A lengthy list

Trying to find the names of all Grosse Pointers who served in Viet Nam is turning into quite a weighty matter. The War Memorial, as you may remember, is trying to discover the names of everyone from the area who served in Southeast Asia for a plaque at the center.

The War Memorial has displays honoring those who served in World War II and Korea, plus a plaque of those killed in Viet Nam, but not those who served and survived.

In an effort to speed things up, the center sent to Lansing for a computer printout of all Wayne County veterans who received Viet Nam bonus checks approved by the state in the mid-1970s.

They bought more than they bargained for. The printout weighs 60 pounds and contains the names of thousands of veterans. According to War Memorial Director Mark Weber, the center had to drive to Lansing to pick up the document, since it was too heavy to mail.

A group of volunteers is plowing through the document now looking for Pointers to put on the plaque. Any Viet Nam vet interested in being listed should call the center and save those poor people some time and eye strain.

Malta market

Heads are being scratched over this one. Mary Conway and Harry Satchwell, co-authors of the successful "Eat, Meet and Enjoy Detroit" book series recently received a letter asking for a copy of their "Meet, Eat and Enjoy" recipe book.

While the dining duo are used to receiving requests from all over the states, this letter shook them up since it hailed from Mellieha, Malta!

The correspondence was from a Mr. Martin Gauci, who signed the letter with an intriguing "Yours faithfully."

Mary and Harry mailed it post haste, with a little note asking Mr. Gauci to drop them a line explaining how he came to know of their book.

Since delivery time is an estimated six to eight weeks, it should be a while before the mystery is cleared up.

More later.

Poppy pop-off

Boy, did we receive a letter last week. The mailman had to deliver it wearing asbestos gloves!

Sent by Robert Morgan, chairman of the Detroit Districts Poppy Day for the American Legion, the letter took us and nine other newspapers (Free Press, Detroit News, Daily Tribune, Detroit Metro Times, Detroit Monitor, Hamtramck Citizen, Highland Park American Journal, Michigan Chronicle and Polish Daily News) to task for lack of publicity about the upcoming Poppy Day Sale.

Mr. Morgan's letter read as follows: "Dear Mr. Editor, Does a POPPY DAY salesman have to hit a citizen over the head and murder him to get an article about POPPY DAY in your rag? All you seem to be interested in printing is murder, rape and sensational crimes and national disasters. How about giving us poor slob that get out on the street corners in the rain, shine and snow and sell POPPIES a break."

"Would you please print the enclosed article prior to May 19, 1983 so our children do not have to ask 'What are those red flowers for?' Please send us a tear sheet if you are patriotic enough to print this. Sincerely, Robert Morgan."

The letter demanded a follow up so Morgan was called. "Hi, I'll bet you'd really like to chew

Closing decision delayed until fall

By Joanne Gouleche

Grosse Pointe Board of Education President Dorothy Kennel Monday announced that trustees have asked Supt. Kenneth Brummel to delay his final recommendation on school closings until this October.

The news came before a crowd of several hundred parents at Defer school who had come prepared to hear Brummel's final proposal to close Barnes, Defer, Kerby and Mason elementaries by fall of 1984.

"After polling the board during this past week, we have decided to

ask Dr. Brummel to delay his final recommendation until our regular board meeting on Oct. 10, and to delay a final board vote until the regular Nov. 14 meeting," Mrs. Kennel said.

The six-month postponement was requested, Mrs. Kennel added, to allow for more input from parents and to give trustees time to study the proposed 6-8 grade plan in the middle schools.

The board president's comments drew a standing ovation and applause from parents.

Anne Schultz, co-chairman of a group called the Defer Response

Committee, later told trustees she was pleased with the board's decision to delay its vote on the school closing proposal which was scheduled for June 13.

"On behalf of the response committee, we are gratified that you did ask Dr. Brummel to delay his recommendations. (It will) give time to the community to study this further."

Mrs. Schultz added her group still intends to remain active on the issue and said surveys have been sent out in the community on the school closing proposal.

During her remarks, Mrs. Ken-

nel said the board still stands firm in its intent to form a plan to deal with the district's declining enrollment problem.

"The board feels that as your elected representatives, we must address this issue in a rational manner, recognizing that any change will require some sacrifices and a willingness to be adaptable. We believe a plan for the next four or five years must be adopted soon, and not when we are in a crisis situation."

After the meeting, Mrs. Kennel said a vote this June 13 on Brummel's proposal would have "split this community" and added:

"What brought this whole thing on is that we toured Pierce school and found that it's not physically possible to transfer Defer kids to Pierce and maintain the quality education we promised that would be maintained."

According to school figures, Defer has the largest elementary school population in the district. Under Brummel's tentative plan, Defer students would be sent to Pierce middle school, Kerby students to Brownell middle school, Mason students to Parcels middle school, and Barnes children to Ferry and Monteith schools.

Four seek Village seats on Tuesday

By Mike Andrzejczyk

Four candidates will vie for three positions on the Shores village council Tuesday, May 17. Incumbents Daniel Beck, Frank Colombo and Elizabeth Kuhlman along with newcomer Robert Roney filed acceptance of nominations before the Monday, May 9, deadline.

Polls will be open from 8 a.m. to 8 p.m. at the Vernier School. The three highest vote-getters will serve two-year terms as village trustees.

Beck has served on the council for 12 years. Among boards and committees he has served on or currently serves on are the Parks and Harbor Committee, which he chairs; the Public Relations Committee; the Planning and Municipal Building, Permits and Zoning commissions.

In 12 years as a trustee, Beck said he has helped "improve and maintain the village as a fine place to live in." The changes and improvements the village has made reflect the type of community the residents like to live in, he said.

The next two years are going to be "very important" for the village, Beck said. Trustees will have to be as fiscally responsible as they have in the past, he added. "We have to be very competent in all manners in which we expend the residents' tax money," Beck said.

Roney, 49, said service to the community has been a family tradition. His great-grandfather Michael Greiner Roney served as a state senator from Grosse Pointe Township; his grandfather, David Trombley Roney, served as treasurer and trustee for the township. His father, Edward, was water commissioner for the district.

He said he was glad to give the voters a choice in the upcoming election. Also, as an architect, he can add engineering expertise to the council to help with the construction plans for the \$1.3 million renovation of the municipal building.

Looks like fun, doesn't it? The sky was sunny, to be sure, but the water was brisk 43 and the air a nippy 42 when Lars Lohmann, 20, of Jefferson Avenue, decided to do a little water skiing. So with two other Polar-minded friends (Paul Mobley, 22, and Bill Bolding, 21) and one wet suit between them, he took to the waves off the Grosse Pointe Yacht Club last week. Here, Lars cuts a pretty

pattern before the club's breakwall while on his way toward Moross Road. Needless to say, the boys had the lake all to themselves. After all, anyone can ski when it's warm out. You've really got to love the sport to practice when there are still icebergs in the lake.

The Preppy Blues

Chip and Shakey sing it . . . Grosse Pointe style

By Tom Greenwood

Never let it be said that Grosse Pointers take themselves too seriously. Even if they tried, Allen "Shakey" Werneken, lead singer of the Grosse Pointe Blues Band, wouldn't let them.

Werneken, along with cohorts "Chipper" Sparling, "Biff" Landis, "Skipper" Angov and "Poop-sie" Calder take a definite tongue in cheek approach to fulfilling Grosse Pointe's musical needs.

Playing at the grand opening of a new business on Kercheval Avenue a few weeks ago, the boys in the band kept party goers rockin', rollin', and laughing to their reverently irreverent music.

Various decks out in tennis togs, tweed jackets, khaki pants and penny loafers, golf hats and Izod shirts, they provided good music and poked fun at everything Pointey.

This absolutely top drawer hit of the evening was "Potholes on Lakeshore" by "Shakey" and "Chipper."

"I'm feelin' so bad, feeling like a jerk
I'm feelin' so bad, feeling like a jerk
I had to put my wife to work."

We're giving our wives a sho-

vel, they're walking down to the lake. They have to make the roads in Grosse Pointe safe.

They're filling holes in Lakeshore, I hope they get it done on time. There ain't no warranty on my DeLorean and I need a front end align.

My car's becoming such a wreck-I'm concerned about the Bondo. Henry Ford don't even care-he's turned his place into some condo.

Tom and Diane are down there - must be the thing to do.

The Junior League's in hard hats and Christina's pickin' too. Henry dropping Cathy off, with a Gucci pick and axe.

She should stay home and mow the lawn, the place looks like Van Dyke and Mack."

A very funny song. One absolutely guaranteed to keep the boys off every "A" list in town.

"No problem there," smiled Werneken. "We've got an 'A' list too." Neatly dressed in a blue herringbone jacket and relaxed behind a martini, Werneken, 31, looks exactly like what he is - an administrative advertising executive for "Postique, Inc." a videotape post production company.

"We do nationally advertised commercials for Ford, Chevy, Hudson's - things like that," said "Shakey." "That's how I met most of the other guys in the band. We appear for fun, but we're all serious musicians. We're all session musicians and provide music for TV, radio and work back up on records. That's how the GP Blues Band got started. We just decided to poke a little fun at Grosse Pointe. It could use it."

"But I don't want anyone to get upset about that," continued Werneken. "I love the Pointe. My wife and I both grew up here. I graduated from South. We've just bought our first home and want to continue living here. But we do have an image and we wanted to have some fun with it. Grosse Pointers don't really take themselves seriously, at least, not like people in Bloomfield Hills."

The cover story behind the band is that all the boys met while crewing together at Harvard (with the exception of "Skipper" Angov, who went to Yale). Right.

"We felt a statement had to be made," said Werneken, warming to the tale. "Things were really bad. My trash wasn't being collected and my taxes went up. My God, I even had to pay the

government last year. Then I even had to start 'bondo-ing' my 944. At that point I decided that preppies needed some representation. We went public."

Their first performances were in the B'Stilla Restaurant, a little bistro on Warren Avenue. "We were shocked when we discovered it was in Detroit," said Werneken.

Street repair funds sought by Graham

By Susan McDonald

Park Mayor Douglas Graham told the administration Monday it must find at least a modest amount of money to resurface streets before he'll vote to approve its 1983-84 budget.

"We can't keep sweeping this problem under the rug and patching streets over and over," Graham said. He had the support of several councilmembers.

The administration has proposed a drop in the tax rate and a \$4.5 million spending plan which includes no funds for repairs of local roads. City Manager John Crawford, whose own studies indicate at least \$2 million in repairs are necessary, has said he hopes to find alternate funding for a street improvement program. Park voters last August defeated a special 2 mill tax proposal that would have funded such a program.

Graham said Monday that a special committee should be formed to discuss the issue and insisted that "at least \$50,000" be included in the budget to get a start on the roads. "But," he said, "I don't want to see \$50,000 added

to the budget. People in this state are being taxed to death and I don't want to sacrifice the tax cut you're proposing here."

Instead, the mayor and Councilman Roger McNeill suggested the administration reconsider a proposed \$40,000 city office remodeling plan, which is funded in the new budget.

"The vibes I get from people in the community are that something should be done about streets," Dr. McNeill said. "They really don't care how the downstairs of city hall looks."

Councilman Mark Valente insisted, however, that street improvements "are going to have

ing. With the retirement of Town-
ship Clerk Thomas Jeffers effective
June 1 the village will need en-
gineering input, Roney said.
A resident of the Shores for 21
years, Roney was the architect and
organizer of the Ferry School Na-
ture Center. In addition, he re-
novated his 91-year-old Lakeshore
Road home, which had stood aban-
doned. He is the past-president of
the Ferry School PTO and former
vice-president of the North High
PTO.

Mrs. Kuhlman has served on the
council for six years. Among her
board and commission service are
the Planning, Public Relations and
Finance commissions.

"We have been working to better
communications within the vil-
lage," Mrs. Kuhlman said. "I am
also involved with the Grosse
Pointe Shade Tree Council, which I
chair this year, and have been
working very closely with our land-
scape architect" during the re-
novation project planning, she said.

As an advanced master gardener
who volunteers yearly for the Ma-
comb County Cooperative Exten-
sion Service, she has been able to
work with landscape architect John
Grissim in determining which of the
trees around the municipal building
can be safely moved or otherwise
preserved after the construction of
a 30-car parking lot and entrance
from Lakeshore Road.

Her graduate work has prepared
her for budget work and she has
some expertise in the area, Mrs.
Kuhlman said.

If reelected, Mrs. Kuhlman said
she would work "to improve our
budget and our village relations as
well as moving expeditiously into
the Vernier School" as part of the
renovation project. "All of us bring
different skills to the position," she
said.

Colombo has served on the coun-
cil for almost 16 years, beginning in
September, 1967. In that time he has
served on the Elections Commis-
sion, the Municipal Building, Per-
mits and Zoning and Finance com-
mittees as well as overseeing the
village's employee retirement pen-
sion system.

As a trustee he has tried to "ser-
vice the public and maintain a via-
ble, financially healthy community
while making sure our employees
have a fair share through their pen-
sions by safeguarding our retire-
ment system," Colombo said.

A resident of the Shores since
1962, Colombo said it was the job of
a trustee to keep the village "a good
place in which to live and be proud."

"Over the next several years, the
trustees will have to work to main-
tain the viability and financial in-
tegrity of the community," Colombo
said.

Park mayor demands money for street repairs

(Continued from Page 1A)
to be financed outside of the
budget.

"There's no way a \$2 million job
can be financed on a \$4 million
budget," Valente said.

The comments were made at
the city's May 9 public hearing on
the proposed spending plan. The
council plans to consider the
budget again next Monday, May
16, at 7 p.m.

City Manager Crawford has
proposed a drop in the tax rate
from this year's 16.8 mills to 16.75
mills for the coming year. The cut
in the tax rate will come on top of
a 3.5 percent drop in the assessed
valuation of property in the city.
As a result, the city will collect
almost \$100,000 less in taxes from
local property owners next year, a
savings of about \$25 for the
typical homeowner. The Park is
the only Grosse Pointe community
that has proposed a lower tax rate
this spring.

Crawford's proposed budget
includes \$40,000 to remodel and
partition the main floor of the
municipal building on East
Jefferson Avenue. The manager
said the remodeling is necessary
to protect a new computer
recently purchased by the city and
to afford more privacy and
reduce noise for city officials
whose offices are located there.

He is expected to present a
revised proposal to the council
next Monday.

St. Joe alumni will hold mass

The St. Joseph's Alumni As-
sociation will hold its 91st annual
memorial Latin mass and Agape
on Sunday, May 15, at noon at St.
Joseph Catholic Church in Detroit.

The Association was founded in
1892 and alumni from Detroit, the
Pointes, Downriver, Macomb and
Oakland counties as well as out-
side the state will attend with
their families, class pictures, snap
shots and other memorabilia of
high school days.

The liturgy is prepared espe-
cially to honor deceased class-
mates and faculty. Light refresh-
ments will be served in the church
rectory at 1822 Jay Street and on
the church grounds.

St. Joseph High School was
closed in 1964. For more infor-
mation about the memorial mass,
call alumni executive secretary
Ross Pazio at 961-4500 or 343-0940.

Council hears zoning ordinance

The council also will consider on
Monday, May 16, adoption of a
new zoning ordinance for the Park
which has been the subject of a
half dozen public meetings in the
past year. The new ordinance
contains several changes made by

the council and planning
commission in response to
objections raised by the public.

Among the changes are stricter
height restrictions, removal of two
school properties from the
multiple family zone, a limitation
of resale shops in commercial
areas and set-back requirements
for lakefront homes.

Police break up bash, one officer injured

Park authorities are considering charges against a 16-year-old girl whose Saturday night party at her parent's home turned into a confrontation between police and some 300 teenagers.

Police Chief Henry O. Coonce said one officer was hurt in the ruckus on April 29 when a bottle was broken over his head and a young party-goer was hit in the head with a bottle. Park officers got help from police in the Farms and City before they broke up the party.

The girl, whose parents were out of town for the weekend, called police to the scene at about 9 p.m. after one of the party-goers was hit with a bottle. The injured girl refused medical attention, according to police.

Chief Coonce said most of the youths dropped their beer bottles and glasses and left when officers arrived but a small group stayed on, taunting police. "They wanted to fight," Coonce said. "Our men just wanted them to leave."

An unidentified youth hit the officer with a bottle then retreated into the crowd, but Coonce said the police worked with "great patience" to control and disperse the youths. Police took the hostess into protective custody and interviewed several of her guests before turning them over to adults.

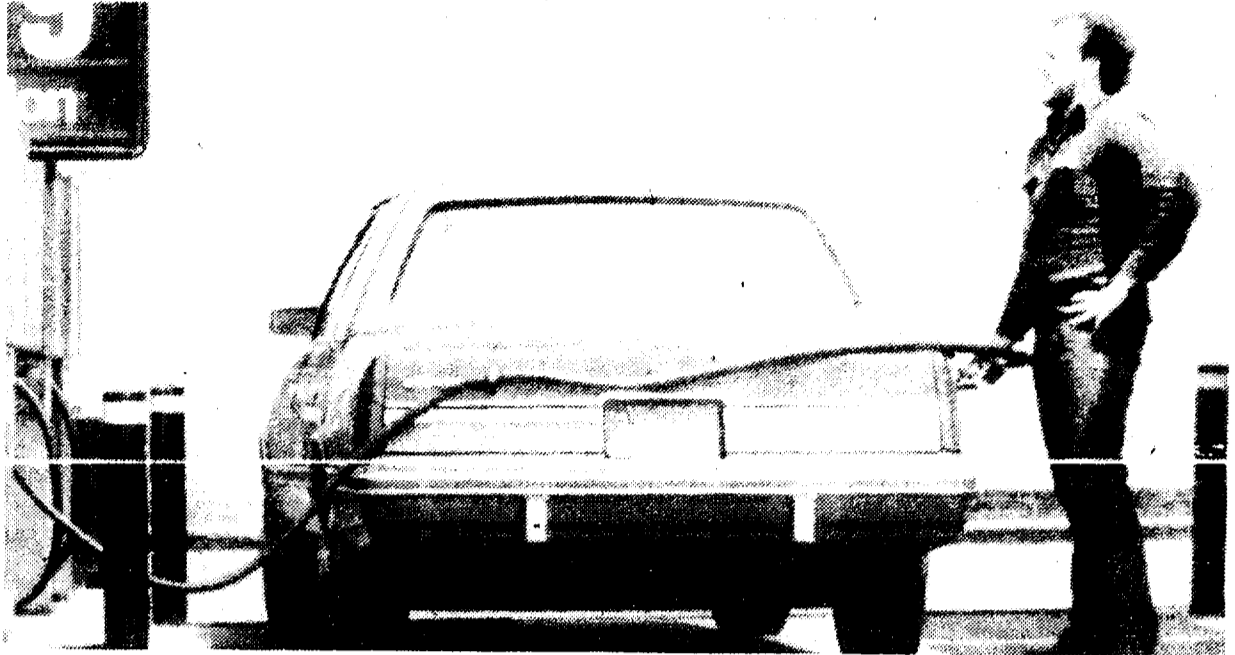

Coonce said the house was damaged extensively, with broken windows and furniture and soiled carpeting. He said the girl's parents apparently had taken every step they thought necessary to prevent such an incident from occurring while they were out of town, making arrangements for both of their children to stay with family friends.

"The girl told us she invited about 100 friends and 300 showed up," Coonce said. He said police had checked the home earlier in the evening after an unidentified woman called to say furniture was being moved out of the house on Audubon Road and barrels of beer were being moved in. They found no evidence of beer at that time, the Chief said. The matter has been turned over to city attorneys.

Picture - perfect pumpers

Style. That's what pumping your own gas is really all about. Every day thousands of persons pump millions of gallons of gas throughout Michigan. To some, it's simply a chore to be taken care of as quickly as possible. Others seem to put a little bit of their personalities into it. The next time you pull up to the pumps, take a look at your fellow pumpers and draw your own conclusions. We captured these four at Tom Pitlock's Standard on the Hill recently. Please meet: Mr. Nonchalant (upper left) he's laid back about everything, especially when he has to gas up and go; The Helping Hand (lower left) with a little more effort, she's sure the gas will go in quicker; Mr. Patient (top right) he's in no big hurry so he'll stop and smell the roses along the way; and finally, Eagle Eyed Eddie (lower right) give me \$3 worth and not a drop more. I've got places I have to be.

Contracts awarded for Mack-Moross work

Three companies were awarded contracts last week for the \$83,000 beautification and facade improvement program at Mack and Moross.

The Woods, which is coordinating the project that involves the Farms, Detroit and St. John Hospital, awarded the contracts to Selecta Concrete Company, C & H Spraying Co. for landscaping and Michaels Landscaping for irrigation. The contracts are being prepared and should be ready for signing about the middle of the month, City Administrator Clerk Chester Peterson said.

Both St. John and Detroit have sent letters of intent saying they will enter into contracts naming the Woods construction manager for the project.

The contract costs for the cities and the hospital are St. John, \$17,996; The Woods and Farms, \$42,472; and Detroit, \$23,217. The redevelopment area will run from Moross to Allard on the east side of Mack and Gateshead to Bournmouth on the west side.

The project will include landscaping, tree plantings, sidewalk improvements and maintenance for the area. A discretionary Community Development Block Grant will fund the public sector's portion of the costs. The hospital will use shopping center revenues for its portion of the project, which includes landscaping and maintenance at the Pointe Plaza, formerly the Seven-Mack Shopping Center.

Petersen said the project should be completed by mid-July, barring bad weather. In addition, because the bids came in about 40 percent lower than anticipated, the Woods will have extra money to possibly extend the beautification north of Bournmouth, he added.

Cops and college; working for the future

By Mike Andrzejczyk

Working your way through college takes on a different meaning in the Woods Public Safety department, where several officers have attended college under a city program which reimburses them for tuition.

The city policy, in place since 1968, has helped many officers obtain bachelor's degrees in various fields, Lt. Bernard Kelly said. A half-dozen policemen, Kelly included, have gone on for advanced degrees.

Kelly, a 23-year veteran of the department, started work in 1969 on a law degree, which he finished in 1980. A member of the bar since July, 1980, Kelly now handles cases with a Southfield law firm.

Other officers who have moved to higher education include Det. Lt. Peter Thomas, Det. Paul Shields and Officer Michael Cavanaugh, who took his bar exam in July, 1982, and now clerks at a Detroit law firm in addition to his public safety duties.

"It's been the city's policy to encourage higher education," Public Safety Director Jack Patterson said. "It certainly benefits the department to have people take advantage of it, especially in something that tends towards law and law enforcement."

The problems public safety officers have working and going to school are the same for other working students, who find themselves limited by the hours they work in taking the classes they need.

"It's a matter of serving two masters," Kelly said. "That's why it takes so long. While other students can take five or six classes a semester, we're limited to one or two."

The city has been helpful in allowing officers to juggle schedules and personal days when, like the non-working college student, they find themselves faced with exams or have fallen behind in their classwork, he added.

While work can be juggled, going to school puts strains on the family and social life because of time needed for study, Kelly added.

The advantages of the degree, however, make up for the work. Not only is there personal satisfaction for achievement, but there is a vicarious pleasure from seeing other people take advantage of the program, Kelly said.

"These things brighten other people's lives," he said. "Other people have been given the idea that it an accomplishment that is within their reach if they apply themselves a little."

Kelly says his degree has helped him refine his law enforcement procedures, but not much. "We're

trained in the nuts and bolts of police work, the procedural questions, at the police academy," he added.

There are limited advancement possibilities in the department, with openings for three lieutenants, three sergeants and three corporals, so the average officer

can look to the college program as a way for personal advancement, Kelly said.

"The program helps direct the attention of the eager, young officer who may be a little dissatisfied with his station," he said. "They have a chance to get their higher education."

SEMTA celebrates with giveaways

To mark the eighth year of its small bus service, the Harper Woods Connector is planning an "Eight Ways to Say Thank You" promotion Monday through Friday, May 16 to 20. The event includes prize giveaways daily and a grand prize drawing at Eastland Center May 20 at noon.

Harper Woods Mayor James Haley will draw the names of winners for 35 prizes donated by area businesses. Cake and coffee will be provided by SEMTA and the Eastland Center Merchants Association. Free small bus rides will be provided that day.

The first eight people in designated categories who board buses during the week will also receive free prizes. On Monday, the first eight commuters who board will receive gifts. On Tuesday, it is mothers with children; on Wednesday, seniors; Thursday, students aged 6 to 18; and Friday, handicapped persons.

The Harper Woods Connector Service began operating in 1975 under joint sponsorship by the city and SEMTA. About 14,000 people used the service the first year. Last year, more than 40,000 passengers used the three buses.

Currently the Connector is subsidized entirely by SEMTA with a combination of federal, state and other funds, known as Municipal Credits. The service operates out of Harper Woods city offices.

Curb-to-curb, same-day service is available on the Connector to the general public. The regular fare is \$1.50. Seniors 65 and older, handicapped persons, and youths ages 6 to 12 who ride with an adult pay 75 cents. Seniors and handicapped persons are encouraged to get a half-fare card to prove age or disability. Applications are available through the dispatch office. For persons in wheelchairs, a lift-equipped bus can be reserved by calling 24 hours in advance. Attendants for handicapped persons ride free.

Bus service is available Monday

through Friday from 7:30 a.m. to 6 p.m. Reservations for rides can be made by calling 343-2580 between 7:30 a.m. and 5 p.m. weekdays. Also, a direct telephone reservation hotline to the dispatch office is located in the lobby of the St. Clair Professional Building adjacent to St. John Hospital. Passengers can place a standing order for a trip at the same time each day or on specific days of the week. The order must be confirmed once a week.

The Connector offers a variety of special services. For Eastland shoppers, scheduled return trips from the mall are available weekdays. Buses leave the north side of Stouffer's at 11:40 a.m., 12:30, 1:30, 2:15, 3, 4 and 4:40 p.m. and by appointment only at 5:15 p.m.

Express bus service to the Nine Mile-Harper Kmart store is available twice weekly. On Mondays the bus arrives at Kmart at 10 a.m. and leaves at noon. On Thursdays it arrives at 1:30 p.m. and leaves at 3:30. Passengers

can call that morning for same day service.

Curb-to-curb service was recently added to destinations along Kelly Road between Vernier and Continental Plaza with advance reservations Monday through Friday. According to Sally Graham, director of the Harper Woods Connector, the service was requested by customers who travel to medical appointments and grocery stores along the route.

Connector passengers can transfer to SEMTA large buses, which travel fixed routes at specific times along Vernier, Harper and Mack, and in and out of Eastland. For information on large bus schedules, call 962-5515. Limited transfer service is available on the Wayne Connector to destinations in Wayne County, especially hospitals in Detroit; and on the Macomb Connector to destinations within south Macomb County. Reservations can be made by calling the dispatch office.

Hartway composes for DSO

Grosse Pointe Park resident James J. Hartway, associate professor of music and chairman of the division of music theory and composition at Wayne State University, has been commissioned to compose two works for special occasions in May and June.

The first "Fanfare for a Sacred Occasion" will be performed on May 15 by the Detroit Symphony Orchestra at Blessed Sacrament Cathedral at ceremonies marking the 150 anniversary of the Archdiocese of Detroit.

The second new work will be performed by the DSO under the direction of Sixten Ehrling on June 26. Titled "Monuments," the work was commissioned in observance of the 25th anniversary of the Meadowbrook Music Festival where it will be premiered.

In 1975 Hartway received the Young Musicians Foundation of

Los Angeles Award for his composition "Seven Ways of Looking at a Blackbird." The composition also was the winner in the Detroit Symphony Orchestra's American Music Competition that same year.

Hartway received his B.A. and master of music degrees from Wayne State and his Ph.D. in music from Michigan State University. Before joining the WSU faculty in 1971, he had teaching posts at MSU and Lansing Community College.

Sir Lawrence Oliver is said to be under the impression that he has a "mean upper lip." He therefore declines to wear a mustache in any role that calls for him to appear as an unsympathetic character.

Eagle excellence

Boy scouting's highest honor — the rank of Eagle — was achieved recently by these three scouts from Troop 96 of Grosse Pointe Memorial Church. Only 1 percent of all scouts ever achieve the coveted award which demands a mastery of specific skills in such areas as first aid, life saving, physical fitness, wilderness survival and camping. Eagle scout candidates also must demonstrate troop and community leadership and develop and coordinate a service project in the community. The new proud Eagle scouts are (left to right) Michael Lawrence, Lach McKay and Charles Stephens. The scouts are joined by assistant scoutmaster Jim Herbold (far left) and scoutmaster (far right) David Steele. At a recent awards evening, 60 other Troop 96 scouts also received special recognition.

Woods man aids in arrests

Woods police got some help from an Anita Avenue man early Monday morning, May 9, in arresting three men aged 19 and 23, from the Woods and Harper Woods.

Police were called about 3 a.m. by the homeowner, who said there were prowlers outside his home. When police arrived minutes later, they found the homeowner holding two men at gunpoint alongside the home.

According to reports, the man had a permit to carry a weapon. Pating down one of the suspects, officers discovered a piece of tape-wrapped pipe commonly used to add weight to a fist during a fight. In addition, they found a cassette case on him which contained suspected marijuana. The man was arrested for violation of the controlled substance act.

Police noticed a 1981 burgundy Pontiac parked a couple houses

away and asked if the car belonged to one of the men. The Harper Woods 19-year-old said it was his. Going to the car, police found a third man sitting in the back seat. Officers also noticed a black leather jacket on the floor of the front seat. Lifting it, officers discovered a pair of numchuks, or martial arts fighting sticks. The Harper Woods man was arrested for carrying a concealed weapon in an automobile.

The third man's name was run through the computer system and came back showing a valid contempt of court warrant for failure to comply with judgment. He was then arrested.

The homeowner told police he feared the three were trying to break into the house. He noted his daughter knew the three men and they may have been tapping on the windows trying to get her attention, reports said.

School closing decision delayed until fall

(Continued from Page 1A)
The superintendent's proposal is an attempt to deal with the school system's drastic enrollment decline of 13,337 students in 1971 to 7,805 pupils last September. Brummel's plan would keep North and South High Schools and the district's three middle schools open under phase one of the proposal, which would restructure the system into a K-5, 6-8, 9-12 grade plan.

Brummel said Tuesday he was not disappointed in the board's request to delay his recommendation on school closings and acknowledged the six-month postponement may give parents more time to muster support against mothballing four elementary schools. But Brummel added he was "hopeful" the community

"would appreciate the complexity" of developing a plan to solve the district's severe declining enrollment problem.

Trustee Jon Gandelot told parents at Monday's meeting the delay "shows the board and the superintendent want to listen to the members of the community."

A tour of the system's three middle schools had "a real effect on members of the board," according to Trustee Joan Hanpeter. "The board has not spent enough time in wrestling with this problem, unlike the administration and the citizen's advisory committee," Mrs. Hanpeter said.

The delay will mean Trustee Ronald Dalby will not vote on Supt. Brummel's plan. Dalby

chose not to run for re-election. Seven candidates will square off in the June 13 board election to fill two trustee seats, including board president Kennel's spot. Mrs. Kennel is a candidate in the race.

One of those candidates, Vincent LoCicero, said he's fearful the board's delay will turn the race into a single issue election.

At Monday's meeting, residents repeated their concerns about Supt. Brummel's tentative plan, that of consolidating elementary school children with middle school students, declining property values and maintaining quality education in the district.

Richard parent John Albrecht said current listings of the Grosse Pointe Real Estate Exchange indicated 525 unsold homes in the school district.

"Ninety percent of those listings have three-bedrooms or more. To whom can these homes be sold without quality education?" Albrecht asked.

Board President Kennel invited parents to offer their suggestions and alternatives on the declining enrollment to trustees during the next six months.

"The board asks that citizens take a constructive and realistic view, a view which emphasizes the best interests of the total school system, as we apply the resources of the community to the further study of this issue," Mrs. Kennel said.

"We are determined to act in the best interests of students, parents and taxpayers."

The Blues — GP style

(Continued from Page 1A)
"But we decided to play there anyway."

Then came their performance on Kercheval Avenue, and the rest is history. "We are, without a doubt, the biggest band in Grosse Pointe," said Werneken. Which is akin to saying Lake St. Clair is the biggest lake in the city.

Seriously, the band has had offers pouring in to perform practically everywhere. "We've had requests from the Country Club of Detroit, the Hunt Club and even the Edsel & Eleanor Ford House for a benefit performance," said Werneken, shaking his head in amazement. The group has even been approached by a record

company.

In the future, the band hopes to open a few good shows for other performers and perhaps record a few songs.

"The Grosse Pointe Blues Band may have made its last appearance," said Werneken, stirring his martini. "People are taking this Grosse Pointe preppy thing too seriously. Although we are considering putting on a benefit performance for the prisoners in the Farms pink and green jail."

"Hey," he said, getting really serious, "did I mention that Tom Schoenith and Bill Anton are close personal friends of mine?"

me out, wouldn't you?" asked Morgan, with a sigh.

"I should of written that thing, cooled down then torn it up instead of sending it out. But I was really mad when I dictated it. I can't get anyone to help."

Morgan went on to vent his frustrations with the powers that be.

"Did you know that Mayor Coleman Young is a member of the B.O. Davis Post No. 132 and he won't help us?" asked Morgan. "I can't get him to sign a proclamation for Poppy Day or even stand still long enough for a picture with our Poppy Day Queen."

"And don't mention the Detroit News. Detroit News Post No. 137, which contains some higher ups from that paper, won't give us any publicity either. We also struck out with WXYZ Radio. When the Iranian hostages were coming home, they asked for our help, so for two days we cut a big 3,000 yard roll of yellow ribbon into little yellow ribbons. We said 'Hey, you owe us one. How about some publicity?' We got zero response. That's when I dictated the letter."

Morgan stressed that Poppy Day, set for next week, was in remembrance of the men who had poured out their lives' blood around the roots of the

plant during the First World War.

The red crepe poppy was selected as the official poppy of the American Legion, with the first nationwide sale of memorial poppies beginning in 1921. Each year an estimated 13 million Americans wear the flower, with proceeds from the sale contributing a large proportion of the welfare and relief funds of the American Legion and its Auxiliary.

The poppy is sold on street corners and highways by members of the American Legion, VFW, Disabled American Veterans, Jewish War Veterans and others. Grosse Pointe American Legion Post No. 303 will sell in the Grosse Pointe area.

"Do you realize how frustrating it is to have teenagers come up and ask 'Hey man, what's with the red flowers?'" asked Morgan. "You're the first and only newspaper so far to even respond to the letter. I sure hope you'll help us."

Okay, Mr. Morgan. Here goes. Listen up people, national Poppy Day starts Thursday, May 19, one week from today. It will last through Saturday, May 21. Contributions will be gratefully accepted.

Now there's no reason not to know who all those poor slob are standing out there in the rain, shine and snow.

Farms budget

(Continued from Page 1A)

Among the more important are \$90,000 in additional income to the city from interest on investment; police and fire alarm fees, which all expire this year and must be renewed for a five year period at \$100 per system, netting the city \$38,000; debt service, which was completely retired last year making the city debt-free and eliminating the need to spend up to \$92,000 for debt retirement; this year's mild winter which saved the Farms considerable sums of money in overtime, winter supplies and gasoline; plus insurance costs which have continued to moderate, saving \$40,000 from budget estimates.

Solak reported the city has also instituted other cost-saving measures where possible without loss in services to the citizens.

The report stated that though the Farms is attempting to "hold the line" on taxes, there are a number of unknowns and variables that could significantly change future projections.

Among them are the status of state-shared funds; collective bargaining negotiations with police, firemen and public works employees; yet to be assessed costs to the city for the Fox Creek Facilities Plan; final payment for Old Kerby School amounting to \$40,000 (which may be delayed to 1984-85); Richard School property exchange between the Farms and the school board; proposed office buildings on Kercheval Avenue and possible purchase of a home at 315 Beaupre Lane behind City Hall. A public hearing on the proposed 1983-84 budget will be held at the Farms City Hall, 99 Kerby Road, at 8 p.m. Monday, May 16.

Just more foot-dragging?

The decision by the Grosse Pointe Board of Education to delay any decision on the school administration's recommendation about school closings and reorganization until next fall is drawing a mixed reaction. Parents who had objected to closing any schools naturally are elated. Other residents who had felt the board already had been dilatory about taking action on school closings naturally are disappointed at what they regard as more foot-dragging.

In announcing the decision Monday night, Dorothy Kennel, the board president, indicated the postponement is a response to the people who have said they need more time to study the reorganization plan. In addition, she said the board itself felt it needed more time to study all of the implications of the reorganization and especially the K-5, 6-8, 9-12 proposal which is part of it. At any rate, the board will delay its consideration of administration's recommendations until Oct. 10 and its vote until Nov. 14.

THE REACTION OF some parents to the announcement was that they had won a great victory and had stopped any reorganization not just for another six months but permanently. They may be drawing an unwarranted conclusion, however. Mrs. Kennel made it clear that the board in November still would act to cope with declining enrollments, the fact of life that had prompted the reorganization plan in the first place.

The postponement does remove one complication that a good many people had criticized. Originally, the board had planned to take its vote on the reorganization plan on June 13, after the polls close in the school board election. That meant that there would have been at least one lame duck — and perhaps two — members sitting at the session at which the decision would have been reached, because one member is not seeking reelection and a second will be facing opposition that day in the election. Now the newly elected members will be taking part in the decision-making process.

Yet it is difficult to believe that much can be gained by such a long postponement. The additional time is likely to increase the opposition to closing from parents who already have begun campaigns in all the targeted schools. At the same time, those who have felt the board has been slow to face up to the closing problems are likely to feel that the new delay is just more of the same.

The fact is, of course, that the school administration has been studying the possible closing of schools for a number of years because enrollment trends long have indicated that the

system will be dealing with fewer and fewer students for the foreseeable future. Furthermore, a citizens advisory committee on the future organization of the schools spent the greater part of a year considering the closing issue as well as other plans before making its own recommendations.

That committee's carefully-worded report did include the conclusion that "elementary enrollment districts be redistricted and/or consolidated," and added "This may result in one or more elementary schools not being used for elementary education." Now, presumably, there will be more studies of the closing proposals and their effects on students, curriculum, property values and many other issues that already have been studied to death.

The school administration had outlined what we regarded as a sensible plan. It had offered thoughtful answers to the questions raised at staff and community meetings. And, contrary to many of the charges hurled during the controversy, it obviously had been just as concerned about preserving quality education and the neighborhood school system as most parents are.

That doesn't mean the administration's recommendations are immutable and must remain unchanged. Parents already have had some input and other changes may be made on the basis of new information and new ideas offered by parents and other residents. But the postponement should be regarded as an opportunity to consider ways of coping with the decline in enrollment, not just as an opportunity for foes of closing to organize even better to achieve their goals.

There still are many residents in the Pointes who have just as deep commitment to quality education as any of the parents and who feel that the decline in enrollment from the peak of 13,900 in 1972 to 7,805 last fall justifies school closing proposals. In fact, the recent close vote on the three-year millage renewal was widely regarded as evidence that many district residents felt that action on school closings was long overdue.

WITH THE CONTROVERSY now to be prolonged until November, it would be helpful if the decibel level of the debates and arguments could be reduced and the combatants on each side grant good faith to the other. Otherwise, it's going to be a noisy and combative six months which are likely to add more heat than light to the reorganization issue. Whatever happens, however, it's already clear that it will be impossible to satisfy everybody on such an explosive issue.

A necessary reaction

Graduation from high school should be and is a special occasion for a majority of students and parents. It is only natural for the graduates and their friends to wish to celebrate. But too often in the past these celebrations have turned to tragedy because of alcohol abuse. Such tragedies have occurred in the Pointes and most other communities.

THAT IS WHY the campaign organized by the Substance Abuse Community Council to eliminate the use of drugs and alcohol at graduation parties deserves the wide support it apparently is winning in the Grosse Pointe community. The campaign is a necessary reaction to the evidence of widespread use of alcohol among young people here and elsewhere.

The petition campaign, aimed especially at parents of students in grades seven through 12, asks parents to promote and encourage creative social activities for young people without alcohol or other drugs; to agree not to serve alcohol to minor guests nor allow them to bring alcohol or other drugs into their homes; to allow only well-supervised parties for young people in their homes; and to support school and law enforcement policies with respect to the use of

alcohol and other drugs by young people.

Evidence offered by the Substance Abuse Community Council and by David Toma, a former New Jersey policeman who has joined the crusade against drugs and alcohol, indicates that youngsters in the Pointes are often introduced to the use of alcohol between the ages of 12 and 15, with the greatest number beginning to drink in the ninth grade. But youngsters in those age brackets often are not aware of the dangers of alcohol, which means that parents and other adults have a responsibility to advise and counsel them against its use.

Social drinking often creates serious problems among adults and thus it is no wonder that it creates equally serious problems among young people. The kegger parties that are so popular at the end of the school year too often get out of hand, sometimes because of parental neglect. So parents and other adults can help control the situation this year by signing the SAC petition and then obeying its injunctions.

In this situation as in so many others, an ounce of prevention is worth more than a pound of cure.

When cheers turn to jeers

After winning cheers from the public and the media during his early months in office, Wayne County Executive William Lucas began to hear some jeers last week because he recommended an additional 1 mill county tax to be earmarked for debt retirement over the next 10 years. For offering the proposal at this time, Lucas deserved the anvil chorus he got.

In making the recommendation, Lucas accepted the advice of members of the Wayne County Reorganization Commission, a group of business, labor and community leaders he had asked to help him find solutions to county problems. The commission urged that the county seek the additional 1 mill on top of the renewal of the 1 mill tax that will expire in August.

Both Detroit daily papers as well as at least one TV editorial took Lucas to task for his proposal, chiefly because it came on the heels of the recent hike in state income taxes and the refusal of the county's largest union to agree to accept contract concessions. Delivering an additional slap, the Free Press also reminded Lucas of his Feb. 8 promise that "Wayne County will operate within the current level of funding of 7.07 mills."

The Grosse Pointe News, which has been heaping compliments on Lucas for his early performance, also thinks he has stubbed his toe this time. Until Lucas actually wins concessions from the county employees, already the highest paid in many categories in the entire country, the public will suspect that any tax increase is likely to go to the county employees. The pledge to use the additional revenue only

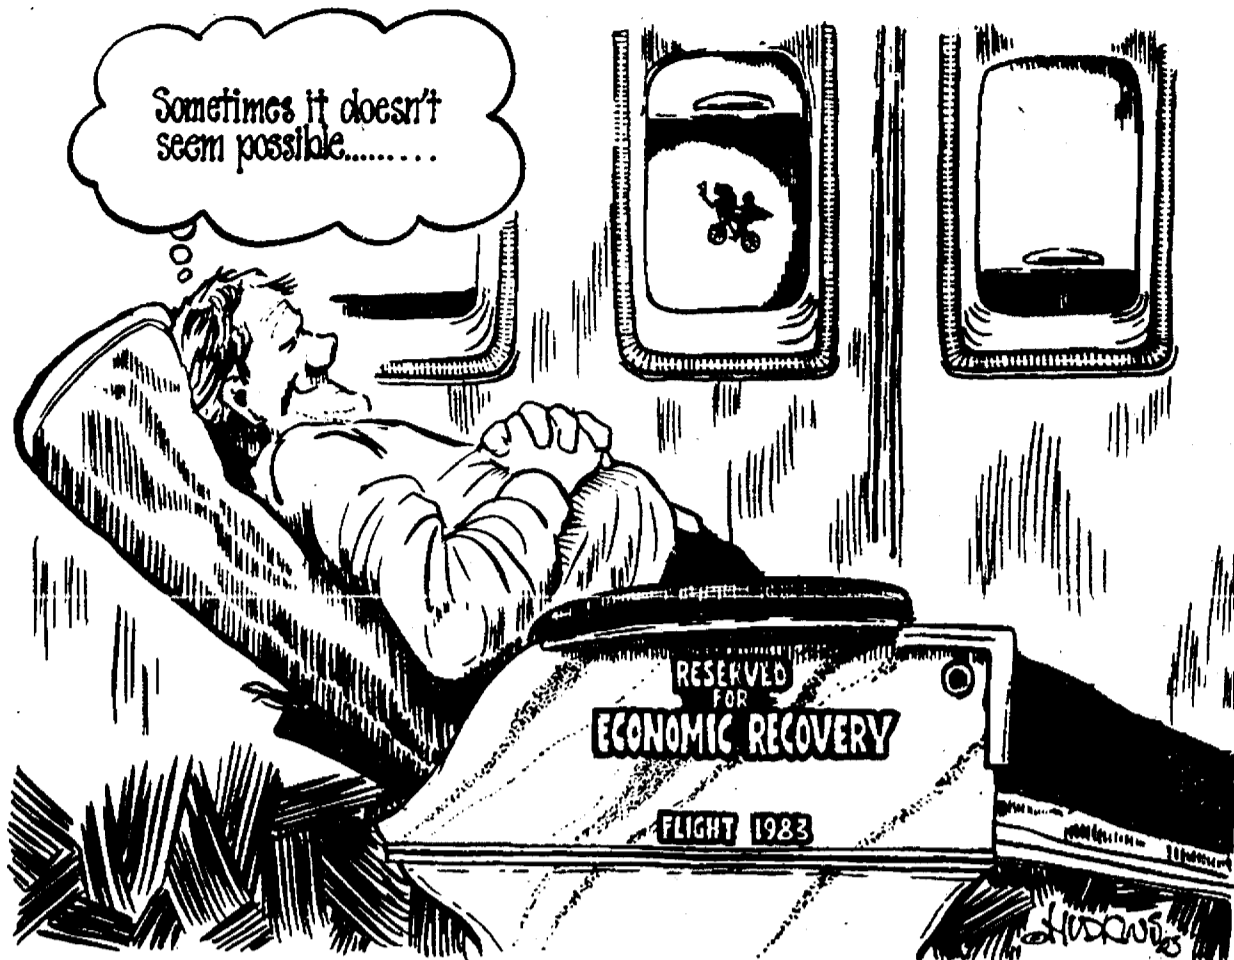

for debt retirement doesn't make as strong an impression as the announcement of the tax hike itself.

IT IS TRUE that Lucas also announced plans to reduce payments to private hospitals for indigent care, sell Wayne County General Hospital or transfer it to another agency if its budget deficits aren't eliminated, and close the Detroit House of Corrections and transfer the prisoners to the new county jail scheduled to open in December.

These and other proposals to cut costs and improve county efficiency are all to the good. But until the new executive persuades the county employees to make the recommended concessions, there is little likelihood that county voters would approve any tax increase. Indeed, they might well turn down the renewal of the current 1-mill levy that expires this year.

The county does have a deficit of at least \$130 million and the additional 1 mill would bring in about \$18.1 million a year. That would cost the average county homeowner about \$30 a year, but it would be on top of property taxes that many residents already complain are excessive.

So it looks like it's back to the drawing board for the county executive's fiscal integrity plan, even though it bears the stamp of approval of a respected group of county leaders as well as the New York consulting firm of Lazard Freres which had helped New York City put its fiscal house in order.

'Mega-school' plan should be scrapped

To the Editor:

I am totally outraged by Supt. Kenneth Brummel's proposal to reorganize the Grosse Pointe school system.

His long range plan to close all of our elementary schools is totally against the long standing and successful principle of neighborhood schools. Furthermore, I feel that sufficient time has not been given to the citizens of this community to organize their thoughts and actions.

This plan will have a very negative effect on our property values. Grosse Pointe's greatest selling point to outsiders with children has always been its superior neighborhood school system which offers not only an excellent education but secure surroundings.

As a member of the Barnes school district, I find it totally irrational to send my 8 year old to either Ferry or Monteith — or eventually Parcels — all of which are over two miles from my home. The parents of this community are going to more than resent having to drive their children everywhere they go. And what about the issue of busing when it is demanded by working parents who cannot be behind the wheel three or four times a day? The cost of busing alone should be aired before the taxpayers. I find that most Grosse Pointers who do not have children in the public school system are under the false impression that they will save money whereas, in fact, they'll never see a dime of this millage fund.

Think of the loss of control parents will suffer by surrendering their children to a mega-elementary educational system. Isn't our society impersonal enough without herding all of our youngsters into three huge facilities? How can parents possibly control the influences of the "peer" group when they are dealing with such numbers? If we are to maintain the high moral standards of our children, we

should know the other youngsters and their families very well and monitor their activities. This would be impossible with the ultimate system Dr. Brummel is advocating.

If money is the issue (and the need and desire for a community center for our seniors), close the middle schools. The savings will be substantially greater and the community at large can still benefit from their unique features such as swimming pools.

I am shocked that now that we have the privilege of a \$1.3 million surplus and small class sizes and a truly ideal quality school system for the first time in years that the superintendent of schools would have the audacity to even suggest closing all of our elementary schools and sacrifice the unique position we find ourselves in. This should be the goal of the Board of Education — to maintain such a system and not destroy it.

Where is it written that bigger is better? Why do you think there are eight private schools in this area alone? Why do the elite seek small, private schools? Because they have proven to provide a better education.

I can prove the superiority of the small neighborhood school. Barnes students have consistently scored in the

highest group of Pointe elementary in both assessment and achievement scores. Our principal and teachers have maintained and supported a standard of excellence that is more enviable. The number of classes per grade does not guarantee success in education. These children and their families are not mere numbers or statistics. They are individuals and treated as such. They want to perform. They cannot hide anonymity as it is so often the case in a mega-system.

I have been told that Barnes is to be the "sacrificial lamb" which is totally inane. Barnes serves the largest geographical area of all the elementary and the area is still expanding because of the demolition of Lakeshore property and young families moving in.

Our facility is the newest and requires no funds for renovation. Our property is used by numerous community and neighborhood groups and is yet flexible enough for expansion if the need arises.

I personally recommend (reorganization to) K-7 in the existing elementary schools and 8-12 in our two high schools, freeing our three middle schools for community and senior centers.

Plan should be delayed

To the Editor:

The Mason School PTO supports quality education and its enhancement. We do not believe that the proposed school reorganization plan provides for continued excellence in our school system. We believe no school reorganization plan should be adopted by the Board of Education, unless it insures this provision.

Quality education must be guaranteed, both in the plan's initial implementation steps and in its long range action. We believe, that many questions, important to the entire Grosse Pointe community,

have not been adequately examined.

We will work for the delay of the decision on the plan for school reorganization by the Board of Education until all aspects of the plan have been addressed.

The Mason Response Committee, formed of concerned people in the Mason district, believes the proposed school reorganization is not in the best interest of the entire community.

One view from the Capitol

by William R. Bryant, Jr.
State Representative

Gov. Blanchard is in grave danger of becoming "Pac-Man," busily zipping around our state chewing up Republicans, and of being played for a sucker by Democrat political allies who are so power hungry they are destroying Blanchard in their own insatiable greed.

Prove it? Read on, and I think you will agree.

Blanchard has been cajoled, pushed and tricked into becoming "Pac-Man," in which role he is packing the court, the executive branch and, now, the legislature with Democrats and trying to destroy any Republican opposition.

Mainly I want to talk about the legislature, because Blanchard and his Democratic leaders now want to re-reapportion the legislature to make sure they can keep their majorities without having to earn it.

But first I feel it is important to set the stage - to show the consistent pattern which establishes the "Pac-Man" theme. So bear with me.

The court. We all know by now that the Governor and his buddy and former boss, Attorney General Frank Kelley, got to the Supreme Court and illegally ousted Justice Dorothy Comstock Riley. Why? Just so the Governor could appoint another Democrat. The court was only four to three Democrat. Blanchard wanted it five to two for the Democrats. Presto, zap a Republican. Presto, pack the court with Democrats.

The Executive Branch. Blanchard started by appointing former Democrat legislators, added some friends of his and Martha Griffiths and then some bright young people long on brains and short on wisdom. The result is a mess.

The Governor brought in people to whom he or the party owed debt including some who don't know what they are doing. And, it is strongly rumored, he may even have given a piece of the packing action to some others. Watch to see who goes on the Natural Resources Commission supposedly to protect our environment.

New for the legislature. Before I get to re-reapportionment, there are two other items, part of a "Pac-Man," chew up the Republicans in the legislature scenario.

First is the 38 percent tax increase. Blanchard refused to negotiate on it and ignored attempted Republican compromises. Now, he is even trying to disown it, to say it wasn't him who did it. He now says he would have compromised by lowering the tax by \$125 million in just the first year. Why didn't he?

Was the tax vote simply viewed by Blanchard as an exercise in power, just to show what the Democrats could do on their own, no matter how bad policy it was?

Second, the new 1984 budget has been presented by the Governor. Now we know why he wouldn't show it before the tax vote. The House Fiscal Agency, which basically agreed with Blanchard on the revenue and expenditure fi-

gures to justify the tax vote, now says the new budget spends so much that if it were continued into 1985 there could be a \$630 million deficit even with the new tax.

But, more to the point, the new budget seeks to punish Republicans who dared to disagree with the Governor and vote against the tax increase. Just before the budget was ready for release the Governor himself ordered a change. That change closes 11 National Guard Armories, all carefully and purposefully chosen to be in areas represented solely by Republican legislators. So even without the threat of re-reapportionment Blanchard is trying to use gross power and trying to chew up the Republicans.

Now, Re-reapportionment. As incredible as it seems, the Democrats are seriously threatening to re-reapportion the Legislature again and the Governor, saying he is a "stand-up Democrat," says he'll sign the bill. Others say he is asking for it.

We just had re-reapportionment for the 1980's, but it was neutral and fair to both political parties and to the people, including especially, to minorities.

But Blanchard and his friends in the Democratic majority in the State House and Senate want to do it all over again. This time, they threaten district lines that would ignore geographic boundaries, ignore political fairness, perhaps ignore racial fair representation for minorities and be a highly partisan Democratic plan.

If the Democrats do pass such a bill and it is signed by the Governor, one option would be for us to circulate referendum petitions to place the issue on the November, 1984 ballot. The Democrats, however, illegally and without any justification, probably would try to thwart that right of the people to petition their government. They would probably try to make the re-reapportionment bill not even subject to referendum. Appropriation bills are not subject to referendum so the Democrats could attach the bill to some appropriation measure and then claim the re-reapportionment bill is an appropriation. We would then have to go to the courts for the right to circulate petitions. Remember who controls the State Supreme Court by a five to two margin.

Democratic Speaker Gary Owen says the Democrats have a right to and need re-apportionment because the present plan is a partisan Republican plan. That is pure, unadulterated baloney and Owen knows it.

He asks the people of Michigan to believe that a plan which resulted in electing 63 Democrats to 47 Republicans in the House and 20 to 18 Democratic majority in the Senate is a partisan Republican plan. He asks the people to believe that a plan adopted by the last year's four to three Democrat controlled Supreme Court was a Republican plan. He pretends that the plan, drawn up by Bernie Apol, a totally non-partisan, totally fair person, expert in election matters, was a partisan Republican plan. That's baloney.

Who says it's baloney? Well, guess who? Our new Gov. Blanch-

ard, who now supports Democrats drawing a new Democrat plan apparently forgets what he said just a year ago about Bernie Apol and the plan for re-apportionment Apol would draw for the court to adopt and about any claims that Apol was partisan.

Blanchard is quoted in the March 28, 1982, Grand Rapids Press, as saying, "Most civil servants claim they're non-political, and it's baloney. With Apol it's true. There's not a partisan bone in his body."

Was Blanchard misquoted in that Grand Rapids Press article? Not likely. The writer, Peter Plastik, is now a key advisor in Gov. Blanchard's office.

Would Blanchard even have known Apol that well? Yes, he was an advisor to Apol in 1965 and has known Apol for years.

So, it was last year and still is pure baloney to say that the present "Apol" re-apportionment plan is partisan.

What if it were? Republicans lived with Democratic plans for the last two decades. Democrats don't like the present plan because it is politically neutral. They want to make it so there are so many safe Democrat seats that, no matter how irresponsible the Democrats are, the people will have virtually no chance to elect a Republican majority.

Can it be proven objectively that it is not a partisan plan? Yes.

Not only from looking at the court which adopted it and the man, Apol, who drew it, but from the actual numbers, it can be proven easily that we now have a neutral re-apportionment plan.

In the 1982 election there were 1,135,220 votes cast for Republican candidates for the House and 1,603,316 for Democratic candidates, even though we did not even have Republican candidates in most Detroit districts where Republicans are a small percentage of the voters.

Ignoring the 24,287 scattered votes for splinter party candidates that means Republicans got 41.4 percent of the total Republican and Democrat votes cast for the House in 1982. We won 47 seats, 42.7 percent of the 110 State House seats. Poor Democrats, they got a whole 1 percent less seats than they had vote percentage.

In fact, if both parties had fielded candidates in every seat our vote percentage would have been higher than the percent of seats we actually won. On that basis we got gyped by 1 percent.

From all of this it is clear. The Apol plan is a neutral re-apportionment plan and should remain in place for the remainder of the decade.

To advocate a new plan is pure and simple abuse of power, exhibits incredible arrogance of power by the Democrats who are in power. It is destructive of any hope of bi-partisan cooperation to solve problems we should be addressing, and would be terribly confusing to voters who barely know what the new districts are under the new present plan.

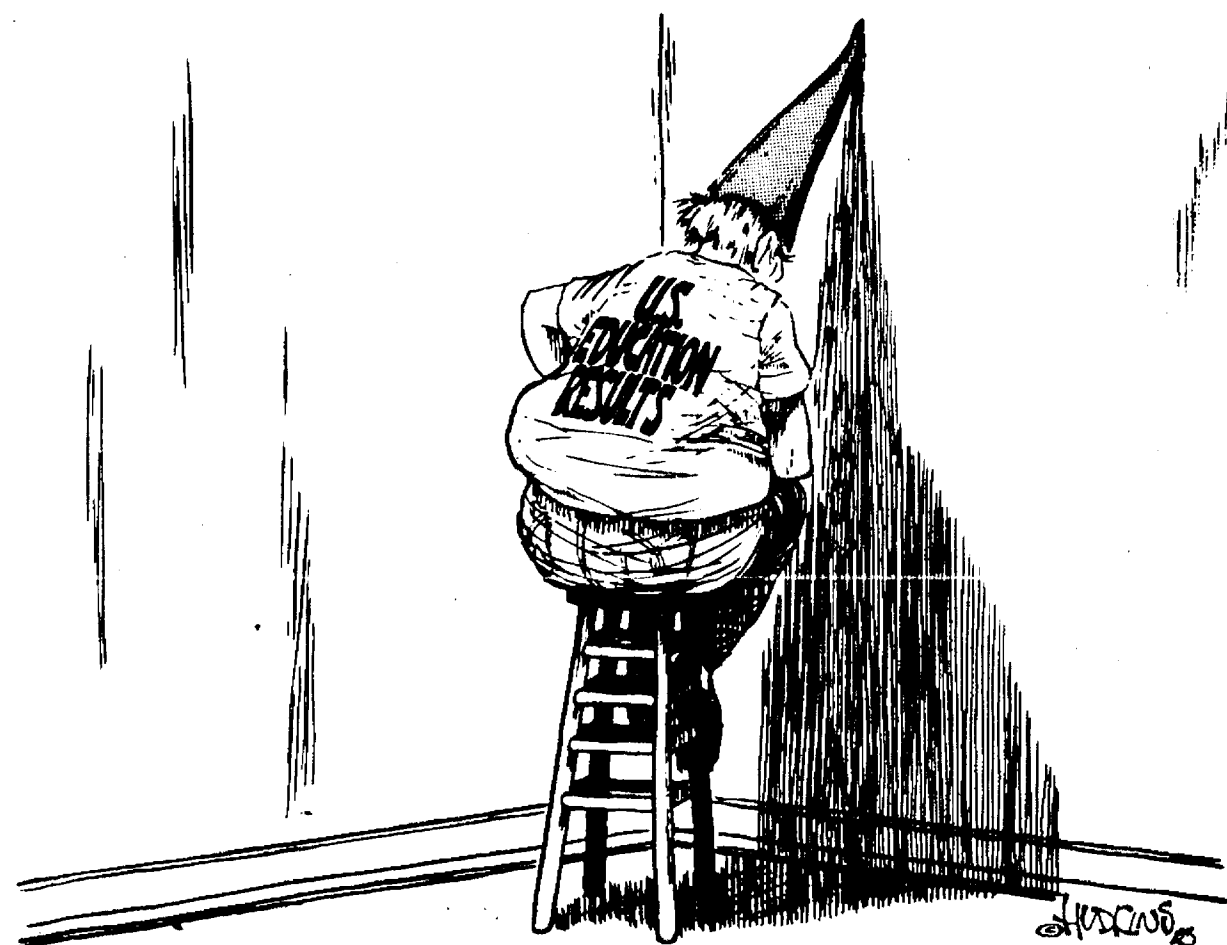

Really, it is difficult to imagine how Blanchard thinks he is going to help the job climate in this state by declaring war on all Republicans. How, for instance, could he hope to be able to do anything other than what big labor wants if he could not work with the Republicans, get Republican support or votes in the Legislature?

This state has a legislature so controlled by the Democrats right now that they could and did pass a too large, too permanent and too complex income tax. I don't believe the people of this state want or can afford even greater and locked-in control by the Democrats. Do you?

So Gov. Blanchard (becoming "Pac-Man") is loose in Lansing, running around the maze of state government chewing up Republicans as fast as he can. With the concentration and sophistication of a kid in a video parlor, our Governor seems to be in sad pursuit of absolute power.

Blanchard needs to ask himself if he, perhaps, is not being played for a sucker by ambitious and greedy supposed friends and allies who may, in fact, be seeking to lead our Governor into total ineffectiveness, partisan stalemate, all-out political war and an eventually crippling chaos which would assure Blanchard's inability to even seek a second term.

I call on Governor Blanchard, now, to separate himself from any attempt to re-reapportion the legislature and to publicly announce he would veto any such bill. It is time for Jim Blanchard to act like governor of all the people of Michigan and stop acting like a highly partisan holder of power out to crush anything and anyone who disagrees with him or dares to challenge him. It is time he became a leader.

Former school trustee supports closing plan

As a long-time resident, businessman and 11-year member of the Grosse Pointe Board of Education, I am concerned about the possible effects of the growing controversy over whether or not to consolidate the physical plant of the school system. During my terms in office the elected trustees were advised by competent administrators and consultants to build to accommodate an expanding population. We took their advice and did just that.

Today, the public schools face a different situation. The elected trustees of our Board of Education are being advised by an excellent superintendent and others to reorganize our system in light of a loss of student population. They have an important, far-reaching decision to make.

Our public schools and our community must face the de-

mands of changing times. The serious decline in those school age requires a course of action such as that outlined by Supt. Kenneth Brummel. I urge all concerned to meet the issues squarely, to seek positive solutions, and not to engage in divisive and damaging tactics.

Finally, based on the knowledge of public education gained not only as a long-time trustee, but also as president of the Board for two years and also treasurer for two years, I urge the present Board of Education to retain title to any buildings that are closed, to lease them with the provision that they be returned to school operation within reasonable time if and when they are needed, and to get on with the important business of educating the children of our community.

Let's convert, not demolish old mansions

To the Editor:

The idea of converting rather than demolishing venerable mansions seems worthy of consideration here in Grosse Pointe.

Perhaps the power of the press can be brought to bear in implanting and promoting the idea and thus, hopefully, stave off a few future demolitions. I would think the idea of living within the walls of a great old mansion that has been converted to a condominium or apartment would have tremendous appeal, not to mention profit potential for enterprising developers.

It is inevitable that more mansions will go the route of Rose Terrace and Henry Ford's house, but maybe others could be preserved and rebuilt from within. I'm not suggesting we convert them all. I'm just hoping we can halt indiscriminate demolition.

Beauty bows to the bulldozer

An angry yet positive Michael Farrell, adjunct curator of the Detroit Institute of Arts and associate professor of art history at the University of Windsor, will present an illustrated lecture at the War Memorial on May 18, at 8 p.m.

Farrell's topic will be the philosophy of 20th century urban planning and how it has led to the demise of our cities. He will present ideas for incorporating history along with contemporary architecture in the city.

Farrell is angry because Detroit's history is in danger of being bulldozed out of existence.

Queen of Peace holds healing mass

Our Lady Queen of Peace Catholic Church on Harper and Bournemouth in Harper Woods will hold its annual mass of healing and anointing in the church Saturday, May 14, at 10:30 a.m.

During the mass, special help will be asked for those who are ill, old or have personal problems.

Transportation will be provided for those who are homebound.

Despite his enthusiasm and relentless work to revitalize the downtown area, he says his efforts are constantly stymied by Detroit's city hall. According to Linda Ford, chairman of the event, Farrell "sees roses where others see dandelions due to their limited vision."

Farrell is currently restoring his own Victorian home on Alfred Street in Detroit, "putting his money where his mouth is," he said. He views restoration as a start for economic growth by providing jobs, attracting visitors, not to mention the positive side effects of revitalization and preservation of Detroit's elegance.

On Saturday, May 20, Farrell will conduct a walking tour of Victorian homes. Participants will see his home, as well as nearby examples of Victorian homes in various stages of restoration. The tour will be followed by an early dinner at Nick's in Greektown.

The lecture is \$8 and the walking tour is \$25 per person, which includes the supper in Greektown.

The events are sponsored by the War Memorial's Council of Sponsors, co-chaired by Mrs. Ford and Ruth Anne Baker.

Standing in front of the scaffolding which is part of the on-going exterior restoration of his home is (left) Michael Farrell, owner of the Victorian home on Alfred Street in Detroit and lecturer; (center) Ruth Anne Baker and (right) Linda Ford, co-chairmen of Council of Sponsors, which will sponsor a talk by Farrell next week.

No Reagan aid for the Pointes

Wayne County's share of President Reagan's Emergency Jobs Legislation will top \$2 million, but Grosse Pointe won't receive a cent under an allocation plan announced last month by the county Community Development Block Grant program, which administers the funds.

The county used a formula that took into consideration unemployment, percentage of low to moderate income and poverty level families for disbursing the funds, according to Terry Jarvis, coordinator. Under that formula, 21 Wayne County communities will share the funds with individual allocations ranging from \$167,483 for Romulus to \$21,229 for Riverview. Harper Woods will receive \$31,298.

Unemployment in Wayne County, excluding Detroit, at the end of March was 16.6 percent. In Grosse Pointe unemployment ranged between 3.5 percent in the City and 6.9 percent in the Park in March.

Oakland County, with a 16.4 percent unemployment rate in March, will receive \$2.1 million under the President's bill. It will be distributed to all 13 commu-

ities which participate in the county's community development program, including Birmingham, which has an 8.3 percent jobless rate, Bloomfield with 7.8 percent, Troy with 10.6 unemployment and Rochester with 11.9 percent.

Activities to be funded by the grants must meet one of three national objectives: benefit low and moderate income persons, help prevent or eliminate slums and blight or meet urgent community needs.

Lecture time at Jung Study Center

The Center for Jung Studies of Detroit will sponsor a lecture entitled "Driven: Developmental Aspects of the Jungian Archetype of the Self" on Sunday, May 15, from 2 to 4 p.m. in Miller Hall, Christ Church, 61 Grosse Pointe Boulevard.

The speaker will be R. Glenn Wright, Ph.D., Professor of English at Michigan State University. Admission is \$1 for members, \$2.50 for non-members.

You'll have a line of credit from \$10,000 to as much as \$100,000 for wanted and needed things such as a dream vacation, your children's education, a major home improvement, or a summer home. You can even take advantage of an important business opportunity, or make wise investments.

Here's how it works. Your line of credit will be approximately 70% of the appraised value of your home, minus your current mortgage balance. You'll have instant access to cash by simply writing a check for any amount up to your credit limit.

Only 2% Above Prime.

The rate on your Equity Loan Account is just 12.5% annual percentage rate—just 2% above the Comerica prime rate. These rates were often reserved only for corporate customers. Now they can be your rates, too.

The rate is subject to change on a quarterly basis.

Except for the onetime initial fee, there is no charge when your funds are not in use.

Visit any Comerica Bank office for complete information on the new Comerica Equity Loan Service. Or call us at 1 800 292-1300. This might be the last loan you'll ever need. And it's available only at Comerica Bank.

For the financial flexibility that a major line of credit offers, come to the innovator. Come to Comerica.

Rare wine tasting set

The War Memorial has planned a great escape to the vineyards of France and California for an evening of tasting the most treasured wines and rarest cheeses.

The event on Friday, May 20, at the War Memorial, will be directed by Alexander Suczek, part-owner of a vineyard in Bordeaux and Grosse Pointe resident. Suczek said the tasting will be an "extremely rare" opportunity to taste exceptional wines and cheese.

Among other premium wines, three of the most prestigious and expensive wines in France will be sampled: Chateau Haut Brion 1964 and 1975, and Romanee St. Vivant, Domaine Romanee Conti 1972.

Suczek is being assisted by Tim McCarthy, proprietor of Cost Plus Wines of Eastern Market, who has secured early vintage wines, including one from a private cellar.

Andrew Moquin, owner of the Merry Mouse, has helped obtain and identify cheese to specifically complement the wines.

Madame Charity de Vicq Suczek, renowned for her culinary expertise, will be on hand to share her knowledge of the wines offered for tasting.

The cost is \$35 per person. Early reservations are recommended.

Checking out the vintage and savoring cheeses for the May 20 wine tasting at the War Memorial are (from left to right) Andrew Moquin, owner of the Merry Mouse, Madame Charity Suczek, Alexander Suczek, director of the event, and Tim McCarthy, owner of Cost Plus Wines in Eastern Market.

Police say beware of con artists

Grosse Pointe City police are warning residents to be on the lookout for persons soliciting home improvement business in the community.

Police said a Notre Dame Road man became a victim last week of a person offering to resurface his driveway for a nominal cost of only to discover later the person

used a phony asphalt coating.

The City resident told police a dark-complected man in his 40s approached him in front of his home on Thursday, May 5, and offered to spray an asphalt coating on his driveway for \$8. But halfway through the job, the man told the resident the cost was \$8 a gallon and he had already used eight

gallons, thereby increasing the cost to about \$50, police said.

The resident paid the man the \$50 fee and told the individual to stop his work on the driveway, police said.

Police said the suspect was driving a light-blue pickup truck and added the asphalt coating was only a oily-water substance.

The Council further scheduled a Public Hearing date for Monday, May 16, 1983, to consider the formal adoption of Code No. 12-02, Amendment to Ordinance No. 112.

The Council adopted a resolution approving the City's contribution of \$300.00 for the 31st Annual Regatta to be held July 16 and 17, 1983, as requested by the Grosse Pointe Farms Boat Club.

The Council adopted a resolution fixing the amount of Surety Bond or Cash Deposit at \$191,371 for Subdivision Improvement plans for Sheldon Subdivision; and further, set the fee covering the cost of inspection and other related City expense at 12% of \$191,371.00 or the actual awarded contract amount.

The following Reports were received by the Council and ordered placed on file:

- Fire Department Report for the month of March, 1983.
- Police Department for the month of March, 1983.
- Building Department Quarterly Report.
- Property Maintenance Code Quarterly Report.

Upon proper motion made, supported and carried, the Meeting adjourned at 12:00 midnight.

Woods extends taxi program

The Woods last week extended its senior citizen subsidized taxi cab program. The City Council voted May 2 to allocate \$8,400 in Southeastern Michigan Transportation Authority municipal credit funds to the program to keep it operating into next year.

The program, which began last November, allows seniors who are residents of the Woods a \$2 break on cab fare from two participating companies. Residents aged 60 or over can call either East Side Cab Co. of Detroit or Shamrock Cab of East Detroit and get same day, curb-to-curb service to anyplace they want to go.

After paying the 90 cent flag-throw, the rider can travel about two miles on the \$2 subsidy. For longer trips, the rider pays the difference between the subsidy and the meter price. The \$2 is good for a one-way trip, city officials said. The return trip will qualify for the same \$2 discount.

Both cab companies operate similar programs in other cities, company spokesmen said. The program now has about 50 customers a week, city officials said.

The new money should fund more than 3,800 rides and pay for the administration of the program, they added.

SEMTA charter bus service is available

Grosse Pointe City, Grosse Pointe Farms and Grosse Pointe Shores have received funding from the Southeastern Michigan Transportation Authority (SEMTA) through a municipal credit service agreement to provide charter bus service to interested civic, senior or school groups in those cities.

Funds totalling \$9,445 were pooled from the three cities and allocated to the Grosse Pointe City to administer the program.

According to City Administrative Assistant Christine Matthew, SEMTA buses are available weekdays from 9:30 a.m. to 3 p.m. and 6 p.m. to 6 a.m. There is no time limit on weekends or holidays, Mrs. Matthew said. Large buses (40 to 45 passengers) and small buses (9 to 14 passengers) are available, and must be reserved two weeks in advance.

Groups interested in booking a charter bus should contact Mrs. Matthew at City offices, 885-5800.

THE SCOTTS DIFFERENCE™

We make the only real lawn fertilizer there is.

Turf Builder® fertilizer is engineered just for lawns. Other so-called lawn fertilizers are crude mixes of farm fertilizers. They force-feed grass so it grows very tall, very fast. Your lawn doesn't need that, and neither do you—unless you love to mow. But Scotts® (and only Scotts) bonds a unique, controlled-release nitrogen with other lawn nutrients, to feed your lawn safely and steadily, as it needs it.

You can't get all that from "bargain" brands. You can only get it in a bag that says Scotts. Because we don't make fertilizer for anyone else.

No wonder Scotts guarantees your satisfaction absolutely. Our products are that much better. And we care that much about your success with your lawn.

This spring get the Scotts difference—and get it for less, with this refund offer.

Josephine Johaneson, grand lady

Another chapter in the history of Detroit and Grosse Pointe came to a close last month with the death of Josephine Alger Johaneson, a descendant of one of the area's oldest and most prominent families.

Mrs. Johaneson, born Josephine Alger, grew up in an era when Grosse Pointe was the summer resort for Detroit families determined to escape the heat and bustle of the city.

She grew up in the Alger House, then known as The Moorings, where Sunday afternoons saw ladies in white dresses sipping iced tea on the veranda while the men bowed on the long, green lawn stretching to the lake.

Mrs. Johaneson was the granddaughter of Russell A. Alger, a hero of the Civil War, who later served as a U.S. Senator. The family fortune was made in the lumber business, with one county in Michigan's Upper Peninsula named in their honor.

Mrs. Johaneson's father, Russell A. Alger Jr., was a prominent Detroit industrialist who was an organizer and major stockholder of the Wright Aviation Co. He was also vice-president of the Packard Motor Car Co.

Mrs. Johaneson, who described herself as a "tomboy," made her debut in the Alger House, married there and gave birth to her first child there.

After World War II, the home was donated to the community in memory of the 3,500 Grosse Pointe area veterans who served in the conflict, including the 120 Pointers who lost their lives during the war.

Included in that number was Mrs. Johaneson's oldest son Hank, killed on Guadalcanal. She was chairman of the Red Cross Production Committee during World War II and was responsible for raising funds to establish recreation rooms at military bases around the state.

Known as a "down to earth" person, Mrs. Johaneson dined with Swedish royalty, flew in airplanes as a child and spent many hours sailing on Lake St. Clair with her father. Her very special interest was the War Memorial. Her mother oversaw the landscaping of the center's garden, with Mrs. Johaneson lending a hand, including once hauling a load of manure to the site in the back of her very rare and expensive Rolls Royce station wagon.

Mrs. Johaneson, 86, died Sunday, April 24, in Bon Secours Hospital. Services were held Wednesday, April 27, in Christ Church.

She is survived by a daughter, Diane C. Kern and two sons, Alger Chaney and David D. Douglas. Memorial contributions may be made to the Grosse Pointe War Memorial.

Since that time, she had been employed as a secretary at St. Paul Church. She was a member of the Grosse Pointe Senior Women's Club and Beta Phi sorority.

It is Thoughtful . . . It Makes Sense . . .

TO PLAN AHEAD FOR YOUR CEMETERY ESTATE

SO MANY FORESIGHTED FAMILIES make careful plans for their estates and their eventual needs, yet overlook the wisdom of anticipating the need for a cemetery estate. Today, more and more thoughtful people recognize that their total provision for the future includes the selection of property and a memorial in our beautiful cemetery.

THE GARDEN CRYPT MAUSOLEUM

Where husband and wife look ahead sensibly, there can be no more satisfying arrangement than to choose in advance one of the handsome "companion" mausoleums which we now feature. These two-crypt memorials of finest granite assure the dignity and distinction of above-ground interment in a garden setting, permanently cared-for and enduringly a place of family pride.

South High School

The Meadow Brook Estate, a show ensemble of the commercial music program of Oakland University, recently visited South High School and performed music from the 50s and 60s, as well as popular music of today.

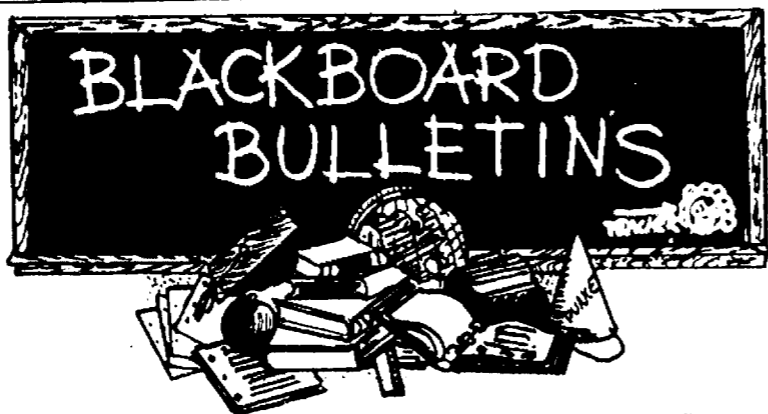

The production was sponsored by the Grosse Pointe Foundation for Academic Enrichment and the South Mothers' Club.

Director of the group, Dr. Raymond Allvin said, "Nearly all of the students in the group are commercial music majors, and nearly all will go on to careers in professional music. Most will sing in commercials, or in musical theatre."

To belong in the group, a student must be very versatile, able to sing all kinds of music. "If a person can only sing one style of music, his job potential will be few and far between," Allvin said. "Only the lucky ones will make it big in one style, so they must be able to sing everything from opera to rock and roll. Without this side variety, a singer will join the other millions who will never get a job."

Besides versatility, students also must be hardworking and perform in many different styles and travel to distant locations almost constantly, Allvin said. When the group is not on tour the students must practice every day. They also must carry a normal schedule of classes, which means having to do their homework between shows while on the road, or during rehearsals.

One of the Meadow Brook members said: "It's hard and takes a lot of work, but without the valuable experience we may never get a job after graduation."

SHS photographer exhibits works

By Sheila Kilbride
South High School

Jack Summers, South High School photography teacher, has been chosen along with nine other photographers to exhibit his work at Detroit's Focus Gallery from April 23 to May 21.

The exhibit, called "Recent Developments," displays six of Summers' photographs. The South teacher received \$200 for his achievement.

Summers says his preference is working with figures. "I like to experiment and explore with different ways of relating the body to different objects and things," Summers said.

Eric Frakes, a former student of Summers and 1981 graduate of South, posed for Summers last winter.

"I chose Eric because he was willing to pose, and he didn't think my ideas were crazy," Summers said. "Although it was difficult to choose which prints to send in, I'm pleased with what I submitted."

When asked for advice for other photographers who want to submit work for competition,

Reading lists help students

What do Don Quixote, Babbitt and Sherlock Holmes have in common?

They are characters from three books that are suggested reading on the high school summer reading lists available in the public and school libraries this week.

Compiled by Elizabeth Soby, reading consultant at North High School, the titles reflect suggestions by teachers currently assigned to the courses.

The purpose of the suggested titles are to direct student reading during the summer to provide some background reading, according to the school.

Reading lists, in the form of bookmarks, are available for American Literature, English Literature, World Literature, Effective Reading, Advanced Composition and Creative Writing. There also is a reading list for ninth graders enrolled in Introduction to High School English.

Students should check with their librarian or North High School at 343-2187 for additional information on the Summer High School Reading Program.

Summers said, "Don't try to figure out what the jurors might like. Base decisions on yourself, your work, what you're capable of and individuality."

Where does Summers get his ideas for photographs? "I get my ideas by constant work, constantly reflecting on my work, and by looking at the work of others," Summers said.

Students honor Poupard teacher

The Poupard PTO will host an open house in honor of teacher Carol Droege on Sunday, May 22, from 1 to 3 p.m. in the school gymnasium.

Ms. Droege will retire this spring after 33 years of teaching, 19 of which were spent with the Grosse Pointe public school system. Ms. Droege began her teaching career in Grosse Pointe at Barnes school in 1964 and has taught at Monteith, Richard and Ferry schools. The last nine years of Ms. Droege's teaching career have been spent at Poupard school.

Teachers, friends and former students are invited to the open house.

It's 25 years for Brownell

Brownell Middle School last week celebrated its 25th anniversary with a Festival of Arts at the school.

The program featured displays of student art, industrial arts and homemaking projects, along with musical entertainment by the school's instrumental and vocal groups.

During the evening, the school PTO honored retiring staff members Frank Bozarth and Jeanne Assessor. Bozarth is retiring from Brownell's math department after 29 years and Mrs. Assessor is leaving the school cafeteria after 16 years of service.

Brownell teacher Jack Woodhouse also offered comments regarding the changes he has seen in his years at the school.

North High candidates screened

Two committees interviewed 13 hopeful candidates for the principal's job at North High School last week and expect to make a recommendation in early June, according to school officials.

The 13 candidates who came to Grosse Pointe May 3 and 4 were selected from a field of 120 applicants hoping to replace Dr. G. Bruce Feighner, who will retire from North High next month.

Two current members of the Grosse Pointe public school staff were among those interviewed, according to a spokesman. Each candidate spent an hour each with two separate committees. One

panel included parents, teachers, students and administrators. A central committee of Supt. Kenneth Brummel, Deputy James Hoeh and Personnel Director Ronald Tonks also screened candidates.

The spokesman said school officials may visit the home districts of some candidates or arrange follow-up interviews before they make their recommendation to the Board of Education, which will make the appointment.

Feighner is retiring next month after 28 years in education with Grosse Pointe and Royal Oak systems.

Village of Grosse Pointe Shores

NOTICE OF PUBLIC HEARING ON INCREASING PROPERTY TAXES AND ON THE PROPOSED VILLAGE BUDGET

The Village Council of the Village of Grosse Pointe Shores will hold a public hearing at 8:30 a.m. on Tuesday, May 24, 1983 in the council chambers, 795 Lake Shore Road, on the proposed 1983 Village tax levy and on the proposed 1983-84 Village budget. Copies of the proposed budget are available for public inspection during regular business hours in the office of the Village Clerk.

Last year (1982) the Village levied 12.4376 mills (\$12.44 per \$1,000 SEV) for Village operating purposes. Because of an estimated decrease in the State Equalized Value of existing property in the Village, state law (Act 5 of 1982) provides that the base tax rate for 1983 Village operating taxes be increased to 12.5010 mills (\$12.50 per \$1,000 SEV). This is .0634 mills (\$.06 per \$1,000 SEV) higher than the 1982 operating tax rate.

The Village is concerned that because of the State of Michigan's budget and cash flow problems, delays in payments or cuts may be made in State shared revenues. Previous delays in state payments and a fall off in such revenues have caused a loss in Village revenues for the current year.

For these and other reasons, in order to fund the Village's proposed 1983-84 budget and to maintain essential Village services, the Village finds it necessary to increase a portion of its operating levy. Although the Village has complete authority under its charter and state law to establish the number of mills to be levied within its fully authorized millage rate, the Village proposes to levy an additional millage rate of only .50 mills (50 cents per \$1,000 SEV) above the 1983 base operating millage rate. This will provide an estimated 4% increase in Village operating property tax revenues. Individual property taxes may increase greater than or less than the estimated average.

Public comments, oral or written, are welcome at the hearing on the proposed additional millage rate and on the proposed Village budget.

John R. Nicholson
Village Clerk

The Second Section

Section B
Thursday, May 12, 1983

These are spring cleaning days, and that means they're also rummage/garage sale days, for once you've decided what to throw out, one problem remains: where to throw it? Where it will do some good, preferably . . . and a good way to do that is to find a good-cause rummage/garage sale.

One of each (a rummage and a garage sale) is scheduled in The Pointe in the very near future, each in a music-oriented good cause. The rummage sale runs from 9 a.m. to 4 p.m. tomorrow, Friday, May 13, at Christ Church, Grosse Pointe. Its proceeds will help send the Christ Church Boys and Girls Choirs to Colorado Springs, where they've been invited to sing at the United States Air Force Academy, in June.

The tour, under the musical direction of Frederic DeHaven, Christ Church organist and choirmaster, will include 33 members of the choirs plus choir mothers and dads acting as chaperones. It's by no means the first time this group has gone on the road.

The combined choirs sang the services at the National Cathedral in Washington, D.C., last June. The summer before that, the Boys Choir toured Europe, singing Evensong at St. Paul's Cathedral in London the day after the Royal Wedding of Prince Charles and Lady Diana, then heading for Winchester and a stint as choir-in-residence at Winchester Cathedral.

The Girls' Choir has been featured at St. James in Toronto and at Christ Church in Lexington, Ky. Both choirs are noted for their many concerts in the Detroit area, including Mahler's Symphony No. 3 in D minor with the Detroit Symphony in February, Bach's B Minor Mass and performances of Gilbert and Sullivan's "H.M.S. Pinafore," Menotti's "Amahl and the Night Visitors" and Benjamin Britten's "Ceremony of Carols."

Their primary responsibility remains, of course, performing the music at the regular Sunday services at Christ Church, Grosse Pointe.

The garage sale runs from 9 a.m. to 4 p.m. Friday and Saturday, May 20 and 21, at 230 Stephens Road. It's sponsored by the Grosse Pointe Symphony Women's Association, and it's the third such event that group has had in recent times, and the third that Dorothy (Mrs. David M.) Sutter has chaired — and she's sold on it as a project.

"It's a great activity for the association," Dorothy says, "because all members can participate on some level: donating items, working on the committee that sorts and prices, working as staff on sale days . . . or just attending and making purchases."

"What's more, it's profitable! We always make a tidy sum for the orchestra."

Name it, and you'll probably find it at the Symphony

From the Ford House to the laboratory . . .

MRS. EDWARD SHUMAKER and MRS. EDWARD JEFFRIES (left and right) look on as DR. KENNETH HONN, assistant professor of Radiology and Radiation Oncology at Wayne State University and Harper-Grace Hospitals, demonstrates an instrument known as the HPLC (High Pressure Liquid Chromatograph), which separates prostaglandins into individual fractions which measure metabolites in tumor cells. All three are Pointe residents, and all three hope that the second annual Harper Hospital Auxiliary Grand Prix Dinner Dance at the Edsel & Eleanor Ford House, set for Friday, June 3, is as smashing a success as the first one, for proceeds from this black tie event will support the Cancer Research and Treatment Development Fund in the Radiation Oncology Center of Harper-Grace Hospitals. Dr. William E. Powers is director of the Radiation Oncology Center and Chief of Radiation Therapy at Harper-Grace Hospitals. Mrs. Powers is the newly elected president of the Harper Hospital Auxiliary, and she is working closely with the dinner dance committee as the auxiliary has pledged to raise \$200,000 over a five-year period for the Radiation Oncology Center. Over \$40,000 was raised last year: the first year of the pledge. Honorary chairmen of the Grand Prix party, which begins at 7 p.m. and will feature dancing to Art Quatro's music in the Ford House Gallery following dinner, include Mr. and Mrs. George E. Cartmill (he is president of Harper-Grace Hospitals) and Dr. and Mrs. Lyndle R. Martin, of Grosse Pointe, and Mr. and Mrs. Charles Dalglish, of Bloomfield Hills. Mrs. Richard

L. Sejnost, of Birmingham, is general chairman. Pointe residents on her committee are Ms. Carol Cobane, Mrs. J.S. Krohmer, Mrs. Honn, Mrs. Jeffries and Mrs. Shumaker. Also serving on the committee are Mrs. Keith Dressell and Mrs. Julian Smith, of Bloomfield Hills, Mrs. William Hepburn, Mrs. William Littlejohn, Mrs. Peter Miller and Mrs. Robert Turney, of Birmingham, and Mrs. C. Arnold Curry, of Detroit. Mrs. L. Murray Thomas, of The Pointe, is publicity chairman. The evening is open to the public, with tickets ranging from \$75 single and \$150 couple to \$100 patron single and \$200 patron couple to \$500 benefactor couple. Reservation deadline is Wednesday, May 25. Further information may be obtained by calling 494-8421 or 646-8345. The Cancer Biology Division of the Department of Radiation Oncology at Wayne State University and the Harper-Grace Radiation Oncology Center was created in 1979 when Dr. Honn joined the department as associate professor of Radiology and Radiation Oncology. He and his associates carry out a range of both basic and applied research projects, with the major focus on investigation and understanding of the biological mechanisms underlying tumor cell metastasis: the process whereby tumor cells separate from the tumor and locate in another area of the body. Dr. Honn has received significant recognition for his investigation into drugs that prevent this process. He will participate in a high technology symposium in Detroit this fall.

Pointe AAUW to host all-day job workshop

The Grosse Pointe Branch, American Association of University Women, will sponsor "Marketing Me: Steps to Job Re-Entry," an 8:30 a.m. to 3 p.m. workshop at Grosse Pointe Memorial Church for women in the community planning to re-enter the workforce, on Monday, May 23.

The program is designed especially for the individual who has some business experience but has not been recently employed, or who has career experience which doesn't fit the job she now wants.

Among the topics to be discussed are Transferring Job Skills, Preparing for the Tough Questions of the Interview, Realities of Re-Entry for the Over-30 Woman, Resume Writing, Starting Your Own Business, the Psychology of the Job Hunt and Alternatives to Full-Time Employment.

Keynote speaker Jacqueline Lichty, consultant and author of "The Educator's Job Change Manual," began her own career as a teacher, then decided she wanted to be a sales representative. By marketing her existing skills in a way that would appeal to the business community, she was able to switch careers effectively.

Ms. Lichty, now an account representative and field sales trainer for 3M Company, has twice won her division's highest sales achievement award. She is a frequent guest on radio and television, and often leads seminars on the Re-Entry Woman.

The other workshop leaders have expertise in various fields.

• Arlene Cobau, manager of Personnel at Jacobson's Grosse Pointe store, interviews hundreds of applicants for positions each year. She promises tips on how to present yourself during an interview, and will discuss the kinds of questions employers ask and what they have a right to know.

• Marty Vorhees started her own executive search firm for technical sales, marketing and management personnel.

• Walt Kargus, Senior Career Counselor, is associated with the oldest career counseling firm in the country: Bernard Haldane Associates.

• Dr. Helen Hart is president of the Professional Women's Network as well as director of Staff Development and Teacher Training for the Detroit Public Schools.

• Jayne Warner serves as Job Placement Advisor for the Grosse Pointe Schools.

Workshop fee is \$10, including lunch and materials. Registration information may be obtained by calling 886-6183 or 886-4155.

Pointe presidential pair

MRS. ADNAN DAJANI (left), of Kensington Road, accepted the gavel, the President's Books and the responsibility of guiding the Wayne State University Faculty Wives Club through 1983-84 from MRS. L. MURRAY THOMAS, of Berkshire Road, retiring president, at the Faculty Wives annual meeting and luncheon, held recently at the Birmingham Country Club. In a year of extreme economic crisis in higher education, Pauline Thomas complimented the club for raising \$1,700 for the WSU Student Loan Fund. A letter from WSU President David Adamany also acknowledged the fine efforts of the Faculty Wives Club.

A special fund raising event, chaired by Harriet (Mrs. Maurice) Bernstein, of Birmingham, enabled the Faculty Wives to support the WSU Novice Debate Team as a competitor in this spring's National Novice Tournament at Northwestern University. The contribution of \$810 was accepted by Dr. Edward Pappas, chairman of the Department of Speech Communication, Theatre and Journalism, and Dr. George Ziegelmüller, debate coach and director.

Field trip participants will depart by bus from the Christ Church, Grosse Pointe, parking lot at 9:45 a.m., returning by 3 p.m. All-inclusive cost, covering transportation and lunch, is \$14.50 per person. Reservations should be made no later than Monday, May 16, by calling 885-4841.

Just a few weeks away from opening Detroit's 1983 Metropolitan Opera Week this May 23, the Detroit Grand Opera Association has received formal confirmation of the casting and repertoire that will be presented in the Motor City in 1984 in celebration of the Met's Centennial Year.

Such internationally acclaimed artists as Placido Domingo, Marilyn Horne and John Vickers will appear. Three all-new productions, including a Met premier, will be featured as well as two new revivals.

Operas to be presented by the Met May 28 through June 2, 1984, in Detroit are "Peter Grimes,"

"Francesca da Rimini," "Ernani," "Die Walkure," "The Abduction from The Seraglio," "Tosca" and "Rinaldo."

Opera world notables scheduled to perform, in addition to the trio previously mentioned, include Sherrill Milnes, Renata Scotta, Mignon Dunn, Paul Pliska, Johanna Meier, Leona Mitchell, Cornell MacNeil, Judith Blegen, Edda Moser, Jerome Hines, Gail Robinson and Ara Berberian.

Garage Sale. Quality clothes. Bric-a-brac. Kitchen utensils. Books, jewelry, tools, lamps, china, electrical appliances, glassware . . . plus, this year, an assortment of plants and homemade baked goods.

There's always the tantalizing possibility you'll turn up a little treasure the value of which only you are astute enough to realize. Or the perfect little vase for that corner table. Or the hair dryer your daughter has been asking for for months. Of such maybe-this-times are garage sale buffs made.

Committee members assisting Dorothy and her garage sale co-chairman, Florence (Mrs. Elmer L.) Barber, include Mrs. William O. Bradley Jr., Mrs. Robert Buhl, Mrs. Marshall E. Collins, Mrs. James D. Connolly, Mrs. Henry P. Cope, Mrs. George Cotichio and the Mesdames Stanley Dolega, John E. Engstrom, E.D. Flintermann, J.C. Hurley, John Lazar, George R. Mikhail, Hilton Moser, John J. Nolan Jr., Paul Papalexios, John Pappas, Anthony Rutkowski, Mary Evelyn Self, Gerald L. Stoetzer and Wayne Wiseman.

Speaking of Committees . . .

. . . the one that's planning the Grosse Pointe Garden Club Council's Annual Garden Tour (that's set for the same days as the Symphony Garage Sale, May 20 and 21, plus Sunday, May 22), will host a cocktail party next Tuesday, at the home of Mrs. Clarence Maguire, as an expression of gratitude to the local residents who have agreed to show their gardens this year.

Mrs. A.J. Van Tiem and Mrs. Alex G. Gill Jr. are in charge of the party. They are being assisted by Mrs. H. Amesberry Powell and Mrs. L. Carl Sultzman, who are working out a schedule of who's to bring what.

Members representing 19 garden clubs are assisting the general tour chairman, Mrs. David Lowe. They include her co-chairmen, Mrs. Robert Kruger and Mrs. Gordon Sorenson, and the Mesdames James Gram, Urban Borsch, George Vincent, M.P. Wiant, Kenneth Stokette, Frances Huntington, Samuel Pence, Walter Levick, Max Gardner, James Schueler, Richard Blatchford and Frank Welchenbach, plus Miss Christine Edwards and Kenneth Cary.

Seven private gardens plus the Grosse Pointe War Memorial gardens will be open between 1 and 5 p.m. all three tour days. Directions and information on how to get tour tickets (\$5 each) may be obtained by calling 881-4173, 886-2096, 881-8574 or 886-8913.

A Brilliant Grand Prix Ball

A host of Detroit's civic and business leaders will join international celebrities Wednesday, June 1, to celebrate Detroit Grand Prix II week with an elegant charity ball at the Westin Hotel. All proceeds from the party will benefit the non-profit Music Hall Center for the Performing Arts, now in its 10th season of programming dance, theater and musical presentations.

The ball is the brainchild of Robert E. McCabe, president of Detroit Renaissance, Inc., sponsor of the world-renowned Formula One race. General chairman is Grosse Pointe's Mrs. Joseph A. Vance, an officer of Music Hall and the guiding force behind many of its past successful benefits.

"This isn't your ordinary charity affair," McCabe emphasizes. "It's a gala celebration of our city's participation in a major international event, involving many prominent Detroiters as well as guests who will be here for the race."

"I'm delighted to be working with so many people who will make the First Annual Grand Prix Ball so very exciting," says Ruth Vance. "I am particularly grateful to Alfa Romeo, which is generously supporting the ball by underwriting promotion and entertainment costs, and to the Westin Hotel, which is donating its Renaissance Ballroom and making plans for special menus to celebrate the uniqueness of Grand Prix week."

Johnny Trudell and his Big Band will provide the music for the evening, which will be highlighted by Hatie Belkin's presentation of international fashion collections by both American and European designers. Tickets, tax deductible to the extent provided by law, are \$125 per person, and may be obtained by calling Music Hall's Development Office, 963-7622.

Reservations are limited — and must be made before next Wednesday, May 18.

Non-Calorie Benefit Dinner

Not only is the menu non-caloric, but dress for this benefit dinner and concert can be as casual as bubbles in the bathtub. Now THAT, you say, is your kind of benefit night? Well . . . send in your "ticket order form" (a donation to the Detroit Community Music School), tune in WQRS Timeless 105 at 9 p.m. next Monday, May 16, settle back and, as you listen to excerpts from the Detroit Debut Concert Series performed and taped live at DCMS, think about the contributions music and dance have made to your quality of life . . . and the inconveniences (tuxedo rental, babysitting fee, an extra pound or two to work off before bathing suit season) you've been spared as you enjoy a stay-at-home fund raiser.

You could "attend" free, of course — if your conscience would let you. To order 100 percent tax deductible tickets, call the Music School Development Office, 831-2870.

Wayne Women lunch May 21

Mrs. Oliver Wright, of Balfour

Road, and Mrs. John Fennessy, of Rivard Boulevard, both former Pointe Women of Wayne presidents, will be among the models.

Party proceeds go to Wayne State University's Incentive Scholarship Fund. Reservations and/or further information may be obtained by contacting Mrs. John Hauck at 884-6577.

To tell personal tale of cancer

Joanne Rybar, author of "A Time for Healing," will share her story of cancer, its effect on her personal life, family and friends, at an open-to-the-public Women's Connection of Grosse Pointe luncheon program Saturday, May 21, from noon to 3 p.m. at the Grosse Pointe Yacht Club.

Reservations for the day, at \$12

Afterwards, officers for the coming year will be installed. They are Mrs. Milan J. Alexander, the new president, Mrs. Ray Smith and Mrs. George Gerow, first and second vice-presidents, respectively, Mrs. Ernest Chielens and Mrs. Harold Miste, recording and corresponding secretaries, respectively, and Mrs. A.J. Van Tiem, treasurer.

They've got Grand Prix Fever . . .

They're at it again! Grosse Pointe's PENNY SIMON and DIANE SCHOENITH (left and right), of the "Betsy" extravaganza, have teamed up once more for Project HOPE to enter the Grand Prix spirit with a Grand Prix party. It's set for Thursday, June 2, in Ren-Cen's Riverfront Ballroom — and it will be a very different affair from the elegantly formal "Betsy." This year's party theme is Grand Prix Fever: guests are expected to arrive in race attire, ready for fun, fun, fun! There will be live races, with some surprise drivers, and a mid-evening auction conducted by John Kelly and Marilyn Turner, "race chairmen." Dollie Cole, a member of Project HOPE's national

board of directors, is stepping in to lend her racing world expertise. Dollie and her husband, the late Ed Cole, enthusiastically followed the race circuit during his years as president of General Motors. Incidentally: in the year between last year's "Betsy" and this year's Grand Prix Fever, there's been some role switching between Diane and Penny. Diane, who chaired the "Betsy," is now president of the Women's Division for Project HOPE. Penny, Women's Division president when Diane was "Betsy" chairman, is now chairing Grand Prix Fever. Got that? Want to get Grand Prix Fever? You can . . . starting at 6:30 p.m. June 2, for a donation of \$150 per couple.

Les Papillons present May concert night

Les Papillons Liturgical Dancers present An Evening of Dance and Music this Sunday, May 15, at 7:30 p.m. at Grosse Pointe Woods Presbyterian Church, performing a series of dance-dramas: highlights of performances they have given in churches of many denominations during the past year.

Several locally-renowned instrumentalists will provide musical interludes between the dances, and a reception will follow the concert.

Tickets, at \$3.50 each, may be obtained at the Woods Church during business hours or from any of the dancers: Lizzie Bolden, Becky Engelbrecht, Jenny Eshleman, Steve Honkanen, Christopher Kirouac, Tony LaVasco, Robert Neveux, Ellen Probert, JoAnne Spencer and Eunice Whitaker, the group's director and choreographer.

Kirouac will also sing the prelude to the dance "Kaleidoscope." The other musicians who will perform are Lisa Hackney, harp, Tim Hoey, trombone, and Nada Radulovich, cello.

Further information may be obtained by calling Woods Presbyterian, 886-4300.

The bride was attended by her sister, Lorna Bliven, of Saginaw. Calvin McKheen was best man. Richard Melling, brother of the bride, ushered.

The 4 o'clock ceremony Saturday, February 26, at which The Reverend William Moxey presided was followed by a reception at Royalty House in Warren. The newlyweds vacationed in Hawaii. They are at home on Nottingham Road.

Bach Brunch dates in May

Performances of informal "Brunch with Bach" chamber concerts by area professional musicians in the Detroit Institute of Arts' continental indoor garden, Kresge Court, are being presented on every Sunday in May except Memorial Day weekend, at 10 and 11:30 a.m.

Last Sunday, May 8, the focus was on music of Schumann and Ives, performed by Richard Luby, violin, and Donna Coleman, piano. Robert Sorton, oboe, and Joyce Weintraub Adelson, piano, feature compositions of Couperin and Poulenc on Sunday, May 15.

The May series concludes Sunday, May 22, with music by Bach and Vaughn-Williams, performed by Mark Scatterday, trombone, and Peter Longworth, piano.

Guests may select from two menus: a full brunch of main course, fruit, bread and beverage at \$7 or a continental brunch of nut bread and butter, fruit compote, cottage cheese and beverage at \$2, without food, but reservations are required by 5:15 p.m. on the Friday prior to each concert, at the Art Institute ticket office (832-2730).

Pontchartrain SAI to present concert

The public is invited to an artist concert by members of the Pontchartrain Alumnae Chapter of Sigma Alpha Iota international music fraternity at 2:30 p.m. this Sunday, May 15, at the Grosse Pointe Unitarian Church.

Chairing the annual presentation by this group, which includes women musicians from throughout the metropolitan area, is Mary Monroe. Doris Pagel, of the Woods, and Elsa Rosculet are in charge of the afterglow.

Doris and Agnes Ricard, of the Park, will each sing an aria from Verdi's "Il Trovatore" and, together, perform two Mendelssohn duets. Mrs. Ricard is president of the chapter and, with Mrs. Pagel, active in the Grosse Pointe Opera Group. They will be accompanied by Judy Johnson, guest performer.

Corporation Collects opens at Art Center

A loan exhibition of art works from Michigan corporations opened Sunday, May 1, at the Art Center in Mount Clemens with a 1 to 4 p.m. reception hosted by the Macomb County Chapter Daughters of the American Revolution.

"The Corporation Collects: Michigan" will travel throughout the state, ending at the Kresge Art Gallery in East Lansing in mid-December. Information on its run at the Art Center may be obtained by calling 469-8666.

Bettejane Crossen, pianist, of the Farms, will perform two Scriabin Etudes. Bettejane, currently giving lecture recitals in St. Clair Shores, is a member of the Chamber Music Players of Grosse Pointe and Tuesday Musicales.

Marjorie Connell Strimpel, of Detroit, will play the Khachaturian Toccata. Mrs. Strimpel is on the Macomb County Community College faculty, has performed for the Detroit and Grosse Pointe Chamber Music Workshops and is a Young Keyboard Artist Piano Association semi-finalist.

The program also will feature Norma Franek and Lucy Kaperzinski, who have recently performed in the Royal Oak Arts Concert and area hospitals, playing piano duets by American composers Vandall, Clarke and Gillock, and Kay Bruns, a member of the Kenneth Jewell Chorale, who will sing an aria from Mozart's "Marriage of Figaro," accompanied by Tuesday Musicales member Barbara McIntosh.

Little Thrift Shop 'angels' . . .

These are the women who, 25 years ago, decided that the effort of cleaning up after a yearly rummage sale was too much — and so, since some people will do ANYTHING to avoid cleaning up(!), The Little Thrift Shop was born. It's now the major fund raising project of the Episcopal Churchwomen of Saint Michael's Episcopal Church, and it's celebrating its Silver Anniversary with justifiable pride this spring. Recently, The Reverend Robert E. Neily honored founding staff members MRS.

CLARENCE GUNN and MRS. DONALD NIGRO (front row, left and right), MRS. ALFRED HOUSTON, shop manager, MRS. ARTHUR WALKER and MRS. ARTHUR KUECKEN (back row, left to right) during church services, and presented the 60-plus staff members with commemorative certificates. The anniversary celebrations culminate Tuesday, May 24, with the annual Thrift Shop Fashion Show, featuring clothing and accessories selected from items brought into the shop for re-

sale. Almost 10,000 consignors have used the resale services of The Little Thrift Shop since its inception. Nearly half of the money the shop raises is returned to the

community for service projects and the church-at-large. Accepted clothing and household articles are sold on a 60/40 percent basis, the consignor receiving 60 percent.

Shop hours are 10 a.m. to 3 p.m. Wednesdays and Fridays. Receiving is open on Fridays from 10 a.m. to 2 p.m. The Little Thrift Shop is located in the back of Saint Michael's Church, which is located on Sunningdale Park, near Mack Avenue and Vernier Road.

Elegant Eating

A selection of recipes from the forthcoming low-calorie, low-cholesterol — and penny-wise — cookbook by Thyra Grey Howard and Helena DeWitt Roth featuring, this week, PLANTAIN DELIGHTS.

Plantains are native to Central America, where they are an integral and popular staple of the daily diet. These exotic, very deep green vegetables resemble an extra-large banana, but have a distinctive, unique flavor. They are members of the Bird of Paradise (Strelitzia) family.

Plantains are usually 9 to 12 inches long. They are usually sold when very green (verde), and ripen quite rapidly in a warm room, turning yellow with blackish-brown markings (natural) and finally, when fully ripe, becoming dirty black with moldy patches spotting the skin (maduro). They are considered a vegetable inasmuch as they must be cooked — but never overcooked, since high heat releases an objectionable tannin component.

Plantains should be peeled under cold, running water, to avoid staining hands. The strings should be removed, as they darken during cooking. Cut into two-inch lengths, unless otherwise suggested, and drop instantly into rapidly boiling, salted water. Simmer for 30 minutes, drain and season with unsalted margarine, salt and pepper.

Plantains are available year-round in some markets. Each will serve one to three, depending on size. They contain some Vitamin A, also some of the B group, and are very high in calories: about 125 per ¼-pound serving.

TASTY BOILED GREEN PLANTAINS

2 firm green unspotted plantains
Salted water
2 slices very lean bacon
¼ cup finely chopped onion
1/3 cup chopped green pepper
Unsalted margarine
Salt and pepper
Fresh lime wedges
Peel the plantains under cold running water and cut into chunks 2 inches in length. As you cut them, drop into kettle of rapidly boiling salted water; cover and cook until soft. Drain thoroughly. Meanwhile, in skillet, fry the bacon until very crisp, then remove to drain on paper toweling. Sauté the onion and green pepper in a small amount of bacon drippings until soft; remove with slotted spoon to drain. Chop the boiled plantains coarsely, combine with the cooked onion, green pepper and crumbled onion, then add unsalted margarine and, if needed, salt and pepper. Serve hot, garnished with lemon wedges. Makes 4 to 6 servings.

Due to variables unable to calibrate.
Cholesterol 5 mgs. for each of 6 servings.

DELICIOUS YELLOW PLANTAIN

2 semi-ripe yellow plantains
Salted boiling water,
4 small onions peeled and sliced
2 whole cloves garlic, peeled
1 cup rich chicken broth
Peel the semi-ripe plantains and cut into chunks 2 inches long, then cut each lengthwise into halves. Drop at once in rapidly boiling water with the onion slices and garlic; cook, covered, for about 4 minutes. Drain thoroughly, discarding the garlic, but reserving the onions and plantains. Arrange these latter vegetables attractively in a shallow ovenproof baking dish and dot liberally with unsalted margarine. Place in preheated 325 to 350° oven and bake until plantains are very tender, but not mushy. Baste several times with a couple of table-spoons of the chicken broth. Makes 4 to 6 servings.

Due to variables unable to calibrate.
Cholesterol 0.

SAUTEED PLANTAINS

3 black-ripe plantains
4 Tbsp. unsalted margarine
Salt and pepper
Lime wedges
Peel very ripe plantains and cut in halves or thirds. Sauté in margarine over moderate heat, turning often for 15 to 20 minutes until tender. Serve hot with margarine, salt and pepper or roll in granulated sugar. Pass small plate of lime wedges. Makes 6 servings.

Due to variables unable to calibrate.
Cholesterol 10.

Pointe Book Club to meet

Sports Week

By Peggy O'Connor

Now that we have the Kentucky Derby (the most exciting two minutes in sports — preceded and followed by the least exciting four hours in sports) behind us; and the Tigers aren't anything to write home about, we turn our attention to more important items . . .

No big deal?

Every week, news of Central Michigan University sophomore track star Brian Vier reaches the News' sports desk. Most of the time, that news finds its way, correctly, into the newspaper. However

In the May 5 issue of the Grosse Pointe News, Vier was most incorrectly identified as having graduated from South High. His mother phoned to say that her boy Brian went to North, not South. She also said the error was no big deal.

But it is a big deal, since former Norsemen Vier is the strength of the Chippewa track team in the 110 and 400 meter hurdles. So now the record is straight.

Not that South doesn't have its share of great alumni athletes . . . but we won't get into that.

Watch out, Babe . . .

They've never pointed to the outfield stands and hit a home run to the exact spot . . . nor have they ever promised a kid to "knock one out of the park," but David Marstiller and Werner Lueckhoff are Babe Ruth baseball heroes just the same.

Marstiller and Lueckhoff have spent the last several summers making the Grosse Pointe Woods-Shores Babe Ruth and Little Leagues what they are: a season of fun for baseball-loving kids.

Details, fundraising, uniforms, maintenance — you name it and Marstiller and Lueckhoff have taken care of it — just like the Babe used to take care of a hanging curve.

The City of Grosse Pointe Woods recognized the pair in a surprise ceremony on the recent Little League's Opening Day. The league officials were honored for their dedication and service to the Woods-Shores baseball program.

And now we're recognizing the fact that they were recognized: way to go, guys!

The tough get going . . .

Just a word here to silence all those nervous tennis fans who are wondering what's wrong with the University Liggett School tennis team.

ULS schedules some of the toughest tennis hombres (Continued on Page 3C)

Little League baseball opens wet season

Farms-City Majors

The Farms-City Little League started its 1983 season after a five-day rain delay. The Reds opened the season with an 11-3 thrashing of the Indians. The Indians were held to just five hits by the Reds' Lucas Wright, who struck out six and walked one. Jeff Hays had two of the three Indian hits. Jamie Osborne had three hits and Bo Ollison and Wright had two apiece for the Reds.

Pirates-Dodgers: The Pirates ended the first week of the season by cutting loose against the Dodgers, 16-1. The Pirates had 13 hits while Billy Leonard and Eddie Suzor held the Dodgers to just one hit while striking out eight. Leading the Pirates' offensive machine were Leonard, with three hits, and Dale Wilson, Scott Adams and Cam Hoffman with two each. The Dodgers' Adam Franco singled in the fifth.

Reds-Yankees: The Reds won a cliff-hanger by beating the Yan-

kees and finishing the week with two victories. Ollison's double in the fifth inning drove in the winning run and Lucas Wright added to the Reds' hitting attack with two hits and three RBI. The Reds were amazing on defense, turning three double plays. Kevin Nugent got his first win on the mound. (By Greg Loosvelt).

Farms-City AAA

The Farms-City AAA league also had a rain delay, four days in length, which wiped out the Open-

ing Day schedule.

Phoenix-Hollywood: Hollywood topped Phoenix, 6-2, in what was the first complete game of the AAA season. Mike Bell threw three no-hit innings, striking out six, to get the win for Hollywood. Bob Rauh came in to pitch one and one-third innings of no-hit relief before the game was called in the fifth because of rain.

Chris Nault went two for two at the plate for Hollywood, while John Mozena and Fred Matvias were one for one. Jeff Wolf and

Scott Redding shared the pitching duties for Phoenix and struck out seven Hollywood batters between them.

Louisville-Hollywood: Louisville won its much-awaited opener 10-0 over Hollywood May 5. David Scott went the distance for Hollywood, holding Louisville to two runs in the first four innings and allowing only eight hits overall. Louisville rallied for five runs in the fifth inning, led by Mike Zuelch who eventually went two-for-three, including a home run and a triple.

Ed Kinnaird led the excellent Louisville pitching, giving up no hits in the first three innings. Pat Hogan pitched three innings of relief and added a home run in the winning effort. Scott and Jonas Calvillo garnered the only two Hollywood hits.

Portland-San Antonio: Greg Snyder and Keith Baer combined pitching to lead San Antonio to a wild 21-14 victory over a determined Portland squad. B.J. Coyle, John Nickles and Matt Dundas each doubled in San Antonio's 11-run second inning. Keith Baer homered in the fifth and Jimmy Bellanca and Tim Freeth also had extra base hits. Chris Marshall and Roland Lorbach hit will for Portland.

Louisville-Portland: Louisville won its second game of the season beating a good hitting Portland squad, 14-5. Despite Portland's five-run first inning, Louisville hung on to explode for seven runs in the fourth to go ahead for good.

Ken Krausmann came in to relieve in the first inning for Louisville and held Portland scoreless until relieved by Pat Hogan in the fourth. Hogan pitched two and one-half scoreless innings and added his second home run of the year, while Mike Butt turned in another outstanding performance behind the plate. Jason Steffes and Ross Naidow shared the pitching duties for Portland and together turned in a fine performance. Brandon Farmer added a solid game behind the plate.

Phoenix-San Antonio: Phoenix defeated San Antonio 16-9 in a well-played, hard hitting game. Many players on the determined San Antonio team, Mike Shrake went four-for-four at the plate for Phoenix, while Scott Redding was three-for-four with two RBI.

The game also featured a total of 20 good defensive plays. Defensive stars of the game were Keith Hatten for San Antonio and Arne Knudson for Phoenix.

Farms-City Class C

Miami-Columbus: Miami beat Columbus, 8-5, May 6. Winning pitcher Eric Mathews and relief pitcher Patrick Meehan struck out 15 and walked 11 while giving up just two hits. Columbus pitchers Tripp Tracy and David Auld struck out 10, walked seven and gave up 10 hits.

John Maycock, Meehan and Mathews led the Miami hitting attack, accounting for seven of their team's 10 hits. Lanny Tracy and Brian Clute each collected a hit for Columbus.

Erie-Buttalo: Erie and Buttalo faced off to begin the rain-delayed season, with Erie taking a hard-fought 8-5 victory. Jay Berschback and Kenny Barfield pitched a strong game for Erie, striking out 16 and giving up five hits.

Blues are 10-0 this spring

While spring time may not be hockey time for most people, for the Grosse Pointe Squirt A Blues it's been the best time. The Blues continued their winning ways last week, winning twice and running their league-leading record to 10-0.

On May 2, the Blues topped the Fraser Road Runners, 7-4. Goals came from Michael Kuna (two), Emiliano Lorenzini (two), Kevin Watson, Andrew Van Deweghe and Brian Crane. Earning assists against Fraser were Todd Frederickson (two), Scott Berger (two), Watson (three), Kuna (two), Jeff Jensen and John Bell.

The Blues faced the Royal Oak Jets May 5, taking a 4-3 decision on Scott Berger's goal with 45 seconds left in the game. Kuna and Jensen assisted on the winner.

The Auld brothers, Jay and David, and Stefan Teige each scored for the Blues. Notching assists were David Auld (two), Jay Auld and Van Deweghe. Goalender Dustin Kolodge recorded his 10th straight victory in the nets.

With the win over Royal Oak, the Blues are assured of finishing in at least a tie for first place in the eight-team division.

ULS wins its own tournament — again

For the first seven years of the ULS Class A Tennis Invitational (1968-1974), ULS's best finish was fifth. In 1975, a freshman by the name of Ihor Debryn led ULS to first Class A Invitational Championship. Last weekend the Knights won six of the eight divisions as they hosts spoiled their opponents' hopes and easily won their ninth consecutive Class A Invitational Championship.

University Liggett scored 42 out of a possible 48 points. Ann Arbor Pioneer was second with 25 points followed by Dearborn, 18, Edsel Ford, 16, Grosse Pointe North, 15, Grosse Pointe South, 13, Greenhills, 7, and South Lake, 0. Individual winners for ULS were Steve Pack, No. 1 singles; Frank Crociata, No. 2 singles; John Ekelman, No. 3 singles; Mark Hunt, No. 4 singles; Brian Hunt and John Polizzi, No. 1 doubles; Kirk Haggarty and John Birgbauer, No. 3 doubles. Henry Woodhouse and Frank Penirian were runners-up at No. 4 doubles and George Haggarty and John MacLeod were Consolation winners at No. 2 doubles.

"We are improving for the most part," commented ULS coach Bob Wood. "I thought the boys played with much more intensity than at any other time this season. We are going to have to keep it up because this week we play Brother Rice, ranked No. 2 overall, and the next weekend (May 13 and 14), it's off to the Ann Arbor Huron Invitational where we will

St. Clare track on win streak

St. Clare's track team, working on its sixth straight undefeated season, started things off in fine style with a pair of convincing wins over St. Paul (60-31) and St. Joan (62-29).

St. Clara runners Scott Fischer, Brian Stratton and Brian Louwers set several new records for St. Clare. Fischer's time of 54.3 in the 400 meter dash set a new Mark as did Stratton's time of 6.3 in the 50 meter dash and 24.8 in the 200 meter dash.

Louwers dominated the 800 run in both meets with times of 2:15 and 2:18. Others placing for the Falcons included Phil Keller, Heath Obrecht, Joe Rosasco, Chris Gross, Eric Garr, Joe Morandini, Winston Capulong, Jad Pablo, Frank Unger and John Wronikowski.

St. Clare's girls' team, defending CYO champions since 1980, looks stronger than ever in 1983. Outstanding performances have been turned in this year by Ellen Mayer, Megan Keller, Jill Brozo, Rosanne Salomone, Patty Hess, Brigit Sullivan, Kathy Morandini, Stacy and Tracy McQuerry, Kate McCarthy and Kim LaBranche.

St. Clare will host the 15th annual C.Y.O. Track and Field Championships Sunday, June 4, at South High.

Dodgers take Babe Ruth win

Park Babe Ruth League player Doug Lucas celebrated his 13th birthday May 7 by pitching his Dodger team to an 11-5 opening game victory over the Braves.

Lucas pitched the first five innings and allowed only two hits and three unearned runs. Jay Henze relieved Lucas on the mound and pitched one-hit baseball for the final two innings.

The Dodger attack was led by David Arnold, whose home run and triple knocked in three runs. Chris Ross had two hits and stole two bases and Don Berg also chipped in with two hits. Mike Coffee, Dan Harbold and Jeff Metry had one hit each. Joe Page, Dan Gibney and Dave Salkowski played well on defense.

Andy Bedsworth was the losing pitcher, but had two of the Braves' three hits; Steve Mellos also had a hit. Dan Cimini finished the game for the Braves.

The Dodgers are managed by Paul Pellerito and the Braves, by Gene Wysocki.

face Ann Arbor Huron, ranked No. 1, Cranbrook, ranked No. 2 and East Grand Rapids, ranked No. 6.

When asked about the tough schedule, Coach Wood said, "That's what the boys at University Liggett School are used to. When they make the varsity team, they know that they will play the most competitive tennis schedule in Michigan. It provides them with a tremendous challenge, and

Tennis foes unite to help SVSC

Former high school rivals Nancy Kohler and Laura Hackman will unite their talents in an effort to help Saginaw Valley State College challenge for the NAIA District 23 tennis crown.

Kohler, a former star at North High, has excelled in singles as well as doubles at SVSC. She posted a 9-2 No. 1 singles mark last fall and has teamed with No. 2 singles player Cathy Midcalf for an impressive, 10-1 No. 1 doubles record.

Head coach Brian Gano has high praise for Kohler. "Nancy has been a real pillar of our team. Her many years of playing in tournaments at very competitive levels have been an asset for our team in terms of giving us a basic strength."

The sophomore elementary education major, who also served on the SVSC cheerleading squad, seems to demonstrate the leadership of a veteran. "Even though she's only in her second year at SVSC, she has set a good example

they must be ready mentally and physically every time they walk out on the court."

Kickers are beaten

The University Liggett School girls' soccer team dropped three games last week.

The first was to Edsel Ford, 3-1, when Suzy Carty scored the only goal for ULS, assisted by Karen Cavazos. In the match-up between

Nancy Kohler

to the other players that has earned her much respect," Gano added.

Hackman, a sophomore from rival South High, is a capable tennis enthusiast. She, like Kohler, excels in two roles. Hackman, an accounting major, competes in No. 2 doubles and is a player capable of stepping in and playing different spots in the singles, according to Gano. She compiled a combined 6-2 record at fifth and sixth singles last fall.

Hackman teams with SVSC freshman Theresa Buchholz for

Laura Hackman

doubles competition. They earned an 8-3 No. 2 doubles mark. Hackman has a two-year doubles record of 16-3.

"Laura is a spunky little gal who has earned a lot of admiration from her teammates and myself," Gano says. "I feel she will be a stable competitor in the Great Lakes Conference for years to come."

Hackman is the daughter of Mr. and Mrs. Arthur Hackman, of Ballantyne Road. Kohler is the daughter of Mr. and Mrs. Howard Kohler, of North Brys Drive.

Cycling can mean both fitness and fun

Cycling is a pleasurable way to tour the city or countryside while strengthening the working capacity of the heart and lungs, reports the Automobile Club of Michigan. Thirty minutes of cycling three to five times a week also improves muscle strength, endurance and balance and helps reduce tension.

"Vigorous and consistent cycling greatly strengthens and conditions the legs," says Walter Zeiler, Auto Club's life manager. "Many health experts believe the overall condition of a person's heart can be determined by feeling the leg muscles."

Cycling is a popular cardiovascular exercise since it improves heart and lung performance. It is a non-weight bearing activity, making it attractive to overweight individuals.

"Most cyclists supplement riding with flexibility exercises for the arms and shoulders to avoid becoming stiff," Zeiler said. "Others combine it with swimming to build upper body strength."

The Auto Club advises maintaining a consistent riding pace by adjusting to road gradation through switching gears on a multiple-speed cycle or changing the revolutions per minute on a one-speed bike.

For fitness improvement, beginners should cycle at a constant speed between 60 and 70 revolutions per minute, gradually working up to between 70 and 90 revolutions. Monitor this pace by counting the number of times the pedal makes a complete revolution for 15 seconds and multiplying by four for the revolutions per minute.

Becoming winded while riding on a flat surface generally is due to spinning the wheels too fast, so the cyclist should shift to a higher gear. If legs become tired, the cyclist probably is riding at too high a gear and should shift to a lower gear or reduce pedal revolutions if on a one-speed bike. Before beginning a cycling fitness program, a person with medical problems or over age 35 should seek the guidance of a physician or other health professional.

Equipment needed to begin a cycling program includes an appropriate-sized bike with saddle and handlebars properly adjusted

for maximum comfort and efficiency. A riding helmet is recommended since the majority of cycling injuries are to the head. Other investments may include gloves, riding shoes, protective eye glasses and a high-security lock.

Cyclists should know the rules of the road and always be aware of pedestrians, cars and other cyclists. Michigan law requires cyclists to obey the same rules as motorists. Cyclists should ride on the right side of the road.

The Auto Club recommends warming up before and cooling down after the exercise with five to 10 minutes of stretching exercises, especially those that flex the hamstring muscle at the back of the thigh. Cyclists also can ride for about one mile in a low gear, spinning easily at a faster pace.

Cyclists should drink plenty of fluids, especially water, before and while riding since perspiration may be masked by wind and the rider could become dehydrated.

North nine split

Paul Regelbrugge
North High

Coach Frank Sumner's varsity baseball team split its games last week, losing to Bay City Handy, 1-0, beating Cadillac, 17-12, losing to Alpena, 2-0 and outlasting Lakeview, 4-2, in 10 innings.

Senior All-Stater Marty Mitchell led North hitters in the Alpena tournament by going six for 10. Dan Kopitzke batted in three runs against Lakeview and Dave Babcock picked up the win while striking out 14 Huskies in the 10 innings.

The J.V. record slipped to 3-4 overall when it lost to Lakeview, 9-3. Tim Rice had three hits and Joe Weidenbach and Craig Como, two apiece.

Girls' split softball

Michelle Witt doubled home the tying and winning runs to give North a 5-4 come-from-behind softball triumph over Lakeview before the girls lost to Clintondale, 11-0.

Jan Hamilton pitched a one-hitter against Lakeview and Tracy McKibbin had two hits while Celeste Sartor punched in two runs with a sixth inning single.

The J.V. proved to be no match for Lakeview as it lost, 23-5, as a result of "too many errors."

Charlotte Lamb had three hits in four times at bat and Dawn Cartwright went two-for-three for North.

Tracksters win

The girls' track team won a tri-meet, scoring 73 points to Bishop Gallagher's 47 and Re-

gina's 36.

North was first in three of four field events, and first in both the 400 and 800 meter relays.

The freshman boys romped past East Detroit Kelly, 114-18, as Dave Roush was a winner in both hurdle events, Brian Bergeron in the discus, Taki Paros in the 3200 run and Frank LaGrasso in the 1600 run.

Kickers still unbeaten

Dearborn and Bishop Borgess were North's latest victims as the girls' soccer team maintained its unbeaten record by winning, 6-1, over Dearborn and, 2-0, against Borgess.

Presently 6-0-1, North's goal-scorers against Dearborn were Amelia Dugan, Jenna Burt, Shannon Armstrong, Marlene Preisz, Laura Lovisa and Kate Papineau.

Boaters may call weather update line

Great Lakes area boaters may now call for marine weather forecasts, thanks to a service offered by the Great Lakes Metro Boat Show and Jack Leverenz Sailing Schools.

The telephone service, which began May 1, includes a repeat of N.O.A.A. Weather Radio's marine forecast lakes Huron, Erie and St. Clair, along with a personal observation of weather conditions on Lake St. Clair.

The report, which is updated at 8 a.m. and 4 p.m. each day, may be heard by calling 881-7787.

Squash, lacrosse for Pointers

Pointer Carolyn A. Danaher has been elected captain of the 1983-84 squash team at Bowdoin College.

Danaher finished the 1982-83 season with an 8-8 record in the No. 1 position. She is a graduate of University Liggett School and majors in government at Bowdoin, where she is a junior on the Dean's List.

Evie Scoville, of Lincoln Road, is a member of the 1983 Hamilton College women's lacrosse team. Scoville is a sophomore goalie for the Continentals. She helped Hamilton to its fourth consecutive winning season last year, making 114 saves.

Scoville, daughter of Mr. and Mrs. Laurence Scoville, is a 1981 graduate of University Liggett School.

State camping guide available

Free copies of the 1983 Michigan Campgrounds Directory published by the Michigan Association of Recreational Vehicles and Campgrounds (MARVAC) are now available.

The directory lists over 60 of Michigan's finest private campgrounds for recreational vehicles. It pinpoints the campground on a map of Michigan with small maps showing how to reach each one. The campgrounds are coded with reference to 21 available camping services including swimming, fishing, snowmobiling,

laundry facilities, water and sewer hookup, etc.

Dave Pickering, director of MARVAC, said that free copies of the directory will be available at MARVAC member campgrounds and dealers, tourist information centers, State Police, Chamber of Commerce and other outlets.

Shook, Krause lead Spartans

A pair of local athletes have figured prominently in Michigan State University's recent baseball fortunes.

Junior relief pitcher Tom Shook, of the Woods, figured in both MSU wins over Purdue April 30. Shook was credited with a save for one inning of relief work in the first game and pitched 3 1/3 innings in the nightcap to earn the win.

Shook, a North High graduate, has a 2-2 record for 25 1/3 innings of work in 1983. He has yielded 26 hits, struck out 19 and racked up a 6.03 earned run average.

Summer swim course offered

A summer-long swim course training program will be co-sponsored by the Department of Community Services of The Grosse Pointe Public School System and the Grosse Pointe Swim Club.

Seagram keeps it up

If Mike Seagram keeps this pace up, he'll find himself running out of offensive categories to lead.

The North High graduate had his best week as a member of the Cornell University varsity baseball team last week, going 11 for 19 at the plate for a .579 batting average. He had four RBI, two home runs, three doubles and wound up with a .600 on-base percentage.

Seagram is Cornell's leading hitter at .375; he also has the most home runs for the 7-15-1 Big Red, with four.

Bradfield is tri-captain

South High graduate William K. Bradfield will serve as one of Bowdoin College's swim team tri-captains in 1983-84, following an outstanding three years stint as a member of the men's swim team.

Bradfield, of Warner Road, swims the freestyle and individual medley events for the Bowdoin Polar Bears. He placed fifth in the 200 freestyle in the NCAA Division II championships this year.

He majors in biochemistry at Bowdoin, where he has been a Dean's List student.

Measelle letters

Brown University sophomore Jeff Measelle has earned his second letter in swimming from the Bruins.

The South High graduate set a Brown record with the 800 freestyle (6:47.35) and 400 medley (3:26.41) relay teams in the eastern championships. He collected 42 points in the dual meet season, good for eighth-best on the team.

Grosse Pointe Soccer Association News

Despite the rainshowers, the last weekend of April provided a great opportunity for the eight and under soccer teams to play in the mud — with the approval of parents and under the guise of a soccer game.

Among eight and under action scheduled for the week was the match between the Eagles and the Blue Devils. The Eagles took a 4-0 win in the mud.

In under 10 play, another Eagle team took a win from the Lancers, 3-1. Patrick Pesegna scored two goals for the Eagles and Brian Disser added the other goal. The outstanding passing of Brian Bourbeau kept the Lancers off guard and away from the net.

The Badgers, under the direction of Suresha Gehani and Ken MacDonald, used team work to defeat the Falcons, 7-1. Ryan Koczara blasted in an unassisted goal after taking the ball in from the 50-yard mark and Sammy Khatib chalked up a three-goal hat trick to lead the Badgers.

Ricky Weinberg, Koczara and Ryan Perkins (who scored from a defensive position) closed out the scoring. Matthew Winstanley, Aaron Getchell, Andrew Doderhoff and goalie Brian Dennis turned in outstanding defense play in the win.

In earlier April action, the under 10 High Numbers squad got second half goals from Mike Soltis and Peter Gallagher to defeat the Eagles, 2-0. Coached by North students Marc Trikian and Paul Regelbrugge, the High Numbers played well to get an aggressive Eagles' team. Geoff Everham recorded the shutout behind the defensive help of Tim Wortman, Brian and Brent Malik and David Cusmano.

Despite torrential rains which left most of the Grosse Pointe soccer fields looking like swamps on the economy plan, the soccer season continued last week.

David Backhurst's Road Runners in the under eight division finished their third game and now have a 3-0 record. The Road Runners are a well-balanced team and every player has given his all towards the overall success of the team. Matthew Bentley, Chris Crain, Jeff Backhurst and Paul Cure have done outstanding work as offense players along with the super scoring ability of Brad Dunlap and Andy Bramlage, Dave Bourdon and Greg Parsons.

The Blue Devils, under eight boys', went out for their first game and finished with an exciting 1-1 tie against the Impalas. Bryce Kenny scored for the Impalas and it was a 1-0 game until the third period when Lawrence Delveca of the Blue Devils booted a corner kick to Matthew Masek who passed to Danny Khatib for the tying goal.

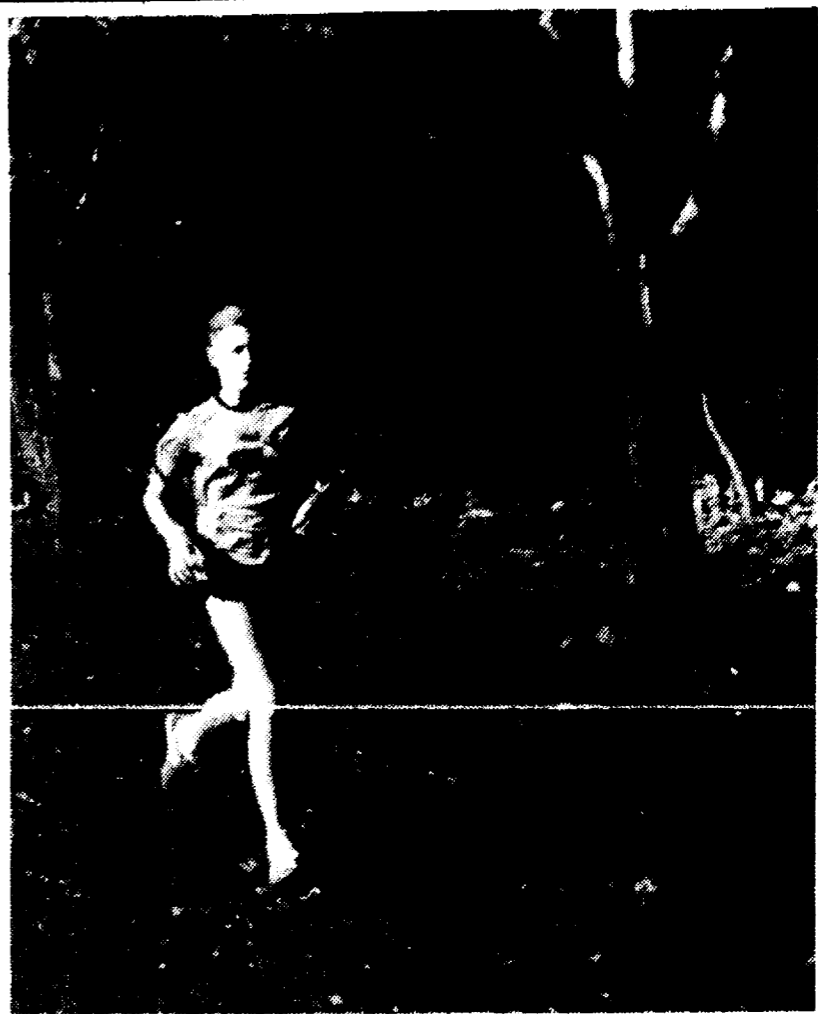

In the under 10 division, the Twisters were up against the Black Hawks and lost a heart-breaker, 6-1. The single goal for the Black Hawks was scored by left winger Jay Auld. Scoring for the Black Hawks was Steve Mourad, with outstanding defensive moves that got him three beautiful goals for a hat trick. Todd Fredrickson slammed in two goals and assisted on four, and Garrett Ryan added one. Other assists went to Eric Ryan, Garrett and Jeremy Africa. Top notched defensive play was given by Sam Moceri and great goaltending by Andrew Wallere.

The Sailors came from being behind, 1-0 at half, to take their Saturday game against the Express in the under 12 division, 4-2. Scoring for the Sailors were Joseph Hellruns, Edward Barbieri, and team co-captain Bobby Winiarski. Scoring for the Express were Mike Cure and Rick Darke with fine assists from Bill Saylor on both goals. Strong defensive moves for the Express were made by John Warner and Max McDuffee, and a solid performance was given by goalie Andy Busse. Although Busse has been playing soccer for five seasons, this is his first as goaltender and he has learned to appreciate that special position.

Highlighting the girls' under 12 division this week are the Mustangs, under the direction of John Braithwaite. The Mustangs, in a travel league representing Grosse Pointe, hold a 2-0 record. In their first game they came up against a tough team out of Fraser, the Foxes, and in a fine display of team effort, tied the game 1-1, on Christy Mack's goal.

In their second game of the season, St. Angela's could have prayed for rain and a little bit of thunder as the Mustangs rolled over St. Angela's, 11-0. Scoring for the Mustangs were Kerri Kelly, Leslie Braithwaite, Laura Ferguson, Kathrin Sick and Paige Pelok. Helping to clinch the victory were the defensive players who kept the ball in Mustang control throughout the game.

In their game against U.S.A. Panthers, Kathrin Sick sent home two goals with great assists by Kerri Kelly and Paige Pelok. To take the game, 2-0, Michelle Kovalick turned in a superb performance as goalie, and a solid aggressive play was given by Nancy Alcott.

South track star Meg Moisen.

South girls dominate track

South's girls' track team dominated all three distance relays last Saturday, May 7, winning each relay and establishing new meet records in each event. South's girls have now set eight meet records in the past three weeks.

Twenty-two teams competed at the Sterling Heights Stevenson Titan Relays last Saturday. Beating out those teams for meet records were freshman Nancy Solterisch and Danielle Varga; sophomores Jen Meehan, Barb Giroux and Meg Moisen; and senior Val Stone. Moisen anchored all three relays, including a 1600 meter (mile) run in 5:12 — one of the fastest times in the state so far this season.

Earlier in the week, South had back-to-back victories against Roseville (98-25) and Port Huron (68-55). Some of the scorers against Roseville included Julie Cunningham, Nicole Dupont, Kerry Bruce, Kathy Mastroianni and Tricia Posselius.

Against Port Huron, Sarah Bernard, Meg Moisen, Barb Giroux, Paula Selakowski and Katie Ament turned in personal bests.

South finished off the regular

season on May 10 (after press time) and will host the state regionals next Saturday, May 21.

Sports Week

(Continued from Page 1C)
west of Forest Hills. That may account for the fact that the recent string of losses has dropped the Knights from the No. 1-ALL Classes spot to the No. 4 position.

And although coach Bob Wood was a bit perturbed by the fact that ULS took the No. 1, No. 2 and No. 3 singles matches and lost every other match — two days in a row — one has to hark back to what Wood, a 22-year veteran of the tennis-coaching wars, said early in the year.

"I could care less about our dual-match record. I just try to provide the boys with the best competition so that week in and week out, we play the best teams. That way, we'll be prepared."

And come state tournament time in June, that's probably exactly what the

Knights will be.

Am I missing something

Did my eyes deceive me or did I hear Tiger manager Sparky Anderson saying that he isn't going to platoon Kirk Gibson anymore? Captain Hook says that he just can't justify keeping "the big guy" out of the lineup, not when he "makes things happen" the way the Park slugger does.

It seems to me that it was just a while ago that Sparky was telling everybody what a good idea the platoon system was and how he'd have a fine lineup no matter who he'd pencil in. But I guess that a 10-14 record (at press time) might change anybody's mind.

Then again, Anderson changes his mind about as often as Liz Taylor changes husbands.

I want to be with you and my loved ones in your perpetual glory Amen. Thank you for your love towards me and my loved ones. Pray this prayer 3 consecutive days without asking your wish, after third day your wish will be granted, no matter how difficult it may be.
