## HEADLINES of the WEEK

As Compiled by the Grosse Pointe News

Thursday, March 13

**THE WHITE HOUSE** suffered a sharp setback today when the House Foreign Affairs Committee rejected a compromise Cambodian aid proposal by an 18-15 vote. President Ford had requested \$222 million in emergency aid to the country but it appears Congress will do little to aid Cambodia unless the administration agrees to make some commitment to end U.S. involvement there. Later today, the Senate Democratic caucus voted 38 to 5 against providing any further aid to Cambodia or South Vietnam, a sentiment House Democrats registered yesterday.

Friday, March 14

**AN INCOME TAX** increase was approved by the Michigan House yesterday that would make the new tax rate 4.8 percent, up from the present 3.9 percent. The hike would represent \$220 million per year in increased revenues for the State. Backers of the measure said the increase is necessary to offset the elimination of the food and prescription drug sales tax. The tax bill now goes to the Senate where approval would mean the hike would take effect May 1. A substitute plan also is being worked on in that body.

Saturday, March 15

**THE SENATE** Finance Committee approved a \$29.2 billion tax-cut bill Friday that goes far beyond the one-shot anti-recession reduction requested by President Ford. The package, which is expected to go to the full Senate for its approval starting on Tuesday, includes \$21.2 billion in a 1974-75 tax cut for individuals and \$8 billion for business.

Sunday, March 16

**ARISTOTLE ONASSIS**, 69, the Greek shipping tycoon who courted and won power and married the widow of President John F. Kennedy, died Saturday of a lung infection after a long illness. His wife, Jacqueline, was at her Fifth Avenue apartment in New York and remained in seclusion there nearly all day. She left about 6 p.m. to catch a plane for Paris. Mrs. Onassis last saw her husband early in the week before flying to New York. Mr. Onassis' daughter, Christina, 23, was at his bedside when he died in the American Hospital of suburban Neuilly.

Monday, March 17

**A TWO-PRONGED** Federal probe of petroleum pricing activities during the 1973-74 Arab oil embargo has alleged widespread conspiracies to overcharge consumers fraudulently of millions or perhaps billions of dollars, it was learned Sunday. Sources familiar with the investigation said there was a possibility that organized crime was involved.

Tuesday, March 18

**PRESIDENT FORD** declared Monday evening that the survival of the existing non-communist government in Cambodia is vital to America's security. "I think it is," he said when the question was raised at a news conference during his St. Patrick's Day visit to the University of Notre Dame. He stated recent events in Asia indicate that allies are wavering in their support for the United States and "tend to validate the so-called domino theory." The President had earlier received an honorary doctor of laws degree at the university.

## Three Alarm Fire Attracts Big Crowd

Photo by Charles C. Sullivan III

A three alarm blaze at a Kenwood road home Wednesday, March 12, attracted a substantial crowd which gathered to watch firefighting efforts. Firemen from five communities joined together and battled the blaze for close to five hours. The fire damaged most of the third floor of

the home and caused extensive smoke and water damage to the first and second floors. No residents were injured but five firefighters received hospital treatment for injuries. The cause of the fire is still under investigation.

## Group Seeks Ideas for Celebration

**Bicentennial Committee** Urges Pointers to Submit Suggestions for Projects Before April 1 Deadline

The Grosse Pointe Bicentennial Committee is still seeking ideas from residents for projects to celebrate the Bicentennial in The Pointe.

A Tuesday, April 1, deadline for submitting suggestions has been set with the committee encouraging pointers to submit all ideas, even those that may only be in the planning stage.

The committee, composed of representatives from each of the five Pointe city councils, hopes to act as a clearing house for projects and programs to coordinate the celebration and avoid duplication of efforts.

**Many Themes** Themes selected nationally are Heritage, Festival and Horizons. Michigan themes are Transportation and Government Review. Projects would not necessarily have to follow one of the pre-selected themes.

Projects already suggested include writing a history of the Pointe communities, preparing a historical display, staging a festival or undertaking a beautification project.

Persons interested in working on a Bicentennial project or who have ideas for a local project should submit the idea in writing to their local city hall and it will be passed on to the committee.

Council representatives are George Henry, The City; James Mast, The Farms; Charles Tompkins, The Park; Daniel Beck, The Shores; and Joan Mullan, The Woods.

## Senior Project Proposal Rejected by School Board

By Nancy Kramer

The Board of Education has decided to more or less maintain a status quo on the matter of final exams for seniors. The recurring question was brought up during a regular February meeting when two South High School students asked the trustees to consider substituting final projects for final exams, saying students would probably benefit more from the former.

One of the students said the proposed projects could be a real culmination of what seniors had learned, rather than an exercise in memorization.

The Board had asked the students to return to their school and first discuss the proposal with their principal. Superintendent of Schools Dr. James A. Adams said he, in turn, would discuss it with his Student Advisory Council

## Blaze Destroys Third Floor of Farms Home; 38 Firefighters Respond

**Cause of Fire, Fought by Personnel from Five Communities, Remains Under Investigation; Dollar Estimate of Damage Undetermined**

A three-alarm fire in a Kenwood road home destroyed most of the structure's third floor and brought firefighters from five different communities to the scene Wednesday, March 12. Farms Fire Chief Warren Schultz said the State Fire Marshal is still investigating the cause of the blaze and a dollar estimate of the damage has not yet been determined.

No residents were injured but five Farms firefighters were taken to Saint John Hospital for treatment of injuries sustained while battling the blaze.

A total of 38 men, including off-duty firefighters, responded from The City, The Woods, The Park and Harper Woods to assist The Farms department. The first call was received at 1:19 p.m. from Raymond F. Kolowich, owner of the home at 135 Kenwood, and firemen were on the scene at 1:23 p.m.

Chief Schultz said the other departments were notified through the mutual aid pact set up between Pointe and neighboring communities. "All the departments did a splendid job and deserve the

## Tickets for JC Pageant on Sale

Tickets for the Jaycee sponsored Miss Grosse Pointe Scholarship Pageant, which will be held Saturday evening, April 5, in the War Memorial's Fries Auditorium, are currently on sale.

They may be obtained at Jacobson's in the Village, the War Memorial or by calling Gary Hollidge at 779-5747. Tickets are priced at \$3.50 for patrons, \$2.50 for adults and \$1.50 for students.

and Professional Study Committee.

The Board has been dealing on and off with the issue of senior finals for approximately one year now—despite the fact that a policy decision on re-instating them was made in February 1974. Prior to that time, they had been optional.

## Plan Parley To Consider YSD Budget

**Proposed Figures Being Prepared for Session with Division's Board of Managers**

**By Roger A. Waha** As managing municipality of the Youth Service Division, (YSD), The Woods is currently preparing the division's proposed budget for fiscal year 1975-76—a budget in which costs are allocated between all Pointe municipalities and the School Board, each of whom has to approve such participation.

We're presently contemplating the budget for presentation to the division's Board of Managers, (including all Pointe city managers and a School Board representative), for its consideration, said City Administrator Chester E. Petersen, YSD coordinator.

Mr. Petersen said last week he hopes to have such a session within two weeks. Each community's share is determined by its current assessed valuation, while the School Board pays the equivalent of one public safety officer's salary and the total cost of his fringe benefits, he noted.

## Woods Okays Sunningdale Park Vacation

**Affected Property Owners Express Opposition to Move; One Resident Threatens Legal Action**

By James J. Njaim

In spite of a threat of a law suit by a resident involved, The Woods Council, following a public hearing on Monday, March 17, decided to vacate 50 feet of the easterly section of Sunningdale Park, between Lochmoor boulevard and Sunningdale drive, in the Lochmoor Subdivision.

Half of the disputed section is paved, (the west side of the thoroughfare), and the other half, (east side), is not. This section is divided by a medial strip.

The Woods attempted at one time to set up a special assessment district to complete the paving of the street, but this was opposed by a majority of the residents of Sunningdale Park.

**Give Them Drive** Then the city decided that, rather than pave this easterly section, which would serve only two houses, it would vacate the 50 feet involved, allocating 25 feet of the street to the two home owners with the city retaining the other 25 feet on the exact medial strip.

City Administrator Chester E. Petersen said this would give the property owners involved a private drive. However, although the section is vacated, the easement rights for public utilities including the retention of sewer lines, will still be retained.

Letters of the intention to vacate the unpaved portion of the street were sent to Michael Barry, of 1628 Lochmoor, and Helen M. Kopp, of 1627 Sunningdale, the property owners mainly affected. Letters also were sent to the Detroit Edison Co., Michigan Bell Telephone and Michigan Consolidated Gas Co., the public utility firms, who need the easements to maintain their service lines.

**Cites Complaints** Mr. Barry and Mrs. Kopp strongly opposed the vacation of the east side of the street, of which 25 feet would revert to them.

Mrs. Kopp was not present at the hearing, but Mr. Barry was. In a letter to the city solons, he pointed out that he has been a resident of the community for nine months, and charged that he had been misled by the city administrator's office and had been warned to "leave well enough alone."

He claimed that the street had received no maintenance from the city since he had lived in The Woods and that it took five phone calls and several hours, after the big snow storm last December (Continued on Page 2)

## Officer Is Victim of Hit-and-Run

**Patrolman Kenneth Pine Dies from Massive Head Injuries; Department Has Suspect in Tragic Incident**

Farms Police Officer Kenneth Pine, 30, died Monday, March 17, in Saint John Hospital from injuries suffered when a hit-and-run driver struck him Sunday night, March 16, while he had a motorist stopped on Mack avenue.

Officer Pine was officially pronounced dead from massive head injuries at 8:10 p.m. Police said he never regained consciousness from the time he was transported to the hospital about 10:20 p.m. Sunday.

Police reported they have a suspect in the case and will apply for a manslaughter warrant upon completion of their investigation. Police have recovered the car believed to have hit the officer and are examining it.

**Dragged Between Cars** The police report of the incident said Officer Pine pulled a motorist over at Elizabeth court and Mack avenue at 10:18 p.m. for a minor traffic violation. He was taking the driver's license back to his scout car to run a routine check when he was struck.

Police said he was dragged between the two vehicles, thrown up onto the hood of his car and landed in the street. The driver of the car slowed down, turned around and looked at the officer and kept on driving, according to witnesses.

Another motorist went to a nearby restaurant and called Woods police who responded with an ambulance and transported Officer Pine to Saint John Hospital. The scene of the incident is near the Woods-Farms border and closer to Woods headquarters.

A special task force, established by Farms police immediately after the accident, worked continuously checking out leads and tips that came in from cities across the state. By 2:30 p.m. Monday, officers had recovered the car and had a suspect.

**Many Honors** News of Officer Pine's death came during a Farms Council meeting Monday evening and Farms Mayor William Butler immediately ordered city flags to fly at half-mast until after the officer's funeral.

Officer Pine had been with The Farms Police Department for five years. During (Continued on Page 2)

## Groundbreaking Ceremonies Held at Park

Photo by Barbara Bruno

The first spadeful of dirt, marking the beginning of the Lake Front Park improvements project, was turned at dedication ceremonies Saturday morning, March 15. All members of The Woods Council participated including, (from left to right), Councilmen JOHN SABOL and RONALD R. KEFGEN, Mayor BENJAMIN W. PIN-KOS, Councilwoman JOAN M. MULLAN and

Councilmen CONRAD A. NAEGEL, GEORGE S. FREEMAN and RODGER A. GRAEF. Around 50 people attended the ceremonies for the \$1,622,000 project, which includes the construction of three new swimming pools, (main pool and diving and wading pools), and eight new tennis courts. The estimated completion time is placed at around 270 days.

### Dinner to Aid Needy Pupils

The Queen of Peace Special Education Center will sponsor its seventh annual Dinner Dance on Saturday, April 12, at 7:30 p.m., in Athena Hall, located on Gratiot avenue between 11 and 12 Mile roads. The donation of \$20 per couple includes a roast beef

dinner, live music and beer. Proceeds support the education of children of all races and creeds who have learning disabilities. Tickets for the event may be obtained by calling Ellen Kerfooter at 885-7628 or Marge Weber at 882-0158.

### Farms Officer Dies

(Continued from Page 1) that time he received a Departmental Citation for apprehending a suspect in the commission of a burglary, two Departmental Commendations and five citizen letters of commendation.

Farms Police Chief Robert Ferber said Officer Pine was popular with fellow police officers and supervisors and had good citizen rapport. "He's going to be missed very much," Chief Ferber said.

He praised the efforts of doctors at Saint John Hospital saying they did their best in giving medical care to the officer. He also had gratitude for the work put in by his own department and other police units.

"I think all of our officers worked together well and put in extensive effort," he commented. "The cooperation of police departments statewide was also excellent."

**Almost Complete**  
He said further investigation must be done but the department is relieved that the case is almost completed.

Officer Pine, who resided in Mount Clemens, is survived by his wife, Virginia; two stepdaughters, Sheila and Patty, and his mother, Mrs. Laura Kirby.

Funeral services will be held at 11 a.m. Thursday, March 20, at the Verheyden Funeral Home.

Interment will be in Forest Lawn Cemetery.

Charles T. Fisher III, president of the National Bank of Detroit, presented a \$1,000 check from the Detroit 100 Club to Mrs. Pine to help cover funeral expenses.

The Farms Police Department is accepting memorial contributions in Officer Pine's memory for his widow.

### Vacation Approved

(Continued from Page 1) 5, before equipment was dispatched for snow removal.

Mr. Petersen said it was a difficult task to remove the snow from the unpaved section of Sunningdale Park because of its gravel surface.

He said the difficulty lies in that, when removing the snow, some of the gravel also is disturbed or removed along with it. Too, he added further, the equipment used caused holes to be dug in the ground.

#### Sends Letters

In his statement to the council, Mr. Barry stated he sent a letter to the city and a similar letter to the Planning Commission. The first was to the council to vacate the property because, according to information he received, that is the only petition the city would accept. The one to the commission requested the city neither pave nor vacate the street.

"I, legally can do nothing about your desire to pave this street," Mr. Barry stated, "and I say it is your desire, because none of the affected people in this neighborhood have before or do now want this street paved; but the vacating of the property is another matter."

"If the council decides against my wishes and the wishes of the neighborhood to consider vacating this property, I will bring legal suit. The council hasn't the right to force this property upon me, nor can you close an existing road without the

consent of the affected property owners." Mr. Petersen said the city is well within its legal rights to vacate this section of the street.

### Nix Proposal

(Continued from Page 1) meeting held Monday, March 10, Mrs. Joan Hanpeter, president, gave a report on what conclusions had been drawn from the various group meetings.

Three possible alternatives had been proposed to the Student Advisory Council: that students with a straight B average or better be given the option of taking or not taking the final, that senior projects be instituted as a means of final evaluation or that the final exam be counted as only five percent of the total final grade.

Of the three options, the Student Advisory Council seemed to be most in favor of the proposal that the test count for five percent of the final grade, Mrs. Hanpeter said.

She added that a letter received from South High principal Dr. James Hoeh noted that the senior project idea was given a test run some two years ago with less than spectacular results.

Dr. Hoeh also felt the projects would make more work for teachers and spawn a non-educational atmosphere, when spring weather and the prospect of summer vacation are already fostering this feeling.

As a result of these opinions, the Board felt it would have to reject the senior proposal. "But," said Mrs. Hanpeter, "we are not rejecting all student ideas. The Board is always open to suggestions. We want to know what students think."

#### NAMED ARCHITECTS

William Kessler and Associates, Inc., of The Pointe, have been named architects for a \$5.1 million student apartment building project at Wayne State University. Plans call for a 10-story high rise to be constructed on the north side of Forest avenue between Cass avenue and Second boulevard. It will contain 142 one-bedroom units and 69 efficiency apartments, all air-conditioned.

### Gives Advice on Poisons

Many parents are endangering the lives of their children every day, said Woods pharmacist Gerald Bodendistel, president of the Metropolitan Detroit Pharmaceutical Association, as Michigan Poison Prevention Week officially opened.

"Children under five years of age are the principal victims of accidental poisonings," Mr. Bodendistel stated. "In 1973, 177,589 children under five accidentally swallowed potentially harmful substances — medicines and commonly used household products."

During the week of March 16-22, which Governor William G. Milliken has proclaimed as Michigan Poison Prevention Week, "parents should vow that they will make poison prevention a year-round practice in their homes," stressed Mr. Bodendistel.

He recommended that parents test the "poison-proofing" of their homes by answering "yes" or "no" to the following questions:

When using any medicine, do I return it promptly to its proper place when I am through with it, even if I will use it again shortly?

Are all medicines kept in a closed, preferably locked

cabinet, out of reach and sight of children in a safety capped container?

Do I tell my child that aspirin and other medicines taste like "candy"?

Are all medicines and household products fully and clearly labeled?

Do I take or give medicine in the dark?

Do I discard out-of-date medicine by flushing it down the drain and rinsing out the container before discarding it?

Are bleach, lye and kerosene stored only in their original containers and not in cups, glasses or pop bottles?

Are most deadly poisons — rat, insect and weed killers — stored in the most inaccessible place in the house or in a locked cabinet in the basement or garage?

Mr. Bodendistel added that your answers to these questions are very important. In fact, your child's life may depend upon them.

### Seek Meeting

(Continued from Page 1)

Chester E. Petersen, who talked with Mr. Harm last week on such a meeting, stated there were some specific questions which SCS officials raised on their potential enforcement responsibilities which, "if I were in their position, I would want to reassure myself also."

Mr. Petersen added the joint meeting would be at the call of SCS.

#### Okay Would Help

A main reason for the drafting of such a measure is the fact that last August the SCS Council okayed an ordinance putting its park rules in writing. But in his reading of the law Woods City Attorney George Catlin said there was no application to private parks owned by other communities.

Now, if the new measure is approved by SCS, this problem could be alleviated.

As Mr. Hallman put it several weeks ago, park rules and regulations would have a new set of "teeth" regarding enforcement and life would be more pleasant for recreation department personnel and for citizens.

Do you know where you are going? It is most important, especially on a long trip! Highways in unfamiliar city areas can be identified in any number of confusing ways. To avoid getting lost, or to have to make split-second decisions at high speed, plan your route in advance and know the roads by both their names and numbers. Automobile clubs and some gasoline companies provide free maps to members or customers. But if you do your own planning, comprehensive road atlases can be purchased for a few dollars, and service stations usually have up-to-date maps of their areas.

**Young Skaters Win State Championship**

A proud group of Grosse Pointe Bruins have something to really smile about as the team won the State crown in the Pee Wee Open Division last weekend in Taylor, Mich. In the front row, (from left to right), are MIKE EUGENEIO, MATT COSTELLO, BILL SEAVER, DREW MASCARIN, JIM MORRIS, MIKE FREDAL and SCOTT

SEAVER. Those in the second row, (from left to right), include GREG JOHNSTON, JOE BUCCIERE, JIM KENNARY, TONY CURTALE, ALLEN TABER, JOHN DAVIES and MIKE BURKHEISER. TOM BURKHEISER, (left), assistant coach, and DAVE SEAVER, manager, are in the back row. Not pictured is Dr. T. A. Mascarin, coach.

**Bruins Win Pee Wee Open Division Crown**

The Grosse Pointe Bruins emerged as the State champions in the Pee Wee Open Division last weekend in Taylor, Mich. The Bruins played five super hockey games to earn the title and will now represent Michigan in the National Tournament in Chicago, Friday-Sunday, April 4-6.

Each team in the tournament had won their district championship in order to earn the right to play in the State tournament.

The Bruins first faced District Six and Seven champs, Flint, and were impressive in posting an 11-3 win. Jim Morris scored the three goal "hat trick," while Mike Fredal, Allen Taber and Mike Burkheiser each scored two goals. Bill Seaver and John Davies scored the other goals.

The Bruins then met the Royal Oak Tigers, who had been tough competition for the Bruins in their past two encounters. But this time the

Bruins were masters in sending 62 shots at the goal in an 11-3 rout.

Greg Johnston scored the "hat trick" and Jim Kennary and Morris each posted two goals. Matt Costello, Burkheiser, Davies, and Taber were the other Bruin scorers.

Throughout the whole year Slasor had been one of the top rated teams in the State. They had beaten the Bruins twice but the Pointers behind the solid goal tending of Drew Mascarin came up with a 4-1 win. Burkheiser scored first after a pass from Taber. Taber then scored the "hat trick" with Burkheiser and Costello assisting on the goals.

In the semi-final game the most exciting contest of the whole tournament was played. Robert's Pool had been rated number one in the State by the "Hockey News" all winter long but the Bruins won this game in overtime, 5-4.

The Bruins scored first on a Davies from Johnston goal and Robert's tied it up. The Bruins went ahead on a goal

by Taber, unassisted. But less than a minute later Robert's tied it again.

Near the end of the second period Costello scored the tie-breaker with Taber and Burkheiser assisting. The game remained 3-2 until less than two minutes remained and Robert's scored two quick goals to go ahead 4-3.

With only 18 seconds left the Bruins pulled their goalie for the sixth attacker and tied the game on a score by Taber from Burkheiser and Costello. The game then went into overtime play.

The first eight minute overtime period went scoreless. After only 43 seconds had gone in the second overtime, Tony Curtale fired a hard slapshot from the point which Burkheiser deflected in for the winning goal.

Mascarin again played a fine game in goal. Defensemen Joe Bucciero, Curtale, Jim Kennary, and Bill Seaver turned in steady performances.

A very tired Bruin team met Port Huron in the final game Sunday afternoon, March 16, and won, 7-4 Mike

Eugenio, Scott Seaver and Fredal, all first year boys on the Bruins, turned in a super job, especially in killing off penalties in addition to their regular shift.

Burkheiser scored from Bill Seaver and Curtale. Curtale then put in a slap shot after a pass from Morris. Taber scored from Costello and Curtale. Fredal posted a "beauty" after a pass from Scott Seaver. Then, Burkheiser deflected a hard shot by Kennary. Burkheiser scored another assisted by Curtale and Taber. Finally, he scored his fourth of the game, unassisted.

All 14 boys played excellent hockey in all five games and along with spare goalie, Ken Solak, received individual trophies as well as a team trophy which will be kept in the Grosse Pointe Room at the Community Rink at Austin.

In addition to the National Tournament in Chicago, the Bruins also will play in the Patriot's Day Tournament in Boston Friday-Sunday, April 11-13.

(Continued from Page 1) stated he wanted to know the intent of all potential participants by mid-February for the 1975-76 fiscal year and had only heard from the School Board, who sounded a positive note.

"We wanted their intent so we can govern ourselves accordingly as managing municipality regarding the assignment of personnel," said Mr. Petersen. He noted the initial YSD contract said if no written notice of withdrawal from the municipalities or School Board is received before May 1, an automatic renewal would take place for the given fiscal year period.

**Board Reviews Textbook List**

Three applications for sabbatical leaves were turned down by the Board of Education at a regular meeting Monday, March 10, because they could not be financially justified according to Superintendent of Schools Dr. James A. Adams.

The applications were initially reviewed by Lawrence Kennedy, assistant superintendent-personnel, who recommended they not be approved.

Dr. Adams concurred and said there were more critical needs at the moment.

The superintendent added he personally believes in the principles behind sabbatical leaves, and hopes in the future he will be able to recommend approval of them.

The Board unanimously voted down the requests.

**Woods Accepts Quotes For Park Tree Removal**

The Woods Council, based upon the recommendation of City Administrator Chester E. Petersen, accepted two quotations for the removal and transplanting of trees at the Lake Front Park. This action was taken at the regular meeting Monday, March 3.

A total of 115 trees need to be transplanted or removed for the construction of the new pool and parking lot as part of the area improvements project, while 19 trees have to be transplanted or removed for the new tennis courts.

Some of the smaller trees have already been transplanted within the park, said Mr. Petersen. "We'll try to transplant most of the trees within the park," he stated, while noting some may also be transplanted along city streets. "We've only had to cut seven of the 139 trees down because of their size."

The trees include maples and flowering varieties. The greatest numbers to be moved from the pool and parking lot site are four inches, (32), and six inches, (23).

The Davey Tree Expert Co., of 3846 Rochester road, Troy, received the council's nod to transplant trees of 1", 5" caliper on the site at \$20 per tree.

Meanwhile, the Blacy Tree Transplant Co., of 2060 West Michigan, Ypsilanti, was cited to transport trees of 1"-5" caliper off the site at \$25 per tree and to transport trees of 6"-10" caliper, either on-site or off-site, at \$65 per tree.

In a memo to the council, Mr. Petersen said the Davey Tree Expert Co. quotation for the transplanting of the

**Driver Strikes Two Vehicles**

City police charged a Detroit man with leaving the scene of a property damage accident on Saturday, March 8, after he allegedly ran a red light and struck a vehicle.

Troy Mitchell, 44, of 4133 Lenox, was seen at about 11 a.m., driving south on Cadillac, when he ran a red light at the Charlevoix intersection and hit the rear end of a car belonging to Francis Reineck, of Somerset road.

Mitchell continued driving on Cadillac without stopping, police said.

While Officer Virgil Beaure was taking down details of the accident, Park police received a report of a hit and run accident occurring on Whittier road.

Police realized the same man was responsible for both accidents since witnesses to the Whittier collision followed the driver to Cadillac and Charlevoix where they saw him strike the second car.

Mitchell was arrested and brought to The City police station where he claimed he couldn't remember what had happened. Bond was set at \$50 and he was told to appear in court Tuesday, April 8.

If you can help your young people feel there's a law of good governing their lives, you're giving them something to hold to.

And there is such a law. It's rooted in God, divine Principle, and His love for each of His children.

Perhaps you could offer your teen-agers the opportunity to attend a Christian Science Sunday School. They can learn more about the Bible and Christ Jesus' teachings, and how to experience God's law of good. Anyone up to age 20 is welcome.

**St. John Clinic Views Smoking**

The Saint John Hospital Guild will present a five-day Smoking Withdrawal Clinic at 7:30 p.m. Monday-Friday, April 14-18. The clinic will be held in the Regina High School Auditorium, 20200 Kelly road, Harper Woods.

This is one of many Community Health Information Programs sponsored by the hospital's Guild. William B. McIntyre, M.D., Guild president, said, "This program is being offered once again to the public as a free service of the Guild in response to numerous requests received by the hospital for assistance in smoking withdrawals."

Heading the clinic for the ninth time will be John H. Burrows, M.D., an oncologist from the hospital's medical staff. Another participating will be a leader in the anti-smoking crusade, Arthur W. Weaver, M.D., chief of Head and Neck Services at Veterans' Hospital.

Other speakers include James W. Landers, M.D. pathologist of Saint John Hospital's staff, Jacques Beaudoin, M.D., thoracic surgeon of Saint John Hospital's staff and Donald Smith, M.D., oral surgeon at Veterans' Hospi-

tal. According to the Michigan Cancer Foundation, which is cooperating with the Guild in presenting the program, these five-day Smoking Withdrawal Clinics are among the most effective means yet devised to aid smokers in breaking the habit. **Two Charges Earn 90 Days**

A 25-year-old Detroit woman was sentenced to 90 days in the Detroit House of Correction, (DeHoCo), on Wednesday, March 5, in The Woods Municipal Court, police reported.

Celestine Britton, of 695 Brainard, had earlier pled guilty to charges of simple larceny and possession of a dangerous weapon stemming from an incident on January 2 at Wrigley's Market, 19231 Mack avenue.

Thomas Bennett Gist, 35, of 18988 Washburn, Detroit, also pled guilty to the pair of charges and was sentenced to 90 days in DeHoCo on January 15.

The pair was arrested after two market employees saw Gist drop a ham into Ms. Britton's large purse, which was around the size of an overnight bag. When she was stopped inside the store, two hams were found inside the purse.

At the station, a search also revealed a .22 caliber eight-shot high standard revolver in the purse.

**Board OK's Hiring of SH Architect**

Rossetti Associates, Inc., Receives Nod to Plan Renovation of Old School Auditorium

The Board of Education, at a regular meeting held Monday, March 10, approved the hiring of Rossetti Associates, Inc., as architects to plan the renovation of the old South High School auditorium.

A total of 11 firms were reviewed for the job and several of these made visual presentations to the Board. Mrs. Joan Hanpeter, president, said all the trustees were hoping that a rapid timetable could be established once initial meetings with firm representatives were held and specific plans were drawn up.

Initial authorization to seek an architect for the renovation was given by the Board at its regular January meeting.

Allocate Amount At that time, it was agreed that \$100,000 be earmarked for the job, since that was the amount remaining in the budget allocation for this type of work to South High School.

Prior to the January meeting, the trustees had spent time touring South's facilities along with Dr. James Hoeh, principal, and Superintendent of Schools Dr. James A. Adams, who had termed the present auditorium "wasted space."

The Board hopes to make the auditorium more of a multi-purpose facility that could provide a place for other functions besides theater productions.

**Suspect Faces April 1 Trial**

A Tuesday, April 1, Wayne County Circuit Court trial date has been set for a 32-year-old Detroit woman, who's charged with uttering and publishing, reported Woods police.

Sharon Lee Brown was arrested on January 20 by Sgt. Thomas Kane when an alert bank teller spotted the check the woman was trying to pass as one of many stolen from a now defunct Detroit company, police said.

The suspect tried to cash a check at Manufacturers

National Bank, Lochmoor boulevard and Mack avenue. However, officers reported she was foiled in her try when an alert teller noted that the check number and the company's name was one of many that had been reported stolen.

**You can save on your income taxes by starting your own retirement plan now.**

Your DETROIT BANK-er has information and a FREE brochure about new legislation that makes it possible for you to start your own retirement plan by opening an Individual Retirement Account at Detroit Bank & Trust.

You can save on your income taxes and start saving for retirement at the same time. Here's how the plan works:

**You're eligible for an I.R.A. if you're not currently participating in a retirement plan.** Any employed or self-employed person who is not currently covered by any other retirement plan is eligible to open an Individual Retirement Account (I.R.A.). If you are already covered, but have a working spouse who is not, he or she is eligible.

**A tax-shelter makes your money worth more now . . . and when you retire.** All contributions to your I.R.A., up to 15% of your earned income (maximum of \$1,500 annually), are fully deductible.

Likewise, interest earned on your I.R.A. is exempt from income tax until it is withdrawn. When you finally do begin making withdrawals from your I.R.A., you are taxable only on the amount drawn out each year. And when you retire your effective rate of taxation will probably be lower.

**If you invest \$1,500 (before taxes) at the beginning of each year, here's what you could accumulate.**

At the end of	With the help of a tax-sheltered I.R.A.	Without the help of a tax-sheltered I.R.A.
5 years	\$ 8,861	\$ 6,376
10 years	20,506	14,213
15 years	35,808	23,845
20 years	55,914	35,683
25 years	82,335	50,232
30 years	117,054	68,112

(Table assumes taxpayer is in a 25% tax bracket and all figures are based on a 5 1/2% investment return.)

If you make withdrawals before you reach age 59 1/2, unless you become permanently disabled, you must pay penalties on the amount withdrawn. Withdrawals must begin before you reach age 70 1/2. Your Detroit Bank & Trust I.R.A. will be kept current with all present and future requirements of the Internal Revenue Service.

**Make deposits as often as you like—up to \$1,500 annually.** Regulations permit you to contribute a maximum of \$1,500 each year, or 15% of annual wages, whichever is less. Just \$25 will open your I.R.A., then it's up to you how much you want to deposit (in amounts of \$25 or more) up to the maximum each year. And you can add to your account each payday, or deposit it all in one lump sum.

**It only takes a few minutes to put your future in motion.** Opening an Individual Retirement Account is as easy as opening a savings account. Visit any office of Detroit Bank & Trust and ask about an Individual Retirement Account. Just \$25 gets you started and your DETROIT BANK-er can set up a Check & Save automatic transfer for you so that you can make regular deposits from your checking account into your I.R.A.

Talk to your DETROIT BANK-er today about an Individual Retirement Account. It's a tax-shelter for you now and a positive step toward securing the uncertain years ahead.

**Tour Schedule Set by Cyclists**

The Easy Riders Bicycle Club, which recently held a successful annual meeting attended by around 40 members, has finalized its April and May touring schedule.

On Sunday, April 6, cyclists will meet at 1 p.m. at the Belle Isle Casino for an excursion of the area. Buff Linclau, who may be reached at 881-0539, is road captain for the trip.

The General Motors Tech Center is the objective of the Sunday, April 13, tour. Riders should meet at 1 p.m. at 12 Mile road and Van Dyke

with entry via the Van Dyke gate. Oscar Verrecruyse, (778-0668), is the road captain.

Then it's on to Metropolitan Beach on Sunday, April 20. Cyclists will gather at 1 p.m. at Mr. Linclau's yellow truck in the parking lot. A hot dog roast will follow this ride and there's a 50 cent per person charge. Marcel Viaene, (776-1018), is the road captain.

Other trips include Stony Creek April 27; a Heart Fund Cyclethon, Oakland University Campus, May 4; Windmill Pointe drive, May 10; Pepsi Cola Marathon, May 17-18; and a St. Clair Shores Mystery Ride, May 25.

New club officers include Mr. Viaene, president; George Raveshot, vice-president; Betty DeNeve, secretary-treasurer; and Mr. Linclau, Ken Hooper, Wendy Heemer, Al DeBacker and Mr. Verrecruyse, board members.

The meeting night for the Easy Riders has been changed to the third Monday of each month at 7:30 p.m. The gatherings for the coming year will continue to be held at the Cadieux Cafe.

For further information on the group, contact Mr. Viaene or Mr. Linclau.

**Set Pre-Trial For B-E Suspect**

A 19-year-old Harper Woods youth was bound over to Wayne County Circuit Court for trial last month on an attempted breaking and entering of a business place charge, reported Woods police.

Richard Martin Dooley, of 20428 Woodland, is allegedly involved in the attempted break-in of Mr. Tony's Restaurant, 19341 Mack avenue, early Wednesday morning, February 12. Police said his Circuit Court pre-trial hearing was scheduled to be held Tuesday, March 18, (after press time).

After Sgt. James Davidson discovered the attempted break-in, Dooley was found in a large sheet metal trash shed at the rear of 19337 Mack after back-up forces arrived at the scene.

Officers confiscated a 14-inch piece of copper pipe, a screwdriver and a white knit hat, all of which were found underneath the suspect. A bumper jack also was confiscated.

**GONE CONCLUSION**

**FLEC's Dialogue Provides Private Adult Hotline**

Crisis centers and telephone hotlines for teenagers with problems are nothing new. They are scattered throughout the metropolitan area. But sometimes we forget that adults have problems as well and often there is no place for them to turn for help.

Dialogue is a telephone hotline sponsored by Grosse Pointe's Family Life Education Council, (FLEC), which caters to adults. The service is staffed by 12 anonymous volunteers.

They remain anonymous to insure the confidentiality of the program. Dialogue listeners are para-professionals trained in active listening skills which require them to temporarily put aside their own attitudes and opinions and focus their attention on the caller.

Dialogue director Nancy Ulmer notes that family problems often are too personal or even too embarrassing to discuss with close friends. Since April of last year adults with problems have had a place to turn.

Mrs. Perry TeWalt, FLEC board member, thought of the idea for an adult hotline. She felt that since Center Point,

the FLEC-sponsored youth crisis program, was working so well a similar outlet for adult problems should be available.

Many who need the help Dialogue can provide however, are not aware of its existence or are still hesitant to make that phone call. Mrs. Ulmer says adults, unlike young people, are not as open with their problems and often are reluctant to talk. This has made spreading the word about Dialogue difficult.

The majority of callers are parents, notes Mrs. Ulmer. She says that parenthood is one of life's experiences for which most people have little "formal" training. Since one is not taught to be a successful parent, the training comes on-the-job and the experience can be lonely, frustrating and unsuccessful.

Mrs. Ulmer believes that simply talking to someone about a problem can be an extremely helpful way of dealing with that problem.

Volunteers answer the phones from 9 a.m. to 3 p.m. Monday and Wednesday. During other hours a taped message gives referrals to other agencies.

Each volunteer listener goes through approximately 30 hours of training by seven professionals during a six-week period.

They receive instruction in values clarification, child development, depression, suicide, psychology of drug abuse, family counseling, transactional analysis, creative listening, death and dying, human sexuality and counseling sexual concerns. In-service training also is provided.

Professional backup is available for persons whose problems are more extensive and require more than just a listening ear. Often those in need are not aware of existing community resources such as mental health centers and Dialogue staffers can channel these adults to the proper service.

Mrs. Ulmer gave an example of the type of person who calls the hotline. The voice on the other end of the line was young and kind of shaky, she said. The caller was a young mother with two pre-school boys who were, quite frankly, driving her crazy.

Mostly she just wanted to talk about how she felt and the frustration she experienced being inside all winter with two small boys. The Dialogue volunteer listened with undivided attention to what the mother had to say. She found that just talking things over made her feel better.

She found help because she knew where to call. The Dialogue number is 881-0270.

**Board Vetoes Leave Requests**

The School System's Department of Instruction has completed a list of textbook recommendations for the 1975-76 school year, it was announced during the regular Board of Education meeting on Monday, March 10.

The list, as well as sample copies of the texts, have been made available to the trustees for their study and review before they take action on the recommendations at their next monthly meeting Monday, April 14.

Mrs. Joan Hanpeter, Board president, said lists also are available to the public. For further information, contact the Department of Instruction at 885-2000.

\*The figures in the above chart assume that the total contribution of \$1,500 is contributed on the final business day of each year, and that the taxpayer is in the 25% tax bracket. The figures represent the difference in accumulated savings between a tax-deferred IRA account and a taxable savings account. Amounts in the IRA tax-deferred column indicate the sums of the annual contributions plus the interest accumulated by those contributions. The taxable savings column shows an after-tax total of the annual contributions, plus the after-tax interest accumulated on those contributions. Interest rates shown are those currently paid on regular and certificate savings accounts offered by the Association. Interest is compounded quarterly. †Federal regulations require a substantial interest penalty for early withdrawal from certificate savings accounts.

What we explained to Charlie, and would like to explain to you, is that a Federal law passed last year now allows you to set up your own retirement fund at First Federal Savings of Detroit as long as you're not already a participant in a qualified employer-sponsored plan.

Under this new law, you can save up to \$1,500 or 15 per cent (whichever is less) of your compensation and not pay income taxes on it at the time. Nor is the interest earned in the Individual Retirement Account taxed while you're building the fund.

Now, in Charlie's case, the Individual Retirement Account would start at age 29. Withdrawals can begin at age 59½. So Charlie is going to have 30 years in which to shelter part of his income from taxes. When he begins using the money, Charlie is likely to be in a lower tax bracket and he may also be able to take advantage of income averaging procedures. If Mrs. Smith were employed, she, too, could have her own Individual Retirement Account, and together they could build a fund of more than a third of a million dollars.

Fully approved by the Internal Revenue Service, First Federal's Individual Retirement Account (under the Employee Retirement Income Security Act of 1974) has a number of other very helpful provisions.

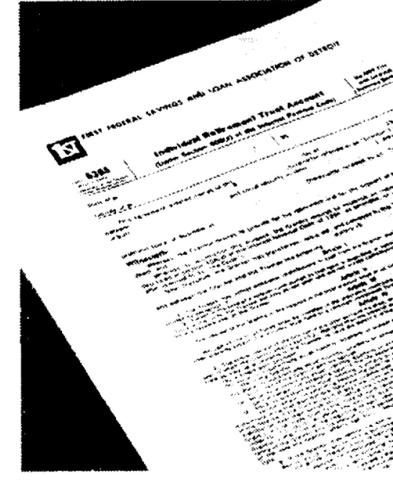

For example, your employer or union might elect to make contributions to your Individual Retirement Account as a benefit to you.

There's also a plan that helps you in case you leave a job where you are participating in a pension fund. That entire amount can be transferred to an Individual Retirement Account, tax deferred.

Now, of course, there are other requirements and limitations that you should know about. But, frankly, they'll be much easier to explain in person. What we want you to know right now is that you can do this right now—you can reduce your taxes on present income and you can build a substantial retirement fund on your own.

And at First Federal, we have all the information necessary, including the Internal Revenue Service forms which must be completed. And, to make the plan work as hard as possible for you, we have savings accounts that pay you the highest interest rates allowed by law.

So come to any First Federal office and ask about an Individual Retirement Account. Or call 965-1400, Ext. 541. Remember, the only requirements are that you're earning an income, that you're not a participant in any other pension program, and that you have not reached age 70½. And that, like the Smiths, you're taking a good look at a good future.

### Assessments Rise in Woods

Approximately 60 percent of the property in The Woods has been increased in assessed valuation with the scope of the increases ranging from three to eight percent on buildings only, (both homes and businesses), said City Comptroller-Assessor Frederick G. Hornfisher. "No land has been increased at all," he noted.

There was no change in the assessed valuation in the other approximate 40 percent of property.

Mr. Hornfisher said the main reason for the increase in the 1975 city assessment roll was to eliminate inequities regarding the sale of property. "Some property was selling for more than they were assessed at," he

stated.

He said 44 citizens attended the Tuesday, March 11, Board of Review session to discuss their assessments. "This was a little more than last year," he stated, while "many residents have called in to get their assessments." He added there have been no big problems.

The Board of Review will conduct a second session on Tuesday, March 25, in the council-court room of the municipal building, 20025 Mack avenue, for residents who consider themselves aggrieved by their assessment, or who have any questions or comments.

It will be held from 9 a.m.-12 noon and from 1:30-5 p.m.

### They Helped Send Kids to Circus

North High School's Student Senate, which has been collecting funds from school activities throughout the year, recently donated \$100 to the Metropolitan Society for Crippled Children so handicapped children of the tri-county area could attend the opening day matinee performance of

the Shrine Circus. Student Senate class officers pictured are, (left to right, seated), LISA SCHAFER, JULIE SEIBERT, LYNN PRISK and, (left to right, standing), DAVID HOWELL, CHRIS DeCOSTA and ROBERT SESKI.

### Christ Church Hosts Tenor

Peter Giles, counter tenor in residence at Canterbury Cathedral, will be at Christ Church, 61 Grosse Pointe boulevard, for two events.

On Sunday evening, March 23, he will join the Christ Church choir, other soloists and an orchestra in a performance of the Bach St. John Passion. Mr. Giles will sing the alto arias in the performance which is scheduled for 8 p.m.

On Monday evening, March

24, at 8 p.m., Mr. Giles will present a lecture.

Tickets are available through Christ Church at \$3 per event or \$5 for both programs. Student tickets are \$2 separately or \$3 for both.

### Cinema League Meets Mar. 27

Cinema League member Mildred Becker will present a program of color slides at the next meeting of the group on Thursday, March 27, at 8 p.m. in the War Memorial.

Two features will be shown by Miss Becker. "Architecture of Detroit" traces the history of various buildings in the city, while "The Best Things in Life are Free" focuses upon a collection of scenes from the United States and Europe including views of the four seasons of the year.

Mrs. Stewart Werback and Mrs. Carel Sellenraad will be hostesses of the social hour. The public is invited to attend.

### Drunk Driver to Face Court

Michael R. Vitale, 19, of 23117 Euclid, St. Clair Shores, was arrested by Shores police on Friday, March 14, and charged with driving under the influence of liquor.

Public Safety Officer Bruce Darlington, in an official statement, disclosed he was patrolling south on Lakeshore road when he observed a car traveling north at a very high rate of speed.

The officer turned his scout car to give pursuit and during the chase paced the motorist, later identified as Vitale, at more than 65 miles per hour beginning in the area of 900 Lakeshore.

PSO Darlington said Vitale was weaving in the fast lane before he brought the driver to a halt at Nine Mile road and Jefferson in St. Clair

Shores.

Vitale was asked for his operator's license and car registration and was able to produce the license with some difficulty. But he was unable to come up with his registration while fumbling through his wallet.

Vitale, who had agreed to a breathalyzer test, was taken to The Farms station where a machine is kept for that purpose. He was given two tests and failed both.

### St. Paul Sets Music Program

The senior choir of Saint Paul's Evangelical Lutheran Church, 375 Lothrop road, will present "The Seven Last Words of Christ" by DuBois on Sunday, March 23, at the 11:00 a.m. service.

The choir will be assisted by soprano, tenor and baritone soloists, and by instrumentalists from Saint Paul's and the South High School instrumental music department.

**GP Retirees Set Meeting**

The regular monthly meeting of the new Grosse Pointe chapter of the American Association of Retired Persons is Monday, March 24, in the Fellowship Hall of the Grosse Pointe Woods Presbyterian Church, 19950 Mack avenue, starting at 1 p.m.

The gathering will feature Jack Gilbert's presentation of the RSVP Program for Wayne County. The Retired Senior Volunteer Program is federally funded and dedicated to providing volunteer opportunities for all older persons who wish to serve their community.

A variety of services is available at hospitals, schools, homes for the aged, foster homes, child care centers, libraries and museums, with volunteers receiving some compensation.

Mr. Gilbert will tell how personal interviews can be arranged for persons to discuss what they would like to do, and to arrange details of transportation.

Arrangements also can be made for volunteers to first visit the institution or agency prior to service to help get acquainted with the people, the location and future activities.

The talk will be accompanied by films and music.

**Suspect to Face Circuit Court**

A 17-year-old Detroit youth was bound over to Wayne County Circuit Court for trial last month on a charge of breaking and entering an occupied dwelling with intent to commit larceny.

Woods police said the scheduled Circuit Court pre-trial hearing date for Randall Stephen Borrer is Tuesday, March 25. He's allegedly involved in burglarizing a Huntington road home on February 5.

The case of another youth, who turned 17 five days after the break-in and who's allegedly involved in the burglary, has been returned to Wayne County Juvenile Court for disposition.

The pair was nabbed by Detroit police on the 5th at the home of one of the suspects. A variety of items taken from the Huntington road home, including a color television set and a squirrel fur cape, have been recovered.

 DEVONSHIRE DRUGS

Attractive women and men have healthy skin; and a healthy skin is dependent on a well nourished body, vigorous physical exercise which stimulates circulation and cleanliness. Severe cases of acne, or other skin conditions should be treated by a dermatologist. Women are often advised to use some sort of moistening lotion on their skins. This is especially important for the protection of skin cells — moisture keeps the skin from drying, and getting that "weathered look."

Moistening lotions and skin creams are available at the health and beauty aids department of DEVONSHIRE DRUGS, 16037 Mack, (on the block). We also keep a complete stock of preparations prescribed by doctors for more severe skin problems. Personalized service is given by professional pharmacists in our prescription department, and as a special service, we offer free prescription delivery. Call us at 881-0178. Stop in and look over our displays of Easter candy and greeting cards. For your convenience we also have a full line of liquor, beer and wine. We are open Monday through Saturday from 9 A.M. and 9 P.M.

**Seniors Focus of Food Co-op's**

Michigan's senior citizen population may get a chance to manage their own food cooperatives and food buying clubs if recently passed Senate legislation becomes law.

The food co-op and club program, introduced by Second District Senator John Hertel, provides for the es-

tablishment of centers where bulk quantities of food would be purchased and distributed by those wishing to participate in the program.

"The benefit of such a program to senior citizens is obvious," said Mr. Hertel in a news release from his office. "Those people who have to budget fixed incomes will be able to bring down the cost of food to a more reasonable level."

**New Session For Dance Club**

A spring session will be opened for the Thursday Night Dance Club of the War Memorial. The club is under the direction of Mr. and Mrs. Ted Forrest. Beginning sessions are set for 7:30 and 8:30 p.m., with the more experienced group meeting at 9:30 p.m.

The season lasts from March 27 to May 29. Membership is \$20 a person or \$35 a couple for the 10 week activity.

All members are taught basic ballroom dances as well as modern movements and some ethnic dances. An evening in Greek Town also is planned. And partners are not necessary at registration.

**Park's Fire Loss Shows Big Increase over 1973**

The Park's 46th annual fire report, accepted by the council on Monday, March 10, showed that the 1974 fire loss in the city was \$143,648 more than in 1973.

The total loss last year amounted to \$208,404, as compared to \$64,756 for the previous year, according to the report submitted by Fire Chief Phillip M. Costa.

Chief Costa stated the increase was due to three large fires that caused damages amounting to \$179,752.

He also disclosed there was

a decrease in public service runs and an increase in fire and ambulance runs.

The Training Council of the State of Michigan has decreed that a standard 240-hour training program be established for all fire departments in the State. This program is broken down in four 60-hour programs. Personnel of his department have completed the first 60-hour program and are well on the way towards finishing the other 180 hours. These should be concluded either in September or October.

Chief Costa said with the acquisition of a 1974 100-foot Seagrave aerial truck, the firefighting potential of his department has increased five fold.

**Council to Hear YSD Detective**

Grosse Pointe Memorial Church, 16 Lakeshore road, has scheduled services for the observance of Holy Week.

A Maundy Thursday Seder Meal is planned for Thursday, March 27, at 6:30 p.m., for entire families. Reservations may be made through the church.

On Good Friday, March 28, a meditation service from 1 p.m. to 2 p.m. will feature music by organist Paul L. Reynolds and scripture reading by Dr. Ray H. Kiely. A Tenebrae service is set for 8 p.m., at which time the Office of the Tenebrae will be observed and the Chancel Choir will sing "The Seven Words of Christ from the Cross" by Heinrich Schuetz.

Three morning services will be celebrated Easter Sunday at 8:30, 10 and 11:30 a.m. The sermon by Dr. Kiely entitled "YES!" is based on the book of Revelations, 2:20.

Further information on any of the services may be obtained by contacting the church office at 882-5330.

**To Offer Water Safety Classes**

The Department of Community Services of the Public School System will offer three sections of Senior Lifesaving classes and one section of the Water Safety Instructor Training class, beginning the week of April 20 and April 6, respectively.

Each section of Senior Lifesaving will be conducted for six weeks, with classes scheduled from 6:30-9:30 p.m. on Mondays, at South High School, Tuesdays, at Pierce Middle School and Thursdays, at North High.

The Water Safety Instructor Training class meets for 10 weeks, from 7-10 p.m., Thursdays, at Brownell Middle School.

Registration fee for Senior Lifesaving is \$15 while the Water Safety Instructor Training course costs \$10.

Senior Lifesaving class enrollment is limited to persons 15 years of age and older and the Instructor Training class is limited to persons 17 years of age and older who hold Senior Lifesaving certificates. A preliminary swimming test is required for both classes.

Further information and registrations may be obtained by calling the Department at 885-3808 or 885-0271.

The Department of Community Services of the Public School System will offer three sections of Senior Lifesaving classes and one section of the Water Safety Instructor Training class, beginning the week of April 20 and April 6, respectively.

Each section of Senior Lifesaving will be conducted for six weeks, with classes scheduled from 6:30-9:30 p.m. on Mondays, at South High School, Tuesdays, at Pierce Middle School and Thursdays, at North High.

The Water Safety Instructor Training class meets for 10 weeks, from 7-10 p.m., Thursdays, at Brownell Middle School.

Registration fee for Senior Lifesaving is \$15 while the Water Safety Instructor Training course costs \$10.

Senior Lifesaving class enrollment is limited to persons 15 years of age and older and the Instructor Training class is limited to persons 17 years of age and older who hold Senior Lifesaving certificates. A preliminary swimming test is required for both classes.

Further information and registrations may be obtained by calling the Department at 885-3808 or 885-0271.

This piece of apparatus not only has a 100-foot by 100-foot by 100-foot ladder, but 109 feet of assorted ground ladders, hose-carrying facilities and last, but very important, many firefighting and rescue tools.

The residential building loss last year amounted to \$121,604.56. The commercial building loss was \$250; contents loss, \$84,444.73, and loss to autos by fire, \$2,105.69.

The value of buildings involved is \$15,030,900; contents, \$3,139,824; and cars, \$19,180. This totals \$18,189,874.

The fire loss per capita, based on The Park's population of 15,641, is \$13.02, Chief Costa reported.

The Park Fire Department made a total of 789 runs with its firefighting apparatus, of which 36 were false—17 were justified and 19 were malicious.

The fire department made a total of 468 ambulance runs during 1974, Chief Costa said.

He stated in his report that the ambulance serviced many local residents, and with the Emergency Medical Service, (E.M.S.), trained personnel, those requiring the use of ambulance were given a more professional type of first aid treatment.

**Youth Service Division  
 Says MDP Cases on Rise**

Seventy reports of offenses were received by the Youth Service Division, (YDS), in February. This was an increase of 10 cases over the January total and a rise of 28 over February 1974. The total for the year to date is 130, an increase of 40 over the same period last year.

In related categories, five breaking and entering cases and four possession of stolen property incidents were processed. These involved 10 identified male juveniles and six identified males just past their 17th year. Three of the break-ins were dwellings, while two happened at South High School.

**To Build New  
 Postal Station**

Postmaster Edward L. Baker announced last week that a \$48,770 contract has been awarded to Eberle M. Smith Associates, Inc., of Detroit to design a new postal facility to replace the present Kercheval Station on Detroit's east side.

The new station will be located on a 125,000 square-foot site at the northeast corner of East Jefferson avenue and Algonquin street.

Mr. Baker said it will serve postal customers in the 48215, (Detroit), and 48230, The City and The Park), ZIP Code areas, just as the present Kercheval Station at Kercheval avenue and Marlborough street does.

The building will be of exposed aggregate precast panels and panel bricks with a minimal glass area. Paved parking will be provided for customers, employees and postal vehicles.

The postmaster said present plans call for completion of the building sometime next year.

Malicious destruction of property, (MDP), was the category of highest incidence last month with 16 such cases being processed. These involved 30 juvenile boys throwing missiles, (eggs and rocks), at house and school walls, doors and windows; damage to autos and fences by kicking; and damage to lawns by cars.

The division made it clear that the aforementioned 30 juveniles are those who have specifically been identified. There were a significant number of others who got away.

There's apparently a rising incidence of MDP cases via the youth at this time with those in groups gaining courage by way of mob psychology, the division feels.

Numbers-wise, 23 MDP incidents, (including seven two months ago), have been reported this January-February in comparison and three, (four in January and three in February), last year.

Larceny/theft was the category of second highest incidence last month with 14 such cases being reported. These involved 12 boys and one girl.

**WOMEN HEAR BETTER**  
 Studies indicate that from the early teen years through their late 60's women generally have better hearing than men, officials of the Beltone Crusade for Hearing Conservation point out. Because this seems especially true from the ages of 25 through 65, one of the reasons considered stems from the fact that women are generally less exposed than men to occupational noise during these working years.

**COL. DARWIN D. MARTIN**  
A memorial service for Col. Martin, 75, of Vernier road, was held Monday, March 17, at Saint Michael's Episcopal Church. He died Thursday, March 13, in Miami, Fla.

Col. Martin was retired from the U.S. Army after a career that extended from the Mexican Border Campaign in 1916 to the Korean war.

Lying about his age, Col. Martin enlisted in the Michigan National Guard which was shortly thereafter activated and sent to serve under General John J. Pershing in the Southwest.

He returned to Detroit but later served with the 32nd, (Red-Arrow), Division during World War I where he rose from a private to sergeant, and where he received the American Silver Star and the French Croix de Guerre for heroism.

He was appointed to the U.S. Military Academy in 1920 and was graduated in 1924. Subsequent assignments took him to numerous army posts in the U.S., as well as China, Japan, Hawaii and the Philippines.

Following the attack on Pearl Harbor, Col. Martin helped organize air defense units in the Mid-Pacific for which he received the Legion of Merit. He later participated in the Philippine Campaign during the latter part of World War II. In post-World War II and during the Korean War, he served on the Inspector General's staff of General Douglas MacArthur and General Matthew Ridgeway.

He retired in 1954 and moved to The Woods. He was associated with Maxon Brothers Realtors, now Higbie-Maxon, for a number of years.

He was a past president of the West Point Club of Michigan and was a member of the Army-Navy Country Club, Arlington, Va., and of the Senior Men's Club of Grosse Pointe.

Col. Martin is survived by his wife, Grace; two daughters, Mrs. Robert Dingeman and Mrs. Charles Young; a son, Darwin Jr.; a sister; nine grandchildren and two great-grandchildren.

Memorials may be sent to the Alumni Association of the U.S. Military Academy, West Point, N.Y., or Saint Michael's Church.

Col. Martin's body was donated to the Medical School of the University of Miami.

**JAMES B. WATTS**

Funeral services for Detroit Police Officer James Watts, 26, of Nottingham road, were held Wednesday, March 19, at Our Saviour Lutheran Church and the Verheyden Funeral Home. He died Saturday, March 15, in Mt. Carmel Hospital.

Officer Watts died from gunshot wounds inflicted 11 months ago during a drug raid on a northwest Detroit home. A five-year police veteran, he was one of four

officers fired upon April 16, 1974, when they sought to serve arrest warrants charging delivery of heroin on occupants of a house on Appleton.

A Highland Park detective was killed in the raid. Officer Watts had been assigned to the Police Department's Narcotics Section.

He is survived by his wife, Susan; a son, Paul; his parents, Mr. and Mrs. J. Simon; one brother, and one sister.

Interment was in Woodlawn Cemetery.

**LOUIS J. SCHWARTZ**

Funeral services for Mr. Schwartz, 67, of Kercheval avenue, were held Monday, March 17, at the Verheyden Funeral Home and Saint Clare of Montefelco Church. He died Friday, March 14, in Bon Secours Hospital.

He is survived by his wife, Edna M.; and one brother. Interment was in Mount Olivet Cemetery.

**IVAN JANEVIC**

Funeral services for Mr. Janevic, of Maryland avenue, were held Monday, March 17, at the Verheyden Funeral Home. He died Friday, March 14, in Jennings Hospital.

He is survived by one son, Thomas; two daughters, Mrs. Diana Savage and Rose, and three grandchildren.

Interment was in Forest Lawn Cemetery.

**CONSTANCE DOMAN**

Funeral services for Mrs. Doman, of Moross road, were held Wednesday, March 19, at the Verheyden Funeral Home and Saint Paul on-the-Lake Church. She died Saturday, March 15, in Saint John Hospital.

Mrs. Doman owned Graphic Arts Service and was in business for 25 years.

She is survived by her husband, Bernard A.; a son, Robert, and two daughters, Elizabeth and Mary Anne. Interment was in Resurrection Cemetery.

**CECILIA PRINDLE**

Funeral services for Mrs. Prindle, 78, formerly of Berkshire road, were held Wednesday, March 12, at the A. H. Peters Funeral Home.

A life long resident of The Park, she was a member of Pillar Chapter O.E.S.

Mrs. Prindle was the wife of the late Allan M. Prindle. She is survived by two sons, Alfred T. Allard and Horace A. Prindle; a daughter, Mrs. Owen Jeakle; 11 grandchildren; two sisters, and two brothers.

Interment was in Redford Pioneer Cemetery.

**Safeguard Hearing**

One of the reasons hearing loss problems have become so widespread in recent years is because so few Americans actively seek to safeguard their hearing ability, officials of the Beltone Crusade for Hearing Conservation point out. Avoid prolonged or continuous exposure to harmful noise and protect your hearing, they urge.

**"SURPRISE" COLONIAL OPEN SUNDAY 2-5 968 WESTCHESTER**

This attractive home has more surprises than an old-time Easter Basket! A master bedroom with full bath on the first floor heads the list. Others include a spacious family room with fireplace, three bedrooms and bath up, modern kitchen and excellent decor. Put this delight at the top of your "list" for Sunday!

**43 VERNIER ROAD**

HOW ABOUT A FOUR BEDROOM NEW ENGLAND COLONIAL IN GROSSE POINTE SHORES, UNDER \$58,000! And if this sounds intriguing, imagine a paneled den and a spacious family room with fireplace. If you think you'd better call now, you're right!

**LAKELAND, IN THE HEART OF THE CITY**

If a newer 4 bedroom home on a spacious lot, in an exceptional neighborhood is your idea of a nice way to live, have we got something nice to show you. To add to the value, there's a handsome circular drive, three full baths, two lavs, library, family room, modern kitchen and central air. And the lower level family room will please your entire family. Now at a new low price.

**AND, IN WINDMILL POINTE —**

Let's start with the kitchen. . . \$10,000 wouldn't duplicate it. And for those who appreciate functional contemporary style, and need four bedrooms, two baths and family room, but desire a home that is distinctively different, this choice home could be just the "ticket."

**Men's Garden Club to Meet**

The Men's Garden Club will hold its regular meeting on Thursday, March 20, at 8 p.m. at the Central Library, 10 Kercheval avenue. The topic will be growing vegetables in home gardens.

Harold A. Wiek, winner of many ribbons in club competition and frequent Garden Club of America representative, will be the guest speaker.

During a question and answer period, Mr. Wiek will be joined by Elmore W. Frank, past president, and George Vincent, director of the club. All male gardeners in the area are invited to attend.

Pride can be a real asset or liability—it holds a few up and throws many others down.

**Let's Talk Real Estate**

by John E. Brink

Well it looks like the "rebate" is coming to the Real Estate business. Its with mixed emotion that we discuss the possibility of a \$2,000.00 government tax credit.

This is the time of year when Real Estate literally goes wild. Houses are sold before they hit the market. Full asking prices are realized and in general business is simply fantastic! And now we have a possible tax credit of \$2,000 offered to the buyer!

We wonder how it would work out if this some \$2,000 tax credit were given instead to the Seller?

Regardless — its time to sell, if you're going to sell. The people of Grosse Pointe Real Estate Co., 882-0087, are willing and capable of helping you determine the correct price.

**HINT**

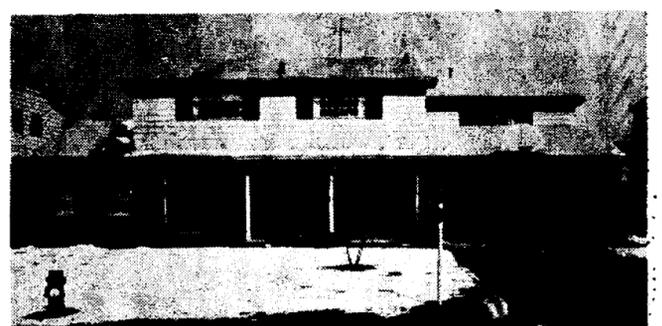

You can judge a good Real Estate company by its advertising.

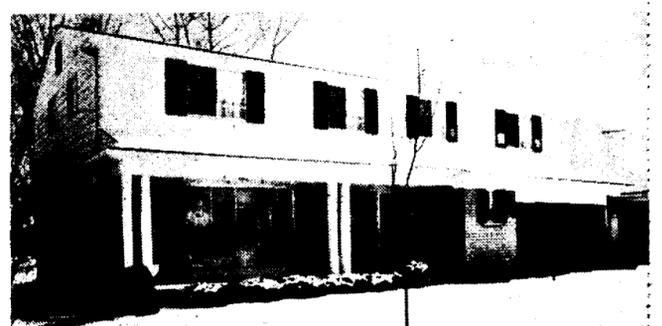

**845 LAKESHORE.** Warm weather is coming, believe it or not, it's right around the corner or in this case, just across the street. This beautiful three bedroom ranch with main floor laundry, den and family room is walking distance to one of the finest lakelands parks in the country. Its tennis courts, swimming pool, picnic area and boat wells are almost in your front yard.

**A TRULY** magnificent home located in Grosse Pointe Shores only steps from the water's edge. This regal almost new southern colonial features a view of the lake, a master bedroom with natural fireplace, a den as well as a family room, central air conditioning and landscaping that compliments the elegant home it surrounds.

**IT'S DIFFICULT** to find six bedrooms in Grosse Pointe especially in a newer home. We have found one for you and it's located on one of the Pointe's most popular courts. This beautiful colonial was built in 1963 but a recent addition increased its size to six bedrooms, three and one half baths. There's a family room with fireplace, pantry with sink, main floor laundry, service stairs, central air conditioning and many more extras. Priced under \$80,000, it has a \$44,000 assumable mortgage at 7½%.

**21502 WEDGEWOOD** is the in place to be if you want to see the newest five bedroom colonial to appear on the market. Between Moorland and Woods lane, this house spreads comfortably across a seventy foot lot, and has a circular staircase reaching up from the entrance foyer. Great family room and plenty of yard area. Step lively. Step up. Step into a mortgage balance of \$52,000 at 7½%.

### Park Court's 1974 Report Reveals Drop in Revenue

The total revenue from The Park Municipal Court and the Violations Bureau for 1974 showed a decrease of \$2,575.95, as compared to the 1973 figure, according to an annual report submitted to City Manager Robert Stone by Municipal Judge John R. Urso. The total figure for 1974 was \$81,908.80, while in 1973 it was \$84,484.75. The report showed a drop in the payment of fines, court costs and bond forfeitures last year as compared to the previous year. In 1974 the amount was \$35,899.78 and in 1973 it was \$37,744.75. The decrease was \$1,844.97. Law violators personally appeared at the Violations Bureau last year to pay fines amounting to \$46,009.02. In 1973, the total was \$46,710. The total number of violations paid in the Violations Bureau was 7,929 last year, whereas, in 1973, it was 6,560. Judge Urso revealed the following data regarding dis-

positions in court cases pertaining to traffic and city ordinances. The figures are for 1974: Fines and court costs, 623; bonds forfeited, 367; sentence suspended, 80; not guilty, 18; probation, 150; operator's licenses suspended, 45; jail sentence, 36; sent to Lansing, (licenses), 196; appeals to Circuit Court, two; nolle pros, (the plaintiff and prosecutor will proceed no further in a suit or action), none; cases dismissed, 142. Capias, (bench warrant authorizing the arrest of a person), issued, 18; re-examination by Secretary of State, one; contempt of court, none; drivers ordered to attend traffic school, 42; violation of probation, none; no complaint taken, four; jury trials held, one; fines ordered paid through the Violations Bureau, 147; and warrants issued, 608. There were 41 dispositions of State cases, bound over to Circuit Court for further trial, 25; cases dismissed, eight; fines paid, five; nolle pros, one; no action taken, two. Revenue received from the Wayne County Treasurer, \$304.15, was turned over to The Park city treasury. Civil suits heard came to 12; no service, three; not guilty, one; guilty, three; judgment rendered, three; counterclaimed to Circuit Court, one; and appeal, one. The number of State cases started was 39 and civil suits totaled 15.

### To Stage 'Dolly' at De La Salle

The De La Salle High School Wig and Mask Society will present "Hello Dolly" in the South Lake High School Auditorium, Nine mile road and Mack avenue, at 8 p.m. Friday-Saturday, March 21-22. The male leads have been taken by Edmund Guay, Bill Sheppard, Doug Miller and Mike Ard, all De La Salle students. Female leads are Dominican High School students Donna Marras, Diane Nakkula, Trance Shaheen and Colette Kronner. Admission to the play is \$2.

Men can be improved a little, but not radically changed.

### St. James Sets Confirmation

Nineteen boys and girls will be confirmed at Saint James Lutheran Church, McMillan Road at Kercheval, on Palm Sunday, March 23, at 11 a.m. The eighth grade class to be confirmed has completed four years of pre-confirmation instruction through weekly periods of the congregation's Tuesday School. Those to be confirmed include Lise Blumenstock, Kenneth Clein, Margaret Coumen, Henry Drettmann, Britta Duensing, Elizabeth Flood, Alice Kachman, Mark Lemke and Kimberly Mathews. More are Brian Nicholson, Paul Nicholson, Pamela Pierce, Kimberly Pierce, Gary Schweitzer, Robert Schweitzer, Jeffrey Skau, Thomas J. Stevenson III, Sarah Ulmer and Susan Ulmer. Pastor George Kurz, who has been meeting with the group during the eighth grade this past year, will perform the rite of confirmation.

### Parcells Girls See New Styles

Parcells Middle School girls got a line on the newest in spring attire Friday, March 7, as they took in an afternoon fashion show, courtesy of Jacobson's in The Village. Fifteen girls, chosen from all grades by their classmates, modeled outfits they had selected themselves from the Miss J and pre-teen departments. While they may have lacked the cool detachment of professionals, their familiar smiles more than compensated. According to Jacobson's public relations director, Carolyn Barnhart, who provided the commentary, the Parcells event was the third given this year. The other two were presented at Pierce and Maire, with the Maire show featuring boys' fashions at the insistence of principal Don Bassett. The shows are all put on free to area schools and they generally are put together by a five-man-or-woman team from the store. Usually, Mrs. Barnhart selects the outfits students will wear and the various department heads assist with fittings and provide crash courses in modeling finesse. The participating schools provide the stage, sometimes some musical accompaniment, and in Parcell's case, a spring backdrop to play up the colorful fashions. A short lesson in protocol precedes each fashion show with Mrs. Barnhart telling the girls fashions should be fun and reminding them that their classmates are not professionals. "Feel free to applaud for an outfit you like," she comments, "and if you see something you don't like, remem-

### Woods Police Nix Prosecution

Woods police have decided not to prosecute a 22-year-old Royal Oak Township man who admitted holding up the Elias Brothers Restaurant, 20710 Mack avenue, on January 4, as he's being prosecuted in two other cities. Police said the man pled guilty to an unarmed robbery charge in Livonia and also pled guilty to assault with intent to rob while being armed in Harper Woods. Officers had earlier stated if the suspect is convicted, he won't get any more time as sentences are served concurrently. The man was nabbed by Livonia police on January 5.

## North Gymnasts Win League Championship

The Bi-County Gymnastics Championship meet was held at North High School Saturday, March 8. Five area teams competed for the league dual meet title.

The gymnastics team from North claimed the title, winning the meet by 111.23 points, eight points ahead of the second place Lakeshore.

North also won the season trophy for defeating each of the eight teams they met during the year's competition.

Four girls from each team entered the competition in each of the six events. The events were vaulting, tumbling, uneven parallel bars, balance beam, floor exercise and trampoline. North dominated in five of the events, taking six first places,

two second places and two third places.

Individual awards were given to the three outstanding gymnasts in each event. Winning medals from North on tumbling were Patti Hallmann and Ginny Kavelage tying for first place, and Lisa Stout received an award for second place. Miss Hallmann also took first places in vaulting and floor exercise.

Debbie Jevons received two medals, one for third place in floor exercise and first place on the beam. The competition on the uneven bars was tough, but Miss Kavelage placed second and Miss Stout placed third in this event. A first place medal was awarded to Sue Moody after a fine performance on the trampoline.

The final standings of the meet shows North, first, 111.23 points; Lakeshore, second, 103.05; Fraser, third, 96.34; Lakeview, fourth, 91.69; and Clintondale, fifth, 67.14.

Gymnastics individual medals were awarded to the girls by North principal G. Bruce Feighner; assistant principal Florence Miller; and Edward Wernet, athletic director. Mr. Feighner accepted the trophies for North, and in turn presented them to Coach Mary Byerly and Miss Jevons and Anne Furlong, team captains.

North's gymnastics team has made victory a habit by winning all of its nine meets to become the only undefeated team in the league. The team is small and is composed of only 12 girls.

Miss Jevons and Anne Berggren, a foreign exchange student from Sweden, are the only seniors on the team. Miss Furlong, Maureen Lawlis and Barb Martin are the junior members. Miss Hallmann and Miss Stout are both sophomores and Deana Iwanau, Miss Kavelage, Miss Moody, Judy Olsen and Marie Zapytowski compose the freshmen members.

### DYC Girls Better Times

By Nancy Hurd  
The 1975 AAU Short Course State Championship in Kalamazoo was held Friday-Sunday, March 14-16, with approximately 40 teams competing. Detroit Yacht Club girls took home awards and better times.

Mimi Storen, 10, placed third in the 100 IM, fourth in the 50 back, fourth in the 100 breast, third in the 100 back and fourth in the 200 IM in the girls 10 and under age group.

Kelly Gest, 13, did very well in the girls 13-14 age group with a first in the 100 fly at 1:02.4, a second in the 200 back, a third in the 100 back and a fifth in the 50 free. Laurie DeSantis, also in the girls 13-14 age group, took a fourth in the 200 breast and a third in the 100 breast.

Those swimmers not placing but improving their times were Sue Harrington, Mary Austerberry, Laurel Baculis, Sue Brieden, Sarah Brieden and Cindy Gannon. Girls who swam in relays only and improved their times were Tricia Carroll, Denise DeSantis, Linda Everingham, Sarah Ryan, Margaret Sobieski and Gay Storen.

Now that the girls can take a rest the club can look forward to the State Championship Short Course for boys Friday-Sunday, March 21-23, in Royal Oak.

The cost of living is really high for a great many people who have dignity to support.

## Grosse Pointe Swim Club Has Productive Meet

The Grosse Pointe Swim Club placed third among 43 Michigan AAU teams in the 1975 Age Group State Swimming Championships at Royal Oak Kimball High School Thursday-Saturday, March 13-15.

GPSC Coach Tim Kennary was very pleased with the times turned in by his girls in one of the finest meets ever held in Michigan. Over 20 State swimming records were broken in the three days.

"This is a real tribute to the progress made by our Michigan girls on the national scene," said Jack Shook of the GPSC.

In girls 10 and under Sara McLeod gave a fine performance in the 100 yard breaststroke with a second place time of 1:21.541. Sara came back in the 50-yard breaststroke and placed third with a 38.048. She was the only 10-year-old GPSC swimmer to qualify for the meet.

In 11 and 12 girls action, Lisa McFarland, Chris Truhol, Whitney Semple and Frances Shook took fourth place in the 200 medley relay with a time of 2:08.892. The same girls swam on 200 free relay which placed sixth with a time of 1:57.276.

Whitney Semple placed fifth in the 50-yard backstroke with a time of 32.111, but had her best 50 back in the "prelims" with a time of 31.748 — the second fastest time of the meet.

Frances Shook placed in five individual events: the 200 IM in 2:28.157, the 100 IM in 1:07.252, the 100-yard backstroke in 1:09.841, and she placed second in both the 50 and 100 yard breast. But she was beaten by Sue McMillan of Garden City in both events with both girls breaking State records.

In the 100 yard breast Frances went 1:11.456 to Sue's 1:11.195, and in the 50 yard breast Frances finished at 32.405 to Sue's 32.388. These breaststroke times should rank both girls among the top five breaststrokers in the United States this year among 11-12 girls.

In 13-14 girls, the 800-yard

free relay with Amy Renchler, Julie Eugenio, Margaret Wittmer and Debbie King placed sixth with a time of 8:48.248 and their medley relay at 400 yards was in at 4:26.922.

Debbie King was the individual star in her age group, placing fourth in the 100 free at 57.129, the 200 free at 2:03.244 and she was second in the 50-yard free with a 25.9.

In girls 15-17, Mickey and Megan Montagne were standouts for GPSC. They both swam with Abbie Frame and Dolores Meehan in the 400 free relay which placed second with a time of 3:48.256. Their 800 free relay time of 8:24.454 also was good for a second place finish.

Mickey Montagne placed in five events. She was first in the 50-yard free with a time of 25.336, second in the 100 back with a 1:02.207 and third in the 200 IM at 2:19.072. Her 100 free was good for third with a 56.143 and she placed in the 200-yard backstroke with a 2:19.345.

Sister Megan Montagne, who just moved into the 15-18 age group, swam a great meet and placed in four individual events: the 100 free, first with a winning time of 55.963, fourth in the 200 IM at 2:19.667, third in the 50 free at 25.601 and fourth in the 200 freestyle with a 2:03.445.

The girls State championship meet ends the indoor AAU season for the ladies and coach Kennary will take his boys to Western Michigan University for their championships next weekend.

### UNWANTED NOISE

While government agencies are focusing increased attention on the dilemma of unwanted noise the problem is hardly new, officials of the Beltone Crusade for Hearing Conservation point out. Noise banning ordinances prohibiting metal work and the penning of roosters within city limits date back 2,500 years to the ancient Greek community of Cybaris, officials said.

## Hunger Group Meets Sunday

In response to the ever-present problem of world-wide hunger, the "Hunger Coalition," comprised of representatives from the Grosse Pointe Inter-Faith Center for Racial Justice, the Grosse Pointe Human Relations Council and the Grosse Pointe Ministerial Association, has scheduled a meeting for Sunday, March 23, at 2 p.m. in the Grosse Pointe Memorial Church, 16 Lakeshore Road.

The public is invited to attend Sunday's meeting.

The hunger problem which includes such activities as legislative lobbying, writing to representatives and holding general education sessions.

Scheduled speakers are Mrs. Kathrin Stark, from Saint Bernard's Community School, Mrs. Dorothy Lowery, from Saint Peter Claver Community House, and Brother Charles Mueller, from the Saint Bonaventure Capuchin Monastery.

They will discuss the problem of hunger and malnutrition in Detroit and their work in relation to it. The audience will break up into small groups with each of the speakers to discuss what The Pointe, as a neighboring community, can do to help.

The Coalition has spearheaded a drive to deal with

### WINS APPOINTMENT

Detroit Bank & Trust has announced that Carl Eckert, of Washington road, has been appointed to assistant trust officer, giving him bank officer status. Mr. Eckert joined the bank in 1972 and formerly served as a member of the personal trust staff's administration activities. Mr. Eckert, who is a member of the American Institute of Banking, was a teacher and counselor at Culver Military Academy in Indiana before coming to Detroit.

## Know Your Schools

By Dr. James A. Adams, Superintendent

On Friday, March 14, as a major portion of our Staff Development Day, we presented to the professional staff, some of the data generated by the Community Educational Assessment which was conducted during late January and early February.

During the planning stages of the project it was the decision of our Steering Committee to poll everyone in the community, hence the mailing of an issue of "Emphasis," the Board of Education's newsletter, devoted totally to the questionnaire.

Although we understand that a return of 2,600 from our citizens out of 21,000 is not a bad return from a mass mailing, we are concerned about basing long-range educational plans on this percentage. Therefore, we plan to do a follow-up study to validate community response.

We thought that more citizens would like a voice not only in rating the importance of portions of the curriculum, but also in telling us how well we are doing the job. Although we wanted to give everyone the opportunity to respond we are grateful that so many took the time to answer.

As we prepared preliminary data for the staff, rather than use the percentages generated by the computer, we simplified the material on a scale of one, two, three or four. The composite scores used as the basis for bar graphs were the average scores computed from those questionnaires on which the

respondents expressed a definite opinion.

The four groups whose responses were reported in bar graphs are defined as follows: Professional Staff — 374 teachers and administrators who were polled in their respective buildings in late January.

High School Students—2,045 students at North High and 2,015 at South High who responded.

Parents—A summary of responses on 1,892 questionnaires from parents of children currently attending grades K-12 of the public schools. This is a sub-group of the community total.

Community — The group represented by 2,629 questionnaires returned by mail from late January through mid-February.

Staff members are currently scanning the comments sections of the returned questionnaires for insights that might improve their areas of responsibility.

For example, Mrs. Edward Wernet, a counselor at Brownell Middle School, spent almost two hours gleaming what she could from them to tell a group of counselors about the middle school reaction to program and staff. Others on the staff are planning to study the questionnaires in the near future.

As promised, a full report to the public will ultimately be made on our Community Educational Assessment. In preparing the report, we hope to simplify the data for public understanding.

## Letters to the Editor

To the community:

On Thursday evening, March 13, we attended an excellent concert in honor of Music in Our Schools Day. Grade and junior high schools from the south end of the school district joined the South High choir and orchestra in South's Gymnasium for an evening of song that was truly impressive.

The young people and their teachers deserve high praise for the discipline, enthusiasm and talent they brought to the performance.

However, the evening was marred by the unruly children and indifferent parents in the audience. Well-mannered people simply don't walk around during a performance. They don't even walk in the door during a number.

Yet this meandering went on all evening by adults as well as youngsters.

Junior high and high school students who came only to whisper, giggle and bounce up in the balcony should have been firmly escorted out. Surely someone in our school system has this authority.

Those young people who worked so hard to give this community such a splendid program deserved a quiet and attentive audience. We were really ashamed of the behavior of many in attendance that night.

Mr. and Mrs. D. G. Schneider

Dear Sir:

The conservation of energy is essential if we are to fulfill our basic needs in the upcoming years.

One way to start conserving is to find alternate means of transportation. To encourage people to ride bikes more often, bicycle-paths should be built between the sidewalks and the streets.

This would offer much safer riding, because there would not be any danger of being hit by a car. This is a general practice in Holland and England, where bicycling is a common means of transportation.

I think something like this would make Grosse Pointe a leader in the conservation of energy.

Sincerely,  
Jeanne Ballew

## One View From The Capitol

By William R. Bryant, Jr.

A recent issue of "Time" magazine reports that these are hard times for kids, too. So, while it may not be part of my job representing you in Lansing, let's talk about the problem.

The article in "Time" cites Wayne County child battering cases were 219 in the first two months of 1975 compared to 163 for the same period in 1974.

A caseworker says she has never seen so many child abuse cases in so called "stable" families.

The indication is that layoffs, job and money fears are setting off tempers of parents who normally would not abuse their children. The problem is made worse by laid-off parents being at home all day and being subjected to nerve scraping actions and noises of children they are used to seeing only

in the morning and evening. It is my hope that knowing these added tensions are bound to create increased risks of child abuse that special efforts can be taken to prevent the terror and possible crippling tragedy of such abuse.

These are hard times for many of you. But, please, do whatever you can do and must do to avoid a loss of temper which may result in you hurting your own child.

If it has happened or if you feel you have come too close, then get help from your minister or from a mental health professional. And don't feel it simply couldn't happen to you because you love your children. Yes, you love your children, but it is clear that fact does not mean you could not, therefore, abuse your child.

## What Goes On at Your Library

By Arthur M. Woodford  
Chief of Central Library

Our books on military history have many enthusiastic readers. Over the past year a number of fine volumes covering this subject have been added to our collection. Here is a sampling of some of these new titles.

**IN MARCH TO MASSACHUSETTS** (McGraw-Hill). William H. Guthman has written an excellent account of the first seven years of the United States Army covering the period 1785 to 1791.

At the end of the American Revolution, England ceded to the economically depressed victors the rich Northwest Territory which included Detroit and Michigan. The United States simply had to get it from the Indians by treaty or force — dangerous work either way. Force meant an army, and Congress established one in 1784. By 1791 that pitifully small, ill-led and under-equipped force suffered what is usually considered the worst defeat in the U.S. Army's history—a "massacre" by Miami Indians and by Chief Little Turtle near Fort Recovery, Ohio.

Mr. Guthman, a noted authority on early American military history, in this handsome big book sets down the story and its surrounding events for the first time. Military buffs should treasure the book, which is copiously illustrated.

John Harris's **THE GALLANT SIX HUNDRED**, (Mason & Lipscomb), is the story of the famous Charge of the Light Brigade at the Battle of Balaklava in 1854 during the Crimean War.

Mr. Harris gives special attention to the four men who were responsible for the gallant but wasted effort at the Light Brigade. He explores the emotional and psychological characteristics of general Raglan, Lucan and Cardigan, and the impetuous Captain Nolan.

The author's well-written narrative describes the preliminary activities of British forces before their arrival in the Crimea, the horrid mismanagement of the British command at the River Alma and at the siege of Sebastopol, all of which culminated in the famous charge. Mr. Harris places considerable emphasis on Nolan's role in the cavalry disaster. Of the three generals, he places

most of the blame on Raglan and Cardigan.

Finally, Mr. Harris gives us his account of the Light Brigade, composed of about 600 sickly men and weak horses, advancing with staggering losses against the Russian cannon. The "Sources" and the "Notes on Sources" and the detailed index give evidence of considerable research on this sorry chapter in English military history.

With Donelson, Vicksburg and Chattanooga behind him, Grant is made commander of the Union armies. It is March 1864. With this event, Shelby Foote begins the final volume of his massive and brilliant trilogy, **THE CIVIL WAR**, (Random House).

Mr. Foote is a novelist, and perhaps it takes one to sustain so long and complex a narrative, to make memorable the men, motives, battles, skirmishes and landscapes of that strange and bloody war that used modern weapons while it clung to old tactics.

The author feels the war "was as big as life," and he has written his story this way. He does not claim to be a historian; he writes of what interests him—the military situation on land and sea. Twenty years in the writing, this trilogy is beautifully written and paced, moving, real and totally engrossing.

Military history from a somewhat different view is **THE UNKNOWN SOLDIERS: BLACK AMERICAN TROOPS IN WORLD WAR I**, (Temple University), by Arthur E. Barbeau and Florette Henri. This absorbing full-scale account of the shabby treatment given black Americans who labored, fought and died for their country in 1918 is the work of two fine authors.

Meticulous in its scholarship, this new book nevertheless often documents its sordid narrative with dramatic impact. It discloses racism at its most virulent, yet often at its most subtle, in telling chronologically the raw story of the black soldier's lot in segregated U. S. training camps, in France, and again at "home," where battlefield heroism went unrecognized. This is a fine addition to a previously little studied segment of the Great War.

**ASSAULT IN NORWAY**, (Harcourt Brace), by Thomas Gallagher is a tight, professional piece of writing. It tells the story of what must be one of the few World War II commando jobs not yet exploited. It must also be one of the most important.

The scientists of the Manhattan Project assumed that the Germans had a two-year lead in the development of an A-bomb, and that the only way to slow them down was to destroy their source of one essential ingredient, namely, heavy water. This was a hydro plant 600 feet up a massive cliff in central Norway. It took three very expensive attempts to get an Allied team into the heart of the plant to demolish its core.

Mr. Gallagher talked with many of the people involved, and they came across as individuals. The reader feels the cold and the disappointments. Even with the technical and military background left in, this is literally and figuratively a cliff-hanger. It's a book you can't put down.

## Karnival Has Circus Theme

A Kerby School Carnival will be held Saturday, March 22, at the school, 285 Kerby road, from 10 a.m. to 5 p.m.

A circus theme will characterize the day's activities which will feature action in three rings with a surprise peep show, a spook house and a sponge throw.

A sky diving film will be shown with viewers taking chances on winning a trip up in a small plane to watch real sky-divers perform.

Silent bids will be taken all day on a number of prizes, among them, the chance to have principal Dick Kay cook a Saturday morning, family-style breakfast, an all-day sailing trip and time on a tennis court.

Throughout the day carnival-goers will be able to obtain refreshments under a big top restaurant. The public is invited to attend the event.

**TIP TO MOTORISTS**  
Some motorists go along as if they thought reckless driving was a demonstration of skill.

WOMEN'S PAGES

## From Another Pointe of View

By Janet Mueller

"A rose is a rose is a rose . . ." but one rose CAN be better than another, depending upon culture, soil, fertilization, spraying and a hundred other et ceteras.

Forrest Geary, of Cadieux road, knows every one of those et ceteras.

He was named Outstanding Consulting Rosarian in the Great Lakes District last year. He's been chosen by the American Rose Society as "Proof of the Pudding Reporter on the New Rose of the World" for the years 1974 and 1975.

And those are just top-of-the-page of a page-long list of reasons why, when Mr. Geary talks about roses, it's an Event.

The Grosse Pointe Garden Center offers members and friends, all Pointe residents who are eager to learn more about roses, an opportunity to hear Mr. Geary at a free Green Thumb Lecture next Wednesday morning, March 26, at 10 o'clock in the Garden Center Room at the Grosse Pointe War Memorial.

Among the topics he's promised to discuss are good varieties for this area, how to select a plant, pruning, fertilization, prevention of black-spot, (that bane of all rose-growers), and preparation. (Continued on Page 19)

## AAUW Offers Literature Trio

The current study schedule of the Grosse Pointe Branch of the American Association of University Women includes three literature groups offering widely-varied programs.

Mary Louise Krebs will review China Today and Her Ancient Treasures when the Book Group meets Monday, March 24, at the Harbor Hill home of Elizabeth Ross.

The Contemporary Literature Group continues its examination of writers who speak for an oppressed people with this month's unique subject: the American Indian, a native people confined by newcomers to its shores.

Mary Bell Taylor and Lorna Kray present their study of Indian literature Tuesday, March 25, at the home of Betty Streb in Broadstone road.

AAUW's Play Reading Group will interpret "The Mouse Trap," written by

Agatha Christie as a radio play for the late Queen Mary's 80th birthday, next Thursday, March 27.

The play is about a group of strangers, one of whom is a murderer, stranded in a boarding house during a snowstorm. Eleanor Fisher, of Peach Tree Lane, will be hostess for the meeting.

## Set Women's Chamber Orchestra Performance

The Detroit Women's Chamber Orchestra, Serge Fournier conducting, will present its next concert tomorrow, Friday, March 21, at 8:30 o'clock in Rackham Auditorium.

The performance is entirely dedicated to the 290th birthday celebration of Johann Sebastian Bach. Festivities will conclude with cake and champagne.

## Assisting at Harper's Surgical Lounge

Harper Hospital Women's Auxiliary members MRS. B. COURTNEY RANKIN, (seated), of Ridge road, and MRS. DOUGLAS K. WILLIS, of Lakecrest lane, are among volunteers who help staff Harper's Surgical Lounge, providing coffee, tea, sympathy and progress reports for friends and relatives of patients undergoing surgery. As soon as an operation has been completed a member of the Operating Room staff calls the Lounge to inform the Auxiliary volunteer on duty that the patient is being taken to the recovery room. Before the pa-

tient is returned to his room another call is made, advising relatives and friends that they may visit the patient for a few moments. Harper Auxiliaries provide this unique service for almost 8,000 visitors annually. They also assist with fund-raising, public relations, the patient library, medical library and book cart, the gift-candy cart, outpatient services, admitting, medical records and the chaplain's office. Anyone interested in serving as a Harper volunteer may call 494-8421 for further information.

## Friday Book Group to Meet

The Friday Book Review Group of Grosse Pointe Memorial Church will meet tomorrow, March 21, at 12:45 o'clock in the Church Fellowship Hall for tea and a program featuring Mrs. Harry Maghakian speaking on "The Garden and The Ghetto."

Mrs. Arthur O. Schmidt heads the committee of hostesses including the Mesdames Ellsworth W. Allison, Philip C. Davis, Hugh L. Dill, Fred Flom, Robert J. Henry, Glenn Lockwood, Frank McIntyre, Herbert Schuman, Alfred S. Warren and Frank C. Wilson.

## Women's Clubs Hold Fashion Party Today

The Federation of Women's Clubs of Metropolitan Detroit present their annual spring luncheon and fashion show at the Grosse Pointe War Memorial today, Thursday, March 20.

Assisting Mrs. Jack Newman, chairman, is co-chairman Mrs. H. Lloyd Patterson. Committee heads include Pointer Mrs. Theodore Huebenthal.

Fashions will be presented by B. Siegel's. Commentator is Mary Morgan.

## McCarthy-Kreiner Vows Exchanged

Mrs. William Filarey Comes from Oakland, Calif., to Attend her Sister; Woods Home Awaits Pair upon their Return from Jamaica

The Grosse Pointe Academy's Sacred Heart Chapel was setting for the Saturday, March 8, wedding of Geraldine Kreiner and Terrence McCarthy. John Sullivan, pastor of Saint Lucy's, presided at the evening rites.

The bride is the daughter of Mrs. Jerome Kreiner, of Nine Mile road, and the late Mr. Kreiner. The bridegroom is the son of Mr. and Mrs. Albert McCarthy, of Hampton road.

After a dinner reception at Lakeland Manor following the 6 o'clock ceremony the newlyweds left to vacation on Jamaica. They are returning to make their home in Grosse Pointe Woods.

The former Miss Kreiner wore her sister's ivory peau

Mrs. Richard Wolney, the bridegroom's twin sister, and Patricia Baumgartner, the bride's cousin. Pink Sweetheart roses, blue carnations and baby's-breath formed their nosegays.

Timothy McCarthy, of Grand Rapids, acted as best man for his brother. Ushering were Michael Kreiner, the bride's brother, Mr. Wolney and Joseph Versica.

Mrs. Kreiner selected a long gown of champagne lace over brown taffeta, long-sleeved, princess-style with a pleated stand-up collar, for her daughter's wedding.

The bridegroom's mother

wore a length burnt orange and metallic gold gown. Both mothers wore gold orchid wrist corsages. Out-of-town guests included the bride's uncle and aunt Mr. and Mrs. Earl Stephens, of Campbell Farms, Montreal, Que., her brother-in-law Mr. Filarey, her cousins Mr. and Mrs. Michael McCarthy, of Saulte Sainte Marie, and Mr. and Mrs. Gerard Chouinard, of Haslett, the bridegroom's aunt Mrs. Robert Johnson and his cousins Mr. and Mrs. John Keeler, of Grandville, and former Pointer Richard Perilloux.

## DRC Schedules Zodiac Party in Fries Ballroom

The Sun and Jupiter in Aries, trine the Moon and sextile Mars" will be star pattern of the heavens April 1 when the Detroit Review Club holds its Benefit Zodiac Party in the Grosse Pointe War Memorial's Fries Ballroom.

Luncheon tables highlighted by glittering stars and moons will be accented by small nosegays of spring flowers created by Mrs. Charles Hauer, DRC social chairman, in charge of luncheon arrangements.

She is being assisted by vice-chairman Mrs. Bewley Priestman.

It should be a star-filled afternoon, for after the luncheon Grosse Pointe astrologer Lou (Mrs. Aaron E.) Wilcox promises to entertain the

luncheon crowd with a brief outline of their astrological signs.

Lou, a past president of DRC and the Club's present program chairman, set up a horoscope for DRK in 1946, when she was guest speaker on astrology at the club's annual June luncheon.

A former program chairman of the Women's City Club, advertising woman and publicist, she uses astrology in her programs, projects and parties.

Lou cast Joan Fontaine's chart some years ago, when Joan appeared at a freedom Festival luncheon Lou was in charge of—and Joan was so intrigued she wrote several times for further information.

Files in Lou's many astrological "den" in Loraine

are filled with charts of local and national celebrities, socialites and VIP business men.

She cast a horoscope for Annie Ward Foster on Governor G. Mennan Williams at the beginning of his career, and at a later date predicted he would win the Democratic Senate nomination over Mayor Jerome Cavanaugh.

Besides writing for various newspapers at various times, she has appeared before hundreds of women's clubs and organizations as a guest speaker.

Following the chit-chat about astrology Margaret Diamond's shop and boutique will present a fashion show with Mary Morgan as fashion commentator.

Mary will introduce several Detroit Review Club members, as well as Diamond professionals, as models.

Among the models will be DRC East Siders Mrs. William Koerber and Mrs. William Hartnup, and Mrs. Wal-

ter Borland, Mrs. William Johnson, Mrs. John Lavrakas, Adriane Petrakis and Helen Phillips Petrakis.

Mrs. Bewley Priestman will play background music for the show.

In charge of everything is Mrs. Hugh Purdy, general chairman. Mrs. Frank Perkin, DRC president, will greet members and guests and act as official hostess throughout the afternoon.

Members of the party committee include Miss Vera Brown, first vice-president, Mrs. Charles Brundle, Mrs. Wayne Garrett, Mrs. A. Edmond Allan, Mrs. Raymond Powell, Mrs. C. D. Chapin, Mrs. Bert Greiner, Mrs. H. Lloyd Patterson, Mrs. L. James Keller, Mrs. Louis P. Thurmon, Mrs. Francis Dwyer, Mrs. Laurence Helzelt and, of course, busy ticket chairmen Mrs. N. Connor Gunn, Mrs. Gilbert Bland and Mrs. Robert G. Kales.

Also assisting at the party will be Mrs. Robert Lash and Mrs. Ansel Rice.

The Detroit Review Club, born under the sign of Sagittarius in 1891, has long donated time and money to various philanthropic projects. Zodiac party benefits will help these projects.

## LINC Moves Its Detroit Headquarters

Operation LINC, a project of the Junior League of Detroit, has moved its headquarters to 15222 East Jefferson avenue at Beaconsfield. Dotti Lange and Terry Treiber, LINC's coordinators, explain that "the office will now be closer for most of LINC's volunteers, and it will be easier for people to drop off their donations."

While getting settled in their new office, Operation LINC volunteers are also getting ready for the second annual LINC City Fair to be held May 29 and 30 on the Kern Block.

As it is billed as one of Detroit's largest rummage sales, coordinator Martha Louissell is asking for donations of clothing, furniture, books, household items—and just about anything else.

Operation LINC helps Wayne County area community service groups, such as senior centers, drop-in centers for teenagers, homes for neglected children and neighborhood recreation centers, with materials and the expertise needed to operate and better serve the community.

Currently LINC is looking

for office equipment, vacuum cleaners, and file cabinets. Further information on becoming a volunteer, donating goods or services to a community group or contributing merchandise for the City Fair may be obtained by calling LINC's new number, 331-6700.

## Delta Kappa Gammmas Honor Martha Griffiths

Martha Griffiths, former United States Representative, congresswoman from the 17th district, was guest of honor at the Metropolitan Council Delta Kappa Gamma Birthday Luncheon held last Saturday, March 15, at the Grosse Pointe War Memorial. At the luncheon meeting Mrs. Griffiths was initiated into honorary membership in Delta Kappa Gamma international honorary society for women educators.

Mrs. Griffiths was honored by DKG for the notable service she has rendered for women. She has made special efforts to correct certain injustices confronting women in employment, sponsoring the Equal Rights Amendment and successfully guiding its passage through the House in the 91st Congress.

She was also honored for many years of government service she has given her district, state and the nation. She served in the Michigan State Legislature from 1948 to 1952. She was elected United States Representative from the 17th district in 1955 to the 84th Congress, re-elected for succeeding terms through the 93rd Congress in 1974.

Mrs. Griffiths has several "woman firsts" in her record. She was the first woman to hold office of judge and recorder of Detroit Recorder's Court in 1953.

She has recently been named to serve on the previously all-male boards of Chrysler and Burroughs Corporations. She is the first woman to be named a director of the Automobile Club of Michigan.

Frances Morris, Beta Xi Chapter, president of the Metropolitan Council, Detroit, presided at the birthday luncheon.

A speaking choir from Grosse Pointe North High, under the direction of Geraldine Bertovick, honored Mrs. Griffiths with an original reading entitled "From My Window."

Dr. Naida Dostal, trustee of the Delta Kappa Gamma Educational Foundation, paid tribute to Mrs. Griffiths for the organization. The initiation into honorary membership was conducted by Emilie Stern, state president, assisted by past state presidents.

Dr. Marilyn Steele, director of Planning and Committee Activities, Mott Foundation, Flint, spoke on the "Women and Work."

MARK BROOKS, of Meadow Lane, has been named to the Dean's List at Hillsdale College where he is a senior.

Her fiancé received his Bachelor of Arts degree in 1970 from Northwestern University and his M.D. from the University of Chicago Medical School in 1974. He is now Resident Surgeon at the University of Michigan Hospitals.

The couple plans a September wedding in Grosse Pointe.

## Janet Frede Bride Of Mark Carnaghi

Pair Vacation in Southern California after December Rites; Bride's Peau de Soie Gown Features Re-Embroidered Lace Bodice

The wedding of Janet Frede and Mark Carnaghi Friday evening, December 6, in Saint Peter's Church was followed by a reception at Aicamo's Hall. The newlyweds vacationed for a week in southern California.

Mrs. Carnaghi is the daughter of Mr. and Mrs. Richard Frede, of Danbury lane. Mr. Carnaghi is the son of Mr. and Mrs. George Carnaghi, of Beaufait road.

The bride chose a white peau de soie gown fashioned with a fitted, long-sleeved bodice of re-embroidered lace. She made her long Ca-

thedral veil and carried a nosegay of dried white roses, forget-me-nots, statice and baby's-breath.

Sue Isgan, who came from Florida to serve as honor attendant, and bridesmaids Nancy Frede, the bride's sister, Paula Carnaghi, the bridegroom's sister, and Cheryl Hexham wore pale blue halter frocks with

matching jackets. Blue balsamwood flowers, forget-me-nots, statice and baby's-breath formed their dried flower nosegays.

Best man was Nick Persichini. Joseph Bolchi, Bryan Carnaghi, the bridegroom's brother, and Dave Challis ushered. All, like the bridegroom, wore blue crushed velvet tuxedos.

A gold brown shot with long metallic thread and featuring a gold belt was Mrs. Frede's choice for her daughter's wedding. Her cor-

sage was a gold orchid. The bridegroom's mother chose a V-necked, long-sleeved formal length blue crepe gown and an orchid corsage.

## Ohio Concert For Symphony

The Detroit Symphony Orchestra will make its last appearance outside of Michigan this season when it travels to Sandusky, O., Sunday, March 23, to perform a concert in Sandusky High School Auditorium at 3 o'clock in the afternoon.

On the podium will be Paul Freeman, conductor-in-residence of the DSO. The program will include Dvorak's "Hussite" overture, Barber's Adagio for strings, Tchaikovsky's Symphony No. 3 (the so-called "Polish") and arias from Bizet's "Carmen" and Rossini's "The Barber of Seville."

Soloist for the operatic arias will be young Grand Rapids soprano Candace Goetz, making her DSO debut at the concert.

## Motor City Business Women Will Gather

The Motor City Charter Chapter of the American Business Women's Association will hold its monthly dinner meeting next Wednesday, March 26, at 6 o'clock at the Sentinel Center in East Jefferson avenue.

Guest speaker Eric Cosby, pharmacist with Marion Laboratories, will discuss "Prescription Prices." Vacation speaker is Ruth Kienman, payroll analyst with AAA.

## LWV to Host Lunch Program on Wednesday

The Grosse Pointe League of Women Voters has planned its next luncheon with a difference. Topic of the day is the plight of migrant workers: each person attending is asked to bring three sandwiches.

These will be pooled and shared; any leftovers will be disposed of by Human Resources committee member Sally Hepburn.

Committee members will provide non-lettuce salads, coffee and tea. The luncheon meeting will be at the home of Joan Jes-

sup in Lakepointe avenue next Wednesday, March 26, at 12:30 o'clock. Cost is \$1.25.

Reservations should be made with Shirley Piku, arrangements chairman, 886-7936, or Clare Kontos, committee member, 822-0975, by Monday, March 24.

The meeting is the follow-up to the League's November Unit meetings on the plight of migrant workers in Michigan. One recurring question was how migrant workers can escape from their plight.

Speaker Natalia Castillo, director of the Latin-Amer-

ican Service Center in Blissfield, will answer this and other questions in her talk about what is being done to help migrant families settle into a community.

Everyone who can do so is asked to bring a new or clean used blanket for Mrs. Castillo to give to the migrant families she is working with.

Human Resources chairperson Dorothy Zito, who has moved, has not yet been replaced. Committee members, in addition to the Mesdames Hepburn and Kontos, are

Mary Ellen Aurelius, Carroll Evola and Colleen Faber. Next Wednesday's luncheon, like all League meetings, is open to the public. An important League function is providing carefully researched information for all citizens, not just for League members. All are welcome at the luncheon.

Oral argument finalist in the Detroit College of Law's 20th Annual Moot Court Competition was Pointer FRANK McCARROLL.

## Pointer Elected

Mrs. Donald (Sharon) Stoeckel of 1496 Roslyn Road has recently been elected president of the Tole Masters of Michigan Society, a chapter of the National Society of Tole and Decorative Painters. The society is dedicated to preserving and renewing the various styles of folk arts that came to us from Europe such as Pennsylvania Dutch, early American decorative and tole, Norwegian Rosemaling and country painting incorporating many fine arts techniques.

Sharon, a fine arts major from Ohio State, found that her love of antiques, American art history and painting talents soon attracted other individuals interested in learning the techniques of decorative painting. She is recently teaching classes for Grosse Pointe Community Services, St. Clair Shores Adult Education, and Anita's Arts and Crafts of St. Clair Shores.

Tole Masters of Michigan consist of teachers, students and friends of the arts from all over the state. They meet six times a year to discuss techniques, compare styles, exchange ideas. At each meeting, a fellow member is invited to demonstrate their ideas. With education as the main purpose, this year seminars taught by accomplished artists, workshops, group trips to out-of-state seminars and other bi-centennial related projects are being planned.

Saturday, March 22 at 11 a.m.  
Sunday, March 23 at 1 p.m.

## DSO Presents Choral Works

Music Director Aldo Ceccato will conduct the Detroit Symphony Orchestra in two of the 20th century's most important choral masterpieces and a complete performance of Antonio Vivaldi's violin concerto-cycle "The Four Seasons," with DSO concertmaster Gordon Staples as soloist, at this week's Ford Auditorium concerts Thursday and Saturday evenings, March 20 and 22, at 8:30 o'clock.

The choral works, both being performed for the first time at DSO subscription concerts, are Leonard Bernstein's "Chichester Psalms" and Igor Stravinsky's "Symphony of Psalms."

Soloists for the "Chichester Psalms," all making debut appearances, will be soprano Karen Barnes Beck, alto Dale Blackmore, tenor Thomas Norager and baritone Michael Ingram. The Kenneth Jewell Choral and the Rackham Symphony Choir will be featured in both the Bernstein and Stravinsky pieces.

Aldo Ceccato appears at

DSO subscription concerts for the first time since late January. In the meantime he has been on a highly successful guest-conducting tour in Florence, Zurich and San Francisco where he conducted two weeks of subscription concerts by the San Francisco Symphony. He will conduct the remaining five weeks of DSO subscription concerts this season.

Violinist Gordon Staples has been concertmaster of the DSO since 1968 and frequently appears as soloist with the Orchestra. He is certified extensively in the United States, Canada and Latin America, and has been soloist with the New York Little Symphony, the New Orleans Philharmonic and the Vancouver Symphony.

Staples is a graduate of the Philadelphia Academy of Music, where he studied with Jani Szanto, later continuing his studies with D. C. Dounis in New York City. He plays the world-famous "Salabue" violin, made in 1779 by Giovanni Battista Guadagnini in Turin.

Soprano Karen Barnes Beck is a native of New York and a graduate of the Crane School of Music at Potsdam. She studied with Otakar Kraus at Covent Garden in London, returning to New York in 1973 as recipient of a Kathryn Long Scholarship at the Metropolitan

## Plan Women's Lunch at DBC

The Women's Committee of the Detroit Boat Club will present Mrs. Robert Hamilton, of the Detroit Historical Society, at a luncheon program next Wednesday, March 26. "Historical Churches of Detroit," with slides and commentary, will be her subject.

Co-chairmen of the day are Mrs. Emil Traum and Mrs. Harold S. Davis. Assisting with arrangements are the Mesdames William Baird, Robert C. Chope, Kenneth Locke, Don Miller, Jack Mills, John Pittwood, William Post and Clifford J. Sullivan.

## Opera.

Miss Beck made her professional debut at Saratoga in Bernstein's "Chichester Psalms" with the Philadelphia Orchestra under the direction of Eugene Ormandy. Subsequently she has been soloist in Samuel Barber's "The Lovers" and Falla's "La vida breve."

She currently is a student of Eleanor Steber. Alto Dale Blackmore was born and educated in Montreal. She received her early musical training as a scholarship student at the Quebec Conservatory of Music at Marianopolis College.

She has appeared as guest soloist for the Sarah Fischer Concerts, the Montreal Elgar Choir, the McGill Choral Society and the Tudor Singers of Montreal.

Tenor Thomas Norager began his professional singing career as a counter-tenor with the New York Pro Musica, then worked with country singer Jimmy Dean in television and nightclubs throughout the United States and Canada. He was later first tenor in the renowned Reveler's Quartet.

Since 1970 he has been director of Vocal Music at Auburn, N.Y., High School, continuing his solo career in oratorio and concert work in area colleges and with the Philadelphia Orchestra.

He sang the "Chichester Psalms" at Saratoga in 1972 and "La vida breve" in 1973, and was tenor soloist in the American premiere of Relch's Te Deum at Cornell University.

Baritone Michael Ingram studied voice at Hofstra College with Herbert Beattie and has done graduate work at Eastman, Meadow Brook and Queens College. He toured North and South America with the Robert Shaw Chorale and has sung with the Bach Aria Group in New York and in "La vida breve" at Saratoga.

He is also a talented actor, appearing off-Broadway and studying drama with Darryl Hickman.

Vivaldi's "Le quattro stagioni" (The Four Seasons), first published about 1725, constitutes a real tour-de-force among violin concertos. Each of the four contains three movements describing meteorological and other events, such as "Languidness from the heat," "The hunt," "Sleeping Drunkards" and "Pastoral dance." The work has never been performed in its entirety by the DSO.

## Day at the Capitol Planned by MAHA

Members of the Michigan Association of Hospital Auxiliaries, including Ponters Mrs. William Nagel, Mrs. William Heller and Mrs. George Grenzke, are in Lansing today for the first of what they hope will be an annual "Day at the Capitol" MAHA program.

The Day starts at 9:30 in the morning with a briefing in the Conference Room of the Michigan Supreme Court Chambers. MAHA members will then listen in on a committee hearing, have luncheon with their legislators at the Lansing City Club, attend a Governor's Office briefing and attend a session of either the House or Senate.

## Set St. Mary's March Brunch

The Alumnae Association of St. Mary's Academy, Monroe, will hold a Communion Brunch at St. Regis Church, Lahser and 14 1/2 Mile roads, this Saturday, March 22. Mass at 11 o'clock will be followed by luncheon.

Accepting reservations at \$2.50 per person is Mrs. Edward Hesper, of Bloomfield Hills, 646-3078.

"psalms" was commissioned for the 50th anniversary of the Boston Symphony Orchestra in 1930, and is perhaps the most important and profound choral work of this century. It is dedicated "to the glory of God."

Tickets are available at Ford Auditorium Box Office, 961-0700, all Hudson's and Grinnell's ticket outlets.

What's so good about turning 65? For many it means retirement, new financial benefits, change of social status.

For some 500,000 members of Camp Fire Girls, whose national organization celebrates its 65th anniversary this week, it means reflection on a proud past as well as concentration on today's energetic and vital programs for girls ages six to 17.

In the Detroit Area Council more than 7,000 girls and adults are pursuing the birthday celebration in a variety of ways. Local activities in the Council's five Districts include ceremonial Council Fires, special service projects, launching of the Camp Fire Bi-Centennial program "We, the People" and judging and distribution of the annual Finger Fling items, (needle and handcraft projects).

Here are some birthday highlights:

On March 12, a Camp Fire group from Northwest Detroit accepted a gift of two American flags from the Jewish War Veterans Women's Auxiliary of Oakland County. The flags are to be taken out to Camp Fire's Camp Wathana, near Holly, where one will be displayed in the dining hall, the other flown outside.

A Camp Fire group from Royal Oak anxiously awaited the birth of a baby girl at Beaumont Hospital. The first female child born on March 17, Founders' Day, is to be made an honorary member of this Camp Fire group. The child's parents will receive a special certificate. The Camp Fire group is preparing a hand-made surprise for their baby "member."

## Birthday Time for Camp Fire Girls This Week

Four members of Camp Fire, representing the four program levels serving girls ages 6 to 17, paid a visit to Governor William Milliken Wednesday, March 19, in Lansing. The girls took the Governor a birthday present: a lunch bucket fashioned to look like a tin of Camp Fire Peanut Crunch, one of the products sold in the recent Camp Fire Candi Sale.

When the Council discovered that Governor Milliken carries his lunch to work, it was decided that he ought to have a very special container. The lunch pail was filled with Peanut Crunch.

Mrs. Milliken, herself a former Camp Fire Girl, received a red, white and blue Camp Fire charm from the youngsters.

Entries in the annual Camp Fire Finger Fling project are being judged during birthday celebration time. Finger Fling is a service project which involves the guidance of the Needlework Guild of Birmingham.

Girls are encouraged to learn and put to practice such handcraft skills as sewing, knitting, crocheting and macrame. They make useful items for babies, young children and the elderly.

Finished products are donated to hospital pediatrics wards, homes for unwed mothers and convalescent homes.

The Camp Fire Bi-Centennial project, "We, the People," has been introduced to the half-million members of Camp Fire across the nation. Goals of this project are to excite leaders and girls to explore the American scene today — who are we, the

people? — and to gain a better understanding of what the concerns of the founding fathers were and what our concerns and principles are as a nation today.

The Council's newest District, Renaissance, which includes Grosse Pointe, Harper Woods and much of the City of Detroit will hold its first Council Fire at the Sentinel Center in East Jefferson Avenue tomorrow, Friday, March 21.

During this evening affair hundreds of girls and their families participate in singing and pageantry, getting to know members from other corners of the city, sharing in the meaning of Camp Fire today.

Camp Fire Girls Detroit Area Council is a Torch Drive agency serving the tri-county area, (except greater Pontiac). Camp Fire, the first interracial, non-sectarian organization for women in this country, was founded by Dr. and Mrs. Luther Halsey Gulick in 1910.

Dr. Gulick, then head of the Department of Child Hygiene at the Russell Sage Foundation in New York City and an expert on recreation, had been instrumental in founding Boy Scouts the same year.

In 1910 the Gulicks ran a summer camp in Maine where young women in their teens gathered to refresh from city life.

## Brian Eisner Adult and Junior Tennis Camps

Here is your chance to develop your tennis skills under the supervision of nationally recognized University of Michigan tennis coach Brian Eisner.

Eisner, who has had success in guiding the Michigan tennis team to five consecutive Big Ten titles, a third-place finish in the nation in 1974 and a second place finish in the National Indoor Team Championship in 1975, will turn his attention to your game.

Three one-week adult sessions will be offered June 29 - July 18 with deluxe accommodations at the Ann Arbor Inn. One two-week session will be offered for boys and girls, ages 9-17, July 21-August 1 with housing at Concordia College. For information regarding limited enrollment, please contact:

**ALONG WITH THE SEASON**, Edgar & Associates "Springs" on the market with three first offerings.

**IT'S DIFFICULT** to find six bedrooms in Grosse Pointe especially in a newer home. We have found one for you and it's located on one of the Pointe's most popular courts. This beautiful colonial was built in 1963 but a recent addition increased its size to six bedrooms, three and one half baths. There's a family room with fireplace, pantry with sink, main floor laundry, service stairs, central air conditioning and many more extras. Priced under \$80,000, it has a \$44,000 assumable mortgage at 7 1/4%.

**IF YOU REQUIRE** five bedrooms and a newer home we have something else for you. Built in 1965, with two and one half baths, family room with fireplace, kitchen with built-ins, a large living room and attached garage. Enter into an elegant marble foyer with a circular staircase. An attractive, low interest bearing mortgage is something else.

**YOU'LL SPRING INTO ACTION** when you see our inflation beater, a charming three bedroom bungalow in Grosse Pointe Park. This home has been redone both inside and out. Beautifully decorated, it features a no wax floor and new formica counters in the kitchen, aluminum siding and a new cement driveway.

**OPEN SUNDAY 2-5**

**1258 ROSLYN.** Exceptionally well maintained, three bedroom home. This fine bungalow is close to transportation and schools and is available for immediate occupancy. The living room has a cozy fireplace and the large kitchen includes the stove and refrigerator.

**19886 FAIRWAY.** Center hall ranch in excellent condition. Two bedrooms and den plus heated Florida room. There is a large kitchen and separate dining room. The large lot is fenced. Priced just reduced to \$52,000. John Pierce will show you this fine home.

**ELEGANT,** four bedroom house within walking distance to a lakeshore park. Two bedrooms have a view of Lake St. Clair. The grounds are high-lighted by many fruit trees and expensive shrubbery. The house has a library, three fireplaces, family room and two and a half baths. See for yourself at 15439 Windmill Pointe Drive.

**21502 WEDGEWOOD** is the in place to be if you want to see the newest five bedroom colonial to appear on the market. Between Moorland and Woods lane, this house spreads comfortably across a seventy foot lot, and has a circular staircase reaching up from the entrance foyer. Great family room and plenty of yard area. Step lively. Step up. Step into a mortgage balance of \$52,000 at 7 1/4%.

**BY APPOINTMENT**

**YOU'D BE PROUD** of this custom built, low maintenance home in the Farms. Five bedrooms, three and one-half baths, den and family room. Beautiful entrance hall with circular staircase. Dining room and family room look onto lovely garden. Enduring French architecture. Situated on large, deep lot only a few hundred yards from the lake. Early possession.

**IF YOU FIND IT NECESSARY** to live in town but desire the privacy and beauty of the country, then we have the "retreat" for you. Architects Alexander Girard and Minoru Yamasaki created this masterpiece of contemporary design and wedded it to a wooded hilltop with landscaping to fit its environment. There are three bedrooms with private baths, a guest room with a bath and two maids' rooms with another bath. We have viewed photos of this home available for your viewing.

**HOPE SPRINGS ETERNAL** and we hope you won't miss this exquisite example of a Georgian center hall colonial, which is situated just a few feet from the lake. The two story foyer features a circular staircase from which all the major first floor rooms are gained. In addition to the formal living and dining rooms are a library, a card room with built in bar and a garden room. There is a master suite plus four other bedrooms, all on the second floor. Take a ride by 21 Renaud, it's just off Lake Shore.

In Your Easter Bonnet . . . or the return of the hat. That's fashion's theme this spring. At Walton-Pierce you'll find the most beautiful hats. At a recent Walton-Pierce fashion show we were really impressed how hats finished off a costume. The safari hat with its colorful scarf was great for the smart all-weather coat. A gently dipping brimmed hat of beige straw was accented with a single bright flower. There was a double brimmed white over navy picture hat. Lots of sporty wide brimmed straws some with tennis or golf ribbons. The bridesmaid hat was of a sheer yellow and the bride's hat was layer on layer of delicate white organza. Mrs. Creeger designs beautiful head pieces and veils for brides and can make a special to-order hat to go with any costume in your wardrobe.

Planning A Trip? . . . If you live at the Jefferson Apartments, you can feel at ease that your beautiful apartment-home will be protected by a network of the most modern security systems, plus a resident caretaker and a round-the-clock doorman. If you're staying at home, that provides you with a very good feeling, too. A condominium is one of today's most popular options. At the Jefferson Apartments you buy in an established community, two-thirds sold to some of the nicest neighbors you could possibly wish for. If you like high ceilings, natural fireplace, closet room, storage room, a top of the line kitchen, a wet bar for entertaining, peace and quiet in an adult community, drop by and see the model apartment, 17111 East Jefferson. Enter on Neff or St. Clair. Open daily 12 to 5, except Wednesday. Prices start at \$69,900. Call 882-7708 or 886-4880 for information. Sales and management by Michigan Condominium Corporation.

Move your outdoor grill indoors with a Jenn-Air Grill built into your kitchen counter top. The family-sized grill lets you enjoy the great taste of outdoor charcoal year round. The exclusive built in ventilation keeps your kitchen fresh as spring-time. Mutschler Kitchen, 20227 Mack Avenue. TU 4-3700.

Go Where You Please . . . when you please on a Camper holiday in the west. Campers start at \$255, sleeps 4. Call Those Folks At Mr. Q. 886-0500.

Easter Gifts Galore . . . are found in the Notre Dame Pharmacy Gift Department. They are both useful and decorative. Find dressing table mirrors and powder room accessories, barware, little crystal vases and, of course, favorite scents and grooming aids for women and men.

An Outstanding Collection . . . of fine gifts made from shells collected from the Pacific ocean by Island designers of Hawaii is on display at the Squirrel's Nest-Sphere, 19849 Mack Avenue. \$10 up.

PROBLEM NAILS . . . Beautiful nails are here for everyone — wrapping is the answer to all problem nails. See one of the two experts at the Edward Nepi Salon, 19436 Mack or call TU 4-8858. (Nail biters included.)

Talking to the very style conscious opticians at Woods Optical Studios, they pointed out that the goggle shapes in eyewear that are so popular today must be chosen with extra care to avoid a dragged downward look that can be aging. They refer to it as a sort of "water spaniel look." Just a slight lift to a frame can make a world of difference on the face. Stop by 15955 Mack between 7 and 8 Mile Roads.

Gifts To Treasure Always . . . are found at Bijouterie Jewelry by Cueter, 19860 Mack Avenue, for the bride, groom members of the wedding. For birthdays, there are beautiful birthstone rings and for Easter see the great gifts in jewelry for men, cuff links and watches . . . for women, earrings, necklaces and bracelets. Use their convenient lay-away plan, Master Charge or BankAmericard.

Works Of Art . . . for the floor from Concept International can be seen at Ed Maliszewski. Hand woven, hand screen-printed area and wool rugs in unique designs and subtle gradations of colors are an important part of the extensive selection of carpeting at 21435 Mack.

The Watch Of Royalty . . . Patek Philippe, the finest watch in the world since 1839. Handmade in 18kt. gold or platinum. There are only two jewelers in the tri-county area authorized to sell and service Patek. One of them is Charterhouse. For a beautiful color brochure of the ultimate in time pieces, call or visit Charterhouse, 16835 Kercheval, 885-1232.

Duco-Dot Dresses . . . of Nyesta, long or short, feathery light fabric that delights, excellent styling, brilliant colors. Alterations at cost . . . now at Mr. Julian Fashion Boutique, 15114 Kercheval, 822-2818.

On Special . . . March is Wisconsin month, featuring new mild, medium and aged sharp Cheddar. World-wide champion 1958 all natural cheese with no preservatives added is exclusive in this area at the Merry Mouse, Kercheval corner of Notre Dame.

### ULRIKE (ULLI) TACK, UNIVERSITY LIGGETT SCHOOL'S FOREIGN EXCHANGE STUDENT

By Nancy Kramer

She's grown accustomed to life here. So much so that she thinks it may be difficult to return home to Vienna, Austria, the Alps, her parents and brother. "I will not be the same when I go home," she observes matter-of-factly.

Part of the adjustment problem will be practical. She's finally used to the English language—something she initially found difficult. "I've improved my English very much since I first came over," Ulli notes. "It won't be easy to begin speaking German all over again."

But there's something else she's concerned with. "I will have a different way of making friends; I just won't be used to the same way of life." Ulli hadn't realized how organized, pre-planned and structured everyday life in the U.S. would be before she arrived in The Pointe in late August, and now that she's been here a while, she's fallen in step with everyone.

"I was used to taking things more slowly, one day at a time—maybe once in a while you would make big plans." But here, she asserts, "you make plans for everything—and if the plans fall apart—it's a disaster."

**Carries Calendar**  
For example, "back home I would never carry a calendar. Here I'm never without one. I have so many meetings and things I must do."

She realizes that American Field Service, (AFS), the organization that makes arrangements for the students in the exchange, placed her in a locale that's pretty similar to what she's used to back in Austria.

Nevertheless there are vast geographical differences. "I miss the freedom I have at home," she confesses. "There's no place here where you can just take a walk in the woods. There are no fields or woods around here. It's wine country back where I live and in three minutes I can be walking in the woods, picking flowers."

She isn't really homesick however. Ski trips to northern Michigan, a genuine fox hunt in Metamora and canoeing the straits around Traverse City have kept her busy enough and suitably impressed: "I love to ski. I love northern Michigan, Petoskey, Mackinac Island. When my parents come over here I will have to take them there."

**Not a Visitor**  
Closer to home, she found Greenfield Village very interesting and the food at the Little Cafe very satisfying. "The black bread there was very good."

She doesn't feel like a visitor at the Edwin Peabody home in Lincoln road, instead, she's more of a real-life daughter, and sister to 18-year-old Margie, who also attends ULS, Jane, Cliff, Susan and Betsy.

Of her relationship with Margie, who's closest in age to her own 16 years, Ulli observes: "We both have separate friends. We do some things together but we also do many things by ourselves." Hence, "we're just like real sisters."

ULS is different from the boarding school she attended and will return to in Austria. "My boarding school is much harder," she asserts. Some of the 13-in-all required courses there are math, Latin,

English, German, physics, history, geography, religion, physical education, art and music.

#### Education Differs

At ULS she found much of what she was supposed to learn had already been delved into back home, and "they teach another method here."

On the other hand, after sitting in on public school classes, she thinks the subjects offered there would be easier to master than the material she's learning now at ULS.

She's impressed with the physical layout of schools here, and with their facilities. Oddly enough, she likes the brick of which most of the buildings are made but Ulli concedes that this is mainly because she's accustomed to stuccoed everything at home.

Ulli gets a real kick out of extra-curricular activities. She can't believe the number of them offered and she can't get over the fact that ULS would stage something like a ping-pong tournament.

Lately she has become involved in ULS theater productions, giving a hand in the costumes area. "I could never act," she says, "maybe I could, if the lines were German . . ."

Like most of the people involved, Ulli is really excited and speaks enthusiastically about what the ULS Players are doing.

#### Gets Hearty Welcome

She claims she was wholeheartedly welcomed into the school community. In fact, that impressed her most about ULS students. "They are all really nice," she explains, "so friendly . . . and I think that's really outstanding. They are really concerned about someone who comes into their community. They want to make you feel welcome . . . at home." The students' efforts have apparently been successful. "I'm not an outsider here," Ulli maintains.

It amazes her how Pointe women keep themselves busy with charitable outside activities. "They get so involved and enthusiastic!" Back home she says, "you always are working for something."

Her own mother, Gerlinde, owns a shop and sells national costumes, representing her business in other European countries. Her father, Arthur, owns a sheep wool factory which manufactures Loden and he deals mainly in imports and exports. Her dad, like fathers everywhere, wants Ulli home.

**Serious Equestrian**  
In one way, Ulli is kind of anxious to return herself. Her younger brother, Werner, 13, is progressively outclassing her in horseback riding ability. Riding is extremely important to her.

Although the Peabodys belong to the Hunt Club and although they have always been an enthusiastic horseback riding family, Ulli hasn't really availed herself of the nearby resource.

"The horses are not the same," she explains. "I

learned another method of riding from what is done here." American methods or European methods; Ulli doesn't really say one is better than the other, but from a practical standpoint, as a horse owner and serious rider, she would simply prefer to hold off on riding here so the talent and training she has doesn't take a step backwards, or take one in another direction.

She got her own horse from Hungary, about three years ago and rides in tournaments and shows. Werner, she complains with more than a twinge of jealousy, has been collecting trophies by the score.

One aspect of life in the U. S. that puzzles her is the fact that kids can drive at age 16, but can't drink until they are 18. At home, of course, there is no legal age for drinking but driver's licenses cannot be obtained until age 18.

**Questions Drinking Laws**  
"It's silly," she notes, "if a child is raised so that he is able to drink all his life, he will not get drunk so much by the time he is able to drive. But here you end up with the young people driving and drinking all the time."

"Back home kids get used to drinking, of course, since it is wine country, we mainly drink that."

Since it isn't possible for them to drive, many young people in Austria go out with their parents in the evenings. "We go to big parties. I think maybe we celebrate more and if you want to bring someone over for a meal or something, you don't have to arrange it at home, you just bring him over. Here, you send out invitations and it's all very organized."

This organization business really surprised her. Ulli had met Americans in Europe and judging from their appearance and her experiences with them, she had the notion that her stay here in America would be similar to living in a town like Ann Arbor.

She thought student garb was typical American dress and now, she realizes that economically and socially Grosse Pointe isn't much different from her hometown.

"This community is about the same as my community at home," she concludes.

**To Board Bus**  
Ulli will be in Grosse Pointe until June 27, when all AFS students in the area get together to take a final bus trip. She can't say where it will go. AFS won't say.

"They're afraid the students' families here will try to follow in their cars," Ulli laughs. "Some of them do."

When she returns to Vienna, she'll finish another year of high school then embark on plans for a college career in medicine. "Veterinary," she says, hesitating, "I think."

In the meantime, over the ULS spring break, Ulli is taking in more of what the U. S. has to offer as she accompanies the Peabodys on a trip to Florida.

After all, until she came to Grosse Pointe, her philosophy had always been to just live one day at a time.

### Business Meeting Set For Alpha Mu DKG's

Alpha Mu Chapter of Delta Kappa Gamma will hold an after-school business meeting today, Thursday, March 20, at 4:15 o'clock, at Monteith Elementary School.

Plans for the remainder of the year will be discussed and finalized. The Membership and Finance committees led by Blanche Keigen and Marian Hendee are serving as hostesses.

### Trowel, Error Club to Meet

The Trowel and Error Garden Club will hold its next meeting Thursday, March 27, at 12:30 o'clock in the Sunningdale drive home of Mrs. Martin Schnurr. Mrs. Eric Dale will serve as co-hostess. The program will be on "Lilies and Their Care."

## From Another Pointe of View

Ceccato, wife of the Symphony conductor, and Mrs. Paul Freeman, wife of the conductor-in-residence. Ms. Maureen Lippel, Harpers Bazaar beauty and health editor, will be there, too.

Fashion Fiesta begins with cocktails at 11 o'clock, luncheon at noon. Co-chairmen Mrs. Richard W. Schmid and Mrs. Robert Davey promise entertainment and beautiful prizes.

Tickets, at \$20 patron, \$10 general, are available now from committee members, including Pointers Mrs. Norman Bolz, Mrs. Joseph Stern, Jr., Mrs. C. Vernon Cox, Mrs. Arnold W. Lungershausen, Mrs. Jerome P. Johannigan, Mrs. Kurt Keydel, Mrs. William H. Bundeson, Mrs. Harry J. Sainsbury, Mrs. C. E. Exley, Mrs. Paul D. Grubbs, Mrs. Aaron Gristy, Mrs. M. I. Klerkx and Mrs. Thomas V. LoCicero.

Mrs. Harry Taylor is general ticket chairman.

### Search For Past Cinderellas

The Women's Committee American Lung Association, (formerly the Tuberculosis and Health Committee), celebrates its 25th anniversary this year with a gala Silver Anniversary Cinderella Ball, and the search is on for all former "Cinderellas," young women, recovered from tuberculosis, chosen to reign over Cinderella galas in the past.

Prince Charming at least had a glass slipper. "All we have," explains Mrs. Mortimer Feder, 1975 Ball chairman, "on most of the girls are maiden names and former addresses."

So . . . if you know a former Cinderella, take her by the hand and take her out to Michigan Inn May 28, where she and you will be the Committee's guests at luncheon and a showing of the much-publicized "Cinderella Affair," the film produced for last year's fund-raising Ball by Tom Schoenith.

The Women's Committee plans to honor all previous Cinderellas at a special Cinderella Press Luncheon in September, during which one ex-Cinderella will be selected to reign as the Silver Anniversary Cinderella at the 1975 Ball, scheduled for October 4.

Anyone with any knowledge of the whereabouts of any past Cinderella is asked to contact Mrs. Charles A. Barlow, Committee president, at 153 East Elizabeth street, Detroit, or call her at 961-1697.

## In-Plant Sale at Goodwill

The annual spring "in-the-plant" sale of League-Goodwill is being held at the Goodwill Industries Building, Brush street at East Grand boulevard, today and Friday, March 20 and 21, from 9 to 4 o'clock both days.

The sale, which has become a tradition at Goodwill Industries, features a large selection of quality reconditioned spring and summer merchandise at bargain prices.

Much of the material came to Goodwill during the recent Boy Scout Clothing Drive and has been cleaned and repaired by Goodwill's hand-capped workers.

Featured items include sportswear, everyday dresses and formal wear for the ladies, a large selection of men's suits, jackets and slacks and a variety of clothing for children of all ages. League-Goodwill is a multi-program vocational rehabilitation agency providing training, employment and placement for handicapped men and women. Nearly 200 handicapped workers are employed at the Goodwill Industries division, repairing discarded merchandise contributed to the organization. The "in-the-plant" sale features the kind of merchandise which will soon be found in all Goodwill stores in the metropolitan area. Free parking is available next to the Goodwill Building at the corner of Brush and Milwaukee.
