**THE CHILEAN MILITARY JUNTA**, which overthrew the 40-year tradition of civilian government, announced to the country that former President Salvador Allende was buried at noon Wednesday, September 12, after committing suicide during the violent coup on Tuesday. Martial law and a 24-hour curfew were still in effect. The Junta controlled all communications.

**Friday, September 14**  
**A FEDERAL INCOME TAX PLAN** under Mr. Nixon's consideration was disclosed by Presidential counselor Melvin R. Laird. Each individual and corporate taxpayer would have his tax rate increased by 10 percent. The extra taxes collected would go into an escrow account and would be refunded at a later time when the inflation ebbs. Laird did not discuss whether or not the taxpayer would receive interest on the forced savings account, but it was one feature of such a plan presented by Federal Reserve Board Chairman Arthur Burns.

**Saturday, September 15**  
**THE UAW STRUCK CHRYSLER Corp.** plants in the United States and Canada after negotiators failed to reach settlements before the labor contracts expired at 11:59 last night. It is the first nationwide shutdown of Chrysler since 1950. Plants producing auto and farm implement making parts for other companies will not shut down however; neither will salaried employees who make out the payroll stop work. Both UAW President Leonard Woodcock and William O'Brien, vice-president for Chrysler personnel, told the press late Friday night that "they just ran out of time." Mr. Woodcock said the two were apart on voluntary overtime, health and safety issues and special provisions for skilled and salaried employees. The full news blackout imposed Thursday will continue.

**Sunday, September 16**  
**KING GUSTAF VI** ADOLF of Sweden, 90, the world's oldest ruling monarch, died Saturday night. Death was attributed to what doctors described as being a rare disease that caused a bleeding ulcer. He lived 26 days after an operation in which half of his stomach was removed. Crown Prince Carl Gustaf, a 27-year-old bachelor, automatically succeeded to the title of "King of the Swedes, the Goths and the Vandals," a reference to barbarian tribes that roamed northern Europe centuries ago.

**Monday, September 17**  
**FIRE BLAZED** out of control for almost five hours in a six-story warehouse near Wayne State University Sunday afternoon. The firemen battled the five-alarm fire at Woodward and Alexander while electrical explosions, smoke and the collapsing walls hindered the men. The building housed the Farr Commercial Records Co., the Farr Moving Co. and Lyon Van Lines. Employees said no one was in the warehouse when the fire broke out about 2 p.m. Tons of paper records and army office furniture were stored in the warehouse.

**Tuesday, September 18**  
**THE UAW AND CHRYSLER CORP.** announced a tentative agreement Monday which must still be approved by the 210-member UAW Chrysler Council, scheduled to meet in Cobo Hall at noon Wednesday, and by rank-and-file members at local union ratification meetings. The new three-year contract would give blue collar workers a substantial first year increase, up to \$700 a month under a full "20-and-out" early retirement pension, a company dental program and strong curbs on mandatory overtime.

## Pointe Symphony Prepares for 21st Season

Pictured above are members of the Grosse Pointe Symphony Orchestra with CONDUCTOR FELIX RESNICK at an informal rehearsal preparatory to the opening of its 21st season on Sunday, October 14, at 3:30 o'clock, at the Performing Arts Center of Grosse Pointe North High School. The opening concert will feature 21-year-old pianist Cynthia Ann Raim. Season tickets to all four concerts and membership in the Grosse Pointe Symphony Society may be obtained by purchasing an Active Membership, \$8.50 per person; a Student Membership, \$3 per person, a Family Membership, \$25, a Sustaining Membership, \$25, or a Patron Membership by donating \$50 or more. Mail your membership request to The Grosse Pointe Symphony Society, 889 Hidden Lane, Grosse Pointe, 48235. Tickets may also be purchased at the box office the day of the concert for \$2.50 for adults and \$1 for students.

## Two Woods \$34 Million Challenge Accepted by Leaders of This Year's Torch Drive

Sign Nuisance and Lakefront Park Maintenance Being Reviewed by Council

By Roger A. Waha  
The Woods Council at the regular meeting Monday, September 17, referred two items to the Committee of the Whole for further study and review. One focused on Ordinance 103 regarding the placing of signs upon public streets, while the other offered suggestions as to city services.

In a letter to the council, Mary E. Currie and Mr. and Mrs. Frances Ban, both of Vernier road, expressed concern with the "plague or overuse of real estate advertising signs at certain home sites, particularly at corner sites," such as Vernier and Marter road.  
**Hazard Stressed**  
They also stressed the possible "personal accident hazard" with such signs placed on corner property such as tripping or stumbling over them, plus the "disturbance and nuisance of having strangers ring the doorbell on Sunday to ask, 'Is this house open?' The actual house may be either lots or blocks away from the sign." They wanted a change in a section of the ordinance regulating this situation.  
In noting that the corner

## Call Meeting to Discuss Plans for Rose Terrace

The Farms council agreed to meet in executive session with Villican, Lehman, Incorporated, city planning consultants; Hubbell, Roth and Clark, Incorporated, city engineering consultants; and the Mayor's Advisory Planning Commission to discuss preliminary site plans for the development of the Rose Terrace estate of the late Anna Thomson Dodge. The meeting was scheduled for Wednesday, September 19, at 7:30 p.m.  
The preliminary site plan for the development of Rose Terrace was presented for review by Paul H. Townsend, Jr., of the law firm of Dykema, Gossett, Spencer, Goodrow and Trigg, on behalf of Superior Lake Enterprises, a group of Pointe

## Schools Plan To Reward Volunteers

Board Approves Program to Give Recognition to Adults Who Help without Pay

At the regular monthly meeting held September 10, the Grosse Pointe Board of Education approved guidelines for a Volunteer Awards Program for 1973-74. The trustees' unanimous action set in motion a new program which has been designed to grant recognition to adult volunteers who will assist the public schools and libraries in a distinguished manner this year.

A "volunteer" is defined as an adult, 18 years or above, who works in behalf of the public schools and public libraries without receiving remuneration. Employees of the Board of Education who donate time beyond the normal work requirement will be considered eligible.  
**Different Categories**  
Volunteer activities are categorized as School/Library Volunteers, including those in audio-visual, classroom, library, nursing, pre-school, or tutorial roles, and General Service Volunteers, lunchroom, millage campaign, or study committee assignments.  
Recognition will be based on individual commitment measured on the basis of performance, responsibility, and accomplishment rather than on the accumulation of hours, although the amount of time donated will be noted.  
The Volunteer Awards Program has been designed to recognize individuals, not groups. Student volunteer activities will not be considered for awards during the first year.  
The award will recognize distinguished voluntary service performed between July 1, 1973 and June 30, 1974. The first awards will be announced in September, 1974.  
Nominations for awards may be made by any adult resident of the school district. Nomination forms may be secured from trustees of the Board of Education, from school offices, from Presidents of parents' groups, and from the Grosse Pointe Education Association.  
Nomination letters must be in the hands of the Secretary of the Board of Education, 389 St. Clair avenue, Grosse

## Kitten Seeks 'Lost' Owner

A little furry creature is currently "cat-napping" at D. M. Egan Men's Wear store, 16900 Kercheval avenue.  
The little tiger-striped kitten, who's sporting four white paws, a black "M" on his forehead and a white leather collar, visited the store Monday morning, September 18. It was put outside but somehow found its way into the warm confines once again, an employee said.  
When some personnel began to look for it, the kitten was not to be found... immediately. It was soon discovered curled up in a display window—an obvious attraction for passers-by.  
But, alas, the cat is lonely. It wants its mistress or master. Its "lost" owner should contact the store at 822-2765.

## Sidewalk Repair Issue Called Hot Potato by Mayor

Many Residents Attend Council Meeting to Protest Costs; Corner Lot Owners Object to Double Burden

By Nancy Kramer  
"This is the hottest potato of the year," said Grosse Pointe City Mayor John King, at a regular meeting of the Grosse Pointe City Council, on Monday, September 17. He was referring to The City's policy on sidewalk repairs, and to show that it was indeed a hot issue to them, an estimated 60 people showed up at the meeting to voice their opinions.

Most of the people in attendance were corner lot residents who object to the fact that they have to pay twice as much for sidewalk repairs as anyone else.  
**Question Legality**  
Discussion volleyed back and forth between citizens, councilmen, and city officials. The first person to speak was a Fisher road resident Michael Farr, who had written a letter to the Council disputing the legality of The City ordinance that governs sidewalk repairs. The ordinance says that only those walks termed "unsafe" need to be replaced. Mr. Farr questioned that some of the flags slated for replacement were really unsafe.  
City Manager Thomas Kressbach replied that the infrequency of the repairs makes it necessary that repairs be extensive. The last time the walks were fixed was 12 years ago. "Walks that are not specifically unsafe now may be unsafe six months from now; and they will certainly be unsafe 10 years from now," he said.  
Once the ordinance itself was clarified, Mr. Farr claimed it was unfair of The City to make corner lot residents financially responsible for work done to side street walks.  
**Discussion Opened**  
The Council then opened the discussion to all the people there. The point was made that since everyone uses the side street walks, to make one citizen pay for their repair was unjust.  
City officials responded that under the terms of the ordinance that was passed in 1967, that was how payment was to be made.  
Jack Petz, a corner lot owner from Rivard boulevard, proposed that the problem be re-thought. He claimed that the law was not necessarily servicing the people just because it exists.  
Dr. Edward Kane, a resident of Lincoln road, pointed out that The City should have brought the sidewalks up to date on repairs before the 1967 ordinance was passed.  
**Friendly Councilman**  
Corner lot owners found a friend finally, in Councilman George D. Henry. He is the only member of the present Council that was also a member in 1967. He said he voted against the 1967 ordinance because the repairs were not brought up to date.  
"A public hearing should have been held on this matter"

## Bike Stolen By Attacker Of Woman

Assailant Loads Wheel into Car Waiting for Driver After Knocking Rider Off

A 31-year-old Woods woman was assaulted by a man who knocked her off the bicycle she was riding on Lake Shore road Tuesday evening, September 11. The man raced from the scene on the bike, which has since been recovered by Shores police.  
The incident, including possible suspects, is currently under investigation, reported the Department of Public Safety.  
A 28-year-old Woods man, who aided the woman, spotted Corporal Dan Fronczak running radar on Lake Shore and reported the assault.  
The visibly shaken woman told police she was riding on the sidewalk when she heard someone shout at her as she was crossing South Deepplands. When she turned in the direction of the shout, the man ran up to her and knocked her off the bike, with both hands.  
**Two Pursue Culprit**  
The culprit took the bike and began riding west on South Deepplands towards Sheldon road as the witness came to the woman's aid. They pursued the man to Sheldon where he got off the bike and dropped it alongside an auto, occupied by another man, parked at the curb.  
When the woman and witness approached the auto, the man who assaulted the complainant said, "You'd better get out of here." He then started to take something from the car's seat or floor. Both complainant and witness felt the threat was implied to mean he was reaching for a weapon.  
**Escape After Threat**  
At this time, the witness shouted to the woman, who began to approach the man and the bike, to get back into the car. After the woman

## Action Requested to Help Woods' Diseased Maples

By Roger A. Waha  
Some diseased maple trees in the vicinity of Hollywood avenue and Charlevoix road were brought to the attention of The Woods Council at the regular meeting Monday, September 10.  
A Hampton road resident submitted a petition bearing 19 signatures requesting a preventative maintenance program for maples via the spraying of trees on city property.  
The citizen said a "white scum" is growing on the bottom of some tree limbs. This "sticky matter" has caused, he said, some discoloration of nearby homes and autos. The man added it "kills me to see people chop down trees."  
City Administrator Chester E. Petersen said it was the first time this problem was brought to his attention regarding maples on street right-of-ways.  
"It's the city's responsibility to take care of them," he said. "We have a tree-trimming and spraying program for any diseased trees but it appears too late to spray them now. This will have to be done in the spring."  
The city administrator told the NEWS the disease is apparently caused by a white scale and flat insects. This has resulted in defoliation of some branches.  
As part of the city's spraying program, Mr. Petersen stated, "All elms on city property are sprayed each

## Negotiations With Board Continuing

Education Association Has New Recommendations for Three-Year Salary Package

Contract negotiations are continuing between the Grosse Pointe Board of Education and the Grosse Pointe Education Association (GPEA). Two meetings transpired last week, one Tuesday evening, September 11, and one Friday afternoon, September 14. No settlement has been reached to date.  
Classes continue in all the Pointe public schools as the teachers remain on the job. The Board has made no statement regarding last week's meetings at this time. The following is part of a news release given by Carl Lord, president of the GPEA, stating the most recent transactions.  
**Suggests Package**  
"Conscious of the fact that monies are somewhat scarce in our District this year the Association recommends the following three-year salary package.  
• "Provide for a 1.3 percent equivalent raise in salary and fringes during the first year of the contract.  
• "Recognize the 5.9 percent, April 72 to April 73, increase in CPI, (Consumer Price Index). Allow the Board to defer payment of 4.6 percent (5.9 percent minus 1.3 percent) due teachers in 1973-74. Deferred payments would be made equally in 1974-75 and 1975-76 in the amount of 2.3 percent. The 2.3 percent would be in addition to the CPI, (April to April), for the school years mentioned.  
• "If the CPI does not increase during the final two years of the agreement the total cost to the community would be 2.3 percent each year which merely represents the deferred CPI payment actually due during the 1973-74 school year. However, if inflationary trends continue the salary paid teachers would be adjusted so as to protect purchasing power.  
• "That the Board provide fringe improvements over the life of the of \$90,000 with \$7,400 payable in 1973-74 and the remaining funds near equally divided in the school years 1974-75 and 1975-76.

## Shores Police Assist Boaters

Two 25-year-old boaters in trouble received assistance from Shores police officers and the U. S. Coast Guard early Thursday morning, September 13.  
Detroiters Jerome B. Ferris and Robert W. Foley told police boaters Michael Patrick Scavone, of New Baltimore, and his passenger, Joseph Michael Kunath, of St. Clair Shores, were in trouble off 501 Lake Shore road.  
At the scene, Sergeant James Jurcak and Corporal Chester Painter ascertained the 16-foot Imperial craft's outboard motor had engine problems. Due to the rough water, the anchor would not hold the plastic boat in a stable position.  
Police immediately requested the aid of the Coast Guard, St. Clair Shores station, which towed the craft to the Grosse Pointe Yacht Club's harbor gas dock where it was secured for the night.  
Meanwhile, Mr. Scavone and Mr. Kunath were given blankets by police to warm themselves and some coffee. The boaters also made calls so they could be picked up.

### Making Plans for EAN Fair

Something new in community fairs is now being planned by Environmental Action Now, (EAN).

At a kick-off meeting Wednesday, September 12, Mrs. Kenneth Schoof, general chairman for this event, outlined the preliminary plans for this benefit. It will be held at the War Memorial and the adjacent Grosse Pointe Memorial Presby-

terian Church on May 18, 1974.

This affair, to be modeled after an old time country fair, will feature exhibits and displays on gardening and landscaping. Sales of common and exotic garden plants, as well as ecologically related activities and events for the whole family, will be featured.

Proceeds will be used to support the staff services and programs of EAN.

Attending the meeting were the following committee members: Mrs. Robert Valee, J. M. Mangden, Scott Thiss, Mrs. Carl Mann, Mrs. John B. Renick, Mrs. William Klingbell, Jesse Lowther, Mrs. Victor Caputo, Mrs. Donald Stewart and EAN's new Environmental Educator Tim Lozen.

Other committee members include Mrs. Donald Blain, president; Mrs. R. C. Birgbauer, Mrs. John Clark, Mrs. Hugh Hendrie, Duncan M. Laidlaw, Mrs. Stewart McFadden and Mrs. John Wood.

Persons who are interested in working with EAN in its efforts to improve environmental activities and services in the community, and would like to work on the fair committee, may call Mrs. Schoof at 886-2020.

### Trees Damaged In Lincoln Road

Two trees were damaged in the City last week, one permanently.

A Lincoln road resident notified City police on Thursday, September 6, that between 12:30 p.m. and 3:30 p.m. someone had chopped down an 18-foot maple tree located in front of 1004 Lincoln.

Upon further investigation, police found several large gashes in a tree located in front of 996 Lincoln. The gashes were apparently made by either a hatchet or an axe.

Both trees, located between the sidewalk and the curb, belonged to the City. The damaged tree was immediately treated and saved.

### Negotiations Continue

(Continued from Page 1) has presented the following:

- "First year — A 1.1 percent increase. (This is 4.8 percent less than CPI).
- "Second year — 3.5 percent salary increase and .4 percent fringe improvement.
- "Third year — 5 percent salary increase with no fringe improvement.

"It should be clear to the citizen that GPEA is requesting very little — 1 per-

cent in fringes over three years plus CPI adjustments as a means of maintaining real income. It is further noted that the Association will accept for less than CPI during the initial year of the master agreement."

Mr. Lord continued asking the support of the community and said, "The Association remains flexible. We can accommodate offers for one, two or three years."

The next meeting for contract negotiations is scheduled for Thursday evening, September 20.

### Walk Repair

(Continued from Page 1) ter six years ago," he said. "These people should get some sort of relief." A round of applause followed Councilman Henry's comments.

The mayor and the Council finally voted to work in conjunction with The City staff and re-think the sidewalk repair question with regard to corner lot residents. However, they could not guarantee that the new solution would be any more pleasing than the existing one.

Mayor King commented, "This is a matter of judgment and it has not been taken lightly. You will have to live with our decision because you elected us to be your representatives."

### Volunteers

(Continued from Page 1) Pointe 48230, by June 15, 1974.

**Will Be Screened**

Screening will be handled by a 10-member subcommittee of local citizens appointed by the Volunteer Awards Advisory Council. Final selection will be handled by a second subcommittee of five appointed by the Volunteer Awards Advisory Council from among local retired educators, librarians, and former school trustees.

The award itself may be a Grosse Pointe emblem suitable for wearing and a signed certificate of merit.

There will be probably between ten and 20 awards given on an annual basis.

The guidelines for the Volunteer Awards Program which the trustees approved on Monday night were developed during the summer by the Board-appointed Volunteer Awards Advisory Council.

Invited to serve for 1973-74 are Dr. Donald Briggs, Thomas Candler, William D. Dahling, Mrs. Michael Marrs, Mrs. Joseph Perry III, Mrs. William J. Quinn, Mrs. Perry TeWalt, Mrs. Gerald E. Warren, and Charles F. Woodbury, Jr.

Serving in an ex-officio capacity to represent the trustees is Board of Education Secretary, Mrs. Edward C. Hanpeter.

School system staff associated with the project are Dr. Theos I. Anderson, Dr. George Eddington, and Donald Bassett; representing the Grosse Pointe Education Association is Lillian Goodwyn.

The Volunteer Awards Program is not meant to replace the awards given in the individual schools, but is to be a district-wide method of recognizing deserving persons of their volunteer efforts.

### Rose Terrace Meeting

(Continued from Page 1) The attorney stated that the submitted plan complies with the ordinance, except in those particulars for which variances are sought in the petition filed by Superior Lake Interprises. This specifically, relates to the distance between the proposed new buildings, set-backs, maximum building height, and total number of rooms.

"With respect to the set-back formula," Townsend said, "it will be observed that application of this requirement would prohibit any construction as approximately 46 percent of the property."

"With request to the room count formula, the area of the parcel is 384,156 square feet. Divided by 2,000, this yields a total count of 192 rooms. If all units built in the project were two-bedroom units, with no extra rooms whatsoever, this formula would yield 64 dwelling units. Due to the spaciousness of the units in the main existing house, only 13 units are planned for that structure, with a total room count of 61.

"If the remaining permissible 131 rooms were all constructed as two-bedroom units with no extra rooms, 43 additional dwelling units could be built in new constructions on the property, for a total of 56 units."

Townsend said that the demand for the units in this project, as evidenced by the preliminary letters of intent, is for more luxurious units in the new construction, to be harmonious with the main house.

The proposed project, he added in his letter, contemplates 45 additional dwelling units, with the total number of proposed units in the existing structure, and the proposed new units, 58, will not produce a density, whether measured in terms

### St. John, WSU Have Project

Saint John Hospital has signed an affiliation agreement with Wayne State University, which is designed to further goals of health care education, research and service.

"This agreement provides unlimited new potential for activities beneficial to both the hospital and the University," said Dr. William E. Rush, the Medical School's Assistant Dean for Area Medical Education, who also serves as Director of Medical Education at Saint John Hospital.

Among other things, the agreement establishes committees between WSU and Saint John Hospital. The University and the hospital have as their primary purpose the enhancement of clinical training opportunities for WSU medical students, interns and residents.

Simultaneously, it provides increased interaction between the hospital's staff and the faculty of the WSU School of Medicine.

"The WSU School of Medicine in attempting to work closely with medical care centers throughout the region to improve the quality of medical education and open up new possibilities for cooperative training arrangements," according to Dr. Robert D. Coye, Dean of the School of Medicine.

Dr. Coye said, "I am pleased we have been able to es-

tablish this working affiliation with Saint John Hospital and the School of Medicine. We also have established working affiliations with William Beaumont and Oakwood hospitals.

"I am confident that similar arrangements will be established with other medical care centers in the Metropolitan area."

### Torch Drive

(Continued from Page 1) with the help of the Kidney Foundation of Michigan two years ago when she received a kidney from her older brother; and Roger Bunton and Tyrone Johnson of Mt. Clemens are from the Big Brothers of Macomb County.

Mr. Nichols pointed out that the goal is 6.3 percent higher than last year's goal meaning that the chapter units of the campaign which traditionally raise more than 90 percent of all Torch Drive funds, have to raise \$1.4 million new dollars.

The 25th annual Torch Drive is scheduled to begin Tuesday, October 16 and end November 8.

In other action, the UF board approved a total of \$34,500,000 in allocations, for 1974, the \$500,000 difference from the goal amount to be provided from 1972 campaign coverage, if any, or from reserves.

The American Red Cross was granted a 2.3 percent increase over last year's allocation for a total of \$3,171,919.

Michigan Cancer Foundation's allocation was approved at \$1,077,500, a 4.4 percent increase over last year's budget allowance.

An allocation of \$265,000 was approved for the Rehabilitation Institute, 6 percent more than last year, and the United Way of Michigan, formerly the Michigan United Fund, was approved for an allocation of \$3,372,913 which will be distributed among its 25 agencies.

United Community Services, the main UF budgeting federation for 109 agencies in the tri-county area, was granted an increase of 6 percent, totalling \$22,538,718.

In addition, the board approved raising \$2,500,000 for the Urban Progress Fund for 1974 support of New Detroit, Inc. Some 200 corporations and foundations are asked to contribute; no individuals are asked to give to the Urban Progress Fund.

David K. Easlick, new president of Michigan Bell, was elected to the board by unanimous vote.

### Tries to Enter City Residence

City Police received a complaint of attempted forced entry from Rivard boulevard resident Mrs. Betty Simunick on Thursday, September 13.

Mrs. Simunick reported she returned home from a shopping trip at 8:30 p.m. to find someone had made an L-shaped slash in her front door screen.

She said her screen door was left open, but the inner door was still locked.

She had been away from her home about half an hour.

### Farms Officer Attends Parley

Farms Detective Joseph Miller joined three law enforcement colleagues at the FBI Retraining Conference Monday-Wednesday, September 10-12, at Higgins Lake.

Besides Detective Miller, Shores Public Safety Director Joseph Vitale, Woods Public Safety Director Henry Marchand and City Police Chief Andrew Teetaert participated in this refresher course. Only graduates of the FBI National Academy were invited.

**Pool Vandalism Occurs in City**

Someone entered the backyard of a Lakeland avenue resident and threw eight metal patio chairs into the swimming pool there. An underwater pool light was also pulled out of its setting on either Saturday, September 8, or Sunday, September 9.

Mrs. Eleanor Miller told City Police Officer Ronald Pryor somebody entered her backyard between 9 p.m. September 8, and 11 a.m. September 9. A hinge was broken off of her wooden side drive gate.

Mrs. Miller told Officer Pryor she has no idea who did the damage.

**Offers Parents Training Class**

A course in "Parent Effectiveness Training" is being offered by the Department of Community Services of the Grosse Pointe Public School System.

Beginning on Tuesday, October 2, the course of study will be presented by Ann Martin, formerly of the

Grosse Pointe School System and licensed instructor for Effectiveness Training Associates.

"We aren't trained to be parents, and it's a wonder that we make out as well as we do," said Mrs. Martin. "But you can become a much happier parent."

After teaching school for four years, running summer day camps, working with church school teachers and students at Christ Church, and currently raising three children of her own, Mrs. Martin found the skills needed to do all these jobs more effectively through Dr. Thomas Gordon's Parent Effectiveness Training, P.E.T.

"Many psychologists have written excellent books on child rearing with one major difference. Reading what to do about a child's behavior is one thing; doing it is another," she feels.

Mrs. Martin has just finished teaching a course at Grosse Pointe Methodist Church.

Classes will meet at South High School from 7 to 10 p.m. on Tuesday evenings beginning October 2.

Parents may register by calling the department at 885-3808 or 885-3701.

**OKAY LOT LICENSES**  
The Woods Council at the regular meeting Monday, September 10, unanimously granted the issuance of licenses to 10 parking lots. Parking lot applications and license fees had been received and Building Inspector Earl Wakely inspected and approved the locations.

**Jr. Symphony Sets Auditions**

The Grosse Pointe Junior Symphony will hold auditions for the 1973-1974 season on September 24, 25, 26 in the new music rooms of Grosse Pointe South High School.

The Symphony is beginning its second season after a very successful first season last year. Mr. Nathan C. Judson, instrumental music director at Grosse Pointe North High School will be conducting the young orchestra this year.

Students accepted in the Symphony must be enrolled in a Grosse Pointe public or private school and be in 10th grade or below.

The group performed two major concerts last season plus six school assemblies. A similar performance schedule is planned for this year.

Rehearsals will be held at South High School on Monday afternoons from 4:15 to 6:15 p.m. Concerts are scheduled for the Auditorium at Parcels Middle School in January and May.

The first Junior Symphony enjoyed a total membership of over 80 young, enthusiastic musicians. It is hoped to have an orchestra of at least this size this season.

The Symphony was partially sponsored by the Marjorie T. Jacobson Fund. This fund was presented to the Public School System's Music Department two years ago.

"This orchestra provides a fine musical outlet for many young aspiring musicians. Last season two outstanding musicians performed solos with the orchestra accompanying. They were Suzanne Leon, violinist and Wendy Judson, flutist," said Russell Reed, president of the Junior Symphony's Board of Directors.

The orchestra is governed by a Board of Directors which consists of school music teachers who have students in the Symphony.

**Accused Youth Waives Exam**

Christopher D'Hondt, 19, of McMillan road, who is charged with armed robbery, waived his examination at Wayne County Circuit Court on Monday, September 17. A trial date has not been set.

D'Hondt was released on a \$2,500 surety bond from the Wayne County Jail on Friday, September 7.

James A. Stevenson, 19, of Fisher road, and Mark Kemp, 20, of Neff road, are still at large. Arrest warrants have been issued for their alleged involvement in the armed robbery.

D'Hondt was arrested Thursday, September 6, by Farms Cpl. Otto Glanert for Detroit authorities. City officers, Det. Lt. Robert Van Tien and Cpl. George Brackx, assisted in taking the youth to The Farms station.

Lt. Eugene Randolph of Detroit's Hold-Up Bureau disclosed the attempted hold-up of the Bank of the Commonwealth, 19333 West Eight Mile road, after the trio's suspected involvement in a robbery at the A&P Supermarket, 22021 West Eight Mile road.

## Woods Studies Complaints

(Continued from Page 1)  
of Vernier and Marter is an "overused site" regarding sign placement, the residents said, this corner "already has too many objects or obstructions on it now," including three utility poles, three guide wires, a light pole, a street sign pole, a fire hydrant and a gas company outlet pipe.

**Curb Replacement**  
Meanwhile, Gregory R. DuRoss, of Stanhope avenue, wrote the council on three main items; the curb replacement program, needed improvements in maintenance at Lake Front Park and privileges at the park.

Mr. DuRoss asked why total replacement of curbing takes place as opposed to selective replacement of damaged sections. (A curb replacement program has been underway on Stanhope).

City Administrator Chester E. Petersen, in a letter to Mr. DuRoss, said, "If over 70 percent of the curbing in any given area or street has deteriorated, then all of the curbing is removed and replaced because we find this to be more economical and aesthetically pleasing for our taxpayers over a period of years."

He also noted, "If any curb section between driveway approaches has deteriorated, all such curb sections are replaced for uniformity and appearance," and "Whenever long sections of curbing on the streets appear to be in good condition, none are removed and/or re-capped."

**Maintenance**  
As for conditions at the park, Mr. DuRoss mentioned "picnic tables which are rotting" and "grills which have in some cases broken away from their bases." He also said, "In recent years, recreational programs and personnel have been cut back" and that money saved "could have been used to maintain and improve the facilities but such is not the case."

Mr. Petersen emphasized, "To the best knowledge of this office, there have not been any cutbacks in the budget for our City's Lake Front Park!"

"There have been, however, some minor reductions in the winter gym programs offered by the Department of Parks and Recreation because of lack of interest and/or duplication of effort from other agencies."

"Your criticism regarding proper maintenance of Lake Front Park shall be forwarded to the Director of Parks and Recreation for his attention and response."

Donald J. Hallmann, parks and recreation director, told the NEWS he already has written Mr. DuRoss. "I agree that some of the tables and some of the grills are in poor condition," he said.

In his budget, Mr. Hallmann has requested new tables and grills so the worn ones could be replaced. He emphasized, "It's up to the council to allocate money for this. I hate to throw away the bad grills and tables until replacements come in."

**Park Passes**  
As for guest privileges and the guest pass system currently in use, Mr. DuRoss said he was concerned with "the weekend and holiday guest pass card in use for several years now."

"The current system, in most cases, does not allow residents to have even one weekend family picnic during the summer," he said. He urged the council to consider "adding one or two 'family picnic punches' to the current weekend and holiday guest card."

At the meeting, Mr. DuRoss stated he wanted to have at least one picnic with 20-25 people once a year during the summer.

This matter of guest privileges is scheduled to receive the close attention of the solons sitting as the Committee of the Whole.

## Diseased Maple Trees

(Continued from Page 1)  
year. And we have sprayed maples in many areas of the community where we knew they had been affected. We've sprayed maples the last two years but not this year because we noticed no infestation of trees on city property."

Continuing, he said, "We are checking with a local tree spraying business to see if it will do any good to do it now." But he added affected trees will probably be sprayed in the spring before the leaves form.

At the same time, Mr. Petersen stressed, "The citizens are petitioning the city to spray street trees but if they haven't had their own trees sprayed, it will not do us any good to spray if they don't." Residents are responsible for taking care of trees on their own property.

In this respect, if the city sprays affected maples and the residents do not, or vice versa, the disease is apt to run its rampant course. To be effective, all diseased trees on private property and city property will have to be

sprayed. At the meeting, after the discussion on the maple tree problem was ending, a Hunt Club drive resident spoke on the tree-trimming program.

He felt the trees in the area of Hunt Club and Jackson avenue were being "raped," as "good, healthy" limbs were being cut off."

Mr. Petersen stated some of the trees have not been pruned for several years and that crews are getting into these areas now. He said personnel have attended school, sponsored by the Agricultural Co-Op Division and the Michigan State Extension Division in this regard.

"Every five years is sufficient if trimming is done properly. We don't have sufficient manpower or equipment to do every tree every year." And he added, "We can do anything our taxpayers want us to do if the taxpayers are willing to pay for it."

Mr. Petersen told the citizens he would drive through the Hunt Club-Jackson area Tuesday morning, September 11, to view the trees.

After the drive, Mr. Petersen said the trees on Jackson have not been trimmed as yet but will be in accordance with good standard street tree trimming policy. The trees on Hunt Club have been trimmed.

The trees, he emphasized, must be balanced during trimming. The side facing the street can't be done without balancing off the side facing a home. He cited a possible danger if a tree is only trimmed on one side. "If there's a bad windstorm, we could lose a tree if it's overbalanced."

Mr. Petersen added trees should be trimmed with an eight-foot clearance above the sidewalk and should be trimmed six feet above the height of a street light.

Spending the year abroad were Sally Fairless in Belgium and Pat Slavin in Holland. Those on summer programs were Lyn Janis and Janet Pogue in Sweden, Shelly Cook in Switzerland, Kris Abrahamson in Norway, Sue Radulovich in Germany and Jill Stewart in France.

Any student interested in a foreign exchange experience and their parents are invited to attend. Representatives from Youth for Understanding and American Field Service will be available to answer questions.

**Find Park Doctor Guilty In Drug Distribution Case**

A jury of four men and eight women, after deliberating for only 30 minutes, brought in a verdict of guilty against Dr. Erwin J. Hammer, 63, of 905 Berkshire, accused of unlawfully distributing amphetamines. The trial was held in the courtroom of Wayne Circuit Judge George Martin on Wednesday, September 12.

Judge Martin has set no sentencing date as yet, but will after a Probation Department report is received. Wayne County Assistant Prosecutor Brian McMahon, who successfully prosecuted the case, said that Dr. Hammer could receive up to seven years in prison for the offense, which is a felony.

Dr. Hammer was arrested at his home last March 26, by two undercover agents of the Michigan State Police Intelligence Division. Both officers asked for and received a blank prescription from the doctor, without benefit of a physical examination. Both blanks were left undated.

According to information released by Park authorities, Dr. Hammer had been issuing blank prescriptions to "patients" for the asking, all without giving the so-called patients medical examinations. According to official information released by Park police, this had been going on since 1970.

The matter was first brought to the attention of Park police last March, when area pharmacists reported receiving prescriptions for unusually large amounts of drugs.

Park authorities notified both State Police and the Federal Narcotics Bureau. The three law enforcement agencies, working together gathered sufficient evidence to verify that Dr. Hammer was issuing the blanks.

The two State undercover agents went to the doctor's home, and after asking for, were given the blanks. The agents obtained warrants, charging the doctor with two counts of issuing, delivering and dispensing, and not acting in an ordinary course of professional medical practice, which is a separate charge.

In a precedent move, the Michigan Board of Registration in Medicine, and the State Board of Osteopathic Registration and examination, on recommendation of Attorney General Frank J. Kelly, penalized 11 doctors and pharmacists, allegedly trafficking in illegal drugs.

Dr. Hammer is the first physician to be tried and convicted under the recently revised Michigan Controlled Substance Act, McMahon said. The law prohibits buying, using or selling narcotics except when lawfully prescribed by a licensed physician, the assistant prosecutor added.

The doctor's attorney, Ivan E. Barris, contended that his client is a licensed physician and as such his dispensation of prescriptions, especially to one of the State Police agents who was given 10 last January for sleeping pills and for another drug was proper, although no physical examination was conducted.

McMahon contended that in a proper doctor-patient relationship, no prescriptions for drugs should be prescribed by a physician without a physical examination.

Among doctors facing further board action and possible loss of their licenses are Dr. Hammer and his wife, Dr. Mary C. Stellborn, who is practicing under her maiden name, according to information released by the attorney general.

**Plan Meetings For NH Parents**

The counseling and administrative staffs of North High School are planning three meetings for parents to take place immediately, designed to help explain school programs and policies.

Parents of freshmen will meet Thursday, September 20; parents of seniors will meet next Thursday, September 27, and the parents of sophomores will meet Wednesday evening, October 3.

All three sessions will begin at 7:30 in the auditorium for presentations from staff members. The meetings will then divide into smaller groups with the students' counselors for discussion and questions.

The junior class has not been overlooked in the planning. Parents of those students will be invited to an information night later in the year, in January, as has been traditional since the school opened.

All of these meetings are in addition to the regular Back-to-School Night, scheduled this year for Tuesday, October 9.

**Thief Gets TV In Woods B-E**

Someone entered the home of an Anita road resident Tuesday, September 11, and took a portable Magnavox color television set, valued at around \$300.

The citizen told Woods Public Safety Officer Patrick DeVine he returned home around 10:30 p.m. to discover the burglary. The 17-inch television, taken from a stand, was the only item reported missing at this time.

Police said entry was apparently gained by prying open a bedroom window screen.

**Ashes Blamed For Park Fire**

A basement fire at a Harcourt road residence was quickly extinguished by Park firefighters Saturday, September 15.

Fire Chief Phillip Costa said ashes, removed from an incinerator, were placed in a cardboard box which subsequently ignited. The blaze then extended to some wood paneling before firefighters doused it with water. Some smoke damage also was reported in the basement. There were no injuries.

"An upstairs tenant walked outside to pick some flowers and noticed the smoke," said the chief. "She called the department immediately or else the fire would have extended throughout the whole basement. We were fortunate."

The chief added all ashes should be put in a metal container covered by a lid, and not in cardboard boxes.

Park firefighters responding included Assistant Chief David Taylor, Sergeant Tony La Bonty, Edward Koerber, Charles Henrich, Cooper Alor and Joseph Bialk.

A call for City firefighters was cancelled at the scene, it was reported.

**Nab Juveniles In Bike Thefts**

Six black juveniles approached and threatened a 12-year-old St. Clair Shores youth in the area of Wrigley's Market, 19231 Mack avenue, Saturday afternoon, September 15.

The Woods Department of Public Safety reported after the group approached the youth, one juvenile, who had his hand inside his pocket as though armed, said, "Give me your bike or I'll blow your brains out."

At this time, one of the other juveniles took and rode the bike south in the parking lot. Upon his arrival at the scene, Officer Patrick Fagan discovered some Wrigley employees had one of the juveniles in custody.

Meanwhile, police began pursuing the bike rider south on Frankfort to Canyon and west on Canyon to Chandler Park drive, where he was placed under arrest.

Police said the two arrested juveniles, both from Detroit, gave them the names of the other four. Officers Charles Philip Hamel and Bruce Marone went to their addresses and told the parents of each juvenile to have their boys come to the Youth Service Division Tuesday, September 18. The arrested youths, who were released to their parents, also are scheduled to appear at the YSD at the same time.

The arrests and subsequent investigation netted the recovery of three stolen bicycles including the one belonging to the St. Clair Shores boy, police added.

**Woods Disappointed Over Inaction of League**

The Woods Council hoped its resolution, urging the National League of Cities, (NLC), board of directors to consider an amendment to Article II of its by-laws for reducing the population minimum for direct city membership from 30,000 to 20,000, would be considered at the NLC's December meeting in San Juan, Puerto Rico.

But such is not the case, and the solons are unhappy about it.

A letter from Allen E. Pritchard, Jr., NLC executive vice-president, to City Administrator Chester E. Petersen said, "To submit the by-law amendment to the delegation requires an advance notice that is impossible to comply with for the San Juan Congress of Cities and permit a reasonable study and evaluation by the board of the various elements of the proposal."

"To submit the matter to the delegates without some of the other issues having been analyzed and resolved would probably preclude its early reconsideration."

"The board hopes that this procedure will have your approval and cooperation."

Mr. Pritchard also said the matter has been discussed on numerous occasions, "the last time in October 1970 at the board meeting in Kansas City, at which time it was rejected."

To this, Councilman George S. Freeman said, "They haven't told us when they will consider it. We have to fight a little harder and write another letter to them."

"Two years ago we failed to get a resolution there in time," stated former Mayor Pro Tem Marvin R. Bouton. "We were told it would be considered last year." But this wasn't the case. "They had plenty of time for advance notice. We sent the resolution in May by certified mail but never received the return receipt."

"The executive committee did agree two years ago to consider it last year. We sent a follow-up resolution and they want more advance notice. It sounds kind of ridiculous to me," added Mr. Bouton.

City Administrator Chester E. Petersen said he had talked with Mr. Pritchard in Grand Rapids and noted, "For some unknown reason our resolution did not get to his desk until recently. The resolution might have been mislaid."

"I told him the council went on previous record to this effect two years ago. My verbal understanding is for the council to pass a resolution re-affirming our resolution passed earlier this year."

So the solons unanimously approved a motion that another resolution, similar to the previous measure, be drafted. This action was taken at the regular meeting Monday, September 10.

And it looks like it will be, "Wait 'Til Next Year."

**Reports Loss Of Sprinkler**

A Neff road resident complained that a sprinkler was missing from her front lawn on Wednesday, September 12.

Mrs. Lottie Smith told City Police Officer Dennis Van Dale she had left the sprinkler on her lawn 10 days earlier and discovered it missing on Wednesday.

Mrs. Smith also reported a B.B. hole in her back porch window.

She does not know when the sprinkler was taken or when the B.B. hole was made.

famous Royal Doulton figurines in an extraordinary exhibition at Hudson's Eastland only

Valuable collector's pieces, as well as famous subjects loved all over the world, are included in this extensive selling exhibition of ceramic sculptures by the Royal Doulton potters. Their renown dates back to the reign of Elizabeth I, and the use of the word "Royal" was conferred upon them by King Edward VII. An added feature about this exhibit of hand-molded, hand-painted art is your opportunity to evaluate Royal Doulton's newest prototypes of subjects to be added to their collection in the future.

Mr. William Carey, chairman of Royal Doulton, will accompany the exhibition. He will be at Eastland Sunday, September 23, through Friday, September 28. In Collectors' Gallery.

**Park Revokes Bar's License**

The Dump Bar, 15021 Kercheval Avenue, has been closed by order of the Wayne County Health Department because of unsanitary conditions maintained in the place, it was disclosed by Park City Manager Robert Slone on Thursday, September 13. The effective closing date was Friday, September 7, it was said.

Another factor in the closing of the bar, the city manager revealed, was that the owner of the establishment, Larry O. Teninty of Wayne, Mich., had failed to renew his application for a restaurant (tavern) liquor license with the Michigan State Liquor Control Commission.

It was stated that the bar had been operating without a State license for several months and had been cited on various occasions for liquor control violations.

Slone said that under provisions of a Park Ordinance controlling the licensing of a local bar, when a license for the sale of liquor is granted by the MLCC, the owner of the place must also obtain a license to operate from the city.

Since Teninty failed to renew his State license, and because of unsanitary conditions which failed to be corrected, the Park has revoked the restaurant (tavern) license "pursuant to Title VII of the City of Grosse Pointe Park for reasons of conditions and failure of correction of conditions contrary to the Health, Safety or Welfare of the Public."

Slone said that if the owner of the bar should correct the violations and if he should be granted a new license by the MLCC, he would still have to appear before the council for permission to reopen.

Although a local government has no control over the issuance of a State liquor license, the MLCC normally cooperates with the city, if a request is made to deny such a license.

**To Hold Paper Drive at Kerby**

The paper drives are resuming! The editorial staff who spoke to ecologically-minded Pointers each week of the summer sincerely hope that they are all paying close attention to the small box in the top left corner of the front page.

Environmental Action Now is sponsoring the fall's first paper drive in the parking lot at Kerby School on Saturday, September 29, from 10 a.m. to 4 p.m. Mrs. Hilary Micou, Jr., of Moran road, is in charge of this drive.

Any newspapers, catalogs, junk mail, flattened cardboard boxes, telephone books and magazines with stapled backs are acceptable. All papers should be either bagged or tied.

Any magazines which have gummed bindings are not acceptable since they cause the paper-cycling machines to break down.

Anyone who is unable to bring their paper to the school may call Mrs. John Wood at 884-7823 after 4 p.m.

The proceeds from the Kerby School drive will go towards an environmental trip for the sixth grade students.

Because this is the first paper drive to be held at Kerby, the students anxiously are looking forward to a busy day.

**Schools Accent Communication**

Bureaucracy, red tape and centralization often mean a communication gap. However, this is not to be the case with in the Grosse Pointe school system.

At the end of last year, the Board trustees stated "that during the 1973-74 the school system will emphasize the improvement of communications."

A district-wide project, called Emphasis Information, will be instituted this year to achieve that goal. During the Board meeting held Monday evening, September 10, Dr. George Eddington of the School Staff delineated the program.

Emphasis Information will deal with internal and external communications. New internal publications as well as a new format for the community newsletter have been planned.

The project is a direct outgrowth of last year's Board-sponsored citizens' committee on communication, which had five subcommittees. The Steering Committee for the project consists of the leaders of last year's subcommittees: J. Edward Haug, Charles Jaeger, Mrs. Basil Johnson, Mrs. William Nique, and Mr. and Mrs. Richard Rabbideau.

In addition, there will be a Publications Advisory Committee chaired by Ted Wilmer of J. Walter Thompson Co., an Internal Communications Committee chaired by Mrs. Nique of Richard School, and

a Millage Committee chaired by Mr. and Mrs. Michael Marrs. Heading Emphasis Information is the Board's Communications Committee, chaired by Mrs. Edward Hanpeter, new trustees Laurance Harwood and Mrs. George Maghlielse, and Dr. George Eddington.

Two internal publications for the schools and libraries are "Emphasis '74: Keeping everyone better informed," which will contain general news about the schools, and "Emphasis '74: Good things are happening," which will be a summary of positive happenings regarding students and teachers.

Dr. Eddington mentioned at the Board meeting that he had already sent out a "Good things are happening" release in which he requested people to contact him of any similar doings.

Within 24 hours, Dr. Eddington told the Board, there was enough information for at least three new releases.

**The 450 SE Sedan.**  
This is the car that may finally prompt you to invest in a Mercedes-Benz.

IT'S ONLY HUMAN. You see a Mercedes-Benz by and think to yourself, "one of these days..."

Now comes the 450SE... a sedan so fresh in its concepts, so enlightened in its craftsmanship that it exceeds your wildest dreams. Read what the 450SE offers. Then test drive it. You may wait no longer to buy your first Mercedes-Benz.

The Mercedes-Benz 450SE: already called "the best sedan in the world."

were developed to help minimize injury if an accident is unavoidable.

Active safety endeavors to help keep you out of accidents in the first place. Responsive handling, excellent braking and agile maneuverability are all essential elements.

Take braking. The 450SE has a fade-resistant disc brake for every wheel—4-wheel disc brakes. A feature Mercedes-Benz introduced on all its models 6 years ago.

There's more. Driver environment. A subtle and vital driving consideration. Location of controls, seating design, ventilation, even the width of the steering wheel are carefully considered in a multi-faceted attack on driver fatigue. Because the fresher you are, the better use you can make of the controls at your disposal.

No automobile manufacturer anywhere in the world is more concerned with safety. No one else has been more active in making it a part of his product for as long a time.

Mercedes-Benz has always aimed to build not just successful cars, but significant cars. That has been achieved in the 450SE. What awaits you now is the most remarkable driving experience of your life. Phone us today. We'll be happy to arrange a test drive.

The 450SE couldn't have arrived at a better time. Concerns with exhaust emissions, safety and energy utilization have forced changes in automotive engineering. With the 450SE, Mercedes-Benz offers a car that has a social conscience—and is fun to drive.

The 450SE's technological advances were not lost on the experts. "The best sedan in the world," says *Road & Track* magazine. *Autoweek* considers it "certainly the most exciting sedan in the world...so far ahead of its time it leaves us stunned..."

**Smooth, efficient power**

The 450SE is powered by a 4.5-liter, overhead cam V-8 with electronic fuel

injection. There's nothing like it in any other sedan.

This unique engine gives you better than 25% more power per cubic inch and better fuel economy than any domestic luxury car. The 450SE uses about four gallons where any top line domestic sedan would use at least five.

**Sculptured by the wind**

There is a good reason why Mercedes-Benz engineers shape their automobiles differently.

Try a 450SE in the rain. You'll be amazed at how clear the glass area remains. The window molding catches water and grime as they come off the windshield—before they have a chance to foul the side glass. The molding also puts the airstream to work, guiding it across the windows to further sweep them clean. The rear glass is cleared by the same principles.

**Suspension better than ever**

Considering the Mercedes-Benz reputation for handling, that is quite a state-

ment. Nevertheless, it is true.

The front suspension on the 450SE is a direct lesson from our 180-mph experimental C-111 Coupe. Zero steering offset gives this latest Mercedes-Benz remarkable straight-line stability. And this full 5-passenger sedan can negotiate a circle only 37.5 feet in diameter.

The fully independent rear suspension is exactly like that of the famous 450SL sports car. The system has lost nothing in its transference to the 450SE. Say good-bye to wallowing suspensions and mushy controls when you take command of this car.

**Strength above and beyond**

The 450SE is the strongest sedan Mercedes-Benz has ever built.

It has the most rigid passenger compartment of any Mercedes-Benz production car. The front and rear extremities of the car were designed around this "passenger cell." They deform on impact, absorbing as much force as possible before it reaches the cockpit area.

This body is treated to a series of baths, coatings and paintings that take the better part of a day to complete. In all, every 450SE is layered with more than 30 pounds of protective coating and more than 40 pounds of paint.

**The safest sedan?**

Mercedes-Benz would never say that. But the experts at *Autoweek* had no qualms. They saw the close relationship that the production 450SE has with our latest experimental safety vehicle, ESV 22. They called the 450SE "the safest car in the world available to the public."

Mercedes-Benz has long been an innovator of safety developments. The "safety cone" locks which secure our doors received their first patent in Germany in 1949. The crushable extremity/rigid passenger cell idea was granted its patent in 1952.

These are just a few of the elements which promote passive safety. They

### Career Education Offers Students Special Guidance

**By Kathleen Herschelmann**

Spearheaded at the National level, Career Education in the Grosse Pointe Public Schools enables the students to determine what their destination in life is and then go about the business of getting to that destination. Career education is not new, but it adds the dimension of a readable, workable road map before setting out.

Career education doesn't sample English, Social Studies, Math and other subjects with the notion that you have to have a taste of everything to finally be good at anything. Instead Career Education takes a refreshing look at relevance. "How is what I am working on in English relevant to my future—the career cluster I am interested in pursuing?"

Career education is not deciding at age 5 that, "I want to be a nurse" and then charting a life's voyage in that direction. Instead, Career Education is starting in the elementary grades with Career Awareness. "What kinds of careers are there? What do people do in these careers—both on the job and in their leisure time? What do I think I'd like to do?"

At the middle school and early high school level, Career Education becomes Career Exploration. "What are my personal interests and where do my abilities lie? Who is doing the kind of job I can see myself doing—and enjoying it? How do I like the experiences I am having in the career clusters I am considering entering?"

Grosse Pointe North and South High Schools are gearing up for their role in Career Education; namely, Career Preparation. "Now that I'm in high school, I want to identify my chosen career cluster, engage in any additional exploratory career activities that will be beneficial to me, and finally acquire and demonstrate the entry skills of the career cluster which best suits me."

Namely, "If I decide that I have the interest and ability to be a doctor then when I leave high school, I will have made each course experience relevant to my goals and I shall be able to perform the tasks of the base of the career ladder I wish to climb."

Career Education also implies more than a vocation or a profession. It takes into account living a life as well as earning a living. "Where do I want to live? How do I want to live? What is my place in the community? How can I feel really good about the fact that I'm here on earth and enjoying my existence?"

Career Education is a life-long experience; but because it is goal oriented, it provides a road map and the ability and desire to read that map and arrive at a career destination that will be mutually beneficial to the individual and society.

Under the directorship of Charles Hitch, Career Educa-

tion is being implemented in the Grosse Pointe Public Schools. This September a new service was added—a Career Counselor at each high school. Bonnie Garr at North and Mrs. Kathleen Herschelmann at South now offer the students at these two schools assistance in determining where their career interests lie and how each student might best prepare himself for the career cluster he chooses as his own.

Career Education activities at the high schools employ the interests, skills, and cooperation of the administrators, counselors, teachers, and clerical staff. Career resources are being organized in the respective school libraries and resource centers. Careers are being woven into subject matter from art to social studies. And business, professional, and community participation is being solicited to make Career Education a hands-on, real experience for the students in Grosse Pointe.

Career Education offers answers to the questions of "Who am I? Where am I going? and What am I going to do when I get there?" What will each student choose as a career cluster—Communication and Media? Health? Marine Science? Agri-Business and Natural Resources? Hospitality and Recreation? Transportation? Public Service? Personal Service? Fine Arts and Humanities? Business and Office? Manufacturing? Consumer and Homemaking Education? Environment? Construction? or Marketing and Distribution?

Career Education offers the student the guidance in making his choices and identifying the avenues enabling him to arrive at his career goals. Relevance? Reality? Career Education offers both and much, much more to the students in the Grosse Pointe Public Schools.

### St. Clare Gets New Pastor

The new Pastor of St. Clare of Montefalco Parish, 1401 Whittier road, is the Rev. Francis R. McDonnell, O.S.A. He succeeds the Rev. John E. McLaughlin, O.S.A., who resigned due to ill health.

Pastor McDonnell, 59, comes to St. Clare's, a parish of over 2,000 families, with a well-rounded background of varied priestly experience and academic knowledge.

He entered the Augustinian Order in 1935. He graduated from Villanova College in 1939 and received his M.A. in Education from Catholic University in 1943.

After Ordination in 1942, Fr. McDonnell was assigned as a teacher and Vocation Director for the Augustinian Fathers at St. Rita High School in Chicago, Ill. from 1943 to 1949.

From 1949 to 1953 he served as Associate Pastor at St. Mary's Parish, Rockford, Ill. As Athletic Director of Austin Catholic High School of Detroit from 1953 to 1962, Fr. McDonnell was part of the original faculty.

He has been an Associate Pastor at St. Clare's for the past two years as moderator of the Athletic Commission and the Education Commission of the Parish.

Reverend Francis R. McDonnell, O.S.A. will be formally installed on September 30 at the 12 o'clock Mass. The Rev. Edward L. Scheuerman, the Detroit-Grosse Pointe Vicar, will preside and deliver the homily.

### Camera Club Meets Sept. 25

The Grosse Pointe Camera Club will meet on Tuesday, September 25 at 8 p.m. at the War Memorial, 32 Lake Shore road. There will be pictorial and nature subjects in print and slide competitions.

### SH, NH Debut With Grid Wins

Both South and North High opened their gridiron seasons with impressive wins Saturday, September 15. South came from behind to dump Ann Arbor Pioneer, 18-14, while North blasted Port Huron Northern, 33-6.

A clutch 16-yard touchdown run by SH quarterback Steve Morrison, with five minutes left in the game, gave the Blue Devils the victory.

At one point, South had a 12-0 lead on a pass from Morrison to Brad Lindberg which covered 16 yards, and on Rob Heidt's one-yard touchdown dive. But Pioneer nibbled away in the third quarter and netted two TD's and conversion kicks. Then Morrison went to work in the final quarter.

Meanwhile, the Norsemen gave up a touchdown in the first quarter of their contest before blitzing hapless Northern.

NH's first TD was scored by Fritz Lehman, who returned a punt 86 yards in the second period. Other North scorers included Gary Maier with a three-yard TD run, linebacker Dave Graham who recovered a blocked punt (courtesy of tackle Dan Ottom), in the end zone and Frank Munaco with a three-yard TD sprint.

### Baron Gridders Have Great Day

Sunday, September 16, marked the opening of the Grosse Pointe Red Baron Little Football League's 1973-74 season. The Red Baron Freshmen, Junior Varsity and Varsity units traveled to Roseville to meet the Apaches.

In the Freshmen game, a much maligned offensive unit gelled to tally 47 points, while the defense held the opposition to only one first down in the Red Barons 47-0 win. Members of the offense include Gary Kinder, Bruce Stewart, Scott Young, Chick Steepe, Chris Krucki, Brian Kovanda, Tom VanPelt, Mike Mollahan, Ron Garner, John Vens, Steve Wayman, Bill Ross, Victor Cavataio, Darryl Chauvin, Jeff Gar-

men, Scott Turnbull and Tom Brown.

John Heidt, Mike Seagram, and Pat Day all scored touchdowns to lead the Junior Varsity to a 41-0 triumph. Head Coach Paul Trupp commended his offensive unit on their fine execution and timing.

The next Red Baron game is Sunday, September 23, at U-LS's field on Cook road. It will be against arch rival, the St. Clair Shores Black Knights. The public is invited to attend.

### Austin Graduate 'Lineman of Week'

Austin Prep graduate Mike Varty, a senior at Northwestern University, was named United Press International's "Lineman of the Week" for his performance against Michigan State in Saturday, September 15, grid action.

Varty, a linebacker, made 19 tackles, nine of which were unassisted. He also made a tackle which resulted in a one-yard loss for the Spartans.

### Club to Start Swim Season

The All Pointe Swim Club begins its eighth season Monday, October 1, at the Parcels School pool.

Under the direction of its founder, Coach Les Roddis, who has 15 years coaching experience, the team consists of boys and girls from ages seven to 17.

The schedule of meets is as follows: October 13, Dearborn, away; October 26, Crestwood, away; November 17, Livonia, home; December 5, Utica, away; January 19, Allen Park, home; February 8, Dearborn, away; March 1, Cherry Hill, home; March 22, Clarenceville, away, and April 6, championship, home.

There will be a parents meeting Wednesday, September 26, 7:45 p.m., in the Central Library Exhibition Room, 10 Kercheval avenue.

Never refuse a good offer in the game of life—it may be the opportunity you seek.

**I BET YOU DIDN'T KNOW**  
Brought to you by TED EWALD  
How did the custom of cheering and cheer leaders start in football? ... When the first intercollegiate game was played in 1869 between Princeton and Rutgers, Princeton players got the idea of trying to upset Rutgers players by yelling every time Rutgers put the ball in play ... But there was one thing wrong with this plan ... Although the yelling did upset Rutgers, at the same time, it bothered the Princeton players because they had to use too much effort in yelling and it distracted them from their own play ... So, for the second game against Rutgers, a Princeton man got the great idea of having some of the students along the sideline do the yelling instead of the players ... A few students were chosen and taught to yell and when to yell ... And that's how the tradition was born.

How tough is it to make a pro football team? ... Did you know that more than 35,000 boys play college football in America each year and of that number fewer than 350 make it to the Pros — so, of all college football players, only about one out of every 100 are able to go into pro football.

**Set 'Klambake' For Sept. 22**

The Second Annual "Kick-off Klambake," sponsored by the Austin Boosters' Club, is set for Saturday, September 22, from 7 p.m.-1 a.m., in the school's gym. Dinners will be served from 7-9 p.m.

The "Klambake Committee," headed by Chairman Elliot Broderick and Co-chairman Maureen Carroll has been hard at work for a number of weeks, aiming to excel last year's fine program. The menu will again feature a whole lobster for each person, chicken, corn-on-the-cob and all the accessories plus all the beer you can drink and free set-ups. There'll be music by the "Versatones" and dancing, too, and plenty of camaraderie.

Last year's Klambake had a turn-away crowd and this year only the first 400 reservations will be accepted. Tickets may be obtained from the school's office for \$10 per person.

President of the Boosters Club is George Daudlin of The Park.

**One View From The Capitol**

By William R. Bryant, Jr.

Detroit Councilman Ernest Browne has a great idea which I would like to share with you.

Much of the problem in trying to stop or seriously impair heroin traffic is from lack of cooperation by citizens afraid to help, and from lack of staffs on police agencies adequate in number to do the time-consuming surveillance necessary to build a good case against a dope dealer.

Councilman Browne is urging adoption of a plan which has to work. It is simple and complete. Triuplicate forms would be distributed to every residence in Detroit. These forms would have room for about 20 entries, each showing a date, time, car license and car description.

**Watch House**

Residents suspecting a house in their neighborhood of being a heroin dope house would simply identify the house and observe, out a window or casually in some other manner, cars parking there from which person are emerging and entering the suspected dope house. The cars and times would be listed.

When a substantial number of cars of probable customers have been listed, the person would merely go to the mail box and mail the forms.

One copy goes to the police. With the information, they may be able to get an arrest or search warrant without any surveillance of their own or with minimal surveillance as verification. This should save thousands of police man-hours of investigation.

The second copy goes to the Internal Revenue Service. They can make a tax fraud case from estimates of the number of buyer-customers a dope house has and chase the operator for failing to report the income. The list of cars frequenting the

place is a good start on that investigation.

**Third to Lansing**  
The third copy goes to the Secretary of State's office in Lansing. When they have reports of a certain car being listed several times on the same, or different reports from citizens, they would write the owner of the car. That letter would say the car is suspected of being used by persons illegally buying, using and driving under the influence of narcotics.

Driving under the influence of narcotics is just like drunk driving, so the letter would require the owner to appear before a driving examiner and explain, if he can. It also may show up a lot of parent's cars being used by teenagers from Detroit, Grosse Pointe or wherever, thereby giving a real good notice to the parent that the child is using heavy drugs.

For instance, wouldn't it be helpful for you to know if, for example, your 17-year-old boy used the family car on September 20 in the evening, saying he was going over to a friend's house and you got a letter from the Secretary of State and are told your car was seen down in Detroit with its occupants spending 15 minutes in a suspected dope house?

Councilman Browne's idea is really a good one, I think. Sometimes answers are so simple they go undiscovered. If you think this is a good idea, please write Councilman Ernest Browne and encourage him to press for its immediate adoption.

**New Instructor Hired by Club**

Mrs. Juliana McEvers has been hired by the Grosse Pointe Neighborhood Club, 17150 Waterloo, to teach its new Basic Motor Skills class. A special education major, Mrs. McEvers is currently working towards her masters degree at Wayne State University. Her master's thesis is devoted to motor skills in overcoming children's perpetual problems.

She also was instrumental in developing a special education program for the city of Mount Clemens. The Neighborhood Club reports it feels very fortunate to have an instructor of Mrs. McEvers' caliber with them. It is hoped that area residents having children in the first through sixth grade with muscular, coordination, and/or perceptual problems will avail themselves of this class.

For further information, call the Neighborhood Club at 885-4600.

**Hold Musicales For Interfaith**

A Musicales-Folk Concert for the people took place Friday, September 7, in a backyard setting at the Shoreham road house of Mr. and Mrs. Gordon Blake.

This was the third annual musicale which benefits the Grosse Pointe Inter-Faith Center for Racial Justice. At least 550 residents of all ages attended, bringing with them wine, blankets and a Woodstock spirit.

The 15 performers, among the best folk singers in the state, entertained the enthusiastic crowd. The entire performance was taped and will be made into a record.

The Interfaith Center is involved in many community projects such as textbook evaluation and court watching.

Carpeting

Small touches make the big difference in decorating. A room grows dull if it has no subtleties to be discovered as you live in it. Accessories — that just right lamp, the little table and, of course, the pictures on the walls — bring life into the big furnishings in the room. So do "intimate" objects that reveal the personalities of the people who live among them. The little things that turn a room into a success aren't always tangible objects. The way the plants are arranged, the pictures hung, the braided trim used, etc. In the weeks to follow, we hope to make you aware of all the little subtleties that will enhance your home. Welcome to **ED MALISZEWSKI CARPETING**, 21435 Mack, 776-5510. We have one of the largest and finest displays of quality carpeting in the area. We carry Lee's, Burlington House, and Cabin Crafts carpeting to name just a few. We specialize in domestic and imported area rugs. Visit our showroom Tues., Wed., Sat. 9:30-6:00 and Mon., Thurs., & Fri. evenings until 9:00. We have been servicing the carpet needs in the Grosse Pointe and St. Clair Shores area since 1913.

"Our 24th Year Operating Under the Same Name"

**The feature Sarah Klein likes most about her new Gas dryer doesn't even use Gas.**

In fact, it helps her conserve Gas. It's her permanent press cycle. Ten minutes of nothing but fresh, fluffing air on her permanent press clothes — to keep the wrinkles from setting in. This saves Sarah all kinds of ironing, all kinds of Gas, and all kinds of money. No wonder it's her favorite feature.

But there's much more to appreciate in today's modern Gas dryers. Improved insulation and more precise controls mean even less fuel consumed, and even more money saved. And a Gas dryer operates for about one-fourth the cost of operating an electric one.

So, when you think about replacing your old dryer, think about a new Gas dryer with the permanent press cycle and other money-saving features. Various size models are now on display at Gas appliance dealers and Michigan Consolidated Gas Company showrooms.

And, whether you purchase a new dryer or use your present one, here are a few good tips for increasing its operating efficiency: (1) Keep the dryer's lint filter clean. (2) Avoid overdrying your clothing. (3) Keep the dryer's flue clear of lint accumulations. (4) Don't forget to follow the manufacturer's proper operating instructions.

**Farms Extends Welcome to 23 Japanese Citizens**

By Sally Duff

During an afternoon barbecue at the Farms Pier on Saturday, September 8, there was an international exchange of spirit, culture and custom when 23 Japanese citizens from Shiga, one of Michigan's sister states, visited for several hours.

Welcoming the Shiga Youth Goodwill Mission, which is the fourth delegation to come to the United States on this particular sister-city program, were Farms Mayor William Butler and his wife, along with Patricia Soulliere, representative for The Farms' sister-city; City Manager Andrew Bremer, Jr., Fire Chief Michael Beaupre and Police Chief Robert K. Ferber.

Farms Treasurer Mrs. James Stallard, Councilman Nancy J. Waugaman, Pier Park Director Edward Lauer, Police Lieutenant Ignatius Backman and Administrative Assistant Richard Solack also were on hand to greet the group. Others meeting the delegation were members of The Farms staff Mrs. Earl Nelson, Mrs. Rosemary Jensen and Ann Fields.

The sister-city program, a volunteer citizen organization, is an offshoot of the sister-state program which originated in the 1960's. At that time, Governor Nozacki of Shiga asked Governor Romney to be a sister-state because the two states were so alike.

Both Michigan and Shiga have fresh water and mountainous areas, resulting in many of the same businesses such as ski resorts and trout hatcheries. The idea became a reality, and the program was given to the Michigan State Department of Natural Resources.

Since then, Carl Zwinck, who is a member of the sister-state committee and is the sister-city chairman of Ann Arbor, has developed five sister cities in Michigan. He and Jack van Dyke, who is the chairman of the sister-cities program for Michigan, arranged the week-long visit of the Shiga Youth Goodwill Mission.

Grosse Pointe Farms was the first stop in Michigan for the Japanese youths; one member of the group, Kiyoko Kawaharada, is a resident of Imazu, which is the Farms' sister-city.

One part of the afternoon was full of surprises as it was necessary to explain the modus operandi of eating hamburgers and corn-on-the-cob. At the same time, Mr. and Mrs. Rick Shannon provided boat rides for the visitors; some even manned the helm!

A focal point of the luncheon came with the traditional exchange of speeches and gifts. Mayor Butler presented "Keys to the City" to Kaoru Hinode, the leader of the group, and to Ms. Kawaharada. Each visitor received luggage stickers and pamphlets on the operation of The Farms.

**Antiques Class Starts Sept. 20**

A class in Antiques is being offered by the Department of Community Services of the Grosse Pointe Public School System. It begins Thursday, September 20, for an eight-week session.

Darlene VanTiem, instructor, holds a Master of Arts degree from Michigan State University. Included in the course will be furniture styles, how to restore antiques, china, silver and metals, glassware and the new collectibles.

Mrs. VanTiem also will discuss auctions, how to buy antiques and estate sales. The instructor will try to help students identify their own antiques and will gear the meetings to the interest of those who attend the course. Registration may be obtained by calling the department at TU 5-3808 or TU 5-0271.

**Woods Trash Fire Doused**

Someone started a trash container fire in the basement of The Woods Municipal Building, 20025 Mack avenue, Sunday, September 16.

Public Safety Officer William Desilets, while working in the basement, discovered the fire in the men's restroom. Both he and Officer Charles Phillip Hamel doused the blaze via a water extinguisher.

Investigation revealed that the trash can cover was removed and paper towels stuffed into the container. The culprit then lit the towels, causing some smoke damage to the ceiling.

**College Tests Slated Oct. 20**

The American College Test, ACT, will be given from 8 a.m. till 12 noon Saturday, October 20th, at North High School to all seniors and juniors who desire it to be made a part of their record for college admission purposes.  
This test and the Scholastic Aptitude Test, SAT, are the two important college admissions tests required by many colleges and universities. Both are given a number of times during the year, each several times at North High School, as well as at other area schools.  
Early dates in 1973 are most important to seniors who did not take the test in their junior year. Students often elect to take the tests in their junior year.  
The ACT is required by a number of Michigan schools including nearly all state community colleges, by Grand Valley State, Northern Michigan University, and Western Michigan University. A number of other schools will accept either the ACT or the SAT.  
These include Central Michigan University, Eastern Michigan University, Michigan State University, and the University of Detroit. Some other colleges and universities, including the University of Michigan and Kalamazoo College require the SAT and also Achievement Tests, ACH.  
Students interested in financial help from the State of Michigan Competitive Scholarship and Tuition Grant Program should be aware that the state now uses the ACT as a screening test. Parent Club Scholarships at the two high schools are also related to this test.  
For future information, parents and students should consult the counseling offices of their schools which have available a complete list of the dates when the ACT and the SAT will be given.  
Also available, as long as supplies last, is a brochure which gives complete instructions for taking the test.  
The registration deadline for the October 20th test is October 1st.  
Students pick up their applications from the counseling offices and mail them in as promptly as possible with a check for \$8.50 to cover testing costs.

**Slides Helpful In Fence Plea**

At least on one occasion "visuals" can go a long way in helping to have a request approved at a council meeting.  
Take the case of John W. and Melanie Fisher, of Brys drive, who requested permission to erect a six-foot stockade fence in accordance with The Woods' fence ordinance. After presenting a series of slides of his neighbors' garage, the council unanimously okayed the request at the regular meeting Monday, September 10.  
According to the fence ordinance, the adjacent property owner must approve in writing the installation of the six-foot stockade fence before a permit can be issued. But the property owner west of Mr. Fisher wouldn't sign the required permit, so the September 10 Board of Appeals hearing date was set at the Monday, August 20, meeting.  
Mr. Fisher told the council he wanted the fence for privacy and then ran some slides showing the peeling paint on his neighbor's garage and gutters. It was revealed a resident two doors away from the Fishers also was in favor of the fence, while no one spoke in opposition to it. The couples said they will pay for the fence themselves.  
Then the solons unanimously backed Councilman George S. Freeman's motion that the request be approved.

**GP Lions Win Two of Three**

The Grosse Pointe Lions football team opened their season on a winning note against the Denby Bulldogs Sunday, September 16.  
The Varsity won 19-7. All of the Lions points were scored or set up by the defense. The Lions intercepted four passes, returning two for touchdowns in runs of 40 and 50 yards.  
Another Denby pass interception was returned 30 yards to the Bulldog 10-yard line and four plays later the Lions pushed the ball over for another touchdown.  
Outstanding Lion defensive players reportedly were John Bedsworth and Tom Borland. The Lions Junior Varsity team showed good balance, both offensively and defensively in winning, 19-0. A punishing ground game and good passing set up scoring runs of 40, 60 and two yards.  
The Lions defensive unit played well in keeping the Bulldogs from scoring. Coach Jack Currie said after the game that it was a "total team effort that made few mistakes."  
Outstanding offensive players were Darryl Nibem and Tom McShane.  
The Lions Freshman team dropped their game by a score of 14-0. Both Bulldog touchdowns were scored on long runs which spoiled a fine defensive game.  
Good defensive players were Donald Landis, Eric Frakes, Gerald Coyle, David Reeder and David McAllister.  
The next games will be Sunday, September 23, at Elworthy Field against the Roseville Mohawks starting at 1 p.m.

**Schools Offer Bridge Courses**

Bridge classes being offered by the Department of Community Services of the Grosse Pointe Public School System will begin the week of Monday, September 24, and are certain to be filled to capacity.

Taught by Mrs. Carrie Kiley, eight bridge classes will be offered this fall term on three levels of instruction. Beginners Bridge will acquaint the acknowledged beginner with basic rules and bidding conventions. The refresher course will review all general rules of bridge. The Players group is designed for the more seasoned bridge player and will cover the finer points and more advanced strategies. Mrs. Kiley will base all classes on the Goren method and recent revisions to this method will be covered. Each class will include 10 weeks of instruction and supervised play for two hours each class period. For further information and class reservations, call the department at 885-3808 or 885-0271.

**Pair of Golfers Sink Tee Shots**

One of two Pointe golfers may be teeing off in Scotland, the ancient home of golf, as the winner of the annual Rusty Nail Hole-in-One Sweepstakes. Frank Dale, of Aline drive, and Frank Waldeck, of Lennon road, recently scored holes-in-one at the Gowanie Golf Club. By carding their aces, they not only fulfilled the dream of every golfer, but also the entry requirements for the Rusty Nail Sweepstakes. The winner of this national competition, who will be announced early next year, receives \$1,000 plus two round-trip tickets to Scotland.

**We don't think you should have to wait around for an auto loan.**

So we cut down on the red tape and traditional procedures you have to wade through when you get an auto loan from most other places. And came up with an idea called on-the-spot loan approval. It means your loan gets approved fast. Because all our branch managers have the authority to approve loans themselves. So you don't have to sit around while the person you're dealing with calls somebody else for approval. We handle all our other loans quickly and efficiently, too. Handling them any other way would just be a waste of time.

### Voters' League Earns Praise

This week, September 17 through 21, is being observed as League of Women Voters Week. The reasons for this observance are very well stated in the following proclamation issued by Governor William G. Milliken.

"The League of Women Voters is a non-partisan organization devoted to fostering a concerned and informed electorate which is actively involved in the democratic process.

"The League has attained recognition in Michigan and throughout the nation as a source of consistently unbiased information on candidates and issues, and has evidenced its deep concern for the problems that plague our society through study and legislative action in many areas including welfare, taxation, education, and the preservation of our environment.

"The 43 local chapters of the League of Women Voters in Michigan will observe the week of September 17th through the 21st as League of Women Voters Week in our state.

"Therefore, I, William G. Milliken, Governor of the State of Michigan, urge all citizens to give appropriate recognition to the many significant contributions which the League of Women Voters has made to responsible, effective and responsive government on local, state and national levels."

### Letters to the Editor

Dear Sir:  
 In reference to the Grosse Pointe News, (September 13 edition), page one article, "Woods Post Vacated by Marv Boutin," (also Detroit News article, "Mayor's Successor Is Opponent," September 13 edition, page 14, Section B):

As a registered voter and taxpayer I am extremely disturbed and disgusted at the attitude of Mr. Marvin Boutin. Why can't "He" accept the opinion of our Attorney General's office of the State of Michigan and the Charter provision on elected offices? Resignation from elected office prior to seeking election to another elected office is part of our Democracy—(voted on by the people, for the people). Mr. Boutin seems to feel he deserves "special privileges," (over and above other elected officers in the state of Michigan).

Grosse Pointe Woods does not need councilmen nor mayors elect who cannot decide which they want to be—the voters will make your decision for you November 6, Very Concerned Voter, Joyce S. Cook (Mrs. Jon), Prestwick road, Grosse Pointe Woods

Dear Sir:  
 I would like to correct a misinterpretation of my actions at the Park Council meeting of September 10. In the September 13 copy of the Grosse Pointe News you indicated that I appeared satisfied with the reading of the

section of The Park's City Charter which gives the council the authority to fill a vacancy on the council.

My inquiry did not concern the council's legal right to fill the vacancy but their anxiety to do it in such a rush. (The vacancy was filled the same day Mr. O. J. Williams' resignation was received before the general public was aware of the fact that such a vacancy existed).

I was curious to know why the council had not waited for suggestions from the public or why they had not appointed someone who had shown interest in serving on the council either by filing for election at some point or by serving on the council at a previous time.

However, the mayor informed those of us in the audience that such appointments are not the business of the citizens of Grosse Pointe Park, any further questions would seem to be little more than an exercise in futility.

Sincerely,  
 Rae E. Kuhn  
 Harvard road

A sincere thank you to our new neighbors on Saddle lane for contributing to our favorite charity. A check for \$25 in the name of Saddle Jane was sent to the Muscular Dystrophy Foundation.

Gratefully,  
 Carol and Margaret Sobieski  
 (Editor's Note: Carol, 16, and Margaret, 12, went door-to-door on Saddle lane Monday, September 3, to collect money to fight muscular dystrophy).

### Okays Placing of Cannisters

A request from the "City of Hope Detroit Cancer Fighters" to place its cannisters throughout Woods business establishments was unanimously approved by the council at the regular meeting Monday, September 10.

The cannisters will be placed from Wednesday, October 10, through Tuesday, December 11. Proceeds will go towards helping support the City of Hope, a national medical center in California.

### What Goes On at Your Library

By Virginia Leonard

After a series of catagrophes, (like a broken leg), and the latest being a gastric ulcer, my children decided mother needed companionship and cheering up, so a few weeks ago they gave me a kitten. Dogs are really my dish, and I know nothing about kittens; hence we are both learning things from each other. I hope we both survive. On bad days, I keep reminding myself that this small, furry scrap of cathood will eventually grow up, and I may keep my sanity.

All of this, plus the fact that we recently received several memorial books on cats, gave me the idea of writing a column on our feline friends. The three over-size new books are: CHAMPION CATS OF THE WORLD (1972) by Ing; the second, by Pond, is COMPLETE CAT ENCYCLOPEDIA; the third is HONORABLE CAT, by Paul Gallico. This latter is a sequel to THE SILENT MIAOW. Inspired by the artistry of the world-famous photographer, Osamu Nishikawa, Gallico's inventive genius has produced a truly magnificent tribute to a delightful cat. Here is a wonderful account of man's ageless love affair with Felis, making clear the profound influence each has had on the other. All of these lovely memorial books on cats are certainly worth looking at—if you can find them in! We seem to have many cat lovers in Grosse Pointe!

Perhaps you would like to hear about some of our other cat books. "If CAT'S KINGDOM by, (Hartley and Joan Ramsey), must be given a location, it is 16 Chestnut Walk, London, for this is where the Ramsays live... Hartley, an artist of distinction who conceived, wrote and designed the book, Joan, his wife, who decorated it with her lovely paintings and drawings, and their small daughter. And, there are seven cats—three alley and four Siamese called Maxie, Dinah, Lizzie, Titus, Arnold, Ko-Ko and Pooh-Bah." This book will delight all cat lovers. The publishers gave the author a free hand, and text and drawings materialized together; this book would make a delightful gift.

A couple of years ago, a writer named Richard Lockridge met—and soon decided he'd very much like to marry—another writer named Hildegard Dolson, but there were difficulties afoot. Miss Dolson was not really interested in marriage, and when it came to pets she was partial to dogs. Mr. Lockridge lived in the country with two Siamese cats, Pam and Sherry. From the various relationships, both human and animal, and the unpredictability of cats and people, a tender, hilarious, touching and very true story emerges, which no one but Richard Lockridge could tell. If you like this author, do read ONE LADY, TWO CATS.

Noel B. Gerson has written another book which sounds just as interesting. It is called P. J. MY FRIEND. Gerson tells us that when the cat joined the family, kitty was told he had cost them \$08. "Since he was only a kitten at the time, and therefore knew relatively little about matters of high finance, I am inclined to think he took my word." P. J. and Gerson were good friends for years, but in all of his 14 years, P. J. never learned that he had been purchased for \$8—and not \$98!

## From Another Pointe of View

By Janet Mueller

There'll be tea, cookies and Traveling Trinkets in one of The Pointe's loveliest homes next Tuesday, as the Women's Auxillary to Cottage Hospital presents its annual fall Donation Party.

Setting for the 2 to 4 o'clock affair is the residence of Mr. and Mrs. Warren Wilkinson, at the foot of Woodland place, with gardens stretching down to Lake St. Clair.

The Traveling Trinkets, jewelry-for-sale displayed by Mrs. Harold R. Boyer, Jr., will provide an additional opportunity for Donation Tea guests to make this a successful fund-raising event.

Mrs. Cyril J. Edwards, Jr., and Mrs. James D. Standish, III, party co-chairmen, have been planning the afternoon with the assistance of Cottage Hospital Auxillians Mrs. Robert S. Quaid, in charge of invitations, Mrs. George H. Thom, Jr., donations, Mrs. Ramafis Fahim, registration, and Mrs. Sterling Graham, hostesses.

Members of the Cottage board of trustees, including the Mesdames George R. Fink, Henry B. Joy, Jr., James McMillan, Miles O'Brien, Elliott H.

Mrs. Palmer is a member of the Grosse Pointe Park Garden Club.

Dedication of a unique and valuable collection of articles concerning the life and times of Abraham Lincoln, gift of Pointer CASS PIOTROWSKI, was held recently at Adrian College, with MR. and MRS. PIOTROWSKI and MRS. F. M. LEMKE, whose late husband, Mr. Piotrowski's law partner and long-time friend, co-assembled the Piotrowski-Lemke Lincoln Collection, present. The Collection, including approximately 900 bound books, 180 pamphlets and many framed documents, pictures, portraits and pieces of sheet music, is now housed in the Lincoln Room of Adrian's Shipman Library. Mr. Piotrowski became interested in Adrian's library and its Lincoln Room in the spring of 1972, while attending a Rotary district conference at the college. He is a past district governor and past vice-president and director of Rotary International. The Collection, now open to the public, is valued at approximately \$25,000.

## Gypsy Evening At Scarab Club

Scarab Club members, known for their unusual and imaginative parties, will turn the Club into a gypsy fantasy this Saturday evening, September 22. The Golden Evening fete starts the 1973-74 Scarab season.

Stepping through the Club's front door, guests will be enveloped in a dimly-lit third-dimensional surrealist setting designed by Artist Member Chuck Hyder, featuring swirling mist, beaded curtains, draped material and glittering mobiles.

The mood changes from mystic to fantasy to reality as party-goers move from the entrance to the gallery to the garden, where a gypsy encampment includes an eight-foot waterfall, a bonfire and a colorful wagon.

A Hungarian buffet will be served while roving musicians, gypsy dancers and fortune-tellers entertain.

Party proceeds will be used to renovate the 54-year-old Scarab Club.

## Martha Ford Bride Of Peter C. Morse

She is Attended by her Sisters, Sheila Firestone Ford as Honor Maid and Elizabeth Ford as Bridesmaid

Martha Parke Ford, daughter of Mr. and Mrs. William Clay Ford, was married Friday afternoon, September 14, to Peter Christopher Morse, son of Mr. and Mrs. Granville A. Morse, of Palm Beach, Fla.

The ceremony in Saint Paul's-on-the-Lakeshore with Monsignor Frank McPhillips presiding, was followed by a reception at the Lakeshore road home of the bride's parents.

Sheila Firestone Ford was maid of honor for her sister. The bride's only other attendant was another sister, Elizabeth Ford, who served as bridesmaid.

Best man was Shane O'Neil, of New York City. Ushers were William Clay Ford, Jr., brother of the bride, G. Anthony Morse, Jr., and Michael Morse, brothers of the bridegroom.

The bride wore a gown of white silk organza fashioned with a high white satin roll collar. Satin edged her short puffed sleeves and a band of satin circled her waist. Back accent was provided by a white satin bow and circular train.

This is a telephone.

It's also how to make yourself feel positively reborn. All you do is lift the receiver, dial the number directly below and say I'd like to make an appointment for a new me. Which, this fall, could involve any number of pretty things. Like deciding to be ahead for once in your life. Or wearing curls again. Or going from short to shorter. If you've been toying with a change and hesitating and toying and hesitating — c'mon. Fall is here and we're just a ting-a-ling away.

# Miss Pfeffer Wed To Gerald Miles

Home in Royal Oak Awaits Couple, Now Vacationing in Florida; Bridegroom's Twin Brother is Best Man

A reception at the Detroit Boat Club followed the wedding of Mary Kathryn Pfeffer and Gerald Douglas Miles Friday evening, September 14, in Our Lady Star of the Sea Church.

She is the daughter of Mr. and Mrs. Robert J. Pfeffer, of South Oxford road. Mr. and Mrs. Lewis C. Miles, of Lathrup Village, are the bridegroom's parents.

For the 6:30 o'clock ceremony with The Reverend George Cronin presiding, the bride chose a gown of off-white satin trimmed with Alencon lace.

Matching lace appliques accented her tulle veil, and she carried an arrangement of

white roses and baby's-breath.

Barbara Pfeffer, who served as her sister's honor maid, and bridesmaids Maureen Truka, Gay Miles and Linda Egerer wore apricot crepe frocks trimmed with ivory crocheted lace and carried baskets of autumn-hued dried flowers.

Thomas Miles was his twin brother's best man. Guests were seated by Gerald Monte, Gary Egerer and Charles Watson.

# Rites In St. Paul's For Miss DePonio

A reception in the Grosse Pointe War Memorial's Crystal Ballroom followed the wedding of Susan Catherine DePonio and Thomas Leo Boyer Saturday, April 11, in Saint Paul's-on-the-Lakeshore.

The Reverend Leo J. Healy, of Providence Hospital, long-time friend of the bride's family, presided at the 11:30 o'clock ceremony.

The new Mrs. Boyer is the daughter of Mrs. Gilbert W. DePonio, of Williams avenue, and the late Mr. DePonio. Her husband is the son of the Leo Boyers, of Akron, O.

The bride's gown was fashioned with a V-necked Alencon lace bodice and silk or-

ganza over taffeta skirt, falling from an Empire waist. Her long sleeves ended in flounces at her wrists. She wore her mother's wedding pearls.

Matching lace edged her long silk illusion mantilla, and she carried a large Colonial arrangement of white phalaenopsis orchids, white pom-pom mums, white tea roses and baby's-breath.

Her attendants' yellow dot-

ted swiss frocks featured V-necks, long, sheer sleeves ending in wrist flounces and full skirts edged with dust ruffles. White lace defined their necklines and Empire waists, and they wore yellow ribbons in their hair.

Their Colonial bouquets of yellow daisies and baby's-breath were tied with white streamers.

Jane Grade, of St. Clair, was honor maid. Barbara Galik, of Streeter, Ill., Mrs. Michael Martin, Mary Margaret Tisdall and Marcia Murdock were bridesmaids.

Thomas Patton came from Ashtabula, O., to act as the bridegroom's best man. Guests were seated by John Najcluck, Jr., of Dearborn Heights, David Quint, of Cleveland, and Gregory Sain and Robert Destro, both of Akron.

The mother of the bride complemented her long coral chiffon dress with a corsage of yellow orchids. The bridegroom's mother selected a floor-length gown of pink and blue flowered chiffon, and pinned white orchids to her purse.

The bride's grandmother, Mrs. Edmund Habarth, was dressed in blue chiffon, with a white orchid corsage.

After vacationing in the Bahamas, the newlyweds are at home in University Vil-

lage, Notre Dame, Ind., where the bridegroom, a Notre Dame graduate, is presently attending the University of Notre Dame Law School.

Susan, a graduate of St. Mary's College, Notre Dame, is teaching in South Bend.

## Woman's Club Group To Meet

The Bridge Group of the Grosse Pointe Woman's Club will hold its first meeting of the season Wednesday, October 3, at the Grosse Pointe War Memorial.

A sandwich buffet at noon will be followed by bridge at 12:30 o'clock. Buffet reservations are being taken by Mrs. Paul H. Schafer, 884-1146.

## Ama Deus Circle Plans Card Party

Ama Deus Circle 616, Daughters of Isabella, will sponsor a card party Monday evening, September 24, at 8 o'clock at Gabriel Richard Knights of Columbus Hall in East Warren avenue. Donation is \$1.50. Prizes and refreshments will be featured.

Proceeds from D. of I. card parties are used for charitable purposes.

## Mrs. Thomas L. Boyer

Scene of the wedding of SUSAN CATHERINE DePONIO, daughter of Mrs. Gilbert W. DePonio, of Williams avenue, and the late Mr. DePonio, and Mr. Boyer, son of Mr. and Mrs. Leo Boyer, of Akron, O., Saturday, August 11, was Saint Paul's-on-the-Lakeshore.

## Will Discuss Antique Clocks

The Women's Association of Grosse Pointe Congregational Church opens its fall season Tuesday evening, September 25. All five women's groups plus all other women of the Church are invited to participate in an evening of fun and fellowship, starting with punch and a dinner served by Group I at 6:30 o'clock in the Church Social Hall.

After dinner P. H. Eurich, of Dearborn, will discuss antique clocks. Mr. Eurich has a collection of about 200 clocks, and he will have some on display for the Church women.

He now has a display of clocks at the Detroit Historical Museum.

Reservations may be made by calling the Church Office before noon Monday, September 24. Everyone is welcome.

Wed Saturday, September 15, in Our Lady Star of the Sea Church to Mr. Meilink, son of Mrs. Paul Francis Meilink, of Kercheval avenue, and the late Mr. Meilink, was JOAN CHRISTINE HAMMOND, daughter of the Thomas Julian Hammonds, of Shorecrest circle.

Meilink-Hammond Vows Exchanged

Joan Christine Hammond, daughter of Mr. and Mrs. Thomas Julian Hammond, of Shorecrest circle, became the bride of Paul John Meilink, son of Mrs. Paul Francis Meilink, of Kercheval avenue, and the late Mr. Meilink, at an afternoon ceremony Saturday, September 15, in Our Lady Star of the Sea Church.

The Reverend C. Peter Dougherty, assisted by The Reverend Hector J. Saulino, officiated at the rites which were followed by a reception at the Grosse Pointe Club.

The bride wore a redingote of Swiss embroidered silk organza, styled with a Watteau train, over a silk faille gown. Her short veil fell from a matching embroidered organza Juliet cap.

She carried a cascade of phalaenopsis orchids, stephanotis and ivy.

In shocking pink frocks with matching picture hats, carrying cascades of pale pink carnations and ivy were Mrs. William McNaughton Hart, who came from Newport News, Va., to serve as her sister's honor matron, and bridesmaids Mrs. Allee Willis Wampler, III, also a sister of the bride, Christine Johnson, Mrs. Mark Alan Baun, Mrs. R. Peter Scott, of Corpus Christi, Tex., and Mrs. Patrick Doyle, of Fairfield Glade, Tenn.

Michael Smith was best man. Ushers were William McNaughton Hart, Allee Willis Wampler, III, Donald Sullivan, of Algonac, Peter Buchanan, of Berkley, and Dr. Willis Stephens, of Bir-

mingham.

The mother of the bride wore a champagne silk dress and jacket ensemble, the bridegroom's mother a dress and a coat of deep pink silk shantung.

The newlyweds will return from a vacation in northern Michigan to make their home in Lakeshore Village.

Guests included the bride's great-uncle and aunt, Mr. and Mrs. Julius C. Peter, Mrs. Satilla Means, of Washington, D.C., Mrs. Bernard Meilink and Mrs. Harold Anderson, of Maumee, O., the Win Brownlees, of Sutton's Bay, and Mrs. Joseph Manton, of Toledo.

Miss Dosedall Bride Of Mr. M. Connolly

Diana Marie Dosedall and Michael Joseph Connolly were married Saturday, August 18 in an afternoon ceremony at Saint Mary's of the Lake on Manitou Island, White Beaver Lake, Minn.

The Reverend Quintin Kennedy presided at the 2 o'clock rites, which were followed by a reception at the home of the bride's parents, Mr. and Mrs. Thomas E. Dosedall, of Manitou Island.

The bridegroom is the son of Mr. and Mrs. Walter B.

Walkathon To Raise New Church Walls

The Parent-Teacher Association of Assumption Greek Orthodox Church will sponsor a Walkathon to raise funds to build a new church on property recently acquired in St. Clair Shores. It is scheduled for Saturday, September 22.

Registration begins at 8 in the morning at the Civic Arena, 20000 Stephens, St. Clair Shores. The route will comprise 10 miles.

Minn., and Mary Jennings, of Birmingham, were bridesmaids.

They wore floral print dresses with pink and green waistbands, and carried matching gloves.

William Choje was best man. In the usher corps were the bride's brother, Michael Dosedall, the bridegroom's brother, Richard Connolly, James Rhode, Blay Schoenherr, Dennis Adams and Mark Baun.

Mrs. Dosedall wore a long, pale yellow silk organza dress. Mrs. Connolly wore a long green chiffon dress.

Following the reception, the couple left for Little Dix Bay on St. John's Island.

The new Mr. and Mrs.

Connolly will be at home in Oxford, Miss., until December, when he will be graduated from the University of Mississippi Law School.

A Candlelight Concert will be presented by the Grosse Pointe War Memorial Friday evening, September 28, at 8:30 o'clock, with Fries Auditorium's Crystal Ballroom providing a court atmosphere setting for 17th and 18th century musical offerings.

Featured will be distinguished local artists Alice Lingershausen, harpichordist, and Ervin Monroe, flautist, combining their talents in a program of works by Frederick II, Handel, Scarlatti and J. S. Bach, plus Hindemith's "Eight Pieces for Flute Alone," miniature gems of 20th century composition. Each "piece" lasts no more than one minute.

Mrs. Lingershausen, who resides in Berkshire road, is a native of Ann Arbor. She holds a University of Michigan Master of Music degree and pursued advanced piano study in Vienna.

Her interest in the harpichord came later; after working with Philip Manuel in Chicago, Rudolph Dolmetsch in Haslemere, England, and Isolde Ahlgrimm in Salzburg, Austria, she has devoted herself entirely to this instrument.

Beside her many solo appearances she has performed with the Philadelphia Orchestra, the Detroit Symphony Orchestra, the University of Michigan Little Symphony, the Saginaw Symphony and the Grosse Pointe Symphony.

Epsilon and past-president of the Tuesday Musicales and the Women's Association for the Detroit Symphony Orchestra. She has held the post of of-

ficial harpichordist with the Detroit Symphony since 1966. Mrs. Lingershausen will perform on her concert-size harpichord, built specially for her by John Challis. It is

the same instrument heard in her appearances with the Detroit Symphony.

The audience is welcome to view the harpichord at close range after the performance.

Ervin Monroe, principal flautist of the Detroit Symphony Orchestra, is a graduate of the Oberlin Conservatory of Music. He came to Detroit in 1968 by way of the orchestras of the Bolshoi Ballet Theater, the Royal Ballet Theater and the Chamber Symphony of Philadelphia.

Born in Louisiana and Florida-bred, he is a song writer and member of the Metamorphosis group. He also helped found the Oakland University Jazz-Rock Institute.

He is a faculty member at both Oakland and Wayne State Universities, as well as the Detroit Community Music School.

Mr. Monroe's gold flute was made for him by Verne Powell of Boston, according to his own specifications. It is one of a large collection of various flutes, both antique and modern, which he owns.

Patrons for the candlelight evening include Pointers Mr. and Mrs. William H. Bunden, Miss Anna Husband, Mr. and Mrs. Joseph N. Jennings, Mr. and Mrs. Winfield S. Jewell, Jr., Mr. and Mrs. Robert Kaiser, Mr. and Mrs. Thomas V. LoCicero, Mr. and Mrs. Ray W. Macdonald, Mr. and Mrs. Alfred D. Moran, Mr. and Mrs. Sterling Sanford and Mr. and Mrs. Herman P. Sattler.

These unique candle-lit concerts of Baroque music have been programmed by the Grosse Pointe War Memorial since 1959.

Tickets are \$3.50 each, and may be obtained at the Memorial or by mail order with enclosed check payable to Mrs. Arnold W. Lingershausen, 849 Berkshire road, Grosse Pointe, Mich. 48230. Further information is available at Valley 1-6922.

**Artfair On Air To Benefit 56**

Volunteers are already at work in an effort to produce a weekend of televised excitement, WTVS Channel 56's Second Annual Art Auction, Artfair on the Air, to be held live and in color Saturday and Sunday, November 17 and 18, from 5 until midnight. Mrs. Richard (Ann) Manoojian is East Area Acquisition chairman.

This second Art and Antique Auction is separate from the Annual Spring Auction 56 but uses the same style, with viewers at home phoning in bids on items described by celebrity auctioneers.

It's an excellent reminder that Detroit's only public television station depends upon the community for about 95 percent of its yearly operating budget.

The Auctions net more than one-third of the station's annual income.

This year's Artfair chairman Mrs. Lloyd (Iris) Adelson and her leadership team want to beat last year's Channel 56 Art Auction \$62,000 net figure. To donate or volunteer, call Auction Central, 873-7200.

Back from Mutual of New York's "Top Club" conference in San Diego, Calif., is CHARLES W. WEILER, of Stratton place.

Mrs. J. J. Reynolds, III

Wedding vows were spoken Saturday, September 8, in Our Lady Star of the Sea Church by ANGELA ABALDO, daughter of Dr. and Mrs. Felix P. Abaldo, of Canterbury road, and Mr. Reynolds, son of Mr. and Mrs. Jay J. Reynolds, Jr., of Chicago.

Star Of Sea Rites For Miss Abaldo

At a double ring ceremony Saturday, September 8, Angela Abaldo, daughter of Dr. and Mrs. Felix P. Abaldo, of Canterbury road, became the bride of Jay J. Reynolds, III, son of Mr. and Mrs. Jay J. Reynolds, Jr., of Chicago.

Father Robert Wyzgoski officiated at the afternoon rites in Our Lady Star of the Sea Church, which were followed by a reception at Lochmoor Club.

The newlyweds flew from Toronto to vacation on St. Lucia and Barbados in the Caribbean. They will make their home in Bloomfield Hills.

The bride wore her maternal grandmother's antique gold and sapphire necklace and carried an antique family prayer book covered with velvets and a cascade of Stephanotis, ivy, baby's-breath and shrimp-colored miniature carnations.

Her gown, fashioned of ivory silk satin and pearl-beaded Brussels lace in a large Baroque pattern, featured a panel of crystal pleated chiffon dividing a redingote skirt.

Matching chiffon detailed the high Victorian collar, cuffs and shoulders of the gown, and the bride's lace Cathedral mantilla fell from a pearl-edged silk satin Juliet cap.

Lisa Abaldo, who served as her sister's honor maid, and bridesmaids Eileen Kasky, cousin of the bride, Vicki Santi, Cathy Gazzarato, Linda Paternoster and Anne Reynolds, the bridegroom's sister, wore Bishop-sleeved frocks of ivory peau de sole and shrimp chiffon.

They carried clusters of deep-toned pastel garden flowers with accents of ivy, baby's-breath and velvets. In a long white lace dress once worn by the bride was flower girl Trina Buccellato. Her French basket was filled with rose petals.

Frank Maggio, of Chicago, was best man. Greg, Mike, Fred and Gerry Reynolds, brothers of the bridegroom, and Sam Gazzarato were groomsmen. Charles Ioli, a cousin of the bride, served as ring bearer.

Pearls accented the

sleeves, midripts and neckline of the long, long-sleeved pastel blue and white silk gown chosen by Mrs. Abaldo for her daughter's wedding. The bridegroom's mother's floor length dress, also long-sleeved, was fashioned of patterned imported silk.

Both mothers carried matched pairs of ivory cymbidium orchids. Among those attending the ceremony were the bride's grandparents, Mr. and Mrs. Giacomo Abaldo, of St. Clair Shores, and the bridegroom's grandparents, Mr. and Mrs. Gregory Doyle and Mrs. Jay J. Reynolds, of Chicago.

GEORGE E. BUSHNELL, JR., of Cloverly road, has been elected vice-president of the State Bar of Michigan.

Faculty Wives Plan Reception

Grosse Pointe Faculty Wives will hold their annual fall reception at Lochmoor Club Tuesday, September 25, at 8 o'clock. All faculty wives are invited to attend this special evening honoring wives of new faculty members and kicking off the year's calendar of club events.

Entertainment will feature Faculty Wives member Jan Riccinto and her husband, Len, who is in charge of Vocal Music at South High School.

Mrs. Theos Anderson, wife of the Grosse Pointe Superintendent of Schools, will be joined in the receiving line by the Faculty Wives' new officers for the year, including Mrs. Thomas Buyze, president; Mrs. Paul Pierron, vice-president; Mrs. William Taylor, secretary; and Mrs. Joseph Devine, treasurer.

After a short business meeting and the introduction of new wives, the year's coming events will be presented by the chairmen of each activity. In charge of the Card Group, which meets once a month, are Mrs. William

Arbaugh, bridge, and Mrs. Paul Jablonski, pinochle.

Co-chairman of Ideas Unlimited are Mrs. Joseph Spagnoli and Mrs. Edwin Wendt.

Other projects and chairmen are Fun Night, Mrs. James Selmo and Mrs. Kenneth Gutow; Children's Christmas Party, Mrs. James Haskell and Mrs. Gordon Morlan; dinner-dance, Mrs. Curtis Lange and Mrs. Jim Gariough; and spring luncheon, Mrs. Herbert Ladd and Mrs. Gerald Morrison.

Nominating committee chairman is Mrs. Maynard Leigh, Scholarship chairman is Mrs. Douglas Schubert. Mrs. John Rohrer is in charge of publicity.

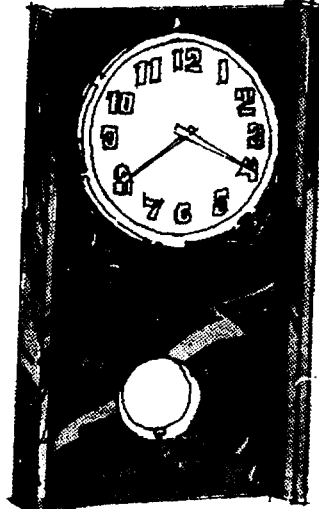

Dessert and entertainment for the reception have been planned around a theme of fall leaves by hostesses Mrs. Jack Harrigan, chairman, Mrs. Willis Brown, Mrs. Buyze, Mrs. Frank Ford, Mrs. Charles Hitch, Mrs. Harlan Minor, Mrs. Leonard Riccinto, Mrs. Rohrer and Mrs. Tony Spadafora.

Reservations are requested and should be telephoned promptly to Mrs. Ford or Mrs. Hitch.

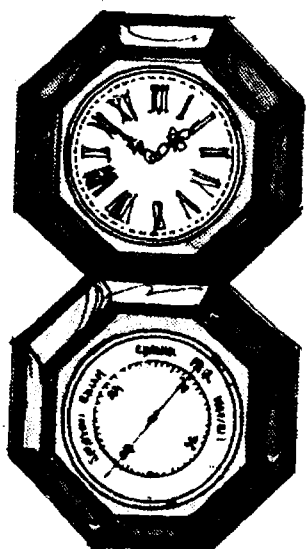

Former Pointer KATHERINE JEANINNE MEHNEY, who resides now in Lancaster, Pa., has received a Bachelor of Science degree in Elementary Education, with an area of concentration in Special Education for the Socially Maladjusted and Emotionally Disturbed, from Millersville, Pa., State College.

# Jeffries-Petz Rites Read September 15

After Vacation in East, Newlyweds to Live in Harper Woods; SS Peter and Paul Church is Setting for Ceremony

An Empire gown of candlelight satin fashioned with a high neckline and long sleeves edged with satin ruffles embroidered with seed pearls was Patricia Ann Kathryn Petz' choice for her Saturday, September 15, wedding to Michael Lloyd Jeffries.

A matching ruffle edged her circular train, and her illusion veil fell from a pearl-embroidered satin coronet.

She carried a cascade of white butterfly roses, baby's breath and Stephanotis, while her attendants, in puffed sleeves, tucked bodiced frocks of apricot chiffon, French grosgrain ribbon circling their waists, carried cascades of peach-accented autumn mums.

Helen Louise Petz was her sister's honor maid. They are the daughters of Mr. and Mrs. Anthony J. Petz, of Bishop road. Bridesmaids were Sharon Jeffries, the bridegroom's sister, Ana Jeanette Ardito, from the Republic of Panama, Debra Reese Goodhart, of Cincinnati, and Linda Mary Barnes.

Their ivory chenille picture hats were circled with grosgrain ribbon, matching the ribbons at their waists.

Richard W. Jeffries acted as best man for his brother. They are the sons of Mr. and Mrs. Lloyd W. Jeffries, of Torrey road. Ushering were Frederick A. Petz, the bride's brother, Greg R. Thom, John J. Southcott, III, of Cincinnati, and Roger B. Bjorkdahl, of Whitmore Lake.

Presiding at the morning rites in SS Peter and Paul (Jesuit) Church were The Reverend Jerome A. Petz S.J. and The Reverend A. A. Bischoff.

A reception at Nardo Country House, followed the 11:30 o'clock ceremony, for which the bride's mother chose a long gown of yellow and white lace. The bridegroom's mother was in turquoise lace.

## Betrothed

Mr. and Mrs. William R. Chaplow, of Whittier road, have announced the engagement of their daughter, CHRYSANTHE, to Samuel A. Bamman, son of Mr. and Mrs. Frederick C. Bamman, Jr., of Miami Shores, Fla. A late December wedding is planned.

The bride-elect will be graduated in December from Barry College, Miami Shores, where she is majoring in Family and Consumer Science. Her fiance is a graduate of the University of South Florida's College of Business Administration.

Both mothers selected yellow and white cymbidium orchid corsages.

The newlyweds, vacationing in the East, will reside in Harper Woods.

## Miss Smothers Wed Sept. 14

**Hester Stahl Wed In The Philippines**

Mr. and Mrs. Renato Gaudiel Loria Plan to Live in States When She Completes Peace Corps Assignment

San Jose Parish Church, Occidental Mindoro, The Philippines, was the setting for the wedding of Hester Ann Stahl, daughter of Theodore H. Stahl, of Hawthorne road, and the late Mrs. Stahl, and Renato Gaudiel Loria.

The newlyweds are residing in San Jose while the bride completes her service as a Peace Corps Volunteer Educational Consultant in Science. They plan eventually to live in The States.

The 6 o'clock ceremony Sunday, May 20, with The Reverend John F. McSherry SVD presiding, was followed by a reception at the San Jose home of the bridegroom's parents, Mr. and Mrs. Lyvio C. Loria.

For her marriage, the former Miss Stahl selected a ruffle-skirted gown of embroidered white organdy and a tulle veil, falling from a cluster of organdy and pearls.

Yellow and pink-accented white daisies formed her bouquet. In Empire frocks of pink chiffon accented with white bows, carrying pink daisies, were honor maid Marilyn G. Loria, the bridegroom's sis-

ter, and bridesmaid Nida C. Gaudiel, his cousin.

Flower girl Gina G. Loria, another sister of the bridegroom, wore a white organdy dress trimmed with pink ribbon, and carried a basket of white daisies.

Best man was Jackson De Leon. Cezar Ilagan ushered, and Gino C. Gaudiel, cousin of the bridegroom, was ring bearer.

A blue and white "Mestisa" gown with butterfly sleeves was Mrs. Loria's choice for her son's wedding. The newlyweds vacationed in Manila.

# Open Symphony Season Tonight

Opening night for the Detroit Symphony Orchestra's 1973-74 concert season will have the added luster of the initial appearance of Aldo Ceccato as the Orchestra's new Principal Conductor.

Concertgoers will find the traditional red carpet spread before them as they enter Ford Auditorium for the 8:30 o'clock performance this evening.

The exciting young maestro, guest conductor for two pairs of concerts during the 1972-73 season, has taken the podium again at Meadow Brook and Interlochen centers during the summer.

He has chosen four members of his Orchestra to open the new season. Violinist Gordon Staples, cellist Italo Babin, oboist Donald Baker and bassoonist Charles Sillard will be featured in Haydn's Concertante for Violin, Cello, Oboe, Bassoon and Orchestra.

The initial program also includes Mendelssohn's Symphony No. 4, often called the "Italian," and Dvorak's No.

9, popularly known as the "New World."

This all-orchestral program will be repeated Saturday evening, September 22. Maestro Ceccato also will conduct next week, September 27 and 29, when the guest soloist will be Franco Gulli, violinist.

The Women's Association for the Detroit Symphony Orchestra is again sponsoring a dinner at the Detroit Athletic Club prior to the first concert of the season.

General chairman of Opening Night activities for the Association this year is Mrs. Victor W. Wertz.

Mrs. Joseph A. Vance, Jr.,

Mrs. William H. Bundesen and Mrs. John C. Griffin are Pointers serving on the committee for the black tie affair.

Mrs. Ceccato will be seated at the Alexander Wrigleys' table. Barbara Wrigley is immediate past-president of the Women's Association.

Among others dining at the DAC are the Theodore Yntemas, the Edgar B. Flints, The Honorable and Mrs. G. Menen Williams, Mrs. Stewart A. Cogsdill, Mr. and Mrs. Joseph Jennings, Dr. and Mrs. Kim Lie, the H. Glenn Bixbys, the Gaylord Todds, Mrs. William Ternes, Mrs. Raymond Whyte, Mrs. Joseph Lallie and the Martin Kellermans.

Season tickets for subscription concerts, representing savings of up to 56 percent compared with individual concert prices, are still available from the Symphony office, 961-0700.

Subscribers may choose from nine different series, including 20, 12 or eight Thursday or Saturday evenings; the Kresge Omnibus Series of Sunday afternoon concerts presented at family prices; the Zodiac Series, which features a special pre-concert prelude and half-price rates for students on Friday evenings; plus the very popular Coffee Concerts on Friday mornings, presented in cooperation with the National Bank of Detroit.

An additional series of Young People's Concerts, scheduled on four Saturdays throughout the season, completes one of the most diversified and exciting concert seasons ever offered by the Detroit Symphony.

Brochures with program details and ticket order forms may be obtained by calling or writing the Detroit Symphony Office, Ford Auditorium, Detroit 48226. The telephone number is 961-0700.

Individual ticket sales open Monday morning, September 17, at Ford Auditorium Box Office, all Hudson's and Grinnell's ticket outlets.

## Woods Church Ladies Meet

A tour of Detroit historic churches via slides and narrative, presented by Mrs. Robert Hamilton, of Moross road, will form the program for the Women's Association of Grosse Pointe Woods Presbyterian Church next Tuesday, September 25.

Luncheon will be served at 12:30 o'clock at the church's Rath Hall. President Mrs. Duane Johnson will officiate at this first meeting of the 1973-74 year, and program chairman Mrs. Robert E. Jones will introduce the speaker.

Mrs. Hamilton's talk will cover the historic church tours planned by the Detroit Historical Society and the National Society Colonial Dames of America. She will serve as guide for the Woods Presbyterian Women's Association's October tour of churches.

The afternoon meeting also will feature the varied efforts of Association members in behalf of World Service. Chairmen of the World Service are Mrs. Lee Johnson and Mrs. Arthur Churchman.

Mrs. William Elliott will give the devotional.

## Season Opens For Pear Tree

The Pear Tree Chapter of Quarters holds its first fall meeting at the Country Club drive home of Mrs. Fred Kilgus today, Thursday, September 20, at 10 o'clock.

Chapter officers for 1973-74 include Mrs. Robert Waldeck, president; Mrs. Kilgus, vice-president; Mrs. John Crane, historian; Mrs. Michael Lahey, treasurer; Mrs. Oscar Teeg, publicity chairman; and Mrs. Fred Wicklund, secretary.

MARY MARGARET FRY, daughter of the NOEL W. FRYS, of Mount Vernon road, has registered for fall classes at Roanoke College, Salem, Va.

Grosse Pointe's Newest Condominium

Your neighbors will include an award winner of one of the highest civic honors; an art collector who lends his paintings to the museum; a member of an outstanding Detroit banking family; a well-known connoisseur, restaurateur; a sportsman who is an international winner in yachting circles; an outstanding advertising executive; a retired board chairman, those who take an active part in the city's industry and social life and one of Detroit's leading realtors and land developer who knows a great place to live when he sees it.

**Why They Bought.** Some bought before the building was finished. Others have looked around and thoughtfully compared condominium living to home ownership and apartment renting, they then made their move to the Jefferson Apartments.

They were influenced by the convenient prime location, all new construction and truly gracious living. Here is a typical spacious floor plan of an apartment home which features 9 foot ceilings, natural fireplaces, individual heating and cooling, top of the line G. E. kitchen with an icemaker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet.

The Jefferson Apartments is an adult community.

There are three separate elevators and approximately a thousand square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. Residents are homeowners and enjoy tax deductions and the investment security of being a property owner and equity advantages.

A network of the most modern security systems guard them, their home and possessions.

A CLOSED TV MONITORING SYSTEM covers the entrance, outside parking areas and inside garage. The caller can be viewed from a selected channel on the Owner's TV set in each apartment. The doorman and manager's office views the same areas.

THE ENTRY COMMUNICATIONS SYSTEM is a new system conceived and engineered by Michigan Bell Telephone Company. Using a touchtone panel telephone in the lobby, the caller dials the owner's apartment. This enables each party to have a private conversation. During the time the caller is in the entrance vestibule, he is under surveillance by the concealed TV camera.

AN ON-GUARD ALERT SYSTEM features a control panel in the manager's apartment and the attendant's office. This notifies of an intrusion into any apartment when the occupants are away. The doorman or manager controls the system by activating the apartment's security supervision at the request of the owner.

THE FIRE PROTECTION ALERT SYSTEM gives supervision added protection to all occupants of the building and will insure notification of each individual occupant of a fire in an unoccupied apartment.

Further elements of security are the uniformed doorman-attendant and around the clock resident caretakers.

The Jefferson Apartments is located 2 blocks from a beautiful park with boat slips, 3 blocks from Grosse Pointe Village shopping, 20 minutes from downtown Detroit by bus.

Don't worry about selling your home. Visit us and learn of our new trade-in program for your home, and our new pricing policy.

The model apartment is open 12 to 5 daily except Wednesday. Enter on Neff or St. Clair Roads.

MORTGAGE MONEY HASN'T DISAPPEARED. IT'S JUST HIDING. Getting a mortgage entails a lot more than just walking into a bank these days. So a lot of people have given up buying a home. That's too bad. For two reasons. 1. This is an advantageous time to buy, because it appears that real estate prices have nowhere to go but up. 2. Mortgage money is available. It's just scarce, so you have to know where to look. We can't make guarantees, but we will say we've been arranging satisfactory mortgages for years, and still are today. Stop by and see our fine selection of homes.

# Pointe Counter Points

By Pat Rousseau

See The Sevres . . . crystal Christmas trees in three sizes, paper weights and wine glasses at Walton-Pierce. These beautiful, famous name (since 1756) French imports are new in the gift department. We've ordered our own little crystal forest for very special presents come the holidays. In the jewelry group is a fun gift. It's called the poker chip earring collection by Kenneth Lane. You get two gold clips with a stack of ten different colored loops (24 in all) to color coordinate with any fashion. P.S. Just this week, a special selection of sale fashions have been re-marked way low. If you've had an eye on something—look again. The prices are really irresistible. We looked again and now have a delightful new pink designer dress to get away for South.

Find Convenience Inside And Out . . . at Grosse Pointe's newest condominium, the Jefferson Apartments located 2 blocks from a beautiful lake front park, 3 blocks from Grosse Pointe Village shopping, 20 minutes from downtown Detroit by bus. Relax and be pampered. A door man parks your car, receives your packages and stores your groceries in a special refrigerator if you are not home. There is no need to arrange for gardening, exterior maintenance and come winter snow removal. Maximum insulation insures a quiet environment. Your ice-maker and wet bar are ready for entertaining. Plan a trip. Three security systems will guard your apartment-home. Visit the model apartment, 17111 East Jefferson. Enter on Neff or St. Clair. The model is open 12 to 5 daily, except Wednesday. 882-7708 or 886-4880, Michigan Condominium Corporation.

Kitchen Cabinets . . . do not stop in the kitchen. Because of the variety of sizes, styles, woods and beautiful finishes, there are areas all through the house where their use applies such as family rooms, dining rooms, libraries, recreation rooms, laundries, hobby rooms, bedrooms and baths. Stop at Mutschler Kitchens, 20227 Mack Avenue and see what we mean.

"Here's a hint for dinner parties. When you plan to serve wine and feel you'll need more than one bottle, make them different. One you know your guests enjoy—then introduce them to a new one. If nothing else it will stimulate the conversation. The Vineyard Wine & Cheese Shop, 21016 Mack Avenue, Grosse Pointe Woods. 882-0140. Plenty of parking in rear."

In Martha's Closet . . . 375 Fisher Road, you'll find fashionable all weather fox trimmed coats by Miss Fox. Also in this smart coat collection Gino Rossi styles the camel story . . . more important this year than ever before.

Mrs. Joseph Spitzley, 881-5599, or Mrs. George Lewis, 886-1591, will make all the arrangements.

### Stag Dinner For Ducks

Ducks Unlimited, Inc., the world's largest private wildfowl conservation organization, has announced that \$3 million has been pledged to its sister organization in Canada for 1973.

Michigan Ducks Unlimited is pledged to its \$107,000 of this amount through its 17 chapters, including the Detroit Chapter, which will have its 16th annual stag dinner next Tuesday, at the Raleigh House in Southfield.

Among the many Pointers who'll be there is Jack Cudlip, State Sponsor chairman.

The dinner starts at 7 o'clock, and is open to anyone interested in preserving the wildfowl population. Reservations may be made by calling 843-3000, Extension 280.

### Governor's Wife To Speak

Mrs. William G. Milliken, wife of the Governor of Michigan, is in The Pointe today, to speak on Land Use at the Garden Club of Michigan's conservation meeting in the Provincial road home of Mrs. Allan Shelden, III.

Mrs. Milliken, a student of Landscape Architecture, member of the Michigan Environmental Education Association and the Michigan Nature Association, is extremely interested in preserving and protecting the beauties and treasures of the state.

So is the Garden Club of Michigan, which has a long history of interest and action in the fields of conservation and horticulture.

The Club is currently responsible for financing and creating the front and rear gardens of the Moross House (circa 1845) in East Jefferson avenue, Michigan's first federally-assisted historical preservation project funded under the Housing Act of 1966.

The fence, brick walks and plantings are authentic to the period. When completed, the Moross House garden will be the only restored mid-1800's garden in Detroit.

The Garden Club of Michigan hopes that a carefully-restored Moross House and garden will encourage preservation and maintenance of buildings and land that are irreplaceable parts of the city's heritage.

Club members active in the Moross House restoration are Mrs. Wendell W. Anderson, Jr., Mrs. John H. French, Jr., Mrs. Lynn Pierson and Mrs. Allan Shelden.

Mrs. Douglas Campbell, Jr., is current president of the Garden Club of Michigan. First vice-president is Mrs. Charles B. Johnson, Jr. Conservation chairman is Mrs. Herbert I. Lord.

William L. Cahalan, prosecuting attorney of Wayne County, L. Brooks Patterson of Oakland County and George N. Parris of Macomb County will give short reports.

J. Stewart Wilson, district governor for Michigan of Kiwanis International, will introduce the speakers.

An honored guest will be Reverend Morton A. Hill, S. J. of New York, a former member of the Presidential Commission on Pornography and co-author of the Hill-Link Minority Report which was used as a basis for several of the recent U. S. Supreme Court decisions.

A question-and-answer period will follow the speakers.

Mrs. Reginald T. Murphy and Mrs. Myles F. Griffith are in charge of reservations, which may be made by calling 775-4049 or 886-8042 by Saturday, September 22.

## Sunday Tea To Benefit Jesuits

Photo by Paul Gach

The Jesuit Seminary Association's Annual Champagne Tea will be held this Sunday, September 23, from 2 to 6 o'clock at the Edgemont Park home of MRS. BARTHOLOMEW A. SEYMOUR, (seated), whose daughter, MRS. JOHN W. FITZER, JR., (standing, right), will be co-hostess. MRS. CARROLL S. WRIGHT, (center), is

chairman of the party, which raises funds to help educate seminarians and benefit retired priests. Committee members include MRS. RICHARD STERR, (left), and the Mesdames Brian Molloy, Jr., Gerard Slattery, Emmet Tracy, William Bavinger, John C. Cook, Burns Cody, Thomas O'Neill and John C. Griffin.

## LWV Starts Year on Sept. 26 with Tea

The Grosse Pointe League of Women Voters begins its 1973-74 season with a new president, a vacancy on its board, and a Guest Tea to which members have been asked to bring potential members.

The Guest Tea is at the home of Mrs. Paul Egan in Lothrop road next Wednesday, September 26, at 1 o'clock. Newcomers to the

community are especially welcome.

League officials will outline the League's roles in Grosse Pointe as well as get acquainted with guests.

Mrs. Charles Kinnaird, 885-8203, and Mrs. Egan, 884-9072, are accepting reservations.

At a board meeting last week, the resignation of Mrs. J. Howard Kay as president was accepted with regret. Mrs. Joseph Thompson was elected president.

Mrs. Thompson, formerly very active in the League, had, in accordance with LWV's non-partisan policy, (which prohibits board members from political activity), remained off the board for a year-and-a-half following her terms of service on the Grosse Pointe Board of Education.

Mrs. Kay remains on the LWV board as assistant to the president.

Mrs. David Howell has resigned her post on the local League's board of directors to accept an appointment on the state board with a Social Services portfolio, leaving the Pointe Human Resources assignment vacant for the time being.

Human Resources covers a broad spectrum, including population patterns, the Equal Rights amendment, Indian rights, Day Care and housing.

The Grosse Pointe League is one of 15 area Leagues in Wayne, Oakland and Macomb counties to join Michigan's first Inter League Organization. Local delegates attending last week's organization meeting were the Mesdames J. Robert Jessup, Howard

Hush, Stephen Orban, Donald McConachie and Bruce Sanders.

Governor Milliken has issued an executive declaration designating September 17 through 21 as League of Women Voters Week.

The Grosse Pointe League's history goes back almost a quarter of a century. It was established in The Park, with Mrs. John Pear serving as first president, from 1950 to 1952.
