VICE-PRESIDENT SPIRO AGNEW, after asking for a Congressional investigation of alleged kickback charges being brought against him in Maryland, received a show of non-support from both the White House and Congress. Congress voted to deny the Vice-President's request on Wednesday, and the White House officially stated that President Nixon had discussed Agnew's possible resignation with him. The Vice-President promptly denied the possibility of his resigning. The Agnew case went back to the courts where federal investigators will testify before a grand jury in Baltimore.

IN A 48-36 VOTE on Thursday night, the Senate moved to require a reduction of 110,000 U. S. ground troops overseas within the next 27 months. The amendment, added to the \$21 billion weapons procurement authorization bill, would require a 40,000 worldwide troop reduction by June 30, 1974. The remainder of the 110,000 would have to be withdrawn by December 31, 1975.

FOUR HOSTAGES, seized by Arab guerrillas Friday, were released 15 hours after they were taken captive, in return for an Austrian pledge to close a transit camp for emigrants bound for the Jewish state. The hostages, three Jewish emigrants, and an Austrian customs official, were taken captive on a Moscow-to-Vienna train bound for Israel. They were held by the Arabs in a bus at the Vienna airport.

DETROIT TEACHERS held a membership meeting and vowed to continue their strike until they have a new contract. Last Tuesday, Wayne County Circuit Judge Thomas Foley ordered union leaders to hold the meeting for the purpose of telling teachers to resume their jobs. Judge Foley set a hearing for Monday morning to determine whether or not he will hold teachers in contempt of court for violating his order. Striking teachers could be sent to jail or a fine could be levied against the union for refusing to obey the judge's order.

FORMER POLICE COMMISSIONER JOHN NICOLS and State Senator Coleman Young began a five-week duel that ends on November 6 when Detroit elects a new Mayor. Both candidates pledge to focus their campaign rhetoric on issues and problems facing Detroit, but the race promises to be lively since both candidates usually say what they think. One thing both Nichols and Young agree on is that Detroit's high crime rate is the city's biggest problem.

Tuesday, October 2
DONALD SEGRETTI, former Treasury Department lawyer, pled guilty to charges on three counts of conspiracy and distribution of illegal political literature during the 1972 Florida presidential primary. Segretti accepted responsibility for circulating a letter on Sen. Muskie's stationery that made false accusations about Sen. Henry Jackson and Hubert Humphrey. He also paid someone to circulate cards at a rally that contained derogatory remarks about Governor Wallace. Segretti is free for the time being, pending probation interviews that will take 40 to 60 days to conclude.

PATRIOTIC THIEF
A flag was stolen from the front yard of 981 Lake Shore road sometime during the night of Saturday, September 29. The property owner, Donald Doetsch, reported the loss to Shores police.

Tell Owners Of Trailers To Comply

Shores Police Issue Warning to Residents Violating Ordinance on Parking

A growing problem in The Pointe is the increasing number of vacation vehicles. The storage of vacation vehicles has been a topic of hot debate in each of the five council chambers, because some residents think that they are an eyesore and should be kept out of view, while other residents think that they are a part of the American scene.

In The Shores, Ordinance No. 129 states that a resident cannot "park, keep or store any boat, houseboat, trailer or motorized recreational or camping equipment in or upon the front or side yard of any lot or upon any street or highway, without written permission of the director of Public Safety."

Shores Patrolman Dan Healy issued warnings at the following residences: 65 Moorland, 15 Hampton, 70 Renaud, 41 Webber, 47 Stonehurst and 56 Hampton. Each resident was given 48 hours to move his trailer or a complaint would be issued.

Each resident promised to comply with the ordinance and move his vehicle or store it in the backyard.

Judge Pytell Rules Farms Animal Control Ordinance As Being Unconstitutional

Cites Michigan and United States Constitution in Voiding Local Law in Opinion; Says Violates Property Rights of Citizens

A Farms City Ordinance regulating the number of tame animals that can be kept in any single residence, was declared unconstitutional by Farms Municipal Judge Robert Pytell, after nearly a year's legal battle in the local court.

The Farms council was informed of the judge's ruling by Police Chief Robert Ferber on Monday, October 1, and concurred in by James Dickson, of the law firm of Dickerson, Wright, McKean and Cudlip, who was present at the meeting, representing City Attorney George McKean, who was absent from the city.

The chief said that he received a written opinion from Judge Pytell declaring as unconstitutional, Ordinance No. 181, entitled "An Ordinance to Regulate the Keeping of Certain Animals and Fowl within the City; and to Repeal Ordinance No. 85."

Resident Challenges
Challenging the ordinance, which has been in litigation for nearly a year, was John W. Weaver, formerly residing in Mt. Vernon road, and now a resident of Bloomfield Hills. He instigated a suit when his neighbors complained of the 18 pedigreed Persian cats, one family cat and two dogs he kept in his house.

The neighbors complained to the council of the odors and conditions created by the animals and asked that a law be enacted to regulate the number of tame animals that could be kept in one household.

After several meetings, which drew a fairly large group of citizens, the council enacted an ordinance controlling the number of pets to a maximum of two dogs and one cat, or no more than five tame animals provided the owner has the written consent of his neighbors.

Stupid Driver Given Lesson

One 16-year-old Harper Woods youth has a great start on his driving record. When his car was stopped by Woods Officer Patrick Fagan at the corner of Craig and Littlestone for laying two 20-foot patches Tuesday night, September 27, he informed the police officer, "You can't give me a ticket because you're from Grosse Pointe Woods and this is Harper Woods."

Councilmen Let Politics Take Over

Woods Marter Road Pumping Station and New Curbing Bring Protests

By Kathy Duff
There's no doubt that it's an election year in Grosse Pointe Woods.

The business of the regular council meeting Monday night, October 1, was overshadowed by the political skirmishes taking place in the council room. The councilmen were quibbling among themselves, City Administrator Chester A. Petersen was questioned critically about city matters, and, finally, it was just too much for the residents to resist joining in.

So they started to attack the councilmen, their city administrator and each other. Adding to the political scene was a disgruntled former councilman and mayor pro tem, Marvin A. Boutin, who was sitting in the audience making public statements and side comments.

Two items dominated the agenda Monday night: What to do about the old Marter road pumping station and what to do about the unsatisfactory paving job on Stanhope avenue.

Got What They Wanted
Since it is an election year the residents (voters) got what they wanted. When the public hearing for the disposition of the building and property of the Marter Road Pumping Station was opened, the majority of the residents stated that they wanted the old pumping station torn down. Moreover, they wanted the land filled and private residences built on the lot.

Only one woman, Mrs. John H. Gulevich, of 1245 Hampton, argued for the establishment of a park on the site. She said that she would like to see "more breathing space" and a place where birds could gather.

A man stood up and jokingly said that he had a bird bath in his back yard so that the birds were well taken care of in the area. He pushed for the building of houses on the site.

Most Favor Building
After 20 minutes of comments from the residents, Acting Mayor Benjamin W. Pinkos asked for a show of hands. Over 20 of the residents voted in favor of private construction while only three persons voted in favor (Continued on Page 2)

Teacher Salary Negotiations Go To Fact-Finding

Leon Herman Appointed by Michigan Employment Relations Committee to Hear Arguments Presented by Both Teams

A spokesman for the Grosse Pointe Board of Education informed the NEWS how negotiations with Pointe teachers stood as of Tuesday, October 2, 1973. Chief Negotiator William O'Connor said the parties were to begin fact-finding Wednesday evening, October 3.

"Mr. Leon Herman has been appointed by the Michigan Employment Relations Commission to hear the facts as they are seen by both teams," Mr. O'Connor stated. "Prolonged bargaining and extensive use of a state appointed mediator have failed to bring about a settlement," he said, "and so we will now try to resolve the remaining issue, primarily an economic one, by this means."

"The Board has offered a 3-year package totaling \$1,458,000 of new monies," O'Connor pointed out. "About \$240,000 of this is to be used the first year (1973-74) to make the minor adjustments necessary to keep our salary schedule competitive. This permits a 1.5 percent improvement to our maximum salaries which have been substantially higher than those of neighboring districts the past two years. This was because we were exempted from the wage-price freeze while most other school districts settled after the freeze. They did not increase their salary schedules anywhere near the 15 percent salary schedule improvements over a 2-year period we had settled for in July, 1971. Teachers also got additional monies in 1971-72 and 1972-73 to the tune of about 3 percent in these two years for increments, higher levels of training, and longevity," he said.

Cites Wage Freeze
While discussing the wage freeze, Mr. O'Connor said that since 1970, the Consumer Price Index had risen from 117.7 to 133.4 for a 12.9 percent increase. If the Board's proposal for 1973-74 is accepted, the B.A. maximum will have risen 17.2 percent and the M.A. maximum 17.5 percent in the same period. "Thus, our teachers have more than kept pace with the cost of living even with the modest improvements we are offering for 1973-74," he said.

The median salary was \$14,125 in 1970-71 O'Connor reported. In 1973-74 he said it can be \$17,855 if the Board's proposal is accepted. "This is a gain of 26.4 percent in the 3-year period or nearly double the increase in the cost of living," he pointed out. "Our teachers have been and will continue to be paid very handsome salaries," O'Connor emphasized.

The median salary increase reflects step increases or annual increments usually paid teachers who are not yet at maximal. Changes in level of training is another factor. So is the fact that in reducing staff more experienced teachers are kept while those with less experience, and (Continued on Page 4).

Wanted 11 Hours
Emery was arrested after LaPratt, cruising areas in the Park and in Detroit, spotted Easternman's vehicle in front of the Newport residence, and patiently waited for many hours, on March 12, from 1 a.m. to noon, at which time he spotted Sampson coming out of the house and get into the automobile and drive off.

The sergeant followed the station wagon and with the aid of Detroit officers, stopped Sampson at Chalmers and Warren. Since it was in their jurisdiction, the Detroit policemen took Sampson into custody and obtained the warrant against him.

LaPratt returned to the Newport address in time to (Continued on Page 2)

Will Open Doors This Sunday

Full Check-Out and Reference Staff Will Be on Duty from 1 to 5 p.m.

By Kathy Duff
For the first time in 20 years, the Central Library will be open on Sundays. The extra day of service, scheduled to begin this Sunday, October 7, was made possible by the successful passage of the millage elections. The Woods and Park branches will also be opened on Saturdays.

In announcing the new library schedule, Acting Library Director William T. Peters said that the libraries were keeping the pledge they made with Pointe voters to increase library service from 39 to 58 hours per week.

"We have found that many residents would like to use the library on Sundays. Students, in particular, would like to do reference work here on Sundays. We have also noticed two trends: first, that more high school graduates are attending nearby colleges and, secondly, that more adults are taking advantage of higher education. Both groups would utilize library services on Sunday."

Seven Days a Week
Sunday library hours will be from 1 p.m. until 5 p.m. During those hours, the Central Library will operate with a full book check-out and reference staff. The recent addition of Sunday hours will make the library open seven days a week: Monday through Thursday, 10 a.m. to 9 p.m.; Friday and Saturday, 10 a.m. to 5 p.m. The library will be closed only three Sundays, the days closest to Christmas, New Years and Easter.

The new hours for the two branches are: Monday through Thursday, 10:30 to 9 p.m.; Friday and Saturday, 10 a.m. to 5 p.m.

Another factor which aided the opening of the Central Library on Sunday and the branch libraries on Saturday was a recent change in the Michigan State aid formula for libraries. Instead of allocating 5c per person, the State is now allocating 25c.

Speaking with Mr. Peters in the offices overlooking Central Library's main room, the new acting director sketched library plans for the coming year. His foremost concern was to make the library of service to the greatest number of Pointe residents.

Plan New Programs
"Our goal this year is to create several Outreach Programs. For a library to be effective, it must assess the total needs of the community. We just see the residents who come into the library to use the services. We do not forget those persons who do not use the library because they are not physically able to come to the library, or those not aware of our many services."

"We are considering programs which would bring books to the older citizens in (Continued on Page 2)

Theft Reported At Gas Station

An employee of the Arco Station, 19419 Mack avenue, called Woods police Thursday, September 27, to report a cash register theft. The employee, Clyde Elvin Land, of Royal Oak, could give two possible suspects, women in their early 20's, who had driven into the station on account of minor car trouble.

The attendant recalled advising the women on what was wrong with the car, an older model light blue Ford, and then attending another customer. When the customer paid the bill, he went to the cash register and found two \$10 bills, three \$5 bills and assorted change missing. The cash register was unlocked at the time the reported theft took place. The attendant said that the two female customers had left the service station when he came out of the building.

the community. Of course, volunteers would be used extensively in this program. We would like to service patients in Bon Secours and Cottage Hospitals with book-lending programs.

"We are also hoping to enlarge our reference department this year. We really are encouraged by the support the residents have given the libraries. This year, the Friends of the Grosse Pointe Public Library have grown to 4,300 members. Ours is the largest Friends group in the country."

Group 20 Years Old
William D. Dahling recently succeeded Cleveland Thurber, Jr., as president of the Friends. At the group's last annual meeting, in May 1973, the Friends celebrated the 20th anniversary of the Central Library.

Since the passage of the September 7, 1972, and March 29, 1973, library millages, the mood has been one of optimism at the library, a marked change from the attitude the past four years. Even Mr. Thurber, at the last annual meeting, commented on the changed feeling:

"I have had the privilege of serving on the Friends Board for six years, the last two as your president. For the first four years, the Friends Board watched a continuing downward spiral in the quality of library ser-

witness Emery and two juveniles emerging from the house carrying a paper bag, which later was found to contain about \$35 in wrapped coins.

Emery was arrested by the sergeant, along with the juveniles, and taken to the Park station for questioning and further investigation.

Recover Other Items
Lt. Duncan, and Park Dets. Robert Saittyrd and William Furtaw obtained a search warrant, and with two Detroit policemen, searched Emery's and Sampson's flat, from where they recovered a safe reported stolen from the home of James A. Addy, 1317 Kensington on March 9. Also found in the flat were other items said to have been stolen in burglaries of other Park homes.

Park police said that the juveniles were not involved in any crimes and were released after questioning.

According to information released by Pointe authorities, Emery has admitted he committed at least 40 burglaries in the Pointe area from May 1971 to November 1972. Many others are still unsolved because Emery denied being involved, although the methods of operation appear to be the same.

Fraser police have placed a hold on him on a charge of breaking and entering of a house in their city and for carrying a concealed weapon.

up the fine safety standards, and we encouraged them to continue to do so.

"The comments I hear as I walk by the display case are, 'Gee, is that real gold!' and 'Wow, that's real silver!'" The display case has a good number of fingerprints and noseprints, so that means it's a good display.

"We make pedestrian safety an everyday matter here at Mason School. We are always emphasizing its importance," Mr. Mestdagh added.

The Woods received the Grand Award, the highest award given through the National AAA Pedestrian Safety Inventory, on Thursday, July 12. It is the 21st consecutive year since 1953 that The Woods has been cited for outstanding achievement in preventing pedestrian traffic deaths. The city also received the Grand Award in 1970 and 1966, which is given to the safest city in the United States and the association's Award of Excellence in 1971, 1969, 1968 and 1967.

"The Woods is probably the safest city of its size in the nation. We are offering the display at the elementary schools to thank the children for making our record possible," Officer Petrik said.

LAWN DAMAGED
In a report received at the Woods police station Wednesday, September 26, an Anita avenue resident said that her lawn had been vandalized. Someone poured paint lacquer over the grass at 2134 Anita and punched holes in the garden hose. The damage occurred sometime after midnight.

Woods Council

of a small park or other land usage.

One problem with the decision to build homes on the site is that The Woods city engineers Pate, Hirm, and Bogue, Inc., have not recommended the site for reconstruction.

Representing the engineering firm, Larry Pate said that there would be problems filling in the land. Of foremost concern, he said, was the circular wetland, over 28 feet deep and around 30-35 feet in diameter which would have to be filled. He also mentioned a 36-foot easement on the east end of the property.

He Wouldn't Do It
"I am not an authority on home construction. It's possible that a home could be built on the property. All I can say is that I wouldn't want to build a home on that property," Mr. Pate commented after stating that The Woods had only asked his firm to analyze the property from an engineering standpoint.

Sam Lombardo, of 1255 Hollywood, admitted that he had to put \$6,000 in piling before he could build his house.

Before the discussion closed, Mr. Boutin stood up and said, "I'm Marvin R. Boutin, of 1678 Newcastle road, I was mayor pro tem until I was forced to resign." The former council member then said that he didn't know what the problem was as it was the consensus of the committee - of the whole to lease the building.

Possibly his introduction was in order, because Mayor Pinkos did not call on Mr. Boutin by name; though the mayor looked as though he had never seen the man before.

Confusion Follows
Public discussion was then closed on the old pumping station. However, the next 20 minutes proved to be total confusion as there was a breakdown in parliamentary procedure. Most of the discussion centered on who was out-of-order and who was speaking in turn.

What emerged after 20 minutes of chaos was a motion by Councilman Kenneth Boerner that the old pumping station be razed and that the ground be filled in. The council agreed that the next action on the pumping station would be in March 1974 when The Woods would tell the residents exactly what type of housing could be built on the property.

The Marter-Hollywood residents, griping that they had been trying to settle the problem for more than two years, then left the council chambers in time for the Lion-Atlanta Falcons football game.

Criticize Curbing
The next problem was complaints over the recent curbing job on Stanhope, Broadstone and Littlestone road.

Representing the group, Dwite Walker, of 1817 Stanhope, said, "We feel that our new curbing was not a 'first class' job. It is two to three inches higher than the original curbing and there is a gap of up to three inches between the old and new curbing. This means that the sod line on many lots is well below the curb level and also that backfill is necessary."

SPEAKERS STOLEN
A maintenance man at the Grosse Pointe Hunt Club, Mel LaLonde, contacted Woods police Tuesday, September 25, to report the theft of two speakers from the Riding Rink. The light grey speakers were last seen Monday evening and were missing Tuesday morning.

Another woman, a Hampton road resident, said, "I feel that we have a lot of botched up deals in this city," before listing her complaints.

Councilman George Freeman then motioned that The Woods provide backfill for the residents which was met by satisfaction from the residents.

City Administrator Chester Petersen said that all cities in The Pointe were using the same contractor and that there had been no complaints from other citizens. He indicated that he thought the residents had exaggerated their complaint.

However, the council members seemed inclined to side with the residents. Councilman Conrad A. Naegel asked what it would cost the city to supply backfill and possibly, sod.

Mr. Boutin again stood up, gave himself an introduction, and said, "I don't think that the city should do anything which creates a safety hazard."

The council, city administrator and residents continued the discussion on what should be done to correct the situation. Finally, a North High School girl asked, "I know this might be a dumb question, but whose fault is this?"

Another woman, a Hampton road resident, said, "I feel that we have a lot of botched up deals in this city," before listing her complaints.

Councilman George Freeman then motioned that The Woods provide backfill for the residents which was met by satisfaction from the residents.

Pointe Teacher Authors Recently Published Book

By Kathy Duff

Margaret Comstock, a teacher at Mason Elementary School in Detroit, believes that kindergarten should be more than building blocks and paper cut outs. She believes that children, even at the age of five, can be taught concepts of loving, sharing and caring.

In her recently published booklet, "Building Blocks for Peace," the Fisher Road resident set forth a series of lesson plans for kindergarten age children. The lesson plans are an outgrowth of her belief that the study of peace should begin at the kindergarten age with the children learning to love. She believes that only the loved and loving child will be prepared to keep peace in the adult world.

"My booklet began as a series of pictures and notations on how to teach concepts of loving to my kindergarten students. A few years ago, the principal at my school urged me to assemble the material in a scrapbook. She took my scrapbook to a convention, and the interest was so great that I did not get it back for seven months! I really had lost hope that it would be returned after traveling around the country. However, as a result of the attention it received, funds were raised to have the book published."

The published booklet followed closely Miss Comstock's original scrapbook with one necessary omission. The publishers were unable to reproduce the wealth of pictures that the Pointer had collected over the years. The pictures introduced each lesson and showed children of various nationalities expressing moods of happiness, sadness and serenity. Yet the booklet does contain all the lesson plans suggesting certain activities, playlets, songs, books and film strips to reinforce the lesson theme.

The first lesson's objective

MARGARET COMSTOCK

is to develop a child's ability to relate to other children.

"Friend is a magic word in the language of a child. Making friends is a vital growing experience, an important phase of social development," Miss Comstock wrote in her book.

In the lesson, she suggests that the children post drawings or photographs of their friends and make a Friend-shop Book including pictures, drawings, autographs and short descriptions of their friends. Books, such as "May I Bring a Friend?", are recommended, as well as a few film strips and songs.

Other lessons deal with empathy towards friends, a young child's anxieties, his bouts with anger. More complex lessons deal with a child's role within the family and families in different countries. In one lesson, which is set up "To celebrate the fun of working and playing together," Miss Comstock suggests that the children plan a circus show, complete with make-believe acts and refreshments.

"Children instinctively know that all children, no matter what nationality, are the same. They love to read about children in different cultures," the teacher commented.

Burglar Ready for Fun Time

A burglar who broke into a Park residence on Friday, September 28, is all set for an enjoyable time, and perhaps with the little change he took, can enjoy some popcorn or some other goodies while viewing his stolen entertainment sets.

According to information released by Park Lt. Gordon Duncan, the thief, or thieves, entered the home of Donald Garrett, 15225 Essex, through an unlocked door, while the family was absent from the house between 7 p.m. and 8:30 p.m.

Police said that the house

pronunciations of Chinese family words such as mother, older brother and chopsticks. Another lesson suggests that the class make simple Indian food.

What makes the booklet worthwhile is that it is backed up by over 20 years of teaching experience. The Fisher Road resident has a B.S. from Wayne State University College of Education and a Master's degree in Administration of Elementary Schools from the University of Michigan. She was a supervisor and curriculum co-ordinator for Head Start, and won the Apple for the Teacher award in 1959 from WXYZ Radio.

However, more important than her degrees and awards is the fact that Miss Comstock really knows and loves children. She knows that a child's first year of school can be a very traumatic experience and that some children who cannot learn how to cut paper the first day it is taught, might stay up worrying the entire night. Yet she also recognizes a child's infinite ability to understand emotions.

"It's amazing to see the development of a child during his first year of school. Kindergarten teachers are asked to perform social miracles. In kindergarten, a child has to be taught everything, from learning how to listen and follow directions to the fundamentals of reading and

appeared to have been thoroughly ransacked. Missing, Garrett told investigating officers, were a black and white Panasonic television set, a slide projector and screen, a FM radio, and a small amount of loose change.

The policemen who took the report, said that other items were piled near the unlocked door, indicating that the thief had planned to remove them from the premises. He was apparently surprised by the unexpected return of Garrett, they said. The value of the stolen items was not disclosed.

counting. A teacher also has to set up limitations on the child, she has to make him realize that he is only one member of the class and that rules have to be set up so that the class can run smoothly."

In her 20 years of teaching experience, Miss Comstock has gained the ability to recognize a child's background by the way he acts the first day in school.

"Some children have not been taught how to put on and take off their overcoat. A child can spend the first day of school worrying whether he can put on his overcoat at the end of the day. Others are afraid to go to the bathroom because they don't know how to undo their belts. Some children don't even know their names because they have been called 'Honey,' 'Kid' and 'Hey You' at home. One boy even thought his name was Tazan."

"If a child is smiling and happy his first day of school, it is all to the credit of his mother. On the other hand, I have seen some children fairly enthusiastic about their first day of school, but their mother keep saying, 'Now don't cry, don't cry because it is your first day of school.' Finally the child starts crying because he thinks his mother expects it."

"They always say that a kindergarten teacher is a

child's first teacher. That simply is not true. A child's mother is his first teacher. A mother can train a child to listen and follow directions by asking him, for example, to bring a mixing spoon over to her. She should then watch to see if the child follows directions.

However, when it comes to affection, Miss Comstock is as bad as any mother. During the first part of the interview, she pulled out a

stack of photos and said, "Do you want to see pictures of my children?"

The key to Miss Comstock's success in the kindergarten classroom seems to rest on two tenets which guide her teaching methods.

"I never let them think that I'm completely satisfied with their work; I always leave a little room for improvement. If you expect a great deal from children, you will get it."

Teachers' Salary

(Continued from Page 1)
 thus at lower salaries, are let go.

Cites Size of Offers
 "Including increment costs and improved training, which usually cost about 1 1/2 percent of payroll, our 1973-74 proposal approaches 2 1/2 percent in new monies for 570 teachers," O'Connor said. "In 1974-75, we are offering a package costing in excess of a half million dollars for these same 570 teachers." O'Connor went on, "This computes to 5 percent of payroll in new monies, including significant improvements in fringe benefits."

For 1975-76, the Board is proposing a \$670,000 package or 6.3 percent of payroll. This includes all new monies accruing to teachers. Salary schedules can be improved about 5 percent with this proposal, O'Connor stated.

Turning to the Association's demands, O'Connor could only estimate that their requests would cost about \$2 1/2 million. "It is difficult to cost out the GPEA's proposal because they want in 1974-75 and 1975-76 2.3 percent plus cost of living, plus increments and plus substantial improvements in fringe benefits each year," he said. "If cost of living increases continue at their current rate, this could mean packages costing between 9-10 percent each of the two years." The Chief Negotiator stated, "We cannot justify such increases in light of the high salary levels Grosse Pointe teachers

have long enjoyed. We hope the offices of a neutral expert will help the teacher leadership recognize these facts and settle a mutually beneficial 3-year contract immediately."

Over 50 Meetings
 So far, both groups have engaged in over 50 meetings since November 1972 in an effort to reach settlement. A mediator, Leon Cornfield, has been called in on four occasions. Mediation services, as provided by the Public Employment Relations Act, are made available through the Michigan Employees Relations Commission.

The law provides for fact-finding if mediation efforts fail. In essence, fact-finding is a mechanical procedure for determining the truth and is specifically outlined in Supplement 54, Administrative Code, of the Michigan Department of Labor. Before a fact-finding session can be scheduled, the mediator has to acknowledge that mediation at the particular time is fruitless and has to recommend fact-finding.

It is expected that Mr. Herman, to whom the facts will be presented by both sides, will have recommendations for contract settlement within several weeks.

Ordinance

(Continued from Page 1)
 poses, eliminates enforcement of the ordinance.

Forsees Dismissals
 "Enforcement of the ordinance would result in automatic dismissals in Grosse Pointe Farms Municipal Court and may subject the city to law suits as the result of enforcing an ordinance which has been declared unconstitutional."

In discussing the matter with the city attorney, Chief Ferber said, there appears to be only two options that the Farms can follow.

The first option, the chief said, would be to appeal the decision through the Appellate Courts as a point of law. The second option would be to redraft a new ordinance based upon nuisance rather than arbitrary number of animals one may possess.

In discussing the matter with the city attorney, Ferber said, it appears that the best course to follow would be to draft a new ordinance, and word it in such a way that it would accomplish the animal control desired by the residents of the community.

The council instructed Candler to inform City Attorney McKean to write an ordinance that would be worded in such a manner that it would be defensible in court.

Chief Ferber said that although the new ordinance has been voided by Judge Pytell's ruling, there is still a city law controlling the number of animals one may have, which is provided under a nuisance clause.

Fugitives

(Continued from Page 1)
 ert arrested D'Hondt at his home later that day. His two accomplices remained at large until they were tracked down Tuesday in California.

California authorities chased Kemp and Stevenson 45 miles after they were notified of the Holiday Inn robbery Monday night. After wrecking their get-away car, the pair fled into an orange grove near Porterville, Calif.

Officers staked out the 150-acre grove during the night, but the pair were spotted walking on the outskirts of the town Tuesday morning. According to California police, Stevenson started to draw a gun on the deputy sheriff arresting him. It was then that the officer fired on the suspect.

Stevenson is now listed in fair condition after undergoing surgery to have the shotgun bullets removed from his neck.

He was paroled from Jackson Prison on July 17, 1973, after serving 15 months of a five to seven year sentence. He was sent to prison for arson, breaking and entering of a dwelling, and six counts of armed robbery. Many of his crimes were in The Pointe area.

D'Hondt and Kemp had no convictions on their records at the time of their arrests.

Austin Elects Student Reps

Austin Prep School recently elected homeroom representatives for the Austin Student Senate. Under the direction of the Reverend Lawrence Dore, vice-principal of activities, the senate deals with student government and all students activities.

The senior representatives are Bob Vickery, of Mt. Clemens; Joe Cusumano, of Elford court; Joe Hickey, of Ford court; and Bob Scarfone, of Thorn Tree road.

The junior representatives are Chip Berschback, of Whittier road; Roy Martin, of Grosse Pointe boulevard; Charles Roarty, of Audubon road, and Jim Neville, of Handy road.

The sophomore representatives are Mike Smith, of Roseville; Carl Meli, of Peartree lane; Scott Egnatious, of Webber place; Gary Perro, of Detroit, and Andy Agosta, of South Renaud road.

The freshman class will elect its representatives at a later date after becoming more familiar with the classmates.

Austin Forms Athletic Board

Austin Catholic Preparatory School has formed an Athletic Board, composed of business executives with extensive sports backgrounds, to assist in guiding the school's athletic program.

Rev. Fr. A. J. Hillebrand, O.S.A., Principal, announced that Don Canham, of Ann Arbor; John J. Green, of Orchard lake; Dave Kasunic, Robert McCurry and Vic Wertz, all of Grosse Pointe, have accepted posts on the Board.

Mr. Canham captained the track team at the University of Michigan in 1941 when he won the Big Ten and N.C.A.A. high jump events. He later returned to U. of M. as coach of the track team, which won 12 conference titles in 12 seasons.

For the past six months, Mr. Canham has been serving as a consultant to Fr. Hillebrand in evaluating Austin's athletic structure.

Mr. Greene is another U. of M. star, being an outstanding tackle on the football squad in 1941, '42 and '43. He went on to perform as offensive end and defensive halfback for the Detroit Lions from 1947 to 1952 and was co-captain from '50 to '52.

Mr. Kasunic has been Athletic Chairman at the Detroit Athletic Club for the past five years and president of the Beavers in 1970 and '71. He was squash champion at the D.A.C. and the University Club, and was also the State Doubles Champ.

Mr. Kasunic was instrumental in the formation of the Austin Boosters' Club last year. Active in coaching for several seasons, he became executive vice-president of the Cleveland Bulldogs of the United (now Continental) Football League.

Brownell Plans Parents' Night

Brownell Middle School will observe its 16th annual "School on Schedule" night on Wednesday, October 10, beginning promptly at 7:30 p.m.

Parents of Brownell students will have the opportunity to visit each of their children's classes. In each class of 12 minutes, teachers will explain the general course of study, textbooks used, class routines, homework expectations, methods of evaluating pupil progress, special help opportunities and make-up work.

Coffee will be served in the Cafeteria throughout the evening under the chairmanship of Mrs. John Olmsted.

Back-to-school nights have proved to be very popular with parents in past years as it affords the opportunity to meet the teachers and to hear first-hand information concerning the curriculum.

The program is jointly sponsored by the school and the Brownell P.T.A.

Intruder Told to Shun Pointe

Maire School intruder, David Lee Warren, of 745 Drexel, Detroit, was found guilty of being a disorderly person and was told to stay out of Grosse Pointe by Judge Douglas Paterson on Tuesday, September 25.

Warren was arrested by City Police Wednesday afternoon, September 19, after they received a complaint that an intruder was in the school, rifling through teachers' desks.

When charges were read, Warren stood mute. Besides making the Grosse Pointe area off limits to Warren, Judge Paterson put him on a year's probation and told him he must seek psychiatric care. Warren was also fined \$100 and ordered to pay \$25 for court costs.

Carpeting

What does your family room do? Does it provide a place to sit down and chat? Conversation is important. Does your home decoration allow for it? Get some comfortable furniture. A sofa is ideal and so are stuffed arm chairs. Place them in an out-of-the-way spot and congenially close together. This will help to separate the chairs from the rest of the room, and yet you can easily rearrange them for special occasions. Make room for talk — you'll be glad you did.

MSMS Honors Pointe Doctors

Two Grosse Pointe area physicians have been selected to participate in the program at the 108th scientific meeting of the Michigan State Medical Society in Detroit, October 10-11.

Edward A. Krull, MD, of 482 Rivard boulevard, will serve as secretary of the MSMS Section on Dermatology at a program October 11 about acne.

Clayton M. Shors, MD, of 19950 Norton, will be chairman for the MSMS Section on Internal Medicine October 10 about the delivery of health care.

About 2,000 doctors of medicine, interns, nurses, medical assistants and medical students are expected for the lectures, demonstrations, panels and reports.

Twenty-six different programs will be offered to appeal to the family doctors and those associated in the various specialties.

Timely programs have been arranged to deal with such topics as acupuncture, breast cancer, drug rehabilitation, open heart surgery, confidentiality of medical records, maternal mortality, acne, neck pain, stroke treatment and others.

The scientific program will follow three days of business meetings Oct. 7-8-9 when 200 medical leaders from all counties of Michigan will consider policy questions. The MSMS House of Delegates also will elect officers and present awards.

The medical society is led now by John J. Coury, MD, Port Huron, president; Vernon V. Bass, MD, Saginaw, speaker of the House of Delegates, and Robert M. Leitch, MD, Battle Creek, chairman of the Council, which serves as the board of directors.

SPORTS FANS!

I BET YOU DIDN'T KNOW

Brought to you by TED EWALD

Has there ever been another football team like this one: The 1947 Notre Dame team had a total of 44 different boys who were good enough to eventually play pro football... And the team was so deep in talent that a fifth-string end was picked for the College All-Star team!

Here's a football oddity: Don Hutson kicked 3 field goals in the entire 1943 season in the National Football League — and wound up leading the league in most field goals... Today, you sometimes see a player kick that many in one game... But in 1943, no one was able to kick more than 3 all year.

Did you know there was once a pro football team that had EIGHT members of the same family playing on it? When Columbus, Ohio was in the National Football League in the early years, they had eight players named Nesser — seven brothers and the son of the oldest brother.

Pointers Cited At Selfridge

At a recent news conference, two Pointe residents received public service awards from the United States Air Force at the Selfridge Air National Guard base.

Brigadier General Kenneth E. Allery of the Aerospace Defense Command, Colorado Springs, Colo., presented a public service award to Dr. Jerry DiMaso and Jerry Kalen of Esquire Products, Inc., for their efforts on behalf of the Air National Guard's 191st Fighter Interceptor Group at the base.

Assisting General Allery was Colonel Donald Reid, former commander of the 191st Group, and a 10-year resident of The Park.

Dr. DiMaso is a member of the Saint John Hospital Guild and was chairman of the annual Saint John Hospital Dance at the Grosse Pointe Yacht Club.

He received his medical training at Boston University and was graduated in the class of 1948. He became a member of the Pediatrics Department of Saint John Hospital in 1953 after serving in the U.S. Army.

From 1951-53 he was stationed with the 5th MASH Unit in Heidelberg, Germany. The doctor lives in Lake Shore road with his wife, Jo, and their four children, Anthony, Mark, Sandra and Jerry.

Mr. Kalen is a member of the Grosse Pointe Crisis Club, serves on the Saint John Hospital Guild and is active in numerous power boat events in the area. He attended Michigan State University after serving in the United States Navy. He is the owner of a silk screen printing process company in St. Clair Shores and lives on Edgemere road with his wife, Donna, and their three children, Jerry, Timmy and Rachelle.

General Allery made special note in a television interview of the excellent community relationship between the Selfridge Air National Guard Base and the surrounding communities.

The Blue Devils and the Norsemen took their third straight wins on Saturday, September 29, as South High trounced East Detroit, 21-7, and North High routed St. Clair Shores' Lakeview, 49-18.

One of Three Won by Lions

The Grosse Pointe Lions Junior Varsity team treated a large and enthusiastic crowd by defeating the Roseville Apaches 14-0 last Sunday. The Lions' strong defense by the defensive line caused many Apache fumbles and kept them from crossing the J.V.'s 30 yard line.

The game's two touchdowns came with runs of 53 and 34 yards in the first and third quarters.

The offensive team, led by Pat Coyle, included Tom McShane, Marty Hollerbach, Eric Mikesell, Tim Setter, David Neely and Todd Platt.

Some of the members of the hard hitting defense are Karl Tewes, Tom Dennis, John McAllister, Mike Leonard, Ed Fish, Mike Allen, Joe Wood and Mark Raymond.

The Freshman team lost to the Apaches 14-6. The first Apache score came in the first quarter on a run of 25 yards. In second quarter the Lions countered with a 10-yard burst for their touchdown. The second Apache touchdown was scored in the fourth quarter on a 17 yard run.

Outstanding offensive players for the Lions were Dean Graham, David McAllister, Mike Wood, Sean Rivard, Eric Frakes, Tim Humphreys, Tom Keane, Bill Flaherty and John Levingston.

The fine defense included David Reeder, Jerome Williams, Jerry Coyle, Don Ladis, Mike Allen, Mike Stat, Harry Constant, Sayard King and Greg Rivard.

Meanwhile, the Lions Varsity lost their game 28-14.

The Apaches opened the scoring by running a Lion punt 70 yards into the end zone. The Lions came right back by returning the ensuing kickoff 75 yards to score.

Roseville then scored on runs of 25 and 6 yards and on a pass play of 35 yards. The second Lions touchdown was scored on a 87 yard end run.

The tough defensive team including Tom Duemling, Chuck Fish, Frank Quilte, Steve Makos, and Joe Quinn.

Outstanding offensive players were Norbert Motto, Dan Mikesell, Kyle Labeary, Tom Borland and John Bedworth.

Girl Accosted In School Area

There's one eight-year-old girl who must be glad that she followed her parents' traditional advice.

While she was walking home from the playground at Mason School, she noticed a parked van. A man approached her and asked if she wanted to go for a ride and that he would give her some candy.

The girl ran back to the Mason School playground and waited for a while. She then walked home after she noticed that the parked van was gone. The girl's parents reported the incident to Woods police.

Red Barons Roll To Grid Victories

The Grosse Pointe Red Barons played host to their arch-rivals, the St. Clair Shores Black Knights, Sunday, September 23.

In the Freshman game, Gary Kinder, Chuck Steepe, Scott Young and Jeff Garmen all scored touchdowns to lead their unit to a 20-0 romp. The defense, led by a punishing line, yielded only two first downs. Coach Paul Garner said after the game, "Savage tackling and fine execution were the keys to our success."

John Heldt scored three touchdowns, and the defense held their opponents scoreless, as the Red Baron Junior Varsity won its contest, 23-0. Members of the defense include Greg Hutton, Scott Mullen, John Kiddle, Paul Eaves, Sam Mackool, Mike Fry, Brian Meda, Rob Livermore, Sam Angusta, Don Petrie, John Stewart, George Schoof, Jacques Beaudelaque, Tom Shook, Dan Gallagher, Pat Day, Marty Ryan, Mike Seagram, Chuck Haring and Kevin Chown.

At the Varsity level a disappointed Red Baron squad lost a hard fought defensive struggle to a powerful Black Knight team, 25-0.

The Red Barons also fielded two Junior Freshmen units. In their first game of the season, the Red Baron Reds defeated the St. Clair Shores Green Hornet Greens, 38-6. Outstanding players were Stewart Johnson, Raymond Chown, Greg Lapinski, Paul Keller, Eric Safran and Peter School.

New weekly \$5,000 prizes.

We've changed our Lottery prize lineup to help spread the wealth. Every week, our additional "Second Chance" drawing gives you an opportunity to win one of many \$5,000 prizes.

The weekly Super Drawing: A new prize lineup! As always, if your ticket has both sets of regular weekly numbers, you're in the Super Drawing of the following week. Based on current Lottery sales of five million tickets per week, you could win one of the following prizes:

- \$200,000 (one prize)
- 50,000 (two prizes)
- 25,000 (four prizes)
- 10,000 (three prizes)

(Any surplus will be returned in extra Bonus prizes.)

And remember, having one set of Regular numbers still wins you \$25 and maybe a crack at your share of \$1,295,000 in a Million Dollar Drawing.

A new "Second Chance" Drawing every week for \$5,000 prizes! Every Thursday, immediately after the regular numbers are drawn, an extra set of numbers will be drawn. These extra numbers are "Second Chance" numbers. If your ticket has both sets of "Second Chance" numbers, such as 123-456 (or 456-123), you win \$5,000 immediately! Based on current Lottery ticket sales,

there will be ten \$5,000 prizes each week. But remember, your ticket must have both sets of "Second Chance" numbers. Having one set does not qualify you for a \$25 prize.

Starting October 2, double your chances to win big! Tickets on sale October 2 for the drawing of October 11, 1973, are "Second Chance" tickets. They're on sale at the same old places at the same old price, 50¢. They even look the same. The only difference is, they give you twice as many chances to win big prizes each week! And doesn't that give you twice as many reasons for buying Lottery tickets each week?

The chance of a lifetime.

New ticket sales start every Tuesday... new drawing every Thursday

The assistant manager of J. C. Penney's, James Schaffer, recently turned over 12 checks to The Woods police department because the federal government had returned them as "forged instruments."

The checks, nine Department of Social Service checks and three U.S. Treasury checks, had been signed by 12 different persons. They were cashed in March and April 1973.

The case has been turned over to The Woods detective bureau. All checks are believed stolen from the mails.

Folksong of Sunken Ship Gives Name to Restaurant

Residents curious over the construction activity at 20000 Nine Mile Road will soon be able to see for themselves. The Shorian Motor Inn, St. Clair Shores' only motel since its opening in December, 1968, is adding two new entertainment areas.

Owners Rosemarie Danta, Gerry Soave and Archie Church have long dreamed of adding a restaurant and cocktail lounge to serve their traveling guests, local business people and the lake-or-home bound sailing crowd.

The dining room will be christened Julie Planté after a folksong about a French-Canadian tri-masted sailing ship from Montreal which sank in April 1882 off the shores of Grosse Pointe in the area of Gaukler Pointe.

Her destination is unknown, but her demise is charmingly revealed in the folksong, "The Wreck of the Julie Planté."

St. Clair Shores Police Officer Don Reeder and his wife are credited with the discovery of the poem. Their keen interest in local and Lake St. Clair history led them to a book of Alex Lomax folk songs in the Ivan Walton Collection of the University of Michigan.

The Reeders brought the poem to the attention of their friend, Rosemarie Danta. The owner-manager loved it and planned her whole dining room around it.

In summary form, the lyrics tell us "Ten acres from de shore, jus' off Grosse Pointe" . . . rests the wood scow Julie Planté.

At the height of a hurricane-force storm, her unscrupulous captain lashed Rosie, the cook, to the mast "den he take de live preserve An' jump off in de lake." All perish by morning.

The moral of the final The poem will be printed in its entirety on the menu of the Julie Planté. The words verse: "Go marree some nice French girl, An' leev on won

Mrs. DeFilippo and Mr. Romant are back by popular demand. Both are successful rose growers and have the trophies to prove it.

Mrs. DeFilippo will demonstrate the cutting method of growing roses by showing what containers to use, how to adapt them, the proper soil requirements and the right location for planting. She will also demonstrate how to prepare the rose for the process.

Mr. Romant will discuss the fine art of budding roses to wild rose understock. He plans to bring along a few bud eyes and some understock to show the proper procedure for making successful bud inserts.

Anyone interested in roses is invited and encouraged to attend.

The meeting will be held at the Grosse Pointe Central Library. It starts off with coffee and dessert, served by hostesses Miss Marie Anderson and Mrs. Paul Mabarak, at 7:30 p.m. The speakers will begin at 8:10 p.m.

Opponents Bow To Red Barons

On Sunday, September 30, the Grosse Pointe Red Barons played host to the latest entry in the Eastern Suburban Football League, the Sterling Heights Vikings.

In the Freshman game, Chick Steepe, Gary Kinder, Scott Young, Tom Brown, Scott Turnbull, and Brian Kovanda all scored touchdowns to lead their squad to a 44-0 victory.

The defense was sparked by the rugged play of Tim Kruckl and Shawn English, who blocked a punt and intercepted a pass.

In the Junior Varsity contest, the Red Barons took the air to defeat their opponents 48-0. Billy Babcock passed for touchdowns to Dean Dauphinals and Tom Shook, while Tom Cavanagh threw for another to Dauphinals.

John Heidt, John Stewart, Mike Seagram and Steve Annas also scored touchdowns. Kevin Chown blocked

Frosh Goal Line Still Uncrossed

South High School's strong freshman football team has yet to yield a point. By shutting out Grant, of East Detroit, 12-0, they now have two consecutive shutouts.

Coaches George Dudich and Tom Bailey got some strong running from Brian Meyers, Paul Genter and John Beebe. South scored the first time they had the ball, driving 53 yards with a consistent ground attack. Dave Hollerbach smashed over from the three yardline for the first score.

The second score was a picture option play. Quarterback Skip Dawson waited until the last second before pitching back to Brian Meyers who then raced 13 yards for the score.

The defense is led by linebackers Al Jones, John Knipp and Grant Piche. Midge Shirar is tough at tackle and improving, as are ends Chris Fieiding and Brad Liebrand.

The secondary of Tom Gutwald, John Beebe, Brian Meyers and Rocky O'Hare were all over the field either making or assisting on tackles.

The coaches have worked hard and patiently with the young team, and the results are obvious.

a punt, and played a strong game defensively.

At the Junior Freshman level, the Red Baron Reds defeated the Green Hornet Whites by a score of 28-0. Outstanding players were Ray Chown, Jon DuCoin, Mark Sanders, Paul Keller, Martin Frisbee, and Tim Gates.

The Red Baron Whites bested The Green Hornet Greens 18-13. A fine game was turned in by Mike Bautista, John Bautista, Chris Janis, David Trask, John Tocco, and Bob Schaeffer.

The Varsity, led by a powerful offense, completed a perfect afternoon for the Red Barons by storming past the inexperienced Vikings 47-0. Members of the offense include Tom DeVries, Andy MacFarlane, Jeff Smith, Tony Ferlito, Brian Engle, Rob Stewart and John Carey.

Other offense players are David Fry, Kevin Rinke, John Long, Carl Tech, John Brucia, Bob Baker, Bob Brown, Glenn Bartoszewicz, and Kevin Bertelsen.

The next game for the Red Barons will be Sunday, October 7, against the Denby Bulldogs at Denby's home field. The public is invited to attend.

Girl Cyclist Given Warning

Two 12-year-old Woods girls, bicycling on The Shores' M.O. park ski hill, received a warning from Public Safety Department officers Friday, September 21. A Hawthorne road resident spotted the cycling children and told police one youngster had fallen from her bike and injured herself.

At the scene, Officers Harry Hamilton and Michael Kenyon discovered that one of the girls was holding a white cloth to her mouth. The girl said she had fallen and suffered an injury to her upper lip, but that it was nothing serious.

The juveniles were informed bicycles are banned

from the park, that the park was for use of Shores residents only and if they came back again, they would be ticketed.

Two classes in Investment Procedures with Peter Logan as instructor are offered on beginning and advanced levels. The beginning class began on Monday, October 1, and the advanced group will begin today, Thursday, October 4.

Mr. Logan has been on the staff of the University of Michigan and Wayne State University in Business Administration and is an investment broker in downtown Detroit.

Business and Real Estate Law is scheduled to begin on Thursday, October 11, with Daniel Hodgman as instructor. Mr. Hodgman is a practicing attorney in Detroit, specializing in the field of Real Estate.

Both classes will be meeting at Grosse Pointe South High School.

And for those wishing to learn or "hone up" on office skills, classes in Bookkeeping, Shorthand, (on three levels), Typing and Office Practice, began last week.

For further information and class reservation, call the Department of Community Services at 885-3808 or 885-0271.

Offer Reading, Speech Classes

Classes in Vocabulary Improvement, Reading Improvement and Speech Techniques are scheduled to begin shortly, being offered by the Department of Community Services of the Grosse Pointe Public School System.

Vocabulary Improvement, which offers a background of information concerning word roots, shades of meaning, effective expressions, contemporary usage, spelling and many other phases of our language, will meet Monday evening at 7:30 p.m. for a 10-week period beginning October 8. Instructor for this class, John Mason, is on the staff at Grosse Pointe High South in the English Foreign Language Departments.

"Speech Techniques is a course designed for everyone who must communicate with the public, either singly or en masse. It is structured to help eliminate the butterflies experienced by most people when circumstances require appearing before groups, giving short impromptu speeches, introductions, or presenting a plan of action at a business meeting.

Reading Improvement is designed to improve the comprehension and speed of the student, and is an invaluable help for the business man, professional person, or anyone who has the need—or desire—to cover quantities of reading materials. Dates for these classes will be announced shortly.

For further information and class reservation, call 885-3808 or 885-0271.

18-Year-Olds Must Register

High schools, post offices and other public buildings will be ablaze with multi-colored posters this month to inform young men that they must still register for the draft at age 18, and that they must notify their local board of any change of address.

This is all part of a nationwide Selective Service effort to help young men comply with the draft law even though inductions have been halted by Congress. The law requires registration of males at age 18. Local draft boards will classify registrants and maintain an available pool of manpower in case any national emergency requires resumption of inductions.

State draft headquarters expect that 85,000 men will be subject to registration in Michigan this year. During July, 7,165 men registered to bring the seven months total for the year to 48,555.

In another move to spur timely registration, local boards have been directed to review cases of all young men who fail to register within 60 days of their 18th birthday. Cases of registrants who willfully and deliberately fail to register on time will be referred to the legal counsel at National Selective Service Headquarters for determination as to prosecutive action by the Department of Justice.

Letting others think for you is just thoughtlessness. It's impossible to find a good substitute for reliability.

Letters to the Editor

Dear Sir:
 I am writing in response to a recent letter written by "One Concerned Parent" about the big drug problem at South High School.
 I know of no one who shoots up and I have never witnessed anyone doing it.
 This parent also felt very concerned about the kids who were not on drugs, (which is an almost unanimous majority), and suggested they wear a pin or button so they will know who to associate with.
 I would like to ask "Concerned Parent" what she would think if society had labels that said "I smoke" or "I do not smoke" or "I am a Jew" or "I am a Catholic" or "I am a white collar worker" or "I work in a factory" so people could form their relationships with others by that?
 Why doesn't she leave the kids' problems to the kids and start working on her own problems first?
 I want to defend my school in this matter and I hope my voice is heard by the printing of this letter.
 Sincerely,
 "One Concerned Student"

To the Editor:
 Environmental Action Now and the Michigan Bell Telephone Company completed their first annual "telephone book drive" on Saturday, September 22.
 There were drop-off centers at both the Grosse Pointe Memorial Church and Grosse Pointe Woods Municipal Building parking lots to service the many residents who came with their old books to be recycled for the benefit of EAN's new headquarters at the Ferry School.
 Over 9 tons of old directories were collected by members of EAN, Jim Oberleisen, Regional Manager for the Michigan Bell Telephone Company and his son, and helpers from Grosse Pointe South High School and Our Lady Star of the Sea.
 Special thanks should be given to Mr. Pamerleau of Parcels Middle School whose science class collected and

helped unload over 600 books and to Mr. Lamb and his pupils from Pierce Middle School who also collected hundreds of books.
 The wonderful residents of the Neff Lane and Neff & Jefferson apartments who stockpiled their books for recycling as well as the many concerned citizens who came with their contributions also.
 The drive will hopefully be an annual event now that the phone directories are able to be sold to waste paper dealers for recycling, due to a new process which uses a soluble glue backing and eliminates hard varnish covers.
 The new telephone books start delivery on the East Side in late August which makes it difficult to work through the local schools who do not resume classes until September. With advance notice in the spring, however, it is hoped that all schools and pupils in the area will arrange programs to stockpile the books and be ready to move them when the date for the drive is set for September.
 Each household has, at least, seven lbs. of recyclable books - city directory and Yellow Pages. If everyone would save them and bring the books to our drive, think of the amount of incineration and landfill that could be eliminated, to say nothing of the trees that could be saved.
 Our thanks to our many helpers!
 Cordially,
 Nettie Duffield
 Vice-Pres. EAN

What Goes On at Your Library

By Virginia Leonard

Each year, in September, our entire library staff has a breakfast meeting, (rolls, coffee and orange juice), to herald the beginning of a new year. It seems to underline the end of summer, and the beginning of the year's activities. Something like school starting.

To add zest to the meeting we had a guest speaker, Miss Margaret Smith, attractive, intelligent and charming, but blind. (Her seeing-eye dog, Jack, was handsome and oh-so-well trained). Miss Smith, who has a B.A. in Journalism from Marquette University had brought with her two new "gadgets" that are being used in work with the blind. One is called an optacon; the other a variable speed reader. The latter piece of equipment speeded up the aural reproduction with speech until it is impossible to understand beyond about 2 and a half increase. But even double-just think how much help this is to a blind person! The optacon was more complicated. First it required the user to have learned both upper and lower case print. By placing one's finger in a specified slot, one receives electrical impulses telling which letter of the alphabet is being "sent forth." A small screen is included showing at the same time the letter. One "reads" with a small camera across the page, and as the letters are covered they appear on the screen and the impulses are felt on the finger. Both of these pieces of equipment are fairly expensive, but are of great use at the Detroit Rehabilitation Institute where Miss Smith is on the staff. This must be fascinating and rewarding work.

Before Miss Smith spoke, Mr. William T. Peters, Acting Director of our libraries, made a short but most cogent speech. He said that more than three out of five Americans living today will live to see the 21st century. In other words, we must anticipate the future in many ways, and certainly for libraries in order to serve the interests of our community. The idea is to start looking for solutions today—not tomorrow.

"One spelling of future is c-o-m-p-u-t-e-r. For it is the computer more than any other single accomplishment that is bringing in a new age. An age filled with the thrilling sights and sounds of huge space machines lifting off their launching pads at Cape Kennedy. An age where tasks once requiring thousands of man hours are accomplished in micro-seconds."

"We must develop new approaches, gain new insight, develop new ideas. The future is not just the 21st century. The future is NOW; TODAY; THIS MORNING; yes, one second from now!"

Mr. Peters continued that he had been a public librarian since 1950. In the past 23 years he had seen changes in the libraries of his state, but that these changes had occurred all too often not because of public library employees, but in spite of them.

One thing in the not-too-distant future will be the establishment of library regions. Did you know that of all the public libraries in Wayne County only two are unaffiliated or independent libraries - Wyandotte and Grosse Pointe? "The days of the completely independent library are numbered." Bills in the Legislature are being set up which would set up library regions encompassing all public libraries. "Properly administered, larger regional units of service would provide us with the tools of instant informational retrieval, automatic methods of screening reserved books, uniform cataloging and inventory controls, direct access to video recordings and perhaps even a tool collection that would include a compact, anyone-can-use computer."

Mr. Peters feels that we must do more to reach the would-be library user unable to come to the library. What about the older residents, the shut-ins, the handicapped? And of course we should cooperate more with other community institutions. This year we are taking one step forward by providing six days a week service at the Central Library - and these are library users' hours. Let's do the very best we can.

"This fall we are starting a loan-a-toy program in conjunction with the Pupil Personnel Department. This program will help those preschool and kindergarten students who have learning problems. Scientifically designed toys and games prescribed by teachers trained in child psychology will be circulated by the public library."

Look around you and you will see that other groups and individuals are expanding - hospitals, stores - schools - even a new Purple Pickle!

"We are on our way to a bright future if we work hard enough, think long enough and show concern for each other!"

And so - another year is starting, and we hope it will be a very good one.

Defer Parents to Think 'Gold'

In February of 1925, 48 and a half years ago, Defer School first opened its doors to the children of Grosse Pointe. One year from this February marks the school's fiftieth anniversary.

In view of this fact, Defer P.T.O. president will instruct all Defer parents to think "Gold" in preparation for the fiftieth commemoration. President Moellering will address himself to this and other P.T.O. matters Wednesday evening, October 10, at 8 p.m. in the Defer gymnasium at "Parents' Back-to-School Night."

Principal Jesse Lowther is scheduled next on the agenda with his annual appraisal of the school year to date and future predictions too.

Parents of children in grades 1-3 will visit their child's classroom from 8:30 to 9 p.m. followed by grades 4-6 classroom visitation from 9 to 9:30 p.m. Refreshments will be served continuously in the gym from 8:30 to 9:45 p.m. by social chairman Mrs. Nicholas Tharenos.

There's something for every Defer parent, but do remember to think "Gold" when in attendance on Wednesday.

An Evening with Bobby Short, the first benefit performance for Detroit's new Music Hall Center for the Performing Arts, will be presented Monday, October 15, at 8:30 o'clock at the Music Hall, Madison avenue, Detroit.

Mr. Short, darling of the international set, is the last of the sophisticated cafe pianists and singers who draws his celebrated following from the "Beautiful People," show-biz crowd and fashion world.

His special bag is full of songs of the 20's and 30's—songs of Cole Porter, the Gershwins, Noel Coward, Rodgers and Hart, and Vernon Duke — plus a generous helping of current show tunes and down and out blues and honky-tonk.

He has been resident troubador at New York's Hotel Carlyle for the past five years.

Tickets for this special performance are \$50 to \$250.

Patrons, (\$50), and Sponsors, (\$25), are invited to meet Bobby Short at a Music Hall Speakeasy Afterglow at the Harmonie Club.

The speakeasy setting, to be created by Tom Schoenith,

will recapture the style of the 30's, and there will be entertainment and a light supper reminiscent of the era.

The party will bring together a coterie of Detroiters enthusiastic at the emergence of a Performing Arts Center in downtown Detroit. Serving on the board of directors planning the gala event are pointers Mrs. Schoenith and Mrs. Alfred R. Glancy, III.

Miss Skaff Says Vows August 26

Renaud Guibert de Bruet's Parents Come From France to See Their Son Claim His Bride in Late Summer Ceremony

At home in Harcourt road after vacationing in France are Mr. and Mrs. Renaud Guibert de Bruet, who exchanged marriage vows Sunday, August 26, in Saint George Orthodox Church.

Abraham Skaff gave his niece, the former Nellie Aboassaly Skaff, daughter of Mrs. Michel Aboassaly Skaff, of Bedford road, and the late Dr. Skaff, in marriage.

The bridegroom's parents, Mr. and Mrs. Jacques Guibert de Bruet, came from their home in Bordeaux, France, for the ceremony.

Presiding at the 5 o'clock rites, which were followed by a reception at Lochmoor Club, was The Reverend Father John Badeen.

The bride's Empire wedding gown of candlelight satin featured a bodice and long sleeves with long sleeves with re-embroidered Alencon lace. Lace appliques panelled her skirt and edged her circular train, and a lace caplet caught her Cathedral length illusion veil.

She carried ivory roses tied with white satin ribbon.

Mrs. Eduardo Afif came from Beirut, Lebanon, to serve as her sister's honor

matron, with Mr. Afif, who was a member of the usher corps, and their children, Frederick, who carried the bride's train, Georges, who served as ring bearer, and Christina, who was flower girl.

Two other sisters, Mariana Skaff and Mrs. Nabil Tawile, the former a junior attendant, joined Susie Angle, of Grand Blanc, the bride's cousin, and Martha Entenman as bridesmaids.

The senior attendants' ciel blue matte jersey frocks were styled with draped bodices and long slender sleeves. They wore baby's-breath in their hair, and carried Sonia roses tied with white ribbon.

Flower girl Christina Afif, who carried a basket of rose petals, and junior bridesmaid Mariana Skaff were in long-sleeved gowns of ivory English lace, blue satin ribbon defining their waists.

Georges and Frederick Afif wore black velvet jackets with maroon pants, and black

Miss Hayward Wed. Sept. 22

The Reverend Perry A. Thomas presided at the ceremony. Music was supplied by the 11-member Bell Choir of the Grosse Pointe United Methodist Church, under the direction of Jack Ellis, choir-master.

The bride is the daughter of Mrs. George Hayward, of Nottingham road, and the late Mr. Hayward. Mr. Mazur is the son of the Edward Mazurs, of Detroit, who celebrated their 28th wedding anniversary on the day their

son claimed Miss Hayward as his bride.

Mrs. Herbert Hopkins, of Ann Arbor, served as matron of honor for her sister, Vicki Martin and the bridegroom's sister, Aileen Mazur, were bridesmaids. Dawn Mazur, his niece, was flower girl.

Best man was Robert Solomon, and Stephan Jordan and Brendon Mazur, the bridegroom's brother, ushered. Jon Holt, the bride's cousin, was ring bearer.

Out-of-town guests included the William Hoefers, of Syracuse, N. Y., cousins of the bride.

The newlyweds, both Eastern Michigan University graduates, will make their home in Madison Heights.

several times during the year to trip the light fantastic at one club or another.

Tomorrow, they'll start in on How I Spent My Summer Vacation over hors d'oeuvres at 7:30 o'clock. Mrs. William Fox is chairman of the affair, assisted by the Mesdames Roland Rinke, Richard Huetter, David Tyler and Roger Rinke.

Where Are They Now?

Ever wonder what happened to Lou Bournias, his wife Angie and their children, Kevin and George, who used to live in Lincoln road? They're settled now in Athens, Greece, where Mr. Bournias has accepted a two-year United States Government assignment.

And they're still reading the Grosse Pointe NEWS, of course.

How about the whereabouts of the Stanley E. Shancks, formerly of Harvard road; Rivard boulevard, Neff road, St. Paul avenue and Cadieux road, and their children, Steve and Alison? They're very much at home in Bangkok, Thailand, looking forward to welcoming any peripatetic Pointers who come their way, (when in Bangkok, call 910532).

They report their issues of the NEWS are "coming through in great shape."

Whatever became of J. Louis Horn, once upon a time resident of Hawthorne road, many of whose family still make their home in The Pointe? Well... this coming Monday Mr. Horn will be blowing out the candles on his 100th birthday cake, at Darcy Hall Home down in West Palm Beach, Fla.

His granddaughter, Mrs. Joseph M. Gardner, and Mr. Gardner, and their son Jeffrey, and Mrs. Gardner's father, Russell Lowther, all of Bishop road, are heading south for the celebration.

Mr. Horn's other son-in-law, Charles Breathitt, of West Palm Beach, will be there, as will two nephews, Dr. John Siefert and Dr. William Siefert, formerly of Detroit, now of Florida.

Mr. Horn starts his second century with five great-grandchildren and one great-great-grandchild.

Explain New Church Music

The Women of Grosse Pointe Memorial Church will hold a program meeting at 9:30 o'clock Tuesday morning, October 9. By popular request Mrs. Malcolm Johns, director of the three young people's choirs, will explain the Whys and Hows of the new Presbyterian Worship Book, which is replacing the former hymnals.

Mrs. George W. Johnson and Mrs. Frank Raphael, who represented Memorial Church at the Walden Woods Conference of the Presbyterian Society, will share their experiences, as will four members who attended the summer Synodical meeting in Kentucky: Mrs. Arthur Schmidt, Mrs. J. Ross Bush, Mrs. Jack W. Mills and Mrs. John McCreight.

After a brief business session, luncheon will be served.

Faculty Wives Playing Cards

Grosse Pointe Faculty Wives' Card Group held its first meeting of the year Monday night, October 2, at Brownell Middle School. Bridge and pinochle were offered after dessert served at 7:30 o'clock by a committee including Mrs. Donald Yerkes, chairman, assisted by Mrs. Robert Shover, Mrs. Robert Roddewig and Mrs. Lewis Gray.

Prizes were African violet plants. Decorations featured a corresponding purple and white theme.

Any Faculty Wife wishing to join the group may call either Bridge chairman Mrs. William Arbaugh or Pinochle chairman Mrs. Paul Jablonski.

Questers Tour Victorian Home

Members of Windmill Pointe Questers opened their season Monday, September 24, with a visit to the summer home of Mrs. John G. Keyes on Harsens Island. Program of the day was a tour of "The Verandah."

This Victorian house, built in 1887, has been completely restored with careful attention to preserving original features. All decorations and furnishings, many of them fine old family pieces, enhance the home's charm as well as reflect its period.

The spacious lawn and gardens, together with the natural beauty of the island, provide a perfect setting for this interesting restoration.

After a potluck luncheon a brief business meeting was conducted by the group's president Mrs. David C. Rieven.

Inside The Mothers' Club

Board members of the Grosse Pointe South High School Mothers Club gathered Monday, September 10, in the home of Mrs. Richard Speer, Club president, for a casual sandwich luncheon before their first meeting of the new school year.

A primary function of the Mothers Club has always been to raise funds for scholarships for deserving South High students, but through the years the club also has become a vital force in providing service to the faculty and administration in many other areas.

To do so, this year's board will include five new members in jobs reflecting special cooperation with J.O.Y. (Job Opportunities for Youth), the Dad's Club, Parent Volunteer Program, Student Volunteer Program — FLEC and Chaperones for Special Events.

After reports of officers, the meeting was devoted to reports and plans of various committees.

School calendars and information packets have been mailed to each South High family by members of the Mailing committee. Additional calendars are available at the School. They may be purchased for 50 cents each.

Mrs. John Heamon reported that 12 financial grants, totaling \$7,550, were awarded last year. Of this amount,

\$5,600 is administered directly by the Mothers Club, the remainder by the donating organizations, (i.e., the Grosse Pointe Women's Club, the Rotary Club and Welcome Wagon.)

Faculty representative Mrs. Benson McClure keeps the Mothers Club current on matters inside the School. She reported that Principal Jerry Gerich is anxious for feedback on the adequacy of the new Handbook for Faculty, Students and Parents.

She also reported that there are approximately 100 fewer students registered at South this year, the loss mainly in the ninth grade. The Pointe Players are presently auditioning for a fall production of "Oklahoma."

It was noted also that proceeds from the sale of parking stickers to students this year will go to the Student Association, which should put new life into this worthwhile activity.

Two members of the School Board attended the meeting. Joan Hanpeter and Melissa Maghielse spoke about the new building and the possibilities for a dedication program, each expressing a desire to find ways of inviting all areas of the community to view the fine results of this project. In any case, parents will have an opportunity to see the new

DRC To Hear Ragtime Tunes

Mrs. Bewley Priestman, well-known Pointe musician and Music chairman for the Detroit Review Club, will introduce William Albright, organist-composer on the University of Michigan faculty, in a unique ragtime musical program for DRC members and guests Tuesday, October 9, at the Women's City Club.

Mrs. Carol Fellows is in charge of the noon luncheon preceding the program. Mrs. H. Lloyd Patterson, DRC president, will act as official hostess.

musical charm and craft of the shorter piano works of the 19th century; the continual off beat accents suggest the complex polyrhythms of African music.

Ragtime is now being rediscovered by the musical world as the serious music it really is.

Mr. Albright will preface his program with a history of Ragtime and Jazz. An accomplished pianist and organist, he has given concerts in Europe, Canada and the United States, specializing in new music for organ and piano. He is widely known as an interpreter of classic ragtime and early jazz styles such as "stride and boogie."

As a composer, he has produced works for almost every medium, several involving electronic, visual and theatrical elements.

He has been recipient of many commissions and awards, including the 1970 Composition Award of the American Academy-National Institute of Arts and Letters, the Queen Marie-Jose Prize for Organbook I, a Fulbright Fellowship in 1968, the Symphonic Composition Award of Niagara University and two Koussevitzky Composition awards.

Your neighbors will include an award winner of one of the highest civic honors; a distinguished Detroit attorney; a member of an outstanding Detroit banking family; a well-known connoisseur, restaurateur; a sportsman who is an international winner in yachting circles; an outstanding advertising executive; a retired board chairman, those who take an active part in the city's industry and social life and one of Detroit's leading realtors and land developer who knows a great place to live when he sees it.

Why They Bought. Some bought before the building was finished. Others have looked around and thoughtfully compared condominium living to home ownership and apartment renting, they then made their move to the Jefferson Apartments.

They were influenced by the convenient prime location, all new construction and truly gracious living. Here is a typical spacious floor plan of an apartment home which features 9 foot ceilings, natural fireplaces, individual heating and cooling, top of the line G. E. kitchen with an icemaker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet.

The Jefferson Apartments is an adult community.

There are three separate elevators and approximately a thousand square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. Residents are homeowners and enjoy tax deductions and the investment security of being a property owner and equity advantages.

A network of the most modern security systems guard them, their home and possessions.

A CLOSED TV MONITORING SYSTEM covers the entrance, outside parking areas and inside garage. The caller can be viewed from a selected channel on the Owner's TV set in each apartment. The doorman and manager's office views the same areas.

THE ENTRY COMMUNICATIONS SYSTEM is a new system conceived and engineered by Michigan Bell Telephone Company. Using a touchtone panel telephone in the lobby, the caller dials the owner's apartment. This enables each party to have a private conversation. During the time the caller is in the entrance vestibule, he is under surveillance by the concealed TV camera.

AN ON-GUARD ALERT SYSTEM features a control panel in the manager's apartment and the attendant's office. This notifies of an intrusion into any apartment when the occupants are away. The doorman or manager controls the system by activating the apartment's security supervision at the request of the owner.

THE FIRE PROTECTION ALERT SYSTEM gives supervision added protection to all occupants of the building and will insure notification of each individual occupant of a fire in an unoccupied apartment.

Further elements of security are the uniformed doorman-attendant and around the clock resident caretakers.

The Jefferson Apartments is located 2 blocks from a beautiful park with boat slips, 3 blocks from Grosse Pointe Village shopping, 20 minutes from downtown Detroit by bus.

Don't worry about selling your home. Visit us and learn of our new trade-in program for your home, and our new pricing policy.

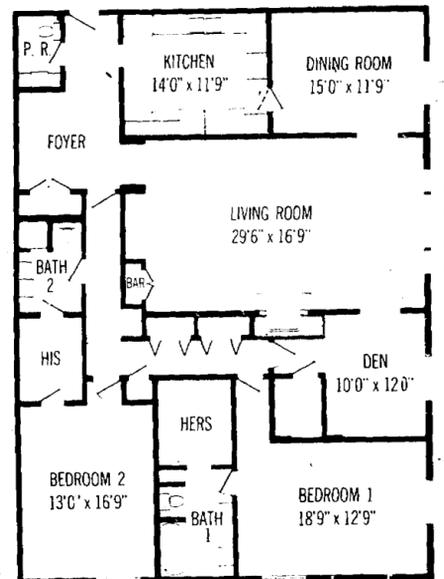

The model apartment is open 12 to 5 daily except Wednesday. Enter on Neff or St. Clair Roads. Priced from \$69,000.

Opera Theatre Opens Oct. 6

Michigan Opera Theatre, the professional, regional opera company now at home in the Music Hall Center for the Performing Arts, opens its 1973-74 season Saturday, Oct. 6.

All MOT productions are sung in English, aiming to make opera live in a new way for buffs and novices alike. Opera is musical theater, and MOT shows combine dramatic and musical excellence.

"Rigoletto" is the season opener, starring Metropolitan Opera veteran Calvin Marsh. Appearing with Mr. Marsh will be Louise Russell and John Sandor, two of the opera world's fastest-rising talents.

"Rigoletto" also will feature Z. Edmund Toliver and Elsie Inselman, two area singers with outstanding experience in the Michigan musical scene.

The Verdi opera, story of a deformed court jester whose cutting remarks are thrown back at him when a terrible curse is fulfilled will be performed October 6 at 8:30 o'clock, October 10 at a 2:30 matinee and October 12 and 13 at 8:30 in the evening.

Michigan Opera Theatre presents Puccini's "Madame Butterfly" in November with a cast led by Korean soprano Kyu do Park.

Charles Hindsley of the New York City Opera Company will sing the role of Pinkerton, the American naval officer who abandons his Japanese wife. Popular baritone Charles Roe will be seen as Sharpless.

Directing the production and singing Goro will be Tsutomu Masuko, who performed the same double duty for the San Diego opera last year.

"Madame Butterfly" dates and times are November 2, 8:30 o'clock, November 7, 2:30 matinee, and November 9 and 10, 8:30 o'clock.

Michigan Opera Theatre moves into the realm of light opera for the first time with Franz Lehár's "The Merry Widow" in January.

MOT's production will star Catherine Christensen and the Metropolitan Opera's John Reardon, as Danilo. Mr. Reardon is considered the leading interpreter of this role.

Regional singers to appear in "The Merry Widow" include Edward King and Mary Wakefield.

Performances are scheduled for January 18, 8:30 o'clock, January 23, 2:30 matinee and January 25 and 26, 8:30 o'clock.

Season tickets for Michigan Opera Theatre's 1973-74 season are still available. Season and single ticket information may be obtained by contacting the Music Hall Box Office, 963-7680. Tickets are also on sale at Hudson's.

Slate Chamber Music Concert

There will be music by Bach, Brahms, Schubert and Mozart at the season's second meeting of the Chamber Music Players of Grosse Pointe, scheduled for Sunday, October 7, at 3 o'clock in the Grosse Pointe War Memorial's Fries Auditorium.

On the program are Bach's Concerto for Three Violins in D Major, to be played by Cecilia Foerch, Zaida George and Lorraine Perlman, violins, and Margarete Eby, piano; Four Serious Songs by Brahms, sung by Cynthia Blough, soprano, accompanied by Mary Parlow, piano; Schubert's "Arpeggione" Sonata in A Minor, performed by Robert Koenig, cello, and Kay Engle, piano; and Mozart's Sonata No. 17 (K. 526), presented by Betty Peterson, violin, and Louise Gall, piano.

Mrs. Robert Laing, vice-president of the Chamber Music Players, is program chairman for the season. Sunday's program has been arranged by Mrs. Adrian Wallace.

After the concert Mrs. W. P. Franke, social chairman, will preside at the refreshment table while members and guests enjoy a social hour.

There is no admission charge for members. Non-members, who are invited and welcome, will be charged \$1 admission.

Shores Garden Club to Meet

Mrs. Anthony Vinci will open her Lakecrest lane home for the Friday, October 5, meeting of the Grosse Pointe Shores Branch of the Woman's National Farm and Garden Association.

Mrs. Arthur Hirt and Mrs. Clarence Maguire, both of Lochmoor boulevard, will serve as co-hostesses at the noon luncheon.

A flower arranging program by Donald Jensen of The Arrangement will follow the business session.

Jones Debuts With Symphony

The first guest conductor of the 1973-74 season, Samuel Jones, will make his debut appearances before the Detroit Symphony Orchestra Thursday and Saturday evenings, October 4 and 6, at 8:30 o'clock in Ford Auditorium.

Included on the program are Beethoven's "Leonore" Overture No. 3, Mozart's Symphony No. 34 and Bartok's "Miraculous Mandarin" Suite.

Noted American pianist John Browning, who last appeared with the Orchestra in 1971, will be guest soloist in Prokofiev's Piano Concerto No. 2.

Browning, over a span of 15 years, has made 20 tours of Europe, including three visits to the Soviet Union. His first appearance in Japan during the 1971-72 season won for him even more distinction as a performer of international stature.

On the American scene he has appeared frequently with major American orchestras and at repeated engagements at leading summer music festivals.

Jones, former conductor of the Rochester Philharmonic Orchestra and currently director of the Shepherd School of Music of Rice University, will conduct the Detroit Symphony Orchestra at 12 performances this season.

His next appearances before the Orchestra open the Young People's Concerts Saturday, October 13, with a musical salute to Ecology.

Tickets, priced at \$7.50, \$6.50, \$5.50, \$4 and \$3.50, are available at the Ford Auditorium Box Office, 961-0700, all Hudson's and Grinnell's ticket offices.

Mrs. William Frame, president, will conduct the business session at 12:15 o'clock in the Church Lounge. Luncheon will be served by Group IV in the Social Hall at 1 o'clock.

Mrs. Gredon Worbois, Spiritual Life chairman, will have charge of the Thank-offering Service for which women bring back their full blessing bags.

Mrs. Frank Seydler, Program chairman, has invited Donald Mettler from the

Pointer of Interest

WILLIAM E. RUSH M.D., OF COLONIAL ROAD

By Janet Mueller

"I want," says Dr. William E. Rush, "to see more medical students gaining clinical experiences in the community. I would like to see community health care facilities working together for the betterment of the community. We, (Saint John Hospital), would hope that all of our educational programs would become community-oriented, and not limited to a single institution."

One gets the impression Bill Rush is interested in The Big Picture.

Dr. Rush recently added a Wayne State University Medical School assistant deanship, for Area Medical Education, to his list of commitments.

He is director of Medical Education at Saint John. He has been for six years.

Two Full-Time Jobs
He divides his time between WSU and Saint John—it's a full-time job, both places—AND finds time for his third vocation, children with diabetes, continuing to see about one-half dozen patients each week at the Hospital.

It's all part of his personal Big Picture.

Saint John has signed an affiliation agreement with Wayne State, designed to further the goals of health care education, research and service, to provide unlimited new potential for activities beneficial to both the Hospital and the University.

Other community hospitals outside the downtown area have signed similar agreements, establishing committees between themselves and the University. Dr. Rush's assistant deanship covers them, too.

"The WSU School of Medicine is attempting to work closely with medical care centers throughout the region to improve the quality of

medical education and open up new possibilities for cooperative training arrangements," explains Dr. Robert E. Coye, dean of the School of Medicine.

To Double Output
"American medical schools will be doubling their output by 1978," says Dr. Rush, "and they are realizing that school experience purely in hospitals with highly specialized care is not realistic. The majority of people are cared for in the community."

The new, young American doctors must be as well-educated as their predecessors. The quality of American medical education must be maintained in the face of increased student numerical pressure.

The new graduates are going to need positions, and many of them must find them in community hospitals. "Any hospital in the mid-west and east," says Dr. Rush, "has many foreign interns and residents. The hospitals that must be filled. One-third of all interns and residents in the United States are foreign."

Few 'Best Positions'
Americans have naturally been attracted to and able to get the best positions at university and fine teaching hospitals in their own country. But there are only so many "best positions" and, (repeat for emphasis), the

majority of people are cared for in the community.

Saint John will offer two programs for Wayne State medical students this year. Twenty-four sophomores, (out of a class of 256—Wayne State is the second largest medical school in the country), are enrolled in Introduction to Clinical Medicine, a complete course.

Throughout the year, some 60 seniors will participate in a series of four-week Senior Elective Programs.

Dr. Rush is a Wayne State Medical School graduate himself, Class of 1952. He was particularly proud to be named a WSU Medical School assistant dean in the 20th anniversary year of his own WSU Medical School graduation.

Served in Army
Born in Saginaw, he earned his Bachelor of Science degree at the University of Michigan and entered the Army the same year he was graduated from Medical School. He served as Commanding Officer, Post Dispensary and Regimental Surgeon, Camp Roeder, Austria, for a year, and as Assistant Chief of Pediatrics, 109th Field Hospital, Salzburg, Austria, for a year before his discharge in 1955.

He'd interned at Letterman Army Hospital, San Francisco. He returned to Michigan to take his residency in Pediatrics at Henry Ford Hospital.

He has a taste for travel, "but not enough time or money." Still, he's not done too badly in the globe-trotting department. He's been back to Austria twice. He spent last Christmas there with his whole family: Wife Betty Jo, a talented artist who's moved from arts and crafts into painting, (she sold several pictures at the recent Grosse Pointe Artists Association Fall Festival), and three children.

Have Three Children
Bill, Jr., 22, a South High School graduate, is working, and attending Art School at the Detroit Society of Arts and Crafts.

Jeff, just graduated from North High School, where he was recipient of the Football Team Coach's Award, has started classes at Michigan Tech. He's interested in Engineering and/or the Air Force.

Janet, 17, is in her senior year at North. She combines high school with part-time work as have all the Rush children, all on their own initiative. Janet's planning a career in Nursing.

The Rushes have been a Pointe family 14 years. They live in Colonial road, and Bill thoroughly enjoys working around the house and yard. He does all his own yard work, plus a lot of construction putting in a new deck at the family cabin up north.

He likes skiing, too, and tennis, and "helping my wife with her art work."

Children with diabetes were his first love, and he refuses to let increasing administrative duties cut him off completely from them. Insists on remaining a practicing M.D. "My practice has evolved into continued care and consultation for diabetic children."

Guides Camp Program
He's been in charge of the Michigan Diabetes Association summer camp program for some 15 years. In the beginning he stayed at Camp Miclicha; now other commitments preclude his physical presence, but he continues to develop the camp program and to supervise it. Among the awards, degrees and citations on his

Receiving degrees from Eastern Michigan University at the conclusion of its summer session were BARBARA BREMER, of Lochmoor boulevard, BARBARA REARDON, of Chalfonte avenue, and PHYLLIS MELL, of Pear Tree lane, Bachelors of Science, and CYNTHIA HAYWARD, of Nottingham road, Bachelor of Arts in Education.

Participating in Kalamazoo College's Junior Year Foreign Study Program are DAVID DASEF, son of the J. THOMAS DASEFS, of Bedford road, and ROBERT HAMMER, son of the ROBERT A. HAMMERS, of Heather lane. David is enrolled at St. Andrews in the United Kingdom. Robert is studying in Madrid, Spain.

Saint John office wall is a plaque from the Green Berets. Dr. Rush first went to Vietnam in 1968, first American appointed to the team, (pediatrician, surgeon, anesthesiologists and nurses), for a hospital being built for war-injured children and children with birth defects who needed plastic or re-constructive surgery. He stayed four months.

He returned to Saigon in 1970 for a second two-month stint as Children's Medical Relief International Staff Pediatrician, rendezvousing in Tel Aviv with Betty Jo on his way home. The two continued home on vacation, through Greece, Spain...

Seeking Fellowship
Bill Rush would like to get back to Vietnam, to see how things are going there. And he's currently aiming for a two-month World Health Organization fellowship to Scandinavia, to study how the Scandinavians take care of children with diabetes.

He likes being involved with a teaching hospital. Saint John's Orientation Program for foreign Medical School graduates, a four-month course at Saint Louis University, contingent upon an internship contract with Saint John, designed to familiarize foreign students with personal and professional aspects of life in America, to increase the students' English language proficiency, to generally equip them to be comfortable and of value in their new environment, is something Dr. Rush is particularly proud of. As a result of experience gained through this program, Saint John will be conducting its own two-month Orientation Course.

"We're the only hospital in the country doing this thing."

Welcome Foreigners
He's pleased to have foreign medical school graduates at Saint John. He thinks the foreign graduates will benefit even more when Saint John, which already has graduates from all the medical schools in the state as well as several out-of-state schools, increases its corps of American graduates.

Interaction is the name of the game. "Community" is the area in which people, and institutions, interact. That which adds to, promotes, this interaction is good: Bill Rush dislikes limitations.

"Our (Saint John's) latest program is Family Practice Medicine. My personal hope, shared with this institution, is that this could become a community program, in cooperation with all the other area medical facilities.

Likes New Addition
"I'm particularly pleased with Saint John's newest physical addition. It's largely for education within the Hospital, but we hope to involve the community more and more..."

Saint John has conducted open-to-the-public programs and clinics, on Heart Disease, Smoking, and they've been extremely well-received. When 600 people show up for a health education program, and 800 are turned away, (no more room), that's community involvement with a community hospital.

When Medical School students are given the opportunity to learn in community as well as downtown hospitals, they're given the opportunity to learn the community while they learn medicine.

Some medical schools, Michigan State's, for example, are built entirely around community hospitals. They have no Medical Centers of their own. Wayne State now uses both the downtown Detroit Medical Center Hospital and community hospitals. That's a pretty big picture.

Who knows what the next decade will bring?

Christmas Is Coming
Okay, it's not even Halloween yet, but Christmas is coming, and the Christmas Fairs are coming even faster than Christmas.

You know, of course, about the two Big Ones: The Planned Parenthood Holiday Mart, scheduled for October 16 through 18 at the Sentinel Center in East Jefferson avenue, and the Grosse Pointe Memorial Church Fair, to be presented November 8 at—where else?—Memorial Church.

Now here's a bit of news about two smaller but goodies.

The Bon Secours Hospital Guild will present its Holly Day Fair Thursday, October 25, from 10 in the morning 'til 8 in the evening in the Hospital Science Hall. Unique, hand-crafted items, (knitted caps, scarves and mittens, stitchery, tree decorations, candles, et al.), will be featured, as well as homemade baked goods.

Visitors may relax in a snack bar set up especially for the Fair.

Mrs. Sylvain Marentette, chairman, is directing the event with assistance from co-chairmen Mrs. Edward Howell and Mrs. Raymond Krause. Committee members include the Mesdames Frank Hilton, Herbert Kelleher, Norman Mettie, John Sarafin, Emil Duclous, Joseph Schulte, Francis Crowley, S. S. Lawrence, H. H. Martin, Roderick McKnight and Chester Clark.

Meanwhile, over at Grosse Pointe Congregational Church, women have been spending summer's hot, sultry days hand-crafting in preparation for their November 7 Mistletoe Mart. If it didn't beat sunning at the Park, it DID give them a feeling of accomplishment.

Using the theme Christmas Village, Mrs. Robert Lake, Mrs. Robert Martin and their decoration and layout committee plan to transform the Church into a holiday town where shoppers may stroll down make-believe streets, browsing and buying at Santa's Cookie Shop, (Mrs. Bernice Bates, chairman), the Bargain Barn, (Mrs. Frank Hanika, chairman), et cetera...

If the Spring Preview was any indication of things to come, you won't want to miss this one.

DYC Glitters For Bal Grand

Members of the Detroit Yacht Club celebrated DYC's 50th year in its present building with Le Bal Grand Saturday evening, September 29, at the Club.

A palace ballroom was created within the building, featuring 13 original paintings by Detroit artist Carol Everts.

Decorations included 17 crystal chandeliers, and one end of the ballroom was dominated by an 18th century 27-foot-high rococo mirror, its exquisite frame the work of local artist and designer Sol Bommarito.

Twelve vitrines, 16-foot-high and made of antiqued walnut, lined in gold silk, lined the walls.

Music for the evening was provided by Jack Qualey and his Orchestra, playing from a specially-constructed bandstand suspended over the ballroom floor. Diners were serenaded by the Strolling Strings.

Ed Joswick served as chairman of Le Bal Grand committee.

Carl's Corner

The Grosse Pointe Woods Public Safety Department will have a proposal on the ballot, November 6 for an increase in their Pension Benefits. They really do a great job, so how about all of us helping them out at the polls.
