# DISCUSS CLASS SIZE AT KERBY

### HEADLINES WEEK

As Compiled by the Grosse Pointe News

Thursday, October 18 DETROIT TEACHERS re turned to school after board officials agreed not to hold teachers responsible for damages arising from the 43 day old strike. The ultimate settlement was the result of several breakthroughs, the first of which occurred when both sides agreed to submit the issues of teacher pay and class size to binding arbitration. Later, the school board consented to let its demand for a new teacher evaluation plan be studied by a government appointed panel. Once these issues were resolved, all that stood in the way was the damage question, and the board re-lented on that Wednesday afternoon. The first full day of classes began Thursday.

SCHOOLCHILDREN have vowed to take action against both teachers and the Detroit school board. The groups are mainly concerned with keeping Detroit taxpayers from footing the bill for the strike damages. One organization, Black Parents for Quality Education, has promised to sue the Detroit Board of Education and the Detroit Federation of Teachers to make them pay the estimated \$2.5 million.

Saturday, October 20 PRESIDENT NIXON offered a compromise to the Senate Watergate Committee and ordered special prosecutor Archibald Cox to half his court battle for access to his tapes. The President said he would have been accessed to the president said he would have been accessed to the said he will have been accessed to the said he would have been accessed to would turn an authenticated summary of the tapes over to the court and the Committee. Prior to this, the actual tapes would be heard in full by Mississippi Senator John Stennis, who will com-pare them with Mr. Nixon's summary to see if it is complete and accurate.

Sunday, October 21 three key officials in the wake of his compromise of the gallery, will be aucoffer to the Watergate Committee. Special Prosecutor Archibald Cox refused to accept the terms Mr. Nixon offered on Friday, and after announcing he would go to court to overturn the pro-posal, was ordered dismissed by the President. When former Attorney General El liot Richardson refused to notify Mr. Cox of the President's decision to fire him, he also resigned. Mr. Nixon then ordered Deputy Attorney General William Ruckel shaus to fire Mr. Cox. Mr. Ruckelshaus refused and was fired by the President for insubordination. Soliciter General Robert H. Bork then assumed the position of acting Attorney General and notified Mr. Cox of his dismissal. The FBI immediately sealed off the special prosecutor's office to prevent any records or documents from being removed.

The arbitration was decided on when wage negotiations broke down after six meetings between representatives of the Farms administration and the GPFPOA.

year to \$13,300. Since 1967, the firefighters have been receiving \$300 a year less pay than the policemen.

Patrolman John Farley, association president, said the city had offered to increase the patrolman's salary from its present \$12,600 to \$13,500 a year, which was not acceptable.

"After the sixth meeting," Farley said, "the city made its final offer which is far below what the association could accept in light of the terrific increase in the cost of living, and what our association members are receiving now and what has been physician coverage in the offered by the administration. This is not in line with what service. The new system police officers are receiving

"We would like to point out that the firemen have sittled their pay, dispute for \$13,300 a year which went into effect this fiscal year, whereas, it we settle, our contract would start as of January 1, 1974. Since 1967, the patrolman's top salary has been \$300 more than that of a fireman.'

Four Issues Farley said there are four issues that will be discussed at the arbitration hearing, and these are: (1), Salary; (2), Shift differential, (the city absolutely refuses to pay for shift differential); (3), The holiday issue, (the city offered \$100 in lieu of the holidays which the association refused), and (4), Sick time.

The association president said that presently, if a Farms officer is injured on duty, he loses a half day of his sick time for the length of time he is off. Further, a policeman can accumulate one day a month toward his sick time to a maximum of 120 days. All other time after the maximum is reached is forfeited without the officer being reimbursed.

# Tightness of Budget Stressed Regarding the

Hiring of an Additional

By Nancy Kramer

Concerned parents of Kerby School second graders took the floor Monday, October 22, at a special meeting of the Grosse Pointe School Board in an attempt to make people aware of the problem of class size that their children are facing.

Teacher

The discussion was touched off when Mrs. Joan Hanpeter acting as chairman read a letter addressed to the Board from Mrs. Darlene Krato. Mrs. Krato complained in her letter that the two sec-ond grade classrooms at Kerby were overcrowded, with 34 students in one class and 33 in the other.

Compounding the problem she feels is the fact that 75 percent of the 67 children are boys. She went on to say that There have been no teachers were receiving some further moves on the part measure of relief with the assistance of teacher's aides, but in Mrs. Krato's opinion, an additional instructor, at of either the Grosse Pointe Education Association, (GPEA), or the least part-time, is necessary School Board to reach an to handle the workload. agreement on economic

Board member Muir Snow was also sympathetic, but tried to point out to Mrs. D'Alessandro that the budget would not allow for the hir-ing of an additional teacher. He stressed the tightness of the budget and approximated the cost of an additional teacher at \$40,000 to \$50,000. "We can't cover this cost by simply shifting funds," he

concluded. Mrs. D'Alessandro expressed disbelief at Mr. Snow's comment and said with a budget of \$15 million, she couldn't understand the Board not being able to afford another instructor.

She mentioned she would not be so concerned with the class size if this wasn't a primary grade level. "I wouldn't mind," she said, "if this was happening at the fifth grade level, but in the second grade, these kids need all the guidance and attention they can get.'

The Board then tried to offer Mrs. D'Alessandro some alternatives. School Superintendent Dr. Theos Anderson mentioned the possibility of an extra teacher coming from the high school system to fill the need at Kerby.

But, he said, "this would probably not be possible un-til mid-year." Mr. Kennedy told Mrs. D'Alessandro that she was welcome to enroll her child at Maire school where the second grade totals only 40 students.

Mrs. D'Alessandro refused such an offer saying there was no reason why she

#### Farms Drug Store Robbed

The Briggs Pharmacy, 18544 Mack avenue, was burglarized sometime between 8 p.m. Tuesday, October 16, and 8:30 a.m. Wednesday, October 17, possibly by two persons, it was disclosed by Farms police.

Investigating officers said they received a call to the drug store when it was discovered that the place had been forcibly entered. An unknown object had been used to smash a 3x6-foot front window to gain entrance, it was

The person, or persons, who got into the place, rifled the cash register taking approximately \$10 in change and currency. Following this, it was disclosed, the intruders went through cabinets and file drawers, taking an unknown amount of codeine. The drug was removed from a cabinet after the cabinet doors were forcibly opened.

Investigation of the break-in was assigned to Det. Earl Field, who during the course of questioning people in surrounding areas, contacted a woman working in a doctor's office next door to the pharmacy. The woman said she heard two male voices talk-ing loudly, but thought noth-ing of the matter, assuming the pair were employes of the

#### School Board Okays Budget

The Grosse Pointe School Board held a special meeting Monday night, October 22, to vote on the 1973-74 school budget.

A public hearing was preiously held on the budget Monday, October 8, at which time Dr. Theos Anderson, Cuperintendent of Schools, pointed out that the revenue from all sources during 1973-1974, has increased about \$263,234 over last year.

The additional sum was the result of voter approval of a millage increase of 60 mill for school operations and .14 mill for operation of public libraries.

Dr. Anderson also mentioned at the October 8 hearing that for the first time, Pointe schools do not qualify for State aid. The loss of qualification results in a derease of \$514,635.

Pointe schools will still receive \$375,000 for special education classes and driver training programs.

# Now. An official program that can cut heating costs up to 17% and conserve Natural Gas.

If you're like most people, holding down heating bills is an idea that hits you right where you live. And, chances are, you'd like to help save Natural Gas, too. Especially during this time of energy

shortages. Now there's an official program that supports both of these objectives. It was developed at the direction of the Michigan Public Service Commission, which is seeking ways to conserve Natural Gas and hold down utility bills by the wise use of energy.

The heart of the program is simply this: Installing ceiling insulation in your home. It's quick. Economical. Easy. A recent White House study found that "the most significant opportunity" for homeowners to conserve energy was through "improved insulation of houses." "Such improved in-

sulation," the government said, "would benefit the individual homeowner by reducing winter fuel bills, summer air conditioning bills, size and capital cost of heating and cooling equip-

ment, and air pollution."

The Michigan Public Service Commission agrees with this conclusion. It has supported a study prepared by Michigan Consolidated Gas Company which found that Michigan homeowners can achieve fuel savings of as much as 17% by adding six inches of insulation to their attics. Naturally, results for your home may vary due to architectural differences and your heating habits.

To help you realize fuel savings in your home, we've designed an easy home insulation program. Here's how it works. First, you can install the ceiling insulation your-

self. It's a simple do-it-yourself project-and the most economical way to put in ceiling insulation and hold down your heating bills. Many customers can accomplish the task for less than

\$100. Michigan Consolidated Gas Company has even prepared a helpful booklet that shows you just how to do the job. Secondly, you can call a contractor of your choice and arrange to have the work done. Or call Michigan Consolidated Gas Company. We'll have one of our participating insulation subcontractors install it for you.

Our insulation program is easy on your budget, too. Many houses with up to 1,000 square feet in the ceiling area can be insulated for less than \$200. And, there's a payment plan to suit most every customer. You can pay cash. Or, you can pay just 20% down at the time the contract is signed then simply have the remaining cost included in your gas bill. Pay it off on your next three gas bills with no interest or carrying charges. Finally, you can pay for the job over an extended period at an interest rate of 1% monthly on the unpaid balance. ANNUAL PERCENTAGE RATE OF 12%.

Whichever you choose, you'll be taking an important step toward holding down your heating bills. And cutting down on the use of Natural Gas. Why not plan on doing it now. Contact us today for additional details. And if you're a do-it-yourselfer, ask for our free booklet.

#### Brownell Aids J**F With \$695**

The flickering flame from the United Foundation Drive torch burns just a bit more brightly these days at Brownell Middle School.

Brownell students have always responded positively to the Torch Drive, and this year's collection, held Wednesday Tuesday, October 10-16, was no exception.

A total of \$695.56 was collected in 22 homerooms from a population of 620 students. This represents an average contribution of over \$1.12 per student, a personal high in the 16-year history of Brownell.

Leading homerooms in monies contributed for each grade were 8J, Mr. Thomas Neil, advisor, and 7J, Mr. Joseph Chester, advisor. Six of 22 homerooms contributed \$45 or more.

Canisters were passed rooms for donations and the helding their 20th class respark competition between the homerooms. Student Council funds were used to award free pizza from the Brownell cafeteria to the leading homerooms

Mr. Thomas Neil, Student Association advisor, sponsored the drive at Brownell and Mrs. Robert, (Ruth), Lucas, a Brownell parent, totaled and packaged the monies collected daily.

Through this experience, students at Brownell directly participated in this community-wide drive whose funds benefit 140 United Foundation agencies. Sharing with and caring about others is an experience in which Brownell students have participated through their support of the 1973 Torch Drive.

GYM ACCIDENT

Recovering from a broken arm is John Duloin, 11, a student at Ferry Elementary School. The Woods ambulance was called to the school on Friday, October 5. At the scene, Officers Patrick McMath, Bernard Kelly and Stephen Petrik found the youth lying on the gym floor after slipping while playing ball. The officers placed an air splint on the broken left forearm and took the youth to St. John Hospital. He lives at 969 Hollywood,

of North Oxford road, sponsored by Craig Keller, of St. Clair Shores, and Ann Evancho, of Detroit, sponsored by Gregory Ahee, of Ballantyne Vendome road, sponsored by Andy Agosta, of South Renaud road,

Members of the Queen and Court and their escorts will be fested at a Homecoming Dinner sponsored by Father Dore after the football game.

Homecoming week opened at Austin Sunday, October 21, and will reach its peak this Saturday, October 27, with a parade of four floats, the AmVet train, decorated cars and costumed marchers. The parade will line its way from Austin's parking lot to Grosse Pointe South's field, where the football team will play DeLaSaile High School.

The day will finish off to the music of "The Sounds of Nite" at the Homecoming Ball. The theme of the dance this year is the Middle Ages and Camelot. Students have been decorating the school in preparation for the eve-

#### Drug Complaints Jump In September Says YSD

tember. This was a decrease of 11 under the August total but an increase of five over September 1972.

The overall total of complaints through this Septemher stands at 519 - an increase of 26 over the overall total for the same period last year.

Violation of the Controlled Substances Act, (VCSA), was the category of highest incidence as 27 cases were reported. This was a jump of nine over the previous month, the highest monthly case experience in this category for the entire year. The YSD notes this is "possibly an alarming trend," but de-

#### Offer Variety Of Swim Classes

Swimming classes are reopening for all Pointe young-sters once again as the fall session of activities is about to begin. Hundreds of children will be enrolling for lessons and participating in recreational activities under the leadership of a staff of qualified supervisors in four Pointe Public School swimming pools — Brownell, Pierce, Parcells and North High.

The schedule of activities begins Saturday, October 27. In addition to the usual class offerings for beginners, intermediates, swimmers and competitive swimmers, special interest area classes in were self returned and counbeginning and advanced diving, junior lifesaving, women's swim, men's swim, preschool swim, synchronized swimming and swimming for handicapped children also are being offered. An expanded program of

open and family swims also are scheduled for those who just enjoy relaxing in the swimming pool, or need a little extra practice.

All classes are limited in size, and interested persons should call the offices of the Department of Community Services at 885-3808 or 885 0271 to reserve class space.

#### Table Action On Petitions

Consideration of two petitions bearing numerous signatures was unanimously tabled by The Woods Council for action at the regular meeting Monday, November 5. This was done at the regular meeting Monday, October

One petition, containing 18 signatures, notes that the citizens "desire additional stop signs installed on Morningside drive especially in front of Barnes School at the intersection of Fairford road

The other petition says the undersigned "desire the parking meters removed from Mack avenue," and contains 26 signatures. Both communications indi-

cate the citizens' support of John Lauve, of Sunningdale drive, as their representative before the council.

Opportunity is not what may come to us tomorrow, but what we can make out

Sixty-three complaints were pends on what the next processed by the Youth Service Division, (YSD), in September 2019.

The primary substance abused was marijuana and its derivative hashish, though all four sub-categories of drug abuse showed an increase.

Eighteen marijuana, hashish cases were processed involving 21 male adults and 11 male juveniles. Two heroin, cocaine cases were reported involving one male adult, (no individuals were identified in one case).

Three synthetic drug cases were handled involving three male adults, one male juvenile and one female adult, In the "All Other" category, (sale, combination of the above mentioned drugs, mescaline), four cases were processed involving three male adults, three male juveniles and two female juveniles.

Larceny/theft was the next category of highest incidence with nine cases, involving nine juvenile males and four adult males, (over 17), being reported.

Runaways were substantially down, "a normal experience with the resumption of schools," notes the YSD. Three cases involving four juvenile males were handled. One missing person, (over 17), was reported but she

voluntarily returned.

Of the runaways, one is an habitual runaway and was arrested and transported to the Wayne County Youth Home. This youth was filed upon in Wayne County Juvenile Court. The other three seled by the YSD. Four applications for peti-

tion were filed with Juvenile Court for September. These involved four males and one female.

The total breakdown of cases shows VCSA, 27; lacceny/theft, nine; vandalism, seven; other assaults, stolen property laws and runaways, three; robbery, offenses against family and suspicious persons, two, and fraud, child molesting, drunkenness, other criminal contacts and missing persons, one.

We know you can't always get to the bank during bankers hours. So we did away with them.

And came up with People Hours.

People Hours are extra long hours. From 10:00 a.m. till 7:00 p.m. Monday, Thursday and Friday. They make it pretty convenient for you to do your banking.

And that's not just for check-cashing. When our offices are open, they're open to handle our complete range of banking services. From loans to mortgages to savings accounts to checking accounts to everything.

People Hours.

They mean you can bank when you want to. Instead of when most bankers want you to.

"That's my bank"

If it weren't for our people, we'd be just another good bank.

The councilman expressed pleasure in the total attendance figures for the months of June, July and August, which stood at 181,516 — an increase of 8,852 persons over the same period last

Mr. Freeman also noted an attendance jump in August 1973 over August 1972 of 24,-396 persons, (68,240 individuals, including 57,530 residents and 10,710 guests, went through the gates this year). On the pool facility, Parks and Recreation Director

Donald J. Hallman said, 'The large number of individuals using the pool facility at the Lake Front Park resulted in a somewhat adverse effect on the pool water in that our filtering system continues to prove to be incapable of maintaining clear water on crowded days."

After reading this sentence to his colleagues, he moved that the item be referred to the Committee of the Whole

#### Expand Club's Swim Program

The Masters swimming program conducted jointly by the Grosse Pointe Swim Club and The Department of Community Services has been extremely popular. After a pilot five-week session the club has decided to expand the next session to 10 weeks beginning today, Thursday, October 25.

Masters AAU swimming is available to men and women from 25 to 75. Head Coach Tim Kennary of the Grosse Pointe Swim Club conducts the workouts based on a person's ability, and also spends considerable time with stroke work for the participants.

If you desire to swim two times a week the fee is \$20. Three times a week is \$30.

The workouts are from 9:30 to 10:30 p.m. at North High's pool. There are still a few openings available in the new session. It is not necessary that swimmers compete in Masters AAU meets.

For more information on how to enroll call Community Services at 885-3808, or Mas-ters Chairman Jack Shook at

#### The proposed amendment is: CHARTER AMENDMENT "E'

'BE IT RESOLVED, that Chapter 16, of the City Charter, be amended by adding a section to read as follows:

#### Cost-of-Living Adjustment

Section 16.42. The amount of each retirement allowance having an effective date on or after December 31, 1973, shall be redetermined each January 1, beginning January 1, 1975, or the January 1st, which is at least 12 full months following the effective date of the retirement allowance, whichever is the last to occur, and such redetermined amount shall be the basis of payments for an ensuing year. Subject to the maximum stated in the next sentence, such redetermined amount shall be equal to the amount of retirement allowance otherwise payable multiplied by the following fraction: the numerator shall be the average of the Consumer Price Index for the 12 calendar months ending with the month of November immediately preceding the January 1st of redetermination, but in no event less than the denominator; and the denominator shall be the average of the Consumer Price Index for the 12 calendar months ending with the month of November in either (i) calendar year 1973, or (ii) the calendar year in which the retirement allowance becomes effective, whichever is the last date to occur. In no event shall such redetermined amount be less than the amount of retirement allowance otherwise payable, nor more than the amount of retirement allowance otherwise payable increased by 2.5 percent for each complete year in the period between January 1, 1974, or the effective date of the retirement allowance, if more recent, and the January 1st of redetermination. As used in this section, the "amount of retirement allowance otherwise payable" means the amount of retirement allowance which would be payable without regard to the provisions of this section. As used in this section "Countries Price Index" means the Consumer Price Index for urban wage earners and clerical workers, as determined by the U.S. Bureau of Labor Statistics and in effect December

31, 1973, and as it may, from time to time, be amended. Should the Bureau of Labor Statistics adopt a new base or modify the method of computation of the Consumer Price Index in any way so as to render it unsuitable in the opinion of the Board of Trustees, the Board of Trustees shall make appropriate adjustments. If the Consumer Price Index is no longer published, the Board of Trustees shall choose another index which it deems appropriate for the purposes of this

In the case of a retirement allowance payable to a person upon the death of a retirement member, the effective date of the retirement allowance shall be the effective date of the deceased retired member's retirement allowance.

Section 4.2. Each Councilman and the Mayor, shall receive as compensation fifteen dollars (\$15.00) for each regular/special meeting of the Council which he attends, but the compensation so paid shall not exceed four hundred dollars (\$400.00) in any year, such year to be determined as commencing as of the Monday following the Regular City Election. The Mayor shall, in addition, receive the sum of two hundred dollars (\$200.00) per year for each year of his term of office served.

Such salaries shall be paid monthly and except as otherwise provided in this Charter shall constitute the only compensation which may be paid the Mayor or Councilmen for the discharge of any official duty for or in behalf of the City during their term of office. However, the Mayor and Councilmen may, upon order of the Council, be paid such necessary Bona fide expenses incurred in service in behalf of the City as are authorized and itemized.

#### The proposed amendment is: CHARTER AMENDMENT "F"

#### Compensation of Mayor and Councilmen:

Each Councilman shall be paid an annual salary of Seven Hnudred Twenty Dollars (\$720.00) per year; such year to be deemed as commencing the Monday following the regular City election. The Mayor shall be paid an annual salary of Nine Hundred Dollars (\$900.00) per year; such year to be deemed as commencing the Monday following the regular City election.

Such salaries shall be paid monthly and except as otherwise provided in this charter shall constitute the only compensation which may be paid the Mayor or Councilmen for the discharge of any official duty for or on behalf of the city during their term of office. However, the Mayor and Councilmen may, upon order of the Council, be paid such necessary bona fide expenses incurred in service in behalf of the city as are authorized and itemized.

#### Existing provision of the Charter:

#### COMPENSATION OF PRESIDING OFFICER:

Section 15.4. The presiding officer of the Court shall receive such annual compensation as shall be fixed by ordinance, but not less than twelve hundred dollars nor more than three thousand dollars per year. The ordinance fixing his salary may not be amended less than sixty days before the next election at which a person is to be elected to the office nor may his compensation be changed during the term of office for which he was elected. Until otherwise provided by ordinance the salary of the office shall be eighteen hundred dollars per year.

The salary for the office provided by charter or ordinance shall be in lieu of all fees, both in civil and criminal cases, to which the presiding officer might be entitled but for the provisions of this section, except those for the performance of marriage ceremonies and for administering oaths in matters not connected with suits and proceedings in his court.

The compensation paid to any Judge or justice to whom a case is transferred under the provisions of Section 15.11 shall be deducted from the compensation of the presiding officer of the Court; provided, however, that such deductions shall not be made because of disqualification, because of interest in the case or because of absence from the city on official business of the Court.

#### The proposed amendment is: CHARTER AMENDMENT "G"

#### Compensation of Municipal Judge:

The Municipal Judge of the Court shall receive such annual compensation as shall be fixed by ordinance, but not less than twelve hundred dollars (\$1,200.00) nor more than six thousand dollars (\$6,000.00) per year.

The salary for the office provided by charter or ordinance shall be in lieu of all fees, both in civil and criminal cases, to which the presiding officer might be entitled but for the provisions of this section, except those for the performance of marriage ceremonies and for administering oaths in matters not connected with suits and proceedings in his court.

The compensation paid to a Judge to whom a case is transferred under the provisions of Section 15.11 about he adducted from the compensation of the preciding officer of the Court provided.

15.11 shall be deducted from the compensation of the presiding officer of the Court; provided, however, that such deductions shall not be made because of disqualification, because of interest in the case or because of absence from the city on official business of the Court.

# Fire Inspections

By James J. Njaim

The Park Fire Department is going all out in its effort to instill fire safety in the minds of the citizens of the community, not only during Fire Prevention Week, which was October 7-13, and during October which is Fire Prevention Month. The department hopes to keep residents fire safety conscious throughout the entire year, according to Fire Chief Phillip Costa.

During Fire Prevention Week, the chief disclosed, Sgts. Anthony LaBonty, Joseph Block and Lee Fallieres visited all elementary schools in the city and gave 45-minute lectures to all students on the hazards of fires, how to prevent them, and what to do in the event fire should strike.

The schools they visited vere Trombley, Defer, Christian Day, St. Clare de Montefalco and St. Ambrose. The latter school is located over the border line of the Park-Detroit city limits, but is considered a Pointe School. St. Ambrose Church is located within The Park.

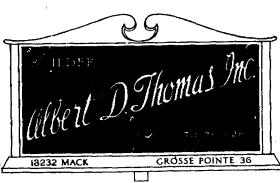

Chief Costa said the house to-house inspection on the north side of Jefferson ave nue is still continuing, and it will be several weeks before it will be completed.

"If a fire inspector finds no one at home," Chief Costa said," "he would be only too happy to return at a later time. If any fire hazards are found, this is noted and given to the householder and it will be up to the residents to clear away these hazards. No one will be cited for violations.

"Also, no fire inspector is permitted to enter a home without the householder's permission. The inspection is not compulsory, but we hope that the citizens will cooperate. Our aim is to prevent fires by pointing out hazardous conditions and how they can be eliminated.

"This year, inspections are conducted on the north side Cronin, 78, of Trombley road, were held Wednesday, ken unto you, that in me ye the south side. #### Variety 'Spices' Life at Ferry

The Ferry School faculty has drawn some interesting conclusions about sixth grade students. For one thing, they don't like sitting still for long periods of time. Neither do they like to be with the same teacher all day long. They do like having a choice of classes one class to the other now and then.

Acting on their observations, the faculty of Ferry School has organized an elective program that includes crafts, drama, art, library, instrumental music, extra physical education and a "special interest" class.

The program draws on the talents of the school music teacher, physical education instructor and elementary research teacher in addition to the regular sixth grade classroom teachers. Each teacher chose subjects in which he or she was most interested and competent.

Academic classes last for 50 minutes, and are held four days a week. Non-academic classes meet Monday after-noon. Friday morning and the last two periods of each day, with the length of class varying in time from 30 to 40 minutes depending upon the day.

Students are given their choice of courses in the nonacademic group.

In an effort to establish more solidity between students and their teacher-counselors, Ferry School also has provided students with an opportunity to spend longer periods of time with their homeroom teacher,

The sixth graders seem to be responding positively to the counseling program and the introduction of the special courses has met with great enthusiasm.

There's a world of difference between accusation and

Halloween is a time of joy and anticipation for youngsters of all ages, (particularly those between five and 12). It's a time when Pointers can contribute to a worthy cause—the sack of a georgeously costumed little goblin.

Many parents put in long hours creating a costume for their children. One cannot describe the joy of Mom and Dad when their son or daughter, in complete Halloween dress, exits the front door in wonderous anticipation of bringing home a collection of tasty goodies.

You can make sure every "trick-or-treat" representative in the community has a happily memorable Halloween by dropping something delectable

The reward is great—the smile and a "thank you" from a clown, policeman, ghost, hobo, ballerina, or possibly a pirate. What could be nicer?

#### . . But Nix The 'Devils'

"Devil's Night," the evening before Halloween, brought out the worst in some 200 teenagers in The Woods last year. At that time, the youths created what Woods police called a "near riot" situation in the area of Barnes and Our Lady Star of the Sea Schools by blocking streets, starting fires, throwing eggs at civilian vehicles and scout cars and pulling up traffic signs.

Hopefully, this year those few amateurs with destructive tendencies towards community property will realize they're not only hurting their neighbors but also themselves.

Everyone in The Pointe must cooperate in making sure such activity doesn't transpire. For not only is it a blight on the area as a whole and a waste of time, manpower and money, but the potential for someone getting seriously hurt is great.

Let's think of the kids on Halloween night, too. They look forward to "trick-or-treating." Why possibly spoil it for them?

This week's topic is new STRANGER AT THE cooks the library has re-GATES which sweeps from books the library has received which may be of par-

ticular interest. If you feel yourself falling apart at the seams, try THE DO · IT · YOURSELF PSY-CHOTHERAPY BOOK by Martin Shepard. The cover reads amusingly "Try get-ting it all together on your own before you give your time and money to someone else." The book is no panacea, but it is more than a beginning at better self-understanding.

The author is a psychiatrist — totally honest, totally unconcerned with conventionality, totally caring about finding new and better ways to help others cast off the handcuffs of the past and release the brakes that keep them from leading the lives they'd really like to live.

He received his M.D. from the New York University College of Medicine, has been chief psychiatric resi-dent at Mount Sinai Hospital; consulting psychiatrist to the New York State Family Court, the New York City Board of Education and the New York City Department of Corrections; and co-director at Anthos, a growth center in New York.

It is suggested that this book can help "normal" people to enrich their lives, as well as help those who do need help.

If you are interested in urban affairs, read THE URBAN WILDERNESS by Sam Bass Warner. This is a history of the American city. The author uses the American past for present purposes. From the book's discussion of the planning of early New England towns to the development of the modern automobile metropolis -with case histories of New York, Chicago and Los Angeles — it cuts through the confusion of history to point to the rise of tradition that controls and constricts today's cities. It illuminates our time. The book is in the the way to genuine changeover against popular panic and official opportunism.

Mr. Bass has lived in

Boston, St. Louis and Ann in all the 28 years he was in Arbor. He has worked on an the White House post. This led Mrs. Wetzel, who sees her life's work as providing knowledge to people who want to learn, on a search for source materials from which Camp Fire could develop a definitive program aimed at each of its four age levels.

Permission was obtained from Eastern Michigan University to utilize an in-writing program as a base. June Murphy of the Camp Fire professional staff went to work adapting it in terms of Camp Fire ideals and conforming it to the recreational and learning activities of girls apart from the schoolroom.

"Comprehensive" best de scribes the new Safety Program. A booklet of learning projects has been written for each Camp Fire level: Blue Bird (ages 6-8), Adventurer (9-11), Discovery (12-13) and Horizon Club (14-17).

Girls completing specified projects in several categories will earn honor discs.

Responsibility increases with the age levels of the Camp Fire participants. One project designed for junior

high girls is a Safety Town: "Set up a miniature 'Safety Town' in a large area like a parking lot, to use for teach ing safety to young children. The students should attend a total of 10 hours of class. Use cartoons, games and other aides to make learning fun. Allow time for practice."

Safety projects for high school age Horizon Club members include defensive driving classes and information on the myraid hair preparations on the market.

Camp Fire Girls Detroit Area Council is the first UCS (United Foundation) agency to offer a wide-ranging safety program to its constituency. This Safety Program will be considered by National Camp Fire for use among the organization's 400,000 members.

In evaluating the new Camp Fire program - "Play It Safe"-Mrs. Wetzel notes, "It's good because children can relate to it and begin experiencing safety, since its

# IN TIMES LIKE THESE A COUPON LOOKS PRETTY GOOD

You know what meat prices are today and so do we. It's clearly time

for some good old American ingenuity.

Above is the Eckrich Blank Check. It's an invitation to try our products and at the same time save as much as you'd like -- from a quarter up to a dollar - on your meat purchases this week. The offer is good on our Smokees, Smok-Y-Links, Fresh Pork Sausage, 12 oz. and 16 oz. Bologna, and our many varieties of Hot Dogs.

How much you save is up to you. But whether you save a quarter on a package of Hot Dogs, or take full advantage of our offer by

trying four different Eckrich products and saving a dollar, you'll be saving a lot more than we could give you with just a coupon.

This isn't a giant giveaway, obviously. It's nothing more than a good business move, designed to help you cut your expenses during these times of rising food prices. In doing so, you'll help us by increasing our volume.

By responding to your needs, we solve our needs. You don't have to be president of the company to realize that's the best way to do business and make new friends. «1973 Peter Eckrich & Sons, Inc., El Wayne, Indiana

Art With A Pointe Slant

There's a definite Pointe slant to the exhibition of recent portraits and paintings by Joseph Maniscalco which premiers at the Scarab Club with invitational champagne receptions this Sunday afternoon and Monday evening.

The exhibit will be open to the public Tues-

day, October 30, through Sunday, November 4, 10 to 4 o'clock weekdays, 1 to 4 o'clock Saturday and Included in Mr. Maniscalco's display is his first

portrait of the children of Mr. and Mrs. Hal Cornelius and his portraits of the children of Mr. and Mrs. Hugh Daly and of George Simon.

Another section will feature portraits of characters from last year's Grosse Pointe Theatre production of "Fiddler on the Roof," which the artist used to illustrate his April lecture and demonstration at the Grosse Pointe War Memorial.

Most recent painting in the exhibit is Mr. Maniscalco's portrait of Mr. and Mrs. Lee Schoenith, the artist's contribution to last spring's Grosse Pointe Academy Action Auction benefit.
