She Risked Her Career

The hatred of an ugly women for a beautiful one is dramatically brought to the fore in this tense sequence from "A Woman's Face," in which Joan Crawford strikes Osa Massen. The picture is opening on the screens of the Vogue and Punch and Judy.

A woman friend of curs took some out-of-town guests on a four on which all parents of school children in the Pointes may be able to provide for the necessary interest and amortization charges for the issue without increasing the milliage, but this is a dangerous gamble to take. The safe way is to authorize the milliage, increase. If this can be avoided we may be certain that the school authorities will spare the taxpayer. The credit of the Pointe's school district is high and its financial position strong. With the supporting milliage for this bond issue concurrent with the bond authorization there will be no question about the early manifely for the bond, probably at a substantial premium.
