### HEADLINES

of the  
**WEEK**  
As Compiled by the  
Grosse Pointe News

**Thursday, October 4**  
**THE NEW MICHIGAN NO-FAULT INSURANCE LAW** has already run into a snag. The question at hand is whether or not Michigan motorists can be ticketed for not carrying proof of auto insurance. The new law, in effect since Monday, requires all cars be insured, but doesn't deal specifically with the penalty for not being able to produce evidence of that insurance. Detroit Police are not issuing tickets, but State Police are. It is now up to Attorney General Frank Kelley to clear up the matter. If he does not, the issue could be returned to the legislature for an amendment to clarify the law.

**Friday, October 5**  
**JUDGE THOMAS FOLEY** has levied a fine against the Detroit Federation of Teachers that he says "May be in excess of \$1 million," and striking teachers vowed not to be forced back to work without a new contract. But, behind the scene, officials have hinted that a settlement may be imminent. The key to settlement lies in the hands of Gov. William Milliken, who, earlier this week, proposed that the issues critical to teachers be resolved at the state level by a governor-appointed panel.

**Saturday, October 6**  
**SOUTH AFRICAN FOREIGN MINISTER HILGARD MULLER** found himself nearly deserted when he stood up to speak in the UN General Assembly. One hundred of the 134 delegations walked out of the chamber in a protest against South African racial discrimination. The U.S. delegation was among those who remained behind to hear Muller speak.

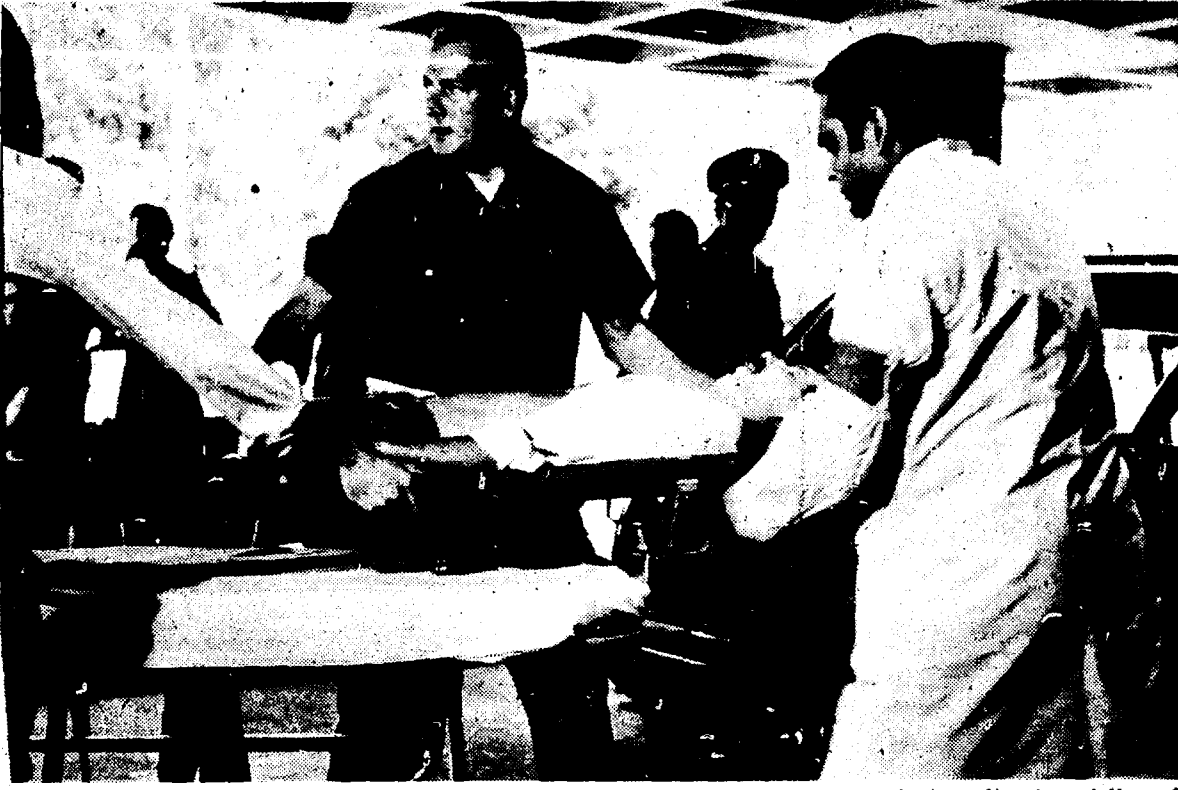

**Sunday, October 7**  
**ISRAEL AND THE ARAB NATIONS** are at war again in the worst clashes since the six-day war in 1967. Egyptian troops and tanks crossed the Suez canal and secured a foothold in the Israeli-occupied Sinai peninsula while Syrian and Israeli forces battled with artillery in the Golan Heights area some 300 miles away. Both sides blame the other for starting the war.

**Monday, October 8**  
**EMPLOYEES OF FED.** (Friends of Economic Development) a now-defunct, federally-funded program, stole thousands of dollars by altering checks and falsifying records. A Detroit Free Press investigation also revealed that at least two murders have been linked to the corruption that pervaded the program. The FED organization was intended to supply emergency loans to businessmen in a nine-mile square area bordering downtown Detroit.

**Tuesday, October 9**  
**AS BOTH ARABS AND ISRAELIS** claimed the upper hand in the war that broke out between them on Sunday a special session of the U. N. Security Council was unable to come to any decision on how to resolve the situation in the Mideast. The 15-member council was forced to adjourn after speeches by Israel, Egypt, and all of the big five Security Council nations except France. Both the Soviet Union and China back the Arabs and blame Israel for starting the war. U. S. Ambassador John Scali said the United States was not interested in who started the war, but only in solving the crisis.

**VOLATILE MIXTURE**  
Everyone knows gasoline and alcohol don't mix. But, The Travelers Insurance Companies report alcohol and pills are perhaps as volatile. Even cold pills and a cocktail can make the same driver act like the town drunk.

### City, Bon Secours Co-operate in Disaster Training

Receiving actor-turned-victim at the Bon Secours Hospital emergency entrance are CITY FIRE FIGHTER RICHARD TUCKER and DR. PREM K. GUPTA. On the stretcher is JIM LINDEMAN, a member of the Grosse Pointe Theater, who participated along with fellow actors to make the emergency drill as realistic as possible.

The mock fire and explosion disaster, followed by precision emergency teamwork by City firefighters, police and Bon Secours staff, took six months of preparation. Now the task for officials is to evaluate the disaster drill and make possible recommendations.

### Lake Level Continues to Pose Threat

Officials Warn Residents to Keep Sandbag and Dikes in Repair; Lake St. Clair Still Three Feet Above Normal

Residents living in homes along the shoreline of Lake St. Clair are advised to make sure that their sandbags and dikes have not deteriorated, and if they have, they are cautioned to repair them immediately. The warning came from the U.S. Army Corps of Engineers and the U.S. Lake Survey officials.

Lake St. Clair has dropped about five to six inches within the last month, due to the unusually dry spell during August and September, but the lake is still two inches above last year's record high.

Residents living along the shores of Lakes St. Clair and Erie experienced floods last November, and in February and March.

According to the Engineer Corps projected prediction, St. Clair will continue to drop until about the middle of February, but it will be still three feet above normal. The normal level of the lake is 572.2 above sea level, whereas, the present level is 575 feet.

It was disclosed that by February 15 of each year, the lake level usually drops to about one foot, depending on the amount of snowfall, the heat of the sun and the velocity of the wind and the rainfall.

### Absolute Disaster Created By G.P. Theater Actors In Mock Emergency Drill

City Fire and Police Units Rush Actors-Turned-Victims to Bon Secours Hospital in Seventh Annual Disaster Drill

Bon Secours Hospital's seventh major disaster drill reached new heights of realism on Wednesday, October 3, due to the fine performance of mock victims drawn from the Grosse Pointe Theater.

The Theater people temporarily abandoned the world of entertainment and devoted their skill and effort to the serious job of community safety. Several community agencies were represented as observers at the drill and critique. Included were fire and police officials of the five Pointes, Wayne County Civil Defense, American Red Cross, Greater Detroit Area Hospital Council and the Grosse Pointe Ministerial Association.

Brought to the hospital by Grosse Pointe City Fire and Police units, their realistic portrayal of disaster victims inspired employees and physicians to "forget" it was a training drill, and react as though lives depended on their team action.

The importance of the drill, held once a year with live "victims," and several other times a year without them, can only be expressed in terms of saving lives. A well-written plan and trained personnel at the community hospital is our community's best insurance for any catastrophe.

Francis T. Day, M.D., chairman of the disaster committee which had been preparing for this drill for six months, commented, "The real value of the drill is realized afterwards, during the critique and follow-up meetings. We examine every

facet of the plan, root out weaknesses and make changes."

The public hearing for the proposed 1973-74 school budget was held on Monday night, October 8, at the North High auditorium. Copies of the budget were available at the meeting and copies will remain available at the Central Library and school administrative offices, 389 St. Clair, for public review. Final vote on the budget will come at the Monday night, October 22, School Board meeting.

Dr. Theos I. Anderson, School Superintendent, had few comments to make about the budget at the Monday night meeting, since the budget follows closely the format of past years. He pointed out that the revenue from all sources during 1973-74 will increase about \$263,234 above last year's receipts.

The increase is due primarily to the voters approval of a millage increase of .60 mill for school operation and .14 mill for operation of the public libraries. Interest earnings on investments also contribute significantly to an increase in revenue.

Dr. Anderson said that for the first time in history, the Pointe school system will not qualify for any general state aid. It results in a loss of \$514,635. Special aid for special education programs and driver training will continue to be received, amounting to about \$375,000.

Any increases in teacher salaries will be taken from an account labeled "3498" since no settlement has been reached on teachers' contracts. Teachers are now being paid what they received last year.

### Arrest Man Threatening Ford Family

Phone Call and Letter Linked to Extortion Attempt; Suspect Apprehended at Library

A 51-year-old unemployed laboratory technician was arrested at Central Library Friday, October 5, as he was making an extortion phone call to William Clay Ford, of 1000 Lake Shore road.

Otto V. Ludanyi, of Sterling Heights, was arrested by FBI men at the library's phone near the rear exit. He was questioned for a half hour in a library office while the call was traced, and then he was taken to FBI headquarters in the downtown Federal Building. His car was left at The Farms police station. Area police had been alerted of FBI action in the area, but no back-up scout cars had been requested.

Central Library personnel reported very little disturbance at the library during the arrest and questioning. Maintenance man John M. Easton recalled seeing a man, dressed casually in a sweater and slacks, speaking into the phone in broken English. The suspect did not ask any library personnel where the phone was located, so he must have been familiar with the floor plan or just have stumbled onto the phone.

The librarians said that there were four or five FBI men, mostly dressed in business suits or sports jackets, who surrounded Ludanyi at the phone. They then questioned him in Mr. Easton's office.

The suspect is under custody until the preliminary examination Monday, October 15. Besides the phone call, Ludanyi recently wrote a letter to Mr. Ford threatening to kill him and his family unless given an undisclosed sum of money.

Ludanyi, a U.S. citizen who spent most of his life in Hungary, is in Detroit General Hospital because of his poor health. He told F.B.I. officials that he is on medical leave from his job because of two recent heart attacks.

The extortion charge carries a maximum fine of \$5,000 or 20 years in jail. It's wondered why Ludanyi picked the public phone at the library as the phone is against a wall in the rear hallway and not in a phone booth which would offer some privacy.

### October 7 thru 13 Fire Prevention Week in Pointe

Fire Chiefs Stress Importance of Home Inspections to Prevent Outbreak of Fire; Offer Safety Tips to Help Stamp Out Home Fires

The week of October 7-13 has been designated as Fire Prevention Week, with this year's slogan being "Nightly Walkaround—Weekly Walkaround", whereby residents are encouraged to make a weekly, and even daily check of their homes. This home check should be routine throughout the year, not just during Prevention Week, all the Pointe fire chiefs point out.

The fire chiefs stress that householders take a "Walkaround" to spot the fire causes — and then to stamp them out.

They list the following as the most frequent fire causes:

A fallen cigaret in the upholstery — have adequate ashtrays and place them securely. Keep matches and lighters out of children's reach. Dispose of trash regularly, don't give fire a place to start. Use flammable liquids only in well-ventilated areas, away from ignition sources. Keep gasoline out of doors.

Never overload outlets or extension cords. Damaged cord insulation, plugs, fixtures and appliances need immediate care; Greasy exhaust hood, ducts and grease spills are hazardous and require regular cleaning.

Close bedroom and hallway doors. In case of fire, a door can hold back heat and smoke — to give lifesaving moments to escape; Turn off room heaters (or on "low"). If using a fuel-burning heater, open a window for ventilation.

For the fireplace, have screen in place and fire died down before going to bed. Make the "nose test." Smell for any smoke odor and track it down. After a party, remove chair cushions to check for lost "hot" cigaret butts. Don't dump ashtrays in waste baskets, or other receptacles containing combustible material. Set them aside until morning to be sure all ashes are cold.

The Pointe chiefs add further hints to prevent fire injuries, possible loss of life and property damage, and these are:

Before the first cold wave, have the furnace area checked, and clean away boxes, paper, rags or any other combustible material. Have the furnace, pipes, flues and chimney cleaned and, if needed, repaired.

Furnace blower motors need oiling, filters changed, and also any portable heat put into first class operating condition. Defective equipment is the most frequent cause of dwelling fires. Between midnight and daylight, when everyone is sleeping, is the time most fatal residential fires occur, the fire chiefs pointed out.

In the United States and Canada, they stressed, an average of 34 lives are lost in fires every day. It doesn't always happen to the other

### Making Music Together Symphony Couple's Goal

By Nancy Kramer  
"We want to make a career out of working together now," said Mrs. Helene Vabolis, although the work she has in mind for her husband and herself is really playing together as musicians. And they are beginning to make good on that wish.

Mr. and Mrs. Edward Vabolis, of Aline drive, are unique. They are both top-notch artists; he on the violin, and she, on the piano. They have been married for a little more than a year. Their mutual interest in music is what brought them together and it's together that they want to make that music.

Both are certainly qualified for the task. Helene Vabolis' list of musical accomplishments and distinctions is guaranteed to boggle the mind. In addition to being a member of both the Tuesday Musicales and the Detroit Musician's League, she is assistant director of the Grosse Pointe Conservatory of Music and teaches there in conjunction with Macomb County Community College.

She is president of the Michigan Music Teachers Association as well as being a board member of the Grosse Pointe Symphony. A former studio pianist for WXYZ, Helene has further distinguished herself by being one of only a dozen music teachers awarded permanent certificates of excellence by (Continued on Page 2)

### Educators Ask Salary Increments

Unfair Labor Practice Charge Filed With the Michigan Employment Relations Commission; GPEA Fails to Give Board Proper Notice

In a surprise announcement, the attorney for the School Board stated Monday night that the Grosse Pointe Education Association had filed an unfair labor practice charge with the Michigan Employment Relations Commission in September. The announcement came at the regular meeting of the School Board Monday night, October 8, in the North High auditorium.

Even though the Board and the Grosse Pointe Education Association (GPEA) have been meeting, at least once a week, since August, it is claimed that the Board did not receive notice of the unfair labor charge. Board members learned of the charge after receiving a letter from MERC concerning a hearing Friday, November 2, on the unfair labor practice charge.

Raises Dropped  
The basis of the complaint, according to Douglas West, an attorney for the School Board, is that the teachers did not receive their annual salary increment, or the salary increase returning teachers get each year. Mr. West stated at the meeting Monday night:

"It is the GPEA that gave us notice of the termination of the old contract. It was a part of the old contract that teachers were given step increments. Any new contract can increase or decrease the salary steps and the dollar amounts involved, or even do away with them altogether.

"Until there is a new labor contract, it is unknown what a salary schedule will be, and until that time, the only appropriate action for the Board to take is to continue the same pay checks as last year."

The teachers, on the other hand, are charging that the Board did not bargain in good faith because they failed to give the teachers their expected annual raise for longevity.

GPEA Speaks Up  
At the School Board meeting, Carl Lord, president of the GPEA, did not make any comment on the unfair labor practice charge. He did, however, reiterate the demands of the 571-teacher strong GPEA.

Mr. Lord stressed that the teachers were fighting for the maintenance of the buying power of their salaries, that they were not fighting for salary increases above cost of living increases.

The GPEA president also charged that the Board had taken their statements "out of context in an effort to con-

### Burglars Enter Doctor's Office

Dr. Max L. Gardner entered his office at 19557 Mack avenue at 7 a.m. Wednesday, October 3, and discovered the rooms ransacked.

Woods Patrolmen: Patrick McMath and Bruce Marone went to the scene to write the crime report and to take pictures to be turned over to the Woods detectives. Dr. Gardner estimated the loss at \$570 after he noticed missing an electronic calculator valued at \$180, an antique brass candle lamp at \$100, an antique brass New York Central Railroad lamp at \$50, a Sony tape recorder at \$90, an antique brass bicycle light at \$50, and an antique brass telephone at \$100. Also stolen by the unknown thief was between 50 and 60 methaqualone samples.

It was deduced that the probable point of entry was an unlocked window on the west side of the building.

### Symphony Couple

(Continued from Page 1)  
the Michigan Music Teachers Association.

Her husband's accomplishments are perhaps not as numerous, but Helene strongly defends his talent. "You know, he'll be outside gardening and he'll come back in the house. It won't be five minutes before I hear him playing the violin. He's a born musician."

Edward Vabolis now plays with the Grosse Pointe Symphony, where he sits in the first violin section. He is also president of the Chamber Music Players of Grosse Pointe. "That's my big thing," he commented, tooting his wife's horn rather than his own.

Until recently, Edward was pre-occupied with another fine art. Prior to 1970, he made photography his life's work. But he says, "I always kept in touch with music."

Upon retirement from his job in the field of photography retail management, he decided to return to what he calls, his "first love."

Helene, on the other hand made music her career.

"I was always involved in it," she recalls. After graduation from Eastern High School at age 15, she spent six months in Germany with her mother. Following that, she trained for two and a half years at the Dresden Conservatory of Music.

While in Dresden, she also studied organ and music theory. Later she returned to North America to continue her training in Toronto at the Royal Conservatory of Music and at Chicago's American Conservatory of Music.

With all of their activities, the Vabolises find there's rarely a dull moment but when there are a few, they come up with pretty good ways to use them. While the Symphony was between seasons, they took off for a four-week vacation in Europe.

"We had the perfect trip," Mrs. Vabolis said. "We just rented a car and drove through Germany and Austria." The European tour gave them a chance to catch up on what old friends and relatives are doing, and they were able to see Verdi's Don Carlos at the Vienna Opera House.

Now that they have been back two weeks, there's plenty to do. Both are excited about the prospect of playing together in a January concert for a Madison Heights musical organization.

They have done at least two performances together this year; one, an April 1 concert for the Chamber Music Players of Grosse Pointe. On April 16, Mrs. Vabolis managed to get her husband's name on the program with her own for a faculty recital presented by Macomb County Community College, even though he does not teach there.

Helene stressed how much the two want to play together. "Our favorite pieces are sonatas written for the piano and violin."

Surprisingly enough, Mr.

and Mrs. Vabolis rely on other musicians to supply the music they play. Neither claims to be a composer. "Oh, I've written a few things," Helene admitted, "but nothing for any to see." "We do enjoy jam sessions together," Edward added.

The Grosse Pointe Symphony gives them still another opportunity to work as a pair. Mrs. Vabolis, as a board member, helps with the planning, and Mr. Vabolis, as a performer, follows through with the execution.

The Vabolises enjoy working with the Symphony and are excited about the seasons opener this Sunday, October 14.

Helene gave her whole-hearted endorsement to this Sunday's featured performer, pianist Cynthia Raim. "I've seen her play before," Mrs. Vabolis explained, "and she's very good." That compliment, coming from a fellow pianist, should not be taken lightly.

With all their talent, it's easy to forget the Vabolises are basically just people. But little things bring that point home: an offer from Helene to stay for cookies and orange juice; a photograph of the couple proudly holding their grandchild, or some down-to-earth conversation accented by a pair of warm, friendly smiles.

Tickets for the Sunday, October 14, concert are priced at \$2.50 for adults, \$1 for students and may be purchased at the door. All concerts are held in the Performing Arts Center of North High School and begin at 3:30 p.m.

### Cinema League Meets Tonight

"East African Safari" is the title of the new 8mm movie which will be presented at 8 o'clock, Thursday evening, October 11, in the Alger House of the War Memorial by Miss Ester Porter, one of the founders and twice past-president of the Grosse Pointe Cinema League.

The movie was photographed last summer on a three week photographic safari in Kenya and Tanzania. The group of nine photographers traveled in Landrovers which enabled them to penetrate the remote areas of the game reserves.

Among the nine national parks and game reserves visited were Tsavo, Masai Mara, Serengeti, Ngorongoro Crater and Amboseli. The group spent one night at Treetops, the famous hotel built high in the branches of a gigantic fig tree, as well as the beautiful Mt. Kenya Safari Club.

Another place of special interest which is pictured is Lake Nakuru, a soda lake which has the world's largest concentration of flamingos, estimated at 2,000,000.

Viewers of the film will also have the opportunity to visit a tea estate close to Nairobi and a coffee plantation in Tanzania.

The public is cordially invited to attend the program which is free of charge.

### Park Hydrants Get New Look

The Park has completed the second phase in its fire hydrant painting, it was disclosed by City Manager Robert Slone. The painting has been done by personnel of the Fire Department.

Slone disclosed workers of the Department of Parks and Recreation, under the direction of Director Donald Guinan, sandblasted all the hydrants and coated them with primer, in preparation for painting by the firefighters.

The city manager said that the program, which this year cost \$3,000, was started in 1972, and with the completion of the project this week, approximately two-thirds, or about 220 fireplugs will have been painted, all south of Jefferson avenue.

He said that next year, sandblasting and painting will be done to all hydrants

### Police Honor Patrolman Ralph Moore

(Continued from Page 1)  
as he lay wounded on the floor of the bank.

The first Park officer to be named Policeman of the Year was Patrolman Richard Warren, who was presented a plaque in June 1971, at the State Lodge's Annual Convention held that year in Lansing.

Warren was picked for the honor for saving the life of his partner, Patrolman William Furtaw on September 17, 1970. Warren fatally wounded a gunman who had held up the National Bank of Detroit Branch Office, 93 Kercheval, on the September date.

The hold-up occurred early in the morning and the shoot out took place later that evening in front of a Detroit pizzeria, at Charlevoix and Alter road.

The bandit was identified as Howard Gates, 34, alias Robert Blanton of Spartansburg, S. C., who was wanted on a warrant by the authority of that city for the murder of his wife.

As Warren and Furtaw approached Gates to question him, the man reached into his pocket and drew out an automatic, firing at Furtaw, who fell to the ground wounded in the neck and shoulder. As Gates continued firing, Warren drew his service revolver and emptied it at Gates. All the bullets from the officer's gun struck the gunman, who died an hour later in Bon Secours Hospital.

In Moore's case, while directing traffic at the Jefferson-Whittier intersection, the policeman saw the oncoming car traveling in the east lane near the curb, and heading for Sharon Feola, of 904 Grand Marais, a Trombly School student.

Moore saw the approaching car and the girl at the same time. He grabbed Sharon and shielded her with his body. Both were knocked to the pavement.

The patrolman and the girl were taken to Bon Secours Hospital and treated for their injuries. Moore suffered severe shoulder and neck pains and was required to wear a neck brace for many weeks. Sharon only suffered knee abrasions.

Moore's name, as was Warren's, was submitted to the State FOP for a possible Policeman of the Year Award by his superior officer. A committee of the State organization screens

the names from those submitted from throughout police departments in Michigan, then selects the Policeman of the Year and one for second place.

Any State, county or local policeman is eligible for the award, regardless of whether he is a member of the Michigan Fraternal Order of Police or not.

Lodge 102 President, Shores Sgt. Don Jacobs, expressed pride that two members of the Lodge have so far been honored, as did the entire membership, comprised of policemen from all the Pointes and Harper Woods.

**St. John Views 'Hypertension'**

"Hypertension—its Causes, Treatment and Control" is the topic of the first of nine community health information programs to be held at Saint John Hospital during the coming year.

The program on Hypertension, which is free and open to the public, will be held on Wednesday, October 24, at 7:30 p.m. in the Chapel at Saint John Hospital on Moross road near Mack.

Appearing on the program from the hospital's medical

staff will be Hugh Henderson, M.D., Cardiologist; Clarence E. Rupe, M.D., Chief of Internal Medicine; and Joseph Beals, M.D., Nephrologist.

The physicians will present the latest information on the causes of high blood pressure; symptoms, effects, medical and surgical treatment and control of high blood pressure. Following their presentations, they will lead discussion groups to answer questions from those in attendance.

The Community Health Information Program is sponsored by the Saint John Hospital Guild in cooperation with the hospital's medical staff. This program, which is now receiving national recognition, is presented as a community service to familiarize persons with major health problems and to encourage them to obtain qualified medical care. Said C. Don Steepe, M.D., program chairman, "Through this program, we hope to reduce some of the serious and often tragic results from these health problems by encouraging persons to follow good health habits."

Other programs now scheduled include a public forum on diabetes on Thursday November 8; a symposium on pediatric emergencies and acute childhood illness on Wednesday, December 5; and a five-day smoking withdrawal clinic starting on Monday, January 7.

In the months to follow, forums and clinics now being planned include those on heart disease, arthritis, alcoholism, kidney disease, and ulcers.

Free tickets to the Hypertension public forum and further information on this and other community health information programs may be obtained by calling Saint John Hospital 881-8200, ext. 474.

**SEMTA Offers Customers Transfer, Phone Service**

SEMTA has announced two new customer services that should encourage wider usage of the region's bus systems. The first service reduces bus fares by 50 cents a day when riders transfer to different bus carriers.

Until today, riders had been paying full fares to both companies when transferring between DSR, Great Lakes, Lake Shore, Pontiac and Martin Line buses. Now, however, they can ask for a free SEMTA Suburban Transfer and save 50 cents on their round trip bus fare. This is how it works:

**DSR to Suburban Bus**  
 DSR riders who wish to continue their trip on a suburban bus should ask the DSR bus driver for a free SEMTA Suburban Transfer. When they board the suburban bus the driver will detach the lower portion of the transfer and they will pay 25 cents less than the regular fare. On their return trip back they will give the remaining portion to the suburban driver and again pay 25 cents less.

**Suburban Bus to DSR**  
 The suburban bus drivers do not give out the transfers necessary to change from the suburban buses to the DSR buses, therefore, riders must first be on a DSR bus before getting their free SEMTA Suburban Transfer.

Example: If a bus rider lives in the suburbs and works in Detroit they would ask for their free SEMTA Suburban Transfer from a DSR driver on their evening trip home. When they board the suburban bus the driver will detach the lower part of the transfer and they will pay 25 cents less than the regular fare. On their following morning trip into Detroit,

they give the suburban bus driver the remaining part of the transfer and again pay 25 cents less than the regular fare. When continuing their trip on a DSR bus they pay full fare.

**Suburban Bus**  
 Suburban riders ask their bus driver for a free SEMTA Suburban Transfer. When they board a different suburban bus company they pay 25 cents less than the regular fare. On their return trip they follow the same procedure.

In each instance the fare discount occurs only on the suburban bus lines. There is no fare decrease on DSR buses. It is expected that because regional bus travel will be 50 cents less round trip, ridership on the DSR from suburban areas could increase the yearly revenues of the DSR by \$25,000.

Senior citizens and school children already travel at reduced rates during specified times of the day throughout the region. This transfer discount in many cases could mean second fares would be cancelled out altogether. This could mean an average round trip savings per day of \$1.

**Telephone Information**

In the past, if the bus riders wanted to get route and schedule information on Metropolitan Transit, Great Lakes Transit, Lake Shore, Martin Lines and the Pontiac System they were forced to call each individual company. Now all that information can be received from these two numbers: Suburban Toll free 800-462-5161; or Detroit, 962-5515. These numbers also give some DSR information.

The new SEMTA Telephone Information Service is open from 6 a.m. to 6 p.m. Monday through Friday.

**Strange Events at Thrift Shop**

Someone apparently has a grudge against the Neighborhood Club Thrift Shop. The store's manager complained to City Police on Friday, September 28, that a series of malicious events, that she believes to be related, have taken place at the building located at 17145 Waterloo avenue.

The manager first stated the shop has received two threat and hate notes, one on June 2, and the other on September 8.

Then, on Thursday, September 27, when she was locking the building up at 10 p.m., she discovered that the alarm was not working. She believes that the alarm

wires were broken on purpose though she has no idea who did the damage. The alarm was repaired the following day.

**Vandals Attack Workers' Cars**

Someone has been playing pranks on Jacobson employees' cars parked in the lot behind the building.

Two female employees complained to City Police on Saturday, October 6, that someone tampered with their cars while they were at work on Friday.

One woman, who owns a 1965 green two-door Dodge told police she parked and locked the car at 8:30 a.m. At 5:55 p.m., when she returned to the car, she found the door open, the seat wet and pulled forward and the ashtray pulled out.

The other employee parked her white, four-door, 1971 Pontiac at 12 noon and found the hood up, the radio and windshield wipers on and a parking ticket missing from the dashboard when she came back to the car at 9:15 that evening.

She added that there had been three quarters of a tank of gas when she left her car and, when she returned, the tank was empty.

Both cars were checked by police and showed no signs that the engines or wires were tampered with.

In the eighteen hundreds, three important events took place which make medicine what it is today. First of all was the introduction of anesthesia under surgeon Joseph Lister. Secondly, the study of germs became most important to medical science, including studies done by such famous men as Robert Koch and Louis Pasteur. Third, men were beginning to use more accurate instruments and to be more accurate in their diagnosis. It was a lucky century for us!

### Disaster Drill

(Continued from Page 1)  
Bon Secours Executive Director Barry M. Spero stated, "We are equally proud of the teamwork displayed by hospital personnel and the Grosse Pointe community's involvement in our efforts. The Theater Group responded with enthusiasm and took their roles very seriously. Community agencies offered valuable feedback during the critique. The combined efforts of all these people made our practice drill a success."

Grosse Pointe Theater volunteer victims included: Mrs. Joseph Kinney, Mrs. Nicholas Tharepos, Mrs. Robert Bowen and Mrs. Robert Binder, all of Whittier road; Mrs. Mary Lou Mantho, of Edgemont Park; Mr. and Mrs. Don Bliss, of Ridgeway avenue; Mr. and Mrs. Albert Berteel, of Warner road; Mrs. Thomas Miller, of Lakeland avenue; Harry Stutt, of Muir road; Mrs. John Diebel, of Loraine road; Mrs. M. J. Alef, of Lincoln Road; Mrs. Joyce Bauhof, of Rivard boulevard; Mrs. Richard Vreeland, of Audsbon road; Mrs. Tom Gallagher, of Hampton road; Mrs. Jac Purdon, of Village lane; Mrs. Virginia Herrinton, of Rolandale; Mary Herrinton, of Rivard

### GP Symphony Previews Year

Besides the concert this Sunday, October 14 the Grosse Pointe Symphony has three more offerings this season. The January 27, 1974, concert features Sally Wylie, a coloratura soprano. The third concert, scheduled for March 31 will have both Derek Francis, violinist and oboist, Arno Mariotti. Lined up for the final show on April 28 is the Harbinger Resident Dance Company of the Detroit Community Music School.

All concerts take place on Sunday afternoons at 3:30 o'clock in the Performing Arts Center at North High School. The Symphony Society offers different kinds of membership and each member is entitled to see all four performances. Active membership costs \$8.50 a person. Students can belong to the Society for \$3. A family membership is available for \$25 and a \$50 or more donation lists you as a Symphony Society patron. In order to join, send a request for the type of membership desired, and a check made payable to the Grosse Pointe Symphony Society to 889 Hidden lane, zip code 48256.

### Volunteers

intervention center. Office workers are needed at Children's Home of Detroit, EAN (Environmental Action Now), Cottage Hospital and Wayne County Public Health Office. Nursing Homes and programs for senior citizens need volunteers for visiting and special projects. The Detroit Artists Market can use volunteers for its Saturday mornings team.

Programs for Remedial Physical Education under Community Services and the Neighborhood Club need volunteers as teachers' aides. Student volunteers interested in special projects — one time events — will be offered many opportunities through the coming year to participate in numerous agency and community activities.

Volunteer opportunities under the FLEC program give students a chance to gain work experience, do career exploration and meet college application requirements, while doing something worthwhile for their community.

Applications that contain more complete information on dates, times and places can be obtained at all Library branches, Counselling Centers at the High Schools and Community Service Offices.

### Austin Elects More Leaders

The Freshman class of Austin Prep School elected home-room representatives on Wednesday, October 3, for the Student Senate.

Representing the Freshman class are: Alan Devline, of 797 Bedford; Mark Kennedy, of Perrier place; Paul Bourgeois, of Detroit; Dave Dudek, of East Detroit; Paul Gracey, of Touraine court; and Fred Hickey, of Ford court. The freshmen officers will be attending meetings of the student senate and participating in its various activities.

In addition to the Freshmen representatives, members of the Austin Varsity Club elected Peter Joos, of Oxford road, to represent their club in the student senate.

Recently the Austin chapter of the National Honor Society elected its president and vice-president. President will be Charles Bayer, of Grosse Pointe boulevard; vice-president, Don Trybus, of Thorn-tree lane. As president of the National Honor Society, Bayer will attend meetings of the Student Senate as representative of the studies area.

The first big event of the year will be the annual Homecoming on Saturday, October 27. The game at Grosse Pointe South with De La Salle will be preceded by the homecoming parade featuring decorated cars, clowns and four floats.

In the evening, a Homecoming Dance will be held in the Austin Gym.

### Homecoming to Be Oct. 13

"Just You and Me" is the theme for North High's fourth annual Homecoming on Saturday, October 13.

The festivities will begin at 12:30 o'clock with a parade of floats and cars starting from Montleth School in Cook road, down to Morningside and from Morningside to North.

The football game against Lakeshore High School begins at 2 o'clock with the crowning of the Homecoming Queen and the presentation of her court highlighting half-time activities.

During halftime, North's Marching Band, conducted by Nathan C. Judson, will focus on "Heroes in Our Lives." The 72-member band will create formations, keeping in mind such heroes as Dad, Western and football personalities.

New to the group is the drum major and eight majorettes. Freshman court members are Cathy Anderson and Karla Krager. Representing the Sophomore class are Nancy Christensen and Beth Williams. Junior court members

The Homecoming Queen will be chosen from the three Senior court members. They are, Kirky Berns, Wendy Barr and Wendy Danforth.

The winning class and club floats and the winning car entry will also be announced at half-time.

An evening dance in North's cafeteria from 9 o'clock to midnight will end the festivities. The band "Westwind" will provide the music.

Alumni attending the dance are asked to bring their invitations to the door.

### Lake Level

(Continued from Page 1)

However, the lake level is such that there is still danger of flooding if a strong northeast wind should blow.

Dr. Frank Quinn, chief of the Lake Hydrologist Branch, issued a warning to residents that the lake level in November will be the same as last year, and although he cannot state for sure that there will be more flooding, all the elements will be there.

Park City Manager Robert Stone and Grosse Pointe City Manager Thomas Kressbach urged shoreline residents to check their dikes and sandbags, and to make repairs if

needed. More bags are available to replace those that have been damaged or have deteriorated, they said.

fellow.

Cigaretts are another cause of many fires. Be sure no one goes to bed smoking and falls asleep. Do not empty ashtrays in paper bags; if you must empty them at night, do so in an empty metal container and outside if possible.

If you are not sure of your home being fire safe, your own Fire Department will be more than pleased to send an experienced fireman to inspect and to instruct you in how to have a fire safe home.

The chiefs stated that they would like to cut fire losses of lives and property in their respective communities to zero, if possible.

A call to your Fire Department for an inspection could be a life-saver. Arrangements can be made for an inspection at the householder's convenience.

List the phone number of your respective Fire Departments among your emergency numbers to call, along with that of your Police Departments, doctors, etc.

These are the numbers to call in the Pointe: Park — Valley 2-6400; Farms — TUxedo 5-1000; City — 886-3200; Woods — 886-2700; and Shores — TUxedo 1-5500.

Form an "Alert Brigade" with your neighbors. "You keep an eye on my house and I'll keep an eye on yours," especially if you are planning to be away for any amount of time.

# instead of bankers hours.

We know you can't always get to the bank during bankers hours. So we did away with them. And came up with People Hours. People Hours are extra long hours. From 10:00 a.m. till 7:00 p.m. Monday, Thursday and Friday. They make it pretty convenient for you to do your banking. And that's not just for check-cashing. When our offices are open, they're open to handle our complete range of banking services. From loans to mortgages to savings accounts to checking accounts to everything. People Hours. They mean you can bank when you want to. Instead of when most bankers want you to.

"That's my bank"

If it weren't for our people, we'd be just another good bank.

People Hours start October 29th at these convenient offices: Gratiot at Pinewood • Mack at Lochmoor • Jefferson at Coplin Warren Avenue at Bishop • Kelly Road at Whittier • Sherwood near Outer Drive • Woodward at Manchester • Vernon Highway at Inglis • Seven Mile at Mackay

### is SUNDAY SCHOOL OUT-OF-DATE?

It's never out-of-date to understand God, and man, and the true nature of the universe. This understanding is what young people up to the age of 20 gain in our Sunday School. They're taught a warm and practical Christianity, and how to apply it to everyday problems. And as they study the Bible, together with Science and Health with Key to the Scriptures by Mary Baker Eddy, they're preparing to help solve the world's problems in the most forward-looking, fresh, and effective way. ### Career Education The Three 'R's' Plus

This article is the first in a series of articles describing career education opportunities in the Grosse Pointe School System.

Last January 1973, the Michigan Legislature passed a bill requiring local school districts to begin planning and implementing Career Education activities for the school year 1974-75.

Career Education is not just another course or a new textbook, rather it is a new concept for refocusing educational programs in order to respond effectively to the needs of today's modern world and the needs of our young people.

Career Education places an emphasis on the fundamentals of education: reading, writing, and arithmetic, plus helping each student develop an awareness of the multitude of careers available.

Students must be able to see clearly the relationship between their formal educational instruction and the reality of the world in which they live. Career Education seeks to make the existing curriculum, the basic educational subjects, meaningful and relevant for every student.

Confusion exists that Career Education is simply a fancy term for vocational education. Vocational education and skill developments do represent a vital element of the Career Education concept; but only one element.

Effective career development must be concerned with education for a person's entire life, a life with 168 hours weeks, not just 30 or 40 hours weeks. To this purpose, Career Education embraces the concept of education for our life roles; namely our economic life, our life as a member of a family, our life as a member of the large social group and, finally, our life role as an involved person with an avocation.

If we, indeed, view ourselves through how others perceive us, then the work we do, the family patterns we have, the civic functions we perform, and our leisure time activities reflect directly on us. To educate our young people with greater emphasis on any one particular life role would jeopardize the validity of career education efforts.

Clearly, the challenge of career education is developing an environment where students are learning to live, learning to learn, and learning to make a living.

Which of us hasn't wrestled with the personal dilemmas—how much to demand from life, how much to settle for, how to measure one's self against others. Perhaps Robert Browning strikes at the very heart of the Career Education concept, "A man's reach should exceed his grasp/or what's a heaven for?"

The next article will focus upon Career Education at the elementary school level.

### Cottage Thanks Its Volunteers

Over 6,465 hours of volunteer service were given to Cottage Hospital by 136 junior volunteers between June 18 and September 9, according to Ralph L. Wilgarde, Cottage administrator.

"This was a record summer," Mr. Wilgarde said. "Both the number of volunteers and the hours of service exceeded those of other years, and for the first time, the group included teenage boys as well as girls."

There were four male junior volunteers, one of whom gave 100 hours of service, he said.

For their dedicated work for the hospital, the junior volunteers were honored at a reception, which included their families and friends, at the Grosse Pointe War Memorial Thursday evening, September 27.

In a short ceremony arranged by Mrs. Patricia Clayton, director of volunteers, caps to match their red-and-white uniforms went to 22 girls who worked 100 hours or more; a Cottage Hospital key chain went to the young man who worked 100 hours, and other volunteers received teenage volunteer pins, lapel buttons, and chain guards.

The girls who received caps are: Karen Holmes, Annette Spadafore, Jackie Gorenflo, Cathy Klein, Cathy Moran, Melissa Landgraf, Leslie Gracia, Sara Leach, Laura Martin, Kathy Moyer, and Shirley Wojcik, all of Grosse Pointe. Volunteers from Harper Woods honored include Debbie Bem, Mary Ann Macudzinski and Patrice Va de Ven; from St. Clair Shores; Shannon Evans, Nancy Obrzut, Linda Shalhab, Melody Geniaw, Cindy Smith, and Joan Zielinski; and from Detroit, Judy Toutant and Layale Forest.

Pointer Timothy Pickering received the Cottage Hospital key chain.

Other junior volunteers honored were Carol Van de Voort, Lynn Bruneel, Paula Gray, Judy Nichols, and Karen Reppenhausen, of Harper Woods.

East Detroiters Carol Doerr, Vicki Zielinski, Kathy Freck, Terry Gregory, Valerie Bulgarelli, Liz Schornak, Andrea Bratt, Mary Thomas, Kathy Donigan and Paula Thomas are also distinguished junior volunteers.

St. Clair Shores volunteers cited were Rosemary Turckes, Anne Holler, Marcy Szymanski, Peggy Martin, Sue Thomas, Dawn Jackson, Linda Micallef, Gail Verlinda, Sherry Barnett, Lisa Bernard, Kathy Kucharek, Mary Anderson, Janet Bartlett, Shirley Grochocki, Mary McCloskey, Marilyn Radojchich, Diane Rancilio, Najiba Sam, Chris Sandomierski, Mary Beth Shinar, Janet Stuart, Cathy Zurek, Sarah Herman, Kathy Hughes, Sandra Hurley, Holly Thayer and Peter Sesan.

Three volunteers from Detroit, Celeste Conletti, Keith Fraska, and Susan Hutchinson, were recognized at the banquet.

And, finally, young Pointers honored were Martha Williams, Sarah Osetek, Michelle St. Denis, Wendy Althouse, Wendy Barr, Pat Bristol, Suzy Cehula, Melissa Cox, Denise Danielson, Betty Goldsberry, Rebecca Gresham, Jane Hendrickson, Louise Homfeld, Julie Johnson, Kathy Lucier, Peri Mavian, Carol Miller, Ann Moyer, Tami Nyeholt, Nancy Walker, Carol Westfeld, Cheryl Keith, Heidi Anderson, Andrea Dudzic, Mary Farrell, Sue Kane, Sue Leslie, Amy McGregor, Linda Phlypo, Lori Reed, Mary Rice, Ann Rose, Nancy Rose, Mary Saggau, Marlene Schmid, Elaine Schmidt, Jill Schoenherr, Sandy Setter, Diane Shepherd, Pat Shepherd, Cary Zijlstra, Libby Candler, Lynn Cudlip, Connie Bavinger, Tracy Tingley, Cheryl Craig, Sandie Jacobs, Debbie Jevons, Mary Lou Miszcak, Mimi Race, Hall Sargent, Carol Schumacher, Dena Shelton, Barboura Rourke, Cheryl Craig, Beth deWahl, Susan Hackman, Beverly Deman, Peggy Kahn, Linette LaChapella, Barbara Ameal.

### Police Professionalism Goal of Park Patrolman

Professionalism in police work is so important to a Park patrolman that he decided to do something about it. He organized the Michigan Professional Police Officers Association and police men from throughout the state are enrolling as members.

The officer, Patrolman Edward B. Serwach, who was elected as the Association's first president by the membership-at-large, is also the editor and publisher of the "The Michigan Police Officer," an informative magazine, to be published on a quarterly basis. The 1973 Autumn Issue, 10,000 copies, has already been printed and distributed to all law enforcement agencies and law enforcement administrators and members in the state.

The Association has been chartered by the Michigan State Legislature and has the backing of high state government officials, including Governor Milliken and Attorney General Frank Kelly. The governor was named as the first honorary member of the newly formed police group, which, it was stressed, is not a union.

Serwach, a dedicated policeman, is a senior at Wayne State University, where he majors in Police Administration.

The MPPA president said the magazine is published in the interest of those concerned with crime detection, crime prevention, youth delinquency control, and professional education for law enforcement officers in Michigan.

"The purpose of the Michigan Professional Police Association," Serwach emphasized, "is to keep the law enforcement agencies and administrators abreast of the rapid changes taking place in the profession through interpretations of the laws by the courts."

In his initial letter in the first publication of the Michigan Police Officer, Serwach noted that police officers are finding it increasingly necessary to readapt themselves as individuals and as members of their departments, and their communities to fit new roles and new situations and

serve these new functions. "But one thing which almost everyone in law enforcement agrees upon is that police officers must be professional," Serwach stated. "Everything possible must be done to upgrade their talents and skills and to improve their training and broaden their experience."

"It is our intention through the publication of the Michigan Police Officer to attempt to serve as a tool for keeping officers informed about what is new in law enforcement, about educational and training facilities, about technological advances geared to law enforcement and about changes in the conception of law and the enforcement of law."

The magazine, he added will attempt to provide the means of communication throughout the state, the exchange of ideas and information.

Support and encouragement regarding the Association not only came from Governor Milliken and Attorney General Kelly, but from Lieutenant Governor James Brickley, U.S. Senator Robert P. Griffin, a U.S. Congressman Lucien N. Nedzi.

Membership in the newly formed Association is snowballing: Letters from all over the state, including the Upper Peninsula, are pouring in, asking about more information regarding the organization and about joining. To date, the group has more than 200 members, with more membership applications being processed.

The group is open to four categories of members, with dues ranging from nothing (honorary) to \$15 for professional officers.

### Woods to Elect Council Nov. 6

Petitions have been filed by 13 persons for elective offices in The Woods. The city will hold the election on Tuesday, November 6.

Two men have put their hats in the mayor's ring: Marvin R. Boutin, past mayor pro tem, and Benjamin W. Pinkos, acting mayor.

Seeking four-year terms as councilmen are Kenneth W. Boerner, Jack C. Chilingirian, Judith Houseman, Ronald R. Keftgen, Conrad A. Naegel, Gregory Pischea and John Sabol. Three persons will be elected to the four-year terms.

Three persons, Rodger A. Graef, Joan M. Mullan and Philip Patanis have filed for two-year council terms. Two will be elected.

There is only one candidate for Woods municipal judge, J. Patrick Denis. Judge Denis is presently serving in this capacity.

### Farms Officer Leaves Force

Farms Patrolman Guy Lyford, 49, of 285 Ridgemont, has left the Police Department after being with the force 25 years and three months. His last day of work was Thursday, October 4, but he will remain on the payroll until October 28, on which date his retirement will become official.

Police Chief Robert Ferber expressed regret regarding Lyford's retirement, stating that the department has lost a good and dedicated police officer.

The chief pointed out that Lyford was among one of the few policemen on the force who are under the old retirement-pension system, under which they can retire after 25 years of service.

Lyford was appointed a probationary patrolman on June 7, 1948. He was born and raised in the Pointe and is a 1942 graduate of St. Paul High School.

He is married to the former Mary Jane Appleman of Detroit. They are the parents of Martha Ellen, 16, a sophomore at Grosse Pointe South High School; Guy, Jr., 11; Mary Ann, 9; and Sarah Jane, 8, all students at Kerby School.

Members of the department attended a private party at the Skate Shack of the Country Club of Detroit, in honor of the retiree.

Among those who attended to pay tribute were the following retired police officers of the Farms Police Department: former Chief James Furton; former Lt. Vern Sylvester; former Sgt. Thomas Jarrett; and former Patrolmen Pete LaPonsa, Harold Beaupre and Frank Kerbrat.

Lyford, who learned the tool and die trade while serving as a police officer, engaged in the work during his off-duty time with the permission of his superiors.

## Summer's over, but not the fun Out of yesteryear, comes our century-old Iron Horse

The steam is still up daily, and the Torch Lake, our historic old locomotive, is waiting to puff and chug your family back into a quieter century.  
 On weekends the sternwheeler Suwanee steams around the peaceful lagoon, and Model T's and carriages will drive you down uncrowded streets.  
 As autumn color creeps across this fascinating history town, give in to those tugs from the past. More than 45 buildings and homes, most with hostesses on duty or crafts people at work, are still open. Let your youngsters feel the presence of famous Americans like Abe Lincoln, Tom Edison, Stephen Foster and Henry Ford. They can actually stand in the very buildings where these men lived and worked!  
 If the weather turns, there's a fascinating new world of old objects in adjacent Henry Ford Museum—a day's worth and then some. It's all just minutes away in Dearborn.

Barons Blast Denby Bulldogs

On Saturday, October 7, the Grosse Pointe Red Barons battled the Denby Bulldogs on Hellmann Field. In the freshman contest, the Red Barons whitewashed their opponents, 13-0, with Chick Steepe scoring two TDs and the defense yielding only one first down.

At the Junior Varsity level, John Stewart gained two TD's, and John Heidt and Mike Seagram each scored one TD to lead their team to a 27-0 win. Stewart's second TD was set up by a 40-yard pass from Tom Cavanaugh to Dean Daughnais. Tom Shook and Pat Day each intercepted a pass. Mike Smith, Steve Annas and Paul Eaves played a strong defensive game.

The Varsity, behind the strong running of John Brucia, Bob Brown, John Long, John Carey, Bob Baker and Carl Tech, powered their way to a 39-6 triumph. The defense came alive in the second half to thwart the Bulldogs' scoring effort.

Head coach Warner Lueckhoff said after the game, "The offensive line played extremely well and the backs unselfishly blocked for each other in a true team victory."

The Red Baron Reds and Red Baron Whites renewed their yearly rivalry on Saturday, October 6, in a hard-fought struggle that ended in a 6-6 tie. Ray Chown netted the Reds' TD, and John Bautista scored for the Whites.

Jaycee Wives To Hold Fair

"Rub Aladdin's Lamp" will be the title of the Grosse Pointe Jaycee Auxiliary's first craft fair. The event will be held on Saturday, October 13, from 10 a.m. to 4 p.m. at the Grosse Pointe War Memorial.

A variety of items will be offered at several booths. A children's corner will offer stuffed animals, dresses and decorated hangers.

Items for the home include paper tote objects, pillows and dried flower arrangements. Personal items such as cloth purses and needle-point eye glass cases will also be for sale. Holiday decorations including ornaments and table trees will be featured in the Christmas booth.

The Craft Fair committee members are: Mrs. John Brewster, Mrs. David King, Mrs. George Firmschild, Mrs. Gilbert Finger and Mrs. Greg Wheeler.

Proceeds from the sale will be divided among three charities: The Michigan Association for Emotionally Disturbed Children, The Spaulding Home for Children and The Grosse Pointe Association for Retarded Children.

The friends that promises bring will not last long when excuses replace fulfillment.

Movie-TV Council Invites Pointers to Hear Speaker

The director of the Theater Arts Program for the Detroit Institute of Arts, Elliott Wilhelm, will be the featured speaker at the opening meeting of the Grosse Pointe Motion Picture and TV Council. He will discuss theater attractions at the Art Institute, alerting all to the opportunity for fine theater in the metropolitan area.

Mr. Wilhelm will speak on Monday, October 15, at 1 p.m., at the Central Library (upstairs) on Kercheval and Fisher. Following his talk, the Council will hold a brief meeting, introducing new delegates.

The public is invited to come to the program.

The Council, which began in 1933 sponsored by the PTA, is a group of some 65 members representing Pointe schools, churches, and organizations. They are affiliates of the national Federation of Motion Picture Councils, Inc. drawing together similar conclaves from all over the U. S. Their purpose is stated as follows:

"Recognizing the influence of motion pictures and television upon the social and moral life of our nation, we are organized: (1.) To stimulate interest in the showing of better films in our community; (2.) To encourage better television programs beamed into our homes; (3.)

NH, SH Keep On Truckin'

North and South High did it again this past weekend by taking their fourth games in a row. On Friday, October 5, the Norsemen shut out Roseville Brablec with the smearing score 50-0, while the Blue Devils kept their record clean on Saturday, October 6, with an 8-7 win against Sterling Heights Stevenson.

At halftime, Stevenson had a 7-0 lead over South. In the final quarter, Mark Isley gained a TD for the Blue Devils on a one-yard burst, and Paul Monaghan ran the critical two-point conversion.

Meanwhile, North blasted Brablec for 21 points in the first quarter and added 23 in the second period. The Norsemen left Brablec defenseless for their fourth game in its comeback from a millage defeat which cancelled their 1972 season.

Senior quarterback John Puelo threw scoring passes of 31, 47 and 17 yards to Bob Beyer, and another TD pass of 49 yards to Bob Uppleger. Puelo netted his own TD on a 17-yard run.

Gary Meyer scored on a 66-yard burst, Fritz Lehmann on a five-yard sprint and Steve Gregson kicked six extra points. The Norsemen also gained two points on a safety.

NOMINATED James H. Quello of Berkshire road, has been nominated by President Nixon to fill a vacancy on the Federal Communications Commission. Quello is presently a management executive for WJR radio and served for many years on the Detroit Housing Commission. Congressman Lucien Nedzi has said he will testify in support of Mr. Quello's nomination. The position is subject to Senate confirmation.

Arrest Pointer As Tax Evader

A Woods man was indicted Thursday, October 4, by a federal grand jury in Detroit on charges of willfully trying to avoid income taxes on nearly \$300,000 over three years.

Theodore A. Pappas, 43, of 1059 North Brys, was charged with three counts of evading taxes from 1969 to 1971. The maximum penalty for each count is five years in jail and a \$10,000 fine.

Pappas was formerly employed as a supervisory electrical engineer in the Ford Motor Company emission testing laboratories. The U.S. attorney's office in Detroit said Pappas also conducted an outside business that sold parts to Ford.

IRS agents conducted the investigation that led to the indictment.

Lions Tie One, Lose Others

The Grosse Pointe Lions hosted the Sterling Heights Chargers at Elworthy Field last Sunday, October 7. The Lions one tie and two losses failed to dampen the enthusiasm of the large crowd.

The Varsity was tied by the Chargers 6-6. While it appeared to be a defensive struggle, head coach John Chiodine noted that the offensive line played a fine game. The only Sterling Heights score came on a four-yard plunge in the third quarter. The Lions countered with a scoring run of 50 yards in the next series.

Finding themselves in a defensive struggle, the Junior Varsity lost 7-2. It took the Chargers ten plays from within the 18-yardline before they could manage their score. The Lions defense forced a safety late in the game.

Meanwhile, the Grosse Pointe Freshman team lost 24-0 at the Chargers put on an offensive show. Sterling Heights scored on runs of 32 and 2 yards in the first half, and 22 and 3 yards in the second half.

The next games will be at 6 p.m. on Saturday, October 13, against the Sterling Heights Vikings at their field.

### Drainage Poses Problem At Lochmoor Golf Course

Lochmoor Club and The Woods recently locked horns over who is to blame for the less-than-great state of the club's golf course. In the September newsletter to its members, the club's board of directors wrote that drainage was the course's number one problem, and that the recent Vernier road widening aggravated the problem.

The newsletter said: "The city (The Woods) and the two utility companies have blamed each other for the situation and to date we have been unable to resolve this problem."  
City Administrator Chester E. Petersen, on behalf of The Woods, took issue with that statement, saying that it was totally false and unfounded. Besides resenting the inference that The Woods was trying to pass off the blame, Mr. Petersen pointed out that the Michigan State Highway Department has full jurisdiction over Vernier road.

The city official also mentioned The Woods repeated suggestions to the club on how to improve the drainage situation.

After receiving the letter, Thomas F. Russell, president

of Lochmoor, expressed his regrets concerning the wording of the newsletter. He said that they should have written that the club is "unable to specifically determine who is to blame for the situation." He mentioned the club's frustration in trying to find solutions to the golf course's many problems.

Every golf course will have the best of years, and the worst of years. However, for Lochmoor last year it was definitely the worst of years. For one thing, Mother Nature did not co-operate at all. It was an extremely wet Fall 1972 and Spring 1973 when it rained 34 out of 37 days. There were three torrential rains within seven days in the latter part of June.

Drainage has been singled out as the foremost problem of the golf course. Much of the in-take problem was due to the worn-out equipment installed in 1934. The newsletter reported that leaking valves have overloaded the ponds making the surrounding areas a "quagmire." This equipment is scheduled to be replaced in the fall when it is safe to cut off the water.

Plans are on the boards for a new sprinkling system. Through August 27, 1973, the club repaired 27 breaks which required an average of six man-days each to complete.

The club is also in the process of planning a new drainage system. Since the Milk River Drain System runs directly under the Lochmoor course, the club might tap into existing drains flowing into that system.

Club officials are still conferring with representatives of the Wayne State Drain Commission to see how the widening of Vernier road affected the golf course.

At least Lochmoor members know that improving the golf course has been given top priority by the club's board of directors.

### U-LS Dumps Hamtramck

University-Liggett School and Hamtramck clashed on Friday, October 5, but it proved to be no contest as University-Liggett trounced Hamtramck, 38 to 16.

Senior Hank Finkenstaedt and senior quarterback Dave Peters powered the team to the victory which boosted their conference standing to 2-1.

Finkenstaedt rushed for 87 yards in eight carries, scored twice and ran for a two-point conversion. Peters threw one touchdown pass and ran for another, and completed seven of 12 passes for 172 yards.

University-Liggett opened the scoring in the first quarter with Joe Carolan returning a fumble 28 yards. A 74-yard scoring run by Whit Boyd and a 72-yard touchdown pass play to Finkenstaedt highlighted the game.

### Center Offers Night Courses

The Grosse Pointe War Memorial is offering two evening courses this fall, beginning Italian and Life Sculpture.

The Italian class will be held Thursday evenings from 7:30 to 9:30 o'clock beginning October 18 and continuing through January 10. The instructor will be Paul Recchia who is a member of the Wayne State University faculty and has taught at the Sorbonne and the University of Rome.

The fee for the ten-week course is \$60. Hungarian-born sculptor Frank Varga will teach the life sculpture class on Thursday evenings from 8 to 10 o'clock beginning October 18 and continuing through January 10.

Students will work in clay and all supplies and necessary tools will be provided at cost. A life model will also be provided.

The fee for the ten-week course is \$40 and the Center asks for advance registration.

### GP Blues Open with Two Wins

The Grosse Pointe Blues, the Grosse Pointe Hockey Association's Squirt Open Travel Hockey Team opened their season this past week with two victories.

The Blues, the top team of nine and ten year-olds from Grosse Pointe are entered in the Michigan Open League. In addition to the league schedule, the team will play exhibition games with the top Michigan Squirt teams and enter several tournaments.

Stewart McLaren is the head coach and is assisted by Ed Brady and Don Hiles who also serves as manager.

The boys who make up the team are Erich Avedisian, Phil Brykalski, Bob Brykalski, Mike Eugenio, Mike Fredal, Don Hiles, Gary Lewis, Tim Luzadre, Pat McKee, John Mueller, Scott Seaver, Tom Smith, Paul Treder, Steve Valice.

Bob Brykalski was elected Captain of the team. Mike Fredal and Scott Seaver were elected assistant Captains.

The Blues posted victories over Sterling Heights 6-4 and Livonia 7-0 in their first two games. In the Sterling Heights victory, Scott Seaver scored the hat trick, Mike Fredal scored two goals and John Mueller one. Scott Seaver and Mike Fredal each scored two goals in the Livonia triumph with Don Hiles, Tom Smith and Bob Brykalski each collecting one.

### Judge Speer Is Kept Busy

Park Municipal Judge William E. Speer heard a total of 213 traffic cases, four State matters and two civil suits during the month of September.

According to court records, the judge assessed fines and court costs against 131 persons, which amounted to \$2,486.

Of the number of cases heard, eight persons were found not guilty; 14 were placed on probation; 14 had their operator's licenses suspended for varied periods of time; and two persons convicted of violations were ordered to attend four sessions of traffic school.

In addition, four violators were given jail terms; nine were handed suspended sentences; and no complaints were taken against five who had been charged.

Judge Speer signed warrants for the arrests of 97 citizens who failed to appear in his court in answer to summonses.

In addition, the judge issued six capias warrants (writs ordering an officer to take persons into custody).

Salvation Light To Shine Dec. 8

At the last regular meeting of The Woods Council, Monday, October 1, the members voiced no objection to Salvation Army Harbor Light conducting its annual sale of Christmas War Cry Magazine.

Teacher Contracts

(Continued from Page 1)

He also mentioned the marathon 12-hour bargaining session on Friday, September 21, when settlement seemed so close that State Mediator Leon Cornfield left the meeting.

"We held the mistaken notion that \$127,000 in new monies had been placed on the table. We were truly amazed to discover that the new monies were indeed monies already earmarked for professional growth, longevity, and extra pay for extra duty," Mr. Lord said.

Mr. Lord also pointed out that Grosse Pointe teachers will no longer be the highest paid teachers in the metropolitan area and that there had been no improvement in fringe benefits in six years.

In closing his remarks, Mr. Lord asked, "One has to inquire into the matter of how long will Grosse Pointe educators continue to offer their services without the protection of a Master Agreement?"

Board Remains Firm The Board, represented in negotiations by Lawrence F. Kennedy and William O'Connor, continues to stress that the teachers salary demands, over a three-year period, will total \$2,370,000.

"We estimate the demands would cost \$2,500,000 because the GPEA has not included

monies we would have to pay for professional growth, additional and enlarged longevity increments, and enlarged extra-pay-for-extra-duty stipends. Based on this more realistic cost, the GPEA would receive 25.8 percent over the three-year period or an average of 8.6 percent, well beyond anyone's wildest estimate of what cost of living increases will be," Mr. Kennedy said.

"In 1971-72 and in 1972-73, salary schedules were improved 14.7 percent. To that must be added about 3 percent plus of payroll for other costs such as step increases, improved longevity, and professional growth. Thus, an average increase each of the past two years of 8.9 percent has been paid. Again, this is far more than the cost of living increase."

In regard to the charge that Grosse Pointe teachers will no longer be the best paid in the Metropolitan area, Mr. O'Connor commented, "Our salary schedule as well as our average or median salary were all well out in front of those of any other Michigan school district. We could stand pat on our last year's salary schedule for 1973-74 and demonstrate that our teachers will have been paid more in the three-year period beginning in 1971-72 and running through 1973-74 than a comparably trained and experienced teacher will be paid elsewhere in the state."

Present Situation The Board's last economic proposal to the GPEA totaled \$1,455,913. First year monies equal \$240,000 or 2.5 percent of payroll. The second and third year increases are 5.5 and 6.4 percent respectively.

Both parties are now in fact-finding, when each side presents its case and tries to justify its demands before a State representative. The official, Leon Herman, is expected to make a recommendation at the end of the month. The recommendation will not be binding on either party.

Both groups, the Board and GPEA, repeatedly state that they are bargaining in good faith, and suggest that the other party is being unreasonable. It's hoped that Mr. Herman's recommendations will bring the two groups closer to settlement.

Center Names New Officers

The new officers of the Grosse Pointe War Memorial Association were elected at a special Board of Directors meeting that followed the Association's 25th Annual Dinner meeting last Wednesday, October 3.

The new officers, who will serve for one year, are: Edward J. Hickey III, President; John E. Park, 1st Vice President; William D. Dahlings, 2nd Vice President; Mrs. Thomas W. Baumgarten, Secretary; Mrs. William H. Klingbeil, Assistant Secretary; Frederick C. Ford, Jr., Treasurer and Harry C. Van Wormer, Assistant Treasurer.

Three new Directors elected to the Board are Mrs. Albert C. Dickson, James T. Farley and William B. Krag.

The more than 200 members of the Association were entertained by the Grosse Pointe Theatre which presented song and dance numbers from the twenties.

The retiring President of the Association, Martin C. Oetting, thanked the Board and Staff for their support and cited the growth of the Center. In 1951, 327 groups comprising 34,660 people used the Center, while in 1973, 2,100 groups including 228,000 people used its facilities and attended its activities.

Mr. Oetting also commended the members of the community who came to the Center's rescue during two severe winter storms that smashed the Center's seawall and flooded Fries Auditorium.

The Treasurer's report, presented by Mr. Park, showed the Center's cash position to be poorer than in previous years due to the outlay for flood control. The Center was able to break even for fiscal year 1972-73, however, because of generous contributions and a small government loan.

Alexander Wiener, chairman of the Family Participation Drives, reported that so far this year, \$133,598 has been donated by 6,648 families.

John K. Roney, chairman of the Center's Investment Committee, said that although it has been a difficult year in the market, the Center's portfolio has survived well both in terms of income and market value.

Killing time is just another form of success-suicide. Every day looks black to figure a way to get out of the man who is trying to the red.

Ferry Parents To Meet Oct. 11

The Ferry School P.T.A. will hold an Open House for elementary school parents in the gymnasium on Thursday, October 11, at 7:30 p.m.

Special guests at the business meeting, which will precede room visitation, will be Tim Lozen, new director of Environmental Action Now, and Tom Candler of the new Volunteer Awards Program.

Injury Brings Suit in Woods

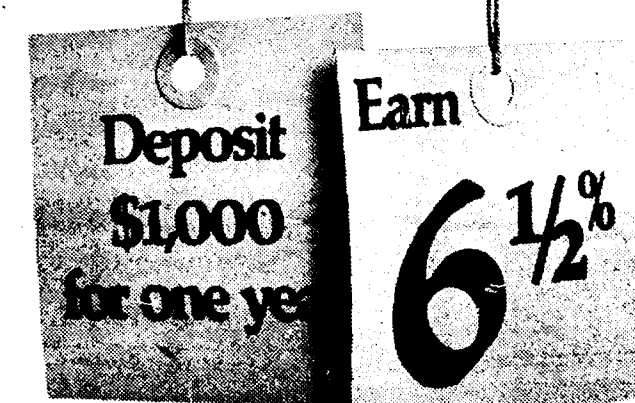

The Woods has received formal notice that Mrs. Ina B. Harley, of Harper Woods, intends to bring a law suit against the city for injuries she received July 29, 1973, outside Wrigley's Supermarket, 19231 Mack avenue.

Her attorney reported that Mrs. Harley was walking on the ramp from the sidewalk to the parking area just outside the west doors at 6 p.m. when she tripped over a broken portion of the walkway. As a result, she fractured her leg and sustained bruises, strained muscles and other injuries.

According to Mrs. Harley, there were no signs or barricades warning of the dangerous condition. She is seeking a settlement of her expenses and damages resulting from the accident.

The feature Sarah Klein likes most about her new Gas dryer doesn't even use Gas.

In fact, it helps her conserve Gas. It's her permanent press cycle. Ten minutes of nothing but fresh, fluffing air on her permanent press clothes—to keep the wrinkles from setting in. This saves Sarah all kinds of ironing, all kinds of Gas, and all kinds of money. No wonder it's her favorite feature.

But there's much more to appreciate in today's modern Gas dryers. Improved insulation and more precise controls mean even less fuel consumed, and even more money saved. And a Gas dryer operates for about one-fourth the cost of operating an electric one.

So, when you think about replacing your old dryer, think about a new Gas dryer with the permanent press cycle and other money-saving features. Various size models are now on display at Gas appliance dealers and Michigan Consolidated Gas Company showrooms.

And, whether you purchase a new dryer or use your present one, here are a few good tips for increasing its operating efficiency: (1) Keep the dryer's lint filter clean. (2) Avoid overdrying your clothing. (3) Keep the dryer's flue clear of lint accumulations. (4) Don't forget to follow the manufacturer's proper operating instructions.

Ed Maliszewski  
Carpeting

Wall painting is coming back this time with an additional flare. At one point, in the last third of the 18th century, it was the style of interior decoration to paint one's walls with murals. These paintings often consisted of scenes from nature; although later, geometric designs became the style. Today, you can paint your own thing whether it is a scene or a design straight out of a modern painting. And when you are tired of it, just paint over it with today's extra-cover paints!

Why not try something a little different—carpet your walls. At ED MALISZEWSKI CARPETING, 21435 Mack, St. Clair Shores, 776-5510, we have a fine array of carpets to choose from: Lees, Mohawk, and Barwick to name a few. We also handle all kinds of domestic and imported area rugs including genuine fur and oriental rugs. Visit our showroom Tues., Wed., Sat., 9:30-6:00, and Mon., Thurs., and Fri. evenings until 9:00. Convenient terms arranged.

**Brys Residents Putt 'n Picnic**

A good time was had by all on Saturday, September 8, when residents of Brys drive held their annual golf tournament and picnic. Men from the Mack avenue to Helen avenue Brys group played a championship match in the morning and then turned in their club to join their families at the Woods Park for a pot-luck supper.

The outing was highlighted by an awards presentation emceed by Burlie Arnold. He gave away four prizes in all. Joe Van Tien took the trophy for the lowest score under the handicap system, and Gene Arnold, playing without a handicap, was the day's low grosser. Ben Montrose came closest to hitting a hole-in-one, and Frank Grabner was awarded the booby prize.

**Flashing Light Attracts Police**

Two youths, one from Detroit and the other from Grosse Pointe, learned the hard way that flashing blue lights belong on police cars only.

City Police Officers Miller and Pryor arrested Ronald Machiniak, of 5264 Gateshead, Detroit, and John Ferdinand, of 409 Hillcrest road on Saturday night, October 6, after they spotted the pair driving in a 1971 Plymouth with a blue oscillating light on top.

Ferdinand and Machiniak were first observed going north through the intersection at Kercheval avenue and Lincoln road. Officers followed the pair until they backed into a driveway where police blocked their way. When ordered out of the car, Ferdinand complied, but Machiniak leaned over as if trying to hide something under the front seat. When both admitted they were not police officers, they were placed under arrest and searched. Ferdinand gave Officer Miller a hard time during the search, saying he had a gun in his pocket. No gun was found. Machiniak said the car was his, but that he had no registration with him. When police searched the car, they found the flashing light under the seat.

**PWP to Host Panel Friday**

Grosse Pointe Chapter of Parents Without Partners will have its general meeting Friday, October 12, at the Grosse Pointe War Memorial, 32 Lakeshore drive.

There will be a panel discussion, "Finding Yourself in a Single World". The panel will consist of chapter members, a widow, widower, divorced and a divorcee. Coffee will be served at 7:30. The business meeting and panel discussion will begin at 8:30. Any person who is a parent and single is eligible for membership and is invited to attend the general meetings and to find out about the many activities for single parents and their children.

**Puppets Guild Sets Workshop**

"The Lively Art of Puppetry," a day-long workshop in puppet construction and puppet play production is being offered by the Detroit Puppets Guild on Saturday, October 13. The workshops, which are open to the public, will be of special interest to teachers, librarians, group workers and anyone who is interested in learning more about puppetry.

An exhibit of puppets by members of the Guild and a "Little Corner Puppet Store" offering scripts, controls and puppets are also being planned for the day. The workshop will be held at the Handicapped Center of the Detroit Department of Parks and Recreation, at Lenox and the Detroit River. More information may be obtained by calling Nancy Henk, workshop chairman, at 224-1199.

**Detroit Zoos Change Hours**

The occupants of the Detroit Zoo have been placed on a five-day schedule, giving them two days off. "The animals have had a busy summer so we'll let them take things easy during the fall, winter and spring seasons," said Dr. Robert Willson, Zoo Director.

However, the Holden Museum of Living Reptiles, the Great Ape Exhibit, the bird exhibit and the bear exhibit are a few of the attractions that may be enjoyed year-round. Zoo hours are 10 a.m. to 5 p.m.

Admission to the Zoo is 50 cents for persons 13 and older, 25 cents for those six to 12 and free to children under six. Everyone is admitted free of charge on Fridays.

The Zoo parking lot fee is \$1 Fridays, \$2 other days. The \$2 fee includes admission to the Zoo for all occupants of the vehicle.

The Children's Zoo on Belle Isle is closed for the season until next May.

The Belle Isle Aquarium is open year-round from 10 a.m. to 6 p.m., seven days a week. There is no admission charge.

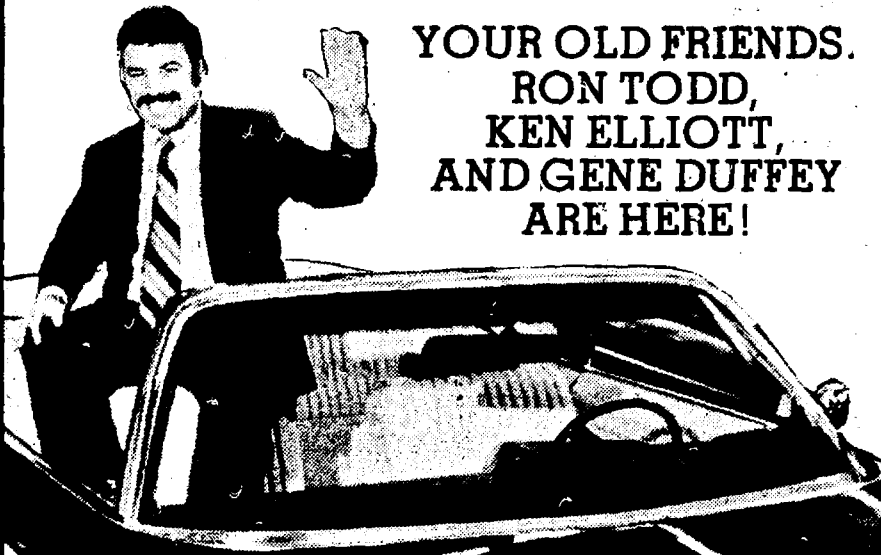

Further information may be obtained by calling the Zoo office at 398-0900, or the Department of Parks and Recreation at 224-1100.

I BET YOU DIDN'T KNOW Brought to you by TED EWALD Here's an interesting question...

Can you guess which man has played in more World Series games than anyone else in history? Answer is Yogi Berra...

What was the strangest World Series ever played? How about the one in 1960? Did you know in that Series the Yankees scored 55 runs to the Pirates only 27, yet the Pirates won the Series four games to three!

Could you imagine the manager of a pennant-winning baseball team saying he didn't want his team to play in the World Series? Did you know such a thing once happened? It was in 1904...

Here's a strange one. Ty Cobb and Babe Ruth hold many baseball records separately, but here's one record they held jointly...

Job Openings Aiding Elderly

If you are looking for a temporary or part-time job with convenient hours and simple duties, there may be an opening right in your own neighborhood.

Many elderly persons and others temporarily incapacitated due to illness are in need of individuals to do simple chores such as preparing an evening meal, tidying a house or perhaps staying overnight. These are among the paid part-time and temporary jobs available by calling the Neighborhood Employment Service at 823-5900 or 823-4811.

The Neighborhood Employment Service was established jointly by Well Being Service for Aging and Michigan Employment Security Commission. The office is open Monday through Friday, 8:30 a.m. to 4:00 p.m. and is located at 904 Chalmers at the corner of East Jefferson Avenue, Detroit.

Fast Thief Gets Jump on Sales

It's hard to believe, but some bandito made off with 230 copies of the Detroit Shopping News Wednesday evening, October 3.

The paperboy, Karl Bengtson, of 1822 Stanhope, reported to Woods police that he was delivering the newspapers in the neighborhood of Broadstone and Bramcaster.

At one house, he left his wagon, containing the newspapers, and delivered a paper. When he returned to his wagon, all 230 papers were missing.

The youth did not see any persons in the area.

## Transcendental Meditation Gains Pointers' Support

By Kathy Duff

It started out as a curiosity. Several Pointers were trying this new thing called transcendental meditation. At most, people thought that it might be a good way to relax for short periods during the day. At worst, people thought that their friends had flipped out and were seeking some type of "drugless high."

Now, a few years later, transcendental meditation can no longer be considered a passing fad in the community. For the past year, at least one course a month has been offered at the Grosse Pointe War Memorial or in some private residence.

Moreover, the practice is drawing advocates from all sectors of the community, and not just the young; the students, who are traditionally drawn to new ways to expand their experiences. It's estimated that over 400 Pointers practice meditation every day.

At the beginning of the summer, the NEWS interviewed four persons who strongly believe that the practice of transcendental meditation, or TM, is a good thing. We selected a couple, Mr. and Mrs. John D. Fife, of Bishop road; a business woman who also has a family and a full social life, Mrs. William J. Champion, of Beverly road; and a South High School student, Kevin C. Lee, of Yorkshire road, to discuss their views of TM.

All agreed that they seem to have more energy and fewer frayed nerves after learning how to meditate and to practice TM twice a day. Both men noted an increase in their efficiency.

Commenting on her experience, Mrs. John D. Fife, (Nancy) said that she meditates for 20 minutes in the morning and in late afternoon, before periods of activity.

"We were introduced to TM through business associates of my husband's. We attended the introductory sessions at the War Memorial and then signed up for the course. My first impression was that I couldn't imagine a more diversified group in Grosse Pointe at the lecture. Every type was there, from high school students to businessmen.

"I didn't really know if I wanted to continue the course after the introductory lectures. However, I realized as I discussed the lectures with my friends that I was very interested and wanted to learn how to meditate."

After the two introductory lectures, the Fifes attended weekend sessions at the War Memorial where they were personally taught how to meditate by certified TM instructors.

Both Mr. and Mrs. Fife have a full schedule. Mrs. Fife has a heavy load of volunteer responsibilities in addition to caring for her four children and maintaining the family home.

"I find that I now look at my problems with greater clarity. When you meditate, you don't sit down and try to think about your problems, you just let your thoughts come and go. Occasionally, something will pop into my head which I haven't thought about in 20 years."

"I meditate before periods of prolonged activity. At first, when I meditated, I had a definite physical sensation. That feeling lessens off,

and I now feel a state of deep rest. That feeling of rest, of calmness, carries over to active periods of the day."

Mr. Fife's schedule is quite different from his wife's. As a distributor of abrasives and cutting tools, he feels that TM has helped him professionally as well as personally.

"I find that my ability to concentrate is greater. I sometimes would get up at 4 or 5 a.m. to get in a few extra hours of work. I now find that I have to spend less hours on the job as my concentration is so much greater."

"I also find that it has helped me to be more relaxed. My tolerance has gone up about 400 points. This helps when you are running your own business and have to be sensitive to your employees. It also helps at home, my kids say that I am much more relaxed.

"My oldest son, John, and several of my business associates decided to take the course because they have been impressed with what it has done for me."

Mr. Fife is sold on TM. He feels that anyone who wishes to improve their ability to concentrate and to cope with life's pressures would benefit from TM.

Mrs. William Champion presents another "type" who started practicing TM. As the mother of seven children and a full-time real estate broker, she has a demanding schedule.

"Through my business, I met Andree and Lew Leonard. They persuaded me to try TM. They held the introductory lectures at my house with a group of about 18 of us.

"At first, I was very skeptical. However, since my life is so busy, I thought that anything which could make me relax twice a day couldn't be all bad."

After she learned the process of meditating, Mrs. Champion said that she noticed a perceptible slowing of her respiration rate and pulse rate. She also felt that she was not tense during the day.

"My only problem is that I still find it difficult to find time to meditate. I try to meditate the first thing in the morning and immediately after I get home after work."

Another person who took up TM last year spring was Kevin C. Lee, a student at South High School. Kevin has since graduated from South and is now attending Macomb Community College in addition to working on a part-time job.

"I read an article in the newspaper on TM. It called TM a 'drugless high.' Soon afterwards, in my journalism class at South, an assignment on TM came up. I signed up to write the article. Later, I took the course at the War Memorial and I have been meditating since then."

Kevin echoed Mrs. Fife's description of the thought process occurring during meditation. He said that he never tried to think of specific problems or the day's activities, that he just let the thoughts come.

"I find that I have more energy now. I used to fight to stay awake in class, and now I don't have that problem. I also find that I can handle myself better in tight situations."

An often voiced complaint of TM is that the advocates are secretive about the practice. It's well known that meditators will not reveal their mantra, or the word given to them by their TM instructor. And it's difficult to articulate the feeling a person gets while meditating. They are often asked to describe the experience by people who want to know as much as possible before signing up for TM lectures. All of the Pointers inter-

viewed agreed that it is difficult to describe the exact experience. Kevin said that there was no way he could describe it. He said that it was like trying to describe how good an orange tasted to a person who has never eaten an orange. Most agreed that meditation was a very

relaxed, calm period when disassociated thoughts passed through their minds.

However, what's important is that TM is working for a growing number of Pointers. Anyone interested in learning more about TM should contact Andree or Lew Leonard at 882-7211.

**Little Old Lady Splits Scene**

Some little old ladies are not as sweet and gentle as they are supposed to be. The Woods police received the following report from a man on Friday, September 28. He was driving down Mack avenue Friday night when his car was hit in the left rear by a dark blue car. Both drivers pulled into the

near-by Big Boy Restaurant. After talking to the driver of the blue car, an older woman, the man went into the restaurant to contact the police and make an accident report. At this point, the woman drove out of the parking lot. The 33-year-old East Detroit man estimates car damage at \$75.

**Float Builders Steal Lumber**

Shores Sergeant Otulakowski was on routine patrol Friday night, September 28, when he noticed several pieces of lumber lying beside two cars parked near Ballantyne and Briarcliff drive. A 16-year-old youth, returning to his car, noticed the police officer and admitted that he, along with five friends, was stealing lumber for a float for Austin Preparatory School.

west of 65 South Duval. Later that night, the 16-year-old and his five friends were taken to the Shores Police Station. They were warned of similar practices in the future, but no criminal charges were brought against them.

Since the youths could not get the lumber donated, they decided to steal some, according to the 16-year-old. They picked as their target a house under construction

**Police Arrest Errant Driver**

While on routine patrol, Woods officers noticed a blue Buick driving south on Mack avenue Tuesday morning, September 25. The vehicle would periodically slow to speeds around 5 m.p.h. and was straddling two lanes. Stopping the car, the police questioned Shirley Ruth Galvin, of 1044 Helen, Detroit, who admitted that she had never acquired a driver's license. She also could not produce the car's registration. At the Woods police station, a call was made to the owner of the car who said that she knew the driver. After the woman posted a \$25 bond, a court date of Wednesday, October 24,

**City's Firemen Inspect Homes**

October is fire prevention month and in keeping with this, Grosse Pointe City Firemen are on the road this week and the next, offering their services to residents who want them.

Firemen go from door-to-door asking homeowners if they want a fire inspection. They check only the homes of people who say they want the service, and no violations are issued at this time.

"We just want to bring possible fire hazards to people's attention," said Fire Chief Marshall, "and we'd like to discuss some escape routes they could use in case of fire."

It is completely up to residents to decide whether they want the inspection or not, but all are urged to take advantage of this yearly service.

**Lumber Stolen At Jacobson's**

A cement contractor, working at Jacobson's, complained to City police that some wood was stolen from the parking lot behind the building on Saturday, September 22, around noon.

Gary Toffoli told City Police he left four one-by-six inch boards and one piece of eight-by-two and a half foot plywood in the parking area while he went to lay cement inside the Jacobson's building. When he returned, the wood, valued at \$15, was missing.

Letters to the Editor

Dear Grosse Pointe News: I am a sophomore at Grosse Pointe North and this is my outlook on the school drug scene. It is somewhere between Officer John Kendall's and "A Concerned Parent's" letter. Yes, the level of heroin abuse in Grosse Pointe has declined rapidly and it may be now nonexistent. Use of weed, however, is still here. Unfortunately, the worst drug of them all, alcohol, has increased markedly. Although it is difficult to believe, alcohol is the most dangerous drug to society and man himself. It was declared this by Nixon's committee on drug abuse. Heroin, on the other hand, has never been proven to be anything but addicting, expensive and very low-grade. Officer Kendall said, a "vast majority" of students are worthy of support and praise. But don't forget that the vast majority might be secret dopers. At North, I personally know people who do dope and are in the school band, choir, athletic program, on the school paper staff, and in the National Honor Society. I myself am involved in the choir. The Official Report of the National Commission on Marijuana and Drug Abuse said that students who use weed are average or above students. I myself have a 3.3 average. They might have only caught 2 percent of the students with dope but a survey taken in Choir showed that students believed 80 to 95

percent of the student body had tried weed at one time. I know only two students at North who haven't tried weed at least once. Going back to the Official Report of the National Commission on Marijuana and Drug Abuse, it says that "Marijuana users frequently have medicine-taking, cigarette-smoking, or liquor-drinking parents. Please show your kids the bad side of alcohol and other addictive and habituating drugs, but don't tell them myths. This will make you look like liars or fools. If you really want to know more about the drug scene read "Marijuana: A Symbol of Misunderstanding—The Official Report of the National Commission on Marijuana and Drug Abuse." Sincerely, A Student at North To the Editor: As a high school student, I was very pleased about the new library hours. The Central Library will now be opened on Sundays from 1 p.m. until 5 p.m. Since I work most weekdays after school and all day Saturdays, this will be a great help. This will give me, and many other people, a chance to do a more thorough job on my homework making it easier to attend the college of my choice. Finally, the Grosse Pointe tax money is going in the right direction. Sincerely, Pat Outland A North High Student

What Goes On at Your Library

By Virginia Leonard

If you've felt that there were many new faces at our three libraries, you've been right. Today I intend to tell you about two new professional librarians recently hired. The first is Mrs. Harold Brilmyer, ("Betty" to us), who is the new professional assistant at the Woods Branch. She exudes an air of charm and friendliness you can't miss; nor will you believe that with all her verve, she's a grandmother! Betty comes from Washington, D.C. and attended Dunbarton College for three years, but received her B.A. from Wayne State University in 1967. Still thirsting for knowledge, she continued, this time at the University of Michigan, and received her Library of Science degree in 1969 (M.A.L.S.). And now hold your breath—she's actually working on a second Master's degree, (in English Literature), at the University of Michigan and is more than half-way on her way. Three cheers for Betty! We began to profit from her ability while she was working for her M.A.L.S. at the University of Michigan, since it was then she became a substitute librarian for the Grosse Pointe Public Libraries. After obtaining her last degree, she received a position as school librarian at our North High School where she worked for a year. Then there was a period of substituting at our Public Libraries and in the Grosse Pointe Schools. Are you following me? Next was Brownell where she was a substitute librarian, rehired in the early fall of 1973 and remained there until now. Betty wanted me to emphasize how much she enjoyed working as school librarian both at the North High School and Brownell, but we're very glad she's with us now! Betty is married to Harold, (called "Bill"), who is a research engineer at the Ford Motor Company. And before we get to grandchildren, we have to get the children. Betty has two daughters—Rosellen, who is married with two little boys, David and Deane. This daughter attended our South High and then Marygrove. The second daughter is Suzy, living in Macungie, Pa., and married. She has a little boy, Thomas (named after his father) and a little girl, Kristi. Betty certainly bubbles when she talks of these little ones and a wonderful public relations director at Cottage Hospital, treasurer. The hospital public relations group has over 40 members representing hospitals and allied health agencies in the metropolitan area. Guest speakers at its monthly meetings have discussed such subjects as hospitals and the law, relations with the community and the impact of economic controls. The group is affiliated with the Greater Detroit Area Hospital Council.

Pied Piper Bus Set for Theatre

The War Memorial's Pied Piper Express to performances at the Detroit Institute of Arts Youth Theatre begins Saturday, October 20. The chaperoned charter bus, leaving the Center at 10 a.m., will take the youths directly to the door of the Institute Theatre. It returns to the Center around 1 p.m. The first show of the season, performed by the Prince Street Players, will be Alice in Wonderland in musical

comedy form. This performance, geared to seven to 14 year-olds, is also enjoyable to adults. Other shows this season include Treasure Island, A Christmas Carol, Pinocchio, The Marvelous Land of Oz, Sleeping Beauty, Pocohantas, Snow White Goes West and A Connecticut Yankee in King Arthur's Court. The cost, which includes bus trip, performance and chaperonage, is the same for adults and children. The fee is \$28 for the series of nine, and \$3.50 for a single trip and performance. Reservations for the season or single performances should be received by the Center's office in advance.

Fall Programs Being Offered

Three fall programs being offered by the Neighborhood Club are sure to meet a variety of interests. A class in Cardipulmonary Resuscitation will be offered on Thursday, October 25, from noon until 3 o'clock. C. P. R. is a technique used to save lives and prevent irreversible brain damage by keeping oxygen and blood circulating in a victim's body until medical aid arrives. There is no fee for the class. The girl's basketball league for grades 5 through 8 began last week at Brownell Middle School. There is still room to join the teams which meet on Tuesdays at 4 p.m. Baton Twirling for girls age six and older is being held at Brownell on Mondays and started October 8. For further information on any of these programs, contact the Neighborhood Club at 885-4600.

Church Having Fund Campaign

Robert A. Maynard, of Bedford road, and Gilbert Hudson, of Beverly road, have been chosen chairmen for the Finance Campaign at Grosse Pointe Memorial Church. A total budget of \$506,500 is the goal, of which 35 percent is designated for needs beyond the church site and includes support to several institutions and services in The Pointe. Members of the church will be asked to give their support to the church program and needs in 1974 by presenting their pledge on Loyalty Sunday, October 14. The financial drive ends December 1.

## From Another Pointe of View

By Janet Mueller

The Grosse Pointe Garden Center has done it again!—Put together a wonderful mix of wonderful homes for its annual autumn Tour of Houses.

How would you like to wander out on the redwood deck of Mrs. Emory Moran Ford's contemporary Lothrop road residence-in-the-woods, or feel like Scarlett O'Hara at the William J. Youngs, Jr.'s Southern Colonial in Fair Acres drive?

How about roaming about Carolyn and Russell Lucas' gracious estate in East Jefferson avenue, or dropping in at the William J. Deniers, II, in Hillcrest road to check out how the Young Marrieds are living?

Aren't you curious to see how the Charles Taylors, of Merriweather road, have evoked a Georgian feeling in what once was considered a "modern" dwelling?

Didn't you always want to find out what's behind the Regency facade of Dr. and Mrs. Edward J.

## Kathleen Chauvin Wed To Mr. Clark

After Florida Vacation Pair Are at Home in East Lansing While They Study at Michigan State University

Setting for the candlelight wedding of Kathleen Ann Chauvin and Jeffery Graham Clark Friday, August 31, was Dearborn's Martha-Mary Chapel. The Reverend Stan Echemann, of New Haven, presided at the rites which were followed by a reception in the Alexandra Ballroom of the Dearborn Inn.

The bride, daughter of Mr. and Mrs. William H. Chauvin, Jr., of Fairholme road, wore a candlelight silk organza gown fashioned with a bodice of point de gaze lace.

Matching lace appliques accented her long sleeves and hemmed her skirt and a lace cap caught her long silk veil.

She carried a cascade of stephanotis, miniature carnations and ivy, centered with a gardenia cluster.

Honor maid Nancy Harkins, the bride's college roommate, and bridesmaids Sally Oxford, of Rochester, Mrs. William Chauvin, III, of Riverview, and Jan Burrell, of Ypsilanti, wore long-sleeved chiffon frocks featuring ivory skirts and pink or blue bodices.

They carried Colonial bouquets of baby's-breath and assorted pink and blue flowers.

Gregg Clark was his brother's best man. They are the sons of the Chester Clarks,

of Severn road. Roger Loding, of Sandusky, William Chauvin, III, the bride's brother, and Dean Batkins, of Mount Clemens, ushered.

The mother of the bride wore a long ice blue dress and jacket ensemble, the bridegroom's mother a floor length gown of mint green chiffon.

The newlyweds vacationed in Florida and are now at home in East Lansing, where both are students at Michigan State University.

Out-of-town guests included the bridegroom's uncle and aunt, Mr. and Mrs. William Young, of St. Petersburg, Fla.; the bride's uncle and aunts, Mr. and Mrs. W. J. Stern, Jr., of Woodbury, Conn., and Mrs. E. E. Crenshaw, of Van Nuys, Calif.; her cousins, the Arthur Borders, of Los Angeles, and Carol Rorder, of North Hollywood, Calif.; and the bridegroom's cousins, Mr. and Mrs. Mrs. Richard McKee and their family, of Clearwater, Fla.

## Mrs. Jeffery Clark

Wedding vows were spoken by KATHLEEN ANN CHAUVIN, daughter of Mr. and Mrs. William H. Chauvin, Jr., of Fairholme road, and Mr. Clark, son of the Chester Clarks, of Severn road, Friday, August 31, in Dearborn's Martha-Mary Chapel.

## Pointe Garden Club to Meet

The Pointe Garden Club gathers Monday, October 15, in the Handy road home of Mrs. Nathan B. Goodnow. Mrs. Adam C. Cook, Mrs. Richard A. Forsyth and Mrs. O. R. Wilcoxon will assist the hostess.

A review of new books in the Grosse Pointe Garden Center Library will be presented by Mrs. Don T. Galvin, Jr., chairman of the Club's library committee.

## Dieters-Parr Vows Spoken

Married Saturday, September 29, in Saint George's Episcopal Church, Maplewood, N. J., were Mary Elizabeth Wright Parr, widow of Charles McKee Parr, Jr., and John H. Dieters, both of Maplewood.

Mr. Dieters, a widower, and his late wife, the former Pat Wilcox, daughter of Mr. and Mrs. Aaron E. Wilcox, of Loraine road, and their children had resided in Barington road before moving to Maplewood.

The bride, daughter of Mrs. Thomas Hackett, of Essex, Conn., and the late Northam Lancaster Wright, treasurer of the Connecticut Valley Manufacturing Company and a Connecticut state senator, was attended by her daughter, Laurie, and given

away by her two sons, Charles and Northam.

William Dieters flew in from Arlington Heights, Ill., to act as best man for his brother. They are the sons of the late Mr. and Mrs. Henry William Dieters, of Detroit.

The Wilcoxes journeyed east for the ceremony and reception at the bride's home, an historic landmark, "The House on Necessity Corner," in Maplewood.

## Lisa Bowers Says Vows October 6

Country Club Reception Follows Afternoon Rites at Which She Becomes Mrs. Dana Charles Hendrickson

Setting for the wedding of Lisa Hughes Bowers and Dana Charles Hendrickson Saturday, October 6, was Grosse Pointe Memorial Church. A reception at the Country Club of Detroit followed the 4 o'clock ceremony.

The bride is the daughter of Mr. and Mrs. John P. Bowers, of Touraine road. The John A. Hendricksons, of Kittery, Me., are the bridegroom's parents.

The newlyweds will make their home in Towson, Md., where the bridegroom has been residing.

For the afternoon rites at which The Reverend Ray Kieley and Monsignor Francis X. Canfield presided, the bride chose a satin faille gown fashioned with an Alencon lace bodice and long sleeves. Her skirt front was dotted with appliques of matching lace.

More lace edged her net veil, which fell the length of her Cathedral train. She carried white tea roses and

stephanotis.

Honor matron Mrs. F. Stenross, of Philadelphia, and bridesmaids Mrs. Proctor Anderson, of Evanston, Ill., Virginia Bartholomew, of Greenwich, Conn., and Mrs. William L. Gardner, of Andover, Mass., wore A line frocks of yellow crepe and carried painted daisies with ivy.

John A. Hendrickson, Jr., came from Dover, Del., to act as best man for his brother. Ushers were Peter J. Bowers, the bride's brother, Richard MacArthur, of Chicago, and James Martin and Robert Martin, both of Western Springs, Ill.

Both mothers selected long-sleeved gowns. Mrs. Bowers' of green chiffon, Mrs. Hendrickson's of blue chiffon.

## Plan Welcome Wagon Benefit

The Complete Woman from morning to evening is theme for styles to be featured by Himelhoch's at Welcome Wagon Club of Grosse Pointe and Harper Woods' annual Nursing Scholarship luncheon and fashion show.

"Accolade to Fashion," this year's fund raiser, will be presented in the Grosse Pointe War Memorial's Fries Auditorium Thursday, October 25, at noon.

General chairman is Mrs. Maurice Tyler. Committee members include Mr. Bud Day, prizes; Mrs. Melvin Selden, programs; Mrs. James Kotsonis, decorations; Mrs. J. Morris Burrows, models; Mrs. William K. Stevens, posters; Mrs. Harry Wortham and Mrs. W. Ricks Littell, prizes; Mrs. V. J. Lisotto, luncheon; Mrs. George Cameron, special advisor; and Mrs. Mark Loush, publicity.

Guests are welcome and may contact Mrs. Eldert Bontekoe, 884-7552 or Mrs. Thomas Malloy, 885-6805, ticket co-chairmen. Reservation deadline is Friday, October 12. Donation is \$6.50.

Those who wish to play cards after the show are asked to bring their own decks.

## Cuban Pianist Plays at Ford Tonight

Rafael Fruhbeck de Burgos, internationally acclaimed as Spain's leading conductor and a favorite of Detroit audiences, will return to the stage of Ford Auditorium to conduct the Detroit Symphony Orchestra at 8:30 Thursday evening, October 11, and 10:45 Friday morning, October 12.

Included on the program will be the Overture to "Russian and Ludmila" by Glinka, Stravinsky's "Petrushka" Suite and Ravel's Bolero.

Cuban-born pianist Horacio Gutierrez will make his debut appearances with the Orchestra in Rachmaninoff's Piano Concerto No. 2.

Twenty-three year old Gutierrez, who made his professional debut at 11 with the Havana Symphony Orchestra, earned recognition in Moscow in 1970 as a prize winner in the Tchaikovsky Competition. In the year following his Russian triumph he appeared with major orchestras in the United States, Europe and South America.

This year he visited Israel for three weeks of recitals and appearances with the Israel Philharmonic.

Fruhbeck de Burgos, who holds the post of Musical director of the National Orchestra in Madrid, is scheduled to conduct the Detroit

Symphony on its three-week fall tour in the eastern United States, beginning October 21. Tickets for tonight's concert are available at \$7.50, \$6.50, \$5.50, \$5, \$4 and \$3.50 at the Ford Auditorium Box Office, 961-0700.

Garden Center board members are asking friends to hostess at the houses Tour Days, Saturday and Sunday, October 20 and 21. Tickets, at \$4 each, may be obtained in advance at Garden Center headquarters in the Grosse Pointe War Memorial, or at the War Memorial Office.

Mrs. Edward R. Harrigan, Garden Center president, has asked Mrs. David C. Lowe and Mrs. Monte Edelen to share the chairmanship of this popular annual event.

Mrs. John N. Failing, Jr., Mrs. Don T. Galvin, Jr., Mrs. Crawford Frost and Mrs. Mark Stevens formed the procurement committee, and Mrs. Hansel D. Wilson was in charge of getting out the handsome brochure.

Tickets are the responsibility of the Mesdames Henry S. Walker and J. Lane Donovan. Mrs. David N. Viger and Mrs. Edward F. Lambrecht are recruiting the hostesses, and Mrs. John Veech is arranging for flower arrangements to brighten each house.

Other committee heads include Mrs. William A. Cole, properties, Mrs. Livingstone Howard, posters, and Miss Marie Louise Anderson, mailing.

Mrs. Herbert D. Schmitz is 1973 House Tour treasurer. Tour proceeds staff the Garden Center Room at the War Memorial and maintain the lush Trial Gardens there, plus helping to subsidize a dozen other services and programs the Center provides for the community.

## Green Thumb Workshop

Among those programs are the Green Thumb Workshops, free to Garden Center members, featuring lectures and demonstrations by experts in various horticulture fields.

George L. Nyberg, Macomb County Extension Service, is next week's Green Thumb expert. He'll discuss Fall Gardening Wednesday, October 17, at 10 o'clock, at the Grosse Pointe War Memorial.

## Money On Her Mind

Mrs. Richard D. Anslow, of Kenwood court, is the 1973-74 Annual Fund-Raising chairman for the Detroit Community Music School. Assisting Kathy from The Pointe are Mrs. Carl Grawn, Mrs. Clayton C. Purdy, Mrs. James K. Watkins and Mrs. William Y. Gard.

## Miss Cloude Bride Of James Roselle

Lace Accents Her Ivory Peau de Soie Gown; She Carries Nosegay of Yellow Sweetheart Roses

A reception at Lakeland Manor followed the Saturday, September 15, wedding of Christine Anne Cloude and James C. Roselle in Detroit's Saint Hyacinth Church. After a vacation in Canada, the couple is at home in Detroit.

The new Mrs. Roselle is the daughter of Mrs. Gloria J. Cloude, of Aline drive, and Edward J. Cloude, of Wellesville, N.Y.

Mr. Roselle, son of the Robert Roselles, of Detroit, is continuing his studies at Wayne State University.

For the 6 o'clock ceremony, the bride chose a Juliet gown of ivory peau de soie, Empire-waisted and trimmed with lace appliques. She carried a nosegay of yellow Sweetheart roses.

Honor attendant Pamela Plotzke and bridesmaids Kathee Kinee, the bride's

sister, Mrs. James Richter, of Lansing, the bridegroom's sister, and Judy Schaefer, of Wilbraham, Mass., wore gold chiffon Princess frocks with gold braid-trimmed brown vests.

Each carried a single long-stemmed yellow rose with brown velvet streamers.

Mark Roggow, of Hemlock, was best man. Ushering were Eric Cloude, the bride's brother, James Richter and Chip Neilson, of Lana O' Lakes, Wis.

Among Alma College Homecoming Queen candidates is Grosse Pointe South High School graduate Lura Beynon.

## Engaged

Mr. and Mrs. Richard H. Dancy, of Bedford road, have announced the engagement of their daughter, JANICE LEE, to Charles Alan Keersmaekers, son Mr. and Mrs. Charles A. Keersmaekers of St. Clair Shores. A late December wedding is planned.

The bride-elect is completing her studies in Medical Technology at the University of Michigan. Her fiancé is a graduate of Oakland University.

## Mrs. James Roselle

CHRISTINE ANNE CLOUDE, daughter of Mrs. Gloria J. Cloude, of Aline drive, and Edward J. Cloude, Wellesville, N.Y., was married Saturday, September 15, in Saint Hyacinth Church, Detroit to Mr. Roselle, son of Mr. and Mrs. Robert P. Roselle, of Detroit.

Mr. and Mrs. William M. Arpino, of East Emory court, are announcing the engagement of their daughter, LINDA ANN, to Thomas P. Plunkett, son of Mr. and Mrs. Norman H. Plunkett, of Clio. A November 30 wedding is planned.

the sponsorship of Tuesday Musicales is a group of young musicians who perform for each other and are given the opportunity of doing concert work in various capacities.

To qualify, they must exhibit academic prowess. A Choral Group also meets and rehearses during the year, presents two concerts and performs for civic and philanthropic organizations.

Pointe officers of the Musicales include Mrs. Walter J. Burczyk, second vice-president, Mrs. Charles E. Exley, financial secretary, treasurer Miss Arline E. Closson and Keynotes editor Mrs. James Metting.

Reservations for the October 16 program are being taken by Mrs. Joseph Shaeen at 882-0710.

The Tuesday Musicales will hostess the Michigan Federation of Music Clubs' Southeast District convention October 24 at the Detroit Boat Club.

Interested members are invited to attend the workshops and luncheon with state president Mrs. Richard Shannon, a Tuesday Musicales member, as guest speaker.

Theme of the day is "Music Enhances Life."

## Kappa Alpha Thetas To Meet on Tuesday

Mrs. C. Bayard Johnson, of Tonnancour place, will be hostess for the Tuesday, October 16, gathering of Kappa Alpha Theta Alumnae of Grosse Pointe. All Alumnae in the area are welcome and should call 885-5474 by Sunday, October 14, for reservations.

Beautiful colored yarns, available at the September meeting for the group's philanthropic project, will again be available this month.

## To View Fall in Rocheter

Leaf-watching is the latest project of the Grosse Pointe Symphony Women's Committee, with the changing fall foliage in the vicinity of Rocheter attracting members to a color tour next Wednesday, October 17.

A beckoning orange and black invitation sent out by Mrs. Lyndle R. Martin calls attention to the 10:30 o'clock sharp departure hour from Grosse Pointe Congregational Church, Chalfonte avenue at

Lothrop road. Calling the safari Something Different, Mrs. Martin has organized luncheon at The Club on the Hill, the new Rochester Women's Club headquarters.

Later members and their guests will visit Rochester's side streets, abounding in art galleries, antique shops and craft centers.

Reservations may be made with Mrs. Martin through Saturday, October 13.

## Begin Tuesday Musicales Year

The Tuesday Musicales, oldest and largest music club in Michigan, begins its 88th year with a tea and program next Tuesday, October 16, from 1 to 3 o'clock at the Grosse Pointe War Memorial. All 550 members, guests and prospective members are invited.

Traditionally, this first gathering of each new season is a President's Reception, honoring all past-presidents and especially the current president. Mrs. Douglas P. MacIntosh heads the Musicales this year.

Mrs. Bernice Van Husen is general program chairman. Beginning promptly at 1:15 o'clock in Fries Auditorium, the Musicales will feature soprano Phyllis Gaide assisted by Cynthia Blough, mezzo-soprano, and Ida Mucciantie, accompanist; the Baroque

Ad-Lib Ensemble; and pianist Debbie Lisotto, youngest Student League member.

The tea and reception will be held in the Crystal Ballroom, where past-presidents and the executive board will greet members and prospective members.

Orchids grown and donated by Mrs. Kennard Johnston and Mrs. Jerry Kulaja, both Grosse Pointers, will grace the tea table.

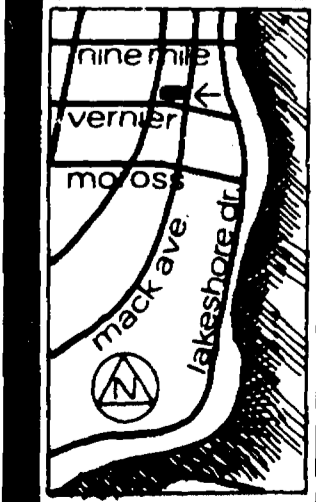

Mrs. Harry Sainsbury and Mrs. Oscar Pengally, also of the Pointe, are co-chairmen of the Social committee.

Morning concerts are presented by Tuesday Musicales in the Lecture Hall of the Detroit Institute of Arts every two weeks, November through April.

The majority of works performed are by artist-members of the group, but one does not need to be a musician to join Tuesday Musicales: Associate membership is available to those who appreciate and enjoy serious music, but may not wish to or cannot perform.

## Miss Held Married To Allen W. Singer

### Late Morning Rites Are Followed by Reception at Georgian Inn; Pair Completing Their Studies at Michigan State

At home in East Lansing while they complete their final year of studies at Michigan State University are Mr. and Mrs. Allen Walter Singer, who vacationed in California following their Saturday, September 1, wedding in Saint Joan of Arc Church.

She is working toward her Bachelor of Science in Child Development. He is studying for a degree in Veterinary Medicine.

## Quester Focus Is Miniatures

The Grosse Pointe Chapter of Questers gathers at the home of Mrs. Ivan Kirlin in Kenwood court tomorrow, Friday, October 12. Following a short business meeting at 10 o'clock Mrs. Wallace Temple will present a program on Mogul Miniatures. Members are bringing ivory miniatures for display. Mrs. Cyril Barrett and Mrs. Frederick Schumann will assist the hostess with the luncheon which follows the program.

The bridegroom is the son of the Leonard L. Singers, of Eastbrook court.

## Mrs. Allen W. Singer

ELIZABETH LYNN HELD and Mr. Singer were married Saturday, September 1, in Saint Joan of Arc Church. Their parents are Mr. and Mrs. Theodore D. Held, Jr., of Putnam place, and Mr. and Mrs. Leonard L. Singer, of Eastbrook court.

The Reverend Eugene Carinci presided at the 11:30 o'clock rites, followed by a reception at Georgian Inn, for which the bride chose a gown of white dotted voile fashioned with embroidered sleeves and bodice and a Chapel train.

A cascade of silk lilies-of-the-valley caught her fingertip illusion veil, and she carried an all-white bouquet of lilies-of-the-valley, carnations, stephanotis and roses, centered with an orchid.

In navy dotted swiss frocks, collared, cuffed and belted in white, were honor attendant Diana Samson, of Waukegan, Ill., and bridesmaids Linda Singer, sister of the bridegroom, and Martee Held, sister of the bride.

They wore white picture hats and carried white daisies tied with red and white gingham.

Best man was David Stasevich. Ushering were the bridegroom's brother, Phillip Singer, and his cousin, Don Buckley. Ring bearer was Michael Moir, the bride's cousin, of Indianapolis.

The mother of the bride wore a floor length long-sleeved gown of turquoise chiffon, its bodice vertically tucked. Her corsage was fashioned of white cymbidium orchids.

The bridegroom's mother selected a long gown of pale lime chiffon, long-sleeved and featuring a scoop-necked shirred bodice, and green cymbidium orchids.

## Woman's Club Meets Oct. 17

The Grosse Pointe Woman's Club meets next Wednesday, October 17, at 12:30 o'clock in the Grosse Pointe War Memorial's Fries Auditorium.

Guest speaker will be Detective Michael Ferrence of the Grosse Pointe Woods Police Department's Youth Service Division, who recently completed six years in the United States Army Reserves and is currently a senior at Wayne State University, studying Police Administration.

Special recognition will be given to members of the Woman's Club Blood Bank Unit, chairmen Mrs. William Swan and Mrs. Walter Halenbeck, co-chairman Mrs. Austin Wheatley, and the friends who work with them. The Unit was cited last June 21 in the Metro Detroit Shopping News as "Volunteer Group of the Month."

Tea hostess Mrs. Morris DeFour and her co-hostess Mrs. James Marshall have selected a Halloween table decor theme.

Assisting at the tea table will be Mrs. William E. Balfrey, Mrs. Richard Schott, Mrs. H. Merrit Smith, Mrs. Robert Brown, Mrs. Pierre Palmentier, Mrs. Louis Lee, Mrs. Arthur Beckman, Mrs. Howard Williams, Mrs. Russell Davis and Mrs. Frank Olds.

Also assisting will be Mrs. Raymond Buelow, Mrs. Stanley Emerick, Mrs. Norman Mooney, Mrs. Donald McPhail, Mrs. Wilfred Cowan, Mrs. Gordon Liesemer, Mrs. A. M. Menninger, Mrs. Vernon Landry, Mrs. Harold Cable, Mrs. David Gilmore and Mrs. John McLellan.

Appointed to the Michigan Economic Expansion Council recently was Pointer DAVID K. EASLICK.

## Take a walk at 3 o'clock in the morning.

Think of the Shore Club as your private 46-acre estate. And if you feel like taking a walk there at 3 o'clock in the morning, take it. Or any time of the day, or night.

Walk down the tree-lined lane that leads past some really smashing Sky Houses whose architectural design is refreshingly different from anything you've ever seen. (Each Sky House in this elevator building is a two-story townhouse with a private terrace. Parking in the building.) Past our swim club, health club and sauna, putting green, shuffleboard and private garden.

And then you're at the Shore Club's 10-acre yacht harbor, reserved for Shore Club residents. Spend as much time as you'd like with a lake you'll get to know intimately: Lake St. Clair.

## To Honor Knights Of Charity Ladies

**Wives of Men Who Will Be Cited at November 10 Inter-Faith Dinner Will Be Special Guests at DAC Luncheon**

The Women's Alliance for the Knights of Charity will honor wives of recipients of this year's inter-faith Knights of Charity awards at a luncheon-fashion show Wednesday, October 17, at the Detroit Athletic Club.

Mrs. Joseph B. Slatkin, Alliance president, will present gold medallions to Mrs. Alphonse H. Aymond and Mrs. Herbert J. Bloom.

Mr. Aymond, chairman of the board and president of Consumers Power Company, a Protestant, Dr. Bloom, member of the board of directors, Project HOPE, a Jew, and The Reverend Malcolm Carron, S.J., president of the University of Detroit,

are the 1973 Knights of Charity, chosen on the basis of the time, talents and finance they have donated to their fellow man.

They will be honored at the Knights of Charity benefit dinner-dance Saturday, November 10, at Raleigh House, Southfield.

Chairman of the October 17 women's luncheon, featuring fashions by Bonwit Teller, is Mrs. Walter W. Fisher.

Mrs. Bernard P. Costello

heads the women's committee for the 19th annual dinner sponsored by the board of trustees of Maryglade College.

George A. Gardella, Jr., of Touraine road, is current trustees' board chairman. Other Pointers serving on the \$100-a-plate dinner committee include Walker L. Cister, Frederick K. Cody, Charles T. Fisher, III, Emmet E. Tracy, Jr., Ross Corbit, William J. Croul and Mark Valente, Jr.

Lawrence M. Carino is dinner chairman. He will bestow upon each recipient a medallion of citation and a plaque upon which is engraved, as part of the award message, the reason why the gentleman is honored: "Unity in family life with person-to-person charity."

Co-chairman of the dinner is David Pollack, himself a former award recipient. The board of trustees has designed that proceeds from the event will help support Maryglade College in Memphis, Mich., which trains young men for lives of dedication as missionaries in underdeveloped nations around the world.

Proceeds also are earmarked for the Maryglade College General Fund, and to assist Maryglade graduates and others in their humanitarian work among the needy and suffering in the nations of the Third World.

Maryglade College is under the operation of the PIME Missionaries. The Reverend Father Nicholas Maestrini is chancellor of Maryglade as well as United States Missions director for the PIME Society.

To avoid disappointment learn to expect the unexpected.

PIME missionaries minister to the sick, maimed, orphaned, aged and distressed throughout the world, establishing schools, hospitals, clinics, leprosaria, farmers' cooperatives and credit unions, working to raise the standard of living for the underprivileged, without regard to race, sex, religion or color.

Past Knight of Charity awardees include such show business personalities as Pat O'Brien, Danny Thomas and George Skouras, and Pointers Benson Ford, Ray W. MacDonald, Ralph T. McElvany and Mr. Cister.

## Alpha Xi Deltas Plan To Affiliate Members

The Grosse Pointe Chapter of Alpha Xi Delta Alumnae will affiliate new members at a dessert meeting in the South Oxford road home of Mrs. Charles Kreichelt at 8 o'clock Monday, October 15. Co-hostesses are Mrs. John Rini and Mrs. John Klock.

Besides the affiliation ceremony, members plan to prepare for their annual Santa Luncheons via an evening workshop.

The Santa Luncheons, benefitting such organizations as the Foundation for Exceptional Children, take place in December.

## Judge Burdick Speaks Oct. 17 for School

The School of Government convenes Wednesday, October 17, at the Women's City Club, to hear Circuit Judge Benjamin D. Burdick discuss the Supreme Court Decision on Pornography.

A business meeting with Mrs. Phillip R. Flanders, president, presiding is scheduled for 1 o'clock. Mrs. Wilber M. Brucker, chairman of the day, will introduce the guest speaker at 1:30 o'clock.

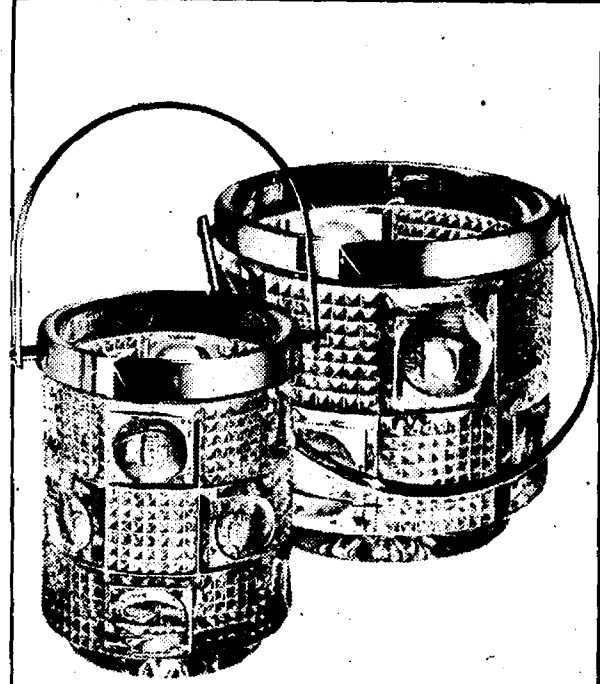

Judge Burdick was graduated from Wayne State University Law School in 1928 with a Juris Doctor degree. He was appointed Circuit Court Judge September 6, 1963, and was re-elected in 1964 and 1972. He has just completed his 10th year on the bench.

Judge Burdick was elected governor emeritus of Wayne State University in 1963. He has served as Chief Public

Administrator for Wayne County and as special counsel for the Housing Administration in Detroit. Friends of members are invited to attend Wednesday's program.

## Phillip A. Seiberts Travel to Mexico

Patricia Ann Drotos, 'Miss Torch' for 1971-72, Speaks Vows at Morning Ceremony; Pair to Live in Melvindale

Mr. and Mrs. Phillip Anthony Seibert vacationed in Mexico City following their Saturday, September 22, wedding in Saint Francis Cabrini Church, Lincoln Park. They are making their home in Melvindale.

Mrs. Seibert, the United Foundation's "Miss Torch" for 1971-72, is the former Patricia Ann Drotos, daughter of Mr. and Mrs. John Drotos, of Lincoln Park.

Mr. Seibert, a graduate of Western Michigan University, is the son of Mr. and Mrs. Bernard A. Seibert, of Edmondton drive. The 11 o'clock rites at which The Reverend Donald Dacey presided were followed by a reception at Chicago House, Dearborn.

For her morning marriage

the former Miss Drotos chose a long-sleeved gown of ivory satin, its bodice and side panels trimmed in lace, and a long illusion veil falling from a band of lace flowers. Her bouquet was fashioned of cymbidium orchids and stephanotis.

Carrying arrangements of miniature pink carnations and gypsophylla were honor matron Mrs. Robert Lagaray and bridesmaids Doris La Barone, Mrs. William Burton, a cousin, and Mrs. Mary Johnson, of Grand Rapids. Pink-trimmed jackets ac-

## Flower Class For Deeplands

Deeplands Garden Club will join other members of the Federated Garden Clubs of Michigan, District One East, for a Flower Arrangement Workshop Monday, October 15, at 10 o'clock at the Grosse Pointe War Memorial.

The workshop will take the place of Deeplands' regular October meeting.

Members are requested to bring their own sandwiches. Beverages may be purchased at the Center.

cented their long frocks of cranberry crepe. Samuel Serra was best man. In the usher corps were Robert Seibert, the bridegroom's brother, John Drotos, brother of the bride, Paul Heymoss, Joseph Licavoli, of Kalamazoo, and Robert McReuter.

A floor length crepe gown fashioned with a long-sleeved aqua bodice and white skirt, accented with scroll designs at waistline and hem, was

## The Phillip Seiberts

Exchanging marriage vows Saturday, September 22, in Saint Francis Cabrini Church, Lincoln Park, were PATRICIA ANN DROTOS, daughter of Mr. and Mrs. John Drotos, of Lincoln Park, and PHILLIP ANTHONY SEIBERT, son of the Bernard A. Seiberts, of Edmondton drive.

## Mrs. Drotos' choice for her daughter's wedding.

The bridegroom's mother selected a long Princess gown of hot pink polyester with a matching print-lined jacket. Both mothers chose corsages of pink Sweetheart roses and stephanotis.

## To Show How To Needlepoint

The Evening Group of Grosse Pointe Memorial Church will present Don Mettler of the "Yarn and I" in a demonstration of needlepoint Tuesday, October 23.

## Come see the sites at the wide world of Wabek

You've never seen anything like them in the Bloomfield Hills area before. Hilltop sites along the fairways of the Wabek Country Club. Sprawling lots overlooking Lake Wabek. Lush, rolling, forested sites. And many, many more in a variety of shapes, sizes and settings.

Every one, of course, is fully improved. With city water, sewers, underground utilities and paved roads with curb and gutter.

Wabek, in case you haven't heard, is a brand-new community blooming to life in Bloomfield Hills. A community that adds a whole new dimension to the word "prestige."

Wabek literally offers you a brand-new

way of life. It has a spectacular 18-hole golf course designed by Jack Nicklaus and Peter Dye, exclusively for resident application. A superb selection of lots—some with homes already available for occupancy. (Or you can bring your own builder in.) A wide choice of luxurious condominiums. And the Bloomfield area is noted for its excellent schools, shops, restaurants and cultural centers.

Wabek is full of beautiful sites. Come see them. Look for the Wabek signs on West Long Lake Rd., between Franklin Rd. and Middlebelt, west of Telegraph. A joint venture of Chrysler Realty Corporation and Del E. Webb Wabek, Inc. Open 7 days a week.

For more information about Wabek, complete this coupon now and send to: Wabek, 1740 West Long Lake Rd., Bloomfield Hills, Michigan 48013. Or call 851-8010.

Judge Paterson Convenes Court

City Municipal Judge Paterson heard 10 cases on Tuesday, September 25. Two cases were dismissed. Two cases were taken under advisement, one person was given a suspended sentence and 15 warrants were signed for failure to answer summons.

David Lee Warren, 745 Drexel, Detroit, was found guilty of disorderly person charges and was found guilty. He was put on a year's probation, ordered to stay out of Grosse Pointe, seek psychiatric care and pay a \$100 fine.

James Lemick, 614 Perrien place pled not guilty to a charge of speeding but was found guilty and fined \$25.

Dennis Podlask, 43214 Penny, Sterling Heights, stood mute to a disorderly person charge and was found guilty. He was put on a six months probation, fined \$100, and ordered not to drink and told that if he was found intoxicated again, he would have to spend 30 days in jail.

Rodger Mischke, 13135 East Eight Mile road, Warren, was found guilty of being a disorderly person. He was put on probation for six months, fined \$100 and told he must find employment or spend ten days in jail at the end of his probation period.

Brakeless Car Hits Gate, Tree

Friday afternoon, September 28, proved a nightmare for Gladys Vantine, of 1865 Allard road.

When she started her car and exited the driveway, she discovered that her blue '66 Ford had lost its brakes. The car went up the driveway at 1708 Allard through closed gates. The driver then put her car in reverse and drove across in front of 1693 Allard. The car next turned west on Allard and went into the driveway at 1741 Allard but did not hit anything.

The woman was then able to put the car in reverse, back out of the driveway, and drive down Allard to Mack where she was able to land in a "76" Service Station.

Meeting the car at the service station, the Woods officer was told by the attendant that the car indeed, had, lost its brakes.

Teen Club Goes Camping

The Foundation for Exceptional Children Teen Club held their annual camping weekend September 22 and 23 at Camp Rotary in Washington, Mich.

Camp was made possible through the efforts of the Grosse Pointe Association for Retarded Children and the Grosse Pointe Jaycees jelly sale.

The Detroit Shriner's Americans group surprised the campers by arriving on their mini-bikes to take every member for a ride. In addition, the Coast Guard Air Station sent out a helicopter for touring.

The members also went fishing, had a campfire, many crafts, baseball, kickball and a party. This was all made possible by the extensive planning done by Claudia Gamble and Paul Hansen and the moral support contributed by all the parents and volunteers.

Boat Show Set At Metro Beach

The Detroit area's major boat show, the Midwest Powerboat Show and the Great Lakes Sailboat Show will be held in the North Marina at Metropolitan Beach in Mt. Clemens.

The sailboat show, scheduled for Thursday, October 11 through Sunday, October 14 features the greatest collection of large and small sailboats ever assembled in the Midwest. Large sailboats will be shown in the water, small boats on shore and equipment in a tent.

The show will hold a program of water events ranging from scuba diving to sailboat racing and boat handling to safety demonstrations.

Hours for the show are 3 p.m. to 10 p.m. on Thursdays and Fridays and 10 a.m. to 10 p.m. Saturdays and Sundays.

Find Licenses Of Stolen Car

A Cadieux road resident reported to City Police that her car was missing from the garage terrace where she had parked it, on Sunday, September 30.

Mrs. Helen Armstrong, of 636 Cadieux road, told police the car, a 1969 light green, four-door Ford Galaxie was taken between 5:30 p.m. on Saturday and 11:45 a.m. on Sunday. She had left the garage door open.

Police confirmed that the vehicle was stolen when the license plates and contents of the glove compartment were found by Park Police on Bishop lane.

Auto Stopped By Brick Wall

Woods police received a call on Tuesday, October 2, that someone had driven a blue VW into a brick wall at the Jack in the Box Restaurant, 20599 Mack avenue.

At the scene, Officers Bruce Marone and Patrick Fagan talked with George M. Legout, of 2154 Lakeview, Detroit. The driver said that he was backing into a parking space when his foot slipped off the brake and hit the gas pedal. The car hit the brick wall and artificial shrubbery.

Unlocked Door Admits Burglar

A dog may have saved the night for a Farms resident who neglected to lock her door, according to a story two weeks ago in the NEWS, but City residents Mr. and Mrs. Edward Pongracz were not as lucky.

Someone entered their Neff road home while they were asleep and stole Mrs. Pongracz' purse on Thursday, September 27.

"Neat" Intruder Visits House

City Police still aren't sure what, if anything, was taken from a Lincoln road home after someone forcibly entered it on Thursday night, October 4.

A neighbor, keeping its watch on the house while its owners were away, reported the intrusion to police.

When police arrived at the home, they found the intruder had smashed the glass in the front door and reached inside to unlock it. It appeared that all the rooms had been searched, including the basement, but everything had very neatly been put back in order.

The only thing possibly missing at this point is food from a basement freezer. Both the freezer and refrigerator doors were left open.

Police are working on a possible set of fingerprints found on a tray and bottle in the sun porch.

Boaters Return Home by Taxi

Shores Sergeant Jurcak was on routine patrol traveling south on Lake Shores Tuesday, September 25, when he was hailed by three men. Stopping the scout car, the sergeant spoke with the men and discovered they were Canadian boaters who had been towed in by the U.S. Coast Guard.

The boaters were taken to The Shores police station where they were given coffee. They said that they had been found adrift in the freighter channel by a passing freighter which contacted the Coast Guard. The Coast Guard had towed the boat into the harbor of the Grosse Pointe Yacht Club.

The three men, all members of the Windsor Fire Department, Paul Poissore, John Carroll and Harold Peters, called a taxi cab from the station to return to Windsor.

Vandals Pour Gas in Sewer

Woods Patrolman Bruce Marone reported to the corner of Pear Tree and Thorn Tree lanes Wednesday night, September 26, to check an explosion in the sewer.

The officer saw that someone had poured gas down the sewer and made a trail of gas to another sewer. The vandal or vandals had then set fire to the gas, causing the sewer to sink in. The fire had extinguished itself by the time of the officer's arrival.

A gas can was found 200 feet north of the sewer. It was tagged as evidence and taken to The Woods police station. No suspicious persons were seen in the neighborhood that night by the residents.

SELF ASSURANCE Well-adjusted people are those who can keep their balance—personally and financially.

Friends Are A Nice Thing To Have...

THIS EMBLEM IS THE SIGN OF GOOD BUSINESS AND GOOD FRIENDS.

For information call: Phone 886-1551

The intruder entered the home at 2:35 a.m. through the back door, which had been left unlocked. Mr. and Mrs. Pongracz were awakened and when they got up to investigate, they found both the intruder and a large tan handbag gone.

The purse had been left on the floor near the back door and contained two wallets. One held \$20, and the other \$50 in Canadian money.

After Mr. Pongracz contacted City Police, officers searched the area but came up with no clues as to who the thief was.

Mrs. Pongracz' pocketbook was found at the Neighborhood Club field on Sunday, September 30. The money was missing from the two wallets.

Pointer of Interest

MRS. FERDINAND H. CINELLI, OF COUNTRY CLUB DRIVE

By Janet Mueller

If you're a Cinelli, you're involved in Things Artistic. Period. And you love your involvement: You can't imagine what a life without art would be like.

Sarah Cinelli, chairman of the Founders Society Detroit Institute of Arts African Art Gallery Committee's Scholarship committee, will of course be going to this year's Bal Africain.

That's the 10th annual AAGC-sponsored Bal, to be held at the museum Saturday, October 27.

She'll be back in time for it, and she'll have a lot to talk about. What Turkey is really like, for instance.

Sarah and Nando flew off to Milan a few weeks ago, transferred their luggage and themselves to one of the Volkswagen buses used by their Etruscan Foundation students during the summer, and set off overland for Turkey, via Yugoslavia and Greece.

Nando said of course she was, and Sarah's schedule for late September and early October was set.

She loves to travel — "I have a great wanderlust" — and this has been, so far, a great traveling year.

In mid-summer she was in Panama, waiting for, present for, and helping out after the birth of her first grandchild.

Caterina Victoria Henriquez was born in July, to Rogelio and Catherine Anna Cinelli Henriquez, of Panama City, who met when she was an undergraduate at the University of Pennsylvania and he was a student in the

Wharton School of Finance. Caterina Victoria's imminent arrival triggered Sarah's second trip to Panama.

All the children include son Peter and his wife, the former Gail Kahl, who live in Sandpoint, Idaho, and two other daughters, Francesca, who works in the Publications Department of the Modern Art Museum in New York, and Gioconda, a sophomore at Tufts.

They'll be coming home to a new home. The Cinellis moved into Country Club Drive last November 1, after 18 years in Voltaire place. It was a wrench, emotionally, (after 18 years of living in a house, that house holds a lot of memories), and physically, (what do you DO with all the stuff you've accumulated, because you've had room to accumulate it, in 18 years?).

Sarah and Nando piled all the physical leftovers into their three-car Voltaire place garage, and gave the lot, and proceeds from the sale thereof, to Planned Parenthood.

They'd been planning the move for some time — the Voltaire place house was just too large, with all the children gone—and had had the house on the market for a year-and-a-half, but kept hoping it wouldn't sell until after Gigi's debut party.

All the girls had had their deb parties there, and Gigi wanted hers there, too.

Cathy and Roger came up from Panama for Peter's wedding in Aspen, Colo., a year ago last June, and for Gigi's party in The Pointe a few weeks later.

Two weeks after Gigi's party, the Voltaire place house sold.

Sarah Cinelli is a native Detroit. So is Nando, but he was brought up in Florence, educated in Italy except for one Law School year at Yale.

He is president of J. F. Hartz, the pharmaceutical manufacturing firm started by his American grandfather in the 1890's. That keeps him in Detroit.

He is president, (Sarah is treasurer), of the Etruscan Foundation, based on his Italian family property. That keeps him, (Sarah, too), going to Italy.

YWCA Offers Belly Dancing

The YWCA is offering exercise programs in Grosse Pointe this fall.

Back by popular demand are four Belly Dance classes, beginning October 16 and 18. Beginners meet Tuesdays from 6:15 to 7:15 in the evening and Thursdays from 9:15 to 10:15 in the morning.

Intermediate classes are Tuesdays from 7:30 to 8:30 in the evening and Thursdays, from 10:30 to 11:30 in the morning.

A new Slim and Trim program is offered Thursday afternoons from 1 to 2 o'clock. All classes will be held at the Grosse Pointe Unitarian Church annex in Maumee Avenue between St. Clair and Neff road, across from the Grosse Pointe City Police Station.

Fees are \$25 for nine weeks for Belly Dance, \$17 for Slim and Trim. YWCA membership is also required.

Registrations may be made by calling 961-9220 between 8:30 and 7 o'clock Monday through Friday.

The YWCA is a Torch Drive Agency.

Michigan Honor For Pointer The Historical Society of Michigan has granted its Award of Merit to Walter Romig, of Lakepointe avenue, in recognition of his outstanding book "Michigan Place Names."

The Award will be presented at the Society's annual meeting Saturday, October 20, in Niles.

"Michigan Place Names," the history of the founding and naming of more than 5,000 past and present communities, was 10 years in the researching and writing. Each entry is fully documented.

Nature, Art And Wine

Ibex has planned an autumn to appeal to every facet of its members' multi-faceted personalities, beginning with next Wednesday's chartered bus trip to Stoney Creek Park, where Jane Kohring will guide a Fall Nature Tour.

Then, appetites sharpened by a morning in the open air, the group will converge on Ann Martin's home in Rochester for a picnic lunch.

Next month's special activity is a wine-tasting party at the Ridge road home of the David Gambles, with husbands and beaux most cordially invited to participate.

Meanwhile, starting this Saturday, Frank Varga, Jr., will be teaching classes in Sculpture to a group of Ibex members. Six sessions have been scheduled, October 13 through November 17.

Short and to The Pointe

(Continued from Page 15)

WILLIAM S. FISCUS, of Balfour road, was promoted to the rank of Captain, United States Naval Reserve, during informal ceremonies at the Naval Air Facility, Detroit, August 19. Mrs.

Fiscus, the former LETTY KRETSCHMAR, assisted with the pinning part of the ceremony. Captain Fiscus first joined the Navy in 1944 as an enlisted man, served in the South Pacific and Japan before his release from active duty in 1946, and joined the Naval Air Reserve following his graduation from Michigan State University in 1950.

Mrs. George Drumme, of Moross road, is in charge of the Gourmet Corner, featuring breads and cheeses from around the world in the beer tent.

Another Pointer, Sonja Pruthum, will be among the craft demonstrators. Mrs. Pruthum's specialty is handmade jewelry.

The Market is open from noon to 10 o'clock Thursday through Saturday, noon to 9 o'clock Sunday. Admission is \$1.25 for adults, 50 cents for children.

Enrolled for the fall semester at Babson College are 1973 University-Liggett graduates LAURENCE E. JACKSON, son of MR and MRS. GEORGE JACKSON, of Earl court, and GREG I. STAHL, son of the HARRY STAHL, of Muskota road. Both will work toward degrees in Management.

Old World Market Open

Several Pointers are participating in the 41st annual Old World Market which opens today at the International Institute in East Kirby street, Detroit.

The Market, offering eight ethnic cafes, 16 gift booths, craft demonstrations and stage entertainment continues through Sunday, October 14. Special feature this year is a huge outdoor beer tent.

The Institute's executive director, Roy P. Adelberg, of Fisher road, officially opens the four-day festival with Market director Laura Gogola at noon today, after a parade of 1973 ethnic queens down Kirby street.

George Panas, of Ridgemont road, is operating the Greek cafe inside the build-

course that left her with an enduring delight in the 19th century French Impressionists. But she's not the sort of person who can limit herself to one period, one phase of anything.

Create Mish-Mash The Cinellis' home reflects the Cinellis' taste, and their taste is eclectic. "We have a mish-mash," Sarah puts it. "If I get something," she adds, "it's sort of instinctive, because it pleases me . . ."

Sarah Cinelli dabbles a bit in the homey arts, switching back and forth from needlepoint to knitting, and in the past few years has gotten "a real kick" out of putting up her own jellies and jams made from the wild berries, blue and black, raspberries and rose hips, she gathers near her family cottage in Maine.

She's a board member, past-president, of the Thompson Home, continuing a family tradition: Her grandmother was a Thompson Home board member.

She belongs to a little music club that meets every other Wednesday. This, too, is a family tradition. "My grandmother used to be in it. She was a good pianist. I am a bad pianist, and timid; I avoid playing as much as possible."

But she loves to listen. A Conspicuous Elder Although the children are gone, it's not exactly true to say the Cinellis live alone. Raluk, a neurotic Chinook (that's a dog), who makes horrifyingly fierce noises as he cowers behind whatever's handy whenever a stranger enters the house, takes up a good bit of room even when he's hiding.

Two Burmese kittens, gifts of Sarah's sister who had them flown up from New Mexico while Nando was still in Italy, (Mr. Cinelli has made it clear, on many occasions, that cats are NOT his Favorite Thing), have made themselves very much at home in Country Club drive.

Sarah Cinelli has been on the Founders Society Detroit Institute of Arts African Art Gallery Committee's board three years.

Fund-Raising Event The Bal Africain is a fund-raising event to support the museum's purchase of traditional African Art and Contemporary Afro-American Art, and related exhibitions, study programs and lectures.
