

BOARD PICKS NEW OFFICERS

HEADLINES of the WEEK

As Compiled by the
Grosse Pointe News

Thursday, July 7
A TENTATIVE CONTRACT agreement to end a one-day strike by some 8,000 Detroit municipal employees was reached early today and union leaders urged their members to return to work. The agreement came after a walkout that wiped out city bus runs and garbage pickups Wednesday, July 6, and slowed or stopped other city services. Details of the tentative agreement were not disclosed, but city sources said the pact provides for wage increases close to Mayor Coleman Young's latest offer of four percent a year over three years.

Friday, July 8
THE DEFENSE DEPARTMENT reportedly has already tested the controversial neutron radiation bomb and plans to deploy it in Europe within 18 months if Congress and President Jimmy Carter give their approval. Sources in Nevada said the bomb has been tested underground, but declined to say when the blast took place. They also refused to say how long the testing had been going on. Neutron bombs are designed to kill people with intense radiation—8,000 times the exposure in an average X-ray.

Saturday, July 9
A TORNADO, SPANNED in the midsummer thunderstorms that ripped through southern Michigan Friday, left mobile home parks overturned and twisted into masses of wreckage near New Haven. One child was killed in the twisters that tore through the Briarwood Estates mobile home park on Gratiot and Twenty-Seven mile road in Macomb County. Fifteen of the 80 mobile homes were destroyed, and at least a half-dozen more were damaged.

Sunday, July 10
THE FEDERAL GOVERNMENT'S effort in trying to vaccinate most Americans against a swine flu epidemic that never came could cost the Treasury more than \$1 billion, it was reported Saturday. The General Accounting Office (GAO), in a report to Congress, said legal claims filed against the government for deaths and injury resulting from last winter's swine flu program total more than \$300 million and may eventually top \$1 billion. The GAO, an investigating arm of Congress, also indicated that the government's decision to accept financial risks of the program may result in profits of more than \$8 million for insurance companies.

Monday, July 11
AT LEAST 115 congressmen or former congressmen received South Korean favors, according to information from congressional sources and a list of contacts compiled in the spring of 1975 by an alleged Korean lobbyist. Earlier guesses indicated that about 75 had received something of value from the Koreans such as cash, gifts and entertainment here and in Seoul, as well as honorary degrees from Korean universities.

Tuesday, July 12
PRIME MINISTER Takeo Fukuda's Liberal Democratic Party confounded the experts and computers and retained a majority in Japan's Upper House in elections Sunday. With results from 122 of 126 seats in the ruling LDP had won 63 seats, two short of the 65 seats needed to retain its majority. One of the five independents elected said he would join the conservative LDP and another two candidates leading in their races said they would support the ruling party, effectively assuring Fukuda the majority necessary to retain control of the Chamber, formerly known as the House of Councillors.

Lochmoor Club Eyes Big Tournament

Neighborhood Club Eyes Possible Role in Consortium Approach to Obtain Funds

By Susan McDonald

Officials from the five Pointes met this week to discuss a proposal toward forming a consortium to bid for federal public works funds. The ideas outlined at the meeting, held Monday, July 11, at City municipal offices, will be presented to individual councils for their consideration within the next few weeks. City Manager Thomas Kressbach of Grosse Pointe City said he is "hopeful" the consortium will win their approval.

The combined-effort approach would make it possible for the first time for the small communities to bear the high administrative costs involved in this federal CETA, (Comprehensive Employment Training Act), program.

Real Benefit

Represented at the Monday meeting was the Neighborhood Club, which may act as the non-profit agency to coordinate the \$120,000 program for all the Pointes. Neighborhood Club Director John Bruce said he thinks the program "could be a real benefit to the community," providing employment and training for some Pointers and a variety of services for the entire area.

As a non-profit, service-oriented agency, Mr. Bruce said he thinks the Neighborhood Club is the best person to coordinate the program. (Continued on Page 8)

Grosse Pointe Theater Announces New Season, Presents Many Awards

Musicals, 'Stop The World, I Want to Get Off,' 'Hello Dolly,' Will Open, Close Year; Group Cites Appreciation to Citizens for Their Support

"Hello, Dolly," one of the last big, traditional musical comedies, will cap the Grosse Pointe Theater's, (GPT), 1977-78 season, which was announced at the annual GPT awards dinner-dance on July 9. The new season will be the group's 30th.

Continuing a recent trend, it will open and close with musicals—the Anthony Newley-Leslie Bricusse hit, "Stop the World, I Want to Get Off," (November), and the legendary "Dolly," which premiered in Detroit before starting its record-setting Broadway run in 1964.

Jean Anouilh's "Becket" will be produced in January, to be followed by two 1971 Broadway hits. "And Miss Reardon Drinks a Little," a drama by Paul Zindel, will be the Showcase Theater play in late February. An unusual comedy by Allen Ayckbourn, "How the Other Half Loves," will appear in March.

Make Sweet Music

Before the new season was announced by incoming GPT President Dale Pegg, of Fairholme road, a large crowd of members and guests watched the presentation of awards for the 1976-77 season.

In the musical category, the winners were Arlene Schoenherr, of Lakepointe avenue, (choreography, "Cabaret"); David McDonald, of Sterling Heights, (musical director, "Cabaret"); and Mrs. Robert Shea, of Detroit, (choral director, "A Little Night Music").

Technical awards went to Charles Sortor, of St. Clair Shores, (lighting, "One Flew Over the Cuckoo's Nest"); William Clynne, of Detroit, (sound, "Cuckoo's Nest"); Jac Purdon, of Village lane, (set design, "Night Music"); and Arthur Thompson, of Oxford road, (technical director, "Night Music").

Mrs. Gwen Samuel, of Moran road, and Mrs. Dennis Wickline, of Detroit, won two awards for their work on "Cabaret"—for properties and set dressing, the latter award being shared with Mrs. Roland Evans, of Detroit, and Mrs. Jac Purdon, of Village lane, who handled set dressing on "Night Music."

Performers Cited

The makeup award was won by Arlene Schoenherr, of Lakepointe avenue, for "The Imaginary Invalid." The costumes award went to Cheryl Berteel, of Sterling Heights, and Mrs. Walter Maher, of Three Mile drive, for "Cabaret."

Staff awards were presented to Chancey Miller, of St. Clair Shores, (stage manager, "Cabaret"); John Guadagnoli, of Detroit, (producer, "Cuckoo's Nest"); and Mrs. (Continued on Page 8)

'Loose Ends' Remain In GPW Police Talks

By Roger A. Waha

A main stumbling block toward a final settlement between the city and Woods public safety lieutenants appears to be, at least from the lieutenants' viewpoint, a clear picture of the specific type of package to be agreed upon, while a concern of the sergeants revolves around overtime pay for the so-called off-duty shift briefing.

Although there are related salary concerns toward the settlement of proposed two-year pacts, (retroactive to July 1, 1976), for each command level, both sides do not appear that far apart in each instance.

City Administrator Chester E. Petersen said the council authorized his office to make

Cites Concern Over Article

When the official evaluations of school administrators were completed Monday, June 27, the Board of Education granted two-year contract extensions to most of its top staffers.

Chief Negotiator for the Board, William O'Connor, was granted a one-year contract at that time. Mr. O'Connor feels the NEWS article on the subject in the Thursday, June 30, edition falsely implied his contract status was the result of an unfavorable evaluation.

This was not the NEWS' intent, as it is clearly not the case.

Mr. O'Connor is an attorney, specializing in labor relations, who has been retained by the Board in the past on a 30- to 60-day basis to negotiate contracts.

In fact, a one-year contract could be viewed as a promotion in his case, according to some school officials. (Continued on Page 4)

Woods Okays Contract with Planning Firm

Council Hires Consultant in 5-1 Vote; Brandon Rogers, Who Will Formulate Land Use Plan, Update Zoning Ordinance, Looks Forward to Association with Officials

By Roger A. Waha

The firm of Parkins, Rogers and Associates, Inc., based upon a recommendation from the Planning Commission, was hired by the Woods Council at its rescheduled regular meeting Monday, July 11, as the city's planning consultant, with the contract between both parties being approved by a 5-1 vote.

With this action, the city will pay the firm \$9,200 for the formulation of a land use plan and \$4,400 for the updating of the zoning ordinance. Both work projects are scheduled to be completed by the end of the year.

The Planning Commission, after hearing an hour-long presentation from Brandon M. Rogers, executive vice-president of the firm, at its regular meeting Tuesday, June 28, unanimously recommended to the council that the firm be hired and the agreement be approved.

Will Help City

Prior to the commission's approval, the firm was recommended by a selection committee which reviewed a total of six potential consultants. Based upon that group's recommendation, the council on April 4 unanimously selected Parkins, Rogers and Associates for the work program.

In reacting to the council's vote of approval on Monday night, Mayor Benjamin W. Pinkos said if officials receive the information which the Planning Commission has requested, the money will be well spent.

He also felt if the firm is completely unbiased and not subservient to the wishes of the commission, calling "a spade a spade," the community would benefit and get its moneys worth.

Overall, the mayor noted he would have to rely on the choice of the selection committee, (which included Planning Commission Chairman Peter Gilezan, Commissioners Robert Trinklein and John Kennedy and Councilmen George S. Freeman and George Cueter), in regards to their final choice after weeks of penetrating investigation earlier this year. (Continued on Page 2)

Wrong Number Given NEWS

A source gave the NEWS an incorrect telephone number which was published in last week's story, "Church States Bible School," which reported that the Grosse Pointe Woods Presbyterian Church, 1950 Mack avenue, will hold its Vacation Bible School Monday through Friday, August 8 to 12, from 9:30 to 11:30 a.m.

For further information on the school, which serves children ages three through 11, call Nan Strandhagen at 881-3817.

Park to Appeal Judge's Decision Affecting Charter

By James J. Njaim

The Park Council, at the urging of Mayor Matthew C. Patterson, decided on Monday, July 11, to appeal a decision of Wayne County Circuit Court Judge Thomas Roumell ordering the names of four candidates to be placed on the August primary election ballot.

The four are seeking the office of municipal judge, but, under the Park City Charter, are not eligible because they do not meet two qualifications for the post.

The four challenged Section 5.1 of the charter which requires that any person seeking municipal office in the city must be a resident for a period of at least two years prior to the last day for filing an election petition. They also eyed Section

Farms Boat Club Plans Big Regatta

Twenty-Fifth Annual Event July 22 to 24 Features Parade, Games, Swimming Exhibition

The Grosse Pointe Farms Boat Club's 25th Annual Regatta has been planned for Friday, Saturday and Sunday, July 22, 23 and 24, at the Farms Pier Park. All the members of the community are invited to participate, said Commodore George Toy.

Vice Commodore Richard Shannon is the general chairman in charge of this year's events.

A teen dance to be held on Friday at 9 p.m. will open the festivities, with the Snow Bound playing for the dancing and listening pleasure of teens of all ages.

On Saturday morning at 9:30 a.m., the boat races will start under the chairmanship of Dr. Edward Eldredge. Harold Messacar will oversee the powerboat races and Sonny Gorenflo will be in charge of the sailboat races which take place at 12:30 p.m.

Plan Pageant

The children's decorated bike parade and contest is scheduled for 2 p.m. under Estelle Smith. The children's games and events follow at 3:30 p.m. with Dr. Stanley Dzuiba in charge.

Meanwhile, the adult games will take place at 5 p.m. They will include the traditional shoe-kick and the famous egg-toss. The latter game is so popular that it could be held in sections.

The Miss Grosse Pointe Farms Pageant will then transpire at 6:30 p.m. The contest, under the chairmanship of Diane Shannon Honstain, has been limited to 12 contestants. A former winner of the pageant, Ellen Malooly, will MC.

At 9 p.m., there will be dancing under the stars to the music of the White Rabbit. This dance is geared to the adult crowd and will be done in cabaret style under the arrangement of Nancy (Continued on Page 8)

John Bruce Selected As Prexy

Says Main Objective Will Be to Improve Relations Between All Segments of School Team

By Susan McDonald

Neighborhood Club Director John Bruce, of Devonshire road, was elected president of the Board of Education at its annual organizational meeting Monday, July 11.

A former teacher, Mr. Bruce has been on the Board for three years and served as its vice-president last year.

"Improving relations between all segments of the school team, including parents, teachers and students," will be his ambition during the coming year, Mr. Bruce said.

"I'd like to see us reach agreement on our common goals and distinguish areas in which we do have differences so we can work to resolve them."

Swear In Trustee

Serving as vice-president of the seven-member Board for the 1977-78 school year will be William Huetteman, of Sunningdale drive. Laurance Harwood, of Moran road, was elected treasurer and Joan Hanpeter, of Berkshire road, secretary.

All the nominations to office went unchallenged and the votes were unanimous.

New trustee, Ann Arduini, was sworn in at the Monday meeting. Mrs. Arduini and incumbent Mr. Harwood won their four-year seats in the June 13 election.

The trustees also approved a number of financial and legal arrangements at the annual meeting.

They unanimously accepted the bid of National Bank of Detroit for a loan of \$9.5 million in tax anticipation notes to finance the first half of the school year.

Firm Reappointed

The schools will pay an interest rate of 2.98 percent on the general obligation notes. That rate was the lowest of five bids submitted. Last year, the system paid a 3.74 percent rate.

In addition, the Board reappointed school system attorneys, Hill, Lewis, Adams, Goodrich and Tait for another one-year term. They also approved by-laws with some minor changes to accommodate the new "Open Meetings" law and set a year-long schedule of meetings.

In accepting the new post, Mr. Bruce expressed his thanks to outgoing President Robert Warner for "the excellent leadership he provided over the year."

Mr. Bruce pointed out that, during Mr. Warner's six years on the Board, both millage bids have been approved and contracts with major employ groups ratified.

School Board Sets Schedule

The Board of Education recently approved a schedule of 11 regular meetings for the 1977-78 school year.

All meetings will be held on Mondays, beginning at 8 p.m. in locations throughout the district.

On August 8, the trustees will meet at the Board Room, 389 St. Clair avenue. The September 12 meeting will be held in the Board Room; October 10 at North High, 707 Vernier road; November 14 in Kerby School, 285 Kerby road; and December 12 in the Board Room.

The trustees will begin the new year on January 9 at Trombly School, 820 Beaconsfield road. On February 13, they will meet in the Board Room; on March 13, the Board Room; April 10, Barnes School, 2090 Morningside drive; and May 8 and June 5, the Board Room.

A special meeting has been set for Monday, August 8, at 8 p.m. in the Board Room.

Woods Hires Planner

(Continued from Page 1)
"The Planning Commission for around six years has requested that the city hire a professional planner," said Mr. Pinkos, "and they are extremely happy to have a planner. I feel the city will benefit, too."

Cancellation Provision

Voting for the hiring of the firm were Mr. Pinkos, Mr. Freeman, Mr. Cueter and Councilmen E. D. Grady and Ronald R. Kefgen. Councilman John Sabol cast the lone dissenting vote.

In relation to his vote, Mr. Sabol cited two factors. First, he felt the contract should have had a cancellation provision in the event the city was unsatisfied with the firm's work.

In response to questions from Mr. Sabol and Mr. Cueter on this matter, City Attorney George Catlin said, while no cancellation provision was incorporated in the contract, if officials were possibly unsatisfied halfway through the overall program, they would be obligated to pay a reasonable cost incurred by the firm.

However, Mr. Catlin immediately noted, based upon his knowledge of the firm's reputation and performance, he saw no difficulties in this area. In fact, he didn't feel this, (i.e., lack of a cancellation provision), was a major concern but wanted to call it to the council's attention.

The city attorney added he really saw no need for such a provision, felt it wasn't feasible or necessary and indicated the council wouldn't really know if they were satisfied or not until after the works projects were completed.

Ready to Go

Second, Mr. Sabol said he has always felt since the city had a previous survey, (by Vilican-Leman and Associates in 1957), that their recommendations "were never followed." As a result, he questioned this latest effort. "It will cost more to implement recommendations now than when property was vacant," said Mr. Sabol in relation to the fact that the city is now basically built up in comparison to the late 1950's.

For his part, Mr. Rogers was very pleased the council made its final decision on hiring his firm, saying "he

looks forward to doing a good job for the city, he cited the careful review of his firm on the part of the selection committee, the Planning Commission and the council in executive session.

"I hope they all understand the work program and what can be expected," said Mr. Rogers — not miracles but a farsighted exploration toward upgrading the city and the living environment of not only its citizens, but others who work in the community. He cited as an example, here, off-street parking.

The first step, now, for Mr. Rogers is "to spell out the working procedure, the different working steps" so officials understand the first products. He hopes to have a first meeting with the Planning Commission next month with much "diagnostic work" being completed by them. Recommendations in the land use and zoning ordinance areas should be ready by late fall.

Stimulation Cited

In relation to the development of the working procedure, he eyes a variety of workshop sessions with the Planning Commission with citizens being notified of such meetings, so they, too, can provide input into the planning process. Ultimately, officials will then make decisions based upon recommendations from the firm.

"We'll make recommendations as we see them, and there are always more than one choice for consideration, he stated, while viewing a number of items including finances, the overall structure of the city, et al.

One particular emphasis he made was the pumping of money into commercial areas toward building up the foundation of residential areas. This stimulation, he feels, will permit officials to better focus upon and assist older neighborhoods in the community.

And, in everything, Mr. Rogers added he will be open-minded.

Visits to Park

(Continued from Page 1) have no contact with the division. As a result, he felt everyone will have a better chance to know one another even better.

"It will help maintain contact with the kids without any summer gap," he added.

For his part, Mr. Petersen felt it all boiled down to service. "This is another area in which the YSD can perform a valuable service to its participating community members," he said, while adding he was pleased to see that such an effort was initiated.

And, to his knowledge, Det. Fagan added a historical note — this was the first time a YSD command officer, (i.e., Lt. Patterson), cleared a detail of this nature.

Hrabonz Wins Golf Crown

In a battle featuring experience and youth, 60-year-old Max Hrabonz, of St. Clair Shores, defeated Ron Trefzer, 24, of The Farms, 4 and 3 in the recent finals of the Lochmoor Club golf championships.

Mr. Hrabonz, who was runner-up to the late former champion Gene Woodard 10 years ago and has been close on numerous other occasions, was even par over the round, closing out the match on the 15th hole.

He defeated Bill Dawson, of The Woods, to reach the finals.

Mr. Trefzer, who had won the tournament the past two years, ousted Dr. James Zurawski, of The Woods, in his semi-final match.

Lodge No. 102 Bid Approved

The Farms Council took action Monday night, July 11, in voting to allow Grosse Pointe Lodge No. 102, Fraternal Order of Police, to use the Pier Park as the site for their annual picnic.

The picnic is scheduled for Thursday evening, August 4.

It's a fact that even after all is said and done, much more will be said than done.

Shores Eyes Child Safety

The Shores Public Safety Department has already launched its campaign aimed at the safety of children with the drive motto, "Let's Play It Safe This Year," being selected.

They also are available at the public safety department headquarters, 795 Lakeshore road.

Children are warned against accepting rides, gifts or treats from strangers, crossing any street against a red light, "Don't Walk" or amber signal, riding their bikes after dark without proper lighting and reflecting equipment and riding double.

Youngsters are advised to walk their bikes across any intersection when crossing from sidewalks, to stop and look both ways before entering or crossing any street, alley or driveway.

They also are instructed to exercise extreme caution when riding a bike in the street, to obey all traffic rules, to obtain a license for all two-wheel bikes and to wear shoes when riding bikes.

Important advice to parents includes instructing children to travel with a friend, and to tell them if they are approached by strangers to run for help.

Parents also should know where their children are at all times and to be aware of suspicious incidents, e.g., reporting suspicious people and cars in your neighborhood or around schools to police.

Licenses numbers of suspicious vehicles also should be recorded.

GPF Okays Two-Year Agreement

Council Approves Pacts with Firefighters; Both Sides Appear Satisfied with Contracts

By Tom Greenwood
The Farms Council at its regular meeting Monday evening, July 11, approved a proposed two-year agreement between the city and the Grosse Pointe Farms Firefighters Association, (GPF-FA), for fiscal years 1977-78 and 1978-79.

The agreement became effective Saturday, July 1. The contract calls for a 6.4 percent total increase for 1977-78, and for a 7.3 percent total increase for 1978-79.

Wages for 1977-78 were increased by \$1,000 from \$18,450 to \$19,450 and longevity was increased by \$50 for each five year increment.

A 60-40 Class I dental plan with a maximum of \$1,000 per year per person in the immediate family will go into effect January 1, 1978.

Wages Jump Again
In the second year, the firefighters wage will increase to \$18,550, with another \$1,100. A cost of living maximum of 12 cents for six months, based on 1,000 hours for the six-month period from January 1, 1978, to June 30, 1979, will be paid.

The city also will pay for full-family dental care beginning January 1, 1979. The aforementioned wages are based on an average 56 hour work week.

Members of both sides appear to be satisfied with the new contracts. "We feel the settlement is parallel with the agreement we reached with the police department," said Farms City Clerk Richard Salks. "It provides an adequate wage and benefit increase for the fire department and we're happy we reached it without arbitration."

Fire Sgt. Thomas Chappell, president of the GPF-FA, also was happy with the contracts. "We like it," he said. "We accepted it and we're very happy with the settlement. That's the reason we signed for a two-year contract this time."

STUDENTS HONORED

Three North High School seniors received \$150 awards from Michigan State University at the end of the school year. Linda Schmidt, Elizabeth Barrett and Thomas Sipe were awarded the scholarships on the basis of their superior academic records.

Illegal Parking Eyed in Woods

The idea is to remove vehicles from the street and have residents park them on their own property so Woods Public Safety Director Henry Marchand in a letter to citizens says the department, effective Monday, August 1, will begin issuing violations to offenders.

The parking violations will be given on all motor vehicles illegally parked between the public sidewalk and the street curb, and also on vehicles parked on, or blocking, a public sidewalk.

"Therefore, if your property does not presently have sufficient space for you to park your motor vehicle, please make the necessary arrangements, during normal business hours, to secure a street parking permit from the Department of Public Safety for the remainder of the year," advises the director in the letter.

He adds when citizens apply for the parking permits it will be necessary for them

to bring the vehicle registration certificates of all motor vehicles registered at their address for review before a permit will be issued or denied.

In further exploring this matter, Director Marchand said the department has continuously received complaints from strolling citizens over vehicles parked incorrectly, mainly in the area of smaller corner houses in the community.

"At many homes, there's not enough room to park without going over the sidewalk, and there's a state law which prohibits parking between the sidewalk and the curb," he said.

Noting this hasn't been strictly enforced in the past, the director indicated some citizens have abused such parking, while citing potential safety factors involved, e.g., heavier odds toward having more hit and run accidents by parking in the street.

"We hope to get the people to park their vehicles within their own property," he said, while noting citizens will be given a reasonable length of time to comply, (up until the first of the year).

The letter, he added, will be placed on violating vehicles by officers on the night shift.

Beaches Still Closed in GPF

The latest water contamination tests taken Thursday, July 7, still show the stretch of water between, and including, the Pier Park and the Crescent Sail Yacht Club to be highly polluted, according to Mike Andrews of the environmental division of the Wayne County Health Department.

"The samples we took last Thursday are still very high," said Mr. Andrews. "I'd say they were anywhere from four to 50 times the acceptable level."

Beaches at the park and the club have been closed since Friday, July 1, when Farms city officials and club officers were told of the findings.

The high pollution levels are believed caused by a partial sewage discharge from the Kerby road sewer project, which has been under repair since last winter.

Farms officials have reported that the sewer repairs are completed and the sewer was in operation Friday, July 8, one day after the last water sampling by the health department.

Glenn Brown, director of environmental health for the county, said the pollution could take up to two weeks to clear up once the sewage was no longer discharged into Lake St. Clair.

(Continued from Page 1) to meet with the council because we don't know what they want. We agreed to a non-professional package at their suggestion but they turned it down and we don't know why. We feel we have a contract and we don't want to bargain again," he said.

The question from the lieutenant's perspective is "Do they want to give us a professional or a non-professional package?" For his part, a clearer picture from city officials is necessary.

While indicating there was a slight concern over salary, Lt. Selby said, "We're very, very close in salary with the city."

In further exploring the association's confusion over this matter, Lt. Selby submitted a letter dated Friday, July 1, to Mr. Petersen requesting that the lieutenants be given an opportunity to present their requests to the council. At the same time, Lt. Selby reviewed the overall spectrum of current negotiations.

The lieutenant noted that during past bargaining years the association and the city have mutually agreed to wait until the city and the patrolmen reached accord on wages. (The council unanimously ratified a two-year agreement with the patrolmen in April.)

In focusing upon wages and working conditions, Lt. Selby said the association first offered, as in the past, a proposal of a professional type wage package with the working section of the contract to be discussed at a later date. The council considered this

proposal with the indication from city officials that the lieutenants had "priced themselves out of the market," he said.

Ultimately, the lieutenants were presented a written non-professional contract wage offer on May 6 that included a section indicating the association would be incorporated in the present patrolmen's working condition contract, he said.

After some adjustment to the working condition section of the offer, the lieutenants agreed to accept the city offer. However, after consideration by the council, Lt. Selby said this proposal was rejected with the association being informed that the city did not want the members to be subject to paid overtime. He also indicated the city's desire that the association work under a professional contract.

The association then gave a figure regarding salary for a professional pay package and this was considered by the council. At a meeting of the finance committee on June 13, its members recommended that Mr. Petersen continue further salary negotiations with the association, while authorizing certain salary guidelines for consideration in the talks.

Lt. Selby indicated the city rejected the presented professional package and once again offered a non-professional package "at a somewhat reduced rate of pay as contained in the previous non-professional offer."

At the same time, the lieutenant said, "It was our understanding in the previous meeting that the association,

in body at the bargaining table, agreed to the first city offer of a non-professional contract as offered on May 6, 1977, and only modified the offer at the city suggestion to exclude the overtime pay so as to continue in bargaining with the city in the usual good faith," said Lt. Selby.

"It was not our intent to rebargain the non-professional package and we feel the city is not bargaining responsibly with the association."

"It is most difficult for the association to observe the city bargaining with the patrolmen's association giving wages and benefits through collective bargaining and then bargaining with us by ultimatum."

In response to the lieutenant's statements on "responsible bargaining" and "bargaining by ultimatum," Mr. Petersen said he had no comment, while citing the council's last best offer and the counter-proposals from both associations.

Meanwhile, Sgt. James Davidson cited a similar concern in relation to proposals affecting the department's three sergeants "going back and forth" to the council for its consideration. "I don't know what the problem is and why our pay is held up," he said.

For his part, he said the crux of the matter is that for years the sergeants have received a salary but no holiday pay, pay for court time, et. al., while patrolmen have, with some even making as much money as a sergeant at certain points in time.

He stated the sergeants would like to be paid overtime for off-duty shift briefings, for instance, but, in citing the city's opposition to this proposal, said his association's counter-proposal included a higher salary sans any overtime considerations.

The sergeant also indicated he would like to have association representatives meet with the council. "It's been well over a year, (in relation to not having a new contract), and we're not asking for anything our neighbors don't already have," added Sgt. Davidson.

In a final note, Mr. Petersen said it was the city's view that the so-called off-duty shift briefing was considered as an inherent responsibility of the command officers and is built into their salary.

The sergeants' request for overtime pay for shift briefing, and a concern of the lieutenants over salary, is the only hold up between a settlement with the command officers, he added.

Library Sets Films for Kids

"Where the Lilies Bloom," an award-winning children's film, will be featured this week as part of the Grosse Pointe Public Library's summer film program.

Based on Vera and Bill Cleaver's 1969 Newberry Award book, the film tells the story of four Appalachian children and their struggle for survival after the death of their father.

Other films to be featured later this month are the "Stolen Necklace," "Sinbad the Sailor," "Thumbelina," "Giants Come in Different Sizes," "Tikki Tikki Tombo," "The Velveteen Rabbit" and "Me and You Kangaroo."

The library also is offering a special film program for children three through five at the Woods and Central Branches.

Films for this age group will be featured at the Central Branch on Tuesdays, July 19 and 26, beginning at 1 p.m. Woods Branch films will be shown on Wednesdays July 20 and 27, at 1 p.m.

It will be shown at the Central Branch, 10 Kercheval avenue, today, July 14, at 1:30 p.m. and at the Woods Branch, 20600 Mack avenue, on Friday, July 15, at 10:30 a.m.

To Appeal Decision

(Continued from Page 1) they were refused a place on the ballot," the mayor said. "They won their case and Judge Urso was elected to a four-year term."

"I do not care if we win or lose the appeal as long as we find out if these sections of the charter are valid or not. If we lose, then we will have to go to the people of this community and ask them to change this part of the charter."

Joseph D. Grano, of Belle Isle, who was at Monday night's session, asked the mayor and the council not to appeal Judge Roumell's decision because of the time and money which would be involved. He urged that a change in the city charter be made rather than go through the process of an appeal.

City Attorney Richard Rohr said that the matter would have to be heard by the Michigan Court of Ap-

peals, and could possibly go up as high as the Michigan and the United States Supreme Courts because it involves a constitutional matter, under both the state and federal constitutions.

Mr. Grano said as a practicing attorney in the State of Michigan for a number of years, he is qualified to run for any judicial office in Michigan but, under the Park City Charter, he is denied the right to seek the office of municipal judge.

Mr. Patterson pointed out that he was not challenging Mr. Grano's qualifications. However, an appeal must be filed to determine whether the Park City Charter is any good or not.

As far as the council is concerned, it must uphold the charter as approved by the people of the community, even if it must go to the highest court in the land, if that is what it will take, he continued.

POINTERS NAMED

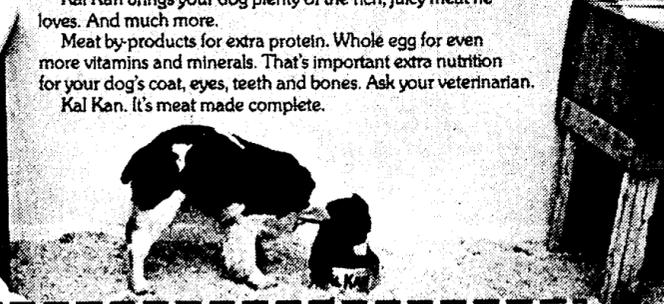

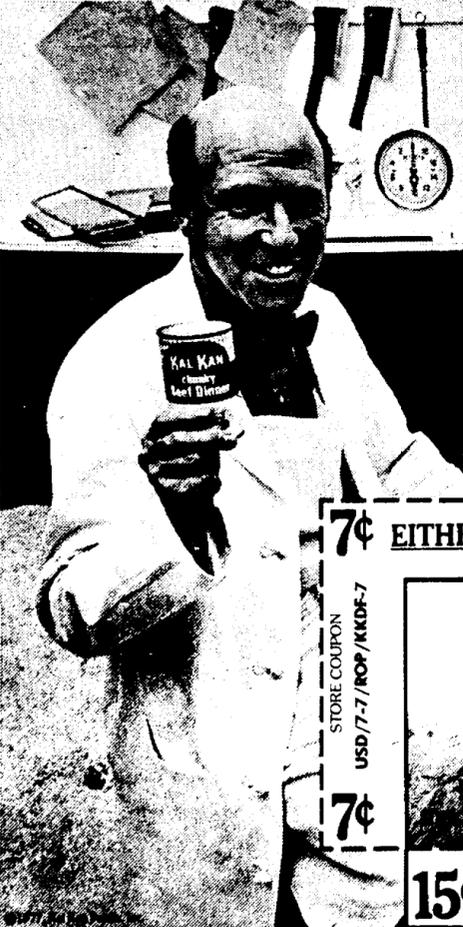

John Bruce, of The Farms, and Dwight B. Havens, of The Woods, will chair operating committees of the Inner-City Business Improvement Forum, Detroit's largest minority business development organization. Mr. Bruce is vice-president of Chrysler Corp. Engine and Casting Division. Mr. Havens is president of the Greater Detroit Chamber of Commerce.

The council approved the mayor's recommendation that Mr. Rohr file the appeal with the Michigan Court of Appeals and consider further appeals in higher courts if necessary.

Others involved in the suit included Karen Smith Kienbaum, of Grand Marais boulevard, Robert J. Lech, of Somerset road, and Daniel E. Castner, of Barrington road.

FALLING FOR FRILLS

Many people go househunting in a remarkably casual way — and sometimes end up making costly mistakes. One of the mistakes a househunter can make is to buy the frill instead of the house. All too often a family will fall in love with an eye-catching feature and buy the wrong house. This mistake happens frequently and in all price ranges.

Families skip over careful consideration of the major factors because something minor has really grabbed them. The lure may be a charming fireplace, a glamorous lighting fixture, a garage door opener, or even a dogwood in bloom.

Yielding to superficial attractions like these can result in your family winding up with a thoroughly unsuitable house. Bear in mind that these same alluring features can usually be added to another house at a relatively small cost, considering the amount of the overall purchase.

Need Complaint In Bike Theft

Park police arrested a 21-year-old suspect in the theft of a bicycle early Saturday afternoon, July 9, but they have no victim available to sign a complaint, according to information released by Lt. Gordon Duncan.

The lieutenant said that if the owner of the bike would come forward to sign a complaint, a warrant can be obtained and the thief prosecuted. So far, the victim, a 12-year-old boy, has not come forward.

Lt. Duncan said the 12-year-old was using a swing at the Trombly School playground, and had placed his bicycle on the ground nearby. The theft suspect, a black male, who was a passenger in a car, got out of a vehicle, mounted the bike and pedaled off.

Two young boys witnessed the theft and gave chase, as the suspect rode west on Essex and then north on Beaconsfield, yelling at the thief to stop. With the young pursuers close behind, the man dropped the two-wheeler and escaped on foot, but was captured by Park officers at Fairview and Fairfax.

In the meantime, the 12-year-old boy got on the bike and pedaled away. He wasn't around when the arresting officers brought the suspect back to the scene of the theft.

Lt. Duncan said if the owner of the bicycle would come forward and file a formal complaint, the thief can be prosecuted. Otherwise, he pointed out, the charge against the man will have to be dropped.

Elect Joseph D. GRANO Grosse Pointe Park Municipal Judge VOTE AUGUST 2

JOSEPH GRANO BELIEVES A JUDGE SHOULD NOT PRACTICE LAW

The legislative effort to abolish local municipal courts has been prompted by the impropriety of judges practicing law.

- Parties appearing before the Court may be the judge's potential clients.
- Clients may believe it advantageous to retain a judge as counsel.
- Billable hours compete with the judge's availability for community service.

Retiring Judge Urso fulfilled his promise not to practice law. Joseph Grano, a professor of criminal law at Wayne, promises to retain this important reform. Local control can work.

CETA Program Viewed

(Continued from Page 1) hood Club is well suited to the coordinator's role. Under CETA guidelines, the \$120,000 allocation would be used to employ and train Pointers on any number of public works projects, such as serving senior citizens, improving public grounds or park facilities. Others attending the Monday meeting were Park City Manager Robert A. Slone, Woods City Manager Chester E. Petersen, Shores Village Superintendent Thomas K. Jefferis and Farms City Clerk Richard G. Solak. Good Chance Mr. Bruce said he was "fairly positive the five Grosse Pointes can get together on this." "Everyone had an open mind about the project and a generally positive attitude," he said. "I think there's a good chance we'll have a consortium within the next few weeks and will be able to use that money for our residents." In the event the consortium is not formed, the Pointe allocation will probably revert back to Wayne County for use in its own projects. In addition to the current CETA program, there is a good possibility that future programs, including a proposed Title 8 for youths and Title 9 for senior citizens, will be distributed in the same manner, according to Mr. Kressbach. Set to Discuss If this is the case, the consortium approach would make it feasible for Pointe participation in those projects. The Neighborhood Club is not new to the public works business. During the depression it served as a welfare agency for all the Pointes and during World War II it was the base for a USO. The 66-year-old club also helped found Cottage Hospital and the first public library in The Pointe. The Neighborhood Club board is scheduled to discuss the CETA proposal at its meeting today, July 14.

GPT Announces New Season

(Continued from Page 1) Joyce Schultheiss, of Lincoln Road, (director, "Cuckoo's Nest"). The eight acting awards were won by Douglas McClure, of Warren, (non-featured actor, "Cuckoo's Nest"); Mrs. Roland Evans, of Detroit, (non-featured actress, "Cuckoo's Nest"); Thomas Stein, of Birmingham, (featured actor, "Imaginary Invalid"); and Mrs. Lois Bendler, of St. Clair Shores, (featured actress, "Cabaret"). More include Ciro Vitale, of Roseville, (supporting actor, "Cuckoo's Nest"); Mrs. Robert Shea, of Detroit, (supporting actress, "Cuckoo's Nest"); Don Ross, of Warren, (lead actor, "Cabaret"); and Mrs. Lois Bendler, of St. Clair Shores, (lead actress, "Night Music"). Earns Special Honor The award for female worker of the year went to Lauri A. McCloskey, of Detroit. The male worker of the year award was shared by Peter Brown, of Fraser, and Arthur Thompson, of Oxford road. Mr. Thompson also received a special award for extensive and significant contributions to the GPT in the area of printed materials. He has for several years handled the production of nearly all GPT programs, newsletters and other printed matter. Theater members also wanted to express their appreciation to residents of all the Pointes for their continued support, which helped make the past season most successful. Meanwhile, season tickets are available for some evenings during the coming year. For further information, call the GPT box office at 881-4004.

GPF Regatta

(Continued from Page 1) and Ed Fairchild and Virginia D'Hondt. With Parade Marshall Ross Naldow officiating, the Annual Regatta Parade will begin Sunday's events. It will start at 1:30 p.m. and follow a route beginning at Kerby and Mack avenue. Balloons to Fly From there it goes down Kerby to Chalfonte, to Moran, to Kerby, back to Kerby to Chalfonte, to Moran, and down Moran to the Pier Park. The parade will include antique cars, the Shriner's Parade Group, including the Highlanders and the Americans and many other participants. Following a display at the park reviewing stand by the Shrine group, the club plans to release 1,000 helium-filled balloons as part of the Silver Anniversary celebration. At 2:30 p.m., a synchronized swimming exhibition at the park pool will be given by the swim team under the direction of Beth Boerner. The presentation of trophies will take place at 5 p.m. and at 6 p.m., the drawing of raffle prizes will take place. Year of Effort Behind the weekend of fun lies a year of effort on the part of boat club members. Ads in a brochure which is distributed to all the residents of The Farms and raffle tickets are sold to cover the expenses. Under the Supervision of Municipal Judge Robert Pytell, financial chairman, Margaret (Liz) Holmes and Jane Ochalek organized the brochure. Other officers of the club include Frank A. Peterson Jr., rear commodore, Jean Boland, secretary, Richard Semack, treasurer, Robert Maddox, immediate past commodore, and Mrs. D'Hondt, Judge Pytell, Ross Naldow, William A. Stetson and Dr. Dzuiba, directors.

Box Social Set To Aid Center

An old-fashioned Box Social and Dixieland concert for listening and dancing will be held on the lake side Terrace and lawn of the War Memorial, 32 Lakeshore road, Thursday, August 4, from 7 to 10 p.m. Chet Bogan and his All-Pro Wolverines will play Dixieland throughout the evening and, by special license, there will be bar service available. The event is a benefit to help round-up money needed to meet the Center's 1977 Annual Family Participation Campaign goal. Admission is \$1. The idea of the box social, for those who are too young to remember, is for each lady to prepare a picnic supper in a fancy box easily identified with varied ribbons. The gentlemen in each party group bid on the picnic boxes with the highest bidder getting the privilege of dining and dancing with the lady who prepared the box. All proceeds will go to the Center's drive and are tax deductible. To add zest, connoisseurs of wine are asked to prepare special boxes for bidding. In case of rain, the crowd will move into the ballroom overlooking the lake and gardens.

Town, Country Series Slated

For Pointe youngsters, who never get into the country to become familiar with animals, pick fruit or swim in the creek, the War Memorial is offering a Town and Country Adventure Series. The first adventure is Saturday, July 30, from 9 a.m. to 3 p.m. Boys and girls of elementary and junior high school age will be taken by bus to Rochester Hills to see the horses in their stables and riding ring and may ride them if they wish. They are asked to bring sack lunches for a picnic in Stone Creek Park. On Monday, August 8, from 9 a.m. to 3 p.m., a charter bus will take the young people to Imlay City, where they will go berry picking at Anderson's Blueberry Farm. Again, a sack lunch is necessary and a bucket to pick berries for 45 cents a pound. Then, on Monday, August 15, from 8 a.m. to 3 p.m., city sights are featured, including a trip through the Eastern Market, a ride on the Washington boulevard Trolley and an excursion to Belle Isle to enjoy sack lunches from home and a tour of the new Nature Center. The series of outings costs \$12. Parents are welcome and should provide money for pop, berries and the trolley. The cost for one day is \$5.

GPYC Swims to Third Win

The Grosse Pointe Yacht Club (GPYC), swimming team recently splashed to its third straight victory at the Dearborn Country Club by a score of 468-400.

It ended in a drizzling rain with one record-breaking performance by Grosse Pointe.

Mark Clark beat his own record in the boys' 13-14, 50-meter butterfly with a new time of 31.7 seconds.

There were five events in which GPYC swimmers swept up first, second and third place ribbons. The girls' nine - 10, 50 - meter breaststroke saw Stephanie Smith finish first, Meg Maghielse, second, and Stephanie Barnes, third.

Winners of the girls' eight-and-under, 25-meter freestyle were Katie Harper, first, Katie MacDonald, second, and Sandy Smith, third.

Girls' 10-and-under, 50-

meter backstroke winners were Krystin Strong, Nancy Georgi and Meg Maghielse, while boys' 11-12, 50-meter backstroke winners were Jim Strong, Larry MacDonald and Scott Kinney.

First, second and third place in the girls' nine-10, 50-meter freestyle went to Nancy Georgi, Krystin Strong and Stephanie Smith, respectively.

In addition, four of six relays were won by GPYC swimmers.

Nancy Georgi, Cindy Gannon, Sara Brieden and Sue Brieden took the girls' 200-meter freestyle relay, while Hans Brieden, Jim Strong, Gene Miszcak and Mark Yuhn won the boys' 200-meter freestyle relay.

The girls' eight-and-under, 100-meter freestyle relay was taken by Katie MacDonald, Mary Wachter, Sandy Smith and Katie Harper. And, in spite of the rain, Ann Mitchell, Karen Strong, Pam Rinke and Nancy Georgi won the girls' 200-meter medley relay.

The GPYC team is undefeated so far this season.

Ruth Tournery Offers Action

By Rick Thomas

After clinching the Farms/City Babe Ruth championship, the Metro Club Indians advanced in the All-Pointe Tournament only to fall in the final game to Woods-Shores Fluid Systems, 11-4.

The Indians earned the right to represent the Farms/City league in the tourney by defeating the D.M. Tigers, 7-2, on Friday, July 1.

Tom Borland received credit for the win as he fired a four-hitter at the runner-up Tigers. As they have throughout the Tribes' championship drive, Erwin Yee, John Badyga and John Cammet supplied the offensive punch needed for the win.

Moving on to the post-season tournament, which features all Babe Ruth championship teams from all the Pointes pitted against each other, the Indians met instant success as they defeated Woods-Shores IXL, 12-7.

Cammet was the starting and winning pitcher. Kevin Chown led the hitting attack with a home run, and Badyga, Yee, Mike Mahon and Borland were other standouts in the game.

This set the stage for a final championship game between the Indians and Woods-Shores Fluid Systems. Here the Tribes' luck ran out however as the Woods' Matt Costello and Bob Piche combined fine pitching and hitting performances, respectively, to defeat the Farms/City representatives.

By Art Getz

The Grosse Pointe Farms Royals captured the first half of the Senior Babe Ruth season with a perfect 8-0

record. The Royals' success was due to combined strong pitching and timely hitting.

Bob Baker led the pitching staff with a 3-0 record. His best performance was a no-hitter against the Grosse Pointe Park Pirates, the league's first half runners-up. In this contest, Baker fanned 11 and walked only two. In his other appearances, Baker struck out a total of 23 batters.

Rick Thomas also proved his effectiveness with a 2-0 record, allowing only three runs in 14 innings. Jack Brabb, Gene Belanger and Jim Davey were the other winning pitchers.

Offensively, Thomas was the Royals' leading hitter with a .400 average, including 11 RBIs. The most dramatic moment of the season was his two out, last inning three-run homer to edge the Grosse Pointe Park Cubs, 7-6.

Other strong hitting performances were displayed by Belanger, batting .375 with 12 RBIs, Jack Brabb's .368 mark, Chris Martinelli's .333 and Jim Martin's .300.

Club Slates Kids' Olympics

The Neighborhood Club, 17150 Waterloo avenue, is adding a new dimension to its playground program.

Beginning Friday, July 15, and continuing through Friday, July 29, a junior olympics program will be held on Mondays at Elworthy Field and Defer and Mason Schools, and Fridays at Richard, Monteith, and Ferry Schools from 9:30 a.m. to 12 noon.

The following events will be included: 25-, 50-, 75- and 100-yard dashes, shuttle run, broad jump, triple jump, chin-ups, softball throw and frisbee throw.

A carnival will be held on July 29 at Brownell Middle School with all the playgrounds competing together. All kindergarten through fourth grade children are welcome to join in this new program.

The playground program is free for club members and \$1 for guests. The arts and crafts fee is 50 cents. For further information, call 885-4600.

Farms Okays Ambulance Fee

At its regular Monday meeting, July 11, members of the Farms Council approved the institution of a \$50 fee for ambulance service to non-residents.

According to City Clerk Richard G. Solak, an individual's residence in The Farms is defined as "that place at which a person habitually sleeps, keeps personal effects and has a regular place of lodging."

Tests for determining residence include being a registered voter, the proper possession of a Farms park or recreation permit and a record of water, tax or postage billings.

Mr. Solak stressed that all individuals will receive ambulance service, the only difference is "non-residents will be billed later—not at the time of the service."

According to city records, nearly one-third of the 300-350 ambulance runs a year include non-residents.

THE WHIP
It's true — all the world's a stage, and most people want to occupy the critic's seat.

Poupard Gets New Principal

Named principal of Poupard Elementary School at the Board of Education's Monday, July 11, meeting was Peter M. Wharton, an elementary principal at Grass Lake Community Schools.

He will replace Edwin Wendt, who retired in June after 41 years with Pointe schools.

Mr. Wharton, 30, holds BS and MA degrees from Eastern Michigan University. He is working on a doctorate at Michigan State University, and also has been credited in the administrative program there.

He began his teaching career in 1970, serving as a fourth and fifth grade instructor in Plymouth Schools, and became principal in Grass Lake in 1974.

Mr. Wharton is married and the father of three children.

He was selected for the post out of a field of 80 applicants. Dr. Alfreda Frost, Lawrence Kennedy and Dr. Joseph Spagnoli conducted interviews of the three finalists, two of which were current Pointe school employees.

Records Fall For Natators

Nine team records have already fallen in the Country Club of Detroit's three swimming meets in the Michigan Inter-Club Swimming Assoc.

Leading the CCD swimmers to recent victories over the Detroit Boat Club and Oakland Hills Country Club were record setters Laura Measelle, girls 11 and 12 breaststroke, Julie Robinson, girls 11 and 12 freestyle, Kiti Hubbard, girls 13 and 14 breaststroke, Whitney Semple, girls 13 and 14 butterfly and freestyle, Fred Olsson, boys nine and 10 breaststroke, Jeff Measelle, boys 13 and 14 backstroke and butterfly, and co-captain Mike Bernard, boys 15 and 16 breaststroke.

The team carries a 2-1 record into its dual meet against the Detroit Golf Club, which will be seeking to avenge last year's loss to the CCD, today, July 14.

Look out, New York Strip. Here comes the... IOWA CHOP.

Now, there's an entree designed to appeal to the discriminating consumer, the Iowa Chop. Originated in Iowa, the nation's leading pork-producing state, the Iowa Chop is different from the New York Strip and other steaks in flavor, yet equal in prestige.

Unlike ordinary pork chops, which are often thin, overcooked and lacking in flavor, the Iowa Chop is fresh, thick, juicy and flavorful, and appeals to a wide range of tastes. And the Iowa Chop name produces a favorable image in the minds of consumers... an image of natural goodness and freshness.

The Iowa Chop is 1 1/2 to 1 3/4 inches thick, about twice as thick as the ordinary "pork chop." It's a center-cut pork loin, fresh and carefully trimmed.

Diners like it for all the same reasons as they like thick steaks... it's tender, juicy and holds its flavor. One Iowa Chop makes a full meal because of its size and richness.

The Iowa Chop is fresh, not smoked or cured. Proper prep essential to its success, but it's easy.

The Iowa Chop's thickness and weight (12 to 16 ounce cooking at temperatures that will hold the natural juiciness and flavor.

Tests by consumers found the best technique to be broiling in a conventional broiler for 15 to 20 minutes at about 450-525 degrees. Some chefs added about two or three minutes of grilling to put on a nice finish.

**Church Names
New Director**

Mrs. Angela Miller George joined the professional staff of Grosse Pointe Memorial Church on Monday, July 11, as director of Christian Education.

She will work in coordination with David B. Antonson, Minister of Christian Education, through the Christian Education Council.

Since June 1970, Mrs. George had positions involving the same responsibilities at two churches in Winston-Salem, N.C. She was graduated with an AB degree, specializing in Christian Education, from High Point College, High Point, N.C.

Mrs. George is the wife of Dr. Ted George, an intern at a Detroit hospital.

The selection of Mrs. George completes the church's six-person professional staff.

William De Turk began his duties as director of music also on July 11. Formally interim director, he preceded his formal appointment by giving a carillon recital at the church on Monday, July 4.

Mrs. George succeeds Kathleen Neubauer who resigned after five years in the position to become director of Christian Education at the Independent Presbyterian Church, Birmingham, Ala.

Always be up and doing — and you'll never be counted out.

**Goldovsky Opera Theater
To Visit Pointe July 20**

Boris Goldovsky will bring his renowned Opera Theater to The Pointe to play the third concert of the Grosse Pointe Summer Music Festival on Wednesday, July 20, at 8 p.m., in the War Memorial's Fries Auditorium, 32 Lakeshore road.

Opera-goers are encouraged to bring picnic suppers and enjoy the gardens by the lake before the performance.

The program will feature Ronald Holgate, baritone, Alexander Stevenson, tenor, Diana Soverio, soprano, and Mariana Paunova, mezzo soprano.

Mr. Holgate was discovered by Mr. Goldovsky who took him to the Tanglewood Opera Festival and cast him in the title role of "Don Pasquale."

A graduate of the New England Conservatory, he has been on six national tours with Mr. Goldovsky

and won the Metropolitan Opera Auditions, the Weyerhanser Award and the Tony Award for his Richard Henry Lee role in "1776."

Mr. Stevenson is on his third tour with Goldovsky's Opera Theater. A product of Boston's New England Conservatory, he has a distinguished record of appearances with the Boston Symphony, the Boston Opera Co. and the Santa Fe Opera.

Miss Paunova, contralto, is one of Canada's leading young singers. She was winner of the 14th Canadian Broadcasting Co. competition in Montreal and winner of Les Concours, Musique du Canada.

She has appeared in leading roles with the Goldovsky Grand Opera and in many operas and concerts both in North America and Europe. She frequently appears on Canadian Television.

Meanwhile, Ms. Soverio received scholarships at Julliard and the Hunter College Opera Workshop, then made her debut with the New York City Opera with which she still sings.

The program Mr. Goldovsky has selected for The Pointe includes selections from "Barber of Seville" by Rossini; "La Boheme" by Puccini; "La Traviata" by Verdi; "Carmen," by Bizet; and "Otello," and "Rigoletto" by Verdi.

Reserved seats for the one-night performance may be purchased at the War Memorial office. Tickets are \$8.50.

**Fall Trial Date
Eyed in Case**

A trial date in Macomb County Circuit Court for two men charged with first degree murder in the slaying of a Woods man in January will probably not be scheduled until early fall, according to St. Clair Shores police.

Because of the amount of paperwork involved in subpoenaing witnesses in the case, police expect no trial to commence during the summer.

Charged with the murder of Jack Whiteley, 60, whose body was found at the Shorian Motor Inn, 20000 Nine Mile road, are Donald B. Clements, 30, and James A. Dunn, 34, both from Louisiana.

The pair were arrested in early February in a Pittsburgh cafe after police spotted an illegally parked pickup truck which matched a description given by Michigan authorities in the incident. They were ultimately extradited based upon the approval of a Pittsburgh judge after a hearing was held on Michigan's request.

A moselle wine, from the Moselle Valley in Germany, is one of the best wines you can serve with lunch or a very light meal since in itself it is a very light and one of the very lowest in alcoholic content wines. Believe it or not, this light wine is grown on steep slopes of slate. During the winter, this slate has to be cut up into little pieces so that the grapes have room to grow. But the slate is not just an inconvenience, it stores up heat on hot summer days, it keeps the moisture in the soil, and it disintegrates into fertilizer. So, if you get a Riesling grape combines with a slate covered vineyard, you are bound to get a good wine.

If you are looking for a good wine, see us at PARKIE'S PARTY SHOPPE, 17255 Mack, corner St. Clair, 885-0626; we have the knowledge and experience to guide you in the selection of the best wine to suit your taste. Your complete party shoppe, we also have a wide selection of beer, champagne snacks and spreads, mixes, and bar accessories. Open: 10-10 Mon.-Thur.; 10-11 Fri., Sat.

ORDINANCE NO. 70

AN ORDINANCE TO PROVIDE FOR THE ACQUISITION OF REPAIRS, IMPROVEMENTS AND ADDITIONS TO THE MARINA OF THE CITY OF GROSSE POINTE PARK MICHIGAN; TO PROVIDE FOR THE ISSUANCE AND SALE OF REVENUE BONDS TO DEFRAY THE COST THEREOF; TO PROVIDE FOR THE RETIREMENT AND SECURITY OF SAID BONDS; AND TO PROVIDE FOR OTHER MATTERS RELATIVE TO SAID MARINA AND SAID BONDS.

THE CITY OF GROSSE POINTE PARK (WAYNE COUNTY, MICHIGAN)
ORDAINS:

Section 1. Whenever used in this ordinance or in the bonds to be issued hereunder, except when otherwise indicated by the context:

(a) The term "acquired" shall include acquisition by purchase, construction, installation, or by any other means.

(b) The term "bonds" shall mean the Marina Improvement Revenue Bonds issued pursuant to this ordinance.

(c) The term "city" shall mean the City of Grosse Pointe Park.

(d) The term "Council" shall mean the Council of the City of Grosse Pointe Park, the legislative and governing body thereof.

(e) The term "Marina" shall include all lands described in Section 2 hereof and all improvements and appurtenances thereto.

(f) The term "project" shall mean the acquisition of the repairs, improvements and additions to be acquired from the proceeds of the bonds and the placing of the same in readiness for operation.

(g) The terms "revenues" and "net revenues" shall be construed as defined in Section 3 of Act No. 94, Michigan Public Acts of 1933, as now amended.

Section 2. The Council hereby finds it to be advisable and in the public interest, and hereby determines, to make repairs, improvements and additions to the Marina at the City's Waterfront Park at the foot of Barrington Road to consist of the following: 57 new boat wells, together with the necessary pilings and docks therefor. The site of the Marina is more particularly described as follows:

Beginning at the southeast corner of lot 7 of Windmill Pointe Subdivision; thence southerly along the east side of the existing driveway a distance of 714 feet, more or less, to the line section of the driveway with the southerly edge of the east-west breakwater; thence westerly along the breakwater a distance of 540 feet, more or less, to the westerly end of the breakwater; thence northerly and parallel with the existing driveway a distance of 236 feet, more or less, to a point on the existing concrete retaining wall along the southerly side of the former swimming area; thence southerly along the concrete retaining wall a distance of 282 feet, more or less, to the corner formed by the intersection of the concrete retaining wall with the concrete retaining wall forming the easterly side of the former swimming area; thence northerly along the retaining wall a distance of 134 feet, more or less, to a point on the southerly line of lot 5 of Windmill Pointe Subdivision; thence southerly along the southerly line of lots 5, 6 & 7 of Windmill Pointe Subdivision a distance of 282 feet, more or less, to the point of beginning.

Section 3. The Council hereby adopts the estimate by the architects and engineers of approximately 33 years as the period of usefulness of the project and also such engineers' estimate of One Hundred Seventy Thousand Dollars (\$170,000) as the cost of the project, including \$1,700 (two months) capitalized interest upon the bonds for payment of such cost, which estimates are on file with the City Clerk.

Section 4. There hereby are authorized to be issued and sold pursuant to the provisions of Act No. 94, Michigan Public Acts of 1933, as amended, revenue bonds in the aggregate principal sum of One Hundred Seventy Thousand Dollars (\$170,000) for the purpose of defraying the cost of the project. The bonds shall be known as "Marina Improvement Revenue Bonds"; shall be dated as of October 1, 1977; shall be numbered consecutively in the direct order of their maturities from 1 to 34, both inclusive; shall be coupon bonds in the denomination of \$5,000 each; shall be registrable as to principal only in the manner hereinafter set forth in the bond form; shall bear interest at a rate or rates to be determined hereafter not exceeding 6% per annum, payable on December 1, 1977, and thereafter semi-annually on the first days of June and December in each year; and shall mature on June first in each year as follows: \$15,000 in 1979; \$20,000 in each of 1980 through 1985; and \$15,000 in 1986.

None of the bonds shall be subject to redemption prior to maturity. The principal of the bonds and the interest thereon shall be payable in lawful money of the United States of America at such bank or trust company, qualified to serve as paying agent under the laws of the State of Michigan or the United States of America, as shall be designated by the original purchaser of the bonds, upon presentation and surrender of the bonds and attached coupons as each matures.

Section 5. The Mayor and City Clerk of the city shall execute the bonds for and on behalf of the city and the City Clerk shall cause the seal of the city to be affixed thereto. The Mayor and City Clerk of the city shall execute the interest coupons to be attached to the bonds by causing to be affixed thereto their facsimile signatures. The Treasurer of the city shall deliver the bonds and attached coupons to the purchaser thereof as hereafter determined by the Council, upon receipt of the purchase price thereof.

Section 6. The bonds shall be sold in the manner provided in Section 12 of Act No. 94, Michigan Public Acts of 1933, as amended.

Section 7. The bonds and attached coupons shall not be a general obligation of the city and shall not be an indebtedness of the city within any state constitutional provision or statutory limitation or within any charter limitation. The principal of and interest on the bonds shall be payable solely from the net revenues derived from the operation of the Marina, including future improvements, enlargements and extensions thereof. To secure the payment of the principal of and interest on the bonds and on any additional bonds of equal standing issued as hereinafter provided, there is hereby created in favor of the holders of the bonds and the interest coupons pertaining thereto, a first lien (by Act No. 94, Michigan Public Acts of 1933, as amended, made a statutory lien) upon the net revenues from the Marina, including future improvements, enlargements and extensions thereof. The net revenues so pledged shall be and remain subject to such lien until the payment in full of the principal of and interest on the bonds.

Section 8. The holder or holders of any of the bonds or interest coupons herein authorized to be issued, shall have all the rights and remedies given by law and particularly by Act No. 94, Michigan Public Acts of 1933, as amended, for the collection and enforcement of the bonds and coupons and the security therefor, including the right to have a receiver appointed for the Marina in the event of default by the city in the performance of the terms of the bond contract.

Section 9. The Marina shall be operated on a fiscal year beginning on June 1 in each year and ending on May 31 of the following year.

Section 10. The operation, maintenance and management of the Marina shall be under the immediate supervision and control of the Council or such officer or board as shall be designated or created by the Council and subject to its control.

Section 11. The charges or rates for the use of the Marina shall be established from time to time by resolution of the Council. The charges for the use of individual boat wells for each season commencing in the calendar year 1978 should be as follows:

Approximate Well Size	Rate
9' x 29'	\$160.00
11' x 29'	\$215.00
17' x 25'	\$200.00
14' x 35'	\$270.00
15' x 40'	\$360.00
18' x 55'	\$500.00

Section 12. The charges or rates established above are estimated to be sufficient to provide for the payment of the expenses of administration and operation of the Marina and the expenses for its maintenance as may be necessary to preserve the same in good repair and working order (except to the extent such expenses are paid from the general fund of the city); to provide for the payment of the interest upon and the principal of all bonds payable therefrom, as and when the same shall become due and payable, and for the creation of a reserve for the payment of principal and interest as required in this ordinance; and to provide for such other expenditures and funds as are required by this ordinance. Charges or rates shall be fixed and revised from time to time by the Council to produce the foregoing amounts, and the city covenants and agrees to maintain at all times such charges or rates pertaining to the Marina as shall be sufficient to provide for the foregoing.

Section 13. The revenues of the Marina hereby are pledged for the purposes of the following Funds, and as collected shall be set aside into a fund to be called "Receiving Fund", and shall be transferred therefrom periodically into the separate and special Funds in the following order:

1. **Operation and Maintenance Fund.** Out of the revenues of the Receiving Fund, there first shall be set aside annually into a fund designated "Operation and Maintenance Fund", a sum sufficient to provide for the payment for the next year of all current expenses of administration and operation of the Marina and such current expenses for the maintenance thereof as may be necessary to preserve it in good repair and working order but only to the extent such expenses are not to be paid from the general fund of the city. The Council at the beginning of each fiscal year, shall adopt a budget covering the foregoing expenses for such year, and such expenses shall not be permitted to exceed the amount specified in such budget.

2. **Bond and Interest Redemption Fund.** Out of the remaining revenues in the Receiving Fund, there shall be set aside each year into a fund designated "Bond and Interest Redemption Fund", a sum proportionately sufficient to provide for the payment as the same become due of the next maturing principal and interest on each issue of bonds then payable from the revenues of the Marina; provided, that the amount so set aside for interest on the bonds during the first six (6) months of each fiscal year, shall not be less than the total amount of interest (not capitalized) maturing on the following December 1, and during the last six (6) months of each fiscal year, shall not be less than the total amount of interest maturing on the following June 1, and that amount so set aside for principal on the bonds herein authorized, in each fiscal year, shall not be less than the amount of principal maturing on the June 1 immediately following such fiscal year, and if there shall be any deficiency in the amount previously set aside, then the amount of such deficiency shall be added to the current requirement.

In addition, there also shall be set aside annually for the purpose of creating a reserve in the Bond and Interest Redemption Fund a sum not less than \$5,000 per year during each of the fiscal years beginning on and after June 1, 1978, until the reserve shall equal at least \$15,000, and if at any time thereafter the reserve shall be less than \$15,000 then there shall be set aside in the reserve annually a sum sufficient to restore the reserve to \$15,000 at the earliest possible time. If any additional bonds of equal standing shall be issued, the authorizing ordinance shall provide for a comparable reserve therefor. When the principal amount owing upon any bonds shall be reduced to the amount of the reserve, then the principal of those bonds shall be paid from the reserve. Due recognition shall be given as to priority rights, if any, between different issues or series of outstanding bonds in respect to the allocation and use of moneys in the Bond and Interest Redemption Fund.

3. **Replacement Fund.** Out of the remaining revenues in the Receiving Fund, at the option and direction of the Council, there may be set aside in a fund to be designated "Replacement Fund", a sum to build up a reserve for any replacements to the Marina which may become necessary from time to time.

4. **Surplus Fund.** Revenues remaining in the Receiving Fund at the end of any fiscal year after all periodical transfers have been made therefrom as required in paragraphs 1 through 3 above in this Section 13, shall be deemed to be surplus and may be left in the Receiving Fund or moneys be transferred to a fund to be designated "Surplus Fund". Moneys in the Surplus Fund from time to time may be transferred to one or more of the foregoing Funds or may be used for the improvement, enlargement or extension of the Marina or may be transferred at the option and direction of the Council to the General Fund of the city.

Section 14. In the event that moneys in the Receiving Fund are insufficient to provide for the current requirements of the Operation and Maintenance Fund or the Bond and Interest Redemption Fund, any moneys and/or securities in other funds described in Section 13 shall be transferred, first, to the Operation and Maintenance Fund, and second, to the Bond and Interest Redemption Fund, to the extent of any deficits therein.

Section 15. All moneys in the Funds mentioned above shall

be kept on hand with the bank or trust company at which the principal and interest on the bonds are currently payable. The moneys in the Funds, except moneys in the Bond and Interest Redemption Fund and moneys derived from the proceeds of the sale of the bonds, may be kept in one bank account, in which event the moneys in the bank account shall be allocated on the books and records of the city to the respective Funds as herein provided. Moneys in the Funds may be invested in United States Government obligations. Investments of money in the Bond and Interest Redemption Fund being accumulated for the payment of the next maturing principal and interest on the bonds shall be limited to United States Government obligations having maturity dates prior to the date of the next maturing principal or interest. In the event of any such investment, the securities representing the same shall be kept on deposit with the bank or trust company having the deposit of the Fund from which such purchase was made and the income therefrom shall become a part of such Fund.

Section 16. The city hereby covenants and agrees with the holder or holders, from time to time, of the bonds herein proposed to be issued, that it will punctually perform all duties with reference to the Marina and bonds required by the constitution and laws of the State of Michigan and the charter of the city and by this ordinance; that it will construct the project substantially in accordance with the maps, plans and specifications filed with the City Clerk, and will have the same in operation at the earliest possible time; and that it will not sell, lease, mortgage or in any manner dispose of the Marina or any substantial part thereof other than herein provided, until all bonds payable from the revenues thereof shall have been paid in full. The city further covenants and agrees with the holders of the bonds that it will maintain the Marina in good condition and operate the same in an efficient manner and at a reasonable cost, so long as any of the bonds are outstanding; that it will maintain insurance on the Marina for the benefit of the holders of the bonds in an amount which usually would be carried by private companies engaged in a similar type of business; that it will prepare, keep and file such records, statements and accounts as may be required by Act No. 94, Michigan Public Acts of 1933, as now or hereafter amended; that it promptly will furnish the original purchasers of the bonds or any registered bondholder a copy of the annual statement which it is required to file with the Municipal Finance Commission or the Michigan Department of Treasury and a copy of the Annual Audit of the Marina certified by a Certified Public Accountant for each year upon request of such purchaser or bondholder.

Section 17. While any of the bonds shall be outstanding, no additional bonds payable from the revenues of the Marina shall be issued which shall have a prior or equal standing therewith, except as hereinafter provided. The city shall have the right to issue additional bonds of equal standing for the completion of the project herein described if the bonds herein authorized prove to be insufficient therefor. The city shall have the right to issue additional bonds payable from the net revenues of the said Marina for the purpose of improving, enlarging and/or extending the same, which bonds when issued shall have equal standing with the bonds herein authorized; provided, that no such additional bonds of equal standing shall be issued unless: (a) the average net revenues for the then last preceding fiscal year plus (b) the lowest estimated additional net revenues to be derived in any fiscal year commencing more than one year after the completion date of the improvements, as fixed in the ordinance authorizing the issuance of such additional bonds, from the improvements, enlargements and extensions to be financed by such additional bonds, shall be equal to at least 150% of the largest amount of principal and interest thereafter maturing in said fiscal year on any bonds then outstanding payable from the revenues of the said Marina and on such additional bonds then being issued. Such additional net revenues shall be estimated by a registered engineer or architect who shall be selected by the Council but who shall not be a regular officer or employee of the city. The selection of such person shall be subject to disapproval of the Municipal Finance Commission. No such additional bonds shall be issued if the city then shall be in default in making any payments to the Operation and Maintenance Fund or the Bond and Interest Redemption Fund. Permission by the Municipal Finance Commission of the State of Michigan (or such other state commission or agency as shall have jurisdiction over the issuance of municipal bonds) to issue such additional bonds shall constitute a conclusive presumption of the existence of conditions permitting the issuance thereof.

Section 18. The bonds and attached coupons shall be substantially in the following form, to-wit:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF WAYNE
CITY OF GROSSE POINTE PARK
MARINA IMPROVEMENT REVENUE BOND
Number _____ \$5,000

KNOW ALL MEN BY THESE PRESENTS, that the City of Grosse Pointe Park, Wayne County, Michigan, hereby acknowledges itself to owe and for value received promises to pay to the bearer hereof (or if this bond be registered, to the registered holder hereof) the sum of

***** FIVE THOUSAND DOLLARS *****
on the first day of June, A.D., 19____, and to pay interest thereon at the rate of _____ percent per annum from the date hereof until paid, said interest being payable on December 1, 1977, and thereafter semi-annually on the first days of June and December in each year, which principal and interest are to be paid solely out of the revenues hereinafter specified. Both principal and interest are payable in lawful money of the United States of America at _____ in the City of _____ upon presentation and surrender of this bond and the coupons hereon attached as each matures.

This bond is one of a series of bonds of like date and tenor except as to maturity, numbered consecutively in the direct order of their maturities from 1 to 34, both inclusive, aggregating the principal sum of One Hundred Seventy Thousand Dollars (\$170,000) issued by the City of Grosse Pointe Park under and pursuant to and in full conformity with the Constitution and Statutes of the State of Michigan (especially Act No. 94 of the Michigan Public Acts of 1933), as amended, the charter of said City and Ordinance No. _____ adopted by the Council of said City on the 11th day of July, 1977, for the purpose of defraying the cost of repairs, improvements and additions to the Marina at the Waterfront Park at the foot of Barrington Road in said City.

This bond is a self-liquidating revenue bond, is not a general obligation of said City, and does not constitute an indebtedness of said City, within any constitutional, statutory or charter limitation. The principal of and interest on the bonds of this series are payable solely from the revenues of the Marina, including future improvements, enlargements and extensions thereof, remaining after deducting the reasonable expenses of the administration, operation and maintenance of said facilities, and the payment of both the principal of and interest on the bonds, and on any additional bonds of equal standing which may be issued pursuant to the terms of said ordinance, as secured by a statutory first lien on such net revenues.

of the Marina and such expenses; of the maintenance thereof as may be necessary to preserve the same in good repair and working order; to provide for the payment of the interest upon and the principal of all bonds payable therefrom, as and when the same become due and payable, and for the creation of a reserve in the bond and interest redemption fund as required in said ordinance; and to provide for such other expenditures and funds for the Marina as are required by said ordinance. Charges and rates shall be fixed and revised from time to time by the Council of said City so as to produce the foregoing amount.

This bond may be registered as to principal only in the name of the holder on the books of the Paying Agent for the bonds, and such registration shall be noted on the back hereof by the Paying Agent, and thereafter no transfer shall be valid unless made upon the said books and likewise noted on the back hereof. Transferability by delivery may be restored by registration to the bearer. Negotiability of the interest coupons shall not be affected by registration.

It hereby is certified, recited and declared that all acts, conditions and things required to exist, happen and be performed, precedent to and in the issuance of the bonds of this series, existed, have happened and have been performed in due time, form and manner as required by law.

IN WITNESS WHEREOF, the City of Grosse Pointe Park, Wayne County, Michigan, by its Council has caused this bond to be signed in its name by its Mayor and its City Clerk, and its corporate seal to be affixed hereto, and has caused the attached interest coupons to be executed with the facsimile signatures of said Mayor and City Clerk, all as of the first day of October, A.D., 1977.

Section 19. The proceeds of the sale of the bonds shall be deposited with the Paying Agent for the bonds; provided, that any portion of such proceeds, which from time to time is not required for immediate disbursement may be invested in United States Government obligations upon authorization by the Council. From said moneys there shall first be transferred to the Bond and Interest Redemption Fund, any premium and accrued interest paid to the city by the purchaser of the bonds and two months' capitalized interest on the bonds. The balance of the bond proceeds shall be used solely to pay the cost of the project hereinbefore described and any engineering, legal and other expenses incident thereto, and shall be paid out only upon authorization of the Council; provided, that the Council shall not authorize the payment of any such moneys for construction work until there shall have been first filed with it by the consulting engineer in charge of such work, a written statement to the effect that the sum so to be paid in full or partial payment of a contract obligation in connection with the project and that the city has received the consideration for such payment. The statement of the engineer also shall show the amount of construction estimates which have been theretofore approved by him for payment and the amount of the balance which will be required for the completion of the project.

Section 20. The bonds shall not be issued until the Municipal Finance Commission of the State of Michigan has approved such issuance, and the City Clerk is hereby authorized and directed to make application to said Commission for such approval.

Section 21. Any unexpended balance of the proceeds of the sale of the bonds remaining after the completion of the project, may to the extent of Twenty-Five Thousand Five Hundred Dollars (\$25,500) be used for the improvement, enlargement and/or extension of the Marina, if such use shall be approved by the Municipal Finance Commission, and any remaining balance shall be paid immediately into the Bond and Interest Redemption Fund and the same shall be used only for the redemption of the bonds. Any bonds acquired by redemption or purchase shall be cancelled and shall not be reissued.

Section 22. This ordinance shall be recorded in the minutes of the meeting of the Council at which it was adopted, as soon as practicable after its passage, which record shall be authenticated by the signatures of the Mayor and City Clerk of the city and shall be published once in the Grosse Pointe News, a newspaper of general circulation within the city. This ordinance shall become effective on July 22, 1977.

Section 23. If any section, paragraph, sentence, clause or phrase of this ordinance shall be held invalid, the same shall not affect any other part of this ordinance.

Section 24. All ordinances and resolutions or parts thereof, insofar as they may be in conflict herewith, are hereby repealed.

Little League Results

FARMS CLASS C

By John A. MacLeod
The Little League Class C concluded its season with an exciting playoff game and an All-Star game.

In the first playoff game, league champion Syracuse with a 13-1 record, played Albany with a 9-5 record. In extra innings, Albany came on behind to win, 5-4. Tom Jones, who relieved Bobbie Wood in the seventh inning, was the winning pitcher. He also extended the game into extra innings by hitting a triple and then scoring on a clutch double by Andre Benvenuto.

For the losing Syracuse team, Bill Adlhoeh's play was outstanding as he had two home runs and a single. In the other playoff game, Richmond demolished Toledo, 14-2. Mike Crow, Eric Estum and Steve Nagler combined to pitch a no-hitter for Richmond. The hitting of Richmond was spearheaded by Steve Nagler's double, triple and single, plus key hits by Tom Nugent and Lynn Vismara.

In the finals, Richmond again slugged its way to a 3-0 victory over Albany. Steve Nagler pitched the entire game for his sixth win of the season. Mike Crow provided the hitting attack with a grand slam home run and two singles, in route to eight RBIs. Peter Reilly and Lynn Vismara each had a triple and single.

For losing Albany, Tom Jones, Robbie Wood and Andre Benvenuto contributed singles.

The finale of the season was the All-Star game pitting the four New York teams, (North), against the other four teams in the league, (South). The hitters controlled this affair with the South All-Stars winning, 14-

South scored 12 times in the second inning. Ken Vorkerhove of Toledo had the inning's big hit when he tried with the bases loaded. Steve Nagler of Richmond led three singles and Kevin Michalik of Columbus, Peter Guir of Miami and Ricky Jungwirth of Richmond had two hits apiece.

For the North team, Bill Adlhoeh of Syracuse had three singles. Michael Hennessey of Albany had two long triples and Ty Zablock had a double and single. The season was concluded with presentations to all of the players at a picnic held on Monday, July 11 at the Farms Pier Park.

FARMS TRIPLE AAA

By Jim McWatt
The AAA Playoffs began at Kerby Field late last month.

Hollywood, the first place team, played Louisville, the third place team, in the opener, while Denver, the second place team, played Sacramento, the fourth place team, in the second game.

In the first game, Hollywood edged Louisville, 11-9. Erik Nicholson was the starting pitcher for Louisville. He was relieved in the top of the fourth by Scott Crane who finished the game. John MacLeod was the starting pitcher for Hollywood. He pitched the first three innings and was relieved by Karl Doelle who became the winning pitcher.

Karl struck out six batters and gave up one run. Extra base hits by Louisville were

a double by Eric Nicholson and a triple by Matt Carstens. For Hollywood, it was a home run by Karl Doelle, a triple by Ken Frushauf and a double by Mike Adrian. Denver then nipped Sacramento, 8-7. David Stoyka and Brian Withers each hit homers for Sacramento.

After Sacramento scored five runs, in the bottom of the second, Denver's Robert Fytell hit a triple and scored on a single by Lisa Travillian. In the third, Denver took the lead with five runs, including a triple by Hans Brieden and clever base stealing by Paul Brown and Joel Palombo.

Sacramento made it close with single runs in the fifth on David Sutherland's triple and John French's long home run in the sixth. However, Denver scored a run in the bottom of the fifth when Paul Brown singled then stole second, third and home.

David Dysert pitched the full six innings for Denver. He struck out 11 batters, walked four and gave up three home runs. Stephen Goodrich pitched the first three innings for Sacramento and John French pitched the last two innings.

Then, the AAA championship game was played. The winners of the first round, Hollywood and Denver, the first and second place teams in the regular season, squared off.

It was a great team effort by Hollywood as they won, 10-2. They scored nine runs in the first two innings on six hits, five walks and alert base stealing. John MacLeod and Mark Roney each hit a double in the four-run second inning.

Karl Doelle pitched for Hollywood. He didn't allow a hit until the fifth inning when Denver scored their only two runs on singles by David Sysert, Ed Wiberding and Hans Brieden. Karl struck out 10 batters including the last three men who faced him and gave up only two walks.

Hollywood is the playoff champs as well as the league champs for 1977.

CITY MAJORS
The champion Braves extended their dominance in the Major League for the second year in a row with a final season record of 18-2. The most recent victories were back-to-back triumphs over the Cardinals.

The earlier game saw Rick Richner extend his winning streak to 10, with a four-hitter, while Erich Woerner took the loss for the Cards, although he allowed only five Brave hits.

Richner walked two, while whiffing 13 Cards batters, but Woerner walked five and struck out six Braves.

The winners got to Woerner in the first innings for five big runs before he settled down in the 7-2 game. All five Braves hits were singles by Brad Langs, Scott White, Kurt Maunz, Hal Brown and Matt Lane.

The Cards' only scoring was done in the final frame when two consecutive lead-off doubles by Bart Orban and Woerner resulted in the tallies. Other Cards hits were notched by Sean Fitzpatrick and Mike Goetz.

Then the rain-delayed season finale saw the same two pitchers locked in a see-saw duel until the Braves erupted for 10 runs in the fifth inning. The club went on to win, 14-5.

The big blow in that inning was provided by rookie Neil Haarz, who banged a three-run triple all the way to the left field fence.

Another big Braves blow was a two-run homer from Marty Bedell in the final frame.

Supporting the Braves attack with two hits each were Ned Sparrow, Paul Martirelli and John Zerweck. Notching single hits each were Scott White, Rick Richner and Kurt Maunz.

The Cards had a total of eight hits which were di-

vided among Woerner, who aided his own cause with a two-run homer in the third, Dan Stephanson, John Weber, Bart Orban and Jim Harrison.

The Braves, as champions of the Grosse Pointe City Little League, now go on to a District Tournament pitted against winners from other communities.

This is a one game knockout which will start Saturday, July 16, and will be hosted by the Clintondale Little League.

During this past season the champion Braves have been managed by Frank Martirelli and ably coached by Bob Maunz and Cedric Richner.

Jewels & gems

by Jerry Valente

Necklaces add a striking touch to any fashion. This type of ornamentation probably began in a warm tropical climate, where shoulders and neck were bared and encircled with flowers. Nowadays you can choose a necklace from a myriad of materials and lengths. Here are a few hints to keep in mind when you shop. The shortest necklace is the choker, which is worn right around the neck. It looks best on a long—but not skinny—neck. A more youthful necklace is the throat-length one. If you have a large neck you will look very well in a longer V-shaped necklace,—for example, a chain with a pendant or locket.

For someone not familiar with jewelry, knowing and having confidence in your jeweler is of the utmost importance. At VALENTE JEWELRY, 16601 East Warren at Kensington, Detroit, 881-4800, our reputation is our guarantee of satisfaction. Our desire is that your visit with us will be a friendly, relaxing and enjoyable experience. Whether you plan on buying a fine diamond, or an antique necklace or an everyday watch, you can depend upon VALENTE JEWELRY for the finest.

GEM FACT:
A string of pearls, when interspersed with other gems, will lend a slimming effect to the face and neck.

Woods Majors Announces All-Stars

By Steven Basing
The all-star teams are chosen by the league's managers and coaches.
The following players were selected for the National League's All-star team: Kayvan Ariani and Greg Fleming of the Braves, Sam Abt and Martin Mitchell of the Cubs, Kevin Adamo, Dave Babcock, Tom Campau, Chris Neal and Tim Sheridan of the Dodgers and Kevin Dundon, Brian Hamlin, Pat Ireland, John Menzo and Carlos Perez of the Reds.

and Harry Kourelis of the Yankees.
The '77 season records for the National League teams show the Reds, 19-0, Dodgers, 12-7, Braves, 10-9, Pirates and Cubs, 7-12, and Phillies, 2-17.
The American League teams records show the Orioles, 16-4, Indians, 15-5, Yankees, 10-10, A's, 9-11, Twins, 8-11, and Tigers, 3-18-1.

On Thursday, July 7, in the first game of the World Series, the Orioles edged the Reds, 3-0. This was the Reds first loss in 20 decisions.

The Orioles were off and running in the second inning with two walks. Dan Cooke's double drove in the first run and Frank Reid's ground out was good for another run. Eric Safran then belted a home run in the third. Safran and Joe Haas held the Reds to three hits.

In the second game of the World Series played Saturday, July 9, the Reds won, 3-0. RBI singles by John Menzo and Brian Hamlin put the Red's ahead in the first inning. The Reds scored again in the third on an error and three walks. John Menzo and Pat Ireland held the Orioles to two singles.

It took eight innings before the Orioles became Little League World Champions, 2-1, before a large crowd on Sunday, July 10.

Shelly Ireland led off the second inning with a single, then stole second and scored on an error for the Reds. The rest of the game was a pitching duel between Joe Haas and Pat Ireland.

In the fourth inning Eric Safran led off with his second home run in the series. Although they had men on base, neither team could score the winning run until the eighth inning. The relief pitchers were John Menzo for the Reds and Oriole Eric Safran.

In the eighth inning Tom Aubrey hit a double and Dave DeClerk bunted, moving Aubrey to third. Aubrey stole home for the winning run to clinch the championship.

Reds' manager, Jim Rini said, "It was a great series because we're a great team and they're a great team." Little League President Werner Lueckhoff remarked that it was one of the most exciting series he had witnessed. Both teams celebrated by having pizza and a good time together.

Farms Offers Sports Action

The Eighth Annual Farms Tennis Tournament will be held Friday and Saturday, July 22 and 23, and Saturday and Sunday, July 30 and 31.

The tournament, open to all Farms residents, has categories for mens singles and doubles, women's singles and doubles and mixed doubles.

Tournament applications may be obtained at the gatehouse at the Farms Pier Park. There is an entry fee of \$2 for singles and \$3 for doubles.

The entry deadline is Thursday, July 21. The Farms also will offer its citizens tennis and swimming lessons lasting four weeks beginning Monday, July 18.

Registration for both will be held on Saturday and Sunday, July 16 and 17, from 10 a.m. to 4 p.m.

Tennis lessons will be conducted twice a week, one hour for each class. Registration is \$5 per person.

Swimming lessons will run Monday through Thursday. Registration is \$2 per person. For information on the tournament or lessons, call the park at 885-9535.

Interest Remains in Cul-De-Sac Plan

By Tom Greenwood
The plan to convert some Pointe streets into cul-de-sacs and mini-parks is alive and well, and growing, according to Conrad Sands of the Grosse Pointe Real Estate Co.

Mr. Sands and co-worker John Brinks are co-sponsors of the plan. "The idea of the cul-de-sacs is still very much alive," said Mr. Sands. "Right

now we've had 650 questionnaires we sent out returned. At least 602 of them are positive toward the program."

"We've also received many, many calls from residents in The City, Farms and Woods who see this as a solution to traffic problems on their streets," continued Mr. Sands.

"They like the program because it would reduce the traffic on residential streets." Proponents of the plan find the cul-de-sac proposal a plus because it would add aesthetic value to neighborhoods, cut traffic volume and raise property values.

Those opposed cite it as another example of Grosse Pointe isolationism, and possibly racism, since many of the streets as proposed would convert to cul-de-sacs at the Detroit boundary line at The Park.

"We intend to continue with our survey," said Mr. Sands. "The information we've received from the citizens is very encouraging. We believe 98 percent of those responding are favorable to our plan."

"Our next step will be to talk informally with planning commissions, probably in The Park first, since we've received the most response from their citizens."

Mr. Sands continued by saying many residents had formed their own block par-

ties supporting the cul-de-sac proposal, and hoped to present petitions to their city councils after he and Mr. Brink talked with the planning commissions.

"Our immediate goal is to complete our survey by the end of this month," said Mr. Sands. "Then we will talk with the planning commissions, if they will see us."

Paul Does Well At Golf School

Paul J. Quasarano, 15, of South Oxford road, recently attended the Pinhurst School of Golf for two weeks.

The objective of the school is to give each student the opportunity to learn as much about the game of golf through supervised drills and exercises, practice and playing lessons.

In a 36 hole tournament played the last two days of the school, he was a winner in the 36 hole stroke play handicap event and a winner of the driving contest. He was awarded a trophy for each event.

Most people find plenty of time to plan the work, but few find time to work the plan.

Distinctive Dining by Larry Lavigne Winston Churchill said of France that: "A country that produces 325 varieties of cheese cannot be governed." Today, France produces close to 400 kinds of cheese, each variety possessing a distinct and unique personality of its own. Different regions of France produce their own specialties; cheeses made from goat's milk come from Provence and the Loire Valley. Normandy, the milk and cream center of the country, produces Camembert and Pontif' Eveque. Munster comes from Alsace, and Paris that most prestigious of cities, produces Brie, the most prestigious of cheeses. Fortunately, for those of us who can't be in France when the urge for cheese is upon us, there are about 100 varieties of French cheese available in the U.S. today. Did you know that the grated cheese which we serve at LAMBARDI'S RESTAURANT, 17125 E. Warren at Cadieux, Detroit, TU 5-9100, is imported Parmesan cheese that we grate fresh as needed, in our own kitchen? This is only example of how we make sure that all of our food is fresh and delicious when we serve it! Even our bread is baked in fresh every day—it's not frozen. Enjoy distinctive dining at LAMBARDI'S RESTAURANT today! GOURMET TIP: Be sure you know which cheeses should be served cold or room temperature.

Bryant Discusses Bill On Juvenile Offenders

Society is breeding a privileged class of violent juvenile criminals who are treated as the children they are supposed to be rather than the brutal felons they are, charged Rep. William R. Bryant, (R-Grosse Pointe Farms), Republican floor leader, last week.

"The evidence throughout the country suggests that a tougher policy towards these violent youths reduces juvenile crime," Rep. Bryant

Drop Charges In Sillery Case

Medicaid fraud charges against Dr. Robert Sillery, of Lakeland avenue, were dismissed Monday morning, July 11, by St. Clair Shores Municipal Judge Craigen Oster.

Dr. Sillery, Oakland County's chief pathologist, was accused by the state Attorney General's office last January of billing Medicaid for \$1,526 for services allegedly performed by a partner several months after he left Dr. Sillery's St. Clair Shores firm.

Judge Oster said he threw out the charges because "no money was taken since the services were performed." Dr. Sillery's attorney, Robert Harrison, said the charges came from a complaint by the former business partner, Dr. Joginder Grewal.

Dr. Grewal charged he had been dismissed by Dr. Sillery and was seeking \$10,000 from Dr. Sillery because he had been dismissed without 30 days notice.

Dr. Sillery is the owner of four pathology laboratories in the Detroit area.

After the charges were dismissed, Dr. Sillery raked Attorney General Frank Kelley's office, saying, "This is all a lot of baloney brought about by an inefficient, inept and incompetent attorney general who needed a scapegoat."

A spokesman for Mr. Kelley's office said they intended to "take a good, hard look" at the written copy of the judge's order. He indicated they might appeal the ruling to the Macomb County Circuit Court.

Know Your Schools

By Dr. William Coats, Superintendent of Schools

Last week, at my invitation, Robert Welch, our system's director of secondary education, commented on the complexities of maintaining a quality instructional program in English.

He listed a number of elements which go into such a program, including administrative support, teacher effort and commitment and adequacy of budget.

This week I have asked Mr. Welch how he would remedy shortcomings in the English program at the secondary level. His response follows.

"Remedy" is too strong a word for improving what is basically a good English program for most students.

"Each of the 11 elements cited last week deserves a full discussion if it is to be understood objectively, and each element must be viewed as it is interrelated with other elements to form a complex pattern. We in Grosse Pointe have taken many steps to improve our English program.

"One difficult problem which we share with every other school district I know relates to teacher preparation. Few teacher preparation institutions effectively prepare English teachers as teachers of reading or writing or language.

"Most of us are far better equipped to teach literature than we are to assist students in developing reading, composition, grammar, usage, speech or listening skills.

"In fact, many teachers certified by the state to teach English have had virtually no training in one or more of these important areas of instruction.

"The National Council of

Teachers of English has, on occasion, urged changes in teacher preparation. In the past two years, the Department of Instruction of the Grosse Pointe Public School System has offered several in-service courses to teachers to help develop a greater teacher understanding in these areas.

Recent community expectations concerning the teaching of the so-called 'basics'—reading, writing, grammar, usage—emphasize areas which teachers coming out of training institutions are least equipped to handle with expertise.

"Further complicating our efforts on a national scale to improve English instruction is the fact that most schools, including ours, are forced to reduce staff because of decline in enrollments.

"For contractual reasons related to local qualifications for teachers, a teacher with high seniority but minimal qualifications in English can sometimes replace a highly qualified junior teacher.

"At this point, effective teacher evaluation becomes vital as does strong departmental leadership.

"This is only one of many problems. To suggest simple solutions to complex problems is of little use. Rather all of us—administrators, teachers, parents and students—should try to work together to constantly upgrade our English program and to resist the erosion of quality."

Next week, Robert Reimer, chairman of the English Department at North High School, will comment on English instruction in our system.

What Goes On at Your Library

By William T. Peters, Director of Public Libraries

Two large conventions held this year, one in San Francisco and the other in Detroit, may affect the reading you will be doing next fall and winter.

In San Francisco, over 16,000 persons registered at the 77th Annual American Booksellers' Assoc. Convention held over the Memorial Day weekend, while librarians, 9,400 strong, descended upon Detroit to attend the Annual American Library Assoc. Conference held at Cobo Hall in June.

Retail booksellers and librarians were treated to a look at the new books to be published within the next few months. They came away optimistic and excited about the new offerings.

James Herriot, author of bestsellers ALL CREATURES GREAT AND SMALL and ALL THINGS BRIGHT AND BEAUTIFUL, has another book ready entitled ALL THINGS WISE AND WONDERFUL.

It will be published by St. Martin's Press on September 27. Mr. Herriot writes of World War II and his induction into the RAF. We see him in training and go back with him on leave to Yorkshire. We meet old friends and new ones, too, each with a story to tell.

Virginia Holt fans will welcome her latest novel, THE DEVIL ON HORSEBACK, (Doubleday), which will be ready September 2.

Many of the familiar ele-

ments of the Victoria Holt historical romance are present in this latest triumph. The time is that of the French Revolution and Wilhelmina Maddox, spirited daughter of an English schoolmistress, falls in love with the Devil on Horseback, Comte Fontaine Delibes. Both face death when family turmoil erupts and the Terror engulfs France, but they escape and find the truest of true love.

Best selling author, Howard Fast, has another book which is a sure bet to make the list again.

THE IMMIGRANTS, (Houghton Mifflin), is the first volume of a projected California saga. Against a background of the San Francisco earthquake, World War I and the Depression, Mr. Fast constructs a vibrant story that ranges from fisherman's bar to tycoon's boardroom and pits the American Dream against the demands of conscience and love. TV serialization is planned.

Lillian Carter and Gloria Carter Spann AWAY FROM HOME: LETTERS TO MY FAMILY, (Simon and Schuster).

Here for the first time, "Miss Lillian's" letters home from her beloved second country, India, are made public. Written when she was nearing her 70's and in the Peace Corps, they afford a self-portrait of one of America's most admired women, and give a perceptive view of the people she served.

GOOD HOUSEKEEPING will serialize the book scheduled for publication in August.

Random House publishing house is planning an unprecedented million dollar national campaign to launch THE RANDOM HOUSE ENCYCLOPEDIA.

A one-volume encyclopedia with more than 13,800 pictures—over 11,000 are in full color with more than three million words of text. Encyclopedia Britannica Education Corp. is publishing a two-volume school and library edition.

Should this reference work be all that is promised, you may well have the whole world in your hand. Publication date will be September 30.

Lots of good books are being published and more are on the way. Good reading!

Woods Police Cut Overtime

A directive to all public safety department personnel, including clerk-dispatchers and civilian employees, on curtailment of overtime was issued by Public Safety Director Henry Marchand on Friday, July 1.

In an information sheet to employees, he said the 1977-78 departmental fiscal year budget reflects a drastic reduction in the amount of overtime authorized for the fiscal year.

As a result, the director stated all overtime except for emergencies, court examinations, Wayne County Circuit Court appearances and other unusual circumstances must be curtailed, effective as of the 1st.

At the same time, he indicated minimum shift strengths for platoons one and two were reduced by one person, and officers only will utilize their one assigned monthly court date unless ordered otherwise by the municipal judge.

In the past, Director Marchand said this streamlining measure has normally occurred after the first of the new year rather than at the beginning of the fiscal year. But he called this a "tight budget year" with city officials striving to keep taxes down.

As an example of curtailment, he said in the past a sergeant might stay over with some of his personnel and work into the next shift completing reports. Now, when a particular shift ends, and further reports still need to be completed, the sergeant and other officers will wrap them up the following day during their own shift.

Director Marchand added this overall tightening shouldn't have any effect on the department's performance in relation to serving citizens, with necessary follow-up in any given case continuing. "There will be no curtailment of any services at this time," he stated.

Peace Lutheran Prepares For 50th Anniversary

With Romans 12:5 "We, being many, are one body in Christ, and everyone remembers one of another" as the theme, more than 625 families of Peace Lutheran Church, 15700 East Warren avenue, Detroit, demonstrated their separate and unique talents by embroidering family names, crests, church themes and ideas into individual swatches of love and faith for a One Peace Church Family in Christ religious banner.

The occasion for the banner is the 50th anniversary of the chartering of the church in 1927. Diane Merkau, artist and member, designed, coordinated and stitched each swatch in place.

As a part of the congregation, an estimated 250 Pointe families also will participate in the celebration, said Marie Bergeon.

A 50th anniversary committee, along with the public relations chairperson, dedicated the banner of members to an entire year, 1977, of reflection, celebration and thanksgiving.

Recycling Nets Money for MDA

"Pennies from Heaven" for Jerry Lewis and the Muscular Dystrophy Assoc., (MDA), is the theme of a new program announced by the Reynolds Metals Co.

Reynolds will donate one penny for muscular dystrophy for every pound of aluminum recycled by the company's nationwide recycling drive during the month of August.

The collections are expected to exceed 10 million pounds.

The Eastland Shopping Center, 18000 Vernier road, is one of the recycling unit stops in the program. A mobile unit will visit the shopping center every Tuesday from 10 a.m. to 12 noon, beginning August 2. It will continue through Labor Day, September 5.

The penny a pound donation will be in addition to the 17 cents a pound normally paid to the public. The recycler may keep that money or donate it to MDA.

Father Lentine Gets New Post

Father Peter S. Lentine, Vicar of the Detroit-Pointes Vicariate and Pastor of Saint Philomena Parish, was recently appointed to a three year term as Archdiocesan Consultant by Cardinal John F. Dearden.

Father Lentine is one of seven priests in the Archdiocese who will be meeting regularly with the Cardinal to discuss the administration of the Archdiocese.

As consultant, Father Lentine's duties will be to advise and assist the Cardinal.

BALDWIN NAMED
Thomas D. Baldwin, of The Farms, has been appointed Chrysler Corp. Chief Patent Counsel. A veteran of 32 years in the company's patent office, Mr. Baldwin received a BS degree in mechanical engineering and a law degree from University of Michigan.

Nedzi Views Legislation Toward Tree Maintenance

Congressman Lucien Nedzi, (D-Mich.), is hopeful that this year the Congress will move favorably on urban tree legislation.

Both the House and the Senate have passed bills in this session to fund Dutch Elm disease control programs through the Forest Service, according to a news release from his office.

The House version sets aside \$1.5 million, to be allocated nationally, and the Senate version has a \$5 million figure. A compromise on funding is being worked out.

"Everyone knows the very obvious, very urgent police and health needs of most of our cities," Mr. Nedzi said. "But we also have to do some practical thinking about the conservation of our environment."

"The millions of trees which exist in our cities are a tremendous resource which can no longer be taken for granted."

The Detroit area has been particularly devastated by the rampant Dutch Elm disease. Since 1952, when the disease was first discovered, Detroit, for example, has lost 170,000 trees. Only 65,000 have been replaced. The Pointes also have been hurt by the spread of Dutch Elm disease.

Mr. Nedzi is one of the principal supporters of a second program which would allow the Forest Service to provide technical assistance to states so that states, in turn, could provide technical assistance to cities.

The practical effect of the measure is that cities will be able to acquire more technical competence to deal with catastrophic tree disease.

Such a program had been authorized in the past but never funded. Mr. Nedzi and Cong. Fred Richmond, of New York, led the effort to have the Appropriations Committee fund it at a \$5 million level.

The third arm of the Nedzi plan is his own bill to provide grants to cities for the planting of new trees. The projected funding is for \$12 million and seeks to preserve the so-called "urban forest."

Hearings on the Nedzi proposal were recently completed by the Forestry Subcommittee. "The plain fact is that many cities don't have the suggested project."

Thieves Hit Centerpoint

A neighbor who overheard youths haggling over loot from a robbery alerted City police to a breaking and entering at Centerpoint Crisis Center, 17150 Maumee avenue, on Sunday, July 10.

Police are questioning three 16-year-old Pointe youths in connection with the crime.

Centerpoint is located in the Unitarian Church building, directly across the street from The City police station.

In addition to the Centerpoint office, a trailer owned by Boy Scout Troop No. 86 that was parked on the property also was entered.

Among the items recovered by police from the church and trailer were a stereo and speaker set, 34 record albums, beer and wine, a tool box, an axe, butcher knives and two backpacks.

Farms Nixes Senior Site

The Farms Council at its regular meeting Monday, July 11, received and denied a communication from the North Cranbrook Assoc. requesting an opportunity to discuss the possibility of locating a senior citizen housing development within the city.

From Another Pointe of View

By Janet Mueller

The Champagne Special — an air-conditioned bus carrying a true "party" of Pointers — will leave the Grosse Pointe War Memorial's grounds at 6:30 o'clock Monday evening, August 1.

Destination is Novi's Twelve Oaks Mall which opens on "This Classic Night," sponsored by the Women's and Junior Women's Associations for the Detroit Symphony Orchestra to benefit the DSO.

Aboard with the Pointe Party will be box lunch/dinners, catered by the War Memorial, plus coffee, iced tea and complimentary champagne... and whatever other goodies, edible and drinkable, the passengers choose to bring along.

Accepting reservations for the dinner-transportation package at \$10 per person are Mrs. Wayne Wegner, of Edmondton drive, 882-2529, and Mrs. William Dunn, of University place, 886-8510. Checks should be made payable to This Classic Night.

Tickets for the opening itself at \$10 per person may be purchased separately by sending checks to This Classic Night, Ford Auditorium, 20 East Jefferson avenue, Detroit, Michigan 48226.

Questions? Pat Young, 886-6829, has all the answers.

Auxiliary Formed For War Memorial

Mrs. John H. Stephenson, Jr., is Chairing New Group, Which Held Its First Meeting in Mid-June; More Members Are Welcome

In a little under 30 years, the Grosse Pointe War Memorial has grown into the hub of the community: an increasingly important center for activities, services and educational opportunities.

Now some of the people responsible for this growth have agreed to form a Memorial Center Auxiliary, to further the facility's success and assist the staff in a variety of ways.

They intend to aid in the preservation of the center's beauty, brighten its image, improve its efficiency and insure community knowledge of and continued participation in its busy calendar of events.

Mrs. John H. Stephenson, Jr., of the center's board of directors, is chairing the Auxiliary.

The first step in its formation was taken on a morning in mid-June, when nearly 100 Pointers, representing a cross section of community leadership and interest, gathered in the War Memorial's Alger House for a coffee buffet.

This Auxiliary Steering committee, nucleus of the working auxiliary scheduled to swing into action in the fall, heard Mrs. Stephenson outline some of the volunteer opportunities available at the center.

They include host and hostessing for theater buffets, the Lighter Side of Life, the Adventure Series and special events and ushering for films, concerts and lectures, as well as historian work on

scrapbooks and the Book of Memory, cataloging of art objects, furnishings and hospital equipment, and decorating for holidays, ethnic programs and special occasions.

Floral arrangers are needed, and people to take care of the valuable plants in Alger House and the Fries Building.

There's a need for restoration, care of silver, mending, interior decoration, clerical assistance — from typing to bulk mailing — and last but not least: chaperoning.

Men as well as women are in demand, and anyone wishing to help will be eagerly welcomed.

Those who wish further information may contact the War Memorial, 881-7511, and ask to be put into contact with Mrs. Stephenson or one of her committee.

Among those on hand for the Auxiliary Steering committee's first meeting were: Mrs. Frederick Alger, Mrs. John W. Anderson, II, Marie Louise Anderson, Marion Bartush, Liz Bayer, Lois Beard, Mrs. Octave Beauvaia, Mrs. Noel Benjamin, Betty Bird and Barbara and Marion Bockstanz.

More were Peggy Boyer, Evely Bundeson, Aggie Buttrick, Leontine Cadieux, Catherine

Rites Celebrated In Connecticut

James Arthur Humphreys, III, Claims Virginia Latrobe Ruebensaal As His Bride; They Vacation on Bermuda

The United Methodist Church in Westport, Conn., was the setting for the Saturday, June 18, wedding of Virginia Latrobe Ruebensaal, daughter of the Clayton F. Ruebensaals, of Greens Farms, Conn., and James Arthur Humphreys, III, son of Mr. and Mrs. James A. Humphreys, Jr. of Cadieux road and Paget, Bermuda.

Officiating at the 4 o'clock ceremony was The Reverend Douglas F. Verdin, assisted by The Reverend Frederick Brunson of Detroit's Episcopal Cathedral of Saint Paul. A garden reception followed at the Rustic lane home of the bride's parents in Greens Farms.

The bride, given in marriage by her father, wore a sleeveless, white linen gown fashioned with an Empire bodice and A-line skirt with attached chapel train. Re-embroidered appliques of Venice lace accented the ruffled flounce of the rounded yoke at the scoop neckline and the deep, ruffled hem of the skirt and train.

Matching lace trimmed her fingertip mantilla of point d'esprit, and she carried a cascade of Sweetheart roses, stephanotis, baby's-breath and ivy.

Carrying a Colonial arrangement of yellow daisies and baby's-breath, with a small arrangement of matching flowers in her hair, was Elizabeth L. Ruebensaal, honor maid for her sister, who wore a yellow linen, Empire, A-line frock featuring ruffles at her scoop neckline, cap sleeves and hem.

The bridesmaids, carrying bouquets of white daisies and wearing similar gowns of mint green linen, were Mrs. Richard C. Henn, and Mrs. Hans S. Goeri, of Baltimore, Md., sisters of the bride-

groom, Kathy E. Latrobe, of Baltimore, cousin of the bride, Mrs. Robert E. Lee, of Lancaster, Pa., Mrs. Jack S. Alexander, of Lexington, S.C., Kathy A. Borges, of Baltimore, Sarah W. Peacock, of Columbia, S.C., and Mrs. Robert Hyde, of Calgary, Canada.

Best man for his brother was John Ford Jones Humphreys, of Los Angeles. Ushers were Nathaniel M. Semple, of Alexandria, Va., William T. Semple, II, of Richmond, Va., Peter F. Marvin, of Philadelphia, Pa., Jon E. Steffensen, of Boston, Mass., Arthur E. Wilmarth, Jr., of Washington, D.C., Robert E. Lee, of Lancaster, Pa., Roger Clapp, of Charlottesville, Va., and Jay K. B. Williams, of Annapolis, Md.

Honorary usher in absentia was Clayton F. Ruebensaal, Jr., brother of the bride, who is presently on duty with the Foreign Service at the United States Embassy in Bangkok, Thailand.

The bride was graduated from Staples High School, Westport, Conn., and Trinity College, Burlington, Vt., and attended the University of Copenhagen, Denmark.

Mr. Humphreys was graduated from St. Paul's School, Concord, N. H., and Yale University. After serving four years as an officer in the nuclear service of the United States Navy, he attended Harvard Law School, graduating in 1975.

After a wedding trip to Bermuda, Mr. and Mrs. Humphreys will make their home in Lancaster, Pa., where the bridegroom is associated with the law firm of Barley, Snyder, Cooper and Barber, and the bride is with the advertising department of the Burnham Corporation.

Susan Kerns Wed in East

At a late morning ceremony Saturday, June 18, in Our Lady of Fatima Church, Wilton, Conn., Susan Jean Kerns, daughter of Mr. and Mrs. Jack Allan Kerns, former University place residents who now make their home in Wilton, was married to James Michael Clements, Jr.

Monsignor Jean Tretreault presided at the 11 o'clock rites which were followed by a reception at Waveny House, New Canaan, Conn.

The bride's chapel length gown of white Venice lace was fashioned with a V-necked, cap-sleeved, fitted, highrise bodice and an A-line skirt extending into a chapel train.

Her illusion veil fell from a Juliet cap. She carried carnations and baby's-breath.

Honor maid Cynthia Hale, of Columbia, S.C., and bridesmaids Christine and Margherite Clements, sisters of the bridegroom, wore long, halter frocks of yellow Qiana printed in yellow, green and rust, and full-sleeved chiffon jackets, tied at their waists.

Baby's-breath was woven in their hair, and they carried yellow and white daisies and baby's-breath.

Vincent Clements was his brother's best man. They are the sons of Mrs. James M. Clements, of Washington, D.C., and the late Dr. Clements.

Ushering were Luciano Muzzatti, of Washington, Robert Mathias, of Columbia, S.C., and the bride's brother,

Married in June

At a late afternoon ceremony Saturday, June 18, in the United Methodist Church, Westport, Conn., VIRGINIA LATROBE RUEBENSAAL, daughter of the Clayton F. Ruebensaals, of Greens Farms, Conn., was married to JAMES ARTHUR HUMPHREYS, III, son of Mr. and Mrs. James Humphreys, Jr., of Cadieux road and Paget, Bermuda.

Christopher Kerns, of Bridgeport, Conn.

The mother of the bride wore a long, hand-screened geometric print dress of Indian cotton, in lime green and blue, and carried a single, long-stemmed yellow rose.

The bridegroom's mother's long chiffon dress was printed in shades of grey and black. Her corsage was a yellow orchid.

The newlyweds vacationed on Paradise Island, Nassau, the Bahamas. They will make their home in Washington.

The evening before the wedding, Mr. and Mrs. Edward Wastell hosted a dinner party at their home in Fairfield, Conn., for out-of-town guests, including Pointers Mr. and Mrs. John Hamal, Mr. and Mrs. Robert Rousseau and Mr. and Mrs. Thomas Coulter, and former Pointers Mr. and Mrs. Harry Whittingham and Mr. and Mrs. Robert Smith, who now make their home in South-

Ruth Johnson to Say Vows

Mr. and Mrs. John P. Johnson, of Birmingham, formerly of Littlestone road, are announcing the engagement of their daughter, Ruth Ellen, to Patrick Joseph Schneider, son of Mr. and Mrs. Jerome A. Schneider, of Barrington, Ill.

The bride-elect was graduated in 1972 from Grosse Pointe North High School and received her degree in 1976 from Western Michigan University, where she majored in Communication Arts and Sciences and affiliated with Phi Mu sorority, serving as its president during her senior year, and was treasurer of the Panhellenic Council.

She is currently with Joseph L. Posch, M.D., and Associates, P.D., in Detroit.

The prospective bridegroom, an alumnus of Saint Viator High School, Arling-

ton Heights, Ill, also received his degree from WMU as a Communications Arts and Sciences major. He affiliated with Sigma Pi fraternity, serving as its president during his senior year, and was sportscaster and director of Sports at WIDR, the campus radio station.

He is now associated with Rust-oleum, consumer product sales, in Evanston, Ill.

Scholarship Aid Offered by Women of Wayne

Scholarships for women over 25 attending Wayne State University as part-time students are being offered again this year by the Women of Wayne Alumni Association.

The tuition grants were established in 1966 to help women whose employment schedules or home responsibilities make full-time study impossible.

One hundred and forty-five women have been given awards in the first 10 years of the program. Prior recipients include teachers, artists, a research engineer, the co-owner of a handcrafted candle shop in Vermont, a public relations consultant and women in retail management, customer relations, occupational therapy, psychol-

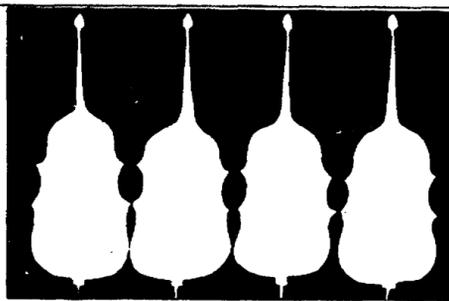

ogy and work with senior citizens.

One is state coordinator for a refugee resettlement program. Others are housewives or have returned to school for advanced degrees.

Applications are being considered now for fall through spring quarters. Forms are available at Alumni House, Wayne State University, Detroit, Michigan 48202.

Women of Wayne membership is open to any woman who has attended Wayne for a semester or more.

The organization also operates a Child Care Center on the University's main campus and sponsors a loan fund for women students which has issued over \$50,000 in temporary aid since its inception.

Busy Weekend Is Coming Up for Meadow Brook Music Festival

Stan Kenton's band, the Four Freshmen and Fred Waring's Young Pennsylvanians share this weekend's Meadow Brook Music Festival programming with an all-Beethoven and an all-Brahms concert by the Detroit Symphony Orchestra.

But the sentimental highlight will be Maestro Aldo Ceccato's final conducting appearances as music director of the Detroit Symphony Orchestra and of the DSO's summer home, the Meadow Brook Music Festival. He is leaving to devote more time as musical director of the Hamburg Philharmonic State Orchestra and to guest conducting appearances.

Leon C. Petrus, Festival managing director, commented that Maestro Ceccato

leaves his fans a symphony devotees in this area a rich legacy in the strength of the classical program he arranged for his final summer here.

Ceccato will conduct both tonight's and Saturday evening's Detroit Symphony concerts this week. For this emotion-charged occasion, he has asked Gordon Staples, the orchestra's concertmaster, and Italo Babin, principal cellist, to join with him Saturday in a performance of the Brahms Double Concerto for violin and cello, a work not heard at Meadow Brook since the Festival's inaugural season 14 years ago.

Originally scheduled to appear as guest soloist Thursday evening with the Detroit

Symphony, Argentine pianist Martha Argerich has canceled her complete summer tour, including Ravinia and New York's Mostly Mozart Festival.

A young American pianist of international reputation, Malcolm Frager, will perform with the DSO in her stead.

This evening's program is made up of three Beethoven compositions: Prometheus Overture, Piano Concerto No. 2 in B flat and Symphony No. 8 in F.

Stan Kenton's band and the Four Freshmen appear

in a double bill as the Friday night jazz concert attractions. The pairing is appropriate. It was Kenton who, in 1950, pointed the Four Freshmen toward their ultimate recognition as America's number one vocal and instrumental quartet.

After hearing them that year for the first time, he immediately arranged a contract for them with Capitol Records—and they were on their way to stardom.

Kenton underwent surgery last month, following an accident, but his band will appear whether or not he will

be at Meadow Brook personally. He is generally credited with starting the 1950's trend away from traditional to contemporary jazz.

Another name revered in popular music circles takes over the Meadow Brook stage for Sunday evening's pops concert at 7:30 o'clock.

Fred Waring, a veteran of vaudeville, motion pictures, radio, Broadway, television and the concert stage, has been making music for 61 of his 76 years.

Symphony Jrs. Host A Picnic

The Junior Women's Association for the Detroit Symphony Orchestra's picnic supper at Meadow Brook has become a summer tradition.

Each year, the Juniors provide an evening of fun and fellowship for members of the DSO, entertaining them at a pre-concert fete in the picnic area behind the box office if the weather is fair, backstage in case of rain.

The Juniors have a grand time doing it, too.

This year's picnic was last Saturday, July 9. Some 35 Juniors, their husbands and guests provided sumptuous food and delightful hospitality for the musicians and their families, plus special guests Aldo Ceccato, who conducted that evening's program, and soprano Grace Bumby, guest artist.

The event was chaired by Jan (Mrs. John) Beziak.

Book Bounty For Gardeners

The Grosse Pointe Garden Center library at the Grosse Pointe War Memorial has been enriched by over 50 illustrated books on gardening, the growing and arrangement of flowers, bonsai and espalier culture, flower lore and history.

Also in the collection are an encyclopedia on gardening and a three-volume set encyclopedia on horticulture.

The original cyclopedia was compiled by the famous Liberty Hyde Bailey, of Cornell University, a friend and contemporary of John Burroughs. First published in 1901, it has gone through many revised editions and is still a standard work of unmatched authority and comprehensiveness.

The books were presented by Robert B. Powers, of Whittier road.

Bethany East to Meet At Metropolitan Beach

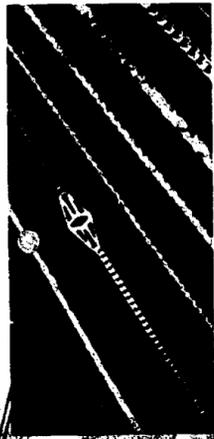

Bethany East, an organization for divorced, separated or widowed Christians, will hold its monthly meeting tomorrow, Friday, July 15, at 7 o'clock at Metropolitan Beach, where signs will be posted.

It will be an information evening, featuring informal discussions with guest moderators, free of charge.

Participants are requested to bring chairs or blankets and their own refreshments.

If it rains, the meeting will be held at Saint Peter's Social Hall in Harper Woods. Further information may be obtained by calling 465-0921, 881-8453 or 755-5359.

Ford Is Name on DIA Wing

A simple ceremony Wednesday, July 13, at 11:30 o'clock marked the re-naming of the south building of the Detroit Institute of Arts as the Eleanor and Edsel Ford Wing.

The Mayor of Detroit and museum officials recalled a lifetime of public service by the famous couple and the 55 years they served on the Arts Commission.

The former South Wing, originally dedicated in 1966, now will have Eleanor and Edsel Ford Wing inscribed in the marble on the building's exterior and on the bronze plaque inside the Farnsworth entrance.

Mayor Coleman A. Young of Detroit, Arts Commission President Lee Hills, Founders Society Chairman Stanford C. Stoddard and museum director Frederick J. Cummings were scheduled to speak at the ceremony in the Farnsworth lobby.

Also expected to attend were members of the Arts Commission including Henry Ford, II, who is continuing the family tradition on the body, trustees and the Founders Society and museum employees.

Edsel Ford (1893-1943), was appointed to the Arts Commission in 1925 and served as president from 1930 until 1943.

Eleanor Clay Ford, (1896-1976), was appointed in 1943, succeeding her husband, and served until her death last year.

Sheila A. Howell Wed In St. Paul's

Many Out-of-Town Guests Attend Ceremony; after a Wedding Trip to Nantucket Island, The Newlyweds Will Be at Home in Detroit

Sheila Ann Howell and Robert John Crandall spoke their marriage vows Friday, July 1, at 6:30 o'clock in Saint Paul's-on-the-Lakeshore. Monsignor Francis X. Canfield officiated. A family reception was held at the Country Club of Detroit.

The bride, daughter of Mr. and Mrs. Walter R. Howell, Jr., of Radnor circle, wore her mother's wedding gown of traditional ivory silk satin, with a cathedral train.

Its scoop neckline was outlined in rosepointe lace, embroidered in pearls. The veil, also worn by the bride's mother, was of rosepointe lace.

Sister of the bride Sara Lee Howell was maid of honor. The bridesmaids were Mallory Anne Boyle, of San Francisco, a cousin of the bride, and Margaret Crandall, sister of the bridegroom.

All wore yellow and peach flowered print gowns of polyester, with stand-up collars and Empire waists, and matching long jackets. They carried yellow and white daisies.

brother of the bride, and Jay Jacobs.

The newlyweds will be at home in Detroit's eastside after a wedding trip to Nantucket Island.

The bride's mother chose a street length dress of blue chiffon. The bridegroom's mother was in a navy blue silk print.

Out-of-town guests included Mrs. Matthew J. Hickey, of Evanston, Ill., grandmother of the bride, and aunts and uncles of the bride Mr. and Mrs. Thomas P. Hickey, of Larchmont, N.Y., Mr. and Mrs. John Hickey, of Glen-coe, Ill., Mr. and Mrs. Jerome E. Hickey, of Winnetka, Ill., Matthew J. Hickey, of Chicago, and great-aunt Miss Loretta Hickey.

Other guests were Mr. and Mrs. Robert Ramagy, and their daughter, Anne, from Buffalo, N.Y.

The bridegroom's aunt Mrs. Jerome P. Crandall and her daughter Anne, the bridegroom's cousin, came from Atlanta, Ga., for the ceremony.

Mr. Atkinson Takes A Bride

Timothy Ronald Atkinson, son of the George R. Atkinsons, of South Brys drive, claimed Debra Lynn Birkinshaw as his bride Saturday, June 18, at an early evening ceremony in the Botanic Garden, Forth Worth, Tex.

The Reverend Gayland Pool, rector of Fort Worth's Christ the King Episcopal Church, officiated at the 6 o'clock rites, which were followed by a reception at the Fort Worth Holiday Inn.

The former Miss Birkinshaw, daughter of Mr. and Mrs. Richard G. Birkinshaw, of Houston, wore a Victorian style gown of voile and lace, featuring an oval neckline, a Victorian hat trimmed with seed pearls and a floor length veil.

Her bouquet was fashioned of pink and white roses,

baby's-breath and stephanotis.

In beige and rose voile frocks and wide-brimmed hats trimmed with pink ribbons and roses, carrying arrangements of pink roses and carnations, were honor maid Evelyn Vaughan and bridesmaids Wendy Birkinshaw, the bride's sister, Nancy Gallagher, Becky Ellsworth and Carol Boome.

Donald Wolozko was best man. In the usher corps were Michael Wolozko, William Theuerkorn, of Lansing, David Ellsworth and Eris Lewis, both of Fort Worth.

The mother of the bride wore a long shirtwaist of ivory chiffon. The bridegroom's mother's gown, also long, was pink. Both mothers selected corsages of pink Sweetheart roses.

The newlyweds vacationed in Colorado, at Vail. They are making their home in Dallas.

The bride, who affiliated with Kappa Delta sorority at Texas Christian University, received her Masters degree from Texas Women's University. The bridegroom, a Grosse Pointe North High School alumnus, received his Bachelor of Science degree from Michigan State University. He is now associated with General Dynamics, in Fort Worth.

Out-of-town guests included the bride's grandparents, Mr. and Mrs. George Birkinshaw and Mrs. Charles S. Walsh, who came from Oregon, and the bridegroom's grandmother, Mrs. G. L. Atkinson, of Crawley, Sussex, England.

Coming from Grosse Pointe for the ceremony were Paddy Wolozko and Randy Mitsiff.

Fall Wedding Date Is Made

The engagement of Cynthia Marie Johnson and James Larry Schwartz has been announced by her parents, Mr. and Mrs. Charles M. Johnson, of Stephens road. An October 1 wedding is planned.

The bride-elect was graduated from Grosse Pointe South High School and holds a Bachelor of Science degree from Michigan State University, where she majored in Mathematics and Accounting. She is affiliated with the American Women's Society of Certified Public Accountants.

Mr. Schwartz, son of Mrs. Felipa Schwartz, of Wyoming, Mich., and Basil Schwartz, of New Port Richey, Fla., was graduated from Lee High School of Wyoming and holds a Bachelor of Science degree from Aquinas College of Grand Rapids, where he majored in Business Administration and Accounting.

GP Unitarian Singles Meet

James R. Wrixon, professor, private businessman, graduate of New York University, will speak on Activating Goal-Setting in Your Life at a Grosse Pointe Unitarian Singles' meeting next Thursday, July 21, at 8 o'clock in the annex of the Grosse Pointe Unitarian Church in Maumee avenue.

This is the third in a series of Unitarian Singles-sponsored lectures, to which response has been so gratifying that present plans call for continuing the programs on a monthly basis.

The Singles will hold social meetings the first Thursday of each month, lecture meetings the third Thursday. A wine, cheese and coffee afterglow will follow Mr. Wrixon's talk.

A Warm Welcome For New Neighbors

There was a grand gathering on the terrace of the Berkshire road home of Mr. and Mrs. Allen Middendorf a few days ago, as 30 neighbors gathered to welcome Mr. and Mrs. John Burry, Jr., and their children, Lynne, Amy and Peter, to Grosse Pointe Park.

The Burrys, (he is executive vice-president and treasurer of Blue Cross and Blue Shield of Michigan), have come from Richmond, Va., to live in Berkshire road.

Moore-Simonds Vows Exchanged

Both Are Employed by Chrysler Corporation; After a Wedding Trip to Northern Michigan, They Are at Home in Roseville

Saint Clare de Montefalco Church was the scene of the Friday, May 20, wedding of Barbara Ann Simonds, daughter of Mr. and Mrs. Frank John Simonds, of Devonshire road, and Timothy Allen Moore, son of the Donald E. Moores, of Warren.

The Reverend Francis R. McDonald officiated at the 7 o'clock rites. A reception followed at the home of the bride's parents.

The bride was attired in a floor length, chiffon wedding gown which had its bodice, cuffs, hem and detachable, chapel length train accented and edged with Alencon lace and seed pearls.

Her veil was attached to a Juliet crown of Alencon lace and seed pearls. She carried a cascade of daisies, baby's-breath and ivy.

Debra Joan Simonds, of Kalamazoo, served as her sister's maid of honor. She chose a floor length, yellow tulle gown with a deep, owl neckline and cap sleeves.

Bridesmaid Kitty Sue Moore, sister of the bride-

groom, and junior bridesmaid Laura Marie Simonds, another sister of the bride, wore gowns of pale yellow tulle. They carried nosegays of daisies and baby's-breath. They placed baby's-breath in their hair.

Serving as best man was Donald D. Moore, brother of the bridegroom. Ushers were Terry Spicer, of St. Clair Shores, step-brother of the bridegroom, and Michael J. Simonds, brother of the bride.

The mother of the bride chose a gown of cream crepe, while the bridegroom's mother wore a gown of blue crepe. Each selected a daisy corsage.

Both the bride and bridegroom are employed by Chrysler Corporation. After a wedding trip to northern Michigan, they are at home in Roseville.

Suburban Women Golf Group Holds Foursome

Suburban Women Golfers held their annual Scotch Ball Foursome Sunday, June 28, at Partridge Creek Golf Club, where cocktails and a steak dinner followed an afternoon of golf for members and their escorts.

President Mrs. Frank Florek introduced Mrs. Richard Lane, prize chairman, who distributed awards for events of the day.

Cited for low gross score were Mr. and Mrs. Arthur Bodeau. A. J. Cutting won for the longest drive for a man on the first hole. Mrs. Bert Quinn received the longest drive prize for the women.

Least putts award went to Mr. and Mrs. C. J. Persson. Cited for most one-putt greens were Mr. and Mrs. Jack Pascoline, for most bogies Dr. and Mrs. Paul Zavel, for most pars Mr. and

Art Institute Sets Matisse Exhibit Dates

The Detroit Institute of Arts has confirmed the dates of its most important exhibition of 1977: "Henri Matisse Paper Cut-Outs."

After the United States premier at the National Gallery of Art September 10 through October 23 in Washington, D.C., the huge and colorful cut-outs by the late French master, the undoubted giant of 20th century art, will be shown throughout two floors of the museum's South Wing for six weeks from Wednesday, November 23, through Sunday, January 8.

Mrs. Leslie Klauer. Prizes for a drive closest to the pin on the ninth hole were awarded to Mrs. R. R. Robinson for the women, to William Fair for the men. Prizes were awarded on the basis of only one prize per couple.

The Detroit showing, with complex shipping and installation requirements because of the fragile paper and coloring, will be presented at a cost of \$182,000, according to Dr. Frederick J. Cummings, museum director.

This gross expense, he said, will be underwritten by the Founders Society, the support group of the Art Institute, and by public and private grants. The exhibition was organized by the St. Louis Art Museum and The Detroit Institute of Arts.

The 58 Matisse works in the show include three 17-foot-high marquettes for the chapel in Vence, France, and the 54-foot-long "La Piscine," recently acquired by the Museum of Modern Art, New York.

Loans are from public and private collections on three continents, including the Vatican and Japan.

There will be a general admission charge of \$2.50 for adults, \$1.50 for students and senior citizens, and free admission for certain school groups and all children 12 years or under.

"Britannia," is reviewing an assembly of 150 international ships, formed in nine lines at Portsmouth, England, and aboard one of those ships, the USS Francis Marion, is Alfred L. Clavel, Jr. . . .

It's a super summer experience for last year's Grosse Pointe Summer High School graduate, a midshipman now at the United States Naval Academy.

He's the son of Mr. and Mrs. Alfred L. Clavel, of Lincoln road, and he's one of 400 midshipmen from Annapolis and collegiate Naval Reserve Officer Training Corps units embarked with a seven-ship task group assembled to visit the United Kingdom during June and July for the Queen's Silver Jubilee.

The Francis Marion, an amphibious assault ship homeported in Norfolk, Va., is under the aegis of Rear Admiral John C. Dixon, Jr., USN, commander of Carrier Group Six, official United States representative for the Silver Jubilee Review.

During the five-week deployment, training exercises are scheduled for all phases of naval surface warfare, including task group operations, shiphandling, gunnery, engineering, communications and electronic warfare.

But the review, commemorating the 25th anniversary of Queen Elizabeth II's coronation: a seven-mile formation of ships flanked by thousands of pleasure craft... that's a once-in-a-lifetime super summer experience.

And among those experiencing it is Alfred L. Clavel, Jr.

Visitors From Far Away
The Philip A. Mourads, of Three Mile drive, have been busy early this summer entertaining her brother, Camille Choueri, of Montreal, Canada, and his grandson Joseph, and Mrs. Mourad's nephew, Mounir Elie Choueri, originally from Beirut, Lebanon, a resident now of Paris, France. The visitors were taken on a Grand Tour of "everything interesting in Detroit," and were feted by the Mourads' friends at many private gatherings.

Miss Wieferman Wed to Mr. Seger

Early Evening Ceremony in mid-May Is Followed by Reception at Grosse Pointe Yacht Club; Pair Are at Home in Pontiac

An Empire gown of eggshell peau de soie, accented at yoke, sleeves and hem with pale pink, pleated sheer, with appliques of beaded Alencon lace, was Patricia Ann Wieferman's choice for her marriage to Robert Alan Seger.

Her lace-trimmed, cathedral length, illusion veil fell from a matching bouquet of daisies, white carnations, pink roses, stephanotis and baby's-breath.

The newlyweds vacationed in northern Michigan and are at home in Pontiac. In pale pink, A-line frocks with hip-length overlays of printed sheer, gathered at their waists with satin ribbon, were Susan O'Connor, honor matron for her sister, and bridesmaids Nancy Wieferman, their sister. AGENTS PREFER CRUISING—SO SHOULD THEIR CLIENTS

It seems that at long last at least an inkling of proof has leaked out supporting what was so long suspected — that travel agents, given a free choice of a vacation for themselves, would overwhelmingly select a cruise. According to the International Passenger Ship Association (IPSA) which had the survey made, 86% of the agents chose a cruise over a resort vacation, an air tour or a motor trip. And that fact, said IPSA, shows that travel-perceptive agents themselves realize the unique travel product that a cruise is. Cruising is 'the' package vacation — one price does it for accommodations, travel, food and entertainment. Add to this only the drinks you want to drink and the ship or shore shops you want to shop.

While we offer a variety of destinations, itineraries, and sailing dates, we realize your personal tastes must be taken into consideration. For that reason we recommend that you spend a few minutes with us. We can help you decide which is the best cruise for you. Which stateroom best meets your needs. Which time of year best fits your plans. Call the Cruise Desk at TRAVELWORLD, 882-8190.

Scouts Enjoy Super Summer

Summer vacation holds many new and exciting adventures for the four Grosse Pointe Girl Scouts who were selected to participate in the Scouts' Wider Opportunities travel program.

Senior Scouts Laura Price, of Troop 385, and Kathy Ziegler, of Troop 327, will attend a two-week medical career exploration event in Omaha, Neb., entitled "A Taste of Medicine."

Laura attends Grosse Pointe South High School. Kathy is a student at Grosse Pointe North. Both are considering nursing careers. As participants in this event, Laura and Kathy will attend workshops and discussion groups led by professionals from various medical fields. They will tour medical schools, hospitals, clinics and social agencies.

Accommodations will be provided at the College of St. Mary's, which is cooperating with the Omaha Girl Scout Council in sponsoring this educational event.

An interest in the history of particular areas of our country led Donna Camp, of Senior Troop 327, and Mary Wilson, of Senior Troop 385, to select their events. Donna will attend "American Heritage Along the Sky-

line" in Salem, Va., and Mary will go to Topeka, Kans., for "Kansas Sampler." Both girls attend Grosse Pointe South High School.

The Blue Ridge Mountains of Virginia are Donna's destination. She will spend 12 days there learning about and making a variety of mountain crafts.

Activities include tours of historic sights, a day at a model Colonial farm, an all-day trip to Fairstone State Park and tours of ethnic farm museums. The Scouts will be housed at Ferrum College.

The two-week event in Kansas that Mary will attend focuses on four areas: ecology, archeology, ranch life and Indians. The Scouts will explore eco-systems at Lake Perry, visit a cattle ranch and study both prehistoric and contemporary Indian culture.

Twenty-one members of the Girl Scouts of Metropolitan Detroit were selected to attend national and international events this summer.

The purpose of the Wider Opportunities program is to increase the girls' self-awareness and confidence through travel, while providing enjoyable, educational and career-oriented experiences.

Esther Gets AAUW Grant

Grosse Pointe American Association of University Women member Esther Y. Howell is among 130 recipients of the 1977-78 Research and Projects Grants totaling \$86,900 awarded by the AAUW Educational Foundation.

Ms. Howell will use her Project Renew Grant to pursue studies toward a Masters degree in Adult and Continuing Education.

The awards were presented at a special evening program of AAUW's biennial national convention, held in Minneapolis late last month.

The Association also announced the award of \$716,360 in American and International Fellowships for 1977-78.

At the same convention ceremony, the annual \$3,000 Achievement Award was presented to Dr. Gisela Konopka, of Minneapolis, director of the University of Minnesota Center for Youth Devel-

opment and Research. Dr. Konopka has authored 200 articles and 10 books including a definitive study in 1966, "The Adolescent Girl in Conflict." This book was followed by the 1976 study "Young Girls: A Portrait of Adolescence."

The \$1,000 Recognition Award for Young Scholars went to a 31-year-old marine biologist who is an assistant professor at Johns Hopkins University: Dr. Sarah A. Woodin.

Both the AAUW Fellowships Program and the Research and Projects Grants programs have grown in size and scope over the past year through the Association's Centennial Fund, which is enlarging endowment resources as AAUW approaches its centennial year.

More than \$4.3 million toward the \$10 million goal has been achieved through contributions from AAUW branches as well as gifts from individuals and corporations.

Miss Flora Bride Of Stephen D'Arcy

Following a Trip to Bermuda, Newlyweds Are at Home in Ann Arbor; Bride Wears Diamond and Sapphire Necklace, Bridegroom's Gift

Stephen Richard D'Arcy, son of Mr. and Mrs. Richard D'Arcy, of Peach Tree lane, claimed Deborah Gaye Flora as his bride Friday, June 24, at a 4:30 o'clock ceremony in the First Presbyterian Church, Ann Arbor.

The Reverend Robert Sanders officiated at the ceremony, which was followed by a reception at the Campus Inn.

The bride, daughter of Mr. and Mrs. Glen Flora, Jr., of Redford, wore a diamond and sapphire necklace, the bridegroom's gift. She selected a bridal gown of cotton eyelet batiste, its full skirt extending into a chapel train.

Her fingertip veil was of sheer organza, edged in lace. She carried a mixed bouquet of yellow Sweetheart roses, daisies, stephanotis and trailing ivy.

Maid of honor Phyllis

Indianer and bridesmaids Mrs. Peter Marwick, the bridegroom's sister, Mrs. Jeffrey Ladebauche and Maria Wolson wore floor length, sleeveless frocks of yellow dotted swiss, each with a matching cape.

They carried cascades of daisies, blue baby's-breath and trailing ivy, and wore matching flowers in their hair.

Serving as best man was Archie King, Ushers were Mr. Marwick, Paul Heimmler and Stephen Qualman. The mother of the bride was in a street length dress

Troth Is Told In The East

Former Pointers Mr. and Mrs. James R. McCarthy, who now reside in Sudbury, Mass., have announced the engagement of their daughter, Miriam Irene, to Robert E. Jones, son of Mr. and Mrs. Robert F. Jones, of East Arlington, Vt.

Miss McCarthy attended Grosse Pointe South High School and was graduated in 1974 from Lincoln-Sudbury Regional High School. Her fiancé is a 1974 graduate of Arlington Memorial High School.

Both are juniors at the University of Vermont, where Miss McCarthy is majoring in Business Administration and Mr. Jones in Forestry.

Both are active in ROTC and will be commissioned as officers in the United States Army upon graduation.

A June, 1978, wedding is planned.

of beige silk jersey. The bridegroom's mother wore street length, yellow and white cotton brocade. Both mothers selected cymbidium orchid corsages.

After a wedding trip to Bermuda, the newlyweds are at home in Ann Arbor.

Out-of-town guests included Mr. and Mrs. Glen Flora, of Clearwater, Fla., grandparents of the bride who will be a senior at the University of Michigan School of Engineering.

The bridegroom, a University of Michigan graduate with a major in Accounting, is now affiliated with Coopers & Lybrand.

Hunt-Hodges Troth Is Told

The engagement of Margaret Noelle Hodges and Duane Alan Hunt has been announced by her parents, Lieutenant Colonel and Mrs. Russell B. Hodges, of Highland, Calif. They plan to be married July 22, 1978.

Peggy, a graduate of San Geronio High School, San Bernardino, Calif., attended Indiana's Fort Wayne Bible College and will be attending Lutheran Hospital Nursing School in Fort Wayne.

She has been extensively involved in church and youth work, as has her fiancé, son of the Nolan Hunts, of Beaconfield avenue.

Duane, a Grosse Pointe South High School graduate, plans to attend Fort Wayne Bible College, studying to be a minister.

DEBORAH GAYE FLORA, daughter of Mr. and Mrs. Glen Flora, Jr., of Redford, and Mr. D'Arcy, son of the Richard D'Arcys, of Peach Tree lane, exchanged marriage vows at a late afternoon ceremony Friday, June 24, at the First Presbyterian Church in Ann Arbor.

Pesticides Need Proper Storage

Pesticides purchased last year may not be effective this year if they have been improperly stored, says Don Cress, Michigan State University Extension entomologist.

Cress notes that commercial pesticides purchased by homeowners are subject to two types of storage problems. Liquids become ineffective after freezing, and all pesticides can react with moisture in the air, which breaks down their active ingredients.

"If liquid pesticides, also called emulsifiable concentrates, freeze or get extremely cold, they will probably become ineffective," Cress says. You can tell if an emulsifiable concentrate has frozen, he suggests, by holding the jug or bottle up to the light and looking for layering or settling.

"Freezing causes the emulsifying agents to separate out of the mixture and form layers. Once the mixture has separated, it loses its effectiveness and should not be used. Be careful not to shake or agitate the bottle before checking it for layering and settling."

Don't think that, because the bottle hasn't broken, its contents haven't frozen. Emulsifiable concentrates can freeze and expand without breaking the bottle.

Moisture in the air can also render a pesticide useless or less effective by reacting with its active ingredients. Before assuming a pesticide is good, check caps and lids for airtightness.

Always tighten pesticide caps and lids before storing; a loose cap can ruin a pesti-

cide's effectiveness.

"Wettable powders can also be damaged by moisture in the air," Cress points out. "A wettable powder is a dry powder with a pesticide adhering to it. It also contains wetting agents that allow the powder to mix with water."

Cress points out that moisture in the air can pass through a paper bag and react with the wetting agents and pesticides in the wettable powder making the chemicals less effective. Check the powder for lumps—these indicate that moisture has gotten in.

Before storing wettable powders, squeeze all the extra air out of the bags, wrap each tightly with twine and then wrap each bag in a plastic garbage bag and seal it tightly. Then store in a cool, dry spot.

Pesticide dusts are similar to powders, but they do not contain wetting agents and are intended to be applied in a dry form. These dusts are also subject to moisture damage.

Because dusts do not contain wetting agents, they do not form lumps when exposed to moisture.

Cress says that you can usually assume, if the container isn't airtight, moisture will probably have reacted with the pesticide and made it less effective.

Year-round storage precautions are the only sure way to maintain a dust's effectiveness.

Pesticide granules are still another formulation of pesticide. These products also can be damaged by moisture if not stored in an airtight container.

Seek Superior Artists Throughout The State

The Michigan Foundation for the Arts is asking community arts councils and other persons interested in the arts to submit nominations for the 1978 Michigan Arts Awards.

Deadline for receipt of the nominations is October 15, 1977.

The awards, initiated last year, "will be given annually to one or more Michigan artists who have brought distinction through their artistic work to themselves and to their state," according to a Foundation statement.

Their purpose "is to give recognition to outstanding Michigan artists and to thereby promote development of a supportive arts environment in the state," the Foundation says.

While no fixed number or dollar amount for awards is specified under the program, last year the Foundation awarded five cash grants of \$2,500 each.

Nominees can be creative persons in any arts discipline who are approaching or are at the peak of their artistic careers.

In addition, all nominees

must have a substantial and visible association with the state of Michigan.

Nominations should include detailed information on the artist candidate, copies of critical evaluations, lists of performances, published works, exhibitions, significant achievements and other appropriate supporting material.

The actual award recipients will be selected by the Foundation's board of directors, with the assistance of selected consultants.

Forms may be obtained from Mrs. A. W. Rosch, Michigan Foundation for the Arts, 1200 Sixth avenue, Detroit, Michigan 48226, and must be returned postmarked no later than October 15.

Let's Talk Real Estate

by John E. Brink

When a home is purchased this is the time you can really take advantage of major changes to customize that home to your exact liking. There is no excuse to move into a home you have just purchased feeling you have made compromises! If you didn't like the kitchen it could have been completely redone to your exact fancy—even down to the custom stove and refrigerator or floor tiles! Perhaps you didn't like the bathroom—maybe a little too antiquated! It can be completely redone with new tile—fixtures—even a new tub or stall shower or bath. And what if you didn't like the size of the family room that maybe was connected from a porch? It could be doubled or tripled in size and even a fireplace added! So you say, "yeah, but you're talking thousands of dollars!" We say we're simply talking about a house that fits you perfectly and it costs so much—total. You don't have to buy the house and then make a separate loan for home improvements—it can all be added in the initial mortgage. Example: Say the improvements you want to make come to \$15,000. This means you come up with \$3,000 additional down payment and the balance of \$12,000 is added to your mortgage which increases your monthly payments by about \$95.00!

Smart people are looking for houses about \$15,000 to \$20,000 below their actual ability to purchase and then applying the improvements. It's an exciting way to buy and profitable immediately if you decide to sell right away.

At Grosse Pointe Real Estate Co. our staff designer is free for your use. We've done this dozens of times and would be happy to show you a few examples. Call us today 882-0087 there are hundreds of houses on the market right now that fit the formula we're talking about.

KAREN SMITH KIENBAUM IS A CANDIDATE FOR THE OFFICE OF GROSSE POINTE PARK MUNICIPAL JUDGE

She is competing with nine others for that position

DID YOU KNOW . . . that approximately 95% of the Court's business concerns criminal matters?

DID YOU KNOW . . . that approximately 50% of the offenders to come before the Court are in their teens or early 20's?

DO YOU KNOW . . . that five of the nine other candidates competing for the office of Municipal Judge have no background in criminal law?

Karen Smith Kienbaum does have extensive experience as a practitioner in the criminal field — she has taught senior high school for seven years and knows how to deal effectively with teenagers — Karen Smith Kienbaum has the background for the job and ideas for improving it.

Karen Smith Kienbaum received her Bachelor of Arts from the University of Michigan and her Juris Doctorate from the University of Detroit School of Law. She and her husband Thomas, who practices law, live at 871 Grand Marais with their daughter, Ursula.

Paid for by the Committee to Elect Karen Smith Kienbaum Municipal Judge of Grosse Pointe Park, 900 First National Building, Detroit 48226.

But we suggest you do so from the diving board. Or maybe just slip gently from the curving slide at poolside. Where do you fit in the picture? Maybe you are napping in the sumptuous, first floor master suite? Maybe you have escaped to the private apartment which is in a separate wing of the house? Perhaps you are puttering in the greenhouse? We suggest you spend a good part of the summer on a chaise by the pool. But take the plunge. We think you'll like it.

NEAR THE LAKE

A UNIQUE FRENCH COLONIAL with a touch of elegance from yesteryear. Built when cost was secondary to gracious living, this spacious home offers accommodations as complete and as modern as tomorrow including central air conditioning and an up-to-the-minute kitchen. Remodeled in 1975, all the original grandeur was preserved including Baroque rocco ceilings, warm walnut paneling and large marble foyer with graceful winding marble staircase.
If you have been looking for a larger home with "old estate" appeal, we can arrange a special showing at your convenience. For exciting details, call 884-0600.

CONTEMPORARY ELEGANCE

Elegant simplicity characterizes this luxurious California contemporary home designed by noted architect William Kessler, A.I.A. Nestled among towering trees on well over an acre of ground in the last of old "Pine Woods," the magnificent site is exploited through a unique combination of interior and landscape design giving each room its own view of woods or gardens.

The crisp architectural detail shows well the beauty of natural materials—black walnut, and white marble and the clean contemporary design conceals an unsurpassed range of mechanical and electrical conveniences of the highest quality providing easy living and maintenance. Landscaping with a Japanese flavor, is designed for low up-keep and the three patios, a central courtyard and a large gazebo make garden parties and outdoor living practical and easy.

Well adapted to family living, the spacious accommodations (over 5,300 square feet) include master wing, guest wing, tri-level living room with massive redwood beams spanning the 40x56' area with cozy step-down fireside area and complete electrical kitchen featuring 70' of counter space and every built-in. Of course there is much more to tell—call us at 884-0600 for more exciting details on this special offering.

FIRST OFFERING

OLD WORLD CHARM on this quiet little street tucked away in Grosse Pointe City. You won't believe how close you are to school, shopping, transportation, yet how remote it all seems. Quick occupancy in this three bedroom Colonial. It has a large kitchen, family room with bookcases, and a pretty living room with a bay window. Priced in the 50's.

886-5800

AUTHENTIC ENGLISH TUDOR, only two years old, but so cleverly done, that it seems to have been there forever! Featuring such luxuries as a master suite with fireplace and balcony; a superb Mutschler kitchen with built-in microwave oven; handsome family room with stone fireplace. Custom-built of finest quality (all wet plaster) and a great deal of taste and imagination.

777-4940

OPEN SUNDAY, 2-5. Owner is anxious to sell this 3 bedroom ranch in the Farms. There's a nice big kitchen with eating space and an adjacent family room. Great plan for entertaining! Be sure to see it Sunday at 479 Kerby — the price is modest.

886-5800

NICE FAMILY HOME, clean and pleasant, and priced to go easy on your budget — only \$19,500. Three bedrooms, full dining room, big kitchen. Close to school, transportation and shops. 50' wide lots with access to a great municipal park! A real family special.

886-5800

MOST UNUSUAL OFFERING, for the professional woman or man to live and work in the Pointe. Cox and Baker built this attractive Cape Cod residence with an attached office in a prime Woods location. The house is done in exquisite taste, with a large master bedroom suite on the first floor and two large bedrooms upstairs. Central air, of course. The office is equally well done, and includes attractive waiting room, powder room, four treatment rooms or offices, dark room, lab, executive office. A land contract is available.

886-5800

OPEN SUNDAY, 2-5. 196 Ridgmont in the Farms. Custom-built brick ranch on a secluded, quiet street, but still conveniently located for the Pointe's many attractions. You'll love the beautiful new kitchen and bath, and the cozy den. So see it Sunday.

886-4200

OPEN SUNDAY, 2-5. 451 Maison in the Farms. Heated, in-ground pool is only one of many attractions! Custom-built semi-ranch with three large bedrooms (one on the first floor), family room with view of the pool, beautiful decorating, unusually fine landscaping. See it Sunday to discover other goodies!

886-4200

PRETTY HOUSE in a delightful neighborhood — this three-bedroom brick with large kitchen and new deluxe carpeting. The backyard has many fine trees and a gas barbecue for casual summer entertaining. 2 1/2 car garage. A bargain at \$39,900.

886-4200

THIS LOVELY FARM COLONIAL in the WOODS has luxury features through and through! Just a very special house, with lovely landscaping, and you should see it soon, so you can enjoy the roses! Three large bedrooms, 2 1/2 baths, large kitchen, 19-foot family room. An excellent buy in the 90's.

294-6700

THREE BEDROOM COLONIAL in the Woods — and it's one of those rare houses that's just ready for your move. Everything shipshape — new kitchen, new carpeting throughout, new furnace, new roof, extra insulation, finished basement. Priced at just \$45,900.

UF Completes Review Of Budgeting Priorities

The United Foundation has completed the first comprehensive review and update of its six-year-old priorities system of budgeting Torch Drive dollars.

At a meeting last week in the Pontchartrain Hotel, the UF board of directors adopted the report and recommendations of its priorities committee for undated priority ratings covering 50 fields of program service, according to a UF news release.

The United Foundation's original priorities study, which was adopted in 1971, also defined and classified UF agency programs into 50 fields of service. Ratings of from first to fourth priority were then assigned to each field of service, with first priority being the highest.

The ratings not only serve as guidelines for UF budgeting federations in allocating Torch Drive funds, but also help agencies determine which of their programs have the highest priority for UF funding.

In remarks at the board meeting, United Foundation President Joseph L. Hudson Jr. stated that the priority ratings have proven most effective in allocating the \$208 million the UF has raised since the system was initiated six years ago.

Mr. Hudson explained that changes in the community affecting service delivery, as well as significant changes in the public and private financing of UF-supported agencies, were among the factors contributing to the need for a total update of the priorities system.

"Keeping the priorities current is essential if the United Foundation is to maintain a high level of accountability to its contributors, its agencies, the recipients of Torch Drive services and the general public," Mr. Hudson said.

Although new ratings for six fields of service were approved by the UF board in 1974, last week's report represents the first complete review and update of the present system, including the revision of all field of service definitions and background profiles.

According to Andrew W. Barr, chairman of the 30-member volunteer priorities committee that worked more than a year on the update project, some 24 fields of service will be affected by changes in priority ratings.

Mr. Barr told the board that it would take two years to fully implement the new priorities, with the responsibility for actual implementation falling to the United Foundation's budgeting federations.

United Community Services of Metropolitan Detroit and its member agencies will use new priorities in preparing their 1978 budget requests and allocations.

However, agencies budgeted by the United Way of Michigan and by the United Foundation directly must wait until 1979 to implement the new system since their 1978 budget requests have already been prepared in accordance with the old priority ratings.

As a result of the update process, three new fields of service were established: Short Term Counseling, Centralized Information and Referral and Social Research.

The priorities committee rated three other fields of service that had been reviewed but not rated in the original priorities study: Disaster Service, Group Home and Transportation Service.

In addition, the priority ratings of 11 fields of service have gone up, while the ratings of seven other fields have gone down.

Fields of service receiving higher priority ratings are Supervised Volunteers and

Counseling Services for Youth; Protective Services for Older Adults; Child Protective Services; Vocational Rehabilitation Services; Medical Care, (Inpatient) Specialized; Patient Services; Home Health Care; Camping Day; Camping-Resident; Social Recreation and Cultural Arts; and Youth Development-Group.

Fields of service receiving lower priority ratings include Adoption Service; Institutional Care for Children; Emergency Financial, Shelter and Supplementary Aid; Legal Services; Medical Supplies and Equipment Services; Special Educational Opportunities for the Disadvantaged; and Continuing Education for Professionals.

Five fields of service were discontinued: Social Services to Travelers, Newcomers, Migrants and Immigrants; Institutional Care-Mentally Retarded; Residence Service; Family Life Education; and Intergroup Relations.

Mr. Barr explained that the first step in the update process was to send a detailed questionnaire to all UF agencies asking for their suggestions for revising these definitions. Agencies also were asked to evaluate each component of the background profiles relating to their fields of service.

"While our decisions were necessarily somewhat subjective judgements," Mr. Barr said, "the committee worked hard to ensure that its ratings represented an honest assessment of the relative need for United Foundation dollars."

"Keeping the priorities current is essential if the United Foundation is to maintain a high level of accountability to its contributors, its agencies, the recipients of Torch Drive services and the general public," Mr. Hudson said.

Although new ratings for six fields of service were approved by the UF board in 1974, last week's report represents the first complete review and update of the present system, including the revision of all field of service definitions and background profiles.

According to Andrew W. Barr, chairman of the 30-member volunteer priorities committee that worked more than a year on the update project, some 24 fields of service will be affected by changes in priority ratings.

Mr. Barr told the board that it would take two years to fully implement the new priorities, with the responsibility for actual implementation falling to the United Foundation's budgeting federations.

United Community Services of Metropolitan Detroit and its member agencies will use new priorities in preparing their 1978 budget requests and allocations.

However, agencies budgeted by the United Way of Michigan and by the United Foundation directly must wait until 1979 to implement the new system since their 1978 budget requests have already been prepared in accordance with the old priority ratings.

As a result of the update process, three new fields of service were established: Short Term Counseling, Centralized Information and Referral and Social Research.

The priorities committee rated three other fields of service that had been reviewed but not rated in the original priorities study: Disaster Service, Group Home and Transportation Service.

In addition, the priority ratings of 11 fields of service have gone up, while the ratings of seven other fields have gone down.

Fields of service receiving higher priority ratings are Supervised Volunteers and

Reed, Judson Conduct at MSU

Pointe music instructors Russell Reed and Nathan Judson were two of six state educators chosen to be guest conductors for Michigan State University's, (MSU), summer Youth Music program.

Mr. Judson, director of instrumental music at North High School, directed the 86-member band during the first session and conducted a final concert on Friday, July 8.

Mr. Reed, instrumental music director at South High School, will lead the second session concluding with a final concert on Saturday, July 23.

Youth Music is a program for talented high school students sponsored each summer by MSU's department of music.

A total of 280 students will participate in the summer program, which includes two weeks of intensive instruction in large performing groups, music theory, conducting, small ensembles and solo performing.

SHS Students Attend Confab

Among 1,300 students from across the country attending the 41st annual conference of the National Assoc. of Student Councils were South High School students Amy Hartman and Leonard Bartoszewicz, accompanied by staff advisor Rod Scott.

Amy is a senior at South and vice-president of its student council. She is the daughter of Mr. and Mrs. Joseph Hartman, of Kerby road. President of the South council, Leonard is the son of Dr. and Mrs. L. J. Bartoszewicz, also of Kerby road.

The conference was held Sunday through Thursday, June 26 through 30, in Marlborough, Mass. Sessions dealt with educational, leadership and social issues.

As sideights, delegates visited Boston's Faneuil Hall, the Massachusetts State House and Old North Church.

Tophat Is Tiny New Blueberry

Competent gardeners who enjoy working with rhododendrons, azaleas and other fussy plants might want to add a Tophat to their gardens.

Tophat is a new dwarf ornamental blueberry variety developed by the Michigan State University Agricultural Experiment Station.

It is intended for use in ornamental plantings, outdoors or in an indoor planter, says J. E. Moulton, one of Tophat's creators.

The attractive plant is small, about 12 inches across, and round in form. Its small green leaves turn a brilliant red in the fall, says Moulton.

In May, it bears white flower clusters which give rise to bright blue fruit in July.

The berries are edible and delicious, but each mature plant yields only about one-half pint. The berries mature early, ripening around the middle of July in southwestern Michigan.

If you want to get any of the berries for yourself, Moulton suggests you place a protective netting over the fruit to save it from the birds.

Because Tophat has special needs, only those gardeners confident of their green thumbs should try to grow it. First of all, it needs an

acid soil with a pH between 4.5 and 5.2. Most garden soils are not naturally this acid and must be modified by working an acid peat or sulfur into the soil at planting time.

For fertilizing Tophat, Moulton suggests using a product formulated especially for rhododendrons and azaleas. This may be obtained from garden supply firms. Follow directions on the package for proper rates of application.

Careful attention to watering is crucial in growing blueberries. Moulton says to make sure the plants get a continuous and adequate supply of moisture. Blueberries are very susceptible to injury from drought, he points out.

For indoor gardening, Moulton advises Tophat will need a lot of light, either natural or artificial.

For further information and a source of the plants, contact Dr. Moulton in the MSU horticulture department.

Marines Take GP Park Title

The 1977 Park Instructional League Marines, undefeated in 14 games this season, completed their year by capturing the World Series Title in recent play.

Their manager, Rick Unti, with coaches Tim Sullivan and Jim Addy, had a season they and the team can be proud of.

Pitching for the Marines were David Arnold, Joe Sullivan and Tim Unti. The winning pitcher for the series game that saw three double plays was Unti.

Smashing hits for the Leathernecks in their 6-5 victory over Navy were Sean Bruce, Unti, Sullivan and Arnold. The winning run was scored by Bobby Hutchinson.

Garnering hits for the Navy were Paul Jackman, Brian and Kevin Aardema and Jeff Madar, Mike Congdon pitched for Navy.

The Marines consisted of Steve Addy, David Arnold, Bobby Hutchinson, Sean Bruce, Brian Curtiss, Marty

Hoffman, Mary Ann Montagne, Peter O'Leary, Tyler Steben, Joe Sullivan, Shiela Thompson, Franklin Unger, Tim Unti and Shawn Westervell.

The Navy team, managed by Stephen Madar, included Brian Aardema, Kevin Aardema, Richard Bell, Danny Cimini, Michael Congdon, Evan Frakes, Stephen Gaskin, Paul Jackman, Jeffery Madar, Jan Persidskis, Karen Sanders, John Scott, Kris Severson and Robert Sheldie. They posted a 11-3 season for a second place finish.

Village of Grosse Pointe NOTICE OF JULY COUNCIL MEETING

The Regular Council meeting of the Village Council of the Village of Grosse Pointe Shores will be held at 8:30 a.m. DST, Tuesday, July 26, 1977, at the Municipal Building, 795 Lake Shore Road, Grosse Pointe Shores, instead of on July 19, 1977, which is the regularly scheduled time.

The Village Council holds its regularly scheduled meeting on the third Tuesday of each month at 8:30 A.M., and meetings following the July meeting specifically scheduled as above will resume being held on the third Tuesday, the customary time.

Fruit Tree May Need a Friend

What do you get when you cross a fruit tree with itself? Sometimes fruit—other times, nothing. It depends on the kind of tree and the variety.

"Fruits arise from flowers," explains Jerry Hull, Extension fruit tree specialist at Michigan State University. "In most cases, for a fruit to form, pollen grains from the anther of the stamen must be transferred to the stigma of the pistil of the flower, where one unites with the female reproductive cell."

"As the new cell formed in this way begins to develop into a seed, the tissue around it begins forming the fruit."

Some trees, however, will not develop fruit if the flowers are pollinated with their own pollen. They require pollen from another variety. This is referred to as cross-pollination.

"Most apples, pears and plums are considered partially self-fruitful," Hull points out. "That is, self-pollination produces little or no fruit."

"Sweet cherries, with rare exceptions, are completely self-fruitful. Most peach and tart cherry varieties are self-fruitful. Then there are some fruit varieties that produce sterile pollen that will not fertilize other varieties."

Fruit growers must know the pollination requirements

of a desired variety before planting so they can provide for adequate pollination.

When choosing a variety to pollinate another, select two that bloom at the same time, Hull cautions. A very early blooming variety like McIntosh may complete its bloom before a late blooming variety like Northern Spy begins to flower.

For information on the pollination requirements of specific fruit varieties, ask the Wayne County Cooperative Extension Service office for Bulletin E-881, "Tree Fruit Varieties for Michigan."

Fairs/Festivals List Available

The Michigan Council for the Arts has compiled a "1977 Michigan Arts and Crafts Fairs and Festivals" list.

This is the second year the Michigan Council for the Arts has been able to offer this service, reported to be the most comprehensive and current available.

Approximately 170 Michigan fairs and festivals are included, plus a roster of arts and crafts organizations, guilds and studios.

Information on each event includes dates, deadlines, event name and sponsor, media accepted, eligibility requirements, location, entry fee and/or commission charged, prizes, estimated attendance and contact.

The 1977 Michigan Arts and Crafts Fairs and Festivals list is available free of charge by writing Michigan Council for the Arts, 1200 Sixth avenue, Detroit, Michigan 48226.

NOTICE TO THE ELECTORS AND TAXPAYERS OF THE CITY OF Grosse Pointe Park AND USERS OF THE CITY'S MARINA AT THE WATERFRONT PARK OF NOTICE OF INTENT TO ISSUE MARINA IMPROVEMENT REVENUE BONDS PAYABLE SOLELY FROM THE REVENUES OF SAID MARINA AND SECURED BY A STATUTORY LIEN ON SUCH REVENUES AND THE RIGHT OF REFERENDUM RELATING THERETO.

PLEASE TAKE NOTICE that the City Council of the City of Grosse Pointe Park intends to issue and sell Marina Improvement Revenue Bonds pursuant to Act 94, Public Acts of Michigan, 1933, as amended, in the total principal amount not to exceed One Hundred Seventy Thousand (\$170,000.00) Dollars, for the purpose of paying the cost of certain repairs, improvements and extensions to the City's Marina at the Waterfront Park at the foot of Barrington Road to consist of 57 new boat wells and necessary pilings and docks thereat.

The bonds will mature in annual installments beginning June 1, 1979, through June 1, 1986, with interest rates to be determined at public sale but in no event to exceed eight (8%) percent on the unpaid balance from time to time remaining outstanding on said bonds.

SOURCE OF PAYMENT OF REVENUE BONDS

THE PRINCIPAL OF AND INTEREST ON THE REVENUE BONDS shall not be a general obligation of the City, but shall be payable solely from the net revenues derived

from the operation of the City's Marina. Those revenues consist of rental charges for use of the Marina's boat wells and from time to time they may be increased in order to provide sufficient revenues to meet expenses of operating and maintaining the Marina and to pay the principal of and interest on the bonds and to provide reserves therefor. A schedule of the rental charges currently in effect is on file in the office of the City Clerk.

RIGHT OF REFERENDUM

THE REVENUE BONDS will be issued without vote of the electors unless a Petition signed by not less than 10% of the registered electors of the City is filed with the City Clerk within forty-five (45) days after publication of this Notice. If such a petition is filed, the bonds may not be issued unless approved by a majority vote of the electors of the City voting on the question of their issuance.

THIS NOTICE is given pursuant to the requirements of Section 33 of Act 94, Public Acts of Michigan, 1933, as amended.

ADDITIONAL INFORMATION will be furnished at the office of the City Engineer upon request.

In The Bird's Nest
This year's Channel 56 Auction, held last April, offered nine chances to meet Mark Fidrych — and three of those chances went to young Pointers.

Enjoying a personal visit with "The Bird" during a recent pre-game warm-up at Tiger Stadium were Dawn Lochniskar, whose family was the auction's highest bidder on one chance to meet her hero, and Michael Seward and Derek Stevens, who owe their chances to shoot the breeze with The Bird to friends of their families.

The 1977 auction, an annual fund-raising event, netted \$534,878 for the support of Detroit's only Public Television Station.

An Excellent Idea

Grand Marais Questers have already begun setting up their agenda for 1977-78. Mrs. William S. Potter, of Westbury drive, was hostess for a program planning meeting in late June.

The first meeting of the new year is scheduled for September 9, and—as usual—the program will be included in the handbook distributed to all members of the chapter, a branch of the national organization of antique-collectors/seekers/admirers.

Meanwhile, the Grand Marais group has come up with an excellent idea. It has donated \$50 to the Grosse Pointe War Memorial, to be applied to some restoration project: a "nest egg" to which other groups or individuals may donate.

Mrs. Joseph P. Thompson, the chapter's treasurer, has been advised by the War Memorial's John Lake that the Sea Chest in the center's library, dated 1664, has been selected for repair with these initial funds.

Very Special 65th Birthday

Indian Village Tennis Club, the community's oldest tennis club, celebrates its 65th anniversary this Saturday, July 16, with a party that will be attended by more Grosse Pointers than any other group, according to John L. King, of Wellington place, club president.

Mr. King, who is also a prominent attorney and mayor of the City of Grosse Pointe, pointed out some of the unique characteristics of the venerable tennis club in Parker avenue.

It was founded in 1912 by many prominent Detroit and Grosse Pointe families. It is probably the only tennis club in the area with a waiting list every year for membership. It has a voluntarily integrated membership that could serve as a model for how integration is supposed to work.

Other local residents who serve as officers and/or directors of the club are the Harry Mellens of Lakeland avenue, Joe Kristufek, club treasurer, of Whittier road, Frank Dillon, of Calvin avenue, the Richard Ralphs, of University place, the Frank Husters, of Berkshire road, and the J. Nora Skitch to Head National DBE

NORA CONKLIN SKITCH, (left), of Balfour road, was installed as national president of the Daughters of the British Empire at special ceremonies held recently at The Mayflower Hotel in Washington, D.C. Among those on hand to applaud her were **LADY FRANCES RAMSBOTHAM**, wife of His Excellency, the British Ambassador to the United States, and **MRS. GRAHAM WHITEHEAD**, (right), of Greenwich, Conn., outgoing president of the DBE.

Mrs. Skitch, past-president of the Michigan Daughters of the DBE and an internationally-known concert singer, was invested with the Most Excellent Order of the British Empire by Queen Elizabeth II at Buckingham Palace two years ago. The DBE is a philanthropic organization of women of British descent whose primary United States concern lies in maintaining homes for the elderly.

Form Center Auxiliary Festival

(Continued from Page 17) Sheldon, Ann Sherer, Harriet Slowin, Mrs. Jack Stephenson, Mrs. George Steyer, Gail Stroh, Charity Sucek, Ruth Truhol and Lee von Berg.

Others were Mrs. Ray Walk, Mrs. Dick Warner, Katherine Welcenbach, Mrs. H. Sook Wilkinson, Frances Wilson, Gloria Wood, Jane Wood, Aileen Young, Laura Zolad, Mary Jean Harland, Peg Jordan, Elizabeth Wheat, Leontine Keane, Marion Bejin, Pat Liston, Carolyn Kross, Evelyn Scales, Janet Moon, Olga Denler and Alice Gordon.

At the mid-June meeting, they filled out cards indicating areas of their particular interest and giving suggestions for other ways the corps could assist the center.

The session ended with a group tour of the War Memorial's new wing, to be completed this summer and dedicated September 7.
