Tai Chi moves to fall session

GROSSE SHORES — On the standup circuit in the Chinese equivalent of the borscht belt, a one-liner that elicits a giggle is comparing jiu-jitsu to someone folding your clothes while you're still wearing them. Pa-dum.

If good humor requires a ring of truth, and akido is origami with people, then it's both serious and true that tai chi is considered moving meditation.

Hill racing auction tops \$1 million over 10 years

Eleven years ago, Ed Russell was at the Indianapolis 500 rooting for a team co-owned by his friend, Robbie Buhl.

As with 250,000 fans ringing the 2 1/2-mile track, Russell was fired up by the allure of racing.

Coming home to Grosse Pointe Farms that day, Russell and fellow members of the business community hatched the idea of organizing a racing-oriented street fair on the Hill to support a charity to raise money for children's hospitals and pediatric wards.

Then we made it a little more pop formatted."

Temrowski described their demographic as 18to 25-year-olds, with college and high school students the bulk of their biggest fans. The music also has wide appeal, from middle school kids to adults in their 30s and 40s, he said.

OUR VIEW

Another strong start

It's that time of year.

The air is getting cooler, trees are losing their green, summer vacations have come to an end.

And young people are filling classrooms once again.

The Grosse Pointe Public School System opened its doors to students Sept. 6, with a projected enrollment of 7,995 this school year. And it has an exciting school year in store.

Just this fall, plenty of crowd pleasers are planned, kicking off with the North-South Tailgate 5 to 7 p.m. Friday, Sept. 23, this year hosted by Grosse Pointe North High School, 707 Vernier, Grosse Pointe Woods. The school's parking lot will be brimming with school spirit prior to its 7 p.m. varsity football game against Grosse Pointe South High School.

The event, hosted by the Grosse Pointe Chamber of Commerce, is in its seventh year and is a celebration of community spirit.

"The tailgate is a community effort of students, parents, school administration, volunteers, local businesses, organizations and fans coming together to support their favorite football team and show their spirit as OneGP," said Jennifer Boettcher, executive director of the chamber.

Pure Grosse Pointe

Grosse Pointe Woods Lake Front Park pool was open its last day until 8 p.m., but Eve Rahi and her brother, Max, took advantage early in the day before the crowds arrived for summer's last swim.

I SAY By Mary Anne Brush One family's quest for meaning while skipping the church part

I don't go to church.

It's not an easy thing to admit in this community. When we first moved here 18 years ago, people would ask us what church we belonged to. "Oh, we're still looking," we said. That grew old after a few years. Our son even lied about it when he was 10 or so, telling a friend's dad we went to St. Paul's. "St. Paul's?" I said. "But that's

Catholic!" "He asked," he said. "I didn't

know what else to say."

"But we're not Catholic!" You'd think I'd be more upset about the herself could participate in the cerlying part. "What are we?" he asked. It's a fair question. I say we're Christian. What I mean is, that's how my husband and I were brought up: in the Christian faith. I grew up Protestant and he was raised Catholic, though his mother grew disillusioned with the church and he was never confirmed. My mother was the proud daughter of a Presbyterian minister and my parents were pillars of their Congregational church for over half a century. I attended that church most Sundays growing up and sang in the choir through high school. My husband and I were married there and after our oldest child was born. I called the minister who married us and asked if she would perform the baptism. The

OK, I'll just come out and say it. Rev. Good (yes, that was her name) asked if we belonged to a church in Baltimore, where we lived at the time.

> "Um, no," I confessed. (We're still ooking?)

She explained she preferred to baptize children when there was a commitment from the parents to raise them in that religion. Baptisms, she feared, were becoming an excuse to dress up a baby in a pretty christening gown and throw a party. She recommended older, perhaps 10 or 11, when she

In case you're getting the impression our children were confused, let me explain they went to the Christian-based Grosse Pointe Academy through eighth grade. They attended Monday morning chapel services and took Christian life class, learning not just about Christianity, but world religions. When my son was in first grade or so, his Christian life teacher commented on how well he knew his Bible. I didn't bother to mention this was because my mother gave waiting until our daughter was a copy of "A Child's Bible" to each of her grandchildren. He kept it on his bedside table and often read it before falling asleep. "They're good stories," he said. Regardless of our lack of weekly attendance at religious services, I think we've raised our children to be good people. There are many ways to do this and it may include going to church — or temple or mosque or synagogue - and it may not. The needle on a moral compass has a strong pull regardless of its source. My younger daughter, with a child's wisdom, once asked why people do good things to get into heaven. Shouldn't they do good things because it's the right thing to do, even if there is no heaven? Amen to that.

A week later, Friday, Sept. 30, North plays its homecoming game against Romeo High School. Its homecoming dance is Saturday, Oct. 1. South hosts its homecoming game against Anchor Bay Friday, Oct. 7, followed by its dance Saturday, Oct. 8.

GPPSS hosts its district open house 1 to 3 p.m. Sunday, Nov. 13, opening all of its schools and offering potential new residents, alumni, residents who don't have students in school and others a chance to explore its buildings.

Election Day, Nov. 8, will be here before we know it. Nine candidates are up for four seats on the GPPSS Board of Education. To help prepare voters, the League of Women Voters of Grosse Pointe has scheduled a school board candidate forum 7 to 9 p.m. Thursday, Oct. 13, in the library at Grosse Pointe South, 11 Grosse Pointe Blvd., Grosse Pointe Farms. The forum will be filmed and links will be available on the League of Women Voters website and Facebook page.

These fun and informational events are second to the district's primary goal of educating our children. With cutting-edge classes, teachers and offerings, it's sure to be another successful school year in Grosse Pointe. Here's to #OneGP.

emony. It would give it more meaning, she said.

My mother never forgave her. Rev. Good later moved to Africa to help relieve suffering and offer salvation. Good riddance, my mother said.

So what are we as a family? I still say we're Christian, with or without church. It's our culture and our heritage. Yet it doesn't completely define or confine our individual beliefs.

"Daddy doesn't believe in Jesus," our younger daughter announced at dinner one night when she was little.

"I believe in Jesus," he replied. "I just don't believe he was our Savior."

She brightened up. "Oh I know we're Jewish!" she said.

football team opened its division schedule in style last week, blasting L'Anse Creuse 55-13.

"The boys really played a great football game on both sides of the ball," head coach Frank Sumbera said. "It was nice to start division play with a win since we head on the road to play a couple of tough ones."

The Norsemen started with a bang as junior quarterback Bjorn Bjornson threw a perfect pass to junior wide receiver Pete Ciaravino, who raced 61 yards for the touchdown. Senior George Brophy kicked the extra point and it was 7-0 one play into the game.

Senior Dillon Webb's quarterback sack on the Lancers' first possession forced a punt.

On the ensuing possession, Bjornson and Ciaravino connected again, this time for 15 yards for a touchdown. Brophy's extra point made it 14-0 midway through the first quarter. A 59-yard scoring pass put the Lancers right back in the game, but

The Norsemen defense stepped up again and forced a three-and-out, giving the offense another opportunity to add to the lead.

Starting on their 36-yard line, the Norsemen had a big pass play to Ciaravino and a pass interference penalty to put the ball at the Lancers' 28-yard line. On the next play, Bjornson threw his fourth touchdown pass of the game, hitting senior running back Jared Jordan, who raced down the sidelines for the score with only 23.2 left in the first half. Brophy kicked the PAT

and it was 28-7 at the half.

The Norsemen went to the ground in the second half as Jordan scored on runs of 46 and 14 yards to finish his night with 22 carries for 258 yards and two more touchdowns. It is the second straight game Jordan has broken the 200-yard barrier on the ground.

The Lancers scored their second touchdown on a 65-yard pass.

back to the ground, but a penalty was not called and the receiver caught the ball and ran to the end zone for the TD.

Senior Caleb Powers scored on a 34-yard run with 4:27 left in the third quarter, but the PAT was short, giving the Norsemen a 48-13 lead.

The offense got the ball back and this time it was junior Darrick Hollowell who rushed seven straight times. His final carry covered two yards and ended in a touchdown. Brophy's extra point made it 55-13 and that was the game. Junior Jaylin Ford had

Bjornson finished 9-of-13 for 181 yards on the four touchdowns.

Defensively, Webb had a couple of quarterback sacks, while senior Ryan Mazzola had a first-half interception.

Grosse Pointe North is 1-0 in the Macomb Area Conference Blue Division and 2-0 overall. Next is a MAC crossover at 7 p.m. Friday, Sept. 9, at defending Division 1 state champion Romeo.

Blue Devils beat Huskies

Grosse Pointe South boys' soccer team earned a 4-2 victory over St. **Clair Shores Lakeview** last weekend.

"I like to make my schedule tougher in the beginning so I can see our team's weaknesses and how we deal with them," beamed South head coach Francesco Cilano.

The Blue Devils showed their strength by staying on top of the Huskies for the entire first half.

South started early with senior forward Morgan Clevenger applying pressure with a few crosses into the Lakeview box from the controlled the ball so right side.

The eventual pressure paid off when junior forward Peter Buhl received a long through ball in the 14th minute, which he played off his chest, and senior Ryan Kotas ran to it and powered it past the keeper to make it 1-0.

Seven minutes later, South's pressure forced another goal when senior defender William Muawad collected a long rebound off a corner kick and let it fly from 25 yards out to double the lead over Lakeview.

The Blue Devils capped off their first half outburst with a Clevenger cross from the left which fell to sophomore Humza Mohsin, who half volleyed it into the net to make it 3-0.

Peter Buhl added a fourth goal in the second half (44th minute) before Lakeview grabbed one back courtesy of Simon Minors.

Lakeview scored one more right before the game ended on a controversial penalty kick decision on defensive captain Anthony Fraser (junior).

"It was a beautiful game." said Cilano. "It was my first time using this new formation, and it worked out well."

When asked how they well in the first half, Cilano praised his forwards, "I ask my forwards to pressure the defenders to make them throw long English style passes down the field, so we can play it to each other up the middle.

"The effort was there. We just need to keep it up for the entire game, but the effort was definitely there.'

Grosse Pointe South improved to 1-1 in the Macomb Area Conference White Division and 2-5 overall.

It wasn't pretty, but a win is a win when it comes to making the state playoffs.

University Liggett's football team hosted Detroit Cesar Chavez Academy in a non-league game last week and came away with a wild 51-34 victory.

Both defenses were shredded for major yards and points. The final score looked more like a basketball game.

Senior Tre Caine set the tone for the game when he nearly returned the opening kickoff for a touchdown. He was tackled at the Aztec Eagles' 16-yard line.

On the second offensive snap, senior quarter-

down pass to Caine, plus kicked the extra point to make it 7-0 just 75 seconds into the game.

The visitors connected on a 27-yard touchdown pass and added the twopoint conversion to give them an 8-7 lead midway through the first quarter.

The Knights used nine plays to score on the ensuing possession. McCarron completed two passes to his brother, sophomore Brady McCarron, on the drive, which ended on Connor McCarron's 1-yard QB sneak. Connor McCarron hit Caine for the twopoint conversion pass, giving the Knights a 15-8 lead.

The University Liggett boys' soccer team won its home opener last blanking week, **Rochester Hills Lutheran** Northwest 6-0.

"It was a solid effort all the way around," head coach David Dwaihy said. "We came out fast and dominated the game even though it took us a little bit to score. The boys were able to generate a lot of scoring chances."

Christian deRuiter had a big day, scoring three goals and adding two assists.

Brandon Johnston had two goals and Nolan Ondersma scored one goal off an assist from George Thanasas.

The big game was later in the week when Liggett traveled to Allen Park to take on Inter-City Baptist.

"It's a big league game and I'm sure they will be fired up to play us since we beat them at their place last year," Dwaihy said. "It will be a tough game and we need to play well to win."

It took overtime, but in the end Liggett won 1-0 to improve to 3-0 in the Michigan Independent Athletic Conference.

Gap year broadens student horizons

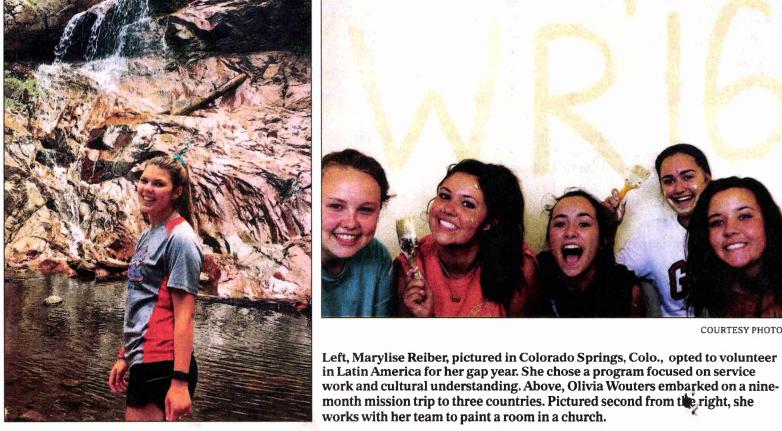

By Mary Anne Brush Staff Writer

While many high school graduates across the country are getting to know their college campuses, settling into dorm rooms and starting classes, others are exploring a different route known as a gap year.

A gap year is a period, typically an academic year, taken by a student as a break between secondary school and higher education. It might include travel, work, study, volunteering or research. Long popular in Europe — with more than 50 percent of students in Norway, Denmark and Turkey taking a year off before college, according to the American Gap Association - it's beginthe United States.

Kindergartners get creative on first day

It was all smiles in Ann Marie Smihal's kindergarten class the first day school Tuesday, Sept.

6, at Maire Elementary School. Students hung their backpacks in their cubbies and put away supplies before finding seats at their tables.

Each table contained items such as disks, chain links, beads or miniature bears. The children's task was to create something using their imaginations. The kindergartners also began their day selecting books to read from the reading pond.

Flexible seating enhances learning at Monteith

By Mary Anne Brush Staff Writer

Second- and thirdgraders at Monteith Elementary School arrived for the first day of school Tuesday, Sept. 6, to transformed classrooms. Rather than traditional desks with metal chairs, the classrooms are filled with a variety of seating choices.

Known as flexible seating, this new trend in elementary schools is exactly what it sounds like. With different configurations in the six classrooms of stability balls, lap seats, scoop rockers, carpet or clipboard seats, balance cushions, bench seating, yoga mats, lumbar rolls
