of the WEEK

Thursday, October 2
CHRYSLER CORP. and the United Auto Workers settled most of their differences Wednesday with a three-year contract based on the economic features of last month's Ford Motor Co. settlement.

The agreement has two new features expected to increase stability for both the company and the employees. They are, an area-wide, plant-wide seniority system for rehiring laid off employees and a stronger no-strike clause to limit the wildcat strikes which plagued Chrysler during the three years of the previous contract.

Friday, October 3
GENERAL MOTORS CORP. settled its contract with the United Auto Workers at 9:55 p.m. Thursday, a few minutes less than 12 hours after 300,000 workers struck GM plants throughout the country.

The new three-year contract was announced by Louis G. Seaton, GM vice president-personnel, after a 36-hour bargaining session, the last 7½ hours of which were continuous.

Saturday, October 4
DETROIT POLICE FRIDAY night smashed a million-dollar-a-year numbers ring, described as a key link in the nationwide Mafia crime and gambling syndicate.

Climaxing a five-month investigation, six crews of Detroit Vice Squad officers, joined by St. Clair Shores police, began a series of raids shortly after 4 p.m.

The first five raids yielded 13 suspects, eight autos, \$600, several thousand bet slips, adding machines and other supplies.

Sunday, October 5
PRESIDENT EISENHOWER showing flashes of anger, struck back hard Saturday at Democratic critics of his Quemy policy. He warned that their criticism might "embolden our enemies and make war almost inevitable."

Mr. Eisenhower said any American action against Communist attack would have "the approval of our allies." He reminded the public that, under the Formosa resolution of Jan. 29, 1955, Congress had authorized him to decide whether the defense of Quemy and Matsuy by American forces is necessary to the defense of Formosa and the Pescadores.

Monday, October 6
RED CHINA Sunday announced a seven-day ceasefire in Formosa Strait on the condition that American ships would not escort Nationalist supply vessels to Quemy.

Early Monday, a huge Nationalist convoy arrived at Quemy—escorted by American ships. There was no report of any opposition to the supply landing.

In Washington, State Department officials said they are pleased with the cease-fire order. But Nationalist China reacted with deep distrust. An official of Cabinet rank said: "This is a propaganda stunt. It amounts to an admission of Communist failure to blockade Quemy effectively."

Tuesday, October 7
POPE PIUS XII was believed to be rallying early Tuesday from his second grave illness in four years. The last official word was encouraging, as millions over the world were praying for his recovery.

The 82-year-old leader of the Roman Catholic Church suffered a stroke early Monday. He lapsed into a coma, then rallied and was "appreciably improved" by nightfall.

The Pontiff had been suffering several days from gastritis and hiccups, but had been reported improved from those ailments.

Wednesday, October 8
THE UAW TUESDAY served 10-day notice that it intended to cancel its contract with American Motors as negotiations resumed at Veterans Memorial after a four-month recess. The notice came as a new offer for the 10,000 employee members of the UAW.

Mysterious Stains Mar Sidewalks in 'The Village'

The sidewalks in the Kercheval and Notre Dame area recently have become stained by a mysterious substance. City Clerk Norbert Neff became aware of the condition of the sidewalks, when he received a letter from a Pointer who is proud of the Pointe's

cleanliness and wants to keep it that way. Steps are now being taken to discover what causes the stains and corrective measures will be taken with the cooperation of the store owners in the Village at that intersection.

Farms Police Winners of News Trophy

Officers of All Five Pointes Compete in Annual Metropolitan Club Pistol Shoot

Inclement weather failed to dampen the competitive spirit of the Pointe pistol experts when they gathered for the annual Metropolitan Club Shoot last Tuesday, September 30.

The police officers were originally to meet in Mt. Clemens where there is an excellent outdoor target range, but rain and heavy winds forced them to abandon the area and use the local Neighborhood Club's indoor range.

Five Teams Entered

Teams from all five of the Pointe police squads competed for the trophy awarded annually by the Grosse Pointe News. The City of Grosse Pointe Farms won the trophy for 1958, with a total of 1,122 points. Following, in success:

104 Tardy Voters Enrolled in City

Grosse Pointe City Clerk Norbert P. Neff, reported to the NEWS office that on Monday, October 6, the last day available for voting registration, the City office registered 104 new voters — many of whom have lived in the city for two and three years, but due to apathy, have heretofore abstained from using their right to vote. The office also recorded many changes of address.

Public Hearing on Merger Dominated by Councilmen

A "Public Hearing" on the proposed Pointe consolidation was held in the Farms Council chambers on Wednesday evening, October 1.

The meeting, scheduled to commence at 8 p.m., was attended by a dozen Grosse Pointe Farms residents, ostensibly interested in exchanging views and questions with the Council and one another. After forty-five minutes of the Council's probing the report of the Citizens Research Council, in a critical fashion, a restless resident rose to his feet and bluntly asked the City fathers: "Are we permitted to express our opinions?"

Thus it was that the public hearing got under way, about 8:45 p.m. Following a free exchange of questions and an-

Pointe Symphony Orchestra To Present Opening Concert At Parcels on October 19

Henry Nosco Will Conduct and Alice Lungershausen and Maria Roumell Will Be Solists at Sunday Afternoon Event

With rehearsals for its 1958-59 concert series under way since the beginning of September, the Grosse Pointe Symphony Orchestra, under conductor Henri Nosco, will present its opening concert Sunday, October 19, at 3:30 o'clock in the auditorium of the Parcels Junior High School, Mack at Eight Mile.

Gathered together to produce beautiful symphonic music and to give the residents of Grosse Pointe the opportunity of hearing symphonic and orchestra music in their own community, the Grosse Pointe Symphony Orchestra came into existence in the fall of 1953. Through the years the orchestra developed into truly a fine group of non-professional members — bankers, doctors, salesmen, housewives, attorneys, teachers, and students.

Has Rich Background

Henri Nosco, the Symphony's regular season conductor, was born in Paris, France, and was a protégé of Camille Saint-Saens. He has a rich background of experience as both violinist and conductor with the New York Philharmonic, the N.E.C. Symphony, and the Detroit Symphony.

For their first program October 19, the orchestra will perform: Bach: Brandenburg Concerto No. 5 for Harpsichord; Beethoven: Symphony No. 2 in D; Saint-Saens: Bachanale from "Samson and Delilah"; Massenet: Air Salome de Herodias; Gounod: Waltz Aria from "Romeo and Juliet"; Wagner: "Flying Dutchman" Overture.

The guest artists that day, Alice Lungershausen, harpsichordist, and Maria Roumell, soprano, are residents of Grosse Pointe. Each one is very well known in Detroit musical circles for having given so generously of her time and talents in service through music.

Alice Lungershausen, a graduate of the University of Michigan School of Music, is well known in the Midwest for her many impressive harpsichord recitals and her appearances with the Philadelphia Women's Symphony, and the Toledo Symphony, Detroit Orchestra in Ann Arbor, the Chamber Music Society of Detroit.

Maria Roumell has a rich background of musical experiences including a performance for the King and Queen of Greece, guest soloist with the Detroit Symphony Orchestra, leading role in performances of the Michigan Opera Company.

19th Annual Community Parties Set

Three Junior High Schools To Be Scenes of Halloween Celebrations October 31

Friday night, October 31, is the big night of the 19th annual Grosse Pointe Community Halloween parties for all young people of the community.

Adults from various civic organizations met at the Neighborhood Club recently to plan the biggest and best parties ever. The officers of the Halloween Committee elected for this year were: Forrest Geary, chairman; Park Police Chief Arthur E. Lowers, vice-chairman; Mrs. E. G. Poxon, secretary; Arthur Danneker, treasurer.

Double Trouble Besets Driver

George D. Clapp, 58, of 3610 Lakepointe, Detroit, was arrested on two counts of traffic violation by Park police on Saturday, October 4, and was released after posting a \$100 bond to guarantee a court appearance.

Clapp was ticketed for violation of the State Drunk Motor Law and for backing up without due care and caution and causing an accident.

Motorcycle Officer Charles Carroll, while cruising west on Mack avenue, observed Clapp going east on Mack and driving in an erratic manner, and stopped the driver at Beaconsfield.

While the officer was writing out a ticket, he heard a police broadcast for the apprehension of a hit and run driver. The description fit Clapp and the car he was driving.

At the station, it was reported that Clapp, whose driving was impaired by the influence of alcohol, according to police, was involved in an accident in front of 15039 Mack.

It was charged that while backing up, Clapp ran into a parked car belonging to Silvest J. Brinck of 15034 Mack, damaging the front and rear bumpers of the parked vehicle.

Following the mishap, Clapp left the scene, weaving from side to side on the avenue, until he was stopped by Carroll. Court date is scheduled for November 5.

Woods Solons Bow To Will of Voters In City Hall Fight

Following Receipt of Petition Ordinance is Passed Making Action by Council Dependent on Ballots. Cast on November 4

The Woods council on Monday, September 6, bowed to the will of the people and adopted an ordinance making it mandatory to place the new municipal hall issue on the ballot for a vote by the people at the November 4 election.

The adoption of the measure makes it law, binding the council, if the people reject an expenditure of \$200,000 of \$308,000 in the Municipal Improvement Fund, which the city officials hoped to spend for two wings of a proposed new building.

Following this action, it was pointed out that all qualified registered voters, not just taxpayers, have the right to a vote for rejection or approval of the expenditure.

Resolution Rescinded

The council then approved the rescinding of a resolution, passed on August 18, which would put the matter before the people as merely an advisory vote, which would not be binding on the council, even if a majority of the electors turned down the city hall.

A group of citizens took up arms following a council meeting on September 15, in which the members of the council attempted to pass a resolution to rescind the August 18 resolution, so that steps could be taken immediately for the construction of the new city hall.

This step was blocked by two councilmen and several irate citizens in the audience, who protested the method used in trying to pass the rescinding resolution, which was offered by Councilman Tom Bowling.

Bowling was absent from the city, and his resolution was offered in his behalf by Councilman Rex Johnston. This was promptly protested by Councilmen Harry Pratt and Kenneth McLeod, both of whom stated that the matter was too important to discuss in the absence of Bowling and another councilman, James Hunt.

Calls Special Meeting

After hearing a group of citizens, Mayor Kenneth Kopin called for a special meeting on Wednesday, October 1, for a further discussion of the matter.

On Monday, September 29, a 69-page petition bearing 1,470 signatures was filed with the city clerk, demanding that the council pass an ordinance making it mandatory that the matter be left to the people in November.

This petition was not only taken up in an attempt to force the council to pass the ordinance, but to also counter a 370-name petition signed by citizens who favored immediate construction of the city edifice.

At the October 1 meeting, after much hedging around when the petition for the ordinance was introduced, the council was informed by the city attorney that it could

Inoculations Administered To Thousands

One More in Present Series To Be Held at Parcels Junior High, Oct. 15

The clinics which were established in the Grosse Pointe-Harper Woods Health District for the purpose of giving mass inoculations of Salk vaccine for the prevention of polio, have been doing a land-office business.

Dr. Thomas S. Davies, health commissioner, reports that at the clinic at Pierce Junior High School on the evening of September 30, more than 1,800 shots were given in the two and a half-hour period from 6 to 8:30 p.m. Some of those who appeared late had to be turned away as a shortage of needles developed.

That same night between 1,500 and 1,600 were given shots at the Harper Woods Junior High School.

2,000 at Brownell

On Thursday, October 2, also between 6 and 8:30, some 2,000 were given inoculations at the clinic held in the new Brownell Junior High School.

The crash program really assumed mass proportions on Saturday, October 4, when a clinic was maintained from 11 a.m. to 8:30 a.m. at Eastland. More than 17,000 were given shots, according to Dr. Davies.

The health commissioner expressed appreciation for the help given by Bon Secours and St. John Hospitals, whose autoclaves were kept busy sterilizing needles to keep the clinics going. The inoculation gun which uses compressed air to shoot the serum was in constant use all day.

Appreciation was also expressed for the services of eight internes from Bon Secours Hospital, who volunteered their services in assisting with the shots.

No Fault of Schools

Dr. Davies said the schools had received a few complaints from those who had to be turned away from Pierce Junior High at the opening clinic. He says the schools could not be blamed as they had nothing to do with the clinics other than furnishing the buildings.

Two more clinics will be held, one at Tyrone School, 19525 Tyrone, Harper Woods; and the other at Parcels Junior High School, Mack and Vernier, on October 14 and October 15, respectively, from 6 p.m. to 8:30 p.m., both days.

While thousands of persons lined up at clinics throughout Wayne County, as the emergency vaccination got under way, every day saw new cases of polio being admitted to the hospitals.

Donald W. Martin, administrator of the Wayne County Chapter of the March of Dimes, which supplied 100,000 shots of the vaccine and provided \$5,500 to purchase needles and syringes to get the program started, said the results of the first week were gratifying.

To Buy Mox Vaccine

"The money taken in at the clinics will be used to buy more vaccine," Barton explained. "It is our hope that everyone who possibly can afford it, will pay the \$1 that is being asked. What is happening in the Detroit area could happen again next year, unless everyone gets protected. For every case in the hospital, virologists say that 100 'carriers' are walking around spreading the highly contagious polio. With great numbers paralyzed, there will be long term cases the March of Dimes will be caring for three or four years from now."

There are eight cases of polio reported in the Pointe so far this season. Since September 25, the date the last case was reported, no new cases have been disclosed, Dr. Davies said.

As of October 3, polio cases in Wayne County reached 683, with 16 deaths, as compared with 233 on the same date last year, when three deaths were reported.

David Meyer of 21564 Prestwick, told Woods police on Wednesday, October 1, that four hubcaps, valued at a total of \$60, were taken from his car

Park Police Seek Driver In Accident

Woman Hits Six-year-old Boy and Leaves Scene Without Identifying Self

Park authorities are looking for a woman driver who hit a six-year-old St. Ambrose School student on Friday, October 3, knocking the child to the pavement, and after following the boy to his home, left without identifying herself.

The student, Lawrence Kohl, son of the James T. Kohls of 1337 Wayburn, was taken to Bon Secours Hospital by his father, when he complained of difficulty in breathing. He also suffered a bruised left cheek and a sore hip. X-rays at the hospital showed no serious injuries.

Showed Concern

Park Police Chief Arthur Lowers said that the woman must have been concerned about the boy after hitting him, since she followed the lad to his home, after he ran to his house.

"This indicated that she did not intend to leave the scene," the chief said, "but no matter how concerned she was, the woman should have stopped and identified herself, or reported the accident to authorities. We hope when she reads this account she will come forward, so that a report of the case can be completed."

The chief said that the woman was driving a 1955 Chevrolet, the lower half of which was painted yellow, and the top white. The woman is believed to be elderly. That is all the information police have, the chief added.

Gerich to Attend School Workshop

Jerry J. Gerich, principal of Grosse Pointe High School, will attend a North Central Association workshop next week, Monday, October 13, to consider revisions of policies, regulations, and criteria for the approval of high schools.

The workshop will be held in the Horace Rackham building on the University of Michigan campus.

Pointe School Graduates Win Honors at Michigan

The University of Michigan has notified school officials that five freshman students who were educated in the Grosse Pointe Public Schools have been selected as participants in their Honors program.

June 1958 graduates of Grosse Pointe High School, Richard P. Chester of Washington road, Grosse Pointe, Karen Hancock of Colonial court, Nancy Nagelkirk of Lothrop road, and Stephen H. Vander Voort of University place are the students now enrolled in the University of Michigan's College of Literature, Science, and the Arts new program.

Designed for superior students it will give them additional educational experience within the usual requirements for a degree and an exceptional amount of freedom in planning their courses of study.

The Honors program was first begun in the fall of 1957 for approximately the top twelfth of the freshman class. This fall only 7 percent of the freshman class was selected, which reflects great credit upon the ability of the students involved as well as upon their schools and teachers. The students were chosen on the basis of high school records, test scores, and other such data. Most of those picked were in the top 2 percent of their graduating class.

The program is new in the sense that it is now possible for a superior student to take

adopt such an ordinance immediately, or put it before the people as a referendum vote on November 4.

His No Longer

Councilman Bowling offered to withdraw the September 15 motion made by Councilman Johnston, but was informed that the motion and resolution were no longer his, but his colleagues since it was he who offered it at the meeting.

Johnston was absent from this meeting, so no action could be taken until Monday night, and the matter was tabled until then.

Bowling said that at the August 18 meeting he was absent from the city, so he could not vote on the matter of the advisory ballot, which he said he did not favor.

At the Monday night meeting, the city attorney again said the council could adopt the ordinance at once, or let the people pass on it in November. However, he pointed out, this cannot be done, until the names on the 69-page petition has been completely certified by City Clerk Leona Liddle.

Since the petition was almost finished, Mayor Koppin called for a short recess, to give the city clerk time to complete the check.

A little later, City Clerk Liddle announced that the certification was complete, with the list cut to 1,312 qualified registered voters on the petition, which is more than 10 percent of the 10,070 registered voters in the city.

Ordinance Adopted

The council then adopted the ordinance, which is permitted by the Woods Charter which gives the council the authority to adopt an ordinance, either by a referendum.

The new law, which goes into effect immediately, reads: "It is hereby ordained, that the Council of the City of Grosse Pointe Woods shall obtain approval of the qualified and registered voters of said city prior to building a new municipal building intended to house city offices, court facilities or public safety department."

It was passed by the city attorney that the council is not bound to expend the complete \$200,000, if the people favor the expenditure, but the cost could be up to that amount. He said the fund could be spent for just an administrative wing, or for this and a council-court room wing. The vote will still be by paper ballot.

east in an alley between Alton and Wayburn roads, and ran into Lawrence as he was crossing the sidewalk, knocking the boy to the pavement.

The boy, who was on his way home from St. Ambrose School, picked himself up and ran home, the woman slowly following.

Shortly after, Mr. and Mrs. Kohl arrived home, and then took their son to the hospital, after notifying the police of the incident.

Didn't See Car
Lawrence said he did not see the car coming out of the alley, nor did he see the woman behind the wheel. He said he just got up from the pavement and ran home.

If the woman involved reads this, she should contact police at once. Anyone having information that might be of assistance in clearing up this case, please notify Park authorities, by reporting to the Park Police station, Jefferson and Maryland, or phone the department, VA. 2-7400.

Pointe School Graduates Win Honors

honors courses during the full four-year undergraduate period. Formerly, honors programs and honor courses were open only to selected juniors and seniors. In the present program students will be able to select honors sections in most fields for about two thirds of his course work. For the remainder he will be in the usual classes of the College.

The Grosse Pointe Public School System is always seeking indexes by which it can evaluate the quality of its educational offerings. The record of its students at the University of Michigan is always one of the important criteria used. Strong evidence of the worth of the preparation local students receive is indicated by the high percentages of Grosse Pointe students invited into the Honors program.

The honor point average of all freshman students enrolled there from GPHS the past year for 1957-58 as furnished from information tabulated by the University on 61 students was 1.40 or slightly above C+ on all grades received. This was a fine record by any standard.

A set of data published in the September KAPLINGER MAGAZINE offered yet another reference point for evaluating the local school system. An article therein tabulated the average scores entering Princeton freshmen had made on College Board scholastic aptitude tests in 1957. Inasmuch as three local graduates are enrolled in this fall it is one designed to help them find better ways to teach mathematics.

on the College Board may well be compared.
School officials pointed out that while three students constituted too small a sample for a completely valid comparison, some relationship could be established. The comparative scores follow:

TEST	PRINCE	GROSSE
	TON	POINTE
Aptitude Tests	Ave.	Ave.
Verbal	605	618
Mathematical	654	672
Achievement Tests		
English	615	619

Social Studies	643	649
Physics	589	704
Chemistry	602	520

"These three boys were among our very best students", Superintendent Bushong stated, "but the averages with which theirs are being compared are the composite scores of top students from all over the country. They are largely from the top quarter of their class in both public and private schools."

"Please let it be understood that we are continuing to bear down in our efforts to do an even better job," the Superintendent said. "Let anyone think they detect an air of complacency as these facts are disclosed I hasten to point out the fallacy of such an assumption."

"The test results indicated we enjoyed perhaps our greatest superiority on the mathematics aptitude test," he continued. "Our boys scored a hundred points better on the average. Yet, one of the courses in which some thirty of our mathematics teachers are enrolled to help them find better ways to teach mathematics."

No, no one is coasting or resting on his oars. We know it is from schools like ours that the leaders of the next generation will come. Our students must be prepared for the stiffest tests anyone or anything can offer. I think they will be ready to meet such challenges."

Readers will recall that last

week's issue announced yet another outstanding accomplishment of local students. Only 10,000 students of 479,000 from some 14,000 high schools entering the testing were picked as semi-finalists in the National Merit Scholarship competition. This averages out to less than one per high school. However, Grosse Pointe placed 15 winners in the semifinals, nearly 20 times the normal school's quota.

Between 700 and 800 nurses have already participated in workshops and institutes sponsored by the University of Michigan Extension Service and School of Nursing.

Two Car Radios Reported Stolen

It would seem that a 1954 Ford car radio is either especially valuable or vulnerable, inasmuch as two instances of thefts of such items were reported in the City of Grosse Pointe recently.

Dennis Kopp, of 581 Neff road, reported to police on Saturday, September 27, that sometime between 11 p.m. the evening before, and 3:30 the afternoon of the 27th, the radio was lifted from his '54 Ford.

On Monday, September 29, Margaret Foote, of 555 Neff road, reported her car radio, (she, too, has a 1954 Ford), was missing. It was stolen sometime between Saturday evening, and Monday at 7:55 a.m.

Marshall Noecker, of 109 Wayne State University's Kresge Science Auditorium, has been chosen as one of five speakers at the Young President's Organization Panel Discussion to be held at 9 p.m. Wednesday, October 15 in the Kresge Science Auditorium. The Young President's Organization is made up of men who became corporation presidents before they were 39.

Males in Pointe Theater Show Have Varied Jobs

The all-male cast of "The Caine Mutiny Court Martial," currently in rehearsal for the Grosse Pointe Community Theatre's opening night performance Friday, Oct. 17, at 8:30 p.m. at the Grosse Pointe High School, has only one thing in common, a love for footlights and grease paint.

Otherwise, when the amateur actors go to work each day, their jobs are as varied as the diverse naval officers and enlisted men whose roles they portray in the tense naval courtroom drama by Herman Wouk, based upon Wouk's Pulitzer Prize-winning book, "The Caine Mutiny."

From Grosse Pointe, the cast includes a builder, a doctor, an architect, an investment counselor and an investment firm supervisor. A public assistance worker, a teacher and a student-instructor from Detroit, an industrial engineer and an advertising copy writer from St. Clair Shores and an insurance agent from Harper Woods also have principal roles in the play which Walter Kerr of the New York Herald Tribune praised as "a theatrical adventure which builds to a second-act climax of such hair-raising intensity that you are sure nothing, and no one, can ever top it."

Albert M. Bertel, 45 Radnor Circle, a building contractor, and Richard M. Bauhof, 744 Rivard boulevard, supervisor of the reporting department for Dun & Bradstreet in Detroit, have the two principal roles in "Caine Mutiny." Bertel is cast as Lt. Cmdr. Queeg, against whom the mutiny is directed, and Bauhof as Lt. Greenwald, who reluctantly spearheads the mutiny.

Presiding officer at the trial, Capt. Blakely, is played by C. Henry Haberkorn III, 16641 E. Jefferson, who is general manager of a Detroit architectural and engineering firm in private life.

A real-life physician, Dr. Donald L. White, 499 Neff, portrays Lt. Keefer, the trouble-making writer in "Caine Mutiny," while the on-stage physician, Dr. Lundeen, a Naval psychiatrist, is played by Jean F. Mesritz, 222 Lothrop road, whose daylight hours are spent as an investment counselor for a Detroit firm.

A public assistance worker, John W. Henderson, 1534 Cadillac boulevard, Detroit, has been cast as the defendant who needs assistance, Lt. Maryk, in "Caine Mutiny." A teacher at Parcels Junior High School, Allen W. Hayes, 3059 Gray, Detroit, plays the prosecutor, and a student-instructor at Wayne State University, Vance D. MacDonald, 5953 Hillcrest, Detroit, has been cast as Lt. Keith, the young officer who comes to Maryk's assistance.

In insurance, George V. Wilson, 21137 Lancaster, Harper

Woods, fills the role of Capt. Southard, the veteran Navy expert on ship-handling.

Gordon R. Pett, 23301 Edsel Ford, St. Clair Shores, an advertising copy writer for Young & Rubicam Inc., portrays Dr. Bird, another Naval psychiatrist, and Richard B. Watson, 21449 Willow Wisp, St. Clair Shores, who heads the quality control engineering department at the Chrysler Missile plant, has the humorous role of enlisted man Urban.

"The Caine Mutiny Court Martial," which ran for 417 performances on Broadway in 1954-55 with Henry Fonda, John Hodiak, Lloyd Nolan and Barry Sullivan in principal roles and whose movie version starred Humphrey Bogart, Jose Ferrer, Van Johnson and Fred MacMurray, will be presented by the GPCT on successive Friday and Saturday nights, October 17, 18, 24 and 25, at 8:30 p.m. at the Grosse Pointe High School.

Tickets, priced at \$1.25 for adults and 75c for students, are available from members of the GPCT or at the box office at the high school.

BIG TURKEY SHOOT

Another colorful event is coming to Greenfield Village. It's the fourth annual Midwest Muzzle Loaders Turkey Shoot, recalling the pre-Revolutionary, frontier and Civil War periods of our history all rolled into two big days, October 11 and 12.

Movie Council Lists Good Films for Young

The Grosse Pointe Motion Picture and Television Council has completed its list of acceptable movies for children, 8 years and up, for the month of October, 1958. These include

"Rock-A-Bye Baby", "Thundering Jets", and "Cole Younger, Gunfighter".

The approved list for teens names "Imitation General", "Forbidden Planet", "Chase a

Crooked Shadow", and "The Big Country".

Special merit, recommended for the entire family, is given to "The Proud Rebel".

Hurricane winds greater than 150 miles per hour are uncommon. An average hurricane would be about 130 miles per hour just outside the eye, tapering off to 40 miles on the outer edge of the storm, according to the Navy's "Hurricane Hunters."

DETROIT EDISON
SERVES SOUTHEASTERN MICHIGAN

A typical hurricane will cover an area about 200 miles in diameter. However, the diameter may vary from 100 to 500 miles, according to the Navy's "Hurricane Hunters."

Residents of Ann Arbor and neighboring communities received more than 100,000 hours of dental care and dental hygiene at the University of Michigan.

Opportunity to Beautify Grounds Offered Pointers

Grosse Pointers will again have an opportunity to enhance the beauty of their gardens or grounds at nominal cost, on Saturday, October 25. On that day the Grosse Pointe Garden Club Council will sponsor its yearly sale of flowering crab trees.

This is a public service in line with the council's prime objective of civic beautification, and is made possible by the generous cooperation of Vincent DePetris who offers his facilities and property at 230 Grosse Pointe boulevard, for the duration of the sale.

This year, the sale will be held for one day only from 10 a. m. to 4 p. m. In case of inclement weather on Saturday, it will be postponed until the following day, Sunday, October 26. It will be conducted on a "first come-first served" and "pay-as-you-go" basis, except when five or more bushes are desired. For these, advance orders, accompanied by check, will be taken. There will be 8 to 10 varieties offered (at cost), ranging in price from \$4 to \$8. Each tree will be tagged with quality stock and of good size.

The council recommends that these instructions which have been complied by Mr. DePetris from his wealth of information and experience, be studied and followed to the letter. Each year some purchasers are disappointed in the growth of their shrubs.

The flowering crab was selected after painstaking study by the council, as one of the sturdiest and most satisfactory blossoming shrubs for the amateur gardener in this climate, but it must be given proper care for good results. Each spring more and more of these varicolored blooms are seen gracing the Pointes, due in part to the efforts of the Garden Club Council.

Members from the 11 Grosse Pointe Garden Clubs which make up the Council will be on hand during the sale to give all assistance possible. Watch for further details during the next two weeks as to varieties, price and care.

Meanwhile mark the day on your calendar: Saturday, October 25, at 230 Grosse Pointe boulevard, near Moran, from 10 to 4 o'clock.

For further information or advance orders, telephone the Flowering Crab Sale Chairman, Mrs. David C. Lowe, TU 5-4984 or the Garden Club for planting and care.

Business Group Holds Meeting

That price and fine quality are not strangers to each other in Grosse Pointe shops, was repeatedly stressed at the last regular meeting of the Grosse Pointe Business Men's Association, in its first fall luncheon session at the Memorial Center last Thursday.

A progress report by the advertising committee, headed by past president, Russell Harkness, brought hearty approval, and plans to carry out the program were set into motion by President David McCarron, who lauded the committee's work as unsurpassed in the organization's 10-year history.

It was evident by the big turnout of members that the officers were gaining the kind of headway that appeals to the operators of both large and small stores, who make up the membership. The urge to unity for the dissemination of the Pointe's unexcelled advantages for shoppers in all price brackets was the spirit of the meeting.

The president stressed the point that merchants here shop the world-over almost exclusively for their Grosse Pointe patrons, insuring quality at a price, which keeps the Pointe foremost in the public's mind as a top spot for shopping.

"Let me put it this way," the president said, "Grosse Pointers know what they want—they demand quality, color and styling, and what's more they get it... when they shop in the Pointe stores".

The group meets the last Thursday of each month and now has nearly 300 stores in its membership.

High Honor Paid To 'The Tower'

The weekly publication at the Grosse Pointe High School, "The Tower", has received superior recognition internationally with its recent Honor Rating by Quill and Scholl, international honorary society of high school journalism.

The newspaper has maintained this rating ever since the establishment of the honorary's critical service. It was also given the George H. Gallup Award.

The publication was judged on its ability to inform, influence and entertain its readers, and on its success as a business enterprise and educational laboratory. "Again, The Tower shows its leadership in scholastic journalism," commented one of the judges.

consideration of the appeal of the Grosse Pointe War Memorial Association, relative to the construction of an addition to the present parking lot. Attorneys for the Association (Thomas L. Munson) and Mrs. Julian P. Bowen (James K. Watkins), who is contesting the construction, were present. Upon advice of the City's counsel, George E. McKean, II, the Board denied the issuance of a permit to the War Memorial. Such a permit, the Board felt, would violate an existing zoning ordinance which forbids the construction of a parking lot in a front yard.

It has been suggested to amend the ordinance, which amendment would, in effect, change the approach to the Center from a front yard to a back yard, thus making possible the continuance of construction on the lot. A motion was made to so amend the ordinance and, according to law, placed on the table for the required 15-day period. The Council will deal with the matter in an open hearing, at its November 3 meeting. Also at Monday night's

meeting, permission was granted for the erection of a six-foot habitant fence, along the westerly end of Hillcrest avenue which terminates at the Grosse Pointe Methodist Church property. Also granted, by a five to two vote, was a petition from the residents and owners of property in the 100 block of Hillcrest road, which extends westerly from Kercheval, to change the name of this one block from Hillcrest road to Hillcrest lane.

Since 1956 the polling places for Election Precincts No. 6 and No. 7 have been located in the Public Works Garage at 311 Chalfonte avenue, which location has not proven "entirely satisfactory." The Council voted to change the location to the New Brownell Jr. High School, at the generous suggestion of the Board of Education.

In accordance with the recent adoption of the Garbage Disposal Ordinance, necessary fees and regulations, dealing with the installation, had to be set by the City Council. Letters to all Farms residents will go out, in the near future, explaining the Ordinance and citing the fees passed by the Council Monday night.

In accordance with a petition received from residents of Muir road, the Council voted to accept the recommendation of the City Manager with regard to improvements in the area. Accordingly, curbs will be repaired and modern street lights installed on the street. In addition, the Farms police department has been instructed to keep a close watch for violators of traffic laws on the street.

Library Lists Available Films

The following 16mm sound films will be available from the Grosse Pointe Public Library until November 1. Patrons are invited to reserve the films for showing to organizations, clubs, church groups etc. Further information concerning these and other films which will be available in succeeding months may be obtained by calling the Film Counselor, Central Library, TUXedo 4-2200.

"Marching the Colours," (4 min., color). An experiment in film animation visualizing a well known military march in geometric, abstract patterns of color.

"One Little Indian," (16 min., color). A puppet film which wraps up some terrific safety rules in an absorbing story about a little Indian boy who pays his first visit to a big city.

Unfortunately "Longhouse People" and "Wardens of Watertown," which were scheduled for October have been cancelled.

A shooting spree occurred recently in the City of Grosse Pointe, and while there were reports of considerable property damage, there was no bodily injury suffered.

The first report came to the City police station at 5:05 p.m. William Seelbach, Jr. told of finding his car with three B-B gun holes in the windshield. He estimates that it was done sometime between 4:30 and 5 p.m. of that day, Friday, September 26.

Later the same afternoon Mrs. John Dummer, 865 Bedford road, reported a B-B hole in her car windshield and Bert Carrier, 632 Notre Dame avenue found another in his station wagon window.

City police, in checking the parking lot on Kennebec place, where all three offenses occurred, found that the vacant house next to the lot also had holes puncturing its windows. A thorough search of the area failed to disclose any further clues.

A testimonial dinner, honoring retiring Farms Police Chief Walter R. Hoyt, will be held at the Farms Municipal Pier-Park on Tuesday, October 21. Cocktails will be at 6 p.m. and the dinner at 7 p.m.

The dinner will be sponsored by the personnel of the Farms Police Department. All the city officials have been invited.

Reservations, at \$5 a person, can be made by calling the Department, TU 5-2100. The public is invited.

Chief Hoyt started with the police department on June 4, 1929, and was still a patrolman when he took a leave of absence to join the Navy on July 18, 1943, during World War II, serving honorably as a specialist second class with the Ninth Naval District's permanent Shore Patrol. He was discharged and returned to the

department on January 1, 1946. He is also a veteran of World War I, during which he was a private with the Ninth Mounted Engineers, Camp Courchesne, Fort Bliss, Tex.

On October 21, 1946, Chief Hoyt was elevated to his present position.

The testimonial will be given on his birthday, at which time he will be 60 years old, the mandatory retirement age. He will be presented a retirement barge and a resolution commending his years of service with the city, by the Farms council.

He will leave the department on the October 21 date, but his retirement will not become official until November 9, because of accumulated leave time due him.

Report Given By TB Society

Tuberculosis hit 28 residents of the Grosse Pointe area last year, according to statistics released by the Tuberculosis and Health Society. This was an increase of seven over the 1956 figures.

There was one death in the same area from TB, which still ranks 10th among the leading causes of death in the United States.

In Grosse Pointe City there were 12 new cases found in 1957; in Grosse Pointe Farms there was one new case. Grosse Pointe Park found 12 new cases and in Grosse Pointe Woods there were three.

In Wayne County a total of 2,993 people were stricken with the disease in 1957 as compared to 3,373 in 1956. The decline in these overall figures is encouraging to health departments and the TB and Health Society, with the fight against tuberculosis showing results. Deaths also fell from 289 in 1956 to 254 last year. Unfortunately, 1958 cases figures on TB are showing a slight rise over 1957.

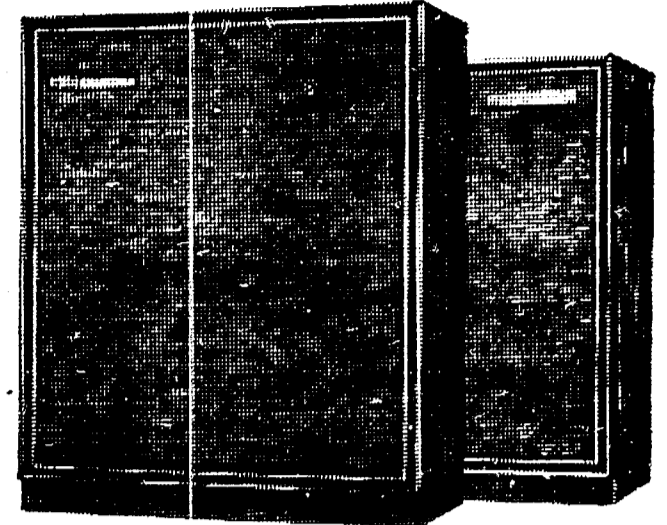

Tuberculosis sufferers sometimes are not aware that they have the disease because in early stages of the illness there are few symptoms. Too often a person does not seek medical help until the disease is far advanced with recognizable symptoms. Only a chest X-ray can detect the presence of tuberculosis damage to the lungs.

Approximately 55,000,000 Americans are infected with tuberculosis germs in their dormant state, creating a great reservoir of potential

infection. Some people can go through life without becoming ill but others will break down because of low resistance to the germs.

The Tuberculosis and Health Society, a member of the National TB Association carries on a vigorous program of education, aid to TB patients and medical research

Japanese Hospital Room Brightened by Class Ring

Reprinted from "The Tower"
By Dianne Gierman

A teenage Japanese boy was sitting up in a hospital bed in Tokyo, Japan.
He was not idly looking out the window. In fact, he seemed occupied in a serious effort, for he was writing a letter in English.
He must have looked up from his paper and chewed the end of his pencil as the day's thoughts turned to the hospital before.
Several Japanese foreign exchange students who had spent a year in America had visited him. They were full of stories of their experiences and he was eager to hear them, for he too had been an exchange student in America.
Most of all he was fascinated

by the class rings on their fingers.
That was what the letter he was writing was about. He was writing a class ring.
Maybe his wish was impossible. Maybe it was too late. But he still had some American money left.
He signed his name and began addressing the envelope—Miss Bertha Schefner, 13444 Jane, Detroit 5, Michigan, USA.
After that things happened very fast.
The dean and the principal were notified of his request.
Money was taken out of the class treasury and the ring was ordered.
Some time later the same boy was again sitting up in bed in the same hospital, only this time he was not writing a letter. He was opening a tiny package from America.
The paper and string seemed to fall off, and in no time the box was open.
There was the ring. His ring, with his initials.
A smile crossed the boy's face as he looked down at the ring with majestic tower and the year 1958 inscribed on it. Memories ran through his mind.
He took the ring from the box and slipped it on his finger. It was engraved with the initials K. N.
Kichiro Nagai, who came to Grosse Pointe High School last year as an exchange student, had to go home in January because of illness. He is still in the hospital.

TALK ON SHAKESPEARE

G. B. Harrison, author, critic and one of the world's foremost Shakespearean authorities, will speak on "Shakespeare's Comedies" at the University of Detroit Friday, October 10. He will address Friends of the University of Detroit Library at 8 p.m. in the Main Library on the McNichols Road Campus. The lecture is open to the public. There is no admission charge.

Free Driver In Accident

An 11-year-old Woods boy escaped injury on Friday, September 12, when he lost control of his bicycle and was hit by a car at Vernier road and Sunningdale.
A Woods police report disclosed that the boy, Frederick Glanz of 739 Sunningdale, was hit by a car driven by William J. Ament, 53 of 1309 Brys drive. The young cyclist and the boy were both going east on Vernier.
Frederick, police said, was pedaling in front of Ament, when he somehow lost control of his two-wheeler and fell toward the car. The impact knocked the boy from his bicycle.
Frederick was taken to St. John Hospital by police ambulance, for an x-ray of his left arm, and released when no injuries were found.
The boy, a witness to the mishap, said it was not the fault of Ament, who was released by authorities after making a statement.

whatever baby needs, baby gets easily
...via an NBD savings account

You're off to a good start—and a mighty good feeling—when you have a cushion of cash for the expenses that arrive right with the new baby and that seem to grow just as fast as the baby does.
You know—money for things like a carriage, doctor's fees, baby foods, medicines, pint-sized furniture, and all the clever toys that baby won't be big enough to use for years.

Yet it's easy to get ready for the expected expenses, and the unexpected ones, that are part and parcel of parenthood. Now, while the thought's fresh in mind, start tucking away a few dollars a week in a National Bank of Detroit savings account. It's that simple to enjoy freedom from fretting or worry during that special time in your life.

Open your account now—one dollar will do it—and save regularly at any of NBD's 63 friendly neighborhood offices, where sound management policies put solid security behind every dollar on deposit.

Let it rain new baby expenses. You'll have an umbrella of cash.

Police Request Citizens' Help

Lt. Donald Coats and Vern C. Bailey, both of Grosse Pointe Woods, heard a speaker stress the importance of community support in police work at the annual Michigan State University Law Enforcement Administrators Conference. About 50 police chiefs attended the Kellogg Center conference.

Chief George B. Paul, of Flint, discussed the value of community support in law enforcement. Chief Paul explained that a police department is not only comprised of men and material but also such abstract components as support and spirit.

"The police department needs the support of the city administration, schools, churches, courts and citizens. And the mass media, including newspapers, play an important part in the make-up of a good police department and program."

Chief Paul told the conference, sponsored by the M. S. U. School of Police Administration and Public Service, that the chief is responsible to operate the department as efficiently and economically as possible. "Day-to-day improvement of police administration and service is possible," he contended pointing out the areas of selection and training.

Students Offered Bargain Concerts

Once again the Detroit Symphony Orchestra is offering a Special Ticket Rate for Students at the Friday afternoon series opening October 17 in Ford Auditorium. There will be 10 concerts which start at 2 p.m. immediately following the Music Appreciation Lectures which begin at 1:15 p.m.

The distinguished artists who will appear under Paul Paray's direction include: Guionar Novaes and Glenn Gould, pianists; Isaac Stern, violinist; Virgil Fox, organist; and Brian Sullivan, tenor.

The 300-voice Rackham Symphony Choir will appear in two major choral works: the Brahms "German" Requiem, with Lisa Della Casa, soprano, and Donald Gramm, baritone; and the Bach "St. Matthew Passion" with five soloists from the Metropolitan Opera Company.

Sir John Barbirolli and Peter Maag will each guest conduct a concert on the series.

The special student rate for the 10 matinee concerts is \$7.00. All ticket requests must be in the Symphony Office by October 15. Letters and inquiries should be addressed to: Student Ticket Chairman, Detroit Symphony Orchestra, Ford Auditorium, Detroit 26, Michigan.

Mrs. Mari Hartwick, Woodward 2-4615, is in charge of ticket distribution in the Symphony Office. Applications for tickets, in writing, should have the endorsement of the music director or teacher and the name of the school.

McNairn Will Teach Course on Satellites

William Reilly McNairn, of 17209 E. Jefferson, will instruct a class in Satellites, Solar System and Space at the Downtown Y.M.C.A., starting October 13. McNairn, a life-long amateur astronomer, will conduct an 8 week class on Mondays, from 6:30 to 8 p.m.

The course is designed for those with little or no knowledge of astronomy. In addition to lectures, McNairn has built several moving models of the earth and satellites, and our solar system. He will use these models in his class to aid in the better understanding of how our earth moves in relation to other planets.

Part of the course will be devoted to outer space, its galaxies and stars. The possibilities of space travel and some of its problems will be discussed.

The Stevenses have just bid goodbye to their son, Tom, who has returned for his junior year at Middlesex School. Tom spent the summer touring Europe including England, the Scandinavian countries, France and Germany and of course, the Brussels World Fair. His favorite country was Norway, his puzzled mother, says, but so struck was he by the whole foreign tour that he has decided to take up another language, German, at school this semester. The Stevenses will be leaving in November for a vacation during which they hope to meet Tom for Thanksgiving.

GPHS Mothers Club Plans Open Houses

Mothers Are Also Acting as Chaperones for Trips to Away Football Games; Will Have Tea for 88 New Students on October 22

Teachers and students are not the only ones who have gone back to school, mothers have too. Busy at work under the leadership of Mrs. Paul Hykes, president, members of the Mothers' Club board of Grosse Pointe High School are assisting with a full fall program.

On both September 19 and October 3 seven student buses left the school for games at Mt. Clemens and Royal Oak with chaperone provided by Mrs. Raymond C. Baer. Buses will be arranged for two more October varsity games, the 17th at Monroe, the 31st at Highland Park. Parents who volunteer for these chaperone duties almost without fail request another assignment.

October 15, (Wednesday) marks the first Fall Open House for parents of students whose last names fall between A and K. Hospitality chairman, Mrs. Donald Neill, and chairman of Room mothers, Mrs. Howard Gandelot, are both working on arrangements for this and the subsequent Open House for parents whose last names fall between L and Z which will be held Tuesday, October 21st.

October 18, (Saturday) from 8-11 p.m. the 10th Grade will have its fall party, sponsored by the Mothers' Club and under the chairmanship of Mrs. William A. Howe. Mrs. Arthur Bartholomew, Jr., heads a committee planning all 10th Grade activities.

October 22, (Wednesday) Mrs. Neill and her committee have arranged for a tea to be held at the home of Mrs. William Adams to welcome the mothers of the 88 students who have transferred to the High School this fall.

Perhaps the most important dates of all are those of October 20-24, when the membership drive for the Mothers' Club will be conducted by Mrs. Sheldon Drennan. Last year 12 grants totalling \$4700 were given to students to help meet their college expenses, 19 dictionaries were awarded for scholastic merit; these gifts were made possible by the support of all the mothers of the Mothers' Club.

A brochure will soon be sent out to each mother inviting her membership; each one is urged to volunteer her support and services.

Garden Clubs Stage Exhibits

An annual event that's an unending magnet without doubt will attract hundreds of Grosse Pointe women on November 12 through 15 for the fourth annual exhibition of table settings and flower arrangements sponsored by Charles W. Warren and Company, 1520 Washington boulevard.

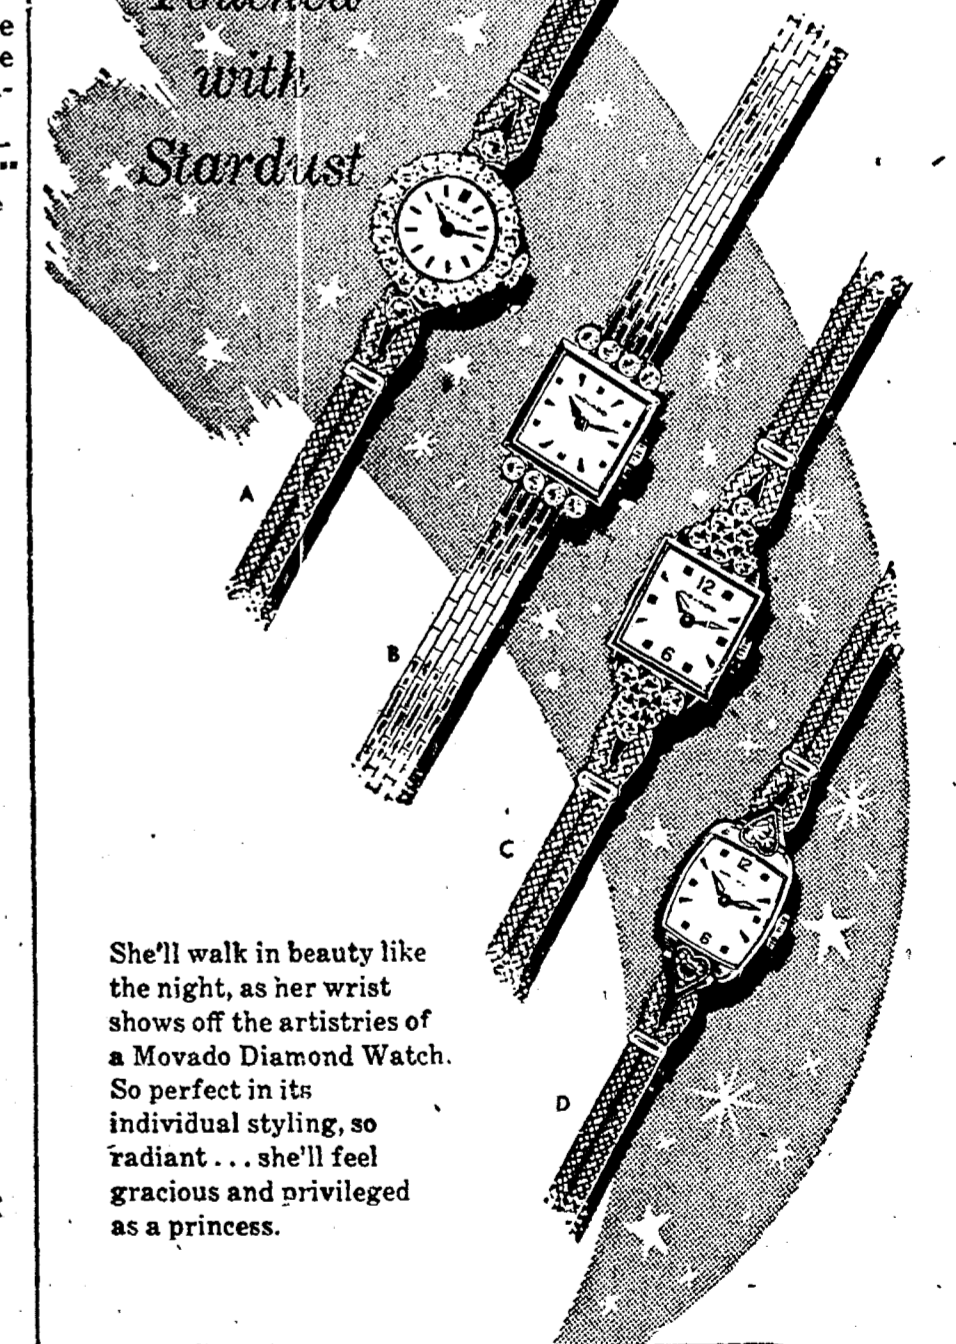

This year's exhibition—staged as usual by District One of the Federated Garden Clubs of Michigan—has been appropriately named by the committee, "Quest of Beauty." To give just a foretaste of the beauty in prospect, visitors will be able to admire (and take away ideas for home adaptation) more than 100 arrangements. There is no admission charge.

There will be such apt descriptive titles as "Images of Beauty" (an arrangement with a figurine). In a group depicting the Fine Arts—the Dance, Drama, Music—specific titles are to be chosen by exhibitors. The Steuben glass room furnishes inspiration for all manner of artistic arrangements—as flowers in glass (or under water), staged on a shelf lighted from below.

For the group titled "Beauty in Nature and the Life of Man" the committee has evolved appropriate themes—"Bird in Flight," "The Cascade," "The Call of the Wild" and "Lure of the Sea."

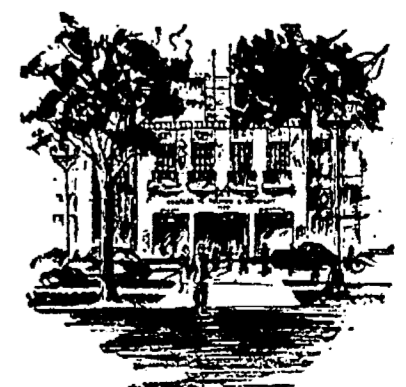

Arrangements for the Thanksgiving and Christmas tables, for a holiday-time wedding—from the spinster, bachelor and rehearsal dinners to the wedding ceremony and reception—all will be in this alluring exhibit.

Grosse Pointe members of the committee include Mrs. John F. Hering, co-ordinator; Mrs. Longyear Palmer and Mrs. Frederick J. Schumann.

Mrs. Garrison, well known lecturer and world traveler, has traveled extensively throughout the European Countries. She was educated in France and lived in Spain for many years. Later she moved to South America and lived in Argentina for ten years.

Mrs. F. G. Garrison will be introduced by Mrs. Hugh White, program chairman for the day. The hostess for the tea, being served at 1 o'clock, will be Mrs. Gilbert E. Delaney assisted by Mrs. F. W. Adams and Mrs. D. Cröwe. Others on the tea committee are Mrs. J. Calder, Mrs. C. Cardwell, Mrs. J. Carter, Mrs. B. Chick, Mrs. J. Chojnowski, Mrs. A. Colette, Mrs. J. Condin, Mrs. R. Davis, Mrs. S. De Boer, Mrs. F. De Cavittie, Mrs. H. Dells, Mrs. K. Deck, Mrs. C. Wallace, Mrs. M. L. Van Dagens, and Mrs. O. Dickey.

Following the tea, Mrs. Ed D. Trowbridge, president of the Grosse Pointe Woman's Club, will preside at the regular business meeting at 2 o'clock.

O'Connor-McKay Vows Exchanged

Mr. and Mrs. Richard W. O'Connor will be at home in St. Clair Shores when they return from a wedding trip to Miami. The pair exchanged vows Saturday in St. Matthew Church.

The bride is the former Patricia Ann McKay, daughter of the George E. McKays, of Balfour road, and her husband is the son of the Alonzo J. O'Connors, of Ridgmont road.

For her wedding the bride wore a princess style silk moire gown with a bodice of Alencon lace. A lace pill box held her illusion veil and she carried a white orchid and ivy with her prayer book.

Mrs. Jane Reinman was matron of honor and the bridesmaids were Lois Cahill and Mrs. George Zepinski. They wore cotton blue Chantilly lace frocks and carried baskets of spider and Fugi mums.

Donald Edward McKay, the bride's brother, was best man and the ushers were Daniel O'Connor and Michael O'Connor, both brothers of the bridegroom, Eugene Kormmeyer and Joseph Lenz.

Mrs. McKay greeted guests at the Whittier reception in an imported silk brocade gown. Mrs. O'Connor was in sapphire blue.

People who talk about their visions usually refer to nightmares.

Pair Married Saturday Afternoon in Grosse Pointe Congregational Church; When Newlyweds Return From St. Clair Inn Will Live in Birmingham

At an afternoon ceremony Saturday in Grosse Pointe Congregational Church Deborah Whitlam, daughter of the Elmer Whitlams, of Fisher road, became the bride of David Mortimer.

For her rites the bride chose a ballerina gown of Chantilly lace over satin with sequins accenting the bodice. A lace and sequin cap caught her illusion veil and she carried white carnations and ivy.

Kathy Whitlam was her sister's maid of honor in aqua satin with a braided veiled halo and her bouquet was of pale yellow Fugi mums. The bridesmaid, Elaine Larter, wore beige satin.

John Walker, of Birmingham, was best man for the bridegroom, son of the Paul Mortimers, of Birmingham. Ushering were Bob Omtvedts, Don Walsh and Bill Mortimer, all of Birmingham.

For her daughter's wedding and the reception in the church parlors Mrs. Whitlam chose a periwinkle blue lace over satin sheath with a flowing back panel of chiffon. Her matching hat was of sequins and her flowers were orchids.

Mrs. Mortimer was in beige crepe with matching accessories and pink rosebuds.

When the couple return from their honeymoon at St. Clair Inn they will make their home in Birmingham.

Pointers Dine at DAC Before Cinerama Premier; Money Raised by Auxiliary Earmarked for Hospital's New Psychiatric Unit

Midwest premiere of "Cinerama-South Seas Adventure" on Wednesday night, brought a number of Grosse Pointers down to the Detroit Athletic Club for dinner parties before going to nearby Music Hall for the gala opener sponsored by the Women's Auxiliary of Detroit Memorial Hospital.

Monies raised from the premiere have been earmarked by the auxiliary for equipment for the hospital's new psychiatric unit.

Dining at 6:30 o'clock at the club were Mr. and Mrs. Simpson C. Leonard and their group including Mr. and Mrs. Frank H. Boos, the E. Lwyd Ecclestons, the Alonzo Allens and Mr. and Mrs. Russell Collins.

The Wallace S. MacKenzies, just back from Europe, were hosts to their son and daughter-in-law, Dr. and Mrs. Edward MacKenzie, and the Ralph McElvenny's—and there was chat this table of the senior MacKenzies' September trip abroad, and the thrilling turbo jet flights over the Alps on clear bright days, both when they flew from London to Rome, and when they returned to London after five days in Italy's capital.

In Mr. and Mrs. Charles J. Koebel's dinner group were Dr. and Mrs. Lambert P. Rahm, Dr. and Mrs. George Baer, Mrs. Ralph Lagerfeldt and Mrs. Sigan Sjunneson.

At another table Mr. and Mrs. Edwin H. Bower were hosts to the Robert A. Sullivans, Dr. and Mrs. Werner F. Schmidt, the Harold Lightbodies and the Truman H. Schneiders.

Coterie Holding Center Dance Saturday

Officers of Coterie, the married couple's group at the Grosse Pointe War Memorial, gather around the piano to tune up on a welcoming song. It will be part of the entertainment at their opening dance at the Center Saturday evening, October 11, at 9

o'clock. Pictured are MRS. HUGH GORDON, President JACK WHITE, MRS. ED ROSE, ED ROSE, HUGH GORDON, and MRS. DON BAMBERGER. All married couples in the Pointe area and their friends are cordially invited.

To Teach Art To Youngsters

This Friday morning, October 10 from 9:30 to 11 o'clock the Extension Service of the Detroit Institute of Art is co-sponsoring with the Grosse Pointe War Memorial Association a series of art classes for pre-schoolers ages 3-5 and their mothers. The classes will continue weekly through December 12. It is still possible to enroll.

The Center is especially fortunate in having one of the museum's best and most popular teachers in charge of the course. It is Mrs. Chris Komp who has taught art for 6 years in Detroit. Personable Mrs. Komp has studied at the Universities of Michigan and Wisconsin as well as Wayne State and the University of Mexico.

Mrs. Komp warns mothers to come dressed prepared—in old slacks, shorts or smocks because the mothers will be working on projects as well as the children. Mrs. Komp emphatically believes that everyone can express himself artistically and enjoy the experience. She feels if people put half the time into learning to communicate in the arts that they do in learning to read and write, the results would be astounding.

For the children, Mrs. Komp uses bigger, freer materials than for the adults. They will have a wonderful time making paper and wire sculpture and painting on buttermilk with chalk and water color.

The children will draw to music, learning to associate sounds with colors and finding out that a line drawn to a fast rhythm is far different than a slow line.

Beautiful objects of art from the museum as well as reproductions, slide films and stories will create an appreciation of beauty and an understanding of how it can be created from the commonest materials as when they see mud turned into exquisite porcelain.

HOUSEHOLD HINT

Dippers are something to eat—something crunchy. Dips are delicious—but sometimes they add too many calories to the day's total. And it shows when you step on the scales. If calories count with you, turn to cottage cheese for the makings of that dip. Cottage cheese contains only about one-third as many calories as cream cheese. And for the dippers, turn to sticks of carrots or celery. Flavor of the dip is up to you. It can be a little onion flavor, or perhaps a touch of garlic. Maybe you have a little plant of chives in your kitchen window. Chives and cottage cheese make a fine dip. Flavor could be horseradish—or hot pepper sauce. Flavor is limited only by what tastes good to you—or to your guests.

Bride-Elect in Midst of Parties Before Wedding to J. R. Gordon in Christ Church; Sisters Mrs. B. G. Chapman III and Gay Edgar Will Be Honor Attendants

Alden Grinnell Edgar will be taking a Nassau vacation from the Grosse Pointe News staff following her October 18 wedding in Christ Church to John Robert Gordon, son of Mrs. William E. Gordon, of Albany, N.Y., and the late Mr. Gordon.

The bride-elect is the daughter of Mrs. Fredrick W. Parker, Jr., of Washington road, and Robert B. Edgar, of Lincoln road. Mr. and Mrs. Parker will give the reception after the ceremony in their home.

Mrs. Benjamin C. Chapman III will be her sister's matron of honor and another sister, Gay Edgar, will be maid of honor. Bridesmaids will be Margaret Neil O'Keefe, of New York, Mrs. Roland Morris, of Wayne, Pa., and Mrs. David B. Stackpole, of Providence, R.I.

Mr. Gordon has asked Walter Gropler, of Tuxedo Park, N.Y., to be best man. Ushering will be the bride-elect's brother, Robert G. Edgar, Benjamin G. Chapman III, Joseph Meagher and John Weidman, of Cleveland Heights, O.

Parties for Miss Edgar began in July when she shared honors with a recent bride, Mrs. John Olcott Hastings, at a luncheon given by Mrs. John

A. Worden in the Touraine road home of her parents, Mr. and Mrs. Harry W. Kerr.

Mrs. Alonzo C. Allen, Mrs. J. Farwell Maycock and Mrs. Harry F. Mackay gave a kitchen shower last month at the Detroit Boat Club and last Saturday's shower was at the South Deeplands road home of Mrs. Russell Collins with Mrs. James J. Trudell, Jr., as co-hostess.

The Rev. and Mrs. Erville B. Maynard, who will entertain Mrs. Gordon, when she arrives on the wedding weekend, and their daughter, Ann, will give a cocktail and dinner party next week at the Little Club.

The rehearsal dinner will be given by the bride-elect's father, Robert B. Edgar, at the Little Club on the evening before the wedding. Mr. and Mrs. David B. Stackpole will be hosts at a brunch for the wedding party and out-of-town guests at the Country Club on the day of the ceremony.

GPYC to Show Seaway Film

Grosse Pointe Yacht Club members and their families will have the premier showing of "Singapore Joe" Fisher's great new film production, "The Dynamic St. Lawrence," Sunday evening, October 12, at 8 o'clock in the club's grand ballroom.

Before the exciting presentation, GPYC's Sunday buffet dinner will be served beginning at 5 p.m.

Mr. Fisher's brand-new and timely film, which took three years in the making, depicts the dynamic St. Lawrence River as the Mediterranean of the New World.

Done in magnificent color, the production presents exceptional coverage of the colossal, billion-dollar St. Lawrence Seaway project which is converting a seething river into a vital trunkline for world trade.

The film is a story of the seaway from the Atlantic through the Great Lakes to the heart of the United States and Canada, with all the facets of large and small cities on both sides of the border, of industries, scenery and vacation spots.

In charge is the entertainment committee headed by Chairman Eugene A. Casaroli and Vice chairman J. Earl Fraser.

November 20 Date Of Mistletoe Mart

Women's Association of the Grosse Pointe Congregational Church Prepares for Giant Christmas Bazaar; Mrs. Edward Stanley Chairman

Two years ago members of the Women's Association of the Grosse Pointe Congregational Church vowed they would never again undertake a Mistletoe Mart, but that season has rolled around again and they have decided to produce the giant Christmas bazaar.

Although the Mart is a project of the Women's Association, it is, too, a family affair, a congregational affair, and a community affair. Everyone is invited to help prepare it, contributing time, talents, materials, muscles, etc. Everyone is invited to attend.

When the doors open on the morning of Thursday, November 20th, all who enter therein that day will find an atmosphere compounded of nostalgia of all Christmases and all church fairs ever held, plus

the novelty of the newest in gift ideas and Christmas decorations.

And there will be food—such food! Some to take home, like pickles, fruit cake, candies and nuts, cakes and breads—some to eat on the spot for there will be a snack bar, and luncheon, and a dinner. For the dinner advance reservations must be made (phone them to Mrs. Kolvoord, ED 1-1517 or Mrs. Hulswit, TU 1-5630).

Beauty and glamour, whimsy and practicality will fill the

There will be Christmas cards and gift wrappings, and holiday decorations which will make you feel Christmas can't come soon enough. For the very young there will be a special section of The Mart which will not be opened until school is over for the day and where prices will be scaled to young pocketbooks so that the children, too, may do their Christmas shopping.

On Tuesday and Thursday, from now to November 20, busy women will meet at the church on Chalfonte at Lothrop to work and will welcome all recruits.

General chairman of The Mistletoe Mart is Mrs. Edward Stanley.

Scourge Starts Early

We note with a slight shudder that the first of the annual crop of Halloween artists have already raised their ugly little heads and hands. The yearly autumnal desecration of property by chalk, crayon and soap has started.

We would again remind the children that this is a pretty stupid, infantile and annoying way of celebrating the approaching holiday. It can also be dangerous, when car windshields and windows are so marked up that vision is impeded. It is often necessary for drivers to use their cars before they have an opportunity, or the needed cleansing implements to remove the markings. Such blind driving not only endangers the motorists, but pedestrians and other drivers.

The Halloween committee which annually makes the preparations for the community parties which are provided each year for Pointe youngsters of all ages, will soon be soliciting donations from individuals and businessmen to pay for this varied entertainment. Such requests are likely to meet a sour reception in cases where the people have been the victims of such nonsensical defacing of their property. The chalk and soap artists would do well to keep this in mind. They are doing themselves and their friends a disservice when they indulge in this practice.

The parents can be helpful by advising their children now, before the campaign gets in full swing, that such marking up of the community is definitely distasteful to the older citizens. Threats of punishment should be followed up by action in cases where the warnings go unheeded.

Particularly insulting to the residents are those misguided children who resort to scribbling obscene words and phrases on windows and sidewalks. Any youngsters caught doing this should be subjected to a thorough oral treatment of the soap they wield with such careless abandon.

Letters to the Editor

Dear Sir:

I am pleased that you were not induced by the letter of the parents of the girls who were ticketed for loitering to change your report of the incident.

Many friends of mine have told me they are forced to abandon any attempt to shop on Fisher at noon time due to the boisterous, rude and sometimes threatening attitude of the High School students in front of the stores.

A sister of mine living in that neighborhood complains constantly of the litter thrown around by the students.

The City police are to be congratulated for their handling of the situation and should not be intimidated by the

parents of unruly teenagers. Very truly yours,
J. H. Murphy
534 Rivard Boulevard

Dear Sir:—
Congratulations to Grosse Pointe Park Police Chief Arthur Louwers for anticipating the hazards that beset our children through careless drivers speeding in school zones.

By reducing speed to 15 miles per hour in a vital spot, Kercheval at Pierce and Defer Schools, and studying further needs for the other Park schools, Chief Louwers is preventing tragedy before it occurs. May other Grosse Pointe communities take this example of a humane concern we need for our children.

Driver Injured As Car Hits Tree

Albert N. Loest, 51, of 922 S. Brys drive, was seriously injured during the early morning hours of Wednesday, October 1, when his car smashed into a tree at South Deeplands and Lake Shore road.

A Shores police report disclosed that Loest suffered several broken ribs, internal injuries, and lacerations about the arms and throat. He was taken to Bon Secours Hospital by police ambulance.

Shores Police Chief Fred Duemling said Loest was in no condition to talk, but investigating officers said it was apparent that the driver had fallen asleep at the wheel prior to the accident. There was no evidence of skid marks on the

road, indicating the driver tried to stop, which gave police that conclusion, the chief said.

Loest was traveling north on Lake Shore about 1:20 a.m. Wednesday, when his car ran over the curb 25 feet north of the cross over at the S. Deeplands intersection, traveling 45 feet on an island and smashed into a tree. The car is a total loss, police said.

At the last report from the hospital, the injured motorist was doing fine and is out of danger. A ticket, charging him with not having his car under control and causing an accident, is waiting for him when he is released from the hospital, police say.

Department of Duplication

A local man of the amateur photographers group, took many pictures of his immediate family and some odd relatives at a holiday party last year and since some of them turned out so well, he decided to enlarge them and keep them for gifts to some of the younger members of the clan when an occasion arose.

Such a time DID arise recently when one of his nieces' engagement was announced. The very day it appeared in print, our hero wrapped up a picture of her father and mother (in color and GOOD) and sent it to her with a note, telling her to have it framed at his expense, thereby taking care of her engagement present.

The young bride-to-be was delighted with the surprise present and wrote a thank you note... post haste. Time marched on... and apparently the engagement did also... because Uncle dear... completely forgot he had sent the picture and dispatched another one about a month later... with a reasonable facsimile of his first note! (This is what we LIKE about the "young.") Instead of calling to say he had already sent her the picture... and instead of waiting for him to find OUT that he had and feel like a fool... she wrote a very cute note which read as follows:

"Dear Uncle Fudd, Thanks again for sending me the beautiful color picture of Mom and Dad. It came as a great surprise to me the first time you sent it (I already have it framed) and it was a double surprise when I received the second copy! As you know, our future apartment is very small... but since we now have a picture for the livingroom AND our bedroom... if you have any to spare, we would like another for the bathroom!" (HERE is a gal Uncle will no doubt remember in his will!)

Godfrey, again

Anyone who reads the newspapers, knows that Arthur Godfrey has close friends in these here north parts... whom he sees and visits with, especially during hunting season. Last week, in the midst of a small coke party for the just-past teen-agers... Mr. Godfrey telephoned one of his friends. All and sundry were in one room when the phone rang... and it was the habit with the young, one 18 year old man of the world (from out of town) picked up the receiver. La hostess overheard him saying, "Who is calling Mrs. McThing?"... "OH, MR. GODFREY!" He then yelled across the room to Madame and exclaimed: "HERE... this is for YOU... A MR. GODFREY... ARTHUR, no doubt!" (If he had had a moustache he would have twirled it!) However, the pale-faced youth turned crimson when he found it was REALLY the great Godfrey on the phone, in PERSON yet!

Anniversary Dept.

One of our readers called to tell us the following, which we hope you will enjoy. It seems that she and a few friends are cross word puzzle addicts and the harder the better. The gals pick up the New York Times every Monday morning while marketing... rush to their various homes and get to work on the puzzle... each one trying to beat the other to the finish.

A couple of weeks ago, it was the 25th wedding anniversary of one of the gals and her husband... so our informant telephoned her on Monday morning and not being positive of the date asked: "Isn't this the BIG day?" The anniversary gal replied: "Yes... but I don't think I'll bother with it this time. It's too difficult!"

The number one lady, slightly non-plussed, said: "Bother with WHAT?" The other came back with... "The puzzle of course. Isn't that what you are asking about?" When our friend replied that she was really asking if it wasn't the pair's anniversary... the long-wedded one exclaimed... "Oh... THAT! I hadn't even thought about it. I thought you were asking about the puzzle!"

Mid-College Group

A local mother of an eighteen-year-old son, allowed her offspring to give a party ON HIS OWN... in the small cabin on the grounds of their estate. It was the first time the parents had permitted the boy to entertain a sizeable group of boys and girls without some supervision. She explained very carefully what she expected him to do when the party was over... such as check on any cigarette stubs, collect all glasses, put out the lights and above all to be SURE to lock the door and hang the key up in its usual private hiding place. Sonny dear turned out to be a dream boat. He followed all instructions to the letter... with one teeny-weeny exception. He broke the key off in the lock to the cabin door... but carefully hung up the remaining stub in its usual place!

Farms Submits Building Report

Two residential construction permits issued in the Farms during the month of September, and valued at \$94,000, brings the number of that type of permits approved since the beginning of the year to 19, with a total value of \$836,000, it was disclosed by City Engineer Murray M. Smith.

Seventeen miscellaneous permits, worth \$61,000, makes the number of permits given out last month 19, valued at a grand total of \$155,000. Since January 1, miscellaneous permits given out came to 84, with the total valuation set at \$371,350.

Since the first of the year, only one business construction permit was issued, which is valued at \$210,000. There have been no non-assessable permits approved so far this year.

The total of all types of permits is 104, with a combined value of \$1,417,350.

The residential permits were issued for construction at 256 Grosse Pointe boulevard, with valuation set at \$36,000; and for 420 Kercheval, worth \$58,000.

Always the Heart of Our Business

by Fred Kopp, R.Ph.

Why do most drugstores sell everything from breakfast to dance wax...? The answer is simple. It is a matter of economic necessity. Americans, thank goodness, are generally healthy and there are not enough prescriptions to keep all drugstores going. Thus, we sell a variety of merchandise. By so doing we are able to stay open and render assistance whenever and wherever it is needed. Prescription service, however, continues to be the heart of our business and we are always pleased to assist you when medication is needed.

What Goes On at Your Library

By Jean Taylor

The short story has never had the popularity extended the longer novel. Formerly, collections of this type tended to languish on the library shelves, except when rescued from this dreary fate by the occasional enthusiast. Recently, however, the shorter, fictional form is coming into its own, and is regarded by some critics as the best in today's fiction. In the last year or two, many interesting collections with a wide range of appeal have been published.

For the Sportsman... if he can tear himself away from the World Series, there are several titles from which to choose. AGED IN THE WOODS by Paul H. Bonner is a seasoned collection of sporting stories with varied backgrounds.

GREAT STORIES from the WORLD OF SPORTS edited by Herbert Wind and Peter Schwed includes excerpts from novels as well as short stories covering a wide range of interest and time. The selections represent such diverse writers as Tolstoy, Hemingway, Maugham, E. B. White, Irving Shaw, Bud Schulberg et al.

Also for the sports-minded is BEST SHORT STORIES 1958, edited by Irvine T. Marsh and Edward Ehre. This is the fourteenth in the series, an annual which covers the best stories from newspapers and magazines. The coverage is nationwide.

For the Crime Detector... Ellery Queen provides the usual all-star line-up for the year in ELLERY QUEEN'S 13th ANNUAL. David C. Cooke in BEST DETECTIVE STORIES OF THE YEAR also furnishes an annual autopsy of periodicals.

For those who like the Sea and Ships... Morton D. Zabel has edited a book of Joseph Conrad's stories, TALES OF EAST AND WEST. In this are

short stories, novelettes and one or two longer novels with backgrounds ranging from the South Seas to Central Europe.

For Nature Fanatics... there is much of interest in the AUDUBON BOOK OF TRUE NATURE STORIES edited by John K. Torres. Taken from the Audubon Magazine, these are warm and affectionate accounts of the relationships between humans and animals. This is a handsome book with decorative illustrations.

For the General Reader... John Cheever has a recent collection of seven stories, THE HOUSEBREAKER OF SHADY HILL. These were first published in the New Yorker where many of today's best short stories are found. Mr. Cheever had earned a reputation as a short story writer long before his novel, The Wapshot Chronicle, received the 1958 National Book Award for fiction.

Harold Brodkey's FIRST LOVE AND OTHER STORIES is a collection of nine short stories, most of which appeared in the New Yorker also. Mr. Brodkey is concerned with situations rather than plot and his characters are run-of-the-mill middle class people.

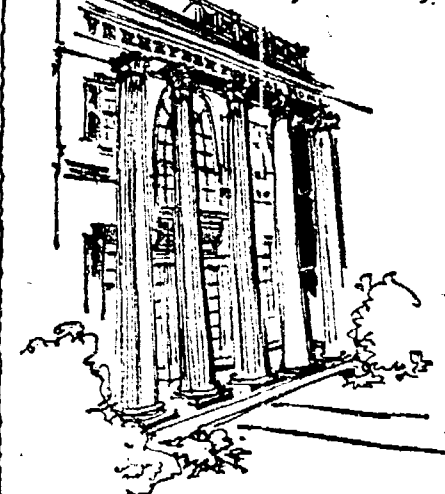

Readers familiar with Jesse Stuart's earlier books depicting the Kentucky Hill people, will enjoy his latest collection, PLOWSHARE IN HEAVEN. These twenty stories range from the charming and tender to the amusing, as in "How Sportsmanship Came to Carver College."

MORE STORIES TO REMEMBER (two volumes) edited by Thomas B. Costain and John Beecroft has just been ordered and should be on the library shelves shortly. Comparable to the earlier STORIES TO REMEMBER, published in 1956, these are all stories which deserve rereading, and confirm the theory that good writing does not

Band to be Sent to Football Game

A petition from five officers of the band at Grosse Pointe High School, submitted to the school-governing Senate, was granted — giving them funds from the Student Association treasury which will enable the group to travel to an away-from-home football game this season.

Peter Mitchelson, president of the band, explained in the unprecedented appeal, that several invitations to appear at other schools had been received by the group — but without financial support from the school such an appearance would be out of the question.
The Senate, in approving the appropriation, has made it possible for the band to support its football team at either the Monroe or Highland Park tilt.

Norman Tiptaft to Speak Here on Oct. 20

The former Lord Mayor of Birmingham, England, Norman Tiptaft, will speak at the Grosse Pointe War Memorial on "The Consequences of Socialism in Britain," on Monday evening, October 20 at 8:30 o'clock. Ten years ago Mr. Tiptaft made a circuit of the cities of America, speaking at universities, Chambers of Commerce, and manufacturing and service organizations. He brought to American attention a detailed picture of the problems of post-war Britain.

Now in 1958, Mr. Tiptaft who served as advisor to a large American engineering firm throughout the British Commonwealth, brings to Americans a private British citizen's analysis of the effects of Socialism. It should prove interesting to business men and homemaker alike.

Royal Oak Hands Devils Stunning Defeat of 12-0

An inspired Royal Oak Dondero football team fashioned the prep grid "shocker" of the season last Friday, October 3, when it completely outplayed an over confident and lazy Blue Devil squad for a 12-0 victory under the lights on the Acorns home field.

To say the Acorns didn't deserve to win or that it was lucky would be the misstatement of the year. The Acorns deserve every bit of credit due them for dumping what some sports writers had claimed was the best Class A team in the Border Cities League.

One writer even went so far as to say "There is about as much difference between Grosse Pointe and all the other Class A teams in the area as there is between the New York Yankees and the other seven teams in the American League."

Clippings Won't Win That statement probably did more to beat the Devils than anything else because the Devils believed it. You can't win ball games by showing up on the field and displaying press clippings. That is one valuable lesson the Devils should have learned last Friday night.

From here on in they will have to beat the Devils than anything else because the Devils believed it. You can't win ball games by showing up on the field and displaying press clippings. That is one valuable lesson the Devils should have learned last Friday night.

The humiliating defeat also ripped the third place State Class A rating tag from the Fisher road boys and their first place in the Suburban ratings. It also dropped the Devils into a three-way last place tie in the Border Cities League standings as this was the first league game for both teams.

Prior to the game Grosse Pointe had by far the most impressive record. They were the defending BCL champions and had run their undefeated string to nine, seven last year, by swamping Mount Clemens and nipping a strong Flint Northern team 12-6 in the first two non-league games this season.

Royal Oak's record was nothing to write home about as the Acorns tied East Detroit 12-12 and beat Birmingham 25-13 in the first two games this year, and they hadn't beaten the Devils since 1952.

Even Coach Confident Even Devil coach Ed Wernet was not too pessimistic over the outcome of the game last Friday. When asked if he anticipated trouble with Royal Oak he said, "They have a couple of boys that could give us trouble but if we play the way we are capable we should win."

Actually the 1958 Devil team isn't as strong as the wonderful 1957 team, which was scoring on only once while completing the best defensive record in the State and a 7-1 win record. But this team isn't as bad as it showed against the Acorns who should have been beaten by at least two touchdowns instead of winning by two touchdowns.

Royal Oak capitalized on a Devil fumble in the first quarter. The Acorns recovered quarterback John Nicholson's fumble on the Devils' 40-yard stripe. After three plays had netted eight yards, Grosse Pointe was penalized 15 yards on a personal foul which put the ball in scoring position on the 17. Two line plays netted two yards before Bill Waldrup hit John Meadows with a pass for a first down on the eight. Mike Omalev smashed over

for the score at 3:50 of the first period. Bill Hooth and Chuck Hanneman blocked Omalev's conversion to give Royal Oak a 6-0 lead which it protected until 3:49 of the final period when the Acorns scored again to clinch the game.

The Acorns' final touchdown was set up by end Don Francis who intercepted John Nicholson's pass on the Devils' 30 and ran it back to the Pointers' 15. Nicholson could not be blamed for the wobbly pass that was picked off as the Acorns rushed him, as he faded back to pass, and hit his arm as he threw, deflecting the pigskin into Francis' arms.

Royal Oak pulled the oldest play in the books out of the bag, the Statue of Liberty, on fourth down and four yards to go. Fullback Bill Waldrup took the ball from quarterback Mike Omalev, as he appeared to be fading back to pass, and scooted around left end to score. Omalev's kick was no good but it didn't matter at that point as there were only 3 minutes and 49 seconds remaining in the game.

Where the Devils' previous victories had been team efforts, against the Acorns it was missing. The vaunted Pointe passing attack was practically non-existent. Only two aerials found the mark. The ground game was smashed up before it got started by the fast charging Dondero line.

Only once did the Devils threaten and that came in the third quarter. The Devils reached the Royal Oak eight but failed to reach pay dirt. Had the Pointers been able to cash in on this opportunity the final outcome could have been much different.

Chuck Hanneman, Mike Carrier and Bill Hooth were the only Devils who were able to cope with the Acorn attack. All made several sparkling defensive plays but three of 11 players can't win a ball game. The Devils' running attack suffered a serious blow in the second quarter when fullback Tom Andris got banged on the head and saw no further action that night. Up to that time, Andris was the Devil causing the Acorns any concern. To say he was put out of action purposely is improbable. But it did put a damper on the Pointers' running game and insured the victory for Dondero.

Grosse Pointe will attempt to get back in the race for the BCL title when it entertains Fordson on Saturday, October 11, at 2:30 p.m.

U. of D. Trips Austin High

Austin High was dropped from the ranks of the unbeaten in the Central Division of the Catholic League last Saturday, October 4, when favored U. of D. pushed across three first half touchdowns to win 20-0.

Austin followers were afraid the Cubs would be too strong for the Friars but hoped against hope that the breaks would favor their team and produce an upset victory. This was not to be. The Cubs proved too strong all the way, although the Friars put up a magnificent battle in the second half to forestall a landslide victory.

Hope for Tie With U. of D. out of the way the Friars are still praying Notre Dame, a team Austin tripped early in the season, can pull an upset over the Cubs and create a three-way tie in the league standings and force a playoff to determine the Central Division champion.

The biggest thorn in the Friars side was a Grosse Pointe, Phil Stackpole, who three years ago chose U. of D. instead of Austin. Stackpole was outstanding on defense for the Cubs and time after time thwarted the Austin attack.

Eight plays after the opening kickoff, U. of D. crashed through for the first score of the game. Instead of letting up a bit the Cubs ripped the Friars for two more scores in the second quarter to hold a commanding 20-0 lead at half-time.

The Friars came to life in the second half and out-gained the Cubs, but were unable to push across the play that would get them back in the game.

The Cubs' touchdowns were scored by Ken MacKenzie, Paul Ewing and Jim Blatz who also kicked the two extra points.

The Friars will meet St. Joseph on the DeLaSalle field on Sunday, October 12, at 7:30 p.m.

Little Gridders In Six Games

Six times last weekend, October 4-5, the teams in Grosse Pointe Little Football (Park City) went to the post and captured five wins.

The Rams Junior Varsity topped the Rams Packers Junior Varsity 7-0 on Sunday, October 5, on the Kerby Field. The Rams Varsity also topped the Packers Varsity by the same score on the same field the same day.

At the Neighborhood Club field the Lions Junior Varsity nipped the Roseville Mohawks Junior Varsity and the Lions Freshmen 7-0 at the Neighborhood Club on Saturday, October 4. The second game was an exhibition.

The Lions Varsity squeezed out a 13-12 win over the Roseville Mohawk Varsity at the Neighborhood Club on Saturday and the "seniors" dropped the lone decision of the weekend losing to the Wish Egan All Stars 19-6 at Schoenherr and State Fair Field.

In the Ram Varsity triumph Bob Gierman scored all of his team's points with an 18-yard touchdown run and carried for the extra point. Jack Teetaert, center and linebacker, was outstanding on defense.

Roger Bohn was the star of the Rams Junior Varsity when he rambled 30 yards for the lone touchdown. Mike Cerran for the extra point. Gregg Hykes led the line play with a stellar performance on both offense and defense.

Mike Bielawski paced the way for the Lions victory over Roseville with his line play.

Chapman Sets New Mark In Winning North Channel

The sixteen year-old speed record for the annual North Channel race went by the boards last Saturday, October 4, when Alec Chapman piloted his L class boat "Artemis" over the "Steeplechase" course in 11 hours and 7 seconds to crack the old mark of 11 hours and 19 minutes by 18 minutes and 53 seconds.

The 'old record was established by Morrill Dunn in his C class boat "Cayuse" in the 1941 race which was sailed from the Grosse Pointe Club through the North Channel to the Russell Island light and back to the finish line in front of the sponsoring Bayview Yacht Club.

In that race the fleet was blessed with a reaching wind all the way to the Russell Island light and then it shifted to give the fleet a reach all the way back to the finish line. Never has this happened again in all the ensuing years.

This year it was no different except that the fleet, instead of entering the North Channel, entered the Middle Channel and then on to the pesky Russell Island light.

Didn't Get Break This time, however, Chapman didn't have the break in the wind that Mr. Dunn had. The wind whistled from the southwest at 25 to 35 miles per hour and stayed there for the duration of the race. This meant that when Chapman reached the Russell Island light he was faced with beating to weather all the way back to the finish instead of a straight run which he would have enjoyed had the wind shifted to the northwest as was predicted.

Because it was a beat to weather for half of the race, makes Chapman's feat all the more impressive.

Besides setting the record, Chapman also established another mark that will be hard to match. He won overall honors for the third time in succession. Prior to the race he was tied with Les Kuhn and this reporter in having won overall honors twice in a row.

In all, 23 yachts started the race in the chilly dawn of Saturday morning off the Grosse Pointe Club. Only sixteen returned that same day. Some found the going too rough upon rounding the Russell Island light and pulled into port to wait for the wind to moderate. Others ran aground and accepted a tow and automatically disqualified themselves.

Takes Toll of Sails The wind which never let up took its toll in sails, rigging and gear. Sid Marsh's "Indian Drum" experienced a freak accident while leading the fleet into the Middle Channel. The bolt rope slot in his mast ripped out and forced

the dropping of the mainsail. Instead of quitting Marsh and his crew, of Jack Ellis, Maurice DeClerq and Johnny Marsh, kept going and finished the race in fourteenth place. It was a wonderful display of seamanship.

Arnold Fuchs had the toughest luck of all when his jumper strut let go as he was fighting for the lead with Chapman as they neared the turning point. A slick bit of spar climbing by Hank Gessel affected temporary repairs which allowed Fuchs to finish the race in seventh place. Because of this mishap, Fuchs possibly lost first place.

There will be some who will dispute Chapman's new record for the course because it wasn't over the same course that Mr. Dunn sailed. The truth of the matter is that the course sailed this year is just three quarters of a mile shorter than the old one. But the new course required the yachts to leave the Huron Point light to starboard which wasn't the case in the past. This forced the skippers to navigate a bit more precisely to find this light and the Middle Channel entrance.

Dick Hill Second Second to finish was Dick Hill's Crescent class "We Du" which also cracked the old mark. Hill's time was 11 hours, nine minutes and 31 seconds.

The Folkboats found the heavy weather to their liking, particularly the weather work, and they moved into third and fourth places overall when Bob Wood's "Smutsig Fagel" and Don Hanna's "Donna Jean" finished in that order.

Chuck Haug's Privateer "Naiid" was first of that class and was fifth overall and Bobby Roadstrom's Privateer "Cotton Top" was sixth. Fuchs' "Gamble III" slipped in seventh and the youngest crew to sail the race brought "Wind Toy" in eighth. Clipper Runnells was skipper and he had a teen-age crew who did a tremendous job despite numerous mishaps to sails and rigging that would have caused more experienced sailors to give up.

The winners will receive their prizes at the Tri Race Dinner-Dance to be held at Bayview Yacht Club next Friday, October 10. At that time the winners of the Long Distance Night Race and the Small Boat Race-Cruise will also be honored.

Wes Weidrick and his buddy Jim Schudel trailed Wes Lightning sloop "Little Luff" to Chicago, Ill., the week-end of September 27, 28 and captured the annual Red Flannel Series on Lake Michigan.

The Bayview Yacht Club pair captured two firsts and a fifth in the three race series. Herm Nicols of Lake Fenton, Michigan, took second and Bill Wingard of Chicago was third in the 51 boat fleet that competed.

The Lightning Fleet at Bayview will sponsor its first annual Jack-o-Lantern Lightning series on the Detroit River over the weekend of October 25-26. More about this as plans formulate from Dick Dickman's and Jim Schudel's committee.

Keglers Get Hot In Business Loop

Two hundred-plus games are a dime a dozen in the red hot Grosse Pointe Businessmen's Bowling League. Last Friday, October 3, no less than 17 games were posted as the League completed its fourth week of competition.

Jim De Smedt was the hottest with games of 224 and 207. Bruce Warren was the only other bowler to post two games, over the 200 mark getting 206 and 202. Bob Liekfeldt was tops with a single 232 and was followed by Larry Verbeke's 226 who in turn was followed by Jack Baker 222; Al Bell 213; Ray McDonnell and Jim Stafford 212; Stan Small 211; John Vance 210; Mel DeCoker 203; Bob Kehrer and Sam Kunath 203; Cy Van-Flateran and John Hotia 202.

Only two teams chalked up four point victories. Goebel I was one of them and moved into a two-way tie with Larry's for second place. Woods moved into ninth place all alone with a four point sweep over Belding on Norm Boorman's 520 series.

Larry's created the second place tie when it beat Kenelly for three points on Jim DeSmedt's 575 series. Seventh place Wigle grabbed three points and knocked G. P. Pharmacy down two places in the standings to fourth place.

League leading Maple maintained its lead by tripping Atwell for three points. Barrett topped Adam Simms; Cramer nudged Cox and Baker and Beaconsfield-Kercheval nipped Goebel II. All held a three-one advantage in points.

St. Paul Lakers Capture 13-13 Tie with St. Anthony

St. Paul's determined varsity football team despite the loss of three first string players, scored a 13-13 tie with St. Anthony last Sunday at the Grosse Pointe High field.

After a scoreless first quarter in which St. Paul controlled the ball for almost the entire period, Joe Lauer skirted the left end. Good blocking enabled him to enter the end zone to give the Lakers a six point lead.

On the try for the extra point Tim Hutton was tackled just short of the goal line. St. Anthony scored its first touchdown near the end of the first half, but the try for the extra point was far off line, and at half time the score was deadlocked, 6-6.

Both teams battled through the third quarter without a score. After some fine defensive playing, the Lakers took possession of the ball.

Strong running by Tim Hutton and Joe Lauer netted the team another touchdown. Butch Cobb carried the ball across for the extra point, making the score 13-6 for St. Paul.

With five minutes remaining in the game a long pass into the end zone gave St. Anthony its second touchdown. The kick for the extra point was good, tying the score, 13-13.

Outstanding on offense for St. Paul were Tim Hutton and Joe Lauer in the backfield and Tim Labadie on the line, while the defensive standouts were John Jantz and Dan Miller.

St. Ambrose Cavaliers Beat St. Stanislaus, 3-20

The St. Ambrose Cavaliers unleashed a five touchdown attack to beat the St. Stanislaus Broncos 32-0 last Sunday, October 5, to remain in a contending spot for the title of the East Side First Division in the Catholic League.

The Cavaliers capitalized on a Bronco fumble on the first play of the game for the first score of the day. St. Stanislaus took the opening kickoff and promptly fumbled with St. Ambrose recovering on the Bronco 35-yard line. Joe D'Angelo rambled 31 yards to set up Joe Broza's touchdown over center. With the very same play Broza notched the extra point to give the Cavaliers a 7-0 lead before the game was two minutes old.

Runs 96 Yards to Score Later in the first period Larry Lantz wound up on the business end of a double reverse, which completely fooled the Broncos, and raced 96 yards for the second touchdown. The extra point was missed.

The second play of the second quarter Broza scored the third touchdown with a ramble around end and eight plays later Bill Fournier raced 12 yards to bring the score to 25-0.

The final score of the game came in the second half when Jim Laskowski cracked over from the five and Mike Currie, brother of Michigan State's former star Dan Currie, booted the extra point to climax the scoring.

Puts Reserves In Coach Danny Boistre took advantage of this commanding lead to take a look at his reserves and save his regulars for the game against Servite next Sunday, October 12, at Mack Park. At stake in this game will be the Fleming Trophy which is a perpetual award these two teams fight for.

The Cavaliers completely outplayed the Broncos as the score indicates and the final statistics proved the superiority of the Cavaliers who chalked up 14 first downs on 317 yards rushing as compared to the Bronco's four first downs and 98 yards rushing.

One of the first roads to bisect The Avenue, or East Jefferson Avenue, in the early 1800's, in the Pointe was Rivard boulevard. By the 1860's this boulevard, cut from the old Rivard farm, was one of the most heavily inhabited in the area.

Where the rows of brick terraces stand today, (and some of them are 40 years old, quite an age for Pointe real estate), were frame cottages. These homes rented for about \$20 a month and were usually inhabited by waiters and stewards at the Country Club, which was built in 1885 on property once belonging to the Fisher farm on the lake.

For many years the Rivards continued to live in the street. Charles street which connects Rivard and Washington was named for old Charles Rivard. Many Pointers remember him when he lived a recluse's life in the red brick house across from Charles street, now owned by the Joseph Collinses.

On the corner of Maumee and University there was once a fine gravel pit. In 1905 the first cement block home in this area was built at the foot of Lakeland from gravel taken from this pit. The home was owned by Theodora T. Tuggard.

By the beginning of World War I many prosperous Detroit families were moving into "The Village," those streets adjoining Rivard. Senator Thomas W. Palmer while traveling in Europe, had met a street urchin in Spain. Feeling sorry for the boy he brought him home and adopted him as his son.

This son, Harold Palmer, built an ornate mansion at the foot of University place after the Armistice which cost about \$80,000. Gorgeous glass was a feature in the entrance hall and Mr. Palmer received threatening letters from hoodlums who promised to break every pane. For many weeks local lads would stay in the unfinished house at night to protect the glass.

Up the street about this same time a mover's van brought half of the Truman Newberry summer cottage from Lakeshore. Mrs. Powell Peabody owns this charming gray stucco home today. The Newberry frame Victorian castle was bisected, one half moved to University, the other located in Moran road.

Rivard by the early 1920's was divided into the Elm Park Subdivision and lots went quickly. Many physicians moved on the street which at one time was known as doctor's row. A community center was begun in one of the old homes, and a veterans group met in this boulevard. The area was the center of thriving but intimate village life by 1925.

who, where and whatnot

Quite a chic crowd of ladies gathered at Lochmoor for the president's ball last week. Mrs. David Lowe twirled around the dance floor in a full skirted peacock blue creation accented with a scroll design of silver thread. . . Mrs. Paul Keller, Jr. (she's a dead ringer for actress Joan Caulfield) was in heavenly blue. . . Mrs. Fritz Ness in a lovely shade of turquoise silk and chiffon with a motif of bugle beads and jewels embroidered on neck and hemline. . . Mrs. Norton Walbridge in cream-colored silk taffeta, the bodice studded with gold beading. Carrying out the luxurious decorative theme was the gold lame cloth covering the u-shaped table where President Gordon Skinner and his lady dined.

It's all nonsense this rumor about the distance from Birmingham to the Pointe. Two long time local residents, Mrs. Frederick W. Pearce, Jr., and Mrs. Dan Lee Johnson both have relatives who live out that way. Often the families like to exchange children for a week-end visit. The don't drive all the way out. They meet in the Dipsey-Doodle ice cream parlor, a half way point just this side of Eight Mile road for a cup of coffee and the switch. Neither Mrs. Pearce nor Mrs. Johnson, friends of long standing, were aware that they both had this traveling habit till just the other day!

In Mrs. Standish Backus' lovely beamed arched drawing room hang two beautiful portraits in oils of her daughters, Mrs. Edmund Lunken and Mrs. Alfred Marks. Visitors often ask where the portrait of Mrs. Edward H. Jewett II is. Mrs. B. admits her third daughter is not fond of her portrait and has requested her mother hang it in the upstairs hall.

And speaking of oils . . . Architect Bob Tobin is quite an artist . . . Several of his colorful landscapes are eye catchers in the Tobins' beige and brown home in Lincoln road.

Mrs. James Cope wears a most unusual dinner ring, two huge tourmaline stones edged with diamonds. The beautiful green tourmaline is her birthstone and also the color of her eyes, (which she says are much greener when she's angry).

PILFERINGS

It is the sin which we have not committed which seems the most monstrous . . . Boileau.

Love must be as much a light as a flame . . . Henry Thoreau.

A Minneapolis Marine officer, en route home with his family from duty in Hawaii, was on a bus in San Francisco a year ago. He was reading the newspaper. His wife was tending the baby and their rowdy small son was cavorting in the aisle. Just then the earthquake hit.

Without even looking up from his paper, the Marine yelled at the kid, "All right, you, cut that out!"

On patrol off Formosa, the Officer of the Deck of the USS Brownson asked the starboard lookout what he would do if a man fell overboard.

"I would yell, 'Man overboard!'"

The officer then asked what he would do if an officer fell overboard.

The lookout was silent for a moment, then asked, "Which one, sir?"

Eighty-two year-old Chancellor Konrad Adenauer was asked by a reporter when he plans to retire from German politics. "I've already had my retirement," the statesman replied. "Twelve years under the Nazis."

J. LESLIE BERRY, OF SUNNINGDALE DRIVE

By Patricia Talbot

When J. Leslie Berry, world traveler, drama lover, symphony patron, aviator, photographer, retired from the printing business at an early age he had no trouble finding exciting ways to spend his leisure time.

His wife says it's rewarding when a husband can retire young enough to enjoy all the many hobbies Mr. Berry has. Currently the two are co-chairmen of the Drama Festival, to be produced October 23, 24, 25 at the Players.

The play will be "Jane," a comedy adapted from a Somerset Maugham story. The Fine Arts Society, Theater Arts and the Players are jointly producing the production. Mr. Berry has been a member of Players for 18 years and the pair have been active in Fine Arts for two decades. Their job in this effort is to organize the ticket committee, confer with the director, arrange for properties, the stage setting, the music and the reception. They have plenty of help from drama committees.

Around the World Tour
The Berrys are thrilled to be working closely on this comedy because for the past two seasons they have been traveling and missed the Drama Festival. Last year they flew around the world, with special emphasis on the Orient. Mr. Berry took 3,500 feet of color film on their trip to 14 countries, and 25 cities. India held special charm for them and they are anxious to return to this colorful country. Their home in Sunningdale drive is accented with special mementos of their past trips, buffalo horn and brass tableware from Siam, a brass pot in which Indian natives carried holy water from the Ganges River, Japanese lacquer boxes, rare Bavarian china.

Next Flight May Be a Jet
Mr. Berry is a member of the Circumnavigators Club, membership numbering about 1,200 throughout the country. As soon as the curtain has rung down on "Jane," the Berrys will drive off in their brand-new car Southwards.

Trouble in Syria
The Berrys learned a lot about troubled world conditions on their trip last year. They visited Damascus just prior to the uprising where soldiers with sub machine guns roamed the streets and they were forbidden to take pictures in many areas labeled military. In Lebanon most of the citizens were very friendly to American tourists and the Berrys were shocked at the sudden flare-up there.

Braille Class Needs Helpers

When Miss Ella McLennan, blind instructor, assisted by Miss Carrie McMillan of the American Red Cross, begin their Braille Transcription Class Thursday morning October 16, at 10 o'clock at the Grosse Pointe War Memorial Center, it is hoped that all 25 places in the class will be occupied.

This is a wonderful opportunity for the serious volunteer to learn a skill which can be of great service to the blind. Many text books, instructions and just plain reading await translation for the blind. Often this translation can be effected by hand transcribers working through the Red Cross but first volunteer workers must take this course and be certified by the Library of Congress whose text is used in the course.

There is no charge for this course other than for the text and materials. The class meets weekly on Thursday mornings for approximately 25 weeks. It does involve some homework and a certain challenge, but any dedicated sighted person should be able to master the work.

To enroll call the War Memorial TU 1-7511.

Gridiron Theme Of Center Dance

With football occupying nearly everyone's attention these weekends the Youth Council at the Grosse Pointe War Memorial has decided to have a football record dance on Friday with popular disk jockey Paul Reed spinning the platters and livening up the party with his patter.

The party is a couples only affair. Dress is casual. Boys are asked to wear sport coats or sweaters and girls simple dresses or sweaters and skirts. Students in grades 9 through 12 of the Pointes' public, private and parochial schools are invited.

Refreshments will of course, be a popular feature of the evening and at intermission time will be a hoola-hoop contest with prizes awarded to the most talented.
