HEADLINES of the WEEK As Compiled by the Grosse Pointe News

Thursday, November 6
SCIENTISTS IN Massachusetts have achieved a major development in their effort to harness fusion energy, (the source of the sun's heat), to generate electricity on earth, government officials announced Wednesday. The announcement said scientists at the Massachusetts Institute of Technology had achieved a five-fold increase in the ability to contain an extremely hot mixture of gases under extreme pressure. Fusion is the process that fuels the sun and stars. It also is the source of the enormous energy in the hydrogen bomb.

Friday, November 7
MICHIGAN STATE LOTTERY officials said Thursday that all but an estimated 10 million out of the 50 million Instant Game lottery tickets have been sold and that the final sales day for the popular tickets will be December 23. The cutoff date on sales of the \$1 rub-off tickets is about two weeks sooner than officials had planned. Lottery Commissioner Gus Harrison said his Lansing headquarters has no more tickets on hand and that many of the banks that distribute tickets are either extremely low or out of the tickets.

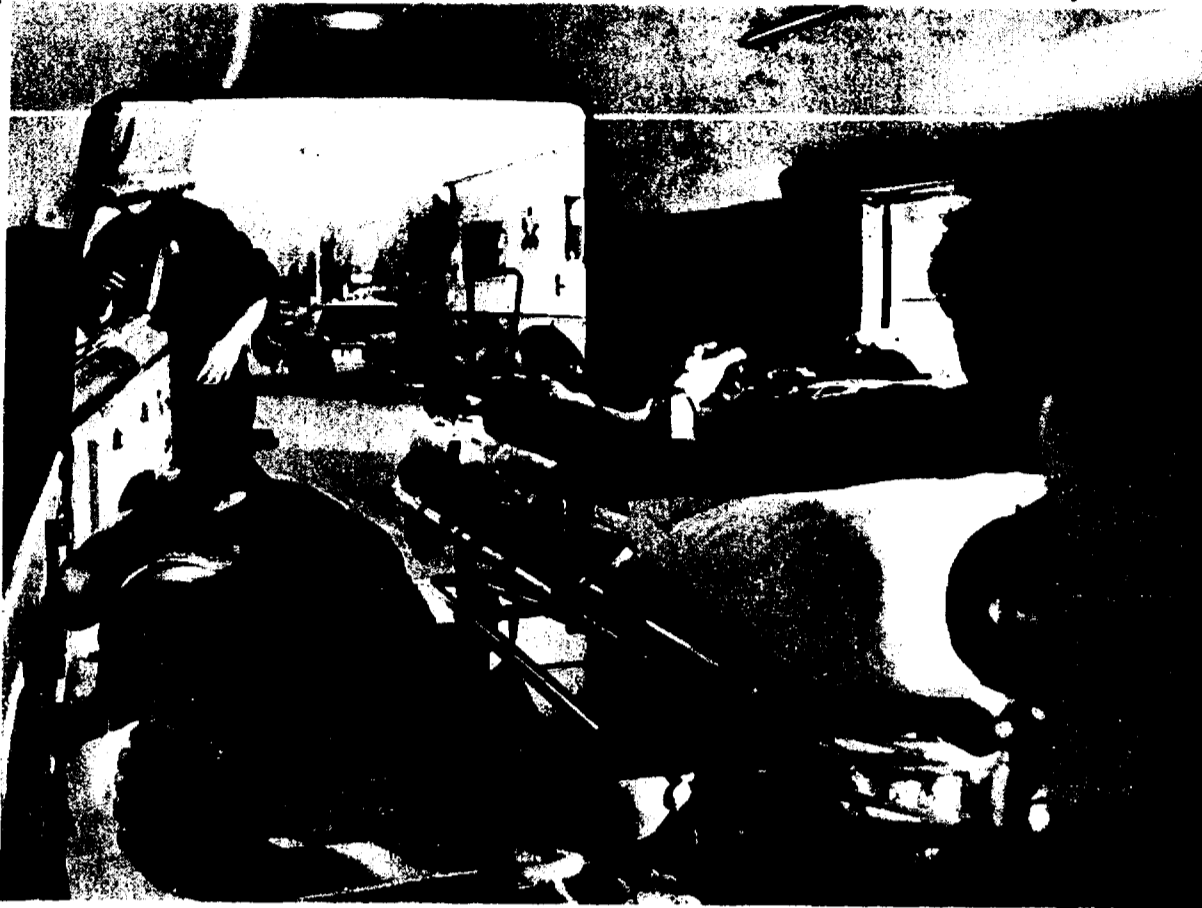

Saturday, November 8
MICHIGAN **COURT** Judge John B. Swainson resigned Friday, five days after being convicted on three counts of perjury before a Federal grand jury. The resignation was announced by a spokesman for Swainson at his home in Manchester, Mich. Swainson had declared earlier this week that he was innocent and would not resign because he was confident he would be cleared on appeal. The spokesman was unable to explain Swainson's change of mind.

Sunday, November 9
GENERALSSIMO Francisco Franco came through the most critical week of his survival battle Saturday with aides optimistic for recovery. But doctors listed his condition as "very grave" and said he is doomed. Medical bulletins said Franco's comeback from the second emergency surgery of the week, a four-hour operation Friday to remove most of his bleeding stomach, was proceeding normally but that renewed kidney failure required the use of a support machine for the third time. By Friday, workmen at the Valley of the Fallen civil war monument had begun digging into the granite floor with jackhammers and chisels to prepare the final place of rest.

Monday, November 10
A U.S. JUSTICE Department source Sunday discounted reports that the Federal Government has imminent plans to break up General Motors Corp., the world's largest auto maker. The source, added, however, that the government will be taking a much closer look at possible anti-trust action against GM because the giant corporation is taking advantage of the economic slump to greatly increase its dominance in the auto industry. GM spokesmen on Sunday issued a one-sentence statement saying: "We are totally unaware of any action of this kind." The spokesman refused further comment.

Tuesday, November 11
A CARGO SHIP with 30 to 35 crewmen was missing in Lake Superior Monday night and a Coast Guard spokesman said there was a "good possibility" that the ship had sunk. The 728-foot Edmund Fitzgerald was last seen at 7:30 p.m. by another vessel, the Arthur M. Anderson, some 15 miles north of Crisp Pointe, about 50 miles west of Sault Ste. Marie.

Victims of Simulated Disaster on Way to Hospital

Members of the Woods Theater Group cooperated enthusiastically with all those involved in the exercise held on November 6 to test the emergency preparedness of Saint John Hospital. For complete details see story below.

Woods Files Suit Against Youth Group

Action Taken in Response to Concern Expressed over Religious Group's Activities

By Roger A. Waha
The Woods was scheduled to file a lawsuit in Wayne County Circuit Court the middle of this week seeking a temporary and permanent injunction to prevent the use of premises at 1785 Roslyn road, (by the "Forever Family," a religious fellowship group), for religious meetings. City Attorney George Catlin said on Monday, November 10, the lawsuit would be filed by yesterday, November 12. He is scheduled to provide the council with a progress report at the Monday, November 17, meeting. The council at its regular meeting Monday, November 3, unanimously authorized Mr. Catlin to take "appropriate action" against the group's activities after several parents expressed a great concern over the organization in relation to their daughters' involvement and their fear, based upon changes in their children's behavior, that the group was infringing upon their rights and responsibilities as parents.

Board Gets Letter
At the same time, the solons unanimously authorized City Administrator Chester E. Petersen to send a letter to the Board of Trustees of the Grosse Pointe School District so parents of all the schools would be aware of the group. (Continued on Page 4)

Disappointment Expressed By Woods Senior Citizens

By Roger A. Waha
Members of The Woods Senior Citizens Group expressed disappointment over the defeat of the ballot proposition regarding seniors housing at Ghesquier Park at the Tuesday, November 4, general election. The proposal was nixed by voters, 2,524-1,647. "We're very disappointed because we worked so hard," said Irene Sutton, chairman of the Senior Citizens Commission. "Senior citizens should have never had to do this, (regarding their efforts for housing). The city should have done it."

Farms Fire Department Rejects Contract Offer; Talks Go into Arbitration

Personnel Seeking Many More Benefits; Next Discussions Scheduled for December 1 after Unsuccessful Session

By Tom Greenwood
The Farms Fire Department, Union Local 1509 voted 16-2 against the latest offer proposed by The Farms management on Monday, October 13. This propelled the contract talks between the city and the firefighters into arbitration. "Basically, we were very close on economics," said Fireman Paul DeGrande, union president. "The difference of opinion lies in the rights of the city and rights of the union personnel. This, plus contract benefits."

He continued by saying, "The Farms is so far behind in benefits that it's unreal. We have none in this city compared to nearly all cities we surveyed." The benefits the union is seeking include: hospital benefits such as dental, prescription and optical care; sick benefits as far as retirement is concerned; food allowance; a cost of living clause in the contract, plus more working days off for firemen. "We only receive seven working days off as compared to the average worker's 12 in a year," said Fireman DeGrande. "Plus, we put in a 56-hour work week, while most American workers put in a 40-hour week," he added.

Clerk Solak Answers
Richard Solak, city clerk for The Farms, stated the city's point of view saying, "As far as The Farms is concerned, we feel that for this area we are near the top in total compensation. This includes pension, holiday pay, longevity pay and so on. The request for a food allowance is just not valid," he said. "If they (the fire

Schools Donate \$3,000 to Fund

Almost half of The Pointe public schools' \$3,000 donation to the United Foundation Torch Drive was collected at just one school this year. The students at Brownell Middle School managed to get together a total of \$1,255 for the drive, leaving the rest far behind. The school's principal, William Christofferson, said the competition between collecting homeroom classes was "friendly but keen." "But what's most important," he said, "is that the efforts of our students show that kids can really get turned on in helping the needy." All the schools, except South High, worked on the drive this year. Last year's total contribution was over \$3,400.

Big Disaster Test Passed By Hospital

Woods Theater Scene of Simulated Explosion; 'Victims' Rushed to Saint John

By Tom Greenwood
"I've got a severe concussion. What about you?" "Me? I rate more than you. I've got a couple of broken bones and an internal hemorrhage." A third voice broke in and smugly dismissed the first two "victims." "You're a couple of pikers," it said. "I'm gonna be dead on arrival, so eat your hearts out."

The scene was the lobby of the Woods Theater, as 40 members of the Woods Theater Group prepared themselves for their parts in "Operation 9-9-9," a pre-planned disaster scheduled by Saint John Hospital to test its emergency preparedness. The simulated explosion was due for 9 a.m., Thursday, November 6. A few minutes before 9, two ambulance drivers who had arrived early wandered in and had coffee and doughnuts while standing amidst the bleeding victims strewn about the floor.

Scene, Mood Change
The scene was festive and jolly . . . until the explosion. At 9, the mood changed. Ambulances screeched up to the theater, lights flashing. Attendees jumped out and began to "Triage" the victims. To "Triage" is to divide the injured into categories. Those needing life saving, immediate care, are looked to first; those beyond help and the walking wounded wait.

Christ Church Presenting Unusual Musical Program

An uncommon musical opportunity presents itself on Sunday, November 23, at 7:30 p.m. at Christ Church (Episcopal) Grosse Pointe. The church is celebrating its Patronal Festival coincidentally with the day designed 300 years ago for a festival honoring the patron Saint of music, St. Cecilia. This festival is a musical celebration in the finest tradition of English music, established in London, England in 1683. Being performed in this concert are two Odes for St. Cecilia's Day, one being the traditional and well known Ode by George Fred-

Vandals Hit Mason School; Losses Heavy

Destruction Placed at Around \$3,800; Fire Set in Stage Area; Door Windows and Furniture Smashed; Pictures, Wall Maps Knocked Down; Piano Overturned

An estimated total of over \$3,800 in damage occurred after someone entered and vandalized Mason School, 1840 Vernier road, in an incident reported to Woods police Saturday morning, November 8.

Destruction to the stage area via a fire, which was set in a corner of the stage, was placed at around \$3,000 by principal William Mestdagh. "I would guess the damage to the stage alone would be \$500," he said.

While no articles were reported missing, the vandalism and arson took its toll. Mr. Mestdagh stated the stage area, including curtains, rigging, ropes and wall, would need much work because of the blaze.

Art Work Destroyed
We lost three door windows inside and this runs around \$50 in glass costs, two chairs were broken resulting in \$50 in damages and pictures and wall maps were knocked to the floor resulting in around \$200 in damages, he said. Children's art work also was destroyed.

At the same time, Mr. Mestdagh said two fire extinguishers were opened up creating a mess in the halls. Two men worked several hours on Saturday cleaning up, while five men worked eight hours apiece on Sunday, November 9, at \$8 or \$7 per hour, he indicated. Costs in manpower alone were placed at around \$500.

Incident Tamed Scary
In saying the incident "was more on the scary side" because of the fact that someone would take such action, Mr. Mestdagh added it could have been worse with those responsible entering other classrooms, the library and his office.

Upon their arrival, officers found a smoldering fire on the stage which had burned the hardwood floor and its foundation. While extinguishing the blaze and cleaning up, a flagpole stand, a brass eagle from the top of a flag-staff and parts of a wood chair were found in the overall remains.

Entry was gained into the kitchen by smashing and unlatching a window. A dry chemical fire extinguisher was taken from a kitchen cabinet and expended in a main corridor police said.

Those involved then went up a stairway to the music (Continued on Page 6)

Schools Closing Nov. 14 at Noon

No afternoon classes will be held in The Grosse Pointe Public School System on Friday, November 14. Teachers, principals and members of the central staff will be engaged in a variety of curriculum development activities at all levels—building, departmental and system-wide. All classes will resume at the normal time on Monday, November 17.

15 Districts Join Forces For Battle

Object to Formula Used to Determine Reduction in Amounts of Aid; Called Inequitable

By Susan McDonald

Grosse Pointe Superintendent of Schools Dr. James A. Adams has joined with 15 other Michigan superintendents in recommending that their boards take legal action in regard to State education aid budget cuts.

The officials, representing high-valuation school districts including West Bloomfield Hills, Dearborn, Birmingham and Troy, agreed that the cuts, based on local tax revenues rather than aid revenues, were inequitable. "Our first step will be to get an opinion from the State attorney general," stated Dr. Adams. "If that course fails to get results a suit will be pursued."

The State Aid Bill, passed this summer, contained a cut of 6 percent of local tax revenues—a loss of \$102,658 to The Pointe district. An Executive Order for \$150 million in State budget cuts, issued by Governor Milliken on October 31, included an additional 8 percent, or \$136,877, cut.

His Order Rejected
That order was rejected by the House and Senate appropriations committee last year. Adams said he has to come up with a new plan. Grosse Pointe receives no general State education aid but has planned on \$397,500 in categorical aid for vocational education, reading support, cooperative programs and special education.

"We realize the problem that the governor is facing and we agree that education should share some of the burden of budget cuts," said Dr. Adams. "What we are objecting to is the formula being used to make those cuts."

"By basing the cuts on the local tax base instead of State or categorical aid revenues, the State is penalizing local initiative," he added. "The areas with the highest tax levels will lose the most."

Would Save \$25,000
As their first response to the impending aid cutback the School Board voted at its Monday, November 10, meeting, not to staff the new planning and evaluation department created in this year's budget at a savings of about \$25,000.

Dr. Adams could not say what other cutbacks may be made if the situation worsens. The system does have reserves of \$145,000 in unappropriated funds and \$269,000 for future budgets. "As we built our reserves we were certainly not anticipating cuts such as these," according to Dr. Adams.

Also included in the proposed cut were Southfield, Ann Arbor, Charlevoix, Ecorse, Harper Woods, Lamphere, Midland, Novi, South Redford, Flat Rock, Bridgman and Carman school districts. Action on the issue will probably not resume until the next executive order is issued.

Parcells Hosts Holiday Bazaar

Over 60 artists and craftsmen will exhibit their wares at the Parcells Middle School PTO Holiday Bazaar on Saturday, November 15, from 10 a.m.-5 p.m.

Jewelry, pottery, Christmas ornaments, needlework and blown glass will be among the items on sale at the school, 26090 Mack avenue. Lunch will be served with discount prices for senior citizens and free car-tokens will be shown to children.

ter-tenor Kim Peters. The performance is under the direction of Frederic DeHaven, newly appointed organist-choir master at Christ Church.

To hear a choir of men and boys trained in the centuries-old tradition of English church music is a rare opportunity for the public. There are perhaps but 25 such choirs in the entire United States, virtually all at Episcopal churches. Two such choirs are found in the Detroit area, one at the Cathedral Church of St. Paul, under the direction of Elwyn Davies, and the other at Christ Church, Grosse Pointe. In such choirs, boys of the ages 8 to 14 are offered extensive musical training in the history of music, reading and the art of musical performance. In the choral setting, the boys combine with a group of older boys and men who perform the alto or counter-tenor, tenor and bass parts, along with the boy trebles, producing a most beautifully pure sound. Many fine choirs of men and boys are to be found in England at Cathedrals and many parishes, and in schools throughout France and Germany. Christ Church has, for nearly 50 years, been one of the leaders in men and boy choir work in the United States.

The boys of the Christ Church choir have been seen and heard in concert with the Detroit Symphony Orchestra during the last 10 seasons, and toured with the symphony in 1974 to perform Orff's Carmina Burana at Carnegie Hall. They are no strangers to the music audiences of Detroit.

The Christ Church choirs have traveled recently to per-

form at the National Cathedral in Washington, D.C. at Evensong, and, earlier in 1975, to Lexington, Ky., to perform the Hayden Lord Nelson Mass with the Lexington Philharmonic Orchestra. This year the choir will participate in the Three Choir Festival in Akron, O., in the performance of music by Gabrielli.

The music program at Christ Church offers the only "equal opportunity" in the United States for girls from the age 10 through high school to receive the same traditional training as does the boy choir. This finely disciplined group of girls sings weekly with the same professional counter-tenors, tenors and basses of the men and boy choir. While there are many girls' choirs around, they are almost uniformly confined to the singing of special arrangements for girl choirs only. At Christ Church, however, the girls perform exactly the same repertoire as the boys, receive the same musical training and explore the same traditions of Anglican church music. The girls of the Christ Church choir perform in concert with the men and boys at the church, have traveled with the men and boys choir to Washington, D.C. and will appear in concert in the spring of 1976, in Lexington, Ky. There is no similar op-

portunity for either boys or girls in the greater Detroit area to consistently train and perform in the manner provided at the Grosse Pointe church. All boys and girls in the choirs there are treated as professional musicians, are paid for their performances and rehearsals, and are required to perform at the highest standards of musicianship. The combination of men, boys and girls provides a highly trained and unusual choral ensemble which gives great music consistently.

The opportunity for such fine musical training, (out of similar experiences have come many of today's mature performing artists), and for performance of such excellent music as is given not only in special concerts, but at the regular Sunday services at the church, is one that any inspiring young musician should seriously consider adding to his or her activities. The celebration of St. Cecilia's Day is, in this area, almost the exclusive province of Christ Church, Grosse Pointe, where a musical celebration has traditionally occurred on the fourth Sunday of November. Festivals in honor of this patron saint of music began late in the sixteenth century, reaching their height in the years 1683 through 1703 at the London

Cecilian Festivals, with spradic revivals thereafter.

These 20 years saw the great foundation of English church music, involving musicians such as Henry Purcell, John Blow, Matthew Locke, Jeremiah Clarke and others.

The Draghi to be performed at this concert was commissioned for performance at the 1687 Cecilian Festival. At the time, Draghi was the organist in the Court of Charles II, King of England, having been imported from Italy around 1670, and quickly obtaining the respect and recognition of the patrons of music and musicians in London. Because a new Ode was composed each year during the festivals, Draghi's work was performed only once, and after the demise of the festivals in 1703, the composition was lost. Through the efforts of Charles Bikle, a graduate student in Musicology at the University of Michigan, the score was rediscovered and reviewed and the work will be given only its second known performance in nearly 300 years at Christ Church's Festival.

The Handel setting of the same Dryden poem is an elegant expression of that composer's great skill and art, written at the height of his career which exemplified and expressed in its most complete form the baroque tradition and style of music.

The celebration honoring music itself is one which should stimulate the interest of this community, especially since it is temporarily deprived of the season of live music of the Detroit Symphony Orchestra. Christ Church carries on the great traditions of fulfilling the musical needs of the community it serves, through its support and encouragement of a music program not only of sacred but of secular content, in a fully professional manner. Tickets at \$2 each are available through the church offices at 61 Grosse Pointe boulevard, or by calling 885-4841.

Disaster Test Passed

(Continued from Page 1)

At the emergency room, under the direction of Dr. Eugene Cetnar, Chief of Emergency Services, doctors and nurses in white converged on the bloodied, thrashing victims. As the injured arrived they were tagged with their names and other vital information.

The injured were sent to all departments: X-ray, operating rooms, coronary care, obstetrics and so on. Emergency equipment was also "used." EKG machines, heart defibrillators, oxygen tents and heart monitors came into play. Hospital ministers and chaplains comforted "hysterical" family members and saw to the "dead."

Types of Casualties
Types of casualties included: heart attacks, severe angina, emphysema, women in labor, amputations, abdominal evisceration, hemorrhages, ruptured spleen, shock due to intracranial hemorrhage, severe burns, fractures, sprains, assorted minor cuts and bruises, hysteria and DOA's.

MANY TRAIN
More than half of America's medical students receive some of their training in the Veterans Administration's 171 hospitals.

ices, traffic, security and visitors.

The purpose of the disaster drill was three-fold: to test radios given to the municipalities involved by Saint John Hospital through funds made available by donations to the hospital from friends in the local communities; to insure that in case of an actual emergency, the hospital would be prepared to provide efficient medical care to victims; and to mobilize all hospital resources and focus them on providing emergency treatment to large numbers of disaster victims while at the same time maintaining good essential in-patient care.

At 10:15 a.m., the emergency was officially over. In one hour's time the hospital staff had dealt with two amputations, eight victims of hysteria, four severe laceration cases, 10 fracture victims, three severe sprains, one person with a ruptured spleen, three victims of strokes, helped with two intracranial hemorrhages and shock cases and assisted one woman in labor. Six DOAs were beyond help.

Everyone Relaxes
After that one frantic hour, the hospital staff relaxed. Smiles and laughter floated through the emergency room. Victims stretched "broken limbs" while others washed "blood" from their faces. The "dead" got off their stretchers and began to walk around, wondering what to do the rest of the day.

The fake emergency was over. While the conditions and injuries were simulated, the idea and concern behind the plan was genuine. Personnel at Saint John's Hospital knew today's exercise was going to happen. Tomorrow is a different story.

Facing Drunk Driving Charge

James A. Roach, 45, of 23921 Marston, Mt. Clemens, was arrested by Shores police on Thursday, November 8, and charged with driving while under the influence of liquor. He posted a bond of \$150 and is scheduled for a court appearance on December 17.

Public Safety Officer Bruce Darlington, while on routine patrol on Lakeshore road at about 2 a.m., observed a car traveling north on the road, and approaching Vernier road, weaving from lane to lane and driving in excess of the posted 35-mile limit. The officer said that during the pursuit, the driver, Roach, had difficulty staying in any traffic lane. There were no other autos on the road, it was said.

PSO Darlington stopped Roach in front of 1000 Lakeshore and informed him that he was under arrest for drunk driving. The motorist was taken to the station, and after consenting to a breathalyzer test, was taken to The Farms station to use the machine there. He failed both tests and was returned to The Shores, where he was issued a violation ticket for driving while under the influence.

Megan Facing More Surgery after Accident

It's been six months since little Megan Fahle, of Berkshire road, fell through a pole shaft at The City Fire Department, cracking her skull on the concrete floor 12 feet below.

It's been a rough six months, according to Karen Fahle, Megan's mother, but through it all Megan has been "a real sport."

Being a sport has meant wearing a protective helmet at all times and restricting play to quiet indoor games. Plans to enter kindergarten went by the way as well. Instead five-year-old Megan and her mom have spent the

Thief Cuts Self Entering Store

Someone entered the Roslyn Market, 21020 Mack avenue, by breaking a window with the thief apparently cutting himself in the process as trails of blood were discovered inside the building, reported Woods police on Friday, November 7.

Approximately eight cartons of cigarettes were taken with a combined total value of \$32.40 along with 10 twelve packs of beer with a combined total value of \$35.50.

At the scene, Officer Theodore Hinz discovered a rear door pane of glass broken out. Blood was observed on the jagged glass and on the floor inside the store.

The officer gained entry when the store owner arrived and reported drops of blood were traced to the front of the building where the cigarettes were taken.

Blood drops then went down a second aisle to the point of entry. The beer was taken near this location.

At the rear of the store, several pop bottles were removed from a shopping cart. Police said it appears as though the cart was used to remove the goods from the scene.

hours in physical therapy to cope with partial paralysis in Megan's left arm and face.

The worst may soon be over, though. This Tuesday, November 11, Megan went back to Children's Hospital to have a plate put in to cover the exposed part of her head. If all goes well the helmet will soon come off and Megan will start romping again.

It's difficult at this time to tell just what permanent damage Megan has suffered. Without doubt there has been some brain damage, but special classes at Monteith for the learning disabled will hopefully prepare her to enter regular school some day.

"She will probably have to work harder than the rest of us just to get by and she will definitely be on some kind of medication permanently," said Mrs. Fahle.

Nevertheless, the Fahle family remains hopeful.

"Both my sons, Richard, who's 10, and Craig, 8, have been great with her and we all just keep on plugging," said Mrs. Fahle.

The fall was a freak accident, according to Mrs. Mahle. Megan and 20 classmates from the pre-kindergarten class at Grosse Pointe Unitarian Church were touring the station on May 22 when Megan apparently slipped through the hatch covering the second-story floor around the firemen's pole. Megan was taken, unconscious, to Bon Secours and then to Children's Hospital, where she stayed for three weeks. A depressed skull fracture and damage to the cerebral cortex was discovered and a series of operations began.

"After surgery we felt lucky to still have a daughter," said Mrs. Fahle. "After that, anything's easy to take."

Men Gardeners Meet on Nov. 20

"If Winter Comes" will be the topic of a two-man panel discussion at the Men's Garden Club regular meeting, 8 p.m., Thursday, November 20, at the Central Library, 10 Kercheval avenue.

Elmore W. Frank will discuss winter care of lawns, hoses and chrysanthemums. Harold A. Weik will cover fall preparation of vegetable beds, and the storing, freezing and canning of vegetables.

Mr. Frank is a past president of Men's Garden Club and the Grosse Pointe Rose Society and is currently treasurer of Greater Detroit Chrysanthemum Society. He is an accredited horticultural judge, a consulting rosarian and a former Home Garden Consultant for the Wayne County Extension Service.

Mr. Kiek has grown vegetables for more than 30 years, winning many ribbons in club competition. A frequent speaker on vegetable gardening, he is a consultant on vegetable garden projects maintained by inner-city children.

At this meeting officers will be elected for 1976. All male gardeners in the area are invited to attend.

SEMTA Offers Parade Service

As an alternative to the downtown traffic and parking squeeze that usually accompanies the J. L. Hudson Thanksgiving Day Parade, SEMTA is offering special parade bus service this year.

Recover Stolen Car in Detroit

Detroit Auto Recovery Bureau informed The Shores Public Safety Department that a 1976 Cadillac, valued at \$14,000 reported stolen in The Shores on November 6, was recovered in a Detroit parking lot on Saturday, November 8. The car is owned by John C. Seymour, of 70 Sunningdale.

Mr. Seymour, who owns a Detroit car leasing business, reported that the Cadillac, stolen from his driveway sometime between 11 a.m. and 8 p.m. on the Saturday date, was found in a lot between apartment buildings in the Downtown area. The only damage known is that the ignition had been punched out, to "hot wire" the vehicle to start it.

The authorities expressed surprise that the Cadillac had not been completely stripped. All that had been taken from the car were the four hubcaps, valued at a total of \$416, it was disclosed.

Detroit police said that the missing car was recovered at about 3:30 p.m. on November 8. The owner was notified he could claim possession by going to the Detroit Auto Pound.

Another angle that builds self-respect is acting on the square.

DENBY THESPIANS TO PRESENT PLAYS
The Denby Thespian Troup 1685 will present two one-act plays, "Solitaires," by Robert Anderson, and "Story Theatre," by Paul Sills on Thursday and Friday, November 20-21 at Denby High School, 12800 Kelly road. Show time is 7:30 p.m. Admission is \$1.50 at the door.

It pays to know a DETROIT BANK-er better.

"You can actually write yourself a loan by writing a check"

One of life's more frustrating moments occurs when your checkbook balance is insufficient to cover a planned purchase. Now there's a way to write yourself a loan by simply writing a check as we learned by talking with Mike Robinson, Manager of the Grand River-Middlebelt office of Detroit Bank & Trust.

How can I write myself a loan?
 "With Ultra/Chek at Detroit Bank & Trust, you simply write a check for the full amount you need to make a particular purchase or to give yourself extra money whenever you need it. Ultra/Chek is a personal line of credit of at least \$500 which you can use by intentionally or accidentally overdrawing your Detroit Bank & Trust checking account by \$5 or more. With Ultra/Chek, your checks are good regardless of the balance in your

checkbook as long as you don't exceed your line of credit."

Can Ultra/Chek keep my checks from "bouncing"?
 "Yes. Many people use Ultra/Chek not only to make planned purchases, but to protect against "bouncing" a check. Of course, we encourage our customers to keep their checkbook in balance, but anytime you write a check that overdraws your account, Ultra/Chek will cover it up to your line of credit."

How much does Ultra/Chek cost?
 "There are no charges whatsoever until you actually use your Ultra/Chek line of credit. Once you do the finance charge is lower than many installment loan plans or charge card transactions. Once you activate your Ultra/Chek line of credit, you'll receive a

statement each month showing the amount borrowed, interest charged, total owed, minimum payment due and the amount of credit still available to you."

How can I get Ultra/Chek?
 "Sit down with any DETROIT BANK-er at Detroit Bank & Trust and fill out an Ultra/Chek application. Easy-to-use, convenient Ultra/Chek protection for your checking account is another reason why you ought to know a DETROIT BANK-er better."

"With Ultra/Chek you can actually write yourself a loan right from your checkbook!"

"Anytime you write a check that overdraws your account, Ultra/Chek covers it up to your line of credit!"

"Ultra/Chek is one of those helpful services you find out about when you get to know a DETROIT BANK-er better."

Suit Filed Against Group

(Continued from Page 1)

In his letter, Mr. Petersen said, "Recently, it has come to the city's attention that there is a group called the 'Forever Family' conducting some type of religious study in the Grosse Pointe area.

"We are further informed that the method of operation of this group is to solicit the interests of young students at both North and South High School, and possibly the middle schools, in an effort to induce the students to attend study groups.

"As part of the program, 14-15-year-old female students have been transported from this area to Ohio for weekends without the knowledge of their parents. In several instances, the youngsters have lied concerning their whereabouts on the weekends involving such trips."

(This information was based on a report from the parents at the meeting of the 3rd regarding one weekend trip).

Seek Action

Mr. Petersen continued, "We further understand that a panel truck is used by members of the 'Forever Family' to pick up students at the schools and transport them to attend study groups above-mentioned."

Then he said, "The city council feels that this matter should be brought to the attention of the Board of Trustees for appropriate action and suggests that information concerning this organization be furnished to the parents of students in order that they may inquire as to the whereabouts of their children who may be associated with this group."

In response, School Board president Joan Hanpeter said the Board will direct that information on the group be included in the newsletters of both high schools and the three middle schools as an "alert to parents." These newsletters are mailed directly to the homes of parents.

What specific action will be taken in relation to the elementary schools on this matter is pending at this time.

Makes No Judgment

Stressing that the Board isn't in a position to make any judgments on the organization, Mrs. Hanpeter said parents will be informed about the group's existence and the Board's recent recruiting of young people at North.

We have no official information on the "Forever Family," she said, while adding Superintendent of Schools Dr. James A. Adams is currently drafting a response to Mr. Petersen.

Meanwhile, both Mr. Petersen and Mr. Catlin said on the 10th that they haven't personally been contacted by any member of the group.

DINGEMAN TO SPEAK

James Dingeman, of Radnor circle, vice-president administration of Parke Davis & Co., will speak at the University of Detroit, Thursday, November 13, in the Chemistry Building Library Conference Room at 5:10 p.m. Mr. Dingeman is a member of the Parke-Davis Board of Directors and is also a vice-president of Warner-Lambert Co. He was recently appointed to the University of Detroit's Board of Trustees.

Aware of the concern on the part of citizens, the Public Safety Department is continuing its investigation of any possible criminal activity and ordinance violations, according to Director Henry, Marchand.

Ask for Cooperation

Youth Service Division Det. Wayne Baum said he talked with Dave, a member of the "Forever Family," last week at South High. The detective asked him, (hence, the group), not to be around on either the North or South or North grounds until the students first went home.

Det. Baum said he made his request in an effort to reduce the problem revolving around the organization, young people and their parents. If the students went home first, it would be between them and their parents regarding possible involvement with the group.

And the detective added that Dave seemed cooperative in the matter.

Noting that the main problem seemed to be the participation of young people with the group against their parents' wishes, Det. Baum talked with two girls involved in going to a religious rally in Ohio and personally took them to his church on Sunday, November 9, with the permission of their parents.

No Ordinance Violation

As far as can be determined at this point in time, the NEWS learned four, possibly five, people reside at the Roslyn address. This is not in violation of the zoning ordinance.

A section of the ordinance entitled "Family" says a family is any number of persons living together in a room or rooms comprising a single housekeeping unit and related by blood, marriage or adoption, and including the domestic employees thereof.

The section continues, "Any group of persons not so related but inhabiting a single housekeeping unit, for the purpose of this ordinance shall be considered to constitute one family for each five persons, exclusive of domestic employees, contained in each group."

League to See Austrian Film

The Grosse Pointe Cinema League will present "The Charm of Austria," an award-winning 16mm motion picture by Leo Tallieu, on Monday, November 17, at 8 p.m., in the Fries Auditorium of the Grosse Pointe War Memorial, 32 Lakeshore road.

Mr. Tallieu photographed picturesque scenes in Innsbruck, capitol of the Tyrol and among the loveliest of the Alpine cities. The film visits Salzburg, renowned for its scenic countryside and architecture and tours beautiful Vienna.

A side trip is made to the tiny principality of Liechtenstein in the verdant countryside between Austria and Switzerland, with breathtaking scenery throughout.

The public is cordially invited to attend this program without charge. The league meets on the first and third Mondays of each month. Being a photographer is not a membership requirement. Dues are \$5 a year for a single membership and \$8 for a family.

out to reelect Mayor Matthew Patterson with 1,441 votes to challenger Douglas Graham's 684. Three unchallenged councilmen were elected, including Clayton Alandt, 1,661 votes; Dr. Roger McNeill, 1,538; and Charles Tompkins, 1,531.

More than 4,000 Woods residents came to the polls to reelect Mayor Benjamin W. Pinkos with 2,903 votes. He was unopposed.

Unopposed Municipal Judge J. Patrick Denis received 2,607 votes. Council seats went to George S. Freeman, 2,216; Joan M. Mullan, 1,771; and George Cueter, 1,287. Unelected challengers were Brian M. Dufour, 1,142; Robert Trinklein, 1,146; Al-

bert Abend, 944; Mary Lee Graham, 759; William E. Plumb, 575; Rodger A. Graef, 508; and George S. Lilly, 399. Captain Kangaroo received one write-in vote.

The Woods referendum on the transfer of city-owned property for construction of senior citizens housing was defeated by 2,524-1,647 votes.

Park Officials Sworn In After Pledge of Allegiance

For the first time in memory, The Park Council on Monday, November 10, and the audience in attendance, stood at attention with their hands over their hearts and recited the Pledge of Allegiance to the Flag of the United States.

Following the pledge, City Clerk Nunzio Ortisi administered the oath of office, singly, first to Mayor Matthew Patterson, who is starting his sixth full two-year term as mayor; then to Councilman Charles S. Tompkins, elected to his second four-year term; and then to Dr. Roger F. McNeill, M.D. who was appointed to the council two years ago to fill a vacancy created by O. J. Williams, who moved to San Francisco.

Dr. McNeill, elected in his

own right, will serve for four years, as will Clayton Alandt, the newest member of the city body, who replaced Robert Hutton, who chose not to run, after serving the Park and its residents since 1957, first as a member of the Park Tax Board of Review, then as a member of the Park City Planning Commission, and then appointed in 1965 to fill a vacancy on the council. Since his appointment, he has served continuously as mayor pro tem and as councilman of finance, working closely with Mr. Ortisi, who is also the City comptroller.

Mayor Patterson was opposed by Councilman Douglas Graham, who was defeated in his bid to upset the mayor for the city's top post. Councilman Graham, who did not have to resign his council seat, still has two years to serve as a city law maker. The election for mayor and councilmen was held on November 4.

Following the swearing in ceremonies, the members of the council approved the following recommendations of Mayor Patterson: Councilman Tompkins as mayor pro tem; Councilman George Verdonck, as councilman for finance; Councilman Graham as the city's representative on the Unemployment Compensation Board; and Councilwoman Camille Petersen, as the Park's representative on the Beautification Commission of Southeastern Michigan, the first Park appointment to this post in several years.

At its previous meeting held on October 20, Mayor Patterson recommended that the council either recite a prayer, led by one of the Park church pastors, at each meeting; or by reciting the Pledge of Allegiance, or both. To avoid controversy, the solons opted for the pledge.

The inferiority complex is like wealth—it'd be a real blessing if the right people had it.

Rotary Awards Study Abroad

The Rotary Club of Grosse Pointe is seeking young men and women as candidates for Rotary Foundation educational awards for study abroad in 1977-78.

Four types of educational awards are offered by the Foundation: graduate fellowships, for those between the ages of 20 and 28, with a Bachelor's degree or equivalent; undergraduated scholarships, for those 18 to 24 with a minimum of two years of university level work but without a Bachelor's degree; technical training awards, for those 21 to 35 with a secondary education and at least two years working experience; and teachers awards, for those 25 to 50 who have been engaged as full-time teachers of the mentally, physically or educationally handicapped for at least two years at the time of application.

Each award covers round-trip transportation, educational and living expenses for one academic year, and, if necessary, funds for intensive language training.

The Rotary Foundation is a non-profit organization supported by contributions from Rotarians and Rotary clubs in 149 different countries. Since 1947, the Foundation has awarded more than \$14 million for its various programs, and more than 5,000 young men and women have gone to countries other than their own for a year of study.

Further information about these awards is available from D. S. Tsangialis c/o Rotary Club of Grosse Pointe, POB 5212, Grosse Pointe Farms 48236.

The application deadline date is January 31, 1976.

Seniors Slate Ice Show Party

The War Memorial's Fifth Annual Ice Follies party for senior citizens is into its second bus load. The gala evening takes place Wednesday, December 3, with early dinner at the Center beginning at 5:30 p.m. Charter buses will then take the group to the doors of Olympia where excellent seats have been reserved in the promenade section for the spectacle featuring the new "America's Sweetheart", Janet Lynn.

This party is limited to senior citizens. The total cost, including dinner, service and tax, round trip door to door chauffeured transportation and reserved seat for the Follies is \$13.50. Reservations should be received at the Center's office by December 1 at the latest.

Youths to Hold Coffee House

The War Memorial Youth Council is turning the Center Ballroom into a Harvest Inn Saturday, November 22, and inviting all Grosse Pointe students grades 7-12 to come down between 8 and 11:30 p.m. and enjoy entertainment, refreshments and participation in the music.

Cris Bezaire, solo guitarist, and her accompanying musicians will provide folk and country music and the Brew Brothers Jazz and Rock Ensemble will play. Any students who wish are cordially invited to bring their own instruments and either solo or jam with the others or their own groups. Admission is 75 cents.

To the Citizens of Grosse Pointe Park

I wish to thank all who endorsed me and also those who worked to retain me as mayor of Grosse Pointe Park for 2 more years.

Also I want to thank the citizens of our city for their vote of confidence in the manner the city is being operated.

You can rest assured everyone in our city government will strive to keep our city a wonderful place to live and we will continue striving to render the best service possible.

Sincerely,
MATTHEW C. PATTERSON

Youth to Face Circuit Court

A 20-year-old Woods youth, who's charged with delivery of PCP, an animal tranquilizer (and a controlled substance), was bound over to Wayne County Circuit Court for trial, reported the Youth Service Division, (YSD), office.

This action occurred at the Woods Municipal Court examination of David Costan, of Blajmooor court, on Wednesday, November 5. The suspect's Circuit Court arraignment date has been scheduled for Tuesday, December 2.

Costan was arrested on Wednesday, October 1, after a month-long police surveillance, which included the participation of several Macomb County undercover agents and YSD officers.

The suspect allegedly made a hand-to-hand sale to an undercover officer after authorities learned a sale was to be consummated on October 1, police said.

Announcing Tax Break 1975. Deadline: December 31

If you are not covered by a regular pension plan, you can save considerable tax dollars this year. Stop in at any D&N office and open an Individual Retirement Account (IRA). But it's important that you act now. Your deposit must be made before December 31 in order to receive full income tax credit this year. With a D&N IRA . . . you can save up to \$1,500 or 15% of your gross annual income (whichever is less) and not pay current income taxes on it. In addition, the earnings from your savings are tax-free too. You save for your retirement while you cut your income tax bill.

Besides tax savings, there are more good reasons for starting your Individual Retirement Account at D&N. Check these benefits:

1. **High rate of return.** Our high interest savings plans are available, including one with an effective annual yield of 8.05%.
2. **No cost.** Currently, you pay no start-up or operating costs.
3. **You maintain a record of earnings.** Each participant receives a statement which reflects all deposits and accrued earnings.
4. **Eliminates investment risk.** Your money at D&N is not subject to the uncertainties or fluctuations of the money market.
5. **Insured safe.** Deposits are insured safe by a permanent agency of the U.S. Government and by the strength and experience of a pioneer Michigan financial institution.

Express Disappointment

(Continued from Page 1)
set of seniors. Some felt there was an unfair campaign against the proposition by other residents through their campaign literature. (At the same time, these residents perhaps felt seniors via their literature weren't giving a complete picture.)

Mrs. Sutton, Robert C. Boyd, housing committee chairman of the commission, and Mrs. Boyd felt flyers put out by the "Committee of Concerned Citizens" weren't true regarding such housing at the park interfering with the tot lot and the baseball diamonds with the cutting down of "the majority of remaining trees."

Seniors said a housing development would not interfere with any recreational use of the park and Mrs. Sutton felt that these residents put out information "without really investigating."

Kids were campaigning and giving the old people "raspberries," said Mr. Boyd, who added this wasn't the way seniors campaigned. "As far as I'm concerned, the concerned citizens had the kids going out and campaigning for them" regarding taking playgrounds away, he charged. "We said it would not take any recreation away."

For her part, Mrs. Boyd stated, "The seniors were stunned by the tactics that were used and disappointed over the proposition's defeat."

Accusing the opposition of using children going door-to-door ringing doorbells, crying and saying seniors will take away their recreation, (based upon information she received from other citizens), Mrs. Boyd felt the opposition was "pretty hard up" for allegedly using kids "like this."

At the same time, "Seniors have started something that's badly needed out here, (i.e., housing), she said. "If I were the mayor and council, I would see if there's some way

seniors got housing in Grosse Pointe Woods. It's up to them now."

Mrs. Boyd added she hoped Woods seniors set an example for the rest of the Pointes regarding housing, which she felt was needed in all the municipalities. "I hope all the Pointes get together on this."

In a final note, Mrs. Sutton in a communication to the NEWS, pointed out that North High School's newspaper, "The North Pointe," in an editorial against such housing at the park, referred to seniors as "old bats."

Her reference was regarding a paragraph saying, "Ghesquiere is a very active, popular and heavily used park. It's this simple fact that makes it the worst possible location for a retirement home."

"After the tenants move in, some old bats will no doubt begin complaining about all the noise and hoopla the kids will make when playing baseball, broken windows, the constant yelling of the little toddlers, etc., etc."

Vandalism

(Continued from Page 1)
room on the second floor where they scattered desks and chairs and tipped over an upright piano. Both windows in the stairway door and music room door had been kicked in to allow entry. A gray derby hat and a blue cub scout hat, apparently taken from a lost and found rack in the kitchen, were found in this stairwell. Then, the culprits apparently went down the stairwell and entered the gym.

Police discovered a substance, possibly lighter fluid, that had eaten away the varnish of the floor. This substance was found in three straight lines as if poured.

Officers said an examination of the rest of the school revealed widespread vandalism to desks, pictures and maps that lined corridor walls. Those involved also turned off the fuse box in the gym, stopping the clocks at 12:10, (possibly a.m.)

Lt. Allen Selby said some of the overhead drapery, which was burned in the stage area, was fire retardant. If this wasn't the case, the smoke damage would have been more serious than it was, he noted.

The Youth Service Division is currently assisting the detective bureau in the investigation.

FLEC Moves Its Office To Quarters at Brownell

FLEC, (Family Life Education Council), has moved its office from 20943 Mack avenue to new quarters, rented from the Grosse Pointe Board of Education, in Brownell Middle School, 260 Chalfonte avenue.

The phone number, 885-3510, will remain the same, and the office hours will continue to be open from 9-3 p.m. Monday through Thursday.

Meanwhile, the Student Volunteer Program, which has been sponsored by FLEC for the past four years, will be transferred to the Board of Education for incorporation into the school system.

Originally sponsored by the Neighborhood Club, the program has grown steadily to over 700 student volunteers last year.

It offers students opportunities for service and career training experience through tutoring in elementary school grades and a variety of activities in community organizations such as hospitals and libraries.

Mrs. Perry L. TeWalt, Student Volunteer coordinator, reports an even greater response to volunteering this fall. Mrs. TeWalt, one of the founding members of FLEC, has been the coordinator of this program for the past nine years. It is under her leadership that the program has grown not only in size but in the wide variety of volunteer opportunities.

In addition, training workshops such as Care for the Handicapped and Orientation to Community Service for Middle School students have been offered to prospective student volunteers.

The Student Volunteer Program will be carried forward under the Community Services Department of the Board

THE PARK PHARMACY

Dental health in our country is such a tremendous problem that most dentists say that water fluoridation is the only solution. Water fluoridation is effective—it can produce a 65 per cent reduction in tooth decay. Fluoridation is also safe, and economical. For an average of ten cents per person per year, a community can benefit from this public health measure. Fluoridation is easily applied and controlled. It also has the overwhelming support of qualified professional health workers and other groups interested in the health and welfare of our people.

There is no one more interested in the health of your family than the professional pharmacists at THE PARK PHARMACY, 15324 E. Jefferson, Grosse Pointe Park. We keep complete records of all your family's medications and individual "patient profiles" of immunities, allergies, and other health data to assure the safety of your prescriptions. We also keep complete supplies of health and beauty aids, convalescent needs, baby supplies and other items for your health. As a convenience, we have a full line of liquor, beer and wine. Call us at 822-2580. We are open 7 days a week. (Sundays from 10 A.M. until 3 P.M.)

Introducing The Whatchamacallit Loan

The Whatchamacallit happens not to exist. Yet, But if it did, we at Triple-A would be happy to lend you the money to buy it.

In the meantime, we'll lend you the money to buy any of the things it represents—a new or used car, motor home, camper, boat, snowmobile or all-terrain-vehicle.

And, we'll give you a better interest rate than most banks or dealers. We urge you to do some comparison pricing if you don't believe it.

Call Triple-A about a Whatchamacallit loan (a Triple-A Member Loan as we call it). Especially in these times when a quick, low-cost loan seems as hard to find as a Whatchamacallit.

Circuit Court Awaits Trio
Three youths, all of whom are charged with assault with intent to rob armed, were bound over to Wayne County Circuit Court for trial, reported Woods police.
This action was taken at the Woods Municipal Court examination of Leonard Allen Miron, 20, of 58796 Stevens, New Haven, Mich., Daniel John Liberty, 20, of 1504 East Meyers, Hazel Park, and Lonnie Dale Snell, 17, of 23050 Vance, Hazel Park, on Wednesday, November 5.
Bond was continued on Miron in the amount of \$10,000 or two sureties and on Snell in the amount of \$1,000 or two sureties. Miron was taken to the Wayne County Jail on Friday, November 7, in lieu of the bond, while Snell is out on his bond, police said.
Meanwhile, Liberty's bond was reduced to \$5,000 or two sureties, and he is out on his bond. Police added both Miron and Liberty are facing breaking and entering charges in Oakland County.
The trio's Circuit Court arraignment and pre-trial conference date is scheduled for

Woods Citizens Get Rink Use
The Woods Council, at a recent meeting, unanimously concurred in a Committee of the Whole recommendation urging that the city enter into agreement with the University Liggett school, covering the use of the McCann Ice Rink, 1045 Cook road, for the exclusive benefit of the residents of The Woods.
The rink will be open to exclusive use by Woods residents beginning on Wednesday, November 5, and will continue to be open every Wednesday evening until March 17. An admission price of \$1 will be charged for each person using the rinks.
Under the agreement, the school will be responsible for the maintenance and staffing of the building and rink, while the city will pay the school \$2,200 for use and will assume all public liability for any injury or damage to its residents.

Clowns Needed To Join Parade
Members of The Woods Bicentennial Commission's clown committee recently participated in the second annual Detroit Fire Department Fire Prevention Parade.
Those taking part included Arthur J. Kuehnel, director of clowns, David Weber and John Hosking, assistant directors, along with Kelly Rogers, Julie Schneider, Denise VanVier, Beth Jeffery, Paul Navarre and Happy Navarre.
Mr. Kuehnel says clowns are still needed as part of the celebration and urges school children from the first through 12th grades to participate. For further information, call John Hosking at 884-1781.

DELETE ITEMS
The Woods Council at a recent regular meeting concurred in a Committee of the Whole, (C.W.), recommendation that several items be deleted from the C.W.'s agenda including the suggestion of the Woods Beautification Commission to use meter maids to enforce littering violations, commercial district snow removal and signature petitions in opposition to a traffic light at Marter and Roslyn roads.

Idiotic Michigan Laws Under Attack by Bryant

Did you know that it could be illegal to smoke cigarettes in Michigan? Section 750.27 of the Michigan Statute says it is a misdemeanor to make, sell or give to anyone . . . any cigarette containing any ingredient deleterious to health . . .

Or what about that steam vehicle you're driving? Did you know that it's a crime to drive a wood burning steam vehicle on the highway without a spark arrester?

Upper Peninsula residents are in violation of the law, also, if they drive a sleigh faster than a walk "without having bells on at least one of the animals pulling the sleigh."

These are examples of the outdated laws that are on the statutes of Michigan, some dating as far back as 1835.

One state representative, House Republican Floor Leader William H. Bryant, Jr. of Grosse Pointe Farms, is interested in getting such laws off the books in an effort to update the criminal code.

"There are so many left over laws on the books that aren't needed any more," Bryant said. "And we just keep piling others on top of them. The only time we examine the old laws is when someone calls a particularly bad one to our attention."

Bryant took matters into his own hands and made a review of the entire criminal code. "I came up with a list of 39 of the most idiotic laws I've ever seen," said Bryant, who is a lawyer.

He's already doing something about one such law which makes a very popular sport illegal presently.

"Anyone engaging in the sport of hot air ballooning is theoretically violating the law right now," Bryant said. "A statute on the books makes it a misdemeanor to possess or use any 'balloon which requires fire underneath to propel it.'"

Recently Bryant got a bill passed by the House of Representatives which eliminates this prohibition. It is now before the State Senate.

"It's about time that we legalized the great sport of ballooning," Bryant said. "No one has prosecuted a balloonist that I know of, but I think of the potential keystone cop comedy of some poor policeman racing zig zag across country trying to follow and apprehend a balloonist."

"Even though many of these old laws are humorous to us now, I'm sure that at the time they were enacted, they were serious topics."

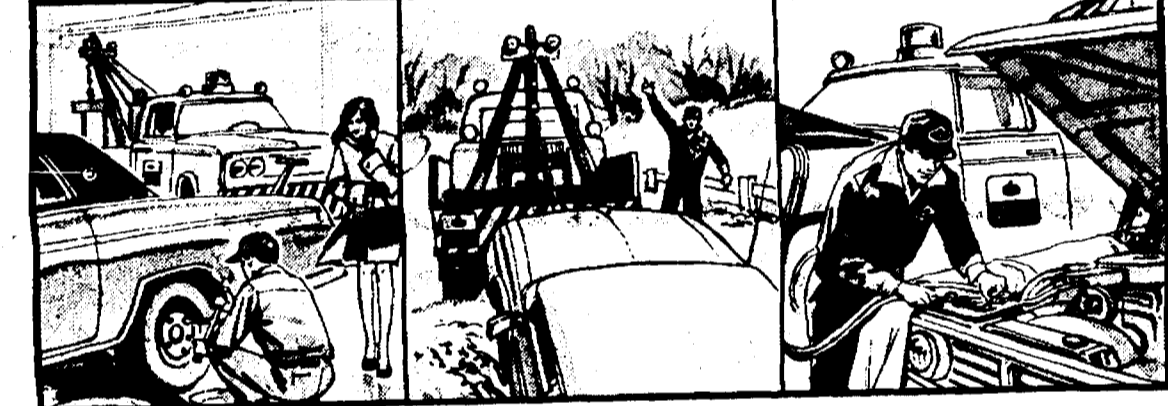

"My point is that they do become outdated and we get bogged down in the all too numerous and detailed laws that govern or affect our lives. I think these examples make a good point for the argument that we don't always need to enact another law when we face a problem. Maybe there is another solution to a problem and we ought to look a little further, rather than pass another law."

New Minister for Unitarians

The installation of Rev. Fred F. Campbell will take place at the Grosse Pointe Unitarian Church, 17150 Maumee, on Sunday, November 16, at 7:30 p.m.

The principal speaker at the ceremony will be the Rev. Malcolm Sutherland, minister of the First Congregational Unitarian Church of Harvard, Mass. His topic — "The Task and the Triumph."

Three prominent Detroit area Unitarian ministers, R. C. Gelsey, Irwin Gaede, and Frank Gentile, will participate in the ceremony with other Grosse Pointe clergymen in attendance.

Ordained in 1945, Sutherland served as minister of the Thomas Jefferson Memorial Church in Charlottesville, Va., the First Parish in Milton, Mass., and as execu-

tive vice president of the American Unitarian Association.

Sutherland, a native Detroit, received his Doctor of Divinity from Meville Lombard Theological School where he became the ninth president of the school and was dean of the faculty. He also was a Collier Professor of Church and Society.

In 1968, he became a life member of the Board of Governors of Manchester College, Oxford, and was elected an honorary fellow in 1973. He received his Doctor of Laws degree in 1965 and a Doctor of Humane Letters in 1975.

Sutherland is presently president of the Institute on Religion in an Age of Science, a director of the Center for Advancement Study in Religion and Science, and a member of the editorial board and co-chairman of the publications board of Zygon, journal of Religion and Science, University of Chicago Press.

He is a member of the United States Interreligious Committee on Peace, and participated in the First World Conference on Religion and Peace in Japan.

There will be a reception in the gallery of the Grosse Pointe Unitarian Church following the installation. The public is invited.

Center Offers Film of Venice

Doug Jones' personally narrated and presented travelogue "The Magic of Venice" will be the next feature on the George Pierrot selected Grosse Pointe Adventure Series Wednesday and Thursday evenings, November 19 and 20. The 8:15 p.m. presentation will be preceded at 7 by a Venetian banquet in the pavilion above the auditorium. The complete evening, dinner and show with tax and service included is \$8.75. The narrated travelogue alone is \$2.75.

Doug Jones is a graduate of the University of Missouri in radio and television and, in spite of his youth, has won the "Film Lecturer of the Year" award and been selected to appear on the National Geographic Society Film Lecture Series.

Mr. Jones' presentation traces the history of Venice through the invasion by the barbarians, the building of St. Marks, the Crusades and the rise of the Doges. The development of the art of glass and lace making are pictured along with Venice through the eyes of gondoliers, lovers and artists.

Obituaries

MRS. ISABEL HULBURD Services for Mrs. Hulburd, 89, of North Duval, were held Friday, November 7, at Verheyden's Funeral Home.

She died Wednesday, November 5, at the Brae Burn Nursing Home in Bloomfield Hills.

A native Detroit, Mrs. Hulburd was survived by a niece and two nephews.

Interment was at Coral Ridge Gardens Cemetery, in Cape Coral, Fla.

JOHN SKRZUMANIS Services for Mr. Skrzumanis, 85, of Wayburn road, were held Saturday, November 8, at Verheyden's Funeral Home and Our Lady of Sorrows Church.

He died Tuesday, November 4, at Saint Joseph Hospital in Pontiac.

Born in Latvia, he is survived by his wife Anna. Interment was at Woodlawn Cemetery.

MRS. KATHLEEN NAVIN Services for Mrs. Navin, 87, of Yorkshire road, were held Friday, November 7, at Verheyden's Funeral Home and Saint Paul-on-the-Lakeshore Catholic Church.

She died Sunday, November 2, at the Belmont Nursing Home.

A native Detroit, she is survived by a son, Jack, and one sister.

Interment was at Mount Olivet Cemetery.

Arbitration (Continued from Page 1) had 103 'duty days' last year, and 262 days off. Of the 103 duty days, the breakdown is eight hours of duty time, eight hours of stand-by time and eight hours of sleep," he said.

"All in all, The Farms Fire Department handled 10 active fires in The Farms during 1974. Five of those were put out with the use of hoses and five were put out with extinguishers."

Sums Up Feelings The Farms summed up its feelings by saying that "We think we've been more than fair with the firemen. We've tried to meet the needs and requests of the union, but we also feel more isn't justified by the existing economic situation. The greater tax burden to the citizens wouldn't justify the increases."

Representatives of The Farms, the union and arbitrator Barry Brown met Wednesday, November 5, in unsuccessful talks. The approximate date for the next round of negotiations is Monday, December 1.

DYC Swimmers Much Improved

By Nancy Hurd

Another big weekend for the Detroit Yacht Club (DYC), swim team brought ribbons for few and many bettered times for more.

NH Girl Cagers To Play South

By Sue Fancett

With the basketball season winding to a close, the North girls' basketball team is preparing for their game with crosstown rival, Grosse Pointe South on Tuesday, November 18, at 7:45 p.m. in the North gym.

It will be the first time that these two schools have ever played each other in Grosse Pointe. The Norsemen defeated the Blue Devils in the State District Tournament last year, but both teams have lost players since then, and it looks like the game will prove to be exciting and evenly matched.

In action recently, the varsity was defeated by Fraser on Tuesday, November 4, 43-27. The J.V., in a close scoring game, also lost to Fraser 20-17.

Teresa D'Angelo was high scorer for the varsity with eight points, while Robyn Egnatios hit for seven. For J.V., freshman Ann Belloli dominated the scoring with 13 points.

Both varsity and junior varsity lost to the Lakeview Huskies on Thursday, November 6. The varsity played an aggressive game against an evenly aggressive Huskie team, but still lost 57-28.

Julie Garnaghi topped North in scoring with ten points and Estelle Hermann contributed seven.

The J.V., led by Sue Mazzei's five points, were downed 26-12.

Design Yule Quilt Pointer Nancy Kohberg, a divisional art director for Hudson's, has designed a special Christmas quilt which will be displayed in the Woodward avenue windows of Hudson's downtown store during the holiday season. Miss Kohberg completed the design in three weeks and her design is a blend of original artwork and early American folk art motifs.

Friars Fourth In State Meet

By Paul T. Denis

The Austin cross country team wrapped up the 1975 season with a fourth-place finish in the Class "B" State finals held on Saturday, November 1, in Charlotte. Sturgis took first-place honors with 114 points, followed by Bishop Gallagher with 168, Royal Oak Shrine with 199 and Austin with 204.

Senior Ernie Chiodo led the Friars with a 24th-place finish closely followed by junior Dan McCellan in 26th. Sophomores Dave Denis and Brad Cwycyshyn were Austin's third and fourth men finishing 40th and 52nd, respectively. Freshman Tom Lewis rounded out the top five with a 62nd-place finish.

Lewis became the fastest freshman to run three miles in Catholic league history when he ran 16:18 in the Catholic-Public school league meet at Rouge Park.

In the regionals held Saturday, October 25, the Friars finished only nine points behind the previous "B" champs, Shrine, 50-59. Bishop Gallagher was third with 64 points.

Senior Ron Lang finished sixth in the regionals with a time of 15:43. He was followed by McCellan in seventh, Cwycyshyn in 14th, Denis in 15th and Chiodo in 17th. Lewis finished in 27th place.

In the Catholic finals, Austin finished third behind Shrine and Gallagher.

To Give Talk for Retarded

The Grosse Pointe Association for Retarded Citizens will meet Wednesday, November 19, at the library's Central Branch, at 8 p.m. The speaker will be Jan Plas, president of the Community Opportunity Center in Plymouth, a residential center for the retarded.

Ray Costen, the president, will preside. Other new officers are Jean Cornelius, vice-president; Barbara Frorath, recording secretary; Joan Maki, corresponding secretary, and Adelaide Zakem, treasurer.

Members of the Executive Board are Ruth Lane, Alice Steinbach, Russel Jones, Eugene Egnasiak, Frank Evanski, Tom Matyniak, Marilyn Schoenherr and Henry Cope.

The association is organized to help all retarded citizens and their families. Any

Success to take pride in is not earned by acts and deeds that need lengthy explanations. No man is perfect and when he gets caught he seems to take pride in the fact.

Red Barons Take Three Games from GP Lions

The GP Red Barons and the GP Lions renewed their annual rivalry in a season finale at South High School Sunday, November 2. The Barons won all three games played between these two fine football squads.

Craig Haase, Todd Pierce and Scott DeClaire each scored TDs, and Brian McGovern and Billy Raven added extra points as the Red Barons defeated the Lions 20-6, in the freshman game. Bob Luberto carried the ball seven times for a total of 90 yards.

Members of the offensive line include Billy Raven, Jim Corbett, Greg Mattes, Will Jackson, Tom Cobau, Jim Seagram, Mike Hall, Scott Cooper, Paul Batista, Will Secor, Ron Gmliener and Kurt Vining.

The Baron defense allowed short yardage and held firm in clutch situations. Sam Abdo intercepted a pass to thwart a late Lion scoring threat. Larry Calcatera, David Fitzsimmons, John McDonald, Tim Sheridan, MacDonuri, Mike Marasco and Buddy Marzejon played solid defensive football.

The Lion offense, although held to six points, had several scoring opportunities and applied continual pressure on the Baron defense. QB John

Kline completed five passes to receivers Doug Ross and Jim Arnold behind the solid blocking of Steve Carrier, Tony Tocco, Tim Manier and Dave DeSmyster.

The Lions lone TD came on a well executed reverse by Ross, who outraced the Baron secondary 60 yards for the score. Tom Gibney ran with power in a losing cause.

The Lion defense was led by Rob Coddens, Kurt Allen, Jeff Bodkin, Mark Hauser and Mat Lutz, who repeatedly throttled Baron scoring drives with crisp tackling. The Lion defensive unit held the Baron scoring machine to a 7-8 halftime lead and a mere 13 points until midway through the fourth quarter.

In the junior varsity game, Mike Bautista scored three TDs, John Bautista scored two TDs and David Babcock netted one TD, while Jim Strong, Mark Hoffman and Pat James added PATs to lead the Red Barons to a 39-0 victory. QB Tom Van Pelt passed for the TDs, and the extra point to James. Mike Bautista's final TD came on a 45-yard return of an intercepted pass.

Matt Lehman repeatedly blasted huge holes in the Lion front four, providing the necessary power to establish the inside running game. Total ball control would not have been possible without the crushing blocks of offensive linemen Alan Gidner, Chris Krucki, Chris Neal,

Tom Gentile, Carl Penszynski, Ron Cornell, Jim Messtagh and Grant Rice.

The Red Baron defensive unit recorded yet another shutout as Joe Kardosi, Mike Stoyka, Kyle Kurtz, Scott Eaton and Mike Lesha played solid football. Kurtz also recovered a fumble to contribute to the win. This victory extended the junior varsity unbeaten streak to 47 games.

Although the Lion offenseless unit was held scoreless, they put together several long drives. Harry Constant performed well at quarterback supported by the running of halfbacks Robert Morosi and John Strabel, and the blocking of Kipp Saile and John Gregg.

The defense was paced by the sure tackling of Mike Sullivan, Jim Harrison, Eric MacMichael, Robert Mann and Greg Rivard. The Lions were tough up the middle all afternoon, but fell victim to the long gain.

At the chick level, Glenn Piche, Chick Steepe, Scott Turnbull, and Scott Young each scored TDs, while Jim Lane and Tom Brown added the extra points, as the Red Barons powered their way to a 27-0 triumph.

Young's TD came on a 70-yard return of an intercepted pass, and Piche's TD came on a square out from QB John Clem. The offensive line opened holes and provided necessary protection for the

passing of Clem and Turnbull. Members include Mark Kaiser, Sam Angeleri, Mike Fry, Peter Kotula, Peter Mogk, Glenn Piche and Darryl Chevion.

The Red Baron defense was led by the savage play of "Apeman" Victor Cavataio, who performed brilliantly all season. Chris Janis, Austin Haeberle, Bob Livermore, Steve Turzak, Dick Roland, David Roland and Wright Wilson played excellent defensive football. Robert Schaeffer recovered a fumble to contribute to the victory.

The Lion offense, led by QB Darryl Nihem, Jerry Coyle, Steve Root and David McAllister, was punishing but could not score. Nihem completed several passes to his cast of receivers, forcing the Baron defense off the line of scrimmage. The Lions had some tough breaks which prevented them from capitalizing on scoring opportunities resulting from sustained drives.

The tenacious Lion defense did a fine job of containing a Red Baron offensive unit accustomed to scoring with greater frequency. The defense was sparked by the play of Eric Frakes, Dean Graham, Al Kozlowski, Bill Flom and Chris Kohut. Special mention should be made of the rugged two-way play of Ted Formanczyk, Mike Allen and Dave Reeder, who gave it everything they had in a losing cause.

The losing Lions carried home the traditional deflated football trophy as a memento of the day.

The Lions and Red Barons said they wished to thank their respective fans for the support they have received this season. Both squads also extended their sincere best wishes for continued success to those boys who will not return next season.

Austin Ends Best Season

The Austin Friars closed out their 1975 football season with a 28-0 loss at the hands of Bishop Gallagher Friday, November 7. Despite the three consecutive losses at the end of the year, it was still the most successful season in Austin's history with the Friars winning the league title.

Gallagher took control early in the game, scoring two touchdowns in the opening five minutes of the first quarter. Joe Kosmalaki scored both touchdowns on runs of two- and 31 yards. Kosmalaki also scored one of Gallagher's other two touchdowns. He gained 225 yards in the game giving him over 3000 yards in his high school career.

Reflecting on the game, coach Peter Pucher felt that it was a psychological let-down for the team after two big games against St. Clement and Brother Rice. He also mentioned that the team is already looking forward to next year's season. Austin will only be losing eight of their 22 starters from this year's squad.

Coach Pucher added, "Although we are disappointed at losing the last three games it was still our most successful season ever and we are proud of that."

The Austin Friars, playing in the first football playoff game in the school's history, lost 36-0 to Birmingham Brother Rice, the state's top-ranked football power, on Saturday, November 1. The Warriors dominated the game from the opening kickoff both offensively and defensively. Austin was able to gain only 89 total yards to 223 for Rice. The Friars gained 73 of their yards on the ground with senior Tom Kasunic getting 47 yards in 11 carries. Keith Kroll added 23 yards in seven carries. Joe Sabatella completed three of six passing attempts, but netted only 16 yards.

Coach Peter Pucher cited his defense for the job it did, but said that it just had to spend too much time on the field. Mr. Pucher said, "We were proud to be on the same field as the number-one team in the state and we hope to return to the playoffs again in the future."

ULS Wins Big in Field Hockey

University Liggett School's varsity and junior varsity field hockey teams have once again been successful by ending the 1975 field hockey season undefeated.

Both the varsity and JV teams played a nine-game schedule. Their opponents included most of the schools in the area, plus two schools in Cleveland, O.

Even though both squads were comprised of many new players, the caliber of hockey was consistently high. The varsity team's excellent defense resulted in only one goal being scored against them the entire season.

The varsity finished its year with a 6-0-3 record, with two of the ties being against the Academy of the Sacred Heart. Meanwhile, the JV team ended its season with an 8-0-1 mark.

Because of the many returning players on both the varsity and JV squads, the future field hockey teams at ULS will most likely prove as successful and exciting as past field hockey teams.

The high note of the season was on Saturday, October 25, when the ULS varsity team won the High School Invitational Field Hockey Tournament, also known as "Play-day" at the Academy of the Sacred Heart.

Nine area schools participated with each of the nine playing the other schools for one 15-minute period. The school which wins the most games is the winner of "Play-day" and earns a chance to play the Detroit Field Hockey Association.

Petrolia Jets Beat Sherwood

The powerful Petrolia Jets came into town on Saturday, November 8, and displayed why they were all-Ontario senior hockey champions last season as they dumped Sherwood Forest, 10-6, in a game played at the Grosse Pointe Community Rink.

The Jets grabbed a commanding 5-0 lead with two goals in the first period and then three more in the second period. Sherwood came to life late in the second period and slammed in four goals to close the margin to 5-4. Joe Gerbe scored two goals and Rich Nadon and Mike Stecko each added one for Grosse Pointe. But Petrolia added two more goals to up their lead to 7-4 at the end of the second period.

Sherwood came out flying in the third period and cut the Jets' lead to one on goals by Henry Altima and Mark Cordier. Petrolia put the game on ice with three late, power-play goals to close out the scoring. Sherwood out-shot the Jets, 49 to 41.

Dresden and Petrolia are tied for first place with six points while Sherwood remains one game off the pace with four points.

Wine Lines

The word napa in Indian means plenty, and Napa is the home of California's top quality red wines that are made from the canernet sauvignon grape. These wines are full-bodied and take some years maturing in bottles before they show their finest qualities. On the east side of the valley is the beautiful new Chappelle winery, and further north there are the cellars of Joseph Heitz and Souverain. These and many other famous names are your guarantee that California wines are of the highest quality.

Red wines, white wines, beers and champagnes—you'll find them all at PARKIE'S PARTY SHOPPE, 17255 Mack, corner of Guilford, 885-0626. We feature over 20 different brands of champagne and stock a wide variety of good but inexpensive half gallons and gallons of table wine. Wine is also a fine gift for a special occasion! open: 10-10 daily; Fri. & Sat. til 11.

WINE WISDOM:
 The alsatian wine bottle is called a flute, and is made of light-green glass with a long tapering neck.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller

The Society of Mayflower Descendants in Michigan—there are over 600 of them in Michigan, more than 30 in Grosse Pointe alone—will be sitting down this Saturday at the Grosse Pointe War Memorial to partake of a luncheon similar to that which their ancestors celebrated on the First Thanksgiving over 350 years ago.

It's the Society's Annual Compact Day Luncheon, commemorating the signing of the Mayflower Compact on November 11, 1620.

Chairmen of the noon gathering drawing together persons who can trace their direct ancestry to the Pilgrims who voyaged to the New World to establish Plymouth Colony in Massachusetts are Mrs. H. Sanborn Brown, of Meadow lane, and Mrs. Alexander L. Wiener, of Woodland place.

Two Detroit Clubs Join Their Forces

Detroit Boat Club and Women's City Club Will Share Facilities, City Club Retaining Its Corporate Identity

After several months of negotiation between directors and officers of the Detroit Boat Club and the Women's City Club of Detroit, DBC members voted, at their 137th annual meeting Wednesday, November 5, to share their facilities with City Club members.

The Women's City Club, organized in 1919 by 1,500 women who elected Mrs. John B. Ford their first president, will retain its corporate identity, and its members will become members of the Detroit Boat Club.

The first Women's City facility was located at 141 Bagley in downtown Detroit. The Club moved to its present Park avenue headquarters, noted for pottery and tiles designed by Pewabic Pottery's Mary Chase Stratton, in 1924.

The present City Club building will be closed permanently after Thanksgiving. Through the years, the Women's City Club has listed many distinguished women on its membership roster, among them the Mesdames Russel Alger, Henry Ford, Edsel B. Ford, Carl Grawn and Benson Ford.

Present officers include Mrs. Robert A. Gerisch, president, and the Mesdames Charles C. Andrews, J. Edward Sauble and Richard Maicki, first second and third vice-presidents, respectively. City Club treasurer is Mrs.

Fred M. Lewis, Assistant treasurer is Miss Betty J. Stewart. Recording secretary and assistant recording secretary, respectively, are Mrs. Floyd Foether and Mrs. Gertrude Atkinson. Corresponding secretary is Mrs. J. Stafford McLaughlin.

The Belle Isle-based Detroit Boat Club, established in 1839, is the oldest rowing club in the world, oldest boat club in the United States and oldest social club in Michigan.

It has produced Olympic champion rowers. Its officers and directors have included some of Detroit's most prominent citizens.

Henry G. Gildner, Jr., of Stanton lane, was elected DBC's president at the November 5 meeting—exactly 18 years after his father, Henry G. Gildner, was elected to that office in 1957.

Other officers and directors for 1975 are Donald A. Henkelman, of Detroit, vice-president; Charles T. McCafferty, of Grand Marais boulevard, treasurer; and Jack Mills, of Radnor circle, secretary.

Directors include J. Ross Bush, of Pemberton road, Detroiters Scott R. McDuffee and Dennis Osgood, Robert M. Filiault, of Bloomfield Hills, and Joseph T. Brennan, of Farmington.

to carry out their role as advisors to the president and the VU board of directors. (Continued on Page 28)

Sun Valley's Their Goal in The Spring

Busy with plans for a spring week of skiing at Sun Valley are Grosse Pointe Ski Club board members, (standing, left to right), BOB SEJ-FULLA, JOYCE DETWILER and MIRNA GRAHAM, (seated, left to right), club secretary SUE ADEL-BERG, board member BETTY SPENCER and FRED TEW, presi-

dent. All Pointe adult skiers are invited to join the group, which meets the first Wednesday of every month at the Grosse Pointe War Memorial. Those who want to go to Sun Valley should sign up for Club membership NOW, for there's a cut-off date for charter flight participation—and it's imminent.

Zoar to Host Holiday Fair

The Evangelical Homes of Michigan's Zoar Society will present its annual fall supper and holiday fair Saturday, November 22, at the Evangelical Home in West Outer drive, Detroit.

Booths, opening at noon, will feature Christmas and year-round handcrafted items plus houseplants, homebaked goods and canned goods. There'll be Attic Treasures, too, and a minicafe where light refreshments may be obtained.

Chairman of the traditional fall supper, to be prepared and served by Zoar members from 4:30 until 7 o'clock, is Mrs. Alfred Tapert, of North Oxford road. Tickets may be purchased at the door.

Assisting Mrs. Tapert are Painters Mrs. William Ludwig, Mrs. W. R. Lenz and Mrs. W. F. Wiseman, and Mrs. William Prisk, of Livonia.

General chairman of the holiday fair, a special Zoar project to raise funds for the Home which shelters 200 aged residents and 48 retarded children, is Mrs. Raymond Gardner.

Goodwill Juniors Feature Antiques

Forty-Six Dealers from United States and Europe Are Exhibiting in 28th Annual Market and Sale

An expanded number of dealers and a new suburban location highlight the 28th Annual Michigan Antiques Market and Sale sponsored by the Junior Group of Goodwill Industries.

This year's show, largest in the Market's history, is underway now through Saturday, November 15, at Fairlane Manor in Dearborn. Show hours are 11:30 to 9:30 o'clock.

An invitational champagne preview opened the Market yesterday evening.

The new location insures added space for dealers and provides valet parking for 1,200 cars.

The show includes 46 dealers—10 more than last year—from various sections of the United States and Europe, featuring American, English, French and Oriental furniture, jewelry, prints, clocks, glass and pewter as well as many other items.

In addition the traditional Goodwill Booth offers antiques collectibles refinished furniture and other items

senting months of work by Junior Group members who have fashioned Christmas ornaments, recortations and gifts.

The Pantry Shelf, another tradition, stocks more than 1,500 canned goods including homemade jams, jellies, pickles, relishes, salad dressings and spaghetti sauce.

Sponge candy, a favorite of many show-goers, is being sold once again in the Country Store, which also features cheeses and homemade breads.

Homemade soups, sandwiches and ice cream are available in the Ice Cream Parlor.

A number of important items, including a woven jacquard quilt dated 1846, a pot de creme set, an 1880 Wheeling glass bowl and a silver tea service, have been donated as wishing well prizes.

Proceeds from the Antiques Market are used for building repairs and maintenance, insurance, school tuitions and rehabilitation services for the mentally, socially and physically handicapped clients of League-Goodwill.

Also receiving a share of the funds are the League-Goodwill-operated Howard House and Saint Ambrose Home, where handicapped residents receive environmental supervision and vocational training.

The Junior Group, founded in 1933, is a volunteer cadre of women dedicated to assisting the clients of League-Goodwill.

Each year, the Juniors organize and run the market. With the exception of dealers' booths and the Goodwill Booth it is staffed completely by Junior Group members.

In the past 42 years, the Group has raised and contributed more than \$750,000 to League-Goodwill.

A Chance To Meet Mr. and Mrs. Santa

Mr. and Mrs. Santa are coming to town Saturday, December 6, to talk to the children at Grosse Pointe-area Alpha Xi Deltas' 11th annual "Santa Luncheon" in the Grosse Pointe War Memorial's Crystal Ballroom.

The Clauses will be most happy to pose for pictures with all their little friends.

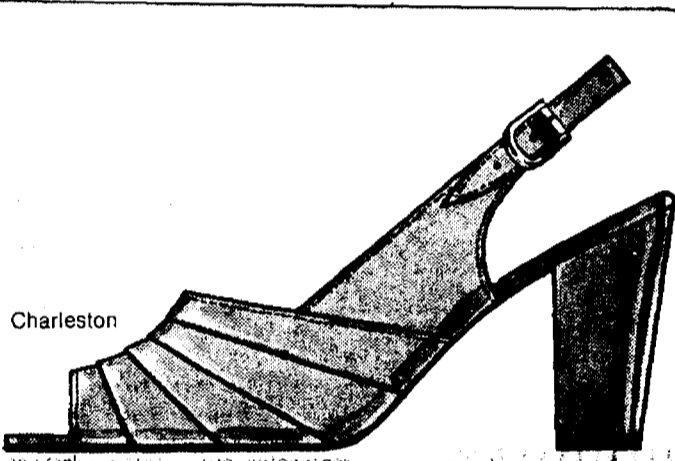

So will Cinderella, Little Jack Horner, Peter Pan, Mickey and Minnie Mouse, Raggedy Ann and Andy, Little Bo Peep and the Wicked Witch of the East. All these storybook characters had such a good time at last year's Santa Luncheon that they wouldn't miss this year's party.

The fact is: NOBODY wants to miss the Santa Luncheon. Last year's had a capacity attendance, with a waiting list of over 200 boys and girls, so

The Detroit Committee for Seven Eastern Colleges was formed in 1938 and incorporated in 1957 in the belief that a joint endeavor would increase annual scholarship

funds previously raised by projects carried on separately by the seven alumnae groups.

Each year, the Detroit Committee aims, via one fund-raising project, to raise monies to be applied toward scholarships for outstanding local students and to sponsor a cultural or educational event in the Detroit area.

Several hundred Michigan girls have received scholarship funds from the more than \$160,000 netted through the Committee's projects.

In past years, the Committee has presented such guest lecturers as then Vice-President Richard M. Nixon, Henry Cabot Lodge, Edward R. Murrow and Arnold

Toynbee. It has offered theater for children, Gordon bridge lessons by Goren.

For four years, the Committee sponsored a Pops concert featuring Arthur Fiedler conducting the Detroit Symphony Orchestra.

Off to Concert in Ann Arbor

Many Pointers will be traveling to Ann Arbor Monday, November 24, to hear the Stockholm Philharmonic Orchestra play under the auspices of the University of Michigan's Musical Society as part of the Society's regular concert series.

The Orchestra's tour of the States is the first major Bicentennial event coming from Sweden. The Stockholm Philharmonic has made two previous tours here. This will be its second appearance in Ann Arbor.

Mrs. Gunnar Karlstrom heads the committee making arrangements for members of the Detroit-Swedish Council and member organizations to journey by cars and busses to Ann Arbor. She is also in charge of the post-concert supper for Orchestra members, honoring Maestro Rozhdestvensky, the Philharmonic's conductor, and his wife, at the Michigan League.

Serving on the concert-supper committee and assisting as hosts and hostesses are Pointers Mr. and Mrs. Marvin R. Anderson, (he's Sweden's Consul here), the Ozzie Olsons, the Fred J. Floms, the Wesley R. Johnsons and the Mesdames Gust Dahlen, George J. Baer and Charles J. Koebel.

Joining them on the Grosse Pointe bus will be the Carlton R. Lindells, the W. W. Woods, the Erik E. Eriksons, the Walter Westmans, Dr. and Mrs. Robert Swanson, the Harold Bredenberg and Mr. and Mrs. Gordon Buehrig, among others.

E. Jan Hartmann is current president of Detroit-Swedish Council, Inc.

On its current tour, the Stockholm Philharmonic will give its first concert in Minneapolis November 16, its final concert in Boston December 6.

Painter JACK E. PORTER has pledged Alpha Tau Omega fraternity at the University of Wyoming.

British Day For Musicals

Music from the British Isles will be Tuesday Musicals' motif next week, as members gather at 10:30 in the morning in the Lecture Hall of the Detroit Institute of Arts for a program arranged by Mrs. Adrian V. Wallace, of Broadstone road.

Mrs. Robert R. Johnson, of Franklin, and Mrs. Arnold Lungershausen, of Berkshire road, will open the Tuesday, November 18 performance with works for recorder and harpsichord composed by Addison, Simpson, Peerson and Brade.

Mrs. David VonDeyen, soprano, accompanied by Miss Patricia Terry, will present a selection of Irish songs: A Ballynure Ballad, Down by the Sally Gardens, I Know My Love and The Kerry Dance.

Playing Benjamin Britten's Fantasy for Oboe and Strings, Opus 2, will be Mrs. Tammy Fields, oboe, Mrs. George Peterson, violin, Mrs. Herbert Krugel, viola, and Mrs. N. D. Gravala, cello.

The program ends with a group of English songs, including some "catch" or round songs, sung by Mrs. Eileen Littell Frankenstein, Mrs. C. E. Pardee, Jr., and Mrs. Kenneth S. Person, all sopranos, accompanied by Mrs. Douglas P. MacIntosh at the piano.

To Marry

Photo by Paul Gien

At a recent gathering of family and close friends in their Stephens road home, Mr. and Mrs. L. George Hcooper announced the engagement of their daughter JANET LOUISE to Joel Pietrangelo, son of Mr. and Mrs. Joseph Pietrangelo, of Harper Woods.

The bride-elect and her fiancé are both Grosse Pointe South High School alumni. She was graduated from the University of Michigan. He is an Eastern Michigan University graduate. An April wedding is planned.

Colony Town Club to Lunch

Colony Town Club members and their guests will gather Friday, November 21, at the Hotel St. Regis for a gala Thanksgiving luncheon and bridge party. Chairman of the event is Mrs. Gayard F. Lafer, of Detroit. Co-chairman is Mrs. Milton R. Weed, of Berkshire road.

Committee members include Mrs. John Reid Brown, of Chalfonte avenue, Mrs. Fred H. Curtis, of Yorkshire road, Mrs. Clinton P. Hardy, of Radnor circle, Mrs. John S. Malcolm, of Barrington road, Mrs. Carol N. Traxler, of North Renaud road, Miss Constance M. Wagner, of Neff road, Mrs. Roger V. Walker, of The Shore Club and Mrs. E. Stephen Gurdjian, of Detroit.

Festivities begin at 11:30 o'clock.

To Open Pro Musica Year

Ralph Votapek, piano virtuoso, artist-in-residence at Michigan State University, opens Pro Musica Society's 1975-76 Concert Series in the Detroit Institute of Arts Friday evening, November 21. Curtain time is 8:30 o'clock.

A Naumberg Award winner, Mr. Votapek received his music education at the University of Wisconsin and Northwestern University, continuing his studies at Juilliard. Rosina Lhevinne and Robert Goldsand were two of his mentors.

He is not only a popular concert artist in the United States, but a great favorite of South American audiences, veteran of seven bi-annual tours of major South American cities, engaged for the eighth South American visit during the coming year.

His Pro Musica program will include the Sonata in A major, Opus 101 by Beethoven, Barcarolle, Opus 60 and Andante Spianato and Grande Polonaise Brilliant, Opus 22 by Chopin, Sonata 1941 by Copland and Four Etudes, Opus 39 by Rachmaninoff.

Tasting Lunch Set at Church

Saint Michael's Episcopal Church Women's fall tasting luncheon next Tuesday, November 18, at 12:30 o'clock, will feature 70 dishes to sample, with recipes for each dish available, plus an array of hand-painted and useful kitchen items as prizes.

Assisting general chairmen Mrs. E. T. Holstead and Mrs. Robert Knapp are Saint Martha's Guild, Mrs. Larry Sullivan, chairman, Mrs. Robert Owen, hospitality chairman, and Saint Anne's Guild, Mrs. Robert Peller, chairman.

Tickets, at \$1.50 each, may be purchased at the Church Office, where reservations for baby-sitting service must be made in advance.

Louisa St. Clair DAR To Meet at Boat Club

Regent Mrs. B. Thomas Weyhing, III, of Lewiston road, will preside at a meeting of Louisa St. Clair Chapter Daughters of the American Revolution next Thursday, November 20, at the Detroit Boat Club, featuring a program by Edgar A. Hahn, of McKinley avenue, whose special interests are African animals and photography.

Mr. Hahn will show pictures taken on a recent trip to Africa. He has entitled his talk "Preservation of Endangered Species."

Louisa St. Clair members may also avail themselves of the opportunity to visit the Dossin Maritime Museum, its entrance foyer a restoration of the Gothic-arched lounge aboard the City of Detroit, III, complete with carved panelling and stained glass windows.

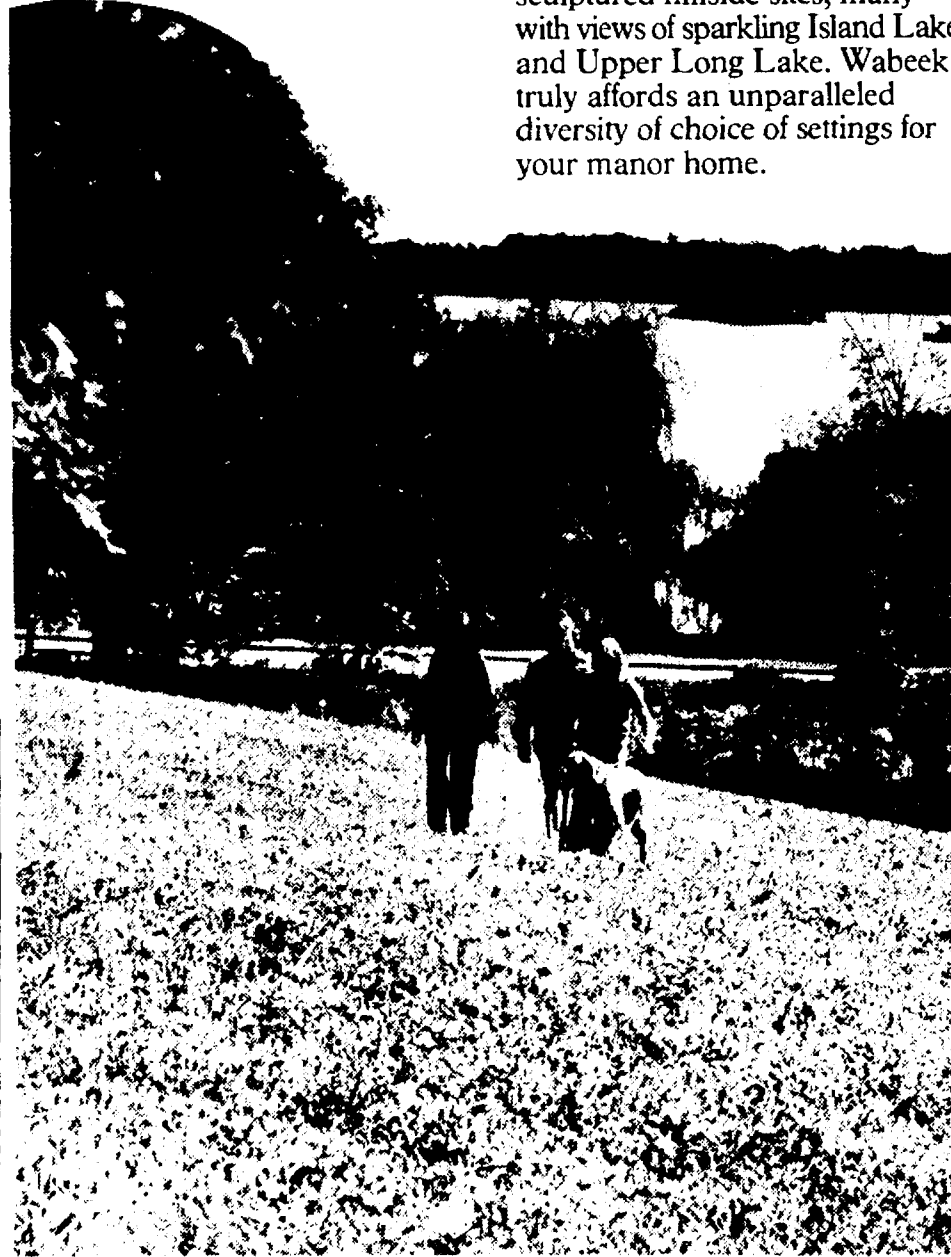

The rescue of this elegant relic from oblivion in a Cleveland warehouse was a preservation project of the Chapter when the Dossin Museum was built.

Wabeek is a new kind of Grosse Pointe in the making, founded on the rich traditions of the past.

It was undoubtedly the virgin beauty of this lovely lake-dotted rolling woodland that attracted our first residents. But as Wabeek develops and takes on its prestigious residential character, its lure beckons the most discriminating.

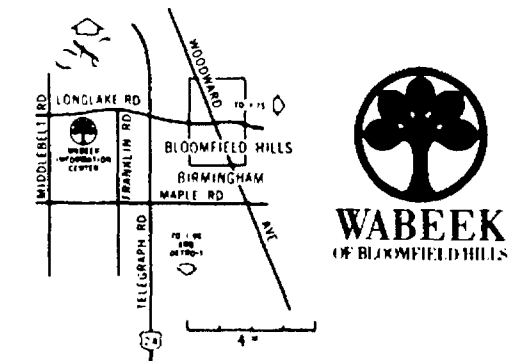

Wabeek continues to grow — cautiously and studiously — as befits the distinguished residents already a part of the Wabeek scene. Currently we have opened two distinctively different addi-

tions, each with its own special appeal. One, Wabeek Meadows, features outstanding home-sites on fashionable Long Lake Road, some overlooking our internationally recognized Jack Nicklaus/Peter Dye-designed championship golf course.* The other, Wabeek Manor, offers unusually beautiful sculptured hillside sites, many with views of sparkling Island Lake and Upper Long Lake. Wabeek truly affords an unparalleled diversity of choice of settings for your manor home.

You are cordially invited to come and see this unusual and exclusive community. Look for the Wabeek signs on West Long Lake Road, between Franklin and Middlebelt, west of Telegraph, or telephone 851-9010. A joint venture of the Chrysler Realty Corporation and Del E. Webb Corporation. Open seven days a week.

Miss Clinton Wed To David A. Wass

Bride Is Attended by Her Two Sisters as Matron and Maid of Honor; Bridegroom's Brother Serves as Best Man

Exchanging marriage vows Saturday, October 25, in Our Lady Star of the Sea Church were Michelle Marie Clinton, daughter of Mr. and Mrs. Charles Clinton, of Ballantyne road, and David Allen Wass.

The 11 o'clock rites at which Father Ralph V. Barton presided were followed by a reception at Lochmoor Club, after which the newlyweds left to vacation in northern Michigan.

They are making their home in Kalamazoo.

The former Miss Clinton chose a traditional gown of white sata peau for her morning wedding. Venice lace trimmed her high neck and Empire waist, edged her hem flounce and accented her cathedral train.

More lace edged her fingertip illusion veil, falling from a Camelot cap. She carried a nosegay of dried flowers. She was attended by her

sisters, Mrs. Christine Flynn and Betsy Clinton, as matron and maid of honor, and by bridesmaids Nancy Wass, the bridegroom's sister, Mrs. Alan Letson, of Cleveland Heights, O., and Mrs. Gary Stanis.

Their long frocks of fall floral print were lace-trimmed. They carried baskets filled with multi-colored dried flowers.

Robert L. Wass came from Accident, Md., to act as best man for his brother. They are the sons of Mr. and Mrs. David S. Wass, of Battle Creek.

In the usher corps were Philip Wass, another brother, Tom Clinton, the bride's brother, Tim Emerson and Mr. Stanis.

Mrs. David A. Wass

In Our Lady Star of the Sea Church Saturday, October 25, MICHELLE MARIE CLINTON, daughter of the Charles Clintons, of Ballantyne road, was married to Mr. Wass, son of Mr. and Mrs. David S. Wass, of Battle Creek.

CYNTHIA JANE KLAUER, daughter of Mr. and Mrs. Leslie H. Klauer, Jr., of Hampton road, was married to Mr. Jelenchick, son of Mr. and Mrs. Robert Jelenchick, of Warsaw, Ind., at an early evening ceremony Saturday, August 9, in Grosse Pointe Memorial Church.

Pair Vacation in Canadian Rockies Following Mid-summer Rites; Setting for Reception Is War Memorial

At home in Columbus, O., are Mr. and Mrs. Robert B. Jelenchick, whose wedding Saturday, August 9, in Grosse Pointe Memorial Church's Barbour Chapel was followed by a reception at the Grosse Pointe War Memorial.

Mrs. Jelenchick is the former Cynthia Jane Klauer, daughter of Mr. and Mrs. Leslie H. Klauer, Jr., of Hampton road. Mr. Jelenchick is the son of the Robert Jelenchicks of Warsaw, Ind.

The Reverend John L. McCright presided at the 5:30 o'clock rites, for which the bride chose an ice blue and white silk organza gown, appliqued with Venice lace and featuring short sleeves and a square neckline.

Matching lace edged her mantilla. She carried a Colonial arrangement of white Sweetheart roses, stephanotis,

baby's-breath and ivy.

Suzanne Klauer, of Traverse City, was her sister's honor attendant. Jane E. Lohheit, their cousin, of Minnetonka, Minn., and Mrs. Robert Boes, of Flushing, the bride's former Michigan State University roommate, were bridesmaids.

They wore pinafare-style frocks of white eyelet, and carried nosegays of blue daisies, bachelor buttons and baby's-breath, tied with ice blue velvet ribbon.

'Understudies' Enjoy Hilberry Preview

Mrs. Stanley Winkelman, chairman of the "Understudies," the Detroit-area women's committee which raises funds for Wayne State University's Hilberry Theatre, received the WSU Board of Governors' Distinguished Service Award from WSU President George E. Gullen, Jr., last Friday evening, November 7, during the Theatre's annual President's Preview honoring Sponsors who have made substantial financial contributions to Hilberry.

Among Understudies and their husbands in the full house were Pointers Mr. and Mrs. Ronald W. Haughton, Dr. and Mrs. C. Jackson France, The Honorable and Mrs. Wilber M. Brucker, Jr., the Wilber Hadley Macks, the Edward St. C. Thomases, Dr. and Mrs. L. Murray Thomas, the Emmet E. Tracys, Senior and Junior, the Edward J. Tutags, Mr. and Mrs. Joseph A. Vance, Jr., and The Honorable and Mrs. G. Mennen Williams.

Many guests gathered for cocktails and dinner at the Standard Club prior to the President's Preview performance of George Bernard Shaw's comedy-melodrama about the American Revolution, "The Devil's Disciple."

A post-performance champagne reception for guests and cast was held in Hilberry's foyer, decorated with huge golden eagles, red, white and blue bunting and flowers and blow-ups of past Hilberry productions of American plays.

Under Mrs. Winkelman, chairman for three years, the Understudies have expanded their membership and nearly doubled the Theatre's financial support from the community, raising a record-breaking \$40,150 in the current season alone.

Contributions from Theatre Sponsors help support the 40 members of the graduate repertory company, who have come from 20 states to pursue studies toward Masters or Doctors degrees and to participate in Hilberry's intensive training, rehearsal and performance program.

This year, the company is performing seven productions in weekly repertory over eight months during WSU's academic year.

Ticket information is available from the Hilberry box office, 577-2972.

Pointe Garden Club to Meet

The Pointe Garden Club will meet Monday, November 17, for luncheon at the home of Mrs. Byron B. Phillips in Fair Acres drive, to view Mrs. Charles Parcells' slides of the Middleton Place Gardens and the Magnolia Gardens of Charleston, S.C.

Mrs. Phillips will be assisted by the Mesdames C. G. Browne and L. Gaylord Taylor.

The Middleton Gardens, oldest and most beautiful of the landscaped plantation gardens in America, have been in the Middleton family for two centuries.

Mrs. Parcells, past-president of the Grosse Pointe Branch of the Women's National Farm and Garden Association, current editor of the Grosse Pointe Garden Center Newsletter, is an expert photographer and shares with her husband and six children an interest in all things musical.

Hold German-American Ladies' Yule Bazaar

The Ladies Auxiliary of the German-American Cultural Center is holding its sixth annual Christmas bazaar this week, Wednesday and Thursday, November 12 and 13, at the Center's clubhouse in East Outer Drive, Detroit. Hours are 10 in the morning to 9 in the evening each day.

German and Austrian imports are featured, plus Christmas cards and ornaments, a boutique, toys, candles, jewelry, pantry items, homebaked goods and handicrafts. A cafe in the Austrian room offers refreshments, including Schwarz-

Personal Shopping Service FOR MEN AND WOMEN

Let me tastefully advise you in the selection of a new wardrobe or accessories, or just add to your present apparel for a special occasion. Let me help you shop for gifts (either with you or for you) — Christmas gifts, business gifts or just about any kind of gift. I can help, too, in choosing something new for your home or office.

I am self-employed and I'm able to patronize any store or shop. My service is strictly confidential.

For an appointment or to discuss your needs, phone: 368-1060 — Ms. Kay

Let's Talk Real Estate

Something you'll be seeing more and more is a twelve month Warranty on almost all used homes in Grosse Pointe. This is a breakthrough for the industry and especially the Seller and Buyer. After all, what happens when the furnace blows up one week after the buyer moves in? Usually its a call to his attorney — and from that point on it's a mess!

It's important for a clear understanding between Buyer and Seller. There should not be an assumption on either party that the furnace (or for that matter anything) does or doesn't work.

- It's now possible to have a 12 month Warranty when you purchase or sell a home that covers these 9 major items:
1. The central heating system.
 2. Major plumbing fixtures.
 3. The plumbing system contained within the home.
 4. The electrical system within the home.
 5. All types of water heaters.
 6. Sheet metal duct work.
 7. Central air conditioning systems.
 8. Built-in appliances which are fixtures.
 9. Water softeners.

The people at Grosse Pointe Real Estate Co., 882-0087 are the exclusive representatives for Grosse Pointe property.

Christine Jo Ellas Married to Pointer

Hillcrest Country Club Reception Follows Ceremony at Which She Speaks Vows to David James Van De Wyngearde

David James Van De Wyngearde, of Beaconsfield avenue, claimed Christine Jo Ellas, daughter of Mr. and Mrs. Peter Ellas, of Dearborn, as his bride Friday evening, August 29, in Saint Jude Catholic Church.

The 6 o'clock rites at which Father Jude Ellinghauser presided were followed by a reception at Hillcrest Country Club.

A Brussels lace ruffle banded the high neck of the bride's white sata peau gown. Her lantern sleeves ended in ruffled cuffs. A matching lace ruffle flounced her hem.

The bodice of her A-line, chapel-trained dress was accented with beaded Alencon lace, and her elbow length illusion veil fell from a Cam-elot cap of matching re-embroidered lace. She carried

an arrangement of yellow roses, carnations and Fuji mums.

Honor maid Laura Amicangelo, in a halter-style knit of mint green, and bridesmaids Mrs. James Van De Wyngearde, Mrs. Donald Blum, Linda Amicangelo and Margaret Kowach, in maize knits, wore baby's-breath and daisy headpieces. Their frocks were styled with sweetheart necklines.

Their shawls featured self ruffles, and they carried yellow roses.

James Van De Wyngearde acted as best man for his brother. They are the sons of

Wed in August

Marriage vows were spoken in Saint Jude Catholic Church Friday, August 29, by CHRISTINE JO ELLAS, daughter of Mr. and Mrs. Peter Ellas, of Dearborn, and DAVID JAMES VAN DE WYNGEARDE, of Beaconsfield avenue, son of Fritz Van De Wyngearde, of Detroit, and the late Mrs. Van De Wyngearde.

Fritz Van De Wyngearde, of Detroit, and the late Mrs. Van De Wyngearde.

Ushers were Joseph Cicala, James Karlo, Gerald Gladioux and Michael Treblin. The mother of the bride

wore an Empire gown of mint green chiffon with a maribou-trimmed cape. Yellow roses formed her wrist corsage.

The newlyweds vacationed at Niagara Falls and are at home in Grosse Pointe Park.

Members' Tea for Jenny Lind

Setting for the Jenny Lind Club's annual membership tea last Tuesday, November 11, was the Cloverly road home of Mrs. Charles E. Mosher. Mrs. Charles Koebel chaired the 1 o'clock party, assisted by committee members Mrs. Walter Wood, Mrs. Dor' Pettis, Mrs. Carl Anderson and Mrs. Tore Franzen.

The tea honored all active, associate and honorary members, and anyone interested

in becoming a member of Jenny Lind, designed to unite, for educational purposes, stimulate general interest in Scandinavian art and culture with consequent benefits to all people.

The Club sponsors and conducts meetings, concerts, symposiums, benefits, dances and exhibits to better acquaint the public with Swedish and Swedish-American art and culture.

Set Belle Isle Friends Meeting

The Friends of Belle Isle, a 27-month-old civic organization interested in the preservation of Detroit's unique island park, has scheduled its third annual meeting for this Sunday, November 16, at 2 o'clock in the Fisher Building's Grand Lobby.

Following an annual report presented by Ray Rickman, president of the 2,200-member group, and remarks by Leon Atchison, director of Detroit's Recreation Department, Peter Ker Walker, partner in the landscape architectural firm of Kiley,

Tyndall and Walker which has been hired by the Junior Leagues of Detroit and Birmingham and the Belle Isle Friends to work with Mayor Coleman Young and Mr. Atchison in a long-range plan for the 1,000-acre park, will give the keynote address.

A reception in Mr. Walker's honor follows the meeting, which is open to all interested metropolitan area residents. Further information may be obtained by contacting the Friends of Belle Isle at 823-3266.

Woods Studies Tennis Picture

The Woods Council unanimously referred a Citizens Recreation Commission recommendation regarding tennis facilities at Ghesquiere Park to the Committee of the Whole for further study. This action was taken at the regular meeting Monday, November 3. The commission viewed a proposed five-year recreation program and priorities at its meeting last month. At that time, a motion requesting Parks and Recreation Director Donald J. Hallmann to supply Councilman Ronald R. Keegan, chairman of the Parks and Recreation Committee, with necessary information to encourage the council to update court lighting was proposed. An addition to the motion requested Mr. Hallmann to obtain information pertaining to the rebuilding of all four court surfaces, and that such information be obtained from the city engineers including estimated costs. The commission then unanimously approved the motion. This matter will now be studied by the solons in executive session.

Fire Destroys Movie Screen

Someone set fire to a 10 by 10-foot movie screen in the gymnasium of Mason School, 1640 Vernier road, totally destroying the screen and scorching the metal holder, valued at around \$224, reported Woods police. Officer Paul Crook received information on Monday, November 3, from principal William Mastegard and the school engineer regarding a broken window in the teachers' lunch room. The window, which was ultimately repaired, was found shattered on Saturday, November 1. On the repair date, (the 3rd), it was discovered that the screen had been burned with the blaze also damaging the wooden stage and scorching the fireproof valance, which was hanging over the movie screen.

Woods Okays Three Expenses

Three expenses were approved for payment by The Woods Council at the regular meeting Monday, October 20. The solons okayed the total expenses of Councilman Conrad A. Naegel in the amount of \$301.20 for his attendance at the Michigan Municipal League's annual meeting at Mackinac Island September 3-6, and that he be reimbursed the amount of \$266.20. Meanwhile, the council approved the expenses of City Administrator Chester E. Petersen in the amount of \$851.89 for his attendance at the annual conference of the International City Management Association in Seattle, Wash., September 28-October 2. The motion also stipulated that he be reimbursed the amount of \$51.89. Finally, expenses for a Golden Lion dinner meeting with architects of the Lake Front Park improvements project were okayed in the amount of \$160.05.

Museum Hosts Russian Show

The major international exhibition "Master Paintings from The Hermitage and State Russian Museum, Leningrad," opened at the Detroit Institute of Arts last Thursday, November 6, and will run through Tuesday, December 9. Thirty Old Master paintings making their first appearance on this side of the Atlantic, (works by Rembrandt, Rubens and Caravaggio are among them), may be seen seven days weekly during this limited five-week Detroit showing. For the first time, the museum has scheduled week-long visiting hours, 9:30 to 5:30 o'clock daily, Friday evenings until 9 o'clock. Spanning five centuries of European creativity, these masterworks from Russia's fabled Hermitage are generally part of the Imperial Collection established by Catherine the Great in the 18th century, now part of the national treasures of the USSR. Also featured in the touring show are 13 paintings by Russia's own 18th and 19th century masters. Their discovery by Western art lovers has created excitement in Washington, D.C., and New York City, first stops on the Russian show's coast-to-coast tour. The historic five-city loan was arranged for the United States by art patron Dr. Armando Hammer, longtime American businessman in Russia, now president of Occidental Petroleum Corporation. It is designated an official Bicentennial event. Two paintings by Rembrandt—his wife Saskia as Forra and an Old Testament scene—are among the 30 canvases from The Hermitage, fourth largest museum in the world. Other works are by Cranach, (the oldest in the show, dating from the early 16th century), Veronese, Caravaggio, Fetti, Guardi, Tiepolo, Poussin, Louis LeNain, Claude Lorraine, Boucher, Fragonard, Chardin, Velasquez, Murillo, Zurbaran, Rubens, Van Dyck, Heda, Hals, Ter Borch, Ruissdael, Gainsborough, Cezanne, Gauguin, Matisse and Picasso. Exhibition sponsor is the Founders Society, the public membership group which has supported the Art Institute since 1885. Another first in the Detroit show is permission for amateur and non-commercial cameramen to photograph the masterpieces while on public display. Permits may be obtained at the exhibition entrance. No tripods may be used, but flash pictures may be taken. A pocket guide to the pictures may be obtained for 25 cents, an official catalogue, with 53 color reproductions, for \$8.50. A recorded tour may be rented for \$1.50. General admission is \$2. Students or senior citizens with ID will be admitted for

Ballet Classes To Start Soon

Adult ballet instruction at the War Memorial begins a second term on Monday, November 24. Instruction by the director of the Memorial's Ballet School, Mary Ellen Cooper, will take place Monday from 8:15-9:30 p.m., Wednesdays from 7:45-9:30 p.m. and Thursdays from 8:15-9:30 p.m. Students will be grouped according to ability and will be scheduled one a week according to their convenience. The traditional Italian Ballet is taught through the Cecchetti method as Miss Cooper is on the International Board of Review for Cecchetti teachers. The fee is \$27 for the 10-week term. A winter term of ballet instruction for children and teens will begin December 8, with Mary Ellen Cooper instructing. Students may study in classes scheduled each weekday afternoon after regular school and all day on Saturdays. Students are accepted ages 5 through teens and are grouped according to age and ability. All classes are accompanied by Mrs. Irene Cooper, a former concert pianist. Mary Ellen Cooper is a graduate of the Toronto Conservatory of Music and has directed the Center's Ballet School for 20 years. She stages a special evening of ballet involving all her students in Fries Auditorium in June and a special program in December featuring her more advanced students. The fee for the 12 week term of ballet for young people is \$29.

Basketball Clinics Open

The Neighborhood Club opened its series of basketball clinics with a new clinic for third grade boys and girls. The clinic began on Thursday, November 6, from 6:30-7:30 p.m. at three locations: Mason, 1640 Vernier road; Kerby, 285 Kerby road; and Richard, 176 McKinley avenue. There are still openings in the clinic at Mason and Kerby. The clinic will conclude on Thursday, December 18. The clinics for fourth through eighth grades began on Saturday, November 8, at Brownell school, 260 Chalfonte avenue. The fourth grade clinic will run from 9:10 a.m. to the fifth and sixth grade clinic from 10:11 a.m., and the seventh and eighth grade clinic from 11:12 noon. The clinics will conclude on Saturday, December 13. The costs for all clinics is \$5 and \$5 for membership. For further information, call 885-4600.

Given One Year For Rings Theft

Anthony Young, who was charged with conspiracy to commit a simple larceny, was sentenced to one year in DeHoCo, (Detroit House of Correction), on Thursday, October 23, by Wayne County Circuit Court Judge Thomas Foley, reported Woods police. The defendant was arrested on August 8 at the Lochmoor Jewelry, 20926 Mack avenue, after reportedly taking two rings, with a combined total value of \$3,150, from a display case and placing them on a counter.

City of Grosse Pointe Farms MICHIGAN NOTICE OF HEARING ZONING BOARD OF APPEALS

Notice is hereby given that the Zoning Board of Appeals will meet in the City Hall at 90 Kerby Road, Grosse Pointe Farms, on

MONDAY, DECEMBER 1, 1975

at 8:00 p.m. to hear the appeal of Mr. Donald W. Osborn, owner of the premises located at 345 Moselle Place, from the denial of the Building Department to issue a Permit for the construction of a new family room to the rear of his home at the foregoing address. Such permit issuance was denied for reason that:

1. The residence located on the foregoing premises is non-conforming for reason that it projects into the required open rear yard space in violation of the provisions of Article XIII, Section 1300 of the City's Zoning Ordinance, and in accordance with the provisions of Article XV, Section 1502, Item 4-A of the City's Zoning Ordinance, no such structure may be enlarged or structurally altered unless a variance is granted.

2. The proposed addition of a family room to the rear of the home located at the foregoing address further infringes upon minimum required open rear yard space of 30 feet, and thereby requiring a variance from the provisions of Article XIII, Section 1300 of the City's Zoning Ordinance.

The Hearing will be public. Interested property owners or residents of the City are invited to attend.

MRS. CLARENCE VANDERSCHAAF, OF LINCOLN ROAD

By Johanna Gilbert

"The value of teaching a language goes beyond A's and B's. Teaching a language through books, or language skills alone is not enough. Instilling a disciplined love for the subject, a background of the culture and customs of the country, generates enthusiasm which makes a student want to excel."

Grace Vanderschaaf, (or "The Frau" as she's affectionately known by her Grosse Pointe South High School students), felt there was an element missing in totally teaching students a foreign language—conversation mastery. Students often felt inhibited or shy when called on to speak German freely in class.

Early in 1968, Frau Vanderschaaf found three women, the Mesdames Robert Megargle, William Westhoff and W. E. Boyse, willing to participate in an experiment.

Each of the ladies was assigned two or three students from the class and went to another room where, for the class hour, only German was spoken, while the remaining students worked with Frau Vanderschaaf on grammar.

At first this occurred twice monthly—but the response from the students was so enthusiastic that the need for a regular weekly program became evident, and more volunteers were added. The Mesdames Klaus Motte, Rolf Donath, William Amenda, Klaus Schmidt and Elwyn Gilbert became "regulars," with Mrs. Boyse and Mrs. Megargle continuing their efforts.

Put on Weekly Basis With seven volunteers, the "Plauderstunde" was put on a weekly basis; now the entire class was divided up among the women.

Frau Vanderschaaf assigned a topic to be discussed and asked each student to prepare a 20-word vocabulary list relevant to the topic. Other than the glossary of words, all conversation was to be spontaneous.

The mothers, with Frau Vanderschaaf, expanded further on the idea: a collection of rare books in the old German script was brought in; carvings were shown from Erzgebirge; games—such as the equivalent of "Ask the Professor"—were played. All discussions and directions were in German. All participants, "The Frau," mothers and students, eagerly anticipated Wednesday.

As if this were not enough,

up." (this was the era before the resettlement programs), both sought employment, and Mr. Vanderschaaf returned to night school. Frau Vanderschaaf worked and postponed her education to take care of the family.

During this period, she often thought how wonderful it would be to have a "leisure" life: perhaps a bridge game during the week, or a quick visit with a neighbor, or lunch out with a friend.

Her husband was almost finished with his accreditation when Sputnik was launched; now the Vanderschaafs' European academic qualifications were fully recognized and accepted.

Instead of her hoped-for leisure life Frau Vanderschaaf, on the advice of a friend, took a foreign language placement test—and placed out far above all the other candidates in German.

She was asked to substitute teach at Denby High School. A critic teacher was present, and was amazed at Frau Vanderschaaf's ability in handling the class and her expert knowledge of the language.

Shortly afterwards, the Frau applied for a position with the Grosse Pointe School System but, at the time, there were no openings.

Avid Hikers, Campers Avid hikers, (Frau Vanderschaaf walked four miles to school every day as a youngster), and campers, the family's summer vacations were enjoyed out-of-doors.

During one of these prolonged trips, Grosse Pointe sent a letter to Frau Vanderschaaf asking her to interview for an opening in the Language Department.

Fortunately, Mr. Vanderschaaf came home on a weekend to collect the mail, and late that August Frau Vanderschaaf was hired as the German teacher for South High School.

In the summer of 1966, the family, including Cindy, who shares the hobbies of singing and sewing with her mother, Gordon, now a student at Northwestern in Iowa, and Arthur, in his last year at Annapolis, camped throughout Europe in their trailer.

Their itinerary included the Netherlands, Belgium, France, Austria, Switzerland, Italy, East and West Germany.

East Germany they considered a great experience. The family, trailer and car, plus their entire route through East Germany, were carefully scrutinized by the Russians. Entering East Berlin, they asked an elderly man where they might park their car and trailer. He replied, "Right here."

Get Extra Passenger Perplexed, they asked where the other cars were if this was a parking area. "There are none," he replied. Later he asked if he might show them around, as it had been such a long time since he had been in an automobile.

The Vanderschaafs had an extra passenger for a few days.

In 1969, Frau Vanderschaaf was awarded a nine-week educational scholarship for advanced study in Munich. After the classroom work was over, her group traveled to Vienna and Salzburg before heading home.

She spent the summer of 1972 in the glorious city of Heidelberg, taking more advanced studies in German.

At summer seminars for foreign language teachers, the volunteer program at South High is always discussed. Although it is discussed, and Frau Vander-

Amazement is always expressed that Frau Vanderschaaf and the volunteers maintain the enthusiasm and continued weekly support to make such a successful contribution to the Language Department.

The Grosse Pointe Board of Education has recognized this program by awarding all seven volunteers the Certificate of Merit for volunteer service in the last two years the awards have been presented.

anyone who wants to be sure of a place at this year's Luncheon should call Mrs. George Lewis, co-chairman, 886-1591, right now!

Reservations at \$3 per person are first-come, first-served. They close formally Wednesday, November 26 . . . but they're betting they'll be gone long before that.

The party begins at noon. Special entertainment is a Magic Show featuring "The Great Salami," alias The Reverend Kenneth Lentz, pastor of Saint Paul Evangelical Lutheran Church.

There'll be a performance of "Winnie the Pooh," too, starring Mary Butler, of Dearborn. And let's not forget lunch: it's all the things kids like, from hot dogs and potato chips to ice cream and homemade Christmas cupcakes.

Co-chairing the 1975 Santa Luncheon with Mrs. Lewis is Mrs. Michael Brogan. Their committee members include the Mesdames Arthur Leslie, Ronald Launs, Danforth Peggins and Eugene Pety.

A peek behind the make-up will reveal Mrs. Arthur Erickson as "Mrs. Santa," Mrs. Dennis Velie as "Christmas Carol," and members of Defer School's Girl Scout Troop 216—Carol Blezenski, Robin Halter, Tracey Metry, Robin Priebe, Betsy and Vicky VanNote, Stacey Fordree, Marya Edwards, Nancy Defibaugh and Tracy, Wendy and Susan Launs—as the storybook characters.

Other Alpha Xi Deltas assisting at the Luncheon are the Mesdames John Rasch, Alfred Wittwer, Norman Giard, Clarence Williams and Robert Baker, Mrs. Richard Swinbank, Marilyn Shay, Peggy VanEckoute, Joan Convertini, Mrs. Allan Bara, Mrs. James Starnes, Mrs. George Raymond, Mrs. Charles Watts and Mrs. Larry Miller.

The Santa Luncheon is the annual benefit through which local Alpha Xi Deltas raise funds for such organizations as the Family Life Education Council and the Grosse Pointe Foundation for Exceptional Children.

'Santa' Aids Symphony

Discussing some of the merchandise in "Home for the Holidays," the Women's Association for the Detroit Symphony Orchestra's new fund-raising Christmas Catalogue, are MRS. C. VERNON COX, of Heather lane, East Side co-chairwoman for the project, and MRS. RAY W. MACDONALD, of Lochmoor boulevard, who, dressed as "Mrs. Santa," is distributing the booklets to executives in and around Detroit.
