone said the new contract also gives the employes an improved pension plan, a cost of living escalator clause based on the Detroit Index and an extra paid personal holiday. The contract is retroactive to Sunday, July 1.

Under the old contract, DPW personnel were receiving \$4.44 to \$4.68 an hour, depending on the classification of the worker.

**Nix Removal of Dollar Aid**  
A proposal to eliminate the State's Financial Assistance for training police officers was unanimously slammed by The Woods Council at the regular meeting Monday, July 16.

Patterning a similar resolution after the City of Northville, the council urged its legislators to act and defeat the proposal.

The measure notes State law requires all police officers to undergo a specified course of formal training with the State providing financial assistance to the local units of government. It states there's a proposal before the legislature to eliminate such assistance.

Councilman Kenneth W. Boerner said he couldn't understand why the State was attempting to eliminate financial aid, when the State is "so worried about taking over the licensing of bikes."

In this regard, the solons unanimously passed a resolution against the State licensing of bicycles at the regular meeting Monday, June 4. This attacked Senate Bill 191 which has been introduced, providing for such licensing with an annual \$3 fee to be collected by the Secretary of State.

This bill, according to the measure, would prohibit the local licensing of bikes. The resolution said, with the high licensing fee, undue hardship and privation on families with multiple bike users would be imposed.

The city manager said the new contract calls for a 25-cent an hour increase, beginning July 1 of this year through June 30, 1974; a 20-cent raise for the fiscal year July 1, 1974, through June 30, 1975, and 15 cents more starting July 1, 1975, through June 30, 1976. The cost of living hike becomes effective during the second year of the contract.

Another factor ratified by the employes is a new pension plan which will permit a worker to receive full pension on retirement at age 55, provided the employe has 25 or more years of service with the city.

Mr. Slone said the provisions of the contract are well within the Federal guidelines on wage increases of 3.5 percent a year.

Contracts with the Grosse Pointe Park Police Officers Association, (GPPPOA), and the Grosse Pointe Park Firefighters Association (GPPFA), are still being negotiated, since both rank and file members rejected offers made by the city, Mr. Slone said. It is hoped reasonable terms will be worked out through mediation, which the unions have asked for, he stated.

What was offered to the policemen and firefighters is being kept confidential by mutual agreement by all sides until the matter has been settled, added Mr. Slone.

The top salary received by patrolmen, under the old contract, is \$12,660 a year; for firemen, the tops is \$12,346.

**Ouch!**  
If your child is entering school for the first time this fall, bring his or her inoculations up to date.

Make sure that infants and preschoolers get all their inoculations. Epidemics can occur when children are not inoculated against sickness. The bugs are still around.

Adults, be sure to get your diptheria and tetanus boosters every 10 years.

## 'Clarence' Graces Mantles of Thespians

(Continued from Page 1) and Jac Purdon, of Village Lane, who designed the set. Mrs. Jack Petz, of University Place, was honored in the set dressing category for "Company."

Mrs. Walter Maher, of Whittier Road, and Miss Rosemary Nyman, of Meadow Lane, shared honors for properties, the former for "My Fair Lady" and the latter for "Wait Until Dark." Dale Pegg was designated for sound for "My Fair Lady," while Mary Herrinton of Rivard road, and Mrs. Robert Schultheiss won the make-up award for the same production.

The award for costumes was divided between Mrs. Harry Stutt, of Muir road, and Mrs. Arthur Brownell, both for "My Fair Lady," and Michele Karl, for "Company." The lighting award went to James Sawyer for "Wait Until Dark." "Forty Carats" was again represented by Mary Lou Britton, who received a "Clarence" for stage managing the show.

#### Special Awards

Bob Mitchell, of St. Clair avenue, was chosen best choreographer for the dances in "My Fair Lady." Two musical awards were garnered by Louise Rossi for her choral direction and musical direction of "Company."

The award for the best workshop of the year went to Mrs. Diebel and Mrs. Purdon, who co-directed.

Special awards went to Mr. Pegg and William Hoover, of Fleetwood drive, who built the set for "The Secret Ingredient," Grosse Pointe Theatre's entry in the Mort. Furay Festival, held this spring at the Detroit Institute of Arts, and to Mike Evans, who was designated best actor in the festival. Mr. Pegg also received a special award for photographic and cinematographic contributions to the Grosse Pointe Theatre.

The secret ballots for the acting awards were tabulated by the Hon. Matthew C. Patterson, mayor of The Park. Mayor and Mrs. Patterson and John Lake, director of the Grosse Pointe War Memorial, were guests of the evening.

#### Coming Attractions

Following the award presentations, Mr. Diebel, who is president-elect of the group, announced the 1973-74 season.

The musical comedy "A Funny Thing Happened on

the Way to the Forum," by Burt Shevelove and Abe Burrows, will open the season November 8-11, and 13-17. This perennial favorite, with music and lyrics by Stephen Sondheim, will go into rehearsal at the end of summer.

"Private Lives," one of Noel Coward's most delicious comedies, will follow January 17-20 and 22-26. The third selection of the season Robert Anderson's moving drama, "I Never Sang for My Father," is scheduled for March 21-24 and 26-30.

The season will wind up June 6-9 and 11-15 with Meredith Willson's rousing "The Music Man," an all-time favorite.

An extra attraction, not part of the regular season or season ticket schedule, will be "Who's Afraid of Virginia Woolf?," Edward Albee's best known drama. Production dates have not yet been set, but the anticipated scheduling will allow for an August date.

## Workers Back on Job

(Continued from Page 1) received their pay checks, Fluary said.

It was disclosed the workers would be paid, but they would have to wait until the municipal office opened at 8:30 a.m., and the checks were taken out of the safe.

However, by the time the employees received their pay, it was about 9 a.m., and since this put them behind schedule on the day's pick up, they were requested to go home.

#### Back On Job

On Tuesday, July 24, all the employees, including the suspended members, were back on the job. Both city officials and the union president said every effort will be made to bring back rubbish pick up to schedule.

The union's contract with The Farms expired on June 30, Fluary said, and the employees have been working without a contract on a day-to-day agreement. He said the union, on this basis, is bound to work under the contract, just as the city must abide by the same conditions.

Fluary said that the proper procedure to be followed under the contract is that the city must ask the workers with the highest seniority to work overtime, and if this offer is refused, then those with the next highest seniority must be asked.

Another point, the union president said, is that the city cancelled all vacations. But the city can say when and what time an employee can take his vacation.

#### Further Meetings

He said his negotiating team will meet with representatives of The Farms to discuss a new contract. The biggest stumbling block toward an accord, he stressed, is a cost of living clause. The union wants this clause to take effect this year, but the city wants to start the fiscal year beginning July 1, 1974.

Contract negotiations resumed yesterday, July 25, it was revealed. Until an agreement is reached, Fluary said, the union is willing to continue with a State mediator. The city is seeking a two-year contract, instead of for one year, as in the past.

In the meantime, according to the attorney, the DPW employees are still working under the old contract which requires them to work mandatory overtime, if no one volunteers for it.

Fluary said under the contract, when overtime is refused, the city must reprimand the employee, then ask those next in seniority. When all employees turn down overtime, those first approached are asked again, and if they refuse, then the Administration can order a suspension. In all four cases, this was not done by the city.

#### BOAT LARCENY

Mark Kramer, of Lincoln road, reported to City Police on Sunday, July 1, that someone had stolen a tarpaulin from his sailboat. The 18 foot boat was moored in a well at Neff Park. Mr. Kramer had covered it the evening of Saturday, June 30. When he returned early Sunday morning, someone had cut the green tarp and taken it.

## Pointe Doctor Impressed by China Visit

By Holly Angell

Ever since President Nixon's visit to China in February 1972, curiosity about things Chinese have been on the rise. After all, the unknown is always fascinating and China has been cloaked in secrecy for over 25 years.

With the initial opening of the doors, Americans have been quick to visit the country in various capacities, bringing back information and observations that have helped clear up Chinese myths and mysteries.

One such visitor was Dr. William Lange, of Cadieux road, who shared insights into the country on both a professional and personal level.

Dr. Lange, a noted plastic surgeon in Detroit, spent almost a month last May in China as a guest of the Chinese Medical Association. He was one of 10 hand and plastic surgeons from the United States and Canada invited to China and the only one from Michigan. The doctors were the first group of any size to visit the country.

The purpose of the trip was for "exchanging experiences," ostensibly in the field of plastic, reconstruction, hand and replantation surgery. However, the venture in terms of experiences went far beyond the medical.

Dr. Lange, who is a seasoned traveler, described the China trip as one of the best he had ever taken. "I'll never have another trip like it." As far as convenience, he found the food and service to be excellent and more importantly, the Chinese to be outstanding hosts.

The group entered China at Canton, where they were met by the director and a representative from the Chinese Medical Association. The two men, who spoke English, were with the group the entire trip and were able to act as language liaisons. In addition, the group was met in every city by English speaking hosts.

The doctors spent time in Canton, Hangchow, Shanghai and Peking. Scheduled on

their agenda were visits to hospitals, clinics and medical schools. Cultural experiences included trips to museums, the opera, the ballet and the symphony as well as communes, factories, parks, zoos—all manner of things Chinese. They also saw important historical sites such as the Forbidden City, the Ming Tombs and the Great Wall.

Dr. Lange said the Chinese were very receptive to foreigners and want to be friends with Americans. They also want more Americans to visit their country, but since they have been shut off from the world for so long, they are able to handle only a limited number of visitors at present. Applications for visas are multitudinous and come from all over the world.

Dr. Lange found the Chinese to be medically "up to par" with America. Even though they had been out of touch for 25 years, they did not get behind. He noted that hospital libraries contained all the current medical journals, including many from America.

Dr. Lange also witnessed a major operation with acupuncture, and saw elementary school children studying the art of acupuncture by practicing on one another.

Acupuncture has become a controversial subject in the United States as to its use and effectiveness. Dr. Lange said that American doctors may use it just because it's a fad. He felt that it should not be used on certain patients, such as those who are highly emotional. Although acupuncture has been used in China for over 2000 years as treatment, it has only been since 1957 that it has been used for anesthetic purposes. The Chinese are unclear how it works in this respect but are doing research on it. They do have every type of anesthesia used in the United States.

Dr. Lange found China was in many respects like the United States and not as foreign and exotic as many still think. The eastern part contains the majority of the population and industry, the southern part is tropical and the western section is more of an agricultural, wasteland area. But, unlike the United States, China does not have a west coast.

Dr. Lange did find the cities and streets to be extremely clean and the people very conscious of pollution. The Chinese are profiting from our experience with air pollution and decentralizing their industry so that it isn't

concentrated in one area.

Everybody works for the government in China, six days a week. The free days are staggered so that not everyone is off at once.

There is no welfare; if a person is unable to work, he is taken care of by the government. Women are pensioned at 55 and men at 60.

Education is also important in China, and the country is in the process of developing more universities. Professors are paid the highest salaries, about \$100 a month.

No one owns a house; they are all rented from the government. Furthermore, cars are also government property and must be rented along with a driver. Driving is considered a profession.

Major crime is rare in China, stealing non-existent. There are no alcoholics, no illegal use of narcotics, no prostitution and no opium dens. An aura of contentment surrounds the people.

Dr. Lange was unsure what would happen to the country when Mao Tse Tung dies. He said it was obvious that the people had a great deal of respect for him. However, politics were never discussed on his trip.

The Chinese people are living better than they ever have before with plenty of food and clothing. Only two things are rationed, cotton cloth and cooking oil. However, each person receives an ample supply of both.

Yet despite the sense of well-being and plenty that pervades the country, Dr. Lange still feels "privileged to live in the United States." The Chinese are not as free to come and go as we are and life is much more regimented.

Even though China may be still tinged with a bit of the taboo, Dr. Lange was not briefed by the U.S. government before his departure. Furthermore, during free moments of his trip he was allowed to shop, explore and photograph at will.

In order to reciprocate, 10 Chinese doctors have been invited to the United States, with Detroit as one of their scheduled stops. The date is still indefinite but it will undoubtedly be in the next year.

And Dr. Lange wants to return to China. He initially began his trip with a certain amount of uncertainty but concluded it with enthusiasm and praise for the Chinese. It was obvious the exchange of experiences was successful.

## No Progress On Woods Police Pact

### Differing Viewpoints on Meaning of 'Public Safety' Remain the Same After July 20 Session

By Roger A. Waha  
An agreement between The Grosse Pointe Woods Police Officers Association, (GPWPOA), and the city on the organization's 1973-74 fiscal year contract appears some distance away at this time.

Association attorney Michael C. Kovaleski, who attended a bargaining session with the city Friday morning, July 20, said the GPWPOA wanted to negotiate a percentage of a police officer's base pay to clarify what "public safety" is, i.e., negotiate such pay then take a percentage of this total for firefighting duties. He added the city wouldn't negotiate a percentage.

City Administrator Chester E. Petersen stated he had no comment at this time on the July 20 meeting but emphasized, "The city stands ready as always to bargain in good faith whenever the association wants to request a meeting."

**Opposing Views**  
The stumbling block between the 35-member association and the city is their differing viewpoints on the definition of a public safety officer, who handles both police and firefighting duties.

The GPWPOA wants to make it a "separate entity" which is "strictly apart from police and fire," according to association president, Officer Patrick Fagan. The GPWPOA wants a pay scale which reflects the job "separate and above" a police situation.

Officer Fagan had earlier told the NEWS the association contends each officer has two major jobs, police work and firefighting, and wants a salary to reflect this.

On the other hand, Mr. Petersen said last week he respects what the GPWPOA is trying to do but notes an officer can do only one job at one time. "All these duties are specified for a public safety officer. A man knows these duties before he hires in," he said.

**Costly Process**  
After his meeting with the city administration, Mr. Kovaleski stated, "There's nothing we can do but arbitrate." He stressed that arbitration is a "costly, costly, costly" process and estimated it could run between \$5,000 and \$7,000. This amount would be paid by the association and the city, he added. (The GPWPOA filed for binding arbitration on Friday, June 29).

Mr. Kovaleski said the arbitration panel consists of one member picked by the city, one selected by the GPWPOA and another chosen by mutual agreement.

## Winged Visitors Start 'New Life'

"Birds in the chimney" are better than "bats in the belfrey" but that didn't lessen the concern of a Lochmoor boulevard resident, who discovered some feathered guests in her living room Wednesday evening, July 18.

The citizen showed a Shores public safety officer a bird hanging onto the molding just off the ceiling. Then, lo and behold, three baby birds were discovered in the fireplace.

A home is not the best place to hunt for worms so the birds were placed in the bushes outside where they could start a "new life" under the twilight skies.

About two hours later, however, an "oversight" was discovered. One bird was left in the fireplace so it was then released "in the still of the night."

Nedzi Backs Legislation For Police

Co-Sponsors 'Bill of Rights' Which Would Create A Grievance Commission

Congressman Lucien N. Nedzi, (D-Mich.), is co-sponsoring recently-introduced legislation which would provide for a Policeman's Bill of Rights, according to a news release from his office.

The bill would guarantee full Constitutional rights to all law enforcement officers and would create a grievance commission.

"It is ironic," Congressman Nedzi noted, "that in protecting the rights of others, the policeman is often denied those very rights. This bill spells out the policeman's entitlement to equal protection."

Amends Act The Nedzi legislation would require that states applying for Law Enforcement Assistance Administration grants or loans include a Bill of Rights in their proposals. It would amend the Omnibus Crime Control and Safe Streets Act.

Besides the provision for a grievance commission, the bill calls for seven key rights to be guaranteed to law enforcement officers.

Among the key rights called for by the bill are freedom to engage in political activity during off-hours, proportionate representation on any complaint review boards and the opportunity to bring civil suits against persons or organizations for abridging the policeman's civil rights during performance of his duty.

The bill provides detailed guarantees that a policeman would receive full rights while under investigation.

A "Necessity" "Without a doubt, our police must be held accountable for their actions," Congressman Nedzi said, "but too often when charges are made against a policeman he is not given the same opportunities to defend himself that other citizens have. We must see to it that this inequity is stopped."

The grievance commissions provided for in the legislation would be required in every state and unit of general local government. Any law enforcement officer would be able to submit a claim of infringement of rights to this group, which would be composed of government officials, representatives from law enforcement agencies and members of the public.

"It is unfortunate," the congressman added, "that we must pass a bill to guarantee the most basic of rights to the guardians of those rights. But it has become a necessity."

Park Robbery

(Continued from Page 1) of the incident, are requested to call Park authorities. The names and information from any source will be kept strictly confidential, Lt. Duncan said. He explained perhaps these persons might give vital information that could lead to the apprehension of the bandit.

The Detroit Office of the Federal Bureau of Investigation has been notified of the hold-up, the lieutenant added.

Friends Are A Nice Thing To Have...

YSD Report

(Continued from Page 1)

There were seven cases, all of which involved boys and which were primarily incidents of rock throwing.

Runaways accounted for five cases, involving four males and two females, all of whom were returned.

Thirteen applications for petition were filed with the Wayne County Juvenile Court. These involved 10 males and three females. Seven were for larceny, three for violation of the Controlled Substance Act, two for possession of stolen property and one for prowling.

Of the applications filed, three have been referred to the court's probation department. No court action has been taken on the other 10 cases to date.

'FIO's' Rise

The YSD notes it routinely receives copies of cases from Pointe police departments designated "For Information Only." It has been noted these "Information Only" referrals have increased to a marked degree during 1973—from a total of 64 through June 1972 to a total of 94 through June 1973.

Categories of these cases and incident rates seem to parallel the reported experience of cases handled by the YSD. As these cases reflect a growing part of juvenile law enforcement and both under and over 17 drug abuse, a six months resume will be given in the YSD's July 1973 report.

The breakdown of total cases for last month shows larceny/theft, (except autos), 16; violation of the Controlled Substance Act, nine; vandalism, (malicious destruction of property), seven; other criminal contacts, six; burglary, stolen property and runaways, five each.

Continuing, other assaults, four; sex offenses, three; suspicious persons and robbery, two apiece, and weapons law violation, offenses against family and violation of liquor laws, one each.

A comparative Pointe-by-Pointe breakdown through June 1973 as against June 1972 shows the following actual total known offenses: The City, 20 through June 1973, 21 through June 1972; The Farms, 34 as against 45; The Park, 91 compared to 81; The Shores, 16 as against nine, and The Woods, 144 over 143.

We've got the ideas to make banking better.

## Urges Keeping This Woods Hearing Story Contains A Simple Moral Meat Standards

Congressman Lucien N. Nedzi, (D-Mich.), labeled recent court interpretations "backwards logic" during testimony last week urging support of his bill that would allow Michigan's high meat standards to stay in effect, according to a news release from his office.

His statement came before the Subcommittee on Livestock and Grains of the House Agriculture Committee, which held hearings on legislation which would permit state regulations to supersede federal ones in those states with higher standards.

In October, the 6th U. S. Circuit Court of Appeals, Cincinnati, O., ruled that states could not enforce standards more stringent than the federal ones. The U. S. Supreme Court refused to hear an appeal.

"States which have given the consumer extra support are being forced to embrace the lowest common denominator," Congressman Nedzi noted. "The more sensible approach, I think, is to let the federal regulations serve as a floor, with states free to go further."

He also expressed disappointment that the U. S. Department of Agriculture had made proposals in December to tighten hot dog and sausage regulations only to retract them three months later. Instead, the Department has submitted new regulations on labeling.

The congressman then cited a study by the State Department of Agriculture to refute charges that more stringent standards mean higher prices for the hard-pressed consumer. The survey of prices in five Midwestern states found that hot dogs meeting Michigan standards averaged two cents a pound cheaper than those containing various animal by-products.

Michigan's regulations, enacted in 1952, do not permit the inclusion of snouts, lips, udders, hearts, bladders and other by-products.

"It has been a frustrating experience," Congressman Nedzi said, "for those of us who think the Michigan standards have served us well for 21 years . . . I am convinced that our only recourse at this time is to enact the legislation now under consideration."

By Roger A. Waha  
When George A. Costakis, of Fair court, attended The Woods Council's regular meeting Monday, July 16, he wanted a date set for a Board of Appeals hearing. For he wished to appeal the denial of a building permit for the permanent enclosure of an existing porch on his property. It was denied based upon rear yard requirements under a section of Zoning Ordinance No. 88.

However, after a brief discussion between the council

and Mr. Costakis, it was discovered a hearing date wasn't even needed. Rather, to the solons' surprise, the hearing could immediately be conducted because Mr. Costakis did his "homework."  
He supplied the council with consent petitions of all property owners within a 300-foot radius of his property. With this, the necessity of a Board of Appeals hearing was eliminated, said City Attorney George Catlin, who advised the council it could act as the appeals board

straight away.  
Then it was only a matter of a few ticks of the clock before the request was approved: the council recessed as the Board of Appeals, unanimously said "yes" to Councilman Benjamin W. Pinkos' motion, (to approve the variance in view of the consent petition which nullified the requirements for a public hearing), and then swiftly reconvened as the council again.

Mr. Costakis' petition,

signed by 23 residents, specified that the undersigned (not object to the porch closure, and that they had been made aware the structure "would be in violation of the rear-yard requirements of the zoning ordinance." Mr. Costakis wanted the enclosure for additional living space.  
The moral of this story simple. If you thoroughly prepare your case, you, too, can arrive for a hearing and leave with a hearing

### Officer Washes Away Problem

Farms Det. Earl Field literally and figuratively washed his hands of an irritating problem on Monday, July 10. It was because of his Boy Scout training when he was a young lad.

The situation took place in the Farms station when a resident brought in a plant for identification, on suspicion that it might be marijuana. The resident said that several of the plants were growing in his back yard, and after looking them over, wanted some expert advice.

### City Parking Bonds Okayed

Attorney General Frank J. Kelley, chairman of the Municipal Finance Commission, announced on Tuesday, July 17, the commission approved \$975,000 of Automobile Parking System Improvement and Refunding Revenue Bonds for The City.

"The proceeds will be used to pay the cost of acquiring and constructing improvements to the Automobile Parking System of the City of Grosse Pointe," Mr. Kelly said, "and of refunding all \$160,000 outstanding bonds on October 1, 1973, at 101 bearing the date of April 1, 1955."

The bonds are payable from statutory first lien on the net revenues of the system.

Other members of the Municipal Finance Commission are Allison Green, State Treasurer, and John W. Porter, Superintendent of Public Instruction.

The following fees are to be paid from the bond proceeds bond attorney, \$3,187.50; local attorney, \$3,000.00, (deferred), and financial consultant, \$2,950.00.

The resident brought in several leaves in a dark plastic wrapper and Field took them out to examine them.

The detective said that the leaves looked familiar to him from his days in Scouting, but he could not recall what they were. Then a thought struck the officer.

While examining the plant, Field asked the man if the plant had little purple and yellow flowers on it, and when the answer was affirmative, Field dropped the leaves and made a dash to the nearest sink and began to scrub his hands vigorously with soap and water several times, and it appeared to be just in time.

After drying his hands, Field told the resident that he could go home and not to worry that the plants in his yard were marijuana—just poison sumac.

**Detroit Jaycees Sponsor Circus**

The Detroit Jaycees will sponsor a children's circus to be held on Trumbull at La Brosse near Tiger Stadium, Monday, July 30, through Wednesday, August 1.

This is the third year in which the circus has been held. The site was selected in order to provide area youngsters and their parents with plenty of fresh air and open space. Several acres of grassy area will be provided for the children and ample parking space for their parents.

The circus is the Big John Strong 1869 Circus. It is a children's circus featuring acts with small animals, clowns, trapeze artists and jugglers. The circus is presented especially for children as only one ring is used with the youngsters seated in close proximity so they may feel a real part of the entertainment.

Performances will be held at 6 p.m. Monday, 4 and 6 p.m. Tuesday and Wednesday.

For additional information, contact Tom Nash at 225-2107 or Gary Gabel 531-1900.

**Shores Merges 2 Committees**

At the last meeting of the Village of Grosse Pointe Shores, the trustees voted to merge the Harbor and Boatwell Committee with the Parks and Recreation Committee.

In explaining the move, Village Superintendent Thomas K. Jefferis said the old Harbor Committee was created in 1967 when The Shores built its new marina at a cost of \$290,000. In order to oversee the construction and eventual leasing of the new boat wells, a committee was formed. Named to head the committee was the late Shores Trustee Alfred R. Giancy, Jr. Trustee Daniel R. Beck and Shores resident A. G. Sherman, Jr., also served on the committee.

The new committee, called the Park and Harbor Committee, certainly a logical name, will be headed by Mr. Beck. Trustee Carl Hedeon, Trustee Robert C. Palmer and Donald Haigh will complete the committee.

The marina is in the midst of a very successful summer as almost all of the boat wells are rented. Although the recent high water situation resulted in the loss of electrical power to boat owners as the electrical plugs were submerged, the docks themselves sustained little damage.

Some of the dock boxes which were washed into the harbor have been recovered.

In discussing the general operation of the George Osus Park, Mr. Beck stressed the park policy of requiring each resident to show his park pass upon entering the grounds.

"We have a few people who refuse to obey the park rules. And we aren't dealing with youngsters, but adults," Mr. Beck commented.

It was the consensus of the council to send letters to the few residents who proved uncooperative over the park permit policy, in hopes they would understand the necessity of the security measure.

**Name Seniors to Honor Roll**

Jerry J. Gerich, Principal of South High, announced the complete honor roll for the school's twelfth graders.

They include Gary Altman, Richard Anzinger, Carolyn Arvai, Martha Ash, Charlene Austerberry, Randolph Barker, Paula Bartoszewicz, Robert Batten, Drew Beebe, Sally Bersback Patricia Betanzos, Roselyn Bezaire, James Bird, Anne Blenman, Jeffrey Blevins, Donna Lee Bliss Helen Boley, Deborah Bowerman, Cynthia Braden, Laurie Brey, Donald Briggs, Barbara Brownell, Lee Bryant, Chris Burnett, Jane Burnham, Pamela Cain, Susan Carollo, Denise Carty, Laurel Chabot, Muzette Charles, Mary Cole, Margaret Mary Collins, Celesti Connolly, Anna Costopoulos and Kathryn Coulter.

Others are Melissa Coury, James Cracchiolo, Geri Crane, Thomas Crowley, Martha Dasef, Regina Davis, Stephen Defaw Cheryl Devuyt, John Dhondt, Robert Diehl, Peter Dodge, David Dowdall, Constance Drake, Deborah Duemling, Christine Duncan, Denise Dupuis, Marian Dwaiby, Donna Dziuba, Michael Edwards, Stephen Eliason, Theresa Emerson, Marsena Farris, Janet Ferry, John Fife, Jacob Filion, Thomas Finan, Douglas Florance, Joanne Foreman, Carol Francis, Jennifer French, Mary Fry, Donna Gares, David Graham, Charlene Grant, Mary Grylls, William Hayter, Vanessa Helin, Suzanne Henke, Michael Hennessy, Marianne Henrichs and Constance Hintzen.

**E. G. Reynolds Set to Retire**

Ellsworth G. Reynolds, of South Oxford road, Senior Vice President for Administration and Secretary of Michigan Consolidated Gas Company, announced plans to retire from the company and engage in the private practice of law.

Reynolds, who began with the company in August, 1948 as a Legal and Administrative Assistant, said he found his job challenging and rewarding.

"But, like many others," he said, "I have frequently thought of devoting some of my productive years to other pursuits — the private practice of law, and perhaps the teaching of young law students."

"Often, those who wait until the mandatory retirement age find themselves deprived of those other options."

Reynolds' post-retirement plans are necessarily tentative because he has agreed to take an assignment with the American Natural Gas Service Company, an affiliate of Michigan Consolidated.

Arthur R. Seder, Jr., president of the Service Company, has asked Mr. Reynolds to serve as senior vice-president of that company to study system organizational matters.

"Mr. Reynolds is an accomplished administrator," Mr. Seder said, "and he has agreed to continue with the System and advise us in the organization of the many new activities confronting the Company during this period of increasing energy needs. Happily, he has agreed to remain in this new capacity for at least the balance of this year."

Reynolds received his law degree from the Detroit College of Law in 1942 and is now a vice president of that college. He is also vice-chairman of New Detroit's Health Committee, Vice-Chairman of the Michigan Hospital Service and a member of the Michigan State Health Facilities Commission.

**St. John Has New Trustee**

The appointment of James H. Dingeman to the Board of Trustees of Saint John Hospital was recently announced by Board Chairman Hugh C. Daly.

Mr. Dingeman is vice-president-administration and secretary of Park-Davis and Company. He is also a director of the company and vice-president of Warner-Lambert, the parent organization of Parke-Davis.

He is active in many civic, community and professional organizations. These include the American, Michigan and Detroit Bar Associations, the Greater Detroit Area Chamber of Commerce, National Association of Manufacturers, the Executive Board of the Detroit Area Council of Boy Scouts of America and the Saint John Hospital Guild.

He has been a councilman for The Farms for the past seven years and mayor pro-tem since 1970.

A native Detroit, Mr. Dingeman was graduated from the University of Detroit High School and received both his undergraduate and J.D. degrees from the University of Detroit.

He and his wife, Ann, who live in Radnor circle, have four children and 11 grandchildren.

**Woods Selects Reps for Parley**

The Woods Council unanimously designated Mayor Pro Tem Marvin R. Boutin as the city's official representative at the annual business meeting of the Michigan Municipal League during its "Diamond Jubilee" 75th annual convention.

At the same time, the solons designated Councilman Benjamin W. Pinkos as the city's alternate official "rep." This action was taken at the regular meeting Monday, July 16.

The convention will be held in Grand Rapids Tuesday-Friday, September 4-7.

**APPOINTED TO BOARD**  
Tom Killefer, of Provincial road, and E. Paul Casey, of Rathbone place, have been appointed to Henry Ford Hospital's Board of Trustees. Mr. Killefer is vice-president, finance and general counsel, Chrysler Corporation. He is also on the Board of Directors of the Detroit branch of the Federal Reserve Bank, the Detroit Symphony and the United Foundation. Mr. Casey is the president of McCord Corporation. He is also a director of the Manufacturers National Bank of Detroit.

**temporarily topsy-turvy**

frankly, we're a bit upside-down and downside-up... but all the hubbub is for the best possible reason... we're in the process of expanding! We've had to shuffle around and scrunch together certain departments... so, if you know something should be right there... and it isn't... just ask one of our courteous salespeople to direct you. Things may be somewhat bothered and bewildered... but we're soon to be bigger and better!

Designed ADDITIONS  
REMODELING  
777-6840 SINCE 1944

New local building codes require that your property be updated prior to selling or re-renting. Enjoy this improvement while you are living in your home.

**UPDATE YOUR BATHROOM, KITCHEN, PLUMBING and ELECTRIC**

This will be required before selling or re-renting. Yearly costs for your auto including depreciation are set at \$1,500.00. If you invest half of this in your home per year it will be well maintained protecting your home investments. Make the improvements now that you may enjoy them and a new owner will appreciate a well maintained home.

**WSU Medical Alumni Elect Pointers to Boards**

Two Pointe doctors were elected to the Board of Trustees and a third was elected to the Board of Governors of the Wayne State University School of Medicine Alumni Association, it was disclosed on Tuesday, July 17.

Elected Trustees were Dr. James J. Horvath, of 776 Berkshire road, and Dr. Frank B. Walker, of 1206 Balfour road. On the Board of Governors is Dr. Andrew E. Stefani, of 471 Oxford road.

A member of the WSU School of Medicine clinical faculty since 1957 and past president of the Alumni Association, Dr. Horvath is a clinical associate professor of orthopedic surgery. He has been in private orthopedic practice since 1953. Dr. Horvath, who received both his bachelor's and medical degrees from WSU, is on the staffs of several hospitals. He is president of the medical staff at Rehabilitation Institute and a past chief of orthopedic surgery and chief of orthopedic outpatient service at Harper Hospital. He also is on the staff of Children's Hospital, Detroit General Hospital, Jennings Memorial and Holy Cross Hospitals.

**Shores Trustees Buy A Tractor**

At the last meeting of the Shores Council, the trustees approved the purchase of a new tractor with a bucket loader for \$3,706.34, the low bid submitted by East Detroit Tractor. Utica Tractor also submitted a bid.

At the time, the village owned two general purpose tractors and one specialized tractor for street work. The two tractors were purchased in 1957 and in 1960, the newer one included a bucket loader. On the recommendation of Village Superintendent Thomas K. Jeffers, both old tractors were traded in with the new purchase.

In another action, the trustees approved the purchase of a new scout car for the public safety department. The village received only one bid, from Roy O'Brien for \$2,444, of the five sent out. The trustees accepted the bid for the standard - equipped Ford which includes air conditioning, a regular feature on all police scout cars.

**Detroit Council Cites Austin**

Austin Prep's Forensic Team recently received a Testimonial Resolution from the Detroit Common Council.

The team was honored "for winning the State Multiple Reading Championship and for maintaining high standards of scholastic achievement and community participation." The director of Austin's Forensic Program, Thomas E. Bailey, received the award.

Coach of the winning team is John Joseph, Jr., of Fleetwood road, a former Austin English teacher. Members of the team include Thomas Vaughn, of Deepland court, Michael Ryan, of East William, Robert Burchett, Jr., of Pear Tree lane, James Bidigare, of Edmonton drive, Daniel Spatafora, of Detroit, and Duane Jelley, of Rosville.

The winning selection was entitled, "Lord of The Flies," and was one of several entries made in the National Catholic Forensic League and the Michigan High School Forensic League. Austin's Forensic Team received 35 awards in the past school year.

"I do regret that I spent too much of my life trying to find what I called 'truth,' trying to find what I called sense. I never knew what I meant by truth, never made the sense I hoped for. All I mean is that I left too much of me unfinished because I wasted too much time. However..." Lillian Hellman

**Four GP Teams Survive Opening District Six Play**

Four of six Grosse Pointe teams have survived opening play in the District Six Little League tournament, which began Saturday, July 21, at the Hamtramck Memorial Stadium.

In action through Sunday, July 22, the G. P. Woods Americans, G. P. Woods Nationals, G. P. Park Nationals and G. P. City escaped elimination in play for 11- and 12-year-old youths. The tourney ends Saturday, July 28, with the finals.

The Woods Nationals, behind Scott Engel's no-hit and 14 strikeout performance, defeated the L'Anse Creuse Internationals, 2-0. The Woods Americans tipped the Hamtramck Americans, 1-0, behind Bruce Stafford's 12 strikeout effort. John Long doubled, went to third on an error and scored the lone run on Mark Ciaravino's squeeze bunt.

"Misery loves company" and undoubtedly both Selfridge Field and the Clintondale Nationals were miserable as each dropped 9-1 decisions to the Park Americans and Park Nationals, respectively.

Dean Kymmer, with three hits and four RBI's, helped Brad Wilson to the victory in the Park Americans' win. Wilson, by the way, whiffed 10 batters. Meanwhile, Chris Ellis struck out 12 opponents in the Park Nationals' victory.

In a Pointe "family affair," The City dumped The Farms, 6-3, on Sunday, July 22. Tom Timrowski led the winners with a two-for-two effort, including a homer. Henry Peabody was the winning pitcher.

The Woods Americans won a 3-2 squeaker over L'Anse Creuse North in second round play, giving Kevin McMahon the win. The Park Nationals eliminated the Park Americans, 17-5, as Mike Tharemos went four-for-five, including a round tripper.

Finally, The Woods Nationals edged the Clinton Valley Americans, 8-7.

**Babe Ruth Sox Win AL Crown**

The Burger Chef White Sox, picking up two straight playoff wins, emerged as the second half American League champion in Babe Ruth action, (Park City, Farms).

Dan Couvreur held the Kollar Enterprises Yankees in check by pitching a five-hitter in leading the White Sox to a 5-3 decision Saturday, July 7. The Sox hitting attack was sparked by Bob Montgomery, Art Behm and Darrell Graham. Pat Mallon had two hits for the Yankees.

The next day featured a see-saw battle between the White Sox and the Metropolitan Club Indians. In the bottom of the last inning, with the Indians leading 7-6, Graham got on base for the Sox and immediately proceeded to steal second. Tony Senagore, getting his fourth hit of the game, singled driving in Graham with the tying run.

Ex-Indian Steve Nitzsche then delivered a game winning triple to make the final score, 8-7. John Knipp was the winning pitcher.

**Telegadas Big Burch Hitter**

The Burch softball team, featuring the club's leading hitter Evans Telegadas of The Farms, will tangle with Columbus, O., in a major fastpitch doubleheader Saturday, July 28.

Game time is 7:30 p.m. at Memorial Park, East Detroit, (East 10 Mile road at Fowler). Telegadas, who is hitting .364, was selected an All-American in 1971.

Burch's record to date is 35-5, while Columbus has compiled a 400-74 mark over the past six years.

Confidence is the main-spring that makes any man tick.

**WE TAKE TRADES**

**Police Finish Season at 4-6**

The Pointe police softball team dropped its final game of the season to a tough FBI squad, 6-5, Sunday, July 22. The FBI scored a run in the bottom of the seventh inning to make the Pointers 4-6 in Macomb-Oakland Softball League action.

While this year has been disappointing in comparison to last season's 10-1 mark, (when GP won its second straight divisional championship), the two-game elimination playoffs will provide GP with a new lease on life. Action begins Sunday, July 29, at the L. W. Baumgartner Field, 15 Mile road near Schoenherr.

The Pointers are scheduled to open at 9 a.m. and could possibly complete two games before the sun sets.

And, who knows, while it was a cold regular season, it could very well be a hot playoffs for GP.

**GPW Stars Win District Crown**

The Grosse Pointe Woods Automotive League 13-year-old Babe Ruth All-Stars won the District Two championship by nipping Grosse Pointe Park National, 3-2, on Sunday, July 15.

With two men on base and one out in the bottom of the eighth inning, Mark Pastorla scored the winning run on a wild pitch. Winning pitcher Nick Manzella went all the way and fanned nine. This was Manzella's second tourney victory.

To qualify for the finals, The Woods had previously defeated Grosse Pointe Farms American, 15-1, and Harper Woods American, 10-0, according to coach Rick Zaranek.

Now, The Woods is qualified to advance to the State tourney in Midland, Mich., this weekend.

**COMBINATION**  
 Most progress comes through confidence created by aggressive methods, and the ability to get things done.

**Welch Receives Rowing Letter**

Senior Paul Welch of The Park was one of 11 members of Wayne State University's rowing crew to receive a varsity letter.

Welch helped the squad win six of nine dual meet races and aided their repeat as Michigan Collegiate Championship titlists.

**Take Me Out to The,  
Uh, Softball Game**

By Roger A. Waha

What you are about to read, if you can get through it, may be the most unusual softball game story ever printed in the NEWS. It was a game played between Woods and Shores public safety officers Wednesday, July 18, on the former's home ground, Ghesquire Park.

This story's unusual, or better yet, unique quality, stems from the fact only two truths are really known — The Woods won the game, and lost one of its players for the season. Anything else you read must only be considered in light of the sources, (which, in this case, isn't much help).

The first truth is The Woods won the game—18-17 according to Shores Sergeant Donald Jacob, who led his team to defeat, or 19-15 according to Woods Officer Bruce Marone, who was hit in the head by a thrown ball while running to first base.

**Painful Truth**

Now, the second truth is a painful one to say the least. Woods Sergeant Thomas Kane ran valiantly around the bases to climax a home run dash, continued to the backstop in celebration of his accomplishment, climbed upwards, lost his balance, fell downwards and broke

his right heel. He was transported to St. John Hospital where X-rays revealed the injury.

And to make matters worse for both teams, ice from a beverage container was used on the sergeant's foot. So due to the incident, all players had to suffice themselves with warm refreshments, each suffering in his own way . . .

A touch of gloom enveloped The Shores station Thursday morning, July 19, when Sergeant Jacob released the unofficial final score. Despite the fact he was the losing pitcher, (he gave up 15 runs in seven innings, including nine in the first), the sergeant talked freely about the result, (for even this crushing blow failed to dent his jovial outlook).

**"Total Team Loss"**

"It was a quiet type of game without too much cheating on either side," he said, despite the fact that the back of his uniform epitomized The Shores motto, "Cheater, always beat." "We used their scorekeeper and that's why they won," he confessed.

During the course of the discussion with Sergeant Jacob, Officer John Trevisan, who smacked two ground rule doubles that jumped the fence, passed through and not without a pinch of sulkiness, mumbled something about "a total team loss."

Sergeant Jacob clarified his disastrous outing by stressing his "fantastic support," and admitting he started the game "cold." When asked if he was warmed up after the nine-run first frame, the sergeant admitted by that time, he was.

Officer John Frasad was an apparent standout for his team by blasting a homer, making a number of spectacular catches and striking out.

Before leaving The Shores station, Sergeant Jacob cautioned this reporter not to believe anything said about the game at The Woods. With that precious piece of information, "yours truly" returned to the muggy morning air, ever expectant, but in a moderate state of Confucius, er, confusion.

**Authenticity?**

At The Woods, the taste of victory, the triumph of "Marone's Marauders" over "Jacob's Raiders," couldn't have been more palatable. "We haven't lost a game to them yet," said Officer Marone, who has totted for eight years in these inter-department contests.

The officer brushed aside Sergeant Jacob's allegedly authentic statement that, in some 15 years of play, the Shores has won all but two games. Of course, his statement of an unblemished Woods record didn't have a halo around it, either.

Officer Marone shared the following highlights: 1. "Star pitcher," Woods Officer William Duster struck out Officer Frasad, (this tidbit had been heard before — potential truth #3); 2. Winning pitcher Duster lost both rubber shoes on his way to first; 3. Sergeant Kane, Officers Thomas Hunke and Marone hit "clean" home runs, and 4. Sergeant Bernard Kelly, Officer Patrick McMath and Donald Schmaltz of the Youth Service Division joined The Shores squad because, after all, their public safety department isn't as big as their colleagues.

The officer reemphasized The Woods' perfect record on a number of occasions, and Detective Theodore Hinz at one point interjected, "There's no way you could lose to them."

And Building Inspector Earl Wakely, during a discussion of Sergeant Kane's injury, said, "We should have told Kane, 'Cheater, watch your feet.'"

Ah, yes, it's "Take Me Out to The, Uh, Softball Game" . . .

**GPSA Has A  
Busy Schedule**

With the addition of two Wednesday night games the Grosse Pointe Softball Association, (GPSA), had a heavy schedule of games last week.

On Wednesday, July 18, the East Warren Binjers did the Marauders a favor by knocking off first place Keg-A-Brew, 6-3. Bruce Bendure belted a grand slam home run, while Jim Humes continued his solid hitting with his second home run of the year. In other action, Carissimi "shorted out" Kassler Electric, 18-4.

The East Warren Binjers came up with its second win of the week, defeating Kassler Electric, 10-2, Saturday, July 21. The Athletics dropped two, 7-0 to Carissimi and 8-1 to Schaivi's, while Fontana Brothers won one and lost one — a 1-0 defeat to Art Van, plus a 13-10 loss to the Marauders who overcame a eight-run deficit.

On Sunday, July 22, the East Warren Binjers were surprised by the Athletics, 11-3. In the week's last contest, Ron Gardner went three-for-four in vain as the Marauders got slaughtered by Carissimi, 19-7.

**Name Pointers  
AAA Directors**

Two residents of The Shores have been elected board directors to the Automobile Club of Michigan to represent the club's 1.14 million members. Hans Gehrke, Jr., of North Deeplands road, and Robert J. Vlassic, of South Deeplands road, were elected to fill positions created by retirements.

Mr. Gehrke is a board member of First Federal Savings and Loan Association of Detroit. He has been with the company since 1937. Mr. Gehrke also is a director of Detroit Renaissance.

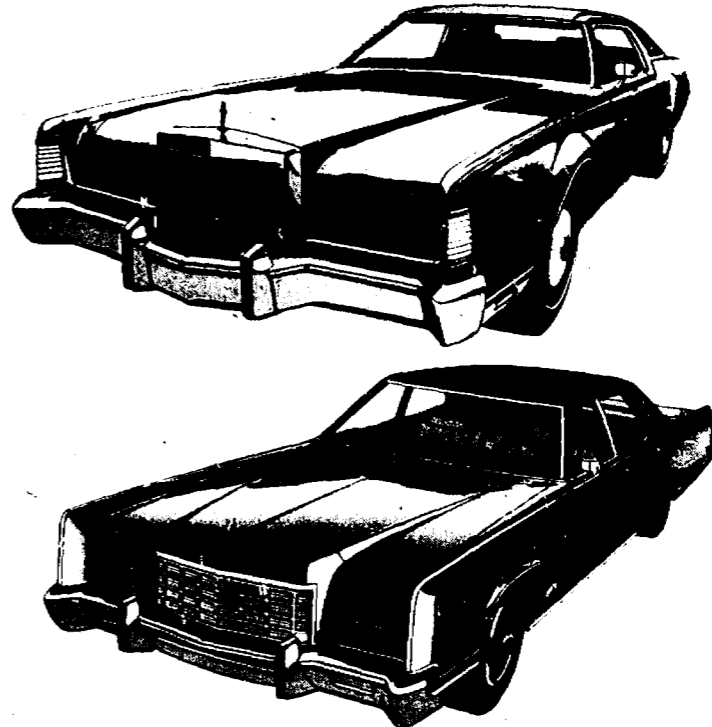

Mr. Vlassic is the chief executive officer of Vlassic Foods, Inc., the nation's largest processor and marketer of pickles, peppers and relishes. He is a member of the Detroit Athletic Club, the Country Club of Detroit and the Lochmoor Club.

**Pointers Attend Music Clinic**

Twelve Pointe area residents along with about 140 students from all over Michigan participated in the first session of Michigan State University's Summer Youth Music Festival in East Lansing.

Participants in the festival received instruction in vocal music, instrumental music, piano, organ and music theory from members of the MSU faculty. The students, faculty and various guest conductors offered musical performances to the public free of charge. The first session ended with a three-fold concert Saturday July 7.

Area participants were Helen Boley, of Nottingham road; Anabeth Ernberger, of Pemberton road; Deborah Murray, of Yorkshire road; Barbara Brownell, of Berkshire road; Crisly Curtiss, of Sunningdale road, and Diane Juratovac, of Raymond road.

Others participating included Wendy Lu Judson, of Wedgewood road; David Reed, of Stanhope avenue; Leslie Nelson, of Stanhope avenue; Janet Evanski, of Newcastle road; Sally Gross, of Ridgemoor road, and Jill Harvey, of Mt. Vernon road.

**Obituaries**

**MRS. ELIZABETH C. HOLLEY**  
Funeral services for Mrs. Holley, 91, of Provencal road, were held Monday, July 23, at the William R. Hamilton Company and the Barbour Chapel of the Grosse Pointe Memorial Church. She died Friday, July 20, at her residence after a long illness.

She was a member of the Country Club of Detroit, the Grosse Pointe Club and the Detroit Club.

Mrs. Holley was the wife of the late Earl Holley, co-founder of Holley Carburetors. She is survived by two sons; Danforth and Earl Jr. and six grandchildren.

Interment was in Woodlawn Cemetery.

**LOUIS N. RIEHL**  
Funeral services for Mr. Louis N. Riehl, 70, of Aline drive, were held Thursday, July 19, at St. Joan of Arc Church. He died Monday, July 16, in Bon Secours Hospital after a brief illness.

Mr. Riehl lived in The Woods for 20 years. He was a sales supervisor for James Barclay and Co., which is a subsidiary of Hiram Walker. He was a member of the Detroit Curling Club, the Detroit Century Club, Lodge 34 B.P.O.E. and the Gabriel Richard Council #2463 K. of C.

Mr. Riehl is survived by his wife, Leona, and a sister, Hildegarde Gilmore.

Interment was in Mt. Olivet Cemetery.

**WILLIAM J. YOUNG III**  
Funeral services for Mr. Young, 20, of Fair Acres drive, were held Monday, July 23, at the Verheyden Funeral Home. He died suddenly Saturday, July 21.

Born in Chicago, Mr. Young was the son of Mr. and Mrs. William J. Young Jr. He is survived by his wife, Kathleen; one daughter, Jennifer Marie; one sister, Christina, and two aunts, Mrs. E. Y. LeGro and Mrs. Charles Reese of Towson, Md.

Memorials may be made to the Metropolitan Boys Club of Detroit.

Interment was in Elmwood Cemetery.

**MRS. JEAN ADAMS ROBB**  
Funeral services for Mrs. Robb, 54, of Neff road, were held Tuesday, July 24, at the Verheyden Funeral Home. She died Saturday, July 21, in Bon Secours Hospital.

Mrs. Robb was a real estate agent for Champion Real Estate in Grosse Pointe.

Born in Detroit, she is survived by her mother, Mrs. Wilber E. Adams; two sons, Bruce and David; one daughter, Denise, and one brother, Dr. Charles W. Adams.

Interment was in Woodlawn Cemetery.

**FRANK FIORELLO**  
Funeral services for Mr. Fiorello, 86, of Hollywood avenue, were held Saturday, July 21, at the Verheyden Funeral Home. He died Thursday, July 19, in Jennings Hospital.

Born in Italy, Mr. Fiorello is survived by three daughters, Mrs. Florence Sokolov, Mrs. Eleanor Leyden, and Geraldine, and one son, Albert F.

Interment was in Woodlawn Cemetery.

**MRS. FLORENCE E. DRAKE**  
Funeral services for Mrs. Drake, 47, of St. Clair avenue, were held Tuesday, July 24, at the Verheyden Funeral Home. She died Sunday, July 22, in Harper Hospital.

Born in New York, Mrs. Drake was the wife of the late John W. She is survived by one daughter, Candace, and one sister, Mrs. Deborah Frantz.

Interment was in White Chapel Cemetery.

**EUGENIA M. MORRISON**  
Funeral services for Mrs. Morrison, 59, of Hampton road, were held on Monday morning, July 23, in the A. H. Peters Funeral Home and St. Joan of Arc Church. She died on Thursday, July 19, in St. John Hospital.

She is survived by her husband, Herman L.; two sons, James M. and William E.; a brother and two sisters.

Memorial contributions may be made to the Grosse Pointe War Memorial.

Interment was in Mount Olivet Cemetery.

**City Considers Agreements**

At the Monday, July 16 meeting of the Grosse Pointe City Council, the solons approved a consideration of amendatory agreement between The City and Jacobson Stores Realty Company for leasing and operating The City's parking areas behind Kresge's and Himelhoch's.

The amendments would extend the term of the leases to July 1, 1994, with all other conditions remaining the same.

Approval also was given to the consideration of an agreement between The City and Jacobson's to provide for the leasing and operating of the parking area at the rear of the former VFW property. The lease would also run to July 1, 1994, with an annual rental of \$4,500.

In addition, the council approved a consideration of option to purchase land parcels from Jacobson's. These included the former 630 Notre Dame road and the former 607 St. Clair avenue.

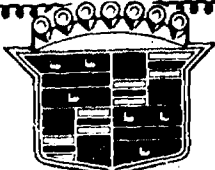

The land is adjacent to The City parking area behind Jacobson's and would facilitate construction of the parking structure in this area, including the provision of side yards.

The cost of the land parcels, if the option to purchase was exercised, would be about \$65,000 and would be paid for by the parking revenue.

Approval was given to a recommendation from Mayor John King that William Bavinger, of Lakeland avenue, be reappointed as Citizen Member of the Board of Trustees of the Employees' Retirement System. His three year term will end August 1, 1976.

Mayor King was appointed a delegate to the Michigan Municipal League's annual meeting at Grand Rapids from September 5-7. City Manager Thomas Kressbach and City Finance Director Dennis Foran were appointed as alternate delegates.

**Pointer Wins In Road Race**

Pointer Bob Hays was "number one" in the 40-and-over six-mile run during the Macomb Track Club Road Race Tuesday, July 17, in St. Clair Shores. His winning time was 42:27.

Jim Fisher of The Woods came in third in the junior, (17 and under), four-mile race. His time was 22:42. Dale Boyd of Warren finished first at 22:01, while Tim Cummins of Detroit came in second at 22:09.

The top five finishers in each division, which also included the senior, (18 and over), six-mile run and the 30-and-over six-mile run, received medals.

395 FISHER ROAD TU 6-3800

**Cars Flip Over In Accidents**

Two women were injured in Park accidents, one on Friday, July 6, at 5:05 p.m. and the second on Saturday, July 7, at 7:11 p.m., when their automobiles flipped over and landed with wheels spinning in the air. One woman suffered a broken left wrist and the other was knocked unconscious when she struck her head on the car's roof when it landed upside down.

Suffering the broken wrist was Mrs. Stella B. Stumb of 467 Lakeland. She and three witnesses told investigating officers that she was traveling north on Maryland when she lost control and left the road in front of 1024 Maryland. She went over the curb and returned to the road, facing east-west, and then ran into a parked car belonging to Marie Friedmann of 1038 Maryland.

Mrs. Stumb's car flipped into the air and landed on its roof. The witnesses ran to the woman's assistance and helped her out of the overturned vehicle. Her only injury was the broken wrist.

On the Saturday date, Brian K. Ingalls, 23, of 1129 Yorkshire, was traveling north on Whittier and stopped for the stop street at Charlevoix. He entered the intersection and struck the auto being driven west on the avenue by Linda Sue Sexton, of 2952 Alter road, Detroit. The force of the impact caused the woman's car to roll over onto its roof, crushing the top, and causing her head to strike the roof top, knocking her unconscious.

In both accidents, Park firefighters conveyed the women to Bon Secours Hospital. They were treated for their injuries and released.

In Mrs. Stumb's case, she was issued a violation ticket for careless driving and is scheduled to appear in Park Municipal Court Wednesday, August 1.

Ingalls was ticketed for entering an intersection without due care and caution, causing an accident. His court appearance also is set for August 1.

**Burglar Steals Lady's Purse**

A burglar broke into the home of Mr. and Mrs. James Blunt, of Middlesex, on Tuesday, July 17, while the family was still asleep, and stole a purse from a dining room table. The purse contained a substantial amount of cash.

Investigating officers said the thief broke the window at the side of the house at approximately 6:30 a.m., reached in and unlocked the window latch. The purse was not discovered missing until the Blunts awakened later that morning. Nothing else appeared to have been taken.

Park Lt. Gordon Duncan said the purse was recovered at the rear of 780 Pemberton, the same day, sans the money. Everything else in the purse was intact, it was said.

The matter was referred to officers of the Detective Bureau for further investigation.

**Little League Results**

**G. P. PARK-NATIONAL**  
By Donna Marrs  
The Pirates, champions of The Park Little League, entered the Tournament of Champions held at Mt. Clemens Saturday - Monday, July 14-16.

This was the third consecutive year the Pirates entered the tournament, and the third year that they advanced to the semi-finals before being beaten.

On Saturday, the Pirates played the host team, Mt. Clemens Hawks, and won 7-2 behind Chris Ellis' three-hit pitching. The Pirates mustered five hits, two by Jeff Parthum and Tom Geist. The other hits were by Mike Kirkpatrick.

The Pirates defeated the Clintondale Cardinals, 10-0, on Sunday. Norbert Motte went the distance and allowed only two hits while striking out six. Again, Tom Geist lead the hitting attack with three safeties, while Jeff Parthum, Chris Ellis and Norb Motte had two hits each.

On Monday, the Pirates faced the Hamtramck Athletics in a wild affair with the A's coming out on top, 10-8, on a grand slam homer in the bottom of the sixth inning by Joe Kolez.

Tom Geist, Pirate pitcher, did a credible job hurling six innings. The Pirates kept the game close and exciting all the way with 12 hits and three home runs. Chris Ellis and Jim Armally had three hits each, and the rest were contributed by Norb Motte, Jeff Parthum, Tom Geist, Bob Keegan and Mike Kirkpatrick.

**Pointers Do Well In Net Tourney**

Several Pointe area youngsters participated in the Motor City Junior Open tennis tournament over the weekend of July 7-8.

Nine-year-old Susan Mascarin of The Shores handily defeated Claudia Kaufmann of Detroit, 6-1, 6-0, in the girls 12 singles championship. Miss Mascarin also entered the girls 14 singles but was defeated by Julie Bookmyer of Birmingham, 6-1, 6-3.

In other girls results, Margaret Horne of The Farms won the girls 16 singles by defeating Ceci Warrick of Plymouth, 6-2, 6-3. Meanwhile, Margaret's sister, Ginger, won the girls 18 singles by defeating Heidi Hilborn of Birmingham, 6-2, 6-2.

In the "male end" of the tournament, Dan Thomson of The City won the boys 16 singles title by beating Craig Whittus of Bloomfield Hills, 6-3, 6-1. Dan also teamed with Rick Frame of The Park to win the boys doubles.

In other boys' results, John Willard of The City defeated Keith Horne of The Farms in the boys 12 singles, 6-2, 6-3.

I am the resurrection, and the life: he that believeth in me, though he were dead, yet shall he live: And whosoever liveth and believeth in me shall never die.  
(St. John 11:25-26)

**Offering Trips to Pine Knob**

The War Memorial has organized five excursions to the Pine Knob Music Theatre for the summer "Pop" series. The Center will provide reserved ground seating for the performances, chartered bus transportation and a prepared box supper for those who wish it.

Performers in the series include The Carpenters today, Thursday, July 28; Englebert Humperdinck on Thursday, August 2, and Tom Jones on Thursday, August 18.

Reservations can be made at the Center's office. Bus, supper and seating is \$10.25, or \$8 without supper. The bus will arrive in plenty of time for picnicing before the performance.

## From Another Pointe of View

By Kathy Duff

Numerous Grosse Pointers will be in "Harmonie" this weekend as they will be participating in the Bavarian Festival to be held in Harmonie Park Friday, July 27, from 6 p.m., through Sunday, July 29, 11 p.m. It is the fourth year that the affair has been sponsored by the City of Detroit and the Harmonie Club, located at East Grand River and Madison avenues, in Detroit.

Official opening ceremonies, to be attended by Detroit's Mayor Roman S. Gribbs, members of the Detroit Common Council and other dignitaries will be held Friday, July 27, at 7:30 p.m. Dr. Werner Montag, German Consul General, of Lochmoor boulevard, will appear and speak briefly on behalf of the German people.

The Harmonie Mixed Chorus will appear each evening and Saturday and Sunday afternoons. They are directed by Herman Klein, of Maison road, a member of the music faculty at Grosse Pointe North High School. Accompanist and Assistant Director, Christine Schlorff, of Neff lane, will conduct at the afternoon performances.

Lori Lang, soprano, of Blairmoor court, will appear Saturday evening singing a group of musical comedy selections. She has sung with the Detroit Civic Light Opera Association, Michigan Opera Association, Grosse Pointe Community Chorus and Detroit Lutheran Singers.

Kathy Cosentino, soprano, of Warren, will appear as soloist Sunday evening. She is a member of the Chrysler Imperials, and has appeared frequently in the Grosse Pointe Optimist Club shows.

Harmonie Chorus members who live in the Pointe area include Lena Estelle, of Fisher road, and Mr. and Mrs. Eugene Kirsammer, of Briarcliff drive.

Festival Committee members include Alfred R. Tapert, of North Oxford road, co-chairman; Leonard Bantleon, of Birch lane; Karl L. Heigel, of Lochmoor boulevard; and Robert W. Brown, of Severn road.

Other singers, dancers and musicians who will appear during the three-day program include Theodore Walling, baritone, of Clawson, Mich.; Saenger Chorus of Detroit, directed by John Miller with Eve Hildebrandt, accompanist; Jack "Porky" Meyer and his Gang; David Rodderman, accordionist; Platt Deutsch Verein Singers; Dan Grant, guitarist; Joseph Edelmair and his Belgian Band; and Franz Lenegger and his Austrian Band.

German foods and beverages will be featured during the Festival, German crafts will be demonstrated, and German imported items will be sold. (Continued on Page 23)

## Short and to The Pointe

In honor of their 50th wedding anniversary, MR. and MRS. WALTER STOECKEL, of Notre Dame road, were given a dinner party Sunday, July 15, at the Chateau Rouge Hall, St. Clair Shores, by their daughter and son-in-law, MR. and MRS. ROBERT WASCO, of Newark, Calif. Their three grandchildren, DAN, LINDA, and LAURA WASCO were also in town for the occasion. In addition were Mrs. Stoekel's brother and sister-in-law, MR. and MRS. LEONARD BURG, of Millstadt, Ill., and her sister, MRS. EMMA JONES, of Collinsville, Ill. Mr. and Mrs. Stoekel were married in 1923 in Imbs Station, Ill.

Three Pointe artists are showing their works at the 21st annual Michigan Invitational Exhibition at the University of Michigan. The three pieces at the Rackham Galleries are "Pears," by DOROTHEA KRIEG, of Lakeland road; "Mexican Market," by ELIZABETH DULMAGE, of McKinley road; and "Study of Penguins," by ERNEST SCANES, of McKinley road.

Ten Pointers received bachelor degrees from Eastern Michigan University at the end of its spring session. From The City were PAMELA DAVIS, SALLY GORENFILO, KATHLEEN GOREY, JUDITH HARLAN, PATRICIA McMILLIN, CATHERINE NAUGHTON and JOHN SHALOU, JR. From The Park was JOHN MILLER, from The Shores was SANDRA COLOMBO, and from The Woods was JAMES AMORI.

PRISCILLA SPENCER, daughter of MR. and MRS. DONALD R. SPENCER, of Trombley road, returned recently from a year abroad as an American Field Service Exchange Student. She

## "Creating Bridges to Understanding..."

GUNNEL RHANDT, center, a young teacher from Sweden, is receiving an international teaching experience this summer by participating in the SHEP enrichment program. Gunnel here is exchanging experiences of school life in her own country with several students participating in the program which is an academic and cultural enrichment

program for children of varied social-economic backgrounds. It is in operation for the eighth summer at the Grosse Pointe Memorial Church under the direction of Sister Annette Zippie. Left to right, the girls are AUDREY WARD, DANA NIP, JEWEL HAYWOOD, a teen-age volunteer, BARBARA KNOX, SARA GRAY and MICHELLE BENNETT.

## SHEP Volunteers Offer Enrichment

The grounds of Grosse Pointe Memorial Church is again the home of the Sacred Heart Enrichment Program, better known as SHEP. The program, whose stated purpose is to "create bridges to understanding, linking communities, races and religions" is staffed by a group of adult and teenage volunteers dedicated to providing a summer of new experiences to some 200 students.

The students, girls drawn from varied socioeconomic, racial, religious and cultural backgrounds, are brought by busses to the "school" Monday through Thursday, at 8:30 a.m. A day full of varied activities awaits the young students. One day might offer a lecture by Dudley Randall, the black poet-in-residence at the University of Detroit. Another day might include

## Catherine Lumpkin Mr. Fowler's Bride

Couple Leaves for Wedding Trip in the Southwest United States Following a Garden Reception at Lumpkin Residence

Exchanging vows in St. Michael's Episcopal Church on Saturday, July 14, was Catherine Ann Lumpkin, daughter of the Henry N. Lumpkins, of Fairway lane, with Bruce Richardson Fowler, of Royal Oak. The bridegroom is the son of Mr. and Mrs. John Fowler, of Dearborn.

A reception was held in the garden of the bride's parents following the 3 o'clock rites at which the Reverend Norman Shadley officiated.

For the afternoon wedding, the bride selected a Victorian gown of white Swiss embroidered organza trimmed with bluish pink satin ribbon. Her white picture hat had a garland of pink flowers and layers of pink moiré. She carried a Colonial bouquet of pink sweetheart roses, stephanotis and baby's breath.

Serving as matron of honor was Linda L. Buckler, sister of the bride, who was dressed in a rose printed gown in shades of pink. Her picture hat was of bluish pink with a ribbon trim in a darker pink. She carried a Colonial bouquet of pink miniature carnations with a center of dark pink roses.

The bridegroom asked John Norton, of Berkeley, Mich., to act as best man.

Ushers were Norman Buckler and Daniel Carrick.

Mrs. Lumpkin selected a dress of violet chiffon fashioned with cummerbund and cuffs of Venice lace. Mrs. Fowler chose a gown of green chiffon accented by long, full sleeves. Both mother's costumes were completed by white Georgian orchids.

Out-of-town guests attending the wedding festivities included Mr. and Mrs. Gerald Brown, of Hawaii, aunt and uncle of the bride; and Mr. and Mrs. Michael Donovan, of Columbus, Ga.

Following the wedding reception, the new Bruce R. Fowlers left for a wedding trip in the southwest.

WILLIAM CANFIELD, III, son of MR. and MRS. WILLIAM CANFIELD, JR., of Lakecrest lane, recently was graduated from The Detroit College of Law, thus becoming a member of the fourth generation of family lawyers.

## John Southcott To Claim Bride

Mr. and Mrs. Thomas J. Wittkoski, of Grand Rapids, announce the engagement of their daughter, Adele Mary, to John James Southcott, III, son of Mr. and Mrs. John J. Southcott, Jr., of Canterbury road.

Miss Wittkoski received her B.A. and M.A. degrees from Western Michigan University.

Her fiancé received his degree from Western Michigan University after graduating from Grosse Pointe South High School. He currently makes his home in Cincinnati, O.

A September wedding is planned.

## Meadow Brook In Fifth Week

Aldo Ceccato, the new principal conductor of the Detroit Symphony Orchestra, will make his first appearance at the Meadow Brook Music Festival this week with cellist Lawrence Foster and pianist Radu Lupu. Other guest artists in the fifth week of the Festival include Mac Davis, Sara Vaughan and Mitch Miller.

Mac Davis, from Texas, opens the week with a concert on Wednesday, July 25, at 8:30 p.m. He was seen recently on the Helen Reddy show as well as guests spots on television talk shows. He is enjoying popularity as a hit composer, as well as performing his own work.

On Thursday and Saturday evenings at 8:30, Aldo Ceccato will make his initial conducting appearances at Meadow Brook Music Festival.

Since his debut in 1969 with the Chicago Lyric Opera, Mr. Ceccato has found himself in constant demand for guest appearances in this country, conducting, among others, the New York Philharmonic, the Cleveland and Philadelphia Orchestras.

Mr. Ceccato's guest artist on the all-Tchaikovsky program Thursday evening will be the talented young cellist, Lawrence Foster, who was projected into prominence by his appearance in one of Leonard Bernstein's Young People's Concerts. Mr. Foster will play Tchaikovsky's Variations on a Rococo Theme, Opus 33.

Pianist Radu Lupu will be guest artist with Ceccato on Saturday evening. Lupu was winner of the 1966 Van Cliburn competition in the United States. The young Rumanian's musical career has grown as a result of successful tours in Europe with the London Symphony Orchestra, performing at major European festivals, and making his Carnegie Hall debut to critical acclaim.

Sarah Vaughan will appear on Friday, evening, July 27, at 8:30. Miss Vaughan was introduced on Tony Bennett's London television show last year as "... the finest singer in the world," and those who hear her today praise the versatile voice that interprets the Beatles or Bacharach with the same finesse as the moods of her early hits with Charlie Parker and Dizzy Gillespie.

Meadow Brook favorite Mitch Miller will headline the Sunday evening concert on July 29 at 8:30. His program will highlight Richard Rodgers' South Pacific Symphonic Scenario and an audience Sing-Along.

His guest soloist will be violinist Kishiko Suzumi, performing the Mendelssohn E minor Concerto. Tokyo-born and later a student at the Juilliard School, Miss Suzumi has appeared with various United States symphony orchestras.

Tickets for the Meadow Brook Music Festival are available at Hudson's, Grinnell's, Wayne State University, Macomb County Community College, or the Box Office (377-2010).

## Mrs. Bruce R. Fowler

Married Saturday, July 14, in St. Michael's Episcopal Church was CATHERINE ANN LUMPKIN, daughter of Mr. and Mrs. Henry N. Lumpkin, of Fairway lane, to Mr. Bruce R. Fowler, son of the John Fowlers, of Dearborn.

RAYMOND L. HENRY, Ph.D., of Aline drive, recently was promoted from associate professor to professor in the department of physiology at the Wayne State University School of Medicine. Dr. Henry has been a WSU faculty member for 12 years.

Wayne State University's Board of Governors recently accepted several important U. S. Public Health Service grants. PROFESSOR E. S. E. HAFESZ, of East Hidden lane, will continue a \$30,000 study of how certain cells affect the uterine environment.

## Colonial Dames Gather Monday, July 23

The Elizabeth Patch Chapter, National Society Colonial Dames XVII Century, held its charter meeting on Monday, July 23, in the Grosse Pointe War Memorial.

The Chapter was organized July 27, 1972, at a meeting in the Lochmoor Club. The object of the society is to aid in the preservation of the record of the historical shrines in the country; to foster interest in historical Colonial research; to aid in the education of the country's youth and to aid in the

establishment of a Library of Heraldry, working with various genealogical societies.

The Chapter is named for a woman who lived in the 17th Century and was one of the "signers" as a founder of the first church in Beverly, Mass.

Mrs. John D. Ennis, of Terre Haute, Ind., national first vice-president general, will present a gavel to the newly-chartered chapter. A few of the Grosse Point-

ers expected to attend are: president, Mrs. George C. Hofmeister, of North Oxford road; Mrs. Robert C. Palmer, of Lake Shore road; Mrs. Arthur H. Bacon, of St. Clair avenue; Mrs. Nadia Cadieux, of St. Paul avenue; Mrs. Grant E. Evans, of West Kings court; Mrs. Jerry J. Gerich, of Ridgemont road; Mrs. Howard Reed, of McKinley road; Mrs. Samuel A. Marino, of Lexington road; and Mrs. Hazael A. Powell, of Cloverly road.

## Star of Sea Rites For Donna Schultz

Bride's Four Sisters and Brother Participate in Morning Ceremony Followed by Luncheon at the Roostertail

Donna Marie Schultz, daughter of Mr. and Mrs. Donald F. Schultz, of Torrey road, became the bride of Dwight P. Van Steenkiste at a 11 o'clock ceremony on Saturday, June 21, in Our Lady Star of the Sea Church. The bridegroom is the son of Mr. and Mrs. Al Van Steenkiste, of Pemberton road.

For the morning ceremony, at which the Reverend Hector J. Saulino officiated, the bride wore a white organza gown decorated with embroidered flowers. The hem of the dress was bound in white satin as was the train of the empire-waisted gown. Her four-tiered French illusion veil was held by a crown of Venice lace.

She held a bridal bouquet of white and pink roses with Stephanotis.

The bride asked her sister, Sarah Schultz, to serve as maid of honor. Bridesmaids were Martha Schultz and Laura Schultz, sisters of the bride; Holly Van Steenkiste, sister of the bridegroom; and Frances De Yonker. Acting as flower girl was Margaret Schultz.

The attendants were dressed in pink rose-printed gowns accented by bouquets of pink roses and baby's breath. White picture hats framed their faces.

Tim McMillan served as best man for the bridegroom. In the usher corps

were Mike Birkholm, Tim Fowler, Chris Miko and Tom Schultz, brother of the bride.

For her daughter's wedding, Mrs. Schultz selected a long pink dress and a pink cymbidium orchid corsage. Mrs. Van Steenkiste was wearing a long skirtwaist-style dress in white and yellow and carried a green cymbidium orchid pinned to her purse.

Out-of-town guests included the bride's aunts and uncles, the Perry Plyters, of Rochester, N.Y.; the William Sullivans and son Bob, of Summerville, S.C.; and the bride's aunt, Mrs. Julian Plyter and daughter, Julie, of Rochester, N.Y.

The couple left the luncheon reception at the Roostertail for a wedding trip on Mackinac Island. They plan to make their home in Ypsilanti, Mich.

On the Dean's List with an all-A average at Western Michigan University for the winter semester was NANCY DIEHL, daughter of MR. and MRS. ROBERT J. DIEHL, of Buckingham road.

## Mrs. D. P. Van Steenkiste

Married Saturday, July 21, in Our Lady Star of the Sea Church was DONNA MARIE SCHULTZ, daughter of Mr. and Mrs. Donald F. Schultz, of Torrey road, to Dwight P. Van Steenkiste, son of the Al Van Steenkistes, of Pemberton road.

## Harsens Island to Exhibit Art

If you are heading up Harsens Island way this weekend, be sure to take the ferry across the channel for the second annual Harsens Island Art Festival.

The event, sponsored by St. Paul's Church, is scheduled for Saturday and Sunday, July 28 and 29, from 10 a.m. to 6 p.m. Location is the Sunset Marina, one block to the right once you get off the ferry. You can't possibly get lost!

The Festival plans to be a varied event. Artists and craftsmen from the island as well as Ann Arbor, Mt. Clemens and Grosse Pointe will be displaying their wares. The articles, which include all manner of arts and crafts, will be for sale. There will also be professional antique dealers in attendance.

Refreshments will be available at the Festival which will also offer live entertainment and the legendary "cake walk."

## Engaged

Mr. and Mrs. Edward G. Albert, of Somerset road, are announcing the engagement of their daughter, CHARLENE, to Richard B. Davis, son of Mr. and Mrs. Thomas N. Davis, of Severn road.

The bride-elect attended Michigan State University. Her fiancé will receive his B.A. degree in August from Northwood Institute.

A fall wedding is planned.

## Detroit Art Institute Granted Accreditation

The American Association of Museums, mid-way in a countrywide survey of museums and their operating standards, has granted accreditation to the Detroit Institute of Arts.

Reporting on the Institute, a visiting committee of scholars from other sections of the U. S. said in its citation: "The Detroit Institute of Arts is a museum which, in spite of severe financial handicaps, is one of the outstanding organizations in this nation."

The committee gave special recognition to its superior works of art, its educational programs of the highest quality, and its professional staff.

The Art Institute has 101 galleries devoted to art from all periods of man's creative endeavors. It is owned and operated by the City of Detroit and further supported by the Founders Society which has been organized as friends of the museum since 1885, when it established the collection.

## Masonic Temple to Host Bolshoi Ballet

For the first time in five years, the 70-member company of the Bolshoi Ballet will be performing in Detroit as a concert has been announced for Monday night, August 20, at the Masonic Temple.

Detroit became the seventh city on the Bolshoi's 1973 American tour after private negotiations on the part of Masonic Temple General Manager R. Lee Walters.

Traditionally, the Bolshoi Ballet has been a tremendous cultural and box-office success in its American tours. In their first appearance at the Metropolitan Opera House in New York City in 1959, sell-out crowds stood in the rain for several days in efforts to buy even standing room. Tickets were scalped for as much as \$150 apiece.

Detroiters filled Masonic Temple to capacity and standing room only on their appearance here five years ago.

Many of the ballerinas and male dancers with the current troupe were here with other tours and have attracted Detroit fans. Heading the dancers will be: Raissa Struchkova, Yelena Riabinkina, Nina Sorokina, Ludmila Semenyaka, Nicolai Fadeychev, Maris Liepa, Vilen Gal-

styan and Yuri Vladimirov. Alexander Lapauri, one of U.S.S.R.'s best ballet conductors is serving as artistic director.

Tickets are available at the Masonic Temple Box Office, Hudson's and Grinnells. For additional information, Pointers may call Avrum

Schulsinger at Maywood and Hammer at 375-1010.

Named to the Academic Honors List at Ferris State College were KENNETH KERBER, of Westchester road, DAVID McLEOD, of Neff road, and CHRISTINE MADLER, of Allard road.

## Ohio Wedding for James A. Walker

Bridegroom's Sister, Mrs. John A. Wheeler, Is Soprano Soloist at Wedding Ceremony in Painesville, O.

Elizabeth Jane Holland, daughter of Dr. and Mrs. Donald Robert Holland, of Painesville, O., became the bride of James Adams Walker at an early afternoon ceremony in the St. James Episcopal Church, in Painesville, on Saturday, July 14. The bridegroom is the son of Mr. and Mrs. Donald Albert Walker, recently of Grosse Pointe and now of Leland, Mich.

The 1:30 o'clock rites, at which the Reverend Thomas Waddell officiated, was followed by a reception at the Madison Country Club in North Madison, O.

The bride selected a gown of sheer organza trimmed with Alencon lace appliques on the sleeves for her wedding. The dress featured a ruffled hem and a chapel-length train. Her veil was held by a Camelot headdress with multi-colored pastel

flowers on the crown. She carried a nosegay of daisies, yellow and pink roses, bachelor buttons and ivy.

Coming from Honolulu, Hawaii, was Mrs. John R. Rhodes, sister of the bride, to serve as matron of honor. Also dressed in spring green dresses were bridesmaids Connie Wayner and Pat Philippbar, both of Painesville; Sue Shehan, of Jackson, Mich., and Mrs. John Alfred Wheeler, of Waterville, Me.

Mrs. Wheeler, sister of the bridegroom, also was the soprano soloist at the wedding.

The attendants' dresses were trimmed with Chantilly lace at the neck and sleeves. They carried nosegays of daisies.

Acting as best man was Thomas H. Kleene, Jr., of Northville, Mich. The bridegroom asked to be ushers Donald Albert Walker, Jr., his brother, of Grosse Pointe; John Ehrlich, of Cambridge, Mass.; William Carson, of Detroit; and John Alfred Wheeler, of Waterville, Me.

The mother of the bride, Mrs. Holland, was dressed in yellow organdy. Mrs. Walker chose a print dress in cyclamen tones. Both mothers' flowers were orchids.

Following a wedding trip in Canada, the new James Walkers will make their home in Westland, Mich.

Named to the Dean's List at Lake Forest College for the spring term was AMY NICKELL, daughter of Mr. and Mrs. H. KENNEDY NICKELL, JR., of Lewiston road.

## Nancy S. Wood Bride June 17

Nancy Sykes Wood and John Drake Ambrosino exchanged marriage vows in the home of the bride's parents, Mr. and Mrs. Donald C. Wood, of Sunningdale drive, on Tuesday, June 17. Judge Patrick Dennis officiated at the 4 o'clock rites.

A reception followed in the Sunningdale drive residence. Coming from Kettering, Ohio, for the wedding ceremony were the parents of the bridegroom, Mr. and Mrs. John Ambrosino.

For her wedding, the former Miss Wood designed and made her own gown of long, cream-colored material featuring a small blue and green floral design. The short-sleeve dress was fashioned with a wide collar around the V-neckline.

She carried a basket of rosebuds and daisies. The mother of the bride, Mrs. Wood, selected a long yellow chiffon gown accented with yellow lace. Mrs. Ambrosino chose a long aqua silk dress with mandarin collar for her son's wedding.

The couple plan to make their home in Grand Rapids following a camping trip in the western United States and the Canadian Rockies.

Former Pointers, MR. and MRS. LESLIE W. FISKE, now of Franklin, were honored on their 30th wedding anniversary, Saturday, July 7, at a dinner party given by their children, MR. and MRS. THOMAS H. NAHS, of Bedford road, and MARY LEE FISKE, of Franklin.

## Mrs. Craig W. Brown

Photo by Storer and Spellman

Exchanging vows Saturday, July 14, in the Grosse Pointe Woods Presbyterian Church were PATRICE JEAN LITTLE, daughter of Mr. and Mrs. Donald W. Little, of Country Club lane, and Craig W. Brown, son of Mrs. Douglas A. Borden, of Woods lane, and Joseph W. Brown, of Las Vegas.

## Patrice Jean Little Says Vows July 14

Detroit Commandery, No. 1, Knights Templar, Provide an Escort of 24 Knights in Dress Uniform

Grosse Pointe Woods Presbyterian Church was the setting for the Saturday, July 14, wedding of Patrice Jean Little, daughter of Mr. and Mrs. Donald W. Little, of Country Club lane, to Craig W. Brown.

The 6 o'clock rites, at which the Reverend John Oiert, Jr., presided, were followed by a reception in the church lounge.

The bride was dressed in a traditional gown of Mirra mist trimmed with Chantilly lace and seed pearls with a detachable train. Her three-tiered elbow-length veil was held by a Camelot cap of matching lace and a crown of seed pearls.

The former Miss Little held a Colonial bouquet of mixed flowers tied with blue and white streamers.

Serving as maid of honor was Jeanne Pappas, of Harper Woods. Bridesmaids were Paula Schafer, Martha Schmelz and Donna Ball, all of Grosse Pointe. The sister of the bridegroom, Ann Borden, acted as junior bridesmaid.

The bridesmaids wore pink flowered print dresses with ruffled hems and fashioned with a bustle effect. The upper bodice of each gown was in a rainbow color and each girl wore a matching soft bow in her hair. They carried baskets, trimmed with matching ribbons, of multi-colored flowers.

The bridegroom is the son of Mrs. Douglas A. Borden, of Woods lane, and Joseph W. Brown, of Las Vegas.

Eric Moorehead, of Troy, acted as best man. Serving as ushers were John Vangorder, of Roseville; Curtis Brown, a brother of the bridegroom, and Paul Brown, also a brother of the bridegroom.

For the evening ceremony, Mrs. Little selected a long floral chiffon gown in shades of blue and pink on white. Mrs. Borden chose a long pastel yellow chiffon gown in a shirtwaist style. Both mothers wore wrist corsages of cymbidium orchids with ribbons to match their gowns.

## Unitarian Rites For Mrs. Engel

Grosse Pointe Unitarian Church was the setting for the wedding of Mrs. Joan Engel, of Rivard boulevard, and Edward Crane, of Franklin, Mich., on Saturday, July 21.

The 4 o'clock rites, officiated by the Reverend Scott Mitchell, were followed by a champagne reception at the church.

Serving as matron of honor was Mrs. Suzanne Mundi, sister of the bride, of Fresno, Calif.

The bridegroom asked Dr. Richard Fredericks to act as

best man. For the afternoon ceremony, the former Mrs. Engel was dressed in a blue and white cotton print accented by lace trim.

Upon their return from the wedding trip, the couple plan to make their home in Rivard boulevard.

Claremont Men College named ALLEN OLINGER, the son of MRS. EMORY M. FORD, of Lothrop road, to the Dean's List for his achievement during the spring semester.

## Our Ojibways all have water views, but then, so do our Manitous.

The Ojibway and Manitou units, like all condominiums at The Leelanau Homestead are on the water and have fireplaces, slate hearths, wood ceilings, private decks, and breezy, open kitchens with frost-free refrigerators and continuous-clean ovens. They're handsome, contemporary second homes in the 50 to 60 thousand dollar bracket.

They are part of the Midwest's most exclusive resort community. It's complete. Ready to visit and enjoy. Built on 220 acres with 4200 feet of white, sandy beach on Lake Michigan and 5500 feet of frontage on the sparkling Crystal River. You can play tennis on the championship clay courts.

Canoe in the river. Sail in the Bay. Fish for trout or salmon. Play golf nearby. Dine and drink at the Homestead Inn. Go to a concert at Interlochen, summer stock at the Cherry County Playhouse. Or just sit and regain your sanity.

Reserve your condominium now. They are ready for occupancy. Or, come for a visit. It's a great place to vacation. Even nicer to come home to.

The Leelanau Homestead, Glen Arbor, Michigan 49636. Call or write for free color brochures. In Michigan call toll-free 800-632-1708.

## Miss Schenk Bride of Carl Baumgras

Following a Wedding Trip to Bruce Peninsula, Canada, Couple Will Be at Home in New Carlisle, Ind.

Exchanging vows at a morning ceremony on Saturday, June 30, in St. James Lutheran Church were Margaret Gail Schenk, daughter of Mr. and Mrs. Frank Schenk, of Lakepointe road, and Carl Philip Baumgras, son of Mr. and Mrs. Philip Baumgras, of Luzerne, Mich.

The Reverend George Kurtz officiated at the 11 o'clock rites which were followed by a reception at the Fries Crystal Ballroom.

For the ceremony, the bride chose a pale ivory satin gown featuring short, puffed sleeves and lace at the Empire waist and hem. She wore a lace cap with a

pale ivory illusion veil trimmed in lace. She carried a bouquet of deep red sweet-heart roses and baby's breath entwined with ivory ribbon.

The former Miss Schenk asked Colleen Cornwith to be the maid of honor. Serving as bridesmaids were Debbie Smith, Tina Schaefer, and two sisters of the bridegroom, Julie and Lisa Baumgras.

They wore pale pink dresses fashioned with rosebud trim at the Empire waist, and had bows in their hair. They carried nosegay bouquets of pink rosebuds, daisies, and baby's breath. The pink ribbon streamers were knotted with tiny flowers.

The bride's mother was dressed in a cornflower blue dress featuring long sheer sleeves. She wore a wrist corsage of white orchids and baby's breath with blue ribbons. The bridegroom's mother wore a rosebud pink knit dress with a wrist corsage of white orchids and baby's breath tied in with

pink ribbon.

Acting as best man was Larry Austin, of Grayling. In the usher corps were Chandler Blake, Jr., of Lansing, and two brothers of the bridegroom, Edward and David Baumgras.

After a wedding trip to Bruce Peninsula, Can., the couple will make their home in New Carlisle, Ind., where Mr. Baumgras is employed as program director for Bendix Woods County Park and is completing his masters degree at Indiana University. The former Miss Schenk will also continue her studies in special education at Indiana University.

STEPHAN ELIASON, son of MR. and MRS. PAUL ELIASON, of Balfour road, was awarded a music scholarship by Hope College where he will be a freshman next fall. The \$100 prize is applied to the student's tuition expenses in the freshman year. The award also enables the recipient to study privately with a member of the music faculty.

## Mrs. Carl Baumgras

Photo by Eddie McGrath, Jr.

MARGARET GAIL SCHENK, daughter of Mr. and Mrs. Frank Schenk, of Lakepointe road, became the bride of Carl Philip Baumgras, son of Mr. and Mrs. Philip Baumgras, of Luzerne, Mich., on Saturday, June 30, at St. James Lutheran Church.

## Gowanie Club Hosts Tourney

A Ladies Invitational Tournament was held recently at Gowanie Golf Club. Sixty women's teams participated and the league was divided into three teams: red, white and blue.

Mrs. Joseph Range, of Fairholme road, and Mrs. Fred Fishback of Merriweather road, won on the 20th hole after downing the Red teams of Miss Martha Chase and Mrs. Murray Hentgen, both Pointers, and Mrs. Max Henry and Mrs. Corrine Blum, of Mt. Clemens.

In the White Division, the winners were Mrs. Clayton Dumus, of Harper Woods, and Mrs. John Piano, of Grosse Pointe.

Two ladies from St. Clair

Shores, Mrs. Edward McEntee and Mrs. Leo Genco, cleared first place in the Blue Division.

U. S. Air Force CAPTAIN GEORGE VANTIEM, son of MR. and MRS. G. A. VANTIEM, of Fleetwood road, was graduated from the Strategic Air Command's Minuteman missile combat crew operational readiness training course at Vandenberg AFB, Calif. He will continue at the Francis E. Warren AFB, Wyo., for further training as a missile combat crew member. Captain Vantiem was graduated from the University of Detroit where he was commissioned through the Air Force ROTC program.

## Pointe Artists Plan Art Fair

Plans are on the drawing board for the 14th Annual Fall Art Festival to be held by the Grosse Pointe Artists Association at the War Memorial. The date of Saturday, September 8, has been set aside for the art fair which will cover the grounds of the Center.

Meeting at the Moros road home of Mrs. Stanley Dolega, last Tuesday, July 24, was the committee of Pointe women in charge of the event. Assisting Mrs. Dolega as co-chairman are Mrs. John McKinley and Mrs. Thomas Jefferis. Mrs. Mike Moran has accepted the job of entry chairman, and Mrs. Bruce Caulkins will be jury chairman.

In the ticket department is Mrs. Elizabeth Dulmage and Mrs. Roman Brinkman under the direction of Mrs. Edward McCallum, chairman. Other chairmen are Mrs. Walter Stewart, flowers; Mrs. Allen Freiwald, publicity; Mrs. Frank Boehm, posters; Mrs. Fred Prudden, assisted by Mrs. Jeffrey Huetter, demonstration; and Mrs. Edgar Flinterman, assisted by Mrs. Paul Mathewson and Mrs. Sheffick Moroon, mailing. James Stelma is acting as chairman of information and festival grounds.

It is the fifth year that Mrs. Dolega has accepted the position of general chairman of the Festival. Current chairman of the Artists Association is Mrs. Watson Ford.

Hours of the Festival (remember, September is not THAT far away anymore!) are 10 a.m. to 5 p.m. A limit of 100 local and outstate artists and craftsmen will be exhibiting their work.

A special "plus" will be a carillon concert given in the neighboring Grosse Pointe Memorial Church. Pointers

Helping with local arrangements for an evening of entertainment, provided by Way Productions, a division of The Way Biblical Research Center, of New Knoxville, O., is JOHN LANZ, of Chalfonte road. Featured Saturday, July 28, at Macomb County Community College South Campus, will be the Knox County Band and the film, "Rock of Ages," portraying a Christian music festival.

## M. E. Ochylski Weds on July 14

Patricia Nellie Soulliere, daughter of Mrs. Lloyd G. Soulliere, and the late Mr. Soulliere, was married to Marshall Eugene Ochylski, II, son of Mr. and Mrs. Eugene J. Ochylski, of North Renaud, at 2 p.m. on Saturday, July 14, in St. Mary's Student Chapel, Ann Arbor. A reception followed at the Campus Inn, also in Ann Arbor.

The bride wore floor-length antique lace and net over cream-colored satin with a matching picture hat with tulle streamers. She carried an old-fashioned bouquet of daisies, rosebuds and baby's breath.

The maid of honor, Linda Smith, wore a turquoise voile dress with matching hat trimmed in daisies.

Best man was Joseph Steiner, of Ann Arbor. Ushers were brother of the bride-

groom, Charles Ochylski, and George Kruszewski, of Ann Arbor.

Mrs. Soulliere wore yellow chiffon and pinned a corsage of rosebud daisies and baby's breath to her purse.

Mrs. Ochylski wore light green voile and white print and had the same flowers.

The bridegroom received his master's degree in Landscape Architecture from the University of Michigan in May and is now associated with Gary Corser Associates, Landscape Architects in Kansas City. He was graduated from Austin Preparatory School.

The bride received her master's degree in Marketing from the University of Michigan and has a junior executive position with Hallmark in Kansas City where the couple is now making their home.

## Mrs. Bruce J. Gudat

Married at Peace Lutheran Church on Friday, July 13, were SHEILA FRANCIS SEIFERLEIN, daughter of Mrs. Archibald L. Seiferlein, of Putnam place, and the late Dr. Seiferlein, and Bruce Jurgens Gudat, son of Mr. and Mrs. Bruce Gudat, of Royal Oak.

## Sheila Seiferlein Mr. Gudat's Bride

Couple Will Make Their Home in Warren After a Wedding Trip to Oberlin, Ohio

Peace Lutheran Church in Detroit was the setting for the Friday, July 13, wedding of Sheila Francis Seiferlein and Bruce Jurgens Gudat. The bride is the daughter of Mrs. Archibald L. Seiferlein, of Putnam place, and the late Dr. Seiferlein; the bridegroom is the son of Mr. and Mrs. Bruce Gudat, of Royal Oak.

After the candlelight evening service, at which the Reverend Herbert L. Steinbauer officiated, a reception was held at Embassy Hall in Detroit.

For the 6 o'clock rites, the bride chose a silk organza dress featuring Alencon lace at the scoop neckline, embroidered lace at the midriff, and bishop sleeves. Three layers of illusion in her chapel-length train were caught by a Venetian lace profile headpiece. The former Miss Seiferlein carried a bouquet of cushion mums and white roses.

The bride asked Mrs. Gerald Zehner, of Royal Oak, to be matron of honor. The bridesmaids were Lynn Parker, of Moorland drive, and sister of the bridegroom, Marlene Gudat, of Royal Oak. They wore chiffon dresses of rainbow colors.

Mrs. Seiferlein chose an aqua chiffon, floor-length dress fashioned with bishop sleeves and an embroidered, beaded midriff. Mrs. Gudat was dressed in a pink chiffon, floor-length dress with a full skirt.

David Gudat, brother of the bridegroom, acted as best man. Serving as ushers

were Gerald Zehner, of Royal Oak, and a cousin of the bridegroom, Robert Paul Adams, of East Detroit.

Relatives of the bride in town for the occasion were the Reverend Milton Schemm and family, of California; the Reverend Enno Walt, of Lansing; and the Reverend and Mrs. Carl Gutekunst, of Ann Arbor. Other guests were the Reverend William Walt and family, of Farmington, and Mrs. Clara Dembinski, of Columbus, O.

Friends of the bridegroom, Mrs. Edna Petty and Mr. and Mrs. W. J. Daly, of Peoria, Ill., were in town for the wedding. Also in town were relatives from Peoria, Mr. and Mrs. M. Bessett, Mrs. Mildred Reston, and Mr. and Mrs. C. Gudat. The sister of the bridegroom, Marnie Gudat, of Valpo, Ill., also attended. The bride attended Concordia Lutheran Junior College, and presently is continuing her education at Macomb County Community College. The bridegroom was graduated from Michigan Lutheran College in 1968.

Following a wedding trip to Oberlin, O., the couple will make their home in Warren.

## Kathryn A. Bodeau Weds Mr. Boerner

Reception at the Grosse Pointe Hunt Club Follows 8 O'Clock Ceremony at St. Ambrose Church

In an evening ceremony in St. Ambrose Church, Kathryn Alice Bodeau and Keith Charles Boerner exchanged marriage vows before the Reverend Ronald G. Cyprys on Friday, July 20. The bride is the daughter of Mr. and Mrs. Arthur C. Bodeau, of Kensington road; the bridegroom is the son of Mr. and Mrs. Kenneth W. Boerner, of Marter road.

A reception followed at the Grosse Pointe Hunt Club.

For the 8 o'clock rites, the bride selected a white organza gown decorated with embroidered flowers. The dress featured a high neckline, long puffed sleeves and cuffs of peau de soie. A deep band of the hem and circular train. Her cathedral length veil of illusion was held by a cap of Venice lace.

The former Miss Bodeau carried a Colonial bouquet of white roses, stephanotis and baby's breath.

Serving as maid of honor was Maureen Bodeau, sister of the bride. Also dressed in floral print voile were bridesmaids Maureen McGraw, of Spartanburg, S.C.; Kathy Belter; Mrs. Jerry Scopel, of Mt. Clemens; and Pamela Nagel, a niece of the bridegroom.

Their sleeveless dresses featured band necks and grosgrain ribbon belting the dirndl skirts. They carried nosegays of pink daisies, baby's breath and purple statice.

John Egan, of Mt. Clemens, acted as best man. In the usher corps were Scott Bodeau, a brother of the bride, of Denver, Colo.; Bill Hutton,

of Harper Woods; Herbert Strauss, of Chicago, Ill.; and Wesley Fishwick, a cousin of the bridegroom, of Clawson, Mich.

For her daughter's wedding, Mrs. Bodeau chose a long shirtwaist-style dress of pink and green plaid fashioned with a silk bodice and chiffon skirt. Mrs. Boerner also selected a shirtwaist-style dress of pink and white lace.

Special guests at the wedding included the bride's grandmother, Mrs. Scott Oyler, and the grandmother of the bridegroom, Mrs. Charles McCarthy. Out-of-town guests were Mr. and Mrs. William McCarthy, Mr. and Mrs. Robert Manley, and Mrs. John Manley, all of Cincinnati, O.; Mr. and Mrs. Jack McCarthy, of Centerville, O.; Mr. and Mrs. Tom Oyler, of Bala Cynwyd, Penn.; Mr. and Mrs. Robert Ehmke, of Satellite Beach, Fla.; Mr. and Mrs. Jack Hart, of Middletown, N.J.; Mr. and Mrs. William Wischer, of Park Hills, Ky.; and Mr. and Mrs. Jack Peeks, of Charlottesville, Va.

The couple will reside in Mt. Clemens upon their return from a honeymoon in Grand Cayman Island.

## Mrs. Keith C. Boerner

Photo by J. S. DeForest

St. Ambrose Church was the setting for the wedding of KATHRYN ALICE BODEAU, daughter of Mr. and Mrs. Arthur C. Bodeau, of Kensington road, and Keith Charles Boerner, son of the Kenneth W. Boerners, of Marter road, on Friday, July 20.

## Mrs. Frederick W. Ley

Photo by London Studio

Married Saturday, July 21, in the garden of the Grosse Pointe War Memorial was FRANCES MEAD CODY, daughter of Mr. and Mrs. William F. Cody, of Hillcrest road, to Mr. Ley, son of Mr. and Mrs. Walter J. Ley, of Medford, New Jersey.

## Garden Wedding For Frances Cody

The Reverend Charles Swan Officiates at Service Followed by Reception in the Crystal Ballroom

Frances Mead Cody and Frederick Walter Ley exchanged wedding vows on Saturday, July 21, at an 11:30 o'clock ceremony in the garden of the Grosse Pointe War Memorial. The Reverend Charles Swan officiated.

The bride is the daughter of Mr. and Mrs. William F. Cody of Hillcrest road. The bridegroom is the son of Mr. and Mrs. Walter Ley of Medford, N.J.

The former Miss Cody wore an old-fashioned batiste gown with a ruffled bustle trimmed in lace. Lace also accented her picture hat. She carried a Colonial bouquet of field daisies and white rosebuds.

Nancy Reynolds was the maid of honor. She wore a blue flowered organza dress with a matching picture hat. Her bouquet was a basket of field daisies and pink rosebuds.

Junior attendants were Heather Petri, of Royal Oak, and William A. Cody, brother of the bride.

Mark Donahue, of Medford Lakes, N. J., acted as

best man. Mrs. Cody chose a beige-colored floor-length shirtwaist dress for her daughter's wedding. Mrs. Ley also wore a long shirtwaist of yellow print organza. Both selected cymbidium orchids.

Out-of-town guests came from Donagiac, Bridgman, Watervliet, Kalamazoo, Lansing, Medford, N.J. and Boca Raton, Florida.

After a reception in the Crystal Ballroom of the War Memorial, the couple left for a trip through Canada.

Spending the summer in Washington, D. C., under a summer intern program of The University of Michigan, is PENNY BLANK, daughter of Mr. and Mrs. ROLAND BLANK, of Lakeland avenue. As a senior journalism major, Penny is in the employ of Time magazine. She has interviewed numerous people including John Lennon of the Beatles. Besides her duties at the magazine, Penny has attended many sessions of the Watergate hearings with her press card.

## From Another Pointe of View

(Continued from Page 17)

Bavarian Fashion Shows will be held Saturday and Sunday afternoons and evenings.

### A FUN-damental Program

Spending part of her summer away from the Farms Pier is Mrs. William R. Bryant, Jr., of Mt. Vernon road, as she is in charge of "spreading the word" on a very worthwhile reading program in Detroit.

The program, entitled "Reading is FUN-damental," was started by a grant from the Ford Motor Company. The Junior League of Detroit, hearing of the program's success in getting inner city children to read books, provided the local support.

"In over 80 projects, the program has proven successful in making a positive effect on the educational environment in the areas involved," Mrs. Bryant commented in reviewing the program.

The program has a very basic philosophy: that if a child is given the opportunity of owning a book, or books, of his very own, an appreciation of reading will develop. In most instances, the books the youngsters take home are the very first books they have owned. The children served by R.I.F. are among the millions who come from homes where, usually, there are no books, were no one reads for reference, learning, or just for enjoyment. They are children with no incentive to read. And their futures are predictable — as narrow and unrewarding as the world they live in.

The results of the R.I.F. programs in other parts of the country are highly encouraging. For example, shortly after R.I.F. began in one community, the school's library circulation doubled. In a year and a half after the program was introduced in a poor neighborhood, parents and children bought 17,000 paperbacks at a project book fair.

Possibly the most telling statistic of all is that in one city "Batman" was R.I.F.'s "best seller" when the program began. However, a year later, E. B. White's "Charlotte's Web" led the list!

The program is based in Washington, D.C., yet each program is locally organized, locally run, and supported by local funds raised in the community. It began as a modest experiment funded by the Ford Foundation, housed in the Smithsonian Institution. Its reputation spread and soon local projects were mushrooming around the country. Since R.I.F. began, more than 2,000,000 books have been distributed to about half a million children.

At the present time in Phase I of the R.I.F. program, preschool children have been reached at a series of Open Houses where the children have been introduced to owning books of their own. They receive two books complete with bookplate with their name inscribed. A book mark is placed inside the book to tell their parents about R.I.F. and where to find other inexpensive interesting books.

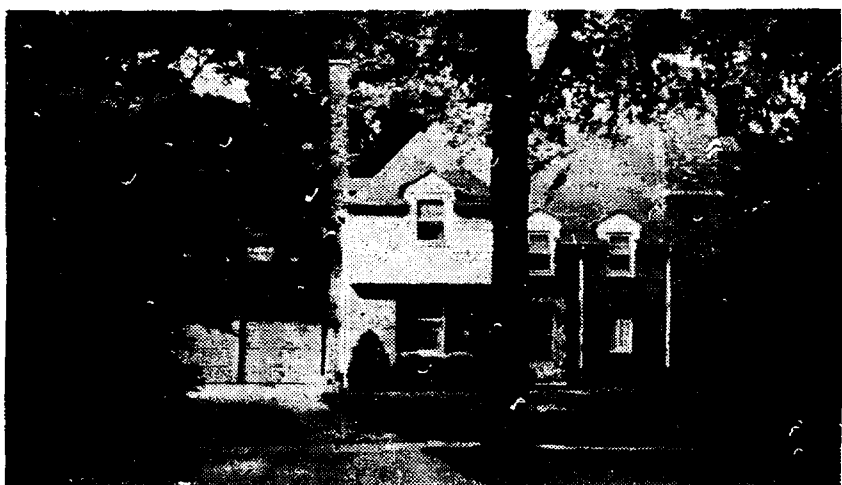

These children will come twice more and receive a total of five books in the program. The R.I.F. advisory board was pleased with the welcoming response given by parents and teachers as well as the children. The Open Houses are taking place at various community centers in target areas and the children are coming from programs like Operation Get Down, Project Child, church and school and agency affiliated preschool programs. The \$4,000 spent out of Phase I's \$5,000 budget has bought 8,000 books to be distributed.

The Detroit R.I.F. Advisory Board feels strongly that the program is needed in Detroit especially with the low reading levels of Detroit's school children. The Board feels there is much to be gained by the R.I.F. program, because of the positiveness of the concept and the relatively small investment that needs to be made.

It's an accepted fact that a child who does not learn to read in the early grades is handicapped in all future learning. If he does not learn to enjoy books while he is young, it is likely to escape him forever. Currently, the inner city child is hampered by the textbooks that may hold little appeal and interest, lack of books in the home because of inaccessibility of attractive books and the inability to afford the books.

The delight and joy shown on the children's faces when looking at the stack of books to choose from, can prove that "Reading is FUN-damental." Pointers wishing additional information on the program should contact Mrs. Bryant.

### First Offering

Location — Charm — Value  
(Touraine Road)

Rarely can one find the ideal combination of all three. This outstanding value has 6 bedrooms, 3½ baths, library, modern kitchen, front and rear stairways, 4 fireplaces, etc. . . . and is realistically priced at \$79,500. Contact one of our consultants for complete particulars.

395 FISHER ROAD TU 6-3800

### A Little Big House . . . That Radiates With Charm

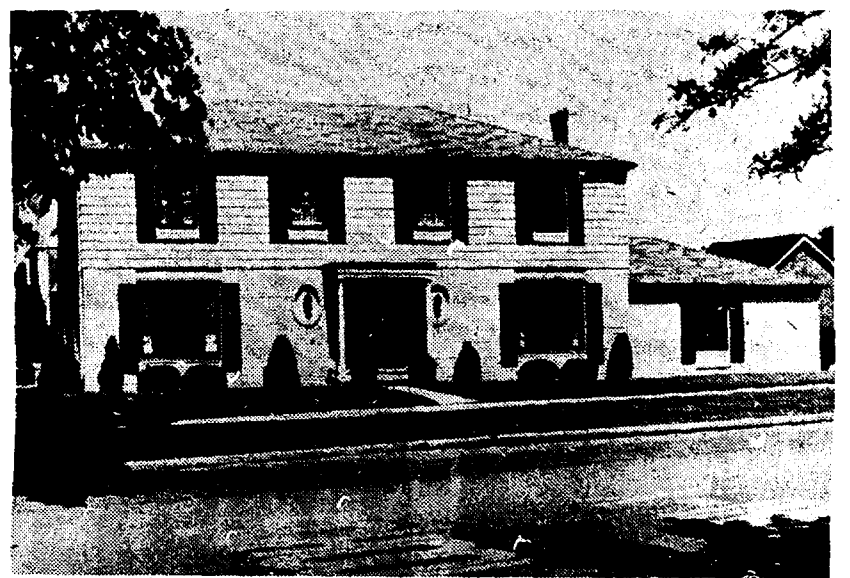

We have a feeling you're going to like this one even more when you step inside the front door of this Farm colonial which sits comfortably on one of the few hills in the Farms. A spacious foyer with a handsome staircase which winds upward with two landings, one at the palladium window. There are four family bedrooms off of the large and bright upper hall. A fifth bedroom can be gained by service stairs leading out of the kitchen. A den and permanently glassed and screened porch give that extra living space most of us desire. Offered at \$71,000.

114 Kercheval, on the Hill — 886-6010

### 293 CHALFONTE

293 Chalfonte, Grosse Pointe Farms. Elegant 4 bedroom 2½ bath, foyer entrance colonial. Just out of the "breaking in" period. Spacious family room with fireplace, central air, electronic air filter, attached side entrance garage. Attractive landscaping, corner location. Call for appointment to inspect this fine home. Priced at \$62,900.

**MICHIGAN REALTY CO.**

## Richard W. Fedoruk Weds Miss Barber

Bridal Bouquet Is of Wild Flowers Picked by Bridegroom; Pair Will Return to Colorado to Make Home

Sharon May Barber became the bride of Richard W. Fedoruk, son of the Theodore J. Fedoruks, of Cadieux road, at an early afternoon ceremony in St. Philip Catholic Church in Battle Creek on Saturday, July 7. The bride is the daughter of Mrs. Edna Harrington, of Battle Creek, and Wilson Barber of Middleville, Mich.

A reception in the Hart Hotel of Battle Creek followed the 1 o'clock ceremony which was officiated by the Reverend Charles Fischer. The couple then left for a wedding trip in northern Michigan.

For the wedding rites, Miss Barber selected a white eyelet and voile gown trimmed with pink piping. The empire-waisted gown was fashioned with a stand-up collar, long voile sleeves and a short train. Her short veil was secured by a band of lace.

The bride held a bouquet of wild flowers picked by the bridegroom.

Serving as maid of honor was Beverly Bylsma, sister of the bride, of Middleville. Also dressed in long pink cotton dresses covered with white cotton and eyelet pinnafores were bridesmaids Anne Bowen, of Kalamazoo; Linda Tuttle, of Grand Rapids; and

Deborah Fedoruk, sister of the bridegroom, of Grosse Pointe.

The attendants carried baskets of blue, pink and white daisies.

The bridegroom asked Tim Balla, of Lansing, to act as best man. Serving as ushers were Lon Frazier, of Kalamazoo; Steven Barber, brother of the bride, of Kalamazoo, and Lee Bylsma, a brother of the bride, of Middleville.

The mother of the bride selected a dress fashioned with a pink and white knit bodice and a full-length pink skirt, with matching short-sleeved jacket. Her corsage was of white and pink daisies. The mother of the bridegroom chose a yellow knit long gown featuring a stand-up collar and wide belt. Her corsage was of white and yellow daisies.

Following the wedding trip the couple will return to Colorado to make their home.

## The Richard Fedoruks

Married Saturday, July 7, in St. Philip Catholic Church in Battle Creek were SHARON MAY BARBER, daughter of Mrs. Edna Harrington, of Battle Creek, and Wilson Barber, of Middleville, Mich., and RICHARD WALTER FEDORUK, son of Mr. and Mrs. Theodore J. Fedoruk, of Cadieux road.

## Miss Trentacosta Married on July 18

Reception at Lochmoor Club Follow 6:30 O'Clock Ceremony in Our Lady Star of the Sea Church

The Reverend Ralph Barton officiated at the rites which united Rosalie Trentacosta and Harley D. Wattrick in marriage on the evening of Wednesday, July 18. The 6:30 o'clock ceremony took place at Our Lady Star of the Sea Church, followed by a reception at the Lochmoor Club.

The bride is the daughter of Mr. and Mrs. Frank Trentacosta, of Berns court. Her husband is the son of Mrs. Lucille Wattrick, of Troy, and the late Donald T. Wattrick.

The bride's gown was of ivory silk organza and lace, with full, puff sleeves. Her veil of English silk illusion was held by a lace cap. She carried a bouquet of white roses, stephanotis and baby's breath.

Marilyn Trentacosta was her sister's maid of honor. The bridesmaids were Mrs. Andrew Gerben, of Riverview; Mrs. Gerald Kempf, of Southgate; Vicki Radoye, of Redford; and the bridegroom's sister, Mrs. Fredrick Shepard, of Murray, Ky.

The attendants' dresses in

shocking pink were fashioned with halter tops and trimmed with ruffles around the neck and skirt. They carried old-fashioned bouquets of miniature pink carnations, purple statice and baby's breath.

Donald T. Wattrick, Jr. of Mobile, Ala., was his brother's best man. Ushers were C. A. Campbell, of Vinton, Va., Charles Fellows, Richard Mandier, and David Trentacosta, cousin of the bride, all of Detroit.

The bride's mother wore pink chiffon and carried a corsage of gardenias. The bridegroom's mother was in rose-flowered chiffon and carried pink cymbidiums.

Following a honeymoon in Las Vegas, the couple will make their home in Troy.

## Mrs. Harley D. Wattrick

Photo by Eddie McGrath, Jr. ROSALIE TRENTACOSTA, daughter of Mr. and Mrs. Frank Trentacosta, of Berns court, became the bride of Harley D. Wattrick, son of Mrs. Lucille Wattrick, of Troy, and the late Donald T. Wattrick, on Wednesday, July 18, in Our Lady Star of the Sea Church.

## SHEP Summer

(Continued from Page 17)

a volunteer teacher asking for a composition written on free-form shape cut from colorful construction paper.

Friday is the special day of the program as they are reserved for field trips which have included everything from the Detroit Historical Museum to the Ann Arbor Botanical Gardens.

The primary goal of SHEP is to awake academic interest in the students, girls in Grades 5 to 8, through an alive curriculum focusing on language arts. The program was initially designed to develop the creative ability of the student, rather than to supply tutorial or remedial academic work.

However, the program goes much further than that. It provides an atmosphere in which self-expression may flourish. It also stresses the responsibility to put personal talents at the service of others.

The planned heterogeneity of the student body makes obvious another goal of SHEP — to develop leadership and communication skills with students from different cultural backgrounds and differing value systems. Sharing is a key word in the success of the program. The teachers, who have donated their summer time to participate in the program, feel that they are getting as much out of the program as the students.

Mrs. James Gregory, of Blairmoor court, who was coordinator in charge of excursions, once remarked: "We don't get paid for what we do, but we get much more than money, we get infinite satisfaction."

The volunteer faculty is made up largely of certified teachers who instruct classes in language arts, creative writing, sewing, painting and ceramics. Other volunteers include social workers, reading consultants, counselors, parents and teachings aids. Playing an important part in the running of the program is a group of 30 hard-core-teenage volunteers.

SHEP and its volunteers are under the supervision of Sister Annette Zippel, RSCJ, a Pointer who has been director for the last seven years. The program was begun by the Religious of the Sacred Heart in Grosse Pointe.

A sketchy outline of a SHEP day, and "sketchy" is always emphasized, is a 8:30 a.m. breakfast followed by Assembly in the Barbour Chapel as the SHEP community begins its day together. Occupying the morning hours are the teaching of language arts and humanities.

In late morning, the enrichment part of the program is provided by guest speakers and artists, or special studies periods. It seems like it would be hard to choose among "special studies" such as dance, creative dramatics, current events, Spanish, puppetry or reading development.

Lunch is preceded by a sports hour. The afternoon

stress flew to stardom on the wings of a Snowbird, her first big U.S. hit.

Friday, August 24, Saturday, August 25 and Sunday, August 26 — Hurricane Hell Drivers. There's almost more action than you can see when Dan Fleenor's daredevil drivers flip, roll and crash their cars.

Monday, August 27 — Buck Owens and Loretta Lynn. Starting in 1963 with "Act Naturally," Buck Owens followed up with a chain of 24 number-one country music hits in a row. He and the first lady of country music bring Nashville to the Fairgrounds.

Tuesday, August 28 — Jerry Lee Lewis. One of the original rock-n-rollers, he switched to making country hits for several years, and now weaves together the best of

both. Thursday, August 30 and Friday, August 31 — Bill Cosby and Lola Falana. Bill Cosby's warm-hearted humor comes from real life. The television and film star joins forces with his song-and-dance cohort from "The Bill Cosby Show."

Saturday, September 1 — Joey Heatherton. She was a sweet young teenager on the old Perry Como show.

Sunday, September 2 and Monday, September 3 — Dawn. Tony Orlando, Telma Hopkins and Joyce Vincent Wilson all grew up in the music world—the two girls as background singers for Motown, Tony as an early singer of Carole King songs.

Sunday, September 2 — International Demolition Derby. It's been called the "world's biggest traffic accident," as drivers compete to see whose car is left standing in a giant Dodge game.

In addition to these well-known acts, fairgoers touring the grounds will never be far from live music, as several handstands will feature continual local entertainment. There'll also be the Michigan State Fair Honors Band and Honors Choir, culled by a rigid audition process from the best high school talent in the state, who'll lead off the first four fair days.

Several nationally important contests will be held during the fair, including the tractor-pulling contest on Wednesday, August 29, and the National Heavyweight Horse Pulling Contest and Pony Pulling Contest on Saturday, September 1. And, as an extra attraction both at the fair's kickoff parade at 10 a.m. Thursday, August 23 through downtown Detroit, and for the next four days at the Fairgrounds, the Schlitz 40-horse hitch—an enormous team of matched Belgians—will perform precision drilling. Driver Dick Sparrow is the first man to command so many horses simultaneously since the turn of the century.

In addition, there will be 23 free horse shows at the Fairgrounds Coliseum, especially featuring the Detroit Mounted Police.

## Iron Toys Displayed at Historical Museum

A select group of toys from the early part of the 20th century is now on display in the lobby of The Detroit Historical Museum. The toys were recently donated to the Museum by Sears, Roebuck and Company as examples of the limited edition cast iron toys to be in Sears' "Christmas Wish-Book" this year. The toys are authentic reproductions of toys produced from about 1890 to the 1920's. They were made at The Valteau Foundry in Grand Rapids, Mich., using traditional sandcasting and hand-finishing techniques.

The original toys from which the reproductions were cast are from The Sears, Roebuck and Company Collection of American Toys, belonging to the Smithsonian Institution. The toys include three automobiles, 2 horse-drawn fire engines and three carriages.

The exhibit continues through Monday, October 8.

## State Fair Starts August 23

Pointers, if you want to be entertained and/or amused, then look to the 1973 Michigan State Fair, beginning Thursday, August 23, and continuing through Labor Day, Monday, September 3.

This year's entertainment lineup includes 10 top stars, plus two auto thrill shows, with performances slotted for both afternoon and evening, at 4:30 and 8:30 p.m. The Labor Day shows are at 3 and 8 p.m.

The schedule of performers include:

Thursday, August 23 — Roberta Flack. Riding high

since her own network television special, this singer, pianist combines the best elements of rock, soul, folk, gospel and jazz.

Friday, August 24 — To be announced.

Saturday, August 25 — Doc Severinson and Today's Children, and The Now Generation Brass. The musical conductor of the NBC "Tonight Show" joins with 10 young singers and dancers, including his daughter Nancy, and 11 musicians, mostly from the "Tonight Show" band.

Sunday, August 26 — Anne Murray. This Canadian song-

## Welcome Wagon Welcomes Officers

Photo by Gregory Rotole

The Welcome Wagon Club of Grosse Pointe and Harper Woods installed new officers for the 1973-74 season at a luncheon held recently at the Grosse Pointe Yacht Club. From left to right, they are: MRS. DONALD E. KNAUS, treasurer;

MRS. V. J. LISOTTO, secretary; MRS. WALTER H. CRAMER, president; MRS. MARK A. LOUSH, second vice-president; and MRS. J. MORRIS BURROWS, first vice-president.

## Whittier Manor

Want the equity and pride of home ownership without large mortgage payments, property taxes and maintenance bills? Whittier Manor may be the perfect solution.

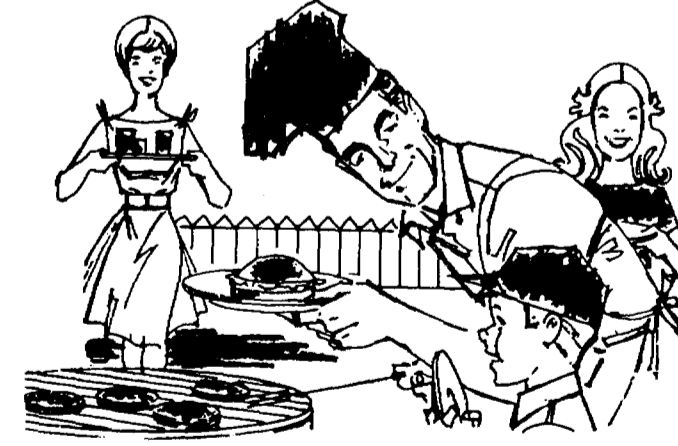

The right-sized condominium one bedroom, ample space for two. At the right price \$14,500-\$16,300. With the right features Balcony, natural oak flooring, more.

CLOSED ALL DAY  
SATURDAYS  
THROUGH AUGUST 11

# City of Grosse Pointe Farms ZONING ORDINANCE No. 192 — Code No. 12-03 (Page 1)

**TITLE**

AN ORDINANCE to promote, protect and provide for, in the interests of the public health, safety, comfort, convenience and general welfare in the City of Grosse Pointe Farms, the conservation of property values in the City, its character as a residential community, and the general trend of building and population developments, to establish districts in the City, to regulate the use of land and structures therein, to regulate and restrict the location of trades and businesses, and the location of structures designated for specific uses, to regulate and limit the height, area, bulk and location of structures, to regulate and determine the area of yards, and other open spaces, to limit and restrict the maximum number of families which may be housed in dwellings, to provide for minimum off street parking facilities for motor vehicles, to provide for the administration and enforcement of this Ordinance, to provide for a Board of Appeals and its powers and duties, and to prescribe the penalties for the violation of the provisions of this Ordinance.

**PREAMBLE**

Pursuant to the authority conferred by Act 207 of Public Acts of 1921, as amended, of the State of Michigan and for the purpose of promoting and protecting the public health, safety, peace, morals, comfort, convenience, and general welfare of the inhabitants of the City of Grosse Pointe Farms by protecting and conserving the character and social and economic stability of the residential, business, institutional and other use areas; by securing the most appropriate use of land, by preventing overcrowding of land and undue congestion of population, by providing adequate light, air and reasonable access, by facilitating adequate and economical provision of transportation, water, sewers, schools, recreation and other public requirements and by other means, all in accordance with a comprehensive plan; now therefore:

**ENACTING CLAUSE**

The City of Grosse Pointe Farms Ordains:

**ARTICLE I — SHORT TITLE**

**SEC. 100.** This Ordinance shall be known and may be cited as the City of Grosse Pointe Farms Zoning Ordinance.

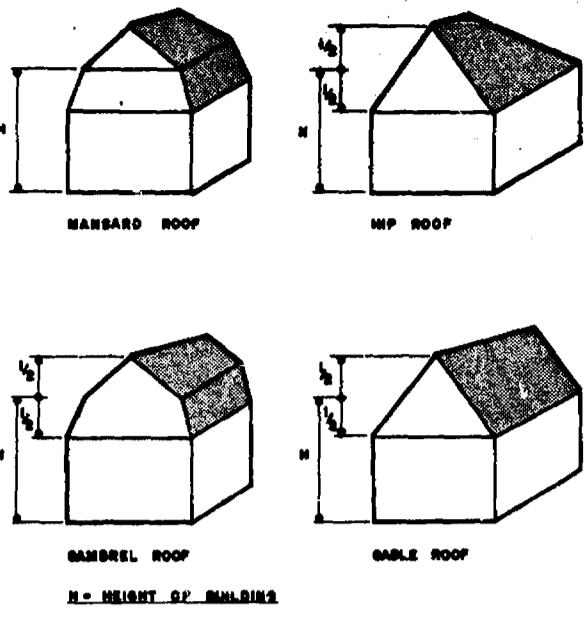

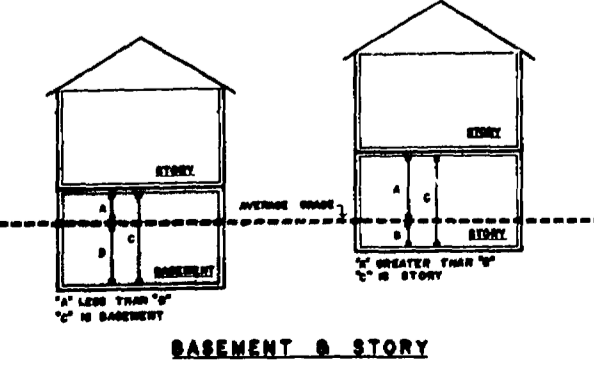

**ARTICLE II — CONSTRUCTION OF LANGUAGE AND DEFINITIONS**

**SEC. 200. CONSTRUCTION OF LANGUAGE:**

- The following rules of construction apply to the text of this Ordinance
1. The particular shall control the general.
  2. In case of any difference of meaning or implication between the text of this Ordinance and any caption or illustration, the text shall control.
  3. The word "shall" is always mandatory and not discretionary. The word "may" is permissive.
  4. Words used in the present tense shall include the future; and words used in the singular number shall include the plural, and the plural the singular, unless the context clearly indicates the contrary.
  5. The word "building" includes the word "structure." A "building" or "structure" includes any part thereof.
  6. The phrase "used for" includes "arranged for," "designed for," "intended for," "maintained for," or "occupied for."
  7. The word "person" includes any individual, a corporation, a partnership, an incorporated association, or any other similar entity.
  8. The word "dwelling" includes the word "residence," and the word "lot" includes the words "plot" or "parcel."
  9. Unless the context clearly indicates the contrary, where a regulation involves two or more items, conditions, provisions, or events connected by the conjunction "and," "or," "either...or," the conjunction shall be interpreted as follows:
    - (a) "And" indicates that all the connected items, conditions, provisions, or events shall apply.
    - (b) "Or" indicates that the connected items, conditions, provisions, or events may apply singly or in any combination.
    - (c) "Either...or" indicates that the connected items, conditions, provisions or events shall apply singly but not in combination.
  10. Terms not herein defined shall have the meaning customarily assigned to them.

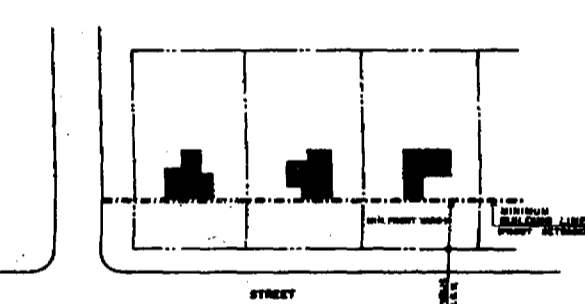

**SEC. 201. DEFINITIONS:**

1. **Accessory Use, or Accessory:** Is a use which is clearly incidental to, customarily found in connection with, and (except in the case of accessory off-street parking spaces or loading) located on the same zoning lot as, the principal use to which it is related. When "accessory" is used in this text, it shall have the same meaning as accessory use. An accessory use includes, but is not limited to, the following:
  - (a) Residential accommodations for servants and/or caretakers.
  - (b) Swimming pools, tennis courts, or similar recreation facilities for the use of the occupants of a residence, or their guests.
  - (c) Domestic storage in a shed, tool room, or similar accessory building or other structure.
  - (d) A newsstand primarily for the convenience of the occupants of a building, which is located wholly within such building and has no exterior signs or displays.
  - (e) Storage of merchandise normally carried in stock in connection with a business or use, unless such storage is excluded in the applicable district regulations.
  - (f) Accessory off-street parking spaces, open or enclosed, subject to the accessory off-street parking regulations for the district in which the zoning lot is located.
  - (g) Uses clearly incidental to a main use.
  - (h) Accessory off-street loading, subject to the off-street loading regulations for the district in which the zoning lot is located.
  - (i) Accessory signs, subject to the sign regulations for the district in which the zoning lot is located.
2. **Alley:** Is any dedicated public way affording a secondary means of access to abutting property and not intended for general traffic circulation.
3. **Alterations:** Is any change, addition or modification in construction or type of occupancy, or in the structural members of a building, such as walls or partitions, columns, beams or girders, the consummated act of which may be referred to herein as "alterations" or "reconstructed"
4. **Auto Service Station:** Is a space, building or structure designed or used for the retail sale or supply of fuels, lubricants, air, water, and other operating commodities for motor vehicles, and including the customary space and facilities for the installation of such commodities in or on such vehicles, but not including space or facilities for the storage, repair, or refinishing thereof, except, however, that minor repairs and temporary storage of vehicles shall be permitted.
5. **Basement:** Is that portion of a building which is partly or wholly below grade but so located that the vertical distance from the average grade to the floor is greater than the vertical distance from the average grade to the ceiling. A basement shall not be counted as a story and a basement shall not be used in computing the minimum required floor area.
6. **Block:** Is the property abutting one side of a street and lying between the two nearest intersecting streets (crossing or terminating) or between the nearest such street and unsubdivided acreage, lake, river or live stream, or between any of the foregoing and any other barrier to the continuity of the development or corporate boundary lines of the municipality.
7. **Board:** Is the City of Grosse Pointe Farms Board of Zoning Appeals.
8. **Building:** Is a structure that encloses space intended for the occupancy of persons or animals or the storage of goods and chattels for purposes of residence, recreation services and economic enterprises which structure shall have a roof supported by columns or walls.
9. **Building Height:** Is the vertical distance measured, from the established grade to the highest point of the roof surface for flat roofs, to the deck line of mansard roofs, and to the average height between eaves and ridge for gable, hip and gambrel roofs. Where a building is located on sloping terrain, the height may be measured from the average ground level of the grade at the building wall.

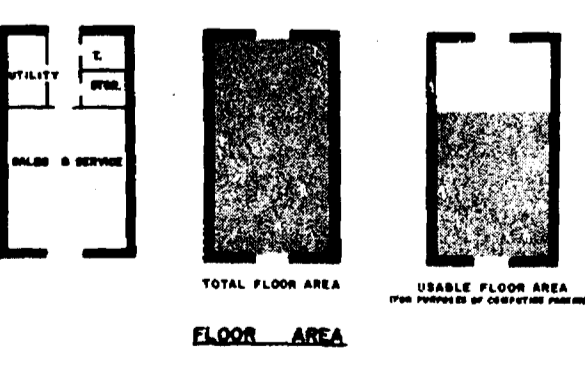

**BUILDING HEIGHT**

10. **Building Line:** Is a line formed by the face of the building, and for the purposes of this Ordinance, a building line is the same as a front setback line.
11. **Clinic:** Is an establishment where human patients, who are not lodged overnight are admitted for examination and treatment by a group of physicians, dentists or similar professions.
12. **Club, Private Recreation:** Is a private nonprofit incorporated club of limited membership, organized and operated for strictly sport and recreational purposes.
13. **Community and Cultural Centers:** Is a use conducted by a nonprofit organization which serves educational, cultural and recreational needs of the residents of the community.
14. **District:** Is a portion of the City of Grosse Pointe Farms within which certain regulations and requirements or various combinations thereof apply under the provisions of this Ordinance.
15. **Dwelling Unit:** Is a building or portion thereof, designed for occupancy by one (1) family for residential purposes and having cooking facilities.
16. **Dwelling, One-Family:** Is a building designed exclusively for and occupied exclusively by one (1) family.
17. **Dwelling, Multiple-Family:** Is a building, or portion thereof, designed exclusively for occupancy by two (2) or more families living independently of each other.
18. **Dwelling, One-Family Attached:** Is the attaching of one-family units through a common party wall which does not have over thirty (30) percent of its wall area on any floor in common with an abutting dwelling wall.
19. **Erected:** Includes built, constructed, altered, reconstructed, moved upon, or any physical operations on the premises which are required for construction. Excavation, fill, drainage, and the like, shall be considered a part of erection.
20. **Essential Services:** Is the erection, construction, alteration, maintenance and use by public utilities or municipal departments of underground, surface, or overhead gas, electrical, steam, fuel, or water transmission or distribution systems, collection, communication, supply or disposal systems, including poles, wires, mains, drains, sewers, pipes, conduits, cables, fire alarm and police call boxes, traffic signals, hydrants and similar accessories in connection herewith, but not including buildings which are necessary for the furnishing of adequate service by such utilities or municipal departments for the general health, safety or welfare.

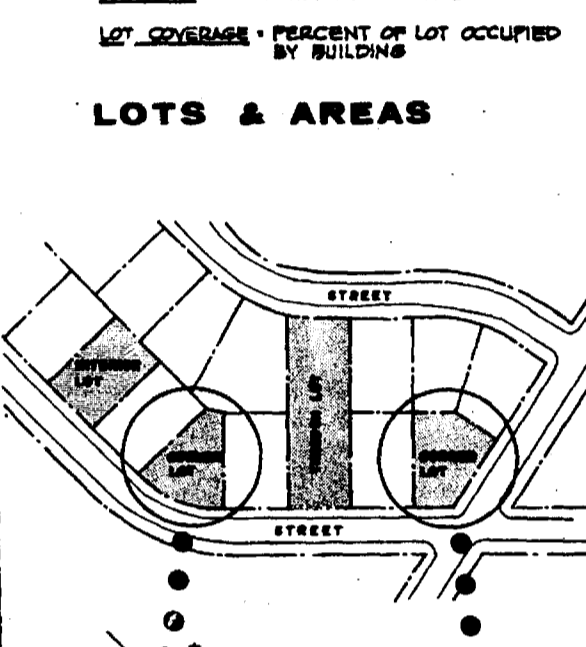

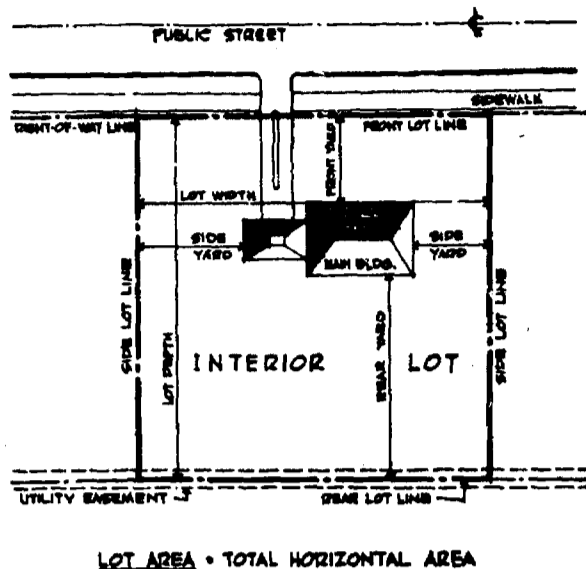

**BUILDING LINE**

21. **Excavation:** Is any breaking of ground except common household gardening and ground care.
22. **Family:** Is one (1) or two (2) persons with their direct lineal ascendants and descendants and adopted or legally cared for children (and including the domestic employees thereof).
23. **Floor Area for Dwellings:** Is the sum of the horizontal areas of each story of the dwelling unit and shall be measured from the exterior faces of the exterior walls. The floor area measurement is exclusive of areas of basements, unfinished attics attached garages, breezeways, common halls and stairways and enclosed and unenclosed porches.
24. **Floor Area, Usable (For the purposes of computing parking):** Is that area used for or intended to be used for the sale of merchandise or services for use to serve patrons, clients, or customers and an area used for employee work space. Such floor area which is used or intended to be used principally for the storage or processing of merchandise, raw materials or for signs, bulkheads, utilities or sanitary facilities, shall be excluded from this computation of Usable Floor Area. Measurement of usable floor area shall be the sum of the horizontal areas of the several floors of the building measured from the interior faces of the exterior walls.
25. **Garage, Private:** Is an accessory building or portion of a main building designed or used solely for the storage of motor driven vehicles, boats, and similar vehicles owned and used by the occupants of the building to which it is accessory.
26. **Grade:** Is a ground elevation established for the purpose of regulating the number of stories and the height of buildings. The building grade shall be the level of the ground adjacent to the walls of the building if the finished grade is level. If the ground is not entirely level, the grade shall be determined by computing the average elevation of the ground for each face of the building, and taking the average of the several averages.
27. **Landscaped Open Space:** Is that area of a lot which may not be used for the erection of buildings or portions thereof, or for parking, standing, or access aisles other than necessary drives between parking areas and the public right of way and more or less perpendicular thereto, except as provided in this Ordinance.

28. **Loading Space:** Is an off-street space on the same lot with a building or group of buildings, for the temporary parking of a commercial vehicle while loading and unloading merchandise or materials.
29. **Lot:** Is a parcel of land occupied or to be occupied, by a main building or a group of such buildings and accessory buildings; or utilized for the principal use and used accessory thereto, together with such open spaces as are required under the provisions of this Ordinance.
30. **Lot of Record:** Is a parcel of land, the dimensions of which are shown on a document or maps on file with the Wayne County Register of Deeds, or in use by the City or City Officials, and which actually exists as so shown, or any part of such parcel held in a recorded ownership separate from that of the remainder thereof.
31. **Lot Area:** Is the total horizontal area within the lot lines of the lot.
32. **Lot, Corner:** A lot where the interior angle of two adjacent sides at the intersection of two streets is less than one hundred thirty five (135) degrees. A lot abutting upon a curved street or streets shall be considered a corner lot for the purposes of this Ordinance if the arc of less radius than one hundred fifty (150) feet and the tangents to the curve, at the two points where the lot lines meet the curve or the straight street line extended, form an interior angle of less than one hundred thirty five (135) degrees.

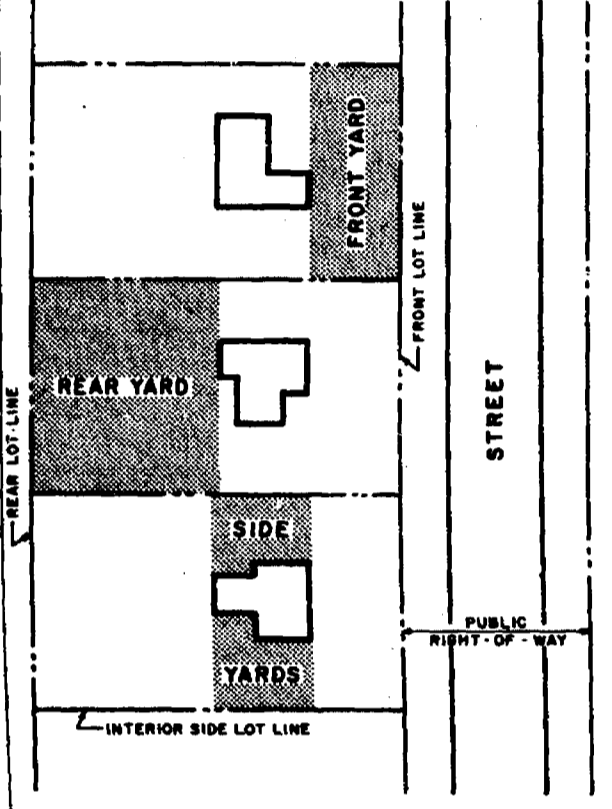

33. **Lot, Interior:** Is any lot other than a corner lot.
34. **Lot Lines:** The lines bounding a lot as defined herein.
  - (a) **FRONT LOT LINE:** In the case of an interior lot, it is that line separating said lot from the street; in the case of a corner lot, it is that line separating said lot from that street which is designated as the front street in the plat or in the request for the zoning occupancy permit.
  - (b) **REAR LOT LINE:** Is that lot line opposite the front lot line. In the case of a lot pointed at the rear, the rear lot line shall be an imaginary line parallel to the front lot line not less than ten (10) feet long, lying farthest from the front lot line and wholly within the lot. In the case of an L shaped or other irregular lot, where two or more lines are so located, all shall be considered to be rear lot lines except such as may be within fifty (50) feet of the front lot line, or which may be twenty (20) feet or less in length.

- (c) **SIDE LOT LINE:** Is any lot line other than the front lot line or rear lot line. A side lot line separating a lot from a street is an exterior side lot line. A side lot line separating a lot from another lot or lots is an interior side lot line.
35. **Lot Depth:** Is the horizontal distance between the front and rear lot lines, measured along the median between the side lot lines.
36. **Lot, Double Frontage (Through Lot):** Is any interior lot having frontages on two more or less parallel streets as distinguished from a corner lot. In the case of a row of double frontage lots, all sides of said lots adjacent to streets shall be considered frontage, and front yards shall be provided as required.
37. **Lot Width:** Is the horizontal distance between the side lot lines, measured at the points where the building line, or setback, intersects the side lot lines.
38. **Main Building:** Is a building in which is conducted the principal use of the lot upon which it is situated.
39. **Main Use:** Is the principal use to which the premises are devoted and the principal purpose for which the premises exist.
40. **Major Thoroughfare:** Is a thoroughfare as designated on the City's Major Thoroughfare Plan.
41. **Master Plan:** Is the Comprehensive Land Use Plan including graphic and written proposals indicating the general location for streets, parks, schools, public buildings, and all physical development of the municipality, and includes any unit or part of such plan, and any amendment to such plan or parts thereof.
42. **Municipality:** The City of Grosse Pointe Farms, Michigan.
43. **Nonconforming Building:** Is a building or portion thereof lawfully existing at the effective date of this Ordinance, or amendments thereto, and that does not conform to the provisions of the Ordinance in the district in which it is located.
44. **Nonconforming Use:** Is a use which lawfully occupied a building or land at the effective date of this Ordinance, or amendments thereto, and that does not conform to the use regulations of the district in which it is located.
45. **Off-Street Parking Lot:** Is a facility providing vehicular parking spaces along with adequate drives and aisles, for maneuvering, so as to provide access for entrance and exit for the parking of more than two (2) vehicles.
46. **Parking Setback:** Is a line back of a lot line, between which line and the lot line no vehicular parking or standing or access aisles other than necessary drives between parking areas and the public right of way and more or less perpendicular thereto, may be permitted except as provided in this Ordinance.
47. **Parking Space:** Is an area of definite length and width, said area shall be exclusive of drives, aisles or entrances giving access thereto, and shall be fully accessible for the parking of permitted vehicles.
48. **Principal Use:** Is the principal purpose for which land or a building is arranged, designed or intended, or for which land or a building is or may be occupied.
49. **Public Utility:** Is any person, firm, or corporation, municipal department, board or commission duly authorized to furnish and furnishing under federal, state or municipal regulations to the public gas, steam, electricity, sewage disposal, communication, telegraph, transportation, or water.
50. **Setback:** Is the distance required to obtain minimum front, side or rear yard open space provisions of this Ordinance.
51. **Sign:** Is the use of any words, numerals, figures, devices, designs or trademarks by which anything is made known (other than billboards) such as are used to show an individual firm, profession, or business and are visible to the general public.
52. **Story:** Is that part of a building included between the surface of one floor and the surface of the next floor or if there is no floor above, then the ceiling next above. A basement shall not be counted as a story.
53. **Story, Half:** Is an uppermost story lying under a sloping roof, the usable floor area of which does not exceed seventy five (75) percent of the floor area of the story immediately below it, and not used or designed arranged or intended to be used in whole or in part as an independent housekeeping unit or dwelling.
54. **Street:** Is a dedicated and accepted public right of way, or a permanent unobstructed private easement of access with a roadway suitable for vehicular travel at least twenty four (24) feet wide which affords the principal means of vehicular access to abutting property, such private easement shall have a minimum right of way of fifty (50) feet unless an easement of access of lesser width existed prior to the adoption of this Ordinance.

The City Council has adopted a Lakeshore Estates Master Plan for the development of Lakeshore Road properties upon which is shown the exact location of proposed future new or extended streets and such plan shall be followed as closely as is practical in the future development in that area.

55. **Structure:** Is anything constructed or erected, the use of which requires location on the ground or attachment to something having location on the ground.
56. **Temporary Use or Building:** Is a use or building permitted by the Board of Appeals to exist during periods of construction of the main building or use, or for special events.
57. **Use, Principal:** Is the principal purpose for which land or a building is arranged, designed or intended, or for which land or a building is or may be occupied.
58. **Wall, Obscuring:** Is a structure of definite height and location to serve as an obscuring screen in carrying out the requirements of this Ordinance.
59. **Yards:** The open spaces on the same lot with a main building unoccupied and unobstructed from the ground upward except as otherwise provided in this Ordinance, and as defined herein.
  - (a) **FRONT YARD:** Is an open space extending the full width of the lot, the depth of which is the minimum horizontal distance between the front lot line and the nearest point of the main building.
  - (b) **REAR YARD:** Is an open space extending the full width of the lot, the depth of which is the minimum horizontal distance between the rear lot line and the nearest point of the main building. In the case of a corner lot, the rear yard may be opposite either street frontage.
  - (c) **SIDE YARD:** Is an open space between a main building and the side lot line, extending from the front yard to the rear yard, the width of which is the horizontal distance from the nearest point on the side lot line to the nearest point of the main building.
  - (d) **EXTERIOR YARD:** Is an open space between any one building or group of buildings and the property line extending about the entire periphery of the lot or parcel. All such spaces in Multiple-Family Residential and One-Family Attached Cluster Residential Districts shall be considered as exterior yards.

**ARTICLE III — ZONING DISTRICTS AND MAP**

**SEC. 300. DISTRICTS:**

- For the purpose of this Ordinance, the City of Grosse Pointe Farms is hereby divided into the following districts:
- |        |  |
|--------|--|
| R-1 AA | One Family Residential District                  |
| R-1 A  | One Family Residential District                  |
| R-1    | One Family Residential District                  |
| RC     | One Family Attached Residential Cluster District |
| RM     | Multiple Family Residential District             |
| CS     | Community Service District                       |
| B-1    | Local Business District                          |
| B-2    | Commercial District                              |
| D-1    | Office District                                  |
| CR     | Community Recreational District                  |
| P-1    | Vehicular Parking District                       |

**SEC. 301. ZONING MAPS:**

Each area shall be set forth on maps containing such information as may be acceptable to the City Council and showing by appropriate means the various districts into which the area is divided, which maps shall be entitled, "Zoning District Map of Grosse Pointe Farms" and shall bear the date adopted or amended and it shall be the duty of the City Clerk to authenticate such record, by placing his official signature thereon. Such maps with all explanatory matter thereon, are hereby made a part of this Ordinance and shall be as much a part of this Ordinance as if the matter and information set forth thereon were all fully described herein.

**SEC. 302. DISTRICT BOUNDARIES:**

- Where uncertainty exists with respect to the boundaries of any of the districts established in this Ordinance as shown on the Zoning District Maps, the following rules shall be applied:
1. Where district boundaries are indicated as approximately following the center line of streets or highways, street lines or highway right of way lines, such center lines, street lines or highway right of way lines shall be construed to be said boundaries.
  2. Where district boundaries are so indicated that they approximately follow the lot lines, such lot lines shall be construed to be said boundaries.
  3. Where district boundaries are so indicated that they are approximately parallel to the center lines of streets, or the center lines or right of way lines of highways, such district boundaries shall be construed as being parallel thereto and at such distance therefrom as indicated on the Zoning Map. If no such distance is given, such dimension shall be determined by the use of the scale shown on said Zoning Map.
  4. Where the boundary of a district follows a subdivision boundary line, such boundary line shall be construed to be said district boundary line.
  5. Where, due to the scale, lack of detail, or illegibility of the Zoning Map accompanying this Ordinance, there is any uncertainty, contradiction, or conflict as to the intended location of any district boundaries shown thereon, interpretation concerning the exact location of district boundary lines shall be determined upon written application, or upon its own motion, by the Board of Zoning Appeals.
  6. Where districts or district boundaries are referred to in this Ordinance, they shall in all instances mean only the districts within the corporate boundary of the City of Grosse Pointe Farms.

# City of Grosse Pointe Farms ZONING ORDINANCE No. 192—Code No. 12-03 (Page 4)

- (c) Narrow Evergreens Three (3) feet in height
    - (1) Pyramidal Arbor-Vita
    - (2) Columnar Juniper
    - (3) Irish Juniper
  - (c) Tree Like Shrubs Four (4) feet in height
    - (1) Flowering Crabs
    - (2) Russian Olives
    - (3) Mountain Ash
    - (4) Dogwood
    - (5) Redbud
    - (6) Rose of Sharon
  - (d) Large Deciduous Shrubs Six (6) feet in height
    - (1) Honeysuckle
    - (2) Viburnum
    - (3) Mock Orange
    - (4) Forsythia
    - (5) Lilacs
    - (6) Ninebark
  - (d) Large Deciduous Trees Eight (8) feet in height
    - (1) Oaks
    - (2) Hard Maples
    - (3) Ash
    - (4) Hackberry
    - (5) Sycamore
- Trees not permitted
- (a) Box Elder
  - (b) Soft Maples
  - (c) Elms
  - (d) Poplars
  - (e) Atlantic tree of heaven

**SEC. 1508. USE RESTRICTION:**

No portion of a lot used in complying with the provisions of this Ordinance for yards, lot area per family, or percentage of lot occupancy, in connection with an existing or projected building or structure, shall again be used as part of the lot required in connection with any other building or structure existing or intended to exist at the same time. Where less than the total lot or parcel area is used to comply with the provisions for yards, lot area per family, or percentage of lot occupancy, the plot plan shall be drawn to designate that portion used for such compliance.

**SEC. 1510. LANDSCAPING OPEN SPACE IN PARKING AREAS:**

Where parking and vehicular circulation space is provided in any zone except One Family Residential Districts, such parking and circulation space shall be effectively screened from public rights-of-way and/or from any adjacent residential districts by one or more of the following means:

- (a) Plant materials as specified in Section 1508.
  - (b) Earth-molding or a differential in topography not less than four (4) feet in height measured from the surface of the parking area, and so designed as to minimize the view of parked cars or paved surface.
  - (c) A continuous obscuring face brick or stone wall not less than four (4) feet and not more than six (6) feet in height measured from the surface of the parking area, adjusted to reflect topographic characteristics. Whenever such wall is required, all land between said wall and fence and the lot line or boundaries of P-1 Districts shall be kept free from refuse and debris and shall be landscaped with deciduous or evergreen plants, and ornamental trees of height and size and density as approved by the City Council. The ground area shall be planted and kept in lawn. All such landscaping and planting shall be maintained in a healthy, growing condition, neat and orderly in appearance.
- All landscaping plans shall be submitted to the City Council for approval as to suitability of planting material and arrangement thereof, in accordance with the provisions of the preceding paragraph.
- Where lighting facilities for parking or exterior of buildings are provided, they shall be so arranged or so screened by landscaping or other means as to reflect the light away from residential districts and public rights-of-way.
- Landscaping Open Space may include hard surfaces for pedestrian circulation or decorative purposes, but the area of hard surfaces shall be no greater than thirty (30) percent of the total landscaped open space. Features such as arcades, pergolas, terraces, sculpture, fountains, pools, etc., must be approved during the process of review of the site plan by the City Council.

**SEC. 1511. SITE PLAN REVIEW (ALL DISTRICTS):**

- A site plan shall be submitted to the City Council for approval of:
  - (a) Any use or development for which the submission of a site plan is required by any provision of this Ordinance.
  - (b) Any development, except single family residential, for which off street parking areas are provided as required in Section 1504, Subsection B, Parking Requirements.
  - (c) Any use in an RC, RM, CS, B-1, B-2, O-1 or CR District lying contiguous to, or across a street from any One Family Residential District.
  - (d) Any use which lies contiguous to a major thoroughfare.
  - (e) All residentially related uses permitted in single family districts.
- Every site plan submitted to the City Council, in accordance with the requirements of this Ordinance shall contain such information and be in such form as the City Council may prescribe in its rules. No site plan shall be approved until same has been reviewed by the City Engineer and the Planner for compliance with all City standards.
- In the process of reviewing the site plan, the City Council shall consider:
  - (a) Single family development on the basis of a subdivision.
  - (b) The location and design of driveways providing vehicular ingress to and egress from the site, in relation to streets giving access to the site, and in relation to pedestrian traffic.
  - (c) The traffic circulation features within the site and location of automobile parking areas, and may make such requirements with respect to any matters as will assure:
    - (1) Safety and convenience of both vehicular and pedestrian traffic both within the site and in relation to access streets.
    - (2) Satisfactory and harmonious relations between the development on the site and the existing and prospective development of contiguous land and adjacent neighborhoods.
  - (d) The City Council may further require landscaping, fences and walls in pursuance of these objectives and same shall be provided and maintained as a condition of the establishment and the continued maintenance of any use to which they are appurtenant.
  - (e) In approving the site plan, the City Council may recommend marginal access drives. For a narrow frontage, which will require a single outlet, the City Council may recommend that money in escrow be placed with the City so as to provide for a marginal service drive equal in length to the frontage of the property involved. Occupancy permits shall not be issued until the improvement is physically provided or money has been deposited with the City Clerk.
  - (f) The City Council shall find that all proposed projects are adequately served by all public utilities or shall require that all proposed projects be provided by the developer with adequate service of all public utilities.

**SEC. 1512. ENCLOSURE OF EXTERIOR SERVICE AREAS:**

In all zoned districts, except one family residential rubbish collection areas and other service areas shall be enclosed by an obscuring structural appearance as approved by the Director of Public Service. The structure, location and materials shall be acceptable to the Director of Public Service as a prerequisite to issuance of a building permit.

**SEC. 1513. ACCESS THROUGH YARDS:**

For the purpose of this Ordinance, access drives may be placed in the required front or side yards so as to provide access to rear yards and/or accessory or attached structures. These drives shall not be considered as a structural violation in front or side yards. Further, any walk, terrace, or other pavement serving a like function, and not in excess of nine (9) inches above the grade upon which placed, shall for the purpose of this Ordinance, not be considered a structure and shall be permitted in any required yard.

**SEC. 1514. RESIDENTIAL ENTRANCEWAY:**

In all Residential Districts, so-called entranceway structures, including but not limited to, walls, columns and gates marking entrance to one family and multiple family subdivisions, may be permitted and may be located in a required yard. Such entranceway shall comply with all codes and ordinances of the City of Grosse Pointe Farms, and to insure such compliance, the Director of Public Service will certify to such compliance and issue permit for such use. When said entranceways include any sign as part of the structure, the Council shall review the proposal in accordance with the standards set forth in the City's Sign Ordinance, prior to the granting of approval by the Director of Public Service. The Council shall require that any numerals, letters or graphics included as part of the structure shall refer only to the subdivision or development upon which located, and it shall find that such sign shall represent a minor portion of the structure.

**SEC. 1515. GRADES AND DRAINAGE:**

It shall be unlawful to grade any lot in a manner that will result in causing storm water to flood adjoining lots or property. The Director of Public Service will not issue a Certificate of Compliance or Occupancy if he determines that the proposed or accomplished change of elevation (grade) will or does result in such flooding.

**ARTICLE XVI - ADMINISTRATION AND ENFORCEMENT**

**SEC. 1600. ESTABLISHMENT OF ADMINISTRATIVE OFFICERS:**

The provisions of this Ordinance shall be administered by the Director of Public Service or his duly authorized assistants or such other person or persons as shall be designated by the City Council.

**SEC. 1601. DUTIES AND LIMITATIONS OF THE DIRECTOR OF PUBLIC SERVICE:**

The Director of Public Service shall have the power to grant Certificates of Compliance and Certificates of Occupancy, and to make inspections of buildings or premises necessary to carry out his duties in the enforcement of this Ordinance. It shall be unlawful for the Director of Public Service to approve any plans or issue a Certificate of Compliance for any excavation or construction or use until he has inspected such plans in detail and has found them in compliance with this Ordinance. To this end, the Director of Public Service shall require that every application for a Certificate of Compliance for excavation, construction, moving, alteration, or change in type of use or type of occupancy, shall be accompanied by a written statement and plans or plats drawn to scale showing the following in sufficient detail to enable the Director of Public Service to ascertain whether the proposed work or use is in conformance with this Ordinance:

- The actual shape, location, and dimensions of the lot, if the lot is not a lot of record, sufficient survey data to locate the lot on the ground.
- The shape, size, and location of all buildings or other structures to be erected, altered or moved, and of any other buildings or other structures already on the lot.
- The existing and intended use of the lot and of all structures upon it.
- Such other information concerning the lot or adjoining lots or other matters as may be essential for determining whether the provisions of this Ordinance are being observed.

Within ten (10) days after the filing of such application, it shall be the duty of the Director of Public Service either to issue a Certificate of Compliance, or to refuse to issue the same and, when such certificate is refused, to state in writing his reasons for such refusal, and no building permit shall be issued prior to the issuance of such certificate.

The Director of Public Service may accept a preliminary application and a lesser number of submitted documents than those listed above in situations where a basic clarification is desired ahead of proceeding with further technical work; and the Director of Public Service may on such preliminary submission take the formal action of tentative denial or tentative approval.

Within five (5) days after notification that the building or premises or part thereof is ready for occupancy, the Director of Public Service shall make a final inspection thereof, and if he shall find the same to be in conformity with the provisions of this Ordinance, he shall endorse such fact on the Certificate of Compliance in a statement properly signed and dated and such statement shall have the force of a Certificate of Occupancy; otherwise he shall not make such endorsement.

Issuance of a Zoning Compliance Permit shall in no case be construed as waiving any provision of this Ordinance.

The Director of Public Service is under no circumstance permitted to grant exceptions to the actual meaning of any clause, order, or regulation contained in this Ordinance to any person making application to excavate, construct, move, alter, or use either buildings, structures or land.

The Director of Public Service is under no circumstance permitted to make changes to this Ordinance or to vary the terms of this Ordinance in carrying out his duties.

The Director of Public Service shall carry out the orders of the Board of Zoning Appeals which are duly authorized by this Ordinance.

**SEC. 1602. CERTIFICATE OF COMPLIANCE:**

It shall be unlawful to commence the excavation for, or the construction of, any building or other structure, including an accessory building or to commence the moving, alteration or repair of any structure, including accessory building, costing more than One Hundred Dollars (\$100.00) until the Director of Public Service has issued for such work a Certificate of Compliance including a certification of his opinion that plans, specifications and intended use of such structure does in all respects conform to the provisions of this Ordinance. Also, it shall be unlawful to change the type of use of land, or to change the type of use or type of occupancy of any building, or to extend any use on any lot on which there is a nonconforming use, until the Director of Public Service has issued for such intended use a Certificate of Compliance. In all cases where a building permit is required, application for a Certificate of Compliance shall be made coincident with the application for a building permit, and in all other cases shall be made not less than ten (10) days prior to the time when a new or enlarged use of a building or premises or part thereof is intended to begin. This application shall be made in writing to the Director of Public Service on forms provided for that purpose. A record of all such applications shall be kept on file by the Director of Public Service. Any Certificate of Compliance issued under the provisions of this Ordinance shall be valid only for a period of six (6) months following the date of issuance thereof. When the Director of Public Service receives an application for a Certificate of Compliance which required Board of Zoning Appeals Special Exception, or other approval, he shall so inform the applicant.

**SEC. 1603. FEES:**

Before any Certificate of Compliance shall be issued, an inspection fee shall be paid in an amount fixed by a schedule established by resolution of the City Council.

**SEC. 1604. CERTIFICATE OF OCCUPANCY:**

No building or structure or use for which a Certificate of Compliance has been issued shall be used or occupied until the Director of Public Service has after final inspection, issued a Certificate of Occupancy indicating his opinion that all the provisions of this Ordinance are being complied with. The issuance of a Certificate of Occupancy shall in no case be construed as waiving any provisions of this Ordinance.

Any change in occupants in any nonresidential district shall require application for and upon compliance with standards, the issuance of a new Certificate of Occupancy.

**ARTICLE XVII - BOARD OF ZONING APPEALS**

**SEC. 1700. CREATION OF BOARD OF ZONING APPEALS:**

There shall be a Board of Zoning Appeals established in accordance with Act 207 of the Public Acts of Michigan for 1921 as amended, which in addition to the general duties and powers conferred upon it by law, may in specific cases vary or modify the regulations herein established, in harmony with their general purpose and intent. The City of Grosse Pointe Farms' Board of Zoning Appeals shall consist of all of the members of the City Council, and the Mayor shall serve as Chairman thereof.

**SEC. 1701. PROCEDURE OF THE BOARD OF ZONING APPEALS:**

Meetings of the Board of Zoning Appeals shall be held at the call of the Chairman, and at such other times as the Board may determine. Such Chairman or, in his absence, the acting chairman, may administer oaths and compel the attendance of witnesses. The Board shall adopt rules of procedure and shall keep records of applications and the action thereon, which shall be a public record. The City Clerk or his duly authorized assistant shall act as Secretary for the Board of Zoning Appeals.

**SEC. 1702. POWERS OF THE BOARD OF ZONING APPEALS:**

The Board of Zoning Appeals shall have the following powers, including the power to order the issuance of Certificates of Compliance and Certificates of Occupancy to implement its decisions herein duly authorized.

- Interpretation of the Zoning Ordinance
    - a. To interpret the location of district boundaries on the Zoning Map as provided in Section 302.
    - b. To approve similar uses in an O-1 Office District as provided in Section 1000.
    - c. To approve a reduction in the parking lot area size as provided in Section 1201.
    - d. To determine that a deck type parking facility will not prove injurious to abutting property as provided in Section 1201.
    - e. To decide upon modification of open space and other provisions for nonconforming lots of record as provided in Section 1502.
  - To determine that another nonconforming use is equally appropriate to the District as is provided in Section 1502.
  - To determine that there is available space in public parking to accommodate additional parking as provided in Section 1504.
  - To interpret off street parking requirements as provided in Section 1504.
  - To determine the character of the material of a barrier as provided in Section 1507.
  - To hear and decide appeals where it is alleged by the appellant that there is error, in regard to interpretation of the provisions of this Ordinance, in any order, requirement, permit, decision or refusal made by the Director of Public Service in carrying out or enforcing any provision of this Ordinance. This power of the Board shall be construed to clarify any uncertainty that exists in the meaning of the provisions of this Ordinance. Decisions against the action of the Director of Public Service is conditional upon a finding that the Director of Public Service is in error. In his acting under this Ordinance or is based on the Director of Public Service overstepping the authority granted to him, or having acted in a manner as to be in conflict with the letter and spirit of this Ordinance.
2. Exceptions
- In special situations specifically described in this Ordinance, exceptions to the general regulations are permitted with the approval of the Board of Zoning Appeals. Uses

requiring Board of Zoning Appeals exceptions are permissible only when in the finding of the Board of Zoning Appeals adequate conditions exist or can be imposed that will make such uses compatible with the purposes of this Ordinance and intent and principal uses of the district. Otherwise such uses are prohibited uses.

In issuing an exception the Board of Zoning Appeals shall take into consideration the public health, safety and welfare and shall prescribe appropriate conditions and safeguards to insure the following:

- That all proposed structures, equipment or materials shall be readily accessible for fire and police protection.
- That the proposed use shall not cause traffic congestion or movement out of proportion to that normally prevailing in the particular district.
- That the proposed use shall provide sufficient space for the off street parking of all vehicles attracted by its presence and abides by the regulations set forth in this Ordinance for its particular district, or use.
- That any proposed building shall not be out of harmony with the predominant type of building in the particular district by reason of its size, character, location, or intended use.
- That conditions indicated in Section 1300 are satisfactory for a particular use.
- That the erection and use of buildings or the use of premises in any location for public utility purposes be permitted, and that exception is made therefor to the height and yard requirements herein established, which the Board considers reasonably necessary for the public convenience or welfare.

To authorize, upon an appeal, a Variance from the strict application of the provisions of this Ordinance, where, by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of the enactment of this Ordinance, or by reason of exceptional topographic conditions or other extraordinary and exceptional situations or conditions of such piece of property, the strict application of a regulation enacted under this Ordinance would result in peculiar and exceptional practical difficulties to, or exceptional or undue hardship upon, the owner of such property. Variance of the type of use from that permitted by this Ordinance is not authorized.

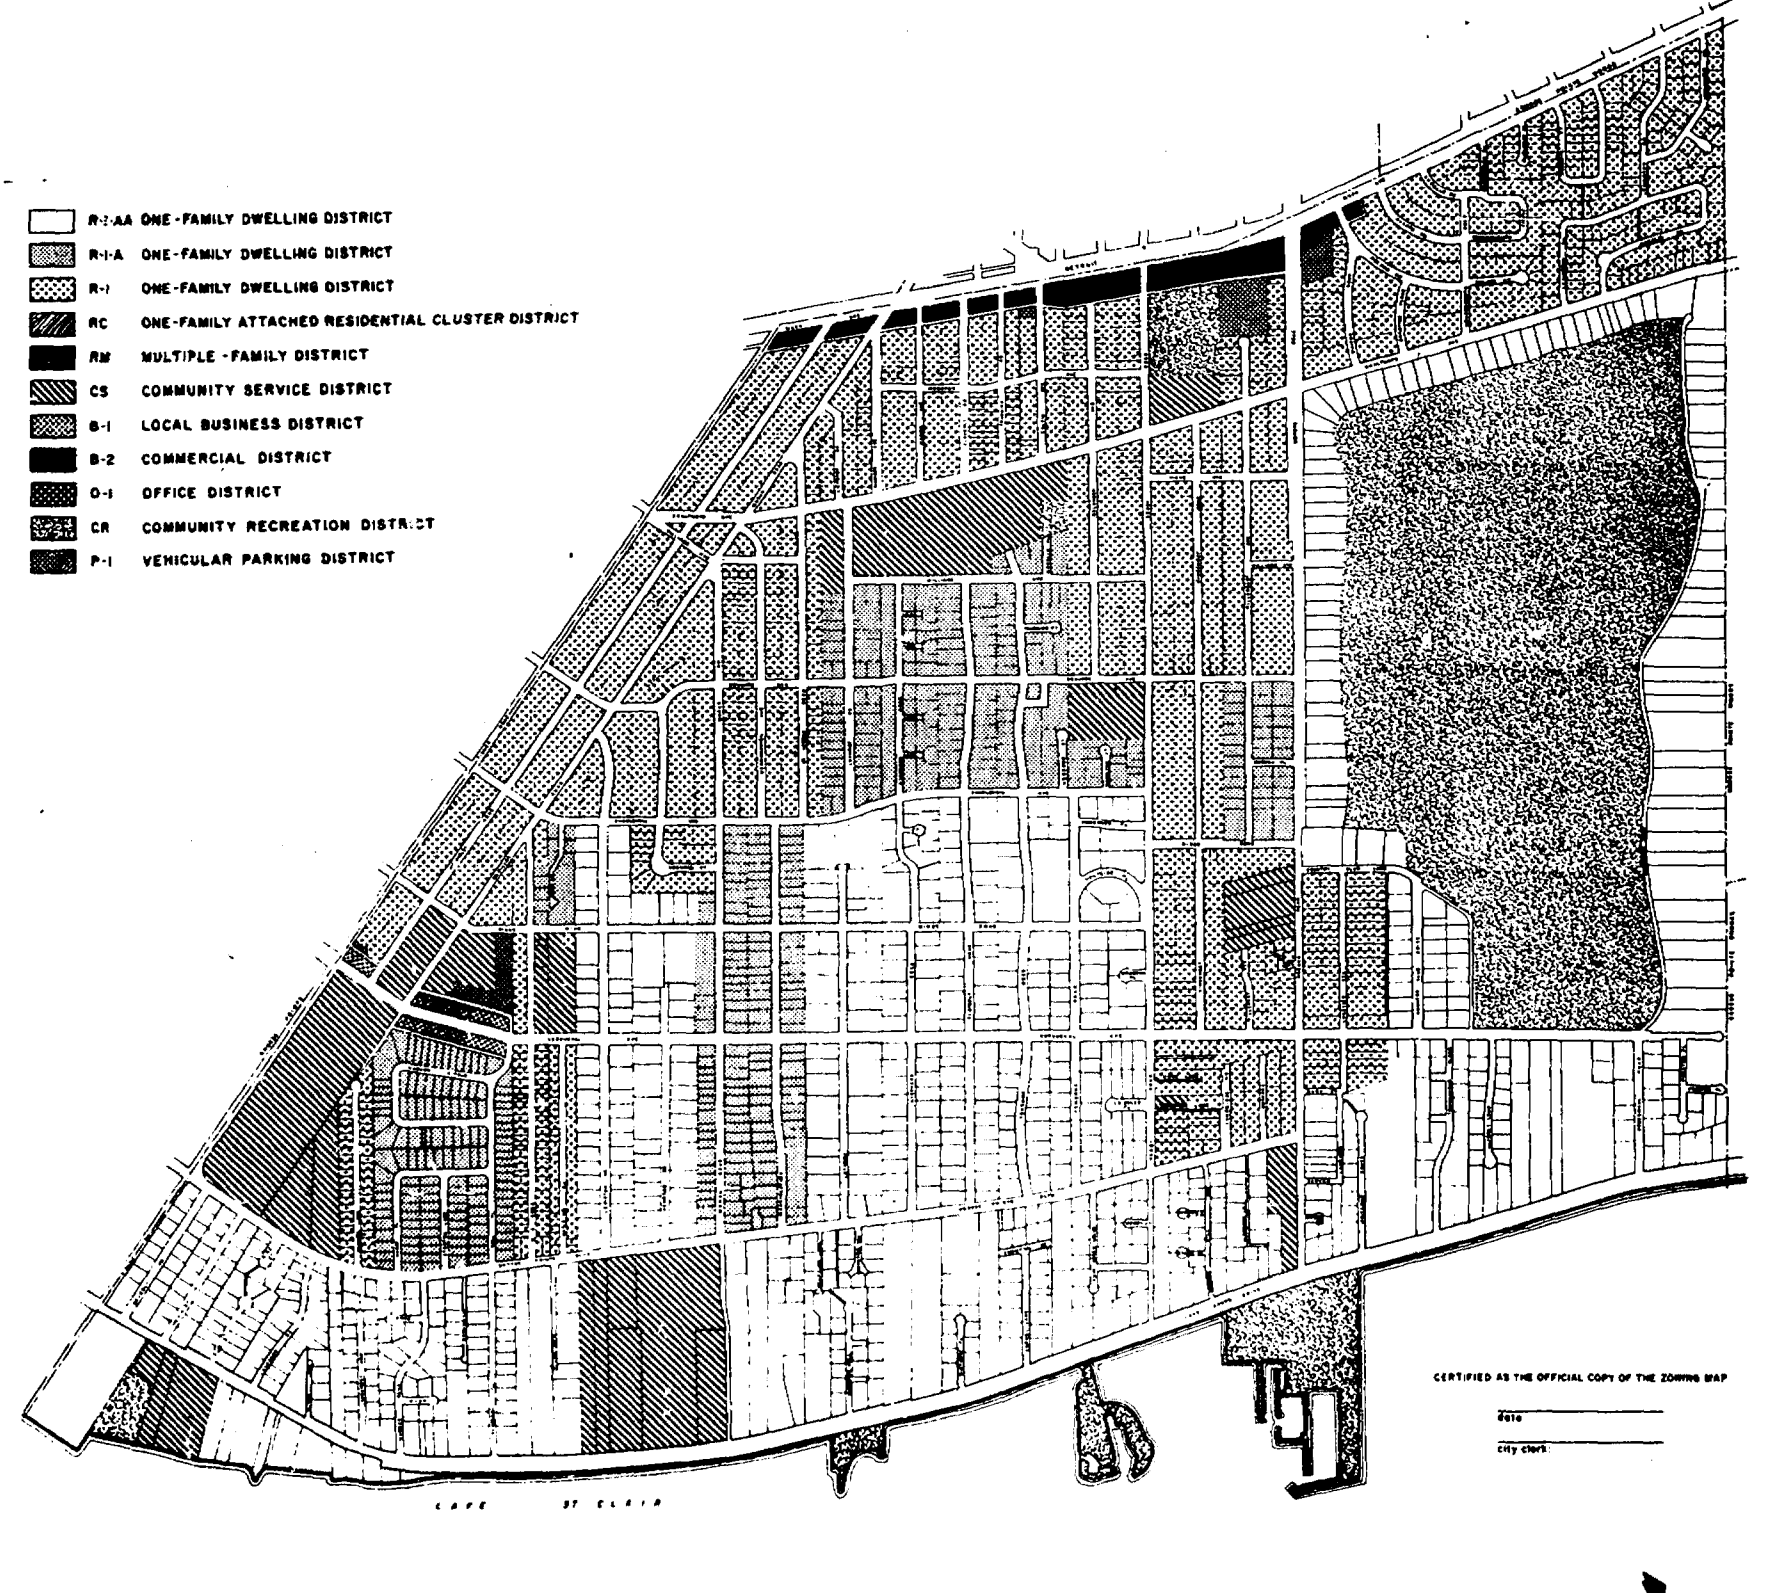

A Variance can only be allowed by the Board of Zoning Appeals in cases involving practical difficulties or unnecessary hardships when the evidence in the official record on appeal from a decision or order of the Director of Public Service supports, in the opinion of the Board, all of the following affirmative findings:

- That the Variance is in harmony with and serves the general intent and purpose of this Ordinance.
  - That allowing the Variance will result in substantial justice being done, considering both the public benefits intended to be secured by this Ordinance and the individual hardships that will be suffered by a failure of the Board to grant the Variance.
  - That the Variance, if allowed, will not interfere with or injure the rights of others in the use district whose property would be affected by allowance of the Variance.
  - That the alleged hardships or practical difficulties are unique and singular as regards the property of the party requesting the Variance, and are not those suffered in common with other property similarly located.
  - That the alleged hardships or practical difficulties that will result from failure to grant the Variance include more than personal inconvenience and financial hardship.
- When a requested Variance is allowed by the Board of Zoning Appeals, there shall be entered in the minutes of the Board as a part of the record in each case of a requested Variance the affirmative findings in support of the Variance.
- When a requested Variance is denied by the Board of Appeals, there shall be entered in the minutes of the Board as a part of the record in each case of a requested Variance the matters as to which the Board is unable by virtue of the whole record before it to make the requisite affirmative findings.
- When granting a Variance under this Ordinance, the Board may impose such conditions and limitations as are necessary to limit the use of the premises so as to make whatever parking space is provided adequate to the extent of preventing congestion in streets due to parking of passenger vehicles of occupants, or patrons or employees of enterprises in buildings which such off street parking facility is intended to serve.

**SEC. 1703. LIMITATIONS ON THE POWERS OF THE BOARD:**

In accordance with Act 207 of the Public Acts of Michigan for 1921, as amended, the concurring vote of five (5) of the seven (7) members of the Zoning Board of Appeals shall be necessary to grant an exception or variance to this Ordinance. In the instance that the City Council consists of less than seven (7) members at the time of the Zoning Board of Appeals hearing, the concurring vote of two thirds (2/3) of the members present shall be required to grant an exception or variance.

"Attachment is another name for our sorrow at what we have not been able to achieve in this world. Rules reformed and tasks accomplished disappear into the limbo of oblivion, leaving no sense of longing behind. But our feelings for persons left behind as orphans or for tasks which failed to reach fruition, persists."  
Premchand

**STREET RESURFACING CITY OF GROSSE POINTE PARK INVITATION TO BID**

Sealed bids will be accepted from contractors prequalified by the Michigan State Highway Department, by the City Clerk of the City of Grosse Pointe Park, Michigan until 10 a.m. on Thursday, August 2, 1973, in the Municipal Building at 15115 E. Jefferson Avenue, for the furnishing of all labor, materials and equipment for the stripping and preparation of existing pavement, and the application of one (1) and two (2) course asphaltic concrete resurfacing for an approximate total of 2,695 tons, in the City of Grosse Pointe Park.

Specifications and bid proposals are available at the Municipal Building. Proposals to be made on proposals blanks and accompanied by a certified check for not less than 5% of the amount of the proposal, or an accepted bidder's bond. Proposals to be plainly marked on outside of envelope "Bid on Street Resurfacing," and directed to the attention of the City Clerk.

Grosse Pointe Park reserve the right to accept or reject any or all bids.

Bids will be opened in the Council Chambers of the Municipal Building, 15115 E. Jefferson Avenue on August 2, 1973 at 10 a.m.

CITY OF  
**Grosse Pointe Farms**  
MICHIGAN  
**CODE NO. 11-09**  
**SIGN ORDINANCE**  
**ORDINANCE NO. 193**  
**AN ORDINANCE TO REGULATE SIGNS**

THE CITY OF GROSSE POINTE FARMS ORDAINS:

Section 1. Definitions. The following definitions shall apply in the interpretation of this Ordinance.

(1) "Sign" shall mean any device, panel, banner or structure constructed or maintained with words, numbers or characters thereon for the purpose of an advertisement, announcement, or giving information, but shall not include a residence numbering sign.

(2) "Display Area" shall mean the area that is bounded by a series of curved or straight lines that are the outer boundaries of the sign.

Section 2. Permit Required. It shall be unlawful for any person to erect, alter, relocate, re-assemble, or post any sign governed by the provisions of this Ordinance within the City without first having obtained a permit therefor from the City. Signs permitted pursuant to subsection (2) of Section 8 shall not require a permit.

Section 3. Application for Permit. An application for a permit shall be made on a form prescribed by the City, and shall contain among other things the name and address of the applicant, the type of sign and the proposed location, the name of the person who will erect or hang the sign, the written consent of the owner or lessee of the property on which any sign is to be located, and a plan or sketch of the sign, showing the dimensions, plans and specifications of the material to be used in its construction. If the sign is to be electrically illuminated, the name of the electrician who is to connect the wiring to the supply line must be specified, his license shown, and the sign shall have an approved underwriter's laboratory label number, together with an electrical permit number. Electrical clocks, thermometers or similar devices shall, for the purpose of this Ordinance, be deemed to be signs. Application for permits to erect signs in which plastic materials are to be employed shall set forth the manufacturer's trade name for, and the common name of, the plastic material to be used; and shall certify either that the plastic material is non-combustible or that the plastic material has been tested by a recognized testing laboratory and rated as an "approved non-combustible plastic." If plastics are employed in any part of a sign, the finished plastic unit shall be identified with the manufacturer's trade name for the plastic material or with the common name of the plastic material, if any.

Section 4. Issuance of Permit. The application for permit, together with all plans and specifications in connection therewith, shall be approved by the Director of Public Service, and such approval shall not be given unless and until such application shall comply with all of the provisions of this Ordinance. If such application complies with this Ordinance, a permit to erect, alter, relocate, re-assemble or post the sign shall be issued. Any sign which has been erected for a particular purpose shall not have its use changed without first making a new application and having a permit issued therefor.

Section 5. Permit Fee. A permit fee to be determined from time to time by resolution of the City Council for each sign to be erected shall be paid at the time application therefor is filed, except as to signs hereinafter specifically designated otherwise.

Section 6. Unsafe Signs. All signs shall be securely and adequately fastened and anchored. Single strand wires, wood plugs or other structurally unsafe materials are prohibited in the erection or maintenance of any sign.

Section 7. Unlawful Location of Sign. It shall be unlawful for any sign to be erected in any location where, by reason of traffic conditions, fire, or other hazard, it would imperil public safety or interfere with the duties of the police or fire department.

Section 8. Signs in Residential and In Community Service and Recreation Districts. In residential districts and in community service and community recreation districts, identification signs are permitted as follows:

(1) For principal uses other than residences, one permanent bulletin or announcement board not exceeding thirty-two (32) square feet in area and not exceeding six (6) feet in overall height.

(2) One temporary "For Sale," "For Rent," or "General Contractors" sign, not to exceed six (6) square feet in area, advertising only the premises on which erected. These signs shall not be maintained on the premises more than five (5) days after the property has been sold, rented, or the construction completed.

(3) No sign shall contain any visible moving parts and no sign shall be illuminated by other than continuous indirect white light.

Section 9. Signs in Office and Business Districts. In local business, commercial and office districts, identification and business signs are permitted as follows:

(1) Any sign permitted in residential districts.

(2) One or more attached signs pertaining to the use of the premises on which they are placed, the total of all such signs not exceeding a total area of one square foot for each three (3) square feet of wall surface area facing the front lot line.

(3) No such sign shall be erected upon a roof or shall project over any walk, street or other passage open to public travel, provided however, that the foregoing shall not forbid a sign or lettering constructed on the wall of a building, parallel thereto, and projecting therefrom, a uniform distance of not more than twelve (12) inches.

(4) Free-standing signs of a total maximum height (measured from average grade level) of twenty-five (25) feet, not exceeding fifty (50) square feet in sign display area, and not extending over public property, shall be permitted.

Section 10. Signs in Parking Districts. In parking districts, signs shall be permitted at each point of ingress and egress to a parking lot to indicate the operator, parking rates, and directions of movement. Such signs shall each not exceed fifteen (15) square feet in area, shall not extend more than ten (10) feet in height above grade, and shall be entirely on the parking lot. Further, signs of limited size advertising the uses being served by such parking areas may be erected in parking districts.

Section 11. Illegal Signs, Nuisance. Any sign or billboard maintained contrary to the provisions of this Ordinance shall be thereupon deemed to create a public nuisance and shall be subject to removal by appropriate action to abate nuisance.

Section 12. Illuminated Signs, Hours. Illumination of all outdoor lighted advertising signs shall be terminated and discontinued each night between the hours of twelve (12) o'clock midnight and sunrise the following morning, unless the place of business where such signs are located is open during such hours for business and such signs are adequately shielded against all premises used for residential purposes. There shall be no flashing, or intermittent, or red or green illumination on any sign located in the same line of vision as a traffic control system, nor interfere with vision clearance along any highway, street, or road, or at any intersection of two or more streets. All illuminated signs shall be so placed as to prevent the rays and illumination therefrom being cast upon residences and shall be located not less than fifty (50) feet from a residential district.

Section 13. Violations. Any person violating any provision of this Ordinance shall upon conviction be subject to a fine of not more than \$500.00 or imprisonment for not more than ninety (90) days, or both, in the discretion of the court. Each act of violation and every day upon which such violation shall occur shall constitute a separate offense.

Section 14. Severability. If any provision of this Ordinance shall be held invalid, the remainder of the Ordinance shall not be affected thereby.

Section 15. Effective Date. This Ordinance shall take effect twenty (20) days after its enactment or upon its publication, whichever is later.

ENACTED: July 16, 1973

**ANDREW BREMER, JR.**  
CITY CLERK
