WOODS ACCEPTS BONDS BID

HEADLINES

of the WEEK
As Compiled by the Grosse Pointe News

Thursday, January 16

FOLLOWING CHRYSLER'S LEAD. The Ford Motor Co. announced it will give cash rebates ranging from \$200 to \$500 to customers buying one of the company's small cars or a light truck. The offer which is effective immediately, will extend through February 28. In making the announcement, Henry Ford II indicated the program was being made because "sales are not good at the moment." Industry analysts believe the rebates as the best way to stimulate car sales as opposed to cutting sticker prices.

Friday, January 17

THE MICHIGAN COURT OF Appeals ordered 184 Crestwood school teachers fired in a labor dispute last December reinstated today. The three-judge panel held that the teachers were discharged illegally although they also found that the orders of the trial judge were "blatantly ignored" by the striking teachers. Crestwood School Superintendent Robert Rutilla said the schools would open Monday with the old teachers back in the classroom. The school board said no decision had been reached as to whether the decision would be appealed to the Michigan Supreme Court.

Saturday, January 18

THE CRESTWOOD SCHOOL Board has asked the Michigan Supreme Court to reverse a decision made by the State Court of Appeals ordering 184 striking teachers back to work. The appeal, filed today, also asked the court to delay the reinstatement of the teachers until the case will be heard at the Supreme Court level. A decision on whether the case will be heard and whether the reinstatement will be delayed is not expected until Monday. School Board President Frank J. Skopczynski said the decision to appeal was "to bring this thing to a final conclusion so there won't be any lingering questions afterward."

Sunday, January 19

THOUSANDS OF GREEK Cypriots stormed the U.S. Embassy in Nicosia Saturday, ransacking offices, smashing windows and setting a wing of the building afire before they were halted by U.S. Marine guards with tear gas. The demonstrators also attacked the British diplomatic offices in protest against Britain's decision to allow Turkish Cypriot refugees to leave the island. In Washington, the State Department said the fires in the embassy were under control and there were no American casualties.

Monday, January 20

TWENTY PERSONS were reported wounded in an attack by Arabs at Orly Airport in Paris Sunday. Two Arab gunmen fired at an Israeli jetliner, missed the plane and then exchanged gunfire with police. The gunmen seized three hostages, a couple and their four-year-old daughter, then barricaded themselves in an airport rest room and demanded a plane to the Middle East. Negotiations with the men continued today. It was the second guerrilla attack on an Israeli plane at the airport in six days.

Tuesday, January 21

REPUTED DRUG kingpin Milton (Happy) Battle, charged with conspiracy, pled guilty in the 10th Precinct narcotics trial. The plea was revealed by presiding Recorder's Court Judge Justin C. Ravitz yesterday. Judge Ravitz said Battle pled guilty Saturday to charges of conspiracy to sell narcotics and conspiracy to obstruct justice.

Jaycee Project to Aid Burn Institute

Photo by Charles Fisher

A major Jaycee project has been to raise monies for the National Institute for Burn Medicine in Ann Arbor. Last fall, the organization sponsored an "Operation Red Ball" drive and, now, they are backing a hockey game between Detroit Red Wing oldtimers and The Pointe's

Sherwood Forest Hockey Club on March 19. Playing prominent roles in this project are, (from left to right), Dr. WILLIAM JENNINGS, BILL MARR, BRIAN DeFOUR and GREG WHEELER. (See story page 6).

Group Views Hockey at NHS, SHS

Steering Committee Is Formed to Explore Possibilities of Establishing Varsity Sport

A steering committee of people interested in establishing varsity hockey at both North and South High Schools starting with the 1975-76 season met on Saturday, January 11.

All facets of the many problems involved in establishing high school hockey teams were discussed and reports were given on the following subjects:

- The tremendous support for high school hockey at both North and South High Schools and parents.
- The steps and information that will be necessary to make a presentation of the desirability and need for high school hockey.

Start Blue Liners

• The budgeting aspects of establishing and running a high school hockey team with supporting data obtained from other area high schools that already have hockey.

• The availability of nearby ice.

The Blue Line Club, a booster organization for the development and support of high school hockey teams at both North and South, was established at the January 11 meeting with Louis A. Rossetti, installed as president.

Bob Mueller, (886-5375), should be contacted by anyone interested in contributing their time and effort to develop.

Board Eyes Renovation For South Auditorium

By Nancy Kramer

The Board of Education has given its initial authorization to plans for renovating the old South High Auditorium. During a regular meeting held Monday, January 13, the trustees gave the nod to Superintendent of Schools Dr. James A. Adams' recommendation which offered several ideas on improving the entire South High campus.

The renovation of the auditorium was deemed the most practical at present since only \$100,000 remains in this particular budget allocation for South.

As trustee Robert Warner clarified it before the final vote was taken, the Board's action set in motion the process of obtaining recom-

Organ in Rose Terrace Given to Baptist Church By Property Developers

Mammoth Aeolian Instrument Donated to Southfield House of Worship Dedicated in Recital on January 19

By Barbara Bruno

The late Anna Thomson Dodge's mammoth Aeolian organ that was housed in her Rose Terrace estate has a new home. The organ was dedicated in a recital Sunday, January 19, at the Northwestern Baptist Church in Southfield.

The 75-rank, four manual instrument was presented to the church by Paul Twohey and George Jerome of Superior Lake Enterprises, developers of the estate.

The estate is now being renovated into condominium units. The firm hopes to preserve the Louis the XIV architecture of the exterior while converting the interior of the home.

Dr. Markey Played Professor of Organ at Westminster Choir College, Princeton, N.J., and Director of Music at the Unitarian Church of All Saints, New York City, played at the dedication.

Superior Lake Enterprises, in keeping with Mrs. Dodge's love of good music, presented the organ to the church so that its music could be used "for a good purpose."

Mr. Twohey said the developers of the estate had no real use for the organ and were delighted when the church contacted them about it.

"It will be used and used properly and I'm sure Mrs. Dodge would have loved that," he said.

The church agreed to pay for its removal from the estate and the organ was, in turn, donated to the church.

"The organ was famous long before our firm had

mentations from an architect and the earmarking of \$100,000 to complete the renovation.

Dr. Adams termed the present auditorium facilities "wasted space," and trustee John Bruce pointed out that the Board spent an entire evening "touring" South with Dr. James Hoeh, principal. Board treasurer William Huettman said the trustees have also met with concerned parents and noted that many students have also taken an interest in possible renovation plans.

At this point, according to Dr. Hoeh, internal ideas circulating at South center on making the auditorium more of a multi-purpose facility (Continued on Page 2)

'Bumping' Remains for Now in GPW

Ordinance Outlining Procedure Will Not Be Amended at This Time, Mayor Pinkos Says

By Roger A. Waha

"We're not considering amending Ordinance No. 269 now," said Woods Mayor Benjamin W. Pinkos to a resident who was critical of the city's boat dockage "bumping" procedure as outlined in a section of the measure.

This means, at this time, the "bumping" provisions stay in effect, although this entire matter remains under study by the council at the Committee of the Whole level and adjustments could be made in the future.

The mayor told Stephen S. Warren, of Hawthorne road, who nixed the procedure and asked to speak to the solons about it at the regular meeting Monday, January 20, a main reason why no amendment will be offered at this stage is because "we haven't got a better solution right now."

First "Bumps"

Mr. Pinkos stated this was the first year that the city had to "bump" renters and noted that the ordinance has been in effect for a number of years. Fortunately, we haven't had to use the mechanics of the ordinance regarding bumping before, he added.

Notification of necessary "bumping" was recently sent to 14 older boat space renters who will now have to go back on the dockage waiting list. Five letters had earlier been received by the council on this procedure with four of them nixing the provisions.

Mr. Warren told the council he wanted help for retirees at the park and he wanted more consideration for senior citizens in this regard. He stressed that he had helped pay for facilities and questioned the scope of the "bumping" procedure in total.

Mr. Pinkos said he wants consideration for senior citizens but the mayor and council must consider all people. "There's no such thing as a senior taxpayer. There are just taxpayers. All must be treated in absolute equity."

First Class Only

He also told Mr. Warren other citizens are entitled to the same privileges as he was. "We have no second class citizens in Grosse Pointe Woods, only first class citizens." (Continued on Page 8)

Knife Wielder Threatens Girl

A 17-year-old Park girl reported to Farms police Monday, January 13, that a man threatened her with a knife while she was in her car in the rear parking lot at 18320 Mack avenue.

Police said the girl was approached by the man who knocked on her car window. When she rolled the window down, he asked her if she wanted to buy a watch but the girl told him she was not interested.

With that, the man, flicked open the blade and placed it to the girl's throat. At this time, another man walking through the parking lot apparently scared the assailant off.

The girl described her attacker as a black male, about 21 years old, about five feet, eight inches tall with gold inlays in his teeth and wearing a green ski jacket.

Parents Express Concern over Girls Athletics

Group Cites Alleged Inequities in Physical Education Programs at North, South; Superintendent of Schools, Principals and Athletic Directors Respond

By Roger A. Waha

A group of parents, who feel there are some inequities in the physical education program for girls at both North and South High Schools, met at the Neighborhood Club last month and formed a committee called "Parents for Equality in Physical Education." The committee met on behalf of parents with Superintendent of Schools James A. Adams, both principals and athletic directors, and then sent a letter to the superintendent outlining their major concerns.

"We are determined in this," said Constance P. Dostie, acting chairwoman for the committee of 13. She stated the estimated 100 persons, (including some 75 adults and 25 girl students), who attended the Neighborhood Club session, feel there should be more of a balance between girls athletics and boys athletics.

Mrs. Dostie, of Roslyn road, Harper Woods, whose 16-year-old daughter attends North, cited several concerns in an interview with the NEWS.

Mainly, she felt the boys sports dominate in cost, in number, in coaching, in interest put into such athletics and in the scheduling of appropriate gym space. "While I know more boys are interested in participating in sports than girls, I feel the girls should have the use of more space facilities," said Mrs. Dostie.

In conjunction with this, she said, is a lack of pride for girls athletics. She felt overall interest for girls athletics would improve with more gym time, not only on the parts of the girls but on the parts of parents, whose support for girls athletics could be improved.

"I also feel the education program in the middle schools in this area is deficient. This problem starts in the junior high schools and we have to get going at this juncture," said Mrs. Dostie.

In her letter to Dr. Adams, which also was worked on by other committee members, she said the matter of the "inequitable sharing of gymnasiums in prime time" was the foremost concern. Two others were girls athletics should have their own director and there should be an equalization of funds for sports between girls and boys.

Need Schedule

On the gym question, the parents believe that a permanent schedule should be set up. "For example, at North the use of one first level and one second level gym for use by the girls exclusively. That would leave one second level and two first level gyms for use by the boys," she stated.

"South would have a different arrangement as their (Continued on Page 4)

Educational Assessment Survey Now Underway

Superintendent of Schools Dr. James A. Adams announced that the Community Educational Assessment began during the latter part of this week.

Dr. Adams said the vehicle for the survey, a mailing to all residences of the Board of Education's newsletter, "Emphasis '75," will be completed within the next week. He urged Pointers to take the time to respond to the questionnaire and return it by Monday, February 3. Citizens having a question about any aspect of the survey are asked to call 885-2000, extension 56.

Your Board of Education asks all residents of the Grosse Pointe School District for a few minutes of their time. Your thoughtful re-

Detroit Co. Receives Solons' Nod

Interest Rate of 6.5426 Percent Submitted by Halsey Stuart and Co., Inc., Called a Good One

By Roger A. Waha
The Woods Council unanimously approved a resolution accepting the bid of Halsey Stuart and Co., Inc., of Detroit, for the purchase of \$1,980,000 general obligation recreation bonds for the Lake Front Park improvements project in action at the regular meeting Monday, January 20.

Of the five companies who submitted bids, the Halsey Stuart figure of \$1,826,720.86 interest cost and 6.5426 percent interest rate was determined the best.

"It was a very good bid," said City Comptroller-Assessor Frederick G. Hornfisher. "The 6.5426 percent is a good rate for the issue. We hope to receive the money within two or three weeks. We want to get the bonds printed and proofed and the bonds must be signed in Chicago by the mayor and city administrator."

Mr. Hornfisher added after the signing, the money will be deposited in a Chicago bank, then wired to a branch here and invested.

The other four companies, who submitted bids, their interest costs and interest rates follow:

• National Bank of Detroit — \$1,850,068.87 interest cost, 6.62630 percent interest rate.

• Manley Bennett McDonald and Co., Detroit — \$1,870,310.38 interest cost, 6.6988 percent interest rate. They had a premium of \$347.45 on the bid.

• Manufacturers National Bank — \$1,900,044.19 interest cost, 6.8051 percent interest rate.

• Northern Trust Co., Chicago — \$1,900,955.10 interest cost, 6.8394 percent interest rate.

The next step in the project will be the opening of construction bid proposals on Tuesday, February 4, in the council chambers. The construction contract for park improvements, which includes three new swimming pools, (main pool and diving and wading pools), and eight new tennis courts, could be awarded on Monday, February 17, or earlier.

Ground breaking is still planned for February with all work scheduled for completion sometime in August.

City Raises Fees for Boat Wells

Some Could Cost Around \$15 to \$30 More; Hike First at Neff Park Since 1972

City boat owners have not been asked to pay more for well rentals at Neff Memorial Park since 1972, but at a regular council meeting Monday, January 20, City Manager Thomas Kressbach made a case for adopting a new fee schedule, which, naturally, represents an increase over the old one.

According to Mr. Kressbach, the City has experienced a rise in costs related to marina maintenance and operation and it also has made and is planning further repairs to the docks and electrical and water distribution systems.

Many of the modifications were deemed necessary due to high water levels.

Consider Piles

The City is also in the process of studying the possibility and cost of installing additional piles to improve the use of certain wharfs in the "A" and "B" harbors.

Fee schedules for the park marina have, in the past, been set up so the marina could be self-supporting in terms of annual operating and maintenance costs and, also so fees could maintain a satisfactory level of repair and upkeep.

And, Mr. Kressbach noted, (Continued on Page 2)

Woods Seniors Keeping Busy

Members of The Woods Heritage Group, senior citizens organization, had two active meetings this month at Our Lady Star of the Sea, 575 Ballantyne.

Eighty members attended the Thursday, January 2, session which featured bridge classes in the morning and a painting class held during

the regular meeting. Irene Sutton, Senior Citizens Commission chairman, reported that because of a small enrollment in the classes, seniors living outside The Woods can participate.

Walbert Dolgner of Coquitland, Dolgner, Dundon and Argenta, architects and engineers, spoke on housing for seniors and showed a diagram of proposed housing to the group. Then on Thursday, January 16, members viewed movies on Hawaii.

The group is planning many future activities. First, their meetings next month will be held at Saint Michael's Episcopal Church, 20475 Sunningdale, on Thursdays, February 6 and 20.

A two-week trip to Hawaii is scheduled for April 12. The cost of the journey, which will feature visits to three islands, is \$689 plus 10 percent per person and is based on double occupancy. Reservations, plus an immediate deposit, are urged. For further information, contact Mrs. Sutton at 884-2942 or Genevieve Fitch at 886-1373.

A pilot program towards Senior Achievements needs volunteers, to help it get started. Citizens are asked to call Mrs. Sutton or Hazel Ashley at 884-0735 to provide their services.

AUTO FACTS
by KEN MEADE

Preserve the interior of your car. The best way to do this is to use a vacuum cleaner and a whisk broom regularly before dirt has a chance to get embedded. This means it should be done about once every week or so. This way you may be able to put off washing seats and the floor coverings for a long time. Sooner or later, the upholstery will begin to look dull and grimy. In most cases, use of an old wash cloth in a bucket of warm, sudsy water will do wonders.

Sooner or later you will discover "The Clincher", Chrysler Corporation's one-year unlimited mileage new car warranty and when you do we hope you'll also discover the best place to buy that car is at **POINTE DODGE, INC.**, 18001 Mack Ave., 881-7210. This warranty and service policy is available for passenger car use, police and taxi service are excluded.

AUTO FACTS:
Always rinse thoroughly and open windows and doors to allow your interior to dry.

Rose Terrace Organ

(Continued from Page 1)
tions from church members as well as memorial gifts on behalf of deceased members. No one at the church tried to keep track of the hours involved but it is estimated they would run into the high hundreds or even the thousands.

The organ was originally installed in the first home of Mrs. Dodge which was a wooden structure located on the shore of Lake St. Clair in The Farms.

In the late 1920s, Mr. and Mrs. Dodge purchased a parcel of land adjacent to their property from the Detroit Golf Club. The Louis XIV mansion, Rose Terrace, was designed, with one main criteria being the accommodation of the 75 rank Aeolian organ.

Three Stories High
The construction of the mansion, completed in 1934, allowed for the housing of three main divisions of the organ in a modular fashion with the divisions stacked on top of each other for a height of three stories.

Separate rooms were constructed to house the other four divisions and the con-

sole. All of these divisions enabled the sound to come through grill openings into the main music room which was about 50 by 150 feet in size.

In this room many guests of Mrs. Dodge were entertained and guest organists were often asked to play for friends and family. Although Mrs. Dodge herself did not play the organ, she was able to enjoy good music through the use of a player attachment in the console and an extensive library of music rolls.

The organ was presented to the church in May, 1974 and in June, it was removed from the mansion and installed in its third home.

Two future recitals on the instrument are scheduled. Dr. Frederick Marriott will play March 9, at 4 p.m., and David McBride will play May 18, at 7 p.m.

Views Renovation

(Continued from Page 1)
and not merely a resource available for dramatic activities.

"We'd like it to be used for more than just dramatics," he commented. "We want to use it for modest dramatic productions, with the more elaborate ones being staged in North's Performing Arts Center."

Dr. Hoeh said he hoped future plans for the auditorium could provide for its utilization as a place where theater groups could rehearse and drama classes could gather. Both activities are currently being conducted in classrooms.

"We'd also like to have it be a place where motion pictures can be shown," Dr. Hoeh observed, "since there is no other facility for this purpose, and we might furnish it with closed circuit TV's." The principal expressed

hope that seating accommodations would be improved with the addition of a tablet arm desk to each chair and that not all the space in the room would be occupied by seating.

Leftover area, he mentioned, might be used to set up tables for student displays like science projects, woodworking efforts and artistic creations. "Other than hallways, we don't have space for these things right now," Dr. Hoeh remarked.

Finally, he said he would like to have the auditorium renovated so that it could provide meeting places for various groups, either student or community oriented.

"This is kind of what we want," Dr. Hoeh explained, "but depending on what the architect says, we may have to compromise."

At Monday's meeting it was generally recognized that one of the major concerns at South is the building's industrial arts wing.

The trustees agreed that those facilities are really not what they should be but they also realized that any re-vamping or improvement would require capital that is not available at this time.

Both Dr. Adams and the Board concurred that the job there would entail further study as well as a specific budget allocation and they decided the project must be dealt with on a long-term basis.

So far now, the auditorium renovation will receive full attention. "At this point we are willing to settle for the next best thing," remarked Mrs. Joan Hanpeter, Board president.

Specific plans and recommendations from an architect will be brought back to the Board for further discussion at a later date.

Farms Takes Care of Trees

Tree spraying and tree trimming bids were accepted by The Farms Council Monday, January 20. Both contracts were awarded to Shock Brothers, Inc.

Only one bid was received for the spraying job and three other firms indicated their private work load was such that they couldn't take on city work. They told The Farms that it is more profitable and entails less bother to stay out of government business.

The bid submitted calls for \$600 for two Dutch Elm Disease surveys; \$4 for each elm tree sprayed on city property; \$8 for each elm tree sprayed on private property and \$6.50 for each maple tree sprayed on city property.

The spraying of maple trees will be done on an individual basis if warranted. City Manager Andrew Bremer said maple trees can be diseased in one area one year and another area the next.

Mr. Bremer said the fee for spraying city trees is less than that for private trees because city trees are located between the curb and sidewalk and a mist spraying apparatus can be used on them. Private trees located further back or on backyard properties require that workmen drag a hose to the site and then spray.

Mr. Bremer said citizens must pay for the spraying of trees on private property themselves. Under city ordinance, all elm trees must be sprayed.

He said The Farms takes bids on the cost of private spraying for the convenience of property owners. They can either have Shock Brothers do the work or contract with another firm for the spraying.

He added that the city receives a certificate from the spraying companies confirming that the trees have been sprayed and The Farms conducts a check to make sure it has been done.

Mr. Bremer said the city

hopes to be able to provide an inspector to accompany crews spraying city trees.

The bid of Shock Brothers for tree trimming also was accepted by the council. Mr. Bremer said that over a number of years the whole city is covered and this year, 399 trees are scheduled to be trimmed. The council accepted the bid of \$5,708 for the work.

This year trees on portions of Stephens, Muir, Mapleton, Merriweather, Vendome, Ridge, Calvin, Country Club and Mt. Vernon roads will be trimmed.

Raises Fees

(Continued from Page 1)
the fees should support a gradual improvement program on a "pay as you go basis."

The new rental price list, as well as the old one, is based on the size of the wells and the facilities, services and convenience they provide.

Effective This Year
Some of the well prices reflect no increase while others will cost about \$20 more than in the past.

Four groupings of wells are subject to possible piling improvements, and, if those modifications are made, renters of those wells will pay from \$15 to \$30 more. If the piling improvements are not made, a lower fee is suggested.

The council unanimously accepted Mr. Kressbach's recommendation that the proposed fees be approved and become effective with the 1975 boating season.

Lose Funding For Special Ed

The Grosse Pointe School System's Special Education program, which is this year housed in Poupard School, may suffer as a direct result of the repeal of the sales tax on food and drugs.

At a regular Board of Education meeting on Monday, January 13, Superintendent of Schools Dr. James A. Adams announced that due to the repeal, the State Legislature has authorized a reduction in State Aid Allocations to school districts.

While the Pointe School System receives no basic membership allowance, Dr. Adams said, the reduction will affect State Aid assistance for special education.

The formula for obtaining the amount of the reduction is equal to three-fourths of one percent of the sum determined by adding State Aid payments and the total property taxes levied for school operating purposes.

The Grosse Pointe School District has been notified its cutback has been computed at \$121,448, but the figure is being disputed because of The Pointe's library arrangement and it is hoped the amount can be reduced by a few thousand dollars.

Nevertheless, Dr. Adams pointed out, such a reduction will have a significant impact on the school's current budget, making it necessary for the administration to review ways and means to finance the loss in revenue.

Name Fruehauf To St. John Post

Harvey Charles Fruehauf Jr., of Ridge road, has been named to the Board of Trustees of Saint John Hospital, announced James T. Farley, president of Saint John Hospital, recently.

Mr. Fruehauf was born in The Park and attended Trombly School, Detroit University School and Hillsdale College. He was graduated from the University of Michigan with a B.B.A. in 1952.

He served in the United States Navy for four years and was released to inactive duty with the rank of Lieutenant Junior Grade. He was honorably discharged in 1962.

Mr. Fruehauf served as assistant to his father, Harvey C. Fruehauf Sr., from July 1956 to October 1968. He assisted in administering family financial affairs.

Investments in real estate, securities, oil, farm and ranch operations, Master Prescription Shops, Burger King Corporation, Inland Life Insurance Company, have provided Mr. Fruehauf with diversified experience in various fields.

He has been a trustee of the Harvey C. Fruehauf Trust and numerous other family trusts from October 1968 to the present.

He holds directorships in Georgia Pacific Corporation, Portland, Ore., Zenith United Corporation, Chicago, Ill., Miami Heart Institute, Miami Beach, Fla., and Irmaud, Inc., Detroit.

Mr. Fruehauf is a member of the Bayview Yacht Club, Detroit Athletic Club, Detroit Club, Country Club of Detroit, Grosse Pointe Yacht Club, Grosse Pointe Hunt Club, Turtle Lake Club, Hillman, Mich., and the Union League Club of Chicago.

He and his wife, the former Susanne McMaster, have three daughters, Julie, 18, Martha, 16, and Lisa, 13.

Wanted

This composite picture is based upon the description of a suspect being sought by the police and the FBI in the Thursday, January 2 holdup of the Detroit and Northern Savings and Loan, 19307 Mack avenue.

The man, who is white, about 30 years old and around six feet tall, escaped with \$4,705.

Anyone seeing someone resembling such a person is asked to contact The Woods Detective Bureau at 886-2700.

Institute New Fire Reports

A new method of reporting fires to the state of Michigan has begun on a statewide basis effective January 1. All the Pointes must comply with the procedure which is designed to simplify the computation of fires across the state.

The new report form asks for the basic facts of the fire such as the time the units reached the scene, the location, the owner and how many engines were used.

In addition, each piece of equipment used, the amount of water used, the square footage of the building and the type of material first ignited must be included. And that's only a small portion of facts required on the form.

Farms Fire Chief Warren Schultz said the form is more complicated than the procedure that was being used, but he indicated that practice in writing the reports will probably iron out any difficulties now being experienced.

Chief Schultz said the reports are filed with the state on a monthly basis. The officer in charge of each shift fills out a form for each fire incident.

"The uniform report makes it easier for the state to compile all the totals," he commented. "Having the fire facts broken down should help us too in writing our yearly reports."

Woman Victim Of Purse Thief

A 75-year-old Park woman was walking in an alley at the rear of 15122 Mack avenue, at about 12 noon on Friday, January 17, when her purse was snatched by a black youth, who fled the area on foot and disappeared.

Information released by Lt. Gordon Duncan disclosed the woman was walking west in the alley when the teenager grabbed the purse and fled south toward Maryland and Lakepointe.

The thief was described as being about 17 or 18 years old, about 5 feet 7 inches tall and having a slim build. The victim could not describe the kind of clothing he was wearing.

Several youths saw the purse snatcher running and then drop the purse in front of 15121 Charlevoix. They picked it up and gave it to Park police officers searching the area.

The woman said that the purse contained her personal papers and a wallet with only \$5 in it.

At 9 a.m. on January 18, a woman called Park authorities to disclose that she had found the wallet, with the woman's identification in it, in the 2900 block of Ashland, Detroit.

The victim was given back her purse and wallet with all contents intact, except for the money.

Fame at best is fleeting, but it lives longest on personality.

Double Charge Earns 90 Days

A 35-year-old Detroit man was sentenced to 90 days in the Detroit House of Correction in The Woods Municipal Court Wednesday, January 15, after pleading guilty to charges of simple larceny and possession of a dangerous weapon, reported Woods police.

Thomas Bennett Gist, of 18988 Washburn, had pled guilty to the charges on Wednesday, January 8, stemming from an incident on Thursday, January 2. Officers added, as part of his sentence, he would be given credit for 14 days time already served in The Woods.

Celestine Britton, 25, of 695 Brainard, Detroit, who also pled guilty to the two charges, is scheduled for sentencing on Wednesday, February 5.

The pair were arrested after two employees at Wrigley's Market, 19231 Mack avenue, saw Gist drop a ham into Britton's large purse, which was around the size of an overnight bag. When she was stopped inside the store, two hams were found inside the purse.

At the station, a search also revealed a .22 caliber eight-shot high standard revolver in the purse.

Concern Expressed over Girls Athletics

(Continued from Page 1)
 facilities are not arranged the same as North. Since the population of both high schools are very nearly 50-50 in proportion to boys-girls, we think this is more than fair.

"Accommodations can be worked out by the teachers themselves, (as they were in the past), in the event of an unusual occurrence. If after all the girls' activities have finished and there was still some useable time, others should be allowed to use the gym, as we firmly believe that the athletic facilities, as well as other school buildings, should be utilized to their fullest.

"Scheduling of these two gyms solely in the hands of the women gym teachers would eliminate many problems without costing a penny," concluded Mrs. Dostie.

Dr. Adams Responds
 In response to the gym sharing concern, Dr. Adams, in a release from his office, explained that certain teaching stations lend themselves only to specific activities and that the available facilities have to be accommodated to the needs that arise in the different activities.

Considering the current program and facilities, Dr. Adams said that he believes the scheduling to be equitable. He added that as new programs are initiated, space allocations will have to be analyzed very carefully.

As for a girls' athletic director, Mrs. Dostie felt more interest would be generated in girls athletics with such a position. She believes male coaches aren't as sensitive to or as interested in the problems of girls athletics due to their own background and training.

In requesting the appointment of a director for girls athletics at the high school level, Mrs. Dostie said, "We feel that the cost would be minimal and a woman would have a greater empathy to the needs of the girls, eliminating still another source of conflict. Of course, as at present, the athletic directors for girls would remain responsible to each principal."

To Consider Request
 Dr. Adams said he would give the group's request for a girls' athletic director at each high school full consideration. He said he believes that a single system-wide coordinator of athletics in the school system is much needed, with a high school level support coordinator serving each building.

Theater Sounds Casting Call

Grosse Pointe Theater's production staff is busy at work preparing for the season's third show, "Ready When You Are, C.B." The play, written by Susan Slade, tells the antics of an aspiring actress and her encounter with one of Hollywood's leading lovers.

Acting as director in this, her first production, is Michele Karl, of Cadieux road. She is being assisted by producer, Mrs. Robert Bowen and set designer Robert Binder, both of Whittier road.

Other Pointers assuming chairmanships include Mrs. Thomas Gallagher, of Hampton road, properties, Mrs. Mary Lou Mantho, of Edgemont Park, set dressing, and Dennis Wickline, of South Renaud road, sound.

Open casting for this show will be held on Tuesday, January 28, at 7:30 p.m. in the War Memorial.

The show will run from March 13 through March 22.

Be sure to get in touch with the Welcome Wagon hostess. She can help you get to know your new community as quickly as possible.

Phone 886-1551

"Whether or not more than one person should be so employed ultimately remains to be seen. Therefore, although no change in the present method is anticipated for the balance of the 1974-75 year, a change in athletic coordination is under serious consideration for 1975-76.

"During the upcoming deliberations, which will involve both staff and trustees, the request for a female coordinator will be discussed," Dr. Adams commented.

He said that in his opinion "there's bound to be considerably more objectivity with one person deploying classes than two, who could be in competition. Decision-making of this kind is one of the responsibilities of the athletic director," Dr. Adams added.

Wants Sports Added
 On the equalization of funds issue, Mrs. Dostie said, "Morally, as well as legally, you are obligated to provide equal funding. The following are the activities that should be added to the present girls athletic program: volleyball, tennis, golf, diving, archery, bowling, skiing and floor hockey."

"Of course a full program should be offered that includes participation at the freshman, junior varsity and varsity levels. In addition to this we feel that it is important to provide an assistant male gymnastic coach for the gymnastic team."

Mrs. Dostie added, "We were pleased to hear of your interest in developing a middle school athletic program. This was one of the prime interests expressed in our meeting. It was discussed at some length but with the feeling that we should concentrate on the high schools' problems now."

Cites Realities
 In reply, Dr. Adams stated, "We would like to be more comprehensive in all our offerings, both academic and extra-curricular. Unfortunately, the realities of finance, facilities and personnel place limits on our efforts."

"We intend to continue to offer girls' athletic programs in the future based on the interest and the capabilities of the female population of the schools rather than to try to balance exactly the amount of money spent on each sex. However, I would expect as a natural outcome of these expanded programs - that costs would become more equalized. It's of interest to know that if we review current costs on a per participant basis, at North, for example, we do not find an insurmountable disparity."

"Approximately \$35 per girl involved is being spent in the inter-scholastic sports program by the school district. The comparable figure for boys for this year is \$49, but since this includes varsity football, it must be reduced by the 'per boy' amount of \$5."

Thus, we find that the total is \$44 vs. \$35, Dr. Adams added.

Oz Director Is Best
 The NEWS also contacted

North Principal G. Bruce Feighner and South Principal James Hoeh and asked (1) If they felt the concern of the "Parents for Equality in Physical Education" regarding their feelings of the dominance of boys athletics over girls athletics was a legitimate one, and (2) Should the girls have their own athletic director?

In reply to the first question, Mr. Feighner said the situation, regarding some of the allegations the group made, is being studied. On question two he felt the total athletic program would be best served by one person working in all facets of the program regarding costs, officials, et al.

One person, whether a man or a woman, (as long as that individual is qualified), working with the total program was his main point.

In reply to question one, Dr. Hoeh said after meeting with the group last month he felt they were talking more about equality in interscholastic athletics rather than physical education in total, (in reference to the committee's title). He said he didn't equate the two and felt the "Physical Education" tag wasn't appropriate.

Dr. Hoeh said two years ago there were no girls sports at South. Since that time seven girls sports have been added with an eighth, (track), scheduled to be included in spring 1976.

Equal Sharing
 On the sharing of facilities, Dr. Hoeh said there's an equal sharing of facilities between boys and girls in their sports programs, all of which are planned well in advance. It has never come to my attention that the girls have never had equal time via the girls' coaches, he said.

One problem, he felt, was the lack of spectators at girls athletic events and that more exposure is needed in this regard. "We have to, as administrators, give this as much exposure as possible to create more interest," stated Dr. Hoeh. He said the participation of school officials and teachers in attending such contests would help.

As for a girls' athletic director with a boys', he said, "This would create more of a problem. One person can better conceptualize the total needs of all sports." With both a girls' and boys' director, "We would have more competition for equal time and this wouldn't be a good situation. One person responsible for the total program would have more objectivity than two separate directors."

Dr. Hoeh added it didn't matter if the athletic director was a man or a woman, as long as it was only one individual.

Have Made Strides
 The NEWS also contacted North Athletic Director Edward Wernet and South Athletic Director Charles Hollosy for their comments on the committee's feelings of the dominance of boys athletics over girls athletics.

"I think three or four years ago, it would be 'yes' but we've made tremendous strides in the last couple of years," said Mr. Wernet. He cited the fact that there are five sports for girls at North and six girls teams, e.g., varsity basketball, junior varsity basketball, varsity swimming, gymnastics, softball and track and field.

A main point cited by Mr. Wernet on the program expansion front is money. He said North's program is self-supporting and if new teams are added to the program, he would like to know from where the funds would come.

"We're reaching a saturation point," he said. "We need allocations from the School Board or we can't carry more sports."

While he feels the girls have been short-changed over a period of years, "we can't say presto" regarding program expansion. "There's more to it than that," said Mr. Wernet, who reiterated funding and league scheduling. He had sound words of praise for the North Boosters Club which has allocated \$1,200 to help the school wrap up its varsity schedule.

No Such Dominance
 Meanwhile, Mr. Hollosy said he didn't feel such a dominance exists in South's program. He said there are seven sports for girls with six being league sports, e.g., tennis, swimming, volleyball, badminton, softball and basketball, (gymnastics is non-league).

On the use of facilities, he said, "The girls get the same spaces anyone else uses with the times being mostly after school." While there's some rotation of times, Mr. Hollosy stated the girls really have a better selection of times than the boys.

On the monies front, Mr. Hollosy emphasized, "We do not automatically spend the same for girls as for the boys, (as an example he cited the expense for necessary protective equipment for 120 boys in football), but we put the best equipment on the girls as we can."

"I feel many are not after an equal amount of money for girls but a proportionate amount and I feel they get it." And like his colleague at North, Mr. Hollosy stresses that further expansion of the program depends upon finances. "There's presently no way to finance sports in the future unless monies are appropriated. We can't do it alone on gate receipts."

He also noted on the "equality front," when the Eastern Michigan League gives sports awards, girls and boys sports are lumped together. Awards are based upon points accumulated in both boys and girls sports combined.

Moderate speed and observing traffic rules is a good policy - don't let your policy lapse.

Here's strong medicine to fight economic ills

7 3/4% certificate
7.98% actual

At Colonial you'll earn the highest interest the law allows. With gold values bouncing around and the stock market gasping when it comes up for air, it's great to have a 100% insured, high-earning investment.

This brand new Certificate Savings Plan requires a deposit of \$5,000 for six years. More and longer if you wish. Like all certificate savings, earlier withdrawal requires a substantial interest penalty. Colonial Federal Savings Accounts are now insured up to \$40,000 by the Federal Savings and Loan Insurance Corporation (FSLIC).

All Police Departments Aid in Arrest of Pair

Officers from all five Pointes were involved in tracking down two suspects in the morning burglary of a Lakeshore road home

Wednesday, January 15. Two Detroit men were arraigned Thursday, January 16, before Farms Municipal Judge Robert Pytell on charges of breaking and entering an occupied building and larceny in a building.

Ronald Preston Jones, 23, of 4232 Elmhurst, and Tyrone Davis, 24, of 4240 Elmhurst, are being held in The Farms jail on the charge. Jones is being held under a \$2000 cash bond, while Davis is being held under a \$20,000 cash bond.

In addition, a hold has been placed on Davis for burglaries committed in Detroit and Livonia.

An examination date of Wednesday, January 22, at 11 a.m. was set for the two men.

The suspects, both on foot, were apprehended by Farms Lt. Ignatius Backman and Youth Service Division Det. Wayne Baum on Cloverly road and Kercheval avenue. Farms police received a call from another Lakeshore road resident reporting that two males in a 1970 Mercury car were walking around the neighboring residence. Upon the officers' arrival the car was seen in the driveway and two Shores officers were already at the scene.

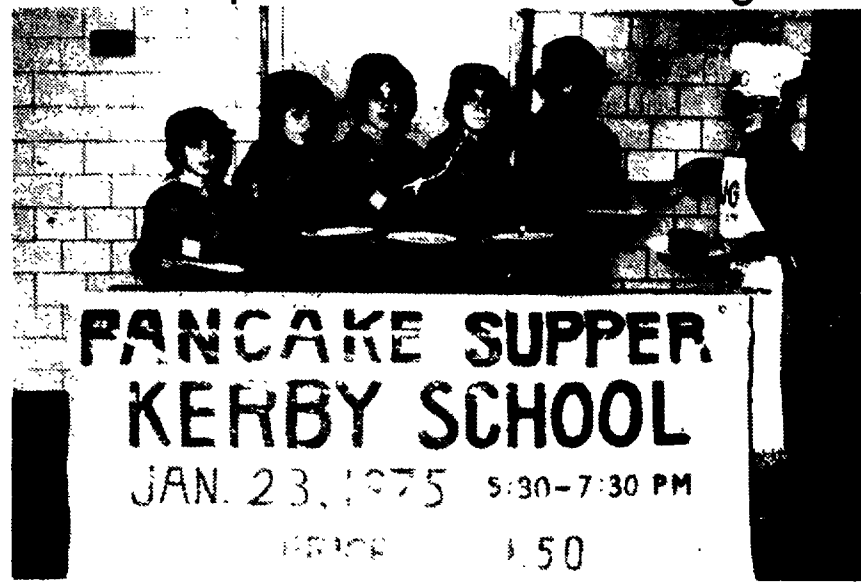

The officers checked the area and found the front door open with a television set sitting near the door. The garage door at the rear of the house facing Grosse Pointe boulevard also was open.

Farms officers and officers from The City entered the dwelling by the front door and found no one in the home. Other officers remained outside to prevent the possible escape of the intruders.

While these officers were searching the scene, Lt. Backman and Det. Baum captured the two suspects on Cloverly and brought them to The Farms station.

Farms police said officers from all five departments were involved in the incident and this cooperation was instrumental in the arrests.

Cubs Flip Over Pancakes Tonight

**PANCAKE SUPPER
KERBY SCHOOL
JAN. 23, 1975 5:30-7:30 PM**

PRICE \$1.50

Parents, guests and cubs from Kerby School Cub Pack 481 will line up tonight for pancakes at the annual Pancake Supper held in the Kerby School gymnasium, 285 Kerby road. The supper will include pancakes, sausages, applesauce and coffee or milk. Tickets can be purchased at the

Photo by Studio Camera Supply, Inc. door for \$1.50 per person. Getting an early start are, (from left to right), TOMMY KELLER, BEAU BURTON, JOHN JUDSON, JOHN RICHARDSON and TOMMY GENTILE, while chef BILLY BONK serves them while they're hot.

Officer Ruins Driver's Sleep

Thomas A. Simon, 20, of 21531 Bon Brae, St. Clair Shores, was in a hurry to get home to get some sleep because he had to get up early to go to work. However, he was delayed for almost an hour, and it was longer by the time he got home, so he didn't get the rest he had expected.

Simon was traveling north on Lakeshore road at about 1:15 a.m., at a high rate of speed, when he was spotted by Shores Public Safety Officer Archie Grieve, just as the motorist reached the Webber place intersection.

The officer said that Simon stopped for the red traffic signal light at Lakeshore and Vernier roads, and when the light turned green, he stepped hard on the gas and sped away at about 60 miles an hour. The policeman gave chase.

Simon was stopped at Jefferson and Nine Mile road in St. Clair Shores. He produced his operator's license and car registration on request. He stated he was in a hurry to get home to get some sleep because he had to get up early for work.

Assisted by a St. Clair Shores scout car crew, Grieve took Simon to the Grosse Pointe Shores station, where the man was issued a violation ticket for speeding 60 mph in a 35-mile zone, and was released at 2:10 a.m. after posting bond of \$50 pending a court hearing scheduled for February 26.

THE PARK PHARMACY

Did you know that your post office was also a regulator of food and drugs? The United States Post Office Department protects the consumer by preventing the use of mails to perpetrate fraudulent schemes, and the selling of patent medicines. Inspectors are constantly on the look-out for fraudulent use of the mails. The consumer who discovers such problems should file a complaint at once. Through your postal inspector, you can help keep the mails free of unwanted, and sometimes dangerous patent medicines.

Ask your local pharmacist to recommend special preparations to help combat dry skin or nails. THE PARK PHARMACY, 15321 E. Jefferson, Grosse Pointe Park, carries a complete line of health and beauty aids as well as being your professional prescription headquarters. Our dedicated pharmacists keep informed on all the latest medications to help your doctor keep you and your family healthy. We also sell and rent convalescent aids, including crutches and wheel chairs. Stop in and see our large assortment of Sanders Valentine candies and American Greeting Cards and Valentines. Call us at 822-2580. We are open Sundays until 3 P.M.

HOUSEHOLD HINTS:
Apply tincture of benzoin to areas which may be affected by blisters, and always wear gloves when doing heavy work.

Pierce Names Spelling Champ

Two spelling finalists from each of Pierce Middle School's 20 homerooms met on Thursday, January 9, to determine the school's oral spelling champion.

After the students spent over an hour spelling words, Lori Wood, grade eight, homeroom 111, came up victorious. Second was Donna Dennis, grade eight, homeroom 110 and third was Noel Baril, grade eight, homeroom 216.

Ms. Florence Miller, assistant principal from North High, served as the word pronouncer and Gilbert Gray, Pierce English department chairman, acted as judge.

Men have been known to spoil a story by sticking to the facts.

Select a goal in life — then practice pin-pointing the target.

Camera Club Meets Jan. 28

The Grosse Pointe Camera Club has set Tuesday, January 28, for its next competition meeting. The meeting will begin at 8 p.m. in Music Room C-11 at Brownell Middle School, 280 Chalfonte.

At this meeting, members of the Greater Detroit Cam-

era Club Council will compete with their prints. Entries that won honors in area clubs will be judged for additional awards.

Free parking is available in the rear of the school. Visitors and guests are welcome.

Dial down now.

Save a cool 3% for every degree permanently dialed back!

Dialing down your thermostat saves money. So if you haven't begun consistently maintaining lower temperatures in your home, you'll want to do so now.

How much can you expect to save? Let's look at a few facts.

1. You can save about 3% for every degree you permanently dial down during the heating season. For example, set your thermostat back five degrees, leave it there, and you'll save about 15%.
2. If you regularly set your thermostat back each night, you can save more than 1% for every degree dialed down for an eight-hour period. For example, set your thermostat back seven degrees and you'll save about 9%. Set it back 10 degrees and save about 12%.
3. Of course, you can save even more by leaving your thermostat down

every day and dialing even further down at night.

4. You can save still more Gas and money by dialing down to 55 degrees while you're away from home for vacations or long weekends.

Any time you dial down for more than five hours you save. Just how much you'll save depends on several factors. How many degrees you dial back. How many hours you maintain this lower temperature setting. And the weather. The colder the weather, the greater the savings.

Our Gas is your lowest cost fuel. Use it efficiently and you'll save even more. So if you haven't begun dialing down, do it now. The savings can really add up. Conserve America's vital supplies of Natural Gas, too.

We care about your tomorrow.

3%

What you'll save each heating season by permanently dialing down one degree.

15%

You'll reduce your use of Gas this much by permanently dialing down five degrees.

65°

Dial down to this or lower each night for sleeping comfort and additional savings.

55°

Dial down to this setting when you're away for a few days. It saves America's energy.

Life is good.

Life insurance is a good business.
 As a matter of fact,
 it's a great business to be in.

WE NEED SOMEONE!
 (A man or woman) who wants to start a good solid career with practically unlimited potential.

We need someone who want to get in at the start of something big. We need someone who is interested in a career that offers a "Business of your own" practically immediately and a career that gives you a chance to serve people.

Your career with us will not be contingent on economic or seasonal fluctuation but rather on your own ability and long range development!

If you're interested, educated and ready to go, write us or give us a call. Today.
 (Let us say it just once more: Life insurance is a good business. A great one. Go ahead. Call us now.)

Annual School Audit Pleasing

An accountant from the School System's auditing firm, Arthur Young and Company, painted an optimistic financial picture during a regular Board of Education meeting on Monday, January 13.

Mrs. Joan Hanpeter, Board president, said the school's books are audited annually by the firm and that specific recommendations are made when the job is completed.

The auditor's report encompassed the fiscal year through September 6 and was dated October 7. The firm's representative said he thought the school system's financial status was "in fine shape."

It was pointed out that the administration is in the process of re-arranging its financial data to be handled through an expanded computer system and that future plans and adjustments will be geared to this new procedure.

Before the report was officially accepted, it was noted that the Board spent the better part of three hours reviewing it in a study session, and that the auditor's appearance at the meeting was mainly for the benefit of public awareness.

The trustees later moved unanimous acceptance of the report.

Muir Snow was absent from the meeting due to illness.

Trombly PTA Meets Tuesday

Dr. James A. Adams, superintendent of schools, will speak at the Trombly School PTA meeting Tuesday, January 28, at 8:15 p.m.

Current local and state issues may have a profound, far-reaching thrust on the shape of schools in the immediate future and Dr. Adams will explore these in his talk, "Education in Grosse Pointe in Retrospect and Prospect."

Classrooms will open at 7:45 p.m. Parents are cordially welcome to get a view of happenings and doings in the school life of their children and visit with teachers.

Mrs. Daniel Holland, social chairperson, together with room mothers Mrs. Michael Marston, Mrs. George Kuhn, Mrs. Alfred Thomas and Mrs. Robert Healy will host an informal social hour in the gym following the general meeting.

Makes Sense

People who buy cheap goods to save money might as well stop the clock to save time.

Dr. Adams noted no postage is required for the return of the completed questionnaire. Residents are asked to simply fold it in two sections, tape or staple it closed, and mail, with the business reply mail panel on page two addressed to the Office of the Superintendent of Schools.

Ten citizen representatives chosen by the Board of Education from among names submitted by a wide range of community organizations, aided by the trustees, staff, students and consultants in statistics and sampling, provided suggestions in the development of this questionnaire.

They are Richard E. Borland, Mrs. John R. Cobau, Mrs. A. C. Dickson Jr., Mrs. Carl J. Fischer Jr., Mrs. Thomas Gerhardtstein, J. Edward Haug, John Kennedy, Neal Shine, Mrs. C. J. Sutton and Charles F. Woodbury Jr. Staff members who participated in the project are William Arbaugh, Dr. George T. Eddington, Richard Kay and Roger McCraig.

High school students involved are David Howell, North, and Blair Tily, South.

Special consultants in statistics and sampling are Dr. Leonard Jensen, Wayne County Intermediate School District, and Dr. Daniel Stufflebeam, Center for Evaluation, Western Michigan University.

John Bruce represented the Board of Education on the Steering Committee, as did Mrs. Joan Hanpeter and Dr. Adams in an ex-officio capacity.

"Grosse Pointe's public schools and libraries are vital community institutions, as well as a big business. Residential property values and the quality of community life are tied closely to the reputation of the public school system. The schools are everyone's concern," Dr. Adams concluded.

JC Hockey Game Project To Help Burn Institute

A very big Jaycee project, according to organization members, to raise monies for the National Institute for Burn Medicine, (NIBM), Ann Arbor, is a hockey game between Detroit Red Wing old-timers and The Pointe's Sherwood Forest Hockey Club, a senior "A" men's team, on March 19 at the Grosse Pointe Community Rink.

"We became involved because Michigan Jaycees have set a statewide goal of \$400,000 for the Institute," said Bill Marr, who along with Greg Wheeler is co-chairman of the NIBM project. Pointe Jaycees hope to raise some \$10,000 for the Institute.

This event is a highlight of the organization's fund raising activities for the Institute. Last fall, the Jaycees also sponsored "Operation Red Ball" in an attempt to curb severe injuries due to fire and, at the same time, to provide funds for the Institute.

They passed out red ball stickers for placement on bedroom windows of children and invalids and, in the event of a blaze, firefighters could immediately go to the labeled room and evacuate those who are least able to help themselves in this type of emergency.

Both Mr. Marr and Mr. Wheeler stressed the cooperation of City, Farms and Park firefighters in the "Red Ball" operation and in the hockey game project, which is scheduled to feature old-timers as "Terrible" Ted Lindsay, Marty Pavelich and City Firefighter Johnny Rea.

The Institute is an organization dedicated to saving lives of burn victims and reducing the degree of disability and disfigurement they suffer.

Their six action programs include professional training, hospital facilities, ("It would be great to have such a center at either Saint John, Bon Secours or Cottage Hospital," said Mr. Marr), prevention of burn accidents, research, the international library containing articles published on burn treatment and an information sharing program between hospitals.

For information on tickets for the game, which will start at 8 p.m., contact Mr. Wheeler at 886-3800. They will cost \$3.50 per person. Brian DeFour is chairman of the Burns Institute project, while the hockey game chairman is Dr. William Jennings.

"Grosse Pointe's public schools and libraries are vital community institutions, as well as a big business. Residential property values and the quality of community life are tied closely to the reputation of the public school system. The schools are everyone's concern," Dr. Adams concluded.

Music Parents Elect Officers

The steering committee of the South High School Vocal Music Parents Organization recently elected officers for 1975. Elected president was James Connolly, of Harvard road. Mrs. Connolly was named vice-president. Corresponding secretary is Mrs. Chester Tomaszewski, of Nottingham road, and secretary is Mrs. Louis Sendelbach, of Handy road. Mrs. Henry Klein, of Touraine road, was voted treasurer.

The Parents Organization is planning a Cabaret Dance and Parent Talent Show titled "Those were the Days," to be presented on March 21. All South High parents are invited to participate in the show and details may be obtained by calling Mrs. Connolly, 881-0584.

Among special patrons of the Vocal Music Department are Mr. and Mrs. Thomas Bowling, Dr. and Mrs. Gerald Coyle, Mr. and Mrs. James Engstrom, Mr. and Mrs. James Finerty, Miss Frances French, Mr. and Mrs. Fred Jensen and Mr. and Mrs. Lawrence Keegan.

Others are Mr. and Mrs. Henry Klein, Mrs. A. P. Kretschmar, Mr. and Mrs. William Ludwig, Mr. and Mrs. R. Parks, Dr. and Mrs. Joseph Reed, Dr. and Mrs. Karim Shaalan and Mr. and Mrs. Connolly.

Obituaries

JACK PICKERING

Funeral services for Mr. Pickering, 63, of Rivard boulevard, were held Friday, January 17, at Grosse Pointe Congregational Church. He died Tuesday, January 14, at Hutzel Hospital.

Born in Springfield, Mass., he was graduated from the University of Michigan's school of journalism before joining the Detroit Free Press as a daily columnist.

He was subsequently named medical and science writer for the Detroit Times and remained with the Times until November, 1960 when the Times was sold. He became science and medical writer for Hearst Headline Service, where his daily column on medicine and science was nationally syndicated. In recent years, he was the writer of Dr. Thosteson's medical column syndicated daily by the Publisher's-Hall Syndicate, and was contributing science correspondent for the Detroit News Sunday Magazine. Concurrent with his writing, Mr. Pickering for many years taught journalism at Wayne State University.

A veteran of World War II, he served in the Pacific Theater with the U.S. Army. A past president of the Detroit Chapter of Sigma Delta Chi, national journalistic fraternity and past president of the Detroit Philatelic Society, Mr. Pickering was also a member of the Detroit Press Club, the Collectors Club of Detroit, the Michigan Stamp Club, the Grosse Pointe Chess Club and the Detroit Boat Club.

He is survived by his wife, Kitty Jean; three daughters, Mrs. Jennifer Milstead, Mrs. Deborah Smith of San Francisco and Mrs. Martha Panetti of Florissant, Mo.; and a son, J. Timothy.

Memorial contributions in lieu of flowers may be made to the Ruth Preston Kidney Research Fund, Hutzel Hospital.

Austin Drops Pair of Games

By Paul T. Denis

Austin lost its fifth hockey game of the year, 5-2, against Catholic Central in a penalty laden contest Wednesday, January 15. In all, the referees called 46 minutes in penalties, 24 against Austin and 22 against Catholic Central.

Leading Austin in scoring was junior Tom Costello who netted two goals in the second period. His first goal was unassisted and the second was assisted by George Dritsas. Dave Kowal started the scoring of the Shamrocks in the first period with a single tally on the way to his "hat trick."

In all, sophomore goalie Greg Supina faced 29 shots, while Austin shooters made 28 shots on goal.

On Wednesday, January 8, the Friars lost to Trenton, 6-0. Their offensive efforts were hampered by only 12 shots on goal. Greg Supina faced 39 shots between the pipes for Austin.

Trenton got single goals from Steve Dumais, Garrett Koznaicki, Jeff Tascoff, Mike Peacock, Bob Lindsay and Ray Richardson.

These two losses pushed the Friars record back to 4-5-3 for the season, not including tournament play.

CHARLES R. SMITH

Funeral services for Mr. Smith, formerly of Mt. Detroit, were held Friday, January 17, at the Jordan Funeral Home, Fort Lauderdale, Fla. He died Wednesday, January 15, at his residence.

Mr. Smith is survived by his wife, Hazel; a son, Charles R. Smith Jr.; two daughters, Mrs. Doris Spitzley and Mrs. Marilyn Lauth; 10 grandchildren, and six great-grandchildren. Interment was in Florida.

GERALD J. DOONAN

A requiem mass for Mr. Doonan, 84, was held Monday, January 20, at Saint Ambrose Church. He died Friday, January 17, at the Belmont Nursing Home.

Mr. Doonan was a retired teacher from The Pointe School System, having retired in 1955. He began his career with The Pointe schools in 1922.

Mr. Doonan was an instructor at the Cadieux School, Mason School and Pierce Junior High School where he taught mathematics and coached various sports.

He attended the University of Wisconsin and served with the U.S. Army overseas during World War I.

He is survived by two sisters, Sister Mary Kathleen, S.S.J., of St. Paul, Minn., and Mrs. Emmet McCarthy, of Marinette, Wisc., and a brother, Eugene Doonan, of Windsor, Ont.

Interment was in Mount Olivet Cemetery.

MRS. LORETTA G. SCHNEIDER

Funeral services for Mrs. Schneider, 83, of Wayburn avenue, were held Thursday, January 16, at the Verheyden Funeral Home and Saint Paul Church. She died Tuesday, January 14, in Bon Secours Hospital.

She is survived by five sons, Robert, Victor, William, John and Raymond; two daughters, Mary Grace and Patricia; one sister; 17 grandchildren, and five great-grandchildren.

Interment was in Mount Olivet Cemetery.

MRS. ANNE RUSSELL

Funeral services for Mrs. Russell, 65, of Beaufait avenue, were held Wednesday, January 22, at the Verheyden Funeral Home. She died Sunday, January 19, in Grace Hospital.

She is survived by her husband, Laurence; a son, George E.; a daughter, Mrs. John Wierzbicki; her mother, Mrs. Rose Herman; five brothers; two sisters, and four grandchildren.

Memorials may be made to the Michigan Cancer Foundation.

Cremation was at Forest Lawn Crematory.

DYC Natators 'Churn' in Meet

Detroit Yacht Club swimmers performed well in the Utica Swim Club Meet which had 103 entries and 11 relays Saturday - Sunday, January 18-19.

The boys 200 free relay with Ken Bachilius, Jerry Carroll, Brett Karmey and David Wittwer took third in the 10 and under age group.

The eight and under team took first place in the 100 medley relay at 1:16.3. Ken Bachilius, Jack Nelson Mike Sando and Hans Brieden made up the team.

Cindy Gannon took second in the 200 IM in 3:00.7 and placed first in the 50 fly at 38.0. Terry Carroll placed third in the 50 free. Hans Brieden placed fourth in the 10 and under 50 breast at 44.9, sixth in the 25 free and first in the 25 free.

Sara Brieden tied for first in the 100 fly in 1:18.2 and placed second in the open 500 free in 6:11.0. Pat Coughlin, Howie Anderson, Todd Lindheim and John Lazar placed fourth in the open 200 free relay for boys.

Carol Sobieski, Cindy Dawson, Sara Ryan and Margaret Sobieski placed fourth in the girls 200 free open relay. Howie Anderson placed third in the 13-14 100 free, second in the 100 breast in 1:20.7, first in the 100 fly in 1:18.2 and second in the 50 free in 27.0.

Todd Lindheim placed fourth in the 500 open free. Nick Trost placed second in the 500 open free in 5:41.4. Laurel Bachilius placed third in the open 500 free, while David Wittwer placed sixth in the 100 free. Denise DeSantis placed fifth in the 25 breast.

Howie Anderson also placed fourth in the 100 fly. Sara Ryan placed fourth in the 100 fly and fourth again in the 100 free. Cindy Dawson placed second in the 200 IM in 2:42.7, and Gay Storen placed second in the 50 breast in 41.1.

American Art Course Offered

With the American Bicentennial around the corner, a new course at the War Memorial is both timely and fascinating. It is American Art of the Revolutionary Period, to be presented by painter Mrs. Leet Denton, who is also a member of the Wayne State University faculty.

Mrs. Denton's course will cover the outstanding architecture, portraits and primitives of the period. She will illustrate her talks with slides from Wayne State University's collection.

Included in the course will be a tour to the Detroit Institute of Arts' American Wing and Whitney Hall. Fee is \$35 for the six-week course, including the tour.

Information on registering for the course may be obtained by calling the Center at 881-7511.

Let's Talk Real Estate

by John E. Brink

Trying to sell your own home on your own can be very frustrating and unrewarding. Are you going to run home every time there is a showing and find out they got lost and never did show up? Or get on the phone to bug your husband with questions about assessment and taxes? Do you want to act as a tour guide for sightseers who really have no intention of buying? What do you say when they inquire about mortgage possibilities? And if you do get a serious prospect wouldn't you like to know what they say when they get outside? Save the do it yourself technique for projects where trial and error is less costly and where mistakes are not so final.

GROSSE POINTE REAL ESTATE CO., 18710 Mack Ave., 882-0087 has an opening for an ambitious individual with a keen desire to learn the real estate profession. This is a challenging opportunity for the person who is willing to put in the long hours of work and study necessary to meet our very strict requirements for our sales staff. Hours: Mon.-Sat 9-5, Sun. noon-5, other times by appointment.

DID YOU KNOW?
That all storage areas, the garage and basement are all selling points neatness counts.

What Goes On at Your Library

By Arthur R. Woodford
Chief of Central Library

Until a few years ago the major taboo in our society was sex, now death has taken over the role. Slowly, death is emerging as a topic that can be discussed openly. One indication of this emergence is the number of new books published during the last year on the subject of death and dying.

WESTERN ATTITUDES TOWARD DEATH (Johns Hopkins) is a serious but rewarding study in which the eminent French social historian Philippe Ariès looks closely at the changing attitudes in western societies toward death. Ariès, a renowned medieval scholar, presents a compellingly authentic picture of the resignation of the man of the Middle Ages in Europe toward his own death and that of his fellows. His four essays provide a lucid perspective on the slow changes in the views toward death from medieval acceptance through 17th century romanticism (the cult of tombs, "dance of death," etc.) to modern attitudes implicit in Forest Lawn's denial of glorification and death-out-of-sight in hospitals.

Robert E. Kavanaugh is an ex-priest, teacher, and counseling psychologist who has specialized in the problems of death and bereavement. In his book FACING DEATH (Nash) he follows the Kubler-Ross approach (Elizabeth Kubler-Ross, ON DEATH AND DYING, Macmillan, 1969) of opening doors to communications with the dying by accepting one's self and one's own mortality. He sees many of our basic attitudes and customs as confused, outmoded, buffeted by the winds of change without being anchored in a firm philosophy of living. One of his more interesting chapters is the final one, in which he ponders what is left of his old belief in life after death; but life beyond death never comes to predominate as a theme in the rest of the book.

Robert E. Neale's TIE ART OF DYING (Harper) is a remarkable book that teaches much which is practical, true, and wise about the inescapable phenomenon of death. More important, it is an invitation to explore our own emotions about dying. The author feels that such subjective and personal penetration into our own dying is something that most persons, even physicians and clergymen, tend to deny and resist.

The awareness that Neale brings is both particular and universal. His essential message and attitude is revealed when he writes, "Our fear of death is really our fear of life... those of us who fully welcome life will welcome death as well."

DEATH AS A FACT OF LIFE (Norton) by New York science editor David Hendin is a wide-ranging book that discusses such controversial issues as the morality of euthanasia, the dilemma of informing patients or withholding from them the prognosis of death, the definition of death, the ethics of freezing bodies after death for possible later restoration to life, and the increasing need for urban land devoted to cemeteries. This is an insightful, thought-provoking, informative and life-affirming book which contains a good popular summary of the new challenges to traditional morality that are being raised by recent discoveries in science and medicine.

The scope of material now available on the topic of death and dying is evident from the titles of these new books: THE LAST ENEMY: A CHRISTIAN UNDERSTANDING OF DEATH (Harper & Row) by Richard W. Doss; VITAL SIGNS: THE WAY WE DIE IN AMERICA (Little, Brown) by John Lanzetta; THE REALIZATION OF DEATH: A GUIDE FOR THE PSYCHOLOGICAL AUTOPSY (Aronson) by Avery D. Weisman, M.D.; and DEATH AND THE FAMILY (Pantheon) by Lily Pincus.

One new title that has been frequently requested during the past several months is WIDOW (Morrow) by Lynn Caine.

There are over 10 million widows in America today. One out of every six women over the age of 21 is a widow. And, the statistics show that women are becoming widows at younger and younger ages. For most of them, the experience is not only a personal tragedy, but often a rude awakening to the fact that our society turns away from death and from those who have been left behind.

The consequences of suppressing emotion, facing grief totally unprepared, ignorant of the dynamics of the reaction to loss, of dealing with the role of a single woman, a single parent and a single provider in a coupled world, are explored by Mrs. Cain in realistic and compelling terms. WIDOW is a candid and moving story; a courageous account that will enlighten any reader.

SH Cagers to Face Mount Clemens in Key EML Game

By Mark Emery

Since joining the Eastern Michigan League last year, South High School has shown basketball supremacy against teams from Port Huron. The Devils recently took two in a row over Port Huron, 64-62, and Port Huron Northern, 81-58.

South will play a key game against Mount Clemens tomorrow, January 24, with a home court advantage. The game starts at 8 p.m. and with it are South's hopes of an EML championship.

Should the Devils defeat the Bathers, they would share a spot for first place with Mount Clemens and Stevenson.

South currently trails the Bathers by a game and desperately need a victory. Mount Clemens defeated Stevenson last week by seven points as the Bathers came from behind in the final period to hand the Titans their first loss.

The Devils lost to the Titans earlier this year in a game in which South was plagued with injuries. South is healthier now and needs good games from Tim Kramer and Bob Kayberry to hold off an awesome Mount Clemens.

Port Huron proved to be a stronger opponent than anyone expected, least of all South coach Charles Hollosy. "They caught us flat, after keying up for the game against Stevenson a week before we were bound to be down for this contest. They played a good game against us and they had some strong outside shooting," he said.

The Devils won it on a great move by Kayberry, who slipped down the baseline and hit on a jump shot with eight seconds remaining to give South its third EML victory.

Northern proved to be an easy opponent when the Devils traveled to Port

Lancers Have Big Weekend

The Grosse Pointe Lancers, Pee Wee "A" Travel Team, climaxed a four-game weekend of wins with a victory over the previously undefeated Dearborn Heights Goldiggers in action at the "Freezer," (companion to the "Ice Box"), Arena in Trenton.

Previous to the win over Dearborn Heights, the Lancers had dumped the Fraser Kings, 6-1, behind Rob Brykalski's "hat trick."

The Lancers opened their winning weekend with a 7-0 victory over Garden City on Friday, January 17. Bob Versical, Steve Valice, Tom Smith and Paul Treder offered solid defensive play, while goalie Steve Truba earned the shout shoutout.

Truba's second shutout of the weekend was in the Lancers' 4-0 win over Flint on Saturday, January 18. Doug Rahaim, Gordie Farquhar, Paul Treder and Greg Moore scored the goals.

In their first game on Sunday, January 19, the Lancers downed Oak Park, 3-1. Scoring Lancer goals were Rob Brykalski, Paul Treder and Dave Parker.

That same evening, the Lancers dumped Dearborn Heights, 6-3. Netting goals were Doug Rahaim with two, John Dettlinger, Rob Brykalski, Rich Carron and Don Hiles.

The Lancers' head coach is Len Smith and the assistant coaches are Jim Farquhar and Bob Mueller.

'Bumping'

(Continued from Page 1)

Again, in stressing the overall scope of this problem, the mayor reiterated a potential solution would be to "blow up" the bridge in the dockage area but this needed more discussion and evaluation on various fronts including cost.

"I would be happy if there was no 'bumping' as I wouldn't be catching flak," he added.

Know Your Schools
 By Dr. James A. Adams, Superintendent

I was pleased to have the opportunity to spend the afternoon at the War Memorial's reception for new residents on Saturday, January 18. During the afternoon I was able to meet representatives of many community organizations and to answer newcomers' questions about the school system.

It occurs to me that there may be long-time residents of the district who are not fully tuned in to all the programs and services offered by our public school system. For example:

- Did you know that the public libraries are an integral division of the public schools, (and have been since 1929), and that school taxes support the libraries' many excellent programs?
- On June 30, the Public Library completed 45 years as a part of the School System's program of continuing education. Millions of books have been circulated during that period, (by actual count 12,547,238), and non-print materials have long been a part of the total library service.
- Each year the library changes a bit and there is an almost irresistible urge to demonstrate this change in an impressive display of statistics, but statistics are at best only an imperfect measure of the library's role as a community-wide institution.
- The libraries are reaching more people in more ways than ever before. But why not visit one of our libraries and see for yourself. Call 884-2200 for information.
- Did you know that the schools' Department of Community Services offers an unusually rich and varied program of Adult Education, Community Swimming, Driver Education and Youth Enrichment?
- The Adult Education offering includes classes in special interest and self-improvement, homemaking activities, music and dance, arts and crafts, foreign languages, business, sports and exercise.
- The Department also offers a Swimming Program. This provides instructional, recreational and competitive swimming and diving opportunities for all ages, ability and interest levels of the residents of the community. In all activities, the major emphasis is on water safety.
- Driver Training as approved by the Michigan Department of Public Instruction is available free of charge to all boys and girls between the ages of 15 and 18 who live in the Pointe Public School District. The course consists of classroom work and behind-the-wheel driving experiences on a range and on the street.
- During the school year, late afternoon, evening and

Saturday classes are taught at South High School. Summer session classes are taught weekdays at North High School. This is another service of the school's Department of Community Services.

Youth Enrichment after-school hours classes and activities are scheduled for all school age children and are conducted in each of the 15 public school buildings. The non-credit activities generally meet once a week for 10 weeks. The program is not designed to provide in-depth training in any particular subject, but is offered so that students will have an opportunity to participate in activities in which they have a special interest, or which may not be available to them as a part of the regular school program.

There is a fall session starting in October, and a winter session starting in February. Class schedules are distributed through the schools.

For more information on these fine programs, I urge you to call 885-3808 or 885-0271. The costs are nominal.

- Did you know that the schools' Department of Pupil Personnel conducts a number of pre-school programs, including screening, testing, developmental activities and a summer speech language program?
- Each child in a better classroom has a better chance to reach his top educational level, thanks to programs like Pre-school Screening. Since 1970, screening has been a big help in pinpointing hearing, seeing or other problems that can keep an intelligent child from learning at the expected rate.
- Department of Pupil Personnel staff members conduct a group of tests for measuring child development in speech, language, reasoning, perception, general intellectual maturity, hearing, motor coordination and vision.
- Alumnae of Delta Gamma Sorority, supervised by an ophthalmologist, handle visual examination of each child, a test that meets qualifications of the pre-kindergarten vision test required by state law.
- When pre-school screening turns up a learning problem—anything that could mean a difficult adjustment to regular school—the child is invited to join others in a Developmental Pre-school Class.
- The Pre-school Speech and Language Program is one in which the children enrolled can improve their speech and language skills before they enter kindergarten.
- Our summer program serves four-to-six year old children whose speech and language skills may not be developed to an appropriate level. Call 885-2000, extension 64, for more information on the Department of Pupil Personnel's offerings.
- Did you know that our Department of Instruction conducts a six-week summer program for elementary, middle and senior high school students?
- Although plans for the 1975 summer session will not be finalized until this spring, the student who needs strengthening in basic skills or who seeks enrichment programs will find the summer session a rewarding experience. Enrollment in each class is limited to provide opportunities for individual instruction.
- At the elementary level, art, science and computer mathematics have been offered in the past. The middle school offering has included sewing, typing and science. And in the senior high level, classes have included history, speed reading and Spanish.
- For additional information, please call our Department of Instruction at 885-2000, extension 13.
- In the event that you wish to know more about the many other fine programs and classes available in our system—or any other aspect of the school operation—I urge you to call my office, (885-2000, extension 58), at your earliest convenience.
- Although I am a comparative newcomer to Grosse Pointe myself, having been appointed superintendent on July 1, my family and I are feeling more at home every day. I am sure that newcomers will find, as we have, that this is an unusual community in many ways... one of which is the capacity to make the stranger feel right at home.
- As newcomers viewed the imposing array of community organizations during Saturday's reception, they must have been struck, as we have been, with the number of ways to make friends and to become involved in worthwhile civic activities.

Pointe Bonsai Club Forming

Several Bonsai hobbyists in the Pointe area asked Raymond B. Boardman, vice-president of Bonsai Clubs International, for assistance in setting up a local club.

They cite as their reason the distance and time necessary in attending the nearest clubs located in Southgate, Southfield, Mount Clemens, Pontiac and Plymouth, all of which have very active membership.

Mr. Boardman organized the Shibui Detroit Society of Metropolitan Detroit in 1971, but, because of its rapid growth in two years to over 186 members, helped divide it into six smaller clubs, each of which is currently expanding. Because of his success in the promotion of new clubs, Bonsai Clubs International appointed him to Organizer of New Clubs around the World.

For those who are not familiar with it—Bonsai is an oriental art. It began in China many centuries ago where the Chinese learned the secret of growing miniature trees and shrubs in shallow pots. They were carefully grown over periods of years and trained to resemble old trees in nature. The Chinese named them "Artistic Pot Plants."

In more recent years the art spread to Japan — was then named Bonsai, (pronounced bone sigh)—where it became more highly developed. Tourists who have spent even a short time in Japan have marveled at these beautiful trees, carefully groomed, with each being a work of art. Now, others may enjoy this comparatively new hobby.

"Bonsai is spreading rapidly throughout the world" said Mr. Boardman, "with over 2,700 individuals and more than 130 Bonsai Clubs presently enrolled in Bonsai Clubs International and more joining every month. This gives us a wonderful opportunity to exchange ideas on the Art."

"The reason for this expansion," he continued, "is because many people have discovered that they, too, can learn to develop these diminutive trees and care for them. For years the Art of Bonsai was a closely guarded secret

These little plants, with proper care, can be coaxed to live for many years in very small pots of a special kind; however, regular repotting, pruning and wiring is necessary.

Anyone interested in becoming a member of the local club is invited to attend the first meeting on Wednesday, February 5 at 7:30 p.m. in the Central Library, 10 Kercheval avenue. The meeting is on the second floor.

For further information on the club or the meeting, call Mr. Boardman at 538-1789.

ULS Headmaster Views Independent School's Role

ROBERT B. EDGAR D/B/A Anteebo Publishers OFFICES UNDER THE ELM AT 99 KERCHEVAL GROSSE POINTE FARMS, MICHIGAN 48236 Second Class Postage Paid at Detroit, Michigan

Editors Note: In conjunction with its Open House, which will be held this Sunday, January 26, from 2-4:30 p.m., the headmaster of University Liggett School, Raymond Robbins, outlined his views on independent education in general and, specifically, on education at ULS.

Ultimately the case for independent schools and colleges rests on one's belief in a need for pluralism in our society. Our country has been immeasurably enriched by the existence of non-public institutions of many kinds. Too few people give sufficient thought to what it would be like to live in a society where such institutions did not exist.

Richard Lyman, president of Stanford University, has written "We believe, and there is lots of evidence to support us, that a society is more likely to be open and free, that the individual citizen's capacity to stand up against the otherwise overwhelming force of a modern government is substantially strengthened, if the state does not possess a monopoly of service to the public; if side by side with great public school systems there are strong independent schools."

What we are witnessing in many areas is an erosion of human values. Perhaps this is not so surprising given the distortion of ideals that we see about us. It is common practice to twist words to suit a purpose and all about us we see logic battered by relative and subjective thinking.

Parents have a right to choose for their sons and daughters a school environment that is uncommonly good rather than common, a school environment that reinforces their basic beliefs or at worst does not undermine those beliefs.

I firmly believe that thoughtful people when faced with a challenge of developing priorities for families will continue to attach highest importance to the education of children.

I think most would agree that a breadth of vision, both in space and time is one of the most valuable characteristics of a well educated person. With it one can begin to achieve perspective, which Spinoza so aptly defined as "viewing passing events under the aspects of eternity."

Our society needs principled people who have a zest for the new and the unpredictable, who maintain faith and are willing to put it into action. Yet, too often, we find people primarily motivated by fear and whose loftiest goal is to avoid disaster.

ULS Splits Two Games

By Robert Holmes
University Liggett held off Harper Woods for a 41-39 win Tuesday, January 14. Then, three days later, Liggett lost a close one to cross town rival Detroit Country Day School, 65-64. ULS now stands at 6-4.
Against Harper Woods the Knights started slow and were quickly behind 15-4 at the end of the first quarter. During this quarter Harper Woods shot 65 percent from the floor and looked like they were going to take the game in a runaway.
However, it was in the second frame that ULS came to life and outscored HW, 12-8, to narrow the lead at the half to 21-16. Harper Woods managed only one field goal the whole second quarter.
It was in the third quarter that the Knights poured it on. They outscored their opponents 12-2 and took a 28-23 lead after three. Once again the ULS defense held the Class B school to one field goal in a quarter.
The fourth period was played with super hustle on both sides. HW outscored Liggett, 16-13, but it was not enough as Liggett won.

Mike Solomon scored 16 points to lead ULS. Bob Neville and Drew Miller each added 7, while Todd Greer chipped in 6.
At Country Day both teams were at an emotional peak as these teams have a rivalry which goes back many years. Playing on Day's home court, ULS was not expected to stay even close, let alone win.
The first quarter backed this up as Country Day quickly took a 19-8 lead and led 19-12 after one quarter. The second quarter did not start much better as it was 25-12 for Day.
Then, the Knights put on a furious comeback and outscored DCDS, 21-8, the rest of the second quarter to make it 33-33 at the half. The first half could have been better for Liggett but for the fact that they committed many turnovers.
The third quarter was a high scoring affair that resulted in a 50-49 score with ULS on top.
In the final quarter DCDS pulled ahead by seven with only three minutes to go and they seemed to have a comfortable lead; however, the Knights came back but fell just short.
Liggett played an excellent game and had every reason to be proud of their effort.
Solomon, a 6-foot-5-inch center, played a super game for ULS as he scored 29 points and had many rebounds. He's only a sophomore and is improving with each game. Neville scored 11 points while Greer and Miller each netted 10 points.
The Knights play again Friday, January 24, against Lutheran East.

Letters to The Editor

Dear Sir:
*To all friends who are wondering — yes, Eileen Mann, 20, the daughter of Dr. and Mrs. Andrew Mann, of Audubon road, is back at Delta College — University Center.
On December 12, while coming off duty at midnight, (Eileen and a student friend), were involved in an accident near Bay City. The drunk driver wasn't injured but both girls were taken to Bay City Mercy Hospital with multiple injuries.
Eileen had stitches to the head and cheek, a broken left forearm and a collapsed lung. Although the cast must remain on for a few weeks longer, Eileen attends classes and reports for duty at St. Luke's Hospital, along with other senior student nurses who hope to graduate in April, receiving their RN's with an associates degree in Nursing.
She drives a car sometimes, cast and all.
Eileen, gowned with her arm in a cast while working in the obstetrics ward, recently wrote, "I almost look like one of them!" Besides courage, that Mann has a terrific sense of humor.
To everyone who cared and were nice throughout the holidays, sending flowers, candy and visiting her at Holy Cross Hospital, Eileen says "Thanks a lot," as does her grateful family.
Mrs. Andrew Mann

Captures First In Swim Event

In last week's swim story, "Pointers Place Fifth in Meet," the results of the 50-yard breaststroke competition were inadvertently left out.
Mark Stoyka, 10, of the Grosse Pointe Swim Club captured first place in that event with a time of 36.3. He was the only natator to finish ahead of the Bloomfield Hills Swim Club's Jeff Lundy who won five races in the 10 and under class.
Jack Shook of the GP club said Mark does an outstanding job and had an excellent time in this meet.
WEAR EAR PLUGS
Snowblowers can ease the job of keeping driveways clear during winter months, but it is also one of the many machines that can generate a potentially hazardous noise level. When operating a noisy snowblower it is best to wear protective ear plugs.

Masters Make Mark in Meet

Several of the Grosse Pointe Swim Club Masters swimmers competed in the Utica Masters AAU meet at Utica Eisenhower High School on Friday, January 17.
Over 450 entries comprised one of the largest Masters meets of the year in which over 15 State Masters records were broken. Masters' compete in five year age groups from 25 to 80.
Carolyn DeLuca, the Pointe Swim Club's nationally ranked swimmer, was first in the 100 IM and first in the 100 butterfly with a 30.9. Mrs. DeLuca, an ex-Congressional Swim Club competitor as an age group swimmer from Virginia, is ranked in the top ten women swimmers, age 30-34, in six events in the United States.
Auggie DeLuca, her husband, an ex-U-M swimmer, was second in the 50 free and first in the 50 fly with a 27.1. The DeLuca's live in Grayton avenue.
Jack Shook, in the 45-49 age group, was first in the 50-yard backstroke and placed fourth in the 100 yard breaststroke. He's the Masters chairman for the Michigan AAU.
For further information about Masters swimming, or about joining the Grosse Pointe Swim Club's Masters program, call Mr. Shook at 884-3728.
The next scheduled Michigan Masters meet is Saturday, February 15, at Birmingham.

Win Pleases GP Academy

The Middle School boy's basketball team at Grosse Pointe Academy is flushed with victory.
On Tuesday, January 7, the 1975 season was launched with a decisive win over arch-rival University-Liggett. The score, 28-24, was secondary in importance, according to Academy coach Pete Marrocco. "The self-discipline displayed by our boys was the most exciting part of the game," he declared.
Dan Graham and team leader Paul Gotfredson shared top honors, scoring 8 points apiece. They were followed closely by Dan LaFerte with 6 points, Marc Wollard, 4 points, and Jim Kinnaird, 2 points.
"The tempo was controlled, with fine performances by center and forwards. I am really proud of this great team effort," said coach Marrocco.
Sharing his enthusiasm was the girls' cheerleading section, coached by Physical Education director, Mrs. Nicholas Larco. Peppy chants of encouragement came from Lisa Poplawski, Pauline Dionne, Jody Murray, Denise Luz, Amy Allison, Valeon Breendon, Stacy Mizeres, Kathy Clark, Lee Robinson, Amy Jay, Colleen Lee, Johanna Shubart, Julie Reeside, Evelyn Caise and Katie Ward.
A 1973 Wayne State University graduate in Health and Physical Education, Mr. Marrocco also is offensive line coach for Bishop Gallagher High School's football team.
His first season at the Grosse Pointe Academy now half-completed, Mr. Marrocco is firmly committed to the concept that sports and physical skills are important aids in boys' development.
Planning the expansion and improvement of sports facilities at the Academy make his role an exciting one, and the staff are enthused.

Pointe Skaters Take 5-2 Win

The Pointe's Sherwood Forest Hockey Club continues to make its presence felt among the leaders of the Northern Canadian Blue Water League. Sherwood came up with a big victory over first place Watford, Ont., 5-2, on Saturday, January 18.
Rich Nadow, after being sidelined with injuries for a month, led the charge with a three-goal "hat trick," while Mike Stecko and Brent Rutherford added single tallies.
Sherwood won the game by scoring three goals in the final period after the second frame ended at 2-2.
The Pointers traveled to Watford for a Tuesday, January 21, rematch, (after press time), and then play Jiffymix from Ann Arbor on Saturday, January 25, at the Grosse Pointe Community Rink. Game time is 8 p.m.
Jiffymix currently boasts a 30-2 record, while Sherwood, among American teams, stands at 28-0. In the Canadian League, the Pointers have a 10-10-1 mark and are in a third place tie.

Win Pleases GP Academy

Our society is in a state of some political, economic and social disarray. I am not a prophet of doom nor do I have illusions about perfect systems or solutions, but I am concerned about the magnitude of our society's upheaval and the reaction of the populace to it.
To my way of thinking, the problem is qualitative in nature and transcends race, class, economics, politics, geography and ideology.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

The Grosse Pointe Garden Center has a new president. She's Dorothy (Mrs. Arthur O. A.) Schmidt, of Lakecrest lane, and she's an experienced chief executive, having preceded her sister-in-law Dorothea (Mrs. J. Ross) Bush as president of the Grosse Pointe Memorial Church Women's Association.

Mrs. Schmidt's election took place last Friday, January 17, in the Grosse Pointe War Memorial Center's Alger House.

When the late Mrs. Russell A. Alger's home became the War Memorial, Mrs. Alger specified that her second floor right front bedroom should house the newly-organized Grosse Pointe Garden Center.

The Garden Center is now beginning its 25th year of service to the community. Its primary purpose continues to be the promotion of education in horticulture. It maintains a garden and a garden library, presents lectures and provides scholarship grants for graduate students in horticulture fields.

Residents are urged to enter exhibits from their own gardens in the Center-sponsored Horticulture and Bonsai Show each year.

Miss Marie Louise Anderson, the Center's first president, (for two years), continues to reign as membership chairman as she has for the past 22 years. Currently, she's busy reminding members that

College of Grand Valley State College, Grand Rapids, December 14, and is currently living and working in Grand Rapids.

MR. and MRS. CHARLES B. KEMP, of Country Club drive, celebrated their 50th

wedding anniversary at a January 12 dinner party held at the Country Club of Detroit. Hosts were Mrs. Kemp's sister, MRS. WILFRED C. WAGNER, of Shore Club drive, and the Golden Anniversary pair's sons-in-law and daughters, MR. and

Newcomers Ready To Bite The Bullet

Pizza Afterglow Will Follow Evening of Games in Members' Homes This Saturday; Invitations Come in Brown Paper Sacks

Most Americans are economy-conscious right now so the Grosse Pointe Newcomers Club, to make a point, sent out invitations for its January "Bite the Bullet" party in a brown paper sack! But there will be no economizing on the fun to be had this Saturday, January 25 as Newcomers gather in various members' homes for a non-progressive games night.

The evening begins at 7:30 o'clock. Among the wide variety of games to be played are poker, bridge, euchre, pinocle and ping pong. While playing, members will enjoy refreshments and hors d'oeuvres.

Opening their homes to party-goers are Michael and Wendy Burns, Morris and Sidney Burrows, Werner and Ann Spitz, Philip and Darlene Van Tiem and Ron and Mary Yanessa.

Their parties will move to Lombardi's for pizza and an en masse afterglow. Responsible for this eco-

nomical but fun-filled evening are chairman couple Mr. and Mrs. Rick Urso and their committee members Mr. and Mrs. John Brennen, Mr. and Mrs. Don Flowers, Dr. and Mrs. David Frantz, Mr. and Mrs. E. Norman Giard, Dr. and Mrs. Jerry Strimbu and Mr. and Mrs. Dick Vreeland.

Couples who have recently moved to the Grosse Pointe area from outside Pointe boundaries are eligible for newcomers membership.

Interested persons may contact the membership chairman at 886-7871 or 885-3705 for further information.

MRS. HERBERT P. BARTLETT, of Mount Vernon road, and MR. and MRS. DOUGLAS DONALD, JR., of Beaupre avenue.

MR. and MRS. J. ROBERT FOLEY, of Merriweather road, announce the adoption of MARGARET ANNE (MEGAN) born September 17, Mrs. Foley is the former MARILYNNE WALKER, daughter of MR. and MRS. JOSEPH J. WALKER, of Muir road. Paternal grandmother is MRS. JOHN S. FOLEY, also of The Farms. DR. and MRS. E.

MICHAEL KRIEG, of Roland road, announce the birth of a daughter, CAROLYN ELIZABETH, December 5. Mrs. Krieg is the former LYNNE BYRNE, daughter of DR. and MRS. ROBERT BYRNE, of Milwaukee, Wis. Paternal grandparents are former Pointers DR. and Mrs. EARL KRIEG, who now reside in Marine City.

The Wayne County Community College board of trustees has elected new trustee JOHN K. GRYLLS, of University place, to serve as chairman for 1975. (Continued on Page 24)

This is a Trichoperm

It's a wonder or a terror, depending on how little time. Too much time and it can frizz hair. Too little time and it won't do its work properly. Just enough time and it will give hair the body it needs to look lovely and hold a set longer. We give it just enough time. And we get beautiful results for Bleached Hair, for Fine or Coarse Hair, Problem Hair. Like to see? We'd love to show you.

Rockettes Set 18th Bonspiel

The Detroit Rockettes present their 18th annual Bonspiel next Wednesday and Thursday, January 29 and 30, at the Detroit Curling Club where 24 teams, including 18 from Canada and cities throughout the United States, six composed of Rockette members, will vie for the Alandt Trophy.

Each team plays four games during the two-day spiel. Winners are determined on a points basis.

Guests and members will enjoy a luncheon after Wednesday morning's games and a gourmet cocktail buffet Wednesday evening, followed by membership entertainment using the Bonspiel's theme: Comic Capers.

At the close of Thursday's games prizes will be awarded to each member of the seven top teams, first place receiving the Alandt Trophy.

Pointers planning and/or participating in the events include Mrs. Marvin Larivee, general co-chairman, Mrs. Joseph Giroux, mistress of ceremonies, cocktail party chairman Mrs. Colin Wilkinson and her co-chairman Mrs. Albert McKay.

More are Mrs. Victor Breidenbach, in charge of publicity, Mrs. Bruce Cummings, responsible for the preparing of the trophy, Ms. Jean Hewitt, "Big End" awards, Mrs. W. Tom ZurSchmiede, Jr., entries, and Mrs. Dana Lockniskar, room decorations.

Still more are the Mesdames Charles Rutan, Donald Barr, Tom Bowling, Robert Burns, Harold Davis, Thomas Fallen, Charles Markley, Joseph McGlynn, Paul Morath and Ms. Harriet Guignon.

Set Sweetheart Ball for 1975 on February 14

The third annual Sweetheart Ball sponsored by the Metropolitan Detroit Chapter March of Dimes is scheduled for Friday, February 14, at Raleigh House.

The Sweetheart Ball annually honors metropolitan Detroit-area civic and business leaders who have made outstanding contributions to humanitarian causes.

Honorees at the 1975 Ball will be Dr. Tommy N. Evans, nationally-known gynecologist and obstetrician, director of the C. S. Mott Center for Human Growth and Development, and Diane and Tom Schoenith, of Devonshire road, well-known for their

imaginative, creative and energetic efforts for local charities.

Last year's March of Dimes Humanitarians of the Year were Edward N. Cole, president of General Motors, Walker Cisher, of Devonshire road, chairman of the board of the Detroit Edison Company, Nate Shapero, chairman of the Board of Cunningham Drugs, and Mrs. Maria Lalli, president of Universal Wine Company. Charles S. Mott was the first honoree.

Mrs. Arthur R. (Hattie) Pfannenschmidt, of Vernier road, is chairman of the '75 Sweetheart Ball, with Mrs.

Florence Sisman as co-chairman. Invitations, addressed at the home of Rosemary Elias, went into the mail this week.

Tickets for the gala priced at \$37.50 per person or \$75 per couple include cocktails, dinner and dancing to the music of Eddie Santini. Television personality Bob Hynes will be master of ceremonies.

Information and tickets are available through the March of Dimes office, 864-6000, or the Macomb County March of Dimes office 465-1378.

All proceeds will be used to further the fight against birth defects.

July Bride

Photo by Eddie McGrath, Jr.
July wedding plans are being made by CHRISTINE LYNN GRAHAM and Edwin Phillip Bounous, Jr., whose engagement has been announced by her parents, Dr. and Mrs. George C. Graham, of Colonial court.

The bride-elect was graduated from Grosse Pointe North High School and will receive her Bachelor of Science degree in Zoology from Duke University in May.

Her fiance, son of Mr. and Mrs. E. P. Bounous, of Morganton, N.C., is scheduled to receive his Bachelor of Science degree in Chemistry from Duke University and will enter Duke University School of Medicine in the fall.

Miss Snyder To Say Vows

Mr. and Mrs. Arthur F. F. Snyder, of Provencal road, are announcing the engagement of their daughter, Divinna, to James Lawrence MacKenzie, of Mystic, Conn., son of Mr. and Mrs. Sidney T. MacKenzie, of Sarasota, Fla.

Miss Snyder is a graduate of Tufts University, Medford, Mass. Her fiance is a graduate of Wesleyan University, Middletown, Conn.

An August wedding is planned, in Vermont.

Slate Evening Group Meeting

Grosse Pointe Memorial Church Women's Evening Group will meet Tuesday, January 28, at 8 o'clock at the church to install officers.

President is Mrs. Frank C. Willson. Vice-President is Mrs. Henry S. Young, Jr. Secretary is Mrs. Alvin A. Beardslee and treasurer is Mrs. Russell Arthur Lee.

Hostesses for the evening will be Mrs. Ralph R. Ranney, Mrs. Lee and Miss Janet B. Cooper.

Engaged

Mr. and Mrs. Alvin Wegner, of Briarcliff drive, are announcing the engagement of their daughter DEBRA to Robert D. Ihrie, son of Mrs. Juanita Ihrie, of St. Clair Shores, and Dr. Dale Ihrie, of Lochmoor boulevard.

The bride-elect was graduated from Grosse Pointe North High School and attended Hillsdale College where she affiliated with Kappa Kappa Gamma sorority. She is presently attending Marygrove College and expects to receive her degree in May.

Her fiance, a graduate of Grosse Pointe South High

Nichols-Wood Troth Revealed

Mr. and Mrs. Walter Willis Wood, of Renaud road, have announced the engagement of their daughter, Mary Logan, to T. N. Nichols, son of Mr. and Mrs. Andrew Nichols, of Colonial road.

Miss Wood was graduated from Endicott College, Beverly, Mass., and Oakland University where she recently completed her studies in Elementary Education.

Ted completed his undergraduate studies in Journalism and plans to work toward a Master of Business Administration degree at Harvard Business School. He pursued postgraduate studies in Marketing at the University of Michigan.

A March wedding is planned.

School and Wayne State University, attends the University of Detroit School of Law. A July wedding is planned.

August Bride

Mr. and Mrs. Gerald R. Heller, of Canterbury road, are announcing the engagement of their daughter KATHRYN MARY to Frederick Grant Laube.

The bride-elect is a 1973 graduate of Lutheran High School East. Her fiance, son of Mr. and Mrs. Frank A. Zoia, of East Detroit, is a Vietnam veteran. Both attend Macomb Community Col-

Pollini to Play with Symphony

Young Italian pianist Maurizio Pollini will be featured soloist at this week's Detroit Symphony Orchestra concert in Ford Auditorium Friday morning, January 24, at 10:45 o'clock — third of the season's five NBD Coffee Concerts — and Saturday evening, January 25, at 8:30 o'clock.

DSO Music Director Aldo Ceccato will conduct. The program includes Mendelssohn's Symphony No. 3, ("Scott"), and Brahms' Piano Concerto No. 2.

Maurizio Pollini's American debut took place at Carnegie Hall with the Detroit Symphony Orchestra in November, 1968. He has since appeared regularly with other leading United States and European orchestras.

He performed with the DSO at Meadow Brook in 1969 and at Ford Auditorium in January, 1971.

Pollini, born in Milan in 1942, studied piano and composition at the Giuseppe Verdi Conservatory. At the age of 18 he won First Prize in the Warsaw Chopin Competition.

His repertory includes not only the classics but also works of such contemporary composers as Nono, Boulez and Stockhausen as well as Schoenberg's complete works

Mrs. J. F. Shepherd, Jr.

Married Saturday afternoon, January 18, in the Grosse Pointe Academy's Chapel of the Sacred Heart to Mr. Shepherd, son of the Jack Finley Shepherds, of Nyack, N.Y., was PATRICIA ESTES CASEY, daughter of Mr. and Mrs. E. Paul Casey, of Rathbone place.

Afternoon Rites for Patricia Casey

Reception at Rathbone Place Home of her Parents Follows Afternoon Service at Which She is Wed to Jack Finley Shepherd, Jr.

Planning to make their home in Marblehead, Mass., when they return from a vacation in England are Mr. and Mrs. Jack Finley Shepherd, Jr., who were married Saturday, January 18, in the Grosse Pointe Academy's Chapel of the Sacred Heart.

Mrs. Shepherd is the former Patricia Estes Casey, daughter of Mr. and Mrs. E. Paul Casey who entertained at a reception in their Rathbone place home following the 4 o'clock ceremony.

Mr. Shepherd is the son of Mr. and Mrs. Jack Finley Shepherd, of Nyack, N.Y. Mr. Shepherd, Sr., director of the Alliance School of Theology and Missions, Nyack, assisted Father Paul Desch at the rites.

The bride wore a lace-accented gown of white polyester crepe and a floor length tulle veil. She carried a traditional bridal cascade of white flowers.

She was attended by her sisters, Tyler Casey as maid of honor and bridesmaids Jennifer, Shelia and Gina Casey and Cynthia Shepherd, the bridegroom's sister. Their floor length frocks were fashioned of pale blue polyester crepe.

Eugene F. Barnes, III, of

Sacred Heart Alumna To Wed at Academy

Dr. and Mrs. Alphonse R. Derez, of East Outer drive, Detroit, have announced the engagement of their daughter, Cynthia Diana, an alumna of the Academy of the Sacred Heart in Lakeshore road, to Edmund Brown, IV, son of Mr. and Mrs. Edmund F. Brown, of Lakeside, Mich., and South Bend, Ind.

A June 21 wedding is planned in the Grosse Pointe Academy Chapel.

The bride-elect attended Saint Mary's College, Notre Dame, Ind. Her fiance is an alumnus of Le Rosey School, Rolle, Switzerland, and the University of Notre Dame.

Marblehead, was best man. Peter B. McManus, also of Marblehead, Daniel Kerr, of Bellmawr, N.J., and Jeffrey Crothers, of Congers, N.Y., ushered.

The new Mrs. Shepherd, granddaughter of Mrs. George M. Dee, of Marion, Mass., and Palm Beach, Fla., and Mrs. Charles H. Pinkham, of North Conway, N.H.,

and great-great-granddaughter of Lydia E. Pinkham, was graduated from Miss Hall's School, Pittsfield, Mass., and Katharine Gibbs School in Boston.

The bridegroom, grandson of Mrs. John M. Stamm, of Cleona, Pa., was graduated from Stony Brook School, Stony Brook, N.Y. and Boston University.

for piano.

Tomorrow morning's NBD Coffee Concert, presented in cooperation with the National Bank of Detroit, offers mid-morning concert crowds an occasion to relax over com-

plimentary coffee and doughnuts starting at 9:30 o'clock.

A short fashion show, "Let's Pretend it's Summer," will be presented by Hale Hawaii of Birmingham at 10:30 o'clock.

Express park-and-ride bus service from seven suburban locations will again be offered by SEMTA. Further SEMTA information is available at 962-5155.

Complimentary souvenir program books will be distributed by members of the Junior Women's Association for the DSO at Saturday evening's concert. This annual souvenir program is a fund-raising project.

Special program book feature this year is a 60th anniversary DSO history designed, written and produced by JWA member Nancy Bird Roach.

Mrs. Howard S. Harris is general chairman of the Souvenir Program committee.

Tickets for Saturday night's concert at \$7.50, \$6.50, \$5.50, \$5, \$4.50, \$4, and \$3.50 are available at Ford Auditorium Box Office, 961-0700, all Hudson's and Grinnell's ticket offices.

A limited number of tickets for students and senior citizens is available at Ford Auditorium Box Office beginning at 7:45 o'clock concert night's.

Detroit Dental Ladies Enjoy Busy January

January has been a busy month for members of the Detroit District Dental Auxiliary who gathered Tuesday, January 14, for luncheon, a business meeting and talk by Robert Hackathorn on "What Every Woman Should Know About Wills and Estate Planning."

Among those handling arrangements for the event at the Saint Regis Hotel were Pointers Mrs. George Wedge and Mrs. Jan Lehman. Auxiliary members and their husbands rendezvoused Saturday, January 18, at Somerset Inn. Occasion was the group's annual benefit ball, this year co-sponsored with the Oakland and Macomb Auxiliaries. Dinner dance proceeds will be used for dental charities and a dental health education program.

Honor NYC Commodore

Photo by Eddie McGrath, Jr.

Over 400 members and guests gathered at the Detroit Yacht Club last Saturday, January 18, to honor COMMODORE and MRS. JAMES ALEXANDER, of Littlestone road, at NYC's 1975 Commodore Ball. Pointers in the crowd included Dee and Denne DeSantis, Past Commodore Wayne Dupuis and his wife Josephine, Libby and Harold Miste, Virginia and Bus Miller, Mary and Bryan Brieden, Elizabeth and Harry Pratt, Barbara and Buck Weaver and Mary and Bill Cohan. In the receiving line with the Commodore and his lady at the head of the Club's Grand Staircase were NYC flag officers and directors. The party color scheme of cranberry red, pink and white featured dining room tables covered with pink cloths and centered with cranberry floral arrangements. Three-staffed red, pink and white banners, accented with three gold stars for the Commodore, were placed on chandeliers and sconces of the Main Ballroom, setting for the Grand March. Officers' ladies carried bouquets of pink carnations and baby's-breath tied with cranberry bows.

To Sell Candy for Camp Fire Girls Current Programs

"Say 'YES' to Camp Fire Candy" is theme for Camp Fire's 1975 Candy Sale which opens tomorrow, Friday, January 24, and will run through February 15. Some 5,000 Camp Fire Girls will sell peanut crunch and chocolate-covered mints in the tri-county area.

The candy has distinctive red, white and blue Camp Fire packaging and costs \$1.25 per unit.

In spite of the present economic situation, a price increase for the products and Camp Fire's declining membership the Detroit Area Council has set a goal of 216,000 units of candy to be sold during the three-week period. Previous candy sales have run as high as 273,000 units, (1973).

Scope of this volunteer-run Candy Sale is vast. Beginning in mid-January trucks deliver thousands of cases of candy to the homes of some 70 volunteers who serve as local Candy Cupboards.

Leaders and parents of Camp Fire groups then visit the cupboards to pick up their sale supplies.

In earlier years large vans

delivered leaders' orders to individual homes, making as many as 360 stops before the Candy Sale. This costly practice is being discontinued for the first time in 1975.

This yearly sale is undertaken as a service project on behalf of the Detroit Area Council. Camp Fire groups earn a modest commission on every candy unit sold and prizes are offered based on each group's average sale, but most of the profit, after the candy company is paid, goes into Detroit Area Council coffers to support program activities for members and operations at Camp

Wathana.

Camp Wathana, a 380-acre setting of woods and lakes near Holly, is open to members as well as individuals and groups not belonging to

Camp Fire for year-round camping.

Camp Fire Girls Detroit Area Council is a Torch Drive Agency with a current membership of nearly 8,000.

Matthews-Chester Vows Exchanged

Lace Accents Ivory Satin Gown Selected by Bride for pre-Christmas Candlelight Rites in Saint Columba Church

The wedding of Noel Lynn Chester, daughter of Mr. and Mrs. Albert S. Chester, of Saddle lane, and Stephen Doane Matthews, son of Mr. and Mrs. Donnell R. Matthews, of Birmingham, was followed by a reception at the Grosse Pointe Hunt Club.

Setting for the 7:30 o'clock candlelight service Saturday, December 21, was Saint Columba Church.

The newlyweds vacationed in the Bahamas and are at home in Sterling Heights.

Venetian lace accented the bride's ivory satin gown. She wore a three-quarter length mantilla of French lace, fashioned from her mother's wedding mantilla, and carried a crescent of white

Sweetheart roses, stephanotis, baby's-breath and ivy. In halter frocks of cranberry polyester, their jackets and hoods trimmed with maribou, were honor maid Debbie Dye, of Birmingham, an Alpha Phi sorority sister of the bride, bridesmaids Sue Badertcher and Diane Brown, of Grand Rapids, two other sorority sisters, and Julie Vanker, the bridegroom's sister, and junior bridesmaid Norma Mat-

Betrothed

Mr. and Mrs. Edward G. Edson, of Allard avenue, are announcing the engagement of their daughter JANE MARJORIE to Richard Gerard Motta.

The bride-elect and her fiancé are both 1974 Western Michigan University graduates with degrees in education.

Richard, son of Mr. and Mrs. Harry Motta, of Fraser, is currently employed in the Grosse Pointe Public School System.

An August wedding is planned.

thews, of Media, Pa., the bride's cousin.

They carried personalized cricket boxes filled with pink roses, holly and ivy.

Best man was James C. Coulter, Robert Reid, Randy Matthews, of East Lansing, and John Matthews ushered. Ring bearer was William Cabot Matthews, of Media, the bride's cousin.

Mink, cuffs accented the bride's mother's floor length emerald green dress and coat ensemble. She pinned a glamelia to her green and gold brocade purse.

The bridegroom's mother chose a long shirtwaist of silk crepe with a candle-glow chiffon overskirt. Her corsage was an orchid.

Out-of-town guests included the bride's uncles and

Mrs. Stephen Matthews

At a candlelight service Saturday, December 21, in Saint Columba Church, NOEL LYNN CHESTER, daughter of Mr. and Mrs. Albert S. Chester, of Saddle lane, spoke her marriage vows to Mr. Matthews, son of Mr. and Mrs. Donnell R. Matthews, of Birmingham.

June Bride

June wedding plans are being made by REGINA J. MONSOUR and William M. Cable, Jr., whose engagement has been announced by her mother Mrs. John H. Monsour, of Three Mile drive.

The bride-elect, who is also the daughter of the late Mr. Monsour, was graduated from Dominican High School and expects to receive her

Mr. Reynolds to Claim Bride

Mr. and Mrs. Charles R. Capps, of Orchard Lake, have announced the engagement of their daughter, Patricia Susan, to Robert E. Reynolds, son of Mr. and Mrs. Ellsworth G. Reynolds, of South Oxford road. The bride-elect, a Bloomfield Hills Andover High School graduate, is working toward a degree in Special Education for the Visually Handicapped at Eastern Michigan University where her fiancé, a Grosse Pointe North High School graduate, is studying Accounting. An August wedding is planned.

Bachelor of Science degree in Education from Wayne State University in June. Her fiancé, son of Mr. and Mrs. William M. Cable, of Detroit, received his Bachelor of Science degree in Music Education from Wayne State University in 1972. He is currently employed by the Utica Community School System.

(Continued from Page 11)
It's annual dues time again — and Marie Louise's reminders work! She almost always reaches her goal of 1,000 paid-up members.

Working with Mrs. Schmidt on the 1975 Garden Center board are Mrs. Robert Russell, first vice-president, who has been an active, efficient chairwoman of the Center's Trial Gardens, and Mrs. Wesley R. Johnson, second vice-president. Center historian for several years.

Doris Johnson has worked, too, on the Center's Spring Lectures, (this year's is scheduled for April 16), and on the House Tour and publicity committees.

Mrs. William Cole was re-elected recording secretary. Mrs. Stanley F. Dolega will serve as assistant recording secretary. Mrs. John H. Carter as corresponding secretary. Mrs. J. Crawford Frost, a past-president who has been active in many capacities since the Center's founding, as assistant corresponding secretary.

Mrs. J. Lane Donovan was re-elected treasurer. Assistant treasurer is Mrs. Daniel J. Clifford.

Symphony Program Night

The Junior Women's Association for the Detroit Symphony Orchestra will distribute its 1975 Symphony Souvenir Programs this Saturday, January 25, at the DSO's evening concert in Ford Auditorium.

This year's program features the History and Heritage of the Orchestra in words and pictures, courtesy of 270 advertisers whose contributions totaled \$30,000 and patrons who added another \$5,000 to the Symphony Juniors' annual fund-raising project.

Grosse Pointe's own Mrs. Joseph Lackey made the greatest total dollar sales, earning a ski week at L'Arbre Croche for her efforts.

Pointers serving on the '75 Souvenir Program committee include the Mesdames William Bokran, Allan LeChard and Ramon Brinkman, and of course Mrs. John Roach to whom goes the editorial credit.

Co-chairmen of the invitational at the Savoyard Program Night Before-Glo celebration at the Savoyard (Continued on Page 24)

An informal reception honoring the artists in the Romanesque Room of the Institute follows the program. Mrs. George Zeitz is social chairman.

Assistant chairman of hosts and hostesses Mrs. Terrence Bannan will be Hurd Allen, Mr. and Mrs. Harold Arnold, Mrs. Cyril Barrett, Miss Rose Barton, Mrs. Carl Carlson, Mr. and Mrs. V. Copeland, Mr. and Mrs. James Diamond, Mr. and Mrs. Robert Galacz, Mrs. J. Alex Gordon, Mr. and Mrs. Paul Curtis Irwin, Mrs. Martin Janis, Miss Ida Muccianti, Mr. and Mrs. Harold Tarnas, Reginald Thomas, Mr. and Mrs. Constantine Topalov, and Mr. and Mrs. George Vincent.

Clark Women's Club To Walk With Arnold

Clark Women's Club meets at 2 o'clock Monday, February 3, at Christ United Methodist Church in East Warren avenue, Detroit, for a program, one of the first in the community, to help launch the Bicentennial celebration being featured throughout the nation.

Douglas Marshall from the University of Michigan Extension Service's Department of Lectures and Program Planning will talk on "The Trail of Benedict Arnold." Film compliments his lecture.

Mr. Marshall is presently curator of Maps at the U. of M.'s Clements Library. Events in the Journal of Benedict Arnold gave the idea and his associates the idea to embark on an expedition in Arnold's footsteps.

Mr. Marshall will relate the modern group's experiences. The program is open to all Club members and their friends. Community residents may call Mrs. Arnold Matthews, TUxedo 6-1110, for further information.

WSU's Women Plan Calendar

A calendar of events related to 1975 International Women's Year has been developed by a committee of women at Wayne State University.

The committee, representing a coalition of students, faculty, staff and alumni, plans a major University-related program each quarter.

The programs open with a conference on "Women in the World of Work" under auspices of Wayne's Center for Teaching About Peace and War, scheduled for Friday, Saturday and Sunday, March 7 through 9, in recognition of International Women's Day March 8.

General sessions will cover such topics as Women and the Economy, Career Change and the International Conventions dealing with Women.

Conference programs and reservation forms will be available early in February.

The calendar also includes performances of the Women's Chorale, monthly poetry readings and seminars, art exhibits and displays. Additions will be welcome.

As part of this coalition effort Women of Wayne Alumnae have formed several special programs of their own, including a History of Women in Wayne project in conjunction with University Archives, to be introduced as a program on campus Saturday, February 22.

The program will feature lunch at University Inn and a behind-the-scenes tour of Oral History facilities and the new Walter P. Reuther

Phase I Topic Is Bicentennial

Joyce Garrett, executive director of the Detroit Bicentennial, will speak on Detroit's part in the nation's 200th birthday year at the meeting of Phase I, an all-

Chorale at Saint Andrews Church on campus Sunday, May 18.

Calendar and further information may be obtained by contacting Alumni House, 577-2167.

Le voile Tergal est un voile pour rideaux tissés à partir de fil synthétique. Le voile Tergal est solide, infroissable, résistant à la lumière et d'un entretien facile.

LAVAGE	Laver dans de l'eau tiède savonneuse et dans un grand volume d'eau. Rincer abondamment. Essorer sans tordre.	40	✱
DETACHAGE	Si une tache a résisté au lavage, utiliser les détachants habituels.		P
REPASSAGE	Repassage inutile si lavage correct. Les plus éventuels peuvent être repassés avec un fer modérément chaud. Remettre en place le voile encore humide.		☐
CONFECTION	Le voile Tergal est facile à confectionner. Pour la coupe il est recommandé de tirer un fil. Il est indispensable d'utiliser du fil à coudre et du ruban fermez Tergal qui se travaillera sans déformations après lavage et ne se dégradera pas à la machine. Tous le piquage machine, veillez à diminuer le plus possible les tensions du fil de aiguille et de canette pour éviter une frange éventuelle.		✂
WASHING	Wash in large amount of lukewarm soapy water. Rinse thoroughly. Dry without wringing.	40	✱
CLEANING	If a stain has resisted washing, use a normal dry-cleaner.		P
IRONING	Ironing is not necessary if the washing has been carried out correctly. Creases can be removed with a moderately warm iron. Hang it up while still damp.		☐
MAKING UP	TERGAL voile is easily made-up. For cutting it, it is recommended to draw a thread it is indispensable to use Tergal sewing thread and a ruffled Tergal ribbon which do not allow any stretching after washing and do not fade. For machine stitching, it is recommended to reduce as much as possible the tensions of the needle thread and the spool, so as to avoid any possible ruffles.		✂

Society News Gathered from the Pointes

Lavezza-Shea Troth Is Told

Mr. and Mrs. Sylvester C. Shea, of Sunningdale drive, are announcing the engagement of their daughter, Mary Patricia, to Joseph Francis Lavezza, Jr., son of Mr. and Mrs. Joseph Francis Lavezza of Baltimore, Md.

The bride-elect, a graduate of Grosse Pointe North High School and the University of Dayton, is now a substitute teacher in East Detroit.

Her fiancé, also a graduate of the University of Dayton, is associated with the Dictophone Corporation.

A May wedding is being planned.

Pointe Braille Club Gathers

Grosse Pointe Braille Club members gathered at noon, Tuesday, January 14, at the Golden Lion Restaurant for their annual social meeting beginning the new year.

A reception to get acquainted with new members and renew old friendships with members who have become brailleists over the past 12 years preceded the luncheon.

Guest speaker Mrs. S. S. Nemzek, a braille teacher from Marquette School, has spent all her teaching career training blind and partially-sighted children to become independent and self-supporting citizens.

Over the years she has had the satisfaction of watching many grow up, complete college and attain worthwhile positions in life.

Mrs. Nemzek gave a comprehensive report of the very beginnings of braille and mentioned various other systems that had been tried before the Braille Code, as we know it, became the accepted one.

New York Point was used in Philadelphia and New York. The Boston Line and Moon Type, longest to survive use, are others that have fallen by the wayside for Louis Braille's six-dot system proved to be the one that worked better for all languages and conditions. It was first used in the United States in Missouri.

The Braille Code, standardized in 1932, has been revised constantly over the years.

The Mathematics Code in Braille was formulated by a professor of Mathematics at the University of Detroit, blind himself, who still teaches and constantly works on improving the code.

A question and answer period followed Mrs. Nemzek's formal presentation.

Mrs. A. Lawson Potter, of Fairholme road, introduced her current braille transcription class, 1: in number, and six members of last year's class who have already received certification from the Library of Congress. Certified are Anne Baker, Jeanette W. Jobe, Mary L. Kavapaugh, Jane E. Minnick, Elaine B. Tyrone and Shirley Chisholm.

The remainder of last year's class are awaiting word from Washington on their certification.

Mrs. Potter has received a Meritorious Award from the National Braille Association for Braille and Special Services: a gold pin with sapphires in the form of the six-dot cell — with which she is

May Bride

Photo by Scotty's Photo Studio

Planning a May 11 wedding are THEODORA S. KANEY and Robert H. Jeffers whose engagement has been announced by her parents, Mr. and Mrs. Charles J. Kanney, of Bishop road.

Theo, a Grosse Pointe South High School graduate, received her Bachelor of Arts degree in Philosophy and Social Sciences from Western Michigan University. She is presently a Suburban Merchandise Manager in Women's Apparel with Marshall Field and Company of Chicago, and makes her home in Hoffman Estate, Ill.

Bob, son of Mr. and Mrs. Robert H. Jeffers, of Glen Ellyn, Ill., was graduated from Glen Ellyn's Glenbard West High School and earned a Bachelor of Arts degree in History and Political Science at Marquette University, Milwaukee, Wis.

He is currently enrolled in the Graduate Business Program at DePaul University, Chicago, and works as a Credit Analyst at Marshall Field.

April Bride

Plans for an April wedding are being made by LUCINDA ANN BUEGEL and Gary Keith Stoetzer whose engagement was announced by her parents, Mr. and Mrs. Guenther Buegel, of Vernier road, at a December 1 cocktail party.

The bride-elect and her fiancé, son of Mr. and Mrs. Robert H. Stoetzer, of Prestwick road, were graduated from Grosse Pointe North High School and attended Northern Michigan University. He received his NMU degree last spring.

Notre Dame High Band Mothers Hosting Dance

The Notre Dame High School Band Mothers will sponsor a dinner dance Saturday, February 8, at Barriester House in St. Clair Shores, featuring banjo entertainment and music by the Chord-o-Tones.

Tickets at \$12.50 per person and further information may be obtained by contacting Alice Pomanski, 884-4823, or Helen Skrzynski, 775-4334.

Founders' Day Party for P.E.O. Sisterhood This Saturday

Frank Caddy, vice-president for Administration and treasurer of Greenfield Village and the Henry Ford Museum, will speak on "Greenfield Village Update" at the Detroit-area P.E.O. Chapters' annual Founders' Day celebration Saturday, January 25.

Mr. Caddy's program follows a 12:15 o'clock luncheon at Dearborn Inn. Toastmistress for the 106th anniversary festivities is Mrs. Paul Sherf, of Dearborn, general chairman of the day. State officers will be present to give greetings.

Founders' Day is sponsored each year by the Detroit Cooperative representing 28 chapters from the greater Detroit Metropolitan area. Mrs. Harlan L. Hagman, of Grosse Pointe's Chapter AO,

is present Cooperative chairman.

Her assistants include Pointers Mrs. Paul L. Nagel, vice-chairman, and Mrs. Forest E. Brammer, publicity chairman.

P.E.O. Sisterhood, a philanthropic and educational organization interested in bringing women increased opportunities for higher education, was founded as a college sorority on the campus of Iowa Wesleyan College January 21, 1869.

It has grown to an international organization with

over 4,484 chapters in the United States and Canada, with more than 183,000 members. There are also P.E.O. groups on college campuses, in retirement and resort areas, on military bases and in eight foreign countries.

Its purposes, which continue to be educational and charitable, are accomplished through four educational philanthropies: Cottey Junior College for Women, the P.E.O. Educational Fund, International Peace Scholarships and the Program for Continuing Education.

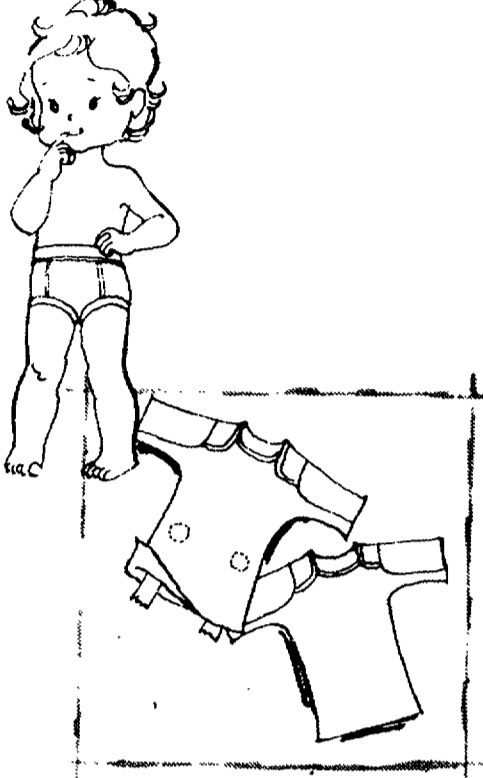

St. Mary's Prep Parents Slate Sweetheart Ball

The Moms and Dads Club of Saint Mary's Preparatory, Orchard Lake, has scheduled a Sweetheart Ball dinner-dance for Saturday, February 1, at Private John Lyskawa Veterans of Foreign Wars Hall in Dearborn Heights.

Cocktails at 7 o'clock will be followed by dinner at 8 and dancing to music by the Bob Zielinski Orchestra. Donation is \$12.50 per person. Reservations and tickets may be obtained by calling 229-8388, or 873-8427 or 229-6029.

Grosse Pointe North High School graduate BARBARA BOKRAM, daughter of the WILLIAM BOKRAMS, of Birch lane, has registered for her first semester of classes at Northern Michigan University where she plans to major in Foreign Language.

certainly familiar!

The Club has produced 4,545 pages of perfect braille during the past year. Three thousand six hundred and ninety five of these pages were bound by the Club's bindery into 56 volumes, Tri-County Volunteer Services binding 30 volumes, the Club thermoforming extra copies when they were called for.

A nominating committee appointed for the upcoming spring election includes Mrs. John Huettnerman, Jr., chairman, Mrs. Potter, Mrs. W. A. McClellan and Mrs. W. A. Huegill.

President Elvera Partington thanked LoAnn Less, vice-president, for her work in making arrangements for the reception, luncheon and floral gift presented to Mrs. Nemzek.

Hope College junior ROBERT AMBROSE, son of DR. and MRS. ROBERT AMBROSE, of Roslyn road, has been selected as a member of the Michigan College Honor Band. Bob plays trombone.

Cameron Place

WM. W. QUEEN

886-4141

Member Grosse Pointe Real Estate Board

OPEN SUNDAY 2-5

FIRST OFFERING, 875 COOK ROAD. This three bedroom bath and a half colonial was designed and built by Cox & Baker, one of the area's foremost builders. Typical of their houses, it has many features not found in other homes in its price range, such as the family room adjoining the kitchen, creating a usable area 11.6'x34'. The basement was constructed one block higher than normal, 200 amp electrical service, central air conditioning and air filtering system, aluminum siding on all frame areas, an electric garage door opener and a patio with a gas barbecue are all pluses. John Pierce will be present to show the house and answer questions.

443 MOROSS. This immaculate three bedroom, one and one half bath colonial is ready for a new owner who enjoys being close to transportation, shopping and the Farms pier. It also has a high mortgage balance which may be assumed, with monthly payments of \$263.00 including taxes and insurance... is less than renting. Stop and see Bob Monroe for further details.

15439 WINDMILL POINTE DRIVE. For the first time in recent history it is possible to purchase on Windmill Pointe Drive for less than eighty-two thousand dollars. This mint mansion features four family bedrooms, two and one half baths, library with fireplace, family room, and is on a 100x190 foot lot. Mr. Owens will be your sales agent.

OUT WITH THE OLD, IN WITH THE NEW. Have we got a house for you. If the best of location, French influenced architecture, five bedrooms, four full baths, large rooms with fireplaces, super size garage, a swimming pool are all on your check list as mandatory in your next house... then we do have the place for you. Come by, do come buy 100 Lothrop between Kercheval and Grosse Pointe Boulevard. Karl Davies will be your host.

HI THERE HANDSOME. This great looking Georgian colonial at 663 BALFOUR on a wide shoulder lot has a great family room and a library with fireplace. On the second floor are six bedrooms and four baths. In case you didn't notice the roof is slate and gutters and downspouts are all copper. Nothing but the best in this one. See Tom Kappelman.

BY APPOINTMENT PLEASE

ON ONE OF THE GREAT streets in the Farms we want to show this center hall colonial with six bedrooms and three baths on the second floor. The first floor includes a library with fireplace and a heated garden room with access to a brick patio and beautifully landscaped backyard. Just what so many are looking for but offered at a price far below the competition.

A STately HOUSE located in the Farms and overlooking the lake. This mini mansion has a 21x17 master bedroom with lake view, plus a dressing room with full bath. Four additional bedrooms, all connect to bathrooms. The main floor consists of a large living room, formal dining room, library, and updated kitchen with butlers pantry. Built and maintained with tender loving care.

DOESN'T SOUND LIKE Grosse Pointe, however this mini estate is in the heart of the Farms and tucked away in the end of a private drive. The acre plus lot is densely wooded with enough room for tennis court and pool. Designed by Girard and Yamasaki, this contemporary home "opens up" to the outdoors, yet is completely private. There are four bedrooms and four baths in the owner's wing. Two more bedrooms and another bath are in the service wing. Living here you'll enjoy the best of two worlds.

40 MOROSS is located within one-half block of the Farms Pier at Grosse Pointe Boulevard. This two bedroom ranch has been newly decorated and is in move in condition. A land contract is available. Priced to sell at \$40,700.

34 NEWBERRY. Fine custom built true French design with beautiful center hall and sweeping circular stairway. Five bedrooms, three and one half baths, den and family room. Large, deep lot with lovely garden.

With Stock Prices Down, Why Hasn't Real Estate Been Affected More?

Simple. There are more than enough stocks to go around, but not enough homes. In fact, as soon as the stock market improves, it looks as though real estate prices are apt to skyrocket.

That's another reason why we believe you should consider investing in a home now — while the getting is as good as it's going to be.

Why not investigate the possibilities? Buying a home now could make you comfortable in a lot of ways.

We have some unusually fine listings and will gladly provide you with the individual professional attention your real estate matters deserve. Call us!

TREAT EARACHES
Parents of small children should be careful that severe head colds or earaches that can result in a hearing loss are properly treated. This is particularly true during the winter months, warns the Beltone Crusade for Hearing Conservation.

21 Pay Fines in Woods; Judge Denis Holds Court

Twenty-one persons received fines when Woods Municipal Judge J. Patrick Denis convened court on Wednesday, January 8. Thirty-seven warrants were signed for failure to answer summons, seven cases were dismissed and there were two bond forfeitures.

Paul Glenn Koehn, of 21165 Woodmont, Harper Woods, pled guilty to a speeding charge, (50 miles per hour in a 35 mile zone), and paid a \$75 fine.

James Joseph Carnaghi, of 20001 Edmunton, St. Clair Shores, pled guilty to a speeding charge, (50-35), and was fined \$35.

Michael William Rogers, of 1430 Oxford road, pled not guilty but was found guilty of interfering with the public safety department, and paid a \$50 fine.

Oran Gail Anderson, of 743 Ballantyne road, pled guilty to a speeding charge, (30-25), and was fined \$20.

Cecilia Ann Desroberts, of 565 Coventry lane, pled guilty to a charge of passing a stopped school bus, and paid a \$15 fine.

Ralph Winthrop Stevens, of 1585 Fairholme road, pled guilty to a speeding charge, (43-25), and was fined \$25.

John Fredrick Zabel, of 26320 Princeton, St. Clair Shores, pled guilty to a charge of disobeying a stop sign, and paid a \$24 fine.

Madeline Catherine Hackman, of 851 Washington road, pled guilty to a charge of no operator's license on her person, and was fined \$10. She

also pled guilty to a speeding charge, (34-25), and was fined \$15.

Gregory McLean Chapin, of 1635 McCord, Holland, pled not guilty but was found guilty of driving on a suspended license, and paid a \$100 fine. He also pled guilty to a speeding charge, (56-40), and was fined \$20.

Robert Bruce Johns, of 20665 Vernier circle, pled guilty to an improper turn charge, and paid a \$15 fine.

Mary Lee Wise, of 6774 Iowa, Detroit, pled guilty to disobeying a mandatory left turn, and was fined \$5.

Thomas Christ Zguris, of 22513 Norcrest, St. Clair Shores, pled not guilty but was found guilty of changing lanes without signaling. He paid a \$10 fine.

Mark Paul Kujawski, of 407 Barclay road, pled guilty to a speeding charge, (55-25), and was fined \$25.

Thaddeus Lindsey Kowalski, of 5066 Buckingham, Detroit, pled not guilty but was found guilty of careless driving, and paid a \$50 fine.

Loreto Joseph Santamaria, of 21739 Wilmot, East Detroit, pled not guilty but was found guilty of speeding, (45-35), and was fined \$10.

Patrick Francis Ruen, of 1739 Newcastle road, pled guilty to a drunkenness charge, and paid a \$35 fine.

AAU Track Meet Set Feb. 21-24

For the fifth consecutive year, the Metropolitan Detroit AFL-CIO Council will sponsor the 5th Annual Michigan AAU Invitational Track and Field Meet Friday-Monday, February 21-24, said Santee Brockman, meet director.

This meet has traditionally attracted amateur athletes from all over the U. S. and Canada.

The participants and clubs must be registered AAU members with their respective association in order to be eligible to compete.

State residents can apply for individual or club membership via the Michigan AAU Central Office, 19158 James Couzens, Detroit, 48235, or call (313) 864-9464 for further information.

The individual membership fee is \$3 for the calendar year, (with insurance optional at \$1.50 for each athlete), and the yearly club fee is \$40.

In 1974, the Cobo Hall Meet saw over 3,000 entries over the four days of events.

The board track used for this meet, located in Hall "D" of Cobo Hall, is 160 yards, (11 laps per mile), with a 60-yard dash track. Competitors are required to use pin spikes, (short), or indoor flat shoes on the track.

Trophies will be awarded for first, second and third place in each individual event. Special trophies will be given for first and second place finishers in the relays. On Sunday only, ribbons will be handed out for fourth, fifth and sixth place in individual events among the age group competition.

The meet is open to the public and there's no admission charge.

NAMED CHAIRMAN
John K. Grylls, of University place, has been named chairman of the Wayne County Community College Board of Trustees for 1975. The board meets on the fourth Wednesday of each month, with the exception of the March and December meetings which will be on the third Wednesday. All sessions are held at the Rosary Center, 8551 Greenfield, at 7:30 p.m.

APPOINTED
Edward J. Miller, of Raymond road, has been appointed a national account officer with Manufacturers Bank. Mr. Miller holds a Bachelor of Arts from St. Regis College and is presently attending the University of Detroit on a Masters of Business Administration program. His banking background is broad from experience gained in the Branch, Credit and Corporate Services Departments. His present position is in the National Division of the United States Banking Department.

Robert Michael Haas, of 55 Fontana lane, pled guilty to a charge of disobeying a traffic signal, and paid a \$18 fine.

Arthur Paul Archambeau, of 15242 Saratoga, Detroit, pled not guilty but was found guilty of false identification at the scene of an accident. He was fined \$100.

Single Parents Seek Members.

Grosse Pointe Chapter 192 of Parents Without Partners is looking for new members. All eligible single parents are invited to attend the general membership meetings which are held on the second and fourth Friday of each month at the War Memorial, 32 Lakeshore road.

Membership is offered to any single parent whether divorced, widowed, separated or never married. Residency of Grosse Pointe is not a requirement for membership in this chapter.

Meetings begin at 7:30 p.m. with a social hour of coffee, cake and conversation. An orientation is held at 8 p.m. for prospective members.

After a brief business meeting a speaker of interest to single parents gives a talk. For those who like to extend their evening a place to meet for an afterglow is announced.

The club urges eligible persons to join the chapter and help make a new "single" life with the help and friendship of others.

Pointe Counter Points

By Pat Rousseau

News Making Spring Collection . . . Albert Capraro's new spring fashions for Jerry Guttenberg attracted the attention of Betty Ford and she selected a wardrobe from this American designer who uses American fabrics. We loved the collection when we saw it in New York last fall and Mrs. Huntington bought a good selection of these young but sophisticated styles arriving now at Walton-Pierce. Prices start at \$85. There's a navy matte jersey tunic and skirt with white braid trim at the neckline, sleeves and hem of the skirt. It comes in a long and short version. Other new arrivals by other designers are crisp white slacks and tops. A short beige chiffon and lace dress with a chiffon tie jacket. It would make a good choice for mother of the bride. Stop by and see all the great new fashions at Walton-Pierce.

What Is A Condominium? . . . It's a dramatic concept in real estate ownership whereby a person can own his own apartment home in a multiple unit apartment project and enjoy many of the benefits which heretofore have been restricted to individual home owners. Condominiums make possible the individual financing, buying and selling, insuring and taxing of each unit. The apartment home you buy will be in an established community where you can expect value appreciation on your investment. At the Jefferson Apartments find out more about the benefits of owning one of Grosse Pointe's newest, finest condominium homes . . . 17111 East Jefferson. 882-7708 or 886-4880. Management and sales by Michigan Condominium Corporation.

A growing trend is colonial style, simple and practical. See the V-Joint, Colonial, Newport, Lexington, and Georgetown door styles at Mutschler Kitchens. In an array of woods and finishes. 29227 Mack Avenue, TU 4-3700.

Those Folks At Mr. Q . . . are specialists in turning travel dreams into travelers . . . 886-0500.

Special . . . at the Notre Dame Pharmacy, Revlon's Intimate perfume body moisturizer, regularly \$3.90 is now \$1.95. Lots of other timely buys, too.

Schmid's Sister Berta Hummel 1974 Christmas Plate, "The Guardian Angel" . . . \$13.50 at the Squirrel's Nest-Sphere, 19449 Mack Avenue.

PROBLEM NAILS . . . Beautiful nails are here for everyone — wrapping is the answer to all problem nails. See one of the two experts at the Edward Nepi Salon, 19463 Mack or call TU 4-8858. (Nail biters included.)

Joyce the stylist at the Woods Optical Studios the super boutique type of place for the very latest eyeglass frames, mentioned that some men lack color. Particularly if they have very light hair or are starting to bald a little. This along with blue eyes and a fair complexion can make them sort of fade into the background. A bold well suited frame of a definitive color often gives them the impact and force they need to complete the image of the dynamic men they actually are. 19599 Mack Avenue.

Tony Cueter At Bijouterie . . . when we dropped by, showed us a beautiful one-of-a-kind ring he designed for a customer to give as a Christmas present and then under a jeweler's glass showed us how diamonds should be set so that the prongs hold the stone smoothly and will never snag fabrics. He also demonstrated the comfort band which allows rings to be worn with ease. A real boon for arthritics. Beautiful jewelry, fine services and lots to learn at 19860 Mack Avenue. Do drop by.

Beautiful Bervens . . . the ultimate in carpeting and area rugs . . . see them at Ed Maliszewski. We admired the versatile bamboo design which could be used either in traditional or contemporary setting. Ask to look at the catalog from which you can choose patterns, colors and sizes . . . 20435 Mack Avenue, 776-5511.

Most People Aren't Aware . . . diamonds, emeralds and rubies have skyrocketed in price nearly as fast as gold. What this means is that all your old appraisals are inaccurate and your insurance coverage on your fine jewelry is likely to be inadequate. Stop by and have the gemologist at Charterhouse reappraise your jewelry. They have every available scientific instrument necessary for precise evaluation. The qualifications of the staff are extensive, with over nine degrees in gem related fields. Not only can they take photographs of your jewelry but they have a special camera that can take a photograph through a microscope and permanently record the quality of fine gemstones . . . Charterhouse in the Village opposite Walton-Pierce. 885-1232.

Tennis Villa Holiday . . . on Florida's West Coast. Golf and tennis included \$291.38 per person, double occupancy, including round trip air fare. Call Travel by Hatcher, 882-2327.

Try Something New in 1975 . . . DANISH MYNSTER a mild creamy cheese and only 50% in butter fat. On special during January 1975 at the Merry Mouse, Kercheval corner Notre Dame.

Old Fashion Nosegays . . . with timely Valentine on the ribbon is featured in the collection of charming little Valentine gifts at the Kaleidoscope of Grosse Pointe, Mack Avenue between Roslyn and Brys.

Registration Final Call . . . for furniture refinishing class or caning class starting next week at Ports of Call, 23220 Gr. Mack, St. Clair Shores, 775-1970.

Pointer of Interest

NANCY AMBROSE, OF ROSLYN ROAD

By Janet Mueller

'Way back in the fourth grade, Nancy made her mind up. The Detroit Symphony Orchestra Woodwind Quartet had come to Ferry School to present a program, and Nancy, arriving home later that day, announced she had found both her instrument and her teacher.

The instrument was the oboe. The man she wanted to guide her in mastering it was "a real tall guy with a funny name." Someday, Nancy told her mother, that oboe player in the DSO Woodwind Quartet would be her teacher.

Tuesday after next, February 4, at 8 in the evening in Parcels Middle School Auditorium, the Grosse Pointe Junior Symphony, Russell Reed, director of Instrumental Music at Grosse Pointe South High School, conductor, will present its first concert of the 1975 season.

Mutual Admiration Soloist is Nancy Ambrose, the Junior Symphony's 12-year-old principal oboist, pupil of Arno Mariotti, principal oboist with the Detroit Symphony for 20 years, now professor of Oboe at the University of Michigan.

Mr. Mariotti, in case you haven't guessed, is Nancy's "real tall guy with the funny name."

She's still crazy about him. The feeling is mutual. Nancy is a seventh grader at Parcels now, a good student whose favorite subjects are English and Social Studies. She's the youngest of Dr. and Mrs. Robert Ambrose's five children.

It seems, if you're born an Ambrose, you're born into music.

It also seems you like it that way.

All Music Addicts Elizabeth, married now and expecting her first baby momentarily — Nancy can't wait to be an aunt! — plays flute in the Grosse Pointe Symphony Orchestra.

Virginia lives in Ann Arbor, and although she no longer sings in a group she terms herself "a very appreciative audience."

Mary Alice plays trombone in several musical groups, including the Symphonic Band at Western Michigan University. Bob, a Music major at Hope College, is active in the Chapel Choir and trombonist in Hope's band, orchestra and ensembles.

Both Mary Alice and Bob used music as a Magic Carpet via Musical Youth International, the former journeying to Japan and England as a trombonist, the latter singing his way through Holland, Denmark and Germany in the summer of '71.

Parents Also Play Dr. Ambrose, a surgeon, hasn't forgotten the trumpet he learned as a child. Mrs. Ambrose played piano well enough as a young girl to sit in with the Chicago Symphony and minored in Music, concentrating in Primitive Music, in college.

Nancy sang accurately before she could talk. Like all the Ambrose children the piano was among her earliest discoveries, but where her older sisters and brother banged away at the keys as toddlers, Nancy picked out tunes.

Her mother helped her a bit with piano basics before

Hurry . . . it's the last week of the lamp sale 20% off. Shop early for the best selection of Valentines at WRIGHT'S GIFT AND LAMP SHOP, 18650 Mack Avenue.

The Love Boutique . . . is doing beautiful dried flower arrangements for brides and their attendants . . . 20250 East Nine Mile Road in the Wimbledon Racquet Club.

A CUT-UPS haircut is something more. It's a fashion catalyst. See for yourself today. Stop in, 18134 Mack. Or call, 885-3240.

Short and to the Pointe

(Continued from Page 11) Army Captain THOMAS E. WHITE whose wife SUSAN is the daughter of DR. and MRS. CHARLES W. ADAMS, of Grosse Pointe boulevard, has received a Master of Science degree in Operations Research from the Naval Postgraduate School, Monterey, Calif.

PATRICIA STEINECKER, daughter of LOYAL H. HAIGHT, of Littlestone road, was awarded a Doctor of Medicine degree by Loyola University's Stritch School of Medicine in graduation ceremonies held December 21 in Chicago. Dr. Steinecker, a Dominican High School graduate who received her Bachelor of Science degree in 1966 from the University of Detroit, served as vice-president of her Loyola class for three years and was a recipient of the Upjohn Achievement Award. She plans to do a residency in Internal Medicine. Her husband GARY STEINECKER also received his M.D. from Loyola.

Air Force Sergeant DAVID A. CRANDALL, son of MR. and MRS. WILLIAM H. CRANDALL, of Beaconsfield avenue, is now serving at Bergstrom Air Force Base, Tex.

Among more than 70 future auto dealers from all parts of the United States and their instructors at Northwood Institute attending the National Automobile Dealers Association convention in San Francisco January 18 through 22 was MARGARET ANNE BARTUSH, daughter of MR. and MRS. J. ADDISON BARTUSH, of Lakeshore road.

Former Pointers ART and MILDRED HOWELL, who now make their home in Sarasota, Fla., celebrated their January 17 50th wedding anniversary at a party given by their son-in-law and daughter MR. and MRS. WILLIAM F. BAKER and son and daughter-in-law MR. and MRS. ALAN J. HOWELL Sunday, January 19, with friends and relatives gathering at the Bakers' home in Fordcroft road.

RUTH SZULEC and her son JEROME opened their home in Fairlake lane to 50 friends and neighbors Saturday, January 11. Guests at the Szulecs' traditional Twelfth Night gala were received in a holly-draped foyer where garlands trailing up spiral stairs were accented with large red velvet bows and tiny red poinsettia lights. Cocktails preceded a candlelight buffet supper.

Landscape Peck entertained at the organ, DR. ROBERT CYMAN who crewed aboard DR. JESSE CARDIELLO's sloop "Keratome" in the Port Huron-Mackinac race showed color films of the race, including spectacular aerial movies taken by his brother who, following the race in his airplane, was able to locate "Keratome" in the

play?" became captive audience when Nancy said, "Of course I'll come out—but you have to come in and listen first!"

Most of Nancy's current friends are involved with music, too. There's Kim Judson, of course, and Pam Driggers, who also plays oboe, and Sue Demeulemeester whose instrument is the viola.

There's "best friend" Kaori Aoki, a flutist. Lisa Mediodia is another member of the group that, with the children of Dr. and Mrs. Nicholas Thomas, gave a surprise birthday party for Nancy. Her surprise present was a bust of Beethoven.

Has Three Favorites Beethoven is one of Nancy's "three favorites." Her others are Tchaikovsky and Bach. 'Way back in the fourth grade, Nancy Ambrose made her mind up about the oboe. Now, in the seventh grade, she has a pretty good idea of where she's going from here.

She KNOWS she'll study at Philadelphia's Curtis Institute. She's resigned to the fact that she'll probably have to play around for a while before she becomes first oboe with a major United States Orchestra. Perhaps someday she'll have Mr. Mariotti's chair at the Detroit Symphony.

And eventually . . . "I really want to be a director." Any particular orchestra? "The New York Philharmonic, maybe, or the Detroit Symphony Orchestra . . ." Want to bet she doesn't make it?

From Another Pointe of View

(Continued from Page 17) Club are Mrs. Basil Marrella and Mrs. Donald Jensen. A Reprise Reception will follow the concert.

More On Music

The 1975 Opera Luncheon sponsored by the Detroit Grand Opera Association, featuring finalists in the Grinnell Scholarship, Elizabeth Hodges Donovan and Henry Edmond Wenger scholarships, is scheduled for this Monday, January 27, in the Great Hall of the Detroit Institute of Arts. Metropolitan Opera Company Assistant General Manager Francis Robinson will be guest speaker.

L'Alliance Francaise de Detroit has arranged a special gourmet dinner with wine and a closed reception at the Scarab Club in honor of young pianist Pascal Roge preceding his Ravel-Liszt program at the Detroit Institute of Arts tomorrow evening, Friday, January 24. The dinner-reception-recital package, limited to 50 persons, constitutes the Detroit Alliance's participation in the Maurice Ravel Centenary. Mrs. Frank (Ludmilla) Kruse, of Deeplands road, is president of the Detroit Alliance.

Returning To Earth . . .

The Grosse Pointe Garden Club Council meets next Thursday, January 30, at 9:30 in the morning in the Central Library, Kercheval avenue at Fisher road. Presidents of every local garden club and their Council representatives have been invited to attend. Discussion will focus on plans for a June garden tour and other community-related activities.

As a Bicentennial project, the Council is interested in marking old fruit trees planted by The Pointe's early settlers. Any member of the community who knows of such trees is asked to contact Mrs. George Ryckman, Bicentennial chairman, at 882-3617, or Mrs. H. James Gram, Council president, at 881-3876.

Fete Welcome Wagon Heads

The Welcome Wagon Club of Grosse Pointe and Harper Woods is holding its annual Past-Presidents Luncheon today, Thursday, January 23, at Grosse Pointe Woods Presbyterian Church, starting at 11:30 o'clock.

This year's menu will feature an assorted salad bar, dessert, rolls and beverage. All food will be donated by board members. Luncheon proceeds go towards the Club's Nursing Scholarship fund.

All members of Welcome Wagon and guests are invited to attend. Reservations at \$2.75 per person were accepted by Mary Anne Guest, 881-3917, and Joan Meyer, 824-8424, through Wednesday. Baby-sitting service is available at the Church for luncheon participants.

At the Club's first coffee meeting of the year Thursday, January 9, at the Grosse Pointe War Memorial Lois Sweeney, from "Stretch and Sew," demonstrated the versatility and adaptability of modern fabrics.

New members welcomed into Welcome Wagon during November and December include Mrs. Timothy Sweeney, Mrs. Joseph Sucher, Dorothy Jossman, Mrs. Ralph Sharkey, Mrs. John Ford, Helen Campbell, Mrs. Paul Morath and Mrs. George Mutter.

Eligibility for Welcome Wagon membership is contingent upon a visit from a Welcome Wagon hostess. Ladies new to The Pointe or Harper Woods who have not been contacted are invited to call Betty Tocco at 886-1551 or 881-5791.

Did you hear about the lightning bug that was caught in a lawn mower? . . . It was delighted . . . no end.
