A NAVY POLARIS test rocket was destroyed 50,000 feet over the missile base at Cape Canaveral, Fla., Wednesday when it appeared to be turning astray, heading over the thickly populated Florida East Coast instead of the Atlantic Ocean.

Shattering pieces rained back on the Cape, with one chunk exploding in a river only 600 yards from a residential area. The Air Force announced that the rocket was "destroyed by the range safety officer after it failed to program in a planned southeasterly direction."

Friday, September 25

UAW PICKETS GOT rough at two locations Thursday while General Motors Corp. and the union inched toward a contract agreement. Wildcat strikes continued to cripple production at both GM and Chrysler Corp.

Some 85,700 workers were idled, including those still on strike at several Ford Motor Co. plants. About 150 pickets swarmed over the car of a Cadillac Motor Car Division official, damaging it heavily as he tried to leave the Cadillac plant at Clark near Michigan about 6 p.m. Thursday.

Saturday, September 27

HURRICANE HELENE, a potential killer with 125-mile winds, began a slow northerly turn Friday night as its outer edges pounded the Carolinas. The new course threatened to rake a large part of the eastern seaboard, following the fateful course of her two well-remembered sisters, Connie and Diane of 1955 fame. Helene also has a companion storm, Ilsa, still thrashing the open Atlantic off the Virgin Islands.

A strip of lush beach resorts in the Carolinas and near Washington, D.C., heeding one of the strongest advisories in the history of the hurricane weather bureau service, evacuated all exposed areas "to avoid the loss of life."

Sunday, September 28

PRESIDENT EISENHOWER Saturday selected Maj. Gen. Wilton B. Persons, 62, a friend for 25 years, to succeed Sherman Adams as Assistant to the President.

Persons has been a member of the White House inner circle since January, 1953, serving as the President's chief liaison with Congress. He will replace Adams as soon as an orderly transition can be made.

Monday, September 29

THE UAW BROKE OFF contract negotiations with General Motors Corp. Sunday and announced a 47-hour extension of its 11 a.m. Tuesday strike deadline, to 10 a.m. Thursday.

UAW President Walter P. Reuther said the union was taking immediate steps to stop a wave of strikes in GM plants before returning to the bargaining table Tuesday morning.

Tuesday, September 30

A CORPORATION OF SIX white citizens leased Little Rock's closed high schools Monday but its plans to open them Tuesday as private and segregated units remained uncertain.

Two judges of the Eighth United States Circuit Court of Appeals stepped into the picture with a temporary restraining order, which marshals served upon some 200 persons.

Wednesday, October 1

"BASIC AGREEMENT" has been reached between the UAW and Chrysler Corp., Walter Reuther declared yesterday. Only a few problems remain for his aides to "clean up," the union leader asserted. He announced the tentative settlement as he left the Chrysler talk after a marathon session of almost 24 hours.

More Than 4,000 Visitors Attend Sunday Open House At Brownell Junior High

Board of Education and Principal Charles Saltzer
Extremely Pleased with Outstanding Interest
Shown by Residents

Nearly 4,000 persons are estimated to have visited Grosse Pointe's Samuel Miller Brownell Junior High School during the Open House held Sunday afternoon, September 28.

"People began coming before 1 p.m.," Principal Charles Saltzer stated, "even though all announcements had specified the hours of 2 to 5 p.m. Within the first hour and a half more than 1,500 adults and children had poured into and out of the building. We were very pleased at the exceptional interest the community displayed in our fine new junior high school."

Dr. Samuel B. Brownell, Superintendent of the Detroit Public Schools, visited the building named in his honor during the afternoon. He greeted many old acquaintances and friends from the time when he was superintendent of the Grosse Pointe Public School System.

Students Are Greeters
Some 35 of the Brownell ninth grade students were on duty to greet visitors and to escort them about the school. Each of the nine entrances was manned by two or more student receptionists who did yeoman service in providing name tags for nearly everyone as they entered.

Members of the Board of Education assisted the school staff in receiving the guests. In most cases the teachers were in their respective rooms to show people about. They also discussed features of the building, or of the educational

The local students are among 10,000 of the highest scorers on the National Merit Scholarship Qualifying Test, the nationwide test of educational development given in over 14,000 high schools on April 29.

Outscored 479,000
The Semifinalists named today outscored over 479,000 classmates, and thus moved a step closer to an estimated \$5 million in Merit Scholarships to be awarded in the 1958-59 program. The group of 10,000 Semifinalists is composed of the highest scorers in each state, prorated according to state population.

The Semifinalists now face another rigorous three-hour examination, the Scholastic Aptitude Test of the College (Continued on Page 2)

Prizes Given Trial Garden Plot Winners

Garden Club Wins Award
For Best Designed and
Maintained Segment

The "Wheel of Color" that was planned and planted so carefully last May by the Grosse Pointe Garden Center's Trial Gardens Committee has bloomed and faded and bloomed again and only too soon will make its final exit in a flash of fall colors.

The gardens have been an object of much interest to the general public and there has been a constant flow of visitors all summer. Much pleasure in the gardens and appreciation of the artistic efforts of the amateur gardeners who designed and maintained them has been constantly expressed.

On Monday, the chairman of the Trial Gardens, Mrs. Hansel Dwight Wilson awarded, at the fall meeting of the committee, the prizes for the best gardens and horticultural specimens grown in the 1958 gardens. Five judges had made the decisions and ten ribbons were given.

Win Top Honors

The highest award, a Tri-color Ribbon, for the best designed and maintained garden was won by the Pointe Garden Club, chairmaned by Mrs. Herbert D. Schmitz, Mrs. Watson Beach and Mrs. Remington J. Purdy.

Three ribbons were given for the best designed gardens: a blue ribbon to the Windmill Pointe Garden Club, chairmaned by Mrs. Ralph Dewey and Mrs. Melvin Huffaker; a red ribbon to the Grosse Pointe Woods Garden Club, chairmaned by Mrs. Burton D. Jones; and a yellow ribbon to the Garden Club of Michigan, chairmaned by Mrs. Julius Peters, Mrs. John Warren, and Mrs. Harold Beatty.

Three awards were also given for the best maintained garden. The blue ribbon in this division was won by the Grand Marais Garden Club, chairmaned by Mrs. Alfred Crabb and Mrs. Cecil Shuert.

The second award, a red ribbon, was won by the Grosse Pointe Woods Garden Club, chairmaned by Mrs. Burton D. Jones; and a yellow ribbon to the Garden Club of Michigan, chairmaned by Mrs. Julius Peters, Mrs. John Warren, and Mrs. Harold Beatty.

The Marine League, chairmaned by Mrs. William Gibson of Westchester road, handles the blood bank that furnishes the blood for the Public Health Hospital, and donors should give to this source.

Two More Cases Of Polio Reported Here This Week

Latest Victims Bring Total for Season to Eight;
Residents Urged to Make Use of Clinics
Now Serving All

Two new cases of polio have been reported in Grosse Pointe in the past week, increasing the season's current count to eight—as compared with seven cases totaled for last year.

Both cases, according to Dr. Thomas Davies, Pointe Health Commissioner, were officially confirmed by the Wayne County Health Department on Tuesday of this week. The first to be recorded was that of a seven-year-old Grosse Pointe Farms boy, a 2nd-grade student at Richard School. When the School received word of the case the PTA officers took immediate action, phoning all parents of the over-500 Richard pupils, urging them to have the children get Salk shots in those cases where there had been none, or only one or two of the recommended three. The stricken student had had no shots.

28-Year-Old Victim

The second new case in the Pointe was admitted to Herman Kiefer Hospital last Thursday, September 25, a 28-year-old male Park resident. There has been no official word as to whether he had or had not received the shots. There was no report of paralysis in either case, as of press time.

In view of the current epidemic in the Metropolitan area—though Dr. Davies feels that Grosse Pointe is better immunized than Greater Detroit—the Wayne County Health Department strongly urges all residents to take advantage of the several clinics being held in the Grosse Pointe Health District. Sponsored by the Wayne County Medical Society, they will be held today, Thursday, October 2 at Brownell Junior High School and next Wednesday, October 15, at Parcels Junior High School—both clinics to (Continued on Page 2)

Want Chance To Ballot on New Building

Petition with 1,470 Names
Requests Ordinance For
Mandatory Vote

A petition requesting the Woods council to pass an "ordinance" making it mandatory to place the new municipal hall issue on the November 4 ballot, was filed with the city clerk on Monday, September 29.

The petition, bearing 1,470 signatures of registered and qualified voters, asks that the matter of expending monies from the Municipal Improvement Fund for the building be left up to the people.

The issue was scheduled to be discussed at special meeting at the Municipal Building, Mack and Anita, yesterday evening, October 1. Since the details were not available when the NEWS went to press, the story of the meeting will appear next week.

Counter Petition

The petition was taken up to counter another petition signed by 370 persons, which was presented at a regular meeting on September 15, and which urged the city council to take immediate steps in the construction of a new building.

At the September 15 meeting, an attempt to pass a resolution to rescind a previous resolution passed on August 13 to put the matter before the citizens in November, was blocked when two councilmen and several citizens protested the manner in which the rescinding resolution was trying to be passed.

The rescinding resolution, proposed by Councilman Tom Bowling, was part of the agenda at the last meeting. Bowling, and Councilman James Hunt, who favored the original measure, were absent from the city.

Councilman Rex Johnston attempted to pass Bowling's resolution. This brought a protest from Councilmen Harry Pratt and Kenneth McLeod and a number of people in the audience.

Challenge Right

The two officials charged that the council had no right to pass Bowling's resolution in his absence, or in the absence of Hunt, because the matter was too important.

A majority of the audience opposed the retraction of the original resolution. They said the people had a right to say how their money is to be spent, even if the November ballot is merely advisory, and that the council should be bound by the mandate of the people if the majority does not favor spending funds for the new hall.

The council wants to spend \$200,000 of \$308,000 recently "found", and placed in the Municipal Improvement Fund, for two wings of the new building, an administrative wing and a council-court room wing.

A second resolution for a bond issue for \$175,000 for a public safety wing, was turned down by the council at the August 18 meeting.

'Other' Driver Blamed in Crash

A "force out" play resulted in the demise of a Ford pickup truck and one Elm tree last Thursday evening, September 25.

Clarence Kaigler, of 34161 Hardy street, told City police after the game was over—that he was driving east on Jefferson when an unknown driver passed him on the left, forcing him into the curb. He bounced over the curb, lost control and crashed headlong into an Elm near the corner of Roosevelt place.

The truck was a mess, as was the tree, but Kaigler was unharmed. He did suffer an arrest, however, for a car not under control charge.

REPORTS LARCENY

Fred Rannels III, 18, of 323 Moross, reported the theft of a Continental wheel and tire from his car on Thursday, September 25. The complaint was recorded by Farms police.

Suspect in Theft of Safe Surrenders Self to Police

James S. Salvato, 38, of 1615 Defer place, Detroit, sought since last May in connection with the theft of a safe from a Park home, voluntarily surrendered to Park police on Thursday, September 25. He was accompanied by his attorney.

Salvato was immediately arraigned before Municipal Judge C. Joseph Belanger on a warrant charging him with implication in the burglary. Salvato stood mute, and a plea of innocent was entered for him.

Judge Belanger imposed a bond of \$5,000 against Salvato, pending an examination scheduled for Wednesday morning, October 8. The bond was posted and the accused man was released.

Park Police Chief Arthur Louwers said that Salvato refused to state where he had been since last May, while police were looking for him. A warrant obtained from the Wayne County Prosecutor's Office charges Salvato with being involved in the theft of a 700-pound safe, containing \$50,000, from the home of Peter Cavataio, 765 Middlesex, last May 20.

The following day, Detroit police recovered the safe from a garage at 3560 East Willis, and arrested Ledel Collins, 44, 3563 Superior, Detroit, as a suspect, and then detained him as a witness.

It was Collins who told Detroit authorities where the safe was, and that he was (Continued on Page 3)

4,000 Inspect New School

(Continued from Page 1)
Public Instruction Lynn Bartlett, former Director of Pupil Personnel for the Grosse Pointe schools, was another distinguished visitor as he and Mrs. Bartlett renewed old acquaintances. He congratulated the Grosse Pointe com-

munity on its excellent new school and on the overall worth of its program; one of the outstanding ones in the state, he said.
Mrs. William Frederick of Torrey road headed a committee of mothers who provided the guests with refreshments in the cafeteria. Cider, coffee, and cookies were in plentiful supply and were well received by the throng. Many floral pieces were to be found throughout the school. Most were sent by the PTAs and staffs of other schools and by friends of the school system.

Many comments were to be overheard - from those touring the building who had seen the unit only partially finished during an open house held to inspect the progress of construction last February. At that time, almost all of the finish work remained to be done and only the rough outlines of skeletons of areas were to be seen. Visitors on Sunday remarked on the tremendous change in appearance the building had undergone and referred to a knowing way to what was behind, above, or below this or that shining surface.

Color Widely Used

Very effective use of color was evident throughout the building. Student furniture and most furnishings all employed colorful materials in good taste and, according to building experts, at no extra cost. The bright rooms and the well lighted halls, added to the cheerful atmosphere pervading the school. And, in spite of the brightness, warmth, and feelings of spaciousness a high degree of functionalism in the lay-out was very much in evidence.

"We were most gratified at the fine reception given the new building," Treasurer Bert Wicking of the Board of Education stated. "Many people were very kind and made a special point of congratulating the board and Mr. Saltzer on the excellent fashion in which the whole project was accomplished. We were most gratified at the community's fine reception of our newest school building and are looking forward to the continuance of the excellent program for which Grosse Pointe is justly famed. As long as we have the kind of interest displayed at the Brownell Open House, I am confident our school system will remain a top rank one."

The University of Michigan Hospital blood bank provided 10,600 pints of blood for transfusions last year.

How to Profit Through Tax Exemption

With today's high tax levels, investors in medium and high tax brackets are turning to tax-free Municipal Bonds for income that they can keep.

If you have a taxable income of \$10,000 or more, you may be well repaid by investigating the advantages of tax-exempt State and Municipal Bonds. For instance, if you file a single return on a taxable income of \$14,000, you would have to receive a dividend return of 7.45% on a taxable security in order to equal the yield from a 3.50% tax-free Bond. It's something to think about!

Our New Booklet, "How To Profit Through Tax Exemption" explains in plain language your need for tax exemption, tells how much these high-grade investments can be worth to you. There's no obligation. Send for copy today, or phone.

At the clinics, the vaccine will be administered to those who have never had any shots, those who must yet have their second or third shots, and those who need booster shots. The latter is recommended for persons who received the last of three shots a year or more ago.

Anyone, from three months of age up, Dr. Davies said. A fee of \$1 will be charged for each shot, but special consideration will be given those not able to afford this charge. Persons obtaining their first shot may get the second after 30 days, and final shots six months later, at the clinics.

The Health Department stresses there is plenty of vaccine available to care for the public and shots are not limited to Pointe residents but to anyone living in the Wayne County area. It is hoped that Grosse Pointers will take advantage of this service—not only for their own benefit but that of their family—but for the good of the entire community.

Entrance Examination Board, which will further substantiate their high scores on the NMSQT. This second test will be given in testing centers throughout the U.S. on December 6. Those who repeat their high scores on this second test will become Finalists in the competition.

John M. Stalnaker, President of National Merit Scholarship Corporation, which conducts the annual program, predicts that over 95 percent of the Semifinalists will get past the second hurdle—the December 6th examination—and become Finalists.

Most Extensive Search
"This year our search for talent has been the most extensive we have ever conducted. Nearly one-third of the entire national senior class has been tested. The Finalist group will be composed of youngsters of superb ability. Our goal is to help as many as possible, and through the help of others, make it possible for all of them to enter college next fall. This program would not be possible without the outstanding cooperation of the nation's secondary school administrators," declared Mr. Stalnaker.

As Finalists, the students will be eligible for an estimated \$5 million in scholarship awards sponsored by over 80 business and industrial organizations, professional societies, foundations, individuals, and the National Merit Scholarship Corporation itself, the conductor of the annual nationwide competition. In the final phase of the competition, high school grades, extra-curricular activities, school citizenship and leadership of the students will be evaluated, along with the scores on the tests.

735 To Be Named
About May 1, at least 735 fortunate young people will be named the Merit Scholars of 1959.

All Finalists will receive Certificates of Merit attesting to their high ability; and all colleges and universities will be notified, thus enabling these students to be considered for

a wide range of other scholarship awards.

Each Merit Scholarship is a four-year award covering the four undergraduate college years, and each award carries a stipend tailored to the need of the individual winner. The stipends have been averaging about \$650 a year. Minimum awards, for students who have been determined to have no financial need, are \$100 a year; and maximum awards, for students who have been determined to have maximum need, are \$1,500 a year.

Make Own Choice
Merit Scholars make their own choice of college and are free to choose any course of study leading to one of the usual baccalaureate degrees. The colleges chosen by the Merit Scholars also receive cost-of-education grants ranging to \$500 per year to help defray the actual costs of education.

LaPratt and Patrick Conlon arrived at the scene, to find the blood-spattered victim and assailant still on the floor. The officers took Gamble into custody and locked him up in the station cell.

Hermann was taken to Bon Secours Hospital by the police, where his wound was treated.

On Monday, September 29, Park authorities obtained a warrant charging Gamble with felonious assault, from the Wayne County Prosecutor's Office.

The evening of the same day, the accused man was arraigned before Municipal Judge C. Joseph Belanger, before whom Gamble pled guilty. A bond of \$2,000 was set, which Gamble could not meet and he was remanded to the Wayne County Jail until trial in circuit court.

Six New Directors Named To War Memorial Board

At the Tenth Annual Meeting of the Grosse Pointe War Memorial Association Monday evening September 29, six new directors were elected to the Board. They are Arthur P. Bartholomew, Jr., Mrs. Alan P. Beebe, Wilber Marion Brucker, Jr., C. F. Ogden, John W. Paynter and Mrs. Perry Te-Walt.

Five are elected for three year terms to succeed retiring directors Charles W. Elliott, Mrs. L. Rothe Farr, Paul Maxon, Mrs. John Byrne Ross and Bert H. Wicking. John W. Paynter was elected for two years to fill the unexpired term of David C. Crawford who moved out of the city at the end of his first year on the Board.

The meeting, with far more than a quorum present, was conducted by Charles W. Elliott, president. Proof of publication of the meeting notice was presented by Mrs. Frederick J. Schumann who also read the minutes of the previous annual meeting.

Charles A. Parcels, Jr., treasurer, reviewed the Financial Statement of the Association. The statement showed a small excess of revenues over expenses for the fiscal year of about \$3,000 which would not

have been possible but for the \$40,000 contributed by Grosse Pointe citizens in the Family Participation Campaign.

Mr. Elliott in his president's report paid tribute to Mrs. Russell Alger for her generous gift of the Center to the community and thanked her for her continued active interest in and support of it. He also thanked the many citizens who have given so generously of their money, time and effort to make the Memorial a center of service to all Grosse Pointe—special maintenance givers, board members, committee workers, donors of gifts and furnishings, family participation contributors, volunteers and many others.

Mr. Elliott cited the several hundred thousands who have made use of the Center since its inception, pointing out that the Memorial has now reached about the limit of those whom it can accommodate.

The president highlighted the services and programs which the Center provided the community during the past year. It was an impressive list including—just to mention a few; in services hospital equipment (beds, wheelchair, crutches, etc.) on free loan, free blood in case of emergencies, free supplies of cancer pads and Braille Transcription classes; by way of programs—several outstanding concerts with nationally known artists (Eleanor Lipkin, Paul Olefsky, Gordon Staples, Marilyn Cottle, Ruth Meckler, Albert and Mary Tipton), many lectures (Dr. Margaret Sterne, Dr. Harvey Merker, Barnaby Conrad, Joseph Gumond, Dr. Ernst Scheye, Prof. W. Sprague Holden), travel and educational films, symphony, ballet and chorus presentations, classes (art, flower shows, many art exhibits, a new residents reception, a community Christmas program, a do it yourself show, monthly youth activities, a senior club, a cinema league and community and childrens theater productions.

Mr. Elliott emphasized that such Center sponsored activities were just a part of the picture as nearly every community group uses the Center as a meeting place and a beauty spot in which to stage activities of their own.

In the past century more than 600 University of Michigan graduates have spent their lives in full-time Christian missionary service overseas.

HURT IN FALL

Peter Wittstock, 8, of 282 Mt. Vernon, was treated at Bon Secours Hospital for injuries received when he fell from his bicycle on Monday, September 22. He suffered possible concussion on the right side of his head and lacerations of the right wrist and arm.

Pornography Peddler Arrested Third Time

Theodore Wichman, 58, of 1423 Berkshire, who was ordered to close his store in the Woods after twice being arrested for selling pornography in that city, was arrested for the third time on a similar charge, this time by Detroit police.

Wichman was taken into custody after a Detroit policeman purchased four 16 mm 200-foot reels of obscene movie films on Friday, September 26. The purchases were made with marked money.

The arrest was made by Detroit Patrolmen Frank Mahanna and Stanley Russell of the Police Censor Bureau, after Patrolman John McLain, also of the Bureau, said he paid \$72 for the films at Wichman's store, 7547 Harper avenue, Detroit.

After the arrest, police found seven more movie films, 10 obscene booklets and 124 photographs in the store, located across the street from an elementary school.

The day after his arrest, Wichman was arraigned before Recorder's Judge Elvin L. Davenport. Wichman entered a plea of not guilty to the sale and possession of obscene films. A bond of \$500 was ordered and examination set for October 3.

Judge Paterson Hands Out Fines

A deluge of cases filled the docket of Judge Douglas L. Paterson's Traffic Court session held on Tuesday evening, September 23, in Grosse Pointe City.

First of the dozen defendants to be heard was Jessie James Windham, of 1776 West Grand boulevard. Charged with car not under control, he was found guilty and paid a fine of \$25.

Lyle Wood of 5816 Christianity, in Detroit, was charged with speeding 45 miles-an-hour. He failed to appear and, according to law, a notice was sent to the Secretary of State revoking his driver's license.

A fine of \$50 was imposed upon James Howard Fish, 17851 Collinson, in East Detroit. In addition he was sentenced to six months' probation prohibiting any driving for that period, for a charge of reckless driving.

John D. Sheehy, of 519 Townsend, in Detroit, paid \$35 when found guilty of a car not under control charge.

A fine of \$20 was given Alexander Baird, of 889 Rivard boulevard, deemed guilty of reckless driving.

A suspended sentence was ordered for Evelyn Koss, of 2611 Springle, in Detroit. She was fined \$25, for the record, when found guilty of a car not under control charge.

Gilbert Lee Frank, of 23260, Doremus, in St. Clair Shores, was judged to be guilty of speeding at 40 miles-an-hour. He was fined \$50 and placed on six months' probation, which permits his use of a car for work only.

For his littering offense John R. Stirling, of 1005 Kensington, paid a fine of \$5.

Dwight M. Teague, Jr., of 262 Lothrop road, was found guilty of a car not under control charge, and fined \$25.

The complainant refused to prosecute in the case of Eva L. Patterson, 5948 Lanno, also charged with car not under control. Consequently, her case was dismissed.

Last on the agenda was Besie Nelson, of 852 Neff road. She was found guilty on a disorderly person charge and fined \$10.

before whom Wichman was arraigned twice for selling filth, said he will issue a warrant against the man for violation of probation.

Wichman was arrested the first time on August 1, 1956, after Woods police, following a two-man surveillance, raided Wichman's store, the Empire Gift and Camera Shop, Mack and Hampton. They confiscated a number of obscene films, literature and materials.

For this, Wichman was fined \$100 and placed on two years probation.

On November 22, 1957, Woods police noticed an illegally parked car at Mack and Hampton, and as they stopped to investigate, Wichman came out of his store and said the vehicle belonged to him.

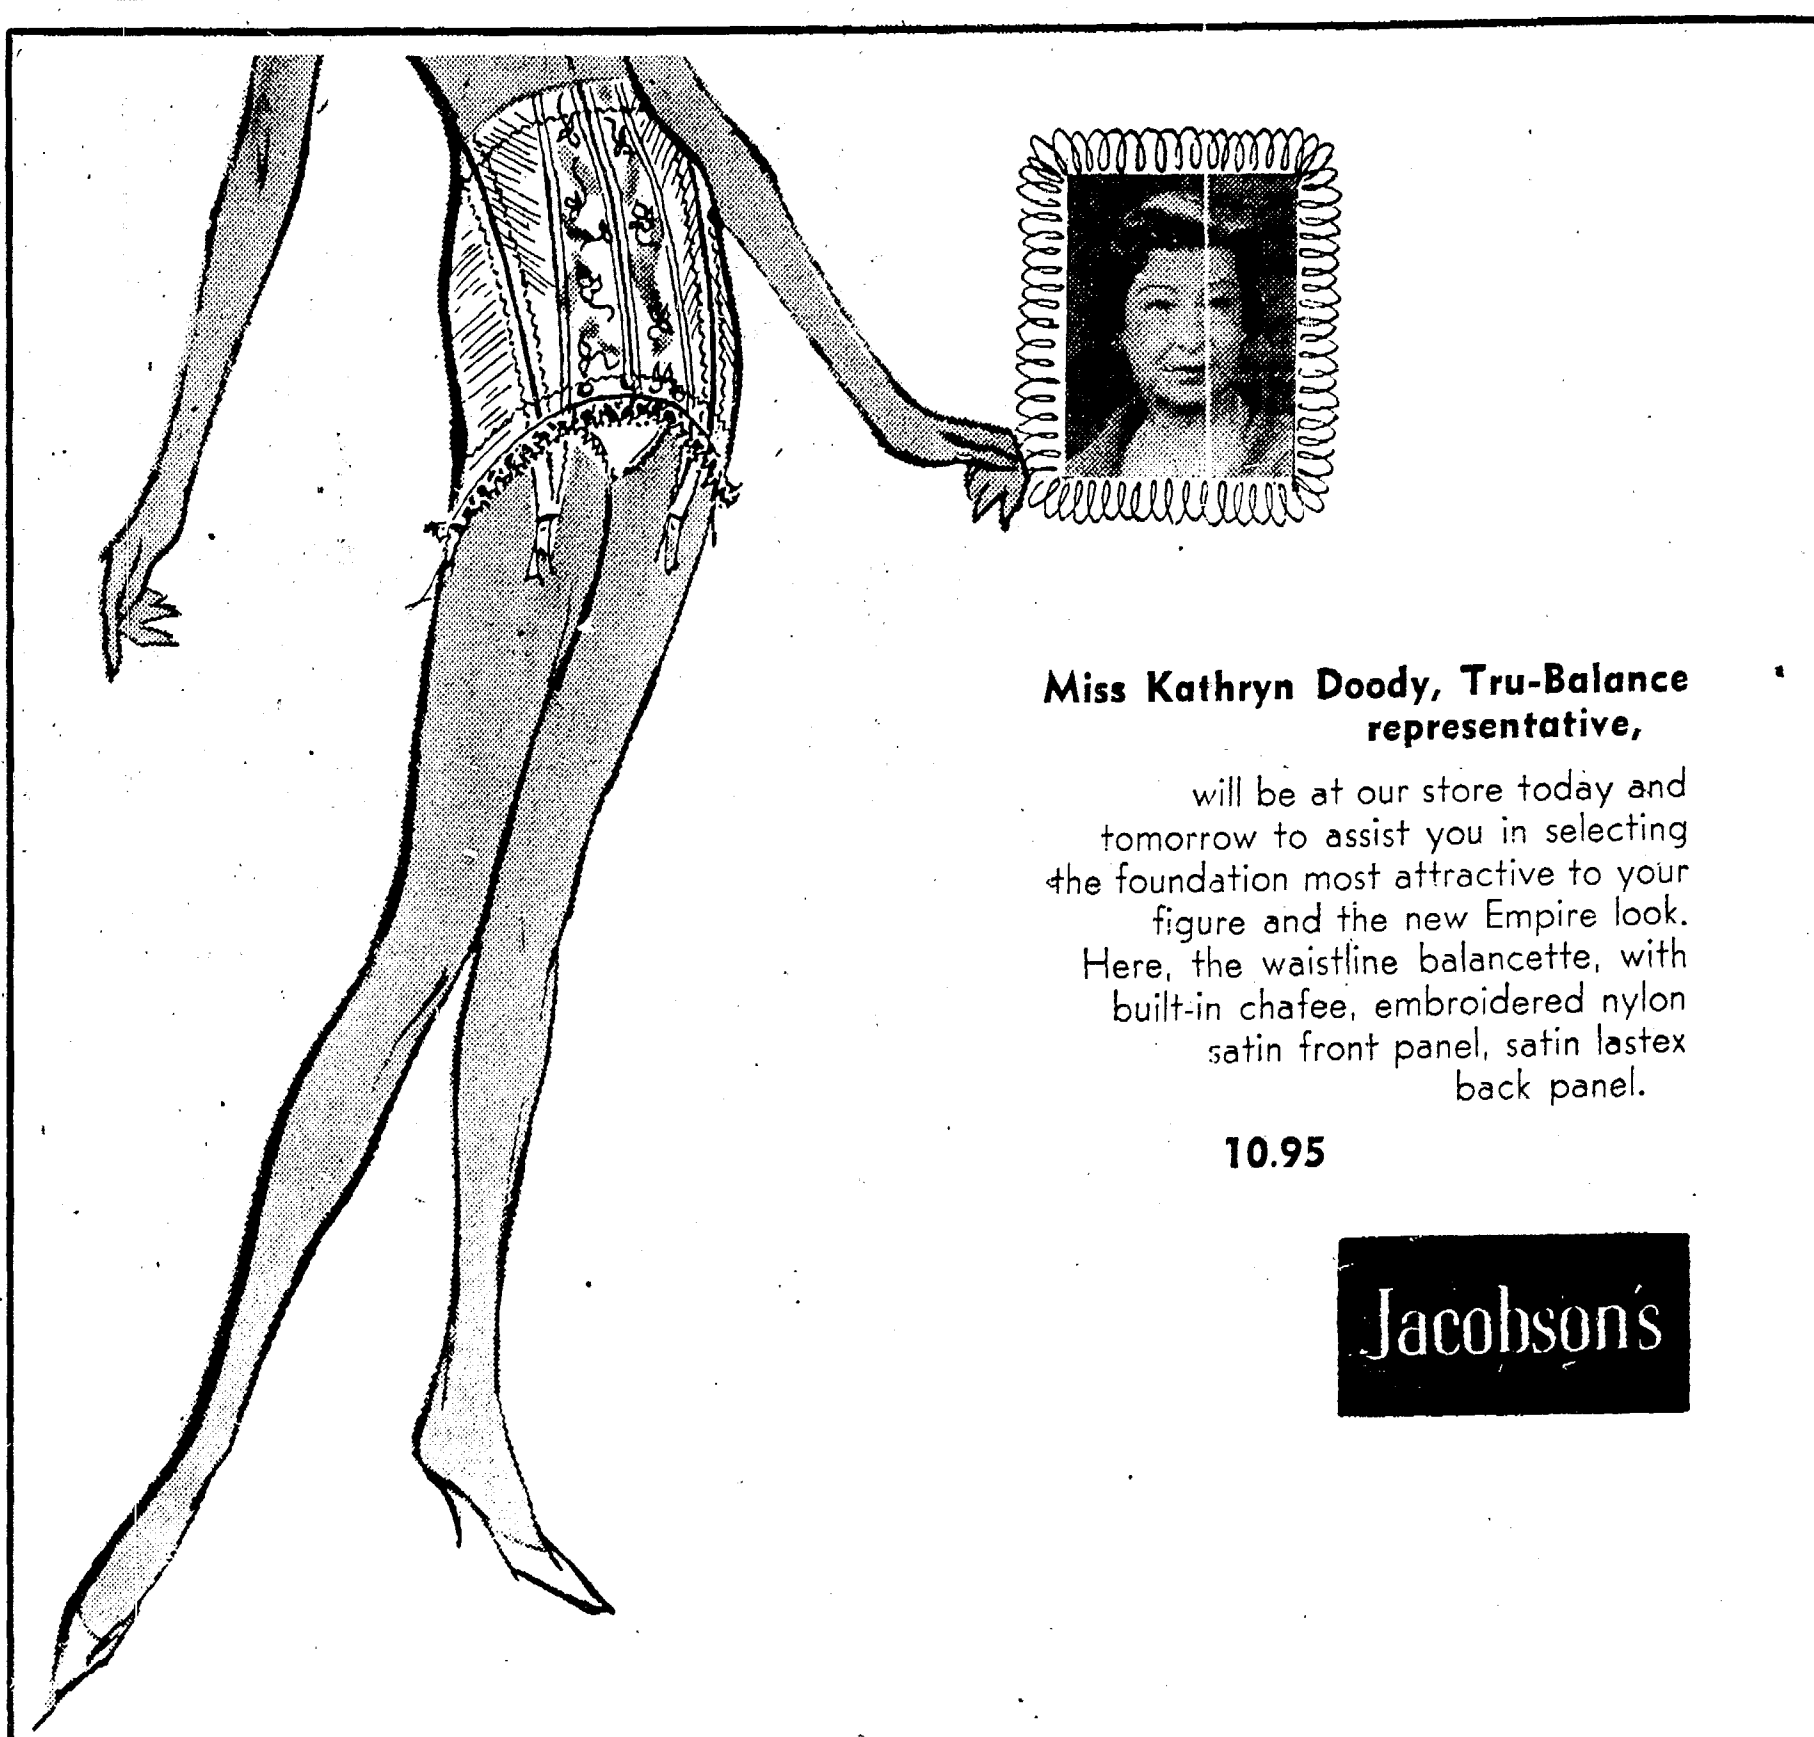

A suitcase was in the back seat of the car, which authorities opened and found full of pornography, and again Wichman was arrested.

When brought before Judge Goodrow the second time, Wichman, the judge pointed out, was in violation of probation.

Wichman pled guilty to the second charge and was bound over to the Wayne County Circuit Court.

Judge Goodrow added another year of probation to the unexpired time. Wichman promised to close his store in the city, never to return.

When tried in circuit court later, Wichman was found guilty and two more years were added to his probation period.

Retraction Refused

Last week this paper carried a news story about the City police issuing tickets to a group of High School students for "loitering on a public sidewalk" in front of the stores in Fisher road opposite the High School campus. Following a protesting telephone call, relatives of two of the girls involved appeared in the NEWS office with a letter to the editor and voicing requests for retraction of the story.

We print the letter in full below, only deleting the names involved for the reason that, as the letter states, the incident has been cause of embarrassment, and we see no purpose in causing further embarrassment. No great crime has been committed here.

To the Editor,

On Thursday, September 18, 1958, our daughters and two other girls walked across Fisher Road during lunch hour at the Grosse Pointe High School. They stood and gazed in the window of the Farms Market. An officer from the City of Grosse Pointe immediately ticketed these girls for the violation of "Loitering on Public Sidewalk." These girls then went to the dean of girls, Mrs. Ruth Flom, who agreed that a great injustice had been done. There is no school regulation that forbids the students to cross the street and the Farms Market does a thriving business during lunch hour dealing with the students.

As parents we are infuriated that this could happen in Grosse Pointe. The Grosse Pointe News has added fuel to the fire with an article in the issue of Sept. 25, 1958. This article began "Tough talk to a City police officer, combined with a complaint from Farms Market was sufficient grounds for a mass issuance of loitering tickets last Thursday, September 18." The article goes on to list the four girls and three other students the last of whom is referred to as "another of their group."

We have read the docket at the police station and talked to Officer MacEachern who ticketed these girls. We are using the term ticketed, not arrested as was used in your paper. Not one of the four girls I am writing about or the other three students spoke rudely to the officer. "Tough talk" is evidently an untrue twist to the story invented by your paper. The police were amazed at such an article. Also the first four students are not even acquainted with the other students and you refer to them as a group.

We would like a retraction on the part of the Grosse Pointe News regarding the inaccuracy which has been a great source of embarrassment to us.

Sincerely,

After reading this letter we promised the relatives we would check into the story and if we found there was reason to retract anything we would do it gladly, as always. We try to be fair in all things.

Mainly as an object lesson to all the students at the High School, and also in explanation to the complaining relatives, we report on the findings of the check we made with the police of the City of Grosse Pointe.

The ticketing of the group mentioned in the news story came about when an officer assigned to that duty found 50 or more students clustered in front of the Fisher road stores, with many more in and around the municipal parking lot. He asked them, in accordance with his orders from the police department, to break it up and return to the campus across the street. All of the crowd dispersed and followed the request except the group which was ticketed. These argued and refused to comply, and as the officer told the NEWS reporter, "were sassy and talked tough." He then issued the tickets.

City Police Chief Thomas Trombly and Capt. Andrew Teetaert explained the situation to the NEWS on Monday. For a long time, a number of the merchants along Fisher road have lodged complaints with the police about the students' behavior during the lunch period. They congregated in throngs, eating their lunch and throwing the sandwich wrappings, etc. on the sidewalk and street. They blocked the entrances to stores, sat on the fenders of cars parked in the street and the parking lot, put their pop bottles on the cars, impeded traffic and in cases deliberately blocked drivers attempting to get in or out of parking spaces. The NEWS has in the past reported cases where students actually stopped cars and rocked them back and forth, terrifying the occupants.

In the light of all these complaints, the police held conferences with the school authorities in an effort to find a solution to the problem. The school broadcast warnings over the loud speaker system that goes all over the building, advising the students that such practices had to stop. The student government body pledged cooperation. Stories were carried in this paper about the action taken by the police and the schools, and warned the pupils.

When the litter problem became so great that a group of citizens met with school officials to seek an answer, this paper volunteered to donate 100 litter bags to students who drive their cars, hoping this would curb the practice of throwing rubbish out of car windows. The Grosse Pointe Garden Council contributed another 100. Things improved for awhile. Now we hear that the situation is worse than ever and neighbors across Grosse Pointe boulevard and the merchants along Fisher road are being bothered tremendously by the litter which the students toss to the winds. Extra rubbish cans and warning signs installed by the Farms police seem to be disregarded to a disturbing extent.

These are the reasons behind the action of the police in the incident reported last week. If the students behaved and had pride in the appearance of their campus and its surroundings, if they considered the rights of shoppers and business people who want to use the parking facilities in the neighborhood, there would be no reason to assign special officers to patrol the area.

The police officials see no reason for a retraction of the story printed last week, and neither do we.

What Goes On at Your Library

By Jean Taylor

This is Newspaper Week, and we salute the editors and newspaper staffs across the country, but especially those in our own community. These faithful, hardworking servants of the public work early and late to satisfy the news-hungry. Their troubles are many; their responsibilities great.

It would seem that a craving for news is a basic desire. We have always had it. Doubtless our ancestors in cave, tepee or igloo had one among them who told of daily goings-on, of sensational happenings, or of a mild or cold season ahead.

The Bible gives numerous instances of news hunger. In Genesis we have one of the earliest recorded mentions of news of family travels or visiting—now found in almost every paper: Joseph's brothers came down into Egypt to see him. "The report thereof was heard in Pharaoh's house, saying Joseph's brethren are come."

The Ancient Greeks and Romans were news hungry. About the time of the beginning of the Republic, the Romans developed written newsletters, which continued from Rome as a center for about 1,000 years, until the fall of the Western Empire. Of course the news disseminated then did not satisfy everyone any more than it does now. Cicero, for example, complained that the newsletter he received contained too much sports news (everyone no doubt had his pet gladiator) and not enough political news.

News letters continued to be used throughout the Middle Ages, chiefly to convey business and political news between the larger cities of Europe, where there were professional newsmen.

Times of crisis, wars and the like, always increased the desire for news. The first printed news from Germany in the 16th Century, was devoted to stories of battles, and to the prognosis of danger ahead. With the Thirty Years' War came the first English news-sheets. During the first

year of the American Civil War, Oliver Wendell Holmes wrote of two essentials, bread and the newspaper. "We must have something to eat and the newspaper to read. Everything else we can give up."

News men have always come in for more than a fair share of criticism, regardless of which way they jump, and even the lowly newsboy who brings the news to our door encounters considerable censure.

For the last mentioned, Charles Dickens has a great affection and tolerance. He relates what he finds in the advertisements of the paper when he reads it over the newsboy's shoulder. "I learn, to my intense gratification, for I begin to have some doubts upon the subject myself—that I need never grow old, that I may preserve the juvenile bloom of my complexion to any period of life; that I need never have any more gray hairs; that if I ever cough again, it is entirely my own fault; that if I want a Turkish bath, I know where to get it; that if I want 7 pounds a week for life for 2 shillings down, I have only 4 send postage stamps and there it is."

The hucksters of the gaslight era knew nothing of motivational research, but they were close kin to today's hidden persuaders, just the same.

Mr. Dickens goes on to comment on various news items, summing up his observations by asserting that the newspaper "gives me the comprehensive knowledge of all that is going on over the Continent of Europe; over the great Continent of America, to say nothing of such little geographical regions as India and China."

"In a word, every morning before my breakfast is done, I can put a girdle 'round the earth, like Ariel, and come to the time of high water at London Bridge, and the latest movements of the Japanese ambassadors."

With Mr. Dickens, we commend our newspapers, and take this occasion to express the Library's appreciation and our own personal thanks to Robert Edgar and the Staff of the GROSSE POINTE NEWS for their cooperation.

CATCH THE CURE

by Fred Kopp, R.P.H.

An old cookbook gives this cure for asthma. "Wear the skin of a muskrat—fur side next to the body—over the lungs." Certain relief was assured. It's comforting to know that we have more reliable methods today. In recent years medical science has achieved incalculable improvements in the care and treatment of illness. Your physician can tell you about the effective medications available. Seek his professional advice when you're ill. Then, if he recommends medication, come to us for quality prescriptions.

This is the 721st of a series of Editorial advertisements appearing in this paper each week.

Council to Hear Judge Kaufman

On Monday, October 6, at 8 p.m., Probate Judge Nathan J. Kaufman will address the Grosse Pointe Council of Better Literature for Youth. His topic will be on the role of the Juvenile Court in Wayne County.

Speaking from a wide experience with juvenile problems Judge Kaufman will present the legal and moral aspects of juvenile delinquency, its causes, and his recommended solutions vital to the elimination of this national problem.

Weber to Attend Defense Parley

Robert F. Weber, of Lakeshore drive, has been invited by Secretary of Defense Neil McElroy to participate in a Joint Civilian Orientation Conference to be conducted by the defense department. He is to be one of 60 civilian leaders from various fields of endeavor to take part in the week long program beginning Sunday, October 5.

The purpose of the conference is to give a close view of the national defense program and invite opinions of its worth from business men and community leaders such as Mr. Weber. Secretary McElroy has emphasized that comments and evaluations will be solicited at every opportunity during the tour which covers much of the Eastern half of the country.

Mr. Weber, a member of the J. F. Weber Lumber Company and a trustee of the Grosse Pointe Board of Education, will report to the Pentagon Building in Washington, D.C. for briefing next weekend. From there he and other members of the group will begin a tour of many installations of our military services.

The tour will take the inspecting group to Florida to see Air Force operations involving both tactical and strategic flights. A stop at Quantico to see Marine combat tactics and at Fort Benning, to see a demonstration of Infantry fire power and airborne maneuvers will be included. The party will spend several days at sea with elements of the U.S. Navy and look over the naval installations at Norfolk.

With Mr. Dickens, we commend our newspapers, and take this occasion to express the Library's appreciation and our own personal thanks to Robert Edgar and the Staff of the GROSSE POINTE NEWS for their cooperation.

St. Paul Student Council Inducts

By CLAIRE HUEBNER
"And so I say to you, the way is open to Paulites and their scholastic endeavors and to Laker teams and their accomplishments—I say the way is open to all of us to be world beaters in the world in which we live . . ." These words were spoken by Patrick Wright, President of the Student Council, at the induction of officers held at St. Paul High School on September 17 as he outlined the high hopes of the members of the Student Council.

Dan Miller, Prefect of the Sodality, opened the meeting by explaining the purpose of the gathering, ". . . to introduce the officers to the student body and to present them with their symbols of office."

Father Arthur Neff, spiritual director of the high school then presented Patrick Wright with the academic gown and turned the meeting over to him.

Pat, in turn, invested the other officers, Miles Dean, vice-president; Paula Dwaigh, secretary; Dave Evans, treasurer; and Dave Ayrault and Sue Schreiber, civic bureau chairmen, and accepted their pledges of loyalty.

Committee chairmen were introduced and their promises of faithful duty given. These include Allison Schick, hostess chairman; Diane Beaufre, merit awards; Dennis Kramer, public address; Edward Hakim, visual aids; and Mary Claire Miller and Claire Huebner, press.

Homeroom representatives were introduced: Merrie Gay Touchton and Martin Peters, Seniors; Joseph Becker and Gail Matland, Juniors; Sophomores John Kelly and Karen Oxley; and Sam Gallucci and Gayl Bloink, Freshmen.

Father Neff spoke on the responsibilities of the Student Council.

A panel discussion with floor-to-speaker questions, under the direction of Miles Dean, followed Pat Wright's talk.

The meeting closed with the singing of "Alma Mater" by the student body.

The Student Council is an organization of students, elected by students to serve in all matters of concern to the entire school. Other purposes include the development of spirit and pride in the school, to provide a means for student's expression of opinion, to promote good student-teacher relationship and to teach leadership and followship.

The National Association of Student Councils represents almost 6,500 student councils in this country and abroad, and has been established to help schools with their student council problems.

Greek Courses Being Offered

This fall, for the first time, the Department of Community Services of the Grosse Pointe Public School System will offer three courses in Greek. There will be a beginning and an advanced course in modern conversation Greek, and a course for those who know no Greek but wish to read the New Testament in Greek. A direct method will be used so that the students may begin at once to deal with the New Testament in its Greek text.

Many have denied themselves the study of Greek because they have feared it to be a terribly difficult language. The modern methods of teaching, which will be offered in these courses, give an attractive solution to the old problem of difficulties in the language.

Vasilos Anagnos, director of the Socrates School in connection with the Greek Orthodox Churches in Detroit, will

be the instructor. Mr. Anagnos is a graduate of the University of Athens, and was approved for teaching in this country by the Greek Archdiocese of North and South America. He has taught at Charlotte, N. C., Knoxville, Tenn., and at Roanoke, Va. His students in Roanoke were allowed credit for the course at the University of Virginia.

Some knowledge of the Greek language will enrich the English of any student. In it is depth of meaning, meter, music, strength, richness, and variety as well as a delicacy of expression. With his modern methods of teaching, Mr. Anagnos has been able to teach hundreds of persons to deal with the spoken and written language in a very short time.

For further information and class reservation, call the Department of Community Services at TU 5-3808 or TU 5-0271.

Mrs. J. Dwyer Kinnucan Paid Tribute for Red Cross Work

The annual meeting of the Detroit Chapter of the American Red Cross held Thursday was highlighted by recognition of Mrs. J. Dwyer Kinnucan, of Hillcrest, road, who has served the chapter since 1918 and has been chairman of its volunteers since 1932.

E. A. Schirmer, chapter chairman, announced the resignation of Mrs. Kinnucan and the appointment of her successor, Mrs. John F. Hering, since 1951 chairman of the chapter's Canteen Service.

The chapter's annual report was presented as a dramatic monologue relating events in the early years of Mrs. Kinnucan's service to the accomplishments of recent months, read by Miss Marjorie Keller, a University of Detroit senior and past president of the chapter's College Units group. Mr. Schirmer presented Mrs. Kinnucan with a scroll and recognition pin in appreciation of her years of devoted service. Mrs. Kinnucan will continue with the chapter as a vice-chairman and active service volunteer.

Schirmer said that Mrs. Hering's acceptance of her new post assures the chapter continuity of the competent volunteer leadership which characterized Mrs. Kinnucan's service. Schirmer said Mrs. Hering's Red Cross service dates to World War II when she conducted more than 20 Red Cross canteen classes in the kitchens of the Women's City Club of which she was then manager.

Mrs. Hering, the former Jane Porter, became a member of the staff of the Detroit Women's City Club in 1932, occupying various positions before her appointment as Club Manager in 1945. She has been honored by professional organizations, including election to the presidency of the Michigan Restaurant and Caterers Association, the only woman to be so recognized, and membership on the Board of Directors of the National Restaurant Association, a responsibility accorded few women.

During her tenure at the Women's City Club she perfected recipes for which the Club cuisine became famous. The Woman's Home Companion cited her for her "touch of genius" with foods... as well as with people.

Since assuming chairmanship of Red Cross Canteen Service, Mrs. Hering has continued to teach classes of volunteers to prepare and serve food in the chapter canteen for staff, volunteers and hospitalized servicemen who have attended local athletic events, following which they are the chapter's dinner guests. These volunteers are also

qualified to prepare and serve food to disaster victims and rescue workers. Last year Mrs. Hering and the chapter canteen volunteers conducted a mass-feeding demonstration at the Detroit City Hall, cooperating with the Office of Civil Defense. They prepared and served a meal to several hundred people in the space of five hours.

In addition to her Red Cross service, Mrs. Hering is currently a member of the Board of Directors of the Children's Center of Metropolitan Detroit; membership committee member, Women's City Club; the Advisory Committee, Home Economics Department, Wayne State University; and the Nutrition Committee, American National Red Cross.

Mrs. Hering is the wife of John F. Hering, president and general manager of the Charles W. Warren Company, and is secretary and style-coordinator for her husband's firm.

Adults Offered Drama Course

A ten-week course in Dramatic Appreciation and Criticism is being offered by the Department of Community Services of the Grosse Pointe Public School System to begin on Monday, October 13, at 7:30 p.m.

Instructor for this course will be Russell McLaughlin, well known in Detroit as a drama and music critic. Mr. McLaughlin is a native of Detroit, and studied at Cornell University and the University of Michigan. He also attended Wayne State University where he earned his MA and LLB degrees. In addition to his newspaper work, Mr. McLaughlin taught in the field of dramatic appreciation and criticism at the University of Detroit and New York University. He is the author of two books, several one-act plays and four full length plays.

This offering will include lectures on the English-speaking theater, as literature and as a social force. Four of the ten meetings will be devoted to attending professional performances of plays current in Detroit. Classes preceding and following theater attendance will feature discussions and critiques of scheduled plays. Emphasis will be placed on historical background of the modern theater; the contemporary stage's recreational value and power to meet its present-day competitors.

Reservations must be made for this series. Please call the Department of Community Services, 43 Grosse Pointe Boulevard, at TU 5-3808 or TU 5-0271.

Paid Tribute by Red Cross for Service

MRS. J. DWYER KINNUCAN of Hillcrest road was honored at the annual meeting of the Detroit Chapter, American Red Cross, on September 25. E. A. SCHIRMER, chapter chairman, presents a pin to Mrs. Kinnucan as MRS. JOHN F. HERING of Kercheval avenue looks on in approval. Mrs. Hering was elected to succeed Mrs. Kinnucan as Chairman of Volunteers for the Chapter.

Elections Held By Red Cross

E. A. Schirmer was re-elected Thursday to a second term as chairman when the Detroit Chapter of the American National Red Cross held its 49th annual meeting at its headquarters, 153 East Elizabeth Street.

The meeting highlighted recognition of Mrs. J. Dwyer Kinnucan, on the occasion of her retirement as chairman of volunteers, a post she has held many years. An active Red Cross worker for the past 40 years, Mrs. Kinnucan was honored with a scroll and pin. She will continue with the chapter as a vice chairman and active service volunteer.

Schirmer announced the appointment of Mrs. John F. Hering, for the past seven years chairman of the chapter's Canteen Service, as Mrs. Kinnucan's successor as chairman of volunteers.

Mrs. Harold B. Tyree was elected secretary of the chapter, and John M. Sullivan, former executive director of the chapter who retired February 1 after 18 years of service, was elected treasurer.

Burt R. Shurly, Jr., a Detroit Bank and Trust Company vice president, was named to his second term as chairman of the executive committee. Frederick K. Cody and Robert T. Ross were named Executive Committee vice chairmen.

G.P.U.S. News Notes

Officers of the Grosse Pointe University School Red Cross Council for the coming year are Chip Munger and Sarah Strother, co-presidents, and Irving Smolker and Sharon Sanders, representatives for Lower School activities. All of these officers are in the 11th grade. Mr. Smolker also will serve as treasurer for the council; he is 11th grade class treasurer, too. Mr. Munger was recently elected vice-president of the city-wide association of school Red Cross representatives, a group made up of public, private, and parochial schools.

As a background for the football games which take place at "home" on the Cook road grounds, it is interesting to note that mothers of the players serve coffee and doughnuts to the adults who come out to watch the games. The place is the Field House; the time is between the halves. At last Friday's game, which G.P.U.S. won handily, 34-6, against Lamphere, the mothers-in-charge were Mrs. Donald J. O'Brien, Mrs. John S. Pingel and Mrs. Porter Strother.

Chapel assemblies, which are held each Tuesday and Friday morning at G.P.U.S., began for this school year during the week just past under the direction of Mr. Chandler and Miss Richardson respectively. Also last week elective classes

in religious education began for upperclassmen, under the direction of Mr. Tom Masson, of Christ Church, Grosse Pointe.

Mrs. June Bacon, Director of the G.P.U.S. Nursery School, reports the following about her young charges:

"The four year group in the nursery school are very grateful for the woods bordering the athletic field. They made explorer bags with the sole purpose of collecting different shaped leaves, bugs, flowers, and snakes as they walked through the woods. Two very large dead tree trunks made climbing and jumping fun along the way. Identifying the objects found on their field trips has become a part of science time each day. The children are encouraged to bring materials for our science

table weekly, so that they can tell about them and learn more about them from their teachers and books."

Nursery school members of the Executive Committee of the Parents' Association are Mrs. Raymond D. Sphire, Mrs. Albert C. Heholt, Mrs. John N. McNaughton, and Mrs. Troy W. Maschmeyer, Sr.

Mrs. Bacon invites all the nursery school parents to come the night of October 13, at 8 o'clock, to see the film "Nursery School in Action," photographed by a nursery school father, Jack Doerr, and scripted by Jane Bacon. It shows, in color and sound, what play materials the children enjoy and the reasons for the activities which are introduced to the children.

The First Congregational Cooperative Nursery School of Fort Huron invited Mrs. Bacon to show this film on Wednesday, September 17, to the parent group.

Blue Devils Get Revenge By Beating Flint Northern

Grosse Pointe High balanced its football books with Flint Northern with a thrilling come-from-behind 12-6 victory before a record 4,000 fans that jammed the Devil stands last Saturday, September 27.

It was this same Flint Northern team that placed the lone smear on the Devils' otherwise perfect season last year when Jim Hodo raced 87 yards to score the only points the 1957 Devil team gave up in eight games. It also tumbled the proud Pointers from the unbeaten ranks and spoiled their chances for the 1957 State title.

Last Saturday it appeared the 1958 Flint team was going to do the same thing again this year. The same Jim Hodo went through the same side of the Pointe line and raced 89 yards this time to score. The action took place in the same period, the second. The only thing that was different this time was the fact that Flint failed to collect the extra point.

Another Change

Something else that was different from last year was the fact that Flint outplayed the Devils throughout the first 24 minutes of the game, rolling up 119 yards to the Devils 31. Last year the Pointers walked all over Flint and held a commanding edge in every department but lost 7-0.

Taking advantage of their first break, a Flint fumble recovered by end Chuck Hanneman on the Vikings' 29, the Devils began to roll. Halfback Bill Porter cracked over from the three to knot the count. Everyone in the stands just knew the Devils would take the lead now. After all didn't Hanneman convert four out of five extra points against Mount Clemens just the week before? But the conversion was

missed and the score was knotted 6-6 with a minute and 48 seconds left in the third quarter.

Flint bobbled again in the fourth quarter and tackle Tom Standifer pounced on the ball on the Viking 31 with three minutes left to play. Bill Hooth climaxed the Devils' drive by crashing over from the six-yard line with the winning touchdown. The extra point was missed again and the Devils had to be satisfied with a 12-6 victory over a very tough foe from the Saginaw Valley League.

Spirit Missing

During the first half of the game the Devils appeared to have lost the lust for battle that was so apparent in the opening non-league game against Mt. Clemens. The half-time locker room session must have been something not designed for shell-like ears and probably the team will not wish to hear another like it.

The victory boosted the Devils to third place in the State football prep ratings behind Bay City Central and Flint Central. The Devils are the only Border Cities League team to be ranked in this exclusive group.

The Devils also took over the top spot in the Detroit Times suburban ratings. The Pointers will open defense of its Border Cities League championship when they travel to Royal Oak to meet the Acorns in a nocturnal battle. Game time is 8 p.m.

St. Ambrose Takes Victory Over St. Paul Eleven, 13-12

The point after touchdown was the defending factor last Sunday, September 28, when the St. Paul Lakers dropped a 13-12 decision to St. Ambrose on the Grosse Pointe High gridiron.

This was the first meeting between Grosse Pointe's two Parochial schools since St. Paul moved up to the First Division of the East Side League.

Thrills came in rapid-fire order that had the fans practically hanging onto their seats right up to the final whistle. Tim Hutton produced the first electrifying thrill to give the Lakers an early 6-point lead.

Hutton Thins Fast

The Lakers kicked off to start the game and contained the Cavaliers and forced them to punt. The kick rolled dead on the Laker 45-yard line amid a host of St. Ambrose players who stood around the pigskin like it was "too hot to handle." Quick witted Timmy Hutton, sensing the lackadaisical manner of the Cavaliers, snatched up and ball and raced 35 yards to score. The extra point try was missed but it didn't seem too important that early in the game.

Late in the first period the Cavaliers came back to knot the count on a ten-yard touchdown run by Vince Taormino. The Cavaliers also missed the conversion and it was a new ball game.

St. Ambrose took the lead for the first time when Joe D'Angelo raced 65 yards for a beautiful bit of broken field running that left Laker defenders strewn in his wake. Taormino carried over from the two yard line for what proved to be the game winning point. From this point in the second quarter Taormino's extra point began to grow and grow and GROW as the teams battled on even terms up to early in the fourth period.

Fumble Costly

A Cavalier fumble inside

their own 20 set the stage for halfback Joe Lauger to put the Lakers back in the game when he crashed over from the six yard line.

With victory out of reach but a tie game hanging in the balance the Lakers failed on the extra point and St. Ambrose left the field with a "squeaker" in their pocket.

The Cavaliers will meet St. Stanislaus at Mack Park on Saturday, October 4, under the lights at 7:30 p.m. The Lakers will be looking for their first win in the First Division when they play host to St. Anthony at Grosse Pointe High field on Sunday, October 5. Game time is 2:30 p.m.

Austin Nips Notre Dame

There are no cute little coeds at Austin High to cast doe-like eyes at Ken Scherer, but the all-boy student body is singing his praises for his game winning three yard point after touchdown end run that gave the Friars an important 7-6 victory over Notre Dame last Friday, September 26, on the De La Salle gridiron.

Scherer's all-important scamper produced the extra points after the Friars had marched 59 yards for their only score with only three minutes remaining in the game.

Set for Showdown

The victory sets the stage for the showdown battle against favored U of D next Saturday, October 4, at U of D Stadium. This contest could be billed as the "championship game" of the Parochial League Central First Division. Those in the know around the league have tabbed U of D a top heavy favorite to cop the title in its first year in the division since abandoning the Detroit Metro loop this fall.

Prior to the start of the season Friar coaches figured they would have to up-end defending champion Notre Dame and U of D if they were to be able to put the football title alongside the 1957-58 State Class "A" basketball title won last Spring at East Lansing.

Although Austin gridders showed nervousness early in the Notre Dame game by fumbling at critical times that stopped bids for scores, the Friars did show they had the stuff to stop the hard running attack of the Irish.

Tom Boltz Stars

Notre Dame's lone score came on a 26-yard end run by Tom Boltz after the Irish had recovered an Austin fumble on the Friar 41 in the second quarter.

The huge crowd that jammed the stands figured all was won or lost, depending upon which side they were rooting for, when the clock showed less than five minutes left to play. But at this point the Irish fumbles and Norm Pfaff recovered on the Friar 41. Quarterback Dan Laverdiere slipped the Austin machine into high gear and the Friars marched down the field and climaxed the drive when Laverdiere smashed over from the two for the score. Scherer then swept the end for the extra point and it was all over but the shouting.

Spartan Football Party Plans Set

The Grosse Pointe Spartan Football team will take time out from practice to play host at their party which will be held at Monteith School, Saturday, October 25, and will feature square dancing under the direction of Wes and Julie Rea. Dancing will commence at 8 p.m.

Eighty gridders will be diligently making the rounds of the Woods neighborhoods with tickets between October 3 and the day of the party. The boys who sell 15 tickets or more will be eligible to win an autographed football.

The funds collected will be used to help defray the cost of outfitting each little footballer in the expensive Woods program. It costs approximately thirty five dollars to outfit a boy for competition.

Silver Sweepers Three

Like the Three Musketeers these three Pointers stuck together in the annual Raven Class Iceberg series and swept all the silverware into Bayview Yacht Club's trophy case. BOYD BENKERT, left, placed second behind champion CARTER SALES and BOB

"CHUM" KERR, left, who placed third. The series was held off the Grosse Pointe Y. C. on Saturday and Sunday, September 27-28. Sales is the current national president of the Raven Association.

Boat Banter

By Fred Runnells

Carter Sales sailed off with top honors in the annual Raven Class Ice Berg three race series held off Grosse Pointe Yacht Club last weekend, September 27-28, and was awarded the Sales Bowl by his pretty wife Nan.

Carter and his crew had "Sea Sails IV" flying in the first two races, which were sailed on a lumpy Lake St. Clair in a chilly northwest wind that made life miserable for crews aboard the 12 boats that made up the fleet.

With two victories tucked away, the youthful Raven Association president held a comfortable lead over Boyd Benkert going into the final race on Sunday. All that "Sea Sails IV" had to do was finish no worse than third if Benkert won the final race and the title would be Sales' for another year.

Benkert's "Thunderbolt" moved into an early lead in the final race and appeared to like the 10 mile an hour north wind and moderate sea as it rounded the first weather mark with a three-point lead. Sales was right on Benkert's transom but couldn't make an appreciable gain on the spinaker run.

"Thunderbolt" was well out in front on the last weather leg of the Gold Cup course but here the wind began to soften and become variable as the fleet worked its way towards the finish line near shore. When Benkert appeared to have the race all wrapped up he got caught in an unfavorable wind shift which put Sales in the lead a half mile from the finish line. But what surprised everyone was to see Bob "Chum" Kerr's "Chumlette" come barreling in from "Left field" to nip both leaders for the winning gun. This sudden change of events pushed Kerr into a series third and assured Sales the title which was won by Al Bortolotti last year.

Oddly the three visitors, John Russell of Sandusky, Ohio; Ira Ross of Cleveland, Ohio, and Timmy Schneider of Seawanaka, N. Y., stayed pretty much together throughout the series and finished seventh, eighth and ninth respectively.

Series points were as follows: Carter Sales 38½; Boyd Benkert 34; Bob Kerr 31½; Al Bortolotti 30; Roy Barber 29; Gordon McCabe (Race Chairman) 21; John Russell 21; Timmy Schneider 19; Ira Ross 14; Tom Jeffrey 12; Bill Nagel 11 and Stuart Japenga 7.

Clare Jacobs' "Falcon" crew made shambles of the annual Gismo series by taking first place in the first two races of the scheduled three race series held off the Grosse Pointe (Little) Club last weekend, September 27-28. Norbert Taylor, Detroit's newest New York 32 owner, took two seconds and Toot Gmeiner two thirds. Race Chairman Ted

Coggin decided a third race was not necessary on Sunday so the sailors just sat around the Little Club resting from the strenuous sailing and the party the night before.

For a while, something like a week prior to the Gismo series, it appeared there would be no race. That is until Norbert surprised everyone by buying Pat Collins' Vitesse II and saved the New York 32 class here. At the Saturday night party, Norbert, and his wife, Millie, were the toast of the local big boat sailing crowd. Auntie Ruth Gmeiner, the originator of the Gismo (party wise) had little signs all over the walls of the club. But the one that caught everyone's eye said "Dear Vitesse. You were shuffled off to Buffalo but Norbert rescued you."

One of the little signs said "Poor Pat." Jack Boyle, veteran crew member of the "Apache," scratched off the "poor" and replaced it with "rich" and stuck it in Pat's pocket.

Clarence "Moon" Baker and his "Last Straw" partner Jerry Clements were seen huddled in a corner during the Gismo party and "Moon" was talking pretty fast. Later Jerry said, "I'm sure getting a sales talk," but would say no more. Could it be these two tars are thinking of getting a new boat? It could be because they accomplished what they set out to do two years ago when they bought "Last Straw" and that was to win the DRYA Cruising "A" season championship. Jerry's effervescent wife Joy was heard to ask "Has it got a stateroom?"

Now that the America's Cup series is history I am sharpening my saw so I can make it a quick job of sawing off that long limb I went out on prior to the start of the series. Apparently percentages don't pay off, especially in boat racing. I figured the Englishmen were bound to win after 107 years of trying and this could have been the year. Had they done it would not my prophecy been outstanding? Instead they let me down. Of course I don't feel as bad as the Britishers who took the worst shellacking in the history of the event.

But can't you imagine how miserable the Sears syndicate "Columbia" must feel as they look at their bank books. They know now that it wasn't necessary to build a new Twelve meter yacht to defend. The old "Vim" could have done just as good a job as the amazing "Columbia."

A good and peaceful rule is not to fight unless you are cornered—and it's up to you not to get cornered.

Druggist Keglers Tied for First

The Grosse Pointe Pharmacy keggers mixed up a deadly potion last Thursday, September 25, and administered it to the Beaconsfield-Kercheval team and swept four points to move into a two-way tie for first place in the Grosse Pointe Businessmen's Bowling League with Maple Lanes.

Another highlight of the night was the high scores that prevailed. Larry's scored a sweep of Cox-Baker and in so doing moved up a notch, to third place in the standings and set new team single and three game records of 962 and 2748 respectively. Bill Penrod paced the onslaught with a high single game of 255 and the high three game series of the night, 637. But because Penrod was Larry's sixth man the league rules will not permit these marks to go on record.

Bob Leikfelt paced Barrett's to a four point sweep with his record three game series of 635 which downed Belding and moved Barrett's up from ninth to sixth in the standings.

Jack Baker's 581 series led Kennelly to a four point sweep over Woods Lounge and Harry Rudge's single game record of 247 helped Atwell to a three point win over Cramer.

League leading Maple Lane needed a three point win over Mack-Prestwick to keep from being unseated in the throne room and Goebel II nipped Adam Simms for three points.

No less than nineteen 200-plus games were posted with five keggers notched two each. The selected circle was made up of: Bill Penrod 255, 212; Bob Leikfelt 232, 212; Cy Lokanis 225, 203; Jim DeSmedt 223, 202; Ernie Nierath 208, 203; Harry Rudge 247; Jack Baker 255; Mel DeCrocket 223; Gaines King 221; Bud Farr 220; George Somerville 213; Bruce Morris 211; Al Bell 209; John Hotia 206.

Bayview Yacht Club
The North Channel Race, which will be held next Saturday, October 4, has often been called and appropriately so the "Poor Man's Mackinac Race" and it has been just that for the last 17 years.

The race is restricted to yachts with an overall length of less than thirty feet and is intended to offer a sporty course for the boats which are too short for the Bayview Yacht Club-Mackinac Island Race.

The contest is now sponsored by BYC but is was not always thus. Back in 1940, the now defunct C Boast Association, started out with four hardy crews to race through the North Channel. The boats in the first race were Joe Matte and Irv Jorgenson's "Cyrene", Morrill Dunn's "Cayuse II", Jack Briner's "Caprice" and Ed Flintermann's "Deodar".

They started at midnight off the Rear Piche Island range light and since it blew hard the fleet got to the entrance of the channel too soon and was forced to anchor and wait for daylight to find the unlighted channel bouys. This race was held early in June and the following year it was changed to late September or early October as it now is.

The race of 1941 was still restricted to "C" boats and that year it blew even harder and Morrill Dunn's "Cayuse II" set the record of 11 hours and 19 minutes for the approximately 70-mile course which still stands.

World War II called many of these charter members of the North Channel race, depleting the "C" boat fleet. To keep the race going, the "L" boats and Privateers were invited to participate. Right after the War the Luder class was permitted and by 1947 there was a fleet of 25 to 30 yachts navigating the "Steeple-chase" course.

About this time Bobby Roadstrum became the ring-

leader in promoting a trophy to serve a dual purpose. Namely to provide an award for the overall winner, inasmuch as the boats where sailing boat for boat competition, (no handicap), and to honor that venerable old timer, Morrill Dunn who sailed every race right up until the time he passed away at the helm of a sailboat.

A popular subscription program was started and no contribution could exceed two dollars and fifty cents. The eventual design chosen was two yachts, a "C" boat and one "L" boat entering the North Channel. The trophy was dedicated the Morrill Dunn trophy and is one of the most coveted prizes a crew of a small yacht can win.

The original NC trophy, a half model of a "C" boat was Jorgenson and has since been built by Joe Matte and Irv retired.

Besides competing for the overall prize each class has its own trophy.

The "L's" sail for the Mac Gregor trophy; the Privateers the Frank Priests trophy and the Luder's the L 16 trophy.

The sponsoring of the race was turned over to Bayview in 1950. In 1957 the Crescent and Folkboat classes were invited which has swelled the fleet considerably.

Because of the extreme low water, the 1958 race will enter the Middle Channel and come out of the North Channel at the Russell Island lighted buoy and back down the South Channel and finish in front of the host club.

There are as many stories about the race as there are people in it and we don't have the space to relate them all here, such as the time Frank Brown hung "Gamble" on a "Dead Head" with fifty feet of water all around him. And the time Joe Matte was sailing in the dark of night with the current going by him in "Cuttyhunk" and all the time he was hard aground.

One thing is for sure. Even when the race ends everyone has had fun sailing it. If you have never tried it we suggest you do so at once. It is an experience like of which there is no other in the world. We assure you that you will be back again and again.

Award Winners Have Roles in Pointe Play

Three men who won "Clarence" Awards last season for their work in "The Front Page" are collaborating to insure a successful launching of the Grosse Pointe Community Theatre's 1958-1959 season next month with a four-night presentation of "The Caine Mutiny Court Martial".

Albert M. Bertel, winner of the GPCT "Clarence" for his portrayal of Sheriff Hartman in a supporting role in "The Front Page," is enacting the part of Capt. Queeg, the naval commander who has been deposed.

Dean Erskine, who won a "Clarence" for his direction of "The Front Page," is directing the tense naval drama by Herman Wouk, which is based on Wouk's Pulitzer Prize-winning book "The

Caine Mutiny." Third "Clarence" winner connected with "Caine Mutiny" is Gordon Jett, who is appearing as Dr. Bird, a naval reserve psychiatrist. Jett won his award for stage managing "The Front Page."

The GPCT, continuing its policy of four-night performances of hit plays, will present "Caine Mutiny" at the Grosse Pointe High School on two successive Friday and Saturday evenings, October 17, 18, 24 and 25.

Bertel, who has previously played a variety of "character" roles for the GPCT, will be making his first appearance in a leading serious part—the role of Queeg played on Broadway by Lloyd Nolan and in the movies by the late Humphrey Bogart.

In his first scene, Bertel must give an impression of coolness and assurance that contradicts his subordinate's contention that he is a psy-

chopathic case. Later, trapped by the insidious defense attorney, he reveals himself. Fear, desperation and panic reduce him to a mental collapse on the witness stand. Despite all other evidence, Capt. Queeg himself proves the mutiny was justified.

Co-starred with Bertel in the GPCT all-male cast is Richard Bauhof, 744 Rivard, who also appeared in "The Front Page" last season. Bauhof will portray Lt. Greenwald, the reluctant defense attorney who is defending the man who took away command of the vessel on the high seas.

Bauhof has the role filled by Henry Fonda and Barry Sullivan when the play began its successful yearlong run in New York in 1954 and by Jose Ferrer in the movie version.

The play is not indictment of the U.S. Navy, although it shows that Naval reverence for discipline backs Capt.

Church Forum to Hear Hart

Lieutenant Governor Philip A. Hart, Democratic Candidate for U.S. Senator in the November 4 election, will address the Adult Forum of the

Grosse Pointe Unitarian Church on Sunday evening October 5 at 8:30 o'clock.

He will speak on "Issues in the 58 Campaign" and a question period will follow the discussion. The meeting will be held in the chapel hall of the church, and the public is cordially invited to attend.

This meeting is one of two planned by the Adult Forum as a community service, to enable the public to hear outstanding representatives of both major parties discussing the issues in the forthcoming election.

On October 26 at 8:30 p.m., the speaker will be Senator Charles Potter, candidate for re-election on the Republican ticket.

In addition to the major roles, others in the all-male cast include Jean Mezeritz, Donal L. White and C. Henry Haberkorn, III.

Three-fourths of a million patient medical records are kept at University Hospital, Ann Arbor. More than 1,000 are added daily.

From Another Pointe of View

Khrushchev may be the next top Russian to go, says Boris Morros, the Russian emigre who for ten years acted as a counter-spy for the FBI. Mr. Morros will tell an enthralled audience all about the Soviet high brass when he appears here October 2 as the first speaker in this season's Celebrity Series.

The lecture series, which is held at the Esquire Theater, is sponsored by the Bon Secours Hospital Assistance League. Luncheon usually follows the talk for most of the audience at Al Green's. Mrs. Alfred Massnick is this year's chairman.

Quite a group will be gathering to hear the cloak and dagger story by the Russian who has been familiar with Czar Nicholas and Rasputin as well as Malenkov and Molotov.

Miss Jane Doughty is giving a luncheon at the Grosse Pointe Yacht Club following the lecture for Mrs. William C. Roney, Miss Dorothy Meyer, Mrs. Ray Danaher, Mrs. Joseph L. Hickey, Mrs. Thomas Nestor, Mrs. H. Raymond Bacon, Mrs. Matthew Millenbach, Miss Ethel Welch and Miss Mildred Feely.

Another luncheon on hostess will be Mrs. Victor DeBaeke who has asked Mrs. Joseph Lenahan, Mrs. George Gardella and Mrs. Michael Chagot to join her. Mrs. R. C. Connelly will also be a luncheon hostess.

Drama Festival

There's more drama news from the Players Fall Festival. The cast has been chosen for "Jane," the Somerset Maugham comedy to be given October 23, 24, and 25 at the Players' Playhouse under the auspices of Fine Arts, Theater Arts and The Players.

Among the Pointers in the cast are Mrs. Lillian Hicks, Mrs. William H. Hoey, Mrs. Milton W. Volkens, Harold H. Emmons, Jr., John N. Wilson, and Mrs. Robert L. Megowen.

Mr. and Mrs. J. Leslie Berry are general chairmen for the production. The Lewis Leisingers are in charge of tickets. Proceeds from this drama festival are used for stage and lighting equipment and major improvements at the Playhouse.

Merry-Go-Rounders

This Saturday night a unique group will don black tie and dinner gown for an annual kick-off dance at Lochmoor.

Ten years ago about 50 married couples banded together to form the Merry-Go-Rounders, the sole purpose to dine and dance together at various clubs.

There will be a football theme to this Saturday's dance, the revelers entering the club through flower entwined goal posts. College banners will decorate the dining room.

Some of the Merry-Go-Rounders are the Richard W. Tuckers, the Hugh T. Carneys, the Francis W. Seylers, the Alfred W. Cytackis, the John J. Dyles and the George W. Van Lokerens.

In January there will be an anniversary party in the Hillcrest Country Club to mark the Merry-Go-Rounders founding.

Another Anniversary

Another anniversary was celebrated in Parkersburg, West Va., last week. Mrs. Raymond Berry of Lakeview court, traveled to her old home town to help her mother.

Club at Center Holding Dance

This Friday evening, October 3, at 9 o'clock, the young single adult group at the Grosse Pointe War Memorial Center is holding the opening dance of the season welcoming all the new teachers and young business and professional people who are making their homes in the Pointe area.

Some 300 invitations have been mailed out by the committee to past members and a host of new names. The committee knows that there are many young men and women whose names have not been given the Center.

They hope that they will consider this article a warm invitation to attend the affair and get their names on the list. All are urged to come, get acquainted, enjoy dancing to Bill Kniceley's orchestra, partake of refreshments and if they choose enter the Hula Hoop contest for which prizes will be given.

New officers have been elected for the Center Club but Dick Gale remains its popular president. The new vice-president is Jean Marshall, who will be in charge of programming and decorations. The secretary's job is always tough so it was divided in two. Joan Lingeman and Betty Poupore will act as co-secretaries. Paul Benko will keep the lid on the money box as treasurer.

Already the group has chartered a bus for the Michigan-Minnesota football game on October 25 and many more good time functions are on the planning board.

Starting Class To Help Blind

Again this year beginning Thursday, October 16, at 10 a.m., the American Red Cross Braille Transcription Course will be offered at the Grosse Pointe War Memorial Center.

As in the past, Miss Ella McLennan, who is herself blind, will be the instructor. The course continues for 25 Thursdays. There is no charge except for materials—a text, slate, stylus and paper. Those who successfully complete the course receive a certificate from the Library of Congress entitling them to transcribe the many reading materials needed by the blind.

The course is for sighted persons only who are interested in learning to transcribe by hand into Braille for the blind. Braille typewriters are very expensive and there is a constant backlog of text book materials, instructions, and other reading which the Red Cross and other organizations stand in need of getting translated.

The class does involve a certain amount of home work in addition to the hour spent each week at the Center. It is, however, rewarding labor and the class, limited to 25 members, is usually full. Advance enrollment will be appreciated.

ALL FOR ONE

The man with the poorest outlook on life is the one who is always on the lookout for himself.

Vincent Price To Talk on Art

Vincent Price, stage-screen star and expert on art, will open Detroit Town Hall's 30th season Wednesday, October 8, when he appears at 11 a.m. in Ford Auditorium. His subject will be "Appreciation of Great Art."

Price is a trustee of the archives of American Art, a national organization which fosters restoration of early art materials and has its headquarters in Detroit. His extraordinary knowledge of the art field first came to public attention with his appearances on the \$64,000 Question, contesting against jockey Billy Pearson; and again on the \$64,000 Challenge where he vied against Edward G. Robinson.

He is well-known for his television plays and appearances in the movies "Song of Bernadette" and "The House of Wax." His latest movie is "The Fly."

Reservations for the luncheon must be made in the Town Hall office by Friday, Oct. 3. Lecture tickets may be purchased at Grinnell's WO 2-1124, or at the auditorium Wednesday.

Lochmoor Plans Luncheon Party

The final ladies bridge luncheon of the season at Lochmoor Club will be held Wednesday, October 8 at 12:30 o'clock.

Hostesses Mrs. Jay W. Smith and Mrs. Robert Kemp have appropriately dubbed the party, "A Harvest of Fall Fashions."

The orange and black invitations were a clue to the Halloween motif around which they have planned the decorations.

Huge stacks of cornstalks will be nestled in the corners of the club rooms and pumpkins, heaped high, are to be used in abundance. Scarecrows dressed in the outmoded sacks (undoubtedly of burlap) will be posed amid the autumn settings.

The individual luncheon tables will have as a center-

piece a golden pumpkin settled on a bed of brilliantly colored leaves, and hidden inside each one will be the table prize.

Reservations for the closing party have been made by Mrs. Paul Keller, Jr.; Mrs. William Siebert; Mrs. Sidney Harvey; Mrs. W. Tom Zur Schmiede, Sr.; Mrs. Joseph Giroux; Mrs. E. E. Wilson; Mrs. Karl Schaltenbrand; Mrs. Thomas Gallagher; Mrs. J. H. Ryall; Mrs. Clarence Bessert; Mrs. David Helm, Jr. and Mrs. D. M. Nelson.

Dr. and Mrs. Fritz Mark His Birthday at GPYC

Dr. and Mrs. George E. Fritz of Lochmoor boulevard were hosts at a Sunday buffet brunch at Grosse Pointe Yacht Club to entertain the pathologists of the Detroit area and their wives. Secondary reason for the fete was the celebration of Dr. Fritz' birthday anniversary.

Autumn blooms decorated the long buffet table in the club's grand ballroom where the party for 50 guests took place. For the occasion, Mrs. Fritz chose a dress of beige soft wool trimmed at neck and bodice front with satin binding, and a small, gold-colored felt hat.

Out of town guests were Dr. and Mrs. James French of Ann Arbor.

First Program November 6 at Country Club Will Star Pianist Thomas Brockman and Be In Memory Of the Late Mrs. Henry B. Joy

On Thursday morning, November 6, at 11 o'clock a treat is in store for these ladies who were fortunate enough to receive invitations to the opening recital of the Grosse Pointe Morning Musicales to be held at the Country Club.

The brilliant pianist Thomas Brockman returns for a second time to play before this group. Mr. Brockman is widely acclaimed as one of the outstanding pianists of the younger generation, both in United States and in Europe.

The program will be in memory of the late Mrs. Henry Bourne Joy, one of the great ladies of Detroit who was a founder member of the Musicales. The recitals were events to which she looked forward eagerly and she was always in evidence at the door taking tickets and greeting her many friends.

The Musicales were founded in 1945 when gasoline was still being rationed and it was decided to bring music to Grosse Pointe to save driving into the city. The Musicales and the delightful luncheon that follows enjoyed an immediate popularity.

There is no public sale of tickets. Membership is by invitation of the board of directors.

tors whose present members are: Mrs. Ferdinand Cinelli, Mrs. Charles A. Dean, Jr., Mrs. Ward A. Detwiler, Mrs. Frederick S. Ford, Mrs. Daniel W. Goodenough, Mrs. Richard P. Joy, Mrs. V. Everett Kinsey and Mrs. James A. Lafer.

Miss Margaret Mannebach, Mrs. Jerome H. Remick, Mrs. Jerome H. Remick, Jr., Mrs. Allan Shelden, Mrs. Richard K. Simonds, Miss Christine Symington, Mrs. Burt Eddy Taylor, Mrs. Henry P. Williams, and Mrs. Richard E. Williams are others.

The second recital will be on Thursday, December 4, with Mae Morgan, one of America's favorite concert and radio singers, as soloist.

The third and last recital of the series will be on Thursday, January 15, 1959 and the internationally famous violinist, Carroll Glenn, will be soloist.

Huegli Named UCS Director

Richard F. Huegli was appointed Managing Director of United Community Services of Metropolitan Detroit by unanimous action at a meeting Thursday, September 25 of the organization's board of directors, it was announced by Harold W. H. Burrows, UCS president.

The appointment assigns the 43-year-old administrator to the top post of United Community Services, the organization which annually budgets Torch Drive dollars to 123 community agencies and which conducts health and welfare planning for the total metropolitan area.

On the United Community Services staff since 1940, Mr. Huegli has held various positions in social welfare campaigning as well as planning. In the spring of 1948, he was on loan from the Community Chest and Council of Social Agencies (the forerunner of United Community Services) to direct the Grosse Pointe War Memorial Campaign.

Included among his many assignments has been the directorship of the Metropolitan Unit of the War Chest from 1946 to 1950. In 1951, he was appointed assistant director of the newly-created United Community Services and was placed in charge of Area Planning Operations. He had been serving as acting director of UCS ever since the post was vacated in August, 1957.

His educational background includes a Bachelor of Divinity degrees from Concordia Seminary in St. Louis and a Master's of Social Work degree from Wayne State University. Given a Voelker Scholarship at Wayne State

University in 1947, he also completed a Master's degree in Public Administration. He is a board director of

Swimmers at the City park this summer, and boat owners cruising off-shore, have often watched the glistening white boat house nestled in the greenery between the park and the long pier where the Dodge's "Delphine" is moored.

This boat house once belonged to a great Pointe mansion, since torn down. The original owner was William H. DuCharme, son of a pioneer Detroit industrialist of French stock. The DuCharmes have been connected with the City's social and economic growth since our state entered the Union in 1837.

Founder of the family was a Quebec farm boy, Charles DuCharme, who ran away at 15 to become a hardware store clerk in Montreal. The year that Michigan became a state he migrated to Jonesville, still a hardware clerk. He left that small hamlet because of his bad health, he was suffering from "fever and ague," so prevalent then.

Mr. DuCharme formed a partnership here with A. M. Bartholomew in 1849 and later married his daughter. In 1855 Christian Buhl, (another well known Pointe name), bought out the Bartholomew interests in this heavy hardware business and the firm was known as Buhl and DuCharme.

Two years before his death Mr. DuCharme helped organize the Michigan Stove Company. A giant memento of those first stove stands at the entrance of Belle Isle today.

His son, William H., was the one to move to the Pointe and build the huge mansion at the foot of Rivard boulevard.

William H. DuCharme was born the year after Appomattox and followed his father's industrial lead. From the hardware firm he branched out into the growing automobile business. In 1909 he was one of the organizers of the Kelsey Wheel Company. A great athlete, he was a member of the Detroit Athletic Club's famous baseball nine which won the amateur national championship in the early 90's.

The DuCharme estate sold the big white mansion to another great automobile man, Fred M. Zeder. At his death the house was partially torn down. The boat house and the garage remain. For some time the Walter Scotten's owned the property. Today's records show that the large parcel of land, with the remains of the demolished mansion, where Detroit and Pointe society once gathered, is owned by the Dearborn Machinery Movers Company. What they will do with this valuable property is still a mystery!

who, where and whatnot

by whoozit

This is the exuberant season for football fans who go to great lengths to support the team of their choice. Last week Woodland place boomed with the screams of five excited young sub debs. A nurse in a home on the secluded street became alarmed by their shouts, thought they were in trouble and phoned the police. Two of the City's three squad cars were dispatched to the scene. Tina Gramm, Penny Langston, Tina McPherson, Marci McDonald and Martha Bicknell, were shouting themselves hoarse and the neighbors into a panic practicing GPUS cheers for the football field.

Mr. and Mrs. Edward Askin Skae created quite a stir when they arrived on the hill Saturday for some shopping. They drove up in their vintage open touring Packard, the white body of the car gleaming and the brass carriage lamp, outside steering gear, the brown tufted leather upholstery attracting a stream of antique car fanciers to the curb where it was parked.

Buffet dinner hostesses may like this tip from Mrs. William Hibbard. She has discovered a great dish for entertaining, a long roll of Canadian bacon, baked like the ubiquitous ham, and much easier to carve.

Marty Slowin, of our local travel agency, has just returned from a month's vacation in Hawaii where her traveling companions were Tennessee Ernie Ford and his family. Other Hollywood personalities whose travels receive the local agency's personal touch are Jeff Hunter, Barbara Rush, and the much reported Debbie Reynolds, who will probably be traveling very soon now.

In this week's issue of Look is a striking picture of Barbara Marco, daughter of the Paul Marcos, of Oxford road, English major at the U of M. Blond Barbara was selected as one of the Mid-West's most attractive and intelligent co-eds in a series called "Beauty in the Mid-West".

Mrs. J. C. Crawford Frost, who has been working on the Country Kitchen counter for the Christ Church Christmas Fair has quite a tale to tell about Mrs. Charles Crouse's famous fudge roll, which will be one of the delectable items offered. It seems Mrs. C. made the concoction this summer and not having room in her icebox for the goodie sent it on a progressive route. The fudge roll lodged for a while in Mrs. Mark Stevens' ice box and then traveled to Mrs. John Mulford's refrigerator to keep chilled. We believe Mrs. C. has it back again now.

PILFERINGS

In the process of maneuvering through the crowded aisles at the famous Bergdorf Goodman's, a salesgirl and a customer had a minor collision. "Pardonnez-moi, mademoiselle" she promptly gushed, her accent irreproachable.

And that was that—except that as the customer left the store she overheard the same salesgirl say to another: "So, where we goin' fer dinner tonight, huh?"

A mother who wanted to help her ten-year-old with her reading was told flatly by the girl's teacher: "You'll retard her progress if you teach her yourself."

"Perhaps," replied the mother. "But will it be all right for me to read her diploma to her when she graduates?"

Two small girls brought home a box full of dirt the other day and warned their mother to be very careful of it. "All right, she promised. "But, tell me, why is it so special?"

"Instant Mud Pies," they answered.

Pointer of Interest

MRS. LOUIS P. GEPFORD, OF WESTCHESTER ROAD

by Patricia Talbot

—Picture by Fred Runnels

Mrs. Louis P. Gepford loves to go to the hospital. Every Thursday morning she reports to Cottage Hospital as a volunteer dedicated to making the patients' lives more pleasant.

In a pinafore, with her chevron showing more than 500 hours on duty, she bustles about arranging flowers, changing drinking water, delivering mail, bringing meal trays and doing all the countless tasks which release the professional help for actual nursing.

Mrs. Gepford modestly says that her work takes feet power, not brain power, and she enjoys it. She is thrilled at being part of the exciting institutional life and is devoted to the hospital.

Former Social Worker

Ever since the Gepfords and their son moved here from Grand Rapids she has been faithful at her volunteer job. After graduation from college she did social case work for nine years, then many hours as a Grey Lady. Hospital work is more inspiring than family case work, she finds, as the latter is apt to be very discouraging.

The Volunteer Group at Cottage Hospital was the first of the Woman's Auxiliary Guilds to be formed.

In the six years since the Auxiliary has begun, a Bookcart, Sunshine and Gift Shop Guild have been initiated. The members of these guilds, with the volunteers, make up the Auxiliary which will hold its annual donation tea October 10 in the Provencal road home of Mrs. Arthur H. Buhl, Jr.

Must Be Dependable

Mrs. Gepford finds hospital work inspiring but she warns those applying for the first time to remember that you must be faithful. The hospital depends on the five workers each morning and afternoon to do the routine chores assigned to them. If a sick child, an appointment, a party interferes, the volunteer who can't be depended upon gives the hospital personnel an extra load.

With her son busy at the High School all day, Mrs. G. finds times for many interests besides the hospital. In this she is typical of the busy woman who always has leisure to efficiently assume another chore. She is province president of her sorority, Alpha Chi Omega, which involves liaison work between the campus chapters and national headquarters.

Sorority Guide

She tours the four Michigan chapters at U. of M., MSU, Albion and Western Michigan

and is in constant contact with the girls. She made the trip to California last summer for the national convention and will help with the installation of a new chapter at Central Michigan College this year.

She likes to actively participate in her leisure jobs. No office work for her. She is among the kitchen corps at Memorial Church, another job that takes a lot of foot work, and recently she has joined the Windmill Pointe Garden Club and the American Asso-

ciation of University Women.

Mr. Gepford and their son, Stephen, are adept at cooking a meal and ignoring a little dust in the charming pale green Provincial home in Westchester road. They are proud of Mrs. Gepford's many responsible activities, her wide range of community services.

Mrs. Gepford has filled more volunteer hours than any worker at Cottage Hospital and is proud of the help she has been able to give to the ill and convalescent. Without women like her, the hospital would have difficulty providing the many services so indispensable today to a successful hospital visit by the patient.

Library Lists Available Films

The following 16 mm sound films will be available from the Grosse Pointe Public Library until November 7, 1958. Patrons are invited to reserve the films for showing to organizations, clubs and church groups, etc. Further information concerning these and other films which will be available in succeeding months may be obtained by calling the Film Counselor, Central Library, TUxedo 4-2200.

BEETHOVEN AND HIS MUSIC (12 min.)—This film depicts the relationship between Beethoven's environment and his responses to it in music. Effects of the great social upheavals of the late eighteenth century and the composer's unusual strength and genius are shown.

BY LAND WE LIVE (27 min., color)—This film depicts Michigan's land-use problems, including wind and water erosion, soil fertility, and crop rotations, and suggests methods of correction. The relationship of industrial and community life to the land is shown.

EGYPT AND THE NILE (16 min., color) — Presents a vivid picture of the Nile region from Aswan to the port of Alexandria. Shows the dam at Aswan and lesser barrage dams downstream which have changed the outlook of Egyptian agriculture. Also shown are modern Cairo across from the pyramids and the Sphinx of Giza, and the Suez Canal.

THE FACE OF LINCOLN (22 min.)—Professor Gage begins with an egg-shaped mass of clay which comes as near to life as the hand and voice of the sculptor can achieve. He begins with Lincoln as a young man in Illinois, and ages the face as he tells anecdotes of Lincoln's life. Ends with Lin-

coln as he appeared four days before his assassination.

REPORT ON PUERTO RICO (14 min.)—A timely and factual first-hand report on the Commonwealth of Puerto Rico, discussing the economy, health, education, and welfare of its people.

SKI HOLIDAY (11 min., color)—Snowtime is ski-time, and where better than the National Parks in the Canadian Rockies? Scenes of a ski party taking time out for lunch 8,200 feet above sea level, or of snow plunging from their heels on a downhill run, are only a small part of a film with the beauty and spirit of skiing in the great mountains.

THURSDAY'S CHILDREN (22 min.)—An exceptional film on English methods used to teach young deaf children to read lips and to speak. Devices used to help create concepts of words and later concepts of sounds are shown. Progress over a period of time in comprehension, performance of speech sounds, and social development of the youngsters is reported.

Movie Contest Results Revealed

Winners of the annual movie contest held last week by the Grosse Pointe Cinema League were Humberto Puchou with "The Strategist" in the 16mm division, and Mr. and Mrs. Floyd Dargell in the 8mm section with "Seeing America First."

Mr. Puchou's "Strategist," which will be entered in international competition, is a humorous burlesque of an overly serious suburbanite's determination to have a superior lawn. This is one of the first complete story type movies to be presented by a League member.

The Dargells' movie deals with a Western motor trip with action taking place principally around the cliff dwellings in Mesa Verde National Park in southwestern Colorado. Mr. and Mrs. Dargell were also winners of the 1957 8mm contest.
