## HEADLINES

### of the WEEK

As Compiled by the  
Grosse Pointe News

Thursday, February 6

**THE SECOND SPECTACULAR** failure of a Navy satellite-bearing Vanguard test missile was explained officially late Wednesday as due to defects in the first-stage engine control system. The flaws, after three seconds, split the rocket in two and caused its ultimate destruction by radio signal from the ground.

The Vanguard took off beautifully from Cape Canaveral, Fla., shortly after 2:30 a.m. Wednesday. Then, while hundreds gaped, the aureoled ringed jet seemed to separate and fall slowly back toward the sea. The top part of the rocket wobbled weakly and emitted a smoke trail, while a mighty roar of sound overtook it.

**TWO VICIOUS THUGS** were arrested 30 minutes after they robbed an Inkster grocery Wednesday. They were tripped up by an alert housewife.

The woman and her baby daughter were in a nearby phone booth when she spotted the bandits, armed with shotgun and pistol, entering the store. She phoned police who, minutes later, foiled the getaway and subsequently sent both men to the hospital, one with a possible skull fracture and another in serious condition with a neck bullet through his neck.

**PRESIDENT EISENHOWER** said Wednesday a tax cut could be a reserve weapon to give business a nod in the arm, but gave no indication of recommending a cut now. Instead, he stood by his prediction that business should pick up around the middle of the year.

**Friday, February 7**  
**WILLIAM E. MALONEY**, general president of the Operating Engineers Union who has been under fire by the Senate Rackets Committee, resigned Thursday. Maloney said he was resigning his \$50,000-a-year job on the advice of his physician who claims that he is suffering from a cardiac condition. He had headed the union for 18 years.

Committee investigators charged this week that Maloney has used union funds for personal purposes which included the purchase of two houses, four cars, a yacht and other items amounting to \$70,000 a year.

It is believed that Maloney's resignation will delay, if not cancel, action by the AFL-CIO to expel the operating engineers.

**MICHIGAN CONSOLIDATED GAS CO.** will be allowed to increase its rates nearly six million dollars a year, the Public Service Commission said Thursday.

A \$15,500,000 rate hike was requested by the company. The increase to the company's 835,000 Detroit and out-state customers would be about five percent.

Although the commission still must rule on how the rate hike will be spread among the various types of users, a formula was included in the company's original request.

A **BRITISH** airliner carrying Europe's champion football (soccer) team home from Yugoslavia crashed Thursday and burned in its third attempt to take off in a snowstorm. The disaster plunged the European sports world into mourning. Twenty-one persons were killed, including seven football men, eight British sports writers and a member of the plane's crew. Police feared two Germans were also killed when the plunging plane struck a house and a gasoline shed.

**Saturday, February 8**  
**CITY SCHOOL AUTHORITIES** in New York cracked down on at least 644 children Friday in a swift execution of a new anti-delinquency policy. In elementary, junior and vocational high schools, 544 students were suspended as chronic troublemakers in the (Continued on Page 23)

## Women Prepare for World Day of Prayer

Seven Pointe churches are participating in the annual observance of the World Day of Prayer, to be held this year at Christ Church at 1:30 p.m. on Friday, February 21. The committee which is making arrangements includes, seated, left to right:—MRS. IAN

SMITH, MRS. CLYDE K. BOWLES and MRS. MAJ. CUS W. JOHNSON. Back row, left to right:—MRS. JOHN B. MILLIS, MRS. CLIFFORD C. WRIGLEY, MRS. J. LANE DONOVAN, MRS. FREDERICK M. WHITNEY and MRS. JAMES A. LAFER.

## Innovations Being Tried By Schools

Final Article on Public School System Deals with Experiments and New Programs

**Editorial Note:** This is the ninth, and final article in the series run for the enlightenment of Grosse Pointe residents regarding their own school system. This last, briefly presents some of the innovations various schools are introducing into their programs—"experiments in education" they might well be termed.

By Helen M. Graves

At Richard School for some years there has been developed a very fine "Science Museum of Natural History." With increasing student enrollment the reptiles, amphibians, mammals, rocks and minerals had to be moved up to the school attic. The museum declined since, for all intents and purposes, an attic is an attic whether at home or at school. However, this past semester the 5th grade began the process of "reconstructing" the museum toward the end of making it more functional in (Continued on Page 5)

## Protestant Church Women Uniting for Observance Of World Day of Prayer

Services to be Held in Christ Church February 21, and Committees Will Visit Hospitals and Convalescent Homes

The women of seven Protestant churches in the Grosse Pointe area once again have joined forces to prepare for their annual observance of the World Day of Prayer, which will be held this year at Christ Episcopal Church, Grosse Pointe, Friday, February 21 at 1:30 p.m. Since 1887, on the first Friday in Lent, women throughout the world have united in a service of prayer and thanksgiving. Services begin on the Tonga Islands, west of the International Date Line, where Queen Salote leads her devout subjects in prayer and continue throughout the day, closing with the observance on St. Lawrence Island, Alaska.

**Women Write Service**  
Each year women in some country are invited to write the service. The one this year was composed by the women of Australia, including the aborigines. It came out of meetings of prayer and meditation together. The theme, "Bread of Life," is universal in material as well as spiritual emphasis and content. The Rev. Francis Ayres of Parish-field will be the speaker.

Participating in the service will be the following leaders: Mrs. C. Arthur Windsor, St. Michael's Episcopal Church; Mrs. Charles Bryant, Grosse Pointe Woods Presbyterian Church; Mrs. Jan Smith, Grace Evangelical and Reformed Church; Mrs. Clyde Bowles, Grosse Pointe Methodist Church; Mrs. Marcus Johnson, Grosse Pointe Congregational Church; Mrs. James A. Lafer, Grosse Pointe Memorial Church; and Mrs. J. Lane Donovan, Christ Episcopal Church.

## Careless Boy Runs Into Car

A seven-year-old Detroit boy was injured on Friday, February 7, when he failed to heed safety rules and ran into the side of a car at Somerset and Mack, a Park police report disclosed.

Hurt was Patrick Doyle, son of Mr. and Mrs. John T. Doyle of 4175 Corvillie, who suffered a broken nose and other head injuries when he ran into the side of a car driven by Leona May Fisher, 33, of 329 Kerby road.

Three witnesses, including two Safety Patrol boys, said the lad, crossing from the southeast to the northeast corner on Mack, at Somerset, ran across the street without heading one of the Safety Patrol boys, who was holding back a group of children. The traffic light was amber when young Doyle bolted.

Mrs. Fisher told police that she was crossing the intersection, and was more than half way through when the light turned red. She was not held.

The injured boy was unconscious when taken to Cottage Hospital by Detroit police who arrived at the scene, when informed the accident happened in their city. The mishap took place just over the borderline in the Park.

Park police gave the boy a ticket for crossing against a red light and causing an accident. He will have to appear in Juvenile court with his parents. A date is pending.

## Police Nab Thief in Act Of Burglary

Farms Patrolmen Surprise Burglar in Mack Avenue Bar During Check

A burglar was surprised in the act during the early hours of Monday, February 10, by Farms police who were making a routine check of doors of Mack avenue business places.

Arrested at the scene was Earl J. Christensen, 26, of 18417 Moenart, Detroit, who gave up without a struggle, when police ordered him to surrender. He is being held for investigation of breaking and entering in the night time.

Christensen was discovered in Ernie's Lounge, 18744 Mack, by Patrolman Otto Glanert and Donald Pilon, about 2 p.m., when the officers were making a second check of the stores.

**Notice Closed Draperies**  
On making their first rounds, Glanert and Pilon found everything in order, but the second time they noticed the front window draperies of the lounge closed. They were open the first time around. Peering through the window where the draperies did not quite come together, the patrolmen saw a white-shirted man, wearing gloves, busy pilping up cartons of cigarettes and (Continued on Page 2)

## Takes Shooting Honors in Army

Private John Langs, son of Mr. and Mrs. John W. Langs, of University place, has taken top honors in the recent 3rd Division small-bore matches held at Fort Benning, Georgia where he is presently stationed.

A veteran rifleman with a Winchester Model 32, Langs tallied 1760 out of 2000 possible points, despite the high winds and freezing temperatures which beset the meet.

The keen-eyed soldier placed first in five of the matches and third in three others. He trained under Col. Seagley, coach of the 1952 U. S. Olympic team.

Firing for Howe Military Academy and at the University of Michigan—where his team placed second in the nation during his last year in Ann Arbor—Langs has had a first-rate shooting background. Recently graduated from basic training, he plans on taking an officer's training course.

## Pick Jerry Gerich For New Principal Of GP High School

Canadian-Born Graduate of Northwestern University Being Brought Here from Similar Post in Arlington, Va.

Jerry J. Gerich of Arlington, Virginia, has been appointed Principal of the Grosse Pointe High School, the Board of Education of the Grosse Pointe Public School System announced February 5.

Mr. Gerich, age 46, has been Principal of the Washington-Lee High School in Arlington, Virginia, for the past five years. He will assume his new position in Grosse Pointe on March 1 this year.

"Mr. Gerich is the unanimous choice for this job of all the people interviewed by the school staff and the Board of Education," Bert Wicking, President of the Board, stated. "Dr. Bushong and members of the school's professional staff have been doing a terrific job ever since Mr. Clesimon died, to find the best possible candidate for this important assignment."

### From Similar Area

"Mr. Gerich comes from a school system in an area very similar to ours," Wicking went on to say. "The Washington-Lee High School in Arlington, Virginia, has 2600 boys and girls in it, is rated as one of the top public high schools in the United States, and serves a strictly residential area."

"Under Mr. Gerich's leadership, the Washington-Lee High School has made major forward steps in improving curriculum, developing an excellent staff of teachers and engendering the enthusiastic support and cooperation of all those connected with it."

"Over 85 percent of the students at Washington-Lee pursue college preparatory programs and 80 percent go to college. Its accelerated programs in science and mathematics have received national recognition. During the past two years it has had 31 finalists and 8 winners in the National Merit Scholarship Program."

### Has Broad Experience

Mr. Gerich brings to Grosse Pointe a broad experience in teaching and administration. After receiving his Bachelors and Masters degrees from Northwestern University, he taught for two years at the Todd School for Boys in Woodstock, Illinois. For four years he taught and coached athletic teams at the Roosevelt Junior High School in River Forest, Illinois.

His first assignment as a principal was in 1941 at the Willard Elementary School in River Forest, Illinois. Here he stayed four years until becoming Principal of the W. K. Kellogg Junior High School in Battle Creek, Michigan, in 1945. In 1940-50 he became Principal of the Battle Creek Central High School and stayed there until 1950 when he was made administrative assistant to the Superintendent of Schools in Arlington, Virginia. He became Principal of the Washington-Lee High School in Arlington in 1952.

### Taught at Columbia

Supplemental to these regular work assignments, he studied at Columbia University in New York during one (Continued on Page 2)

## Woods Judge Hears 11 Cases

Woods Judge Don Goodrow found Stephen H. McCarthy, of 2153 Hollywood, guilty of leaving the scene of an accident and ordered him to pay a fine of \$75.

Raymond B. Barnett, of 2587 Springle, Detroit, was found guilty of driving while his driver's license was revoked, and he was fined \$50 and sentenced to 30 days in the Wayne County Jail.

Another heavy fine was levied against Robert R. Carie, of 20908 Anita, Harper Woods, who paid \$50 after being found guilty of reckless driving.

Richard F. Montanaro, of 1087 Lochmoor, was found guilty of speeding and paid a fine of \$25.

Geraldine L. Coleman, of 12330 Laing, Detroit, paid a fine of \$5 after a plea of guilty to causing an accident.

Robert J. McCaughlin, of 354 Rivard, was found guilty of failing to stop an assured clear distance and causing an accident and paid a fine of \$5.

Pietro Ventimiglia, of 5919 Kensington, Detroit, was found to be at fault in causing an accident and paid a fine of \$5.

Interfering with a moving traffic and causing an accident cost Margaret H. Zuenen, of 5765 Hereford, Detroit, a \$5 fine.

Ernest K. Baxter, of 17022 Frazho, Roseville, was found guilty of not having his car under control and causing an accident and was given a suspended sentence.

Mitchell P. Sevestian, of 18070 Hull, Detroit; and Donald E. Knight of 23713 Harding, Hazel Park, were found guilty in separate cases of speeding and fined \$20 and \$17, respectively.

### DRIVER CHARGED

Lennis F. Harris of 1211 Christy, Detroit, was charged with violating the State Drunk Motor Law. He was arrested by Shores police on Thursday, February 6.

## To Hold Panel Discussion On Selection of College

The Mothers' Club of Grosse Pointe High School will sponsor a panel discussion on Tuesday, February 18, at 8 p.m. in the High School auditorium.

Selected for discussion is the topic "Selection of and Preparation for a College."

There will be four panelists, Dr. Adna M. Cotton, Director of Admissions at Harvard University; Dr. James Lewis, Vice President for Student Affairs at the University of Michigan; Mrs. Ruth Flom, Dean of Girls

## Group Fights Chain Store Proposals

Pointe Business Men's Association Opposing Sales on Sabbath

The Grosse Pointe Business Men's Association has gone on record as opposed to Sunday business, putting special emphasis on the sale of merchandise by super markets. The following resolution has been adopted.

At a special meeting of the board of trustees of the Grosse Pointe Business Men's Association held on Thursday, February 6, the matter of the action of certain large chain markets or so-called super markets in establishing or intending to establish Sunday hours of operation for sale of merchandise to the public, being under consideration, and in the light of information available and noting the opposition expressed by the general public to such Sunday operations of these establishments. BE IT RESOLVED:

1. There is no demand or requirement that could possibly justify the operation of large mercantile establishments in Grosse Pointe during the 24 hours of the Sabbath.

2. Any such open to the public operation on a Sabbath by any such store is certain to excite and sponsor a highly infectious spirit of competition, which will lead to a general trend of such Sabbath hours of public operation which will lead and result in problems of traffic, parking, noise, confusion and disorder, upon local public safety and public works divisions with much extra expense incurred thereby.

3. Sunday hours of operation cannot possibly be justified in our fine residential community, and there is not now, nor has there ever been any desire, demand nor wish, by our residents, for this Sunday activity, which, if continued or permitted, will be certain to result in a totally deplorable situation which will be bound to detract greatly from the attractiveness and desirability of our community.

## March on Polio Yields \$362,000

A record Mother's March on Polio was the reward of the devoted army of volunteers for the March of Dimes who invaded streets and roads of Wayne County on Wednesday night, January 29.

They collected \$362,000 from their neighbors who joined the Mothers' March by turning on their porch lights from 7-8 in the evening.

The five Pointes, collectively, contributed a total of \$16,746 to this worthy cause. Of this amount, the Farms gave \$4,700; the Park, \$3,621; Grosse Pointe City, \$2,143; and, together, the Woods and Shores contributed \$6,282.

Those who were not contacted personally by the Mothers' March are urged to send their contributions to The March of Dimes, 153 E. Elizabeth, Detroit 1.

## Gambling Charge Proved in Court

The owner of the M and W Party Time store, 15000 Mack avenue, cited before the Liquor Control Commission, was found guilty of permitting gambling on the premises, following a hearing on Monday, February 3.

Charges against the owner, Casimir Marzejko of St. Clair Shores, were filed by the Park Police Department.

Marzejko was ordered to pay a fine of \$150 or have his liquor license suspended for 30 days. He was also ordered to sell the license by May 1, according to Park Police Chief Louwers.

The offense took place last November 8.

summer, participated in workshops at Northwestern and Chicago during other periods and taught both at Columbia and Florida State University in 1948 and 1950.

Mr. Gerich has served as President of the District H. Principals Group of Northern Virginia. For the past three years he has been a member of the Commission on Research and Service of the Southern Association of Colleges and Secondary Schools and recently has been elected a member of the Secondary Association of this Association. He was a President of the Administrators Group and a Chairman of the Secondary Principals of Arlington, Virginia.

He has been active in the National Association of Secondary School Principals and is on the Committee on Relation to National Security. He is a member of the Virginia Education Association, the Arlington Education Association, the Federal Schoolmen's Club of the District of Columbia, the Arlington Community Chest Board, the Arlington Rotary Club and the YMCA Board of Arlington.

Born in Saskatchewan, Canada, on August 28, 1911, he spent his early years on a farm. When he was nine years old his father died, and two years later his mother moved the family to Calumet, Michigan, which was her birthplace. He lived there until he moved to West Allis, Wisconsin, in 1928.

He was president of his junior and senior high school classes in West Allis, president of Hi-Y in his senior year and received three letters in both football and track. He also received the Wisconsin American Legion Award for proficiency in studies and athletics. After graduating from West Allis High School, he worked a year before entering Northwestern University on a tuition scholarship in 1932.

He married Ellen Elizabeth Whitcomb of Milwaukee in 1937. They have two sons, Jerry, 16, and John, 12.

## Shores Judges Hear 4 Cases

Shores Judges John Gillis and Victor DeBaeke heard only four cases of traffic violations between them on Monday, February 3.

Judge DeBaeke meted out a heavy penalty against William J. Lynn of 1404 Balfour, who paid a fine and court costs of \$107.50 after being found guilty of reckless driving on Lake Shore road.

A drunk driving charge against Albert M. Van Acker of 4801 Philip, Detroit, was reduced by Judge Gillis to that of reckless driving, to which a plea of guilty was accepted. A fine and costs of \$125 were imposed.

Judge Gillis also found William H. Anglin of 1090 Eastlawn, Detroit, guilty of speeding on Vernier road, and ordered him to pay a fine and costs of \$17.50.

Christine Barr of 22867 Lake Shore road, St. Clair Shores, was found guilty of speeding on Lake Shore, and paid \$15.

other loot in a large tan suitcase.

Glanert and Pilon put in a call to the station, where a call was made to the owner of the bar, who arrived at the scene with Patrolmen Francois Belanger and Francis Kerbrat. The owner gently unlocked the door of his establishment and the four officers barged in with drawn guns, surprising the burglar who was standing about six feet from the entrance door.

**Surrender Meekly**  
When ordered to give up, Christensen held his gloved hands outstretched and said, "Okay, you got me," and meekly submitted to a search. He was handcuffed and taken to the station.

The suitcase contained about \$400 in cash taken from the safe and a cash box, both of which had been forced open, and about \$115 worth of cigars, still in their boxes. Also found was a set of burglar tools.

Christensen's car was found in front of 18660 Mack and a search of the vehicle turned up a loaded .38 caliber revolver on the front seat, and more burglar tools and a quantity of boxed candy, two radios and a portable television set and other loot in the car trunk.

**Sought by Police**  
Sgt. Jack Paisley and George Van Tien, Farms detective team, said Christensen was being sought by Warren police for investigation of burglarizing a theater in their city, from which it is believed the candy and other items in the car were taken.

The detectives said Christensen told them he forced the lock of the front door of the cafe to gain entrance, but an investigation showed no jimmy marks.

Paisley and Van Tien surmised that Christensen removed the lock from the door, and replaced it when he entered the place.

in the home until they called for them.

Ogg was arrested by Dearborn police when he attempted to pick up a girl. A loaded gun was found on his person and he was held for investigation of carrying a concealed weapon.

A tip to Park police about the guns and other items left by the trio in the Hutchens house, resulted in the stake-out.

When they were ready to strike, Park authorities called on the Detroit Police Department for assistance. The area around the house was sealed off by police, and Cutler and Scalfani surrendered without a fight when three police officers ran into the house.

The arrest of the trio cleared up a number of inter-city burglaries, armed robberies, bad check passing, and resulted in smashing a dope ring in Los Angeles, from which the trio obtained several pounds of marijuana before coming to Detroit.

Their apprehension also averted two planned bank robberies in the Detroit area, by which the trio said they hoped to get money to travel to Europe.

**VANDALISM REPORTED**  
Ray E. Fisher of 26440 Clancy, Roseville, complained to Woods police on Thursday, February 6, that while his car was parked in front of a Mack avenue business place, someone tore off a side view mirror from a fender.

# World Day of Prayer

fith, Harry Steinhower, C. W. Zentgraf, G. L. Brownell and Floyd Sieber.

Also, on the committee are Mrs. Simpson Leonard in charge of ushers, Mrs. Henry Kinzie in charge of music, and Mrs. John B. Millis in charge of publicity.

Music will be provided during the service by Richard Roecklein, organist at Christ Church, and by the Grosse Pointe High School A Cappella Choir directed by John E. Finch.

Serving on Mrs. Leonard's committee as ushers will be Mrs. Harold W. Merrill, Grosse Pointe Memorial Church; Mrs. Oliver Morton, Grosse Pointe Congregational Church; Mrs. Walter Griffith, Grosse Pointe Methodist Church; Mrs. Robert Beck, Grace Evangelical and Reformed Church; Mrs. Dwight Struthers, Grosse Pointe Woods Presbyterian Church; and Mrs. Herman Bartlett, St. Michael's Episcopal Church.

Mrs. Everett Doten, Christ Church, will act as chairman of hostesses.

**Leaflets Distributed**  
An important part of World Day of Prayer is the reading of the service and the distribution of the "Call to Prayer" leaflet in hospitals and convalescent homes. Mrs. Robert May, Evangelical and Reformed Church, is chairman of this project and has the following women assisting her.

Visiting Cottage Hospital from St. Michael's Episcopal will be Mrs. William Erringer and Mrs. Ira Reiland; visiting Fisher Convalescent Home from Woods Presbyterian will be Mrs. Floyd Sieber, Mrs.

William Krogh, Mrs. Charles Brownell, and Mrs. William Shaffer.  
Going to Jefferson Convalescent Home from Grosse Pointe Memorial will be Mrs. Robert J. Conway and Mrs. Ben Tallman; to St. John's Hospital from Grosse Pointe Methodist Mrs. Harry Ibler, Mrs. Charles Shanks, Mrs. Ralph Morrison, and Mrs. Arthur Watts; to Bon Secours from Grosse Pointe Congregational will be Mrs. Homer Wyckoff, Mrs. C. H. Morrison, Mrs. Henry Gardner, Mrs. Edgar Cooper, and Mrs. Kenneth Koppin; and to Michigan Memorial Convalescent Home from Evangelical and Reformed will be Mrs. Robert O. May, Mrs. H. Steinhauer, Mrs. R. Knorr, Mrs. R. Beck, and Mrs. I. Smith.

**Nursery To be Open**  
There will be a nursery in the church to care for small children during the service. It will open at 1 o'clock.

Were it not for World Day of Prayer offerings, the inter-denominational ministries in the United States, Alaska, and Puerto Rico could not be continued; about 50 percent of their budgets come from church women united in prayer on this day.

## Cub Scouts Sell Pencils To Help Friends in Japan

For the next few days you are apt to see many of the small-boy set pushing pencils your way—and if the freckles and crooked grin aren't enough to win you over for a sale, take a second gander at their product.

Members of Cub Scout Pack 74 (in all, eight dens) are in direct competition, for a common cause, this month, in an all-out effort to help their fellow scoutmates in Japan. They are selling Japanese-made pencils, for a dime apiece, and the den that sells the most will be awarded a hand-carved bear, made in Japan, at the Blue and Gold 20th birthday party of Pack 74, which will be held February 26 at the Grosse Pointe Congregational Church.

The pencils are eye-catchers! Cute and colorful, they come in every conceivable hue and are topped by a smiling Japanese face, painted on wood, from whose neck dangles a tiny bell on a colorful cord.

Japanese tradition (still respected today) says that school children in Japan, on their first day of classes, take these pencils with them, shaking them fiercely to ward off all evil spirits.

The collective proceeds from the sale of the pencils will go to "KEEP", the Kiyosoto Educational Experiment Project. This is an organization which is run by Paul Rusch, an Episcopal missionary in Japan, which is striving to set up model villages throughout the country; proving land which has been declared unfarmable to be still fertile, setting up model housing, hospitals, libraries, schools, etc.

Mr. Rusch has been working on this project since before the War, but has realized material, gratifying, results only in the past seven years.

His village is visited each week-end by thousands of Japanese children, to whom it serves as a living example of what can be done with their tired land, with hard work and the help of those more fortunate.

Pack 74, specifically, hopes to make a considerable contribution toward the start of a Boy Scout camp to be set up in Japan through KEEP. Their money will be channeled through the Michigan Friends of KEEP.

Adults who have a special interest in the outcome of the youths' sales abilities are those who have recently been elected to officer positions in Pack 74. L. J. Bertrand is the new Cub Master, and assisting him is Robert Hess.

Committee chairman is Andrew Mihalic; Chairman of Awards, Arthur Watts; Anthony Trepanowski is the new secretary; Daniel Wood will handle the Pack's funds as treasurer; Paul Hykes is the newly-elected Program Chairman; Royal Dean is in charge of the forthcoming Blue and Gold Banquet, and Morris Kennedy is the new Fair Chairman.

Heading the list of leading (leader) ladies is Mrs. Richard Pratt, as Chief Den Mother, and responsible for their respective dens, as den mothers, will be Mesdames Daniel Wood, Rubin Frank, Jay Sorge, John Sterns, A. B. Nielsen, Anthony Trepanowski, Anthony Enzer and M. W. Volkens.

**CATCHES BIG SHARK**  
From Nassau comes word of a localite making sports headlines with a record-breaking catch. William H. Denison, of Maison road, bagged a 280-pound black-tip shark taken on 117-pound-test line in the Torgue of the Ocean off Andros Town. The shark gave Denison first-place for that species in the heavy tackle division of the 1958 Bahamas Winter Fishing Tournament.

## Young Pointer Cheers Cage Champions

STEPHEN CALDER, 10-week-old son of Mr. and Mrs. William Calder of Grosse Pointe Woods, gives off with a resounding cheer for the amazing success Grosse Pointe basketball teams have enjoyed during the 1957-58 league seasons. To date Austin, just across the borderline in Detroit but with a huge Grosse Pointe student body, has won its third consecutive Catholic League

Central division title; the St. Paul Lakers have captured their second straight Parochial League crown and Grosse Pointe High is deadlocked for first place in the Border Cities League race with Highland Park. Stevie's enthusiasm comes naturally because his big brother John was a lineman on the Blue Devils' BCL football championship team last fall.

## Center Offering Sterne Lecture

"From the Water Wonder-land to the Blue Danube" is the title of the illustrated lecture Dr. Margaret Sterne is presenting at the War Memorial Center, Wednesday evening, February 26 at 8:15 o'clock. It is open to the public free-of-charge.

Dr. Sterne was born and went to school in Frankfurt am Main, Germany. After attending the University of Berlin, she became editor of a children's magazine with the largest European publishing house, the Ullstein Verlag in Berlin.

After being married, she came to the United States in 1925, where she began writing feature stories for German newspapers and magazines and advising publishers in New York on book translations in German, French and Italian literature.

In 1934, Dr. Sterne became Rotogravure editor of the Detroit News. Having traveled widely in Europe in the '30s, she decided to return to school for the purpose of acquiring an American degree. She received her Master's degree in History from Wayne University in 1941, and she began to teach history herself at Wayne University.

For two years during World War II, her teaching career was interrupted while she worked for the United States Treasury Department as Publicity Director of the Michigan War Finance Committee.

After the War, she resumed her teaching at Wayne University in Detroit and at the same time extended her studies in history at the University of Michigan in Ann Arbor where she received her Ph. D. degree in 1951. Her dissertation dealt with "The Fate of Frankfurt in 1866," which has been published in parts in German.

In 1952, Dr. Sterne was awarded a Fulbright Research Scholarship for Austria and spent a whole year in Europe.

At present, Dr. Sterne is holding a position as Assistant Professor in the History Department of Wayne State University. She was asked by the United States Foreign Service to return to Germany and Austria in the summer of 1955 to deliver a series of lectures in various German and Austrian cities.

Dr. Sterne has an established reputation as an unusually witty and fascinating speaker with a wealth of personal experience to enliven

her very considerable research. Her lecture will be highlighted by the excellent pictures her husband Bernhard Sterne, a Chrysler experimental engineer, has made in their travels.

## Rabaut Against Paid Television

Congressman Louis C. Rabaut announced that the House Committee on Interstate and Foreign Commerce adopted, in Executive session, a resolution on the subject of Subscription Television.

The Committee Resolution, which has been forwarded to the Federal Communications Commission, stated that the public interest would not be served by the granting of authorization for subscription television operations as contemplated by the Federal Communications Commission.

The Committee further stated that the FCC should "not receive authorization for subscription television operations as contemplated until the Communications Act of 1934 is amended specifically empowering the Commission to grant such authorizations."

Long an opponent of paid television, Congressman Rabaut, commenting on the Committee's announcement, said, "In a sense, subscription television is a betrayal to those to whom the television owes its very existence."

"The people of this nation have invested millions of hard earned dollars in TV sets in

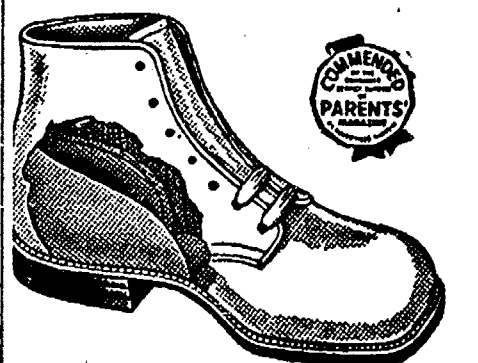

the past ten years, and through the purchase of these sets created thousands of new jobs in a field that was virtually unknown in 1945.

"The people rightly expect a great deal of enjoyment for the money spent. It is my feeling that pay-as-you-go TV is to the detriment of the American people as a whole and I was pleased to hear of the Interstate and Foreign Commerce Committee's resolution adopted today."

Commenting further on the resolution, Congressman Rabaut, said that he will continue to oppose "pay television."

Even after the average man reaches his bottom dollar he still has hopes to build his future on.

how a **total stranger** might be chosen to settle your estate

It could happen easily—if you have not chosen the executor of your Will with extreme care.

Suppose you have named a relative or friend for this job, but by the time your Will is probated, this person is no longer alive, or has left Michigan.

There is no legally qualified executor in this case—so the court must appoint an administrator (who might not be the person you would want) to settle your estate.

This uncertainty about individuals as executors has led many people to name The Detroit Bank and Trust Company as executor under their Wills. For, as an institution, we are always available, legally qualified and, needless to say, financially responsible. Our staff has years of experience in settling estates, and our fee is no more than an individual executor is allowed by law. For more information, just call WO 2-5670. No obligation.

## WALDO ALLARD AVERY

Mr. Avery, 79, died Monday, February 3, in his home at 135 Lake Shore road. President and half-owner of the Majestic Building, he was a brother of Sewell Lee Avery, former board chairman of Montgomery Ward & Co.

A native of Saginaw, Mr. Avery had lived in Detroit for 75 years. He was a graduate of the Michigan College of Mining and Technology and attended the University of Michigan where he was a member of Fielding Yost's "point-a-minute" football team.

Surviving are two sons, Waldo A. III and Robert N.; and two daughters, Mrs. Eleanor A. Hemstead and Mrs. Jane A. Ferguson.

## CHARLES R. LUDEKE

Mr. Ludeke, of 902 St. Clair avenue, died Wednesday, February 5. He is survived by his wife, Lillian; and children, Charles Jr., Walter, Thomas, Joan, Susan, Sally and John. He also leaves a sister, Mrs. Harold Newman.

Funeral services were held Saturday, with burial in Mt. Olivet Cemetery.

## IRMA COUSSEMENT

Mrs. Coussement, of 971 Fisher road, died Tuesday, February 4. She was the wife of the late Cyril Coussement, and mother of the late Agnes Oliver. Surviving are her grandchildren, Margaret, Robert, George, Elizabeth, and Russell Oliver.

Funeral services were held Saturday, with burial in Mt. Olivet Cemetery.

## LOUIS J. GROCH

Mr. Groch, 67, a former Detroit investment broker, died Wednesday night, February 5, at Wheeling, W. Va. He suffered a heart attack at the Fort Henry Club in Wheeling. His wife, the former Corinne Dickey, was hospitalized in Detroit Thursday, for pneumonia, just after she received word of her husband's death. She was visiting the C. Henry Buhls and was to be given a round of parties by former Grosse Pointe friends when the double tragedy struck.

Mr. Groch was manager of Hornblower & Weeks when he left Detroit 10 years ago to live in Wheeling. He and his family had lived at 16908 St. Paul, in Grosse Pointe. He was a member of the Country Club of Detroit, the Detroit Club and the Grosse Pointe Club during his residency here.

## GEORGE W. BOLEFAHR

Mr. Bolefahr, of Kansas City, died Wednesday, February 5. He was a former resident of Grosse Pointe. Surviving are his wife, Dorothy (nee Hayworth); and daughter, Mrs. Jeanne Clarke. He also leaves his mother, Mrs. John Bolefahr, of Kansas City.

Funeral services were held in Grosse Pointe Sunday, with burial in Elmwood Cemetery.

## Pick Delegate To Girls' State

By JANET COLLINSON,

G.P.H.S. Journalism Student

The Grosse Pointe Cadillac Division, number 303, of the American Legion Auxiliary has announced that it will again sponsor a Grosse Pointe High School junior's trip to Wolverine Girls' State.

Their delegate was selected by a vote of the high school's faculty. Each faculty member was asked to list three girls possessing leadership, cooperativeness, scholarship, enthusiasm, and cheerfulness.

These are the characteristics desirable in all Girls' State delegates.

In addition, because the girls put in a week of hard work, good health was also considered.

Virginia Pear, 11A, received the highest number of recommendations. Sherry Leslie, also an 11A, received the second highest, and will be Virginia's alternate.

Wolverine Girls' State will be held on the University of Michigan campus, from June 17 to 26. More than 360 girls from all over the state will attend.

The girls will be housed in one of the women's dorms. The dorm will be the center of all their activities, but the girls will also get to know the campus, and will visit the city of Ann Arbor.

Wolverine Girls' State was established in 1941, by the American Legion Auxiliary. Since then, more than 4,000 young women have participated in its program. These girls have been sponsored by civic, social, and fraternal organizations, as well as American Legion posts.

The purpose of Girls' State is to teach girls who possess qualities of leadership about the workings of their state's government. This is done in the hope that they will someday become leaders in government, and in any case remain active in civic affairs.

The American Legion feels their purpose can best be accomplished by actual participation. At Girls' State, the delegates organize and oper-

ate their own government on a city, a county, and a state level. They elect their own officials, and run their government according to parliamentary procedure. All this is done with the aid of city councilors, who are U. of M. seniors, and women of the Auxiliary.

In addition, the Legion selects two girls to represent Michigan at Girls' Nation in Washington, D.C. later in the summer.

One of the highlights of the entire week is the state party conventions, at which the candidates for state offices are nominated. These conventions have more whooping and hollering than a wild west rodeo. About her going, Ginny Pear said that she is "happy and very honored," and that she is "looking forward eagerly to attending Girls' State."

## SPARE WHEEL STOLEN

Woods police took a report from Frank Tennet of 2158 Beaufort, on Friday, February 7, in which it was stated that someone had stolen the spare tire and wheel from his car. He valued his loss at \$65.

## Teen-Driver Wrecks Car

A 15-year-old Park girl miraculously escaped serious injuries when the car she was driving jumped a curb and bounced off a total of eight trees in Ghesquiere Park on Monday, February 3.

A Woods police report said the girl was driving west on Bramcaster when she lost control while turning on a curve in the street.

The car hit and bounced off three trees, went a few feet, hit two more, went a few more, and bounced off of two more and then slammed into the eighth tree, knocking it down.

The girl was issued a ticket for not having her car under control and will appear in Juvenile Court. The car was a total wreck.

## Schools Try Innovations to Improve Teaching

(Continued from Page 1)

relating to the whole science program for the school.

The class of 35 spent about 2 months sorting out the old material after which they visited Cranbrook to get an idea of how a Museum of Natural History is actually set up—and then the real fun—work began. Out of all this came many ideas for displays, charts, exhibits of Michigan birds, snakes, Michigan trees and their by-products, etc.

One may have a crash program for missile-building but "museum building" by 5th graders is a more slowly unfolding process and undoubtedly more lasting. Mr. Gagnon, the 5th grade teacher, reported that sometime in May, perhaps, the Museum would be ready for a parent open house.

### Kindergarten Observation

New only in the sense of its vitality is a program which has been in practice for some 20 years in the Grosse Pointe Public School System.

Eleventh and 12th grade girls, taking Homemaking three classes, have the opportunity, as a part of their course work, to observe in the Grosse Pointe Kindergartens (of their choice) half day for a five week period—the "real situation" of children's behavior.

Some of the teenagers choose to observe at the School for Exceptional Children or at the Grosse Pointe University School. There are at present 32 girls in this class but it has ranged as high as 70.

In addition to this Kindergarten "observation" program, three days a semester the girls can bring small children into their own classroom situation. Such experiences can only make more meaningful what the textbooks call "developmental levels."

### 'Ungraded' Plan

All six-year-old children entering school are different—in growth and development! This singular fact has been recognized by educators for a long time. However, the knowledge we have had in this area has made little difference in the organization of our schools until the idea of the "primary school" or "ungraded plan" developed.

This plan is, and has been, in operation in a good many school systems throughout the nation, more particularly in Milwaukee where the whole elementary school system is "ungraded."

In Grosse Pointe at the Monteth Elementary School, the Primary plan or "ungraded" plan is now in its first year of operation. The first grade of four sections has two graded sections and two "ungraded" sections (as chosen by parents.)

Primary plan is a different way of organizing, not a different method of teaching. The core idea is that a child is provided with a three-year block of uninterrupted time, as against three graded segments, to learn to read, as rapidly as he can or as slowly as he needs to.

Whereas, in our school organization today we have grades one, two, three with definite demarcations as to what is expected at each grade level in terms of reading, under the Primary plan, the expectations as to mastery are not different, i.e. the child is assured of knowing well the concepts and understandings of one level of reading before being permitted or forced to go to the next level.

At Monteth a group of 13 teachers worked with Principal Dr. Marshall Jameson to develop nine levels of Reading Development which constitute the three-year block of study. There have also been worked out comparable levels in science, language arts, spelling and social science for the three year period.

In Primary plan the child is constantly succeeding at the rate of which he is capable, not at the rate set by a calendar or artificial limit called "grade." When a year ends, the

child in Primary plan is neither promoted nor failed. In September he is moved on from the stage of learning and development reached in June.

Under the Primary plan the teacher is freed from the pressures of meeting artificial end-of-grade achievement levels or scores, or getting every child to a certain (same) place in a reading program.

It also frees the teacher from declaring which children can go on and which children need to fail. A few children may be able to go through the three-year block of study in two years. An advantage here over "skipping" him in the graded plan is that he will not skip anything—he will take each step, though faster. Almost all children will complete the block in three years, and a few will need four years.

Surely, this exciting method of school organization brings into more realistic focus all we know today about a child's physical, emotional, social and mental needs.

### 'Manipulative' Materials

Concern of parents over whether Dick and Jane can read is just about matched with a concern about whether they can add, subtract, multiply and divide.

The trend in the Grosse Pointe Public schools is toward the teaching of a meaningful arithmetic which seeks to help children to appreciate and utilize the interrelationships of the number system.

At Trombly School under the guidance of Principal Frank Welchenbach, whose own speciality is mathematics, there has been worked out from Kindergarten through the 6th grade a learning program in arithmetic which emphasizes the development of basic mathematical concepts, the understanding of arithmetic as a closely knit system of number ideas and relationships.

The first step in arithmetic mastery is to get the concepts and relationships of numbers and then comes drill. To aid in this basic step of making the transition from the concrete to the abstract there have been developed a variety of "manipulative materials" for all grades which help conceptualize the how and why of numbers.

In Kindergarten, there are games of colored pegs and figuring mazes which give the child concrete experience in progressions of one through 10; from the 1st through the 6th grades, many manipulative materials such as combination cards, which the children make themselves counting beads (abacus type), plastic disks, paper disks (used in teaching fractions), liquid measures, thermometers, fan-

nel boards, bathroom scales, place value counters (one of which goes up to a million)—help children understand the BIG IDEAS in back of numbers and enable a child to have concrete proof to substantiate what he is doing.

This kind of approach to arithmetic would undoubtedly be a profitable learning experience for Dick and Jane's parents as well.

Our role of eminence in the world has placed responsibility on our people to understand other peoples of the world. In reaching such understanding, a knowledge of languages can be most helpful, for languages are the gateway to the intellectual, the emotional and the spiritual life of a nation.

In a survey made in 1954, 12 communities in Michigan were offering foreign languages to elementary school pupils. In 1955, 18 additional cities and towns added foreign languages to their elementary

### Pontchartrain Chapter Of DAR Meets Feb. 21

The 42nd birthday of Fort Pontchartrain Chapter of the Daughters of the American Revolution will be celebrated at a luncheon at the Women's City Club of Detroit on February 21.

A reception in the City Club honoring the regents of the Detroit Metropolitan Area Chapters will precede the luncheon.

Mrs. William M. Perrett will preside at the meeting at which an address on "Jefferson—Patriot and Statesman" will be given by Michael P. Kinsella, Divisional Supervisor of Industrial Education for the Chrysler Corporation.

Following the luncheon, Mrs. Frederick J. Dykstra, chairman of the Good Citizens Committee, will present "Good Citizens Award" pins to winners from high schools in the suburban areas. Receiving pins will be Miss Joan Muehlhorfer from East Detroit; Miss Patricia Roberts from Lincoln Park; Miss Dorothy Ellen Miller from Melvindale, and Miss Janet Foster from Highland Park.

These students are outstanding in leadership, patriotism, dependability, and service in their respective schools. Mothers of the honored students will also be guests of the Chapter at the luncheon.

Miss Nancy Virginia Kern of California Avenue, Highland Park, winner of the History Essay Contest sponsored by the Fort Pontchartrain Chapter will receive The History Medal for her essay on James Monroe. At the May convocation she will receive the Honor Award.

program so that 10,000 elementary children in Michigan were learning some foreign language by the spring of that year. In '54-'55 the following Metropolitan suburban communities introduced a foreign language into their elementary schools: Ann Arbor, Bloomfield Hills, Dearborn and Royal Oak. In Detroit itself, in '55-'56, six elementary schools were offering foreign language to approximately 3,000 elementary students.

There are major problems in introducing languages into the elementary schools, but a trial program is underway at Mason School. Sixth graders are meeting two times a week to study Conversational French or Conversational Spanish.

Mason started the foreign language program for 6th graders in 1955 under the impetus of interested teachers who wanted to see foreign languages developed at the elementary school level.

Certainly this is one area where our Grosse Pointe elementary schools need encouragement, in developing a foreign language program.

### Former Pointer Stabbing Victim

Two women, one daughter of Pointe residents, were stabbed by two hoodlums in Chicago on Monday, February 10. They successfully beat off their assailants, until a Chicago transit detective, Albert Nicpon, 57, came to their aid. He fired three shots, scaring the hoodlums away, but not before he was also stabbed.

Miss Ann Dykstra, 24, daughter of the Bennett J. Dykstra of 1460 Wayburn, was treated at the Cook County Hospital for stab wounds.

Most seriously injured was Betty Kime, 22, of Chicago, who was also treated at the hospital.

Nicpon's shots attracted city police who ran down one of the attackers, Harry Marshall, formerly of Vicksburg, Miss., who said his companion was Johnny Lee Tribble, 25, of Chicago.

Police said Miss Dykstra and Miss Kime, and two other girl friends were returning from a movie when accosted by the hoodlums, who forced the girls at knife-point into the transit station cellar, where they stabbed them. The girls screamed attracted Nicpon, while he was making his rounds.

Miss Dykstra lives in a rooming house in Grand Rapids, Mich., and is a bank teller in that city. She and the two other girls were visiting Miss Kime, whom they knew in Grand Rapids.

—Photo by Paul Gach  
Mr. and Mrs. Elmer C. Van Tiem, of Whittier road, announce the engagement of their daughter, LYNN, to Thomas F. McGann, son of the Francis T. McGanns, of Parkside avenue.

The bride-elect is a senior at the University of Detroit. She also attended Michigan State University where she was affiliated with Pi Beta Phi.

Mr. McGann is an alumnus of the University of Detroit and a member of Tau Beta Pi and Alpha Chi. They plan to be married in August.

## Schools Offer Organ Lessons

Class organ lessons will be given at Kerby School starting on Thursday, February 20, at 7:45 p.m. The lessons will be planned to meet the requirements of either the beginning performer who is not acquainted with the keyboard, or the individual who already has some knowledge of the piano keyboard and wishes to transfer to organ.

Instructor for the class will be Dr. Winnifred Fenton, who has studied with Laura Grant Short, a pupil of Marcel Dupre. Dr. Fenton has a Master of Music degree from the American Conservatory of Music, Chicago, and received her doctorate from Wayne State University this last June.

At present, Dr. Fenton is Elementary Music Counselor of the Grosse Pointe Public School System. She has previously been on the staff of Southeast Missouri State Teachers College, Hope College at Holland, Michigan, the American College at Holland, Michigan, and the American Conservatory in Chicago.

In addition to the instruction in this class, Jack Dommier, Detroit entertainment organist recognized throughout the metropolitan area, will give several performances for the group.

Although desirable, it will not be necessary to have an

organ in the home in order to enroll in this group; a keyboard instrument such as a piano would be helpful. An electronic organ will be used in class work. The course will run for 15 weeks with enrollment fee of \$12.

In addition to the class in Organ, Dr. Fenton is conducting a class in Piano for adult beginners at Monteth School on Wednesday evenings. Information and class reservations may be obtained by calling the Department of Community Services of the Grosse Pointe School System, at TU. 5-3808 or TU. 5-0271.

More time for your family... WITH  
A MODERN GAS DRYER

A modern gas dryer saves you lots of needless drudgery! An even nicer bonus is the fact that you have so much more time for your family.

A modern gas dryer spares you hours of back-breaking work each week. No more hauling heavy baskets of wet clothes out to the line, hanging up clothes, taking down clothes. No weather worries, either—you do the laundry when it's most convenient—day or night.

Gas dryers are far more economical, too. They run for a whole hour for only two cents—one-fifth the cost of other automatic dryers. Choose a modern gas dryer today from models on display at Gas Company and Dealer showrooms.

## Pointe Business Notes

Dr. Leon A. Sweet, vice president and director of research for Parke-Davis, today announced the appointments of Albert L. Rawlins as assistant to the vice-president and Dr. Larry M. Wheeler as director of product development.

Rawlins, who has been with Parke-Davis 30 years, has been director of product development since 1952. In his new position, he will be responsible for coordinating of new products for the company. He lives at 939 Roslyn, Grosse Pointe Woods, Mich.

Dr. Wheeler, who joined the pharmaceutical firm in 1943 as senior research chemist, succeeds Rawlins as director of product development. Dr. Wheeler is a native of Bethany, Mo., and obtained his Ph.D. degree in 1943 at the State University of Iowa. After serving as senior research chemist at Parke-Davis for four years, he was appointed assistant director of product development. A member of the American Chemical Society and the American Pharmaceutical Association, Dr. Wheeler lives with his family at 769 Loraine, Grosse Pointe, Mich.

Stewart Hanger of 5 Radnor circle, chief of the Detroit Bureau of the Fairchild Publications of New York, announced his office has taken up larger quarters in the Farwell Building, 1249 Griswold. The branch moved from the Michigan Building where it had served the Detroit area for more than 13 years.

Joseph M. Dodge, chairman of The Detroit Bank and Trust Company, has announced several Pointe promotions, effective as of the Board of Directors meeting on Tuesday, January 21.

Dexter Ferry, of 368 Notre Dame avenue, was appointed an assistant vice-president of the firm. A native Detroit, Mr. Ferry is active in many community affairs. At present he is a trustee of the Grosse Pointe University School and treasurer of the Michigan Children's Aid Society.

John E. Park of 79 Cambridge road, has been appointed an assistant trust officer. He started with the Bank in 1953 and is active in the Christ Church and Dartmouth Club of Detroit.

Mark C. Stevens was made vice-president in the Trust Department. Mr. Stevens currently serves as consul for Thailand. He and his wife lived at 280 Moross road.

Cleveland Thurber, Jr., of 34 Edgemere road, has been appointed an assistant trust officer at the Detroit Bank and Trust Company. Mr. Thurber started with the Bank in 1948. He is a coach for the Grosse Pointe Little League Baseball Team.

The appointment of Lynn Stedman, Jr., as president and general manager of the Crawford Door Sales Company of Detroit was announced this week by L. G. Stedman, Sr. L. G. Stedman, Sr., founder of the firm 27 years ago, will continue to serve the organization in an advisory and selling capacity.

Crawford Door Sales Company of Detroit, under the direction of L. G. Stedman, Sr., was the first Crawford Door distributor franchised to sell and install garage doors after the incorporation of the Crawford Door Company as a manufacturing concern in 1930. It has grown at a rapid rate and today is one of the largest Crawford distributors. The Crawford Door Sales Company also distributes and installs the General Motors Delco-Matic Garage door opener.

Prior to his appointment Lyman Stedman, Jr. worked ten years for the company, most recently serving as Sales Manager and Secretary.

A graduate of the University of Michigan School of Business Administration, he also served as a naval officer in the Pacific during World War II.

Parke-Davis has announced the promotion of Donald A. Swanson to manager of the pharmaceutical firm's Detroit sales branch.

At the same time C. J. Cowles was appointed manager of Parke-Davis' hospital and biological sales department to succeed Swanson.

Both Swanson and Cowles reside in Grosse Pointe (Swanson at 1158 Hawthorne and Cowles at 235 McMillan).

### IDENTICAL RECORDS

Detroit's record for traffic accidents involving children in 1957 was virtually identical to the record established in 1956, according to a report released by Lieutenant Reynier Staats of the Detroit Police Department Traffic Safety Bureau.

In accidents involving pedestrians and bike riders from age 0 through 14 years, there were 19 fatalities in 1957 compared with 20 in 1956, and there were 2,090 injuries as contrasted with 2,089 in the prior year, the report shows.

However, there were 44 more children injured as passengers last year than in the previous year and there were five children killed while passengers compared with four in 1956.

### PLAN BRIDGE DEDICATION

Three-day Mackinac Bridge dedication ceremonies scheduled to start June 26 and climaxed by the official dedication on Saturday, June 28, will be headed by Detroit Edison President Walker L. Cislser. In an announcement, Prentiss M. Brown, Chairman of the Bridge Authority stated that the objective of the celebration will be three-fold; first, to give our state added national recognition as a leader in economic, industrial and agricultural development; second to join the two peninsulas in a far-reaching program to stress the outstanding resources of our people, our land and our industries; and third, to highlight the recreation advantages of Michigan's vacationland.

## Company Has \$331,000 Waiting to Be Claimed

Michigan Consolidated Gas Company has \$331,000 sitting in a bank just waiting to be claimed by its customers. Some of it has been there for two years with no takers.

All of the money that isn't claimed within seven years will be turned over to the Michigan State Board of Escheats, in accordance with the law, but not before a lot of gum shoeing has been done.

The money represents what is left of refunds from two of the utility's pipe line suppliers for gas purchased from them in 1952, 1953 and 1954. During that period both pipe lines placed rate increases in effect which were higher than those finally approved by the Federal Power Commission. The difference was returned to Michigan Consolidated for refund to its customers.

Paul Ewers, commercial office manager of Michigan Consolidated, said \$189,000 in refund checks are in the hands of customers who just haven't bothered to cash them. Some \$5,000 such checks worth \$43,000 were mailed over two years ago.

Another \$142,000 has been classified as "unclaimed," since the company can't find the rightful owners. A crew of six girls and two men have been searching out these people for months with some degree of success, but many just can't be found, Ewers said.

He pointed out that when a refund check is returned in the mail the special crew checks it again current records for a better address. If one can't be found they comb customer history files back through the years for the last known address. If this doesn't turn up a better address and the check is for \$10 or more, a field investigator is assigned to question the former customer's neighbors.

One man who had moved to India got his check because he sent a friend a post card. A woman now living in New Mexico received her check because she remembered a neighbor with a Christmas card.

A little girl received a check made out to her father who had died the year before. She couldn't cash it so she returned it to the company with a note saying it was too bad since she needed the money to buy a pair of new shoes for Christmas. She got her shoes.

Michigan Consolidated sent out some two million checks in making the two refunds. The first was completed in February, 1956, for gas purchased by customers between December 21, 1952 and November 30, 1954. Of the \$3,605,000 distributed, \$77,000 remains undistributed or uncashed. This money will be turned over to the state within five years.

The second refund was completed December 31, 1957 and amounted to \$4,087,000, of

## Park Officer Resigns Post

Park Patrolman Charles Cloar resigned from the police department on Wednesday, January 29, it was announced by Police Chief Arthur Louwers. The chief said the resignation took effect at once.

Cloar, who had been a member of the force since June 3, 1955, gave his reason for quitting, as having moved beyond the prescribed residential area limits permitted a Park officer. His home is now in St. Clair Shores.

## City Inspects Boys in Blue

According to a city ordinance, the police and fire departments of the City of Grosse Pointe must subject themselves to an annual inspection of their clothing and equipment by the Public Safety Commission.

This inspection was conducted by Commission members David Burgess, Kenneth Bergmann, (both Council members), and John Mazer (civilian member of the Commission) last Saturday, February 8. All was found to be in good order, with the exception of a couple of minor inadequacies, most important of which indicated the immediate need for half a dozen new hats, (to replace old, worn helmets), for the fire department.

## Engaged

—Photo by O'Connor  
Announcement is made of the engagement of CAROL BEYSCHLAG, daughter of Mrs. Charles Beyschlag, of Colonial court, and the late Mr. Beyschlag, to G. Richard DeBolt.

The bride-elect was graduated from Liggett School and Carleton College. She is a member of Tau Beta.

Her fiancé, son of Mrs. G. Her DeBolt, of North Renaud road, and the late Mr. DeBolt, is an alumnus of the University of Michigan where he was a member of Theta Xi. A June wedding is planned.

## Musicale Plans Opera Feb. 18

Fifteen members of the Tuesday Musicale Grass Roots opera company are rehearsing for a morning opera production.

The group will present "Monette" by Jeanellen McKee on February 18 in the Art Institute Lecture Hall at 10:30 o'clock.

The eighteenth century farce will present guest artist Cyril Wezemael in the starring role with Charlotte McCray and Marie Wilson.

Also in the cast are Mary Pardee, Mrs. Marion Jewell, Anne Molloy and Beverly Stief. Mrs. Ida K. Cordes is directing the opera, and pianists are Gladys Carson and Margaret Clifton. Mrs. F. D. Lorentzen Jr., and Alice Finney are in charge of stage management.

Put your property in your wife's name before starting out to beat the other fellow at his own game.

## Tuxis Club Members Busy Preparing Variety Show

"Flying High" is the title of the tenth annual variety show of the Tuxis Club of the Grosse Pointe Memorial Church. Due to popular demand, three performances will be presented again this year on Thursday, Friday and Saturday nights, February 27 and 28 and March 1 in the Parcels Junior High School Auditorium, Mack at Eight Mile road.

The curtain will rise promptly at 8:15 o'clock. Capacity crowds are expected.

This year, if such a thing is possible, the Tuxis show looks better than ever. Planning for it began immediately following the final curtain of last year's production when cast members in the dressing rooms, as they removed their grease paint, could be heard talking about ideas for "next year's show."

Many of the numbers were created during the summer vacation months, and practice began in the fall. Since Christmas the church house has been full of young people preparing for what they hope will be the best show Tuxis has ever put on.

Nearly every afternoon and on Saturdays, groups of high school boys and girls have been practicing intricate chorus routines, specialty dance numbers, comedy skits, and singing and dancing production numbers. Every Wednesday afternoon the mixed glee club has been meeting in earnest rehearsals.

Artists have been designing and painting the colorful backdrops which will be used in the big production numbers. At home members of the cast have been doing much cutting and sewing as they make their costumes.

Dan Murphy is directing the 14-piece band which has been hard at work for months rehearsing their own special numbers, and now as the show time is near at hand the band is practicing with the different chorus lines.

Many parents are playing an important part in assisting in the rehearsals and in the making of the scenery and the costumes. On the nights of the three performances many parents will also assist in the success of the show by serving in one capacity or another behind the scenes.

Mrs. Albert Sllimon and Chet Sampson are producing and directing this tenth edition of the variety show. Mrs. John Marshall has created and is directing four of the elaborate specialty numbers. Three modern dance routines were created by the Ravenal School of the Dance. Richard Lofts is the director of the mixed glee club with Janet Collinson serving as the accompanist. Mrs. Charles C. Eades is art director with Mrs. Howard R. Poppen as assistant art director.

Backstage there will be a number of young people assisting the stage managers, Robert and William Bokram. Robert McAdow is serving as sound technician and John Thorne is in charge of all

properties.

Ticket sales are being handled by Elizabeth Leete and Loyal Eldridge. Grade ticket chairmen include Sue Bartholomew, Karen Warmbold, Dorothy Hyne, Sally Lewis, Virginia Pear, Sharon Georgi, Sue Malacek and Martha Miller.

Tickets may be purchased from members of the cast, from Tuxis members and from the church office. Inquiries may be made by calling the church office (TU 5-3773). Adults are urged to attend on Thursday and Friday nights.

All proceeds from the show will go to the Tuxis Club Benevolence Fund. In past years the proceeds have been used to help organizations in Detroit such as the Dodge Community House, the Delray Christian Neighborhood House, St. John's Neighborhood House.

Contributions have been sent to missionaries working in foreign countries, to theological seminaries to aid in the training of ministers and directors of Christian Education, and to the work of chaplains working with the young men in our armed forces.

Officers of the Tuxis Club are: James Carne, president; Sue McKee, vice-president; Janet Collinson, secretary; Remington Purdy, treasurer.

Experience is one thing we never get at marked down prices.

## Maire P.T.A. To Meet Feb. 17

The February meeting of the Maire P.T.A. is scheduled for Monday evening, February 17.

Classrooms will be open from 7:30 to 8 o'clock, and parents are urged to use this opportunity to visit their children's rooms and meet with their teachers.

The program in the auditorium is scheduled for 8.

Hervey Parke, chairman of the program committee, has succeeded in obtaining Dr. Wallace F. Watt as speaker for the evening. He will bring one of his films to illustrate his talk. Dr. Watt is a member of the State Department of Mental Health which has its headquarters in Lansing, where he serves as a consultant on mental health education.

After the program in the auditorium a social hour will be held in the third floor playroom.

Irene Reynolds and her committee will be in charge of refreshments. Members of the social committee include Margaret Hartwig, Fran Howard, Vida Jahn, Evelyn Korbaw, Betsy Kummer, Nancy Lewis, Phyllis McLaughlin, Kitty Radcliffe, Cynthia Stevens, Betsy Stuart, Emily Swartz, and Rachel VanDenBerghe.

It's how you manage credit that counts, claims Lucille Ketchum, extension specialist in home management at Michigan State University. You have to manage credit; otherwise your debts will manage you—and keep you from doing and having many things you want.

## Club to Hear Talk on Herbs

Clarence Faunce, Fowlerville, Mich., will speak on "Herbs: Their Culture, Aromatic and Culinary Qualities" when the Men's Garden Club of Grosse Pointe holds its regular meeting Thursday, February 20, at 8 p.m., at the Grosse Pointe War Memorial Center.

Mr. Faunce will also display named specimens of herbs, since he grows hothouse as well as outdoor varieties. Because herbs are useful in the kitchen, as well as ornamental in the garden, women are invited to attend this meeting. Thomas Robitaille will introduce the speaker and act as

The stove was awarded Mrs. Knapp for being finalist, one of four from the state of Michigan, in the annual, national contest sponsored by Pillsbury and General Electric. The

"Bake-Off" was held at the Beverly Hilton in Los Angeles this year and the contestants were flown to California for a full four days of entertainment usually reserved for royalty. Each finalist was given a General Electric stove, regardless of placement in the "Bake-Off". Here, Mrs. Knapp is shown with her prize recipe cake, which won her the glorious trip and double-range oven.

## Antique Booked by Library's Film Forum

The Grosse Pointe Library and the Friends of the Grosse Pointe Public Library announce as their next Film Forum presentation, the Charles Chaplin "Burlesque on Carmen" and two U.P.A. cartoons, on Friday, February 21, at 8.

A special guest speaker will introduce the films. He is James L. Limbacher, head of the Audio-Visual Department of the Dearborn Public Library, and a student of the motion picture. In addition to his duties at the Dearborn Library, Mr. Limbacher is the drama and motion picture critic for the Dearborn Press, and is the host on the Dearborn and Grosse Pointe Libraries' television program, "Vista." A graduate of Indiana University, with a master's degree in Audio-Visual Education, Mr. Limbacher is now at work on his doctorate in Education.

"Burlesque on Carmen,"

filmed in 1915, was one of the first of the four-reel comedies, and Chaplin's first move toward feature-length films. It was actually a parody of Cecil B. DeMille's epic production of the opera, which had just been released. Chaplin's wit and natural instinct for satire found a perfect subject in this lavish, easily over-acted drama, and took full advantage of the situation. The synchronized musical score, based on excerpts from the opera, is in itself a caricature worthy of note. Bernard Shaw once said that Chaplin is "the only genius in motion picture."

The two U.P.A. cartoons which have been chosen as a complement to the Chaplin farce are already classics in their own field: "Gerald McBoing-Boing" and "Madeline."

United Productions of America—famously known as UPA—is the new movie-cartoon studio that has recently

worked to the fore as a virtually revolutionary producer in the field of animated film. U.P.A. is imposing what amounts to the spirit and style of modern art upon the traditionally romantic and restricted area of the movie cartoon. Much as Disney brought a freshness and new vitality to the animator's art with his impish and whimsical little animals a quarter century ago, so U.P.A. is now opening windows by moving away from juvenile whimsy and fairy tales and developing sophisticated techniques for the picturing of family adult themes.

# Joseph Grimond to Speak Here

## Monthly Award Open To Pointe Policemen

Pointe policemen are now eligible for the "Policeman of the Month" award, sponsored by the Detroit Times; it was officially disclosed by Park Police Chief Arthur Louwers.

Nominations must be in writing and must be sent to the Police Award Committee in care of the Times.

A policeman of the month can be cited for bravery, unusual alertness or intelligence, life saving, protection of property, advancement of human benefits and exceptional civic activities.

The policemen are nominated by their respective chiefs, who must submit the names of candidate by the 15th of each month.

Judging is done by a Citizens Committee of the Red Cross, the Traffic Safety Association and the One Hundred Club.

election Mr. Grimond toured for a time with the campaign parties of each candidate. Most recently he has engaged in an extensive exchange of letters with Erwin Canham, chief editor of the "Christian Science Monitor" which letters have been published by both the "Monitor" and the "London Observer."

This address is open to the public free of charge. Coffee follows.

### HOW TO PROFIT THROUGH TAX EXEMPTION

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investing the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable yield from a 3.50% tax-free bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone

### Science Program Given Students

Six students living in the Pointe were among the 300 outstanding junior and senior class science students selected to participate in the second national Science Youth Day program on Tuesday, February 11, the 111th birthday of Thomas A. Edison.

The program, an annual event, was sponsored by the Engineering Society of Detroit, and introduced the students to opportunities in science and engineering. Twelve firms were hosts to the boys, taking them on tours through their plants.

After the tours, the companies transported the groups to Greenfield Village for luncheon at Lovett Hall.

A highlight of the Greenfield trip was a visit to Edison's laboratory, where the students were treated to demonstrations of the inventor's early inventions, including the first phonograph.

Those who took part in the program were: Frank Munger of 211 Lakeview; Allen Schaefer of 1550 Fairholme; Tom Hammer of 905 Berkshire road; Martin Krammer of 1854 Lancaster; Martin Peters of 442 St. Clair; and Michael Slimko of 862 N. Brys drive.

### Betrothal Told

At a family dinner party on February 11, the engagement was announced of BARBARA ANN LABROSKI to Chester J. Marrs, Jr. She is the daughter of Mrs. Gladys P. LaBroski and the late Lester J. LaBroski.

Her fiancé is the son of Mr. and Mrs. Chester J. Marrs, of Wayburn avenue.

The bride-elect is a graduate of St. Paul's High School. Mr. Marrs was graduated from Denby High School. The couple plan a November wedding.

### Cub Pack 39 Holds Dinner

Toby David, better known to all as Captain Jolly, entertained the scouts of Cub Pack 39 at their annual Blue and Gold dinner.

Heartily responding to his invitation to join him on the "wharf," the boys gave imitations of Popeye, Olive Oil and Pluto. They were generously rewarded for their efforts and enjoyed hearing their parents sing "Popeye" before he left.

This dinner took the place of the monthly pack meeting and the retiring Cubmaster, Wit Ballew, was presented with a gift to show appreciation of this four years in this pack.

All den mothers were given corsages and new den mothers announced as follows:

Den 3—Mrs. Long, TU 1-9114.

Den 4—Jeanne Ballew, TU 1-3794.

Den 5—Harriette Seyler, TU 4-4127.

Den 6—Mrs. McCaughrin, TU 1-1437.

New recruits are welcome to call Mr. Walker at TU 2-9133 for applications and information concerning this group.

### Delta Gamma Alumnae To Meet On February 18

The Alumnae of Delta Gamma will usher spring in on February 18 learning the technique of flower arrangements from their speaker, Mrs. James Sheridan.

The meeting will be held in the home of Mrs. Harold Mair, 62 Hall place, at 8 p.m.

### St. Peter's Home Boys To be Guests of Church

Fifteen youths from St. Peter's Home for Boys will be entertained at a supper and dance in Miller Hall, Christ Church, Friday, February 14.

Women of the parish, and a member of teen-aged volunteers from the Canterbury Club will act as hostesses for the night.

St. Peter's Home for Boys is operated by the Episcopal Church and is situated in downtown Detroit.

Decorations will express a St. Valentine theme.

### Sailorettes To Hold Tea

The Detroit Yacht Club Sailorettes will hold their annual tea at the home of Mrs. William O'Reilly at 1059 Bedford road, on February 15, between 2 and 4 p.m.

At this time, the new Sailorettes who received their skipper cards last summer will be honored as special guests.

Social chairman Mrs. W. E. Christian assisted by Mrs. Donald Gifford, Mrs. Donald Hunter, Mrs. Kenneth Scott, Dr. Irma Mortensen, and Mrs. Howard Donaldson have been busy completing arrangements for this first social activity of the 1958 Sailorettes' season.

The pink and white tea table will be presided over by Mrs. Charles Kaiser, Mrs. John Weyand, Mrs. Robert Hesse and Mrs. Wray Bailey. Adding to the color scheme will be a floral display of pink carnations, white ranunculus, and freesia. Individual valentine corsages will be given to each sailorette as a memento of the occasion.

### Elizabeth Cass Chapter Holds Award Meeting

Elizabeth Cass Chapter, Daughters of the American Revolution, met at the Womans City Club on February 3.

A review of the "Courtship of Mr. Abraham Lincoln" by Ruth Painter Randall, was read by Mrs. Ward Simonson, a member of the chapter.

The presentation of the Good Citizenship Pin, a D.A.R. award given to an outstanding High School Senior student, was given to Miss Christine Sikorski of Eastern High School. This pin was presented by Mrs. L. H. Orebaugh of Grosse Pointe. Miss Sikorski was chosen for dependability, service, leadership and patriotism.

Mrs. James, Hilty gave a short review of the life of President James Monroe.

### Film to Show Toy Countries

Nicol Smith, ace photographer and world traveler, will show his color film, "Toy Countries of Europe," at Detroit Town Hall. He will speak, Monday morning, February 17, at 11 o'clock in Ford Auditorium.

Countries shown in Nicol's travelogue include Monaco, home of Prince Ranier and Princess Grace; Andorra, the story-book country between France and Spain; Liechtenstein; and San Marino, a republic founded in 300 A.D. which is rich in history and medieval pageantry.

Tickets for the program are at Grinnell's, WO 2-1124, or at the Auditorium, morning of event.

### Suburbia Garden Club Makes Arrangements

### Is he curious?

The world awaits another Edison.

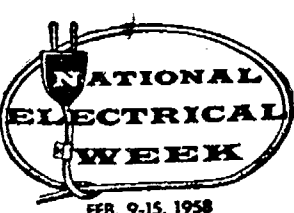

He could be your son.

During his lifetime Thomas Alva Edison "lighted the world" with the electric light, reproduced voices and sounds with the phonograph, pioneered in developing movies and radio. Over 1100 important inventions were his because—like your boy—he simply wanted to know.

But, we are told, one Thomas Edison in a generation is no longer enough to sustain our kind of progress. The need is for thousands—educated young people, trained to harness their curiosity about the unknown.

Right now American industries are trying to encourage the natural curiosity of the young—with assistance in education and training and good-paying jobs, as well. You can be sure your electric light and power company is a part of this movement.

We owe a lot to Tom Edison. We'd like to help your boy to be like him. We salute both on February 11th, 1958—SCIENCE YOUTH DAY—and also Mr. Edison's 111th Birthday.

## Opera Company To Give Recital

The Michigan Opera Company will present an Opera Workshop Recital at the Park cells School auditorium, Mack at Eight Mile road, on Saturday evening, February 15, at 8:15 o'clock.

The purpose of the recital is twofold: first, to give promising young members of the company an opportunity to perform and second, to raise much needed funds for the Michigan Opera Company to carry on its work of presenting complete operatic performances with local artists.

The musical director of the Michigan Opera Company is Francesco Di Biasi. Harold Mack is in charge of stage settings and accompanists for the evening will be Victor Dyni and Christine Harnsberger.

Among the well-known artists of the Company participating in Saturday evening's workshop will be Maria Roumel, Jane Purdy, Ercole Del Giudice and John Swift. Maria Roumel is the star of the brilliant "Tosca" which was presented by the Michigan Opera Company last October in the Ford auditorium.

Tickets for Saturday night's workshop recital may be obtained by calling Mrs. Thomas V. LoCicero, TUxedo 5-6693, or at the Parcels box office. Price of admission, \$1.50.

## Traffic Decreases

Michigan's new year with stantial savings in traffic accidents.

A State Police report that in January were killed 121 in the same month, a reduction of these figures and the death toll to be added to the month will not be up with a credit side.

The 1958 goal at a saving under the deal in 1957, or 15.

The January toll the lowest for 1952, when 81 was the toll. The last 22 have been reduced compared with month the previous.

It was pointed out that it will be difficult to meet in January, have to be months in which marked reduction. In February, persons lost year, which was previous five-133.

In addition, toll is nearly the total of in 1955, which goals harder.

Michigan's 1957 now stands under a year national saving. The national total at 38.

## Traffic Deaths Decrease Again

Michigan started out the new year with another substantial saving in lives lost in traffic accidents.

A State Police report shows that in January 63 persons were killed as compared to 121 in the same month a year ago, a reduction of 38. While these figures are provisional and the death toll is expected to be added to with the receipt of delayed reports, the month will nevertheless wind up with a fine net on the credit side.

The 1958 goal has been set at a saving of 10 per cent under the death total of 1,519 in 1957, or 152 lives.

The January death toll was the lowest for that month since 1952, when 81 were killed. It was the twentieth month of the last 22 in which there have been reductions in deaths compared with the same month the preceding year.

It was pointed out, however, that it will be increasingly difficult to maintain the pace set in January, as savings will have to be made against months in which there were marked reductions a year ago. In February, for example, 96 persons lost their lives last year, which was 27 below the previous five-year average of 133.

In addition, the 1957 death toll is nearly 500 lives under the total of 2,016 who died in 1955, which makes new goals harder to attain.

Michigan's death toll for 1957 now stands at 13 per cent under a year ago, whereas the national saving is 3 per cent. The national death toll is estimated at 38,500.

## Women's Service Group Plans Membership Tea

The American Women's Voluntary Services of the Detroit Metropolitan Unit, will hold its spring membership tea at the home of Mrs. Stanley Eccleston, 14599 Glastonbury road, on Monday, February 17, from 2 to 5 p.m.

Co-chairmen of the affair are Mrs. A. M. Bruce, Mrs. G. S. Bush, Mrs. Phyllis McCullough and Mrs. Fred Piesselmann.

## G.P.U.S. News Notes

The 7th grade boys were hosts Friday night, January 24, to the 7th grade girls at a square dance party held in the Grosse Pointe University School multi-purpose room. The dancing was preceded by a spelling bee, won by the girls, with individual honors going to Leslie Pearce. Teacher sponsors were Mrs. Kay Welchenbach and Mr. Philip Perkins. Caller for the dances was Mr. Samuel Shreeman.

Friends of the old Detroit University School will be interested to learn that Dr. Emile Kauder, who taught at D. U. S. during the 40's, is studying at Harvard this year on a grant while he prepares a book in the field of economics. We have this word from Dr. Hugh Stalker, former G.P.U.S. School physician, who, with Mrs. Stalker, is stopping briefly in Cambridge before going to New York where they will embark for an eight months stay in Europe, mostly in Italy. Dr. Stalker reports that "Dr. Kauder looks very well and is quite affable." He teaches at Wheaton College in Illinois. His wife, too, is a teacher, in the field of Spanish. Their children are now aged ten and thirteen.

The English departments of G. P. U. S. and Cranbrook School, of Bloomfield Hills, met together for a dinner and discussion meeting at G. P. U. S. on Wednesday, January 29. They discussed their mutual interests, with particular emphasis on means of stimulating good writing.

The annual Audubon Society lecture was given to both upper and lower school students on Friday, January 24. The speaker, Mr. Robert Hermes, discussed "Wildlife in Venezuela." He accompanied his remarks with a motion picture in color.

Recent chapel assemblies have been conducted by Headmaster John Chandler, Jr.; by Karen Jocz and Judy Weckler, both of the 12th grade; and by Mr. Donald Roberts. There was also a chapel service given by the following representatives of the 8th grade boys: Donald

Owens, Stephen Parks, James Davis, and Harrop Miller. Mrs. Hortense Robinson is the accompanist at all assemblies.

The teachers of the English department hopefully sent down a fairly large number of entries to the Detroit News Scholastic Writing Awards contest last week. Results of the contest are not published until late March or early April, and the presentation of awards takes place in May.

Selection of winning entries—and entries come from all schools, public, private, and parochial in the metropolitan area—is made by a panel of some 50 or so teachers, assigned to different writing categories. Should a teacher happen to find himself reading a manuscript from one of his pupils or from his school, he passes it on to some other reader. Mrs. Kay Welchenbach submitted the entries for the department. Readers from G. P. U. S. this year will be Mr. Wellington Grimes, Mr. Donald Roberts, and Mr. John Conley.

G. P. U. S. served as a center on January 10 for seniors from this area who were taking College Board examinations.

On Friday, January 24, driver trainer students in the classes of Mr. Samuel Shreeman, as well as a large number of other interested students, attended a movie entitled "All of a Sudden." The film depicted many of the hazards of present-day driving.

Mr. Graham Cragg, assistant athletic director at G.P.U.S., is now back in school and "mending" after a recent hockey accident in which he fractured two ribs and punctured a lung. Mr. Cragg, who was a hockey star at the University of Michigan, sustained the injury in a night game; he plays in a semi-pro league.

## Rotary to Hold Annual Election

At a recent luncheon-meeting held in the War Memorial Center, the Grosse Pointe Rotary Club approved a nomination list for officers for the 1958-59 fiscal year.

The nominees will be voted on at a membership meeting to be held on March 3.

Unopposed for president is Rem Purdy; unopposed for first vice-president is Cliff Ashton.

Nominated for second vice-president are Matt Houghton and Murray Smith; for secretary, Bruce Bockstanz and Gill Hauke; and treasurer, Al DeRiemacker and Ed Taube.

Six were nominated for the board of directors. They are, Herb Baker, Ralph Burke, William Dant, Gerald Fitzgerald, Arthur Louwers and Anthony Manardo.

Robert Orr, the current president, automatically becomes a member of the board when the new president assumes office on July 1.

Presented with an Eagle Award alaphy this month, Scout Arthur Schlenkert, son of Dr. and Mrs. Arthur R. Schlenkert, 271 Merriweather will receive the God and Country award Sunday at Christ Church.

The Rev. E. B. Maynard, rector will present the award at the 9:30 service and read a citation from the Youth Division of the National Council of the Protestant Episcopal Church. Troop 156, Christ Church, will be present to witness the award and in uniform.

The God and Country award, one of Scouting's highest, requires a full year of hard work to earn. Scouts train with the pastor of their own church. There is an award with similar requirements for Roman Catholics.

Scout Schlenkert was prepared by the Rev. Tom Mason of Christ Church, who is one of the assistant scoutmasters. Three other Scouts are now in preparation, some from Troop 156 and some from community troops.

## Medical Auxiliary Entertains Husbands

Grosse Pointe members of the Women's Auxiliary to the Michigan Industrial Medical Association entertained their husbands at a pot-luck dinner Sunday evening, February 9, at the home of Dr. and Mrs. Martin F. Bruton in Stephens road.

Those attending included Dr. and Mrs. Lyndle R. Martin, co-hosts with Dr. and Mrs. Bruton; Dr. and Mrs. Walter W. Hassig; Dr. and Mrs. Earle A. Irvin; Dr. and Mrs. Joseph L. Posch; Dr. and Mrs. Edward M. Rotarius; Dr. and Mrs. Arthur J. Vorwald; and Dr. and Mrs. A. H. Whittaker.

This auxiliary first met as an organized group one year ago this month. Today there are members in 23 cities throughout the state of Michigan, as well as in 13 communities in metropolitan Detroit.

## Gifts To Wayne Total \$129,000

Gifts and grants totaling \$129,000 were accepted by Wayne State University's Board of Governors at its recent January meeting.

Over \$80,000 was from the U.S. Public Health Service, National Institutes of Health, for research projects at the College of Medicine.

The National Science Foundation gave the University \$15,900 for research entitled "Changes in Serum Proteins During Ontogeny of Mammals," under the direction of Dr. Werner G. Heim of the College of Liberal Arts.

Gifts to student aids, for scholarship and loan funds, totaled more than \$10,000. The largest amount was \$3,333 from Mr. Herman Feigenson to begin the Albert Feigenson Scholarship Fund for needy students of high academic standing.

Gifts to the library totaled \$350 while Capital Gifts totaled \$2,550.

It's just human nature for people to overlook their own faults while looking over the faults of others.

## Writers Hear Pointe Experts

More than 100 technical writers and editors heard three Grosse Pointe experts describe their specialties Saturday, February 1, at Wayne State University's "Communications In Industry" seminar.

Philip B. Hopkins of 448 Colonial court spoke on "Training Publications." Theodore J. Wilner, of 1374 Nottingham road, discussed "Technical Writing For Non-Technical People." E. L. Congdon, 436 Barclay, talked on "Promotional Literature."

Hopkins, Wilner and Congdon also anchored a round table discussion on technical writing and editing problems which have assumed greater significance due to the recent launching of the Uncle Samnik.

Sponsors of this seminar with Wayne were members of the new Southeastern Michigan Chapter of the National Society of Technical Writers and Editors Association. About twenty Grosse Pointers active in the writing profession are charter members of this new organization.

## To Honest Abe and the Scouts

Abe Lincoln and the Boy Scouts would have been pretty much in cahoots with each other. Abe would have made a very fine Scout himself, but the movement didn't start until half a century after he had died.

We are observing the anniversaries of the Martyred President and the great youth movement this week. Both symbolize the same concepts which constitute the bedrock of this nation. The Emancipator probably wouldn't have changed a word of the code which has been adopted as a guide to help mold the lives of the millions of youngsters who have benefited by their membership in the scouting organization.

Trust in God, loyalty, patriotism, helpfulness, respect for honor and the truth and tolerance were cherished characteristics of the one as they have become the most important lessons taught to the myriad members of the great group which carries on the proudest banners of our country.

We read with a sickness inside about the hundreds of boys and girls who have been expelled from New York City's public schools, labeled with the brand of chronic trouble-makers and hoodlums. What a pity they could not have been successfully inculcated against their evils through a contact with the scouting movements.

There is always a shortage of adult leaders for these youngsters. Troops cannot be formed unless there are older persons who are willing to sacrifice time and personal pleasures to devote themselves to guiding these young. It requires patience and perseverance and diplomacy and skill and a hundred other attributes, but those who have volunteered to help carry on the great work will tell you the compensation in satisfaction and pride of performance is staggering.

These scoutmasters and council members and executives and the others who have given so much to keep the movement ever growing deserve the thanks of all of us. Their contribution to a lessening of crime and a building of finer manhood and womanhood is incalculable.

On this 48th anniversary we salute the Boy Scouts of America and pray fervently that they shall continue to carry the torch high, throwing the light on all things good and all splendid aspirations.

## It's Your Turn to Talk

We can't quite figure the thunderous silence which has greeted the proposal to carve up the giants of the automotive industry. Or is Congress just sitting on its mail, unopened? It would seem to us that the millions of stockholders in these companies would be bombarding their representatives in the House and Senate with protests against messing into their personal sources of income.

Each and every owner of but a single share of stock in the concerns under question is part and parcel of them and has the right to speak his or her piece, loud and clear. Isn't the management entitled to some pronouncement of either support or antagonism?

And while letting the Gentlemen on the Hill know your feelings about breaking up corporations, you might also pass on some hint about your views on truly monopolistic labor unions and what you would like done about them.

And it wouldn't be a bad idea to say something about starting off any planned maneuver by breaking up more than a bit of the bureaucracy which has been built up by the federal government to the point where we are living under a socialistic economy whether we want to admit it or not.

Let the boys in Washington know what you are thinking. They pay attention to direct mail from constituents. They have to stand for election every so often. Letters from this district should be addressed to Senators Charles Potter and Pat McNamara and Congressman Louis Rabaut.

## What Goes On at Your Library

By Jean Taylor

"Good Morrow, 'tis St. Valentine's Day."

How did the custom of sending valentines originate? There are conflicting answers, but it is generally agreed that it evolved from the Roman festival, Lupercalia. Whatever its origin we find mention of it in Chaucer as early as 1381.

Shakespeare mentions it in several plays and Sir Walter Scott wrote a novel called "St. Valentine's Day," more commonly known as "The Fair Maid of Perth." It crops up, too, several times in Samuel Pepys' Diary.

Today's swain will discover from the diarist, that the 1958 femme is not unlike her counterpart of 1668. Write Mr. Pepys, "Up, being called by Mercer, who come to be my Valentine, and I did give her a guinea in gold for her valentine gift. There comes Roger Pepys betimes, and come to my wife, for her to be his Valentine, whose Valentine I was also, by agreement to be so to her every year: and this year I find it is likely to cost four or five pounds in a ring for her, which she desires."

Book sales are soaring, according to Dan Lacy of the American Book Publishers Council, who cites the many new paper-back editions as one reason for the increase.

"Nine times as many books," he states, "were sold in 1956 as in 1937."

The consensus appears to be that non-fiction these days has the edge on fiction, although a few novels have had an amazing spiral upwards. James Gould Cozzens' *By Love Possessed* was far ahead of all

the other novels of 1957 as to sales. Its publisher, Harcourt Brace, reports 216,000 copies were sold in a period of four months, and declares 1957 the best year in the history of the firm.

The booksellers' poll is an accepted part of many of our American newspapers and book review periodicals, but the only British newspaper to run a best-seller list is *The London Sunday Dispatch*. This was begun only last October.

Among the books listed at that time were H. V. Morton's *A Traveler in Rome*, T. S. Eliot's *On Poetry and Poets*, and Richard Mason's *The World of Suzie Wong*. It is interesting to note that not one of the same titles was on this list a month later, whereas many books on similar lists in America, recur for months on end.

Does Perry Mason's famous creator, Earl Stanley Gardner, have a ghost writer or two stashed away in the skeleton closet? There's been a rumor to this effect, but Mr. Hobson of William Morrow and Company, says "Certainly not." So convinced is he that his firm offers to pay \$100,000 to anyone who can prove that anyone has ever ghosted for or collaborated with Earl Stanley Gardner on any book ever published over Gardner's own name or any of his pseudonyms.

Says Mr. Hobson, "It would be worth \$100,000 and a lot more just to find someone who could write like Gardner. Scores of writers have tried to imitate him. No one has ever put it over."

## Theater to Do 'Front Page'

In just three weeks, the Grosse Pointe Community Theater will present "Front Page," a terse drama about life in a newspaper office as seen by playwrights Ben Hecht and Charles MacArthur.

The play is scheduled for the evenings of February 28 and March 1 in the auditorium of Grosse Pointe High School.

"Front Page" is set in the press room of the Criminal Courts Building in Chicago. The smoky, tense, worldly atmosphere of the newspaper office establishes the mood for

the drama. There, force supercedes justice. The result is a group of characters who are bitter, outspoken . . . and yet, humorous in their own cynical way.

The play is directed by Dean Erskine and produced by Al Johnson. Both have been with the GPCF for several years and have worked in all phases of theatre activities. They have chosen to set "Front Page" in the Twenties, thereby increasing the frantic mood and humorous pitch created by the drama itself.

## Officer Don Collins Takes Course at MSU

Woods Patrolman Don Collins successfully completed a Traffic Supervisor's Course at Michigan State University, East Lansing, from February 3 through February 7.

He attended the course

under a scholarship awarded by the Automobile Club of Michigan.

Among the things he studied were, the importance of traffic records and traffic problems and the police.

## City Manager Plan Popular

A total of 1,556 cities and towns in the United States and Canada have the council-manager plan of government.

Of this number, 104 placed decided in 1957 to operate under this plan, according to the International City Managers' Association.

More than one-half, or 776, of these 1,556 communities adopted this plan during the 10-year period from 1948 through 1957, representing an average annual gain of 78 cities. California leads with 179 places under the council-manager plan, followed by Maine with 131, Texas with 126, Michigan with 113, Pennsylvania with 86, Florida with 83, and Virginia with 68. The population of all places with council-manager government now totals over 31,000,000.

The first council-manager charter was adopted by popular vote 46 years ago. Now 47 percent of all the cities in the United States, over 25,000, have council-manager government, and 42 percent of the cities between 10,000 and 25,000 have this form of government.

A total of 339 city manager appointments were made in 1957. Of this number, 194 men entered the profession for the first time. It is significant that 67, or approximately one-third of the newcomers, had been assistants to managers. Seventy-nine percent of all city manager appointments in 1957 were from outside the city.

More than one-half of the men entering the profession for the first time were under 40 years of age.

In Europe more than 1,200 cities and counties have appointed managers since the end of the second world war. A total of 1,534 cities, counties, towns, and rural municipalities in five European countries have a form of local government that closely resembles the council-manager plan in the United States and Canada. These countries are Norway, Sweden, Ireland, Finland, and Germany.

The Pointe communities are run by forms of council-manager government.

The city manager for the Park is Robert A. Slone, who assumed this post on Saturday, February 1, succeeding Everett B. Lane, who will retire July 1. Mr. Lane will act in the capacity of administrative advisor until his retirement becomes final.

The city manager for the City is Norbert P. Neff, who is elected city clerk by the electors, and appointed city manager automatically by the council.

Sidney DeBeer is the city manager of the Farms; Thomas Jefferis is Village Superintendent of the Shores; and William H. Lange is city administrator in the Woods.

The office of city manager is appointive only, and the managers are responsible only to their respective city councils.

### From Another Pointe of View

By Patricia Talbot

Travel is the best education, the Charles M. Whites believe, and they are treating their two sons, Rickey and Sanny to a deluxe tour.

The boys are studying at the Berkshire School but when spring vacation comes around in mid-March they will fly with their parents to Brussels.

The International Fair will not open until April, but they will catch a preview of the buildings before renting a Volkswagen and driving down the Rhine. Then they will see Switzerland, Italy, the Riviera and the Chateau country of France before the grand climax in gay Paris.

While they are on the three week European jaunt sister Janie White, a GPUS student, won't be green with envy. Her grandmother, Mrs. Theodore J. Richter, will chaperone her on a trip to the West Coast.

They will be the guests of Mrs. Richter's son-in-law and daughter, Mr. and Mrs. William G. Onderdonk, of Altadena, Calif., and also visit Disneyland and Palm Springs before returning home.

Mrs. Richter will be going abroad herself in May for a leisurely trip about the Continent. She plans to be away about two months.

### More Continental News

En route right now to the Mediterranean are Mrs. Robert Barie, of Radnor circle, and Mrs. Rufus Clark, of Harvard road.

The pair will cruise about visiting the Canary Islands, Madeira and other exotic Mediterranean ports. They sailed at the beginning of the week from New York on the SS Independence and will be gone a month.

A colorful post card of the Gardens of Gethsemane reports that Dr. and Mrs. E. C. Baumgarten, of Lochmoor boulevard, are thoroughly enjoying Jerusalem and the Holy lands in general. Next stopover will be Bethlehem and Jericho on their Near Eastern tour.

### Spring Vacation Trips

Fortunate students who are doing well with their books may expect a big trip in spring vacation as their reward.

Mr. and Mrs. Allan Lomax, of Ridge road, are escorting their daughters, Judy and Holly, east during the spring recess from GPUS. They will be visiting relatives in Boston and hope to tour historical New England to perk up the junior misses' interest in their ancestral past.

Mrs. Harold O. Love has just returned from a vacation "just for me" in Clearwater, Fla., but she and her husband have promised daughter Barbara and son Bob that they will have their trip, too. The Loves are thinking about Arizona or Mexico with the Southern weather being so uncertain.

### Garden Lectures

This year the Garden Center has hit on a new idea for their spring lectures to accommodate busy gardeners who won't want to miss one. The series will be held on rotating days from Tuesday through Friday to insure a maximum crowd. The place is the War Memorial and the time 2 o'clock.

The first lecture, this Tuesday, will be on "Gardens of Europe" given by Dr. Robert O. Belcher, professor of botany at Michigan State Normal College in Ypsilanti.

## Lochmoor Invites GPYC to Join Dance

Following Valentine Dinner Dance Saturday Night The Club Will Close for Redecorating; Will Reopen March 22 with Another Gala

Lochmoor Club has extended a special invitation to its neighbor on the lake, the Grosse Pointe Yacht Club (which temporarily closed its doors early this month), to join in a Valentine party on Saturday, February 15th.

Cocktails and hors d'oeuvres at the club are scheduled for 7 o'clock with dinner starting at 8:30. Jack Qualey's orchestra, always a popular favorite at any "do", has been engaged to provide music for dancing. There has been promised a special "Exchange Valentines" dance sometime throughout the evening.

Mr. George West, Jr. has been named chairman of the Valentine soiree, and he, along with Mr. and Mrs. Louis DeHayes, Jr. are up to their ears in red and white hearts, balloons and streamers which will be used to decorate the ballroom.

Unfortunately however, Mr. West will not be able to enjoy the fruits of his labor. Due to a previous commitment he finds that he must fly off to Florida just hours before the party is to begin.

The reservation list is being formed from both clubs among whom are Mr. and Mrs. Walter Powers; Mr. and Mrs. Karl Schmidt; Mr. and Mrs. Wilfred Valade; Mr. and Mrs. Hans Lovisa; Mr. and Mrs. Robert J. Vlasic; Mr. and Mrs. Charles Walker and Mr. and Mrs. John P. Molloy.

Mr. and Mrs. Fred S. Neumann; Mr. and Mrs. Eugene Wallace; Dr. and Mrs. Robert Coleman; Mr. and Mrs. John Giles; Mr. and Mrs. Chester Jankowski; Mr. and Mrs. Nadine Stokely.

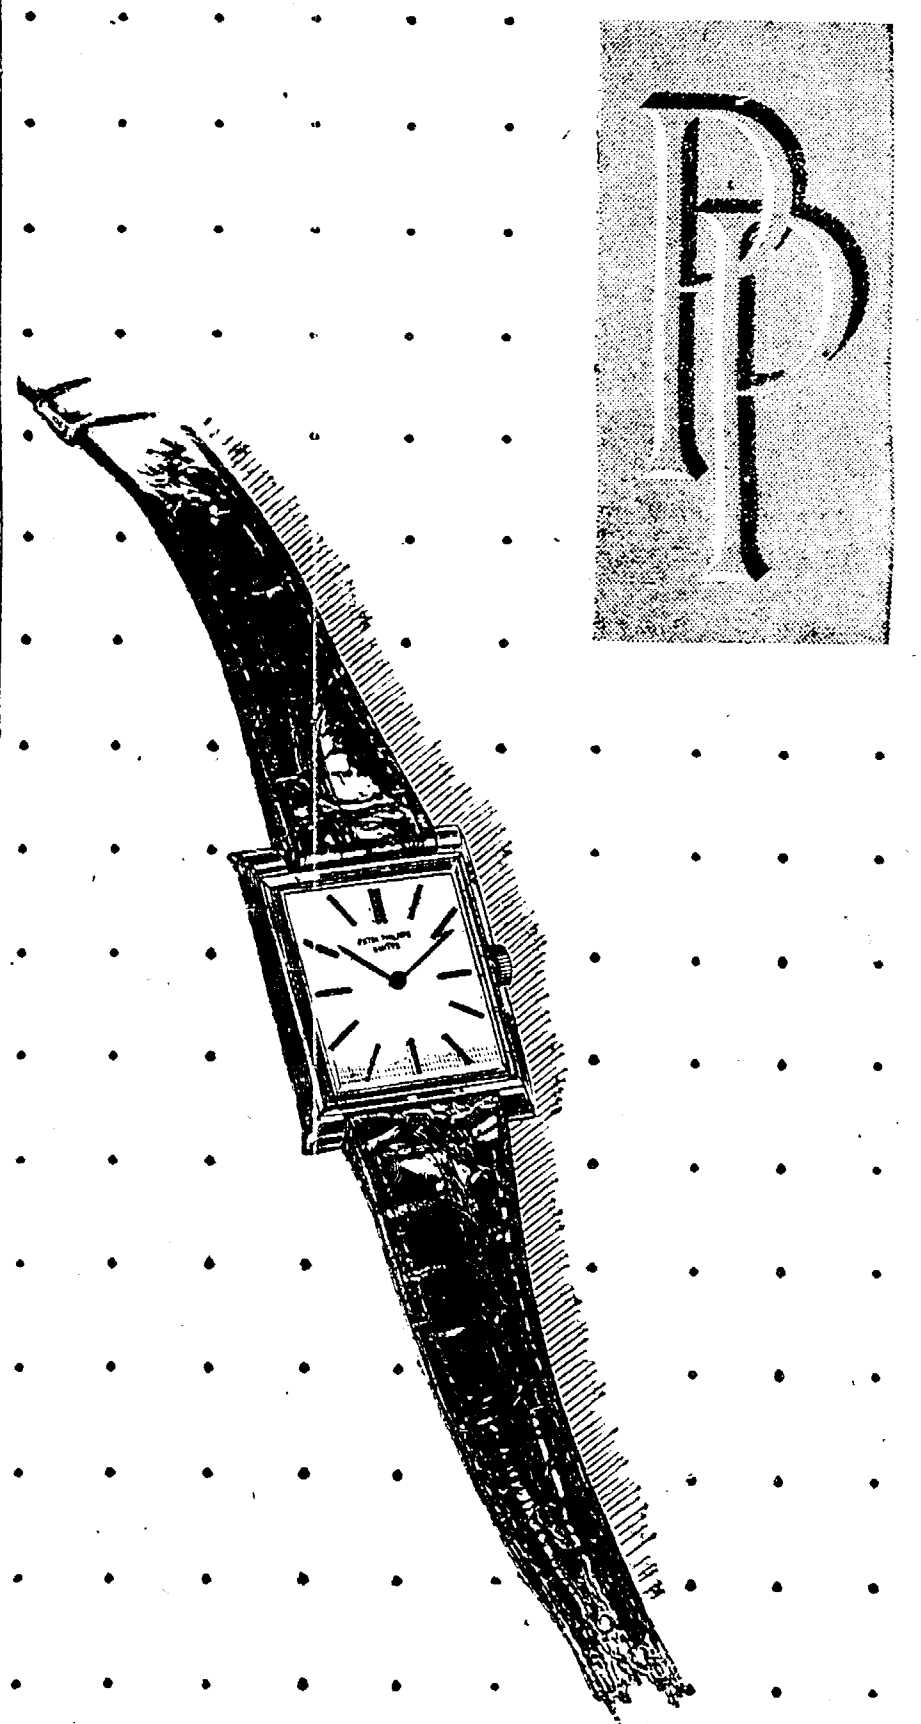

### Girl Scout Troop 612 Has Progressive Dinner

The girl scouts of Troop 612 and their leaders held a progressive dinner on February 12.

The dinner was prepared and served exclusively by members of the troop who are working toward their hospitality badges.

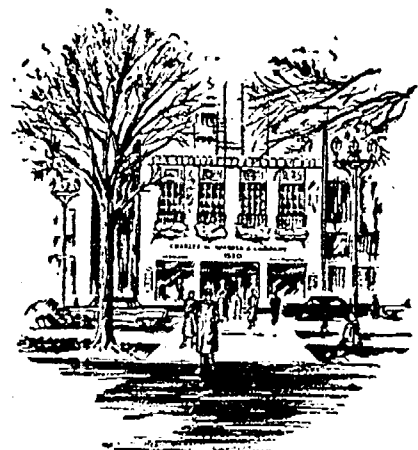

Hostesses for the dinner were Nancy Gould, Karen Stokely, Heather Taylor, Diane Allen and Janice Tantany.

Leaders of the troop are Mrs. Helen Gould and Mrs. Nadine Stokely.

## Ann Woodruff Marries Mr. Ford

Bride Wears Italian Peau de Soie and Alencon Lace For Rites in Grosse Pointe Memorial Church; Travel to Hawaii After Reception

Mr. and Mrs. Horace Caulkins Ford traveled to Hawaii after their marriage Saturday evening in Grosse Pointe Memorial Church and the reception at the Country Club.

The former Ann Robinson Woodruff, daughter of Mrs. Donald M. Woodruff, of Lewiston road, and the late Mr. Woodruff, wore a gown of Italian silk peau de soie fashioned with a scoop neckline outlined in Alencon lace.

A cap of matching lace held her long illusion veil and she carried gardenias and trailing ivy.

Ruby red velvet full-skirted frocks were worn by the bridesmaids. The gowns were scoop-necked and encircled with matching satin cummerbunds which tied in a big bow. Their hats were circles of red satin edged with pink satin.

Donna Woodruff, her sister's honor maid, carried pink carnations and American Beauty roses. The attendants, carrying pink carnations, were two more sisters, Mrs. John Ingold, of Toul, France and Mrs. William H. Race. Others were Mrs. Frederick Ford, Jr., Joan LeGro, Martha Hubbard, of Rydal, Pa., and Mrs. W. Howie Muir II, of Simsbury, Conn.

The bridegroom, son of the Frederick S. Fords, of Lewiston road, asked his brother to

be best man. Seating the guests were Frederick S. Ford, Jr., William H. Race, Eugene Howard, Bruce Davent, Donald Cardozo and Martin Oetting.

For her daughter's wedding Mrs. Woodruff chose an emerald satin gown and wore green orchids. Mrs. Ford was in sapphire blue satin with white orchids.

When the couple left for Hawaii the bride wearing a blue wool dress trimmed with white lace. They will make their home on Lee Gate lane.

Canned and frozen peas take the spotlight in February for being a most plentiful food item, according to Detroit Consumer Marketing Information Agents. Canned and frozen peas are easily and quickly prepared. They can be served buttered or creamed, in casseroles, souffles or omelets, and with eggs, cheese and seafoods.

With such a wide, wide world it's a mystery why some people live on such a narrow margin.

## Shores Garden Club Meets

The Grosse Pointe Shores Garden Club met last Friday, February 7, at the Lochmoor boulevard home of Mrs. A. T. Wilson for luncheon.

Mrs. Carson Wallace was the co-hostess. Dr. Robert O. Belcher, of Ypsilanti, spoke on "Go Down to Kew in Lilac Time" and showed color slides. Dr. Belcher took his pictures while a Fulbright Scholar at the Royal Botanical Gardens, in London, and later in the season will lecture on "Gardens of Europe" at the Grosse Pointe Garden Center.

Broilers and other meal time-savers work miracles for the busy modern homemaker. But, time saving is strictly taboo when it comes to cooking fresh pork, warns Detroit Consumer Marketing Information Agents. You may poo-poo the idea of never broiling those inch-thick pork chops, but the fact remains that you are not only losing much of the flavor, but are endangering your health.

When you're shopping for fish, you may find fish sticks, fillets of ocean perch, and yellow perch among the most plentiful at this time of year, according to Detroit Consumer Marketing Information Agents.

## Muggletons Wed 30 Years

Mr. and Mrs. George E. Muggleton, of Balfour road, celebrated their 30th wedding anniversary Tuesday night.

It was a family gathering at their home for cocktails and then dinner at London East. This was a last reunion for the Muggletons for Mr. Muggleton is leaving soon for Brazil.

At the party were daughters, Dolores and Kathleen Muggleton and a son-in-law and daughter, Mr. and Mrs. Duane Utech, of Rochester, Mich.

## College Group Shares Talent

Mrs. R. C. Sheridan of Harper Woods was hostess to members and their talents at the meeting Monday of the Eastside Stephens Alumnae Group. Assisting her was Mrs. Frank Ogan of Detroit.

Although the evening's program was labeled "Talent Display," the talented membership was asked to share their motivation and method secrets.

Treasured recipes were shared, cost and time consumption were discussed about various knitted projects, upholstery short-cuts were given, doll clothes admired, and amateur artists displayed their creations which they explained were easily accomplished by the novice.

Among Grosse Pointe members, talents included: Scandinavian knitting and quilting by Mrs. K. F. Bergmann, a delicious confection by Mrs. J. S. Smith, china painting by Mrs. Robert Knapp, hand made knitted dress by Mrs. G. L. Kenny, and an exciting buffet supper menu shared by Mrs. Thomas E. Coulter.

The food items were given to the guests at the end of the evening. Dessert and coffee concluded the meeting.

In place of a monthly meeting in March, a joint bridge-luncheon with the Westside and Birmingham Clubs will be held Tuesday, March 25, at Stouffer's in Eastland. Tickets may be obtained from Mrs. Robert Knapp, TU 4-2737.

April 14, monthly meetings will be resumed at the home of Mrs. Alexander Bacon of Harper Woods.

(Continued from Page 13)

A subscription luncheon (\$1.50) will be served at 12:30 o'clock with reservations checked in by Saturday. Call the War Memorial TU 1-4594 or TU 1-7511.

The lectures are free to Garden Center members and their guests and anyone living in the Pointe may become a member by paying a dollar for a year. The dates for the other lectures are February 26: "Birds in Song, Sound and Color"; March 6: "Roses"; March 14: "Iris and Day Lily Culture."

## The Mayor Will Attend

Mayor Louis C. Miriam will snip the ribbon at noon on February 26 signalling the opening of the Junior League Senior Center's First Annual Book Fair at the Center on East Grand boulevard. Another dignitary planning to attend is French Consul Jean Paul Desparmet, for there will be a Gallic theme to the fair.

The decor will be based on the Left Bank of the Seine in Paris with those unique book stalls and editions autographed by the famous will be featured. There will be a copy of "Crusade in Europe" by President Eisenhower and Governor Williams has sent editions of "Let's Look at Our Michigan."

Cafe au lait and French goodies will be served at a colorful sidewalk cafe and an artist will do quick charcoal studies of the guests.

Proceeds from the fair will be used to purchase new books for the Senior Center.

Mrs. Richard Wunsch, Mrs. Edward Skae, Mrs. Howard DeWitt and Mrs. William C. Porter are the Leaguers managing the literary carnival.

## Biennial Luncheon Planned by Council

Motion Picture and Television Organization to Hear Dr. Bushong and Ralph Rust on Monday, February 17

The Grosse Pointe Motion Picture and Television Council is having its biennial luncheon February 17. The purpose is to acquaint the membership of its aims and report to the official heads of the member organizations its influence in stimulating better films in the community and better television programs in the homes.

It is one of the two councils in the country rating television programs.

Ralph Rust, program director of Television Station WJBK, will speak of programming at the local level. He will also conduct a question-answer period concerning this activity.

Dr. James Bushong, superintendent of Grosse Pointe Schools, will tell the council why in 1951 he asked to have television included in the bulletins sent to the homes through the school children.

Dr. Frank Pitt of Grosse Pointe Memorial Church will give the invocation.

Among the guests will be principals of the local schools and the pastors of the Catholic and Protestant churches. Charles Zentgraf, P.T.A. Council president, and William J. Kimbro, Grosse Pointe Library film counselor, will also be present.

The membership of the Grosse Pointe Motion Picture and Television Council is made up of delegates from the churches, A.A.U.W. and all the schools in Grosse Pointe.

The luncheon will be Monday, February 17, at 12:30 p.m., in the Hawthorne House Annex, Mack at Cadieux. Mrs. Thomas Munson is president. Mrs. Hal Cornelius is general chairman of the luncheon.

## Mt. Holyoke Club to Meet

Members of the Mt. Holyoke College Club of Detroit will gather Tuesday evening at the University place home of Mrs. Jack S. Guyton for dinner.

Mrs. Kenneth McCoy, who was the club's representative to a recent meeting on the South Hadley, Mass., campus, will report to the alumnae.

Another speaker will be Miss Alice T. Crathern of the Wayne State University faculty, who attended the inauguration of Mt. Holyoke's new president Richard Glenn Gettell.

Club president is Mrs. Richard Armstrong of Farmington. Other officers are Mrs. Guyton, Mrs. W. T. Kriegerhoff, Mrs. Leonard Horton, Mrs. Stanley Westberg and Mrs. W. H. Ducker.

## Church Circles Slate Events

The Women's Society Circles of the Grosse Pointe Methodist Church will meet on Tuesday, February 18, at the homes of various members.

Alpha Circle will meet at 12:45 p.m., at the home of Mrs. Calvin Goodloe, 30 Willison road. Mrs. Walter Seymour and Mrs. Charles Dickson will serve as co-hostesses. The program will consist of the second part of the study of "Disciples to Such a Lord," presented by Mrs. Sloane Babour. Mrs. Raymond Chambers will give the devotion. The ladies will work on cancer pads during the meeting.

Doris White Circle will meet at 8 p.m., at the home of Mrs. William Monroe, 1197 Hawthorne. Assisting the hostess will be Mrs. Cecil Sessions and Mrs. Fred Krutz. Mrs. R. W. Sarber will lead a discussion on the book "In Every Place a Voice." Mrs. Robert Stevenson will present the devotion for the evening. The circle has adopted a Bakery Basket project for raising funds, whereby one member bakes some delicacy and delivers it to the next member on the list, who makes a contribution for the baked goods, then, in turn, bakes something for the basket and passes it on.

Martha-Mary Circle will meet at 12:45 p.m., at the home of Mrs. John Amneus, 521 Peachtree lane. Mrs. Charles Needham and Mrs. Charles O'Hanissan will be the co-hostesses. The program will consist of a study of the book, "Disciples to Such a Lord," conducted by Mrs. Wallace G. Brownson. The devotion will be presented by Mrs. Clark Pearson.

Naomi Circle will meet at 8 p.m., at the home of Mrs. Robert Smith, 1438 Yorkshire, who will be assisted by Mrs. A. Marvin Atkins and Mrs. Ralph Recor. Mrs. John Clark will lead a discussion on the topic, "Disciples to Such a Lord." Mrs. Fred Asmus is in charge of the devotion for the evening.

Rebecca Circle will meet at 8 p.m., at the home of Mrs. Melville Kennedy, 19799 Ida lane. Mrs. Raymond Crockett and Mrs. Robert Wayland will serve as co-hostesses. Mrs. F. E. Greifenstein will present Part II of the topic, "Disciples to Such a Lord." Mrs. R. E. Beggs will give the devotion for the evening.

Ruth Circle will gather at the home of Mrs. Lyle G. Ritchie, 19958 E. Williams Court, at 12:45 p.m. She will be assisted by Mrs. Charles O. Watkins and Mrs. Hugh Delfs. Mrs. Paul Reed will lead a discussion on the topic "Kingdom Beyond Caste." Mrs. Charles Weatherly will present the devotion.

Susannah Wesley Circle will meet at the home of Mrs. Willis Bullard, 1330 S. Oxford, at 8 p.m. Mrs. Thomas Estes and Mrs. Robert F. Nelson will serve as co-hostesses. Miss Ethel Osborne will present a film, "The High Wall," in connection with the discussion on the book, "Kingdom Beyond Caste." Mrs. John Garber will give the devotion.

Miss Hatzenbuehler To Wed in Autumn

Mr. and Mrs. Donald J. Hatzenbuehler, of Detroit, announce the engagement of their daughter, Donna Marian, to Michael G. Marrs.

He is the son of the Myron F. Marrses, of Barrington road. The couple will be married on October 4.

## Mrs. William A. Waggoner

Mr. and Mrs. Howard A. Westphal, of Lincoln road, announce the marriage of their daughter, JUDITH ANN, to William Albert Waggoner on January 23 in Lansing, Michigan. The bride attended Smith College and the University of Michigan, where she was affiliated with Kappa Alpha Theta Sorority. The bridegroom, son of Dr. and Mrs. C. Stanley Waggoner, of Windmill Point drive, served in the Navy for two years, and is now studying Business Administration at Michigan State University. The young couple will reside in Lansing, until they both finish college.

## To Pay Honor To UCS Aides

Several Grosse Pointers are among those being honored at the Eleventh Anniversary Luncheon of United Community Services' Motor Aides on Tuesday, February 18, at Goodwill Industries, 6522 Brush.

Heading a group of outstanding volunteer drivers who will be presented merit awards is Mrs. George Way Williams of 542 Lakeland. She will be given two citations—one for having donated the greatest number of service hours last year, and another for completing 10 years of service as a Motor Aide. Twice a week, Mrs. Williams has been transporting an eight-year-old girl to and from Children's Hospital for essential treatment on a rare bone disease of the knee.

Another Grosse Pointe resident, Mrs. Leon Crawford of 2138 Hampton road, will receive a five-year award.

Others from this area who will be cited for outstanding records in Motor Aide service

include: Mrs. Albert Bolden, 807 Rivard Boulevard; Mrs. F. Fitzgerald, 115 Lewiston; Joan Henry, 564 Vendome; Mrs. Frank Murphy, 408 Fisher; Mrs. William Sullwold, 724 Shoreham road; and Mrs. Ethel Vortman, 1891 Oxford.

The Motor Aides' luncheon, observing 11 years of service to the community, will feature Dr. Richard C. Hertz, Senior Rabbi of Temple Beth El.

Organized and operated entirely by volunteers, Motor Aides of United Community Services is now the largest motor corps of its kind in the nation today. Its very personal transportation service is for patients referred by authorized agencies. These are ill, blind and handicapped men, women and children in acute need of private transportation to hospitals and clinics for essential treatments.

During the past year, some 146 drivers made nearly 2,000 trips, giving a total of 7831 hours of service.

## Solicit Yarn To Help Needy

The hard working Knitting Ladies of the Neighborhood Club are again in urgent need of scrap yarn.

Since the first of the year the ladies have put together 11 afghans and two baby afghans and they want all to know that this was only possible because of the generous donations of scrap yarn by many people of Grosse Pointe.

Since their group first started immediately at the beginning of the World War II in December, 1941, the ladies have knitted over 800 afghans which have been distributed throughout the world by the Red Cross Cancer Clinic, maternity and nursing homes and to the aged.

Mrs. Donald Corey, who has been the guiding light of the group since its origin, tells that her co-workers, Mrs. Robert Millar, Mrs. Sam Fettes, Mrs. A. J. Nebel, Mrs. Edwin Raul and Mrs. William Mitchell and many others who have worked for several years get tremendous satisfaction out of their work knowing that some ill or lonely person is getting comfort and warmth from their efforts.

Those little left-over pieces of yarn could be used for a most worthwhile cause—even old sweaters—the ladies will unravel if you would either send them over to the Neighborhood Club, 17145 Waterloo, or they would be most happy to call for any contribution at your home.

Call TU 5-4600 and ask for Miss Masak so that arrangements can be made at your convenience.

## Benefit Preceded By DAC Dinners

Detroit Memorial Hospital Auxiliary Sponsors New Cinerama Performance Tuesday Evening; Mervyn Gaskin President of Board, Hosts Party at Club

Many Pointers turned out for the Detroit Memorial Hospital Auxiliary's benefit performance of "Search for Paradise" the new Cinerama production at the Music Hall Tuesday night and many dined at the Detroit Athletic Club before going on to the theater.

Mervyn G. Gaskin, president of the hospital's board of trustees, and Mrs. Gaskin were hosts at a subscription cocktail and dinner party in the club's Georgian Room.

At their table were their son and daughter-in-law, the Michael Gaskins, the Joan W. Southworths and the star of the evening's movie, Lowell Thomas.

Others who were hosts at parties included the Charles J. Glasgows, among whose guests were Annchen Glasgow, the James Leones, Mrs. Edward Mohlere, the William Cleavelands, the Merton Bells, the B. Kenneth Sandens, the Charles E. Greniers, Jr., and the W. B. La Niccas, Jr., of Farmington.

The Charles L. Jacobsons entertained the Philip K. Coes, the William O'Neill Kronners and the William J. Athansons.

Dr. and Mrs. John E. Webster had a table for 22 and Mr. and Mrs. Robert O. Brines, the

Richard Bruneaus and the Robert D. Lunds were also dining at the DAC before the opening.

## Hospital Group Picks Officers

At the recent annual meeting of the Woman's Auxiliary to Cottage Hospital officers were elected to serve during 1958.

Mrs. David Lowe will wield the gavel as the group's new president. Mrs. Harrison T. Watson was elected first vice-president; Mrs. Sidney Morgan, second vice-president; Mrs. Frank Berli, treasurer; Mrs. Lester M. Elliott, recording secretary; Mrs. Adam Cook, corresponding secretary; Mrs. John Fear, parliamentary; and Mrs. William F. Heyd, historian, complete the list.

Usually the man who owes his success to his wife fails to give credit where credit is due.

## Leinweber-Riley Vows Exchanged

Bride Chose Ivory Silk Taffeta and Chantilly Lace for Wedding Saturday in St. Clair of Montefalco Church; Honeymoon in Mexico

At a morning ceremony Saturday in St. Clare of Montefalco Church Beverly Ann Riley, daughter of the Joseph J. Rileys, of Buckingham road, was married to Roy James Leinweber.

For her wedding she chose an ivory silk taffeta gown fashioned on empire lines with a bodice of rose point Chantilly lace embroidered with pearls. A panel of matching lace accented the princess skirt which deepened into a cathedral train.

A crown of lace held her two tiered veil of silk illusion and she carried phalaenopsis orchids and ivy with her prayer book.

Elizabeth Joann Riley was her sister's maid of honor and the bridesmaids were Sharon Diann Riley, Mrs. George E. Parker III, Mrs. Carl Kanhout and Terry Kuhn.

They wore royal blue peau de sole frocks with matching hats and carried cascades of white roses.

The bridegroom, son of the Joseph W. Leinwebers, of Rivard boulevard, asked his brother, Thomas, to be his best man.

Seating the guests were

## Church to Hold Family Night

The Hope Circle of the First English Evangelical Lutheran Church, Vernier and Wedgewood, will sponsor a family night on Sunday, February 16, at 5 p.m.

Supper will be served, with entertainment following. Donation will be \$1.25 for adults and 50c for children. Reservations can be made with Mrs. E. F. Busdieker, TU. 1-5051 or Mrs. Alvin Ruprecht, TU. 1-9608, before February 10.

Kirk Walsh, John Walton, David Hunter and Robert McKendrick.

For her daughter's wedding and the reception at the Detroit Yacht Club Mrs. Riley wore a Wedgewood blue Italian silk dress and matching flowered hat. Her flowers were orchids.

Mrs. Leinweber was in gray Italian silk with a white hat appliqued with green leaves and green orchids.

When the newlyweds left on a wedding trip to Acapulco, Mexico, the bride was wearing a light blue wool two piece dress and matching hat with navy accessories. They will live in Lakeshore Village.

## Single Adults To Hold Dance

This Friday, February 14, as everyone knows is Valentine's Day and the Center Club at the Grosse Pointe War Memorial Center is preparing to make the most of it by scheduling its monthly dance on this date.

A symbolic pierced heart held captive in a bird cage will be one of the featured decorations. Broken hearts will be matched for one Valentine twirl which will again be to the music of Bill Knicker's orchestra.

All young business and professional people residing in the Pointes are cordially invited to attend this dance and bring a guest if they wish. The candlelit atmosphere is a perfect setting for little Dan.

## Mrs. Roy James Leinweber

BEVERLY ANN RILEY, daughter of the Joseph J. Rileys, of Buckingham road, was married Saturday in St. Clare of Montefalco Church to Mr. Leinweber. He is the son of the Joseph W. Leinwebers, of Rivard boulevard.

## Betrothed

At a party marking the birthday of her father, announcement was made of the engagement of JEANETTE DEE CAMERON to Lt. Robert Todd Barrett. She is the daughter of the Gordon Nelson Camerons, of Hampton road, and he is the son of the Robert Wilson Barretts, of Mt. Lebanon, Pa.

Miss Cameron is a senior at the University of Michigan where she is a member of Delta Delta Delta and Scroll. Lt. Barrett, who was graduated from the Military Academy at West Point, is stationed at Stewart Air Force Base, Nashville, Tenn. An autumn wedding is planned.

After he is down and out a man finds his friends are up and away.

## Woman's Club Meets Feb. 19

"Eleanor, Bess, Mamie" will be the topic of interest to members of the Grosse Pointe Woman's Club at their 19th meeting at the War Memorial Center.

Mrs. D. Dwight Struthers will continue her very popular talk, "Presidents' Wives in the White House" given before this group three years ago. Mrs. Struthers, a Grosse Pointe resident, and a graduate of Linwood College, in Missouri, majored in history and has spent years gathering material on the White House families, until they seem like real people to her. It is in this manner that she likes to present their home life, how they entertained and humorous incidents in their lives in the White House.

Mrs. E. G. Eynden will be program chairman and Mrs. Russell Randall, the tea hour hostess. Mrs. David H. Crowe and Mrs. Gilbert E. Delaney are arranging a patriotic table setting. Those assisting will be the Mesdames E. C. Brendtke, J. S. Burrows, F. J. Button, John H. Carter, Hubert G. Goebel, Richard Huegli, L. A. Lotgering, Darwin Nelson, Roland Postel, Lawrence G. Putnam, Herman G. Ruete, R. Schellig, Gordon Skinner, Edward A. Smith, Jr., Malcolm R. Storton, Louis F. Vollmer, Carson M. Wallace and Ernest Whitney.

The Senior Group of the War Memorial Center will be guests at this meeting.

## Bermuda Gala On Calendar

The Junior Women's Association for the Detroit Symphony Orchestra will stage two "Bermuda" parties at opposite ends of the city Wednesday, Feb. 19, at 8 o'clock. Bridge will be the order of the evening and Bermuda shorts the costume for the affairs which will benefit the orchestra's maintenance fund.

Mrs. Donald E. Brown will chair the eastside party to be held in the home of Mrs. Alfred Cytacki, of Lakeshore road.

Mrs. Maurice E. Sparr will chair the westside party to be held in the home of Mrs. Edmund C. Risdon, association president, in Birmingham.

Eastside committee members are Mesdames Owen R. Baker II, William E. Bokram, Max S. Crowder, Chester P. Jankowski, W. H. Katzenmeyer, Arthur S. Linsell, David Livingston, William N. Montgomery, George F. Renaud, Robert J. Tobin and Leonard R. West.

## Peter J. Shuerts Honeymoon in South

Marilyn Willoughby, daughter of the Harry Arnold Willoughbys, of Flint, was married Saturday in Court Street Methodist Church in that city to Peter J. Shuerts, son of the Cecil Shuerts, of Kercheval avenue.

The bride wore a taffeta and lace gown fashioned with a full hoop skirt, a pouf of the taffeta forming a modified bustle. A crown of lace held her fingertip veil of illusion and she carried white orchids, and feathered white carnations.

Barbara Stapert was maid of honor and the bridesmaids were Mary Roell and Roselyn Brown. They wore blue velvet frocks and blue circle hats

with pearl studded veils. Their colonial bouquets had blue accents.

Paul Frederick Shuerts was his brother's best man and the ushers were Jack Ripper, of Dearborn, Dick Insidioso, of Bangor, Mich.; Bill Johnston, of Trenton, N.J. and Paul Willoughby, the bride's brother.

The newlyweds are traveling to Washington, Virginia and Florida and when they return will live in Durand.

## Blue Devils Smash Jinx In Beating Highland Park

After 18 heartbreaking defeats, the Grosse Pointe Blue Devil basketball team cracked the Highland Park jinx with a long awaited 58-52 victory over the unbeaten league leading Parkers last Tuesday, February 4, before a frenzied bipartisan standing-room-only crowd that jammed the Pointers' spacious home gymnasium.

The upset victory avenged the Devils' only loss this season, administered by the Parkers on their small home court January 24, and vaulted the Pointers into a two-way first place tie in the hot Border Cities League race.

With a break here and there in the final half of the season the Devils could become the first Pointe team to win the BCL title since back in the 1948-49 season. During those eight years the Parkers have won the crown seven times outright and shared it once with Fordson.

**Whole Picture Changed**  
Playing the Parkers in back-to-back contests threatened to turn the balance of the BCL race into one of anti-climax. But the split makes it one of excitement and anxiety which could produce a single champion, or a two or three-way tie for the crown.

Both the Parkers and Devils went into this crucial contest with big questions to be answered. The Parkers lost one arm of its famous one-two punch when John Bradley, who scored a fabulous 36 points in the first game, ended his high school career at January graduation.

The Parkers failed to find an able replacement for Bradley but Coach Howard MacAdam came up with Larry Bruzese to replace Andrews, who also graduated. Larry collected 10 valuable points and played brilliantly under both backboards before he fouled out halfway through the final quarter with the Devils holding a 14-point lead.

**Woodruff Big Star**  
"Torrid" Tommy Woodruff, the Devils' co-captain, emerged as the star of the game and the individual high point man with 29 points. Tommy cashed in 12 of his points in the "pay-off" third quarter in which the Devils practically put the game out of reach as they led 42-28 with eight minutes remaining.

Only in the first quarter and early in the second stanza was the game close with the lead changing hands six times and being tied on three occasions before the Devils finally worked out a slim six point, 26-20, halftime lead.

Lars Anderson pushed the Pointers into a one-point lead seconds after the opening whistle with a foul shot. John Cannis tied the score with a foul and Anderson came right back and dropped another charity toss to give the Devils the lead again. Highland Park star Eugene Lawson, who notched 28 points for runner-up honors, tied the count with a foul of his own. From there the lead saw-sawed back and forth throughout the balance of the period with Rem Purdy cashing in a foul to give the Pointers a 12-11 lead at the end of the first period.

**Bruzese Comes Through**  
Dick Krivak put Highland Park in the lead for the last time when he dumped in a field goal as the second quarter started. It was at this point Larry Bruzese proved to his coach he had made the right choice in picking him to replace the graduated Marty Andrews. In rapid fire order Bruzese poured in three baskets on fast breaks to put the Devils out in front by six points, which was the margin of victory. The Devils never relinquished the lead.

Although they were down 12 points with a minute and a half remaining, the Parkers didn't give up. Paced by Lawson, who caged 12 points in the final period, the Parkers stormed back to cut the deficit to six points before time ran out. That last minute and a half produced some of the roughest basketball seen this year on the Devils' home court.

At times it resembled a football game as the Parkers on a couple of occasions threw body blocks at their opponents in an attempt to gain possession of the ball. Being behind this late in a game was a new experience for Coach Jim Wink's team.

**Didn't Get Flustered**  
With time running out and their Border Cities League lead and undefeated streak threatened the Parkers were under great pressure but at no time did they become flustered. They played with the determination of the cham-

pions they have been over the past eight years in the BCL. But time waits for no one—not even a champion—and the clock ran out. Bedlam broke loose in the spacious Devil gymnasium as Pointe fans flooded the floor and surrounded their heroes and Coach Howard MacAdam. When the fans couldn't get their hands on the Devils who finished the game they turned to the subs to offer congratulations and thanks for ending the long drought.

Actually the game was won at the foul line with the Pointers collecting 18 of 28 attempts while the Parkers were missing 18 of 32 tries. In the past the Parkers have been strong in this department but not this night. In the field goal department the Devils outscored the Parkers 20 to 19.

The officiating left something to be desired and both teams had reason to complain as the two whistle tooters missed glaring fouls that even the youngest fan could detect from the stands.

**Still Force Fight**  
Although the Devils did something none of the eight previous Pointe teams had been able to do—beat Highland Park—it by no means puts them in the drivers' seat for the 1957-58 BCL crown. Highland Park still is very much in the race.

Both Grosse Pointe and Highland Park must still meet an ever improving Fordson quintet on their trip to the throne room. In this respect the Devils appear to have an edge as they will entertain the Tractors on their home court while the Parkers will be forced to play on Fordson's home court. Usually the home team has a slight advantage which is figured to be from 3 to 5 points.

Here are the possibilities in the remainder of the season; if the Devils and Parkers go they will share the title. Either one can win it outright if the other loses one of its remaining games. At this point Fordson holds the "key" to the throne room. And the Tractors still have an outside chance to create a three-way tie if it can trip both the deadlocked leaders.

### Pfc. Richard Barton In Alaska Maneuvers

FORT GREELY, ALASKA (AHTNC)—PFC Richard K. Barton, 24, son of George H. Barton, 253 Moran rd., Grosse Pointe, Mich., is participating in maneuvers with the 39th Infantry at Fort Greely, Alaska, one of the coldest spots on the North American continent.

The maneuvers consist of simulated combat situations in which mobility on snow and training in tactics are being stressed.

Barton is regularly assigned as a fire direction center computer in the 39th's Mortar Battery. He entered the Army last April and completed basic training at Fort Lewis, Wash. Barton was graduated from Grosse Pointe High School in 1955 and attended the University of Michigan. He is a member of Sigma Phi fraternity.

## Austin Wins Cage Title

By Tom LoCicero,  
Austin senior

The Austin Friars racked up their last two league opponents last week to finish with a perfect 10-0 record and capture their third consecutive Catholic League Central Division title.

The Friars racked up their most top-sided victory of the season on Tuesday, February 4, when they walloped De La Salle 86-35. The 51 point difference set a new Austin school record and the 86 points were just four short of setting an all time school record.

Three days later the Friars hooked up with Notre Dame in the last game of the season and it was one of the lowest scoring games in Catholic League history since the abolition of the center jump after each point.

Notre Dame stalled and stalled but it couldn't stall off the inevitable, an Austin victory which went to the Friars by the fantastically low score of 20-5. The 15 point difference was the smallest margin the Friars have held over an opponent this year. The final point totals were new lows for each school.

The De La Salle game was the clincher for the league crown and marked the twenty-seventh straight league victory for the Friars. Led by Dave De Buschere and Russ Schoenherr, who totaled 28 points between them, the Friars raced to a 43-15 halftime lead.

Midway through the third quarter Coach Chuck Hollosy removed his starters and substituted freely. Before De Buschere retired he collected 6 more points to run his total to 23 for scoring honors.

Gary Ruprich caged 11 points to pace the 26 point fourth quarter surge to victory.

In the Notre Dame game the Friars were forced to stand around for nearly three and a half periods before the Irish decided to play ball.

Dave De Buschere caged two quick field goals in the first quarter to give the Friars a 4-1 lead. In the second period Joe Finazzo notched a field goal for a 6-1 lead which was where it stood until the start of the fourth quarter as the Irish made no attempt to score. The strategy was designed to make the Friars come after the ball and foul in the attempt. But Austin contented itself with its tight zone and waiting game. Finally Notre Dame tired of immobile offense after Russ Schoenherr and Paul Kasper connected on long shots. The Irish came out of their "deep freeze" and as they did De Buschere took over and caged 10 points in the last four minutes to salt the game away.

The Friars will tackle a tough Hamtramck quintet on Friday, February 14, in a non-league game as a warm-up before the Friars engage St. Benedict's in the first round of the Catholic League City Championship tournament which will commence on Sunday, February 16 in the U of D Memorial Building.

## Devils Still Share Lead After Beating Royal Oak

The Grosse Pointe Blue Devils battled an under-standable letdown and a determined Royal Oak quintet last Friday, February 7, and won 55-49, on their own floor to remain deadlocked for the Border Cities League lead.

The partial letdown was only natural after the wonderful battle the Devils staged in handing unbeaten Highland Park its first setback of the season on Tuesday, February 4. This, coupled with the Acorns' determination and ambition for the prestige that would come if they could beat the team that beat Highland Park turned what should have been an early rout for the Pointers into a thriller.

**Woodruff Takes Charge**  
The lead changed hands 13 times and was tied 9 times in the first two periods and early in the third stanza before "Torrid" Tommy Woodruff took charge of the situation. Royal Oak battled the Devils on even terms in the first quarter and held a 14-12 lead going into the second period. The Pointers fought back and created a 24-24 deadlock at halftime.

Undoubtedly Coach Howard MacAdam must have explained to his players the facts of life in the red hot basketball race that, currently, exists. Apparently that was all that was needed. Woodruff poured in 8 points, center Rem Purdy collected five and co-captain Bruce Boardman added three to outscore the Acorns 18 to 6 in the third period to hold a

42-30 lead going into the last eight minutes.

**Stave Off Rally**  
Royal Oak surged for 19 points in the last quarter but Woodruff and company managed to stave off the rally with 12 points of their own.

Woodruff continued his bid for All-State recognition with a 22-point production and an excellent defensive display. Runner-up honors went to Larry Bruzese and Royal Oak's Patenaude, who tied with 10 points.

It was Bruzese who kept the Devils in the ball game during those first two trying periods when he connected for 8 of his 10 points. He has proven in the last two games he is an able replacement for the departed Marty Andrews.

While Grosse Pointe was winning Highland Park was swamping Monroe 74-36 and "dark horse" Fordson was humbling Wyandotte 62-46. On these results the next two weeks promise to be hot ones in the Border Cities League.

Grosse Pointe will tackle the Tractors on Friday, February 14, in a "must" game at home. Highland Park will travel to the Tractors' lair a week later. This will be a "must" game for the Parkers if Grosse Pointe beats the Tractors.

## Devil Reserves Crack Acorns

Grosse Pointe's twice-beaten reserve basketball team had lots of fun cracking the Acorns last Friday, February 7, and when they were finished with a workmanlike 58-25 job only a shell of a Royal Oak team trooped off the local court.

Racing to a comfortable 11-3 first period lead the Devils slammed the door in the Acorns' face in the second period and allowed only a foul shot to be made. In the meantime, paced by Ronnie Schram's 6 points, the Devils catapulted to a 29-4 margin at the halftime intermission.

Coach George VanderWeyden substituted freely in the last two quarters and cleared his bench of all 17 players. Thirteen of the 17 put a mark on the scoreboard.

Royal Oak lost many opportunities through unorthodox shots that had one chance in a hundred of going through the basket. It appeared the Acorns were attempting to impress the spectators with circus-like play instead of team play. Almost to a man they played individually which enabled the Pointers to steal or tie up the ball frequently.

Howard emerged as the individual scoring leader with 10 points. Runner-up honors went to Schram with 9. Preston paced the losers with 6 points.

## GPS Natators Almost Perfect in Beating Acorns

Coach Paul Wheeler's league-leading Grosse Pointe swimming team came within an eyelash of fashioning a perfect meet last Friday, February 7, when it smothered Royal Oak Dondere 71-25 in the Acorns' pool.

The Devils slammed 5 individual events and took both relays in building up their lopsided score.

Royal Oak was only able to take one first and two seconds besides five third places in the eight individual events, which averted the Grosse Pointe slam.

The Acorns' greatest success of the afternoon came in the 100-yard orthodox breast stroke when Ashton outdistanced Dick Law for first place and Fidler placed third ahead of Dick Kay for 6 points. At that point the Devils were riding a very comfortable 41-13 cushion. Rose was the big point winner for the Acorns with his two second place finishes in the 50 yard free style and the 150 yard individual medley events.

**Babcock Wins Two**  
Co-captain Chuck Babcock was the meet's only double winner with victories in the 100 yard freestyle and the 150 yard individual medley as he paced the Devils to their sixth league victory in as many starts.

The Devils have lost only to

## St. Paul Lakers Capture Parochial League Crown

For the second year in a row the St. Paul Lakers are kings of the East Side Second Division Parochial League. The Lakers captured the crown with an impressive 70-33 lacing of St. Phillip on Friday, February 7, at the latter's home gymnasium.

This game made history in as much as it is the LAST the Lakers will play in the Parochial League. Next year St. Paul will move up to the East Side Division in the Class A Catholic League.

The switch was dictated by the 22 man St. Paul athletic board who voted the change because of the lack of adequate competition and spectators,

and because all of the schools the Lakers used to play a few years ago have made the jump to the stronger league. The Lakers will meet such rivals at St. Catherine, St. Anthony, Stanislaus, Ladislaus, St. Florian, Servite and neighborhood rival St. Ambrose in football, basketball and baseball. St. Paul will take St. Mary's of

Mount Clemens' place in the eight-team league.

Because the Lakers needed the final win to clinch the Parochial League title they took no chances on an upset and went to work with machine-like precision to lead 24-1. The second period saw the Lakers relax a bit and allow their opponents 11 points but managed to leave the court at halftime with a 42-12 margin.

The subs performed equally well in the last two periods and boosted the score to 70-33 at the final whistle.

Russ Beaupre and Joe Lauer tucked away the Lakers with 13 and 11 points, respectively, for scoring honors.

With the league crown safely tucked away the Lakers are setting their sights on bigger things, namely the Catholic City Championship which will bring together all of the champions of the Detroit Catholic leagues. The tournament begins at the University of Detroit Memorial building, Sunday, February 16. It will produce the champion of champions who will meet the champion of the Metropolitan League, Friday, February 28, at the same site.

St. Paul will meet the 1956-57 Catholic league defending champion All Saints at 6:30 p.m. on Sunday, February 16. If the Lakers are victorious they will meet the winner of the St. Florian-St. Andrews tilt, Tuesday, February 18.

Austin is in the other bracket and will meet St. Benedict's on Sunday. It is favored to meet the winner of the game between Ann Arbor St. Thomas and an opponent yet to be named from the West Side Parochial League which still hasn't determined a champion.

The finals could be an all Grosse Pointe affair between St. Paul and Austin. If both reach the finals each will qualify for the Metropolitan final night, Friday, February 28. The winner will play the Metro League champion and the loser will meet the runner-up in the Metro League.

### Wigle Leading In Pin League

League leading Wigle split its match with Revere to maintain its lead in the Grosse Pointe Businessmen's bowling league last Friday, February 7.

Second place Goebel posted a new single game team mark of 956 and captured three points from Cramer to move within one point of the leaders. Mel Young paced the Goebel keglers when he tied the individual one game mark of 245.

Third place Larry's got clobbered for three points by Woods but managed to cling to the third spot by a single point over Woods, which is deadlocked with Cox and Baker for fourth place. Cox and Baker also notched three points by beating last place Belding.

G. P. Recreation, the first half season champions, moved into a two-way tie for seventh place by taking three points from Adam Simms.

Two hundred-plus scores were posted by Mel Young, 245; Bob Kehrer, 225, 220; Frank Bozynski, 215; Doc Henderson, 207; Herb Miller, 207; Andy Carroll, 204; Stan Small, 203; Hap Aalto, 202, 200; Bill Bogde and Gaines King, 200.

## Church Basketball League Seeing Plenty of Action

The Grosse Pointe Church Basketball League's top teams are now vying for first place in their respective divisions.

Grosse Pointe Woods Presbyterian merited first place in the Senior division when they defeated St. Michael's 53 to 35 on Saturday, February 8.

Two strong scorers, Paul Bosen and George Russell, contributed 17 and 16 points respectively. Jack Hown, scoring nine points and Roger Judkins with eight were first and second top scorers for St. Michael's.

St. Michael's was pushed into 6th place, having two losses and no wins for this season. Grosse Pointe Woods has won both its games and scored the highest number of points for a team; the total so far is 107.

Christ Church has become the threatening challenger in the "A" division. It took second place by winning as many games as Grosse Pointe Woods but scoring only 86 points.

Christ Church routed Grosse Pointe Congregational 44 to 18.

The reason for such a large gap in the score and a Congregational loss can be pointed to one major key factor—the absence of Stanley, Grosse Pointe Congregational's top scorer.

Jack Whitney boosted Congregational's score by bucketing five baskets for a total of 10 points and Ken MacDonald, top-scorer on the winning team scored 19 points.

St. Paul's has third spot in the Senior division standings. Facing his team toward victory, Gary Schick collected 16 points to aid St. Paul's in the 44-25 decision over Grosse Pointe Memorial. Bill Penz, Charles Munson, and Larry Critchfield combined for Grosse Pointe Memorial's 25 points. Bill and Charles scoring ten apiece and Larry netting the other five points.

At this point Grosse Pointe Congregational stands in fourth place, having won one and lost one and scoring 64 points. They are not far behind St. Paul's, which has also won one and lost one, but scored 79 points.

Behind Congregational is Grosse Pointe Memorial. It has lost both games but has scored 53 points, enough to edge St. Michael's into 6th place.

The top team in the Junior division, Grosse Pointe Methodist, played the last place team, Our Lady Star of the Sea and defeated them 41 to 10. Jim Huddleson paced his team with 16 points while five players on Our Lady Star of

the Sea's team tied for top honors with 2 points apiece.

Grosse Pointe Methodist has won two games, lost none, and scored 69 points for the young season. Our Lady Star of the Sea is in 6th place having lost both games and scoring only 21 points.

St. Clare and St. Paul tossed for fourth spot and St. Clare won out when it set back St. Paul 25 to 12. Tom Berschback and Robert Couglin netted six apiece for St. Clare. Vanhouten also scored six and was top man on his team. St. Clare now holds fourth spot with one win, one loss, and a total of 51 points scored. The challengers, St. Paul's, has lost two and tabulated a total of 34 points.

St. James and Grosse Pointe Memorial are having a close struggle for second place. At present St. James has won both its games and scored 63 points while Grosse Pointe Memorial won one and then lost the second game last Saturday when St. James won 33-23.

Pete Swanson swung the hoops for 14 points while Memorial's Jerry Brennan added 13 points to bring Memorial's total up to 36 for the season.

The Freshman division is tightly knit with Grosse Pointe Methodist out in front of Grosse Pointe Congregational by a scanty margin.

Grosse Pointe Methodist has won two games and scored 45; Grosse Pointe Congregational has also merged victorious twice but is one point behind Methodist having scored 44.

In the Grosse Pointe Methodist-Michael's game, Methodist went ahead in the second quarter and held the lead till the end of the contest, the score being 28 to 20. Tom Thompson managed 14 points to aid the victors; Jack Gunn helped St. Michael's team netting nine points.

For the time being, Grosse Pointe Congregational is holding second place after its 25 to 14 decision over Grosse Pointe Memorial.

Memorial is in fifth place with a win and a loss in the record column and 43 points for the season. Mathews tipped the nets for 10 points; Memorial had two top scorers, Kim Anderson and Terry Gundlach getting four apiece.

St. Clare lost its first game of the season to third place St. James' by the score of 31 to 10. It was also St. James' first as well as first win. D'Hooge came through for St. James', again scoring 14 points.

Mario has lived in a German orphanage since birth, but now will live in a six-room brick home on the campus of North Carolina College, Durham, N. C., where Dr. Hughley is College Minister and Professor of Economics.

**FLYING QUEEN**—Cinderella had to give up her gold coach, but lovely TV actress Bunny Cooper held onto her crown as the evidence shows. Bunny was returning to New York from St. Paul, Minn., where she reigned as "Miss Royal Crown" in that city's annual Winter Carnival, aboard a Northwest Orient Airlines plane.

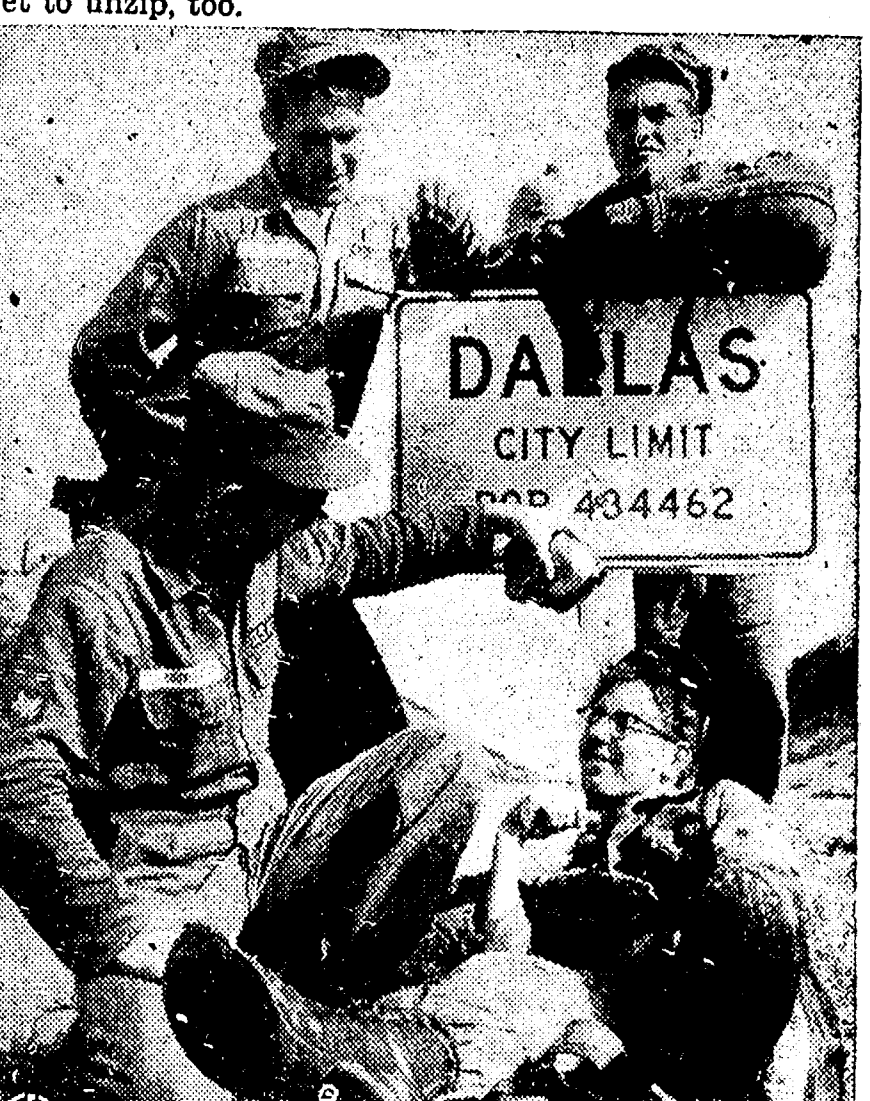

**FOR TREADING THE GOLDEN STAIR**—Truly one of "dem golden slippers," this eye-catching shoe, made of 18-carat gold, gets the once-over from a pretty lass in Nuernberg, Germany. Available in all sizes and guaranteed handmade, the shoes are being offered for sale for about \$690 a pair. The idea was started by the owner of a shoe factory who ordered one pair as a gift for his daughter.

**LATE DIOR**—One of the last costumes to come from the prolific sketch pad of the late Christian Dior, this blouson sheath is a star of the designer's New York collection. Done in silk twill in the shade known as Dior Mango, the ensemble is trimmed with big double bows just above the knee and the waistline.

**CHEMISE TO PLEASE**—Capturing the mood of the chemise, but remaining faithful to feminine curves, this tunic-chemise from Patullo-Jo Copeland is designed to please its male audience. Done in navy crepe and trimmed with sparkling bands of navy and white striped ribbon, the dress is based by a knife-pleated underskirt.

**JOURNEY'S END**—Truly a footsore foursome, these Texas National Guardsmen relax at the end of the road following a seven-hour hike from Fort Worth to Dallas on behalf of the March of Dimes. The soldiers agreed to have one of their men make the trek for every \$100 contributed to their unit for the March of Dimes. More than \$400 was collected, so four men made the hike. Shown are Technicians 3/C Jim Secrist, with canteen; James Greenwood, getting the water treatment; Wesley B. Williams, standing at left; and Sgt. Clyde Daniels, who thought up the idea.

**CENTAUR OF ATTENTION**—Putting their snow centaur to the test, four youngsters sit astride the creation at Schenectady, N. Y. The centaur came through with flying colors, supporting the kids' combined weight of more than 500 pounds with nary a trace of a collapse. Left to right are: Lawrence Bordeaux, Donna Simmons, Raymond Bordeaux, and Don Simmons. Luckily for the trusting pooch, Ginger, the snow centaur stood firm.

**GONE TO THEIR HEADS**—Establishing their own beachheads, Kay Kayse (left) and Pat Johnson indicate a difference of opinion with regard to headgear. Kay, a Florida girl, prefers a sweeping sombrero to keep the sun away, while Pat, from California, wears practically no hat at all. The girls are sunning at Cypress Gardens, Fla.

**SHOPPING FOR COMPLIMENTS**—A man obviously determined to see that everybody gets the message, grocer Harry Suttmillier tells the world the glad tidings via a big sign in his store window in Cleveland, Ohio. A proud papa, Suttmillier also handed out carnations to his customers.

**FAIR TRADE PRACTICE**—Offering to swap his snowball for one of the lemons on the tree in the window, 10-year-old Angelo Gereno attracts the attention of barber Sam Eannarino. Although accustomed to warmer climates, the barber's indoor tree is flourishing in Chicago's colder weather. It sports seven lemons, one of them almost the size of a football. Eannarino, 57, had the tree sent from California seven years ago and it has been blooming ever since.

**POSE THAT REFRESHES**—Leggy to look at, Mexican actress Sarita Montiel adds spice to the Parisian scene as she poses for a portrait atop the hill in Montmartre. She was in Paris for the filming of the Spanish movie, "La Violetera." In the background is the famed dome of the Sacre Coeur Cathedral.

**FURRIN' ACCENT**—Adding a fresh touch to a late winter wardrobe, designer Mr. John of New York sets a pocket of fox fur on a camel flannel skirt from his Suburbia U.S.A. collection. The Paisley print shirtwaist blouse includes shades of tan to match the skirt.

**SHOW QUEEN**—Motor Boat Show Queen Norma Seward receives a bouquet of pompons and maple leaves from Quebec City's symbolic snowman—Bonhomme de Carnaval—at the Winter Season Opening of the New York Coliseum. Aiding in the presentation is Arthur Smadbeck, president, Coliseum Exhibition Corp. The first show into the Coliseum in 1958 is the 48th Annual National Motor Boat Show, currently running for 10 days.

**TV ON THE FLY**—Airborne TV lets jet pilots "see" their exact location over the ground on the five-inch screen of this new closed-circuit TV set, just unveiled at an Air Force symposium at Dayton, Ohio. The 45-pound electronic system, called the "Horizontal Situation Display," was developed by Avion division of ACF Industries in cooperation with the Air Force. It automatically correlates navigational computer information and presents a TV picture in the form of a map. A plane image projected over the map always shows the plane's exact position over the terrain.

**SNAP SHOOT**—Taking dead aim on the cameraman, four-year-old Tyrina Power, daughter of actress Linda Christian and actor Tyrone Power, who's now divorced, is almost lost behind her pistol. Tyrina and her sister are staying in Rome while their mother makes a round-the-world tour. It's been rumored that Miss Christian will marry Brazilian millionaire Francesco Pignatari during the global jaunt.

**SPLOOSH-NICK**—Too close a shave has Harvey Richmond (left), 14, and Philip Swain, 13, all lathered up as their first barbering customer blows his top in London. The youngsters were doing fine at the delicate job of shaving a balloon at the National Schoolboys' Exhibition, until Philip nicked it with the razor.

## Register at 18 Under Draft Law

Many young men are for-  
getting to register on their  
18th birthday as required by  
the current draft law, accord-  
ing to Colonel Arthur A.  
Holmes, state director of Selec-  
tive Service.

Registration under Selective  
Service is the first and one of  
the most important actions to  
be performed under the pro-  
visions of the draft act. Every  
male citizen and most male  
aliens are required to register  
on their 18th birthday or with-  
in five days thereafter.

Registration can be accom-  
plished at any local board in  
the area where the registrant  
may be on his 18th birthday.  
The residence address which he  
gives at the time of registra-  
tion will determine the local  
board that will always have  
jurisdiction over his classifica-  
tion.

All registrants receive a reg-  
istration certificate which must  
be kept in their personal  
possession at all times. Persons  
willfully avoiding the draft  
registration requirement are  
reported to the Federal Bureau  
of Investigation.

With few exceptions, all  
males born after August 30,  
1922, are subject to registra-  
tion. Currently Michigan local  
boards have registered a total  
of 836,036 males of draft age.  
There were 50,640 new registra-  
tions made during the past  
year.

Individuals on active duty in  
the armed forces are not re-  
quired to register. If otherwise  
subject to registration, how-  
ever, they are required to be  
registered within 30 days fol-  
lowing separation from active  
duty. All members of Reserve  
components, including the Na-  
tional Guard, who are not on  
active duty are required to  
register. Aliens entering the  
United States, if not exempt  
by law, are required to regis-  
ter within six months follow-  
ing the date of entry.

## Hockey League Race Tightens

The biggest upset of the season has thrown the hockey race in the Ice Flair League into a tailspin and has narrowed the battle for first place between the Blue Devils and the Rockets to two points.

Led by "hat tricks" off the sticks of Steve Konieczski and Dennis Rieban, the Warriors blasted the front-running Blue Devils, 7-3 on Sunday, February 9.

The winners, who went into the contest a full seven games behind the Devils, whacked in two goals in the first period and one early in the second to hold a 3-0 lead before Ron Gouin of the Devils flicked a 20-footer into the Rocket net. Seconds after the opening faceoff of the final period, Dave Cook batted in his own rebound to cut the Devils' deficit to a single goal.

After Rieban counted his first goal of the season, Cook scored again to bring the score to 4-3. At this point, however, the game lost all semblance to being close as the Warriors exploded for three goals, two by Rieban and one by Konieczski, to wrap up their fifth victory.

The last-place Rangers also came up with a stirring performance but fell victims to a three-goal rally in the last period by the Rockets to fall 4-3. Dale Ernst paced the Rocket attack with two goals, while Bill Shinliwer and Bill Cook had one each. Tom Schervish, Bill Keegan, and Muldoon scored for the Rangers, who lost for the ninth time.

The Pointers showed a powerful attack in decimating the slumping Golden Eagles 8-1. Mike Freeman, Jim Mathewson and Mike Carrier tallied twice for the Pointers and Don Diebel and Murphy collected single goals. Mike LaFave counted the Eagles' only goal.

Next week-end, February 15-16, the Warriors will test their strength against the Rockets and the Golden Eagles will be trying to snap their losing streak against the Blue Devils. The Pointers meet the Rangers.

After the games Sunday, February 9, W. C. Kurz, manager of Ice Flair, announced that teams may not sign new players after less than four games are left on their sched-

ule. Until then players may be legally dropped and signed.

## National Engineers Week to be Observed

The Lake St. Clair Chapter of the Michigan Society of Professional Engineers consisting of 58 engineers from this area announce that once again National Engineers Week, February 16-22, has been recognized by the President of the United States.

In a communication from the White House, President Eisenhower saluted the week as calling attention to the work of our engineers, "especially their vital role in the success of the International Geophysical Year."

The President emphasized the theme of the 1958 Week, "Engineering Builds Broader Horizons." The "great co-operative effort" of the International Geophysical Year, he pointed out, inspires our young people to "choose the discipline of the engineering profession and render important service to our nation and the building of peace."

The tribute from Mr. Eisenhower was received as a telegram.

## Hettlers Entertain For Washington Guests

Mr. and Mrs. Pierre V. Hettler, of Grayton road, entertained at dinner Friday at the Detroit Athletic Club.

Honor guests were the Frederick C. Nash, formerly of Bloomfield Hills, now of Washington, D.C., where Mr. Nash is general consul for the Department of Commerce.

Among the dinner guests were the James Beresford, the Charles Fellrath, the Lee Sillowsays and the Jervis C. Webbs.

## Children's League Plans Luncheon Meet

The regular monthly meeting of the Michigan League for Crippled Children, Inc., will be held Friday at the Allied Food Club, 62 E. Elizabeth, Detroit. A board of directors meeting at 11 o'clock will be followed by luncheon at 12:30 o'clock for the general membership. There will be a speaker on home decoration.

## Headlines of the Week

(Continued from Page 1)

five burroughs from an enrollment of 800,000. The 100 others were from academic high schools.

The mass suspensions came in the wake of a new ultimatum to sweep the school system clean of intractable delinquents. Both boys and girls were included in the ouster. The largest exodus was from the Brooklyn area.

AN INTERCONTINENTAL Air Force Atlas made a beautiful take-off in a test firing Friday from Cape Canaveral, flew normally until its engines cut off and about a minute later blew up while in a ballistic coasting flight.

The Air Force emphasized later that the huge intercontinental ballistic missile was not purposely destroyed, but destroyed itself. Air Force officers said cause of the explosion was unknown.

Normally, after a rocket's engines have stopped there is little danger of an explosion.

AMERICAN MOTORS CORP. President George Romney urged Congress Friday to break up industrial giants like the General Motors Corp. and the Ford Motor Co. and "union monopolies" like the UAW.

He told the Senate Antitrust and Monopoly subcommittee that the nation's economic survival depended on shattering the price-wage stranglehold of huge companies and industry-wide unions.

Sunday, February 9 TUNISIAN OFFICIALS said 100 persons were killed and 82 wounded Saturday when 25 French warplanes, including 17 made in America, bombed and strafed a town on the Algerian frontier.

The French called the raid a legitimate defense against Algerian rebels taking refuge on Tunisian soil. Within hours, the Tunisian Government decided to recall its ambassador from Paris and demanded the withdrawal of all French forces.

The French charged that rebel anti-aircraft guns from the area damaged French observation planes flying over Algeria Friday and again Saturday. French spokesmen in Paris said the main target was a "strong concentration of rebels in the abandoned mine a mile south of the village."

ADLAI STEVENSON ran ahead of Vice President Nixon in a "trial heat" poll. The twice-defeated Democratic candidate, who has counted himself out of the 1960 contest, made a show of strength surprising to many professional politicians.

He defeated the GOP's number one contender by a vote of 52 per cent to 48 per cent among those voters who made a choice between the two men. Approximately one voter in eight (12 per cent) is still undecided between the two.

40-DEGREE WEATHER in Miami Saturday night and a freeze warning in North and Central Florida jolted Floridians, already hard hit by their worst winter in history. The miserable weather has left a trail of empty hotel rooms, bare citrus trees, ruined crops, dead cattle and unemployment in the thousands.

Monday, February 10 A QUIET THIEF who apparently knew his valuables and their location looted a diamond merchant's home of \$24,000 in jewelry and furs Sunday.

The merchant is Jerry Krandall, of 19360 Strathcona. He told police he noticed his loss Sunday afternoon while dressing for a trip to New York. He said the missing objects included a pair of cufflinks, valued at \$500, which he had planned to wear.

While searching for the cufflinks, he missed a five-carat diamond-platinum ring valued at \$12,000, three diamond lapel pins valued at \$8,000, a man's wristwatch, valued at \$500, and a woman's beaver coat, worth \$3,000.

Police said there was no sign of a forced entry to the Krandall's Palmer Park home.

A 23-YEAR-OLD AIRMAN from the Bronx has embarked upon one of the strangest voyages of the century—a trip to the moon without leaving the ground.

The volunteer, Donald G. Farrell, will attempt to live one week under the same conditions that will face man on his first voyage to the moon: seated in a cockpit-type seat, in a space chamber about the size of a home furnace. The chamber, so small

that he can neither stand up nor lie down, is anchored to a laboratory floor at the School of Aviation Medicine at Randolph Air Force Base in San Antonio, Texas.

Tuesday, February 11 BLIZZARDS lashed and buried Upstate New York Monday in a bone-chilling cold wave which froze the nation from the Rockies to the Atlantic Coast.

At least 53 deaths were caused by the frigid cold, snows, icy roads and weather-caused fires. The New York blizzard alone caused 17 deaths, while nine deaths were reported in New England.

Sweeping deep into Dixie, the cold wave—longest and most bitter of the winter—dumped two inches of snow in Mississippi and more than 40 inches in upper New York state.

REPRESENTATIVE Morgan M. Moulder (D., Mo.) said early Tuesday he is resigning as chairman of the dissension-ridden house commerce subcommittee that fired his chief counsel last night.

The House subcommittee investigating the regulatory agencies summarily fired Dr. Bernard Schwartz, its chief counsel, Monday night.

The dismissal followed a bitter secret session in which Dr. Schwartz repeated his charges that most of the 11 subcommittee members had tried to tie his hands and "whitewash" the investigation.

AIRMAN Donald G. Farrell's nerves and morale held up "beyond expectations" after two days in a 3x5-foot chamber, in a startlingly realistic experiment to find out whether a week's journey through space will shake a man's sanity.

Wednesday, February 12 ECORSE'S police department was caught in a driver-license scandal Tuesday that may have put hundreds of "death drivers" on Michigan roads. Under arrest was a lieutenant of detectives, Louis Audia, suspended were three top Ecorse police officials, and urged to quit were three Ecorse police and fire commissioners. Audia was accused by county and state officials of peddling driver licenses to unqualified drivers for from \$25 to \$45. He emphatically denied all charges.

## Episcopalians Holding Parley

Women of all Episcopal parishes on Detroit's east side will attend the annual meeting of the "Eastside Convocation Woman's Auxiliary" at St. Michael's Church, Monday, February 17.

Speaker for the afternoon will be Mrs. Frederick W. Sparrow, nominee for president of the Diocese of Michigan W.A., from Ann Arbor.

Dean of the convocation for 1958, the Rev. Eric Whiting, Trinity Church St. Clair Shores, will be installed at a service of Holy Communion at 10:30 a.m. Celebrant at the service will be the out-going dean, the Rev. Edgar Yeoman.

There will be an election of officers, installation of newly elected officers and short annual reports read by members of the convocation board and by parish W.A. Presidents.

## Annunciation Society Sponsors Card Party

The Annunciation Altar Society is sponsoring a Valentine luncheon and card party in the Parish Hall on Thursday, February 13, from 11:30 to 1 o'clock.

Mrs. Ralph Povlitz and Mrs. Hugh MacDonald are co-chairmen of the fried chicken luncheon.

HOLD THOSE ROCKETS Shooting of experimental rockets by youths should be done only under supervision and after official permission has been obtained. Arnold C. Renner, chief of the first marshal division of the Michigan State Police, warns.

Because of governmental activity in long range ballistic missiles and attempts to fire a "moon" rocket, numerous groups of youths, principally in high school physics and chemistry classes, have undertaken similar experiments on a miniature scale, but nonetheless dangerous, he said.

The man who aims to get a run for his money wins in a walk.

Before the Salk vaccine was even a dream, when tranquilizers and vitamins were as far away as space travel, the extensive laboratories of Parke, Davis and Co., were humming. In 1886 patent medicine was big business in Detroit and George S. Davis, who steered the company, was easily able to afford a luxurious farm on the lakeshore.

"Clairview" spread across 1400 feet of lake frontage a half mile beyond Provençal road, or in those days the Weir farm. The residence itself was no crenellated castle and extremely modest in comparison with its neighbors. What the Sunday survey drivers from the city came to see was the Jersey Stock Farm in the rear of the home, which was always open to visitors in the summer months.

On the 281 acres grazed nearly 40 thoroughbred cattle (all registered in the books of the American Jersey Cattle Club). There was a race track to test the fast Kentucky trotters, too. Another feature for the Sunday strollers to enjoy was the fabulous orchard. Concord, Delaware and Niagara grapes could be plucked for a snack and the unrivaled French pear trees were magnificent.

Mr. Davis and his family spent little time at the farm, but it was his favorite hobby and he kept a prudent eye on the farm's management. Later his land was to become in the 1910 area a separate community with its own post office.

A near neighbor to the stock farm was the Woodbridge homestead built the year after Appomattox. Dudley B. Woodbridge was the son of a former governor of Michigan who settled in the Pointe for his health.

A descendant on both his father's and mother's side from families of political prominence, his delicate health and retiring disposition kept him from engaging in public affairs. But he was a gentleman farmer of the old school and "Belle Meade" was the last in the lake-shore line of summer residences and fine gardens and orchards.

The Woodbridges were at the end of the golden row of society families beginning at the bend of the lake with the Joseph Berrys.

Catch 'em early and you can give the tots an earful of culture, or if not that at least an appreciation of the finer things in life. Mrs. Henry Klein carefully learned the German words to the Liechtensteiner Polka from her German maid and then trotted over to GPUS and taught the lilting tune to her Brownie troop. Next week they learn the dance and at 10 years they are all ready for a ball in Munich.

Pointers are here, there and everywhere in search of the unusual. A while back Mrs. Ben Beyer was perched on the Peacock Throne in the Hall of Private Audience, Delhi, India. That throne was once studded with precious jewels, among them the Koh-i-Noor diamond.

All you sports car fans get out to Cass or Sylvan Lakes Sunday afternoons. That's where the Michigan Sports Car Association is racing models on the ice. Recent spectators were Cherry Powers, Howie Knaggs, the Eric Strohs and the Forbes Howards.

Tickets are all sold out for the Women's Association for the Detroit Symphony Orchestra's Tuesday, March 11 Fashion Show. Still room for the Wednesday, March 12 parade of chic styles, though! Incidentally, Mrs. David Gamble, chairman of the show, is also doing the choreography for "Can Can," Fine Arts musical coming soon.

A Pointe gal has done it again. Mary Dietrich racked up a 43-pound dolphin to take over the lead in the medium tackle tourney in the Bahamas Winter Fishing-Tournament last week.

Glimpsed at a recent dinner and dancing soiree, newly appointed Mrs. Arvin Wheaton, prexy of the Women's Association for the Symphony, whirling in one of the new prints, satin in a gray green shade dipping to a v in the back and accented with a bow. Mrs. Eugene Konstant in sea foam Italian silk with buttercups sprinkled across the bodice. Mrs. J. Leslie Berry in a Parisian coiffure fringed shadow bangs in silver beaded black chiffon.

"A getting to know you" party seems indicated this Valentine month and a bunch of bachelors on Merriweather road obliged Wednesday night with an after dinner gathering to which they invited all their favorite "bachelorettes."

### PILFERINGS

Housework—Something you do that nobody notices unless you don't do it.

Las Vegas—The land of the spree and the home of the knave.

Diplomat—A person who can juggle a hot potato long enough for it to become a cold issue.

A new Georgia Tech graduate, applying for a job, listed his extra-curricular activities in one word: married.

A fellow we know who travels a lot has always been curious about those terse, whispered conversations in which airline stewardesses engage when they pass each other in the aisles or meet in the back of the plane. Much of this curiosity was dispelled recently, he told us, when a meeting took place right at his elbow and one stewardess murmured to the other: "Watch yourself if you have to take anything up front. They've got the automatic pilot on."

## Pointer of Interest

ARTHUR LOUWERS, CHIEF OF THE GROSSE POINTE PARK POLICE

By Patricia Talbot

Like TV's top policeman, Sgt. Friday, of Dragnet, Park Police Chief Arthur Louwers is proof that it's leg work that makes a good cop. He should know, for in 28 years he has worked his way from uniformed patrolman to head of the department, the largest in the Pointe.

When Art Louwers came to the force in 1930 he was a replacement for an officer who had been killed in a running gun fight on Jefferson avenue with a bootlegger. Prohibition was on but the Pointe was wide open with plenty of blind pigs doing a big business. Prohibition created its own brand of crime problems but hooliganism and traffic headaches that the police department faces today are just as difficult to cope with as the lawlessness of the 20's.

**Must Care About People**  
Like all good cops Art Louwers has a keen interest in people and their problems, which is particularly necessary in his area, where there are very few homicides, armed assaults or violent crimes, but plenty of non-criminal investigations.

Last year of the 4,539 complaints his department handled, 2,878 were non-criminal investigations. Chief Louwers himself often handles a situation which needs an experienced officer. A mother called him because she was having trouble with her 14 year old son. Her husband was in the hospital with a serious heart condition and expected home shortly. She was afraid of what the son's actions would produce in her convalescing husband. The Chief took the boy into his office and with the full majesty of the law surrounding him really gave him what for! He's been toeing the line since.

**Pounding The Pavement**  
Most police work is routine, painstakingly done—checking information, pounding pavements, filing reports. A good policeman does not get bogged down in this schedule but does it efficiently, working for crime prevention rather than punishment. There are 30 men, 3 women and 5 crossing guards on the Park force and traffic control is the department's constant problem. The Pointe nearest to the city, five main arteries channel rush hour traffic through the Park to the other Points. Over 125,000 cars travel Jefferson, St. Paul, Kerheval, Vernor, Charlevoix and Mack during the busy hours.

## Free Classes Offered Here For Heart Disease Victims

Women with heart disease, high blood pressure, hardening of the arteries, rheumatic heart disease and other circulatory ailments can now register for free "Heart of the Home" classes to be held in Grosse Pointe starting March 6.

The work-simplification classes are conducted by the Michigan Heart Association in cooperation with Wayne State University and are designed to show the homemaker how to conserve her time and energy while doing her various household tasks.

Lectures, demonstrations and slides are presented to show homemakers how they can simplify work in the preparation of meals, washing and ironing, bedmaking, and other daily housework.

Each homemaker attends four (two-hour) lecture-demonstrations classes which will be held on March 6, 13, 20, 27 from 9:30 a.m. to 11:30 a.m. and will meet at the Grosse Pointe Dept. of Community Services, 43 Grosse Pointe boulevard.

Mrs. Hannah R. Pretzer of the Wayne State University Department of Home Economics conducts the classes. She

### No Open Houses

Delinquency and the problems of teen agers are the department's constant concern. An officer spends more time on investigations concerning a juvenile than with a burglary or armed robbery case where there is a definite procedure.

Chief Louwers works in close contact with parents and the school, but he feels adolescents don't have the respect for the law they had a generation ago. He pleads with families not to hold the popular "open house" party where so often uninvited guests cause disturbances and damage. Alcohol and automobiles are responsible for the upturn in teen agers' crime rates, he states. Neither was as available 20 years ago as it is today.

**Gets His Man**  
Chief Louwers is proud of his department and his job but remembers nostalgically his days as head of the detective bureau. He doesn't get personally involved in many cases today. He remembers best his greatest coup, when he tracked down an armed burglar responsible for 130 thefts by two telephone numbers inside a match cover found in a stolen car.

Chief Louwers is also proud of his certificate from the National Academy run by the Department of Justice in Washington which he attended in 1953. He is a past president of the Southeastern Association of Chiefs of Police and a member of the training committee of the Michigan Association of Chiefs of Police. His office directs the training of recruits for all the Pointe police departments. He reports that for the first time since World War II the best type of man is applying for the force.

## Plays Golf

When he is not running the department the ruddy, cheerful chief is playing golf, his favorite leisure activity, or maybe fishing off Harsen's Island during his summer vacation. Chief Louwers lives in Nottingham road near the station, and has a teen-aged daughter in Pierce Junior High School.

"A policeman's lot is not a happy one" runs the old fashioned verse, but Chief Louwers can't go along with this. He's proud to serve a community that he loves, to make it a safer place in which to live and work, and the community is proud to have officers like Art Louwers guarding its homes, its children, its lives.

## VFW Auxiliary To Hold Sale

General R. A. and Col. F. M. Alger Auxiliary No. 995 Veterans of Foreign Wars is sponsoring a bake sale at the Penney store, Mack and 7 Mile, on Saturday, February 15, starting at 10 a.m.

Kathryn Moore is chairman of this event and will be assisted by co-chairman, Barbara Barnes.

## College Club Plans Events

The College Women's Club which holds its meetings in the Hotel Tuller and this year is marking its 25th anniversary, has slated a full calendar of activities for the rest of the season.

On February 21 there will be a fine arts tea in the Kenwood court home of Miss Ertia Curtis where Mrs. Dwight Struthers will speak on "The White House."

Mrs. Arthur Neef will have a dinner that evening in her Lincoln road home at 6:30 o'clock. On Monday, February 24 the 2 o'clock group of the club will enjoy an afternoon of bridge at the hotel club-rooms.

On Friday, February 28, the evening group will have a fine arts meeting in the Hidden lane home of Mrs. Bogden Baynart. On March 1 all groups will have a mixed bridge and dessert party at the Lakeland avenue home of Mrs. Emil C. Dauch.

Some people feel compelled to be a nuisance just so they can attract attention.

## Pointe Counter Points

By Pat Rousseau

"Each Day is Valentine's Day" ... as far as he's concerned, because you carefully selected his ties at Proper's over the years. They always seem to go with things ... to be in perfect taste. By the way, it's about that time for choosing more.

"A fair exterior is a silent recommendation" ... but let's not stop there ... especially when Jacobson's new chemise lingerie is so beguiling. Delicious revivals of the underpinnings of the twenties ... by Flair and Stella Fagin. Easy, graceful ... with a wealth of detail ... a must to make the fashion picture a success. First requirement ... perfection of line that should be carried from ... in-side ... out!

"There is a lady sweet and kind" ... the one we know has perfume on her mind. Hers will undoubtedly be among the famous names ... Thierry, Balmah, Dior, Patou, Lanvin, Chanel and many more ... if it's a brand new scent from Paris or an old favorite ... you'll find it at Trail Pharmacy.

BELOVED ... by all ... a Dalton cashmere from Margaret Rice. The newest contribution to milady's casual collection is the GIA ... the cashmere sweater-vest that accents a silk shirt and makes a strong fashion point in so doing. Love those buttons ... V-neck ... endless color variety and THIS look with Bermudas.

"A thing of beauty is joy forever." Precious old pieces of furniture can be "discovered" at Wanamaker's with no loss of charm. The frames are skillfully refinished or antiqued. If underpinnings of color are used ... the fabric can be blended or dyed to match. The pleasure is all yours when you behold the happy results.

"O, my love is like a red, red rose" ... whether long stemmed or the sweetheart type ... roses put poetry in your Valentine greeting. Charvat the Florist also suggests orchids or carnations for corsages ... prearranged nosegays for thoughtful gifting.

"Give beauty all her right" ... (but quickly please) ... Modern charmers have little time for lengthy beauty rites ... realizing this, Ann-Louise Salon has acquired the new Tropic Silhouette machine ... that can offer glamorous hair color in minutes. Wonderful for retouching ... or "blonde time" ... adds such delightful highlights and interest in less time than it takes to tell ... almost!

"All ye that lovely lovers be" ... you'll enjoy the sweet nostalgia of Dearest Cologne ... D. J. Healy's very special brand. Delightfully gift wrapped in white with red ribbon and a Valentine heart for all those inclined to romanticism on Cupid's day.

You'll travel far ... to find a value like the train and vanity cases featured by Jacobson's at a thirty per cent reduction. Available in red, sun tan, green, blue, white, gray, black patent and plaid ... in leather or leatherette ... fitted and unfitted.

## Club Forming Kids' Groups

The Grosse Pointe Woods Community Club is now taking reservations for first and second grade boys and girls interested in a small club group. These groups meet weekly after school from 3:30 to 5 o'clock.

Each group has an adult leader and will be conducted as a club in which the members of the group will help to plan their activities. Activities of groups in the past have included crafts, cooking, games, parties, sports, hikes and special club projects.

Also, adult volunteer leaders and assistant leaders are still needed by the Community Club for the afternoon program. Volunteers work with the recreation groups sponsored by the Community Club and by the Grosse Pointe Woods Parks and Recreation Department. Volunteers ordinarily come once a week and are supervised by the professional social workers on the staff or by part-time paid workers.

Persons interested in these programs can contact the Community Club by calling TUxedo 4-2050, or by stopping in at the Club, 20883 Mack Avenue, Grosse Pointe Woods.

**Calvary Lutheran Plans Father and Son Banquet**

The Calvary Lutheran Church, Gateshead and Mack, will hold its annual Father and Son banquet on Friday, February 14, at 6 p.m. All men and boys are cordially invited. There will be entertainment for all age groups, including a gun display by the Joerin Brothers Sporting Goods store.

Places at the banquet table may be held by calling William Phillips, TU. 5-8368, for reservations.
