Center of Pointe Controversy

Tony Koinis (left) the Popcorn man who has been battling to keep his stand on Bishop road just south or bast Jefferson is strongly against all the publicity that has at funded the fight. When the NEWS photographer arrived to short the picture. Tony dashed ut a d dropped the awning in an at empt to hide as mich of is place of business apocitible. As a matter of fact the free advertising. Tony has recurved has probably been worth thousands of dollars to him. Progness of the battle a reported in the story.

Progness of the battle a reported in the story.

BUSINESS

One of America's most famous bankers was never too big or too busy to give his personal attention to anyone who might be waiting on the visitar's bench outside his affice. He gained a world wide reputation because among other assets he never last the faculty of dealing with in dividuals personally

Whalings too are well known throughout the known throughout the Greater Detroit area As our business has steadily grown, we continue in high regard wherever quality apparel for men is mentioned

As we have grown and measurably increased our transactions we submit this is there any store where more of the salesmen know more about the individual customer's requirements a where more salesmen know more customers by name and where more customers know more salesmen by their names, too?

You ar. cordially invited to drop in and become personally acquainted with the benefits to you, of this friendly policy

The Pitcher and the Well

The Pitcher and the Well

A grown disrespect for the Previdential power is the number of the previdential power is the number of the previdential responsibilities and the previous section of the previous section of the property of the number of the numbe

ity in the national government of the commonstip redicted by some observers but to the collapse of all authority.

When this hypens groups already well defined will stand reads to take over the concerted action of an Remember it only fequired the concerted action of an Remember it only fequired the concerted action of an 130 000 000 perts members in November 131 to 130 000 000 perts members in November 132 to 130 000 000 people.

We have long had a parts in this country it has been composed more or less loosels of the efficiency box the regimenters the social scientists the economic experts out of Harrard or Columbia or where you will the fellows who threw the laws of supply and demand into the Washington waste baskets the group who bell of we could spend ourselves into prosperity those who gave premiums with one hand for producing less and with the other hand for producing more but with both cand all the other hand for producing more but with both cand all the other hand for producing more but with both cand all that this crowd has accomplished in ten years reign has been to myke an unholy mess of the whole economic and social pattern of America.

an unholy mess of the wrone excount and America
This is the pirty which Rosevelt either consciously
or unconsciously enrolled to rescue the forgotten man
and all to the end that he might stay in office for the longest

lail to the end that a many sible time.

We haven t heard this country referred to in a decide the land of opportunity which it was in fact and by wen results from its beginning until this period when

possible time

We haven the ard this country referred to in a decide as the land of opportunity which it was in fact and by proven results from its beginning until this period when the locusts came

But now this party has taken concrete form it is called the PAC and this doesn't mean certified public accountants. Figures are the least of its concern except as they represent which we have a secone vicus of the least of its concern except as they represent action map if the Committee for Political Action should reach a dominating position in the Democratic party this year the old New Dealers would be pust the New Dupers. The number of brused sacrollaes in the puritiess of Washington would be heart rend to the PAC are realist. The lads who plot the strategy for the PAC are realist. The lads who plot the strategy for the PAC are realist. The word and even this early in their career have shown in small ability in yin, after it Recall what happened to dol Champ Clark's son in My sourh the other day?

To say that the election this vear is the most important in the history of the nation sounds hackneyed. The same thing has been balishooed by every politician since the counts started But this time with the debatable exception. The counts started But this time with the debatable exception, and the property of the property of the same thing has been balishooed by every politician since the counts started But this time with the debatable exception when it is a reasonable premise that he and the Congress would pursue a quite inferent course than has Mr Rouseell and has the hallow and the count of the warm and the mount of the started property of the same through the counts and the count of the same started the count of the warm and the count of the warm anew crossed off He have even stressed his place as Commander in Ch

vears
There is not a single instance in Mr. Roosevelt's twelve
years tenure of the White House thit indicates either his
capacity or will to do either of these things

Deal By New Dealers

Congressman Mattin Dies of Texas variously citalogued by his fellow Americans as anything from crusiade to common nuisance has called upon the Attornec General of the United States to do something, about the ClOs Political Ac United States to do something, about the ClOs Political Ac United States to do something, about the ClOs Political Ac united States to the ClOs Political Ac United States to the ClOs Political Ac united States to the ClOs Political Act with the ClOs Political Politica

Grosse--**Exaggerations**

A. PRYOR

Prudery 11 a kind of actrice the worst of all lumatiers of sestiment the public has very crude ideas and the most shocking fault of women is that they make the public the supreme judge of their likes? (Henrs Bejle)

We know of one little man who had a miserable evening during most of a recent party where a long tail woman who was present rode him all evening because of his slightly wearing about the room when the little man asked her to dance. After dancing with him for a few moments she looked down and said. Why don't you stand up while work to do the said which was to be a looked down and said. Why don't you stand up while well asked her to down and said. Why don't you stand up while well asked to the said with the said with

What have the following in common? Virginia Bell El Dwyer Lyd a Buhl M gg e Merry Annie Torrey Rux Chapin and Fran Boyer II you really care have a look on page ?? MORE TO KUM

Bayer If you really care have a look on page "?

MORE TO KUM

A lot of queres have come into the office lately from people who want to know why when someone advertives something they have a contracted to the other than the contracted the contracted that is one long it will REALLY be before they can do it.

We don't blame them for advertising—any mant businessman that the contracted the contracted that the contracted the contracted that the manufacturer has making any more of whatever it to.

We contracted the contracted they we telephoned long distance that making any more of whatever it to.

We contracted the contracted they we telephoned long distance that making any more of whatever it to.

We contracted the contracted they we telephoned long distance that the contracted the contracted that the contracted the contracted that the contracted the contracted the contracted the contracted the contracted the contracted that the contracted the contracted the contracted the contracted the contracted the contracted that the contracted the contracted that the contracted the contracted the contracted the contracted that the contracted the contracted the contracted that the contracted the contracted the contracted that the contracted that the contracted that the contracted the contracted that the contracted the contracted that the contracted that the contracted the contracted the contracted the contracted the contracted that the c

GOOD NEIGHBOR POLICY

Ju theard about the G P woman who dee ded to build a wall around 1 er garden. When the br ck layer asked how high she inted it is humbled around mentally for quite a while then sad Do you know Mr Soandso who I ves next door? It appeared that the br ck layer knew him by gift. Well is ad the woman with 1 sat skid sim le I wint the all jist a little higher than he swe can tifique out whether the registor was a peeping from or whether the woman me ely thought he was a good he gift for a fence.

It looks as if Mr. Dies had something
Mr. Biddle says his department recently r ade an investi
gation of the PAC and found no exidence of lawbreaking.
But Mr. Dies jast is attrified with this curbstone opinion
and threatens to press for the enactment of legislation to
divorce the Government from the CIO and to separate New
Dealers from the Political Action Commence the New Deal
Br. He sposition to the CIO and to separate New
Dealers from the Political Action Commence the New Deal
Br. He sposition to the Commence the New Deal
Br. He sposition to the Covernment (a) and then quit their politic to go to work with the PAC. After
the election they expect to go back to their Government jobs.
It is just a trick to perpetuate the New Deal in power
And again maybe Mr. Dies has something
Do tou remember the million or so W PA trucks we saw
merrity cruising the highways from ocean to ocean in the
simmer and fall of 1936 with banners bearing the lusty
Just a minor suggestion but—significant
Mr. Dies is not running for re election this year and so is
hard to get by those whose corns or butions have been
bruised by the service of this political carreer may be questioned to the professional do gooders unless their long and
profitable association with the public crib has immunized
them against embarrassment.

The Rattlesnake Flag

Much has been said recently about the significance of August 8 in the var calendar It was on that date in 1918 that the German High Command according to Ludendorf decided the jig was up. That was the date the British offen sive started on the northern end of the battle line in France in response to the general advance order issued by General issume Forth on July 18

in response to the general advance order issued by General issume Foch on July 18

But the real date that marked the doom of Germany is suffered to the tendency of the tenden

conflict

Rosseell who did want war rightly and justifiably in the light of his bottler knowledge of the world situation and who had already made such preparation as could be maneuv ered among a people whose deepest desire is for peace and who ablor war had no difficulty in getting action within 48 hours after Pearl Harbor

Its all a matter of public opinion and wee bettee any nation that plans conquest without first weighing the reactions of the American made.

The Old American, Don't Tread on Me flag still waves
