Woman Victim of Purse Thief

A purse snatched from a woman shopper at Wrigley's, 19231 Mack avenue, was recovered by a Woods public safety officer with its contents intact, except for a set of keys. An off-duty Detroit policeman who witnessed the theft pursued the thief on foot but lost him after a short chase.

Ann Marilyn Sullivan, of Beaconsfield avenue, told Woods authorities that she and a friend were walking out of the supermarket on Thursday, February 27, when a black male ran up behind her and grabbed her purse, then ran northwest across the store parking lot and jumped into a dark colored, late vehicle had stalled and the pair tried to escape from the

model Chevrolet, with another black male behind the wheel. The driver sped toward the Bournemouthe exit.

An unknown person informed PSO Michael Genereaux, who was dispatched to the scene, that an unoccupied car was parked in the middle of Bournemouthe. It was surmised that the area and that they jumped out of the auto and ran away on foot.

Patrolman Jeff Sellinski of Detroit's Conner Station, Fifteenth Precinct, saw the incident and the abandoning of the car and gave chase on foot, but lost the fleeing pair at Prestwick.

Officer Genereaux searched the area and found the purse only a short distance from where the car had stalled. The officer called his station for a check on the automobile and the return reply showed that it was registered to a Dorothy M. Ream of Detroit. The car's ignition was punched out, indicating it must have been stolen, although, at the time, no report had yet been made to Detroit authorities.

The purse snatcher's victim said that the man who grabbed her purse was between 18 and 20 years old, about five feet 10 inches tall, of slim build, and possibly clean shaven. He was wearing a reddish knit cap, a gray jacket and dark trousers.

No description could be given of the driver, since she could not get a good look at him, the woman said.

Garden Classes Set at Center

Four new gardening courses will be taught at the War Memorial to prepare Pointers for their spring gardening.

A basic course in organic gardening will be offered Tuesday mornings, March 18-May 13, from 9:30-11:30 a.m. Mrs. Mary DiBasio will instruct and young people as well as adults are welcome.

The class will include a field trip to the University of Michigan's organic gardens on the North Campus and 14 class members wish, the planting and care of a small organic garden at the War Memorial. The fee is \$15 plus \$5.00 for an instructional kit.

Forrest Geary, current first vice president of the Detroit Rose and Metropolitan Rose Societies will present two courses entitled "All About Roses."

One series of five classes will be held Thursday afternoons, from 1-3 p.m., March 20-April 24. A second five day course will be held Monday evenings, from 7:30-9 p.m. from April 7-May 5.

Instruction fee is \$5 per person or \$7 a couple. Covered in the course will be varieties of roses which grow well here, how to select plants, planting of roses, fertilization, spraying, insect prevention, mulching, pruning and grooming and refrigerating blooms.

"The Herb Garden for Fun, Flower and Fragrance" will be the title of Mrs. Richard T. Gerathy's course at the Center on Thursdays, April 10-May 8, 1-3 p.m. Class members will be taught how to identify herbs, how to grow them, their use for decoration and fragrance and how to use them in cooking. Mrs. Gerathy will also show how to plan and plant a herb garden. The fee is \$25.

Admit Theft

(Continued from Page 1) the fence into the rear yard of No. 19798, and then over the fence into the yard of No. 19780.

In making the last jump, one of the fleeing youngsters fell and was captured by the officer who yelled for the boy's companion to stop. The boy, seeing his friend had been caught, stopped and was taken into custody.

The pair was taken to the station where under questioning, they implicated their 14-year-old partner, who was later picked up at his home. The boys were questioned separately and each gave the same story. They admitted taking a car from a location at Englehardt and Mack in St. Clair Shores at about 8:30 p.m. on Wednesday, February 26, and drove it to South Lake High School parking lot, Nine Mile road and Mack, in St. Clair Shores, leaving it there and then taking another auto parked in the lot. The second car was driven to Mound Road and Davison, Detroit, and abandoned there. The boys then walked to 3313 Doremus, Hamtramck, where they punched out the ignition of a third car, and drove it away. This was the auto they were driving when seen by Officer Devine.

Detroit and St. Clair Shores authorities were notified of the locations of the stolen vehicles and the cars were recovered and returned to their owners.

The juvenile trio confessed to stealing a total of eight cars and leaving them at different locations in the Pointe and Detroit areas.

The boys told officers of the Grosse Pointe Youth Service Division that they were responsible for the thefts of other autos. The youths were released to their parents, but will return for more questioning.

Neff Park

(Continued from Page 1) most of the wells could be filled.

Would Last Longer There was some question about a reduction in the quoted price if treated wood piles were used rather than steel ones but the steel, it was pointed out, would be more desirable in terms of long-range durability.

Finally, Mr. Kressbach recommended that five additional piles be built in the "A" harbor, allowing The City to construct catwalks for wells 11-19, that would improve their desirability.

If all the improvements were made, Mr. Kressbach concluded, annual park revenues would increase by approximately \$1,185.

The Council put off taking any action on the recommendation and asked that the city engineer find out if the company would be able to make renovations for the same price in the late spring or early fall, giving the solons time to review the forthcoming budget and determine if the expenditure can be made.

Ladder Tennis

(Continued from Page 1) structured program could be responsible for this.

Needs Hard Thinking Councilwoman Nancy Waugaman agreed, adding that she was "really turned off" by her experience with the tennis program. "I think some hard thinking must be put toward the program," she said.

She said tennis instructors should be teaching to at least three-quarters of those who signed up for lessons and persons who don't attend regularly should be dismissed.

Councilman James Mast felt the program was worth a try. "I think it's a very innovative idea," he said. "I think it could lead to a better use of the courts and a better use of lessons."

Would Raise Fees Councilman Joseph Fromm asked that the Farms administration also give consideration to raising the tennis instruction fee to discourage persons from signing up and then not attending.

Mr. McFarlane said the idea of ladder tennis is just one possibility and he would not be averse to changing direction if it did not work out. "I think we have some fine facilities down there and I think we should use them well," he asserted. "I think what the tennis program needs is support, interest and direction."

Northeastern Defeats South

By Mark Emery
Senior Guard Bill Schaffner sat beside Bob Kayberry watching what was to be the last game of their high school careers. Schaffner had played only six minutes of the last 13 games because of injuries. They sat in silence as Tom Maranette drew his fourth personal foul and Tim Kramer tried in vain to hold off Northeastern on the boards. On the other end of the bench sat Coach Charles Hollosy, also silent.

With the scoreboard telling why: Northeastern 71 - Grosse Pointe South 42 in the third quarter. The Falcons went on to take an easy 92-54 win.

It had been a long prosperous season for South and it was all on the line against a powerful Northeastern team. Holding a home court advantage, the Devils were sure to be hard to overcome, but everything went wrong, beginning with the home court advantage.

Bruins Become District Champs

The Bruins were victorious in the District '3' PeeWee Open Travel division by defeating the Royal Oak Tigers, 3-2 on Monday, February 17. The playdowns began February 11 at the Royal Oak Rink with the Bruins facing Warren.

Warren goalie Ken Solak stopped over 40 Bruin shots on goal before Mike Burkheiser deflected a slap shot by Tony Curtale to give the Bruins a 1-0 victory.

Royal Oak scored victories over St. Clair Shores and Southfield, then entered a best two out of three series with the Bruins. The first game was played Thursday, February 13.

At the end of regulation time the score was 6-6 but the Bruins won in the sudden death overtime. Allen Taber scored the first of his three goals assisted by Burkheiser and John Davies then scored with Jim Morris assisting.

A water pump broke down at South High School and cancelled school and all other activities for the day. While students were celebrating the day off, Coach Hollosy began to look for another place to play. "We're more comfortable at home and we missed the advantage. We know the place and the fans are closer to the game and the players missed that."

The game was played at North High School and the court was the same size and the baskets weren't any taller, but it was obvious that

Northeastern scored on 15 of 20 shots from the field while picking up nine points on South fouls. The Devils made many mistakes against the Falcons and were in foul trouble throughout the game.

Coach Hollosy started the people he thought did the job for South all year. Guards Tom Maranette and Dave Ferris played strong on offense but fouls hurt Maranette. "The officiating wasn't good," commented Hollosy. "Tom got called on a few things that could have gone either way, but you can't blame the loss on the officials, we played one good half and it takes two."

Burkheiser tallied next with Taber passing to him. Taber's next goal was assisted by Matt Costello. His third was then scored with Burkheiser and Curtale assisting.

Scott Seaver posted the sixth goal on assists from Mike Fredal and Jim Kenary. The winning goal was by Burkheiser from Taber.

In the championship game, Davies opened the scoring with Morris assisting and then Morris scored unassisted and Burkheiser tallied the winner with Curtale's help. The Bruins now advance to the State playdowns in March in Taylor, Mich.

Relief in Taxes Sought by Nedzi

Congressman Lucien N. Nedzi, (D-Mich), is co-sponsor of a bill that would close numerous tax loopholes benefiting wealthy taxpayers.

Titled the Tax Equity Act of 1975, this legislation would eliminate three breaks, including the depletion allowance, enjoyed by the oil industry, as well as many tax shelters, exploited by other industries.

"There is no greater indicator of a society's sense of fair play than its tax system," Congressman Nedzi said, "and presently ours is so riddled with loopholes that it cannot hope to have the confidence of average Americans."

"Our income tax in this country was designed to be progressive, but there are far too many examples of families with incomes of \$8,000 paying a greater percentage in tax than large, profitable corporations."

He cited figures from a recent congressional study showing that in 1973 the five largest U.S. oil companies all paid at an effective rate of less than 12 percent.

"There is no justification for allowing such a situation to exist," the Congressman said. "A man with a wife and two children and an annual income of \$10,000 is expected to pay about 16 percent of his adjusted net income. Meanwhile, Texaco, with an adjusted net income of \$1.3 billion, is paying 2.3 percent."

Congressman Nedzi's bill will be considered separately from the tax relief measure recently approved by the Ways and Means Committee. That bill, which is scheduled for House action shortly, would provide rebates on 1974 taxes and reductions in withholding taxes later this year.

"The Ways and Means legislation is critical to our effort to ease the recession," the Congressman remarked. "But we must go beyond that by enacting a tax reform measure which will make our whole code fairer. We cannot allow any further delay."

South Tankers Dominate Meet

By Rick Thomas

Surprising no one, the South High varsity swimmers completely dominated the Eastern Michigan League Swimming and Diving Championship meet as they won first place with 81 total points nearly twice as many as second place East Detroit which accumulated 42 points.

In third place in the final team standings was Sterling Heights Stevenson with 27 points. Mount Clemens was fourth with 22, and Roseville, fifth, as they failed to score at all.

Individual results for South included two new EML meet records set by Drew Pillsbury in the 100-yard butterfly and by Gary Jackson in the diving competition. Pillsbury's record time was 57.2 while Jackson compiled 435 points in his record effort.

Other South winners included Mike Gaitley, Steve Swanson, Pillsbury and Kevin MacConnachie in the medley relay. The team is automatically considered all-league as is any team or individual swimmer winning an event in the EML meet.

In the 200-yard freestyle, Mike Scott won first place and Rick Speer finished fifth. Scott also won the 100-yard freestyle. Behind him, Craig Swanson was fifth and MacConnachie was sixth.

In the 50-yard freestyle, MacConnachie placed first, Gaitley, second and Craig Swanson was third. Gaitley was first in the 100-yard backstroke and Mickey Montagne was second.

In the 500-yard freestyle, Bill Brownell took second place and Mike Bernard was fifth. The team of Stan Smith, Craig Swanson, Speer and Scott finished second in the freestyle relay.

Eric Rodin was third and Montagne, fourth in the individual medley. In the 100-yard backstroke, Rodin was again third, Steve Swanson was fourth and Pete Frear was fifth.

The state finals are scheduled for Saturday, March 8. South will be sending one relay team, three swimmers and hopefully one diver to the meet which will be held in the Michigan State University pool.

The diving regional meet was held Tuesday, March 4 and the top 12 from there advance to the state meet. South's diving entry, Jackson, is expected to move on to the finals.

South's medley relay team will consist of Gaitley, Craig and Steve Swanson and MacConnachie. Pillsbury will swim the individual medley and the 100-yard butterfly while Steve Swanson and Rodin will swim the 100-yard breaststroke.

Final results and a season wrap-up will be in next week's paper.

Austin Cagers Complete Year

By Paul T. Denis
A seriously undersized Austin basketball team dropped their final three games of the season, including their only game in regional competition. The Friars drew a bye in the first round of regional play and played the winner of the DeLaSalle-Bishop Gallagher game in the second round. DeLaSalle won this game in triple overtime. On Wednesday, February 19, the Pilots of La Salle beat Austin 69-47. DeLaSalle shooters hit 85 percent from the floor on their way to a 42-21 half time edge. The Friars outscored DeLaSalle only once, in the fourth quarter. Leading the way offensively was junior Bob Keuten with 11 points. Tom Charbenau had 10 and captain Rick Deneweth added 8. Austin's final two losses of the regular season came against St. Andrews and Catholic Central; one highly offensive game and the other strongly defensive. Catholic Central swamped the Friars in an away game on February 4. Junior Dan Matzka was the only Austin shooter in double figures with 10 points. Senior John Neidermier had 8 and junior Phil Colletti added 5.

Swim Club Proves Strong

By John Temrowski
On Saturday, February 15, the All Pointe Swim Club participated in the class B swim meet hosted by the East Detroit Seals. Only twelve swimmers from All Pointes attended. They were Marie Zerweck, Barb Wybo, Jean Zerweck, Barb Belfore, Kevin Chown, Steve Kienle, Bill Bradfield, Steve Makos, Kurt Boerner, Dan Treder, Dave Zerweck and Jon Spitz. Out of 32 events, All Pointes took three firsts. They were in the 200 freestyle relay made up of Marie Zerweck, Barb Wybo, Barb Belfore and Jean Zerweck with the winning time of 1:57.6. Barb Belfore won the 100 yard freestyle with the time of 1:03.3. In the 200 yard breaststroke Marie Zerweck came in first with a time of 2:54.1. In the 200 yard freestyle relay the team of Kevin Chown, Bill Bradfield, Steve Kienle and Steve Makos took a third. Another third place was taken by the team of Kurt Boerner, Dave Zerweck, Dan Treder and Bill Bradfield. In the girls 200 yard individual medley, Jean Zerweck took a fifth with a time of 2:46.5 while in the boys, Bill Bradfield took a fifth with a time of 2:49.0. Also Makos took a fourth in the 100 yard freestyle. Out of 3,000 entries, the All Pointe Swim Club proved to be a powerful team considering they were represented by a handful of swimmers.

On February 19 St. Andrews defeated Austin 47-37. To show how tight the defense was neither team scored 10 points in the third quarter. Tom Charbenau scored 10 points to lead offensively. Senior Sam Ciolino and junior Dan Matzka had 8 and 6 points, respectively. The Friars finished the season 2-17 overall including regional play. In league play Austin was 1-9. Junior Bob Keuten led the team in scoring with 86 field goals and 58 free throws for 230 points. Senior Tom Charbenau was the second leading scorer with 76 field goals and 30 free throws for 182 points. The only other Austin scorer in three figures for the season was Junior Dan Matzka with 55 field goals and 23 free throws for 133 points. Next year's team will be losing 7 of its 16 players to graduation. In order to attain a more competitive atmosphere Austin will be transferring to the A—East division from the tough Catholic League Central Division. At the end of football season Austin had planned to transfer to A—West. According to Mr. Peter Pucher, vice principal in charge of athletics, A—East was the division they had always wanted to enter. "When we applied to A—East there were no openings but Bishop Foley moved to AA and we moved in," said Mr. Pucher. Other teams in the new division will be St. Clements, Holy Redeemer, St. Ladislaus, East Catholic and Pontiac Catholic.

Bi-Centennial Group Meets

The Youth Division of the Woods Bi-Centennial Committee met Friday, February 14. New members have been added to the committee according to a report by committee chairman Tim Muccianle. Peter Barbour, a sophomore at North High School, was inducted as a representative. Monteith Elementary School principal John Hammel joined the committee as an adult advisor. The youth committee also received a letter from the Michigan American Revolution Bi-Centennial Commission saying it has accepted the committee's community application which has been forwarded to Washington, D.C. Further information on the youth committee can be obtained by contacting Tim Muccianle at 881-5675.

Good Year for South Gymnasts

An exciting addition to the athletic picture at South High School this year has been the Girls Gymnastic Team, coached by Erika Nimesheim. The team of 27 girls has completed its first season with a record of five wins and one loss and with only two graduating seniors on the team, there is potential for many winning seasons ahead. The two seniors are Agneta Astrand, whose event is vault and Kathy Genter who performs on the uneven bars and does floor exercise. Juniors on the team include Tina Andriotakis, beam; Leslie Fischer, tumbling, trampoline and beam; Michele Ochalek, floor exercise, tumbling, uneven bars, vault; and Barb Thomson, trampoline. Sophomores are Ann Astalk, trampoline; Ellen Malooly, vault; Mary Jo Reinman, floor exercise and tumbling; Judy Perkins, vault, and Nancy Salkowski, tumbling.

The majority of the team members are freshmen: Barb Burgess, trampoline; Marti Davis, trampoline; Anne Derhammer, floor exercise; Elizabeth Earl, vault; Debbie Fischer, floor exercise; Jackie Fleck, tumbling and beam; Julie Foster, beam and floor exercise; Kathy Lakomy, trampoline; Mary Ann Linclau, Mindy McFarlane, floor exercise; Kathy Moustakas, beam, uneven bars, and floor exercise; Nancy Naughton; Barb Schulte, floor exercise; Mary Nell Sosnowski; Cathy Williams, beam and uneven bars; and Lesley Young, vault. Freshman Jackie Fleck and Junior Michele Ochalek have qualified for the State Gymnastics Meet to be held at Hazel Park High School. Tumbling and trampoline competition will be held Friday March 7, while beam, bars, floor exercise and vault competition will be on Saturday, March 8. Tina Andriotakis and Kyle Gaspar have assisted Coach Nimesheim as student managers.

Senior Citizens Housing

(Continued from Page 1) ing the overall cost of building a housing complex for Senior Citizens.

2. It is the only suitable property now available within the City of Grosse Pointe Woods large enough to accommodate such a complex, and the most desirable because of its central location and easy accessibility to all the needs of our Senior Citizens such as transportation, medical and hospital facilities, churches, shopping — and especially the services of the very efficient Rescue Squad of our excellent Police Department, which is so deeply appreciated by those who have had occasion to call upon them. They are second to none, giving a deep sense of security to all of us, and particularly to those of us who are Senior Citizens.

3. There are approximately 200 members now in the Heritage Group, and the number increases at every meeting, all of whom are very interested in our organization — and particularly in Senior Citizens' housing being provided at the earliest possible date.

4. The need for such housing is NOW. We, who have started this movement feel we should have some benefit from it, even if only for a few years. We do not have time to wait until properties such as Mason and Parcels Schools are no longer needed, and which at some future time might be made available for Senior Citizens housing.

5. With the very extensive and expensive development of our Lakefront Park, we feel enough has been made available for recreational purposes for old and young alike, and there should be no question that Ghesquiere Park which was designated to be used for municipal purposes, not specifically recreational, should be used for the old as well as the young. Now is the time the City of Grosse Pointe Woods could make that possible as Senior Citizens' housing is most certainly a municipal concern.

6. It has been found that many of the younger tax-paying citizens of Grosse Pointe Woods agree that Senior Citizens' housing is long overdue, and we who are now Senior Citizens know that when their time comes, they will be forever grateful to us and to the City of Grosse Pointe Woods if we are able to accomplish our goal.

7. We would hope that the type of structure, if and when it is approved by the proper authorities, would en-

hance the adjoining properties — rather than detract from, and may well prove to make them even more attractive, more desirable and more valuable.

As Chairman of the Housing Committee, I would like to point out that the Committee felt before we proceeded further with our request for the aforementioned property, we should have someone experienced in building this type of housing inspect and present plans to ascertain if it was feasible to build a housing complex at this particular location. We did this and it was determined that it is feasible.

However, before any further steps can be taken such as having plans submitted by other builders, the acceptable and affordable cost, an acceptable type and manner of financing, and all other matters pertinent to the building of such housing in the City of Grosse Pointe Woods, we must first know if the property is going to be made available to us.

Before anyone can start the procedure of building a home for himself—his first thought is the most desirable location, and prior to having an architect draw up the plans and the securing of a builder—he must first know the proportions of the property upon which he is going to build, and whether or not it will accommodate his plans. This is what we have endeavored to accomplish.

City Fires

(Continued from Page 1) runs that did not involve fires. They responded to 54 rescue and emergency situations, 28 resuscitation calls and two false alarms. Under the Mutual Aid Program, 77 runs were made in response to requests for aid from The Park and The Farms.

The report further states that during Fire Prevention Week, when the firemen annually conduct inspections of half the City's homes, a total of 323 dwellings were visited. Firemen found no one home at 593 residences and they were refused admittance to 75 homes.

Inspections are not restricted to Fire Prevention Week, Chief Marshall asserts. Firemen are available to check out homes for possible fire hazards throughout the year.

Anyone wanting their home inspected should call the department at 886-3200 to make arrangements.

Shores Speeder Ticketed

(Continued from Page 1) his flasher and siren, and finally brought the pursued man to a stop at Provençal road.

The patrolman said that as he approached May's automobile, May got out and informed him that he was on the way to Bon Secours Hospital, where his wife is expecting their first baby.

Appeared Unsteady
 The public safety officer said that the motorist was swaying and appeared unsteady on his feet, and had the odor of liquor on his breath. When asked his wife's name, the Detroitier said "Irene May," and that he had been called from work when informed his wife was in the hospital and about to give birth.

PSO Hamilton became suspicious and radioed his station to call the hospital and inquire about an "Irene May," who might be in either the Emergency or Maternity Ward at the hospital. The return answer disclosed that no person by that name had been admitted.

May was ordered to follow the officer to the Shores station where he was asked for his home address and phone number. May complied with the request, and a call to the house brought May's father to the phone.

The parent stated that an Irene May did live at the St. Jean address, as did his son Russell. The father did not disclose to what degree Irene

was related to his son, but did state that Irene May was not having a baby now, nor will she ever in the future, since she had had an operation recently making conception impossible. Also, the parent said Russell was not married.

Principal William Christofferson will moderate the discussion which will feature Richard Morin MD, associate director of the Brighton Hospital Alcoholism rehabilitation center, Ralph Koss, of the FLEC Alcohol Education Committee, Mike Jasinski, of Center-Point, Caroline Spiewak, a Grosse Pointe Public School Social Worker from Brownell and Det. Mike Ferrence of the Youth Service Division.

Also featured will be a film, "The Conspiracy of Silence," the case history of an alcoholic and his family.

Refreshments following the program will be prepared by Mrs. Helen Shetterly's committee and the eighth grade Teen Chef class, taught by Elizabeth Neville.

Pollution Irks Woods Girl

Kim Stemmelen's first encounter with political life was a constructive one. Kim, an eighth grader at Parcels Middle School, was concerned enough about the pollution problem in Michigan to express her views in a letter to The Woods Council.

In it, she suggested the formation of organized clean-up committees, posters expressing the pollution problem, and the establishment of more glass, paper and metal recycling plants so all useful garbage can be reused.

Kim then followed up the letter, which also asked for suggestions to help her work on the problem, by attending the council meeting Monday, February 24. In addressing the council, Kim stated that "because the pollution problem is really bad, if we don't start recycling products, we'll just run out of things."

Councilman Ronald Kefgen replied that a recycling project in conjunction with the Grosse Pointe-Clinton Refuse Disposal Authority, has been discussed. Mayor Benjamin Pinkos, said that while no one has the real solution, "it is under consideration by all the Pointes."

Councilwoman Joan Mullan told Kim that she had some information on the problem and would be happy to share it with her.

Norsemen End Season Play

After being eliminated from the Bi-County title race in basketball, North High recently came through with a 46-41 victory over Lakeview.

Putting up a remarkably successful zone defense, the Norsemen stymied the Huskies' offensive output and Lakeview could manage only nine points in the entire first half, as North raced to a commanding 26-9 halftime lead.

The start of the second half saw the Huskies determined to catch up. They displayed an all out effort in the third quarter, outscoring North 16-10, and The Norsemen saw their lead dwindle

to 38-33 with only three minutes to go. However, Bob Brown and Mark Johnson each added two free throws to ultimately insure the win.

Brown was the leading scorer with 19 points. The triumph also marked Coach Ray Ritter's 101st career victory.

In their last game in the Bi-County League, North bombed Clintondale 59-49. Brown paved the way once again by netting 17 points, while Dave Beyer and Mark Johnson each tossed in 10.

Meanwhile Lakeshore was wrapping up the Bi-County League title with a victory over Fraser.

Last Monday marked the start of the post-season district tournament. North played the powerful Northeastern team at South after press time.

40 Carats Opens at South High

"40 Carats," a sophisticated comedy in two acts by Jay Allen, adapted from a Barillet and Gredy play, is South High School Pointe Players' spring production.

The story begins in Greece where 40-year-old Ann Stanley, played by sophomore Martha Terry, is vacationing and meets a young American, Peter Lathan, portrayed by senior Paul Bauhof.

Despite their age difference, they enjoy a brief fling and Ann returns to New York, where her 17-year-old daughter Trina, played by junior Jennifer Peters, her mother Granny Maud, portrayed by junior Lolly Machemer, and her job are waiting.

Other cast members include Maura Sendelbach, Debby Kelly, Lee Wojciechowski, Bob Montgomery and Diane Millenbach.

The play is probably the most sophisticated that the Players have done in many years, but director Phyllis Reeve is confident that the script changes she has made, "40 Carats" is a play the whole family can enjoy.

Tickets for the performance which will be given Thursday, Friday and Saturday, March 13-15, in the Performing Arts Center at North High, may be obtained from any Pointe Player, or by calling the South High School office, 884-3200.

Tickets are priced at \$2 for adults, \$1 for students and children, and all proceeds go to the Mothers Club Fund which assists graduates in need of funds for college or other advanced education. Senior citizens will be admitted free.

Star of "Facades"

Former member of Grosse Pointe Theatre Guild, Bonnie Kesting, is currently starring in the area's newest dinner theater show, in the area's most unusual dinner theater. The show "Facades" was written by Detroit, Larry Lawrence, of Larry Lawrence Productions, Inc. "Facades" is new to Detroit, but Bonnie isn't.

Bonnie is the soprano in this show, but also served Detroit theater as a director, composer and arranger. Bonnie's multi-talents began with her studies at Interlochen and the Cincinnati Conservatory of Music, with a B.A. in voice. Her performances include Peter Pan in the show of the same name, "Sound of Music", "Guys and Dolls", and "Funny Girl". Bonnie has worked in summer stock in Michigan, Ohio and California. While in California, she performed with the Long Beach Light Opera Company. Added to her credits are radio and T.V. commercials and what must have been one of her most exciting experiences, two European concert tours. Bonnie has also modeled and is presently a member of the "Singing Strings" which entertains for private club dates.

Bonnie and Larry Lawrence's "Facades" will be appearing at the new and unusual University Hills Dinner Theater. Unusual because it's actually the University Hills Church which has put aside its sanctuary and pulpit two nights a week for the run of the show. "Facades" will play Thursdays and Fridays only, February 6th through March 21st. An international buffet with wine will be served at 7:00 P.M. with the show immediately following. Tickets are \$10 per person and reservations can be made by calling 477-1350. Farmington's University Hills Dinner theater is located on Farmington Rd., just south of 12 Mile. (Take I-696 to Orchard Lake exit.)

HARKNESS PHARMACY Footnotes

Coronary heart disease is a result of changes in the arteries which supply blood to the heart, and of course, an interference in general with the flow of blood. The heart muscle, like any other muscle of the body, needs its supply of food and oxygen, and must also excrete waste products. It can only do all of this through the flow of blood to the actual muscle walls. Failure of the heart muscle to be supplied adequately can create coronary heart disease.

Local pharmacists must keep constantly aware of new medications for coronary patients. By working closely with your doctor, pharmacists at HARKNESS PHARMACY, 20315 Mack Ave., at Lochmoor Blvd., Grosse Pointe Woods, make sure new drugs are available when you need them.

Police Arrest B-E Suspects

Two Detroit youths, who are allegedly involved in burglarizing a Huntington road home Wednesday, February 5, were nabbed by Detroit police later that day at the home of one of the suspects, Woods police reported.

Randall Stephen Borrer, 17, is charged with the breaking and entering of an occupied dwelling with attempt to commit larceny in The Woods. His scheduled municipal court arraignment date is Tuesday, February 18.

Charges against the other youth, who turned 17 on Monday, February 10, five days after the break-in, are pending, police added last week.

Of the variety of articles taken in the burglary, police have recovered several of them including a color television set, a squirrel fur cape, a 35 mm camera, a ladies wristwatch and several pieces of costume jewelry.

Det. Ronald Hayden, who's worked diligently on the case, said the recovery of items was aided by the owner marking some of them to permit positive identification.

Other goods missing at this time include a white gold dinner ring with three diamond chips, a white gold sapphire brooch and a jade pendant on a gold chain.

After allegedly entering the Huntington home, the two suspects were arrested by Detroit police at the home of the second youth. At that time, police found a variety of goods in their car.

Detroit officers are currently investigating the pair's possible involvement in burglaries in their city.

Knights Take District Crown

University Liggett School turned on the defense during recent district play and as a result, the Knights ran away with the district championship. In three games ULS held the opponents to a total of 87 points, an average of only 29 per game.

In the first round, ULS played Lutheran North and won, 46-33. Next, they totally destroyed Bethany Christian in the championship game which pitted the Knights against Marine City Holy Cross, they outclassed the Crusaders, 53-27, to take the district title and advance to the regionals.

Against Lutheran North, the Knights played a lazy first quarter and were ahead only 8-7. At the half, it was still only 19-18, ULS, and it was obvious the Knights were not mentally ready for the game. In the third quarter, however, they came alive, outscoring the Mustangs, 12-4, to take a 31-32 lead.

The Knights kept the pressure on in the fourth quarter to take the victory. Drew Miller scored 14 points and Todd Greer put in 12 more. The win sent ULS into the second round against the Bethany Christian Bruins.

Against that team, the Knights were playing a team with a 0-16 record and it looked like an upset might be in the making as the Bruins took an early 5-4 lead. The Knights soon stopped fooling around however and exploded to take a 22-7 first quarter lead.

The second quarter wasn't much better for the Bruins and the score was 43-19 at

the half. ULS continued domination in the third quarter as it outscored the Bruins, 25-0, making the score 68-19. The last eight minutes saw the Knights continue the onslaught to make the final score 87-27. Twelve of 13 players scored for ULS. Mike Solomon totaled 15, Bob Neville, 11 and Pete Manos and Bill Albrecht each put in 10.

Against Marine City Holy Cross the Knights were playing for all the marbles. The game started with the Crusaders employing a stall which put them ahead of the Knights, 5-2.

ULS slapped on their press though, and went on a 1-0 scoring spree to take a 27-11 lead at the half. Holy Cross was outscored 12-6 in the third quarter as ULS took a 39-17 lead.

The final score of 53-27 gave the Knights their second district championship in three years. Solomon put in 13 points with Dave Jensen canning 11 and Todd Greer, 10.

ULS now advances to regional play in Grand Blanc against Kingston on Wednesday, March 5.

Takes Honors In Auditions

Miss Elizabeth Parcels has won second place in the New England Regional Auditions of the Metropolitan Opera National Competition held Sunday afternoon, March 2, at Jordan Hall in Boston, Mass.

Miss Parcels, a Masters degree candidate at the New England Conservatory of Music in Boston was one of 85 contestants from five states and Canada. She sang "O Luce di quest'anima" from Linda Di Chamounix by Donizetti and "Durch Zerkheit Und Schmeicheln" from the Abduction from the Seraglio by Wolfgang Mozart.

Since 1952 more than 22,000 young singers have participated in the auditions from sixteen regions for educational awards totaling over \$350,000. Many have gone on to careers with the Metropolitan Opera Co. and other companies in the United States and Europe.

Miss Parcels and Harpsichordist William Warriner will be heard in an all Baroque program at the Grosse Pointe Memorial Church on Sunday, April 6, at 4 o'clock. This concert, the first of three "Musica-Spring 1975" concerts is open to the public.

Miss Parcels, who is the daughter of Mr. and Mrs. Charles A. Parcels, Jr. of Cloverly road was described by the Boston Globe as belonging "to the select company of Boston's very best Sopranos."

AAA Regroups Club Branches

Automobile Club of Michigan has established a new administrative program that divides its 55 offices under five regional coordinators.

The Grosse Pointe office is one of 10 offices grouped together and coordinated by Robert B. Janks, former Auto Club Northwest area manager. The Grosse Pointe office remains under the direct supervision of a manager George Measel.

The new program was initiated to help Auto Club keep pace with its growing membership, which presently stands at 1.16 million AAA members in Michigan, and to improve the communications between the local offices and the Club's Administrative Headquarters in Dearborn.

"We feel this program will help us improve our service for members throughout the Grosse Pointe area, especially in connection with such recently provided services as life insurance and homeowners and boatowners protection," Mr. Janks said.

Last week's column erroneously named Mrs. Joseph H. Spitzley, of South Oxford road, as newly-elected president of the Detroit Orthopaedic Clinic for 1975. Actually, it was MR. Spitzley who will serve as president of the board.

The confusion is understandable since Joe is the first man in the clinic's 55-year history to serve as board president of this Torch Drive Agency. We apologize for the error and wish Mr. Spitzley well during his tenure.

The first official Fourth of July celebration took place in 1776, right?

Well, then, Boston . . . ?

Americans first gathered together to celebrate their country's birthday July 4, 1783, in the tiny village, (population 180) of Salem — now Winston-Salem — in North Carolina.

Politics and picnics were NOT the order of the day.

The people of Salem were Moravians, German immigrants who followed the teachings of religious reformer Jan Hus, pacifists who nursed the sick and wounded of both sides during the Revolution and whose decision not to bear arms was respected by both sides.

Their Fourth of July celebration naturally took

Opera Luncheon News Is Good

Detroit Continuing to Support Met's Annual Visit To Masonic Temple; General Committee Membership Doubles in Past Year

A platter of good news liberally seasoned with cautious optimism was served at the annual lunch- een meeting of the General committee of the Detroit Grand Opera Association. Some 300 members from throughout Michigan gathered Monday, January 27, in the Great Hall of the Detroit Institute of Arts to hear officers report on the status and future of their organization.

Ticket sales for the 1975 Metropolitan Opera Company season at De- troit's Masonic Temple, April 28 through May 3, are almost equal to last year's at this time.

Henry Ledyard, of Lewis- ton road, general manager of the DGOA, announced that mail order ticket sales are under way and that excellent seats are available for all performances.

Contributions to the Opera Maintenance Fund are close to 1974 levels. Proceeds from this fund support the yearly visits of the Metropolitan to Detroit. They are donated by individuals, businesses and major corporations.

Sales of advertisements for the Opera Program, distrib- uted free of charge to those at- tending performances of the Met, are over \$30,000, about the same as for this period last year.

Membership in the General committee is more than dou- ble that of 1974, despite in- troduction of \$5 annual dues.

Bearers of these rosy tid- ings were officers of the DGOA board of directors in- cluding Frank Donovan, of East Jefferson avenue, chair- man, Wilber H. Mack, of Country Club drive, presi-

dent, Mr. Ledyard and Mrs. David L. Gamble, of Ridge road, general chairman of the 1975 opera season.

Guest speaker was Francis Robinson, assistant manager of the Metropolitan Opera.

"We are all well aware of the economic difficulties De- troit is undergoing," said Mr. Mack.

"The level of ticket sales and the generous contribu- tions we are receiving in the face of these problems proves how important this major civic and cultural event is to the people of Detroit and Michigan.

"It costs more than \$80,- 000 to raise the curtain for every performance of the Metropolitan during its visits to Detroit. This figure, more than anything else, underlines the importance of the support we are receiving.

"This is especially true when one considers that tic- ket sales cover only 80 per- cent of costs. Our future depends on the efforts all of us put forth during the com- ing months."

In his report Mr. Donovan announced that Afterglow, the formal dinner-dance tradi- tionally held at the Detroit Institute of Arts, will not be included in this season's (Continued on Page 14)

This is a hairdresser Looking at your face

In other words, this is a hairdresser that cares. He doesn't consider his clients faceless ladies in shapeless robes. He considers them interesting individuals. Which is why he studies their faces and clothes and asks about the lives they lead and the way they really see themselves. It's also why he gets the most beautiful results. This kind of hairdresser isn't easy to come by. But if you come to our place, you'll find quite a few. You see, it's the only kind of hairdresser we believe in. Sketch by Bart Edmond & Ron Kotes.

DRC to Watch Artist at Work

The Scarab Club of Detroit which holds studios of some of the city's most gifted artists, will be the scene of a Detroit Review Club luncheon and art program on Tuesday, March 11, at 12 o'clock.

Hostess for the Scarab Club will be Mrs. Joseph Pady, artist and club secretary. Her husband is club manager.

Finalizing plans for the luncheon are DRC art chairman Mrs. Laurence J. Hetzelt and her committee which includes vice-chairman Mrs. Joseph G. Gauthier, Mrs. M. A. Atlas, Mrs. C. D. Chapin, Mrs. Robert Gerisch, Mrs. N. Conner Gunn, Mrs. Robert T. Harris, Jr., Mrs. Louis M. Hopping, Mrs. John Lavrakas, Mrs. Harlan Strain, Mrs. Louis P. Thurmon and Mrs. Wynn Wakeman.

Mrs. Frank Scott Perkin, DRC president, will act as official hostess.

Following luncheon, Mrs. Pady will present a program, "The Creation of a Portrait," a film of nationally-known artist Joseph Maniscalco at work on a portrait of former governor George Romney.

Mr. Maniscalco attended the Art Students League of New York and moved to Detroit in 1953. A resident of St. Clair Shores, he has become one of Michigan's leading portrait painters and is represented in New York by Portraits, Inc. He served as president of the Scarab Club from 1972-1973 and has a studio there. The film of his portrait of

George Romney illustrates the various techniques an artist employs in portrait work.

Mrs. Pady is also a talented artist who attended Wayne State University, Cranbrook and Arts and Crafts, as well as Michigan State University, Metropolitan Art Academy, Detroit Art Institute and the Pewabic Pottery where she studied with the late Mary Chase Stratton.

Recently she has been experimenting with the raku method of glazing, a secret formula of Chinese and Japanese artists, and she has come close to matching the iridescent blue color which was a trademark of the Stratton tiles.

Seven artists have studios in the Scarab Club and Mrs. Pady hopes to take DRC visitors to those of Mr. Maniscalco and Patricia Burnett, another talented and well-known portrait painter.

She also will speak about long-time Scarab Club member and former president Beaver Edward, an artist and sculptor and inventor of a special latex that has been used to hide facial disfigurements.

Mrs. Pady, who paints in oil and water color also does sculpture and ceramic work.

She has exhibited at the Scarab Club, Wayne State University, Oakland and Northland Malls, the Pewabic Pottery and at Hudson Galleries.

the form of "A Solemn Day of Thanksgiving for the Restoration of Peace."

And, being a people who had been taught to express their faith through music, who had brought with them to this country the music of Bach, Handel, Mozart, the best European composers of their day, the Moravians naturally celebrated via a Festival of Sacred Music.

A few weeks ago some rather "untypical" sounds were heard to issue from Woodland Sound Studio's Studio A in Nashville, Tenn.

"Untypical" in the sense that Nashville is country music capital of America — and the sounds coming from Studio A certainly weren't "country" in the Merle Haggard/Johnny Cash/Tammy Wynette tradition.

Inside Studio A, Malcolm Johns, of Rivard boulevard was leading 30 Nashville Symphony members and the Peabody Madrigalians in the premier taping of "Psalm of Joy," created by Moravian minister John Frederik Peter (1746-1813) for America's first Fourth of July celebration.

In a sense, Malcolm was there because he had picked up a family torch. He had just come from the funeral of his brother-in-law, Dr. Thor Johnson, former director of Interlochen Arts Academy, music director and conductor of the Nashville Symphony from 1967 until his death January 16.

Dr. Johnson, son of a Moravian minister, was originally scheduled to conduct "Psalm of Joy's" first recorded performance.

Professor Johns, an accomplished church musician and teacher, associated for years with Grosse Pointe Memorial Church and Wayne State University, had taken Dr. Johnson's commitment upon himself.

It is a continuing commitment. "Psalm of Joy" will form one side of a record being produced by BR Productions for the Moravian Music Foundation of Winston-Salem, an organization Dr. Johnson helped found.

The other side will feature a contemporary companion piece now being completed by Karl Kroeger, director of the Moravian Music Foundation, in response to a suggestion by Dr. Johnson.

Malcolm Johns will preside at the second recording session.
