CONGRESS and the Administration are moving to counter the recession by raising the wages of three million Federal employees 10 percent. The move will cost upward of \$1,229,000,000 a year.

It will be pouring an extra 100 million a month into the free world economy by July. President Eisenhower signed the military pay bill this week.

Conferees plan to put the postal pay bill through Congress by Friday. The Senate passed it Wednesday and sent it to the House. Next week the House will take up the civil service pay bill which the Senate passed some months ago.

THE ROYAL CANADIAN Mounted Police said Thursday night that 13 children had been burned to death in a fire at the Anahim Reserve Indian School, 140 miles west of Williams Lake, B. C.

First reports indicated the blaze was in a hospital operated by the Sisters of Christ the King. The RCMP said the Indian agent at the reserve reported 11 babies were killed in the day-long blaze. Two older children also died.

Saturday, May 24

UAW PRESIDENT WALTER P. REUTHER told 450,000 auto workers Friday to prepare to hold grimly to their jobs next month as the union uses the approach of model change over to force the Big Three to settle new contracts on UAW terms. He indicated that only a company lockout could force the UAW to leave the plants. The UAW's strategy in facing a united front by the Big Three was sent to a tightly closed meeting of 650 members of the union's Ford, General Motors and Chrysler Councils in Ford Auditorium.

PREMIER PIERRE PFLIMLIN called an emergency session of the National Assembly for Monday as an armed de Gaulle's de Gaulleists set up a three-man rule in Algeria; and French-Tunisian fighting flared again.

Pflimlin, in an extraordinary radio broadcast to the nation, after midnight, promised all-out action against the leaders of what he called the Corsican mob.

Fighting broke out in Tunisia between French and Tunisian forces and a rebel triumvirate in Algeria hurled new defiance at Paris in hopes of toppling the Republic and installing Gen. Charles de Gaulle as leader of a new regime.

Monday, May 26

FRENCH AIR FORCE planes, operating out of Algiers, bombed and strafed Tunisian forces battling French troops in Southern Tunisia, Sunday.

In Paris the French Government acknowledged the attack, saying it was made to relieve French ground troops under attack. Diplomatic informants said early Monday that France has agreed to regroup all the Tunisian-based troops in the NATO-run Bizerte naval base area, in line with a demand made Sunday by the Tunisian president.

Tuesday, May 27

PRESIDENT EISENHOWER came out Monday against any tax cuts now. Instead, he asked Congress to extend present corporate and excise tax rates scheduled to drop on July 1.

In letters to Vice President Nixon and House Speaker Sam Rayburn, the President and his Administration would continue to consider fiscal measures in light of the economic situation and their long and short-range effects.

Wednesday, May 28

GEN. CHARLES DE GAULLE sped to Paris from his village home Monday night on a suspenseful mission of mystery that may either resolve or darken the great French crisis.

Burglars took this 700-pound safe from the home of Peter Cavataio, 765 Middlesex, on Tuesday, May 20, but Detroit police recovered it before the thieves could get the \$50,000 it contained. The money was in the inner compartment, and the burglars fouled up the lock mechanism when they used a drill and acetylene torch. Park police deposited the money in a bank

as evidence. Warrants were issued for the arrest of two persons, including a John Doe, and another man is being held as a police witness. Shown examining the safe, are CPL. CHARLES FRENCH (left) and DET. LT. STANLEY ENDERS, Park policemen who worked on the case. See story on this page.

City Passes New Budget Of \$661,150

Tax Rate to \$21 Per Thousand of Valuation; Pension Fund Appreciates

The Grosse Pointe City Council has approved a budget of \$661,150.00 for the coming year, as compared with the 1957-58 budget of \$650,825.00. The new budget is \$3,000 more than Mayor Frederick Parker's recommendation of \$658,150.00.

According to Budget Director Neil Blondell's annual report, the tax rate is \$21.00 per \$1,000 assessed valuation. Total tax levy amounts to \$24,911.40 and, also according to official figures, the estimated uncollected revenue for 1958-59 will total \$11,911.40.

How It Will Be Spent

Beginning with the fiscal year April 1, 1958 the budget for the City calls for expenditures of \$50,050.00 for Administrative purposes; \$116,470.00 for the police department; \$81,005.00 for the fire department; and \$21,850.00 for the Park expenses.

The City takes justifiable pride in the fact that it has, over last year, decreased its deficit by \$19,787.05. Current and delinquent tax levies were collected, as of April 1, 1958, up to 99.85 percent. The amount of delinquent tax, including last year's current

Summer School Sessions Set to Start on June 16; Registration Dates Listed

Expect Enrollment of More Than the 1200 Who Attended Last Year; Courses for Both Elementary and Secondary Students

Summer School sessions of the Grosse Pointe Public School System will begin Monday, June 16, Dr. H. Leroy Selmeier, Director of Instruction for the schools, announced this week.

Last year almost 1200 students registered for summer school work in Grosse Pointe. Twenty-four teachers were employed to provide the desired instruction. Further growth is anticipated in the summer school session as high school records became more and more important with respect to admission to college and job opportunities.

Morning Classes Only

"Summer school courses this year will meet in the mornings only and will run for six weeks," Dr. Selmeier stated.

Three Strikes Official Count

No one's fault but his own, there wasn't much doubt about that in the minds of City police early Monday morning, as they ticketed Thomas W. Lange, of 1835 Norwood, for reckless driving.

Lange, in making a right turn off Kreschval onto University place, jumped the curb and knocked down the street sign, a stop sign and, what finally stopped him, struck a tree!

"All secondary age students—grades 7-12—will register and attend summer school sessions at Grosse Pointe High School," he said. Among the subjects which will be offered are English I-VIII, French, Latin, Spanish, Algebra, Geometry, Refresher Mathematics, Government, World History, Economics, and typing

Policeman Joins Race With Stork

Richard Wummel of 37890 Circle drive, Mt. Clemens, did not have time to argue with a Shores policeman on Saturday, May 24, when the officer tried to stop him for driving at an excessive rate of speed on Lake Shore road. He asked for an escort to St. John Hospital, and got it.

Wummel was observed driving south on Lake Shore by Patrolman Harry Hamilton, who paced the driver at 55 miles an hour. The officer pulled up alongside Wummel's car when it turned onto Blairmoor, and motioned him to the curb.

What Wummel had to say, brought an immediate response from the officer who gave him siren full play.

At the hospital, doctors said that Wummel's mother, Mrs. Betty Wummel, and her newest son, born during the mad dash to the hospital, were both fine. Mrs. Wummel's husband, John was working at the time.

Pointes Due To Receive \$116,068

Sum is Share of Motor Vehicle Highway Fund To Be Distributed by State

The five Pointes will receive a total of \$116,068 when the State Highway Department begins distributing the first quarter of the 1958 Motor Vehicle Highway Fund Collections.

The funds are distributed quarterly to Michigan counties, incorporated cities and villages, as provided by Acts 153 and 272 of the 1957 Legislature, which combined Act 51 of 1954 and Act 87 of 1955.

Took in 77 Millions

Net receipts of the highway fund for the first quarter of 1958 amounted to \$77,040,972.70, a decrease of \$874,158.34 from the amount collected the first quarter of 1957, which was \$78,914,951. The gross collection for the first quarter of this year came to \$78,148,782.45, from which was deducted the Secretary of State's costs amounting to \$1,107,989.75.

The largest amount of the total coming to the Pointes will go to the Park, which will get \$34,839.90, with the Woods second, for \$31,820.03.

The Farms will get \$28,164.51; the City, \$17,374.45; and the Shores, \$3,869.51.

How It's Divided

All state gasoline, weight and Diesel fuel taxes and a small amount of miscellaneous fees collected under the above acts are deposited in the Motor Vehicle Highway Fund. After deductions for non-highway uses and collection costs, the balance of the money is divided as follows:

Forty-seven percent to the State Highway Department for expenditure on state trunkline highways in both rural and urban areas; 35 percent to the counties for their roads; and 18 percent to the incorporated cities and villages for expenditures on their roads and streets.

Most for Highways

Under this distribution formula, the State Highway Department will get \$36,209,172.57 of the 1958 first quarter collection; the counties, \$26,964,277.44; and the incorporated cities and villages, \$13,867,342.69.

The Highway Fund collection for the first quarter came from the following sources: State Gasoline tax, \$30,265,907; Diesel Fuel tax, \$397,256.36; Liquefied Petroleum Gas tax, \$19,735.46; Weight tax (resident), \$46,374,462.30; Weight tax (non-resident), \$183,873.13; and miscellaneous, \$907,548.20.

Boat Owners To See Film

A lesson in safe boating and color movies will feature the first meeting of the Grosse Pointe Boat Owners Club on Monday, June 2, at the Farms municipal pier.

The instructions and movies will be provided by the twelfth division of the U. S. Coast Guard Auxiliary headed by Capt. Milton Hayes and Vice Captain August Behrens. The guest speaker will be the division's Training Officer Donald MacDonald, who will show movies on "artificial respiration" and "common sense afloat."

A half hour question and answer period will climax the meeting.

All Grosse Pointe Farms boat owners are invited to attend this informative meeting which the Club officers feel will do much to promote safe boating on busy Lake St. Clair this summer.

COURSES FOR TEACHERS

High school science teachers may satisfy education requirements while taking field courses this summer at the W. K. Kellogg Biological Station operated by Michigan State University. The fifth summer school session opening June 24 will include field courses in botany, entomology, microbiology, fisheries and wildlife, parasitology, zoology and geography.

Residents Invited To Center Services On Memorial Day

Traditional Ceremony to be Held in Gardens Starting At 10:45 a.m.; Mayor Parker to Read Star Roll of Honor

The traditional Memorial Day services will be held again this year at the Grosse Pointe War Memorial Center Gardens, 32 Lake Shore road. The program will commence at 10:45 a.m. with the raising and half-masting, of the colors by Sea Explorer Ship 690 Scouts.

Howard Wood, Alger Post 995 V.F.W., and Martin Nielson, American Legion Post 303 Color Guards, will lead the advancing and placing of Colors.

The opening prayer will be given by the Rev. Father Thomas P. McWilliams, of St. Ambrose Roman Catholic Church, following which there will be the introduction of officiating dignitaries by Charles W. Elliott, president of the Grosse Pointe War Memorial Association.

Frederick W. Parker, Jr., Mayor of the City of Grosse Pointe, will read the Gold Star Honor Roll, and the sermon will be given by the Rev. Marcus Johnson, of the Grosse Pointe Congregational Church.

Following the sermon will come the placing of wreaths by the Auxiliary of American Legion Post 303, Auxiliary of Alger Post 995 V.F.W., and Girl Scout Mariner Troop 385 members.

The Volley, Taps and Echo will be offered by the firing squad of Alger Post 995, V.F.W., with John Brockman on the bugle. Mr. Nielson and Mr. Wood will retire the colors, and the annual memorial ceremonies will be closed with a benediction by Father McWilliams.

Popular Postman Serves 30 Years

Grosse Pointe will lose one of its most popular mail carriers at the end of this month when Frank "Andy" Anderson leaves his Bishop, Yorkshire and Kensington roads route after 30 years of faithful service to the residents of those streets, between Jefferson and Kercheval.

Mr. Anderson, of 1159 Wayburn avenue, entered the postal service in 1922 at the Fox Creek station, which was located on East Jefferson between Philip and Manistique. For six years he delivered mail in the territory bounded by Lakewood, Jefferson, East-lawn, and the Detroit River.

He was transferred to Grosse Pointe routes in 1928 and has been delivering mail for 30 years on the above-mentioned route. His retirement, at 61, will be effective May 31 of this year.

Mr. Anderson has a son and daughter, both of whom are married. He is the grandfather of six. He says, at present, he has no definite plans for the future—other than a well deserved rest.

Accused Man Confesses \$18,300 Loot in Thefts

Twenty-six burglaries, which netted the thieves more than \$18,000 since they began their operations in January, were solved when Park police broke the alibi of a man arrested Sunday, May 18, for breaking and entering a Park bar and taking \$740 in cash and about \$402 worth of liquor.

Warrants charging Gerald Klimbal, 27, of 12213 Stringham court, Detroit; and David Dunningan, 25, of 14488 Faircrest, Detroit, with burglarizing Verdonck's Bar, Mack and Beaconsfield, were obtained from the Wayne County Prosecutor's Office.

Klimbal was arrested on the day of the burglary; Dunningan gave himself up to Park authorities on Tuesday, May 27, on advice of his attorney, according to Park officers, Det. Lt. Stanley Enders and Cpl. Charles French.

The officers said that Klimbal, who was arrested at his Detroit home by Detroit police, claimed to have been

Stolen Car Report Brings Arrest of Two Girls and Male Companion by Park Police

Two girls called Park police on Saturday, May 24, to report a stolen car and ended up by being held for investigation of breaking and entering of homes in the night time. A male companion was also arrested.

The three were turned over to Farms police and were booked on a charge of burglarizing the homes of Hugo Leibold, 184 Lothrop; and Wilfred Gmeiner, 160 Country Club drive.

The Gmeiner home was broken into on Friday, May 16; and that of Leibold, on Thursday, May 22.

Three Admit Guilt

Held on the charges are Esther Zappitell, 17, of 1231 Lakepointe; JoAnn Chapman, 18, of 1246 Rankin, Windsor; and William Louthan, 19, of 14720 Novara, Detroit. All three admitted being involved. Park Police Chief Arthur Louwers said that most of the loot taken from the Leibold home was recovered from the home of the younger girl. Some of the stolen articles had been pawned in Detroit, he said.

Taken from the Gmeiner home was a silver service set, valued at \$300; and a hi-fi record changer and 70 records, total value, \$800.

The Leibolds lost about \$6,000 in jewelry and several appliance items. The police list of stolen goods was quite lengthy, and included a number of personalized blank checks on the National Bank of Detroit, Jefferson and Philip branch.

Brought Own Downfall

The arrest of the two girls and their male companion came about, after the girls drove away with a car, and then reported it stolen.

Miss Zappitell and Miss Chapman were given a ride by Joseph Elias of 665 W. Hancock, Detroit, who told police that when he stopped and went into a Mack bar to purchase

City Chambers Jammed As Businessmen Discuss Rosenfeld Proposal

Grosse Pointe's City Hall fairly burst its seams Monday night when 51 "Village" merchants and employees filled all available floor, and wall space for a chance to hear and be heard on the matter of Nathan Rosenfeld's parking proposal.

Mr. Rosenfeld, president of Jacobson Stores, Inc., has come up with a plan which he feels will help to ease the current shoppers' parking problems in the Village area.

Specifically, he proposes to convert lots No. 3 and No. 4 (on the north side of Kercheval, behind Himeloch's, and on the south side of that street behind the A & P, respectively) into attended parking areas. They would, in effect, be similar in operation to that of lot No. 5 which is behind Jacobson's store.

How It Would Work

In essence, the proposal guarantees for 3 1/2 years, beginning July 1, 1958, the gross revenue from parking lots 3, 4 and 5 will not be less than \$17,740 for the six months beginning July 1, 1958 and not less than \$35,479 for each of the three years commencing January 1, 1959.

Furthermore, if the new operating plans for lots 3 and 4 are not completed by July 1, 1958, the above guarantee shall be adjusted on a pro rata basis.

The City of Grosse Pointe, which must obtain revenue to retire the \$380,000 bond issue on the Village lots, (since they are not paid for by City taxes) stands to take no loss with Mr. Rosenfeld's proposal since those merchants agreeing to the plan would validate parking tickets in those three lots, and pay the City any difference that might exist from the present metered system.

Presented Week Ago

The proposal was presented to the City Council a week ago, May 19, at which time the Council called the subsequent meeting to be held on the 26th, in order to afford the rest of the merchants an opportunity to air their opinions on the plan. A registered letter was sent all "Village" merchants, informing them of

Center Drive Short \$2,000

Latest gifts to the Grosse Pointe War Memorial Center's 1958 Annual Family Participation Campaign have brought the drive almost within \$2,000 of the necessary goal. A total of \$35,492.44 has been received from 2,734 families to date.

Memorial Week-end is the end of active campaign effort. Board members and volunteers are busy calling givers of record urging them to put their contributions in the mail at once. With the campaign goal so close in sight a little spirit of giving right now will bring the drive to a successful conclusion.

The \$37,500 is needed to operate the Center beginning August 1. The directors are confident that the need will be met just as it has been in past years.

The Center has proven its worth by serving an increasing number of Grosse Pointers each year. Nearly 100,000 were included in its activities during the past season.

The Center is as self-supporting as it can be to remain tax-free and continue to offer its services freely or at costs which encourages broad community use. All gifts to the Center are income tax deductible.

The Center's directors wish to extend their thanks and gratitude to the following generous donors.

Garden Council Makes Donation
The Grosse Pointe Garden Council met Friday, May 16, and voted to contribute \$100 to the Richard School play-ground beautification plan. This allocation, it was specified, was donated preferably for the planting of a good-sized tree.
The Council also voted to again sponsor the annual "Crab Tree Sale," to be held in late October.
Another resolution recommended sending letters to the five respective Pointe municipalities requesting co-operation in the enforcement of the current litter campaign. (In conjunction with the Council's campaign they recently handed out litterbug bags, gratis, to the students at Grosse Pointe High School which action seems to have stemmed the trash tide considerably.)
Miss Christine Edwards reported that local garden clubs are sending a total of 16 teachers to the Higgins Lake Conservation camp this summer. Ten of these teachers are from the Grosse Pointe area.
This project is cleared by the Garden Council each year. Donations of \$50 are given for each "teacher" by the clubs and the Board of Education co-operates by recommending worthy local teachers for recipients of the honor.

taxes (1957-58) amounted to \$4,773.98.
The total taxes (including school and county taxes) for 1957-58, for the City (which, notably, is one mile square and contains 6,700 residents) are \$1,340,210.10.
Premium Fund Figures
Investments from the Pension Fund are most heartening. The carrying amount, \$428,466.85 has a current (as of last week) market value of \$464,566.89.
It is interesting to note the continued increase in revenue from the City's parking lots. In 1955 they realized a total of \$37,929.74; in 1956, \$53,005.79; and in 1957, \$66,409.38. Mr. Blondell optimistically anticipates this year's total will surpass \$70,000.00.

(Continued from Page 1)
the proposal, and stating the time and place of the May 26 meeting.

The entire Council was in attendance to evaluate the position of the rest of the merchants, before reaching their own decision on the matter. Three hours' worth of opinions were offered in the close quarters—which became closer, and warmer, as the minutes elapsed.

After much heated "discussion," and some worthwhile observations on the part of Council and merchants alike, Mayor Fred Parker, (acting upon the suggestion of both parties), appointed a committee of "Village" merchants to further evaluate the Rosenfeld proposal among themselves, having in the meanwhile canvassed opinions from their fellow businessmen.

The committee was chosen from the six Village parking lots, in order that all businesses in the three-block area might be fairly represented.

Accordingly, Mayor Parker appointed Mr. Rosenfeld as chairman of the committee, with Howard Jaeling, of the A & P; Mrs. Theodore Coggins, of Peck and Peck; Gerald Stein, of S. Stein & Co.; Robert Harrison, of Harrison-Pringle; W. A. McCourt, of Peter Pan; and R. J. Wilcox, of Himehoeh Bros. & Co. serving with him.

The committee has been authorized to submit a report by June 5 of their opinions and findings to the City Council, upon receipt of which the Council will promptly call a meeting to consider and take action on the Rosenfeld proposal.

Following the conclusion of the hearing, the City Council held a business meeting in which a resolution was passed to appropriate funds with which to complete the purchase of the recently condemned Buswinka-Holden property, at Kercheval and St. Clair. The City Clerk was ordered to file the necessary certificate.

taxes (1957-58) amounted to \$4,773.98.
The total taxes (including school and county taxes) for 1957-58, for the City (which, notably, is one mile square and contains 6,700 residents) are \$1,340,210.10.
Premium Fund Figures
Investments from the Pension Fund are most heartening. The carrying amount, \$428,466.85 has a current (as of last week) market value of \$464,566.89.
It is interesting to note the continued increase in revenue from the City's parking lots. In 1955 they realized a total of \$37,929.74; in 1956, \$53,005.79; and in 1957, \$66,409.38. Mr. Blondell optimistically anticipates this year's total will surpass \$70,000.00.

Burglaries

a package of cigarettes, the girls drove off with his car. He said he had left the key in the ignition.

The car was recovered at Lakepointe and St. Paul by Park Police Sgt. Hazen Hennig and Patrolman Thomas Fraser, and turned over to the owner, sans the key. The car had to be towed to a service station.

Later in the day, the girls called the station to report the car missing.
Thought Owner Knew
Det. Lt. Stanley Enders and Cpl. Charles French, had all the information on the car, since it was the one taken from Elias, and they picked up the girls and took them to the station, where under questioning by the officers, they admitted the car was not theirs. They said they thought the owner of the car knew they had taken it.

While the questioning was going on, Lt. Enders checked the purses of the two young women and in one of the purses, found some blank checks, which had been taken from the Leibold residence. Before the two officers finished their questioning, the girls confessed to breaking into the Gmeiner and Leibold households, and implicated Louthan.

Chief Louwers said that the charge of car theft against the girls will be temporarily waived, because of the more serious burglary charges which will be pressed by Farms authorities.

Mute at Hearing
On Monday, May 26, Miss Zappitell and Miss Chapman were arraigned before Farms Judge Grant E. Armstrong on charges of breaking and entering in the night time. They stood mute.

Judge Armstrong set bond at \$1,000 each for the girls and for Louthan, who pled not guilty, and bound them over to circuit court.

The boys were from public, parochial and private schools. The cost of the buses was \$660, or \$44 each, donated by the various service clubs of the Pointe and Harper Woods, including:

A local scholar was awarded the newly-created President's Key at Wayne State University's Honors Convocation last Tuesday night, May 20. The honor, given for the first time, is bestowed upon the man or woman in the graduating class with the highest scholastic rating. Dr. Clarence B. Hilberry, Wayne State's president, made the presentations.

Jewell (preferably "Julie") E. Stindt, 29, of 1309 Roslyn road, took top honors for the feminine portion of her class, with an average of 3.83. Her male counterpart had an average of 3.85. (A straight A average would be 4.0).

Miss Stindt started at Wayne in 1949 on a part-time basis. She wished to broaden herself above and beyond the secretarial position at the General Electric Supply Co. In 1956 she quit this job to go to school full time. Upon her graduation from Wayne State she plans to become a teacher.

Decoration for a Bishop

SIR HAROLD CACCIA, left, England's Ambassador to the United States, was a Pointe visitor during the weekend. He presented a medal to the RT. REV. BISHOP RICHARD S. EMRICH of the Episcopal Diocese of Michigan, designating him a Commander in the Order of the British Empire, for meritorious service in promulgating good relations between the two countries. The award was made at the Lakeland avenue home of the British Consul, Sir James Easton, on Saturday. The ambassador, a tennis fan, also found time to play a bit at his favorite sport on the Country Club courts on Sunday. Bishop Emrich will soon be a resident of the Pointe, when he moves into the former home of the late Miss Frances Sibley, at Washington and Maumee. She left the residence, to the Episcopal Church as a residence for the bishop.

Hot-Rods, Custom Cars To Be Shown at Center

On Sunday, June 8, from 12 noon to 5 p.m. the Tappet Tickers Hot Rod Club of Grosse Pointe in co-operation with the Grosse Pointe War Memorial Association will present "Rods and Customs of '58" on the grounds of the Center. In case of rain the show will be postponed to the next Sunday, June 15, at the same hours.

This will be the second year for a Rod and Custom show on the grounds of the Memorial. Fifty cars are expected to be entered in the show and there is still time to place your car by calling information in to the Center, TUxedo 1-7511 or the Tappet Tickers Hot Rod Club, TUxedo 4-1998.

Trophies will be given to the winners of each of the following nine classes: Street Roadsters, Competition Roadsters, Competition Coupes and Sedans, Street Coupes and Sedans, Semi-Customs, Full Customs, Pick-Ups, Restoreds and Dragsters.

Two special trophies will be given this year. The best car in the show will be presented with a trophy donated by Detroit Automotive Products. The best engineered car will receive an award from the Nelson C. Fraund Company.

The finest show and drag cars from all over Michigan will be on display. An especially outstanding car owned by Carl Cross will be brought from Ohio. Mr. Cross' fine "32" Roadster has won eight trophies in six shows and has been written up in Hot Rod Magazine. The car is powered by a "53" Olds engine and the body is chopped and channeled.

A completely restored 1926 Ford Roadster Pick-up will be displayed by Karen Schoenborn, the only girl entrant. Her car is black and gold.

Other fabulous Michigan creations will include Marty Rebbitt's "Golden Nugget," the Knapp and Perry 130 m.p.h. dragster, and a many time show winner, a '40 Mercury Convertible formerly owned by Jerry Yatch and now the proud possession of Jack Richardson.

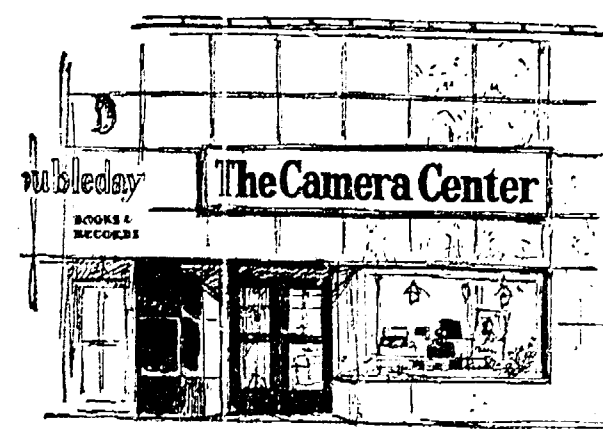

Members of the Tappet Tickers will display their cars

but will not be eligible for trophies. Admission to this show is 75c if tickets are purchased from Tappet Ticker members in advance—\$1.00 at the gate.

Dewey Kalember Honored by Band

Amid bouquets of spring flowers and mobiles shaped like musical symbols, the Grosse Pointe High School Band, members and their parents gathered in the school cafeteria Saturday evening, May 24, for a farewell banquet honoring Dewey Kalember who is leaving the high school after 21 years, to become band master at the new Brownell Junior High School.

A joint committee of mothers and students had been busy for several weeks planning surprises. The mothers planned the mundane matters of food, decorations, reservations, etc. while the bandmen took over in the entertainment department.

Mrs. Daniel Murphy, chairman of the planning committee, set a nice note of informality in her opening remarks. Mr. Kalember was called on and he expressed his appreciation to all the band members and their parents. He surprised the seven graduating seniors when he presented each one with a yellow rose. He had also provided some slides of baby pictures of various band members with humorous captions such as, "I am NOT sharp—the band is FLAT" or "Maybe I look better without my flute."

At this point Bill Mann took over as master of ceremonies for a series of skits spoofing Mr. Kalember's many talents and entitled, "The Three Phases of Dewey." They supposedly depicted him as the Artist-musician, the Sportsman and the Family man. No one got a bigger kick out of it than Mr. K.

A more serious note was struck when the new principal, Jerry Gerich, was introduced and spoke of learning of Mr. Kalember's statewide reputation as a builder of fine bands even before meeting him personally. He also expressed his pleasure in the idea of forming a Band-Parent group which has his enthusiastic approval.

The climax of the evening came when Mr. Kalember was given a beautiful shotgun with his name engraved on the butt as a parting gift from the band. He also received a scrap-book in which the committee will mount the candid snapshots that Jim Dodge and Earl Zuehlke were taking during the evening.

trelot, sent to the Cavataio residence to investigate the burglary, said that the safe was slid along the hall floor

from the second story of the home, and down the stairs. He said the hall floor and the foot of the steps were damaged by the heavy safe.

He said there was no forced entry into the house, indicating that the burglars had probably entered through an unlocked garage door at the side of the house, or possibly through a door that could be easily opened.

On Thursday, May 22, the safe was opened by Detroit police in the presence of Park officers, Det. Lt. Stanley Enders and Cpl. Charles French and Cavataio's attorney, and money taken from the inner compartment.

The Park policemen counted out exactly \$50,000, which was later placed in a bank to be held as evidence until the case is closed. Papers that had been in the larger compartment of the safe, were burned by torches and destroyed.

Chief Louwers said that Collins is being held in protective custody as a police witness.

On Thursday, Park police arrested James S. Salvato, 38, of 1615 Defer place, Detroit, and on Friday, a warrant was recommended by the Wayne County Prosecutor's Office, charging him with implication in the burglary. A warrant was also issued for a John Doe, who was said to have helped Collins and Salvato in taking the safe.

paper, the bar owner heard some one yell, "Bring the car around." He looked out the window and saw two young men loading cases of whiskey from his place into a car.

Verdonck ran out of the house, just as the car was pulling away, and chased it on foot.

He got the license number and turned it over to police. The car was registered to Klimbal, and when he was arrested at home, he claimed the car had been stolen from in front of his house.

Klimbal was arraigned before Park Judge C. Joseph Bellanger on Thursday, May 22, and entered a plea of not guilty. A bond of \$3,000 was set, which the accused man could not meet and he was remanded to the Wayne County Jail until his examination, which was scheduled for yesterday, May 28.

Dunningan was scheduled for arraignment Tuesday evening, May 27.

Woman Blamed As 3 Cars Crash

Three cars were involved in an accident that occurred in the early (7:37 a.m.) morning traffic last Tuesday, May 20, on Jefferson avenue near Lincoln road.

Gloria Clarice DeMare, of 50211 Elmgrove, in St. Clair Shores, was the only woman driver involved and, regrettably, the one at fault. She was, accordingly, ticketed for reckless driving. Served witness notices were Robert E. Sharp, of 35780 Union Lake road, in Mt. Clemens, and Stuart R. Spinder, of 22718 Rosedale avenue.

Sharp and Spinder were both headed west on Jefferson when they had to stop for a car making a left hand turn off the street into the driveway at 17840 East Jefferson. Miss DeMare, who was also headed west came up behind the other two cars and, unable to stop in time, careened into both.

A passenger in her car, Jacqueline Appenzeller, with the same address as Miss DeMare, suffered head injuries in the crash and was taken to Bon Secours Hospital for treatment.

WOULD ABOLISH GRADES
Students should not be given grades for school work because they are "unfair," declares an outstanding teacher and scientist now serving as a distinguished visiting professor at Michigan State University. Dr. Max S. Marshall, head of microbiology at the University of California medical school, has been experimenting with the elimination of grades since 1930. He says: "Students are—or should be—in school to learn, not to be compared with others."

A reformer is a fellow who wants his conscience to be your guide.

Thief Pilfers Medical Clinic

A burglar-broke into a medical clinic at 18430 Mack avenue sometime between Saturday, May 17 and Monday, May 19, and escaped with a sum in cash after ransacking desk drawers in the offices of four doctors.

Jeanette Fromm of 1816 Hampton, a nurse working for the doctors, told Farms Det. Sgts. Jack Paisley and George Van Tiem, that the thief pried open the desk drawers in the offices of Drs. D. M. Davison, F. P. O'Linn, J. H. Luzadre and A. J. Kocis and went through them thoroughly.

She said she discovered the breaking and entering when she returned to work early Monday morning. The detectives said there was no evidence of a forced entry.

Dr. Luzadre missed \$38, and Dr. O'Linn, \$104, the detectives said.

Award Prizes To Journalists

Grosse Pointe High School's weekly newspaper "The Tower" received honorable mention for over-all feature coverage and Janet Collinson, on "the Tower's" staff was given special recognition for an individual feature story last Friday, May 23, when Michigan high school journalism was honored at an awards luncheon at Michigan State University.

The third annual Journalistic Enterprise Contest, for participation in Michigan week, was this year based on the theme "What our area has done or is doing to develop Michigan."

Winners, whose features and editorials appeared in their school newspapers, were presented with certificates by Dr. Fred S. Siebert, Director of the M.S.U. School of Journalism.

Murder Report Exaggerated

Park police were given a murder scare on Sunday, May 25, when they received a call reporting a man claimed to have killed his wife at 2209 Ridgmont.

Cpl. Gordon Duncan and Patrolman James LaPratt, sent to 15012 Mack avenue, arrested Richard C. Van Velle, 34, no address. They took the man to the Ridgmont address, but found out that he never lived there.

Van Velle was arraigned before Park Judge C. Joseph Bellanger on Monday, May 26, on a vagrancy charge, and was found guilty.

The judge ordered Van Velle to pay a fine of \$20, or do five days in jail. Not having the fine, the man was sent to the Wayne County Jail to serve the sentence.

Writing Awards Won by Students

Joyce Andrews and Dave Cook, reporters on the Grosse Pointe High School Tower, won creative writing awards in the Quill and Scroll National Writing Contest.

Joyce won her silver key in the feature writing division for a story about two opossums who escaped captivity in the high school biology room.

Dave received his award in the sports division for his news story about the Port Huron-Grosse Pointe football game last fall. Both articles were published in the Tower.

The contest was held under the auspices of the Quill and Scroll Society, a national honorary society for high school journalists.

By placing in the contest, Dave and Joyce became eligible for journalism scholarships, worth \$500 each.

Dave has decided to apply for the scholarship; Joyce will not.

The contest was open to student staff members of high school newspapers throughout the country.

Burglary Prevention Should Interest Pointers

State Police Commissioner Joseph A. Childs, president of the Michigan Association of Chiefs of Police, has announced that the week of June 1 through 7 will be observed as Burglary Prevention Week.

With the Pointe experiencing an epidemic of burglaries in recent weeks, the advice offered should be of special interest.

As Commissioner Childs pointed out, experienced burglars know when to invade a house. It's up to the homeowner to fool him by creating the impression someone is home, though the house may be empty.

Many people leave their homes for an evening, weekend, or vacation and fail to take the simple precautions dictated by good common sense. These citizens wouldn't think of leaving the front door open or hanging up a sign reading "Burglars Welcome — Nobody Home Here."

Yet, they give all the indications necessary, such as newspapers piled at the front door, a totally dark house, or even worse, lights left burning 24 hours a day.

Police officers know the results of such action — crime and more crime. During the first six months of 1957, over 16,000 burglary offenses were committed in Michigan, over 4% of the nation's total.

1. Do leave a lamp or two connected to an automatic timer to turn lights on and off regularly each evening. This makes the home "lived-in" and is your best protective measure.

2. Do cancel all deliveries including milk, newspapers, etc. Have the post office or a neighbor hold your mail until you return.

3. Do close and lock all windows and doors, including basement, porch and garage. Use pin tumbler cylinder locks on all outside doors, still the most secure key operated locking device known to man.

4. Do have your lawn mowed and sidewalk swept by a neighbor at least once a week.

5. Do tell one neighbor you are leaving. Have them check your house periodically and notify the police if they see anyone prowling around.

6. Do notify your local police officials as to the date you are leaving and when you will return.

7. Don't close blinds or draw shades, leave them as you normally do when you're home.

8. Don't leave valuables lying around the house. Place them in a safety deposit box.

9. Don't tell friends, neighbors, or work associates of the valuable possessions you have around the house.

10. Don't advertise your departure with an item in the paper and don't broadcast the news to your whole neighborhood.

Beauty Contest For Businesses

A "Beauty" contest, sponsored by the Grosse Pointe and Eastern Michigan Horticultural Society will again be held this year to select the business establishment in the Grosse Pointe and eastern Michigan area, with the best landscaped and maintained property.

Winner of the contest will receive a Gold Seal Certificate of Merit, and second place winner a certificate of merit, both of which are to be presented at the society's annual banquet held in November.

The object of the contest, which began May 15 and ends October 1, is to improve, and keep up the grounds of the business establishments, and thus keep Grosse Pointe and its neighboring communities beautiful. This year, a larger number of business places in St. Clair Shores are to be included in the contest, under the direction of Charles Jacobs.

Grosse Pointe will be under the direction of Ernest Brown. A committee of professional gardeners, headed by Herman Hinsenkamp, the contest chairman, will make at least one judging a month, with final judgments October 1.

Charles Verheyden, of Verheyden's Funeral Home, has been first place winner for four consecutive years, last year being in a very close race with the Automobile Club of Michigan on E. Jefferson avenue.

Dog Dumps Lad On Motor Bike

Fred Wilson, of 706 Rivard boulevard, called City Police on Friday, May 23, to report that his canine had been the cause of an accident! The dog, a Brittany Spaniel, had run out into the street in front of the Wilson's house, and gone pell mell after a boy on a motor bike.

He not only caught up with the lad, but he smashed into the bike and knocked it out from under its rider. The boy, Patrick Johnson, of 20506 Shady lane, in St. Clair Shores, age 22, was headed south on Rivard at the time.

The upset broke the bike's headlight but Johnson was unharmed and continued on his way. The pooch was taken to his vet's for a check-up—after the thorough shake-up.

Charles E. Yonkers To Study in England

Charles E. Yonkers, son of Mr. and Mrs. Edward R. Yonkers, formerly of Grosse Pointe and now living in Scarsdale, New York, will study at Gresham's School, Holt, Norfolk, England next fall.

Yonkers, currently a senior at the Taft School in Watertown, Conn., has been accepted as an exchange student under the International School Boy Fellowship Program of the English Speaking Union. He will enter the freshman class at Yale in 1959.

Yonkers entered Taft in 1955 and is presently head monitor, or president of the student government organization. He has been a member of the varsity football squad for two years, and this winter was a member of the Taft basketball team. He was editor-in-chief of the student newspaper, and is in the top fifth of the class academically.

Arrest Bad Check Passer

Leon Wilson, 37, 1039 Hendrie, Detroit, was arrested by Park police on Friday, May 23, on a charge of uttering and publishing.

Nicholas Telegadas of 5766 Haverhill, Detroit, proprietor of a grocery store at Beaconsfield and Fairfax, made the complaint against Wilson, who he said passed a \$25 bad check at his store last January.

Telegadas signed the complaint before Park Judge C. Joseph Belanger on Wednesday, May 21, and the judge approved a warrant for the arrest.

Wilson was picked up from the Livingston County Jail, in Howell, Mich., by Patrolmen George Blair and John Carroll, where he was held on a similar charge. Charges against Wilson were dismissed in Howell, when the victim could not identify him.

Park Police Chief Arthur Louwers said that Wilson, who was identified by Telegadas through a police mug shot, is believed to be a member of a gang passing bad checks throughout the Detroit Metropolitan area.

Wilson was arraigned before Park Judge C. Joseph Belanger on the day he was brought back to the Park. He entered a plea of not guilty and a \$2,000 bond was set. When he could not meet this he was taken to the Wayne County Jail until examination date, which was scheduled for yesterday, May 28.

Firemen Douse Blazing Basket

Fire at the residence of H. A. Turner, 544 University place, had firemen and neighbors awake and alert at 8 o'clock Monday morning.

A waste basket in an upstairs bedroom had caught fire and the blaze had spread to the floor. Quick action by City firemen snuffed the flames, and both trucks were back at the station house within 15 minutes.

Damage was minor, with only a small portion of the carpeting, and a dresser scorched.

Farms Beach Opening Set

The Farms' Pier-Park will be open for the Memorial Day weekend, Friday, Saturday and Sunday, May 30, 31 and June 1, it was disclosed by Farms City Manager Sidney DeBoer. He said that the park will be open from 10 a.m. to 6 p.m., and that a lifeguard will be on duty.

The official opening of the Pier-Park will be Friday, June 6, and it will stay open for the season.

CITY OF Grosse Pointe Farms SUMMARY OF MINUTES

MAY 19, 1958

Meeting was called to order at 8:00 P.M.

Present on roll call: Councilmen Henry E. Bodman II, William G. Butler, William G. Kirby, Richard L. Maxon and Edward C. Roney, Jr.

Absent: Mayor William F. Connolly, Jr., and Councilman J. Lawrence Buell, Jr.

Mayor Pro Tem William G. Butler presided.

Mayor Connolly and Council Buell were excused from attending the meeting.

In connection with a petition from Mr. Claude Greiner, of 259 Lake Shore Road, for a ruling from the Council providing for the insurance of a building permit for the remodeling of a garage apartment located on his property into a single residence, which petition was based on a hardship claim, the Council ruled that the remodeling was in violation of the City's ordinances and that a building permit should not be issued.

Minutes of the regular meeting held on May 5, 1958, were approved with changes.

The following reports for the month of April, 1958 were received and ordered filed:

(a) Police Department report

(b) Controller's report

The City Clerk reported receipt of a communication from the Grosse Pointe Board of Education stating that the Board voted to contribute the sum of \$3,500.00 for the construction of sidewalks and the widening of the pavement on Williams Avenue between Lothrop and Touraine. The Council voted to accept the offer of \$3,500.00, although it was noted that this amount was \$3,000.00 less than the estimated cost of the improvements.

The City Manager was instructed to proceed with the widening of Williams Avenue as soon as the City received the contribution of \$3,500.00 from the Grosse Pointe Board of Education.

The City Manager was instructed to invite the City Engineer and a representative of the General Electric Company to attend the next Council meeting for the purpose of discussing the matter of installing garbage disposals throughout the City.

The City Manager was instructed to proceed with arrangements to erect a memorial plaque at the Pier Park commemorating the late Harry A. Fulton.

A proposed form of agreement, prepared by the City Attorney, to be used in connection with the license to operate the Pier Park Concession was approved as amended.

The City Clerk reported receipt of a communication from the Grosse Pointe Board of Education relative to the development of the Richard-McMillan Playground in which was set forth certain conditions. The Council accepted the conditions mentioned in the letter with certain exceptions, and the City Clerk was instructed to write the Grosse Pointe Board of Education notifying them of the exceptions.

The City Clerk reported receipt of a communication from the Lakecrest Lane Protective Association stating that the street lights along the sidewalk between Grosse Pointe Blvd. and Lakecrest Lane are unsatisfactory due to too much illumination and requesting that the lights be removed. The City Manager was instructed to request the Detroit Edison Company to exchange the presently installed 6000 lumen lights for 2500 lumen lights and to place the lights in operation.

Approval was given to prepare a brief explanation of the 1958-59 City taxes for enclosure with the City tax bills.

Councilman Bodman was appointed to represent the City at a meeting to be held on May 22, 1958 in the Grosse Pointe Woods Municipal Building regarding a Youth Center.

Permission was granted the Gen. Russell A. and Col. Frederick M. Alger Post No. 995 to sell poppies on the streets of the City on May 21st and May 22, 1958.

Approval was given to refund Mr. F. D. Rannels, Sr. the sum of \$15.00, the amount paid by him for a boat mooring permit.

The meeting adjourned at 10:35 P.M.

Election Held By Woods Club

More joint planning regarding certain common problems between the Grosse Pointe communities was advocated recently by Paul Reid, executive director, Detroit Regional Area Planning Commission.

Citing the advantages evident in operating a joint school system, Mr. Reid indicated his belief from the planning viewpoint that local communities could join together for planning for certain functions such as protection, health, and recreation without losing their individual identity.

Introduced by Edwin Wendt, retiring president of the board of directors of the Grosse Pointe Woods Community Club, Mr. Reid was the guest speaker at the annual meeting of the club held recently.

Elected president for the coming year was S. J. Schaafsma. Serving with him will be Donald Strnad, Mrs. George Hertmayer, Edward Snell, and Mrs. George Britton.

Newly elected board members for the next year are John Brubaker, Robert Chandler, Mrs. Robert Dice, Mrs. Leon Englehart, James Healey and Robert Keegen. Re-elected board members were S. J. Schaafsma, Edwin Wendt and Mrs. Hugh McTavish.

A special feature of the meeting was the presentation of a resolution, adopted by the membership, especially commending John Hammel and Mrs. T. K. Jeffers for their long and splendid service to the club, as members of the board of directors and as president of the board.

Fire Destroys Garage in Park

Park firemen made two fire calls to the home of Henry Pringham, 976 Nottingham, within a few short hours.

On Sunday, May 18, the first alarm came in at about 10 p.m., and firemen and equipment rushed to the residence and put out a mattress fire, believed to have started when a plastic shade on a lamp was ignited by the heat of a bulb which fell on the bed.

Park Fire Chief George deCaussin said that the firemen took the mattress outside and drenched it with water, and then left.

Pringham turned the garden hose on the mattress and then took the item to the garage, thinking the danger of fire was over.

At 2:43 a.m. the next morning, firemen were routed out of bed and again rushed to the Nottingham address, where it was found the garage at the rear of Pringham's home was engulfed in flames. The fire fighters could do nothing to save it, but managed to put out the fire that spread to the garage next door, at numbers 978 and 980, a two-family flat.

The side of this garage was charred and burned through, Chief deCaussin said. Also destroyed, he said, was an Edison pole and telephone pole next to the garages.

Owner of the property in which the Pringhams reside, is Florence Conner of 404 Rivard boulevard.

Troop 86 Holds Honor Court

The Boy Scouts troop of Trombly School held its Court of Honor there on May 22. One of the highlights of the ceremony was the awarding of the Eagle Scout badge to BROOKS BOCK, son of MR. and MRS. FREDERICK BOCK of Lakepointe avenue. All three Bocks are shown with SCOUTMASTER GEORGE BLAIR, who is an officer in the Grosse Pointe Park Police Department.

Brooks also won the Bud Vogt Memorial plaque, presented for the first time, in memory of the late Otto "Bud" Vogt, who devoted years to the scouting movement. A perpetual annual award, it is given to the boy in Troop 86 who rates most highly in leadership, advancement, attendance and morals.

Dr. Salvatore Longe, chairman of the troop committee, made the presentation.

St. Peter Altar Society To Hold Monthly Meeting

The Altar Society of St. Peter Catholic Church, Vernier and Beaconsfield, Harper Woods, will hold its monthly meeting on Wednesday, June 4, at 8 p.m.

Election of officers for the coming year will take place. Members are urged to attend this important meeting.

GOING TO PHILIPPINES

Dr. Guy E. Timmons, on sabbatical leave from Michigan State University's department of teacher education, will spend a year in the Philippines on a technical assistance project for Stanford University.

How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone

and Goethe, on Wednesday, June 4, at 8 p.m., in the school library.

William A. Freimuth of 1645 Fair court, president of the 1920 class and the first president of the alumni association said that purpose of the re-union is to start a permanent organization of the school alumni. The 1920 class was the first class to graduate from Southeastern.

He said that there are a number of old grads living in the Pointe and throughout the Detroit area whose residences are not known, especially women who have married, whose married names make them difficult to locate, he said.

A committee of 15 of the grads of the school have been working diligently, trying to locate other alumni. The matter is so important, it was said, that Miss Marjorie Readhead, principal of Southeastern, along with other members of the school faculty, are also trying to help.

Anyone having any knowledge of the whereabouts, or are 1920 through 1925 graduates of Southeastern, should contact Mr. Freimuth at TU 4-4174, or write to him at his address before June 4.

A general invitation is being extended to college students returning to Grosse Pointe for the summer holidays to sing in the summer choir at Christ Episcopal Church during the months of July and August. They will join with the members of the Festival Choir in preparing music for the 11 a.m. services.

Richard Roecklein, organist and choirmaster, has selected an interesting group of anthems by such composers as Heinrich Schutz, J. S. Bach, Mendelssohn, Ralph Vaughan Williams, and others.

Weekly rehearsals will be held on Friday evenings from 7:30-9 in the choir room.

College Women Meet June 7

The College Women's Club will hold its annual meeting at the Detroit Yacht Club on Saturday, June 7 at 11 o'clock.

At this meeting election of officers for the club's 26th year will be held followed by luncheon and bridge.

This Saturday, May 31, Mrs. Kenneth Patton, president of the club, will open her Bedford lane home for a tea from 3 to 5 to honor the members.

Name Winners Of Scholarships

Eight Grosse Pointe High School students have been named winners of scholarships to Michigan universities. Mary Evelyn, Karen Hancock, Judy Henry, and Verne Istock, all seniors, have been awarded four-year grants to the University of Michigan.

Michigan State University has given four-year scholarships to Sherrill Bell, January '58, and Judy Himmelsbaugh, senior, valued at \$600 each.

Of comparable worth is the tuition scholarship won by Mary Lou Rydall to Central Michigan College, in Mount Pleasant. And Charles Munk, June '58, has been awarded a grant to cover tuition for next semester at Wayne State University.

Lord Dufferin Chapter Plans June 4 Meeting

Lord Dufferin Chapter, Daughters of the British Empire, will meet at the home of Mrs. Samuel J. Barker, 395 Fisher road, next Wednesday, June 4. Luncheon will be served at 12:30 p.m.

People are turning to higher things—the higher cost of living in particular.

Fire Destroys Parked Car

A shorted wire was blamed for a fire that completely engulfed the car of E. R. Loth of 315 Belanger on Monday, May 19, it was disclosed by Farms Fire Chief M. William Mason. The chief said that it was the first that he could remember, since he has been with the fire department, that firemen were called to put out a

fire of that nature. The vehicle, parked in front

of Loth's home, was damaged an estimated \$700, the chief said.

Reform is a thing everyone wants to apply, but no one wants to receive it.

Allied Naval Officers Feted

Local industrialists and naval officers were hosts at dinner in their homes to 28 key naval officers Thursday evening.

The foreign officers are in America attending the Navy War College under a military aid program designed to integrate the free world's naval theory, strategy and tactics. They come from Europe, the Far East, Latin America and the Middle East. The group was welcomed here at a reception at Broadhead Naval Armory at 8 o'clock by government, civic and industrial leaders.

Among the Pointers opening their homes for dinner were Admiral and Mrs. Leon Jacobi, the John N. Lords, the Paul Richmonds, the John Kenals and Mr. and Mrs. John Renhard.

Ignored Sign Causes Crash
 Failure to respect a stop sign at the corner of Charlevoix and St. Clair resulted in a ticket on Wednesday, May 21, for Janet Maryann Lawitzke, of 4118 Dickerson, in St. Clair Shores.
 It also resulted in woe for Earl Charles Kindra, of 21 Radnor Circle, whose car it was that Miss Lawitzke slammed into. She was driving south on St. Clair avenue when the accident occurred.
 The man who takes time to explain his mistakes has little time left for anything else.

What Could Be More Fitting!

With Memorial Day upon us, it must be reported that once again, the annual Family Participation campaign conducted for the operation and maintenance of the Grosse Pointe War Memorial Center has failed to reach its goal.

The Center drive always achieves its goal, but it is difficult to understand why it always takes so long. Much additional expense is entailed and considerable needless effort, when the Center staff and volunteer workers have to prolong the campaign for months past the deadline, with supplementary mailings and telephone calls.

It is even more difficult to understand why such a small percentage of the residents participate in this campaign for the support of one of the community's greatest assets. To date only about one family out of every five in the Pointe has made a donation.

We would suggest that all of those residents who have not made a contribution could not find a better way to observe Memorial Day than to send in their gift, no matter how small, immediately. Every Pointe family should have a part in the operation of this magnificent property whose primary purpose is to pay honor to those who sacrificed so much in two wars. All gifts are tax deductible. Checks should be made out to the Grosse Pointe War Memorial Association and mailed to 32 Lake Shore Road, Grosse Pointe 36.

A Wise Decision by the P-TA

In a formal session last week, the Grosse Pointe P-TA Council, a group that includes representatives from all the Grosse Pointe public schools, voted down a proposal that would have given local P-TA backing to the Grosse Pointe Council of Better Literature for Youth.

It was a wise decision on the part of the P-TA Council and one that warrants elaboration.

The Council of Better Literature for Youth, a relatively new organization in this area, advertises itself, as its name suggests, as a group interested in promoting better reading for our young people. This is a laudable aim it is doubtful that anyone could argue effectively against it. But the Council's manner of reaching that goal leaves a great deal to be desired. As a matter of fact, it's rather fanatical methods suggest an organization to be avoided.

The Council has drawn up a list of periodicals, if they can be called that, and said, in effect, these our children can't read. Most of the periodicals on the list are, we certainly agree, the poorest type of reading for either children or adults. Some of the material in these publications is utter trash. But the point that has been overlooked by the Council in its zeal to improve reading habits in this: Who is to judge what is trash and what can and cannot be read? Is this to be a decision of a few people, undoubtedly well meaning, but whose thinking and background may be in conflict with yours and ours?

Our problem today is not to remove printed material from sources that would make it available to young people. Our problem is to make certain that our youths are encouraged to read and that a wide selection of material is made readily available to them. As we see it, far more damage can result from a habit of not reading than from reading, even though some of the material could be considered by some to be objectionable.

We'll take our chances with the parents of today. Generally, they are a sound lot. They haven't done a bad job in developing good, sound interests in their offsprings. And this is exactly the way it should be. A child who has had considerable upbringing, who has had parents who respect him as an individual and who is given the benefit of a doubt is not going to be set astray by some pulp garbage that he might happen to come across in a drug store. Hiding a child behind a protective veil seldom leads him to well-rounded maturity. But more important, a parent who has done an effective job has bestowed in his children wholesome interests that cannot be easily supplanted by unhealthy interests.

The Council insists that to call its action censorship is incorrect. The Council considers any suggestion that a fundamental freedom is being tampered with as misunderstanding of its motives. We certainly don't see any public book burning as a part of the Council's program. But in its negative approach to a problem that we all know we have with us, the Council is committing a grave mistake. If the Council of Better Literature for Youth wants to perform a valuable service for our community, then it could well come out with a positive program for better reading, pounding home the idea that there are many fine things to be read between the covers of a book, inside the slick pages of a magazine, or in the ruled columns of newspapers. An excellent example of the good that can come from a program pointed in this direction is the motion picture and television council in Grosse Pointe and in communities all over our country. These groups take a positive approach, emphasizing the good qualities of these two vital mediums.

Any effort to control thought is dangerous. Any effort to stifle choice is heretical. It is in these areas of freedom that the Council has come a cropper. We would like to remind its members that all too often it is far easier to be against something than for something. We are for good reading all the way, and that, certainly, does not single us out as being unique. We simply think there are far better ways of protecting healthy reading interests than by saying "You can't read this."

"When it's moonlight on the Wabash,
or on the Jersey flats,
You can hear the folks a-slappin' at the
radio-active gnats;
A-settin' there so purty, with their
Geigers on their laps,
Takin' skeeter readings 'twixt the
kisses and the slaps."

(Barney Lefferts)

Apparently the Duke Ellington night at the Country Club was a HUGE success . . . according to all reports. Not having been there, we have nothing to say about it . . . except a tidbit from our spy who is in charge of covering chic things to which we are not invited.

Said underground agent tells us that in the middle of one of the Duke's most flamboyant numbers . . . he noticed what he thought was a hearing aid, stuck in the ear of one of the trumpet players. Being the reporter he is, he collared the gent after the winging was over and asked IF it WAS a hearing-aid. The music man replied: "NO . . . I have a small portable radio with an ear plug and I was listening to the ball game." THIS is the neatest trick of the week as far as we are concerned. Blowing your head off on a trumpet and listening to the ballgame at the same time!

This is the kind of sweet rosemary and frankincense story we like to repeat. A dear elderly lady who lives alone and likes it . . . has a next door neighbor . . . a dear elderly gentleman . . . who putters about his garden in fair weather and exchanges a few words with our heroine when they happen to be in their respective gardens at the same time. One day last week, the little woman was dressing to go to a luncheon when that thing of all things that happens to us females . . . happened. The zipper on her dress got stuck half way up and there she was without a soul to help. After tugging away to no avail, she happened to glance out the window and seeing her neighbor in the garden, got a brilliant idea. Down and out she went . . . showed him her predicament and asked if he would please try to release the zipper with pliers or do SOMETHING so she could get going to her luncheon.

The little man looked horrified . . . glanced around as if he were trying to avoid the FBI . . . then actually WHISPERED to her . . . "Better come on into the kitchen; I wouldn't want any of our neighbors to see me at this . . . they might wonder!" (Into the kitchen they went . . . the sweet old gal explaining the while that the neighbors might well think the WORST . . . seeing them duck in the back door after first mawking around with the zipper on the dress, . . . right out in the open!)

An old friend of our sent us some letters recently, that she was thinking of publishing in book form. She found them in an attic trunk and remembered well the woman who wrote them. The woman, (a relative of some other obscure relative in the family) had passed on years ago and the letters were saved because they were so "Dear Mabel-ish" in content.

Our friend recalls that this gal (whom we shall call Bessie) . . . was large of frame and had a mind of her own as to what the well-dressed woman should wear. She went in for heavy "tapestry type" clothing . . . long dangling earrings of the gypsy type . . . but no matter how elegantly she dressed, she always wore old flat heeled brogues. More often than not, her dresses were spotted with dried tomato seeds or a glob of spilled soup that had dripped unnoticed down the front of her frock.

But her letters were the things that MIGHT yet make her famous. One read that her husband had "drowned". The recipient of the letter, taking it at face value, in spite of the spelling, raced to Bessie's house to offer her condolences . . . only to find the husband well and hearty . . . reading in the parlor. It turned out that he had gone fishing, had fallen in the pond but was quickly pulled out by his companions.

In another letter, Bessie told of her experience at her LODGE meeting . . . when a woman walked passed her that she didn't like. She wrote: "When I saw her coming, I just lifted my head in the air, nose up, and looked insipid."

Another time, she wrote of visiting the cemetery where her husband was finally laid to rest. Part of this went as follows:

"Mrs. Batley and I went to the cemetery last Sunday to put some flowers on the graves. It was hot and we walked and walked and walked to get to Mrs. Batley's family. I was so tired and my feet hurt so. By the time I got to Sam's grave I was real done in. All I can say is that Sam is lucky because he is buried near the front gate." (Sam being Bessie's husband.)

It is obvious looking over Bessie's letters, that she was fascinated with the endings of any social correspondence. ALL the letters ended: "I close now with sincere good wishes, lots of love, yours truly, as ever your friend, fondly, Bessie. P.S. Please excuse lead pencil."

One more thing our friend recalls is that as a child she saw Bessie at a family funeral one hot summer day. The latter was wearing a flowered dress . . . LARGE flowers, that is . . . in shades of purple and red. The dress had short sleeves . . . but Bessie . . . thinking this not fitting for a funeral service, bought some purple material and added it to the short sleeves to make them reach to the wrist. Below this, she wore purple gloves (dyed to ALMOST match the flowers). Added to this chic ensemble, she wore the usual long earrings, lots of necklaces and the old brown leather brogues. Quite a gal, Bessie . . . rest her Soul. They just don't make 'em like that anymore!

What Goes On at Your Library

By Jean Taylor

It was in May, 1868 that the first Memorial Day was observed to honor the soldiers who gave their lives in the War between the States.

Ninety years later this chapter of our history still attracts more writers and more readers than any other period, and the interest is a continuing one. Among the rash of fiction books based on the Civil War we mention several published in the last year or two.

A well-told first-rate adventure which commends itself to masculine readers especially, is Harold Sinclair's novel, "Horse Soldiers." It centers about the Civil War maneuver at Grierson's Raid. In this fictional account Colonel Benjamin Grierson becomes Colonel Jack Marlowe—and the leader of the notorious sixteen-day raid beginning at La Grange and ending at Baton Rouge.

Harnett Kane, a veteran writer of historical romance, bases his "Gallant Mrs. Stonewall" on the lives of Stonewall Jackson and his second wife, Anna Morrison.

"Captain Little Ax" by the late James H. Street is a post-humorous publication, revolving about the achievements and exploits of the son of a Confederate soldier killed at Shiloh. A portion of this book appeared as short stories in Colliers during World War II. Richard O'Connor, biographer and historian, has turned to fiction in "Company Q," which tells of a group of Union army men who were deranked. In an effort to rehabilitate them, they are given unwelcome infantry tasks, and only a few of them come through.

Van Wyck Mason, prolific writer of robust historical yarns, centers his story "Our Valiant Few" in Charleston and Savannah during the time when the South was attempting to break the Union naval blockade. Recent biographies of the Civil War period include "General George B. McClellan" by Warren W. Hessler, "Mighty Stonewall" by Frank E. Vandiver and "Lincoln's Command" by Ralph J. Roske and Charles Van Doren. Bruce Catton says of the latter, "This is a thought-provoking and completely hair-raising study of unadulterated courage."

Regarded by many critics as the best one-volume history of the Civil War is Bruce Catton's "This Hallowed Ground," published in 1956. His book, "A Stillness in Appomattox"

was a Pulitzer prize winner in 1954.

One of the most inclusive works on this subject is the four volume set "Battles and Leaders of the Civil War." Out of print for a long time, this has recently been reissued. Edward C. Boykin's "Ghost Ship of the Confederacy," the story of the Alabama and her Captain Raphael Semmes, is an interesting addition to the naval history of the Confederacy.

Robert W. Daly in "How the Merrimac Won," reviews the parts of the Civil War influenced by the famous battle between the Merrimac and the Monitor. This author contends that despite the fact that the Monitor is always regarded as the victor, the Merrimac succeeded in its objective, the upsetting of McClellan's plan for a swift victory over the South.

"Tin Can on a Shingle" by W. C. White also gives a detailed account of this battle, and discusses the events which preceded and followed it.

Three books now on order should be on our history shelves shortly. "Guns at Gettysburg" by Fairfax Downey, "Death of a Nation" by Clifford Dowdley and "The Battle of Gettysburg" by Frank A. Haskell. The last mentioned is not a new title but a classic of long standing, newly edited by Bruce Catton.

EASY DAY FOR JUDGE

After last week's heavy schedule Judge Joseph P. Uvick had a well deserved easy time of it with but one case on the Justice Court docket Thursday, May 22. He heard John Frederick Ricketts, of 2235 Anderson, charged with reckless driving, plead guilty, and fined him \$20.

Increase Your "Good Days"

By Fred Kopp R. Ph.
Are the days you feel really well rare occasions? Do you feel fatigued, listless most of the time? This is a condition from which many persons suffer, yet feel there is little they can do about it.
On the contrary, your doctor can help restore your energy and of course improve your health and increase your zest for work and play.
The average person would be amazed at the number of carefully developed drug products that are available to counter-act mineral deficiencies in the body. Let your doctor determine your needs by a physical examination.

Tennis Players Urged to Help

Clubs in the district are co-operating in carrying out an order adopted at the annual meeting in January of the United States Lawn Tennis Association. The order requires that all players who compete in sanctioned tournaments must register with the association and pay annual fees.

The fee for adults is \$3 per year and for juniors, 18 years and younger, \$1. Club players who do not participate in tournaments and those who have played in the past, are also urged to register and pay the fees.

The action of the association was deemed necessary as it only has a fixed annual income of about \$6,100 and has had to depend on profits from the National Championships and Davis Cup Interzone and Challenge Rounds for its major source of revenue.

The funds provided from the registration fees will be of great importance in junior development, which will result in more and better players in the country.

Part of the fees are returned to the various areas. One dollar from each adult registration fee and 50 cents from junior fees collected here will be available for the promotion of tennis in the Greater Detroit area.

To Talk on Presidents' Wives

The Women's Association of the Grosse Pointe Woods Presbyterian Church will sponsor a special program for members and friends of Tuesday, June 3, at 1 p.m. in the recreation room.

Mrs. Dwight Struthers, president of the association, will give a talk on "Our Country's Presidents' Wives," in which she relates the intimate story of the lives, secrets, personalities, strange habits and dress styles of the wives of former presidents.

Mrs. Struthers was graduated from Lindenwood College for Women, a Presbyterian College located in St. Charles, Missouri, majoring in history. She is the mother of three children—David, now teaching science in California, Jon in the Navy Air Force, and Jeanne in Mason School.

Her hobbies are sewing and reading, and she used to transcribe articles in Braille for the blind.

She became interested in the White House about ten years ago. An article in "Readers Digest" titled the "Ghosts of the White House" started her on research for more information. She became interested in finding out about the people who lived in the White House and how they affected the house itself — what changes they made in it—the social environment, the personalities of the various families.

Following the talk, tea will be served in the Church Lounge. Reservations may be made with Mrs. Gerald C. Schroeder by calling TU 2-4335.

Flower Show Lures Crowds to Center

Garden Center Presents Successful Event Directed by Garden Club of Michigan at War Memorial; Winners Listed

With sixteen Grosse Pointe garden clubs participating, the Spring Flower Show, presented by the Grosse Pointe Garden Center, and directed by the Garden Club of Michigan on May 21 and 22, at the Grosse Pointe War Memorial, drew a crowd of over 800 people the first day.

Backgrounds of silver and pale blue made a distinguished setting for the 74 interesting compositions.

The theme was "Grosse Pointe Living over the Years" and the period compositions and many of the classes interpreted this idea.

As a focal point in the great hall, Mrs. L. Rothe Farr created an arrangement in the Victorian manner in a large urn on a pedestal, resplendent with fuschias, begonias and trailing vines. Arranged on the piano, was a contrasting contemporary arrangement by Mrs. Hansel D. Wilson in yellow and white, using majestic daisies and giant snapdragons and eucalyptus foliage in a low bowl.

Other invitational exhibits were as follows: a French arrangement by Mrs. George Villorot in an alabaster urn, using pale yellow carnations,

white lilacs, stock and blue iris. This was in the room with the French Arrangement class. (Invitational arrangements received special awards)

Mrs. Elmer A. Clark's Georgian composition created much interest. She used Spring flowers and roses in pastel shades in an antique Georgian silver urn and the accessories were silver candle sticks and a Staffordshire Whippet in beige and peach tones which repeated the colors in the arrangement.

Mrs. Bert Wickling's contemporary creation with a hand carved wooden figure, sedums and dried material, afforded a contrast to the period compositions in the same room. They included furniture and accessories brought by the exhibitors.

They were as follows: Georgian, Mrs. J. Stewart Hudson; French, Mrs. Wilfred Teetzel; Early American, Mrs. Alfred W. Crabb; Victorian, Mrs. L. R. Montgomery; Colonial, Mrs. Harold Beatty; and Contemporary, Mrs. C. Leslie Mitchell.

The urns in the entrance hall were arranged with green beech leaves by the Grosse Pointe Branch of the National Farm and Garden and the small memorial urns donated recently by Mrs. Russell A. Alger on the chest in the hall, were arranged with white stock and lemon foliage by Mrs. Elmer A. Clark and Mrs. C. Leslie Mitchell.

The Sweepstakes Award for the highest number of blue ribbons in the arrangement classes was won by Mrs. Bert Wickling for her three blue ribbons, in the "Victorian,"

"Hall Table" and "Fabric" classes. This award was a silver tray given each year by the Grosse Pointe Garden Center to the Sweepstakes winner for that year.

The winner of the highest blue ribbon in the arrangement classes was Mrs. Harry Short, who was awarded 97 points for her composition which called for a composition using a fabric to complement the quality and plant material and accessories." She was awarded the Garden Center prize, a set of luncheon plates with botany print motif.

Mrs. George Villorot won blue ribbons in the "Victorian" and "Exuberance and Restraint" classes and Mrs. Kenneth Strang also won two blues in the "Fabric" and "Hall Table" classes.

Other blue ribbons were won by the following, in the arrangement classes: Mrs. Dexter Ferry and Mrs. Wood Williams in the Tables for Outdoor Living class; Mrs. Edward Wishrope in the Spring Flowers and Primrose class; Mrs. Ralph McElvenny in the Tulips in Early American Containers class; Mrs. Berrien Eaton and Mrs. G. Bethune Duffield in "Exuberance and Restraint"; Mrs. Earl Heenan, Jr., Mrs. William D. Laurie and Mrs. Nelson McCormick in the Copy of a Flower Painting class; Mrs. Sheldon Drennan in the "Arrangement for a Hall Table"; and Mrs. John Herman and Mrs. John H. French in the French class.

In the Horticultural Division, the Sweepstakes Award (an Egyptian copper planter given each year to the winner to keep for a year) was won by Mrs. Peter Galette for her seven blue ribbons. Mrs. Howard F. Smith won a special award, a tri-color ribbon for her four high blue ribbons. These were for two rare orchid specimens, a tuberous begonia plant, and a standard "tree" type geranium plant.

Other blue ribbons in Horticulture were won by Mrs. Edwin S. Barbour, Mrs. John Ford, Mrs. Frederick Campbell, Miss Marie Louise Anderson, Mrs. Reuben Waterman, Mrs. Sheldon Drennan, Mrs. Charles Crouse, and Mrs. James McMillan.

Second and third prizes also went to many of those first prize winners and the following in Horticulture: Mrs. Jerome H. Remick, Jr., Mrs. Seaborn Livingston.

A most interesting Conservation exhibit receiving a special award was created by Mrs. Charles Wright, Jr., and Mrs. Neil McMillan, Jr. Two woodland scenes, about three feet square, with growing plant material and natural landscape features, all in scale, were depicted, one showing an untouched spot with the beauty and order of nature.

The other scene depicted the same place after vandals had visited it, and left it cluttered with picnic debris, the wild flowers trampled, the bird's nest demolished and general destruction and disorder left behind. An appropriate quotation by Ruskin was hung above it and Mrs. Wright painted a poster showing with humor and chagrin how much harm thoughtless and careless people can do.

The Food Fair was a most fascinating feature of the flower show which was enjoyed by all who came. Mrs. J. Crawford Frost, Jr., is president of the Grosse Pointe Garden Club of Michigan. The schedule comprised Mrs. Longyear Palmer, Mrs. Frederick Campbell and Mrs. Howard Smith. Mrs. William P. Bonbright, II, was staging chairman for the show.

The toughest assignment in the world comes in trying to convince a self-made man that he has cheated himself.

Birthday Present for Nancy

MRS. JOHN P. REED, left, MRS. ALOIS LAPEIRRE, center, and MRS. WILLIAM MOORE, right, display a birthday present that is being made for Mrs. G. Mennen Williams, wife of the governor. They are all members of the auxiliary to Alger Post 995 of the Veterans of Foreign Wars. Mrs. Lapierre is president of the group.

Democratic women are giving a Birthday Ball for Nancy Williams, on June 7, at the New Light Guard Armory, 4400 E. Eight Mile road.

At the ball Mrs. Williams will be presented with a needlepoint tapestry which hundreds of Democratic women have been working on for several months. The tapestry, which is 34 inches by 24, depicts the state of Michigan in the official colors of the state, blue and gold. It contains 33,000 stitches. A book with the signatures of all those who have worked on it will be presented to Mrs. Williams at the ball.

Mrs. Frank Szymanski, wife of the Auditor General of Michigan, and Mrs. Clifford Kubert are co-chairmen of the ball.

Mrs. Frank Marsh, Three Mile drive, Mrs. Arthur Kosciński, E. Outer drive, and Mrs. Howard Williams, S. Oxford road are co-chairmen of ticket sales.

Democratic women of the Alger Post Auxiliary of the American Legion, the post to which Governor Williams belongs, while Mrs. Williams is a member of the Auxiliary, have worked on the tapestry.

Potter, running for re-election as U.S. Senator; Paul Bagwell, candidate for governor; Lois Nair, candidate for Congress; Charles Lasky, candidate for state senator; and Representative Robert E. Waldron, running for re-election as state legislator.

Junior Swimmers Open Season at Club

Pool to Open at Grosse Pointe Yacht Club on Memorial Day, Dr. Harold E. Cross Will Be in Charge of Activities

Grosse Pointe Yacht Club boy and girl swimmers will get their 1958 season under way at a meeting scheduled for Saturday, June 7, at 12 o'clock noon. Having won the Inter-Club championship last year (for the second consecutive time), they're girding to make the upcoming season another successful one.

On the aquatic side also, GPYC announces the opening of the 1958 season this Friday (Memorial Day), which means the swimming pool will be in readiness for first dips—only good weather is needed. Incidentally, Memorial Day at the club will be informal, the highlight being dinner served most of the afternoon — from 12:30 to 4 p.m., and then a buffet dinner from 6 to 9 p.m.

The swimming team's organizational meeting June 7 will combine a wiener roast and business session at which the election of a boy and a girl as co-captains for the 1958 season will be the important feature. The gathering will be in the park adjoining the GPYC grounds — if it rains, the club's Fo'castle will be the locale.

Candidates for the boy and girl co-captains are Eileen Cross and Judy Schoenherr, and Jack Bannister and Mike Bremer. Balloting will be in an official election way.

Dr. Harold E. Cross, chairman of the sports committee, will be in charge. There'll be brief talks by Dr. Cross and committee members, and by the famed coaches, Clarence and Betty Pinkston, whose inspiration led the team to victory two years in a row. The

Pinkstons again will be in charge of the club's aquatic activities, including swimming instruction.

DOLLAR VALUE-PLUS

In an emergency, the value of medicine can hardly be reckoned in dollars. Medicine is priceless when needed.

Yet it is an interesting fact that nationally the average cost of a pharmaceutical prescription is about \$2.50 — and more than half of all prescriptions cost less than \$2.00. Although higher than 20 years ago, the increase in the cost of medicine lags far behind that of other, and less essential, commodities.

When you purchase a prescription, you are sharing in the fruits of scientific research. You are getting to day's best buy.

Purdy Cracks State Mile Record in Ann Arbor Meet

Remington "Skinny" Purdy did what was expected of him in the State Class A track meet at Ann Arbor last Saturday, May 24, when he made shambles of the State mile record with a blazing 4:21.8. The old mark was set by Gerald Zitzney of Fordson in 1953, who toured the distance in 4:28.8.

Purdy amazed the spectators when he broke first, turned in a 58-second first quarter and was never headed as he snapped the tape a good 50 yards ahead of second place Jerry Bashaw of Lincoln Park and Larry Beamer of Pontiac. Purdy had met both of these lads in dual meets during the season and drubbed them easily.

Ranks High Nationally
Rem's new record stands as one of the four best in the nation. The best being posted by a prep from Oregon who covered the distance in 4:13.2 and a lad from Illinois who has a mark of 4:16.0. The mark by the Oregon lad is

being questioned, as it is not known if it was established in dual meet competition. All national marks must be made in meets where four or more teams compete.

Purdy's individual victory coupled with the Blue Devils' medley relay team of Ron Harper, Dick Knapp, Terry Donovan and Dave Mawhinney, which broke the Grosse Pointe school record with a 2:32.1 gave the Devils a tie for seventh place with Lansing Sexton and Grand Rapids Catholic Central. The Devils' relay time placed third behind Flint Central and Birmingham with 10 points.

Black Knights Beaten in Two

The Black Knights of GPUS dropped two ball games last week to run their losing mark to 8 in 11 contests this spring. GPUS dropped a lopsided 12-5 decision to Lane Crusoe on Tuesday, May 20. Nine GPUS errors and 10 Crusoe hits off losing pitcher Joel Gershenson contributed to the defeat.

The winning pitcher was John Stevens who held GPUS to 8 hits while striking out six. The leading hitter was Crusoe's Peter Boone, who collected three hits in four trips to the plate.

The Knights dropped a 9-8 heartbreaker to Southlake on Friday, May 23, on the winner's field. The Knights lost the game in the seventh inning to the Bi-County League champions when Joe Clemens led off with a double, moved to third on an infield out and scored on Gynn Musselli's single to left.

Jim Oregon was the winning pitcher who came on in relief in the sixth inning. He was the fifth Southlake pitcher to work that day. The Southlake hurlers gave up 8 runs on 11 hits and struck out 5. Gregg Dadds went all the way for GPUS and gave up 9 runs on 11 hits and struck out 5.

to 6 win over the St. Paul's Saints, after being rained out in the second inning on opening day with Wichita. Kerry Luber was the pitcher and Bob Grosshans, catcher, were ably supported by all their teammates both in the field and at bat.

The Columbus Jets flew into the Richmond Virginia home grounds at Ghesquiere Thursday May 22 and after four innings of fast and furious ball flew off into the night with their jet streams showing a 22 to 17 victory. The Jets opened the battle by straffing home plate for one run in the top of the first. The Rebels came right back with heavy AA fire that scored eight direct hits on home plate.

However, this looked like Virginia peanuts when the Jets came back with nine bombs on target in the second followed by three in the third and nine in the fourth; especially when Bruce Zink the squadron's pitching leader overcame battle shock in the second and silenced Richmond's AA guns through the third.

The Rebels got their guns going again in the fourth when Columbus changed pitching commanders and shot down nine scores before the battle ended when Richmond's first base coach (who shall remain nameless) inadvertently got hit on the head by a pop foul which Bill Kuritz, the Jet's wing first baseman, was chasing. The umpire Joe Merkivitz called the batter Fansler out on the coaches' interference.

Capt. Kerry Kirsten, flying left wing, caught a beautiful game and along with Kunitz boomed out a double and a single. Robbie Zinz, Brian McDonald and Phil Hodgeman each scored three runs for the flyboys.

The Virginians showed a very tight inner defense but sixteen passed through the line along with nine rocketing hits proved too much. Wagner, Franklin and Colonial Calhoun each fired two hits through the Jets defense as the Rebels picked up a total of ten along with six walks.

On Thursday night May 22 the Havana Sugar Kings defeated Toronto by a score of 8 to 7. The game was played at Barnes Field and some of the interesting points are as follows:

The score saw-sawed back and forth a total of four times with first Havana and then Toronto going ahead. Paul DeGriek 12 year old Havana short stop hit a total of three home runs. His most important home run coming with two out in the last of the sixth inning and Havana trailing by one run.

Havana had one man on base when young DeGriek came to bat. Havana Coach Mr. Tom Davis asked Paul if he had a 3rd home run in his bat. DeGriek's reply was a very confident "Of Course" and he proceeded to prove it. He batted in a total of 5 runs in the game.

Winning pitcher was Norman Dick, a side arm specialist who has found control this year. Steve Bowers started for Havana but was relieved in the fourth by Dick. Losing their second straight game was no discredit to Toronto since there is no defense for the home run. Bob Crawford, manager of Toronto, has a fine team and will get on the winning track soon we believe. This proved to be one of the most exciting games ever played in the International League.

As a tribute to Little League Baseball June 14 has been proclaimed Little League Day throughout the nation. Extensive plans are currently being formulated throughout the

CITY

Steady pitching and good, all-around early season play featured the first week of competition in the Grosse Pointe City Little League as the Braves and Cardinals each scored two victories, one each over the winless Cubs and Dodgers.

One-hit pitching by Greg Miller carried the Braves to a 3-0 win over the Cubs in their opening game. Catcher Barry Trombly slammed a towering 3-run homer for the Braves in their second game to help them defeat the Dodgers 8-4. It was the city league's first homer of the year.

Johnny Schmatz was the big gun for the Cardinals as he pitched a 3-0 shutout over the Dodgers in the Card's first game and homered with a man on two nights later to lead the Cardinals to a 6-2 win over the Cubs.

As testimony to the steady pitching, the hurlers in the first four games gave up only 35 hits, 26 runs, allowed only 25 bases on balls and struck out 54 batters.

In fielding, only 17 errors were committed, very few for the first week of the season when many youngsters are playing in Little League competition for the first time.

Box scores for last week's games:

Cardinals	2 3 1
Dodgers	3 0 4

Winning Pitcher, John Schmatz, struck out 9, walked none. Losing pitcher, Bob Gierman, struck out 6, walked one.

Braves 4 3 2
Cubs 1 0 3

Winning pitcher, Greg Miller, struck out 9, walked one. Losing pitcher, Dave Sachs, struck out 6, walked 2.

Braves 8 8 2
Dodger 6 4 3

Winning pitcher, Bruce Harper, struck out 4, walked 6. Losing pitcher, Dave Aronson, struck out 7, walked 6.

Cardinals 8 6 1

FARMS

The Grosse Pointe Farms Little League opened its 1958 season, Saturday, May 24, with a parade on Fisher road to the Little League Field on the Grosse Pointe High field opposite the Punch and Judy Theater.

Following the parade all the major teams played games which proved to be thrillers to the last innings.

After the flag raising by the 5th Army Command Color Guard, the pledge of allegiance was given a sthe uniformed players stood at attention on the field. The drawing for lucky winners of television sets sent a colored set to little Jane Lord, and a portable set to John Murphy. Autographed baseballs were given six boys having done an outstanding job on the ticket donations. These included Dave Allard, Bill Remick, Tom Carl, Frank Wilberding, Bill Lindy, and Dennis Pishula.

The American League race got off to an exciting start with an extra inning ball game

between the Tigers and Red Sox. Excellent fielding by both teams resulted in a 5-5 tie at 6 innings, which was broken in the 9th by a two run homer by Tiger pitcher Tom Baranek.

The game between the Yankees and Indians was another thriller, as the Yankees remained in front, when they stopped a four run rally by the Indians in the 6th innings.

The National League season got under way with a bang as the first two batters for the Phillies, Don Wenzel and Jim Swink, hit home runs over the fence. A three run homer by Jim Turner of the Pirates was not enough to subdue the Phillies who went on to win by a score of 11 to 10.

The game between the Reds and Giants was a pitchers duel ending in a 2 to 1 victory for the Reds. The Red's pitcher, Allan Spaulding, clinched it in the first inning with his own two run homer.

PARK

Two no-hit pitching performances featured the first full week of competition in the Grosse Pointe Park Little League, which wound up with three teams still undefeated.

Remaining in the unbeaten class as of May 24 were the Braves and the Giants in the National League with four and three victories, respectively, and the Athletics in the American League.

The Athletics, in winning three straight games, gave a convincing display of power at the plate, which already has marked them as the team to beat in the American circuit.

Rolling up 46 runs in three games, they defeated the Senators, 17 to 1, the Orioles, 15 to 2, and the Yankees, 14 to 3, while committing only two misplays in the field.

Athletic Pitcher Tommy Thompson was perhaps the biggest individual contributor to his team's success, pitching a no-hit game against the Orioles, and aiding his own cause against both the Orioles and Athletics with a home run in each game.

The leading home run hitter at the end of the first week of play, however, was Greg Smith, of the Giants, who contributed three round-trippers to his team's 16 to 6 victory over the Cards in the opening game for each of these squads.

The second no-hitter of the week was turned in by Purward Decavette also of the Giants, who blanked the Dodgers while his mates were collecting four runs.

Mike McDonald, of the Pirates, and Joe Brady and Mike Vandeginste, of the Dodgers.

Four teams remained undefeated in the two Collegiate Leagues after seven games.

Still carrying perfect records were Fordham and Harvard at the top of the Northern Conference with two victories each, and Alabama and Carolina at the top of the Southern Conference with one victory each.

Sputniks Capture Volleyball Title

The Sputniks and Vagabonds battled right down to the wire in the final three game championships series before the Sputniks emerged the winner, two games to one, to become the champions of the Senior Girls' Volleyball League at the Neighborhood Club last Thursday, May 22.

The title series produced some of the best volleyball seen at the club all winter with some volleys lasting as long as three minutes.

The playoff series was necessitated when both teams wound up the regular season schedule tied at fifteen games each.

The Sputniks won the first game 26-9 and then bowed to the Vagabonds 20-8 before coming back and taking the final game 11-10.

Senior Girls will play on the Playground Court. Any girls in the community who may be interested are cordially invited to play.

LARCENY REPORTED
August J. Mayer, Jr., of 2064 Anita, reported the theft of a hubcap and a bumper guard from his car on Tuesday, May 20, to Woods police. The police report did not give the location of the car at the time the items were stolen.

Do as well as you can today, and perhaps tomorrow you may be able to do better.

GPUS Netters Win Regionals

Grosse Pointe University School's undefeated dual meet tennis team and defending State Class C-D champions over-whelmed the Dearborn Regional competition to qualify five boys for the State tournament to be held in Kalamazoo, Michigan, June 6-7.

George Haggarty and Bob Wood, 1957 state C-D doubles champions, defeated their teammates Bruce Birgbauer and Dan Book in the final of the State tournament. Birgbauer and Book reached the finals by beating another GPUS combination, Dave Templeton and Dick Baron in the semi-finals.

You could have a fish fry in your back garden (if the barbecue craze had been popular then) any evening in 1917 with perch dipped from the lake just a half hour before at your request. Total cost 50c.

Fisheries began in the Pointe in 1816 when Charles Poupard sold some land off Windmill Pointe to George McDougall and reserved the right for his sons, Simon and Charles, the privilege of seining for fish.

The first big commercial fishery began with Shadrach Gillet in 1829 who operated from 12 acres near Fox Creek. He sold to Peter and John Bufo, who ran the plant until 1890 when Joe Miller, the greatest fish entrepreneur of them all took over the plant.

In those days nets 350 feet long were towed in small boats out to capstans and tied. Then the boatmen shouted "Bral-le" to the shore crew who whipped up the horses who pulled the ropes. Perch, pickerel, mullet and white fish were drawn in, sorted and sent to the fish house where they were sold for 5c to 25c a piece.

Joe Miller ran the fish house, a road house and was host to the Peoria Gun Club in his heyday. Doc Conley, a veterinary doctor, ran a bus from the end of the street car line on Alter road out to the fishery and Joe himself operated a motor launch from the same site. Each run cost a nickel.

Other prominent Frenchmen ran fisheries, among them Maglory Gouin and Rufus Kerby who sold their interest in 1877 to Ferdinand Rivard for \$1,000.

George Martin and Charles Moran also operated fisheries and Louis Moran, who could find no acreage on the shore, built a pier out into the lake and did a thriving business.

By 1917 all this industry came to an end and soon after so did the road houses which served the famous frog and fish dinners. The cause was the Warner Cramp-ton Law prohibiting, by U. S. government order, all fisheries on the Detroit River and Lake St. Clair.

Grosse Pointe University School's Fair coming up June 6-7 is responsible for some heavy advertising effort on the parents' part. Spied Mrs. H. Gordon Wood, looking oh so chic in fashionable printed shorts and a lush pink sweater, doling out yellow bumper stickers to all the mamas and dads coming to chauffeur their offspring home. The stickers, now seen on many a Pointe station wagon and sports car, tell the news that the carnival is coming.

More news items on the fair come from Chicago, no less. A conscientious parent in a Windy City bistro was successfully selling tickets to the Fair to all his cohorts. Will they drive all the way from Illinois to attend we wonder?

In our zeal to spread the word about the Cottage Hospital Kitchen Tours we upped the date. The culinary triumphs will be seen June 6 not the 7th as previously stated.

Italy is the fashionable tourist mecca for Pointers these days and the many visitors brought back Chianti bottles from such spots as Paradiso, Rossini's, Lelli's, or Vannelli's which they donated to the Garden Center Flower Show last week. The bottles were fetchingly filled with ivy and eucalyptus sprays, which is a decorative note for porch and terrace decorators this spring.

Shopping on the hill one sunny day was Mrs. Roy D. Chapin, Jr., in the uniform shirt, sweater and Bermuda shorts. But she was toting the most enormous straw basket bound in leather and her unusual fashion items were the gold leaf barrettes binding her page boy. Most attractive!

Two sisters, in the kindergarten set, were having a tug of war with a jump rope one of these fine spring days when one let go suddenly and the other suffered quite a jolt on her noggin from the sidewalk. Her father picked up the child and spoke harshly to her sibling. "She might have had a concussion," said the worried daddy. The sister, not abashed, asked her sobbing vis-a-vis. "What's two and two?" Still crying the little girl said promptly, "Four". "See, daddy," the other said scornfully, "She doesn't have any concussion!"

PILFERINGS

"If you have her for a friend," quipped actress June Allyson, "you don't need any enemies!"

A woman's boss asked her, "For a dope, I've come a long way, haven't I?"

The trading stamp craze hit a new peak when a Greensboro, N.C., funeral home advertised; "We Give Top Value Stamps".

Sign on a Fort Worth, Tex., movie house; "Double Feature. SUPER HORROR SHOW. Free lollipops."

At a Washington party photographers were busy snapping pictures of Dame Edith Sitwell, the English poetess. During the workout one cameraman was seen shaking his head and muttering to himself. "What's the matter?" asked a pal.

"I just don't like it," he said. "People shouldn't call a dignified broad like that a dame."

After all, our worst misfortunes never happen, and most miseries lie in anticipation . . . Balzac.

Pointer of Interest

MRS. MARIA ROUMELL, OF LAKEPOINTE AVENUE

By Patricia Talbot

Reveling in the applause of the Carnegie Hall audience is Mrs. Maria Roumell, soprano concert star, who sang in that august auditorium on Saturday, in New York.

Mrs. Roumell has sung at Carnegie Hall before and is a star with the Michigan Opera Association, where she especially delights in Puccini roles. Most of her professional work is done on the concert stage because she won't leave her Spanish stucco home in the Pointe and more particularly her husband George and children Martha, 11, and Anthony, 9, students at Trombley school.

Practices Daily

The brunette, olive skinned soprano, practices daily in a dramatic black and white living room accented in green with zebra striped furniture. She is every inch the popular picture of prima donna, but admits to many domestic yearnings. Her concert work takes her out of town infrequently and she has turned down a career in grand opera because she would have to live in New York.

She is of Greek descent and was born in Decatur, Ill., where she will return this fall in triumph for a concert. Much of her training was taken in Chicago between jobs as a cashier, waitress and hostess. When applying for a job as hostess in a restaurant there

she met her husband, who is in the catering business.

Sang Before Royalty

Mrs. Roumell is very proud of her Greek ancestry and was thrilled to sing before the King and Queen of Greece when they visited this country some years ago. She will leave for Athens in August to sing at a special Greek Independence celebration there.

Her first professional concert was in connection with this national day when she sang at 14 years old. She is one of the few concert singers of Greek descent in America and is often called upon to sing at Greek festivities here. She is a member of the choir of the Assumption Greek Orthodox Church where her family worships.

As a mother Mrs. Roumell is kept busy chauffeuring her children to piano lessons and concerts. They are both musical and enjoy their mother's daily practicing. Like all singers she is still studying and takes lessons here three or four times a week. She has sung with the Pontiac Symphony, the Wayne University Symphony, the Tuesday Musicals and the New York Opera Company when it appeared here.

Appears With Greek Tenor

With so many local opportunities Mrs. Roumell doesn't have to range far afield for concerts and rarely goes farther than Orchestra Hall in Chicago. Appearing with her in her second Carnegie Concert was a famous tenor from Greece, Niko Gournaris, and she was thrilled to share the stage with her countryman.

At home she does a great deal of sewing for herself and daughter and likes to cook. Greek national dishes, of course. She dishes up a wonderful lamb fricassee and delicious milk pudding, which are family favorites.

With her family, the prima donna enjoys Florida and Catskill mountain vacations, but
