

HEADLINES of the WEEK As Compiled by The Grosse Pointe News

Thursday, March 29 RADIATION WAS DE-TECTED 16 miles away from the site of a nuclear reactor leak near Harrisburg, Pa. Government investigators termed the leak "a serious contamination problem," as radioactive readings inside the plant jumped to eight times the lethal level. A malfunction in the cooling system caused contaminated steam to escape into the atmosphere, spreading over an area populated by about 13,000 people. Officials had not determined the problem serious enough to evacuate the residents.

Friday, March 30 REPORTS THAT THE CARTER administration would relax its anti-inflation guidelines brightened hopes for a settlement of contract negotiations between the Teamsters and the trucking industry. Mr. Carter's infla-tion fighters apparently have found it hard to stick to the guidelines in the face of the latest figures that show inflation jumping at a 15 precent annual rate, administra-tion sources say. In others news, the federal government ordered an investigation into whether Americans are being subjected to dangerous amounts of cancercausing asbestos from handhold electric hair dryers.

Saturday, March 31 THE NUCLEAR REGULA-TORY commission officials said the damaged Three Mile Island power plant still faced the ultimate threat of a meltdown of its core --- the worst possible catastrophe at a commercial facility - three days after the original accident

Students from Our Lady Star of the Sea enjoyed festivities at the Metropolitan March of Dimes Superwalk '79 Kick-Off held recently at Rackham Auditorium, Detroit. Participants included, seated, (from left to right), KATHY SHIELD, 18; KATHY ROARTY, 15; CATHY BOYLE, 15; MARTHA LYNCH, 17; JULIE PUCHER, 18; and standing, (from left to right),

Planners in **GPW** Alter Document

Parts of Proposal Acquiring New Look As Sub-Committee Makes Several Adjustments; Discussion to Continue at April 10 Meeting

By Roger A. Waha Parts of the proposed land use plan in The Woods is beginning to take on a new shape as the Planning Commis-sion at its regular meet-ing Tuesday, March 27, heard a report from a commission sub-committee on potential adjustments in land use which could become a reality, pending the entire body's approval.

Formed at the commission's meeting in February to explore and make suggestions for change in light of several new thoughts which were expressed, various members of the sub-committee met on two occasions to discuss planning consultant Brandon M. Rogers' document,

"The new plan has a lot more imagination," said Mr. Rogers, who is working closely with the sub-commit-While Brys drive has been tee as the transition unfolds. he key focal point, the situ- While praising the sub-committee for its openness to new ideas, he also urged the commission, (which meets again Tuesday, April 10, at 7:30 p.m.), to come to a final decision so a public hearing on the document can be scheduled as soon as possible.

A nearly 30 percent wage increase over three years has been

offered by the industry, according to its chief negotiator.

Monday, April 2

THE BATTLE LINES an being drawn on Capitol Hill over a fiery political question — should Congress re-vive the military draft? At least half a dozen bills already are in the hopper, with proposals for military registration for all 18-year-olds, a limited draft lottery and compulsory civilian service for all young adults. While nobody will predict its final form, some kind of military service bill is expected to reach a House vote by June.

Tuesday, April 3

THE DANGEROUS HY-DROGEN BUBBLE that had formed in the core of the crippled Three Mile Island nuclear reactor has shrunk dramatically, officials said, reducing greatly the risk of explosion or meltdown. Nuclear Regulatory Commission officials and spokesmen for the plant owners, Metropolitan Edison, once again disagreed as to how much the situation had improved. The away, bubble, formed by the breakdown of cooling water molecules, had grown in size over a period of several days, threatening further meltdown of the core and explosion of the volatile gas trapped in-

side.

The Woods will applan to realign Pointe school district voting precincts this spring because of a dispute between the city and school officials over money.

The total amount involved is about \$700-a sum Woods officials say would cover the city's costs for cooperating

Instead of agreeing to pay a set amount to the municipalities, school officials would prefer an open contract that simply states the system will cover any expenses incurred by the city. Like agreements have already been approved by The City, Park, Farms and Shores. "Matter of Principle"

"What the schools are trying to do is effectuate a considerable savings at the city's expense," charged Woods City Administrator Chester E. Petersen. "If the other cities want to roll over and play dead, that's their business, but we're not going along with it."

The city manager accused the schools' Director of Business Affairs Larry Rankens of "trying to intimidate me"

by having people call his office to say what The Woods

dispute is a "matter of principle.

"I don't think The Woods I don't feel it would be fair to pay that kind of money to one city and not to the others," Mr. Rankens said.

Meanwhile, Vernier road,

areas including the Mack avenue strip, the northwest originally eyed principally for single family dwellings, area of the city and Vernier with limited two family resi-

dential use, is now being considered more as a medium density area with certain portions falling under this proposed category.

A possible widening of the thoroughfare also is being discussed in relation to some mixture of single family and townhouse units to accomo-date an altered traffic pattern.

The status of the Seven-Mack Shopping Center area basically remains unchanged at this time with the land use plan foreseeing a strong potential for a multi-purpose commercial center at that location which will add a substantial tax and employment base to the city and provide a focal point of activity.

Citing the need for cooperation between both city officials and Saint John Hospital representatives, the plan supports a hotel/convention/ restaurant facility with integral underground or deck parking on commercially

Program Eyes 'Supersewer'

School.

'Supersewer" and what the huge project would mean to the Detroit metropolitan area is the subject of an upcoming television show, according to a Wayne County Board of Commissions news the release.

The proposed project will dents for 1978. be discussed on the Saturday, April 7, segment of FYI (For Your Information) DE-TROIT, the weekly public affairs program which airs at 12:30 p.m. on Saturdays on WDIV-TV, (Channel 4).

Known officially as the Huron Valley Wastewater Control System, the plan consists of a 69-mile-long underground sewer pipe, fed by lateral sewers. The \$200million system would extend from southwest Oakland County down through western Wayne County. A large sewage treatment plant in Brownstown would discharge drinking-quality water a mile out in Lake Erie.

The television program will feature interviews with Easter Dinner two key leaders of the agency

planing the project. They are William Sullivan, chair-man of the Wayne County Board of Public Works, and Duane Egeland, director of engineering for the Wayne County Department of Public Works. Mr. Sullivan is the former mayor of Wyan-

dotte. The television program is timely because the long-awaited decision by the U.S. Environmental Protection Agency regarding the future of "Supersewer" is expected shortly.

One of the issues involved is future growth in the suburbs

CHILDREN COME HIGH The Department of Agriculture estimates that it now costs \$89,038 to raise a farm boy from birth to age 18 on "liberal" budget. Girls come a little cheeaper-\$87,-920. But if only a "moderate" standard of living is provided, both figures are equiced.

Cab Plate Fees

The Park Council at its regular meeting Monday, March 26, voted to hike the fees on taxicab bond plates and public vehicle, (PV),

licenses by 50 percent. Cost of bond plates were raised from \$50 each to \$75, and initial PV licenses, needcd to operate the cabs, were increased from \$5 to \$10. The plates and the licenses

must be renewed each year. The PV license renewals was upped from \$3 to \$5 a year. At its previous session

held on Monday, March 12, the Warner-Lambert Comthe council adopted an amendment to the existing

ordinance, controlling the operation of taxicabs in The on their scholastic achieve-ments, leadership, polse, per-Park by eliminating the prosonality and appearance. Many people are quite surprised when they find out how fast the residential market turns over. There are some statistics that say one in sixteen homes sell annually. There is another figure bounced around by the franchise companies that the average home in the U.S. turns over every three years.

If you take a community like Grosse Pointe of only 20,000 homes this seems like everybody must be moving all the time. Who are these people? Well, we have many people who have lived here all of their lives. A young couple of twenty two purchase their first home. At age twenty seven they have two children and have advanced considerably on the corporate ladder of the business world. This calls for house number two. By the time they reach thirty two things are still progressing family wise as well as business. Perhaps another couple of children and by now their salary has more than tripled. House number three is designed more for full family living and entertainment but it still isn't quite as good as the boss would like. So you make your fourth move to match the Vice-Presidency you just received along with another fine pay raise. House number five is the grand one and it comes along with the Presidency and another fantastic promotion. And now the kids are all graduated and the President's home is kinda lonely. But we linger on and on-not quite sure that a move to a smaller home--more cozy and easier to manage is the right thing to do. Finally, when it's quite obvious that the move "down" is not g financial issue you make the move again. This is six moves and you're still under 60 years of age!

You're probably ready to make one of these moves yourself. If you're not ready right now you probably will be soon. Why not call the people at Grosse Pointe Real Estate Co. 882-0087. They will show you how to plan a move that is as far away as two years. There are things to do that you might not realize that could save you thousands of dollars. Call us now!

Music Service

"It Took A Miracie," the newest musical from the pro lific pen of John W. Peterson, will be presented by the the Grosse Pointe Baptist Church, 21336 Mack avenue,

on Palm Sunday, April 8, at 8:30 p.m. Under the direction of

of music, the evening will be highlighted by special guest soloist, Phyllis Gehman from Waterford Mrs. Gehman is soprano soloist of Christ Church, Cranbrook, and at Temple Emanu-El. She also has sung with

the Michigan Opera Theater transmitted simultaneously. and has done extensive work throughout the tri-state area in the field of Oratorio and

In addition, the musical presentation will dramatically portray the trial of Christ The system transmits video before II is crucifixion as tapes, slides, charts, graphs | narration by Ed McKeehan cal account of the last events in Christ's life.

A full orchestral back ground will provide musical accompaniment for the 45voice choir. The public is encouraged to attend this dramatic musical entrance into "Passion" week at the church.

U.S. households are consuming an average of 1,389 gallons of gasoline each year, according to the Department of Energy. It works out to

credit," says Office of Serv-Elicabeth J. Ferguson.

Persons 65 years of age or older who qualify, she says. have until Monday, April 16, to file for the credit. Applieation for the rebate is on

the same form as that used to claim a refund of local property taxes. The credit is provided through the 1978 Michigan exemptions. Home Heating Assistance

Program, currently administered by the Michigan Department of Treasury, According to Treasury Department officials, it appears that many eligible senior citizens are not participating in the program because they are confused about how to apply for the rebate.

The confusion apparently siems from the fact that the program does not operate in the same way as it did last year when it was administered by the Michigan Department of Social Services.

A major improvement is the way in which home heating credit is being handled under the new program. No longer is the amount of relief being paid to the utility company. Rather, those home owners and renters who qualify, are receiving a refund check directly from the De-

partment of Treasury "High energy costs are us-ually a severe burden to sen-

ior citizens who are often- world.

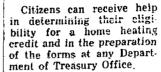

Home Heating Credit Viewed

"It's still not too late for times faced with very limited senier cliffons, burdened by incomes," says Ms. Ferguson. the high cost of energy, to The horize heating assistance apply for a home heating tax program was devised to assist low income families and ices to the Aging Director senior citizens. "Therefore, we encourage all who think

they might qualify for the home heating credit, to invettigate their eligibility before it is too late.'

The amount of heating assistance payment is determined by a formula relating to the applicant's household income and the number of

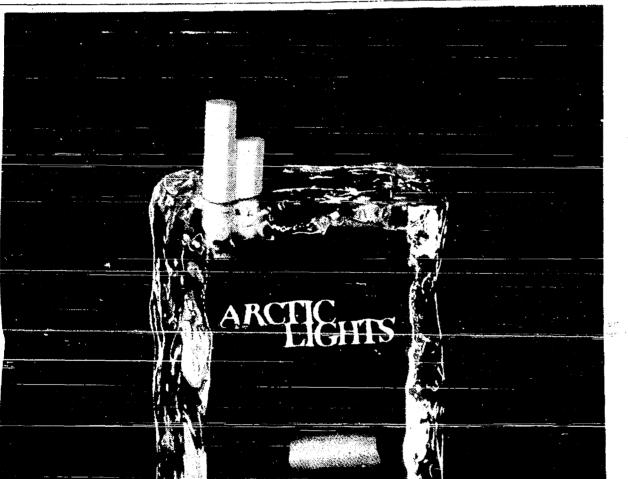

Assistance is available to persons with household in-comes of no more than \$10.585 a year and liquid financial assets of no more than \$30,000. Senior citizens age 65 and older need not count the proceeds of the sale of a home as liquid asset if the home was sold within the last two years.

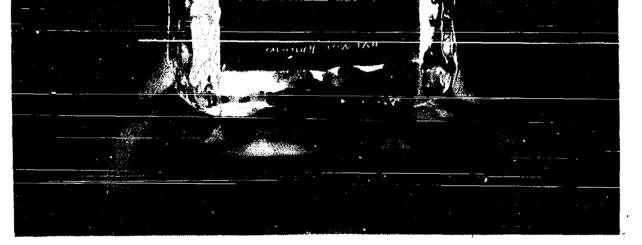

Applications for the home heating tax credit are available from the Department of Treasury and the State's 13 Area Agencies on Aging. Persons who have already filed their income tax returns, but failed to file for the home heating tax credit, can file amended returns.

Now that quarterly savings interest is being paid, and many certificate savings accounts are maturing, you should take a close look at the interest your savings are earning.

Savings accounts at First Federal Savings of Detroit earn the highest annual interest rates any bank or savings association can pay on insured savings. You can see in the chart that we offer high interest on regular savings. Or you can choose from a variety of certificate savings plans. All designed to help you have more money than you started with. Of course, Federal regulations require a substantial interest penalty for early withdrawal from certificate savings accounts, so it's wise to leave your money in the account for the full term.

If your savings aren't earning this much, now's the time to move your money to First Federal. A member of the Federal Savings and Loan Insurance Corporation. Where your savings are insured to \$40,000. We know what money is for.

Type of Account	Minimum Amount	Annual Rate	Effective Annual Rate	Minimum Amount Plus Interest At Maturity
8-Year Certificate	\$1,000	8%	8.24%	\$1,884.54

GROSSE POINTE NEWS

Easter Eggs Are Works of Art

of View By Janet Mueller

Our Lady Star of the Sea Parish will celebrate. its first quarter century Saturday, May 5, at a Silver Star Ball at the Grosse Pointe Yacht Club. It's both a formal and a family party. Its spon-day party for former Pointer sors, the Parish Council, hope that all parishioners, FRANK DAVID PARKER, singles as well as married accurate

singles as well as married couples, will participate. The council has also extended an invitation to all original parishioners, for the parish family, like the "family" family, embraces those who have been

part of it, no matter where they are now, as well as those currently in residence.

Honorary chairman of the Silver Star Ball is The Reverend Ralph V. Barton, Our Lady Star of the Sea's current and founding pastor.

General chairmen are Alice and Grover Cheffins. Arrangements are being handled by Ginny Rhode and Shirley and Dick Martin, invitations by Joanne and Robert Hamlin.

Tabulating the reservations are Maureen and Richard Mullaney and Catherine and Thomas Petz. Decorations are the province of Mary Alice and Joe O'Toole and Patty and Charlie Stumb.

Phyllis and Shad Kozlowski are in charge of hosts and hostesses, Gloria and Jim Barker of finance, Evelyn J. Wayne of publicity. Official photographers are Richard and Cass Pieronek.

The party will begin with a reception, at 6:30 o'clock. Dinner, featuring filet mignon and plenty of champagne to toast the original parishioners, will be served at 8.

Dancing begins at 9 o'clock, to music by the Fenby-Carr Quintet featuring Belinda Blanchard.

"In 25 years," says Ralph Kliber, general chairman of the Silver Jubilee committee, "more than a generation has passed. The entire sequence of birth, baptism, communion, education, marriage and new birth has occurred during the life of Our Lady Star of the Sea.

"Every parishioner's life has been touched for the better. Some have been called to their eternal reward. The Silver Jubilee celebration should cause us to pause, step back and see where we are and

how we got here. We cannot help but be joyful and thankful: let us be glad our celebration is at hand. Our Star is bright with Silver Light."

Take A Look at Tomorrow Via 'Futurism'

Grosse Pointe South High School history instructor, believes we can, aided by a new social science: "Futurism.

He will offer a seven-week course, "Futurism — Ex-ploring Tomorrow Today," Thursday evenings from 7:30 to 9:30 o'clock starting April 19, under auspices of University Courses in Adult Education.

Attached, indoor parking is available at Rackham.

What is an historian doing exploring the future? "The aim of the futurist is not to look into a crystal ball," says Mr. Bradley, "but to imagine and explore a vast array of futures and bring about those which are both desirable and feasible.

"The study of alternative futures helps in the decision making process in politics, economics and sociology. On

MANAGERS FALL GUYS The average manager spends 15 percent to 25 percent of the third stops of Th doing work that has been done or should have been incentive toward more par-ticipation at their meetings, done by a subordinate; says "Executive," a newsletter published in Connecticut. \$5 in cash will be given to Claiming a problem that drawn from those who have needs attention "higher up," signed the membership reg. employes frequently slough ister. off their own simple duties on "the boss."

The group meets on the first and third Thursdays of Then on Thursday, April the month at North High 28, the annual card party School, 707 Vernier road, at 3:30 p.m. Beginning this month, open shooting will be held at public safety department headquarters, 20025 Mack avenue, each Monday after-

CITY OF

Grosse Pointe Varms MICHIGAN

Summary of The Minutes March 20, 1979

The Meeting was called to order at 8:00 p.m.

Present on Roll Call: Mayor James H. Dingeman, Councilmen Nancy J. Wauganan, W. James Mast and Lloyd A. Semple,

Those Absent Were: Councilmen Harry R. Fruehauf, Jr., Jack M. Cudlip and Joseph L. Fromm,

Also Present: Messrs. Lawrence G. Campbell and Carl G. Buzawa, representing the City Attorney.

Mayor James H. Dingeman presided at the meeting.

Councilmen Fruehauf and Cudip were excused from attending the meeting.

The Minutes of the Regular Meeting which was held on March 5, 1979 were approved as corrected.

The Council adopted a resolution granting per-mission to Tennis and Crumpets, Incorporated to utilize the tennis courts and restroom facilities at the Pier Park for their annual Tennis and Crumpets Tournament for the benefit of Children's Hospital on Saturday September 15, 1979, or in the event of rain on September 15, such Tournament shall be held on September 16, 1979.

The Council adopted a resolution of consensus that the City has no interest at this time in purchasing the property commonly known as the Old Kerby School site at the appraisal price.

The Council adopted a resolution authorizing the City Controller to transfer the unexpended balance in the Pool Construction Account to the Public Improvement Reserve Fund.

The following Reports were received by the Council and ordered placed on file:

A. Fire Department Report for the month of February, 1979.
B. Police Department Report for the month of ÷£ February, 1979.

For reason that he was returning from out of town and had not arrived at the meeting, Councilman Fromm was excused from attending the meeting.

Upon proper motion made, supported and car-ried, the meeting adjourned at 9:50 p.m.

Let Spring Go To Your Head . . . with a new hat from Walton-Pierce. Pierre Cardin's beige straw is slicked with brown patent and accented with his initials. Fabini offers a perky white straw sailor banded with green, red and navy. There's a natural straw with sprays of daisies and a pink straw covered with a full blown pink rose and little silky green leaves. The hat racks at Walton-Pierce are blooming. Come see them. A new shipment of spring and summer handbags has arrived. There are good looking Italian leather bags in navy and bone. Lacquered straw bags come in sizes from little with gold chains to roomier sizes with gold clasps. Black patent and fabric combine for smart totes. There are crochet bags in strong shades of green, purple, wine plus black. Very spring-like are Buzz Abouts . . . those fresh looking jiffy coats to step into in the morning. One is solid yellow closed with snaps and a strawberry print pot holder pocket (\$23). There are two other styles in cheery floral prints. For Easter giving or Mother's Day, the Gift Department has a nice selection of gifts. There's a limited edition flacon arome of Val St. Lambert crystal for your finest brandy. New ice and the first project for its 42 members was a buckets come in silver or colorful plastic. There is a clear plastic house that serves as ice bucket or cookie tempter. There is even a goodie for the fashionable dog . . . his own bone patterned plastic tray with a water and food dish.

Tired of your old kitchen? Discover the latest in cabinet design accessories and appliances at Mutschler Kitchens, Inc. They have everything for your new kitchen . . . including the sink! . . . 20227 Mack Avenue, 884-3700.

Scent Special . . . at Notre Dame Pharmacy. You get 2¼ fl. ozs. of parfum de cologne and 3 fl. ozs. of bath oil for \$11. Choose Fleurs de Rocaille, Bellodgia or Infini.

SCOTLAND . . . the home of golf! Until you've played it, you haven't MIR. really played golf. Travelwise travelers always ask for Mr. Q, 886-0500.

Mack Avenue. Ton Cueter's Bijouterie . . . Grosse Pointe's fine dia-mond and jewelry store invites you to join the Grand **Opening Celebration.** Fantastic savings in every department . . just during the celebration. Diamonds, gold, gems, etc. Stop by 20445 Mack Avenue, Grosse Pointe Woods, between Lancaster and Flectwood. Closed Mondays. Open Tuesday thru Saturday 10 a.m. 530 p.m.

parents' grocery store, (on the site where the Science Center building now stands), after graduation from Catholic Central High School for Girls.

She joined Bank of the Commonwealth in 1952 but left after three years to get married. Life with tered a 78-pound sailfish in her husband, a sergeant in the United States Army, took her to Illinois, Pennsylvania and Oklahoma.

When he died leaving her with two small children, a daughter two months old and a six-year-old son, she returned to Detroit to be nearcr her mother and father, five brothers and five sisters, and went back to work for the Commonwealth Bank, at its

Jefferson Avenue Branch. That was in 1966. In 1974 she was promoted to her present position, and there has found the freedom to do the two things she enjoys most of all: helping people and "selling" Downtown Detroit. Many of her steady and devoted customers travel long distances to do their banking with her.

It's worth it, they say, for Linda's friendliness STRICKER, of Duval road, and her ability to put people at ease when discuss-

She's not ALL business, of course. There's with a major in Biology dur the family . . . and Linda finds time to volunteer ing the fall term at Alma her services to Saint Philomena Church and the Afro-American Heritage Organization, and she frequently assists the Shrine Circus financial staff.
