## HEADLINES

### of the WEEK

As Compiled by the Grosse Pointe News

Thursday, November 22

**THREE TOP ENERGY ADVISORS** to President Nixon have announced that, for the present, the nation will not have to resort to rationing gasoline or banning Sunday driving to fight the fuel shortage. Neither will drivers have to endure a 30c tax on gasoline. The White House may approve, instead, a Sunday or weekend ban on gasoline sales in an effort to curb weekend trips that burn up an estimated 10 percent of the gasoline sold weekly in the U. S.

Friday, November 23

**A FORD MOTOR CO. OFFICIAL**, John A. Swint, and his three bodyguards were ambushed and killed as they were returning home from work in Cordoba, Argentina. Swint, the general manager for the Ford subsidiary in Transax, S. A., was gunned down in what local police described as an outright assassination. Investigators reported the killers, about 15 in all, fired machine guns from their cars after they had blocked Swint's car and the car that his bodyguards were in. Neither police nor Ford officials could give any motive for the killings.

Saturday, November 24

**GENERAL MOTORS** announced plans to shut down 15 of its national plants for a week just before Christmas vacation. The layoffs, beginning December 17, are intended to "balance dealer inventories." Dealers are experiencing a far larger demand for G.M.'s smaller cars, and their plants that produce the smaller cars have been working overtime.

Sunday, November 25

**THE UNIVERSITY OF MICHIGAN**, in spite of a fine battle that ended in a 10-10 tie with Ohio State, Saturday afternoon, will not be going to the Rose Bowl this year. In a decision that surprised even Ohio State coach Woody Hayes, the Big Ten athletic directors selected the Buckeyes as the team to meet Southern California in the bowl game. The Big Ten coaches voted 6-4 in Ohio State's favor; one vote short of a split decision that would have automatically sent the Wolverines to Pasadena, since the Buckeyes went last year.

Monday, November 26

**PRESIDENT NIXON** has taken emergency measures to cut by 15 percent, the amount of gasoline and home heating fuel available to Americans. In a televised national address the president asked gas stations to voluntarily close down their pumps at 9 p.m. on Saturdays to 12 midnight on Sundays. He will officially ban Sunday gasoline sales when Congress gives him the authority. As part of his emergency energy legislation, subject to Congressional approval, the president also plans to impose a 50 m.p.h. speed limit for automobiles across the nation. Beginning on January 1, rationing of home heating will start and deliveries will be reduced by 15 percent for homes, 25 percent for business places and 10 percent for industrial uses.

Tuesday, November 26

**ROSE MARY WOODS**, longtime personal secretary to President Nixon, testified before Federal Judge John J. Sirica that she was responsible for erasing 18 minutes of one of the key Watergate tapes. Mrs. Woods was cross-examined for four hours while she tried to explain to a packed court how she had wiped out the only portion of the subpoenaed tape that related to Watergate, a conversation between Mr. Nixon and his former chief of staff, H. R. Halde- man.

## Meet North High's State Champs

North High's cross country team brought the school its first State championship in athletics Saturday, November 3, when the harriers finished "number one" in the State cross country meet in Grand Blanc. Team members in the front row, (from left to right), are Senior JOHN DIMERCURIO, Senior TOM HAMMER, Senior ED BRENNAN and Senior DAVE MARSTILLER. In the back row, (from left to right), are Assistant Coach J. D. EDWARDS, Junior JIM FISHER, Senior GARY KOPACKA, Sophomore BOB PELEMAN and Coach TOM GAUERKE. All members ran a collective, estimated total of 14,000 miles since June 1 in preparation for the State meet, Coach Gauker reported.

## Men's Night In 'Village' December 4

Popular Event in 'Christmas Street' Makes It Pleasant for Males to Get Shopping Done

Men's Night in the Village, perennially popular event, will be held Tuesday, December 4. This is the evening set aside each year for "boys" from 16 to 96 to do their Christmas shopping with no interruptions from the distaff side.

This is the 28th year for the Grosse Pointe Village Men's Night which was initiated to give "the man who pays the bills" a chance to reign supreme in the stores for one night out of the year.

**Red Carpet Treatment**  
Every store on "Christmas Street," (Kercheval avenue between Cadieux and Neff) will give him the red carpet treatment and special attractions are planned for "his" evening. Strolling musicians will provide street music, giant spotlights will light the sky at both ends of the Village shopping area and Kercheval avenue will be in its best holiday dress.

Inside each store special attractions are planned as husbands, fathers, boyfriends, and brothers shop for Christmas gifts, completely uninterrupted.

Special sales help will be on hand to assist in selection and all stores are brimming with giftworthy items.

## Vandalism at SH Slight During Construction

By Kathy Duff

At the November regular School Board meeting, a resident questioned Benjamin Zena, director of administrative services, on the extent of vandalism at South High School during its recent construction.

"I don't have the exact figures with me, but I can tell you that it was minimal," Mr. Zena commented. "I know that in speaking with the contractor, Frank Richards, he said that we were lucky not to have had more. The two instances of vandalism brought to my attention were the spray painting of a brick wall and the theft of speakers and telephones. All this, of course, was covered by insurance."

## North High Athletes Honored at Big Fall Sports Awards Night

Awards Presented to Members of The Football Squad and Cross Country Team; Golfers, Swimmers, Timettes and Cheerleaders Also Cited

Members of North High School's undefeated football squad and its State champion cross country team were among those honored last week at the 1973 Fall Sports Awards Night. Athletic director Ed Wernet conducted the program, which also included awards for golf, girls' basketball, girls' swimming, timettes and cheerleaders.

Films were shown of the State cross country meet at Grand Blanc, Saturday, November 3, in which 18 teams from nine Michigan regions competed. Members of the team which brought North its first State championship in any sport were honorary captain Tom Hammer, most valuable runner Ed Brennan, Jim Fisher, John DiMercurio, Dave Marsteller, Gary Kopacka and Bob Peleman.

**Named All-Stater**  
Hammer was named to the All-State cross country team for the second consecutive year. Hammer, Brennan, Fisher and DiMercurio were named All-Bi-County.

The team, coached by Tom Gauker, had a 6-0 record in dual meets and had won the Bi-County and Regional meets prior to competing at the State level.

Other North cross country runners are Mike Andery, Clay Carson, Randy Cook, Mark Curtis, Bob deClaire, Bruce Duncan, Tom Huettner, Greg Kopacka, Dave Lewis, John Piggins, Brian Pourcho, Joe Przeslawski, Richard Quijones, Bob Seccord, Bob Trombley, Craig

Van Vliet, Mark Wickard and Bill Weidenbach.

**Gridders, Golfers**  
Football coach Jim Krueki introduced his team, which had a 9-0 record for the season. All Bi-County winners were Bob Beyer, Theodore Georgeson, David Graham, Stephen Gregson, Mark Johnson, Paul Kappaz, Fritz Lehmann, Gary Maier, Daniel Ottoni, John Puleo, John Quinn and Doug Ulmer.

Puleo was named the most valuable player in the Bi-County League, and Krueki was named the Metro East coach of the year. Other football awards will be made later at a team banquet.

The North golf team, coached by Ray Ritter, had a 10-2 record for the season. Its members include Bill Atkin, David Baston, Dick Danforth, Jeff Johnson, Tom Lasher, Jim Marshall, Norm Thomsen and Bob Thomsen. Thomsen was named most valuable player.

**Girls' Sports**  
In girls' basketball, All Bi-County honors went to Gail Rickerman. Other team mem-

## Tax Collection Fees Waived

Based upon the recommendation of City Treasurer Helen L. Fox, The Woods Council unanimously passed a resolution regarding the waiver of collection fees on county, school and drain taxes. This action was taken at the regular meeting Monday, November 19.

The resolution notes that the council directs that the collection fee as provided by statute on county, school and drain taxes for 1973 be waived for all taxes voluntarily paid prior to February 15, 1974, and that the collection fee of four percent of the taxes be added after that date, and, further, that the city treasurer be authorized to honor post marks designating posting of February 14, 1974.

## Parked Cars Attacked By Vandals

Hundreds of Dollars Damage to Autos Inflicted in Farms, Park and City

Vandals apparently were working overtime during the dark hours of Wednesday, November 21, and Thursday, November 22, inflicting hundreds of dollars in damage to windshields and windows of parked cars in The Park, City and Farms.

The heaviest damage was caused to car owners in The Farms, where police received eight reports. The Park authorities received four complaints and The City, one.

Rudolph Schneider, of 463 LaBelle, told Farms police he had parked his car in front of his house on November 21. The next morning he discovered the windshield shattered. It will cost \$150 to replace the glass, he said.

Vandals smashed the windshield and the left and rear windows of an auto belonging to Dorian Griffin, of 1524 Oakland, St. Clair, Mich., the windshields of cars belonging to Mrs. Evelyn Griffin, of 1747 Meadowlark, Toledo, O., and David Griffin, of 490 Bournemouth. All were at the Bournemouth address. Damage was estimated at a total of \$350.

**Varied Estimates**  
Dorothy Noren, of 309 McKinley road, informed police the windshield and both the left and rear windows of her vehicle was knocked out. Damage was said to be about \$300.

Charles Schneider, of 628 Stinchcomb, Columbus, O., notified the authorities, that his car was parked in front of the home of his father-in-law, Max Gardner, 435 Barclay, during the night. The next morning he discovered his windshield and windows on the left and right side of his auto smashed out. He set his damage at \$300.

Farms Patrolman Vincent Peters, while cruising by the home of Jack Moran, 409 Moran road, noticed a car parked in front of the residence with a smashed windshield and rear window. The vehicle is registered to Fred Moran, of 685 Neff road. It was estimated that it would cost \$150 to replace the glass.

Marian G. Kingwell, of 445 Moran, told police her car was parked in front of her

## Shores Accuses Incinerator Plant Of Double Billing

Cities Discrimination over Charges Made on Non-Burnable Items Being Taken to Landfill; Letter Unanswered

By Kathy Duff

The Shores is pretty burned up over the last few bills it has received from the Grosse Pointe-Clinton Refuse Authority. The Authority, which has jurisdiction over the \$6,000,000 incinerator built in Clinton Township, has been double billing The Shores for "non-burnables" the village transports to a landfill.

"It's more expensive for a city to burn its rubbish at the incinerator than to bring it to a landfill," Village Superintendent Thomas K. Jefferis explained at the last council meeting Tuesday, November 20.

"All burnables have to be taken to the incinerator; the landfill is just for items which cannot be burnt such as old washing machines, bed springs, old refrigerators, etc.

**Order Open Trucks**  
The Authority felt that some cities were taking burnables to the landfill to lower costs. For this reason, they made an arbitrary ruling that all non-burnables had to be taken to the landfill in open semi-trucks, while trash for the incinerator had to be brought in standard garbage trucks.

"Our problem is that we don't have any flat bed trucks; all The Shores has are three packer garbage trucks. So they have been billing us both for incinerator use and landfill use," Mr. Jefferis said.

The Village superintendent told the trustees that he had written a letter to Edward Hoover, superintendent of the incinerator. So far, no answer has been received on his letter.

"Mr. Hoover said that they cannot check every load to the landfill, so they made the decision that non-burnables must be carried into the landfill in open semi-trucks." The trustees, especially C. Bradford Lundy, Jr., who is The Shores' liaison officer to the Authority, agreed with Mr. Jefferis that they were being discriminated against. Mr. Jefferis estimated that the village had been overcharged \$257 in August, \$335

## Correction!

In last week's issue of the NEWS, it was reported that the Grosse Pointe Park Police Officers Association ratified a two-year contract that will increase their annual salary to \$1,840. This should have read that this increase will have been reached by July 1, 1974. Under the terms of the contract, a four-year or more veteran of the force's salary has been raised from \$12,660 to \$13,500 (retroactive to July 1, 1973), to \$14,000 by January 1, 1974. This will be upped to \$14,500 on July 1, 1974.

## All Matters on Agenda Cleared by Park Council

At its meeting held on Monday, November 26, the members of The Park Council witnessed the swearing in of Councilman George Verdonck, who was re-elected to his third four-year term to the council.

Verdonck, who was retained as councilman at the November 6 election, was absent during the administration of oaths to Mayor Matthew Patterson, and incumbent Douglas Graham and the new member of the city body, Camille Peterson, the first woman in Park history elected to a council seat. City Clerk Nunzio Ortial administered the oaths.

Following the swearing in, the council then accepted the

## Fuel Crisis May Alter Schedule

Board Votes to Wait for Directives from State Before Making Own Decision

By Kathy Duff

The School Board meeting Monday night, November 26, was somewhat of a treat because the Board members actually discussed an issue. It's become standard operating procedure for this year's School Board to merely announce their consensus opinion and vote unanimously after hashing out their views in executive session.

The topic was Christmas vacation, or how to schedule the vacation to preserve the most amount of heating and electric energy and still cause the least upset to students, teachers and parents. Joan Hanpeter, a trustee, made the suggestion that the opening days, Thursday and Friday, January 3 and 4, be dropped in order to save heating the buildings on those days. Her reasoning was that most students take a few days to calm down from vacation, and that classes should start on Monday so that the students have a full week before the weekend. She also mentioned the fact that absenteeism is high on those two days.

The "lost" days would be picked up in June.

**Huetteman Opposes**  
Opposing her view was William Huetteman, another trustee. He thought that the Board should wait for directives from the State before taking any action.

"If we now become patriotic and drop a few days from our January schedule, then we could find ourselves faced with a directive from the State that orders every school system to drop an additional two weeks, in addition to the days we have already dropped. I would just like to sit tight, and announce that we are willing to comply with recommendations made by the State."

"For example," Mr. Huetteman continued, "I know a man who has a farm. This November, he has no gas because last November he wasn't at the farm so he used no gas. So this year, he can't have any gas. It's arbitrary rulings like this that the government makes, so I don't want us to get caught."

**Would Take Initiative**  
It was clear that Mrs. Hanpeter thought that the Grosse Pointe School Board should take the initiative.

"We have never been known as a school board to sit back and wait for others" (Continued on Page 2)

It's not every day someone requests entrance to the NEWS offices by scratching on the front door window but a flamboyant feline did exactly that on Monday morning, November 26.

And since that time, employees have acquired a new-found friend.

But, alas, according to the cat's meow, it wants its mistress or master. "I appreciate all you have done for me, including the fine cardboard box, the tasty morsels, (I'm not as finicky as Morris), and, (blushing), kitty litter, plus the comfy nighttime accommodations in the ladies' washroom, but I miss my owner," purred the cat.

"In an effort to trace my one and only," the kitty continued, "my description is as follows: male, goldish brown in color with a tiger striped tail and white paws, and I'm wearing a green collar with circular gold decorations. I also have a small scratch on my nose."

If you're missing this lovable little creature, call the NEWS at 882-6900 for further information.

## Saint John To Present Yule Cantata

North High Choir Featured in Series of Programs

Saint John Hospital will once again present its Christmas Cantata for its patients and friends during the holiday season.

The General Motors Chorus will appear on Saturday, December 8, at 1:30 p.m. Since its founding in 1933, the GM Chorus has become one of the most popular and active musical organizations in the Detroit Metropolitan area.

Frank Murch, conductor and pianist, is serving his 17th year as director. His accompanist is John Hopkins.

On Monday, December 10, at 7:30 p.m. the "Judelaires," a mixed group of 23 adults, will present a balanced program of popular, modern and traditional music.

The group was organized some 20 years ago as the Saint Jude Choral Group and was under the direction of Mrs. Geraldine Echeverro. Its current director is Bernie Beutel. Miss Barbara Mangipane is the accompanist.

The Chevrolet Glee Club will appear on Wednesday, December 12, at 7:30 p.m. This group, which has appeared on radio and television, was organized in 1932, and has the distinction of being the senior Choral Group in the Automotive Industry. It is under the direction of Pat Devlin. Melvin Zeidler is the accompanist.

**NH Choir**  
The 88-Voice Concert Choir of North High School, under the direction of Herman A. Clein, will appear on Thursday, December 13, at 7:30 p.m. Mr. Clein has been affiliated with the Grosse Pointe Public School System since 1960. Prior to joining the staff of North High, he was at Pierce Middle School and South High School.

Performing with the choir is a nine-voice female ensemble known as "The Honeytones," a mixed group of 22 voices, "The Pointe Choral," and a string ensemble.

(Continued from Page 1)

during construction are spray painting of the exterior wall and at an interior corridor. One of the biggest problems with most projects is glass breakage. To our knowledge, there was none on this project.

The comments of the contractor, Mr. Richards, of Matthew Lalawicz, Inc., echoed those of the architectural firm. Mr. Richards said that the extent of malicious mischief and vandalism was less than the average experienced on most school projects.

"The only significant occurrence was the theft and damage to speakers and telephones. It's questionable whether this can be attributed to normal vandalism because these accessories, most likely, were stolen by individuals who especially went after them," Mr. Richards said.

Assessing the total amount lost to vandalism, Mr. Zenn priced the intercom system at \$5,600 which was covered by insurance. As far as the spray paint job on the wall, he said that the paint had a water base and thus cost less than \$100 to remove.

"I'm grateful to the students and to the community residents who helped to make this project one which enjoyed a minimum amount of vandalism," Mr. Zenn said. "I think that it was particularly exceptional that there were no instances of glass breakage during the project, which is the usual target of vandals."

Mary Lou Miszcak, Rebecca Peterek, Mary Rica, Donna Schmidt, Carol Sobieski, Christine Szejbach, and Donna Trupp. The team, coached by Margaret Spindler, had a 3-2 record.

**Silver Charms**  
Boys in freshman cross country, coached by J. D. Edwards, were Anthony Audon, George Auch, Daniel Beck, Joseph Ciarravino, James Dancy, Donald Ford, Kenneth MacKenzie, Curtis Major, Dankel Paterek, Luke Przeslawski, Dale Savage, Paul Shulek, Jeffrey Stafford, Robert Stofflett, Steven Trupiano, Jeffrey Van Gelderen and Gary Wood.

Timettes, who received silver charms from the cross country runners, were Sally Hibbard, Kyle Morowski, Dee Dee Eurs, Patti Weaver, Carol Hammer, Ann Curtis, Karen Marshall, Robin Russell, Debbie Pittel, Kim Hughes, Wendy Barr and Karen Zaleski.

Others are Patti King, Chris Versichel, Sue Mogk, Janet Evanski, Kim Bolinger, Peri Mavian, Debbie Maxey, Kathy Stanek, Sue Reinhard and Moogie Schneider.

Varsity cheerleaders are Nanelle Filippelli, Marie Jara, Leslie Rauen, Chris Peleman, Lynne DeClaire, Sheryl Duster, Mary Kirk Bernis and Mary Jo Miserendino.

Junior varsity cheerleaders include Cheryl Hamilton, Dena Shelton, Karen Martin, Kristin Queen, Leann Fronging, Maria Perez, Kathy Allen, Cindy Jevons, and alternates Kim Stricker and Cindy Hoffman.

Freshman cheerleaders are Mary Aubrey, Denise Filippelli, Kim Paradee, Sharon Ziolkowski, Patti Hallmann, Sally Rauen, and alternates Barb Eroo and Helena Perez. The cheerleaders are coached by Mrs. Linda Ritter.

The 1973 Fall Sports Awards Night was sponsored by the Grosse Pointe North Athletic Booster Club.

### Library Film Forum Tonight

Thursday, November 29, is the date reserved for the second film in the Friends Film Forum series, jointly sponsored by the Friends of the Grosse Pointe Public Library and the Grosse Pointe Public Library.

The classic film selected is "Anastasia" with the cast of Ingrid Bergman, Yul Brynner, Helen Hayes and under the direction of Anatole Litvak.

Ingrid Bergman, an Academy Award winner, portrays a mysterious woman living in Germany, who rumor claims, may be the last surviving member of the Romanoff family of Czars. Whether the claim is discovered to be true develops into an exciting film.

The movie will be shown in the Exhibition Room of the Central Library, 10 Kercheval, at 7:30 p.m., and the general public is invited. For additional information, please inquire at the Circulation Desk, or call the Audio-Visual Department at the Central Library, 884-2200.

### Double Billing

(Continued from Page 1) in September and about the same amount in October.

Village President Gerald C. Schroeder noted that the percentage the Authority was overcharging was slight in relation to the incinerator's total operating budget, but that the overcharge was severely felt in a small community like The Shores.

He estimated that it would cost the village about \$3,000 annually if the method of assessment were not changed. "Until I hear from Mr. Hoover and we get this problem straightened out," Mr. Jefferis said, "I have told the DPW not to take any more non-burnables in garbage trucks to the landfill." At least that's a temporary solution to the problem.

to act," Mrs. Hanpeter commented. "We have set a standard for ourselves for taking the initiative."

Robert D. Warner, president of the Board, said that there would be another School Board meeting before the vacation.

"At that meeting, we will have time to reconsider all recommendations," Mr. Warner said. "If there is no directive from the State, we will take steps to form our own policy. This will also give the administration time to study the school schedule, determine what these kind of changes would do to the school year, and make recommendations."

Mr. Huettefman had one more consideration to bring before the Board.

"I have two kids in high school and there are all kinds of rumors going around about Christmas vacation. Some say that they are going to get an extra two weeks of vacation, some say that they will get a whole month off."

"I think we should make a statement that, to this date, no recommendation has been made to close the schools. If the governor suggests something else, then we will

consider it." The vote on Mr. Huettefman's proposal was 5-0-1, with Mrs. Hanpeter abstaining.

Another trustee, Laurance Harwood, asked if any of the Neighborhood Club activities, which take place in the schools, would be curtailed.

"The Neighborhood Club is aware of our problem, and we have discussed it," Benjamin Zenn, director of administrative services, replied. "We are continuing to analyze the situation, because sometimes a building is opened and there is only one user."

"If we do close the schools for a longer period, then the need for such programs as the Neighborhood Club sponsors is magnified. After all, not everyone goes to Vail." Mr. Warner said with a grin directed at some fellow Board members.

Mrs. Hanpeter noted that some of the Club's activities, such as basketball, could be played in lower degrees, so that they should not be affected by the energy crisis. The trustees agreed to continue discussion of the problem at the next meeting of the School Board in December.

**New Christmas Bookmarks**

The Grosse Pointe Public Libraries have new and original Christmas bookmarks this year. They are the effort of North and South High Schools' Art Departments. The "Seasons Greetings" bookmark, (left), is the work of North's Sandy Battaino, while the "Peace and Joy," (center), and "Joyous Christmas Greetings," (right), feature the drawings of

South's Margaret Maurer and South's Meg Waddell, respectively. The Libraries selected Leigh Morris', (South), Christmas boxes to use on the cover of their Adult Christmas Book List. There were 31 entries from the two schools. There will be an exhibit of these in the Central Library sometime in December.

**City Swears in New Officials**

City Manager Thomas Kressbach administered the oath of office to newly-elected council officials at the start of the regular City Council meeting Monday, November 19.

Sworn in as mayor for his second term was John L. King. George Henry and Robert Nugent were also sworn in as councilmen.

First-term David Robb also was administered the oath of office. He replaces former Councilman George Monro. All the councilmen and the mayor ran unopposed in the recent City election.

**Shores Christmas Spirit Not to Shine at Night**

By Kathy Duff

"At least it will be Christmas in The Shores during the day," Gerald C. Schroeder, president of The Shores Council, commented at the last village meeting Tuesday, November 20.

His comment came after the trustees voted not to light the village's 25-foot fir tree in front of the municipal building, 795 Lake Shore road. The Christmas tree proved to be the first victim of The Shores' program to cut down energy consumption in the village.

The decision was guided by a policy already adopted by many cities and private business in the area. Councilman Carl E. Hedeon said his company decided to drop outdoor Christmas lighting to save electricity, but the company would continue the company tree, usually set up in the lobby.

Mr. Hedeon admitted the saving in electrical energy would not "amount to a hill of beans," yet it would be a

It was the suggestion of President Schroeder that a newsletter be sent to Shores residents to inform them of ways they can help to conserve energy.

"It would be a great saving if our residents who are away in the winter could turn their thermostats down to 60 degrees. Of course, the village will review every possible way we can save energy by considering, for example, if we want to turn out every other streetlight.

"I am sure that Mr. Jefferis and village employees will soon find other ways we can cut down our energy needs."

**Park Clears Agenda**

(Continued from Page 1) request of President Nixon that the nation conserve electrical, natural gas and gasoline, during the current fuel shortage crisis, the city will not light up its Christmas decorations this year.

He said, further, that all department heads have been instructed to lower all thermostats to the minimum required without causing discomfort to municipal employees, to save natural gas. Department heads have also been instructed to conserve gasoline as much as possible.

At the recommendation of Mayor Patterson, the council approved the reappointment of Mrs. Marie H. Murphy of Harcourt road, Democrat, and Edward D. Trowbridge of Bishop road, Republican, to the Board of Canvassers for another three-year term. Both expressed willingness to continue to serve.

In another move, the council approved the appointment of former Councilman Warren Couger, who was defeated for his seat by Councilwoman Peterson, to the Park Plan Commission. Couger served in that capacity as a member of the council. There is still one more vacancy to be filled on the Commission, the mayor said, and a nominee will be suggested, possibly at the first meeting in January.

In other business, the council approved the appropriation of \$700 for Grosse Pointe Park Little League Football. This sum is in the 1973-74 budget.

Ted Pratt, who was present to speak for the League, informed the council that the GPPFLF, supplies all uniforms for the 123 young Park residents participating in the sport, and that the League this year has exceeded its budget expenses. He expressed his appreciation for the support given by the council and the people of the city.

Following this, the solons agreed to hold their December 10 meeting at 7:30 p.m. The first meeting of December each year is set aside as Annual Award Night, to honor long time municipal employees and those who have retired since the last Award Night was held. Following the ceremonies, refreshments are served in the lobby of the Municipal Building, 15115 East Jefferson, at Maryland.

The council authorized the Grosse Pointe Lions Club — Goodfellows — the use of the municipal garage and other facilities during the Lions' annual Goodfellows Newspaper Sales, scheduled for Monday, December 10. All proceeds of the sales will be used to assure the Pointe's needy of baskets of food for Christmas. Some of the receipts are also used to aid the blind and for other charitable purposes.

The council also instructed Deputy City Attorney Herold Deason to draft a resolution to be sent to the State Legislature, expressing the city's opposition to a bill to create a district court, which would replace the present municipal court system.

The proposed legislation would create a District Court which would encompass The Park, The City and The Farms, and would take away the cities' right to determine what type of judicial system they desire. Abolition of the municipal court system would not only deprive the communities of revenues from fines, etc., but would add to the cost of the local governments in the maintenance of a district court.

The creation of a district court would mean that the taxpayers would have to pay a large annual salary to the district judge, the salary of a secretary or stenographer, keeping of records, which would add more to the tax burden than that of keeping municipal court records, etc.

Strongly opposing the abolition of municipal courts, if it is against the wishes of local governments, is the Michigan Municipal League. The MML, in which the Pointes and other communities throughout the State are members, contends that the creation of district courts would take away a certain measure of self-government from local governments.

**Shores Signs Salt Contract**

The cost of food, gas, and other necessities might be going up, but The Shores got a good deal on rock salt this year.

At the last meeting of The Shores Council, Village Superintendent Thomas Jeffers said that International Salt Company offered a salt bid of \$9.73 per ton. The other company which bid, Morton Salt, submitted a bid of \$11.65 per ton.

"One city bought its salt from Wayne County this year because it was lower than the price offered by the salt companies. Yet we were quoted the same County price by International."

International supplied the village with salt last winter for road maintenance.

**Woods Accepts Bid for Fence**

The Woods Council unanimously accepted the low bid of Detroit's Hercules Fence Company, (\$1,435), for the installation of stockade fencing and a gate at the Lake Front Park. This action was taken at the regular meeting Monday, November 19.

The six-foot high fence will enclose an area 40 by 40-feet where park rubbish and trash barrels are stored. The purpose of the fence is to eliminate this "eyesore" near the park's entrance.

The Hercules bid includes all labor, materials, et al, plus delivery.

**AUTO FACTS**  
by KEN MEADE

When you are on an expressway, remember that stops, other than at rest areas, should not be made unless there is an emergency. Never pull over to stop without signalling. Move your car as far off the pavement as the shoulder permits. If you need help, you can signal for it by raising the hood of your automobile. Never walk or stand on the travelled part of the expressway. Sometimes it is of great benefit to carry emergency signs in your trunk to tip off passing motorists. Tie a handkerchief around your antenna to attract help.

When looking for a car, truck, van, recreational vehicle or motor home here's a tip that can be of great benefit: POINTE DODGE, INC., 18001 Mack Ave., 884-7210 regularly stocks 250 new cars and 80 light and medium size trucks on the west side of our lot, and 150 used cars on the east side. Our new quarters features a one-story structure that houses all of the company's facilities under one roof and occupies 5-1/2 acres with a 465-foot frontage. Personal attention given everyone daily and Saturday in our sales department. Service Department: 7:30 a.m.-6 p.m. daily until 9 p.m. Mondays.

**AUTO FACT**

Never follow too closely at high speeds: most accidents are rear-end type collisions.

**Woods Nixes Attendance At San Juan Conference**

By Roger A. Waha

The National League of Cities Annual Conference will be held Sunday-Thursday, December 2-6, in San Juan, Puerto Rico, but none of The Woods councilmen will be attending.

For Councilman George S. Freeman's motion, i.e., that any solon wishing to represent his city by attending be able to do so, with all necessary expenses reimbursed, was defeated 5-2. Besides Mr. Freeman, Councilman John Sabol voted for the motion, while Mayor Benjamin W. Pinkos, Councilmen Conrad A. Naegel, Rodger A. Graef, Ronald R. Keftgen and Councilwoman Joan M. Mullan nixed it.

The city budget provided the sum of \$5,322 for the

mayor and six councilmen to attend the conference, (around \$760 per solon), if such attendance was approved.

Mr. Freeman stressed the variety of workshops which the conference offered including "Policy Making in Municipal Government," and "Water Pollution Control" — subjects the city has been interested in.

But after Mr. Freeman made his motion, Mr. Naegel said he was under the impression for the past one to two and a half months this was going to be a "dead issue" for this year; that no representative from The Woods would be attending. In noting the time element involved, (that this hadn't come before the council earlier), he would vote "no" on approving any councilman's attendance.

During the discussion, Mrs. Mullan asked if it was possible the city could learn what goes on at such meetings via seminars, notes, et. al., without having to go.

Mayor Pinkos replied it was possible with proper preparation and proper information in advance and with discussion with other mayors and councilmen who attend.

In this respect, he stressed the greatest gain that the city can get is through the Michigan Municipal League via information at their meetings.

Mayor Pinkos also was asked if one or two councilmen could go to such meetings and report back to their colleagues. The mayor said he had "no answer" regarding the number of councilmen who should go or stay at a specific meeting. In this regard he noted, "It would be difficult to determine the proper representative at a meeting, one who is qualified and could gain the most at a meeting."

The mayor said he would vote "no" on the motion because it should have been brought up before.

If any or all of The Woods solons attended the conference they would not have direct voting rights at this affair. Cities which have a population of over 30,000 have direct membership and direct voting rights at National League of Cities meetings. The population of The Woods is 22,154.

Cities under 30,000 are represented by 10 votes cast by the Michigan Municipal League on behalf of such cities.

**Thieves Rob Farms Firm**

Henry Bartone, of Carl Bartone and Sons, a Farms located plumbing and heating firm, informed Farms authorities on Wednesday, November 21, that valuable tools and equipment, valued at a total of \$450 were missing from one of the company's trucks parked at the rear of the building, 18740 Mack avenue.

He said the items were taken from an open truck in the garage at the rear of the building sometime between the hours of 5 p.m. Tuesday, November 20, and 1:30 a.m. Wednesday.

He said the truck was not locked because there is a six-foot fence around the rear of the property.

Taken from the vehicle, he said, was an acetylene cutting torch, attached to a hose and portable acetylene gas tank, four spare tanks and a 30-square inch metal case with assorted plumbing tools.

He also said a cutting torch was taken on Friday, November 16, between 5 p.m. on that date and 7:30 p.m. on Monday, November 19. He did not report this because it was believed that the torch was in one of the trucks, or possibly at one of the jobs being done by the company.

Investigating officers said there was no evidence that the building itself had been forcibly entered.

Further investigation was referred to the Detective Bureau.

**Contract Talks Creeping Along**

Just like Christmas shopping traffic, teacher contract talks are moving slowly. The two groups, the School Board and the Grosse Pointe Education Association met last Wednesday, November 21, for three hours. Another meeting was scheduled for yesterday, Wednesday, November 28.

The talks remain snagged on the issue of class size. Commenting on the status of negotiations, Al Gais, chief negotiator for the teachers, said that they had expected a counter proposal from the Board at the last session.

"They did not give us a counter proposal. The GPEA feels that it is the Board's move; they should give us some proposal dealing with class size, at least that next year's classes will remain the same size as this year's."

The Board does not feel obliged to present a counter proposal to the GPEA's last proposal that no more teachers

be cut from the staff and that \$100,000 be used for enrichment purposes.

"We are standing by the State fact-finder's recommended \$1,627,000 package. It will provide our teachers with one of the top salary schedules in Michigan. As far as the teachers' "no cut" and program enrichment demand, we still feel that it is the right of the electorate to determine the teacher-student ratio and the level of program. We do not feel that these conditions should be written into a labor contract," said Lawrence Kennedy, assistant superintendent-personnel.

**WSU President To Speak Here**

The Men's Association of Grosse Pointe Memorial Church has invited Dr. George E. Gullen, Jr., president of Wayne State University, to speak at the church Wednesday night, December 5.

A candle light dinner will begin at 8:30 p.m. Reservations are limited and may be made by calling the church office at 882-5330 by Monday, December 3.

**Elect Officers At Star of Sea**

The Parent-Teacher Guild of Our Lady Star of the Sea held its general meeting on Wednesday, November 14. New officers for the school year were introduced by the president, Dr. Delbert Nachazel.

The new officers are: Dr. Robert Zink, president-elect; Mrs. Joyce Heck, recording secretary; Mrs. Ingrid White, corresponding secretary and Hugh Strong, treasurer.

Donald Probst, principal, assisted by Sister Joan and Ms. Carsley, gave a presentation on the unique reading program at Star of the Sea. The skillful use of reading machines known as the Tack-X, the Flash-X and the Controlled Reader, coupled with the English program, enables the average first grader to use approximately 1,300 words in his vocabulary and empowers the average eighth grader to read about 600 words per minute.

This accomplishment is significant since the norm is 480 words for the first grade and 150 words per minute for the average adult reading speed.

A family skating party was proposed for the month of February to be held at University-Liggett Skating Club.

Reverend Ralph Barton, pastor, informed the parents that because of the energy crisis, Christmas vacation for the grade and high school would be from Friday, December 21, to Monday, January 7.

**To Give Talk November 30**

Charles Ferris, C.S.B., of Minneapolis, Minn., will speak in the auditorium of First Church of Christ Scientist, 280 Chalfonte avenue, on Friday, November 30, at 8 p.m.

His subject will be "The Spiritual Basis of Health." Everyone is invited to attend this free lecture.

Mr. Ferris is a member of the Board of Lectureship of the Mother Church, The First Church of Christ Scientist, in Boston, Mass.

On Monday, December 17, at 7:30 p.m., the Angelic Voices of Faith from Faith Memorial Lutheran Church will provide the holiday music. The 20-member group of children and young adults is under the direction of Mrs. Birdie Jones, who also serves as accompanist. Some of this

**Shores Wary Of Gas Storage**

Thomas Jefferis, superintendent of The Shores, has received several calls from residents concerning storage of gas on their property. The question proved to be a discussion topic at the last meeting of The Shores Council, Tuesday, November 20.

Regulations concerning storage are contained in the State of Michigan Flammable Liquids Regulations, and the basic rule for storage of flammable liquids for private use states that, "such storage shall not be located within the corporate limits of any city or village unless approval of local authorities has been obtained."

The regulation provides for storage of not more than 550 gallons in approved above-ground tanks, providing they are located at least 40 feet from any building and 25 feet from a property line. There are accompanying rules relative to vents, pumps, signs, etc.

"Storing gas on private property is just like storing it in your car; it's dynamite if anything happens," Trustee C. Bradford Lundy, Jr., commented. "I think we should nip this thing in the bud, by not allowing residents to store gas. Anyway, most people in The Shores could not store gas on account of the 40 feet property provision."

Village President Gerald C. Schroeder agreed that it was a dangerous thing, and said that residents would have to approach village officials for permission before storing gas on their property.

group are youngsters from Tally House.

Saint Matthew Parish Choir, under the direction of Dan Olsen, will appear on Tuesday, December 18, at 7:30 p.m. This 55-member mixed group of students and retirees was formed five years ago. Mr. Olsen also serves as accompanist.

On Wednesday, December 19, at 7:30 p.m. the Denby High School Choir, with Gordon Nelson, director, and accompanist Elizabeth Humphreys, will present its program. This 60-70 member group went to Europe in late June 1971 and again in 1973, to compete in the famous choral competition in Wales called "Llangollen International Musical Eisteddfod."

Over 200,000 spectators from all over the world attended and over 12,000 groups, representing some 60 countries, competed.

The Denby girls took first place in the female division in 1971. They also placed first in the college-age division in 1973. The mixed choir division won third prize in 1973.

Members of the Saint John Hospital family cordially invite all of their friends in the community to attend any or all of these holiday concerts which will be held in the Saint Edward Chapel.

Patients will be able to view the programs on closed circuit television. Ambulatory patients will be taken to the chapel by hospital volunteers to view the performances.

The Christmas Cantata is yet another way the Saint John Hospital family can wish all their friends a Merry Christmas and a Happy New Year.

**Woods Solons 'Goodfellows'**

The Woods Council unanimously gave The Woods Lions Club permission to solicit donations for Good-fellow Edition newspapers in the city on Monday, December 10, from 7 a.m. to 12 noon. This action was taken at the regular meeting Monday, November 19.

All receipts from the sale will be devoted to the club's programs of sight conservation, aid to the blind and local charitable needs.

**Park Swears In Officials**

Three city officials were sworn in at The Park's council meeting Tuesday, November 13.

City Clerk Nunzio J. Ortisi administered the oath of office to Councilwoman Camille Peterson, the first woman ever to sit on The Park Council, and to incumbent Councilmen Douglas G. Graham and Mayor Matthew C. Paterson. Incumbent Councilman George J. Verdonck was absent.

Voters selected Mrs. Peterson, Mr. Graham and Mr. Verdonck to the council for four-year terms at the Tuesday, November 6, election.

### No One Home; Radio Vanishes

A Country Club drive home was burglarized between 9:30 p.m. Saturday, November 10, and 10:30 a.m. Sunday, November 11. A neighbor reported the home's garage door open to Farms police when she noticed it Sunday morning.

Since the residents were out of town, a grandson was notified. He checked the house and discovered a Zenith AM-FM radio missing. He was unable to determine the exact number of items missing.

Farms Patrolmen Gordon Evans and Clarence Reichling decided that the burglar gained entry to the house by a bathroom window in the southeast corner.

### Woods Police Praised For 'Devil's Night' Work

The Woods Department of Public Safety received a commendatory letter from the president of the Barnes School PTA executive board for its work during this year's "Devil's Night," the evening before Halloween.

This communication, from Robert E. Kuhne, was on the agenda of The Woods Council at the regular meeting Monday evening, November 19. The solons unanimously agreed that a letter be sent to Mr. Kuhne and to the Public Safety Department for the "excellent efforts" of all officers and auxiliaries on "Devil's Night."

Mr. Kuhne's letter said, "About this same time period, in 1972, the Executive Board of the Barnes School Parent-Teacher Association (P.T.A.), under the signature of the P.T.A. President, Dr. Edmond Jaskolski, forwarded a communication concerning the deplorable situation that occurred in and

around the Barnes School area on "Devil's Night," October 30, 1972.

"As the new President of the Barnes P.T.A. Executive Board, and on behalf of the Board, the P.T.A. Association, and of the neighbors surrounding our school area, I want to extend our sincere congratulations on the effort expended by the Public Safety Department on October 30, 1973, in the total control of what otherwise could again have been an unfortunate situation.

"Living immediately adjacent to both Barnes and the Star of the Sea, I witnessed throughout the evening the maximum security and vigilance provided by the Grosse Pointe Woods Public Safety Personnel. I observed their actions as they interrogated groups of young people who may, or may not, have had business in the neighborhood. I was pleased with their actions and, indeed, their methods of surveillance. I soon gathered the opinion that there were few instances when the neighborhood was not covered. I felt there was maximum coverage at all times.

"May we, through you, express our appreciation for this total effort, and in particular to officer Mike Ferrence, who kept us informed throughout the year on actions taken, and to be taken, regarding this matter. I might add that it is a pleasure and a privilege to reside in a community in which the city administration recognizes its problems and arises to meet them in an effort not unpleasant to the individuals concerned."

### Park Resident Victim of Thief

Charles Ward, of 1454 Wayburn, made a belated report to Park police regarding the theft of currency and several uncashed checks from his car. The money and checks were in an envelope, the authorities were informed.

Ward told police on Saturday, November 24, that he parked his car across the street from his residence at 10 a.m. Monday, November 19, leaving the envelope in the vehicle. It was not revealed where in the auto the envelope was left in open view.

Ward said he returned about a half hour later to discover the envelope gone. He said it contained \$151 in currency and eight checks made out in the total amount of \$76.

He told police he had locked the car before leaving it, according to information released by Lt. Gordon Duncan. There was evidence that the vehicle had been forcibly entered, the officer said.

### Poodle Landed by Fisherman

While fishing at the Shores Municipal Park on Wednesday, November 14, a man netted a lucky catch—but it wasn't a fish for that night's dinner.

The haul was Mrs. Robert Grippe's poodle that had wandered away from its Moorland drive home in The Shores. The pooch landed about a half-mile away in the lake where he fortunately was rescued.

The Grippe family said the dog was missed about 6 p.m. Wednesday. A search of neighboring streets and calls to local police departments proved fruitless. They said when they called the Shores

station again about 8:30 p.m. they were told the dog was at the station.

A fisherman at the Shores park had pulled the adventurous animal out of the lake.

**Cottage Names Medical Aides**

The second class of high school students to be graduated this year from the Medical Aide Co-op program sponsored by Cottage Hos-

pital and Grosse Pointe high schools received diplomas and pins in a recent ceremony at Cottage Hospital. With their families and friends attending, the ceremony took place in the Cottage Board room. Representing the Grosse Pointe schools was Mrs. Loujane Beynon, co-op coordinator, and William Huetteman, vice president of the Grosse Pointe Board of Education. Administrator Ralph L. Wilgarde and Inservice Education instructors Mrs. Barbara Foreman, L.P.N., and Mrs. Jean Plummer, R.N., represented Cottage Hospital at the ceremony.

Members of the graduating class from North High School are Cheryl Adamo, Ann Anderson, Patricia Davis, Sandra Hamilton, Denine Marie Kasper, Karen Kodidek and Linda Whittingham.

Eleven students from South were graduated. They are Theresa Carnes, Cheryl Gemmill, Paula Hockle, Linda Hogan, Dale Hunt, Paula Raynal, James Shine, Janice Marie Smith, Jeanne Smith, Charles Skowron and Barbara Wriston.

**Receive Update On Woods BE**

The Woods Department of Public Safety received further information on items missing after the burglary of a Hollywood avenue residence Friday, November 9. Police were told on Friday, November 16, that the following articles were taken from the home: an AM-FM digital G-E clock radio, valued at around \$50; a pocket Instamatic camera with a roll of film, \$20; a package of 18 gold blazer buttons, \$50; a teddy bear bank, eight to 10 inches high, \$10. More items include \$50 in cash; a man's Jorgensen Swiss watch, yellow gold, valued at around \$200, and a Panasonic cassette tape recorder, valued at around \$200.

**Parked Cars Damaged**

(Continued from Page 1) house. She discovered that the windshield and the left front and rear windows were smashed out. The damage is reported to be about \$200.

**Park Reports**  
In The Park, authorities were notified by Mary Ann Tindell, of 1055 Audubon, that vandals smashed the windshield and left window of her auto, inflicting about \$150 in damage.

Also reporting smashed windshields were Dr. Callier, H. Worrell, of 1038 Audubon, and Noel B. Haberek, of 1329 Audubon. Replacing these would cost about \$200 each, it was stated.

Mildred Spruce, of 15220 East Jefferson, informed Park police that someone smashed out the rear window of her auto. Damage was more than \$100.

In The City, police took a report from Jessie Davies, of 831 Lincoln, in which he revealed that someone smashed the left side window of his car. The amount of damage was not given.

**Pull Up Pickets**  
In another type of vandalism, Richard Burns, of 791 Washington, disclosed to City authorities that an unknown person pulled up 10 pickets from his stockade-type fence, but did not state the amount of damage.

In The Park, four youths in a car were taken into custody for questioning when they were seen driving in the early hours of the morn-

ing. A report had been received that someone unknown had turned on the fire hydrant at Trombley and Fairfax and fled the area.

The foursome were taken to the station where a search uncovered a wrench in the teenagers' car, but since it could not be proved the youths were responsible for the incident, they were released without being charged.

A fireman was dispatched earlier to turn off the gushing hydrant.

Personalized Wine Gifts for Holidays . . . Ask Us!

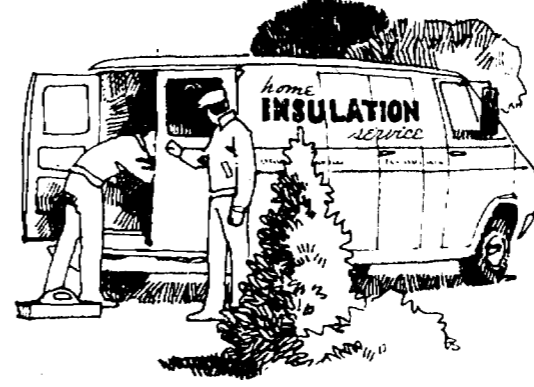

In just a few short weeks, many of our customers around Michigan have taken advantage of a new program to hold down heating bills and help save Natural Gas, too. The program was developed at the direction of the Michigan Public Service Commission, which is seeking ways to conserve Natural Gas and hold down utility bills by the wise use of energy.

The heart of the program is installing ceiling insulation in your home. It's quick. Economical. Easy. In fact, a recent government study found "the most significant opportunity" for homeowners to conserve energy was through "improved insulation of houses," [which] "would benefit the individual homeowner by reducing winter fuel bills, summer air conditioning bills, size and capital cost of heating and cooling equipment, and air pollution." The Michigan Public Service Commission has

found that many homeowners could achieve fuel savings of as much as 17% by having six inches of insulation in their attics. Naturally, results for your home may vary due to architectural differences and your heating habits.

To help you realize fuel savings in your home, we've designed an easy home insulation program. Here's how it works.

First, you can install the ceiling insulation yourself. It's a simple do-it-yourself project—and the most economical way to put in ceiling insulation. Many customers can accomplish the task for less than \$100.

To assist you in the project, Michigan Consolidated Gas Company has even prepared a helpful booklet that shows just how to do the job.

Secondly, you can call a contractor of your choice and arrange to have the work done. Or call Michigan Consolidated Gas Company. We'll have one of our participating insulation subcontractors install it for you, which can also be easy on your budget. Many houses with up to 1,000 square feet in the ceiling area can be insulated for less than \$200. And, there's a payment plan to suit most every customer. You can pay cash. Or, you can pay just 20% down at the time the contract is signed—then simply have the remaining cost included in your gas bill. Pay it off on your next three gas bills with no interest or carrying charges.

Finally, you can pay for the job over an extended period at an interest rate of 1% monthly on the unpaid balance. (ANNUAL PERCENTAGE RATE OF 12%.)

Whichever you choose, you'll be taking an important step toward holding down your heating bills. And cutting down on the use of Natural Gas. Why not plan on doing it now. Contact us today for additional details. And if you're a do-it-yourselfer, ask for our free booklet.

**Varying Course Leads to Arrest**

A Kenora, Ontario, youth was arrested by Shores police early Monday morning, November 26, and charged with no valid operator's license on his person.

The youth, who's charged with auto theft in Sudbury, Ont., was turned over to immigration authorities who, then turned him over to Essex Provincial Police.

Public Safety Officer Harry Hamilton stopped the suspect upon seeing him vary his course on northbound Lake Shore road at Fairlake lane. When asked for his driver's license and registration, the youth said the 1973 Chevrolet pickup belonged to his father and that he lost his driver's license and wallet.

After additional assistance arrived, the youth was searched and police discovered three rim-fire .22 long rifle cartridges in his front pocket. A search of the suspect and the vehicle produced no offensive weapons. A wallet containing his social insurance and other papers was then found.

On money. If you'll deposit \$1000 or more in a Certificate Savings Account for just one year, you'll earn 6 1/2% annual interest, paid and compounded quarterly. And that's a bargain. That means you no longer have to tie up your funds for a long period of time to earn high interest on your savings. In fact, 6 1/2% annual interest yields an effective annual rate of 6.66%. So ask yourself this: At times like these, when it seems like every day you're getting a little less for your money... shouldn't you take advantage of a savings program that offers you so much? Your neighbors will include an award winner of one of the highest civic honors; a distinguished Detroit attorney; a member of an outstanding Detroit banking family; a well-known connoisseur, restaurateur; a sportsman who is an international winner in yachting circles; an outstanding advertising executive; a retired board chairman, those who take an active part in the city's industry and social life and one of Detroit's leading realtors and land developer who knows a great place to live when he sees it.

**Why They Bought.** Some bought before the building was finished. Others have looked around and thoughtfully compared condominium living to home ownership and apartment renting, they then made their move to the Jefferson Apartments.

They were influenced by the convenient prime location, all new construction and truly gracious living. Here is a typical spacious floor plan of an apartment home which features 9 foot ceilings, natural fireplaces, individual heating and cooling, top of the line G. E. kitchen with an icemaker and a washer-dryer. A wet bar is conveniently located for entertaining. Insulated walls, floors, plumbing and windows insure maximum quiet.

The Jefferson Apartments is an adult community.

There are three separate elevators and approximately a thousand square feet of private storage. Exterior maintenance, gardening and snow removal are arranged. Residents are homeowners and enjoy tax deductions and the investment security of being a property owner and equity advantages.

A network of the most modern security systems guard them, their home and possessions.

A CLOSED TV MONITORING SYSTEM covers the entrance, outside parking areas and inside garage. The caller can be viewed from a selected channel on the Owner's TV set in each apartment. The doorman and manager's office views the same areas.

THE ENTRY COMMUNICATIONS SYSTEM is a new system conceived and engineered by Michigan Bell Telephone Company. Using a touchtone panel telephone in the lobby, the caller dials the owner's apartment. This enables each party to have a private conversation. During the time the caller is in the entrance vestibule, he is under surveillance by the concealed TV camera.

AN ON-GUARD ALERT SYSTEM features a control panel in the manager's apartment and the attendant's office. This notifies of an intrusion into any apartment when the occupants are away. The doorman or manager controls the system by activating the apartment's security supervision at the request of the owner.

THE FIRE PROTECTION ALERT SYSTEM gives supervision added protection to all occupants of the building and will insure notification of each individual occupant of a fire in an unoccupied apartment.

Further elements of security are the uniformed doorman-attendant and around the clock resident caretakers.

The Jefferson Apartments is located 2 blocks from a beautiful park with boat slips, 3 blocks from Grosse Pointe Village shopping, 20 minutes from downtown Detroit by bus.

Don't worry about selling your home. Visit us and learn of our new trade-in program for your home, and our new pricing policy.

The model apartment is open 12 to 5 daily except Wednesday. Enter on Neff or St. Clair Roads. Priced from \$89,000.

## Blue Devil Cagers Open Season on November 30

By Mark Emery

Grosse Pointe South's basketball team will be participating in the EML (Eastern Michigan League), for the first time this year. The EML race promises to be an exciting one as South, Stevenson and East Detroit are its top contenders.

Stevenson staged a dramatic one point victory over South last season in the final seconds of their only contest of the year. Again, Stevenson promises to be a strong opponent.

East Detroit, another powerhouse in the EML, will be returning with four starters from last year's squad. Mount Clemens is returning with their leading scorer of last season. Other teams in the EML are Port Huron, Port Huron Northern and Roseville.

"I have a feeling, as I look at our ball club, that we are stronger and deeper in talent. Our team is potent with a good strong bench behind them," comments Charles Hollesy, head coach for South. "The key, as I see it, is defense. As in any sport the defense must be tight."

Terry Corbett, a senior, played outstanding defense for South in the final games of the season. He along with Scott Solomen were key figures in the final part of last season. Last year, Stu Cammett at 6'3" led South to important defensive rallies against Port Huron.

South has one of the most explosive offensive attacks in the EML. Returning from last year are three key figures in South's success including Rob Heidt, whose ball control talent led South to some important wins. On the boards are Jim Scala at 6'5", who led South in many games as high scorer last year, and Pete Grambo, another strong rebounder, who should play an important part in South's offense again this year.

Last season Tim Kramer at 6'4" was the JV's workhorse. He averaged over 20 points a game, and his efforts included a high scoring contest of 31 points. Kramer, along with Tom Maranette and Bill Schafner, will be juniors on the Varsity squad. Maranette played regularly for the JV's and averaged over 13 points a game. Schafner is viewed by Hollesy as one of the best outside threats on South's squad.

Hollesy, in his 13th year as head coach of the Devils, views the change in leagues from the BCL (Border City League), to the EML. "In the BCL we knew what to expect from other teams. We knew their basic moves and

### SPORTS FANS!

#### I BET YOU DIDN'T KNOW

Brought to you by TED EWALD

Here's a football puzzler for you... Twice, the annual Jan. 1 Rose Bowl game was won by a team that was NOT a college team. Can you explain? ... Most football fans don't know that for the 1918 and 1919 Rose Bowls, armed forces teams, instead of college teams, played, and thus, the 1918 game was won by the Mare Island Marines and the 1919 game by Great Lakes Navy.

Everybody talks about the "Super Bowl" which matches the champions of the National and American Football conferences — but how many fans know who coined the name "Super Bowl"? ... Most people don't know that the person who came up with the name "Super Bowl" was the young son of Lamar Hunt, president of the Kansas City Chiefs.

Of all the college football teams in America, which one do you think has played in the MOST post-season bowl games? ... Answer is Alabama which has been in 26... They've played in 6 Rose Bowls, 6 Orange Bowls, 5 Sugar Bowls, 4 Cotton Bowls, 2 Liberty Bowls, 2 Bluebonnet Bowls and one Gator Bowl... In second place in playing the most bowl games in history is Georgia Tech which has played in 21.

it was a little easier to anticipate what they would do. Now, in the EML we are unfamiliar with the teams, we don't know what to expect."

South will play their first non-league game tomorrow, November 30, at Dearborn. "In conversation with other coaches Dearborn is considered to be the best team in that area," stated Hollesy. "They have two strong guards back from last year and they are a good ball control team."

Look for South to be a strong contender in the EML, and in Dearborn.

## DYC Swimmers Better Times

Among those competing in the Michigan AAU swim meet held Saturday-Sunday, November 17-18, at North High, were 23 members of the Detroit Yacht Club swim team who live in the Pointes. The DYC team, coached by Pointer Ralph Stevens, entered 34 swimmers in all with 12 of them placing and all of them bettering their times.

It was great fun for the swimmers and their parents not to have to drive twenty or thirty miles across town for an 8 a.m. warm-up as is usual in AAU meets. Grosse Pointe Swim Club had high school swimmers and timettes timing the meet and having friends timing their lane added to the fun.

Eight-year-old Barrie Fires of the Farms was the outstanding DYC mini-swimmer placing fourth (16.5) in the 25 free and fifth in the 25 yard fly (19.8). The other eight-year-olds, all of whom won heat ribbons and improved their times were Denise DeSantis, Molly Riley, Shannon Riley, Cindy Gannon, Kenny Baculis, Jack Nelson and Hans Brieden.

In the nine and 10-year-old age group, Park resident Sara Brieden took home a third place ribbon for her 100-yard backstroke event. Other DYC Pointers in that age group were Mimi Storen and David Wittwer.

Improving their times in 11 and 12-year-olds were Terri and Mary Austerberry, Gay Storen, Laurel Baculis, Margaret Sobieski, Sue Brieden, and Chris Neros.

The 13 and 14-year-old age group placed well with Gerri Nichols taking home a sixth in the 100 free, Bob Brownell with a fifth in the 200-yard back, and Ruth Hobman and Sandy Fires bettering their times. Sue Trost, 15, won a red ribbon for her second in the 500-yard open free and Carol Sobieski bettered her time for the same event.

DYC swimmers also participated in the Pontiac Swim Club's meet November 23 and 24 for the older swimmers and a mini-meet for the six, seven, and eight-year-olds on the same days at Oakland University Pool.

The newer, less experienced swimmers will be trying their wings at St. Clair Shores Class C meet December 8 and 9 while the rest of the team will be traveling to Cincinnati for the Seventh Annual Pepsi Marlins National Invitational Age Group and Open Meet the same weekend.

**WARNING TO PARENTS OF SMALL CHILDREN!**

Unsafe, Breakable Glass in STORM DOORS can cause Serious Injuries.

**BEFORE IT'S TOO LATE**  
INSTALL **Warp's FLEX-O-GLAZE**  
BREAK-RESISTANT SAFETY GLAZING PLASTIC

EVERY YEAR over 250,000 needless home accidents are due to glass breaking in storm doors, windows, and other hazardous areas. The heart-breaking part is that over half of those injured are small children. Warp's Safety-Approved Flex-O-Glaze prevents such injuries because it is break resistant and has no razor-sharp edges.

UNLAWFUL TO USE ORDINARY GLASS IN STORM DOORS... Many states have passed laws making it illegal to use common glass in hazardous areas about the home. Flex-O-Glaze meets all the rigid tests required by law and bears the American National Standards Institute Seal. Look for Warp's Safety-Approved brand on every sheet. It is there for your protection.

Why take chances? Be Safe! Install Warp's Safety-Approved Flex-O-Glaze now. This shatterproof plastic is clearer than glass, non-yellowing, withstands sub-zero cold, is easy to cut, saw and install. "How To" instructions come with every sheet.

**Warp's FLEX-O-GLAZE IS PRICED COMPARABLE TO GLASS**

**Cottage Hospital Wants to Remodel Old Section**

Cottage Hospital approached The Farms Council on Monday, November 19, to use its authority to convene as a Board of Zoning Appeals and grant the hospital a permit to remodel the old section of its building. The Michigan Department of Health and the State Fire Marshal's Office in East Lansing has set a deadline of March 30, 1974, for the renovation.

Ralph L. Wilgarde, hospital administrator, informed the council that the alternative for failing to comply with the directives may result in the revocation of the hospital's license, thereby making it impossible for the hospital to continue its service to the community.

The administrator told the council that one of the stipulations set down by State health and fire officials, when Cottage was granted a construction permit for its new addition, which was recently completed, was that the hospital must also renovate its old section of the building to update safety codes.

When the older section of the hospital was constructed the safety codes as existed at that time were adhered to, Wilgarde said. However, under today's present standards, the past codes are antiquated, and the Health Department and State Fire Marshal have ordered they be brought up to date.

Mayor William Butler informed the hospital administrator that before an appeal can be heard, several sessions must be held between the council and Cottage officials, to resolve the many problems that could be involved, primarily the parking situation.

Wilgarde informed the council that the renovation will not be done all at one time, but will be done in stages spanning a period of two and one-half years. But, he stressed, as ordered by the State officials, the renovation program will have to be started by March 30, and he has documented letters as proof.

If this is not done by that time, a possible extension of the deadline could possibly be obtained, but would set the hospital's renovation program back 18 months, and recovery will be a long, drawn out process.

Mayor Butler stressed again that city and hospital officials will have to sit down to discuss the many problems involved, and that there is plenty of time before the deadline to hold a number of meetings. He called the first meeting for Monday, November 26, at 7:30 p.m.

The mayor directed that the matter be placed on the agenda for public discussion at the first council meeting scheduled for January 7.

A public hearing can be scheduled for the first or second meeting in February, which will be ample time before the deadline, the mayor said.

In answer to what the modernization will entail, Wilgarde said that the old section has several deadend

corridors, which under the present safety standards, must be eliminated. This can be done by the construction of stairways. Also, electrical wiring must be updated, as well as other interior areas of the building.

Queried about the parking problem that might result with the storage of building material and parking spaces that will be taken over by construction workers, the hospital administrator said that it is planned that the circle in Kercheval place will be fenced off and material will be stored there and in the basement of the hospital.

He said that arrangements have been made with Bon Secours Hospital to have workers park their cars in that hospital's lot, where there is ample room. The workers will be shuttled back and forth between the hospitals during working hours.

In his petition for an appeal hearing for granting of a permit denied by the Building Department, Wilgarde stated the following:

The application for a permit was rejected by the Director of Public Service (John DeFoe) because the hospital fails to meet the parking requirements of the zoning ordinance. (Under an old agreement, Cottage was required to provide 220 parking spaces. Under The Farms' new ordinance, the hospital must provide two spaces for each bed, or a total of 268 spaces. Presently, 240 cars are being crowded into 236 spaces, the number of spaces presently allowed).

At this time, Cottage Hospital respectfully appeals this decision based on the factors listed below:

(1) An effort, the good faith and sincerity of which cannot be doubted, has been made by the hospital to solve its parking problems, even to the extent of proposing to use land which it owns across Muir road to provide additional parking spaces.

(2) The hospital is presently leasing 25 spaces from the City in the municipal parking lot for the use of its employees. (It hopes to lease more spaces, if possible to alleviate the parking problem in the hospital area).

(3) During most of the proposed renovation, an average of 15 beds will be out of service which will create a decline in the need for parking spaces.

(4) At the completion of the renovation program, there will be no increase in the number of beds since no expansion of services is contemplated.

(5) The general contractor has made plans to have his workmen park elsewhere during the course of the renovation program in order that their automobiles will not add to the burden.

(6) The hospital has arranged to have its Women's Auxiliary hold their meetings at the War Memorial in order to avoid aggravating the situation.

(7) Cottage Hospital has been ordered to undertake this renovation by the State Health Department and the State Fire Marshal in order to bring its older sections up to current code. Failure to comply with these orders will cause these agencies to seek revocation of the hospital's license and will make it impossible for the hospital to continue operations.

**Letters to the Editor**

Sir:  
 I have just seen a clipping from your paper of July 12 in which reference is made to the Farms' City Council's decision to add fluoride to the public water supply. It is not difficult to see the objection that the voters of the municipalities concerned feel in not having been able to express their opinions.  
 Even people who are convinced of the efficacy of fluoride can still have scruples about adding it to the public water supplies. Their reasons are often well aired in the press.  
 One such method is to treat milk directly to children. This would certainly cut tooth decay and reduce the increasingly heavy outlays that parents must devote to dental bills, but without the enormous waste which arises when fluoridating water, as less than 1 percent of the water is used for drinking and even of that, most will be by people over the age at which they can derive any benefit, that is by 12 years of age, when the teeth's enamel has normally fully hardened and not affected by acids which form in the mouth. A method has been developed which can be operated by any processing dairy under careful supervision. The treated milk is supplied in specially labeled cartons (or bottles) like any other milk product on the market. No one is forced to have it whether they want or not and children derive the double benefit of a health building food and dental decay preventative at the same time.  
 The above system is based upon research carried out over an effective number of years which has shown excellent results in Winterthur, Switzerland, Louisiana, U.S.A., Milan, Italy and Yokohama, Japan.  
 Why is it that this vexatious question is always viewed by Councils solely from the water supply angle which is so controversial and unnecessarily costly and unessential.  
 A simple plant for the mixing of the fluoride with the milk to the recognized safe level of 1 p.p.m. has been de-

veloped by the Borrow Dental Milk Foundation, a Trust not engaged in making profits, and demonstrated in many countries. I suggest anyone interested in this world problem of increasing dental caries should write to the Foundation whose address is Padnell Grange, Padnell Road, Cowplain, Hants.  
 It has often been wondered if it is really the children's welfare that is being considered, if only courageous councils would make a start with fluoridizing milk, thousands of children's health would benefit.  
 Yours faithfully,  
 Phyllis Deakin,  
 1, Burnside,  
 Waterlooville,  
 Portsmouth, Hants, Eng.  
 Dear Sir:  
 Last evening we attended the Fall Sports Awards Night at Grosse Pointe North High School. We are parents of two North students, and although we have no sons there, we attended all of the football games played by the Norsemen, both home and away, and were delighted when they took the Bi-County title and defeated South.  
 However, we were appalled by the rudeness displayed by the Varsity football team and their parents. With few exceptions, the team left the auditorium after receiving their awards, and the parents did the same. This was an insult to the girls' basketball and swimming teams, the golf team, and the cross-country teams. The cross-country team had brought home the State title, not merely a league title, and deserved complete recognition by the entire audience.  
 The football team is not the only athletic team at North, and these young men who walked out losing a bit of the luster of their unbeaten season by their very bad manners.  
 A copy of this letter is being forwarded to G. B. Feighner, principal at North, and we would hope steps are taken to prevent a recurrence.  
 Sincerely yours,  
 Mr. and Mrs.  
 Michael M. Mavian  
 1489 Hampton road

**Bryant Offers New Idea On Problems Facing Nixon**

Grosse Pointe State Representative William R. Bryant, Jr., while indicating he does not believe the President should resign or be impeached, has proposed a new alternative course for President Nixon, "if the President is unable by January 20, 1974, to greatly increase his critically low public support by full disclosures and cooperation with investigations."  
 That course is in a section of the 28th amendment to the federal constitution whereby the president could give written declaration to the Congress that he is temporarily unable to fulfill his duties and the new vice president would become temporary Acting President.  
 In his proposal setting forth the alternative and the rationale for it, Representative Bryant said, "Thus, a viable alternative course exists for the president, again, if he is unable quickly to resolve the problems and doubts which now hang like a shroud around the White House and which must be acting to continually distract, dismay and haunt him."  
 "The president could come before the American people, resolve to continue his fight to absolve himself and to restore popular support for himself, and decline to retire. And yet, at the same time, in recognition of the fact of the investigations and the serious questions as to whether or not he should continue in office, and of the terrible burdens these impose on him in his attempt to fulfill his duties as president, he could go on to announce that he is discharging them by his declaration that he deems himself temporarily unable to fully discharge the power and duties of the presidency."  
 "Assuming that at that time there would be a vice president, and confirmation does appear highly probable, the vice president would immediately assume the post of Acting President."  
 "The president would retain the position of president, but would be temporarily relieved of the direct burdens of functioning in that office. It would free his mind and his time for the task of solving himself and regaining the support of the people. It would not mean he would not be available for consultation nor that his recommendations to the Acting President would be ignored, and he would continue to be shielded from criminal prosecution."  
 "When and if, in the three years remaining in his term, the president felt he was ready to resume the duties of his office he could do so."  
 "My suggested timetable is, unless immediate final disclosure, cooperation and clear public statements are forthcoming and have substantial effect in raising public acceptance of the president, by January 20, 1974, one year after inauguration, then the president should submit his declaration, forthwith, temporarily stepping aside from his duties."  
 Representative Bryant believes the three alternatives which have been discussed: resigning, impeachment or continuing in the office with such low public support and with "the problems and doubts which now hang like a shroud around the White House" are all unacceptable and unnecessary, in light of the possibility of using the "disability" feature of the 28th amendment.  
 The idea suggested by Representative Bryant is new and has not been discussed or explored. It is a sort of middle ground and because of that, may have special appeal to some.  
 "Whether the president can regain support by his new moves to cooperate and clear the air is an unknown," concludes Representative Bryant, "but, I wish him well and seek only to explore an alternative which may provide an honorable solution for the nation, Congress and the president if the present stressed situation is not alleviated or if it worsens."

**Math Students Vie for Prizes**

Thirteen North students finished in the top four percent on Part I of the Michigan Mathematics Prize Competition. They are among 1,000 Michigan students who will compete in the final examination on Wednesday, December 5.  
 Seniors from North who qualified for the second test are: Clay Carson, Tom Clinton, Bill Duncan, Charles Frohman, Mike Fuller, Jozef Juenemann and Dan Szewczyk.  
 Qualifying juniors are: Pat Blinkhorn, Mike Gilford, Jim Klimchuk, Charles VanBeelaere and David Howell.  
 Katie McEhrue was the only sophomore who qualified.  
 Earl Veenendaal, Mathematics department chairman, served as the supervisor for North students competing in the examination.  
 This competition is sponsored by the Michigan Section of the Mathematical Association of America and is designed to foster a wider interest for mathematical training in many professions and trades and to identify and provide scholarships for capable mathematics students in the State of Michigan.  
 The 100 winners of the competition will be honored at an Awards Program sponsored by Michigan Bell Telephone and held at Western Michigan University February 23.

**What Goes On at Your Library**  
 By Virginia Leonard

A book is the portal to a whole new life.  
 A book opens vistas never before dreamed about in one's imagination.  
 A book sends one out of this world into another spacious one that defies definition, limits, boundaries and subject matters.  
 A book lies quietly, pages closed, giving the appearance of just another part of the decor in a room, but when opened it becomes so much more than it was when closed. It leaps over everything in the room, (in its quiet way).  
 A book is the Diogenes giving you the honest man, (sometimes), or at least giving you your choice.  
 A book is a silent chanting of voices; a multiplicity of authors and their thoughts.  
 A book can make you or break you.  
 A book can give you so much information about so many things that your head reels.  
 A book can answer a question, solve a problem, answer an unsolved problem or question.  
 A book can become a new friend; or an old one which will be treasured all one's lifetime.  
 A book can correct incorrect thinking; it can get you back on the track.  
 A book can give you a whole new line of thinking.  
 A book can make you see others in a different light; either fictional or real.  
 A book can be a good companion for a winter's night, a beach, a sunny grove.  
 A book can be your friend when you feel you have no other.  
 A book can teach you new things; lead you up new avenues; show you the trees, (if you've been looking at the forest all your life).  
 A book can be found in running brooks, as Shakespeare said.  
 A book is a gate; a legacy; a university, (if you take the time to use it properly).  
 A book is a key; it is a path that leads you many places.  
 A book is a companion; it furnishes nourishment to both mind and body.  
 A book helps solitude; saddens one, gladdens one.  
 Why not read one — from our library.

**Traffic Signs Get Second Look**

Sigs saying "No Right Turn, 3 p.m. to 6 p.m.," which were recently installed at Mack Avenue and Cook road, and at Blossom lane and Cook, have caused some concern among West Kings Court residents.  
 Some citizens attended the regular meeting of The Woods Council Monday, November 19, to express their feelings. The solons, after hearing the residents, unanimously approved a motion to refer the matter to the Department of Public Safety for their review with a report back to the council.  
 One citizen told the council the "no right turn" signs gives no access to West or East Kings court from Mack "unless we go completely out of our way." Another resident called the situation a "fantastic" safety hazard.  
 The signs were installed, based upon complaints of numerous Cook road residents in August, to help alleviate a situation of alleged speeding violations and traffic safety on Cook.  
 At that time, 32 residents of Cook road and abutting courts in the blocks from Mack to and including Holiday road submitted a petition saying traffic "is too fast and too heavy for a residential area. This is caused, we believe, by drivers using Cook road as a main thoroughfare, giving access to areas which are already served by other direct routes."  
 At that time, Public Safety Director Henry Marchand, in a memo to City Administrator Chester E. Petersen, said, "More man hours are spent on Cook road on patrol and traffic enforcement than on any other street within the city."  
 The director also stated, due to the short distance between Holiday and Mack, "very little speeding is observed while our officers are operating the radar units in this particular area."  
 And he stressed, "The records indicate that Cook road is an extremely safe street in consideration of the number of cars that daily travel it."

## From Another Pointe of View

By Janet Mueller

Mrs. Paul Gracey is decking the halls at her Touraine court home a little early this year, in anticipation of the Saint Mary Academy Alumnae Association's annual Christmas Tea.

Mrs. Gracey will be welcoming guests this Sunday, December 2, between 2 and 5 o'clock. The donation party benefits the Sisters, Servants of the Immaculate Heart of Mary, and Saini Mary Academy in Monroe.

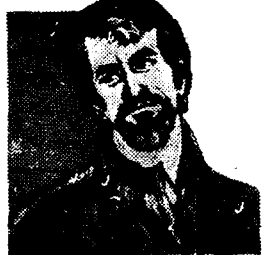

Assisting the hostess will be fellow Pointers Mrs. Jean Belanger and Mrs. Richard Rinke. Mrs. Andrew Malott, of Oxford road, who serves on the Detroit Alumnae Chapter's board of directors, is also lending a hand.

## A Traditional Menu

Last month the Fox Creek Chapter of Questers, meeting at the Hillcrest road home of Mrs. Arthur Batten, (Mrs. Robert Walters was co-hostess), were intrigued by the study paper "Our Food Heritage," presented by Mrs. Melvin Block.

This month Fox Creek's annual Christmas pot-

This is a hairdresser looking at your face.

In other words, this is a hairdresser that cares. He doesn't consider his clients faceless ladies in shapeless robes. He considers them interesting individuals. Which is why he studies their faces and clothes and asks about the lives they lead and the way they really see themselves. It's also why he gets the most beautiful results. This kind of hairdresser isn't easy to come by. But if you come by our place, you'll find quite a few. You see, it's the only kind of hairdresser we believe in.

## Santa Luncheon Scheduled Dec. 8

Boys and Girls Will be Entertained by Duke the Clown at 9th Annual Fund-Raising Fete Sponsored by Alpha Xi Deltas

Pointe area Alpha Xi Deltas will host their 9th annual children's 'Santa Luncheon' Saturday, December 8, at noon in the main ballroom of the Grosse Pointe War Memorial.

This annual benefit raises funds for such organizations as the Family Life Education Council and the Foundation for Exceptional Children.

Mrs. William Sidham, this year's chairman, hopes to fill the ballroom with 200 happy children, treating them to a hot dog lunch, ice cream and homemade Christmas cupcakes. A clown show will be the grand finale.

The children will be entertained by "Duke the Clown," who comes courtesy of Detroit Rendering Company.

This popular comic, Detroit Douglas Hill in private life, has thrilled youngsters at past Santa Luncheons in Eastland Auditorium. Assisting him in a slapstick skit will be Carol Blezenski, Chicky Menendez and Laura Ruian.

As usual "Mr. and Mrs. Santa" will be on hand to greet guests and pose with

them for pictures. Mrs. Ronald Launs, of Buckingham road is "Mrs. Santa."

Junior Girl Scout Troop 221 of Defer School will aid Alpha Xi Delta alumnae in serving the luncheon.

Admission is \$2.50 per person. Reservations must be made in advance by contacting Mrs. Sidham at 884-9180. Santa Luncheon co-chairman is Mrs. Neil Otto.

Among Alpha Xi Delta alumnae on duty during the afternoon will be Mrs. Arthur Leslie, Mrs. Marion Saille, Mrs. John Rasch, Mrs. Charles Carmody, Mrs. Robert Shannon, Marilyn Shay, Mrs. Edward Deeb, Mrs. Marie Swinbank, Janice Vida, Mrs. Robert McCluney, Deborah Wolney, Mrs. Charles Kreichelt, Joan Conventini, Mrs. Eugene Pety, Mrs. John Klock, Christina Phillips, Mrs. Robert Baker, Mrs. Michael Brogan and Mrs. Normand Girard.

Henry Ford Hospital, clinical professor of Pathology at the University of Michigan and adjunct professor of Pathology at Wayne State University, he is a former president of the Michigan Society of Pathologists and former chairman of the American Medical Association's Section on Pathology and Physiology. He is director of short courses for the International Academy

of Pathology, is listed in "American Men of Science" and has received distinguished Alumnus awards from both Mullenberg College and Geisinger Memorial Hospital. He was chosen CAP president-elect in October, 1972, while serving as vice-president, and had served as speaker of the CAP House of Delegates from 1964 to 1968.

## North-South Yule Tea Is Scheduled

High School Parents' Organizations Joining Forces to Present Their Annual Gift to the Community Next Wednesday Afternoon

The Parents' Clubs of Grosse Pointe North and Grosse Pointe South High Schools will present their annual Christmas tea, their joint yuletide gift to the community, Wednesday, December 5, at 1:30 o'clock.

Everyone is invited. It is not necessary to have a child in either school to attend the affair.

This year's tea will be held in South High's Gymnasium. There is ample parking in the school lot off Grosse Pointe boulevard.

Co-Chairman are Mrs. William Race, (South), and Mrs. John Shook, (North). Trees, greens and Christmas wreaths will decorate the Gymnasium and choral groups from South will entertain with Christmas music.

Mrs. John Bradford is in charge of programs. Co-hosting decorating committee are Mrs. Robert J. Flood and Mrs. Robert LeFevre.

Mrs. Patrick Garman is in charge of table setting and

pourers and invited guests will be handled by Mrs. Maurice Day.

Heading the silver service committee are Mrs. George Richards and Mrs. Julius Huebner.

Food is Mrs. Francis Crowley's responsibility while Mrs. Malcolm Sutherland and Mrs. Martin C. Oetting co-chair the cookie committee.

Mrs. David Marsteller and Mrs. Wesley Johnson are taking care of posters and publicity. Mrs. Charles Rickett is chairman of the receiving committee.

The beautiful wreaths and tree decorations are generally sold at the conclusion of the tea. Mrs. William Babcock is director of sales.

## Create High Schools' Tea Decorations

Co-chairmen of the committee fashioning holiday decorations for the annual Christmas Tea presented as a gift to the community by the parents' organizations of Grosse Pointe North and Grosse Pointe

South High Schools were MRS. ROBERT J. FLOOD, (left), and MRS. ROBERT LEFEVRE. The party's planned for next Wednesday, December 5, at 1:30 o'clock, at South High's Gymnasium.

## Quilting Bee Set at Center

Another all-day Quilting Bee has been scheduled by the Grosse Pointe War Memorial Center for Monday, December 3, from 9 to 3:30 o'clock.

Each participant is asked to bring her own sandwich lunch. Coffee will be provided.

There are only 11 places still open.

Mrs. Kenneth T. Carlson will again instruct and direct the Bee. Each participant will begin her own patchwork quilt and by the end of the day will be knowledgeable enough to finish the delicate work on her own.

Each will learn how to cut patterns, to trace and to applique.

Some materials will be provided. Others must be brought from home.

Fee for the workshop is \$10.

## Set Dominican Republic Night

The Michigan Partners of the Americas will entertain members, guests and friends with a Friday, December 7, dinner and program at the Grosse Pointe War Memorial featuring the beautiful Dominican Republic, one of two Latin American Partner countries with which the Michigan Partners have people-to-people cultural, educational, agricultural, health and tourism contact.

The Partners of the Americas was established in 1963 to foster closer relationships between the peoples of the United States and Latin America through personal in-

volvement by private citizens in self-help projects.

There are 82 Partners committees active today, 40 in the United States and 42 in 18 Latin American nations.

Pointers working on the dinner committee include Mrs. Thomas G. Girardy, reservations; Mr. and Mrs. Albert Chester and Mrs. Russell E. Bauer.

Working on the program are Dennis Diddy, for the Michigan Jaycees, and Raphael Ortiz, Republica de Dominica Club.

Members of the Michigan Partners board will be on hand to answer questions.

## Pregnancy Aid Sets Seminar

Pregnancy Aid, a newly-formed pro-life group, will sponsor a training seminar in Saint John Hospital's Meeting Room A Saturday, December 1, from 9 to 4 o'clock.

Pregnancy Aid is designed to give emotional and practical support to the woman with a problem pregnancy.

The seminar will be co-chaired by John F. Hillabrand, M.D., treasurer of Alternatives to Abortion, Inc., and Mrs. Lore Maier, AAI executive director.

Alternatives to Abortion is a world-wide pregnancy aid federation with over 600 centers.

Dr. Hillabrand, a practicing obstetrician who has delivered more than 8,000 infants without a single maternal death, was an early leader in the pro-life movement.

Mrs. Maier has a profound personal appreciation for life, rooted in a chilling wartime escape from Nazi Germany.

The training seminar will emphasize positive ways volunteers can help the woman distressed by a problem pregnancy.

Subjects on the agenda include Philosophy of Emergency Pregnancy Services, Qualifications of the Volunteer, Services to the Client, Physical and Biological Development, Legal and Social Considerations and Interviewing and Counseling.

Volunteers are needed to staff the new group's office and for various other functions.

More information may be obtained and reservations made by calling 884-5547, 886-9257, 521-5729 or 372-2570.

There is a \$2 registration fee for the training session.

## Tar-Hamby Vows Exchanged Nov. 17

Home in Romulus Awaits Pair after Week's Vacation in South; Bride's Star of Sea Students Play for Nuptial Mass

Setting for the Saturday, November 17, wedding of Kathleen Anne Hamby, daughter of Mr. and Mrs. Winston C. Hamby, of Maison road, and Robert Louis Tar, son of Mrs. James F. Weidig, of Dearborn, and the late Louis Tar, Jr., was Our Lady Star of the Sea Church.

The Reverend Ralph V. Barton, celebrated the 10 o'clock nuptial mass with its combination of traditional organ music and contemporary guitar folk tunes played by students from Our Lady Star of the Sea High School where the bride teaches this year.

The morning ceremony was followed by a reception, brunch and dancing at the Grosse Pointe War Memorial.

The wedding cake was the traditional Hungarian

"torta."

The bride wore a gown of ivory dulcette silk-satin styled with a fitted bodice of peau d'ange lace, a Victorian neckline and long fitted sleeves. Her full circular train was accented by a deep border of matching lace.

Her Chapel length ivory silk illusion veil fell from a lace Camelot headpiece and she carried the prayerbook her grandmother had carried on her wedding day in 1912, with a cascade of white and yellow roses, baby's-breath and orange starflowers.

## Atkin-Mindick Rites Revealed

At a small family ceremony Saturday, October 20, Gregory Lloyd Atkin, son of Mr. and Mrs. Rupert L. Atkin, of Sunningdale drive, claimed Carol Ann Mindick, daughter of Mr. and Mrs. Ralph Mindick, of Livonia, as his bride.

The 2:30 o'clock rites in Our Lady Star of the Sea Church with Father Hector Saulino presiding were followed by a dinner at Lochmoor Club.

Honor matron was Mrs. Thomas G. White, of Ann Arbor, the bridegroom's sister. His brother, William D. Atkin, was best man.

The newlyweds are making their home in Plymouth. The new Mrs. Atkin attended Kent State University. Her husband attends Eastern Michigan University and is associated with Chrysler Corporation in Ann Arbor.

In russet-orange jersette frocks featuring Empire waists, A-line skirts and long-sleeved smocked bodices were Laura Hamby, honor maid for her sister, bridesmaids Mrs. David Linnen, of St. Joseph, and Dolores Tar, the bridegroom's sisters, Amanda Maas and Barbara Hartwick and junior bridesmaid Barbara Gormley, the bride's cousin.

The russet-orange velvet bows they wore in their hair were accented with tiny clusters of dried flowers. They carried straw baskets filled with matching clusters of dried autumn flowers, the

honor attendant's accented with yellow and orange starflowers. Best man was Gary Kreps,

of Ann Arbor. David Linnen, Michael Kaminski and Owen Perlman and Joel Hershman, of Ann Arbor, seated the guests. James Gormley, the bride's cousin, was ring bearer.

The mother of the bride wore a long-sleeved floor length dress featuring high-necked, high-waisted bodice of celery jersette and a celery chiffon-over-taffeta skirt. Her corsage was a small cluster of tangerine Sweetheart roses.

The bridegroom's mother selected a long-sleeved pale blue Empire gown styled with a jewel neckline and A-line skirt patterned in muted shades of white, gray and black. Her corsage was a yellow orchid.

The newlyweds, vacationing in the South, will be at home in Romulus after November 25.

## Slate Women's Clubs Federation Gathering

The Federation of Women's Clubs of Metropolitan Detroit is holding its board of directors meeting today, Thursday, November 29, at 10:30 o'clock at the Federation Club House in Fenkell avenue.

President Mrs. Henry Wilke will preside. Preceding the board meeting a Parliamentary Law Class will be conducted at 10 o'clock by Mrs. Leo F. Richardson. Luncheon will be served at noon.

Program chairman Mrs. Roland Postel, of Hampton road, has arranged for a Holiday Decorations program by Mrs. Harold Stavens. Mrs. Postel is being assisted by the Mesdames Harold Mistele, Ethel Ford Sutherland and Paul Diedrich.

## Hunt Club Ball Fetes President December 1

Mr. and Mrs. William H. Clapp are chairmen of the Grosse Pointe Hunt Club's annual President's Ball, scheduled this year for this Saturday evening, December 1.

Others on the committee and Mr. and Mrs. John S. Malcolm, Mr. and Mrs. J. Henry Smith, Jr., and Mr. and Mrs. William E. Barry.

Festivities get underway at 7 o'clock with cocktails and hors d'oeuvres in the Horn and Racquet Viewing Lounge from where guests will watch a tennis exhibition on the Club's indoor courts and an equestrian drill in the indoor riding ring.

The party then moves to the Clubhouse proper for dinner and dancing. Tables will be decorated with silver candelabra and flower arrangements in the Hunt Club's traditional red and white.

The President's Ball is an occasion to honor incoming officers and members of the board of directors for the new year.

Norman Werthmann is beginning his second term as president. Other officers are Kenneth F. Kahn, vice president, Mr. Clapp, secretary,

and Dr. Robert H. Gregg, treasurer.

Board members include Dr. Norman K. Carstens, William E. Barry, John Boddette, John S. Malcolm, Erbin D. Wattles, Edwin N. Peabody, John H. Sarvis, and Thomas L. Seymour.

Among those who made early reservations for the affair were Mr. and Mrs. Charles Bachrach, Mr. and Mrs. William C. Beardslee, Mr. and Mrs. A. H. Moorman, Dr. and Mrs. Arthur B. Eisenbrey, Dr. and Mrs.

Alan C. Scheer, Mr. and Mrs. John A. Kirlin, Mr. and Mrs. Robert G. Vallee, Mr. and Mrs. David J. Gillespie, Dr. and Mrs. Arthur J. Johnson, Mr. and Mrs. William E. Kohr, Dr. and Mrs. Renato J. Starrico, Mr. and Mrs. Troy W. Maschmeyer, Mr. and Mrs. Jarvis J. Schmidt and Mr. and Mrs. Boleslaus Stanczyk.

Dress for the evening will be formal. Gentlemen who have earned their colors in recognized fox hunts are always invited to wear scarlet.

## Pointe Symphony Women Plan Tea

Party Scene for Annual Holiday Festivity Will Be Mrs. Daniel Patrona's Lincoln Road Home; Date is Next Tuesday

A shrewd bit of paper recycling is going on among members of the Grosse Pointe Symphony Women's Committee in connection with their upcoming Christmas Tea.

Invitations to the party, sent out by chairman Mrs. Walter J. McKeown, contain a cheery green card to be sent back signed by the member as an indication that she plans to attend.

This in turn will be transformed into her name tag for the holiday festivities, scheduled this year for Tuesday, December 4, at the Lincoln road home of Mrs. Daniel Patrona.

Grosse Pointe City policemen have promised to look the other way between the hours of 2 and 4 that afternoon so that tea guests may park on the north side of East Jefferson avenue.

The Patronas' Hammond organ will play a major role in the musical program arranged by Mrs. Felix Resnick. She has invited Rita Opdike, soprano, to be guest

soloist, accompanied by Mrs. Charles E. Exley.

Background carols throughout the afternoon will be keyboard offerings of Pointe Symphony Women's Committee members Mrs. John H. Marshall, Mrs. Jack W. Mills, Mrs. John W. Nelson, Mrs. Bewley D. Priestman and Mrs. Frank G. Shaub.

Mrs. John J. Egan has lined up an array of hostesses to attend to official welcoming protocol. They are Mrs. Norman A. Bolz, Mrs. Thomas G. Girardy, Mrs. Walter F. Isley, Mrs. Kenneth L. Jones, Mrs. R. Gerald Jordan, Mrs. Ralph J. Ladd, Mrs. Joseph J. Marshall, Mrs. Earl G. Meyer, Mrs. Michel Skaff, Mrs. John R. Squire, Mrs. W. Gardner Strawbridge and Mrs. Ebert O. Warren.

Tea-pouring shifts are being directed by Mrs. Carl M. Weideman. Alternating behind the silver services will be Mrs. J. Ross Bush, Mrs. John

## Thom Ireland To Claim Bride

Mr. and Mrs. Charles Cagala, of Trenton, have announced the engagement of their daughter, Debra Lynn, to Thom Ireland, son of Mr. and Mrs. William Ireland, of Whittier road.

The bride-elect was graduated in 1972 from Trenton High School. Her fiancé is associated with Toyota Robco, Inc.

A January wedding is planned.

J. Devers, Mrs. William F. Drevant, Mrs. Harvey A. Fischer, Mrs. Robert J. Jay, Mrs. Winfield S. Jewell, Jr., Mrs. Kenneth P. Locke, Mrs. Andrew L. Malott, Mrs. Lyndle R. Martin, Mrs. John W. Nelson, Mrs. Pierre Palmentier, Mrs. Patrona, Mrs. Resnick, Mrs. William G. Self, (over-all Symphony Women's Committee head), and Mrs. Douglas G. Smith who is also keeping track of the reservations.

This annual event is a toast from the group's officers and directors to members of their Committee, whose dues and support contribute so much to the Orchestra's existence.

MR. and MRS. PHILLIP H. JENNINGS, Pointers for many years, recently moved from Mount Vernon road to Harbor Springs.

## Graceys' Wreath Is Up

312

SCOTT MCKENZIE, (left), and TARAS GRACEY helped to hang the Christmas wreath a little early this year at the Gracey's Touraine court home. Because she'll be hostess for this Sunday's St. Mary Academy Alumnae Christmas Tea, MRS. PAUL GRACEY, (right, back), has her holiday decorations all in place. MRS. JEAN BELANGER was on hand to help hang the greens.

## VMI Superintendent To Address Alumni

Major General Richard L. Irby, USA (ret.), superintendent of the Virginia Military Institute, will visit Detroit Friday, November 30, to address VMI Michigan alumni at a 6:30 o'clock dinner meeting in the University Club.

General Irby, making his first visit here since his April 15, 1972, inauguration as 10th superintendent in VMI's 134-year history, will talk about current events and trends at the military college.

Wives, guests and prospective cadets are welcome.

There are nine Michigan men in VMI's present cadet corps.

## Goulet to Sing For Marygrove

Musical matinee idol Robert Goulet will bring his full Las Vegas show and its band to Ford Auditorium at 8:30 o'clock Friday, November 30, for a Marygrove College fund-raising benefit.

His dancer-singer wife Carol Lawrence has also been invited, and if free to do so will lend her talents to the full scale program her husband has developed for such major show towns as Miami, Chicago, New York, Los Angeles and San Francisco.

Joe Garagiola and Detroit radio personality J. P. McCarthy will also perform in the one-nighter celebrity special.

The audience will be introduced to "the other side of Goulet," the romantic come-

dian, down among the audience, chatting and joking as master of ceremonies.

Marygrove Celebrity Night chairmen are Mrs. Charles L. Levin, of Detroit, and Mrs. Eugene Frietas, of Lochmoor boulevard. Honorary chairmen are Chrysler Corporation President and Mrs. John Riccardio.

Tickets are available at Ford Auditorium and all J. L. Hudson stores. General admission is \$10.

Sponsor, patron and benefactor tickets at \$25, \$50 and \$500 each entitle holders to special reserved seating and an afterglow hour with the stars.

Ticket information is available at Marygrove College, 862-8000, Extension 53.

## Rites In St. Paul's For Miss Willetts

Newlywed Richard William Tooheys Will Reside in Wixom City After Vacation in Pompano Beach, Fla.; Country Club Is Scene of Reception

Exchanging marriage vows Friday, November 23, at an early evening ceremony in Saint Paul's-on-the-Lakeshore were Sandra Mary Willetts, daughter of Mr. and Mrs. Guy Burton Willetts, of University place, and Richard William Toohey.

He is the son of Mr. and Mrs. Jerry P. Toohey, of Farmington Hills. The 6 o'clock rites at which Father James Crouk presided were followed by a reception at the Country Club of Detroit, after which the newlyweds left to vacation in Pompano Beach, Fla. They will return to make

their home in Wixom City. The bride's Empire gown featured a bodice of ivory Alencon lace. Her long sleeves ended in double flounces and a double flounce edged her skirt.

Her short illusion mantilla was lace-edged and she carried an arrangement of ivory-centered white roses with stephanotis and ivy sprays.

In floor length frocks of Sahara beige jersey crepe styled with draped necklines and full bias-cut skirts were honor maid Renee Adams and bridesmaids Jane and Sue Willetts, the bride's sisters, Mary Lou O'Connor, a Western Michigan University college friend of the bride, and Mary Kay Kernan.

Their bouques were fashioned of mixed autumn flowers with baby's-breath and ivy.

John William Thomas, of Lansing, was best man. In the usher corps were Paul, Raymond and Thomas Toohey, the bridegroom's brothers, Brian MacDonnell and Paul Adamian.

The bride's mother wore a hand-loomed gown of champagne beige and silver thread crochet with a Eucharis lily, stephanotis and ivy wrist corsage. The bridegroom's mother selected long-sleeved candlelight chifton dress, its pleated cummerbund accented by a gold Dior pin.

The bridegroom is a graduate of Western Michigan University where he was president of Delta Sigma Phi fraternity.

## Mrs. Richard Toohey

In Saint Paul's-on-the-Lakeshore Friday, November 23, SANDRA MARY WILLETTS was married to Mr. Toohey, son of the Jerry P. Tooheys, of Farmington Hills. She is the daughter of Mr. and Mrs. Guy Burton Willetts, of University place.

## Miss Campau To Be Bride

Mr. and Mrs. Walter J. Campau, of Hollywood avenue are announcing the engagement of their daughter, Judith Ann, to Michael J. Jagenow, son of Captain and Mrs. William L. Jagenow, of Detroit.

The bride-elect was graduated from Ladywood High School, Indianapolis, and is attending the University of Detroit. Her fiance was graduated from Servite High School and Henry Ford Community College.

The wedding is planned for late May.

## Josiah Harmar DAR Sets Xmas Meeting

The General Josiah Harmar Grosse Pointe Chapter Daughters of the American Revolution will hold its annual Christmas meeting at the home of Mrs. Daniel Leipprandt in Winthrop avenue, Detroit, Saturday, December 8, at 12:30 o'clock. Co-hostesses are Miss Mary Hale and Mrs. Pat Schmidt.

Following the business session, Mrs. Marvin Putnam, of the state speakers staff, will talk on Benjamin Franklin—A Most Unusual Man.

## Merry-Go-Rounders Plan Holiday Dance

Merry-Go-Rounders will gather at Lochmoor Club Friday, December 14, for a black tie holiday dinner-dance. Reservations for members, at \$25 per couple, and guests, at \$35 per couple, must be received by Friday, December 7, by Maxine Huetter, of South Brys drive, Dee Rinke and Lee Tyler are in charge of decorations for the party. Fran Fox is general chairman. Merry-Go-Rounders secretary is Janice Rinke.

## To Fashion Tray Favors

The Windmill Pointe Garden Club will meet next Wednesday, December 5, at 10 in the morning in the Village lane home of Mrs. Kenneth Kimmel, to fashion floral tray favors for patients at Detroit General and Detroit Memorial Hospitals and at several nursing homes.

A Santa's Grab Bag and films of Williamsburg at Christmas will follow luncheon.

## To Trim Christmas Tree For SS HOPE

Entertainment and Auction, Prizes and Refreshments Will Be Featured at Sixth Annual Party; Ornaments Represent HOPE Donations

"Bell, Beau, and Mistletoe" is the theme—with a rhyme-and-a-ring for HOPE Ship League's sixth annual Tree Trimming party, to be held Sunday, December 2, at the Top of the Pontch, crown of the Hotel Ponchartrain overlooking the Detroit River and Windsor skyline.

Official hours are 4 until 7 in the evening—but the hotel management will extend the time indefinitely for members and guests who wish to stay longer.

General Tree Trimming chairmen this year are Howard and Barbara Willett, of Lochmoor boulevard, and their committee chairmen

include Tom and Cindy Van Pelt, of North Rosedale court, refreshments; Dr. Tom and Mary Gebeck, of Lochmoor boulevard, admissions and reservations; Barry and Brenda Holmes, of Trombley road, decorations; Jerry and Jan Hines, of Bishop road, hospitality; and Tom and Ilze Willison,

## Newcomers Plan 'Hearthside Holiday'

Committee members planning Grosse Pointe Newcomers' Christmas dinner-dance "A Hearthside Holiday," to be presented Saturday, December 8, at Lochmoor Club include, (seated, left to right), MRS. THOMAS CURTIN, MRS. RON YANNESSA and MRS. FRANK UNGER, (standing, left to right), MRS. HOWARD TISCHLER, MRS. THOMAS VAN PELT, Newcomers Club president,

MRS. WILLIAM MAYPOLE and MRS. DON FLOWERS. The Messdames Fred Geisler and Richard Otens are also serving on the party committee. Couples who have recently moved to The Pointe from outside the Detroit area are eligible for Newcomers membership and are invited to call 886-8273 or 882-7782 for further information.

## Slate Chamber Music Program This Sunday

Works by three famous composers and one almost forgotten one will be on the program at the December meeting of the Chamber Music Players of Grosse Pointe in the Grosse Pointe War Memorial Fries Ballroom this Sunday, December 2, at 3 o'clock.

Edward Vabolis, violin, and Helen Nordstrom Vabolis, piano, will perform the Violin Sonata No. 1 in G minor by Emil Sjogren.

Sjogren, born in Stockholm, studied there and in Berlin, Vienna and other European centers. He was a

composer, organist and pianist whose life spanned the turn of the century, 1853 to 1918.

He wrote practically nothing for large ensembles but left five violin sonatas as well as works for solo instruments, especially piano, and songs.

Also listed are a flute sonata by Handel, to be played by Sally Roach, flute, and Myra Brown, piano; a Mozart sonata for two pianos, to be played by Louise Gall and Arlene Hendrie; and the Brahms clarinet trio Op. 144, to be played by Lee Noble,

clarinet, Susan Nye, cello, and Lillian Freedland, piano.

Helene Nordstrom Vabolis is program chairman for the day. Mrs. W. P. Franke is in charge of refreshments, to be served during the social hour which follows each chamber music program.

Admission is free to members, \$1 to non-members. The public is invited.

Appointed Founders Society Detroit Institute of Arts director of Development is Pointer THEODORE A. CHIPPS.

## Conway-Connolly Rites Read Nov. 24

Pair Are Vacationing in the West Indies, at Little Dix Bay and Caneel Bay Plantation; Will Return to Make Home in Bedford Road

A reception at the Country Club of Detroit followed the wedding of Geraldine (Gerry) Anne Connolly and George William Conway Saturday, November 24, at the Sacred Heart Chapel in Lakeshore road.

Bruce Bavinger assisted The Reverend Father Albert Hildebrand who presided at the 6 o'clock rites.

The bride, daughter of Mr. and Mrs. Walter B. Connolly, of Washington road, wore an ivory satin gown fashioned

with an overblouse of re-embroidered lace and a lace front panel.

Matching lace trimmed her train and her Cathedral length illusion veil fell from a lace cap. She carried white lily orchids with stephanotis. She was attended by her

### Pointers To Participate In Romeo Xmas Fair

The Christmas Fair sponsored by the Romeo Historical Society in Romeo Senior High School Saturday and Sunday, December 1 and 2 from 10 to 6 o'clock will feature artists and craftsmen from Saline, Gaylord, Grosse Pointe, Bloomfield, Birmingham, Troy, Rochester, Mount Clemens, Royal Oak, and Pontiac as well as Romeo.

Marymount Junior College, Boca Raton, Fla., classmates Mrs. Robert Hardesty, of Tallmadge, O., as matron of honor, Ellen Ann O'Brien as maid of honor and Mrs. Richard Thorpe, of Denver, the bridegroom's sister, as bridesmaid.

Their frocks featured floor length skirts of Kelly green satin and mohair turtleneck bodices. They carried white roses.

Mr. Conway, a graduate of the University of Wisconsin, presently Detroit manager of Field and Stream magazine, son of Mrs. William J. Conway, of Wisconsin Rapids, Wis., and the late Mr. Conway, asked Robert A. Schmidt, of Chicago, to act as best man.

Ushers were Robert Murphy, also of Chicago, Michael W. Mengel, of Wisconsin Rapids, and the bride's brother, William R. Connolly, of Tuscon, Ariz.

The mother of the bride wore a floor length silk print, the bridegroom's mother a long sheath of gold lurex wool.

The newlyweds, vacationing at Little Dix Bay on Virgin Gorda in the British West Indies and at Caneel Bay

### Mrs. George Conway

Photo by Eddie McGrath, Jr. GERALDINE (GERRY) ANNE CONNOLLY, daughter of the Walter B. Connollys, of Washington road, and Mr. Conway, son of Mrs. William J. Conway, of Wisconsin Rapids, Wis., and the late Mr. Conway, were married in Sacred Heart Chapel Saturday, November 24.

### December Duo For Alliance Francaise

The program committee of the Alliance Francaise de Grosse Pointe headed by Mrs. Garfield Tournay has planned two events for early December.

One will appeal especially to admirers of French music. The other is slanted toward students of French in local high schools.

"Soiree Musicale" scheduled for Friday, December 7, at 8 o'clock at the Tournay home in Washington road, will feature a program of French art songs including compositions by Debussy, Baudelaire and Staub and music from the Baroque period including works by Couperin and Kameau.

Artists will be Bernard Katz, Detroit-trained classical pianist and harpsichordist, and soprano Fay Turner. Dr. James H. Graves is lending his harpsichord for the occasion.

Wine and Christmas sweets will be served during the intermission reception. Mrs. Elmo L. Joseph, Mrs. Robert Sillery, Mrs. George R. Mikhail and Mrs. William E. Barry are assisting on the refreshment committee.

The evening is free to members of the Alliance, open to guests at \$3 per person.

The Tournay home will be scene of a candlelight, sit-down dinner for Grosse Pointe high school students of French on Sunday, December 9, from 5 to 7 o'clock.

The menu of quiche Lorraine, boeuf bourguignon and buche de Noel is being prepared by the students themselves.

in advance of the party.

All attending will be urged to speak only French. Several adults, including Miss Marjorie Paquette and Mrs. S. Sidney Newhouse, chairman of the event, will be on hand to help get the conversations underway.

The party will be rounded out with a community sing of French Christmas carols.

Student representatives working on the project are Jean Robinson, University-Liggett; Taryn Finerty, Grosse Pointe South, and Chris Mulholland, Grosse Pointe North.

The locale for these two gatherings is a magnificent residence, featured in the W. Hawkins Ferry Book, "The Buildings of Detroit—a History."

It was built in the 1920's for the late Ralph Harmon Booth, a great collector and patron of the arts. The facade is early English Renaissance. The interior reflects the Booth tastes and interests.

Notable among details are a carved slate fireplace of Florentine workmanship in the drawing room, dining room paneling from Hamilton Palace in Scotland and library paneling from England's Standish Hall.

## Democratic Group to Hear Ms. Mahaffey

The Grosse Pointe Democratic Women's Discussion Group will hear Detroit's newly-elected Councilwoman Maryann Mahaffey next Wednesday, December 5, at 9:15 in the morning in Betsy Schoff's Lochmoor boulevard home.

Ms. Mahaffey's discussion will explore the relationship between suburbs and the city as well as the subject of

women running for political office.

The informal discussion format will allow an opportunity for questions.

Other topics under study at the Group's weekly meetings are the CIA and the Energy Crisis.

Joan Hines and Bonnie Hetzel are using Congressman Lucien Nedzi's Subcommittee Report concerning the

alleged involvement of the CIA in the Watergate and Ellsberg matters in addition to "The Invisible Government" to prepare their CIA discussion.

The Group will discuss the Energy Crisis, referring to the Knight Newspapers' series entitled "Oil — The Created Crisis," December 12.

Current events study is based on The New York Times Sunday edition section "The Week in Review."

New members and visitors are always welcome. Chairperson Susie Lewis, 886-4415, may be contacted for further information.

## Sunday Talk For Phase I

Bud Murphy, a communications expert from the Growth Center, will present a talk, "I'm O.K., You're O.K.," an insight into Transactional Analysis, at a meeting of Phase I, an all-singles group, at 7:30 o'clock this Sunday, December 2, at Grosse Pointe Memorial Church.

The technique of Transactional Analysis was developed by Dr. Eric Berne, author of "Games People Play," and Dr. Thomas Harris, author of "I'm O.K., You're O.K."

Singles between the ages of 20 and 40 are invited to attend. A social hour will follow the program.

Phase I has scheduled a Holiday Hop for Friday, December 7, from 8:30 to 1 o'clock at the Grosse Pointe War Memorial. Admission will be \$2.00 per person at the door.

Phase I meets every Sunday night at Memorial Church. Further information on the group's activities may be obtained by contacting Gust Jahnke at 882-5330.

## Rudolph's Rig to Roll

Photo by Gail Maxwell

Rudolph's Rig will roll again this year, taking Pointers out to Birmingham-Bloomfield Thursday, December 6, for the Junior Women's Association for the Detroit Symphony Orchestra's Christmas Walk on the other side of town. Reservations are a must for this bus service. An \$11 ticket includes not only transportation but a box luncheon, a split of cold duck, hot coffee and admission ticket to all the holiday-decorated Birmingham-Bloomfield homes on this year's tour. MRS. MICHAEL SKAFF, (left), is Walk ticket chairman. MRS. THOMAS ROCKWELL is Rudolph's Rig chairman. Reservations may be obtained by writing Christmas Walk, 585 Saddle lane, Grosse Pointe Woods 48236. The number to call for further information is 886-4516. There'll be bus service available, again by reservation, the following Thursday, December 13, for Pointers in their own home territory when the Grosse Pointe Christmas Walk is presented from 11 to 4 o'clock. Cost to Pointers for the Pointe bus and tour admission ticket is \$4.

## To Hold Yule Luncheon At Saint Joseph Home

The Saint Joseph Carmelite Guild of Saint Joseph Home for the Aged will hold a Christmas luncheon and card party at the Home in Cadieux road, Detroit, next Tuesday, December 4, at 12:30 o'clock.

A Christmas booth and bake sale will be featured. Donation is \$2 per person. Reservations may be made by calling TUxedo 2-3800.

DR. A. THOMAS CAPPAS, of Maumee avenue, was program coordinator for the third Annual Workshop of the Michigan Association of Marriage Counselors November 17.

## Neil Engelhart Takes a Bride

Mrs. Joseph C. Dibley, of Utica, announces the marriage of her daughter, Karen Lee, to Neil Alan Engelhart Saturday, November 3, at the Grosse Pointe Congregational Church, with The Reverend Roy R. Hutcheon presiding.

Mr. Engelhart is the son of Mr. and Mrs. Leon Philip Engelhart, of Hawthorne road.

The bride was given in marriage by her uncle Paul S. Mathewson, of Lakeland avenue. Judith Ann Sluga was honor attendant.

Gerald Mantyk acted as best man. Larry and Robert Engelhart, brothers of the bridegroom, ushered.

Following the 3 o'clock service a reception was held at the Mathewson home. The bride's father, the late Mr. Dibley, was a brother of Mrs. Mathewson.

The newlyweds are residing in Warren. The bridegroom is associated with Tuff-Kote Dinol, Inc.

Center entrance colonial with bay windows on either side of the front door, mature spruce trees flanking the front walk and a full 100 feet of front yard set this apart from other houses in its neighborhood. There are four bedrooms with two connecting baths, a large paneled family room with random width flooring, kitchen with builtins, and two car attached garage. Priced to market at \$52,500.

562 N. ROSEDALE

Immediate occupancy. Tired of run-of-the-mill over priced stereotyped ranches? This unique plan really puts "enough" distance between master wing and the kids, combines three generous bedrooms plus den or 4th bedroom, and two full baths. Attached 2 car garage, low traffic street and a dry basement complete the picture. Priced below State Equalized Valuation, in the low \$50's. Everyone likes nice surprises and we predict this won't stay long on the market.

1604 EDMUNDTON

A newer ranch in the Woods, three bedrooms. 1 1/2 baths and a fantastic family room with sliding glass doors to a patio. Finished recreation room, two car attached garage and the package is priced to be wrapped up in the mid-fifties.

## CITY OF Grosse Pointe Farms MICHIGAN

### SUMMARY OF THE MINUTES

November 19, 1973

The meeting was called to order at 8:00 p.m. Present on Roll Call: Mayor William G. Butler, Councilmen James H. Dingeman, Jack M. Cudlip, Nancy J. Waugaman, Joseph L. Fromm, W. James Mast and E. Rust Muirhead.

Those Absent Were: None. Mayor William G. Butler presided at the meeting. The Oath of Office was administered to Councilwoman Nancy J. Waugaman and Councilmen Jack M. Cudlip, Joseph L. Fromm and E. Rust Muirhead; all of whom were elected to Office at the General City Election which was held on November 6, 1973. The Council accepted and confirmed the Certificate of Determination regarding the General City Election which was held on November 6, 1973, as approved by the Board of Canvassers at their meeting which was held on November 8, 1973. The Council elected Councilman William G. Butler to the Office of Mayor to serve a two-year term expiring in November, 1975.

The Council elected Councilman James H. Dingeman to the Office of Mayor Pro-Tem to serve a two-year term expiring in November, 1975.

The Minutes of the Regular Meeting which was held on November 5, 1973, were accepted as corrected.

The Council received the appeal of the Cottage Hospital of Grosse Pointe, from the denial of the Building Department to issue a Permit for the renovation of the older part of the hospital, and deferred the matter pending an in-depth study of the parking situation in the entire Cottage Hospital-Hill Business area.

The Council approved the low bid of the International Salt Company, in the amount of \$9.73 per ton, for rock salt.

The Council approved final payment to the Cooke Contracting Company, in the total amount of \$29,771.25, for asphalt paving which was satisfactorily completed in accordance with the City's contract with the foregoing firm.

The Council appointed Mrs. G. Mennen Williams and Mrs. Clarence J. McLeod, Jr. to the City's Board of Canvassers, each to serve a four-year term expiring December 31, 1977.

The Council appointed Councilman Joseph L. Fromm to the Policemen and Firemen Retirement System Commission and the General Employees Retirement System Commission, to serve the remainder of a one-year term expiring in May, 1974, which was held by former Councilman Mark C. Stevens.

The Council appointed Mr. Richard C. Hudson to the Mayor's Advisory Planning Committee, to serve the remainder of a three-year term expiring in June, 1975, which was held by Councilman Jack M. Cudlip, who resigned to serve on the City Council.

The Council received the proposed Animal Regulation Ordinance, and deferred further consideration of such Ordinance until early in 1974.

The following Report was received by the Council and was ordered placed on file: A. Fire Department Report for the month of October, 1973.

The Council adopted a resolution in opposition to House Bill No. 4432 and Senate Bill No. 282, which would abolish all Municipal Courts in the State of Michigan on January 1, 1977.

Councilwoman Waugaman and Councilman Cudlip reported that they would attend the quarterly meeting of the Southeast Michigan Council of Governments, which will be held at Mercy College on November 29, 1973.

The Council approved the low bid of Paul Theon, in the amount of \$1,458.24, for the installation of concrete decking for the shelter building at the Pier Park.

The Council authorized the Administration to proceed with the necessary arrangements for the twenty-fifth Annual Employee-Management Meeting, which will be held on December 14, 1973, at the Pier Park Boathouse.

Upon proper motion made, supported and carried, the meeting adjourned at 10:15 p.m.

**Plan Dehoco Legal Education Benefit**  
Women students at Detroit College of Law are sponsoring a spaghetti dinner Sunday, December 2, at St. Benedict's Parish Hall, Highland Park, to raise funds for a Legal Education course and Law Library at Detroit House of Correction.

Dehoco houses all women convicted of felonies in Michigan. Because of its limited budget Dehoco lacks the legal research facilities, common in penitentiaries, necessary for inmates to appeal their cases.

The Dehoco Legal Education Project needs funds to buy current state and federal legal materials for the library, as well as to prepare a manual to accompany a course on legal research techniques, criminal law and post-conviction procedures.

The dinner, served from 5:30 to 7 o'clock, will feature speaker Lee Dell Walker, a jailhouse lawyer, and the Blackacre Blues Band. Tickets are \$2.50. Additional information may be obtained by calling Marilyn Mosier, 962-9015. The Dehoco Legal Education Project is sponsored by the Grosse Pointe Interfaith Action Council and endorsed by the Young Lawyers section of the Michigan Bar Association.

**FIRST OFFERING IN THE FARMS**

**DO YOU HAVE A PENCHANT** for white colonials nestled on deadend streets? Do you demand your next house have at least four bedrooms? Five would be better. Do you want a large lot with mature trees? Must that next house have an attached garage? Wouldn't being just a block from the lake and yet near schools and public transportation be a perfect location? This one has it all. Don't you want to call us?

**BY APPOINTMENT PLEASE**

**HOW DOES THIS description** grab you? Two bedrooms on the first floor with a family room. The cathedral ceiling living room has a loft with room for a den or additional sleeping room. There's a full basement, garage and the low price tag of \$32,500. Grab it.

**CENTER ENTRANCE COLONIAL** with bay windows on either side of the front door, mature spruce trees flanking the front walk and a full 100 feet of front yard set this apart from other houses in its neighborhood. There are four bedrooms with two connecting baths, a large paneled family room with random width flooring, kitchen with built-ins, and two car attached garage.

**A STATELY HOUSE** located in the Farms just a few feet from the lake has become even more attractive because now it is available for purchase. Designed by Albert Kahn Associates, this petite mansion offers a large entrance foyer with marble floor, a large formal living room with magnificent fireplace; and the dining room, library and living room all face the lake. Five bedrooms and four baths comprise the second floor. This one will appeal to everyone . . . we wish we had more.

**CHARM INSIDE AND OUT** is standard equipment in this beautifully maintained three bedroom colonial on LaBelle. New carpeting and draperies throughout make this one ready to move into. Just a short hop to Mack-7 shopping, and a low interest mortgage to step into.

Women Aid Women To Accept Mastectomy

Women who have had surgical removal of the breast, (a mastectomy), are helping other women adjust to the experience.

More than 50 women, including Mrs. Garry Burton, of Lochmoor boulevard, are volunteering their time to help mastectomy patients accept their surgery. Their efforts are being coordinated by the Michigan Cancer Foundation.

With approval from attending physicians, these women visit patients in hospitals. Many maintain follow-up contact with patients after they leave the hospital.

"Three years ago we had just a few mastectomy visitors," said Eugenia Tokarz, nurse consultant for the Michigan Cancer Foundation's Department of Patient Services and Rehabilitation.

"We've increased in number as the need increased and as we received more requests for service from doctors and health care institutions."

The work of these volunteers has received praise from Dr. Michael J. Brennan, of Three Mile drive, president of the Michigan Cancer Foundation.

"A recovery of confidence is important to a mastectomy patient," said Dr. Brennan. "Volunteers who have had this surgery can provide invaluable services to the patient who may have difficulty recovering a sense of attractiveness and regaining a good life adjustment after surgery."

Mrs. Tokarz and Maria Alexander, director of Patient Services and Rehabilitation, are planning to expand the mastectomy visitor program.

Mrs. Alexander said a team approach, involving physicians, nurses, social workers and other volunteers, will be used to provide training for volunteers.

A group of more than 25 mastectomy visitors met recently at the Michigan Cancer Foundation and exchanged thoughts on improving the visitation program.

Dr. John Burrows, medical director of the Foundation's new Breast Cancer Detection Center, talked about communication between the physician and the patient.

The women also heard from Sharon Klein, a medical social worker at the Foundation. She discussed the importance of a positive non-medical and non-technical approach to visiting mastectomy patients.

Mrs. Jewell Gehringer, a buyer for Crowley's, talked on breast prostheses.

Dr. Burrows urged breast cancer patients to be direct in asking doctors questions about the disease, possible surgery and follow-up treatment.

He said visitors should help patients formulate questions and identify their feelings.

Miss Klein noted that the volunteer's own experience with a mastectomy can give her insight in helping the new patient.

She said "success" with breast cancer patients often is discussed in terms of surgery, treatment and cure rate.

But if a patient has difficulty adjusting to the mastectomy, she added, sometimes "treatment can be worse than the disease."

Woods Police Warn Prankster

An 11-year-old Manchester road youth was spotted and warned by a Woods public safety officer while in the process of "pulling a prank" Saturday evening, November 24.

Officer Robert Kwiatkowski saw the boy on Manchester, west of Brancaster, as he appeared to be tying a wire from tree to tree across the street.

When questioned about his activities, the youth said his father had given him the idea to string a wire across the street because it was a good joke to pull on people.

The officer took the boy home and spoke to his father, who stated he was unaware of his son's actions and had not recommended such activity to the lad. He told the officer he would warn his son of the dangers involved.

Center Slates German Night

"Inside Germany" is the title of Russ Potter's color film coming to Fries Auditorium, under the sponsorship of the Grosse Pointe War Memorial Association Tuesday-Wednesday, December 11-12.

It covers all four seasons in West Germany, from the Island of Helgoland in the North Sea to the Bavarian Alps, the cities and the countryside, the fun and the foibles, and above all, the in-depth story of the German people, viewed and reported with taste and humor.

Mr. Potter is a professional speaker and writer who entered the travel film field with the first comprehensive film on the Soviet Union, followed by films on India, Belgium and his classic "High Himalaya."

He has lectured to bilingual audiences in Europe as well as in every major auditorium in the United States and Canada.

The 8:15 show will be preceded by a Bavarian Banquet at 7 p.m. served around the Tannenbaum in the Crystal Ballroom glowing with the holiday decorations.

Reservations for dinner and show are \$7.50, tax and service included. Tickets for the show only are \$2.50.

Local Athletes On WSU Rosters

Several local athletes will participate on various Wayne State University squads this season.

WSU's swimming roster features three South High graduates including Junior Greg Boerner, Sophomore Mike Schroeder and Freshman Fred Wickler, along with Austin grad, Senior Roy Martin.

Meanwhile, Freshman guard Ron Zenn, a North High graduate, is on the roster of WSU's basketball team, while Senior Mike Duika, a South High grad, is a member of the fencing team.

SEMCOG Plans to Start County Car Pool Program

The Southeast Michigan Council of Governments, (SEMCOG), announced plans last week to initiate a computerized car pool program for people who live and work in Wayne, Oakland and Macomb Counties.

SEMCOG Executive Director James L. Trainor said the car pool program is in response to President Richard Nixon's call for national cooperation at all levels to help ease the energy crunch.

Depending on its success, the program has the potential of saving up to 200,000 gallons of gasoline daily, according to SEMCOG figures.

GP City Police Report 3 MDP's

City police received three complaints of malicious damage to property, (MDP), this past week. Two incidents occurred at residences and the other damage was done to a parked car.

A Washington road resident told police on Thursday morning, November 22, at 2:30 a.m., two cars stopped on Goethe avenue, the cross street near his home. One person got out of a car and proceeded to pull 10 pickets from his stockade fence.

The perpetrator then jumped back into the vehicle and the two cars left the area as their occupants yelled and honked their horns.

More damage was done to a Woodland place residence. The custodian there reported some person or persons broke the garage window on Monday, November 19, and also scratched the windshield of the 1971 Chevrolet Caprice that was parked inside.

Damage also was done to a car parked on Lincoln road, on either Wednesday, November 21, or Thursday, November 22. The complainant requested police come to the scene, and they reported the windows on the left side of the green Buick sedan had been broken.

Each participating worker will thus have a specific list of people who live nearby, with the same working hours and approximately the same work location. It is then up to the workers to get together and to start their own car pool.

Employers who participate will offset the charges SEMCOG at a rate of 35 cents per employee plus a five cent monthly maintenance charge to keep lists updated. This would come to an annual cost of roughly 90 cents per year per employee. These charges will offset the charges SEMCOG must pay to run the program through its computer.

"We are prepared to start the program immediately," said Mr. Trainor. "We feel we have the ability to undertake such a program since we already have the necessary computer programs as well as the technical expertise to provide an effective service in this vital area."

SEMCOG is a voluntary association of governments composed of elected officials from 94 communities in Southeast Michigan. Its principal function is to develop and coordinate region-wide planning for and use, transportation, recreation and open space, water supply, sewage disposal, storm drainage and housing.

Bare One Shoulder . . . for fashion's sake! It's really an important look for now, cruise and Spring. We were in New York with the Walton-Pierce buyers viewing the new Spring collections and the one shoulder look was everywhere. Walton-Pierce has some of the prettiest and sensuous versions around. One is a full page ad in Bazaar and was featured last week in the window at Walton-Pierce. An azalea chiffon with a one shoulder ruffled top has a floating long skirt. Another one shoulder style is of luscious peach jersey fashioned with a slinky modified Grecian line. A new collection of Christian Dior jewelry has just been unpacked and unusual stem glass flower holders with metal bases are new in the gift department. We admired the one with the tiger base. The buyers have just returned from New York. That always means the arrival of the newest fashions daily.

The Best of Two Worlds . . . an apartment-home in Grosse Pointe's newest condominium, the Jefferson Apartments, 17111 East Jefferson. Residents are home owners, enjoy tax deductions and equity advantages. The apartment size is in excess of 2,000 square feet. There are nine-foot ceilings, maximum insulation, air conditioning and natural fireplaces. Enjoy the services of a doorman, permanent caretaker. Three security systems guard your apartment while home or away. The model apartment is open 12 to 5 p.m. daily except Wednesday. Call 882-7708 or 886-4800 Michigan Condominium Corporation.

Great Adventure In Cooking . . . Jenn-Air's counter top broiler. It cooks everything with the same delicious flavor as an outdoor charcoal grill . . . but none of the smoke and mess. Permanent grill rack, electrically heated to consistent high intensity, sears genuine charcoal broiled flavor into any meat. It's a whole new concept of indoor cooking. This counter top broiler exhausts cooking fumes without an overhead hood. The secret is a revolutionary surface vent built-in next to the grill. It traps smoke and odor at their source and whisks them out of doors. See it in the handsome new kitchen model display at Mutschler Kitchens, 20227 Mack Avenue.

For Glitter And Glamour . . . at holiday parties wear sliver or gold lame. Find a new collection at Michelle's Boutique, 17864 Mack Avenue. Lame shirt dresses, short skirts with cardigans and pantsuits are priced from \$100. Michelle's is open Friday evenings until 8.

in Martha's Closet . . . 375 Fisher Road, you'll find a dreamy selection of robes and nightgowns. They come long or short with matching robes. One charming ensemble features a floral print nightie styled with thin straps and trimmed with lace. It has a matching robe and comes long or short.

Those Folks At Mr. Q Say . . . try a one-weeker to Europe. Choose London, Paris, Rome or other destinations. The rates now are amazingly low. Call 886-0500 . . . 19517 Mack Avenue.

At The Sphere-Squirrel's Nest . . . 19849 Mack Avenue, store hours starting November 23 and are 9:30 to 5:30 Monday through Friday . . . 9:30 to 5:30 Saturdays . . . also open three Sundays, December 9, 16 and 23, 12 to 5 p.m.

For The Holiday Host . . . the Notre Dame Pharmacy has a good selection of wines, liqueurs, goodies and barware.

At The Edward Nepi Salon . . . Make-up Artist Tess Nepi says, "Anytime is the time for beauty! It doesn't matter if you are already one, or have to work to become one." Let her show you up to the minute make-up ideas that discover new planes, angles and colors in your face . . . subtle ideas, that are in keeping with today's natural look TU 4-8858 for appointment.

Exciting New Jewelry . . . by Raoul Calabro has arrived at the Margaret Diamond Shop, 377 Fisher Road. These unusual earrings, necklaces and bracelets make beautiful Christmas gifts.

The Backgammon Buff . . . who has everything except a good looking lucite score holder would love one for Christmas. Find it at Barbara's Stationery, 373 Fisher Road. There is also on display a large scrapbook covered with an Alice In Wonderland patterned fabric (allegedly the choice of Jackie Onassis) It is \$35 and comes in other fabric choices. For another have-everything-type, how about a good looking ultra-contemporary fire extinguisher?

Talented Mr. Cueter . . . at Bijouterie designed one-of-a-kind pieces specially for Christmas gifting. The new display of beautiful, unique 18Kt gold rings in coral, angel skin coral and diamonds. Also his classic designs in diamonds, sapphires and rubies are part of what's new at 19860 Mack Avenue. For your shopping convenience Master Charge and BankAmericard are available.

BUSINESS GIFTS???? . . . I have a Superb Selection of Cheese Assortments, ranging in price from \$4.95 and up. Don't be left out. Order early! If you are interested in Special "CUSTOM" gift boxes in quantity these are available also. Call for an appointment 884-9077. P.S. My mailing deadline is December 10th. The Merry Mouse—Kercheval at Notre Dame.

Modern Man—the full service Men's Salon. Offering Styling, haircoloring, Hair & Scalp Cleansing and Treatments. Hair Straightening, Hair Body Processing, Selling and Servicing of Hair Goods. See the "Professionals." That's MODERN MAN, 19609 Mack Ave. Appt. TU 1-0010.

SALE . . . SALE . . . SALE . . . Terrific values are to be had now at the Pre-Christmas sale of a special selection of fine dresses, long and short, pant suits and accessories. Hurry to Mr. Julian Fashion Boutique, 15114 Kercheval in the Park, 822-2818.

MRS. CHARLES J. KOEBEL, OF SHELDEN ROAD

By Janet Mueller

She left Sweden 50 years ago and came to Michigan, to Grosse Pointe, to the just-built flats in the south-of-Jefferson Nottingham road area where "all the newly-marrieds lived." It was a very different Grosse Pointe. "We didn't even have a hairdresser here, or a dress shop. We went downtown for everything."

There were a few grocery stores, one ice cream parlor, a shoemaker where Jacobson's is now.

Schettler's, at the corner of Fisher road and Jefferson, where a National Bank of Detroit branch office stands today, was the only drugstore.

She spoke English, not fluently, but enough to understand and be understood.

Times change: The Pointe's grown up, built up, but a great deal of what it was remains.

Just as there's a lot of the young woman who came from Sweden 50 years ago left in Ingrid Koebel.

A Great-Grandmother She's a great-grandmother now. (And how, in 50 years, great-grandmothers have changed! Mrs. Koebel, trim and chic in a pants suit, is about as far removed from Great Granny in her Shawl and Lisle Stockings as a horse and buggy is from an Apollo spacecraft.)

There's still a hint of an accent left, if you listen hard. "My children are vitally interested in Swedish culture, and they can understand if I speak to them in Swedish." But they don't speak Swedish themselves.

A language, if it's to be retained in fluency, must be used. Even Ingrid Koebel, born and bred in Sweden, has a bit of difficulty slipping into Swedish when she goes back to visit.

The difficulty only lasts a day or two. Then her ear adjusts. She begins to think again in her first language.

There's never any Culture Shock, for Mrs. Koebel, when she came to America, didn't drop her Swedishness. She simply added Americanism.

Scandinavian Art has been one of her continuing, major interests.

Friends of Milles The Koebels were close friends of Carl and Olga Milles during the famous sculptor's years at Cranbrook. Ingrid, in the picture above, is posed beside the Milles figures she refers to as "Carl and Olga going to heaven," the stunning sculpture that graces her wide, crescent-shaped dining room window.

Eliel Saarinen designed the Koebels' former home in Cloverly road and his daughter did the interiors. Weavings, rugs and curtains were executed at Cranbrook.

Sigrd Koebel Mosher lives there now, with her husband Charles and their children.

"We moved," Mrs. Koebel explains, "because the house was too large for just the two of us. We wanted something smaller and more convenient."

All The Better To See . . . the display of beautiful, in vogue, oriental rugs, Ed Maliszewski's, 21435 Mack, has been expanded to twice the size and remodeled. It still has the same boutique atmosphere and personal service. The orientals on display can be ordered in other sizes. Of course, there is a great selection of carpeting and area rugs . . . 776-5510.

Be The Prettiest Decoration Around . . . during the holidays. Let the Grosse Pointe Coliseum design a very special hairdo. They have interesting hairpieces, cascades, braids, hair accessories and tiny little ornaments of make believe hair . . . at 20335 Mack Avenue . . . 881-7252.

If You Want The Antique Look . . . in Christmas cards, head for Ports Of Call, 23220 Gr. Mack. Ask for Red Farm Studio greetings. There is still a good selection of miniature doll house furniture.

December 13 was the first day after the longest night of the year in Sweden. In pre-Christian times the coming of light after darkness was cause in itself for rejoicing.

Lucia was originally a southern saint, a Sicilian girl who went at night with her mother to bring food to the poor. As Christians they were subject to persecution, so their visits were made in the dark, in secrecy. Lucia would put a candle on her head to light their way, freeing her arms for carrying gifts.

Discovered eventually as a Christian she was sentenced to be burned — but the wood would not catch fire. Lucia was finally killed by a sword thrust December 13, the day it was believed light returned to Sweden.

Tales of her saintliness and beauty were carried to Sweden by traveling Norsemen. Her Christian influence was woven into the old pagan Festival of Lights.

The single candle she had worn on her head became a crown of seven and Sicilian Lucia became Sweden's Queen of Light.

Has Many Settings The Lucia Festival continues in Sweden, not only in homes but in hospitals, schools, hotels, restaurants, wherever people gather. It continues throughout the world, wherever Swedes or people of Swedish descent gather to celebrate the old, lovely customs.

Lucia, with her candle crown and Star Boy attendants, will bring coffee and Lussekatter to everyone at the Jenny Lind Club of Detroit's Lucia Fest this December.

Ingrid Koebel is a committed member for the 1973 Lucia Fest.

Lucia is always the daughter of a Jenny Lind member. One of Mrs. Koebel's daughters was Lucia once. So was one of her granddaughters.

Mrs. Koebel describes herself as a hausfrau now, a woman whose chief concerns are marketing, cooking and keeping a warm, comfortable home.

But oh! . . . How she can cook!

And oh! . . . What a fantastic hostess she is in the warm, comfortable home she keeps!

Always a voracious reader, (she likes history, loves a good, meaty historical novel), she goes to bed early — and then, engrossed in the book of the moment, often doesn't put out the light until midnight.

Many Activities She's belonged to the Pointe Book Club for years, and to the Grosse Pointe Farm and Garden Club, and has worked for years for the exquisite Christ Church Fair Paris Tables.

She's a member of the Women's Association of the Detroit Symphony Orchestra. Mr. Koebel is a former Detroit Symphony Board member.

Bath And Boudoir . . . are beautifully brightened by Stylebuit accessories which come in gold filigree at the new WRIGHT'S GIFT AND LAMP SHOP. There's a complete selection including comb, brush and mirror sets, soap dishes and tissue boxes. Find an excellent choice of individual and personalized Christmas cards, wrap, and party goods. Use WRIGHT'S convenient lay-away plan and free parking for customers next to the building . . . 18650 Mack Avenue. Open Thursday, Friday and Saturday evening.

Time was when the druggist in the Old-fashioned apothecary shop used to make up special creams and powders and formulas of all kinds for his customer . . . We still do. We also have all the modern prescription items your doctor recommends and prescribes. Plus vitamins, health foods, convalescent needs, elastic stockings, supports and bad backs. Last . . . but not least, we have colognes, soaps and sachet bags to delight your great aunt and lots of other people, too. Come see us. A. J. Meyer Pharmacy, 16361 Mack Avenue, 882-1040.

MacArthur, Admirals Richard Byrd and Robert Peary and Sir George Hubert Wilkins have all been members.

Circumnavigators are noted for throwing great parties, but they're men with a serious purpose. They strive to expand their understanding of events and people throughout the world through the medium of friendly contact.

The Circumnavigators Club Foundation, a philanthropic organization, actively supports specific international - in nature humanitarian endeavors. Grants for deserving students are among the Foundation's projects.

Present Foundation grant recipient is a young man majoring in International Relations who enjoys a top academic standing in the Walsh School of Foreign Service.

Tomorrow it's strictly Circumfun, however, as some 300 of the Michigan Chapter's more than 300 members enjoy another great Circumparty.

Circumcliminations begin at 7 o'clock. Then there's the Grand March, dinner, and dancing until midnight.

And oh! . . . The stories that will be swapped!

## Berry Memorial Lecture

Bill Hixson, renowned florist artist, speaker, and author, is coming in from Lakewood, O., to deliver this year's Grosse Pointe Garden Center Eska and Raymond Berry Memorial Lecture.

"Christmas Around the World" will be his theme Friday, December 7, at 11 o'clock in the Grosse Pointe War Memorial's Fries Auditorium.

The Berry Lecture is complimentary, of course. It's the Garden Center's holiday gift to its friends.

Garden Center President Mrs. Edward R. Harigan has asked Mrs. Henry S. Walker to serve as chairman of the day. Mrs. Merlin A. Cudlip, treasurer, is in charge of tickets.

Others working for a marvelous morning are the Mesdames Harold R. Smith, J. Lane Donovan, Mark C. Stevens, Crawford Frost and Robert Russell.

## Cancer Patient Drivers Needed

Louise Imhoff, 884-9318, would like to talk to anyone who feels, in the hustle and bustle of everyday life, that something is missing . . . to anyone who has two to four idle hours one day a week.

She's offering any man or woman with access to a car "a job you'll find the most rewarding time you've ever spent."

The job involves driving a cancer patient who cannot get there himself to a clinic or hospital for out-patient treatment.

The rewards? . . . Louise, if you call her, will tell you all about those.

Mrs. Imhoff, of Allard avenue, is an American Cancer Society volunteer driver.

We Congratulate The University of Michigan . . . undefeated in 1973!
