THE AMERICAN NATURAL GAS CO., parent company of Michigan Consolidated Gas and two other companies, and three individuals were indicted Wednesday for violation of the antitrust laws.

A Federal grand jury in Milwaukee charged the companies conspired to monopolize the natural gas market in parts of Michigan, Minnesota, Wisconsin and Illinois.

A DETROIT BOY was clawed by a trained bear, and an Allen Park girl was bitten and clawed by three watchdogs, headlines read. Rusty, a brainy 225-pound European brown bear, who created a furor in Warren, Mich., after his arrival from Florida, clawed Michael Pelton, 2, grandson of the owner of the animal, Russell Pelton.

RUSSIA BRUSHED ASIDE Friday all pleas for compromise and vetoed President Eisenhower's proposal for a military-inspection system in the Arctic.

Before casting the 83rd vote by the Security Council, Ambassador Sobolev denounced the plan as a gimmick intended to enable the West to spy on Soviet territory. He also criticized Secretary General Dag Hammarskjöld for coming out in favor of the U. S. proposal.

The vote was 10 to 1 for the United States resolution proposing that technical talks start at once on setting up a system designed to alert the threat of massive air attacks across the polar regions.

Sunday, May 4

FRESH ON THE heels of calling Russia's hand in the Arctic, the United States turned to the Antarctic Saturday with another challenge to the Soviet to live up to its talks of peace.

President Eisenhower called on Russia and 10 other nations to join in a pact to neutralize the vast frozen continent of Antarctica and dedicate it to peaceful scientific research.

A major aim of the proposed treaty would be to lock territorial claims in Antarctica where they now stand and prevent international disputes from arising.

Monday, May 5

FIFTEEN PERSONS, including six women, were attacked or robbed by gangs of teenage boys and girls broke out among 6,000 young people at a rock 'n' roll jam session in the Boston Arena.

The outbreak, which raged for hours, started as the show broke up and the youngsters spilled out of the arena. After police broke up fights in the immediate vicinity of the arena the gangs ranged through streets in the Roxbury and Back Bay sections, knifing, beating and robbing victims.

Tuesday, May 6

POLICE MONDAY seized a suspect after a wild automobile chase through the city and recovered most of the more than two million dollars worth of securities stolen in Canada's biggest bank robbery.

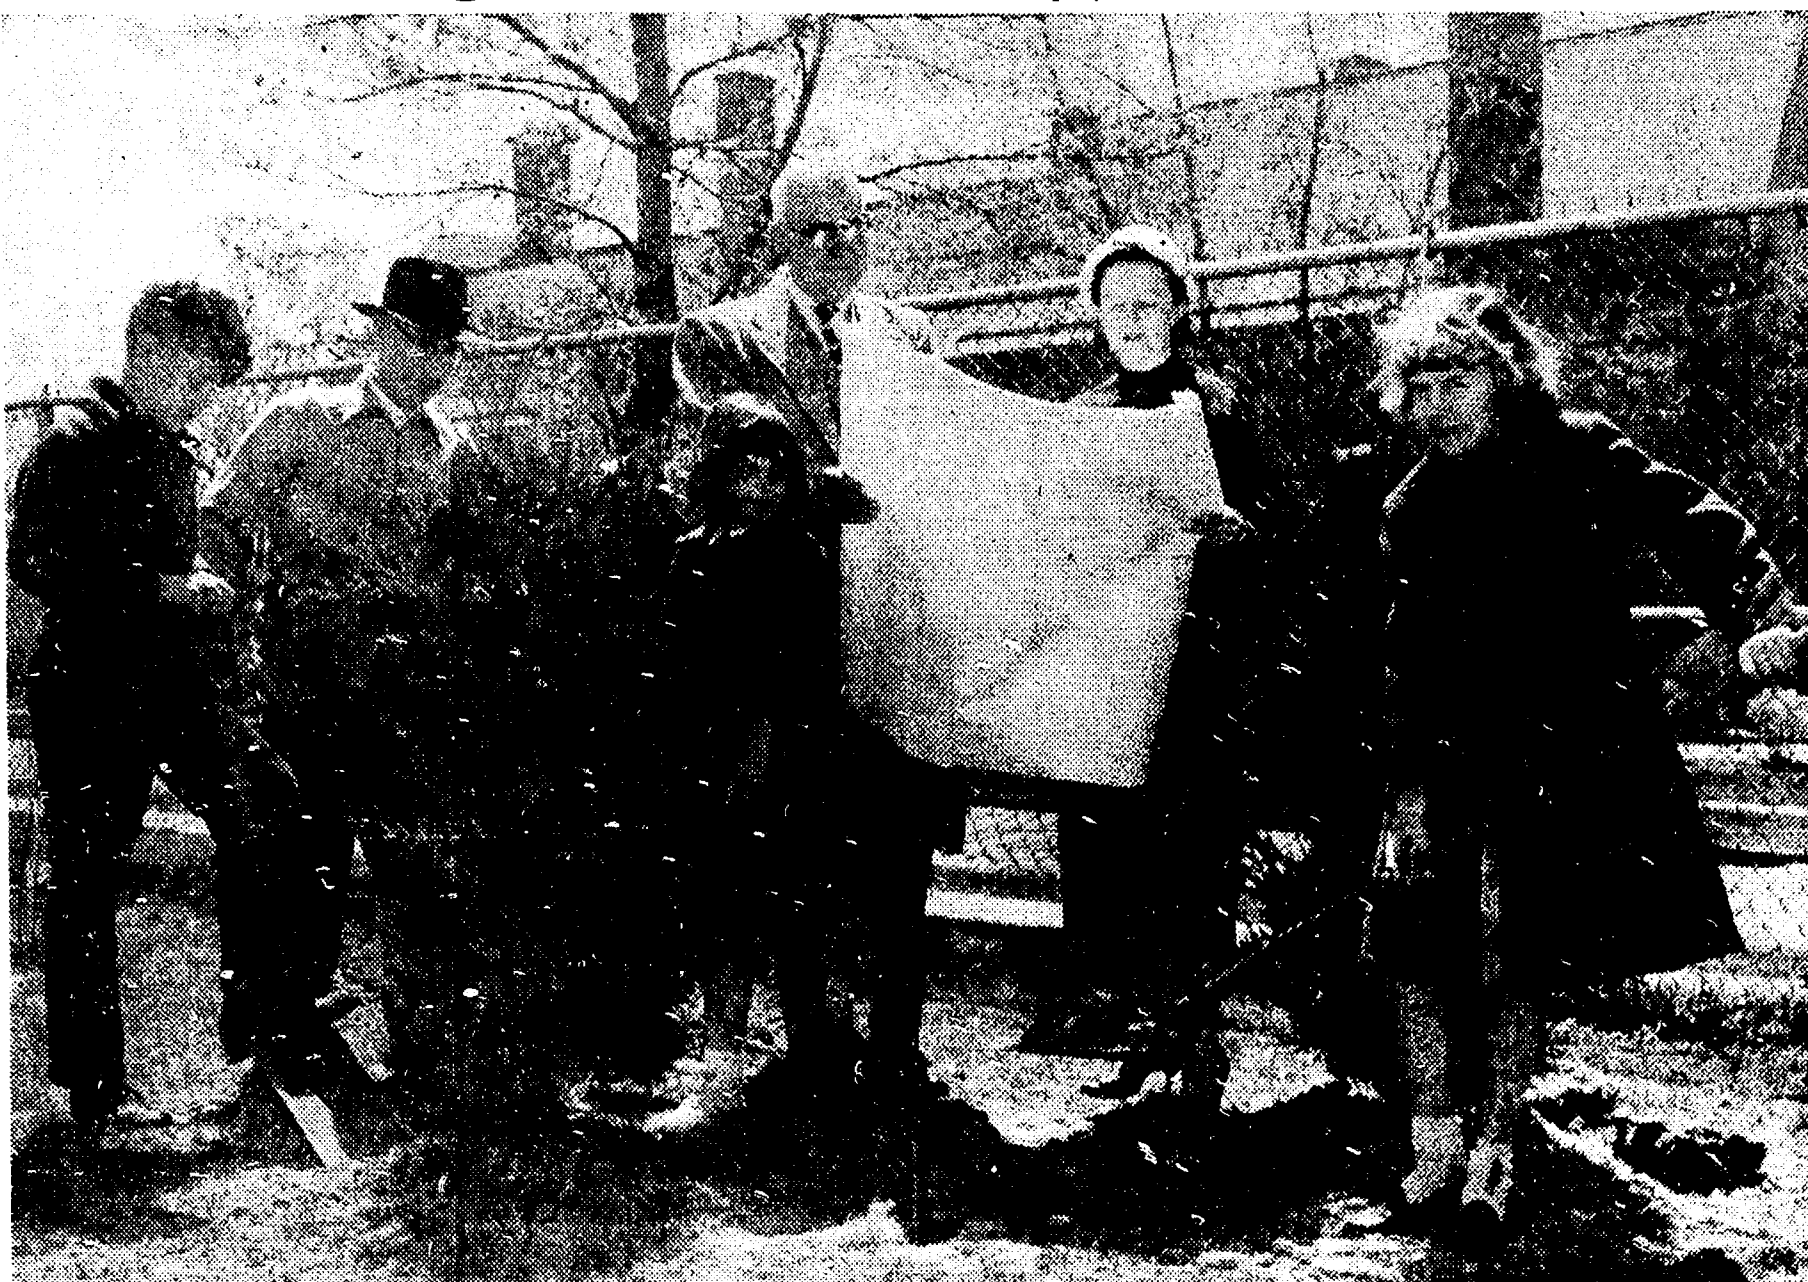

The robbery occurred over the week-end at a Brockville, Ont., bank when bandits cut a hole through a ceiling and then sliced their way through a heavy steel plate and three feet of concrete to the vaults.

The arrest and recovery of the securities, most of them bearer bonds easily converted to cash, came several hours after the robbery was disclosed when the bank opened Monday.

A carpenters' strike that will virtually tie up all home building in the Detroit area has been set for Thursday by the Carpenters Union District Council, AFL-CIO. The walk-out will affect 6,000 of the 20,000 carpenters in the area—all of whom are currently engaged in home building.

Tree Planting Starts Richard Playground Improvement

The first step in the plans to improve the Richard School playground was taken Wednesday, April 30, when students helped plant trees along the fence line. Students, left to right—BILL COOMBE, FRANCIS CRITCHFIELD and JUDY MATTHEWS plant some

of the evergreens under the guidance of engineer SID POWER, left, while Richard principal CLARENCE MESSNER and Mrs. ARTHUR E. ENGSTROM check the ground plan. About \$15,000 will be spent on the development.

Woods Tax Rate Lauded By Resident

Letter Compliments City For Annual Report and Compares Figures

At least one resident is pleased with the per capita tax rate in the Woods, which has remained fairly steady since 1954.

At a meeting held on Monday, May 5, the Woods council read a letter from Charles J. Collins of 858 Lochmoor boulevard, in which the city was complimented for the excellent 1956-57 annual report made to the residents of the community.

Acting on information only available from 1950, obtained from Mrs. Helen Fox, city treasurer, Collins put figures on a per capita basis, and adjusted them with the rising costs that people and governments had to face due to the inflationary trend.

"Good Showing"
"While per capita payments have risen by 19 percent between 1950 and 1954," Collins said in his letter, "it is noted that the per capita tax has been held rather steady since 1954. This is a good showing."

In 1950, the tax levy was \$312,341.45; the population, 10,709; tax per capita, \$29.17; wholesale price index, 210; adjusted per capita tax, \$29.17; and tax index, \$100.

Since that time, the tax levy, population, and so on, has increased considerably.

These are Collins' figures from 1954 to 1957:

Roslyn and Hampton Road Residents Petition for Immediate Paving of Their Streets To Eliminate Bad Conditions

Residents residing in Roslyn and Hampton roads, from Marter road to the eastern city limits, petitioned the Woods council on Monday, May 5, for relief, in that the city include their streets in the 1958-59 Street Improvement program.

Businessmen To Hold Party

The tenth anniversary party and installation of officers for the 1958-59 season of the Grosse Pointe Business Men's Association will be held this year at the Lochmoor Club, Saturday evening, May 17.

Cocktails will be served at 7 o'clock, followed by dinner at 8. The music by Earl Perkins will be an invitation to dance at 9.

General chairman for the affair is Alonzo O'Connor. Tickets are being distributed to the Grosse Pointe business men and their wives and guests.

Approximately 200 will attend this annual event. Any Grosse Pointe business man not yet contacted for tickets may call Mr. O'Connor at TU. 4-1213. Tickets are \$6.50 per person.

New officers will be installed by past president, Raymond Huettnerman. Outgoing president, Russell Harkness, will preside at the affair and will turn over the gavel to incoming president David McCarron.

Dry April Forces Farms Pumps to Set New Record

The April drought forced the Farms to pump 23 percent more water last month as compared to water pumped during April of 1957, according to Farms City Manager Sidney DeBoer.

Records showed that 89,540,000 gallons of water were pumped last month, the highest of any April in the history of the Farms' Water Pumping station, the city manager said.

In April 1957, the figure was 72,770,000 gallons, including 3,120,000 gallons sold to the Shores.

The Shores discontinued as a Farms customer on February 1 of this year when it received all of its water supply from Detroit.

Mr. DeBoer said that the more than 19 million gallons

was solely for the Farms and the City, its present and only customer. Of this amount, the City received about one-third.

The record pumping was due to the lack of precipitation during the month, which saw only about 1.7 inches of rainfall. This is lower than average for April, the city manager said. The normal rainfall for this time of year is about 2.5 inches, he added.

He said that most of the water pumped last month was probably due to heavy use of lawn sprinklers and some air conditioning units during warm spells.

Mr. DeBoer said that the average pumping during the winter is about 2.5 million gallons a day; for summer, up to

representing the residents were present at a council meeting this time last year, asking for the paving of their streets.

The people living in Roslyn and Hampton, called the existing condition of their streets "deplorable," and asked the council to do something about it. They said the chucks holes in the roads and the bridges over the Milk River are deep, and cars traveling over them are jarred considerably.

Want Immediate Help

Regardless of existing conditions, they said, these two roads should be taken care of immediately.

The residents were informed that Roslyn and Hampton are not scheduled to be improved and repaved until the start of the 1961-62 program, after which the Woods is expected to receive an increase in gas tax revenue from the State, based on an increase in population in the city.

A suggestion by one of the persons in the audience that the streets be resurfaced, was turned down by the council because, it was pointed out, there is no subbase under the streets and therefore the roads will have to be completely repaved.

Called Single Problem

In a report to the council pertaining to the Roslyn and Hampton paving problem, City Administrator William Lange said the problems of the two roads are nearly identical and are reviewed practically as a single problem.

His report revealed that the existing concrete pavements on the roads (east of the Milk River) were installed about 1916 or 1920, and have since been covered with several layers of unidentifiable blacktop. The concrete base has disintegrated to such an extent, that a Pittsburgh Testing Laboratory test failed to obtain core samples in the fall of last year, so resurfacing is out of the question.

Cite Sewer Problem

The City Engineers, the firm of Pate and Hirm, reported that even after the Grosse Gratiot Drain is completed with its 10-year storm capacity, it will still be advisable to "pond" water in the streets during the

Chorus Set For Concert This Sunday

Mr. Affenzeller to Be Soloist at Spring Event In Parcels School at 3:30

Franz Affenzeller, Austrian folk singer, will be guest soloist at the sixth annual Spring Concert of the Grosse Pointe Community Chorus to be presented at Parcels Junior High School, next Sunday afternoon, May 11, at 3:30 o'clock.

Mr. Affenzeller will present a group of songs from his native Austria to his own guitar accompaniment.

Conductor Donald Simmons also has announced that another highlight of this year's concert will be a traditional Scottish Pipe Dance featuring Randall and Julie Allardice. Randall will play the bagpipe accompaniment while Julie performs the spectacular Sword Dance.

Woman Loses \$300 in Cash

Mrs. Dorothy Kelly of 1074 Hawthorne, lost \$300 in cash on Tuesday, April 29, while on her way from her place of business to a Mack avenue drug store, according to information given to Woods police.

Mrs. Kelly said that the money was contained in a roll in her purse; and she did not notice it was gone until she arrived at the drug store, a few blocks away from her place at 21016 Mack avenue. She said she found her purse open, and believed the roll of bills had fallen out.

When she entered the drug store, she said, she noticed a woman waiting for a bus at the corner, but by the time she discovered her loss and sought to question the woman, the lady had boarded the bus and was gone.

Woods authorities contacted the bus driver, Earl Pittman of 17857 Lincoln, East Detroit, who stated he remembered picking up the woman and dropping her off at Nine Mile road and Mack in St. Clair Shores. He said he did not know who she was and had never seen her before.

Police are not sure the woman picked up the money, but wanted her for questioning in case she had.

Memorial Center Drive for Funds Goes Into Slump

Results Fall Behind Comparable Ones Last Year; Only 2,238 of Pointe's 15,000 Families Have Donated to Date

The Grosse Pointe War Memorial's Annual Family Participation Campaign had very disappointing returns this past week. The follow-up letters which in past years have always given the drive a healthy boost have not as yet brought forth any upsurge in giving.

This year's solicitation is now lagging nearly \$3,000 behind the 1957 drive on the 30th day of the campaign while the goal of \$37,500.00 is \$2,500.00 greater than last year.

To date, \$29,717.98 has been received compared to \$32,427.22 on the same day of receipts in 1957. So far in 1958 just 2,238 families have given out of the Pointes' more than 15,000 families.

Talks Scheduled

Memorial Day, May 30, is the day by which the Center's board of directors hopes to announce that the drive's goal has been achieved. A campaign of brief speeches by board members has been scheduled before community groups and David Crawford, chairman of the speaking committee, hopes these little talks will emphasize the need for giving now.

All that is needed from citizens of the five Grosse Pointes to meet the Center's budget is \$7,800. With nearly 100,000 persons using the Center during the past year and with it offering a meeting place to all Pointe organizations, free blood in emergency, loan, a cancer center, an art center, a garden center, teen-age activities, programs for grammar school children, young adult programs, a home for scouting organizations, senior citizens programs, fine exhibits and displays, stimulating speakers, high caliber concerts, classes in the development of skills, interest and personality, informative films and demonstration, a meeting place for military and service organizations and a beautiful living memorial to Pointe Veterans the Center's sufficient funds will come in by Memorial Day to meet the one quarter of the operating budget which it is

Two breakings and enterings in as many homes, netted burglars loot jewelry and furs, it was disclosed by Park police authorities.

The first burglary was reported on Wednesday, May 2, by Mrs. Emil A. Wulz of 1160 Audubon, who said that she had left her home and returned about 11 p.m. to find that the house had been entered.

Park Police Chief Arthur Louwers said that the thief got into the house by breaking the glass of the rear door.

Mink Coat Stolen
A check of the home by Mrs. Wulz and police, revealed the burglar had gotten away with a wild Canadian mink coat, taken from a bedroom closet, valued at \$4,000; \$115 in cash from a dresser drawer, various items of clothing; and a small safe from the basement. The safe contained a deed and other miscellaneous papers.

Det. Lt. Stanley Enders said that the entire contents of the safe is not known.

The second burglary was reported by Norward Lettler, caretaker of an apartment building at 15117 Vemnor, on Thursday, May 3.

Lettler told police that the apartment rented by Mrs. Janet Howe, had been thoroughly ransacked and several items of jewelry stolen, as well as some small change.

Door Badly Damaged
The woman had found her apartment door open at about 2:45 p.m., and badly damaged from jimmy marks. She entered her quarters to find that the apartment had been ransacked.

Mrs. Howe told police that the burglar ransacked every dresser drawer in her bedrooms and living room and went through her clothes closets.

Taken was a lady's wrist watch valued at \$125; a lady's gold ring, valued at \$100; a man's ring and a lady's ring, each worth \$25; two bar pins, valued at \$10 each; and about \$125 in cash.

Neighbors Heard Noise
Lt. Enders said that the burglar jimmied the door so badly it was impossible to determine what sort of an instrument was used.

Staff Calls Situation Out of Hand

Police Promise Quick Action Against Young Rowdies Who Invade Building Nightly

Rowdies have almost taken over the Grosse Pointe Central Library, it was learned this week. As one official put it: "It isn't so much a library now as a meeting place for juvenile delinquents."

For some weeks and the activity of the young hoodlums has increased. According to the reports, they swoop down on the building right after dark. They are not interested in using any of the facilities of the library for study or entertainment. They seem bent only on disrupting those who are there for other purposes.

Often Insulting

They are noisy, insolent and often insulting to the staff members who attempt to quiet them or get them to leave the premises. They have been so obnoxious on several occasions that the police have been called. Strangely enough, none of them has been identified or apprehended, but the Parks police say there will be some changes made along these lines.

The police have promised more intensive coverage of the building and have asked the cooperation of the library staff in appearing as complaining witnesses against anyone who they might arrest for disturbing the peace and disorderly conduct.

Library officials report that as a result of the unruly invasions of the unruly youngsters, adult attendance has fallen off sharply. During the first few years of the library's existence, attendance was about equally divided between adults and young people. Now most of the adults have stopped using the building. Many of them have left in disgust when the commotion has been too great, and have failed to return. The library staff says the situation has virtually gotten out of hand.

Take Over Parking Lot
Not only do the youngsters roam the interior of the library, but they have caused endless trouble in the parking lot in the rear of the structure. They have used their cars to block the entrance and to surround cars already parked there, and have intimidated some of the patrons. One woman reported being terrified one night recently when her car was encircled by shouting young rowdies. Promiscuous necking and immorality are said to be rampant in the parked cars.

The police have expressed confidence they can correct the situation in a hurry. An aroused public which has found visiting the library a frightening experience eagerly awaits a solution to the problem.

Add 149 Pints To Blood Bank

The response to last Friday's Blood Bank at the Grosse Pointe Woods Presbyterian Church and sponsored by the American Red Cross was very enthusiastic.

Through the efforts of the combined churches and organizations of the Grosse Pointe area, 149 pints of blood were collected. The report shows that 55 people were rejected for various reasons.

In the early evening, Hugh Burns, president of the Grosse Pointe Community Blood Council, presented a certificate of merit to Mrs. Patterson, of the Jr. Red Cross. Mary has worked hard and faithfully with the Red Cross throughout her high school year. Because of her graduation in June as an honor student, this was Mary's last effort with the Jr. Red Cross.

Mrs. Carl Asmus and her committee would like to thank those generous people who donated their services and blood to make this effort such a success.

National Scholarship Won by Nancy Nagelkirk

"It gives me great pleasure to announce that Nancy Nagelkirk, a senior at Grosse Pointe High School, has won a National Merit Scholarship."

Superintendent James W. Bushong said: "Only about 1,000 of these valuable awards were given although over a quarter of a million students competed. Nancy deserves our highest praise for an outstanding achievement."

Woods Paving Program

height of major storms. The present elevation of both streets is such that storm water ponds dangerously into yards and driveways of the homes along these streets.

There is a discontinued storm sewer under the pavement of each street, which at one time carried storm water westward into the Milk River. When both streets are repaved, these sewers will have to be removed so as to eliminate the possibility of pavement setting.

Mr. Lange listed a number of other improvements that must be done before the streets can be repaved, including the replacing of the present pavement with new integral curb concrete pavement installed at a lower level; replacing of existing driveway approaches at city expense; installation of improved water mains, fire hydrants, and improvements to be made by private utilities (gas, electricity and telephone).

Haven't Money Now
"Two further considerations influence the timing on this program," the city administrator said in his report. "The cost of the program regulates it to the time when the city will have available, ample gas tax and water utility funds. This pegs the date as subsequent to the 1960-61 fiscal year during which the city's gas tax returns are expected to increase, and subsequent to the city paying its share of the new water mains in the northeast area, as it is subdivided."

"The second consideration involves the discontinuance of the present Milk River drain

for open drainage. When the drain is filled and leveled with surrounding areas, the installation of the two water mains can be completed adjacent to the present bridge foundation in a normal manner."

Schedule Presented
Mr. Lange presented the council with a scheduled paving program which covered a six-year period, and which will cost an estimated \$541,000, including all improvements, before it is completed.

For the 1958-59 fiscal year, Prestwick, Torrey, Fairholme, Kenmore drive and Oxford, are expected to be paved at an estimated cost of \$48,100. The 1959-60 program: North Renaud (Mack to Holiday), North Renaud (Milk River to Fairway drive), Renaud (Morningside to city limits), and North Oxford, to be paved at an estimated cost of \$49,400. 1960-61 program: Lochmoor boulevard and Sunningdale drive, scheduled to be paved at an estimated cost of \$61,094. 1961-62 program: Hampton road, from Marter to Morning-
side drive, paved at an estimated cost of \$77,700.

1962-63 program: Roslyn road from Marter to Wedgewood drive, paved at an estimated cost of \$55,450. 1963-64 program: Hampton and Roslyn roads, replace balance of pavement to the east city limits.

Lange Report Accepted
The council accepted Mr. Lange's report, and then approved recommendations presented at a council committee-as-a-whole meeting held recently, pertaining to the proposed paving and improvement schedule for the six-year period.

The council also suggested that the residents of Roslyn and Hampton schedule a meeting with members of the council to see if an early solution to their respective problem can be arrived at sooner.

Pointe chorus will offer international selections from countries all over the world. Nations whose songs are on the program include: France, Russia, England, Austria, Scotland and the USA.

Included are selections for nearly every taste, from the sacred compositions of Handel, Mozart and Brahms to modern Waring arrangements of popular hits. The large Scottish population of this area will appreciate especially a group of lively selections from the enchanting "Brigadeon."

Other numbers on the program include: "Alleluia" by Thompson, "Hosopodi Pomilui" by S. V. Lvovsky, "May Day Carol" an English folk song arranged by Deems Taylor, "Thumbelina" by Loesser, "Russian Picnic" by Ender, "Paul Revere's Ride" by Ringwald, "Sunflower" by David, "He's Got the Whole World in His Hands" a Negro spiritual, and closing with "It's A Big Wide Wonderful World" by Rox.

Madrigal Singers

Now to the chorus this season is a 14-voice group known as the Madrigal singers. They will present a special group of ancient English madrigals. Choral members suggest that you make Mother's Day complete by taking her to hear this concert.

Tickets are on sale now by all members of the chorus, or they can be purchased at the Grosse Pointe Book Shop, 19459 Mack avenue. Tickets will be available also at the door so long as seats remain. Prices are \$1.00 for adults, 50c for students.

Everyone who attends the concert is cordially invited to attend the traditional reception to be held in the school gymnasium immediately following the concert.

ment was used to gain entrance. He said that neighboring apartment dwellers heard the burglar as he was trying to enter the woman's apartment, but paid no attention, assuming that the caretaker or someone was doing some repair work.

The victim said that she got a glimpse of the man as he passed her in the corridor, but did not get a good enough look to give police an accurate description. All she could tell at the time was that the man was white, about 40 years old and was about five feet eight inches tall.

The burglar escaped by using the rear door of the building Lt. Enders said.

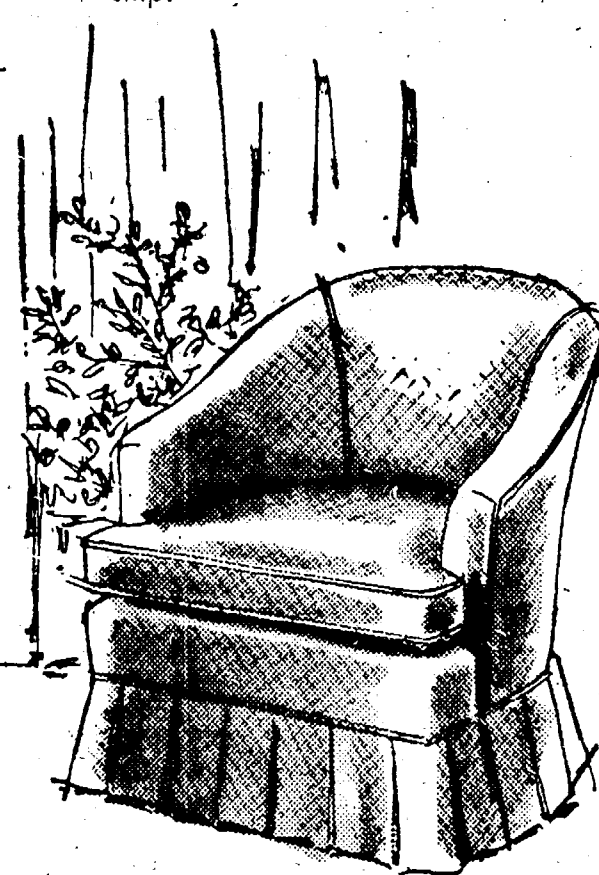

He said it is not believed the burglaries were committed by the same man.

Nancy Wins Scholarship

interest in advanced education. Studies have indicated that there are tens of thousands of high school seniors who rank high in their class who do not go to college. Most of these either lack the means or the interest.

"Nancy was one of about 250,000 entrants who took the 'Scholarship Qualifying Test' last October," Dr. Bushong said. This test was a two-hour high level college aptitude examination. Some 7500 students—the highest scorers in each state—were advanced to the semifinals of the competition as a result of it."

"As Semifinalists, the 7500 students took another examination—the three-hour 'Scholarship Aptitude Test' of the College Entrance Examination Board—on January 11, 1958. Nearly all of the students repeated their previous high test performance and became finalists."

"Further evaluation of the more than 7400 finalists was performed by the Merit Scholar Selection Committee—a nationally-selected panel of

experts in academic selection. Consideration was given to each student's demonstrated qualities of leadership, school and community citizenship, extra-curricular activities, and high school grades as well as test scores. Nancy's record was tops in every respect," the Superintendent concluded.

All Finalists, whether they won Merit Scholarships or not, have already been identified to all colleges, universities, and scholarship granting agencies. It is expected that many of these highly qualified students will receive scholarship aid as a result of their identification. The funds for all Merit Scholarships come from private sources. The sponsors include over 70 business and industrial corporations of all sizes, foundations, professional associations, and other groups. Inasmuch as the average scholarship is considered to be worth about \$5,000, the total being committed each year by the program approximates \$5 million.

It often takes a lot of fiction just to explain the truth.

He's In for a Wonderful Surprise!

For many years, this man has had his heart set on some day owning a Cadillac—and he has decided to come in and see how close that happy day might be.

Well, he's walking in on a wonderful surprise!

He will learn what a modest investment it requires to take possession of a new Cadillac today—and how surprisingly close it is in cost to motor cars that make no pretention to Cadillac's quality or reputation.

He will find his Cadillac dealer wonderfully accommodating both in trading in his present car—and in obtaining prompt delivery.

And he will discover how eminently practical a

Cadillac car is to own and to operate—and how unusually free it is from the needs of service.

That's why we say—he's in for a wonderful surprise! Just as we know you will be, once you have the thrilling facts about Cadillac today.

For this latest "car of cars" is so rewarding, from every standpoint, that it has deepened the loyalty of even the most experienced Cadillac owners.

We suggest you visit your dealer soon—inspect Cadillac's exclusive Fleetwood coachcrafting—and learn about all the new models, including the distinguished Eldorado Brougham.

Panel to Discuss Teacher Training

The Independent Schools Association of Detroit and Vicinity at their Annual Spring

Meeting on Friday evening, May 16 will present a discussion of "The Value of Professional Education Courses in Preparing Teachers" with a group of outstanding educators from the east and midwest participating.

The membership of the Association comprises about 250 teachers and administrators of the nine independent schools in the Detroit area and each member of the Association is being asked to bring with him as a guest a colleague from the public schools.

There will be four guest speakers: Dr. Cleveland A. Thomas, Headmaster, Francis W. Parker School; Dr. Mark Neville, Headmaster, The Chicago Latin School; Dr. George W. Ebeling, Professor of Education, Cornell University; and Dr. Warren Ketcham, Professor of Education, University of Michigan.

It is expected that the speakers on this distinguished panel will thoroughly explore the two opposing points of view on the subject in question

Mayors Proclaim Antiques Week

To Get Honors at Michigan

The University of Michigan will recognize 793 undergraduate students for outstanding scholastic achievement at the annual Honors Convocation at 11 a.m. Friday (May 9) in Hill Auditorium.

Convocation ceremonies are second only to Commencement among the University's major academic events.

Sixty James B. Angell Scholarships will be honored for two consecutive semesters out of the past three; and 791 students will receive class honors for earning scholastic averages of at least half "A" and half "B" or better for the past two semesters. Fifty-eight students earned both honors. Seventy more men than women will be cited at the program.

Honored students, their parents, faculty members, deans of schools and colleges and the public will attend the convocation. Following the ceremonies, students and their families will be guests of President and Mrs. Harlan Hatcher at a tea from 3 to 5 p.m. at the Hatcher home.

Sir Leslie Munro, president of the United Nations General Assembly, will give the convocation address, entitled "As

the United Nations Faces the Future." President Hatcher will preside at the convocation and Erich A. Walter, assistant to the president, will present students for honors.

U-M Men's Glee Club, under the direction of Philip A. Duey, will sing during the program.

Among the students being honored are the following Pointe residents: John C. Bennett, son of John W. Bennett, 663 Lochmoor, graduate of Grosse Pointe, H.S., sophomore honors in the College of Engineering; Richard M. Derrise, son of Malcolm L. Denise, 15429 Essex, graduate of Grosse Pointe H.S., freshman honors in the College of LSA; Susan J. Evelyn, daughter of Mrs. A. L. Evelyn, 11 Lake Shore lane, graduate of Grosse Pointe H.S., sophomore honors in the College of LSA; Ronald E. Fine, son of Dr. Edward Fine, 1092 Grayton, graduate of Grosse Pointe H.S., freshman honors in the College of Engineering.

Frederick C. Greiling, son of Chester A. Greiling, 533 Lincoln road, graduate of Grosse Pointe H.S., junior honors in the College of LSA; Sandra J. Halford, daughter of Ralph Halford, 918 Harcourt, graduate of Grosse Pointe H.S., junior honors in the School of Education; Beverly J. Harling, daughter of Dr. C. W. Harling, 1018 Harvard road, graduate of Grosse Pointe H.S., senior honors in the College of LSA; Elizabeth A. Henderson, daughter of Mrs. Charlotte B. Henderson, 559 Washington road, graduate of Grosse Pointe H.S., junior honors in the School of Nursing, and Angell scholar.

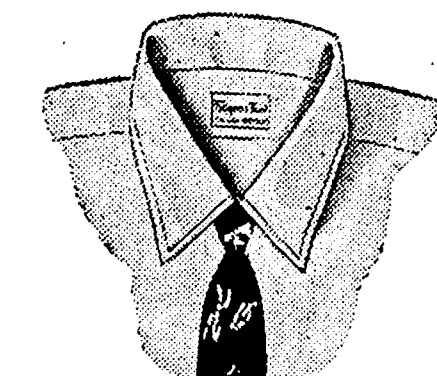

Marcia J. Keller, daughter of S. Mark Wood Keller, 590 Oxford, graduate of Grosse Pointe H.S., sophomore honors in the College of LSA; David E. Maguire, son of Mrs. Clarence E. Maguire, 1417 Lochmoor, graduate of Grosse Pointe H.S., junior honors in the College of Engineering; Robert W. Richardson, son of W. R. Richardson, 367 McMillan, graduate of Grosse Pointe H.S., senior honors in the College of Engineering; Elsie L. Scherer, daughter of Mr. and Mrs. J. Otto Scherer, 1130 Berkshire road, graduate of Grosse Pointe H.S., junior honors in the College of LSA.

How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

Award Winner

DR. LYNDRLE R. MARTIN

Dr. Lyndle R. Martin of 628 Middlesex boulevard, has won the Detroit Edison Company's annual Alex Dow Award for outstanding achievement.

Dr. Martin, director of the Edison medical department, was honored for his exceptional devotion to his duties in protecting and restoring the health of employees. In addition to his regular duties, he has engaged in extensive studies of new medical techniques and health practices relating to the atomic-electric power industry—a new and most important field of industrial medicine.

The award, established in 1946 and named in honor of the electric industry pioneer who headed Detroit Edison for 28 years, was presented by Edison President Walker L. Cislis at a banquet Wednesday, April 30, in Detroit's Statler Hotel. Dr. Martin received a citation, a gold lapel pin, an engraved watch and five shares of Detroit Edison stock.

A native of Arcadia, Michigan, Dr. Martin studied pre-medical courses at Flint Junior College and Olivet College and was graduated from Northwestern University Medical School in 1931.

He joined the Detroit Edison Medical Department in 1934, soon after completing his internship at Harper Hospital in Detroit. He was named assistant director in 1935 and has headed the department since 1945.

A member of local, state and national medical associations, he is a founder and past president of the Detroit Physicians Club, a former president of the Michigan Industrial Medical Association, a Fellow of the American College of Surgeons and has been named a Diplomate in occupational medicine by the American Board of Preventive Medicine.

Dr. Martin, a member of Grosse Pointe Congregational Church, is married and has two daughters.

St. Clare Wins Play Tournament

The Young Adult Club of St. Clare de Montefalco Church won the best play award in the CYO's second annual One Act Play Festival. The finals were held Sunday, April 27, in the Cathedral Central auditorium.

The CYO judges, after viewing all of the club productions, chose "Hot Biscuits" by the Jolis Coeurs of St. Clare de Montefalco as the best play in the tournament.

One expert observer commented, "St. Clare did a tremendous job of developing a very simple play. Their (final) performance was definitely superior to their efforts in the earlier elimination stages of the tournament."

The winning cast included Joe Sulek of 16025 Eastwood; Bob Sequin, of 19530 Fairport; Mary DeCoster, of 3949 Harvard; Evelyn Barron, of 386 Alter; Joann Ridings, of 3990 Buckingham; Marie Janis, of 1111 Wayburn, and Joe Michaels, of 4016 Nottingham.

The championship play was directed by Bob Villare, and co-directed by Joe Michaels. Bill Norris and George Schulte handled the back-stage chores, and the talents of Mary Krause along with Mary DeCoster were put to use in the make-up department.

The CYO is going to make the One Act Play Festival a permanent part of their calendar of events.

Pointe Rocket Club Mixes Thrills, Disappointments

The Grosse Pointe Rocket Club, featured in a recent issue of the NEWS, experienced the thrills—and disappointments—of the big-time scientists last Sunday, April 27, when they held their first actual testings.

Twenty-five members (all students at Grosse Pointe High School, mostly sixteen-year-olds) and their sponsor, chemistry teacher Jay Grossmark, along with a carload of interested adult observers, travelled to the Port Sanilac, Michigan, farm of Jim Ropes' family. Jim is the group's able president.

Committees for safety, barricades and shelter, launching, firepower, and recovering remains of rockets had long since been organized, in the group meetings held once a week at the High School. A restricted area was set up for the loading of the missiles. Every boy was expected to be an independent observer, and to take accurate notes to aid in the club's later rehash of the day's events.

It was quite a day! The boys' record was a very impressive one—particularly in view of their amateur attempts and the relatively unexplored subject matter. They had a total of six successful launchings, and three failures.

Larry Colpaert, 10A, grinned with justifiable pride as his 35-inch aluminum tube took off

from its stand and sailed over 100 feet into the sky. And Ronald DeMeyer's foot-long rocket, with cardboard fins, virtually disappeared from sight after bursting from its launching stand.

Both phases of John Jacob's two-stage missile, launched separately, proved successful. And they're still looking for the remains of Norman Fielder's two-foot-long tube! Norm also built the launching stand.

Jim Ropes found out the only way—by experimentation—that cardboard rockets cannot withstand the force of the launching power. His two asbestos-lined tubes both exploded in the stand.

The boys gathered together all available bits and pieces of the rocket remains, which will be carefully studied at their next club meeting. There was pride, and there was disappointment, felt by all who participated in the testings that day—but, most important, there was encouragement and stimulation on the part of the students to delve deeper into that fascinating field of science.

Misfortune may be a good teacher, but a man is fortunate if he can learn his lesson without her.

Jameson to Talk To Defer P.T.A.

Dr. Marshall C. Jameson, principal of Monteith School, will be the speaker at Defer School's May PTA meeting, on Monday, May 12, at 8 p.m.

Dr. Jameson is directing the initiation of the Primary Plan in Grades 1, 2 and 3 at Monteith School, and will explain this plan to Defer parents. "With the current interest in public education, particularly in the field of reading, we feel it is important to see if this plan has value for our community," says Dr. Jameson. He emphasizes that this is not an experiment, and points out that the plan is gaining prominence in the country.

Dr. Jameson earned his AB degree at Nebraska State Teachers College, his MA at Northwestern University. In 1956 he was granted the Certificate of Advanced Study, and in 1957 the Doctorate in

1940, as teacher in the elementary schools, and for the past eleven years, as an elementary school principal. He is married and the father of a son, 23, and a daughter, 16.

City Stretchers Given Workout

Grosse Pointe City police stretchers had a real workout last week—at least speaking comparatively with respect to a normal seven-day period. They were called for a total of eight hospital runs (Bon Secours Hospital is the 'official' City hospital). Most of these were emergency cases of strokes and heart attacks, a couple were to assist local physicians in the transportation of a patient from hospital to home, or visa versa, and there was one instance where a woman had suffered a fall and required assistance.

TO SING REQUIEM
The Rackham Symphony choir is singing the Gabriel Faure Requiem at Rackham Memorial Auditorium, Farnsworth at Woodward on Tuesday, May 13 at 8:30 p.m. Prof. Maynard Klein is directing. Mary Helen Munson is accompanist. Soloists are Doralene McNelly soprano, Conwell Carrington, baritone. Both are members of the choir.

In Ledyard Farms . . .

A perfect "Dream House" for the small family executive. Only 2 years old and located in one of the finest, most exclusive sections of Grosse Pointe Farms. Among its many features and accommodations are a first floor master bedroom and bath, beautiful family room, super-electric kitchen with built-in range, warming oven, dishwasher and disposal . . . and a large patio.

On the second floor are two bedrooms, two baths and a small nursery or sewing room. It would be hard to find a more interesting home anywhere. The price is also less than you'd expect to pay.

Rose Gardens To Be Judged

Blanks, with all the specifications listed, for the annual Pointe rose competition, will soon be in the mail to potential green-thumb participants.

Both professional and amateur growers are eligible to take part in the contest, and those persons with gardeners will have their bushes judged separately.

The judging will take place around the middle of June. Everyone is urged to enter the competition as constructive criticism will be offered — and prizes of rose bushes will be given to the winning growers.

The competition is being sponsored by the Grosse Pointe War Memorial garden group. Mrs. Frederick H. Curtis is in charge of the mailing, and Mrs. Russell Alger heads the committee.

Women Voters Prepare For Book Fair

The decorations committee of the League of Women Voters of Grosse Pointe gets together to decide upon theme of the organization's Book Fair which will be held at the Memorial

Center, Thursday, May 24. Shown from left: MRS. TOM MASON, MRS. JOHN REMILLET, President MRS. GEORGE BROWN and MRS. HARMAN HAGMAN.

Library Reveals Available Films

The following 16mm sound films will be available from the Grosse Pointe Public Library during May. Patrons are invited to reserve the films for showing to organizations, clubs, church groups, and home audiences. Further information concerning these and other films which will be available in succeeding months may be obtained by calling the film counselor, Central Library, TUxedo 4-2200.

ANGOTEE, STORY OF AN ESKIMO BOY (31 min., color) Tells the story of Angotee, an Eskimo boy. Shows his birth, some highlights of his boyhood, including his first long trip, his clothing, his position in the family, and his boyhood games. Depicts Angotee learning the hunting skills from his father and entering manhood when he shoots his first seal. Concludes with Angotee marrying and finally leaving the parental igloo to set up an independent home.

THE COLOUR OF LIFE (24 min., color) This film probes into the perennial miracle that lies behind the growth of a seedling in the seasonal upsurge of life in a forest giant, and the mysterious alchemy of a single leaf. Presented in magnified dimension, the maple leaf and segments of the tree serve as illustration of the physiological processes that go on in all plants. The silent, methodical way in which nature clothes her woodlands in the verdant green of the springtime and the flaming riot of autumn is revealed in detailed time-lapse photography and animated diagrams.

HISTORIC HIGHWAY — LOWER CANADA (17 min., color) In the steps of Canada's earliest explorers and settlers we follow the St. Lawrence from Gaspe to Lachine, visiting sites of colorful incidents

in the history of New France. The defense of this colony against hostile Iroquois and the British is recalled in scenes of Fort Chambly and of the Plains of Abraham. At Montreal we see how the old and new influences are mingled.

HISTORIC HIGHWAY — UPPER CANADA (18 min., color) Battles long ago in Canada's troubled past are recalled in a tour of historic sites from Chrysler's farm on the St. Lawrence to Amherstburg on the Detroit River. Fortifications used in the defense of Canada during the War of 1812, and memorials to such heroes as General Brock and Laura Secord are visited in this trip through the lovely countryside along the upper St. Lawrence and lower Great Lakes.

LOOK TO THE LAND (21 min., color) Presents the viewpoint that America has often unwisely used its land and forest resources, that all people are dependent upon the land, and must, therefore, be directly concerned with problems of conservation. Documents the misuse of these resources and their resulting problems as the film visits a New England farm, the Connecticut Valley, an Alabama cotton farm, a Dakota farmer, a Wyoming cattleman, and a timberland region. Includes folk songs as background music.

MARIAN ANDERSON (27 min., color) Presents Marian Anderson as she sings a program of songs in rehearsal as well as on the concert stage. She sings "Begrudging," by Handel, "O, What a Beautiful City," "He Got the Whole World in His Hands," "Crucifixion," "Deep River," "Comin' Thro' the River," and Schubert's "Ave Maria." The film provides details of her life, including her birthplace, friends that have helped her, her farm home in Connecticut, and the honors bestowed upon her.

MICHIGAN, WATER WONDERLAND (28 min., color) A trip into Michigan's most popular vacation areas. Scenes of boating, fishing, and water skiing, and a variety of other summer activities are shown.

WILLIAMSBURG RESTORED (44 min., color). Portrays life in Williamsburg, Virginia, when it was the colonial capital. Then shows how the original city, fallen into decay through neglect, was restored through the efforts of John D. Rockefeller, Jr. Pictures in detail the research and

MSU Awards Scholarships

A total of 367 high school seniors have been awarded entrance scholarships by Michigan State University for the academic year 1958-59.

The list, announced by J. Robert Stewart, director of scholarships, includes representatives of 226 high schools from 64 counties in Michigan. The scholarships cover tuition at Michigan State for one year and are renewable for a total of four years provided the student maintains a high scholastic average and meets requirements of the all-university scholarship committee. Pointe students receiving scholarships are Sherrill Kay Bell and Judith Ann Himmelsbaugh.

Nip It in the Bud

An alarming situation which calls for immediate action has developed at the Central Library at Kercheval and Fisher. A gang of misguided young rowdies has practically taken over the building, paying regular nocturnal visits, defying all laws of decency and making life miserable for the staff and those who wish to use the facilities of the library for their intended purposes.

There have been reports from all over the country about the spread of violence among the teen-agers. There have been murders, robberies, beatings and robberies. Most of these have taken place in large cities, in sub-standard neighborhoods, where underprivileged youngsters were perhaps not provided with adequate recreational outlets. Just the other night in Boston thousands of kids went on a rampage when lights were not dimmed at a rock and roll session.

It is difficult to understand the motivating forces behind such outbreaks. Certainly there is no excuse for such demonstrations of criminal defiance here in the Pointe. The community has bent over backward to make provision for every type of healthy recreation for the youngsters. The school system has recently added beautiful new swimming pools, one of the finest auditorium gymnasiums in the country and maintains schedules of athletic contests of all types.

The lake front beaches of each of the Pointe municipalities afford all manner of opportunities for fun, both summer and winter. The Neighborhood Club and the War Memorial Center are headquarters for widely diversified programs of entertainment and instruction. Hundreds of adults devote long hours and great energy to coaching and managing sports of all types for kids of all ages. All of the churches have their youth programs with additional outlets for getting rid of their exuberance.

The very large percentage of these youngsters are fine persons, making normal and satisfactory development towards useful citizenship. It is a frightening thing to think that one small segment can go so haywire. If these unruly few have an iota of brains they will mend their ways immediately. The police have promised quick and drastic action. The law-abiding residents of the community will not stand for such nonsense.

Thanks for the Advice

Just 700 weeks ago, or not too roughly, 13 and one half years back, Fred Kopp, registered pharmacist, started running a series of paid advertisements on this page. He has not missed an issue since.

The ads, one column by four inches deep, are editorial in form and have to do with advice and information on health and medical matters. As an example we repeat the contents of last week's advertisement.

"Optimistic and Realistic:—To be optimistic is a rewarding attribute; to be realistic is no less a virtue. A happy combination of the two is a well adjusted personality willing and able to face all situations squarely.

"Being too optimistic about your health is to trust much to the future and to neglect that which should be done now. It accounts for much of the illness in the world today."

The publication of this well-written column over such a long period, appears to us to constitute a service to the public which merits a salute of thanks.

Pointe to Hail Armed Forces

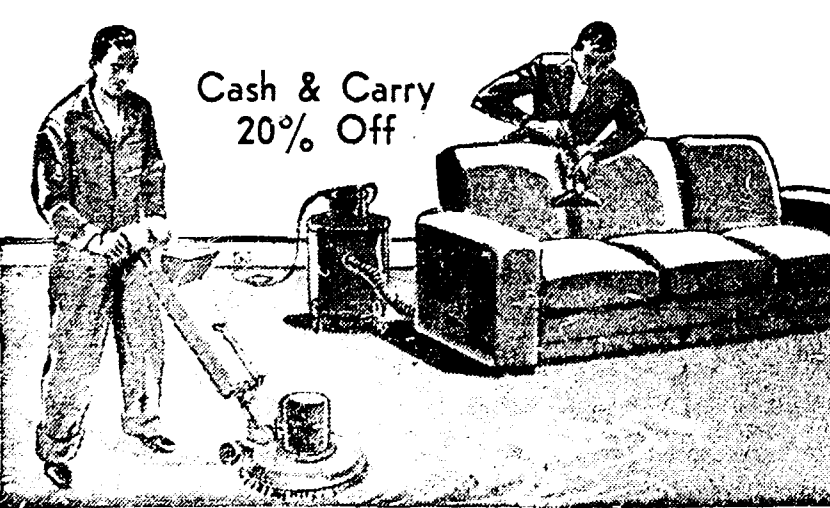

Michigan's role as a major missile and tank producer of the free world will be highlighted when new weapons and vehicles of all military services will be shown to the civilian community here in a demonstration of inter-service cooperation during Detroit's Armed Forces Week, May 10 to 18, sponsors announced.

A mass display will fill the malls on Washington boulevard, which, by permission of the Detroit City Council, will be temporarily renamed "Armed Forces Avenue." There will be two big two-day ground-air shows at the

Detroit Arsenal, Center Line, and Selfridge Air Force Base, Mt. Clemens, May 17 and 18, and "Open House" programs will be held at local installations of the Army, Navy, Marines Air Force and Coast Guard during the week.

The five majors of the Pointe issued a joint proclamation calling attention to Armed Forces Week. Affixing their signatures to the proclamation were: Kenneth Cunningham, Park; Fredrick Parker, Jr., City; William Connolly, Farms; Jack Williams, Shores; and Kenneth Koppin, Woods.

Grosse Exaggerations

A. PRYOR

"Where did I come from, then? AH, where indeed? This is a riddle monstrous hard to read. I have it! Why, of course, All things are molded by some plastic force Out of some atoms somewhere up in space, Fortuitously concurrent anyhow... There now! That's plain as is the beak upon my face!" (Samuel J. Stone)

Well, Silky Sullivan sure threw us for a loop... as did a lot of other people. Usually we have Derby footnotes after the hullabaloo is over, but this time, only one small tidbit from our Louisville spy.

He shared a room at the hotel with a gent from Ohio. The room cost them about fifty bucks a day but the service was worth about two. Naturally the place is packed over the weekend and no one expects very much. However, the Ohioan had the manager on the phone every twenty minutes about one thing or another.

First, when his carefully ordered breakfast arrived in the room, there was no table to set it on. Instead of using a make-shift, our hero called the manager. By the time a table was brought, the breakfast had gotten cold... so he called room service to come get it and send up a new one! When the waiter arrived for the tray, the guest said the toast was not enough, so he'd keep THAT and just re-order the bacon and eggs. By the time the new egg dish got back, the toast was cold, so he sent that back... after calling the manager again. This routine went on for two days. Our spy hazards a guess that the hotel will be "filled up" the next time this character wants a reservation.

We knew a gal like that once. Way back when we were knee-deep in breeches... we roomed with this fussy boudie and she was ALWAYS, but ALWAYS finding foreign particles in her food and sending it back. She could spit a hair in a cup of coffee the minute it left the kitchen. Also, she would dig out dead flies or bits of glass or lemon pits or SOMETHING out of her food every day. It gave us such a complex we could no longer go to a restaurant with her. We don't mind a companion finding an occasional fly in his ice cream... we just don't want to hear about it!

The TV commercials are REALLY getting so cute one hates to leave the room while they are on. The screaming salesman is on the way out, thank goodness... and the smart sponsors are coming up with sharp cartoons that are fun for all the family. Among the best are Babo and Tip Top Bread. That reminds us... some friends of ours are still using their way-back-when TV set with a ten inch screen. The family has to pile into a pyramid in front of it in order to see anything. They were looking at a movie one night last week and the cast read: Robert Tay, Hedy Lam, Lionel Barry and Walter Bren.

Before we leave the air department... wonder if any old time soap opera listeners (radio) read that Elaine Carrington, the creator of Pepper Young, When a Girl Marries, Rosemary and others, died the other day. She had written some 12,000 fifteen minutes episodes for different story plots.

Know the definition of anatomy??? "Something everyone has... but it looks better on women!"

We LOVE things like this that really happen. At a recent wedding reception... one of the guests was telling a sizeable group of people how clever she thought the bridegroom was to have memorized the names of all the friends of the bride. Since the young man was from out of town... it WOULD be quite a feat to remember each name having only been "exposed" to the localities on so few occasions before the wedding.

She had no sooner finished extolling this great virtue when the man himself stopped at the grouping... shook hands all around, then said to the woman who did all the talking, "You are looking especially attractive today, Mrs. Ford."

As he moved on, one of the party remarked to the gal: "Too bad your name is Dodge. Have you been promoted or demoted?"

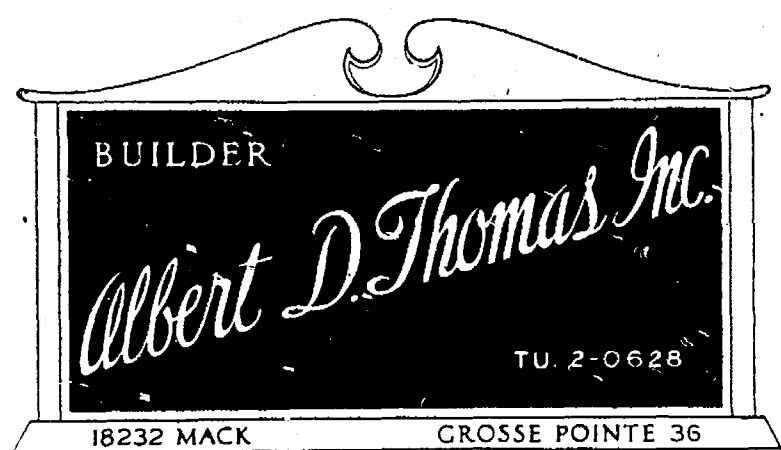

Speaking of weddings... last Saturday at the Bloy-Trudell wedding, one of the guests who is more sporting than most of us would dare to be... took his portable radio with him to the church so he wouldn't miss the running of the Kentucky Derby! With the small radio in his pocket and the ear phone plugged in his ear, he sat in a back pew and never missed a quarter pole.

The horrified people about him, however, were not above whispering to him to let them know the results... which he promptly did.

After the ceremony... as the guests were filing out of the church, one older woman stopped to chat with the intrepid radio-man's mother. During the conversation she said: "I saw your son today for the first time in years. Isn't it a pity he has to wear a hearing aid at his age?" Mama did NOT explain!

Here's a stumper... What has twelve legs, is purple and eats people? Answer 12-legged, purple people-eater, of course.

What Goes On at Your Library

By Jean Taylor

By JEAN TAYLOR

This is Michigan Week, and again the perky little robin is proclaiming from every vantage point that "It's great to live in Michigan."

This state has had its share of famous native sons who have lived here for a period, tributes in engineering, medicine, chemistry, education, architecture and last but not least, in the writing field. There have been many authors born in Michigan, some who have lived here for a period, and others who have attended the University of Michigan but who are connected with the state in no other way.

It is interesting to note that several books which have made top news recently have been penned by Michigan authors.

John Donaldson Voelker, Michigan Supreme Court Justice, has written a popular suspense novel, "Anatomy of a Murder," under the pseudonym Robert Traver, and an interesting thriller it is.

Glendon F. Swarthout's "They Came to Cordua" is a novel which grips you as you read, and haunts you long after you have turned the last page. It centers around an almost forgotten incident in American history in 1916, when the Mexican bandit Villa made a raid across the border into United States territory.

Mr. Swarthout was graduated from the University of Michigan, and is at present on the faculty of Michigan State University. This book is now being filmed, and should make a first-rate picture.

Also on the staff of Michigan State is Virgil Scott, author of the recent book, "The Savage Affair." The story tells of a journalist's difficult assignment to write the biography of a talented novelist. For this reader at least, the book lacked the appeal and sincerity of the author's earlier book, "The Hickory Stick," in which he depicts the trials and tribulations of a small town school teacher.

Although Wisconsin and Illinois each claim Edna Ferber, since much of her life was spent in these states, her birthplace is Kalamazoo, Michigan. Now over 70 years of age, Miss Ferber still spares no effort in acquiring an accurate backdrop for her writing. No doubt she has written better novels than her recent "Ice Palace," in which she presents the case for Alaska's statehood, but if you want an excellent picture of present-day Alaska, this is your Baedeker.

Michigan gives a warm welcome to Kentucky-born Harriet Arnow who makes her home in Ann Arbor. Her book, "The Dollmaker," which topped the best seller list a few years ago, portrayed a Kentucky family transplanted to a crowded housing project in war-time Detroit. This is a powerful novel that deserves to live.

Another story to a Kentucky family is Helga Sandburg's recent book, "The Wheel of Earth." We have not yet had the opportunity of reading this first novel by the daughter of Carl Sandburg, but it is being well received by literary critics.

Helga Sandburg—Mrs. Arthur D. Golby in private life—

grew up in Harbert, Michigan, and attended Michigan State University for one year, so we feel it is appropriate that Illinois, where she was born, and Virginia, where she is now living, share her with Michigan.

Coming closer to home, it is rumored that Mrs. Haldeman Finnie, popular Grosse Pointe author who has written many widely read novels, and who is known to her readers as Isabella Holt, is working on a new one to be published shortly.

Young femmes the country over, will be delighted to know that Elizabeth Howard Mizner, also of Grosse Pointe, has a new book in the making which will be published next year. This will be Miss Mizner's eleventh book for young people.

Vive our Michigan authors!

Cub Scouts Hold Pinewood Derby

With their hopes pinned on their small highly polished model racers, Pack 86 Cub Scouts gathered at Trombly School last Saturday morning to test their skill as craftsmen at The Pinewood Derby.

Two by two they sent their racers down a regulation ramp until there was a silver cup winner in each of the nine dens as follows: Den 1, Bill Court; Den 2, Bob Kotz; Den 3, Charles Russell; Den 4, Tom Gruber; Den 5, Tim Theodore; Den 6, Ed Beyster; Den 7, Don Lindley; Den 8, Eugene Agnone; Den 9, Bill Steele.

Each of these winners then raced until Tim Theodore emerged the victor followed by Bill Court and Eugene Agnone.

The cars were also judged for styling and workmanship and silver cups awarded to Bob Miller, Bill Court, Leon Murawski, David Arndt, Cal Worrell, Harry Chancy, Cam Piggott, Tim Theodore, Ed Beyster, Peter Solenberg, Doug McNeill and Bob Neeme.

Bone Fractures And Dislocations

By Fred Kopp, R. Ph.

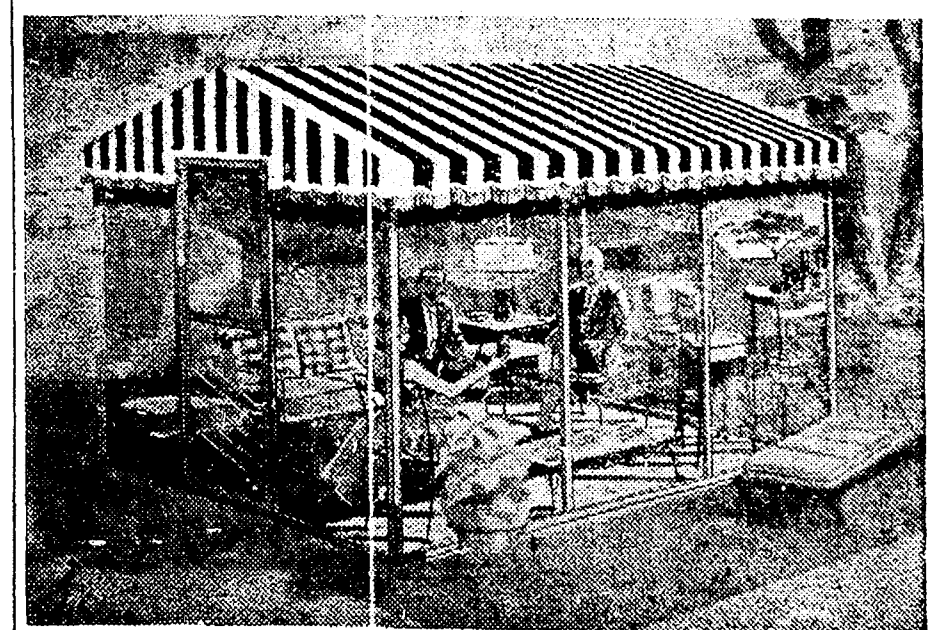

In the spring and summer when there is more outdoor activity, fractures and dislocations happen frequently. These injuries are usually very painful and until the doctor arrives the patient should not be moved unless a splint is first applied.

Even if the fracture or dislocation seems slight consult a doctor at once; you can lose partial use of limbs if they are not set properly.

Let a conscientious pharmacist supply your drug needs.

This is the 100th of a series of editorial advertisements appearing in this paper each week.

Center Giving Show for Kids

A special fee program will be presented to the younger grammar school children of the Pointe by the Center's Children's Theater and the Grosse Pointe War Memorial Association, on Wednesday, May 14 at 7 p.m.

Walt Disney's full length technicolor cartoon feature "Dumbo" will be shown. It is a hilarious tale of a circus elephant with oversized ears who overcomes ridicule by learning to fly. Nine song hits are included in the fantasy.

The apprentice group of the Children's Theater is presenting "Sir Tommy's Pilgrimage," the story of a juvenile knight in search of the Grail. The leading role will be taken by John Friedrich, understudied by Gregg Watkins. The mother's role will be handled by Kathy-Klick.

Others in the cast include Debby McCarthy, Karen Allison, Betsy Boccaccio, Carol Brisson, Susan Desimpe, Mike and Rick Granger, Carol Groves, Tom Jennings, Susan Klick, Allan and Mary Sherman, Sue Polmo, Mary Valentine, Sue Ellen Winstanley and Lorrie Wigle. There will also be a preview of the coming Children's Theater attraction "Adventures of Tom Sawyer."

To make the evening complete Dick Blackburn will present his ventriloquist act introducing his little wooden pal, Homer, who has been home from school sick with the measles. Dick has been trying to tutor him only partially successfully. Another specialty act will be a tap dance routine by Paulette and Susie Farr.

Two Cars Tangle At Intersection

Two Pointe boys were ticketed last Saturday afternoon, May 3, for reckless driving, when both appeared to be at fault in an accident that occurred at the corner of St. Paul and Cadieux.

William Herbert Grunow, of 462 Roland place, was headed north on Cadieux, had stopped at the intersection, and was proceeding to cross St. Paul when his car collided with one driven by Matthew Peter Schmidt, of 479 Bournemouth. Schmidt, headed east on St. Paul, claimed to have also respected the stop sign at that corner and had started to cross Cadieux. Both cars were damaged — no matter where the blame lies — Grunow's front end, and Schmidt's right end bearing the brunt of it all.

Woods Patrolman Completes Course

Woods Patrolman John Wells was graduated from a special four-week Basic Police Training Course at Michigan State University on Wednesday, May 2.

Twenty-four men completed four weeks of rigorous training, which began April 7 at Kellogg Center, under the auspices of the M.S.U. School of Police Administration and Public Safety and several state and national law-enforcement agencies.

A special faculty of outstanding men from M.S.U. and also from local, state and national law-enforcement agencies presented detailed instruction on "What the police officer needs to know."

Pierce to Give Spring Concert

By CHRIS PERKINS
The Pierce Junior High School orchestra and chorus will present their annual Spring Concert on Friday evening, May 16.

The featured numbers of the orchestra, conducted by Dr. Thomas Moore, are to be, "The Chorus, Prelude to Act III," "Lament," "Duet," and the "Sailors Dance" from the suite from "Dido and Aeneas." Second number is "You'll Never Walk Alone," and the final orchestral selection is the "Fiddler's Contest."

Pierce's A and B Chorus, directed by Mrs. Gwen Behanna, are going to sing under a theme of "Springtime is Singtime." Their pieces include "Pilgrims Chorus" from Tannhauser, "Green Cathedral," "Rolling Hills," "Round and Round," "Andalucia," "Hit the Road to Dreamland," and lastly "We Hold These Truths." The pianists accompanying the choruses will be Leslie Woodcock, Chris Perkins, Norma Deal, Janie Fortunski, and Judy Maynard.

"Where or When" will be sung by the Girls' Glee Club and "The Vagabonds" and "Tantiny" by the Boys' Glee Club will be interspersed in the program.

A quartet of girls, Judy Maynard, Chris Perkins, Janie Fortunski and Mary Jo Quigley, is going to sing "Wonderful Guy" from South Pacific as a special featured number.

This year the orchestra, accompanied by the chorus, will sing "A Grand Night for Singing" from State Fair to bring the evening's entertainment to a conclusion.

All parents and friends of the community are invited to come to the Pierce Spring Concert. Tickets are on sale at school or may be purchased at the door.

P-TA at Ferry To Hear Concert

The Ferry School PTA will hold its final meeting of the school year on Thursday evening of this week, May 8. The meeting will begin at 8 o'clock in the auditorium of the school. This is a particularly appropriate date for a PTA meeting inasmuch as the week of May 4-10 is "It's Great to Live in Michigan" week, and Thursday, May 8, is designated as Education Day. This day is dedicated to the schools of Michigan, and those enrolled in them and those who teach in them. It is a day of recognition for the entire educational system.

The business portion of the meeting will include the election of officers for the coming year, while the program portion of the meeting will feature a spring concert by the children of grades 4, 5, and 6. Miss Ann Carlson, the Ferry School music teacher, will conduct the children in both instrumental and vocal numbers.

The concert will open with the fifth and sixth grade singing a group of vocal selections, including the recent hit "Seventy-Six Trombones" from which the children receive so much enjoyment. The fourth graders will then step into the front and center position with selections on their flutophones as well as some vocal renderings. These fourth graders will play selections from Bach and Beethoven, and will conclude with the current popular "Catch a falling Star."

The Fifth Grade Band then comes into the limelight with such selections as the well known "Marines' Hymn" and "Skaters' Waltz." This is a notable achievement for these boys and girls when one considers that as fifth graders these youngsters are still within their first year of study of their respective instruments.

Following the Fifth Grade Band, the orchestra will play a group of selections including such contributions as Beethoven, Tchaikovsky and Strauss. Michael Hedge, a sixth grade pupil, will play a piano solo.

The program will be concluded with selections played by the Sixth Grade Band, including such numbers as "The Washington Post March" and "American Patrol."

At the conclusion of the concert, refreshments will be served by Mr. and Mrs. Alvin Ruprecht and their committee of Mr. and Mrs. Fred Hire, Mr. and Mrs. John Morton, and Mr. and Mrs. Robert Snow.

St. Matthew's Women Sponsor Spring Luncheon

The St. Matthew Women's Club is sponsoring a spring luncheon in the auditorium of the church at 12:00 o'clock this Thursday.

Society Pays Pointers Honor

Robert E. Forbes, 949 Nottingham road, was elected first vice-president of the Tuberculosis and Health Society at the Society's recent annual meeting. He was formerly second vice-president of the organization.

Dudley W. Apps, 1305 Nottingham road, was elected treasurer. Newly elected members of the Board of Directors include William E. Shane, 365 McMillan, and Mrs. Gilbert B. Pingree, 270 Voltaire place.

At the meeting, held at the International Institute, Detroit, members and professional staff of the Society heard the annual report, "In Answer to Your Inquiry," in the form of a dramatization of the services of the Society.

One of the most important of these services is the promotion of chest X-rays which are vital in the discovery of tuberculosis. TB is Number One among infectious diseases and to combat it there must be early detection and cure. Everyone should have a chest X-ray each year to be sure that they do not have TB.

Health education in the schools and community groups is another way the Society helps prevent TB by informing people of its dangers.

The Society provides a homemaker service for families. When the mother has been stricken with the disease and must spend some time in the hospital, the family is helped to maintain its normal living pattern and the placement of children in boarding homes is prevented.

Another important function of the Society is the rehabilitation of recovered tuberculosis patients. Social workers help patients find jobs and return to a normal life after they have left the hospital or sanatorium.

Also, while the patient is in the hospital, medical social workers aid in solving personal and family problems which are upsetting to the TB sufferer.

Funds for medical research in the field of tuberculosis are provided. All these services and many more are supported by the annual Christmas Seal Sale.

Parcells PTA To See Show

"We've got talent here!" will be the theme of the last Parcells P.T.A. program, to be held in the school auditorium on May 14, at 8:00 o'clock. The feature of the evening will be a Talent Show presented by 50 students.

After a short business meeting, during which the new slate of officers will be elected, the show will be turned over to Neal Bauer, 8A, the affable Master of Ceremonies.

Opening the program will be a bevy of girls from the ninth grade, dancing to "Lollipop." The girls include: Pat Berry, Joanne Bazzo, Donna Carless, Riley Dixon, Mary Sue Hanneman, Harriet Howe, Sue Keech, Fran Martin, Barb McGill, and Renee Rousseau. To the tune "Five Foot Two" Sharon and Her Six Flappers will recall the Charleston Era. The flappers dancing with Sharon Pastor are Jan Cheraz, Nan Collins, Terri Gould, Paullette Rhodes, Diane Schade, and Noreen Theuerkorn.

The scene makes a sudden switch to the cannibal lands of the South Seas for a record pantomime of "Witch Doctor." Sue Chandler, Jacquie Kaiser, Marcie Peirce, Jill Ogden, Nancy Schisler, Debbie Skeen, Sue Stokely, and Niki Glanz are in this number.

"Two Black Crows," Rick Bell and Carl Zemenick, will exchange banter and belligerence in another record pantomime. In an interesting modern dance number entitled "The Man With The Golden Arm" the choreographers are Sue Kaltenbach, Carol Pasny, Sue Pomeroy and Gwen Polkinghorn. Their costumes were designed by Sandra Schmidt.

Two cute sailor girls doing a tap routine are Marilyn Harbison and Donna Mahin. They will be followed by Bob Grycan in a cornet solo, accompanied by Dan Showowski. Another instrumental solo will be presented by Carl Rea, playing his accordion.

The special finale is a pantomime skit first presented at

the November Night of Plays. It is being repeated by popular request. A large cast, under the direction of Mr. Willis Brown, will do "Wun'erful, Wun'erful." Included in this number are Carl Hribar, Doug Aldinger, Ron Warncke, Mary Sue Hanneman, Cindy Gabriel, Karen Van Voorhees, Riley Dixon, Sue Kennedy, Bill Miller, Jim Eckel, Jon Le Blond, Pete Lyall and Duane Strobl.

The student talent for this program has been selected and directed by Miss Shirley Lewis, who is Director of Dramatics. The numbers were chosen to show the parents an interesting cross-section of the two Talent Shows given as student assemblies during the school year.

After the program there will be time for room visitation, followed by a social hour, with refreshments served in the gym.

Mulliken, Mrs. Perry Penz, Mrs. Edwin Ross, Mrs. Arthur Schmidt, Mrs. Clarence Slocum, Mrs. E. F. Storey, Mrs. Leon Sweet, Mrs. John Vandenberg, Mrs. Robert Warmbold, Mrs. E. O. Warren, Mrs. Vene Whims, and Mrs. Sheldon Drennan, chairman.

Tickets may also be purchased at the door. The price is \$1.25 and all proceeds will swell the scholarship fund for deserving G.P.H.S. graduates to continue their studies in college.

One bit of information which will please the party-goers: There should be plenty of parking space as school is not in session that day and Christ Church has graciously made available its parking lot for the party. Also the one hour parking limit for school days will be relaxed around the school property.

Hospital Aides To Give Benefit

The Woman's Hospital Volunteer League is sponsoring a donation tea at the home of Mrs. Harley J. Earl, of Touraine road. The invitational affair will be held from 3 to 5 o'clock on May 15.

Proceeds from the project will be used to buy equipment for the isotope laboratory of Woman's Hospital.

Mrs. James Earl, chairman for the event, has had working with her Mrs. Raymond Leonard, Mrs. David Hinchman, Mrs. Kenelm Winslow, Mrs. Fredrick Parker, Jr., Mrs. William Nester and Mrs. Richard G. Hanna. Decorations will be handled by Mrs. Frank Bulkley, and prizes by Mrs. Rockwell T. Gust, Jr.

Pouring at the tea will be Mrs. George B. Martin, Mrs. Bryant W. Donaldson, Mrs. John N. Failing, Mrs. Horace W. Prunk, Mrs. Richard Wagner, and Mrs. John D. Benfield.

Mrs. William H. Denler, president of the League, will greet the many guests that are expected to attend.

Casarolls Give Dinner Party

Mr. and Mrs. Eugene A. Casaroll were hosts at a cocktail and buffet dinner party at their Elm court home on May 3 to fete members of Grosse Pointe Yacht Club's 1957 and 1958 entertainment committees and their respective husbands and wives.

Mr. Casaroll currently is GPYC's entertainment chairman, serving his third consecutive year.

Spring flowers in yellow tones centered the buffet table in the dining room, and arrangements of yellow tea roses were used in other rooms. Dancing to a trio's sprightly music followed dinner.

Guests were the Russell D. VanHoutens, the Howard A. Shaws, the John C. Griffins, the William M. Schmidts, the Paul I. Morelands, the J. Earl Frasers, the George L. Cassids, the Haford Kerbawys, Richard K. Degener (Mrs. Degener being away on a short visit), and the Fred Gebstadts.

To Be Wed

Announcement is made of the engagement of MARION MARGARET SIAU to Richard Morton Mayday.

The bride-elect is the daughter of Mrs. Robert Holmes Siau, of Lakeview avenue, and the late Mr. Siau.

Her fiancé is the son of Walter J. Mayday, of Tampa, Fla., and the late Mrs. Mayday.

Miss Siau was graduated from the Convent of the Sacred Heart, Lawrence Avenue and Katherine Gibbs, Boston.

In January, 1942, eleven Navy nurses were captured by the Japanese at Manila and interned at Santo Tomas. They were later moved to Los Banos, Philippine Islands, where they survived 337 months as prisoners of war until liberated in 1945.

Bank on the future — but don't write checks against it.

Churches Plan Youth's Dance

Dreamy romance will be the atmosphere next Saturday night, May 10 at the tri-church dance, sponsored by the youth groups of the Grosse Pointe Woods Presbyterian churches.

The dance, entitled "May Mist" will be held at the Grosse Pointe War Memorial. It is open to all high school students grades 9-12.

Members of the three youth groups joined together to form committees for decorations, entertainment and refreshments, and publicity.

Decorations chairman Bill Springett, Grosse Pointe Congregational Church, is working out the May Mist theme in soft hues of pink.

Barbara Needham, Grosse Pointe Methodist Church, is chairman of entertainment and refreshments. She has arranged for half-time entertainment by the Crewnecks and

a duet by Karen Bryant and Dot Long. Dancing music will be provided by the Mellow D's, and refreshments of cookies and punch will be served.

Karen Bryant, Grosse Pointe

Woods Presbyterian Church, is chairman of publicity and general chairman of the dance.

The girls will wear dressy cottons and the boys suits or sport coats. The admission will be \$1.50 per couple at the door, and it will be held from 9 o'clock 'til 12.

GPHS Conducts Survey Of Colleges Alumni Pick

By LETITIA PETRUCCI, 11A

Where are the students who graduated in 1957 and what are they doing?

Mr. D. R. Campbell, assistant principal of Grosse Pointe High School, is the man who knows. He found out by sending postcard questionnaires last November to all members of the '57 graduating classes.

Response to these postcards totaled 397 (82 per cent) of the graduates.

To find out about the remaining 18 per cent telephone calls were made. The whereabouts of 1 per cent is now unknown.

Fifty degree-granting colleges enrolled 282 (59 per cent) of the '57 graduates.

The University of Michigan has 63 freshmen from Grosse Pointe High School's 1957 classes.

Next on the list is Michigan State with an enrollment of 55 freshmen from Grosse Pointe. Western University in Kalamazoo is third with 25. Ferris Institute in Big Rapids has 21. Wayne State 15, and Eastern Michigan in Ypsilanti has 12 students.

Albion College has 9 Grosse Pointers enrolled. Michigan Tech has 7. Olivet has 6, and Hillsdale College has 5. Central Michigan and Alma College each have 4 freshmen from Grosse Pointe enrolled. The University of Detroit and Lawrence Institute each have 3 students, and each of the following Michigan colleges have enrolled 1 student graduated from Grosse Pointe in 1957: Detroit Institute of Technology, Hope College, Kalamazoo College, and Siena Heights.

Grosse Pointe graduates have also scattered outside the state to many different col-

leges. Purdue in Indiana has 6 freshmen from Grosse Pointe, more than any of the other out-of-state colleges. Northwestern University in Illinois and Valparaiso in Indiana have each enrolled 3 freshmen from Grosse Pointe.

Arizona State College, Denison University in Ohio, Elmira College in New York, Miami University of Ohio, and Texas Womens College each has 2 from Grosse Pointe.

The following colleges each have 1 enrolled: Brown University in Rhode Island, Colgate University in New York, Colorado University, Duke University in North Carolina, Florida State College, Heidelberg College in Ohio, Kenyon College in Ohio, Illinois University, Kings College in New York, Mary Washington College in Virginia, Massachusetts Institute of Technology, Oberlin College, Ohio Wesleyan University, Olivet in Illinois, Ontario Agricultural College, Park College in Missouri, Stanford University in California, Wellesley in Massachusetts, Williams College in Massachusetts, Wisconsin College, Wheaton College in Illinois, and there is one student who is in New Mexico at the University of New Mexico.

Twenty-five (5 per cent) of the entire class entered 10 junior colleges. Highland Park Junior College is on top with 10 graduates from Grosse Pointe. Next on the list is Stephens with 4.

Colby, Endicott and Southern Seminary each enrolled 2 beginning Grosse Pointers and Averett, South Macomb Commercial, and Virginia International enrolled one each.

Two of the graduates found their way to foreign countries to junior colleges. One is in Switzerland in Le Chatalainie

William Bailey Wins Writing Contest Prize

William Bailey, Pierce Junior High School eighth grader, has won a commendation in the National Writing Contest, sponsored by the Scholastic Magazines.

Bill was one of 33 Grosse Pointe students to win recognition in a writing contest sponsored by the Detroit News, and has now gone on to win national honors with a short story he wrote.

The contests, sponsored by Scholastic Magazines, have for the last 33 years aimed to encourage creative expression among high school students, to foster greater appreciation of the arts, and to bring wider public attention to the work of the students and their teachers. His English teacher is Mr. Alex Sergienko.

Bill is the son of Mr. and Mrs. Harold Bailey of 255 Moross.

Junior College and one is in Italy in Le Fleuron Junior College.

Special schools which offer art, business, nursing, and technical work attracted 12 (3 per cent) of the graduates. These schools are: Eastside Drafting, Radio - Electronics; Walsh Institute of Accounting; the American Institute of Banking; Arts and Crafts; Detroit Business Institute; Detroit Commercial; Detroit Compometer; and Virginia Farrell.

The military service accounts for 21 (4 per cent) of the class.

Fulltime employed members of the class total 117 (24 per cent).

Twenty-two (5 per cent) plan to enter college later and 9 (2 per cent) are now attending part time.

In the category entitled "unemployed" only 21 (4 per cent) of the class are placed.

Awarded Prizes at Science Fair

"An outstanding success was scored by several of our students at the Metropolitan Detroit Science Fair last week," Dr. James W. Bushong, Superintendent of the Grosse Pointe Public School System, said.

"One of our senior boys, Kenneth Kurtz, not only won first place in the Earth Science Division but very nearly won one of the two top awards in the show. His exhibit of fossils, collected over a number of years in southern Ohio and identified as from the Cincinnati Arch, is certainly a wonderful one."

"Philip Dulmage, an 11th grade student at the high school, won seventh place in the Biology Division. His entry, a bacteriological experiment, was called Alpha Strep. Philip's exhibit was an excellent one and the competition in his division very keen inasmuch as several hundred were entered," the Superintendent stated.

"We also had two winners in the Junior Division. Both were eighth graders from Pierce Junior High School. Again, the competition was spirited as all junior high entries were in the one division and represented about half of the more than one thousand exhibits in the

fair," said Dr. Bushong. "Fifteen awards were given in all and I am very proud to tell you Cordell Walenych's tesla coil won fifth place and Dennis Fraser's hormone experiment with baby chickens placed fifteenth," he said.

"Our four winners, along with many others, provided a dramatic answer to those who have been wondering what sort of a job the modern schools are doing."

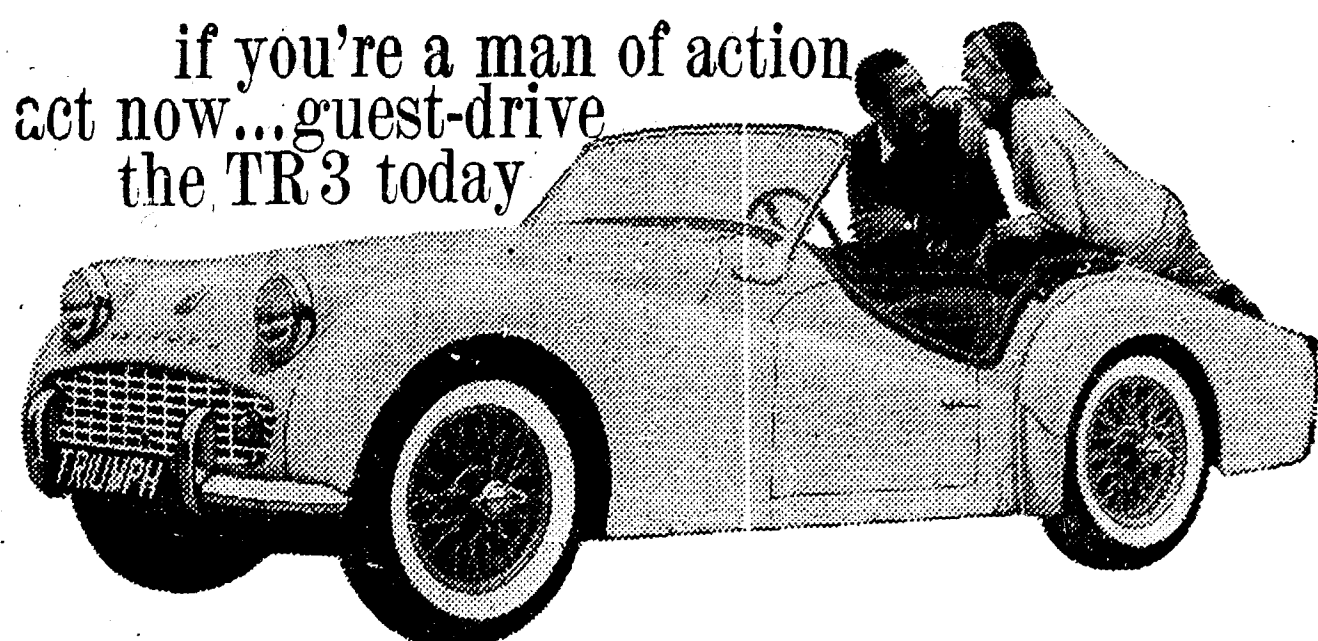

"For those who failed to see the High School Science Club Fair April 19 or the recently concluded Metropolitan Fair and who would like to see the sort of things our students can do I would suggest their attendance at the Science Open House at Pierce Junior High School on May 27. This will be another opportunity to see the marvelous work our boys and girls can do," Dr. Bushong concluded.

Mrs. Dorothy Woods of 83 Vernier road, was taken to Bon Secours Hospital by Shores police on Wednesday, April 23, for treatment of a bruised head, suffered when she was accidentally hit by a four-by-four inch piece of lumber while she was fixing her back porch.

Club Announce Two Events

Grosse Pointe News

From Another Pointe of View

By Patricia Talbot

During Grosse Pointe's one hundred years of existence the Colonial, Georgian, Victorian, French, Early American and Contemporary designs in furnishings and architecture have been reflected in the homes of our residents.

The Grosse Pointe Garden Center will illustrate these influences during its Flower Show scheduled for May 21 and 22 at the War Memorial, under the direction of the Garden Club of Michigan.

There will be nine competition classes in flower arrangements, compositions, table settings and a class of horticultural specimens. They will all carry out the historical theme.

Sixteen Grosse Pointe Garden Clubs will participate in the show which will stress a color scheme of pale blue and silver. There will also be a Gourmet Food Sale.

Class chairmen include Mrs. Oscar Buhr, Mrs. Alan T. Beebe, Mrs. Charles Davis, Mrs. Paul Sutherland, Mrs. Raymond J. Duffy, Jr., Mrs. Allan Shelden III, Mrs. Douglas Campbell, Jr., Mrs. Bert Wicking, Mrs. George Eversman, Mrs. Ben Beyer and Mrs. Raymond Barry.

Some of the period compositions will be done by Mrs. J. Stewart Hudson, Georgian; Mrs. Wilfred Tetzl, French; Mrs. L. R. Montgomery, Victorian; Mrs. C. Leslie Mitchell, contemporary; Mrs. Alexander Wiener, Colonial; and Mrs. A. B. Crabb, Early American.

Other arrangements will be done by Mrs. L. Rothe Farr, Mrs. Hansel D. Wilson, Mrs. George Villerot, Mrs. Elmer A. Clark and Mrs. Wicking.

Protestant Home to Mark Founding

Next Thursday, May 15, the Protestant Children's Home will be celebrating its 122nd anniversary. The modern buildings in Cook road have only been there about six years but the home has a long history.

For many years it was located in East Jefferson avenue in a rather dismal brick building. Mrs. Standish Backus, long a member of the Home's board, was the prime factor in moving the Home to its present pleasant location.

Heading the board of directors this year is Mrs. Frederick S. Ford, Jr., and Mrs. Backus' daughter, Mrs. Alfred Marks is continuing the family tradition in working for the Home.

To mark this anniversary the board of trustees, the staff and children of the Home will have a tea next Thursday at 2:30 o'clock. Entertainment for the afternoon will be an historical sketch of the home's early days acted by the 80 children now in residence.

Fritz Bloys Taking Island Honeymoon

Lynn Turner Trudell Married Saturday in Christ Church; Wears Candlelight Satin and Heirloom Lace Gown for Wedding; Reception at Boat Club

Candlelight satin and heirloom lace were Lynn Turner Trudell's choice for her wedding gown when she spoke her marriage vows Saturday in Christ Church to Frederick Gibson Bloy.

The bride's gown was designed with a bodice and long sleeves of lace, the bodice sweeping into points from which the bouffant satin skirt deepened into a train. A small lace cap, which her mother had worn for her wedding, caught her illusion veil. She carried white orchids and ivy.

Susan Scott was maid of honor in clear daffodil yellow taffeta with short sleeves, scooped neckline and a harem skirt. Her headband was of green leaves and velvet and she carried ranunculus, ranging in hues from ivory through yellow and gold to orange.

The bridesmaids, gowned like the honor maid, were Lauren Edgar, Judy Goodnow, Dennie Denton, Mrs. William Hosler, Mrs. Scott Daugherty and Mrs. Wayne Wiswedel.

The Rev. Myron Bloy, Jr., was his brother's best man. They are the sons of the Myron Barnett Bloys, of Grayton road.

Ushering were Robert Edgar, William Farquhar, David Seebor, Richard O'Connell, Philip Droll, Dr. Warren Bebbcock, Jr., Daniel Burke, James Trudell III, Jack Pife and James Williams.

The bride's parents, Mr. and Mrs. James John Trudell Jr., of Lincoln road, were hosts at the reception which followed the ceremony at the Boat Club.

Mrs. Trudell received the guests in sea foam green barthea sheath with an obi sash of black. Her hat was a Hattie Carnegie calot in the same shade accented with gardenia leaves and clusters of currants.

Mrs. Bloy wore blue peau de soie highlighted with pearls and brilliants and a green and white flowered hat. Both mothers pinned green cymbidium orchids to their purses.

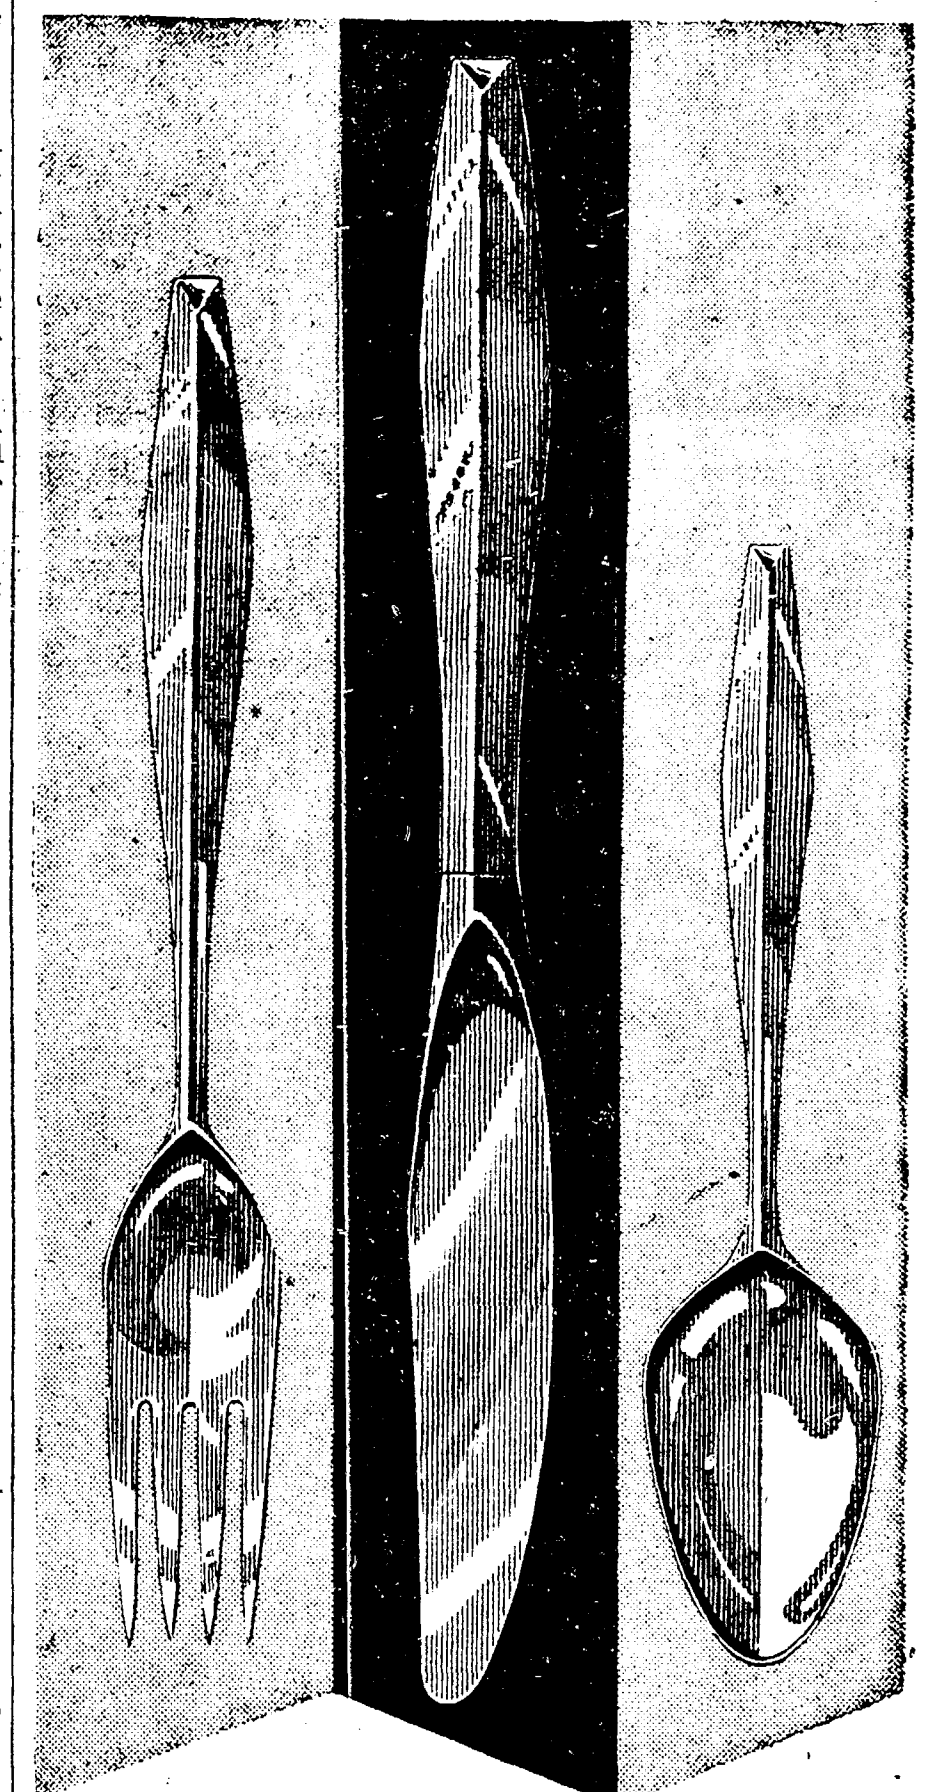

When the newlyweds left on a wedding trip to Bermuda the new Mrs. Bloy was wearing a black and white checked suit with a white hat.

Jean Lowes Engaged To Howard F. Meathe

Mr. and Mrs. Arthur W. Lowes, of Regent drive announce the engagement of their daughter, Jean Arlene, to Howard F. Meathe, son of Mrs. William J. Meathe, of St. Clair avenue, and the late Mr. Meathe.

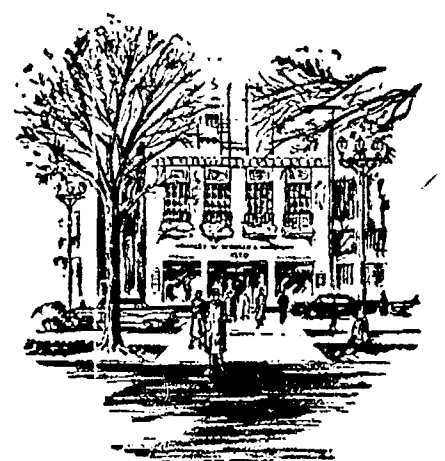

The bridegroom-elect is an alumnus of Wayne State University. The pair plan a late fall wedding.

Doris Rinke Speaks Her Nuptial Vows

Becomes Bride of Arthur Van Lerberghe at Saturday Ceremony in Our Lady Star of the Sea Church

Doris Elizabeth Rinke, daughter of the Norbert Francis Rinkes, of Sunningdale drive, was married Saturday in Our Lady Star of the Sea Church to Arthur Van Lerberghe, son of the Arthur John Van Lerberghe, of East Warren avenue.

For her marriage she chose a gown of white silk taffeta made with a scalloped neckline and sleeves of Alencon lace, the empire bodice deepening into a princess skirt. A three tiered veil of illusion was attached to a contour crown of pearls. She carried white orchids and stephanotis.

Ann Rinke was her sister's maid of honor and the bridesmaids were Ann Marie Koer-

Voters League Changes Name

In authorizing a change in name of the local league, the national board of the League of Women Voters recognized the unique nature of the Grosse Pointe community.

Mrs. George J. Brown, president of the local league, was advised by wire that the national office had instituted a change in policy permitting this league to be known as the League of Women Voters of Grosse Pointe. This change in policy was brought about by a new conception and definition of the meaning of "community."

Since the inception of the league here, the local group, because of national policy, has been known as the League of Women Voters of Grosse Pointe Park and its work has been carried on largely within the Park community although membership and interests have been of the entire Grosse Pointe area. The recent policy decision permits the local league to assume the name League of Women Voters of Grosse Pointe and to serve all five Pointes.

In commenting on the change, Mrs. Brown said, "Local league members, since the beginning of the league here, have recognized that national policy, in certain areas, was a limiting factor in the work of the local league. This group has consistently held that its work was properly in the service of all of the Pointes and that the usual requirement that there be one unit of the league in each municipality was not realistic in the Pointes. We are overjoyed that the national board

has seen fit to permit us to assume a name which indicates more truly the service area of the League of Women Voters of Grosse Pointe.

Mrs. Frank W. Hausmann Jr., past president of the local League pointed out, "The authorization to change the name has come about partly because of the growing realization of the special problems of metropolitan communities. Though the League of Women Voters has been deeply gratified by official recognition that its work encompasses all of the Pointe communities, there is a growing realization that much can be done by units of the League throughout the Detroit Metropolitan area."

Mrs. Berrien Ketchum, president of the League of Women Voters of Michigan, has offered the assistance of the state organization and its local components in a study to be conducted by the recently instituted Michigan Metropolitan Community Research Corporation.

A grant from the Ford Foundation makes this study possible. The Foundation, in a report of a similar project supported by it in St. Louis, gives recognition to the St. Louis League for its work in this study.

Grandparents Going West

Leaving shortly for Denver, Col., will be Mr. and Mrs. Ezra Lockwood, of Moran road. The purpose of their trip is to visit their grandchildren and incidentally their son-in-law and daughter, the Charles Gordon Lees.

They will be gone for several weeks and enroute home after the first of the month will stop off in Des Moines, Ia., for a few weeks.

Bidding goodbye to her grandchildren about the same time will be Mrs. Winslow Howarth, of Washington road. She will be off to Laguna Beach, Calif., where she has taken a house for the summer.

More family news concerns last week's visit of Dr. and Mrs. Charles McKean, of San Francisco, who were here visiting his family, Dr. and Mrs. Richard M. McKean, of Iroquois avenue, and seeing his brothers-in-law and sisters, the B. Courtney Rankins, and the Henry S. Reynolds.

Dr. McKean's uncle and aunt, the Robert McKean, of Ridge road, gave a family dinner for the pair before they left on Monday.

Ibex Dinner Dance

Spring daisies, blooming yellow and white, in bright white flower pots, and a huge striped canopy over the bandstand will be the decorative notes at Ibex's dinner dance May 17.

The party, just for the members, will be held at the Hunt Club and Mrs. John Bockstanz and Mrs. Paul Keller are in charge of the arrangements.

The Walter Crows will give a giant cocktail party before the dinner dance for all the guests in their Berkshire road home.

Messiah Ladies Aid Holding Card Party

The annual Spring Luncheon and Card Party sponsored by Messiah Ladies Aid Society will take place on Wednesday, May 14, at 12:30 o'clock in the Parish House of Messiah Lutheran Church, 14320 Kercheval at Lakewood avenue.

A delicious luncheon is being planned by the committee in charge, followed by card games. Table prizes of hand-made pillow cases will be awarded. Donation will be \$1.25.

Mrs. Ronald Goodwin of Vernier road and Mrs. Carl Fritz of Lakepointe ave. are in charge of arrangements. A cordial invitation to attend is extended to all ladies and their friends.

Trained nurses were employed on a contract basis to meet the nursing needs in certain naval facilities during the Spanish-American War.

Men's Fashions

LIGHTEST TROPICALS EVER

"Water, for the love of Allah, give me water." This line comes to mind when I look ahead to the hot days of summer.

But, when the sun parches the land, and everywhere men seek cooling comfort, I'm buoyed up by the fact that American textile technologists have helped to make men ice-box cool in the summer's stifling heat.

Men's summer suits provide the answer to the hot-weather problem. And today's crop embody the lightest tropical fabrics ever woven.

They are so gossamer-light, so airy, so diaphanous . . . well, they just stagger the imagination. So, my contribution to the comfort of mankind is to suggest that men stagger to Kilgore and Hurd and pick up a couple of these whisper-weight tropical summer suits.

These laugh-at-summer nifties come in a wide variety of fabrications, including dacron-wools, silk & worsteds, all wool tropicals and dacron-cotton blends. They mark the finest hour for the textile technologists and the clothing manufacturers who have tailored and fashioned these cloths into today's smart-looking suits in the slim-line look.

And because these are definitely the lightest tropicals ever shown, men should also pick out lightweight go-togethers in accessories, such as cotton batiste short-sleeve shirts, lightweight socks and shoes.

My reference to the heat of summer and the sun-scorched earth reminds me of the time I was in Montreal and a young chap told a bartender that he wanted to drink Canada Dry. Almost did it, too!

Pointe Yacht Club Holds Fashion Show

Pink Decor Used for First of Two Events This Spring;
Mrs. Paul S. Barker and Mrs. Hamilton
Kocher Head Committee

Add together a day of outdoor sunshine and budding green, a feminine galaxy in smartest hats and costumes, an indoor scene completely dressed in pink—the sum is Grosse Pointe Yacht Club's April 29 bridge luncheon and fashion show, first of the club's spring pair.

Early came Mrs. Paul L. Barker, chairman, and Mrs. Hamilton F. Kocher, chief aide, to check last minute details—one small task was arrangement of rosy-flowered geranium plants on the lace-covered table of pink-wrapped gifts.

The co-chairmen were fashion plates themselves—Mrs. Barker in a black sheer wool sheath, trimly fitted at the waist, with long slim sleeves and high turnover collar. Her hat-cap was of hyacinth blue organdie petals.

Mrs. Kocher's two-piece navy sheer crepe teamed a hip-length bloused-back bodice and slim skirt. Her chic hat was a medium-brimmed roller of navy and white striped silk with matching rose set center-front.

Pink geranium plants were tiered in the rotunda fountain. Others stepped up each side of the grand staircase, offering a blithe welcome as 400 partygoers mounted the stairway to tables in the ballroom.

Tables spelled spring with pink cloths, napkins and pastel-banded china. A silvery white lattice hung with geraniums screened the fireplace.

Even the runway, where Valerie DeGalan presented the style show of stunning spring and summer costumes, was edged with rosy ribbon bands.

Mrs. Charles L. Jacobson, in navy sheer wool collared in white pique, and a small-brimmed navy and white hat, was hostess to her mother, Mrs. Elizabeth Trumbower of Rolling Hills, California; Mrs. Foster Winter, Mrs. James Atkinson, Mrs. Raymond Berry, Mrs. Donald Stevenson, Mrs. Martin Shea, Mrs. John Garberson, and Mrs. Henry Myers.

In contrast were the smart hats of a foursome including Mrs. Charles A. J. Kotcher (tiny head-hugging cap in blue jewel tones), Mrs. Russell D. VanHouten (brimmed white hat with rose-toned flowers at the crown), Mrs. Frank Jenney (white toque banded in gray satin) and Mrs. Kenneth McCallum (big-brimmed navy straw hat—her dress a lighter blue). Mesdames Kotcher, VanHouten and Jenney were in pastel gray suits, different in tone and design.

Mrs. Harry C. Parker was hostess to Mesdames Paul Copeland, Newell Hubbard and Lawrence Wickson. Mrs. Cletus Welling, in skipper blue suit and small-brimmed pastel hat, was noted chatting with Mrs. Charles Wainman. Mrs. Eugene Casaroli and Mrs. William Athanson arrived together.

Mrs. James S. Calder's guests were Mesdames Lee Stoner, William Kincheloe and Burke Arehart. Mrs. Rudolph Opperman ushered Mesdames Peter C. Doderhoff, John M. Finlayson and G. E. Sheldrick to a table. Mrs. Edwin Kriehoff entertained Mesdames Charles M. Long, John Schummer and Arthur Kirchner.

Mrs. Rex Brophy was chic in a rose wool chemise dress and little flowered hat; Mrs. Thomas Fox topped her willow green suit with a hat-bit of flowers; Mrs. Henry C. Weidner wore beige, and a shaped mink stole.

Some people are so busy fishing for compliments that they never land a single bit of success.

Pointers Win Art Awards

Mrs. Robert Thibodeau, of Broadstone road and Mrs. Joseph Thimn of Kerby road are among the Guild Members whose art work will be exhibited in the eighth annual religious art show to be held May 12 to 24 in the galleries of the J. L. Hudson Company, under the sponsorship of the Ecclesiastical Arts Guild of Detroit.

Prize monies donated by Antony Mutschall of Lake Shore road were awarded to Florence Gray for her ceramics inlaid in cement.

Jurors William Woolfenden of the Institute of Arts and Louis Redstone, AIA, selected over forty pieces for the show, awarding five prizes and four honorable mentions.

The C. Allen Harlan Award went to T. C. Knechtges for a group of three wood-carved Crucifixes, and another Harlan award was given to Pointe-known Edgar Yaeger for his mosaic "St. Mark."

Matthew Lasinski's oil "Crown of Thorns" took the Lewis Art Supply Prize, and the Best-of-Show Award, given by the EA Guild, went to Raymond Breinin whose oil "Prophetic Vision" was submitted by the Werber Galleries.

Honorable Mention was made of John Van Haren's silver-crafted holy water font; of "Epiphany Drape" entered by Jean Neiberg of Grailville; of Ann Dann's "Bar Mitzvah" and of "David" by Pem Lumberg-Dixon.

This is the eighth annual exhibition of the religious art and crafts being produced by area artists. The shows are designed to interest the public in a fresh and vital expression of the traditional themes. All work in the exhibit is for sale or similar pieces may be ordered.

Woman's Club To Hold Tea

The Grosse Pointe Woman's Club will meet on Wednesday, May 14, at the War Memorial Center. Tea will be served at one with Mrs. Daniel M. Corson as hostess.

Members of the Garden Group, under the leadership of Mrs. Harold Nofitz, plan to display their flower arrangements and awards will be made. Mrs. Edward V. Luss and Mrs. Warren C. Dillway have promised to make the tea table centerpiece.

The business meeting and the election of officers for the coming year will begin at 1:45 o'clock.

Elinor K. Rose, speaker for the day, will be introduced by Mrs. Kenneth P. Locke. Mrs. Rose is a nationally syndicated feature writer of light verse quatrains for daily newspapers. Her topic is "Sugar and Spice" and her program will consist of witty comments on everyday life.

Mrs. Frank Lister will be co-hostess, assisted by Mesdames Carl Carlson, Joseph Chojnowski, Sidney DeBoer, James Gilmour, Harold W. Harden, Charles Park, Cecil Pollard, Fred W. Rydholm, S. Schlingman, James Scott, John Wetzel, and Frank C. Willson.

For every man who wants to borrow trouble there are many hundreds who are willing to lend it.

Mrs. William P. Cusick, Jr.

At a noon ceremony Saturday in St. Clare of Montefalco Church, JEAN ELIZABETH STEVER, daughter of the Carl H. Stevers, of Balfour road, was married to Mr. Cusick, son of the William P. Cusicks, of Three Mile drive.

Show at DAC Draws Pointers

Many Grosse Pointe members of the Detroit Athletic Club have their sights set on the club's upcoming floor show gala which is to open tomorrow, Friday, May 9, and continue through Thursday, the 15th. Each evening is to be a dinner-dance sparked by the 9:30 p.m. show.

The fiesta will climax DAC's 1957-1958 floor show season and is in the nature of a party dividend before members set off on summer travels. The show galas will resume in October.

Luminaries of May's fun week will be Myrus, a mind-reader whose apparent thought transference amazes audiences, and George Alexander, singer, mimic and guitarist. It will be a repeat appearance at the DAC for the versatile Mr. Alexander.

Dinner is slated for 7 o'clock. Dick Barlow and his orchestra will play for dancing.

Grosse Pointers who've reserved first night tables include Mr. and Mrs. Edwin H. Bower, the William G. Sieberts, the Frank Cavanaugh, Dr. and Mrs. John E. Webster, Mrs. Edward J. Moinet, the Leigh B. Middlemichs, Dr. and Mrs. J. Hilliard Hicks.

Among those planning to attend on later evenings are the Carroll F. Sullivan, Dr. and Mrs. A. D. Ruedemann, the Daniel L. Becks, the Lawrence I. Rubys, the J. A. Mullens, the William Treadwells, the Clarence W. Treadwells, the C. A. Noltes, the David T. Marantettes, and the Henry A. Bokrams.

People who attempt to get something for nothing usually pay about twice what it is worth.

To Hold Show At Lakepointe

Because of an opportunity to see a group of Oleg Cassini originals straight from New York, the women of Lakepointe Country Club are rearranging their May social schedule.

Instead of a tea for new members, there will be a luncheon, fashion show and card party on Wednesday, May 14, for all members and their guests.

Conducting the "crash program" necessary to get this big project completed in a very short time are co-chairmen Mrs. William Bickel and Mrs. Gene Charles. They spent Sunday afternoon at Lakepointe snatching women members from the eighteenth green and the locker room to form a large committee, and soon had volunteers for the necessary jobs.

The party will get under way at 12:30 o'clock. Welcoming the guests will be the hostess committee consisting of Mrs. Herman V. Artt, Mrs. George P. Bell, Mrs. James G. Berry, Mrs. Earl R. Boonstra, Mrs. John F. Cronin, Mrs. Harry Gordon, Mrs. J. Pearson Stanley and Mrs. Harvey E. Woodard.

Piece de resistance of the French luncheon menu will be a specialty brought by the club's new chef from the Troy Country Club in Ohio. It is turkey breast and grilled ham on egg plant topped by Creme Supreme.

After luncheon, Furs by Robert will present a style show.

Members of the club will assist the regular models in presenting the collection. The list will include Mesdames Robert J. Barrett, Rodney Burton, Edward H. Chudik, Edwin F. Dittmer, Herbert S. Epstein, Glen A. Fortinberry, Gordon Howe, Nicholas G. Koppinger, Robert S. Nadeau, James H. Quello, Edward W. Taube and Richard York.

In charge of the card party are Mrs. Donald V. Miller and Mrs. Richard York with Mrs. T. Jack McCullough and Mrs. William E. Sneathcamp assisting.

People who attempt to get something for nothing usually pay about twice what it is worth.

Pair Speak Marriage Vows Saturday Noon in St. Clare of Montefalco Church; Will Live in St. Clair Shores After Trip to Canada

Jean Elizabeth Stever, daughter of the Carl H. Stevers, of Balfour road, was married Saturday noon in St. Clare of Montefalco Church to William Patrick Cusick, Jr.

For her wedding the bride wore a white taffeta gown made with a sabrina neckline accented with net inserts and short sleeves. A tiara held her fingertip veil of illusion and she carried white roses and gardenias.

Anne Marie Cusick, the bridegroom's sister, was maid of honor and another sister, Jeanne Cusick, and Marion Johnson were bridesmaids. They wore azure blue waltz length marquisette dresses. Blue and white carnations made up their bouquets.

Mr. Cusick, son of the William Patrick Cusicks, of Three Mile drive, asked his brother, Paul, to be his best man. Seating the guests were Glenn Eugene Adams, John Sox, Patrick Heck, and another brother, Thomas Cusick.

Following the reception at the Detroit Yacht Club the newlyweds left for Canada. They will live in St. Clair Shores.

Mother, Son Party Planned

A chuck wagon dinner will be served at the Mother-Son Banquet this Friday night at the Grosse Pointe Woods Presbyterian Church.

Bill Shaffer and Sam Ellis will entertain with their western act following the dinner at 6:30 o'clock. Earl Voss, president of the church Thistle Club, will be master of ceremonies.

Kenneth Smith will accompany the western song fest which will climax the evening. Tickets for sons are \$1 and their mothers must pay \$2.

Dusty-Jacoby Vows Exchanged Saturday

Trip to Florida Follows Saturday Rites in Grosse Pointe Congregational Church and Reception At Whittier

Janice Louise Jacoby, daughter of the Norbert A. Jacobys, of Beaufait road, was married Saturday evening in Grosse Pointe Congregational Church to Robert Arthur Dusty.

For her wedding the bride wore a white silk taffeta gown designed with a sabrina neckline, a lace bodice accented with seed pearls and a bouffant skirt applied with lace which deepened into a chapel train.

A seed pearl tiara held her fingertip veil of illusion and she carried white roses, stephanotis, amazon lilies and ivy.

Alice M. Rowe was maid of honor and the bridesmaids were Judith Cook and Mrs. R. M. MacDonald. They wore

ballerina gowns of white organdy embroidered in pink and green. They carried pink carnations and ivy, the honor maid's bouquet accented with stephanotis.

Mr. Dusty asked Duane Finerty, William Ferguson and Robert Chalish to be his groomsmen. The bridegroom is the son of the Arthur M. Dustys, of St. Clair Shores.

For her daughter's wedding and the reception at the Whittier, Mrs. Jacoby wore a pink silk peplum sheath and white orchids. Mrs. Dusty was in pink lace with pink orchids.

When the newlyweds left on a wedding trip to Florida the bride was wearing a royal blue silk cotton suit with a white hat and gray accessories. They will live in Nottingham road.

Lunch Planned By Unitarians

A regular meeting of the Women's Alliance of Grosse Pointe Unitarian Church, 17440 E. Jefferson avenue, will be held at the church on Tuesday, May 13.

A salad luncheon will be served to members and guests promptly at 12:30 o'clock by chairman Mrs. J. W. Chrisman and her committee.

Newly elected president, Mrs. H. H. Reynolds will call the meeting to order at 1:30. Other officers elected with Mrs. Reynolds at the Annual Meeting of April 15 are: Mrs. J. R. Carman, vice-president; Mrs. R. H. Wilde, treasurer; Mrs. W. Elmer, secretary; Mrs. C. Ensor, corresponding secretary.

The program scheduled to follow a brief business meeting promises to be particularly interesting.

Mrs. Russell McLean, who has an extensive background of drama appreciation, will give a review of the current leading plays on Broadway.

Wellesley Club Names Officers

Mrs. John M. Kohler, Wisc., an alumnae trustee of Wellesley College, was guest speaker at the annual meeting of the Detroit Wellesley Club last Tuesday.

The busy mother of four children, Jullily Kohler, has published nine books and numerous stories and articles for children. She travels widely, lecturing on both children's reading and educational problems as well as conducting a radio-quiz program for school children in her own community.

The Touraine road home of Mrs. Henry C. Kohring was the setting for this meeting. Mrs. Paul A. Witzel, of Harcourt road, was in charge of luncheon arrangements.

Retiring president, Mrs. Orvil Aronson of Newberry road, handed over the gavel to newly-elected president, Mrs. George A. Detwiler, of Kenwood court.

Other officers for 1958-1959 are Mrs. John E. Williams Jr., of Manor road, vice-president; Mrs. Samuel Hess, treasurer; Mrs. Charles S. Diehl, recording secretary, and Mrs. Frederick R. Keydel of McKinley road, corresponding secretary.

To Give Guests Ride in Surrey

An old fashioned s Surrey with the fringe on top will convey guests to the Christ Child Society Bundle tea on Wednesday.

The party will be held at the Grand Marais boulevard home of Mrs. George Van Lokeren.

Donations of discarded clothing are the admission to the tea. They will go to the Christ Child resale shop, the Clothes Closet.

Mrs. Melvin E. Duffy is chairman of the bundle tea, assisted by Mrs. William E. Keane and Mrs. Walter Van Goetham.

Mrs. Robert Arthur Dusty

At an evening ceremony Saturday, JANICE LOUISE JACOBY, daughter of the Norbert A. Jacobys, of Beaufait road, was married to Mr. Dusty, son of the Arthur M. Dustys, of St. Clair Shores.

Convent Moms To Fete Girls

Co-chairmen Mrs. Hans Gehrke Jr. and Mrs. Ralph A. Disser expect more than 400 to attend the first Mother-and-Daughter Breakfast of the Parent Association of the Convent of the Sacred Heart, Grosse Pointe, to be held Sunday morning, May 18, at the Grosse Pointe Yacht Club.

Early reservations have been made by the officers of the association, many of whom plan to attend in three-generation groups. President Mrs. Hamilton F. Kotcher, now completing her second successful year in that office, will be accompanied by her daughters Kay and Linda and her mother, Mrs. John P. Martin. Other three-generation parties include Mrs. Arthur G. Seski with her mother, Mrs. Joseph Babie, and three daughters, Valeria, Hedwig and Mira; Mrs. Joseph A. Schrage, with her mother Mrs. Alphonse DePaeppe, and daughters Evelyn, Deanna and Cathy; Mrs. Vincent E. Butterly, with her mother, Mrs. Lewis E. Echlin, and daughter Cynthia.

Reservations have also been made by these Association officers: Mrs. Milton McCaffrey with Cecile; Mrs. Edmund M. Brady with Kathleen; Mrs. Dominic L. Pucci with Lucia Elizabeth and Carol Ann.

This breakfast will be the climax of the Parent Association's 1958 fund-raising drive. The proceeds from this annual effort help to defray the cost of needed improvements in the school and on school property. The funds from last year's drive, which terminated with a highly successful dinner-dance at the Grosse Pointe Yacht Club, were used for chapel redecoration, landscaping and pre-school building modernization.

Giltner-Kimerly Vows Spoken

At her Renaud road home on Saturday Mrs. Harvey L. Kimerly became the bride of Justin L. Giltner at a noon ceremony at which Dr. Frank Pitt officiated.

For her wedding the former Mrs. Kimerly chose a champagne chiffon gown made with a wide set in belt and deep ruching of taffeta at the hemline.

Her only attendant was her daughter, Avery Lynn Kimerly, who wore a natural raw silk sheath trimmed with a collar of white organdy.

Mr. Giltner, of Santa Rosa drive, asked his cousin, Thomas Roth, to be his best man.

When the Giltners return from a two-week motor trip they will make their home in Renaud road.

Society Editor Offers Apology

Due to an oversight of the society editor the announcement of Shirley Ann Smith's wedding to Thomas J. Morrin was printed prematurely in last week's edition.

The two will be married on June 14 in St. Paul's on the lakeshore. We regret this error.

TIP TO MOTORISTS
Safe driving is serious business, be alert and steady—don't drive in the past tense.

Potter to Talk to GOP Club

Frank E. Avren, campaign director for Senator Charles E. Potter, will be the guest speaker at the May meeting of the Women's Republican Club of Grosse Pointe on Thursday, May 15, at the Grosse Pointe War Memorial.

He will talk of Republicans, Republican organizations, campaign techniques and answer all questions concerning the campaign for the re-election of Senator Potter in 1958.

A graduate of Ohio State University and resident of Bexley, Ohio, Mr. Avren is engaged in public relations and has acquired a national reputation as a Republican campaign director. He participated in the successful campaigns of John W. Bricker for governor of Ohio and Robert A. Taft for senator.

Mr. Avren has been on the staff of several newspapers in Ohio and Illinois and the Associated Press in Louisville, Kentucky. He is a former editor of the Ohio Republican News and public relations and publicity consultant to Ray C. Bliss, GOP Chairman of Ohio.

Mr. Avren will speak in the library following luncheon in the main reception room. Luncheon reservations must be made by noon of Tuesday, May 13 by telephoning Mrs. Robert E. Waldron at TU 2-5117 or Mrs. Henry E. Bodman II at TU 1-6511. All Republican women are invited.

Revenge Sweet for Pointe Cindermen at Royal Oak

Grosse Pointe's league leading Blue Devil track team continued to move towards its second consecutive Border Cities League title by walloping Royal Oak 89 5/6 to 19 1/6 in a revenge match last Friday, May 3, on the Acorns home track.

Not many of the lads on this year's Devil team were on the squad when the Acorns sneaked the BCL title away with a tricky disqualification in the last event of the meet on the same track two years ago. But guys like veterans Bruce Boardman and Dick Knapp remembered and they steamed up the current edition of thinclads to fever pitch with stories of that meet and the Devils produced a near perfect performance. The defeat was the worst in Royal Oak's track history.

Remington "Skinny" Purdy was particularly impressed with the story told by Boardman and proceeded to completely annihilate the Acorns milers with a sparkling 4:31.9 time in the mile. This is the best time ever posted by a Grosse Pointe cinder pounder. "Skinny" currently holds the Grosse Pointe school and track record in the mile which is 4:36.0.

The Devils tuned up for the Royal Oak meet with a lopsided 85 1/2 to 23 1/2 victory over non-league Port Huron on the Big Reds' home track on Tuesday, April 29.

The two victories gave the Pointers a 3-1 standing for the season. The only loss was administered by 1957 State champion Pontiac which is regarded as a top heavy favorite to repeat in this year's State meet to be held at Ann Arbor, Michigan Saturday, May 24.

Particularly impressive in both meets was the performance of hurdler Denny de Manigold who paced the Devils' slam in the 120 yard high hurdles in the Port Huron meet and placed first in the same event in the Royal Oak meet.

At the beginning of the season Denny was just another clumsy hurdle candidate and in the first three meets he took his lickings like a fine sport. But all the time he was learning and the results of his learning are beginning to pay dividends in a spot where the Pointers were woefully weak at the start of the season.

Being a sophomore de Manigold has many races to run before he graduates and Coach Howard MacAdam feels he will develop into one of the brighter Blue Devil stars—maybe not this season but next.

Boat Banter

Keeping our promise to run the balance of reported Ian Proctor's eye witness account of the launching of England's challenging 12 metre yacht "Sceptre", which appeared in the April 3 issue of The Daily Telegraph, we offered the second part of the story which is as follows:

"Sceptre" is elegant without a doubt, but above all she has a wholly practical look about her. She is a racer; that is her sole purpose. It is a long time since a yacht of comparable size has been built in Britain with such single-mindedness directed at speed above all else.

After the launching ceremony there was a reception in the shed in which "Sceptre" had taken shape since her lead keel was cast on October 10, 1957. She has grown quickly in that shed, for her planing was completed on February 12, only seven weeks ago.

The next few days will be spent preparing "Sceptre" for her first sailing trials. There is a lot of scientific equipment to be installed, though I understand that her designer David Boyd, is determined that she shall not be cluttered up and overburdened by scientific devices, the value of some of which is at present debatable.

Some of this electrically-operated equipment requires heavy batteries to run it. Some has to be installed near the masthead, and since David Boyd has been at pains to save ounces everywhere else but in the keel it is natural that he should battle vigorously to keep weight out of the yacht above the waterline—particularly on her spars and rigging.

The Royal Yacht Squadron syndicate which is financing the building of "Sceptre" and her challenge is headed by Mr. Hugh Goodson, who laid the foundation of the project with Lord Runciman in 1956.

Other members of the syndicate are Lt.-Col. Arthur Acland, Mr. H. A. Andrae, Viscount Camrose, Mr. B. Currie, Group Captain Loel Guinness, Major H. W. Hall, Sir Peter Hoare, Major R. N. Macdonald-Buchanan and Mr. Charles Wainman.

The "Sceptre" is the seventeenth challenge for the America's Cup, and though a number of defenders have been financed by syndicates, "Sceptre" is the first challenger not to be owned by an individual. In each case, however, the challenge is made by a yacht club, not the owner of the yacht.

The last challenger to be built on the Clyde was Sir Thomas Lipton's "Shamrock III", 55 years ago. So far challenges for America's Cup have been singularly unsuccessful. There have been 16 contests comprising

Blue Devil Nine in Cellar After Two More Defeats

As early as indoor pre-season practice baseball coach Ed Wernet said, "We have few veterans left from last year's team and the replacements are young and inexperienced. We are going to lose many ball games before these lads find themselves."

So far this season the Devils have only won two of six games and one of the victories was over non-league East Detroit.

The most recent setbacks suffered by the "Green" Devils came at the hands of Fordson, 7-2, Thursday, May 1, and Royal Oak, 6-1, Monday, May 5. In both instances inexperience was the prime factor.

Errors Are Costly
Errors, throwing to the wrong bag and just plain mechanical mistakes and the failure of the few veterans to play up to expectations have pushed the Devils down to the bottom of the pile in the Border Cities League race with a 1-4 record.

Against Fordson on May 1 sophomore Mike MacDonald received the starting pitching assignment. After an impressive first inning stint MacDonald was lifted after walking the first four men to face him in the second inning. It was in this inning that the Tractors pushed across all of their seven runs and locked up the win. Marv Fodor was the winning pitcher. He allowed 2 runs on 5 hits.

GPUS Tracksters Defeat Maumee
Because host school Maumee Valley Country Day School did not have hurdles and pole vault equipment Grosse Pointe University School was forced to squeeze out a 45-32 victory last Friday, May 2.

Paced by Dick Johnson and the GPUS foreign exchange student Tom Shanke the Black Knights moved out in front at the outset of the meet and were never headed.

Shanke tied for first in the high jump and captured the mile run. Johnson also tied for first in the high jump, won the board jump, and placed second in the 100 yard dash.

U-M Sailors Retain Trophy

The University of Michigan's sailing team retained the Bayview Yacht Club Michigan Intercollegiate Dinghy trophy last Saturday, May 3, with a thrilling victory in the last race of the 16-race series sailed off Bayview Yacht Club on the Detroit River. U of M scored 61 points and was followed by U of Detroit 58, Wayne State U 57 and Michigan State 44.

Although Michigan held a comparatively wide margin over second place U of D, the series wasn't decided until the final race in which Pointer Otto Scherer, Jr., scored the important win of the day. This was a fitting climax as Scherer was the lad who practically put U of M out of contention early in the series when he suffered the only disqualification.

The disqualification put U of M seven points behind leading Wayne State but Bruce Goldsmith and Scherer and their crews came back in grand style to tie the series with Wayne in the fifteenth race at 56-56 to set the stage for the finale.

In the final race it was Scherer against Tom Johnstone, Commodore of the Wayne Sailing Club who had been carrying the brunt of the load for his school all day.

Scherer got a beautiful start and close behind was U of D and then came Johnstone who was a distant third and appeared out of the race at the outset. But Johnstone maneuvered his little twelve and a half foot MIT dinghy into a close third at windward mark. Johnstone overtook Scherer at the second mark and held a two-boat lead as the pair neared the third mark. It was here Scherer called upon all of his sailing knowledge and maneuvered into a position that gave him the right of way at the mark and he moved into a two-boat lead. As the pair battled down the last 100 yard leg of the course to the finish line, Johnstone split tacks and Scherer appeared to ignore him. But at the precise moment Scherer tacked to cover his opponent and at the same time Johnstone tacked and attempted to cross Scherer on the port tack, but just missed. As he swept under the stern of Michigan boat he failed to notice the U of D boat coming up fast on the favored starboard tack. It was too late for Johnstone to do anything but try to squeeze past the bow of the U of D boat. He didn't make it and was disqualified. U of D went on to take second place behind Michigan and qualify for the Intercollegiate Nations which will be sailed early in June. It was a bad break for the Wayne Commodore and it was

Devil Golfers Beat Monroe

Coach Paul Wheeler's Blue Devil golf team captured its opening match by beating Monroe 377 to 398 on the Monroe Country Club course last Monday, May 5.

It was the first time in two years that a Blue Devil golf team had tasted victory.

Medalist honors were shared by Joe Belfore of Grosse Pointe and John Walker of Monroe. Both tied 86's for the eighteen hole match. The two medalists were followed by Bill Price (M) and Norm Forrester (GP) 88's; Jeff Strayer (GP) 97; Bill Scott (GP) 106; Don Huber (M) 107 and Randall Daniels (M) 117.

The Blue Devils will next meet Royal Oak on Monday, May 12, on the Lochmoor Golf Club course which is the Blue Devils' home course this year. The Regional tournament will take place Friday, May 16, and will be played at Burroughs' Farms in Brighton. The State tournament will be played at East Lansing on Saturday, May 24.

The remainder of the Devils' schedule is as follows; May 19, Monroe at Grosse Pointe; May 21, Grosse Pointe at Royal Oak.

U-M Sailors Retain Trophy

The University of Michigan's sailing team retained the Bayview Yacht Club Michigan Intercollegiate Dinghy trophy last Saturday, May 3, with a thrilling victory in the last race of the 16-race series sailed off Bayview Yacht Club on the Detroit River. U of M scored 61 points and was followed by U of Detroit 58, Wayne State U 57 and Michigan State 44.

Although Michigan held a comparatively wide margin over second place U of D, the series wasn't decided until the final race in which Pointer Otto Scherer, Jr., scored the important win of the day. This was a fitting climax as Scherer was the lad who practically put U of M out of contention early in the series when he suffered the only disqualification.

The disqualification put U of M seven points behind leading Wayne State but Bruce Goldsmith and Scherer and their crews came back in grand style to tie the series with Wayne in the fifteenth race at 56-56 to set the stage for the finale.

In the final race it was Scherer against Tom Johnstone, Commodore of the Wayne Sailing Club who had been carrying the brunt of the load for his school all day.

Scherer got a beautiful start and close behind was U of D and then came Johnstone who was a distant third and appeared out of the race at the outset. But Johnstone maneuvered his little twelve and a half foot MIT dinghy into a close third at windward mark. Johnstone overtook Scherer at the second mark and held a two-boat lead as the pair neared the third mark. It was here Scherer called upon all of his sailing knowledge and maneuvered into a position that gave him the right of way at the mark and he moved into a two-boat lead. As the pair battled down the last 100 yard leg of the course to the finish line, Johnstone split tacks and Scherer appeared to ignore him. But at the precise moment Scherer tacked to cover his opponent and at the same time Johnstone tacked and attempted to cross Scherer on the port tack, but just missed. As he swept under the stern of Michigan boat he failed to notice the U of D boat coming up fast on the favored starboard tack. It was too late for Johnstone to do anything but try to squeeze past the bow of the U of D boat. He didn't make it and was disqualified. U of D went on to take second place behind Michigan and qualify for the Intercollegiate Nations which will be sailed early in June. It was a bad break for the Wayne Commodore and it was

Center Offering Tipton Concert

The Detroit Symphony's 1st flutist, Albert Tipton, and his concert-pianist wife, Mary, will give a program at the Grosse Pointe War Memorial, this Sunday evening, May 11, at 8 o'clock.

After the ceremony, everyone is invited to an informal reception and refreshments in the Center's dining room where everyone will have an opportunity to meet Grosse Pointe's talented new residents, the Tiptons.

Acting as hostesses will be the ladies who formed the special Music Committee for this concert: Mrs. Daniel W. Goodenough, chairman; Mrs. Philip C. Baker, Mrs. Frank W. Coolidge, Mrs. Thomas V. LoCicero and Mrs. Richard K. Simonds.

Tickets for this musical treat are available at the Center, TU 1-7511. The audience is limited to 175 so that it may be advisable to purchase tickets in advance, through while they last they will be sold at the door.

Pouring at the tea table will be Mrs. Alexander L. Wiener and Mrs. W. C. Witherwell. Among prominent music lovers present will be Mrs. Russell Alger, Mr. and Mrs. Ferdinand Cinelli, Mr. and Mrs. John B. Ford, Jr., Mrs. Jerome Remick, Jr., and Mr. and Mrs. Robert Semple.

Power Squadron Meeting May 13

The Grosse Pointe Power Squadron will hold its last meeting of the winter season at the Grosse Pointe Y.C., on Tuesday, May 13. The meeting will get underway at 6:30 p.m., and will be the first under its new Commander Lawrence Reis, who recently assumed leadership of the squadron.

The three guest speakers will be: Earl Multog, of the Allis-Chalmers company, who will discuss motors; Walter Sahli, district director of Immigration and Naturalization, whose topic will be check-in points for pleasure craft returning from Canada; and Don Fowler, of the Michigan Bell company, who will talk about radio telephones.

The first summer activity of the squadron will be "Operation Mine Sweep" which will take place on June 7 or 14 depending on the weather. If weather conditions permit the first date will be used.

Men's Garden Club Plans May Children's Contest

Men's Garden Club of Grosse Pointe will inaugurate an annual Children's Garden Contest in May, along lines developed in other areas, it was announced by John R. Dice, club president.

Since there are approximately 7,500 children in the first six grades in the entire Grosse Pointe area, this year's contest will be restricted to pupils in the Gabriel Clarence School. This month, Clarence J. Mesner, principal, and the faculty, will distribute enrollment blanks and free seeds to children who desire to participate.

The pupils will be divided into three groups: Class A (Grades 1 and 2); Class B (Grades 3 and 4); and Class C (Grades 5 and 6). Entrants in all classes will be required to grow zinnias and sunflowers. In addition, Class A entrants will be required to grow one other annual (their choice); Class B entrants, two other annuals; and Class C entrants, three other annuals.

Three prizes or ribbons will be awarded in each class, together with a grand prize for the tallest sunflower. Members of Men's Garden Club of Grosse Pointe will do the judging, in June, July and August. Awards will be presented at the first fall meeting of the Parent-Teachers Association. Elmore Frank, official

Burglar Visits Sinkutch Home

William Sinkutch of 1318 Maryland, left home for nearly half a day, and returned to find that someone had broken into the house.

The breaking and entering was reported to Park police on Tuesday, April 29.

Sinkutch told authorities that he left home about 1 p.m., and returned around 12:30 a.m. and found the rear door open. A check of the premises showed that a drawer in the dining room bureau and a dresser drawer in a second floor bedroom had been ransacked and left open.

Police surmised that the burglar had entered the house through the window, it is believed. Sinkutch had left unlocked. There was no evidence of jimmy marks, but scuff marks on the window sill bore out the burglar's mode of entrance.

Sinkutch said our sets of cuff links belonging to his son, Harry, were taken from the bedroom. A gold wrist watch, a gift to the older man from a firm he served for 25 years, was believed taken from the dining room drawer. It was found in the house later. It had been misplaced.

As far as can be determined, nothing else was missing.

G.P.U.S. News Notes

"A Night of Music" was the title of last Friday evening's activities at Grosse Pointe University School when the Glee Club and Upper School Band presented a concert. For the band the evening was a "first," their first public performance since they were formed last fall under the direction of Mr. David Arner. Mr. Arner conducted the various numbers throughout the program and was assisted by Mrs. Hortense Robinson.

Members of the Junior Glee Club are Mimi Amerson, Karen Bambas, Danielle Harris, Lynn Holley, Star Langston, Linda Parnell, Leslie Pearce, Leslie Rein, Linda Stroh, and Janet Walton.

In the Senior Glee Club, with Robin Harris as president and Sally Lewis as Secretary-Librarian, are these sopranos: Cindy Beeman, Cathy Bicknell, Peggy Carpenter, Marilyn Davis, Julia Ferry, Alice Gage, Muffie Galloway, Karen Jocz, Polly Kammer, Sally Leisen, Pam Macpherson, Carolyn Nyman, Lynne Randall, Julia Walbridge, and Joanne Wolfe; these tenors: George Haggarty, Tom Smith, and Frank Weaver; these altos: Darcy Chandler, Ann Fink, Robin Harris, Carolyn Jacobson, Sally Lewis, Janet Old, Jane Peirce, Marana Tost, Jean Templeton, Judy Van Riper, Alice Wardwell, Nancy Webber, Hedy Whitehead, and Connie Wendin; and these basses: Andrew Court, Jim Forster, Stephen Norcott, Greg Otte, and David Templeton.

Band members are the following: flutists: George Boller, Star Langston, and Margaret Van De Graaf; clarinetists: Stephen Norcott, John Golanty, Peter Monroe, John Lafer, and Bayard Blessing; saxophonists: George Lott and Jac Ritter; trumpeters: Jack Pingel and David Hughes; trombonist: Chip Munger; and percussionists: Doug Veech, Robert Phelps, and John Evans.

Robin Harris and Jim Forster sang "Set Down, Servant" together. Mimi Amerson was soloist in "Russian Picnic." A trio, made up of Robin Harris, Joanne Wolfe, and Jean Templeton, sang "Tonight" from "West Side Story." Polly Kammer sang "Somewhere," also from "West Side Story."

The attractively designed program was drawn by Jeanne Bambas. She used a musical score for the cover and made it long in appearance, like the "Tall Book" children's series.

A mere listing of the singers and of some of the numbers, as above, does not indicate the real success of the evening, which everyone agreed on.

Last Wednesday saw an interesting morning assembly presentation of art awards on the one hand and of advance publicity for the upcoming carnival of June 6-7 on the other. Miss Diana Silvius, teacher of art, Mr. John Chandler, Jr., headmaster, and Mr. Gordon Wood, of the Board of Trustees, joined in making the presentation of awards to talented winners in the Scholastic Art Awards contest and to winners in the G.P.U.S.-sponsored posters-for-the-carnival contest.

Winners of the very important Scholastic Art contest were Pat Standart, with the top award of a blue ribbon; Ann Collins and Margaret Hakken, keys and certificates; Melinda Bryan, two certificates; and Sue Buttrick and Joanne Wolfe, one certificate each.

Winners in the poster contest, Junior Division, were 1) Marcia MacDonald; 2) Nancy Fisher; 3) Susan Fink; 4) Tina Conley; Honorable Mention: Margaret Holley and Meg Van De Graaf, Senior Division winners were, 1) Claudia Gage; 2) Melinda Bryan; 3) Elena Grossi; 4) Jeanne Bambas; Honorable Mention: Sue Buttrick and Kry's Glancy.

49 races. The American defenders have won every contest and 44 of the 49 races, and in 14 contests the challengers did not win a single race.

GPUS Netters Still Unbeaten

Grosse Pointe University Schools' undefeated tennis team continued to whack down opponents in rapid fire order last week to keep its winning streak alive at five in as many starts this season.

GPUS nailed Maunee Valley 8-0 while losing only five games in the eight matches on Tuesday, April 29. The Black Knights followed with a thrilling 5-0 victory over Ann Arbor University High on Friday, May 2, on the GPUS courts.

Bill Lewis captured the number one singles 7-5; 8-6 over Ron Lee; Bruce Birgboer squeezed out the number two singles over Charles Maier 6-4; 4-6; 6-3 and Peter Monroe walloped Jack Maier 6-1, 6-0 in the number three singles.

In the doubles it was Bob Wood and George Haggarty over Dan Griffin and Denny Chandler 6-1; 6-1 and Dave Templeton and Dick Barton over Jim Sutherland and Bill Praken 6-1; 4-6; 6-1.

In 1865, after the siege of Vicksburg, the Navy outfitted a confiscated Confederate steamer as a floating hospital. Nuns of a nursing sisterhood went aboard to care for the patients.

To some extent the rules were rather biased against the challenger, though the records indicate the weaknesses have been not in the yachts themselves, but in their sails, rigging, helmsmanship and crewing.

For example, "Shamrock V's" defeat by "Enterprise" in 1930 seems to have been the most inevitable, despite the fact that "Shamrock V" probably had a better hull form.

The American "Enterprise" had a light alloy mast 20 per cent lighter than "Shamrock's" hollow spruce spar, and "Enterprise's" tubular steel cross trees weighed 384 pounds less than "Shamrock's." The savings of weight aloft was of tremendous advantage to the defender.

All those concerned with the present challenge are aware of these previous shortcomings and are determined to avoid anything of the kind this time.

All are conscious of the next phase in the operation—the selection and training of the crew and the tuning of the yacht — is perhaps most important of all, apart from the actual conduct of the races themselves off Newport, Rhode Island, in September.

The sounds of the guns at Gettysburg were another world away from the soft breezes blowing from Lake St. Clair across the piazzas of the Pointe's early resort homes in the hot July of 1863. But the Lothrop's, the Brushes, the Duffields, and their French neighbors had only to look at that same lake to be reminded that the Civil War's biggest battle was taking place in a Pennsylvania farm meadow.

Detroit and its environs were in a constant state of alarm all through the war because its territory could be easily reached by Confederate sabotage agents working out of Canada. The steamer "E. A. Brush" was patrolling the Detroit river and Lake St. Clair keeping a vigilant eye open for a Confederate attack.

A huge prison camp near Sandusky, O., had been the focus of a daring plot by underground agents in gray led by John Y. Beall. The plot was foiled but Detroiters were never easy during the years from 1861 to 1865.

Sons of the Pointe's most prominent families were training at Camp Backus carved from the Joseph Campau farm on Clinton avenue, not too far from the Pointe. On Vernor highway the 24th Infantry which was part of the famous "Iron Brigade" which suffered heavy losses at Gettysburg, had marched.

In 1861 Detroit marked its 160 birthday but Indians were still seen in the streets and the forest was still crowding most of the Pointe's shore line.

Detroit had been an important stop on the Underground railway for escaped slaves and many prominent citizens were abolitionists. Lothrop's, Duffields, Brushes and their kin had the opportunity to hear John Brown when he escorted a group of slaves from Missouri to Canada.

General Lewis Cass, related to the Lothrop's, had resigned from President Buchanan's cabinet before Fort Sumter, because he felt the Chief of State was too easy on men in his cabinet like John B. Floyd, Southern Secretary of War.

6,000 of the area's 45,000 population served in the Union Army. There was no Red Cross then but the matrons of the city organized the first Ladies' Soldiers Aid Society in the country in 1861.

When Lee surrendered at Appomattox, Detroit celebrated with a five-day holiday and on April 19 Governor Crapo proclaimed a day of fasting and prayer, along with the rest of the nation, which was mourning President Lincoln.

The Soldiers and Sailors monument on Campus Martius honors the city's and county's sons who fell in the Civil War. The Pointe, which had been a sleepy hamlet visited by a few of the city's elite, soon after the surrender, began the great residential expansion which continues today.

Alumnae gathered at the Little Club last week for the annual Liggett School Founders Day luncheon were a bit agitated at one of their members who evidently had forgotten the date. She arrived at the club, in Bermuda shorts, with her cocker spaniel. The doggie caused some consternation running about the dining room sniffing ankles while the reports and business of the meeting was in process.

We've always been sure that Grosse Pointe teachers are the MOST, but Brenda Harris, who teaches third grade at Kerby School is even more spectacular than the average. Miss Harris has her law degree and can practise at the bar in Texas. She is also a senior member of the Inter-American Bar Association, which meets every two years in South America or the US and is a great aid to Miss H. in improving her Spanish, yet another of her accomplishments.

Mrs. Eugene Freitas, hard working committee member for the Christ Child Society, which is holding its national convention here, with four other devoted ladies, has stitched over 200 blue denim tote bags as gifts for the out-of-town delegates.

It's quite a feather in the cap of Mrs. Edward Cope Smith to have an authoress in her family, although it's no surprise to former schoolmates of talented, Mrs. T. S. Digby-Seymour. The authoress lives in Ennismore Gardens outside of London and the book will be published by a British firm this spring.

PILFERINGS

No one can make you feel inferior without your consent... Eleanor Roosevelt.

Men fall for her the way coal falls into basements... Kathleen Norris.

She wore a bathing that fitted like a sunburn... Vogue.

An American was being shown a big Soviet sign factory. "We turn out about 500 signs a week," proudly said the Russian. "and when business demands it, we can step it up to 2,000."

"Amazing!" said the visitor. "By the way, what do the signs say?"

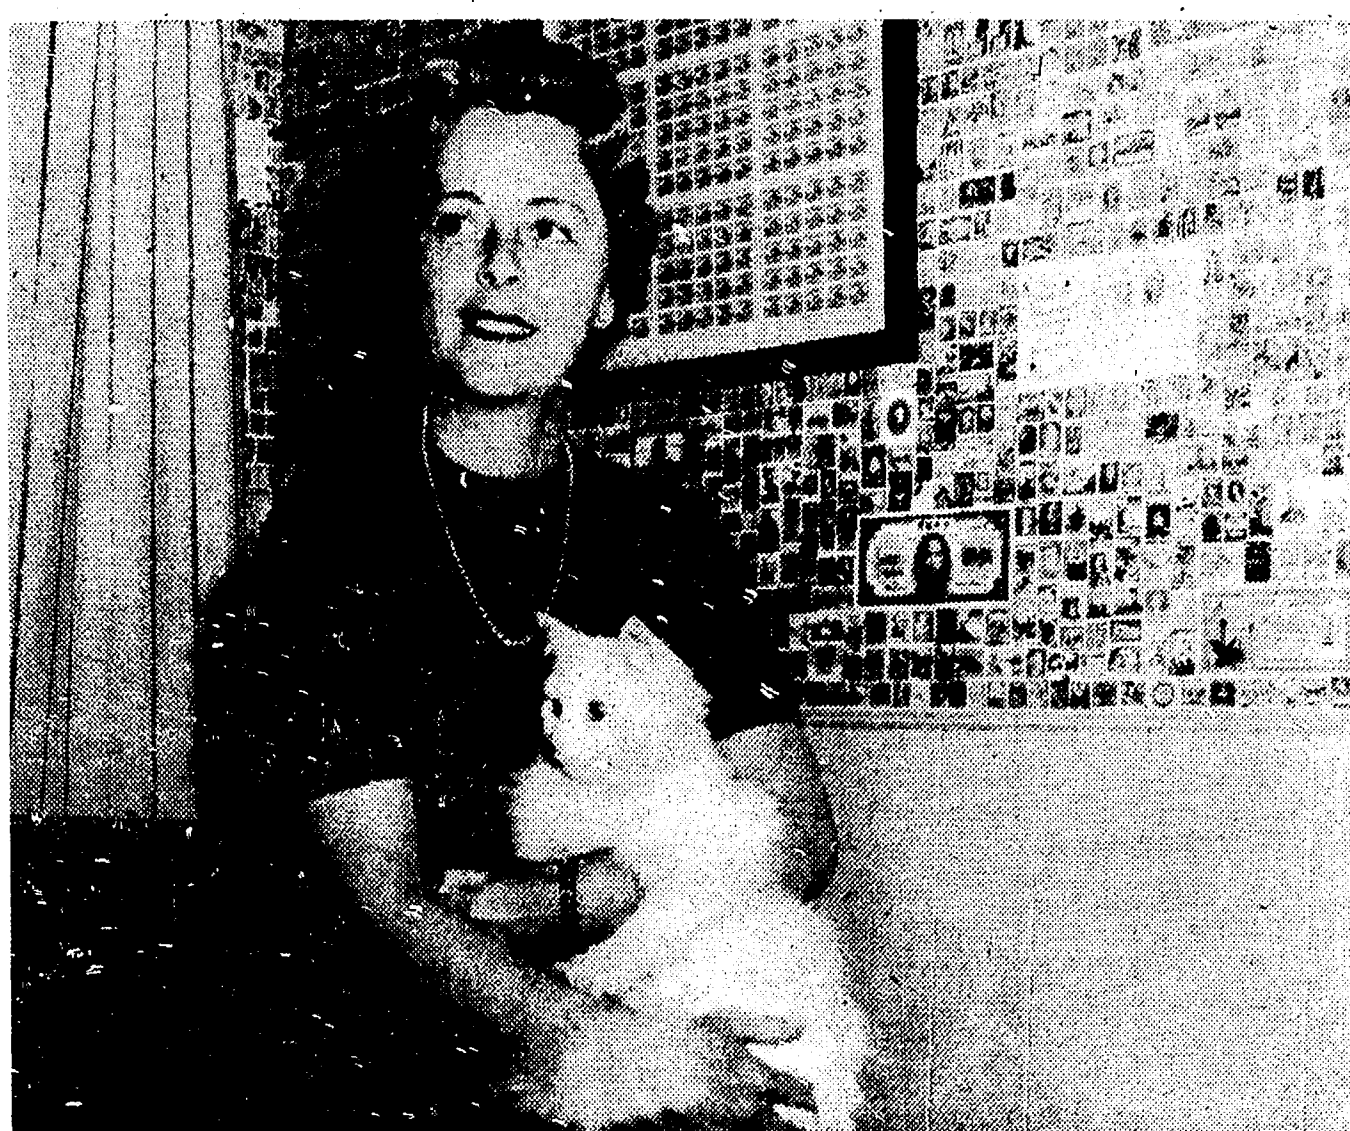

"Elevators not running" was the answer.

A lady returning from Europe told us that when she asked in a London bookshop for a copy of James Truslow Adams' "Epic of America", the elderly shop assistant seemed a bit mystified. Was it a North American travel book? The lady explained in some detail. Whereupon a dim light broke over the gentleman's face. "Ah, yes," he said. "While I don't know the book, you'll doubtless find it under Colonies." And the jolly part of it is that's just where she found it. Collier's.

One night in New York friends of Mark Twain, remembering that it was the author's birthday, decided to send him a letter of congratulation. But no one knew in what corner of the globe he happened to be, so they addressed it: "Mark Twain, God knows where." Several weeks later they received a note from Italy which consisted of two words: "He did."

If you want to make a dangerous man your friend, let him do you a favor... Lewis E. Lawes, Warden of Sing Sing.

MRS. HALL LIPPINCOTT, OF RIVARD BOULEVARD

By Patricia Talbot

—Picture by Fred Runnells

When a group of determined Pointe mothers get together there isn't much they can't accomplish, and the High School Mothers' Club for some seasons past, under the direction of women like Mrs. Hall Lippincott, has been working hard to raise scholarship money for worthy students.

The biggest fund raising effort they have is the Mothers' Club spring tea, this year headed by Mrs. L., a trim blond unbelievably the parent of a college aged son, David, and a senior GPHS daughter, Cynthia.

On Friday over 1500 mothers will turn up in the gymnasium to play cards and sip tea in aid of the scholarship drive. It's Mrs. Lippincott's job to see that the decorations are lovely, the tea plentiful and the card tables ready. Last year the Mothers' Club raised \$4200 for scholarships.

Although the tea is the climax of the year the Mothers' Club, corresponding to the elementary schools' P-TAs, has many other important functions. The club conducts panel programs, is responsible for the high school open houses, introduces new parents, helps form a conduct code for the students, and sponsors the buses which carry the fans to football and basketball games.

The vast membership of the Mothers' Club is handled by neighborhood groups, some having been in existence since the school opened its doors in 1928. About 550 mothers are involved in the neighborhood groups which meet monthly for sewing or cards. The total membership of the Mothers' Club is about 1500, which means that many mothers have paid their \$1.00 dues for the year.

Mrs. Lippincott has been active in the group for many years, since her son, now at Northwestern, was a student at the High School. She enjoys her many contacts at the school and believes the club helps parents to know their children's teachers, the curriculum and where to go for advice about problems, and to offer suggestions.

Aside from her giant task of guiding tea arrangements Mrs. L. these sunny days is most happy on the golf links. She's women's champion at Lakepointe Country Club and admits that in the summer she puts off much of her civic responsibility so she can be on the greens every day.

A Vassar graduate, the attractive Mrs. L. is interested in a variety of activities. She has been on the board of Junior Goodwill Industries for many years, is active in the Kappa Kappa Gamma alumnae chapter (she spent one year at Northwestern) and loves to act in Theater Arts productions. She had a part in that group's recent "Cradle Song." She feels that today's student at GPHS takes his studies very seriously. Her daughter,

Mrs. Lippincott has been for many weeks working on a mosaic wall which she says means they must live in this house forever. She has painstakingly pasted every duplicate stamp in her husband's huge collection on the wall to form a striking design. Now she's through and ready for summer golfing.

Mrs. Lippincott is just one of the many mothers whose devotion to their children, interest in education, and ability to contribute to their community is evident in the interest they take in organizations like the Grosse Pointe High School Mothers' Club.

They know their children are getting a fine education, they will do all in their power to help teachers, principals and the students themselves continue to prove that their neighborhood has one of the best schools systems in the country.

Find Bargains at Book Fair

Bargains in books in a gay Parisian setting will soon be found by book lovers of Grosse Pointe. They will be poking into Paris book stalls to browse among the numerous books and prints contributed by donors from all over the Pointe to the League of Women Voters Book Fair.

This bit of Paris will be found on the lawns of the Grosse Pointe War Memorial Center on Saturday, May 24, from 10 to 3 o'clock. Mrs. Carl J. Fischer, Jr., who is in charge of staging the fair, will have members of the league clad in colorful smocks and berets tending the book stalls. Gay floral bouquets will add to the beauty of the setting in the gardens of the War Memorial.

There will be hundreds of books for adults and children. Lovers of mystery stories will find their favorite authors represented both in paper backs and hard covers. Old school books bringing back memories of childhood experiences will be found next to many others of general information. Books on favorite hobbies will intrigue some of the purchasers.

Some nature lover will find delight in a beautifully illustrated book, "Wild Flowers." Some lucky family will add to its home library a handsome set of "Journeys Through Bookland." Some of the copies of "Popular Science" may appeal to the young scientist. The serious collector may be interested in "first editions" or autographed copies. For the person interested in religion there is the "One Volume Bible Commentary." The many categories will include classics, new and old fiction, history, travel, humor, mysteries, cooking, plays, poetry, business, religion, hobbies, children's books, and magazines, and many others.

Mrs. Taylor Seeber and Mrs. Miles McKee are in charge of the event and Mrs. Donald McConachie is handling publicity. There will be no May unit meetings of the league so that members may concentrate their efforts on the success of the Book Fair.

OLD FASHIONED SUGAR COOKIES

Contributed by

Mrs. Charles E. Cahill
2 1/4 cups sifted flour
1 1/2 tsp. baking powder
1/4 tsp. salt
1/4 tsp. nutmeg
1 1/2 tsp. grated lemon rind
1/2 cup butter
1 cup sugar
2 eggs well beaten
1 Tb cream
Sift flour. Measure and add dry ingredients. Then sift again. Add lemon rind to butter and cream thoroughly. Add sugar gradually and beat until light and fluffy. Add eggs and cream. Beat thoroughly. Add flour gradually and blend. Chill until firm enough to roll. Roll 1/8 inch thick on lightly floured board. Cut with floured 3/4 inch cutter. Sprinkle with sugar. Bake on ungreased baking sheet in 400 degree oven for about 10 minutes. Makes three dozen cookies.

Miss Schulte Named Queen

Blue-eyed, blonde Kathleen Jo Schulte, of Audubon road, will reign as Queen of the University of Detroit Carnival Friday and Saturday (May 9 and 10) at the State Fair Coliseum.

Miss Schulte, 21 year old daughter of Mr. and Mrs. Joseph A. Schulte, has led the life of the most glamorous celebrity this week, appearing on radio and television shows and eating her share of creamed chicken luncheons in her honor.

A senior in the College of Arts and Sciences, Miss Schulte is majoring in education and doing practice teaching along with attending classes.

She is a member of Kappa Beta Gamma sorority and works on the Tower, student year book.

The Arnold Air Society, made up of honor Air Force ROTC students, sponsored Miss Schulte in the Queen contest.

Her special interests include ballet and tap dancing and skiing, which also demands a sense of balance.

Miss Schulte is a graduate of Dominican High School.
