Revised Borders plan to council

By Brad Lindberg
 Staff Writer

CITY OF GROSSE POINTE — Councilmembers are likely to consider at their 7 p.m. Monday, Sept. 16, meeting a revised proposal to transform the vacant Borders Books building in the Village into a healthcare facility with retail space fronting Kercheval.

Revisions are closer to complying with City of Grosse Pointe requirements for significant ground-floor retail presence along Kercheval, while allowing rear portions and upper levels of buildings to be used for other purposes.

The \$5.4 million proposal, presented informally to the council Monday, Aug. 19, by representatives of St. John Providence Health System, divides the 162-foot-deep, 18,366-square-foot Borders building into:

K-9 unit receives boost

By Brad Lindberg

THE GROSSE POINTES — A group dedicated to man's best crime-fighting friend is helping double the number of police dogs among the Grosse Pointe-Harper Woods mutual aid pact.

K-9 Safety Partners of the Grosse Pointes, a tax-exempt organization, is donating \$2,400 to Harper Woods for a K-9 unit.

"This will be the first donation the Partners make," said Skip Fincham, the K-9 group's recording secretary and city administrator of Grosse Pointe Woods.

"The most important thing is to have a safe environment," said John Stevens, a Partners founder and former City of Grosse Pointe councilman. "A dog implies a lot of that. You don't mess around with a dog."

Harper Woods recently hired an officer who handled K-9 operations in another metropolitan Detroit suburb.

"He came with his dog," Fincham said. "Because the officer was laid off for a while, the dog has to be recertified. So, we're donating money to the

New schedule set

CITY OF GROSSE POINTE — A new refuse pick-up schedule starts the week of Monday, Sept. 9.

The schedule applies to collection of solid waste, recycling and compost.

Changes are part of the City of Grosse Pointe's integration of commercial and residential pickups to operate more efficiently.

The schedule is:

◆ Monday: Cadieux, Loraine, Notre Dame, St. Clair, Village Lane, Cranford Lane, Maumee

from Cadieux to St. Clair, St. Paul from Cadieux to Neff Lane and Waterloo from Cadieux to St. Clair.

◆ Tuesday: Grosse Pointe Court, Neff Road, Lakeland, Lakeland Court, University Place, Maumee from Neff Road to University, St. Paul from Neff Lane to University Place and Kercheval from Neff Road to University Place.

◆ Wednesday: Rivard, Roosevelt Place, Charles, Washington and Maumee from Rivard to Washington.

◆ Thursday: Lincoln, Fisher Road, Kercheval from Lincoln to Fisher, Sycamore Lane, Lakeside Court, Elmsleigh Lane, Stratford Place, Wellington Place, Donovan Place, Woodland Place, Lakeland south of Jefferson, Rathbone/Martin Place, Cameron Place, Alger Place, Island Lane and Dodge Place.

On holiday weeks, such as Memorial Day and Labor day, pickups for the remainder of the week are delayed one day.

City residents can order 64-gallon rubbish toters at city hall. Toters cost \$65. They're brown-stone-colored, have the city logo and a serial number.

For more information, call city administration at (313) 885-5800 or the public service department at (313) 417-1188.

Signs may sync colors

By Brad Lindberg
Staff Writer

GROSSE POINTE SHORES — Real estate signs may become standardized, according to an idea from the same municipal committee that successfully lobbied to allow "open house" signs.

Mayor Pro Tem Kay Felt said she and fellow members of the Grosse Pointe Shores Ambassador Committee

may propose that real estate signs be limited to certain colors.

"We are circulating to the committee an ordinance from another community," Felt said. "Their signs are uniformly black and gold. We'll be considering that."

She said she'll seek reaction from Grosse Pointe real estate brokers.

"Apparently, brokers in that other community

don't have any problem with black and gold signs," Felt said.

The Ambassador Committee, established to promote Shores housing stock, also is fielding a suggestion to create another committee.

"Some residents said we need a 'fun committee,'" Felt said. "They would like the ability for people who live in the community to get together to suggest projects to us."

Comments so far include recreation activities, she said.

"People like activities going on in the park," Felt said. "They've said it contributes to a sense of community and how much they've enjoyed it. That's something you may hear more from us about, the fun committee."

Service to everywhere, briefly

By Brad Lindberg
Staff Writer

GROSSE POINTE SHORES — Akin to Doctor Who's phone booth, Grosse Pointe Shores for a while had an elevator at city hall linked to the universe.

It started when city officials mistakenly canceled the elevator's telephone extension among unnecessary phone lines.

"We had to install a new line and — thank goodness, this has been fixed — you could call anywhere in the world on that line," said Mark Wollenweber, Grosse Pointe Shores city manager. "Now, it only calls (to city hall) or Grosse Pointe Farms (public safety) dispatch."

The telephone cleanup saved the city money by discovering another obsolete T-1 line at Shores police headquarters.

"This goes back to our transformation to CLEMIS (Courts and Law Enforcement Management Information System)," Wollenweber said. "It's another \$200 a month we've been paying. We're going to see what kind of rebate we can get from the last time we canceled."

The matter now is on the municipal agenda.

"We talked to the commission about making it a little easier for generator placement, like air conditioning placement with a sign-off of neighbors," Wollenweber said.

It will come up at a future meeting.

GPS Day

Based on comments Kedzierski heard at the municipal swim team finals, he's thinking of having the city sell team-type fan gear at city hall.

"We had at one time, 'I like Grosse Pointe Shores day,'" Kedzierski said. "We had sweat shirts and T-shirts. We're thinking about having some of the merchandise for a nominal cost, that states we're proud of our community."

Cameras

Public safety administrators are receiving bids for security cameras to be placed at major intersections in the community.

"We have a resident who is an administrator with Homeland Security," said Chief John Schulte. "We will be consulting with him to see exactly what type of cameras they are using and what capacities."

Generators

Mayor Ted Kedzierski's recent shopping trip to Costco became a neighborhood reunion with the topic of portable generators.

He said two of six neighbors at the store wanted the Shores to ease restrictions on the placement of generators.

"They were talking about making it less onerous to get permission and not have to get a special use permit issued by the planning commission," Kedzierski said.

Cost savings

The finance and pension committees are comparing the costs and benefits of investment management fees and strategies.

Goals include reducing fees, according to Councilman Bruce Bisballe, chairman of the finance committee.

"The pension people are charging way too much," added Mayo Pro Tem Kay Felt, also on the finance committee.

A hot day on the courts

By Brad Lindberg
Staff Writer

GROSSE POINTE SHORES — Competition was so hot at this summer's municipal tennis tournament that the mayor is thinking of cooling things down next year with an earlier starting time.

Twelve Grosse Pointe Shores residents in six

teams competed in the second annual adult mixed-doubles tournament at 1 p.m. Sunday, Aug. 18, at Osius Park.

"It was 83 degrees," said Mayor Ted Kedzierski.

He regarded the afternoon heat as a tennis lesson.

"Next year, we're going to have tournaments starting early in the day,"

Kedzierski said. The top three teams were:

◆ First: Mike Kedzierski, Ted Kedzierski, Alla Kedzierski;

◆ Second: Cheryl Cusmano and Nick Cusmano and

◆ Third: Marlana Hanlon, John Seago, Dan Anderson, and Donn

Schroder, Renie Seago and Ross Kennedy.

Another change for next year is separating a youth tournament into three age categories.

"It will be divided into 12 and under, 14 and under and 17 and under," Kedzierski said.

Divisions are intended to even out competition between young and older youth.

stations and physical therapy treatment space facing the rear and

◆ up to three retail spaces facing Kercheval.

The ratio of retail to non-retail floor space is roughly 45 to 55 percent, and more than doubles retail area St. John proposed in June to the council.

City ordinance reserves the front 60 percent of first-floor space for retail.

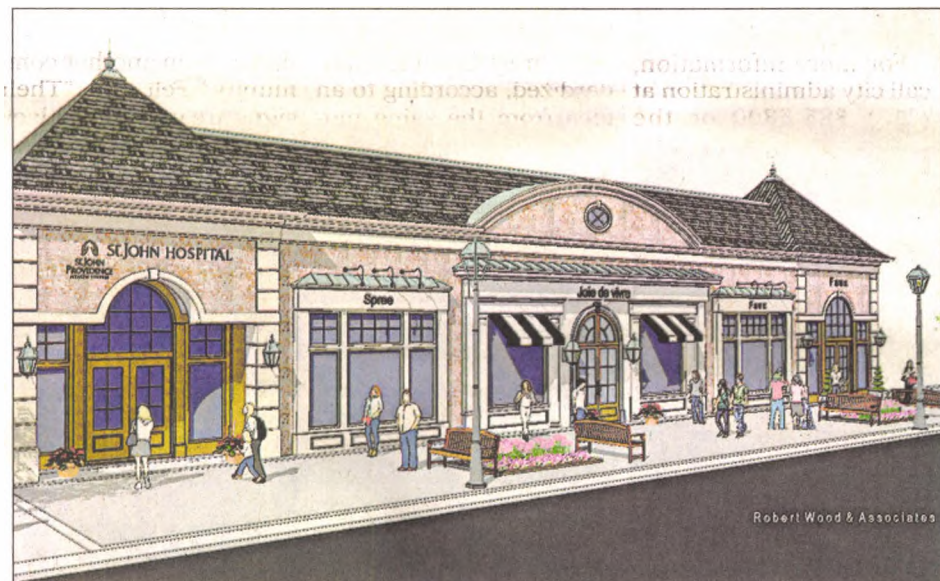

"The council was informally supportive of the revisions," said John Jackson, executive vice president of McKenna Associates, city planning consultant. "They directed us to look at the zoning ordinance to see if there were things we could do to make what St. John is proposing fit into the ordinance."

A special public hearing on proposed amendments to the C-2 commercial district was scheduled for 8 a.m. Thursday, Sept. 5, after this week's Grosse Pointe News deadline.

The Borders building, vacant since the book store chain's bankruptcy three years ago, is part of a block of three neighboring empty storefronts on the downtown commercial district's eastern boundary.

St. John retained Robert Wood & Associates, of the City, to design the building's new facade.

"I kept it French and

very community-specific," Wood said. "I don't want it to look like Royal Oak or Birmingham."

He kept in mind the building's large scale and location next to a residential neighborhood.

"I try to look at it from the perspective of homeowners who back up to it, to soften it and make it blend into the neighborhood," Wood said.

His design partitions a rather uniform brick face Kercheval into three storefronts. Wood pro- vances installing new brick, picture windows, adding awnings and a hipped roof topped with copper finials.

"We'll distress the copper and use distressed brick," Wood said.

He favors a European architectural influence that never goes out of style, he said.

"This is a 100-year solution to that build-

ing," Wood said. "It ties

"The more we make our cities safer places, the happier people are going to be," Stevens said.

Harper Woods' dog will be available to the Pointes just as the City of Grosse Pointe's K-9, Raleigh, is deployed to Harper Woods on mutual aid requests.

+4x limit

A man with a blood alcohol level more than four times the state legal limit to operate a motor vehicle was arrested for drunken driving at 4:31 a.m. Monday, Sept. 2, in a residential neighborhood near the Village commercial district, according to police.

An officer pulled over the 41-year-old Detroit man at the intersection of St. Paul and Lakeland for meandering in and around the Village in a white 1992 Cadillac DeVille at speeds as low as 5 mph.

"(He) stated he was looking for the hospital due to an arm injury and was lost," said the officer.

The man smelled of alcohol and slurred, police added.

"(He) would begin

speaking, but then forget what he was speaking of," said an officer.

He had a .324 percent blood alcohol level, according to police, who turned him over to medicals.

+3x limit

A 27-year-old Dearborn man wasn't flustered when pulled over at 1:19 a.m. Monday, Sept. 2, westbound East Jefferson at Cadieux for suspicion of being drunk while operating a red 2012 Jeep Grand Cherokee.

"(I) observed the vehicle pull to the side of the road and the driver light a cigarette and begin smoking," said the arresting officer.

Police said the man registered a .261 percent blood alcohol level, which is more than three times the maximum legal limit to operate a motor vehicle in Michigan.

City officers were alerted to the suspect by Farms police. They were tipped off by a motorist using a cell phone.

Window smashed

A woman living in the 300 block of Merriweather informed police at 1:17 a.m. Saturday Aug. 31, that someone smashed the rear window of her 2011 GMC Terrain.

The vehicle was damaged sometime while parked for several days in the roadway, she reported.

"(She) did hear a loud noise approximately two hours before observing (the) broken window and thinks that could be when (the) damage occurred," according to an investigator.

Warrant

During a traffic stop on eastbound Mack near Colonial Court at 8:41 p.m. Friday, Aug. 30, police arrested a 42-year-old Farms woman on an unspecified bench warrant from an unnamed jurisdiction.

A patrolman pulled over the woman for driving a 2012 Jeep with a license tab that expired Aug. 23.

"She claimed she mailed a check to the Michigan Secretary of State, but had not received a new tab," said the officer.

Car recovered

A man with 19 driving suspensions was caught last week on eastbound Mack near East Warren behind the wheel of a car reported stolen last spring in Westland.

The 38-year-old suspect from Detroit also was wanted on five traffic warrants in his home jurisdiction.

A patrolman pulled him over at 12:45 a.m.

Tuesday, Aug. 27, for operating a silver 2000 Chrysler Voyager outfitted with a license plate traced to a "junked" and unregistered vehicle, according to police.

The Voyager was reported stolen in Westland on April 20.

The license tab was traced to a 2002 Pontiac, police said.

Water main break

A patrolman cruising the 900 block of northbound Lakeshore at 12:05 a.m. Saturday, Aug. 31, felt something go bump in the night.

"Investigation revealed a possible large water main break on the median," the officer reported. "Water was causing the roadway to buckle."

A public works crew was notified to make repairs.

Suspended

At 11:32 p.m. Sunday, Aug. 25, a 41-year-old Detroit man, operating a Can-Am three-wheel motorcycle with red and green underglow lights and an improperly displayed registration plate, was arrested in the 700 block of southbound Lakeshore for violating "multiple" driving suspensions, according to

police.

The man also was wanted on traffic warrants, including from Southfield, police added.

Lock your cars

The night of Tuesday, Aug. 27, was a good one for a thief checking out cars parked on Bedford. A purse containing \$150 was removed from an unlocked car in the 1200 block, and a wallet containing cash and credit cards was taken from a 2011 Ford Escape parked in the 1100 block of Bedford. Police remind residents to lock their doors and never leave valuables in a car.

Phone taken

An iPhone was taken at 8 p.m. Thursday, Aug. 29, from the guard shack at Windmill Pointe Park.

Packages taken

A package delivered by the U.S. Postal Service on Saturday, Aug. 24, to a house in the 900 block of Nottingham was taken by an unknown suspect, while on Wednesday, Aug. 28, a FedEx package was taken from the front porch of a house in the 800 block of Nottingham.

GUEST OPINION By Jarrett Skorup

State, media encourage playing lottery

Like clockwork, every few months it is front-page news around the country: The Powerball lottery winner. Last week, the third-largest jackpot of all time — \$448 million — was split three ways.

At a time when our benevolent bureaucrats at the city, state and federal level are all about “nudging” people to make “better” decisions, the government teams up with the media to promote one of the most irrational ways for people to spend their money.

State-supported lotteries are especially rich when you consider all of the low-level gambling Michigan makes illegal — such as March Madness pools or small monetary bets between friends.

A person’s chances of winning the Powerball are 1 out of 175 million — so small it is nearly impossible to even understand. Someone is 175 times more likely to be struck by lightning, 16 times more likely to be attacked by a shark, more than 50 percent more likely to be killed by a vending machine and approximately 17.5 times more likely to become president — assuming eligibility.

In Michigan, the state spends tens of millions of dollars begging us to play the lottery — it’s for the children. The money supports the general fund and education spending, but as Dr. Michael E. Heberling, president of the Baker College Center for Graduate Studies and an adjunct scholar with the Mackinac Center for Public Policy, noted in 2002, this is paid for disproportionately by the poor:

While the average player spends \$313 per year on the lottery, those with incomes of less than \$10,000 spend \$597. African-Americans spend \$998 compared to \$210 for whites. High school dropouts spend four times as much on the lottery as do college graduates. More than half of all lottery tickets are bought by just 5 percent of those who play.

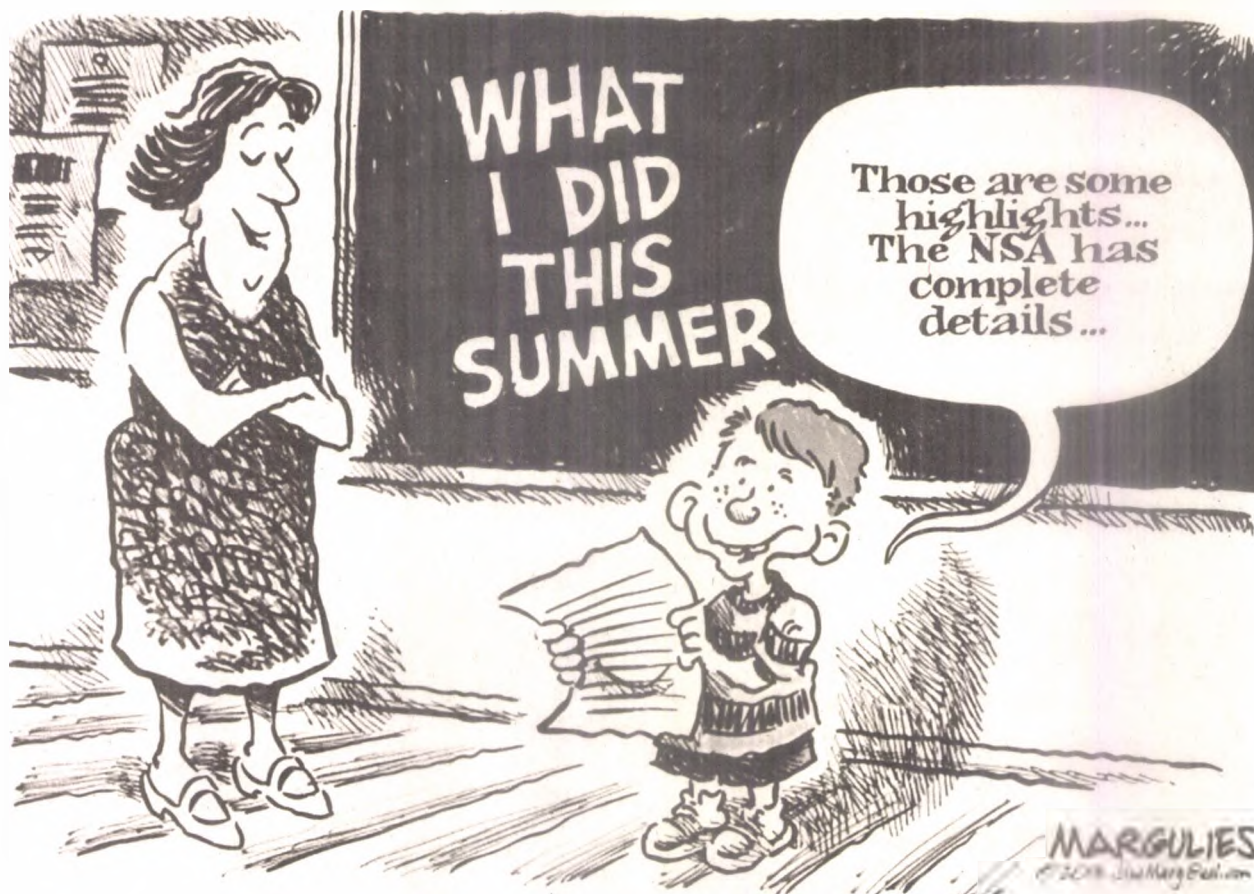

The National Opinion Research Center estimates that problem gamblers — those addicted to gambling and whose families often suffer as a result — account for 14 percent of total lottery revenues.

And not only are state and national lotteries a poor bet, they encourage bad behavior. Instead of putting their money into a nearly impossible dream, in which many people end up squandering the money, people should be investing in themselves.

Playing the main Powerball game costs \$2. If someone who played every day was to instead take that money and save or invest it, they would eventually have some real money: \$2 per day compounding at 8 percent would be more than \$11,000 after a decade. Saving that small amount of money for 50 years (from 18 to 68) would yield nearly half a million dollars.

Saving and investing are learned habits and they are the key to freedom. It is unlikely that governments constantly struggling to balance their own budgets are going to encourage it, but at the very least they should make it easier by not incentivizing bad habits.

Skorup is a research associate at the Mackinac Center for Public Policy.

St. John Hospital and Medical Center in the Village

To the Editor:

I was appalled when I learned of St. John Hospital and Medical Center vying for prime space in the old Borders building on Kercheval in the Village.

This is prime retail space that should be used only to attract young buyers to our city.

I want every citizen to think about whether or not we need an urgent care facility in our midst rather than a movie theatre, restaurant or retail shop.

It is time that more is asked of the representatives of the city council. This decision has huge consequences for our future and I encourage all city residents to attend their council meetings and say “no” to any hospital or business that does not improve the quality of our Village.

Racing For Kids to the Hill will last a long time. And we would like to thank our many wonderful friends from the Hill Association, city of Grosse Pointe Farms and the community at large, who once again pulled together to make it such a wonderful event.

First of all, we would like to thank our honorary committee, Mary Kay and Keith Crain; KC and Ashley Crain; Lynn and Paul Alandt; Shery and David Cotton, M.D.; Benson Ford, Jr.; Richard Smith; Gretchen Valade; and Carson Yeager.

Sincere thanks to our steering committee: co-chairs Tom Buhl and Ed Russell and steering committee members, Julie Corbett, Dan Jensen, Dan LaLonde, Kristen Townsend and Mary Wells who worked hard for more than a year to make sure all the details came together.

Next, we are most grateful to the gracious individuals at Northern Trust, who once again opened their doors to us and let us take advantage of their beautiful facility for our cocktail reception and auction.

We really appreciate of the support of our sponsors — our Winner’s Circle Sponsor: Meridian Health Plan of Michigan; Grand Sponsor: Northern Trust; Pole Position Sponsors: Backer Landscaping, Beaumont Hospitals, Bodman Attorneys and Counselors, Henry Ford Medical Center, Huntington Bank, Firestone Racing, Legacy Wealth Management, Russell Development and Wolverine Bronze; our Front Row Sponsors: ALLEGRA St. Clair Shores Marketing and Printing, Dirty Dog Jazz Cafe, The Hill Association, Huntington Bank, Grosse Pointe Florists, the Grosse Pointe News, Fergie’s Rentals, Ferrari Club of

America, Jay Fishman LLC, Mathew Swegles Wealth Management of Raymond James, Morgan Stanley, Pointe Capital Management, Talmer Bank and Trust, Wayne County Community College District and Woods Financial; and Finish Line Sponsors: Atwater Brewery, Sam and Alaine Bush, Connell Building Company, Grosse Pointe Farms Department of Public Safety, F & H - For the Home, Higbie Maxon Agney, La Londe Jewelers, Mike’s on the Water, Merrill Lynch, PIP Printing and Marketing Services, Pointe Alarm, Pointe Towing, RBC Wealth Management, Salon 76, The League Shop, A Slice of Life Photography and Ralph Wilson Enterprises.

Additional thanks for benefactors Lynn and Paul Alandt and Peter Kross. The underwriting made this spectacular event possible and we are deeply grateful. We were delighted to have the restaurants of the Hill come together again as our Pit Stop Sponsors and to put on a gourmet feast: Cafe Bella, Cafe Nini, Dirty Dog Jazz Cafe, Luxe Bar and Grill, The Hill Seafood and Chop House, Jumps and Fresh Farms Market.

Additional thanks to Morning Glory for the delightful Racing For Kids star cookies.

The City of Grosse Pointe Farms, which allowed us to close off Kercheval for our street fair and reception, was most supportive of our efforts, particularly the crew from the department of public works as well as Police Chief Dan Jensen and his excellent officers. The all did a great job.

We would also like to thank Dreyer & Reinbold Racing for bringing their transporter and showcars and racer, Scott Speed; and to Ford Racing and Chevy Racing and the Detroit Grand Prix for letting us display their fabulous race cars and showcar.

Thanks also to the owners of the “dream cars” who brought their beautiful vehicles for display on the Hill.

And we wouldn’t want to forget the young patient ambassadors from Children’s Hospital of Michigan who announced the start of our live auction with “Ladies and Gentlemen, start you bidding!”

Special thanks to Bob DuMouchelle; Crest Automotive Group, Benson Ford, Jr.; the

Edsel and Eleanor Ford House; Capricious; Tom James, Jane McFeely; Jeff and Madeleine Swallow; the Hilton Garden Inn; the Renaissance Hotel; the College for Creative Studies and the Dirty Dog Jazz Cafe for helping to make the live auction a terrific success.

And additional thanks to the many merchants on the Hill and in the Grosse Pointe community, who contributed some of their best merchandise to our most successful silent auction.

And finally, thanks to our dedicated volunteers including Dorothy Tolle, Bill O’Keefe, Kris McCoy, Paula Morris, Joe Kurta and some terrific young men from Boy Scouts as well as a team of volunteer workers from Auto Trader.com and Chase Bank. It may sound like a cliché, but it’s the truth — we couldn’t have done it without you.

Thank you for helping us put smiles on the faces of hospitalized children in our community and across the country and helping them get better faster.

Cadieux Farmhouse

To the Editor:

Kathy Ryan’s article, printed in the Aug. 29 Grosse Pointe News, omits some of the history.

In the early 1950s it was the home of the Cyril H. Moore family. Their son Cyril, Jr., nicknamed Boone, was a classmate of mine at Yale — class of 1954 — and I visited the house frequently.

After graduation Boone became an attorney, which I believe was also his father’s profession.

To me, the most striking feature about the house was the very low internal doorways, a result of much shorter people who built it.

I hope a home for this wonderful old residence can be found in the City of Grosse Pointe, where it has been located since 1870.

Wine theft
 A male in his 40s is suspected of stealing a case of wine at 2 p.m. Saturday, Aug. 31, from the Kroger store on Mack.
 As he left the store with the wine in his cart, an employee stopped him and asked to see the receipt.
 He said he left it on the counter, and proceeded to the parking lot where he loaded the wine into a white Oldsmobile driven by another male in his 40s. They left the parking lot, driving north on Mack. Police will review surveillance tape.

Welcome back

School's back in session. Tuesday, Sept. 3, marked the first day of school for the 8,000-plus students in the Grosse Pointe Public School System, from the elementary-aged students, who were eased into the new year with a half day, to the middle and high school students, who opened to a full day. Pictured above, before starting his first day of first grade at Richard Elementary School, Ian Davis gives his mom, Erika, a big hug. Above right, Elizabeth Davy and Olivia Kowal stop to pose with Ricky the raccoon, Richard's mascot. Ricky greeted students as they entered the building. Bids approved

By A.J. Hakim

Transportation bids for Grosse Pointe North and South high school athletics teams and the district's students with special needs were approved Monday, Aug. 26, at the Grosse Pointe Public School System Board of Education's regular meeting, with Trinity Transportation winning both bids.

Trinity has provided the district's bus services the past four years.

"I contacted our athletic directors; they have fully endorsed Trinity," said Chris Fenton, deputy superintendent of business affairs. "Besides the price, they've been satisfied with their services."

Projected cost for athletics transportation is \$96,565, calculated from last year's total trips, which included 215 one-way trips and 235 two-way trips. Trinity charges \$89 for one way and \$178 for two way, with an additional hourly rate of \$44.50.

"It's based on the number of tournaments that we get into and other activities," Fenton said.

In regard to special education, the district provides transportation to students with special needs whose individualized education plans request it. According to Fenton, about 135 to 150 students per year require transportation, totalling about 16 routes.

Routes are determined by number of students, location to school and a desire to limit students' travel times.

Estimated cost to the district for special education transportation is \$268,000, as the state reimburses the district 70 percent of its \$892,619 in transportation costs related to students with special needs.

Like athletics, a survey on Trinity's service for students with special needs the past few years also yielded positive results.

"We conducted a survey, with the help of (community relations specialist) Mrs. (Rebecca) Fannon in regards to the transportation services provided to stu-

THE FUTURE OF SENIOR CARE HAS ARRIVED!

HEALTH CARE REFORM PRESENTATION
 Tuesday, September 24 at 6pm

The Affordable Care Act or "Obamacare" is one of many major changes affecting healthcare. The way we pay for care and maybe the way we get care will look different in just 3 years. What's ahead for you and your doctor, your employer or your employees, your insurance company?

Henry Ford Health System has undertaken a fundamentally different approach to these changes, working to make better health with fewer dollars. Charles Carpenter, the Director of Employer and Payer Relations at the Henry Ford Physician Network will review why healthcare reform is happening, what changes we will see and what other changes we still need.

Join us to learn more.
 RSVP by e-mail to: receptionist@mydoctorsinn.com or call 586-838-5900 by September 20th to reserve a seat, seating is limited. Light refreshments will be served.

Stories about love

There's old love, there's new love, there's happy love, there's blue love. In Grosse Pointe North High School's fall production of "Almost, Maine," magic — and an aurora borealis — is in the air during a cold, winter night in Almost, Maine, as residents of the make-believe town fall in and out of love in the strangest ways.

"The theme, really, of all of (the stories) is love, in various ways," North's director Sean Kifer said of the John Cariani-penned romantic comedy, which is told through 10 individual scenes, like vignettes, all of which end with the occurrence of an aurora borealis, lending magic and mystique to the scenes' final moments.

"We really wanted it to have an impact because it ends every single scene, and it's supposed to be the event that causes the weirdness and the love, whether it's good or bad."

To enhance the borealis's effect, Kifer and

technical director Dan Vicary opted for an all white theme, with white flooring and white furniture against a starry night backdrop. "We thought it would pick up better on white," Kifer said. "We're using a white with also a red effect. Every scene has just one item that's red. It's kind of the item that's the turning point in the love relationship."

Each love relationship plays out over the course of its own 10- to 15-minute scene and involves two characters, three at most.

Having so few actors on stage at any given time not only afforded Kifer more time to work with students on acting skills, character development and other such practices, but also the opportunity to present the play in a more intimate setting, giving students an acting experience like nothing to which they were accustomed.

With "Almost, Maine," the audience watches from on stage rather than in the Grosse Pointe Performing Arts

Center's traditional seats.

"I wanted to do something like this to give the kids a different experience as far as acting in a different type of space besides a proscenium stage," said Kifer, in his first year as director at North. He has directed plays at Parcels Middle School the past eight years.

"It's different in the sense that they're used to acting a certain way on a proscenium stage," he continued. "In this kind of setting, that doesn't work because you're going to turn your back on way too much of the audience. The first couple rehearsals were, they were very uncomfortable with it."

Despite their initial discomforts during the first rehearsals in July, the 12 actors performing have embraced the idea of such an intimate setting.

"I like that we'll get to be a lot closer to the audience, it's almost even more like movie acting in that they'll be able to see a lot more of the nuance in our facial expressions, and we won't need to show our enthusiasm with faces that are slightly over the top," said Pearce

Reickert, a senior.

"The different set-up, when they said that we were doing it on stage with the people on the stage, I was really skeptical and really confused," said Analisa Guido, a senior. "But this is turning out really, really cool."

In 2010, "Almost, Maine" was the most produced play in high school, unseating Shakespeare's "A Midsummer Night's Dream," according to Dramatics Magazine, marking the first time since 1937 a Shakespeare play hadn't made the top spot.

North's opening performance of "Almost, Maine" is at 7:30 p.m. Friday, Sept. 20, with additional shows at 7:30 p.m. Saturday, Sept. 21, and at 3 p.m. Sunday, Sept. 22. All shows are at the Grosse Pointe Performing Arts Center.

Tickets are \$10 for adults and \$7 for students and are available online at gndramaclub.webs.com or at Wild Birds Unlimited, 20381 Mack in Grosse Pointe Woods.

In addition to Kifer and Vicary, PJ Veltri is the lighting coordinator and Sheri Kam the costume designer.

Camp Invention at the Academy

PHOTO BY NORA EZOP

At Camp Invention at the Grosse Pointe Academy, campers work together during one of four modules in the camp's CREATE program.

Incoming first to sixth graders, 75 of them, immersed themselves in a weeklong series of team building, problem solving, environmental awareness and inventing activities in August at Camp Invention at Grosse Pointe Academy.

It was the Academy's first time hosting the camp, the National Inventors Hall of Fame Foundation's nationally acclaimed summer enrichment program created in 1990.

With support from the U.S. Patent and

Trademark Office, the foundation developed the curriculum and design, which is to equip local educators with step-by-step instruction on delivering a hands-on approach in creativity, discovery and invention in science, math, history

and the arts.

At the Academy, 10 faculty members, eight employees from Ford Motor Company, and faculty, alumni and local high school volunteers led campers through each of the four modules in the camp's CREATE program. Modules included: Problem Solving on Planet ZAK, Saving Sludge City, I Can Invent: Launchitude and Geo-Games.

The week's highlights, according to lead teacher Michelle Roberts, were during Saving Sludge City and I Can Invent.

For Saving Sludge City, campers were challenged to reconstruct a city devastated from pollution into a cleaner, more eco-friendly design.

With I Can Invent, a physics-based competition, teams recycled parts from broken appliances to engineer a Duck Chucking Device, which they used to launch international rubber ducks against opposing teams.

"(Camp was a) great success," Roberts said. "(We're) planning running the camp next summer."

dents with special needs, and that has resulted in a positive outcome," said Tom Harwood, superintendent.

Fenton said the district contacted two other companies, ServiCar of Michigan and Safeway. Only ServiCar chose to bid, though its projected prices were about \$40,000 and \$300,000 more than Trinity for athletics and special education, respectively.

Both contracts are for three years.

Policies updated

The board also approved updates and revisions to existing policies 6320, purchasing, and 7542, access to district technology resources from personal communication devices. Policy 6320 relates to the district's purchasing process and federal grant procurements, while 7542 permits anyone with a personal communication device to use the district's wireless network services, as long as it's for school-related business.

"Both of these are recommended by NEOLA, both of these were unanimously recommended by the policy committee," said Dan Roeske, committee chair and board vice president.

All that jazz

Emma Aboukasm, of Grosse Pointe South High School, and Steffi Roche, pictured right, of University Liggett School, were two of six vocalists who participated in the Detroit Jazz Festival's Youth Vocalist Competition Aug. 8, at the Dirty Dog Jazz Cafe.

All six competed for an opportunity to join the three divas — Ursula Walker, Jeannine Course-Miller and Barbara Ware — for a performance at the "Detroit Divas Sing, Sing, Sing" event at the Edsel and Eleanor Ford House two weeks ago, an opportunity awarded to Re'Vana Stanfield, of Detroit School of the Arts.

Others competing included: Alysha Hinton, Detroit School of the Arts; Britney Johnson, Detroit Renaissance High School; and Sonjia Fry, Detroit School of the Arts.

Corrections

Photos used in the article "Gearheads to attend VillageFest" in the Aug. 29 issue of The Grosse Pointe News should have been attributed to Jacob Barry and Grosse Pointe North High School's North Pointe student newspaper.

The article "Oh, the places they almost went" in the Back to School and Fall Sports Preview special section in the Aug. 29 issue of The Grosse Pointe News incorrectly named Claire Morrison's brother. His name is Stephen. Also, Claire Morrison was never accepted into Harvard or Princeton universities, as the article indicates.

4A II | CHURCHES

PASTOR'S CORNER By Roger Skully

The first month of the Jewish year is Nissan, the month in which the Jewish people were redeemed from Egypt, the month in which we celebrate the Passover.

The Torah designates the months by number only, not by name. The month is called the "first of months." Nissan marks the beginning of Jewish history because the Exodus transformed the Jewish people from a family into a nation.

The universal new year, the anniversary of the creation of all human beings, is Rosh Hashanah, which means "beginning or head of the year." It does not fall in the first month of the calendar, but falls in the seventh month, Tishrei. The new Hebrew year is 5774. This year it begins on Sept. 4, 2013. The Hebrew calendar is based on the moon,

rather than the solar calendar that we use. Because of this, the solar dating changes from year to year. The source is found in Leviticus where G-d decrees that in the seventh month there shall be a rest day for you, a remembrance with shofar blasts. (The shofar is an instrument made out of the horn of a ram.) The sound is sharp and very piercing.

Although in our prayers we describe this day as the anniversary of creation, commentaries point out it is more precisely the anniversary of the pinnacle and goal of all creation, the human, Adam. The Mishnah, a code of Jewish law, states that, "on Rosh Hashanah, all the inhabitants of the world pass before like sheep..." The Talmud explains this means every person is judged as an individual.

CHURCH EVENTS

Star of the Sea

Our Lady Star of the Sea parish hosts a "Blue Mass" at 11:30 a.m. Sunday, Sept. 8, for law enforcement personnel, fire fighters, emergency responders and their support staff. Monsignor Gary Smetanka presides at the Mass, which also commemorates the 12th anniversary of the 9-11 tragedy.

Participants, dressed in their uniforms, should meet at 11:15 a.m. in the indoor gathering space to form a procession into the church.

For more information, contact Deacon Bill Jamieson at (313) 884-5554, ext. 212 or at b.jamieson@stargp.org.

St. Paul

St. Paul Lutheran Church's annual rummage sale is from 9 a.m. to 4 p.m. Friday, Sept. 13, and Saturday, Sept. 14, at the church, 375 Lothrop at Chalfonte, Grosse Pointe Farms.

In addition to children and adult clothing, there will be toys, games, sports wear and equipment, linens, electronics and a few antiques. Nearly 80 volunteers organize and staff the event which provides funding to charities both locally and worldwide.

St. Michael's

St. Michael's Episcopal Church, Grosse Pointe Woods, continues its Sunday concert series with a 4 p.m. Sunday, Sept. 8, performance with Eric Essler, saxophonist and pianist.

The series showcases local musicians and supports the efforts of St. Michael's to rebuild the church's Skinner Opus 705 organ.

The organ was rescued from a closed Detroit church in 2008 and restoration efforts began in 2012. It was dismantled and transported to the Muller Organ Company's Ohio facility. To date, the keyboards have been restored and a new console constructed. The wind chests are being dismantled. The restoration project is to be complete by 2015. The concert series proceeds benefit the restoration project.

Other scheduled concerts are Oct. 6 with jazz vocalist Stephanie Hamood; Nov. 3 with the Archaic Revival, a renaissance band; and Dec. 1 with the Men of Grace, a gospel group.

Mary Therese Gilbride

Grosse Pointe Farms resident Mary Therese Gilbride, 87, died Wednesday, Aug. 28, 2013, at Beaumont Hospital, Grosse Pointe.

She was born Aug. 18, 1926, in Detroit, to William A. and Kathryn Donnelly Gilbride, and attended St. Francis de Sales Catholic School, where she formed many enduring, lifelong friendships.

After attending Marygrove College, Ms. Gilbride embarked on a career in the insurance industry and worked for many years for the Lenahan Insurance Agency of Grosse Pointe Woods.

Her family said she was strong willed, but open minded; respectful, but a bit mischievous; witty; charming and endearing. She was a loving aunt to her nephew, William D. Gilbride Jr., and his wife, Susan, and was especially close with her great nieces, Emily, Kathryn and Sarah Gilbride, with whom she spent countless hours simply enjoying their time together.

She also is survived by her sister-in-law, Helen P. Gilbride.

Ms. Gilbride was proud of her Irish lineage, and she and her older brother, the late William D. Gilbride, shared an especially close affinity that brought stories, songs, love, joy and laughter into the family. She enjoyed a deep faith, expressed no regrets and lived a well-fulfilled life which greatly eased her transition into God's hands.

A funeral Mass was celebrated Sept. 3 at St. Paul on the Lake Catholic Church, Grosse Pointe Farms.

Donations may be made to St. Paul on the Lake Catholic Church, 157 Lakeshore, Grosse Pointe Farms, MI 48236 or Hospice-William Beaumont Hospital, Beaumont Foundation, P.O. Box 5802, Troy, MI 48007-5802.

Bill Meldrum

Bill Meldrum, 76, passed away Sunday, Aug. 11, 2013.

He was a proud member of the Belgian-American Association, Belgian American Century Club, Penny Club and the American Legion Post 206 Roose Vanker.

Mr. Meldrum is survived by his children, Bob (Grace), Jim (Linda), Joe (Nancy) and Marty (Patti); grandchildren, Will, James, Michael, Paul, Christopher, Ben, Elizabeth, Amanda, Anna and Andrew; brothers, Bernie (Eileen), Pat and Ken and cherished friend and companion, Diann Myny.

He was predeceased by his parents, Estelle and Bernard Meldrum.

A memorial service was held Aug. 14 at Arthur J. VanLerghe Funeral Home, St. Clair Shores.

Donations may be made to the American Cancer Society at cancer.org.

Mary Kathryn Raynal

Mary Kathryn Raynal, 76, of Lexington Heights, formerly of Grosse Pointe, passed away peacefully Monday, Aug. 26, 2013, at Henry Ford Hospital, Detroit.

She was born May 16, 1937, in Detroit, to Herman and Virginia Reiss. She married Earl Raynal Sr. in February 1958 in Center Line.

Mrs. Raynal was an artist, loved her children and grandchildren and was close to her 15 siblings. She was a registered nurse for 30 years at Cottage Hospital in Grosse Pointe. After receiving a liver transplant in 1998, she retired to her home in Lexington Heights, where she enjoyed the lake and her many friends and neighbors. She touched many lives during her lifetime and had many dear friends.

Mrs. Raynal is survived by her daughter, Michele Raynal of Katy, Texas; son

and daughter-in-law, Earl Jr. and Nancy Raynal of Ann Arbor; daughter and son-in-law, Kathryn and Robert Yonkers of St. Clair Shores; son, Jeffrey Raynal (Shanna) of Katy, Texas; seven grandchildren; sisters, Betty, Janet, Phyllis, Shirley, Carol, Kathleen and Susan; brothers, Jim, Tom and Glenn Reiss and more than 50 nieces and nephews.

She was predeceased by her husband, Earl, who passed away July 22, 2008; her parents; sisters, Rita and Pat, and brothers, Herb, Bill and Joe.

A memorial Mass was held at St. Edward on the Lake Catholic Church in Lakeport.

Donations may be made in her memory to the Henry Ford Health System, designated to the Live Transplant Dept., One Ford Place, Suite 5A, Detroit, MI 48202.

Arnold P. Saviano

Arnold P. Saviano 92, longtime resident of Harbor Springs and Grosse Pointe Woods, passed away Tuesday, Aug. 20, 2013.

He was born Feb. 15, 1921, in Albion, N.Y., to Enrico and Clotilde (nee DePalma) Savaiano and relocated to Detroit with his family in 1927 where he attended Detroit Public Schools and graduated from Southeastern High School in 1938. He attended night school and went to work as a draftsman for the Fisher Body Division of General Motors.

In 1941, he was sent to another division of GM, the North American Aviation Co. in Inglewood, Calif., to assist with the design of the B-25 Bomber. He returned to Detroit in 1942 and worked at the Willow Run Plant in the design and development of high-production manufacturing processes for the B-24 Bomber for World War II.

Following the war, Mr. Saviano worked at several machine tool companies

including Mechanical Engineering Services and Progressive Welding. He married Theresa Pfeiffer July 27, 1946, at St. Margaret Mary Catholic Church in Detroit. They raised their four daughters in Grosse Pointe Woods, where they were active members of Our Lady Star of the Sea Parish. He was also a past member of the Knights of Columbus, and a past member and director of the Grosse Pointe Hunt Club.

Mr. Saviano founded his own company, Saviano Industries, in 1953, in Warren. His company was an early innovator in the use of fiberglass and plastic products for the automotive industry.

In 1960, he designed, built and announced his own automotive vehicle called the SCAT. Several pilot vehicles were manufactured and he eventually sold the design and production rights to another company. He then focused his efforts on the engineering and design of automation and production machinery for automotive and other industries.

Known to his friends as Arnie, he was a good husband, father, grandfather and friend. His family said he was a self-made man with an encyclopedia-like knowledge of facts and stories. He was proud of his Italian heritage and was known to cook meals for many friends. He gave back to his community, mentored many people and left a legacy of friends of all ages.

In 1972, Mr. Saviano built his first home in Harbor Springs and he and his wife moved to the area permanently after his retirement in 1984. He was involved in many civic activities in Harbor Springs, including the Kiwanis for which he was a past president. He was responsible for the design of the city's logo in 1976 and later the city sign on East Main Street. He

designed and built the cupola on the new city hall building, the 50th anniversary time capsule for Kiwanis, and the entrance to the Harbor Springs cemetery.

Mr. Saviano had a lifelong interest in aviation. He became a pilot in 1965 and owned a Piper aircraft for many years. In 1992, Gov. John Engler appointed him to the Michigan Aeronautics Commission, where he served for several years and later helped form the Harbor-Petoskey Area Airport Authority.

He was also a designer and builder of wood models including many model aircraft and cars and most recently he spent several years building a one-tenth scale model of the Gar Wood Miss America X, which was on display for several years in Harbor Springs and is now part of the permanent collection at the Detroit Historical Museum.

Mr. Saviano is survived by his daughters, Linda Saviano, Joyce Backoff (Richard), Nancy Roney (Frank) and Denise Singelyn (Randal) and grandchildren, Jim and Tom Backoff, Katie, Jim and Anne Roney, and Libby, Jane and Peter Singelyn.

He was predeceased by his wife, Theresa, June 23, 1993, and brother, Arthur G. Savaiano, in December 2009.

Visitation will be held at 10 a.m. Friday, Sept. 6, at Holy Childhood of Jesus Catholic Church, 150 West Main St., Harbor Springs, followed by a funeral Mass at 11 a.m. Internment will be next to his wife at the Harbor Springs

Catholic Cemetery. Donations may be made to the Holy Childhood of Jesus Catholic Church, 150 West Main St., Harbor Springs, MI 49740.

Hugh Alden Worcester Jr.

Hugh Alden Worcester Jr., 85, passed away Thursday, Aug. 8, 2013, in Richmond, Va.

He was the son of Hugh Alden Sr. and Kassie Worcester. He graduated from Grosse Pointe High School and earned a degree in architecture from the University of Michigan. He was proud of his service to the United States as a Navy veteran.

Mr. Worcester is survived by his wife, Sheila Parker Worcester of Richmond; daughter, Anne Canvasser of Midland, and son Stephen C. Olson of Glenwood Springs, Colo.

He was predeceased by his sister, Sr. Anne (Helen) Jerome O.P. of Adrian Dominican Home.

A private memorial Mass was celebrated at St. Luke's Anglican Church in Goochland, Va.

PASTOR *Continued from page 4A II*

Because this is the anniversary of our creation, it is the day on which we are evaluated and judged whether we are worthy to have been created and if we merit continued existence. The Jewish new year is therefore not celebrated by parties. It is rather a day of contemplation, prayer and commitment. There is certainly an element of happiness on this day. It celebrates our relationship with G-d as His children and His creations.

Ten days later, on Yom Kippur, the Day of Atonement, we ask forgiveness for all of our sins, both intentional and unintentional. This atonement is only with G-d. Issues with other people must be settled individually with the other person. We ask each person we know if we can have forgiveness for any wrongs we have done during the year.

Wouldn't it be a blessing if the whole world could do this? Perhaps it could end some of the strife and unrest in the world.

May all of us be in-

scribed for a year of life in G-d's "book of life" for a year of prosperity and happiness.

Amen and Amen.

*Congratulations,
Grosse Pointe Woods-Shores Little League!*

We know the importance of teamwork. Our caregivers work together each day to comfort and improve the health of those who are sick. A healthy community is so important to us, and it brings us great joy to see active and strong children.

And so, we congratulate the dedicated players, coaches, and parents of the Grosse Pointe Woods-Shores Little League team on your journey to the Little League World Series.

We watched and cheered as you played your hearts out, as did our patients who were inspired by your perseverance. You are all champions in our book!

Oh, the well-served tales they could tell

By Kathy Ryan
 Staff Writer

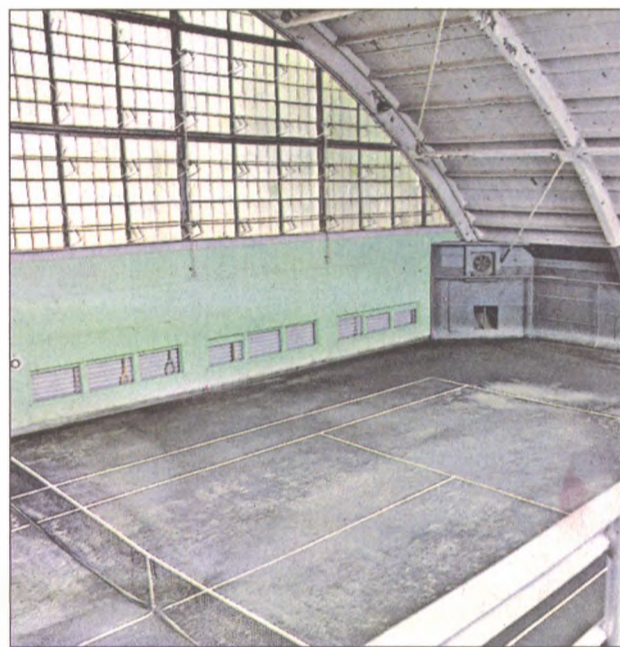

It's that rather odd-looking building, tucked to the back of a wooded site next to Brownell Middle School in Grosse Pointe Farms — it's modern exterior belying an interior steeped in tradition and local history.

The building that has been compared to a glass-walled bell curve is called simply the Tennis House. For three quarters of a century, it has stood as a testament to both a love for the game of tennis and a certain quiet gentility that the Pointes were long known for.

But a major change is coming to the Tennis

House, and if its history as a quiet treasure in Grosse Pointe is any indication, the change will hardly be noticed.

Built in 1936 by members of the Ford family, the Tennis House is a private club that afforded a small roster of family and friends a place to play the game during the winter months, predating the building boom of indoor tennis courts by several decades. It has been owned and supported by the Ford Family Estate for several years, but stewardship of the facility was recently passed to long-time member Gene Kornmeier and his fam-

keep everything as it was, but to run it with a renewed energy."

The Tennis House could serve as a metaphor for club life in Grosse Pointe. Charter members Edsel B. Ford, Wendell Anderson, Arthur Gardner, Ernest Kanzler, Mrs. Wesson Seyburn and Mrs. Allan Shelden, broke ground in 1936 with the first matches being played in 1936. The Tennis House has been operated since as a private club, with membership capped years ago at 100.

But it has been several years since that maximum of 100 could be reached, and the most recent count of members stood at 40.

"The Ford Family Estate began to talk about closing it," Matt Kornmeier explained. "There was discussion as to whether to tear

it down or sell it. But "It's a jewel," said many members wanted Gene's son, Matt Kornmeier. "We plan to

ASK THE EXPERTS By Carolyn Van Dorn

How important is it really?

Q Why do I need my medical information written out?

A We live in a world where everything is in the palm of our hands or loaded on a computer. To those who choose to do it the "old fashioned way," we still jot it down. In an immediate emergency situation, responders need to know what measures to take and if there are pre-existing medical issues. In most cases, they will not be in a

position to search through files on your computer or phone.

It is extremely important for us to have our health information documented. I asked a friend if he had any medical information written down should something happen and he were alone.

"Yes. I wrote it down." Adding his son knows where the information is but not his wife.

"She doesn't want to be bothered and why would she, her health is fine right now, she just takes a lot of vitamins," he said.

Here are two people equally as important, yet only one made the attempt to do it. Sometimes it's the type of work we do

that makes us understand the need, or an incident we experience that makes us realize just how important it is.

I dropped in to see my mother because I could not reach her by phone. When I got there, she was having a diabetic seizure. When EMS arrived I was asked medical questions regarding her health. Some I could answer. Some I could not. To reach for a medical information sheet would have helped greatly.

Whether it is a caregiver, a baby sitter, a person on daily meds or an elderly person, the information we know could help save a life.

I asked another friend

in the medical field the same question.

"I'm healthy. I don't drink. I don't smoke."

"That's great," I said, "but what about allergies, blood type, physician numbers or family contacts?"

"You have a point," he said. "Maybe I will do one. There are a few drugs I am allergic to."

The fact remains we do not prepare ourselves for something until it happens.

Make note of things before an emergency arises. Important medical information applies to all of us, now more than ever. Physicians, medical staff and EMS need to start somewhere and by hav-

ing the information handy and updated regularly gives them what they need to help you.

To print a medical information sheet visit the news and articles tab at nursingunlimitedonline.com.

to keep it, including my father."

Gene Kornmeier discussed the possibility of buying the facility with his sons, Matt and Steve, and all agreed it would be a perfect match for the tennis-loving Kornmeiers. Gene and his wife, Nancy, are regular players during the summer at the Country Club of Detroit and during the winter at the Tennis House.

"Our dealings with the Ford Estate on the sale were very cordial, and could be described as being done on a handshake," said Gene Kornmeier. "It's not just about buying the building, it's about the history."

And what a unique history the building has.

Many people are surprised to learn the club has just one clay court. At one time, according to long-time members George Nicholson and Bill Mackey, reserving that court required both tenacity and a strong dialing finger.

Court reservations had to be made the day before a member wanted to play, but no reservations were taken before 8 a.m. Court times were so in demand members wanting to play would dial the first six digits of The Tennis House's number at 7:59 a.m. and at the stroke of 8 a.m., dial the seventh last digit. Remember, this was way back in the days before cell waiting.

Ladies and mixed double play were allowed Monday through Friday, but not on weekends, when the court was reserved for men. The club, like so many, operated on the assumption women didn't work outside the home so they had plenty of time to play during the week, leaving weekend court time to the men. Nonmembers were allowed to fill in for a doubles match if no members could be found, but only between 1 and 4 p.m.

And while many of the rules for members have

The black and white kitchen reflects the era in which the Tennis House was built.

changed in response to modern times, little about the actual building has changed, with the Kornmeiers promising to preserve the building as its original members planned.

Designed by noted New York architect Gavin Hadden, the building was planned and built with what Gene Kornmeier describes as "the best of the best."

Built of glass and steel with a wood roof, it had the first gas fired steam boiler in the area. The boiler was sized to accommodate a planned second court that was never completed.

Little has been done over the years to alter the interior of the building, and while there will be some fresh paint and some minor repairs, the Kornmeiers will be keeping much of the building in tact. The lobby area has a fireplace and a seating area, and some of the furniture appears to be original pieces. A small kitchen and bar area is off to one side, with the original ice box-style built in refrigerator.

The locker room areas, while updated, have not been modernized. The mens' locker room still features large, wooden lockers, while the ladies locker room, replete with white lockers and a large dressing table. There is also a bathtub, harkening back to the time when women didn't take showers because they didn't want to get their hair wet.

"We'll be keeping that," Matt Kornmeier said with a laugh. "It's part of the charm."

A small apartment is also part of the building. Long-time tennis pro Toby Hansen lived there for several years, and a local young pro is currently in residence. Part of his duties include maintaining the clay court.

The Tennis House is only open during the winter, a tradition the Kornmeiers will continue.

As the restoration

work nears completion, the Kornmeiers are looking forward to a new generation of tennis players carrying on the traditions. They expect the facility to be ready for winter play, and will be welcoming members back with a reception in October.

"We spoke with other members and we just decided it was something we couldn't let go," said Gene Kornmeier. "There is something so unique about this property, we knew we had to preserve it."

A LA ANNIE By Annie Rouleau-Scheriff

Home-grown vegetables add pride to dish

PHOTO BY CHRISTINE ROULEAU MACCIO

Fresh green beans, tomatoes, mushrooms and herbs bring more to the table than a side dish.

Home gardens are at their peak and cooking up the vegetables from your own backyard brings a certain pride to the table.

This week I paired tomatoes from my garden with fresh green beans and mushrooms. A simple skillet side dish to serve with any entree. I finished the beans with fresh snipped and chopped chives. However, parsley, basil or just about any fresh herb will do.

Summer Green Beans with Tomatoes and Mushrooms

- 1 ½ lb. fresh green beans, trimmed
- 1 tablespoon olive oil, plus more as needed
- 2 to 3 cups sliced fresh mushrooms (12 to 16 oz.)
- 1 lb. plum tomatoes, halved and quartered
- ¼ cup chopped fresh chives (or other fresh herb)
- garlic salt and pepper to taste

Bring a pot of slightly salted water to a boil. Add green beans and cook until almost tender. Drain and set beans aside.

Heat oil in a skillet or a wok to medium heat. Add mushrooms and saute until

tender. Add tomatoes and season with a bit of garlic salt and pepper. Cook for just a few minutes, then add green beans and raise heat to medium high.

Drizzle some more olive oil over beans and toss and cook for another 7 minutes or so. Season again with garlic salt and pepper. (Always taste for seasoning as you go.) Just before serving, toss in the fresh chopped chives.

Garlic lovers can add fresh garlic when you add tomatoes. Garlic haters can season with regular salt.

Final cooking time will depend on how well you like your green beans cooked.

North throttles Lakeview, 35-0

By Bob St. John
Sports Editor

Grosse Pointe North's football team was impressive in its season-opening 35-0 win over host St. Clair Shores Lakeview last week.

"We played well on both sides of the ball," head coach Frank Sumbera said. "We had some great games by our skilled players and the defense came up with a couple of key stops to help in the win."

The Norsemen broke open a close game by scoring 21 points in the second quarter. They build a 28-0 halftime lead and cruised for a second straight season over an overmatched Lakeview squad.

In the opening quarter, junior quarterback Dan Robinson tossed a 19-yard touchdown pass to senior fullback Martice Dunlap. Senior Brad Centala kicked the extra point to make it 7-0 Norsemen.

The Huskies had a chance to get on the board in the second quarter. They used a 19-play drive to get into the Norsemen's red zone, but a 32-yard field goal try went under the crossbar.

The Norsemen scored on the ensuing possession as Lawrence Bryant

capped the 80-yard, six-play drive with a 4-yard touchdown run. Centala kicked his second PAT, making it 14-0.

On the drive, senior running back Tod Long gained 42 yards on three carries and Robinson connected with senior wide receiver Sal Ciaravino for a 38-yard gain.

Long scored on a 35-yard run with 2:48 remaining in the second quarter and Centala's PAT made it 21-0, and the back-breaker came on

the Huskies' next possession. Ciaravino intercepted a pass and returned it 60 yards for a touchdown. The extra point pushed the lead to 28 points and took the wind out of the Huskies' sails.

Another long pass from Robinson to Ciaravino helped set up the Norsemen's final touchdown. Long capped the drive with a 4-yard run to make it a 35-0 lead with 7:43 left in the third quarter.

The Huskies had one

final potential scoring drive that stalled inside the Norsemen's 5-yard line. With only seconds remaining, the Huskies fumbled and David Gerlach recovered, ending the game and giving the Norsemen's defense the shutout.

The defense forced three turnovers and limited the Huskies' offense to several three-and-outs.

Offensively, Long rushed for 144 yards on 18 carries with two touchdowns, while Bryant had five carries for 38 yards

with one touchdown. Robinson completed 6-of-12 passes for 125 yards with one touchdown and one interception, and the leading receiver was Ciaravino with four catches for 90 yards.

Grosse Pointe North is 1-0 overall.

Coming up for the

Norsemen is their Macomb Area Conference Blue Division opener at 7 p.m., Friday, Sept. 6, at L'Anse Creuse.

"We're back on the road for the division opener, so we have to get off to a good start," Sumbera said. "We need to play well to win and get off to a good start."

GROSSE POINTE SOUTH

South falls to U-D

By Fletcher Sharpe
Special Writer

In what looked to be a clash of two up-and-coming teams, the outcome ended in a thrashing as the Grosse Pointe South Blue Devils were run down by the U-D Jesuit Cubs 24-7.

The Blue Devils' big break came when junior quarterback Ryan Liagre rolled right and heaved a pass downfield. It looked to be intercepted by Cubs' defensive back Dillon Dixon, but the ball bounced off his hands and into the waiting hands of junior wide receiver Brian Blanzly, who plucked the ball out of the air and ran down to the 1-yard line before being dragged down.

Three plays later, Liagre dove into the middle of the Cubs' defense and looked to come up short, but both line officials signaled a touchdown to make it 7-0 Blue Devils.

Cubs' Nick Wicker dropped a key pass that could have extended a drive before punter Liam Lynch poorly handled a snap that ended up being downed deep in Jesuit territory.

However, South was only able to try a field goal, which missed.

Early on, it seemed that the game would go to South as no matter what U-D did well, it immediately did something bad to counteract it. Case in

South's Sam Hunter breaks a tackle during a run in the Blue Devils' home opening loss to U-D Jesuit.

point was when they forced a punt deep in South territory right before roughing South's punter Sam Blanzly and giving them the ball right back.

The second half was a different story for the Cubs as junior quarterback Ryan Bland led the come back by throwing and running to the team's first score.

He first threw a 32-yard completion to Parris Bennett into the red zone before Dan Bully punched it in for a touchdown to tie the game.

Things got worse for South as soon after Liagre was intercepted by Sheldon Doss, who returned it for a touchdown before a block in the back call brought the ball back to the 19.

On the ensuing play, Brand rolled left and found Lynch wide open in the end zone to take the lead in the third quarter.

South botched the

ensuing kickoff as Jesuit's Patrick Dery jumped on the loose ball at South's 30-yard line. It led to a Thomas Forrester field goal to extend the lead to 10.

The Cubs salted the game away late in the fourth quarter as Kelechi Duru muscled in from 8 yards out on a fourth down play to make the score 24-7 and totally take the wind out of the Blue Devils' sail.

Liagre finished 6-of-13 for 82 yards with an interception and a rushing toucheown, while being sacked 4 times.

Junior running back Sam Hunter finished with 14 carries for 41 yards, and Blanzly finished with two catches for 70 yards.

Grosse Pointe South dropped to 0-1 overall.

Next for the Blue Devils is their Macomb Area Conference Blue Division opener at 7 p.m. Friday, Sept. 6, at L'Anse Creuse North.

Knights play tough, but fall to Shrine

By Bob St. John
Sports Editor

Despite opening the season with a loss, University Liggett's football team won a moral victory last week in a 14-6 loss to a very good Royal Oak Shrine squad.

"We were worried about this game since we're a rebuilding program and Shrine is very experienced," head coach Dan Cimini said. "I'm proud of our guys. They hung tough and were in position to win this game."

"It's not fun losing, but I think we came away from the game with a good feeling about the character of my players."

Shrine scored on a 26-yard pass midway through the first quarter and made the extra point to take a 7-0 lead.

Tommy Jackson got the Knights right back in the game, returning the ensuing kickoff 85 yards for a touchdown. The extra point was missed, but it was a 7-6 game.

The Knights' defense got the home crowd into the game late in the second half, stuffing Shrine's offense on three straight plays from the 1-yard line.

"Keeping Shrine out of the end zone late in the half was huge for us," Cimini said. "That was a great goal line stand."

Shrine scored the final touchdown on its first possession of the third quarter.

The Knights had a couple of chances to get points in the second half, but a turnover and incom-

plete pass let Shrine's defense off the hook.

For the game, Jackson had 70 yards rushing and Darryl Lewis had 60 yards rushing. Wide receiver Lordanthony Grisson added two receptions for 28 yards in his football debut.

Defensively, Antonio Malkoun had 10 tackles

and a quarterback sack, and Caleb Stokes added six tackles and returned an interception 59 yards in the third quarter.

Liggett is 0-1 overall and prepares for game No. 2, a road contest at 7 p.m. Friday, Sept. 6, against Montrose Hill-McCloy at Saginaw Valley State University.

GROSSE POINTE NORTH

Norsemen run well at Oakland

By Bob St. John
Sports Editor

The Grosse Pointe North girls' cross country team officially opened the 2013 season last week, beating Warren Mott 20-38.

Mott is coached by a former teammate of North head coach Scott Cooper, Mark Urquhart.

The Norsemen's top finishers were Julia Rustmann, Katelyn Carney, Natalie Schaefer, Maddie Gafa, Maddy Denison, Audrey Kam, Quinn Pangborn, Keri Hryciuk, Maria Fisher, Cate Troost, Sarah Cherry and Marie Bourke.

"Carney and Schaefer led for most of the race until the final mile when Julia Rustmann took over and ran away with the race," Cooper said. "Maddie Denison is showing great promise already as she has already beaten her top performance from last season."

"It also great to see

another senior, Maddie Gafa, rising to the top of the roster through a lot of hard work."

Last weekend, North competed in the Oakland University Invitational, placing three points (123 - 126) out of third place in the 21-team field of talented schools.

It was a hot and humid day that made times slower and efforts painful.

The Norsemen's top runners were Sarah Rustmann, Carney, Schaefer, Julia Rustmann, Alaina Streberger, Hryciuk and Denison.

"Sarah Rustmann had been out with an injury and had yet to race for us," Cooper said. "She was just getting back into stride in practice so I was not expecting a huge race from her today. But a huge race is what she turned in. She was a lone Norseman earning a medal."

"Our top group looks very strong, led by three seniors, Rustmann

squared and Schaefer. Add to that the great young talent of Carney and we have a terrific four up front. Our fifth, and final scoring position, is in good shape as well with several talented runners fighting for that spot.

"Schaefer has shown great leadership skills on this team as captain. One day at practice during the

very first week in our stretching circle, I asked Nat if she could name all 63 of her teammates. She turned and pointed at each one without a pause and rattled off all their names without making a single error or even pausing to think. She earned a lot of respect that day from her coaches and 63 young admirers."

For the boys, they also competed in the Golden Grizzly Invitational at Oakland University. This meet featured some of the best teams in the state.

The Norsemen finished 17th of 25 teams and the top finishers were Connor Sickmiller (17:42), Daniel Brady (18:56), Joe Ciaravino, Alex Brady and Pearce Reickert.

"We have some work to do yet, obviously, as I was hoping to finish higher up in the team scoring," head coach Diane Montgomery said. "Having a relatively young team (two out of three of the top finishers for us were injured for at least 1/2 the season last year and the third is new to CC all together), I think we will see vast improvement over the course of the season. I'm still very optimistic about our chances in the division and the region."

RIVALS

South gets past North

By Bob St. John
Sports Editor

In the first of two meetings this season, Grosse Pointe South beat rival Grosse Pointe North 1-0 last week.

"We have some work to do, but overall it was a nice win," South head coach Millie Tompkins said. "It was two hot days and everyone played hard, communicated and had better anticipation."

"It was definitely a good opening week."

The host Blue Devils grabbed the 1-0 lead when senior Samantha Schervish tallied at the 20:51 mark of the first half.

They scored another goal late in the first half, but was disallowed, and they had another goal in the second half which was disallowed.

Brittany Paquette, making her North head-coaching debut, watched her Norsemen get outplayed in the opening half.

After making some adjustments, it was the Norsemen who dominated the second half. They had several outstanding scoring chances, including three in a row in the latter stages of the game, but Blue Devils senior goalie Sydney Calhoun made the saves.

"I made sure I kept track of the ball and I was able to get in front of the ball," Calhoun said.

Those saves were the key to the Blue Devils preserving the one-goal

advantage. It could have easily been a 1-1 ending.

"For what time we had to prepare, I think the girls played well and did an exceptional job, especially in the second half, of playing together, as a team, and work the ball up the field, as a team," Paquette said. "One person can't do it all and that's a concept they fully understand and respect about the game."

It was the season-opener for North, but South played the night before, beating host Dearborn 3-1.

Senior Bridgette Champagne had two goals and Schervish added one as the Blue Devils outplayed the host team on a hot, muggy, rainy night.

Grosse Pointe South is 2-0 overall, while Grosse Pointe North is 0-1.

For South's junior varsity, it beat Dearborn 3-0 as Allyson Hartz, Caitlin Cunnane and Maddie DesNoyer scored.

Less than 16 hours later, South crushed North 8-0, scoring seven first-half goals with Hartz scoring the first goal.

DesNoyer scored the Blue Devils' second goal, followed by Leigh Farquhar, Emma St. John, Cunnane, Ryley Kerik and Farquhar.

Leading the goalies were Madi Thomas and Christina Ambrozy.

South's freshman team opened its season with a scoreless tie with Dearborn, helping the Blue Devils' three field hockey teams start the season 4-0-1 overall.

Teams play well in invite

By Bob St. John
Sports Editor

Grosse Pointe North and Grosse Pointe South girls' volleyball teams competed in last weekend's Temperance Bedford Tournament.

The Norsemen, under head coach Kim Lockhart, lost in the finals of the Silver Bracket, while the Blue Devils, under head coach Kevin Nugent, lost in the semifinals of the Gold Bracket.

Nugent's squad split its pool games, beating Monroe 22-25, 25-14, 25-11, and lost 25-19, 22-25, 25-12 to Mount Morris.

The Blue Devils beat Adrian 27-26, 25-19 to advance to the Gold Bracket and earn a No. 5 seed.

They beat Davison 25-23, 17-25, 15-12 in the quarterfinals, but lost 25-17, 19-25, 15-10 to host Bedford in the semi-

finals. Bedford made it to the Class A state championship last season, but lost to Macomb Dakota.

"I saw the girls really dig deep against Bedford and they weren't intimidated at all," Nugent said. "We were a little disappointed in the first game, jumping out to a 15-10 lead, but overall the girls showed a lot of character."

"The girls played at a tremendous level on a hot, muggy day."

Leading the Blue Devils were Carina Bertakis, setting; Izzy Murphy, hitting; jump serving; Sydney Srebernak, serving; Kayli Johnson, libero; Hannah Adams, serving and all-around play; and Lexi Kohut, hitting.

South is 9-3 overall. As for North, it lost to Livonia Ladywood in the Silver Bracket championship match.

Statistical leaders for the Norsemen in the tournament were Christa

Raicevich with 45 kills and 52 digs; Vita Aluia with 39 digs; Colleen Reveley with 110 assists and 5 aces; Katie Roy with 5 aces and 47 digs; Maddy Bessert with 25 kills; and Caitlin Gaitley with 24 kills.

In other action the first two weeks, the Norsemen played in the Dakota Invitational and MAC Kickoff.

In the Dakota Invitational, the Norsemen once again made it to the Silver Bracket championship match before losing to Birmingham Seaholm.

Against the MAC Kickoff competition, they came in first in pool play and power pool, but lost in the quarterfinals to Armada.

North is 7-8-3 overall. Coming up for both North and South is the Titans Invitational Saturday, Sept. 7.

"It will be another good chance for us to see some

of the teams will be compete against in the MAC this season," Nugent said. "It will be a good test for us before we begin our division schedule."

Liggett

The University Liggett girls' volleyball team was off last week, but practiced every day.

"We have work to do after playing our first tournament and this was a good week to get a lot done since the girls were still on summer vacation," head coach Joe LaMagna said.

Coming up for the Knights are home matches Thursday, Sept. 12, against St. Clair Shores Lake Shore, and Thursday, Sept. 19, against Southfield Christian in their Michigan Independent Athletic Conference opener.

It is the MIAC opener for both squads.

The University Liggett girls' field hockey team is off to a flying start after crushing West Bloomfield 7-0 last week.

Ania Dow led the way with three goals for the host Knights. Other scorers were Megan DesMadryl, Pasha Vrekeen and Jane Ninivaggi.

Two days later, the host Knights beat Farmington 5-3 as Dow once again led the offensive charge with two goals.

"The girls had a nice start to the year with two nice wins," head coach

Tamara Fobare said. "The seniors are really leading the way and I like the way our younger girls are playing, too."

Maranda Saigh, DesMadryl and Ellie Withers also scored the Knights on a hot, humid Thursday afternoon.

"All the girls played well and played a lot," Fobare said. "It's so hot that it is important to give the girls water breaks. It's important early in the season that the girls are ready to play."

Liggett improved to 2-0 overall and in the Michigan High School Field Hockey Association Division 2 standings.

North, South playing well

The Grosse Pointe North girls' golf team improved to 2-0 last week, beating Utica Ford 207-230 at Lochmoor Country Club.

The Norsemen were led by Jordyn Parent, who was the medalist with a 46. Madison Vens shot a 49 and other scor-

ers were Liz Gallagher and Leslie Paglino.

The Grosse Pointe South girls' golf team placed fourth out of 23 squads in last week's Kelly Girls Tournament in Frankenmuth.

Knights move to 4-0

By Bob St. John

So far it's been a smooth transition into the 2013 season for head coach Drew Mascarin and the Liggett boys' tennis team.

After losing several key players to graduation, Mascarin moved some players up in the lineup and those guys have responded with solid matches.

Last week, the Knights improved to 4-0 with wins over Almont, 7-0, and Grand Rapids NorthPointe Christian 6-2.

They were scheduled to play in the Portland Tournament, but rains forced the teams to play matches instead.

"It worked out to where our boys were still able to play a couple of matches before heading home," Mascarin said. "The com-

petition was good and that is what we wanted. I liked what I saw from our boys."

Against Almont, the winners were seniors Patrick Diaz, No. 2 singles, and Steven Kneiser, No. 3 singles, and junior Jeffrey Shell, No. 4 singles.

The Knights' doubles team also won their matches.

Seniors Neil Sekhon and James Jurcak were at

No. 1, followed by senior Alan Jurcak and junior August Bonacci at No. 2, sophomore Jack Ninivaggi and junior Alex Dow at No. 3, and freshmen Jackson Benning and Davey Sekhon at No. 4.

Diaz, Kneiser and Shell won their singles matches, while Alan Jurcak and Bonacci, Ninivaggi and Dow, and Benning and Davey Sekhon were victorious.

Blue Devils split matches

The Grosse Pointe South boys' tennis team began its season with one of its toughest assignments, the Ann Arbor Tournament.

Two of the teams competing, host Huron and Midland Dow, won the Division 1 and Division 2 state titles in 2012, and other good squads competed.

Leading the way for the Blue Devils was No. 1 singles player Nicholas Paolucci, who won the flight championship. He was impressive in the tournament, beating sev-

eral outstanding players. "He worked hard in the offseason to be prepared for this tough competition and it paid off," head coach John Willard said.

The Blue Devils' other singles players were Isaac Piecuch, No. 2; Patrick Willard, No. 3; and Doug Kubek, No. 4.

At No. 1 doubles were Victor Flynn and Will Norris, while Stephen Van Walleghem and Michael Schaller played No. 2 doubles.

Playing No. 3 doubles were Brendan Clune and Nick Costakis, and Brian L'Heureux and Tomas Garberding played No. 4 doubles.

The Blue Devils were without Colden Gosselin, who is injured, and Geron Gosselin is also a member of the varsity squad.

In dual matches last week, South beat Grosse Ile 7-1 and lost 7-1 to Huron.

Against Grosse Ile, Paolucci, Willard and Kubek won their singles matches and all four doubles squads were victorious.

Flynn and Norris were at No. 1, while Van Walleghem and Schaller were at No. 2. Clune and Costakis played No. 3 doubles and L'Heureux and Garberding played at No. 4.

In the Huron match, Kubek won his No. 4 singles match to earn the Blue Devils' only point.

Grosse Pointe South is 1-1 overall.

Adante Provenzano and Trevor Jones led the attack with two goals apiece, while Andrew Lohman, Anthony Simon, Noah LaMagno, Adam Fiema, Christian deRuiter and Warren Purvin had a goal apiece.

The Knights improved to 1-0 overall and prepare to host Bloomfield Hills Roeper at 4 p.m. Friday, Sept. 6. Saginaw Valley Lutheran faces North Muskegon game two.

Norsemen beat Tars

By Bob St. John
Sports Editor

After playing a disastrous game against Utica, the Grosse Pointe North boys' soccer team redeemed itself last week, beating host Anchor Bay 2-1.

"We did the things it takes to win games, play better defense and get offensive pressure, which we did tonight," head coach Skipper Mukhtar said. "This was a nice win tonight."

Don Robertson scored

to give the Norsemen a 1-0 lead and Maxwell Murray tallied midway through the first half to make it a 2-0 game at the half.

The Norsemen had two other golden chances to score, but Tars' defenders who stepped into the spot vacated by the goalie trying to grab the ball made two kicksaves.

Those improbable saves turned out to be huge because the Norsemen could have gone into the half with a 4-0 advantage.

Anchor Bay scored with 9:30 and nearly added a tying goal on four separate occasions, but Norsemen goalkeeper Nathan Steinkampf came up with huge saves to preserve the lead.

Even in the final minute, Steinkampf had to make point-blank saves.

"Nathan is a very good goalie and he made some key saves tonight," Mukhtar said.

With the win, Grosse Pointe North improved to 2-1 overall.

Blue Devils improve

By Bob St. John
Sports Editor

It's early and head coach Stefan Harris isn't pushing the panic button after his Grosse Pointe South boys' soccer team fell to 0-4 last week.

"We have played some decent soccer against three good MAC Red teams, Dakota, Eisenhower and Stevenson, and played a

very good DeLaSalle team," Harris said. "We played better with each game and I think we're ready to start division play."

Last week, the Blue Devils lost 4-1 to DeLaSalle and the following night fell 4-2 to Sterling Heights Stevenson.

They trailed host Stevenson 2-0 before tying it on goals by Cam

Kotas and Brian Meadow. The Titans were able to score the final two goals to win the game.

"The guys played a good game and just fell short against Stevenson," Harris said. "I like the attitude and we will get back to our winning ways."

Grosse Pointe South hosts Romeo in a division game at 7:30 p.m. Friday, Sept. 6.
