THE UNITED STATES and the Soviet Union have reached agreement on a new strategic arms limitation treaty, it was announced by Secretary of State Cyrus R. Vance. The accord is expected to be signed at a summit meeting in June between President Jimmy Carter and Soviet Premier Leonid I. Brezhnev. Defense Secretary Harold Brown, meanwhile, said the treaty would increase the nation's security by putting the Soviet arms buildup in check and making it easier to detect cheating.

HENRY FORD II announced that he would step down as chief executive officer of the Ford Motor Company October 1. Mr. Ford declared that his resignation would mark the end of a 77-year-old domination of the company by the Ford family. He turned the office over to non-Ford Philip M. Caldwell, 59. Mr. Ford said that he will remain chairman of the company for "an indeterminate period," and will primarily chair the finance committee of the board.

Saturday, May 12

VIENNA WILL BE the site next month where President Jimmy Carter and Soviet President Leonid I. Brezhnev will meet to sign the strategic arms limitation treaty, (SALT II). The summit conference will be the first between both heads and will deal with future arms negotiations and overall U.S.-Soviet relations in addition to signing the treaty. Vienna was the site of the 1961 talks between then President John F. Kennedy and Soviet leader Nikita S. Khrushchev.

TOP PETROLEUM INDUSTRY officials said that Michigan drivers will soon feel the effects of the gasoline crunch with shorter service station hours and tighter rationing supplies. Officials further stated that the gas crunch will depend largely on the driving habits of people in addition to policies spelled out by the oil industry and federal and foreign governments. Gas conservation by consumers is being stressed by officials and Amoco Oil's Ben Moss, manager of profit planning and pricing, indicated, "If people panic and start topping off their tanks, then we'll have a worse situation."

THE SHAH OF IRAN, Mohammed Reza Pahlavi and his Empress wife, Farah, have been sentenced to death according to Ayatollah Sadeq Khalkhali, chief of Iran's Central Islamic Revolution. The "death sentence" also includes members of the shah's family. Khalkhali said the Koran, the Islamic holy book, demands that the shah's operatives be punished, and that Islamic trials which have sent 200 shah followers to their deaths "are as humane as Nuremberg." Khalkhali said the trials in Iran were similar to those held in Nuremberg after World War II because they included those who authorized murder as well as those who committed it.

SEN. EDWARD M. KENNEDY, in an announcement heavy with presidential politics, unveiled his proposed national health insurance legislation Monday and challenged President Jimmy Carter to support it. The administration, through the HEW Secretary Joseph Califano, replied that while it supported Mr. Kennedy's goals—comprehensive and universal health insurance—the government could only afford to phase in such a program over eight years.

Maestro Reviews Career for Library Friends

Detroit Symphony Orchestra board president **ROBERT B. SEMPLE**, (left), and DSO Music Director **ANTAL DORATI** converse with audience members at the annual meeting of the Friends of the Grosse Pointe Library held at the War Memorial on Tuesday, May 8. Mr. Semple is a member of the Friends of the Grosse Pointe Library and resides in Grosse Pointe as does

Maestro Dorati when he is in the Detroit area. Mr. Semple conducted a question and answer session with the Maestro during the main program. Maestro Dorati gave a charming and amusing account of his life and career as a world famous conductor and he told of some ambitious and positive plans for the Detroit Symphony over the next few years.

Woods Eyes Adjustment In Charter

Council Scheduled to Consider Proposed Amendment Affecting Special Elections on May 21

By Roger A. Waha

There's a good chance Woods voters will consider an amendment to the city charter this November governing a provision dealing with initiative and referendum petitions to eliminate the necessity of calling a special election in response to an initiative petition.

Based upon the initiative of an interested citizen and a recommendation from City Attorney George Catlin, the council at its regular meeting Monday, May 7, unanimously authorized Mr. Catlin to draft the proposed language and question for the solons' consideration on Monday, May 21.

Expresses Pleasure

Once the question is approved by the council it will be sent to both the Governor's and Attorney General's Offices for approval. If okayed, it will be on the November ballot.

Edward D. Purdy of Kenmore road had shared his displeasure over charter requirements governing initiative petition drives since the first of the year.

He had previously expressed his pleasure

Final Decision Nears On GP City's Backyard Rubbish Pickup Service

Council Ponders Whether Or Not to Abandon Program As Cost-Saving Measure; Community Could Save About \$40,000 If Adjustment Is Made

By David Kramer

The future of The City's backyard rubbish pickups remains in limbo as the council will decide at a future date whether to abandon it as a cost-saving measure for the next fiscal year. It's possible a decision could be made on Monday, May 21, when the solons consider the final adoption of the budget.

At the council's Monday, May 14, public hearing on the budget, City Manager Thomas Kressbach called the question "a policy judgment the council is faced with. It could be more or less squeezed in but it would be prudent to consider leaving it out at this point."

He said, "It's a wonderful service."

Savings Eyed

While a three-man crew in The Woods, which has curbside pickups, can service about 550 to 600 homes per day, the same crew in The City can get only about 375, Mr. Kressbach said. Further, "The City is faced with other 'intangible' problems arising from the nature of the pickups, such as cars parked in the driveway and locked garage doors."

Mr. Kressbach estimated the city would save about \$40,000 if it dropped the backyard service, partly because it would have to hire additional personnel to replace the two CETA, (Comprehensive Employment and Training Act), employees it

is going to have to do without next year, due to new program requirements.

Councilman George Henry suggested the city give tax incentives to residents to purchase trash compactors for their homes, saying such installations would cut down on the volume.

If the backyard approach were dropped, Mr. Kressbach would like to see a system similar to The Woods, where garbage is placed in plastic bags at curbside on pickup day. This would eliminate the problem of empty containers on the street after pickup, such as The Park faces, and also would have a "self-enforcing weight restriction" in that bags couldn't be filled with material too heavy for a worker to handle.

A resident, Susan Burke, questioned why The City should be considering dropping something that affects every resident when the maintenance costs for Elworthy Field are picked up completely by the community, despite usage by all Pointe residents.

Mrs. Burke was one of five citizens at the hearing Monday. No others expressed objections to the cut in service.

Park Permits Needed in GPW

All 1979 Woods Lake Front Park permits will be required on Saturday, May 26, to enter the park, reports Parks and Recreation Director Donald J. Hallmann.

As a result, it will be necessary for all residents to have their 1979 park permits validated by the 26th at city hall, 20025 Mack avenue, between 8:30 a.m. and 5 p.m. Monday through Friday.

Offices will be closed on the 26th until Tuesday, May 29, for the holiday weekend.

"To have a happy Memorial Day weekend, it will be necessary to have a 1979 validated pass. No exceptions will be made," adds Mr. Hallmann.

Roslyn Road Barricade Is Sought

Citizens Petition Woods Council for Blockade to Ease Traffic Flow on Their Street

By Roger A. Waha

A plea from Roslyn road residents to the Woods Council to place a barricade at the westerly city limits to control the traffic flow on their street may become a reality within two or three weeks.

Over 70 citizens signed a petition to this effect, with the document being considered by the solons at their regular meeting Monday, May 7.

The council voted 5-1 to refer this matter to Public Safety Director John Dankel, who recommended the blocking of Roslyn several weeks ago on an experimental basis, with follow-up traffic monitoring on Hampton and Ridgmont.

Seek Solutions

He then proposed, if the traffic increased substantially on Hampton, that the thoroughfare be closed and, if necessary, Ridgmont would follow in an attempt to dissipate traffic from the immediate area.

Since the erection of the temporary "Bry's barricades" months ago, traffic has reverted to the neighboring streets, such as Roslyn, and both citizens and city officials are striving to seek solutions to ward alleviating the problem.

The director said the count taken on Roslyn after the barricades were erected in Bry's drive, i.e., an average of between 1,700 and 1,800 vehicles travelling the street within a 24-hour period, remained about the same when the latest count was taken last month.

Director Dankel said last week that the DPW is in the process of obtaining materials toward building the barricade and that this should transpire within the next two to three weeks.

In the meantime, he expressed a hope that a joint meeting between The Woods and Harper Woods Councils at which time this subject could be explored.

Other Alternatives

If the meeting doesn't occur or if no other solution comes to the fore, the director stated Roslyn would be blocked. Pending further developments, (and ensuing discussions),

Woods Gives Final Okay to 1979-80 Budget

Total of \$4,570,075, A 5.81 Percent Increase over Current Year, Needed to Run City; Officials Satisfied with Meeting Intent of Headlee Tax Limitation Amendment

By Roger A. Waha

After a "silent" public hearing on its 1979-80 fiscal year budget, the Woods Council at a special meeting Monday, May 14, unanimously approved the new document after several changes were incorporated into the final draft of the budget, which is placed at \$4,570,075, a 5.81 percent increase over the 1978-79 general operating fund total of \$4,318,982.

Officials approached the intent of the Headlee Tax Limitation amendment via a "rollback" technique using the 7.7 percent increase in the consumer price index. In fact, City Administrator Chester E. Petersen had previously noted that under Headlee, the city could have gone as high as \$4,651,544 in its general operating fund total.

However, officials instead trimmed the original proposed total millage rate of 13.22 to the final rate of 12.98 based upon action taken at the last of three budget working sessions late last month.

Well Within Scope

The 12.98 millage total includes 10.35 mills for the operating tax levy, 1.82 mills for a special capital improvements tax levy and .80 of a mill for debt service. The current fiscal year's tax levy is 13.77 mills, with an operating levy of 10.36 mills, a special capital improvements levy of 2 mills and a debt service levy of .91 of a mill.

While the total millage rate was trimmed under the current year, taxes citizens will pay on the average home in the community will still increase, but by less of a margin because the council made the additional cuts.

Taxes on the average home assessed by \$25,000 will increase by around \$24.04, about a 5.68 percent jump. According to city computations, the total is placed at \$447.47 in taxes for 1979-80 as against \$423.43 for 1978-79, the current fiscal year.

"By and large the increase in the budget was well within the scope of the Headlee amendment," noted Mayor (Continued on Page 2)

Monteith PTO Plans Social

Teachers, parents and students of Monteith Elementary School are busy planning their annual Ice Cream Social, featuring an old-fashioned cake-walk, band, sing-a-long and cake raffle every hour, on Thursday, May 24.

Weather permitting, the social will be held outside on the school grounds, 1275 Cook road, from 6 to 9 p.m. Ice cream, sundaes, cupcakes and coffee will be served, and everyone's invited.

For more information, call 343-2217.

Next September, the most drastic changes have been made by teachers, who last month voted to join with 15 Macomb County districts in a unified bargaining group called Local One of the Michigan Education Association.

Because of that vote, the teachers' negotiating team will include two representatives from Local One who teach in districts other than Grosse Pointe. The remaining five members of the team are Pointe teachers Jan Greene, Frank Ford, Jim (Continued on Page 6)

Gas Station Dealers Eye High Prices, Short Hours

By Joanne N. Gouletche

What can residents of The Pointe expect from area service stations in light of the gas crunch?

While not hopefully experiencing the severity of the situation in California, drivers can expect shorter service station hours and can expect to pay at least \$1 a gallon for regular gas by the end of June.

At least that was the consensus of some area dealers in a recent telephone interview.

Jess Rose of Jess's Service, 15302 Jefferson avenue, indicated that his supply of gas "hasn't been too good," noting, "We've been closed on Sundays for the last three weeks."

Mr. Rose believes that as long as there is no gas, people will pay a high price for gas, even if that price exceeds \$1 a gallon.

Tom Lemanski, owner of a Shell station at 20397 Mack avenue, stated that if people don't panic, "we can make it."

Mr. Lemanski said he has observed several of his customers coming into his station only to ask for a few dollars worth of gas to keep their tanks completely filled.

He indicated that people believe a \$1 a gallon is some sort of "magic number" thinking that gas prices will not rise any higher.

"Why only a \$1 a gallon?" "Why not a \$1.50?" Mr. Lemanski said.

Board Okays 25 Percent Limit Only

Trustees Nix 30 Percent Request of Total Budget; Meeting Set This Week to Explore Decision of Schools

By Susan McDonald

The cities and schools have come to a standoff over financing of the Youth Service Division, (YSD). Unless someone yields within the next few days, it appears the division, which handles juvenile crime throughout the five Pointes, will be disbanded.

The latest stand in negotiations between the five cities and School Board was taken Monday, May 14. The Board unanimously pulled out of the division unless its share of the budget stays at 25 percent, as it was last year.

A majority of the YSD board of managers, (including all Pointe city managers and a School Board representative), has requested that the School Board up its ante to 30 percent this year.

Dr. William Coats, superintendent, summed up the Board's position by saying, "We're basically in the business of education. The municipalities have the major responsibility for crime-fighting. Asking for 30 percent is just stretching our past willingness to cooperate too far."

Dr. Coats made it clear, however, that the schools would remain a part of the division for at least one more year if their contribution remained at 25 percent, about \$43,703 for 1979-80.

Woods City Administrator Chester E. Petersen is the man in the middle of negotiations. He was a major force behind the YSD's creation in 1970, in response to a growing drug problem among Pointe youth, and he has managed the service ever since.

Mr. Petersen said he planned to call a meeting of the YSD board of managers later this week to discuss the School Board's decision.

He said he'd try to work out some kind of compromise to make up the \$8,740 difference between a 25 and 30 percent contribution from the schools. About \$2,700 is available for that purpose, he said, including a \$1,000 contribution from The Grosse Pointe Lawyers' Wives.

He stressed that there is no way the YSD can continue without the School Board's support, however.

Time to Go?

"Maybe it is time for the YSD to go," Mr. Petersen said after the Board meeting Monday. "I haven't had a great swell of reaction from the public about the possibility that the service may be disbanded."

"If the School Board and the community as a whole feel the YSD has done the job it had to do and is no longer needed, maybe it should be disbanded," Mr. Petersen said.

"I think there's still a job for the YSD to do," he stated. "Especially with the increase in alcohol abuse and the re-appearance of LSD on the scene."

The Woods will continue to employ at least one youth officer should the YSD be dropped, he added.

For 1979-80, the division's proposed budget is placed at \$174,812, around a 7.26 percent increase over the current total of \$162,973.

Woods Council Approves Budget

(Continued from Page 1)

Benjamin W. Pinkos. "Our cost rise has been minor in comparison to the cost rises of the operating budgets in some other cities."

In relation to this, the mayor wanted to thank all department heads and the administration for their prudence on the cost containment front, while indicating there will be no cutback of services of any kind.

On the cost of incineration, which is jumping an estimated 35 to 40 percent over last year, Mr. Pinkos attributed this increase to the bonding for new stack construction and for the installation of electrostatic precipitators at the Grosse Pointes-Clinton Refuse Disposal Authority site.

He added it was nice to see the millage rate drop while noting citizens will be paying more taxes because of the increase in SEV, (state equalized valuation), which jumped around 12 percent over the current year.

The council, sitting as the finance committee, approved several changes in the new budget prior to final approval. Six deletions were made, with such expenditures now being made from the city's Municipal Improvement Fund.

These changes included the following: three election computers for absentee ballots, \$6,000; cabinet for tax rolls, \$1,450; security screening for public safety counters, \$1,600; DPW garage roof repairs, \$9,000; municipal building heating and cooling repairs, \$12,000; and circulating fans for the DPW garage, \$2,160. This totals \$32,210.

A further reduction of \$17,269 also was authorized from the proposed budget contingency.

In making such changes, Mr. Petersen noted an apparent mathematical calculation error in the proposal and corrected it. This necessitated an additional deletion from the Public Safety Department's proposed budget in the amount of \$4,800 for the replacement of police radios. Such purchases also will be made from the Municipal Improvement Fund.

Meanwhile, the contingency fund was then placed at \$54,386.

In the area of capital improvements from a variety of sources, including the 1.82 special capital improvements tax levy and federal, e.g., federal revenue sharing, and state, e.g., gas tax monies, funds, a total of \$1,402,751 in projects has been planned.

These include the following: street improvements throughout the city, \$440,497; improvements at the Vernier-Mack intersection, \$154,000; the replacement of traffic signs throughout the city, \$54,000; phases one and two of the northeast relief storm sewer, \$400,000; looping of water mains west of Mack from Manchester to the north city limits, \$320,254; replacement of the Vernier road sewer, \$30,000; and a north-west area traffic survey, \$4,000.

Mr. Petersen also noted the city plans to replace around \$362,060 worth of vehicles and equipment during the new fiscal year, while citing with pride the establishment in 1962 of a motor vehicle depreciation fund to budget monies on an annual basis for such a purpose.

He added if such a fund wasn't in existence, the tax levy could have rose around 1.71 mills in 1979-80.

In the new budget, the departments of general government, public safety, public works and parks and recreation all showed an increase over the current fiscal year. The differences are as follows:

General government, \$379,864 in 1978-79, \$411,273 in the new year; public safety, \$1,622,384 this fiscal year, \$1,809,022 in 1979-80; public works, \$1,416,148 in 1978-79, \$1,438,964 in the new year; and parks and recreation, \$288,829 this fiscal year, \$302,422 in 1979-80.

As part of the budget resolution, the city also adopted its special fund and enter-

prise fund budgets. The former budget includes federal revenue sharing, \$120,000; highway, \$774,000; and motor vehicle and equipment, \$385,263. The overall total is \$1,279,263 in comparison to the 1978-79 amount of \$1,409,129.

Meanwhile, the enterprise fund budget, which isn't supported by tax monies, shows water-sewer, \$1,327,240; parks, \$127,000; boat docks, \$32,500; concession, \$4,200; and Youth Service Division, \$174,812. It reaches \$1,665,752 as against \$1,494,936 in 1978-79.

Council members present at the meeting included Mr. Pinkos and Councilmen George Cueter, George S. Freeman and Robert E. Novilke. Those reportedly out of town, and excused, were Councilmen John Sabol, Dan Grady and Thomas Fahrner.

GPW, Sergeants Gear For Arbitration in Case

By Roger A. Waha
Arbitration is on the horizon in the city's suit against the Grosse Pointe Woods Sergeants Association and the American Arbitration Association over a dispute revolving around the position of public safety executive lieutenant as part of a departmental reorganization plan announced in January.

A show cause hearing was held late last month before Wayne County Circuit Court Judge William Giovan on the petition of the city to enjoin the holding of arbitration proceedings concerning the alleged grievance of the sergeants association.

(The association felt that the designation of an executive lieutenant required the city to hold competitive examinations for the post. It also argues that the executive lieutenant's position was a newly created one, with the city disagreeing.)

In a report to the council on Monday, May 7, City Attorney George Catlin said Judge Giovan ruled that, under the terms of the agreement between the city and the association, the matter was subject to arbitration since the labor agreement did not specifically exclude the subject and since it was alleged by the union that the subject matter of the dispute was included in the contract.

"An order will be entered shortly in the case, which will be dispositive of the circuit court case," he said.

Mr. Catlin then stated the city has the right to appeal to the Court of Appeals or to abide by the circuit court decision and arbitrate the matter. He felt appeal costs would be between \$1,200 to \$1,500.

"If the matter is submitted to arbitration, it is possible that it will be resolved in the city's favor. Additionally, if the matter was resolved in arbitration against the city, the arbitrator would be limited in the extent of his order to require the city to hold a promotional examination for executive lieutenant," he continued.

"Under the circumstances of this case, I do not believe there would be any retroactive pay adjustment as part of an adverse arbitration award."

The council declined to follow the appeal route and, as a result, the matter will be resolved by arbitration.

Mr. Catlin told the solons the arbitrator will decide whether or not under the existing labor contract with the sergeants association.

Police Call City C-Bers
City police are looking for more new members for their C-B Support Unit, an auxiliary group that assists the force in case of emergencies.

The group meets about once a month, usually in the evenings, according to organizer Cpl. Ed Behrend. The 16-member group hopes to expand their service by taking Cardiac Pulmonary Resuscitation training and hearing speakers from the Edison Company and other utilities.

Cpl. Behrend said the group was of great assistance to police during the recent ice storm, but he added that more members are needed for around-the-clock duty.

Interested C-B radio operators should contact Cpl. Behrend or Fire Lt. Jerry Mehl at 886-3200.

The group meets about once a month, usually in the evenings, according to organizer Cpl. Ed Behrend. The 16-member group hopes to expand their service by taking Cardiac Pulmonary Resuscitation training and hearing speakers from the Edison Company and other utilities.

Cpl. Behrend said the group was of great assistance to police during the recent ice storm, but he added that more members are needed for around-the-clock duty.

Interested C-B radio operators should contact Cpl. Behrend or Fire Lt. Jerry Mehl at 886-3200.

Pleads Guilty to Sex Charge

A Farms man accused of sexually molesting a 16-year-old male resident of the Oakland County Children's Village, (youth home), pled guilty to fourth degree criminal sexual conduct before Wayne County Circuit Court Judge Victor Baum on Thursday, May 3.

James F. Steiner, 36 of Muir road faces a Tuesday, May 22, sentencing date on the guilty plea. Police reports said the youth claimed Steiner repeatedly performed, and forced the 16-year-old to perform on him, perverted sexual acts for almost a month while acting as a foster parent to the youth. Steiner was an employee of the youth home where the boy was living.

According to police, the 16-year-old, a ward of the court, had originally reported to another Oakland County employee in late March that Steiner had been performing the acts on him, playing him with beer to get him drunk.

The youth told Farms police he was a runaway who had been placed in the youth home because he had been involved in a breaking and entering. He further stated that he allowed Steiner to perform the acts upon him for almost a month for fear that if he told someone, he would be sent to the juvenile home.

According to Steiner, he had been expecting them. He had originally been arraigned in The Farms Municipal Court on April 4 on the charge of third degree criminal sexual conduct, but an order of suppression was issued to the police and the news media at that point. He was then released on \$10,000 personal bond.

According to the complainant, Steiner made almost daily sexual advances on him from February 28 through March 26. Steiner was a licensed foster home operator. Steiner was interviewed by the Oakland County child killing task force of the Michigan State Police with negative results, police added.

SJH Purchases New Equipment

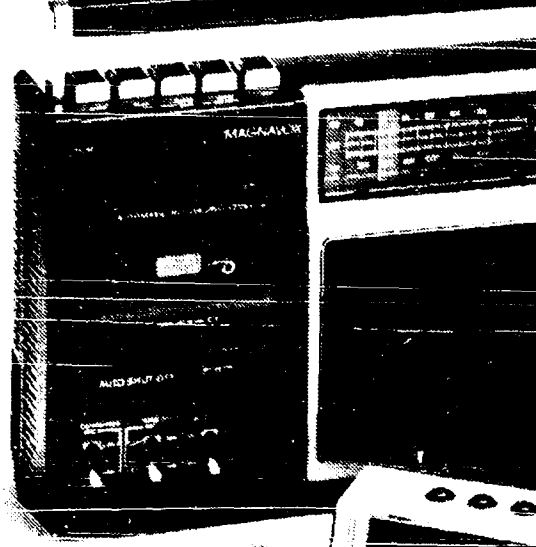

Saint John Hospital, (SJH), 22101 Moross road, Detroit, received the recent approval of Maurice S. Reizen, MD, state health director, to replace radiology equipment.

The 10-year-old fluoroscopic equipment will be replaced by equipment to be used for general x-ray procedures. The total cost is approximately \$199,000.

The state health director's decision coincided with the recommendation of the Comprehensive Health Planning Council of Southeastern Michigan.

Charter Amendment

(Continued from Page 1)
pressed concern over what he called the proliferation of initiatory petition drive in relation to both Class C and tavern licenses, while wanting the council to consider the possibility of amending the charter in relation to stipulations governing special elections.

When informed of the council's action, Mr. Purdy said, "I'm glad they took the time to look at it," while adding he was pleased the council decided to take the action. He also expressed the hope the amendment would be adopted.

Initiatory petition drives for a Class C liquor license were conducted by Jack Degriek of Grosse Pointe Woods Recreation in 1977, with a vote on the question held in the November election, and Alex Bady of Gaby's Restaurant last summer

with a vote held in the August primary.

Must Call Election
Last December, an initiatory petition drive was conducted by Charles Moraco and Ronald Serba, owners of Le Cafe Francais, and Edward Barbieri and his son, Edward Jr., of Da Edoardo for two tavern licenses, permitting the serving of beer and wine only, with a special election being held this March. The cost of this election was placed at around \$5,000 by city officials.

In his report to the council, Mr. Catlin said Sections 7.11 through 7.15 of the charter deal with initiative and referendum, providing that a petition signed by 10 percent of the voters can initiate a new ordinance. The same petition procedure is available to request that the council repeal an existing ordinance.

If the council cannot or does not respond favorably to the petition, the matter must be placed on the ballot. If no regular election is scheduled within 150 days, a special election must be called," he said.

In the case of an initiatory petition, if no election is to be held in the city for any other purpose within 150 days from the time the petition is presented to the council and the council doesn't adopt the ordinance, then the council shall call a special election within 60 days from such time for the submission of the initiative proposal.

Still Have Right
(Mr. Purdy had questioned the 60-day provision and wondered why the stipulation was there, how it got there and was it a good idea.)

By deleting a sentence in Section 7.14 eliminating the mandatory calling of a special election if no election is scheduled within 150 days, Mr. Catlin felt voters would still have the right to initiatory and referendary petitions and the right to cause their proposal to be placed before the voters at the next election.

"Inasmuch as the Home Rule Act doesn't require any specific provision in city charters concerning this matter, I believe approval of such a proposed amendment would be forthcoming from the Attorney General's Office," he added.

ELECT HUDSON
Joseph L. Hudson Jr. of The Farms has been elected to serve a three-year term on the United Way of America's board of governors. Mr. Hudson, chairman and chief executive officer for J. L. Hudson Company, formerly served as president of the United Foundation, one of 2,300 United Way organizations.

Farms Names New Attorney

The Farms has appointed the law firm of Dickinson, Wright, McKean, Cudlip and Moon as city attorney, following the resignation of George McKean, one of the firm's partners.

Although technically the firm is now listed as attorney, primary responsibilities will belong to Lawrence G. Campbell, another partner, who has previously served as the city's labor attorney.

Mr. McKean cited business commitments which caused him to be cut of town frequently as cause for his resignation. In a letter to Mayor James Dingeman, he said that while Mr. Campbell will have the primary duties of city attorney, other lawyers of the firm may be called upon for assistance.

The council accepted his resignation, and approved a resolution calling for the naming of the new attorney. At the same time, they unanimously adopted a resolution honoring Mr. McKean for his many years of service to the city.

Mr. Dingeman told council members the practice of naming a law firm as a city attorney was not uncommon.

Summer Music Festival Group Readies for Series

The ticket committee for the Grosse Pointe Summer Music Festival held its kick-off earlier this month at the War Memorial.

Mrs. Sterling Sanford, chairman, opened the meeting with a brief sketch of the different artists involved in this year's series which starts on June 20 and ends August 1.

She told of her first encounter with mezzo soprano Maria Ewing here in the Detroit area when the singer was only 17-years-old and how she has followed her career ever since. Miss Ewing will open the series on June 20.

Both Miss Ewing and Leonard Pannario, whose piano recital takes place on July 11, are well known in this area.

Barbara Meister should be remembered from her appearance in "Show Boat" at the Fisher Theatre a few years ago. She and her husband, David Bender, will sing duets from Light Opera.

From operetta to jazz on the lake side terrace with the New England Conservatory Ragtime Ensemble on July 25 and, from there, to a potpourri of music from Bach to pops with three local groups.

They include the Golden Rain Percussion Ensemble from Warren, the Detroit Civic Brass Quintet and the

Pastiche Wind Quintet, which has just completed a successful tour to Italy.

John Lake, director of the War Memorial, stressed the fact that picnic suppers can be brought or bought and enjoyed before the concerts on the grounds by the lake. Patrons who wish to buy box suppers should order no later than three days in advance.

Tickets for the series and for individual concerts will be available through the members of the committee and at the War Memorial, 881-7511. Series tickets, (four tickets), begin at \$30 for subscribers and are \$15 for students under 18.

Members present at the meeting were Mrs. Jerome Remick Jr., Mrs. Roy Scherf, Mrs. Anthony Vermeulen, John Nicholson, Philip Jenkins, James P. Diamond, Mrs. Paul D. Grubbs, Mrs. Harold D. Gump, Mrs. Robert G. Hartwick and Philip Leon.

More were Mrs. Thomas V. LoCicero, Mrs. John E. Engstrom, Mrs. Nicholas Kondak and Mr. Lake.

Other members of the committee are Mrs. Kim Lie, Mrs. Herman Mozer, Alexander Sucek, Mrs. Robert A. Sucek, Mrs. John Griffin, William D. Dahling, Mrs. James Ellison and Mrs. John M. Lesesne.

John Crawford Talks to LWV

Park City Manager John Crawford will be the guest speaker at the League of Women Voters' (LWV), general meeting, Wednesday, May 23, at Saint Paul Evangelical Lutheran Church, 375 Lothrop road, at 1 p.m.

Mr. Crawford's talk will help the league in its study of the relationship of the urban crisis to the Grosse Pointes, including such items as local land use and redlining of mortgages.

Born in Windsor, Ont., Canada, and raised in Richmond, Mich., he served in the Army and spent six years in the active reserves.

He is married to the former Terry Vetrano and has two daughters, Michelle, 18, who graduates from Saint Clements in Center Line in June, and Jacqueline, 14, who enters South High in the fall.

In 1962, he became deputy assessor and assistant urban renewal director with the City of Center Line. In 1965, he became city assessor and in 1969, city manager. During this time, the city obtained close to \$13,000,000 in federal funds or a return of \$1,100 per capita of the federal income tax dollar.

Last April, Mr. Crawford became city manager of The Park.

The league supports long term comprehensive planning for the orderly development of the Grosse Pointe communities with participation from both lay and professionals, which should include

fact-finding, public discussion of choices and alternatives.

It supports the rehabilitation of present buildings and the redevelopment of land as it becomes available. Zoning practices should permit single family, multi-family dwellings, housing for the elderly and handicapped and low and moderate income families.

Each of the Grosse Pointes has a master plan for its development which is continually being reviewed, officials note, while feeling the plans should be available to citizens, who should be able to participate in the reviews.

Appointments to various planning boards and commissions should reflect values and the needs of people most directly affected and balanced by the needs of the community-at-large, the league feels.

For further information on the meeting, call Fran Schenberger at 881-9588 or Myrt Everett at 884-1024. For baby-sitting call Suzanne Suski at 822-9348 in advance.

Suspects' Exam Is Adjourned

The examination date of three Detroit men who have been charged with stealing leaded glass from windows and doors from Park homes has been rescheduled for Wednesday, May 23.

The suspects, Kelley Leonard Jr., 33, Rodney Landrum, 23, and Allen Timberson, 29, were arraigned before Park Municipal Judge Beverly C. Grobbel on Friday, May 4, on a warrant charging them with receiving and concealing stolen property over \$100 and the breaking and entering into an occupied dwelling.

All three men were released on a \$1,000 personal bond.

Park Police Chief Henry O. Conner said there have been several reported incidents of stolen leaded glass from Park homes since January of this year and the three men are suspected of being involved in those incidents.

Pay early. Pay less. You decide.

Introducing the Plain and Simple Loan.

It's different from the traditional type of installment loan. With our new Plain and Simple Loan, you have flexibility. The faster you pay, the less you pay. It's up to you. Here's an example:

The simple interest loan

VS.

The traditional loan

Compare how you can save.

- You borrow \$4,500 for 36 months. Your ANNUAL PERCENTAGE RATE is 12.87%. Your total FINANCE CHARGE is \$944.64. Your payments are \$151.24 per month for a total of 36 monthly payments equaling \$5,444.64. You decide to make extra payments. Three months after the loan you make an extra payment of \$300. 12 months later you make another \$300 extra payment.
- With our Plain and Simple Loan, you save \$186.40 in interest costs.
- With the traditional loan, you save only \$8.52 in interest costs.
- With our loan, the difference in savings is \$177.88.

It's another way Manufacturers can help you make it.

Our exclusive new Plain and Simple Loan actually rewards the borrower who pays early. Because the faster you pay it off, the less interest you pay.

You decide how you pay ...how much you save.

You only pay interest for the actual number of days you have the loan. So if you make an early payment—say, five days early—or if you choose to make a lump sum prepayment—say, after a windfall like a tax refund—your balance is reduced instantly and the FINANCE CHARGE is then figured against the new, lower principal. And if you pay off the entire loan—say, six months early—you save six months of FINANCE CHARGES. So you can save a lot of money. It's up to you.

You understand exactly what you sign.

All our loans are written in such plain language, you'll never have to wonder again what you signed to get the money you want.

See your dealer or see us.

Our new Plain and Simple Loan. We think it's a better kind of loan, and it's the only kind of loan we make. It's fair, flexible, understandable, and gives you more control over your money. So for your next car, boat, home improvement or for any worthwhile purpose, see your dealer and insist upon a Plain and Simple Loan from Manufacturers Bank. Or visit any of our more than 70 offices.

GPF Approves Hill Land Swap

By David Kramer
Another step in the On-the-Hill revitalization plan was taken by the Farms Council when it gave formal approval to the concept of a land swap between the city and a Hill developer necessary for the construction of an office building near Cottage Hospital.

The council at its Monday, May 7, meeting told Peter V. Bologna of 81 Investment Company, it would be willing to trade the alleyway leading to Kercheval avenue from the municipal lot for an alleyway leading to Muir road from the lot.

81 Investment must now negotiate with Cottage Hospital to obtain a parcel of land contiguous with the alley running behind the stores On-the-Hill.

The developers plan to build a structure on land stretching from the site of the current Standard On-the-Hill station to Muir road. It has acquired options on the two remaining homes on the corner of Muir and Kercheval.

Mr. Bologna has indicated the building would be about 50,000 square feet, and at least part of it will be medical offices. He has declined to discuss the project in any detail, pending finalization of the plans which include moving the Standard station to the site of the old Sunoco station, which is now owned by 81 Investment.

Mr. Bologna has said he hopes construction could be begun on the building by Labor Day, pending final approval by The Farms and Cottage Hospital of both his plans and those involving the proposed parking structure by Richard C. Rich and Associates.

New Faces

(Continued from Page 1)
Garlough, Lois Smith and Anne Speicher.

"Our association with Local One certainly puts us in a much stronger position at the table," said local union president Curt Lange.

"At the same time, the members of our team from outside the district will be able to view our proceedings much more objectively. That should make things go more smoothly," he said. "They'll help us avoid the personality hassles that inevitably develop when people work so closely."

"Make It Tougher"
But Mr. Tonks sees an element in the Local One association that he believes may make negotiations more difficult this year.

Under Local One's bylaws any tentative agreement reached in a district must be reviewed by the Local One Bargaining Committee, (composed of representatives from all 15 districts), before the district's teachers may vote on it.

"I would think that will make it tougher to get approval," Mr. Tonks said. "Of course, I don't really know how it will operate. No one does."

Neither team is willing to discuss their specific goals for the new contract at this time. Some issues spotlighted in recent Local One newsletters include cost of living adjustments, preferential hiring of laid off teachers among Local One member districts and mainstreaming of handicapped students.

In addition to Mr. Tonks, the School Board negotiating team includes Dr. James Hoeh, assistant superintendent for administration, Dave King, personnel assistant, Robert Welch, director of secondary education, Dr. Alfreda Frost, director of elementary education, Morris Hanzek, principal of Parcels Middle School, and Eric Folio, principal of Trombley Elementary School.

Some folks are not thankful for what they have, because their acquaintances have more.

Dog Litter Amendment Clears First Step in GPW

A proposed amendment to The Woods' dog litter ordinance incorporating a "scoop and bag" provision was unanimously approved by the council at its first reading stage.

This action was taken by members at their regular meeting Monday, May 7.

The proposal is scheduled to be considered for its second reading and possible final adoption on Monday, May 21.

Based upon the initiative of Dr. Marjorie Smith Goodman of Oxford road, who expresses concern over the proliferation of dog excrement in her neighborhood and related health factors, the council on April 2 unanimously approved a motion to update the language of the city's dog ordinance to include the "scoop and bag" concept.

Gas Dealers

(Continued from Page 1)
Somerset Sunoco station, 15422 Mack avenue, felt that gas coupons would be a nuisance, but at the same time would insure some sort of equity.

Mr. Artz, who has been at the Mack Somerset location for the last 26 years, said his station is now closed on Sundays and will be open only until 2 p.m. on Saturdays.

Fred Gram, owner of the Mack-Moross Standard Service, 19100 Mack avenue, said he has been cut back to 80 percent of last year's gas supply, which is the case for almost all area dealers.

"It's a real mess and we're, (the dealers), in the middle," Mr. Gram stated.

He added his station, however, will be open Sundays until further notice.

Standard-on-the-Hill owner Tom Pitlock, 131 Kercheval avenue, indicated that his gas supply is plentiful and he really doesn't believe there is a gas shortage.

A few dealers indicated that there is a misconception that everytime gas goes up, they are pocketing the increases.

"Dealers haven't had a raise in six years. Something's wrong in this country. This country was built on free enterprise but everything is screwed up," said a station owner who requested to remain unidentified.

Last week the House rejected President Jimmy Carter's request for a standby rationing plan that would have given him the authority to enforce gas rationing in severe energy shortages.

The Senate, however, passed the proposal.

Annual Meeting Called by FLEC

FLEC, (Family Life Education Council), will hold its annual meeting Wednesday, May 23, at the War Memorial, 32 Lakeshore road, at 7:30 p.m.

Guest speaker will be Professor Janice Rolnick from Oakland Community College's Food Awareness Department. Her topic will be "Adulterated Foods."

FLEC is the east-side volunteer social service agency that runs such programs as Center Point, the Medical Clinic and the Legal Clinic.

Its annual meeting agenda includes the election of a new slate of officers and directors for 1979, amendments to the group's bylaws and other business matters.

Executive director Becci Johansson noted that an earlier report on the operating hours of the FLEC Legal Clinic failed to specify that its 8:00 to 9:30 Wednesday operating hours were in the evening.

She added that the public is invited to attend the annual meeting. The business meeting is at 7:30 p.m. and the guest speaker is at 8 p.m.

O'Brien Gift to Bring New Computer to Library

Overdue books from Grosse Pointe Public Libraries will soon come under the watchful eye of a computer as part of a new, automated circulation and bibliographical control system to be installed this summer at all three branches.

Funds for the \$150,000 system were donated to the library by the Louise Webber O'Brien Foundation, created by John J. O'Brien in his late wife's name. Mr. O'Brien died in 1971.

Library Director William Peters said the new system will be operational early next year. In addition to substantially cutting personnel costs, the machines will improve service to patrons by making books and bibliographical information easier to find.

A screen display terminal will be located at each of the three library branches. With a touch of the finger, librarians will be able to display all a patron wants to know about available books by subject or author—saving considerable time at the card catalogue.

As a management tool, the system will have many uses. It will reduce to one-tenth the time spent on typing and filing patron cards, checking delinquency status, typing

over due notices and fine slips, according to Mr. Peters. Mr. Peters said the system also will help the library improve its stock of books by providing complete information on inventory, requests for specific titles and subject areas and other statistical data.

The system is produced by the CLSI company. It is currently in use in about 300 U.S. and Canadian libraries and three systems in Michigan including Western Michigan University, Bloomfield Township and Sterling Heights.

Library and school officials had considered constructing an elevator at the two-story main branch of the library with funds from the O'Brien foundation. That idea was abandoned in favor of the computer system, which was approved by the Board of Education on Monday, May 14.

Smoke Fills GPW Cinema

A report of the Woods Theater, 10289 Mack avenue, filling with smoke Sunday, May 13, at 11:09 p.m. brought a quick response from Woods firefighters who discovered that the smoke was coming from a basement incinerator which had its door standing open.

No one was hurt in the incident, which was reported by Wendy Mullan, assistant manager.

In his report, Sgt. Thomas Kane also found a clean out or access door to the incinerator open on the walkway on the building's south side. This permits cool air to enter down into the incinerator driving the smoke out the opened door.

The smoke was ultimately cleared by opening the service door to the basement and by the utilization of a smoke ejector.

Sgt. Kane said he found four cardboard boxes in the furnace room and adjacent workroom, (which was filled with such boxes), that contained ashes from the incinerator. He then requested an immediate check of the "hazardous condition" from the fire inspector, while adding no one at the scene was able to supply information on this practice.

In eyeing the apparent back-up problem with the incinerator, Building Inspector Earl Wakely said he's going to look into the situation, probably in conjunction with a county inspector.

Eight firefighters responded to the call, in which trash was the material first ignited. Personnel returned to quarters at 11:46 a.m.

Lawn Concert Set at South

One of the most popular musical events of the season will take place on the front lawn of South High School, 11 Grosse Pointe boulevard, Thursday, May 24, starting at 7 p.m. when the North and South High School Bands combine forces for the Annual Outdoor Concert and Ice Cream Social.

The program will open with a performance by the North Symphony Band under the direction of Nathan Judson. This will be followed by the South Band's annual rendition of Tchaikovsky's 1812 Overture directed by Russell Reed.

Following intermission all band members from the two schools will join together to present four selections of martial and patriotic music. Alumni from each school are invited to bring their band instruments and play in the combined bands.

Ice cream, strawberries and coffee will be available to purchase during and after the intermission. The concert is free of charge.

Seniors Give Keg Trophies

Several members of the Woods senior citizens group recently received trophies for their bowling efforts.

They include Kate Kirsammer, Laura Klee, George Rapp and Ted Padley. The awards were presented by Adele Ryder.

Administrators Form A 'Team'

The public school system's Association recently voted to disband as a bargaining unit in order to operate under a "team management" approach.

There will be no immediate change in wages or working conditions for the group as a result of the 17-3 vote, according to association president Richard Kay, principal of Kerby School.

The association became the bargaining agent for building and some central office administrators in 1973. But "many of us have not been comfortable with that posture for some time," said Mr. Kay.

"It's hard to operate as management when you're divided at the bargaining table," he explained. "Already, there seems to be more relaxed, unguarded and healthy communications between administrators."

Superintendent Dr. William Coats was delighted with the change.

"This decision is a very positive one for the school system and is one which will enable us to more effectively deal with the complex problems public schools are en-

countering today," Dr. Coats said in a press release from his office.

The group's contract is set to expire this June. Pointe administrators work under a merit pay program with a flat four percent annual pay increase and three percent distributed on the basis of "merit" as determined through annual evaluations.

Past experiences teach people valuable lessons, but make poor patterns for the future.

Let's Talk
Real Estate

I wish... That all of our Grosse Pointe Municipal Office buildings were elegantly designed and nestled in landscaping so beautiful that words could not describe... That our fireplugs, streetlights and signs were artistically created and formed of cast metal and wrought iron making them original and unique to only Grosse Pointe... That all of our streets were cobble stone... That we had Cul-de-Sacs wherever possible... That every home had enough garage space for all their cars... That our Villages had underground parking, well lit by natural light, and their malls created by the finest tiny village specialist in the world!

The cost of all this would be a considerable amount but then our property appreciation would make it feasible. But all of these dreams won't happen. They could become a reality—if we all wanted them, however. It would require a meeting of the minds of the Community. The ideas—one by one—would be taken up with the Municipal powers. It would also take time.

If Grosse Pointe—all five of them—had approximately 10 community associations, many good things could happen. Any person interested in starting a neighborhood association to help start a meeting of the minds should call Grosse Pointe Real Estate Co. 882-0087 ask for the associate who can enlighten you regarding having an association for your area.

Farms Fire Report Shows
Big Loss Hike Last Year

Farms fire losses more than quadrupled from 1977 to 1978 as a result of the Saint Paul Church fire last June, that sent loss figures to \$442,902. The previous year's total was \$85,674.

While damages soared greatly, the actual number of fire alarms last year only increased by six, from 274 in 1977 to 280 last year, the report shows. Ambulance runs decreased from 361 to 324 last year.

False fire alarms, meanwhile, remained at the same level, with 36 last year.

A total of 25 trash and arson fires were turned over to the Youth Service Division, (YSD), during the year for investigation.

The ambulance last year logged 1,503 miles for its 324 runs. The largest number of runs were for respiratory problems, (50), followed by cuts, (49), sprains and strains, (44), heart attacks, (22), false alarms, (21), and faintings and fractures, (20 each).

All commercial buildings in The Farms were inspected last year, with city-owned buildings receiving two inspections. Schools and churches also are inspected annually, and private homes are inspected upon request.

Five hundred hours of in-service training per unit were logged last year, with one firefighter, Robert Beer, now attending Oakland University for advanced emergency medical technician training. All firefighters received training in advanced first aid during the year.

During 1978, the fire department's minimum shift strength was lowered to four men, meaning a firefighter wouldn't be called in for over-

time unless the working shift was down to three men. Formerly, a man would be called in from another shift if the working shift was down to four.

The department lost a man last year when Robert Sharpe retired after suffering a heart attack fighting the Saint Paul fire. A new man is expected to be hired by the end of the month, said Chief Warren Schultz, after an oral test is conducted on Wednesday, May 23.

That would bring the department's strength back up to the 19 men it had at the beginning of 1978.

Pointers Star
At Youth Fest

Two North High School seniors are among six soloists who'll perform in this year's Michigan Week Youth Arts Festival.

Ann Willison and Michael Reed, along with four other soloists, were chosen from among 100 finalists who auditioned in April at Central Michigan University. In an earlier series of festivals sponsored by various Michigan music organizations, finalists were selected from over 25,000 students.

The soloists will return to Central Michigan University Saturday, May 19, to perform in a program showcasing top high school talent in music, art, dance, drama and creative writing. The program, in CMU's Bush Auditorium, will feature Mr. Reed and Miss Willison as soloists with the Kalamazoo Youth Symphony directed by Robert Ritsma, orchestra conductor at Hope College, Kalamazoo, at 2:45 p.m.

Miss Willison will play Johann Hummel's "Introduction, Theme and Variations for Cello and Orchestra" and Mr. Reed will play C. M. von Weber's "Concertino for Horn and Orchestra." Miss Willison studies privately with Robert Sorton. Mr. Reed studies with John Grose. Their school music teacher is Nathan C. Judson.

Obscene Tape Case Heard

Two charges were dismissed, while a plea of nolo contendere was given on another charge in an obscene materials case stemming from the sale of a video tape of "Deep Throat" to a Woods detective in early April.

The sale occurred at Thomas Film-Video Equipment, 20531 Mack avenue, when Det. Thomas Podewitz said he purchased a copy of the tape from a salesman for \$72.75 via the department's investigation fund.

City Attorney George Catlin said in exchange for a nolo contendere, (no contest), plea by the corporation on a charge for violating a section, under "adult book-stores" governing the duties of an owner, i.e., not being originally licensed under ordinance, plus a stipulation that all alleged obscene material be removed and not returned, salesman Gary Robert Reichel, 24, of Royal Oak, would no longer be charged with selling obscene material.

As a result, the nolo contendere plea was accepted and court costs of \$200 were assessed.

At the same time, the charge against the corporation for aiding and abetting the salesman in making the sale also was dismissed.

**NOTICE OF HEARING
ZONING BOARD
OF APPEALS**

NOTICE IS HEREBY GIVEN that the Zoning Board of Appeals will meet in the City Hall at 90 Kerby Road, Grosse Pointe Farms, on

MONDAY, JUNE 4, 1979

at 8:00 p.m. to hear the appeal of Mr. Michael Moore, owner of the premises located at 339 Grosse Pointe Boulevard, from the denial of the Building Department to issue a Permit for the conversion of his existing garage to a family room and the construction of a new detached garage to the side of his home at the foregoing address. Such Permit issuance was denied for reason that:

1. The residence located on the foregoing premises is non-conforming for reason that it projects into the required open rear yard space in violation of the provisions of Article XIII, Section 1300 of the City's Zoning Ordinance, and in accordance with the provisions of Article XV, Section 1502, Item 4-A of the City's Zoning Ordinance, no such structure may be enlarged or structurally altered unless a variance is granted.
2. The proposed conversion of his existing garage at the rear of the home located at the foregoing address further infringes upon minimum required open rear yard space of 30 feet, leaving a rear yard of 5.4 feet, and thereby requiring a variance from the provisions of Article XIII, Section 1300 of the City's Zoning Ordinance.

The Hearing will be public. Interested property owners or residents of the City are invited to attend.

Relief from EMT Laws Subject of Group's Stand

Woods Council, based upon a position paper on emergency service approved last month by the Grosse Pointe-Harper Woods Mutual Aid Association, unanimously approved a resolution requesting an amendment to House Bill 4211 to exempt municipalities from the requirement of having an EMT (emergency medical technician), in the patient compartment during transport.

Woods Public Safety Director John Dankel, who hosted a meeting of police, fire and state officials on March 13 to explore the ramifications of EMT laws, prepared the first draft of the document, which was subsequently reviewed and edited by association representatives.

Copies of the paper were sent to State Rep. William R. Bryant and Sens. John Hertel, John Kelly and Gilbert DiNello, all of whom either personally attended the March meeting or sent representatives.

The paper indicates that fire and police officials from the five Pointes and Harper Woods feel that the recently passed state legislation requiring EMTs on all ambulances has some merit.

However, they feel it is particularly important for those parts of the state which are sparsely populated and are characterized by great distances between cities with hospitals to provide a higher level of training and expertise for their ambulance crew. While not arguing with the

contention that an EMT-staffed ambulance equipped with all the latest medical paraphernalia can provide a high level of pre-hospital emergency care, the officials feel that there should be provisions in the law that allow for exceptions under certain prescribed circumstances.

As an example, "we feel that municipal governments that operate a non-profit ambulance service in areas that have emergency hospital facilities close at hand should not be required to provide the same level of staffing that would be desirable in a more rural area."

The cost of training EMTs has already become prohibitive for some communities, and more cities are likely to find themselves in the same position in the future, officials say.

"It is our basic contention that because of our close proximity to hospital emergency rooms, (e.g., Saint John, Bon Secours and Cottage Hospitals), and the prohibitive cost of conducting an EMT program, some relief should be granted from the strict requirements of the Public Health Code," they state.

Cost factors are then explored with officials saying EMT training involves approximately 120 hours of basic training plus a yet to be specified number of hours of continuing education.

"With the average public safety department or fire department in our area, this in-

volves paying overtime for all personnel attend these classes," officials point out. "It is estimated that to train one public safety officer or firefighter as an EMT will cost well in excess of \$2,800 in just overtime from the basic training."

Officials then propose that municipally operated ambulance services within a reasonable distance of an acceptable hospital emergency room, (perhaps five miles), should be exempted from the requirement of having an EMT in the patient compartment whenever a person is being transported.

"We are proposing that our ambulance service(s) be allowed to continue operating as they are now with each vehicle staffed by two licensed attendants."

While reiterating that they do not necessarily disagree with the EMT concept, the officials feel that the choice to go to an EMT system should be left to the individual community.

Indicating an irony in the legislation, they noted that the intention of the legislation undoubtedly was to improve the quality of the pre-hospital emergency care in the state. "It would seem, however, that the net effect of these requirements in at least some areas will be the abandonment of any am-

bulance service," e.g., The City of Grosse Pointe Park, which is contracting with The Park.

"It seems that we will now have the situation where an act intended to improve emergency medical care will, in fact, deny such care to the residents of some areas even though these residents were being served prior to the legislation by a viable ambulance service completely acceptable to their own standards."

House Bill 4211 is then cited as some movement in the legislature toward removing this "unfortunate paradox."

The bill proposes to exempt all volunteer ambulance squads from the requirements of the acts because it has become evident that many areas were about to lose all such service, they state.

"It is our opinion that this same opportunity should be provided to communities who have paid ambulance services but who cannot afford the expenditures required to establish an EMT program," officials add.

In the Woods Council's motion to draft a resolution, Councilman George S. Freeman indicated that other municipalities should consider a similar action, while stipulating that his city's measure be sent to all local legislators.

Know Your Schools

By Dr. William Coats,
Superintendent of Schools

Title IX... sex discrimination... what's it all about? Our schools, like most in the country, receive federal funds for a variety of programs thereby requiring compliance with Title IX of the Education Amendments of 1972.

Statute briefly, Title IX and accompanying regulations prohibit educational institutions receiving federal assistance from discriminating against individuals on the basis of sex.

We support the intent and spirit of Title IX and would be combating sex discrimination irrespective of the law. In practice this means we afford students and potential students equal opportunities to participate in and receive the benefits of all educational programs and activities without regard to sex.

In keeping with Title IX regulations each institution must designate at least one employee to carry out its Title IX responsibilities. Our Title IX coordinator is Dr. Alfreda Frost, director of elementary education.

Although not an official committee, several citizens, teachers and administrators have been working with Dr. Frost to insure that our schools comply with the regulations. Representing community interests are Janet Brown, Eileen Fontana, Alan Friewald, Joanne Hendricks, Mary Leech, Sue Loren, Betty Price and Fran Schonenberg.

Professional staff members working regularly with Dr. Frost are Jim DeWorke, supervisor of Career and Vocational Education; Kathy Herschmann, assistant principal of North High School; Carey Morton, first assistant at Barnes Elementary School; and Bob Welch, director of secondary education. In addition, other teachers and administrators provide information about various programs as needed.

This group has been very active this year in reviewing our policies and procedures for discriminatory practices. The curriculum and student enrollment in courses such as math, industrial arts, science, homemaking and business are being examined to explore ways of eliminating sexist overtones. Counseling procedures have been reviewed to insure that they don't unduly influence course selection on the basis of sex.

At the elementary level steps are being taken so that girls and boys alike will participate in school service categories such as projectionists, crossing guards and office helpers.

Classroom tasks are expected to be completed equally by both boys and girls and efforts are made to minimize grouping students by sex either through their own

choice or by teacher placement. School clubs and mini-courses are being made equally attractive to both sexes and girls and boys are generally participating in the same games and activities.

Physical education classes and athletic programs have been examined for possible discrimination in terms of activities, practice schedules and facilities and equipment needs.

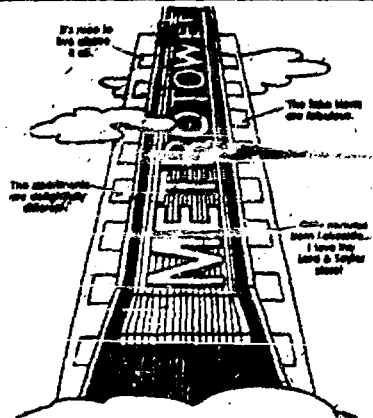

Responding to inequities between men's and women's sports, earlier this year the Board of Education raised the pay for coaches of women's sports to correspond more closely to length of season and number of practices, and made provisions for hiring assistant coaches.

Other concerns of the committee center around textbook and instructional materials review. The objectives of the review are to avoid sex role stereotyping, to present career opportunities without sexist overtones and to determine how teachers can conduct classrooms in order not to reinforce sexist attitudes.

Our school system is committed to eliminating bias and discrimination of any type. Through efforts of concerned citizens and all staff members, and with the use of appropriate instructional materials, we are making progress toward that commitment.

However, in the last analysis, discrimination can be eliminated only by the attitudes and actions of all individuals involved.

What we do in the schools needs to be reinforced in the home and community.

ULS Harriers Win 1, Lose 2

The ULS Harriers boys track team finished a
busy week, winning one meet
and losing two by wide mar-
gins.

On Tuesday, May 8, ULS
played host to a very power-
ful team, the Southfield team and
lost, 90-37. Two Liggett
tracksters put in particu-
larly strong performances. Glen
Kirlin was the only double
winner, winning both the
100-yard dash and the 330
low hurdles.

Don Chamberlin took sec-
ond in the long jump and the
880-yard run. Both were his
personal bests for the year.

Other first place finishes
for ULS were John Bencie in
the high jump and Rick Fer-
rara in the shotput.

On Thursday, May 10, Lig-
gett played host to South-
field Christian, a team they
beat one week before by one
half point. This time the mar-
gin of victory was one full
point with Liggett coming
out on top.

Outstanding performances
came from the 880 relay team
of Chamberlin, Ben Gravel,
Jason Smith and John Kir-
chen running a 1:44.1, and
the mile relay team of Brian
McCabe, Dave Mott, Bob
Fenton and Chamberlin. Mc-
Cabe took second in the 440-
yard run with his best time
of the year, and Fenton took
a second in the one mile with
a good performance.

On Saturday, May 12, ULS
hosted a three team invita-
tional with Armada High
School and Richmond High
School. Richmond won the
contest with 81 points. Ar-
mada gathered 59 points and
Liggett collected just 29
points.

Although ULS finished last
against the two Class B
schools, several team mem-
bers had their best perform-
ances of the year. Bencie
took the only first place for
Liggett in the high jump.

Other outstanding per-
formances for ULS came
from Kirlin, taking a second
in the 100-yard dash with a
10.9; Fenton, getting a fourth
5:08.6; Chamberlin, taking a
in the mile with a time of

second in the 880 with a
2:11.5; and John Lesesne,
getting a fourth in the two
mile, clipping 38 seconds off
his best time of the year,
with an 11:25.1.

ULS now awaits the re-
gional contests on Saturday,
May 19, in Caro with the
hope that some of its run-
ners will advance to the fi-
nals on Saturday, June 2.

Defer Parents Plan A Fair

Great things will soon be
rising from the ground
around Defer Elementary
School. There'll be tire
juggles, an intricate, chal-
lenging playscape and a tire
swing big enough to handle
14 kids at a time.

Defer's PTO is donating
about \$3,500 in equipment
and lots of hard labor for
the new playground. Bell
Telephone and a local tire
company are helping, too, by
donating polls, engineering
and reject tires for the
project.

To pay for it all, Defer
parents have planned a fair
for Saturday, May 19, fea-
turing games, prizes and
drawings from 10 a.m. to 4
p.m.

It is just one of several
ambitious projects the ac-
tive parents have assumed in
recent years. In addition, the
PTO has furnished the
school's paperback library,
painted walls inside and out,
installed benches and flow-
ers in front of the building
and carpeted first and sec-
ond grade classrooms.

The Board of Education ac-
cepted the PTO gift after a
presentation by Principal Dr.
Sally Bell on Monday, May
7. Defer PTO president this
year is Dr. Ken Harris.

Alcohol is consumed by 92
million Americans, and 65
million use tobacco, says Dr.
Robert L. DuPont Jr., former
head of the National Institute
on Drug Abuse. Dr. DuPont
estimated that 43 million
Americans have tried mari-
juana, and that 16 million
are currently using it.

REMEMBER HOW THEY USED
TO BUILD 'EM?

Back in the late 30's and Early 40's a
center entrance colonial was
something special; maids quar-
ters over the two car garage,
wide halls, gracious staircases,
paneled libraries. If this and the
six bedrooms, and 3 1/2 baths
doesn't lift your spirits, we know
the 3 passenger elevator serving
the basement, first and second
floors will. . . \$185,000.

QUESTIONS: DO STRONGMAN & ASSOCIATES

All Pointes Ends Season

The All-Pointes Swimming Club finished the 1978-1979 Michigan Metropolitan Winter League season by taking a fourth place. The "victors" celebrated their 10th successful season recently at the annual banquet honoring the team.

Thirty-six coaches award patches were presented. Special recognition was given the two co-captains, Laura Hackman and Gina Bartoszewicz.

Ten "most valuable" trophies were awarded the following high point swimmers: eight-and-under Nancy Woods and Rudy Stonish, 10-and-under Gail Stonish and Dick Clarke, 12-and-under Ann Vanker and Bill Luberto, 14-and-under Michelle DesRosier and Joe Schmidt, and 18-and-under Mike Luberto and Debbie Gulecki.

Coach Les Roddis and assistants Melanie McCafferty and Paul Hosea were saluted by the 93 team members. Certificates of appreciation for a season of cooperation

and joviality were awarded parent board members by president Mary DesRosier and coach Roddis, without whose time and efforts the club could not have prospered.

Following the banquet, the swim club once again accepted a challenge from the Region of Waterloo Swim Club in Ontario on the weekend of April 27-28 in Canada. While falling in defeat to ROW, 190-159, and breaking the one to one tie set last season, the sorrow of defeat was not evident, officials say.

Swimmers capturing first place for All Pointes at Waterloo in the 10-and-under age group were Dick Clark in the 100-meter free, 100 fly and the 100 IM; Scott Frame in the 50 breast; Sally Spilos in the 50 breast; and Robbie Hackman in the 50 fly.

In the 12-and-under group, Tim Monahan won the 100 IM and the 100 breast, Cheryl Chase took the 100 back, Bill Luberto won the 100 fly and 100 back and John Bourget took the 50 free. In the open age group, Laura Hackman won the 400-meter free.

Taking second place in the 10-and-under group were Wally Guevera for the 100-meter free, Robbie Hackman in the 50 breast and 100 IM, Leon Muelem in the 100 back and 50 fly, Katie McDonald for the 50 fly, Sally Spilos for the 100 fly, Cheryl Chase in the 100 IM, Fran Ferris for the 50 breast, Sue Durham for the 100 free and Scott Frame in the 100 fly.

In the 12-and-under age group Robbie Hackman was second in the 50 free, Ann Vanker in the 100 fly and 50 free and Tim Monahan for the 100 fly.

Center Drive Nearing Goal

The War Memorial's 1979 Annual Family Participation Campaign has drawn abreast of last year's receipts.

To date in this year's drive \$147,306 has been received in comparison to \$148,156 at the same point in the campaign last year. There are some 300 family donors yet to respond.

While there is just over \$7,500 to go to reach the needed goal of \$155,000 by the target date, Memorial Day, Monday May 28, there are only 10 more mail deliveries prior to that time to bring in donations.

In order to reach the goal, daily receipts of \$750 are needed.

Volunteers including the Center's board of directors and members of the Senior Men's Club will continue to make telephone calls on behalf of the drive.

Those who can make their income tax deductible gifts now are urged to do so, Center officials say, while adding contributions of any size made at any time are needed and gratefully received.

ULS Netters

Remain on Top

University Liggett School, (ULS), the state's top ranked high school tennis power, won its fourth invitational championship Saturday, May 12.

The Knights of coach Robert Wood won the Midland-Dow Invitational as ULS collected 32 points to easily outdistance seven other rivals.

Cranbrook finished second with 24 points, while Ann Arbor Huron was third with 20 points and Midland fourth with 17 points.

Individual winners for ULS were Kris Robbins, number two singles; Drew Mascarin, number three singles; Gar Knight, number four singles; and the number three doubles team of Tim Finkenshaed and John Doerer.

In dual match competition last week, University Liggett defeated arch-rivals Detroit Country Day School and Cranbrook by identical scores of 6-1. These victories raised University Liggett's dual match record to 7-0 to go along with the four invitational championships they have won this spring.

ULS, a Class D school, remains on top of the weekly state tennis rankings of the Michigan High School Tennis Coaches Association. South High School, a Class A school, is in the number four spot.

NHS Girls Top L'Anse Creuse

Knowing that L'Anse Creuse has a highly competitive girls track team didn't seem to bother North High School a bit as it defeated the Lancers, 64-65, on Thursday, May 10.

In the high jump Jodi Stout made an excellent showing as she took first place. Then, sophomore Beth Grimes put forth her best effort and took second place in the shotput. Laura Johnston worked her hardest and came up with a fourth place in the 110 hurdles.

North walked away with a first, second and third in the mile with Heidi Fach, Cathy Schmidt and Mary Franklin, respectively. Patty Meehan displayed what hard work can do as she placed first in the 440-yard dash.

In the 20 hurdles Patty Misukiewicz placed second, as Lisa Mediodia followed close behind in third place. Gretchen Schumer and Stout did a beautiful job in the long jump, taking first and second place.

Once again Grimes put forth her hardest effort in the discus, placing third. Angela LoVosco also took third for North in the 100-yard dash.

The 880 relay of Pam Stewart, Jody Long, Sue Demeulemeester and LoVosco took the first place honors. LoVosco, Demeulemeester, Stout and Long were the winning 440 relay.

Fach and Suzanne Stahl

added seven points to North's score as they took first and third, respectively, in the 880. Schmidt, Jenny Blashill and Juliana Payne gave North the winning one, two three combination in the two mile.

Third place was won by Steward in a hard race in the 220 yard dash.

In the final event, the mile relay, Stewart, Fach, LoVosco and Meehan took first place.

This was one of North's toughest meets this year, and, as senior Payne remarked, "It was the most exciting meet of the year. We were down by some 20 points and every point that we got was important. Jodi Stout did a great job under pressure to clinch the meet."

Debbie Takes Singles Title

Michigan State University senior Debbie Mascarin, who missed the State of Michigan Association of Intercollegiate Athletics for Women, (SMAIAW), tennis tournament last year due to an injury, aided the team this year at the tourney, held Thursday, May 13, at MSU.

Miss Mascarin of The Shores took the number one singles title at the Big Ten finals, topping Karen Kettenacker of Iowa, 6-4, 2-6, 6-2.

She has compiled a 12-5 singles log in 1979, and also plays as one of the number one doubles pair.

Liggett Takes Four Games, Heads for State Tourney

The University Liggett baseball team raised its season record to 10-1 with four victories last week. ULS began the streak with a tinging 4-3 decision over Southfield Christian.

Junior Jeff Karash pitched brilliantly as he gave up only two hits. Kevin Wohlfield provided offensive punch with two runs batted in.

Liggett's next victim was Hamtramck, as the Knights scored an 11-6 triumph. Senior Dave Popkey pitched six strong innings as he gave up only one earned run.

John Hindle had an outstanding day as he went three-for-three at the plate, scored two runs and drove in another. Junior Allen Taber also starred as he drove in two runs, scored two runs and stroked two hits.

Jack Roberts turned in a masterful performance on the mound as he blanked Lutheran East, 1-0, in an eight inning affair. Roberts struck out 15 batters and allowed only two hits as he recorded his fourth win of the season.

Karash drove home the winning run in the eighth inning with a line single to center. Bill Fleischmann pounded out two hits against

Lutheran East pitcher Scott Waak.

ULS had to come from behind to overcome Cranbrook in the final game of the week. Cranbrook enjoyed a 5-3 advantage after five innings of play. The Knights, however, responded to the challenge by scoring two runs in the sixth inning to tie the score.

With two outs in the bottom of the seventh inning, Fleischmann walked, stole second base, and scored on Wohlfield's line single to right field. Popkey got the win as he relieved Wohlfield in the fifth inning. Popkey's pitching record now stands at 4-0.

ULS will open state tournament play in a pre-district game against Servite High School on Saturday, May 19, at the Liggett field in Cook road at 10 a.m. The public is encouraged to attend and there is no admission charge.

CF Quartet To Perform

A string quartet from North and South High Schools has been selected by the Michigan unit of the American String Teachers Association as the Honors Quartet to perform at the Youth Arts Festival at Central Michigan University on Saturday, May 19.

The quartet consists of Sarah Gali, violin, Christine Kaliardos, violin, Mickey Kemp, viola, and Robert Reed, cello. Each of these students have distinguished records as soloists, members of various orchestras and honors groups. They each study privately with professional teachers on their instruments.

The quartet will perform the First movement of the Dvorak "American Quartet."

The Youth Arts Festival displays the top young talents from Michigan in music, drama, dance and the visual arts.

Wine is a great ingredient for punches or a warm weather cooler. Try this recipe for a celebration punch. Mix 1/2 cup of light corn syrup and 1/2 cup brandy in a punch bowl until well blended. Stir in a bottle (1 1/5 quart) of chilled Sauterne. Just before serving, add a 28 ounce bottle of chilled carbonated water, 1 bottle (1 1/5 quart) of Champagne, ice cubes, and a pint of washed whole strawberries. The punch, serving 25 four ounce cups, is itself cause for celebration.

When a celebration is in the offing, it is time to come to PARKIE'S PARTY SHOPPE, 17255 Mack, Corner of St. Clair, Detroit. We offer the wines, beers, cheeses and much more that will add a certain touch to a celebration. Discover what so many of our friends already know... no celebration is complete without a visit to PARKIE'S PARTY SHOPPE. Open 10-10 Mon.-Thurs., 10-11 Fri. & Sat., noon-10 Sun. Tel. 885-0626.

WINE WISDOM:

An ice block can be used to keep wine punch chilled instead of ice cubes.

Woods Case Is Appealed

A Wayne County Circuit Court decision rendered in favor of The Woods in its suit against the State of Michigan Department of Public Health regarding the cross connection inspection program has been appealed to the Michigan Court of Appeals by the Attorney General's Office.

In a report to the council at its regular meeting Monday, May 7, City Attorney George Catlin indicated it

would be several months before a decision will be received on this matter.

Circuit Court Judge Neal Fitzgerald on March 19 found that the administrative rule of the Department of Health governing the cross connection program was contrary to state statute, while rendering the city a summary judgment against the department.

With the decision, the city doesn't have to establish an ongoing inspection program of its existing facilities.

Mr. Catlin had earlier noted that the case was significant because it upheld the home rule concept of government, with someone looking at an administrative rule, feeling it was out of line and the court agreed.

Cross connections are connections to the fresh water system and, if the pressure drops in a line, could prevent the sucking back of contaminated water into the system.

Letters to The Editor

To the Editor:

The Grosse Pointe Park Police Department and municipal court should be commended for their prompt action in the apprehension of violators of our ordinances and in the firm but fair manner in which the penalty for such violation is carried out.

It is unfortunate that, in the recent case of two men breaking The Park's anti-solicitation ordinance, special interest groups within our community have taken the opportunity to fabricate a racial issue where none, in fact, ever existed.

The highly publicized remarks made by Ed Egnatios, director of the Grosse Pointe Inter-faith Center for Racial Justice, are not only disrespectful of the integrity of our court, they are an insult to all the citizens of Grosse Pointe Park whose laws our court was upholding.

It is unclear in Mr. Egnatios' remarks whether he ever was in contact with Park police or municipal court to get all the facts pertaining to the case of whether he simply called in the news media and informed them that Grosse Pointe Park had a "racial issue."

Had he checked the facts his "racial issue" would have proven to be non-existent.

This impulsive action by a spokesman for the Grosse Pointe Inter-faith Center for Racial Justice is alarming for several reasons.

First, as members of the Coalition for Block Grant Compliance, the GP Inter-faith Center is responsible for monitoring the Grosse Pointe communities for their performance in the Community Development Block Grant programs.

Secondly, for about 10 years the GP Inter-faith Center has been active in the evaluation and selection of textbooks in the Grosse Pointe School System.

It is difficult to believe that an organization that holds Grosse Pointe in such contempt as Mr. Egnatios has expressed could possibly be acting in the best interest of our community.

Mr. (Joseph) Grano's letter to the "Grosse Pointe News"

on May 10 was somewhat ambiguous in its explanation of his and Mr. Urso's concern regarding the case.

In one paragraph he says that they do not challenge the ordinance. Four paragraphs later he attempts to justify the actions of the two men by saying "they were only trying to earn some money."

He goes on to say that he and Mr. (John) Urso did not emphasize race as a factor in the case, but then implies that the incident would not have occurred had the men been white.

Mr. Grano and Mr. Urso were quoted as saying they were not allowed to see the men after they were jailed. Mr. Urso, as a past judge in Grosse Pointe Park, and Mr. Grano, as a past candidate for judge, must both be well versed as to their rights to counsel prisoners, and it is difficult to believe that they would allow a refusal to take place if they were officially entitled to visitation.

As a layman, I have always been under the impression that the legal profession considered it poor ethics to publicly chastise a judge for court procedures and sentences pronounced. Mr. Grano is obviously critical of the way our court handled the case. If he feels that strongly about it he should simply appeal the decision and spare us the "quality of mercy speech."

The actions taken by both the Grosse Pointe Inter-faith Center and the attorneys were highly publicized before all of the facts of the case could be related, which is truly unfortunate.

The reputation of our community has suffered through the actions of these few people.

Very truly yours,
Daniel A. Schaitberger,
Of Yorkshire road,
Grosse Pointe Park

To the Editor:

We were shocked and appalled to read in the "Detroit Free Press" of Judge Beverly Grobbel's decision to sentence two young black Detroit men to five days in jail for selling magazines door-to-door in The Park.

According to the article, the men were reported to the police in violation of an anti-solicitation ordinance, by a Grosse Pointe resident. They were frisked and later jailed when they were unable to pay the \$100 fine. The sentence was not only extremely harsh, but appears racist as well.

We would like to ask Judge Grobbel and The Park police if what they considered a "routine matter" has ever resulted in a Grosse Pointe youth or any other white "outsider" being sentenced to five days in jail for violating this ordinance.

This incident is a disgrace to the many people in Grosse Pointe who are seeking to change the poor image of our community and live in harmony with our Detroit neighbors.

We commend the action taken by the Grosse Pointe Inter-faith Center for Racial Justice and Grosse Pointe Park attorneys Joseph Grano and John Urso.

Because of their concern the two young men have been freed pending an investigation of the arrest and sentencing.

Sincerely,
Paul and Peggy Krogh,

What Goes On at Your Library

By William T. Peters,
Director of Public Libraries

Usually the books reviewed in this column have a common theme. This week the only commonality is that each book reviewed was published in 1978.

When Harlan Lane, chairman of the Psychology Department at Northeastern University, heard a story about a modern-day feral child found in the forests of the Central African Republic of Burundi, he quickly organized a scientific team to investigate.

Out of this experience has come the book *THE WILD BOY OF BURUNDI*, (Random House, 1978), by Harlan Lane and Richard Pillard. Dr. Lane's co-author Richard Pillard is presently associate professor of psychiatry at Boston University of Medicine.

The first report of this "wild child" said that he was found running with a troupe of monkeys in the dense tropical forest of Burundi by a band of soldiers on June 2, 1974.

Two years had passed since the child was found before Doctors Lane and Pillard found out about him. They were intrigued by the possibility, however remote, that the child thought to be about eight-years-old was brought up in the wild without human contact.

What the doctors found in their investigation makes for exciting reading. They unravel the mystery of the wild boy of Burundi and find a scientific explanation for his behavior.

Alexander Hamilton was certainly not a feral child but his formative years were traumatic and, according to James Thomas Flexner author of *THE YOUNG HAMILTON*, (Little Brown, 1978), the early years seared into Hamilton's character the humiliation and anger that erupted without warning as irrational outbursts throughout his adulthood.

The author, winner of a National Book Award and a rarely given Special Pulitzer Prize Citation for his four-volume *GEORGE WASHINGTON*, (Little Brown and Co., 1978), has the perceptions and insights of an experienced biographer and historian.

Hamilton was born on the island of St. Croix in 1757. He grew up in squalor not in affluent surroundings, as other biographers have claimed. His mother rejected him; his illegitimacy placed him in the disinherited legal category of an "obscene child."

By the time he was 11-years-old he started working in a countinghouse as a clerk for an international merchant. Recognizing his brilliance the community of St. Croix funded his passage to America so that he could be educated.

He arrived in America in 1773. Soon he was writing propaganda pamphlets urging independence from England. Before his 21st birthday he was a member of the staff of the Commander and Chief, George Washington.

Following the war he became a leader of the Continental Congress at age 26.

Flexner has given us a new portrait of a profoundly gifted and troubled human being that is boldly drawn, sympathetic and whole.

Jim Lilliefors is to running what Pete Rose is to baseball. Total dedication is the hallmark of both men.

In *TOTAL TRAINING*, (William Morrow, 1978), Jim

Lilliefors explains in detail the extraordinary mental and spiritual benefits of running.

You can and many people do, according to the author, run for the wrong reasons. Statistical running, keeping track of the number of miles one runs per day or week can become an end in itself. You endure the running rather than experiencing it, experimenting with it and enjoying it.

Total running is defined as a free-form goal less approach to running that can positively affect your attitudes, motivation and life style.

If you are a runner, run don't walk to the nearest library and get a copy of this book. If you're not a runner don't feel guilty, self discovery doesn't always require a pair of running shoes.

Charles Hamilton is the world's acknowledged authority on autographs, their authenticity and their value.

His new book *THE BOOK OF AUTOGRAPHS*, (Simon and Schuster, 1978), contains more than 1,000 facsimiles of original signatures. Hank Aaron, Horatio Alger, P. T. Barnum, Judge Roy Bean, Sigmund Freud, Barbara Fritchey, Emmett Kelly and thousands more autographs represent a lifetime devoted to collecting; author Hamilton is 66 years of age.

How much is an autographed letter signed by Alexander Hamilton worth? \$500 but Henry Ford's brings \$900.

You can have a lot of fun with this book and pick up some information you may never need.

Christian Day Marks Its 50th

By Susan McDonald

It's hard to imagine how a four-room, 50-student school could survive the economic onslaught of the 1970's. But, in case you haven't been up on Maryland near Mack avenue lately, be assured at least one such school has succeeded.

The parents, students and staff of Grosse Pointe Christian Day School want everyone to know they're still around this week because Saturday, May 12, was a special day for them — the school's 50th anniversary.

The school was founded by members of the First Christian Reformed Church in the Dutch tradition back in 1929 and has continued ever since as an accredited, eight-grade facility with a staff of four and an enrollment hovering around 50.

Current students marked the anniversary occasion Saturday by presenting a skit for parents and alumni in the Defer Elementary School auditorium tracing the school through each of its five decades.

A booklet was printed by parents under School Board President Curtis Vrieland of Littlestone road. Included are notes on the school's early history written by some of its 389 graduates such as Mart Batts, Class of '34, who remembers back to when the first, two-room building was erected.

As Mr. Batts remembers it the "men of our church worked all day at their regular jobs and then spent two or three hours working together on the school."

They obviously built in a great deal of dedication and it seems to have lasted.

WOMEN'S PAGES

From Another Pointe of View

By Janet Mueller.

And you think you've scheduled yourself to the hilt this busy spring!

Consider the case of Roma Riddell, Edward Kingins and Lawrence LaGore, for whom this Sunday will certainly NOT be a Day of Rest.

No sooner will Ms. Riddell, soprano, Mr. Kingins, tenor, and Mr. LaGore, pianist, finish their "Opera Highlights," a capsule concert of arias to be presented by the Metropolitan Opera in Detroit starting Monday, May 21, and running through Saturday, May 26, at Masonic Temple, than they'll make a mad dash for the expressway. . . .

"Opera Highlights," you see, will be presented at 2 o'clock at Somerset Mall in Troy this Sunday, May 20 . . . and at 3:30 o'clock that same day, the Pro Mozart Society of Greater Detroit is celebrating its 20th anniversary with a special concert, followed by a reception, at the Grosse Pointe War Memorial.

And among the Pro Mozart performers are—you guessed it!—Ms. Riddell, Mr. Kingins and Mr. LaGore, who happens to be the society's music director.

He and Marguerite Kozenn Chajes, the society's founder and artistic director, have chosen a program of works by Mozart, Beethoven, Mendelssohn, (Continued on Page 20)

'Fool's Paradise' For Theatre Arts

Comedy Is King As All-Woman Drama Club Ends Its Year with Traditional Evening Performance May 25

Laughter will fill the Players Playhouse in East Jefferson avenue Friday evening, May 25, when members of the all-woman Theatre Arts Club entertain their husbands and friends at Theatre Arts' traditional, gala, end-of-season production.

The play this year is Peter Coke's zany comedy "Fool's Paradise." Playing Catherine and Jane Hayling, once married to the same man, now living together in an antique-filled house, trying to settle monstrous debts, are Mrs. John Nelson and Mrs. Edward Wilson. . . .

Mrs. Bernard Whitley appears as their housekeeper, Mrs. Philip Dickinson as a wily antique dealer, Mrs. Martin Klerkx as a young, "hip" woman, Mrs. Kenneth Locke is cast as a hypochondriac. . . .

The two final characters are Philip Hayling, a nephew, (played by Mrs. William Miller, Jr.), who is conducting a secret romance with Susan Dawson, played by Mrs. Paul Koch. . . .

In charge of all of them is a male director: Peter Michael Psalm. Mrs. William Turner, Jr., is holding script. "Fool's Paradise" is produced by special arrangement with Samuel French. . . .

A supper will be served following the play. After that there's more sparkling entertainment to bring the final performance of the season to a close: "Broadway Afterglow," directed by Mrs. John Diebel, choreographed by Mrs. Randall Stebbins, (Continued on Page 30)

with Mrs. Nelson at the piano. . . .

Singing and dancing will be Mrs. Armand DeGaetano, Mrs. Diebel, Mrs. Klerkx, Mrs. Stebbins, Mrs. Wilson and Mrs. Stephen Toth. . . .

And of course, per tradition, the Theatre Arts Chorus will sing the club's song, composed by Mrs. Joseph Jennings who will provide the piano accompaniment. . . .

Singers include the Mesdames Ellsworth Allison, Michael Bucciero, Edwyn Gilbert, Eugene Ignasiak, R. Gerald Jordan, Martin Lindner, Jack Mills, John Parks, Gerald Stoezter, Charles Truscon and Mrs. DeGaetano. . . .

Coordinating the entire evening's entertainment are co-producers Mrs. Turner and Mrs. Francis Van Deusen. . . .

Mrs. James Doll is handling stage lighting. Properties co-chairmen are Mrs. Jarvis Schmidt and Mrs. Calier Worrell, assisted by Mrs. James McKenna and Mrs. David Martin. . . .

Spring Ceremony for Miss Braden

Jamaica Is Vacation Destination for Newlywed Thomas James Stauders; They Will Return to Reside in Port Huron

The ceremony in Grosse Pointe Memorial Church at which Cynthia Craig Braden spoke her marriage vows to Thomas James Stauder was followed by a reception in the Grosse Pointe War Memorial's Alger House.

She is the daughter of the Thomas N. Bradens, of Fisher road. Mrs. Kathleen Stauder, of Mount Clemens, and Raymond Stauder, of Milan,

Mich., both former Pointers, are the bridegroom's parents. Officiating at the 7:30 o'clock rites Saturday, May 12, was The Reverend Dr. David Antonson.

The newlyweds, vacationing in Jamaica, will return to make their home in Port Huron.

The bride chose a high-bodied, full-skirted gown of candlelight satin, styled with a full train and accented with hand-embroidered ivory lace, for her evening wedding.

Her waist length mantilla was fashioned of hand-embroidered ivory Alencon lace. She carried white roses, with daisies and baby's-breath.

Her wedding band, of plain gold inscribed "Friend, Sweetheart, Wife" and dated 1895, is an heirloom. It was worn originally by the bride's maternal great-grandmother, then belonged to the bride's grandmother, Emma Craig.

Mrs. David Jinks came from San Francisco, Calif., to serve as her sister's honor matron. Bridesmaids were Carol Waggett Childs, of Houston, Tex., a high school classmate of the bride, Diane Stauder, the bridegroom's sister, and Linda Bair, of East Lansing, the bride's college roommate.

Floral pastel chiffon overlaid their mauve silk frocks. Each wore a single pink Sweetheart rose, surrounded by baby's-breath, in her hair, and each carried an arrangement of matching roses, white daisies and baby's-breath.

Best man was Jeffery Slattery, a Grand Valley State College classmate of the bridegroom.

Guests were seated by Mr. Jinks, James Stauder, the bridegroom's brother, and Erik Bothe, who attended high school with both the bride and bridegroom. Mrs. Braden selected a

floor length dress of beige organza with a matching jacket trimmed in white with embroidered bugle, crystal and white beads, for her daughter's wedding. Her corsage was a white orchid.

The bridegroom's mother selected a long, seafoam green gown featuring an accordion pleated skirt and full sleeves. Her flowers were three miniature orchids.

To End Amit Year May 19

Pointer Mrs. Felix Abaldo, concluding two successful years as president of the American-Italian Professional and Business Women Club, will welcome members and friends to Amit's end-of-season luncheon meeting Saturday, May 19, at noon at the Birmingham Country Club.

Plans for the gathering were made by the Mesdames Arthur DeSantis, Walter Jaissle, Ewald Nielsen and James Holden.

Proceeds from Amit's annual fund raiser, held in February this year, will be presented to special guests June Nogoski and Robert Pellegrino, representing Madonna College's resident company of deaf performers, The Detroit Sign Company.

Sister Franceline, Madonna College president, and Sister Edith Marie were instrumental in arranging for yearly Detroit Sign Company grants from the Michigan Council for Performing Arts.

Members of the troupe will entertain during the luncheon, illustrating their abilities via mime, dance and creative movements in sign language, assisted by hearing interpreters.

Mrs. DeSantis will present Amit's slate of officers for 1979-80.

Josiah Harmer DAR Sets Annual Meeting

Helen Davidson is opening her St. Clair home to members of the General Josiah Harmer Chapter, Daughters of the American Revolution, whose regent is Mrs. John S. Buchanan, this Saturday, May 19.

Co-hostesses for the luncheon gathering at which officers and committee chairmen will present their annual reports are Mrs. Earl Robier, Miss Theodora Brown and Mrs. Joseph Schmidt.

Mrs. Harold Doyle will install officers for the coming year. Mrs. Buchanan will report on resolutions adopted at the DAR's Continental Congress, held in mid-April in Washington, D.C.

Miss Rejent Bride Of T.J. Scholtz, Jr.

Morning Ceremony in Grosse Pointe Academy Chapel is Followed By Reception in War Memorial's Alger House

A traditional white gown, touched with lace at neck, cap sleeves and hem, was Anne Therese Rejent's choice for the morning ceremony at which she became the bride of Theodore J. Scholtz, Jr.

Two bands of lace held her illusion veil. Carnations, stephanotis and baby's-breath formed her Colonial bouquet.

The 10 o'clock rites Saturday, May 5, in the Grosse Pointe Academy Chapel, Father Nino Cavoto, a friend of the bridegroom's family, presiding, were followed by a reception at the Grosse

Pointe War Memorial's Alger House.

Mrs. Robert T. Moeller, in dusty pink silk with matching silk flowers, attended her sister. They are the daughters of Mr. and Mrs. C. S. Rejent, of Stanton lane.

George Scholtz acted as his brother's best man. They are the sons of Mr. and Mrs.

At a morning ceremony Saturday, May 5, in the Grosse Pointe Academy Chapel ANNE THERESE REJENT, daughter of Mr. and Mrs. C. S. Rejent, of Stanton lane, was married to THEODORE J. SCHOLTZ, JR., son of Mr. and Mrs. Theodore J. Scholtz, of Matawan, N.J.

Theodore J. Scholtz, of Matawan, N.J.

Guests were seated by Robert Weltner and Kenneth P. Schoo.

Mrs. Rejent selected an aqua linen dress with a matching cardigan for her daughter's wedding. Her cor-

sage was a gardenia, with Sweetheart roses.

The bridegroom's mother chose a beige, blouson dress, and a corsage of pink Sweetheart roses.

The newlyweds will be making their home temporarily in Dayton, O.

Colony Town Club Convenes

Colony Town Club members gathered at Lochmoor Club last Tuesday, May 15, for their annual meeting. Cocktails at 11:30 preceded luncheon, served at 12:30 o'clock.

Assisting chairman of the

day Mrs. Ivan M. Kirlin were committee members Mrs. Walter G. Bernard, Mrs. Michael Madarasz, Mrs. Frank S. Perkin, Mrs. Hugh R. Purdy, Mrs. William L. Sherman, Mrs. Douglas D. Smith and Miss Constance M. Wagner.

It's A Busy Community Music School in May

A full week of musical treats will be the bill of fare for lunch time listeners in the Cultural Center at the Detroit Community Music School celebrates Michigan Week with a five day series of Brown Bag Concerts May 21 through 25.

This third series of popular noontime concerts offers a refreshing, 35-minute mid-day break featuring jazz, classical, light classical, rag-time and popular music.

Concertgoers are invited to bring their own lunch or buy a sandwich at the door for \$1. Admission to the concert is \$1. Music begins promptly at 12:15 o'clock.

The Detroit Civic Brass Quintet will play the opening concert on Monday, May 21. Formed in 1978 at the request of the Detroit Symphony Civic Orchestra and DCMS, the quintet comprises some of the finest young brass players in southeastern Michigan.

Their repertoire ranges from 17th century classical literature to Scott Joplin and the Beatles.

Brown Baggers will have an opportunity to hear noted pianist Fedora Horowitz Tuesday, May 22 in a recital of Bartok, Chopin, Brahms and Rachmaninoff. Ms. Horowitz, born in Rumania, emigrated to this country from Israel in 1969.

She has taught at the University of North Carolina, Eastern Michigan University, the University of Michigan, Dearborn, and Western Michigan University.

She presented a recital at Lincoln Center in New York in 1974 and locally has played with the Grosse Pointe Symphony and in numerous recitals.

"Color It Jazz" is the title for Wednesday's concert as the renowned Bess Bonnier and Joe LoDuca combine their talents for jazz improvisations of chamber music

on piano, bass and guitar.

They have made numerous appearances together in the Cultural Center at the Jazz at the Institute series at the Detroit Institute of Arts.

The Golden Rain Percussion Ensemble offers a new flavor Thursday, May 24, presenting a program of percussion chamber music by Bach and Hayden as well as contemporary pieces for mixed percussion ensemble.

This group, one of seven professional performing groups "in residence" at the Community Music School, has had an impressive history of successful clinic programs in percussion, especially for children.

Rounding out the week's presentations Friday, May 25, will be a concert by the Cranbrook Wind Quintet: French hornist, clarinetist, bassoonist, flutist and oboist. These young professionals design their programs to appeal to the casual as well as the experienced listener.

The Detroit Community Music School is located at 200 East Kirby street in the heart of the Cultural Center. Further information may be obtained by calling 831-2870.

And this evening, Thursday May 17, the Detroit Community Music School will spotlight its 1978-79 Dykema Scholar, its director emeritus and other outstanding talent at the 11th annual Dykema Memorial Concert.

The program will be presented at 7:30 o'clock in the school's Boughton Recital Hall.

Fifteen-year-old Sara Parkins, of Birmingham, a violin student of Jeanne Rupert, is the recipient of this year's Dykema Scholarship, the school's highest honor.

It was established to recognize extraordinary achievement and potential among DCMS students. This is the second year Sara Parkins has received it.

Sharing the program with Miss Parkins will be former Pointer Anna Husband, well known locally as a pianist, teacher and former director of the Detroit Community Music School.

Miss Husband retired in 1977 after 13 years as head of DCMS. She currently lives in Rio Rancho, N.M., where she teaches privately and at the University of New Mexico.

Miss Parkins and Miss Husband will both perform solos.

Miss Husband also will play in duet with Albert Fillmore, chairman of DCMS' Piano Department.

Completing the evening's performances will be the DCMS Scholarship String Quartet composed of four outstanding young string players including Sara Parkins, violin, Katherine Kast, violin, Lillian Scheirich, viola, and Margaret Parkins, cello.

The Dykema Scholarship was established in memory of the late Raymond and Margery Dykema. Mrs. Dykema was a founder of the school and former president of its board of trustees.

To Lead DSO Women in 1979-80

Posing for their first official portrait following their election in mid-April as board officers of the Women's Association for the Detroit Symphony Orchestra are, (back row, left to right), MRS. CHARLES M. ENDICOTT, recording secretary, and directors MRS. PHILIP CALDWELL, MRS. WILLIAM H. BUNDESEN,

MRS. WALTER GREENE and MRS. VOLLRAD VON BERG, (front row, left to right), MRS. ERIC WILTSHIRE, first vice president, MRS. ROBERT GERISCH, president, MRS. JOHN FRALICK, corresponding secretary, and MRS. HENRY DOMZALSKI, recording secretary.

The Mesdames Endicott, Bundesen, von Berg, Fralick and Domzalski are Pointe area residents, as are two other officers, (not pictured), Mrs. John E. Young, Jr., and Mrs. Frank A. Germack, Jr., serving as a vice president and as assistant treasurer, respectively.

By coincidence, the Symphony Women's 1979 annual meeting at the Bloomfield Hills Country Club fell on the exact date the WADSO was founded 50 years ago. Hostesses for the day included a pair of Pointers, Mrs. Bundesen and Mrs. Paul J. Kelley.

Salad Lunch Set May 23

A salad luncheon for members of the Grosse Pointe Symphony Women's Association who are encouraged to invite friends who might like to join the group has been scheduled, in conjunction with the association's new membership drive, for next Wednesday, May 23, at the Windmill Pointe drive home of Mrs. Kim K. Lie.

The party, being repeated by popular request, will be preceded by a brief business meeting at 11:30 o'clock. Post-luncheon, a representative from Sweeney's Flowers will demonstrate cut flower arrangements.

Mrs. Lyndle R. Martin, association president, and Mrs. Henry Drettmann, chairman of the day, are asking members to volunteer to bring salads large enough to serve 10. They would like salad makers to call them, at 822-7141 or 823-6103, by this Saturday, May 19.

Donations are \$5 per person at the door. Reservations are being taken by Miss Ruth Harvey during the day at 882-5692 and by Mrs. L. Verne Ansel, 884-4698.

Grosse Pointe Co-op Nursery Holds A Tea

New and returning members of the Grosse Pointe Co-operative School Nursery gathered Wednesday, May 16, at the Bishop road home of Mrs. Herold Deason for the co-op's annual May Tea.

Officers for 1979-80 are Mrs. Robert Ricci, president, Mrs. Michael Smith, vice president, Mrs. Charles Rowe, treasurer, and Mrs. John Shock, membership chairman.

Information on the school may be obtained by calling the Grosse Pointe United Methodist Church, 886-2363.

Church Groups Meet Tuesday

The Women's Association of the Grosse Pointe Congregational / American Baptist Church has scheduled group meetings for next Tuesday, May 22.

Lydia Group gathers at 11:30 in the morning in the Hidden Lane home of Mrs. Edward Schuler where a salad luncheon will be provided for all attending.

Mrs. O.K. Duncan, Mrs. George Aldridge and Mrs. Ricard Allor are hostesses. Special luncheon guests will be three foreign exchange students.

Naomi Group's meeting at 10 o'clock at the church will be followed by a luncheon for which each member is bringing either a salad or a dessert for six.

Naomi members will complete their button project. Hostesses are Miss Ella Tessmer and Mrs. Norton Ives.

Mary Group members, meeting in the Friendly Service Room at the church at 11 in the morning to work on a mart project, will bring brown bag luncheon sandwiches, but dessert will be provided by hostesses Mrs. R.I. Hallman, Mrs. Harrison Atha and Mrs. Joseph Gray.

Sarah Group gathers at the church parking lot, from where they will depart for a day at the zoo, at 9 in the morning.

Disco lessons are the program for Rachel Group at 7:30 in the evening in the church social hall. All men and women of the church are cordially invited to participate — but reservations must be made, by signing up in the church office.

curls... curls... curls!

As fashion becomes softer, more fluid, hair naturally follows suit. Tired of stark, geometric lines, women are once again seeking strictly feminine hairstyles. Consequently, curls are bigger than ever. And these aren't just clustered in the perimeter — they're all-over-the-head curls. Some are tight, crazy curls; others are looser for a tousled effect. Even cut short, hair today demands the soft and lazy movement of curls and waves.

Wedding in April For Stefanie Knopf

Mount Pleasant Is Home for Newlywed Marc W. Bloxsoms, Who Vacationed in Acapulco Following Ceremonies

Stefanie Noelle Knopf chose a traditional gown of white peau de soie for her marriage Saturday evening, April 7, in Saint James Lutheran Church to Marc W. Bloxsom.

Her short, illusion veil fell from a cutwork crown. She carried an arrangement of stephanotis, baby's-breath, pink roses and ivy.

Pointers Serve GSMD Council

A pair of Pointers were among those elected to serve the Girl Scouts of Metropolitan Detroit Council at the GSMD's annual meeting held at the Sentinel Center the first Wednesday in May.

Richard W. Kay will serve on the 1979-80 board of directors. Mrs. Thomas E. Coulter is a member of the new nominating committee.

She is the daughter of Mr. and Mrs. E. Paul Knopf, of Moran road. The Ward Bloxsoms, of Grand Blanc, are the bridegroom's parents.

A reception at London House East followed the 6 o'clock rites at which The Reverend George Kurz presided.

Attending the bride were honor maid Elizabeth Murray and bridesmaids Teri Schell, Donna LeValley and Lisa Helm, in mauve frocks, carrying rubrum lily bouquets.

Brent Bloxsom was best man. Mark Mackey, Craig Powell and Ed Fleming, Jr., seated the guests.

The newlyweds vacationed in Acapulco, Mexico, and are now at home in Mount Pleasant.

Award Time for Williams

Each year, the International Board of Boys' Towns of Italy meets in Rome to select and nominate a person or persons to receive its Michaelangelo Award, conferred upon persons of character, without distinction of race, nationality or religion, who have contributed outstandingly to the welfare of children and have rendered notable service to the cause of Boys' Towns of Italy.

This year's award goes to The Honorable G. Mennen Williams, of Tonawanda place. Currently serving as a Justice of the Michigan Supreme Court, he is a former Governor of Michigan and former Assistant Secretary of State for African Affairs.

He will receive the honor this evening, Thursday, May 17, at the Michigan Chapter of Boys' Towns of Italy's annual awards dinner banquet.

It starts at 6:30 o'clock at Dearborn's Fairlane Manor with a cocktail hour. Dinner

is set for 7:30, and the program will include a welcoming address by Marion Macioce, chairman of the chapter, and presentation of awards to Justice Williams, "Woman of the Year" William A. Pastor and "Man of the Year" Douglas A. Fraser.

The presentations will be made by The Right Reverend Monsignor John Patrick Carroll. Abbing who founded Boys' Towns of Italy 34 years ago in a bombed-out villa. Today, there are nine Boys' Towns of Italy, a Girls' Town and 31 other children's institutions.

T.J. Lesinski chairs the awards banquet this year. Assisting him as women's chairperson is Mrs. George Simon. Committee chairpersons include the Mesdames John Noonan, Frank Marra, Lewis Cooper, Hattie Pannenschmidt and Edward M. Baker.

Information on tickets, at \$50 per person, may be obtained by calling the Boys' Towns of Italy office, 675-4730.

Grand Marais Elects Officers

Mrs. John C. Cook opened her Lewiston road home Monday, May 14, for the Grand Marais Garden Club's annual meeting and luncheon.

Co-hostesses were Mrs. Arthur A. O. Schmidt and Mrs. Walter Foster.

The program featured election and installation of officers for the coming year who, include Mrs. Phillip Skillman, president, Mrs. Mary Evelyn Self, vice-president, Mrs. John C. Cook, treasurer, Mrs. William Baird, recording secretary, and Mrs. J. Ross Bush, corresponding secretary.

Daughters of Isabella To Meet on Mackinac

Michigan State Circle, Daughters of Isabella, will gather Sunday through Tuesday, June 3 to 4, at the Grand Hotel on Mackinac Island for their 50th annual convention.

The Marc Bloxsoms

At an evening ceremony Saturday, April 7, in Saint James Lutheran Church STEFANIE NOELLE KNOPE, daughter of the E. PAUL KNOPEs, of Moran road, was married to Mr. Bloxsom, son of Mr. and Mrs. Ward Bloxsom, of Grand Blanc.

Paul Dettloff Claims Bride

Paul Francis Dettloff, of Dean lane, claimed Terry Ann Stricker, of Lansing, daughter of the late Mr. and Mrs. Francis Stricker, as his bride Saturday, May 12, at an early afternoon ceremony in Saint Paul's-on-the-Lakeshore.

Monsignor Francis X. Canfield officiated at the 2 o'clock rites which were followed by a reception at the Shores Club.

The newlyweds will return from a vacation in Quebec City to make their home in Lansing.

The bride's gown of ivory

voile was Gatsby style. She wore silk roses and baby's-breath in her hair and carried a bouquet of ivory roses and baby's-breath.

Her attendant, Mrs. Gary D. Wilkinson, wore a frock of blue and lavender print cotton voile. Her flowers were blue and white silk forget-me-nots and white tea roses.

Best man was Raymond Hill. Mark and Greg Dettloff, brothers of the bridegroom, seated the guests.

Mrs. Dettloff selected a rose voile afternoon dress and ivory silk Sweetheart roses for her son's wedding.

Catholic Women Sell 'Collectables'

Pointers Help Plan May 19 Event at Casgrain Hall; Bargain Counter Boutique Clothing to Be Featured

Fine used home furnishings, antiques, appliances, art objects and miscellaneous household items will be available during the League of Catholic Women's Collectables Sale Saturday, May 19, from 10 until 4 o'clock.

The sale, which benefits the league's social service projects, will be held at Casgrain Hall in Parsons Street, Detroit (west of Orchestra Hall, between Woodward and Cass avenues). Boutique clothing from the four Bargain Counter resale shops operated by the league in Detroit, Dearborn, Berkley and St. Clair Shores will also be for sale.

Among those assisting sale chairwoman Mrs. John Hanley of Lathrup Village, are Pointers Mrs. J. Addison Bartush, Mrs. Leo Marx, Mrs. Clayton Alandt, Mrs. Arthur Kirchner, Mrs. Gerald Gattorn and Mrs. William Sheiby.

More are Mrs. Edward Davis, Mrs. Albert Combetta, Mrs. V. Reid Hall, Mrs. Samuel Jarrett and Mrs. Walter Murray.

Others on the planning committee include the Mesdames J. Timothy Cruice, Alfred Welton, Joseph Vison, Robert Kilgore, William Markley, Jane Vetter, Thomas Moore, Terrence Keating, Jere B. Gillette, Maurice Guenin, Dennis Flynn, Julius Drotos, Joseph Mello and Alex Motier, and Miss Marion Ryan.

The League of Catholic Women, founded in 1905, operates five social service agencies in Detroit.

Casgrain Hall is a low cost residence for single men and women of limited means.

Project Transition is a rehabilitation program for women offenders.

Barat Human Services provides residential and counseling programs for adolescent girls and their families. TASC is an employment training program for the jobless, and Casa Maria is a community center.

Mrs. C. Bradford Lundy, of Ballantyne road, is president of the 9,000-member league. Detroit's oldest social service organization, which participates with other civic, religious and community groups toward the rebuilding of lives and neighborhoods.

Garden Center Sets Workshop

A Bonsai workshop sponsored by the Grosse Pointe Garden Center will be held next Thursday, May 24, in the Recreation Room of the Grosse Pointe War Memorial. Those interested in the workshop, which begins at 9 o'clock and ends at noon, should contact Mrs. Monte Edelen, at 821-7360, or Mrs. Harley G. Higbie, at 885-4182.

Mayflower Society To Meet in Lansing

Mr. and Mrs. Alexander L. Weiner, Mr. and Mrs. Robert F. Taylor, Mr. and Mrs. Richard E. Stout, Jr., Dr. and Mrs. John R. Pear, Mrs. John F. Klein, Mr. and Mrs. Russell H. Lucas, Mr. and Mrs. Richard B. Gushee, Mr. and Mrs. Ross T. Kogel, Mr. and Mrs. Warren Johnson, Mr. and Mrs. H. Sanborn Brown and Mrs. Masoud Varzi are affiliated with the Society of Mayflower Descendants in Michigan which will hold its spring meeting Saturday, May 19, at Michigan State University's University Club in Lansing.

The General Society of Mayflower Descendants numbers more than 18,000 members, including the above Pointers, who can trace their lineage back to the Mayflower's 23 passengers.

Seven hundred of the members are affiliated with the Michigan Society. Many besides those mentioned above reside in The Pointes.

Guest speaker at the state meeting will be prominent genealogist Alden Clinton Saunders, of North Scituate, R.I., past-governor of the Rhode Island Society and past-president and member of numerous genealogical and patriotic societies.

Punch, served at noon, will be followed by luncheon at 12:30 o'clock. Members have been invited to bring relatives and guests.

Bartholdy, Chopin, Schumann and Puccini for Detroit's Pro Mozart, the first society of its kind in the western hemisphere.

Participating artists, besides Ms. Riddell and Mr. Kingins, (we'll forgive them if they're slightly breathless), will be sopranos Virginia Person, Earneestine Nimmmons and Wyn Landis, Rosemarie Murch, mezzo-soprano, Tom Pederson, bass-baritone, Emily M. Austin, violin, Ruth Burczyk, piano, and Clinton Andrews, cello.

The anniversary concert is made possible with the support of the State of Michigan through a grant from the Michigan Council for the Arts. Tickets for it, at \$5 per person tax deductible, may be obtained by contacting Mrs. George Roumell, 1-375-9180, or Mrs. Mary Hoffmann, 851-6183.

The program in Somerset's center mall is free and open to the public.

A 25th Anniversary

Another major anniversary celebration this spring will take place Monday, May 21, when Adult Service Centers, Inc., formerly the Senior Center, Inc., celebrates a quarter century of service to senior citizens and mentally handicapped adults in metropolitan Detroit's Tri-County area.

"Roots and Branches" is the theme of this year's annual luncheon meeting. It will highlight the past, present and future of one of the earliest senior centers in the country; an agency which continues to pioneer in providing innovative social services.

Busy Sunday for Phase I

A busy night begins at 6:30 o'clock for members of Phase I, the organization for single, young adults, ages 20 through 39, which meets regularly Sunday evenings at Grosse Pointe Memorial Church, this Sunday, May 20, with a "mailing party" to which all are invited.

The idea is to stuff, stamp and address Phase I's June Newsletter envelopes prior to the group's general meeting at 7:45 o'clock which will feature Bob Brickner, a professional tour director whose company, Incentive Journey Consultants, Inc., is setting up a Singles Travel Division.

Engaged

The engagement of ANNE MARIE BAYER and John Cyril Burke was announced by her parents, Mr. and Mrs. Charles M. Bayer, of Grosse Pointe boulevard, at a family party. An October wedding is planned.

The bride-elect, a graduate of Grosse Pointe South High School, received a Bachelor of Arts degree from Albion College, where she is currently employed by the American Lung Association of Southeastern Michigan where she is public information director.

Mr. Burke, son of Mr. and Mrs. C. John Burke, of Lewiston road, was graduated from Austin Catholic Preparatory School and the University of Dayton. He is presently with Cyril J. Burke, Inc.

Children's Center Hosts Anniversary Conference

Mrs. Perry TeWalt, of Lincoln road, is chairman of The Children's Center's 50th Anniversary committee which will present a two-day conference next Wednesday and Thursday, May 23 and 24, at the Rackham Building. "The New Frontier: Inner Space in the Inner City" (Treatment Methods and Issues with Children and Families in the Urban Environment).

Mrs. TeWalt, a vice president of The Children's Center's board of directors, has named several other directors who reside in The Pointe to the anniversary committee.

Mrs. Joseph J. Marshall is in charge of publicity and promotion, Mrs. Jack Pickering of invocations, K. Peter Knudsen of funding and Mrs. Edward T. Gushee, Jr., of hostesses.

Max Gardner, M.D., president of the board, and Alfred R. Reuther, Jr., board chairman, both Pointers, will preside at special sessions of the conference.

Pointers Karen Schroeter and David Mayo, members of the professional staff of The Children's Center, will participate in conference seminars.

On May 1, 1929, James Couzens created The Children's Fund of Michigan which was intended to "fulfill the need of children throughout Michigan for emotional satisfaction and mental adjustment to the present-day social existence."

A Child Guidance Division of the fund was established and The Children's Center was organized with Dr. Maude E. Watson as its first director.

Children's Center in 1979 is the largest community-based provider of children's mental health services in the

state of Michigan. Its Alexander East headquarters in the Medical Center is in a handsome, contemporary building whose construction was initiated by a gift from the D. M. Ferry Trust and Corporation.

Additional services are provided in three Detroit satellite locations and one in Highland Park.

The 50th Anniversary Conference will bring together professionals from Detroit, Washington, New York, Ann Arbor and Canada who will participate in 35 seminars and six special addresses relative to the child in a city environment.

Persons or groups interested in attending are invited to phone 831-5535 for further information.

A 50th Anniversary Reception, to which current and past board members, current and past staff, donors and special friends have been invited, is scheduled for next Tuesday, May 22, from 4:30 to 6:30 o'clock in the Alexander East headquarters of the Center.

Schola Cantorum and Orchestra-Detroit will present a benefit gala for the Music Society of Detroit Sunday, May 20, at 3 o'clock at Orchestra Hall.

Earnestine Nimmons and John Henkel are among featured soloists donating their talent. Tickets at \$10 include wine and hors-d'oeuvres at intermission.

Further information may be obtained by calling 833-3700.

Preview Art For Diabetes

Mr. and Mrs. Lee A. Iacocca and Mr. and Mrs. Thomas Lee Schoenith are co-chairing the preview of the Nelson Rockefeller Collection, which is opening at Gorman's Gallery in Southfield, next Wednesday, May 23, from 5:30 to 9:30 in the evening.

It's a benefit for the Michigan Affiliate of the American Diabetes Association and will feature entertainment by the Pastiche Wind Quintet, with apercifs and Yvonne Gill-Davis of Tweeny's Cafe.

Tickets at \$8.50 per person, tax deductible, may be obtained by sending checks, payable to the American Diabetes Association, with ticket requests to the American Diabetes Association-Michigan Affiliate, 6131 West Outer drive, Detroit, Michigan 48235, (342-9333).

The collection, launched by Nelson A. Rockefeller late in 1978 as a way of sharing his private objects of fine art with the public, features high quality replicas of works he had collected over almost half a century.

Items range from 18th century Chinese and European porcelain to primitive art from Africa and pre-Columbian America, American folk art and modern art from Europe and the Western Hemisphere.

The Michigan Affiliate of the American Diabetes Association, incorporated in 1948, one of 54 affiliates across the country, is an independent, full service voluntary health agency.

The association's goal is to serve the diabetic through research, detection, a children's camp and education.

East Pointe Adelines to Seat New Officers

The newly-elected officers of the East Pointe Chapter of Sweet Adelines, Inc. — Pat Kimel, president, Linda Raymond, vice president, and Gloria Boyt, secretary, all Pointers, and Detroiters Karen Klenk, corresponding secretary, and Midge Klein, treasurer — will be installed next Thursday evening, May 24, at a special gathering in Bethel Lutheran Church, St. Clair Shores.

Guests will include friends from neighborhood quartet organizations. Refreshments will be served following the formal installation ceremony and a musical program. Information on the East Pointe Chapter and its rehearsal schedule may be obtained by contacting Marti Miller at 886-3785 or Ellen Newak at 881-6807.

Cooks' Book Set for This Sunday

"Something's Cooking," the Michigan Cooks' Collection Cookbook debut, a benefit for the American Cancer Society, will be held Sunday, May 20, from 2 to 5 o'clock at Great Oaks Hall. Wine and hors d'oeuvres will be served. The professionally prepared cookbook has two outstanding sections. One is comprised of recipes from 29 famous Michigan restaurants, (the London Chop House in Detroit, the Grand Hotel on Mackinaw Island, Win Schuler's in Marshall, et al.), plus contributions by wives of celebrities.

The second, devoted to microwave cookery, includes 20 recipes to try at home. Many cookbook contributors and celebrities will be on hand Sunday to give autographs and actual cooking demonstrations.

Among them will be Duglass Duglass of Restaurant Duglass, Ray Schwartz from the Pontchartrain Wine Cellars, Yvonne Gill-Davis of Tweeney's of Birmingham, Jimmy Schmidt from the London Chop House, Peter Goatley of the French Gourmet of Farmington Hills, Machus Restaurants Chef Leopold, Helen Baumgartner, pastry chef from the Money Tree, Joseph Calenne, maitre d' of the Golden Mushroom, and Neil Benedict from Continental Cuisine of Royal Oak. Greentown's Old Parthenon Restaurant will be represented, as well as Farmington Hills caterers Beth and Doug Campbell.

To top off hors d'oeuvres prepared by Detroit's finest chefs there'll be Haagen-Dazs gourmet ice cream, with favorite toppings available. A minimum donation of \$5 per person entitles each individual to a copy of the cookbook.

Presidential Gavel Changes Hands

Pointer MRS. ROBERT NICCOLINI, (right), accepts her presidential gavel from MRS. CHARLES KESSLER, retiring president of the Hutzel Hospital Auxiliary. With this year's goal of \$90,000 realized, new President Niccolini told members of

the auxiliary, gathered this spring at the Detroit Athletic Club for their annual election of officers, that their aim over the next two years is to raise \$250,000 for the hospital's building fund.

Detroit Retired School Personnel Will Travel

Busses carrying members of the Detroit Association of Retired School Personnel will leave at 9 o'clock next Wednesday morning, May 23, from the north parking lot of Westminster Presbyterian Church, Hubbell at West Outer drive, for a one-day trip to points of interest in Canada. Elvera Nelson is in charge

of the excursion for which reservations, at \$10 per person all-inclusive, are necessary. They may be obtained by calling 835-2503. Participants are reminded to bring some form of identification as proof of United States citizenship. The final stop is Windsor's Art Museum. Return to Westminster is scheduled for 4:30 in the afternoon.

Second Family Art Game Due

The second annual edition of The Family Art Game, a 32-page color supplement to the Detroit Free Press featuring masterpieces from the Detroit Institute of Arts, will be distributed to 780,000 homes and hundreds of Michigan schools this Sunday, May 20. It will present 52 paintings and sculptures, 36 in full color, with comment by curators, with answers to 10 questions hidden in the text. Last year, more than 2,500 adults and children competed in the educational game. This year, \$1,750 is offered in prizes.

Family Art Game is sponsored by major corporations to help the Founders Society raise money for the museum, and as a fund raiser it ranks among the most successful ever managed by the Founders. Sales to corporate sponsors, were chaired by Mrs. Joseph H. Vance, Jr., of South Deep-lands road, whose corps of assistants included fellow

Painters Mrs. Berthold Treiber, Mrs. Norman L. Bird, Mrs. Joseph L. Hudson, Jr., Mrs. Robert N. Lynch, Mrs. Peter W. Stroh and Mrs. Victor Wertz.

The \$142,000 raised by the supplement will be applied toward Challenge Grants from the National Endowment for the Arts, which requires that institutions raise \$3 for every \$1 allocated by the federal government.

Principals in every school in Michigan have received a letter advising them to watch for the art game and ask students to play it for fun and profit. The Free Press, which contributed toward the supplement's production, has sent another letter telling how to obtain extra copies for students who wish to participate.

Parents are encouraged to survey the masterpieces with their children at home and plan family visits to the DIA's 101 galleries to see the works "in person."

Pre-Retiree Information Day Set for Teachers

A Pre-Retiree Information Day for retirees and pre-retirees of the Detroit Public Schools, sponsored by the Detroit Association of Retired School Personnel, has been scheduled for Saturday, May 19, from 8:30 to noon in the Rackham Building Auditorium. Walter Kendall, president of the DARSPP, will bring greetings and introduce platform guests. Representatives from the Detroit Teachers Credit Union, Blue Cross Blue Shield and Social Security will discuss their respective organizations as they relate to retirees.

Dorothy Eubank, executive secretary of the Retirement Coordinating Council, will report on state legislation pertinent to the school employees' pension system. The council

initiates such legislation. Thomas Schaeffer, assistant to Bob Hansen, executive secretary of the Michigan Public School Employees Retirement System, will discuss the pension system.

Clara Sinclair, president of the Michigan Association of Retired School Personnel and legislative officer for the DARSPP, will describe the advantages of belonging to both organizations. Mabel Matthews, member of the Michigan Public School Employees Retirement System Commission and treasurer of the DARSPP, will report on commission activities.

James McDowell, state director, Marie Guyton, assistant state director, and Thomas Northey, assistant treasurer of the National Retired Teachers Association, will outline services available from the national organization.

Coffee and doughnuts will be served at 8:30 o'clock. Participants may park across John R. opposite the Detroit Institute of Arts, and will be reimbursed \$1 for parking fees.

Named to the fall semester Dean's List at Xavier University, Cincinnati, O., was LISA GIBSON, of Stonehurst road.

TOWNHOUSE CONDO
Demand for Condo living is on the increase. We offer a nice 2 bedroom example in St. Clair Shores keenly priced in the low 40's, with carpets, drapes, new refrigerator and stove. It's ready to move in.

GROSSE POINTE WOODS
A brick built 3 bedroom home in the low 70's is quite a rarity. This well decorated cozy residence is well worth your inspection. Has new appliances, new carpets and a den. Also a new driveway and 2 car attached garage. Take a look and be impressed.

TOP CLASS RANCH
Here's a quality home in a superb location overlooking Lochmoor Country Club. This spacious 3 bedroom, with family room, library, has so many outstanding features for the executive. There's a glorious pool in the well landscaped acre of ground, too. Make an appointment now.

FIRST OFFERING
We introduce a most charming Cape-Cod with lots of class. Built on two lots, and situated in the Farms. This excellent home is a must see. Three large bedrooms, family room, beautifully decorated, and quite unique. There's an attached 2 car garage, professional landscaping.

COZY RANCH
See our picture ad elsewhere on this attractive home. There's lots of nice things about this three bedroom beauty. Please call for the details.

ENGLISH TUDOR
If you are looking for something which has been meticulously maintained, spotless, professionally decorated this one should top your list. 3 big bedrooms. 17-foot dining room, lots of leaded glass and natural wood. This excellent home is offered in the 80's.

CONDO TOWNHOUSE
Located in Fraser this is a neat 3 bedroom with lovely finished basement. This is definitely in move-in condition with new carpets, all appliances, and air conditioning. There's other extras, too, in this keenly priced 40's residence.

VACANT LAND
St. Clair Shores—6 lots, all for \$24,000.
Grosse Pointe Woods, vacant lot 40x176, \$25,900.

DETROIT
THREE 1st OFFERINGS
Two homes with three bedrooms each located in the "HOT" area of Detroit—home hunters will know the demand. These are both priced in the 30's. Hurry and call us for the details on these, you know they won't last.

INCOME
A 5 5 in nice condition, these incomes are also in demand. Take a look at this hedge against inflation. You won't regret it.

Youth Nabbed after Chase

A 10-year-old boy was charged with reckless driving and fleeing and eluding a police officer after police from The Woods, Farms and Park combined to pursue the juvenile along Mack avenue early Saturday morning, May 12.

In the incident, which reached speeds of around 80 mph, the youth on several occasions lost control of his vehicle which left the roadway, according to police.

Woods Lt. Peter Thomas reported he spotted the vehicle make a sharp turn at a Mack avenue crossover, going south on the thoroughfare at a high rate of speed. After pulling behind the car, he said he reached speeds of 80 mph.

The lieutenant notified the station of the chase and, upon approaching Newcastle road, a Farms scout car, driven by Cpl. Otto Glanert, joined in and moved behind the speeding auto.

Around 40 yards north of Moross, the youth hit the curb to the island and veered across Mack toward Revco Drugs, hit the curb in front of the store and went onto the sidewalk, hitting a street sign. It then veered back onto Mack, before going across the thoroughfare and striking the curb on the island.

Lt. Thomas said the driver managed to straighten the vehicle, before proceeding along Mack with both scout cars in pursuit.

At Mack and Cadieux, the vehicle hit the curb on the island, went onto the island, hit a traffic control sign, travelled off the island and south on Mack on the left hand side of the center line, causing several oncoming

cars to pull to the curb to avoid being hit.

Then, at Kensington and Mack, a Park scout car pulled in front of the youth, causing him to pull sharply to the left before going up over the curb and onto the lawn at the southwest corner. As the driver tried to get back onto Mack, Cpl. Glanert boxed him in.

At The Woods station, the boy's parents were contacted and they told police the youth has been under psychiatric care. He was taken to Bon Secours Hospital where the family's doctor was on duty and blood tests were taken. They revealed both a blood alcohol level and a smaller level of barbiturates.

The boy, who said he takes no pills or drugs, told police he went with some friends to a Detroit bar for a few beers before going home at which point he took the family car. He felt the barbiturates may have been slipped to him, while expressing his willingness to cooperate.

The case has been referred to the Youth Service Division for follow-up investigation.

Church Hosts Sarah Power

Sarah Goddard Power, chairperson of the U.S. National Commission to UNESCO, will discuss The Year of the Child at Grosse Pointe Memorial Church, 16 Lakeshore road, Monday, May 21.

Her talk is sponsored by the church's Christian Community Forum, aimed at bringing speakers of national prominence to The Pointe to address the spiritual dimension of social issues or changes in their own lives.

Carol Marks will introduce Ms. Power Monday evening at 7:30 p.m. Tickets for the lecture only are \$2. Tickets, at \$4, also are available to a dinner preceding the talk at 6:30 p.m. Admission to a children's program and dinner is \$2. Reservations may be made by calling 882-5330.

Ms. Power is the daughter of Wendell and Kitty Goddard of Provencal road. Currently serving an eight-year term as regent at the University of Michigan, Ms. Power is a graduate of Vassar College and New York University's Graduate School of Politics and International Relations.

The Christian Community Forum also arranged a talk by Maggie Kaun, organizer of the elderly, earlier this year. Her impressive and moving talk inspired parishioners at Memorial Church to organize a group to promote the rights of seniors.

Forum organizers have contacted several other potential speakers for the coming months, including Rev. Jesse Jackson, Bruce Jenner, Philip Potter, Norman Vincent Peal, William Sloan Coffin and John Chancellor.

Men Gardeners To Hear Panel

The Men's Garden Club of Grosse Pointe will meet Thursday, May 17, at the Central Library, 10 Kercheval avenue, at 8 p.m.

A panel discussion on planting, growing and caring for geraniums, chrysanthemums and carnations, conducted by John Wendlund, Paul Machuga and Ken Carey will take place.

The discussion is in conjunction with their 22nd annual Flower Sale on Saturday, May 19, at N. C. Frohnd, Inc., 19815 Mack avenue.

Mr. Wendland, speaking on seed geraniums, is currently the master gardener for Meadowbrook Hall and Oakland University. He is a member of four international geranium societies.

Mr. Machuga, speaking on mums, has more than 37 years experience of growing them. He is a director and past president of the Greater Detroit Chrysanthemum Society. He also is a director of the Michigan Horticultural Society.

Mr. Carey, speaking on growing display type carnations, is a member of the Grosse Pointe Rose Society, the Greater Detroit Chrysanthemum Society and the Men's Garden Club. His years of experience in growing carnations will provide enough information so that even a novice will become successful with growing these beauties.

Guests are invited to attend the meeting prior to buying the prized plants on Saturday.

Babe Ruth Results

FARMS-CITY MAJORS

By Joe Fromm

After the first full week of play, the Red Sox remain the only undefeated team, with a record of 2-0. Four of the five teams in the league, however, remain close with only one game separating the fourth team from the Red Sox.

The Indians, with a record of 2-1, are a half game out of first. The Tigers at 2-2 and Yankees at 1-1 are one game out of first. The White Sox have yet to win against three losses.

The Red Sox downed the White Sox, 10-7, on Saturday, May 12, as Mike Palazzolo picked up his second win of the season. Fred Chave drove in three runs with a bases-loaded double in the third to put the Red Sox in front.

Rookie Kurt Maunz of the Red Sox had three singles and pitched two innings of relief. Paul Martinelli had two singles for the White Sox.

The Indians won their second game of the season with a 11-6 win over the Yankees on Monday, May 7. The Indians staked winning pitcher Dave Weir to a seven-run lead in the first inning. Mike Connell, John Cook, Tom Keane and Rob Carr shared the hitting for the Indians.

The Red Sox and Yankees went seven and a half innings in a 1-1 dual on Thursday, May 10, before the game was called because of darkness. Rick Richner went the distance for the Red Sox and rookies Garry Lange and Jim Fitzsimmons shared pitching for the Yankees in a well-played game.

The game will not count in the standings and will be replayed if either team is in contention for the first half championship that ends Sunday, June 3.

The Tigers won two and lost one game and the Yankees won one game during the week but details on the games were not available.

The Babe Ruth League will begin inter-league play with The Woods this year as each of the five teams in the Farms-City will play one game with five teams in The Woods. The first game will be Sunday, May 20, with the Yankees meeting Pioneer at Kerby Field in The Farms at 5 p.m.

FARMS-CITY LEAGUE

By William Haring

The Brewers finished the first full week of the season with a perfect 3-0 record. The Twins and Angels are both 2-1. The Reds and A's are winless at 0-2 with a tie each.

The Brewers' Dave Crockenberg and Karl Doelle each picked up a win with strong low-walk performances. On Wednesday, May 9, Crockenberg and Doelle combined for a four-hit, 8-3 win over the Rangers.

Crockenberg was the victor and Doelle pitched three innings of hitless relief. Doelle also led the Brewers attack with three hits. The Brewers defense executed four pick-off plays and two double plays.

Doelle got credit for his second win of the season on Saturday, May 12, when the Brewers defeated the A's, 7-4. Doelle allowed only one run in four innings and Crockenberg and Gilder Jackson preserved the win with excellent relief.

The A's Ned Sparrow also pitched well in a route-going performance. Sparrow had two doubles to lead the A's offensively. Brewers center-fielder Dave Isaac turned in two outstanding catches to quell two different rallies by the A's.

The Twins also won both their games last week to stay one game behind the Brewers. A single by Scott McCarty in near darkness gave the Twins a 12-11 victory over the Angels on Monday, May 7.

Reliever Mike Kelly got credit for the victory. Twins first baseman John Judson made two excellent pickups.

Eye, Ear, Blood Screening Set

The Northeast Detroit Lions Detroit Hearing and Speech Center and American Red Cross will conduct a free eye, ear and blood pressure screening program for adults on Saturday, May 19, at the Northeast Detroit Lions Club House, 17500 Chester, off Harper, six blocks south of Moross, from 9 a.m. to 4 p.m. The program is open to everyone.

Eye screening will be specifically testing for symptoms of glaucoma, the leading cause of blindness among adults in the United States. All the screening takes only a short time.

of low throws with would-be runs crossing the plate.

The Twins carried hot bats to South High field on Thursday and defeated the Reds, 19-9. Clay Vandenburg pitched the entire game for the Twins after surviving a six-run first inning by the Reds. The Twins scored seven runs in their third inning to take a lead they never lost. Jake Gagnon had three singles for the Twins. John McLeod hit two singles and Geoff Boynton lashed a tremendous triple off the centerfield fence.

The Angels' victory came over the Rangers by a score of 12-4 on Friday, May 11, at South High field. The Rangers led 4-1 after four and a half innings when the game was delayed to allow the sun to go down.

Ranger starter Greg Restum took the mound after shutdown, but the 30-minute delay proved too much to overcome. The Angels exploded for 11 runs in their fifth to put the game away.

The rally featured back-to-back triples by Les Linder and Mike Wood and a key single by John Vismara. Wood was the winning pitcher, allowing only two Ranger hits and striking out eight.

The A's and the Reds were tied after five full innings when darkness forced suspension of their Tuesday, May 8, game at Elmhurst Field. A game is official after five full innings, so the tie game will not be continued unless the final season standings will be affected by its outcome.

Mason Eyes Vandalism

Steps have been taken toward preventing vandalism to Mason School, 1640 Vernier road, by both school officials and Woods police after school doors were spray painted on two occasions and windows broken during the last month.

The latest incident, the spray painting of obscenities on two doors, was reported to police on Wednesday, May 9, by Rick Casey, engineer.

In an attempt to alleviate the situation, Mason Principal William Mestdagh said last week that four "no trespassing" signs have been placed on school property, with those disobeying the signs being prosecuted.

"We've also opened up the immediate area to permit police cars to cruise at will," he said, while adding a light has been installed at the northwest corner of the baseball diamond area, a previously dark spot.

Both Mr. Mestdagh and Youth Service Division Det. John Albrecht have emphasized the need for citizen cooperation in the reporting of any suspicious activity, with the detective noting a group allegedly responsible for vandalism in the area of the Grosse Pointe Baptist Church months ago being suspected of the Mason incidents.

Smoke Bomb Set Off at NH

Someone set off a smoke bomb on the second floor of North High School, 707 Vernier road, filling the corridor and nearby stairwell with a greyish white smoke, according to a report from Youth Service Division Det. John Albrecht.

The incident occurred late Monday morning, May 7. No one was hurt and damage was minimal. The detectives said someone dropped a match inside a quart can outside of Room 227 causing an unknown substance to ignite and the smoke to spread.

The can was totally burned by the intense heat, while the floor beneath it was charred, leaving an impression of the container bottom in the tile. Ceiling tiles also received heat damage and a deposit of a black substance was observed at several spots on the ceiling. The device was extinguished with water. Instructor Richard Didur told the detective he spotted smoke seeping into the classroom under and above the door. He said he didn't hear any explosion nor did he see any flames when he rushed into the hall.

Some students said the device looked and produced smoke like smoke pots used by rock bands for special effects.

Walton-Pierce . . . will be having many important trunk showings in the months to come and we'll be telling you about them. For starters Aurora Ruffolo will be showing her lovely collection, Wednesday, June 6 to Somerset Mall and Thursday, June 7 in Grosse Pointe. For Posh collectors, John Vella will bring Posh to Walton-Pierce, Somerset Mall, Wednesday, July 18 and to Grosse Pointe, Thursday and Friday, July 19 and 20. Right now colorful terry separates are brightening the fashion scene at Walton-Pierce. Gregg Sport's terry skirts have elasticized waists and are slit to show off your legs. Coordinating tops include a blouson with a V neck, a T-top and a short sleeve button down the front jacket. There are tops that can be worn with straps or strapless. The group also includes terry shorts. Mix or match colors. Not every piece is in every color but colors are red, green, also white. Harbour Casuals have a one piece strapless playsuit that comes in mango, strawberry, light brown and green. A new selection of Jamison dresses have just arrived. A cool cotton-polyester print comes in a fresh blue and yellow print. Yellow grosgrain trims the neck, sleeves and belt. A brown and white striped sleeveless seersucker wrap dress is slicked at the waist with a brown patent belt. Love that hearts and flowers print also from Jamison's summer dressing. Enjoy summer in the smart, cool fashions from Walton-Pierce and preview fall with the trunk showings.

Pointer of Interest

MRS. GERALD BELL, OF YORKSHIRE ROAD

By Janet Mueller

One day last summer, Donna Bell and Rose (Mrs. Paul) Ruble were sitting around the pool at Rose's home in East Jefferson avenue when a thought occurred to them. "Let's," they said, "have a pool party"—and they did, and yards of lasagna, mounds of tossed salad and piles of peaches from Dr. Ruble's trees later, they'd raised a barrel of fun . . . not to mention \$600.

That paid for the band at the Harper Division of Harper-Grace Hospitals Auxiliary's big dinner dance fund raiser in November.

Rose was president of the auxiliary that year. This year, it's Donna's turn. She's never been president of anything before, and she's a bit nervous. Not to worry. Not only is Donna capable, she's adaptable. Given those two traits, she can't lose.

Nine years ago, she began a new life in a new town. She'd met Gerald Bell, vice president of Sales with Aronsson Printing, on the ski slopes at Boyne. They had a nice family to put together.

Family Merger
There were his two daughters, Sherri and Debbie, and her son, Dean Farber. Both the girls are married now, living in Sterling Heights, and there are three grandchildren.

Dean, 24, a Grosse Pointe South High School graduate, lives at home and works at Aronsson as a junior salesman.

"They all ski with us," the Bells remain big on Boyne. They have a vacation home there and head north every winter weekend. "We had the two oldest grandchildren, eight and five, skiing with us this year."

Summer weekends find them at Boyne, too . . . especially since they decided to take their boat north and leave it there. It's a 23-footer, small enough to transport by land, big enough to take them over the water to Mackinac Island, et al.

Last winter, the Bells went boating on a bigger sea. "Seven of us, my husband and I and five friends, chartered a 44-foot sailboat and bareboated in the Caribbean." They took over the yacht New Year's day and spent the next few weeks meandering the waters around Tortola, Virgin Gorda, St. Thomas and St. Croix. It was a lovely way to start the year.

Florida House
This spring, Donna's been redecorating. Easter colors—yellows, pinks and greens—are her motif. The house catches the sun. "I've always said: I can't live in Florida. I want to live AS IF I were in Florida."

Actually, she's very happy where she is. "I've made such lovely friends since I moved here. I have such nice neighbors. Now I have a hard time finding the time to get back to Toledo."

That's where she came from, nine years ago, and that's where her whole family, mother, father and grand-

mother, brothers and sisters, nephews and nieces, still live.

When Donna moved to The Pointe, she had exactly one friend here. And that friend was a volunteer at Harper Hospital.

So, naturally, when Donna went down to Harper to visit a friend who was having an operation there, she stopped in to see her "first friend" in Grosse Pointe.

And before she knew it she was signed up as a Harper volunteer, member of the auxiliary, and had run across the street and bought her uniform. She came home to her husband, who was at home with a cold, put on the uniform, went in to him and said, "See, now I'm all ready to take care of you."

Resigned to Fate
He blinked. "Well," he said, "I knew I'd lose you to something."

No chance of that. Donna is a one-man woman and a one-group volunteer. She belonged to the Northeast Guidance Center Assistance League for a while, but went associate last year. Given her Harper responsibilities, she felt she couldn't give enough to the Assistance League.

And that wouldn't be fair. It's one thing at a time, and do it well, for Donna Bell.

Her "one thing" is Harper. For a very simple reason. "I love it down there." Her first assignment was the gift shop cart, but she moved quickly into the Surgical Lounge where she's been ever since.

"The Surgical Lounge is our (the auxiliary's), responsibility. We open it at 8 in the morning, close it at 3:30 or 4." The Surgical Lounge is the place where relatives and friends wait while operations are in progress. It's staffed completely by auxiliaries, each of whom is responsible to be there at her assigned time or to find a substitute.

It's not the only area in which Harper's auxiliaries volunteer their time. Some, as Donna once did, take the gift shop cart to patients. Some work in Medical Records, some at the Information Desk, some with Chaplain Services, some in Physical Therapy. "And the Library Cart is manned by us."

Love in Common
Auxiliaries serve where they're needed, according to their talents and inclinations. Their one common denominator is: "We love it down there."

Many of them are Pointers. "Approximately 110 of our 320 members are from Grosse

Pointe," Donna notes, "and eight of our 17 past-presidents were Pointers."

Harper-Grace is located in the Detroit Medical Center, along with Children's and Hutzel Hospitals, The Rehabilitation Institute, Detroit General, (now Detroit Receiving), Hospital and Wayne State University's Medical School which now includes the new Health Care Institute.

Total beds: 2,300. Physicians: 1,500. Employees: 10,000. It's a city within a city. It's a safe city, with a lower crime rate than many of the suburbs. It's easy to get to.

Donna, for instance, leaves her house at 7:30 in the morning, zips down Jefferson and onto I-75, swings out on Mack . . . and she's there. Twenty minutes at the most. "By 10 to 8 I'm at the Surgical Lounge."

Time of Essence
She's been doing that once a week for eight years now, but this coming year, her presidential year, she's placed her name on the substitute rather than the regular Surgical Lounge volunteer list. It's sensible. As auxiliary president she'll be having extra demands on her time.

On the other hand, no way is she going to give up the Surgical Lounge. She loves it down there.

Donna Bell was formally installed as president of the Harper Division of Harper-Grace Hospitals Auxiliary May 2, at the auxiliary's annual meeting at Oakland Hills Country Club. Rose Ruble stepped down . . . but not, Donna gratefully reports, out.

Rose, as immediate past-president, remains at Donna's right hand: a constant source of experience and advice.

The annual meeting is one of the auxiliary's four general meetings per year. Harper auxiliaries are, first off, workers, volunteers at the hospital, but they do like an occasional social get-together. Like their president, who admits she thoroughly enjoys luncheons and shopping trips, "going out with the girls."

General Meetings

The four general meetings are held at various locations, usually private clubs, in the Greater Detroit area, and they usually feature a fashion show and/or speaker.

The setting for the meeting before the May meeting was the Renaissance Club. Madelyn Coe conducted a Renaissance World of Shops fashion presentation.

Board meetings, too, are spotted around the city, but Donna could, if she wished, walk to her first one. It's set for early June, at the Bedford road home of Mrs. William Nagel.

"She's the friend who got me into the auxiliary in the first place."

Air Force Major JACK E. FORD, a teacher at Grosse Pointe North High School and an Air Force Reservist stationed at Selfridge Air National Guard Base, has been awarded the Air Force Commendation Medal for outstanding performance as the intelligence officer with the 403d Rescue and Weather Reconnaissance Wing.

DOREEN KRZYSIK, daughter of MR. and MRS. THEODORE KRZYSIK, of Stanhope avenue, is a senior at Michigan State University where she received the Mechanical Engineering Award, presented by General Motors Corporation, at the Society of Women Engineers' second annual awards banquet February 21.

Named to the fall semester Dean's List at Mercy College were Pointers KATHLEEN KENNEDY and MARY CATHERINE TIEDECK, who attained "A" averages, and MARY THERESA VANDERBUSCHE and ANNE MARIE WILTING, achieving at least "B+" averages.

urbanite, Harper-Grace statistics are overwhelming. A budget, in 1978, of \$140 million. Five thousand employees. Sixteen educational programs preparing students for careers as doctors, nurses, various kinds of technicians, administrators, chaplains, dietitians and medical record administrators.

Patients? How about 142,000 in a given year, including inpatients, outpatients and Emergency Room visits.

Individual Attention

That's BIG . . . unless and until you begin to think of each of those patients as an individual. As the auxiliaries do when they wheel around the gift shop and library carts, or get a cup of coffee in the Surgical Lounge for the mother/father/husband/wife of someone who's undergoing an operation.

And Harper does serve Grosse Pointe. In a typical year, of all Grosse Pointe residents who are hospitalized, about six percent are admitted to Harper.

Many come because they need types of treatment not offered closer to home. Treatment of cancer, for instance, and in neurology and heart surgery.

And a large portion of Harper's 1,000-plus doctors live in Grosse Pointe.

As do a large portion of its auxiliaries who have chosen, like Donna Bell, to devote their volunteer time to a downtown hospital. Not because they do not appreciate the local hospitals, not because they would not enjoy working for and at them, but because, like Donna:

"We love it down there."

Mrs. William Y. Gard chairs the committee planning the anniversary program scheduled to begin at noon at The Sentinel Center in East Jefferson avenue.

Assisting her are the Mesdames Edward M. Allardice, Michael Alterman, Margaret A. Douglas, Gerald W. Hoose, Fran Harris, Clinton R. Scharff and Joseph A. Vance, Jr., The Reverend Gary M. Douglas, John Garlinghouse, Dr. Gordon Knight and Ripley S. Odell.

Hosts and hostesses will include Mrs. Theodore R. Buttrick, Mr. and Mrs. Henry T. Ewald, Jr., Mrs. Carl B. Grawn, Mr. and Mrs. William E. Lane, Mr. and Mrs. H. Ripley Schemm, Mrs. Frank J. Sladen, Mrs. DeHull N. Travis, Ms. Fannie Watson, Abraham Shiffman, Martin Butzel, Mrs. Haley Bell and James S. Banks.

All In The Family

The more than 500 alumni and friends who gathered at the Detroit Plaza Hotel late last month for the Notre Dame Club of Detroit's Universal Night Dinner clapped as Grosse Pointe's James N. Motschall, Jr., became the group's youngest president ever, succeeding Terence Desmond, of Bloomfield Hills.

They weren't just cheering for youth, but for tradition. Jim's father, James N. Motschall, Sr., served as the Detroit Club's president more than a quarter of a century ago, in 1951.

Among those supporting "Young Jim" this year is a fellow Pointer, Thomas J. Verbiest, who will serve as vice president.

Navy League Ball

Because there is a renaissance in the Sea Cadet Program AND because this year's Navy League Ball will be held at Renaissance Center, it's being called the Renaissance Ball.

It's set for Saturday evening, June 2, as always under auspices of the Detroit Women's Council of the Navy League of the United States, founded by Gerry (Mrs. Thomas K.) Fisher who remains a very active member.

This year, the Detroit Navy League ladies are going to pay special honor to a Grosse Pointe North High School graduate, Jeffrey Kirkman, whose father served on PT 109 commanded by young John F. Kennedy and whose mother is the council's liaison with the Navy's Sea Cadet program.

Jeffrey, a former Sea Cadet, recipient of the Congressman's Medal of Honor, (14th District), and of a watch presented by Grosse Pointe Rotary in recognition of his activity in community affairs, now attends Rets School of Electronics.

He does not intend to make the Navy his career—but he does consider the training he received as a Sea Cadet invaluable.

The Sea Cadet Program, open to youths ages 14 to 17 who are interested in learning about ships and seamanship, will be the primary beneficiary of proceeds from this year's Navy League Ball.

ROBERT STOCKWELL, son of MR. and MRS. ROBERT STOCKWELL, of Touraine road, has received a \$250 Shell Oil Company scholarship for the spring term at Northwestern Michigan College where he is a Petroleum Engineering Technology major.

DR. LEONARD B. SMITH, music director for Detroit Concert Band, Inc., headquartered in Grosse Pointe, was a principal speaker at the first annual convention of the newly formed Association of Concert Bands of America, Inc., held in Sarasota, Fla.
