Police Officers Pact Approved in Woods

(Continued from Page 1)

cedures for corporals, sergeants and lieutenants and sets specific criteria in each instance.

Mr. Petersen noted that employees will receive a minimum call back time of three hours at the rate of time and a half for all breathalyzer operations under the new pact. It used to be two hours at time and a half.

Sick Leave Provisions

The city administrator also pointed out that the 1975-76 contract says in the event of the death of any regular full-time employee within the bargaining unit, the employee's surviving spouse and/or estate will receive payment for 100 percent of the deceased employee's unused accumulated sick leave days.

Both Mr. Petersen and Officer Desilets commented about another provision in relation to sick leave.

This section says that as an incentive bonus, there will be added one bonus day to each qualified employee's sick leave bank if no sick leave is utilized in a continuous four month period, and one bonus day for each additional continuous four month period in which no sick leave is used.

Formerly, officers earned a bonus sick leave day if they went six months without any sick leave and another two days if they went six months without any sick leave.

While the maximum total of bonus days is still 15, (including sick leave with pay at the rate of one working day for each full month of continuous service), Officer Desilets felt more bonus days would be lost under the former plan.

In taking an overall look at the agreement, Mr. Petersen said much of it put in effect various general policies which have been observed in the department over a period of years.

He cited these provisions:

- Education and/or experience requirements—All officers shall complete two years of college from a recognized and accredited institution or shall have attained five years of practical police experience by December 31.
- An employee's personnel record shall be reviewed after 36 months of satisfactory service and all disciplinary matters appearing in his record shall be destroyed.
- Other stipulations in the contract include:
 - Under Joint Responsibilities — There shall be no strikes, concerted failure to report for work, slowdowns, or stoppages of work, nor any lockouts, during the term of the agreement; nor during any period of time while negotiations are in progress between the parties for the amendment or renewal of the pact.
 - Education Emphasis — A new employee will be on probation without seniority until he has been employed for one year. At the end of this period, he will be entered on the department seniority list as of the first day of his employment. An employee may be laid off or terminated at the discretion of the public safety director without recourse to the grievance procedure during the probationary period.
 - Private employment during off time may be permitted in the cases where its performance does not conflict with the city's interest and does not reduce the employee's ability to perform his duty of employment within the city. Officers who wish to accept outside employment must receive prior approval from the public safety director.
 - An emphasis upon continuing education — The employer will encourage any employee to continue his education by providing, as an incentive, the reimbursement of any personal expenses for tuition costs, providing that several requirements are met, e.g., the education course was offered through a recognized and/or accredited college or university.
 - Members of the bargaining unit will be permitted to have unlimited residence boundaries.

In reviewing the months of bargaining Mr. Petersen said, "Negotiations with the GPWPOA this year were carried out effectively without any major disputes arising between the two parties. Both parties, in my opinion, bargained in good faith."

The city administrator also gave credit to Officer Desilets and other members of the negotiating team, (Youth Service Division Det. Patrick Fagan, Officers Michael Vandeginste and Stephen Petrik and Cpl. Thomas Kerving), for their high level of bargaining.

"Contrary to previous negotiations in prior years, both parties respected one another's position and set forth to arrive at a fair and equitable settlement," added Mr. Petersen.

Meanwhile, Officer Desilets said, considering the current economic climate, the officers basically got a good contract.

"Negotiations went very smoothly for both the association and the city. There were no tough times. We sat down and agreed mutually," he stated.

The pact remains in force until June 30, 1976.

Suspect Faces Circuit Court

A 21-year-old St. Clair Shores man was bound over to Wayne County Circuit Court for trial on a charge of uttering and publishing, (U-P).

This action was taken at the examination of Michael Krausman in The Woods Municipal Court on Wednesday, June 25. Conviction on this charge can mean up to 14 years in prison.

Krausman is now scheduled for a Circuit Court hearing on Tuesday, July 22, police said. At his exam, personal bond in the amount of \$5,000 was continued.

He was arrested on June 10 after attempting to cash a check at Manufacturers National Bank, 21303 Mack avenue. Police stated the suspect allegedly stole a blank check, made it out to himself for \$85 and then endorsed it.

At the scene, bank personnel checked with Father John Sullivan of St. Lucy's Church, St. Clair Shores, on whose account the check was written. Father Sullivan told officers he didn't write the check.

Krausman was held at the bank by personnel until police arrived.

MD Carnival Raises \$33.31

A backyard carnival to raise money to help fight muscular dystrophy was held Tuesday, July 1, at the Fairholme road home of Mr. and Mrs. O. J. Schroeder. Their daughter, Cindermarie, served as ringmaster for the event which netted \$33.31.

She was assisted by her brother, Krys, and friends Chris Ekin, Susie Schweikart, Becki Davis, Barbara Heck and Shelly Defore.

The carnival was held from 12-4 p.m. and featured a spook house, bean bag toss, dart throw, bowling, pot ball and ring a duck game. Lemonade, brownies and pop-sicles were available, too.

Last year, in cooperation with Muscular Dystrophy Associations of America, 39,543 carnivals were held by children across the country and over \$1,172,661 was raised for the association's research and patient service programs.

Spirit of '76?

Robert Roney, of 840 Lakeshore road, thought he would inspire some patriotism in Fourth of July travelers with this revolutionary soldier painted on the fire hydrant in front of his home Wednesday, July 2. He and his four children had no sooner finished painting this relic of our revolutionary past before a representative of today's government showed up—to issue a ticket. Mr. Roney will go before Shores Municipal Judge J. Patrick Denis on August 27 in violation of local Ordinance No. 138, (defacing public property). For his defense, Mr. Roney plans to look for a historical precedent. "I wonder what the guys at the Boston tea-party were fined?" he asked.

Two Youths Steal 21 Car Tires
 Twenty-one automobile tires were stolen from the Standard Gas Station, 16821 Kercheval avenue, in the Village, on Sunday, July 6. Two youths, one from The Pointe and the other from Plymouth, were arrested on larceny charges. Both are scheduled to appear in court on August 13.

According to reports, police received a call at 2:20 a.m. saying that two boys were spotted tampering with the tire racks at the station. Officers checked the area and found a 1972 station wagon backed in the Silloway and Co. Real Estate office parking lot, 16825 Kercheval. The car was loaded with tires. Upon closer inspection police apprehended the two youths from their hiding places under and behind the

Woods Okays Sidewalk Fair
 The Woods Council gave "Pointe North," a group of merchants, its permission to hold a Sidewalk Fair on Saturday, August 2, from 10 a.m.-7 p.m. The vote was 5-2 in action taken at a recent council meeting.
 At the same time, the solons stipulated that any sales of merchandise via the fair take place within "Pointe North's" group of stores which include Lochmor Jewelers, Needles and Knots, Inc., the Vinegarten, Joseph's Pastry Shop and Kaleidoscope, all in Mack avenue.
 The request also must be subject to the approval of the Wayne County Road Commission, with the public safety department being advised of such action.
 During the discussion of the proposal, the council expressed some concern over the promotional aspects of the fair and felt no sales should occur on the sidewalk.
 Councilman John Sabol, who along with Councilman Conrad A. Naegel nixed the

request, for example, said that "things have a way of deteriorating into a flea market type of situation."
 However, Martin Fentner, who represented the businessmen, said no sales would be held on the sidewalk and everyone would be directed into the various stores.
 He also noted the fair would be a display of arts and crafts.

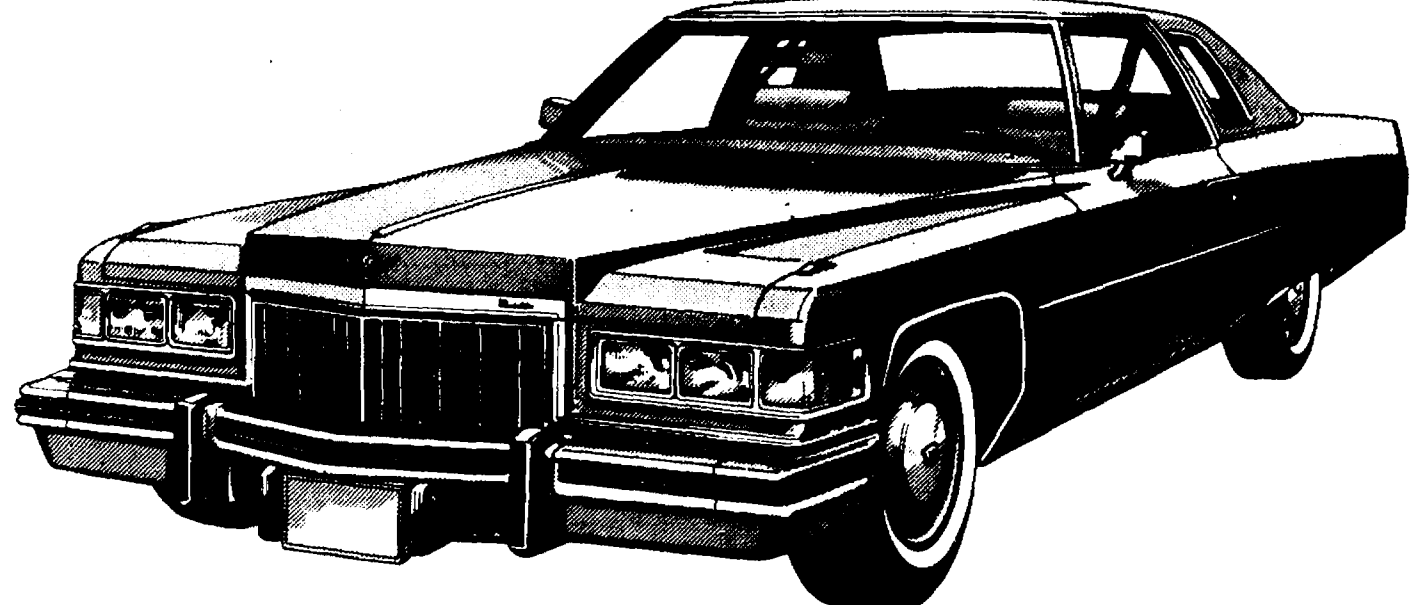

Relocate Sun Shelter at Park
 The sun shelter at the Lake Front Park will be relocated as The Woods Council unanimously concurred in the recommendation of Parks and Recreation Director Donald J. Hallmann and the Citizens Recreation Commission on this.
 This action was taken at a recent regular council meeting.
 The sun shelter, (20'x22'), will be relocated to an area adjacent to the new tennis courts.

Concluding the weekend's activities will be the drawing for prizes. First prize this year is a trip to Las Vegas for two for four days and three nights. A bonus is \$200 in spending money for the winner.

Main Planners

Planning for this year's regatta was under the direction of overall regatta chairman Don Burns, who also is rear commodore of the boat club. The finance chairman is Dr. Len Bartoszewicz, while the brochure chairman is Tom Ochalek.

His position is especially important for without the money the brochure raises the rest would not be possible.

The Boat Club commodore is John Murphy, vice commodore is Bob Maddox, secretary is Betty Lardner and treasurer is George Gerow.

Fire Rips Through Home

(Continued from Page 1) thony LaBonty, and firefighters Joseph Clarke and Casper Allor, suffered thermal burns from the heat and were taken to the hospital for treatment.

Several other firemen overcome by the thick, black smoke, were given oxygen at the scene, and returned to fight the fire.

Paintings Saved Chief Costa said the fire had a good start when firefighters and equipment arrived at the Faudman residence.

Firemen rushed into the house, bunched together most of the furniture, covered it with tarpaulin and carried out about 10 or 15 valuable paintings from the building.

The chief stated the fire was confined to the third floor, which was totally destroyed, but if it were not for the assistance of the other departments, who responded under the Mutual Fire Aid Pact, the entire home might have been totally destroyed.

"I am deeply grateful to departments of The City Farms and Harper Woods for the help rendered at the Faudman home," Chief Costa said. "Mutual Aid worked to perfection. Although the men of our department were on the scene the manpower and equipment would not have been enough."

"With the aid of the departments who helped, the fire was confined to the top floor; otherwise, the house would, I'm sure, have burned to the ground."

Praises Police "I also wish to express my thanks to the police officers of our city, who did a magnificent job of keeping vehicular traffic moving smoothly by detouring them from the area, and for keeping back the numerous people who were there watching."

He said the fire was brought under control in about one hour and extinguished approximately two hours after firefighters arrived. About another hour was spent cleaning up and making certain that the fire was completely out, the chief added.

Parks Packed

(Continued from Page 1) The Friday crowd at the Lake Front Park was given as 4,044, Saturday it was 3,228, and Sunday it was 3,439.

The Shores' park attendance exceeded that of a good normal Sunday, which officials stated, would be between 600 and 700 persons. Friday's figure was 1,147, Saturday, 858, and Sunday, 930.

Pointers Now Stand at 12-0

The Pointe police softball team swept a twin bill, one via a forfeit, on Sunday, June 29, to up its Metro Police Softball League Blue

Division mark to 12-0. No games were scheduled on Sunday, July 6, because of the holiday weekend.

With the wins, the Pointers are assured of at least a tie for the division championship.

After the forfeited contest courtesy of Fraser, GP blasted Warren No. 2, 11-1, behind Park Patrolman Mike Kortas' six-hit pitching. He has been the winning hurler in all 12 of the club's games.

The Pointers socked four homers including three two-run blasts from Shores Officer Archie Grieve and Woods Officers Bruce Marone and Michael VanDeginste. Farms Patrolman Mark Brecht smashed a solo round tripper.

Woods Officer Pat DeVine led the hitting attack in going three-for-four while Officers Grieve, VanDeginste and Brecht, along with Woods Officers Thomas Hunke and Mike Cavanagh, went two-for-four.

The Pointers do not resume Metro League action until Sunday, July 20. However, the team will participate in the State Fraternal Order of Police Slow-Pitch Softball Tournament in Flint Friday-Sunday, July 11-13.

A total of 36 teams are scheduled to take part, including the possibility of several outstate squads.

New Voters Offered Many Helpful Hints

By Teri Mageau

For all you 18-year-olds, or soon to be 18-year-olds who want to take part in the democratic process, i.e., voting, but haven't the slightest idea on how to go about it... read up!

First of all, you have to be qualified. You've already met the age requirement, so there is no problem there. But you also have to be a citizen of the United States, have resided in your city for at least 30 days, and be registered by your city clerk.

Now, how do you get registered? Walk into your city offices, (the addresses and hours are listed below), and tell them you want to register. Just bring some kind of identification—a driver's license will do.

You have to make sure, however, that if you want to vote in the next election, you register in enough time. Election laws state you must register before the fifth Friday preceding the election in which you wish to vote.

That means, for any Pointe citizen, you must register by October 3 for the November 4 election.

What if you're not going to be 18 until October 15, or even November 3? That's okay—as long as your birthday falls before November 4 you can register (All you fourth babies... sorry, but you'll have to wait until next year).

For all those college students who are going away next fall, you have two choices. You can either register in the city where you'll be attending school, or in The Pointe. Both are perfectly legal and each have their advantages.

Some students prefer to vote at school, feeling that since they spend the greater part of the year there, that's where their vote will mean the most.

Others stay registered in The Pointe because that is where they are home based. They feel that their votes in school and millage elections are most important. But it's up to you.

The important thing to remember is that you can't keep changing your registration. Once you're registered in a specific city, that's it. You can't vote in Ann Arbor in the fall and Grosse Pointe in the summer. Residency rules prohibit it, so keep that in mind when you choose your city.

And keep up on the issues. An informed voter is a wise voter.

Now, here are the addresses of city offices and their hours:

The Park—15115 East Jefferson avenue, phone 822-6200. Hours: Monday-Friday, 8:30 a.m.-5 p.m., except Wednesdays when offices are open until 6 p.m.

The City—17147 Maumee avenue, phone 885-5800. Hours: Monday-Friday, 8:30 a.m.-4:30 p.m., except Wednesdays when offices are open until 6 p.m.

The Farms—90 Kerby road, phone: 885-6600. Hours: Monday-Friday, 8:30 a.m.-4:30 p.m., except Wednesdays, until 6 p.m.

The Shores—795 Lakeshore road, phone 881-6565. Hours: Monday-Friday, 8 a.m.-5 p.m.

Let's Talk Real Estate

by John E. Brink

WHAT IS REAL ESTATE

I am the basis of all wealth, the heritage of the wise, the thrifty and prudent. I am the poor man's joy and comfort, the rich man's prize, the right hand of capital, the silent partner of many thousands of successful men. I am the solace of the widow, the comfort of old age, the cornerstone of security against misfortune and want. I am handed down to children, through generations, as a thing of greatest worth.

"CHOICEST FRUIT OF TOIL"

I am the choicest fruit of toil. Credit respects me. Yet I am humble. I stand before every man bidding him know me for what I am and possess me. I grow and increase in value through countless days. Though I seem dormant, my worth increases, never failing, never ceasing, time is my aid and population heaps up my gain. Fire and the elements I defy, for they cannot destroy me. My possessors learn to believe in me; invariably they become envious. While all things wither and decay, I survive. The centuries find me younger, increasing in strength.

SOUND, UNFAILING

The thrifless speak ill of me. The charlatans of finance attack me. I am trust-worthy. I am sound. Unfailingly I triumph and detractors are disproved. Minerals and oils come from me. I am producer of food, the basis for ships and factories, the foundation of banks. Yet I am so common that thousands, unthinking and unknowingly, pass me by. I am Real Estate.

Center Stages Kids Programs

Following movies in the Fries Auditorium, Youth Council members will stage carnival and field games in the back yard for the small fry. Ice cream and pop will be available for purchase. Balloons also will be distributed to all by 3 p.m., going home time.

Senate Bill Irks Woods

The Woods Council unanimously supported a resolution by Councilwoman Joan M. Mullin expressing the solons' opposition to Senate Bill 673, which "purports to impose upon 'home rule' cities state-wide conditions of eligibility for unemployment compensation benefits," according to the measure.

This action was taken at a recent council meeting.

Stressing the city's consistent stand for the concept of "home rule" and the right of local communities to govern themselves and resolve local problems on a local level, the resolution says the council feels that the bill is a further encroachment by the State upon the "home rule" concept, guaranteed by the State Constitution.

As a result, the council urges the defeat of the bill in the Senate.

Copies of the resolution were sent to Sen. Patrick H. McCullough, Sen. Joseph Snyder, Sen. John Hertel and Rep. William Bryant.

Striving for Housing

(Continued from Page 1) A complex not only for themselves but for others who will soon become senior citizens.

In other news on the seniors front, Mrs. Sutton said a "terrific crowd" of some 300 people attended the first anniversary celebration of the Woods Heritage Group, senior citizens organization, on Thursday, July 19, at North High School.

At the session, which featured a Bicentennial skit under the direction of Mrs. R. Goodhand, Mayor Benjamin W. Pinkos presented Mrs. Sutton with a proclamation citing June 19 as "Senior Citizens Day."

The proclamation congratulated the Heritage Group on its first anniversary and noted the contributions of seniors to the welfare of the community with their participation in city affairs.

Mrs. Sutton said she felt the council was receptive to the seniors program, "recognizing that we're a strong force in Grosse Pointe Woods."

In another area, Mrs. Sutton said she was pleased that she was invited to attend a meeting of the Citizens Recreation Commission this week in an effort "to find out what seniors want in this area." Mrs. Sutton and another citizen were scheduled to represent the seniors at this session.

Little League Results

FARMS "CLASS C" By John C. Brooks

In the final week of the regular season there was much excitement among the ranks of the Class "C" players.
The top four teams had been decided by this point but it was definitely undecided who was going to slip into the number two spot.

On Monday, June 16, Richmond won its 10th game of the year defeating Buffalo in a hard fought battle, 3-0. Brett Augsberger had the big stick for Richmond as he blasted a three-run homer.

Russ Whittle, the winning pitcher, notched his seventh victory of the season.

On Tuesday, June 17, Albany and Toledo completed a game that had been deadlocked at 19-19. The contest dated back to May 22.

It turned out to be Toledo's most exciting game for it was their single victory of the year. The final score was 20-19 with Tim Youngblood pitching two scoreless innings for Toledo. The winning hit came off the bat of Eric Carlyle with the bases loaded.

Immediately after the completion of that game Toledo and Albany played their regularly scheduled game with Albany winning 11-10. The winners barely held off a last inning effort by Toledo, who scored six runs.

Keith Kovalick led Columbus to a 3-0 win over Rochester on a brilliant no-hitter, Wednesday, June 18.

On Thursday, June 19, Miami emerged victorious in extra innings over Syracuse, 1-0. Ross Kavanda was the winning pitcher. The only run was driven in by David Spindler. Mike Timmis made a super fielding play when he held John Kulka to a triple in what looked like a sure home run.

The playoffs were then scheduled for Wednesday, Thursday, June 25-26, and Saturday, June 28. The standings of the first four teams for playoff positions were as follows:

Syracuse, 11-3, managed by Ed Davey; Miami, 10-4, co-managed by Harry Echlin, and Mike Van Lockeren; Richmond, 10-4, managed by John Vismara; and Buffalo, 9-5, managed by Don Eugenio.

Miami, even though tied with Richmond, was put into second place because they allowed fewer runs than Richmond during the regular season.

The playoffs reached their climax with Syracuse playing Buffalo on June 28. Buffalo, behind the excellent pitching and hitting of David Fitzsimons, became the playoff champs when they won, 7-3.

On Monday, June 30, the all-star game was played with the North teams winning in a seven inning squeaker, 5-4. Richard Subrheirich was the winning pitcher for the North team.

Class "C" all-stars include: North: John Jackson, Scott Moehring, Richard Hunt, Rolf Donath, Richard Subrheirich, John Kulka, Bill Crow, Eric Dolson, John Mooney, Steve Basile, Fred

Kaess, George Haggerty, and Paul Decker.
South all-stars are Jack Nelson, Paul Vismara, Russ Whittle, Jamie Dingeman, Jordan Melick, John Hollerbach, Keith Kovalick, John MacLeod, Ross Kavanda, Stuart Sergeant, Tim Youngblood, Eric Carlyle, and Chuck VanDusen.

FARMS MAJORS

Dedication, desire, dedication and drive brought the 1975 Pirate team their second consecutive Farms Cup playoff championship against the hard-fighting Yankees.

John Hackett pitched a superb game, fanning 10 Yankee batters, and allowing only three hits on Tuesday evening, July 1, in an 11-1 win.

In the first inning, the Pirates scored four runs, with Greg Lapinski starting the bats banging with his single, followed by John Hackett's single. Rick Gallagher loaded the bases on an interference call on the Yankee catcher. With only one out, catcher Tom McCormick drove in three runs with his long single against the fence.

Steve Groehn reached first base on an error and scored the Yank's first run when Chris Warren drove him home with a single, making the score 4-1.

In the top of the third, Mitch Ircton, with two strikes against him, slammed a home run for the Yanks, tying the score at 4-4.

Wasting no time, Pirate Mike Downs doubled and drove in three runs. To insure the Pirates' lead, Tom McDonald also did his part by doubling and driving in two more runs in the fourth inning.

The fifth inning brought singles for rookies Brian Socia, Steve Webster and Jamie Burke. Jamie touched home plate for the final run of the ball game.

Outfield defense played a major role in the Pirates' victory as Pat Ranger and Bill Cunningham gave their utmost against the Yanks.
The win showed what team work and successful coaching can do as Manager Dick Gallagher brought his team to another victorious year.

GP Yacht Club Falls in Meet

The Grosse Pointe Yacht Club swam an inter-club dual meet with the Detroit Yacht Club Thursday, July 3, and was beaten 489.5-376.5.

Events in which the Pointe Yacht Club showed ability included the girls' 200-meter freestyle relay, won with a time of 2:11.2, and the girls' 8 and under 100-meter relay in a time of 1:17.1.

Scott Kinney won the boys' 10 and under 50-meter breaststroke in 46.8 and Dan Tredner won the boys' 11 and 12 50-meter breast.

Claire Curtis bettered her time in the girls' 50-meter breaststroke in the 13 and 14 category. Meg Maghiese and Nancy Georgi had times of 18.5 and 18.7 respectively, in the girls' 25-meter freestyle in 8 and under for a second and third place finish.

Other Pointe Yacht Club swimmers who did fine jobs were Tim Monahan, Kristin Lehman, Karen Strong, Jeff Colton, Sue Sattler, Mary Lu Miszczak, Ken Maddock, Kristin Barnes, Larry MacDonald, Tom Gallagher, Jim Strong, Sue Hatcher, Mark Yuhn and Lisa Rinke.

A HOME IN THE COUNTRY. A HOME IN TOWN. SAME HOME.
How few are the pleasures that satisfy the pressures that a chocolate-marshmallow sundae that isn't fattening would be as noble an invention as any.
And consider a home, and how many of us say we would actually like to have two homes. The nearby, near-in-weekday kind of place where the more orderly routines of life follow neatly. And the place "somewhere else" where routines are not merely broken, but non-existent; where an ordinary two-day weekend or a Tuesday afternoon in the spring can seem like two weeks in June.
If only there were a way to put them together.
We think there is such a place now.
We went just far enough from a freeway and built it in a glen and called it Brookwood. And without ever leaving Brookwood you can enjoy morning swims, midday tennis, afternoon golf and evening cookouts on private balconies.
Come and see Brookwood.
Brookwood, which is planned as a community of 285 city-country cluster homes set in the rolling land just west of Rochester, Michigan, offers all the equity and tax advantages of home ownership combined with many carefree benefits usually found in the most luxurious rental units.
Those who buy new homes at Brookwood now will be eligible for a credit of up to \$2,000 on their 1975 income tax.
Tienken Road, between Adams Road and Livermore Road, Rochester. Models open 1 p.m.-6 every day. For further information, call 651-3876 or 652-3990.

FARMS, CITY
By Julian Thomas
The 13-year-old All Star Tournament at L'Anse Creuse featured a first round match between the GP American League and the GP National League.

This was an exciting defensive game in which both teams received excellent pitching and fielding. The Nationals led all the way until the American's bats began to boom in the bottom of the sixth. Bill Bradford scored on John Baldyga's single to right.

Down 2-1 going into the bottom of the seventh, Bill Higbie reached second on an error and tallied the tying run on Richie Harrison's double.

Harrison then stole third and scored on a wild throw to give the Americans a thrilling 3-2 victory. Tom Borland took the win and Chris Ellis the loss. Big hitters for the Nationals were Paul Deschenes and Dan Graham with doubles.

The GP Americans will now enter the second round of competition, opposing the GP All Americans on Saturday, July 12, at L'Anse Creuse, located on 21 Mile road, west of Gratiot. Game time is noon.

In regular season play the D. M. Egan Tigers, led by the steady pitching of Rick Baker, rolled over the Kotlar Yankees, 14-5. Rick allowed just two hits and one run during a six inning stint.

The Tigers banded out 14 hits from 10 different batters with Tom Heidt and Dan Gorenflo having three and Dunc MacEachern, two. Gene Belanger and John Hasse had Yankee doubles.

Then, the Metropolitan Club Indians tripped the Burger Chef White Sox, 6-5, with Lenny Bartoszewicz taking the win with relief help from Tom Graves, who had two hits. Tom Borland socked a triple and John Baldyga, a double. Chris Martinelli had a triple for the White Sox.

Dean McPhail was the whole story as he silenced the Indians with a Tiger 6-0, no-hit, 10 strikeout performance. McPhail and Steve Brandt each had two hits to lead the Tiger batters.

Stretching their streak further, the Tigers downed the Northduff Red Sox, 10-4, with Dunc MacEachern getting the win. Timmy Gallagher with two hits and five RBIs and Danny Gorenflo with two hits and two RBIs led the way for the Tigers. Kevin Rinke and Brad Bennett had long doubles for the Sox.

American League Standings as the teams enter the final week of play show the Tigers, 7-1; Yankees, 5-2-1; Red Sox, 4-4; Indians, 3-4-1; and White Sox, 1-7.

ALL AMERICAN LEAGUE
Jack Shea pitched a one-hitter as the Cavanaugh Agency Reds dumped the Colonial Federal A's, 11-1. Ron Zimmerman smashed a grand slam homer and a single to drive in five runs. Craig Griffin drove in two runs with a timely double and Chris Walte had two hits to add to the attack.

In tournament play, the GP All Americans trounced Clintondale, 14-0. Mike Osborne of the Padres was the winning pitcher. Mike Guthat of the A's had two long extra base hits.

The All American League

World Series will take place Saturday-Sunday, July 12-13, at South High School at 3 p.m.

THE PARK

By Tom Shine
As the season goes into its last week, team standings as of Friday, July 4, are as follows: Dodgers, 7-1; Cards, 6-2; Giants, 5-3; Braves, 1-7; and Phillies, 0-8.

The Braves won their first game of the half as they beat the Phillies, 17-10, on Saturday, June 28.

Chris Ellis and Andy Armbruster had three hits each to pace the Brave's attack. Armbruster also posted the victory as he struck out seven. John Witri, Barry Burton, Chuck Kurtz and Paul Pellerito all doubled for the Braves to help clinch the victory.

Chris Fielding had three hits for the Phillies, including a double and a triple. Frank Schulte also tripled in a losing cause.

The front running Dodgers nipped the Indians, 7-8, on Sunday, June 29.

The Dodgers jumped ahead quickly as Paul Wedding's first inning double drove home two runs. They scored twice more in the second inning as Wedding and Norm Van Sile each knocked in a run.

The Indians first pair of runs came on back-to-back homers by Tom Graves and Tom McHugh in the fourth inning. Graves and McHugh helped knock in two more runs with a single and a double in the sixth inning.

The Indians couldn't hold the lead as Kyle Ground's homer in the sixth put the Dodgers ahead and John Benoit's bases loaded walk in the last inning scored what proved to be the winning run.

The Cards bombed the White Sox, 13-4, also on June 29.

Tony Abraham was the Cards big offensive weapon as he doubled three times and drove in four runs. Chip Owen took the win as he allowed only five hits and fanned eight.

The Cards continued to win as they beat the Braves, 7-3, the next day. The Cards battled back from a 3-1 deficit and scored four times in the sixth inning to lock up the game.

Scott Ricard drove in two runs for the Cards while Tony Abraham, the winning pitcher, drove in one.

The Cards stretched their winning streak to five games as they edged the Dodgers, 7-6, on Wednesday, July 2. They led all the way until the Dodgers rallied to tie the game at 4-4 in the sixth inning and then jumped ahead by one in the top of the seventh.

The Cards pulled it out, though, as Len Winzer singled home the tying run and Chip Owen, who was the winning pitcher, drove in the winning run with a bases loaded single.

Winzer finished the game with two runs batted in while Brian Dooms, Tom Nihem and Owen drove in one each for the Cards.

In a losing cause, Paul Deschenes drove in a pair of runs while Mark Van Sile, Joe Ferris and John Benoit knocked in one apiece.

Athletic Group Meets

(Continued from Page 1) the first two or three years learning the fundamentals," Dr. Joos said.

He added that developing muscular skills is the important aspect and not necessarily learning the rules of play.

"We also want to take a hard look at the dollars spent on athletics," Dr. Joos added.

He said the committee, through its various members, should be able to represent the viewpoints of most Pointers.

Many Participate
Board of Education president Joan R. Hanpeter said she is pleased with the makeup of the committee. "I believe it offers a wide point of view," she said.

Appointments to the committee were made by various community groups and the school system itself. Appointed by the Board of Education were Judge Blair Moody, Mrs. Rees McFarlane and Robert Chandler.

Dr. James A. Adams, superintendent of schools, appointed G. Bruce Feighner, principal of North High School, William C. Mogk, principal of Pierce Middle School, Dr. Joseph Spagnoli, assistant superintendent for instruction, Charles Hollosy, South High athletic director, and Edward Wernet, athletic director at North High.

Physical education instructors Carole Curran, of North, and Harlan Minor, of Parcels, represent the Grosse Pointe Education Association.

The North and South student associations selected Phil Humes, North senior class president, and John Langell, South student association president, as their representatives.

Monthly Meetings
Mrs. John Wood was appointed by the South Mothers' Club, George Heidt by the South Dads' Club, Daniel Beck by the North Parents' Club and Jack Burns by the North Boosters Club.

John M. Bruce, a trustee of the Board of Education, will serve as the board's liaison. Mrs. Hanpeter and Dr. Adams will serve as ex-officio members of the committee.

AUTO FACTS

Anytime it begins to rain, you should slow down immediately and increase your following distance. Rain will increase your stopping distance by about two thirds in all speed ranges, and sharply reduce visibility. In the first thirty minutes of even a light shower, water mixes with the dust and oil on the pavement, and sometimes the road becomes almost as slippery as ice. Wait to start your wipers, your windshield should be wet enough to clean itself with the first swipe or two of the blades.

Why wait to buy a new car—now is a good time—and POINTE DODGE, INC., 18001 Mack Ave., 884-7210 is a good place to come. Chrysler Corporation's brand new Owner Care Program, "The Clincher" is a program designed with today's smart buyers in mind. You need more than a pretty car; you need a dependable one and a company that makes sure it stays that way. Our program, put in writing, means that if we put a defective part on your car, we'll replace it absolutely free including the labor, for one full year, regardless of mileage.

Know Your Schools

By James A. Adams
Superintendent of Schools

Summer School 1975: our regular program which ends Friday, July 25, is one marked by innovation and change. It is successful and offers us clues for improvements next year.

However, our plan for a limited, second phase, late summer program of basic skills courses, offered tentatively August 12-14 and August 19-21 has excited little interest.

Enrollment in these would enable students in need of a little extra boost to get into the swing of studying prior to the beginning of the new year. Hopefully, the momen-

What Goes On at Your Library

By Arthur M. Woodford
Chief of Central Library

Our country's bicentennial has produced a renewed interest in American historical fiction. Here are five novels, set in our nation's early years, that have recently been added to the collection at your Grosse Pointe Public Libraries.

Harriette Arnow's fans will welcome her newest book THE KENTUCKY TRACE: A NOVEL OF THE AMERICAN REVOLUTION, (Knopf), for its comedy, adventure and wealth of character. Leslie Collins is the hero.

A surveyor, he returns home after a long journey to find his house empty, his red-headed wife and the child gone. An honorable man, he sets out to find them, suspicion taking hold in his mind—his marriage had been a shotgun affair. Life along the trail as Leslie tracks his missing family brings adventure and new responsibility.

A damsel in distress — a flaxen-haired hussy — and some other characters slow down the search but move the entertainment in this off-beat yet delightful yarn.

In his latest book SACKETT'S LAND, (Dutton), Louis L'Amour backtracks to England of the early 1600's. The Sackett clan is well known to the many readers of L'Amour's Westerns—they bloomed in Colonial Appalachia and by the late 18th century were spread all over the Far West.

In this new book we are introduced to the Sackett who first brought the family name to the New World. This Sackett is a small landowner of Cambridgeshire, but he has noble forebears and is skilled with the sword. A run-in with an arrogant aristocrat sends him fleeing to London.

He falls in with some seafarers, sails for America, trades, (and fights), with the Indians, and makes it back to England with a load of furs. But his destiny lies in America, and he's heading back there at story's end. Once again L'Amour proves to be a first-rate storyteller.

Sandra Paret's THE DRUMS OF WINTER, (Lippincott) is a family drama actuated by intrigues at the court of Hesse in Germany and by the changing battle luck of Washington's Army in the Delaware Valley. The people are the Haynow family, split through Anna Haynow's two marriages.

Growing hatred between the sons of these two marriages leads to the final destruction of the family and to the surviving son's reunion with his real father. The author entertains vivaciously and with enthusiasm.

Her characters gain color until their fate is a serious concern for the reader. History, adventure, crime and love are skillfully mixed to satisfy a range of reading tastes.

From Robert N. Peck, the author of "A Day No Pigs Would Die," comes a new work, FAWN, (Little, Brown), which should also win him high critical acclaim. Fawn Charbon is the son of a French ex-Jesuit and a crippled Mohawk Indian woman he married as an alternative to torture and death.

The boy is raised mainly by his Indian grandfather, Old Foot, and considers himself a Mohawk. He also loves his father deeply, with a love he cannot let himself express because he has been taught Mohawk "stoicism."

Most of the novel takes place during the British assault on Fort Carillon, (Ticonderoga), in 1758. The story is gripping and suspenseful as the action builds up to the battle, but its greatest strength comes from Peck's emotional perceptions.

If his "noble savages" are sometimes overly romantic, his images are accurate, earthy, poetic. This is one of

Letters to the Editor

Dear Editor:
Our family lives next to the home that had the tremendous fire last week. I am writing you only to let you know that because of our great Fire Department our home was never in danger even though this was a severe fire and could have spread to nearby pine trees.

The Grosse Pointe Park Fire Department worked quickly to contain the fire and the Fire Departments of

Grosse Pointe City and Grosse Pointe Farms and even Harper Woods rushed to help our firemen. Because of these great men who risked their lives, the fire was finally stopped, controlled and prevented from spreading to nearby homes.

Our family watched the whole process and we must give special thanks to men who take such risks on our behalf. Please remember in your paper to give thanks to these fine firemen.

God only knows what we would do without men like these.

Sincerely
Mr. and Mrs.
Timothy J. Foley

(as written up on the front page of the same issue of the Grosse Pointe News), as much as a quarter of a million dollars with them and is increasing Social Security benefits periodically for the elderly and others on fixed incomes, who need it so much, I don't think they should be criticized if they run into a deficit.

Grosse Pointe is a more or less wealthy community and should be able to raise enough money to pay its own debts without depending on the Federal Government to do so, don't you think?

Sincerely and cordially,
Marie Louise Anderson

The new look in our summer school program this year also extended to the schedule. Normally we have begun the Monday after the close of the regular year. But this year we gave students and teachers a breath-er and did not begin classes until Monday June 23, a week later than normal.

And instead of offering a six-week course, we have provided flexibility with both a three-week and a five-week session.

Having commented on our range of offerings, readers might want to know how extensive and inclusive they are. For example, we have 22 elementary pupils enrolled in computer math. In addition, there are 131 in arithmetic, language skills and reading, and 11 in gymnastics.

Five high school students are enrolled in independent study, 17 are in bicycle repair, 83 are in typing and we have 102 in instrumental and vocal music.

All in all, in terms of student elections, we are experiencing a 47 percent increase over last year.

Thus, I believe we have made at least a modest beginning in improving our basic summer program. And hopefully, those wishing the late summer offering will make their interests known soon.

Car Damages Farms Lawns

Two front lawns in Vendome road were damaged when someone drove a car over them. The incidents were reported to Farms Police recently.

One resident estimated damage at about \$50 while the other thought it would cost about \$25 to repair his lawn.

In both instances the car came up the driveway approach and went across the lawn between the house and the sidewalk for about 100 feet.

Police said both properties appeared to have been damaged by a compact automobile.

(Editor's note: The following letter is in reference to an article in the June 26 issue of the NEWS which gave the viewpoint of Ross Roy on government spending.)

Dear Mr. Roy:
I think the article in the Grosse Pointe News of June 26 is over(ly) critical. I agree with you that there is much that needs correction in the Federal Government, but when state and local governments are asking for a loan of one billion dollars and the Federal Government is actually sharing,

To the Editor:
How can the youth of this area be blamed for their actions when the adults are so negligent in theirs? I cite the following:

No parking signs are posted inside the Neighborhood Club asking patrons not to park in the area in front of the building. Adults leave their cars, sometimes with the motors running, in this location.

Park passes issued to residents of each Grosse Pointe are exchanged like candy to "friends."

Adults are so inebriated at some of the regatta parties they can hardly stand.

Some, (a few), coaches of Little League teams exchange four-letter words to umpires and other coaches while the youngsters look on.

Stoptlights are run; speed limits ignored.

I highly suggest the adults of this community take heed. Re-evaluate your own doings before you criticize your child.

Woods Lowers Price of Bags

Woods residents will be paying a dollar less for their plastic bags as the council unanimously concurred in the recommendation of City Comptroller-Assessor Frederick G. Hornfisher that a purchase order be issued for 240,000 reclaimed polyethylene bags in rolls of 50 at \$94 per thousand bags.

This action was taken at a recent regular meeting.

At the same time, the retail price of the bags was reduced from \$6 to \$5 per roll on the new shipment but only when the present supply of bags selling at \$6 is depleted. Mr. Hornfisher said this is expected to happen sometime this week and then the \$5 price will become effective.

The order was placed with Cadillac Products Inc., of 7000 East 15 Mile road, Sterling Heights.

Firecracker Blasts Glass

About \$100 worth of damage was caused to a glass restaurant, 18900 Mack avenue, by some overzealous Fourth of July celebrators who taped a firecracker to the door of the building.

Farms police received the report at 12:49 a.m. Friday, July 4, from assistant manager Richard McDonald who said the door window was shattered by the explosion.

He told police a threatening phone call had been received by another assistant manager just prior to the blast.

WOMEN'S PAGES

From Another Pointe of View

Short and to The Pointe

Invitations for Tennis and Crumpets 1975, addressed under the supervision of Mrs. Ned I. Chalut and Mrs. Frank Zinn at Mrs. Chalut's Middlesex boulevard home late this spring, went in the mail over Fourth of July Weekend.

If you haven't received one, for heavens sake don't think it's because you're not wanted!

"EVERYONE," emphasizes Carolyn (Mrs. Hugh) Janes, of Mount Vernon road, "is invited to participate. We can fill as many courts as we get people."

"There are those who still feel that this is a closed tournament, and we are trying to dispell this idea."

So if you want to participate in one of Our Town's most fun events, (think "most fun" is not only grammatically incorrect, but an exaggeration? ... then why do past participants come back to play year, after year, after year?), send your \$10 entry fee to T&C care of Mrs. Chalut, 677 Middlesex, Grosse Pointe, Mich., 48230.

Suppose you'd like to participate—you're big on having fun—but your tennis skills could be described as "non-existent?"

Don't worry! T&C's mixed doubles are played in three classes, the lowest corresponding roughly to Really Rank Amateur, the highest to Almost Professional Caliber.

Closing date for Player Reservations is August 15. Preliminary matches will be played the weekend of September 13 and 14, starting at 9:30 in the morning, all day, on public and private courts all over town. Semi-finals are set for the following Saturday morning, September 20, finals for Saturday afternoon at the Country Club of Detroit.

Saturday evening everyone gets together for congratulations and/or commiserations at T&C's traditional cocktail dinner dance, also at the Country Club. Deadline for dance reservations, at \$15 per person, (they're limited: first come, first served), is September 15.

The following Saturday, September 27, T&C's Super Finals, pitting the best players from Dearborn, Grosse Ile, Grosse Pointe and Oakland County against one another, will be played at Eastpointe (Continued on Page 16)

Home in Denver Awaits Newlywed Mr. and Mrs. Myles Thomas Edwards Upon Completion of Doctoral Studies in Psychology

At a candlelight service in the Unitarian-Universalist Church of Buffalo, N.Y., Saturday, June 14, Kathryn Sue Jens, daughter of Dr. and Mrs. Wayne Henry Jens, of Balfour road, and Myles Thomas Edwards repeated the marriage vows they had written.

Mr. Edwards is the son of Mrs. Camille Stack, of South Portland, Me., and the late Dr. Myles Joseph Edwards.

Former Pointer Dr. Andrew Kennedy, now pastor of the Unitarian-Universalist Church of Niagara Falls, N.Y., conducted the service, with Barbara Wagner at the organ.

Witnessing the pledges were Elaine Schwartz, of New York City, and Jay Orcutt, of Little Valley, N.Y.

Following the 2 o'clock ceremony, Mr. and Mrs. Richard Morchan hosted a champagne reception and

dinner buffet in the garden of their Cleveland avenue home, during which the traditional Army saber belonging to the bride's maternal grandfather was used to cut the wedding cake.

The newlyweds vacationed at Niagara-on-the-Lake, Ont. Both are completing their doctoral studies in Psychology at New York University at Buffalo.

They will be moving at the end of the month to Denver, Colo., where the bride will serve a one-year Clinical Psychology Internship at the Fort Logan Mental Health

Mrs. Jens, who came from The Pointe with Dr. Jens and the bride's sister Emily and brother Andrew, wore a floor length blue and green flowered jersey coat and dress ensemble, covering it during the ceremony with an antique woolen lace Shetland shawl worn for all family weddings and christenings.

The bridegroom's mother covered her long, green wrap-around tunic with a flowered chiffon blouse, to which she pinned a gardenia corsage.

Out-of-town guests included the bride's maternal grandfather, Howard James Akin, of Hot Springs, Ark., the bridegroom's stepfather, Arthur Stack, his brother John and sister Claire, traveling from Scarborough, Me., Mr. and Mrs. Harvey I-Fang Sun, of Sacramento, Calif., Roger Sienkowski, of Alpena, and Laura Museo and Michael Cubachi, from Ann Arbor.

Wabeek-In-The-Hills. The place you've been thinking about for 20 years.

Home has meant a lot of different things to you, hasn't it? First, a place for the two of you to begin your life together. Then, when the kids were born, you needed more room, and even had an entirely new focus on what a neighborhood should provide.

And you worked. And you grew. And the children grew up. And you had good days in those places where you lived. Now, it's time for another new place, isn't it? A home with yet another new focus — on your life as it is now.

That's why we built Wabeek-in-the-Hills. Because there are a lot of people — just like you — who said that someday, someday...

Wabeek-in-the-Hills is your someday now. With its elegant homes, its rolling land, its golf course, even the nearness of its remoteness. Come and visit. See if it will seem that we've heard your thoughts and answered your dreams.

2425 Regent Drive, Bloomfield Hills, South of Long Lake Road, east of Middlebelt Road

Those who buy new homes at Wabeek-in-the-Hills now will be eligible for a credit of up to \$2,000 on their 1975 income tax. And in addition, all our homes are covered by the new Warranty and 10-year Home Owners Protection Plan. Built on the highest ground in the Wabeek area, Wabeek-in-the-Hills offers a choice of four floor plans, providing varying combinations of one- and two-bedroom homes, each with a study and either two or two-and-a-half baths. Planning 'Big' Festival Week

Bigness dominates the Meadow Brook Music Festival's five concerts this Thursday through Sunday, July 10 to 13, in the Baldwin Pavilion at Oakland University, Rochester.

Mahler's First Symphony, "The Titan," the Big Band sound of Glenn Miller, the sumptuous voice of dramatic soprano Jessye Norman and Scott Joplin's ragtime, all are featured as the Festival moves into its third big week.

Three concerts will include the Detroit Symphony Orchestra conducted by its Music Director Aldo Ceccato. Cellist Stephen Kates appears at the first two: this evening, July 10, at 8:30 o'clock and the opening program of the new Box Luncheon Matinee series Friday afternoon, July 11, at 1 o'clock.

Jessye Norman makes her DSO debut at a concert of Mozart and Wagner Saturday evening, July 12, at 8:30 o'clock.

Nostalgia will highlight Friday evening's jazz concert at 8:30 as Ray McKinley returns to Meadow Brook with his band, vocalist Ray Eherle and the Modernaires with Paula Kelly, to present music made famous by Glenn Miller.

Sunday evening's pops concert at 6:30 o'clock will feature the "Red Back Book" group, the New England Conservatory Ragtime Ensemble, in an evening of music by Scott Joplin, Joseph Lamb and other ragtime masters.

Stephen Kates represents the third generation of a family of musicians. He

started formal cello instruction at the age of 10 with his great-uncle and continued working through his high school years with Marie Rosanoff.

At Juilliard he studied with Leonard Rose, at a later date with Claus Adam.

In 1968 he won the Silver Medal at the Third International Tchaikovsky Cello Competition in Moscow. Engagements with the Boston, New York Philharmonic and Chicago Symphonies followed.

In addition to his schedule of solo concerts, Kates teaches at the Peabody Conservatory of Music in Baltimore. He plays a magnificent Montagnana cello made in 1739.

A Nostalgic Night of Glenn Miller features bandleader Ray McKinley who took over the Air Force Orchestra after Glenn Miller was lost over the English Channel, singer Ray Eherle who first joined the Miller Orchestra in 1938, and the Modernaires with Paula Kelly—all alumni of the original Glenn Miller band.

They turn back the clock with such favorites as "In the Mood," "Moonlight Cocktail," "At Last" and "Tuxedo Junction."

Jessye Norman, a native of Augusta, Ga., studied with Carolyn Grant at Howard University, with Alice Buschak at Peabody Conservatory and with Pierre Bernac and Elizabeth Mannon at the University of Michigan.

Last year she made her South American debut, sang four concerts with the Boston Symphony and made countless other appearances. The New York Times has called her "one of the most important voices to come along in some time."

The New England Conservatory Ragtime Ensemble formed in 1972 as part of a Romantic American Music Festival at the Conservatory has now grown into a nationally-renowned musical group with a Grammy Award, for their recording of Joplin's "Red Back Book."

After a tape of their concert began to circulate, recording and concert contracts started appearing—and the young students have been strongly tempted to devote their lives to ragtime!

Meadow Brook Music Festival grounds, lawn and picnic area are open from two hours before concert-time in the evening. Meals and refreshments are available at Trumbull Terrace. Parking on the grounds is free.

The Festival runs through the rest of the summer, to August 31, with symphonic concerts on Thursdays and Saturdays, jazz on Fridays and pops on Sundays.

Tickets, priced at \$7, \$8 and \$5, (\$3 for lawn seats; \$7 for all seats at Box Luncheon Matinees, including the price of lunch), are available at Hudson's, Grinnell's and the Meadow Brook Music Festival Box Office, 377-2010.

Pewabic Sets Raku Program

Raku, a Japanese ceramic technique, will be featured in a special program this Sunday, July 13 at Michigan State University's historic Pewabic Pottery in East Jefferson avenue.

Continuous Raku glaze firings in the pottery's courtyard from noon to 5 o'clock will highlight the final day of Pewabic's Annual Student Exhibit and Sale of stoneware, porcelain, salt-glazed and Raku ceramics.

Raku is believed to have originated in 16th century Japan to meet the aesthetic needs of the tea masters, who used the resulting bowls in an almost religious ceremony of tea drinking and quiet contemplation of beautiful things.

The name comes from a Chinese character meaning "enjoyment, pleasure, contentment, ease."

This art form emphasizes the beauty of the accidental and spontaneous, asymmetry and the value of uncontrolled by man.

Paul Soldner, the first American to work with it, explains: "In the spirit of Raku; make no demands. Expect nothing, follow no absolute plan. Be secure in change. Learn to accept another solution."

Miss Bien Married To James Frame

Bride's Gown Is Fashioned of Embroidered Silk Organza; White Rosebuds, Stephanotis and Baby's-Breath Form Her Bouquet

At home in Dearborn Heights are Mr. and Mrs. James Christopher Frame, who vacationed in Las Vegas and San Francisco following their wedding Saturday, April 19, in Saint Christopher Church.

Mrs. Frame is the former Judith Elaine Bien, daughter of the John Biens, of Grandmont avenue, Detroit.

Mr. Frame is the son of Mrs. William Frame, of Bournemouthe road, and the late Mr. Frame.

The 2:30 o'clock rites at which Pastor Kenneth Lenz, of Saint Paul Lutheran Church, and Father Jack Fabian presided were followed by a reception at the Knights of Columbus Hall, Dearborn Heights.

The bride wore an embroidered silk organza gown, styled with a cathedral train, and a silk illusion veil. Miniature white rosebuds, stephanotis and baby's-breath formed her bouquet.

In yellow organza frocks

were honor maid Clara Faneli and bridesmaids Mrs. Dennis Bien, Sharon Smokinski and Diane Bien, cousins of the bride, and Bonnie Warren.

Yellow velvet streamers accented their arrangements of yellow-centered white daisy mums.

Peter Frame came from Milwaukee, Wis., to serve as his brother's best man. Ushering were Philip Frame, another brother, Dennis Bien, the bride's brother, and Richard Knoblock, of Chelsea, and Philip Costa, of Flint, fraternity brothers of the bridegroom at Michigan State University.

The bride's mother wore a mint green gown. The bridegroom's mother was in pink.

Hold Symphony Juniors' Picnic

The Junior Women's Association for the Detroit Symphony Orchestra entertained the entertainers at Meadow Brook Music Festival Saturday, June 28.

Some 25 Juniors, their husbands and guests provided a hearty picnic supper spiced with lashings of hospitality for members of the Detroit Symphony Orchestra and special guests Aldo Ceccato, conductor, and John Browning, pianist, just prior to that evening's concert.

Mrs. Francis A. (Janette) Engelhardt was chairman of the fete this year. It's an annual occasion, designed to enable the DSO and the Juniors to get to know one another better.

It all takes place at 6 o'clock in the picnic area behind the box office — or backstage, in case of showers.

Racquet Club, with play-offs set for 5, finals for 8 o'clock.

The object of all this exercise, camaraderie and enjoyment is, of course, to raise funds for Children's Hospital of Michigan. Through the T&C benefits, which began in 1967, over \$164,000 has been donated to Children's. The money's been used for a Children's Playroom, a Cardiac Operating Room, a Cardiac Pump and the Hospital's Burn Unit.

Last year, T&C pledged \$200,000 over a five-year period for Children's Medical Cardiology Suite.

Of the \$45,000 raised via the 1974 Tournament, \$8,000 went to complete T&C's previous Burn Unit pledge, \$37,000 toward a Cardiac Catheterization Room.

Funds raised this year will purchase special equipment for the Cardiac Catheterization Room where blood samples are taken to determine the size and location of a child's defect. The new equipment will analyze results of these samples instantly, so the cardiologist can make a diagnosis without extensive and unnecessary testing of the child.

Honorary chairman of Tennis and Crumpets 1975 is Mrs. Robert K. Hydon, of Washington road. General chairman is Mrs. Donald S. Young, II, of Merriweather road. Mrs. Thomas R. Quilter, of Stanton lane, is secretary. Mrs. John D. Durno, of Cloverly road, is treasurer.

Tournament committee co-chairmen are Mrs. Jack E. Rosch, of Grand Marais boulevard, and Mrs. Howard S. Buhl, of Lincoln road.

Mrs. Richard B. Gushee, of Washington road, heads the party committee. Arrangements chairman is Mrs. Leonard W. Smith, of Whittier road. Program coordinator is Mrs. Wilfred A.
