THE BODIES of two men and a 17-year-old girl were recovered near the Grosse Pointe Yacht Club today after last night's crash of a light plane in Lake St. Clair. A fourth passenger in the single-engine Cessna Skyhawk, Michele Smith of Center Line, a sister of the dead girl, was rescued by crewmen of a passing steamer minutes after the plane went down. She was taken to Saint John Hospital in critical condition.

ABOUT 150 Taylor police officers and their families picketed outside the city's municipal offices today to protest a dispute with city officials over pay provisions in a new arbitrated contract. A Taylor police union spokesman said the officers are upset over the city's refusal to recognize retroactive pay provisions in the March 31 arbitration award. Their contract had expired last June. Police and fire department contracts in the Pointes will similarly expire this June 30.

FOOLISH PLEASURE captured the 101st running of the Kentucky Derby in 2:02 time today for its owner, banker John G. Velocci. The pre-race favorite, Foolish Pleasure, ridden by jockey Jacinto Vasquez, finished a length and three quarters ahead of second-place finisher Avatar, taking home a total purse of \$209,600. A sidelight to the race was Churchill Downs track announcer Chic Anderson, a 16-year veteran of race calling, who confused winner Foolish Pleasure with sixth-place finisher Prince Thout Art for most of the race.

MOE HOWARD, the eye-gouging, face-slapping member of the Three Stooges who, for half a century, entertained generations of Americans, died this evening in Hollywood of lung cancer. He was 78. The last surviving member of the Three Stooges comedy act—which over the years included Moe's brothers Shemp and Curley, along with Larry Fine—Moe began the act in 1925. The Stooges went on to slug, slap and clown their way through 204 movies that have been rerun on television countless times.

PRESIDENT FORD asked Congress today to approve a new \$507 million program of aid for resettling South Vietnamese and Cambodian refugees. He warned that the U.S. government would otherwise run out of money for the refugees in another week. Ford pledged that money would be spent on refugees who have already left Indochina and said none would go to those who were left behind. He estimated that 150,000 refugees will soon arrive in the United States, and he promised to try and resettle them without increasing American unemployment.

EMERSON THE CAT, a year-old tiger-striped tabby, was reported in fine condition today, three days after falling to the ground from a 10th floor penthouse balcony of a Southfield apartment building. Police ruled out a suicide attempt, labeling the incident an accident. Emerson was treated for shock shortly after the fall with intravenous injections and sodium bicarbonate. Her belly also was bandaged to stop some bleeding. Emerson's owner said he will place chicken wire around the balcony to prevent future accidents.

Bon Secours Hospital's New Wings Are Open

SISTER RITA THOMAS, Bon Secours provincial, with BARRY M. SPERO, executive director, (left), and ROBERT L. HANNON, JR., vice-chairman of the board of trustees, (right), cut the ribbon signifying the opening of Bon Secours Hospital's new northeast and southeast wings. A commemorative plaque expressing the philosophy

of the hospital was unveiled in the new lobby. It was inscribed in part, "Dedicated on May 4, 1975, this building exists to serve the health care and spiritual needs of all patients who come here in a manner which bespeaks the personal dignity and individuality of each human being."

Woods Set To File Suit Against LCC

Wants to Protect 'Home Rule' Rights and Defend Legality of City Ordinance

The Woods will file its lawsuit against the State Liquor Control Commission, (LCC), over the issuance of Class C licenses in the community sometime this week in Wayne County Circuit Court, reported City Attorney George Catlin.

He said the next action which will take place will be a hearing on a motion to temporarily enjoin the LCC. This should transpire a week to 10 days later.

The council unanimously agreed to institute a lawsuit against the LCC at the regular meeting Monday, April 21.

Asks Reconsideration

This action stemmed from the referral, on the LCC's part, of three Class C applications, which the solons had previously denied, back to the body for its consideration.

At the same time, the LCC expressed a feeling that a section of City Ordinance No. 89, which limits the number of Class C and/or tavern licenses to be issued by the LCC, is invalid.

This measure was adopted by a vote of the people over 20 years ago. Mr. Catlin had said it limits the number of Class C licenses in the city to three, and the community already has this number.

Beautification Group Off to Auspicious Start

By Roger A. Waha

The Woods Beautification Commission, which was born on March 17 when the council appointed 13 citizens to the group, is off to an auspicious start.

They already have a number of projects in the planning stage, according to Dr. Albert Howe, chairman, who urged the city last November to create such a group.

One project is to involve businessmen in beautification work. "We will contact by mail all professional business people along Mack avenue and ask them for ideas and suggestions on how we can enhance the beauty and appearance of our city," he said.

Dr. Howe estimated 350 or

Detroit Northern Loan Victimized by Robber; Camera Takes Picture

Police Seek Assistance of Citizens Towards Apprehension of Suspect; No One Is Hurt in Incident Which Occurred on April 29

The man in the one-column picture included in this story is allegedly responsible for taking \$3,992 during a hold-up of the Detroit and Northern Savings and Loan, 19307 Mack avenue, early Tuesday afternoon, April 29, reported Woods police.

Officers said the suspect was photographed at the scene via an automatic camera.

The man entered the building, approached one of the tellers and showed her a note which read "hold-up." After she gave him money from a cash drawer, the culprit stated twice, "Is that all of it?" and reached towards his pocket as though armed. No weapon was actually seen.

Only Two Present

Then the man told the woman and another teller to go to the rest room. No other employees or customers were present, police said.

Both tellers waited for several minutes before returning to discover that the robber had made his escape.

No one was hurt in the incident.

The case was immediately turned over to the detective bureau and the FBI also was notified.

His Description

Described as white, between 30-40 years of age, about 6' tall and 190 pounds, the suspect had brown hair, a dark complexion and an acne scarred face. He wore a blue jacket and sun glasses.

If you have seen a man resembling the person in the photo and/or fitting this description, contact the detective bureau at 886-2700.

YSD Budget Meeting Set

The Youth Service Division's Board of Managers, (including all Pointe city managers and a School Board representative), will meet Tuesday, May 13, to discuss the division's proposed 1975-76 fiscal year budget of \$124,598, said Woods City Administrator Chester E. Petersen, YSD coordinator.

A major aspect of the new budget which the board will consider is the proposed elimination of the division's part-time counseling program in an effort to curtail costs. Mr. Petersen had earlier stated the savings gained via the program's elimination would be an estimated \$3,500.

Whether the individual and group counseling program is eliminated depends on what action the board takes. Funds for the program aren't included in the new budget figure, which shows around a 5.7 percent increase over the \$118,217 total for fiscal year 1974-75.

The Woods is managing municipality of the YSD.

Teamsters' Help Sought By Officers

City Patrolmen, Sergeants and Corporals Want Union Strength for Bargaining

By Tom Panzenhagen

With its existing contract due to expire June 30, The City Police Officers' Association, along with the Sergeants' and Corporals' Association, have petitioned the Michigan Labor Relations Board for membership in the Teamsters—Local 214.

The nine officers, four corporals and three sergeants are seeking membership in Local 214, a union local consisting of law enforcement officers, in order to approach contract talks with city management from a position of greater strength.

Patrolman David Teolis, president of the CPOA, said his membership voted 100 percent to join the Teamsters local because "We're looking for financial help, and they, (the Teamsters), have the money and lawyers to help us."

\$13 Per Month Dues

He said initial membership in the local would cost about \$100, and added that dues thereafter would run each member about \$13 per month.

Patl. Teolis said the only alternative he saw to joining the Teamsters was for the CPOA to privately hire a lawyer who would represent them at contract talks with city officials. The City firemen have followed that course of action themselves.

But Patl. Teolis said that CPOA members have been thinking about joining the Teamster local for about a year, and said he thought joining the union was the best of the two options because "These people (the Teamsters), will back us right up to arbitration."

Could Drop Out

He concluded that if the Teamsters did not adequately represent the interests of the two City police unions, a prospect he said he did not foresee, The City police could simply petition to be dropped from the ranks of the Teamsters.

As it stands now, once the Michigan Labor Relations Board okays the police officers' petition, an election of the CPOA membership to join the Teamsters will be

2 Women, Man Face Charges As Shoplifting Trio

Accused of Stealing Clothes from Hughes and Hatcher and Many Other Items from Cunningham Drugstore

Two Detroit women are in the Wayne County Jail and a Detroit man is free on bond following their arrest by Farms police Saturday, May 3, in connection with a shoplifting incident that involved over \$350 worth of goods.

At their arraignment before Farms Municipal Judge Robert H. Pytell, both women pled not guilty to charges of larceny from a building.

Carolyn Lee Neal, 32, of 680 West Euclid avenue, was remanded to the jail after failing to post a \$2,500 cash bond. Angel Becker, 24, of 601 Piper street, failed to post a \$1,000 bond and also was remanded to the jail.

He's Free on Bond

John Griffin, 27, of 2500 Anderson, is free on a \$1,000 bond after pleading not guilty at his arraignment on a charge of receiving and possessing stolen goods.

The trio is scheduled to appear before Judge Pytell Wednesday, May 14, at 11 a.m., for examination hearings on the charges.

Farms police received a call about 6:15 p.m. from the manager of the Hughes and Hatcher store, 18920 Mack avenue, who said a store security guard observed two women remove clothing from the building without paying for the items.

Police said the manager and the guard followed the pair to the rear parking lot where Neal was apprehended and Becker escaped on foot.

Find Stolen Items

The store manager turned Neal over to Farms Officer Gordon Evans who responded to the scene. A pair of slacks which the manager said the woman threw on the ground and a coat also were turned over to the officer.

At this same time, another store employee was following the second suspect west in the alley south of Mack avenue. Farms Officer Clarence Reichling reported that enroute to the scene a woman at Kerby road and Mack pointed out a female being followed by a male near Gateshead and Mack.

Officer Reichling said that as he stopped the woman, identified as Becker, she threw a screwdriver under the porch of a nearby residence. The store employee told Officer Reichling that the woman had a coat stuffed in the front of her slacks.

Price Tags Still On Police said another coat was discovered in the woman's purse when it was searched for weapons. Both items had Hughes and Hatcher price tags still on them.

The woman was arrested and conveyed to the Farms station.

When Officer Reichling returned to the store parking lot the manager pointed out a male who he said also was involved in the incident entering a black and green automobile.

Brownell School to Hold Open House for Retired

A special day devoted to retired persons living in the Brownell Middle School attendance area has been set for Monday, May 19, by the Brownell PTO Executive Board.

This will be Brownell's second annual open house for retired persons. The day has been designated as such because the board knows that retired persons represent a sizeable portion of the community and wants them to know that retired persons are always welcome at Brownell.

Girl Scout Troop No. 1483, with 28 Brownell students in its membership under troop leader Mrs. Loril Dolson, has begun extending individual telephone invitations to area

LEIN Target Of Proposed Budget Cut

Law Enforcement Officers Join Ranks to Protest Threat to Crime Deterrent Agency

The chiefs of police of the five Pointes and Harper Woods are emphatically opposed to a proposed cut, (\$400,000), from the State Police budget, previously appropriated for providing Law Enforcement Information Network (LEIN) terminals and communications to 143 sheriff, municipal and other non-state agencies. The trimming of this amount was recommended by Governor Milliken's budget staff.

If the cut-off is approved, law enforcement and other non-state agencies desiring to retain the service, would have to pay about \$250 a month, or \$3,000 a year. This would mean that some of the smaller Michigan cities and towns might have to discontinue the use of LEIN machines because it would put a heavy strain on their budgets.

In 193 Locations

Some 8-10 years ago, the State of Michigan purchased the machines and installed them in 143 local law enforcement agencies throughout the State. The Michigan State Police Posts, etc., will not be affected by the cut.

Since the purchase and installations, the State has been subsidizing the cost of operating and maintenance of the machines, which have been of tremendous help to communities in the fight against crime.

The machines are linked to the Federal Bureau of Investigation Headquarters in Washington, D.C., and other Federal agencies.

Information requested on arrested persons, whether for traffic offenses, or any other reason, is sent over the machines, and within seconds the answer is in the hands of the authorities making the requests.

Notices Received

All local and sheriff departments throughout the State, now having LEIN machines, have received notification of the proposed budget reduction from Genesee County Sheriff Kenneth Preadmore, chairman of the LEIN Policy Council, (LPC), who stated that the system has proven to be a vital informational tool for law enforcement.

As such, the sheriff stated further, the Council very much wants the system not

City Schedules Budget Hearing

The proposed 1975-76 fiscal year City budget has been prepared and is available for public inspection. Review of the proposed budget by City council members has begun, and a public hearing on the matter will be held in the

council chambers Wednesday, May 14.

The finalized budget will then likely be adopted at the following regular meeting of The City Council, Tuesday, May 20, said City Manager Thomas Krossbach. The regular meeting is usually held on Monday night, but is postponed one day in this instance because of Mayor's Exchange Day.

The budget hearing Wednesday will begin at 7:30 p.m.; the regular council meeting May 20 will get underway at 8 p.m. Both will be held in the City Hall, 17147 Maumee avenue.

Petition Filing Deadline Near

The last date for filing petitions by candidates interested in running for the Grosse Pointe Board of Education is 4 p.m. Monday, May 12.

Further information on the school trustee election, to be held on June 9, may be obtained by calling the director of business and finance of The Grosse Pointe Public School System at 885-2000.

Sgt. Alfred Martin after receiving this information spotted the car and pulled the driver, identified as Griffin,

over for questioning at the rear of 19125 Mack. He said as he approached the vehicle he observed several shopping bags in plain view which appeared to contain new merchandise.

The man was arrested for investigation of possession of stolen property.

Officer Reichling came to assist and a cursory search by both officers revealed items from Hughes and Hatcher and Cunningham drug store, all with the price tags still on them. Police said the suspect could produce no sales slips for any of the articles.

Many Items Stolen

Included among the items found in the car were three steam irons, two casting rods, a men's leisure suit, a pair of men's slacks and miscellaneous items such as sunglasses and shampoo.

All the items confiscated from all three subjects were taken to The Farms police station and tagged as evidence.

led by the commission. Dr. Howe declined to reveal the nature of these projects at this time until approval for them is obtained, not only on the city level, but also on the county level.

As for his commission colleagues, he said, "We have a very interested group of people. Everyone will be working and participating in this thing. The members, I hope, will be kept very busy."

The 13 are currently serving a one-year term which will expire January 1, 1976. Besides his hope of getting many projects underway Dr. Howe emphasized that current members are doing the legwork and paving the way for those who will ultimately replace them.

A quotation which he discovered in Florida summarizes the objectives of the commission. It was written by Edward W. Bok, a philanthropist of the late 1920's who established a wildlife refuge complete with a singing tower in Lake Wales, Fla.

It says, "Make you the world a bit better or more beautiful because you have lived in it."

And that is what the commission is trying to accomplish.

Park Resident Robbed by Pair

A Devonshire resident informed Park authorities that he was held up by two black men at the rear of his home Thursday evening, April 29. One of the bandits appeared to have had a small automatic in his hand, it was said.

The victim of the hold-up, Peppino Tedesco, 45, said that he was approached by two men at about 10:17 p.m., who demanded that he hand over what money he had. Tedesco said that he surrendered his wallet containing an undetermined amount of

currency and personal papers, and a small radio that he was carrying.

The bandit pair grabbed the wallet and radio and fled from the scene on foot, according to information released by Chief Henry Coonce. The wallet with Tedesco's operator's license and other papers, but sans the money, was later recovered in the area of Jefferson and Conner in Detroit, and turned over to Detroit police, and later returned to Tedesco, the chief said.

The only description the hold-up victim could give police was that both men were between 20- and 30-years-old, both were about five feet 10 inches tall, with one man wearing a black leather jacket and the other a white jacket or sweater.

It was not disclosed if the man wearing the black leather jacket, or the one with the white jacket, or sweater, was holding what appeared to be a gun.

Put That in Your Pipe and Puff It

He may not have proven that marijuana smoking is harmful to everyone, but a Pointe father recently found that marijuana didn't do his own system any good.

City police said after the father found some marijuana in his daughter's room, an argument ensued between father and daughter over the relative merits of the drug. The discussion culminated with the father placing the marijuana in his pipe and smoking it.

The man became sick and was taken to Bon Secours Hospital and treated for a palpating heart.

Meanwhile, he noted the city is permitted 15 such licenses according to the 1970 census.

However, the council expressed its concern over several factors. First, it appeared to the solons that the LCC was going to issue the previously denied trio of licenses over the local body's head.

Second, such a potential loss of control on the issuance of such licenses on the council's part would not only be, they felt, an infringement of "home rule" but could create too much of an entertainment district in the city.

Mr. Catlin explained what specific action would be taken: The city would institute a lawsuit against the LCC and seek a temporary or permanent restraining order, and also seek a declaratory judgement from the court to establish the validity of the restrictions on the number of Class C licenses that can be issued in the community.

Missing Bikes Season's Here

It's that time of year again — time for stolen bicycle reports to find their way into police blotters.

Two were reported missing in The City within the last week, both from nearby homes in Notre Dame avenue. And in both cases the thefts were of high quality bikes.

Taken from a garage at 898 Notre Dame were two Schwinn 10-speed, 26-inch racers, one a boy's and the other a girl's. The girl's bike was lemon and white in color with serial number JJ589250. The boy's bike was copper with no license or serial number.

Missing from a garage at 900 Notre Dame was another 26-inch, 10-speed, boy's Schwinn racer. Blue and white in color, its serial number is HJ532235.

None of the stolen bikes was locked, but both the garage doors were closed.

Accused Faces Murder Charge

A Moross road resident was bound over for trial in Wayne County Circuit Court on a second degree murder charge following an examination Wednesday, April 30, before Farms Municipal Judge Robert H. Pytell.

John Kefalonitis, 41, of 418 Moross road, was charged in the April 9 shooting death of Pavlos Athanasopoulos, 38, of St. Clair Shores.

Police said Athanasopoulos was at the Moross road home when an apparent dispute erupted and he was shot with a handgun. Farms police responding to the scene found the St. Clair Shores man lying in the living room of the residence and called for an ambulance.

He was pronounced dead on arrival at Saint John Hospital.

Kefalonitis was apprehended by Harper Woods officers who found him several blocks away traveling on foot.

Kefalonitis is free on \$20,000 bond while awaiting the circuit court trial.

Farms Resident Rescues Boy Drowning in Florida

By Tom Panzenhagen

A winter retreat to the south for an elderly Farms couple turned into a life-saving adventure for a Florida youth last month.

Mr. and Mrs. Adolph Widmann, of Edgemere road, were about to complete their annual vacation from the Pointes when one day Mr. Widmann observed two youths swimming off the shore of their Anna Maria City home near Sarasota, Fla.

Mrs. Widmann recalled telling her husband that it was too rough a day for them to go swimming: "I told my husband he'd have to go out by himself if he wanted to go swimming today."

Mr. Widmann, 82 years of age and once a German sailor in World War I, took his wife's advice and did not intend to venture into the Gulf of Mexico surf that day.

"But then we noticed these two kids swimming out in the surf," Mrs. Widmann said, "and we couldn't keep our eyes off of them."

The two kids turned out to be David Knutson and Chris Hanson, and David, age 10, was drowning. His friend was attempting to pull him to shore when Mr. Widmann first realized what was happening.

Mr. Widmann, who tries to swim every day at the Farms Pier during the summer months, said he doesn't really remember how far he had to swim to rescue the boy. "It wasn't so much the

distance as the tough, rough water that bothered me," Mr. Widmann said.

The rolling surf may have hampered Mr. Widmann's rescue efforts, but it didn't prevent him from saving the boy's life.

David was brought limply, "feeling like a rag," to the shore by Mr. Widmann. Mrs. Widmann, in the meantime, had called the police and a rescue squad was on the scene in a matter of minutes.

David spent some time in the hospital, but has since recovered from the incident.

As for Mr. Widmann, who once spent nearly eight hours floating in the Baltic Sea after a destroyer he was on was sunk during the war, he simply said "I was glad I could help."

Changes Stolen Car for a Cycle

A man asking to test drive a motorcycle for sale by its owner was allowed to take the bike once around the block, but never returned, City Police report.

James Kerwin, of Washington road, the owner of the motorcycle, told police that seemingly potential buyer for his bike came to look at the motorcycle Thursday, May 1. He returned the next day, asking for the test drive, and then disappeared.

The suspect, described as a white male, 20-25 years of age, six feet tall and 170 pounds with brown hair and beard, apparently arrived at the Kerwin residence in a stolen vehicle, as well.

Mr. Kerwin said that after the incident he noticed a parked car in which the thief had apparently arrived at

his home. But the car was registered to a Harper Woods man who had left it in a parking lot that morning.

The motorcycle was described as a 1974 Yamaha, 350 c.c., with orange and black trim, license number 446002680. The thief was wearing a black leather jacket, blue jeans and a grey helmet with no visor when he disappeared with the bike.

Citizen Thanks Woods Police

The importance of calling your local police department in the event of any suspicious or unexpected activity is highlighted in a recent "thank you" letter to The Woods Department of Public Safety from a North Brys drive citizen.

In this instance, the alarm was a false one much to the resident's relief, but it points up the need for such action on the part of the citizenry.

"I'm writing to express my deep appreciation to the Woods Police Department.

"I returned home this morning, unexpectedly, and heard footsteps upstairs. My call from the neighbor's house was answered within minutes by two squad cars, a third arrived shortly after. The officers quickly surrounded the house. Two officers entered the house shouting 'police.'

"A few minutes later they reappeared with my 15-year-old daughter. One officer said to me, 'Don't be embarrassed. You did the right thing to call us.'

"These men were fast, thorough, cautious and courteous. It turned out to be a routine run for them but it was a great deal more than routine to me.

"I've been a resident of The Woods since 1952. One of the reasons is because of a police department like this. Sincere thanks to you and to the entire force."

Speeder Faces Second Charge

A speeding Gary, Ind., motorist got more than he bargained for after Woods police stopped him for going around 60 mph on Mack avenue and discovered the car he was driving was reported stolen by Oak Park police.

As a result, Cecil McIntosh, 34, also was charged with receiving and concealing stolen property stemming from his arrest Friday evening, April 18.

Police reported McIntosh was arraigned on the stolen property charge last week and he's out on a \$1,000 personal bond. His examination date in The Woods Municipal Court is scheduled for Wednesday, May 14. The defendant's court date on the speeding violation is set for June 23.

Officer Robert Rabe spotted McIntosh driving along Mack at a high rate of speed and paced him in excess of 60 mph with hazardous road conditions due to a heavy rainfall.

After pulling him over at Mack and Lochmoor boulevard, McIntosh produced a license permit and a pink slip of paper which originated from an Oak Park auto dealer. He told Officer Rabe that he borrowed the auto from a friend.

Police ultimately learned that his friend had been arrested on a felony warrant for failure to return a rented vehicle on Wednesday, April 16. The friend, officers added, was the renter of the auto.

After McIntosh was taken to the station, a LEIN check revealed that the car was stolen. Wayne County Prosecuting Attorney David Karapetian was consulted and it was recommended that McIntosh be held on the stolen property charge.

St. Paul Plans Kindergarten

Saint Paul School has announced the formation of a kindergarten section for the 1975-76 school year. This will be the first kindergarten ever offered at the school.

Plans call for half-day sessions to meet in the morning. The children would begin class at 8:30 a.m., the same time as other Saint Paul students. Dismissal time would be approximately 11:30 a.m.

Dave Giles, Saint Paul principal, said the decision to open a kindergarten class was made by the Parish Council and the Education Commission in response to numerous requests from parents of pre-school children.

"We feel that our own kindergarten program will serve the needs of the parents in several ways," Mr. Giles commented. "First the child's preparation for first grade is more correlated to the total educational program at Saint Paul's. Secondly, the child is introduced to the community of faith a year earlier. In addition, much is gained from a child beginning school in a setting where older brothers and sisters are in the same school, not only from a sense of belonging, but also in terms of transportation."

Additional information and registration forms may be obtained by contacting the school office at 885-3430.

Bikers Pedal to Aid Pierce

"I think it was a success, it got a lot of kids involved," observed Bill Bakeman, environmental studies teacher and chairperson of social studies at Pierce Middle School, referring to a Bike-a-thon he headed up on Saturday, April 19.

The event, second of its kind, was held in conjunction with the school's student government to raise funds for school projects, activities and materials which are not specifically covered within the school system's budget.

Another bike-a-thon was pedaled last year to benefit Environmental Action Now and \$650 was made at that time.

The students, about 135 in all, gathered at Windmill Pointe Park to register from 7:30-9 a.m. A dozen teachers also participated and about 35 of the youngsters did not actually ride bikes but did other work related to the project.

The route was excruciatingly simple: from the park down Windmill Pointe drive to the foot of Bedford road and back again. That's two miles. And since each rider was trying to make a total of 50 miles, it was necessary to make 25 trips up to Bedford and back to the park.

The weather, all participants noted, was somewhat less than cooperative. It was very cold and windy. "It was okay going one way," Mr. Bakeman explained, "but then when you tried going back — the wind! — It was gusting up to 40 or 45 miles per hour."

But perseverance was the key word for 57 of the cyclists who managed to turn in a total of 50 miles. Money-wise, pledges committed amounted to about \$1,500 and Mr. Bakeman figured 95 percent of that would actually be obtained.

A similar bike-a-thon is being planned for Saturday, May 10, with this one, hopefully, enlisting riders from The Pointe's three middle schools, Pierce, Brownell and Parcels.

North BOEC Member Elected State President

By Nancy Kramer

When North High School's Business Office and Education Club (BOEC), chapter returned from the latest State competition in Southfield, Friday-Saturday, April 11-12, it did so with various honors illustrating its members' prowess.

But best of all, the chapter came home with the new State president, Karen Martin.

A North High junior, Karen had intended to run for the office of State reporter. She'd taken all the tests required of potential state candidates and she'd received the necessary approval of the proper people at North. But, when she was interviewed for the job by employees of the State Department of Education, she was found to be "just too qualified to run for anything but president."

So, at 3 p.m. Friday, she learned she would be running for president. At 5:30 p.m., campaigning began and at 6:30 p.m., she had to give a

speech before members of the state's approximately 2,500 BOEC chapter members who had attended the competition.

"She gave a beautiful speech," club coordinator Paul Pierron remarked.

Karen campaigned for more statewide activities; more opportunities for all BOEC chapters in Michigan to get together, not only to compete against each other, but to see each other socially. "I'll never be afraid to speak in front of a large group of people again," she says now.

The students voted for officers on a Friday night and Karen didn't learn she'd won the election until Saturday morning.

"I have to thank my chapter," Karen maintains, "they really backed me so much in my campaign."

The other 57 members of North's chapter, apart from supporting a victorious candidate, put on quite an impressive display of their business skills. Mr. Pierron called it "one of the finest showings

of any type of state competition in our school's history."

The BOEC was formed three years ago in the state of Michigan as a spin-off of two national organizations: the Future Business Leaders of America and the Office Education Association. Its purpose is to prepare students for a future in business by teaching specific skills such as the operation of business machines, typing, stenography and shorthand. "Also," Karen asserts, "you learn how to work with others and how to raise money."

In competition then, the students from North pit their knowledge in these areas against the acquired skills of other Michigan BOEC chapter members in activities like extemporaneous speaking, accounting, stenography and business speaking.

Among the North High winners that weekend were Sandy Goyke, Sue Hooper and Diane Bruske, first place in Business Spelling; Sue Polina, first place in Chapter Display; Ed Slesinski, third place in Accounting II; Kathy Mittelbuscher, third place in Stenography II; Pat Marino, fourth place in Extemporaneous Verbal Communication; and Virginia Campo, third place in Verbal Communication.

Others were Karen Woodard, third place in Chapter Activities; Sandy Bonanno, fourth place in Stenography I; Diane Bruske, fourth place in Office Duplication; Sue Guest, fifth place in Electric Typing; and Karen Woodard, fifth place in Chapter of the Year Manual.

Karen, the newly-elected president, took a third in Extemporaneous Verbal Communication.

The daughter of Mr. and Mrs. John Martin, of Aline drive, Karin will be going to Chicago, Saturday-Tuesday, May 10-13, to attend the National Leadership Conference of the Office Education Association. She will carry the State flag and attend workshops designed for state presidents.

She'll receive more in-depth training during sessions to be held in Lansing where all state officers will learn more about how to promote the organization and conduct business meetings.

As far as the more distant future goes, Karen plans to enter the Air Force after she graduates from high school and obtain a degree. "I'd like to make a career there—in office or business administration. I've always liked aviation and meeting different people," she reflects, "and it seems like a great opportunity."

Warning Given by Fire Chief

"Spontaneous combustion," a dreaded combination of words, is usually caused by a concentration of heat among piled up papers or other burnable material, or by careless use of cleaning or other inflammable fluids, said Park Fire Chief Philip Costa. The fire can start after a prolonged period of time, or instantaneously, he said further.

Chief Costa cited an informative article from a bulletin sent to all fire chiefs everywhere which disclosed how a fire chief, not satisfied with putting down in his report "cause unknown," conducted a complete investigation of a couch fire in a home in his city.

The chief answered a call from a home owner concerning the couch that had caught on fire "all by itself." The owner had arrived home to find a trace of smoke coming from a basement window. He investigated the source and found a small area of an upholstered couch charred and smoldering.

Firefighters took the couch outside and the second it hit the open air, it burst into flames. The chief decided to interview and investigate until the cause was determined.

During the course of the investigation, the chief found that the home owner's wife had been in the basement wiping a piece of refinished furniture with a product called a "Finish Feeder."

In questioning the wife, the fire department head was informed by the woman that she had accidentally spilled some of the fluid, a very

small amount, onto the nylon covered couch. She said she wiped off the excess fluid, leaving only a damp spot, and gave it no further thought. The fluids she had been using were disposed of outside as per direction on the bottle.

Approximately 25 hours later, the smoldering started on the very spot the fluid had been spilled. One of the "directions" for use of the polish was to "spread all used cloths to dry in open air, to prevent spontaneous combustion."

The fire chief, having reached the conclusion of the cause of the fire, sent a sample of the polish to the Department of Crime and Health Detection Laboratory in his community for analysis. The return report showed that the fluid was comprised of a combination of beeswax and turpentine, and that under proper conditions the substance was capable of creating heat and could cause spontaneous ignition of certain materials.

Chief Costa said that citizens purchasing cleaning and polishing fluid should read and follow the printed directions carefully. If you are not certain of the product, don't buy it. But, if you do buy it, and would like expert advice, call your local fire department. It will be glad to help you.

SH Keeps Busy Net Schedule

By Rick Thomas
Drawing close to mid-season, the South High School varsity tennis team continued play last week and split matches with Mount Clemens and Port Huron. The Devils also participated in the University Liggett Invitational Tournament, in which South finished a respectable third. Against Mount Clemens Tuesday, April 29, South emerged the winner, 5-2. Mike Scherer and Mike Franck won number one and two singles matches, respectively, and the teams of Craig Feringa and Bob Kabeary, Max McKee and Raoul Weiller and Dave Webster and George McMullen also won.

South was then edged by Port Huron, 4-3, on Thursday, May 1. Winners for South were all in doubles competition, those being the teams of Feringa and Kabeary, McKee and Weiller, and Webster and J. J. Schulte.

In the ULS tournament, which was held last Friday, Saturday, May 2-3, South turned in what coach Donald Zysk termed a "pretty good" third place finish. Only ULS and Ann Arbor finished ahead of the Devils.

South's eight points in the tournament were comprised of singles wins by Chris McMahon and Tom Scott. The doubles team of McKee and

Mike Buck, and McMullen and Webster won two points each. The teams of Scherer and Kabeary and Paul Caruso and Al Large won one point each.

South plays East Detroit today, May 8. North High School on Monday, May 12, and South Lake Tuesday, May 13, all away. The Devils' main concern, however, is tomorrow, May 9, and Saturday, May 10, when they participate in the Eastern Michigan League Tournament at Port Huron.

South is expected to fight with Port Huron for the top finishing position. Final results will be in next week's paper.

Charge Drivers With Drinking

Charged with driving under the influence of liquor in The City in the last week have been Daniel Henry Burdick, of The Farms, and Robert E. Graham, of Highland Park. City police report.

Mr. Burdick was observed driving east on Mack avenue near St. Clair avenue where he struck two cars waiting to turn into the Ram's Horn restaurant.

Mr. Graham was seen traveling east on Waterloo avenue at a rate of 41 miles per hour in the 25 miles per hour zone.

Both voluntarily underwent breathalyzer tests which showed alcohol in their systems in excess of the norm.

HARKNESS PHARMACY

"Psycho" refers to the mind, and "somo" to the body; "psychosomatic" refers to the relationship and reaction of the mind and body to each other. We have all become increasingly aware that worries, emotional upsets and anxieties can have a tremendous effect upon general health, and can actually cause severe illnesses. Such abnormalities as asthma, hay fever, and other allergies, migraine headaches, digestive disturbances and high blood pressure may have several causes. All, however, can be induced by psychosomatic disturbances.

Your "patient profile"—a complete record of all your allergies, immunities and other health data—is kept at HARKNESS PHARMACY, 20315 Mack ave., at Lochmoor blvd., as a safeguard when you have your prescriptions filled by our professional pharmacists. This information allows us to re-fill a prescription you may have lost. At HARKNESS, we have a complete line of nationally-known cosmetics, greeting cards, liquor and fine candies. We are open weekdays until 9 P.M., Saturdays until 5 P.M.; call us at 884-3100 for free prescription delivery. We have been serving the Pointes for more than 33 years.

Befuddled Man Put Under Bond

A Dearborn man, apparently believing he was at another address on another street, was arrested as a disorderly person by City Police Saturday morning, May 3, after he was found banging with his fists on the front door of a Lincoln road residence.

The man, 25-year-old James John Yagley, said he thought he was banging on the door of his girl friend's house on Ashland in Detroit. Police said the man was in a drugged and drunken state.

Mr. Yagley was held in custody by City Police, then released on \$100 bond. A court date of Wednesday, May 14, was set.

A number of so-called good buys in questionable stocks turned out to be farewells.

Trust. A simple word, a complex subject.

Our business is based upon the principle of loyalty to the beneficiary.

It is a simple base. But it supports one of the most complex businesses in the world. The business of settling an estate, managing a private foundation or supervising an investment portfolio involves much more than taxes and the economy. It involves rapidly changing laws, new regulations and economic conditions.

Add in the forces of social change, consumerism and governmental controls, and you have a business that demands more skill and insight than any one individual can hope to possess. Especially when you recognize that any one or all of these conditions affect trust investments and beneficiaries in one way or another.

That's why, at NBD, we offer you a team of specialists in investments, taxes, real estate, accounting and other specialized areas involved in the successful administration of your personal trust.

To take advantage of these capabilities in the administration of your estate, let us set up a meeting with you and your attorney.

Kiwanians Hold Annual Election

The Grosse Pointe Kiwanis Club recently elected officers for the 1975-1976 operating year. Serving as president will be Russell Herring, who is a senior mechanical designer with the Cadillac Motor Car Division of General Motors.

First and second vice-presidents will be Robert B. Frederick, a partner in the law firm of Frederick & Rise-man, and Frank Ruppe, a self-employed custom carpenter.

Spring Concert Set for North

North High School's Instrumental Music Department will present its annual Spring Concert Thursday, May 15, beginning at 8 p.m. in the school theatre, members of three performing groups, all under the direction of Nathan C. Judson, will play.

The North Symphony Orchestra, Concert Band and Symphony Band will perform works by Mendelssohn, Smetana, Vivaldi, Berlin and Giannini, among others. Tickets are \$1 for adults and 50 cents for students.

For further information call 886-8100, ext. 76.

George Cueter, owner of the Cueter Investment Company, was elected treasurer, while Gene Costello, a mechanical engineer with the Great Lakes Steel Corporation, was named secretary.

Elected to the board of directors were James Barker, owner of Barker Construction; Harold Wolf, the immediate past president of the club and manager of The Pointe office of the National Bank of Detroit; Jim Brady, public relations representative of the General Motors Design Staff; Bill Matouk, owner of The Woods Beer Store; and Neil Madler, supervisor of photographic activity of the General Motors Design Staff.

The newly elected members join the following current board members: Richard Beach, retired from the Grosse Pointe schools; Woods Mayor Benjamin W. Pinkos, owner of the American Metal Processing Co.; and Robert Trinklein, a salesman with AAA Insurance.

The new officers will assume their official duties on October 1, 1975.

Kiwanis is an international organization of men interested in serving the communities in which they live or work.

Pointe Police Irked by Proposal on LEIN System

(Continued from Page 1) only to continue to serve the criminal justice community's informational needs, but that the LEIN facilities be further expanded and improved.

He said that a number of meetings and discussions have been held with members of the Michigan Association of Chiefs of Police (MACP), the Sheriff's and Prosecuting Attorneys Association (SPAA), and the State Bureau of the Budget in efforts to arrive at a reasonable and equitable solution "to this most pressing issue."

Proposals Approved
"As a result," Sheriff Preadmore said, "the LPC at its meeting held on April 22 in Lansing, moved that the following proposals be made to the budget authorities of the State of Michigan:

"A. That the State of Michigan continue to provide budgetary support in the amounts currently allocated to the Criminal Justice Center for terminal and communication lines;

"B. That each of the 143 aforementioned agencies pay \$250 monthly which approximates the monthly leasing charges for a video type terminal.

"Of these monies received yearly (\$429,000), \$188,150 is to be retained by the Criminal Justice Data Center (CJDC), to be used to: 1. Upgrade the LEIN system by providing faster communication lines and quiet video type terminals; 2. Provide for system expansion."

The remainder of the monies received, (\$240,850), Sheriff Preadmore stated, would be turned over to the State of Michigan, and would represent the cost sharing of the terminal by the LEIN users.

Effective Next Year
He recommended that the agencies concerned make the necessary budgetary request for \$3,000 to their respective local authorities to cover the costs. It is anticipated that LEIN terminal leasing charges of \$250 a month will

become effective on January 1, 1976, he added.

The police chiefs of the Pointes and Harper Woods said that the withdrawal of the State subsidy for the machines would be a blow to their departmental budgets.

The chiefs said they are planning to meet on Tuesday, May 20, to discuss the matter and to determine what steps to take to request members of Governor Milliken's Budget Staff to change their minds.

Harper Woods Chief Nicholas Mayer is on vacation and therefore was not available for comment. Besides operating its emergency police and fire radio system jointly with the five Pointes, Harper Woods also is joined with the Pointes in Mutual Police and Fire Aid Pacts.

All the Pointe chiefs voiced strong opposition to the proposed subsidy withdrawal.

Farms Police Chief Robert K. Ferber sent the following letter to Sheriff Preadmore:

"Please be advised that I am TOTALLY OPPOSED to the LEIN Policy Council's action of April 22, which recommended a \$250 monthly or \$3,000 yearly cost for all LEIN terminals as of January 1, 1976. I am convinced that any foolhardy action of this nature will totally destroy the advanced law enforcement capabilities of the State of Michigan and the system which has become 'the model for the world'."

Chief Ferber, who is the secretary-treasurer of the Wayne County Association of Chiefs of Police (WCACP), and an assistant professor of law enforcement at Macomb County Community College, dispatched similar letters to Governor Milliken, State Senator William B. Fitzgerald, and State Representative William R. Bryant, Jr.

Has Two Replies
The chief said that he has received an oral statement from Sen. Fitzgerald, who said that he will oppose any such cuts; and a letter from Rep. Bryant, who stated that he will review the cut cited during the budget process which is just starting.

Park Chief Henry Coonce had this to say: "I would like to see them, (the Governor's Budget Staff), continue the subsidization of the LEIN machines. I feel that these machines are absolutely necessary in today's police operations and are of tremendous value in the constant battle against crime."

"It is a statewide system and I am of the opinion that the State of Michigan should continue funding it. If the State discontinues the subsidy, it will be a burden on smaller communities than ours. I feel strongly that towns will be unable to pay for the use of the machines and consequently will drop out of the system, which will be a blow to the interdepartmental statewide law enforcement agencies' link that now exists."

Called Tough on City
City Police Chief Andrew Teetaert had this comment: "The \$250 charge 'will be a kick in the teeth to the City'. The LEIN terminal is very useful; it performs a damn good job and we need it."

He said he is not bitter that the state is planning to institute a charge after giving use of the machine "for free up to now."

"The \$250 figure is really high, though, and it may mean consolidation of the LEIN system among the Pointes. However, if the State pulls back a bit, and decides to charge, say, about \$100, for example, The City could manage to pay that much."

"Even at \$250 a month, however, I'm not so certain that consolidation will pay off. Consolidation will mean hiring and paying someone full time to do nothing but process LEIN requests from the various cities, and that would be time and money consuming."

Woods Director of Public Safety Henry Marchand, opposed the subsidy withdrawal.

"As far as I'm concerned," he said, "this is the most valuable tool we have at our disposal. I will be very disappointed if the State discontinues to pay for the machine."

He stressed his department's tremendous use of the machine, and noted that the cost could be an added burden to the local taxpayers. But, he emphasized, the value gained via the LEIN machine is well worth it.

Shores Director of Public Safety Joseph Vitale stressed the value of the machine. "This is a statewide system, and even reaches to the Federal Bureau of Investigation in Washington. I'm heartily in favor of the State continuing subsidizing the cost of operating the machine."

chines. These machines are a vital link to all the law enforcement agencies throughout the State of Michigan.

"Before the installation of the machines by the State, it sometimes took hours before information could be received, whereas now, it takes only seconds. These machines are invaluable in the fight against crime. Many a wanted person, whether he, or she, is wanted by another community on a misdemeanor or felony charge, has been apprehended because of information sent over the system."

"It would be unfortunate if the State discontinues the funds for the system, but it has been such a necessity that regardless of the cost, I would recommend that we pay it, although I hate the thought of paying such a stiff price."

Hospital Week Held at Cottage

A "honky-tonk tea" in the Board Room Monday, May 12, for employees and retirees of Cottage Hospital will launch that hospital's celebration of National Hospital Week.

A pianist playing honky-tonk music, a barbershop quartet wearing straw skimmers with red bands, refreshments of peppermint ice cream and red-and-white table decorations will mark the occasion.

Employees who have retired since National Hospital Week in 1974 will be especially honored.

The talents and creativity of Cottage employees will highlight the last two days of the week with an exhibition of their handicraft and art work at an Arts and Crafts Show in the Board Room Thursday and Friday, May 15 and 16.

Paintings, ceramics, crocheted and knitted items, decoupage, sculpture, needlepoint, photographs and other articles will be displayed. Members of the Women's Auxiliary and of the Cottage Hospital Board of Trustees will award first, second and third-place ribbons and a "Best of Show" trophy.

The Arts and Crafts Show is open to families and friends of the employees from 9:30 a.m. to 4:30 p.m. on both days.

Wayne Opens Rini Facility

The John V. Rini Business Research Facility in Wayne State University's School of Business Administration was recently dedicated in ceremonies attended by leaders of the metropolitan Detroit business community.

The facility, located in the Prentiss Building, was established in memory of the late Mr. Rini, a former president of the Administrative Management Society (AMS), vice-president of the Greater Detroit Chamber of Commerce and former resident of The Woods.

The facility houses a wide variety of materials of interest to business professionals, such as books, periodicals, journals and AMS volumes prepared for study by persons preparing for the Certified Administrative Manager examination.

The Rini facility is for use by business professionals, WSU faculty and selected students in their research endeavors.

Men Gardeners Slate Meeting

Darrell E. Bordine, owner and founder of "Bordine's Better Blooms" in Rochester, will be speaker and guest of honor when Men's Garden Club of Grosse Pointe holds its regular meeting Thurs-day, May 15, at 8 p.m., at the Central Library, 10 Ker-cheval avenue.

His topic will be "The Year of the Impatiens."

Born in Milan, Mich., the son of a dairy farmer, Mr. Bordine was first employed as an apprentice taxidermist at Lou Eppinger's on Cadil-lac Square, Detroit. After three years, he returned to his father's farm and grew vegetables until 1939 when he purchased a greenhouse in Rochester.

With some 10 greenhouses for growing and experimen-tation, and four others open to customers, Bordine's is now one of the largest growers and sellers of landscape ma-terial and supplies in the area.

Although Mr. Bordine's talk will cover annuals in general, his present favorites are the new hybrid varieties of impatiens, some of which have flowers three inches across with foliage that re-sembles coleus or crotons.

All male gardeners in the area are invited to attend.

Famed Winemaker Visits Parkies

Walter Taylor owner of Bully Hill Wine Co., paid his annual visit to Michigan several weeks ago. He is pictured above with Pat, the owner of Parkies Party Shoppe on Mack Avenue.

An unusual business man to say the least, Walter hitch-hikes from town to town complete with knapsack and art equipment. A multi-talented individual, he acts as his company's sales rep., advertising man and secretary, his hobbies are poetry, inventor, musician and he plays a fair tennis game.

Pat of Parkies Party Shoppe enjoyed the visit from this famed winemaker. Taylor describes his wines as the only

100% New York State wines. His wines are made without water, acid and concentrates, all ingredients used extensively by the wine industry.

Parkies Party Shoppe, one of the most popular in the Grosse Pointe area is operated with a personal "neighborly" touch. Pat is proud of the growth of her store which she feels is the result of carrying anything and everything her customers request.

FARMS AAA LEAGUE

By Joe Fromm

Hollywood and Louisville took over the lead in the AAA League with two victories each behind strong pitching and solid hitting.

Steve Vinci opened Louisville's season with a no-hitter and a 7-0 win over Sacramento on Thursday, May 1. Vinci struck out 14 and led Louisville's hitting attack with a triple.

Dan Garan pitched a two-hitter as Louisville won its second game of the week with a 17-5 victory over Hawaii Saturday, May 3. Louisville broke the game open in the second inning with 11 runs. Steve Vinci collected a home run and a double for Louisville, while Paul Naimish hit a grand slam home run for Hawaii.

Hollywood, behind the

three-hit pitching of Jeff Smith, defeated Newark, 18-4, Tuesday, April 29. The Hollywood hitting was led by Brian Gove with two home runs. Clay Vandenbusch, Dave Knott and Karl Doelle also homered for Hollywood. Mike Ottaway homered for Newark, his second in two games.

Dave Knott struck out 18 to lead Hollywood to its second victory of the week with a 6-1 win over Phoenix Saturday, May 3. Brian Gove continued his good hitting with two home runs, his third and fourth of the young season. Mark Basile also homered for Hollywood.

Newark defeated Portland, 10-5, Saturday, May 3, to make its record 2-1 for third place behind Louisville and Hollywood. Rob Carr recorded his second win of the sea-

FARMS CLASS "C"

By John C. Brooks

The Farms Class "C" marked the opening of the 24th season of The Farms' Little League Saturday, April 26. This event was highlighted by the annual parade led by The Farms Fire Department with blaring sirens.

Directly behind the fire engines were the convertibles carrying Councilmen Mark Stevens and Joseph Fromm, Police Chief Robert Ferber, Lieutenant Ignatius Backman, Sergeant Arnold Parsons, James Rieth, past president of the league, and Raul Palfy, current president. Following them were decorated vehicles of the individual teams.

This year's judging of the best decorations was handled by former Detroit Lion Gil Mains.

The season opener was played on Tuesday, April 29, when Albany and Richmond squared off with Richmond winning handily, 18-1. Russ

Whittle was the winning pitcher with hitting support from Brett Augsberger, who belted a home run. A "first" occurred when Wendy Honsain, one of the six girls in the league, got a base hit.

On Wednesday, April 30, Syracuse and Columbus had a pitching duel with Syracuse the eventual winner, 2-1. John Kulka of Syracuse was brilliant as he pitched a no-hitter while striking out 17 batters. Strong hitting for Syracuse came from Richard Suhrheinrich, Scott Crane and Bill Crowe.

Buffalo and Rochester played Thursday, May 1, with Buffalo winning 6-0. David Fitzminons was the winning pitcher with help from Tom Trefzer, who knocked in three runs with a bases loaded double.

On Saturday, May 3, there were four games played, two at South High School and two at Brownell. At Brownell, Buffalo handed Albany its second defeat, 11-5. Anthony Eugenio was the winning pitcher with relief help from David Fitzminons. Eugenio aided his own cause with an extra base hit.

Immediately following that game Richmond defeated Rochester, 6-4. Richmond kept their fans in suspense because they waited until the sixth inning to launch their attack by scoring five runs. Richmond's punch included doubles from Russ Whittle, Brett Augsberger and Jamie Dingaman, plus a big three bagger by Paul Vismara.

At South, Columbus dumped Miami, 8-5. Keith Kovalick was the winning pitcher with great support from John Hollerbach, who hit a grand slam home run. In the next game, Syracuse blasted Toledo, 15-4. Richard Suhrheinrich was the winning pitcher with relief help from Scott Crane, Bill Crowe, John Kulka and Suhrheinrich led the scoring drive for Syracuse.

South Drops 3 of 4 Contests

By Lisa Roumell
South High School's baseball team played four games last week and dropped three of them.

Their record through the week ending Saturday, May 3, stands at 4-7 while their Eastern Michigan League tally is 2-3.

On Tuesday, April 29, South beat Mount Clemens, 7-1, in league competition. Ed Schervish, giving up only three hits and striking out 12, was South's winning pitcher. The win came on six hits, two from Chad Morris, two from Mark Blancke and one each from Bob Glass and Bill Abraham.

The tables were reversed Wednesday, April 30, when South lost to Notre Dame, 7-1. South managed only three hits and Blancke, John Brabb and Charles Murphy accounted for them. The Devils' only strong point in the game was pitcher Tony Michaels, who went the distance. But a lack of fielding and hitting failed to support his effort.

In a league game Thursday,

May 1, the Devils were defeated by Port Huron, 8-4. Although South tied the game in the fifth inning and the team was hitting, a rare thing happened—the Devils' pitching didn't hold up.

Abraham, who started for South, lasted only one and two-thirds innings before he was relieved by Schervish. Schervish, having pitched a complete game two days before, tired fast and was replaced by Glass. A total of seven Port Huron batters were walked.

Hitting and defense for South were unusually strong. Blancke hit two triples and in the fifth with Port Huron leading 4-2, Jim Gough started a South rally with a single. Following his hit, Glass tripled him in to make it 4-3. Then Morris singled in Glass to tie the game. Rick Pfeiffer also hit for South.

On Saturday, May 3, the Devils lost to Lakeview, 5-2. South collected six hits off the bats of Dave Ferris, Abraham and Morris. Michaels, who was later relieved by Drew Peterson, took the loss for South.

"Four physical errors and possibly three mental ones accounted for our weaknesses. But the boys were hitting better," commented coach George Duditch on Saturday's game.

With the pre-district against Finney Saturday, May 17, approaching, South is hoping to iron out some difficulties. Team batting average highs up to May 1 showed Blancke, who's batted 25 times, in the lead with a .400 average. Blancke also has the most RBIs for the Devils. Morris is second in batting with a .285 mark in 20 times at bat.

Musicians Cited As Outstanding

Wendy Judson, 11th grade flutist and Dave Thomas, 10th grade trumpeter, have been named outstanding soloists at a recent State Solo and Ensemble Festival sponsored by the Michigan School Band and Orchestra Association.

From over 3,000 entries, only 75 outstanding soloists were selected. These high school students will audition again on Saturday, April 19, at Central Michigan University, Mt. Pleasant, for the chance to perform with a symphonic orchestra at the Michigan Week Youth Arts Festival, which is held in May. Only eight will be selected.

The Youth Arts Festival is an annual showcase of Michigan's finest artistic talent. Events begin at noon on Saturday, May 17, and continue until 5 p.m. Sunday, May 18. All events are free and the public is cordially invited to attend.

LIFE'S LIKE THAT
The life work of most people consists in making a living—and it's surprising just how few experts there are.

Honor Society Induction Held

On Tuesday, April 22, Bishop Gallagher High School held its induction ceremony for the National Honor Society. Among the 25 students elected by the faculty for consistently demonstrating outstanding achievement in scholarship, leadership, character and service to the school were two Pointers.

Senior David Commyn was among 13 seniors elected while Mary Jo Einheuser was among the 12 juniors honored.

CALCULATING CALVIN'S CORNER.

Hitting the road with Calvin. I think you all know that Triple-A's Emergency Road Service alone can save you enough to pay for the cost of your membership. (If you've ever had to call the friendly neighborhood gas station for a start, you know just how unfriendly the bill can be.) But did you know that Triple-A has 580 garages and service stations under contract in Michigan, with 151 emergency stations on a standby basis? Last year our Emergency Road Service trucks made 1,049,339 calls. That's a lotta help for a lotta people.

We know where you're going. And there's really no telling how much gasoline Triple-A has helped people save with their maps and Triptiks. They routed 758,282 members last year, made 41,611 reservations and sold 939,784 auto licenses. How's that for saving members money and grief?!!

The magic number. Triple-A's Travel Information Center (TIC) operates 18 hours a day, six days a week. It'll do just about everything except burp the baby. Call a single toll free number that's on your membership card and get tour information, weather and road condition reports, order a routing, make a hotel or motel reservation at a guaranteed rate, get information on mushrooms, fishing, camping or anything that's seasonal. You can call from anywhere in the state or right from home. In only nine months TIC has made 13,980 routings, 13,113 motel reservations and handled 122,843 requests for information.

Buy a new car. Triple-A MemberLoan financing rates have been reduced dramatically, so buy a new car, used car, recreation vehicle or boat and help yourself and Michigan's economy. Triple-A arranged 14,462 MemberLoans last year, and with their lower rate they expect to double that in 1975 and really save members a lot of money!

Maybe it's time you looked into a tax shelter you can live in.

In fact, given the economic trend of recent years, almost any well-built home in a good location can be expected to command a higher price when you sell it than it did when you bought it.

That makes a home one of the few things that you can buy, use every day for years, and still have a good chance of selling for more than you paid for it.

Interest rates are down.

Interest rates on home mortgages have been declining recently.

This means it's likely to cost you less to finance a home now than it would have even a few months ago. And because there are more homes than buyers right now, you have the added advantage of a buyer's market.

We have the money.

In fact, right now we're making more mortgage loans than any other bank in town.

And not just because we have more money to lend.

We also offer you the convenience of

being able to apply for your mortgage at any NBD office, and have the closing set up at an NBD office in your neighborhood in as little as two weeks after approval.

We'll answer your questions.

If you'd like to know more about buying a home in today's market, or the cost of a mortgage, any NBD officer at any NBD bank will be happy to help.

If you're considering a new home, why not visit our National Bank of Detroit office? It costs nothing to talk. And you may be pleasantly surprised at just how much house you really can afford.

Making banking better for you.

When you buy a home, you get much more than your own roof over your head.

You also get a very nice tax shelter. When you own a home, both your property taxes and your mortgage interest are deductible.

And that's in addition to the new tax credit of up to \$2000 to people who purchase a new home that was unoccupied or under construction as of March 25th.

The potential for profit.

It's often true that you can make money on a house.

Offers Session in Montessori

The Grosse Pointe Academy will offer its annual Montessori Summer Session for children three to six years of age, June 16 to July

25. The Montessori Session will be held from 9 a.m. to noon with an option to continue in an afternoon arts and crafts session from 12 to 2:30 p.m.

The summer class provides an opportunity for exposure to the Montessori method, the philosophy of education that every child carries unseen within them the adult they will become. In order to develop physical and intellectual powers to the fullest, the child must have freedom—a freedom achieved through order and self-discipline.

defoot. Interment was in Oakview Cemetery, Royal Oak.

ARSENE J. MAERTENS

Services were held Wednesday, May 7, for Mr. Maertens, 90, of St. Clair avenue in The City, at Verheyden Funeral Home and St. Paul Church. He died Sunday, May 4, in his residence.

A native of Belgium, Mr. Maertens is survived by his wife, Gabrielle; two daughters, Mrs. Marguerite Serreyn and Mrs. Alice Beauvais; three sisters, one brother, three grandchildren and three great-grandchildren.

Interment was in St. Paul Cemetery.

MRS. MARIE WADE DWYER

Services were held Tuesday, May 6, for Mrs. Dwyer, 91, formerly of Cloverly road in The Farms, at the Brockett Funeral Home, Southampton, N.Y. She died Saturday, May 3, at the Todd Nursing Home in Southampton.

Mrs. Dwyer was the wife of Emmett Dwyer, co-founder of the Michigan Stove Works. She was also a member of Sacred Heart Convent and Children of Mary charitable organizations. Mrs. Dwyer left Grosse Pointe earlier this year to live near relatives in New York.

Interment was in the family cemetery in Philadelphia, Penn.

MRS. CATHERINE BLACKWOOD

Services were held Monday, May 5, for Mrs. Blackwood, 80, of Neff road in The City, at Grosse Pointe Memorial Church. She died Friday, May 2, at Cottage Hospital.

A native of Scotland, Mrs. Blackwood was a member of the Village Garden Club and Clark School Women's Club.

She is survived by her husband, Alexander; a daughter, Mrs. Patricia Brooks, and three grandchildren. Interment was in Forest Lawn Cemetery.

Memorials may be made to the Michigan Heart Association.

YOUR DOCTOR IS GONE

Sign of the times?

Could be.

Because a growing number of doctors are leaving the state and a lot more are not going to be able to practice. The reason: the high cost and even the denial of medical liability insurance.

It's happening now in Michigan. Today, the supply of doctors is threatened. And your help is needed.

Consider. The 510 young doctors who are completing training programs as family physicians or other specialists cannot get insurance today. They will not stay in Michigan to practice unless insurance is made available quickly and at reasonable rates. In addition, you are losing experienced doctors because malpractice insurance rates have jumped from 300 to almost 1000% since January 1.

By the end of the year, if the present situation continues, the medical profession in Michigan—and you, the patient—will have at least 1500 fewer doctors.

Here's how you can help yourself and your doctor.

Right now in the Michigan Legislature there are a variety of so-called "malpractice" insurance bills awaiting action by your lawmakers. Quick approval of them will reduce this physician exodus from the state and provide needed coverage for new doctors.

You can help by filling in the coupon below and mailing it today. Your coupon along with others will be delivered to Governor Milliken and members of the Legislature as evidence of your deep concern and desire for prompt action.

Help Your Doctor Now!

MAIL THIS COUPON TODAY TO:

I'm deeply concerned about this insurance situation and don't want to lose my doctor. I urge and support passage now of the various bills before the Legislature that will clear up this critical health problem.

Let's Talk Real Estate

by John E. Brink

Trying to find a house without using the services of a real estate professional is like trying to use a pencil when an adding machine would do the job better. A broker or agent is invaluable, especially for a newcomer just moving into a strange community. We know the neighborhood, the housing trends, and what is available for sale. Houses on our listings may otherwise be unavailable for sale. Many owners no longer put up "For Sale" signs on their front yards, feeling that the signs often draw undesirable visitors.

If you are planning on buying or selling property this spring stop by GROSSE POINTE REAL ESTATE CO., 20087 Mack Ave., 882-0087 and talk with one of our knowledgeable staff. When you list your home with us it will be included in our extensive advertising program. We also qualify potential buyers to make sure you do not have unnecessary people running in and out of your home. Hours: Mon.-Sat. 9-5; Sun. noon-5, other times by appt.

DID YOU KNOW?

Using us you can save hours of aimless driving, we will only take you to see houses that are for your benefit.

An Ugly Comparison

Comparisons are often odious, and it seems quite likely this one will be. The Pointe comes out a very poor loser, in the opinion of this judge. The comparison concerns litter and conditions that prevail in public areas such as parking lots and business districts.

We have recently returned from a vacation at the Lost Tree Club near North Palm Beach, Fla., one of the incredible real estate creations of former Pointe resident Llywd Ecclestone. We have been going there for a number of years, being much impressed annually by the wonderfully controlled growth and development. Every season there are many new magnificent residences, added club facilities for fun and recreation, accommodations for guests, more beautiful landscaping features.

Upon our return this year we found one of the greatest improvements of all, a brand new shopping center, not directly connected with Lost Tree, but undoubtedly created, at least partially, because of the immediate proximity of the club and the business potential afforded by the club members and residents of Lost Tree Village. The new center is located at No. 1 highway and PGA boulevard, about a quarter of a mile from the village entrance.

The center includes a huge and beautiful Publix Market, one of the leading chains of fine grocery stores in Florida, a very large and also very attractive discount drugstore, and a connected cluster of eight or 10 top shops offering everything from fine clothing to jewelry to furniture, flowers, linens, bathroom fixtures and accessories and many other items. These surround a perfectly beautiful area of varying levels with fountains, flower beds, trees, shrubs and ferns of many kinds.

In addition to the convenience and pleasure of shopping, the center also offers a most pointed lesson in how such an area should be controlled and maintained. This is where the unhappy comparison with The Pointe comes in.

Nowhere in the more than three weeks we were there did we ever see so much as a cigarette butt, smirching the consummate cleanliness of the center. Nor did we see any professional, paid policing of the area. Sure, there are plenty of refuse containers conveniently placed throughout the center, but so are there in similar areas in The Pointe. The difference is that there, the shoppers, obviously aware of and pleased with the pristine character of the place, proudly make their own contribution by keeping it that way.

Compare, for instance, with the Kercheval-on-the-Hill Business district, which we have the greatest opportunity to observe. Despite the number of trash containers provided, it is difficult to find many square yards that are not a disgraceful mess of litter. Countless gum and candy wrappers and discarded soft drink cans point the finger of guilt at the young, but they are not alone. Far too many adults also openly flaunt the pleas for protecting the great potential beauty of our community. This ugly picture of litter is not confined to the parking lots, but extends to all the sidewalks in the area.

One more very important detail in this comparison. No customer is allowed to take a market cart from the store. If the load is too heavy to be hand-carried, the check-out person calls: "Carry Out," and a pleasant youth pops up from somewhere, (it seems almost instantly), loads the basket and takes it to your car and unloads it, then returns the cart to the store. Tipping is strictly forbidden, it is explained when one attempts to give a gratuity.

Compare this with the situation which persists on The Hill. The parking area is constantly jammed with carts, some of them left by idiots to occupy an empty parking space, others abandoned against the rear of a store, where they are free to, (and often do), roll down into the alley to dangerously impair traffic, or crash into a parked car, inflicting damage.

Not only should the laws against litter be strictly enforced, but everything possible to engender pride in Our Town should be assiduously pursued. Parents should teach their children lessons in tidiness that will not soon be forgotten. Everyone seen committing a littering act should be openly criticized and treated with the utmost scorn.

ULS Netmen Power Past Cranbrook, Win Tourney

By Robert Holmes
University Liggett can now rightfully claim the title of best tennis team in the State. They have beaten defending Class "A" champs Austin in both their meetings and on Wednesday, April 30, Knight netters defeated the Class "A" runners-up Cranbrook in a hard fought 4-3 match.

The victory snapped Cranbrook's streak of 36 dual-meet triumphs over Michigan opponents over a five-year span.

ULS didn't stop here, however, as on Friday-Saturday, May 2-3, they won their own Tennis Invitational for the first time in eight years. The win came against such Class "A" schools as North and South High, Ann Arbor and South Lake, among others.

The victory here was especially satisfying since ULS beat out Ann Arbor, the one school to beat Liggett in head-to-head action. The Knights' record now stands 17-1.

Against Cranbrook, Liggett lost three of the four singles matches, but managed to win all three doubles.

Jeff Etterbeek, the defending State Class "A" champion, defeated ULS sophomore Ihor Debryn, 1-6, 6-2, and 7-5. Ihor was ahead 5-2 in the final set but couldn't pull it out.

The match was highlighted by Jeff's frequent temper tantrums which included throwing his racket and coaching Robert Wood had to talk to him during the match about his conduct.

Then Cranbrook hiked its lead as Jack Kaspers defeated the Knights' Jim Manning, 6-3, 6-0, and Scott King blanked Mark McDonnell 6-0, 6-0. ULS however cut the deficit when junior Peter Logan turned back Mike Stone, 6-4, 6-0.

In the doubles the Knights roared back to win the match as they swept all matches. Rick Fruehauf and Dave Hansen won the number one doubles, 7-6, 3-6, 6-3, while Dave Buhl and John Hastings triumphed, 2-6, 6-2, 6-2. The "super frosh," Herb Hagermoser and Jeff Logan, then won 4-6, 6-3, 6-3. The victory was the first win for the Knights over Cranbrook since 1966.

East Detroit Ousts NH Girls

After having reached the quarter-final mark in the double elimination Shrine High School Invitational Girls Fast-Pitch Softball Tournament, North High School was eliminated, after losing to East Detroit High, 13-8.

Lakeview High was first in the tournament, while East Detroit was second and Clawson, third. North came in seventh.

On Thursday evening, May 1, North beat St. Agatha of Redford, 7-2. But in games taking place Saturday, North dropped two of three contests.

Lakeview routed them by a score of 25-2. But North was able to remain in the tournament by beating St. Andrew of Detroit, 27-11.

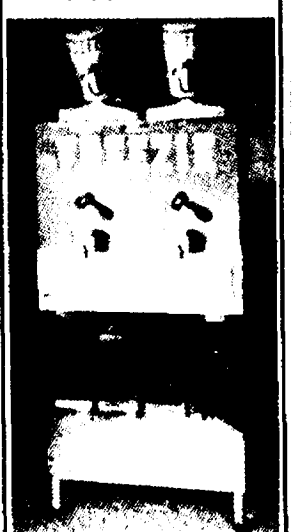

Finally, in Saturday evening's action, North was eliminated by East Detroit.

RBI's for North in the East Detroit game included Amy Argo, one; Sue Fancett, one; Mary Spagnolo, two; and Tracy Arsenault, one.

Miss Argo also received an All-Star award for having the third highest batting average in the tourney.

Other awards which were presented included Denby for the best dressed team and Madison for best sportsmanship.

turned out to be a tug-of-war between Ann Arbor and Liggett. In the number one singles competition Debryn beat Ann Arbor's Bill Godfrey, 6-4, 7-5. However, the number two through four singles crowns all went to Ann Arbor.

Gene Sperling of Ann Arbor beat Peter Logan, 6-2, 6-1. Brother Jeff lost 6-0, 6-1. Finally, Hagermoser fell 6-4, 6-3. Ann Arbor also won the number one doubles over Manning and McDonnell, 6-3, 5-7, 6-4.

However, ULS roared back in the number two and three doubles as Fruehauf and Hansen won, 6-2, 3-6, 6-4, and Hastings and Buhl triumphed 6-3, 6-7, 6-4.

Even though Ann Arbor took more individual crowns the Knights had a better overall record throughout the event.

ULS had 18 points; Ann Arbor, 15; South, 8; North, 6; Dearborn, 4; Dearborn Edsel Ford and South Lake, 2; and Lapeer, 1.

SH Trackmen Rout Roseville

By Drew Peterson

After the nightmare in Mount Clemens Thursday, April 24, South High School trackmen had no trouble with Roseville Thursday, May 1, clobbering them, 80-43.

Then the Devils showed a strong performance Saturday, May 3, taking fifth place in the 15-team Lake Orion Invitational Meet. Lake Orion High School won the meet with 35 points, while South had 19 for the afternoon.

Coach Ed Bonne said they did a lot of experimenting with the team at Roseville and handily took their second, (of three), Eastern Michigan League, (EML), wins.

"We also went without pole vaulter Bill Phillips who has been bothered with a heel problem lately. And our top high jumper, Tim Kramer, is out for the season with an eligibility problem," he said.

At Lake Orion, some individuals did very well, taking three seconds and a third. Bill Spencer had a 4:23 in the mile for second place, and Mike Liza was second in the two mile at 9:52.

Pete Frazer had a fine day as he anchored the mile relay team to second place with a 49.6 quarter leg, and also a 23.0 time for third place in the 220-yard dash.

A fourth was captured by the two-mile relay team, led by Dave Shelly with a 2:05:88 leg. Phillips and Dick Almond tied for fourth in the pole vault, each with 12' efforts.

The Devils were scheduled to go against EML opponent Port Huron Tuesday, May 6, and will face L'Anse Creuse North on the road, today, May 8, at 4 p.m.

Seniors Honor Good Bowlers

Members of The Woods Heritage Group, senior citizens organization, presented awards to several bowlers during a recently held banquet.

Those receiving trophies included George Rapp for the highest series, 573; Joe Cider for the highest single game, 211; Bess Dettmer and Betty Kilcline for the most improved bowlers; and Esther Stewart and Maryann Hillberger for perfect attendance at kegging sessions.

The awards ceremony wrapped up bowling activities until September for the seniors. For further information on this sport, call Adele C. Ryder at 881-1750.

If the 10-pin lanes remain quiet until the fall, golf activity is picking up as a mixed group of duffers are hitting the links. Vern A. Dumas at 881-5721 may be contacted for further information on this front.

Meanwhile, a trip to Toronto, Ont., is set for Sunday-Wednesday, June 1-4. Florence Small at 884-0824 has information on this excursion.

A total of 47 seniors went to Lansing on Tuesday, April 29, and toured the Michigan State University campus and capitol grounds, besides visiting the Kellogg Center for lunch.

Now, the citizens are planning for their next noon monthly meeting Thursday, May 15, at the Grosse Pointe Woods Presbyterian Church, 19950 Mack avenue.

What Goes On at Your Library

By Arthur M. Woodford
Chief of Central Library

Maybe he didn't chop down the cherry tree, but in all truth one of the most written about men of our country is none other than George Washington. As we approach our Bicentennial, the number of books being published about the father of our nation has noticeably increased. Here are some of these books which have recently been added to the collection at your Grosse Pointe Public Library.

The most handsome volume of this group is Richard M. Ketchum's THE WORLD OF GEORGE WASHINGTON (American Heritage). Dispensing with the "aura of sainthood" that has tended to surround Washington since his death, the author gives us an honest biography of this eminently honest man. Washington was neither saint nor genius. He was undereducated and not a great field commander; he was both impetuous and aloof; he was a man of his time who kept numerous slaves; he had a protracted love affair and he allowed his second term as President to be bedeviled by the rivalry between Jefferson and Hamilton.

These points considered, he was still a great man who answered to his country's needs, both during and after the Revolution, as no one else could have done, and bequeathed to it a shining example of integrity, competence, and courage in high office.

There have been honest biographies of Washington before; what sets this one apart is its 240 illustrations (90 in color) which — portraits, landscapes, documents and memorabilia — all date from the Washington era. It's as though the years hadn't intervened. If you have a special friend, this would be a fine and fitting gift book for the Bicentennial year.

The best written book of this group is James Thomas Flexner's WASHINGTON: THE INDISPENSABLE MAN (Little, Brown). This single-volume biography of Washington is fully equal to the author's prize-winning four-volume work. It is a remarkably fresh study of the man — from the rash, overconfident young military leader to the tired, frustrated old man of the 1790's. Stripped of legend and hero worship, Washington emerges as a real human being who made dreadful mistakes, who tripped frequently, but always recovered. On the subject of his ability as a soldier, Flexner asserts that he was a civilian in arms, who won the war through his attention to the civilian population. The narrative moves between Washington's public and private lives: we see the innovative farmer, ladies' man and family man as well as the stubborn leader of a new, untamed government — for his times, truly the indispensable man.

For an excellent view of one particular aspect of Washington's career, I would recommend THE PRESIDENCY OF GEORGE WASHINGTON (University Press of Kansas) by Forrest McDonald. As the first chief executive under the new Constitution, Washington was obviously influential in defining that office and its functions. McDonald's conclusion is that Washington's principal contribution lay in what he was, not in what he did. His immense personal prestige rubbed off on the office and in that way he invested it with authority and viability. He was the "epitome of propriety in government" and as such the ideal person to help Americans adjust to the

change from monarchy to republicanism.

The actual achievements of his terms were few, although important: steering a course of neutrality in a warring world, setting up an effective financial system and opening up the Mississippi and the Northwest Territory. McDonald is knowledgeable about his subject and treats his people like people, not semi-mortals. The result is a very fine study.

A very different book from any of the above titles, but one which anyone interested in Washington would enjoy, is WASHINGTON'S MOUNT VERNON (Holt, Rinehart and Winston). This photographic story of Washington's magnificent home is presented through the seasons by means of the camera of Taylor Lewis. The text, by Joanne Young, is enriched by selections from the diaries and letters of George and Martha Washington. More than 90 full-color photographs depict rare views from inside and outside the mansion, providing close-up details of many of the plantation buildings — the Quarters, Shoemaker's Shop, Storehouse, Salt House, and many others. Also included are the beautiful gardens, and detailed portraits of the trees and flowers. This is an intimate book which takes the reader back through the years into the daily and immediate surroundings of the man who was not only our first president, but was one of our first scientific planters and conservationists as well.

Sign-Up Slated For Net Clinic

Grosse Pointe's oldest and largest summer tennis clinic will begin the week of June 16 under the direction of The Neighborhood Club's net clinic coordinator, Stephanie Prychitko.

The clinic registration date is set for Saturday, May 10, from 9 a.m.-12 noon at the Club, 17150 Waterloo avenue. A detailed registration sheet with classes and times of instruction is available.

Tennis instruction will be held at three locations this year: Elworthy Field, North and South High Schools. Clinics will end by July 18.

Advanced classes are offered for all age groups. They include a short review of strokes with concentration on game strategy. Intermediate adult classes concentrate on advanced techniques with an introduction to game strategy. Beginner adult and youth classes concentrate on basic strokes, including serve, backhand, forehand and ground strokes.

Nine-year-olds up to adults may enroll in the clinics this summer. The Club also offers adult evening clinics at both South and North with instruction geared to individual needs.

Prices for the clinics are as follows: advanced, \$20; intermediate and beginner adult, \$15, (three days per week); intermediate and beginner adult, \$10, (two days per week); children's classes, \$10; and evening adult, \$10.

A club membership is required and can be purchased at clinic registration. Individual memberships are \$5 and family memberships are \$20. No registrations will be accepted before the May 10 registration date. You may register only members of one family at a time. If you are unavailable for registration someone else may register you or your family but still could register one family at a time without repeating the registration process from the start.

Fair Will Replace Carnival This Year

Traditional Rides and Games to be Augmented by Special Events and Demonstrations; Place Remains ULS Cook Road Campus

University Liggett School will take a much larger part in the running of its annual scholarship fund-raiser this year—so much larger a part that it's been decided to call it a Fair instead of a Carnival.

Place remains the ULS Cook road campus. Dates are Friday, June 6, from 4 to 10 o'clock, and Saturday, June 7, from 10 in the morning to 10 at night.

The Fair format, while still offering all the good times traditionally associated with the Carnival, hopes to raise more money than ever before through increased use of ULS manpower.

There'll be a whole selection of new events from pet shows to fire engine demonstrations, plus all the traditional rides, games and good food.

General chairmen are John and Karyn French. Their co-chairmen are John and Jane Vanderzee. For the third straight year students have taken charge of scholarship ticket sales, with co-chairmen Amy Woodhouse and Bill Gilbride assisting chairmen Ann Cox and David Watkins.

SCOTT DAVID SPAGNOLI, of Roslyn road, who will be graduated with honors this spring from the University of Michigan, will enter the University of Michigan Medical School in September. His parents, DR. and MRS. JOSEPH SPAGNOLI, U. of M.'s 52nd annual Honors Convocation held April 11 at Hill Auditorium.

Adult scholarship ticket liaison is being provided by Gerry Swan, Sue Boydell, Dodi Swenson and Mary Kate Hastings. Joe Jennings, Jr., is organizing Midway concessions with the Alumni Association. Lloyd Semple is providing legal counsel.

School coordinators include ULS Headmaster Ray Robbins, business manager Tony Fruhauf and alumni advisor Betty Campau.

Finance and security will be handled by Tony Barr, Hugh Harness and Dick Budinger. Baked goods will be served up by Evelyn Scott and Angie Polizzi, with Mireille Wilkinson providing her extra-special crepes.

Rink coordinator is Vicky Urban. Flea Market head is Stephanie Germack. In charge of the "Little Eastern Market" is Goody Semple. Faye Buhl will coordinate the Pet Show.

Directing ride ticket sales will be Pat Tennent, Dick and Janet Fruehauf are in charge of the Food Tent, Rip Odell planning the publicity. Soft drinks will be poured by David and Terry Hamilton, chairmen, and Ched and Dodi Swenson, co-chairmen.

Traffic and parking will be under the watchful eyes of Art Getz. The Woods Police contingent is being directed by Lieutenant J. L. Patterson.

Planning Memorial Church Spring Tea

Checking last-minute details for the annual spring tea sponsored by the Women's Association of Grosse Pointe Memorial Church are (left to right) MRS. PAUL KELLEY, MRS. J. C. HURLEY and MRS. WINFIELD S. JEWELL, JR., general chairman.

The event, which will salute the American Bicentennial with "A Bit of Americana," starts at 1:30 o'clock next Tuesday, May 13, in the Church Fellowship Hall. Tickets at \$1.25 will be available at the door.

To Hold Memorial Church Spring Tea

Program Will Feature American Music; Decorations in Red, White and Blue to Under-score American Bicentennial Theme

The Women's Association of Grosse Pointe Memorial Church will hold its annual Spring Tea next Tuesday, May 13, at 1:30 o'clock in the Church Fellowship Hall. Mrs. Winfield S. Jewell, Jr., is general chairman of the event designed to salute America's Bicentennial with "A Bit of Americana."

Authentic reproductions of flags of the American Revolution provided by Mrs. Charles M. Endicott will emphasize the patriotic theme of the red, white and blue table and flower decorations planned by Mrs. Harold D. Gumpfer.

Paul Reynolds, Memorial Church's director of Music, and Cynthia Blough, mezzo-soprano, will present a program of music by American

composers. Miss Blough's musical training includes work with Justin Macurdy, Boris Goldovsky and Marjorie Lawrence. She has studied acting and operatic stage movement with Dr. James Elrod and Dr. Richard Spear and is presently a student of Avery Crew, working extensively in vocal technique. Cynthia Blough has appeared three times as guest soloist with the Detroit Sym-

phony and has performed extensively with Detroit and Ontario chamber music societies. This summer she will be visiting Europe's music capitals while continuing her operatic training in Graz, Austria.

Sub-chairmen and committee members assisting Mrs. Jewell include Mrs. William Bundesen, committee badges, Mrs. J. Ross Bush, president of the Women's Association, Mrs. Paul J. Kelley and Mrs. Charles M. Endicott, food, Mrs. Clarence H. Koebbe, decorations, Mrs. J. Sidney H. Probert, Church showcase, and Mrs. Charles Liebald and Mrs. Roy Zimmerman, publicity.

Among those assisting Mrs. J. C. Hurley, chairman of hostesses, will be Mrs. Norman A. Bolz, Mrs. Bush, Mrs.

Robert Everett, Mrs. Waldo Fellows, Mrs. Harvey A. Fischer, Mrs. Norman Gilmore, Mrs. J. Alfred Grow, Mrs. Walter F. Isley, Mrs. L. Eugene Kelly, Mrs. Kennard L. Jones, Mrs. John G. Keys, Mrs. Koebbe, Mrs. Peter J. Koenig, Mrs. Liebold, Mrs. James Later, Mrs. Robert LeFevre, Mrs. Frank Perkin, Mrs. Kenneth Reichle, Mrs. Edwin S. Ross, Mrs. Joseph H. First Society Aids Charities

The First Society of Detroit recently contributed \$1,300 to World Medical Relief to be used for the purchase of pharmaceutical supplies. This donation will enable WMR to expand its social services to Detroit senior citizens.

First Society also elected officers, committee chairman and new members of its executive committee for 1975. Jeff Broderick, of Huntington boulevard, will serve as chairman of the board and president of the executive committee. William Miller, of Hampton road, was elected treasurer.

Barry Leonard, of Neff road, chairs Special projects, and James Motschall, Jr., of Kerby court, was elected to the executive committee.

First Society is a 12-year old organization comprised of young adults who host four parties annually to benefit various Detroit-area charitable organizations. Thus far, more than \$75,000 has been donated to community groups.

First Society's next party, scheduled for this month, is to benefit the Foundation for Exceptional Children, Inc., of Grosse Pointe.

Ethnic Mosaic For Unitarians

Mosaic Detroit is the subject of a slide presentation to be given by Lucy Ekvall, of the International Institute, at a Tuesday, May 13, meeting of the Women's Alliance of the Grosse Pointe Unitarian Church.

The program will focus on the make-up and customs of ethnic communities in present-day Detroit and highlight the contributions Detroit has received from its rich ethnic heritage.

Miss Ekvall, a member of the Grosse Pointe community, is Swedish-American. She came to America as a young girl and received most of her education here.

As an adult she returned to Sweden, living and working there for some time before returning to America.

Luncheon will be served in the Church Annex at 12:15 o'clock. Contribution is \$1.25. The program will follow. Babysitting is available for a nominal fee.

Environmental Action Now is the non-profit, tax-exempt citizens' organization designed to initiate and support environmental activities in the Pointe area.

Its past and current activities include recycling, development of school sites and park land for outdoor education and sandbagging against Lake St. Clair floodwaters.

It sponsors Environmental Education workshops for teachers, publishes Eco-line and employs a professional environmentalist to work with local schools, Scouts and other organizations.

And now it's presenting the Good Earth Walking Tours . . . in the hope that they will serve not only as a major fund-raiser, but will help Pointers, (and others), develop their awareness and understanding of nature and the natural processes happening all around them.

Dedication Day At Interlochen

Interlochen Center for the Arts is celebrating spring in a very special way this Sunday, dedicating its newest campus facility: the Grand Traverse Performing Arts Center.

It's a \$2.1 million structure with the 1,000-seat Corson Auditorium and Stage its principal interior area.

Governor William G. Milliken will be there, featured speaker on this festive occasion for which attendance, because of limited seating capacity, is by special invitation only.

So who's invited? Well, Interlochen's trustees, of course, and that means Pointers Mrs. Aldo Cecato, Mrs. Henry Ford, II, and Edward P. Frohlich . . . and parents of Interlochen Arts Academy students.

Those include 15-year-old Ann Richardson, a sophomore Art major, daughter of Mr. and Mrs. Dean Richardson, of Cloverly road, and 17-year-old Richard Bowers, a senior Percussion major, member of the IAA Orchestra which will be performing in the Dedication Program, son of Mr. and Mrs. Robert Bowers, also of The Pointe.

St. Michael's Women Meet

Saint Michael's Episcopal Church Women hold their bi-annual meeting this Monday, May 12, beginning in the Church at 7:30 o'clock with the service of Evening Prayer and installation of recently-elected officers.

Eileen Witzky will serve as president in the coming year, assisted by Sally Murray, Mary Neill and Cathy Waters as first, second and third vice-presidents, respectively.

Jan Rhein will serve as treasurer, Elsie Underhill as assistant treasurer and UTO chairman, Sandra Platt as recording secretary and Judy Sheehy as corresponding secretary.

Guild chairmen are Barbara Haase, Mary Brown, Carrie Sullivan, Barbara Vaughan, Margaret Hakim and Gayle Peller.

Sister Sean Martin, program director of Center Point, will speak in the Parish Hall immediately following the installation ceremonies. All members of the parish and friends are invited to hear her.

Saint Michael's Thrift Shop fashion show and luncheon is scheduled for Tuesday, May

Russian Easter Fete at Ruwe's

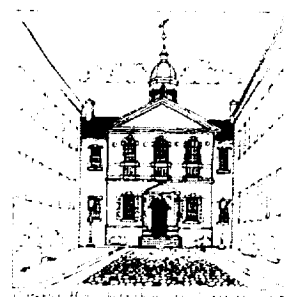

Guests arriving at Mr. and Mrs. Lester F. Ruwe's Touraine road home Sunday for a reception honoring their son, Nick, and his new bride, the former Nancy Lammerding, had their cars parked by a Russian cossack, their food served by a bevy of Russian peasants and their music provided by a Russian orchestra.

Theme of the party planned by the Ruwes to introduce their new daughter-in-law to all their Pointe friends was Russian Easter, and each guest received a loaf of the traditional twisted, egg-centered Russian Easter bread.

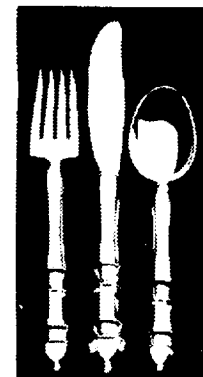

Nick and Nancy flew in from Washington, D.C., where they're presently house-hunting, Friday night and left at 8 o'clock Monday morning because Nancy, First Lady Betty Ford's social secretary had a "do" on that afternoon at the White House.

Candlelight Rites in Massachusetts Unite Pair, Who Will be Making their Home in Wollaston, Mass., after Bermuda Vacation

An ivory peau de soie princess gown styled with a yoke of English net applied with Chantilly lace and a full skirt with godets of lace was Jane Marie Keane's choice for her Saturday, April 19, wedding to Mark Thomas Hodgman.

A matching Camelot cap caught her Cathedral length veil of lace-appliqued English illusion. She carried an arrangement of phalaenopsis orchids with stephanotis, baby's-breath and foliage.

She is the daughter of Mr. and Mrs. Thomas J. Keane, of Wollaston, Mass., who entertained at a reception at the Marriott Hotel, Newton, Mass., following the candlelight ceremony in the Convent Chapel of the Fontbonne Academy, Milton, Mass.

The Reverend Thomas J. Gibbons, S.J., presided at the rites. Mrs. Keane gave his daughter in marriage. She was attended by her sister, Joanne F. Keane, as honor maid, and bridesmaids Marie D. Gormley, of Wollaston, a cousin, and Mrs. Stephen C. Doret, of Westborough, Mass.

Their emphy frocks of American beauty chiffon featured high, banded, self-bowed necks and long, full

sleeves ending in wrist ruffles. They wore matching Camelot caps and carried cascades of rubrum lilies accented with Elegance, stephanotis and baby's-breath.

The bridegroom, son of Mr. and Mrs. Daniel Hodgman, of Oxford road, asked his brother, Philip E. Hodgman, of Ann Arbor, to act as best man.

Ushering were two other brothers, William D. Hodgman and Jeffrey J. Hodgman, of New York City, Edward J. Vodoklys, of Cambridge, Mass., and Robert Peterson, of Kalamazoo. The newlyweds vacationed

in Bermuda and will be making their home in Wollaston.

The bride is a graduate of Milton's Fontbonne Academy and a magna cum laude graduate of Regis College. She attended Brown University Graduate School of Biological and Medical Sciences and is presently doing research work at Massachusetts General Hospital.

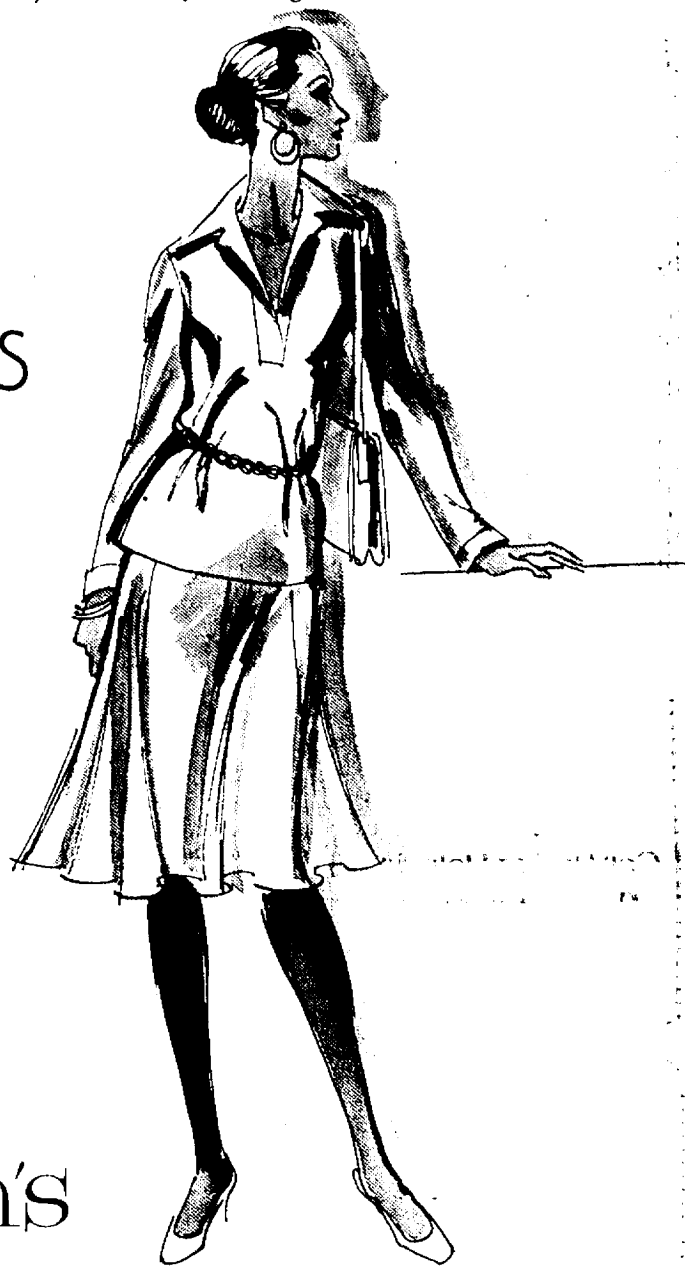

The bridegroom, a graduate of Austin Prep School and a magna cum laude graduate of the College of the Holy Cross, and Dartmouth Medical School, is a third-year student at Brown University Medical School.

Reservations may be made by contacting Eva Haynor at 274-4613, after 5 o'clock.

Kappa Salads are Terrific!

One of Grosse Pointe's most delicious annual events, Kappa Kappa Gamma's Salad Sampler luncheon, takes place today, Thursday, May 8, from 11:30 until 1 o'clock at the Grosse Pointe Congregational Church, Chalfonte avenue at Luthrop road.

Tickets at \$2.50 per person are available at the door. They entitle "samplers" to try as many salads as they like, molded or tossed, vegetable or fruit, exotic or homely, all created by Detroit Kappas.

To whet your appetites, here are two recipes for two very different — both very heavenly — salads, the first courtesy of Barbara Thorpe, the second contributed by Jane (Mrs. Willard) Smith, who's in charge of the commissary for today's luncheon.

PEA SALAD
1 pkg. frozen peas, cooked, OR 1 1-lb. can canned peas, drained
2 diced hard-boiled eggs
3/4 cup diced celery
3/4 cup shredded carrots
12 sliced stuffed olives
1 cup diced sharp cheese
1 small chopped onion
Combine all ingredients and marinate in 1/4 cup French dressing for one hour. Add mayonnaise to desired degree of moistness. Serve as is, or on lettuce. Serves six to eight.

CREME DE MENTHE FRUIT MOLD
1 3-oz. pkg. lemon jello
1 1/2 cup boiling water
3 Tbsp. creme de menthe
1 1/2 cup green seedless grapes
2 cups diced canned pineapple
2 cups grapefruit sections
Dissolve jello in water. Add creme de menthe. Chill until slightly congealed. Add fruits and mix. Pour into lightly oiled 1 1/2-qt. ring mold. Unmold on crisp salad greens. Garnish as desired. Serves 10.

Today's luncheon is the Detroit Kappas' ninth. Proceeds go to the group's philanthropy, the Rehabilitation Institute.

Among Kappa Kappa Gamma's recent gifts to the Institute is a movie camera for in-service education and special projects filming. Kappa has also completed furnishing the Meditation Room, a project begun with monies received from last year's luncheon.

This year's Salad Sampler luncheon committee co-chairmen are Mrs. Thomas Peters and Mrs. Edward Hathaway. Mrs. Harry Sellars is treasurer.

Mrs. Thomas Christensen is in charge of tickets, Mrs. William Ludwig and Mrs.

CATHERINE GOULDER, third year Honors French student at Grosse Pointe North High School where she was recently elected to the National Honor Society, has just returned from Paris and a tour of France.

Women Meet at St. James

The Women's Guild of Saint James Lutheran Church will meet for a salad smorgasbord at 9:30 o'clock next Wednesday morning, May 14. Election of officers and a

special program on "The Fruits of the Spirit" will precede the noon luncheon. Members are asked to contribute their favorite salads.

John Mertz of the kitchen, Mrs. C. Lee John of decorations and Mrs. Michael A. Galle of publicity. Waitress chairman is Mrs. James Stewart.

Brunch to Benefit Stapleton Center

Fashion Party Proceeds Will Be Used to Beautify Mall in Planned Addition to Home for Aged Poor in Detroit

Friends of Stapleton Center will sponsor a benefit brunch and fashion show at 11 o'clock next Wednesday, May 14, in the Grosse Pointe War Memorial's Auditorium. Ticket reservations at \$6 per person must be made by Saturday, May 10. Stapleton Center, a comparatively new home for the aged poor, opened in the summer of 1973 in Detroit's Annunciation Parish. It houses 32 residents living on limited pensions or Social Security.

Monsignor W. F. Suedkamp, director of the Center,

plans to start construction of a large addition to the home on a site now comprising one square block of property. The addition will have a recreation lounge and mall.

Benefit proceeds will be used to beautify the mall and provide garden furnishings.

Wednesday's brunch will be followed by a show of fashions from Maria Dinon modelled by Friends of Stapleton Center, with music by Mrs. Rachael Ryan.

Assisting Mrs. Walter E. Tomicic, Friends president, and Mrs. Jerry T. Flanigan.

Grosse Pointe Artists Association members view just one of the works to be seen in the Association's 37th Annual Exhibition at the War Memorial beginning Saturday, May 10. Standing (left to right), are MRS. WILLIAM BOYD, exhibition chairman; MRS. JOHN SMITH, assistant

Many of the pieces will be priced under \$200. The exhibit may be viewed at the War Memorial through the end of May.

Douglas James, an instructor at Wayne State University, is juror for the show. He studied at Yale University

and also at Wayne State where he received his Masters of Fine Arts degree. He exhibited recently at the Michigan Focus show and has been exhibiting at the Willis Gallery for the past several years.

Mrs. William Boyd is exhibition chairman with Mrs. John Smith assisting her. Social chairman is Mrs. Terrence Stocker with Mrs. G. William Auch as her assistant. Jury chairman is Mrs. John McKinley Jr.

Russian Film Show For Retired Teachers

Movies taken in Russia in 1973 by Dr. Evelyn Bonnington will be the feature of the Friday, May 9, meeting of the Retired Teachers Association at 1 o'clock in Westminster Presbyterian Church, Hubbell at West Outer drive, Detroit. Juanita Flanders is program chairman.

Miss Bonnington taught Math at Redford High School before assignment to the Detroit Board of Education Personnel Department. She holds a doctorate in Personnel Administration, and has served in the Department for 20 years.

Dr. Gerald Reed, head of the Department of Comparative Education at Ohio's Kent State University, arranged the Russian trip. Members of Pi Lambda Theta, an honorary association in the College of Education at Wayne State University, were invited to participate in the seminar studying Russian Education. All Detroit Board of Education retirees and friends are welcomed at the meeting.

Newcomers To Sip, Nibble

Grosse Pointe Newcomers will travel from house to house starting at 8 o'clock this Saturday evening, May 10, to sample new wines and cheeses.

This progressive party features a film. A representative from the distributors will be on hand to answer any questions concerning the various wines.

During the course of the evening, Newcomers' annual elections will be held.

Opening their homes for the party are Mr. and Mrs. Fred Girardini, Mr. and Mrs. Ed Grimsly and Mr. and Mrs. Dick Semack.

In charge of the evening are chairman couple Mr. and Mrs. Jim Harrington and committee members Mr. and Mrs. Ken Alexander, Mr. and Mrs. Bruce Larson, Mr. and Mrs. Dan Lee and Mr. and Mrs. Dennis Perkins.

Set Dartmouth Dinner Tonight

John G. Kemeny, president of Dartmouth College, will be principal speaker at the annual dinner of the Dartmouth Club of Detroit tonight Thursday, May 8, at the University Club.

Dr. Kemeny, computing pioneer, mathematician and philosopher who on March 1 completed his first five years as 13th president of Dartmouth, is expected to talk on "The State of the College."

Richard F. Spang, Detroit Dartmouth Club liaison officer, a 1967 graduate of the Tuck School of Business Administration, one of Dartmouth's three graduate professional schools, will preside at the program which starts with a reception at 5:30 o'clock. Leon W. Rowland, 34, of the court, and John D. Turner, 38, of Cloverly road, are co-chairmen of the dinner.

For the summer of your life...

*There's nothing quite like
L'Arbre Croche in all the world.*

At the easternmost tip of magnificent Little Traverse Bay, equidistant between Harbor Springs and Petoskey, lies L'ARBRE CROCHE, your perfect answer for summer vacation 1975.

In development for the past five years, many who visit L'Arbre Croche consider the property without equal in Michigan and the Midwest. In fact, most agree... nothing quite like it in all the world!

A pleasant surprise to many is finding that choice rentals of both condominiums and homes are available at this ultimate of year-round resorts.

A descriptive, full-color brochure has recently been prepared to better tell the L'Arbre Croche story. For your copy of this piece and rental information of interest to your family, write:

Evening Wedding For Miss Buergel

Mr. and Mrs. Gary Keith Stoetzer Vacation on Nassau after April Rites; Their Six-Year-Old Nieces Are Flower Girls

Christ the King Lutheran Church was setting for the wedding of Lucinda Ann Buergel and Gary Keith Stoetzer Saturday evening, April 26. Joseph P. Fabry presided at the 6:30 o'clock rites.

After a reception in the Officers Club at Selfridge Air National Guard Base, the newlyweds left to vacation on Nassau. They are making their home in Clawson.

The bride, daughter of Mr. and Mrs. Guenther Buergel, of Vernier road, wore a gown of ivory chiffon trimmed with lace and pearls. A baby's-breath headpiece caught her illusion veil.

She carried an arrangement of baby's-breath and statice, white and blue straw-flowers and forget-me-nots.

In blue dotted swiss frocks, carrying dried blue and white flowers in brass cricket boxes were Mrs. Michael Ghesquiere, who served as her sister's honor matron, and bridesmaid Mrs. Robert R. Stoetzer.

Their daughters, Christine Stoetzer and Heidi Ghesquiere, both six years old, were flower girls. Like their mothers, they wore long gowns of blue dotted swiss. Blue flowers dotted their nosegays.

Robert R. Stoetzer was best man for his brother. They are the sons of Mr.

and Mrs. Robert H. Stoetzer, of Prestwick road.

Paul H. Stoetzer, of Germfask, another brother, William T. Buergel, the bride's brother, and Michael Gerbek, of New Hudson, the bridegroom's former roommate and Tau Kappa Epsilon fraternity brother at Northern Michigan University, seated the guests.

The bride's mother wore a gown of blue and pink flowered chiffon, the bridegroom's mother a gown of blue polka-dotted chiffon. Both mothers pinned corsages of dried pink flowers to their purses.

The bride and bridegroom are both Grosse Pointe North High School graduates. He is also an NMU graduate.

Mini Fair Is Scheduled At Grace United Church

A Mini Fair featuring a book sale and luncheon as well as boutiques will be presented Friday, May 16, from 10 until 3 o'clock at Grace United Church of Christ, Lakepointe at Kercheval avenue.

Mrs. Gary Stoetzer

Marriage vows were spoken by LUCINDA ANN BUERGEL, daughter of the Guenther Buergels, of Vernier road, and Mr. Stoetzer, son of the Robert H. Stoetzers, of Prestwick road, Saturday, April 26, in Christ the King Lutheran Church.

Change Wayne Women's Plans

Due to a change in plans, members and guests of the Grosse Pointe Chapter of Women of Wayne will gather at the Grosse Pointe War Memorial for the group's annual luncheon—NOT at Lochmoor Club, as previously announced.

Date remains the same, Saturday, May 17. Time remains noon. Reservations at \$6.50 per person will be accepted through this Saturday, May 10, by Mrs. James Miller, 886-3785.

Guest speaker Terry Murphy, Channel Two's co-anchoring newscaster, will talk on "Women: An Emerging Force in the Media."

At a recent board meeting in the home of Chapter president Mrs. Edward Szymanski, the slate of officers for 1975-76 was presented and approved. Candidates will be declared duly elected and installed at the annual luncheon unless additional nominations are made by petition.

Candidates include Ms. Claudia Greenhoe, of Roland road, president; Mrs. John Fennessy, of Rivard boulevard, vice-president; Ms. Rose Giglio, of Moorland drive, recording secretary; Mrs. Arnold Ludwig, of Roland road, corresponding secretary; Mrs. James Miller, of Woods lane, treasurer;

Miss Bacon Speaks Vows on May 3

Christina Marie Bacon, daughter of Mr. and Mrs. Howard W. Bacon, of Hampton road, was married Saturday, May 3, to Val Louis Eichenlaub, son of Mr. and Mrs. Walter V. Eichenlaub, of Battle Creek.

Presiding at the afternoon ceremony in Kalamazoo's Saint Thomas More Student Chapel was Father Brian Ryan.

Mrs. John R. Evans came from Detroit to serve as her

sister's matron of honor. Dean Barnum, of Battle Creek, was best man.

The bridegroom is a professor of Geography at West-

ern Michigan University. The bride received her Masters degree in Geography April 26 from WMU, where she is a research assistant.

NEAR THE COUNTRY CLUB this charmer provides the perfect setting for precious antiques. Three bedrooms (One bedroom and bath on first floor), two and one half baths and a delightful garden room. Call soon as this one of a kind won't be available very long.

Open Sunday 2-5

WE HAVE a new three bedroom Colonial that qualifies for a \$2,000 tax rebate and the builder has not raised the price — it's still \$48,500. Along with the three bedrooms the house has a full bath and a lav on the main floor, a family room and patio, copper plumbing, thermopane windows and many more features only found in a new house. Stop and see it Sunday. John Pierce will be there to show you 350 KERBY.

BY APPOINTMENT PLEASE

KEEP YOUR SIGHTS on picking off a three bedroom house just reduced to \$34,900. We know such an "animal" is usually found at a much higher price but this one can be bagged for less than you think. Take your best shot.

A LOG CABIN? In the Woods of course, and it comes with authentic Fieldstone fireplace in cathedral beamed open ceiling living room. Three bedrooms, finished basement, new kitchen, two and a half baths and a two car garage. Wrap this up fast. Vacant. \$39,500.

WASHINGTON ROAD becomes even more attractive because it has this three bedroom house with the special features such as a den, a large screened awning covered porch, a first floor laundry and a second lavatory to supplement the full bath on the second floor. Just a few steps to Kercheval Avenue, this offering is ideally situated near schools and shopping.

THIS IMMACULATE three bedroom, one and one-half bath colonial is ready for a new owner who enjoys being close to transportation, shopping and the farms pier. It also has a high mortgage balance which may be assumed, with monthly payments of \$260.00 including taxes and insurance... is less than renting.

HOPE SPRINGS ETERNAL and we hope you won't miss this exquisite example of a Georgian center hall colonial, which is situated just a few feet from the lake. The two story foyer features a circular staircase from which all the major first floor rooms are gained. In addition to the formal living and dining room are a library, a card room with built-in bar and a garden room. There is a master suite plus four other bedrooms, all on the second floor. Take a ride by 21 RENAUD, it's just off Lake Shore

School Offers New Program

Donald Sloan, principal of Our Lady Star of the Sea High School, has announced the introduction of a Three Plus Four curriculum program to begin with the 1975-76 school year.

This would be in addition to the traditional four-year program which will still be available.

The three-year curriculum will provide for those students who wish to graduate after three years of accelerated high school study. The Plus aspect of the program means the student will be advised to continue her education beyond the high school level by means of a four-year college, a community college, a special vocational school or

School Office Workers Meet

Several members of the Grosse Pointe Public School System attended the 34th annual convention of the Michigan Association of Educational Office Personnel held in Dearborn April 25 through 27.

Workshops, tours, the installation of officers and an annual business meeting and banquet highlighted the convention which was based on the theme, "New Dimensions Through Communication."

Pointe educational office personnel attending included Christine Beck, Betty Castle, Lucy Chielens, Jeanne Fisher, Marion Grove, Marion Henderson and Betty Knaggs.

Others were Lorraine Korte, Anne Loush, Mary McElroy, Gerry Muir, Mary Phillips, Beatrice Speal, Tina Stronski and Mildred Trombley.

On Sunday, April 27, the Grosse Pointe Association of Educational Office Personnel hosted a breakfast. Arrangements were handled by Anne Loush, Jeanne Fisher, Wyn Marshall and Gerry Muir.

Entertainment was provided by The Crazy Eights, a vocal group from South High School, under the direction of Leonard Riccinto. Members of the group are Jamie Bowling, Don Brown, Jamie Champion, Bob Coyle, Mike Keegan, Dave Ludwig, Bob Montgomery and John Roach.

Shores Police Recover Boat

Shores public safety officers recovered a stolen power boat left at the breakwall in front of 824 Lakeshore road on Sunday, May 4, at about 10:45 a.m. The craft was owned by a Royal Oak citizen who was not aware that it was missing.

A suspicious resident observed two suspects acting teenage boys on the breakwall and called The Shores Public Safety Department to report the youths, then went to investigate and found the boat.

Public Safety Officer Archie Grieve was dispatched to the area, but when he arrived, the teenagers were gone and the boat, a 21-foot, white and brown Nova, was moored to the breakwall in front of No. 824. The officer checked the boat and found the ignition untouched and minor damage to the right side of the bow.

PSO Grieve called his station and gave the boat number to be sent over the Law Enforcement Information Network (LEIN), for the name of the owner. The reply from the Secretary of State's Office in Lansing revealed that the power craft is registered to Michael Szymanski, of 2521 Oliver, Royal Oak. Mr. Szymanski was contacted by Royal Oak authorities and he stated that his craft was moored in a well at the Shore Club marina at Nine Mile road and Jefferson in St. Clair Shores.

The Shores public safety desk duty officer contacted the Shores Club and a guard stated that the craft was not in its well and surmised that it must have been stolen.

Mr. Szymanski informed the Shores authorities that he would pick up his boat, but said he could not understand how it could have been stolen when there is a daily 24-hour security guard watch on the marina. He said he did not leave a key in the ignition.

Mr. Szymanski did not disclose the value of the craft. He returned to the marina, happy that it was recovered and undamaged.

Society Cites Local Scholars

Forty-eight students from Grosse Pointe high schools will be among 1,400 students from Southeastern Michigan who will receive awards for scholastic excellence this year from Phi Beta Kappa.

The students will receive their awards from the Detroit Association of Phi Beta Kappa at ceremonies Monday, May 12, in Ford Auditorium. George E. Gullen Jr., president of Wayne State University, will deliver the main address.

Phi Beta Kappa was founded in 1776 at William and Mary College in Williams-

burg, Va., to honor academic excellence.

High school seniors from this area who will be honored include Our Lady Star of the Sea students Mary Ellen Burdett, Christine Opyke, Joann Orzisi and Mary Jayne Rizzo.

South High School seniors who will receive awards include Charles Austerberry, Kathleen Buck, Cheryl Chabot, Nanette Clavel, Thomas Coles, Christina Donath, Elizabeth Evans, Kathy Genter and Suzanne Gilbert.

Others are Gail Hammond, Dawn Hendricks, Margaret Horne, Colleen Kelly, Judith Klenle, Michael Martin, Brian Melton, Elisabeth Montague, Joly Nelson, Julie Reid and Janis Riddle.

Other South students include Susan Roberts, Rae Rosinski, David Scheerer, David Scott, Stephen Souris, Leonard Swanson and Nancy Walker.

North High School seniors who will receive awards include Henry Blind, Charlotte Brown, Linda Brucia, Sandra Dickerson, James Klimchuk, Doreen Krzyk, Deborah Masecarin, Kathleen Mittelbuscher and Kathleen Mula-

vey. Other North students are Paul Reile, Robin Rice, Diane Sacchetti, Karen Sehee, Patricia Smith, Frederick Van Horne, Sandra Weber and David Wybo.

Center Offers Cuisine Series

To continue the War Memorial's series of gourmet evenings Monday, May 5, at 8 p.m. in the Crystal Ballroom, Diamond Phillips, proprietor of the Old Place and Golden Lion restaurants will appear with Chef Gene Amerigian. They will present some very innovative recipes which the housewife can prepare in her own kitchen.

Featured will be an eggplant, ham and cheese dish; asparagus mixed with crab; and finally a combination of mushrooms, shrimp and water chestnuts in a cream sauce. Samples of dishes will be offered.

Climax of the series will be Tuesday, May 13 when the Bronze Door will take over and Chef John O'Brien will demonstrate the preparation and present for tasting Beef Wellington and flaming Desserts.

Attendance is limited and it is advisable to sign up in advance at the Center office. Single evening admission is \$3.

J. EDWARD SNELL, MARY McELROY AND RAY MacARTHUR, (LEFT TO RIGHT), RETIRING MEMBERS OF THE GROSSE POINTE PUBLIC SCHOOL SYSTEM CENTRAL OFFICE STAFF.

By Janet Mueller

As of July 1 they'll be out of work, and for Ed Snell, Ray MacArthur and Mary McElroy that will be a new experience. Ed and Mary have been reporting to the School System for more than 40 years. Ray is only in his 21st year of School System service—but before he came to the Schools he was City Administrator at Grosse Pointe Woods.

Ray is retiring as the System's Director of Business and Finance. His department is responsible for keeping all records of the Public Schools' receipts and disbursements, for preparing reports for local, county, state and federal governments, for conducting internal audits and preparing reports as required by the School Board.

He plans no major post-retirement life-style changes. He and Mrs. MacArthur, Elizabeth, will continue to reside in Elford court. "We like it here," Elizabeth has, however, promised to cordon off the kitchen—"I'll have one half; she'll have the other"—and informed Ray that the best place for practicing a saxophone is the BACK END of the lot.

He's Going to . . . Ray, who played in a five-piece band for 12 years, hasn't picked up a saxophone lately. "But I'm going to."

In fact, when he gets his sax, he plans to get together with Ed Snell who recently acquired a fantastic instrument that's everything from organ to piano to guitar. They'll have Port Sanilac jumping.

Ray and Elizabeth MacArthur plan to spend a good deal of time in Port Sanilac, where they have 40 acres planted in Colorado Blue Spruce. Ed and Ruth Snell are moving up there. The Snells' property is 10 miles north of the MacArthurs'.

Ray, born and raised on a farm, has been interested in trees since he was a kid.

In 1964, three years before Ed, Ray bought and planted his Port Sanilac property. He now has about 20,000 one-inch to four-foot trees. He raises them as ornamentals, for landscaping.

Children Grown Up The MacArthurs have two children. Douglas is a student at Central Michigan University. Marilyn, a teacher, married and living in Ypsilanti, is the mother of two daughters.

Ray's professional affiliations include the National and Michigan Associations of School Business Officials. He enjoys working around the house. He and Elizabeth plan to visit her brother in California next winter, but a permanent move to a warmer climate holds no appeal for them. "We like winter sports."

Fifteen years ago, Ray and two other men started the Grosse Pointe Hockey Association. Ray coached for a while; Ed and Mary could always tell when he'd had a rough session, for he'd come into work with a knobby, antiseptic-daubed head. Those pucks are hard!

Never Regretted Move He's never regretted his move from municipal government to the School System. "The opportunity became

available; I was notified there was a vacancy, and that my application would be accepted, so I filed." He has noticed his work becoming more complex and technical over the years. "There's more red tape."

But over the years, he's thoroughly enjoyed his association with the Pointe Public Schools. As he plans to thoroughly enjoy his retirement, Ray MacArthur and Ed Snell have Retirement Calendars going. Ray marking off the days until June 30, their last day, with great big "X's" one way, Ed marking them off the other way.

Pretty soon, with saxophone and organ/piano/guitar, they'll have Port Sanilac jumping.

Ed and Ruth Snell will move out of the Eastland Apartments in July. "We're going to try Port Sanilac for a year."

42 Years of Service Ed is retiring as Purchasing Agent for the Grosse Pointe Public Schools after a 42-year professional association with the System. Ruth is retiring, too, as a teacher at University Liggett. University Liggett will honor her at three parties before she goes.

The Snells have less property at Port Sanilac—two acres, planted in Black Hills and Blue Spruce—than the MacArthurs, but Ed's been busy up north. He still has a porch and carport to finish on his house, built in '68 right on the lake, but he's completed the cottage, a separate building that can sleep seven. He and Ruth are ready for the children.

Have 12 Grandchildren Their son James, a Western Michigan University graduate, now a Designing Engineer at Cadillac, and their daughter Ruth Ann, an Eastern Michigan University alumna, each have five children. Jim lives in Mount Clemens, Ruth Ann in Utica. Both cities aren't that much of a distance from Port Sanilac.

Ruth Ann's twin, Betty Lou, a Michigan State alumna, mother of two, lives a bit farther afield, in Pittsburgh.

Ed has been associated professionally with every Grosse Pointe School Superintendent since the second. Personally he's been associated with every Superintendent, period, for as a 10th grader he sat through Advanced Civics in what is now the upstairs Staff Lounge at the School System Administrative Services' headquarters in St. Clair avenue.

In February of 1928 Grosse Pointe's "new," first, only high school opened. "Our" class was the first June graduating class at Grosse Pointe South."

Interested in sports since

high school, (his ambition then was to be a boxer), Ed has remained involved with athletics. He is a member of the Detroit Curling Club. Other affiliations include membership in the Masonic Lodge, Kilwinning Lodge and Scottish Rite as well as the National and Michigan Associations of School Business Officials.

All school tax monies spent must go on a tax order through the Purchasing Agent's office. Ed has been connected with elections for 41 years. "We used to keep the elementary schools open for two Saturdays prior to each election, to accept registrations." Then, 20 years ago, regulations were changed: anyone eligible to vote in the state election automatically became eligible to vote in the school district election.

Grosse Pointe's school voting registrations jumped from 6,000 to 26,000, and Ed's office was faced with the monumental job of processing them.

Was Tble to Cope Purchasing Agent Snell coped. No one doubted for a minute that he would.

He used to be night chairman for the City of Grosse Pointe elections when the City was a single precinct, its 50 voting booths set up in the gym at the old Neighborhood Club.

Ed's always been fascinated by trains. He has a nice model train set which he puts up and puts through its paces occasionally, and plans to take some trips on the big trains in the near future. Specifically, he's looking forward to a trip across Canada with the relatives he visited in Cornwall in 1970.

He'd like, too, to make a return visit to England. He'll probably be spending a good deal of time in the kitchen. He already does, for he enjoys cooking, and Ruth, who has a green thumb and would rather work outside, enjoys his cooking, and he's one man who can brag with justification about how clean a kitchen is when he leaves it.

Could Be Traumatic Ed recognizes that the move from an area where everything is taken for granted, from snow plowing to rubbish collection to public transportation to easy access to hospitals and doctors, could be traumatic.

In Port Sanilac he'll have an \$11 per month charge for rubbish collection—and it's his responsibility to see that the rubbish gets put out on the highway for once-a-week pick-up. "And the tax rate there compares with Grosse Pointe," he notes.

"After 44 years," says Mary McElroy, secretary to the Grosse Pointe School Superintendent and the Board of Education, "somebody else OUGHT to have my job."

She'll Be Close By Physically, she won't be far removed from the Public Schools Administrative Offices. She's always lived just down the street, (once upon a time, Ed Snell's mother

Rose Society Meets May 14

The May meeting of the Grosse Pointe Rose Society scheduled for next Wednesday, May 14, at 8 o'clock in the Grosse Pointe Central Library, Kercheval avenue at Fisher road, will feature a doubleheader program—two speakers on two subjects—arranged by Don Gittersonke, vice-president in charge of programs.

Detroit's Augie Prokriefka, a Consulting Rosarian and an accredited American Rose Society judge, will speak on Disbudding and Thump-Pruning and will also discuss suckers and blind shoots.

Mr. Prokriefka has judged many local and state shows, including the Grosse Pointe Rose Show. An active hybridizer, he has won top trophies in and around Detroit.

Fred Rogalski, of Dearborn Heights, also a Consulting Rosarian and accredited American Rose Society judge, will speak on Miniatures—Selection of Varieties, offering tips on how to plant, fertilize and water.

Mr. Rogalski is Great Lakes District Awards Committee chairman and winner of ribbons and trophies in many shows.

The program will be preceded by a coffee and dessert hour at 7:30 o'clock, arranged by hospitality co-chairmen Mrs. Paul Mabarak and Mrs. Louis Parent assisted by hostesses Mrs. Mark Loush and Mrs. John Stevens.

The lecture is free and open to the public. The rear door should be used to gain entrance to the Library.

and father lived right next door), and she went to school, Kindergarten through sixth grade, in what is now the Administrative Offices building.

She remembers the day the "new" addition to that building was finished.

Across the street lived Grosse Pointe's first School Superintendent and his family, so Mary, like Ed, though hired by Grosse Pointe's second Superintendent, has actually been associated with every Superintendent.

She's always liked living in St. Clair avenue. She intends to stay there.

She intends, too, to see the world. She's made a good beginning on that ambition: the first of her four trips to Europe took her to Ireland where her mother and father both were born, (the former in Dublin, the latter in the North). With two cousins Mary went over to find an uncle. The American trio discovered a passel of cousins as well.

Toured 11 Countries Next Mary tried a whirlwind American Express 11-countries-in-22-days tour. Next, cured of the itch to see everything at once, she concentrated on Scandinavia and had a beautiful tour and a beautiful time.

A year ago last Christmas she visited Spain, Portugal and Morocco. She's been as far across the Pacific as Hawaii, where she visited former Grosse Pointe School Superintendent Dr. James Bushong. She thinks she'd like to go back to Ireland and she'd love to spend more time in Italy, in Sorrento in particular, but in the immediate future she plans to concentrate on seeing the United States.

"I'm going to rest up a little. Then I may go to California."

Her family includes a niece in Roseville, a nephew in St. Clair Shores and a brother in Florida.

At All Board Meetings "I haven't had very much spare time," Mary admits. Her job, requiring her to be present at all School Board meetings, involves a good deal of night work. She's looking forward to the time to do some volunteer work and all the reading she's always wanted to do.

Mary was graduated from St. Ambrose High School. Two years at McLain College of Secretarial Science and a superb natural talent turned her into a fantastic typist who won a silver cup for

and it's in this mood that the Women's Auxiliary to Cottage Hospital is planning its annual dinner-dance.

It's a just-for-fun party, one of two times annually that Cottage Auxilians put aside their duties and simply please themselves, inviting members of the board of trustees and the Hospital staff, spouses and friends to join them.

Co-chairing the event set for this Saturday at the Grosse Pointe Club are Mrs. Ramfis Fahim and Mrs. William Briscoe.

Mrs. William H. Gieseking handled reservations. Mrs. Donald Landers, in charge of decorations, has designed them around a Maypole theme.

The cocktail hour begins at 8:30 and dancing, to music by George Alfano's Orchestra, will continue until 1 in the morning.

A Two-Birthday Lady

Virginia Barrett, of Lochmoor boulevard, was born when the clock was striking midnight—so she's always felt entitled to celebrate two birthdays. And why not, for heaven's sake . . . ?

This year's no exception: the Detroit Yacht Club Seagulls got together for a "Cinderella" party honoring Mrs. B., who, having celebrated her birthday yesterday with the girlfriends, civic, political and charity associates with whom she's worked for so many years, will repeat the process today at a family gathering.

Three Cheers For Us!

Members of the Grosse Pointe Symphony Reception committee, at their last meeting, reviewing their accomplishments during the year, decided they were such a definitely superior group that they deserved some sort of public recognition for their excellence . . . so, since nobody else seemed to be doing anything about it, the ladies voted themselves Grosse Pointe's "Outstanding Committee Award" for 1974-75!

Seriously, they have done a wonderful job, standing in the reception area or beside their tea tables at North High after each Grosse Pointe Symphony concert, serving punch and cookies to the 400-or-so Symphony subscribers.

"Outstanding" committee members include the Mesdames Windsor S. Davies, Louis Duenweg, John Edgar, Charles Ewing, Guy N. Gunn, J. Wilfred Harrison, Charles Helin, Albert Hemmingsen, L. Gaylord Hulbert, Kenneth L. Kimmel, Harold B. Lee, Clarence E. Luber, Paul Mabarak, Clarence Maguire, Richard Maxwell, Don W. Miller, Stephen T. Moreland, Louis Mushro, Byron B. Phillips, Sterling S. Richhart, Philip Skillman, Gerald L. Stotzer, Burt E. Taylor, Ralph Urso, Joseph Van Deweghe and John F. Young, Jr.

Mrs. Duenweg is general chairman. Mrs. Helin and Mrs. Taylor are the season's assistant chairmen.

speed and accuracy: 100 words a minute for 10 minutes without error.

Naturally, she was in demand as an instructor. She worked for a while at Detroit Commercial College before joining the Grosse Pointe Public Schools' Administrative staff.

She's continued to do quite a bit with typing over the years, giving demonstrations in Chicago and Detroit. She's a former president, only Pointe Schools' staff member ever to have been president, of the Michigan Association of School Secretaries.

With Ed, and later Ray, Mary McElroy has seen the Grosse Pointe Public School System mushroom. With Ed and Ray, she still thinks it's a grand System. "We're larger now, and that's different . . . but we still have a really nice crowd of people."

Ray and Ed and Mary prove that point.

PAM RINI, daughter of MRS. JOHN RINI, of Robert John road, was initiated March 23 into Mortar Board national honor society for undergraduate women at Eastern Michigan University where, a junior, she has been on the Dean's List for six semesters. The Grosse Pointe North High School graduate is an active member of Alpha Xi Delta, serving as recording secretary of her Collegiate Chapter. She has also served as recording secretary for the honorary Stoic Society and is vice-president of Kappa Delta Pi national education honor society. She has received the Nathan A. Harvey Scholarship from the Stoic Society, a Kappa Delta Pi scholarship and currently holds an EMU Honors Scholarship. In addition to her studies she works in the insurance department at EMU's Snow Medical Center.
