**BECAUSE THE MAYA-GUEZ** was carrying a military cargo, supplies and replacement parts for a U.S. air base in Thailand, the ship was "not innocent" and the Cambodians were legally correct in preventing its passage, United Nations experts familiar with law of the sea issues said today. Treaties signed in 1958 state that before a military vessel enters a country's territorial sea, it must request and obtain prior consent and that any vessel carrying military, banned or dangerous cargo can be denied passage by a coastal country.

Friday, May 16

**GULF OIL CORP.** admitted today that it made illegal political donations in Korea and Bolivia and secretly helped finance an Arab public relations campaign in the United States. Gulf chairman Bob R. Dorsey said in Senate testimony that the political party of South Korean president Chung Hee Park demanded donations in 1966 and 1970 and that Gulf paid a total of \$4 million. Dorsey said that the late Bolivian president Rene Barrientos also asked for political gifts and that Gulf paid about \$460,000, including a free helicopter.

Saturday, May 17

**AN ABANDONED** suitcase, about to be turned over to the Miami International Airport lost and found department, was discovered to contain 48.2 pounds of cocaine, worth an estimated \$9.8 million, today. The suitcase had come in the day before on a flight from Chile. Federal agents, who theorized that a smuggler probably got cold feet when he entered the customs area and decided to leave the suitcase behind, said the cocaine would probably be burned.

Sunday, May 18

**AN ARAB TERRORIST** was killed by his own hand grenade while apparently preparing to hurl it from a roof into a crowd of students exercising in a schoolyard in northern Israel today, police reported. Teachers discovered the body of the 25-year-old Arab who had entered the school yesterday posing as a man who had been working on the roof of the agricultural college in the Mediterranean port of Acre. Fragments of the grenade were still in his hand.

Monday, May 19

**THE ORIENTAL "WILD MAN"** recently captured in a central Florida swamp after having roamed that swamp for eight months hanged himself in his jail cell today apparently because he found out authorities were trying to send him back to his native Taiwan. Identified as 39-year-old Hu Tu-Mi, the crewman on a Liberian freighter fled last September from a hospital security ward in Tampa to avoid being returned to his homeland. While living in the Green Swamp, Hu had survived on meat from alligators and armadillos.

Tuesday, May 20

**KALMAR**, the Polish fishing vessel seized recently by the U.S. Coast Guard when it was found to be slightly more than one mile within the 12-mile fishing limit, remained in San Francisco today and was charged in civil and criminal complaints with violating American territorial waters, an offense the U.S. attorney's office said could result in heavy fines and possible confiscation of the vessel. The ship, which will probably have to remain in port for about two weeks, was not carrying military cargo.

## Students Stage Banquet to Thank Employers

Cooperative Education students from North and South High Schools joined together to thank their employers of the past year at a banquet on Wednesday, May 14, at Athena Hall. Over 720 persons attended for dinner, an awards presentation by the Grosse Pointe Kiwanis Club, and dancing to the music of the South High School Stage Band. Pictured at the banquet, (left to right), are North Office Education students MONICA VOGEL and LINDA GIRARDI, PAUL PIERRON, North High OE Coordinator, DAVID BARBOUR, representing the girls' employer, the firm of Dietrich, Tucker, Cassavaugh, Fogelson, Perkins and Barbour, and North OE student PAM ADAMS. ## Farms Gives Approval to New Budget

City Taxes Remain Practically Same as Last Year; Amount Agreed Upon Is \$2,995,488

**By Barbara Bruno**  
The Farms Council at a public hearing Monday, May 19, unanimously approved the city budget for fiscal 1975-76 which calls for city taxes to remain just about the same as last year.

"In essence the amount of city taxes residents will pay will be about the same as last year," said City Manager Andrew Bremer.

He added that property values will be adjusted by the county and the state later this year so the council adjusted The Farm's city tax rate so the dollar amount paid by residents for city taxes will just about equal the dollar amount paid last year.

The budget approved Monday deals only with city taxes collected since The Farms itself has no control over county or school tax rates.

**Budget Is \$2,995,488**  
The general fund operating budget approved amounts to \$2,995,488. The portion of this to be paid from taxation of residents is \$1,816,163 which compares to \$1,809,637 paid last year.

The increase over last year can be attributed in part to new growth in the community.

## Cabbie with Conscience Returns Long-Lost Cash

Park Det. Sgt. James LaPratt arranged a meeting between a cab driver and the driver's January 1966 passenger fare he had picked up at the time, and the cabbie returned \$750, half of the money the passenger figured was lost forever.

The cabbie, who could not live with his conscience, went to the Park station on Wednesday, May 14, and talked to Sgt. LaPratt, telling him about the money he had kept. The driver, who asked that his name not be used, said his conscience had been bothering him for the past 9½ years and he wanted to return the money.

The sergeant arranged for the cabbie and Michael McDonald, a former Park resi-

## Woods Wins First Round In Battle to Keep State From Issuing Licenses

Judge Cahalan Issues Restraining Order Against Liquor Commission Stopping Granting Of Additional Class C Permits

**By Roger A. Waha**  
The Woods won the opening round in its lawsuit against the Michigan Liquor Control Commission (LCC), when Wayne County Circuit Court Judge William Leo Cahalan issued a temporary restraining order stopping the LCC from issuing any additional Class C licenses for use within the city during the pendency of the suit or until further order of the court.

This action took place on Monday, May 12, after Woods City Attorney George Catlin filed the suit on behalf of the city. The council had unanimously authorized the institution of the lawsuit at the regular meeting April 12.

A hearing on the lawsuit is scheduled for tomorrow, May 23, at which time the LCC will probably show cause why a permanent injunction shouldn't be issued. The Woods is asking the court to issue a permanent injunction restraining the LCC from issuing any additional Class C licenses for use within the city without the formal approval of the council.

Mr. Catlin said the case has been assigned for trial to Judge Joseph A. Sullivan.

In the suit, the city, besides asking the court for the temporary and permanent restraining orders, is requesting the court to declare Ordinance No. 89, adopted by the electorate on November 4, 1952, to be valid and a legally binding law which restricts the council to approval

of only three Class C license establishments within the city.

**Voters State Wishes**  
The measure, which passed by a vote of 5,342 to 2,073 with 175 ballots being counted spoiled, provides that the council shall not approve and/or signify its approval of the issuance of any future or any additional Class C and/or Tavern Licenses to be issued by the LCC.

It also says, regarding this point, provided the provisions shall not be construed or interpreted to prevent any such actions in connection with the sale, transfer or re-issuance of any such licenses now issued and existing in duly licensed and operating establishments.

In the suit, the city also requests the court to determine that The Woods, a "home rule" city, has the duty and legal authority, under its charter, "to protect the general welfare of the citizens of such community by ordinance, resolution or otherwise by limiting the number of Class C licensed establishments to less than the maximum permitted by the population formula contained in the Michigan Liquor Control Act."

**Could Have 12 More**  
In July 1971, the LCC notified the city that, under the 1970 Federal census, the city's population was such

## Board Approves Funding for YSD Counseling

Managers Vote to Put \$3,600 into Budget to Retain Service for Another Fiscal Year; Complete Review of Division's Organizational Structure Also Planned

**By Roger A. Waha**  
The part-time Youth Service Division (YSD), counseling program will be continued for another year as the division's Board of Managers approved additional funding for the program at a board meeting Tuesday, May 13.

"The board, (which includes all Pointe city managers and a School Board representative), voted to put \$3,600 into the budget for counseling services," said Woods City Administrator Chester E. Petersen, YSD coordinator.

"In so doing, they deferred some capital equipment and needs for the YSD so the counseling service can be maintained." This equipment included primarily mobile radios.

As managing municipality of the YSD, The Woods had proposed a budget of \$124,598 for the board to consider. This proposal didn't include funds for individual and group counseling.

However, with the additional \$3,600, the final budget as approved by the board reaches \$128,198, said Mr. Petersen. This is an increase of \$3,600 over the \$124,598 budget figure for the fiscal year 1974-75.

He stated the individual cities will pay their pro rata share of the additional amount with the School Board also paying an additional pro rata share.

**To Pay 20 Percent**  
The costs of the division's budget are shared by each Pointe community, based upon its current assessed valuation, and the School Board, which pays the equivalent of one public safety officer's salary and the total cost of his fringe benefits.

Mr. Petersen noted while the cost of the counseling service doesn't affect the Board, they agreed to pay 20 percent of the \$3,600 amount.

Meanwhile, the percentage breakdown of costs per municipality shows The Woods, 33.92 percent; The Farms, 24.61 percent; The Park, 19.69 percent; The City, 12.13 percent; and The Shores, 10.25 percent, he reported.

**Letters Received**  
Mr. Petersen said each city received two letters, one from the Grosse Pointe League of Women Voters and the other from the American Association of University Women, GP branch, urging that the program be retained.

In expressing a concern over financing, he noted that while both organizations pushed to keep the program, neither offered to supplement the division's budget via contributions as the Grosse Pointe Lawyers' Wives have done since the YSD's inception.

## Condition of Woods Park Brings Plea for Patience

Residents of The Woods who visit Lake Front Park on the Memorial Day weekend will be pleased to note that progress is being made toward the completion of the new bathhouse-swimming pool complex.

Construction on the eight lighted tennis courts also is scheduled to begin shortly.

However, the construction going on at the park also has its negative aspects. Residents will find that during the duration of the reconstruction period, several of their favorite areas of the park will be inaccessible.

Picnic and recreational equipment has been relocated to make room for machinery and equipment.

The Department of Parks and Recreation hopes that citizens will bear with them and will cooperate so that everyone may use as many of the park facilities as possible.

The plea for patience also was cited in last month's parks and recreation report by Councilman Ronald R. Kefgen at the regular meeting Thursday, May 15.

While park grounds are torn up, the report notes that the present annoyances, brought about because of mounds of debris of various types of building materials, are representative of a degree of progress towards reaching the goal of attaining better facilities for Woods citizens.

## Calls for .95 Mill Boost In Tax Levy

Total of \$3,028,714 Needed to Run City During Fiscal 1975-76; Public Hearing Quiet

**By Roger A. Waha**  
The Woods Council, via a unanimously-passed resolution, approved the city's budget for fiscal year 1975-76 after a public hearing, which was as quiet as a silent movie print, came to a swift close at the regular meeting Thursday, May 15.

The budget, which has a general fund appropriation of \$2,848,759, (in comparison to \$2,632,397 in fiscal year 1974-75), plus \$181,955 debt service for a total of \$3,028,714; calls for a .95 mill increase in the tax levy—from 9.98 mills to 10.93 mills.

However, this 10.93 mill total reflects both the operating tax levy, which actually fell from the 9.98 mill figure to 9.75 mills, plus the debt service tax levy of 1.18 mills. This particular levy is to pay off the principal and interest on the outstanding bonds issued by the city for the Lake Front Park Improvements project.

**On Revenue Side**  
On the revenue side, the estimated revenues from sources other than property taxes are anticipated to be \$1,343,321. The amount necessary to provide the proper funding of the debt service and general fund appropriations is \$181,955 and \$1,503,438, respectively.

Both sums are deemed necessary to be raised by ad valorem tax levies on all real and personal property within the city. The amounts are scheduled for spreading on the 1975-76 city tax roll at the rate of 1.18 mills per thousand of the city's current assessed valuation for debt service and at the rate of 9.75 mills per thousand of the city's assessed valuation for general operating fund purposes.

Mayor Benjamin W. Pinkos said he was pleased with the budget and the reduction of the operating tax levy .23 mills under last year's total, especially in the current economic climate.

## Bold Thieves Take 14 Bikes

A group of bold thieves circulated in The Farms between Tuesday, May 13, and Thursday, May 15, and stole at least 14 bicycles. Many of the bikes were locked with chains and many were stolen in broad daylight from public places.

The bicycles ranged in value from a \$195 Solex motorized bike to a \$75 Stingray model. The average value was about \$130.

Farms police began getting reports of stolen bicycles Tuesday when a Brownell Middle School student reported that a 10-speed model that was locked with a chain to the school bicycle rack had been stolen. Another bike was stolen from that same location Wednesday.

Both were taken during school hours, between 8:30 a.m. and 3:30 p.m.

The Central branch of the Grosse Pointe Library, 10 Kercheval avenue, was another target for thieves. Four bikes were stolen from that spot from Tuesday through Thursday. Three of the bikes were locked when stolen.

One complainant reported that a pair of bolt cutters and the bike's lock and cut chain were found in the space when she went to get her bike.

At South High School three bicycles were stolen during the same time period. All three were locked.

The garages of three residences were entered by thieves between Tuesday and Wednesday and a total of five bikes were taken.

Woods Gives Approval to New Fiscal Year Budget

(Continued from Page 1) "We've been fortunate as we are using as much capital assets, machinery and other equipment, to hold down costs. We have good equipment for our Department of Public Works, Department of Public Safety, recreation department and administrative personnel. We try to get the best possible

equipment for all departments," he said. In relation to this, Mr. Pinkos stressed the overall concept of teamwork and cited the work of the council, department heads and employees, all of whom, he felt, were doing a good job. He also cited City Administrator Chester E. Petersen for "his efficient handling of operations within the city."

Now, under the 10.83 mill tax levy total, Woods homeowners will be paying around \$19 more in city taxes. As an example, the average home in the city has an estimated State equalized valuation of \$20,000 or a true market value of \$40,000. Under the 9.98 tax levy, the taxes would be \$199.60, while under the 10.83 levy, the amount would be around \$218.60.

Worked 800 Hours

Mr. Petersen, who worked over 800 hours on the budget since mid-February, and said, "This is the biggest responsibility I have as city administrator," explored the general fund budget.

The general fund budget rose \$214,362 over the 1974-75 amount. He said the main reasons for the increase included inflation, salaries, rising street lighting and incineration costs, pension requirements going up 34 percent and the fact that liability insurance for the city has doubled.

On the contract front, he said the city isn't that far in negotiations with public safety department officers on a new contract to determine what kind of a settlement will be forthcoming.

This is the last year of a three-year contract the city has with Department of Public Works personnel and administrative clerks so there's no salary problem for them, he said. The contract for public safety officers are still in negotiation, and "all I can do is look into the crystal ball and hope a sufficient amount of money was budgeted to take care of it," stated Mr. Petersen.

Lighting Is Costly

He stressed "the tremendous increase" in costs over the years for street lighting,

with such costs "going out of sight." These costs were up around \$38,000 this year over last year and since fiscal year 1970-71, the cost of street lighting jumped from \$170,000 at that time to over \$300,000 this fiscal year.

Mr. Petersen said this is the fourth straight year the city has basically maintained the same operating tax levy. (During fiscal years 1972-73 and 1973-74, the levy was 9.48 mills). "In order to do this the city has to have good, long range fiscal planning concepts and a cooperative council which demands good fiscal planning," he said.

Federal revenue sharing money received for the fiscal year 1975-76 is \$88,720, down from the \$92,000 amount received during fiscal year 1974-75. These funds will be utilized for the maintenance, repair, resurfacing and other improvements in the street system.

Mr. Petersen, who said Federal revenue sharing is based upon a city's tax effort and population, was upset at the drop in monies received. When they arbitrarily say our population is down and we think its gone up and can substantiate it, it's cut and thus our revenues are reduced, he said.

On Debt Service

He cited reduced State and Federal revenues and felt cities which operate efficiently are penalized while other cities "who spend, spend, spend, get more money."

On the debt service levy, he noted the original estimate was placed at 1.2485 mills. "We were able to keep the debt service levy down because of interest credited in the sale of bonds from the time they were sold to the time they were delivered," he said.

At the same time, Mr. Petersen stated the operating tax levy dropped from 9.98 mills to 9.75 mills because the city had a 3 1/2 percent increase in assessed valuation and is applying accumulated surpluses over the past two years towards reducing the school budget.

On the new services front, he noted the budget provides funds for a variety of organizations including the Planning Commission, \$750; Senior Citizens Commission, \$500; Parks and Recreation Commission, \$350; Beautification Commission, \$3,000; and Bicentennial Commission, \$1,500. These funds come from commissions in the department of general government. He said at one time there was only the Planning Commission in citing the newer commissions.

He also noted that no employee layoffs are contemplated at this time. The city has around 100 employees.

In the general fund budget, monies allocated to the Department of Public Safety jumped from \$1,204,372 in 1974-75 to \$1,296,074 this fiscal year.

Pension Costs Rise

Mr. Petersen said the two big reasons for the increase was a 38 percent rise in the city's share of pension contributions, plus salaries. "We have set aside money in depreciation reserve and will be getting a quarter million dollars of new equipment in the 1975-76 fiscal year," he said.

Meanwhile, the DPW budget rose from \$97,454 to \$1,061,030. He said higher street lighting and incineration costs have played a role, here, along with salary increases.

Treasurer Praised

Mr. Petersen had sound words of praise for City Treasurer Helen Fox and cited the "sound fiscal policy" in investing idle and surplus funds with general funds earning \$120,000 in interest. "We try to keep all surplus money invested," he said.

A further breakdown in the general fund appropriation shows department of general government, \$291,135; department of parks and recreation, \$173,520; and contingency, \$25,000.

The special funds budget totals \$906,481 and includes Federal revenue sharing monies, highway, \$336,338, and motor vehicle and equipment, \$281,423.

Finally, the enterprise funds budget, which isn't supported by tax monies, totals \$855,689 and breaks down as follows: Youth Service Division, \$128,198; water-sewer, \$677,208; parking, \$14,500; boat docks, \$20,580; and concession, \$15,208.

Cabbie Returns Money

(Continued from Page 1) money was missing from his pocket.

McDonald called the cab company but was told they knew nothing about the missing cash. Depressed by this information, McDonald filed a report with police, resigning himself to the idea the money was gone, especially when nothing was heard after a few weeks had gone by. He figured the money was gone for good.

The cabbie told Sgt. LaPratt that he picked up another passenger after McDonald, and the second passenger told him he had found \$750 in cash in the cab's back seat. The sergeant figured that the passenger had kept the other \$750.

The cab driver told the sergeant and McDonald that he was having financial trouble at the time and decided to keep the money, but through the years his conscience kept bothering him and he decided to return the money to its rightful owner.

Sgt. LaPratt said no charges will be brought against the cabbie because the six-year statute of limitations had expired.

After the talk with the cab driver, Sgt. LaPratt began a search for McDonald and found him late Thursday, May 15 living in an east side Detroit home.

Sgt. LaPratt arranged the meeting to take place at the station on Friday, May 16, and McDonald accepted the endorsed money order.

"I would have liked to receive all the money back," McDonald said, "but anything is appreciated."

McDonald, who is not married, is a carpenter for General Motors. He said he had no specific plans for the money but would certainly put it to good use.

**City Seeking HUD Grant; Would Help Two Projects**

By Tom Panzenhagen  
The City has applied for a grant under the Federal Housing and Community Development Act of 1974 which could mean funds amounting to \$28,364 will be funneled into The City budget within the next three months.

Distribution of the funds are dependent upon qualification by Wayne County as an "urban county" under the 1974 U.S. Department of Housing and Urban Development (Hud) act, which would mean that approximately \$800,000 would be made available for distribution within the county.

Grosse Pointe City Manager Thomas Kressbach said it is his understanding that "Wayne County has been given verbal assurance that its tentative application would be accepted," so the funds seem likely to be received.

He said the applications probably will take 75 to 90 days for processing, so that, practically speaking, the money will be available for use during The City's 1975-76 fiscal budget year.

The money would not be made available on a fiscal year basis, however, but rather for the 12 months of the "application year," Mr. Kressbach said. And according to the 1974 Community Development Act, the grants are designed to last only one year. New grants may then be applied for each year thereafter.

One stipulation in the resolution unanimously passed at a special meeting of the City Council Wednesday, May 14, is that "the City of Grosse Pointe agrees to cooperate with the County of Wayne in undertaking, or assisting in undertaking, essential community development and housing assistance activities, specifically urban renewal and publicly assisted housing."

Mr. Kressbach called that "rather standard language" for a HUD application, and said he could not foresee that clause involving The City in any sort of county-wide housing scheme.

He did say that he thought the clause meant The City might have to take part in housing studies or "inventories," but added that he understood it was a main concern of the council that The City not become committed to any county-wide projects, and that the council would not have passed the resolution if that were the case.

Two projects which specifically are expected to benefit from the grant are traffic signalization improvement and improvement of the Lakeland boat ramp and seawall projects.

The traffic signal proposal would receive about \$12,000 of the total outlay, Mr. Kressbach said, and the remaining funds would probably all be spent on the Lakeland project.

A third project which The City outlined in its application to HUD was sewage pump renovation. But Mr. Kressbach said that the expected funds would not be great enough to finance all three projects.

Of other Grosse Pointe communities, only The Park has thus far similarly adopted the resolution. The Shores and Farms' city councils have the resolution before them and may pass on it in the near future.

The Woods is not considering applying for such a grant at this time, although it is possible it will have second thoughts later, Mayor Benjamin W. Pinkos said. He expressed concern over the potential loss of local control in the administration of such a program as the main reason for this position.

Mr. Kressbach said there was a May 15 deadline for application for the funds, but added that a period of grace "for paper work" is frequently extended.

**Alter Summer School Program**

The public school system's summer school program will be altered this year to provide a more meaningful experience for Pointe students, according to the Grosse Pointe Board of Education.

The board announced Monday, May 12, that Dr. James A. Adams, superintendent of schools, the board members and the Grosse Pointe Education Association all participated in redesigning the program.

A community-wide mailing detailing the summer school opportunities and registration information was scheduled for last week.

Board president Joan Hanpeter said the improvements are designed to meet both the remedial and enrichment needs of members of the community. She said adults are now welcome to attend the program offerings for high school students.

Summer school will begin on June 23 and end five weeks later on July 25. Opportunities for study later in the summer will be offered if there is sufficient demand.

Among the course offerings are such diverse topics as bicycle repair, computer math, genealogy, speed reading and super 8 film making as well as the more traditional skill building classes.

The elementary program for grades three through six will be held at Monteith School, 1275 Cook road. Middle, high school and adult classes will be scheduled for North High School, 707 Vernier road.

**Budget Hearing Held in City**

Six citizens turned out for the public hearing on The City's 1975-76 fiscal budget Wednesday, May 14. No great conflicts were found in the proposed budget, put forth by The City in a 43-page booklet, which had been made available to the public for a number of weeks prior to the hearing.

One man spoke against a future consideration laid down in the budget report calling for institution of curbside trash collection. He said it might be a hardship to many elderly people to set their trash at the curb.

**St. Paul Slates Sports Banquet**

The St. Paul Athletic Association will sponsor its annual Sports Award Banquet honoring all seventh and eighth grade athletes and cheerleaders for their accomplishments during the 1974-75 season on Friday, May 30. The banquet will begin at 6:30 p.m. in the school cafeteria.

Over 90 athletes will be the guests of the association. Parents and friends of both players and cheerleaders have been invited to come and sit with the athletes on their day of recognition.

Reservations may still be made by calling the school office or banquet chairman Harold Connell at 885-4316.

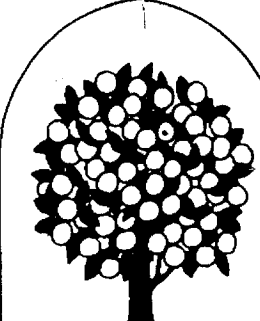

Another resident was concerned with a discretionary fund outlay of \$30,000 to renovate the boat ramp, sewer and street area at the foot of Lakeland. He was told by city manager Thomas Kressbach that the funding of that project was only a suggestion of a way to spend additional monies if they become available to The City.

A former commodore of the Grosse Pointe Boat Club asked the council to consider rerouting power lines so that more lighting could be provided to the club. The council said they would consider funding that project sometime in the future.

The finalized budget was dealt with, and likely accepted, at the next regular meeting of The City Council Tuesday, May 20.

**ATTENDS CONFERENCE**

A Woods structural engineer attended and spoke at a major international conference on "Low Cost Housing in Developing Countries" in Cairo, Egypt, April 20-25. The engineer, William C. Krell, P.E. of 548 Woods lane, is a staff consultant and senior associate for Ellis-Naeyaert Associates in Warren. Mr. Krell joined experts from more than 30 countries who met with their Egyptian counterparts to present recent solutions to housing programs.

## Wins First Round in Suit Against LCC

(Continued from Page 1) that The Woods was entitled to have 15 Class C licensed establishments in accordance with the population formula contained in State Statutes). In relation to Ordinance No. 89, the suit says that since November 1952, the council, abiding by the measure's provisions, has "consistently signified disapproval" of any request by the LCC for the proposed issuance of any additional Class C licenses "for the establishment of additional bars to be located within the city beyond the three existing Class C establishments that were in operation in November 1952."

(These establishments include the Lochmoor Lounge, Nightingale Lounge and Lounge in the Woods).

**Accepted for 22 Years**  
The suit continues by saying the LCC has, for the past 22 years, accepted such action of the city and has denied applications of various petitioners for such licenses on the basis that the applicants failed to receive a favorable recommendation from the local legislative body.

Then, The Woods learned in July 1971 of its entitlement to 15 Class C licensed establishments, and received a letter dated April 10, 1975, from Roger J. Rosendale, director of the Licensing and Enforcement Division of the LCC, saying that Ordinance No. 89 is invalid.

As a result, the suit says that the LCC was unable to accept a disapproval for issuing a Class C license on the basis of the measure.

If the ordinance is declared invalid, the council would be in a position to make recommendations as insisted upon by the LCC. On the other hand, if the measure is declared a valid restriction

upon the council, then the solons would continue to certify to the LCC its disapproval of applicants for such licenses beyond the existing three licenses.

**City Expresses Fear**  
The suit expresses the city's fear that the LCC may issue additional licenses for use within the community, up to the maximum of 12 as provided by the population formula set forth in State Statutes, "thereby ignoring the unfavorable recommendation of the city council."

In relation to this, the suit stresses the city is "primarily a residential community of approximately 10,000 families and the business district of the city is contained along a strip of Mack avenue, almost exclusively on one side of said street, for a distance of approximately one and a quarter miles."

Continuing, it says should the LCC issue up to 12 additional Class C licenses for use within the community, "such proliferation of Class C bars or taverns would materially affect adversely the character and quality of life within the community to the detriment of the citizens of the community."

It also would "cause an increase in law enforcement responsibility for the public safety department of the city and a decline in property values which would depreciate the tax basis of the city."

**Act Is Controversial**  
Finally, a part of the Michigan Liquor Control Act authorizes the LCC to issue licenses in its discretion upon the payment of fees and the filing of the bonds required.

All applications for licenses to sell beer and wine and spirits for consumption on the premises, except in counties of 1,000,000 population or

over, shall be approved by the local legislative body in which the applicant's place of business is located before being granted a license by the LCC.

The Woods alleges this law to be "an unconstitutional denial of equal protection of the law" because it denies the absolute right of approval over issuance of Class C licenses by the city council, "while granting said absolute right of approval to the local legislative bodies of other home rule cities throughout

the State located within counties of less than 1,000,000 population. Wayne is the only State county with more than 1,000,000 people.

The council's action, i.e., authorizing Mr. Catlin to institute a lawsuit, stemmed from the referral, on the LCC's part, of three Class C applications, which the solons had previously denied, back to the body for its consideration, (per Mr. Rosendale's letter of April 10, citing the invalidity of Ordinance No. 89).

## Counseling Approved

(Continued from Page 1) "The Lawyers' Wives have provided capital equipment for the years the division has been in operation," (it became fully operational in August 1970), said Mr. Petersen. "But neither of these organizations have made a contribution to the YSD."

**Pleased with Decision**  
He reiterated the fact that in order to retain the counseling program, capital equipment purchases had to be deferred. "We would appreciate the consideration of some of the organizations who might help us so we can make these purchases," he said.

On the board's decision to add funds for the counseling program, Woods Public Safety Director Henry Marchand said, "It is a worthwhile program and I feel it should remain in there." We started it and if it was stopped, we might have some problems, he noted, while adding the counselors are doing a good job.

"I concur with the decision of the Board of Managers. I think it was a good one," the director stated.

The YSD office also expressed its pleasure at the continuance of the program for another year.

**To Review Structure**  
Another development also occurred at the meeting.

**THERE IS ONE BIG DIFFERENCE BETWEEN STUDIO CAMERA & "OTHER" CAMERA STORES... PRICE!**

"The Board of Managers is planning to completely review the organizational structure of the YSD in the future and make recommendations in that area," said Mr. Petersen. In this regard, the entire structural organization, including personnel and services and future contracts, will be viewed with such recommendations being made before the 1976-77 fiscal year budget is considered.

Mr. Petersen said the School Board pays about 25 percent of the total cost and the schools are receiving some 70 percent of the benefits, i.e., around 70 percent of the problems revolve around youths at the school with the whole YSD concept involving individuals in the schools.

Related to this, he stated the counseling program wasn't included in the inception of the YSD and that part-time counseling was initiated by The Woods as managing municipality. Mr. Petersen felt the School Board was receiving benefits of the counseling services "they are not paying for."

Another aspect of the review will focus upon the shift of emphasis from hard drug usage to alcohol on the part of young people, he added.

**Cooperative Education Students Host Banquet**

By Barbara Bruno  
When the Cooperative Education students at North and South high schools say they're going to host a banquet, they mean it will be one whale of a party.

It was just that on Wednesday, May 14, as students and their co-op employers for the past year gathered at Athena Hall.

The banquet served a two-fold purpose. First off, it gave the students an opportunity to thank the dozens of area businesses who contribute to the program's success.

Secondly, it was an occasion for selected students to receive awards from the Grosse Pointe Kiwanis Club for their outstanding performances during the past year.

The students ran the show right from the start. The program booklets were designed and typed by the students, the hall was secured by them and the dinner menu for the over 700 guests was chosen by the students.

The Grosse Pointe South Stage Band provided background music as the students greeted their employers and guided them to assigned tables which they would share for the evening. The banquet room was arranged in sections composed of Commercial Foods, Distributive Education, Home Economics, Medical Aides, Office Education and Trade and Industry students.

Master of ceremonies Virginia Campo, an Office Education student from North, welcomed the students, their co-workers and employers. Frank Rayl, a South High Trade and Industry student, introduced the special guests at the affair, most notably Superintendent of Schools Dr. James A. Adams, North principal G. Bruce Feighner, South principal Dr. James Hoeh and members of the

Board of Education. Frank spoke of the role the instructors and counselors played in preparing the students for their positions, saying, "All of your jobs require some skills and you wouldn't have had them if it weren't for your instructors and counselors."

He noted that many of the students developed special relationships with their employers during the course of their employment and "no longer have an employer they think of as a boss."

Maryann Imesch, South Office Education student, recalled that when the first co-op program opened, (Distributive Education in 1962,) only 19 students took part. This year, over 320 students at North and South participated.

Employer awards were presented by Mary Magee of South's Medical Aides program to recognize businesses that have employed students for five and 10 years. Of the 171 firms listed that participated this year, 31 have taken on students for five years or more.

Barbara Gares, a 1973-74 alumna of South's Office Education program, spoke to the students of the challenges to be faced following graduation.

"You are a jump ahead of everyone else," she noted. "You have references. You have a solid foundation to stand on and have experienced a little more of life."

She said that holding down a job and going to school at the same time is a difficult task and stressed that the students make the most of it by asking questions of their employers and seeking their advice.

Barbara now works for City National Bank and hopes to enroll in that firm's co-op program.

Ron Kefgen, vice-chairman of the Grosse Pointe Kiwanis Club's Youth Activities Committee, was present to announce the winners of the co-op awards given by that group. He spent hours at each school interviewing finalists in each division and came away with the belief that "they were all outstanding."

He said the basis for the awards was a paper written by the student, recommendations from employers, teachers and counselors, a review of the student's grade-point average, the interview itself

and the overall poise, creativity and imagination of the candidate.

He added that the Kiwanis Club plans to follow up on the winners in three to five years to see how they have progressed. Each school had a winner in each division.

Commercial Foods winners were from North, Julie Patterson, who worked at Burger King restaurant and from South, Gregg Huvaere who worked at Stouffer's Eastland.

Distributive Education winners were Mark O'Berski, from North, who worked for Jacobson's, and Kathy Weigel from South, who worked for Kay Baum's.

Home Economics winner from North was Mary Beth Shefferly who worked at the Grosse Pointe Academy, while South student Lisa Garbin won for her work at the Wee Wisdom Montessori School.

Medical Aides winners both worked at Cottage Hospital. They were Martha Williams from North and Jan Hollerbach from South.

Office Education winners were Sue Pollina from North, who worked at Parcels Middle School, and Valerie Thompson of South, who worked for the law firm of Lewis and Bryant.

Awards in Trades and Industrial Education went to North student James Smith, who worked for Pointe Electronics, and Frank Rayl of South, who was employed by the Eico Corp.

Dr. Charles Hitch, coordinator of career and vocational education for the Pointe public school district, said over 280 senior students participated in the co-op program this year. He said most spent three to five hours per day on the job, generally during the afternoon or evening.

"Businesses in the immediate and surrounding communities are providing the jobs," he said. "There has been tremendous acceptance from within the community."

He said that contrary to the common belief, most of the co-op students, about 85 percent of them, continue in some sort of post-secondary education experience.

The curriculum is open to any student who has a career interest in one of the particular concentrations. They are interviewed and screened before joining co-op and Dr. Hitch feels this year's group

of students is tops.

"I'm just real proud of the kids," he commented after the banquet. "I think they realize they've gotten the practical experience that's so necessary today."

Judging from the way the program is growing it looks as if the students themselves are realizing just how important practical experience can be.

**A lot of people are looking into ways to beat inflation these days.**

And that's one of the reasons many people are looking into a new home these days.

Given the economic trend of recent years, almost any sound, well-located home is likely to increase in market value over the years.

As such, a home can often prove to be a sound hedge against inflation.

Many homes that sold for \$25,000 ten years ago, for example, are selling for \$40,000 to \$50,000 today.

**Tax break.**

In addition to a possibly appreciating investment, you also get a tax break when you own a home.

Under present law, both your property taxes and mortgage interest payments are tax deductible.

And that's in addition to the new tax credit of up to \$2,000 which may be available to you under the Tax Reduction Act of 1975.

**Lower interest rates.**

Interest rates on home mortgages have been declining recently.

Couple that with the advantage of buying in a buyer's market and you can see why more and more people are looking at new homes today.

**Mortgage money is available.**

We have more of it to loan right now, in fact, than any bank in town.

We also offer you the convenience of being able to apply for a mortgage loan at any NBD office, and close at an NBD office in your neighborhood in as little as two weeks after approval. Which are two more reasons more people come to

us for their mortgage loan than any other bank in town.

If you're considering a new home, why not visit your nearby office of National Bank of Detroit.

We'll be happy to tell you how much your mortgage will cost, what your monthly payments are likely to be, and answer any other questions you might have.

**Bike Inspection Program Underway in GP Woods**

By Roger A. Waha  
 "The Woods Department of Public Safety will be more alert than ever to bicycle riders this year," stressed Traffic Safety Officer Stephen Petrik, who, along with other officers, will visit city schools through early June inspecting bikes and speaking on safety.

In stressing that officers will continue issuing warning tickets to both juvenile and adult cyclists, Officer Petrik cited the ever-increasing safety problem by saying around 14,000,000 bikes were sold last year in comparison to 9,000,000 cars.

"Bicycles used to be strictly a child's means of transportation and a plaything. Today, bikes are used by adults as much as children for health reasons and for transportation. As a result, they have become a difficult problem on the roads. Drivers, today, for example, look more for other autos than for bike riders," he said.

And, as a reminder, the officer emphasized, "Cyclists must observe the same laws as automobile drivers."

"This is a grave concern of ours," he continued. "I'd like to see a summer without injuries to our residents

and others who ride bikes in the community."

Each spring he and other officers visit the schools to stress bicycle safety and to inspect the vehicles. This year, in the overall approach on the safety theme, he's also showing a film called "Riddle of the Friendly Stranger," which views the danger of talking with strangers, at Mason, Monteith, Barnes and Ferry Schools. The officer is planning to show the film at Our Lady Star of the Sea, too.

In providing a thorough "refresher course" on bicycle safety rules at the schools, he and his colleagues also make certain youngsters' bikes are fit. "We have gotten a fantastic response at the schools in the past," he said, while adding the inspections are capped by a drawing for prizes.

Lucky youths can obtain horns, lights, reflectors and air gauges in the drawing, with prizes being donated by The Woods Lions Club and the Grosse Pointe Lawyers' Wives, an action which Officer Petrik appreciates.

In exploring what he tells the youngsters, the officer cited several points:

- Going through stop signs is the biggest violation and is the main cause of bike-auto accidents.
- Everyone needs a bicycle license, which is available at the Public Safety Department, 20025 Mack avenue. It's good for the life of the bike.
- Have a white light on the front of the bike and a red light or reflector on the rear.
- Stay off the streets, highways or alleys, unless you are over 12-years-old.
- Keep the bike in good operating condition, ride in a straight line and keep to the right-hand side of the road or sidewalk.

**Gets 3-5 Years in Check Case**

A 32-year-old Detroit woman was sentenced to from three to five years in the Detroit House of Correction, (DeHoCo), in Wayne County Circuit Court on Tuesday, April 22, reported Woods police.

Sharon Lee Brown had earlier pled guilty to a charge of attempted uttering and publishing, (U-P), in April.

She was arrested on January 20 by Sgt. Thomas Kane when an alert bank teller spotted the check the woman

was trying to pass as one of many stolen from a now defunct Detroit company, officers said.

The defendant tried to cash a check at Manufacturers National Bank, Lochmoor boulevard and Mack avenue. However, she was foiled in her try when a teller noted that the check number and the company's name was one of many reported taken.

**Nest Suspected In Farms Fire**

Alert neighbors awakened a Lakeshore road family Monday, May 12, to tell them their roof was on fire and responding Farms firemen were able to confine the blaze to the home's attic.

The fire department was called at 10:30 p.m. to the Donald Eugenio residence and had the fire out in about 10 minutes, according to fire reports.

At present, the fire department theorizes that a bird nest lodged against the roof-top floodlights caught fire when the lights were turned on for the night.

None of the occupants were injured and a damage estimate was not available.

The Farms pumper and aerial trucks and a Grosse Pointe City truck went to the scene. The fire was extinguished by the use of booster lines.

South High School varsity netters turned in a respectable week of tennis action as they defeated Port Huron Northern Thursday, May 15, and lost to South Lake Tuesday, May 13.

**Woods Park**

(Continued from Page 1)

The department says it will continue to provide residents and their guests with as many recreational facilities as is possible during "this time of temporary upheaval."

Along with work on the new facilities, other jobs have been completed including cutting up, clearing away and carrying off several trees, repairing and inspecting park benches, repainting picnic tables, cleaning and painting trash barrels, cleaning the two tennis courts and inspecting the lighting system, checking filtration plant equipment and cleaning both the bath house and comfort station.

Besides work at the Lake Front Park, playground equipment at Chene-Trombley, Sweeney and Ghesquiere Parks has been inspected, repaired and repainted where necessary.

The Recreation Department also reports that 1975 park permits will be required as of Saturday, May 24. Passes must be validated at The Woods Municipal Building, 20025 Mack avenue, prior to this date between 8:30 a.m.-5 p.m.

record is now 5-5, while their Eastern Michigan League now stands at 5-1.

In the Port Huron Northern match, which South won 5-2, all but number one singles and number two doubles won in individual competition. Mike Buck, J. J. Schulte and Mike Franck were singles winners, while the teams of Craig Feranga and Bob Kabeary and Dave Webster and George McMullen won in doubles.

South's loss to South Lake came in an unusual way as the Devils were edged, 4-4. The match included a victory by default for Franck in singles, and also featured an extra doubles team entry, Al Large and Paul Caruso, which also won. Other winners for South also were in doubles competition, those being Feranga and Kabeary and Webster and McMullen.

On May 16-17, South Lake took first in the regional tournament, just ahead of South, who finished second.

Singles entries for South included Ron Scherer, who lost in his semi-final match, Buck, who lost in the second round, and Tom Scotten, who also lost in the second round.

In doubles competition, South's number one and number two doubles teams found themselves facing each other. As a result, the number one team of Feranga and Kabeary defeated teammates Max McKee and Raoul Weiler. Both teams will advance to the State finals Friday-Saturday, May 30-31.

Only two matches remain before the Devils conclude their season with the State Finals Tournament. Today, May 22, South travels to Mount Clemens, while on Tuesday, May 27, powerhouse Port Huron visits South in the Devils' last scheduled match of the year. Results will be in next week's paper.

**A Side View**

Woods police have received around a dozen tips on an armed robbery suspect after a photo, taken by an automatic camera at Detroit and Northern Savings and Loan, 19307 Mack avenue, was published in the NEWS on Thursday, May 8.

The earlier photo was a frontal shot of the suspect, who took \$3,992 during a holdup of Detroit and Northern Tuesday afternoon, April 29. Now, Woods police have released a side view shot of the man in the hope of further calls from citizens.

The suspect was described as white, between 30-40 years of age, about 6' tall and 190 pounds. He had brown hair, a dark complexion and an acne scarred face, and wore a blue jacket and sun glasses.

The detective bureau is currently conducting a complete investigation on all the information received so far. It asks anyone who has seen a man resembling the person in the photo and/or fitting this description to call 886 2700.

**3 Departments Chase Speeder**

A Farms resident is facing a failure to stop upon a police signal charge in The Woods after a high speed chase which involved a combined total of eight police cars and around 11 officers from The Woods, Farms and St. Clair Shores early Tuesday morning, May 13.

Michael Francis McMahon, of Moran road, is scheduled to appear in court on the charge Wednesday, June 18, police said. He was released after posting an AAA membership card in lieu of \$100 cash bond.

Farms police reported that McMahon was issued a speeding violation for going 60 mph in a 35-mile zone. His scheduled arraignment date in The Farms is set for Wednesday, June 11.

While on patrol along Mack avenue, Woods Public Safety Officer Thomas Podeszwik received information over the radio that Farms officers were chasing a motorist along Mack near The Woods station.

Officer Podeszwik spotted the vehicle going at a high rate of speed and began his pursuit at speeds exceeding 80 mph. As the driver approached St. Clair Shores, the officer asked the dispatcher to contact SCS police, who quickly joined the chase.

At Nine Mile road and Mack, the defendant attempted to make a left hand turn and was forced to the curb by a SCS scout car. He was then taken to The Woods station.

**Farms Okays Budget**

(Continued from Page 1) ity such as new construction and added housing.

The relatively small amount of the increase is due partially to surplus monies being carried over from last year and a tax collection fee which is anticipated again this year, according to Farms City Controller Carrol Lock.

He said the amount of money to be spent on debt service decreased but almost all other items in the budget increased. He said increases are anticipated in salaries and operating costs, particularly in the area of utilities.

Mr. Bremer said the council members were especially concerned about "holding the line" on costs as they prepared this year's budget.

"They wanted to present the same services at a reasonable rate," he noted.

The public improvement program in The Farms will be continued under the new budget. Mr. Lock said that repairs along portions of Lakeshore road are expected to be undertaken this year.

Certain equipment purchases are called for such as a large load packer for hauling rubbish. In addition, Pier Park improvements totaling \$13,000 and the repair of a pump at the Farms' sewage plant are among budgeted items this year.

### Let's Talk Real Estate

by John E. Brink

A very dear friend of mine owns a home in the \$100,000 range. For the past few years he has asked me on several occasions if we thought we could find him a buyer for his house on a land contract basis, and if so, for what percent? When we told him it was possible to get a solid buyer and at 10% he was elated! His feeling was that he could comfortably retire on the proceeds of his home. His lament now, however, is that he didn't realize this a few years ago because he would surely have investigated the possibilities of an even larger, higher priced home.

This story is true. My friends house has appreciated better than any of his investments and now the possible return is also greater by several percent. You might even say he perhaps should have purchased two homes! The people at Grosse Pointe Real Estate Co., 882-0087 have their fingers on the pulse of situations like this. If you are considering retiring or would like to plan for your retirement, now's the time to let Grosse Pointe Real Estate Co.'s professional representatives work with you too!

#### DID YOU KNOW?

The biggest bargain in housing in almost the entire U.S.A. is right here in Grosse Pointe. Now is the time to consider upgrading.

## Pointe Police Sweep Twin Bill, 12-7, 18-2

By John Kraiza  
In today's baseball world it is said that "dynasties" are a thing of the past, teams like the New York Yankees, (of two decades ago), the Brooklyn Dodgers and the old Gas House Gang from St. Louis.

However, there are teams today who are building reputations as winners, namely the Oakland A's. Some even say the Detroit Tigers are beginning to build for the second coming. But, if it's exciting, fast and interesting games you want to see, the Grosse Pointe Police softball team provides such action.

Continuing their winning ways, the Pointers stayed on top of the Metro Police Softball League with two wins Sunday, May 18. In the opener against St. Clair Shores, which GP won, 12-7, it was a see-saw battle with the lead changing hands three times going into the sixth inning.

In the top of the sixth the Pointers came to bat, down by one run, 6-5. With one out, Farms Patrolman Mark Brecht laced a line drive over the right fielder's head for a home run. This hit seemed to bring new life into the home team. Five consecutive hits produced six more runs capped by a three run homer by Woods Officer Tom Hunke.

While GP won by five runs, the game ended a bit closer than the score sounds. St. Clair Shores pushed two runs across in the bottom of the seventh and a runner was thrown out at home plate on a perfect throw from center-field by Officer Hunke.

St. Clair Shores did not give up as they loaded the bases. Only a tight defense choked off any hope for SCS to pull out a win.

Two weeks ago the Pointers depended on the strength of their bats; this week it was a combination of both. When the clutch hit was needed it was there, but this week, in the Shores game at least, the contest was won on defense. In all, the Pointers hammered 12 runs on 16 hits while giving up 7 runs on 11 hits.

In the second game, however, GP was unable to put down their bats again. Perhaps it's the field. Two weeks ago Memorial Stadium, field #2, produced 28 runs. This week, against the Sterling Heights Police Department, the umpire injected the mercy rule after five innings and called the game complete with the score 18-2 in favor of Grosse Pointe.

Leading the hitting attack was Woods Officer Mike VanDeGinste with a home run and three singles, driving in six runs. Others having perfect days at the plate were Shores Officer John Trevilian and Woods Officer Bruce Marone, both going two-for-two with three RBI's apiece.

Woods Officers Ted Hinz and Pat DeVine also got into the act, both going two-for-three with all four hits going for extra bases.

Park Patrolman Mike Kortas pitched another brilliant game, allowing only eight hits, with four of them coming back to back in the last inning when Sterling Heights scored its two runs.

A diving catch by Officer Van DeGinste, up to middle, ended the game with a double play that had Sterling players talking to themselves wondering what it takes to beat the "team from GP."

The Pointers' next game will be Sunday, May 25, at 9 a.m. at Huron Park, Roseville. The park is located at 104 1/2 Mile road at the dead end of Kelly road. This week's contest will be against the F.B.I.

## Young Swimmer Hurls Fine Game

The Grosse Pointe Swim Club's Billy Babcock, 12, one of the fine long distance swimmers in the State, proved that he can go the distance as a baseball pitcher.

Billy, pitching for the Dodgers of The Woods-Shores Major Little League, hurled a perfect game Thursday, May 8. Not one opponent reached first base as Billy struck out the first 17 batters he faced. The last batter grounded out to first base.

Umpire Edward Bilkovic said it was the finest pitching performance he has witnessed at this level of competition. The final was 5-0.

### FARMS AAA LEAGUE

By Joe Fromm  
The AAA League race has developed into a two team battle for first place between Louisville with a 5-1 record and Portland, one half game behind, with a 4-1 mark.

Both teams won two games last week. Louisville downed Newark on Wednesday, May 14, 8-3, and Phoenix on Saturday, May 17, 9-6.

Meanwhile, Portland swamped Hawaii, 17-11, on Monday, May 12, and outlasted Sacramento, 17-13, on May 17.

Louisville has depended upon pitching and good defense while Portland has relied on power and aggressive base running.

Steve Vinci, (3-1), and Dan Garan, (2-0), have split the pitching duties for Louisville by allowing an average of 4.2 runs per game and only 2.3 hits. They have struck out 83 batters in 35 innings, an average of 2.4 per inning.

Portland, on the other hand, has given up an average of 10 runs per game while scoring 12.6 runs, itself. The team has nine home runs and are led by Erik Anderson and John Meier with three each. Anderson also has four doubles.

Vinci was the winning pitcher against Newark. Mike Hartmann homered for Louisville and Jerry Kalen tripled. C. H. Crane collected a home run and Chris Amore a triple for Newark.

Garan got the Louisville win over Phoenix and helped his own cause by driving in three runs with a double and single. Brian Dalby homered for Louisville and Gordy Farquhar tripled for Phoenix.

Anderson hit a grand slam home run and a double to drive in five runs in Portland's win over Hawaii. Paul Nelson contributed a three-run homer, Dave Chamberlain tripled and Ken Newga got three singles in Portland's 11-hit attack. Mike Kelly homered and Bill Peattie tripled for Hawaii.

John Meier drove in eight runs with two home runs and a single as Portland defeated Sacramento. Chamberlain and Anderson also homered for Portland. Sacramento out-hit Portland 18-13 with Steve Mecke getting a homer, triple and single.

Three singles each were made by John Shamo and Bob Rieth. Mecke and Shamo both went three-for-three against Newark the week before. Paul Berg leads the Sacramento team with a .900 average.

Hollywood, after losing two straight, came back with two wins last week, a 15-2 rout of Sacramento on May 14 and an impressive win over Hawaii 10-1 on May 17. Hollywood with a 4-2 record is in third place, one game out of first.

Jeff Smith gave up only three hits and struck out 13 to chalk up the win against Sacramento. Dave Knott went three-for-three while Smith, Robby Buhl and Brian Gove got two hits apiece for Hollywood.

Mike Connell of Hawaii got the only two hits off Dave Knott who won his second game of the season for Hollywood. Clay Vanderbusche, Gove and Buhl got two hits each for Hollywood. Mark Basile stood out in the field for Hollywood with two fine fielding plays.

Mike Bartoszewski's home run in the bottom of the sixth gave Newark a 9-8 win over Denver on May 17 in an exciting game where the lead changed five times.

Denver took a 1-0 lead in the first on a triple by Brain Schulte and a single by Steve Diola. Newark went ahead 2-1 in its half of the first with back-to-back home runs by Mike Ottaway and Robert Carr.

Denver took a 6-2 lead in the fourth on singles by Schulte, Diola, Mark Sanford and Charles Bay and a double by John Poplawski. A triple by Bartoszewski of Newark in the fourth and home runs by Larry Fromm and Carr, his second of the game, knotted the score in the fifth at 6-6.

Denver went back in the lead 8-6 in the top of the sixth on a walk and Schulte's third straight single. In the bottom of the sixth Peter Gigante led off with a walk, the only walk off Denver pitcher Sandy Davis, C. H. Crane followed with a home run to tie the score at 8-8 and set the stage for Bartoszewski's game winning homer. Danny Doyle, who came in relief in the top of the sixth, got the win for Newark.

The six home runs by Newark in the game gave the

team a total of 11 in seven games. Newark has a 4-3 record to put it in fourth place, 1 1/2 games out of first.

Phoenix took a 10-0 lead in the first two innings against Denver on Tuesday, May 13, and coasted to a 11-6 win. Robert Schmidt chalked up his second win. Mark Brooks hit two homers and Gordy Farquhar had one for Phoenix.

### FARMS CLASS "C"

By John Brooks  
A big win for Columbus came Saturday, May 10, when they defeated Albany, 15-8. Ricky Waugaman was the winning pitcher with some great hitting support from Keith Kovalcik, who pounded a homer and John Hollerbach, who stroked a grand slam home run.

On Monday, May 12, Buffalo edged Toledo, 9-8. Anthony Eugenio had two hits in that game with Scott Moehring the winning pitcher.

On Tuesday, May 13, Syracuse managed to overcome a 4-3 deficit in the fifth when Bill Crow hit a home run with two men on to go ahead 6-4 and win the game. John Kulka had accounted for the first three runs when he belted a homer with two on. Richard Suhrheinrich and Scott Crane pitched for Syracuse.

Columbus handed Richmond its first loss of the season with Columbus notching its fourth win, Wednesday, May 14. On Thursday, May 15, Rochester won its first game of the season, beating Miami, 15-8. George Haggerly was the winning pitcher.

On Saturday, May 17, Rochester continued its winning ways by defeating Toledo. And Syracuse and Richmond found themselves deadlocked in a 0-0 tie at the end of six innings. Richard Suhrheinrich went in for Syracuse in relief of John Kulka and pitched two flawless innings. Syracuse finally won, 1-0.

Meanwhile, Columbus handed Buffalo its second loss by the narrow margin of 3-2. Keith Kovalcik was the winning pitcher. This puts Columbus and Syracuse in a two way tie for first place with identical records of 5-1.

The final game of that day saw Miami even its record at 3-3 as they defeated Albany, 12-3. Ross Kavanda was the winning pitcher with help from the bats of Hobej Echlin and John Macleod.

### FARMS MAJOR LEAGUE

In a belated report from the Pirates' den on Monday, May 5, the Pirates beat the Indians, 5-2. Tom McDonald pitched a one-hitter for the Pirates, while teammates John Hackett and Rick Gallagher rapped out two hits and Greg Lapinski, a single.

With Greg Foster pitching, the Indians then scalped the Phillies, 7-3, on May 13. John Cammett homered for the Indians. Steve Kornmeier had a perfect day at the plate with two singles and two walks for the Indians. John Vens socked a home run for the Phils.

Then, on May 16, the Yankees defeated the Pirates, 8-1, with pitcher Rick Simon going all the way for the Yankees. Glenn Piche started the one-sided score by homering for the Yanks. Erwin Yee and Chris Janis then socked homers. John Hackett knocked in the only run for the Pirates on a solo home run.

The standings as of May 16 show Red Legs, 6-2; Tigers, 5-3; Yankees, 4-4; Phillies, 4-4; Indians, 3-5; and Pirates, 2-8.

**PARK CITY, MAYS ALL AMERICAN LEAGUE**  
 By Julian Thomas

In their season opener Saturday, May 10, the Athletics outlasted the Redlegs, 15-12. For the A's, Bob Smith, Mike Guthat and Chuck Keller had triples, Chuck Benoit, who took the win, had a double, a single and three stolen bases, Jim Thomas had two singles and three stolen bases. Jack Shea took the loss though fanning 14.

In their opener, also on May 10, the Texas Rangers edged the Padres, 12-11, with Eric Grimes taking the win and also contributing a homer. Bill Camp had a bases loaded triple in the bottom of the seventh to drive in the winning run.

On Tuesday, May 13, Texas defeated the Athletics, 8-4, with Eric Grimes getting his second win. Doug Knott belted a homer to drive in three runs. Others contributing to the victory were Rick Tuttle, Mark Sutherland, Wayne Onstvedder, Buddy Kujat and Mike Rieves.

The Redlegs blanked the Mets, 8-0, Wednesday, May 14, with Chris Walter giving up only three hits while whiffing seven and walking three. Hitters for the Reds were Ross Brackett, Craig Griffin and Hash Shalaan. For the Mets, Sam Lucido had a double and a single.

On Saturday, May 17, the Redlegs defeated the Brewers, 7-1, behind the four hit pitching of Ron Zimmerman, who also drove in two runs with a triple. Jack Shea had a homer and Bob MacGillis, a double and triple. For the Brewers, Bill Yott stroked a round-tripper and Ken Stockwell, a double.

Then the Padres dumped the Athletics, 9-4, with Bob Smith picking up the win and also belting a triple. Chuck Benoit had a double, while Skip Stevens had two hits

and stole three bases. Dave Wilson, Drew Frake and Mike Guthat had key hits. Joe Pellerito had a double for the A's.

**MAJOR LEAGUE**  
 In the Major League opener on May 17, the Dodgers rallied from a 4-1 deficit with two runs in the fourth and sixth to win 5-4. John Benoit stroked a two-run single with two out in the sixth.

The Red Sox scored their runs in the second inning with an infield hit, three walks and a three run over-throw.

Paul Wedding was the winning pitcher, giving up only one hit, while Dave Evenden took the loss though fanning 11 batters. Joe Ferris was 2 for 3 for the Dodgers.

In other results, the Indians defeated the Phillies, the Yankees took the Cardinals, the White Sox blanked the Braves, 5-0, and the Giants defeated the Tigers.

**Careers Day At Bon Secours**

Bon Secours Hospital will hold its second annual Careers Day Friday, May 23, from 9 a.m. to 6 p.m. in the hospital's Science Hall. This year's theme is "Help Yourself to a Health Career."

Careers Day is planned to provide interested persons with the opportunity to explore health career possibilities. Booths and displays depicting a variety of health careers will be set up. In addition, counselors from area colleges will be on hand to answer questions.

**ELECTED**  
 Roy Peters, Grosse Pointe funeral home operator, was recently elected president of the National Association of Approved Morticians (NAAM), at their annual convention in Kaula, Hawaii. Mr. Peters has served numerous positions with NAAM as well as serving on the board of directors of the Michigan Funeral Directors Association.

**Parcells PTO Ending Season**

Parcell's Middle School PTO has set Wednesday, May 28, as its last meeting date for the year. That same evening the Annual Spring Concert will be presented by the instrumental music department in the auditorium at 7:30 p.m.

The program will be presented in three segments featuring the School Symphony Orchestra, the Cadet Band and the Concert Band.

Music by the Symphony Orchestra will include a "Fanfare Minuet" by Leland Forsblad, "Variations of the Theme" by Handel, "Bratslava," based on Three Bohemian Folk Tunes by J. Holesovsky, and a novelty composition for string orchestra entitled "Buttons."

The Cadet Band, whose membership is primarily seventh graders, will open its program with the overture "Palamar" by David Bennett. Following this selection will be Frank Erickson's "Balladair" and "Pagant" based on a piano composition "Brisk Game" by Kabalevsky.

Turning to a still lighter vein, the band will conclude with a currently popular arrangement of "Sweet Caroline."

The seventy-five member Concert Band will finish the evening with a concert march "Satellite" by Everett Maxwell, and an arrangement of "Air" composed by Bach and transcribed for band by Philip Lang.

"Arioso" by Clifton Williams and "Encore Blues"

**Baby Sitters' Clinic Slated**

The Grosse Pointe Jaycee Auxiliary will sponsor its Babysitting Clinic this year at the Central Library, 10 Kercheval avenue, on Saturday, June 7. As with prior clinics, class size will be limited to 30 students.

It will begin at 10 a.m. and conclude at 4 p.m., so all students should bring lunches. Punch and cookies will be provided.

The course basically consists of demonstrations given by a fireman and nurse on home and fire safety and first aid, followed by presentations on toy safety and the caring for children of four different age groups.

The sitters' and parents' relationship from business and mutual expectations standpoints also will be discussed.

A written examination will then be given on the material presented and graduation certificates will be presented to all students with passing grades.

Due to the limited class size and popularity of past clinics, registrations will only be confirmed upon receipt of payment. The clinic fee will be \$2 per student. Registration forms are available and can be obtained by calling 882-1625.

 DEVONSHIRE DRUGS

What do the experts say about figure and measurements for ladies? Many complicated methods of calculating ideal measurements have been developed, most of them for use by professional models or screen stars. But most agree on this "When your weight is right for your height and age, the bust should measure eight or ten inches more than the waist. The hips should measure not more than two inches more than the bust." Evaluate yourself. What can you do to make yourself more attractive?

Cleansing preparations and other medications for skin care are available at DEVONSHIRE DRUGS, 16037 Mack on "Tiffany Lane". We carry a complete line of health and beauty aids along with our full professional prescription department. As a safeguard in filling your prescriptions, we keep a record of your health data, allergies and immunities. Using this "profile", we are able to refill any prescriptions you may have lost. Stop in and look over our display of Hallmark greeting cards and Sanders candles. We are open daily until 9 P.M. Call us at 881-0178 for free prescription delivery.

**HOUSEHOLD HINT**  
 Fur coats should be hung on wide-end coat hangers, not on a type likely to pierce the skin from the weight of the coat itself.

**CALCULATING CALVIN'S CORNER.**

**Betcha didn't know.** Being something of a numbers nut, your old friend Calculating Calvin took a poll the other day. And it moved my digit back about three spaces when I discovered an awful lot of people don't realize that you can become a Triple-A member and get all the club services (84 in all) without buying Triple-A's well-known Exchange Car Insurance.

**TripGuard pays off.** Some people overlook it, but you get some terrific personal protection with a Triple-A membership. Every member, for example, automatically gets TripGuard Protection, which pays up to \$200 if you're involved in a collision which disables your car more than 100 miles from home. (This is to help reimburse you for extra food, lodging, car rental and commercial transportation expenses brought on by collision.) Last year Triple-A paid TripGuard claims totaling \$37,500.

**Personal Accident Policy.** Every member also gets a personal accident policy which provides coverage in case of accidental death or injury in connection with travel or recreation. (And here's an interesting fact: The policy also provides accidental death benefits of \$1,000 for children under 16 living at home.) But an accident could never happen to you or your kids, right? Well, last year Triple-A paid off personal accident claims totaling \$481,160. The year before that we paid a total of \$663,723. So accidents do happen.

**Bail Bond.** You'll never need bail bond, right? Well, last year Triple-A advanced \$94,268 in bond money on behalf of its members. Mostly for minor speeding violations in neighboring states who won't accept your driver's license as bond, but who will accept your Triple-A membership card. Thanks to bail bond protection, exactly 2,714 members drove off happily (and a little more slowly) into the sunset last year without having to be detained in jail.

So why not check with a Triple-A membership representative? A Triple-A membership card is really going to save you a lot of money and grief. This is Calculating Calvin bidding you a fond adieu, which is a little nicer than a cheese fondue.

## Austin Netters Set New State Mark in Tourney

By Jim Crockaert  
Austin's sizzling tennis team set a new State record on Saturday, May 17, by capturing 22 out of 24 possible points in the Class "B" Regional Tournament in Port Huron — qualifying six players, (the maximum the State allows), to play in the Class "B" Finals in Kalamazoo Friday-Saturday, May 30-31.

Austin is the first school ever to qualify six players in tournament competition. In singles, Austin qualified Ken Thomas, last year's Class "A" singles champion, and Chris Conti. In doubles, the Friars qualified the teams of Ken Rychwalski - Frank Willard and Brian Murray - Joe Ficarra.

## Letters to The Editor

To the Editor:  
My husband and I would like to publicly thank a resident of the City of Grosse Pointe for caring enough to get involved.

Mr. Ron Gernay, of Lincoln road, witnessed a hit-run accident in which the driver damaged our son's two cars. The accident took place in Detroit.

Mr. Gernay chased the driver and car who caused the accident. When he forced him to stop, the driver threatened Mr. Gernay. In spite of this, Mr. Gernay returned to the scene of the accident and was able to furnish the Detroit police with a description of the car and driver plus the license plate number.

On behalf of our son, Dennis, we want to thank Mr. Gernay for his efforts.

Sincerely,  
Mr. and Mrs.  
Arthur F. Rauss Jr.

## NH Nine Has Rough Stretch

By Bob Evanski  
In recent action, North High School's varsity baseball team won one and dropped three. Lakeview handed the Norsemen a 1-0 shutout. Mike Menzo pitched a four hitter, but an unearned run was all the Huskies needed for the victory. Lakeview had a no-hitter going until Dennis Hermann broke the ice with a sixth inning single.

In their next game, North came back with a 12-4 trouncing over Brablec. Junior Mike Scapini led the onslaught with a three-run homer. Gary Maier and sophomore Dave Walz contributed solo blasts. Brian Trupp went the distance, as he upped his pitching record to 3-3. He also fanned 12 batters, his season high.

In the Warren Consolidated Tournament, North was edged by Sterling Heights 7-6 in the first round. The green and gold allowed five unearned runs which led to their defeat. Sterling Heights later went on to capture the tourney title.

The next time out, Austin squeaked by the Norsemen, 3-2. North was leading at one time 2-0, as Mike Scapini tossed four shutout innings, but he was replaced by Rob Burns, who took the loss.

In their slump, North has dropped from second place to fifth place in the Bi-County League. Coach Frank Sumner said, "We can still win the Bi-County. A record of 10-4 won it last year. By no means has anyone heard the last of North."

Currently North is preparing for the State Tournament. Their first game is Saturday, May 24, against Notre Dame. Notre Dame has won three games from North and coach Sumner believes things will change. Meanwhile the Junior Varsity Baseball Team, after nine games, holds a 5-4 overall mark and a 3-3 league record.

The team has received some solid play from several people. Sophomores Mark Pastoria, Vince Day and captains Mark Clinton and Karl Korneffel, along with freshman Bruce Stafford, Steve Arthur and John Hasse have turned in respectable performances.

## ULS Captures Net Tourney

By Robert Holmes  
University Liggett had quite a rough time of it in the State Regional Tennis Tournament before they won with 17 points to Detroit Country Day School's 16. Yale and Armada finished the event, held Friday-Saturday, May 16-17, in a tie for third with seven points each.

Going into the finals in singles and doubles ULS was one point down to DCDS. The Knights had to win both matches to win the region. Ibor Debryn was playing number one singles against DCDS's number one singles player, and Jim Manning and Mark McDonnell were pitted against the number one DCDS doubles team.

In the singles match Debryn won 7-6, 6-4. In the first set neither player could gain control and it was 6-6 going into a nine-point tie breaker. The tie breaker went to 4-4 before Debryn forced his opponent to make a mistake giving him the win, 7-6.

In doubles action, ULS's pair of Manning and McDonnell had little trouble in disposing of their opponents, 6-3, 6-3.

If Country Day School feels at all disappointed by the outcome they can make up for it today, May 22, when the two clash in a dual match at ULS. On Saturday, May 24, the Knights play in the Metro Conference championships.

**AUTO FACTS**  
by KEN MEADE  
Every repair shop should guarantee its repair work, or so authorities tell us. This guarantee should either be printed on the bill or given to you in writing. When you pay for repair work, your guarantee ought to specify the length of time or the amount of mileage during which it remains in effect. The usual guarantee is for ninety days, or 1,000 miles. Read over the agreement, and be sure you know whether both parts and labor are covered.  
Parts and labor which prove to be defective in normal use for the first 12 months after your car purchase (regardless of mileage) will be replaced without charge under the Chrysler Corporation's warranty and service policy. When you buy a new car be sure you come first to POINTE DODGE, INC., 18001 Mack Ave., 881-7210, where you too can get "The Clincher".  
AUTO FACTS:  
Find a repair shop that has efficient mechanics and charges with a flat rate system.

In his second year as a JV player, Pastoria is currently leading the team in RBI's with eight and has gone 12 for 32, good for a booming .375 average.

Handling the bulk of the pitching has been Tom Pursel, Jim Ziemiecki and Mark Clinton. In his 13 innings of work, Clinton has pitched 26 opponents, and he carries an exceptional 1.61 ERA.

Pursel has been the mainstay of the staff as he has worked 20 innings to date. He leads the pitching corps with a 2-0 record.

Ziemiecki turned in a superb effort against South, when he allowed only two hits in gaining a victory. Coming out of the bullpen, hard throwing left hander Nick Manzella has picked up a win and a save.

In summary, coach Bill Mitchell commented, "We face tough competition in the Bi-County League, but with our team unity and togetherness, along with some improved fielding, we should finish strong."

## Boat Check Set By Woods Club

The Grosse Pointe Woods Boat Club will hold its annual Coast Guard inspection on Saturday, June 7, at the Woods' Lake Front Park.

Members of the Coast Guard Auxiliary will offer courtesy boat safety inspections and will apply 1975 Coast Guard decals to all boats meeting current safety requirements.

The event will be combined with the Club's Annual Pancake Breakfast and "White Elephant" Sale of boating equipment and accessories. Breakfast will be served from 9 a.m.-noon. All residents of the Woods are invited to attend, and there is no charge.

The Grosse Pointe Woods Boat Club was formed 18 years ago for Woods residents to further interests in pleasure boating by providing organized activities and promoting water safety. Membership is \$12 per year per family and is open to all boat owners in the city.

Events range from hayrides, bowling and a Commodore's Ball in the winter to picnics, predicted log contests and cruises to Bob-Lo, Chatham and Sarnia, in the summer.

Further information regarding membership may be obtained by calling Commodore Edward Schwartz at 884-2045.

## GPF Pier Park Opens Monday

The official opening of the Farms Pier Park, Lakeshore road at the foot of Moross, will be Monday, May 26. There will be swimming before then, however, if weather permits.

The new facilities at the Pier should cater to a variety of interests. Tennis courts are available for use every day and should be received in advance on the day of play.

The picnic area is large and contains tables, grills and play space. The pool, which is open from 10 a.m. until 10 p.m., can accommodate up to 600 persons.

Children under age six can use the wading pool which is open from 10 a.m. until 8 p.m. In addition, the children can use the sandy lakefront beach, the lake itself, and the two playground areas.

Pails, shovels, floats, balls and shuffleboard equipment may be borrowed from the check room.

## What Goes On at Your Library

By Arthur M. Woodford  
Chief of Central Library

This summer the first joint U.S.-Soviet space operation will be undertaken. In July, American astronauts and Russian cosmonauts will link up their Apollo and Soyuz space craft which will orbit the earth. The books that will be written about this adventure will undoubtedly make fascinating reading. This week I would like to review several of our new titles as examples of the books that have been written about our various space exploits.

L. B. Taylor's book FOR ALL MANKIND (Dutton) is aptly subtitled "America's Space Programs of the 1970's and Beyond." After launching 300 satellites into space in 15 years, NASA is reaching the end of its "exploratory" phase and moving into an era of "space exploitation" when the benefits of the agency's research will start being felt by the earth-bound taxpayer. For example, communications satellites will be used to monitor pollution and serve as navigational aids to ships and planes. Problems of utilizing solar energy will be solved from orbiting space platforms. Further in the future, the earth's dirty jobs, like mining, smelting, and energy generating, will be conducted on the moon. Taylor is adept at tackling a vast body of information and theory and making it absorbing and easy reading for the layman.

The greatest space accomplishment of our time was undeniably the Apollo moon missions. It is from the Apollo 11 mission that a 1974 National Book Award winner emerged: CARRYING THE FIRE (Farrar, Straus) by Michael Collins. Keeping the non-technical general reader in mind, Collins reviews his life as a test pilot and astronaut candidate, and his experiences in astronaut training and with the Gemini 10 and Apollo 11 missions. Although the monumental Apollo 11 mission is the highlight of the book (Collins orbited the moon while Armstrong and Aldrin walked on it), the record of the author's prior activities in aeronautics and astronautics is just as fascinating and contributes to a greater understanding and appreciation of the Apollo 11 mission. Written with vigor, humor and unusual insight into men and machines, this is an outstanding book and a worthy award recipient.

Because Apollo 17 landed in December of 1972, and because there will probably be no more men on the moon in this century, the results of our moon explorations can now be summarized. This is precisely what Richard S. Lewis does in THE VOYAGES OF APOLLO (Times). Carefully he shows just how each voyage of the Apollo series added to scientific knowledge of the moon, what some of the erroneous early conclusions were and why these incorrect deductions were later rejected.

Thanks to our probes we know that the moon was a planet in its own right; that it had been formed in the inner solar system from a condensate; that it had to be captured to become our satellite. While the author shows we have only scratched the lunar surface figuratively, as well as literally, he proves scientifically and readably that Apollo was certainly no "moondoggle."

It is true that the activities of our astronauts in outer space are well known. What is not so well known is the behind-the-scenes story—the

saga of the scientists and engineers responsible for making the success possible. The story is now told by Beirne Lay in EARTHBOUND ASTRONAUTS: THE BUILDERS OF APOLLO-SATURN (Prentice-Hall). These tireless people, faced with impossible decisions, stubborn peers, and shortsighted bureaucrats, somehow come up with the right answers. Lay, through personal interviews with project engineers and managers, has managed to convey the feelings of frustration, fear, and satisfaction which accompanied every phase of the development. He has organized facts of over two decades of work into an easily-read summary which will give the reader a higher regard for that silver rocket sitting on the launch pad.

Space probes have transformed our knowledge of the solar system, and Martin Caidin in PLANETFALL (Coward) reveals the astonishing new facts which have been discovered about the mysterious worlds which orbit the sun. This book puts the reader into the space probes as they travel away from earth, observing earth's sixty-mile-high clouds and super thunderstorms, taking a close look at the moon, viewing the huge volcanoes and crevasses on Mars, penetrating the thick atmosphere of Venus to its near-molten surface. Concluding with an account of Kohoutek, the brilliant Christmas comet, this is an excellent portrait of what is now known or suspected about the sun and its planets.

## Spencer Sets SH Mile Mark

By Drew Peterson  
With the help of two brilliant performances by senior Bill Spencer, South High School trackmen managed to crunch EML opponent Sterling Heights Stevenson Tuesday, May 13, and then take sixth place out of 17 teams participating in the regional meet Saturday, May 17, at North High School.

Spencer set a school record in the mile while taking first at North and was a triple winner against Stevenson.

Spencer's 4:21.7 mile performance sliced one-tenth of a second off Rick Gross' 1970 time and helped the Devils to 16½ points, good enough to knock off EML opponent East Detroit, who finished eighth in the regional. North won the meet, clobbering everyone, with 62½ points.

Besides Spencer, other qualifiers at the State meet, which is held at Flint North-western High Saturday, May 31, were Pete Fraser, second in the 440 at 51.1, Bill Phillips, third in the pole vault at 12' 7", and the mile relay team, (finishing in second place), consisting of Dan Scherer, Dave Fisher, Spencer and Pete Fraser. Their time was 3:28.7.

Mike Syer collected one-half point by taking fifth in the high jump at 5' 10", but was two places off State qualification.

At Stevenson, the Devils lifted their final EML record to 4-2, and total dual meet record to 5-2. Spencer ran away with firsts in the 880 run in 2:02.0, the 440 dash in 52.8 and the mile relay which finished in 3:33.0. Bob Montgomery gave a fine performance in the long jump, winning the event with 19' 8". Syer won the high jump at 5' 10".

WOMEN'S PAGES

## From Another Pointe of View

By Janet Mueller

If Grosse Pointe ISN'T Decoupage Capital of America by now, it's certainly the art/craft's second city.

Consider: Fred Pagel, of Aline drive, and Mrs. Donald Widell, of Torrey road, were elected treasurer and director, respectively, of the National Guild of Decoupageurs during the Guild's annual convention in Deerfield Beach, Fla., this spring, and Mrs. W. Colburn Standish, Jr., of Rivard boulevard, was re-appointed executive secretary and public relations chairman, overseeing the Guild's national headquarters.

Mrs. Widell, incidentally, is now an official Layman in the Guild, so judged by a national panel during the convention.

Mrs. James Hoyt, of St. Paul avenue, and Mrs. Fred Biglin, of Robert John road, were on hand for all the festivities and activities in Deerfield Beach, too. They participated, as did the Mesdames Widell and Standish, in a National Decoupage Exhibition which attracted over three thousand viewers in two afternoons.

Mr. Pagel, with six years' experience in the decoupage field, is considered an authority in color and design. Mrs. Widell, vice-chairman of the Guild's

## Short and to The Pointe

Lieutenant MICHAEL A. RICE, Michigan State University Department of Public Safety, recently returned from Armorer School at Smith & Wesson, Springfield, Mass. The son of MR. and MRS. L. A. RICE, of Hawthorne road, was graduated in 1965 from Grosse Pointe South High School and in 1969 from MSU and is now a resident of East Lansing.

Represented in the exhibition of paintings, drawings, graphics, ceramics and prints by graduating seniors of the Consolidated Art Department of Marygrove College and the University of Detroit which ran through May 10 in the fourth floor galleries of Marygrove's Liberal Arts Building were Pointers KATHRYN STEWART and TOM KOZAK.

Receiving degrees from Ohio State University during winter commencement ceremonies were ROBERT ALBERT BOCA, of Belanger road, Master of Arts, and MARCIA ANNE CLARK, of West Doyle place, Bachelor of Fine Arts.

Airman DOUGLAS D. DRYSDALE, a 1972 Grosse Pointe North High School graduate, son of the DONALD G. DRYSDALES, of Paget court, has completed Air Force basic training at Lackland Air Force Base, Tex., and is remaining at Lackland for specialized training in the security police field.

Grosse Pointe South High School graduate GREG BRECHT is one of four members of the current Wayne State University baseball team continuing climbs in the WSU All-Time Top Ten Batting Listings they seriously began last spring. Greg, an All-American hopeful this season, is 13th in batting at .316 after a .308 season last year and a current .357 mark.

LESLIE I. GRUCA, daughter of the EDWARD P. GRUCA, of Lakepointe avenue, a freshman at Green Mountain College, Poultney, Vt., where she is majoring in Retail Management, has been appointed to Green Key, selected on the basis of good citizenship, academic proficiency and leadership potential to serve as counselor to next year's incoming freshmen and act as official campus guide and hostess. Leslie is a Grosse Pointe South High School graduate.

## Advise Patrons of Holiday Mart Move

MRS. JOSEPH L. HUDSON, JR., (right), patron chairman of this year's Planned Parenthood Holiday Mart, launched the 1975 Mart with a letter to patrons announcing a new outlook and a move to the Raleigh House in Southfield. As hostess for a recent addressing session in her Ridge road home, she shares the excitement of plans to expand the Mart's market and offer many new, fun shops with Grosse Pointe area chairman MRS. ARTHUR BUHL HUDSON. On October 14, 15 and 16, stores from all over the country

will again offer a profusion of hard-to-find gifts in a fund-raising event that is a traditional favorite with Pointers. And again, in addition to all the new help from the Birmingham area, Planned Parenthood League continues to count on the enthusiasm and support of Grosse Pointers, such as committee members Mr. and Mrs. John B. Ford, III, Mr. and Mrs. Edsel B. Ford, II, Mr. and Mrs. Hudson Holland, the Mesdames George E. Parker, III, and William J. Denier, II, Miss Bethine S. Whitney and many others.

ter of the EDWARD P. GRUCA, of Lakepointe avenue, a freshman at Green Mountain College, Poultney, Vt., where she is majoring in Retail Management, has been appointed to Green Key, selected on the basis of good citizenship, academic proficiency and leadership potential to serve as counselor to next year's incoming freshmen and act as official campus guide and hostess. Leslie is a Grosse Pointe South High School graduate.

Among athletes honored by Columbia University's varsity "C" Club at its 53rd annual Awards Banquet April 20 was Pointer PETER JOOS, member of the swimming team.

Air Force Reserve Airman NANCY C. BARRY, a Grosse Pointe South High School graduate, daughter of the PATRICK A. BARRYS, of Sunningdale drive, has been graduated from Air Force basic training at Lackland Air Force Base, Tex., and will receive specialized training in the armaments systems field at Keesler Air Force Base, Miss., before returning to her AFRES Unit at Selfridge Air National Guard Base.

CATHERINE DRAPER, daughter of the JAMES DRAPERS, of Merriweather road, has been accepted into the Swarthmore College Honors Study Program, now in its second 50 years of existence. She plans a major in Political Science and a minor in History.

Member of Michigan State University's meat judging team which won the Great Plains Invitational Meat Judging contest at Sioux Falls, S.D., April 5 is Pointer CAROLE BROWN.

BESS HICKEY, daughter of the EDWARD HICKEYS, of Washington road, has been elected panhellenic representative for Kappa Kappa Gamma sorority at Denison University. The Grosse Pointe South High School graduate is a Denison sophomore.

Appearing in several roles in the Albion College Players' production of "The Caucasian Chalk Circle" is junior SUSAN HENDRIE, daughter of MR. and MRS. JOHN A. HENDRIE, of Deming lane.

A chamber recital presented recently at the Adrian College Spencer Music Hall

honored Pointer CASS PIOTROWSKI who in 1973 gave his personal 1,200-volume Lincoln Book collection to Adrian. The recital featured a violin made in 1644 by Matthias Albanus and a cello,

viola and violin made by Adolph Krug in 1895, instruments presented to the College by Mr. Piotrowski and his friends.

## Annual Meeting For DSO Women

Special Projects Proceeds Total \$105,713.90 This Year; Money Has Been Allocated to Orchestra's Development Fund

The annual meeting and luncheon of the Women's Association for the Detroit Symphony Orchestra, held April 30 at the Detroit Golf Club, was highlighted by presentation of a check in the amount of \$105,713.90 to Marshall W. Turkin, DSO executive director.

The presentation was made by Mrs. William R. Shaw, Association president for 1974-75, who also introduced Mrs. Harry W. Taylor, newly-elected Association president.

This year's gift check represents profits from special projects conducted by the Women's Association on behalf of the Orchestra throughout the year.

The sum is allocated to the Development Fund, administered as an annual campaign to help make up the difference between DSO expenses and income.

Among special guests were Maestro and Mrs. Aldo Ceccato. The Orchestra's music director offered personal congratulations to the women assembled.

Conductor-in-Residence Paul Freeman and Mrs. Freeman also were present at the head table.

The Women's Association elected a slate of officers and directors for the 1975-76 musical year headed by Mrs. Taylor.

Mrs. John T. McMullen, of Detroit, will serve as first vice-president, Mrs. John D. French, of Birmingham, Mrs. Robert E. Dewar, of Bloomfield Hills, and Mrs. Norman Bolz, of Winthrop place, as vice-presidents.

Mrs. Robert J. Crossen, of Tonawanda place, is the new recording secretary.

Mrs. Joseph G. Juett, of Birmingham, is the assistant recording secretary. Mrs. Donald Glossop, of Dearborn Heights, the corresponding secretary, Mrs. H. Wayne Nelson, of Bloomfield Hills, the treasurer, Mrs. Bernard Craig, of Bloomfield Hills, the assistant treasurer, and Mrs. John W. Griffin, of Detroit, the parliamentarian.

Directors include Pointers Mrs. Charles M. Endicott, Mrs. Robert Kaiser and Mrs. Ray W. Macdonald, Mrs. Raymond B. Parker, of Detroit, and Mrs. John L. Denman, of Birmingham.

of Anita avenue, assistant professor of Surgery, Wayne State University School of Medicine, has received a \$7,000 Michigan Heart Association grant to develop means of predicting the point where the narrowing of a blood vessel becomes critical.

Participating in groundbreaking ceremonies for Wayne State University's second high rise apartment building recently was WSU vice-president RONALD W. HAUGHTON, of Cloverly road.

## Jackson-Kramer Vows Exchanged

Ruffles Accent Bateau Neckline, Cuffs and Hem of Bride's Ivory Peau de Soie Gown; Lace Trims her Ivory Illusion Veil

At home in Belleville, N.J., after a Florida vacation are Mr. and Mrs. Henry Charles Jackson, Jr., whose wedding Saturday, May 10, in Sacred Heart Chapel of the Grosse Pointe Academy was followed by a reception at Lochmoor Club.

Mrs. Jackson is the former Nancy Ann Kramer, daughter of the Stanley F. Kramers, of Lincoln road. Mr. Jackson is the son of Mr. and Mrs. Henry Charles Jackson, of Nutley, N.J.

For the 6:30 o'clock rites at which Father William Downey presided, the bride chose a floor length gown of ivory peau de soie, fashioned with a ruffled bateau neckline and Empire waist.

Her skirt ended in a matching ruffle, as did the cuffs of her long sleeves, and she wore a fingertip veil of ivory illusion trimmed with re-embroidered lace.

White roses, stephanotis and ivy formed her round

bouquet. In blue-patterned ivory voile Empire frocks, long-skirted and trimmed with lace at neck and sleeves, were Mrs. Robert Freund, who served as her sister's honor matron, and bridesmaids Judy Lasensky, of Milwaukee, Mrs. Tod Bush, of Arlington, Mass., and Mrs. Russell Mann, another sister of the bride, from California.

They carried round, dried bouquets in shades of blue and ivory.

Donald Jackson was his brother's best man. Ushering were Joe Ryan, of Lansing, Pa., Peter Minck, of Upper Saddle River, N.J., and David Kramer, the bride's brother.

## Detroit Library Friends Slate Annual Meeting

Jeanne Dixon, America's most celebrated psychic, will be guest speaker at the annual meeting of the Friends of the Detroit Public Library next Thursday evening, May 29, at 8 o'clock in the Friends Auditorium at the Main Library.

The public will be admitted at 7:45 o'clock. The Friends will hold a brief business meeting prior to Mrs. Dixon's appearance, and a private dinner in Adam Strohm Hall at the Main Library prior to the meeting.

Reservations and other information may be obtained by calling 833-4048.

Mrs. Kramer selected a beige chiffon blouson gown, featuring a floor length, pleated skirt, for her daughter's wedding. She pinned cymbidium orchids to her purse.

The bridegroom's mother wore a panel-skirted gown of rose Qiana and a cymbidium orchid shoulder corsage.

Among the guests were the bride's paternal grandmother Mrs. Burt Davey, of Grosse Pointe, and the bridegroom's brother-in-law and sister, Mr. and Mrs. Gary Martelli, of Nutley.

At an evening ceremony Saturday, May 10, in the Grosse Pointe Sacred Heart Chapel NANCY ANN KRAMER, daughter of Mr. and Mrs. Stanley F. Kramer, of Lincoln road, was married to Mr. Jackson, son of the Henry Charles Jacksons, of Nutley, N.J.

## John A. Butler To Claim Bride

The engagement of Patti Lynne Cox and John A. Butler has been announced by her parents, Mr. and Mrs. William S. Cox, of Corona, Calif.

Miss Cox was graduated from Corona High School and the University of California at Santa Cruz, with a major in Sociology. She is currently doing graduate work in the Harvard Department of Sociology.

Mr. Butler, son of William G. Butler of Lexington road, and Mrs. Barbara A. Butler of San Francisco, was graduated from Andover Academy and Stanford University. After a tour of duty with the Peace Corps he is now finishing doctoral work at

## Fire Engine Demo Slated

The University Liggett School Fair, (formerly Carnival), is scheduling a fire engine demonstration for Saturday afternoon, June 7, tentatively slated for 2 o'clock. Both Grosse Pointe Woods and Grosse Pointe Farms have expressed great interest in participating.

At least one truck from the Woods will be on display—and very possibly more, depending on equipment availability.

ULS sees this demonstration as a fun family activity that will also be instructive.

And remember: this year, for the first time, there is no ULS fair admission charge. The Fair will run June 6 from 4 to 10 o'clock and June 7 from 10 to 10 at University Liggett's Cook Road campus.

## Kalohn-Perrin Rites Are Read

Jennifer Graham Perrin, daughter of former Pointers Mr. and Mrs. Norman C. Perrin, who now make their home in Lakeville, and Paul Robert Kalohn, Jr., son of the Paul R. Kalohns, of Oxford, were married Saturday, May 10, in Saint Alfred's Episcopal Church, Lake Orion.

The Reverend Lowell D. Schlanbusch presided at the double ring ceremony which was followed by a reception at Addison Oaks Conference Center, Addison Township.

The newlyweds vacationed in northern Michigan and are making their home in Ypsilanti while both continue their studies at Eastern Michigan University.

Pearl-encrusted Alencon lace accented the bodice and

skirt front of the bride's white peau de soie gown. A headpiece of stephanotis and baby's-breath caught her cathedral veil.

Mrs. Thomas Milham came from San Raphael, Calif., to serve as her sister's honor matron. Her twin daughters, Carrie and Katie Milham, were flower girls.

Bridesmaids were Phyllis Ashley, of Holly, the bridegroom's sister, and Marion Tucker, of Lakeville.

Best man was Peter J. Kalohn, Jr., of Oxford, a cousin of the bridegroom. In the usher corps were Richard Kalso, of Lake Orion, Harry Curtis, of Oxford, and junior usher Michael Kalohn, the bridegroom's brother.

Mrs. Blain will entertain in her lake court home at cocktails preceding the party.

## Show To Highlight Early Americana

Preview Party Wednesday Evening, June 11, Will Precede 10th Anniversary University Liggett Antiques Display and Sale

The 10th Anniversary University Liggett Antiques Show opens Thursday, June 12, on the ULS Middle School Briarcliff drive campus. It will continue through Friday and Saturday, June 13 and 14.

"It ties in neatly with the United States Bicentennial," says general chairwoman Mrs. Harold Frank. "We're highlighting Americana furnishings and art objects — which are, incidentally, rapidly rising in value."

Mrs. Frank is also serving as national chairperson of the Bicentennial for the Girl Scouts of America.

Honorary Antiques Show chairman is Mrs. Edsel B. Ford. Advisory and general committee members include the Mesdames Charles W. Adams, Thomas Dossin, F. R. Old, Joseph Primo, Frederick Sloan Ford, Horace C. Ford,

William Clay Ford, Frank A. Germack, and Walter Simmons, II.

More are the Mesdames Henry J. Zukowski, W. Gerald Warren, Richard D. Anslow, Charles J. Merritt, H. Kennedy Nickell, John R. Murphy, William Cunningham, Charles M. Endicott, Walter B. Fisher, Thomas E. Swantek, Gordon B. Riggs, Raymond P. Robbins, Robert McKean, Willis L. Gaw, Ross Roy, Ben F. Stormes, Palmer T. Heenan and James M. Kennary, Jr.

Still others are the Mesdames Wilfred Livermore, Charles MacKinnon, John G. Martin, Samuel B. Sherer,

Nelson Robertson, James L. Schroth, Marj Levin, Hugh G. Harness, Willard P. Kerr, Alexander Georgopoulos, Robert G. Hartwick and R. E. Hinz, Mr. and Mrs. Russell R. Noble, the Misses Nancy Noble, Joan Primo, Dorothy M. Stevenson and Amy Swantek, Mr. and Mrs. James Preemo, Walter Simmons and Russell Carrell.

The University Liggett Antiques Show has been called the most prestigious in Michigan. It features 40 dealers from 17 states exhibiting and selling their wares.

Stalker and Boos will be on hand for the second year to give verbal appraisals on furnishings, paintings, books or art objects.

"Everyone seems to be going through attics and basements these days to see what's of value," says Frank Boos, who offers this advance tip: works by 19th century Detroit artists are increasing in value.

"Look around for a Robert Hopkins or Douglas Arthur Teed," he advises.

The \$1 verbal appraisal charge, along with all proceeds from the Show, benefits University Liggett School's Endowment Fund.

Russell Carrell, of Salisbury, Conn., is directing the Show again this year. Hours will be noon to 10 o'clock Thursday and Friday, noon until 6 Saturday.

Appraisal hours are 2 to 4

o'clock all three days and 7 to 9 o'clock Friday evening.

The popular Walking Tours will be conducted by exhibitors at 11 o'clock Friday and Saturday mornings. Individual admission is \$2.50. A \$3 admission includes a Walking Tour and catalogue.

Group tours for 10 or more persons can be arranged at \$5.50 per person, including the Walking Tour, a catalogue and lunch.

A gala red, white and blue Preview Party, to which the public is invited, is scheduled for Wednesday, June 11. Party tickets at \$25 per person include cocktails and a buffet supper. They are available through the Antiques Show office, 886-9229.

## Mt. Holyoke Club to Meet

The annual meeting of the Mount Holyoke Club of Detroit will be held at the Grosse Pointe Club at noon next Wednesday, May 28. Mrs. Alfred Sloat, a trustee of the college, will speak on "Issues Before the Board Today."

During the short annual business session following of officers serving terms from May, 1975, to May, 1977, will be presented, including Mrs. William Salot, of Muskoka Road, vice-president/hospitality.

President is Mrs. Ugo Zappalò, Vice-president/program is Mrs. William Foster, III. Recording and corresponding secretaries are, respectively, Mrs. Sidney Prysotowsky and Mrs. Elisio Vieira. Treasurer is Mrs. Steele Sellers.

Standing committee chairmen are Mrs. Robert Leidich, of Rathbone place, schools contact, Mrs. David Wenzler, of Lochmoor boulevard, publicity, and Mrs. Sellers, Alumnae Fund. The Mesdames Hoyt Steward, Garvin Bowden, Jr., and Don Cargill will serve as board members-at-large.

All alumnae and friends who would like to attend may contact Mrs. Leidich for further information.

## Rites In St. Paul's For Carol Couzens

### Country Club Reception Follows Noon Nuptial Mass During Which She Speaks Vows to Lawrence Roy Marantette

Mary Carol Couzens, daughter of Mr. and Mrs. Frank Couzens, Jr., of Lothrop road, and Lawrence Roy Marantette, son of Mr. and Mrs. David Theodore Marantette, of Oxford road, were married at a noon ceremony Saturday, May 17, in Saint Paul's-on-the-Lake Shore.

The Nuptial Mass was offered by The Right Reverend Monsignor Francis X. Canfield.

Anne Marie Couzens, Carol's sister, was maid of honor. Her other sisters, Mrs. Thomas V. Cliff and Mrs. Michael W. Crandall, were bridesmaids, as were Susan Simmons and Alicia Ferrell. Carter Marantette was best man. Ushers included the bridegroom's other brothers, David T. Marantette, III, and Thomas M. Marantette, Mr. Crandall, Dr. Denis Chagnon and the bride's brothers, Frank Couzens, III, and William Ulrich Couzens.

Carol's brother-in-law, Mr. Cliff, was lector. John Manning Couzens, her youngest

brother, and their cousin, Leo J. Brennan, III, served as altar boys.

The bride's white silk jersey gown was styled with a high neckline V of white illusion embroidered with seed pearls and crystals, long slender sleeves edged in illusion and pearls, and a cathedral length train.

She wore a cathedral mantilla of handmade Belgian lace and carried a bouquet of white roses and stephanotis.

The maid of honor and bridesmaids' dresses of cornflower blue and white printed voile were fashioned with high necklines and capelet-effect sleeves, their picture hats of sheer white straw

## Pointers Are Honored for Service to Red Cross

Among Red Cross volunteers and staff serving Central Wayne County honored recently at the Annual Volunteer and Staff Recognition Ceremony held at Detroit headquarters of the Southeastern Michigan Chapter, American Red Cross, were 35-year-pin recipients Mrs. E. E. Draper, of Lothrop road, and Mrs. Harry B. Howenstein, of Lakeshore road.

Mrs. Draper has devoted her time exclusively for the last several years to being Chapter historian in the Office of Public Relations. Joining Red Cross in 1940 to help the war effort, she served

as co-chairman of the Surgical Dressing Unit.

Until 1960 she continued in this area of volunteering, making dressings and cancer pads. For a short time she worked in the information booth at Chapter Headquarters in Elizabeth street and was an office volunteer, performing general clerical duties.

Mrs. Howenstein was first appointed to the Red Cross board of directors in 1940. During World War II she worked as a production volunteer, sewing bandages, jackets and other items for servicemen overseas.

During her long tenure on flowers were ivory roses. Setting for the reception following the ceremony was the Country Club of Detroit.

Carol and Larry will live in Grosse Pointe.

the board, Mrs. Howenstein has served as a member of the executive committee and several of the standing and administrative committees of the Chapter.

Her most recent assignment was to the Fund Raising Steering committee, which raised more than \$1 million from private foundations and individuals for the Chapter's new building.

Among those receiving 30-year pins at the Recognition Ceremony was Miss Charlotte Peabody, of Kercheval avenue.

Among a corps of 50 women who met recently to address invitations to the fourth annual Hutzel Hospital dinner-dance, to be presented this year Saturday, May 31, at Hillcrest Country Club, were Pointers, (left to right, around the table), MRS. RAYMOND LEONARD, MRS. FARWELL MAYCOCK, MRS. VERNOR DAVIS, MRS. KENELM WINSLOW, MRS. RUSSEL CHAUVIN and MRS. RICHARD HANNA.

Members of the South Macomb Soroptimist group are hostesses. Special guest Carol Smith, a past international president, will be the installing officer.

The next regular business meeting of the Grosse Pointe Soroptimists is scheduled for 7 o'clock Wednesday, June 11, at the War Memorial. Plans will be made for a racetrack party in July and the annual fall rummage sale, scheduled for October 2 and 3.

May 28 Breakfast at Christ the King Lutheran Church to Be Hosted by Church Women's Guild; Service Open to All

In observance of Michigan Prayer Vigil Week, the Council of Lutheran Women, in cooperation with the Michigan State Women's Committee, is sponsoring a Prayer Breakfast at Christ the King Lutheran Church, Mack avenue at Lochmoor boulevard, Wednesday, May 28, at 10 o'clock.

State Mothers across the country joined together to conduct a National Prayer Vigil which began last October in Alaska.

Michigan will be the final link in this prayer chain, and Governor William G. Milliken has issued an official declaration stating that

## Alpha Mu DKG Cites Mrs. Gies for Service

Mrs. Fred Gies, of Harcourt road, was named Retired Woman of Distinction by her own Alpha Mu chapter of Delta Kappa Gamma Saturday, May 17, at a luncheon at Lochmoor Club.

Mrs. Gies was honored for her contributions of time and talent to the chapter from the date of her initiation in November, 1956. She is presently serving as treasurer of Alpha Mu.

The May 17 program included initiation of five new members: Barbetta Balcerik, Lydia Demeulemeester, Betty Lois Durkin, Kerin Kopeck and Janice Smale.

Five inscribed silver bowls were presented to five members of Alpha Mu retiring from their teaching careers this year. The ladies are Jennie Dombrowski, Manerva Johnson, Blanche Kefgen, Evelyn Kyzival and Leona Weler.

The retirees were delighted by each individual presentation crafted to cover a role or incidents that occurred during their teaching years.

## Trial Garden Spring Planting to Begin

Annuals Go Into War Memorial Beds May 27, 28 and 29; Vicky Joy is Chairman, Sue Russell Co-Chairman of Project This Year

Once more it's time for the spring planting of Grosse Pointe Garden Center's Trial Gardens, providing a blaze of color on the lakeside lawn at the War Memorial, blooming all summer and into late fall until heavy frosts erase their beauty.

Few visitors know the story of how the Trial Gardens came into being in 1950 at a Garden Center board meeting, although for 25 years many people from the community have worked to create one of The Pointes' most perfect gardens, open daily for the enjoyment of the community and its visitors.

This year's Trial Garden chairman Mrs. Richard P. Joy, III—Vicky to her friends—has a background of two years of practical horticultural training, (required in England before entering horticultural college), at The Royal Gardens, Windsor, growing potted plants, cut flowers and vegetables for the Queen.

Co-chairman Mrs. Robert Russell, now first vice-president of the Garden Center, was Trial Garden chairman last year and has been an active, working Trial Gardener for some time.

Vicky and Sue are making numerous 5:30 a.m. trips to Eastern Market to order and purchase the best, and some different, varieties of annuals for a May 27, 28 and 29 planting of the flower beds.

They are also contacting perennial growers and will make a start on the perennial bed early in June with the help of monetary gifts from garden clubs and generous donors in The Pointe.

This year, each one of 16 participating garden clubs

has a Trial Garden representative who acts as an intermediary between the Trial Garden committee of the Garden Center and her own club members.

Mrs. Frederick W. Campbell, Mrs. William Cole, Mrs. Robert M. Peabody and Mrs. Henry S. Walker are other members of the 1975 Trial Garden committee. Mrs. David C. Lowe, a former chairman, is in charge of the bulletin board in the garden.

In April the club representatives met so each could draw for a week's Trial Garden maintenance work by her club members, pulling from a bowl a packet of seeds with a weekly date. Each club sends volunteers to weed and water the plants from Monday until the following Monday.

Since there is no gardener employed on a full-time basis, without these volunteers the Garden Center could not maintain the flowers.

A local landscape firm goes in once a month to trim hedges, bushes, trees, et al, and to fertilize the evergreens.

In the beginning, participating garden clubs used to be given an allocation of \$25 and space for a flower bed which each planned with approval of the committee. Results were judged and awards given each year.

This plan continued until 1972, when the committee

recommended a new way: planting the gardens primarily for beauty and enjoyment by the community, with easy upkeep, rather than for experimental purposes.

The gardens have not been truly experimental because of limited funds and lack of plant material from growers. Years ago, when there were many private greenhouses, members used to select new seeds from each year's catalogues and start them in flats in their greenhouses.

Now it seems pointless and too costly to try new varieties when professional growers raise plants that are proved successful in this area and climate. Results are achieved because the gardens show what will flourish here and provide a practical as well as aesthetic example for local home gardeners to follow.

Leaving no stone unturned, the Trial Garden committee has prepared the flower beds for annuals by putting on leaf mould, aged manure and a weed preventative well ahead of planting dates.

Background beauty of the present gardens is the result of the 1972 Trial Garden committee's new structural plan by a landscape architect that added brick walks and planting of the hillside overlooking the gardens, with evergreens for easy maintenance.

The main garden is laid out in a square area about 40 feet on each side with brick walks radiating from the hub, "a battered granite stone which ground the grist in the days when the Indians' bark canoes traversed Lake St. Clair."

This bit of history is an excerpt from a report given to the Garden Club of Michigan in the early years of Garden Center by one of its founding board members, Miss Christine Edwards, who remains a dedicated Garden Center director and member of many committees.

Miss Edwards' report started with a poetic note exemplifying the spirit and love for the gardens which have kept them going for a quarter century with tender loving care:

"A breeze stirs the water against the concrete retaining wall, freshens, and spray dances over the young green grass, against the roots of budding honeysuckle and dogwood. It cannot quite reach the newly turned beds beyond.

"From the Grosse Pointe Garden Center windows, (the second floor of Alger House), we have watched the last drifting ice float by and the ore boats begin to plod their steady way to the ports up north.

"Soon the bare beds below will break out with a rash of tiny plants that by mid-summer will be a rainbow of color — the latest 'All America' winners will be flaunting their reputations before the eyes of gardeners and flower lovers, and those who come searching for beauty and peace."

This summer's gardens will be the result of hundreds of hours given by many hundreds of hands.

Workers are too numerous

to list, but included below are the participating clubs and their representatives who will recruit the volunteers: Windmill Pointe Garden Club, Mrs. Erik Erikson; Grosse Pointe Study Group, Mrs. Elmore Frank; Grosse Pointe Woods Garden Club, Mrs. Carl Berndt; Little Garden Club, Mrs. Thomas May; Pointe Garden Club, Mrs. James Stewart; Junior League Gardeners, Mrs. James Brock; Grand Marais Farm and Garden, Mrs. Edward Cole; Suburbia Garden Club, Mrs. John Zimmerman; Trowel and Error Garden Club, Mrs. Alfred Goolsbys; Grosse Pointe Shores Farm and Garden Club, Mrs. Jarvis Schmidt; Grosse Pointe Park Garden Club, Mrs. Margaret Heffler; Grosse Pointe Farm and Garden Club, Mrs. John Mulford; Deeplands Garden Club, Mrs. Stewart Davidson; Garden Club of Michigan, Mrs. H. James Gram; Grosse Pointe Garden Club, Mrs. Nal Candler; Village Garden Club, Mrs. Bill Brink.

Member of the Lake Superior State College women's varsity softball team is Pointe freshman ANNE MAGEE.

The wedding will take place Saturday, June 21, at the Parker residence.

Miss Edgar, who is also the daughter of Robert B. Edgar, of Lincoln road, is a member of the Junior League of Detroit. She affiliated with Pi Beta Phi at Hillsdale College. She is a granddaughter of the late Clayton A. Grinnell, founder of Grinnell's, and the late Mark K. Edgar, former news and editorial writer of the Grosse Pointe News.

## Engaged

Mr. and Mrs. Fredrick W. Parker, Jr., of Washington road, have announced the engagement of her daughter GAY GRINNELL EDGAR, to Edmund Ross Ahlgrim, son of the late Mr. and Mrs. Edmund Carl Ahlgrim, of Detroit.

Miss Edgar, who is also the daughter of Robert B. Edgar, of Lincoln road, is a member of the Junior League of Detroit. She affiliated with Pi Beta Phi at Hillsdale College. She is a granddaughter of the late Clayton A. Grinnell, founder of Grinnell's, and the late Mark K. Edgar, former news and editorial writer of the Grosse Pointe News.

### Home Again At Shadow Lawn

Carolyn and Russell Lucas are home again at Shadow Lawn in East Jefferson avenue, celebrating spring on the shores of Lake St. Clair.

Before long, of course, they'll be off once more, to celebrate summer as they always do at Seven Gables in Huron City, the 19th century lumber town lovingly restored by Carolyn as a tribute to her family, pioneers in Michigan's "Thumb" area.

But for now they're here, at home, and happily recalling the last half of a long vacation in Florida, (the first half wasn't so good—a combination of bad weather and bad luck—but the last half was lovely!), spent on Key Largo, in a villa near the Ocean Reef home of Carolyn's son-in-law and daughter, Chuck and Betsy Arms, of Shaker Heights, O.

It was an especially Banner Day when Mrs. Lucas' oldest grandson, Mike, his wife, Kay, and their three boys, 12-year-old twins and a seven-year-old, sailed in on their 40-foot yacht after SIX MONTHS' cruising in the Caribbean!

They were all tanned to mahogany, bursting with tales of their great adventure, healthy and happy.

Carolyn was happy, too, delighting in their happiness . . . and VERY glad to see them safely home.

### Tribute To A Good Man

Carol De Gaetano, of Beaufait avenue, was guest of honor this spring at the annual Awards Program given by Wayne State University's Department of Romance Languages and Literatures, during which the Armand De Gaetano Award for Excellence in Italian Studies was presented to this year's winner, Frank Ricci.

It's a gift of \$100, to be awarded annually—and Carol couldn't think of a more fitting tribute to her late husband.

## Girl Scouts Say 'Thank You' to Pointers

Photo by Paul D. Remy

Girl Scout Thanks Badge recipients MRS. WILLIAM COX, of Grayton road, (left), and MRS. THOMAS GALLAGHER, of Hampton court, (right), accept congratulations from MRS. THOMAS COULTER, of Westchester road, president of the Girl Scouts of Metropolitan Detroit. The two Pointe women were among six adult Girl Scout members awarded Thanks Badges for their outstanding volunteer contributions to the Scouts at GSMD's recent annual meeting.

Sally Cox and Mae Gallagher are both current Girl Scout leaders. In addition, Sally is a neighborhood chairman and Girl Scout trainer, Mae a Council delegate representing her Scout neighborhood.

Mrs. Cox, a Girl Scout member for 18 years, has been a day camp director and served on a GSMD task force to plan a leader training weekend and a Cadette Scout camping weekend. She was instrumental in developing SpaceShip Earth II, the Council-wide ecology program.

Her other community activities include service as a PTA officer, working with the Business Men's Association of Grosse Pointe to organize the annual Thanksgiving Day parade, participating in the Torch Drive and helping to coordinate the annual Easter egg hunt and Christmas carol sing.

Mrs. Gallagher, a 20-year Girl Scout member, is primarily responsible for the development of Girl Scouting in her neighborhood during the past 10 years. She initiated the annual Junior Scout Dad-and-Daughter Dinner and the Girl Scout flag ceremonies conducted at local PTA meetings.

She began a Girl Scout service project with Northville State Hospital and serves as the GSMD Council liaison with the Detroit Youth Theatre.

On the community level Mrs. Gallagher is involved in all aspects of school activities. She has served as a Boy Scout den mother and coordinated several special Boy Scout activities. She also participates in the Torch Drive and works with her local and Easter Seals campaign amateur theater group.

### Italian-American Law Wives Aid Diabetics

Italian-American Lawyers' Wives, at their last regular meeting of the year at Lochmoor Club, presented a contribution to Dr. William Rush, representing the Michigan Diabetic Association and director of Medical Education at Saint John Hospital.

The IALW donation will sponsor a diabetic child at Camp Michida.

Dr. Ruth was guest speaker at the gathering, assisted by Dr. James J. Aiuto and Don Donigan, Michida's youth director, who showed slides.

Mrs. Robert Anderson, president of the State Law-

yers' Wives, installed incoming officers of the Italian American group, including Mrs. Marion Impastato, president, Mrs. Samuel Gigante, vice-president, Mrs. John Pollina, recording secretary, Mrs. Gaeton Urbani, corresponding secretary, Mrs. Joseph Cassese, treasurer, and Mrs. John Basso, historian.

A sterling silver bowl was presented to Mrs. George Cotichio, of Lakeland avenue, outgoing president, in gratitude and appreciation of her leadership during the past two years.

The meeting closed with a program of singing by Mrs. D. L. Pucci.

### Slate Evening Group Meeting

The Evening Group of Grosse Pointe Memorial Church Women's Association will meet at 8 o'clock next Tuesday, May 27, at the Church to view Rip and Fern Zwickie's pictures of Russia. Miss Janet B. Cooper will give the devotions.

Hostesses are Mrs. Jack Lefebvre, Mrs. Glenn S. Lockwood and Mrs. Kryn J. Nagelkirk.

### Sisters of St. Joseph Friends Set Card Fete

The Friends of the Sisters of Saint Joseph for Poor Missions will sponsor a luncheon and card party, with prizes, next Thursday, May 29, at noon at Saint Clare de Montefalco Church Hall.

Donation is \$3. Tickets will be available at the door and may be obtained in advance by contacting Mrs. Norbert Madison, 885-1747, or Mrs. John Madison, 372-4658.

Enjoying a recent vacation in Sun City, Ariz., were MR. and MRS. HAROLD JINKS, of Lakepointe avenue.

## Pointe Quester Meeting Slated

The historic Moross House in East Jefferson avenue will be meeting place for the Grosse Pointe Chapter of Questers and their guests tomorrow, Friday, May 23, at 10 in the morning.

"The Regency Period" is topic of guest speaker Mrs. John King Reid, of Windsor, who after studying at the New York School of Interior Design returned to Toronto as assistant to the director of T. Eaton Company.

Hostesses for the day are Mrs. Frederick Schumann, Mrs. Hazen Keith and Mrs. Fred Studer.

Mrs. Runar Anderson, of Neff road, was recently welcomed as a new member of Grosse Pointe's oldest Quester chapter.

## Twelve Oaks Business Women Meet Tuesday

Twelve Oaks Charter Chapter of the American Business Women's Association will meet at 6:30 o'clock next Tuesday, May 27, at the Schmid House in East Twelve Mile road. Detroit high school teacher Florence Lytle will be the vocational speaker.

## Clark Women's Club Honors Its Officers

Clark Women's Club honored its officers for 1975-76 with a brunch at Lochmoor Club yesterday, Wednesday, May 21.

President Mrs. Arnold Matthews will continue in office for a second year, assisted by Mrs. Ernest Gillespie, first vice-president, second vice-president Mrs. Harry Haehl, recording secretary Miss Elizabeth Doyle, corresponding secretary Miss Helen Palmer and treasurer Mrs. Russell Sabiston.

Speaker Joseph Valente talked on the different characteristics and values of gems and presented a display of current fashions in jewelry.

## Grand Marais Club Convenes

Grand Marais Garden Club held its annual meeting at the Moross House in East Jefferson avenue at 10:30 o'clock last Thursday, May 15. Hostesses for the day were Mrs. William A. Cole, chairman, Mrs. Earl Meyer and Mrs. Donald Schuur.

After the meeting Mrs. Eugene Karpus, Moross House docent, gave some background material concerning the historic house and conducted a guided tour, including the lovely gardens, before the group adjourned across the street for luncheon at the University Club.

Hidden view of Lake
Almost every first floor room opens onto secluded patios with a view of the freighters strolling up and down the lake. Master bedroom shares this same view from the second floor. Huge family room with wet bar and fireplace, precious formal dining room and exquisite private living room. This residence custom built by owner who spared nothing. A person would be hard put to find objections to this superbly designed home. If this isn't all, you'll appreciate the cul-de-sac and the artistic "New Orleans" entrance court yard. Beautifully landscaped. Call for an appointment right now!

Like a Plush Resort
Beautifully designed residence that literally explodes from a warm cozy winter estate into one of the most pleasant summer homes in Grosse Pointe. Beautiful landscaping cradles the entire property and hides the crystal clear heated swimming pool except for the view from the family room. There is a separate apartment for guests which even has its own special kitchen and bar. Don't let price fool you because there is a large assumable mortgage that probably makes this house easier to buy than many others at lesser prices.

882-0087
Grosse Pointe Real Estate CO.
Prestigious but not Pretentious
Protected court yard enters from formal living room and Private library with fireplace. View of golf course like a little bit of heaven. This is a residence for people who desire comfortable rich surroundings — the kind you can't buy today. Almost every bedroom has fireplace and attached bath. The family room views the golf course and adjoins the large dining room with fireplace. Novel second floor laundry and sewing center. Priced at \$138,000 hard to beat!

SIX FIRST OFFERINGS

ANOTHER truly fine custom built brick ranch is offered by Edgar & Associates. Situated on the prestigious street of South Renaud, this elegant three bedroom ranch features a family room and a library as well. A finished basement includes a recreation room with fireplace, wet bar and plenty of working room plus a laundry room. It has central air conditioning and a zoned sprinkler system. Market - priced to sell.

ANOTHER brick ranch is situated on a 100x180 fenced lot near the lake. Features a family room plus a screened and enclosed terrace which is 35' long. Large bedrooms, 2-car attached garage and gas heat. All for only \$44,900.00.

BEAUTIFUL LAKE VIEW — Exquisite two bedroom condominium with one full and one half bath. From your private terrace you can watch the activity on Lake St. Clair. Central air conditioning and an attractive assumable mortgage.

ON DEEPLANDS, certainly one of the great streets in Grosse Pointe Shores, we are proud to offer this five bedroom colonial with generously proportioned rooms which include a large family room with fireplace and heated garden room. The magnificent grounds are serviced by a sprinkling system and the house faces a fourteen acre private estate.

ONE OF THE BETTER three bedroom colonials we have had the privilege of listing. In the Grosse Pointe Farms this recently redecorated colonial features a large kitchen, central air conditioning and a two car garage. Offered at \$47,000 it should move quickly.

A DEAD END STREET IN THE FARMS makes this new four bedroom colonial even more attractive, but when you consider the house also offers a step-down cathedral ceiling family room, first floor laundry room and attached garage the house has a great deal to offer.

BY APPOINTMENT PLEASE

A ONE OWNER Colonial in beautiful condition comes highly recommended to those who want three bedrooms with two second floor bathrooms. There is a fireplace in the family room plus a paneled den and the garage is attached.

A GREAT HOUSE IN A GREAT LOCATION. For the family which requires three bedrooms yet desires something different in their new home this could be the place. There is a first floor den, a large kitchen and an enormous screened and covered porch. A hall bath and lavatory on the second floor serve the three bedrooms. Priced far below the average house in the block.

WE ARE PROUD and you will be too of this low maintenance, five bedroom house in the Farms. There is a den and family room and the entrance hall features a circular staircase. Spread out on a beautiful lot just half a block from Lake Shore. Price reduced for a prompt sale.

THIS ONE IS IN THE SHORES and also just a few feet from the water's edge. This almost new Southern colonial offers everything a new house should. It is centrally air conditioned, has a spacious Mutschler kitchen, family room with fireplace and barbecue, wet bar and ice machine. There is also a den, a first floor laundry room and the two car garage is attached.

A STATELY HOUSE located in the Farms just a few feet from the Lake has become even more attractive because now it is available for purchase. Designed by Albert Kahn Associates, this petite mansion offers a large entrance foyer with marble floor, a large formal living room with magnificent fireplace and the dining room, library and living room all face the lake. Five bedrooms and four baths comprise the second floor. This one will appeal to everyone... we wish we had more.

One of Four Won by South

By Lisa Roumell South High School's baseball team, played four games last week, one of which was a pre-district contest against Finney. South won the pre-district but lost the other three games. Its record through Sunday, May 18, stands at 5-13, while its Eastern Michigan League tally is 2-7.

On Tuesday, May 13, South lost to L'Anse Cruese North, 6-3. This league competition marked the second time these teams have played one another. South won the first meeting.

Bob Glass pitched the whole game for South giving up eight hits. Only one run was charged to Glass. The other five runs were the fault of 14 South errors.

Rick Pfeiffer, John Beebe, Glass and Brian Cammett hit for South. While the Devil pitching and hitting were far better, their abominable fielding un-did anything good they accomplished.

On Thursday, May 15, Port Huron Northern defeated South, 5-3, in a league game. Although South lost, they played a good ballgame and hit well.

Bill Abraham, who went all the way, lived up to Coach George Duditch's pre-season expectations with a fine performance. All five Port Huron Northern runs were unearned for Abraham, who gave up only two hits.

Pfeiffer, Chad Morris, Glass, Mark Blanche and Russ Herdon hit for South. And Blanche also made a fine catch in left field to highlight the game.

On Saturday, May 17, South played Finney in pre-district action and won 3-1. The game, which took place at South, was the Devils' first victory after 10 straight defeats.

Ed Schervish hurled the entire game for South and gave up only one hit. South had five hits with Glass and Morris socking doubles for the Devils.

For South, a good play at FOOT IN MOUTH Freedom of speech is no asset to those who speak volumes—they usually end up on the shelf.

Austin Has 13-8 Record

By Jim Cnockaert The Austin Friars, getting tough, first-game pitching from junior Dan Matzka, split a double-header with Allen Park St. Francis Cabrini on Sunday, May 18. The split gives Austin a 13-8 overall season record with one game remaining. Austin finished in third place in the Central Division with a 5-3 record.

The Friars topped Cabrini in the opening game, 8-1, with Matzka giving up six hits, walking one and striking out seven. Juniors Dino Carbone and Phil Colletti had two hits apiece in the game.

Cabrini took the nightcap, 8-2, the only two Austin runs coming on the fourth-inning double by Tom Costello.

The Friars dropped their last Central Division game to league co-champion Notre Dame, 3-0, on Thursday, May 15. Junior Mike Smith took the loss, giving up four hits, walking two and striking out 11.

Junior pitcher John Pollack smashed a home run and threw a five-hitter as the Friars knocked off Royal Oak Shrine 4-2 on Wednesday, May 14. Pollack walked three batters, while striking out eight.

Against North High School, Austin rallied for three runs in the last two innings to give freshman pitcher John DeBets a 3-2 decision on Tuesday, May 13. DeBets gave up six hits, while walking three and striking out 10.

Third-baseman Colletti leads the Friars with a .315 batting average. Colletti has 23 hits in 73 at-bats, including a bases-loaded, game-winning double in the first game against Notre Dame. Carbone, a catcher, is second with an average of .288.

In the pitching department, Matzka has a 4-2 record. He has given up a total of 18 walks while striking out 51. Smith has a 3-2 record, walking 20 and striking out 57. Pollack's record is 4-1, with 19 walks and 29 strikeouts. DeBets is 2-2 and sophomore Frank D'Anna is 0-1.

**What Is A Condominium?** ... It's a dramatic concept in real estate ownership whereby a person can own his own apartment home in a multiple unit apartment project and enjoy many of the benefits which heretofore have been restricted to individual home owners. Condominiums make possible the individual financing, buying and selling, insuring and taxing of each unit. The apartment home you buy will be in an established community where you can expect value appreciation on your investment. DR. WILLIAM VINCENT TAYLOR, OF MOROSS ROAD

By Janet Mueller

Dr. William Vincent Taylor's term as 80th Potentate of Detroit's Moslem Temple, head of 17,000 Shriners, ended last January. Now if you really do the job you're supposed to do as Potentate, it's almost a full-time job, so Dr. Taylor, a practicing surgeon, admits he stepped down after his year as Potentate with "a great sense of relief."

Turns out that sense of relief was more than psychological. A kidney stone flared up election night, so Dr. Taylor and his wife, Ruth dashed off in mid-ceremonics, (he stayed long enough to register his official vote for his successor, of course), to Cottage Hospital.

That's where they spent the night. Remembering, they laugh about it. There's very little the Taylors enjoy more than a good laugh, together.

### Enjoy Life Together

They're two people who frankly like each other, and frankly enjoy life.

They've been everywhere. Japan, Hong Kong, Spain, Portugal, the Canary Islands, Morocco, Jamaica, Canada and Mexico, "of course," and the Greek Islands, and the French and Italian Riviieras. East and West Germany, Austria, Switzerland, the South Pacific: Australia, New Zealand, Tahiti, Taiwan, Hawaii "two or three times."

Ask Dr. Taylor when he's going off again, and you'll get his standard answer: "The second."

Ask for a bit more specific information—"The second of WHAT?"—and you'll get his standard riposte, (face it: you've bitten), "The second I get the money!"

Vince Taylor remembers his father, who worked as a farmer all his life. "He got in a rut, couldn't enjoy life..."

Vince and Ruth are enjoying.

### Leaving a Legacy

It's the legacy, illustrated with pictures from their travels, they'll leave their sons.

William Vincent Taylor, II, a Vietnam veteran, first lieutenant with the 101st Airborne, is a practicing attorney now, graduate of Detroit College of Law. Bill lives in Dearborn.

Robert R. Taylor is following in his father's footsteps. Bob's a third-year pre-med student at Case Western Reserve University.

Both boys are Sons of the American Revolution. The family settled in the south: Vince, born in Mayfield, Ky., retains, proudly, his "hillbilly" accent.

His grandfather was a physician, the traditional hard-working country doctor.

Vince earned his Bachelor of Arts degree, plus numerous athletic awards, from Murray State University. After service as an Army Air Force pilot during World War II, he picked up his M.D. from the University of Tennessee Medical School, then came to Detroit to serve as a resident intern at Grace Hospital. A surgical residency at East Side General Hospital followed.

### Have Country Place

Along the way, on June 6, 1942, he'd married a fellow southerner, Ruth Rowland.

a game; sometimes I won, sometimes he did."

### Surprised His Son

Vince continues to ride with the Shriners' Arabian Horse contingent. His most recent appearance was in the Firemen's Parade in downtown Detroit, where he caused at least one spectator to do a double-take. Lawyer son Bill, putting in a regular working day, paused on a corner to let the parade go by, and looked up...

Later that day, Ruth got a call. "Was that dad I saw riding in the parade downtown?"

As 80th Illustrious, ("I never," Vince admits, "got used to that 'Illustrious'"), Potentate in the Detroit Temple's 93-year history, Dr. Taylor put in some extraordinarily long days.

He tried to hold his operations early in the morning, so he could get down to the Temple around 10 o'clock, answer mail and "delegate" the duties that could be delegated. After lunch he became Dr. Taylor again during office hours. At night it was back to the Temple, where Illustrious Potentate Taylor met with committees representing different parts of the Shrine organization.

### Busy With Ladies

Fortunately, Ruth didn't have much time to miss him. She was busy heading the Shrine ladies. Ruth's not much of a sit-stiller, either; among her pet projects is a cookbook, compilation of Shrine ladies' recipes, (including many of her own), that she got together, got printed and sold over 1,000 copies of, all proceeds going to Shrine charities.

Both found the year hectic, rewarding and fascinating. The Energy Crisis turned out to be Dr. Taylor's biggest buggaboos: for a while it looked as though there would be no fuel for heating the Shrine Circus. Vince finally signed the fuel contract at 11:30 the night before the Circus started.

Each year, the Moslem Temple puts on the largest indoor circus in the world.

It's a three-ring circus with two stages, running 17 days, offering 37 to 39 shows. It usually opens the last Friday in January. "We have a Circus chairman, and that's really a full-time job. He's one of the few salaried people in the Shrine."

### They Hire Promoter

"We hire a promoter. Our Circus budgets range from \$110,000 to \$120,000 annually." That sounds like an awful lot of money, but it's using money to make money. Detroit's Shrine Circus, largest and most successful throughout Shrinedom, provides the funds for the Shrine's administrative/operating expenses, plus money for the Shriners' major philanthropy: Crippled Children.

Membership dues go to Crippled Children, too, and each Shrine unit and club has its own special project through which funds for Crippled Children are raised.

Vince's year as Illustrious Potentate was a banner year for Shrine philanthropies. "We gave \$10,000 to our old

Reason to Be Proud As a man, a doctor and a Shriner, Vince Taylor is proud of that record of accomplishment. As Illustrious Potentate under which it was compiled, he can feel especially proud.

"My most prized possessions," Dr. Taylor maintains, "are my sons." One corner wall in the Taylors' family room is Bill and Bob's corner; their pictures, in various ages and stages, adorn it. Right around the corner hangs Dr. Taylor's second most prized possession: a plaque, replica of the Book of Gold listing those whose contributions to the Shrine are beyond estimation. The Book of Gold has been placed in every Shrine Hospital. William Vincent Taylor, M.D., is the first name on the Book of Gold's roster.
