Stolen Signs Cause Alarm

> Woods police have pressed a concern over the successive thefts of two stop signs at the intersection of Anita avenue and Itelen, hecause of several near accidents which occurred at the location during the absence of the signs.

The report of the missing stop sign was received on Saturday, September 27, when a citizen found the sign in her backyard. A portable stop sign was then put up.

However, the following day, the portable sign was found missing so another portable "visual" was placed at the location and chained to a pole. A regular stop sign was scheduled for installment by the highway department on Monday, September 29.

An Anita resident said he saw four teenage boys remove the sign around 1 a.m. on the 28th. He said the foursome were putting the sign into their vehicle when another auto approached. They put the sign back but apparently returned later to snatch it.

Meanwhile, police reported a citizen called and said there were several close mittee, emphasized growth calls at the intersection while the signs were down llelen in high quality securities to while Anita is the stop street. The Barracudas the scoring in the first quarter on a fine 49-yard run and added the extra point. The Lions came right back and marched to score in the next 11 plays. The scoring drive was sparked by the fine play of Harry Constant, John Strabel, Joe Leto, Robert Moroso and Kipp Saile.

After the Lions added the extra point, the game settled down to a real old-fashioned defensive struggle.

Both teams displayed fine goal line stands in the second half with the Lions stopping the Barracudas on their own two-yard line as the game ended. MacMichael said it would be hard to pick out a defensive star, but Mike Sullivan, Dave Fitz-gerald, Rob Mann, John Gragg, Pat Flemming and Jim Harrison would have to be mentioned.
