### Quarter-Million Dollar Project Underway

## KIMBERLY KORNER

Photo by Barbara Bruno

A ground breaking ceremony as part of an expansion and improvement project by Kimberly Korner, a group of specialty shops located in The Woods, was held earlier this month. Participating in the ceremony were, (from left to right), RON SERBA, of Kimberly Flowers and Gifts; JESSE LOWTHER, vice-chairman of The Woods Beautification Commission; MRS. SERBA; Woods

Councilman GEORGE S. FREEMAN; ROBERT POWERS, president of Colonial Federal Savings; GERRI MYTNIK, owner of Gerri's Boutique; Woods Mayor BENJAMIN W. PINKOS, wielding the shovel, and CHUCK MORACO, also of Kimberly's. Other stores in the complex are the Card Shop and the Plantsmith.

## GP Woods Businesses To Expand

**Big Program Launched  
by Kimberly Korner in  
Keeping with Beau-  
tification Commis-  
sion Goals**

By Barbara Bruno  
In keeping with the goals of the Woods Beautification Commission Kimberly Korner, a group of specialty shops located in Mack avenue at Lochmoor boulevard, has launched a quarter-million dollar expansion and improvement project.

Chuck Moraco and Ron Serba, of Kimberly Investment Co., spearheaded the project which calls for a mini-mall of shops in a setting of old brick, fountains of running water, skylights and an arbor atmosphere in the tea room.

"We're bringing to Grosse Pointe Woods a new shopping experience in the form of uniquely designed specialty shops for men, women and families," he said.

Over 50 percent of the shops are already leased. They include women's and men's fashion shops, a card and candle shop, flower shop, plant store, kitchen-gourmet shop, home accessory gallery, needlepoint shop and tea room with space still available for other concerns.

Mayor Benjamin W. Pinkos expressed his pleasure with the new project. "I'm very pleased that we are improving Mack avenue and certainly Kimberly Korner."

## Woods Police Seek Aid On Investigating Vendor License Applications

**Guidance Sought from Council Regarding Specific  
Direction to Pursue in Such Cases As State  
Police Will Not Provide Criminal History  
Records on Applicants**

By Roger A. Waha  
The Woods Department of Public Safety is seeking guidance from the council on the subject of investigating applicants for local vendor licenses within the city since the Michigan State Police will not provide criminal history records on persons seeking such licenses.

This matter was unanimously referred to the Committee of the Whole for further study at the regular meeting Monday, July 7.

City Administrator Chester E. Petersen said he felt the reason for such investigations was "the fact that the council wanted people of good moral character going door-to-door in the neighborhood."

**Complete Picture**  
The council has expressed a desire to obtain as complete a picture of prospective applicants as possible regarding their business and moral character. Related to this is the fact of making certain vehicles used by applicants in the performance of their business were safe.

At the July 7 meeting, the solons reviewed a memo from Public Safety Director Henry Marchand to Mr. Petersen which explored the problem the department faces in conducting such an investigation.

(City Attorney George Catlin noted that under a city ordinance it's the department's duty to conduct a thorough investigation of applicants, and then noted the problems the department is

facing as indicated in the director's memo).

**Heavier Load**  
In his communication, he said the State Police are "very emphatic" in their refusal to provide criminal history records on applicants.

"In order to comply with Ordinance No. 241, which places the responsibility on the Department of Public Safety to make an investigation of the applicant's business and his moral character, it will now be necessary to assign each application to the detective division for investigation into the applicant's background," he stated.

"This will place an additional workload on the detective division with the possibility of paying overtime to keep abreast of their normal case load."

Director Marchand said assigning such applications to the detective division is "iffy" and depends on what the council decides.

**Need File**  
He then cited an example to illustrate the problems involved.

An application, which the director denied, indicates the

## Park Views New Sewage Rate Hike

**Residents Will Not Feel  
Effects of Increase  
Until October 1;  
Detroit Announces  
Action**

By James J. Njaim  
Park property owners will not feel the effects of the new sewage rate increase until after October 1, it was said at The Park Council meeting on Monday, July 14.

Detroit announced a hike that will add approximately 40 percent to household water bills.

City Comptroller Nunzio Ortisi disclosed that a notice from the Detroit Metro Water Department, (DMWD), revealed the new rate will become effective on or after September 1.

A big majority of the communities in the Detroit metropolitan area buy their water from Detroit. The hike will, or has already been added to property owners' water bills by their respective water departments.

**Affect Sewage Rates**  
The Park, along with many cities and towns have been fighting the increase for some time, but finally had to give in, it was said.

Mr. Ortisi said the increased rate will only affect the sewage disposal rates, not the water bill itself. Water is sold to the respective communities, which in turn resell it to local residences, making only enough to cover salaries and the operations of the local water departments.

He said that as far as The Park is concerned, the increase will be passed on to local property owners starting October 1, as decided by the council.

Mr. Ortisi said the sewage disposal rate under the old terms was 65 cents per 1,000 cubic feet. The new rate demanded by Detroit is 89 cents per 1,000 cubic feet, which will increase the combined water-sewage bill to householders from \$3.25 to \$3.75 per 1,000 cubic feet, which is just enough to cover the increased cost of operation by The Park.

**Twice As Much**  
The city comptroller said twice as much sewage goes through the meter than the amount billed for water.

The reason, he added, is because the meter registers all water, including rain, or

## Board Elects Officers, Sets Meeting Dates

**Mrs. Joan Hanpeter Unanimously Named as President at July 14 Session; Four of 11 Meetings in 1975-76 Will Be Held Throughout District**

New officers of the Board of Education were elected Monday, July 14, with Mrs. Joan Hanpeter being unanimously re-elected by her fellow trustees to serve as president. Mrs. Hanpeter served as secretary of the board for two years prior to her election as president.

Laurance Harwood will serve as vice-president for the 1975-76 year following his election by a unanimous vote. He was secretary of the board during the past year.

Mrs. Melissa Maghiese was unanimously elected to serve as secretary for the coming year. This is her first office on the board for which she served as legislative chairman last year.

Robert Warner's election as treasurer also was by unanimous ballot. He served as president of the board during the 1973-74 year.

In accepting the post of president Mrs. Hanpeter expressed her appreciation to her fellow board members for the "support and cooperation" given to her this past year, in addition to the cooperation received by the school administration and staff.

"I also hope the community can continue to have confidence in the board," she added.

In other routine business at the annual organizational meeting, school system attorneys and banks were designated, new fund accounts were created and by-laws were adopted.

Hill, Lewis, Adams, Goodrich and Tait, Attorneys, 3700 Penobscot Building, were unanimously approved as the school system's counsel for the upcoming year. Mrs. Hanpeter said they have represented the school system for many years.

Trustee William Huettner noted that the selection of attorneys is not a matter taken lightly by the board.

## New Counselor Named to YSD

The Youth Service Division, (YSD), has a new part-time counselor who started work Tuesday, July 8.

He's Park resident Richard J. Morian, 26, who's currently working towards his M.A. degree in social work at Wayne State University.

A U.S. Army veteran, Mr. Morian, who also attended Oakland University, Rochester, Mich., where he majored in psychology, joins Deborah Beaufait and Leonard Bandlow on the division's counseling team.

The YSD recently had four counselors but Fred Coonce and Thomas Canasi resigned on June 9 to devote more time to their school studies.

This recommendation has been revised to include only the terminal rental costs of \$175 per month and a 10 percent surcharge to provide funds for network improvements and expansion.

Additionally, the cost-sharing effective date has been changed to January 1978 to correspond more closely with most user agencies' fiscal years.

In his response, Chief Ferber said, "While I will continue to oppose your commitment to any portion of a cost-sharing approach in this matter on behalf of the Wayne County Association of Chiefs of Police... I nevertheless appreciate your forthright and honest approach in dealing with this matter."

## New Venture In Program Introduced

**Showcase Theatre Approach Announced at Annual Clarence Awards Presentation**

The Grosse Pointe Theatre, (GPT), will introduce a new theatrical dimension to its schedule in the 1975-76 season with the addition of Showcase Theatre when Neil Simon's dramatic comedy, "Gingerbread Lady," will be presented as a fifth play, separate from the regular four show season subscription.

President-elect Robert Binder sees Showcase Theatre as a chance for the group to balance roles, to perform quality shows which will appeal to many segments of the theater audience and to present shows which GPT might not wish to include in their regular subscription ticket sales.

He also noted that in years to come, Showcase Theatre might provide an opportunity for the Theatre to further expand its offerings to the community.

**Many Honored**  
The announcement of Grosse Pointe Theatre's new venture came Saturday evening, July 12, at the annual Clarence awards presentation held at the Latin Quarter. Clarence statuettes were given for excellence in several categories.

The leading actor was Harry Albertson, (George), in "Who's Afraid of Virginia Woolf?," while the leading actress was Charlotte Babcock, (Alma), in "Summer and Smoke."

Best supporting actor was Charles Babcock, (Jigger), in "Carousel," while best actress was Carol Purdon, (Honey), in "Virginia Woolf." Top featured actor was Harry Stutz, (Toy), in "The Pleasure of His Company" and best featured actress was Marcy Hunt, (Louise), in "Carousel."

Best non-featured actor was Don Ross, (Carnival Boy), in "Carousel," and best non-featured actress was Pat Thompson, (Carnival Girl), in "Carousel."

**Other Awards**  
Technical awards were presented to Mary Lou Mantho and Robert Wickert, set dressing, "Ready When You Are, C.B.," Mae Gallagher, properties, "C.B.," George Shears, lighting, "Summer and Smoke;" Dennis Wickline, sound, "C.B.;" Becky

## Woods Raises Drain Tax Rate

As the result of an increase in operating maintenance costs of the Milk River Pumping Station, The Woods Council, based upon the recommendation of City Comptroller-Assessor Frederick G. Hornfisher, unanimously approved an increase in the city's drain tax rate from 3.50 mills to 3.60 mills per thousand assessed valuation for 1975-76.

This action was taken at the regular meeting Monday, July 7.

In a memo to the solons, Mr. Hornfisher said the station's operating maintenance costs jumped \$31,182.69 due to the increased cost of Edison bills, boiler and machinery insurance and labor.

With the council's approval, the 10 mill hike will be put on the fall tax rolls as a drain tax, said Mr. Hornfisher, who added such similar action has taken place over the last 17 years.

The costs for the operation and maintenance of the pumping station are shared as follows: The Woods, 60.50 percent; Harper Woods, 35.23 percent; the State of Michigan, 2.18 percent; Wayne County, 1.87 percent; and Clair Shores, 0.42 percent, said.

The Wood's portion of the charge is \$202,687.30 of the overall \$335,021.26 total.

## One Block Mack Parking Limit Extended One Hour

By James J. Njaim  
Effective Monday, July 14, metered parking on Mack avenue, between Harvard and Cadieux roads, has been extended an extra hour. Parking will be allowed up to 4 p.m. instead of 3 p.m., (with the new time signs already posted), on a 90-day trial basis.

The additional parking time is not exactly what the business people in the one block area want. They had asked for a complete abolition of restricted parking because the restriction has been and is continuing to hurt their businesses.

Recently Park City Manager Robert Stone and Director of Public Service Herbert Heger, met with Wayne County Road Commission

officials to review the parking on Mack, between Harvard and Cadieux.

The county recommended a parking strip for nine cars to replace the green belt and city sidewalk, and prohibition of parking on Mack in that block.

The cost of this project was estimated at \$15,000, and would give the city two extra parking spaces, rather than the seven there now. However, the county claimed it did not have the funds for program. Removal of the green strip would still leave ample sidewalk space for pedestrians traffic, it was said.

In the absence of funds for this project and to give assistance to the businesses in

## Barnes Youths Set Car Wash

All you dirty cars out there, go get yourselves a scrub down at the Barnes Elementary School parking lot, 26090 Morningside drive, today, July 10.

The children of the special education summer program are sponsoring this car wash so they can buy themselves T-shirts to wear to the Special Olympics for mentally impaired children next year.

The money is for the kids, and the kids are doing all the work, too.

So whether you drive a "Jag," a Lincoln or a VW, cruise over to Barnes between 10 a.m.-1:30 p.m., and give your car the wash it so badly needs, while sharing in some fun times with the children. The cost is \$1.

### Theatre Plans New Venture in Program

(Continued from Page 1) Tharens, costumes, "Summer and Smoke," and Marcy Hunt, makeup, "C.B." The Clarence award for best director was won by Michele Karl for "Ready When You are, C.B." and Ginny Bowen was named best producer for the same production. Gwenn Samuel, ("Summer and Smoke"), and Jane Vreeland, ("Virginia Woolf"), shared stage managing honors while Mike Evans won the technical director award for "Virginia Woolf."

The group's most prestigious award, Worker of the Year, was won by Theo Mace and Mike Mikos. The evening, chaired by vice-president Jackie Maber,

continued with the presentation of a gavel to president Mary Lou Britton and the introduction of the 1975-76 season by Mr. Binder. New Season The regular season will open with the musical version of "Don Quixote," "Man of La Mancha," by Leigh and Larson, Production dates will be November 6-9 and 12-15.

"The Sunshine Boys." Neil Simon's fictionalized biography of the later years of burlesque's Smith and Dale comedy team will follow on January 22-25 and 24-27. George Bernard Shaw's classic re-creation of the Revolutionary War period, "The Devil's Disciple," will honor the nation's Bicentennial. Production dates are March 18-21 and 24-27.

The regular season will close with "Applause," the story of a girl from the "sticks" who attempts to take over the career and life of a dynamic Broadway star. "Applause," with book by Betty Comden and Adolph Green, music by Charles Strous, and lyrics by Lee Adams, will play June 3-6 and 9-12.

Ticket Plans The Showcase production, "Gingerbread Lady," will be presented November 29 and 30, and December 5-7.

Season tickets for Grosse Pointe Theatre's new year will be offered to current subscribers in late summer. At that time, "Gingerbread Lady" also will be offered as an additional option. Season tickets will cost \$17. Individual tickets for the two musicals will be priced at \$4.75 and for "The Sunshine Boys," "The Devil's Disciple," and "Gingerbread Lady" at \$3.75.

Non-season ticket holders who wish to be advised of ticket availability may be placed on the mailing list by writing to Grosse Pointe Theatre, c/o Grosse Pointe War Memorial, 33 Lakeshore road, Grosse Pointe Farms 48236, or by calling the box office at 881-4004.

### Seek Aid on Applications

(Continued from Page 1) Individual resides in Romulus and at one time had a license in Southfield and presently has a license in St. Clair Shores.

"How do you check into the moral character of a person who travels through many cities on a daily basis without the benefit of the central criminal file maintained by the Michigan State Police?"

"The cost involved in order to do proper background investigation will far exceed the token fee, (\$30), charged for a city vendor's license," he emphasized.

In relation to the policy of the State Police, the department received two communications from Col. George L. Halverson, director. One was dated March 31 and the other April 14.

Discusses Act Public Act 261 of 1974, which took effect April 1, restricts the use of a person's criminal history to determine his qualifications to receive an occupational license, said Col. Halverson in his March letter.

The act also prohibits the

### Extend Limit

(Continued from Page 1) this one block area. The Park Council at its Monday, June 23, meeting, recommended that the hours be changed to allow parking up to 4 p.m., rather than 3 p.m.

Mr. Stone said the alley at the rear of the business establishments could be paved and marked to control parking, but the cost of resurfacing the alley would have to be assessed against the adjacent property owners.

However, this suggestion was received with little enthusiasm by the property owners who also were against the parking strip, the city manager pointed out, because if the county does not pay for this project, the owners would be assessed the cost.

Mr. Stone said a few years ago, the county did have the funds to widen Mack, from Somerset to Cadieux, and that this project was given some consideration, but received very little priority. As a result, the program never went through.

Approximately six or seven years ago, the "No Parking from 3 p.m. to 7 p.m." was imposed to permit a faster traffic flow through the Mack-Cadieux intersection and alleviate the heavy traffic congestion on Charlevoix avenue, which motorists had been using to avoid Mack.

distribution and dissemination of such criminal record information where the record or portion of it falls within certain categories.

"In the past, a request for such record information from a governmental agency resulted in disclosure of the entire record to the requester. The judgment for interpretation and use remained with the requester. The new law now places part of the burden on the record keeping agency, and new procedures are required to comply with this statute," he said.

"Any request received after April 1, 1975, must be submitted in writing on the requesting agency's letterhead. If fingerprints are submitted, they must accompany the written request.

"The records will be searched and the criminal history information reviewed to see if it can be released in accordance with the law. A reply must then be prepared that will disclose only that portion of the record authorized by law."

### Re-examine Matter

However, in his April communication, Col. Halverson said,

"A continued evaluation of this law and recent developments regarding the ability of the Department of State Police to comply with the intent of the act has caused us to reexamine the entire matter. It is our conclusion that we cannot meet the requirements of this statute with our present staff and without legislative mandates to provide criminal history records.

"Therefore, unless there is a State statute that requires a criminal history clearance from the Department of State Police in order to obtain an occupational license, we will no longer provide records for that purpose. This includes checks made either by name or fingerprint. This matter is being brought to the attention of the Governor and the Legislature.

"I regret any inconvenience this may cause you in issuing such licenses."

Both letters were addressed to all fingerprint contributors.

### Mike Brown Dives to Wins

A 14-year-old Pointe diver is continuing his winning streak in the summer diving circuit.

After winning the national three-meter springboard title in Rochester, Minn., last month, Mike Brown went to Louisville, Ky., to compete in the Plantation Swim Club Wright Memorial Invitational Tuesday-Friday, July 8-11.

Competing in the 13-14 age group, Mike won first place trophies in all his events.

In the three-meter springboard, he surpassed his previous top score with a big 407-point total for 10 dives. Mike then went on to win the one-meter springboard and the boys 13-15 tower event, performing all his dives from the 10-meter platform.

He also entered the men's open events and performed well in capturing a sixth in the platform tower event, 11th in the three-meter and 14th in the one-meter.

### New SH Pupils Must Register

Newcomers to the Grosse Pointe school district who will be attending South High School in the fall are again reminded to telephone the school, 884-3200, for an enrollment appointment. The week of July 21 has been designated for this purpose.

"Anyone needing mid-summer counseling and enrollment is urged to take advantage of the July 21-25 period," said Frances French, assistant principal-instruction.

Miss French said the enrolling student should be accompanied by his parents. The family should bring a copy of the student's transcript from his last school.

### Work at Park Moves Along

Members of The Woods Council at the regular meeting Monday, July 7, expressed their pleasure on the progress of construction as part of the Lake Front Park improvements project.

Councilman Ronald R. Kefgen, Parks and Recreation Committee chairman, said most of the below ground work has been completed and noted workers have gone a long way towards completing the pool complex and bathhouse.

Meanwhile, Mayor Pro Tem George S. Freeman stated he was amazed at how the park is "growing up" regarding its renovation.

Despite the construction, Councilman Rodger A. Graef cited increased attendance at the park in May based upon Parks and Recreation Director Donald J. Hallmann's monthly report.

A total of 14,736 residents and 1,076 guests, making a grand total of 15,812 people, visited the park in May. This is a big jump over the grand total of 7,855 citizens who went to the park last May. Mr. Hallmann attributed this jump to "the unusually warm and dry weather."

As for the installation of the new bathhouse and pool, Mr. Hallmann added construction is on schedule with completion set for the end of October.

### Woods Council Studies Litter Control Proposal

By Roger A. Waba  
A proposal from The Woods Beautification Commission suggesting that meter maids be empowered by city ordinance to ticket individuals for littering has created some doubts in the mind of Public Safety Director Henry Marchand.

This proposal, cited in a letter to the council from commission treasurer Thomas B. Smith, was unanimously referred to the Committee of the Whole for further study by the solons at the regular meeting Monday, July 7.

In his communication, Mr. Smith stressed the commission's efforts towards making The Woods a more beautiful community. "It is the collective opinion of the commission that littering along Mack avenue is excessive and could be dealt with more effectively," he said.

As a result, the commission proposed a change in a section of Ordinance No. 296, (general offenses ordinance), which says:

"It shall be unlawful for any person to throw or permit to be deposited or scattered upon any sidewalk, alley, street, bridge or public passageway, any waste or other material of any kind."

Mr. Smith suggests the

change include the following addition: "Inasmuch as this littering problem is substantially created by pedestrians and difficult for a public safety officer to enforce from a motor vehicle, we are recommending that the meter maids be empowered by city ordinance to ticket offenders with a fine and/or court appearance appropriate to the offense."

In commenting on the proposal, Director Marchand said he had reservations about having the meter maids perform this job, primarily from the standpoint of their safety.

"I'm sure now if they observe this, (i.e., a person littering), they would have someone, (such as a store owner), call us so we can send an officer down." He said this is the department's policy now and stated it has been working effectively.

Besides the possibility that meter maids could be physically harmed, the director said this proposal also would involve reclassifying their jobs.

"They may be reluctant to become involved in something like this. There's always the danger of abuse," he added.

### Find Farms Man Guilty In Shooting

Circuit Court Jury Convicts Resident of Manslaughter Stemming from April 9 Incident

A Wayne County Circuit Court jury Thursday, July 10, returned a guilty verdict in the murder trial of John Kefalonitis, of 418 Moross road.

The jury convicted Kefalonitis of manslaughter in the April 9 shooting of a St. Clair Shores man in the Moross road residence.

The maximum penalty for the conviction is 15 years imprisonment. A sentencing date of September 18 was set by Wayne County Circuit Judge Joseph B. Sullivan.

Kefalonitis, 41, was charged by Farms police with second degree murder in the slaying of Pavlos G. Athanasopoulos, 38, of 22645 Carolina, St. Clair Shores.

Call Received  
Farms police said a family trouble call was received around 10 p.m. the night of the murder. On arrival, police said, the wives of both men were outside the residence and told officers a man had been shot inside.

Responding officers found Athanasopoulos lying in a corner of the living room and he was taken by ambulance to Saint John Hospital.

Kefalonitis was apprehended by Harper Woods police about 10:30 p.m. after he had fled the scene on foot.

The selection of the jury began Tuesday, July 1, and the case went to the jury Wednesday, July 9. Their verdict was reached around 3 p.m. Thursday, July 10, according to Farms detectives.

Kefalonitis contended the shooting was in self-defense after he scuffled with Athanasopoulos in the Moross road home.

### Tennis Tourney Set in Farms

The Seventh Annual Grosse Pointe Farms Tennis Tournament will be held on two consecutive weekends, Saturday-Sunday, July 19-20 and 26-27, at The Farms Pier Park.

The events will consist of men's singles, men's doubles, women's singles, women's doubles and mixed doubles.

Only Farms residents may enter.

A \$2 entry fee for singles and a \$2 fee per each doubles team is required. Trophies will be awarded in each division.

Entry forms are available at the pier gatehouse and must be filed by 12 p.m. Friday, July 18. Further information may be obtained by contacting tennis instructor Tom Lizza at 882-8280.

### Joe Belanger Elected to Post

F. Joseph Belanger, for 24 years an officer with The Farms Police Department, has been elected vice-president of the Children's Leukemia Foundation of Michigan.

Both Officer and Mrs. Belanger have been active in the foundation since 1959 when they lost their seven-year-old son, Steven, to leukemia. Officer Belanger served as vice president in 1971 and for the past five years has been chairman of the program book issued for annual theater parties sponsored by the foundation.

He is a member of Saint Paul's Catholic Church and is active in the Dad's Club of Austin High School and the Metropolitan Club Spirit No. 20.

The Belangers have six children: Aimee, a third-year student majoring in physical education at Central Michigan University; Richard, in his second year at Grand Valley College majoring in computer science; and four younger children, Eugene, Janine, Carrie and Mark.

The Children's Leukemia Foundation, a Torch Drive service, conducts a total program to support all serious blood disease patients and their families living in the State.

Supplemental fund-raising is sponsored by volunteer chapters throughout the State, with most of this money allocated to the foundation's research funds from which more than \$150,000 annually is donated in grants to Michigan universities and hospitals.

### Woods Lions Make Proposal

The Woods Lions Club is proposing to underwrite a proposed flag pole complex at the Lake Front Park as part of the club's interest in participating in the city's work towards beautification of the park.

Indicating their appreciation of the offer, the council at the regular meeting Monday, July 7, unanimously referred the proposal to the Citizens Recreation Commission for further study.

"It's wonderful that a community service organization like the Lions Club would underwrite and finance a project of this type," said Councilman Ronald R. Kefgen. He then thanked the club on behalf of himself,

the council and Woods residents.

As a local service organization, one of the club's primary purposes is the promotion and advancement of civic affairs, said Marty Iannace, club president.

"We are offering the city our assistance in completing the construction of the proposed flag pole complex planned at the entrance to the new city park pools. Our members have voted unanimously to assist in this project," stated Mr. Iannace.

Seeking guidance in this venture, he asked the council for any information on cost estimates, drawings, site plans or other material. "It would also be helpful if you could give us information on any limitation as to size, description or other data on any contemplated memorial plaque permissible on the project so underwritten."

**Crime Drops in Woods**

(Continued from Page 1)  
 ports go down, the officers have more patrol time. "If they spend less time taking reports, they have more time on the road," he stated.

**"Fantastic Drop"**  
 Under the Part I classification, the biggest drop in offenses is seen in the burglary category with 47 incidents being reported through this June as against 78 last year. Break-ins of residences have alone topped from 61 last year to 31 this year.

"In a community our size that's a fantastic drop," stressed Director Marchand. Both he and Det. Everett Plumb feel the patrol force is playing a major role in this regard, along with the fact that some burglars went "out of business" due to arrests last year and subsequent incarceration. Det. Plumb also added he feels the public is becoming more educated in the fight against crime.

In other Part I crimes, the comparison shows: robbery, seven this year through June, six last year; aggravated assault, none this year, three last year; larceny-theft, (except auto), 276 this year, 287 last year; and auto theft, 15 this year, 16 last year.

**Bike Thefts Fall**  
 Under the larceny-theft classification, the bicycle total fell from 133 through June 1974 to 103 through this June. However, officers urge all citizens to take every precaution in preventing such thefts, e.g., lock your bike at all times and keep it out of sight whenever possible.

In the Part II category, forgery and counterfeiting incidents have risen from one through last June to 10 this year. Nine of the incidents so far in 1975 are uttering and publishing cases. Det. Plumb didn't feel that the banks were getting "hit" in such incidents but rather the local businessman. "The business people are tightening up themselves with the

**Getting Ready For Tourney**

Andy Bonior's Woods Sport Shoppe, having clinched the division title in the Grosse Pointe Men's Slow-Pitch League, has accepted an invitation to participate in the Alpenfest International Slow-Pitch Softball Tournament this weekend at Gaylord, Mich.

Sporting a 7-0 record, the "machine" will be competing against 23 other teams from Michigan and Canada for both club trophies and individual achievement awards.

Team members include Jim Begin, Larry Rappaport, Dan Kosmowski, Don Bollinger, Ray Steffes, Dan Steffes, Al Aune, Jim Beauregard, Carroll Brandon, Dick Keelty, Terry Borgert, Andy Bonior, Bob Bicsak and Bill Remijan.

 HARKNESS PHARMACY

What should you do in case of an accident? Keep cool. Make your brain recite for you the following steps: Send for a doctor at once. Stop bleeding and cover wounds. In case of a fracture, apply a splint. Keep by-standers at a distance. Make your actions gentle and quiet. Loosen the collar, waistband or belt. Keep the victim warm with extra blankets, coats or other coverings. These days the rule is generally not to move the victim of an accident until a physician can make sure what damage has been done.

Protecting your health is one of the most important jobs of your local pharmacist. At HARKNESS PHARMACY, 20315 Mack ave., at Lochmoor Blvd., Grosse Pointe Woods, we keep a complete, up-to-date supply of prescription drugs ready for when you need them. Our pharmacists work closely with your doctor to assure you of the proper dosage and to make sure you know exactly how to use the medication. We also keep complete "patient profiles" of your allergies and immunities to further safeguard your health. Call us at 884-3100 for free prescription delivery. We are open daily until 9 P.M.

**Board Elects Officers**

(Continued from Page 1)  
 "As a lawyer, I can say they do an outstanding job," Mr. Huettman commented. "I think the board would agree."

**Create Accounts**  
 Five Detroit banks were designated as depositories for funds from the Grosse Pointe School System. They are Michigan National Bank of Detroit, the National Bank of Detroit, Manufacturers National Bank, City National Bank and Detroit Bank and Trust Co.

In other financial business the board created four separate fund accounts for school monies instead of keeping it in a single general fund as in the past. Now money will be deposited in a general fund, library fund, building and site fund and a debt retirement fund.

As at each yearly organizational meeting, the board adopted by-laws for the 1975-76 year which Mrs. Hanpeter said were changed very little from the previous year. The Board also set its meeting dates and locations for the 1975-76 year.

During the coming year the trustees will continue to

hold their regular meetings, open to the public, at 8 p.m. on the second Monday of each month. However, four of the series of 11 meetings will be held away from the schools' Administration Building, 389 St. Clair avenue.

The new procedure will give interested residents in various parts of the district the opportunity to attend public meetings of the Board more easily. The arrangement also will permit the trustees to become better acquainted with the total school plant.

On September 8 the meeting will be held in the auditorium of North High School, 707 Vernier road. The October 13 meeting is slated for the auditorium of South High School, 11 Grosse Pointe boulevard.

On January 12 the trustees will meet at Defer Elementary School, 15425 Kercheval avenue while on March 8 they will meet at Mason Elementary School, 1640 Vernier road.

Board of Education Meetings set for the board room at 389 St. Clair are August 11, December 8, February 9, April 12, May 10 and June 14.

Time marches on — and every time a man tears a leaf off the calendar, he realizes that his days are numbered.

**Told of LEIN Changes**

(Continued from Page 1)  
 "The reference to a 10 percent surcharge in your letter is somewhat confusing. Is the proposed 10 percent surcharge based upon the \$175 per month rental cost, or is it based upon total LEIN terminal costs which approximate \$13,000 to \$15,000 annually?"

"Our objection is based on the fact that the LEIN system is not the sole benefit of any one police agency in the State, but instead a total benefactor to Michigan law enforcement and any changes in existing funding procedures will have catastrophic effects on federal, state, county and municipal law enforcement agencies alike within the State."

In defending the cost-sharing plan the governor said "It should be noted that the State will continue to provide computer facilities and related personnel at no cost to the participating police agencies. By including the direct costs of terminals and excluding the cost of lines which is a function of location, the revised charges are both cheaper and more equitable."

Information requested by police authorities on arrested persons is teletyped on the machine and the answer is relayed to the requesting officer within a matter of minutes.

In his original budget proposal the governor asked that local agencies desiring to retain the service pay about \$250 per month or \$3,000 a year for the service. This meant some communi-

ties would not be able to retain the terminals which may still be the case even with the lowering of the monthly rate.

**Rate Increase**

(Continued from Page 1)  
 storm water, which flows through the Detroit system to the Detroit disposal and treatment plant.

Mr. Ortesi said the old annual bill amounted to \$105,000 for sewage disposal. The hike will increase The Park's bill to about \$150,000 a year, or approximately 40 percent, which will be taken from the Contingency Fund to cover the higher amount.

The council voted to have the city absorb the cost from September 1 to October 1, rather than pass it on to its local consumers.

## Farms Police Arrest Bike Theft Suspects

Although Farms Police Chief Robert Ferber says unsolved bicycle thefts in The Farms continue at a rate of about 30-40 per month, at least two alleged bike thieves have been apprehended recently.

On Thursday, July 3, and Sunday, July 6, Farms police arrested suspected bicycle thieves, including a Park youth.

Ronald Vee Treichel, who also gave his name as Gary Watts and Gary Markus, 23, of 5266 Newport, Detroit, was arrested about 4:30 a.m. on July 3. He had first been observed walking on Chalfonte avenue, according to patrolling officer Thomas

Kelly, and was seen a few minutes later on the same street riding a men's bicycle. The subject was stopped and could not identify himself, police said. The bicycle's serial number was entered into the Law Enforcement Information Network, (LEIN), terminal which showed a possible stolen bike with the same serial number.

A Moran road resident had notified Farms police at 3:05 a.m. that a men's bicycle valued at about \$250 had been stolen from the residence. The serial number matched the one ridden by Treichel, police said.

In interviews with the suspect conducted by Farms Det. Earl Field the man admitted taking up to 10 bicycles in the past month from east side area homes. The investigation into these thefts, including the distribution of these bikes, is being conducted by the Detroit Police Department.

Treichel will appear in The Farms Municipal Court on Wednesday, July 16, on bike theft charges.

On July 6, around 2 a.m., Patrolman Timothy Morrison saw a youth riding a 10-speed bicycle north on Vendome road from Kercheval avenue at a fast rate with no lights on the bicycle.

The subject, a 16-year-old from The Park, was stopped for investigation and the officer noticed the license appeared to have been removed. A check with LEIN showed the bike had been stolen from an east side Detroit residence on June 9.

The youth was placed under arrest and a search for weapons produced a clear plastic bag containing suspected marijuana and a hash pipe containing suspected marijuana residue.

Attempts to contact the youth's parents by phone and by Park officers were fruitless and the youth was taken to the Wayne County Youth Home by Youth Service Division Det. Wayne Baum.

## R/A Suspect

Woods police are looking for this suspect, based upon the composite picture above, who allegedly held up an Arco service station, 20805 Mack avenue, Friday evening, June 27, and took \$600 in cash.

During the incident, a young attendant was held at gunpoint and ordered to go into the men's room while the thief opened the cash register. The attendant then came out of the room, grabbed a knife and pursued the robber, before losing him. The holdup man ran west on Hawthorne road towards Helen avenue and disappeared.

The suspect was described as white, between 20-25 years of age, about 6' tall and weighing 200 pounds. He had a black, curly Afro hair style and wore a white T-shirt and blue jeans.

Those who have information on the suspect, based upon the composite picture and his description, should call The Woods detective bureau at 886-2700.

## Club Slates Driver Class

The Neighborhood Club will be offering another driver education class beginning Tuesday, August 5, and ending Monday, August 25.

The class will be held Monday through Friday from 7-9 p.m. at the Club, 17150 Waterloo avenue.

The cost is \$90 which includes a club membership fee and text book. All interested students must register at the club office or send in a check with a copy of the individual's birth certificate by mail.

For further information, call 885-4600.

## Youth Escapes Serious Injury

A 15-year-old Harper Woods youth escaped serious injury after being struck by a car while riding his bicycle Tuesday afternoon, July 1, reported Woods police.

Rick Mangold was taken to Saint John Hospital after receiving lacerations to his right elbow and abrasions. He was treated for these injuries and released the same day.

The youngster was pedaling westbound on Anita ave-

nue when he was struck by an auto driven by Joan Baker, of Woods lane, who was travelling southbound on Charlevoix. Police said the youth failed to stop for a stop sign at the intersection, rode in front of the car and was unseen by the driver until impact.

Officers reported the youngster was thrown 20 feet and slid on the auto's hood before crashing into the windshield on his back.

## City to Host Tournament

The City will be hosting the District Six Little League Tournament, which features 23 teams including six Pointe clubs, beginning Saturday, July 19, reports Arthur H. Getz, District Six administrator.

Two teams from The Woods and Park and one team from The City and Farms will participate in the action, which features clubs from The Pointe, Harper Woods and Macomb County. All games in the single elimination tourney will be played at Elworthy Field.

On both July 19 and Sunday, July 20, games will be played at two diamonds beginning at 9 a.m. with final contests starting at 5 p.m.

Then on Monday, July 21, and Tuesday, July 22, two games will be played at 6 p.m., while on Wednesday, July 23, and Thursday, July 24, one game will be played. The championship contest is set for Saturday, July 26, at 1 p.m.

The winner of this tournament will go to the sectional tourney to play the Oakland County district champ. This contest will be held Sunday, August 3, at 2 p.m., in Harper Woods.

## Make Demand For Insurance

A demand for liability insurance for members of the Planning Commission was unanimously referred to the Committee of the Whole and the Insurance Commission for further study by The Woods Council at the regular meeting Monday, July 7.

At their meeting Tuesday, June 24, the commissioners unanimously voted to forward to the council their demand that the solons indemnify the commission against any losses sustained by an individual commissioner as the result of any official act, and also to defend the commission in any litigation.

### Improvement Project

(Continued from Page 1)

ner has been a welcome addition," he said. "We are very pleased to have them in the community and hope their endeavors will enhance the community."

Councilman George S. Freeman said he hoped the project is the "start of things to come."

"We hope other Mack avenue businesses will follow their step," he commented. "This type of improvement certainly makes it a better community to live in."

**"Right on Target!"**  
For The Woods Beautification Commission, the project represents the type of improvement they are seeking.

"It's just right on target," said Jesse Lowther, vice-chairman of the commission. "Hopefully, on a block basis, the merchants can collectively do this type of thing. It makes it much easier on all levels."

Mr. Lowther noted the commission has placed a priority on the Mack avenue business section with plans to move into other districts later.

"We have only reason to be optimistic," he said. "The merchants have responded positively. We can see pockets where the improvements have been excellent."

**All Supportive**

He added that the mayor, city council and city administration have been extremely supportive of the beautification efforts. He cited the flower beds planted this summer along the median in Vernier road near Mack as an example of beautification progress.

A grand opening of the renovated Kimberly Korner is planned for fall when construction should be completed.

Revised front elevation plans for the proposed addition were approved by the Planning Commission on Tuesday, July 1.

### Cottage Trains Aides, Orderlies

Eleven high school students are busy at Cottage Hospital this summer learning to be nurse aides and orderlies in a Medical Aide program co-sponsored by Cottage, along with North and South High Schools.

The program began June 16 and will continue until Thursday, July 21, when those who have attained satisfactory grades in both theory and clinical practice will receive certificates enabling them to seek employment as medical aides.

Under the direction of Mrs. Joyce Wronkovicz, R.N., in-service coordinator, the students are spending two days each week in class learning basic nursing procedures. They also spend two days each week on patient floors under the supervision of head nurses on the units.

Enrolled in the course are James Champion, Eileen Driscoll, James Jenkins, Sarah Osetek, Karen Mann, Susan Marie Thomas, Hal Sargent, William Albrecht, Kim Groesbeck, Susan Leslie and Thomas Spencer.

### Woods Okays Change Orders

The Woods Council unanimously concurred in six Committee of the Whole recommendations as part of the Lake Front Park improvement project in a recent regular meeting.

Five of the items were change orders and they included the following:

- ★ That an order in the amount of \$2,548 which involves the re-routing of underground sanitary lines because of an obstruction, (bridge abutment), regarding the project be confirmed and approved.
- ★ That an order in the amount of \$8,500 for the purchase and installation of an automatic chlorinator for the diving pool be confirmed and approved.
- ★ That an order for the installation of an alternate type of tennis net posts on the new tennis courts being constructed at a cost not to exceed \$280 be confirmed and approved.
- ★ That orders in the amounts of \$1,279 and \$324 to comply with Department of Public Health requirements be confirmed and approved.

The last recommendation which the council approved authorized Parks and Recreation Director Donald J. Hallmann to purchase 10 heavy duty outdoor nylon tennis nets at a cost of \$90 each and that such expenditures be charged to the Lake Front Park improvement account.

### Ladder Tourny Has Good Start

The Grosse Pointe Farms Ladder Tennis Tournament has had a very good start with 60 youngsters 8-16 years of age taking part.

This will be a busy week in which the leaders in various categories will represent The Farms in two matches with other communities.

The leaders in the boys' ladder are Frank Jensen, Rex Ciavola, John Cammett, Todd Pierce and Todd Ciavola. Peter Keane, Raymond Chown, David Snow and Dan Gallagher have won recent matches. These victories have put them into position to challenge the leaders.

Those who lead the girls are Jeanne Lizza, Kim Pierce, Pam Pierce, Lisa Spindler, Lisa McFarlane and Nancy Neville.

The quality of tennis played has reportedly been very good with each youngster being able to find a match which challenges his ability. Good sportsmanship and proper court etiquette is also stressed.

Director Tom Lizza reports that any Farms resident who would be interested in taking part in the Ladder Tournament may still register through the end of this week. The registration fee is \$3.

For further information, contact Mr. Lizza at The Farms Pier Park at 882-8260.

# One of America's great Cadillac Dealerships is less than ten minutes from Grosse Pointe.

For the past two years, Seymour Cadillac has been chosen as one of the top Cadillac dealerships in all America in the Cadillac Master Dealer Program.

Selected by the Cadillac factory management on the basis of points for each of the myriad of dealership operations, it is valid reason for the Agency's claim to being... "the standard for Cadillac dealerships of Southeastern Michigan."

Accomplishing this didn't just happen in that the dealership did start the race from a very good starting position. Its building, built during the '20's, was one of Detroit's original Cadillac 'factory' showrooms and service centers. It is consequently perfect for a true Cadillac operation. No costs were spared. And the dollars bought a lot more in those days.

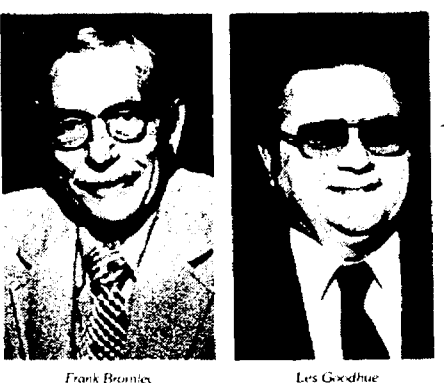

And today Seymour Cadillac is the beneficiary of those dollars and the craftsmanship they bought. Almost daily, customers comment on both the efficiency and the warmth of the operation.

And then, of course, there are the Seymour people. General Sales Manager Paul Mika has spent his total business life with the dealership and has worked in every phase of its operation. His knowledge works for both customers and the company. The Assistant Sales Manager of the firm is Al Zaleski.

Leasing is under the direction of Bill Anderson. Boasting 19 years in the business he, too, has experience in all operations. He believes much of the success of the leasing department comes from its commitment to "good, solid, equitable business deals between business men."

Frank Bromley, one of the true veterans of Detroit's automobile business, is Used Car Manager. Seymour Cadillac counts on him... and you'll find you can too. He takes the cars in on trade, he has them reconditioned, he prices them and he sells them. And the company stands behind his efforts and his product.

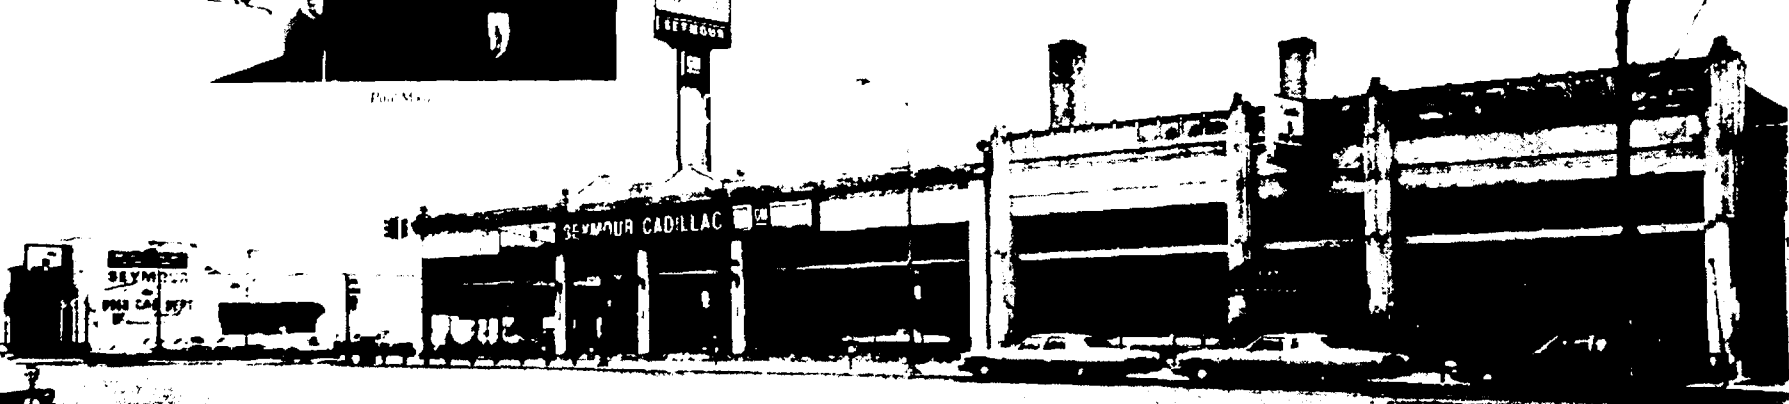

And then there's the Service Department and its head man Les Goodhue. Les, most probably, more than any other person in the organization is responsible for Seymour's extremely high percentage of repeat patronage. It is, after all, the efforts of him and his men who give truth to the promise of complete customer satisfaction after the sale. Another most valued employee in service is Shop Foreman Grady Killingsworth.

These then are the men, who along with all the rest of the staff, have helped the Agency to say to you... "One of America's greatest Cadillac dealerships is less than 10 minutes from Grosse Pointe."

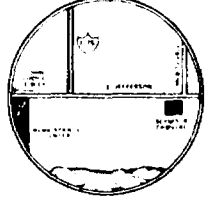

Want the ultimate in quality? The ultimate in prestige transportation? The ultimate in driving comfort?

Come to Seymour Cadillac. Our continuing success has been built on our truly Cadillac treatment of our valued Seymour Cadillac customers.

**Farms Tennis Sign-Up Set**

All Farms residents who were placed on the waiting list for tennis lessons during the first session have been registered in the second session of lessons. However, these persons must appear at The Farms Pier Park Saturday, July 19, between 10 a.m.-4 p.m. to claim their place. At this time, the registration fee of \$3 can be paid and information or lesson times may be obtained.

**'It's Really Bozo!'**

It was party time again in D'Hondt Way, in the Village, and this year's Second Annual Children's Party, sponsored by Jacobson's, was filled with enough fun to keep Pointe youngsters of all ages entertained. Over 2,000 children met special guest television personality Bozo the Clown including, (from left to right), J. J. CONWAY, of Kenwood court, ELIZABETH PEDLEY and ALLISON BAGNER, both of Somerset road, and LISA LEAVELL, of Grand Marais boulevard.

Bozo stepped right into the festivities and met each child, signing photographs and accepting special gifts of letters and drawings. Musical games, prizes and balloons helped kick off the D'Hondt Way circus of surprises.

Life-sized jungle animals—monkeys, lions, giraffes and elephants—popped out from behind shrubbery, trees and plants.

Jacobson's Miss J girls, dressed in storybook costumes such as Cinderella, Tinker Bell and Little Bow Peep, assisted at the party.

Dave Murray, display director for Jacobson's, commented, "The children's faces were so excited to see Bozo, their idol, in person. I was helping to keep the lines in order and to watch the children was just fantastic. This is a great success!"

"It's wonderful, I wouldn't be more pleased," added Carolyn Barnhart, Jacobson's public relations director, who planned the party.

**Pointers Win District Title**

The Grosse Pointe Woods Automotive Babe Ruth, (13-year-olds), won the District Two championship on Sunday, July 13, with a 7-1 victory over Grosse Pointe Farms.

The district baseball tournament was played at L'Anse Creuse and The WoodsShores team beat L'Anse Creuse South, 12-1, and L'Anse Creuse North, 7-1.

In all three games it was solid pitching and defensive baseball that won it for the Pointers as the opposition was limited to six hits in three games and only one error was made in three games.

The team is managed by Rick Zaranek, while Lou Zaranek, Jack Burns and Jerry Shanley are coaches.

The boys will now go on to the State finals in Port Huron Saturday, July 26.

Fifteen 13-year-olds comprised the All-Star team including Bob Brown, Tom Blair, Chris Callahan, Mark Ciavolino, Clark Swart, Jim Schultz, Tim Mitchell, Jon Stewart and Stuart Argo. Others making the trip to Port Huron will be John Hindle, Jim Jara, Dean Dauphinais, Brian Engle, Tom Shook and Jim Rothis.

This is the first Pointe 13-year-old team to make it to the State finals. Coach Zaranek is very confident that if they play the kind of ball they did in the district, the club should take the State title.

**RECEIVE OKAY**

The Grosse Pointe Farms Boat Club received Farms Council permission to set up the boathouse parking area at The Farms Pier Park in a cabaret style for the adult dance Saturday, July 26. The dance will be part of the club's annual regatta. The council gave its okay Monday, July 7.

**Tretzer Wins Golf Crown**

Ron Tretzer, a 23-year-old resident of The Farms, defeated Shores resident Jules Dionne, 18, an Austin High graduate, two and one, Sunday, July 6, in the finals of the Lochmoor Club golf championships.

Mr. Tretzer, who was two down after six holes, recovered to even up the match after nine holes. The match was extremely close thereafter until he closed it out by registering a birdie on the 17th hole.

A graduate of Saint Bernard's College, in Cullman, Ala., majoring in business administration, Mr. Tretzer is currently employed at the Plum Brook golf course while working on his masters degree in finance at

Wayne State University. He was a member of the golf team in college and carries a two handicap at Lochmoor.

He reached the finals by defeating Roger Bonahoom three and two Saturday, July 5.

In the other semi-final match, Mr. Dionne bested Donald Dykstra two up.

Mr. Bonahoom, the defending champion, has won the title three times while Mr. Dykstra has won twice.

Now, in an exclusive interview with the *Gold & Silver Newsletter*, Mr. John Exter explains why he believes unchecked inflation now makes a new wave of bankruptcies and international monetary crises inevitable. He thinks this will lead many people to scramble for a way to protect their assets and that we will see a major "rush out of paper into gold..."

**About John Exter**

Mr. Exter is a retired senior vice president of First National City Bank, the nation's second largest bank. Prior to joining Citibank, he was vice president of the Federal Reserve Bank of New York in charge of international banking and gold and silver operations. Mr. Exter formerly taught at Harvard, and is currently a consultant and lecturer on domestic and international money.

Mr. Exter discusses what he feels are the best steps investors can take to protect their assets, and gives his candid views on questions such as:

- What surprising role may central banks play with respect to gold?
- What may be the subtle, yet important link between our national defense and possible future Treasury gold sales?
- Why did a "rush" by Americans to buy gold fail to materialize—and will Americans be aggressive gold buyers in the future?
- What two factors does he see as principally affecting the price of gold—and which is most bullish?
- Hyper-inflation or deflation with depression—which does Mr. Exter think most likely in America now, and why?
- How will gold measure up as a hedge against both inflation and depression?

### Girl Scouts Serve As Governor's Honor Guard

By Bernice Wozniak  
Women's lib has finally gone all the way. It's even penetrated the Girl Scouts. At least it has in The Woods.

Last March, Woods Girl Scout Troop No. 327 began training to serve as Governor William Milliken's Honor Guard on Mackinac Island.

This privilege, given only to Boy Scouts until last year, was bestowed for the second year in a row to the Pointe girls.

The girls spent the week of June 14 on the island.

Participating leaders included Mae Gallagher, Janis Jevons, Jeanette Parks, Betsy Martin, Barbara Lawrence and Phyllis Neal.

Mrs. Neal says that duties included "flag ceremonies, general housekeeping of barracks, cooking and serving as tourist helpers. Each of the

girls were given positions on the island and told of its history. They in turn provided that information to the tourists."

She said the girls numbered 60, combining members from the senior troop and the younger cadets. "They worked beforehand to pay for their own trips," she noted.

The girls remarked that the island was "better than paradise" and Mrs. Neal commented that Mackinac Island is supposed to have the freshest air in the State.

"The girls had plenty of time for themselves after completing their duties," Mrs. Neal said. "Shopping and bike-hiking took up most of their time."

She observed that The Woods group was one of the first girl scout troops to visit the newly-renovated Scout Service Camp located behind Fort Mackinac.

"The girls conducted themselves with pride," she said. "Lately we've been reading so much about bicycle thefts and kids with problems. We need to hear something positive about kids today and I'm proud of our girls."

### Six-Foot Fence Wins Approval

Mr. and Mrs. R. James Pardo, of 38 Radnor circle, will be allowed to construct a six-foot stockade type fence along the north corner of their residence following approval from The Farms Council Monday, July 7.

Mr. Pardo told council members the fence would enclose a 400 square-foot patio and give the homeowners increased privacy. The fence would go along Radnor circle and also would divide their property from a neighbor's yard.

Mr. Pardo said his neighbor has already given permission for the construction. Council approval is necessary for six-foot fences along roads since a Farms ordinance allows fences to be a maximum of four feet in height.

Mr. and Mrs. Pardo told the council they also plan to landscape the area around the fence.

The vote to approve the construction was 6-1 with Councilman Joseph Fromm dissenting.

Failure is no excuse to quit—the future always remains.

### Move to Alleviate Hazard On Lochmoor Boulevard

By Roger A. Wahn  
In an effort to alleviate what several Lochmoor boulevard residents considered dangerous traffic conditions at the median which begins at 1109 Lochmoor, The Woods Council unanimously concurred in a pair of recommendations from Public Safety Director Henry Marchand.

This action was taken at the regular meeting Monday, July 7.

Based upon a survey of the immediate area which was conducted last month, Director Marchand presented a pair of recommendations including a proposed curb cut into the island to reduce the sharp angle of the curb.

Director Marchand suggested a cut on one side of the curb; however, what specifically transpires depends upon a report from the city engineer, who checked the area last week.

City Administrator Chester E. Petersen felt it was more likely that two curb cuts would take place—either on each side of the island or on each side of the approach before motorists reach the divided part of the boulevard. The work is scheduled to be completed this summer as part of the city's asphalt repair program.

Director Marchand's second recommendation was the posting of two additional signs. One sign would be placed on the island to indicate a divided road with appropriate arrows, while the other would be put up approximately 150-feet west of the island indicating a divided road ahead.

Both signs were ordered on June 12 with the director saying it takes around a month before delivery.

In his memo to Mr. Petersen, Director Marchand noted an examination of motor ve-

hicle accident reports for the past three years indicated only three reported accidents on Lochmoor in the 1100 block.

"These accidents can be attributed to excessive speeds or the driver being unfamiliar with the roadway and failing to negotiate the curve upon entering the divided portion of the boulevard," he said.

"In any event, an average of one traffic accident per year does not indicate a particular traffic hazard. But in the interest of public safety, a survey of the area was conducted" and the two recommendations submitted.

This matter was brought before the council by Bob and Mary Jane Starnes, who reside at 1109 Lochmoor, at the regular meeting June 2. In their communication to the council, the Starnes, along with other nearby citizens, expressed concern over the number of accidents which have occurred at the median on Lochmoor between Holiday road and Fairway.

In citing the "very sharp curve" in the road where the median begins, the Starnes said, "Many cars exceeding the speed limit cannot make the turn and hit the median which sends the cars careening across the curb and over the sidewalk where children play."

The couple were in attendance at the July 7 meeting and said they concurred in Director Marchand's recommendations, while citing the need for action in this matter.

Along with Councilwoman Joan M. Mullan, Mr. Starnes said, regarding the trio of reported accidents in three years, that many other mishaps have gone unreported.

### Woods Studies Planners' 'Recs'

Two recommendations from the Planning Commission regarding a zoning ordinance No. 88 and Ordinance No. 198, the city's sign ordinance, were unanimously referred to the Committee of the Whole for further study by The Woods Council at the regular meeting Monday, July 7.

The recommendations were unanimously made by the commissioners at their Tuesday, June 24, meeting.

A section of Ordinance No. 88, titled "Schedule of Regulations Limiting (the) Height and Bulk of Buildings, Land Use and Area for Residential Purposes," received the commissioner's attention along with proposed revisions to the sign ordinance.

As proposed, a section governing regulations on pole signs would be amended, saying such signs will not exceed 20 feet in height or exceed the height of any building located on the lot in question, whichever height is lower.

In the area of roof signs, the proposal noted on and after the ordinance's effective date, no permits will be issued for the installation of any roof sign.

"Hereinafter, all roof signs shall be considered non-conforming signs and shall be removed on or before January 1, 1978. Provided, further, that such roof signs shall be removed upon the change of occupancy of the building to which the sign is affixed," says the proposal.

It also notes upon application to the Planning Commission, an extension of time, (not to exceed two years), may be granted for the removal of such signs beyond January 1, 1978, upon such conditions which may be required by the commission to insure the safety of such structures.

Finally, the proposal also would limit the height of pylon signs to 20 feet from the ground level if the signs are affixed to or constructed as part of a pylon, being an extension in height of a parapet wall or an extension in height of a side wall of a building.

### Cyclist Hurt In Collision

A St. Clair Shores cyclist was struck by an automobile at the Lakeshore-Vernier intersection on Thursday, July 10. The cyclist, Gary Ocelnik, 16, of 21905 Shady lane, suffered two broken lower teeth, a swollen lower lip, abrasions and minor bruises on both arms after he fell to the pavement.

Shores authorities said the driver of the car that struck the boy was Susan L. Mai, of 185 Millicent, Buffalo, N.Y.

Public Safety Officers John Trevillian and Harry Hamilton were in the process of placing an impounded car behind The Shores Municipal Building at 3:50 p.m. when they heard the screeching of tires. They found that an auto had collided with a motorized Solex bicycle.

The woman was taken to the station by Trevillian to make a statement, while officer Hamilton took the boy to the family's dentist's office to take care of his damaged teeth.

The woman stated she was traveling north on Lakeshore in the left lane, when the traffic signal at the entrance to the Grosse Pointe Yacht Club turned amber. Young Ocelnik, traveling at the curb lane, suddenly turned in front of her, she said.

The lady driver said she braked hard and tried to avoid hitting Ocelnik, but could not. She struck the rear of the Solex with the left front fender of the car, throwing the boy to the pavement.

The 16-year-old said he was riding north on Lakeshore and saw the light turn amber. He turned to go onto Vernier and saw the Vernier side of the traffic signal was green. Then he was hit.

Police said no complaints were made and no violation tickets were issued.

This action was taken at a recent regular meeting.

## Practices of Detroit Water Department Hit

The Woods Council unanimously passed a resolution requesting the State legislature to take action in four areas regarding the Detroit Metropolitan Water Department and the Detroit Board of Water Commissioners, which the measure states have victimized the city by its "inequitable practices" in three critical areas identified by the Western Wayne County Water Rate Study Committee.

This action was taken at the regular meeting Monday, July 7.

The trio of areas, according to the resolution are: (1) Representation of suburban interests on the Detroit Water Board is not guaranteed. Under the City of Detroit charter, non-Detroit members of the seven person board may number no more than three, and may be excluded entirely.

The council feels that formula no longer provides equal representation for all water and sewer customers considering that suburban dollars now account for approximately 65 percent of the total Detroit Metropolitan Water Department budget.

(2) The Detroit Metropolitan Water Department is not currently required to be audited annually by an outside agency. Without such a periodic independent audit, it is impossible to judge with certainty the necessity of any proposed rate change and to determine the exact breakdown between Detroit and suburban dollars in both water and sewer budgets, and where those dollars are being spent, the resolution states.

(3) The Board of Water Commissioners is not currently required to hold public hearings prior to a proposed rate change. "Similarly, once a rate change has been made, the decision is not subject to appeal. This is inconsistent when compared with regulations imposed on other utilities," says the resolution.

The measure says The Woods has no objection toward the shouldering of its responsibilities as a result of imposition of the Water Department and/or Water

Board "so long as impositions are administered equitably." But the council has determined that the inequities infringe upon the rights of Woods citizens and the rights of the administrative and legislative officers of the city are sworn to uphold, says the measure.

In striving to eliminate such inequities, and to guarantee equity for citizens in their relationship with the Water Department and Water Board, the council urges that the following steps be taken:

- The State legislature enact legislation requiring an immediate audit of the Detroit Metropolitan Water Department by an outside auditor with the audit covering both the water and sewer budgets. Further, that additional legislation be enacted requiring cities of over one million population and its own water system to be audited annually by an outside auditor.

● The legislature enact legislation revising both the makeup requirements and appointment procedures of the Water Board so that it may "become more truly representative of all water customers." Suburban communities must have a greater voice in who shall be their representative on the Water Board than at present, says the resolution.

● The legislature enact legislation which will specify formal steps the Water Board must take prior to any water or sewer rate change. Such steps shall include a public hearing or hearings. Provisions also must be made for a formalized appeals procedure of any Water Board rate-related decisions, says the measure.

● The legislature enact legislation which make the Detroit Metropolitan Water Department subject to study

by a nationally recognized rate study firm. The purpose of this study, says the resolution, will be to complement the outside audit in order to determine if (1) water and sewer rates currently in force are justified, and (2), to judge the necessity of and proposed water or sewer rate change.

The council then implores, if not demands, the legislature to take action "forthwith offering legislation to accommodate the aforementioned objectives." The resolution was proposed by Councilman Rodger A. Graef.

## Babe Ruth Results

### FARMS, CITY

By Julian Thomas

In the 13-year-old All-Star Tournament, held at L'Anse Creuse, the G. P. Americans advanced to the finals with an impressive win over the G. P. All Americans, 22-0.

The game featured a no-hitter for Brad Bennett, who allowed only one batter to reach first on a walk. Tom Borland had a triple, Mike McDonald and Dave Spencer, doubles. Dave had three hits and Bill Bradford, Tom Borland, Bill Higbie and Brad Bennett socked two hits each.

In regular league play, the Metropolitan Club Indians scalped the Kottlar Yankees, 12-5. Heavy hitters for the Indians were Tom Hilton and Tom Graves with home runs and John Cotzias with a double and triple. The Indians also had three singles from Chick Taylor and two from Dan Mikesell. For the Yanks, Bill Bradford had a double and John Hasse a three-bagger. Lenny Bartoszewicz took the win.

With Jim Davey on the mound, the Notherdurt Red Sox shaded the Indians, 12-11. For the Sox, Mike McDonald had a double and Jim Davey, a triple.

The Indians were loaded with extra base hits with Tom Hilton and Chick Taylor clubbing homers. Tom Graves, Cab Morris and Tom Borland stroked doubles and Lenny Bartoszewicz, a triple.

### ALL-AMERICAN LEAGUE

Bob Palffy pitched 5 1/2 innings of relief to get the win as the Cavanaugh Insurance Redlegs defeated the Texas Rangers, 12-4. Bob allowed only one unearned run and two hits. Hash Shalhan had two hits and four RBI's. Ross Brackett had two hits and three RBI's, while Ron Zimmerman added two hits and scored three runs.

### THE PARK

By Tom Shlane

The second and final half of the season was completed and won by the Dodgers with an 8-2 record.

The Dodgers then played the Giants, winners of the first half, on Tuesday, July 15, (after press time), to determine which team would represent the National League in the World Series.

In the last week of action, the Cards routed the Giants, 14-2, on Monday, July 7.

Tony Abraham led the Cardinal attack with four hits, including a triple, and five RBI's. Abraham also was the winning pitcher as

## Babe Ruth Results

he fanned six and allowed only two hits.

Other Cards contributing to the victory were Scott Ricard, Chip Owen and Brian Dooms with two hits each. Len Winzer had a pair of hits and drove in a pair of runs for the Cards, too.

On Thursday, July 10, the Dodgers concluded the regular season by whipping the Braves, 15-5.

The Dodgers wasted no time as they scored seven times in the opening inning. Randy Steen, John Benoit and Paul Deschenes had key hits in that rally.

Kyle Ground's triple in the next inning drove in three more Dodger runs to put the game away.

Andy Armbruster and John Bedsworth tripled for the Braves, while Scott Root had a double.

The season's final standings show the Giants, 16-5; Cardinals, 12-9; Dodgers, 11-9-1; Braves, 7-13-1; and Phillies, 2-19.

## GP Kiwanians Sponsor Youths

The Grosse Pointe Kiwanis Club sponsored 30 members of the Children's Home of Detroit to a double header at Tiger Stadium on Sunday, July 6.

The event was part of "Kiwanis Kids Day" organized by the Kiwanis Council of Southeastern Michigan.

Harold Wolf, president of Grosse Pointe Kiwanis, said, "Kids Day offers clubs like ours an opportunity to provide a day of fun and entertainment for youngsters in our community. Everyone enjoyed themselves so much, I hope that we make this an annual event."

The Children's Home of Detroit is located at 900 Cook road.

## Fair Info Act Is Introduced

Representative William R. Bryant Jr. introduced a Fair Information Practices Act for Michigan recently.

The bill would strictly regulate the manner in which the State can collect or use information concerning its citizens.

With certain exemptions possible for various law enforcement and regulatory files, the bill puts information use under regulation by a special office of Fair Information Practices in the Department of Management and Budget.

Individuals would have the right to see and challenge a file on them, with appeal to a court if they disagree with an agency ruling.

The bill closely follows the Federal act passed in 1974. It has the support of Governor William Milliken, reports Mr. Bryant's office.

**FARMS AAA LEAGUE VS. CITY MINORS A**  
By Joe Fromm

The AAA League All-Stars from The Farms defeated the Minors A League All-Stars from The City, 12-9, with a six-run outburst in the top of the ninth inning before a large crowd at Elworthy Field on Saturday, July 12.

The game was close for the first eight innings as the lead changed hands six times and was tied twice. The City rallied in the bottom of the ninth for two runs and had the tying run at the plate but winning pitcher Erik Anderson got Jim Pagel of The City to ground out for the last out.

Larry Diener walked to lead off the top of the ninth with The Farms trailing, 7-6. Rob Carr and Mike Hartmann followed with singles with Diener scoring on Hartmann's hit to make it 7-7. Gordy Farquhar grounded out but Carr scored to put The Farms in the lead, 8-7. Hartmann scored as the catcher's throw got away from the pitcher.

Bill Peattie walked and Anderson singled. Steve Vinci followed with a single to score Peattie and Anderson. Vinci scored the last run in the inning on Vince Kikel's fly ball to right.

The City took a 1-0 lead in the first on walks to Mark Miller, Peter Dettinger, John Strabel and Bill Trombley.

The Farms tied it at 1-1 as Larry Fromm led off the third with a triple to left and scored on a wild pitch.

The Farms took the lead for the first time in the fifth, 3-1, on singles by Dave Knott, Vinci, Steve Mecke and a walk to Kikel.

The City regained the lead, 4-3, in the bottom of the sixth on walks to Miller, P. Dettinger, Trombley, Scotty McCall and a double by Stabel.

The score was tied 4-4 in the top of the seventh as Peattie led off with a single and advanced to third on a wild pitch and passed ball. He scored on Anderson's fly ball to deep center. Tread Huntington made a good catch of Anderson's fly.

The Farms went back out in front 6-4 in the top of the eighth on a lead off double by Mark Basile, a single by Mecke and a ground out by Fromm scoring Mecke.

The City quickly went back in front, 7-6, in its half of the eighth on singles by John Dettinger, Chris Trieber and Colin Bower, a walk to Doug Deem and a ground out by Bart Orban driving in a run.

The City threatened in the bottom of the ninth with two runs. Dennis Coles led off with a single and walks to

Miller and P. Dettinger loaded the bases. Huntington's sharp single to left drove in the two runs.

The host league, The City, graciously invited all of The Farms' players to a picnic following the game.

The players representing The Farms were Erik Anderson of Portland; Mark Basile and Dave Knott from Hollywood; Matt Boyle, Rob Carr, Larry Fromm and Peter Gigante from Newark; Larry Diener from Denver; Gordy Farquhar from Phoenix; Mike Hartmann, Vince Kikel, and Steve Vinci from Louisville; Matt Howell, Robert Kitchen and Steve Mecke from Sacramento; and Bill Peattie and Bill Prince from Hawaii.

Roy Hartmann, manager of league champions Louisville, managed The Farms All-Stars. He was assisted by Jim McWatt, manager of second-place Newark, and Bill Haring, manager of the playoff champions, Portland.

The players representing The City were Mark Miller, Jim Pagel, John Strabel, Eric Lundberg, John Lundberg, Mike Goetz and Alex Draper of the Pirates; Peter Dettinger, John Dettinger, Stark Lang, John Mikesell and Ned Sparrow from the Senators; Tread Huntington, Chris Trieber, Bart Orban, Colin Bower, Denis Coles and Brian Coles of the Giants; and Bill Trombley, Scotty McCall, Doug Deem and Bill Flom from the Phillies.

Frank Goetz, manager of the Pirates, was in charge of The City All-Stars. He was assisted by Bill Edgar, manager of the Giants; Bill Trombley, manager of the Phillies; and Bill Dettinger, manager of the Senators.

**THE PARK**  
By Patty Hunt

The Park Little League ended its 1975 season with a world series victory by the Cincinnati Redlegs.

The Redlegs, who won both the first and second halves of the regular season in the National League, defeated the champions of the American League, the New York Yankees, in a two-game win.

Tim O'Neill, winning pitcher of the first game, led the Redlegs to a 12-8 victory. Jim Baumstark pitched for the Yankees in the first three innings. Bayard King pitched inning four and five and Dan Shine came in in the sixth.

Chris Kohut, Redlegs, doubled in the second inning, with Tom Dennis, Yankees, and O'Neill doubling in the third. John Gillooley, Redlegs, got a two-base hit in the fourth, and O'Neill doubled again in the fifth.

The Redlegs took the second game with a 5-3 win over the Yankees. Winning pitcher, Dean Graham, pitched all six innings for the Redlegs. Hugh Boy also pitched a full six for the Yankees.

In the first inning, Graham hit a two-run homer. Kostos Telegadas hit a homerun in the first and third innings, and John Gillooley homered in the third; all for the Redlegs.

The first All-Star game will be played Sunday, July 20. The National League players will be A. Marrs, J. Yott, J. Coyle, S. Kosmos, D. Goulet, K. Telegadas, J. Parthum, T. O'Neill, T. Formanczyk, J. Gillooley, S. Macres, D. Landuyt, K. Liddy, D. Graham, M. Kirkpatrick, R. Walker, A. Pickerahn, S. Saigh and T. Wilson.

The American League All-Stars are V. Bruce, H. Conlan, E. Fish, J. Pasada, M. Raymond, P. Stavale, T. Gaitley, J. Leamon, D. Shine, G. Polick, D. Overley, T. Tocco, K. Hock, J. Stephens, J. Aurelius and D. Geoffrey.

**GPYC Wins in Water Polo**

The Grosse Pointe Yacht Club, (GPYC), lifeguards defeated the Windmill Pointe lifeguards in a water polo match, 4-1, on Sunday, July 13. This match was the first time the guards ever met. Yet plans for league action are in the making. The Yacht Club guards are scheduled to meet The Farms Pier Park Tuesday, July 22.

Bill Seheyon, Tom Fitzgibbon, Tom Scheer and Dave Knox all scored GPYC goals, while Mark Rollig was the lone scorer for The Park.

"There was a whole lot of cooperation at The Park," commented GPYC coach Tom Fitzgibbon. "The Park police had a resuscitator, and generally everything went pretty well."

"We lost," said Park coach Tom Murphy, "but we had a great time. I really want

to do this again. I'd like to start a league, playing all the parks and also the private clubs.

"We'll have to get the rules straight next time though. We were both playing under some different rules, and it caused some discussion. Nothing serious, but it will make things easier if we all have the same guidelines."

**Superior Wins Babe Ruth Title**

Ed Kaspov, the ace hurler for Superior Pattern with a 9-0 mark, led his team to a 3-2 victory over Atlas Tool on Thursday, July 3. He gave up only five hits in seven innings.

Superior Pattern's big blow came in the fourth inning. With two men on base, Rich Taylor delivered a long blast to right field sending the base runners home. He then scored himself on an overthrown ball to third base.

This was the third game in a best of three World Series. Superior Pattern dropped the opening game, 5-4, to Atlas Tool. Superior took the second game, 12-8, behind winning pitcher Jeff Carter.

Other members of the Babe Ruth All-American champions are Dave Carron, Rich Taylor, George Kypros, Ken Versichele, David Joseph, Bob Piche, John Saffran, Scott Kidurka and Doug Smith.

Coaches include Dennis Crooks, manager, Dr. George Kypros and James Amluxen, coaches.

Things are not well balanced today — it's much easier to spend money than to save it.

**Cut your peak winter heating bills as much as 45%.**

**Join our 12-Month Budget Payment Plan now.**

Our 12-Month Budget Payment Plan has never made more sense than it does now.

We know it's tough to budget for monthly Gas bills that can be as much as six times higher in the cold winter months than in these hot summer ones. The 12-Month Budget Payment Plan lets you even out your Gas bills for the year ahead with 12 monthly installments.

Here's how the Plan works. First, we determine how much Gas you used last year and calculate its total cost at today's rates. Then we divide that total cost by 12 to give you the budget amount you can expect each month from August of this year through July of next year, no matter how cold it might get during the winter.

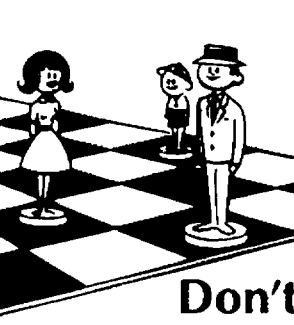

Results? Your mid-winter budget bills can be as much as 45% below what your normal peak heating payments would otherwise have been.

Of course, if you saved Gas last year by installing ceiling insulation, storm doors and windows or permanently dialed down your thermostat, your monthly budget bills will be even lower than if you hadn't taken these energy conservation measures.

If any adjustments need to be made to your budget payment amount during the year, we'll notify you. Or, if you overpay or underpay a bit for the budget year, we'll make the necessary adjustment on your August 1976 bill.

To enroll, just return the postage paid card we're sending you. Or if you've misplaced it, call us, and we'll sign you up over the phone.

Our Gas is still your lowest cost fuel. And our 12-Month Budget Payment Plan will make it a lot more convenient to pay for. Enroll today.

GROSSE POINTE

**By John Krause**  
The Grosse Pointe police softball team traveled to Flint Friday-Sunday, July 11-13, to play in "Michigan's first all police national softball tournament and was honored with the good sportsmanship award.  
Four divisions were set up with four teams in each division. Grosse Pointe was paired against the Cincinnati, O., Warren, Mich., and Flint police teams.  
Cincinnati was the pre-tournament favorite and the Pointers drew them in the first round of play. The game was played on Friday at the I.M.A. complex in Pottery Lake, just east of Flint.  
Cincinnati proved to be one fly ball and two outs too much for the Pointers who lost, 9-8. The game saw with never more than a one run lead for either team.  
With Grosse Pointe being the home town team, Cincinnati came to bat in the seventh and final inning down by one run, 8-7. The first batter lined out to shortstop Mike VanDeGinste, (Woods).  
The next batter up doubled. Then the pitcher for Cincy "Ace" Richardson lofted a high fly ball to centerfielder Mark Brecht, (Farms), who earlier took away two sure home runs by catching balls that were over the fence. Brecht slipped as he turned to catch the ball hit by Richardson with the ball just eluding him. As a result, the man on second scored the tying run.  
In an attempt to cut the runner down at the plate Richardson was able to reach third base. He ultimately scored on a sacrifice fly. The Pointers were unable to launch a comeback in the bottom of the seventh as only Tom Hunke, (Woods), reached base via a walk.  
The following day, the Pointers with a glimmer of hope still remaining to reach the championship defeated Warren, 7-5. The Pointers

scored their seven runs in the first three innings and held off the stubborn Warren policemen, who scored five runs in the last two innings.  
Only a diving catch by second baseman Pat DeVine, (Woods), with the bases loaded and two out choked off a last inning rally.  
Just two hours after beating Warren, the Pointers came back to dump Flint, 11-5.  
Ron Hayden, (Woods), Mike VanDeGinste and Archie Grieve, (Shores), led the offensive attack. Hayden and "Van" were three-for-three, each driving in three runs. Grieve "kicked in" with a single and double and knocked in two runs.  
Four home runs were hit by the Pointers with all being inside the park homers. They were socked by Mike Kortas, (Park), Ron Hayden, Mike VanDeGinste and John Trevillian, (Shores).  
Any chance of a playoff or championship berth died when Cincinnati defeated Warren Saturday evening, 7-5. However, not all was lost.  
At the closing ceremonies following the championship game, won by Cincinnati over the Wayne-Oakland County Sheriff's Department, Grosse Pointe was presented the good sportsmanship award.

The trophy was given by Herbert A. Adams, chief of the Flint Police Department. The award was voted on by the 16 umpires and eight official scorers. The two foot high trophy was presented to co-managers Dave Hiller, (Park), and John Trevillian.  
It should be noted that prior to the start of the tournament, players from Cincinnati, Dayton, Cleveland and Kettering, O., as well as players from Grand Rapids and Muskegon were asking who and where was Grosse Pointe?  
In answer to this it was best said on the podium at the closing ceremonies, "Grosse Pointe showed 15 other police agencies as well as officials and representatives of the City of Flint what good clean sportsmanship was, on and off the field of play."  
A spokesman for the tournament summed it up best when he stated that "the residents of Grosse Pointe should be very proud of the group of men representing them in Flint—not only as ball players but as excellent law enforcement officers as well."  
The Pointers will be in Dayton Friday-Sunday, August 1-3, for the National Fraternal Order of Police Tournament.

**Enrollment in Summer School Program on Rise**  
**By Susan McDonald**  
After nearly a decade of steadily declining enrollment, Grosse Pointe's summer school program appears to be on the upswing.  
This year 736 students of all ages are taking advantage of classes varying from bicycle repair and photography to remedial English and math. That figure is up almost 50 percent from last year when only 500 students attended summer classes.  
A new slate of classes, a later and shorter schedule and simpler registering techniques are among the reasons for the increased enthusiasm. They are all part of an effort by Assistant Superintendent Dr. Joseph Spagnoli and Robert Welch of North High School to reshape the program to better suit the public's needs.  
The new enrichment program offers students a break from their regular, academic studies with classes geared toward developing their skills and hobbies.  
Students are painting, sewing, learning to repair cars and bikes and studying typing and speed reading at the middle, high school and adult levels at North High.  
Art, gymnastics and computer science are offered for elementary students at Monteth School. These courses are geared more to individual needs than regular classes permit and the students are responding enthusiastically.  
"We just don't have the discipline problem in summer that we usually have during the regular school year," according to Gordon Morlan, who runs the summer school program at North High.  
"These kids are here because they want to be, in most cases, and they are enjoying themselves," he said.  
Adults also have taken advantage of summer school offerings this year under the new program. Thirty-three have enrolled at North High to brush up on skills or to learn a new hobby.  
Another innovation that has attracted students, according to Dr. Spagnoli, is the new credit-no credit program. Students may attend classes three days each week for no credit or five days a week if they are taking the class for a full year's credit.  
This year's summer school program also includes two, late summer, basic skills sessions that will give students a chance to "brush-up or just get a head start on the next school year," according to Dr. Spagnoli.

**LWV Backs House Bill**

The League of Women Voters (LWV), of Michigan, including the GP League, recently announced their support of House Bill 5250, the campaign finance reform bill recently introduced into the Michigan legislature by bipartisan leadership.

For two years, the LWV has been working for effective campaign finance reform on both the national and state level.

The proposed legislation provides needed laws to limit political contributions, to require full disclosure of contributions, to create an independent enforcement agency and to establish a public campaign fund for the Governor's race through the income tax check off, says the LWV.

All of these provisions are a part of the organization's position on the issue of campaign finance reform.

The LWV of Michigan supports the people's right to know about lobbyists' activities and conflict of interest issues which are covered by the bill. They believe these changes should be made in

order to make the government more accountable, representative and responsive to all citizens.

The LWV of Grosse Pointe urges everyone to write Representative William R. Bryant, Jr.—House of Representatives, State Capitol, Lansing, 48913—on this bill.

Senate Bill 880 is identical, but it's possible that action in the Senate may be delayed until the fate of H.B. 5250 is determined.

For further information about H.B. 5250, call 884-6980.

### What Goes On at Your Library

By Arthur M. Woodford Chief of Central Library

Do you like your reading to have a touch of the mysterious, the macabre, the supernatural? Here are a number of books just purchased by your Grosse Pointe Public Library that should suit your late night summer reading.

One of the masters of this type of writing was Ambrose Bierce. In THE COMPLETE SHORT STORIES OF AMBROSE BIERCE, (Doubleday), edited by Ernest J. Hopkins, we have for the first time in a single volume all of the 93 stories written by this great American author.

These stories, written between 1882 and 1896, fall into three groups: tales of the macabre and the supernatural; grimly realistic stories of war; and wildly exaggerated "tall tales" of the Old West.

Mr. Bierce was a brilliant and witty satirist. His sometimes bitter cynicism and uncompromising individualism often seem more appropriate to our time than to his own.

Hans Holzer's THE AL-CHEMIST, (Stein and Day), is an account of the mysteries surrounding the reign of Rudolf von Habsburg, 16th century ruler of the Holy Roman Empire.

Amidst the warring Roman Catholics and Protestants, and power plays of political leaders, Rudolf slowly retreated into the world of magic and alchemy. He invoked the "spirits of the planets and the demons of the universe" so they might do his bidding. He surrounded himself with astrologers and alchemists. He set up smelting kitchens for turning lead into gold, even sacrificed an animal in an attempt at Black Magic and used erotic means to summon supernatural powers. A spell-binding true story.

Stories of a somewhat different nature will be found in SUPERNATURAL MYSTERIES, (Dodd, Mead), by

Edward R. Snow. Among them is an account of the Amherst Ghost, which in 1878 plagued young Esther Cox Shanahan with explosions, flying bedclothes, leaping furniture, sudden alterations in size and threats of fire and death.

There also are accounts of storms and shipwrecks, pirates and privateers, including the sinking of the packet steamer "Central America" with nearly \$250,000,000 in gold which still lies on the bottom of the ocean waiting to be recovered.

Angela Carter's book THE WAR OF DREAMS, (Harcourt), is a powerful novel of the imagination. It begins with a "phantasmagoric re-creation" of a city in England. With the normal limits of time and space destroyed, order has crumbled. Dr. Hoffman, the magician, has been at work. Desiderio, the hero, is pitted against Hoffman; he is to destroy him. The long quest for Hoffman propels Desiderio through a surrealistic landscape. He must first survive the witcheries of a carnival, the rituals of the River People and the rituals of Eros before he is able to confront the powerful magic man.

This fine novel is rich in symbol and allusion, but always eminently readable, with a fairy tale style and great beauty of language.

These next three books are all collections of short stories and are all published by Tapplinger.

The first is THE CLANS OF DARKNESS; SCOTTISH STORIES OF FANTASY AND HORROR edited by Peter Hanning. This volume refracts the essence of Scottish supernatural imaginings through a darkened prism of uneasiness.

Rooted in the misty moors of a superstitious past, these 21 horrific stories include pieces by Sir Walter Scott, Sir Arthur Conan Doyle, Algernon Blackwood and A. J. Cronin. Some of these stories are classics, some little-known, all have a special flavor all their own.

This next title, WAVE OF FEAR: A CLASSIC HORROR ANTHOLOGY edited by Hugh Lamb is an elegant collection of 17 pleasurably macabre surprises.

The three Benson Brothers are here with tales on Cornish witchcraft, on a kind of possession, and a ghost tale at Canterbury. Eleanor Scott spins an authentic nightmare about a rural priest's battle with evil. Vivian Meik offers a graphic piece of black magic set in darkest Africa. These and the other chill elicitors all make splendid reading.

In THE HOUNDS OF HELL editor Michel Parry has brought together a collection of terrifying stories about dogs whose bite is very much worse than their bark.

Authors included are the master of the occult, H. P. Lovecraft, along with Guy deMaupassant and Dion Fortune whose "The Death Hound" happily ends with the benign occult powers defeating the evil ones. In all, 16 excellent stories of dogs as supernatural beings, instruments of revenge and masters of evil.

### Letters to the Editor

To the Editor:

The wheels go 'round and 'round, but not at the Mann's house in Audubon road. On Thursday, July 10, Karen, age 17, leaving for work at Cottage Hospital made a discovery. She came into our bedroom with, "The bikes are gone."

The evening before, Dorothy, 13, had a premonition that something could happen, (due to the theft of a friend's bicycle), and chained and locked two 10-speeds, one a gold vista and an avocado Concord (special), plus a lemon yellow three-speed Schwinn, to each other in our two-car garage. The cars were parked outside the doors because of the bikes.

Eileen, 21, suffered the greatest loss, as her bike was only a week old. It was her main means of transportation to work about two miles from home. She offers a reward for its return.

Robert, the youngest of our nine children, had his bicycle stolen on June 19 at the Windmill Pointe Park, while swimming in the afternoon.

What are victims of stolen bikes to do? What can be done to stem the flow of "hot" goods into the hands of unscrupulous buyers?

The only solution is through the law courts. Make the purchase of a "hot" bike a felony for the buyer.

How do these thieves walk into a garage at 2 a.m., break three locks, and depart under a street light in front of the home. No one had seen or heard a thing.

Report anything suspicious, any time.

This is an open letter to the Grosse Pointe Park Police Department. Please hire more men to patrol our streets. Perhaps even a City-

zens Patrol might be a partial answer.

They, (the thieves), were after bikes this week. What will it be later on?

We are disgusted, angry and a bit scared. How would you feel?

Dr. and Mrs. Andrew Mann and family

To the Editor:

I enjoy reading the "Grosse Pointe News" because I get to know more about what's going on in Grosse Pointe. It is fun to be able to read about the people and places I know.

I was one of Dr. Fenton's students in Kerby School. She taught me the violin and she also directed the choir, too. I was very happy to see that you wrote an article about her in the paper.

Yours truly,

Loree Krug

463 Belanger avenue

(Editor's note: Dr. Winnifred L. Fenton was featured as Pointer of Interest in the July 10 edition of the NEWS.)

### Construction of Shelter At Elworthy to Begin

Construction is planned to start this week on a pavilion type shelter building at Elworthy Field with completion scheduled for late August.

The City received five bids on the proposed shelter construction on Wednesday, June 18, ranging from \$19,447 to \$24,790.

Following review of the bids, The City Council at a special meeting Tuesday, June 24, accepted the low bid of Martin A. Batts of The Park in the amount of \$19,447 and awarded a contract for construction of the shelter.

The council also approved certain change orders to the shelter plans thereby reducing the contract cost to \$18,077.

The shelter building will be located approximately 60 feet in from the Waterloo avenue sidewalk in the area bounded by the Rotary Playground, the tennis courts and pedestrian mall and tennis practice wall.

The pavilion type shelter is designed to provide locations for drinking fountains, a public telephone and a wall area for the future mounting of a plaque identifying the contributors to the redevelopment of Elworthy Field. The land areas adjacent to the

shelter will be landscaped in a park-like fashion.

This shelter represents the last major improvement in the overall renovation of Elworthy Field.

More than \$108,000 in contributions from individuals, foundations, civic organizations and businesses have been made to the Elworthy Field Trust Fund since July 1971 to underwrite the vast majority of the cost of renovating the various facilities at the field.

In addition, citizens, civic groups and businesses and the City of Grosse Pointe have contributed time, labor and materials to the various renovation projects.

The shelter was designed by Architect Arthur O. A. Schmidt in consultation with other representatives of the Committee for the Improvement of Elworthy Field, the City Council and staff.

## From Another Pointe of View

By Janet Mueller

They're beginning to beat the bushes for donations to the write-in auction that will highlight Ski Prix '75, to be held at the Fairlane Club, Dearborn, next November 1.

It's a cocktails-and-dinner fund-raising "fun" evening for the benefit of the United States Ski Team and our own Region III racing program. Sixty percent of the tax deductible auction donations goes to the United States Skiing Association, the remaining 40 percent to Region III.

Donations can be goods, services, anything... Last year's Ski Prix auction items, (the '74 party was held at the Troy Hilton Inn, remember? —and didn't we all have a good time!), ranged from ski weeks in Utah, Montana's Big Sky and Aspen to a complete astrological natal chart.

This year's party promises an equally wide auction item range. Hopefully, an even larger list of write-ins will be offered, for the United States Ski Team, spending a Working Summer on the slopes in Portillo, Chile, in preparation for the 12th Winter Olympic Games to be held in Innsbruck, Austria, next February 3 through 15, is a truly Super Team.

This year has shown that, physically and technically, our racers are among the best in the world. With continued commitment to training and preparation, plus sustained funding, there's no reason why the United States Skiers can't accomplish their goal of becoming, officially, Olympically, THE BEST.

That "sustained funding" is very important. That's how we all can help.

That's what Ski Prix '75 is all about.

The H. Samuel Greenawalts, of Bloomfield Hills, are general benefit chairmen this year, with Mrs. Douglas F. (Mary) Roby, Jr., coordinating things on our side of town.

Local Auction Acquisition committee members, "bush beaters" under chairman Mrs. John P. (Angie) Ottaway, include Mrs. Allen (Terry) Edwards, H. Richard Fruehauf, Mr. Ottaway, Mr. Roby, Mrs. Paul H. (Sandra) Wehmeier and Mrs. Rex G. (Louise) Ciavola.

Awarded Bachelor of Arts degrees at Bowdoin College's 170th commencement were DAVY TIGCHON HOAG, graduated cum laude, son of the JOHN T. HOAGS, of Washington road, JOHN EDWARD DANAHER, JR., son of the JOHN E. DANAHERS, of Cloverly road, and JANET POWERS KEYDEL, graduated cum laude, daughter of the FREDERICK R. KEYDELS, of Kenwood road. Davy and Janet are both University Liggett graduates. Davy, a Mathematics major, has been a Dean's List student at Bowdoin and was awarded honorary James Bowdoin Scholarships in recognition of his outstanding scholastic achievements, earned freshman numerals in hockey and soccer and varsity numerals in soccer, affiliated with Chi Psi fraternity and was active in interfraternity sports. A picture he and three other students produced was nominated for the 1975 Best Sound Award of the Bowdoin Student Film Society. Janet, who majored in Philosophy and Government, has also been a Dean's List student and honorary James Bowdoin Scholarships recipient. Her film, "Life and Work in Places Tourists Only Visit," won the Best Sound Award in the 1974 Bowdoin Student Film Society contest. John Danaher, Jr., a graduate of the Fountain Valley School, Colorado Springs, Colo., majored in History, has been a Dean's List student and earned numerals in freshman football. His film, "Flight," won an award for Best Sound in the Bowdoin Student Film Society contest last year.

## Seeking Ski Prix '75 Auction Items

While the United States Ski Team is shushing through the powder snow in Portillo, Chile, working hard to get ready for the 1976 Winter Olympic Games in Innsbruck, Austria, next February, local ski enthusiasts, (back row, left to right), H. RICHARD FRUEHAUF, MRS. ALLEN EDWARDS and JOHN P. OTTAWAY, (seated, left and right), MRS.

OTTAWAY and MRS. DOUGLAS F. ROBY, JR., are working here, now, to obtain donations for the write-in Auction that will highlight Ski Prix '75, a cocktails and dinner benefit for the U.S. Ski Team and our own Region III racing program, scheduled for next November 1 at Dearborn's Fairlane Club.

SUSAN D. CAMPBELL, daughter of DR. and MRS. FREDERICK W. CAMPBELL, of Washington road, received the Scholar-Athlete Award, given annually to "that deserving third year student who has consistently demonstrated varied and admirable participation in, and contribution to, extracurricular activities, particularly in the field of athletics," while maintaining high standards of academic achievement, during recent ceremonies at Goucher College. The University Liggett graduate, a Political Science major at Goucher, was selected as right defense wing on the South District Women's Lacrosse Association team which participated in the National Lacrosse Tournament at Carlisle, Pa., in May.

RUTH (Mrs. Walter J.) BURCZYK, of Littlestone road, has been appointed to the piano faculty of Interlochen National Music Camp June 20 through August 18. Mrs. Burczyk, who made her professional debut at the age of 16 with the Wisconsin Symphony Orchestra, has appeared in recital and concert with major symphonies in the Midwest and South. She and her daughter CHRISTINE BURCZYK ALLEN made their duo piano debut with the Scandinavian and Grosse Pointe Symphony Orchestras this past year. Ruth is a Michigan Music Teachers Association certified teacher, serves on the Staff of Adjudicators of the National Guild of Piano Teachers and is a member of Mu Phi Epsilon international music sorority.

KENDALL H. BARKER, son of the DAVID H. BARKERS, of Kerby court, has received a Bachelor of Arts degree from Oberlin College. A Mathematics major, active in orchestra and tennis, he was elected to Phi Beta Kappa as a junior and during his senior year, with a team of three, placed seventh, (honorable mention), in the 35th annual William Lowell Putnam Mathematical Competition. He was also elected an associate member of the Society of the Sigma Xi in Mathematics.

ELAINE VERYSER, of Shorecrest circle, recently performed a Brahms piano selection for the Pontchartrain Alumnae Chapter of Sigma Alpha Iota professional fraternity for women in the field of music at the Dearborn home of HARRIETTE BOEGEHOLD. Elaine, pianist and teacher in the Pointe area for many years, is currently on the Grosse Pointe Conservatory faculty.

Named one of the Michigan State University lacrosse team's Most Valuable Players for 1975 was Pointer RON HEBERT, The MSU senior.

a Notre Dame High School graduate, set three records, including marks for the most assists in one game (5), most assists in one season (16) and most points in a season (33). He also holds the career record for saves with 701, set during his first three years at State when he was a goalie.

## Alfred Putnams, Jr. Will Live In East

Scalloped Bertha of Re-Embroidered Lace Set with Seed Pearls and Crystals Accents Kathleen Anne Gordon's Bridal Gown

A home in Ardmore, Pa., awaits Mr. and Mrs. Alfred Wynne Putnam, Jr., upon their return from England aboard the Queen Elizabeth II. They are vacationing in England after their wedding last Saturday, July 12, in Our Lady Star of the Sea Church.

Mrs. Putnam is the former Kathleen Anne Gordon, daughter of Mr. and Mrs. Steven S. Gordon, of Sunningdale drive. Mr. Putnam is the son of Mr. and Mrs. Alfred W. Putnam, of Philadelphia, Pa.

The Reverend Ralph V. Barton, pastor, presided at the noon rites for which the bride chose an ivory silk crepe gown styled with a high neckline and scalloped bertha of re-embroidered lace set with seed pearls and crystals.

A cut-out band of lace accented her waist and a deep lace hem edged her circular cathedral train, while a caplet of re-embroidered lace held her fingertip illusion veil.

She carried an arrangement of ivory roses and

stephanotis. Patricia A. Pazgrat, honor maid for her cousin, and bridesmaids Cynthia N. Caskey, Christine J. Pittel, of New York, Elizabeth F. Delacato and Anne L. Putnam; the bridegroom's sister, both of Philadelphia, wore dresses of blue floral nylon organza featuring high necks and cape-effect sleeves.

Blue picture hats completed their outfits, and they carried blue baskets of anemones.

Edward B. Putnam was his brother's best man. Ushers were Peter G. Randall and John S. Lloyd, both of Philadelphia, Winthrop G. Minot, of Greenwich, Conn., Alexander C. Smythe and Thomas W. Wells, both of New York, and Jonathon M. Bowle, of Washington, D.C.

St. Clair Shores Home Awaits James Warren Hoekwaters upon their Return from Week's Vacation in California

A white linen gown fashioned with a chapel train and a bodice of French net trimmed with Venise lace was Roberta J. Paczala's choice for her marriage Saturday, July 12, in Saint Hyacinth Church, Detroit, to James Warren Hoekwater.

Her long illusion veil fell from a linen and lace headpiece. She carried a Colonial arrangement of Sweetheart roses and stephanotis.

The former Miss Paczala, a teacher in the Grosse

Pointe Public School System, is the daughter of Mr. and Mrs. Jack Paczala, of Edmundton drive.

For her daughter's wedding and the reception at Lochmoor Club following the ceremony, Mrs. Gordon chose a long dress and jacket ensemble of yellow textured

silk. Mrs. Putnam, the bridegroom's mother, wore a pastel floral print in shades of pink, green and yellow. Ivory cymbidium orchids formed both mothers' corsages.

## Miss Linclau Speaks Vows

Exchanging marriage vows in Our Lady Queen of Peace Church Friday evening, April 11, were Denise Marie Linclau, daughter of Mr. and Mrs. Adolph F. Linclau, of St. Clair avenue, and Donald Martin Miller.

The 8:30 o'clock rites were followed by a reception at Warren Chateau Hall after

which the newlyweds left to vacation in Las Vegas and California. They will return to make their home in Detroit.

The bride's A-line knit gown, styled with a V-necked mandarin collar and long, fitted sleeves, featured a long train and seed pearl and sequin trimming.

Her tiered veil fell from a knit bandeau accented at either side with pearl flowers. She carried a large ivory basket filled with artificial flowers in shades of royal and powder blue.

Carrying large baskets of white, royal blue and powder blue artificial flowers were honor maid Esther Casinelli and bridesmaids Janice VanTiem, of Downers Grove, Ill., Paula Florek, Sandra Noll, Dawn Piper, Mary Ann Linclau, sister of the bride, Denise Miller, the bridegroom's sister, and Helen Scott.

Their short-sleeved, V-necked royal blue knit frocks featured matching long-sleeved, buttoned jackets with hoods trimmed in ostrich feathers.

James Miller acted as best man for his brother. They are the sons of Mr. and Mrs. Walter E. Miller, of Harper Woods.

Ushering were Terry Reetz, Lawrence Linclau, the bride's brother, Martin Daniell, Ray Rossi and Thomas Kopietz, the bridegroom's cousins, Jerry VanSlembrouk and Michael Wolfbauer.

The bride's mother wore a floor length, long-sleeved va-

## Scott Monson Claims Bride

Scott T. Monson, son of Dr. and Mrs. Robert C. Monson, of North Renaud road, claimed Rebecca Sue Phelps, daughter of Mr. and Mrs. Orville Phelps, of Sylvania, O., as his bride Friday evening, June 27, in Sylvania's Saint Joseph Church.

A reception at the West Toledo Knights of Columbus Hall followed the 6:30 o'clock rites.

Attending the bride were honor matron Mrs. Kenneth Rem and bridesmaids Laura Ortyl and Nancy Hoonbeck.

Mr. Monson's best man was John Kozinski. Ushering were Dennis Kale, Paul Naz, and Michael and Gerald Phelps, the bride's brothers. After a fishing trip in Canada, the newlyweds will be at home in Detroit where the bridegroom, a University of Michigan graduate, is a student at Wayne State University's Medical School.

The new Mrs. Monson is an Eastern Michigan University graduate.

## Miss Paczala Is Wed

(Continued from Page 16)  
The 3:30 o'clock rites at which Father John Sullivan, pastor of Saint Lucy's Church, and The Reverend Dr. Samuel Johnston, rector of Christ Church, Detroit, presided were followed by a dinner reception in the Grosse Pointe War Memorial's Fries Ballroom.

The newlyweds will return from a week's vacation in California to make their home in North Shore drive, St. Clair Shores.

Honor matron Mrs. James B. West, honor maid Kathleen Brogan and bridesmaids Dianne Ambroz, the bride's cousin, and Beverly Hoekwater, the bridegroom's sis-

ter, wore sleeveless frocks of lime green Qiana, styled with ruffled hems and ruffled capelets.

White daisies and baby's-breath formed their Colonial bouquets.

Robert W. Hoekwater was his brother's best man. Thomas I. Bolenbaugh, of New York City, Jack A. Van Namen, of Western Springs, Ill., and William R. Connolly seated the guests.

Imported Venise lace accented the bride's mother's jonquil linen gown. She selected a gardenia corsage. The bridegroom's mother chose a floor length turquoise gown and a corsage of yellow Sweetheart roses.

## The Patrick Roneys

Exchanging wedding vows Friday evening, May 30, in the Chapel of the Grosse Pointe Academy were LINDA SCHELTER, daughter of the Frederick H. Schelters, of Mount Clemens, and Mr. Roney, son of Mr. and Mrs. Edward C. Roney, Jr., of Stephens road.

## Patrick J. Roneys To Live In Pointe

Former Linda Schelter Selects Chiffon over Taffeta Wedding Gown; Roses form Wreath Holding her Cathedral Veil

Spending the summer in Wyoming, teaching in an Environmental Wilderness Expeditions backpacking-climbing school, are Mr. and Mrs. Patrick Joseph Roney, who were married Friday evening, May 30, in the Grosse Pointe Academy Chapel.

The traditional high mass was celebrated with organ choir, with the bridegroom's cousin, Maryann Tindall, singing solo at the Grosse Pointe Hunt Club reception following the 7 o'clock rites, and his uncle, Leo Brennan, of Birmingham, singing a song about the couple he had written for the celebration.

Venetian lace overlaid her bodice, scoop neck and scoop back. More lace trimmed her Juliet sleeves. The dress was designed and handmade by her close friend, Susan Anderson.

A wreath of white roses caught her cathedral length veil, and she carried a nosegay of matching miniature roses.

The newlyweds vacationed in Palm Beach, Fla., and will be returning to The Pointe in September, to make their home in Beaconsfield avenue while Patrick attends Wayne State University Medical School.

For her wedding mass celebrated by Father Lawrence Dore, the former Linda Schelter, daughter of Mr. and Mrs. Frederick H. Schelter, of Mount Clemens, chose a gown fashioned of two layers of flowing ivory blush chiffon over taffeta.

of Stephens road. In the usher corps were three other brothers, Frank, Steven and George Roney, and Edward Doyle. Pat's youngest brothers, Mark and David Roney, were ring bearers.

Mrs. Schelter chose a deep turquoise chiffon gown styled with full-length flowing capelet sleeves. She pinned a single purple orchid to her purse.

The bridegroom's mother's turquoise, green and white floral print jersey featured a scoop neck. Her purse corsage was a white cymbidium orchid.

Linda received her Bachelor of Science degree in Nutrition in May from the University of Michigan. Patrick also was graduated in May, from the University of Notre Dame, with a Bachelor of Science degree in pre-Medical Studies.

## Party Honors Miss Gordon

Kathleen Anne Gordon, who spoke her marriage vows to Alfred Wynne Putnam, Jr., of Philadelphia, Pa., at a Saturday ceremony in Our Lady Star of the Sea Church, was feted earlier in the summer at an afternoon

tea and bridal shower given by Mrs. Frederic S. Kotcher, of Merriweather road, at the Grosse Pointe Yacht Club.

The former Miss Gordon is the daughter of Mr. and Mrs. Steven S. Gordon, of Sunningdale drive.

On this flight the Astronauts and Cosmonauts timed something besides their own positions — they timed the arrival of another spacecraft and a crucial docking that signified one of the finest moments in history. The Omega Speedmaster has been standard flight equipment for Astronauts (and on this flight for Cosmonauts) since 1965 because it proved to be the only Chronograph that could withstand NASA's grueling pre-flight tests.

## Weaver-Coleman Vows Exchanged

### Air Force Academy Graduate Claims Bride in Academy's Colorado Springs Chapel; Six Saber Bearers Attend Couple

Lieutenant and Mrs. John Weaver, who exchanged marriage vows Saturday, June 21, at a 6:30 o'clock ceremony in the Air Force Academy Chapel, Colorado Springs, Colo., will be making their home at Warren Air Force Base, Cheyenne, Wyo.

Mrs. Weaver is the former Theresa Coleman, daughter of Colonel and Mrs. William Coleman, of San Antonio, Tex., formerly of Colorado Springs.

Lieutenant Weaver is the son of Mr. and Mrs. Wayland Weaver, of Van Antwerp road.

The bride wore a gown of lace-accented chiffon over taffeta, and a bouffant veil.

Red roses and stephanotis formed her bouquet.

In puff-sleeved frocks of pink dotted swiss, each carrying a single red rose, were honor maid Kathie Longenecker, a Kappa Kappa Gamma sorority sister of the bride at the University of Wyoming, Laramie, and bridesmaids Joan and Patti Weaver, sisters of the bridegroom, Karen Coleman, the bride's sister, and Rosemary Keuhlen, of Colorado Springs.

## Kappa Alpha Theta Alumnae Will Meet

Mrs. Floyd E. Straith will open her Audubon road home to members of Kappa Alpha Theta Alumnae at 1 o'clock next Tuesday, July 22.

This is the first meeting at which the group's new chairpersons assume their responsibilities. Mrs. Henry W. Ruffro and Mrs. Joseph G. Black, Jr., will jointly conduct the business of the day.

Mrs. Straith is continuing as secretary, Mrs. Robert C. Winter as treasurer and Mrs. Leonard Slowin as publicity chairman.

Group I of the Grosse Pointe Club welcomes any newcomers or visiting Alumnae. Reservations for Tuesday's meeting may be made by calling 884-6989 by noon Monday, July 21.

Flower girl was Robin Ray. John Fountain served as best man. Groomsmen were Kurt Schmitt, Bill Coleman, the bride's brother, Lieutenant John Verling, an Air

## Wed in Colorado

Lieutenant JOHN WEAVER, son of Mr. and Mrs. Wayland Weaver, of Van Antwerp road, claimed THERESA COLEMAN, daughter of Colonel and Mrs. William Coleman, of San Antonio, Tex., formerly of Colorado Springs, Colo., as his bride Saturday, June 21, in the Air Force Academy Chapel, Colorado Springs.

Force Academy graduate from Oklahoma, and Captain Craig Ray, of Warren Air Force Base.

Six saber bearers, the bridegroom's fellow Air Force Academy graduates, completed the wedding party.

The mother of the bride wore a yellow chiffon costume with a short cape. The bridegroom's mother selected a dress and coat ensemble of flowered chiffon. Both mothers chose orchid corsages.

After a reception at the Air Force Academy Officers

Club, the newlyweds left to vacation in San Francisco, Reno and Tahoe.

The bride is a senior at the University of Wyoming. The bridegroom is a Grosse Pointe North High School graduate.

## Lollipop Sale Helps Hearts at St. John

The Detroit East Suburban Alumnae Chapter of Alpha Phi fraternity has donated \$1,100 to Saint John Hospital for the purchase of a CardioBeeper ECG Decoder and two CardioBeeper Heart Monitors.

The CardioBeeper is designed to enable a patient to communicate meaningful information about his heart to the doctor. It is engineered to detect the patient's heart rate and rhythm and translate them into signals which can be transmitted by telephone to the patient's physician.

The CardioBeeper ECG Decoder enables a physician to make a permanent record of the transmitted electrocardiogram with the use of any conventional electrocardiograph machine.

The patient's signal can also be displayed on any conventional ECG Oscilloscope.

The Decoder reconverts the variable tone to an electrical signal, which is then processed by the physician's electrocardiograph recorder or scope just as if the signal were coming directly from

the patient.

Cardiac aid has been Alpha Phi's national philanthropy since 1946. For the past five years, the fraternity has conducted international lollipop sales to raise funds.

Local Alpha Phi's sold lollipops at Saint John Hospital, in neighborhood stores, at Eastland Shopping Center and beauty salons, and to room mothers and teachers.

Alpha Phi was presented with the Heart and Torch Award from the American Heart Association in 1968 for

its outstanding contributions to cardiac care.

Chairwomen of the local drive this year were Pointers Mrs. Richard Dietz and Mrs. Floyd Nixon, Jr.

Other 1975 Sale workers included Mrs. L. A. Rice, immediate past-president of the local Alumnae Chapter, Mrs. Frank McBride, Jr., Mrs. James Henry Allen, Mrs. Jean Thomas, Mrs. Charles DeGalan, Jr., and Mrs. Richard Terrian, newly-installed president of the local Alumnae.

## SELLING YOUR HOME?

Grosse Pointe Real Estate Co. has more unique ways than you can imagine. They purchase outright at fair prices. They have their designer review your house for total potential at their expense. They also have a guaranteed sale listing. If this isn't enough they will also take trade ins — from houses and yachts to farms and vacant land.

This ability to be flexible is all important to buyers and sellers alike. So call them and hear their story. We'll bet they will win your favor.

## Unique Bath Shop Attracts Shoppers to Fisher Rd.

Pictured from Left to Right are the Pointe housewives who own the Persnickety Pedlar at 369 Fisher Rd. Mary Moore, Shirley Reed, Judy Lees and Sylvia Kurop and Barbara Fishback. (Absent from the photo are Nancy Shirar and Jane Wilson.)

The owners are 7 Grosse Pointe women who are combining their talents to run a business but also plan to keep their home fires burning. Seven husbands and 21 children have been enthusiastic supporters. One owner admits that her husband's support was put to the test quite early — on returning from her first buying trip to New York she discovered her car keys lost and her car locked in the valet parking lot at Metro. Her husband, never complaining made the trip to Metro at 11:00 P.M. with another set of keys only to discover she had found them while he was enroute!

Frankly what we're really excited about is what's happening to Fisher Road. It's becoming Grosse Pointe's Worth Ave. We want to generate a feeling in our shop that we really CARE about our customers.

As if functioning in both roles isn't enough all have various "extra" activities with Shirley Reed on the League Goodwill Board plus the W.D.G.A., Judy Lees is the Vice President on Mother's Club Board (Scholarship) and Sylvia Kurop is a board member on the Jr. Women's Assoc. of the Detroit Symphony.

## Gene R. Francis To Claim Bride

Mr. and Mrs. George Walchak, of Warren, O., have announced the engagement of their daughter, Julie Ann, to Gene Raymond Francis, son of Mrs. George A. Francis, of Torrey road, and the late Mr. Francis.

Miss Walchak, a graduate of Howland High School, was the Warren Rotary Club's first exchange student, spending a year in Australia. A graduate of Ohio State University School of Nursing and a member of Alpha Phi sorority, she presently works as a Registered Nurse in Atlanta, Ga.

Mr. Francis is a graduate of Austin Catholic Preparatory School and the University of Michigan, holder of a Masters degree in Business Administration. Associated with the Ford Motor Credit Company, he was recently transferred from Atlanta to the Dearborn office as Regional Operations Specialist. They plan an October 25 wedding in Emmanuel Lutheran Church of Warren, O.

DOMINIC J. ROSSI, of Balantyne road, has been elected treasurer of the Greater Detroit Safety Council's board of directors.

## Club Assists Future Nurses

A meeting of the Welcome Wagon Club of Grosse Pointe and Harper Woods was held at the Grosse Pointe War Memorial last Thursday, July 10, at 11 o'clock, with a sandwich luncheon.

The program was a highlight in the year's activities, with presentation of scholarships to four outstanding girls who will be entering schools of nursing in the fall. Recipients are Gail Anderson, Jane Capek, Rosanne Ferlito and Therese Ann Karam.

Mrs. Donald Knaus, president of Welcome Wagon, has completed her board for 1975-76. Working with her will be Mrs. Michael Burns, Mrs. J. Morris Burrows, Mrs. Walter Cramer, Mrs. John Eversen, Mrs. Walt Garth-

waite, Mrs. Michael Hollo, Mrs. Julius Horvath, Mrs. James Korsonis, Mrs. Donald MacLain, Mrs. Robert Payne, Mrs. Pete Perani, Mrs. Ronald Pollack, Mrs. Thomas Ramm, Mrs. Ralph Sharkey, Mrs. William Stevens, Mrs. Russell Thompson, Mrs. William VanTassel and Mrs. Ron Yanessa.

New members Mrs. David Frantz, Mrs. Brett Hope and Mrs. Stuart Hubbell were welcomed at the July meeting.

Eligibility for membership in Welcome Wagon is contingent upon a visit from a Welcome Wagon hostess. Ladies new to the Pointe or Harper Woods who have not been called on are invited to contact hospitality at 886-4454 or 885-2845.

## From Another Pointe of View

(Continued from Page 15)

If you have—or think you have—a donation, they'd be delighted to hear from you. Cash contributions are most acceptable, too, of course.

Now, before we leave the United States Ski Team in Portillo and Ski Prix '75 until the fall, and return to summer in Grosse Pointe, here are a few additional facts that might interest you:

National "A" team representatives from our region, Region III, are Cary Adgate, of Boyne City, and Cindy Nelson, of Lutsen, Minn. Mary Scaton, of Hancock, is on the talent squad.

If you happen to run into Rex Ciavola, Louise's husband, ask him what he thinks of Portillo as our team's summer training ground. Rex has skied the fabulous Chilean resort's slopes.

One final P.S.: Mrs. Miles M. (Carol) O'Brien, Jr., of Stephens road, is thinking up ideas for Ski Prix '75 decorations, and Mrs. C. J. (Nancy) Edwards, of McKinley place, and Mrs. Gilbert (Carol) Gove, of Kenwood court, are coordinating files and invitations.

Mrs. Helen Livingstone Howard, of Merriweather read, will be lining up a corps of friends and fellow ski buffs to serve as Ski Prix hosts and hostesses.

### Three New Cottage Trustees

That Helen Howard is some busy lady. You'll be interested, (but not surprised, if you know her), to note that Helen's added still another commitment to her personal schedule.

She'll handle it, of course, with her usual aplomb.

Helen is one of three Pointers recently elected (Continued on Page 26)

## Will Wed

Plans for a September 6 wedding in Our Lady Star of the Sea Church are being made by MAUREEN ELLEN SULLIVAN and James R. Bright, Jr., whose engagement has been announced by her parents, Mr. and Mrs. Edward E. Sullivan, of Lakepointe avenue.

Miss Sullivan was graduated from Grosse Pointe South High School and Michigan State University. Mr. Bright, son of Mr. and Mrs. James R. Bright, of Chattanooga, Tenn., is a graduate of the University of Tennessee.

## Alpha Gamma Delta Convention Scheduled

Mrs. John Baetz, of Morris road, and Mrs. David Crocker, of Hidden lane, will attend the 29th International Convention of Alpha Gamma Delta scheduled for July 17 through 23 in Kansas City.

Mrs. Baetz, vice-president of Province V, leaves today, Thursday, July 17, to attend the pre-convention Official Family Workshop.

Mrs. Crocker, with Mrs. George Auch, of Hawthorne road, is an Alpha Gamma Delta representative to the Detroit Panhellenic Association. Mrs. Crocker is vice-president, Mrs. Auch president, of Detroit Panhellenic.

Other Detroit-area members of the 60,000 member fraternity who will be attending the Convention include Ann Sinaris, president of Wayne State University's undergraduate chapter, Mrs. John J. Lee, Alumnae Chapter delegate and chairman of convention displays, Mrs. T. J. Burke, Jr., president of the Detroit North Suburban Alumnae Club, Mrs. James Messmer, grand vice-president, extension, Mrs. C. P. Hatch, grand secretary, Mrs. George Miller, Province V secretary-treasurer, Mrs. Fritz Fiessemann, member of the Founders Memorial Foundation publicity committee, Jane Graf, trustee of the Founders Memorial Foundation, and Mary Ellen McDonald.

Alpha Gamma Delta, founded in 1904 at Syracuse University as an international fraternity for college and university women, has installed 114 chapters on campuses in Canada and the United States.

In this state, chapters are located on the campuses of Central and Eastern Michigan universities, Ferris State College, Michigan State and the University of Michigan. Alumnae chapters are associated with each undergraduate chapter, and alumnae clubs are located at Flint and Grand Rapids.

MICHAEL BOYER, son of the FRANCIS P. BOYERS, of Vendome road, has been graduated from Storm King School, Cornwall-on-Hudson, N.Y., winding up a three-year Storm King career with varsity letters in soccer and lacrosse. Mike also served as a dormitory prefect.

## Short and to The Pointe

(Continued from Page 15)

Named to the President's List of students who received straight-A averages at Miami University, Oxford, O., for the winter quarter are NANCY ANN HOFFMELD, of Rivard boulevard, and JUDITH ANN SWENSON, of Kenwood court. SUSAN R. MOESTA, of North Oxford road, was named to the Dean's List of students who averaged above 3.5 on a 4.0 scale.

Receiving her degree from St. Lawrence University, Canton, N.Y., this spring was Psychology major SHERRIE L. NEEF, Delta Delta Delta sorority member, Bachelor of Science, daughter of the ALLAN NEEFS, of Stonehurst road.

Receiving degrees from Trinity College, Hartford, Conn., this spring were BARBARA A. BRUCKER, of Merriweather road, Bachelor of Arts in Psychology, and J. MICHAEL GETZ, of Buckingham road, Bachelor of Arts in Economics.

Named to the most recent Marietta College Dean's List is sophomore PAUL E. RUBLE, Jr., of East Jefferson avenue, a Grosse Pointe South High School graduate.

DOROTHY GILBERT, daughter of the DONALD E. GILBERTS, of Prestwick road, has received a Bachelor of Arts degree with honors from Eckerd College, St. Petersburg, Fla., where her major was Comparative Cultures.

Grosse Pointe North High School alumnus MIKE SCHOMER finished a successful year of competition with Western Michigan University's track team with a fourth place finish in the Central Collegiate Conference Championships.

## Music School Cites Pointers

At the annual meeting of the Detroit Community Music School, Mrs. James K. Watkins, of Cloverly road, and Mrs. Frank Wellington Coolidge, formerly of McKinley avenue, now of the River House, were elected honorary trustees for their many years—more than 25—of faithful service to the School.

Mrs. William Y. Gard, president of the board of trustees, presented each with a scroll designed and hand-printed by Gloria Friedwald, of Rathbone place.

Women's July Meeting Dought Art will be presented by Pointer Catharin Wedge. Music will be provided by contralto Amy Dubois, accompanied by pianist Iah Serber.

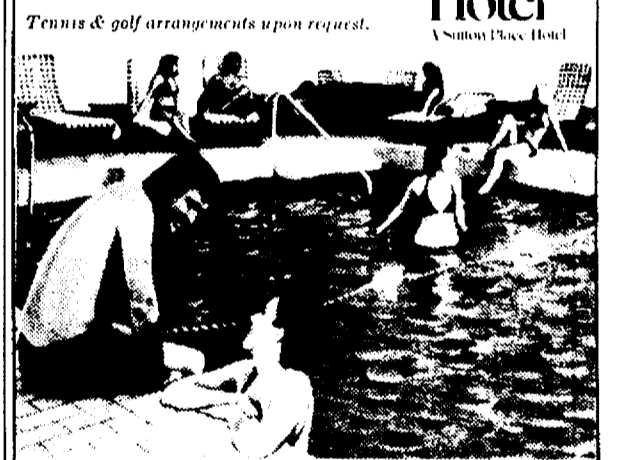

Peggy Brown will bring the inspirational message. All ladies are welcome. More information and reservations may be obtained by calling Joanne Himmer at 771-0035 or Lucille Dew at 527-0212.

## QUIETLY STATED ELEGANCE

A "MUST SEE" is this gracious French country house being offered in one of the best locations of Grosse Pointe Farms. From the curb the house appears overpowering, but inside you'll find just four comfortable, family bedrooms and two more bedrooms over the attached garage. The first floor has a beautifully proportioned living room which is a step down from the large foyer with its circular staircase. The library is as large as many living rooms, and the dining room formal enough for a State dinner.

Library opens onto porch overlooking almost 150' of terraced back yard. If you're planning to buy in this price range, don't overlook it.

EXPENSIVE, LUXURIOUS AND WORTH IT!  
Over \$150,000 and easier to purchase than most \$100,000 homes. Large assumable mortgage with low interest rate is the key. Gourmet kitchen area blends its way onto fantastic family room that overlooks \$30,000 swimming pool! Landscaping is exquisite. Separate apartment for your guests has its own kitchen and fireplace. The assumable mortgage is worth more than \$25,000 to the knowledgeable buyer!

\$100,000 VIEW OF LAKE  
This little known area is the setting for 16 Harbor Court, a tiny subdivision with large gracious homes that follow the contour of the sloping grounds. Just recently built in 1971 by its owner. Almost every room opens onto outside court yards. The New Orleans influence in the front entrance is outstandingly beautiful. Fit for a king, large family or small family. Warning! If you see it you'll want it.

**Pair Injured In Park Mishap**

Two Detroiters were injured when their car went out of control and crashed into an Edison pole, shearing it from its base. The auto then hit a tree, spun around and slammed into a brick and iron fence. The vehicle was a total loss, according to Park Lt. Gordon Duncan.

According to the lieutenant, the driver, Mark A. Richards, 20, of 3450 Berkshire road, borrowed the auto, a 1967 convertible, from owner Teresa M. Hassaroun, of 272 Alter road, just for a "ride around the block."

Warren Dettor, 18, of 2138 Springle, went along for the ride on Thursday, July 3, at about 12:56 a.m. A few minutes later, Park Officers Ralph Moore and Steven Molitor, while patrolling north on Grand Marais, observed Richards traveling east on Jefferson at an estimated speed of about 85 miles per hour. The policemen immediately gave chase.

A block from the first sighting, Officers Moore and Molitor saw the lights of the speeding car go out and the eruption of a large cloud of smoke.

The policemen discovered Richards and his young companion had been tossed about 30 feet from their car by the force of the impact with the utility pole. Richards was unconscious, suffering from lacerations of the right arm and head injuries. Dettor, who was fully conscious, was suffering from chest injuries. Both were rushed to Bon Secours Hospital by Park firemen in the department emergency ambulance.

Lt. Duncan said at the last report, Richards was in the intensive care unit in a guarded condition, while Dettor, also in the same unit, was in fair condition.

The lieutenant said Richards, who is believed to have had been drinking, lost control of the vehicle, which left the roadway and traveled

about 99 feet before smashing into the Edison pole. It then went another 38 feet before hitting the tree and skidding 28 more feet before ramming into the fence.

A witness, who was waiting for a traffic light was calling at Jefferson and Cadieux, said he saw the speeding car and estimated that Richards was driving between 70 and 75 mph. The motorist also witnessed the crash, the lieutenant said.

A violation ticket was issued to Richards, charging him with reckless driving. A tentative court date has been scheduled for Wednesday, July 23.

## Pointe Counter Points

By Pat Rousseau

For Fall . . . morning, noon and night fashions are arriving daily at Walton-Pierce. For morning, there are great sweater and pant ensembles. The one we admired features a shawl collar, tie-waist sweater in a soft tweedy knit blend of wool and mohair. It tops great fitting pants. For noon, there are new Diane Von Furstenberg dresses in several styles and the newest fashion-wise, book binder prints of muted tans and grays. For night, if you are looking for a bit of Chinoiserie you'll love the soft long brown jersey dress with gold braid mandarin collar and frog closings. If you're looking for a sophisticated first of the season black dresses, there is a long sleeveless black jersey dress with a cut-out back. A perfect foil for a tan.

When you buy an apartment home at the Jefferson Apartments, Grosse Pointe's newest condominium, you get not one but a network of the most modern security systems to guard you, your home and your possessions. A closed TV monitoring system covers the entrance, outside parking areas and inside garage. The entry communications system is a new system conceived and engineered by Michigan Bell Telephone Company. An on-guard alert system features a control panel in the manager's apartment and attendant's office. This notifies of any intrusion into any apartment when the occupants are away. A fire protection alert system gives added protection to all occupants and will notify each individual occupant of a fire in an unoccupied apartment. Besides security you get really gracious living. GROSSE POINTE PUBLIC SCHOOL SYSTEM RETIREES VERA MILAR, (LEFT), MARGARET NIEMETTA, (RIGHT), LEONA WEIER AND MARGARET GRAHAM, (INSET PICTURES)

By Janet Mueller

Her children were growing up, and Margaret Graham figured a good way to guarantee that THEY would get a college education would be for HER to go back into teaching. So back she went, and added a Masters degree from Wayne State University in 1963 to the Bachelors degree she'd received from Michigan State University, in Home Economics, in 1942.

Now she's resigning, leaving her work as Homemaking/English teacher at Parcels and leaving her home in Grosse Pointe Woods to move north of Port Sanilac. "I have mixed feelings," Mrs. Graham admits. "But since my husband retired, he's been looking forward to the move north. I expect I'll be back at least once a month."

MARGARET GRAHAM

After traveling back and forth to their Port Sanilac cottage for 18 years, John and Margaret Graham have built a new home there. They're keeping the cottage, too. You never can tell when the children will drop by for a visit.

They're pretty much all grown up now. John, who works in personnel at Parke Davis and lives in Troy, is the father of a child, Mary Ann (Mrs. Faven) Yesi, mother of two, lives in New Baltimore. Robert was graduated from Grand Valley State College in June. Timothy is a Grosse Pointe North High School student.

Mrs. Graham is a Grosse Pointe High School alumna, herself. She taught in Pennsylvania and Milford, Mich., in the 40's before taking time out to have children, returning to her profession in the mid-50's, in The Pointe.

She has taken additional training at Albright College in Pennsylvania.

Plans to Garden Golf, reading and needlework are among her hobbies, and she plans to garden at the new Port Sanilac house. The Grahams will probably travel a bit, too, for they both enjoy that. Margaret especially enjoyed a trip to Europe four years ago: brought to the States from Denmark as an infant, she was able to visit her birthplace. "I still have some aunts over there."

She expects to be as happy as a lady-of-leisure as she's been in her profession. She never doubted it was the right career choice for her: "I liked Home Economics as a field—and I DO like children."

Vera Milar has no intention of sitting at home. "I'd

like to stay on," she admits frankly. Since she can't . . . "I'm applying to the Peace Corps, and I have an offer from a college in Cincinnati."

Vera, born in Blackford County, Ind., graduated from Indiana's Montpelier High School, received her Bachelors degree from Ball State University, Muncie, her Masters in History from the University of Iowa and has pursued additional studies at Wayne State University and the University of Michigan.

North High Librarian She taught at high schools in Illinois and Indiana before coming to Grosse Pointe in 1945. She's retiring from the Grosse Pointe System after 27 1/2 years of service, as librarian at Grosse Pointe North High School.

She got into library work, exclusively, on a fluke. She came to The Pointe as a teacher and relief librarian. Eventually, she had to make a decision: the library won out over the classroom.

She had set her sights on teaching as a profession in high school, thanks to advice from her own teachers. In college, she toyed with the idea of switching to Social Work, but again followed older - and - wiser advice. "You'll kill yourself," said her counselor. "As a social worker, you'll take your clients' problems too much to heart."

Vera couldn't fault the counselor's reasoning.

A widow now, Mrs. Milar lives in St. Clair Shores. Her son, Christopher, is getting his Ph.D. in Clinical Psychology at Indiana University. Christopher's wife is getting her Doctorate, too, in Pharmacological Psychology.

Open to Suggestions Vera enjoys gardening, reading and handicrafts. Her plans for the future remain fluid. She's open to suggestions; for a while, she'll play life by ear.

She's enjoyed her association with youth. "I think most of them," she says of today's students, "are pretty good kids. If they have problems, they're the same problems our whole society has."

Margaret Niemetta was women's-liberated just before everybody else. Deciding to go back to school in the early 60's, to get her Masters degree in Library Science from the University of Michigan, she spent two summers in Ann Arbor.

There were a few of us 'older' students out there. We had a marvelous time. And here's a switch: my husband used to visit ME on campus . . .

Mrs. Niemetta, graduate of Detroit's Eastern High School, holder of a Wayne State University Bachelors degree, picked up her Masters in 1962 and promptly returned to the Grosse Pointe System, where she'd worked

on a part-time basis since the mid-1950's, as a full-fledged Professional Assistant at the Grosse Pointe Public Library.

Reference Lady Professional Assistant, (for those of you who may not know), is the Proper Term for reference librarian.

Margaret had worked earlier on, for the Detroit Public Library from 1934 to 1942, before taking her long wife-and-mother sabbatical. She's widowed now, with both daughters married. Margaret Money, mother of two, lives in Sault Ste. Marie where her husband teaches at Lake Superior State College. Cristina Donovan has one child, and lives in Washington, D.C.

Mrs. Niemetta lives in University place, and she may stay there, and she may not; it all depends on what she feels like doing, once she knows what retirement feels like. In the meantime, she's starting to garden—"I'm putting in my first flowers, prayerfully!"—and despite the fact that she was "one of those children who grew up hating the domestic arts," she's actually going to try to cook.

If these two avocations don't work out, there's always travel. Margaret, born in Tayport, Scotland, has been ready to go, (anywhere!), ever since she crossed the ocean for the first time as a very small child.

Ireland in August She's been to England, to Paris, around-the-world with the War Memorial Group. She'll be in Ireland this August, in Munich for the Oktoberfest this fall.

She made her career choice in the ninth grade. She's never regretted it. Basically, she's not much of a regretter: life always lies ahead.

"I'll miss the staff, of course," she says, musing over her proposed retirement, "but I'm looking forward to being a bit lazy."

Her first job, and Leona Weier was hooked . . . "I always thought I would like teaching," she recalls, "and when I had the opportunity to go into rural teaching, because my home was in Fond du Lac, Wis., I thought, 'Well, I'll try it, and if I like it, I'll go on . . .'"

Leona got more than a job. She got a school, all eight grades worth, and when she wasn't teaching, she was "janitress-ing" building fires in the stove, ("My first stove didn't even have a grate"), and acting as general handy-woman.

"It was a good experience," she maintains, smiling. "It really put you on your own."

So Miss Weier went on. Her Bachelors degree came from Carroll College in Waukesha, Wis., her Masters, in History, from the University of Michigan. She went on from rural elementary schools to high school teaching in Wisconsin, eventually arriving in Grosse Pointe in 1945.

She went on studying, at the University of Chicago, DePau University, Michigan and Wayne State Universi-

to the Cottage Hospital board of trustees. The others are Mrs. F. James Robinson, II, also of Merrilweather road, and Robert P. Lambrecht, of Oxford road. All will serve three-year terms.

Mrs. Howard is a member of the Detroit Historical Society, the Founders Society Detroit Institute of Arts and the Garden Club of Michigan. Her mother, the late Mrs. Seaborn R. Livingstone, served as a Cottage Hospital trustee for many years, and also as president of the board.

Mrs. Robinson is a member of the Junior League of Detroit, the League of Catholic Women and the boards of FLEC. (Grosse Pointe's Family Life Education Council), and the Neighborhood Club. She is a past-president of the Parents Association of Grosse Pointe University School and has served as a volunteer at Hutzel and Children's Hospitals.

Mr. Lambrecht is president of the Detroit Board of Realtors and a member of the Mortgage Bankers Association of America and the Young Presidents Organization, as well as a member of the Founders Society Detroit Institute of Arts and the Detroit Zoological Society.

## Something To See

Believing, as I do, in weekend mini-vacations, I've made Cranbrook a once-every-six-weeks-or-so day excursion destination, and the "Icon and Symbol" exhibition currently on display in the Cranbrook Academy of Art Museum is certainly worth a special visit.

Subtitled "The Cult of the Ancestor in African Art," the exhibit features 60-plus pieces from many private collections, including two magnificent African houseposts representing royalty and fertility, loaned by Justice and Mrs. G. Mennen Williams, of Tonnancour place.

You'll have to hurry if you want to see them, though, for "Icon and Symbol" closes this Sunday. Museum hours are 1 to 5 o'clock Tuesday through Sunday.
