HEADLINES

of the WEEK

As Compiled by the Grosse Pointe News

Thursday, July 3

FIVE OF THE 49 North Americans kidnaped by Cuban rebels—and a United States consul who went to their rescue—were airlifted to the Guantanamo naval base Wednesday.

A helicopter made two trips to bring the freed captives and the consul out of the jungles. It then stopped operating for the night, at which point 44 captives were still to be returned. Indications were that their release may be imminent.

Friday, July 4

BOSTON MILLIONAIRE Bernard Goldfine acknowledged Thursday that he lavished Christmas money gifts on the secretary of Presidential Aide Sherman Adams and 32 other Federal employees.

Investigators for the House Subcommittee investigating the Adams-Goldfine links said many of the checks were for \$100, with some ranging up to \$150.

Saturday, July 5

A HUGE AIR FORCE Globemaster went down in mid-Pacific early Friday and about 12 hours later three members of the nine-man crew were rescued by a Navy helicopter.

The C-124 double-deck Air Force cargo plane crashed into the sea about 200 miles north-east of Johnston Island, while on a flight from Honolulu to Wake Island.

The \$1,700,000 Globemaster, as high as a four-story building, was based at Travis Air Force Base, near San Francisco. With a crew of seven, and two military couriers, it was on a cargo run to Tokyo.

Sunday, July 6

THREE AMERICANS employed by the United Fruit Co. were released by Cuban rebels Saturday, leaving 42 Americans and Canadians still in the insurgents' hands.

The three were flown by helicopter from rebel headquarters to the U. S. naval station at Guantanamo Bay. The helicopter then returned to bring out two other American prisoners and U. S. Consul Park Wollam, who has been negotiating the release of the 50 men seized by Fidel Castro, rebel leader, to preclude what he called unfair U. S. aid to his Cuban government opponents.

Monday, July 7

ANOTHER CORNICE came crashing down Sunday, this one narrowly missing State Senator Charles S. Blundy, who was about to enter the Stafford Restaurant, 8335 Linwood. Blundy said he felt a pebble strike his shoulder and leaped away. Immediately, he heard a crash behind him and turned to find that a two-foot long piece of cement had fallen from the roof of the two-story building.

Tuesday, July 8

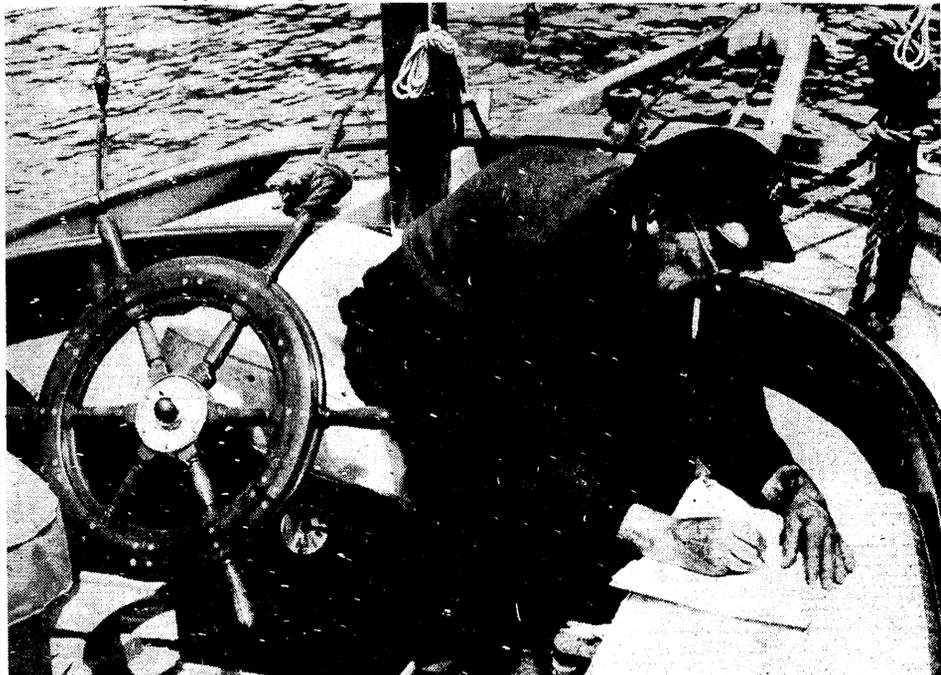

THE TOP INVESTIGATOR of the House committee investigating Bernard Goldfine lost his job late Monday after a whirlwind of developments which all but obscured the probe of the Boston industrialist.

Baron I. Shacklette, 48, quit under fire after the committee strongly and unanimously condemned his tactics of eavesdropping—a most regrettable act that the committee does not condone.

Wednesday, July 9

THE EXECUTIVE BOARD of Local 212, UAW, Tuesday ordered an immediate end to a wildcat strike of trim department workers which has paralyzed operations at Chrysler's Plymouth body and assembly plants. Employees at the Mack body plant were ordered to report for work on their regular shift Tuesday afternoon and to remain on the job. Action by local officers came after 2,700 workers at the two plants were sent home again Tuesday because of refusal of a few trim department employees to work.

City, Farms Win Awards For Safety

Each Has Record of No Pedestrian Deaths For Two Years; Fine Programs Cited

Grosse Pointe Farms and Grosse Pointe City's individual two-year records of no pedestrian traffic deaths and their outstanding walkers' safety programs were highlighted this week with presentations of national Pedestrian Protection awards from the American Automobile Association to police officials of the two cities.

The awards, captured in the 19th annual pedestrian protection contest, were presented to City Superintendent of Police Thomas V. Trombly and Farms Chief of Police Walter R. Hoyt by George Measel, Automobile Club of Michigan, Grosse Pointe division manager, on Monday, July 7, and Wednesday, July 9, respectively.

"The residents of your communities deserve much of the credit for making this award possible," said John Trellay, Auto Club safety education consultant for the Pointe area, who was also present at the ceremonies. "Despite increased traffic volume, they again avoided any pedestrian fatalities in the cities in 1957 and held the line on injuries to walkers."

A Special Citation, won by Grosse Pointe Woods, will be presented at a later date.

Traffic Supervision Wins Plaque for Park Police

The Park Police Department's splendid traffic supervision in 1957, was cited by the International Association of Chiefs of Police.

In letters to Mayor Kenneth Cunningham and Police Chief Arthur Louwers, received on Thursday, July 3, John D. Holstrom of Berkeley, Calif., president of the Association, congratulated the Park on its outstanding achievement in police traffic supervision last year.

"We can fully appreciate the efforts expended to merit this recognition by the International Association of Chiefs of Police," Holstrom said in his letter to the two Park officials. "Please convey my best wishes to your entire organization."

Farms to Spend \$86,528 For Paving Improvements On Kerby and Kercheval

Also Approves Joining With City to Recap Fisher From Kercheval to Boulevard at Estimated Cost Of \$7,000 Each

The Farms will expend \$86,528 for street improvements, it was brought out at a council meeting on Monday, July 7. Three contracts worth the total expenditure were awarded to low bidders at the meeting.

The biggest cost, \$38,892, is for the single sealing of bituminous prime and stone chips on major city streets and local streets.

In another project, contractors to use approximately 1,935 tons of bituminous concrete to recap Kerby road, between Chalfonte and Ridge, and on Kercheval, between

Fisher and Muir, together with other construction items such as curb repairs and adjusting of drainage structures. This job was awarded in the amount of \$26,579.50.

The widening of Kerby road, from Chalfonte to Ridge, will cost \$21,056.80, including the construction of 18-inch curb and gutter sections on each side of the road. Also the replacement of private driveways and the rebuilding of drainage structures.

Farms City Engineer Murray Smith said that no starting date has yet been decided upon, since the time is up to the contractors who must prepare plans and line up equipment. However, the city official said, the first two projects are scheduled for completion by August 30; the latter, by August 15.

To Seal Off Kerby Mr. Smith said that it will be necessary to seal off Kerby by "blocks, as the work progresses."

At Monday night's meeting, the council authorized City Manager Sidney DeBoer to employ the firm of Mason L. Brown and Son, to prepare plans and specifications for the recapping of Fisher road, between Grosse Pointe boulevard and Kercheval. This project will be a joint venture with the City. The cost of this work is estimated at \$14,495.50, with both communities paying an equal share.

The Park will be presented a plaque from the Association during ceremonies at a yet undisclosed date.

The letter from Holstrom states that outstanding achievement awards are based on performance evaluations of 90 percent or higher for cities, as rated in the police traffic supervision section of the Annual Inventory of Traffic Safety Activities.

Certificates of achievement are given on the basis of 85 to 90 percent performance of evaluations for states, and 80 to 85 percent for cities. "I should like to extend my heartiest congratulations and best wishes to you and your Police Department," Holstrom wrote, "for the splendid effort."

3 Teenagers Plead Guilty To Robbery

Two Granted "Nolle Prosequi"; Third Turned Over to Immigration Authorities

Three teenagers, involved in the robbery of two Farms homes, were brought before Wayne County Circuit Judge Frank Fitzgerald on Tuesday, July 1, on a charge of larceny from a building. All pled guilty.

Judge Fitzgerald ruled "nolle prosequi" for two of the accused, a boy and girl, when they said they were joining the Armed Services; the third teenager, a girl from Canada, was turned over to immigration authorities.

The "nolle prosequi" was made in favor of Esther Jane Zappitell, 17, of 1231 Lakepointe; and William Louthan, 19, of 14720 Novara, Detroit, and turned over to the Immigration Department, was JoAnne Caroline Chapman, 18, of 1246 Rankin, Windsor.

Must Make Restitution Miss Zappitell and Louthan were ordered to make restitution in the amount of unrecovered loot taken from the home of the Hugo Liebolds, 184 Lothrop, on May 22, before they join the service, or they would be tried and sentenced to jail. The leniency was granted them so that they would have no felony records, which would bar them from the Armed Forces.

The Liebolds lost \$6,754 in jewelry and appliances, of which \$3,242 worth was recovered from Miss Zappitell's home.

The second home they burglarized was that of Mr. and Mrs. Wilfred Greiner, 160 Country Club drive. All the loot taken from this place was recovered. The robbery occurred on May 16, and amounted to about \$700. They took a silver set, a hi-fi record changer and 70 records.

Girls Trap Selves The three were arrested on May 22, when the two girls called Park police to report a missing car, which Miss Zappitell thought had been stolen. It belonged to Joseph Elias of 665 W. Hancock, Detroit, who had given the girls a ride. The girls took the car when the owner went into a Mack bar to purchase cigarettes.

The car was recovered by Park police at Lakepointe and St. Paul, and returned to the owner, who had reported the vehicle stolen.

Later in the day, Miss Zappitell called police to report the car missing. It was parked

Show in 'Village' To Have Vacation Time for Theme

11 Station Wagons of Different Makes and Camping Equipment Being Displayed from July 10 through 19

The residents of Grosse Pointe are again being treated to "something special" by their local business concerns. Merchants in "The Village" are collaborating with several of the automobile dealerships to present a special summer show, which will run 9 big days, (July 10, through July 19, excluding Sunday).

The theme of the presentation, "Its Vacation Time... and America's On Wheels", will center around a display of 11 station wagons — all 1958 models, and each representing a different automobile firm. Jacobson's of Grosse Pointe is the principal sponsor of the unique exhibit, which will also feature a complete camping outfit. Several of "The Village" merchants are co-operating with Jacobson's with window displays and prize contributions.

Will Take Pictures The Camera Center will sponsor a special added attraction of its own, and will be on hand throughout the duration of the display, to take pictures of the gay extravaganza.

The Ford station wagon will be presented by Adam-Simms, Inc., and the Mercury by Frank Adam, Inc. Frank Alter Sales will show the new Plymouth wagon, and Pontiac will be represented by Causley Pontiac, Inc. The new Chrysler station wagon will be shown by Fisher-Record Motor Sales; the Studebaker by Karl Hosten Motor Sales, and the Rambler by Lavigne Auto Sales. Michel Motors will display the Dodge '58 station wagon, Ray Whyte the Chevrolet version, and Turner-Buick Inc. will exhibit the Buick model. Whyte Oldsmobile Co. will complete the display with the Oldsmobile 1958 station wagon.

To Award Big Prize The show will be located in "The Village", at the corner of St. Clair and Kercheval avenues. In addition to the timely station wagons and camping displays, there will be a variety of all necessary accessories. The tent, accessories and camp equipment will be awarded as a door prize. A colorful barrel will house the ticket stubs and on the final day of the show City Clerk Norbert P. Neff will preside over the drawing.

Tree Surgeon Falls 60 Feet

A 31-year-old man was seriously injured Tuesday morning, July 8, when he fell 60 feet from a tree which he was pruning.

Keith Sutton, of 3041 West Boston boulevard, in Detroit, an employee of the Charles Irish Tree Company, slipped and fell from a tree on the grounds of the Dexter M. Ferry Jr. residence, 17100 East Jefferson avenue.

He was rushed to Bon Secours Hospital by Grosse Pointe City police, where he was believed to have broken both ankles, a wrist, and suffering hip injuries.

\$50,000 in Stolen Cash Returned by Park Police

Park police returned \$50,000 on Monday, July 7, that was stolen from the home of Peter Cavataio, 765 Middlesex, on May 20.

Park Police Chief Arthur Louwers said that \$30,000 belongs to Mrs. Peter Corrado of 701 Middlesex, and \$20,000 belongs to Mrs. Cavataio.

Park authorities are still seeking a man identified as Joseph Savato, who is implicated in the burglary of the Park home.

Dougherty Again Heads School Bd.

Elections Held at Annual Meeting; Pongracz Named To New V-P's Post

At the annual meeting of the Board of Education, held traditionally the first Monday of July, officers of the board were elected for the coming school year.

Franklin D. Dougherty was elected by his fellow members to serve as the board's president. He had previously served as president. Mrs. Ruth H. Goebel succeeded Chet Sampson as secretary, and former president Bert H. Wicking was made treasurer.

Status Changed For the first time a vice-president of the Board of Education was elected. Prior to this year the Grosse Pointe School District has been considered an agricultural school area but the State legislature recently passed a new law which designates Grosse Pointe as a third-class school district. This enables the board to vote in a vice-president and Edward Pongracz will fill the newly-created position.

Wicking Re-elected The rest of the seven-member board is comprised of James W. Lee, II, Robert F. Weber, and Chet Sampson. Mr. Wicking was re-elected to another four-year term in the June 9 School Board elections. He, in effect, succeeded himself for the position as there was no opposition.

Also in the July 7 meeting, the board voted to change its regular date of meeting from the first Wednesday in every month to the third Monday of each month. The next board meeting will be held Monday, August 18.

CUTS ARM TENDON Paul Murray, 40, of 167 Muir road, was rushed to Cottage Hospital by Farms police on Saturday, July 7, when he cut his right wrist and arm, severing a large tendon. The mishap occurred when the injured man tried to open a window in his house and the glass pane broke.

FARMS JAIL OKAY The Farms' city jail received the approval of the State Department of Correction, according to a letter received by the Farms council on Monday, July 7. Inspectors found the calaboose to be clean and receiving good supervision.

another man, to haul away some gravel.

Following the theft, Collins said, he was warned not to talk or he would be hurt. Disregarding the threat, Collins informed Detroit police that the safe had been placed in a rented garage at 3560 East Willis, Detroit.

When recovered, the outer door of the safe was found drilled and partially torched, but the money, which was locked in an inner compartment, had not been touched.

Salvato was arrested on a warrant on May 22, charging him with implication in the burglary. A warrant was also issued against a John Doe, later identified as Joseph Savato, whose whereabouts is still unknown.

City Police Arrest Trio In Village

Young Boys and Girls From Pointe Families Have Been Thieving For Months

A recent rash of shoplifting complaints, primarily from merchants in "The Village" shopping area, has been cracked wide open by the Grosse Pointe City police department and—contrary to common theory, that the thefts were "outside" jobs—the crimes proved to be committed by LOCAL citizenry.

The most shocking fact of the matter is the petty larcenies were all pulled by 12 and 13-year-olds who seem to be associated with one another, forming a miniature-type "gang."

Police Nab Three Village business concerns have complained for the past couple months that they have suffered from an apparent wave of shoplifting. Only Monday afternoon, July 7, did the police discover that the work—seemingly professional—was that of young teenagers. It was at that time they caught three of the youthful bandits, red-handed, lifting an item from one of the Village stores.

The trio were taken to the City police station and subsequent questioning revealed the names of other teenage thieves who have become nearly professional in their techniques—(most used was the familiar shopbag-method). City Police Captain Andrew Teetaert, who is conducting the investigation, maintains that all the dozen-odd delinquents are from Grosse Pointe families—many of them prominent in business and social spheres.

Girls Are Involved The kids — and there are girls as well as boys involved — all admit that their crimes were, thoroughly premeditated. Their loot includes everything from silk stockings, to cosmetics, to clothing garments, to playing records. The crime wave is reminiscent of another, just a year ago, in Harper Woods, when another group of young people, (which included some Grosse Pointers) went on a shoplifting-spree. As in that case, the delinquents will be turned over to the Juvenile authorities for proper punishment.

In the meantime, Captain Teetaert issues a word of warning to all parents, to keep an extra-watchful eye on their children. He stresses, this current crop has no social or pecuniary boundaries.

'Maid' Loots Farms Home

Farms police are looking for a woman who victimized a Farms family into hiring her as a maid and then absconded with more than \$1,700 in cash, jewels and clothing.

Det. Sgt. Jack Paisley said the family, name withheld, hired the woman on Thursday, July 3, and the "maid" left the following day, taking everything she could get her hands on. A small child left in the woman's charge, was found to be alone when the parents came home after an absence of several hours.

It is believed the wanted woman makes a practice of being hired as a domestic, and then when the opportunity arises, steals what she can and leaves her employers, Sgt. Paisley said.

Taken from the Farms home was \$50 in cash, a mink stole valued at \$500, a lady's small platinum ring with two pearls in the center of a cluster of small diamonds, worth \$300; a jeweled gold pendant on a gold chain, valued at \$300, and an assortment of clothing, worth a total of \$675.

The woman, who came in answer to an ad in a paper, is described as being colored, five feet, four inches, weight, 115 pounds about 30 or 35 years old, black hair and dark eyes, and was dressed in a white uniform, the last time she was seen.

about a block away from her home. The girls were taken into custody and were questioned at the Park station, where they said they took the car, but under the impression that the owner had approved. While they were being questioned, several blank checks taken from the Liebold home, was found in the purse of Miss Zappitell. Following this, the girls confessed to breaking and entering into the two Farms homes, and implicated Louthan.

The three were turned over to the Farms police for prosecution.

Satisfaction Far Beyond its Cost!

One Cadillac owner put it this way—
"I know," he said, "of no other investment a man can make that returns finer dividends than the purchase of a new Cadillac."
Consider, first of all, what a comparatively modest expenditure it requires to own and drive and enjoy the "car of cars" today.
A Cadillac is surprisingly reasonable in original cost—remarkably economical to maintain—and without rival in its resale value.
And then envision, if you will, the personal rewards that accompany this extraordinary practicality.
How wonderful it is to sit in command of a motor car that is so magnificent in performance.
How satisfying it is to be surrounded by its marvelous Fleetwood luxury.
And how inspiring it is to reflect on the car's matchless reputation among the world's motorists.
So if you see a new Cadillac in your future—we urge you to visit your dealer today.

Couple Feted on Anniversary

Dr. and Mrs. Fred S. Jermain, of Fisher road, entertained last Sunday, at a cocktail party honoring Mr. and Mrs. J. W. Shields, of Neff road, on their 45th wedding anniversary.

Guests included members of the class of 1917 at Calumet High School, where Mr. Shields formerly taught. Also present were his daughters, Mrs. Mary Ambrose, Mrs. Wilma Pratt, and Mrs. Shields' sister, Mrs. Ethel Gilkerson of Holton, Kansas.

Sleepless nights have a way of magnifying trifling doubts into insurmountable obstacles.

Burglar Visits Home in Park

The burglar that broke into the home of the Harry Rosses, 1231 Nottingham, sometime between Thursday, July 3, and Sunday, July 6, knew just where to go to collect his loot.

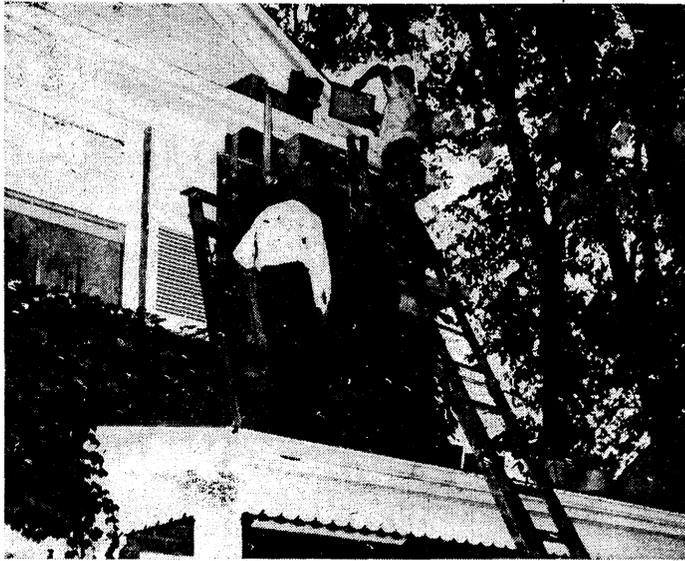

The burglary was reported to Park police by Mrs. Ross, who told the authorities that the family returned home about 10:45 p.m. Sunday, to find their house had been broken into.

Det. Lt. Stanley Enders said that entrance was gained by breaking the leaded glass of the front door. The thief's loot amounted to about \$4,350, the officer said.

Stolen were a three-quarter length wild mink coat, a full length wild mink coat, two white cashmere coats trimmed with mink, a black broadtail fur jacket, a brown Mouton full length coat, five-skin sable neck piece, a navy blue cashmere coat, a ranch mink stole, a silver blue mink pocket stole and a three-quarter length black Persian Lamb coat.

The items were taken from a hall closet on the second floor, Lt. Enders said. Nothing else is known to be missing, he added.

Simple Case of To Bee, or Not To Bee

Mr. and Mrs. Edward Specht of 277 Mt. Vernon had reached the point where it was a case of turning over their home to the bees or moving out. A swarm had taken over inside the eaves of the house and moved out, leaving a brand new swarm of young and a flock of honey. Experts were called in and here they are seen trying to entice the insects away. Enough honey was recovered to last the family a long, long time.

Be sure you are right and then proceed—but don't expect everyone to follow you.

Acoustical Shell Donated To Auditorium by Fords

The Detroit Symphony Orchestra, Inc. has announced that Mrs. Edsel B. Ford and other members of the Ford family have made a personal gift to the Symphony of an acoustical shell for the Henry and Edsel Ford Auditorium.

The shell, which will be turned over to the City of Detroit by the Symphony, will bring the auditorium close to acoustical perfection.

Allen G. Barry, president of the Symphony board, said preliminary plans call for construction to be completed by January 1, 1959. Estimated cost of the orchestra enclosure is between \$75,000 and \$100,000.

Ford Auditorium was originally planned as a multipurpose hall with no special acoustical treatment for symphony orchestra performance. Sound problems were pointed up in the fall of 1957 by various music critics.

Mr. Barry, speaking in behalf of John B. Ford, chairman of the Symphony board who is presently out of the city, said, "With the addition of the new shell, the Ford Auditorium will be on a par with the best symphony halls in the country."

One of the nation's top acoustical firms, Bolt, Beranek and Newman, of Cambridge, Mass., has been engaged to design the shell. The firm has served as acoustical advisor on the Tanglewood Shed where the Boston Symphony plays summer concerts, the West Point Auditorium, and the new Frederick Mann Auditorium in Tel Aviv, Israel.

According to preliminary designs, the shell will extend the width of the stage, have a height of 30 to 35 feet, and will weigh approximately 75 tons. Hydraulic operation for storing the enclosure in the stage loft will provide easy and quick removal to make the auditorium readily available for events other than symphony concerts.

The shell will be built in Detroit under the direct supervision of Crane, Kiehler and Kellogg, the architectural firm that designed the auditorium.

Symphony officials have been working closely with the Civic Center Commission and with the Mayor's office in developing plans for the proposed shell.

Mayor Louis C. Miriani, who officially accepted the gift for the city, said, "The Detroit Symphony Orchestra is such an important part of the life of Detroit that it should make its home in the Ford Auditorium. I am delighted that this splendid gift will make the hall a perfect setting for one of our city's finest institutions. Once again we may all be grateful to the members of the Ford family for their civic responsibility."

The man who speaks without thinking puts his foot in it by saying what he thinks.

University and Jefferson Susceptible to Accidents

The corner of University and Jefferson is a hot spot for accidents and mental note that the cause was no doubt due to the ice and snow. But now, with the pavements dry and no plausible excuse readily available, there appears a new rash of rear-end crack-ups—three alone in the past week. The Grosse Pointe City Police department admits that the intersection has long been a headache, and attributes it to the heavy flow of traffic on East Jefferson, with University place the sole outlet at that particular point (the street dead-ends into the City park).

Whereas it's true that the winter months enhance all traffic problems, the summer weeks don't relieve this particular one because of the added park congestion. The light at that intersection, which catches so many drivers off guard, is needed more than ever for the heavy flow of swimmers and sailors that use the park throughout the summer months.

A week ago Sunday, June 29, at 2 a.m. Henry Marshall, of 10840 Gratiot avenue, in Detroit, was driving west on Jefferson and slammed into the rear of a car, headed in the same direction, which was stopped for the red light. Evelynne Girard, 14610 Mayfield, also in Detroit, was the innocent victim. Marshall assumed all responsibility for damages to both vehicles.

Several days later, on July 2, Mrs. Caroline L. Sutter, of 46 Pine court, headed east on Jefferson, piled into the rear of another car stopped for the light at that intersection. The car she hit, driven by Robert Means, of 13501 Dale avenue, smacked into the leader of the pack, with Al Long, 17218 Goulburn avenue, in the first driver's seat. Mrs. Sutter assumed damages for all three vehicles.

The next day, Thursday, July 3, at 8:30 a.m., Lester A. Schmidt, of 4815 Marseilles, in Detroit, was "victimized" at "the" spot. Albert A. Leclerc, of 645 Lakeshore road, headed west on Jefferson, was the offending driver.

One happy note, in the midst of all the bumps and bruises—no one was ticketed and all the accidents were minor ones.

Club Day Camp To Take Cruise

The Grosse Pointe Neighborhood Club is now in its second successful week of Day Camp. Each ship is progressing along its worldly cruise very nicely, however, the Sapphire, Nautilus and Golden Gull are leading the fleet, the Nautilus being only a few knots ahead of the Gull. The Emerald Sea Turtle is third and the Scarlet Shark, having had bad winds most of the trip so far, is following along behind. However, the winds are apt to change in their favor anytime.

The competition grows stronger everyday in all league games.

Post cards are being returned to the Club as a result of our balloon launching on Friday, June 27. Most cards have been mailed from Canada; however, two have been received from Ohio—the farthest one so far being found approximately 50 miles South of Cleveland, Ohio. We are still awaiting the remaining cards.

Excitement is mounting over our Bob-Lo trip which will be held on Wednesday, July 16. It will be a wonderful experience for our sailors, and it will take the whole day.

Shores Traffic Violators Pay

Shores Judge Victor DeBaeke, at a court hearing on Monday, June 30, found Neal J. Crain of 23376, Westbury drive, St. Clair Shores, guilty of speeding, 70 miles an hour on Lake Shore road, a 35-mile an hour zone. The fine for the offense was \$100. Holding his own court on the same day, Judge John Gillis found Carl J. Statz of 25517 East Ten Mile road, St. Clair Shores, guilty of reckless driving on Lake Shore and ordered him to pay a fine of \$75, or serve 10 days in the Detroit House of Correction. The fine was paid.

Joseph R. Willey of 24621 Star Valley drive, St. Clair Shores, paid a fine of \$50 for leaving the scene of an accident that took place in front of 485 Lake Shore. Alternative to the fine was a five-day jail term in DeHoCo.

Paul M. Robbins of 22515 Stevens road, St. Clair Shores, charged with improper passing and lane usage on Lake Shore, was found not guilty and his case was dismissed.

Ronald Gouin of 425 Belanger, was found guilty of littering and being in possession of alcoholic beverages, and paid a fine of \$15 rather than serve five days in Detroit House of Correction.

William P. Albrecht of 336 Merriweather, was found guilty of disobeying a stop sign, and for being in possession of alcoholic beverages. He was found not guilty of a charge of littering. His fine was \$15, or five days in jail. The fine was paid.

Thomas J. Payette of 2950 E. Knox, Detroit, was found guilty of failing to drive to the right on Lake Shore and blocking traffic. He was fined \$5, and ordered to attend one session of traffic school.

Donald M. Conner of 22705 Liberty, St. Clair Shores, was found guilty of reckless driving on Lake Shore and driving on a revoked driver's license and paid a fine of \$100.

Richard N. Maas of 20330 Walton, Detroit, was found guilty of being in possession of alcohol while driving on Lake Shore. He paid court costs of \$7.50.

Almus D. Greene of 21531 Maxine, St. Clair Shores, was found guilty of violating Ordinance 84, Section III, (furnishing alcohol to minors) and ordered to pay a fine of \$75, or serve 60 days in jail. He paid the fine.

In the same case, Robert I. Miller of 21928 Elizabeth, found guilty of possessing alcoholic beverages, paid a fine of \$25. He was arrested at Robert John road and Lake Shore.

Ray J. Sitzman of 19816 E. Ida lane, accused of reckless driving on Lake Shore, was found guilty and paid a fine and costs of \$107.50.

Judge Gillis signed warrants for the arrest of five other offenders who failed to appear in his court. Their names and the charges against them, are: John R. Hellems of 16443 Eleven Mile road, Roseville, disobeying a stop sign at Deeplands and Lake Shore; John P. Sweeney of 16219 Kentucky, Detroit, speeding and ignoring a stop sign on Hawthorne; Peter Lazaris of 200 W. Lafayette, Detroit, making an improper left turn at Lake Shore and Vernier; Robert L. Bisso of 155 Ferris, Detroit, speeding on Vernier; and Adam C. Ezel of 17720 Toepfer, East Detroit, speeding on Vernier.

Vandals Hit New School

Vandals invaded the new Brownell Junior High School on Thursday, July 3, spilling ink on the walls and furniture in an office and causing other damage, according to a Farms police report.

The vandalism was reported to police by Nicholas Jongsens of 1944 Ridgemont, co-ordinator for the Grosse Pointe Board of Education, who discovered the damage.

Jongsens took police to the

office where a bottle of ink had been tossed against a wall, spilling on furniture and on the asphalt floor tile. A phone in the office was damaged.

A chrome hook was found missing from the swimming pool, and the skylight latch was broken. Police found bicycle tracks in the school gym.

Entrance into the school was gained through the skylight, police said, and the culprits

left by the rear door of the building.

The police recorded the complaint on Monday, July 7, the date the report was made.

When a man's honesty and integrity break down he can find no place to get spare parts.

**Ford Executive Drowns
Following Fall from Boat**

The U.S. Coast Guard re-
covered the body of F. Jordan
Schanbeck, 43, of 878 Hampton
road, near the Miller Marina
in St. Clair Shores on Friday,
July 4.

Jordan, a Ford executive,
was drowned in Lake St. Clair
on Wednesday, July 2, when
he fell from the deck of a 42-
foot cabin cruiser, owned by
a friend, Thomas J. Burke, 36,
of 514 Hollywood.

Jordan's brother Edward, 35,
of 22805 Gary lane, St. Clair
Shores, nearly lost his life try-
ing to rescue the drowning
man. Edward was taken to Bon
Secours Hospital by St. Clair

Shores police, suffering from
exhaustion and shock.

The two Schanbecks, Burke
and Jordan's 10-year-old son,
Jordan, Jr., were on a cruise to
escape the heat. The accident
happened a mile out in the
lake, opposite Masonic boule-
vard in St. Clair Shores.

Authorities said that Jordan
crawled along a 'lower rail-
ing on the port side of the bow
of the boat, to throw out the
anchor. He lost his balance
and fell into the water.

Edward leaped overboard
when he heard his brother's
cry for help. He got hold of
him, but could not hang on.

When Jordan sank Edward
blindly fought the choppy wa-
ters in his persistent effort to
save his brother.

Burke pulled Edward aboard
when Edward's rescue efforts
proved futile.

The three men and the boy
left the Grosse Pointe Yacht
Club, where the cruiser is
berthed, about 45 minutes be-
fore the accident. Police said
Jordan could not swim.

Mr. Schanbeck was a native
of Detroit and a Grosse Pointe
High School graduate. He
joined Ford in 1936, and in
1946 was made superintendent
of transportation.

In 1955, he became manager
of marine services for the com-
pany. He was active in local
marine affairs; was a member
of the Propeller Club and
chairman of the annual tug boat
race committee.

Besides his son, Jordan, Jr.,
he is survived by his wife,
Ethel; and two other sons,
John and Jerome; his parents,
Mr. and Mrs. Fred Schanbeck;
brother, Edward; and a sister,
Mrs. Eli J. Igna.

Funeral services were held
on Monday, July 7. Burial was
in Woodlawn cemetery.

**Center Drive
Nets \$39,869**

An unexpected check from
Mrs. Henry B. Joy's estate,
brought the total for the cur-
rent Grosse Pointe war
Memorial Center Fund to
\$39,869.15, with 2,884 local
families contributing as of
Tuesday, July 8, Mrs. Joy's
will had already bequeathed
\$2,000 earlier in the year,
which was specifically desig-
nated for the Center's endow-
ment fund. The additional be-
quest is to be used for the
family participation drive.

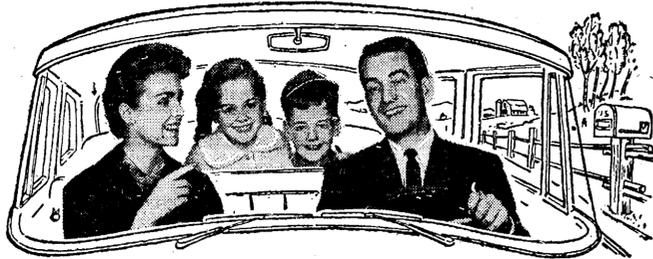

The generous contribution
puts the drive already ahead
of last year's figures, which
were compiled December 31,
1957. The '57 drive totaled
\$39,235.91, with 2,725 families
participating. Donations are
still being gratefully accepted.

Three Injured As Cars Crash

Three persons were injured in an accident that occurred at Fisher road and Grosse Pointe boulevard on Thursday, July 3, just in front of the High School.

A Farms police report disclosed that Richard Ruprich of 4503 Harvard, Detroit, was about to make a left turn onto the High School driveway, when he was hit by a vehicle

driven by Elizabeth J. Riley of 1215 Buckingham, who emerged from the mishap with a broken wrist.

Others hurt, both in the Riley car, were, Susan Newton of 443 Madison, who suffered an injured leg, and Marcia Kendall, of Elkhart, Ind., visiting at the Riley home, who received cuts about the face. Another passenger in the

Riley automobile, Jane Plunkett of 5744 Harvard, Detroit, and Ruptich, escaped injury. Police took the three who were hurt to Bon Secours Hospital for treatment, then issued tickets to both drivers for not having their cars under control.

Damage to the Riley car was estimated at \$300, and to the other auto, about \$200.

Tilley Resigns Post in Farms

The Farms council on Monday, July 7, regretfully accepted the resignation of City Attorney Thomas J. Tilley, who will leave the Farms on July 31, to take up permanent residence and his law practice in Puerto Rico. The resignation is effective immediately.

Named as acting City Attorney, to succeed Tilley, was George E. McKean, 29, of 166 Ridge road. He is the son of Mr. and Mrs. Robert McKean, of that address. The elder McKean is a former Park councilman.

Tilley served as the city's attorney since July 1, 1957, succeeding Edward Wright, who served the Farms in that capacity since 1952.

The resigned city attorney is a 1947 graduate of the University of Michigan, from which he received his law degree. He is a native of Ann Arbor, and has lived in the Farms since 1948.

He is a World War II veteran, serving in the South Pacific for four years. He received an honorable discharge with the rank of lieutenant (s. g.).

Tilley's wife, Elizabeth, and their two children, Thomas III, and Ann, will make the move to Puerto Rico with him. McKean is a 1955 graduate of U. of M. and the U. of M. Law School. He is single and has lived in the Farms since the time his father resigned his post in the Park about a year ago.

He is a native of Detroit, and has lived in the Pointe most of his life. He is an overseas veteran of the Army, serving from 1955 through 1957, most of the time in Germany.

SILENT EXIT

They say money talks, but most of it seems to sneak off without saying a word.

For Parents Of Adolescents

By Fred Kopp, R. Ph.

Development during the period of adolescence is rapid and the boy or girl needs ten or more hours sleep each night and often a nap during the day. Posture must be carefully watched. Youngsters who spring up in height quickly have a tendency to slouch and unless corrected may never develop good posture.

Parents of the adolescent are constantly faced with problems they are not certain how to solve. Here again your doctor can be of valuable assistance. He understands the physical and mental changes at this age. His counsel will prove most reassuring.

Weather Cuts Beach Crowds

Friday the Fourth dawned gray and gloomy, dispelling all anticipations for record crowds at the various Pointe parks—except in the city of Grosse Pointe Park where the annual fireworks display attracted 7,000 spectators—the largest crowd in years.

Don Hallman, park superintendent at the Woods, reported a meager 2,450 visitors to his premise—compared with the 3,740 on Saturday, and 4,222 on Sunday.

Vern West, at the City's park, supervised a total of 4,666 residents over the holiday week-end. There were 1,418 on Friday, 1,526, Saturday; and 1,722 on Sunday.

The Mackinac Race will attract spectators and sailors from all over the country this week-end with one crew member coming all the way from Florida to sail in the classic.

The Frys have left their new gray stucco and white shuttered house in Coral Ridge to stay several weeks. They plan to drive a new car home about July 20. Mrs. Frye's twin sister, Mary Owen, was home from New York this past week-end to reunite with her sister and brother-in-law.

House Party For Race

The Robert J. Walkers, of Nottingham road, have a perfect view of the race start from the porch of their summer home on Lakeshore road outside Port Huron.

Their daughter, Nina, has invited a group of sub debbs for a house party to watch the exciting sailing race which will be just offshore, plus get in some swimming and water sports.

In on the fun will be Mary Cuthbert, Sharon Fannion, Kathy Torrino, Terry Walters, Bennie Chopp, Carol Giroux, Ellen McKnight and Betsy Gascoigne.

Cottage Colony

The Henry Murrays, of Dean lane, have been having their annual vacation at Mackinac and will be returning Sunday after the race.

Mrs. Murray's brother-in-law and sister, Dr. and Mrs. Nelson Diebel, of Touraine road, have a tentative plan to leave the end of August for Muskoka Lakes. Nelson, Jr., will be finished with summer school classes and John will be home from Army duty to join brother, Donald, and his parents for the vacation.

The Diebels' neighbors, Mrs. C. V. Blackburn, Jr., with Margarey and Mike have left for the Rhode Island shore where her father has a summer place. Also part of the exodus are the Harry Macks, of Merriweather road, who have opened their summer home in Oxley, Ont.

Report on Debs

The debutantes, exhausted from a very gay June season, are taking it easy here and at their parents' summer cottages.

Mary Yeager is helping her parents, the William L. Yeagers, of Meadow lane, move to a new address in Cranford lane, and then the trio will depart for their summer camp, Hardwood Lodge, Dorset, Ont.

Joining Mary in August will be sister debs, Julie Pearce, (who has been week-ending at her family's summer cottage on the shore of Lake Huron above Lexington), Mary Pardee and Melinda Bates.

Michael Ann Mullen is at the Charlevoix summer home of her parents, the Januarius A. Mullens, with her father. Mrs. M. will be joining them this week-end with daughter, Mary Luisa, who has stayed in town to finish a driver's training course.

Patricia Joy is summering in Switzerland as are a large group of post-debs, including Mimi Kenower, Gay Mercer, Susie Gillis and Joan LeGro.

Lynn Johnston is taking a more serious view of life. (Continued on Page 11)

Bride Wears Peau de Soie and Alencon Lace for Wedding in St. Clare of Montefalco Church to Italian Doctor; Pair to Honeymoon in Europe.

On Saturday in St. Clare of Montefalco Church, Mary Louise Stefani, daughter of the Andrew Earl Stefanis, of Berkshire road, was married to Dr. Renato Staricco of Genoa, Italy.

For her marriage the bride wore peau de soie trimmed in bands of hand drawn Alencon lace studded with seed pearls. Her fitted lace cap held a two tier carried stephanotis, orchids and ivy.

Mrs. Richard Ferrara was her sister's matron of honor, and the attendants were her sisters, Judith and Jean. They wore full skirted white Swiss organdy dresses embroidered in clusters of blue flowers. Their headdresses were hats of leaves and tiny blue flowers. They carried blue vanda orchids.

The bride's niece, Virginia Ferrara, was flower girl. She wore white organdy embroidered in tiny pink rosebuds, and her hat was pink satin rose petals. She carried a basket fashioned into a large opened rose.

The bride's twin nephews, Steven and David Stefani, were ringbearers. They wore white linen suits.

In the usher corps were the bride's brother, Dr. Andrew Stefanis, Dr. Richard Ferrara, Dr. Fred Morin and Charles Sylvester.

Mrs. Stefani greeted guests at the home reception wearing a bronze shade chantilly lace dress with matching accessories.

The couple will spend a few days in New York before leaving for an extended trip through Europe.

Many festivities have been planned by the Bartholomew Stariccicos in Genoa, to welcome their new daughter.

On their return in the fall, they will reside in Lakeshore Village.

HOUSEHOLD HINT

If you're buying an outdoor grill, be sure to get the right size for your family. Many of today's small portable units may prove inadequate if your family is large or if you like to invite friends to come along on your picnic, suggests Anita Dean, extension foods specialist at Michigan State University.

Rowe-Amason Rites Read at Memorial

Newlyweds Living in Lansing After Honeymoon in Northern Michigan and Recent Wedding; Five Attendants Wear Aqua Taffeta

Mr. and Mrs. Donald L. Rowe are living in East Lansing while he takes summer school courses at Michigan State University. They were married recently in Grosse Pointe Memorial Church.

The bride is the former Joyce Corinne Amason, daughter of Mrs. James Donald Amason, of Moran road. For her wedding she wore white peau de soie accented with Alencon lace re-embroidered with seed pearls.

A pillbox of lace and pearls caught her three tiered veil of French illusion and she carried white roses, white baby mums and stephanotis.

The bride's sister, Mrs. Donald Engelgau, of Port Huron, was her matron of honor. She wore a waltz length gown of aqua taffeta with an Italian straw hat tied with velvet ribbons. Her bouquet was of pink sweetheart roses.

Dressed like the honor attendant were the bridesmaids Jackie Bolin, Carol Garrard, of Birmingham; Sharon Haskin and Maxine Ross, of Ionia.

Mr. Rowe, son of the Wesley V. Rowes, of Royal Oak, asked John L. Cox, of St. Clair Shores, to be his best man. Ushering were James Crane, of Owosso; Charles Lambert, Roger Warner, of Saginaw and Richard Zickel, of Royal Oak.

For her daughter's wedding and the reception at the Whittier Mrs. Amason chose a pink silk organza over taffeta frock with appliques of Alencon lace. Her chiffon hat of rose petals was in shades of pink and her flowers were sweetheart roses.

Mrs. Rowe wore champagne nylon chiffon over silk with a small matching flowered hat. Her accessories were pearl and she pinned Hibbert roses to her purse.

The couple left on a wedding trip to Northern Michigan.

The key to success is made to fit any schoolhouse door.

How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax-Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone

Spreading out from the lakeshore in the hundred years since the founding Detroit families arrived here, the Pointe has steadily grown, but old timers remember that it was from "the gold coast" or the avenue that it all began.

By the early 1900's the residents living beyond Seven Mile road felt the need of their own city government. By 1911 interested city fathers such as George Osius, H. M. Jewett, B. S. Warren, W. E. Roney and Abner E. Larned were meeting in each others homes trying to devise a charter.

A few of the residents took a dim view of this exclusive action but the Village of Grosse Pointe Shores was duly incorporated April 3, 1911 by a vote of 39, to 15 which gives some indication of the population.

Mr. Osius was named president under the charter which had been approved by Governor Osburn. Right away there was agitation for a municipal building. The council was meeting in an old roadhouse at the foot of Vernier road.

Lakefront property was voted for \$8,000 and the purchase submitted to the voters who turned it down. Rumor has it that unfavorable reports had been circulated about the purchased site and the founding fathers were incensed.

An anonymous friend of the new Village came to the rescue. His name is clouded in mystery but he didn't live near the new community. He offered to assume the individual liabilities of the trustees and turn the property over to the Village at cost when the voters were ready to accept it.

The first job of the new Village was to lay eight-inch water mains to replace the hand pumps and wind mills. Fire hydrants came next. The Wayne County Road Commission was prevailed upon to pave an 18 foot pavement on Lakeshore and electric lighting was on the avenue by 1912. The first street lighting produced quite a celebration with songs and skits by the school children, speeches by prominent citizens and what are reported as "general amusements."

Young girls of the Shores Village banded together in "The Good Cheer" Club and presented their municipal grounds with a public drinking fountain.

Two patrolmen made up that early police force and a small cart and hose, was the fire department (the Farms promised an assist with its equipment and so did Detroit).

The years from 1914 to 1916 were the big ones in municipal growth. The building offered all types of services, chief among which was a motion picture showing weekly.

But most important, all the Council was determined to reserve the exclusive atmosphere of the Shores and a zoning ordinance was adopted (still in force). The Shores, with its rows of diminishing palaces, was the first Village in Michigan to adopt residential zoning laws, "those protective and beneficial measures."

See Queen Elizabeth Hotel On 1958 Saguenay Cruise

The Paul Henry Canadian cruises through the St. Lawrence and Saguenay rivers include accommodations at the newly opened Queen Elizabeth Hotel in Montreal, the most fabulous hotel in the world, which cost \$22,000,000.

The Henry tours are outstanding in that they include the complete Saguenay Cruise from Montreal, making stops at several important ports of call. Mr. Henry originated the trip from Detroit 31 years ago and has continued it annually ever since. His brother, Leo G. Henry, also a veteran cruise conductor, will personally direct the firm's six Saguenay Cruises this summer, the last being August 24th.

En route, the ship passes Capes Trinity and Eternity which rise almost straight up some 1,500 feet from the water's edge in the narrows of the mystically beautiful Bay of Capes. Here the cruisers are awed by a vastness and beauty that is excelled nowhere in the world. An imposing statue of Our Lady of the Saguenay stands atop the rocky cliff, higher than the Empire State and Penobscot buildings combined. Each tour features two nights at the famed Chateau Frontenac, castlelike hotel in the quaint city of Quebec, and sightseeing to

Montmorency Falls and the Shrine of Ste. Anne de Beaufre follow from that point.

Among the ports of call is Murray Bay for a visit to the Manoir Richelieu, a fabulous hotel world-renowned for its priceless paintings. Another stop is at Tadoussac, where North America's oldest church is still open to the public.

THE REV. ANDREW F. RAUTH, of GROSSE POINTE WOODS PRESBYTERIAN

by Patricia Talbot

The Rev. Andrew F. Rauth is one pastor who likes to preach. Pastoral visitation, counseling, administrative church duties, he enjoys all these aspects of his job as minister of the Grosse Pointe Woods Presbyterian Church, but giving the weekly sermon is his chief pride.

Mr. Rauth has been head pastor at this growing Woods church for 15 years. He came here from Dansville, N. Y., to lead his flock when there was no building and worshippers met in Mason School. Since May, 1948, there have been five additions to the church in the trees off Mack avenue. And the end is not in sight. The present membership of 1,664 will soon need more room and a recreation hall is in the planning stage.

His Fourth Parish

The experienced and serious Mr. Rauth boasts that he's an Indiana Hoosier who married a minister's daughter. He held three pastorships before coming to the Pointe. On graduating from McCormick Theological Seminary in Chicago he studied at Rochester University, winning his master's degree in philosophy while preaching. He shepherded in Lodi, Wis., Rochester and Dansville before accepting the call here.

With his wide knowledge of people in many aspects of life Mr. Rauth has found that in general ministries share much in common. He likes to share his parishioners' joys and sorrows and help them in living. His young suburban congregation has some particular problems, brought on by the tensions induced in Detroit's

to take off on their annual vacation. Perhaps New England will be the spot this summer.

Two Assistants

While he's away the congregation will be in the able hands of his two assistants, the Rev. Charles Kennedy and the Rev. Victor G. Novander, Jr. During the year Mr. Rauth happily assumes the chief burden of the preaching and leaves the bulk of the pastoral visiting and direction of the Sunday School to his assistants.

Today They Need the Church

In the 1920's when he graduated from the Seminary it seemed that life stretched out in peace and prosperity. There have been two wars and a depression. More people need their faith and their church today in a world which brings many problems to disturb them.

Mr. Rauth is fearful of the great church revival for he is afraid that people are satisfied too cheaply. He wants his parishioners to have a sane and searching faith, not an emotional, shallow experience.

His words of praise include his laymen who take such responsibility in his Presbyterian Church. Humbly, too, he voices gratitude for his wife, who has aided him with many church problems.

Mr. Rauth is gregarious, a Mason, and Rotarian. He cherishes the L-shaped desk in his book-lined study, a gift from grateful fellow Rotarians, and an heirloom revolving book case, once in an old minister's study in New York.

Traveled to Oxford

He is interested in the World Council of Churches and hails as a milestone his trip to Oxford in 1937 as a delegate to this conference.

A great reader, Mr. Rauth derives much from the writings of Reinhold Niebuhr and Harry Emerson Fosdick, great Protestant preachers.

Another inspiration to this former Indiana boy is Lincoln. He has made quite a study of the Civil War president's spiritual beliefs. Another hobby of his is collecting autographs.

The Rauths, who have a married daughter, Mrs. Arthur D. Rohl, and two grandchildren in Chicago, and a son, Mike, just graduated from Brown University, are about

Seeing you off in style... Ole Borden's smart voyager, the dress that takes you everywhere... spanning seasons and cities with aplomb! Made of imported English cotton knit... it is available in charcoal brown or gray... some models with deft touches of white. There's more than a hint of shaping... there's a new dimension of slimmess... a beauty coming and going... about forty dollars at Jacobson's.

"And she shall have music where ever she goes"... he, of course, can tune in the ball games. A sleek portable provides the listening pleasure but be sure to have extra batteries... vacationers especially. Most summer resorts don't have effectent, well stocked stores like The Camera Center with a complete line of batteries for all types of portables. Pick up extra batteries for listening insurance.

MEMO... to Jack... July ninth marks the beginning of Proper's four day Summer Clearance Sale. The store will be open until nine o'clock the first three nights. Don't forget to get there early... you know how fast things go!

Going your way... between coasts, continents and climates... the Alfred Dinkhill travelers. Ties travel beautifully... no more wrinkled or ruffled ties. Double bars hold the case on any hook or door knob. Made of Faille and bakelite vinyl for protection from moisture... about six dollars at The League Shop. A handsome bag for toiletries, snap fasteners or stays open while in use... both are invaluable companions!

Showcased... Wanamaker's value of the week. Each Monday a new piece of furniture is featured in the studio window on Mack Avenue... with an enticing... low tariff. By the way, now is a good time to look into their slip covering and drapery service. It's nice to rely on your own preferences and a decorator's extensive resources.

Summer Song... litting as the soft breezes of the season! A delightful cologne by Dorothy Gray... now specially priced (a two dollar size... just one dollar) at The Notre Dame Pharmacy. Also included... are other light scents... June Bouquet, Summer Spice, Elation and White Lilac... for a generous helping of summer refreshment.

"Summertime and the living is easy"... due in part to the growing popularity of outdoor barbeques and back yard picnics. Grosse Pointe Supply carries ten pound bags of Vigers Charcoal Briquets for a dollar ten... a variety of broiler baskets and roller top grills with twenty-four inch diameters... these run about ten dollars... Grosse Pointe Supply is located on Jefferson Avenue.

Social Butterfly... enchantingly light and airy... is Revlon's brand new lipstick and nail polish color... find it at Notre Dame Pharmacy.

Three cheers for Jacobson's Youth Center... for giving pre-teens... fashion first! Newly arriving wool Bermudas are in traditional plaids... but here's the news... they are coming... in the brightest... "rightest" red of the new season. A real style note... five ninety eight.

We're looking forward with much interest for the Pointe's Exposition of Station Wagons... Kercheval at St. Clair... beginning today.
