### WEEK

As Compiled by the  
Grosse Pointe News

**VIOLENT GUSTS** of wind dragged five paratroopers to death Wednesday and injured 137 others. The troopers were members of the famed 101st Airborne Division taking part in a mass jump as part of Operation Eagle Wing — war games being conducted at Fort Campbell, Ky.

Friday, April 25

A 10 PERCENT pay cut for 25 top officers of the UAW and layoffs for 100 staff employees has been approved by the union's international executive board.

Both plans were among economies agreed to by board members at a meeting this week at Solidarity House. Salary cuts will go to the six top officers of the union and the 19 members of the executive board.

Saturday, April 26

**THE ADMINISTRATION'S** widely promised fight for President Eisenhower's Pentagon reorganization bill turned into a quiet, well-ordered retreat Friday at the Capitol.

Secretary of Defense Neil H. McElroy congenially offered up major portions of the legislation for rewriting by the hostile House Armed Services Committee.

But both the President and McElroy said the wording might be changed, but the aims would be the same and there would be no compromise on their intentions.

Sunday, April 27

**THE UAW SERVED** notice Saturday that it will lift the news blackout on negotiations Monday by making public contract proposals at the Big Three automobile companies. The announcement complied with an agreement between the companies and the union that 24 hours notice would be given by either party wishing to make public statements on negotiations.

Monday, April 28

**UAW PRESIDENT** Walter P. Reuther will make a bold move Monday, aimed at postponing a strike decision in the automobile industry until after Labor Day.

He will propose to General Motors Corp., Chrysler Corp., and the Ford Motor Co. that present contracts be extended for three months from their termination dates ending late in May and early in June.

Reuther also will propose that auto companies reduce their unit price by an unspecified amount to spur sales and cut their two-month supply.

Tuesday, April 29

**THE UAW AND THE AUTO** industry's Big Two took public stands Monday in preparation for at least 30 more days of bargaining on a new—or perhaps an old—labor contract.

In a one-day flurry of press releases, the union and the companies staked out the positions from which they will move to eventual agreement.

After rejecting a UAW proposal that current contracts be extended until September, Ford Motor Co. and General Motors Corp. countered with their own offer: a two-year extension of contracts that are due to expire May 29 at GM and June 1 at Ford. The two sides traded contract proposals each knew the other would reject—which each did.

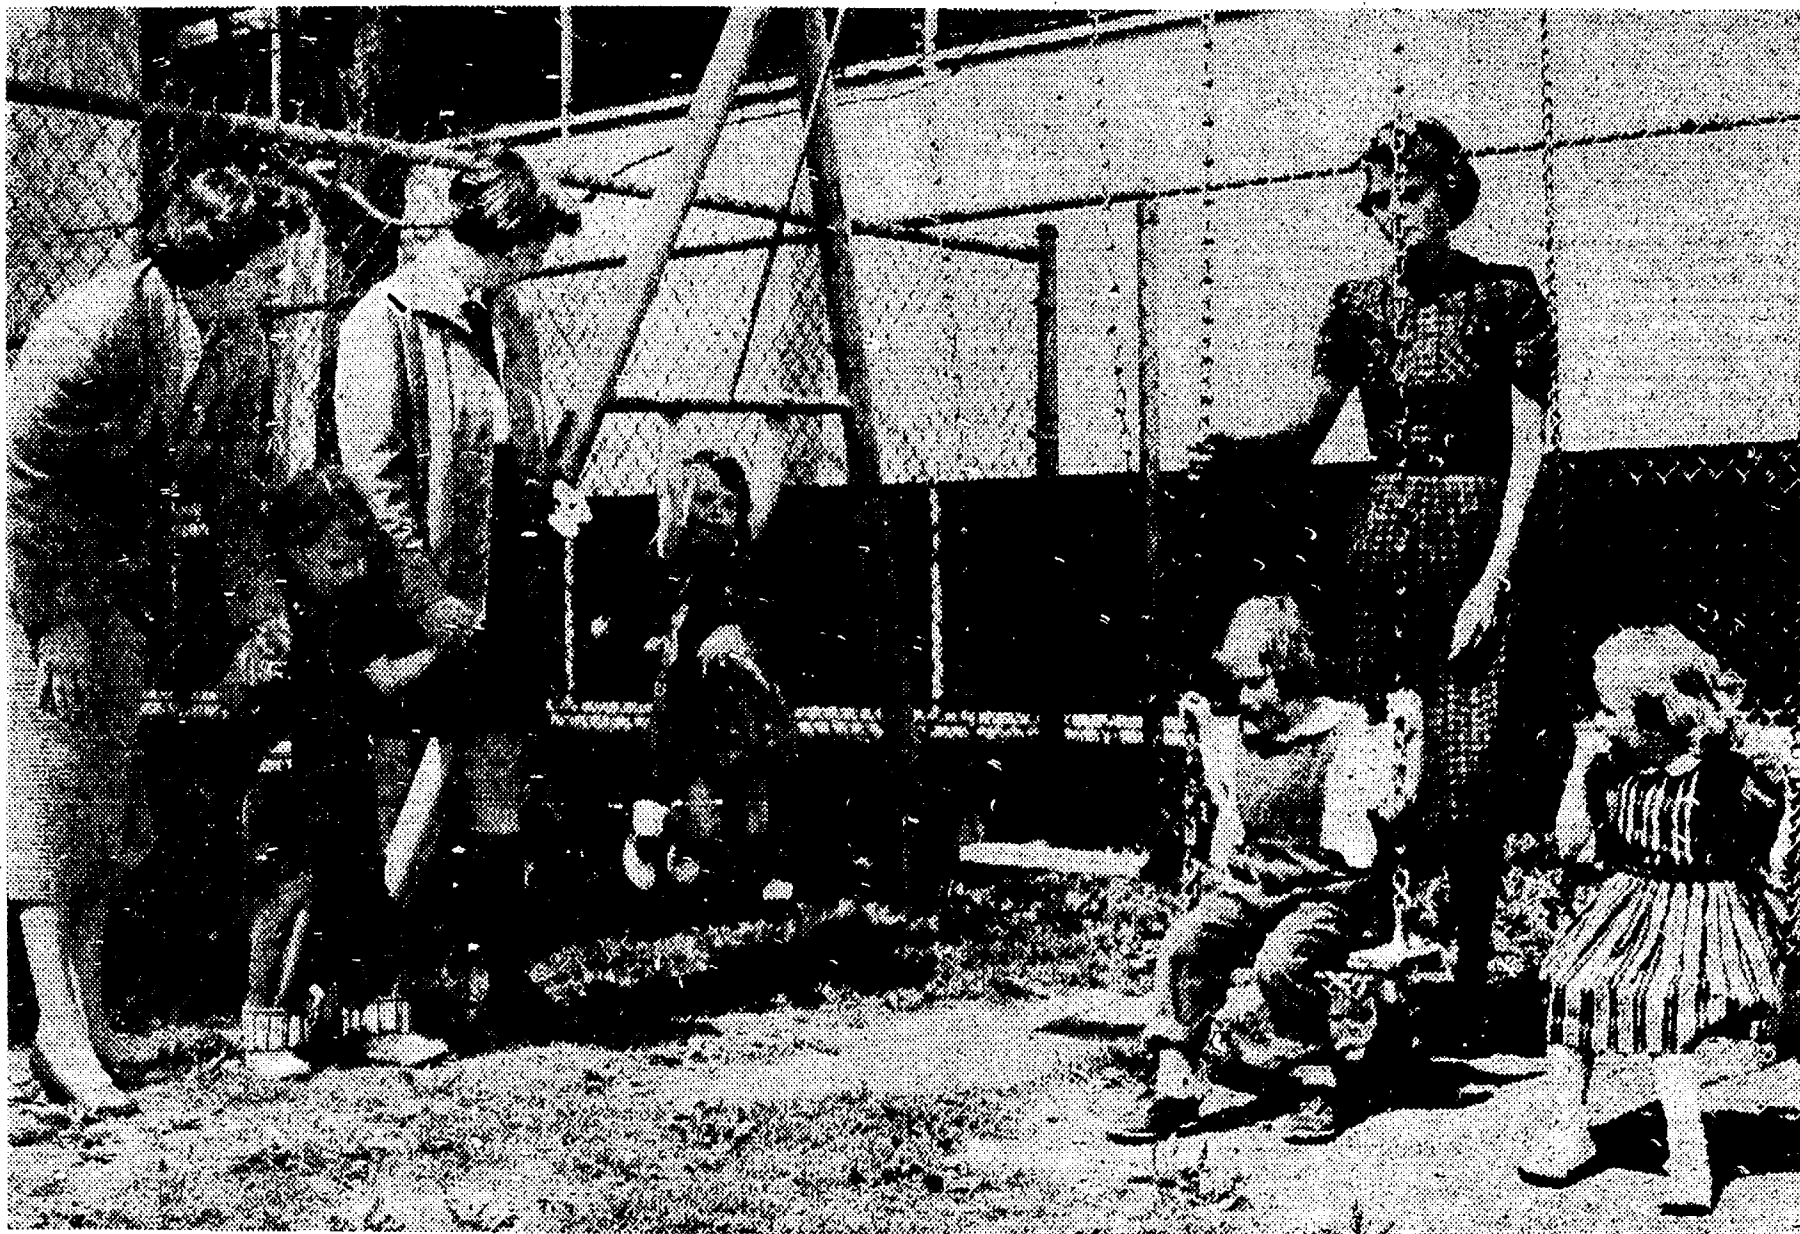

Wednesday, April 30

**GENERAL MOTORS**, in a surprise move Tuesday, sought to upset UAW strategy by filing notice it intends to terminate its present agreement with the union effective May 29.

In a letter handed to union bargainers shortly after negotiations got under way, Louis G. Seaton, GM vice-president in charge of personnel, said the contract would expire "insofar as GM is concerned, as of this date."

The letter from Seaton left the door open to the possibility of an extension beyond May 29, if an agreement is not reached.

## Exceptional Opportunity Offered Handicapped Children

Grosse Pointe's Foundation for Exceptional Children has gained an enviable reputation for the work it is doing to help those youngsters who need special attention. The story below tells about it. Here some of the kiddies are seen at play at the Quonset

Hut on the High School campus with some of the volunteers who help out; left to right: MRS. MEAD BAKER, MRS. BRUCE CAREY and MRS. JOHN RENCHARD.

## Chorus Set For Concert On May 11

Mothers' Day Program to Be Given in Parcells Junior High School at 3:30

Music lovers will have an opportunity to hear one of the finest programs of choral music in the history of the Grosse Pointe Community Chorus, on Mother's Day, May 11 at Parcells Junior High School at 3:30 p.m. The popular 100-voice chorus will present its sixth annual Spring Concert under the direction of conductor Donald Simmons.

The concert will offer music to please nearly every taste with selections from many foreign lands and ranging from Handel, Mozart and Brahms on the Classical side to selections from the enchanting "Brigadoon" in the popular field.

### Soloists Chosen

Soloists will include Barbara Bailey, soprano, who will sing the haunting Negro spiritual, "He's Got the Whole World in His Hands"; Earl Nelson, tenor, who will sing "Russian Picnic," a Muscovite folk song; Barney Brogan, who will be featured in the French folk selection, "I'll Etait Un Berger," and Bob King, baritone, who will sing the lilting "I'll Go Home With Bonnie Jean" from "Brigadoon."

New this season will be a 14-voice group known as the Madrigal singers who will offer special madrigal selections. Members of this group are:

## Foundation to Give Help To Exceptional Children To Launch Drive Friday

Main Purpose of Campaign is to Acquaint Residents With Facilities Available to Handicapped Youngsters in Pointe Area

A campaign to acquaint Grosse Pointe area residents with the services offered by the Foundation for Exceptional Children, Inc., will be launched this Friday.

Every home will receive a pamphlet explaining the work of the Foundation, a non-profit organization devoted to the social, recreational and emotional needs of children who are limited in their capabilities.

The Foundation was begun in 1954 and the present program is carried on in the Quonset Building, 43A Grosse Pointe boulevard, in space provided by the Board of Education.

### To Spotlight Services

The board of trustees of the Foundation hopes through this campaign to bring to the attention of Pointe residents the services at present in this community for exceptional children.

The program is designed for handicapped children to help them become partially or totally socially competent. Any child in the area whose needs are sufficiently unique that he or she requires special assistance is eligible for this service.

Miss Ruth Hall directs the afternoon classes in recreational therapy for the children with the assistance of volunteers. The Foundation's budget of about \$5,000 a year is supported by active memberships, \$25 a year, associate memberships, voluntary contributions from individuals and service groups. The Foundation receives no support from national, state or local government.

### 15 Now Enrolled

About 15 children are now enrolled in the Foundation class, but the trustees feel there are many exceptional children who they have not reached in the local area.

One of these exceptional children could be your neighbor, the Foundation emphasizes. He could be physically disabled or mentally retarded. If he is handicapped, the Foundation wants to help him find his place in the community.

These children reach their maximum potential at an early age and the sooner they avail themselves of the facilities designed to help them the easier is the problem. Experts believe that three in every 100 children are retarded to some degree. Some are educable, some are trainable, some are severely handicapped. All should be helped.

The Foundation provides training in social integration, not education. Some of its children have been able to go on to other schools where they have adjusted well.

### Parents Must Be Brave

The parent who enrolls a child in a training program offered, the Foundation declares, is acting courageously and unselfishly in his child's interest. The general community finds it difficult to understand the problem of the exceptional child and some of this misunderstanding is transferred to the parent. These children, like all children, must learn to function with a group, to be happy. The Foundation helps them.

On the Foundation's Board of Trustees, which is headed by Mrs. John Bockstanz, are many qualified professional people. Among them are Ethel Drake, George Rieveschl, John K. Worley, William Meier, Dr. Joseph A. Johnston, Robert F. Weber, Doris Forsythe, Owen Jaglois, Thomas W. Coleman, Jr., Dr. Mary Dykema Dickson, Judge Joseph Murphy and Dr. William J. Scott.

Although the Foundation seeks the financial support of the Pointe community to continue its work, this campaign is designed primarily to focus attention on the problem, to acquaint residents with it, to win understanding and help.

## Playground Program to Cost \$15,000

Planting of 18 trees and shrubs in the Richard playground starts off project

The initial work in the beautification and improvement of the Gabriel Richard Playground, was started yesterday, April 30, with the planting of 18 trees and shrubs. The entire project will cost an estimated \$15,000 and will take about three years before all phases of the job are completed.

The project could not be started without the approval of the Pointe Board of Education, which had been studying the plans, and had several meetings to discuss the matter. Earlier this month, during its regular meeting, the Board gave its final consent.

### Worked Two Years

The Board approval climaxed the McMillan Playground Committee's almost two-year effort to show a need for the improvements and for the installation of play equipment for the children of the Gabriel Richard.

## Blaze Damages Sorge Residence

The Jay Sorge residence, at 618 Rivard boulevard, was the scene of much excitement early Sunday afternoon, April 27. Both City fire trucks were summoned at 2:17 p.m.

When the firemen arrived at the burning house they immediately put in a call for their fellow-fighters who were off duty—so great was the need for more. Smoke poured out of every window and door and—of course—the proverbial crowd gathered to watch for flames.

But they were disappointed because the crew worked fast, and limited the actual fire to the basement floor. They quickly extinguished the flames which had set the basement rafters on fire and had spread to two of the walls.

The men were forced to don masks, with oxygen tanks strapped to their backs, in order to combat the smoke. Their biggest problem was clearing the building of the excessive smoke, which was causing considerable damage.

No estimate has yet been made as to how much damage was done, and an investigation is currently underway to determine the exact cause of the blaze.

## Census Takers Set To Launch Annual Canvass on May 12

Much Valuable Information Obtained and All Residents Are Urged to Give Full Cooperation

Expecting an increase of nearly 1,500 persons this year—to a total of more than 63,000—census takers of the Grosse Pointe school district will begin their annual job May 12 according to Paul E. Mawhinney, Director of Pupil Personnel.

Mr. Mawhinney, in charge of the project, said the census must be taken each year during the last 20 days of May and asked all residents to give their fullest co-operation in order that accurate information is obtained.

Every home in the school district will be visited by a census enumerator, said school officials, and all information will be kept in strictest confidence.

### Carefully Selected

Each census enumerator is carefully selected. All will be provided with identification cards signed by Mr. Mawhinney and will be shown to anyone requesting it.

"The census serves many useful purposes," said Mr. Mawhinney. "Part of the money which the local schools receive from state fund is apportioned on the basis of the number of children residing in the district. Information received from the annual school census is also essential for the enforcement of the compulsory education laws."

By receiving confidential information from parents regarding handicapped children, the schools are also in a position to offer professional council relative to special educational services which may be needed.

### Must Check Records

One of the chief difficulties met by census takers is obtaining the correct birthdates for each child in the family.

## \$26,402 Donated To Center Drive

Last weekend follow-up letters were mailed to those Grosse Pointe families whose contributions had not yet been received by the Center.

Many people have been out of town on winter and spring vacations and many others are in the habit of using the first of the month for check writing. It is hoped that the follow-up letters will arrive on Pointers' desks as a timely reminder.

To date, \$26,402.61 has been received from 1,895 contributors as compared to \$26,778.76 from 1,844 donors on the 24th day of receipts in 1957. The goal this year is \$37,500.00 which is \$2,500 greater than last year with a growth in usage of the Center of 15,000.

Recent contributors whom the Center wishes to sincerely thank include:

## Comparisons Compiled by Local Board

Operational Costs Per Pupil are Lower; Student Achievements Higher

It costs substantially less per pupil to educate students in The Grosse Pointe Public School System than in most other comparable systems, Bert Wicking, President of the Board of Education announced today.

"In response to recent inquiries," Mr. Wicking stated, "we have made a new study to see how the costs of educating pupils in Grosse Pointe compared with those in other areas similar to ours."

"We have made such comparisons from time to time over the years and have found repeatedly that our costs were substantially lower than many others."

"I believe this is a high tribute to the efficiency of our school system but I do not want to suggest that it makes us in any way feel complacent."

### Keep Constant Vigil

"Costs of operating public school systems such as ours can generally go only one way and that is up, but our Board of Education is dedicated to doing everything possible to keeping our efficiencies high and our costs low."

In a spot check made last week, operating costs per pupil in The Grosse Pointe Public School System were compared with public schools in the following places: New Trier Township, Winnetka, Illinois; Shaker Heights, Cleveland, Ohio; Great Neck, New York; Newtonville, Mass.; Scarsdale, New York; Bronxville, New York; Garden City, New York; Brookline, Massachusetts; Ardmore, Pennsylvania; and Walnut Hills, Cincinnati, Ohio. The operating costs per pupil were for the year 1956-57.

The average operating cost per pupil in all of the schools was \$579. In Grosse Pointe the cost for that period was \$409 per pupil. The top three most expensive of the group were Bronxville with \$883 per pupil, New Trier with \$798, and Great Neck with \$695. The lowest three excluding Grosse Pointe were Walnut Hills, Cincinnati at \$350, Lower Merion Senior High School, Ardmore, Pennsylvania with \$421, and Newtonville, Mass. at \$443.

### Ask Other Statistics

"We also asked these schools in our spot check study," Mr. Wicking said, "What percentages of their senior classes in high school went to a four-year college?"

The results showed a range of from 55% in one school to almost 98% in another of the graduating classes went to recognized four-year colleges. A rather large part of those not going to four-year colleges were reported as attending two-year junior colleges, nursing courses and other forms of extra educational work. During the last four years an average of 60% of the graduating classes in The Grosse Pointe School System has gone to four-year colleges and a large percentage of the remainder to other kinds of advanced study.

"These figures are interesting and indicative even though we cannot say that they are exactly strict comparisons. In most of the systems, however, the cost relationships are very comparable to our own," Wicking stated.

### Tenth in This Area

"If one compares the cost per pupil of operating our public school system as compared with some of those nearer home, we find again that our costs are fortunately lower. Dearborn spends \$525 per pupil and Highland Park \$598. Grosse Pointe is 10th in terms of average cost per pupil in the Detroit metropolitan area."

"It is somewhat more difficult to compare academic achievements of high school graduates," Mr. Wicking stated. "Acceptable criteria are difficult to be found. Many systems attempt to establish their relative quality by trying to measure the success of (Continued on Page 2)

## To Honor Visiting Mayors As Part of Michigan Week

Mayors and officials from various Michigan communities will be hosted at a luncheon in the new Stouffer's Eastland Restaurant when they visit the Grosse Pointe-Harper Woods area for "Mayor's Exchange Day" on Monday, May 5.

The luncheon is being arranged by representatives of the Grosse Pointe-Harper Woods area as part of the 5th annual observance of "It's Great to Live in Michigan Week."

Local city officials are planning a full day of activities to acquaint the guest mayors with the facilities and points of interest in their individual communities.

The municipalities are hosts this year to the following out of town guests: Mayor Schreuer

and City Manager Harold Penler from Hudsonville, Michigan, who will visit Harper Woods; Mayor Arthur Ring of Elk Rapids, Michigan, visiting Grosse Pointe Woods, and Village President Philip L. Reno of Wayland, Michigan, who will be the guest of Grosse Pointe Farms.

From Harper Woods, Mayor and Mrs. Joseph P. Grossel will travel as guests of Hudsonville; Mayor Pro-tem and Mrs. Kenneth McLeod will represent Grosse Pointe Woods in Elk Rapids; and Grosse Pointe Farms will be represented in Wayland by Mayor and Mrs. William F. Connolly, Jr.

graduates after they reach

"Grosse Pointe constantly measures the success its graduates enjoy in their freshman year in college. We carry on a follow-up study as a part of our program of aiding and assisting graduates as well as providing a basis for strength-  
ening and improving our program. It is very difficult to get similar data from other systems."

**Ahead of Great Neck**  
"Great Neck, did publish some statistics which showed that 87.2% of the grades received by its last year's class as freshmen in college were C or better. The record of the 1957 graduates of Grosse Pointe showed that 90% of their grades were of a similar nature."

"Last fall a national periodical attempted to establish a criterion for measuring the effectiveness of the job different school systems were doing by enumerating the finalists in the National Merit Scholarship examinations. Thirty-eight high schools from all over the nation were chosen on the basis that for a two-year period they had had a total of at least 20 finalists. "Grosse Pointe did not qualify at that time because its total was 19 for the years under consideration. Now, however, counting this year's finalists and dropping 1956's the total has reached 20 and we would qualify if another such list were drawn up."

**Leads in District**  
"Grosse Pointe led the way last fall when it placed six of its graduates in the University of Michigan freshman honors courses—highest in the Detroit Metropolitan District."  
"Again this spring, Grosse Pointe students set a stiff pace for their competitors when four of twenty-five sophomore girls tapped for Wyvern, a junior honorary society at the University of Michigan, were local products. Those chosen excell not only in their studies but also have demonstrated they are well adjusted leaders in their group."

"When one looks at these records and other evidence he cannot help but be impressed. But lest anyone feel smugness or complacency is a possibility let them be assured that school officials as well as members of the Board are very much aware of the need to do a still better job. We believe we can and will continue to improve our school program," Mr. Wickling concluded.

**BUMPER BABY CROP**  
There were 81,985 babies born in Detroit during 1957 and this is more than in any previous year, Dr. Joseph G. Molner, commissioner of health, states.

However, 40 per cent of all these babies were born to mothers who lived outside of the city. In 1950 only 26 per cent were born to non-resident mothers. When only babies born to Detroit residents were counted, there were an estimated 45,285 babies born and a birth rate of 23.7 per 1,000 population.

# Census

(Continued from Page 1)  
Therefore, parents are asked

to check over their children's records before the annual calls and be ready with correct information.

Another important use of the census data is to provide facts relative to the growth of population and the number of children in the district, reported Mr. Mawhinney. The data are summarized in such a way that the total population as well as the number of children of each age from birth to 20 years of age is tabulated for each municipality and each elementary school district in the area.

The tabulation also shows the number of children for each age attending no school, public schools and non-public schools.

**Exact Growth Shown**  
As a result of such tabulations a year by year picture is obtained which shows the exact growth in each municipality and elementary school district. "In a growing area such data are invaluable to the Board of Education and school officials in planning for the educational facilities needed in the district," concluded Mr. Mawhinney.

Last May's census showed a total population of 61,734 for the area comprised in the Grosse Pointe school district.

Campbell."

The light switch was on! The Chief took himself back to May, of 1935 when he was a detective with the City police force and had tracked down one J. Campbell on a charge of forging checks. Subsequent questions revealed that 18 of Campbell's intervening years had been spent in state prison at Marquette, for a series of similar offenses. But what really touched Chief Trombly was his old, (67), friend's assuring: "Gee, you haven't changed a bit!" In exchange for the kindly compliment the Chief booked him on a charge of vagrancy—thus insuring his ward of a couple more free meals. . . .

Thus endeth the "Case of the Familiar Face."

Continued building activity in the area this year is the basis for the schools' estimate that the figure may be upped to about 63,000.

**Shores Traffic Violators Pay**

David H. Helfman of 18034 Indiana, Detroit, was found guilty of speeding on Lake Shore road and driving without a car registration on his person and paid a fine and court costs of \$22.50 and had his driver's license suspended for 30 days.

His case was heard by Shores Judge John Gillis on Monday, April 21.

George R. Wichman of 29843 Taylor, St. Clair Shores, paid a fine and costs of \$19.50, after being found guilty of speeding on Lake Shore.

Ray W. Skaggs, Jr., of 28053 Clancy, Roseville, was found guilty of speeding on Lake Shore and paid \$24.50.

It cost Jack Tocco of 560 Middlesex, \$10 for speeding on Vernier road, after his guilt was established.

Richard R. Zimmermann of 2614 St. Jean, Detroit, failed to come to court on a Lake Shore speeding charge and a warrant was issued for his arrest.

A warrant was also signed for the arrest of Stephen Jamison of 1262 Pennsylvania, Detroit, who is accused of speeding on Lake Shore, for his failure to appear in court.

Edward J. Juszczak of 32406 Vandover, St. Clair Shores, paid a fine and costs of \$32.50, after being found guilty of speeding on Lake Shore.

William J. Keefe of 30261 Champlain, St. Clair Shores, was proved guilty of speeding on Lake Shore and paid \$22.50.

Floyd C. Hinsby of 1187 Broadstone, paid a total of \$12.50 when he was found guilty of speeding on Vernier.

Boris R. Nicolich of 34339 E. Jefferson, Mt. Clemens, charged with causing an accident in front of 988 Lake Shore, was found guilty and paid a fine and costs of \$10.

William A. Freimuth of 1645 Faircourt, paid costs of \$7.50. He was found guilty of speeding on Vernier.

Thomas Harbala of 462 Cloverly, was found guilty of speeding on Lake Shore and paid a fine and costs of \$17.50.

**St. Paul's Science Fair Attracts Throngs**

Hundreds of St. Paul's congregation curiously inspected the many displays exhibited by grade and high school students at the first Science Fair to be held at the school on Sunday, April 27. TOM COX, kneeling, appears puzzled because his active volcano didn't go off for the photographer. However, after the picture

was taken Tom found the trouble and nearly smoked the spectators out of the display area. JOHN HUEBNER, left, fiddles with his water purification display and MARTIN PETERS helps TOM DEMBEK show off his tri-level model home which he designed and constructed.

**Tiptons Giving Concert At Center Sunday, May 11**

Mother's Day evening, Sunday, May 11 at 8 o'clock the musically famous Tiptons, known nationally as foremost flute and piano artists, will honor Grosse Pointe, which is now their home, with a concert at the Grosse Pointe War Memorial Center.

The concert will be held in the Center's Great Hall overlooking Lake St. Clair. The audience will be limited to 175. Tickets are available now at the Center. TUxedo 1-7511.

Albert Tipton is the first flutist with the Detroit Symphony, to which he came two years ago from the St. Louis Symphony, with whom he had been first flutist for nine years. Mr. Tipton has played and been soloist with the nation's finest orchestras and has been associated with the world's best known conductors.

He occupied the second chair next to his teacher, Kincaid, in the Philadelphia Orchestra. He has since been first flutist with the National Symphony and has toured South America with Leopold Stokowski. He has been first flutist under Toscanini, Fritz Rienecker, Bruno Walter, Vladimir Golschmann, Eugene Ormandy and Paul Paray.

Mary Tipton, while making a gracious home for her famous husband and two children, is a nationally known concert pianist in her own right having appeared as soloist with the Detroit, St. Louis and Tulsa Symphonies.

Currently the Tiptons are on a tour taking them as far as

Louisiana and Texas. Mr. Tipton, not content with being a flute virtuoso, has become a conductor. He studied with Pierre Monteux at his school of conducting in Maine and has appeared as guest conductor of the St. Louis Symphony. He has also for the past several summers been conductor and head of the woodwind section of the Aspen Music Festival.

Now he and Mrs. Tipton are traveling with 14 members of the Detroit Symphony presenting selected small orchestral works under the heading "Music for Tonight." Mr. Tipton conducts and Mrs. Tipton plays the piano solos.

Those who are lucky enough to hear the Tiptons at the War Memorial May 11 will hear one of only five platinum flutes in the world which is Mr. Tipton's prize possession. A special Steinway is being brought in for Mrs. Tipton.

**ESTIMATED FIRE LOSSES**  
Estimated fire losses in the United States during March amounted to \$102,722,000, the National Board of Fire Underwriters has reported. This represents a decrease of 1.8 percent from losses of \$104,565,000 reported for March, 1957, and a decrease of 1.1 percent from losses of \$103,853,000 for last February (1958).

Losses for the first three months of 1958 now total \$306,493,000 a decrease of 2.8 percent from the first three months of 1957, when they amounted to \$315,406,000.

### 9 Cases Heard By Judge Uvick

Grosse Pointe City Judge Joseph P. Uvick's docket was a full one, last Tuesday evening, April 22, when he heard a total of nine cases.

First on the agenda was that of Burns Henry, Jr., of 965 Lake Shore road, charged with not having his car under control. Mr. Henry was present, and his case was dismissed when the complainant failed to appear.

William Chapman, of 4837 Cadieux, Detroit, also charged with not having his car under control, was deemed guilty, and fined \$20.

Reckless driving charges were brought against Paul C. Krause, of 808 St. Clair avenue. A fine of \$15 was imposed upon him by Judge Uvick.

Nicholas Peterson, 3478 Courville, in Detroit, was exonerated of reckless driving charges.

A \$35 fine was given William H. Drager, of 21610 Francis, in St. Clair Shores. Drager was found guilty of leaving the scene of an accident.

Robert H. Usher, of 1206 Balfour road, paid \$20 when judged guilty of speeding at 35 miles an hour in a restricted area.

Because they were found guilty of not having their cars under control Salvatore Cipriano, 1445 Grayton, and Hilliard Burton, 3637 Woodhall, in Detroit, were each fined \$20, on two separate charges.

Dale R. Kretschmar, of 16720 Chandler Park drive, was found guilty of speeding at 41 miles an hour, and fined \$20 for the offense.

And they blame the women drivers . . . ?

### Receive Honors At Law School

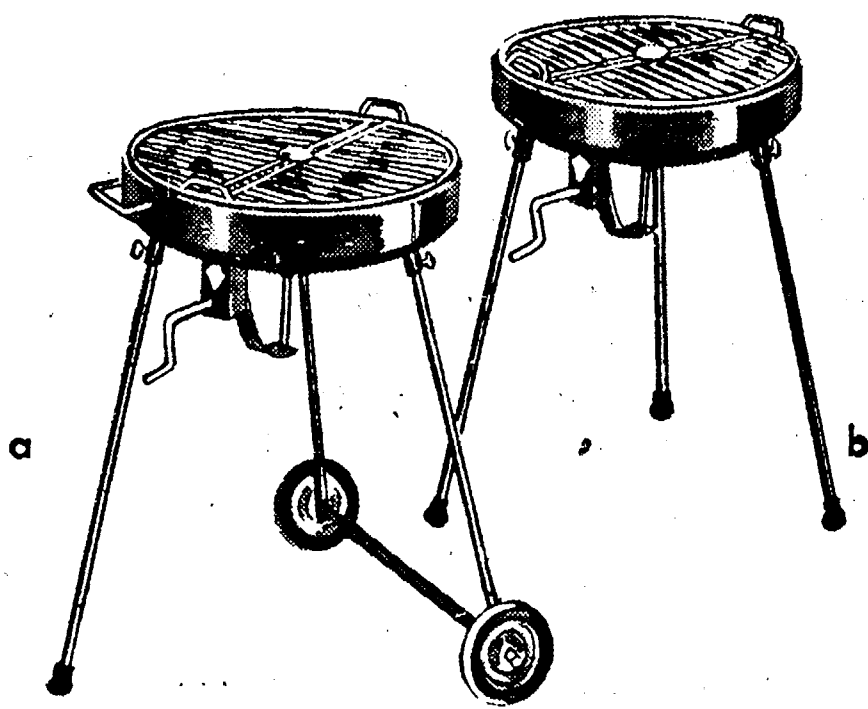

Honor awards were presented 94 University of Michigan Law School students at the annual Honors Day banquet in Ann Arbor on Wednesday, April 23.

Those honored included members of Coif, national honorary society for the top 10 percent of the third-year law class; editors of the Michigan Law Review; and recipients of book awards, given students writing the best examination paper in a course or ranking at the top of their class.

From Grosse Pointe, honors were conferred upon senior William K. (Sandy) Muir, Jr., son of Mr. and Mrs. William K. Muir of Ridge road. He was made a member of the Order of the Coif, and Law Review Assistant Editor.

Another Assistant Editor of Law Review is Lowell R. Modlin, class of 1958, and son of Mr. and Mrs. Lowell G. Modlin, of Neff road. William J. Waugaman, of the same class, was given a book award in a Labor Law course. He is the son of Mr. and Mrs. A. R. Waugaman, of Merriweather road.

The son of the Stanley L. Fildews, of Harvard road, John H. Fildew, of the class of 1957, was elected to membership in the Order of the Coif.

## Megate Again Helps Orthopaedic Clinic

Members of Omega Tau fraternity at Grosse Pointe University School have again made a contribution, to the Detroit Orthopaedic Clinic. Seated, left to right:—BILL GARRETT, secretary; MIKE KRIEG, president; and

MRS. GORDON F. KNIGHT of the clinic. Standing, left to right:—BRUCE BIRGBAUER, top salesman in the campaign which raised the funds; and COACH FRANCIS McCANN.

Members of Omega Eta Tau fraternity, all students at

Grosse Pointe University School, earn funds each year to donate to some organization specializing in aid to handicapped or needy children. The funds are raised by selling Christmas wreaths and roping, a project that is undertaken early each fall by soliciting orders, and culminates in the delivery of the greens to the customers ten days before Christmas. Some thirty boys participate in the project, and all proceeds of these annual sales are contributed to an organization selected by the voting membership of the fraternity.

The guiding spirit of this group of 14-to-18-year-old secondary school boys is Francis J. "Coach" McCann, who recently celebrated his 25th anniversary as friend, mentor, and brother of Megate boys. The check presented to Mrs. Gordon F. Knight, who represents the Detroit Orthopaedic Clinic for Crippled Children, is for \$800, proceeds of the fraternity's 1957 Christmas greens sale, and it brings the total

gifts of Megate to the Clinic in the past four years to more than \$2,300.

Mike Krieg, president, and Bill Garratt, who has served two years as recording secretary and two years as wreath sales chairman, will retire from their duties after the forthcoming election of officers, to join the ranks of alumni, since they will be graduated in June.

Bruce Birgbauer, who led in sales in 1957, will be among those Megates who will carry on the principles, traditions, and projects of OET. The gift presented to Mrs. Knight will be added to last year's gift of \$700, and these funds will be earmarked for the furnishing of designated services in the Research Unit of Detroit Orthopaedic Clinic's new building.

Bad driving conditions prevailed in less than 15 percent of the fatal highway accidents in the U.S. in 1957.

The luxury of a clear conscience is something everyone can afford.

The chronic knocker soon finds that the field is badly overcrowded.

Be satisfied to take things as they come or you won't get much.

The last meeting of the Maire School P.T.A. will be on Monday evening, May 5 at 7:30 o'clock.

The program will be opened by the Maire School Chorus which will sing a number of selections under the direction of Mrs. Anibel Lucatsky.

Kervy Parke, program chairman, has stated that the speaker for the evening will be Bengt Swensen, interior decorator.

Mr. Swensen's topic will be "Decorating For Your Children." His presentation will emphasize practical, long-wearing, and easy-to-care-for materials to be used in children's bedrooms and the family recreation room. He will make suggestions for planning these rooms to change with the ages and interests of children. This will also include suggestions for furniture arrangement and choice of colors.

## Give Oratorio At St. James

Friends and members of St. James Lutheran Church, McMillan road near Kercheval, were given a real musical treat on Sunday, April 27, at 4 p.m. when the Chancel Choir presented "The Holy City."

This beautiful oratorio by A. R. Gaul carries the believer, through medium of song, from the longing for his heavenly home—through the promises of God—to a final glorious glimpse of the Eternal Jerusalem itself.

Berwyn Lemke, choral director for Lutheran High East, was the guest organist. Soloists included Mrs. William Heller, Miss Ruth Vrudney, Albert O'Neal, and Fred Weiss.

Carl Munzel, organist and choirmaster at St. James, was the director.

## Pointers Get Promotions In National Bank Election

Pointers figured prominently in the elections held Monday at the National Bank of Detroit. Of the nine elected by the voting of the board of directors, six are residents of the Pointe. Two others live on the neighboring East Side.

Donald F. Valley, of East Jefferson avenue, one of the first vice-presidents named when the bank was organized in 1933, was elected chairman of the board and chief executive officer.

Henry T. Bodman of Vendome road, who joined the bank as an assistant cashier in 1933, was named president and chief administrative officer.

Chairman Valley and President Bodman have taken very active parts in Detroit, Michigan and National banking, business, civic and charitable activities.

Mr. Valley was born in West Branch, Michigan and brought up in Onaway. He became a certified public accountant in 1925. In 1928 he became comptroller of Dodge Bros. where he supervised and controlled accounting for the parent company and subsidiaries. In April 1928 he joined Universal

Credit Corporation in Detroit (then the financing subsidiary of Ford Motor Company) as its chief financial officer. In May 1931 he resigned to become vice-president of Guardian Detroit Bank, and in January 1932 became senior vice-president and director of the Guardian National Bank of Commerce.

He is a director of the National Industrial Conference Board, a former director of the Association of Reserve City Bankers and served on the Advisory Credit Committee of the Office of Procurement and Material, Navy Department.

His directorships include S. S. Kresge Company, Motor Wheel Corporation, Mueller Brass Company, and National Casualty Company. He is a Commissioner of the Detroit Streets and Traffic Commission, a former president of Detroit Water Board, a director and member of the Executive Committee of the United Foundation, a director of the Economic Club of Detroit, a member of the Advisory Committee of Metropolitan Detroit Building Fund and a director of the Greater Detroit Board of Commerce. He is a Vestryman of Old Christ Church.

Mr. Bodman is a native of Detroit who joined the Guardian Detroit Bank in 1928, after graduating with honors in mathematics from Princeton. He joined National Bank of Detroit in 1933, and in 1941 was loaned to the Office of Production Management in Washington. He received his U. S. Army commission in 1942, was awarded the Legion of Merit, was promoted to the rank of Colonel and returned to the bank in 1945. In 1946 he was recalled to Washington as a member of the board of directors of the Reconstruction Finance Corporation, and returned to the bank in 1949 as vice-president and assistant to the president, was elected a general vice-president in 1950 and a director in 1953.

He is a past president of the Greater Detroit Board of Commerce and of the Michigan Post, American Ordnance Association; trustee of the Citizens Research Council of Michigan and of the Henry Ford Hospital, a director of the United Foundation of Detroit and of the Economic Club, a trustee and treasurer of the Foundation for Economic Education, vice chairman and treasurer of the American Enterprise Association, a member of the Economic Policy Committee of the United States Chamber of Commerce, a member of the Executive Committee of the Committee on Federal Legislation, American Bankers Association, and a member of the Executive Committee of Michigan Bankers Association. Mr. Bodman is a director of Standard Accident Insurance Company, Planet Insurance Company, and Fenestra, Inc., and is immediate past president of the Association of Reserve City Bankers.

Lawrence P. Fisher, of Lenox, one of the original Fisher brothers, a director of Fisher & Co., of General Motors Corporation and of Continental Illinois National Bank and Trust Company, Chicago, was elected to succeed his nephew, the late Charles T. Fisher, Jr., on the board.

George E. Parker, Jr., of Lothrop road, vice-president and trust officer, whose service with the bank dates from 1933, was elected a director to fill the vacancy created by the death of John S. Coleman, former president of Burroughs Corporation. He was also elected chairman of the Bank's Trust Committee.

Five division or department heads were elevated to the newly-established position of Senior Vice President.

John N. McClucas, of Vendome road, a bank director

and former general vice-president in charge of the Bank's Out-of-Town Division, joined the bank in 1945 following 14 years of service with the Commerce Trust Company of Kansas City, Missouri. He will continue to direct the activities of the Out-of-Town Division, including the International Department.

Edward Adams, Jr., of the Out-of-Town Division, joined the bank in 1946 after 14 years service with The Grace National Bank of New York. He is in charge of the Bank's loan and deposit business in Michigan outside of the Detroit area and in northern Ohio and Indiana. He also supervises the International Department.

Milton S. Bosley is directly in charge of the bank's investment portfolio and supervises special research projects and economic studies. Mr. Bosley joined the Bank in 1933. He is a member of the Government Borrowing Committee of the Investment Bankers Association of America.

Arnold D. (Mike) Freydl, of Harvard road, who joined the bank in 1933, has been a

### BAG THEFT REPORTED

Kingsley Roney of 414 Kercheval complained to Farms police on Tuesday, April 22, that someone had stolen a red alligator overnight bag from his car in the Grosse Pointe High School parking lot. He said the bag contained his wallet, with personal papers and driver license, and several items of clothing. He did not say how much money, if any, was in the wallet.

## Youth Mute At Burglary Examination

Park Police Charge Youth With Robbing Bar; Demands Examination

Robert Bayes, 19, of 12617 E. Warren, Detroit, found Park police waiting for him on Wednesday, April 23, when he was released from the Detroit House of Correction, after serving a 60-day sentence for violation of probation.

Park authorities charge Bayes with taking part in the breaking and entering of the Rustic Cabin, 15209 Kercheval, on February 24.

Bayes was arraigned before Park Judge C. Joseph Belanger on Wednesday, and stood mute to the charge of burglary and demanded an examination.

Under \$5,000 Bond Judge Belanger set yesterday, April 30, as the date for the examination, and placed Bayes under a bond of \$5,000.

The accused youth, it was said, was part of a 24-man gang that had been preying on gas stations and bars in the Woods, Farms, Park, St. Clair Shores, Harper Woods and Detroit.

Another member of the gang, James Elredge, 17, of 1044 Concord, Detroit, was arraigned before Judge Belanger on March 31, for his part in burglarizing the Champ's Bar, 15007 Charlevoix, on February 12.

He pled guilty to the charge in the Park court and was bound over to the Wayne County Circuit Court, and is awaiting sentence from that court, after a plea of guilty was entered on April 14.

The initial arrests that led to the breaking up of the gang was made by St. Clair Shores police on March 27, when they spotted four men leaving the scene of a burglary at Jefferson and Thirteen Mile road.

Three of the four were arrested, with the fourth making his escape, to be captured later by Detroit police when he returned to his home in Detroit.

When questioned by St. Clair Shores police, the fourth blurted out confessions that resulted in the rounding up of the other 20 members of the gang, and cleared up at least 22 burglaries in the area.

By their confessions, the gang cleared the two Park burglaries, one in the Farms and one in the Woods, 13 in Detroit, four in St. Clair Shores and one in Harper Woods.

## Schools Shift Tornado Defense

School Superintendent Dr. James W. Bushong has directed all building principals to notify the parents of public school children that procedures in the event of a tornado have been changed.

Acting on the advice of the United States Department of Commerce and the Michigan and Grosse Pointe Offices of Civil Defense the children will be kept within the school buildings henceforth if tornadoes occur during school hours.

In the past it was advised that children be sent home so that safety through dispersion would be possible. Now it is recognized that a great deal of uncertainty and interruption of the school program results from alerts concerning tornadoes which do not materialize. Further, it is felt that the school buildings, being of strongly reinforced construction, offer better than average protection. Finally, the knowledge by parents that their children are under the continuous control and supervision of competent persons is deemed to be of primary importance.

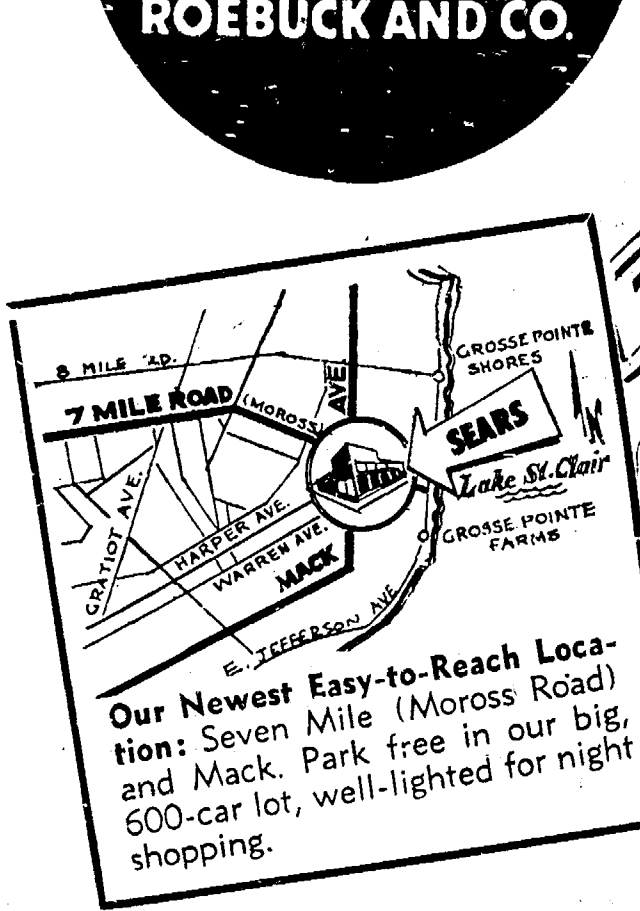

Parents who desire that their children not be kept in school during periods when tornadoes are a possibility may call for and claim their own children. However, unless specific arrangements have been made by the families concerned, no parent should remove other than their own child from the school premises during such emergencies. As in any other circumstance school personnel must have authorization from the parent or the guardian before they can release a child during the school day.

### Shores Garden Club to Meet

The Grosse Pointe Shores Garden Club will hold its annual meeting at the Lochmoor boulevard home of Mrs. C. E. Maguire on Friday.

Mrs. Kenneth R. Strang, of Hidden lane, will be assistant hostess. Luncheon will be served at noon followed by a business meeting.

On the agenda is the election of officers for the 1958-59 season and annual reports from all officers and committee heads.

### Goodwill Needs Your Discards

The theme of Goodwill Industries Week, May 4-10, is "Buy now and contribute to Goodwill Industries the articles you replace."

Depicting this idea is Mrs. Dwight W. Edwards, Jr., of the Junior Goodwill Group, women's auxiliary, who has purchased a new dress and discarded the old.

Goodwill points out that it costs nothing in money to help handicapped workers earn a living. They do not want charity, but instead, an opportunity to work. The jobs they have depend on repairable discards which they completely renovate and sell at moderate cost in seven retail stores.

The lack of discards during the first quarter of 1958 has enforced curtailment of both jobs and rehabilitation training at Goodwill Industries.

During this time of general unemployment in Michigan, it is difficult for some regular contributors to donate materials. It is urged that those who are employed buy and remember that Goodwill needs the discarded item, whether it be clothing, a garden tool, household furnishings or any other repairable item.

### Board Meeting Planned By Methodist Society

The officers of the Woman's Society of the Grosse Pointe Methodist Church will gather for their last board meeting of the year on Thursday, May 1, at the home of their president, Mrs. Walter Griffith, 1398 Hollywood, at 7 p.m.

The officers remaining on the board next year are honoring the retiring officers with a pot-luck dinner before the business of the evening. Mrs. Thomas Estes will assist the hostess in serving. Twenty-seven guests are expected.

### Regina Parents Club Sponsors Card Party

Regina High School's Moms and Dads Club is planning a card party for May 23 at the school at 8 o'clock.

The party will be a benefit to raise money to equip a new home economics room, which is operated by the Sisters of St. Francis. This will be the final club activity for the year.

### Empire Daughters Plan Luncheon for May 5

The Princess Beatrice Chapter, Daughters of the British Empire, will meet for luncheon Monday, May 5 at 12:30 o'clock in the 11 Mile road home of Mrs. E. Eberly.

Plans for a party to be held at the Grosse Pointe Memorial Center on May 23 will be completed. The program of the day will be in charge of Mrs. Vernon Johnson.

Wilson and his brother Avery V. own the new store to which they have given the name of Grosse Pointe Supply. They deal in hardware, garden tools, fertilizers, paint, glass, homeware and electrical supplies.

### Outstanding Safety Patrol Boys Going to Washington

David Bullard, 12, of Barnes school, and Gregory S. Moser, 11, of Mason school, have been named to represent Grosse Pointe safety patrol boys at the 22nd National AAA Safety Patrol Rally in Washington, D. C., May 8-11.

David, who lives at 1330 S. Oxford, and Gregory, of 2041 Van Antwerp, will make the four-day all-expense trip along with 100 other safety patrol boys from the state as guests of Automobile Club of Michigan. The youngsters were selected as the most outstanding of the 50,000 patrol boys who daily safeguard their classmates at crossings at 2,200 Michigan elementary schools.

During the honor trip to Washington, they will join 30,000 other patrol boys from across United States and Canada for the traditional march down Constitution avenue. The five-mile long parade is the largest held annually in the Capital.

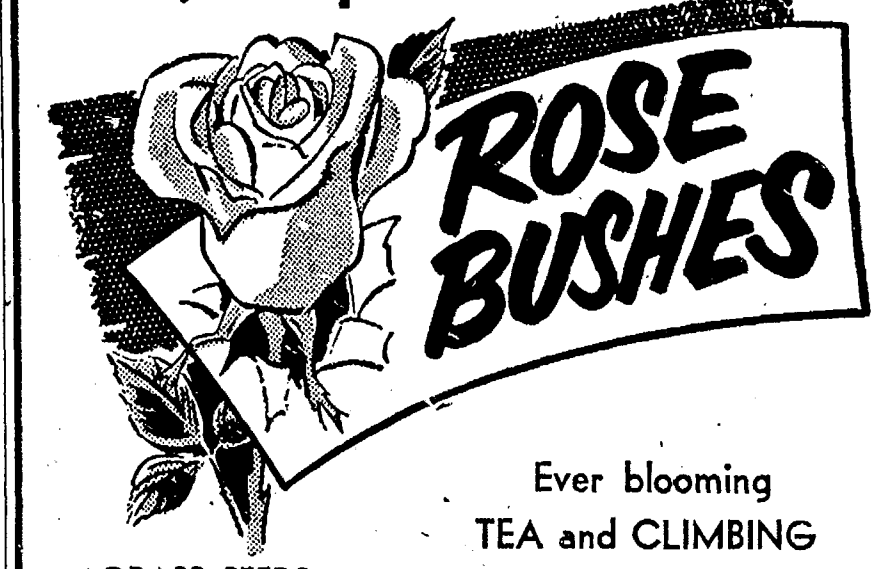

The Michigan delegation will meet congressmen from their home districts at a special luncheon arranged by Auto Club in one of Washington's leading hotels. Other highlights of the trip include meeting entertainment world notables and visiting historic landmarks and important government buildings.

The youngsters will assemble on Thursday, May 8, for registration and a physical check-up before boarding their private railroad cars.

The Michigan patrol boys will leave Washington Saturday evening and arrive in Detroit, Sunday, May 11. Youngsters from outside the Detroit area will be escorted to and from their homes by members of Auto Club's safety and traffic department. Two registered nurses will accompany the group on the trip.

Thomas Alberty of 25666 Hoffmeyer, Roseville, reported the theft of four spinner-type hubcaps from his car on Sunday, April 27, while the vehicle was parked in the Woods Theater parking lot. Value of the loss is set at \$20.

## Anyone Can Be An Expert

We wouldn't have dared open up our clam-like mouth on the subject of economics had we not been served up such a double portion of disillusionment and morale-booster by the so-called experts. After a careful study of the situation we are inclined to think we know just as much about what is going on as the lads who have spent their lives analyzing the trends and extracting fat fees for parading their sagacity.

The disillusionment came when we took the advice of one of these prognosticating, professorial pundits some months back. On the strength of his smiling, half apologetic prophesy that "Like it or not, we are stuck with prosperity," we rushed into the market and bought four shares of Sunny Side of the Moon Development Corporation, Unlimited. You all know what has happened to THAT.

The morale-boosting bit comes from the realization that no matter what we think about anything, we'll be in the same boat with countless accepted seers in the field of mathematical juggling and speculation. Never have we heard so many different opinions on so many subjects. The only thing to which we cling is the definition given by some wag concerning the present state of things. "If it affects you personally, it's a depression; if it hasn't quite hit home yet, it's a recession."

We've always been far from a whizz at this financial game. Our first venture had to do with the creation of our own amusement park, in our own back yard. We cajoled a carpenter working next door into giving us a 2X10, about 20 feet long; so there was no actual investment. Then we resorted again to the soft soap and gave the big board a thorough treatment with the real product, making it slick as grease. We salvaged an empty onion crate from the corner grocer's discard pile and we were in business with a roller coaster, sole ownership.

With the help of a few enthusiastic pals, we shoved one end of the board track up into the unloading window of the coal shed, and took a few test runs. Everything worked fine. Then we established the price at three pence per ride. That shows what a dope we were, even then. We haven't the slightest idea what we were going to do with the pins, but our addled little brain must have soaked up some conversation about pin-money.

Anyway, we ended up with no pins, but with a flock of irate mothers chasing us about the neighborhood, seeking vengeance because their children had either become inordinately dirty climbing through the coal pile to start their ride, or badly bruised plummeting off the track half way down. The amusement business came to an abrupt end when the badly shattered onion crate perforated a kid with so many splinters it took five of us half a day to extract about half of them.

We haven't learned much about business since, but one thing bothers us considerably. We can't figure out why, when times are supposed to be tough and stocks are whimpering from inattention on the store shelves, prices should go up. The papers have been full of the howling over higher food bills, but we'd like to mention just a couple of little items that are probably even dearer to our heart than the staff of life.

An incurable chain smoker, we resorted many years ago to the type of holder that uses a crystal filter and is supposed to keep cancer at least one short link's length away. And we use ordinary rubbing alcohol and pipe cleaners to make our holders pristine and antiseptic each day. We may only imagine it, but we think we have noticed a perceptible drop in the popularity of these holders since they were first introduced, and especially since the filter tip cigarettes came in. And we can't believe there has been any great increase in the demand for rubbing alcohol of late, unless it be by those who have been bruised when caught under a pile of falling stocks.

There are those who have been scared into giving up smoking and many of our friends have cut down considerably in deference to the cancer propaganda. But the fact remains that the price of cigarettes has gone up; the filters which formerly cost \$1.50 for a box of 50, went to \$1.65 and then suddenly and quite recently, to \$1.90; and alcohol, which was 47 cents for years, is now 59 cents for the same bottle. If someone knows where we can get bargains, please wire, or call collect.

This is crazy stuff to us who peddled lemonade on the sidewalk at the age of five. When the product had become diluted with melting ice, and then warm from the complete lack of it, we lowered our price. And when what had been a fine buy for three cents didn't sell at two, or even one, we gave it away to our special friends. But we always went home with an empty pitcher. No surplus stock for us. But, as we were saying, we never did pretend to be smart at business.

## To Hold Forum On Advertising

An exploration of "The Advertising World: Inside and Outside," will be a two-Sunday featured program of the Adult Discussion Group of the Grosse Pointe Unitarian Church, 17440 E. Jefferson.

On Sunday, May 4, Rev. William Hammond will lead off the series with a discussion of

"A Customer Asks the Ad Man".

On Sunday, May 11, Wallace Clayton, director of public relations for the J. Walter Thompson advertising agency will lead the discussion from "inside" the advertising world in a talk "Let's Take Off the Grey Flannel Suit".

The adult forum starts at 10 a.m. The public is invited.

## Grosse-Exaggerations

### A. PRYOR

"Know you why the Robin's breast  
Gleameth of a dusky red,  
Like the lustre 'mid the stars  
Of the potent planet Mars?  
'Tis... (a monkish myth has said)...  
Owing to his cordial heart;  
For, long since, he took the part  
Of those hapless children, sent  
Heavenward, for punishment;  
And to quench the fierce desire  
Bred in them by ruthless fire,  
Brought on tiny bill and wing  
Water from some earthly spring."

We hasten to acknowledge a card received from Korea from our old "pen pal" E. B. Rall. He sends a picture of a magnificent shrine... and the card reads: "I had a 'wondering' if you received the stamps. This pagoda was erected about 500 years ago and is still in a good state of preservation. The Chosun Hotel is on the same grounds. The building in the back is the Bando Hotel built by the Japanese in 1942. Korea is slowly rising from the ashes of war, but still needs a lot of help and sympathy. But for the United Nations, Korea would be under the communists now."

"I enjoy reading Grosse Exaggerations and am disappointed if it is not on the editorial page."

(Thank you Mr. Rall... and keep coming with the postcards. Wish we could reproduce them... but the color makes it difficult.)

In case you might have missed this in the Readers Digest, we pass it on for the smile we HOPE it deserves. A middle aged couple rented a cottage in Northern Michigan for the summer... and invited another couple of their vintage years, to share it with them.

When the summer was over, and the renter of the place was regaling his friends with the good time the foursome had... it came to light that there was only ONE bedroom in the place. Someone asked... "What did you do about readying for bed etc., with two couples in one room?" The man replied: "Well, in the beginning we hung a sheet up between the beds to divide the room half and half. Then we got tired of doing THAT, so we just agreed to all take off our bifocals."

We also like the quickie about the guy who always closed his eyes before drinking a shot of straight Bourbon. When a friend asked him WHY... he said: "Just lookin' at it makes my mouth water so... I don't want to dilute it!"

IF you ever get a postal money order... better cash it immediately. We heard recently of a man who got a money order from his Dad in 1937 for one hundred dollars. For some reason or other, he mislaid the thing and didn't want to tell his Pop he had lost it. Last month, after his Dad had died, he was going through some papers and FOUND the old money order... which was made out to Rockefeller Station, New York, and dated.

He tried to cash it and was told he would have to fill out endless forms requesting an issuance of a duplicate. This he did... and some weeks later received a printed slip saying "We regret it is not possible to accord favorable consideration to your claim as Public Law No. 65 stipulates no money order shall be paid after twenty years from the last date of the month of original issue."

Brother... do we have LAWS...

Well now... a lot of yakety yak has been going on in the Pointe about the Free Press taking it upon itself to choose a LEADER of SOCIETY by appointing a silent committee to choose about 25 or 30 possible entrants... which in turn are voted upon by 400 socialites, who received letters last week... asking them to cast a vote for the most likely candidate.

Since we did not receive a letter asking for OUR vote... we feel free to comment on this bit of business with a clear conscience. The consensus seems to be (according to the spies we meet in the super markets)... that whomever DOES get the nod... will feel like crawling into a closet or leaving town... she will be so "twitted" by her contemporaries in the social swim.

Our personal opinion is that social leaders, per se, are not voted for or MADE... they are just naturally elevated to that position by having all the attributes and yet, not giving a hang whether they are considered social or not. We think that the day has long since passed when a so-called "social leader" is a necessity... especially in OUR TOWN.

The requirements seem to be (among others) "NICE" people who do Civic works, are on Boards of this or that, and are always smiling, affable and courteous. Sounds boring as all getout to us. A social leader worth her salt would, on occasion, be anything but smiling and affable. In fact, if her number-one cook left in a huff in the middle of a dinner party... it might even be interesting if she said "Damn it ALL." But THIS candidate is not supposed to stoop so low!

Anyway... we are getting up a poll of our own... and our letters will go out next week. There are no requirements in OURS except that the candidates have to have a sense of humor ABOVE ALL... and just simply be kind to people... ALL the people that is.

And so... to our social directory to see who was left out!

## Men's Chorus Sings Tonight

The Center's Grosse Pointe Men's Chorus under the direction of John Finch will present their Annual Spring Concert at the Grosse Pointe War Memorial, tonight, May 1, at 8 o'clock.

The Chorus is made up of men of all ages and currently numbers 30 voices. It is open to all Grosse Pointe men who enjoy group singing.

The public is invited for a nominal 75-cent admission which monies are used to purchase new music.

In addition to the singing, the evening's entertainment will include two piano solos by the Chorus' accompanist, Miss Rosaleen Malow, Chopin's Waltz Opus 64 No. 2 and Brahms' Rhapsody in G Minor. Another highlight will be popular "Bernie Falk in an hilarious pantomime act."

## Opposes Federal Aid for Schools

The 14th Congressional District Republican Sub-committee on National Affairs endorses the Michigan Congress of Parents and Teachers' opposition to Federal Aid to Michigan schools.

The local committee, which includes several Detroit school teachers, emphasized that the PTA's stand is a "healthy sign in these days of handouts from the Federal Government," and supports the Administration's policy of keeping state functions on a state level.

## What Goes On at Your Library

By Jean Taylor

"Where are you going, my pretty maid?"  
"To the Antique Show, Sir," she said.

It is not only the pretty maids who have succumbed to this fascinating pursuit of antiques, but matrons and many masculine enthusiasts too, have rung May 6, 7, 8 and 9 on their calendars, the dates of the Antique Show at the War Memorial, sponsored by the Grosse Pointe Rotary Club. It promises to be especially good this year.

We are not as well informed on this subject as we should like to be, and not long ago sought the advice of a specialist in the field. Unaware that our livelihood was in any way connected with the printed page, he replied, "If you are a novice in this business, I suggest that you go to your public library and look up some books on antiques. Study the text and pictures until you are familiar with the things in which you are particularly interested."

Now that, we decided, was excellent advice, and we pass it along to our readers.

Your library has many shelves of books which point the road to this fascinating hobby. Whether you lean toward American glass, English pewter, Georgian highboys or Chinese teapots, there are books to guide you.

Carl W. Drepper has written several volumes of a general nature as well as a few titles dealing with such specific subjects as American Clocks and Clock Makers and A. B. C. of Old Glass. His

Primer of American Antiques is concerned chiefly with furniture, but has chapters on such miscellany as silver, pewter, mirrors, pottery, circus posters, buttons, firearms, etc. A companion volume to this is First Readers for Antique Collectors. This is for the beginning collector who is not looking for museum pieces but who wants to be able to identify period, type, maker, etc.

The New Geography of Antiques, also by this author, tells the story of antiques—where they came from and what they are, and gives curious facts about the origin, movement and final resting place of certain styles.

Ruth Webb Lee, eminent American authority on old glass, has helped many a beginner on his way. Among her books are Price Guide to Pattern Glass, Early American Pressed Glass, Victorian Glass, American Glass Cup Plates, et al.

Two books by William Chaffers are well-known from use. Chaffers' Handbook to Hall Marks on Gold and Silver Plate and Collector's Handbook of Marks and Monograms on Pottery and Porcelain.

Harold D. Eberlein is a long time favorite with his Practical Book of American Antiques and Practical Book of Period Furniture.

A recent book which we recommend highly is Antiques: How to Identify, Buy, Sell, Refinish and Care for Them, by Ann Kilborn Cole. This you will enjoy whether or not you have previous knowledge of the subject. Practically everything which could be classed as an American antique is covered from furniture to toys and greetings cards. If you wish to read further, there is an excellent bibliography and also a list of terms defined, if you don't speak "antiques."

For a ramble away from the beaten path, Marion Rawson's Handwrought Ancestors makes good reading. This tells of the workshops where our ancestors made the handwrought things which we prize so highly, and of the shops that sold them.

## To Hold Exams For Academies

Congressman Louis C. Rabaut (D., Mich.) announced that on July 14, a U.S. Civil Service Designation Examination will be held for young men desiring to enter the United States Military, Naval, Air Force and Merchant Marine Academies.

Applicants must have resided in the 14th Congressional District for two years prior to the time of examination and must be at least 17 but not more than 22 years of age as of date of admission.

Classes for the Academies commence July 1, 1959; the Merchant Marine Academy semester begins in August, however candidates must be between the ages of 17 and 22 on July 1. Nominations to the Academies will be made in strict accordance with grades received in the forthcoming examination.

Mr. Rabaut said, upon being informed of the examination, "I hope every young man who aspires to a military or sea career will avail himself of this opportunity to obtain one of the finest educations in the world. Anyone who desires additional information is urged to write my office, 1232 House Office Building, Washington, D.C., for sample question sheets."

## Optimistic

## And Realistic

By Fred Kopp, R.P.H.

To be optimistic is a rewarding attribute; to be realistic is no less a virtue. A happy combination of the two is a well adjusted personality willing and able to face all situations squarely.

Being too optimistic about your health is to trust much to the future and neglect that which should be done now. It accounts for much of the illness in the World today.

Consult your doctor for advice regularly. Rely on a pharmacist alert to your pharmacy needs.

### From Another Pointe of View

By Patricia Talbot

It's not very smart to wear an old pair of slacks on Sunday afternoon if it happens to be your birthday and your husband and children have planned a surprise.

That's what happened to Mrs. Joseph S. Sherer, Jr., Sunday afternoon. About 60 of her friends turned up for cocktails at her Ridge road home and she was surprised! Only sad note, she had a luscious new frock in her closet for just such a party and she didn't have time to do it before the guests arrived.

Son Stephen, at the University of Michigan, and a very talented artist, did a clever cartoon of his mother, which was the decorative conversation piece. He was there for the party, as were the junior Sherers who came in from Franklin. Another son, Sam, couldn't make it. He's in Florida with the Coast Guard.

Daughter, Annie, and the twins, Myron and Lydia, joined with the rest to give their mother a happy day. A pair of aperitif tables for the garden, which were gaily decked for the party with balloons, were the gift of a group of close friends.

#### Magician's Party

More parties are on the schedule with a family twist, and one at the Boat Club will be a mother and daughter luncheon. The date is Saturday, May 10.

Magic is the theme of the gala with Arthur Whelpley, past president of the Detroit Society of Magicians, putting on a show.

For the mamas, hair stylist Leon, will, as if by magic, change a model's hair style four times in as many minutes.

Sharon Kerr, daughter of Mrs. Robert M. Kerr, Jr., will be home from Hillsdale College, to be the model. Decorations will score the magical theme with magicians' hats, scarves and decks of cards centering the luncheon tables.

Mrs. Frances P. Walsh is chairman with Mrs. A. W. Hanigan, Mrs. Charles E. Sweet, Mrs. William H. Mathews, Mrs. William Talbot, Mrs. Kerr and Mrs. R. S. Thurman assisting.

Four generations will be represented in Mrs. Robert Barie's party. With her will be her mother, Mrs. Alfred Charles Gray, her daughter, Mrs. Dan K. Loveland and her granddaughter, Margaret Loveland.

Others planning to attend are Mrs. Robert Warmbold with Joan, Jean, Karen and Barbara; Mrs. William J. Kirby with Julie and Mary; Mrs. Lewis Leisinger with Lynne and Barbara; Mrs. Charles Sweet with her mother, Mrs. Frank Bomersheim and her daughters, Mary and Joan, and Mrs. E. R. Harrigan with Mrs. William Cole and daughter, Karen.

The club president's wife, Mrs. Henry G. Gildner, will bring Connie and Gretchen, who will come home from the University of Michigan for the party.

#### More Mothers and Daughters

Mothers and daughters will also be partying at the Grosse Pointe Yacht Club on that same Saturday, but this gala will have a lollipop theme.

Red and white will be the colors of the huge striped simulated lollipops, cellophane wrapped, forming the table decor. Fastened in wooden bases they will march down red ribbon bands centered around the white tables. Of course there will be red and white balloons.

Mrs. Charles W. Gauss II is party chairman and her aides are Mrs. Bill O. Brink, Mrs. Hamilton Kotcher, Mrs. Richard Degener, Mrs. Calvin Gauss, Jr., and Mrs. Paul L. Barker.

Entertainment will be a marionette show, "The (Continued on Page 17)

MR. and MRS. JAMES COPE, of Sunningdale drive, left Monday for a European vacation. They will tour Italy, Switzerland, and Mrs. Cope's native country, Scotland.

Here spending a few days with MR. and MRS. SIMON D. DEN UYL, of Touraine road, are their son and daughter-in-law, the RICHARD S. DEN UYLS, who will soon be moving to a new home in New Hampshire.

A son, DENNIS CHRISTOPHER, was born April 16 to MR. and MRS. WILLIAM MICHAEL O'BRIEN (BARBARA TOOLIN), of Broadstone road.

MR. and MRS. JULIUS J. HUEBNER, who were married April 12 in Christ Church, have motored to Florida, where they are spending two weeks at the Sun Castle Club in Pompano.

### Lochmoor Rehearses Minstrel Showboat

For First Time Women Included in Cast of Production Slated for May 9 and 10; Buffet Supper To Follow Performance

A highlight of Lochmoor Club's entertainment program is the Minstrel Showboat, staged by its members, which is scheduled for Friday and Saturday evenings, May 9 and 10.

Three years ago the Showboat was presented for the first time as just "something different" on the social calendar, but it has enjoyed such tremendous popularity that again the musical extravaganza is to be repeated.

However, this year's show has acquired a new aspect. In the first two years of presentation the cast was composed of men only. But, the women not content to sit idly by for too long a time, have convinced the male members that it was time to include them in all the fun and allow them to lend their talents in the field of entertainment.

For weeks a "No Visitors" sign has been posted on the ballroom door where rehearsals are in progress. Tapping sounds of dancing feet and lovely voices singing lulling tunes, some old and some from current Broadway hits, can be heard from behind the closed doors. Each and every member of the cast is devoting hours in practice to perfect their respective routines with opening night just around the corner uppermost in their minds.

The entire show is under the direction of Miss Prudence Butterfield and production details in the hands of Dr. and Mrs. R. Sidney Sinclair. Some 30 club members make up the cast, many of them husband and wife teams, among whom are: Mr. and Mrs. Rupert Atkin, Mr. and Mrs. Donald C. Wood, Mr. and Mrs. David Helm, Jr., Mr. and Mrs. Paul Keller, Jr., Mr. and Mrs. Melvin Huffaker, Mr. and Mrs. Willis Bullard, Mr. and Mrs. J. Otto Orwein and Dr. and Mrs. R. Sidney Sinclair.

Others are: Mrs. Dwight Nelson, Jr., Miss Bette Wright, Mrs. J. Charles Markley, Jr., Mrs. Albert Bowles, Mrs. Richard Dirksen, Mrs. Merk Sepic, Mrs. Philip O'Connell, Mrs. John Demorest, Mrs. J. Wilfred Harrison, Jack Emery, Chick Rutan, Walter Horn, Garland Wooldridge, George West, Jr., Robert Gaskill and A. D. Rueggesser.

Both evenings the Minstrel Show is slated to begin at 7:30 o'clock after which a buffet supper will be served followed by dancing in the California Room.

On the list of reservations are Mr. and Mrs. Gordon D. Skinner, Mr. and Mrs. Harold Diegel, Mr. and Mrs. Louis DeHayes, Mr. and Mrs. Jay W. Smith, Mr. and Mrs. Robert Cunningham, Mr. and Mrs. Thomas Gallagher, Mr. and Mrs. David White, Mr. and Mrs. John Rickel and Mr. and Mrs. Robert Weber who will be the guests of Mr. and Mrs. Bullard, who are in the cast.

## Memorial Church Women Holding Tea

Mrs. Philip Gentile to Be Guest Speaker at Event Scheduled for Tuesday, May 13, in the Sanctuary

Mrs. Phillip Gentile will be the guest speaker at the annual May Tea of the Women's Association of Grosse Pointe Memorial Church Tuesday, May 13, at 1:30 p.m. in the Church Sanctuary.

Mrs. Gentile, a University of Michigan Extension Service Lecturer, has been an official delegate to the United States Commission of UNESCO Conferences, and through a grant from the Ford Foundation did a special study of United Nations at the University of Michigan and at United Nations, New York. Her topic will be "Human Beings Being Human".

Preceding Mrs. Gentile's talk there will be "Organ Meditations," by Mrs. Ben L. Tallman, and a group of songs by Miss Faye Turner accompanied by Lawrence LaGore. Miss Turner, a soprano, has been a member of the Grosse Pointe

## Curries Pay Pointe Visit

For the first time in four years the Gilbert S. Curries returned for a visit to their former home from Rancho Santa Fe, Calif.

They were guests of Mrs. Currie's brother-in-law and sister, the Ellis B. Merriys, of Lothrop road, who entertained for the visitors.

On April 12 the Wilfred Teetzels, of Sunset lane, were hosts at a small cocktail party for the pair.

It's an easy matter to give advice—the problem is to find people who have faith enough to use it.

Memorial Church choir since 1952.

Tea will be served in the gymnasium following the program. Chairman of the tea is Mrs. Frank Wilton, assisted by Mrs. Harry Sisson and Mrs. John Denler. Mrs. Orison S. White, association president, has asked Mrs. Frank Pitt, Mrs. James D. Corfield, Mrs. Harry G. Hinkley, Mrs. Irving W. Ketchum, Mrs. Walter Simmons, Mrs. Ben W. Beyer, Mrs. Walter R. McAdow, and Mrs. James H. Cooper to pour.

Assisting them in serving the tea will be Mrs. Stuart Batts, Mrs. Robert Bennett, Mrs. George Brooks, Mrs. Bill O. Brink, Mrs. Frank Cowan, Mrs. Thomas C. Fox, Mrs. Calvin J. Gauss, Jr., Mrs. Charles W. Gauss II, Mrs. William Gorenflo, Mrs. Edward Gregory, Mrs. Charles Markley, Jr., Mrs. W. Hurst Montee, Mrs. George F. Renaud, and Mrs. Charles W. Wright, Jr.

Mrs. H. Ben Orr is in charge of tea arrangements. Assisting her will be: Mrs. LeRoy Coleman, Mrs. Donald Droil, Mrs. Louis Gifford, Mrs. Robert Hayes, Mrs. James Purvis, Mrs. Harold Quackenbush, Mrs. Edward Thomas, Mrs. Lance Skinner, Mrs. V. B. Walling, Mrs. Harry Winston, and Mrs. Tom ZurSchiede.

Mrs. Ray Wertz is in charge of tickets. Reservations may be made by calling the church office, TU 5-3773.

## Short and to the Pointe

### Mrs. Anthony Valentine

MR. and MRS. ARTHUR L. BRUCE, of Somerset road, have just returned after two weeks at Yellow Boot Ranch, in Scottsdale, Arizona.

MR. and MRS. ROBERT B. GOTTFREDSON, of Whittier road, returned last week from an extensive stay in their Florida apartment. They were also vacationing in Jamaica.

### Pvt. Garry L. Meeker Takes Supply Course

(AHTNC) — Pvt. Garry L. Meeker, son of Mrs. Thelma I. Francini, 1143 Nevada, San Jose, Calif., recently completed the ten-week supply course at The Engineer School Fort Belvoir, Va.

The course trained Meeker to receive, store, issue, ship, and salvage construction materials and other engineer supplies and equipment. He entered the Army in November 1957 and received basic training at Fort Ord, Calif.

The 18-year-old soldier is a 1957 graduate of Willow Glen High School. His father, Billy R. Meeker, lives at 1249 Wayburn, Grosse Pointe Park, Mich.

### Altar Society Plans Party

St. Ambrose Altar Society is planning a noonday luncheon and card party on Thursday, May 8.

General chairman for the party is Mrs. Servatius Hess and the donation will be \$1.25.

### FASHION HINT

Jewelry this year is taking an old-fashioned look. Thirty and sixty-inch ropes are back, as are lariats. Three, five and eight-strand bibs in variations of sun-and-sea tones and citrus colors are also popular.

Large pins are featured at the shoulder, hip or back of the collar. Earrings are mostly of the button and spray types, says Margaret Werner, retailing instructor at Michigan State University.

During 1957, there were 1,300 fewer highway traffic fatalities than in the previous year.

A correct guess may pass for wisdom—but don't expect such luck to last forever.

### Monte Carlo Party Planned

"A Night in Monte Carlo"—complete with souvenirs sent by Princess Grace of Monaco—is the theme of the Grosse Pointe Newcomers Club party Friday night.

More than 100 couples, residents who have moved to the Pointes from out-of-state during the past three years, will attend the gala event at Roma Hall, 24845 Gratiot. The hall will be decorated in Monacan colors, and with posters from the famed Monte Carlo Casino. A tropical atmosphere will be created by floral decorations contributed by James the Florist.

The Monte Carlo trappings were sent the Newcomers after Mrs. Richard P. Davis, 265 Merriweather road, co-chairman with her husband of the party, wrote the former Grace Kelly asking for some suggestions. The Princess' private secretary replied, saying the Monacan Information Center in New York, and the Casino, had been asked to send posters, pamphlets, flags, souvenir dolls and handkerchiefs.

The roles of croupiers, hat check girls and doormen will be assumed for the evening by members of the committee, which includes Mr. and Mrs. Richard Smith, Mr. and Mrs. Robert Baker, Mr. and Mrs. James Ammons, Mr. and Mrs. Marvin Meads, Mr. and Mrs. Wallace Clayton and Mr. and Mrs. Don Draper.

Margaret Jean Pooch To Wed Mr. Birgbauer

Mr. and Mrs. Charles Pooch, of Dearborn, announce the engagement of their daughter, Margaret Jean, to Ronald Conrad Birgbauer, son of the Gordon Birgbauers, of Sunningdale drive.

The bride-elect attended Albion College where she was affiliated with Alpha Delta. She is now studying at the University of Michigan.

Mr. Birgbauer also attends the University of Michigan where he is a member of Psi Upsilon.

Directors will be Mesdames J. Leslie Berry, Lloyd G. Grinnell, Winfield S. Jewell Jr., Leon H. Lewis, Robert Martin, Francis W. Smith and Miss Isabelle H. Hoersch.

Among the founding members at the luncheon were Mesdames Philip C. Baker, J. A. Bresnahan, Frank W. Coolidge, Fred Erb, G. Leon Haywood, J. Dwyer Kinnucan, T. O. Leonard, Frederick H. Linscheid, Norman Lyle, Anthony Maiullo, Bessie McMechan and David B. Moreing.

Others were Mesdames Albert E. O'Neal, George L. Seabold, Morris D. Silver, Arthur M. Smith, Donald T. Stanton, Arthur B. Tilton, Jefferson B. Webb and Misses Julia M. Fish and Margaret Mannebach.

At a Saturday morning ceremony in St. Paul's on the lakeshore, JANET CHRISTINE HOCK, daughter of the Francis James Hocks, of McKinley avenue, was married to Mr. Valentine, son of Mrs. Alphonse Valentine, of Detroit, and the late Mr. Valentine.

### Symphony Women Elect

The Women's Association for the Detroit Symphony Orchestra celebrated its thirtieth anniversary and elected new officers Tuesday, April 29, at 11 o'clock at the Country Club of Detroit. Mrs. Arvin L. Wheaton, president for the year ahead, presided at the meeting and at the luncheon that followed.

The club was crowded to capacity for the elaborate "pearl" anniversary party which honored the association's 16 past presidents. Mrs. Arthur B. Tilton presented a complete history of the organization, tracing its activities to its founding date in 1928 within the Detroit Federation of Women's Clubs.

Current accomplishments illustrated with colored slides taken by Mrs. Samuel M. Dean were discussed by Mrs. Sterling S. Sanford assisted by Mrs. V. Everett Kinsey. The party was arranged by a committee headed by Mrs. George L. Cassidy, social affairs chairman.

Elected to the board Tuesday were Mesdames W. Terrence Bannan, first vice-president; V. Everett Kinsey, John P. Mansfield and Theodore O. Yntema, vice-presidents; Leo P. Richardson and Albert R. Zanolli, recording secretary and assistant; John S. Coleman, corresponding secretary; Edward A. Baumann and E. Bryce Alpern, treasurer and assistant.

HOUSEHOLD HINT  
Garnish macaroni, noodle or spaghetti casseroles so they'll be attractive to serve. You can arrange meat like sausages or meat balls on top or garnish with chopped parsley, parsley sprigs, sliced olives, sliced hard-boiled eggs, diced or sliced green pepper, mushrooms or slivered almonds.

Usually when a man gets into trouble he finds that his friends are all behind him—with advice.

## Janet Hock Weds Anthony Valentine

Wears Waltz Length Gown of Silk Dupioni for Ceremony Saturday Morning in St. Paul's on the Lakeshore; Pair Honeymoon in Florida

Janet Christine Hock, daughter of the Francis James Hocks, of McKinley avenue, was married Saturday in St. Paul's on the lakeshore to Anthony Valentine, son of Mrs. Alphonse Valentine, of Detroit, and the late Mr. Valentine.

For her wedding the bride chose a waltz length gown of silk dupioni fashioned with a sweetheart neckline accented with Alencon lace and short sleeves. A pearl and sequin tiara held her fingertip veil of illusion and she carried stephanotis centered with white carnations.

Mrs. Gerald Heckendorn, the bride's twin sister, was her matron of honor and the bridesmaids were Marie Fulte and Mrs. Carl Athey.

They wore rainbow colors of lace over taffeta and carried carnations to complement their gowns.

George Valentine was his brother's best man and the ushers were Frank Ferri, the bridegroom's brother-in-law, and John Donovan.

Following a reception in Revere Hall the newlyweds left on a trip to Florida. For traveling the bride wore a blue and white ensemble with red accessories. The couple will live in Detroit.

### Dance Planned By Unitarians

The Grosse Pointe Unitarian Church will present a Derby day dance called by Wes and Julie Rea, on Saturday, May 3, at 8:30 p.m.

This dance will be held at the Monteith School, Cook road at Chalfonte.

Featured during the evening will be both old and new square dances. All couples who understand the basic fundamentals of square dancing are invited.

No matter how good we build our highways there will still be many people traveling in the wrong direction.

### Men's Fashions

#### NATIONAL SLACKS WEEK

Phrases used for men's apparel are rather unusual, if not altogether comical and inexplicable. And I'm prepared to present a couple of for instances.

Always "You never hear the words 'pant' or 'short' but always 'pants' or 'shorts.' The same with 'trousers.' These are single items, yet they always take the plural or are referred to as a 'pair of trousers, pants or shorts.' This plural treatment is used possibly because these garments have two legs.

And now we are smack dab in the middle of National Slacks Week. Notice again the use of the plural.

I believe the word "slacks" is derived from the Latin word "laxus," which means loose or spacious. I used to think it meant the type of trousers men wore in their slack time.

Today's slacks are fashioned for comfort as men find more leisure time away from the business world. Whether they're worn when playing golf, or just for lazing around the house or yard, men's slacks have a neat, smart look in addition to being comfortable.

Slacks should be worn with colorful sport shirts, and also teamed up with natural-shoulder, easy-on-the-eyes sport coats of rich-hued shetlands, saxories, viyellas and other sportcoatings.

The new trim-line slacks of today are offered in a variety of fabrics, but those in dacron-worsted cloth are great favorites. Because of the dacron content, creases stay in, wrinkles stay out, and spots sponge off.

Slack off, Mac, and buy a pair of slacks during National Slacks Week. And now it suddenly occurs to me why these various men's wear items are referred to in the plural: retailers are hoping customers will buy them that way.

## Junior Bowlers Honored at GPYC

Hans Gehrke, Jr., Presides at Party Honoring 30 Boys And Girls for Kegling Records; Janet Old And Calvin Gauss III High Winners

Junior bowlers of Grosse Pointe Yacht Club were honored at a dinner party given by the club on Thursday, April 24, to celebrate the close of their league season.

Hans Gehrke, Jr., junior counselor, presided at the beautifully appointed U-shaped table in the Commodore's Room, where 30 boys and girls gathered for their highlight festivity.

With Mr. Gehrke at the speakers' end of the table were Vice Commodore and Mrs. Robert F. Weber, Calvin J. Gauss, Jr., who will be junior counselor next season; Robert Warren, and Bill Flemming, noted WWJ sportscaster. Mr. Flemming made the principal talk for the keglars.

Awards were made by Mr. Gehrke. Winners of the Forrest R. Old Perpetual Trophy were Calvin J. Gauss III and Janet Old. It was Janet's second consecutive year to share the trophy which annually carries the names of the boy and girl with highest number of points for the season.

Individual prizes went to Janet Old, as highest average girl and to Cal Gauss III and to Peter Doderhoff who tied

with a 146 for the masculine high average. Art Hermann Jr. and Marcia Fox received individual awards in the "most improved" category.

Members of the junior bowlers' league (they kegle Saturday mornings) included Jerry Martin, Jim Herrington, Sheila Regan, Donna Pharis, Bruce Brigbauer, Pete Doderhoff, Cynthia Schultz, Jim West, Sherry Mok, Bruce Pharis, Cal Gauss III, Bill Gauss, John D. Adair, Jr., Ellen West.

More: Carole Gauss, Barbara Gauss, Jim Zinn, Sally Degener, Marcia Fox, Bill Wrock, Carol Pez, Rosalind Weber, Jim Lozelle, Janet Old, Jean German, John Regan, Sharon Barker, Art Hermann, Jr., Lenny West, Tom West, and Bruce Fox.

## DBC to Hold Bowling Lunch

The Women's Bowling League of the Detroit Boat Club will hold its annual luncheon to close the bowling season, May 8.

Cocktails will be served at 12:30 followed by lunch in the ballroom. Spring flowers will deck the tables.

The Grace Wrinn Trophy will be awarded to the winning team of the year.

Mrs. P. Tainsh holds the high average championship and Mrs. Don W. Miller high game championship.

Mrs. Roger Arbury turns her chairmanship over to the newly elected chairman, Mrs. Larry Sweet for the 1958-59 season.

There are many ways to get even with your enemies, but none of them leap upward.

## DAR Chapter Slates Meet

The service committee of the Fort Pontchartrain Chapter, DAR, will hold its monthly bridge luncheon Friday at noon in the Lochmoor boulevard home of Mrs. Albert Cooney.

Mrs. Colin Bain, chairman of the group, will conduct a short business meeting. Election of officers will be held.

Assisting as co-hostesses will be Mrs. Henry G. MacCabe, Mrs. William A. Arbaugh, Mrs. H. Sanborn Brown, Mrs. Frank S. McKinnon, Mrs. Frank D. Priegel, Mrs. Leonard L. Jensen and Mrs. Roman Beck.

Mrs. William M. Perrett presided at a dinner meeting of the chapter held last Tuesday at the Women's City Club.

## Church Moms To Fete Girls

The Women's Association of Grosse Pointe Memorial Church will give the annual Mother-Daughter Dinner Friday, May 9, at 6:30 p.m.

Mrs. Walter H. Pfau, chairman, assisted by Mrs. George Renaud and Mrs. Robert Eckert, promises a delightful program. The highlight of the evening will be a performance of "Mrs. Frisby's Kids" by the Wayne University Pup-peteers.

This group composed of three art teachers started doing shows together when they were students at Wayne State University, and have worked together for three and one half years. They bring spontaneity and a great deal of fresh young enthusiasm to their work.

There will also be a short film of Ludwig Bemelman's famous character, "Madeline." Reservations may be made by calling the church office, TU 5-3773.

## Pointe Colony Meets May 6

The annual meeting of Grosse Pointe Colony, National Society of New England Women, will be held Tuesday, May 6, at the Women's City Club, with luncheon set for 12:30 o'clock.

The president, Mrs. Edward J. Savage, of Yorkshire road, will conduct a brief board meeting at 12 noon, and the business session after luncheon, at which officers and chairmen will present annual reports.

Mrs. Edward D. Trowbridge, of Bishop road, chaplain, will conduct a memorial service for the Colony's honorary parliamentarian, Mrs. Henry B. Joy.

Hostesses for the day will be Mrs. Ralph R. Johnston, of Roslyn road and Mrs. Edward A. Davy.

Others attending from this area include: Mrs. Arthur Maxwell Parker, of Old Brook lane; Mrs. Richard W. Allen, of Cranford lane; Mrs. Wilfred J. Campbell and Mrs. Ralph R. Ranney, both of Fisher road; and Mrs. Lloyd DeWitt Smith, of Grand Marais boulevard.

**BE ON GUARD**

## Parks-Larwin Vows Said in Ann Arbor

Bride Wears Ballerina Taffeta and Chantilly Lace Gown For Saturday Rites in Chapel of First Presbyterian Church

In the Chapel of the First Presbyterian Church, Ann Arbor, where they were both college students, Carol Jean Larwin and William Charles Parks exchanged nuptial vows Saturday noon.

The bride, daughter of the Richard W. Larwins, of Whittier road, wore a ballerina gown of white taffeta and Chantilly lace made with a scalloped neckline trimmed with seed pearls and sequins.

A ribbon band of white leaves held her finger-tip veil of illusion and she carried white carnations and rosebuds centered with a cymbidium orchid.

The bride's cousin, Ann Beierlein, came from Fort Mt. Clemens.

Wayne, Ind., to be her only attendant. She wore shrimp organza with a matching headband and carried yellow roses and Gerbera daisies.

Thomas Boyer, of Roseville, Mich., was best man for the bridegroom, son of Mr. and Mrs. Ivan W. Parks, of Romeo. Lawrence Green, of Wyandotte, and Dwight Newton, of Florida, seated the guests.

Following a dinner reception in Ann Arbor the newlyweds left for the Smoky Mountains. They will make their home in

## Marilyn Norton Marries Mr. Ricard

Couple Travel to Florida After Evening Rites Saturday In Grosse Pointe Congregational Church And Reception at Whittier

At an evening ceremony Saturday in Grosse Pointe Congregational Church Marilyn Joan Norton, daughter of the Lorne J. Nortons, of Rivard boulevard, was married to Roland J. Ricard.

For her wedding the bride chose an ankle length light ivory silk bombazine gown trimmed with Alencon lace. Her Juliet cap of lace caught a fingertip illusion veil and she carried white roses and stephanotis.

Mrs. John Fedorka, of St. Clair Shores, was matron of honor in white nylon over blue taffeta, sashed in blue. Her flowers were white carnations and blue daisies.

Mr. Ricard asked his brother, Donald, to be his best man. They are the sons of the Herman J. Ricards, of St. Clair Shores.

Seating the guests were Robert Starnes and Lorne J. Norton.

Following a reception at the Whittier the newlyweds left on a trip to Florida. For traveling the bride wore a navy silk dress and jacket with navy and white accessories. The couple will live in Lakeshore Village.

## Papal Blessing Read at Rites

Father Albert Melvin read a papal blessing following the nuptial Mass which recently united Carmel Josephine Hennessy and Anthony Bersani in marriage at St. Paul's on the lakeshore.

The bride, daughter of the Michael C. Hennessys, of Galway, Ireland, wore white Chantilly lace for her wedding. She is a nurse at Grace Hospital and received her training in London, as did two of her attendants.

Lillian O'Connor was maid of honor and the bridesmaids were Mary Sinott and Yolanda Bersani, sister of the bridegroom. They wore yellow and blue taffeta gowns.

The bridegroom asked his brother, Carlo Bersani, to be his best man. They are the sons of the Frank Bersanis, of Moran road. Ushering were Frederick Atueh and Mario Milza.

After a reception at the Whittier the couple left on a wedding trip to New Orleans.

## Hillcrest Club To Fete Ladies

Ladies Day, this Friday, will mark the opening of golfing season for women of the Hillcrest Country Club. Teeing off time is set between 8 and 10 o'clock.

Following the morning of golf, awards for both eighteen and nine hole golfers will be presented at a luncheon.

This is the first Ladies Day at the Club this year, and is scheduled to become a weekly Friday event. Members are invited to bring guests every third Friday. Should the weather be inclement, women are invited to the Club for luncheon and cards.

Chairman of the women's golfing activities is Mrs. Cyril Dyer, of McMillan road.

## Knox College Alumni Hold Dinner Meeting

The Knox College Club of Detroit conducted its annual election of officers at a dinner meeting on Friday evening, April 25. The dinner was held at the University Club in East Jefferson avenue.

Edward Grenard, of Somerset road, is president of the Detroit Knox Club and Mrs. Donald Simmons, of Roslyn road, is secretary. Clifford Van Dyke, of Birmingham, is treasurer.

Featured speaker for the evening was Dr. Alfred W. Newcombe, of the college staff.

Dr. Newcombe joined the Knox faculty in 1920 in the capacity of professor of history, coming from the faculty of the University of Chicago. The year he planned to teach there has culminated instead into a 38-year teaching career.

Dr. Newcombe has published articles in the "American Historical Review," "Journal of Illinois State Historical Society Review," and "Journal of State History."

In 1952 he was named the first Knox professor to receive the Distinguished Service Professor title.

Last June he received an honorary degree from his alma mater, Bowdoin College, for his outstanding contributions to education and the field of history.

## Horizon Club Holding Rally

Former Camp Fire Girls and friends, girls 15 to 18 or in the 9th to 12th grades, have been invited to Eastern district's Horizon Club rally at Cannon Memorial Recreation Center, May 1, at 7:45 p.m. The Horizon Club program is the Camp Fire answer to the interests of teen-age girls. Personality development, vocational opportunities and community service play an important part in the program.

A panel of Horizon Club members from Northwest District, with Mrs. William Jung-

quist, Northwest Public Relations chairman, as moderator, will discuss Horizon Club rushing, social activities, service work, business meetings and camping. Panel representatives will be Claire Vallance and Carole Doehring, from Senior Horizon Club; Martha LaFroth and Nancy Sager of Blue Horizon Club and Sue Swift and Becky Jones of Regal Horizon Club.

Mrs. Jerome Doolittle, 16207 Coram, former Eastern district chairman, will introduce the panel.

## Calvary Church to Hold Mother-Daughter Banquet

A Mother and Daughter Banquet will be held at Calvary Lutheran Church, Gateshead at Mack, on Thursday, May 15, at 6:30 p.m.

Fred W. Ready, Jr., of the Detroit Edison Company, will be the guest speaker. Mrs. Rose Phillips (L.A. 6-4861) and Mrs. Jean Kashantz (L.A. 6-7001) are accepting reservations until Monday evening, May 12.

A freewill offering will be taken to cover the cost of the banquet.

The Windmill Pointe Garden Club will hold its next meeting at 12:30 p.m. on Wednesday, May 7, at the home of Mrs. George Eversman.

Following the luncheon and business meeting a talk will be given by Mrs. James Sheridan. Her subject will be "Japanese Arrangements."

Nothing ventured, nothing gained may be true, but at least you can keep what you have.

## Coterie Dance This Saturday

The Married Set of the Grosse Pointe War Memorial is winding up the season with a special treat for the wives on Saturday evening, May 3. It is a dinner dance beginning with appetizers at 6:30 and a full course dinner at 7, where each lady will be presented with an orchid corsage flown in from Hawaii.

Following dinner Al Ross' orchestra will play till midnight. Included in the evening's fun will be entertainment by some of the more extroverted of Coterie's members, Bill (What?) Handloser, "Licorice Stick" Driscoll on the clarinet and raconteur Jack (I'm not good but I'm cheap) Whitley.

Reservations for dinner should be made immediately by calling the Center TUXedo 1-7511. If you can't bring your party to dinner come to the dance. All Pointe couples and their friends are welcome.

## Scouts to Play On May Day

One hundred fifty-one girls are expected to participate in the Mair School Girl Scout and Brownie May Day Play Day program. This event, which is intended to be an annual affair, will be held May 1 at 3 p.m. at the Mair School playground, weather permitting, otherwise in Mair School gym.

The committee for the event, Mrs. Kathryn Updegraff, Mrs. Alice Taylor, Mrs. Miriam Fredricksen, Mrs. Olga Kukolic, Mrs. Virginia Gajewski and Mrs. Ethel Moore, chairman, have planned a series of games to be played and have invited the Blue Bird group to join the Brownies and Intermediate Scouts that day.

There will be a brief opening ceremony to greet the Blue Birds and the new Brownie troops and to honor the sixth grade girls leaving for Pierce next year. What is hoped to become a traditional affair, will be the May Pole dance in which only the sixth grade girls will participate. The entire group will conclude the festivities singing "Taps."

Week-ends are the most dangerous time to be on U.S. highways. In 1957, more than 55 percent of all fatalities occurred on Fridays, Saturdays and Sundays.

## Sammy Chapin Married Saturday

Weds Charles R. Hassan of Cincinnati in Quiet Ceremony at Christ Church; Brothers, Sisters Give Reception

Only 40 guests attended the quiet ceremony Saturday afternoon in Christ Church which united Sara Ann (Sammy) Chapin and Charles R. Hassan, of Cincinnati, O., in marriage.

The daughter of the late Mr. and Mrs. Roy Chapin was given in marriage by her brother, Roy Chapin, Jr., who with his brothers and sisters gave the reception following the wedding in his home on Country Club lane.

For her wedding the bride chose a short blue gray brocade gown by Hattie Carnegie. It was fashioned with a high neckline and bell shaped skirt. With it she wore a matching headband and face veil. Her flowers were white orchids and stephanotis.

The bride's two sisters, Mrs. Hugo S. Higbie and Mrs. William E. Hutton II, of Westbury, L.I., were her attendants.

Mrs. Higbie wore a short navy organza dress with a full skirt and a narrow green velvet waistband. Her net headband was trimmed with navy bows. Mrs. Hutton wore a navy silk print with matching headband.

For traveling to Hawaii Mrs. Hassan wore a navy silk dress and red topcoat.

After the wedding trip the Hassans will divide their time between Cincinnati, where Mr. Hassan is president of Raymond Motors Ltd., dealers in foreign cars, and the bride's Fisher road home.

Nearly 27 percent of U.S. drivers involved in 1957 traffic fatalities were under 25 years of age.

## Shirley Ann Smith Weds Mr. Morrin

Following a Morning Ceremony at St. Paul's on the Lakeshore and a Reception at the Whittier the Newlyweds Left on a Florida Trip

At a morning ceremony on Saturday in St. Paul's on the lakeshore Shirley Ann Smith, daughter of the Kenneth W. Smiths, of McKinley avenue, was married to Thomas E. Morrin, son of the Thomas J. Morrins, of Atlantic City, N.J.

For her wedding the bride chose an Alencon rose point lace gown embroidered with pearls, fashioned with a sabrina neckline, long sleeves and a bouffant skirt deepening into a cathedral train.

A matching lace crown caught her two tiered veil of illusion and she carried a colonial bouquet of white roses.

Mary Jane Clark came from Norristown, Pa., to be the bride's maid of honor. Mary Gay Spitznas, of Erie, Pa., and Judy MacMahon, of St. Paul, Minn., were bridesmaids.

They wore white organdy over pink taffeta and carried nosegays of pink sweetheart roses.

Patrick Higgins, the bride-

groom's uncle, was best man. The ushers were John Morrin, the bridegroom's brother, and Thomas P. Smith, the bride's brother.

For her daughter's wedding and the reception at the Whittier Mrs. Smith wore a blue lace gown and white camellias. Mrs. Morrin was in rose with pink camellias.

For traveling to Florida the bride changed into a light blue costume with white accessories. They will live in Atlantic City.

## Church Guild Plans Events

The Women's Missionary Guild of First English Ev. Lutheran Church, Grosse Pointe Woods, will meet on Wednesday, May 7, at 1 p.m. Luncheon will be served at noon by the Dorcas Circle. The program will center around Indian Missions. Mrs. John Siefert will read passages from "Fatima's Pilgrimage." Visitors are welcome to attend.

A Mother-Daughter banquet will be held in First English Fellowship Hall on Friday, May 9, at 6:30 p.m.

## Medical Auxiliary Observes Birthday

The Women's Auxiliary to the Michigan Industrial Medical Association celebrated its first birthday on Saturday, March 22. It is the first of its kind in the United States.

Mrs. John Ganschow, president, and Mrs. Earl Weston, president-elect, were instrumental in organizing the Auxiliary. It is anticipated that it will be accepted on a national basis at the annual I.M.A. Conference to be held in Atlantic City this month. Two other component groups have formed Auxiliaries—the Central States and the New Jersey Auxiliaries.

Installation of new officers for the Michigan Industrial Association took place at the March 28 meeting in Grand Rapids. Serving for the present term will be president, Mrs. Earl E. Weston, of Birmingham; president-elect, Mrs. L. R. Martin, of Grosse Pointe; first vice-president, Mrs. E. DeJongh, of Birmingham; recording secretary, Mrs. W. C. Gibson, of Milford; corresponding secretary, Mrs. J. T. Noe, of Grosse Ile; and treasurer, Mrs. M. F. Bruton, of Grosse Pointe.

We all profit by our own mistakes, but prefer to profit by the mistakes of others.

## Voters League To Hear Pyle

The Honorable Howard Pyle, Deputy Assistant to President Eisenhower, will be the banquet speaker at the State Council meeting of the League of Women Voters of Michigan at Hotel Hayes in Jackson, May 7 and 8, according to Mrs. Berrien C. Ketchum, president of the Michigan League.

Representatives from all the local leagues in Michigan, as well as the State Board, will attend the Council, where programs for the coming year will be determined and necessary business transacted.

Mrs. George J. Brown, president, and Mrs. Leonard Slowin will represent the League of Women Voters of Grosse Pointe at the Council.

Mr. Pyle's early career was in the field of newspaper and radio. In these capacities he did a tour of duty as war correspondent in the Pacific during World War II and covered the Japanese surrender ceremonies on the U.S.S. Missouri. He was one of the correspondents present at the birth of the United Nations in San Francisco in 1945. He was elected Governor of Arizona in 1950 and served until 1954.

## Parliamentary Law Club Elects at Final Meeting

The Detroit Parliamentary Law Club held its final and annual meeting on April 15 at the Detroit Federation Women's Club House.

New officers were elected to serve next year. Among these were two Grosse Pointers, Mrs. R. E. Stephens, 829 St. Clair avenue, first vice-president; and Mrs. William F. Pishalski, 316 Ridgemoor road, corresponding secretary.

The club, which was founded by Emma A. Fox, meets bi-monthly at the Federation Club House. It has adjourned for the summer and will resume its regular meetings on the first Wednesday in October.

## Family Day at GPUS

Grosse Pointe University School Alumni, who have just organized this year, combining the alumni of Grosse Pointe Country Day School and Detroit University School, will hold a "Family Day" Saturday, May 10, at the school on Cook road.

The traditions of both the old schools have been merged to make this possible, the Field Day at DUS and the May Day of Country Day School.

There will be a crowning of the May Queen, a picnic lunch, softball games, a varsity baseball contest and mixed tennis matches against Maumee Valley Country Day School, to name just a few of the events. If it rains it will be cancelled and the school switchboard will be manned from 8 until 10 that morning to give the decision.

## Home for Bridal Fetes

Bride-elect Karen Sue Temple will be coming home from her job in Boston today to begin her pre-nuptial parties and plans. She will become the bride of Robert G. Wiese, Jr., on May 24, at the Grosse Pointe Memorial Church, with a reception to follow at the Lochmoor Club.

Her parents, the Wallace Temples, of Fisher road, have just returned from a six weeks' visit to Mexico and Guatemala with, we suppose, some of their usual exciting pictures.

The parties begin on Wednesday with a luncheon and linen shower given by Mrs. John R. Pear, of Trombley road. The next day Mrs. Merton Bell, of Bloomfield Village, will have a tea.

Mrs. Merbeck Hamilton and Mrs. Charles Duncan will give a luncheon and crystal shower May 10 at the Detroit Yacht Club and Mrs. Benjamin Beyer will be a hostess in her Lochmoor boulevard home on May 12 at a "round the clock" shower.

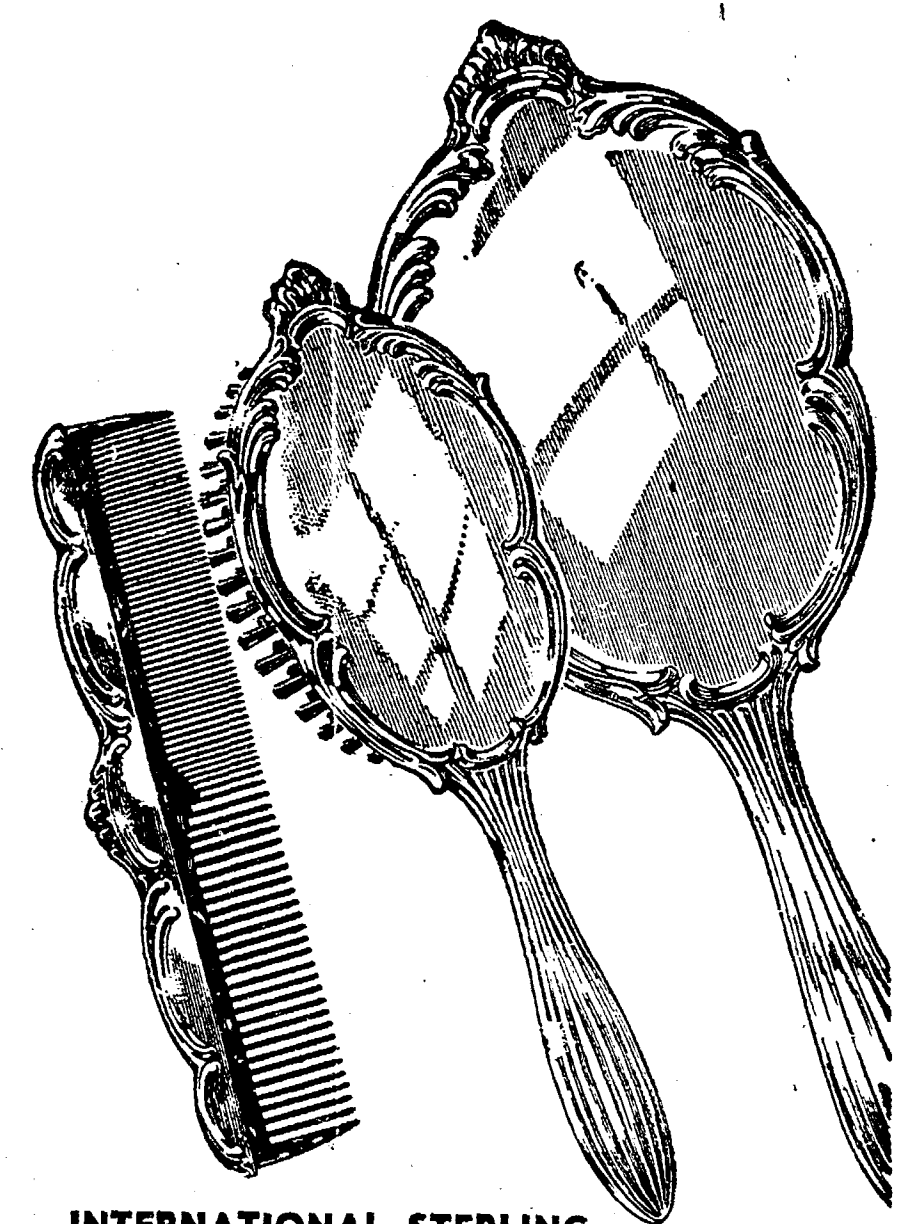

It will be a tea and miscellaneous shower May 17 at Mrs. Albert M. Raisch's home on Birchcrest drive and Mrs. F. Theodore Harrington of Birmingham, is honoring Miss Temple on May 19 with a luncheon at the DAC.

Mr. and Mrs. John Koib will have a dinner party for the pair on May 22 at the Detroit Yacht Club and Mr. Wiese's parents, the senior Wieses, of Wellesley Hills, Mass., will give the rehearsal dinner at the Grosse Pointe Yacht Club on May 23.

On the day of the wedding Mrs. Harold W. Merrill and Mrs. Raymond J. Wertz will give a luncheon for the wedding party and the out of town guests at Mrs. Wertz' Balfour road home and, to ease the usual let-down the day after the wedding, Dr. and Mrs. George Christiansen, of Vendome road, will entertain guests for breakfast.

## Devil Tracksters Defeat Wyandotte by 75-34 Score

Grosse Pointe's once beaten, track team continued its bid to repeat as Border Cities League champion last Friday, April 25, by thoroughly thumping an outclassed Wyandotte squad 75-34 on the local track.

Wyandotte was able to garner five first places in the nine track events but was shut out in the four field events in which the Devils scored slams in the shot put, broad jump and high jump.

Grosse Pointe's three strong men continued to dominate the shot put with Tom Andris, John Derbyshire and Rolf Lagerfeldt placing in that order. Record holder Andris again cracked his own record with a toss of 48 feet four and one half inches which bettered his best previous effort by one foot.

### Also Slam Jumps

Sophomore Ron Harper came within a foot of the school record in the broad jump with a leap of 19 feet eleven inches. He was followed by teammates Chuck Hanneman, Jr. and Rolf Lagerfeldt for the second slam of the meet.

Art Cornwall, Mike Frobotta and Hamilton Brown had an easy time in slugging the high jump event when none of the Wyandotte lads could clear the bar at five feet. All settled for a three way tie for the third and final slam of the day.

Chuck Harris and Bob Tyrell added 8 more points to the ever increasing total with a one-two finish. Harris cleared the pole vault bar at 10 feet six inches and Tyrell cleared 9 feet six inches.

### Lose Hurdles Again

Wyandotte's five first places came in the two hurdles events, the 100 yard dash, 220 and 880. Paul Altohouse and Jack Donaldson were the only double winners of the meet. Altohouse captured the 120 high and 180 low hurdles and Donaldson took the 100 and 220 dashes. Terry "Steamboat" Donovan placed second to Donaldson in both events.

Grosse Pointe's first victory in the track events came in the three quarter mile relay with Ron Harper, Hugh Defts, Don Rust and Mel Vanderburg winning easily.

Rem "Skinny" Purdy "loafed" in the mile run but still won a time of 4:39.7 which was three and seven tenths seconds off his school-track

## GPUS Winner In Quintangular

Scoring well in the field events, Grosse Pointe University School tumbled four other opponents in a quintangular track meet on Friday, April 25. GPUS scored 64 points and was followed by St. Paul, 56; Lutheran East, 43½; Thurston Reserves, 12½ and St. Agnes Reserves, 7.

GPUS was exceptionally strong in the field events with a first and third in the broad jump, first and second in both the pole vault and high jump, second in the shot put.

Victories in both the 880 relay and medley relay put the Black Knights over the top.

## Boat Banter

Every true sailing yachtsman is looking forward to the forthcoming match race between England and the United States for the coveted America's Cup, which will be sailed next September off the New England coast.

While not much has been printed about the 12 metre yachts being constructed, by various syndicates here in the United States, to compete in an elimination series late this summer for the right to defend the Cup, the Englishmen are getting real excited.

A friend of ours, Tony Muir, handed us a copy of the air mail edition of The Daily Telegraph dated April 3, which carried a report of the launching of the "Sceptre". The yacht which England hopes can capture the America Cup which the schooner "America" took from Britain 107 years ago.

During that time British yachtsmen have tried in vain to recapture the Cup. Such famous yachtsmen as Sir Thomas Lipton and T.O.M. Sopwith gained undying respect of the Americans as they tried time after time to win. Possibly this is the year Britain will be successful. At least the Englishmen think the "Sceptre" is the yacht that can do it.

Here is the report of the launching at Sandbank, Firth of Clyde written by Ian Purdy of the Daily Telegraph:

"This has been a great day for the little Scottish village of Sandbank. There could not have been better conditions for the launching of 'Sceptre,' the new 12 metre yacht which in September will try to win back the Cup which the schooner 'America' took from Britain 107 years ago.

'Sceptre' has been built at Alexander Robertson's yard on the shores of Holy Loch, which during the past few days have been chill and grey and whipped by a keen easterly wind.

But this morning there was bright sunshine and little wind, though enough to set the bunting fluttering gaily on 'Sceptre' and the nearby yachts dressed overall in her honour.

As the new yacht rested in her launching cradle, poised high above the big crowd of spectators who had come to wish her well, the feeling of all yachtsmen around her must surely have been that here was a splendid vessel, well capable of bringing the America's Cup back to Britain, provided she is steered and handled with the same skill as she has been designed and built.

At 10 o'clock Lady Gore, wife of Sir Ralph Gore, Commodore of the Royal Yacht Squadron, who has challenged the New York Yacht Club for the Cup, stepped forward, spoke the time honoured words to wish the yacht and her crew good fortune and named her 'Sceptre'.

As the bottle of champagne shattered on the hull's forefoot 'Sceptre' began slowly to glide towards the water and a great cheer went up from the assembly.

A few moments later 'Sceptre's' keel touched the water, and as she gently nestled further into it on her cradle she seemed to assume an ever-greater majesty. At last she was afloat, with her bright red boot-topping just tipped by the water.

The legs that had stabilised her on her cradle were released and the yard launch towed her astern, turned her and took her out to her mooring with 'Sceptre's' professional skipper J. Slorance at the wheel.

As she lay at the mooring, her glistening white topsides in bright contrast to the dark mountains beyond, and her polished aluminium alloy mast flashing in the sunlight, I was impressed by her purposeful air.

The reporter who wrote this story must reflect how all English yachtsmen must feel towards the yacht that will carry their country's colors into the latest match race for the most sought after Cup in sailing today.

If religion and politics are mixed together, religion is apt to lose its identity.

## Records Toppled by Devil Stars

REMINGTON "SKINNY" PURDY, left, and TOM "STONEWALL" ANDRIS are two Blue Devil thinclads who attained the rank of "Star" early in the 1958 track season. Purdy cracked Melvin Braund's 24-year-old mile record of 4:39.0 with a blazing 4:36.0 in the second meet of the season

against Pontiac. Andris erased Bill Taylor's shot put mark of 46 feet, ten and one half inch with a toss of 47 feet, four and one half inch in the first meet of the season against Monroe and then broke his own standard with a toss of 48 feet, four and one half inches against Wyandotte.

## Pair of Records Shattered As Pontiac Beats Pointers

Remington "Skinny" Purdy is the toast of the Blue Devil track fans today. Purdy became the new "mile king" in Blue Devil track history when he posted a new school and track record for the distance in a dual meet between 1957 State champion Pontiac and Grosse Pointe High, which the latter lost 65-44 on the local track last Tuesday, April 22.

"Skinny's" blazing 4:36 chopped 3 and two tenths of a second off the old mark of 4:39.2 set by Melvin Braund in 1934. Purdy's victory gained additional significance because he beat Pontiac's 1957 state champion Larry Beumer easily. Just ten days earlier Beumer had captured the mile run in the invitational meet held at Mansfield, Ohio, with a sparkling 4:37.

Prior to last Tuesday's meet Beumer had no peer and was figured to be a repeat champion in the State meet this June.

### Runs Heady Race

Purdy, a 6 feet 5 inch sophomore, paced himself beautifully. He let Beumer set the pace for the first three laps of the quarter mile track staying just a step behind until the referee fired the gun for the start of the last lap. At the gun Purdy leaped to the front in a blazing burst of speed to take the lead for the first time as the pair went into the lower turn.

Coach Howard MacAdam figured his star-would content himself with a narrow lead until he reached the home stretch. But Purdy continued to pour on the coal and moved to a ten yard lead going down the back stretch which he held until the last hundred yards. It was here, Beumer made his bid but failed by six yards as Purdy snapped the tape and virtually fell into the waiting arms of joyous teammates.

### Wasted Distance

There was only one flaw in Purdy's strategy. He ran further than his opponent because he used the second lane exclusively for the first three laps. Had he used the first lane his record could have been faster. But you can't find fault with a record performance and Purdy learned a lesson which he will put to good advantage in future dual meets which could see him break his own mark.

Equally as brilliant was the way the unbeaten Blue Devils battled Pontiac right down to the last three events before bowing to the 1957 State champions.

Up to the 220 dash the Devils were very much in contention and had an outstanding upset in the making. But in the 220 Pontiac's Bob Manning and Bill Ratcliff proved the Pointers' undoing by sandwiching the Devils Terry "Steamboat" Donovan between their one-three finish to take the lead for the first time in the meet.

### Storm Threatens

At this point ominous black storm clouds rolled in from the west and referee Balough rushed the last two events in order to save the meet from finishing in a driving rain. Consequently Donovan had little time to rest up from the 220 before running his 220 leg of the final 880 relay event

## GPUS Beaten By Southlake

Lack of timely hitting spelled defeat for Grosse Pointe University School's baseball team last Wednesday, April 23, when it lost to Southlake 8-6.

Southlake jumped off to an 8-1 lead, scoring one in the first, two in the second, two in the third and three in the fifth innings.

GPUS roared back in the fifth to score four runs on four hits and two walks and appeared to be back in the ball game. But lack of timely hitting left eight men stranded on the bases and brought eventual defeat.

Gregg Dodds was the loser, giving up eight runs and nine hits. Don Check was the winning pitcher and allowed only six hits while striking out seven and walking eight.

Peter Boone was the only Black Knight who could find the ball with any degree of regularity, getting two hits in four trips to the plate which produced two runs batted in.

## GPUS Netters Clip Mt. Clemens

Little Class D Grosse Pointe University School really stepped out of its class when it tackled Class A Mount Clemens last Tuesday, April 22, and snapped the Bathers' 11 game winning streak with a 4-1 victory.

The Black Knights lost only the number three singles match which went three sets before the Bathers' John Buckholz stopped veteran Bill Lew- is 8-6, 2-6, 6-4.

In the other matches George Haggarty downed Marty McDaniel in a grueling three set affair 4-6, 6-8, 6-4 in the number one singles.

The number two singles was won easily by Bob Wood over Steve Levine 6-2, 6-0.

Bruce Birgbauer and Peter Monroe downed Henry Parkinson and Bill Albee 6-1, 6-4 and Dick Baron and Dan Book squeezed out a three set victory over George Dubbs and Dave Sheridan 7-5, 4-6, 6-1 in the number two doubles.

## Pointe High Netters Win 28th in Beating Monroe

Grosse Pointe High School continued along the unbeaten tennis trail with lopsided victories over Highland Park, Wyandotte and Monroe in that order in the last seven days. The three wins stretched the Devils' win streak to 28 and made the Pointers favorites to cop their third Border Cities League title.

The most important win of the three was over Monroe, 6-1, who was supposed to be the strongest opponent the Devils will have to meet on their way to the championship this season.

Coach Bud Kurvink would have been happy to have settled for a 4-3 win but was jubilant when his players managed to sweep the four singles and two of the three doubles matches.

**Also Conquer Parkers**  
The Devils traveled to Highland Park on Monday, April 21, and clipped the Polar Bears 6-1, losing only the number two singles. Three days later the Pointers entertained Wyandotte and scored a 6-1 win, losing only the number four singles.

Fordson is the next on the Devils' list and this match will be played on the Tractors' court today, Thursday, May 1, after which the Pointers will entertain Royal Oak to complete the first round of play on Monday, May 5.

## Foraker Gets Second Win As Devils Defeat Monroe

Southpaw Al Foraker hurled his second win in as many starts this season and pulled the Grosse Pointe Blue Devils up to the 500 mark for the season when he beat Monroe 10-4 on the local diamond last Monday, April 28. The Devils now own two wins as against as many losses.

The Devils' other victory came over non-league East Detroit in the opening game of the season with Foraker getting the 7-1 decision.

### Lose To Parkers

In between the East Detroit victory and the Monroe win the Devils dropped a 9-3 decision to Highland Park on Monday, April 21, on the Polar Bears field.

Bob Libby was the losing pitcher but he couldn't be blamed for the seven errors committed by the Devils.

The Devils' second loss was a humiliating 2-0 no-hitter fashioned by Ron Stokab, who walked four and struck out eight. Sophomore Mike MacDonald was the starting pitcher for the Devils and lasted six innings during which time he allowed two runs on three hits, three walks and striking out four. MacDonald showed Coach Ed Wernet plenty of promise as he had a no-hitter going into the fifth inning of the seven inning contest. Again errors spelled the Devils' downfall as the Pointers committed seven miscues afield.

### Conquer Monroe

In the Monroe game on the local diamond it was a different story. The Devils powered the ball for eight hits while scoring 10 runs.

Foraker showed plenty of poise as he hurled over five Grosse Pointe errors and held the Trojans to one hit and three runs before retiring at the end of the sixth inning. Al's control was excellent. He walked only two and struck out eight.

Bob Libby came on to pitch the seventh and was tagged for two hits, hit a batter, walked

### Mike Carrier Stars

Third baseman Mike Carrier paced the Devil attack with a home run and double in three trips to the plate. His hits drove in five of the Devils' runs.

The Pointers will travel to Dearborn on Thursday, May 1, to take on the Fordson Tractors and then entertain the Royal Oak Acorns the following Monday, May 5.

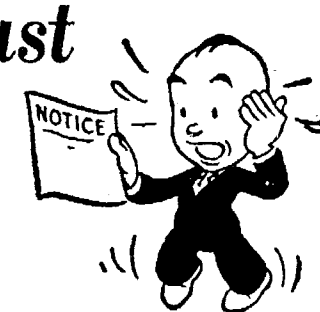

## Badminton Club Has Celebration

Regulars of the Grosse Pointe Badminton Association, which meets five days a week at the Grosse Pointe High School, finished a highly successful season with an equally successful social evening last Friday night.

Mr. and Mrs. Ed Donovan were hosts to fellow players for cocktails in their Lochmoor boulevard home. The apertifs were followed by a subscription dinner at the Detroit Boat Club. Mrs. John Reindel, entertainment chairman for the 76-member group, was in charge of arrangements for the latter affair.

Some of the athletes seen "busting training" were Mr. and Mrs. Harold Love, the Bud Stitzler's, Mr. and Mrs. William R. Bryant, Mr. and Mrs. Guy Iread, Peggy Moreland, and the Becker sisters, Graetchen and Ann.

### Shores Loses Lieut. Gabriel

Shores Police Lt. Elmer G. Gabriel, 55, of 1437 Brys drive, will retire from the force today, May 1, after 33 years of service.

He will be carried on the payroll until July 1, when the retirement becomes official, because of accumulated leave time.

Lt. Gabriel is a native of Detroit and a graduate of Eastern High School.

He started with the Shores Police Department as a motor-cycle officer, at the age of 23, on April 1, 1925, and served in that capacity for 12 years, after which the cycles were abolished and scout cars introduced.

He was made a sergeant on January 15, 1944; and on December 1, was elevated to lieutenant and assistant fire chief (the Shores has a combined police and fire department).

Thirty years ago he married the former Constance Montgomery of Yorkshire, England. They have two daughters, Mrs. Ralph Miles (Nancy Jane), 27, of Harper Woods; and Cynthia, 14, a ninth grade student at Parcels Junior High School; and a granddaughter, Carrie, 1.

The Gabriels have been residents of the Pointe for more than 30 years.

Lt. Gabriel expressed regret in leaving the department where he had many pleasant associations and made many friends.

Chief Fred Duemling said the lieutenant will be missed and lauded his subordinate's many years of services to the Shores. He called Lt. Gabriel a fine officer and praised his abilities in the handling of department personnel and in taking over command when emergencies arose.

Lt. Gabriel, a licensed electrician, will still be employed by the Shores as electrical inspector, a post he has filled for some time when not on duty with the police and fire department.

### Young Cyclist Runs into Car

A 10-year-old Detroit boy suffered minor head and leg injuries on Tuesday, April 22, when he ran his bicycle into the side of a car at Audubon and Vernor.

Park police issued the boy, James Thomas of 4262 Kensington, a juvenile ticket for failing to stop for a red light. He was taken to Bon Secours hospital for treatment of a bruised head and leg.

Police said that the driver of the car, Mary A. McCormick, 26, of 9141 Bedford, was driving south on Audubon, and had the green light in her favor at the intersection.

The boy was riding east on the sidewalk on Audubon, and rode over the curb without stopping, and collided with the car.

Young Thomas will have to appear in Juvenile Court with his parents.

The woman was not held.

### Public School Art Displayed

It is well worth a trip to the Center's second floor exhibition rooms between now and May 12 to view the delightful and original representative art work of public school students which is on display. It is wise though, to phone ahead to be sure the rooms are free of meetings.

Imagination has been directed into a wide field of art forms to bring about this varied and colorful exhibit. Beginning with finger paintings, one progressed to base relief murals done with yarn and fabric. There is a stunning paper mosaic, sculpture, a truly frightening ebony head and a delightfully humorous mask. Ceramics and jewelry all have their place. There are complete stage sets in miniature and papier mache animals lurk behind the doors or bask on the window sills.

### Prepare Plans For Day Camp

It will be "Anchors Aweigh" with all hands on deck when the Neighborhood Club Summer Day Camp gets underway starting June 23 and ending July 25.

Two hundred sailors and sailorettes will be sailing the Seven Seas on their four ships, the Scarlet Shark, the Golden Gull, the Sapphire Nautilus, and the Emerald Sea Turtle.

With the help of Navy Personnel Mary Van den Heuvel Y 1/c and Chief Warrant Officer Peter Ligeski and Chief Kathryn McBride from the United States Navy Recruiting Station, Detroit, the program will be built around a nautical theme.

Activities will include handcraft, softball, hardball, and Newcomb Leagues, tennis instruction, ballroom and square dancing, track events, special events and a special trip.

The Day Camp runs for five weeks on Monday, Wednesday and Friday from 9:30-3:30 for boys and girls ages 6-11.

Registration Day is set for Tuesday, May 13, at 8 p.m. Campers will be registered on a "first come-first served."

### Burglar Given Prison Term

Earl J. Christensen, 26, of 19417 Moenart, Detroit, was sentenced to four to five years in Jackson Prison on Thursday, April 24, by Wayne County Circuit Judge Frank Fitzgerald, who found Christensen guilty of breaking and entering in the night time.

The man was convicted of burglarizing Ernie's Lounge, 18744 Mack avenue, on February 10.

Christensen was surprised in the act of robbing the lounge at 2 a.m. on the February date, by Farms Patrolmen Otto Glanert and Donald Pilon, who were making a routine check of doors of business places on Mack. The burglar was spotted when the officers were making their second round.

Glanert and Pilon became suspicious when they noticed the window drapes were drawn, whereas, on the first round, they were open. Peer-

ing through the section of the draperies that did not quite come together, the policemen saw Christensen busy piling cigarettes and other loot into a large suitcase.

## Richard P.T.A. Meets May 6

The Richard School Parent Teacher Association will hold its final meeting of the 1957-58 school year on Tuesday evening, May 6, at 8 o'clock.

After a brief business meeting in the auditorium the parents will adjourn to the several classrooms for an open house. Bulletin boards and display cases have been attractively and informatively prepared by teachers and children.

An excellent opportunity is being presented for parents and teachers to discuss briefly the work of the children. The occasion comes during the commemoration of Michigan week and many of the activities are oriented toward this theme.

## Grosse Pointe Farms SUMMARY OF MINUTES

APRIL 21, 1958

Meeting was called to order at 8:00 P.M.

Present on roll call: Mayor William F. Connolly, Jr., Councilmen Henry E. Bodman II, J. Lawrence Buell, Jr., William G. Butler, Richard L. Maxon and Edward C. Roney, Jr.

Absent: None.

Mayor William F. Connolly, Jr. presided.

Minutes of the regular meeting held on April 7, 1958, were approved with minor changes.

The following reports for the month of March 1958 were received and ordered filed:

- (a) Controller's report
- (b) Police Department report
- (c) Fire Department report
- (d) Financial report.

The Council approved the issuance of dance permits to the Country Club of Detroit and the Grosse Pointe Club for the year 1958.

An appropriation in the 1958-59 budget of \$20,790.00, for General Employees pensions and \$650.00 for expense, was approved.

An appropriation in the 1958-59 budget of \$44,937.00 for Policemen and Firemen pensions and \$670.00 for expense, was approved.

The City Clerk reported receipt of a communication from Mr. R. J. Ailhouse, of 471 Calvin Avenue, protesting the type of sign erected at 18538 Mack Avenue.

The City Manager and City Engineer submitted a report relative to items which, in their opinion, were necessary to complete the Pier Park project.

The City Manager and City Attorney were requested to submit a report regarding appropriate wording and estimated cost of a plaque contemplated to be erected at the Pier Park commemorating the late Harry A. Furlon.

Approval was given to prepare plans and specifications and to take bids for various improvements at the Pier Park.

Approval was given to prepare plans and specifications and to take bids for various improvements at Kerby Field.

Approval was given to prepare plans and specifications and to take bids for black topping the addition to the Kercheval Avenue business district parking lot at an estimated cost of \$4,500.00.

Approval was given to prepare plans and specifications and to take bids for black topping and other necessary work to improve the City owned parking lot on Mack Avenue north of Manor at an estimated cost of \$2,500.00, and for the installation of parking meters in the lot.

The City Manager was authorized to prepare plans, and specifications, and to take bids for the widening of Kerby Road from Chalfonte to Ridge to a width of 26 feet, the work to be performed in the early part of July 1958.

The City Attorney was requested to submit a report relative to the feasibility of adopting an ordinance regarding the possession, etc. of alcoholic beverages by minors, and an ordinance regulating smoking in public places where smoking would be hazardous.

The City Manager was instructed to ascertain if a lubrication pit could be installed in the Mechanic's Shop at the Public Works garage, and if he found that the installation would be feasible, to proceed with the work.

The proposed 1958-59 budget was submitted to the members of the Council for consideration.

The meeting adjourned at 11:00 P.M.

## Cubs to Stage Pinewood Derby

Pocket knives, files and sandpaper, secrets, and old-fashioned elbow grease will meet the test when Cub Scout Pack 86 send their racers screeching down the ramp to victory or defeat.

The first Grosse Pointe Pinewood Derby will be held on Saturday, May 3, at 10 a.m. at Trombly School. A ramp will be erected on the playground where the Cubs will race the wooden seven-inch model racers that they have made.

This has been the April project created by the boys with the help of their fathers and the Den parents. The winner in each of the nine Dens will receive a silver cup.

At the Pack meeting on Wednesday, April 30, the cars will be judged for styling and workmanship with awards for each Den winner.

Bill Court, Jim Kurtz and Willard Solenberg will judge the event.

## Park to Plant 40 New Trees

The Park will replace 40 trees destroyed by disease or the elements, at a cost of \$3,200.

The Park council on Monday, April 28, approved expenditure of the sum when it awarded the contract for the project to the lowest bidder.

Only three firms submitted bids for the work. All the replacements are of the hard maple species and measure from three and a half to four inches in diameter and will cost \$80 each. Some of the trees will be planted in front of new homes where there are no trees.

Twenty-two trees will be located in spots throughout the city to replace that number lost last year.

The money for the project will be expended from the Capital Improvement Fund.

Some men stand by their convictions—and are dead set on their conclusions.

## To Show Movies Of China, Japan

Dr. E. S. Smyd whose movies have been much enjoyed on television will show his pictures of Hong Kong, Kowloon and Japan at the Grosse Pointe War Memorial free of charge, on Monday evening, May 12, at 8 o'clock.

Dr. Smyd points out that this showing will be much more effective than on television because the color will be seen and with no time limit, the pictures may be shown in their entirety.

Dr. Smyd's movies will show the colorful teeming life of Hong Kong and Kowloon overcrowded with 2,500,000 refugees from Red China. You will rickshaw through the marts of this remaining busiest outpost of the British Empire and you will be taken to the extremely informal baseball atmosphere of a Chinese Opera where people gossip away happily while the performance is in progress and vendors hawk their wares up and down the aisles in competition to the singers.

In Japan the Smyd's film will show what a high living standard has been achieved since the destruction wrought in World War II. Especially interesting will be a visit to the Mikimoto Pearl Industries where they were the guests of the Vice-President Yokohama.

Little white lies often leave black and blue marks on reputations.

Time is money—so if you kill time, it and the money are gone forever.

When the POINTE  
was growing up...

By Pat Talbot

Sealed in a copper box during the height of the depression is a short story of Grosse Pointe Park written by the late Fintan L. Henk, for posterity, in case the November 1931, crisis should put an end to the growth of that village's prosperity. We don't know what has happened to the box but we have seen a copy of the history.

Grosse Pointe Park was the earliest Pointe to become a village, before 1907 being part of the old village of Fairview which then extended from Bewick avenue to Cadieux road. In 1907 that part of the territory from Bewick to Alter was taken into the city of Detroit leaving the rest an "orphan" community which finally became incorporated as the Park. For awhile it was known as Cottage Grove Post Office.

By 1908 William B. Moran had opened the Windmill Pointe Subdivision which was assessed by the Village of Grosse Pointe Park at 250 dollars an acre. A lot on the corner of Jefferson and Beaconsfield (where Al Green's is today) 110 x 140 feet was assessed at \$1,300 and taxes for that year were \$6.50.

In the early days all election and council meetings were held in the rear of the old Trombly School in Jefferson between Beaconsfield and Nottingham. When elections were not in progress this housed all the equipment of the fire department which then consisted of a hose reel mounted on two large wheels and equipped with a shaft. On election days the fire equipment was moved outside and the election officers took over the premises.

The council meetings were held in a school classroom with the officers seated in the front and the spectators seated in the pupils' chairs. By 1910 the population of Grosse Pointe Park was 290. Twenty years later, 11,174 resided in the Park. Edmund C. Vernier, Daniel Allor, James Rasmussen and Victor DeBaekke were some of the officials at the time this excerpt from the time capsule was written.

At the end of the account which was sealed into the copper box was this paragraph:

"The entire United States together with practically all of the world is, at the present time, passing through an economic depression which is widespread... values in real estate have taken a severe drop and all commodities may be purchased at much lower prices than was possible several years ago. There are millions of unemployed persons in the United States at this time, and there have been many bank failures." Dated Grosse Pointe Park, Mich., November 18, 1931.

## who, where and whatnot

by whoozit

Spring has divers effects on our local lads and lasses. The Charles B. Johnsons, were so elated by the opening day ball game at Briggs Stadium last week they went back to the University Club for dinner and dancing. What happened? They won first prize in the Charleston contest.

And the weather has its influence on men's fashions, too. Makes usually cautious males try something different. David Gamble was a pace setter in the lobby of the Players recently in his black and red brocade evening jacket.

More style notes... Mrs. John Hughes is the type for the chemise and wears a very fetching gray tweedy number, touched with white linen and with it a large brimmed hat covered with cabbage roses... post deb Jinx McLucas shopping on the hill wore a saddle brown leather coat cut like a chesterfield and collared in dark brown velvet, very fetching with her blond beauty... Mrs. J. Bell Moran looks over the groceries in a navy and white checked sheath collared in linen and a short bright red coat.

The Bill Wilsons, who teach ballroom dancing at the War Memorial, came up with a novel idea for their spring ball last week. Each boy and girl was given a card and asked to match up with their opposite for a dance... bread met butter, forks partnered knives and so it went, very gay for the sub deb set.

Mrs. Robert Rigger, Robert Mackay, to her readers, looked very fetching when she accepted her Page One award for the best feature writing of 1957 at the newspaper ball Saturday night. Her bouffant gown of white was appliqued with small green leaves and accented by matching green slippers.

Michigan State home economics major Irene Schiele won the coveted Borden award at the university last week. It is given each year to the home ec student with the highest scholastic rating.

### PILFERINGS

"Ob, leaf, that yesterday was green  
But now is blushing rosy red,  
What happened to you overnight?  
Why not to me, instead?" Doris Black

Jimmy Fidler's description of Hollywood's evening gown: "Low and behold."

Ideas are funny little things. They won't work unless you do.  
A mind like a flash of lightning, quick but crooked... G. K. Chesterton.

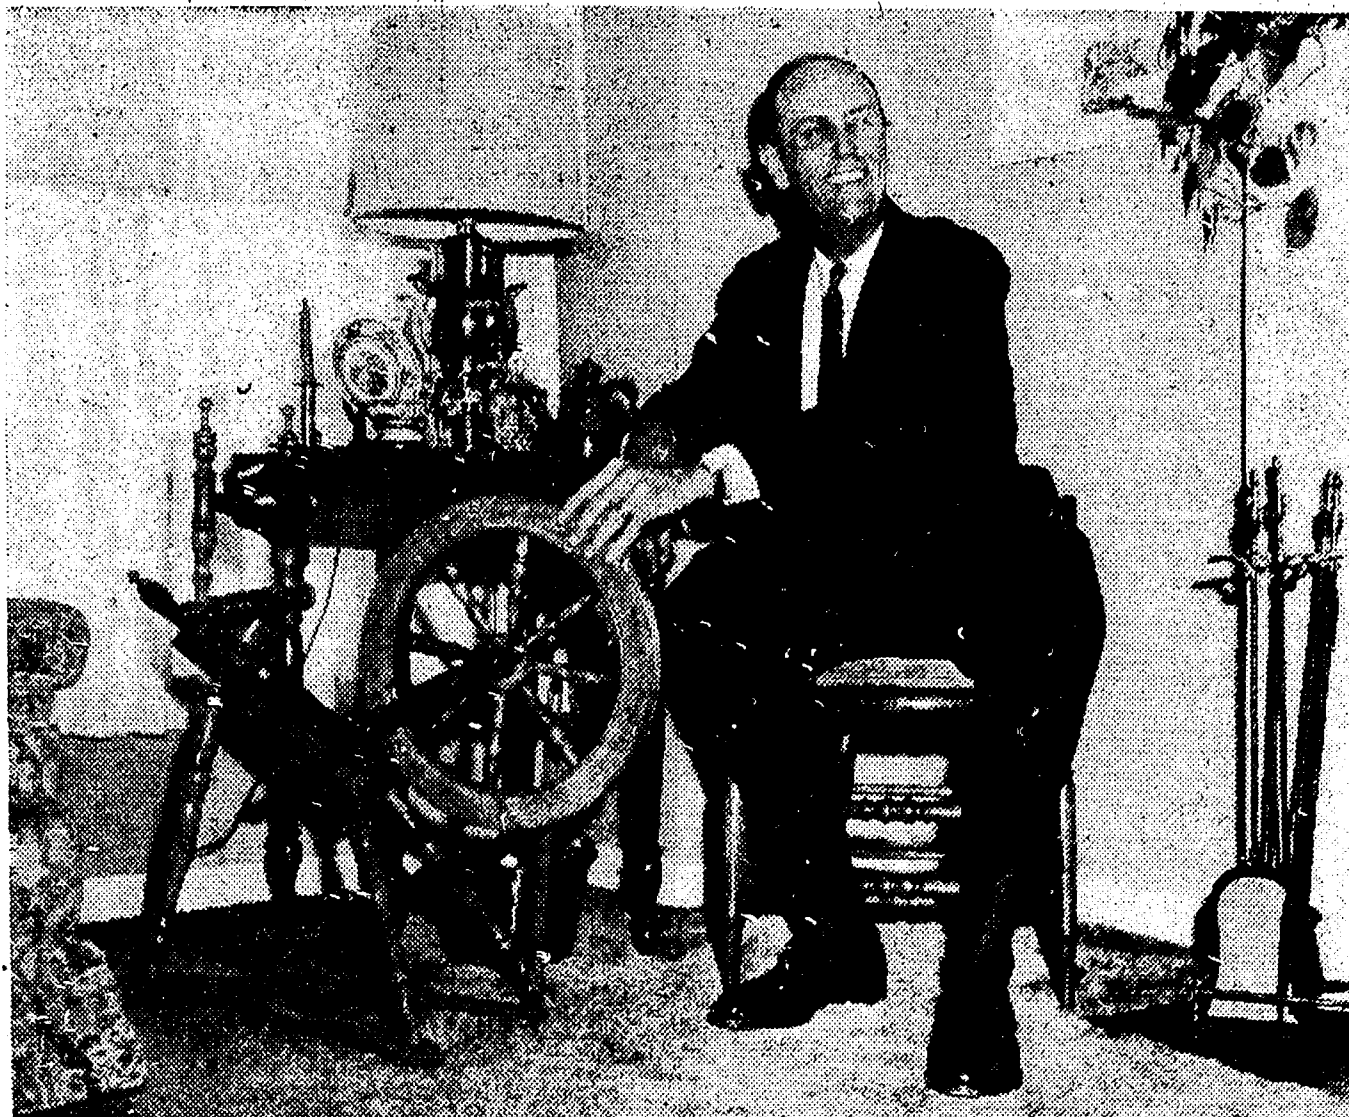

It's just as important to marry the right life as the right person... Jan Struther.

Being an old maid is like death by drowning—a really delightful sensation after one ceases struggling... Edna Ferber.

A British fledgling reporter had been reprimanded for his overlong account and told to be brief. His next story was turned in as follows:

"A shocking incident occurred last night. Sir Reggy Blank, a guest at Lady Briny's ball, complained of feeling ill, took his hat, his coat, his departure, no notice of his friends, a taxi, a pistol from his pocket, and finally, his life. Nice chap. Regrets, and all that."

RUSSELL P. LIVERMORE OF MCKINLEY AVENUE

By Patricia Talbot

A rabbit ear chair that cost 50c at a country farm auction and a china breakfast which survived the Johnstown flood are just two of the rare finds which encouraged Russell P. Livermore to take antique collecting seriously.

The Livermores' spic and span colonial in McKinley avenue is crammed with charming furniture and bric-a-brac which he has been refinishing and refurbishing for the past 18 years. All of the furniture is the type you feel right at home with; none of those uncomfortable horse hair sofas or fragile chairs for the Livermores.

### Began With Gift

This fascinating and demanding hobby began with a cake stand, the gift of a friend. This is a rare piece of paneled thistle glass, and the Livermores have collected quite a few pieces to accompany the cake stand. The glass collection is in a chestnut triangular breakfast, which descended from the Johnstown Flood in 1889, and is their prize piece. The glass, which dates from 1860, includes a honey dish (to house the complete comb), a banana dish, eight tumblers and various plates and odd pieces. Their Royal Dalton thistle patterned china complements the glass.

Mr. Livermore admits that it's a lot of work refinishing antiques and takes unlimited patience. In the living room is a cradle renovated to serve as a cocktail table. The Livermores found it in a Lapeer farmhouse, painted a barn red. It took months of sanding and shellacking to bring out its original fine grain.

### In Old Cowboy Films

An old dry sink makes a lovely corner table which holds an old fashioned student lamp with a bluish pink satin glass shade. These lamps are often the type thrown in brawls in the old cowboy movies. Every time one crashes over the head of the villain the Livermores shudder, knowing what a difficult time they had tracking down their prize. The table holds some gaily colored glass barber bottles, some brass candy scoops and a walnut knife and fork box used by our grandmothers.

Novel item in the Livermore collection is an Ohio dough tray, in which the farmer's wife used to knead dough for two dozen loaves. Topping this

table is a painted coffee grinder wired as a lamp.

There is a wash stand, copper samovar, a comb box, two rocking chairs, a handless Adams cup and saucer, a hat rack and numerous captains' chairs and old glass.

### Country Auction Fans

For years the Livermores have been spending their week-end attending country auctions here and in Ohio (the best antique hunting country as it was settled years before Michigan). Mr. Livermore was never adverse to knocking on some farmhouse door and demanding a front porch rocker in a bad state of disrepair, most old woods refinish nicely, only hard woods like oak and ash need any filler. Many farm pieces are made of various types of wood which need careful handling.

Right now in the Livermores' attic is an old schoolmaster's desk is awaiting paint remover, sand paper and shellac. In the basement are some tarnished old apple butter buckets which will gleam as waste baskets when they are machine buffed. In the Livermores' recreation room are two brass gas lamps which Mr. Livermore saw on an old car roaring down a country road. He followed it and bought the lamps from the driver.

### Bargains Rare Today

Nowadays, antiques are so popular, that the 50-cent chairs and bargain tables are hard to find. But even nearby the Livermores have picked up some treasures. They have a mirror which they found at a Grosse Pointe Memorial Church Rummage Sale and a copper scoop from a Rotary Antique Show at the War Memorial.

Mr. Livermore is an amateur but he has the greatest respect for professional antique dealers. He never misses a show and will certainly be on hand for the upcoming Rotary Show at the Center.

### Rotary Show

The Grosse Pointe Rotary Club is sponsoring this Third Annual Antique Show May 6, 7, 8, 9 at the War Memorial

from 1 until 10 o'clock. Proceeds from the show (last year \$4,000) help maintain the Rotarians' many community services.

Mr. Livermore finds his engrossing hobby relaxing and informative. He has learned a lot about people as well as a lot about furniture and although his hobby is demanding, it is a real joy to return these derelicts from generations of living to beauty and usefulness. He is surrounded by his handiwork, glowing and polished, and months of labor, and searching, disappointments and rewards make him feel it's been worthwhile, a part of our living past.

## Cinema League Meets May 8

An "8mm. Members' Night" will be held by the Grosse Pointe Cinema League at the War Memorial Center on May 8 at 8 o'clock.

Featured will be two films made by Floyd and Dorothy Dargel of their six weeks' trip to the West last summer. Short subjects by Clarence A. Davis and M. Dimitrievich will complete the program.

"A Child's-Eye View of California" is the title of the first film to be shown by Mr. and Mrs. Dargel. Their traveling in this state was concentrated mainly upon places dear to the hearts of children.

The romantic excitement of the old ghost town of Calico opens the film, followed by a tour through the colorful fantasy of Disneyland. The nostalgia of the Old West is found in the reconstructions at Knotts Berry Farms, while the majestic trees and sparkling waterfalls of Yosemite National Park bring the family close to the beauties of nature.

A repeat showing, by request, of "Driving 8500 Miles with Children Can Be Fun" the film which won the Dargels the 8mm Cinema League Trophy for 1957, will conclude the evening's program.

Anyone interested in motion picture photography is cordially invited to attend this meeting. For further information, please call the Grosse Pointe War Memorial Center.

## Festival Held By Girl Scouts

Four Girl Scout Troops and six Brownie Troops of Richard School held a Mexican Festival on April 22, 3:30 to 4:30, at the Richard School gym. Mrs. P. L. TeWalt and Mrs. J. Oyaas were program chairman of the event.

In preparation for the event, Mrs. Norbert Cortinas, who teaches Mexican dancing at Holy Trinity, Casa Maria, and the Neighborhood House Settlement, taught the troops four Mexican dances, with the aid of her daughter.

Numbers on the program were the Flag Ceremony, Mexican Hat Dance, Mexican Songs by Brownies, La Bomba dance, Mexican games by Brownies, Mexican songs, La Raza dance, and Mexican Pinatas. The girls wore different colored sashes signifying their troops, and bright print skirts.

It's better to second the motion in the journey through life than to be a chronic objector.
