HEADLINES

of the WEEK

As Compiled by the
Grosse Pointe News

Thursday, June 19

THE SENATE late Wednesday beat down, 65 to 23, a proposal of Senator Paul H. Douglas (D. Ill.) to cut Federal income and excise taxes six billion dollars as a means of fighting the economic slump.

Senator Harry F. Byrd (D. Va.) fought the proposal strongly. He said it could mean a Federal deficit of 18 billion dollars in the next year and shoot the national debt up to the 300-billion-dollar mark.

The Douglas amendment was offered to a bill to continue present rates on corporation income taxes and excise taxes on such things as autos, liquor and cigarettes.

THE WABASH RIVER'S mighty flood smashed through three more levees Wednesday and powered its way toward the historic city of Vincennes, Ind.

The Wabash, still on the rampage after 10 days, went through dikes at Emison, Frairieton, and Oaktown, upstream from Vincennes. Hundreds of thousands of acres of rich cropland on both the Illinois and Indiana sides of the river were flooded or threatened.

The River had burst through levees at least five points in 24 hours as its crest swept the 60-mile distance from Terre Haute to Vincennes.

MICHIGAN legislators returned to Lansing at noon today, Thursday, to decide how much money shall be appropriated for the State Police and other departments involved in public safety and defense.

The issue has to be settled before July 1, when the new fiscal year starts. Gov. Williams therefore called a special session of the Legislature to meet the decision.

Friday, June 20

THE SENATE smashed through President Eisenhower's no-tax-cut line Thursday night and voted overwhelmingly to kill wartime excise taxes on freight and passenger traffic.

The breakthrough came on two key votes on a proposal by Senator George Smathers (D. Fla.) aimed at bolstering the nation's sagging railroads and giving the public a break at the same time.

The proposal came in the form of an amendment to the House-passed bill to extend without change for another year corporation and excise taxes which are due to drop July 1.

THE MICHIGAN State Legislature in a one-day special session Thursday gave the State Police a budget allowance of \$11,700,000 for the next fiscal year beginning July 1.

Approved by both the House and Senate coalition of Republicans and Democrats the bill provides that no State Trooper may be dismissed because of the size of the appropriation.

There was little argument in the Senate compared to the fiery talk in the House. Senate Democrats tried to increase the appropriation but were beaten down on strict party lines.

A 26-PASSENGER airliner ran off the end of a runway and struck a ditch at Jackson airport Thursday night. No injuries were reported. The pilot said the brakes on his North Central Airlines DC-3 failed as he came in for a landing and the plane rolled 200 feet beyond the runway. It stopped when it struck a ditch.

Saturday, June 21

HOUSE INVESTIGATORS said Friday that Bernard Goldfine, friend and benefactor of Presidential Assistant Sherman Adams, will testify Tuesday, July 1.

Chairman Oren Harris (D. Ark.) of the special House investigating committee, said Goldfine had voluntarily agreed to come. Harris said Goldfine was invited to appear and to bring with him "records pertaining to outstanding treasurer's and certified checks

New Junior High School Almost Completed

Inspecting the final touches being made on the Brownell Junior High School which will be opened next September are (from left to right), Board of Education Trustees ROBERT F. WEBER and EDWARD PONGRACZ, Superintendent of Schools DR. JAMES W. BUSHONG, Director of Administrative Services J. HAROLD HUSBAND, Principal CHARLES SAUTZER, and architect EARL MEYER. This committee has met weekly to check on the progress of construction of the new Grosse Pointe school.

Form New Tennis Loop For Children

Both Boys and Girls Invited To Join Little League at Neighborhood Club

Little League baseball and football have become so successful in the Pointe that it more or less has dictated the pattern to follow to keep youngsters busy throughout the year.

At the Neighborhood Club Little League Tennis is being organized and registrations will be taken on Monday, June 30, and Wednesday, July 2, from 7:30 to 8 p.m., at the tennis porch which faces the tennis courts at the Club.

The league is open to all boys and girls up to and including 13 years of age as of July 1, 1958. If a youngster becomes 14 after that date he or she is eligible to compete this year.

All those who attended the organizational meeting are requested to register. For further information contact Ed Carroll on the evenings of registration.

LARCENY REPORTED

T. A. Peters of 55 Clairview court, complained to Shores police on Thursday, June 19, that someone had broken into his garage and taken two full cases of beer. The complaint is one of several of the same kind that have come from Clairview during the past few months, according to Shores Police Chief Fred Duemling, who urges citizens to make sure garage doors are locked, or not to keep alcoholic beverages in such buildings.

Former Suitor to Spend 60 Days Pondering Plight

Almerio Miranda Rezenda, 31, of 22101 Gratiot, East Detroit, was sentenced to 60 days in the Detroit House of Correction and placed on two years probation, for trespassing on private property; and found guilty of speeding on Lake Shore and disobeying a police officer, for which he paid a fine and court costs of \$50, and had his driver's license revoked for six months. Rezenda was arraigned before Shores Judge John Gillis on Thursday, June 19, on the first charge, on complaint of J. E. Huff of 85 Lake Shore. The second charge was placed against Rezenda on May 30. Shores Police Chief Fred Duemling said, Rezenda, who

School Officials Report New Brownell Junior High Building Near Completion

Final Touches Being Put on Big Structure in Chalfonts Road; Smooth Opening for September Term Now Assured

"We expect the Samuel Miller Brownell Junior High School to be turned over to us by the contractors very shortly," Superintendent James W. Bushong of the Grosse Pointe Public School System stated this week.

"Almost all of the work is done, or nearly enough done, for our staff to begin placing desks and other furnishings in the rooms," he said. "With over two months left for attending to these and other details we are assured of a smooth and well organized opening of the school in September. This is most gratifying."

The Superintendent pointed out that much of the credit for having the building ready on schedule was due a committee composed of Board of Education members, contractors, the architect, and school officials.

For over a year this committee met weekly on the building site to view the work and to assess the progress being made. If delays or stoppages were being incurred, members of the committee would concentrate their attention and efforts on correcting whatever the difficulty was.

Two Trustees Cited

"The community owes a debt of gratitude to Trustees Robert Weber and Edward Pongracz who interrupted their personal affairs so frequently to follow up on this job," Dr. Bushong said. "They performed an invaluable function by helping to generate that little extra push to carry the work past what often are time-consuming roadblocks

On June 18, Rezenda's association with Miss Huff came to an end, when he brought her home from a date. When asked what his intentions were concerning Miss Huff, the girl's father said, Rezenda became hostile and threatened the family. He was ordered off the premises, and he left, after repeating the threat against the family. Two hours later, Rezenda returned to the Huff residence and was met at the front door by Miss Huff, who refused to

3 Policemen Promoted in GP Shores

Village Has Two Lieutenants for First Time Since 1949; Patrolman Made Sgt

For the first time since 1949, the Shores' combined Police and Fire Department will have two lieutenants, according to information released by Chief Fred Duemling. A patrolman was also elevated to the rank of sergeant.

The promotions were authorized by the Shores council on Tuesday, June 17, following a recommendation made by Chief Duemling.

The new lieutenants are, George LaForest and Harold Zeeb, both of whom have been given equal authority with a raise in pay.

The new sergeant is Charles Weirich, a seven-year veteran of the force.

LaForest, who lives at 63 Vernier road, began with the Shores department on June 10, 1942. He was made sergeant in September, 1953.

He has been awarded a certificate from Wayne State University after completing a 32-week course in "The Police Officer and the Law," and one from Michigan State University, given after completing a Command officer training course.

Awarded Citation

He holds a departmental citation for bravery, presented to him by the Village council for rescuing a baby trapped in an automobile, in Lake St. Clair on April 3, 1953.

At the time, Mrs. Sue Ann Cole of 37480 Ryan road, was driving along Lake Shore road with her two daughters, Marlen, who was then five years old; and Emilie Sue, then only seven months old.

Mrs. Cole lost control of her car which jumped over the sea wall at Lake Shore near Vernier road.

Michael Gates, a Shores employee, rescued the mother, and two passing motorists saved Marlen.

Lt. LaForest, on his way to church for Good Friday services, stopped when he saw the crowd, and when he heard that the baby was still in the car, he dove into the water, and pulled the child out from where she was trapped behind a seat.

The mother and children were revived and taken to Cottage Hospital, and released after several hours.

LaForest is married and the father of two boys, one of

Insect Infestation Threatening Trees, City Officials Say

Oaks in Neff, University and Lakeland Area Particularly Affected; Survey Being Conducted of All Elms

Grosse Pointe City officials are seriously alarmed at existing threats to their precious heritage of trees. For the past couple weeks they have received a number of calls from residents expressing concern at the recent infestation of insects in their back yards.

The complaints, thus far,

have been centered in the area of Neff, University, and Lakeland where there is a concentration of oak trees. Entomology experts have identified the pests as being of the "miner" species. Miners are known to be prevalent in oak areas where they deposit their eggs in the leaves. The oak leaves, which suffer a seriously damaging appearance, fold up to receive the tiny, b-b like eggs. Before hatching, the eggs behave in a Mexican jumping bean fashion, popping off the trees and grass.

Many Birds Attracted

City officials have hesitated to spray the oaks because the eggs have attracted large hordes of birds which appear to be eating up the reproductive bodies as fast as they are manufactured. They fear the birds may be seriously harmed by the spray and are hopeful that nature will take care of the problem in her own way.

In the meantime the City of Grosse Pointe will conduct its annual survey of public and privately-owned Elm trees, commencing about the 1st of July, by which time all Elms will have foliated sufficiently for study. The second, foliage, spray will follow the survey, beginning about the middle of next month. Sufficient notice will be posted in advance in the NEWS.

New Trees Planted

Norbert Neff, City Clerk, advises residents that the City of Grosse Pointe has planted, on street property, new trees (primarily Norway Maples and Moraine Locusts) to replace those which have died due to disease or by natural causes. The new growths range in size from saplings to nursery stock. Mr. Neff urges that residents, because of the unusually dry spring season, when watering their lawns give a generous portion of the liquid refreshment to the new little trees so that in years to come, residents of the City of Grosse Pointe may enjoy that natural beauty which their predecessors were privileged to inherit.

Four Speeders Found Guilty

Only four traffic violators were arraigned before Shores Judge John Gillis on Monday, June 16, all of whom were charged with speeding on Lake Shore road, and all found guilty.

William Hanna of 8323 Meyer road, Detroit, paid a fine of \$20; John Elias of 1635 E. Eight Mile road, Hazel Park, \$15; Peter Palazzola of 24945 Maybury, East Detroit, \$19.50; and Albert N. Pampinella of 22302 Trombley, St. Clair Shores, \$32.50.

Pampinella was also charged with not having his driver's license on his person.

Suspect Admits Driving Car Involved in Accident

Farms police questioned a 17-year-old Detroit boy on Monday, June 23, in connection with the accident in which two young cyclists were knocked from their bicycles and slightly injured on June 15.

The vehicle involved was said to be bearing stolen license plates and driven by a young man who gave his name only as "Jack."

The automobile was recovered in the Woods by Patrolman Harry Lanstra, who found it at Mack and Severn on Tuesday, June 17. There were two different license plates, both of them stolen, attached to the car, one in the front and one in the rear.

Another stolen plate was found in the car.

series concerts—the first of which is to be held on the Terrace of the War Memorial Center Wednesday, July 9.

The Summer Music Festival is the first of its kind in the Grosse Pointe community. Its founders wish to bring to the Pointe a rare and beautiful cultural treat. They aim to count their's among the finest of the Music Festivals in the country—not in size, but in quality of music and performance. Gifted with the finest of musicians, composers, and a beautiful natural setting—they need only the response and support of the community to realize this ambition.

Mrs. Coolidge Chairman

Mrs. Frank W. Coolidge, as general chairman of this, the first, Grosse Pointe Summer Music Festival, takes great pride in announcing the performing artists. In addition to Mr. Olefsky, who is first cellist with the Detroit Symphony Orchestra and also musical director of the Bertram Shapleigh Foundation, there will be Gordon Staples, violinist, and associate concert master with the Detroit Symphony; Ruth Meckler, pianist, and 1957 Grinnell Award winner; William Doppmann, pianist, and winner of the Naumburg and

1,600 Enroll For Courses This Season

Five Extra Teachers Hired After Unexpected Influx; Driver Training Flooded

"Enrollments for the 1958 summer school session have hit a new high," Dr. H. Leroy Selmeier, Director of Instruction for the Grosse Pointe Public School System said today. "Well over 1,600 students are enrolled in our program as compared to approximately 1,200 in last year's session."

"More than 850 students are enrolled in the High School for secondary academic courses," Dr. Selmeier stated. "Approximately 300 are enrolled in the elementary courses being offered at Marie and Mason schools.

"A large part of the increase can be attributed to the more than 500 students enrolled in the Driver Education program," he said. "We are planning for 16 groups of about 32 students each during the summer. Four instructors are involved exclusively in this phase of our program. Driver training classes will continue throughout the summer until Labor Day so that as many as possible may receive this instruction. Even so, some who desired the course could not be accommodated as our facilities will not permit more to be taken."

Hire Extra Teachers

Enrollment at the High School so far exceeded expectations that five extra teachers were hired. The total teaching staff now numbers 23 plus four teaching Driver Education. Jerry J. Gerich, the principal of the Grosse Pointe High School, is in charge of the summer session.

Enrollments were particularly heavy in the foreign languages, reflecting the national concern for shortcomings in this area. Spanish, French and Latin are being offered for the first time in several years. In addition to these, most courses in mathematics, social studies, English, and typing are offered.

Heavy enrollments in the upper elementary grades in the Marie district and corresponding heavy enrollments in the lower grades of the Mason district have caused some students to enroll at the unit furthest removed from their homes. In this way they are able to enjoy the smaller class sizes which are generally a feature of summer school classes.

Joseph Krutell directs the session at Mason school and Franuk Bozarth the session at Maire school.

Arithmetic and reading for grades 3-6 are offered at both schools. Courses in music are also offered with the enrollment at each unit numbering approximately 70.

Previous High 808

The previous high for the total enrolled in academic courses was 808 in 1955. The highest secondary enrollment

Kiwanis Plans July 4 Display

The Grosse Pointe Kiwanis Club will hold its traditional fire works display at the Parcels Junior High School grounds on Friday, July 4, beginning at dusk.

Club officials promised that this anniversary show will be the biggest presented in the 16 years that the organization has been sponsoring such an event. This is the club's annual fund raising activity, which enables it to carry on its many civic projects, including the aiding of Boy and Girl Scout groups, establishing scholarships for Pointe high school graduates, assisting handicapped and indigent children, and other worthwhile activities.

President Benjamin Pinkos and Vice President Vern C. Bailey, and the members of the club, have planned a number of surprises, which should make this event a must for adults and youngsters in the Pointe. They extend an invitation to the public.

Instructors Pose at Rifle and Pistol Range

The new, \$3,800 Neighborhood Club Rifle and Pistol Range was officially dedicated on Thursday, June 19, and is open for the use of residents of the Pointe. Construction of the range was started in April 1956, and was carried out through contributions, financial and labor, by persons interested in the project. Hundreds of hours of free labor were contributed by volunteers, and no money was paid out except to contractors when their services were needed. The range is open to Pointe children on Mondays, Tuesdays, and Wednesdays. The other days of the week, and Sunday mornings are for adults. Pointe policemen can shoot

there any time. A shooting schedule is posted in the Neighborhood Club. First row, (left to right):—JOHN SALVATORE, ALLEN VERBRUGGE, MATTHEW HARDY (a chief range officer), JOHN HARDY, ALBERT STAELENS and ALBERT KLICK. Back row, (left to right):—JAMES CHOUINARD (a chief range officer) GEORGE ELWORTHY, vice-president of the Grosse Pointe Rifle and Pistol Club, and director of the Neighborhood Club; CITY POLICE CAPT. ANDREW TEETAERT, executive officer of the new group; CITY POLICE CHIEF THOMAS TROMBLY, president; and FRED LEWIS.

Park to Scrap Old Fire Truck

The Park council on Monday, June 23, authorized City Manager Robert Slone and Fire Chief George deCaussin to draw up specifications for bids on a new pumper for the fire department.

The new fire truck is needed to replace a 1929 Seagrave Pumper, which is not only in need of repair, but which in the opinion of the Fire Underwriters, is obsolete and has outlived its usefulness to the community.

The councilmen did not hesitate to approve a move for a new pumper, since they were

given a first hand view of the old truck and inspected its equipment.

Chief deCaussin in a request to the city manager, outlined procedures whereby a new pumper would be of inestimable value in fighting fires. The procedures were put into a letter which Mr. Slone read to the council Monday night.

Mr. Slone said that if the old truck is retired without a replacement, the city would be going against current fire-fighting principles, the recommendations of the Fire Underwriters and those of Chief deCaussin.

"I feel that the expenditure (for the pumper) estimated to be approximately \$20,000, split over the life of the equipment, which is about 20 years, is very much worthwhile," the city manager said, "since it is a tool to be used for a department that costs the taxpayers over \$144,000 a year for personnel services."

The council authorized Mr. Slone and Chief deCaussin to prepare specifications and to advertise for bids. Money for the purchase is available from the Improvement Reserve Fund, the city manager said.

Pointe Theater To Repeat Show

The Grosse Pointe Community Theater's production of Phillip Barry's hilarious comedy of suburban manners, "Philadelphia Story," will be repeated this weekend on the terrace of the Grosse Pointe War Memorial on Friday and Saturday evenings, at 8:30 o'clock.

Despite unseasonably cool weather, last weekend's performances were well-attended by a near-capacity crowd which seemed to enjoy the offering whole-heartedly.

Although written nearly 20 years ago, Mr. Barry's witty lines still strike with devastatingly funny effect. The plight of a Pennsylvania Main Line family squirming under the eyes and ears of a reporter and photographer from a well-known slick-picture magazine is comedy at its best.

According to Mrs. Betty Cook, of 16720 East Jefferson, the producer of the show, the GPCT cast will remain unchanged. Bill Loud of Trombly road will appear at C. K. Dexter Haven; Molly Hunter of Handy road, as Dinah Lord; Henry Haberkorn of East Jefferson, as Father Lord; Margaret Doren of Schoenherr, as Margaret Lord; Al Bertel of Radnor circle, as Uncle Willy

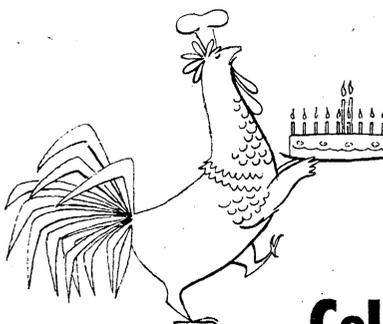

and Harry Kranz of Lakepointe as George Kittredge. Bill Mehegan of Beaconsfield plays the role of Mike Connor. Tickets will be available at the Memorial Office or at the box office on performance nights.

A LIST WILL HELP

Preparing a check list of things to be done before starting on your auto vacation, makes for a safer, more enjoyable trip. (1) Have the car safety-inspected, including windshield wipers, horn, tires, brakes, lights, electrical system, cooling system, and steering system. (2) Secure route maps in advance; measure out leisurely drives for each day of the trip. (3) Check tool kit and accessories. Be sure to include first aid kit, flashlight, sunburn and poison ivy lotions. (4) Plan essential clothing and other items needed for the trip. Eliminate all unessentials. Choose garments that serve a double purpose when possible.

Archives of Art Honors Donovan

Two new officers were elected at the second annual meeting of the national board of trustees of the Archives of American Art at a meeting in New York City last Friday, June 20.

One, a localite, Frank W. Donovan, of East Jefferson avenue, was named treasurer of the board, which he joined last winter as chairman of fund-raising in the Detroit metropolitan area.

Another Grosse Pointer, Mrs. Edsel B. Ford, of Lake Shore road, continues as vice chairman of the art research program, which has its headquarters in the Detroit Institute of Art, but is privately supported.

There are a number of other notable names on the national board of trustees. Vincent Price, of Beverly Hills, Calif., noted actor and art collector, is chairman of fund-raising on the west coast. Also, there are Henry F. duPont of Winterthur, Delaware, the country's greatest collector of American antiques and decorative arts who established Winterthur Museum and training program; Mrs. Charles F. Willis of New York, daughter of Harvey S. Firestone; Howard W. Lipman also of New York, owner of one of the country's leading collections of American folk art; Joseph H. Hirshhorn, of New York, known both for his Canadian uranium holdings and his enormous collection of American art; Al Capp of New York and Boston, popular cartoonist; and the Hon. J. W. Fulbright, U.S. Senator from Arkansas and founder of the Fulbright scholarships.

Mr. Donovan, who assumes the post of treasurer, is also president of the Detroit Grand Opera Association. Mrs. Ford is a member of the Founders Society's Board of Trustees and of the Arts Commission of the City of Detroit.

So You See, It Happened

Mrs. Yvonne M. Rankine, 19, of 671 Drexel, Detroit, was given a ticket by Farms police on Saturday, June 21, for violating a restriction, following an accident in which she blew out two tires of her car.

A police report revealed that Mrs. Rankine was going west on Lake Shore road. As she approached Provenal road, the left front tire of her vehicle blew out, causing her to lose control. The auto jumped the curb of the island, and the force of the impact caused the left rear tire to blow out. Other than this, there was no

damage to the car, it was said. Mrs. Rankine was given a ticket for not wearing corrective glasses, as stipulated on her driver's license. She said she did not have them with her.

St. Paul Dads Plan Golf Day

Plans have been completed for the third annual St. Paul's Open golf day which will be July 17 at the Maple Lane Golf Club, 14 Mile and Hoover roads.

The event has attracted capacity crowds in each of the two previous years and is a high spot on the annual calendar of athletic and social events sponsored by the St. Paul's Dad's Club.

Tee-off time is scheduled from 10 a.m. to 1:30 p.m. Special events, including a chipping contest and other games of skill will be held in the afternoon and will be followed by an award dinner at 6:30 p.m.

The event has been arranged under the co-chairmanship of Fred Schreiber and Ken Oxley, who are also handling the ticket reservations. For tickets call TU 2-4824 or TU 2-1836.

The "Open" is stag and is another traditional project of the Dads Club which is dedicated to the development of St. Paul's school and its athletic programs in both the grade and high school. Proceeds from the Open will help defray the expense to outfit the football and basketball teams with uniforms and equipment.

All Dad's Club members, their friends and guests, and all friends of St. Paul's are cordially invited to participate.

Room Dedicated to Memory of Fintan Henk

In ceremonies at the Neighborhood Club Tuesday evening, June 17, a room on the main floor was dedicated in memory of Fintan L. Henk, charter member and first president of the Grosse Pointe Rotary Club.

Under Mr. Henk's leadership, the Rotary Club first met

in this room 21 years ago. An appropriate bronze plaque was presented to his family and placed on the wall of the Rotary room. Members of the late Mr. Henk's family have loaned an oil portrait of him to the club to be placed in the room also.

Several Rotarians have do-

ated funds to the Finn Henk Memorial and these funds have been used to purchase pool tables, ping-pong tables and necessary equipment with which to make an impressive games room for the younger set.

The gifts were accepted by Mrs. Dexter M. Ferry and Mrs.

Henry T. Bodman, Neighborhood Club directors, and George Elworthy and Miss Pauline Masak of the club staff. Ceremonies were conducted by Rotarian Edward Pongracz. Present were members of the board of directors including President Robert M. Orr, charter members of the club, and other Rotarians and their wives.

Representing Mr. Henk's family were his wife, Mr. and Mrs. F. L. Henk, Jr., Mr. and Mrs. Louis J. Raymo, Jr., daughter, Clare Catherine, and son, Joe, who is also a Rotarian. Mr. Raymo, a son-in-law, painted the portrait which hangs in the Rotary room.

Finn Henk was well known in Grosse Pointe in business and Rotary work for the community. A portion of the memorial dedication reads as follows: "His devotion to service,

to truth, to community, to family, to God have made this Grosse Pointe a better place in which to live."

Use the new City-owned, fully paved, attendant-operated.

HOW TO PROFIT THROUGH TAX EXEMPTION

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone

Kids Enjoy Vacation Bible School

More than 150 children have been attending school at St. James Lutheran Church, hearing about Bible stories relating to the sea, being taught hand-craft and participating in songs and music by home-made rhythm band instruments. Parents and friends are invited to the "Festival of Ports" closing program of the school on Thursday evening, June 26 at 7 o'clock. A display of the work of the crew of the good ship "St. James" will be featured.

Congregational Church Holds Fair Preview

If you stepped inside the lounge of the Grosse Pointe Congregational Church Tuesday, June 10, you would have noticed there was SRO (standing room only) for the double header going on inside!

Baseball game? No, the crowd was being treated to 1) Annual Spring Tea staged by Group 2 of the Women's Association under Mrs. Verle Ryan, and 2) a Preview of the "Mistletoe Mart", the church's biennial Christmas fair to be presented there Thursday, Nov. 20.

start thinking about Christmas shopping, and orders were taken for all the articles on display, most of which were also sold that very afternoon.

And what a display! Mrs. Sam Toepel's apron crew must have started last Christmas to turn out such a collection — frankly fussy, plainly practical aprons and always original! For example, how about a sewing apron in striped denim with a saucy red strawberry pincushion and scissors attached?

Other committees represented at the Preview were the Literary Lounge (books, greeting cards, note paper, stationery), Mrs. Roger Preston, chairman; dolls presented by Mrs. John C. Ramsey; candies by Mrs. Philip H. Jennings; "Gadgets" by Mrs. Roy Norton; knitted goods by Mrs. Donald Carson, and the Bake Sale by Mrs. Joseph Schwartz.

Mrs. Edward Stanley, general chairman of the Mart, believes it's never too early to start thinking about Christmas shopping, and orders were taken for all the articles on display, most of which were also sold that very afternoon.

And those Christmas decorations would put the most June-witted housewife in the holiday mood — pine cone Christmas trees ornamented with miniature fruit; reindeer prancing over felt; Christmas tree skirts, sparkling gold and silver "kissing rings" ready for the mistletoe, and so much more. Mrs. Stanley Smith and her committee must be working around the clock!

"Lingering with the Linens" might not make the Hit Parade, but it had a lot of people humming with interest over what they saw: guest towels, bridge and place mat sets, and a definitely original item, the "Grandma set" — a terry-cloth place mat and matching bib for Junior's exclusive use when he visits Grandma! Mrs. W. Edgar Gore, chairman of the linens, says that this is only the beginning.

Mrs. Jerrold Lundale's committee had already been "tending stove" to produce strawberry jam, orange marmalade, and promises that at the Mart there will also be canned peaches, applesauce, and many other kinds of jam. If any of the readers will have surplus peaches, raspberries or other fruits this summer and would care to donate them, a call to TU 4-1626 would bring the committee's sincere thanks.

A tableful of Elizabeth Lytle's handcrafted jewelry, enameled and fired on copper, was a real show-stopper — the most handsome cuff links ever, for one — flecks of silver and gold embedded on an ebony background, complete with sterling silver backs, and at a tiny price. YMCA Holding Family Day on Saturday

Still-walking may be the hard way to get to Jefferson Beach, but not for the winners of the city-wide championship competition to be held at the Annual YMCA Family Day Outing there on June 28.

During weeks of work and practice they have pointed to the big day — a day of picnics and free rides that promises fun and excitement for the upwards of 5,000 people, young and old, expected to enjoy this year's program at the amusement park.

Participating will be 14 YMCAs from the Detroit and suburban areas, plus 5 from Outstate. Some will be bringing their own performers, including the well-known band from the Fisher's, the St. Antoine Harmonica Group and the Transpolina Stars from the Northern Y. All in addition to the still-walking championships.

Everybody is welcome to enjoy this bargain day in family entertainment, starting with picnics when the park opens at 11 in the morning and continuing with unlimited free rides from 1 to 6 p.m. A ticket donation of \$1 per person covers admission to the park, auto parking, use of the picnic grove and all rides. Tickets are available at the park, 24400 E. Jefferson in St. Clair Shores.

Driver Hurt In Accident

Miss Judith Skae, 18, of 217 Lake Shore road, suffered a burn on the head and a possible fractured right little finger, following an accident at Lake Shore road and Moross on Monday, June 16.

She assumed blame for the mishap and was issued a ticket for cutting in front of moving traffic.

A police report revealed that she hit a car driven by Zigmund J. Wieszbicki of 22812 Playview, St. Clair Shores, who was going west on Lake Shore. He had the green light in his favor, when Miss Skae cut in front of him.

The girl was taken to Cottage Hospital by police, for treatment of her injuries.

Two Car Blazes Doused in City

Having rescued a mischievous monkey—twice—from perilous heights the week before, the Grosse Pointe City Fire Department had a comparatively quiet time of it this past week.

Two car blazes, in as many days, constituted the bulk of their fire runs. The first came at 10 p.m. last Tuesday, June 17, when a Mr. Winters, of 600 Lakeland avenue, called the City station to report a car on fire in front of his home. Both trucks arrived to find the front cushion of a 1955 Buick club coupe in flames. Further investigation revealed the automobile belonged to Edwin F. Storey, of Meadow lane. Fire men extinguished the blaze and were back in the station house 18 minutes later.

The second car-call came the next afternoon, June 18, at 2:15. This time it was a Tudor 1956 Cadillac, which was parked in front of 399 Rivard boulevard. Again, the front seat was on fire, supposedly from a cigaret which was tossed in through an open window.

The City fire squad doused the blaze in short order. The smoldering vehicle belonged to J. R. DeHart, who was visiting at 409 Rivard at the time the fire department was summoned.

Rose Contest Winners Listed

Winners have been announced for the recent 1958 annual Rose Garden Competition sponsored by the Grosse Pointe War Memorial Gardens Committee, of which Mrs. Russell Alger is chairman.

In Class A I, which was restricted to fewer than 50 plants with gardener help, Mrs. W. Wells Utley was a blue ribbon winner. In the second division of Class A, fewer than 50 without professional assistance, Mrs. M. Rivard Klippel won top honors.

In the first division of Class B, featuring over 50 plants with the help of a gardener, Mrs. Robert Herdegen took first place. Class B II honors, over 50 without a gardener, went to Dr. E. J. Gostine.

The judges of the 26 competing gardens were James May, Elmore W. Frank, Detroit Police Inspector Joseph P. Nufer, and A. S. MacDonald.

A tea was held last Tuesday, June 24, at the War Memorial Center to honor the winners and present them with their blue ribbons.

Farms Reports May Fire Loss

The Farms' fire loss for the month of May has been estimated at a total of \$21,755, according to a report submitted to the Farms council on Monday, June 16, by Fire Chief M. William Mason.

The biggest damage was caused to the Grosse Pointe High School Annex, which was set at an estimated \$15,000, by the chief.

The Grosse Pointe Board of Education has set this figure, officially, at \$20,000, since the chief prepared his report, making the Farms loss, \$26,755.

The total damage also includes that caused to five cars, which Chief Mason estimated at a \$950 loss to owners.

The Fire Department answered 37 calls during the month, which besides the five car fires, included six to residential fires; five miscellaneous, seven with emergency vehicles; and 14 with the ambulance.

The chief listed the calls to building fires as a tool shed at 18870 Mack; electric motor at 260 Touraine; roof fire caused by retarring at 457 Lake Shore; smoke odor at 318 Kerby; garage fire at 201 Kercheval; fire in walls at 161 Muir, and the Annex fire.

Rotarians Hail Alien Friends

The Grosse Pointe Rotary Club luncheon meeting at the War Memorial Center on Monday, June 23, took on an international aspect as members greeted persons from other countries.

Introduced to the club were Rotarians T. S. Rajam of Madurai, India, who is the incoming governor of Rotary District 320 in southern India; William Lewis of Derummoynne, Australia; Piero Grossi of Florence, Italy; and two foreign exchange students, Klaus Darup of Kuxhaven, Germany; and Cengiz Ozol of Istanbul, Turkey.

Darup graduated from Plymouth High School, Plymouth, Mich., this month, and he stayed with "foster parents" in that city, while attending the school as an exchange student.

Ozol attended a semester at a high school in New York, and a final semester at the Grosse Pointe High School, from which he graduated this month.

While a student at the high school, his stay here was fostered by Mr. and Mrs. James Dodge of 1108 Audubon.

Mr. Dodge told Rotarians that he felt proud that he was selected as a foster parent for the Turkish student, and that he enjoyed the privilege.

Darup will remain in this country for another month, but Ozol will return home on Saturday, June 28. Both said they will take back with them a fine impression of the United States and its people, and each agreed that the student exchange program is an excellent way to establish good relations between countries.

'Vagabond King' At Music Circle

"The Vagabond King," a musical based around a dashing, swashbuckling cavalier who becomes king of France for a day, is now showing at Music Circle Theater, on the grounds of Botsford Inn, Grand River at 8 Mile Road.

Walter Cassel, star of New York's Metropolitan Opera, is playing the lead role of Francois Villon, leader of the cut-throat Paris underworld, who is proclaimed king for a day by Louis XI of France. Conditions of this strange proclamation is that Villon must win the hand of Lady Katherine or face execution.

Opposite Cassel is Gail Manners (Mrs. Cassel in real life) who portrays Lady Katherine. The music in the Vagabond King is as spirited as the text with "Song of the Vagabonds," "Love for Sale" and the lovely "Huguette Waltz."

Cassel has appeared on the air in the "Hammerstein Music Hall," "Show Boat," the Ford Sunday Evening Hour and the Coca Cola program.

In 1943 he was awarded a Metropolitan Opera contract.

making his operatic debut in "Manon" in the role of Desprez, winning the acclaim of the press and public.

He followed this with appearances as "Valentin" in "Faust," "Silvio" in "Pagliacci" and "Germont" in "La Traviata." Cassel went on a nationwide tour, under the sponsorship of the Los Angeles Light Opera Co., in the starring role of the Desert Song.

Miss Manners has been a professional singer since the age of ten and when only thirteen gave her first concert in one of the largest auditoriums in Akron, where she was born.

In New York, Miss Manners continued her musical studies and made appearance on radio and in numerous hotels and supper clubs. Her voice and personality, plus a natural acting ability resulted in her entering light opera.

Shortly after, she was singing the leading roles in "Girl Crazy," "Desert Song," "Chocolate Soldier," "New Moon,"

"The Great Waltz" and many others. Miss Manners was featured soloist with Sigmund Romberg and has been guest soloist with the New York Philharmonic and Lwisohn Stadium in New York.

The strong got stronger in Grosse Pointe City Little League competition last week when the league leading Braves took the measure of their closest rivals, the Cardinals, and then swept past the Cubs to take sole possession of first place as the season moved past the half-way mark.

The big right arm of Greg Miller again was the Braves' prize weapon. Greg pitched a neat one-hitter and slugged a homer, a double and a single as the Braves beat the Cards 8-1. A long home run by Mike LaRue spoiled Miller's no-hitter and he shut out. He struck out 11 and walked two. Barry Trombly, Brave catcher, also contributed a home run to his team's cause. The win was Miller's fifth straight. He has lost none.

In their second victory of the week, the Braves used four hits to advantage to pound out a 5-3 victory over the Cubs. Bruce Harper scattered seven Cub hits for his third win.

The first extra-inning game of the season resulted in a seven-inning, 5-4 victory for the Cubs over the luckless Dodgers. Dave Sachs pitched masterful ball for six innings, but five Cub errors resulted in too many runs and the game was tied 4-4 at the end of regulation time. Little League rules prevent any player from pitching more than six innings, so Jock Jollymore was called in to pitch for the Cubs. Jock continued his steady relief hurling without a hit or a run in the seventh.

The Cubs scored a run on three walks and an error in the bottom of the seventh to take the victory. It was Jollymore's first win as a pitcher in Little League competition. Another youngster broke into the pitching victory circle during the week when Bob Campbell hurled a four-hitter at the Dodgers to pitch the Cardinals to a 5-4 victory. One of those hits was a towering home run by Dodger first baseman, Joe Reed, his first of the season. Heavy man with the bat for the Cards in this game was Bobby Helms, whose two singles were good for two runs batted in. Campbell had excellent control, striking out nine Dodgers and walking none.

Other noticeable performances during the week included those of Bill Connolly, whose three hits helped the Braves to two wins; Dave Sachs' booming home run plus two singles in the Cubs win over the Dodgers and his continued slugging in the Braves game; and Bob Gierman's three hits for the Dodgers.

Summaries of last week's games:

FARMS-CITY-PARK

The Milwaukee Braves moved into second place in the National Division of the Farms-City-Park Babe Ruth League last week with a triple victory.

First the Braves downed the Cardinals 4-1 behind the hurling of Stanley and then came back to edge the Giants 5-4 behind the pitching of Wemhoff. On Friday, June 20, the Braves whipped the Dodgers in a game ordered replayed by the League Directors. Stanley was the winning pitcher... The Dodgers came back in their next game to shut out the Giants 3-0 behind the excellent pitching of Zosel who struck out 16... The Phillies defeated the Cardinals 8-4 with Schumaker getting the win.

In the American League the Yankees continued to top the standings by trouncing the second place Indians 15-0... Earlier the Indians were squeezed out by the White Sox 5-4... The Red Sox pushed the Tigers deeper in the basement with an 8-0 shut out with Maniere the winner... The White Sox lost a chance to go into a two-way tie for second place with the Indians when they dropped an 8-5 decision to the Tigers.

After being beaten by Louisville in the first meeting, Indianapolis bounced back to score a resounding 22-4 victory behind the heavy-hitting of Allen Brines, Gary Kiper, Dave Flemming, Art Nichols, Hank Krentzler, Bob Kelly, and Steve Harms who was relieved in the fifth and Dave Clifford. The winning by Russ Bradley... Louisville came back later in the week to whack Denver 4-2 behind Johnny Schultz's 3 hitter. George Ardnor provided an exceptional thrill when he stole three bases to score a run and then belted a home run in the fifth with two men on to produce all of Louisville's runs... The Charleston-Denver game was scoreless until the fourth inning for Charleston. At that time Earl Thorpe scratched a single through the infield with the bases loaded. Three Denver errors turned the single into a home run which enabled Don Mickle, Bob Gauss and Mike Granger to score ahead of Thorpe and provide the runs for the 4-1 victory. Alger Hess set Denver down in order in the final inning to preserve the victory... Charleston squeaked out a 6-5 win over Indianapolis. Indianapolis tied the score at 5-5 in the sixth but Don Mickle scored the tie breaker in the seventh inning... Jimmy Heidisch relieved in the seventh and set down Indianapolis in order to get credit for the victory... The Giants won a rescheduled, rained out game from the Braves 9-8 in eight innings.

The victory gave the Giants second place behind the Cubs in the first half season standings in the National division... To start the second half season the Braves went on the warpath and belted the Cubs 7-0 behind the fine 3-hit hurling of Gary Dlouhy and then walloped the Cardinals 10-4 on John Gates' 2-hitter. Greg Reynolds paced the Braves' attack with two home runs as they collected 9 hits... The Athletics tripped the Indians 2-1 with winning pitcher Dan Paul striking out 8. The Braves held a 1-0 lead going into the sixth inning when the Indians tied it up and forced the game into overtime. Crucial hits by Jim Shirra and Ron Hallan produced the tie breaker to give relief hurler Pete McDonald the win... The Athletics followed this squeaker with a rousing 5-1 victory over the winning pitcher... Omaha moved into third place in the minor league with two victories over St. Paul 23-0 and Minneapolis 20-9.

Behind the four hit pitching of Johnny Detwiler the second place Braves reduced the National league leading Giants margin to a half game with a startling 2-1 upset.

The Orioles, meanwhile, were adding to their margin in the American League race, winning twice in the week ended June 21 to open up the biggest margin of the season in this division.

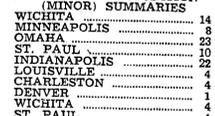

As a result of a split in their two games, the Giants lost ground to both the second place Braves and the third place Pirates, each of whom won two games.

The Giants' sensational nine-game winning streak was halted by the four-hit pitching of John Detwiler, of the Braves, in the 2-1 game. The lone Giant run came on Greg Smith's fifth home run of the season.

Apparently undismayed by their defeat, the Giants came back two days later to trounce the sixth place Cardinals, 18-2. Tom Conway contributed a home run to the Card cause.

The Braves collected their second victory of the week at the expense of the Dodgers, piling up three runs while Pete

The Detroit Boat Club will hold its 64th Annual Regatta, June 28, on the D.R.Y.A. Lake St. Clair course. About 160 sailboats are expected to compete. This will no doubt be a great many more than participated in our first regatta, 64 years ago. I do not, of course, recall that first regatta, as I was born sometime after it took place. I do, however, remember some that took place what seems to me to be a long time ago, when Detroit was smaller the river was wider, and fire had not yet destroyed the old Belle Isle Bridge which could be opened to allow boats that were too tall to pass through.

The sailboats that took part in these regattas were not as well balanced as those that are sailing today, and it was sometimes quite a tug of war on the helm, even in light air. Because of this stiff weather helm, most of the cabin jobs were equipped with a wheel for greater leverage. At this time, the airplane was in its infancy so the sail yacht designers had not yet learned the efficiency of a high aspect ratio. The spars were not as high as they are today and were fitted with rings instead of slides and tracks, making it much easier to climb if you wanted to go aloft for a look when you were under sail. The rings afforded a wonderful toe hold.

The boats were all gaff rigged and when you hoisted canvas (and it was canvas, not dacron) there were two main halliards - the throat and the peak - to coil instead of one, and they made larger coils as each was a block and tackle affair. Even the D.B.C. Catboats were rigged this way.

Long bowsprits were in vogue at this time and some were wide and flat making it easy to walk on.

A considerable change has come to the spinnakers and spinnaker poles. Way back when, the spinnaker was a large triangle, with more square footage than the mainsail, set on the opposite side to the main and held out with a spinnaker pole that was often longer than the main boom. It was so long, in fact, that on a pleasure cruise it was often left behind because it was too awkward to lash to the deck and carry along.

Not only are sailboats more efficient today, but there are a lot more of them. The smaller classes have come into their own in recent years, permitting many more to enjoy sailboat racing.

Next Saturday, in addition to a half dozen or more of our large, privately owned sloops, cutters and yawls, the D.B.C. will probably enter at least seven of its eight Catboats and our young junior skippers will sail three Interlakes on the three mile course established by the Detroit River Yachting Association especially for Juniors. We hope for good wind and weather and that our 64th Annual Regatta will become another fine memory of a superb sport.

Mrs. Richard P. Joy III, of 215 Dean Lane, asked Farms police for aid in locating her gold-leaf bracelet, containing four clusters of diamonds and sapphires, which she said she lost at the Country Club of Detroit, on the weekend of June 13. The loss was reported on Monday, June 23. The item is valued at \$500.

Dr. Lynn Babcock, all from Crescent placed in that order in the Crescent Class. George McCormick regained the top spot in the L boat class by beating Guy McNaron and Guy Ireland in the nine-boat fleet.

Sid Marsh took the lead in the Privateer class Spring series trophy competition by beating Chuck Haug's "Maid", Bobby Roadstrum's "Cotton Top" and Bill Howard's "L'Allegria in that order.

Meryll Amo, local sailmaker and currently promoting the Flying Dutchman class, topped the Handicap Universal class with his "Fire Water". Clark Taylor and John Sauer followed in that order.

Don Hanna was best in the growing Folkboat class. He beat Bob Wood and Jack Gehlert. Seven boats sailed. Herb Mainwaring, Doug Wake and George Devlin finished in that order in the "Thistle" class. North Stockton topped the K class and was followed by Pete Kremlick and Gray Boyiston.

DYC Wins Trophy

Detroit Yacht Club won the CK Team trophy on points scored by second place John Detiker, third place Jerry Jordan and sixth place Lee Smith. DYC had 19 points, Detroit Boat Club 17 and Edison Boat Club 9.

It took a lady skipper to show the way in the CK-Free-For-All class. Vera Palmer was first and followed by Bill Matthews and H. Roth. In the Club Sloop class it was John Madson, Art Koch and B. Morris. Nine Junior Interlakes were out and the Detroit Yacht Club scored its second victory in as many starts with Frank Whitton the winning skipper. The Grosse Pointe Club boats were second and third.

Detroit Boat Club will stage its sixty-fourth regatta next Saturday, June 28. This is the oldest local regatta.

Small Boats Dominate Windsor U. C. Regatta

Windsor Yacht Club got back in the weekly DRYA sailboat regatta picture last Saturday, June 21, when it drew 126 sailboats out on placid Lake St. Clair. Last year Windsor officials canceled the regatta because the club was requested to set the finish line in the lake.

This didn't set too well with the non-sailing members who felt that as long as their dues were being used to defray the regatta expense they should have the right to see the yachts finish in front of their club.

This year it was a different story. The club sponsored the regatta and started and finished in the lake like all other member clubs of the Detroit River Yachting Association.

Small Boat Affair

With most of the big boats away competing in the Mills Trophy race on Lake Erie the Windsor regatta was primarily a small boat affair.

The biggest class to sail was the Lightning class with 16 entries. But close behind was the newly formed popular Cruising D class which had 15 entries.

Crescent Sail Yacht Club dominated the Lightning class by taking the first six places. Walt Roney led the pack and was followed by Alex Aljardyce, Hank Cawthra and Charles Ellery for prizes.

Frank Taylor's "Mitzi" captured her third straight Cruising D race and was followed by Bob Livingston of North Star, Harold Dushane of Grosse Pointe Sail Club and Aaron Evans of Grosse Pointe Y. C.

Chuck Coe and Walt Robinson got a much deserved first in Cruising B with "Aquavit" by beating John Miller's pretty sloop "Valiant". Chuck and Walt seldom miss a race and are always in there trying to crack the tough competition in their class.

Bill Bremer's "Balquhader" topped the three boat Cruising C class by beating Bob Zell's "Lotus" and Jim Carlin's "Glory Sea II".

Benkert Wins

Boyd Benkert got back on the winning track with his "Thunderbolt" by topping the red hot Raven class. Al Bortolotti's "Nauti-gal" was second ahead of Jim Mason's "Wair". Earl Zuehlke, Dick Hill and

Mrs. Ronald L. Cutler

CAROL ANN SOBER, daughter of the Clare L. Sobers, was married Friday in the Grosse Pointe Congregational Church to Ronald L. Cutler, son of the George J. Cutlers, of Fairway lane.

Her gown of Italian silk had a bodice of Alencon lace and a scalloped scooped neckline. The full princess skirt deepened into a chapel train and a Mary Tudor cap held her veil of lace. She carried stephanotis centered with a white orchid.

Janet Poppen was maid of honor in a romance blue organza sheath with a bouquet of daisies. The attendants were Carol Hollidge, Mary Zent

Zimmerman, Margie Cantalupa and Johanna Hobson

Arthur Wible was best man for the bridegroom and the ushers were Lester Cutler, Daniel Sober, Kent Shortz and John Wardle.

A reception followed the ceremony at the Detroit Boat Club. The newlyweds will live in San Francisco, Calif.

GPYC Ready For Holiday

Grosse Pointe Yacht Club is readying for its gala Fourth of July celebration which, in tradition, will be staged with emphasis on fun for the children. A Children's Circus will be the highlight from 1 to 4 o'clock, and in the evening, there's to be a huge fireworks display for all members of the family.

Clowns resplendent in grease paint and gay costumes, and the hurdy-gurdy man, Bill Kane, will be in circulation as young fry arrive with parents and grandparents.

First stop will be at an enclosure on the club grounds where small lads and lasses will have rides on real live ponies, led by attendants around the ring.

Promptly at 2 o'clock, circus acts on the lawn will present the Gloria Peebles dog and monkey show, followed by Harold Ramm's marionettes, Karrell Fox, "King of Corn," will be master of ceremonies and will mystify with tricks of magic.

In charge of the Glorious Fourth activities are Eugene A. Casaroll, entertainment chairman, and committee members Earl Fraser, George L. Cassidy, Haford Kerbaw,

William M. Schmidt, and Russell D. VanHouten.

The gigantic fireworks display is slated for 8:45 p.m. There'll be some 200 shells sent aloft to burst into showers of brilliant colored lights. Climax will be set pieces presenting the GPYC burgee and the American flag.

That's GPYC's big event ahead—past is the successful Old fashioned Field Day Fiesta at Old Club. And never let it be said that rain could dampen the Field Day spirit of Grosse Pointe Yacht Clubbers.

That June 18 excursion day was mighty cool as the cruiser fleet carrying 250 party-goers took off from GPYC's harbor. Extra sweaters were broken out of lockers—really needed by the crowd in smart sports garb of shorts, shirts and little jackets for the trip over Lake St. Clair.

On arrival, the rain came—a drizzle that sent everyone into the clubhouse where the Old Club's Commodore Sam Keller and Mrs. Keller were on hand with a warm welcome for GPYC's Commodore and Mrs. Charles L. Jacobson and the Field Day frolicers.

It was a fun party all the way — visiting, card play,

plenty of laughter; dancing during dinner to music by the Art Quatro quintet — they'd doubled as a German band all day. A late afternoon sun drew some athletes to the playfield for an egg-throwing contest, golf putting and a short softball game.

Much admired were Commodore Jacobson's fuchsia-red slacks worn with navy jacket — the Jacobsons and Dr. William A. Lange were guests of the Eugene Casarolls on their cruiser "Casbah." The Anthony Mutschalls went up on their "Cissie" with Mrs. James Hally as their guest. On the "Vitamin-Sea" were Mr. and Mrs. Read Hartz, the John E. Brennans, Alfred Gostows, Harold Wecklers, and Earl Frasers.

Glenn Friedt, Jr., in turtle-necked, bulky white sweater and sea cap, skippered "Miss Plate III." On the "Maroda," Mrs. Robert F. Weber was cute in red linen shorts, white blouse and knitted red tam o' shanter (the tams were the Field Day badge), later added a yellow pullover sweater. Mrs. William A. Terne was in short white sweater coat and black treader pants—a red scarf dramatized her brimmed white sports hat.

The Oscar Olsons were on

their "El Sueno" with the Waldemar Sorensens, Andrew Brodies, W. C. Newbergs, Thomas Boltons, Fred Codys, Mrs. Charles E. Fox and Richard Haynes.

UM Expert Lists Tips on Gardens

"Making your garden is essentially a problem in the treatment of open space," says Harlow O. Whittemore, chairman of the Department of Landscape Architecture at the University of Michigan.

"It goes without saying that the relationship between the size of this open space and the size of the trees is very important," he says.

"In addition, remember that the trees in your garden can be used to provide a frame for

the view of the garden, either from the house or from the rear of the property. They can provide a background for the garden as a mass of foliage of proper density and color. The shadows cast by the trees can be employed by the artful gardener as a most effective background for color.

"One of the most important uses of trees is to provide a contrast of light and shadow. The open sunny areas where flowers can be grown should be balanced against the shaded areas under the trees, as well as under arbors. The beauty of the Italian gardens, famous as they are, is due mainly to this ingenious balance of light and shadow.

"Trees in the garden can be also used to provide shady nooks, usually at one side, or at the end. This shaded nook, usually paved with flag stones if grass will not grow, can serve as your outdoor sitting room or dining room, or simply as a place to which you can retire to be out of sight of the house. One large tree might serve this purpose or a group of three or four small trees.

"In a small garden the open space might extend almost to the rear of the property and the shade be provided by one tree at a right angle to the garden; at the far end, giving an added sense of extra space as well as mystery to the design.

"Flowering trees add color to the garden. You can make your garden a composition of flowers and flowering trees, with the bloom of the trees fitting into the color scheme along with perennials and bulbs.

Thanks for Sharing

Fervent thanks for the capitalist system well up in us these fine June days as we drive about the Pointe's lovely streets and ponder on the processes which make possible the development of a community such as this.

We have learned much of the history and evolution of the area through the column "When the Pointe Was Growing Up," which has been carried on the feature page of this paper for many months now. A few wealthy Detroit families started this evolution when they bought the lakefront sections of the strip farms which were operated chiefly by French and Belgian agriculturists. Summer residences were succeeded by lavish estates with year-round homes, and work was provided for many of the members of the farmers' families. As the farming dwindled, the descendants of these pioneers found employment in many fields which opened up as the population grew.

The very wealthy are too often damned by those whose judgment is warped by jealousy and whose capabilities are insufficient to enable them to attain equal success. Too many are too short-sighted to realize that they benefit to a great degree through the prodigious accomplishments of the comparative few who amass great fortunes. Whether wealth is created through inventive genius, hard work, investment in the works of others, natural brilliance or managerial ability, or just plain luck, in its spending it is shared by many.

The Pointe is one of the most beautiful suburbs in the country, largely because of the great number of wealthy families who live here. The beauty of their residences and gardens is shared by a large proportion of the population. Their mansions and estates are thrown open for numerous community and charitable movements. They pay a large part of the taxes which enable all the citizens to enjoy extraordinary municipal services and protection. Their gifts have brought us such superlative facilities as the War Memorial Center, the Central Library, the Neighborhood Club, and development and maintenance of these properties is largely taken care of by the donations of a comparative few.

Their expenditures, whether it be for necessities or in providing lavish entertainment at large parties, create employment for many and markets for varied talents and products. The industries they have created furnish work and the chance for betterment to countless thousands of families. Their foundations supply the money for new hospitals, for research, educational and religious institutions, scholarships for worthy students.

The Share the Wealth program has been going on for a long, long time, thanks to our democratic system and the generosity of the majority of those who have accumulated fortunes. The next time you feel envious, take a look around and give thought to the many privileges you can enjoy because they were provided by the rich. May they ever be with us.

Delegate Candidates Given Training Class

More than 100 candidates for Republican Precinct Delegate, many of them brought along other members of their families, attended the first Delegate Training Class of this election year at the 14th District Republican Headquarters, 15316 East Warren, on Friday, June 20.

The meetings are conducted for the purpose of acquainting new delegate candidates with the party responsibilities connected with the position they seek. Instruction on a proper canvass of a precinct, and information regarding the special problems which may arise in connection with absentee voter ballots, registration or

transfer of registration, and other less frequent situations confronting the delegate, are given. Candidates are asked to, and do, participate actively in the meetings. Question periods after the formal presentation take care of any areas which have not already been covered.

All Republican candidates for delegate have been invited to attend the meetings, which will be held on a different night of each week until the final meeting on July 29, and to contact the Headquarters, at the corner of Warren and Beaconsfield, for any help they may need.

What Goes On at Your Library

By Jean Taylor

Holiday time is hobby time for any age. Youngsters who have little time during the school year to spend on a favorite hobby will never be at a loss during the summer months, wondering what to do next.

If you are planning a vacation by the sea and have a budding conchologist in your family, you will find many books on sea shells in the children's room of the library. This is a hobby which will make trips to the sea shore doubly interesting.

Ruth Dudley has two excellent books for boys and girls who have discovered the fascination of gathering sea shells. In "My Hobby is Collecting Sea Shells and Coral" she tells you what to do with the shells when you get them home; how to clean and store them and put them on display; how to find out their proper names; how to add more shells to your collection from other parts of the country and other parts of the world.

In an earlier book "Sea Shells" this author tells of different kinds of shells, what makes them valuable, how they move from place to place, and other interesting facts, clearly explained for any age from eight years up. These books have excellent photographs and drawings.

Betty Cavanna has an interesting little book too—"First Book of Sea Shells." This explains how shells are formed and how to recognize different kinds of shells. There are suggestions for building a shell collection, and making a live shell aquarium.

If rock collecting is your child's hobby, Dorothy Shuttlesworth has a worthwhile book "Story of Rocks," which is profusely illustrated in color and designed to help in rock identification. It includes a state-by-state listing of abundant rocks and minerals, and

gives a list of books to take on collecting trips and for good reading, all of which the library has.

Perhaps your son is to have his first camping experience. C. B. Colby's "First Camping Trip" gives practical advice on how to pick a camp site, how to use equipment, how to live in the woods as well as directions for protection against insect bites, fire, accidents and getting lost.

Helen L. Beck's "Going to Camp" will ease the way for either boys or girls and will help them adjust to a new experience.

It's obvious from conversations overheard in the library's children's room, that you're never too young to be a baseball fan. With our Tigers in fourth place at the time of writing, we'll guarantee there's no lack of interested small fry who dream of future greatness in this field.

Robert J. Antonacci gives clear and explicit directions for playing this game in "Baseball for Young Champions." This is well illustrated with diagrams and emphasizes both the delight of playing and the skills required.

The "First Book of Baseball" by Benjamin Brewster (pseud.) is a helpful book for younger enthusiasts.

With the lake close to our doorsteps, it is small wonder that all ages in this community are boat-minded. Harry Zarchy in "Let's Go Boating" should be of help to young sailors. It covers such subjects as rowboats and rowing; canoeing; foldboats; sailing; aids to navigation; stormy weather; rules for the road; outboard motors; care and repair; knots and splices, and includes a Mariner's Bookshelf.

Your child's special hobby may be one of many not mentioned here, but whatever it is, you will find books at your library to foster his interest.

Digestive Troubles?

By Fred Kopp, R. Ph.

Poor digestion brings pain, nausea, belching, and often causes loss of appetite. Here are some of the sources that produce digestive troubles: eating too fast, not drinking enough water, eating too much, or not eating the right foods.

Self-medication often irritates the condition, especially if the trouble lies with the function of the organs that aid digestion. The safest, surest quickest way to get relief is to have your doctor diagnose the condition at once.

Expert compounding of your prescription will assure the best treatment. Select a pharmacist with care. This is the 70th of a series of Editorial advertisements appearing in this paper each week.

Inoculation Ouch! I'm punctured, Black and blue—Why can't flu germs Catch the flu?

One Shot Fights Four Diseases

A four-in-one shot designed to immunize children against poliomyelitis, whooping cough, diphtheria and tetanus has been tested successfully in approximately 300 Detroit children, according to an article in the June 28 issue of the Journal of the American Medical Association.

Children who participated in the study ranged in age from 2½ months to 5 years. Seventy-five per cent, or 224 of them, completed the series of three monthly inoculations, and comparisons of bloods obtained before and after the inoculations showed favorable response, the article says.

The product, known by the trademark Quadrigen, is not yet available for commercial distribution. Developed by Parke, Davis & Company, it is the result of two years' research on combining polio vaccine with a three-in-one shot, diphtheria and tetanus toxoid and whooping cough vaccine (DPT), now in general use by pediatricians.

The purpose of the research program was to develop a vaccine which would protect children against polio, as well as the other three diseases, without increasing the volume of vaccine or number of injections the children now receive for diphtheria, tetanus and whooping cough.

By a special series of manufacturing processes, the 4 components are concentrated and provide effectiveness with 3 doses of ½ cc. (just over 8 drops) of Quadrigen for each inoculation. The Detroit trial

was conducted to test the response of children to the combined vaccine.

A significant finding in the lengthy study was the low incidence of naturally acquired resistance to polio in 7-9 month old children, indicating a need for vaccine inoculation prior to this age. Injections of Quadrigen produced good antibody response to the polio component, as well as to the other 3 antigens of the four-way vaccine in children from 2½ months to five years of age. A fourth dose was found to be desirable for children younger than four months.

Three Detroit Health Department physicians—Dr. Joseph G. Molner, Health Commissioner; Dr. C. D. Barrett, Jr., Director of Maternal and Child Health; and Dr. C. P. Anderson, Deputy Commissioner of Health, Medical Service—conducted the trial in conjunction with Dr. E. A. Timm, Dr. B. I. Wilner, Dr. H. E. Carnes and Dr. I. W. McLean, Jr., members of the Parke-Davis research staff. The seven doctors collaborated in writing this first report on Quadrigen for the Journal of the American Medical Association.

Children who participated in the study are currently receiving a routine "booster" dose of Quadrigen 15 to 16 months following their primary series of inoculations. Antibody evaluation studies of this booster will be a part of a more complete report at a later date, according to the authors.

From Another Pointe of View

By Patricia Talbot

For many seasons past teenagers in the Pointe have been able to enjoy an international viewpoint first hand. Through the American Field Service students from many lands have traveled here to not only study American schools but to experience Elvis Presley, hot rods and hamburgers on the spot.

This summer three Pointers are exchanging the courtesy and will travel to Turkey, England and France to live with families and take courses at local schools.

Christine Wohlers, daughter of Mr. and Mrs. Henry Wohlers, of Nottingham road, a junior, (this is a requirement), at the High School took off last week for Istanbul where she will absorb atmosphere and studies in this Near Eastern country.

John Davidson, Christine's classmate, and son of the David Davidsons, of Stanton lane, has already left for Surrey, England, where he will cement British-American relations this summer.

France, certainly a most newsworthy country to be visiting this summer, is Jane Peirces destination. The daughter of the Robert T. B. Peirces, of Lincoln road, she will be stopping off to visit the Brussels Fair and Paris before she reports to her family in Riorges, near Lyon.

Fords Pre-Wedding Hosts

Driving to Columbus, O., this week-end to be hosts at a luncheon before a wedding are Mr. and Mrs. John B. Ford III and Mrs. Ford's mother, Mrs. Claude McDonald.

The bride is Margaret Kelsey Jones, daughter of the Frederick Eben Joneses, of Columbus, formerly of Detroit. Her fiancé is Bradley Chapman Drowne, of New York.

The Fords and the Dallas Kelseys, of Grosse Ile, will give the party for the bridal attendants and out of town guests at the Rocky Fork Hunt and Country Club on Saturday, the day of the wedding. The bride is Mrs. Ford's cousin.

Lochmoor Pool Party

Lochmoor mammas and daddies have decided that their offspring have taken over the club pool to the exclusion of their parents and steps must be taken.

This Saturday evening the kiddies will be banned and a pool party for the older generation has been planned by the Robert Artners, swimming committee chairman. They will have a cocktail party at their Yorkshire road home before the swim gala, which will be followed by a corn on the cob dinner and dancing under the stars.

Also entertaining at cocktail parties before the swimfest are the Robert Howards, the Jack Emerys, the Jack Demerests, the Karl Schaltenbrands, the Rupert Atkins, the Jeff Welshers and the Joseph Wagners.

64th Commodore's Ball

This Saturday the Detroit Boat Club will celebrate one of the highlights of its boating season. Unique among the clubs on the Detroit River the Boat Club combines its annual sailing regatta with its annual Commodore's Ball.

This 46th annual event will begin at 10:30 o'clock when 175-200 boats will race in the various classes. Special interest centers around the juniors who have produced some exceptional skippers and crews this season.

In the evening cocktails and dinner will be served on the lawn before Commodore and Mrs. John L. Hunt. (Continued on Page 20)

WORRY INVITES ACCIDENTS

Don't carry a carload of worries on your auto vacation trip this summer. Worrying while driving is one sure way of courting an accident. Worry slows mental and physical reactions, makes it difficult to meet sudden driving emergencies. So relax, enjoy your trip. Most of the things you worry about never happen anyway.

Before you set out to make others happy, be sure you display a wholesome example.

Phelps Chapel Sets Schedule

The Hubbard Phelps Memorial Chapel at Huron City at 3 o'clock each Sunday.

Reverend Walter D. Wagoner of Princeton, New Jersey, will preach at the services on July 6, 13 and 20. Reverend Wagoner is the Executive Secretary of the Rockefeller Brothers Religious Fellowship Program.

On July 27, Reverend Paul F. Ketchum, Assistant Minister at Grosse Pointe Memorial Church, will preach.

On August 3, Dr. Frank Fitt, Minister of the Grosse Pointe Memorial Church, will be the preacher.

On August 10, Reverend William B. Sperry, Rector of Christ Church, Detroit, will be the preacher.

On August 17, 24 and 31, Reverend Wylie Krititz of Princeton University will preach.

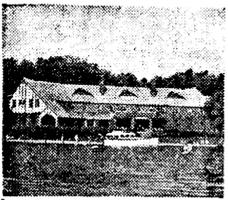

Miss Elizabeth Stafford of Port Hope, Mich., who was the organist last summer will again provide the music this summer.

The Museum which contains the library of Professor Phelps formerly in his summer residence, Seven Gables, and which also holds the murals which Mrs. Phelps painted of the pioneer days in Huron City will again be open to the public from Tuesday to Saturday of each week from 3 p.m. to 5 p.m. and on Sunday from 4 to 5 o'clock. The Log Cabin, an original building purchased by the late Mrs. Phelps and moved by Mrs. Russell Lucas on Highway 25 alongside the museum will also be open at the same time.

Hubbard Woods Camp, for many years used by Boy Scout Troops of Detroit, has been made available to the Detroit Conference of the Methodist Church for the next three summers for camping purposes. Reverend Robert P. Crosby is in charge of the Hubbard Woods Camp and the church will have boys and girls there this summer for five weeks and in subsequent years will have a full camping schedule of eight weeks each summer.

The above activities are made possible by the William Lyon Phelps Foundation which was organized by the late Charles A. Percells to commemorate Professor William Lyon Phelps of Yale University and to also perpetuate a service to the community in the spirit in which he served the community in his day.

Commodores and their wives from neighboring clubs will be honored guests as will those prominent in boating activities from the area.

Mr. and Mrs. Kurt R. Keydel are in charge of arrangements with the assistance of Mr. and Mrs. Charles C. Fitzsimons, the Robert F. Hodges, Mr. and Mrs. W. Colburn Standish, Jr., the Buell A. Doelles and the Theodore L. Sedwicks.

Random Report
Even though June brides seem to be spotlighted for entertainment calendars, the autumn altar dated are having their fair share of festivities.

The William Crapos, of Touraine road, gave a cocktail party Sunday for Anne McKnight who will marry Joe Maycock October 11.

The vacationers are still leaving in droves. Dr. and Mrs. Albert D. Law of Lincoln road have opened "Broken Rocks" their place near Port Austin, Mich.

The Fred Wilsons decided in favor of an educational drive and are currently motoring through Montreal, Quebec and environs with Rod, Reed and Kim.

Susan Weiss will be way off in California for the summer at camp while her mother, Mrs. Roger DeBusk will certainly miss her.

Mrs. Albert Jehle is taking her offspring Debby, Lynn and Michael to Buffalo this week for a family reunion.

Cooperative Nursery Accepting Applications

The Eastside Co-operative Nursery, at Mt. Hope Methodist Church, Seven Mile and Morang, Detroit, is accepting applications, now, for the fall term.

Three to five-year-old children are divided into two groups, each meeting two mornings a week, from 9 to 11:15 a.m.

The Nursery, a non-sectarian organization, operated by parents, is licensed by the State of Michigan and is a non-profit co-operative venture. The fees are nominal.

It is under the supervision of a teacher, Mrs. Orlo Niles, who is assisted by mothers. The pre-schoolers have supervised play and meaningful group experiences, which help to somewhat allay the away-time between home and school.

This spring, the program included a picnic to Belle Isle, Fathers' Night, and a field trip to Twin Pines Dairy.

Plans for next year's program are now being made by the new officers: president, Natalie Lederer of Detroit; vice president, Flo Scott of Detroit; secretary, Lillian Rusnak of Harper Woods; treasurer, Ruth Bentzen of Grosse Pointe Woods.

Equipment chairman is Mary Voloshin, and membership chairman is Mavis Prevost, both of Detroit.

For further information, a brochure explaining the program in detail can be obtained from Mrs. Prevost, VA. 4-1044.

The reference to treasurer's checks apparently relates to testimony the subcommittee received earlier this week that more than \$700,000 worth of such checks had been issued on behalf of various Goldfine interests but never cashed.

THE SENATE PASSED without dissent Friday a bill to continue some wartime tax rates, but to repeal all Federal transportation.

The measure now goes back to the House, which on June 5 approved a simple one-year extension of corporation and excise (sales) levies scheduled for automatic reduction June 30.

Sunday, June 22 REP. THADDEUS M. MACHROWICZ, (D., Mich.), Saturday fired a Detroit aide accused of scheming to confuse voters by packing the August primary with token candidates.

After a 10-minute meeting at his Hamtramck office with C. Charles Harvey, County em-

ploye and secretary of a Machrowicz headquarters at Gratiot and Chene, the congressman said Harvey resigned on request.

Harvey was accused by a Machrowicz opponent in the Democratic primary, Russell S. Brown, of paying one person named Brown to file in the race and obtaining fraudulent nominating petitions to place still another Brown on the ballot.

Monday, June 23 SOME 350 SCREAMING Hungarian refugees trampled several policemen Sunday while smashing windows of the Park Ave. headquarters of the Soviet Delegation to the United Nations, in New York City.

Nine demonstrators were arrested after seven policemen, including a deputy chief inspector, were injured, none seriously. Three demonstrators were arrested Saturday after a less violent outbreak in the Soviet building.

The refugees, including hysterically sobbing women carrying Anti-Communist placards, were protesting the Red execution of Hungarian revolution leaders.

AN ELDERLY CHICAGO nun disappeared under mysterious circumstances about 10 days ago aboard a train for Poland traveling through Communist Czechoslovakia, the Chicago Sun-Times reported Sunday. U.S. embassies in Warsaw, Prague, Vienna and Rome have been notified of the nun's disappearance, but American officials apparently have been unable to get information from the Czech government.

Tuesday, June 24 A Federal jury Monday acquitted Teamsters boss James R. Hoffa and two other defendants of wiretap charges. The Government charged they tapped phones to eavesdrop on union subordinates during a Congressional and grand jury investigation of the union.

The jury of eight men and four women cleared Hoffa, Owen Brennan, (president of Detroit Teamsters Local 337), and wiretap expert Bernard Spindel after seven hours of deliberation.

It was the second time the three men had been tried on the charges. The first trial ended in a 11-1 deadlock last December, with the lone juror holding out for acquittal.

Dr. Edward S. Zawadzki, Wayne County Medical Examiner, Monday announced that he will suspend morgue clerk George I. Adams without pay.

Wednesday, June 25 IN A FULL SCALE investigation into the market in American Motor shares on the New York Stock Exchange, including short sales, the Securities and Exchange Commission Tuesday obtained a temporary restraining order in federal court against Louis E. Wolfson, the Florida financial operator. The SEC charged Wolfson and associates went short more than 100,000 shares of American Motors and covered a substantial part of these short sales after statements from a spokesman and from himself depressed the market last Friday and Monday.

Postmen Ready For Field Day

Pointers will be interested to note that all mailmen throughout Greater Detroit and its suburbs (Grosse Pointe included) will hold their 21st annual Field Day and Picnic on Sunday, June 29, at Jefferson Beach.

Proceeds from this annual affair are used for the Letter Carriers Benevolent Fund, which pays sick, death, retirement and emergency benefits to letter carriers or their widows or families.

Those who wish to show gratitude to these, our public servants, who work rain or shine for us, year 'round, can do so by purchasing tickets from their mailman for the Field Day event.

Over fifty Grosse Pointe Junior tennis players competed in the United States Lawn Tennis Association's tournament held at the Neighborhood Club on Wednesday and Thursday, June 18-19.

The winners and runners-up qualified for the State tournament which got underway this week.

Peter Monroe and George Haggarty, of the championship GPUS team, were the big winners in both singles and doubles. Monroe defeated Ted Bonneau of Austin, 6-1, 6-1, to win the Boy's 15 and Under title and then teamed with Mike Lynch of the Country Club to win the doubles title by beating Earl Meyers, Jr., and Bonneau, 6-3, 4-6, 6-4.

George Haggarty tumbled his teammate Bob Wood, 6-3, 6-3, to win the Boy's 18 and Under championship. Haggarty and Wood then teamed up to win the doubles crown by beating Ron Linclau and Dick Grasse, of Grosse Pointe High, 6-4, 6-3. Haggarty and Wood are the current Class C-D State champions.

A couple of Pollys Blake and Burke, captured the Girl's 15 and Under title by beating Betsy Semple and Ann Wood in three sets, 4-6, 6-1, 6-0.

The two Pollys will battle for the singles championship in the near future.

The writer does the most who gives his reader the most knowledge, and takes from him the least time.

One of the week's top individual performances was contributed by Ed Mourad, of the Senators, whose pitching and slugging subdued the Indians, 10-2. Mourad held the Indians to four hits and drove in all the runs he needed with a grand slam homer.

Bruce Myers, also of the Senators, collected the only other American League home run of the week.

In the Collegiate League, Baylor relinquished the leadership of the Southern Conference to Carolina as the result of surprise losses to Alabama and Kentucky, who are in fourth and fifth places, respectively.

The impressive wrought iron gates leading into Lee Gate from Grosse Pointe boulevard are all that is left of the Burns Henry estate and farm, one of the Pointe's most imposing in the early 1900's.

The Henrys bought their land from the Ingersoll Lewis estate and improved the farm lying behind the estate. The long row of maples which separate Mapleton and Lewiston road once marked the saddle horse track on which both the Henrys and the Lewises used to exercise their mounts.

Chickens roosted in the meadow which is now this one block street and the original farmhouse which housed the estate workers is still standing, moved back from the center of the dirt lane where it once stood. The house has brick siding and has been whitewashed but the beams in the basement testify to its 80 years.

Charles Michaud was the Henry's coachman, then chauffeur, and he had an only son. One day, when Mr. Henry was sinking away into a coma, the young Michaud boy and a friend were cleaning their guns before a shooting expedition. The gun went off accidentally and Charles Michaud lost his only son. His funeral and that of old Mr. Henry were held within a few days of one another.

James Holden bought the property and lots were offered for sale in the Memorial Subdivision, to commemorate Mr. Henry and the young Michaud boy.

Charles Dooley, the first from the Argonne and Meuse, and his bride built the first house in the Memorial Subdivision. Their daughter Annamay, was the first baby born on the street.

Mapleton was then just a dirt track and the mailmen would not deliver mail to the house. It was left in a box at the boulevard. Mrs. Dooley cooked with kerosene for, until there were 20 houses on the street, no gas lines were laid.

By 1929 most of the small lots were sold to policemen, firemen, gardeners and chauffeurs who served the big families on the "Avenue", as one old settler called Lakeshore drive.

Many of the original homeowners are still there but the street is changing, young marrieds are buying the old frame dwellings, modernizing them, never realizing that on their land live stock roamed, heifers and heresses of the 90's raced their ponies, hay was mowed and the splendours of Edwardian rustic living reigned supreme.

Quite a week-end was the past one with weddings, debuts, and the Hunt Club Ball giving milady a chance to show off her summer wardrobe, and some stunning fashions there were.

At Alice Jane Hooker's reception spied Mrs. J. Bell Moran looking lucious in a tangerine and aqua print with slippers tinted to match the aqua sash... lovely brunette Mrs. Robert Hurley, with a new short haircut, in palest pink peau de soie, beaded across the bodice, bouffant and with the tiniest of straps. Her sweater was a matching soft pink cashmere.

At the Hunt Club Horse Show Ball Mrs. Sterling Dockson was a vision in a pale blue chiffon dancing frock, more chiffon ruffling the blue cashmere top. Her slippers repeated the baby blue color.

Mrs. George N. Monro III, shopping on the hill in brief yellow shorts and a white cashmere sweater trimmed with sailing flags, was accompanied by her tall son, Steven, home from Middlesex School to squire the current crop of debs. She was sending him to the frozen food department for two cartons of frostbites.

Sounds like a gay time this week-end for the Pointers traveling to the Robert Vanderpyls' party in Bloomfield Hills. The David Gambles, the Bernard Peares and the Henry Kleins will be togged out in gay 90's swim costumes for this picnic and poolside soiree.

The bent pin and the bamboo pole were rooted out this past Monday when the GPYC held a dock fishing contest for the lads and lasses. Prizes were awarded for the first to catch any fish, the biggest fish and the largest creel.

And more news from the sailing crews; the Boat Club will have two Pointe entries in the Mackinaw Race. Dr. Hugh Fuller will be sailing his "Diane" and Dr. Ivan B. Taylor has entered his "Bella Donna."

Mrs. Robert Drean has just won a Fulbright Scholarship to study at the Goethe Institute Munich, Germany this summer. Mrs. Drean, who teaches at Denby, had her winning interview in German, that proficient is she. After the seminar she and her husband will board a Volkswagen for a tour of Europe.

PILFERINGS

There is nobody so irritating as somebody with less intelligence and more sense than we have.

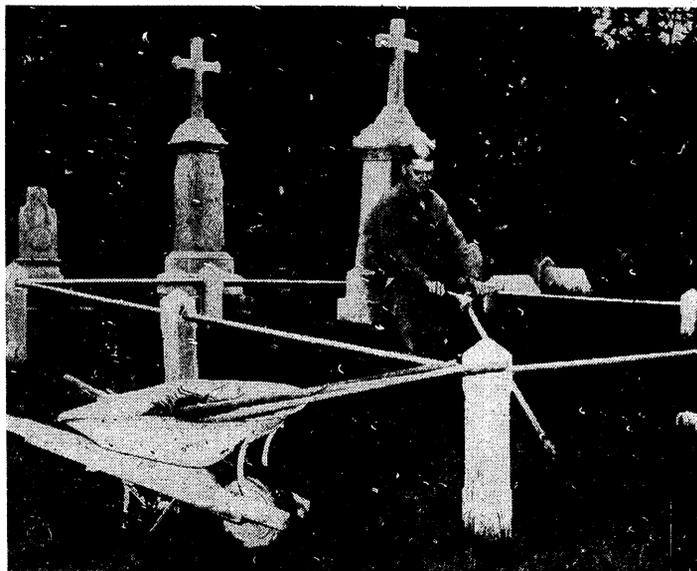

A group of scientists working on an important research project got so annoyed with the inefficiency of some of the workers in the Laboratory that they posted this sign: "Are you helping with the solution—or are you part of the problem?"

To look is one thing.
To see what you look at is another.
To understand what you see is a third.
To learn from what you understand is still something else.
But to act on what you learn is all that really matters.

It's all very well to think of America as a melting pot, but one must remember that some things won't melt unless we make it very hot for them.

A Hollywood mogul who has never learned to read or write has managed nicely by signing his checks with two crosses. His banker called him recently. "How about this check, here, it's got three crosses?" "My wife has social ambitions," explained the mogul. "She thinks I should have a middle name."

WILLIAM CHAMPINE OF MOROSS ROAD

By Patricia Talbot

A graveyard is a fine place in which to meditate, especially if the tombstones are as familiar to you as your own family. William Champine, guardian of St. Paul's Cemetery, the only one in the Pointe area, for over 30 years, never feels lonely in his job.

Quite a salty philosopher, Mr. Champine says he feels quite secure in his job. "The dead won't bother me; it's the live ones you have to worry about," says Mr. Champine as he cuts the Champine lawn with an old fashioned lawn mower.

The names on the tombstones are those of families he has known all his life. Kerby, Michaux, Moran, Allard, Cadieux, Paye, names associated with much of the Pointe's early French history.

Early Pioneer Family
Mr. Champine lives with his brother, Archie, in a frame house across the street from the cemetery. He was born there and tramped the dusty track to St. Paul's School as a boy. His father worked on the Grosse Pointe Highway Commission under Fred T. Moran. Champines were here from the very beginning of the Pointe. His property and the land adjoining has been held by his family for over 100 years.

In the cemetery is a plot for the Moross family. Mr. Champine sighs nostalgically for there are no Morosses left now. They gave the land for the cemetery and the street which bears their name. When the present road was paved through to Mack over 40 years ago construction workers dug up some unmarked graves. Mr. Champine feels this site may have been an old Indian burying ground.

The cemetery has been there since 1825 when the first log church, St. Paul's, was built on Vernier road where an old crucifix had been carved. In 1846 \$200 was paid for the present church land and a frame building constructed. Another church was built in 1850 pre-dated the present edifice.

Cemetery Early Landmark
But the cemetery was there for many years before the church, many of the early graves unmarked. Although there is a blueprint in the rectory Mr. Champine has the site fixed immovably in his mind. He doesn't need a blueprint. His own family plot is there. Just 26 months ago he buried his mother, aged 97, a Pointe pioneer.

When there is to be a burial Father Melvin notifies William Champine, and he digs the grave, some 6 feet deep. He knows the plots so well he never makes a mistake, but he wonders what will happen when he is gone, one of the few men who knows every inch of the cemetery.

Willy Champine didn't intend to be a graveyard custodian. He wanted to be a violinist. When he was first graduated from school he worked for the Cronin Express Company, in the days when the wagons were horse drawn. He played his violin at dances and weddings all around the Pointe but his mother felt that a musician's life lacked security for her son. Soon after that he was hired to take care of the cemetery and he has been there ever since.

Violin Packed Away
He doesn't have much time to practice his violin now, for he and his brother, both bachelors, have to do their own housekeeping. He likes to cook, but is strictly a meat and potatoes man.

Reminiscences About Past
Rain or shine, summer or winter, Willy Champine is on duty. It takes him about 4 hours to dig a grave and sometimes when the ground is hard in winter he asks his brother, Archie, to help him. He is proud of his job. On these lovely June days he sometimes will leave the mower or wheelbarrow and sit on a bench under the spreading trees with some visitor to talk over the old days.

He went to school with most of the pioneer French settlers, played at their weddings, watched their children grow up. He says proudly, "Every one knows me. I don't know what they'll do when I'm gone."

He has buried his relatives, his friends and their children. The Champine plot is a big one. But Willy doesn't plan to join his ancestors for a long time. There's too much work to be done.

There are 150 lots unfilled in the cemetery and he wants to be on the job. There aren't many men like Willy Champine left, doing their humble, necessary jobs with a spirit of dedication and pride. His homely philosophy is a simple but sincere testimony of faith.

SUITCASE STOLEN
A brown leather suitcase was stolen from the car of Robert Calloway of 18312 Mack avenue, according to a report made to Farms police on Tuesday, June 17. The suitcase contained two suits, two dress shirts, a pair of black loafer shoes, two neckties and a shaving set. Total loss value was set at \$234, the owner said.

Thief Acquires Free Sunglasses
A telephone call last Monday, June 16, from Mrs. Del S. Chalmers of 616 Cadieux road, informed Grosse Pointe City police of a petty larceny that had occurred within their precinct.

At approximately 10:30 the morning of the 16th Mrs. Chalmers had parked behind the A. & P. in area #4, and taken care of an errand in the National Bank of Detroit branch in that block. Upon returning to her car a scant ten minutes later she discovered that both pairs of sunglasses, left on the front seat, were missing.

The glasses, one women's pair and the other a man's, were valued together at \$22. City police are conducting an investigation to locate the petty purloiner — and the glasses.

How to Control Rose Chafers

Begin controlling rose chafers now. Rose chafers, not Japanese beetles, are those little light brown insects that chew up the rose buds, flowers, and also injure other garden flowers. They seem to prefer light colored flowers to the deeper colors. Last year was a particularly bad year which means that there will be many grubs around this year.

The first step in controlling them is to kill the grub in the soil. Use either chlordane (4 oz. of actual chlordane per 1000 square feet) or dieldrin (1 1/2 oz. of actual dieldrin per 1000 square feet) in the dry granular form, applied over the entire lawn, shrub border, and flower beds. Water or work it in well.

The second step is to use a mixture of DDT (2 tablespoons per gallon of 50% wettable) plus malathion (2 teaspoons per gallon of 50% emulsion) in the same gallon of water. Spray the plants when the rose chafers begin to land on them. Spray every 5 days during the rose chaffer "season". This control program will be much more effective if you can make this a neighborhood project and have several homes treating at the same time.
