POLICE INVESTIGATING the dynamiting of a synagog found swastika symbols Wednesday in one suspect's home and evidence that a sinister hate group of a decade ago might be involved.

Five men were being held for questioning. Atlanta (Ga.) police said they are holding a sixth man, an unidentified resident of Detroit. Other arrests were expected quickly. Ten two-men detective teams were making the rounds in three counties in the Atlanta metropolitan area.

The bombing of the Atlanta synagog Tuesday was the second since Sunday in the south. FBI agents are also working on both cases.

TWO HUNTERS are dead, and 39 others, including two women, were reported injured as the smal game season opened in Michigan. The latest fatality was Allen Crandall, 42, a farmer of Chesaning Township, Saginaw, who accidentally shot himself in the abdomen near his barn. State police believed he might have shot himself after he slipped on an ear of corn, since his body was found in a trailer half filled with shucked corn. James Schuffham, 14, is the season's first victim. He died of a shotgun wound on Sunday, near his home in Stambaugh.

Enlarged Methodist Church Seen from Air

—Picture by W. N. Montgomery, (member of the church).

The second unit recently added to the Grosse Pointe Methodist Church in Moross road is easily distinguishable from the first portion by the lighter, unweathered roof. A third unit, the eventual sanctuary, will extend northerly from the east side of the building, (left in the picture), to form an inverted "J." The parking lot holds 178 cars. From the first services held in Old Kerby School on September 9, 1945, the church progressed to the opening of the new church in September 1950, and the opening of the new unit on September 14 last. The Rev. Hugh C. White is pastor.

Annual Garden Club Council Sale of Flowering Crabs Scheduled for Saturday

Residents Given Chance to Help Beautify Pointe by Participating in Wholesale Planting of Lovely Shrubbery

Armed with spades and garden shears, members from the 11 Garden Clubs which make up the Grosse Pointe Garden Club Council, will be on hand at 10 o'clock this Saturday to greet early arrivals who wish to purchase Flowering Crabs.

This annual sale, sponsored by the Council, is not a money raising project, but an opportunity for residents to add new color and variety to their gardens at low cost. It is one more step towards "Keeping Grosse Pointe Beautiful."

Vincent DePetris has again offered his property and services for Saturday, October 25 from 10 to 4 o'clock at 230 Grosse Pointe boulevard, (opposite Lothrop road.) A drizzle or lowering skies will not cause postponement, but in case of a downpour, the sale will be held on Sunday.

Ten Varieties Offered

Ten varieties of the shrubs will be offered, ranging from white through pink, rose, to deep red. The average height is five to six feet, and the price from $4 to $6. All are of excellent stock. A label carrying a description and price will be attached to each bush. Included are one tall growing variety and three of dwarf size.

Advance orders will be taken for five bushes or more, by telephoning Mrs. David C. Lowe, TU 5-4894, or Mrs. H. Ray Will, TU 4-1644. All other sales will be on a "cash and carry basis."

Planting Advice

Each purchaser will be given an instruction sheet which has been carefully compiled by Mr. DePetris. It includes directions for preparing the hole, the proper location for planting, tips and watering and trimming and protection for winter.

The council selected the Flowering Crab for its beauty and hardiness but for full satisfaction it recommends that the instructions for planting and care be followed.

Ask Candidates To State Views

The Rotary Club of Grosse Pointe and the League of Women Voters of Grosse Pointe, both non-partisan organizations, will co-sponsor a Candidates Rally on Thursday, October 30, at 8 p.m., in the auditorium of the Grosse Pointe High School Annex.

Candidates of both parties have been invited to appear to speak briefly. A question and answer period will follow, giving an opportunity to discuss issues and stands of greatest concern to the voter.

Anthony Manardo, director of community affairs for Rotary, commented, "As part of its community program Rotary strongly urges all local citizens to carry out their civic duty by casting an informed vote at the polls on Tuesday, November 4. There is no better place to become informed on candidates and issues than at a Candidates Rally."

Water Pumping Records Shattered By Dry Summer

The dry spell that hit the Detroit area this year, brought the water pumpage at the Farms Water Filtering Plant during April and May of this year, to the highest of any April or May in the history of the plant, City Manager Sidney DeBoer informed the council on Monday, October 20.

The high total of 145 million gallons pumped last May, is exceeded only by the pumpage during August of this year which is recorded at 164,600,000 gallons. In April, it was 89,540,000 gallons.

In his report to the council, Mr. DeBoer said that the sprinkling load in the summer season was the major load on the filter plant and the pumpage was greatly influenced by the amount of rainfall and the temperature.

He pointed out that the ordinance limiting the use of water for air conditioning equipment and the discontinuation of Shores as a consumer, had helped to decrease the pumpage somewhat.

The city manager's report showed the following pumpage for these months in 1956, the figures are in millions of gallons:

April — 65.93; May — 70.61; June — 114.23; July — 135.88; and August — 102.67; total — 489.32.

During 1957: April — 72.77; May—70.61; June—115.62; July —149.49; and August—171.81; total—596.07.

During 1958: April — 89.54;

Faulty Dryer Blamed in Big Shores Fire

Firemen Battle Gas-Fed Flames That Caused $10,000 Damage

Shores firemen extinguished a gas-fed basement fire in the home of John Van Assche, 65 Roslyn road, on Sunday, October 12, after battling swirling smoke and flames.

The fire, started by a defective dryer which ignited several pieces of clothing, was so intense, it caused the gas meter pipes to melt and the meter to fall to the floor, with the result that escaping gas shot through the entire basement, adding fuel to the flames.

The fire burned through the basement rafters and stairway, charred clothing hanging in the basement, ruined overhead pipes and caused damage to the furnace. Smoke and heat rose to the second floor creating damage to furniture, clothing in closets and to walls.

$10,000 Damage Done

Chief Fred Duemling, who is head of the Shores' combined Police-Fire Department, said that total damage to the house and contents was about $10,000.

Chief Duemling, Lt. George LaForest, Patrolman William Marshall and Volunteer Fireman Stanley Vernier, donned gas masks to enter the basement to search for the shut-off valve to stop the escaping gas. While fellow firefighters

Sleepy Motorist Slams Into Tree

A motorist who admitted falling asleep at the wheel before his car smashed into a tree at Jefferson and Trombley on Monday, October 13, will have to go to court on November 12.

Charged with not having his car under control was Charles D. LaFond, 50, of 467 University place, who emerged from the accident with a cut upper lip and several teeth missing.

A Park police report revealed that LaFond was traveling east on Jefferson, when he apparently dozed off. His car went out of control and jumped the curb at Trombley and crashed into a tree.

A witness to the mishap, said he was driving behind La Fond when LaFond's car suddenly swerved out of control. The witness said he was not aware at the time, what had caused the accident.

Police Hunting Missing Cash

Farms police are investigating the disappearance of a small amount of cash and several checks from the office of Dr. Robert Reisig, 93 Kercheval, which were reported missing on Friday, October 17.

Dr. Reisig and his receptionist, Janet Carlson, of 281 Mt. Vernon, told authorities that an unknown person entered the office between the hous of 12 noon and 2:30 p.m., and took $45 in cash and $180 worth of checks from an unlocked desk drawer.

Mich. Bell Plan For New Building Quashed In Farms

Request for Rezoning of Site at Mack and Moross Turned Down by Council After Residents Appear to Protest

The Michigan Bell Telephone company came out second best at a public hearing in the Farms council chamber on Monday, October 20, when residents of Moross, Maison and surrounding areas jammed the chamber to protest an amendment of a zoning ordinance.

There was standing room only as the residents sat around the chambers and virtually surrounded the councilmen who were sitting in session.

Michigan Bell had previously petitioned the council for an amendment to a zoning ordinance, which would rezone 228 feet of land at the northeast corner of Mack and Moross, from residential to commercial. The company wanted to erect a two-story office building on the site.

Talks for Company

Joseph Maiullo of 132 Moran, attorney for the firm, gave an elaborate talk on the advantages that this type of building would bring, including the increase in taxes if it is on the tax assessments rolls.

He said that the people in the area will notice the building during the day time, but at night, no one will know it is there.

His selling point did not register with the audience, many of whom were of the opinion that if the property is rezoned for commercial use, and the building put up, it would depreciate residential property values in the neighborhood.

Maiullo told the residents that the piece of property in question is only good for commercial use because of its size and location, whereupon one resident said that if the property was put up for sale there would be plenty of buyers who want it to build homes on.

Have Already Suffered

Another resident stated that because of the commercial buildup in the neighborhood, owners in that area have already suffered property depreciations, and that he could see no reason why they should suffer any more.

Still another citizen said that the people in that area bought and built homes in that area because it was residential, and if they wanted to live in a commercial zone, they would have bought homes in such an area.

After questions were asked and answered and both sides had their say, Councilman William Butler moved for a denial of the rezoning, but was informed by Mayor William Connolly, that the move should be for adoption of the ordinance to bring it on the table, so that a vote can be taken. This was done.

Then the adoption of the amendment was defeated by a unanimous vote of the council, which brought a round of applause from the audience.

Traffic Death Mars Record In GP City

Second of Two in Car That Hit Tree May Not Live; First Death Since 1955

The City recorded its first traffic fatality this year on Friday, October 17, when Joseph Frabotta, Jr., 22, of 3406 E. Alexandrine, Detroit, died in Bon Secours Hospital of injuries received when the car he was in crashed against a tree.

Albert N. Mantz, 21, of 12214 Stringham, Detroit, who was in the car with Frabotta, is in critical condition in the hospital, and is not expected to live.

City authorities said they were not sure who was driving

Half of Quota Raised in Drive

More than half of the Pointe's quota of $308,203 in the United Foundation Torch Drive has been reached, it was officially disclosed during a luncheon meeting of regional chairmen at the Sheraton-Cadillac Hotel on Tuesday, October 21.

Mrs. Edwin O. Bodkin of 64 Muskoka, chairman of Region No. 1, comprised of all of the Pointe communities, reported at the meeting that the Pointe is nearing its quota, and that the amount collected to date is $179,384.

Mrs. Bodkin said that her committee of hard working women who are aiding in the collection, will carry on until the entire amount of the $303,203 is collected or exceeded.

She listed the following women as chairmen of her divisions:

Park, Division 1—Mrs. Edward R. Harrigan of 1241 Devonshire; City, Division 2—Mrs. Fred C. Holder of 832 University place; Farms, Division 3 — Mrs. David M. Whitney, Jr., of 77 Muskoka; Woods, broken up into Division 4 and 5 —Mrs. Kenneth Koppin of 1271 S. Renaud and Mrs. Robert Rains of 1332 Vernier road, respectively; and Shores, Division 5—Mrs. Hugh C. Daly of 35 Lochmoor.

The Torch Drive began on October 13 and will end on November 6. There is still time to contribute generously, "Once for All".

Annual Halloween Parties To Be Held at Four Schools

An evening of fun and top-notch entertainment is guaranteed to all Grosse Pointe youth who attend the annual Community Halloween parties on Friday night, October 31.

Parties will be held at Grosse Pointe High School and at all three Junior High Schools. Tickets may be purchased in advance for 25 cents at all public, private, and parochial Junior and Senior High Schools. Admission at the door will be 50 cents.

The hours of the party at Grosse Pointe High School will be 7:30 to midnight, and at the Junior High Schools, 7:30 to 11.

Forrest Geary, chairman of the Halloween committee, promises an excellent program of professional entertainment. Five name bands have been procured for the parties, and movies will be shown, as always.

Students, citizens, and civic organizations are working to make the Halloween Parties a big success. Parents or other interested adults wishing to volunteer their services should call Mr. Geary at TU 5-3808 or TU 5-0271.

Check rooms at Grosse Pointe High School and Parcells Junior High will be maintained by volunteers from the Grosse Pointe American Legion Auxiliary No. 303: Mrs. Jackie Bomier, Mrs. Elva Nielsen, Miss Doris Nielsen, Mrs. Evelyn Kraft, Mrs. Shirley Kraft, Mrs. Marye Carlon, Mrs. Grace Patterson, Mrs.

Crowds Jam Clinics Held In District

Second Series Planned; One Scheduled for East-Land November 15

The Pointe-Harper Woods Health District was about to record its 10th polio case on Monday, October 20, but the physician attending the suspected victim, rediagnosed the case and found his patient merely had a touch of a virus, according to Dr. Thomas Davies, Pointe Health Commissioner. The patient, an 11-year-old-boy from Harper Woods, is reported well.

Dr. Davies said that the count of cases reported in the Pointe to date is still nine, with the latest case reported on October 8, when polio struck a 33-year-old Park man.

The number of cases for the same time lase year was seven, the doctor said.

Most Are Immunized

"I think we have polio pretty well beaten in the Health District," Dr. Davies said. "Most of the people in the district have taken advantage of the immunization program, and this speaks for itself."

He cited the decline in the number of attacks as the basis for his statement, by the cases reported in previous years: in 1953, there were 28 cases; 1954, the number was 43; 1955, it was 20; three for 1956; seven for 1957; and nine so far this year.

The doctor pointed out that the last two clinics were complete successes. He said 948 persons were inoculated at the Tyrone High School, Harper Woods, on October 14; and 1,638, at Parcells Junior High, on October 15, a total of 2,586.

The first clinic held in Pierce Junior High on September 30, saw approximately 1,800 persons inoculated; that same night at the Harper Woods Junior High, about 1,600 persons received their polio shots.

2,000 at Brownell

On October 2, more than 2,000 persons lined up at the Brownell Junior High School for their shots; and on October 4, Eastland Center, where an all-day clinic was maintained, doctors and nurses were kept busy giving more than 17,000 persons the Salk vaccine.

Dr. Davies said that plans are being formulated for the second clinics, for those who must take their second shots, and for those now ready for their third and final shots. The latter are those who have had their second inoculations six or more months ago.

Of course, he pointed out, those who have not had their initial inoculation should get them at these clinics, or as soon as possible from their family physicians. There should be no delay.

So far, Dr. Davies said, it is definite that a clinic will be held at the Eastland Center on November 15, but the dates for the other clinics have not yet been determined.

As soon as the information on the dates and locations of the clinics is available, it will be released, the doctor said.

Badly Burned In Kitchen Blaze

A 16-year-old Woods boy was seriously burned about the hands and leg on Sunday, October 19, when wax which was melting over a stove burst into flame, igniting his clothing.

Taken to St. John Hospital for emergency treatment was Gray Winslow of 1822 Severn road, who suffered third degree burns on the left leg and second degree burns on both hands and right leg.

Woods police found a rug, and a kitchen door frame in flames. Patrolman Russell Allard put out the fire, while Patrolman Jack Mast took young Winslow to the hospital.

At the last report, the youth was in fair condition.

The University of Michigan conferred 264 doctors degrees and 1636 masters degrees during 1957-58.

Traffic Death Mars Record

the car at the time of the accident. They said that Mantz is the owner of the car, but a witness at a gas station to which the two had gone to purchase gas, said Frabotta was behind the wheel.

At the scene of the accident, Mack and Neff, police found Mantz slumped across the front seat, with his head on the right floor board, but Frabotta was lying on the ground where he was thrown by the force of the impact. Both men were unconscious.

An accident report disclosed that the driver of the car was going south on Neff, coming from Detroit, at an extensive rate of speed, crossing Mack without stopping for the stop sign, continued on across Mack and hit the tree about 100 feet from the corner. Although the evidence is not conclusive, police said the speedometer was smashed with the needle stuck at the 100-mile mark. It is possible that the needle might have jarred to that point, it was said.

Dies Hours Later

The accident happened at 3:45 a.m. Both men were transported to Bon Secours in critical condition. At 4:44 p.m., the same day, the hospital called to report that Frabotta had died of his injuries, and that it is not known whether Mantz will survive. He was still unconscious at the time.

Sgt. John Ontswedder and Patrolman Duncan MacEachern, in retracing the activities of the traffic victims, went to Marino's Pizzeria and Restaurant, 17447 Mack, where a waitress, Agnes Perante of 481 Drexel, Detroit, told the officers that Frabotta and Mantz had been in the establishment about an hour before the accident.

Had Been Drinking

The waitress said the two men were alone and did not talk to anyone, although they appeared to be in a happy frame of mind. It was said that it appeared the two had been drinking heavily.

In their report, the officers said that Rosemary Lilly of 12153 Wade, Detroit, Martz's girl friend, had been with Mantz and Frabotta, and was taken home before the two went to the pizzeria.

Frabotta's death marks the first City traffic fatality since April 7, 1957, when Margaret Wade, 18, of 351 Roosevelt, was killed by a drunken driver, as she stepped off a bus at Jefferson and Roosevelt, just a short distance from her home.

Shane Will Head Xmas Seal Sale

William E. Shane, vice-president of the Michigan Bell Telephone Co., will head the 1958 Christmas Seal Sale of the Tuberculosis and Health Society of Wayne County, Max L. Lichter, M.D., president, announced Thursday.

As chairman of the 52-year-old campaign to raise funds to fight tuberculosis, Mr. Shane, who lives at 365 McMillan, will direct all aspects of the sale of Christmas Seals to the residents of Detroit and Wayne County.

Mr. Shane, who attended Kalamazoo College, has been a manager of the Board of Directors of the Society for seven years and in 1951 served as its president. He is a past president and past director of the Detroit Rotary Club and is also a member of the Detroit Adcraft Club.

Well over a million of the colorful Seals will reach 530,000 people by mail in November. Christmas Seals will be placed in stores and restaurants throughout the County.

"We must have an especially strong Christmas Seal campaign this year," the chairman emphasized, "because although there were fewer cases of tuberculosis reported in 1957 than in 1956, case figures for 1958 indicate a sharp rise in Wayne County in the number of people who have TB."

Christmas Seals are the only means of support for the Tuberculosis and Health Society. Promotion of mobile chest X-ray busses, which are one of the most important methods of finding undiscovered TB cases, is paid for by Christmas Seal contributions. Early tuberculosis has no recognizable symptoms and many times a person does not even know that he has the disease until it develops into a very serious case.

Christmas Seals are important all year around. Health education for school and community groups is another way Christmas Seals help to fight TB. Both children and adults are shown the damages that TB can do, and are taught how to guard against it for themselves and their families. Christmas Seals also help pay for aid to TB patients and their families, medical research into ways and means of curing and preventing tuberculosis, and the Christmas Seal camp for children.

Top Advertising Men to Gather

Newspapers, magazines, television and other communications media will, for the first time, share in an unprecedented meeting of leading advertising men when the East Central Region, American Association of Advertising Agencies, holds its most important and biggest annual meeting to date in Toledo, O., early next month.

Seeking new avenues wherein media and agencies can prompt greater creativity, and advance advertising standards, the meeting, slated for November 5 at the Commodore Perry Hotel there, will stress the importance of mutual effort between newspapers and other media and ad agencies.

Milton Setzer Directs Play at Wayne State

The Wayne State University Theatre's opening production, "The Boy Friend" by Sandy Wilson, is performed by a cast of 17, under the direction of Milton Setzer. Performances are October 17, 18, 23, 24 and 25 at 8:30 p.m.

Mr. Setzer is the son of Mr. and Mrs. J. Milton Setzer of 1466 Dorthen, Grosse Pointe, and was graduated from Grosse Pointe High School. At present he is the staff accompanist for the Department of Health Education at Wayne State University.

He has been a soloist with the Detroit, Grosse Pointe, and Wayne Symphony Orchestras, and has accompanied such nationally known singers as Norman Scott, Jean Madiera, Herva Nelli and Hugh Thompson. He will conduct all the performances of "The Boy Friend."

Faulty Dryer Blamed in Fire

kept the water hoses on them, the four men groped through the smoke.

While seeking the valve, at least five explosions took place, causing flames to play around the four, who escaped harm as their colleagues kept them soaked with water. Finally the chief and the lieutenant located the valve and turned off the gas.

The firefighters had the fire under control within about 15 minutes after arriving at the scene, Chief Deumling said, but it was about an hour and a half before all equipment returned to the station.

Clothing Catches Fire

The chief said that the fire originated when clothing on the dryer began to smolder and then burst into flames, as the dryer became overheated. The gas meter was directly overhead.

He said that Mrs. Van Assche called the telephone operator to notify the fire department, but in her excitement failed to give her home address. The operator called the department, but was unable to give the locafion of the fire.

A Shores policeman, patroling the area, spotted the smoke, the chief said, and turned in the alarm.

The chief said that the fire was confined to the basement, but the smoke and heat went through the entire house.

The heat blistered and peeled the paint from the upper part of the house, he added.

Jaycees to Sell Pumpkins Oct. 25

The Grosse Pointe Junior Chamber of Commerce will kick off its second annual pumpkin sale on Saturday. October 25, when three teams of Jaycees with five tons of pumpkins will be asking residents of Grosse Pointe Farms, City and Park to buy a pumpkin and display it for Halloween.

The gaily decorated trailers will be roaming through the streets of these cities until 6 p. m.

Proceeds from this pumpkin sale will be used to defray expenses in sponsoring such projects as the Teen-Age Road-e-o; Teen-Age Tennis; Teen-Age Bowling; the Inter-Pointe Swimming Tournament; Clean-Up, Paint-Up, Fix-Up Week and the upcoming Christmas Lighting Contest.

The Pumpkin Sale in this area will be conducted simultaneously with other Jaycee locals throughout the nation.

Any male between 21 and 35 who may be interested in this project or the Jaycees in general, contact Milt Boyd at VA 4-6256.

Introducing Pointe's Newest Teachers

Kerby principal, DR. CUSTER HOMEIER, points out some of the winning features of Kerby School's landscaping and gardens to his new staff members. From the left are DR. HOMEIER, MRS. MARCIA HARMONY, MISS PATRICIA LANDINO, MISS PAULINE L. SCHEMMEL, MISS JUDITH ENGELKE, MISS LOUISE HUTCHINS, and MRS. THEONE PSIHAS.

Mrs. Marcia Harmony, first grade teacher, was born in Saginaw. She graduated with a B. A. from Albion College where she affiliated with Zeta Tau Alpha. Her husband is studying law. Kerby is her first full time teaching assignment. A student of ballet, Mrs. Harmony also enjoys playing the piano, reading and painting. She golfs, bowls and plays tennis when the opportunity presents itself.

Miss Patricia (Pat) Landino teaches second grade. Kerby is her first teaching experience. A native of Detroit, Pat took her Bachelor's degree at Western Michigan where she was a Kappa Delta Pi, an education honorary. She also belonged to the Association of Childhood Education International. Miss Landino states that art offers her main relaxation.

Another second grade teacher, Miss Pauline L. Schemmel, is also a native Detroiter. She graduated with a degree in education from Wayne and is enjoying her first teaching experience at Kerby. For two years Pauline was a student-assistant in the Audio Visual Center of Wayne and also had office work experience with the United States Air Force in its Detroit offices. She enjoys travel and bowling.

Miss Judith (Judy) Engelke teaches fifth grade at Kerby. She was born in Detroit and received her training from the University of Michigan. While having had no prior teaching experience, Judy served several summers as a Camp Counselor and as an office worker in the University's Pathology Department. She enjoys camping, all forms of travel, and music.

Miss Louise Hutchins, born in Detroit, teaches third grade Her home has been in Grosse Pointe for many years. She took her degree from Denison and is doing post graduate work at Wayne. Louise taught in St. Clair Shores before coming to Kerby and has also served as a Camp Counselor. She likes to travel and to play golf and tennis.

Mrs. Theone Psihas, a native of Detroit, teaches third grade Her training was received from Wayne and Michigan where she received a two-year college scholarship as well as a music scholarship. Mrs. Psihas taught in Detroit as well as having substituted in Grosse Pointe and neighboring communities for a number of years. An accomplished pianist and organist, she has had a vast experience in church and community musical organizations. Considerable experience on the editorial staff of college papers and yearbooks has given Mrs. Psihas the impetus to write many children's stories. These she hopes to publish soon. She has a patent pending on a child's education-al game. In her spare time she likes to read and to travel.

LARCENY REPORTED

Nelson Galle, of 15 Hampton road, reported to City police on Thursday, October 16, that someone had stolen a roll of concrete reinforcement wire mesh from new homes he was building. The mesh weighed 250 pounds and was valued at $22. It was taken from Waterloo and St. Clair where Galle is constructing three homes.

Woods Police Investigate Second Holdup in Week

An armed bandit, carrying a nickle-plated revolver, held up the Aladdin Cleaners, 19579 Mack avenue, on Friday, October 17, taking a small sum in cash after tying up the clerk, according to Woods police.

The holdup, the second in the Woods within a week, took place about 2:10 p.m., when the gunman walked into the cleaning establishment and the gun dropped out of his coat pocket.

Det. Sgt. Walter O'Dell and Det. Leroy Tobian said that the robber apparently did not intend to hold up the place as soon as he entered the establishment, but when the revolver dropped, he scooped it up and pointed it at the clerk, Margaret Hewes of 18814 Morang, Detroit, the only person in the place.

The gunman tied the woman's hands with strong cord, then going to the cash register, took what money was in it, $38, then told the clerk not to make a sound for 10 minutes. He fled north on Mack avenue, the officers were told. The woman worked her hands free and called the police.

The two policemen arrested a suspect who answered the description of the bandit, but released him after questioning and when he produced an alibi as to his whereabouts at the time of the robbery.

The first holdup took place on Sunday, October 12, when a lone bandit held up the Mack-Prestwick Gas Station, 19419 Mack, in the early hours of the morning.

After forcing the station attendant to an office at the rear of the building and locking the door, this thief got away with $77.59.

The attendant, Charles J. Riffenburg of 24759 Morgan, Mt. Clemens, freed himself and called police about 10 minutes after the robber escaped.

Farms Police Get New Chief

During a brief ceremony held in the Farms council chamber on Monday, October 20, the city council presented retiring Police Chief Walter (Tex) Hoyt a retirement badge, and a resolution signed by city officials, commending the chief for his years of service to the community.

Chief Hoyt retired from the department on Tuesday, October 21, his 60th birthday, after serving the city for more than 29 years.

Mayor William Connolly, speaking in behalf of the council and the people of the Farms, thanked the retiring chief for his service to the city, and then accepted the chief's badge, and presented him with one indicating the chief is a retired police officer.

The mayor than pinned the chief's badge on Lt. James Furton, whom the council approved as Chief Hoyt's successor at a meeting held on October 8, but set no time when Mr. Furton was to take over his new duties.

Before the new chief accepted the badge, it was disclosed that he was to become the new chief as of midnight, October 21.

Chief Furton was born in Mt. Clemens on June 5, 1905, and came to the Farms with his parents in 1908, and has lived in that city since that time. He is the brother of the late Harry Furton, Farms City Manager, who died in August 1956 while still in office.

Chief Furton started with the police department in July 16, 1933; was promoted to sergeant in June 16, 1947; and elevated to the rank of lieutenant on May 18, 1948.

In 1929, he married the former Beatrice Meldrum of New Baltimore. They are the parents of four boys, James R., 28, who is married and has three children; Robert, 24, who is serving with the U.S. Navy at Great Lakes, Ill., the father of one child; Gerald, 20, also with the Navy and stationed at Long Beach, Calif.; and David, who is seven years old.

The Furtons live at 381 Kerby.

MOTOR STOLEN

Robert B. Evans, of 984 Lake Shore drive, complained to Shores police on Wednesday, October 15, that sometime during the past week, someone took an outboard motor, valued at $150, from a store room adjacent to his garage.

Among Pointers active in the campaign are: — George Bailey, Hoyt Spicer, Dick Champine, John De Vos, Miss Arlene Nowak, Mrs. Charlotte Baker and Mrs. Peg Charlow. District directors include Miss Mary Bairne, Tom McNally, Mrs. Jean Robb and Mrs. Florence Scopes.

Church Group Aids Hospital

The Service Committee of Grosse Pointe Unitarian Church was organized on February 28, 1954 to implement a program of service in the mental health field which would enable every member to share in some way, a real experience of giving of one's self to bring a bit of brightness into the lives of other humans whose days are mostly hopelessly dull routine.

After preliminary consultations with hospital officers and therapists, plus visits to Eloise and Northville Hospitals, the group adopted a ward of male patients at Northville.

The first party, March 28, 1954 was a challenge to both the visitors and the patients. Soon, however, the patients looked forward with great eagerness to the once-a-month visit of their new friends. The appearance of the attractive home-made cakes, the games, and someone from outside to talk to, seemed to stir even the dullest mind to an expression of pleasure and anticipation.

Since March 1954 many other church service groups have also taken up the cause of bringing some cheer into the hospitals for the mentally ill.

This year Grosse Pointe Unitarians' Service Committee will continue this same service program with the added project of special holiday parties for mentally and emotionally disturbed children at Lafayette Clinic. Mrs. Lawrence Leadbitter, chairman for the Northville project, and Mrs. Charles Feldman, chairman for the Lafayette Clinic parties, find greatly increased interest in this service program.

The hospital staff have expressed their appreciation for the help it is to the patients who can be rehabilitated that "somebody cares."

Alma President To Preach Here

REV. SWANSON

Grosse Pointe Memorial Church will greet Rev. Robert D. Swanson, D.D., President of Alma College, Alma, Mich., as guest minister Sunday, October 26.

Dr. Swanson will conduct both 9:30 and 11 o'clock services. His sermon topic will be "This Much Is Mine".

This noted Presbyterian leader has been active in both college circles and church affairs. He served as a naval chaplain in the Pacific during World War II, and has been a member of the executive committe of the Council on Theological Education of the Presbyterian Church, U.S.A.

Church Forum To Hear Potter

Senator Charles E. Potter, candidate for re-election to the U.S. Senate on the Republican ticket in the November 4th election, will address the Adult Forum of the Grosse Pointe Unitarian Church on Sunday evening, October 26, at 8:30 o'clock. The meeting will be held in the chapel hall of the church, and the public is cordially invited.

Senator Potter will discuss the issues in the forthcoming election, as he sees them. A question period will follow.

Charles E. Potter became United States Senator from Michigan in 1952. He came to this position with a background of distinguished service in the House of Representatives, in the United States Army, and in the work of social service and rehabilitation. He started his career in 1938 as Administrator of the Bureau of Social Aid in Cheboygan County. Here he put into effect, a program of rehabilitation rather than handouts. In 1942 he left this position to enlist as a private in the U.S. Army.

He was discharged as a major in July of 1946, with many military decorations, including the French Croix de Guerre with Silver Star. During his career in the European Theater of Operations, he was seriously wounded three times. As the result of this, he lost both lower limbs.

His fight to conquer this handicap was long and difficult, but his success was so outstanding that he was chosen by the Department of Labor to serve as Vocational Rehabilitation Adviser to coordinate the work of various governmental agencies in the rehabilitation of physically handicapped veterans and other citizens.

Senator Potter was first elected to Congress in 1947 and remained in the House of Representatives until his election as Senator.

He was named "Hero of the Month" by the Disabled American Veterans, and holds the Veterans of Foreign Wars' award (1951) for "Distinguished Service to Veterans." In 1954 he received the National Rehabilitation Association President's Award "For Outstanding Achievement in Advancing the Rehabilitation of the Handicapped," and in 1955 the Parents Magazine Award "For Outstanding Service to Children."

The Fraternal Order of Eagles Achievement Award was given him in 1957 "For the inspiration he has given others for surmounting a disabling handicap and demonstrating that courage and determination can overcome any obstacle."

Senator Potter is a graduate of Eastern Michigan College, and holds several honorary degrees. He is married and lives in Cheboygan.

This meeting is the second of two conducted by the Adult Forum to enable the public to hear outstanding representatives of both major parties discuss the issues in the forthcoming election.

Musings of An Old Man

On a little hillock, to the westward where misty autumn skies seem to meet the somber ring of woodlands that rim the horizon, there is a little village. It is a silent village of granite and marble and sandstone markers that seem to glow with a certain whiteness against the undulating landscape beyond. From a distance it resembles a picture of some great modern metropolitan city of lofty skyscrapers we often see in our newspapers.

This is a city of the dead where sleep our forefathers, our kindred and those who still dwell in memory. There is no tomb to mark the resting place of some exalted patriot or honored hero, no plaques to mark some historic event in the lives of pioneers that came from distant lands at the call of freedom to conquer these primitive forests and to labor and toil and build their homes in a sanctuary of peace. Beneath that verdant sod, to fame unknown, rest the remains of such men as mighty nations are made of.

Under a spreading lilac that perfumes the air of spring there is a simple headstone with the name (PETER) engraved on it. Beneath that stone sleeps a man whom I knew well. He was an unlettered man, meager in book-learning but powerful in stature and fearless. Born of humble parents somewhere on the banks of the Vistula and reared in poverty. He spent his earlier years in drudgery on the farmlands of wartorn central Europe.

Then one day, there came a whispering from the west, a low persuasive whispering, and as the days and weeks went by, it became an incessant murmur in his mind. In his dreams he heard a calling, and saw a beckoning toward the west.

He yielded to that urging, his plans were made and the day of parting came; away from the scenes of his childhood and youth and the compulsion of military service to make his home beyond the wide Atlantic in the land of his dreams.

It was a weary, toilsome journey in a strange land, but in that rugged frame was a determination to work and in that crude mind an aptitude for learning. He was skillful with construction tools and among the craftsmen of those years in his trek toward the westward he made many friends. There was no task to meager, no task too difficult for him to lend a willing hand and to assist those in difficulty.

He stopped at last in the mighty Cedar forests of the northland. There in that wilderness as the Creator had left it, he made his home. Months and years he toiled with hardy men in those timberlands until the ring of the woodman's ax grew fainter and fainter in the distant pines and hemlocks.

He moved again to the more fertile farmlands to the southward and on the banks of the glittering Cedar he built a cabin. With untiring energy he tilled the virgin soil, cradled his wheat in stumpy fields, mowed his hay in the little flat land. His corn grew tall and his gardens yielded abundantly. Piled high against chimney stack were logs to guard against the blasts of winter. He was up before sunrise and often labored in the fields after sunset. Many feet trod the pathway to his door for some lingering chat or to bring some message or news.

He lived there long in that peace and freedom he had dreamed of in distant lands. He had a profound respect for the flag, a deep reverence for his many friends and his God. He was industrious, reliant and scrupulously honest.

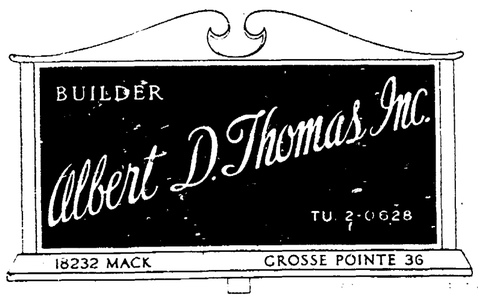

Then one day, when the cheerless December sun seemed to linger a bit longer in the murky sky, with his mattocks and forks and axes put away, calm and serne he laid a tired head on that pillow from whence there is no awakening.

The grass grows green on that little hillock, the west wind trundles the multi-colored leaves over the undulting fields, the lilacs are setting their bloom buds for the genial spring rains, the meadowlark whistles in the barren stubble and the blackbird's roundelay is heard from the thicket where Cedar bends it quiet way past the silent grave of a man whom I knew well. A man whom I loved and would emulate.

That man was my father.

What Goes On at Your Library

By Jean Taylor

"Most grown people are like icebergs, three-tenths showing, seven tenths submerged." It is Jose, the eldest of the five youngsters in Rummer Godden's GREENGAGE SUMMER that makes this telling comment. A more engaging quintette we have seldom encountered.

Childhood has become a popular quarry for today's novelist, but the author who can create real children with his pen is comparatively rare. To write of them with insight and perception, yet without sentimentality, is not easy.

In the last year or so there have been several books in the pages of which children do come alive. GREENGAGE SUMMER is one of them. Five children, ranging in age up to sixteen years, are marooned in a second-rate French hotel when the mother becomes ill and is transferred to a hospital. With little adult supervision, the sudden plunge from a middle-class English home to the less inhibited environment of a small French town, quickens the growing-up process.

The story itself is not Godden's best, but her children are delightful. Few authors have written more deftly of the growing pains of childhood and adolescence.

Entirely different from Miss Godden's children, and yet equally real, are the small fry in a recent novel, PENELOPE AND CURLEW, by Ann Bullingham. The action centers about some dozen children in a small village school of rural England. The west country dialect used throughout adds flavor rather than detracting. In the center of all the village goings-on is a teachcer, Miss Smith, the English counterpart of "Miss Dove". Fortunately endowed with a sense of humor, she rules her own little world with wisdom and kindness. Again the plot — the mysterious disappearance of a valuable necklace — is unimportant. It is the dialogue that counts. It makes up most of the book, and is so cleverly done that the reader is transported right into that small primitive bit of England, caught up in the trivial concerns of childhood that are universal.

CISKE THE RAT by Piet Bakker, we read over a year ago, but it is a book you don't readily forget. This is a translation from the Dutch, and an occasional stiffness in the text may be due to this. It tells the story of a twelve-year-old boy from the slums of Amsterdam who gradually sheds his protective covering of bitterness, hate and resentment through the guidance of an understanding teacher. The school master is warned by the principal that the new pupil is dangerous and already known to the police as The Rat.

At times the teacher may seem a little pompous, but his sympathy and understanding of the child is very real. It is a moving story which is not spoiled, but easily could have been by a too-saccharine pen. A Dutch movie of this won the Venice Festival Prize. It seemed to us a story that everyone working with children might do well to read.

Everyone is apt to look on his own childhood through rose-colored spectacles, as Robert P. Smith does in his widely-read WHERE DID YOU GO? OUT. WHAT DID YOU DO? NOTHING. He writes nostalgically, but also with tongue in cheek, of the days when doing nothing was magic. We still think at times it's magic, and we end our column by paraphrasing author Smith's closing sentence —If you will excuse me, I have an appointment with myself to sit on the front steps and watch some leaves falling.

My Phi Epsilon Grads Hear Musical Program

Mrs. Arnold Lungershausen was hostess Monday evening in her Berkshire road home for a meeting of Detroit Alumnae chapter of Mu Phi Epsilon, national professional music sorority.

A musical program was presented. Mrs. Joseph Jennings, Mrs. Paul Rice and Anna Husband assisted Mrs. Lungershausen.

Pictures for High School Will Honor Late Principal

At the time of the unexpected death of Grosse Pointe High School's principal, Walter R. Cleminson, a little more than a year ago, there were many requests that a fund be established in his memory. Donations came from students, teachers, organizations and many members of the community that benefited from his life and activity here.

At the request of the Board of Education, the Mothers' Club undertook the administration of this fund, and a committee consisting of Mrs. Fred Lauppe, chairman, Mrs. Paul Hykes, Mrs. Fred Flom, Mrs. Lawrence Ruby and Mrs. Henry Kohring began the task of deciding what form the memorial should take.

Many possibilities were discussed and investigated; the final decision was based on Mr. Cleminson's own wish, frequently voiced, that there might be pictures in the various classrooms to be enjoyed by students and teachers alike.

To this end, the committee with the help of Miss Marion Lampman, art instructor at the high school, selected a number of reproductions of paintings by both classical and contemporary artists. These have been on display in the cafeteria on the occasion of the two Open Houses for parents and will now be hung in classrooms. Each picture will bear a brass plate with the name of the work and artist as well as the inscription that it has been given to the school in memory of its former principal.

The prints purchased are: Stone City by Grant Wood; The Valley of Oise by Cezanne; Gypsy Camp and Barges, both by Van Gogh; Cliff Walkers by Monet; The Philosopher by Rembrandt; Ecole de Danse by Degas; The Steel Mill and The Blast Furnace both by E. Gerwin; The Old King by Rouault; Colorado Farm by Faucett; Composition by Kandinsky; Women of Tahiti and The Big Tree by Gaugin; Harlequin on a Horse by Picasso; Church on Halle Market by Feininger and The Band by Duffy.

The acquisition of these fine prints will be a lasting memorial to Walter R. Cleminson whose years at the high school were dedicated to its life and interests.

Mail Penalty Deferred Again

Postmaster Edward L. Baker wishes to announce that the 5-cent postage due penalty on all unpaid or insufficiently prepaid mail has been deferred again — until February 1, 1959—to permit further study by the Department and to avoid possible confusion during the holiday mail season.

On July 17, 1958, the imposition of this 5-cent shortpaid charge as applicable to unpaid and shortpaid mail was suspended to October 31, 1958, because new postage rates went into effect last August 1, and the Department felt the public's lack of knowledge about them would create needless confusion.

"It is the belief of the Department," said Postmaster Baker, "that this additional time will enable the American people to become more familiar with the variety of changes in the new postage rates and prevent penalties being imposed on innocent postal users who make honest mistakes."

"You know a good doctor for this?"
by Fred Kopp, R.Ph.

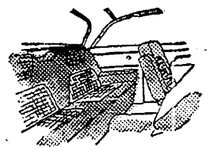

It's a question we answer all the time. Sometimes it's someone new in the neighborhood. Sometimes it's an old friend who just doesn't happen to have a family physician. The boy sprains an ankle . . . the baby runs a temperature . . . Grandma has a bad cough. Troubled people often turn to us for help, and rightly so. We work closely with physicians, providing the medicines they prescribe and use in their offices. We know who they are, their specialties, their office hours. In an emergency we're good people to ask. And we're always happy to be of service to our friends and patrons.

Hall to Speak On Port Bonds

Willis Hall will speak at the Grosse Pointe War Memorial Thursday evening at 8 o'clock on October 30. His subject will be, "Why the Port Bonds and Tax Proposal Should Be Defeated."

Mr. Hall, executive general manager of the Greater Detroit Board of Commerce, is the recognized leader of the opposition against the Port of Detroit Commission program proposal of a subsidized public dock operation in competition with the privately operated, tax paying, efficiently operated and capable docks now in operation.

He will be introduced by David C. Lowe, president of the Detroit Marine Terminals, Inc., and former vice-chairman of the Port of Detroit Commission.

EVERYBODY BENEFITS

Trucks are the only commercial vehicles which serve all of Michigan—bringing merchandise and materials from every part of the world to every Michigan household, farm and business concern.

In fact, for hundreds of Michigan communities motor vehicles are the sole means of transportation — autos and buses for passengers, trucks for freight. These communities are not served by any other transportation system!

So, you see, because trucks can and do go wherever there are roads, ample supplies of food, furniture, medical supplies, tools and machinery — necessities and luxuries from everywhere — are available anytime to people in all of Michigan.

Those in small out-of-the-way communities are as well fed, well housed and well clothed as the people of Michigan's largest metropolitan centers — thanks to trucks!

DOES YOUR TOWN HAVE GROWING PLANS?

Tomorrow's industry wants to be in tomorrow's town. A good reason for you to take an active interest in community planning today. Providing you are interested in seeing new industry come and present industry stay and expand.

Every town should plan for orderly growth and development, but the town that would attract industry must do so.

Your town needs a municipal planning commission, a comprehensive community plan, good zoning, soundly programmed public improvements, a building code, expert attention to the parking problem, etc. Your town needs these things, and your municipal officials need your encouragement and help in the efforts they are making to get them.

It's no trick to be yesterday's town, but if you're going to be today's town, you've got to work at being tomorrow's.

Join hands with your local industrial development organization and the Michigan Economic Development Department to make your community prosper.

Fall's Color Spectacular Seen in State-Wide Show

Michigan's autumn color spectacular is now going on. Admission, of course, is free; and while the performance traditionally has a relatively short run, it will play to thousands of spectators from Michigan and other parts of the midwest. And they will return again next year. For this is a show that never palls—the flaming, transient beauty of autumn.

Curtain time for the first act, though subject to the whims of weather, usually is the last weekend of September for the northern reaches of the upper peninsula. Once on the stage the color pageant moyes swiftly down from the copper country and the Lake Superior shore, east and south across the Straits of Mackinac until all of Michigan is clothed in the brilliant hues of autumn.

More and more travelers today prefer their vacations during what was once called the "off-season," according to the Michigan Tourist Council. And some 19 million acres of forestland make Michigan one of the most colorful spots in the nation in the fall, the Council says.

Yet fall is an elusive season, fleeting and unpredictable. For Dame Autum gives little warning when she will stage her magical display. But this, too, is part of its attraction.

Based on past years, October 1-17 is the most likely time to find Michigan's countryside at its color peak. But to eliminate traveler guesswork, the Tourist Council again is offering a personalized postcard service to insure proper timing for a front row seat in Michigan's outdoor theater.

A card or letter addressed to the Michigan Tourist Council, Lansing 26, is all that's necessary to keep posted on the progress of the state's fall color season.

And though the circuit of nature's autumn spectacle covers all of Michigan's water-encircled stage, many communities have charted special tours of their areas especially for the fall vacationer and weekend traveler.

The Grand Traverse region has mapped eight tours covering a five-county area. They range from 22 to 175 miles in length.

Charlevoix offers three routes with starting points at Boyne City, East Jordan, and Charlevoix and taking in the surrounding lake country.

Cadillac charts four tours through the Manistee National Forest which take in the Pine and Manistee river areas, Cooley bridge, Chittenden Nursery, Tippy and Hodenpyl dams, Caberfae and Briar Hill ski areas and lakes Cadillac, Mitchell and Missaukee.

Newaygo county, among the first in Michigan to promote its color tours, issues maps featuring such points as "Little Switzerland," Big Prairie, Croton and Hardy dams.

And farther south Barry County directs travelers to the Yankee Springs area while Ionia county offers five color tour routes, any one of which can be handled easily in an afternoon.

Still farther south, Kalamazoo county has mapped three tours from 33 to 45 miles long; Chelsea offers two junkets for an easy afternoon's drive; and Battle Creek points to its arboretum and the Kellogg Bird Sanctuary near Gull Lake.

And within minutes of Detroit is a 142-mile tour north through Michigan's dairyland and the communities of Mt. Clemens, Brown City, Romeo and Utica.

Mapped color tours for motorists and guided nature trips also are offered by the Huron-Clinton Metropolitan Authority parks in southeastern Michigan. And in the south central region are the Irish Hills near Jackson, a rare picture of blue lakes reflecting the scarlet, gold and bronze of autumn.

On the west, Muskegon charts a tour along Lake Michigan's shoreline drive north to the Whitehall-Montague area, and another south to Fruitport. On the east, Alpena recommends Lake Huron's shoreline route, US-23, as well as a number of country roads branching into the lake and forest country of the area. And Tawas has mapped a route taking in the backwaters of the Au Sable river, and the Huron National Forest.

Nature's chemistry transforms practically all of Michigan's upper peninsula into a blaze of autumn color. And special color highspots include: Sault Ste. Marie and the nearby Newberry - Tahquamenon Falls area; Iron Mountain and the 30-mile expanse of color visible from the top of Pine Mountains, Escanaba; Ironwood's Black River parkway and the Porcupine Mountain color trails; Marquette's Sugar Loaf Mountain, Lake Superior shore drive and Cliff's drive in western Marquette county; and the traditional starting point of Michigan's color pageant, the copper country—the finger-like Keweenaw peninsula with its rocky shore, twisting mountain drives and the eternal forest.

Dame Autumn is prodigal with her gift of color. All of Michigan is splashed with it. And while you don't have to leave the beaten path, the dedicated color tourist prefers "shun-piking" along the state's 94,000-mile network of county and secondary roads for a close-up view of the color spectacle. The only equipment necessary are eyes to see and a well-loaded camera to preserve the magic of autumn in Michigan.

Traffic Safety Stressed on TV

"Drivers Appeal Board," a 30-minute dramatic television show featuring re-enactments of cases heard by the License Appeal Board of the Department of State, has been switched to a new time and day. It is now being telecast from 7 to 7:30 p.m. on Fridays by Station WWJ-TV (Channel 4).

The show presents re-enactments of appeals made by individuals whose licenses have been suspended or revoked because of bad driving records. They are people in trouble, whose driver licenses play an important part in their lives, but who didn't realize how important until they lost them by action of the Driver Improvement Section of the Department of State.

The show points out forcefully and dramatically that a license is a privilege to drive an automobile and, if that privilege is abused, it will be taken away. Violations are recorded on the driver's historical file, whether the violations are committed in Detroit, Escanaba, Augusta, Maine or Augusta, Georgia. Through reciprocal agreements with other states, all violations committed by Michigan drivers in other states are sent back to this state.

Taking their real-life roles on the show each week are Charles Thomas, representing the Secretary of State, who serves as chairman of the Board, and Sergeant Willard A. Sloan, of the Detroit Police Department. Five assistant attorney generals in the Detroit office of the Michigan attorney general rotate on the show. They are Gregory H. Frederick, Wilbur DeYoung, Irving B. Feldman, Percival Piper and James Saunders.

Burton Wright, veteran Detroit dramatic actor and director, is producer-director for the program.

FORT BLISS, TEX.—Army Staff Sergeant Thomas M. Plummer, whose wife, Margaret, lives at 560 Notre Dame, Grosse Pointe, Mich., recently completed the 42-week Nike-Ajax guided missile fire control system maintenance course at the Army Air Defense School, Fort Bliss, Tex.

Sergeant Plummer, son of Mrs. Grace Loughridge, St. James, Mo., entered the Army in December, 1952.

Lutherans Form School for Adults

A new school of adult education has been formed by Lutheran churches of the Northeast Detroit area. Classes met for the first time last week at Calvary Lutheran Church, Gateshead and Mack. This school, known as the Lutheran School of Adult Education, is sponsored and subsidized by Lutheran churches of three synods —American Lutheran Church, United Lutheran Church, and Missouri Synod.

Classes for the Fall semester meet on Monday and Tuesday evenings from 7:30 until 9:00. On Mondays are "Sunday School Teacher Training" and "Self-Understanding." The curriculum for Tuesday includes "Bible Study" and "Family Relations." Both "Family Relations" and "Self-Understanding" are designed to aid the individual in developing maturity, coping with the pressures of modern living, and applying Christian principles to everyday life. The Fall semester will terminate in December.

The school grew out of the feeling that modern church administration ought to utilize any effective method for promoting a better understanding of Christian beliefs and their application to our twentieth century. By sponsoring this school jointly, the churches of the community feel that a higher calibre program can be offered. The program envisioned will include subjects in three areas: ecclestiastical, leadership training, and mental health. Pastor Schroeder, administrator of the school, commented, "This school is designed to be of service not only to the participating churches but also to the community."

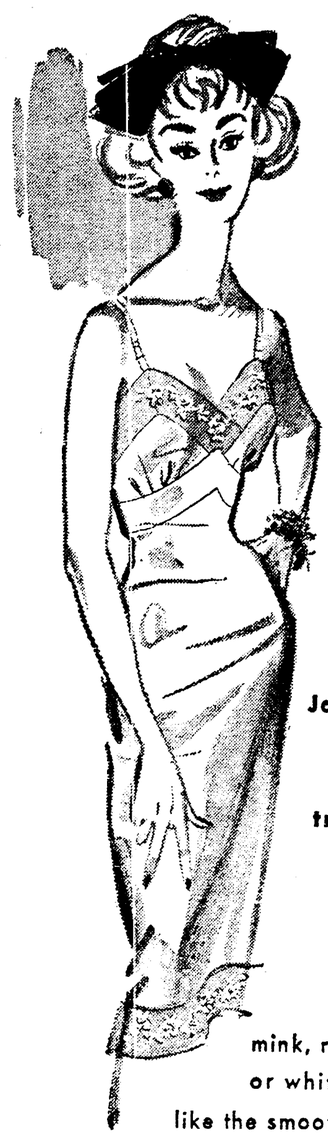

The instructors for this semester include both local church leaders and outside specialists. The Reverend Paul Keppler, in his Bible Study course, will attempt to portray the central message of the Gospel of Luke. Pastor Keppler received advanced training in New Testament at Princeton University. Teaching "Sunday School Teacher Training" is Mr. Herman Glaess, who is presently the principal of St. Peter's Lutheran School. Mr. Glaess received his graduate training at Wayne State University. A guest lecturer for this course is Dr. Pedro Meza, child psychologist of Lafayette Clinic. Leading "Self-Understanding" is Dr. Paul Lowinger, M. D., of Lafayette Clinic and the Reverend Harold Schroeder of Calvary. Pastor Schroeder will also be co-leader of "Family Relations" with Dr. Garfield Tourney, M. D., also of Lafayette Clinic.

James Roberts, registrar for the school, relates that individuals of the community may receive further information regarding registration at the time of the classes or by calling Calvary Lutheran Church.

William Katros Takes Combat Training

FORT RILEY, KAN. (AHTNC)—Army Recruit William Katros, whose wife, Georgia, and parents, Mr. and Mrs. Christopher G. Katros, live at 1000 Devonshire road, Grosse Pointe, Mich., is receiving eight weeks of basic combat training at Fort Riley, Kan. The training is scheduled to be completed Oct. 20.

Katros is a 1953 graduate of Grosse Pointe High School.

TIRE, WHEEL STOLEN

The theft of a tire and wheel from the trunk of her car was reported to Farms police on Monday, October 20, by Mrs. Arthur Ardwin, of 330 Moross road. She said the vehicle was parked in front of her home at the time of the theft.

so much more for so much less- GAS naturally

GAS IS SILENT—so perfectly so! Take refrigeration—it's just one example! When you refrigerate with gas, there's no motor-hum because there's no motor. The clean gas flame works silently, circulating the refrigerant which absorbs heat—and without the noise and vibration that go with unnecessary moving parts. And that silence means more good news—with so few moving parts, there's less to go wrong. Costly upkeep is cut. For home heating, cooking, water heating, incineration, refrigeration or air-conditioning—gas is silent, naturally!

'59 Dodge Offers Style, Comfort, Economy

The tail fins of 1959 Dodge cars, like this Custom Royal four-door Lancer, have softer, more flaring lines. A new high-contour roof provides more headroom and allows easier entry and exit. New engines and advanced torsionaire suspension provide greater gas and tire economies. Michael Motors, local Dodge and Plymouth dealers, 19391 Mack avenue, are now showing the new Dodge line.

Red Cross Jrs. Hold Elections

Members of the Wayne County Council of Junior Red Cross last week elected three Grosse Pointers to official positions for the current school year.

Frank Munger, 211 Lakeview, Grosse Pointe University School junior, was elected vice-president of the Council, composed of representatives of more than 60 junior and senior high schools. Munger is co-president of his own school's JRC Council and has been active in its programs since early school days.

He represented the County Council at a 10-day Leadership Training Center, held in Lake Geneva, Wisconsin, this summer and subsequently was a member of the planning committee for the Wayne County Leadership Center. Young people and adult counsellors from JRC Councils in the 16-state Red Cross Midwestern Area attended the Lake Geneva session, discussing projects suitable to be undertaken in local schools which participate in Junior Red Cross.

Charles Chamberlain, Jr., 19940 O'Mara court, Grosse Pointe High senior, was elected Wayne County JRC Council parliamentarian. Chamberlain has been a member of GPHS Junior Red Cross Council, served on the Training Center planning committee and helped present discussions at its sessions.

Harriet Howe, 757 Hawthorne road, was elected editor of JUNIOR JUNTA, a publication of the Wayne County JRC Council. Harriet was assistant editor for the JUNTA last year while a student at Parcells junior high. She has attended two Leadership Training Centers, serving on this year's planning committee.

Amelia Demkowicz, Hamtramck high, and Alice Cook, Mackenzie high, were elected president and secretary of the County Council, respectively.

Junior Red Cross volunteer teacher-sponsors at Grosse Pointe High and Grosse Pointe University School are Miss Rachel Fundingsland and John Conley. Mr. Conley participated in a panel discussion of "What Junior Red Cross Can Mean to the School and Chapter" at the recent Red Cross state conference held in Lansing's Civic Center.

Other Grosse Pointe students attending the Leadership Training Center included: Pat Moran, 1928 Prestwick; Carole Scherer, 1366 Hollywood; from Grosse Pointe High and Sharon Sanders, 10770 Beaconsfield; Irving Smokler, 1900 Balmoral; Sarah Strother, 798 Pemberton, Grosse Pointe University School.

Special guests at the Center were four young people currently attending GPHS while living temporarily in this country. They were asked to help the American youth interpret problems and experiences common to youth around the world as they are seen by young people in other countries. They are: Daniela Celli, 634 Cadieux, from Italy; Chiara Pradelle, 808 Berkshire, from Italy; Gisela Schmidt, 1043 Devonshire, from Germany; James Tortella, 44 Hampton road, from Spain.

Park Drivers Win Awards

Sixteen drivers of the Park's Department of Public Works were presented top awards for years of safe driving at a brief ceremony held in the Municipal Building on Wednesday, October 1.

Complimenting the drivers for their countless hours of driving without a chargeable accident marring their record, was George J. Danke, safety engineer for the firm insuring the Park employes.

Herbert Heger, head of the Public Service Department, made the awards presentation to the following men:

For 11 years of safe driving: Albert Cook, Frank Sandley, and Cyril Corte; for 10 years: Frank DeBets, Thomas Stack and Clyde Rennolds.

Three years of safe driving: Charles Roberts, Richard Robb, Benjamin Hall and Victor Huvaere; and for two years: Harold Duesbury, William Griesbeck, Carl Butcher, Oscar Sabbe, Herman Keith and Charles Crombetz.

The awards are only for driving while on city business and with city owned vehicles, within the city limites, or outside the limits, and are presented annually.

PICK KING AND QUEEN

At the first dance of the season at the Neighborhood Club on Friday, October 3, a King and Queen were selected for the month of October. Robert Gonas and Nancy Thorpe received the acclaim of the group for being the best dancers of the evening. The King and Queen will reign for a month and will be selected by judges the first of each month.

Institute Offers Concert Series

The Detroit Institute of Arts has broadened the scope of its 1958-59 series of subscription concerts. Five evening programs are scheduled, starting Friday, November 7, with Julian Bream, English guitarist and lutenist, who will play Renaissance and Baroque music in the Lecture Hall at 8:30 p.m. A reception will follow the concert.

Mrs. Michael W. Freeman is chairman of the series for the third consecutive year. She said both the Bream concert and the program of the Jose Limon dance company on Friday, November 28, at 8:30 p.m. in the auditorium, would be devoted to Renaissance art.

The Institute's most important exhibition in many years, "Decorative Arts of the Italian Renaissance," for which objects valued in the millions are being imported, will open November 18 and continue through January 4. The Limon company, featuring Pauline Koner, will present Italian Renaissance dances.

Other programs through the season will be: the American Artists Trio—Joann Freeman, pianist, Paul Olefsky' cellist, and Gordon Staples, violinist—Saturday, January 17, at 8:30 p.m. in the Lecture Hall; Marais and Miranda, international balladeers, Saturday, January 31, at 8:30 p.m. in the auditorium; and the Budapest String Quartet, Wednesday, March 4, at 8:30 p.m. in the auditorium.

Mrs. Freeman has a distinguished committee of well-known music enthusiasts assisting her. Trustees of the Detroit Museum of Art Founders Society sponsor the series.

Police Honored By Association

The Juvenile Officers' Association of Michigan and Ontario, Canada, recently elected Park Det. Lt. Arnold Hough as its president for a one-year term.

Two other Pointe policemen, Shores Lt. George LaForest and City Sgt. Douglas Allor, were elected members of the Board of Directors.

The organization, in its fourth year of operation, is comprised of 56 police and sheriff departments of five Michigan counties and in Ontario.

The group meets each month at the headquarters of one of its police agency members, to discuss plans to combat juvenile delinquency, and to talk over the current problems pertaining to juveniles and how to solve them.

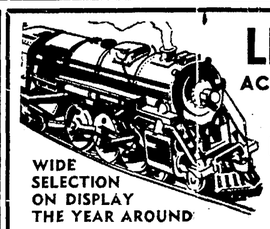

Lt. Hough, Lt. LaForest and Sgt. Allor will be installed in their posts during ceremonies to be held at the Beachcombers, St. Clair Shores, on Wednesday, November 12.

Honor Karl Schmidt At Wayne State Univ.

Karl E. Schmidt of 1110 Hawthorne, was one of four top engineers to receive honorary degrees during concluding ceremonies which highlighted Wayne State University's College of Engineering 25th anniversary celebration on Friday, October 17.

Schmidt is a vice president and engineer for the Michigan Consolidated Gas company, and chief engineer for the American Natural Gas company.

He is also an alumnus of the university and was the recipient of the university's first master's degree in engineering.

Chief Issues Fire Warning

Don't rely on Lady Luck in place of a good baby-sitter.

Children left alone at home would be trapped and helpless if fire or some other emergency should strike, Farms Fire Chief M. William Mason warns.

"Never leave your children alone, not even for a few minutes," the chief urges in a Fire Prevention Week message. "A study by the National Fire Protection Association shows that one out of every three child fire victims was alone and helpless when the fire struck."

Chief Mason also pleads with parents to take these precautions to protect their children from fire at home and at play:

1. Be sure that baby sitters have specific instructions in case of fire. These include orders to get the children outside the instant smoke or gas is smelled, the location of at least two escape routes, and how to get in touch with the fire department, parents, doctor, and police.

2. Keep young children—two and under—in constant sight and mind.

3. Teach older children how to use and respect fire. Don't forget: they learn best by your example.

4. Keep your home free of fire hazards by regular inspections. The fire department will help in this.

5. Train children of all ages how to get out of the house to safety in case of fire. Have at least two escape routes from every room, and be sure the youngsters know these routes by heart.

Mental health, preventive medicine, chronic diseases, and rehabilitation are the three most important problems facing American medicine today, according to Dean Albert C. Furstenberg of the University of Michigan Medical School.

Semifinalists In Merit Test

Headmaster John Chandler, Jr., of Grosse Pointe University School announced that two students at that school have been named semifinalists in the 1958-59 National Merit Scholarship competition. They are: Jane Peirce and William Walker.

The local students are among 10,000 of the highest scorers on the National Merit Scholarship Qualifying Test, the nationwide test of educational development given in over 14,000 high schools on April 29.

The Semifinalists named outscored over 479,000 classmates, and thus moved a step closer to an estimated $5 million in Merit Scholarships to be awarded in the 1958-59 program. The group of 10,000 Semifinalists is composed of the highest scorers in each state, prorated according to state population.

The Semifinalists now face another rigorous three-hour examination, the Scholastic Aptitude Test of the College Entrance Examination Board, which will further substantiate their high scores on the NMSQT. This second test will be given in testing centers throughout the U.S. on December 6, 1958. Those who repeat their high scores on this second test will become Finalists in the competition.

Art Institute Sponsors Talks

The Detroit Institute of Arts Lecture Series began its season Tuesday, October 21, with Dr. Sherman Lee, director of the Cleveland Museum of Art speaking on "Decorative Style in Japanese Art", at 8:20 p. m. in the Lecture Hall.

Four other lectures are on the series of five. These are: November 25—"Masterpieces of Bronze Sculpture" by John Pope-Hennessy, Keeper of Sculpture and Architecture, The Victoria and Albert Museum, London; January 27—"Contemporary Architecture" by Paul Rudolph, Head of the Department of Architecture, Yale University; March 24—"American Art Today" by Emily Genauer, Art Critic, New York Herald Tribune; and one in May, to be announced later. Receptions follow each lecture.

Season tickets are on sale now at $5.00 and single admission is $1.00, students 50c.

Among the Pointers serving on the Lecture Series committee are Miss Florence Davies, of Bishop road; W. Hawkins Ferrys, of East Jefferson avenue; Mrs. John N. McNaughton, of Edgemont Park; Mrs. David M. Sutter, of Pine court; Mrs. Frank B. Ware, of Washington road, and Dr. Joseph Whelan, of North Oxford road.

in home after home after home...

there's always plenty of hot water

the new electric water heater way

In home after home there's a new electric water heater. And the families in these homes enjoy all the hot water they want.

You can be confident that an electric water heater, plus Edison's new Super Supply Plan, will provide round-the-clock hot water for all your family's needs, too. Then you can plan your day more efficiently—do the laundry, wash dishes, schedule showers when you want to.

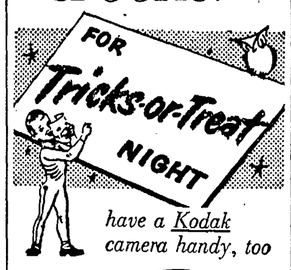

Here's the convenient, modern way to **GET IT HOT . . . GET A LOT** for an operating cost as low as $3.88 per month.

Only electric water heaters give you all these important advantages:

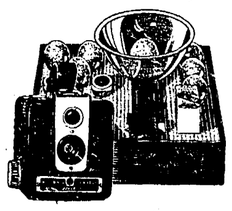

- ☒ Efficient—the heat goes into the water
- ☒ Install anywhere—need not be near a chimney
- ☒ Long life—meet Edison's rigid standards
- ☒ Automatic—all the time
- ☒ Fast—new, more efficient heating units
- ☒ Outer shell—cool to the touch all over
- ☒ Edison maintains electrical parts without charge
- ☒ Safe—clean—quiet—modern

Nursing League Offers Lecture

Counselors from 15 schools in Grosse Pointe and surrounding area will attend an educational program and lecture, sponsored by the Detroit and Tri-County League for Nursing, Thursday, October 30, in Cottage Hospital, 159 Kercheval avenue.

The purpose of the meeting, scheduled to start at 3 p.m., is to interest high school students in nursing by explaining the requirements, value and future of the profession to the advisors.

Invited to participate are leaders from the following schools: Dominican, East Detroit, Grosse Pointe, Harper Woods, Eastland Junior High, Lake Shore, Lakeview, Sacred Heart Academy, St. Gertrude, Lutheran, St. Paul, St. Philip Neri, South Lake, Regina and Roseville Sacred Heart.

The lecture will be given by Miss Ann Partridge, RN., assistant director School of Nursing, Evangelical Deaconess Hospital.

The talk will be aimed at aiding high school counselors, principals, assistant principals, teachers, sponsors of Future Nurses clubs, and youth group leaders in guiding youngsters into the various nursing schools and classes in Michigan.

Miss Partridge will discuss the educational program which lead to a career in nursing—the college degree program, the three and two year courses in hospitals and junior colleges and practical nursing. She will touch on the various types of positions open to professional and practical nurses and explain the qualifications for nursing.

Urging Change In Constitution

Believing that Michigan's 50-year-old Constitution is out of date for modern times, a group of citizens and nonpartisan organizations representing all areas and interests in the state is forming a Citizens' Committee to urge a favorable vote November 4, on the question of calling a State Constitutional Convention.

Committee chairman is former United States Senator Prentiss Brown, Sr., of St. Ignace. Long a student of state affairs, Mr. Brown is a strong supporter of the ballot issue asking for constitutional reform.

Former Governor Murray D. Van Wagoner, who also has served the state as highway commissioner, is another committee member. "It is time for a change," says Mr. Van Wagoner, who appointed a constitutional revision commission to make recommendations on the matter during his administration as Governor.

Frederick M. Alger, Jr., Secretary of State from 1947 to 1952, also gives his name in support of the issue.

Dr. Alexander G. Ruthven, president emeritus of the University of Michigan, and George E. Bushnell, past State Chief Justice and chairman of the 1941 commission mentioned above, both of whom have devoted much time and interest to public service in Michigan, are serving on the committee.

Businessmen, educators, clergymen, judges and attorneys, municipal and township officials, housewives and salaried workers are represented.

Organizations supporting the call for Constitutional Convention include: Michigan Municipal League; Michigan Congress of Parents & Teachers; United Church Women of Michigan; Michigan Federation of Business and Professional Women's Clubs; American Association of University Women, Michigan Division; Michigan Junior Chamber of Commerce; Michigan Education Association; League of Women Voters of Michigan.

To Offer Florida Properties

ALEX D. MacKELLER,, executive director for George F. Short, Inc., Realtors, is shown returning from an inspection tour of the Mackle Co. and General Development Corporation's Florida properties, which the local firm will handle on the East side through an arrangement with the Gordon Williamson Dearborn Company, who are state agents. Meeting MacKeller at City Airport, are left to right, president, GEORGE F. SHORT, the company attorney, EDMUND W. TROPP; and HARRY WILDE, who is assisting in sales promotion. The Short Company will show movies of the Florida sites in its offices, 19934 Harper Avenue, on Thursday, October 23, at 7 p.m., to which the public is invited.

The University of Michigan NROTC Rifle Team won 37 of 42 postal matches with other NROTC teams last year.

Reading improvement services help nearly 1,000 University of Michigan students each year.

Shows at DAC Lure Pointers

It's to be a gay six nights at the Detroit Athletic Club's upcoming dinner - dance - floor show slated to open this Friday, October 24, and many of the club's Grosse Pointe members are planning to entertain groups or foursomes at one or another of the fun evenings.

Nadja Witkowska, coloratura soprano whose distinguished career has included both operatic roles and lighter types of song, will be the show attraction. It will be a return appearance at the DAC for this brilliant young singer, a native Detroiter now making her home in New York. She will be at the club through October 30.

Dinner-dancing and after-the-show dancing will be to the music of the Seymour Hoffman orchestra. Curtain time for the entertainment is 9:30 o'clock.

Among Grosse Pointers with reservations for the opener are the J. Alfred Grows, Jr., the Thornton E. Waterfalls, the Lester M. Elliotts, Daniel L. Becks, and Lee Roy Scotts.

The Arthur G. Kirchners have chosen the Saturday gala night, as have the William G. Sieberts, the Ivan Kirlins, the Hans A. Ernes, Arthur J. Fushmans, Walter Horns, Earl Quibells, and Errol J. Gays. A few of those with tables for succeeding evenings are the C. A. Noltes, Kenneth Cunninghams. Harrison Watsons, and Mr. and Mrs. Herman C. Joos.

Many an argument has been won by a negative reply given in a positive manner.

Constance Egle Wed To Patrick Watling

Constance Sharon Egle, daughter of Mr. and Mrs. Arthur G. Egle Jr., of Beaufait road, and Patrick James Watling, son of Mr. and Mrs. N. Ray Watling of McKinley avenue, were married October 11 at an afternoon ceremony in Grosse Pointe Memorial Church.

The bride wore a chantilly lace wedding gown, and seed pearls outlined her headpiece which held a fingertip veil bordered with lace. She carried a spray arrangement of white rosebuds, amazon lilies and stephanotis.

Mrs. Frank Couckuyt, honor matron, and Mrs. Hugh Pike were in powder blue velvet and taffeta frocks. They wore matching small feathered hats and carried yellow daisies.

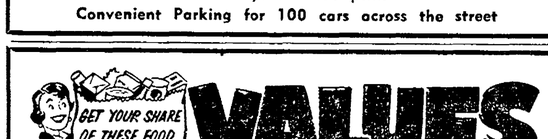

Hugh Pike was best man. Frank Couckuyt escorted guests to their places.

Mrs. Egle donned a lace cinnamon dress and brown orchid corsage for her daughter's wedding and the reception which followed at the Grosse Pointe War Memorial. The bridegroom's mother chose a blue dress accented by pink and white orchid corsage.

When the couple left for a honeymoon in Canada, the new Mrs. Watling changed to a plaid silk cotton sheath dress with Italian collar and red accessories.

Betrothed

Mr. and Mrs. William John Pulte of Buckingham road have announced the engagement of their daughter, MAUREEN AUDREY, to James John Reilly Jr., of New York City.

Maureen is a graduate of the University of Detroit Law School, where she was affiliated with Theta Phi Alpha, Gamma Phi Epsilon and Kappa Beta Pi.

James, son of Mr. and Mrs. James John Reilly, of Buffalo, N.Y., graduated from Canisius College, in Buffalo, and the U. of D. Law School. A member of Delta Theta Phi at U. of D., he was also senior class president. He is now studying for his masters degree in law at New York University.

The couple will be married December 27.

Woods Church Holding Supper

A 6 o'clock potluck supper is being planned by the Women's Association for all the families of the Grosse Pointe Woods Presbyterian Church, Tuesday, October 28.

The program, "Fun and Festival in Japan" will be under the direction of Mrs. Donald Lindlow, Secretary of Missionary Education, assisted by Mrs. Joseph Craig.

Dedication of the day will be given by the Marshall Moser family. There will be a short business meeting with Mrs. Dwight Struthers, president of the Association, presiding. The election of officers for the coming year will be held.

The hostess groups are the Deborah group, Mrs. C. J. Carlson, leader, and the Rachel group, Mrs. Alex Gill, leader.

Party Planned By Newcomers

Grosse Pointe Newcomers will don their blue jeans, ten gallon hats and plaid shirts for a Western Round-Up Party on October 25, at 8 p.m., the corral being the Veterans Hall, 20916 Mack.

Mr. and Mrs. Donald Bay, party chairmen, have planned an evening of entertainment and dancing, refreshments to follow.

Their committee members are Mr. and Mrs. Roy Ellis, Mr. and Mrs. Huge Wanke, Mr. and Mrs. William Hoffman, Mr. and Mrs. Walter Sahli, the Elton Turners and Richard Woelfels.

Such parties as bridge, theatre, hayrides and dances, will be held twice a month, as usual, this season.

Nearly two million feet of film was distributed by University of Michigan Broadcasting Service-Television for use by television stations last year.

A healing message for you and your neighbor . . .
The healing truths of the Bible are as practical and available today as they were in the time of Christ Jesus and the Apostles.
The present availability of healing through prayer or spiritual means alone is explained in all Christian Science lectures.

BIRDS OF A FEATHER—Flocking together to exchange the latest gossip, long-necked birds make their headquarters on a picturesque old dock at the Sailing Marina in Washington. The question is: are the birds cranes or herons? The answer remains unknown since the birds take wing and fly away as soon as any would-be investigator gets too close. This photo was taken with a telescopic lens.

THROW'S THE THING—Learning by doing, screen star Gregory Peck (right) gets a lesson in hand-grenade throwing from Army Capt. Joseph G. Clemons Jr. while filming a new movie on location at Trifuno, Calif. Clemons, winner of the Distinguished Service Cross and the Silver Star, is serving as technical advisor for the filming of "Pork Chop Hill." Peck portrays the part of Capt. Clemons, re-creating the role the latter played in the actual battle of Pork Chop Hill during the Korean conflict.

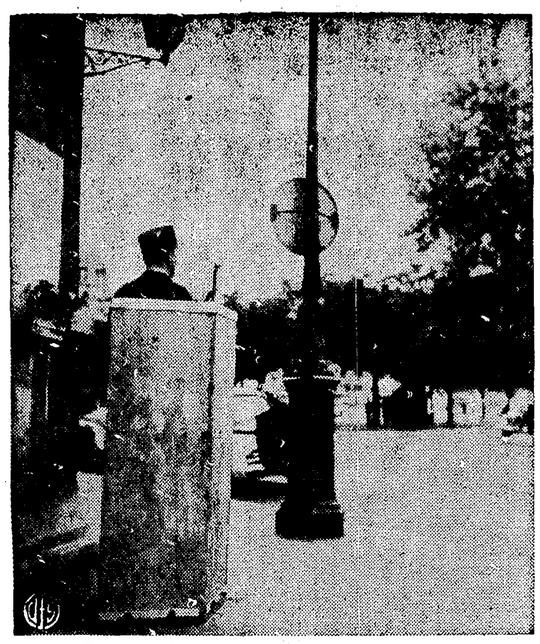

MORE POWER TO 'EM — Displaying considerable ingenuity, a UPI Movietone camera team uses the battery power from a parked auto for the filming of a street interview in Little Rock, Ark. Subject of the interview was Mrs. Margaret Jackson, president of the Central High School Mothers League.

SCHOOL BUS — Crowded classrooms give these kids in Brighton, Wis., a strange schoolhouse on wheels as they learn their lessons inside a bus. The youngsters, gesturing as they sing with teacher Mrs. Allyn Geary, are children of workers at a new air base and live in a trailer camp. Regular schools in the area were so overcrowded that the kids couldn't be admitted.

SPEAKS FOR ITSELF—This sign for a stone company in Rock Springs, Wis., speaks for itself. It appears to offer to sell a physical disorder in four different colors—rose, buff, tint and natural color.

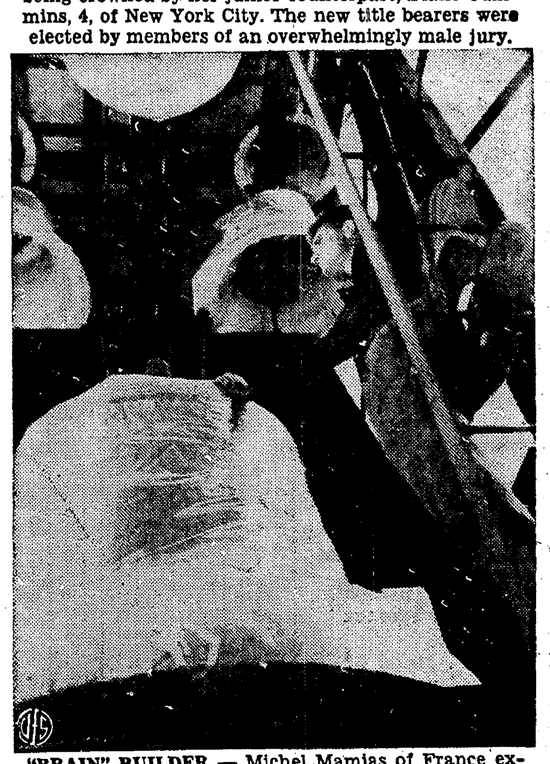

SELF-DEFENSE—Standing behind a bulletproof concrete shield, a tommy-gun carrying Paris policeman watches over the Saint Sulpice Square in Paris. French authorities are rushing more of such shields to completion for the protection of men on duty at police stations and official buildings. Recent attacks by Algerian terrorist gunmen have been directed mainly against troops, police and security forces in the French Capital.

MAKING THE CHANGE—Bewilderment is written all over the face of this aged salt dealer as she holds a U.S. dollar and wonders how to make change in Naha, Okinawa. The old "B" yen currency of the island is being converted into American dollars and the local citizens are somewhat baffled by the switch.

PAIR OF QUEENS—Charlene Holt of Snyder, Texas, has been named "Miss Sweater Girl, 1958," by the Wool Bureau and The Knitted Outerwear Foundation and is being crowned by her junior counterpart, Diane Cummins, 4, of New York City. The new title bearers were elected by members of an overwhelmingly male jury.

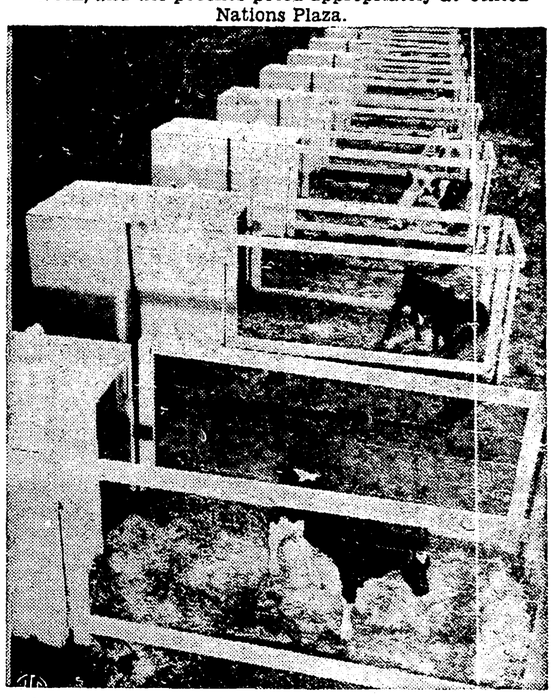

"BRAIN" BUILDER — Michel Mamias of France examines a six-ton bell inside the Robert Taft Memorial in Washington, D. C. The bell was forged in the historic Paccard family foundry in France. The six-ton bell and 26 smaller ones will be played by an electronic "brain" or console which was built by Mamias. The bells will toll the hour and play hymns and national airs and on clear days will be heard within a radius of five miles from the Capitol.

SHADY LADIES—Making sure they're well protected against sun and wind, Formosan girls wear wide-brimmed hats and wrap towels and cloth around their faces and arms while working at an air base in Tainan. The girls don't want their skins darkened by the sun, feeling that a lighter complexion gives them a better chance at marriage.

CANINE SALUTE TO PEACE—Peace is the word as we see these two different breeds in canine comfort. Dunne, the Old English sheep dog, holds position for the cameraman with his little friend, T-Alana, a Yorkshire terrier. The occasion is the observance by New York City of the 31st anniversary of National Dog Week, and the pooches posed appropriately at United Nations Plaza.

CALF COMFORT — Living alone and liking it, calves are housed in individual "Calfloos" at a research farm at Elk River, Minn. The Calfloos, flat-roofed, weather-tight wooden structures, are the chief feature of a new low-cost calf-raising system that promises relief for the daily industry's annual $95,000,000 headache—the loss of one out of every five calves born. The Calfloo system, developed by Nutrena Mills, Inc., animal subsidiary of Cargill, is based on principles of isolation and disease prevention proved earlier by Nutrena's "Pigloo" system of hog production. A calf is placed in a unit shortly after birth and has no physical contact with other animals.

KNICKERS ARE BACK—The wheel of fashion spins 'round and 'round and brings yesteryear's knickers back to feminine wardrobes. Originally the exclusive property of small boys and golfers, the puffy midway pants were the rage of lounging ladies back in the 'twenties—and here they are again! Done by Glen of Michigan, they are worn with Ship 'n' Shore's crewneck pullover of black acrilan ribbed knit.

BIRD IN HAND — Doing more than just listening to the mockingbird, 11-year-old Gay Fogel gives her pet a lesson in whistling at Austin, Texas. The mockingbird is the official state bird of the Lone Star State.

WORLD GIRDLER — Frances Stark, feature writer for the Humboldt Times of Eureka, Calif., who was chosen "Naturflex Woman of the Year," looks over sign markers showing cities she will visit during a 21-day round-the-world trip she won in a competition with more than two million women. She's shown in San Francisco prior to taking off for New York and places east.

LEG ART—Looking like a flagpole sitter, this flamingo at the Whipsnade, England, Zoo balances delicately on what looks like a precarious perch. Actually, the bird is resting comfortably on one skinny leg, while the other is tucked under his body.

DILEMMA — What a predicament for any two-year-old to be in. In tears is two-year-old Julie De Ford of Denver, Colo., who can't decide whether to keep up her hula hoop or her pants which are falling down.

DOLL DEVOTION — Surrounded by bouquets of congratulatory flowers, famed doll maker Mrs. Kaethe Kruse celebrates her 75th birthday in Donauwoerth, Germany. A woman whose skillfully fashioned dolls have brought happiness to children all over the world, Mrs. Kruse still visits the shop where her three children continue to run the business.

Small wonder that the Friends of Modern Art of the Detroit Institute of Arts are agog these days . . . they will present Victor Borge, the inimitable entertainer, in a benefit concert Saturday evening, December 20, at the Detroit Institute of Arts auditorium. As a result, that date is already encircled in red on a good many calendars in and around the Pointe.

Mrs. Fred Alger, just back from Europe to close the Brussels World's Fair with her husband, the former United States ambassador to Belgium, is chairman for the benefit. She'll be a busy lady from here on in as she works with committee aids Mrs. Roy D. Chapin and Joan Sattley on arrangements for the BIG night.

News from the West

Mrs. Donald E. Thurber and her three youngsters, Scott, Wendy and Kelly, of Sun Valley, Ida., are spending two months as guests of Mr. and Mrs. Warren S. Parr Jr., in Palos Verdes Estates, Calif. Mrs. Thurber and Mrs. Parr are the former Lois and Marilyn Buck of Pemberton road.

With the Thurber children and small Kerry Lynn Parr, they are touring Disneyland, various movie and television studios, and recently appeared on Art Linkletter's House Party TV program.

The Thurbers are in the process of building a ranch house at Sun Valley, where Mr. Thurber is a ski instructor. January will find Mrs. Parr and Kerry flying to Sarasota, Fla., to spend a month with her mother, Mrs. Kenneth F. May.

The sisters plans to be in Grosse Pointe next year for a reunion with their friends, and they'll also go to Ionia, Mich., for a visit with their brother and sister-in-law, Dr. and Mrs. Jack Buck.

Christ Church Fair To Be Held Nov. 13

Nantucket Doll House to be One of Many Features; Mrs. Edward S. Evans, Jr. Is Chairman Of Big Biennial Event

One of many attractions at the November 13 Christ Church Fair will be a doll house to enchant children and adults of every age.

Mrs. Charles H. Fletcher took an old doll house from the attic and refurbished it into an authentic gray shingle Nantucket house of the 1830's. She made some of the decorations and purchased other furnishings; end result is a lovely three-floor doll house with a garden on either side.

The doll house will be set atop a seven-foot table in the parish house during fair hours from 10 a.m. to 6 p.m. Incidentally, a sit down luncheon will be served that day for fair-goers. Mrs. Nelson Holland is luncheon chairman.

In the Wonderland for Kiddies, Mrs. John Massey and Mrs. Charles B. Johnson Jr., will have Christmas gifts for the youngsters to give their parents and such inviting games as throwing wet sponges at a target.

Treasures of Tomorrow will include good china pieces and miscellany to attract shoppers, say Mrs. Simpson Leonard and Mrs. Benjamin Paddock.

Linens, luncheon sets, decorated felt hot pads and cocktail napkins will be found in the House Beautiful shop, where Mrs. William Tost and Mrs. John Kenower will hold forth.

Arts and Crafts will display painting on old glass frames and a variety of items. Mrs. Henry B. Joy Jr., and Mrs. George Monro III are in charge.

Gardeners will be drawn to the Garden Mart, where flower pots, dried flower arrangements and any number of gardening accessories and ornaments will be sold. Co-chairmen are Mrs. Richard Joy Jr., and Mrs. John N. Lord.

In addition to delivering orders, the Motor Corps, headed by Mrs. Robert Peirce, will operate a shuttle service between Grosse Pointe Memorial Church and Christ Church to alleviate parking difficulties.

Mrs. Edward S. Evans Jr., is fair chairman, with Mrs. Erville B. Maynard, ex-officio chairman. Assisting are Mrs. Theodore Buttrick and Mrs. John E. Caulkins as first and second vice-chairmen.

Mrs. Henry Ledyard and Miss Frances Booth are co-treasurers. Mrs. Harry W. Kerr is recording secretary; Mrs. Benjamin Long, corresponding secretary, and Mrs. Warren Shelden, chairman for devotionals and Woman's Auxiliary.

Committee chairmen include Mrs. John B. Ford III, artists; Mrs. Benjamin Warren, hostesses; Mrs. David Rust, loud speaker; Mrs. Malcolm Barnum and Mrs. Willard P. Kerr, publicity; Mrs. W. Brace Krag, services; Mrs. John B. Ford Jr., and Mrs. Robert B. Semple, staging; Mrs. George Burton Smith, supplies; Mrs. Harry Carson, traffic; Mrs. John French Jr., volunteer placement, and Mrs. Henry Earle, door check.

Artner-Knapp Vows Exchanged

Mary Alice Knapp, daughter of the R. G. Knapps, of Cleveland, O., was married recently in St. Vincent De Paul Church to Robert Otto Artner, Jr., USN, SC.

For the rites the bride wore organzine in a princess style with a matching bonnet to hold her imported illusion veil. She carried stephanotis and ivy.

The bride's sister, Mrs. A. F. Sibila, was matron of honor in lavender taffeta trimmed in deep purple velvet. Her bouquet was of pink carnations and ivy.

Dressed like the honor attendant were the bridesmaids, Nancy and Gail Artner, sisters of the bridegroom.

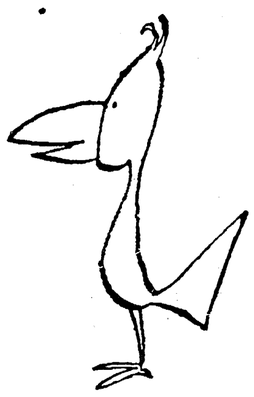

Ensign Walter De Goft was best man for the bridegroom, son of the R. O. Artners, of Yorkshire road.

Ushering were Roland G. Knapp. Robert A. Knapp, Raymond G. Knapp, Jr., and Edward J. Sonnhalter.

Following a reception the couple left on a short wedding trip. They will live near Athens, Ga., where Mr. Artner is stationed.

Pointers Heed Call Of Foreign Travel

Elton F. MacDonalds Heading for Switzerland to See Son Robert; Mrs. David Sickelsteel Off for Far East

Any time of year is travel time in Grosse Pointe, and more than a few residents are making plans to go out of town in the near future.

October 31 will find Mr. and Mrs. Elton F. MacDonald of Windmill Pointe drive leaving New York and they will be in Geneva, Switzerland the very next day. They will board a jet plane in New York, reaching Paris in 6½ hours, where another 1-hour plane trip will take them to Geneva.

The MacDonalds plan to spend a week with their son, Robert, a junior at the University of Geneva, before their three-week combined business and pleasure trip takes them on to Germany, France and Belgium.

Robert attended the University of Colorado last year, and went abroad early in September to take six weeks of concentrated French courses before the university's regular classes begin late this month. He is specializing in business and languages.

Robert has been abroad several times before, the most publicized trip being his safe return from the Andrea Doria on its ill-fated final cruise.

Mrs. David Sickelsteel of Moran road is busy with plans for her mid-November departure. Leaving Los Angeles for Honolulu, she will make a two-month air trip of the East.

Japan, Hong Kong, Egypt, Israel, Greece, Turkey and the Holy Land are on Mrs. Sickelsteel's tour, and she will be in Bethlehem on Christmas Day. She will fly home from Spain late in January.

Because she will be gone for the Thanksgiving and Christmas holidays, her son and daughter-in-law, Mr. and Mrs. Donald W. Sicklesteel are coming from Ithaca, N. Y., this weekend for a farewell visit. Carol and Donna Sicklesteel will accompany their parents.

Village Garden Club Plans Tea

The Village Garden Club will hold a benefit card party and tea at 12:30 p.m. Friday, October 24, at the Grosse Pointe War Memorial.

Mrs. John Robert Gordon

—Photo by Alice Elizabeth Whitt

In Christ Church Saturday afternoon, ALDEN GRINNELL EDGAR spoke her marriage vows to John Robert Gordon. She is the daughter of Mrs. Fredrick W. Parker, Jr., of Washington road, and Robert Bone Edgar, of Lincoln road. Her husband is the son of Mrs. William E. Gordon, of Albany, N.Y., and the late Mr. Gordon.

Alden Edgar Weds John Robert Gordon

Mr. and Mrs. Fredrick W. Parker, Jr., Give Reception Following the Wedding of her Daughter in Christ Church; Couple to Live in St. Clair Avenue

In the white Italian silk wedding gown worn last July by her sister, Mrs. Benjamin Gaines Chapman III, Alden Grinnell Edgar spoke her marriage vows Saturday to John Robert Gordon in Christ Church with the Rev. B. Maynard officiating.

The bride is the daughter of Mrs. Fredrick W. Parker, Jr., of Washington road, and Robert Bone Edgar, of Lincoln road. Mr. Gordon is the son of Mrs. William E. Gordon, of Albany, N.Y., and the late Mr. Gordon.

Her wedding gown, designed on princess lines, was fashioned with side panels of appliqued Alencon lace on the bellshaped skirt. A tiny matching crown cap held her heirloom rose pointe lace veil and she carried Amazon lilies, stephanotis and ivy.

The two honor attendants were the bride's sisters, Mrs. Benjamin G. Chapman, III, and Gay Edgar. Bridesmaids were Mrs. David Barrows Stackpole, of Porvidence, R.I.; Margaret Neil O'Keefe, of New York, and Mrs. Roland Morris, of Wayne, Pa.

They were gowned alike in periwinkle blue velvet featuring a sabrina neckline and empire bodice. A band of matching satin under the bodice formed a large bow in back with streamers extending to the hemline of the bell shaped skirt. Their headbands were bows of matching satin with illusion veiling and they carried pale pink sweetheart roses and ivy in a cascade arrangement.

Walter Gropler, of Tuxedo Park, N. Y., was best man. Seating the guests were the bride's brother, Robert G. Edgar, Benjamin G. Chapman, III, Joseph Meagher and John Weidman, both of Cleveland Heights, O.

Mr. and Mrs. Parker gave the reception following the wedding in their Washington road home. Mrs. Parker greeted her guests in a ruby-red satin gown. Mrs. Gordon was in an Empire sheath of avacado green. Both mothers pinned gardenias to their purses.

The new Mrs. Gordon donned a moss-green Dior suit, with black panels caught at the waist of the jacket, and alligator accessories, for a wedding trip to Nassau. The couple will live in St. Clair avenue.

Out-of-town guests included Ann Kelleran, of Buffalo, New York; Joan Williams, of Philadelphia, Pa.; Mr. and Mrs. Robert C. Brinker, of New Canaan, Conn.; David Thielscher, of Buffalo; the David B. Stackpoles, of Providence, R. I.; the Norman Carpenters, from Ann Arbor; Ted Speigel, of Chicago; the C. Lester Nashes, of Shaker Heights, O.; the Kenneth J. Morrays, of Bay Village, O.; the John Olcott Hastings, of Indianapolis, Ind.; Nancy Jo Goggin, of Boston, Mass., and Dr. and Mrs. Fredrick W. Parker from Lakeside, Michigan.

Marilynn Blondell Says Nuptial Vows

Becomes Bride of Joseph Edward Bejin, Jr. at Rites In St. Paul's Church Officiated Over By Her Cousin

After a southern honeymoon, Mr. and Mrs. Joseph Edward Bejin, Jr., will reside in St. Clair Shores. They were married Saturday morning in St. Paul's Church on the lakeshore.

Fr. Vincent J. MacLellan, cousin of the bride, officiated at the double ring ceremony and nuptial high mass. A breakfast followed at Grosse Pointe Yacht Club.

The bride is the former Marilynn Lillian Blondell, daughter of Mr. and Mrs. Robert Blondell of St. Clair avenue. Mr. and Mrs. Joseph E. Bejin Sr., of Fairford road, are the bridegroom's parents.

A crown of sequins which her sister, Mrs. John E. Luke, had worn for her wedding, held the bride's illusion veil. Her alencon lace gown was fashioned with sequins framing the neckline, silk dupioni empire waist and chapel train. She carried white mums and ivy centered by an orchid.

Five attendants, in cornflower blue silk organza frocks with floating trapeze backs and apron fronts banded in matching satin, preceded the bride up the aisle. Cornflower blue feather headbands completed their ensembles and their flowers were cornflower blue and white baby mums with ivy.

Rose Ann Blondell was her sister's honor maid. Mrs. Luke, of East Lansing; Mrs. Thomas McGann, and Elaine Bejin, sister of the bridegroom, attended as bridesmaids. Another sister, Susan Bejin, served as junior bridesmaid.

Flower girl Deborah Campbell was attired in pale blue nylon-organdy and carried a basket of flowers and ivy.

Thomas Bejin performed the duties of best man for his brother. Ushers included Robert Louwers, Robert Rickel, of Fair Haven, and Jerome Shaw, of Anchorville.

Dior blue silk crepe with val lace trim and white orchid corsage was Mrs. Blondell's choice for her daughter's wedding and reception at Buckingham Hall. Mrs. Bejin wore a raisin satin dress and green orchid.

For traveling, the bride donned a light gray wool suit with red accessories.

Huber-Liddell Vows Exchanged Saturday

Couple Married In St. Ambrose Church with Breakfast And Reception Following; Honeymooning in Miami

Wearing a gown of reembroidered alencon lace over silk taffeta and carrying a cascade arrangement of white roses, Mary Louise Liddell walked to the altar of St. Ambrose Church to become the bride of William Richard Huber on Saturday.

Fr. William Pettit officiated at the noon double ring ceremony. The wedding breakfast was at the Stockholm with the reception at the Whittier Hotel.

The bride wore a coronet headpiece with fingertip veil of illusion, and her skirt extended into a chapel train.

Parents of the couple are the David F. Liddells of Westchester road and Mrs. Stuart Johnson, of Harper Woods and the late Alvin Huber.

Bell-skirted frocks of royal blue peau de soie were worn by the honor maid, Patricia Liddell, sister of the bride and bridesmaids, Mrs. Robert Weldon, of Grand Rapids, and Mrs. Donald Parathum. They carried white mums.

Godfrey Huber was his brother's best man. Herb Schneider and Edward Hayden ushered.

Mrs. Liddell chose a blue silk taffeta dress with chiffon drape and white hat for her daughter's wedding. Mrs. Johnson donned a blue lace sheath with white feathered hat.

When the couple left for a Miami wedding trip, the new Mrs. Huber changed to a navy blue sheath with matching accessories. They will make their home in Haverhill avenue.

To Hold Mart At Carmel Hall

Residents of Carmel Hall, 2560 Woodward avenue, enjoying the leisurely life of retired senior citizens are ever busy with individual hobbies to fill their days usefully.

A prime example is Mrs. Valerie Lehr whose beautiful handmade layette received first prize at the display by the Senior Citizens at the Detroit Historical Museum recently.

Further evidence of her unselfish interests is the donation of the layette to the Carmel Hall Auxiliary. It will be sold on Tuesday, November 4, when the third annual Holiday Mart will be held from 11 o'clock in the morning until 9 o'clock at night at Carmel Hall in the main lounge.

Members of the committee under the honorary chairmanship of Mrs. Arthur Kerwin, president, and chairman and co-chairman, Mrs. H. James Mog and Mrs. J. Merriam Barnes, have been busily planning the affair during the past several months.

Featured will be a boutique shop, apron booth, a toyland, tots' booth, fancy work, sweets and unusual Christmas decoration booths. Luscious cakes, homemade German stollen, bread and candies will be among the tasty items for sale. To facilitate shopping for busy people a delicious hot meal will be served throughout the day and evening in the coffee shop for a minimum price.

Among the women who are giving their time and efforts toward the success of the affair are: Mesdames Harold Frear, Dalton Snyder, W. VanDeusen Moore, Eugene McCafferty, Joseph J. Oderman, Lester Winslow, David Cullen Charles B. Hull, Elwood Sharp, Anna LaCross, August Baecker and Martin Bishop.

A special hostess basket will also be sold on the day and all proceeds from the Holiday Mart will be given to the Carmelite Sisters of Carmel Hall for the continuance of their work in the care of the aged of Carmel Hall.

An invitation is extended to all residents of Grosse Pointe to attend the affair.

More than half the total class hours taught at The University of Michigan are conducted by the Literary College faculty.

Before her October 18 marriage in St. Ambrose Church to the son of Mrs. Stuart Johnson, of Harper Woods, the bride was MARY LOUISE LIDDELL, daughter of Mr. and Mrs. David F. Liddell of Westchester road.

Mistletoe Mart To Help Church

Incentive for the Mistletoe Mart project of the Women's Association of the Grosse Pointe Congregational Church, which Mart will be held November 20, derives from the recent expansions of the church staff.

A second parsonage to provide a home for the family of the assistant minister, Arnold D. Johnson, has recently been acquired. Sponsorship of the Dick Fagen family's missionary work in Midsayup, Philippine Islands, has made them, also, a part of the staff.

These outreachings of the church program will gain support from Mart proceeds.

Advance views of handwork which the Mistletoe Mart will offer may be had all through November in the display window on the first floor of the church, next to the office, and also, from November 6 to 20, in Jacobson's window at the corner of Kercheval and St. Clair, in the Village.

While foodstuffs cannot be displayed they will be available in abundance on the 20th. Orders may be placed now and advance reservations MUST be made for the dinner.

The first invention of importance by Thomas A. Edison, according to the archives of McGraw-Edison Company, was a parliamentary vote recorder, generally considered to be a failure; but next came the stock ticker, which launched him on his immortal career.

Fur and Hat Show Planned by Church Group

"Fashions in Mink," a fur and hat style show, will be presented by Group IV of the Women's Association of the Grosse Pointe Congregational Church on Tuesday, October 28, in Social Hall No. 1 at 8:30 o'clock. All the women of the Church and their guests are invited, and there will be no admittance fee. There will be prizes as well as refreshments.

Mrs. Richard C. Hudson is the chairman of the show and will also serve as narrator and describe the fashions. Among those modeling will be: Mrs. Kenneth Koppin, Mrs. W. L. Bedard, Mrs. Robert Benya and Mrs. Richard Harvey.

The various groups of the Women's Association will meet for luncheon and the program "Through the Looking Glass," on Tuesday, October 28, at 12:30 o'clock, in the following homes:

Group 1, Mrs. B. C. Kindl, 529 Lakepointe; Group 2, Mrs. Claud Carver, 279 McKinley; Group 3, Mrs. Marcus W. Johnson, 1215 Balfour; Group 6, Mrs. David W. Palmer, 378 Mt. Vernon; Group 8, Mrs. Robert L. Griffin, 65 Shoreham road.

HOUSEHOLD HINT

All you need to produce a flavor change according to Detroit Consumer Marketing Information agent are a few small jars of spices and herbs, and your imagination. If you always rely on salt and pepper, start with just a few new flavors, and get acquainted with these. Peas or tomatoes perk up with a dash of basil. Or you can use thyme. Snap beans have a new flavor when you add summer savory. Dry mustard and sage also add interest — especially to snap beans. Oregango should't be limited to pizza. It's a favorite with tomatoes. When you add spice's or herbs, add just a dash at a time. A little goes a long way—to add flavor interest — and to avoid letting vegetables taste like "the same old thing."

No business concern ever waters its stock unless it intends to soak somebody.

Nurses Needed By Red Cross

The Detroit Red Cross chapter has appealed for graduate, registered, professional nurses to teach classes in Care of the Sick and Injured. The tremendous demand on the part of the general public to take the home nursing course has created urgent need for additional volunteer nurse instructors.

Mrs. Gerald Warren, chairman of the chapter's home nursing committee, says: "This is an excellent opportunity for women with professional skill to render a service to the community. Nurses whose current professional positions leave time whch could be used for this service will find teaching presents a different and challenging experience. Women not presently employed will find this a stimulating change and an opportunity to get back into their chosen field. The course worked out by national Red Cross nursing staff members includes efficient shortcuts which may be used to their own advantage as well as for teaching to others. It is one way to continue one's professional experience without assuming responsibilities that require long hours.

"Many classes are scheduled in outlying communities so the volunteer nurse-teacher, who, in addition to choosing hours most convenient to her personal schedule, may select a location near her home."

Professional nurses interested in this Red Cross service are invited to call the Detroit chapter, WO 1-3900, and talk with Mrs. Warren, or Miss Marjorie Gaunt, director of nursing services.

John Anderson Wed in East

Mrs. Elizabeth Kincaid of New York City and John W. Anderson II, of Grosse Pointe, were married in New York October 16 at the Park Avenue Methodist Church. The Rev. Clark officiated.

The bride was given away by Nicolai Malaxa. Mrs. Richard Newfield of Hartford, Conn., was matron of honor and Wendell W. Anderson, Jr., attended his brother as best man.

The bride is the daughter of the late Nicolas de Mezey, of Hungary and Mrs. Carol Feher, also of Hungary.

The bridegroom is the son of Mrs. J. Lakin Baldridge of New York City and Wendell W. Anderson of Vendome road.

Following the ceremony, a small reception was given by Mr. and Mrs. Wendell W. Anderson.

Tucson Guests Visit Scherers

Spending a fortnight with Mr. and Mrs. Robert P. Scherer of Lake Shore road have been Mrs. Scherer's sister, Mrs. Henry C. Morris, and the latter's daughter, Mrs. Hugh Latta Rodney, both of Tucsan, Ariz.

The junior Bob Scherers entertained the visitors at the Little Club and the Peter Finks (Karla Scherer) of Vernier road were dinner hosts when they first arrived in town.

Mrs. William C. Beardslee gave a bridge luncheon for her cousin last Thursday in her Vernier road home, which Mr. and Mrs. J. Crawford Frost of Merriweather road followed with a cocktail party.

The weekend found the Scherers and their guests, with Mr. and Mrs. Roy F. Farnum, sojourning at Hidden Valley.

Her fiance attended Culver Military Academy, Wabash College, the University of Illinois, and served two years in the United States Navy. The pair plan a February wedding.

DAR Chapter Plans Events

The Elizabeth Cass Chapter, Grosse Pointe Farms Chapter, National Society, Daughters of the American Revolution, is planning two interesting events.

On October 31, the chapter is sponsoring a benefit bridge and canasta party, in the home of their treasurer, Mrs. George Grivas, who lives at 576 Rivard boulevard, facing on Kercheval avenue. A dessert will be served at 1 o'clock with games to follow.

Assisting hostesses will be Mrs. Ralph A. Arndt, Mrs. John A. Bell, Mrs. John Finch, Mrs. John H. Howard, Mrs. Oscar A. Marcus, Mrs. Campbell McCormack, Mrs. L. H. Orebaugh, Mrs. Ward R. Simonson.

Mrs. Genevieve Smiley is regent, and Mrs. Jesse W. Shields is chairman of the ways and means.

The money raised from this party goes to "Kate Duncan Smith School" which is entirely supported by the National Society, Daughters of the American Revolution. This school, located in Grant, Ala., has 575 day students, elementary through high school.

The annual birthday party of Elizabeth Cass Chapter, takes place on Monday, November 3, in the Woman's City Club, with luncheon at 12:30. Guests will be regents of the 11 metropolitan chapters.

An American music program theme has been arranged by Mrs. C. A. Springer, American music chairman, to follow luncheon. It will be held in the large room on the fourth floor of the club.

Mrs. L. J. McKinney, violinist, will be accompanied by Mrs. Frank Brown.

Gifts for the mountain schools to give the children a brighter and happier Christmas, will be contributed by the members, at this November meeting.

Cooperative Nursery School Has Meeting

Christ Church Cooperative Nursery School held its regular monthly meeting for parents Tuesday evening, October 21, in the parish house. This was the second in a series of eight meetings.

After a short period devoted to routine business, Dr. Marjorie B. Sanger from Merrill-Palmer School, spoke to the parents on discipline as related to the pre-school child, and appropriate nursery school practices.

A question period and social hour followed.

To Give Plays For Children

"The Elves and the Shoemaker" and "Utah Trail", two delightful juvenile stage productions will be put on in Grosse Pointe this season under the auspices of the AAUW Children's Theater program.

"The Elves and the Shoemaker" will be shown on Saturday, November 8 at Pierce Junior High School at 10:30 a.m. and 2 p.m. On February 7 there will be two performances of "Utah Trail", a story of the old West, at Parcells Junior High School, it was announced this week by Mrs. Edward Bunn, AAUW Children's Theatre chairman.

Put on by the popular Michigan State University Players group, these plays are expected to draw capacity audiences of wide-eyed youngsters this year as in the past. This is the sixth consecutive year that the MSU players have appeared in Grosse Pointe.

Both season and individual tickets are going on sale this week in an intensive ticket campaign, according to Mrs. Bunn. She advised those planning theatre parties or groups planning to attend together, to purchase tickets early in view of the sell-outs at last year's plays.

The local branch of the American Association of University Women sponsors the Children's Theatre program to give youngsters the opportunity to see top-notch productions written and produced specifically for them. Proceeds go to the AAUW Fellowship Fund which gives outstanding women college graduates a chance for further study and research.

Tickets may be purchased from members of the AAUW children's theatre committee or at the following locations: Fromm's and Doubleday's in the Village; Punch and Judy Toyland in the Farms; Sullivan's Pharmacy in the Park; and Harkness Pharmacy in the Woods.

Members of the committee assisting Mrs. Bunn are: Mrs. Stweart Kerr, assistant chairman; Mrs. Edward Gehrig, in charge of tickets; Mrs R. W. Cunnington, Mrs. Thomas G. Estes, Mrs. Albert B. Blixt, Mrs. Robert S. Clarke, Miss Mary Jane Cox, Mrs. William J. Kirby, Mrs. James G. Morrison, Mrs. A. A. Neef, Mrs. John Brubacher, Mrs. William D. Cohan, Mrs. Robert Hawksley, Mrs. Carl H. Larson, Mrs. Fred M. Lewis, and Mrs. Robert R. Shannon.

Thomas A. Edison, the great inventor, was so persistent in his work, according to the archives of McGraw-Edison Company, that he spent 10 years and more than 5,000 experiments before perfecting the alkaline storage battery.

Goodwill Jrs. Set For Antiques Show

Big Event to Get Funds to Refurbish Recreation Center For Handicapped to be Held October 26 Through 29

"Something for everycne" could well be the slogan for the eleventh Antiques Show and Sale to be given by the Junior Group of Goodwill Industries October 26-29 at the Brush Street building of Goodwill. Thirty-eight dealers from the Eastern, Southern and Midwest states will participate in the Show which will feature a variety of antiques,—from (A)rmchairs to (Z)odicas.

For milady there is jewelry including a Victorian bracelet-watch which flips up to reveal a face on the opposite side.

The man and boy can add to his collection of old maps and prints. For the young girl, there will be an exhibition and sale of dolls from colonial times and from foreign countries.

The home-maker can choose from an assortment of original 19th century French chairs, Dutch cabinets, Chippendale tables and lamps made from apothecary jars.

For the hostess, there will be old Staffordshire, Leeds, Gaudy dutch and spatter, or scroddled Bennington ware china. A beautiful Bohemian glass bell is an interesting item in the glassware collection.

Mrs. Herbert Metcalf and Mrs. Kenneth Reichle are co-chairmen of the show.

Others contributing to this project are Mesdames H. J. Altick, James Barnard, Bill O. Brink, Robert N. Green, Eric Horst, Hall Lippincott, Fred Meno II. Richard Wagner, Robert Campbell, James Degnan, Charles Gauss, Otis Walker, Robert Weber, John A. Moekle and Thomas Fox.

Proceeds from this year's sale will be used to refurbish the recreation center used by the handicapped employees and to remodel what is known as the Promotion Dining Room. The latter is available for meetings of outside groups who wish to learn more about the Goodwill Industries.

Northeastern Women's Club to Meet October 27

The Northeastern Women's Club will meet on Monday, October 27 at 1:30 p.m. in St. Philip and St. Stephen church parlors, 14225 Frankfort at Newport avenues.

"Around the World on the Caronia" will be the program for the event. Tea will be served.

Devils Back in Title Race After Conquering Monroe

Grosse Pointe's once beaten Blue Devils moved back into the Borden Cities League title race with a resounding 35-21 victory over upset minded Monroe on the Trojans' lighted field last Friday, October 17.

The Devils were GOOD but they had to be because Monroe had halfback Colton Jones who was by far the most outstanding offensive player the Pointers have looked at all season. Jones did everything but win the game. Time after time he knifed through spots in the Devils' forward wall where no visable hole could be detected. Once in the clear he had the Devil defenders talking to themselves with his fancy hip swiveling and side stepping that left would-be tacklers in his wake.

Harper Scores First

The Devils opened the scoring shortly after the game got underway. Ron Harper took the Monroe kickoff and raced back to the Trojan 43. Under the skillful guidance of quarterback John Nicholson the Pointers drove to the three, from where Harper banged over left tackle for the first score of the game at 3:48. End Chuck Hanneman booted the first of five extra points to give the Devils an early 7-0 lead.

Monroe came right back to knot the count with a tricky play that saw quarterback Dick Robinson hand off to halfback Fred Hoskins, who in turn rifled a perfect strike into the outstretched hands of Colton Jones in the end zone. This score came three minutes and five seconds after the Devils' touchdown. Herman Amolsch converted the first of three extra Monroe points to knot the count at 7-all.

March 70 Yards

The Devils moved back into the lead five minutes and 28 seconds after the second quarter opened. The Devils took possession on their own 30 and drove 70 yards with Nicholson diving over from the two on a quarterback sneak. Nicholson's 19-yard run and halfback Butch Hoye's 13-yard scamper highlighted the drive. Hanneman again converted and the Devil fans counted off 14 points on the scoreboard.

A Devil fumble recovered by Monroe on the midfield stripe set the stage for the Trojans' second touchdown. This 50-yard drive was highlighted by the short gains of Hoskins and Jones and Jones' sweep of right end for the final two yards to pay dirt. Amolsch converted the count at 14-14 with 31 seconds remaining to halftime.

The Trojans attempted an oneside kick in an effort to keep the Devils from getting the ball but it backfired when tackle Tom Standifer fell on the pigskin on the Trojans' 47. Ron Harper rolled for 10 yards and then smartly ran out of bounds when he was about to be tackled. This stopped the clock with five seconds remaining.

Passes for Score

Nicholson pulled a fake jump pass and then faded back quickly to toss a 36-yard strike to end Larry Bruzzese in the end zone as the horn sounded ending the quarter. Hanneman converted and the Devils left the field at halftime leading 21-14.

After four minutes and 35 seconds of the third period Nicholson on a keep play raced around left end for 20 yards for the Pointers' fourth touchdown and Hanneman converted to give the Devils a 14-point bulge. But to say this was the clincher this early in the second half was the farthest thing from the minds of the Devil fans who had seen lightning-like thrusts by both teams pay off in touchdowns.

The Devils took advantage of a bad Trojan punt that traveled only 10 yards to set up their final score. Much credit for the bad punt must be given to the Pointers' line that charged hard and fast and rushed the kicker.

Takes Seven Plays

With the ball on the Trojans' 34 Nicholson called on Butch Hoye and Ron Harper to carry the mail. Harper carried three times and Hoye four with his last attempt going over from the one-yard line for the clincher with 11 minutes remaining in the game. Hanneman converted for the 35th point.

Trailing by three touchdowns the Trojans didn't give up but the Devil defenders were just as determined to mark this game on the black side of their football ledger and thwarted every Trojan attempt until three minutes and 30 seconds were left in the game. Colton Jones sparked the last Monroe score with a beautiful 46-yard sweep around right end for the final score of the evening. Amolsch converted which must have established some sort of a record for a prep game. Eight conversion attempts and eight completed. All were from placement.

In Four-Way Tie

The victory enabled the Devils to move into a four-way tie for first place in the BCL when on the same night Wyandotte upset Royal Oak Dondero 7-6 and Fordson tumbled Highland Park 14-0. All four teams now own a 2-1 record with each having two games remaining on their schedules.

None of the four teams has an easy row to hoe to the title. Royal Oak must play an improving Fordson team and a winless-hungry Highland Park squad that has shown moments of greatness. Fordson has Royal Oak and Wyandotte left on its schedule and the most formidable of the two is Wyandotte, which is always the last game on the Tractor schedule. In past years each has denied the other a chance for the title. This game is always the one where they throw past performances out the window and start with the opening kickoff.

Neither One Favored

Wyandotte still must meet Grosse Pointe before tackling its arch rival Fordson. The Devil-Bear games have most always gone in favor of Wyandotte when they are played on the Bears' home field. This year the Devils will entertain Wyandotte but neither is favored on the comparative play against a common foe, Royal Oak. Wyandotte considered itself lucky to score early in its game with Royal Oak and be able to hang on for the 7-6 win. Grosse Pointe was caught by Royal Oak on an off night and the Acorns chalked up an impressive 14-0 win.

So the next two Saturdays will be do or die days for the four deadlocked teams in the race for the BCL title which was won by Grosse Pointe last year with a perfect league record.

It was a happy bus ride back from Monroe and head coach Ed Wernet was elated over the way the Devils battled the Trojans score for score and said "That's the way to win a ball game."

George Oliver Hurt

The victory was not scored without expense. Line backer George Oliver broke a small bone in his ankle and will be lost for the rest of the season. Oliver stamped himself as a good defensive player when he stepped in to take over Butch Hoye's defensive role when Hoye was injured and relegated to an offensive role only in the last three games. It is still doubtful whether Hoye will be able to play both ways the balance of the season.

Otustanding in the Devils line were tackles Tom Standifer and Jon McCoy, guard Dick Dowdell and linebacker Mike Carrier, who pound for pound, is one of the best in the state.

Austin Edges De La Salle

Once beaten Austin tripped De La Salle, 7-6, on the Pilots' home field before a scared but pleased band of Friar fans last Sunday, October 19.

The Friars took advantage of a blocked kick early in the first quarter to set up their only touchdown of the day and then hung on with some fine defensive play to squeak out the victory that enabled the Friars to remain in second place in the Central Division of the Catholic League.

De La Salle was put deep in its own territory by a booming kickoff by Bob Miller which was returned to the Pilots' 18. Three successive line plays failed and the Pilots were forced to punt. Tackle Dave Sobocinski charged through and blocked the kick with the ball rolling to the 4 where George Blake pounced on it.

Takes Two Plays

On the first play Ken Scherer leaped over the center of the line for three yards and Bob Miller hit the same hole for the touchdown. Quarterback Dan La Verdiere scored what proved to be the big point of the game when he raced around right end for the extra point to put the Friars out in front 7-0.

The third and fourth quarters proved to be a test of the defensive strength of both teams. The Friars appeared to have the best of the defensive play as only 10 plays were run in Friar territory.

Early in the fourth quarter Austin fumbled at midfield and De La Salle recovered. The Pilots struck with lightning-like precision on the first play when quarterback Dick Zbed rifled a 20-yard pass to Jim Piotrowski who took it to the Friar 30 and raced to a score without a hand being laid on him.

Miss Crucial Point

This set the stage for the crucial point of the game as far as the Pilots were concerned, the extra point. Dick Zbed tried the Friar left end but was met by Bob Miller and Bob Kennedy at the line of scrimmage and the victory was Austins in a hard fought battle of defensive giants.

Austin will meet Cathedral Central in the final game of the season on November 2. A victory will insure the Friars of the runner-up spot to favored U of D who appears to have the crown all locked up in its first year in the league. U of D posted a league scoring record last Sunday by beating Salesian 71-12.

Two Pointers Playing On MSU Grid Team

Grosse Pointe's two representatives on the 1958 Michigan State football team are senior tackle Cliff LaRose and junior end Dan Follis.

LaRose, a two-year letterman, was switched to tackle from guard this year to help bolster the position. He is rated by Coach Duffy Daugherty as a strong No. 2 man behind Palmer Pyle. A steady performer, the 6-0, 204 pound LaRose is also figured to see action at the other tackle.

The rangy Follis, 6-3, 202 pounds, saw limited action at end last year. But after his good performance in the Spartans' senior opener against California, he is ranked the No. 2 man at right end. In 1957 Follis helped share some of the kicking-off duties and also punted once for 50 yards.

LaRose prepped at Detroit Catholic Central under Coach John Hackett and received All-State honorable mention.

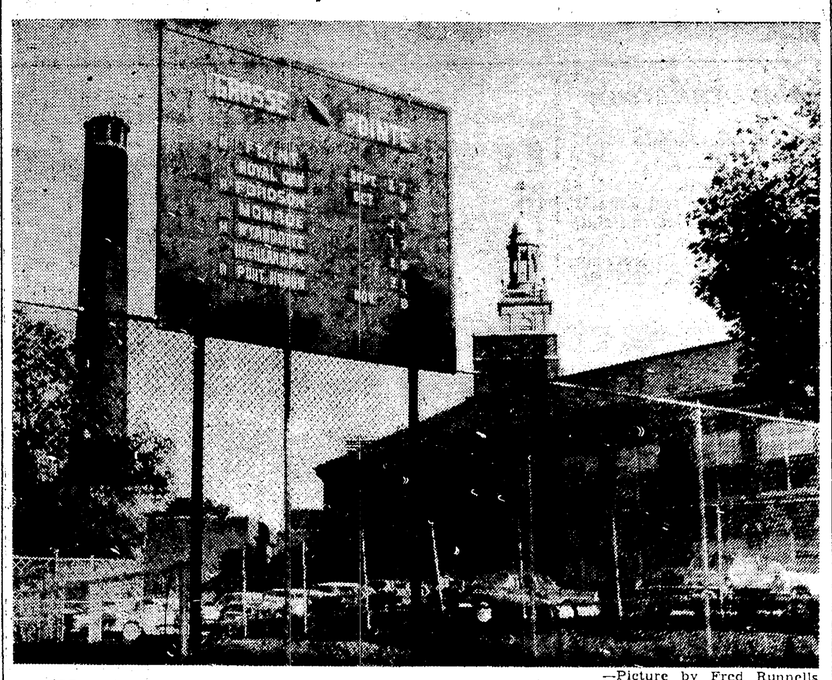

Follis played his high school football under Ed Wernet at Grosse Pointe High and was picked to the Border Cities All-League team.

LaRose, 23, majors in physical education at Michigan State and Follis, 21, is a pre-dental major.

HONORED BY AMVETS

Carroll Hen, of 1915 Hunt Club drive, has been named Judge Advocate to serve with the newly-elected Commander of AMVETS, Post No. 57, Alexander R. Hison. Witnessing the oath of office to be given to new officers will be AMVETS National Committeeman J. Carroll Kay, of 1015 Wayburn avenue.

Not too many years ago Grosse Pointe High wasn't too proud of its football team, which through repeated loses gained the "doormat of the league" tag. But since Coach Ed Wernet took over in 1946 the Devils have become one of the most feared Class A teams in the State and the student body sings the Devils' praise loud and long. Recently a large blue and gold schedule board was erected on the school grounds listing the seven 1958 games. Four of these already are history and the Devils have captured three of them. Only Royal Oak's upset mars the Devils season to date. The Student Association appropriated funds for the new board.

Pin Lead Taken By Maple Lanes

The race in the Grosse Pointe Business Men's League remains close with only 6 points separating the first 10 teams.

No less than five teams made sweeps of their matches last Thursday, October 16. The high scoring team for the night was G. P. Pharmacy. Aided by a 27 pin per game spot, they set new record with a 965 game in a 2805 series. This sweep gave than a tie for second place, only a point off the pace. Sam Kunath led Pharmacy with, the high series of the night. The victim was the strong Kennelly team which had an off night. Russ Blauser paced Kennelly with a 531 series.

Maple Lanes regained top spot by a sweep against Adam Simms. Larry Verbeke shot 567 for the Maple Lane.

Ben Fox rolled 550 for G. P. Woods Lounge to pace the sweep of Mack-Preswick. This jumped the Lounge to seventh place.

Wigle moved into fourth place and dropped Larry's to sixth. Stan Small led the Wigle team with a 538 series.

Goebel II took four from Cox and Baker. Cramer over Beaconsfield - Kercheval and Atwell over Barrett's matches ended in three and one margins. Goebel I dropped to a tie for second place as it split with Belding.

200 scores: Paul Kosmas 234, Hal Nierath 234, Ray Regner 231, Ralph Shelby 226, Bruce Morris 224, Sam Kunath 223-203, Dwight Spengler 215, Stan Small 214, John Hotia 214, Bob Lieckfelt 213, Don Stange 208, Russ Blauser 204, Jack Baker 201, Ben Fox 200 Bob O'Toole 200.

Advisory Committee Formed by Democrats

More than 20 persons attended the organizational meeting of the First Precinct Democratic Advisory Committee at the home of Mr. and Mrs. Harry Kranz, 898 Lakepointe, Grosse Pointe Park, recently.

A discussion of local issues was led by Mr. Kranz. The group agreed that the proposed consolidation of municipal functions in the Grosse Pointes required further study and that principal Grosse Pointe Park problems currently include completion of the municipal dock, resurfacing of the ice skating rink, increased garbage collection, and improved sewer-flood control.

BYC Lightnings To Hold Series

When most big boat sailors are preparing their yachts for the long winter months the little boat sailors get ideas for that last bit of competition.

That's what is going to happen next weekend, Saturday and Sunday, October 25-26, when the Bayview Yacht Club Lightnings will play host at their annual Fall Lightning series. The series will consist of three races, one on Saturday and two on Sunday.

The big prize will be the new perpetual trophy donated by Vice Commodore Arnold Fuchs. Silver bowls will go to the first five place winners of the series according to Jimmie Schudel who is in charge of the races.

Twenty-five out of town boats are expected and will include such outstanding skippers as Al Berg and Billl Wingard, of Chicago, top winners of the Midwest Districts; Bud Nelson winner of the huge 51-boat Devils Lake Invitational with his all fiber glass Lightning, the first of its kind; Bill McKinley, International contender for the past three years; Herm Nickels well known boat builder and Fenton Lake trophy winner; and Henry Cawthra of Crescent Sail Yacht Club who captured the International championship for the second time this year.

Former Devil Stars On WMU Frosh Team

Bill Crooks and Mike Grow are members of the Western Michigan University freshman football team.

Both Mike and Bill were members of the 1957 Grosse Pointe Blue Devil team that captured the Border Cities League title, and Class A Suburban crown while compiling one of the most amazing defensive records ever recorded by a prep team in the state. Both Crooks, who played center, and Grow, who was a linebacker and halfback, contributed to this record.

Bill is the son of Mr. and Mrs. Francis W. Crooks of 2017 Van Antwerp, and Mike is the son of Mr. and Mrs. Alfred (Skip) Grow of 1027 Bishop road.

Grow also gained All American honors in his senior year at Grosse Pointe High.

Little Football League Active

Right after the Grosse Pointe Rams Junior Varsity got through clobbering the St. Clair Shores Junior Varsity Green Hornets by a score of 20-0 Sunday afternoon at the Shores, in Little League football, the Green Hornets Varsity came on the field to trounce the Rams Varsity 35-0. Emotions were mixed, but sportsmanship prevailed throughout.

Outstanding in the Junior Varsity play for the Grosse Pointe Rams were Stan VanTiem, who ran 40 yards for a touchdown; Roger Bohn who made two touchdowns and a point after; and Mike Cerre who also scored a point after touchdown.

John McMillin, Bobby Finke, Doug Pratt and Bob Eckert stood out on defense.

The Grosse Pointe Rams and Lions Freshmen played each other to a scoreless tie over the week end. Whit Garberson, "Red" Connolly, Johnny Welch and Don Woodard played their usual outstanding game for the Rams, but were obviously matched—look at the score—by Jeff Callahan, Greg Simon, David Anderson and Bob Geiroux.

In other games the Lions Varsity conquered the Grosse Pointe Farms Packers 13-0, while the Junior Varsity Lions beat the corresponding Farms team 7-0.

Ernest Rapalee, Jr. In Air Force ROTC

Ernest W. Rapalee, Jr., of 1229 Balfour, recently flew to the Loring Air Force Base as part of his cadet training in Wayne State University's Air Force ROTC.

Rapalee was one of 15 members of the Wayne State corps making the flight to the Maine Strategic Air Command base.

During the three day trip, cadets received a briefing on the B-42 intercontinental bomber and witnessed aerial refueling operations by the KC-135 aerial tanker.

St. Paul Lakers Grab Lazy Win Over St. Stanislaus

The St. Paul Lakers finally came to long enough in the second half of their game against St. Ladislaus to rack up two touchdowns to win 15-6 last Sunday, October 19, on the Grosse Pointe High gridiron.

It was fitting end to the Lakers Homecoming Day which featured beautifully constructed floats by the freshman, sophomore, junior and senior classes between halves.

During the first two periods the Lazy Lakers offered numerous opportunities to St. Ladislaus but the Lads appeared to be just as reluctant to accept the generous offerings.

Finally the Lads surprised the Lakers and grabbed a St. Paul fumble and drove into the end zone on Ricky Polakowski's end run that just barely made pay dirt. Tom Dyki was piled up at the line of scrimmage by Tim Hutton and Butch Cobb to halt the extra point attempt.

Ceremony Magnificent

Halftime ceremonies were magnificent on the field but in the locker room coach Ed Lauer held court and berated his lack-a-daisical players for their unimpressive showing up to that point. Apparently the coach hit a tender spot and the Lakers came back all fired up. The reserves raced for a good seat on the bench and the regulars took their positions on the field, at least nine of them did and the referee was forced to halt proceedings until Coach Lauer could entice a couple more guys to play.

After St. Ladislaus ball carriers failed on three attempts, the Lads kicked to the Lakers 40. Things began to happen at this point. Quarterback Marty Peters engineered the 60-yard drive and climaxed the assault by going over himself on a quarterback sneak from the one.

The scoring play was set up by a beautiful 24 yard run by Tim Hutton, who was caught from behind and hauled down on the one. Halfback Joe Lauer smashed over for the extra point and the Lakers were on their way.

Hold at Midfield

St. Ladislaus couldn't get its attack moving early in the final period and a fine bit of defensive Laker play gave St. Paul the ball at midfield. Repeated line plays moved the ball to the St. Lads 35 from where Marty Peters drifted back and just threw with all his might. The ball was going directly into a defenders hands when Joe Lauer came from nowhere, leaped high in the air to snare the pigskin on the goal line and fell in for the touchdown. Marty Peters scored the extra point on a bootleg around left end to give the Lakers a 14-6 victory.

The victory gave the Lakers sole possession of fifth place in the East Side First Division and a chance to move up to fourth and possibly third if they can revive long enough to grab wins in their final two games. St. Stanislaus will be the Lakers' opponent on Saturday, October 25, under the lights of Jayne Field.

Share of Title Clinched By St. Ambrose Cavaliers

The unbeaten St. Ambrose Cavaliers clinched at least a share of the East Side Class A Parochial League football title with a 13-7 victory over St. Catherine last Saturday, October 18.

The Cavaliers now own a 5-0 league record with one game remaining against third place St. Anthony, which has won two, lost one and tied two in league competition. St. Ambrose will be a heavy favorite when the two meet at Mack Park under the lights on Saturday.

A victory would qualify the Cavaliers for the Parochial City Playoffs. A defeat could create a two-way tie with St. Catherine. If this happens, the deadlock will be broken by adding up the total yards gained by each team during the season. The one with the greatest yardage would be declared the champion.

Cavaliers Score First

After a scoreless first period, which saw both teams turn in sparkling defensive plays to thwart sustained drives, the Cavaliers hit for their first score early in the second period when Manuel Lampredies rifled a touchdown pass to Mike Currie to end a 44-yard sustained drive. The extra point was scored on exactly the same type play, with the pass going from Lampredies to Currie.

The Cavaliers nearly scored in the third quarter but St. Catherine's defensive unit proved too strong when it dug in after giving up 80 yards and halted the threat.

St. Catherine got right back in the ball game when halfback Rumor Oden raced 76 yards through shocked Cavalier defenders. Joe Gentile charged in with the extra point to tie the game, 7-7.

St. Ambrose gradually ground out yardage on a sustained 62-yard drive that was climaxed when Lampredies scored on a quarterback sneak from the one. The extra point was missed but it was of no consequence as the game was nearly over.

The victory marked the second time in three years the Cavaliers have enjoyed the glory of champions of the East Side Parochial League.

Runs Into Pole Seeking Address

Frank W. Dandredge, 51, of 15420 Windmill Pointe drive, was looking for a house number on Monday, October 13, when he lost control of his car and smashed into an Edison pole.

Dandredge was ticketed by Park police for not having his car under control and causing an accident. The incident happened in front of 655 Balfour.

Police said that the motorist was driving south on Balfour, looking for the house number, and going about 15 miles an hour, when the mishap occurred.

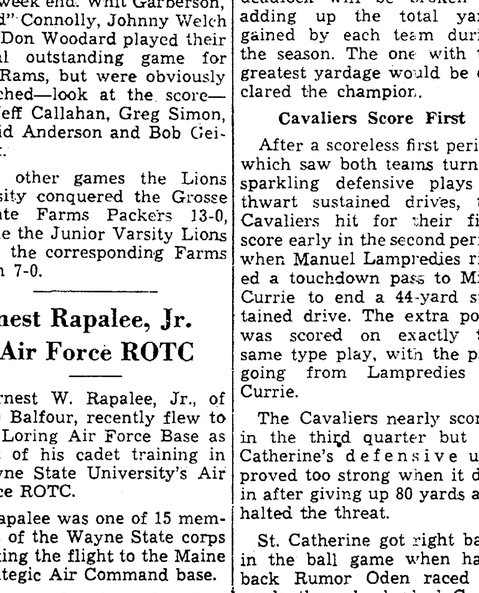

The front end of the car was damaged to the extent that the car was not drivable and had to be towed away. The pole was dented at the base.

Nelson Fisher and Charles Record head this new Rambler Agency which will serve the Pointe where the car and its economical factors are extremely popular. Its opening continues all this week.

'Mutiny' Closes Saturday Night

The Grosse Pointe Community Theater will present the final two performances of "The Caine Mutiny Court Martial" at Grosse Pointe High School tomorrow and Saturday evenings, October 24 and 25, at 8:30 o'clock.

The suspense-filled drama by Herman Wouk, based on his Pulitzer Prize novel "The Caine Mutiny" drew repeated curtain calls for its 20-member all-male cast, when it opened at the high school last Friday and Saturday.

Directed by Dean Erskine and produced by Charles Carson, the GPCT's production of "Caine Mutiny Court Martial" features Al Berteel, Richard Bauhof, John Henderson Jr., Allen Hayes and C. Henry Haberkorn 3rd in principal roles.

Preparing for its second production of the 1958-59 season, the GPCT will hold its third and last tryouts tonight (Thursday, October 23) at the Grosse Pointe War Memorial for those interested in parts in "The Happy Time" by Samuel Taylor. "The Happy Time," which will be presented on Dec. 5 and 6, is a three-act comedy

Rockwell Covers Being Exhibited

A collection of original Norman Rockwell cover paintings from The Saturday Evening Post is on exhibition at The Detroit Historical Museum, Woodward and Kirby.

The paintings have been placed on tour of the United States and Canada by The Curtis Publishing Company in response to requests from art schools and art groups which sought the collection after noting the enthusiastic response it received recently when it appeared for three months as a feature attraction at The Corcoran Gallery of Art, Washington, D. C.

The rockwell exhibition is unique because it shows the amazing amount of painstaking effort the artist puts forth to insure that the finished painting will meet his own and the Post's exacting standards. In some cases, the original theme of a cover idea remains unchanged between the first pencil sketch and the finished oil; in others, improvements are shown which illustrate the artists changing thoughts as he seeks more impact for his original theme. Among the famous cover paintings to be on exhibit is "The Art Student," an imposing manifestation of Mr. Rockwell's genius as a fine artist and a teller of charming pictorial stories.

The exhibit will be on view at the Detroit Historical Museum through October 26. Hours: Tuesday through Sunday from 1 to 10 p.m. Saturdays 9 a.m. to 6 p.m.

The University of Michigan Law Library has more than 275,000 volumes.

ACADEMIC INTEREST—Pausing in disbelief, history professor Dr. George Monks observes the hula hoop fad at first hand, as demonstrated by two lovely Southern belles at the Mississippi State College for Women in Columbus. Swinging their hips in fine style are Sandra Woodward (left) and Becky Huey. The distracted professor could only gasp, "It's simply fantastic."

RING-AROUND ROSY — The hula hoop whirls into the fashion picture in this black dress with a pink rose accenting its high empire bodice. Designed by Neal of California for spring, 1959, its figure-circling satin band swings at the bottom of a spray of black silk organza over a sheath.

TALL ORDER — Making the most of a sunny day, French beauty Christianne Preiss relaxes on the beach at Nassau in the Bahamas. The shapely sunbather was probably wondering how she'd look in her island-made "smuggler" hat.

DRAG RACE?—Apparently in a big hurry to get where he was going, the driver of this auto took the pump with him after filling up at a gas station in Salina, Kan. The gas hose accidentally got caught around the bumper and the pump was torn from its foundation when the auto sped away.

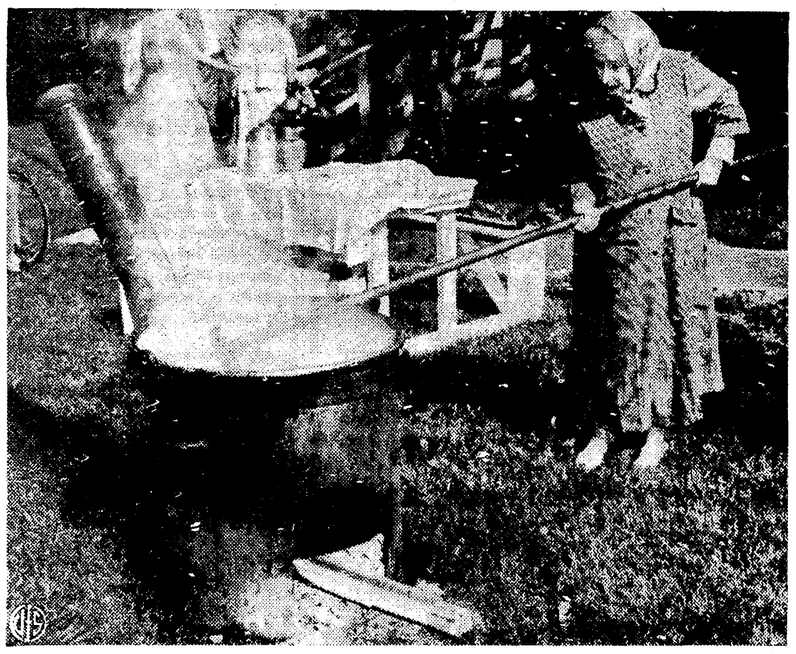

PLOW PATTERN — Ready for the World Plowing Championships, contestants check their furrows after some practice plowing in the fields at Stuttgart, Germany. Measuring the cut are William McMillan (left) and William Wright of Northern Ireland, while Willem Van Dorp and Abraham Van Dijke (right) of the Netherlands look on. Thirty-four contestants from 17 countries are taking part in the competition.

IN CLOSE-KNIT HARMONY — The McGuire Sisters, "Queens of Hand Knitting" in honor of Knit It Yourself With Wool Week beginning October 11, relax during strenuous recording sessions and TV rehearsals by keeping yarn and needles handy for a brief "hand craft tranquilizer." Among their many hand-knit accomplishments are their sweaters, made to match in keeping with their signature of always dressing alike.

BRUSH-UP JOB—Fitted with unusual equipment, this auto is set to sweep everything from its path in Beirut, Lebanon. It has two brooms and several clumps of leaves attached to the bumper. The object is to brush away glass and nails tossed on the road by forces opposed to the government so that Lebanese Army vehicles will get flat tires.

STIRRING EVENT—Still spry despite her 99 years, Miss Hatti Burch stirs the apple butter in a kettle during a "cookout" for oldsters at a nursing home in Okawville, Ill. The event was part of a recreational therapy project. Seventeen women, whose combined ages added up to 1,500 years, took part in the "cookout."

LIGHT ON THE SUBJECT—It looks as if model Carol Filer (right) is showing off a startling "light" hairdo, but actually the chandelier is on the wall behind, not on her head. Carol and Ann Grysting (left) were modeling new fur jackets at a fashion show in London.

FLIGHT PLAN—Getting ready for a "Cleaner Air Week," airline hostess Lu Kobus of Alexandria, Va., displays helium-filled balloons, one labeled in English, the other in Russian. Six hundred of the balloons will be launched in 42 American cities during the week of October 19. Some of the balloons are lettered in Russian to avoid an international incident should any of them be wafted into the Soviet Union. Cleaner Air Week is sponsored by the Air Pollution Control Association.

SOLID BACKING — A member of the royal house of Afghanistan, Princess Safia Tarzi (left) learns the tricks of the modeling profession from Candy Jones, head of the Conover agency. The coat hanger down the back treatment is useful in improving posture. Princess Safia, whose family has given Afghanistan most of its kings, diplomats and political leaders, speaks seven languages. The agency has begun booking Her Royal Highness for modeling assignments in TV commercials.

SLIDE-RULE SWEETHEART — Shaping up as the prettiest member of the National Society of Professional Engineers, Ann Jackson calls attention to a forthcoming meeting of the group with a model of a missile. The Society, which has 46,000 members, meets in San Francisco on October 23.

WORTH ANOTHER LOOK — Wearing her heart on her hip instead of her sleeve, movie eyeful Marilyn Monroe casts a backward glance during a solitary stroll. Marilyn was on location at the Coronado Country Club golf course in San Diego for the filming of her new movie, "Some Like It Hot." She's wearing a skin-tight white-sequined dress, low cut in front and back.

HEADLESS HALFBACK—Apparently dissatisfied with the play of his regular players, this football coach seems ready to confound the opposition by sending in a headless gridder at Schofield Barracks, Hawaii. Actually, backfield ace David Thelen has his head bowed as he listens to instructions from Lt. Ellis Hamlett, coach of the 27th Infantry Wolfhounds.

CITY OF GROSSE POINTE PARK
CITY OF GROSSE POINTE
CITY OF GROSSE POINTE WOODS
CITY OF HARPER WOODS
TOWNSHIP OF GROSSE POINTE

NOTICE IS HEREBY GIVEN that at a general election to be held in said County of Wayne, State of Michigan, in the regular voting place in each election precinct in each city and township in the County of Wayne, State of Michigan, on Tuesday, the 4th day of November, 1958, between the hours of 7:00 o'clock a.m. and 8:00 o'clock p.m., Eastern Standard Time, the following propositions will be submitted to the electors of said County:

I—TAX-RATE LIMITATION INCREASE PROPOSITION

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, State of Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased as provided by Section 21, Article X of the Michigan Constitution, by three-tenths (3/10) of one (1) mill on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of five (5) years from 1959 to 1963, both inclusive, for the sole purpose of providing funds to retire debt obligations incurred by the County of Wayne in financing hospitalization and other social welfare functions which are the statutory responsibility of the County?

II—PORT OF DETROIT BONDING PROPOSITION

Shall the Port Commission of the Port of Detroit, a port district established pursuant to law, co-terminus with the County of Wayne, State of Michigan, borrow the sum of not to exceed Seven Million One Hundred Thousand ($7,100,000.00) Dollars, and issue its general obligation, bonds, therefor for the purpose of acquiring sites and constructing necessary port improvements in said district; provided, that none of said bonds, or any portion or series thereof, shall be issued unless approved by the Board of Supervisors of Wayne County?

III—TAX-RATE LIMITATION INCREASE PROPOSITION

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased as provided by Sec. 21, Artcile X, of the Michigan Constitution, by eleven one-hundredths (11/100) of one (1) mill on each dollars of assessed valuation, as equalized, of all property in the County of Wayne for a period of seventeen (17) years, from 1959 to 1975, both inclusive, for the sole purpose of providing funds to pay principal and interest on bonds to be issued by the Port Commission of the Port of Detroit a port district established pursuant to law co-terminus with the County of Wayne, in the aggregate principal sum of not to exceed Seven Million One Hundred Thousand ($7,100,000.00) Dollars if authorized by the qualified electors, for the purpose of acquiring sites and constructing necessary port improvements in said district?

Only properly registered electors who have property assessed for taxes within the County of Wayne, or the lawful husband or wife of such persons are entitled to vote on the bonding proposition.

All properly registered electors may vote on the tax-rate limitation increase proposition.

These propositions are being submitted in accordance with the following resolutions adopted by the Board of Supervisors of said County on the 4th and 15th of September, 1958, by the requisite three-fifths (3/5) vote:

Resolutions of Board of Supervisors of the County of Wayne

WHEREAS, the County of Wayne has diligently sought to bring the County budget into balance within the available allocated millage allowed by the Wayne County Tax Allocation Board by pursuing every possible economy and yet provide sufficient funds to meet the ever rising costs resultant from providing statutory services to a rapidly expanding population in a period characterized by increased cost of commodities and personal services; and

WHEREAS, this available millage under the 15 mill constitutional tax limitation has remained constant for the past 6 years and has not been sufficient when applied to the equalized property valuation of the County to adequately maintain the mandatory functions of County government at a level necessary to provide minimum health and welfare standards for the citizens of the county; and

WHEREAS, the County will be faced with a deficit as of November 30, 1958, of approximately $12,500,000 consisting primarly of unpaid bills due the City of Detroit and State of Michigan for hospitalization and other social welfare functions; and

WHEREAS, the Wayne County Board of County Auditors has advised that there is no foreseeable means of obtaining the necessary funds to pay these existing obligations except by seeking authorization from the electorate of the County for the levy of additional millage for the sole purpose of retiring said obligations:

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Wayne, this 4th day of September, 1958:

1. That there be submitted to the qualified electorate of the County of Wayne, State of Michigan, at the General Election to be held in said County on Tues- November 4, 1958, the following proposition:

I—TAX-RATE LIMITATION INCREASE PROPOSITION:

Shall the limitation on the total amout of taxes which may be levied against all property in the County of Wayne, State of Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X of the Michigan Constitution, by three-tenths (3/10) of one (1) mill on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of five (5) years from 1959 to 1963, both inclusive, for the sole purpose of providing funds to retire debt obligations incurred by the County of Wayne in financing hospitalization and other social welfare functions which are the statutory responsibility of the County?

2. Said proposition shall be prepared and distributed by the County in the manner provided by law, which statement on the voting machines and ballots shall state the proposition in the form set forth in the preceding paragraph.
3. All public officials of the County of Wayne, State of Michigan, and all municipal units thereof, within such time as shall be required by law, be and they hereby are directed to do and perform all acts and things which shall be necessary to be done or performed in order to submit the foregoing proposition to the electorate of said County at such General Election to be held on Tuesday, November 4, 1958.

WHEREAS, the Port Commission of the Port of Detroit, a port district co-terminus with the County of Wayne, State of Michigan, established pursuant to the provisions of Act 234, Public Acts of 1925, as amended, has, pursuant to the provisions of Act 234, Public Acts of 1925, as amended, approved a comprehensive port development plan on September 3, 1957, after the requisite public hearing thereon, and by resolution adopted on July 24, 1958, provided for the borrowing of the sum of not exceeding Seven Million One Hundred Thousand ($7,100,000.00) Dollars for the purpose of acquiring the land and properties and constructing the various port facilities encompassed within said plan, subject, however, to the approval of the Board of Supervisors of Wayne County and a three-fifth (3/5) majority of the qualified electors of the County of Wayne voting thereon at a general election or special election called for such purpose, as required by the provisions of said law.

AND WHEREAS, pursuant to the provisions of the above law, said resolution has been duly certified to this Board for its approval thereof and for the necessary procedures to submit the bonding proposition to vote of the qualified electors of the County of Wayne, being the municipal corporation comprising the Port District;

AND WHEREAS, extensive meetings and discussions relative to said comprehensive port development plan have been held with the Port Commission and the Port Committee and Ways and Means Committee of the Board of Supervisors of the County of Wayne, as a result of which it is the determination of the Board of Supervisors that said plan should be approved, but that only that portion of the lands and properties embraced in said plan within the following description should presently be acquired, developed and financed by the issuance of bonds, to-wit:

LAND ACQUISITION

All that area in the City of Detroit bounded on the westerly side by the easterly line of Private Claim 563, which line is 150 feet, more or less, west of the westerly line of Scotten Avenue extended southerly to the U. S. Harbor line; bounded on the north by the southerly line of the Chesapeake and Ohio Railway—Wabash Railroad Right-of-way on the east by the westerly line of the Evening News Association property and the northwesterly line of present West Jefferenson Avenue and the westerly line of West Grand Boulevard at its intersection with said railroad right-of-way; and bounded on the south by the U. S. Harbor Line.

PORT FACILITIES

1. A wharf 1105 lineal feet long, sufficient for berthing two large or four small vessels.
2. Two transit sheds totaling 114,000 square feet of covered storage.
3. An open storage area of 386,000 square feet for lift-on-lift-off operation and general cargo.
4. Adequate space for maneuverability of trucks, trains, cranes, and other material handling and transporting equipment.
5. Adequate facilities for storage and maintenance of equipment.
6. Office space of 10,000 square feet, for Port and Terminal Administration.
7. Heavy-lift equipment for handling unit cargo up to 50 tons.
8. Adequate rail facilities connecting to the nearest railway.
9. Security fencing, A. D. T. and lighting installations.

These facilities would be adequate to handle 330,000 tons of cargo annually—the balance of the land, properties, and port facilities specified in said plan to be left for future determination as to acquisition, development and financing thereof:

AND WHEREAS, the estimate of cost of the acquisition of the lands and properties within the above designated area, and the acquisition of the port facilities specified for said area has been estimated by Harley, Ellington and Day, Inc., architects and engineers, of Detroit, Michigan, to be Seven Million One Hundred Thousand ($7,100,000.00) Dollars;

AND WHEREAS, the Port Commission of the Port of Detroit has concurred in the program herein set forth, which is a revision of its original immediate acquisition program as outlined in its resolution adopted September 3, 1957, and duly certified to the Board of Supervisors;

AND WHEREAS, the Port Commission has submitted to the Common Council of the City of Detroit, the legislative body thereof, said comprehensive port development plan, all of the area and territory embodied in said plan being located within the corporate limits of the City of Detroit, and said Common Council, by resolution, has approved said plan, all in accordance with the provisions of Section 30 of Act 234, Public Acts of 1925, as amended;

AND WHEREAS, because of uncertainties under the law as to whether the Port District is an agency of the county and thus is limited in its taxing ability for the payment of bonds by the limitations expressed in Section 21, Article X of the Michigan Constitution, or is an independent municipal corporation having a charter tax rate limitation, and thus is not subject to the limitations of said constitutional amendment under the decisions of the Michigan Supreme Court, this Board feels that it is necessary in order to provide for all eventualities to submit to the qualified electors on a separate ballot, or as a separate proposition on voting machines, a proposition providing for an increase in the constitutional tax rate limitation as authorized by said Section 21, Article X of the Michigan Constitution in an amount sufficient to provide for the payment of the principal and interest on said bonds over a maximum seventeen (17) year period;

AND WHEREAS, this Board determines that the procedures for said general election should be as provided in the so-called "County Public Improvement Act," being Act 118, Public Acts of 1923, as amended, there being no procedure specified in detail in Act 234, Public Acts of 1925, as amended, which procedures will also comply with the provisions of the general election law of the State and will provide complete notice and opportunity for the qualified electors of the County to register and vote on the propositions to be submitted;

AND WHEREAS, it is the intent and purpose of this Board and the Port of Detroit Commission, if the bonding proposition is approved by the requisite majority of qualified electors of the County of Wayne, to devote the net revenues from the operation of the port facilities to the retirement of the bonded indebtedness, thus reducing the amount of taxes necessary to be levied for the payment of said indebtedness to that extent:

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF WAYNE THAT:

1. The comprehensive port development plan as proposed by the Port of Detroit Commission and approved by it by resolution is hereby approved.
2. The issuance of general obligation bonds in the amount of Seven Million One Hundred Thousand ($7,100,000.00) Dollars for the acquisition of the lands, properties and facilities outlined in the preamble to this resolution, as a part of said comprehensive port plan, be approved.
3. There be submitted to the qualified electors of the County of Wayne, State of Michigan, at a general election to be held in said County, being the municipality whose boundaries are co-terminus with the Port of Detroit, a port district existing under the provisions of Act 234, Public Acts of 1925, as amended, on Tuesday, November 4, 1958, the following separate propositions:

II PORT OF DETROIT BONDING PROPOSITION

Shall the Port Commission of the Port of Detroit, a port district established pursuant to law, co-terminus with the County of Wayne, State of Michigan, borrow the sum of not to exceed Seven Million One Hundred Thousand ($7,100,000.00) Dollars, and issue its general obligation bonds therefor for the purpose of acquiring sites and constructing necessary port improvements in said district; provided, that none of said bonds or any portion or series thereof, shall be issued unless approved by the Board of Supervisors of Wayne County?

III TAX-RATE LIMITATION INCREASE PROPOSITION

Shall the limitation on the total amount of taxes which may be levied against all property in the County of Wayne, Michigan, for all purposes except taxes levied for payment of obligations incurred prior to December 8, 1932, be increased, as provided by Section 21, Article X, of the Michigan Constitution, by eleven one-hundredths (11/100) of one (1) mill on each dollar of assessed valuation, as equalized, of all property in the County of Wayne for a period of seventeen (17) years, from 1959 to 1975, both inclusive, for the sole purpose of providing funds to pay principal and interest on bonds to be issued by the Port Commission to law co-terminus with the County of Wayne, in the aggregate principal sum of not to exceed Seven Million One Hundred Thousand ($7,100,000.00) Dollars if authorized by the qualified electors, for the purpose of acquiring sites and constructing necessary port improvements in said district?

4. Said propositions shall be stated as separate propositions on the voting machines or on separate ballots to be prepared and distributed by the County in the manner provided by law, which statement on the voting machines and ballot shall state the propositions in the form set forth in the preceding paragraph.

5. All public officials of the County of Wayne, State of Michigan, and all municipal units thereof, within such time as shall be required by law, be and they hereby are directed to do and perform all acts and things which shall be necessary to be done or performed in order to submit the foregoing propositions to the electors of said County at such general election to be held on Tuesday, November 4, 1958.

A three-fifths (3/5) majority of the members-elect of the Board of Supervisors of the County of Wayne, Michigan, having voted in favor of the adoption of the foregoing resolution, the Chairman thereupon declared that said resolution was duly adopted.

Hunter's Moon Due on Oct. 27

Shooting stars and the bright Hunter's Moon may be seen in the October sky, a University of Michigan astronomer reports.

The full moon October 27 will provide several evenings of early moonlight, says Hazel M. Losh, Ph. D., associate professor of astronomy. "Just as did the Harvest Moon of September, this one will rise at approximately the same hour for several nights in succession, a great boon for the hunting season. Hence its name — the Hunter's Moon.

"Those who have been conscious of and attracted by the unusual number of moonlight nights of the September Harvest Moon will anticipate with pleasure the return of similar light moonlight nights."

"A few more meteors than are usually observed on a clear night are likely to show up, due to stragglers appearing from scanty meteor showers scheduled for the month," she continued. "A few bright meteors are likely to be seen flitting here and there, but nothing spectacular in the way of a show is promised."

However, the Earth may meet the Giacobinid meteors the night of October 9-10, Dr. Losh reports. These meteors are located towards the constellation of Draco.

"Although this encounter is only a possibility, it could turn out to be a real display," she notes. "The Giacobinids were last seen in 1946, when 60 to 100 shooting stars per minute were counted, despite an almost full moon, which usually causes so much light that meteors are somewhat obscured.

"Two bright planets may be seen during the evening hours, Dr. Losh reports. Saturn is visible in the southwestern sky, setting about three hours after the sun. Mars, located about midway between the Pleiades and Aldebaran, rises around 8 p. m. It appears as a striking red object over the eastern horizon. It will steadily increase in brilliancy as the month progresses," she adds.

Hot bricks and jugs of boiling water were packed in the sleigh and the Dudley B. Woodbridge family, bolting a huge, hot breakfast, climbed in, covered up with buffalo robes and drove off to Detroit from their estate "Belle Meade" to attend Sunday morning services at the First Congregational Church at Fort and Wayne streets. The drive took four hours over icy roads and the Woodbridges had to rise at 4 o'clock in the morning, for to miss church was unthinkable.

The son of Michigan's second governor, his wife and four daughters, Mary, Mattie, Eva and Julia, were one of the first Detroit families to make the Pointe their year-round home and beautiful Belle Meade, built in 1865, was really out in the country, beyond the site of the present Vernier road, and 12 miles from town.

All the Woodbridges were nature lovers and after living in the house one summer they decided to make it their year round residence. It was in their parlor a few years later that Dr. and Mrs. Smith, the Hinchmans, Judge and Mrs. Michie, the Brushes and Joseph Berry met to form a Protestant Sunday School. Eva Woodbridge was married in the little Protestant Evangelical Church at the foot of Kerby road which her parents helped found.

Except for church the women in the Woodbridge family didn't drive to town often. The girls were taught by French and German governesses and then went East to study music and the arts.

Mr. Woodbridge, bewhiskered Victorian father, drove to Detroit every day to get his mail and see to the vast real estate interests on which his fortune was founded. He was very accomodating and often picked up his French neighbors along the lake.

As the girls grew older many visitors drove, by sleigh, or carriage, out to hospitable Belle Meade. It was no easy matter to set a full table in those days but Mrs. Woodbridge always had quantities of ham, eggs and the Dutch cream for which she was famous.

Two of the Woodbridge daughters continued to live in the Pointe after their mother's death. Mr. Woodbridge lived in Belle Meade until 1901 when he died at 93. One of the daughters, Mrs. Gustav W. Zanger, lived in the old home and next door was another sister, Mrs. Charles Metcalf. The Metcalf home was used as the old Lochmoor Club until the present building was opened.

Today in St. Clair Shores Mrs. Metcalf, at 94, reminisces often about those early gracious days when the parlor and the front veranda at Belle Meade were full of pompadoured ladies, their skirts trailing, sipping lemonade or tea and their escorts gallantly squiring them to the countless simple parties along the avenue.

Did you know that Prewitt Semmes, longtime Pointe resident, is the grandson of Confederate hero Rear Admiral Raphael Semmes? The dashing Naval hero served in the Mexican war, in Washington, and resigned his commission to command the Rebel packet which captured 17 Union merchant vessels. He commanded the "Alabama," built in England, and sunk in the English channel after two years of daring cruising against Union shipping. Mr. Semmes talks on his grandfather to the United Daughters of the Confederacy here.

A young man about town took a glamorous girl out on a date. They were driving down a moonlit country path when the engine suddenly coughed and the car came to a halt.

"That's funny," said the young man. "I wonder what that knocking was for?"

"Well, I can tell you one thing for sure," the girl answered icily. "It wasn't opportunity."

MRS. ROBERT F. WEBER OF LAKE SHORE ROAD

By Kitty Marriott

When your handsome contemporary home faces Lake St. Clair and your entrance hall opens to Lake Shore road, how do you decide which is the back and which is the front of the house?

This is a puzzler that the Robert Webers have pondered during the ten years they've lived in this enviable location.

"When you're looking for something," says attractive Mrs. W., "and someone says 'It's in the front of the house', you just stand there looking around trying to decide what they mean."

The versatile lady of the manor doesn't spend too much time standing around, however; she plays an important role in several civic groups. Currently, her hands are full as arrangements chairman for the approaching Junior Goodwill Antique Show.

Four-Day Sale

The 11th annual antique sale and show opens Sunday, October 26, at 2 p.m. and will continue Monday, Tuesday and Wednesday, October 27-28-29, from 12 noon until 10 p.m., at the Brush Street Goodwill Industries Building.

The popular show means many months of preparation for Junior Goodwill workers (committee is already functioning for the 1959 show), but some 250 members combine forces to present the large scale sale of antiques.

As chairman of arrangements, Mrs. Weber sees to it that the 38 dealers in antique furniture, silver, glassware, china, jewelry ("You can find almost anything you want," she reports.) are happy with their booths and things in general.

Aid to Handicapped

Junior Goodwill is justly proud of the 480 self-supporting handicapped employees at Goodwill Industries and uses proceeds from its annual sale to purchase items for the plant. These have included 30 sewing machines, steam irons, shoe finishers, and a conveyor belt to save carrying materials from first to fourth floor.

Other Junior-donated employee aids have been modern cafeteria and lounge, washroom and showers. Medication is also furnished at the plant dispensary.

During the antique show, Junior Goodwill women set up the "Americana Room" to serve reasonably priced luncheons and dinners to the shopping public. Chairmen for this year's event are Mrs. Herbert Metcalf and Mrs. Kenneth Reichle.

Mrs. George Martin is president of Junior Goodwill, which is observing its 25th birthday this year.

Serves 3 Boards

Mrs. Weber has been a member of Junior Goodwill for about eight years; her husband is president of Goodwill Industries.

In addition to serving on the Junior Goodwill board, Mrs. Weber is a board member of Ibex and Franklin Settlement. The several jobs mean attendance at numerous meetings, "and I'm always the first to leave because I want to be home when Mark gets home from school," she remarks with a smile.

Mark, 11, is the youngest of the Weber trio; David, 17, and Rosalind, 15, both attend Grosse Pointe High School.

Pets and Plants

An afghan hound, a mynah bird and a parakeet are also very much a part of the Weber household. "Debaran," the huge afghan, has just reported back after six weeks of obedience training aimed at curbing her saucy disposition.

Talkative "Joe," the mynah bird, sleeps in a paper bag each night (as all good mynahs are supposed to do) and has come perilously near to accompanying young Webers to school in lunch bags several times during his three-year tenure.

Plants and ceramics top versatile Mrs. W.'s hobby list. Plants, all shapes and sizes, fill the house, from groups of wee specimens in handsome planters, to the large plant set in a mammoth bottle on the enclosed porch, to her latest addition — a kuki nut tree over six feet tall which sits in a pot in the living room.

Ceramic Clowns

Eldest member of the vegetable kingdom in the Weber menage is "Old Friend," a philodendron monstero which has been with Mrs. Weber since 1942 and is still doing very nicely, thank you. "Old Friend" winds loving arms around an upright bit of bark and travels to a florist for repotting since the yards of vines have gotten beyond its mistress' control.

Mrs. Weber has her own kiln and enjoys dabbling in ceramics at intervals when she can find the time. Pieces of her work grace the mantel and end tables — clowns are her favorite subject with animals a close second. Bits of whimsey find favor, and things serious are taboo when the artist takes over in this Pointer.

Lakeshore Home

Arizona-bred, Mrs. Weber has been a Grosse Pointe resident since 1930. Following their marriage in 1937, the Webers chose to remain in the Pointe. Then, just 10 years ago with the Richard Webers, Mr. Weber's brother and sister-in-law, they built homes side by side at the attractive lakeshore site.

And so the problem remains . . . whether the lakeside of their house is the rear, or whether their distinctive mahogany-paneled entrance hall leads to the front door.

Tribute Paid Mrs. Baynert

Mrs. Bogdan Baynert of Hidden lane, season tickets chairman for the Women's Association of the Detroit Symphony Orchestra, was honored at that group's fall meeting.

Mrs. Baynert's tireless efforts in promoting interest in the Detroit Symphony Orchestra were highly praised. During the summer months, she recruited 150 women for her committee to sell season tickets for the 1958-59 symphon yconcert series.

At a kick-off luncheon held on-stage at Ford Auditorium, Howard Harrington, manager of the Detroit Symphony Orchestra, presented Mrs. Baynert with two albums of the orchestra's recordings and announced that the Detroit Symphony Orchestra would nominate her the "Volunteer of 1958" for her diligent efforts in its behalf.

HOUSEHOLD HINT

You can have double-quick sweet rolls for a breakfast treat, points out Roberta Hershey, extension specialist in foods at Michigan State University. Just make three deep cuts in the top of brown-and-serve dinner rolls, stuff with raisins, and drizzle with equal parts of butter and brown sugar—melted together. Bake at 400 degree for 10 minutes or until glazed and golden.

POTPOURRI

Contributed by Mrs. Alice Neely, Senior Center Bazaar Chairman

(This is a recipe selected from the cookbook assembled by senior citizens for their annual bazaar to be held October 28 at the Junior League-sponsored Senior Center.)

½ lb. veal
½ lb. pork

Cut meat in small pieces and brown in shortening.

½ lb. broad noodles

Boil noodles in salted water five minutes. Drain.

1 small stalk of celery
1 large onion
green pepper, optional

Cut up and saute together.

1 can tomato soup
salt and pepper to taste

Arrange in casserole alternate layers of meat, noodles and vegetable mixture, then pour soup over top.

Bake in 350° oven for 45 minutes.

Zeta Tau Alpha Grads Observes Anniversary

The Detroit Alumnae of Zeta Tau Alpha celebrated the 60th anniversary of the founding of their international fraternity at the annual Founders Day banquet at 7 p.m., Tuesday, Oct. 2-, in the Grosse Pointe War Memorial Center, 32 Lake Shore Drive.

The hostesses were Mrs. Leo J. Ronzick, Mrs. Eugene J. Mullane, Mrs. Frederick Hicks, Mrs. Kenneth Koppitz, Miss Ann Knight, and Mrs. Joseph Henderson.

Zeta Tau Alpha was founded at Longwood College, Farmville, Virginia, on October 15, 1898. There are now over 100 chapters in the United States and Canada. The college chapters in Michigan are Alpha Gamma, University of Michigan; Beta Phi, Michigan State University; Beta Tau, Albion College; and Gamma Omicron, Central Michigan College.

The Detroit Alumnae of Zeta Tau Alpha are celebrating their 35th anniversary this year. The group was organized in 1923 and chartered in September, 1927.

The world almost lost Thomas A. Edison in his teens when a policeman, not knowing of his partial deafness, mistook him for a thief one night, and shouted a warning which got no response, then fired a bullet past his head.

Your place in the Sun

Tin-Tan . . . for mid-winter suntanning

Sun Tan OUTDOORS The Year Round. The midwinter sun tan—once the exclusive badge of a trip south—is as close as your back yard or rooftop If you own a TIN-TAN

Tin Tan collects the suns rays to gently and completely tan its lounging occupant at the same time keeping comfortably warm, dressed in shorts or bathing suit, even with temperatures as low as 35°. Children love it.

With its high reflectivity, the material concentrates the rays of the sun and creates a pool of warmth within its two foot high sides; it works on any sunny day.

Made of metallized "Mylar" polyester film laminated to vinyl, the device is strong and tough enough to withstand hard usage. It is flexible, weighs less than 10 pounds, and can be rolled into a compact bundle for easy transportation and storage. Stakes which hold it erect can be inserted into the ground for positive anchoring, but it can be used on terraces, roofs, or other hard surfaces without difficulty.

Season Opened By Newcomers

The Grosse Pointe Newcomers Club opened its 13th season with an annual buffet dinner and election of officers recently at St. Michael's Church.

Neil Shanahan was named president; Hamilton Niven, vice president; Mrs. Kenneth Davis, secretary and Dick Smith, treasurer.

Members of committees announced by the president are the Elton Turners, social chairmen; the Gordon Kroenerts, assistant social chairmen and the Ted Gundelachs, membership chairmen.

Roger Metzler was master of ceremonies for the film showing of past parties and Dr. Wyatt Haisten, past president, gave a short history of the club which numbers 100 couples.

The next Newcomers party will be held at the American Legion Hall October 25 with a Western theme.

PURSE PILFERED

Ruth M. Kaiser of 713 Shoreham, disclosed the loss of $35 from her purse to Woods police on Thursday, October 9. She told authorities that after putting grocery purchases, from a Mack avenue store, in her car, she forgot her purse in a cart and drove home. Missing the purse, she returned and found it still in the cart, but the $35 was gone.
