

# PARK'S BUDGET APPROVED

## HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, May 8

**FIDEL CASTRO**, in apparent appreciation of Sen. George McGovern's farm state background, personally escorted and chauffeured that member of both the Senate Foreign Relations and Agriculture committees on a three-hour tour of a dairy farm near Havana, Cuba, today. Prime Minister Castro and Sen. McGovern, during the tour, were seen sharing in a discussion of agriculture conditions, smoking Havana cigars and drinking Cuban rum. Sen. McGovern disrupted the pattern of etiquette, however, when he ate chocolate ice cream while Castro chose vanilla.

Friday, May 9

**REBATE CHECKS** were the order of the day as the government began mailing out the first of its 1974 rebate checks. The checks, which range up to maximum amounts of \$200, were sent out ahead of schedule and began appearing in many people's mailboxes this morning. A spokesman for the Internal Revenue Service said approximately 13.7 million checks are being mailed in the first week and that all of an estimated 78 million rebate checks, totaling an estimated \$8 billion, will be sent by June 15.

Saturday, May 10

**MORE THAN 2,000** people, including some high ranking government officials, were reported by border police to have fled across the Mekong River from Laos into Thailand today as fear of a Communist take-over spread in Laos. Thousands more were believed to have crossed the Mekong from other towns along the river, particularly in the south, where there have been anti-rightist demonstrations in the last week. The exodus was prompted by the fall of neighboring South Vietnam and Cambodia and recent political developments in Laos.

Sunday, May 11

**FOUR FIRES** in Michigan state forests over the weekend left at least 11,500 acres of land scorched by today in what state officials called the worst forest fire loss in 28 years. But there were no deaths or serious injuries reported from the fires, which burned in the Au Sable and Houghton-Missaukee state forests in three counties surrounding the Grayling resort area. Arson was suspected in one of the fires.

Monday, May 12

**AN UNARMED** American merchant vessel reported today that it had been seized under fire by a Cambodian vessel. President Ford termed it "an act of piracy" and warned of serious consequences unless the ship is promptly released, but declined to elaborate along those lines. Announcement of the incident came from White House press secretary Ron Nessen, who said the container ship Mayaguez had been fired on, seized on the high seas and taken into the Cambodian port of Kompong Som along with its American crew.

Tuesday, May 13

**ENOCH CHISM**, a Marshall, Mich., man convicted of murdering a woman restaurant owner by mailing her a bomb, remained in prison today even though U.S. District Judge Ralph M. Freeman ruled that he be set free. The judge ruled that a 27-month delay between the arrest of Chism and his trial in 1970 violated his constitutional right to a speedy trial. On the motion of the state Attorney General's Office, however, the judge stayed his order pending an appeal by the state to the U.S. 6th Circuit Court of Appeals.

## Methodist Church Chorale to Perform in England

Photo by John Tyrer

A Heritage Tour is being made by 18 young people from the Youth Ministries Division of the church. They will arrive in Britain on Saturday, June 14, and visit London and other sites during their four-week stay. They will present a sampler of the materials they are preparing for their tour, at a program in the church at 211 Moross road, at 7 p.m. on Sunday, May 18. Pictured are, left to right, first row — RUTH DAVEY, BLAIRE

HOUCHENS, JACLYN VAN BECELAERE, ELIZABETH JEWELL, LAUREL SHOVER, MONICA BILLQUIST. Second row—ROBERT RODDEWIG, FAYE SONGE, MARY SLONE, JODY NELSON, CHARLES VAN BECELAERE, DAVID MOORE. Third row—TIMOTHY THOMAS, RICHARD BANTJEN, STUART SWEET, GREGORY MOMEYER, DOUGLAS WAUGAMAN, AARON CHATTERSON.

## Center Sets Memorial Day Service

Annual Ceremony Honoring Dead and Living Servicemen Scheduled for 11 a.m. May 26

The Grosse Pointe War Memorial will hold its annual Memorial Day service Monday, May 26, beginning at 11 a.m. The service will be dedicated to all those who have fought in American wars and to the continuance of the present peace.

Returning from last year for the service which will take place on the Memorial's lake-side lawn and terrace will be the 4th Marine Air Wing Drum and Bugle Corps.

### To Present Colors

V.F.W. Alger Post 995 and Grosse Pointe American Legion Post 303 will present the colors and invocation will be given by Dr. Ray H. Kiely, minister of Grosse Pointe Memorial Church.

Also on hand will be Fredrick C. Ford Jr., president of the Memorial's Board of Directors, retiring mayor of The Farms William G. Butler and Rev. Francis R. McDonnell O.S.A. Volley, Taps and Echo will be rendered by the U.S. Marine Recruiting Station in Detroit and the personnel of Brodhead Naval Armory.

## Students at South High Give 232 Pints of Blood

By Barbara Bruno  
"It's just tremendous," said the Red Cross volunteer. "I can't believe the kids are doing so much of the work. Usually there are nine beds at blood drives but here there are 15 going at once."  
That was one person's reaction to the operation of the blood drive held at South High School Thursday, May 8. And that reaction was valid since close to 300 South students turned out to give 232 pints of blood during the day.  
This school broke the state high school donation record by 50 pints. It was the second highest collection total in the history of the Southeastern Michigan Red Cross, missing first place by two pints.  
This was the second drive

## GP Park Police Wound Store Burglar, Arrest Second Behind Counter

Suspicious Motorist Alerts Authorities of Actions of Pair in Front of Kercheval Building

Two alleged burglars, one of whom was wounded by a blast from a shotgun in the hands of a Park police officer, were arraigned before Park Municipal Judge John Urso Thursday, May 8, on charges of breaking and entering a business place with intent to commit larceny.

The wounded suspect, following the shooting, was conveyed to Bon Secours Hospital by Park firemen in the emergency ambulance, treated for a shoulder and finger wound and released to the authorities.

The wounded man, identified as James Earl Armstrong, 18, of 4828 Chalmers, Detroit, is being detained in the Park cell block under \$3,000, two sureties. His companion, Michael Dawkins, 17, of 2179 Chalmers, Detroit, was released on \$1,000 personal bond. Judge Urso set yesterday, May 14, as the date of examination.

### Spotted by Citizen

According to information released by Lt. Gordon Duncan, a citizen driving south on Wayburn, Wednesday, May 7, at 11 p.m., and nearing Kercheval, observed two black males standing in front of Arts Party Store, 14945 Kercheval. The citizen-motorist stopped at the corner of Kercheval and noticed the pair in front of a hole in a large plate glass window, from which a piece of plywood had been removed.

On seeing the motorist watching them, the two men fled away from the store front. The citizen, suspicious of the pair, drove around the block and saw Armstrong and Dawkins walking toward the store building. The driver turned his car around and headed north on Wayburn and hailed Patrolmen Rodney Wedding and Edward Serwach at the Charlevoix-Wayburn intersection, as the policemen were cruising by. The officers were informed of the suspicious actions of the two men at the store.

### Officers Locate Pair

Officers Wedding and Serwach drove south on Wayburn and as they approached Kercheval, saw the two black men walking north on Wayburn, but not near the store.

The patrolmen drove around the block and stopped a short distance from the store, got out and walked on foot to watch the store from the south side of Kercheval. Prior to this, the officers checked the store, especially where the plywood had been removed from the broken window.

As they eyed the building for a short period of time. (Continued on Page 4)

## Shores Citizens To Vote May 20

Shores residents will go to the polls to vote for three trustees at the village's regular spring election Tuesday, May 20.

Three incumbents, C. F. Ogden, Frank Colombo and Daniel R. Beck, are the only candidates on the ballot for the regular two-year term.  
Next year, citizens will vote for three other trustees, (the seats currently occupied by C. Bradford Lundy, Robert C. Palmer and Carl Hedeon), along with village president, (Gerald C. Schroeder), and village clerk, (Clifford B. Loranger), offices.

The polls at the Vernier School, 36 Vernier road, will be open from 8 a.m. - 8 p.m.

## Will Honor 30 Retirees At Reception

Those Leaving Public Schools and Libraries To Be Cited at War Memorial May 20

A community reception honoring 30 men and women who will be retiring from the public schools and libraries at the end of the current year will be held from 3-5 p.m. on Tuesday, May 20, in the Alger House of the Grosse Pointe War Memorial.

"The reception is one way for everyone connected with the system, as well as for the public, to thank these dedicated and valuable employees for their many years of service to the community," Dr. James A. Adams, superintendent of schools, commented.

Retirees will be presented by the presidents of the various employe organizations.

John C. Prost, president of the Grosse Pointe PTA-PTO Council, will serve as master of ceremonies. Mrs. Edward C. Hanpeter, president, Board of Education, will speak briefly, as will Superintendent Adams.

### The Honored Ones

Honored staff members include Jennie Dombrowski, Grade 4, first assistant, Richard; Leon Englehart, assistant principal, Parcels; Frank Ervinck, custodian, North High; Dr. Winnifred Fenton, music, Kerby and Barnes; William Ferry, music, Poupard; Margaret Graham, homemaking, Parcels; and Ethel Gray, teacher-consultant, Administration Building.

Others are Claudia Greenhoe, homemaking, Pierce; Marion Henderson, bookstore, South High; Manerva Johnson, social studies, Pierce; Blanche Kegen, chairman, reading specialists, Auxiliary Services Building; Evelyn Kyzivat, kindergarten, Kerby; Jesse Lowther, principal, Defer; Anibel Lucatsky, music, Maire and Ferry; Mendel Lucatsky, music, Kerby and Trombley; and Ray MacArthur, director of business and finance, Administration Building.  
Also, Mary McElroy, secretary to the superintendent, Administration Building; Vera Milar, librarian, North High; Margaret Niemelta, professional assistant, Cen. (Continued on Page 2)

## Park Man Killed As Wife Backs Car from Garage

Mrs. Edwin Hammer's Claim of Brake Failure Substantiated by Leaking Fluid; First Auto Fatality in Park in Five Years

The Park recorded its first auto fatality in five years on Saturday, May 10, when, while backing the family car from the garage, a woman's brakes failed and the car she was driving ran over and killed her husband.

Pronounced dead on arrival at Bon Secours Hospital, where he was taken by Park firemen in the emergency ambulance, was Dr. Edwin J. Hammer, 65, of 905 Berkshire road, who retired in 1974.

Police Lt. Gordon Duncan said that Dr. Hammer's wife, Christine, also a medical doctor, was backing the car out of the garage as her husband was carrying a can of gasoline to fill the grass power mower. Dr. Hammer walked behind the vehicle and was struck and knocked and was struck and knocked and the wheels of the car, a 1964 Mercury, passed over him, apparently killing him instantly.

### Says Brakes Failed

Mrs. Hammer called the police and fire departments and when the police arrived at the scene she told investigating officers that she was backing out, when she felt the bump and applied her brakes, which went right to the floor. The automobile continued rolling back and stopped midway at the curb. She said she got out and found her husband under the car, and called for help without delay.

Firefighters arrived about the same time as the police, and used car jacks to raise the auto to remove Dr. Hammer's body from underneath. The firemen's attempts to revive the victim at the scene and en route to the hospital were unsuccessful and the doctor was declared dead on arrival.

### Evidence of Failure

Lt. Duncan said that there was enough evidence to show there was a brake failure. There was brake fluid leakage on the garage floor and, while the car was jacked up, a look underneath showed fluid leaking from a broken line, investigating officers said.

The lieutenant said that the garage and driveway is on Fairfax, but the home faces on Berkshire. Although evidence points toward brake failure and there is no doubt the death was accidental a final determination will be made when an autopsy report is received from the Wayne County Medical Examiner's Office.

A car fatality is counted against a community's traffic record, regardless whether it occurs on private property or on a municipal street, Lt. Duncan pointed out. Dr. Hammer's death is the first in The Park in five years.

He is survived by his wife, Dr. Mary C. Hammer; two sons, Dr. Edwin J. and Thomas. (Continued on Page 5)

## No Increase In Tax Levy Is Required

Rise in Property Equalized Valuation Will Cost Taxpayers 4 Percent Jump on Bills

The 1975-76 fiscal budget approved by the Park Council at a public hearing held on Monday, May 12, reflects an increase of \$81,400 over the current budget year which ends on June 30. The tax levy remains the same in spite of a four percent increase in state equalized valuation, the solons were informed by City Manager Robert Slone.

In presenting the new budget figures to the council, the city manager stated that the increase is due to the rising costs of wages, services and supplies. The Improvement Reserve Program is minimal, and Federal Revenue Sharing will be used as part of the revenue to offset increasing costs.

### One Less Employee

The accepted budget for the 1975-76 fiscal year amounts to \$2,811,000, as compared to \$2,729,600 in 1974-75. Mr. Slone pointed out the recommendations include personal services of 93 full-time employees, one less than during the current year he pointed out further.

The budget, as presented, Mr. Slone said, requires the same tax levy as in 1974-75, with the rate required to meet this levy being 17.90 mills, (\$17.90 per \$1,000 equalized valuation), for operating and .90 mills, (90 cents per \$1,000 equalized valuation), for debt service. The Park City Charter limitation for operating is 20 mills as compared to the 17.60 required in the new budget.

### Taxpayer's Bills Up

Mr. Slone said that although the tax millage is the same as last year, the city has experienced a four percent increase in equalized valuation. Therefore, the taxpayer will receive the four percent increase in their tax bill, though the total millage factor is the same.

Besides including the personal services of 93 full-time employees, the new budget will pay for the following improvements:

1. Asphalt Resurfacing: The Highway Fund provides sufficient monies to carry out a highway maintenance program along with curb construction and street resurfacing. This fund is restricted to highway use only.

2. Fox Creek Project: The Fox Creek Storm Water Res. (Continued on Page 2)

## City Changes Meeting Date

Two items of business have been tentatively scheduled for The City's next regular council meeting, which has been moved from Monday, May 19, to Tuesday, May 20, because of Mayor's Exchange Day.

The issue of the city budget for fiscal year 1975-76 should come before the council at that time. Public budget hearings were held Wednesday, May 14, for citizen input on the matter.

City Council will also sit as a Board of Zoning Appeals to hear the request of Charles Witzke for a variance in city ordinances for a house he would like to build at 885 Nolre Dame avenue.

The request came before the council at its last regular meeting, April 21, but was tabled to allow further consideration of the variance by City Planner Brandon Rogers.

Mr. Witzke's requested variances include a reduction of the minimum lot size from 6,000 square feet to 5,250 square feet, a reduction of the combined side yard requirements from 14.4 feet to 10 feet and a reduction of the minimum floor area on the first floor from 800 square feet to 644 square feet. It starts at 8 p.m.

## Incumbents Can Coast To Victory

School Trustees Huette-man and Warner Opposed for Re-election at Polls June 9

By Barbara Bruno  
The deadline for filing applications for two School Board positions that will become vacant this spring passed Monday, May 12, and only two candidates filed — William F. Huette-man and Robert D. Warner. Both men presently occupy the seats that will come up for election Monday, June 9.

The two will serve four-year terms following the election, barring defeat at the polls by a write-in candidate.

Mr. Huette-man has served four years on the board. Mr. Warner also is completing his first four-year term.

The names of the candidates who filed for the election were released at a School Board meeting Monday, May 12.

Both Are Available  
Although the competition is less than stiff, Dr. James A. Adams, superintendent of schools, noted that both men have expressed a willingness to go before the community and give their views on education in The Pointe.

Dr. Adams said the candidates also want to hear the views of members of the community on the topic during the pre-election period.

Trustee Huette-man said he welcomed the prospect of not having to conduct a large, expensive campaign. "I am excited," he said, "It's fun to do it once without having to pound the pavement."  
Trustee Warner said he agreed with those sentiments adding, "I hope it is a reflection in some measure of the community's satisfaction in general with the whole board and not just as individuals."

All registered Pointe voters may cast their ballots between the hours of 7 a.m. and 8 p.m. on June 9. Polling places are located in the 10 public elementary schools and voters will vote in the school in their neighborhood.

The election of two trustees is the only issue to be decided on that date.

## Improper Bicycle Riding Creates Yearly Problem

By Barbara Bruno  
Bicycle riding has always proved popular in The Pointe and undoubtedly this year will be no exception. Throughout the past year the Grosse Pointe Farms Police Department has made a concentrated effort to educate youngsters on the proper use of the bicycle.

This has been handled to a large extent by Traffic Safety Officer F. J. Belanger through presentations to schools and bicycle inspection programs.  
But Farms Police Chief Robert Ferber, in his annual report, said he believes the department's impact in the area of bicycle safety has not been significant.

The chief said this viewpoint can be substantiated by driving down "any local street and observing youngster and older alike violating countless bicycle traffic laws."  
The ordinances regarding bicycle use have been made accessible to students and residents.

Cardboard handouts containing the bicycle traffic laws were distributed throughout the schools by the traffic safety officer and are issued to each resident registering a bicycle. In addition they are available at the police department lobby desk.  
The injuries, however, keep increasing and the poor (Continued on Page 4)

(Continued from Page 1) But most of the credit has to go to the students themselves who manned stations and assisted Red Cross nurses and volunteers every inch of the way.

The donors, arriving at the old boy's gym throughout the day, were greeted by students at a registration table. Their names were checked off if they had signed up and walk-in volunteers were assigned a time to donate.

Once inside the gym, the donor waited for a free position at the medical history table. Students and Red Cross volunteers recorded the medical backgrounds of the donors on Red Cross forms.

The next station was a vital one. A drop of blood was taken from the ear of the prospective donor to test it for iron content and hemoglobin levels.

"If you don't have enough blood we're not going to take it from you," one nurse said.

A blood pressure check, pulse count and temperature reading followed with students assisting all along the way.

Those who had never donated before got their Red Cross donor number on a slip of paper and were told a permanent plastic donor card would be sent in the mail. Some students already had their cards from previous donations, proving that one can survive a blood donation.

Student volunteers lined up

the donors waiting for an open bed and the actual drawing of blood. A registered nurse did that job which only took a couple minutes for each. The donor was then guided to a rest area where two glasses of orange juice or coffee were a requirement and cookies were available.

A special area for fainters was ready but it didn't seem to be getting too much use on Thursday.

"The first time they go in they are nervous, but when they come out they tell the other kids there was nothing to it," observed a veteran Red Cross volunteer.

But some can't give even if their nerves do hold up. One girl walked away from a preliminary station with an "I Tried" sticker on her blouse.

"I'm so mad. They said my

blood pressure is too low and it would take way too long to come out."

Others sporting "I Tried" stickers might have been underweight, received recent medication, had too little iron content or a too low hemoglobin percentage. About 45 students were unable to give.

The funds required to stage the blood drive, (amounting to about \$120), came from the Honor Society's local fund. Randy said the group holds bagel sales every week and other fund raisers and in turn, puts the money back into worthy causes such as blood drives.

The donors themselves were rewarded with a free dance held at the school Friday evening featuring the band Cyprus Rock, which volunteered its services.

Mrs. Vorita McClure, guidance counselor and Honor So-

ciety sponsor at South, proudly observed the students as they manned the stations and found they handled the entire drive quite professionally.

This sentiment was echoed by Carl Justice, mathematics teacher, who is also chairman of the Grosse Pointe Public School System's employe blood bank and vice-president of the Grosse Pointe Community Blood Council.

He has a special interest in blood because his father-in-law, at the age of 83, requires a pint of blood every week. Doctors told him eight years ago that because of a blood disorder he had six months to live although, fortunately, that wasn't the case.

But the blood each week is still vital for him and Mr. Justice is doing his part in making sure it is available for others who have the need.

"Currently the Red Cross has about 75 to 80 percent of what it needs for total coverage," he noted. "They've been wondering where it all will come from. In my opinion, they've found it. The high schools can make the difference."

If blood drives are as successful at other schools as this one was at South High, Mr. Justice may just be right.

**AUTO FACTS**

by KEN MEADE

The octane number of gasoline is determined in a laboratory by comparing its ability to withstand detonation with that of a blend of two fuels which are used as laboratory standards. These are called iso-octane and normal heptane. Iso-octane has a maximum resistance to detonation and is thereby rated at 100. Normal heptane has a minimum resistance and a rating of 0. Thus, if your fuel is rated 96, it has the same resistance to detonation as a mixture of 96% iso-octane and 4% normal heptane.

(Continued from Page 1) The Project will develop further during the year. However, monies for this work, (planning and engineering), will be Federal funds.

**For Meter Reading**

3. Water Department: The budget includes some money for outside readers for water meters to be used in residential and business places where there is difficulty in obtaining meter readings. This would necessitate an adjustment in the water service charge of \$1 per quarter for all consumers.

4. Park and Recreation Projects: There are no projects scheduled for the Parks and Recreation Department. All emphasis will be placed upon better control and maintenance of existing facilities.

5. Buildings and Grounds: The budget includes maintenance items for all municipal buildings and grounds. The trim on the Municipal Building, 15115 Jefferson, will be painted. The air conditioning system is scheduled to be completed by July 1.

**Support Continued**

Mr. Stone also said that the new budget includes the city's contribution to the Little League Programs, Bon Secours Hospital and continued participation and financial support of the Grosse Pointe Youth Service Division.

"At the present time," the city manager said, "we have contracts with four union groups—Public Works, Pa-

trolmen, Firemen and Police Supervisors. The Public Works contract expires June 30, 1976. Monies to fulfill these contracts are in the new budget. The contracts for the Patrolmen, Firemen and Police Supervisors expire June 30 of this year. Negotiations are presently underway. Any adjustments or settlements of these contracts would come from the Contingent Fund."

Mr. Stone pointed out that the 1975-76 budget is adequate to finance the necessary services and properly maintain the city. However, due to inflation, any addition of employees, projects or major increases in utility costs will necessitate a tax millage increase.

**Breakdown of Budget**

The following is a breakdown of the budget accepted by the Park council Monday night:

Administration and General—\$299,500; Public Safety—\$959,200; Park and Recreation—\$139,500; Employee Pension and Insurance—\$280,000; Contingency—\$280,000; Capital Improvement Appropriation—\$29,800; and Highway Fund Appropriation—\$85,000.

Revenues are expected from the following sources: Property Tax—\$1,635,400; Miscellaneous Revenue—\$1,067,500; Appropriation of Surplus—\$17,000; and Federal Revenue Sharing—\$61,000 (programmed to partially finance the cost of street lighting and is included in the Public Works budget).

**Sets Activities for Bicentennial**

Members of The Woods Bicentennial Commission, which was organized this February, are actively pursuing ideas towards the celebration of our nation's 200th birthday.

At its first meeting Mayor Benjamin W. Pinkos welcomed commission members who represented various community services, clubs, churches and school groups.

The mayor explained that the city and the commission would be working together, along with the other Pointe municipalities, towards celebrating the bicentennial.

Councilwoman Joan M. Mulhan, council representative to the commission, also is The Wood's representative on the Grosse Pointe Bicentennial Committee. Other council "reps" include James Mast, The Farms; George Henry, The City; Charles Thompkins, The Park; and Daniel Beck, The Shores.

Activities being planned by The Woods Bicentennial Commission are festivals, including a week-long festival at The Wood's Lake Front Park,

country stores, medicine shows, square dancing, band concerts, music by a fife and drum corps and a beauty contest. Other activities will include political debates and parades.

The Wayne County Bicentennial Commission is planning one big parade for the spring of 1976 and is interested in having at least five floats from each of the 43 Wayne County cities.

Anyone interested in supplying a float for this parade is urged to contact Robert Trinklein, chairman of The Woods Bicentennial Commission, at TU 1-2805.

The next regular meeting of The Woods group is Thursday, May 22, at 7:30 p.m. in the council-court room chambers, 20025 Mack avenue. All interested persons are invited to attend.

Give some people a fighting chance and they'll do the rest.

**Overall YSD Case Load Still Above Last Year's**

The Youth Service Division, (YSD), continues to have an overall increase in complaints processed this year in comparison to 1974. Through April, the YSD has received 265 reports as against 236 for the same period last year. Sixty-nine complaints were received for investigation last month. This was an increase of three over the March 1975 total but a drop of seven under April 1974.

The categories of highest incidence were malicious destruction of property and runaways, both totaling 10. Five male juveniles are known to have been involved in the vandalism cases. However, in six incidents no suspects are as yet identified. Five of these incidents were broken windows of public buildings, (four schools and one church), and one incident was the spray painting of a school exterior.

The runaways incidents included seven girls and three boys. Of these, six girls were self-returned. Two of these girls are habitual home truants currently on probation programs of the Wayne County Juvenile Court and they were, therefore, immediately referred to the court upon their return.

Meanwhile, the seventh girl was arrested and taken to the Wayne County Youth Home at the request of her parents.

One of the boys was arrested and returned to his home, one was arrested and taken to the Youth Home per his parents' request, and the other boy hasn't been recovered.

There were nine incidents of larceny/theft, involving 15 males and two females. When considered with related categories, e.g., burglary, five incidents involving nine boys and one girl and auto theft, two cases involving four youths, the total reaches 16 incidents of similar offenses in which 27 boys and three girls were involved.

Violations of controlled substances totaled six and consisted of two offenses of sale, one of cocaine and one of phencyclidine, a synthetic drug produced as a large animal tranquilizer. The medical results of the abuse of phencyclidine can be very serious, says the division.

The other four cases were the use of marijuana, involving one male juvenile, and the use of marijuana/alcohol, involving five male juveniles and three male adults, i.e., over 17-years-old.

Fifteen applications for juvenile court and the court has taken action on eight.

**Slate Benefit Golf Tourney**

Tuesday, June 10, has been set as the date for the Ken Pine Memorial Golf Day to be held at Gowanie Golf Club, 24770 South River road, Mt. Clemens.

The public is invited to the benefit tournament being sponsored by the Grosse Pointe Farms Police Officers Association in memory of Officer Pine who was killed by a hit-and-run driver in March.

Proceeds from the golf day will go to the officer's widow, Mrs. Virginia Pine.

The day's program includes 18 holes of golf, lunch, buffet dinner and an open bar from 11 a.m. until 10 p.m. Driving and pitching contests, "beat the pro" putt challenges and prizes will be featured.

Price for the complete outing is \$35 per person.

Full locker room facilities for both ladies and men and a limited number of golf carts will be available.

Master of ceremonies will be Ben Lula and host pro is Jack Clark. Bill Hyde, a director of the golf course, is assisting in planning the day.

Starting times and reservations may be arranged by contacting Sgt. Arnold B. Parsons at 881-7426 or 885-2100 or officers Gordon Evans or John Farley at 885-2100.

Those placing reservations should indicate whether they will be golfing or just attending for the party facilities. Golfing reservations will be limited to about 150 players.

**Police Arrest Bicycle Thief**

Leland A. Kenner, 20, of 1202 Coplin, Detroit, was arraigned for a hearing before Park Municipal Judge John Urso on Thursday, May 8, on a charge of receiving and concealing stolen property. A stolen bicycle was recovered from the rear seat of his automobile. It had not yet been missed by the owner.

According to information released by Lt. Gordon Duncan, at about 4:30 a.m., two alert Park officers, Patrolmen Collin Lalonde and Paul Konefke, observed Kenner driving north on Pemberton as the policemen were cruising on Jefferson. The officers saw a bike on the rear seat of Kenner's car.

The patrolmen attempted to force Kenner to the curb to investigate, but the man, who had a passenger in the front seat, took off in a high rate of speed. Officers Lalonde and Konefke gave chase.

Kenner made a fast left turn onto Philip, in Detroit to Freud, turned right on 'hat street for one block and then left onto Marlborough. Kenner slammed on the brakes bringing his vehicle to a screeching halt, and he and his passenger jumped out of the car and ran between houses.

Officers Lalonde and Konefke searched the area and found Kenner hiding behind a clump of bushes in front of 651 Marlborough and placed him under arrest and took him to the Park station. Kenner's companion made good his escape. The arrested man refused to identify him.

At 8:08 a.m., a resident of the 900 block of Westchester called Park authorities to disclose that his bicycle had been stolen from his garage. The bike recovered from Kenner's vehicle was the stolen one.

Kenner was charged under a city ordinance with receiving and concealing stolen property.

Judge Urso set examination for yesterday, May 14, and released Kenner on \$1,000 bond pending the court date.

**Woods to Build Only 3 Docks**

Instead of six new boat docks, which would have provided 12 boat wells on the lake side of the Lake Front Park bridge, The Woods will build only three new docks for a total of six wells.

The council at the regular meeting Monday, May 5, concurred in the recommendation of City Administrator Chester E. Petersen to construct the trio of docks in lieu of the six, and accept the quotation of the P and M Marine Co. of Mount Clemens in the amount of \$2,900 for the work.

City Attorney George Catlin said the reason for three docks instead of the six stems from an agreement that the city has with a resident not to build anything which would obstruct his view of the lake.

After the council approved the construction of six docks at the March 17 meeting, and accepted the quotation of P and M for the work, the city discovered that three of the docks would interfere with the citizen's view. When no further agreement could be reached, the city decided to go ahead with the three docks.

"We discovered the other three docks would be in the area that's within the restrictions contained in the agreement between the city and the resident," added Mr. Catlin.

**Guild to Hear Judge Bashara**

The Parent Teacher Guild of Our Lady Star of the Sea grade school will present the Honorable George Bashara Jr. Thursday evening, May 15. Judge Bashara will speak to the guild on drug and alcohol abuse.

Judge Bashara began his practice of law in 1960 with his father and first entered the political arena when Gov. George Romney named him to the appeal board of the Michigan Employment Security Commission.

In 1969 he was named to the Wayne County Probate Court bench where he has had considerable contact with the drug abuse problem. He has interviewed thousands of students on the subject and should provide an authoritative viewpoint for Star of the Sea parents.

The annual elections for the guild will also be held at the meeting along with reports on the activities of the past year. Under the guild presidency of Dr. Robert A. Zink

**Jaycee Named To State Post**

Charles "Ric" Rutan, president of the Grosse Pointe Jaycees, was recently elected a State district vice-president.

He will represent the Detroit Jaycees, Detroit City Airport Jaycees, Harper Woods Jaycees and Pointe Jaycees.

**Five Orchestras in One Concert**

Orchestras In Review, featuring all five secondary school orchestras in the Grosse Pointe Public School System, will be presented Tuesday, May 20, at 8 p.m., in the North High School gymnasium.

All five orchestras will be positioned on the floor to perform first individually and then as a group under the baton of Professor Elizabeth A. H. Green of the University of Michigan.

Miss Green will conduct the 210-piece massed orchestra in four selections: "Sine Nomine" by Vaughan Williams, "Jig" from "St. Paul's Suite" by Holst, "Toccata" by Frescobaldi, and "Ballet Parisien" (Overture, Valse and Finale) by Offenbach.

In the individual presentations, Pierce Middle School Orchestra, under the direction of Joseph Bauer, will appear first. Parcells musicians, conducted by Donald McNew, and Brownell students, under the direction of Mrs. Christina Judson, will follow.

The Grosse Pointe South Symphony Orchestra under the direction of Russell Reed

**Serwach Wins Speaking Honor**

Edward Serwach, a Park police officer and current secretary of the Grosse Pointe Jaycees, was selected one of Michigan's top three public speakers by the Michigan Jaycees at their State convention in Lansing this weekend.

The two-day competition climaxed a two-month search for the State's top speakers. Mr. Serwach was selected after local competition in The Pointe, district competition in Harper Woods and regional competition in Dearborn.

At the State finals, his topic was "Government Should Be of Laws and Not of Men."

**Improper Bike Riding**

(Continued from Page 1) habits of many bicyclists continue. Because of this, Chief Ferber said, enforcement of bicycle traffic laws was dramatically increased during 1974 and will continue to be this season.

With juveniles, a verbal warning is given first of offenders. Following this, contact cards are mailed to the parents. If the problem becomes serious, the bicycle is confiscated and released only to the parent. Juvenile court

referrals can follow. Adults may be issued verbal warnings, written warnings and \$10 violations. In addition, mandatory court appearances can be ordered and arrest warrants issued for persons failing to pay or appear in court to answer the alleged violation.

The report notes some statistics on bicycle accidents which reveal boys in the 13-14 year age bracket are most likely to be involved in bike mishaps.

Sixty-four percent of all accidents involved youngsters between 11 and 15 years of age. What Chief Ferber found to be the most alarming statistic was that the bicyclists themselves were at fault 71 percent of the time in accidents during 1974.

The report listed the hazardous actions, in order of frequency, that resulted in accidents. Careless riding was first, followed by riding through stop signs or red lights, riding on the wrong side of the roadway and improper turning movements.

When vehicles were at fault approximately 75 percent of the accidents were caused by motorists opening car doors into the path of bicyclists.

But no matter how the accidents were caused, a large number, (about 86 percent), resulted in personal injury to the bicyclist.

To help reduce injuries, enforcement will again be strict this bicycle season.

**Bikes Abound in Springs; Woods is Ready for Them**

By Tom Panzenhagen  
Spring: blue skys, sunny days, the beach, sailing, baseball, cutting the lawn, cleaning, picnics, family outings, bikes.

Bikes, indeed. Let's see: with a Grosse Pointe area population in excess of 60,000 people, and about 11,500 school-aged children living here, it seems fair to assume that about 12,000 bikes are owned in the Grosse Pointe vicinity. That's assuming some kids don't own bikes and more than a few adults do.

So where does one usually travel on one's bike? Mostly to the beach, baseball games, picnics, family outings, etc. But what if you're a bike owner and don't want to pedal to any of the aforementioned events? There is an alternative.

It's The Wood's bike trails. Weaving throughout The Wood's city limits, bike trails in that city have been in existence for about four years.

There's no telling how many cyclists frequent the trails; some may set out to ride the full circuit while others only coincidentally find themselves pedaling along the routes.

A look at those routes shows that they pass by a number of worthwhile sites, sites such as the Grosse Pointe Hunt Club, Ghesquiere Park, City Hall, Grosse Pointe University School, Christ the

King Lutheran Church, St. Michael's Episcopal Church, the Lochmoor Golf Club, Our Lady Star of the Sea School, the Protestant Children's Home, Grosse Pointe North High School, Lake Front Park, Grosse Pointe Baptist Church, First English Lutheran Church and any number of quiet, residential districts.

The bike trails only cost about \$150 per year to maintain; most of that outlay going for signs marking the trails.

Alas, bikers have no special traffic privileges along the routes; cars and trucks are not re-directed to make way for the bikes, but the routes do follow mostly secluded thoroughfares.

To be on the safe side, however, The Woods has a pamphlet full of safety tips and city ordinances on biking. Among them are included the observation of all traffic regulations, keeping to the right, giving pedestrians the right of way, never hitching on other vehicles, never carrying other riders and slowing down at all street intersections.

Among the ordinances listed is one stating that children under the age of 12 may not operate their bicycles on the streets—they should be restricted to the sidewalk.

The full pamphlet is available at The Woods Lake Front Park free of charge.

**Burglars**

(Continued from Page 1) the two black men again approached the business place, but two people were approaching on bicycles, and the suspicious duo again walked away. Within minutes the two alleged burglars returned and entered the store through the broken window.

Has Stolen Cigarettes  
Patrolmen Wedding and Serwach approached the store on foot. Wedding with a departmental issue shotgun in his hands and Serwach with his service revolver drawn. About 75 feet from the business establishment, they saw Armstrong emerging through the hole in the window, clutching a number of cartons of cigarettes to his chest with his left arm.

Officers Wedding and Serwach identified themselves as police officers and ordered Armstrong to halt. Armstrong went into a crouch and dropped his right hand to his side. Patrolman Wedding, thinking the man was reaching for a lethal weapon, fired one blast from the shotgun. One pellet hit Armstrong in the right shoulder and another struck the fingernail of his left hand. The other pellets shattered the cigarette cartons.

Sgt. Charles Petrie and Patrolmen Steven Molitor and Robert Michaels responded to calls for assistance.

Second Flushed Out  
While Armstrong was being read his rights on the spot, the other four officers entered the store, service revolvers in hand, and flushed Dawkins out from behind a counter and arrested him. The ambulance was summoned to take Armstrong to the hospital.

Lt. Duncan praised all the officers for the manner in which they acted, and in making the arrests.

The thing that makes a salary seem so small seems to be the high cost of trying to live.

**How to double your money in a retirement nestegg with deferred-tax dollars.**

If you are one of the 40 million people who have no company-sponsored pension program, now is the time to look into an Individual Retirement Account at NBD.

In 1974, new Federal legislation was passed to help millions of Americans provide for their retirement years.

National Bank of Detroit moved quickly to bring you the advantages of this new legislation through an approved Individual Retirement Account.

Here's how an IRA can help you multiply a surprisingly modest investment into a substantial retirement nestegg.

**Double tax savings.**

With an IRA, both the money you put into the account, and the interest your money earns while on deposit, are tax exempt until the time of withdrawal.

This means you can take a tax deduction on the amount deposited into your IRA each year, allow the earnings to accumulate tax-free, then withdraw your money when you retire

End of Year	Your tax deferred IRA contribution \$1500/yr.	You will have if invested at:	
		6%	7-1/2%
5	\$ 7,500	\$ 8,478.69	\$ 8,749.78
10	15,000	19,898.26	21,436.51
15	22,500	35,278.75	39,831.61
20	30,000	55,994.06	66,503.55
25	37,500	83,894.57	105,176.47
30	45,000	121,472.51	161,250.20

and are more likely to be in a lower tax bracket.

**Double your money in 20 years.**

The new legislation allows you to deposit as much as 15% of your annual earned income—up to a maximum of \$1500—into an IRA.

And while you may choose any NBD savings plan as your IRA, the chart shows how our new Investment Savings Certificates can multiply your IRA nestegg.

By taking advantage of our NBD Investment Savings Certificates that now pay 7-1/2% over six years on amounts of \$1000 or more, for example, you would more than double your money in 20 years.

And all the while your money would be protected by both the federal government, and by the substantial capital of Michigan's biggest bank. There is, however, a substantial

interest penalty for early withdrawal of Investment Savings Certificates.

**Now's the time.**

Anyone who is not now covered by an employer-sponsored retirement plan may open an Individual Retirement Account at NBD.

And because our interest rates have never been higher, now is the time to begin putting tax-deferred dollars to work for you in an IRA.

For more information, pick up our new free IRA booklet at any NBD office. Or ask the people there to help you personally.

## Culture Main Element in Center Italian Class

By Bernice Wozniak  
"It is a new dimension in teaching a foreign language," reports Annamaria Bee, the instructor of the War Memorial's course in Italian. She stresses the importance of the people's culture.

Her methods are not conventional, although she does concentrate on the obviously important purpose of the course, the Italian language.

"This term we are concentrating on the seasons, with special stress on spring. I've included things like animals, flowers and spring-time activities.

"The method is called 'by subject matter.' Every week a new topic is taught which is in common with past lessons. In this way the students gain confidence because words are repeated. They, in turn, learn without memorization."

Homework assignments are rare. "I assign outside study when I feel that there are difficulties with the lesson," she states.

Her ability comes from her experience as an elementary school teacher in Brindisi, Italy, where she was born. Mrs. Bee favors small classes. In this way she may devote her personal attention

to individuals when they need her help. Fellow workers feel that Mrs. Bee is very well qualified to teach the course, since, with her personal experience, she has so much to offer the students.

An excellent disciplinarian, Mrs. Bee presently works with a class of 10 on Saturday morning. Ages range from seven to 13, and the class is composed of children of Italian descent. "However," Mrs. Bee claims, "we welcome students of any nationality."

She is able to work with several age groups "since their knowledge is almost nothing about the subject matter to begin with. They are all learning something new."

In the future Mrs. Bee plans to introduce films into the course as well as performances which will be presented by the more advanced students, and a correspondence course in which students may communicate with students in Italy.

This she feels will give the students a more thorough understanding of their knowledge at work.

Presently there is no regular text book. It's not a part of her method. Poetry and music are part of it, however. And this new dimension in teaching is working very well, indeed.

Says Mrs. Bee, "Although the language is important, I stress the cultural past and do so without the children realizing that they are studying."

She feels that children become bored when conventional teaching is applied. She shies away from the traditional question-and-answer form of teaching which often takes away from the basic in-depth spirit of interest that the child may develop.

Students have shown their interest through enthusiastic participation and attendance. A new session begins May 17, running until June 28. Children's classes will be held at the Center from 10:30

a.m.-noon for seven weeks. The cost for the entire course is \$15.

A seven-week adult class is offered, too. The fee is \$29. Mrs. Bee instructs the course Wednesday from 7:30 p.m.-9:30 p.m. Classes began Wednesday, May 14, and there is still time to register.

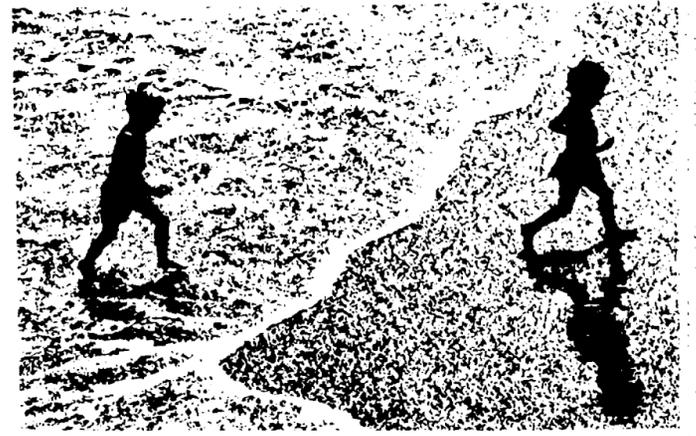

For more information, call the Center at TU 1-7511.

## Students Visit Nation's Capital

Friday, May 2, was a special day for 58 fifth grade students from University Liggett School who had the opportunity to visit Washington, D.C.

The students left Detroit at 6:30 a.m. on a flight to the nation's capital where they were the guests of Mrs. Gerald Ford who gave them a private VIP tour of the White House.

The students toured the National Archives, St. John's

Church, known as the "Church of the Presidents" where they were greeted by Dr. David Williamson, and the Bureau of Engraving and Printing.

At the Smithsonian Air and Space Center, the students were welcomed by astronaut Michael Collins. Congressman Lucien N. Nedzi greeted them at the United States Capitol building where they visited both houses of Congress.

Tours to the Federal Bureau of Investigation, the Jefferson Memorial and the Lincoln Memorial capped the day for the youngsters who arrived home at 10 p.m.

Thirteen chaperones accompanied the children including Miss Mary K. Thorn, head of ULS' Lower School, teachers Bonnie Blackman and Fred Scott, and parents Mr. and Mrs. David K. FitzSimons, Mrs. Alfred R. Glancy III, Mrs. Noel B. Haberek, Mrs. R. William Hickey, Mr. and Mrs. W. Merritt Jones Jr., Gordon Russell, Mrs. Robert P. Scherer, and Mrs. Peter Thurber.

Planning for the trip began last fall. Members of the planning committee included Mrs. Lewis Barroll, Mrs. E. Paul Casey, Mrs. William Cunningham, Mrs. James H. Dingeman Jr., Mrs. FitzSimons, Mrs. Haberek and Mrs. William Petzold.

## Artists Slate Monthly Show

Mrs. William H. Krieg of the Grosse Pointe Artists Association is currently exhibiting her modern paintings at Jacobson's in the Village. Last month Mrs. John H. Smith showed her paintings.

Each month a different member of the Artists Association is featured at the store.

### NH Musicians Receive Honors

Four North High School instrumentalists have been selected to participate in the state-wide Honors Band and Orchestra as a result of proficiency ratings they received in their solo performances at the State Solo and Ensemble Festival. The Michigan School Band and Orchestra Association with the support of the Michigan Council for the Arts sponsors the honors groups.

Bill Borbour, trombone, was selected for the band. Mary Christensen and Barbara Martin, violins, and Lynn Prisk, string bass, were chosen for the orchestra. The band is now on a three-day concert tour in the Upper Peninsula that began Wednesday, May 14. A similar band from the UP is now touring the Lower Peninsula. Both bands will conclude their tours with a final concert Saturday, May 17, at the Youth Arts Festival at Central Michigan University.

Although the Honors Orchestra does not go on tour it will have a part in the CMU festival with a concert of its own.

### CASH DOWN

There'd be fewer war debts if people were compelled to do the footing before the arming.

### Farms Orders Lot Clean-ups

Vacant lots in The Farms will be cleaned up this spring and the cost will be assessed to the lot owners as a result of Council action Monday, May 5. A public hearing on the matter was held at the Council meeting but no lot owners or other residents appeared to express their views on the matter.

All lot owners had been notified individually by letter of the proposed clean-up and weed cutting and the costs involved. The Council voted unanimously to proceed with the work.

### Scouts Hold Hobby Show

Boy Scout Troop 96 held its Annual Hobby Show recently in Fellowship Hall of the Grosse Pointe Memorial Church. Families and friends gathered to enjoy the evening as each Scout presented and discussed his exhibit.

Scoutmaster Charles Donovan displayed a handcrafted hooked rug commemorating the Bicentennial while his son, Guy, presented his mini trailbike.

There were two fine model railroad exhibits, one by Donald Kavanagh and the other by David Rogers. The rolling stock of each collection was of varied vintage with most pieces dating back over 50 years.

Daniel Riddle's pet chameleon, relaxing in a bright red hammock in a very posh aquarium, drew many interested onlookers.

The talents of artist John Wyrebelski were beautifully displayed and included sculpture, water colors, pen and pencil drawings, plus oils.

Ross Murray showed his handbuilt Go-Kart, and Andrew Richner his just-completed minibike. Both boys won second prize State and regional awards on their craftsmanship in the Michigan Industrial Education Society Fair.

Two hand-assembled bicycle displays were of great interest. Dean Face showed his Fuji on which he has logged hundreds of miles in Michigan and Canada. Jeff Powell, complete with arm cast, exhibited his Bottechia bicycle.

John Onstwedder displayed his woodworking ability in the form of a unique desk lamp embedded with coins. The lamp shade was a colorful profusion of Scout patches.

Other interesting exhibits included Boy Scout patches from around the world by Brad Murray; terrariums by Tom Durkin; USA Scout patches and community strips by Chris Powell; a baseball and football card collection by Wayne Onstwedder.

More are a comic book collection by John Brooks; hockey autographs, schedule coins and baseball cards from Bill Bissell; a stamp collection by Alan Johnston; and a huge, motor racing set-up by Coleman Rogers and Jeff Eisenbrey.

### Woods Probing Funds of DNR

The Woods Council has authorized its Parks and Recreation committee to investigate the possibility of applying for financial assistance from the Land and Water Conservation Fund, Department of Natural Resources, (DNR), for the fiscal year 1976.

This action transpired at the regular council meeting Monday, May 5.

Councilman Ronald R. Keegen, chairman, Parks and Recreation committee, said such financial aid will be viewed in regards to a fishing pier at the Lake Front Park, and in the area of boat dockage facilities.

The council received a letter from Dennis R. Adams, assistant grants coordinator, DNR, notifying the city of new procedures for requesting financial assistance. He said funds are available for the acquisition and development of public outdoor recreation facilities on a 50 percent matching basis.

The deadline for submitting the pre-application for such funds is July 1, and noted this would be the last opportunity for the city to request funds through the program until next July 1.

Mr. Adams added competition for these funds is expected to be intense. "During the current fiscal year, communities throughout the State requested over \$11 million while only \$4 million was allocated. Thus, requests for \$7 million had to be disapproved. We believe that \$3 million will be available for the coming fiscal year," he said.

In June you may find yourself without a doctor.

That's when many of these prominent physicians will lose their malpractice insurance... which has more than tripled in the last three years. Few doctors will practice medicine without it.

Very soon, adequate insurance won't be available for your doctor at all! That means we won't have doctors.

The present system for handling malpractice disputes—which has contributed substantially to the present situation—simply doesn't work anymore. It's costly. Court procedures take too long, are too expensive.

Changes are needed.

In Lansing, the Michigan Legislature has before it dozens of "malpractice" legislative bills designed to correct the problem. Immediate action on the bills supported by the medical profession will help avert a critical doctor shortage.

## Send a coupon. Save a doctor. It just might save your life.

MAIL THIS COUPON TODAY TO:

Michigan State Medical Society  
P.O. Box 950  
East Lansing, Michigan 48823

I'm deeply concerned about this insurance situation and don't want to lose my doctor. I urge and support passage now of the various bills before the Legislature that will clear up this critical health problem.

NAME \_\_\_\_\_

ADDRESS \_\_\_\_\_

CITY \_\_\_\_\_ ZIP \_\_\_\_\_

Some of the bills and what they would accomplish if passed:

- Permit contractual, binding arbitration in disagreements between physician and patient. (Arbitration is faster, cheaper and fairer to everyone.)
- Legal immunity for physicians sitting on disciplinary committees.
- Provide adequate funding to enable the Medical Practice Board to function more effectively. (Nobody wants to get rid of bad doctors more than good doctors!)

Physicians throughout Michigan are united in their effort to get the Legislature to act. Before it's too late.

In June, it will be too late for many doctors. That's why your help is needed. Now. Remember, if your doctor's name isn't on this list, he'll probably be on the next one. Let's not have a next one.

### Faces Charges By City Police

Detroit resident Rufus Hill has been charged by City police with driving under the influence of liquor, speeding, possession of marijuana and driving with a fraudulent driver's license.

He was observed speeding east on Charlevoix by City police Monday, May 5, about 8:05 p.m., and pulled to the side of the road. Marijuana was found in the car at that time, his driver's license later proved to be fraudulent and a breathalyzer test showed an excess amount of alcohol in his system, police said.

### Frank Welcenbach Plans to Retire from Trombly

Frank J. Welcenbach, Principal of Trombly Elementary School, 820 Beaconsfield, since 1952 and known as the dean of the elementary school principals in The Pointe, has announced his intention to take an early retirement from his professional duties, effective June 30.

The Board of Education approved his request with regret at the monthly meeting held May 12.

"Terminating a professional career in a school system that captured and held my thoughts and efforts over the years is not an easy task," Mr. Welcenbach wrote in his letter of resignation.

"School teaching puts one on the 'cutting edge' of life in relating and working with students, parents and colleagues. This is 'the' distinct domain of the Grosse Pointe Public School System and I shall always cherish my being a part of it and contributor to its 'human and education dynamics'."

"The trustees feel a sense of great loss, I am sure, and join your fellow professionals and me in bidding you a fond farewell as you leave the active ranks of public school educators," Dr. James A. Adams, Superintendent of Schools, commented on Mr. Welcenbach's decision to retire.

"The Grosse Pointe Public School System has been fortunate to have a man on its staff with Mr. Welcenbach's warm, concerned dedication, combined with a sensitivity of what elementary schools should provide for our children."

"I quickly came to appreciate that he was one of the key principals in the district as well as one on whom I could rely completely. The Trombly community will, I know, share my concern about adequately replacing him as principal of Trombly School. Mr. Welcenbach will be most difficult to replace," Dr. Adams said.

"I trust that you will find it possible to maintain contact with us after you begin your retirement. Your counsel will always be welcome, as will your continued support of the school system."

The superintendent thanked Mr. Welcenbach for the "splendid work" he has done during his years with the school system.

Mr. Welcenbach is a veteran of 39 years experience in local public education. He joined the staff of Trombly School in 1936 as a teaching intern following graduation from Milwaukee State Teachers College.

He holds a Master of Arts degree from Wayne State University and has done additional study at the Merrill Palmer Institute in Detroit, the University of Michigan and Boston University.

Over the years Mr. Welcenbach has held a number of professional posts in the system as well as at the state level.

On several occasions he has served as the chairman of the elementary principals of the system. He has been a member of the district's Philosophy Workshop and the Curriculum Planning committee, has chaired the Arithmetic Textbook committee and has been called upon to provide leadership in many phases of the elementary school program.

Mr. Welcenbach has also

served on the Grosse Pointe Community Values Study Group and is currently a member of the system-wide Written Policy Development committee. For many years he was faculty adviser to the Trombly Boy Scouts and Cub Scouts group.

At the state level, Mr. Welcenbach has served on the board of directors of the Michigan Association of Elementary School Principals, as its treasurer and as chairman of the Evaluation of Teachers committee.

His long and distinguished career in The Pointe was interrupted by military service during the World War II. "Frank Welcenbach has been looked upon as a leader locally and throughout the area in elementary education," Superintendent Adams stated. "His philosophy is strongly supported by a thorough knowledge of child growth and development."

"He has been characterized as a conscientious and hard-working administrator who has been loyal to the system, his staff, his community, and his pupils."

### Swim Sparks Call to Police

It's not every day that one sees a young woman running in a vacant field, walking in the fashion of a tin soldier and then diving into the river, (wearing her clothes), but this is what a River road couple witnessed Wednesday morning, May 9.

They told Woods police the girl was running in the field, located in St. Clair Shores, near the west bank of the Milk River. After she jumped into the water and surfaced, she began swimming in a southeasterly direction. At this point, the man stopped watching her.

However, some 30 seconds later, his wife asked where the girl was. Both checked and didn't see her so they called the department. Woods officers then contacted St. Clair Shores police.

An inspection of the area revealed a set of footprints leaving the river and police appeared satisfied that the "spontaneous swimmer" left the river unharmed.

The girl was described as between 17-22 years of age, about 5'3" tall and possibly having light brown hair. She wore a gray sweat shirt with short sleeves, white cut off shorts and scotch plaid knee-length socks. The girl also had a gray scarf.

St. Clair Shores police added they had a missing person report answering her description.

Happiness that comes with a price tag is very easily lost.

### Carillon Recital Set for May 18

A carillon recital will be presented on the 47-bell, 20,000 pound carillon at Grosse Pointe Memorial Church, Sunday, May 18, at 4 p.m. The recital will be played by Douglas Edwards and David Smith, who are carillonists for Memorial Church.

Douglas will graduate this spring from Grosse Pointe North High School and David will be a Junior at Grosse Pointe South High School this fall. Both young men have been recipients of carillon study scholarships from the church, where, such scholarships have been a part of the music program for a number of years.

Douglas and David were also honored last fall by being invited to be recitalists on the carillon recital series at Christ Church, Cranbrook.

The church is at 16 Lakeshore road and an excellent place to hear the bells is from the back church lawn that extends to the edge of Lake St. Clair. The lawn oval in front of the church is also suggested.

### Tips Offered on Fire Safety

With summer approaching, Farms Fire Chief Warren Schultz suggests you "keep your cool this summer and keep fire hazards under control."

No matter what your summertime activity, be it boating, camping, mowing the lawn or cooking over the outdoor barbecue, the fire chief asks that you pay attention to fire and explosion possibilities.

These mishaps could result from improper use of gasoline or lighter fluid which are often used in power mowers and in starting the barbecue.

When filling power mowers or refueling marine engines, pay heed to the primary rule of no smoking. In addition, make sure all engines are off before filling.

Gasoline spills should be promptly wiped up and bilges in boats should be ventilated before starting.

Campers should make sure tents and sleeping bags are not waterproofed with paraffin-base compounds since they will burn readily. The chief notes that flame retardant equipment is usually more expensive but well worth the difference in price when lives are at stake.

If an electrical storm occurs, Chief Schultz warns against standing on hilltops, golf courses or near metal poles and suggests taking cover in heavily wooded areas, caves or buildings.

The chief added that in case an emergency does arise and the services of The Farms ambulance are needed, a more expeditious response will be obtained by calling the Fire Department directly at 885-1000 since the ambulance is operated and dispatched by that department.

### Among Best

WILBER H. MACK, of Country Club drive, is "among the business world's Renaissance men, possessing varied talents, a wide swath of experience and keen vision." So says Financial World magazine, which selected Mr. Mack as one of the top 10 chief executives in America in its March 26 issue.

The 10 Silver winners, as the magazine calls them, were "chosen by experienced Wall street analysts as the best in broad industrial categories (and) stand out as an elite group."

Of Mr. Mack specifically, Financial World says the 65-year-old chairman and chief executive officer of American Natural Gas Co., as well as Michigan Consolidated Gas Co. and Michigan Wisconsin Pipe Line Co., has a management philosophy that "has served both Mack and American Natural Gas well during these difficult times of energy and capital shortages."

That philosophy, in Mr. Mack's own words, reads as follows:

"I'm an optimist. Someone has said that over the long run optimists have proven to be the realists and the pessimists lie in unmarked graves."

Mr. Mack also credits his co-workers for much of his success, saying "I'm appreciative that we have a great many capable staff people who do the basic work. Our key executives can't get down into all the details."

Mr. Mack still frequently works a six-day week, however, and often has a grueling travel schedule. Yet he finds the time to preside as president of the Detroit Grand Opera Association, which brings the Metropolitan Opera Company to Detroit each May.

### Theft Reported At Campus Shop

A beige, Reed leather coat, valued at \$100, was taken from the Campus Shop, 17045 Kercheval avenue, about 5:30 p.m. on Wednesday, May 7, City police report.

Suspected of the theft are two black females, both about 19 years of age, who a clerk in the store said were the only customers in the store immediately before the theft was noticed.

They were seen entering a blue Thunderbird, driven by a young black male. The last three digits of the license plate were thought to be 544.

**OKAY CODE AMENDMENT**  
The plumbing code ordinance of The Farms was amended by The Farms Council, Monday, May 5, to contain the provisions of the BOCA Basic Plumbing Code.

THE PARK PHARMACY

Vertical wrinkles from the nose to the mouth are caused by poor posture of the mouth, by discouragement, or by other negative emotions. These may cause the corners of the mouth to droop, which causes defining of the lines. Such wrinkles can also be caused by missing teeth, or by a denture that is not built up sufficiently to fill in shrunken gums resulting from loss of teeth. These wrinkles can be somewhat alleviated by lightly massaging in plenty of a good rich salve or cream once a day. Always work out over the cheeks.

For prompt, professional service, bring your prescriptions to **PARK PHARMACY**, 15324 E. Jefferson, Grosse Pointe Park. As a safeguard in filling prescriptions, we keep complete "patient profiles" of your health data; this information also makes it possible to refill a prescription you may have lost. Stop in and browse through our displays of American greeting cards, Sanders candy and baby supplies. We also carry a full line of liquor, beer and wine. For your convenience we are open weekday evenings until 8 P.M., Friday and Saturdays until 9 P.M. and Sundays from 10 A.M. until 3 P.M. Call us at 822-2580 for all of your pharmaceutical needs.

### Camp Fire Girls Salute Dancing

Yakaneka Camp Fire Girls observed America's bicentennial with a dinner and dance program for their parents Wednesday, April 30, at the Defer Gymnasium.

The evening's theme, "Two Hundred Years of Dancing," traced the history of American dances, including the Virginia Reel, Polka, Irish Jig, Waltz, Ballet, Jitter Bug, Charleston and Rock 'n Roll.

The group's leader is school board president Mrs. Joan Hanpeter. Members participating in the event were fifth graders Renee Colett, Wendy Evans, Debby Gibney, Paula Hanpeter, Betsy Hirt, Mary Beth Leamon, Debra McAllister, Maria McNiece, Jill Morketter, Camille Nowosielski, Kathryn Paton and Kelley Walker. Another member, Susan Prosky, was ill and could not take part.

### Cottage Offers Speech Therapy

Children who need intensified therapy for their speech, language, hearing and learning problems may enroll in the summer speech therapy program at Cottage Hospital, according to Administrator Ralph L. Wilgarde.

The program, directed by Gary J. Cooper, Ph.D., who heads the Cottage Hospital Speech Therapy Services Department, will begin June 23 and continue until July 31. It will consist of two hour-long sessions each week.

Information may be obtained by contacting the Speech Therapy Department at Cottage at 884-8600, extension 223 or 224.

# One of the nice things about buying a home is selling it.

A home is one of the few items you can buy that you can often sell for more than you paid for it—even though you've used it every day for years.

In fact, given the economic trend of recent years, almost any well-built, well-located home is likely to increase in market value over the years.

And that's just one of the reasons people are looking at homes today.

### Live in a tax shelter.

When you own a home, both your property taxes and your mortgage interest payments are tax deductible under current income tax law. These can add up to substantial savings, especially in the first few years that you

own your home. And that's in addition to the new tax credit of up to \$2,000 which may be available to you under the Tax Reduction Act of 1975.

### Interest rates are down.

Another reason for looking into a new home now is the fact that interest rates on home mortgages have gone down recently.

And don't overlook the advantage of being in a buyer's market. There are still more homes than buyers today.

### See us for money.

We're making more home mortgage loans than any other bank in the area right now.

And not just because we have the most money to lend.

We also offer you an uncomplicated flat closing fee.

And the convenience of being able to apply for your mortgage at any NBD office, and have the closing set up in as

little as two weeks after approval at an NBD office in your neighborhood.

### Ask questions.

For most people, a home is the single largest purchase they'll ever make.

That's why we'll be happy to discuss the advantages of home ownership with you and answer your questions.

Why not visit your nearby office of National Bank of Detroit soon?

As bankers, we'll be happy to help you make what could be a very profitable investment.

# Making banking better for you.

### Big Telethon June 7-8 Seeks to Help Retarded

Television celebrity Soupy Sales, Supercop Dave Moyer (for whom the ABC television series was named), and Michigan's own Miss America Pam Eldred will co-host the Third Annual Telethon for the Retarded at Detroit's Light Guard Armory, 4400 East Eight Mile road, on June 7-8.

They'll be joined by honorary co-chairmen Governor William G. Milliken and John C. McCabe, president of Blue Cross-Blue Shield of Michigan, and poster children Elena Veneri and Robert Miller, in their quest to raise \$500,000 to aid the retarded.

During the first year of the telethon, \$66,000 was pledged, while \$221,221 was pledged last year.

Scores of local personalities and national celebrities also will participate in the 30-hour fund raiser which is expected to attract many guests including Phil Donohue, Deno Day, Dennis Wholey, Wayne County Sheriff William Lucas, beauty queens, entertainers, athletes and newsmen.

The telethon, which runs from noon June 7 through 6 p.m. June 8 will be carried by WXON-TV, (Channel 20), in Detroit. It's co-sponsored by the Jaycees of Detroit and the Michigan Order of Alhambra, a fraternal order of Catholic men dedicated to aiding the retarded.

Telethon chairman James M. Perna said there are approximately six million retarded citizens in the United States — half of whom are potentially full-time employees. Michigan has roughly 250,000 retarded citizens.

Figures from the Michigan Association for Retarded Citizens reveal that currently 30 of every 1,000 births are retarded. Of these, 85 percent are educable. One of the 30 is severely retarded.

Mr. Perna said monies raised by the telethon in Michigan will be used in the State.

Among the groups which received funds raised during the first two telethons were the United Cerebral Palsy Association, the Detroit Association for the Retarded, the Dearborn Association, Camp Happy Hollow in Mayville, the Michigan Alhambra Center for the Retarded, plus others. Two buses also were purchased for county associations.

He stressed the need for volunteers to help with the 1975 telethon.

Prior to the telethon, there is a need for people and groups to sponsor and conduct fund-raising events such as backyard sales, office collections, picnics, street sales and sporting events — anything to raise money which can be presented during the actual show.

Volunteers will be needed to answer phones, maintain files and help clean up during the telethon.

High schools, colleges and local groups with professional calibre bands can participate, too.

Volunteers are requested to contact the telethon office at 964-4453.

### Police Arrest 'Secret Agent'

A Detroit man who claimed that he was a secret agent watching a large home, was arrested by Shores police on Monday, May 12, and was found to be a wanted man by the Macomb County Sheriff's Department. There was an outstanding bench felony warrant for his arrest.

Taken into custody was James Barnes, 49, of 2034 Fourth street, who was observed seated in a bus stop shelter at Lakeshore and Verner roads at about 3:30 a.m. by Shores Public Safety officers Cpl. Chester Painter and Patrolman Daniel Healy. The officers decided an investigation was in order and stopped to inquire why Barnes was sitting in the shelter, since no buses were running at that hour in the morning.

Barnes left the policemen, Barnes left the shelter and began to walk away, but was ordered to remain where he was. Barnes appeared to be in a confused state and said that he might be lost. He seemed to be under the influence of liquor, the public safety officers said.

Barnes claimed that he was a secret agent and that he was watching a large house in the Shores. When he could not produce any identification of any kind, he was conveyed to the Shores station where a Law Enforcement Information Network (LEIN) message was sent out. The return answer showed that he was wanted on a warrant by the Macomb authorities, who were informed the wanted man was in custody. Barnes was released to a Macomb deputy sheriff.

### REGULATION AND TRUCKING

Some people feel the regulated transportation system of the United States should not be regulated. They argue, the industry which approves of regulation, must be lining their pockets because of it. And for these reasons, they argue the Interstate Commerce Commission should be abolished.

We have regulation for one prime reason...to insure transportation service and standardized rates for communities located away from major shipping centers such as Detroit. Here, there is no cutthroat competition or biased rates. A shipper in Alpena can send his freight for the same rate as a shipper of similar freight in Detroit.

Shippers and merchants in places like Muskegon, Jackson, Petoskey and Midland can count on regular service and standard rates that do not change daily...or hourly because of ICC regulation.

The way we see it, without regulation, Michigan communities would have little to depend upon, except extremely poor service and a very unfair rate system.

A regulated transportation system is not the best of all possible worlds. But it is far better than no transportation system at all. Or worse, a government-run system.

### Know Your Schools

By Dr. James A. Adams, Superintendent of Schools

In my last column I commented upon the continuing need for citizens input for the successful operation of our school system. As readers know, I fully support such PTA Council-sponsored groups as the Curriculum Committee and the Budget Committee, both of which are now hard at work on a number of selected topics.

At Monday night's meeting, the trustees of the Board of Education approved creation of another group, an Athletics Study Committee, to assist in its still another problem-solving situation.

In recent months the Board of Education has received numerous well-researched and thoughtful presentations by parents' groups interested in expanding opportunities in athletics for their sons and daughters in the public schools.

Although the trustees have received each presentation with empathy and interest, it has become obvious that because of inherent long-range budgetary and overall program considerations, these requests must be viewed as part of the total picture rather than as currently desirable additions to the program of extra-curricular offerings.

Therefore, the Board of Education is seeking additional citizen and staff input from a community-wide representative citizens' group prior to making a final decision regarding the athletics program.

The Athletics Study Committee will delve into all aspects of the school system's program of extra-curricular athletics in order to evaluate the strengths and weaknesses and to make recommendations to the Board of Education and superintendent for additions or deletions in the current program offerings on the basis of its investigation.

A final report of the committee is due in the hands of the superintendent and Board of Education by January 31, 1976. Final recommendations of the superintendent and decisions by the Board of Education will be made prior to the opening of school in September 1976.

The 18 members of the group will include representatives appointed by high school parents' organizations, the Student Associations, the Grosse Pointe Education Association, the superintendent,

### Monteith Cubs Stage Derby

Members of Monteith Cub Scout Pack 85 recently invited their families and prospective scouts to their annual Pinewood Derby in the school gym.

The boys raced model cars which they had designed and made themselves. The race was supervised by assistant cubmaster Hugh Nelson and organized by Bill Lindeman. Design judges were Janet Vogel and Tom Teetaert, and race judges were Jim Aley, George Costakis, Al Keats and Norb Kreuter.

Winners of the "best design" in each den were Paul Smith, Den One; Paul Flynn, Den Two; Mark Smith, Den Three; David Waldeck, Den Four; and Teddy Coutilish, Webelo.

The "fastest car" winner was Jim Hellmich, Den Three. Paul Navarre, Den Four, finished second.

First and second place den winners were Jim Aley and Paul Smith, Den one; Michael Skuras, Steven Buttrely, Den Two; Jim Hellmich, Jay Dansbury, Den Three; Paul Navarre, Randy Grimes, Den Four; and John Carver, Ted

### Let's Talk Real Estate

by John E. Brink

What constitutes value? There are many ways to define and measure it, but in simplest terms if people want it, it has value, and the more limited the supply, the greater the value. A few of the terms applied to real estate are: book value, referring to original cost plus improvements; reproduction value, referring to cost of replacement; and comparable value, relating to what similar properties are selling for. Usually all of these and more are taken into account and then tempered by the experience of an appraisal specialist.

Our staff at GROSSE POINTE REAL ESTATE CO., 20087 Mack Ave., 882-0087 will assist you in finding just the perfect home for your particular needs and then will help you arrange for the financing. We will handle the entire real estate transaction in a professional manner for your best interests. "We Love Our Business." Hours: Mon.-Sat. 9-6, Sun. noon-5. 24 hour telephone service.

### SEMCOG Sets Aerial Survey

Residents of Southeast Michigan will be able to see what their region looks like at an altitude of 12,000 feet, without leaving the ground, once the 1975 aerial photographic survey proposed by the Southeast Michigan Council of Governments, (SEMCOG), is completed this spring.

SEMCOG's executive committee approved a \$15,000 allocation for the 1975 survey which will cover the entire Southeast Michigan region of Wayne, Oakland, Macomb, Monroe, Livingston, St. Clair and Washtenaw Counties.

The flight is scheduled to begin this spring with film processing set for the summer.

The last survey of Southeastern Michigan was taken in 1970 when SEMCOG joined with the Michigan Department of State Highways and Transportation for a full seven-county flight.

Aerial surveys are now taken approximately every five years and SEMCOG hopes to provide the same service to the Southeast Michigan region on a five-year basis.

The flight will progress from north to south with some 1,500 individual photographs of the entire region being taken.

Each photograph will cover about 10 square miles. Contact prints will then be obtainable in 9- by 9-inch photographic enlargements, from which inexpensive prints can be made, also will be available.

Aerial surveys serve as an up-to-date visual record of the growth and development of a community or region.

Their high degree of accuracy in showing fine detail, exact shapes, heights and land forms that are unrecognizable by ground surveys, makes them a useful tool in land-use planning projects and other related activities.

SEMCOG says communities and various agencies find aerial photography useful because they cover a large area of land for a minimal cost.

Aerial surveys also can be completed in a matter of days depending on the size of land covered and the climatic conditions. This makes the information up-to-date after the survey is completed.

SEMCOG will make the 1975 photographs available to the public at a yet undetermined cost.

Once the fees have been set, SEMCOG member-communities will receive a discount on any print they purchase. Of the five Pointes, The City and Farms are members.

SEMCOG is a voluntary organization composed of local elected officials from the seven-county region of Southeast Michigan.

Its principal function is long-range planning for land-use, transportation, housing, criminal justice, recreation, sewer, water and storm drainage.

### Pointe AARP Meets May 19

The Grosse Pointe Chapter of the American Association of Retired Persons, (AARP), is featuring a patriotic program at its Monday, May 19, meeting at 1 p.m. in the Grosse Pointe Woods Presbyterian Church, 19950 Mack avenue.

Because of the Memorial Day holiday, this meeting is one week earlier than usual. The program will be under the auspices and direction of Ray Gorney, of Harper Woods. He is the VFW Junior Vice-Commander in charge of Americanism and patriotic instructions for VFW III District.

A section of the Harper Woods Regina High School Blue Angels Drill Team, demonstrating marching and flag displays, will be featured.

A winning patriotic essay entered in an essay contest sponsored by the Harper Woods VFW Post 6784 also will be presented. The contest winner, not yet announced, is from Saint Peter's School, Harper Woods.

There also will be a movie on "The American Eagle—our National Heritage".

### ULS Captures Net Tourney

By Robert Holmes  
The ULS tennis machine continued its winning ways last week as the Knights won the Trenton Invitational for the first time in 20 years.

What made the tourney win even more satisfying for ULS was the fact that they defeated defending Class "A" champs Austin. Earlier in the week the Knights beat cross town rival DCDS, 6-1.

In the invitational ULS swept all four singles competitions and were the runners-up in the number two and three doubles. Ihor Debryn won the number one singles crown by a 6-4, 6-3 mark.

Jim Manning was next with a 6-4, 6-1 triumph followed by Mark McDonnell's 6-2, 6-0. Peter Logan won the number four singles title with a 6-0, 6-2 romp.

Dave Buhl and John Hastings lost the number two doubles match to Austin's Ken Thomas and Chris Conti, 6-2, 6-3. Herb Hagermoser and Jeff Logan were runners-up to Austin's Brian Murray and Joe Ficarra, 6-2, 6-1, in number three doubles.

Austin's duo of Frank Willard and Ken Rychwalski, along with Bill Fausone and Mark Santi, also won in doubles action.

ULS had 17 points and Austin finished with 13. Rochester Adams and Warren Mott tied for third with eight points. Trenton had four.

Grosse Ile and Livonia Churchill earned three and Catholic Central had none. Against DCDS, the Knights had no problem in disposing of the Yellow Jackets, 6-1.

ULS won three of the four singles matches as Debryn, Manning and Peter Logan all cruised to victory. The Knights won all three doubles, led by Rick Freuhau and Dave Hansen's 6-4, 6-3 win.

On Friday-Saturday, May 16-17, the State Regionals will be held at ULS.

### Fast Skiers Win Awards

The fastest skiers of the Grosse Pointe Ski Club were recently cited by the club. They are, (from left to right), FRITZ MORGOTT, men's champion, MRS. DOROTHY HANNEMAN, lady's champion, and MIKE FOSTER, junior champion. They won their trophies during the club's recent trip to Snowmass-at-Aspen.

### Woes Continue for South Nine

By Lisa Roumell  
South High School's baseball team played four games last week and lost all of them. The record through the week ending Saturday, May 10, stands at 4-10 while the Eastern Michigan League tally is 2-5.

On Monday, May 5, South lost to Osborn, 7-6. The Devils had a total of four hits and committed six errors.

Ed Schervish started for South and was relieved by Bob Glass. Most of the seven runs scored by Osborn were unearned for both hurlers.

Rick Pfeiffer blasted his first home run of the year in the game. Bill Abraham, Mark Blanche and Scott Smith also hit for South.

In a league game against Stevenson on Tuesday, May 6, South was defeated, 5-2. The Devils made four errors and possibly four mental mistakes to help Stevenson put it away.

On Friday, May 9, things still looked dark for the Devils as they dropped their seventh in a row to Bishop Gallagher, 9-1. All of Bishop Gallagher's runs came in the first two innings.

Tony Michaels started pitching for South but was soon relieved by Russ Herdon, who Glass relieved shortly after. Glass pitched from the second inning on and allowed only two hits.

South made four errors and collected two hits from Blanche and Glass.

Three of South's batters were brought up from JV to play in this varsity contest. They were John Beebe, Bob Gough and Grant Piche.

Probably the most exciting play of the week for South came in this game. Jim Gough made a fine relay to Scott Smith who then threw to catcher Charles Murphy. Murphy then made a great tag for the out at home.

The varsity players recently "raised" from JV, who played in Friday's game, were viewed by coach Durditch as being fairly good. The coach is hoping the bringing up of the JV players will get the team on the right road as they start the second half of the season this week.

Glass and Jim Gough accounted for South's four hits. Gough's single gave him the only South RBI. Schervish again started for South and was relieved by Abraham.

South Coach George Durditch commented, "It was a poorly played ballgame. I'm starting to bring up some of the JV players in hopes of getting the team going."

On Thursday, May 8, things got even worse for South as East Detroit walloped them, 13-0, in a league game.

Schervish started for South and walked five before being replaced by Abraham who continued giving up walks.

By the end of the game East Detroit had collected 11 walks off Devil pitchers. South also made seven errors.

All South's goals enabled East Detroit's seven hits to turn into 13 runs. For South, there were only three hits.

On Friday, May 9, things still looked dark for the Devils as they dropped their seventh in a row to Bishop Gallagher, 9-1. All of Bishop Gallagher's runs came in the first two innings.

Tony Michaels started pitching for South but was soon relieved by Russ Herdon, who Glass relieved shortly after. Glass pitched from the second inning on and allowed only two hits.

### Dinner Honors Retiring Exec

Augustus J. Christie, of Oxford road in The Woods, was recently honored at a dinner held at the Hilton Hotel in Lansing given by the Retirement Coordinating Council for Michigan Public School Employees.

Mr. Christie is executive secretary of the Retirement System of the Detroit Board of Education. The council represents all the statewide and many local public school employe associations.

The program included many past and present state senators and representatives who spoke at the dinner, as well as Dr. Charles J. Wolfe, Superintendent of Detroit Schools.

Former Speaker of the House of Representatives, William A. Ryan, presented Mr. Christie with a resolution of tribute from the House of Representatives. It had been introduced by Rep. George Montgomery of Detroit and Rep. Roy L. Spencer of Attica.

In addition, a Senate concurrent resolution in tribute to Mr. Christie was presented by Sen. Joseph M. Snyder. Those initiating the resolution were Sens. Joseph M. Snyder, Jack Faxon, Dale E. Kildee, John C. Hertel, William B. Fitzgerald, Bill S. Huffman, Patrick H. McCollough, Charles O. Zollner, David S. Holmes Jr., Arthur Cartwright, Carl D. Pursell, Basil W. Brown, John E. McCauley, Michael J. O'Brien and William Faust and Reps. Lucille H. McCollough and Rosetta Ferguson.

A recognition award was presented to Mr. Christie by Michigan Education Association president Keith Geiger. A resolution of commendation and congratulations was transmitted on behalf of the State Board of Education by Dr. John W. Porter, State Superintendent of Public Instruction, and a communication of appreciation and well wishes came from Mary Ellen Riordan, president of the Detroit Federation of Teachers.

Mr. Christie was appointed as administrative officer of the Detroit School Employees Retirement System 30 years ago.

Early in the 1940's the Detroit system had inadequate benefits and was facing financial trouble when Mr. Christie became instrumental in placing it on a more sound basis.

Mr. Christie received his Bachelor's degree in Business Administration from the University of Detroit and a Masters degree in Education from Wayne State University. He is listed in Who's Who in Education and also in Who's Who in the Midwest.

Mr. Christie has been a local resident for 40 years and for the past 20 years has resided in Oxford road.

Another testimonial reception is planned for Mr. Christie on Sunday, June 8, from 3 to 6 p.m. at Mercy College at Outer Drive and Southfield road.

### Little League Results

#### FARMS AAA LEAGUE

By Joe Fromm

At the end of the second full week of play, the AAA League has five teams fighting for the lead with only one game separating them.

Sacramento moved into a tie for first with Louisville by defeating Hawaii, 16-6, on Wednesday, May 7, and Newark, 11-8, on Saturday, May 10.

Louisville held on to a tie for first with a 6-2 win over Hollywood on May 10, but lost to Denver, 7-6, on Thursday, May 8. Sacramento and Louisville have a record of 3-1.

In the Louisville-Hollywood game, Steve Vinci relieved Dan Garan in the second inning after Hollywood had scored two runs. Vinci went on to pitch scoreless ball the rest of the way to chalk up his second victory of the season. Vinci tripled and Vince Kikel doubled for Louisville.

Mark Sanford of Denver homered in the bottom of the sixth to break a 6-6 deadlock and give Denver a 7-5 win over Louisville in an exciting game.

Louisville took a 4-0 lead over the first three innings. A double play by Denver in the top of the fourth killed a Louisville rally.

Shortstop Charles Bay caught a line drive, threw the ball to catcher Brian Schulte who relayed the ball to third baseman Larry Diener to complete the twin killing.

Denver came back with three runs in the fourth and third in the sixth to take a 6-4 lead. Louisville then tied it 6-6 to set the stage for Sanford's game winning homer. Steve Diola homered for Denver. Sandy Davis went the distance for Denver to register his first win of the season.

Portland pulled into third place with two wins, a come from behind 13-12 win over Hollywood on Monday, May 5, and a 11-4 win over Denver on May 10.

Hollywood took a 12-5 lead over Portland but Portland rallied for seven runs in the fifth to tie the score. John Meier tripled with the bases loaded to send in the tying run for Portland. Meier struck out the side for Portland in the top of the sixth.

Paul Nelson scored the winning run for Portland as a pitch got by the catcher.

Eric Anderson got two doubles and a single for Portland while the Hollywood hitting attack was led by Jeff Smith with a triple, and single and Tracy Edwards with a double and single.

Eric Anderson struck out 10 and gave up only two hits in Portland's victory over Denver. Home runs were hit by Anderson, Ken Newa and John Meier for Portland and Steve Diola for Denver.

Newark and Phoenix were locked in a pitching duel between Mike Ottaway of Newark and Doug Roby of Phoenix before Newark rallied for four runs in the sixth to chalk up a 7-4 win.

In the inning, Chris Amore walked and Larry Fromm tripled to drive in the winning run. Danny Doyle followed with a long home run. Ottaway gave up only one hit, a single by Mark Brooks in the third. Roby struck out 13 for Phoenix.

Newark by splitting its two games has a record of 3-2, good for fourth place, one-half game behind the leaders. Hollywood by losing two has a 2-2 record for fifth place, one game out of first.

Phoenix won its first game of the season on May 10 with a seven run rally in the sixth to win 12-11. Phoenix scored its seven runs on seven walks and two singles with the winning run coming on a wild pitch.

Bob Schmidt was the winning pitcher for Phoenix by throwing only one pitch in the game. Schmidt took the mound in the top of the sixth with two out and retired the side on his one pitch. Sam Fuqua doubled for Hawaii and Gordie Farquhar tripled for Phoenix.

**FARMS CLASS "C"**  
By John C. Brooks  
Monday, May 5, marked the second week of league play with Columbus and Toledo meeting with Columbus the winner.

Albany won its first game of this young season by dumping Rochester, 7-2, on Tuesday, May 6. Albany's Mooney brothers, with John pitching and Danny catching, did a fine job.

On Wednesday, May 8, Buffalo handed Syracuse its first loss of the year, 4-2. An exciting game was played the following day, May 9, when Richmond squeaked by Miami, 5-4. Chris Dingeman led the attack for Richmond with a three bagger driving in three runs. Brett Augsberger and Russ Whittle were the pitching

combination for Richmond. Ross Kavanda was the big slugger for Miami with a triple which drove in three runs.

On Saturday, May 10, Syracuse edged Rochester, 2-0. John Kulka won the game both with his pitching and his home run, which drove in Richard Suhrnreich for the only runs scored.

An even closer battle was played that day when Miami defeated Buffalo, 1-0. Ross Kavanda was the winning pitcher allowing only two hits. He received some excellent fielding help from Pat Imesch, John MacLeod and Hobe Echlun.

Richmond and Toledo met later that day with Richmond the winner, 11-7. Kevin Simon had the big bat for Richmond.

**FARMS MAJOR LEAGUE**  
On Thursday, May 8, at South, the Indians handed the Tigers their first loss of the season, 7-2.

John Cammett pitched an impressive one-hitter for the Indians. He fanned 14 batters and gave up only one walk. If that wasn't enough, he also secured his win by walloping a three-run homer.

Jon Dolson also helped tame the Tigers by blasting a solo home run.

The Pirates then skinned the Tigers Friday evening, May 9, 22-13, in a two-hour, 15-minute slug fest at Kerby Field.

John Hackett was the winning pitcher for the Pirates, and pitchers Paul Gutwold and John Murphy went to the mound for the Tigers. It was a team effort by the Pirates with every boy reaching first base.

The standings as of the week ending Saturday, May 10, show the Tigers, 4-2; Reds, 3-2; Phillies, 3-2; Yanks, 2-3; Indians, 2-3; and Pirates, 2-4.

**CITY MINOR A**  
The Giants, 1974 champs, opened the 1975 season with two high scoring wins over the Phillies.

On opening day, Saturday, May 3, the Giants won 19-2 behind the excellent pitching of Dave Christofferson, Tom Keane and Colin Bower. Crossing the plate for the Giants were Christofferson with two runs, Bower, Keane, (two), Bart Orban (two), Tread Huntington, (two), Bill Flaherty, Chris Triebel, Dennis Coles, (three), Gil Jackson, Dave Sutherland, Jeff Smith and Bill Rooney, (two).

Scoring for the Phillies were Scott MacColl and Mike Beattie.

On Tuesday, May 6, the two teams played a much closer game for three innings with only one run separating them. However, the Giants scored 11 runs in the fourth and fifth innings to win, 17-9.

The game was broken open when Dennis Coles hit a bases loaded double to left in the fourth driving in John Platt and Flaherty. Other runs were scored by Christofferson, (three), Huntington, (two), Brian Coles, Pat Mercier, (three), Bower, Keane, Orban, Smith and Rooney, (two).

Bill Trombley with two runs, MacColl, Bill Flom, Mark Jennings, Beattie, Phil McNamara, Matt Parcelis and Jim Wagner were Phillies crossing the plate.

**Austin Students View the Law**  
Students at Austin Catholic Prep School partook in a series of Law Week activities at the school recently under the sponsorship of the school's Political Awareness Club. Moderators of the club are John Pazzanese, senior government teacher, and Craig Keller, student president of the club.

On Monday, April 28, the Austin student body heard an address by State Sen. William Fitzgerald, State Democratic Majority Leader. The floor was opened to questions at the conclusion of the senator's presentation and such topics as putting a bill through committee, congressional junkets and expenditures within the State Senate for office renovations were raised.

Members of the Political Awareness Club traveled to Lansing on Tuesday, April 23, for a visit to the State Capitol. Sen. Fitzgerald guided them on a tour of the building and the students visited the floors of both houses and Governor William Milliken's office.

On Thursday, May 1, members of the junior and senior classes participated in the CBS Citizenship test and heard a presentation by Woods and Shores Municipal Judge J. Patrick Denis.

Judge Denis spoke on the workings of city government and its role within the United States.

### U-M Students Earn Honors

Among some 6,000 University of Michigan students who were recognized at the university's 52nd annual Honors Convocation last month were 104 Pointers. They all received class honors recognizing an under-graduate record equal to at least half A's and half B's for two terms during 1974.

### Man Accepted Under Drug Law

A 22-year-old Detroit man, who was charged with possession of phenylethylamine, (PCP), a large animal tranquilizer, was accepted under Section 47 of the Controlled Substances Law and Rules of the State, reported the Youth Service Division.

This section is open for those who have not had previous convictions for narcotic arrests, police said.

Kevin James Brace, of 10131 Grayton, was placed on two year's probation and assessed court costs of \$150 at his Wayne County Circuit Court sentencing Tuesday, April 29, stemming from an incident in January.

At that time he was arrested after an auto chase, taken to the station where he escaped from a departmental conference room and was subsequently arrested again.

He was charged with two misdemeanors, driving on a suspended license and escaping from custody, but these were dropped in favor of violation of the Controlled Substances Act, a felony, police said.

Ambition and ability equip any man for working wonders.

### Africa Comes to Memorial

South and East Africa will be featured Wednesday and Thursday nights, May 28 and May 29, at 8:15 in this new, all-color film showing the physical majesty and richness of the continent and the fascinating interplay of its animal life at the Grosse Pointe War Memorial.

The film begins in Cape town, South Africa, tours the famous diamond and gold mines near Johannesburg, shows the grandeur of Victoria Falls, the primitive village life and handicraft and dances of Zambia, then turns to the magnificent game lands of East Africa.

Some of the greatest animal life in the world is shown in visits to Lake Manyara, Ngorongoro Crater and the Amboseli and Serengeti plains. Snow-capped Kilimanjaro is climbed and Murchison Falls, with its game reserve of crocodiles and hippopotami, is photographed.

Finally, the differences in African life, from the pygmies of the rain forests to the natives of Uganda to modern Nairobi to Mombasa, with its old Arab and Indian ways, are shown.

These George Pierrot Grosse Pointe Adventure Series at the Memorial are open to the public. Dinner is served at 7 p.m. in the Crystal Ballroom overlooking the

### Vandals Strike Stores in City

Vandals riddled the front door and front window of Schettler Drug, 337 Fisher road, with 28 pellets, believed fired from a slingshot, City police report.

The pellets, varying in size from slightly larger than a B-B to slightly larger than a marble, left 28 holes in the windows. The glass did not shatter.

The incident took place Monday, May 12, about 4:15 a.m., and City police Lt. Robert Van Tiem theorized that a number of people may have been involved because of the rapidity with which the vandalism was carried out.

The Arrangement, a flower shop and boutique next door to Schettler's, was also struck with two pellets, leaving two holes in its front door glass. Damage estimates for either establishment were not available.

Lt. Van Tiem said later that he wanted to point out that a slingshot is considered a lethal weapon, and that if the vandals are apprehended, they could be charged with concealing a lethal weapon, as well as malicious destruction of property.

### TO STUDY STANDARDS

The Woods Council unanimously referred conceptual standards on which to base a multiple housing ordinance revision, submitted by the Planning Commission, to the Committee of the Whole for further study. This action was taken at the regular meeting Monday, May 5.

### Beautification Month Cited

The five-week period beginning Sunday, May 18, through Saturday, June 21, is "Beautification Month" in The Woods after the council unanimously authorized Mayor Benjamin W. Pinkos to issue a proclamation at the regular meeting Monday, May 5.

In a related matter, the council also unanimously appointed Margaret Carlson to the city's Beautification Commission for the term ending January 1, 1976. The group now has a total of 14 members.

Jesse R. Lowther, commission vice-chairman, asked the council for such a proclamation. In a letter to the council he said it's the group's objective "to make everyone more aware of the need for individual and collective efforts to truly establish a veritable profusion of highly visible beauty for everyone to enjoy."

To succeed in this area, he stated the commission solicits all Woods residents and mercantile establishments to join in the spirit of "Beautification Month" to make "our beautiful city more beautiful yet."

Chicks Hatch At Richard

After 21 long days of waiting, watching and turning eggs, the kindergartners in Mrs. Dorothy Kennel's classes at Richard School finally witnessed the hatching of 13 baby chicks.

Fertile eggs were placed in a home-made incubator and the waiting began.

When school is dismissed in June the chicks will be taken to the Kentucky farm of Ollie Baker, engineer at Richard School.

Because of this, the children now refer to the chicks as a "Baker's Dozen."

## One View from the Capitol

By William Bryant

Recently, I wrote about my belief that a revolution to the right may be building. I suppose someone who is a liberal at the far left may also feel revolutionary rumblings but on the left instead of the right.

Either way, the central point is that an incredibly high percentage of people are fed up with the actions of their governments, at least their federal and state governments.

Unless government, and that includes the people in government in all branches as well as that intangible inertia which makes government continue, can and does change and become more in tune with the people it purports to serve, then the amount of support may erode to an explosive level.

Fully 59 percent of voters call themselves "conservative" and yet the traditionally more conservative of the two major parties can only claim about 20 percent of voters.

**INCOME TAX TIME**

They say an unloaded gun is harmless, but at this time of year a great many people get hurt by a blank.

willing to say they are of that party.

And in spite of a majority calling themselves conservative, both the Presidency and the Congress appear more central government oriented than ever before. How else would they accept deficit spending on the order of \$100 billion?

For those in government to have a chance to do what the people want, the people must make themselves heard. The guts of a Democratic government, whether a Democracy or Republic, is an informed and aware citizenry participating daily in providing constructive and meaningful input to their government at all levels. Such participation is absolutely essential.

Many adults criticize young people for "dropping out," but adults are doing the same thing with an apathy born of frustration.

It cannot continue, because if it does then we have no one to blame but ourselves, and none of us wants to have to tell our children and grandchildren the American experiment died because no one cared.

## Letters to the Editor

Dear Sir:

As a follow-up to the comedy of errors in your April 17 issue (when you had our friends Mike Keegan and Jamie Champion playing Mr. and Mrs. Gilbreth in the Grosse Pointe Children's Theater production of CHEAPER BY THE DOZEN) comes the next week's minilooper and on the front page, too!

In describing the events of a breaking and entering on Nottingham road, you use as stunning an example of what we teachers of English call a "squinting modifier" as any pedantic grammarian could ever hope to find in his chamber of linguistic horrors.

What you wrote went as follows and was punctuated this way, too:

"Lt. Duncan said after being frightened away from the Nottingham home, the duo returned a short time later to break into the house in Beaconsfield."

Thus, "after being frightened away from the Nottingham home," is the squinting modifier, sometimes called a "misplaced modifier." Especially with the comma, one would have to conclude that it was Lt. Duncan that was frightened away, not the two crooks. Even without the comma the phrase still "squints," that is, is capable of being construed as referring either to "Lt. Duncan" or "the duo."

I'm sure, however, that Lt. Duncan has suffered no irreparable damage to his reputation from this Janus-like phrasing. He's probably amused.

As for all this unsolicited instruction from me, there's no tuition charge. I'm just so fond of squinting modifiers that I share them freely.

Amiably,  
John Conley,  
Three Mile drive

interest your editorial "An Ugly Comparison." Your point is well taken.

There is yet another area of clutter, litter, dirt and filth in the Grosse Pointes.

Every morning and evening, dog owners walk and drive their animals to the local playgrounds to relieve their pets. A child cannot step off the sidewalk around Elworthy Field or Maire School without taking the filth with him. Most of these dogs are pedigreed. Their masters obviously are not.

It seems that it is time for the community to let these inconsiderate individuals know that their actions cannot be tolerated. The Pointe police forces might occasionally spot check and ticket. We as residents will continue to request consideration from these people.

I, a housewife, will gladly supply bags to owners who are "caught short" so they may bury the problem in their own backyards.

Sincerely,  
Virginia M. Joliet

## SHS Netters Up EML Mark

By Rick Thomas

Evening their overall record to 4-4, but raising their Eastern Michigan League (EML), record to 4-1, South High School varsity netters split matches with Ann Arbor Pioneer and East Detroit in tennis action last week.

South's loss was to Ann Arbor Pioneer, 6-1, on Wednesday, May 7. The only winner for the Devils was the doubles team of Dave Webster and Paul Caruso.

The next day, May 8, South defeated East Detroit, 5-2. Ron Scherer and Paul Caruso won in singles, while the doubles teams of Craig Feringa and Bob Kabeary, Max McKee and Raoul Weiller and Webster and George McMullen also won.

On Friday-Saturday, May 9-10, South participated in the EML Tournament. The Devils finished a close second with 13 points, just behind Port Huron who took first with 14 points.

Highlights of the tournament for South included the nomination of the doubles teams of McKee and Weiller, and Webster and McMullen, as they won three points each for South by winning their final matches.

Other entries for South were Scherer and Caruso who each won two points in singles competition. Mike Buck also won one point for South in singles. The doubles team of Feringa and Kabeary won two points.

Today, May 15, the Devils take on Port Huron Northern on South's home courts. On Friday-Saturday, May 16-17, the netters compete in the Regional Championship Tournament.

South is expected to go against very heavy competition in the tourney, especially from Port Huron. Final results will be in next week's paper.

## SCS Expected To Okay Rules

An ordinance focusing upon the enforcement of rules and regulations governing Lake Front Park which The Woods Council unanimously agreed to submit to St. Clair Shores solons for its consideration will probably by approved sometime this summer, said SCS City Manager Donald J. Harm last week.

The measure, which regulates conduct in privately owned parks, i.e. The Woods' Lake Front Park, was approved in February for submission to SCS.

The necessity for this proposal centers upon the overall problem of the enforcement of rules and regulations at the park, which is located in SCS and not in The Woods. Ensuing jurisdictional complications flow from this.

Approval of the ordinance by The SCS Council would give Woods recreation personnel a new set of "teeth" on the enforcement front.

## What Goes On at Your Library

By Arthur M. Woodford  
Chief of Central Library

We have finally made it to spring, and spring means the beginning of another baseball season. Spring and a new baseball season also mean new books about our national pastime, so here is a sample of new baseball titles recently ordered by your libraries.

A walloping book that goes out of the park like a Mantle homer, DYNASTY: THE NEW YORK YANKEES, 1949-1964 (Prentice-Hall) by Peter Golenbock, is surely "the" book on the great Yankee era. Sports writer Golenbock was close to the team in its championship years, (14 AL pennants in 16 seasons), when the cry everywhere but New York was "break up the Yankees." He recreates the story of the "dynasty" with the kind of baseball lust and know-how and inside stories that didn't make the sports pages when it was all happening. Here are portraits of the legendary in their prime — DiMaggio, Stengel, Mantle, Berra, Ford and the others. Golenbock's as nitty-gritty as one of the players, Jim Bouton, was in his BALL FOUR. From more than 300 hours of interviews he weaves into his lively recreation of those great years some interviews with now retired Yankees, great and near-great. His yarn of the famed "harmonic" brawl on the team bus between Yogi Berra and Phil Ting reads like something out of TV's "M\*A\*S\*H." This is a fun book to read.

A book that should have considerably more local interest than the Golenbock book, but unfortunately one that is not as well written, is NOBODY'S PERFECT (Dial) by Denny McLain with Dave Diles. As many readers will remember, after two sensational years (who could ever forget that '68 season), in which he won 55 games, Detroit Tiger pitcher Denny McLain had nothing but trouble. He was suspended for consorting with gamblers, his arm went bad, he had financial troubles. From Golden Boy he went first to "enfant terrible," then to bum. This book chronicles his rise and fall. It is transcribed from tapes, but local sportscaster Dave Diles has not done the best job of editing. At times the text rambles, backtracks and repeats itself. However, a lot of the material is so candid and even sensational that the book undeniably has its moments. For most readers, McLain's confessions on his gambling and extramarital adventures will be less provocative than his frank assessments of various players and managers from Mickey Lolich to Ted Williams.

Another book about one of baseball's famous characters is CHARLIE O: THE BASEBALL ESTABLISHMENT vs. CHARLES O. FINLEY (Bobbs-Merrill) by Herbert Michelson. Michelson's work is an attempt to capture the essence of Finley as a person. Though there is a lot of baseball here, the book considers Finley's careers as baseball, basketball and hockey club owner largely from the standpoint of what they show about him. Michelson is thorough and fair to the controversial tycoon. We get the poorboy background, the work in the steel mills, the siege of TB.

## Sheriffs View Boating Season

Faced with controlling nearly 100,000 registered boaters this season, the nine-man marine division of the Wayne County Sheriff's Department is hoping it won't be a busy summer.

"Not only do we have jurisdiction over nearly 67 miles of Wayne County coast line, but we also extend into both Macomb and Monroe Counties as well," said Sgt. Fred Riemer as he toiled up the twin 250's of the largest and newest craft in the Marine Division fleet — a 28-foot Seabird.

"The county presently operates five craft, two in Belleville Lake, one near Grosse Pointe, one at the Wyandotte Yacht Club and this one in Gibraltar," Sgt. Riemer stated.

The 100,000 registered boats, Deputy Gerald Boyne put in, "does not even include hundreds of smaller craft that we must check to make certain they carry proper life vests and other equipment."

All deputies assigned to the Marine Division are certified scuba divers, and are responsible for the three-times-a-week cleaning and maintenance of each of the county's boats.

The new boat, which has a value of \$20,000, is considerably faster than the 18-foot craft it replaced. It was especially made to the Sheriff Department's specifications by a Florida company last year.

The boat is equipped with VHF-FM radios which will incorporate all downriver police department frequencies and the Sheriff's county-wide communications network.

According to Under Sheriff Loren Pittman, the craft also contains a Sonar depth sounder recorder, first-aid equipment, a firefighting pump, modern lifesaving devices, fire extinguishers, emergency tools, emergency flare gun, life jackets, a Flynn oxygen ventilator and a 25,000 candle power searchlight.

Sgt. Riemer added, "It could be a long, hot summer. We've already had a double drowning, three search and rescues, a personal injury and an airplane crash that claimed three lives and injured a fourth—and the season has just begun," he sighed.

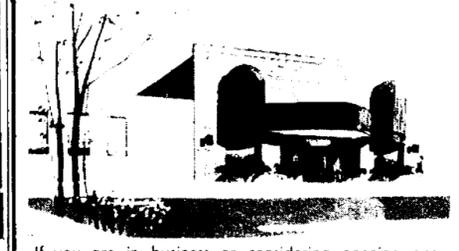

## Mozart Fest Set at Center

WOMEN'S PAGES

## From Another Pointe of View

By Janet Mueller

## Short and to The Pointe

Western Michigan University senior NANCY J. DIEHL, daughter of MR. and MRS. ROBERT DIEHL, of Buckingham road, has been named recipient of the Arden J. Elsass Memorial Scholarship in Political Science established by the Kalamazoo League of Women Voters. Nancy, a Political Science major with a minor in General Business who compiled straight A grades in her first seven semesters at WMU, plans to enroll in Wayne State University Law School and specialize in Criminal Law. At WMU her campus activities include presidency of Mortar Board, the women's national academic honors society; presidency of the student Forensics Club, membership on the debate team and Student Judiciary committee and vice-presidency of the Pre-Law Society. She has been a delegate to the Emergency Youth Convention in Chicago, has campaigned for political candidates in Detroit and Kalamazoo and has organized recreational softball teams for girls in Grosse Pointe Park.

TERRANCE LYNN ALBRECHT, daughter of the WILLIAM H. ALBRECHTS, of Buckingham road, has been accepted as a Doctoral candidate in the Department of Communication at Michigan State University. Terrance, graduated in 1971 from Grosse Pointe South High School, completed her Bachelor's degree in three years and will receive her Masters degree in Organizational Communication and Industrial Relations from MSU this June. Her Doctoral studies concentration will be in Organizational Development and Systems Analysis; her funding will come from a dual assistantship in undergraduate teaching and research. She was named one of MSU's 50 outstanding graduating seniors of 1974 and honored as one of 50 outstanding senior women in 1974, served as an administration reporter for the Michigan State News and was a research aide on the staff of the Speaker of the State House of Representatives. She is a member of Delta

## Good Earth Walking Tours Set Sunday

Examining one of the trees on the Rose Terrace property with MRS. RAYMOND LOCKHART, (center), who'll be one of the guides for this Sunday's Good Earth Walking Tours of Rose Terrace and the Old Newberry Estate, are MRS. DONALD G. BLAIN, (left), and MRS. WILLIAM KLINGBEIL. All three are members of the committee which planned this year's Environmental Action Now

Delta Delta, Sigma Delta Chi and Women in Communication social and professional fraternities.

Observing their 60th wedding anniversary April 18 at a family gathering in their Balfour road home were MR. and MRS. PETER LETO, Grosse Pointe Park residents since 1926. A priest from Saint Ambrose where the Letos have been parishioners since they first made their home in The Pointe celebrated a mass preceding the reunion reception. The Letos raised four children: MRS. JAMES BOLOGNA, a former Balfour road resident, MRS. GRACE TOCCO, of Lakepointe avenue, LARRY LETO, of Yorkshire road, and NICK J. LETO, of Three Mile drive. They have 16 grandchildren and 11 great-grandchildren. Mr. Leto, who celebrated his 87th birthday April 3, has one sister, GRACE, who resides in East Outer drive, Detroit. Mrs. Leto, 83 on her last birthday, has a 91-year-old surviving sister living in Italy. Mr. Leto and his two brothers, GAETANO and VITO, who founded Leto Building Company in 1911, built the three

identical yellow brick homes in Balfour road between Jefferson and St. Paul avenues.

MR. and MRS. EARL W. KELLER, who recently moved to Scottsdale, Ariz., from St. Clair Shores, were greeted with visitors this Easter season, seniors at Austin Catholic Preparatory School

and Our Lady Star of the Sea High School including RICHARD DENEWETH, of Apita avenue, THOMAS PALAZZO, of Lakeshore road, WILLIAM FAUSONE, of Yorktown road, DUANE JELLEY, of Roseville, DEBBY DEYONKER of Oxford road, and the Kellers' son CRAIG, also of Roseville.

## Pointe Symphony Women Plan Tea

Mrs. Troy Maschmeyer Will Open Her Renaud Road Home for Annual Spring Party Honoring Outgoing Officers and Committee Chairmen

A gardenscape framed by Japanese cherry blossoms is what Mrs. Troy Maschmeyer has in mind for this year's Grosse Pointe Symphony Women's Committee's Spring Tea. The big IF, of course, is whether the trees will burst into bloom and hold until the date of the party: Monday, May 19.

It was last September that Mrs. Maschmeyer offered her Renaud road home to chairman Mrs. William H. Bredeson for the annual party honoring outgoing officers and committee chairmen of the Pointe Symphony Women's group—and nobody was worrying then about the vagaries of Michigan's '75 spring. Rain and cold have since thrown off the cherry trees' timetable, so committee members are keeping their fingers crossed until the 2 o'clock starting time of the tea.

In the meantime, all other systems are go. Mrs. Bredeson held only one planning session for the party: a coffee meeting Friday, April 25, at the Bedford road home of Mrs. Michel Skaff.

Mrs. Winfield S. Jewell, Jr., has lined up an expert group of tea and coffee pourers including chairman Mrs. William G. Self, Mrs. William O. Bradley, Jr., Mrs. J. Ross Bush, Mrs. Sterling S. Sanford, Mrs. Robert L. Kaiser.

While in Arizona the group visited the Grand Canyon, the Petrified Forest and the Painted Desert. They also visited Mexico. (Continued on Page 23)

Mrs. Thomas V. LoCicero, Mrs. Arnold W. Lungenhausen, Mrs. Pierre V. Heftler, Mrs. John W. Nelson, Mrs. Waldo E. Fellows and Mrs. Walter Schweikart, at whose Windmill Pointe drive home last year's Spring Tea was held.

Assisting hostesses, identifiable by badges handed to them by Mrs. Elden C. Baumgarten, will be Mrs. J. C. Hurley, Mrs. Carl Johnson, Mrs. Carl M. Weideman, Mrs. Skaff, Mrs. Robert F. Weber, Mrs. Frank Perkin and Mrs. Ray W. Macdonald, who is also in charge of reservations.

Mrs. Maschmeyer's daughter, Mrs. Douglas Cooke, and her sister-in-law, Mrs. William McCreery, will appear in the roles of unofficial hostesses, helping to steer guests from the blue and white dining room to the family room overlooking the gardens and swimming pool.

The Grosse Pointe Symphony Women's Committee officially winds up its year Wednesday, June 4, with its annual meeting and luncheon. Place is the Country Club of Detroit, where an 11 o'clock business session will be followed by a cocktail hour and luncheon during which new officers will be introduced to the membership.

## Flowers for Pointe Symphony Women

MRS. TROY MASCHMEYER, (center), was especially interested in centerpiece flowers when she met with MRS. WILLIAM G. SELF, (left), and MRS. WILLIAM H. BUNDESON at the Grosse Pointe Florists' greenhouse recently. The three VIP's are planning the traditional Spring Tea honoring outgoing officers and committee chairmen of the Grosse Pointe Symphony Women's Committee. Mrs. Maschmeyer will open her Renaud road home for the fete next Monday, May 19, from 2 until 4 o'clock.

## Spring Sing for Harmonie

Harmonie Chorus' traditional Maytime concert dinner-dance to be presented at the Harmonie Club house this Saturday, May 17, will feature songs of spring and music from Broadway.

Decor simulating bouquets of spring flowers is planned around a Maypole theme.

The evening begins with cocktails and hors d'oeuvres at 6:30 o'clock. Dinner is set for 7. Curtain rises on the concert promptly at 8:30 o'clock.

At the conclusion of the program members and guests will join briefly in an old-fashioned "sing-along" before the dancing afterglow begins at 9:30 o'clock.

Musical director Kris Dorjath, accompanied by Pointer Christine Schlorff, will conduct the concert chorus.

Pointers among the party will include Mr. and Mrs. Allan V. Cooke, Mr. and Mrs. Leonhard Bantleon, Mr. and Mrs. Clark A. Beard, Mr. and Mrs. Val Carlson, Mr. and Mrs. Eugene Kirsammer, Mr. and Mrs. Jacob G. Kauccheck, Mrs. Robert Kennedy and her daughter Colleen, Mr. and Mrs. Henry R. Gilbert, Mr. and Mrs. C. J. DR. BENJAMIN M. LEWIS, of Sunningdale drive, Wayne State University School of Medicine professor of Internal Medicine, has received a \$6,900 grant from the Michigan Heart Association to study changes in pulmonary tissue volume in cardiac failure.

## New Offerings For ULS Fair

This year the University Liggett Fair, (formerly Carnival), will have many new events to complement regular big rides and games.

For the first time the Fair will feature a "Little Eastern Market." This concession offers a variety of fruits, vegetables, hanging baskets, potted plants—even a special geranium fertilizer.

Also new this year is a Flea Market, stocked from attics and basements of ULS parents and alumni.

The Fair will be held Friday, June 6, from 4 to 10 o'clock, and Saturday, June 7, from 10 to 10 at University Liggett's Cook Road campus.

## Josiah Harmar DAR Plans Tasters' Party

"Tasters' Party," the May meeting of the General Josiah Harmar Chapter Daughters of the American Revolution, is scheduled for this Saturday, May 17, at the Berkeley home of Mrs. John S. Buchanan.

Members will bring their favorite dishes to "taste" along with grandmother's cooking utensils and recipes.

Reports from the DAR Continental Congress held in Washington in April will complete the afternoon meeting.

Co-hostesses are Miss Dorothy Lewis, Mrs. Joseph Schmidt and Mrs. Bruce Keister.

## Garden Club Aimed At Working Women

The May meeting of The Only Garden Club for Women Who Work was held at the Devonshire road home of Deborah Miller at 8 o'clock Tuesday evening, May 13.

The group of married and unmarried working women discussed organic gardening and made plans to visit Eastern Market on Garden Day. Monday's meeting also included discussion of the establishment of a team gar-

dening system whereby members can help each other with garden chores either too large for one person or boring when done alone.

Team gardening offers members a chance to see other gardens and garden practices close-up, as well as learning such new skills as building a rock garden.

More information may be obtained by contacting Susan J. Baude, 824-0983.

## August Bride

Dr. and Mrs. Donald N. Sweeney, Jr., of Three Mile drive, have announced the engagement of their daughter SHARON to John S. Snyder, of New York City, son of Mr. and Mrs. W. Howard T. Snyder, of Hillcrest road.

Miss Sweeney was graduated from Wellesley College and received a Masters degree in History from the University of Michigan. She is presently teaching history at Kingswood School, Cranbrook.

Her fiance was graduated from Hamilton College and received a Masters degree in Business Administration from the University of Pennsylvania's Wharton School. He is currently a Portfolio Manager in the Trust Department of Chemical Bank in New York City.

An August 2 wedding is planned.

## 'Hope Goes Ascot' for Ball This Year

Taking its theme from the famous "My Fair Lady" racing scene, the Women's Division of Project Hope will "Go Ascot" for its annual ball this year. Party setting will be the elegant Vendome road home of Mr. and Mrs. George Simon, (that's PENNY SIMON seated, second from left), where BOB WYATT, (holding a trio of the whippets to be presented in an exhibition during the evening), will create a black-and-white decor in turn-of-the-century Ascot style. Twenty hosts will appear in grey morning suits, ascots and top hats, twenty hostesses including MRS. FRANK GERMACK, JR., (seated, left), in charge of reservations, and race chairman MRS. JEROME JOHANNIGMAN, (standing, with her hand on Bob's arm), in black-and-white Ascot frocks. Mrs. Simon will wear a copy of the dress and hat worn by Audrey Hepburn in the "My Fair Lady" film. There'll be entertainment, dinner under tents set up in the garden, and dancing. Reservations for the Saturday, May 31, ball are limited—to 400 guests, of course.

## Geranium Fete For Goodwill

The Women's Association of Goodwill Industries held its traditional Geranium Luncheon Wednesday, May 14, at noon in the Goodwill Building, Brush street near East Grand boulevard. Guest speaker was Carolyn Novak Seefeldt, director of Social Work at the Northville State Hospital. Members were asked to bring photographs of their own mothers taken during the member's childhood, and if possible to dress in a manner which would have been appropriate for a club meeting during those years. Mrs. Seefeldt was asked to speak on the theme "I Remember Mamma" as a salute to the mothers represented. Mrs. Seefeldt's mother, the late Mrs. C. M. Novak, was president of the Detroit Federation of Women's Clubs from 1920 to 1922.

Following the luncheon and program, 1975-76 Women's Association officers were installed. President is Mrs. R. S. Garypie, Vice-presidents are Mrs. William Schneider, Mrs. Dewey Law and Mrs. Verlie Morton. Recording secretary is Mrs. Herman C. Roscoe, corresponding secretary is Mrs. Zeldia M. Wellons, treasurer is Mrs. Elroy Schiefele and membership secretary is Mrs. Claud L. Stevens. Mrs. George W. (Anne Campbell) Stark was installed as the organization's first honorary president. Mrs. Stark has served as recording secretary for more than 14 years. Membership in the Women's Association is open to any persons interested in providing vocational training and employment for handicapped people. Attendance at meetings is open to the public. Courtesy parking is available in the lot adjacent to the Goodwill Building.

DONALD DUNGAN, of Lochmoor boulevard, a Grosse Pointe North High School teacher, recently received the Army Commendation Medal for his outstanding performance as Economic Officer for the 309th Civil Affairs Group from 1968 to 1974.

## AAUW Groups Wind Up Year

The Grosse Pointe Branch of the American Association of University Women will conclude its current season activities with final study group meetings in May and early June.

The Book Group gathers at the Harcourt road home of Gladys Gies Monday afternoon, May 19. Joyce Edwards will review "At the Drop of a Veil" by Marianne Alegira. The book details the humorous and terrifying experiences of an American girl who becomes the bride of a rich and prominent Saudi Arabian.

The Folk Music Plus finale Monday evening, May 19, is an evening of sing-along and request numbers. Hostess for the guitar players' gathering will be Alma Cook, of Wedgewood road.

"Centennial" by James Michener and the reading schedule for the 1975-76 season will be topics for the Book Discussion Group Tuesday, May 20, at the Neff road home of Dorothy Jossman.

Stitchery II members gather Wednesday morning, May 21, at the home of Sherry Meulebrouck in North Renaud road. Candy DiMaggio will discuss ideas presented at the American Embroiderers' Guild Conference on Creative Stitchery, Liberated Canvas and Three-Dimensional Rug Hooking.

Play Reading Group's final selection of the season is "A Doll's House" by Henrik Ibsen. Eileen Chapman, of Yorkshire road, will be hostess for the Thursday, May 22, gathering.

Contemporary Literature Group's Tuesday, May 27, meeting will feature a potluck picnic supper and literary smorgasbord, members sharing samples of their favorite authors' works.

Kaleidoscope reviews a variety of topics from past programs Tuesday morning, June 3. Hostess is Mary Leech of Hampton road.

Stitchery I members will continue work on current needlepoint projects at a

## Catholic Women Hold Annual Day Meeting

The Council of Catholic Women, Archdiocese of Detroit, invited all parish women to participate in its 1975 Annual Day Meeting last Wednesday, May 14, at the Sheraton Cadillac Hotel. Theme was "Year of the Woman." Principal speaker was Marilyn Jean Kelly, practicing attorney, former teacher and professor, president of the Michigan State Board of Education for 1975-76.

## P.E.O. to Hold State Meeting

Delegates from Michigan's 121 P.E.O. chapters, including Pointer Beatrice June Gill, will gather May 21 through 23 at Aquinas College, Grand Rapids, for their 56th annual State P.E.O. convention. Mrs. R. H. Bodine, state president, will preside.

A dinner honoring past state presidents will be held Wednesday evening, May 21. Dr. Louis Haselmayer, president of Iowa Wesleyan College where P.E.O. was founded, will discuss "Your P.E.O. Heritage."

P.E.O.'s will be joined Thursday evening by their husbands for a banquet at which Bishop Dwight E. Loder, who came to Michigan in 1964 after serving as president of Garrett Theological Seminary and currently serves as president of the Council of United Methodist Bishops, will speak.

The convention's guest of honor will be Mrs. H. W. Busch, first vice-president of the Supreme P.E.O. Chapter. P.E.O. is a philanthropic and educational organization interested in bringing greater opportunities for higher education to women. Its more than 186,000 members in the

United States and Canada support four philanthropies.

The P.E.O. Educational Fund, a revolving loan established in 1907, has provided more than \$10,000,000 to over 18,000 women pursuing post-high school studies.

Cotley Junior College for Women in Nevada, Mo., is a fully-accredited liberal arts school. Owned and supported by P.E.O. since 1927, its program is designed to prepare students to transfer to four-year colleges.

The International Peace Scholarship program has granted \$2 million in scholarships to foreign students wishing to pursue graduate studies in the United States or Canada. Presently, there are 121 students from 43 countries using IPS funds.

Participants in this program are required to return to their homelands to share their skills and experiences with their countrymen.

The Program for Continuing Education was established in 1973 to provide grants to women for purposeful educational goals. Scholarships, awarded on the basis of need and merit, have already helped 200 women.

## Miss Bramble To Be Bride

Plans for an August 16 wedding are being made by Rachel Margaret Bramble and Peter Stafford Nicholls, of New York City, whose engagement has been announced by her parents, Mr. and Mrs. Dell J. Bramble, of Cadieux road. The ceremony will take place in Christ Church, Grosse Pointe.

Mr. Nicholls is the son of Mr. and Mrs. Allan L. Nicholls, of New York City.

## To Honor 25-Year Providence Nurses

Providence Hospital Nurses Alumnae Association will honor its 25th Anniversary Class Sunday, May 18, with Sister Catherine O'Connor speaking at an 11:30 o'clock brunch at Stouffers Northland following 10 o'clock mass celebrated in the Hospital Chapel.

Reservations with checks for \$5.50 payable to the PHNAA were accepted by Jean Reincke Choates of Mortenson boulevard, Berkeley, (544-7851), through Saturday, May 10.

## Pair Planning August Rites

Mr. and Mrs. D. A. Vailanourt, of Mokenca, Ill., are announcing the engagement of their daughter, Cindy, to Robert F. Zurschmiede, son of Mr. and Mrs. W. Tom Zurschmiede, Jr., of Touraine road.

The wedding is scheduled for August, in Indianapolis, Ind.

## Prelude To A Bicentennial

No wonder Sunday drivers passing by the entrance to the Ranger Estate a few weekends ago were doing double takes... for Yes, Virginia: that WAS a young gentleman in a peruke, and knee britches, and a satin coat, ringing a hand bell at the gate... Shades of 1776!

Precisely. Occasion was a press party, courtesy of Mrs. Florence Sisman, for "Prelude to a Bicentennial," the joint Hope Ship League-Friends of Belle Isle fund-raiser scheduled for Sunday, June 29, in the Fisher Building's Grand Lobby.

It will be a dinner party-PLUS. Plus what? Plus everything-you-can-think-of... all for \$17.76 per person.

## Peek At The New Bon Secours

Know what I REALLY liked about that recent Friday evening preview of Bon Secours Hospital's new facilities?

Well, I liked the champagne, of course, (I've never been one to turn down a glass of champagne), and the hors d'oeuvres were very good, (food's another thing I don't generally say "no" to), and I enjoyed seeing several people I hadn't seen for a while...

But what I REALLY liked was the way Bon Secours ran the tours, taking people through in small groups, issuing them gowns and caps and masks and booties so they could go right into the new operating rooms and other sterile areas.

It was just like being on Daytime TV—"The Doctors," say, or "General Hospital"... and I absolutely ate it up! One question, though, for the real doctors and nurses and technicians: do you ever get used to breathing through those horrid, hot hospital masks?

## May Mart is On Today

Over at Fries Auditorium today, from 10 until 4 o'clock, the Goodwill Juniors are presenting their May Mart, culmination of two years' handiwork.

If you get a chance, drop by and browse among the hundreds of specialty items comprising this boutique sale. If you can browse without buying, when you see just how "special" these specialty items are, you can count yourself a better woman than I am...

Committee chairmen who've worked on the Mart include Mrs. Bill O. Brink, of Edgemere road, Mrs. Robert E. Dice, of Sunset lane, Mrs. Sheldon L. Drennan, of Lakecrest lane, Mrs. Richard Fern-

## End Pear Tree Season Today

The Pear Tree Chapter of Questers will close its season today, Thursday, May 15, with a luncheon at the Rivard boulevard home of Mrs. Oscar Teeg. A short business session has been scheduled for 11 o'clock.

Chapter officers for the coming year include Mrs. Frederick Wicklund, president, Miss Wanda Lee, vice-president, Mrs. Fred Kilgus, secretary, Mrs. M. R. Lahey, treasurer, and Mrs. John Crane, historian.

## Delta Gamma Alumnae Finish Year at Party

Grosse Pointe Alumnae of Delta Gamma concluded their year with a cocktail-buffet at the Glen Arbor lane home of Gene and Louise Fry last Friday, May 9.

The Association has installed officers for 1975-76. President is Mrs. Gary Cowan, vice-president is Mrs. Leonard Smith and treasurer is Mrs. James Tracy.

Corresponding secretary is Mrs. John Osler, recording secretary is Mrs. George Belanger, recommendations chairman is Mrs. Thomas Coulter and Panhellenic representative is Mrs. Maynard Glock. Anchora and publicity chairman is Mrs. Milton Rueger.

After the installation at their April meeting, Deltas Gammans enjoyed luncheon and a tour of the special exhibit at the Detroit Institute of Arts.

## Set American Legion Auxiliary 303 Meeting

The American Legion Auxiliary Grosse Pointe Unit No. 303 will gather at American Legion Grosse Pointe Post 303 Hall in Mack avenue at 6:30 o'clock Sunday, May 18, for a potluck dinner.

Mrs. Harold M. Cable, president, will officiate at the annual meeting. Yearly reports will be given by officers and committee chairmen. Nominations and the election of 1975-76 officers will follow.

## Dinner to End Alliance Year

After a very hectic and brilliant season, the Alliance Francaise de Grosse Pointe is getting ready to take a summer rest while the 1975-76 season is being prepared.

Alliance members will end their year at the traditional Diner de Cloture, to be held Friday, May 23, at the Grosse Pointe War Memorial. An authentic French-style dinner will be served.

French Consul General and Mme. Jacques Dircks Dilly will be guests of honor. M. Dircks Dilly will speak at the banquet.

Elisabeth Baumgartner, recipient of the Pointe Alliance's Paris Scholarship, will be presented to the audience prior to her imminent departure for France.

Members of the Alliance as well as their friends are most welcome. Reservations close this Saturday, May 17. Checks for \$12.50 per person must be sent to Mrs. Suzanne Sillery, 460 Lakeland avenue, Grosse Pointe, Michigan, 48230. Further information may be obtained by contacting Mrs. Sillery at 882-1080.

## DBC Schedules Day in Japan

"Fuji and Friends" — or Summer on a Tatami — by Mrs. Robert G. Dalton will be entertainment for the Wednesday, May 21, Detroit Boat Club Women's Committee luncheon.

Mrs. Dalton spent last summer in Toyota, Detroit's sister city, living with a Japa-

nese family and savoring the atmosphere of the country. She also traveled extensively.

Chairmen of the day are the Mesdames Dan Lyons and Richard Spencer, assisted by the Mesdames George Renaud, Stanley Smith and Frank Collyer.

### To End Scandinavian Symphony's Season

The Scandinavian Symphony Orchestra's final concert of the 1974-75 season under the direction of Valter Poole is scheduled for this Saturday, May 17, at 8:20 o'clock in Southfield High School Auditorium.

It will feature a return engagement by Nancy Sue Whitson and her Classical Arts Ballet Company, with guest artist Richard Newman. Since May 17 is Norwegian Independence Day, Miss Whitson has choreographed excerpts from Norwegian composer Grieg's "Peer Gynt Suite II" for presentation.

The concert concludes with the traditional season-ending Scandinavian Country Flag Ceremony.

### Alpha Xi Deltas Slate Last Meeting of Year

The Grosse Pointe Chapter of Alpha Xi Delta will hold its last business meeting of the year in the St. Clair Shores home of Mrs. Robert Baker next Monday, May 19, at 7:30 o'clock.

Co-hostesses for the evening are Mrs. John Rasch and Joan Convertini.

Mrs. Maurice Strong, of Beaconsfield avenue, will be honored as Outstanding Alumna of the Phi Province.

Mrs. Strong recently received the Edna Epperson Brinkman Award at the Province convention in Mount Clemens. This award is given to the alumna who has distinguished herself by service both to her sorority and her community.

Mrs. Strong also received the Order of the Rose for her 50th year of membership in Alpha Xi Delta.

In June area Alpha Xi Deltas will picnic and party at the Buckingham road home of Mrs. Ronald Launs.

## Orpheus Club Concert to Celebrate 75 Years

The Orpheus Club of Detroit will celebrate 75 musical years Friday, May 16, via a special commemorative concert sung for associate members and friends at 8:30 o'clock in the Scottish Rite Auditorium of Detroit's Masonic Temple.

The program is divided into two sections, the first containing three groups of songs by classical and modern composers including two works by former conductors of the Club, "Bow Down Thine Ear," text from the Psalms, written by conductor emeritus Haydn Morgan, and "Alleluia: Amen" in a Russian liturgical motif, written by the Club's first conductor Samuel Richards Gaines.

Another selection, "The Music of Life" by the famous choral composer Noble Cain, was dedicated to the Orpheus Club of Detroit and first performed by the all-male chorus in 1950.

The second section will feature a nostalgic musical visit to Detroit of the early 1900's, based on material written by Robert Garen of the Detroit Public Library

## Mauriac Film to Be Shown

90 Kercheval On-the-Hill

BY APPOINTMENT PLEASE

THIS MAGNIFICENT five master bedroom home must be seen to appreciate the elegance of English, Tudor living on the water. Looking out to passing boats from around the world and a beautifully landscaped setting from the windows of a oak paneled studio ceiling library is one of the many attributes of this special home.

WE HAVE a new three bedroom colonial that qualifies for a \$2,900 tax rebate and the builder has not raised its price — still \$48,500. With the three bedrooms the house has a full bath and a lav on the main floor, a family room and patio, copper plumbing, thermopane windows and many more features only found in a new home.

TWO BEDROOMS PLUS DEN. A natural fireplace in the living room and in the basement recreation room as well, combine to make this house one that sells quickly. This house on Hampton is priced at \$39,900. Occupancy as closing.

GEORGIAN center hall colonial, which is situated just a few feet from the lake. The two story foyer features a circular staircase from which all the major first floor rooms are gained. In addition to the formal living and dining rooms are a library, a card room with built-in bar and a garden room. There is a master suite plus four other bedrooms, all on the second floor. Take a ride by 21 Renaud it's just off Lake Shore.

TRULY MAGNIFICENT home located in Grosse Pointe Shores only steps from the water's edge. This regal almost new southern colonial features a view of the lake, a master bedroom with natural air conditioning, a den as well as a family room, central air conditioning and landscaping that compliments the elegant home it surrounds. Just reduced to \$149,000.

FOR SOMEONE WHO DOESN'T want to put all his eggs in one basket this story-and-a-half house has so much to offer for the money. The living room has a cathedral ceiling and fieldstone fireplace. There is a first floor bedroom and two more on the second floor. A separate dining room and family room make this a special touch. Hop to it before someone else does.

LIKE A BREATHER of fresh air — you will find this charming four bedroom, colonial home on a new street in the city. This house has an excellent floor plan, slate foyer, a beamed ceiling in the family room with its fireplace and bookcases, a large kitchen with planning center, patio with gas grill and a first floor laundry with a second first floor lavatory.

## Pointer of Interest

MRS. MARSHALL COLLINS, OF BISHOP ROAD

By Janet Mueller

Ruth and Marshall Collins are film watchers, not film makers. Oh, they've been known to take a camera along on trips abroad, to snap a few shots for their own albums, but when it comes to Grosse Pointe Cinema League programs, they're definitely audience.

Nonetheless, for the past year, Grosse Pointe Cinema League's 20th year, Ruth Collins has been League president.

"It just shows," says Ruth, "that anybody can be president of Cinema League, even if they can't click a camera shutter."

Well . . . not quite everybody. It takes a certain talent for organization, and a bit of background within the organization, to successfully head it.

**Learned to Organize** Ruth Collins has both. Mother of six, she's had to learn to organize her time.

The children are pretty much grown up now. Jim, the eldest, is an anesthesiologist in Grand Rapids. He's been practicing for about four years, ever since he finished his tour of duty in Vietnam. Ward, who works for Coca Cola and lives on the other side of town, is married and father of the Collinses' only, (so far), grandchildren: four-year-old twins Ward and Tonya.

Judy, a dental assistant, works in The Pointe. Ellen teaches third grade in Warren Woods. Grant is in graduate school at Yale, in the School of Drama, working toward his Masters degree in Technical Theater Design Production.

Mark is a third year student in Lawrence Institute of Technology's School of Architecture.

**Teacher and Engineer** Their father is a research engineer at Detroit Automotive Tank Arsenal. Ruth and Marshall are both from western Michigan. His father was a pediatrician in Kalamazoo, where many of her family, (she was born in Grand Rapids), lived.

They've been Pointers about 12 years now. Before that, Marshall held various engineering jobs in various places, including 18 years in Jackson, where he designed power plants, and eight peripatetic World War II and post-World War II years in the Navy. They both enjoyed those Navy years, and keep up the contacts they made during them.

Ruth teaches kindergarten every morning at Kerby School. She took an 18-year "sabbatical" to raise her children; then, in Jackson, when her youngest entered first grade, decided it was time for her mother to do something for herself. She'd been an active volunteer, involved in United Foundation work. Red Cross — you name it. "It seemed as though I was always working for someone else." She was frankly fed up with just housework.

Moved to Pointe She looked around, and was lucky enough to find a half-day job. Moving to Grosse Pointe, her luck held. "I

started teaching half-days when I first came here."

It hasn't slowed her down as far as community work is concerned. She was a Grosse Pointe Memorial Church Circle leader for a few years. She and Marshall served a year as Grosse Pointe Newcomers Alumni chairman couple.

Last year, she was vice-president and program chairman for the Cinema League. That job automatically leads into the presidency.

She held back from organizational assignments during her first years in Grosse Pointe, figuring that she had enough to do with her job and adjusting to a new community, but when she did plunge in she discovered that organization in The Pointe is not difficult. "This is the kind of privileged community where people are capable of, and will do, community work."

Summers, the Collinses head for Eagle Lake on the other side of Paw Paw, where they have "a nice little family resort," leasing property for people's cottages. It's been in the family for 75 years, but for the past two years the Collinses have been especially busy there, re-decorating their own cottage.

**Adopted by Parakeet** In Bishop road they share their home with a few finches and a parakeet, Houdini, (he can get out of ANYTHING), who wandered in one cold day. "We had had a parakeet for 13 years," Ruth explains. She wasn't exactly anxious to have another one . . . but what do you do when faced with a homeless, shivering bird?

Over the years, Ruth and Marshall have taken practically every one of their children East, "two at a time, as they got old enough," to visit Washington, D.C., Philadelphia, the cities where America began.

They've been abroad, as a couple, several times, traveling through Great Britain, France, Switzerland and Germany, dropping down to Panama where they have good friends: "We visit back and forth."

They have re-lived many of these trips at Grosse Pointe Cinema League programs.

**Chance to Meet People** "When we first came," Ruth recalls, "we were anxious to get into some activity in order to meet people. We started going to Cinema League."

"After about a year, (Cinema League programs are free, and open to the public; you don't have to be a member to come and enjoy them), we joined the League." Although its shows are free, the League welcomes dues-paying — \$5 per person, \$8 per family — members. Monies raised via memberships

are used for operating expenses: for mailings and coffee at post-program receptions, for rental of "The Top of the Ten Best Films," an annual collection of the Photographic Society of America's prize-winning shorts. "In 20 years," Ruth notes, "we have never raised our dues." The Cinema League, which held its first organizational meeting in the Library at Alger House, continues to be Grosse Pointe War Memorial-sponsored.

**How It All Began** The League began when Bill Kirby rented "The Top of the Ten" to show some friends — and then had to find a place to show it. Bill asked John Lake, then as now the War Memorial's director, if the community center could accommodate a film. John said, "Sure."

Several of the original organizers remain members. Pierre and Elfreida Palminter, for instance, the Cinema League's second and third presidents, (Bill was first), and fourth president Ester Porter are still active League-ites.

Membership averages between 130 and 140 persons per year. "We gain a few and lose a few annually. We've been pretty stable in numbers for the past 12 years."

Programs average 17 per year. "We have some regular speakers from the surrounding communities, one from Canada . . . and our own, of course." Showings may feature such exotic locales as Mongolia, the upper Amazon, Antarctica. ("We have one member," Ruth observes, "who has been in 155 countries!"), or such homely ones as places of historical interest around Detroit.

**Film on State Parks** One Grosse Pointe Cinema League member has done a wonderful film on state parks in Michigan. Many have made exquisite little scientific pictures, focusing on subjects in their own backyards.

"I'd say travel pictures are of most interest to the general public," Ruth notes. "They draw our biggest crowds."

"We do about one technical film per year: the crowd may be a bit smaller, but people don't know what they're missing. These are good movies as well as good exercises in technique."

Audiences range in size from respectable to Standing Room Only, with more in the latter category than the former. In fact, due to increased interest in Cinema League shows, there'll be a change in League program scheduling next year.

**Have Outgrown Space** "We have outgrown our room in Alger House," Ruth explains, "and Thursday is a very crowded night at the War Memorial. So, next year we'll be meeting the first and third MONDAY of each month, in Fries Auditorium, where there's plenty of room

## Short and to the Pointe

(Continued from Page 23)  
The RICHARD E. REWALTS, of Broadstone road, traveled to Eastern Michigan University to attend EMU's 27th annual Honors Convocation at which their daughter SANDI L. REWALT was cited for academic achievement.

CHRISTOPHER C. GREINER, of Lake Side court, who will be graduated in June from Missouri Military Academy, has been accepted for fall admission at Widener College.

MARY ALICE AMBROSE, 1671 Grosse Pointe North High School graduate, Physical Education major at Western Michigan University, has, with her teammates, completed WMU's finest women's swimming team season ever. The Broncos, in compiling their 10-3 won-lost record, established no less than 11 new team records this year. Mary Alice, daughter of DR. and MRS. ROBERT AMBROSE, of Roslyn road, was the only senior on Coach NORMA STAFFORD'S squad. Her team record in the 100-yard butterfly is a time of 1:07.3.

FAITH BREED, of Nottingham road, has entered an original painting in the 13th annual Benedictine Art Awards, a national competition inspired by the renowned art collection at the Benedictine Abbey Museum in Fecamp, France.

DR. HEINZ G. SIMON, of North Duval road, has completed continuing education requirements to retain active membership in the American Academy of Family Physicians.

Among the 35-member cast

for growth — and all the sound equipment we'll need." League members rather like to think it was partly because of their group that Fries Auditorium was given. "Mr. Fries used to walk across the street for our programs. He could see the need we had for an auditorium, and see that other organizations needed one, too . . ."

In its 20 years of existence, the Grosse Pointe Cinema League has done its share of public service work. "We made a movie about War Memorial activities, 'The Living Memorial,' in 1955. It was used for many years in War Memorial fund-raising. "We made a film about the Grosse Pointe Library's loan-out tool collection. We've made occasional educational story-telling films."

**Have Helped Many** League members have helped a good many people learn to use their photographic equipment to best advantage, have helped each other with problems encountered in photography and have shared tips for improving film techniques.

The League remains very much a Grosse Pointe organization, its by-laws stating that two-thirds of its officers must be Grosse Pointe residents. It remains very much a non-esoteric group.

"About 90 percent of our members," emphasizes Ruth Collins, "just like to look." Sometimes, of course, the lookers find themselves coming up out of the audience. Like Ruth herself: "Someone came along and asked me to do publicity one year . . . and the next year they asked me to do programs . . ."

Tonight Ruth Collins completes her term as president in the Grosse Pointe Cinema League's 20th year, handing over her gavel of office to new president Mary Zeock at the League's annual banquet. Then, business over, she and Mary will both settle back to look at this year's "Top of the Ten Best Films." It's always a super show.

### A Resolution For Lucille

Something nice happened to Lucille (Mrs. George R.) Grenzke, of Woodland Shore drive, the other day, at the luncheon in her honor in the McKinley place home of Mrs. Cyril Edwards.

Hostesses were members of the board of trustees of Cottage Hospital, including the Mesdames Edwards, Longyear Palmer, John L. Booth, Carl Grawn, H. Gordon Wood, Elliott Phillips and Clarence Bessert.

Among the guests, Cottage Hospital Auxiliaries who served, or are serving, on the Auxiliary board, were Mrs. John Barlow, the Auxiliary's present president, Mrs. James St. Denis, president-elect, Mrs. Ralph Quinones, past-president, and the Mesdames Edward Glowacki, Warren Jollymore, Roger McNeill and William Hoover.

Capping the afternoon's festivities was presentation of A Resolution, as entered in the Cottage trustees' board minutes, citing Lucille Grenzke for 17 years' service as a member of the Auxiliary, during which she held many positions on the Auxiliary board including that of president . . . noting, proudly, her installation as 1974-75 president of the Michigan Association of Hospital Auxiliaries . . . expressing the trustees' gratitude for Mrs. Grenzke's past service to Cottage . . . and congratulating her on the Michigan Hospital Auxiliaries' presidency, her most recent honor.

Now wasn't that Something Nice?

performing in Northern Michigan University's production of "Romeo and Juliet" are freshmen JAMES GREER, II, a Theatre major, son of DR. and MRS. JAMES GREER, of Linville avenue, Drama major KATHLEEN WISNIEWSKI, daughter of MR. and MRS. ZENON WISNIEWSKI, of Lochmoor boulevard, and Speech major RANDY HIGGINS, son of ROBERT HIGGINS, of Lancaster road.

Pointer JENNIFER DILLMAN captured a first prize in the seven-to-twelve age group in the Detroit Symphony Orchestra's "Happiness Is . . ." art contest held April 12 during the Young People's Concerts, and Pointer SUSAN SPARLING was recipient of an Honorable Mention citation in the six-and-under division. The Children's Museum will display all award-winning drawings and paintings during the month of May and held a special gallery-opening preview for the young artists and their families April 25.
