## HEADLINES

### of the WEEK

As Compiled by the  
Grosse Pointe News

**Thursday, February 20**  
**THE FEDERAL RESERVE** lowered the reserve requirements of member banks by one-half of one per cent Wednesday, creating a theoretical increase of three billion dollars in lending capacity.  
It was a credit-easing, anti-deflationary move aimed at fighting the recession. A Reserve Board spokesman said the action will release about 500 million dollars from reserves which the 6,400 member banks are required to hold against demand deposits.

**Friday, February 21**  
**DAVE BECK**, once all-powerful boss of the giant Teamsters Union, was sentenced to three to 15 years in prison Thursday for embezzling \$1,900 from the sale of a Teamster-owned Cadillac.  
Defense Attorney Charles S. Burdell said the sentence would be appealed to the State Supreme Court "as soon as possible."

**Saturday, February 22**  
**SENATE RACKETS PROBERS** got into a new hassle Friday which members said might force a long delay in their hearings on violence in the United Auto Workers strike against the Kohler Co.  
At issue was whom to call as leadoff witnesses in the hearings at which the union and the company plan to blame each other for acts of violence that marked their four-year-old dispute.  
Committee Counsel Robert F. Kennedy confirmed there was a disagreement over procedure. He announced that the hearings, previously set for Monday, have been postponed tentatively until Tuesday.

**Sunday, February 23**  
Six crewmen were killed Saturday when three huge Army helicopters crashed in rugged Sierra foothills about 10 miles southeast of Red Bluff, Calif. Three other crewmen suffered minor injuries.  
A fourth copter made a crash landing. None of its crew was hurt.  
Col. Frank G. Forest, Sixth Army aviation officer, said he was "fairly sure there was no collision in the air," as reported earlier. He added he was "mystified" as to the cause of the accidents.

**Monday, February 24**  
**LABOR SECRETARY** James P. Mitchell said Sunday he believes the Administration will ask Congress for a tax cut if unemployment fails to decline next month. He looks for the job situation to improve, however, he says.  
Since unemployment figures for March will be available in mid-April, Mitchell's statement indicated the Administration might consider a tax cut several months sooner than had been considered likely.

**Tuesday, February 25**  
**CUBA'S BIGGEST AUTO RACE** played out to a quick and tragic end Monday. The climax was a weird outcome of the battle against the Government by rebel forces.  
Five Cuban spectators were killed and 40 were injured, victims of a race car that went out of control. Experts said the race, the \$10,000 Gran Premio, was sabotaged with oil slicks by rebels of Fidel Castro.  
The kidnapping of the world's greatest race driver Juan Manuel Fangio by rebels ended when he was returned unharmed.

**Wednesday, February 26**  
**ONE MILLION** auto workers will get a three-cent hourly raise because the cost of living price index has climbed to a record high, the government announced Tuesday.  
A spokesman at General Motors in Detroit said the hike would affect some 362,000 GM hourly paid employees in the United States. It also means a substantial increase for 104,000 salaried workers. The Detroit Consumer Price Index climbed 0.3 per cent from December to January, the government said.

## Pointe Shanty Town Just Temporary Community

Each winter, just as regular as the seasons, Grosse Pointe's shanty town appears on the ice between Crescent Sail Yacht Club and the Grosse Pointe Farms municipal pier. And just as sure as spring follows winter it disappears when the spring thaw eliminates

the ice and frees beautiful Lake St. Clair from the strangle hold of winter. Although the surface of the lake becomes stationary, marine life goes on and hardy Pointe anglers pull choice species of pan fish from the depths for their tables.

## Boost Boat Fees to Fix Park Dock

City Agrees to Go Along With Proposals of Owners If Money Is Raised

The Park will increase its boat well fees to raise enough money to repair the present boat dock in its waterfront park, it was brought out at a council meeting on Monday, February 24.

The fees will be increased to raise \$4,125, the minimum needed to effect repairs, but in no case will the dock be fixed if the cost exceeds \$6,000, boat well renters were informed. If it costs more than that sum, the program will be abandoned, it was said.

Rentals in the past have averaged \$2,200 a year for 33 wells, or an average of \$67 per well, which compares to about \$125 per well implied by an offer of \$6,000 for 24 (Continued on Page 2)

## Judge Belanger Returns to Job

Park Judge C. Joseph Belanger resumed his judicial duties on Wednesday, February 19, after an absence of three months, due to illness.

Court cases came under the jurisdiction of City Judge Douglas L. Paterson, who presided in the Park Court during the time Judge Belanger was sick.

## Ticket Supplies Answers To Confused Crash Victim

Paul E. Thompson, 44, of 15376 Deering, Livonia, did not know where he was, or what took place when his car slammed into a traffic light pole at Vernier and Lake Shore roads on Friday, February 21. He received his answer when Shores police gave him a ticket for not having his car under control and leaving the scene of an accident.  
A police accident report revealed that Thompson hit the pole in front of the Shores Village Hall, and that he suffered an injured nose. He had been drinking, police said.  
The noise of the crash was heard a little after midnight by Shores Patrolman Melvin Yacks, on the second floor of the Village Hall, who informed the police desk in the building.  
When a scout car crew arrived, Thompson was gone. A call was put in to Farms police, who stopped the motorist at Lake Shore and Moross, and took him to Bon Secours Hospital for treatment of the nose injury.  
At the Shores police station, Thompson, when asked if he knew where he was, ventured the information that he was in Dearborn. He said he did not remember anything that happened prior to the crash, except that he was driving along and made a right turn "from some street" and hit the pole. He said he did not accept aid at the hospital because he felt all right.  
The ticket he received enlightened him on where he was and what took place. It also revealed that he will have to appear in court on March 24.

## Public School Teachers In Pointe Rated Higher Than Average Nationally

Number Holding Degrees, Geographical Distribution, Percentage of Men and Other Statistics Compiled by Officials

Classroom teachers in the Grosse Pointe Public School System far exceed the national average in educational background, Dr. James Bushong, Superintendent of Schools, reported.

On a nation-wide basis, about one in four teachers has less than a bachelor's degree. In the Grosse Pointe System the ratio is one to 400, Dr. Bushong said.  
Nationally 24 per cent of the classroom teachers have obtained advanced degrees. In Grosse Pointe, Dr. Bushong pointed out, more than 50 per cent of the classroom teachers have master's degrees or higher. Five teachers have their doctor's degrees.

**Quality Maintained**  
"The quality of our teaching staff has been maintained even though our enrollment has almost doubled in the last eight years and our classroom teaching staff has grown from 228 to over 400," Bert Wickling, president of the Board of Education, stated.

"To obtain these fine teachers," he went on to say, "required screening, on the part of the school staff, of more than 10,000 prospective applicants for our additional requirements and to replace the few teachers who had retired or left the profession."

Nationally 128 per cent of all public classroom teachers are men. In Grosse Pointe 36 per cent or 144 of the teachers are men. Of these 144, 25 per cent or 35 teach primary grades

and 75 per cent or 109 teach in the secondary grades.

### Over Half Men

On a nation-wide basis 50 per cent of the teachers in secondary grades are men and in Grosse Pointe about 55 per cent are men.

"Another fact about our staff which I believe makes it an outstanding one," Dr. Bushong states, "is that it represents such a wide cross-section of the nation. Our present staff of teachers has earned degrees in 147 different colleges and universities. They are spread across 32 states and two foreign countries."

"It is also interesting to note that six of our administrative staff have their doctor's degree as do two of our specialists. Eighteen other administrators have completed at least 30 hours of college credit beyond their master's degree. "Taking our teaching and administrative staff together, they have earned over 700 degrees of all kinds from Bachelor's to Doctorate."

## 2 Drivers Hurt As Cars Crash

Two motorists were hospitalized for injuries suffered in an accident in front of 376 Moross road on Tuesday, February 18, when their car collided head-on.

One of the drivers, Charles G. Flemion, 34, of 1613 Borne-mouth, suffered a fracture of the bone on the left side of his face, a broken nose and the loss of two teeth. He was ticketed by Farms police, when witnesses said he was at fault.

The other injured driver was Johann Zoeller, 28, of 11860 St. Patrick, Detroit, who came out of the accident with four broken ribs.

Zoeller was driving north on Moross and Flemion, south, according to a report made to police, when Flemion crossed the center line into the other's path, and the two cars collided.

Flemion was issued a ticket for not having his car under control and causing an injury accident.

Both drivers were taken to St. John Hospital by Farms Fireman Herbert Turner.

## Five Injured As Car Hits Snow Plow

Pointers Hurt During Blizzard in East Following Skiing Weekend; Recovering

A group of Grosse Pointers fell victim to the heavy snows suffered by the east last week.

Mr. and Mrs. Januarius Arthur Mullen, of 300 Washington road, drove east to pick up their daughters, Michael Ann and Mary Louisa, from their respective schools for a mid-semester ski trip to Manchester, Vermont.

Michael Ann is a freshman at Manhattanville College, in Purchase, New York, and her sister is a student at the Sacred Heart Convent in Noroton, Connecticut.

The girls brought as their guests fellow Pointers and classmates, Anna Dee and Ruth Petzold, daughters of the Thomas Petzolds, of Edgemont Park. Anna Dee is a student at Manhattanville, and Ruth is at Noroton.

### Ran Into Storm

After a successful week-end on the slopes, the sextet began to wend their weary way back to school. It was Monday night, February 17. About 25 miles west of Pittsfield, Mass., in New York state, they encountered a blinding snow storm. They were just debating whether or not to stop when they were caught in a terrific wind-swirl of the white stuff. Seconds later the car was a total wreck and five of the six inhabitants had been injured.

They had collided with an enormous steel snowplow which was coming at them on the wrong side of the street.

Mr. Mullen suffered a wrenched shoulder and severe cut under his chin; Mrs. Mullen broke her nose and lacerated her face; Ruth Petzold broke her leg and cut her scalp. Her sister, Anna Dee, was the most seriously hurt. She suffered a broken jaw and severe facial lacerations. The group was stranded two hours in the freezing cold before help reached them. Mrs. Mullen, during the tortuous wait, held a pressure point on Anna Dee's head, thereby saving her from certain death. As it was, she had to have four blood transfusions at the hospital. Mary Louisa injured her back. Only Michael Ann was not hurt.

**Petzolds Fly North**  
Mr. and Mrs. Thomas Petzold were notified in Nassau, where they were vacationing (Continued on Page 2)

## Grosse Pointe High Subject of Praise By Top Educators

Hundreds of Parents Hear Harvard Dean of Admissions and Dr. James Lewis of Michigan At Panel Discussion

By JOYCE ANDREWS  
GPHS Journalism Student

Grosse Pointe High School is highly respected as a quality school by colleges all over the United States.

This opinion was expressed by Dr. Dana M. Cotton, dean of admissions, Harvard University, in the panel discussion sponsored by the Mothers' Club Tuesday, February 18. The topic was "College—Today and Tomorrow."

Dr. Cotton added that 56 per cent of the students at Harvard are from public high schools. These students have a better record than those from private schools, he said.

Dr. James Lewis, vice-president of student affairs, University of Michigan, also expressed high regard for Grosse Pointe High School. The University of Michigan usually accepts students in the upper one-fourth of their class, he said, "but we accept students from the upper half of their class from Grosse Pointe High School."

### 500 Parents Attend

The two other panelists explained the reasons for this respect to the 500 mothers and fathers who attended the meeting.

Dr. James W. Bushong, superintendent of schools, cited the results of the follow-up of the college records of graduates.

Between 70 and 80 per cent of the 1956 graduates went to college, he said. Of these, 197 were recommended by the high school, and 157 were not recommended.

These students, both with recommendation and without, maintained better than a C average in their freshman year at college. The recommended (Continued on Page 3)

## Top Honor Won By GPHS Band

Grosse Pointe High School's latest honors were won last Saturday, February 22, when the Grosse Pointe High School Concert Band participated in the Twenty-fifth Annual Band and Orchestra Festival sponsored by the Southeastern Michigan Band and Orchestra Association.

Each of the 45 bands appearing in Royal Oak's Kimball High School was called upon to play one number previously designated; two selections of its own choosing and two numbers never before seen by the band members, to test their sight-reading ability.

The Grosse Pointe Band won a first division rating in all phases of its performance. While the band has always rated a First Division at its appearances at the Festival, this was the first time in its 20 years that all four judges were unanimous in their decision.

This was an unique honor and much credit was given Mr. Dewey Kalember, an outstanding fine director.

As a result of its fine performance in the District Festival, the band will travel to East Lansing on April 21, to compete at the State Festival.

## Sidewalk Superintendents Inspect New Junior High

"Sidewalk superintendents" enjoyed a field day at the Brownell Junior High School Sunday as more than 1,000 Grosse Pointe residents inspected the progress of construction.

Hundreds of families took advantage of the unusual opportunity offered by the Board of Education to view the partially finished building. The Board and many members of the school staff greeted the visitors and guided them about the school.

"We were greatly pleased with the turn-out," Board President Bert Wickling stated. "We had been told that this sort of inspection was unique and had no idea of how Grosse

## Tuxis Club Show Opens Tonight

Annual Variety Presentation Expected to be Best In History; Three Performances

Tonight at 8:15 the curtains will part for the opening number of "Flying High," the tenth annual variety show of the Tuxis Club of the Grosse Pointe Memorial Church. The show will be held tonight, Friday night and Saturday night in the auditorium of Parcels Junior High School at Mack avenue and Eight Mile road.

The favored few who witnessed the dress rehearsal on Tuesday night commented that it looks like one of the best shows that Tuxis has ever presented. Mrs. Albert J. Slimon, producer and director, and Chet Sampson, executive, are most enthusiastic.

### Singing and Dancing

On this tenth anniversary the emphasis is on singing and dancing and the show moves rapidly from the airplane take-off in the opening scene to the finale in outer-space.

Gathered around the plane for the take-off are the passengers who in a happy mood sing "It's a Good Day for Singing a Song." With Hank Van Lunenburg as soloist, they include: Gretchen Nyboer, Greg Taubeneck, Dorothy Jerome, Al Arbury, Karen Kuivinen, Tom Finch, Jan George, Ken McMillin, Dorothy Hyne, Bill Pattee, Susan Hykes, Bob Blackburn, Sheri Peacock, John Nyboer, Nancy Tallman, Bill Allen, Julie Rueggesser, John Cook, Carole Kenn, Steve Whittlesey, Marjorie Richards, Karen Warmbold, Frank Morris, Martha Foote, Mike Lahey, Nancy Drennan. Captain of the ship is Jim Carne with his co-pilot, Jon McCoy.

John Morrison is the porter. All the hostesses of the airlines join in singing "The Hostess With the Mostes." Norma Evans, Sheila Regan, Barbara Sharpe, Karen Keichenmeister, Linda Peters, Molly Hutton, Gretchen Schuur, Gail Sneege, Marion Clark, Jo Ann Jerger, Jill Totty, Judy Janine Amorello, Barbara Linden.

## Drainage Sewer Plans Completed

Grosse-Gratiot Construction Will Get Underway As Soon As Bonds Are Sold

The long awaited construction of the Grosse-Gratiot Drain is about ready to start; plans and estimates of costs have been completed by the city engineers, and legal proceedings can now get under way for the sale of bonds to raise money for the project, it was disclosed by Woods City Administrator William Lange.

Lange said that the Michigan Department of Health has granted piece-meal approval of designs of individual sewers, pumps and other vitally necessary equipment for the project.

Claude Stevens, attorney for the Inter-County Drainage Board, (Wayne and Macomb Counties) can now start legal proceedings of establishing drainage district costs, according to how areas benefit, and other work necessary for the sale of bonds for the funds which will permit contractors to start work on the drain.

### Must Print Bonds

It will take about 60 or 90 days before the work is actually started, Lange said, since it would take about that time to print the bonds, sell them and deposit the money.

As part of the project, the Woods city attorney has been authorized by the Woods council to negotiate the sale of a little more than four acres of land of the municipal garage property in Marter road, to the Inter-County Drainage Board for the sum of \$48,336, plus an additional \$3,000 for expenses the Woods might have in the removal of material from the property and costs that might be entailed for the remodeling of the garage resulting from its moving.

### Good Station Site

The Drainage Board needs this land for the construction of a sewage pumping station, and the location is an ideal site.

To replace the land that is to be turned over to the Board, the Woods is negotiating for the purchase of about three acres of property from owners holding title to land adjoining the acreage in the deal between the Woods and the Drain Board.

This is expected to cost the city \$38,271, according to City Administrator Lange.

He said that the Girard Drain, which crosses diagonally across Vernier road from Harper Woods, will be cut off at Vernier and diverted eastward on Vernier to Marter road, where it will be connected to the Milk River Drain.

The Black Marsh, Milk River and Girard Drains, collectively known as the Grosse-Gratiot Drain, will be constructed at a cost of about \$10,000,000.

In the not too long ago, when the Pointe was sparsely settled, the Milk River was connected to the Black Marsh Drain, at the time known as the Black Marsh Ditch, which began at the point now covered by Chalfonte road, intersecting at the present Cook road.

The Woods' section of the "ditch," from Cook road to the Woods-Farms city limits, under Chalfonte, was filled in and paved over years ago, Lange said. Periodically, he said, a problem is created by the settling of the ground under Chalfonte, which is remedied by mud-jacking.

### Travel Over Ditch

Motorists driving the full length of Chalfonte, are traveling over part of the Black Marsh Ditch, according to Farms City Manager Sidney DeBoer.

He said that on October 1, 1927, the Farms' consulting engineers made plans for a new sewer system for the community and that soon after that the voters approved a bond issue for \$425,000 for the construction of trunk and relief sewers.

In June 1929, the voters approved (Continued on Page 4)

**Adman to Talk To Republicans**

"Advertising Your Party" is the topic chosen by Walter Clayton for his talk before the 14th District Young Republicans at their regular monthly meeting to be held on Thursday, February 27, at 8 p.m. at the district headquarters, 15316 E. Warren avenue.

Mr. Clayton, who resides at 246 Ridgemont, Grosse Pointe Farms, is a member of the public relations staff of the J. Walter Thompson advertising agency. For a number of years he was associated with the Washington Evening Star in Washington, D. C. Mr. Clayton has, on a number of occasions, served the Republican Party in an advisory capacity in the area of advertising and public relations.

Tom Cochrane, chairman of the club, urges all interested young people in the area to attend this meeting and social hour. "Now is the time to become acquainted with other young Republicans and to get in on the ground floor planning for this important election year," he said.

wells, over a two-year period, made by the renters who wanted the dock repaired.

**Planned on Removal**  
The Park originally planned to remove the dock, located on the west shoreline of the waterfront park, because it was considered old and unsafe. A survey showed that in a number of places the lumber was completely rotted away.

On January 13, boat owners, including several members of the Grosse Pointe Sail Club, who have been renting the wells, attended a council meeting to protest the demolition. They made an offer to pay two-year rentals in advance to raise \$6,000 to repair the dock.

The council gave the boat owners several weeks to come up with any plans they might have, if they wanted to save the dock. At Monday's meeting, the council decided that the city will undertake the repairs with monies raised from increased fees.

**Boat Owners Agree**  
The boat owners present at the meeting agreed to let the

city handle the project under the terms proposed.

A recommendation made by the city manager stressed that boat regulations be revised to raise a sum not less than \$4,000, and that the increased fees be paid on, or about April 1. The April date was extended from January 1, which is the dead line for payment of rentals, if the boat owners plan to use their wells this season.

Wells are recorded to previous year rentals, first, and if they do not renew their applications, then they are allocated to other applicants on a first-come first-serve basis.

## Inspect New School Under Construction

BOARD OF EDUCATION PRESIDENT BERT WICKING and BROWNELL PRINCIPAL CHARLES SALTZER are shown greeting the JOHN CUDIA family of Beaupre avenue at the Brownell Junior High School last Sunday. The Cudia's daughter, JUDY, age 12, will enroll here next fall in the seventh grade. Her brother, JAY, age eight, is now a

Kerby third grader and will follow Judy in a few years. Mr. and Mrs. Cudia are graduates of the Grosse Pointe schools also. Mr. Cudia attended junior high at the Cadieux School, now the Administration Building, while Mrs. Cudia was one of the first to attend the Pierce Junior High School when it opened in 1939.

## Grosse Pointe High School Appraised

(Continued from Page 1)  
students achieved an average of 1.56 (C-B).

"Till stack this record up against any high school in the country," Dr. Bushong declared.

**Explains Preparation**  
Mrs. Ruth Flom, dean of girls, Grosse Pointe High School, explained the preparation for college which is begun in the ninth grade at Grosse Pointe High School with three-year plans, career books, Kuder preference tests, and a series of aptitude tests.

This preparation helps in making a realistic appraisal of the students' potential, she said.

Dr. Cotton commented that this guidance is "a great service for students which is not always offered in all high schools."

Dr. Cotton said that in accepting a student, colleges examine the school record, rank in class, aptitude and achievement tests, and willingness to work.

"We look for evidence that a boy really has enough ability to work in college, but still enjoy himself," he said.

**Should Use Sense**  
Dr. Bushong urged that students not be forced into a certain college, nor left to make the decision on their own. He said that parents should support whatever decision the students make, within the realm of good sense.

Dr. Cotton said, "Parents must listen to their children and not become impatient or dictatorial" when discussing the choice of a college.

Dr. Lewis stressed the importance of "matching a student with a college that will benefit him."  
He also said that as a solution for the growth of college enrollment from 3,000,000 to 6,000,000 students in the next ten years, he felt that more students would stay home for two years at a junior college before going to the larger universities.

**Look for Maturity**  
Dr. Cotton said that besides ability, his colleges look for maturity and participation in extra-curricular activities. He said, however, that they were not interested in "just a joiner," but a member of an activity that means something "like your school paper."

After the meeting many parents praised the discussion as beneficial.

## Public School Teachers

(Continued from Page 1)  
lor of Arts to Doctors in Philosophy and Music and Education.

**On The Young Side**  
"Another factor about our teachers is that their average age is approximately 35 years as compared to a national average of about 42 years."

"One of the reasons for our high caliber is our system of advancement. To earn a raise a staff member must present evidence of professional growth each year. This evidence must be in the form of a successfully completed college credit course, approved travel experience, approved extra teaching, and other activities which would make teachers better qualified to teach. As a part of this activity, 27 per cent of Grosse Pointe's teachers are now enrolled in college courses to help improve their rating. A third of the staff was similarly enrolled last semester. Still others enroll in summer school each year to advance themselves."

Salary schedules in Grosse

Pointe are in about the middle range nationally. They are not in the highest nor the lowest. Teachers with a bachelor's degree and starting in are paid \$4,500 a year. There are 14 steps in the salary schedule for such teachers with a maximum rate of \$7,425 per year.

Announcing our **Certified Exceptional Values** for March with a selection of our "own make" custom sofas and chairs in your choice of more than 50 fabrics...

Custom furniture is usually — and rightly — somewhat more expensive than ready-made. But to demonstrate that good taste doesn't necessarily carry a high price-tag, we have decided on a "Certified Exceptional Value" from time to time.

Hence, the sofa and chairs illustrated herewith, plus a contemporary sofa and two other lounge chairs not illustrated. Worth noting—Each piece is made in our own custom shops, by exactly the same craftsmen, with the same care and attention to detail, as it

would be at the regular price. Each piece carries our usual 5-year guarantee of construction and workmanship, and the label we've taken care to protect for more than a quarter century.

Choose from over fifty fabrics—from four finishes on exposed wood surfaces. Allow four to six weeks delivery, since each item will be covered to individual order.

Just looking? You'll enjoy browsing through our stores. A salesperson will aid you—or not—as you prefer.

## Cub Pack 481 Holds Banquet

Cub Scout Pack 481 of Kerby School held its annual Blue and Gold Banquet at the Grosse Pointe Congregational Church on Monday evening, February 24. Boys and their fathers numbered 166.

Seated at the speaker's table was Cub Master Wray Donaldson, Cub Chairman William S. Carleton, the Rev. Marcus A. Johnson, Congregational Church; Frank Taughner, Community Scout Representative and Scout Master of Troop 703 Boy Scouts, sponsored by the Congregational Church; and Lt. Dewing, Submarine Officer attached to the Brodhead Naval Armory Base, the guest speaker of the evening.

Serving the tables were the outgoing Den Mothers; Mrs. John E. Caulkins, Mrs. Harry Carson, Mrs. Edward A. Batchelor Jr., Mrs. Eugene Allen, Mrs. John Lehman, Mrs. William Briscoe, Mrs. Lloyd Jones, Mrs. John Chandler and Mrs. George Bartie. The dinner was planned under the able direction of Mrs. Wray Donaldson, coordinator.

Lt. Dewing, a 1944 graduate of Annapolis, kept the cubs enthralled with experiences aboard a submarine. Three of the cubs assisted in demonstrating escape equipment. A very interesting question and answer period followed the Lieutenant's talk.

Cub Master Donaldson presented badges and awards to the following Cubs:

Bruce Carleton, Gold Arrow to Lion badge; Mike Moxley, Bear badge; Charles Parcells, Wolf badge; Nicky Popovich, Wolf badge; Todd Nouse, Gold Arrow to Wolf badge; Eric Souer, Wolf badge.

Gary Humber, Bear badge; Ted Hodges, Gold Arrow to Bear badge; John Lehman, Wolf badge and gold arrow; Jordan Lanz, Wolf badge and gold arrow with 2 silver arrows; Bruce Teague, Wolf badge; Tommy Miller, Wolf badge and gold arrow; Bill Allard, Wolf badge; Johnny Kellogg, Wolf badge; George Sutton, Wolf badge.

Charles Wright, Gold and silver arrow to Bear; Robert Fleck, 2 silver arrows to Bear; John Chandler, Wolf badge; Chuck Lampman, Wolf badge; Dennis Duika, Gold Arrow to Wolf; Kenneth Christian, Gold Arrow to Wolf; Billy Bartie, Gold Arrow to Wolf; Roger Farrow, Wolf badge and Gold Arrow; Garry Brooks, Wolf badge.

David Batchelor, John Donaldson, Jack Ducey, Robert Jacobi, Jim Moriarty, David Munson and David Wallner received their one year pins.

## Clark Women To Hear Talk

The Clark Women's Club will hold its meeting Monday at 1 o'clock in Christ Methodist Church.

Betty Roberts will speak to the members on the Far East and the art of Japan.

Mrs. Homer Rauen and Mrs. John Bell are co-chairmen for the day. Mrs. Hely Johnson will preside at the tea table.

## Speech Classes Offered Adults

Classes in speech for adults will be offered by the Department of Community Services of the Grosse Pointe Public School System, at 43 Grosse Pointe boulevard.

**Voice and Diction**, a class for women, will start on Friday, February 28, at 9:30 a.m. This class is offered as an informal workshop for those who would like to develop a more pleasing voice and better everyday speaking habits. Special emphasis is placed on words often mispronounced; common grammatical errors; and the correct usage and appropriate choice of words.

Recording equipment is used as part of the program to improve the voice, quality of expression and enunciation. Phyllis Cowles is the instructor for this class. Mrs. Cowles has been engaged in public relations and lecture work, and is currently an instructor for a nationally known speech organization.

**Practical Public Speaking** is available for men and women who are called upon to participate in or preside at group meetings. This course will develop the student's self confidence, ease of manner and an enthusiastic approach in successfully presenting himself and his ideas to others.

Stanley Kenn will be the instructor. The course content and teaching techniques used are based on Mr. Kenn's experience with years of work in this field. The course is scheduled to begin on Wednesday, March 5, at 7:30 p.m.

## \$10,000,000 Project Set

(Continued from Page 1)

proved the Black Marsh Creek Enclosure Sewer Bonds for \$612,000. The city sold \$542,000 worth.

Chalfonte and Kerby road was the high spot of the area, and it was decided that the present sewage pumping station be built on that site.

The sewer was constructed to Fisher road, southeast on Fisher and connected to an interceptor on Lake Shore road.

**Big As a Highway**

DeBoer said that the trunk and relief sewer was constructed in an arch at the bottom and is about 20 feet wide and about 12 feet high, enough room he said, for two modern cars side by side, with plenty of all-around space to spare.

The bond issue for this project was finally paid for on September 17, 1957.

The enclosure sewer bonds will be paid up in June 1959.

The City approved a bond issue of \$660,000 in 1929, to build a sewer along the natural course of the "ditch" which ran from Chalfonte and Fisher, diagonally across the City and parallel to Mack avenue to Waterloo-Vernor and Cadieux road, City Clerk Norbert Neff said.

The City will pay off the bonds in about another two years, he added.

**Park Also Builds**

On March 31, 1928, Park voters approved a bond issue for \$750,000, to build its sewer along the "ditch," which ran from Vernor and Cadieux, across the city, to Hampton and Wayburn, present site of

Further information concerning these and other films which will be available in succeeding months may be obtained by calling the Film Counselor, Central Library, TUxedo 4-2200.

FAMOUS FISH I HAVE

MET (11 minutes, color). A discussion of some of Canada's noted sporting fish—pike, bass, speckled trout, coho salmon, Atlantic salmon, and giant tuna. At a sportsman's show, fishing enthusiast Greg Clark convinces Pete McGillen, a confirmed hunter, of the delights of angling. The film shows muskie and pike drawn from northern lakes, speckled trout caught against a background of Rocky Mountains, and huge tuna, which rival the grizzly bear in size and sport.

HOLIDAY AT SCHOOL (20 minutes, color). The breathtaking grandeur of the Canadian Rockies is the setting for the University of Alberta's Banff Summer School, where music, art, drama, and French are taught through doing. Festival week culminates a month of study, with outdoor recreation, hiking, cycling, riding, and swimming to pack the moments between classes.

NAVY GOES NORTH (26 minutes, color). This film, produced by the Royal Canadian Navy, tells of the maiden voyage of H.M.C.S. Labrador, the first Arctic patrol vessel to negotiate the Northwest Passage and circumnavigate North America.

PEOPLES OF THE SKEENA (15 minutes, color). The Gitksan and Tsimshian Indians of northern British Columbia and how they live in today's world. Against mountains and forests tower the ancient totem poles; old graveyards reveal past history; on the reserves traditional crafts are still practiced. But the Indian now lives between two worlds, and in the school games, the wedding complete with white veil and white rice, and the modern sawmill, we see how white men's ways are being adopted. As a climax, the film shows the action-filled rodeo at Kispiox.

A sunny disposition is the very soul of success.  
—Charles Matthews

## Parcells P-TA Discloses Plan to Assist Teachers

A special two-fold program of interest to everyone will be presented at 8 o'clock on Wednesday, March 5, in the Parcells' Junior High School auditorium, PTA President Donald Strnad announced.

First on the program will be a demonstration of tumbling and gymnastics presented by more than 100 students under the guidance of the physical education teachers. The students will explain the value of tumbling in improving their coordination, timing, and muscular control.

Groups of students who have developed a special interest in gymnastics as a result of the regular class training have been meeting after school for additional training. These enthusiasts will show their skill in headstands, shoulder stands, rhythmic exercises, jump rope, three man rolls, cartwheels, fancy somersaults, pyramids, balancing acts, and similar feats.

Two features of interest will be a trampoline demonstration and a comedy tumbling act. Mr. Strnad indicated that the evening's presentation should be a lively one and would give a clear picture of an important phase of the physical education program.

The second part of the meeting, Strnad said, would be an explanation and discussion of the newly formulated plan to establish a bureau designed to help teachers find summer employment. The PTA Executive Council has been studying such a plan for a number of months. They have recognized that a need exists for some teachers, particularly those new to the system, to work during vacation periods to supplement their incomes.

The council hopes to establish a plan whereby teachers looking for summer employment can be matched with parents of Parcells students who either need such employees in their own business or know of openings elsewhere in which teachers with certain skills could fit.

The Parcells PTA Executive Council is aware of the fact that the competition for good teachers is very keen. If Grosse Pointe is to continue to get the kind of teachers wanted for the openings that exist each year they will have to meet the competition.

They know that recruiters from California offer not only a well paying teaching contract, but also a guarantee of summer employment to their prospects. It is their hope that the efforts they are making to establish "pools of information" for prospective employers and employees will be a step towards meeting challenges such as these.

At the meeting, a detailed

## Students Sketch Ideal Principal

The late Walter Cleminson, principal of Grosse Pointe High School, succumbed of a heart attack this past summer and the Board of Education has been seeking a replacement all fall.

Shortly before the official announcement of their selection, Jerry J. Gerich, from Arlington, Virginia, a canvas was made at the High School seeking student opinions as to which qualities they hoped to find in their new leader.

A fitting tribute to their late principal, many replied "A man as interesting and understanding as Mr. Cleminson," and made other such complimentary comments.

"Also most anticipated qualities were 'a sense of humor,' 'an understanding nature,' 'kindness,' 'a knowledge and

understanding of teen-agers" the students put it.

## HORNBLOWER & WEEKS

*Serving the Growing Investment Needs  
of Detroit, its People and its Industries*

Fifty years ago Hornblower & Weeks, investment bankers and members of principal exchanges, opened an office in Detroit. The firm, which was founded in Boston in 1888, had previously established offices in New York (1901) and in Chicago (1907).

The new Detroit office was located initially in the Majestic Building, but in 1912 it was moved to its present location in the Penobscot Building. For a number of years the office operated under a manager. In 1933 Mr. James J. Phelan, Jr., became resident partner in Detroit, and thus Mr. Phelan has directed operations here for half of the firm's 50 years in Detroit.

Today the men and women of Hornblower & Weeks, who represent Detroit's senior investment banking and brokerage firm, are proud of the part they have played during the past half century in the progress of individual and institutional investors, corporations and communities of Detroit and the surrounding area.

### Thomas to Talk to Eagle Scouts

Lowell Thomas, world-famous traveler, lecturer, author, and radio newscaster, will be guest of honor at Scouting's 4th Annual Eagle Recognition Ceremony, Sheraton-Cadillac Hotel, Monday evening, March 3.

Total attendance at the affair will be nearly 600. Over 250 Boy Scouts and Explorers who achieved their Eagle Scout rating (or Explorer Silver Award) during 1957 have been invited as guests of their sponsors. Sponsors are local business and professional men, educators and industrialists, who spend the day with some Scout planning a life's career in the same profession as his sponsor. After a day together, both sponsor and protégé attend the evening dinner and program.

Mr. Thomas, regularly heard on C.B.S. radio, will make his evening news broadcast from the banquet table, thus giving the assembled Scouts and Explorers the thrill of a lifetime. Officials of General Motors Corporation and the C.B.S. network, who arranged for Mr. Thomas to be present, will also attend. Edward N. Cole, general manager of Chevrolet, a vice-president of General Motors, and general chairman of this year's Eagle Scout and Silver Award Recognition Program, will preside.

### Symphony Heard In Fine Concert

Grosse Pointers have every reason to be very proud of their orchestra which played to a large and most enthusiastic audience under the inspired direction of Henri Nosco, on Sunday afternoon in the auditorium of Parcels School.

Several very prominent musicians from the Detroit area were noted in the audience—among them the distinguished conductor of the Detroit Symphony Orchestra and his wife, Mr. and Mrs. Paul Paray. The orchestra personnel and board of directors were most appreciative of their interest and encouragement.

One of the most delightful and entertaining numbers on the program was the Folk Suite for orchestra by a composer from the Detroit area—Clark Eastham, and featuring a violin solo by the orchestra's talented concertmaster, John Cataldo.

The Grieg Concerto in A Minor for piano and orchestra, featuring Gizi Szanto brilliant concert pianist and teacher, was a thrilling experience in every respect. Her superb technique, charming appearance and stage presence and the excellent accompaniment provided by the orchestra won long and enthusiastic applause from the audience.

The concert closed with the Franck Symphony in D Minor—a difficult work excellently performed.

A reception honoring Mr. Nosco, the soloist and orchestra personnel was held in the gymnasium immediately following the concert.

### ESTIMATED FIRE LOSSES

Estimated fire losses in the United States during January amounted to \$99,918,000. This \$99,918,000 loss represents a decrease of 13.3 per cent from losses of \$115,272,000 reported for January 1957, and an increase of 9.2 per cent over losses of \$91,519,000 for last December (1957).

### Driver Shuns Good Advice

Edward Grifford of 225 Muir road didn't take good advice from Farm's policemen on Wednesday, February 19, and ended up in trouble.

Police were called to 46 Lake Shore road in answer to a complaint that a truck was driving over the lawn to get to an adjoining vacant property.

At the scene, police found that Grifford was the driver of the truck. They also found out that he had been drinking.

Grifford was warned not to drive the truck and advised to have someone drive it for him. He was also told that in the future, if he wanted to get to the vacant property, to enter by the property gate. This was agreed to.

However, no sooner did the policemen get into their scout car, they heard the truck start up, and saw it run over the lawn at number 46, out the gate and down Edgemere, going at a high rate of speed.

The officers took the chase of the truck and stopped it at Edgemere and Grosse Pointe boulevard. Grifford was behind the wheel.

He was taken to the station, where he was given a ticket for driving while under the influence of alcohol. He was ordered to post a bond of \$50 until court date on March 5.

There is never much trouble in any family where the children hope someday to resemble their parents.

**FRANK EDWARD FARRINGTON, SR.**  
A frequent visitor to Grosse Pointe over the past thirty years, Mr. Farrington, of Hadley, Mass., passed away Monday, February 10, after a brief illness.

Surviving are his wife, Florence Dillon; a son, Frank E. Jr., of Belchertown, Mass.; a sister, Irma Van Tyne, of Detroit; and another sister, Mrs. Harold (Marion) Wells, of Balfour road in Grosse Pointe. He also leaves two grandchildren.

Funeral services were held in Amherst, Mass., with burial in his native town of Wrentham, Mass.

**GRANVILLE BERLIN**  
Mr. Berlin, 62, died Monday, February 17, in his home at Mt. Pleasant, Michigan, where he was associated with oil interests for many years. He spent much of his time at 203 Moran road, here in Grosse Pointe.

A graduate of Ohio State University, Mr. Berlin was a native of Logan, and a widely known Michigan geologist. Survivors include his mother, Mrs. Anna Berlin, of Logan.

Funeral services were held last Thursday, with burial in Logan.

**SELMA BERNHAGEN**  
Mrs. Bernhagen, of 802 Neff road, died Wednesday, February 19. She is survived by her daughter, Mrs. Herbert Hedlund, and a sister, Mrs. Ernest Beck.

Funeral services were held Saturday, with burial in Forest Lawn Cemetery.

**HILDEGARDE E. BRYN**  
Mrs. Bryn (nee Englehardt) died Monday, February 17. She lived at 1756 Bryn drive, and was the wife of the late Fred Bryn. Surviving are her children: Mrs. Florence Bliss; Mrs. Esther Kuester; Mrs. Patricia Litzen; Alfred; Edward; Marvin; and Lewis. She also leaves twenty-one grandchildren.

Funeral services were held Friday, with burial in St. Paul's Cemetery.

**GLENN F. JENKINS**  
Mr. Jenkins, 74, died Monday, February 17, at his home, 480 Neff road, after a lengthy illness. Former Detroit Times editorial page copy editor, he had an extensive background on midwestern newspapers.

A native of Keokuk, Ia., he worked on the Indianapolis Star with Roy Howard, later head of the Scripps-Howard newspapers. Mr. Jenkins then went to Toledo where he became city editor of the Toledo Blade.

He came to Detroit some 30 years ago to join the Detroit Free Press as a copy reader. He also was an associate editor of the Detroit Saturday Night and became its editor upon the death of Harry Nimmo. He was with the Detroit Times from 1941-1952, when he retired because of failing health.

Surviving are his wife, Jane Garaghty; a sister, Mrs. Grace Walker, of Rock Island, Ill.; and two brothers, Ross, in Oregon, and Herbert, in California.

Funeral services were held

## Teacher Author Of Book on Cars

Samuel C. Beeler, head of the industrial arts department, Grosse Pointe University School, is the author of a book which is soon to be published by the McKnight and McKnight Co., Bloomington, Ill.

Entitled "Understanding Your Car," the book is not intended to be vocational in nature and content. Rather it is structured generally for informative and educational uses.

Written by a veteran teacher with much experience in both public and independent schools, the book answers the questions of anyone who is interested in learning how the automobile works. There is related information on all the various parts of an automobile and how they function. The language is non-technical and the information applied to simple, step-by-step jobs that the layman can handle in maintaining an automobile.

Some 170 photographs help to make all of this more meaningful. The book could be used as a text or reference in industrial arts or in shop classes, as a supplement to texts used in driver training classes, or as a manual for every car owner.

Much of the material and most of the photographs were provided through the cooperation of automobile, tire, and automobile parts manufacturers.

Thursday, with burial in Woodlawn Cemetery.

**JOHN DAVID THOMPSON**  
Mr. Thompson, of 205 Lake Shore road, died Friday, February 21. He was the husband of the late Elizabeth Thompson and is survived by his sisters, Mrs. Isabel Rebecca Hutchinson, Mrs. Edith Lily Porter, and Mrs. Jessie Thompson Amlley, and a brother, George Thompson. He also leaves six nieces and nephews, all of Liverpool, England.

Funeral services were held Monday, with burial in White Chapel Cemetery.

**BEN MARKS**  
Mr. Marks, of 2289 Allard road, died Friday, February 21. He is survived by his son, Benjamin F., and a brother, Herman.

Funeral services were held Monday, with burial in Woodlawn Cemetery.

**BERNICE MAICKI**  
Mrs. Maicki, formerly of 404 Lothrop road, died Monday, February 24. She was the wife of the late Marion Maicki. Surviving are her children, John R.; Henry J.; Edward L. (Maison) DeNavarre; Norbert W.; Mrs. Theodore Bernard (Helen); and Richard J. She also leaves nine grandchildren and one great-grandchild.

Funeral services were held Wednesday, with burial in Mt. Olivet Cemetery.

**MARION JEAN KUMMER**  
Mrs. Kummer, of Midland, Michigan, died Sunday, February 23. She was born October 2, 1833 in Norfolk, Virginia and had been a resident of Midland the past five years. She had formerly lived in Baltimore, Md.

Surviving are two sons, Frederic A. Jr., of Cadieux road in Grosse Pointe; and Dr. Joseph T., of Midland. She also leaves a daughter, Mrs. Marion J. Wachsmuth, of Darien, Conn., and eight grandchildren.

Funeral services were held Tuesday in the Blessed Sacrament Catholic Church, Midland.

**HISTORICAL EXHIBIT**  
On March 5, the 300th birthday of the Founder of Detroit, Antoine De LaMothe Cadillac, the Detroit Historical Museum will open a major exhibition called, "Cadillac's Village." The principal item and most-interesting artifact in the exhibit will be the permanent installation of the Moran House, so called because of a considerable grant from J. Bell Moran, past-president and charter member of the Detroit Historical Society, which made the reconstruction possible.

## Phone Company, Museum Help Theater With Props

Props and costumes for Grosse Pointe Community Theater's Friday and Saturday night production of "The Front Page," Ben Hecht and Charles MacArthur hit Broadway show, conform strictly to the late 1920's period called for in the script.

Action is laid in the press room of a big city criminal court. Stage Manager Gordon Jett, 3 Woodland place, obtained the necessary roll-top desks, but had to appeal to the Michigan Bell Telephone Company for the stand-up telephones of that period. After checking with its facilities in the Upper Peninsula, Michigan Bell supplied the needed instruments.

The chemise dress, which has just returned to fashion, appeared originally in the 1920's period of "The Front Page" and will be worn by the feminine members of the cast. One of the chemise dresses was loaned by the Dearborn Museum and others by the Dearborn Players. Mrs. Betty Pothoff, of Grayton road, costume chairman, reports that

Mary Martin wore one of the chemises loaned by the Dearborn players in a TV appearance.

"The Front Page" is an exciting, amusing and intelligent play about a newspaperman, Hildy Johnson, played by Robert Koebel, of Hawthorne road, who wants to leave his profession, but finds the lure of the job irresistible, much to the dismay of his fiancée.

Much excitement revolves about the escape of a condemned killer, enacted by Bob Blow, of Audubon road, and his eventual capture. The killer's feminine companion is portrayed by Mrs. Esther Edwards, of Bishop road. The part of Johnson's newspaper editor is taken by Bill Mehegan, of Beaconsfield avenue.

"The Front Page" will be presented by the Grosse Pointe Community Theatre at 8:30 p.m. Friday and Saturday in the auditorium of Grosse Pointe High School. Tickets will be available at the door. Prices are \$1.25 for adults, 75 cents for students and service-men.

## Luther Leagues To Hold Parley

The Luther League, young peoples' organization of St. Paul Evangelical Lutheran Church, Chalfonte and Lothrop, will be host to individuals from Leagues in other Lutheran churches in Detroit next Sunday afternoon at a meeting beginning at 3 o'clock at which an address will be given by George Utech, president of the International Lutheran League of the American Lutheran Church.

He will explain procedures for registering for the next League Convention which will be held August 19-24 at Cornell University, Ithaca, New York.

It is expected that several bus-loads of young people from this area will attend. Mr. Dean Haferman is the Vicar at St. Paul, and is in charge of youth work. Mr. Utech is a senior in the Lutheran Theological Seminary, Columbus, Ohio.

The time of the singing of birds is come, and the voice of the turtle is heard in our land. —Song of Solomon

## Dedication Set For New Church

Mt. Olive Ev. Lutheran Church, East, Radnor corner of Mack, is dedicating its new house of worship on Sunday, March 2.

Three festival services will be held. At the dedicatory service at 10:45 a.m. the guest preacher will be the Rev. Norman Engel of Milwaukee, Wis., former pastor of Mt. Olive. The present pastor, E. Frey, will officiate in the dedicatory rites. Mt. Olive's choir will sing.

The afternoon service, beginning at 4 o'clock, will emphasize the theme of Christian education. The Rev. Edgar Hoenicke of Plymouth, Mich., will deliver the sermon. The Junior Choir of Hope Lutheran Church will sing several selections and Mrs. William Fahringer will sing the Lord's Prayer. The liturgy will be the Rev. W. Valleskey.

In the evening a service of consecration will be held at which the Rev. Roland Scheele of Toledo, Ohio, will preach. This service will begin at 7:45. A combined chorus from neighboring congregations will enhance the worship with appropriate anthems. The liturgist will be the Rev. Kenneth Vertz of Owosso, Mich., also a former pastor of Mt. Olive.

To complete the day's festivities a dinner will be served, beginning at 12:30 p.m., and a buffet supper at 5:30 p.m., both in the church's social hall.

The new Mt. Olive is of contemporary style, blending new concepts and materials with traditional forms so closely associated with liturgical worship. The result is a church which is practical, economical, and yet reverent. Mr. Elgin Pruder is the architect and the Bouttelegier Construction Co. the general contractor.

It is a general rule of life that should you touch mud with your gloves, it is never the mud that becomes gloved. —George Mikes

## Well-Earned Award

Back in 1932 President Herbert Clark Hoover was defeated in his bid for reelection to the office of President of the United States. He was succeeded by the late Franklin D. Roosevelt, who proved to be one of the most popular presidents the country has ever had, but anyone could have beaten Mr. Hoover at that time. A populace that had gone mad with the fever of speculation and the chasing of the fast buck, had seen the depression come and watched themselves being "hoist by their own petar."

Mr. Hoover had warned and pleaded against the wild gambling and foresaw the inevitable crash. He was opposed by a hostile Congress and he departed from office under a cloud of unpopularity, being blamed for the whole mess the people had brought on themselves.

There were few, but very few at that time, who predicted that as history was written and the pall of the black depression lifted, the name of Herbert Hoover would shine ever brighter on the pages of the annals of our country. With the passing of the years, the brilliance and unflinching patriotism of this great man have continued to be shining guideposts for all with the ability to think.

There came to our desk this week the annual report for 1957 of the Freedoms Foundation at Valley Forge, Pa. To those who have always been admirers of this tremendous figure on the American scene, there must be a great feeling of gratification to find that he has been chosen for the highest honor the Foundation can offer, the George Washington Award. That the award carries a \$5,000 prize and the Special George Washington Honor Medal probably means little to Herbert Hoover. The wording of the citation undoubtedly is much more valued by him and should be indelibly impressed on the minds of all Americans. Here is what the Foundation has to say about this man who will be 84 years old on August 10, who has never ceased to serve his country and who has always faced criticism with a renewed courage.

In Recognition Of

"Patriotic leadership through example and by devotion, as a child of God, to noble ideals. For his life without hate—for his love and works for mankind—for his duty done without faltering under criticism—for his wisdom and devoted service to the Republic of the United States.

"He has reached the pinnacle of world respect to which, in the recorded history of our civilization, few men have risen. He has made clear to all men the spiritual resources which every individual, within himself, commands. He has demonstrated the potency of American individualism as the propelling force in the pursuit of life, liberty and happiness."

## What Goes On at Your Library

By Jean Taylor

In this age of entertainment via television, radio and rock-and-roll music, it is indeed heartening to read, in a recent issue of the *Saturday Review*, of the popular success of a new New York television program comprising a course in literature from Stendhal to Hemingway. Not only did these lectures deal with classics, but they were telecast at 6:30 a.m.!

The lecture for the first week dealt with Stendhal's *The Red and the Black*, and by the following Monday all the bookshops in New York City were sold out. And with each new classic, bookstores were swarming with people attempting to buy that book. The article goes on to state that apparently a book-reading revolution is going on in America: people have not only returned to books, after a period of wedded bliss with the medium of TV.

It would seem that two factors have helped to contribute to this new welcome state of affairs. First, the moving pictures have helped to popularize some of the classics, leading many to reading the original on which the picture was based. Secondly, the inexpensive, paperback books have increased the availability of many good titles, and at a price that Mr. Average Citizen can afford.

I hasten to admit, before the

cynic can point a finger at me, that undoubtedly a percentage of these classics purchased are not read, or are not read in entirety. Human nature being what it is, it is no doubt true that there are some who find some titles too rich a diet, too long, too involved, or too uninteresting. But for the large percentage who do read them and profit thereby, these efforts to produce a better educated, more thoughtful and cultured American public are bearing great fruit.

It would seem to me, also, that the Great Books courses offered in recent years, have done much to produce enlightened readers. As a member of a Detroit group for a period of some seven years, I can personally testify that these courses not only compel each group member to read certain of the older classics, but force him to think about them intelligently, evaluate their worth, defend his opinions, and listen to the ideas of his fellow members. Thus understanding, tolerance, and a sharpened ability to think logically are valuable by-products of such courses.

And so we librarians may take heart also. In our efforts toward wise and discriminating book selection, with an eye also to availability of good material, we can see that there are other forces and media at work in the same direction.

## No Hit-or-Miss Rx's for You

By FRED M. KOPP, R. Ph.

The prescription of years ago was largely a hit-or-miss affair. If one drug didn't work, the doctor tried another... then another. Often none of the drugs did much good. But the day of the hit-or-miss prescription is no more. Now the doctor knows exactly what each drug can do. The first one he prescribes is usually the right one—the one drug that does a perfect job of curing. That's why...

## Grosse Pointe News

### From Another Pointe of View

By Patricia Talbot

Parties with a difference are what the average hostess is searching for these doldrum days to lighten the social scene and the William Hibbards have come up with one.

Last Sunday they decided to have a brunch instead of a dinner and a dozen were invited to come in after church for the menu.

The William Youngs, the Frederick Sibleys, the William Hurleys, the Don Mackenzies and the Cleveland Thurburs were those bid to brunch and to stay on through the afternoon.

Another series of parties with a difference are the ones Mrs. Edwin Knights is giving for her children's teachers. It seems the Knights' offspring, Eddie B and Jesse, take music, boxing and ice skating plus their regular academic chores.

Eddie's piano instructor, Dick Roeckelein, will be the first. Then his Richard second grade teacher, Mrs. William Fulford, will be invited for dinner. Also on the list are Bernie Falk, and Ronnie Baker, who twirls small Jesse on the ice. Quite a novel way of saying thank you.

### Doctor's Wives Welcome

While Mrs. Knights is organizing these relay dinners she is also in charge of junior bridge groups for the Wayne County Medical Society, her husband, Dr. Knights, being active in this organization.

In on most every gathering are Mrs. Hal Schuknecht, Mrs. Philip Gibbs, Mrs. Jack Guyton, Mrs. John Ditzler, Mrs. Vernor Davis, Mrs. Robert Horn, Mrs. Janney Smith and of course, Mrs. Knights.

### First Trip Abroad

European travel seems so commonplace to some it's refreshing to meet a lady who is young in heart about her first trip across the Atlantic and not one bit blasé.

Mrs. William Lloyd Beamer, of Grosse Pointe boulevard, is flying to New York tonight with her husband on

### Coterie Dance This Saturday

Al Ross' orchestra will strike up the band for "Ole Erin" whose month March officially is, at the War Memorial Center, on Saturday, March 1, at 9 p.m.

Coterie welcomes married couples of all ages for a night out in the Center's beautiful lake side setting. Every effort is made to see that everyone has a good time and becomes a part of the group.

Good refreshments in the candlelit dining room are always served during intermission and provide a congenial atmosphere for seeing and making friends.

Everybody dresses up just a bit but these dances are in no way formal or stuffy and \$3.00 per couple covers everything.

### Newcomers Slate Events

This Friday the Grosse Pointe Newcomers will hold a bridge party at the War Memorial. Refreshments will be served and there will be a short business session.

These meetings are primarily to introduce new couples attending their first, second or third party to the active members.

Chairman of this bridge party are Mr. and Mrs. Stuart Moreton assisted by the Grant Buchanans and Dr. and Mrs. Stephen May.

One new couple attended the Valentines Party, Mr. and Mrs. Hugh Wanke, of Devonshire road.

During the month of March there will be a theater party on the 15th and a progressive bridge on the 28th.

Success in life depends upon persistent effort, upon the improvement of moments more than upon any other one thing.

## Merry Parisian To Head DAC Show

Rolly Rolls, Versatile Comedian-Pianist, to Star at Club's Eight Day Dinner Dance Floor Show Opening Friday Evening

Detroit Athletic Club's dinner-dance-floor show from Friday, February 28, through March 8 will bring many Grosse Pointe members and their guests to the downtown clubhouse, according to reservations being made for the gala.

The eight-night festivity will star Rolly Rolls, versatile comedian-pianist who is known as the "international humorist at the piano" and the "Merry Parisian". Pianist Rolls combines a witty patter with a keyboard repertoire ranging from boogie-woogie to the classical.

Seven o'clock is the dinner starting time. Before and after the 9:30 p.m. show, Dick Barlow and his band will play for dancing. Martin C. Callihan, entertainment chairman, has charge of arrangements.

At Friday's gay opening, Mr. and Mrs. Clarence M. Justice will be hosts to their son and daughter-in-law, the Mitchell Justices, and the John J. E. Hardings.

Mr. and Mrs. Howard D. House have reservations for a sixsome, Mr. and Mrs. Edward F. Lee have reserved a table for six, and the Lee Roy J. Scotts will have guests.

Among those with reservations for groups or foursomes

on following evenings of the floor show week are the Arthur Kirchners, the Frank Cavanaughs, the Donald R. Fords, Dr. and Mrs. John E. Webster, Dr. and Mrs. A. D. Ruedemann, Jr., and the William J. Tousemans.

The list of Grosse Pointers continues with the Earl Quibells, the Henry Bokrams, and the Daniel L. Beckes who are planning sixsome each; the C. A. Noltes, the George Endicotts and the Bartholomew A. Seymours who each have reservations for foursomes, and Dr. and Mrs. J. Wilfred Harrison who have asked for a table for eight.

### Newlywed Frank Dodges Return from New York

Mr. and Mrs. Frank Dodge (Elaine Stebbins) have returned from their wedding trip to New York.

They were honored at a cocktail party buffet and party shower last week by Mr. and Mrs. Nate Silverstone, of Kenwood court.

## National Cathedral Sends Speaker Here

Mrs. Theodore Wedel to Speak at Christ Church Tuesday at the Silver Tea Marking the 25th Year of the National Cathedral Association

Mrs. Theodore Wedel will come here Tuesday from the Washington National Cathedral to speak at Christ Church at a Silver Tea commemorating the twenty fifth anniversary of the National Cathedral Association.

The National Cathedral Association of Eastern Michigan, of which Mrs. Frederick C. Ford, of Bishop road, is honorary chairman, is sponsoring Mrs. Wedel's talk. She will be the house guest of the Alexander L. Wieners, of Woodland place.

Mrs. Wedel was in the Pointe, at Grosse Pointe Memorial Church, two years ago to speak about the Cathedral. For half a century the cathedral in the nation's capital has been serving as the country's center of Christian inspiration. The church is 65 per cent finished and a drive is on now to move forward with the remaining construction. More than 150,000 worshippers visited the Cathedral last year, which held 1140 services, with 162 held by denominations

## Party Planned By Methodists

The Woman's Society of the Grosse Pointe Methodist Church is holding a Dessert Bridge Party at the Grosse Pointe War Memorial on Friday, February 28, at 12:30 p.m. Proceeds from the card party are earmarked for furnishing the church parlor of the new addition to the church, now under construction.

There will be many prizes. Ticket sales for the event are expected to be in excess of 100 tables.

Mrs. W. G. Brownson is the chairman for the party. Her committee is as follows: Mrs. C. K. Bowles and Mrs. J. K. Lockwood, in charge of prizes; and circle representatives, Mrs. John G. Scales, Mrs. Hugh Delfs, Mrs. Kenneth Kimmel, Mrs. Kenneth Huddleson, Mrs. William Horsch, Mrs. Richard Olson and Mrs. Warren Moore.

other than Episcopalian. The cathedral is truly undenominational, supported by all creeds, races and stations.

The National Cathedral Association is responsible for its maintenance and expansion and has 8,750 members. Many more are needed and the drive is on now to obtain additional support. Mrs. Roy D. Chapin, Jr., is in charge of the drive here. The membership hopes to raise \$130,000 (representing 13,000 building stones) to build a bay in the nave of the Cathedral.

Regional chairman of the National Cathedral Association here is Mrs. Alexander L. Wiener. Others serving on the association are Mrs. Luther Leader, of Bloomfield, Mrs. George Syler, of Almont, Mrs. Longyear Palmer, Mrs. William Black, Mrs. J. Milton Robb, Mrs. Ralph McElvenny and Mrs. Charles B. Crouse.

Others who serve on the association board are Mrs. Rockwell Gust, Mrs. Waldo C. Grasse, Mrs. Frederick Campbell, Mrs. L. Rothe Farr, Mrs. Wood Williams, Mrs. John B. Warren, Mrs. Fred J. Kennedy, Mrs. Phelps Newberry and Mrs. Lynn McNaughton.

Mrs. Donald Valley, Mrs. John C. Chapin, Mrs. Lawrence Lewis, Mrs. Daniel Goodenough, Mrs. L. Olney Jones, Mrs. Harold Mack and Mrs. Warren Sheldon are members of Mrs. Roy D. Chapin Jr.'s drive committee.

## Orthopaedic Clinic Plans New Addition

A new board of trustees for the Detroit Orthopaedic Clinic was named last week to direct the expansion of the building at 5447 Woodward avenue.

Mrs. Gordon F. Knight

heads the board which is made up of Sigma Gamma Association members. Sigma Gamma is selling its hospital school in Mt. Clemens and many members will devote their time to helping enlarge the facilities of the Orthopaedic Clinic.

Serving with Mrs. Knight are Mrs. Joseph W. Caskey, first vice-president; Mrs. Victor Kenyon, second vice-president; Mrs. Edward Spaulding, third vice-president and Mrs. Alden Gallup, recording secretary.

Others are Mrs. H. Gordon

Wood, corresponding secretary; Mrs. John Bockstanz, assistant secretary; Mrs. C. Henry Haberkorn III, treasurer and Mrs. William Scott Burke, assistant treasurer.

New members of the board elected to serve a three year term include Mrs. Frank B. Ware, Mrs. Burke, Mrs. George Jury and Mrs. Carroll T. Bantyne. Mrs. Gordon A. Weller will serve a one year term.

The board, which sets up the policy, operational and financial, for the clinic has announced that ground will be broken for a new addition shortly.

## Famed French Singers Booked

The French male singing group, Varel and Bailly with Les Chanteurs de Paris, will be Detroit Town Hall's closing program, Monday, March 3, at 11 a.m. in Ford Auditorium.

The group, which has appeared several times recently on the Ed Sullivan, Patrice Munsel and Garry Moore shows, will sing songs of France's history and songs composed by Varel and Bailly.

Varel and Bailly are often called the Rogers and Hammerstein of France; they composed year around in a cha-teau near Paris. The seven young vocalists are all former Little Singers of Paris.

Regular tickets and 90c student tickets are available through Grinnell's, WO2-1124, or at the auditorium the morning of the show.

In character, in manner, in style, in all things, the supreme excellence is simplicity. —Longfellow

## June Summers Faces Big Job

Piano virtuoso, June Summers of Grosse Pointe Park, will undertake a mammoth musical chore Wednesday evening, March 12, when she plays three full length concertos with the Symphony of the Air.

The attractive composer and pianist who began her career as a child prodigy at the age of six will highlight the evening with the world premiere of her own concerto titled "The Age of Love."

Preceding and following this event Miss Summers will display her mastery and piano techniques by rendering Mozart's concerto No. 15 and Beethoven's No. 5 "Emperor," respectively. Both these difficult works combined with her own composition will require approximately an hour-and-a-half at the keyboard—a task beyond the strength and capacity of many leading and prominent masters.

More than 100 pages of composition are involved in the presentation and a third of these are original. The artist is a pupil of Isidor Philipp and

Mischa Kottler and has appeared extensively throughout Canada and the United States as soloist and with leading symphony orchestras. Miss Summers is of Welsh and English parentage and a relative of Winston Churchill.

She has engaged Matti Holl, permanent conductor of the Windsor Symphony Orchestra to conduct the Symphony of the Air in the three concertos and the overture to the "Kalevala Suite," a major work she is composing for presentation in 1959.

## Harmonie Decorates For Western Gala

Barbecue Dinner and Square Dance on Agenda for Saturday Evening; Club Ladies Attend Spring Fashion Show and Luncheon Today

Harmonie Club members will dine on barbecued spare ribs and roast beef at the Western dinner and square dance Saturday night. Philip S. Greco has planned this round the ole corral party which guests will attend in costume.

Sombreros and Stetsons will center red checkered topped tables for the dinner which will be served buffet style.

Among those with reservations are Dr. and Mrs. Richard A. Balser who will be hosts to a party of 10, the Allan Forrests, who have invited 18, and the Warren L. Traftons who will entertain six.

Others attending will be the Robert F. Murphys, the Theodore Felds, the Robert Irelands, the John Brackens, the Richard O'Neils, the Carl J. Schulers, the Russel Troutmans and the William Lelicans.

This Western gala will follow on the heels of the club's spring luncheon and fashion show this Thursday which has been planned by Mrs. Ernest Nigg.

Some of the ladies turning out for the style parade today are Mrs. Henry J. Bock, Mrs. Burton D. Jones, Mrs. Raymond L. Miller, Mrs. Charles H. King, Mrs. Philip F. Greco, Mrs. Alfonse A. Limberg and Mrs. Ludwig O. Henze.

Others are Mrs. Morris Logghe, Mrs. Richard W. Piper, Mrs. Henry G. Schlortz, Mrs. Ray J. Wolfslayer and Mrs. Hector J. Dunsmore.

### VANDALISM REPORTED

Mrs. Courtney Rankin of 345 Ridge road, complained in person to Farms police on Tuesday, February 11, stating that while her car was parked in front of her home during the night, someone threw a brick through the left rear window, smashing the glass.

The trio will fly to Paris and with Bill as a guide will see France, Spain and Italy before crossing the Channel to England, where the Beamers will rent a car and drive about the British Isles. They will fly home about May 1.

On the Continent right now with round the world cruise tickets is Mrs. George Van Ness Lathrop, of Provencal road.

### Mrs. Robertson Here

Enroute from a visit to one son-in-law and daughter, the Kent Chandlers, Jr., of Lake Forest, Ill., Mrs. Norman Finch Robertson stopped here last week to visit another pair.

Mrs. R. was the guest of the Eric Strohs over the week-end in their Neff road home. Mrs. Stroh entertained for her mother at a family dinner with the John Strohs and Mrs. Gari M. Stroh on the guest list. On Monday Mrs. Robertson returned to Llewellyn Park, N.J., but she will be returning soon.

### Random Notes

The Florida addicts are faithful and a few hardy souls are continuing with their plans in spite of 30 degree temperatures in the South. The Fred Krosses, of Moran road, are leaving soon and the C. Allison Monroes, of Ridge road, are already established at Sarasota.

Also bound this week for the citrus state were the Richard Comforts, of Allard road, leaving behind their children who can't leave their books.

Home for a brief visit over the week-end was Elsa Barr, daughter of the Andrew Barrs, of Merriweather. This miss has a steady job in Boston now and doesn't get many opportunities for reunions.

Mrs. Ferris Fitch, of Merriweather road, has left for a brief visit with her daughter in Wilmington, Del.

## Alpha Sigmas Have Benefit

Alpha Sigma Phi Mothers' Club held a benefit last week to furnish the new fraternity house at Wayne State University.

Among the Pointers modeling hats in the spring fashion show were Mrs. James Quillo, Mrs. Ray Smith, Mrs. A. D. Fraser and Mrs. Ron Johnson.

The fraternity house is 169 years old, held up by logs with bark, railroad ties with spikes and two tombstones dated 1851 and 1852. It has been redecorated with French gold antiques and choice Chinese pieces.

The president of the Mothers' Club is Mrs. Frances Bronski, of Veronica East.

## Church Holds Fashion Show

Paris, Rome and New York introduced the "Chemise Look" and now Bethany Ladies Society is introducing a delightful fashion show of authentic antique gowns and accessories from the Michigan Historical Society and from one of the most beautiful private collections ever owned — belonging to Mrs. Westerhelvic.

This unusual show will be presented in a skit form, and will include a reminder of the "Roaring Twenties" with the short, ballroom gowns of that era. Beautiful wedding gowns from 1848 to 1958 will also be modeled.

This fashion show will be presented on Wednesday, March 5, in the Bethany

Church Gym, located at Berkshire and East Outer Drive. A complete luncheon will be served at 12 noon.

For reservations, call Mrs. Robert Maschoff, LA 1-0158. Tickets are \$1.25 and only a limited number will be available at the door.

The fashion show chairman is Mrs. George Huser, assisted by Mesdames Gordon Bohn, R. E. Ooster, Robert Maschoff (tickets) and William Rustmann (publicity).

## Classes for Heart Patients Forming

Red Cross offering course in easier home-making for those afflicted with ailments; others may enroll

There is still time for homemakers in Wayne County to register for the free "Heart of the Home" classes in work-simplification to be offered at the Grosse Pointe Department of Community Services, 43 Grosse Pointe boulevard, by the Michigan Heart Association, according to Mrs. Hannah R. Pretzer of the Wayne State University Department of Home Economics who conducts the classes. The first class of the series will meet from 9:30 a.m. to 11:30 a.m. starting March 6.

Any homemaker may enroll in the program although women with an ailment of the heart or blood vessels; hypertension, hardening of the arteries, coronary heart, rheumatic heart, varicose veins, and other disabling diseases, will be admitted to the classes first. The classes are made possible by the Michigan Heart Association through funds received from the United Foundation Torch Drive.

Homemakers are given free instructions in practical ways of making their homemaking simpler and easier by eliminating unnecessary steps and wasted energy in the preparation of meals, washing and ironing, bedmaking, and other household duties.

Mrs. Hannah R. Pretzer has been a teacher of the classes in Work Simplification for cardiac and other homemakers since the first class was held at Wayne State University in the fall of 1950. She received her Bachelor of Science degree from Western Reserve University, Cleveland, Ohio and her Masters degree from Wayne State University, Detroit. During her college and graduate work she specialized in management in the home and in equipment.

Each homemaker attends four (two-hour) lecture-demonstration classes which will be held on March 6, 13, 20, 27 from 9:30 a.m. to 11:30 a.m.

Any woman in the Wayne County area who would like to attend the free "heart-saving" classes being offered by the Michigan Heart Association can do so by writing or calling the Grosse Pointe Dept. of Community Services, Forrest Geary, at TU 5-3808 or by calling the Michigan Heart Association at TE 1-8660 for complete details.

The "Heart of the Home" program is endorsed by the Wayne County Medical Society and Doctors of Medicine are being urged to refer their cardiac patients to the classes.

## Center Plans Teens' Dance

The Youth Council of the Grosse Pointe War Memorial is holding its monthly dance for all couples in grades nine through twelve in the Pointe's public, private and parochial schools, on Saturday, March 8, at 9 p.m.

The theme of the dance is "The Toga Tug" and the password is "Beware of the Ides of March." Dress is sweaters and skirts for girls, sweaters and slacks for boys. Fred Crissey's orchestra will be featured.

John Hartz is general chairman for the dance with Dave Cook in charge of decorations, Roger Shortz, the refreshments, and Connie Malcolmson, the door committee.

## Review Group Plans Election

The Friday Book Review Group of Grosse Pointe Memorial Church will meet in the Women's Lounge for tea on Friday, February 28 at 1 p.m.

Mrs. Fred W. Adams will lead the devotions and Mrs. Roy Keim will review a humorous book.

There will be elections of officers and all members and friends are urged to be present.

## Austin Conquers St. Paul To Win Catholic Crown

The undefeated Austin Friars tumbled the St. Paul Lakers from the ranks of the unbeaten last Sunday, February 23, with an impressive 72-49 victory to win their first Catholic City championship before a huge 7,863 bipartisan crowd at the U. of Detroit Fieldhouse where the three-day tourney was staged.

It marked the first time the Friars found themselves on the long end of the score in three years of trying.

The victory also answered half of the oft asked question "Which team is the best in Grosse Pointe?" Austin is regarded as a Grosse Pointe school because of its large Grosse Pointe student enrollment.

### May Meet Devils

The second half of the question could be answered in the upcoming District tourney in which the Grosse Pointe Blue Devils and the Friars are slated to participate. If all goes according to pattern the Friars and Devils should meet in their district final. If this should happen, the winner would become the "unofficial" Grosse Pointe champion.

Both Austin and St. Paul placed excellent teams on the floor for the Catholic finals but the key to the final result lay in the fact the Friars had the best center in state prep circles in 6-foot-5-inch Dave DeBusschere pacing their deadly attack. DeBusschere was like an old pro playing with kids. He dished in 37 points on 17 field goals and 3 fouls to take individual scoring honors on a variety of shots that kept the large white-shirted Austin Friars in a constant up-poor.

**DeBusschere Is Difference**  
The Lakers' 6-foot-5-inch Junior center Gary Anderson had the tough job of guarding the brilliant DeBusschere and discovered in a hurry why DeBusschere is slated to repeat his All State selection of last season.

Although he matched his opponent in height Anderson couldn't cope with DeBusschere's offensive and defensive ability, which has made the difference between a good Austin team and the great one it is this year. Had St. Paul been blessed with DeBusschere's talents the Lakers would today be the kings of the Catholic tourney.

This is proven in the final scoring tabulations which show the Lakers to have better scoring balance than the Friars. Erase DeBusschere's 37 points and St. Paul would be the winner 49-35.

The five starting Lakers all hit the scoring column with Junior guard Joe Lauer leading the way with 17 points. Tom Koloski and Russ Schoenherr hit for 10 each with Dave Ayrault getting 7 and Anderson caging 5.

By comparison Coach Chuck Hollos's crew finished with Tom Pine and Joe Finazzo getting 8 each followed by Paul Kasper and Russ Schoenherr with 6 each. Dave Sobocinski's 4, Ted Hinz's 2 and Gary Ruprich's 1.

With DeBusschere leading the way the Friars outscored the Lakers in every quarter and department. Austin caged 34 field goals to the Lakers' 21 and hit on 4 of 17 throws to the Lakers' 7 of 17.

Throughout the first quarter it was a nip and tuck battle with the score changing hands twice and being tied once. Actually it boiled down to a scoring battle between DeBusschere, who notched 7 points, and the Lakers' team which counted 8 points. Tom Pine's and Russ Schoenherr's two field goals gave Austin a slim 11-8 lead at the end of the period but the Lakers were still very much in the battle.

With DeBusschere's three goals pacing the nine goal Austin second quarter attack the Friars pulled away to a 29-21 lead at halftime. But there wasn't a fan in the crowd that thought the Lakers were out of it because during the regular season the Lakers had proven themselves to be a strong second half quintet.

The Lakers didn't fold. They fought back with a 20-point scoring spree in the final quarter but the Friars bagged 25 points in the same period with DeBusschere getting 12 of them.

The victory was the sixteenth in a row for Austin and the defeat was the first in 15 starts for the Lakers, who last

week topped the State class C ratings.

Losing to a great Austin team detracts nothing from Coach Eddie Lauer's wonderful Lakers who made shambles of the East Side Second Division parochial race while winning their second consecutive league title.

Both Austin and St. Paul were impressive throughout the tourney as they humbled their opponents to reach the finals.

In the first round Austin whipped St. Benedict's 68-44 with DeBusschere leading the way with 35 points for game honors.

### Beat All Saints

St. Paul walloped defending champion All Saints 59-35 with one of the best balanced attacks seen this season. Dave Ayrault led the way with 13 and Joe Lauer and Russ Beaurpe each notched 12.

The second round saw Austin steamroller Mt. Carmel of Wyandotte 79-56. DeBusschere played only three quarters and caged 18 points, which was one less than Mt. Carmel's Ed Trancygier, who gained individual honors with 19.

The Lakers were just as impressive as they clobbered St. Andrews 69-48 behind the sharpshooting of Joe Lauer who notched 22 points.

Before the 1957-58 season is completed there will be many good teams that will fall before the Lakers and Friars. Both should bring much glory to Grosse Pointe in the forthcoming State district and regional tournaments.

## Austin to Play For City Title

The St. Paul Lakers and Austin Friars both have another engagement at U. of Detroit Fieldhouse next Friday, February 28, but not against one another. Instead they both will be attempting to bring glory to the Catholic league when they meet the Metropolitan champion and runner-up in the annual City championship game.

St. Paul will meet the loser of the Northeastern-Northwestern game, which was played Tuesday, February 25, in the preliminary consolation game at 7:30 p.m.

Austin will play the winner for the City championship at 9 p.m.

All seats will be reserved and tickets may be obtained at the St. Paul School office. Adult tickets are \$1.00 and student tickets are 75 cents. Special reserved box seats are \$1.25.

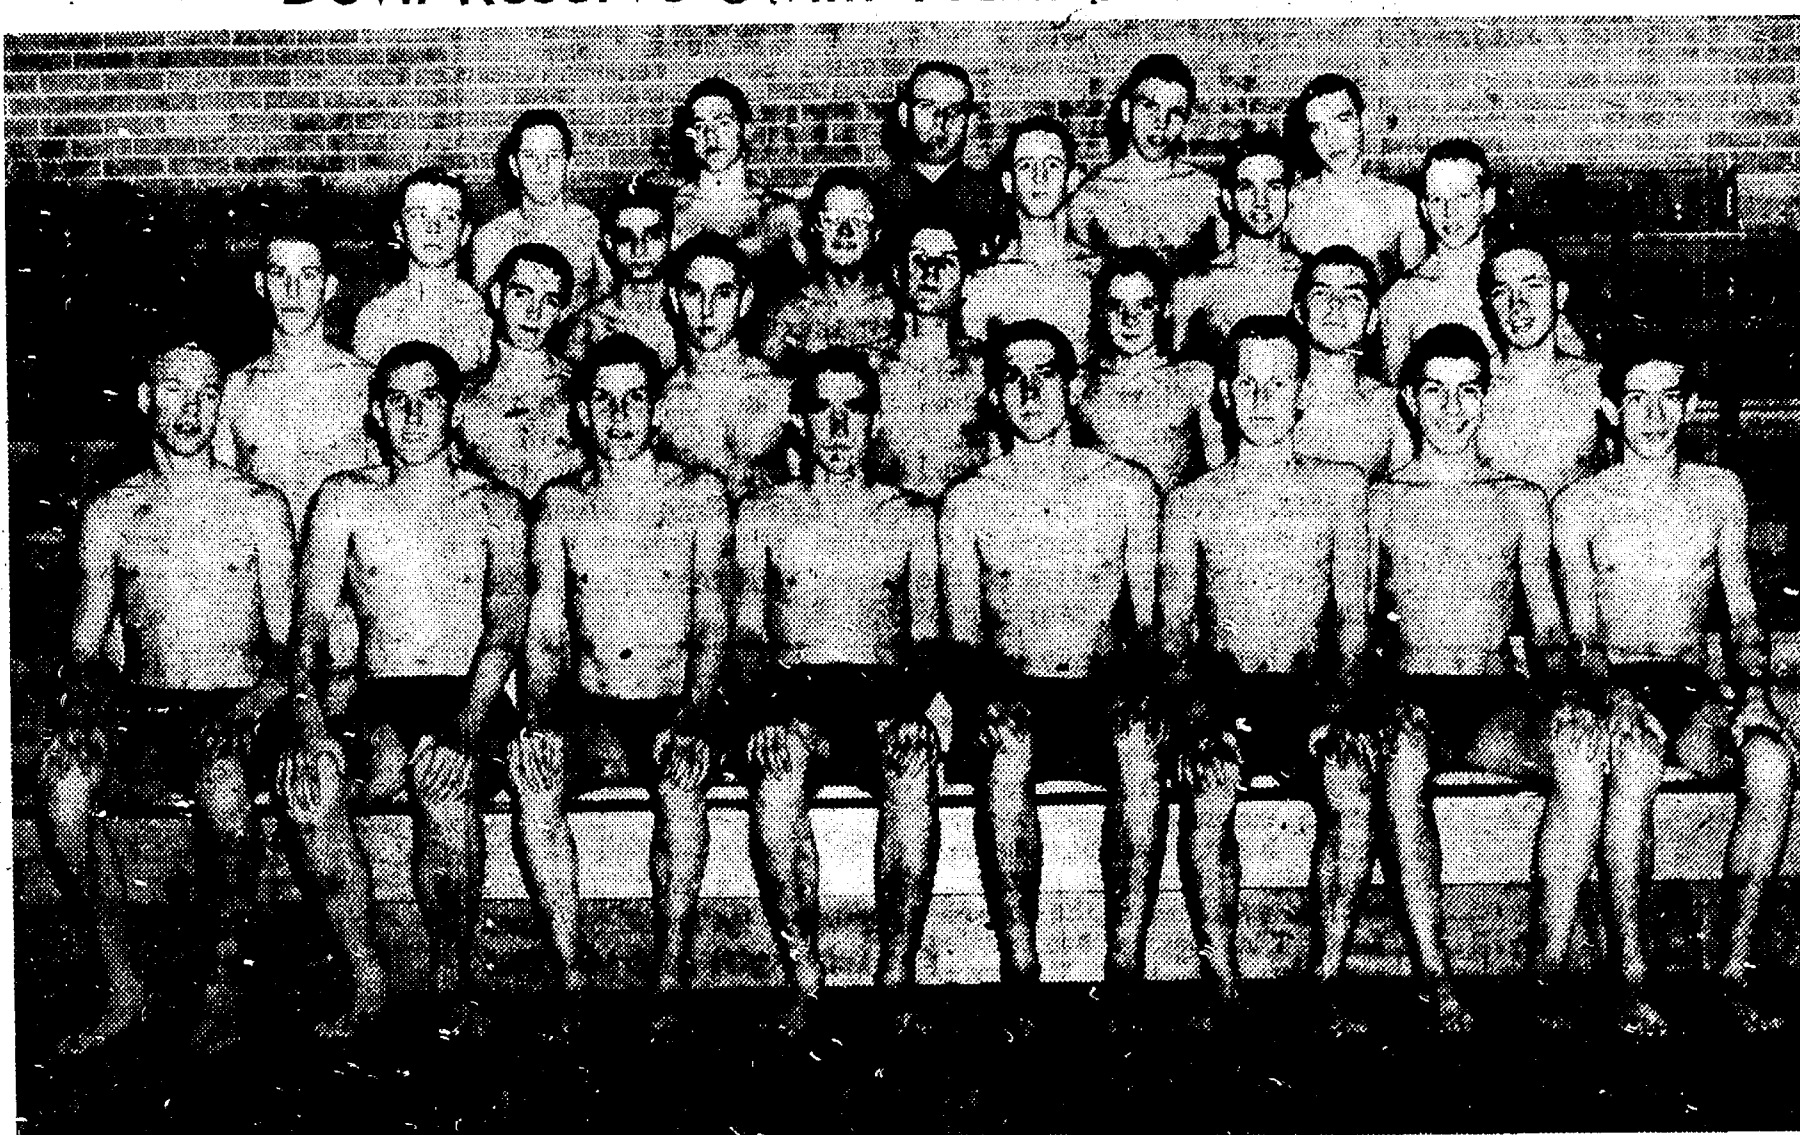

The contest promises to be a sellout and quite probably tickets will not be available at the door the night of the game.

## Devil Reserve Swim Team Ties and Wins

Grosse Pointe High School's swimming team tackled Royal Oak in the Acorns' home pool on Saturday, February 15, and battled to a 39-39 standoff in what is believed to be the first reserve swimming competition in the history of the school on Fisher road. The Devils came back five days later to beat Fordson 44-39 in the local pool. Four more meets have been scheduled for the balance of the season. The team is from left to right — first row: DOUGLAS SEARLES, PAUL VAN HULL, DON HAYNOR,

PETER HULL, HANK VAN LURONBERG, BILL BECKENHAUER, CHUCK WATTS and DENNIS RUNNELLS. Second row: JIM FORREST, DOUGLAS HARMON, JOHN HARRISON, LOGAT ELDRIDGE, DON NELSON, JIM GAUSS and DON WAITE. Third row: JIM MELDRUM, JEFF ORHAN, LAUREN BOWLER, CHRIS KIMBALL, CY JUDSON and MIKE BREMER. Back row: BILL ALLEN, JIM AVIS, COACH BOB KINNEAR, JIM ERICKSON and TOM SCHULTZ.

## Pace Still Hot In Pin League

The league-leading Sportsman bowling team had its lead pared a bit last Friday, February 21, when it dropped two points to second place Beaupre but still managed to cling to the lead by a single point over Beaupre in the Grosse Pointe league.

Heidi jumped from fourth to third place on a three point sweep over last place Custom One. Jim's dropped to fourth despite winning two points from eleventh place Lake-pointe.

J. C. Music jumped a spot in the standings when it nipped the Packers for two points and moved to fifth. The loss dropped Piche to sixth place. Kopp's dropped two points to Custom Two and Stapleton grabbed two points from Lusch but neither changed position in the league standings.

Don Piche paced the two hundred-plus bowlers with a sparkling 232 and was followed by Jack DeBusschere 220, Tim Bacigalupe 211, Fore Fiche and Ron Ricard 205's and Bill Gianios and Stapleton 204's.

## GPUS Is Third In Cage Tourney

Grosse Pointe University School was beaten in the first round of the Maumee Valley Invitational basketball tournament held last weekend, February 21-22, but managed to win the consolation game to take third place in the four team tourney.

GPUS bumped into host Maumee Valley High and dropped a 45-36 decision when it suffered poor shooting in the last half of the game. The Knights held a 12-6 first quarter lead but fell behind at halftime 21-17. Unable to hit from the floor, GPUS hit only 25 percent of its shots, tumbling the Knights to defeat.

Pete Handwork paced the winners with 19 points for game honors and Mike Krieg led GPUS with 13.

In the consolation game the Knights smothered Detroit Country Day School 61-33 with an improved shooting percentage and an almost airtight defense which limited Country Day to a single point in the first period. GPUS held a 16-1 margin at the end of the first eight minutes of play and a 35-8 lead at halftime.

Bob Wood earned game honors with 19 points and his teammate Krieg notched runner-up honors with 11 points. The split in victories gave the Knights a season record of 8 wins and 7 losses.

Park School of Indianapolis defeated Maumee in the final 58-45 to repeat as champions. Mike Krieg was selected on the all tournament team which included Wally Foltz of Park, Doug Hill of Foltz, Pete Handwork and Lamson Reinfrank of Maumee.

## Pointe Swimmers Grab Thriller From Monroe

Grosse Pointe High's twice beaten, (one in league), swimming team remained in a two-way first place deadlock with Fordson when it captured a 49-43 thriller from Monroe in the local pool last Friday, February 21.

What appeared to be a clear cut Grosse Pointe win going into the last two relay events turned out to be a cliff hanger for the over the top partisan crowd.

It truly was a fitting climax to the knock-down drag-out battle which saw co-captain Chuck Babcock erase Harry Huffaker's 100-yard free-style school and pool records from the books. It was Babcock's record breaking performance that gave the Devils a one-point margin which they never relinquished. Babcock sliced over the distance in 52.5. The old mark of 53.3 was set by Huffaker last season.

Other highlights were: Pat Amneus' victory in the diving; Dick Law's and Dick Kay's slam of the 100-yard breaststroke and the 160-yard breaststroke relay in which anchorman John Nicholson touched out Monroe's star Wayne Asher to win the meet.

The meet was a do-or-die struggle throughout and it was a MUST meet for the Devils if they hoped to stay in the race for the Border Cities League title.

Monroe opened the meet with a first and third in the 40-yard freestyle. Grosse Pointe came right back and took a first and third in the 100-yard butterfly event with Jim Carney winning and Mike Grow placing third to tie the meet at 9-11.

The Trojans came back to take the lead with a first and third in the 200-yard freestyle event. This event could have gone either way as the first three swimmers could have been covered by a baby blanket.

**Cutler Lies It Up**  
Cutler boosted the Devils into an 18-1 tie with an impressive 100-yard breaststroke victory and set the stage for Babcock's record breaking tieback performance.

Dick Law and Dick Kay then followed with their slam in the 100-yard breaststroke to give the Pointers a fairly comfortable 31-23 lead.

First string diver Paul Alcott was forced to a split head which he suffered earlier in the week in practice when he landed on a teammate. This put the pressure on Pat Amneus and the pressure was wonderful. He never dove better and won the event handsily to give the Devils a 36-27 lead.

Chuck Babcock came back strong with a win in the 160-yard individual medley and gave his team a 10-point 41-31 bulge which clinched the meet.

With victory already assured the Devils weren't content to just win, they wanted to win all the way and that they spelled their downfall. Yup, one of the team jumped the gun in the medley and was disqualified. This tossed the meet up for grabs.

Holding a scant 41-39 lead going into the last event, the 160-yard relay, the Devils were forced to go all out to win. The first three boys swam on even terms and at the end of the 120 yards it was anybody's event and meet. John Nicholson, accustomed to pressure from his football past, had it and it wasn't anything he last thirty inches he managed

## Little League Picks Leaders

The Board of Governors of the Grosse Pointe Woods-Shores Little Baseball League named the men who will manage the twenty-eight teams that make up the four leagues sponsored by the Woods-Shores League.

They are as follows: American League—Johnson, Tylers; Shrieves, Yankees; Tamblin; Stietz, Chandelier, Red Sox; Stietz, Athletics and Egan, Orioles.

In the National League — Diouly, Braves; Dumas, Giants; Williams, Dodgers; Meyers, Jr., Cubs; Jones, Phillies and Conley, Cardinals.

In the American Association — Howle, Louisville; Crane, Minneapolis; Jerger, Denver; Keller, St. Paul; Evetz, Omaha; Fredricks, Charleston; Fleming, Indianapolis and Dobbie, Wichita (formerly Toledo).

In the International League — Towar, Havana; Comford, Columbus; Nyman, Buffalo; Bantle, Montreal; Crawford, Toronto; Heyd, Richmond; Schanden, Miami and Ryan, Rochester.

All boys who played during the 1957 season and are eligible under Little League age rules are asked to return to the team they played with last year.

The league will open on May 18.

## Olivet College Mothers To Hold Benefit Party

"East Side, West Side, All around the Town" is being sung by the Olivet College Mothers' Club of Detroit.

They are sponsoring a benefit and car party at the Grosse Pointe Congregational Church on Friday, March 7. Donations are \$1.25.

Dessert will be served at 12:30 p.m. in the Social Hall.

## Farms League Picks Managers

President Bill Briscoe, of the Grosse Pointe Farms Little League Baseball announced the selection of the 1958 Major team managers has been made. Before naming them he said, "A lot of work must be put forth in preparation for the playing season but once it is under way it is the managers who must contribute heavily with time and effort to produce the fine competitive spirit that exists for the Little League baseball players."

He continued: "To illustrate that this is fun for the fathers too, most of the 1958 managers are carry overs from last season. The 1958 managers are: American League — Lloyd Jones, Red Sox; Hank Reynolds, Indians; Fred Critchfield, Yankees and Dick Davis, Tigers. For the National League: Ted Trefzger, Giants; John Bockstanz, Pirates; Matt Rumora, Phillies and Bob Sprecknell, Reds.

At the directors meeting the registration dates were set for April 17-18 at Kerby School. With the passing of the current cold spell, the boys will be reminding the fathers to dust off those birth certificates which are needed on registration day. Any boy whose 9th birthday is on or before July 31, 1958, and who will not have had his 14th birthday on the same day is eligible to register and should bring his father to Kerby School between 7:30 and 9 p.m.

## Blue Devils and Parkers Keep Pace for Loop Title

With the 1957-58 Border Cities League season just one game away from its finish, it appears the Grosse Pointe Blue Devils and the Highland Park Polar Bears are doomed to share the crown. If this happens it will be only the second time in nine years Coach Jim Wink's Parker team has been forced to share the crown.

Fordson shared the crown once during that time. Grosse Pointe was the last team to win the title outright before Highland Park started its monopoly.

The Devils kept pace with Highland Park last Friday, February 21, by downing Monroe 51-39 in a drab, sloppily played game on the Trojans small court. The victory may be more costly than Coach Howard MacAdam realizes. Co-captain MacAdam Boardman was forced to withdraw from the game in the first quarter with a sprained ankle.

He may be out for two weeks and miss the final game of the campaign. However, he is expected to be back when the Devils start their bid for honors in the State Regional tournament.

### Woodruff Stars Again

Woodruff continued his bid for a place on the All State team with a 20-point production to win individual scoring honors. Monroe's sharp little guard Bates was just a shade behind with 19 points for runner-up honors.

The Devils were also hampered because Lars Anderson was on the sick list and didn't make the trip. He was replaced by Pete Wade, who proved he can rebound with the best of them. His work coupled with Woodruff gave the Devils control of the backboards, but the pair had a battle on their hands with Monroe's center Tom Marshall who played an exceptionally good game under the boards.

While the Devils were winning, Highland Park was winning its MUST game against Fordson on the Tractors' home court in surprisingly easy fashion 50-36. The Tractors seriously threatened to trip the Parkers throughout the first three quarters and trailed by only four points 39-35 at the end of the third period.

Then for some reason or another they went cold and were only able to cage one point in the final eight minutes of play.

## Cage Tourneys Start March 4

With the increase of the number of Class A schools in the state this year, district tournaments will be played March 4 through 7, to reduce the number to 32 teams for the regional tournaments.

In the past any Class A team could enter the regionals, the first step in determining the teams which would play in the quarter, semi and finals in the State tournament.

Grosse Pointe will play in the East Detroit district which includes Austin, De La Salle, Detroit St. Joseph, Salesian, East Detroit, Notre Dame, Mount Clemens, Port Huron and Roseville.

To reduce the district tourney to eight teams all ten teams will draw to determine which four will play. The winners of these first games will then qualify for the tournament which will start March 5 at the East Detroit gymnasium and run for three days. It will be a one-game knockout and the district winner

Next Friday, February 28, the Devils will travel to Wyandotte and Highland Park will tackle much beaten Royal Oak in the last games of the league schedule.

## Reserve Tankers Defeat Fordson

Grosse Pointe High's reserve swimming team scored its first victory when it handed Fordson a 44-39 setback in the local pool on Thursday, February 20.

The Devils now have posted a win and a tie in the recently started reserve season. Four more meets are scheduled for the balance of the season.

After Phil Grieve put them out in front with a victory in the opening 40 yard freestyle event, the Devils fell behind and trailed in the following two events by three points.

The Devils cracked the Tractors' back in the 100 yard backstroke when Bill Bremer and Cy Judson slammed it to give the Pointers a 20-16 margin which they never relinquished.

Fordson took five firsts in the eight individual events but it was the Devils' secondary strength that enabled them to maintain a narrow lead up to the last two relay events which they won to clinch the victory.

## Lakers Enter District Play

The St. Paul Lakers drew Lamphere in the first round of the Harper Woods District tournament last Tuesday, February 25, at the official drawing at Harper Woods High school where the three-day tournament will be played.

The Lakers will play at 8 p.m. on Wednesday, March 5, at which time Fraser will meet New Haven and St. Gertrude will tackle Lutheran East. New Baltimore drew the only bye.

There will be no games on Thursday, March 6. The semifinals will be played on Friday, March 7 and the finals on Saturday, March 8.

The district champion will qualify for the Pontiac regional tournament.

St. Paul, in the past six years, has won the Harper Woods tourney four times and is rated as one of the favorites in the forthcoming tournament. Last year the Lakers lost to All Saints 36-33 in the second game of the regionals. The farthest the Lakers have ever advanced in State competition was the quarterfinals when they lost to Saginaw St. Mary's who continued to the semifinals in Class C.

## Bad Driving Brings Ticket

Joseph H. Lasch, 41, of 32819 Jefferson, St. Clair Shores, was charged with reckless driving by Farms police on Saturday, February 22, when a scout car crew saw him drive in an erratic manner on Moross.

Arresting officers said that Lasch was seen driving his car from curb to curb while traveling north on Moross, and that this method of driving forced traffic to pull over and stop to avoid being hit.

Lasch was stopped at Moross and Moross place, and taken to the station, where he was issued a ticket for reckless driving. He had been drinking, police said.

Lasch was held at the station until he posted a \$100 bond until his appearance date in court.

## AAUW Groups Plan Meetings

The Recent Graduates group of the AAUW will meet Tuesday, March 4, at 8 p.m. Mrs. James Gregory, 1624 Aline drive, will be the evening's hostess and assisting her will be Mrs. William W. Killebrew, Mrs. Norman and Mrs. Paul F. Reed.

Mrs. Leslie Putnam will present a dramatic reading from Stephen Vincent Benet's "Western Star" and also discuss and answer questions concerning local theater groups and productions. A Grosse Pointe resident, Mrs. Putnam is a past president of Theatre Arts and a member of the present board. She has written plays, many of which have been produced locally, taught drama, and during the war she gave solo benefit performances.

Mrs. Arthur T. Bersey, 14362 Harbor Island, will greet the Studio Arts group of the AAUW in her home on Wednesday, March 5, at 7:45 p.m. The first act of their forthcoming production "The Golden Bird" will be rehearsed.

Entertaining the International Relations group of the AAUW in her home, 707 Trombley road, on March 6, will be Mrs. John R. Pear. The meeting will commence at 1 p.m. and Mrs. C. G. Turrell will be co-hostess.

Mrs. Philip Gillis and Mrs. F. Gaynor Evans will present the discussion topic.

### SUMMARY OF MINUTES

FEBRUARY 17, 1958

Meeting was called to order at 8:00 P.M. Present on roll call: Mayor William F. Conolly, Jr., Councilmen Henry E. Bodman II, William G. Butler, William G. Kirby and Richard L. Maxon.

Absent: Councilmen J. Lawrence Buell, Jr., and Edward C. Roney, Jr.

Mayor William F. Conolly, Jr. presided. Councilmen Buell and Roney were excused from attending the meeting.

Minutes of the regular meeting held on February 3, 1958, were approved as submitted.

The following reports for the month of January 1958 were received and order filed:

- (a) Financial report for the 7 months period ending January 31, 1958.
- (b) Controller's report
- (c) Fire Department report
- (d) Police Department report
- (e) Building report

Mrs. Marilyn Engstrom, of the McMillan Playground Committee, appeared before the Council in regard to the proposed improvements to the playground. She stated that two meetings were held with the Board of Education, at which various matters were discussed; one of which was the closing of McMillan Road between Kercheval and Ridge during school hours on a trial basis.

After discussion, it was the sense of the Council that Mrs. Engstrom should obtain a letter from the Board of Education advising that if McMillan Road between Kercheval and Ridge is closed during school hours on a trial basis, approval would be given to the proposed improvements at the Gabriel Richard School Playground.

The contract for spraying of elm trees in the public streets and parks of the City, and the spraying of trees on private property, was awarded to Shock Brothers, who was the low bidder.

The matter of discussing the closing of stores on Sundays was deferred to a later meeting.

The Police Department, and especially the officers involved, were commended for their very fine police work in apprehending a person who had broken into a business place on Mack Avenue.

The City Manager reported that the Village of Grosse Pointe Shores had discontinued the use of Grosse Pointe Farms water as of February 4, 1958, and further reported that Grosse Pointe Shores had been purchasing water from the City since August 18, 1931.

Mrs. Bird, of 117 Kercheval Avenue, was granted an extension of time for the installation of water conservation equipment until May 1, 1959, subject to the service charge provided in the ordinance.

The City Manager presented a report containing estimates of costs for an addition to the Public Works garage to serve the ultimate needs of the department. Discussion on the matter was deferred until the meeting of March 3, 1958.

An informal meeting of the City Council was set for February 24, 1958 to discuss changes and costs in connection with the Inter-Municipal Police Radio System which must be effected in the near future.

A communication from the City of Harper Woods inviting the Mayor and Councilmen to attend ceremonies to be held on February 23, 1958, in connection with their new Municipal Building and Public Works garage, was read.

The meeting adjourned at 9:25 P.M.

## Beyers to Show Cruise Pictures

Just returned from a trip around the world which took them even to the southernmost tip of New Zealand, Mr. and Mrs. Ben W. Beyer will share their excellent colored pictures and their experiences with Grosse Pointers at the Grosse Pointe War Memorial Center, Wednesday evening, March 12, at 8 p.m. The public is cordially invited without charge.

As usual the photography department is left in Mr. Beyer's hands while the commentary will be given by Mrs. Beyer. Still a favorite of all World Travelers is the incomparable beauty of the Taj Mahal, of which the Beyers will show some spectacular shots.

Mr. Beyer claims the architects must have had photographers in mind when they delicately sloped their columns out toward the top to counteract the railroad track tendency of lines to converge as the eye looks up them.

## Two Cars Tangle As Brakes Fail

Minor, but meddlesome, was the accident that occurred Sunday evening, February 23, at Jefferson and Neff intersections.

George C. Siegwald, of 22222 Cleveland avenue in Dearborn, was headed east on Jefferson when he stopped for traffic in front of him. The brakes on the car behind him failed and, unable to stop in time, John J. Rich, 3460 Margaret avenue, in Trenton, Michigan, slammed into him from the rear.

Rich was issued a ticket for not having his car under control, and Siegwald received a witness notice to appear in court.

## Hit-Run Driver Hits Parked Car

William Kronner, of 17505 East Jefferson avenue, thinks it's pretty poor when you can't leave your car parked on the street for just an hour without suffering dire consequences — and he's justified!

On Wednesday, February 19, about 11 a.m. he parked his 1955 Chrysler Imperial on Rivard, just north of Jefferson. Upon returning to it a scant hour later, he found someone had backed into it, causing damage to the extent of \$180.

A complete investigation failed to disclose any clues as to the party responsible.

Hitching up the mare and surrey, tucking in mama's voluminous skirts and flourishing the whip, many a Victorian master made the Sunday pilgrimage to Grosse Pointe in the 1880's to give his family a taste of country life.

Beyond the waterworks on East Jefferson the pavement stopped and horses could be let out for a fast run to Connor's Creek, now on the outskirts of our town. Richard Connor was an early Moravian settler whose descendants did well on the farm. Nearby was George Hendrie's stock farm (he was active in the membership of the Grosse Pointe Club and chief owner of the Detroit Street Railway Co.)

Beyond his lands were extensive tracts owned by the Campaus, (fellow club members), and the swampy meadows were then being drained by ditches from which the water was pumped by windmills. Much of the road was navigable for small craft during the spring months of the year but the windmills were a pleasant view for the drivers in the summer.

Next bridge to cross was the Pont des Renards or Bridge of Foxes and the avenue here was lined with handsome shade trees planted by W. B. Moran, now developing the land. He had named his real estate subdivision, "Edgewood Park" and a huge painted sign designated to the Sunday drivers where they could turn off the main road toward the lake and snap up some housing property.

Fox Creek was named for an Indian tribe which had made a savage fight nearby in the early 18th century and the stream ran almost entirely around Grosse Pointe, draining most of the farms.

Orchards of cherry, pear, peach and apple trees herald the approach to the hamlet of the Pointe and every mile or so inns offered frog fricassee dinners to the travelers. At Grand Marais a sign told the drivers they were eight miles from Detroit.

On summer evenings the road was crowded with courting couples and families. Many stopped at Auntie Weaver's retreat for their repeat and did not tarry after dark. The trips home was sometimes hazardous as passing countrymen driving produce to town and slightly under the influence of whiskey would crowd the road, falling asleep with the reins in their hands and trusting to their horses to get them home.

Many of the Sunday drivers were heading for the Grosse Pointe Club, later to be the Pointe's first Country Club and then the home of the Dodges. Its red roofs and turret could be seen from some way off and by 1888 the membership (mostly Detroiters) numbered 300. They used the club most often in the summer, driving out for the day along with their humbler neighbors who just came for a peek at the playground of the prosperous.

## who, where and whatnot

by whoozit

Just home from the Bahamas with a tale of lost luggage, a night marooned on an island and winds forever on the blow are Dr. and Mrs. Nelson W. Diebel.

The Diebels stayed at the Royal Victoria in Nassau a few days after the troops there to quell the strike were moved away. There is still much unrest in the British resort colony.

With the Thomas Petzolds the Diebels spent a night on Rock Sound and had to dine in their shorts as their boat could not come in near enough for them to board in the heavy gales. Their luggage was delayed enroute from New York too, and the first three days they went sight seeing in their traveling togs.

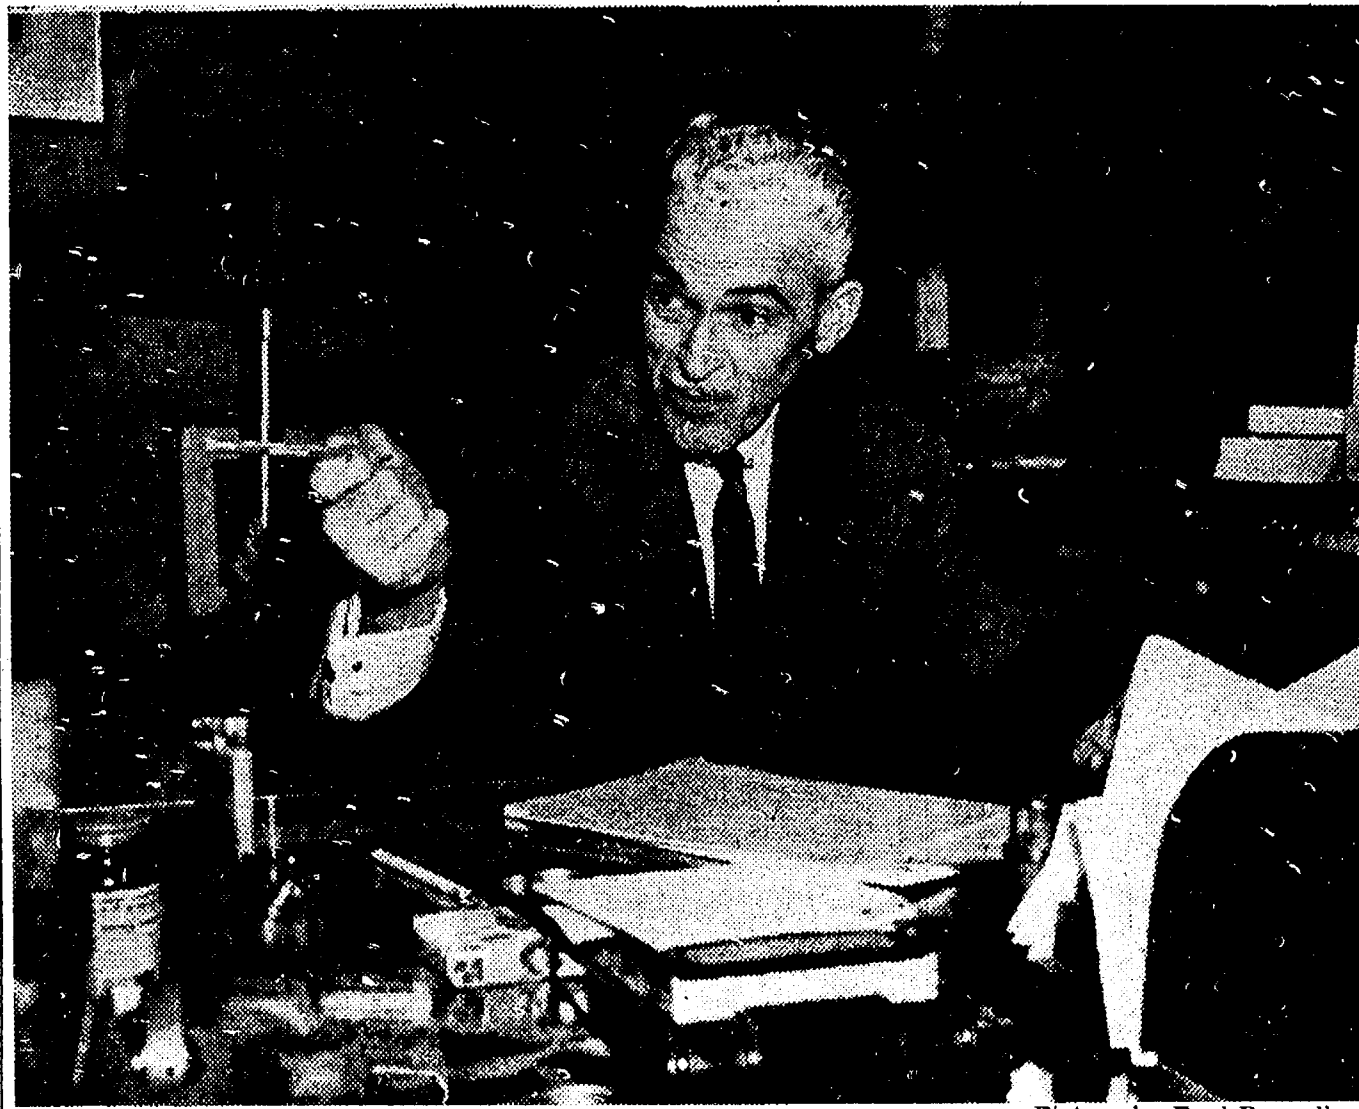

Great cause for rejoicing in the Diebels' home last week-end was the arrival home from Germany of son, Nels, Jr., who proudly brought home an Austin-Healey to swell the Pointe's foreign car colony.

Gold Coast hotels in Florida all have exotic names but here's one new to us in Fort Lauderdale where Mrs. Alfred Munderloh has been spending some time. Her address was The Barefoot Mailman Hotel. Wonder what inspired that!

The gray flannel suit often hides the most fabulous dreams beneath their conservative uniforms. . . . Bill Dance, a lawyer by day, spends a great deal of time yearning over the bull ring. He's really an aficionado and would like to tackle a toro in a Mexican arena. . . .

Here's a tip for Lenten meal planners whose culinary imaginations may be dulling. New on the market, frozen scampies, those tiny two bite lobsters in their shell. Quite a fillup for bored gourmets.

## Pointers of Interest

JOHN P. D. CANNON, OF HAMPTON ROAD

By Patricia Talbot

The U. S. Marines were among the first at Belleau Wood and Guadalcanal and they will be among the first in the new space campaign says active reserve Lieutenant-Colonel Jack Cannon.

Mr. Cannon, a newcomer to Grosse Pointe, came here from Washington to work on the guided missile. He believes that we will conquer space as we have other American frontiers just because it's there, as a challenge.

Properly reticent about his job with the missile he is very voluble about the courses in Russian he will teach beginning March 3 at the War Memorial. They will begin on that date unless his job takes him suddenly to Huntsville, Ala., where a great deal of top secret work on missiles is in progress. If he leaves, it will be for a few months and the Russian courses will be taught on his return. Those interested in taking the language should check with the War Memorial.

**Intelligence Officer**  
The dapper Mr. Cannon, who has quite a Ronald Colman air, had quite a cloak and dagger career in the Marine Corps. A Dartmouth graduate he is originally from Chicago and was on the grain exchange there after college. Taken with the dream of quite a few of the gray flannel suit set he threw up his job and sailed for the South Seas. He spent two years on Tahiti and sailing to many other islands, leading the beachcomber's life and soaking up sun under the coconut trees.

He was to return to the Pacific Island area on business in World War II when as an intelligence officer in the Marine Corps he participated in the campaigns in the Gilberts, Marianas, the Marshalls and Tarawa.

**We Underestimated Japs**  
He believes the American people underestimated the Japanese, as he wryly reported, we are apt to do with all the peoples of the world. On later trips to Japan he found, as so many Americans do, that the Japanese were industrious and decent. But they have a problem that has yet to be solved.

There are 70 million people on their small island which will never be able to feed them all. Where are they going to go? That's what their war was for and the dilemma is still there!

After the war he saw that the honeymoon with our Russian allies was over and he began studying that very difficult language at the Berlitz School in New York. In October 1950 he was called back into the Marine Corps and saw duty in Korea. He took further instruction in Russian at the Georgetown School of Languages and began to teach in the Corps.

**Marines Are Tough**  
Proud of his Marine training and experience he makes no apologies for the strict schedule at Parris Island, which aroused so much public concern a short time ago. The Corps is a volunteer outfit and a Marine has to be tough to make the grade, says Mr. Cannon, who spent time at Parris Island himself.

To Pointers who wish to study Russian he promises an interesting time. The alphabet has 32 letters and construction is different from ours. He hopes to offer both conversation and reading with a little composition thrown in to vary the course. Mr. Cannon studies his Russian every day, always carrying something in that language with him to read in spare moments. Right now the book is Lermontov's "Taman."

Tolstoi is a bit difficult but Chekov is delightful for those beginning in the language. Most brilliant Russian literature was written in the 19th century. Mr. Cannon also reads a Russian language paper printed in New York, "The New World," published by the White Russians in this country.

**Showdown Coming**  
Most Russians who lived there during the Czarist reign have accepted the fact that

Communism is there to stay and have adjusted to their adopted countries.

Mr. Cannon believes we must be available for talks with the Russians at the top level and all levels. No complacency is possible for Khrushchev is a man of cunning and ability and the mass of Russians have more now than they had 40 years ago. The Revolution is a fact and has been accepted by all thinking men as such. Americans must be ready when the showdown comes, as Mr. Cannon believes it will.

A Russian language expert, a Marine Corps Intelligence officer, a missile worker, Mr. Cannon is truly a man of the hour, in an hour when much is expected and much must be accomplished.

### MOLDED VEGETABLE SALAD

Contributed by Mrs. John Hughes

5 carrots  
1 green pepper  
1 small onion  
2 packages of lime jello  
1 carton of cottage cheese  
1 cup Miracle Whip  
1 cup coffee cream  
Grate carrots, chop green pepper and onion fine. Dissolve jello in 1 cup of hot water. Add vegetables and other ingredients and pour into standard size ring mold. Salad is best made the night before serving. No dressing is necessary as it is combined with the molded vegetables.

## Do-It-Yourself Display Planned

The Grosse Pointe War Memorial will be opened to a vast Do-It-Yourself program on Sunday, March 16, just in time to capitalize on every householder's spring urge to get in there and rejuvenate, transform, make new and add to his property.

Not only will there be something of interest to all sads, but moms too will want to get hints on possibilities for their homes and gardens, wardrobes and persons.

The young folks too can learn how to be useful and choose a pet project of their own.

## How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

Young can be yummy too! For example Edwards new spring shoes for children are delightful to look at . . . yet constructed to fit and wear well . . . while leading a youngster's active life. Shiny patent leathers (some with white trim) are carefully styled. Even the new pointed toe is available for girls. Saturday, March first would be a good day to see these shoes along with the pre-teen fashion show planned for the young miss in Jacobson's Youth Center. Refreshments will be served.

To perfect her suburban life . . . meticulously fitted linen slacks with go-together print sleeveless blouses and sashes . . . real coordinated thinking from Margaret Rice. Bernardo sandals put fashion casually at her feet . . . these also at the Outdoor Sport Shop. The slacks are about nineteen dollars . . . the blouse . . . eight . . . the sash . . . three.

Opportunity knocks . . . Here's a chance to give your home many advantages by way of the sale at Wanamaker's Studio . . . Mack Avenue. Starting February twentieth, everything on the floor including lamps, upholstered pieces and decorator accessories will be greatly reduced.

Uncover your beauty . . . with Elizabeth Arden's newest preparation . . . Creme Extrordinaire, which she believes can bring back the bloom of youth by smoothing, moisturizing, nourishing the skin . . . because it is blended with a new and exclusive ingredient that absorbs the waste tissues, leaving the complexion fresh, radiant and vital. Just in at Trail Pharmacy.

Spring A.M. to P.M. . . . perfect suit on the part of D. J. Healy! Their pure silk shantung suit takes you beautifully through a busy day and then into evening. Put it on now under furs . . . wear it later for the poise it maintains under the summer sun. A "new look" short jacket tops a straight line skirt. This costume could be the hub of your wardrobe . . . comes in beige or raspberry . . . about seventy dollars.

"Give beauty all her right" . . . (but quickly please) . . . Modern charmers have little time for lengthy beauty rites . . . realizing this, Ann-Louise Salon has acquired the new Tropic Silhouette Machine, that can offer glamorous hair color in minutes. Wonderful for retouching . . . or blonde tips . . . adds highlights and interest in less time than it takes to tell . . . almost!

"Here comes the bride" . . . if you are planning a spring wedding this is happy news. Jacobson's can order any gown you see in a magazine or you can select yours from a beautiful new collection. Silk peau de soir and silk organza are popular choices for the spring bride. Lovely veils and headresses await your pleasure. This year's fashion color for bridesmaids is willow green and what a charming picture it makes!

## Third Center Talk on Roses

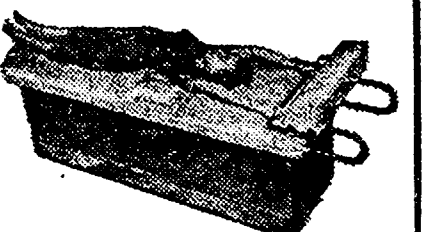

"Roses" will be the topic of the third Garden Center lecture on Thursday, March 6 at 2 o'clock at the War Memorial.

Elmore Frank, a member of the Men's Garden Club of Grosse Pointe, the American Rose Society, and an official rose tester for the Men's Garden Club of America, will be the speaker. All Garden Center members and their guests are welcome.
