WITH THEIR BIGGEST Senate gain in history, Democratic leaders in Washington Wednesday pledged to use their sweeping Congressional victory in a constructive manner in the next two years of divided government.

The 13-seat Senate gain surpassed by one the Democratic record of 12, set in 1932. Late results tightened an already strengthened Democratic House and tossed more Republican governors out of office.

THE AIR FORCE'S third and last authorized moon rocket stood poised Thursday night for an expected early-morning blast-off today, Friday—but an announcement came in the early part of the day postponing the attempt to reach the moon because of "technical difficulties."

Officials had given the 85-pound, telescope-shaped rocket a 1-in-10 chance of reaching the moon within 40,000 miles. Its predecessor, Pioneer, faced 25-1 odds against orbiting the moon—and failed.

Following the shooting of this third rocket, the Air Force will bow out of the space picture temporarily to be replaced by two scheduled lunar probes by the Army—the first of which is expected early in December.

TWO STAR ATHLETES at the University of Michigan were fined \$100 each Friday in the football parlay card scandal. Tony Rio, first-string fullback on the football team, and Jack Lewis, captain-elect of the basketball team, pleaded guilty to charges of participating in an illegal occupation.

Municipal Judge Francis L. O'Brien fined them and ordered each to pay \$6.65 in costs. Fined the same amount was another U-M student, Durwood J. Collins, 22, of Houston.

Sunday, November 9

CUBAN GOVERNMENT forces and rebel armies of Fidel Castro called a 30-hour truce Saturday night after a furious "battle for Santiago" in which hundreds were reported killed or wounded in three days of fighting.

An army communique said at least 244 rebels and six government soldiers had been killed in fighting around Santiago, capital of Oriente province and hotbed of rebel activity. Other hundreds were reported wounded.

Monday, November 10

AT LEAST 19 persons died and a home for epileptic children was threatened Sunday when two mysterious explosions set off a roaring fire in a four-story apartment house in Montreal, Que.

The death toll is expected to go higher. Late Sunday, hours after the first explosion, about 20 persons were still missing. Also, some of the 15 injured were in serious condition and not expected to survive.

Tuesday, November 11

A BIG CARGO PLANE ran wild on takeoff at Idlewild Airport Monday, careening across the busy field and crashing explosively into a passenger plane about to load. Hundreds of lives were imperiled momentarily, but good fortune and timing resulted in no loss of life and minor injuries to only eight persons.

Wednesday, November 12

EIGHT THOUSAND Chrysler office employees and engineers walked off the job at 10 a.m. yesterday morning in a contract dispute which threatens to close the entire corporation and idle 97,000 persons. The striking office workers established picket lines at 22 of 24 Detroit-area plants and 10 plants in other states. Orders for the walkout were flashed by union leaders after a marathon bargaining session which began Monday morning and continued through the night failed to produce an agreement.

Happy Selectees for Colorado Roundup

Boy Charged With Firing Gun at Pair

Witnesses Follow Youth Home After He Blasts At Teenagers

A 15-year-old St. Clair Shores boy, charged with felonious assault when he fired a shotgun blast at two teenagers on Sunday afternoon, November 9, appeared before Shores Judge John Gillis the following day.

After hearing the case, Judge Gillis referred the matter to the State Conservation Department, with a recommendation that a hunting license be refused the youth until he is 17 years old, and that his present license be revoked.

Wrecks His Car To Spare Pooch

Spare the critters and spoil the cars! Such was the humane philosophy adopted by Ernest L. Boggs, 421 Belanger road, last Wednesday, November 5.

He was driving north on Rivard boulevard when a dog darted in front of his car and, to avoid hitting the animal, he swerved his vehicle rather violently. It ran over the curb and smashed into a light pole, damaging the entire right side.

And, "Spot" lived happily on.

Woods Appropriates Fund For New Administrative Hall

The Woods council met at a special meeting on Thursday, November 6, to canvas the November 4 ballots, and to transfer a sum of money to the new municipal building fund, as authorized by the city's voters.

The council approved the transfer of \$200,000 from the Municipal Improvement Fund, and ordered it set aside for the construction of a new city hall to be built in Ghesquiere Park.

On November 4, Woods electors gave consent to the use of the \$200,000, by a 4,228 to 2,868 vote, climaxing the city officials' fourth plea for a new and larger quarters. On three previous occasions the voters rejected requests for bond issues for this purpose.

City Administrator William Lange said that bids on the

Steady Growth Continues In Adult Education Classes Offered by Public Schools

Attendance in Nearly 300 Courses Now Being Offered Expected To Be Far Beyond 6462 Enrolled Last Year

Opportunities in the form of adult education courses have been available to Grosse Pointe residents since January 1940, when authorization from the Grosse Pointe Board of Education, to establish a division of adult education as part of the total educational program was obtained.

Forrest Geary, athletic director, coach and teacher of physical education for the Grosse Pointe High School, was put in charge.

Since 1942, Mr. Geary has been the Director of Community Services of which the adult education activities became a part. He is a graduate of Eastern Michigan College and started teaching in the Grosse Pointe Public Schools in 1924.

The first year less than 350 people were enrolled in adult education classes. Considerable expansion occurred the following year with the outbreak of World War II and the arrival of Dr. Paul L. Essert, new superintendent of schools. Dr. Essert came to Grosse Pointe from Denver, where he had directed the world-famed Denver Opportunity School, a vocational school often described as one which taught anybody anything.

Attendance Booms

By 1948, a decade ago, the number of adult offerings had grown to 39 with most of the emphasis being placed on classes in Homemaking and Parent Education. In 1950 over 2,600 persons were registered

in 125 different sections with a faculty of 50 persons.

In recent years the number soared to well over 6,000 with a high of 6,462 being enrolled in the 1957 school year. Two hundred and eighty-eight sections, 230 of them meeting in the evening, were operated in 93 different subject areas with a staff of 84 teachers.

Total enrollment and other data for the 1958 fall term are not yet completed as several new activities will be meeting for the first time in the next few weeks. From all indications the 1958 fall enrollment will show an increase over previous years.

The adult education classes are largely held in the high school annex, the former (Continued on Page 2)

'Hill' Merchants Launch Program

Nearly all the merchants On-The-Hill have joined together in an exciting program which is designed to impress upon the Pointe shopper the advantages of the area.

In particular they are stressing the exclusive approach of the buyers, who purchase their merchandise expressly to suit the sophisticated taste of their customers—at no additional cost to them.

Proximity, partiality, and a plentiful stock—along with service, in the finest sense of the word—these are the commodities the Hill merchants will be selling during the Christmas shopping season.

Their unified efforts on behalf of the public, as exemplified in their joint sponsorship of the clean-up man in that area, will include a weekly prize give-away campaign, to commence this Monday, November 17. Open to adults only, it will feature a weekly \$50 gift certificate, tickets for which will be distributed in the contributing shops from 9:30 a.m. to 1 p.m. A purchase is not required for participation.

The drawings will take place every Tuesday at 10:30 a.m., On-The-Hill, and the \$50 prize may be redeemed by the weekly winner in any of the participating member shops.

New England Church Calls Rev. Ketchum

Associate Pastor of Dec. 4 To Take New Duties

One of the community's most popular members will be taking leave of the area, and his many good friends, on December 4. The Reverend Paul F. Ketchum has accepted a call from the Eliot Presbyterian Church in Lowell, Mass.

He will leave his ministerial duties at Grosse Pointe Memorial Church, where he is an associate minister, before the end of the year to fill his new post.

Mr. Ketchum, born in Auburn, N.Y., moved to Washington, D.C. at the age of five. His father was a Presbyterian minister in that city for 30 years and it was there that Mr. Ketchum attended the Sidwell Friends School. Upon graduation from high school he went to Duke University, in Durham, N.C., following which he entered Princeton Theological Seminary in Princeton, N.J.

Answers Army Call

He began his ministry in Cincinnati, as an assistant minister at the Covenant First Presbyterian Church. He served in this capacity for 2½ years before he was required to answer another call, that of Uncle Sam.

Mr. Ketchum entered the service as a chaplain, assigned to the U.S. Air Force. He served in this country and in Central Africa for over four years, discarding his khaki vestments in December of 1946. It was in June, 1947, that "Doc," as he has come to be known to so many, came to Grosse Pointe to assist Dr. Frank Pitt, recently retired head of the church. He was made an associate minister in 1953.

Doc Ketchum has always been intensely interested in working with young people. During his college years he spent his summers in Colorado, as a camp counselor, and while in Seminary he spent a summer directing daily vacation Bible schools in the coal mining towns of southern Ohio.

Coached Baseball

He doubled his duties that season, coaching baseball on his off-hours. While in the Army he was disturbed to find a large portion of the men religiously illiterate and it was at this time that he determined to emphasize work with young people during his ministry.

Pointe Republican Vote Swept Under Dems' Tidal Wave

Total of 23,475 Voters, or 71 Percent of Registered Electors Cast Ballots in November 4 Election

Slightly more than 71 percent, or 23,475, of approximately 32,842 registered Pointe voters went to the polls on Tuesday, November 4, to vote on state and county issues, and to ballot on candidates for national, state and county offices.

The Democratic candidates were swept into office by virtue of the majority of votes in their favor throughout the state, but in the Pointe, the Republicans far outstripped their opponents in the number of votes received.

This is the way the Pointe voted for the partisan and non-partisan offices, and the state and county issues:

PARK (6,320 out of about 9,000 voters): Governor—G. Menzies Williams (D), 1,460; Paul D. Bagwell (R), 4,793. Lieutenant Governor—John B. Swainson (D), 1,495; Donald A. Brown (R), 4,667. Secretary of State—James M. Hare (D), 1,756; Raymond A. Plank (R), 4,383.

Fire Department Veteran Faces Retirement in Park

The Park council agreed on Monday, November 10, that it was about time the city retired an old veteran of the city's fire department.

The "vet" is not only old, but is badly worn out, and when answering calls to fires, is a menace when running in today's heavy traffic.

Fire Chief George deCausin, who informed the council that his department needed the replacement for better firefighting service to the city, is one person who will not have any regrets when the old-timer is gone.

The other officers and personnel of the department will also be glad when this battle is gone from the station. The men of the Park Fire Department are all in accord in that it is time this veteran

Schedule Set For Second Polio Clinics

850 Get Vaccine at Pierce Junior High; Park Boy 10th Polio Victim

Two more polio clinics have been scheduled for the Pointe area, one for Saturday, November 15, and the other for Monday, November 17, it was disclosed by Dr. Thomas Davies, Pointe Health Commissioner.

The Saturday Clinic will be held in the Auditorium Center at the Eastland Center, from 11 a.m. to 8:30 p.m. The second clinic will be at the Brownell Junior High School on Monday from 6 p.m. to 8:30 p.m.

Take Second Shots

On Wednesday, November 5, approximately 350 persons went to Pierce Junior High for their second shot of Salk Vaccine, Dr. Davies said. Although the number is not quite half of that of the first clinic held at the school on September 30 when 1,800 received shots, the doctor termed Wednesday's inoculation program a success.

He attributed the drop in the number of persons receiving the shots at Pierce to an identical program that was held on the same day by Detroit at nearby St. Ambrose School, where many persons in the area went for their inoculations.

He said that the clinic held at the Harper Woods Junior High School on Thursday, November 6, saw 1,550 persons getting the vaccine.

Vandals Visit Veterans' Club

A belated report from Ted Hageman, manager of the Alger Veterans' Post No. 995, located at 17145 St. Paul, puts a slight blot on the recently-reported Good-Behavior records of the Pointe youth on Halloween.

According to a statement he made to City police last Thursday, November 6, the Post was the victim of a vandalism spree which was responsible for the thorough dousing, in yellow and blue paint, of the flag pole and armored tank which rests on the front lawn of the Post.

BICYCLE STOLEN

Don Wenzel of 295 Cloverly, reported the theft of his bicycle to Farms police on Sunday, November 9. He said the bike was on the Brownell School playground.

Top Suburban Crown Won By Devils

Victory Over Port Huron In Final Game Clinches Championship For Fine Eleven

The Grosse Pointe Blue Devils closed out the 1958 season with a sparkling 14-7 victory over Port Huron on the chilly, rain-swept local gridiron last Saturday, November 1. The victory gave the Devils a 7-1 record for the season and earned for the Pointers the Suburban Class A championship.

A week earlier the Devils hammered winless Highland Park 19-6, on the latter's field, to become co-champions of the Border Cities League with Royal Oak D'Onofrio which was the only team to mar their perfect season.

Winning the 1958 Suburban championship marked the third time since head coach Ed Wernet took over the grid reins in 1946 that the Pointers have won this honor. Also during that time the Devils have captured the BCL crown twice outright and shared it once.

Score First On Pass

The Devils' first score came late in the first quarter when they drove 60 yards with quarterback Johnny Nicholson rifling a seven-yard pass into the outstretched hands of halfback Bill Hooth on the Port Huron five-yard line and he scored standing up with 41 seconds remaining.

Chuck Hanneman's extra point was a long time coming. On the first attempt the Devils were penalized for taking too much time in the huddle and the ball was spotted on the seven. Hanneman's kick was blocked but Port Huron was offside and the ball was spotted on the two. This time Hanneman split the uprights to give the Devils a 7-0 lead.

Highlighting the touchdown drive was halfback Ronnie Harper's 20-yard end run which was called back due to a Devil penalty. On the very next play, fullback Tom Andris raced 20 yards to the Port Huron 42. Nicholson then hit end Larry Bruzese with an 18-yard pass and Bruzese carried to the Port Huron seven before being brought down from behind. The Nicholson to Hooth pass play set the Devil cheering section in motion.

Pointe Exceeds Quota in Drive

Grosse Pointers exceeded their quota in the recent Torch Drive by 5.6 percent, Mrs. E. O. Bodkin, of 64 Muskoka road, regional chairman, reported.

The total amount raised in Grosse Pointe during the annual "Give Once for All" fund-raising campaign between October 14 and November 6 totaled \$325,557, against a quota of \$308,203.

"The residents of Grosse Pointe demonstrated their generosity," Mrs. Bodkin said. "Throughout the campaign we asked that those who could give would give enough to make up for the many who were unable to give. Grosse Pointers responded to this plea by raising their giving standards."

The Torch Drive raised a total of \$16,281,026 throughout the Detroit metropolitan area. The goal was \$15,700,000. Grosse Pointers held many positions of leadership in the overall drive.

In Grosse Pointe, divisional chairmen were Mrs. Edward R. Harrigan of 1241 Devonshire for Grosse Pointe Park; Mrs. Fred C. Holder of 832 University for Grosse Pointe City; Mrs. David N. Whitney, Jr., 77 Muskoka for Grosse Pointe Farms; Mrs. Kenneth Koppin, 1271 S. Renaud, and Mrs. Robert Rains, 1332 Vernier, for Grosse Pointe Woods; and Mrs. Hugh C. Daly, 35 Lochmoor, for Grosse Pointe Shores. Ledyard Mitchell of 61 Moran road, headed the Select Prospects Committee for Grosse Pointe.

Adult Education Classes

(Continued from Page 1)

Country Day School. However, many of the classes are held in other schools in different parts of the community as are many other community activities under the jurisdiction of the Department of Community Services.

Gymnasium Well Used

Gymnasiums, for example, are used for Ball and Spin Casting, Badminton, Ballroom, Round and Square Dance instruction, men and women's exercise classes, Modern Interpretive Dance and Owner Dog Obedience training. Various rooms in Parcels, Pierce, Kerby, Monteith, Barnes, Perry, Brownell, and Grosse Pointe High School are used during the week also. Swimming pools are scheduled practically to capacity with instructional, recreation and competitive types of activities for all age groups.

The instructors in the adult education division are drawn from many sources. A great number of the teachers are on the staffs of such institutions as the University of Michigan, Wayne State University, and many local area public and private schools.

Included in the latter are teachers from the Grosse Pointe, Detroit, Harper Woods and East Detroit Public School Systems, Grosse Pointe University School and Sacred Heart Convent are also represented. In addition, to the professional teachers on the staff, the talents of many local housewives, business and professional men are utilized to enrich the overall adult activities program.

Therapeutic Treatment. Among the values inherent in such a program, Mr. Geary

indicated, are those which are of a therapeutic nature. Many persons find these activities a great change from their regular routine. A person whose activity is largely sedentary usually finds a manual craft

or a physical activity something of a release.

Mothers and housewives find courses in millinery, upholstery, knitting and dress-making an excellent change of pace as well as making possible an even more diversified wardrobe. For those interested in the crafts or art

area, courses in copper, enamel, silver oil and water color painting, drawing and sketching, ceramics, textile painting and flower arranging provide a stimulating extra curricular experience.

Some people's only aim in life seems to be half-shot.

EXPENSIVE LOSS

Mrs. H. L. Wessel of 23 Elm court, told Farms police on Monday, November 3, that a multi-diamond pin was either lost or stolen from her house. She said she did not remember the number of diamonds, but the setting was platinum, and that the item is valued at \$500.

Introducing Pointe's Newest Teachers

Monteith's new sixth grade teacher, MISS ANNE RAGSDALE, plays the organ for the two other newcomers to Monteith, THOMAS KELLER (left) and MRS. MARION KOCH, PRINCIPAL MARSHALL JAMESON (right) looks on during these "get acquainted" activities. Mrs. Koch teaches fourth grade at Monteith and Mr. Keller is the teacher of physical education there.

Thomas E. Keller was born and educated in Detroit and now resides in East Detroit. He teaches physical education at Monteith. A graduate of Denby and Wayne, Mr. Keller played varsity basketball and baseball in college. He was co-captain of the basketball squad for two years.

The MacKenzie Honor Society tapped him as one of 10 outstanding men in scholastic and athletic achievement. He served in the U.S. Navy 1951-53 and had prior teaching experience in Detroit's Hamilton Elementary School 1956-58. Married, he is the father of Kathryn, 2½ years, and Jeffrey, 8 months.

Mrs. Marion Koch is also a native of Detroit and a graduate of Wayne. Now teaching fourth grade at Monteith, she had served as a substitute in the Pointe schools in earlier years. Married, she has a ninth grade daughter, Jane, at Brownell. Mrs. Koch commented, "I love the Grosse Pointe Schools—as a parent and a teacher" and, so, leaves little doubt that she enjoys her work.

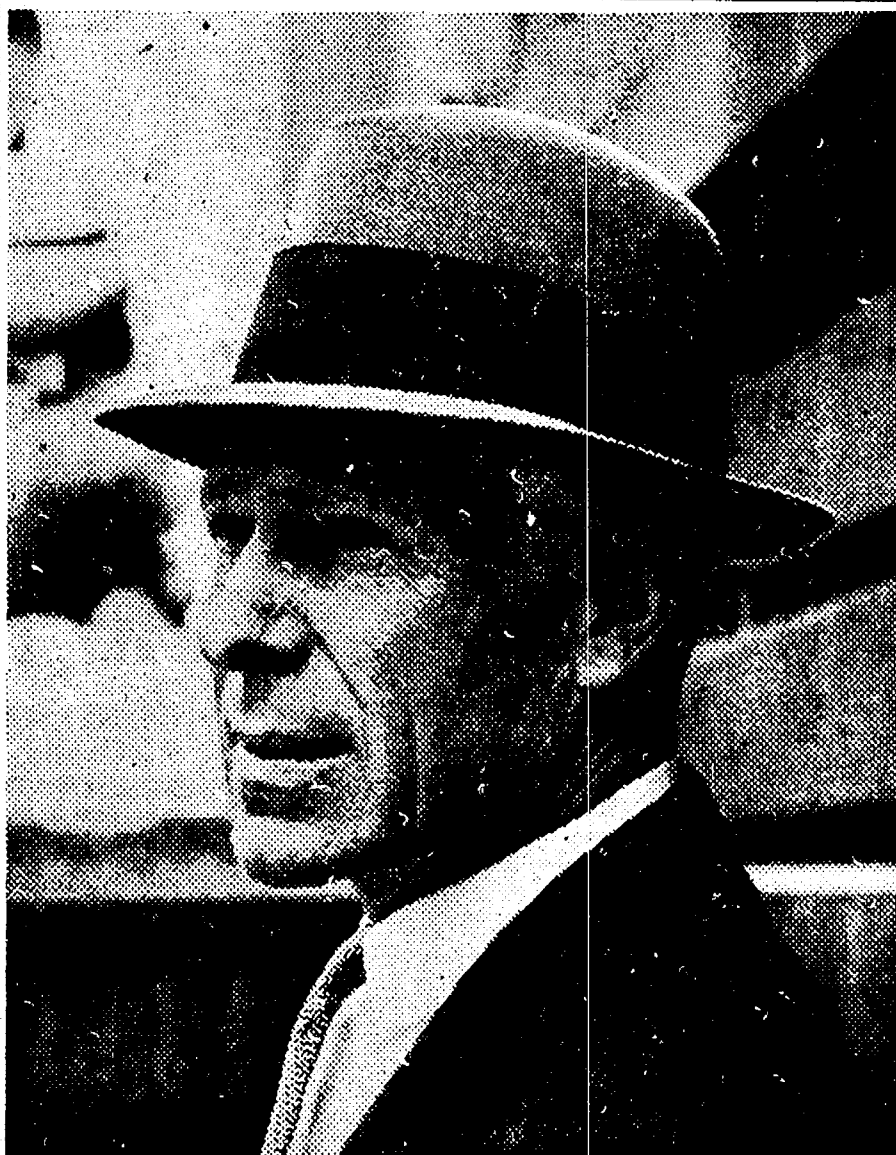

Miss Anne Ragsdale was born and raised in Carbondale, Ill., the child of two school teachers. Her mother teaches

there in the public schools and her father at Southern Illinois University where Miss Ragsdale graduated with 2 degrees and high honors—one in Education and another in Liberal Arts.

A particular interest is the teaching of foreign language in the elementary grades. During her undergraduate days she was elected to Alpha Lambda Delta, freshman honorary; Pi Lambda Theta, honorary for women in education;

Phi Kappa Phi, international honorary society for university graduates; and the Beta Society of SIU, an organization sponsored by Phi Beta Kappa. She also was awarded a medal for outstanding achievement in the study of Spanish.

She enjoys travel, having covered much of the northern part of the Western Hemisphere, and her sixth grade teaching assignment at Monteith.

Gun Blaster

(Continued from Page 1)
 of 21535 Elizabeth, St. Clair Shores; and Sloane Barbour, Jr., 19, of 3971 Deeplands, when the two youths were beaching their boat near the Ford Estate, and the younger boy became angry because the beaching was being done too near his duck decoys.

Pellets from the gun blast showered around Brackz and Barbour, and one pellet struck Brackz on the right arm without harming him.

Four witnesses, including two hunters, saw the 16-year-old raise the gun and fire it, and then crouch in the bottom of his boat.

Two of the witnesses followed the younger teenager to the foot of Clairwood in St. Clair Shores, and notified

police of that community. The youth was arrested and turned over to Shores authorities.

Brackz and Barbour told police that when they were beaching their boat, the rifle wielder ordered them to stay away from the decoys, or he would shoot. Then, the older boys said, the other youth pulled the trigger, showering the vicinity with shotgun pellets, before they had a chance to move away.

The "Festival of Gratitude" which is Thanksgiving was given its spiritual undergirding by a group of people who did not, according to material standards, have much for which to be grateful.

The deep gratitude of the Pilgrim Fathers was for the privilege of worshipping Almighty God according to the dictates of their own consciences.

This is the only sure basis for real and lasting gratitude, because our spiritual background, if properly nurtured, is something which can never be taken from us.

Rocket Shot 6,000 Feet By High School Students

By Pat Metzger
GPHS Journalism Student

A small group of people watched attentively as a rocket soared 6,000 feet into the sky before dropping back to earth. This rocket represented the efforts, not of trained army personnel, but rather, of the Grosse Pointe Rocket Society, a group of science

mindful boys from Grosse Pointe High School.

When the first Russian and American rockets were fired, many young people were challenged by the possibility of scientific venture as a future occupation. Jim Ropes, Don DeMeyer and John Thompson are the students who deserve the credit for the adoption of the club as a school-sponsored activity. In this manner there is experimental with safety.

Although the society has had several successful launchings, the main purpose of the club is not just the firing of rockets. The group is more interested in principles, such as tracking of projectiles, design, testing thrust, and other mechanics of rocketry.

The Air Force has donated some land for firing, and recently Mr. Alfred Zaehring, president of the American Rocket Company and author of "Solid Propellant Rockets," gave a talk to the group.

The club's most successful rocket, reaching the height of 6,000 when fired, was designed and built by John Jacobs, club president. Other successful rockets were fired by Larry Colpaert, Howard Gandelst and Tom Hammer.

The group is currently working on the discovery of a better fuel to give them more control and higher altitude with their rockets. Other problems concerning the launchings include, tracking, parachute recovery, and stabilization in flight. A perfect electrical system has been developed.

The club is divided into committees, each of which specializes and studies one problem concerning the group. Weekly reports are given to the whole group in order that all members may benefit from each other's findings. In this manner, the group developed a rocket with very few faults. Now they are interested in developing a rocket with specific talent, such as a two stage rocket or one containing a radio.

All safety precautions are rigidly observed by members. The penalty for an infraction of one of the established safety rules is expulsion from the society.

The group is currently holding its launchings at a site 100 miles from Detroit city limits. Other experimental work is being conducted in the garage of Mr. Grosmark.

Mr. Grosmark stated, "The Grosse Pointe Rocket Society, in order to continue its forward movement and stimulation of minds, needs advisory help and land on which it can continue testing rockets. We have reached the stage where we need an informed individual to consult on the solving of technical problems. Any person who wants to see Grosse Pointe a leader in production of young scientific talent has an opportunity to assist this cause. If any individual has some space that could be used for testing, please call the high school."

Two Students Named To Youth Committee

Two students at Grosse Pointe High School have been appointed to offices on the Metropolitan Youth Committee. Nancy Ruby and Edie Morris, both seniors, were named along with two other girls from Y-Teen clubs in the Detroit Metropolitan area. The Committee is similar to the House of Representatives. The four new members will co-ordinate activities for the eleven Y-Teen Clubs in Detroit sponsored by the Central Branch of the YWCA.

Shores Traffic Violators Pay

Gerald R. Hodges of 4705 Ashland, Detroit, paid a heavy fine and was placed on one-year probation, following a hearing before Shores Judge John Gillis on Monday, November 3.

Hodges was found guilty of reckless driving and driving while his operator's license was suspended. He was ordered to pay a fine of \$125, or serve 90 days in the Wayne County Jail, and is forbidden to drive during the period of probation. He paid the fine. He had been drinking, police said.

Thomas A. Chatterton of 22511 Alexander drive, St. Clair Shores, accused of not having his car under control and causing an accident, was found not guilty and his case was dismissed.

Daniel W. Fruehauf of 2161 W. Grand boulevard, Detroit, failed to come to court to answer for speeding on Lake Shore road and a warrant was issued for his arrest.

James Allen of 13735 Keystone, Detroit, was found guilty of speeding on Lake Shore, and paid a fine and court costs of \$19.50.

Robert G. Shiell of 15200 Windmill Pointe drive, was found guilty of speeding on Vernier road, and paid court costs of \$7.50.

Robert G. Hendricks of 2051 W. Grand boulevard, Detroit, was found guilty of speeding on Lake Shore and driving with a revoked license, and paid a fine and costs of \$107.50, and sentenced to two days in the Shores jail.

Gilbert G. Waters of 22425 Revere, St. Clair Shores, accused of reckless driving on Lake Shore, was found guilty and paid a fine and costs of \$107.50.

Archibald K. Bates of 1147 Philip, Detroit, failed to appear in court on a Lake Shore speeding charge and a warrant was signed for his arrest. A warrant was also signed for the arrest of Clarence B. Lasechi of 19905 Avalon, St. Clair Shores, for speeding on Lake Shore.

To Give Play at Parcells

Old-fashioned melodrama and sparkling romantic comedy will be featured at the annual Night of Plays, to be presented by the dramatics students of Parcells Junior High School on Friday, Nov. 14.

The curtain will rise in the school auditorium, at 8 o'clock, on the seventh grade production of "Love Hits Wilbur," which has been directed by Mrs. Frances Roach. Wilbur, a boy who hates girls, is played by Fritz Schippert.

The sudden change in his attitude is a cause for complications and much hilarity. Others in the cast are: Sandy Joyner, Kathy Yevick, Holly Gordon, Terri Atkin, and Joe Colacaterra. Others working on the production are Linda Smith, Linda Crockett, Pat Totten, and Colleen Hebbard.

Eighth and ninth grade dramatics students will present a popular comedy entitled "The Pampered Darling." One spoiled boy can ruin many family plans unless ingenuity is used. The method used to outwit Victor proves to be most unusual.

Miss Shirley Lewis has directed the capable cast, which includes: Dianne Dabich, Virginia Van Vyncht, Pat Fleming, Lynn Freeland, Carolyn Lintner, Jim Meech, Anne Bannister, Judith Ellis, Al Blixt, Beryl Deck, and Terry McGuire. The prompters are Mary Dettmer and Pat Scanlon.

Other dramatic students will offer short skits for between-acts entertainment. A large cast of ninth graders, coached by Willis Brown, will present two record pantomimes. In the cast of "Ivy League" are Melody Snyder, Marcia Florin, Yvonne Bouchard, Linda Leddick, and Dianne Peters. The second record, "It's In the Book," displays the talents of Steve Schreifer, Cynthia Gilliat, Virginia Shaffer, Nancy Grebe, Rhea Morgan, Ken Vestico, Jeff Brown, Ron Vandumte, Jackie Karr, George Krogh, Walter Dietrich, Keith Riemer, Dave Kiswiney, and Janet Cheraz.

For contrast, the seventh graders, under the direction of Miss Joan Steiner, will enact a daring tale of intrigue and

heroism entitled "Lorna Doon's Fate" subtitled "Kidnapped in a Potato Sack."

Northrup, Dan Proctor and Bill Young.

Appearing in the cast are: Susan Judkins, Carol Helakas, Neil Engelhart, Jim Lyle, Jim Wagner, Bob Stevens, George Alaska, Don Beaufait, Jon Friedrich, Jenny Sue Heisey, Mick Mancini, Rob Most, Greg

Chapter AO of PEO Meets November 17

Chapter AO, PEO Sisterhood, will hold its next meeting at the home of Elaine Asmus (Mrs. F. J.), of 242 Beaupre road, on Monday evening, November 17.

Following the business meeting, a program built around women in the world of business will be presented by Neva Rueger (Mrs. C. F.) and Martha B. Mast (Mrs. R. T.).

Pierce Library Club Holds Annual Tea

As part of an observation of Book Week and American Education Week, the Pierce Junior High School Library Club held its annual tea on November 5. Many parents visited the school and took part in the festive occasion. Pictured from left to right are MRS. KAUFMAN, MRS. ROBERT JESSUP, WAYNE JESSUP, MRS. LAVERNE

DRASELL, MRS. FLORENCE MILLER, Pierce English teacher (standing); SKIP DOAN, MRS. DOAN, TIM MOORE, and MRS. FRASER (standing). In the foreground are DAVE ARONSON and BOB HELMS. The boys and their guests are examining some of the new books just received by the library.

The Library looked very festive with its fashion show of new books. As in the past, the Library Club members talked about the new books, commented on the displays prepared by Miss McManus' Civics classes, Mr. Jorgensen's art classes, the reading records

from Dr. Jensen's 8A-5 history section and Mr. Westling's science reading records, compiled by some of his students. Of special interest as usual was the Library Club's hobby. The reference room became an authors' room and contained a display of autographs, letters from notable persons, some first drafts of books, original illustrations and drawings. Many autographed pictures were included in the wealth of original display material pertinent to books and education.

Sharon Zdrodowski displayed her collection of foreign dolls in the display case in conjunction with books about foreign countries.

Library Club members were busy for two months preparing for this book fair. They read books, made invitations and gave book talks. This was their day.

The homemaking classes, under the direction of Miss Greenhoe, planned the table setting, arranged the flowers and set the table. The girls acted as tea hostesses. Their duties consisted of preparing the dainties to be served and serving the guests. Barbara Strong and Penny Price acted as co-chairmen of the refreshment committee.

Approximately 200 guests attended the tea. Preceding the tea on Wednesday, a free-lance writer, Mrs. James Brophy of Grosse Pointe, talked to the Library Club members on the art of writing the short story. She entertained as well as in-

formed the group. She bubbled with enthusiasm. Library Club members were fortunate to have had the pleasure of hearing Mrs. Brophy tell of her writing experiences.

An on-the-spot reporter, Chris Ostergren, editor of the Trojan, covered the book fair and tea for the school paper. Some of the guests interviewed were Elizabeth Howard, Grosse Pointe author of many books in the school library's collection, Mrs. Vera Henry author of Lucky Number, Mrs. Ruth Goebel, member of the Board of Education, Mr. John Brubacher of Mason School, and parents of boys and girls attending Pierce Junior High School.

Pointe Players Plan Production

The Pointe Players of Grosse Pointe High School will present their Fall production of "The Torchbearers" by George Kelly, the Pulitzer Prize winner for "Craig's Wife." The play will be presented on November 13, 14, and 15 at 8:15 p.m.

"The Torchbearers" is a three act satirical comedy on the Little Theatre movement in America.

The cast includes Giovanni Sensi-Isolani, Michael Platt, Frederick Ritter and Anne Curie.

The good judgment of some people will never wear out—they don't use it often enough.

SYLVESTER P. KLEBBA

Mr. Klebba, who lived at 1393 Grayton road, died on Monday, November 3. A member of the Red Arrow 32nd Division, he is survived by his three brothers, William, Frank, and Edmund.

Funeral services were held Thursday, with burial in Mount Olivet Cemetery.

FLORENCE C. HOOBING

Mrs. Hoobing, who lived at 202 Stanhope road, died Thursday, November 6. She is survived by her husband, Albert D., and daughter, Mrs. Norma Murray. She also leaves two grandchildren, Paul and Victoria Murray.

Funeral services were held Monday, with burial in Acacia Park Cemetery.

ROBERT W. SUMNER

Mr. Sumner, 47, was killed last Thursday, November 6, when he fell into the hold of a sunken ferry which he was inspecting, in Ashtabula Harbor, as President of the Grow-Summer-Englebert insurance company. He lived at 422 University place.

Surviving are his wife, Isabelle; two daughters, Stephanie and Mary, and a brother.

Funeral services were held Monday, with burial in Woodlawn Cemetery.

NELL FORD TORREY

Grosse Pointe has lost another of its oldest residents, Detroit one of its social leaders and the country has lost a citizen who has given it much in the way of culture and philanthropy, in the passing of Mrs. Torrey. She died Monday afternoon, November 10, at Harper Hospital following a brief illness.

Although she was born in

New Albany, Indiana, March 3, 1872, she was a resident of the Detroit area for 55 years. She maintained a large Grosse Pointe residence, at 575 Lake Shore road, and a winter home on Ossabaw Island, near Savannah, Georgia.

Her memberships included the Garden Clubs of Michigan and America, the Country Club of Detroit, the Detroit Club, the Museum of Art, the Detroit Founders Society, and the Oglethorpe Club, in Savannah. She was an honorary member of the Grosse Pointe Hunt Club and board member of the Franklin Street Settlement.

Devoutly interested in religious affairs, Mrs. Torrey was an active member of the Grosse Pointe Memorial Church.

She was the widow of the late Dr. Harry Norton Torrey, and mother of the late William Ford Torrey. She is survived by a daughter, Mrs. Clifford Bateman West, of Bloomfield Hills; a sister, Mrs. Joseph Bernard Schlotman, of Grosse Pointe; and eight grandchildren.

Funeral services were held at her residence yesterday, Wednesday, with burial following in Woodlawn Cemetery.

HELEN RUTH BEST

Mrs. Best, who lived at 1229 Three Mile drive, died Sunday, November 9. She is survived by her husband, Dr. Edward T. H. Best, and a daughter, Mrs. Lawrence A. McDonald. She also leaves three grandchildren.

Funeral services were held Wednesday, with burial in Woodlawn Cemetery.

CAPT. WILLIAM ANGELL

Capt. Angell, 50, one of the oldest pilots of Capital Airlines, died of a heart attack on Wednesday November 5.

He lived in Dearborn Hills, Mich., and was the husband of the former Ellen Peets, daughter of the George K. Peetses, of Allard road.

The captain, one of the first flying barnstormers and crop dusters in the United States, had been interested in flying since he was 17 years old. At 18, he became a pilot for the Pennsylvania Airlines, now the Capital Airlines.

During World War II, Capt. Angell was among the first pilots pressed into service by the Government to fly high ranking Armed Services officials and equipment to the various battlefronts throughout the world.

Besides his wife, Capt. Angell leaves a son, William, Jr., and a daughter Lynn.

Funeral services were held in Christ Episcopal Church in Dearborn Hills on Saturday, November 8. Burial was in Northview cemetery.

Church to Hold Book Discussion

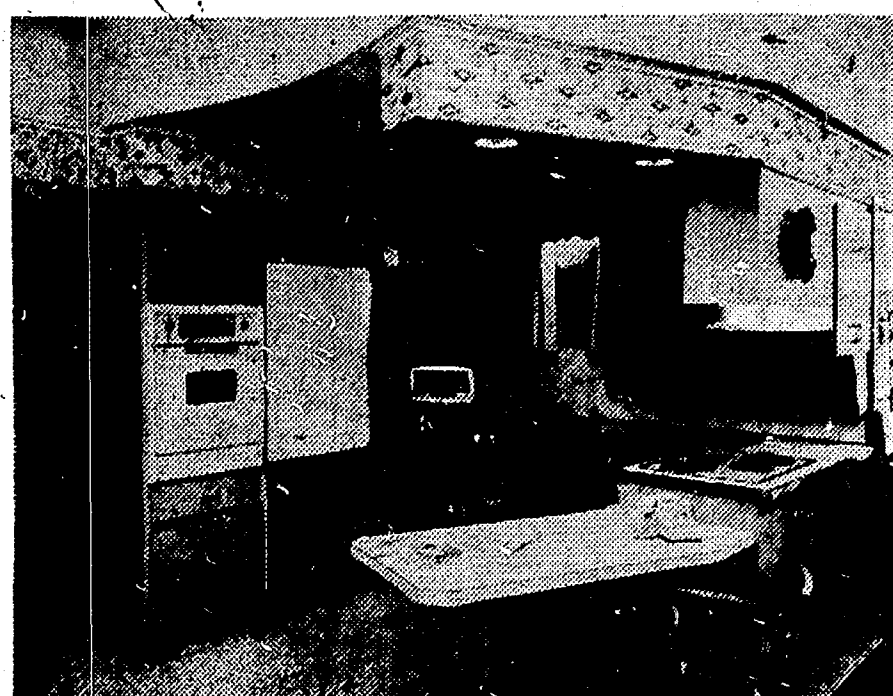

The controversial book "The Organization Man" will be discussed by Kevin Cahill at a meeting to be held Friday, November 14, at 8 p.m., in the chapel hall of the Grosse Pointe Unitarian Church.

This candid discussion of

the problems and politics involved in getting ahead in a large company is a stimulating presentation of a situation very close to many men in the society in which we live.

Mr. Cahill will abstract and evaluate some of the author's major concepts and conclusions.

The public is cordially invited to attend and to join in the discussion. A coffee hour will follow the meeting.

Plan Big Sports Program To Aid Exceptional Children

Grosse Pointe High School's auditorium-gymnasium will be a beehive of activity on the evening of Friday, November 21, when a basketball game between St. Paul and St. Florian of the Men's CYO League will be played for the benefit of the Foundation for Exceptional Children, Inc.

The basketball game is only a small part of the extensive program arranged by Angelo Veneri, who has lined up many celebrities from the sports world. These include such outstanding people as Tony Brantoff, Elmer Mader, and Al Wistert, former All American from the University of Michigan; Billy Hoefft of the Detroit Tigers; Dorne Dibble and Stan Campbell of the Lions; Joe Altobelli of the Cleveland Indians; players of the Detroit Pistons; Frankie Abrahams of boxing, and Miss Michigan.

Noam Lennart of WJBK radio will be the master of ceremonies.

Larry Corona who has appeared on the Danny Thomas show will have six stage acts which will include Lew Krueger, Kim Scott, Jack Krueger, Ursula Walker, the John Vetrano trio, Celeste Lanzi and Francis Cole. There will also be clowns on hand for the kiddies.

It's going to be a great night full of entertainment that should suit the taste of everybody and it is all for the benefit of the Exceptional Children who go to school in the quonset building on the High School grounds.

Tickets for this worthy cause can be obtained at the door the night of the event or by calling PR 1-0295 or LA 7-9435.

St. Matthew's Women's Club to Hold Fair

A Christmas Fair sponsored by St. Matthew's Women's Club will be held on November 20, 21 and 22, from 1 to 9 p.m. in the school gym, Whittier south of Harper.

The fair will feature a variety of booths, games, refreshments and prizes.

It will be climaxed by a delicious chicken dinner on Sunday, November 23, from 2 to 6 p.m. in the church auditorium. Adults \$1.50 and children 75 cents.

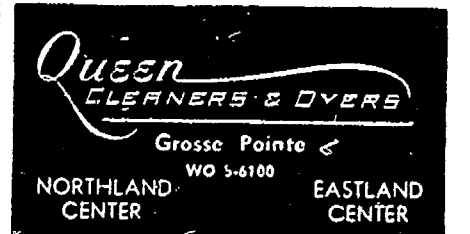

PTA at Maire Meets Nov. 17

The November meeting of the Maire School PTA will be held Monday, November 17, at 7:30.

The program will begin with a short business meeting, and will be followed by an address by Dr. Irving Sigel. Dr. Sigel is active as a psychologist and is currently chairman of research.

During the past five years, Dr. Sigel has worked intensively on a research project designed to further the understanding of the parents' influence on the development of their children. His topic for the evening will be "Parents' Roll in the Growth of Values." After the close of the formal program, there will be a period for room visitation.

Mrs. Haford Kerbawy and Mrs. Victor Radcliffe, with their hospitality committee, are making provisions for the social hour which follows.

Mackinac Bridge Movies Offered

The first year of operation of the Mackinac Bridge will be commemorated at a meeting of the Men's Club of the Grosse Pointe Unitarian Church on Monday, November 17, at 8:15 p.m. in the chapel hall of the church.

A color film entitled "Mackinac Bridge Diary" will be shown, tracing the story of the bridge from pioneer dreams down through planning and actual construction.

Creighton Lederer, bridge engineer supervising design of highway and expressway bridges in the city of Detroit, will comment on some of the problems and sidelights involved in building the world's longest suspension bridge.

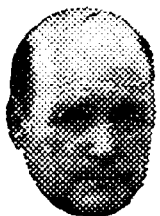

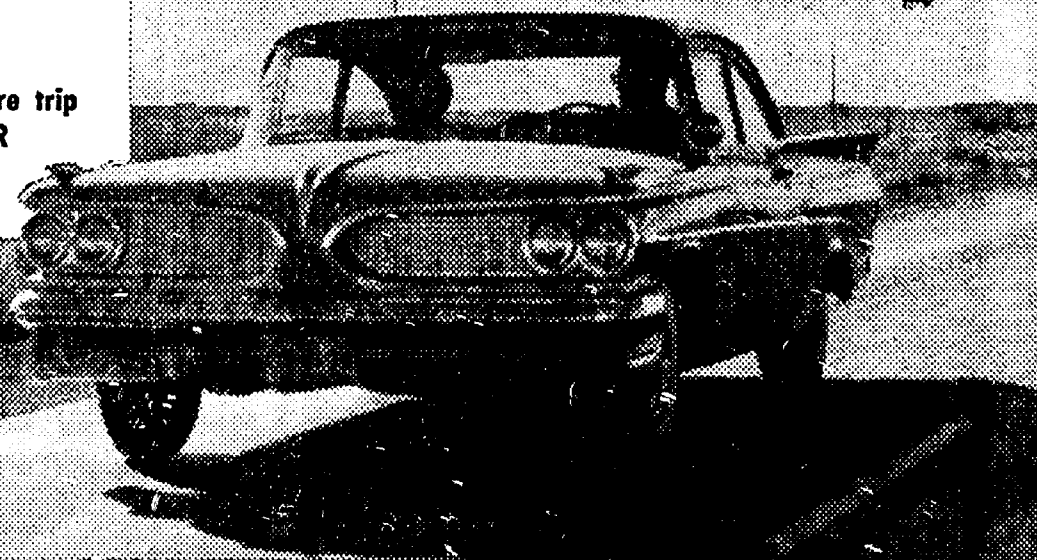

A question period and refreshments will conclude the evening. The public is cordially invited.

COAST TO COAST ONLY 1½ CENTS PER MILE FOR GAS!

Pontiac's new Tempest 420E V-8 sets the year's most important economy mark—Here's the story and what it means to you!

PONTIAC COAST-TO-COAST ECONOMY RUN
San Diego, California to Savannah, Georgia
COMPLETED OCTOBER 17, 1958

DISTANCE	2,442.7 MILES
DRIVING TIME	60.72 HOURS
FUEL CONSUMED	112.5 GALLONS
FUEL COST	\$35.79
MILES PER GALLON	21.7 Average for entire trip
AVERAGE SPEED	40.2 MILES PER HOUR
COST PER MILE	1.465 CENTS

We asked one of America's most respected car testers—"Uncle Tom" McCahill—to put a standard Pontiac Catalina Sedan with our new economy V-8 to the test.

And with only one specification—that the run would be exactly like you would drive coast to coast yourself—in mountains, in city traffic, across deserts, buying gas wherever the tank ran low.

And here's the phenomenal story in every complete detail—all officially certified by NASCAR, America's top automobile competition authority.

What does it mean to you?

Simply—and very importantly—this: For the first time, you can get deep-crested V-8 pep with better mileage than from many smaller so-called "economy cars" . . . and get it on regular fuel!

If you owned a Pontiac with this new Tempest 420E V-8 you'd be saving up to 5 cents a gallon on regular fuel. This new economy V-8 is optional at no extra cost on any Hydra-Matic Pontiac!

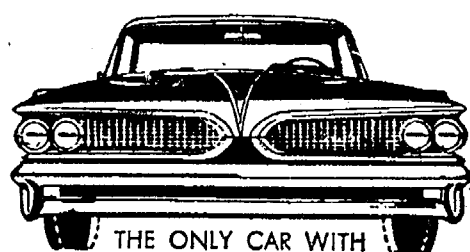

See your Pontiac dealer soon—and discover the newest in V-8 performance and economy!

All But Forgotten

The passing of another Veterans Day takes us back 40 years to that November in 1918 when Armistice Day, the forerunner of this national holiday, was born. In fact, it was born twice, what with the false announcement of a cessation of hostilities, which jumped the gun by several days.

A freshman in high school then, the new term had barely started when all buildings were closed by the epidemic of Spanish influenza which was then sweeping the country. During these six weeks of unexpected vacation we took on our first job, operating a machine which made parts for typewriters and draftsmen's tools. Working nine hours a day, six days per week, we received the magnificent salary of \$6 per week. It seemed like ample pay then for a 14-year-old. How times have changed. Now we have to pay youngsters a minimum of \$1 per hour to get them to do anything.

We'll never forget the frenzy of that first Armistice celebration. Schools were to have reopened that day with the subsiding of the epidemic, but they never had a chance. The streets were full of people of all ages, with the kids making the most noise. We must have beaten up quite a few dollars worth of kitchen pans and pails, pressed into use as improvised drums. More firearms were discharged in the cities and hamlets across the nation than had been heard in the front lines in France.

As the years passed, the enthusiasm for Armistice Day dwindled away practically to the vanishing point. It seemed a good idea when the name was changed recently to Veterans' Day, but this move doesn't seem to have stirred up much more interest in the holiday. If the banks weren't closed and the postmen not making their daily rounds, we would scarcely be aware of it.

We would suggest that a little more could be done than close the banks and stop the mail to pay honor once a year to the millions of veterans who have done so much for the country and for us.

Letters to the Editor

To the Editor:

On behalf of the 1958 Grosse Pointe Halloween Committee, I wish to thank you for the excellent cooperation which your newspaper gave in publicizing the annual Halloween parties.

Your assistance contributed greatly to making the project successful again this year.

Chief Arthur Louwers of the Grosse Pointe Park Police, speaking for all the police departments of the Pointe, reported a very quiet Halloween night.

The appreciation of the entire community goes to Mr.

Forrest Geary, general chairman of the Halloween Committee; Arthur Louwers, vice-chairman; Arthur Dannecker, treasurer; Mrs. E. G. Poxon, secretary, and their committees.

We also wish to thank the many business people, parents, and organizations who contributed their time and money to insure another safe and sane Halloween.

Sincerely,
Mrs. William A. Thamas,
Publicity Chairman,
Grosse Pointe Halloween Committee

who, where and whatnot

by whoozit

Just a reminder to all you early Christmas shoppers that there will be some rare gifts on sale today at the Christ Church Fair. After a few hours browsing at the Fair many will be dashing off to the Celebrity Series lecture at the Esquire.

Charles Duveen, the noted art expert, who was to be this morning's lecturer, was suddenly taken ill and Grant Reynard will replace him. Mr. Reynard is an artist in his own right who has worked in oils, watercolors, is an etcher and lithographer. He has had seven one man shows in New York and is an authority on Rembrandt. His topic, "A Painter Speaks on Painting."

We wonder if Mrs. Philip Worcester will hang the lovely wreath designed of autumn leaves somewhere in her charming Vendome road home again this Christmas. She found this lovely decorative touch at the last Schulke lecture sponsored by the Grosse Pointe Garden center a year ago. This year there will be a repeat performance on November 17 at Parcels Junior High School.

Mrs. Robert S. Laurie in her high school days yearned to be a veterinarian . . . this never came to pass but she has a houseful of animals, a 180 pound Great Dane . . . two Labradors she won at last June's GPUS fair . . . two parakeets and three cats. One cat she saved with a blood transfusion.

A real gourmet cook is Mrs. George William Duffield whose specialty is planked whitefish with duchess potatoes. It has taken her eight years to properly season the hickory plank on which she broils the fish.

Mr. and Mrs. Robert Koebel's new home on Hampton road is real House Tour material, a symphony in blues and greens with the most modern of kitchens . . . all the cabinets and the refrigerator done in fruitwood . . . the family room, pegged floor, has a fabulous open brick fireplace across one wall.

Mrs. William Delbridge looked particularly attractive in a two piece apricot tweed frock the other party eve . . . the jacket was boxed and the skirt pleated, the whole outfit designed along the newest trapeze lines.

PILFERINGS

A local busybody, unable to contain her curiosity any longer asked an expectant mother point blank if she was going to have a baby. "Oh, goodness, no," the young woman said pleasantly. "I'm just carrying this for a friend."

Rules are the only means of a girl's assessing which man she likes well enough to break them for.

A friend—someone you don't have to talk to.

Highbrow—a person who enjoys a thing until it becomes popular.

Asked how he enjoyed his vacation, a chap just back from a family motor trip to Florida replied: "Have you ever spent four days in a small car with those you love best?"

H. Allen Smith in his reportorial days once phoned the office and said he couldn't come to work because he'd slipped on the ice.

"Yes?" said the city editor. "How'd you ever get your foot in a highball glass?"

At a certain international conference a large sign was erected near the speakers' platform. It was directed at press photographers, yet there was no immediate indication of the fact.

It read: "Please do not photograph the speakers while they are addressing the audience. Shoot them as they approach the platform."

What Goes On at Your Library

By Jean Taylor

Guest Columnist: Phyllis Barr

Have you ever pondered on all the things that have to happen before you can reach up and take a book off your library shelf?

Every book has to begin as an idea in somebody's mind; the conception may be triggered by a variety of circumstances. Some books cry out to be written. Perhaps a single world event catapults one into being. Remember "We" by Charles Lindbergh, and "Alone" by Admiral Byrd? Even though reams were written in the newspapers about these world figures, the public clamored to read still more about their adventurous lives, and a book was born in each case.

Perhaps the economic or industrial situation may be responsible for a trend in writing. During the last war, with labor for anything but wartime needs in short supply, the do-it-yourself idea received fresh impetus. A marriage boom followed the return of the young men, and the exodus to suburbia began. Experts on carpentry, recreation rooms, bars and barbecues, were asked to explain in detail to an eager public, how-to-do-it, and another flood of books rained into libraries everywhere.

Sometimes an author is practically sitting on a story. Anya Seton for instance, lives on what was once the "Winthrop Woman's" land in Greenwich, and first got the idea for the story 10 years ago.

This brings us to another stage in getting the book on the library shelf. The idea is conceived; now to get it out of the embryonic stage. This is a laborious task, particularly when one is not writing of one's own era. Think of the booby traps. Endless hours of tedious research are necessary just to clothe one's characters properly; to have them speak in the fashion and idiom of that time and place; to describe the food or furnishings available then. How embarrassing if one of the characters were reading a newspaper or answering the telephone when the tale is set in a day when neither was a commonplace! Anya Seton, for example, spent four years in research while writing about Elizabeth Winthrop and took two ocean voyages in pursuit of background material to enrich her story.

A special brand of patience is required of a top-notch writer. According to James Couzens, currently enjoying wide acclaim, he spent two days in writing two pages, so meticulous is he to polish every word, every sentence. Imagine the discouraged feelings when, after all this effort, a publisher might want to change this or delete that, and sometimes drastically alter the whole structure of the author's

brainchild. It must be painful, like a small death, any time a sentence is cut out.

When the publisher has accepted the book, and the author has attended to all the routines necessary to its proper launching, then and only then is the book weaned from its creator. The author can now sit back and pray. Has he written a flop, or dare he go out and order a mink and a yacht on the royalties?

GPSTC Honors Walter R. Hoyt

The Grosse Pointe Safety and Traffic Committee, at its regular meeting held in the Grosse Pointe Yacht Club on Wednesday, October 29, presented a citation to retired Farms Police Chief Walter R. (Tex) Hoyt.

George E. Measel, head of the Pointe branch of the Automobile Club of Michigan, made the presentation on behalf of the committee.

The citation, an Appreciation Award, reads as follows:

"An Appreciation Award presented to Walter R. (Tex) Hoyt in recognition of outstanding public service in traffic accident prevention while serving the Grosse Pointe area for 30 years. As Chief of Police and charter member of the Grosse Pointe Safety and Traffic Committee, his keen observation and constructive leadership has contributed immeasurably to the success of the committee. His dedicated service to the public is a credit to himself, his family, his city and this committee."

The retired chief accepted the award with thanks and expressed his appreciation of the cooperation received from the Wayne County Commissioners, the Police Chiefs and the committee.

GOLD FEET . . . ?

by Fred Kopp, R.Ph.

A generation ago some people thought rubbing the soles of the feet with grease would ward off a head cold. Today, we know better. Adequate rest and a well-balanced diet go a long way toward preventing colds. But, sometimes even the best precautions aren't good enough. When you are ill—whether you have a cold or something serious—effective medications are important. They can be the difference between pain or comfort . . . slow or fast recovery. Let your physician decide the remedies you need. Then come to us for the prescribed medication.

Panel of Americans Held At GPHS By Wayne Students

By Marilyn Meech
G.P.H.S. Journalism Student

"If we come to recognize people as individuals instead of religions and races, we will achieve greater peace and harmony in the world."

This was the main message of the Panel of Americans from Wayne State University, speaking at Grosse Pointe High School last week.

This panel, made up of a Protestant, a Catholic, a Jew, and a Negro spoke at a meeting of The Future Teachers' Club. Dr. Broadus N. Butler from Wayne was the moderator.

The Panel of Americans was organized by a group of students who felt a need to bring about a better understanding between the college student

and the community. Each member represents a group and its contribution to society.

Eta Freeman the Jewish student, said that having lived in a Jewish neighborhood and attended predominately Jewish schools, she had had no real problems connected with being a member of this minority group. She had prepared herself to meet prejudice in college, but at Wayne she found that the students were liberal and too eager to meet and learn about people to hold false prejudices.

Miss Freeman concluded, "I am an American, you are an American and we're all working for the same thing, to dissolve our differences and unite the world harmoniously."

The Negro panelist, Ronald McIntyre, was born in Detroit and has lived in New York, Chicago and in the South. He has been subjected to many of the discriminations and biased opinions directed against his race.

Yet he said, "I have confidence that the United States can overcome its fears, which are the basis of prejudice."

Asked about the integration problem in the South, McIntyre said, "I think that with responsible leadership integration can be carried on. The main trouble is that so many people have taken advantage of this for political gain."

Norman Daoust, a Catholic, spoke on the political and social aspects of the Catholic Church. Referring to the important issue in politics today, whether or not a Catholic could be President of the United States, Mr. Daoust said, "A Catholic owes no political allegiance to the Vatican, only religious allegiance."

He feels that a Catholic president's obligation to his country would come before his obligation to the Pope.

"Don't make a judgment until you know the facts," Daoust concluded. "This goes for racial differences, too."

The Protestant delegate, John Fall, attended Birmingham High School and was brought up in a community similar to Grosse Pointe.

"It was easy to establish prejudices, and to think of my group as superior, and minority groups as inferior," he admitted.

Fall went on to say that it was in church that he was taught that all men were created equal. He said that on entering Wayne he had had to make a quite adjustment.

"Now I am able to work and study and live with all sorts of people, and I am able to understand them," he said.

"It's a wonderful experience." The whole panel expressed in their own way the feeling that America is made up of a conglomeration of facts, and ideals, and that every living being and living thing has some kind of value in itself.

Acquires Pointe Chevrolet Agency

TED EWALD

One of metropolitan Detroit's largest automobile dealerships has changed hands.

Ray Whyte, a Chevrolet dealer since 1934, has retired from the agency and taking over the business is Ted Ewald, who is moving his own Chevrolet dealership, the Mack-Gratiot Chevrolet, from 3151 Gratiot avenue to the current location of Ray Whyte Chevrolet at 15175 East Jefferson avenue, Grosse Pointe Park. The new firm name is Ted Ewald Chevrolet Co.

Ewald is a son of the late Henry T. Ewald, who founded Mack-Gratiot Chevrolet as well as the national advertising firm of Campbell-Ewald Co. He has owned and operated the Mack-Gratiot dealership since 1953.

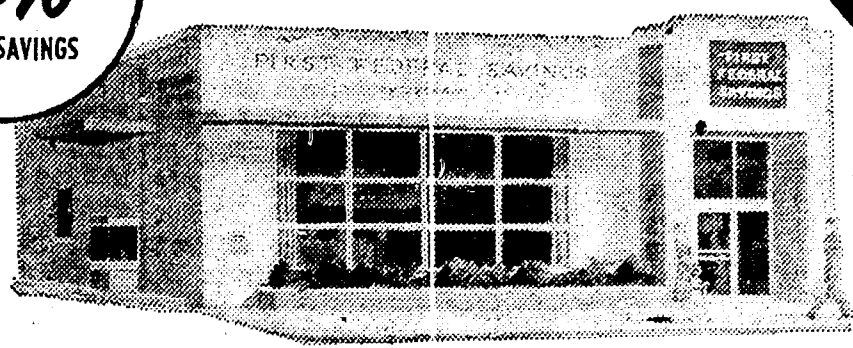

REPORTS LARCENY

Dallas Kitchen of 201 McMillan complained to Farms police on Friday, November 7, that someone had stolen the spare tire and wheel from the trunk of his car while the vehicle was parked near his home. Also stolen was a fishing tackle box with \$18 worth of equipment, he said.

Live by principles—the man who rules his own conduct has learned self-discipline.

Tip to motorists: Safety laws are no substitute for the driver who is safety-minded.

The thing some folks call conscience is in reality only the fear of getting caught.

Altar Society Holding Party

The traditional American "Pilgrim," and his association with Thanksgiving will furnish the theme for the annual St. Paul Altar Society's Card Party—to be presented Tuesday evening, November 18, at 8 p.m., in the St. Paul School auditorium.

The Thanksgiving motif will figure prominently in the decoration scheme, and in the setting for the popular annual event, which always draws a large and fun-loving crowd.

Mrs. Harvey Zens is general chairman of the party, assisted by Mrs. Arthur Cere as co-chairman. Committee heads are: Mrs. Roger Hull, refreshments; Mrs. James Robinson II, prizes; Mrs. David Roney, table awards; Mrs. Walter Robinson, decorations; and Mrs. Victor Kenyon, invitations and tickets. Mrs. Charles B. Hull, Altar Society president, is honorary chairman.

This annual party heretofore has been held in mid-winter. Mrs. Zens, as chairman, points out that the new autumn date has permitted several new approaches in the decoration scheme.

Both men and women of the parish, and their friends, are cordially invited to attend the card party. A great array of prizes and table awards will be presented. The donation is \$1.50 per person. Reservations may be made by calling Mrs. Kenyon—TU 2-8135, or Mrs. Roney—TU 2-4297.

AAUW to Hold Nov. 20 Meeting

The American Association of University Women, Grosse Pointe Branch, will hold its General Meeting and tea at the Grosse Pointe War Memorial Center on Thursday, November 20, at 1 p.m. The meeting will be co-sponsored by the Social and Economic issues and the Mass Media Study (both AAUW) groups.

Dr. Walter B. Emery, of the College of Communication Arts at Michigan State University, will be the guest speaker. His subject is entitled "How Mass Communications Affect the Individual."

Serving as hostesses will be Mesdames Samuel L. Spence, Edward F. Gehrig, Arthur B. Hillegas, M. L. Van Dagens and Raymond J. Wilcox. A white elephant sale, benefitting the National Building Fund, will follow the meeting.

The Tuesday Evening Group will meet on Tuesday, November 18, at the homes of Mrs. William W. Innes, 266 Kenwood court. Members will convene at 7:45 p.m. and be greeted by co-hostess Virginia Johnson. The evening program will consist of reviews of current best sellers, both fiction and non-fiction, as presented by Mrs. Donald Seifert.

Mrs. Allen A. Brunson will open her home to members of the Creative Writing group on Wednesday, November 19, at 12:45 p.m. Mrs. Vincent Leonard, chairman, will mentor the reading, discussion and criticism of manuscripts.

"Finance in Higher Education and Legislation That Controls It" is the topic of conversation planned by the Education and Legislative groups for their November 19 meeting. Members will meet at 8 p.m. at the home of Virginia Hoezle, 666 University place.

Party Planned By Newcomers

A new idea in entertainment has been dreamed up by the Grosse Pointe Newcomers Club. A bandstand party, patterned after a popular television program will be held November 21 at 8:30 o'clock at the American Legion Post on Mack avenue.

Robert Bowden and his five piece orchestra will play for dancing and several club members will give a floor show. Mr. and Mrs. Cliff Royd are chairmen assisted by Mr. and Mrs. Marvin Atkins, Mr. and Mrs. Guenther Buorgel, Mr. and Mrs. Robert Brownson, Mr. and Mrs. Marvin Mead, Mr. and Mrs. Bernard Chick and Mr. and Mrs. Harold Reigle.

Among the new couples attending the club's recent progressive bridge party were the Jack Siefferts, the Max Woods, the George Aldridges, the Frank Cobbs, the George Frasers, the Wally Sandbergs, the Fred Fishbacks, the Kenneth MacLeods and the John Millers.

Irving to Have Scott Showing

Catherine Scott, refreshing young designer of casual clothes for town and suburban wear, will be at the Irving Shop, 82 Kercheval, presenting her Palm Beach and Travel Collection on Wednesday, November 19, with continuous informal modelling all day.

Miss Scott's talents with tweeds and matching knits, her delightful combination of fabrics with leather, her cuturier look in every exquisite detail have brought her enduring fame.

Walter Irving invites the public to see this important showing.

"Don't meddle in the affairs of others and you'll have that much less to worry about."

Party to Help Grace Hospital

Artistic treasures will play their part in raising funds at the annual party sponsored by the Ways and Means Committee of the Grace Hospital Women's Auxiliary on November 18 at the Harmonie Club.

Such items as a lovely antique mirror, cut glass bowls and vases have been patted with in order to be converted into an isotope for a premature baby; funds for the reimbursement of the hospital for the redecoration of the auditorium in the Nurses' residence and the contribution to the Nurses' Scholarship Fund.

Mrs. H. E. Norris, chairman of the Ways and Means Com-

mittee, has been aided in plans for the party by co-chairmen Mrs. George N. Schade and Mrs. Reed Zens. A minimum of 400 tickets is the goal of Mrs. H. F. Nickerson, ticket chairman.

Others assisting on the committee are Mesdames John R. Birch, Walter Gieseking, Lawrence J. Gravelle, Hane A. Jarre, Thorston Johnson, William B. McIntyre, William W. Peattie, William G. Squier and John E. Webster.

MOST ELIGIBLE

for ECON-O-CHECKS (20 for \$2.50)

Like most homemakers, you are probably too busy to spend time running around paying bills by cash. What you need is the convenience of a checking account for household bills. Right? Right! Then ECON-O-CHECKS® are tailor-made for you. In fact, for anyone who writes only a few checks a month and wants to maintain only a moderate bank balance. Here's why: For only \$2.50 you get 20 personalized checks bound in a wallet-type, purse-size carrying case—plus a check register. AND, you pay no monthly service charge, no charge for deposits and no minimum balance is required. Isn't this the checking convenience and economy that you want? Many married couples find that an ECON-O-CHECK account plus a regular checking account is the ideal way to keep bookkeeping straight and budgeting simple. Ask about an ECON-O-CHECK account at any of NBD's 63 Detroit or suburban offices.

CITY OF

Grosse Pointe Farms SUMMARY OF MINUTES

NOVEMBER 3, 1958

Meeting was called to order at 8:00 P.M.

Present on roll call: Mayor William F. Connolly, Jr., Councilmen Henry E. Bodman, H. J. Lawrence Buell, Jr., William C. Butler, William C. Kirby, Richard L. Maxon and Edward C. Roney, Jr.

Absent: None

Mayor William F. Connolly, Jr., presided. Consideration of a set of plans for an addition to the Cottage Hospital was deferred to a later meeting.

A public hearing regarding the proposed amendment to the Zoning Ordinance which would change the front lot line of lots with frontage on Lake St. Clair was held. After considerable discussion a motion, which was made and supported, to adopt the proposed Zoning Ordinance was made and on roll call, the motion was lost.

A Resolution of Appreciation to Mr. John H. Auckland, an employee in the Filtration Department, who retired effective October 11, 1958, was adopted.

Minutes of the regular meeting of October 20, 1958, were approved with minor changes.

The following reports were received and ordered filed.

Financial report of the General Fund for the three months ending September 30, 1958.

Controller's report for the month of September 1958. Permission was granted the Grosse Pointe Lions Club to conduct their annual newspaper sale on the streets of the City on December 15, 1958.

Councilman Bodman was requested to meet with a representative of the Firm of Ernst and Ernst to analyze the Audit report of the various funds of the City.

Payment of the following bills was approved:
John E. Cash—\$2,300.00, for painting the interior and exterior of the Municipal Building.

Cooke Contracting Company—\$24,715.87 for recapping of the pavement on Kerby Road and Kercheval Avenue.

A petition signed by owners of four lots adjoining a public right-of-way lying between Barclay Road and Lexington Road, requesting that the proposed public sidewalk be vacated, was referred to the City Manager and Acting City Attorney for study and recommendation.

The meeting adjourned at 9:40 p.m.

WILLIAM F. CONNOLLY, JR. Mayor
DAWSON F. NACY City Clerk

Burke Pontiac Agency Moves

CHARLES BURKE

Mr. Burke is announcing that he has moved his Pontiac agency into the long-established Fisher Pontiac agency spot at 12740 Gratiot, just below Six Mile road. The new showroom will be known as Burke Pontiac.

Burke has been with Pontiac since 1948. He will maintain an up-to-the-minute service department in the new location.

Men Gardeners Meet Nov. 20

Dr. Martin J. Bukovac will discuss "Giberellic Acid: Its Use and Effect on Plants", when the Men's Garden Club of Grosse Pointe holds its regular meeting Thursday, November 20, at 8:00 p. m., at Grosse Pointe War Memorial Center.

The speaker is a member of the Department of Horticulture at Michigan State University. He and his associates were instrumental in developing a method for the synthetic production of giberellic acid, a chemical which quickens the growth cycle of plants and generally makes them larger. He has gained national recognition for his experiments.

Scout Roundup Girls Selected

Susan Carl, Patricia Elkins, Sue Tillitson, Frances Vaughan and Kathy Vestal are the lucky Senior Girl Scouts who will be representing Grosse Pointe at the 1959 Senior Roundup in Colorado. This has just been announced by Mrs. Norton Walbridge, Chairman of the Selections Committee. Also announced as alternates to this event are Cam Cummins, Nancy Pierson and Sue Orr.

Procedure for selecting these particular girls was identical with that used in all the other Districts of Metropolitan Detroit. Every Senior was urged to attend a Roundup Field Day held at Grosse Pointe Park's Waterfront Park, where each was given a number so that adults working with them did not know them by names. They were organized into patrols of six and an adult observer was assigned to each patrol to judge each one on how she adjusted to the group and what she contributed to it as they worked and planned together.

Each patrol set up a tent to serve as headquarters for the day and laid out a primitive campsite, by signs or with miniature materials. They spent the rest of the day at three Project Stations where they followed "sealed orders" on (1) first aid emergency, (2) ceremonies and (3) meal planning and hostess arrangements.

At each of these Stations another adult observer scored them on skills, attitudes, cooperation, appearance, personality. By the end of the day each girl had been observed and scored by four different adults in four different areas of the Scout program. These scores were then tallied and twenty girls who had top scores were given the necessary forms to fill out for application to Roundup.

With the application, each girl turned in two essays on "Why I want to go to the Roundup" and "How I might be able to use this experience to benefit the Council or other Scouts."

Score sheets, applications and essays were then turned over to the Selections Committee who studied them carefully before making final decisions. Assisting Mrs. Walbridge on this committee were Mrs. Harry Findley and Mrs. Frederick Schreiber.

Adult observers who were with the girls all day are Mrs. Harry Carson, Mrs. Ruth D. Cummins, Mrs. L. Wayne Donaldson, Mrs. Monte Edelen, Mrs. Lawrence Hope, Mrs. Simon Morath, Mrs. Vernor Morris, Miss Suzanne Newton, Miss Muriel Reamore, Mrs. Gordon Reoglin, Mrs. James S. Vaughan and Mrs. Norton Walbridge.

Since the beginning of time prejudice has always been the biggest stumbling block to success.

Law Breakers Pay in Park

Two counts of law violation brought a total fine of \$140 against George D. Clapp of 3610 Lakepointe, Detroit, following a court hearing before Park Judge C. Joseph Belanger on Wednesday, November 5.

Clapp was found guilty of driving while under the influence of alcohol, for which he was fined \$100 and had his driver's license revoked for one year; and for backing up without proper observation and causing an accident for which the fine was \$40.

Nicola P. Zerillo of 2526 Springle, Detroit, paid a fine of \$40, after entering a plea of guilty to running a red signal light and causing an accident.

Gordon L. Martin of 1313 Lakepointe, pled guilty to not having a Michigan operator's license and paid a fine of \$35. Myrtle A. Rollings of 23343 Fifteen Mile road, Mt. Clemens, accused of speeding on Jefferson, pled guilty and was given a suspended sentence.

Richard E. Norton of 19105 Kenosha, Harper Woods, pled not guilty and was found guilty of improper passing and lane usage and paid a fine of \$7.

Leo W. Wickson of 4600 Devonshire, pled not guilty and was found not guilty of ignoring a stop street sign and the case was dismissed.

A plea of guilty brought a \$4 fine against Majorie Adams of 4172 Hereford, Detroit. She was charged with ignoring a red light.

Helen Sergeant of 3557 Maryland, was given a suspended sentence after being

found guilty of crossing the street at other than a crosswalk.

Earl Harnden of 4674 Beaconsfield, charged with backing his car without proper observation, pled guilty and paid a fine of \$5.

Jerome P. Brooks of 24695 Lexington, East Detroit, was

handed a suspended sentence after pleading guilty to running a red light and causing an accident.

James P. Hutchingame of 506 Chalmers, Detroit, stood mute on a charge of running through a stop street and causing an accident. He was found not guilty and the case against him was dismissed.

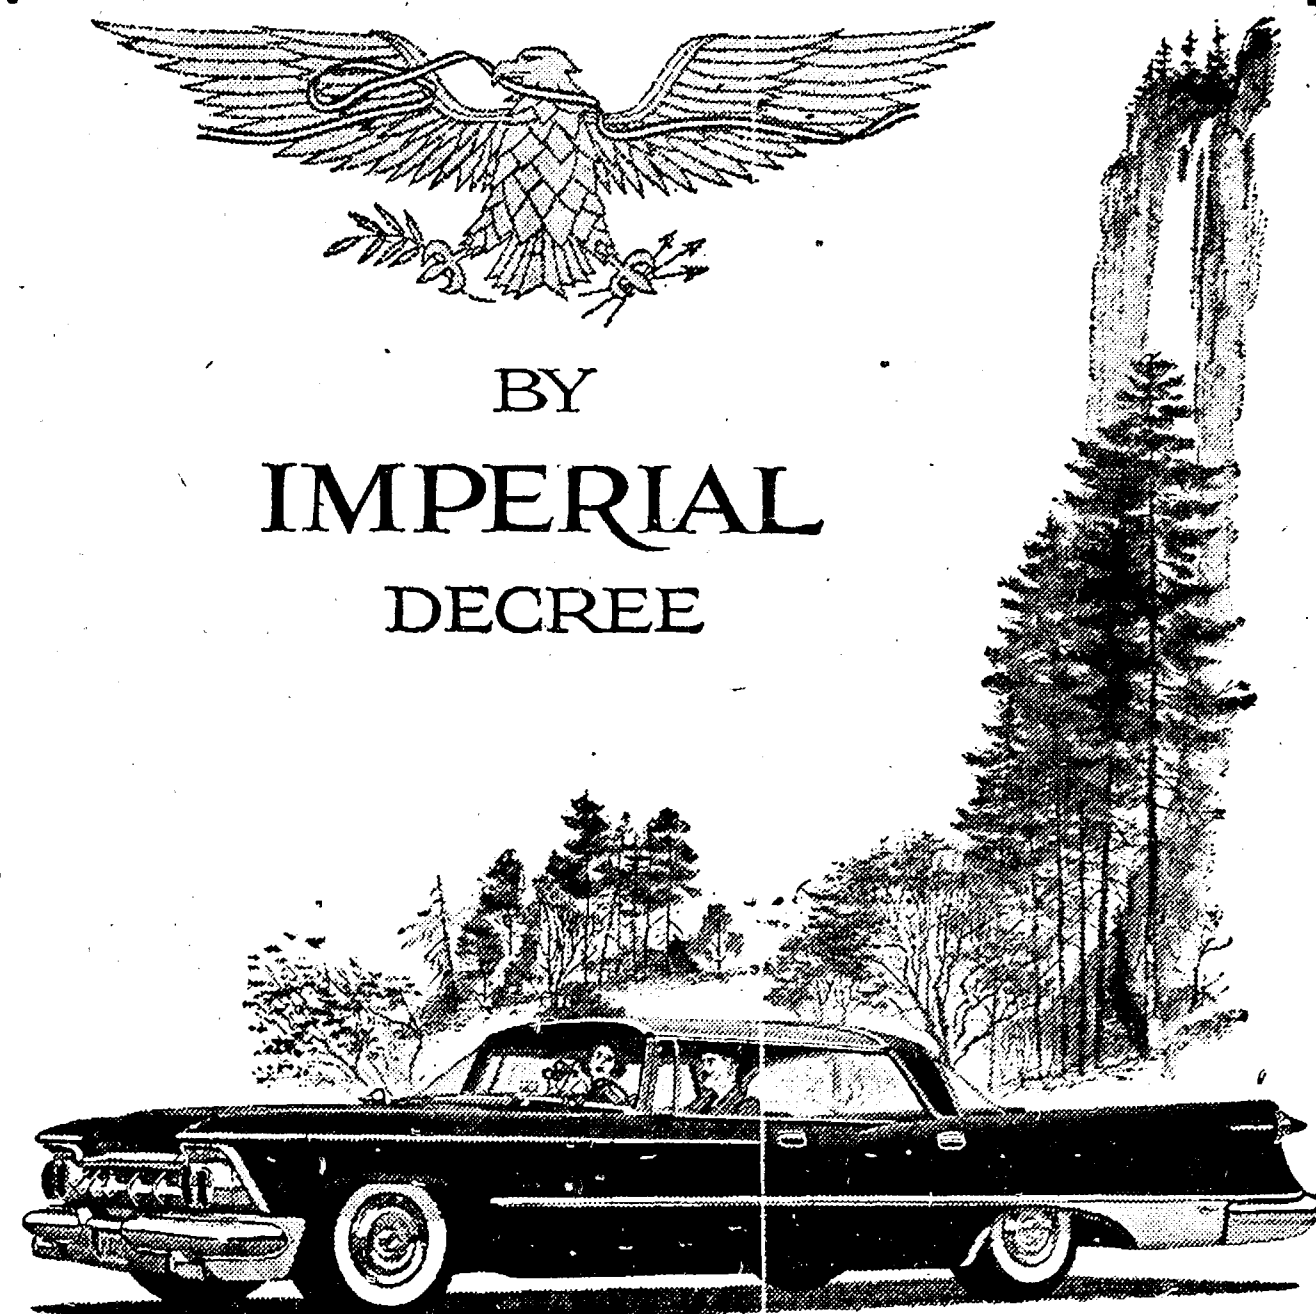

Arthur Daniel Bradford of 10410 E. Jefferson, Detroit,

paid a fine of \$12. He pled guilty to speeding on Jefferson.

Richard Landgraf of 2217 Lakewood, Detroit, pled guilty to driving over a curb and paid \$5.

Failure to appear in court on a charge of speeding on Jefferson cost John R. Heilems of 16443 Eleven Mile road, Roseville, the \$15 bond he posted.

IMPERIAL
DECREE

...silence

In a swiftly moving Imperial, silence is almost absolute.

It is a silence decreed by a new engine with such reserves of power that it need never strain or raise its voice.

Imperial's is a silence decreed by the rugged bracing of its new Royal Coach Body in which noise is thwarted by a hundred pounds of sound barriers.

Imperial silence is decreed by refinements in its time-proved torsion bar suspension which cushions the car from stress, so your Imperial will stay silent. Imperial silence is decreed, too, by the

patient, unhurried skill of motordom's finest craftsmen... working in America's most efficient automotive plant.

In shape and finish, Imperial is obviously fine. But its most valued luxuries, perhaps, are those inner ones which will continue to delight you long after your first thrill of ownership has matured to lasting pride.

Grosse Pointe News

From Another Pointe of View

By Patricia Talbot

To rest from their labors and give themselves a pat on the back, which they richly deserve, the ladies of the Auxiliary to Cottage Hospital have planned a gay holiday evening for November 29.

They will attend a dinner dance at the Grosse Pointe Hunt Club which will begin with cocktails at 6 o'clock, the buffet to be served at 7:30 o'clock.

Mrs. Henry Klein is chairman of the evening, (and also star of the entertainment program), with Mrs. Drew Smith, Mrs. Ralph L. Fisher, Mrs. Edgar Flinterman, Mrs. Sidney Morgan and Mrs. David C. Lowe on her committee. Decorations will be in the Yule theme with greens and hurricane lamps centering each dining table.

On November 21 the Auxiliary, in the neighborly spirit, has invited Pointe newcomers to the Nurses' Home in Ridge road to a get-acquainted tea.

Guests may tour the hospital to see the facilities offered and then have tea. Mrs. William Krieger, Jr., is chairman with Mrs. Roy DeHart assisting her.

Mrs. David T. Roney and Mrs. Wilfred Steiner are in charge of the tea table and pouring will be Mrs. Cameron Waterman, Mrs. Richard P. Joy, Jr., Mrs. Arthur H. Buhl, Jr. and Mrs. Henry B. Joy Jr.

Institute Usher Corps

Great excitement prevails at the Art Institute where all hands are preparing for the Grande Couture Italian Fashion Show on November 24.

A bevy of beauties have signed up for the ushering chores including Mrs. Richard P. Joy III, Mrs. William Bochenstein, Mrs. Robert Kanzler, Mrs. Joseph L. Hudson, Mrs. Murray Sales III, Mrs. Harry M. Jewett II, Mrs. Arthur Buhl Hudson, Mary Macauley, Kendra Isbey, Mrs. Charles T. Fisher III and Mrs. J. Hardee Bethea, who is chairman of the group.

Expert on Defense

Members of the Grosse Pointe Yacht Club's Tuesday night bowling team and their teen agers had a rare treat Sunday afternoon when they gathered at the club.

Robert F. Weber showed them the color films he took recently on a tour of U. S. military bases. He was among 60 business men invited by Defense Secretary Neil McElroy to an orientation conference for study of the country's defenses.

The tour began in early October in Washington and covered bases in Georgia, Florida, Virginia and Maryland. As a result of these over 200 pictures, Mr. W. has been pressed to give lectures on his rare experience in viewing first hand the nation's preparedness.

Godparents in the Family

Two-week-old Deborah Ann Duffy was guest of honor at a party Sunday in the Handy road home of her parents, the Raymond J. Duffys, Jr.

The wee miss was christened that day by the Rev. Father Robert Rohlman in St. Paul's on the lakeshore and her very proud godparents were her brother, Patrick, home from Villanova University for the occasion and her sister, Mary Susan.

A family party followed the ceremony in the Duffys' home.

Collection of Rare China Attracts Many to Dants

Shoppers on Kercheval-on-the-Hill have stopped to gaze and remained to appreciate the finest in rare china now being exhibited in the Dants window.

For the past week the Dants have displayed the unique collection of English bone china from the Spode Museum in New York.

Often called the Royal collection, many of the plates which were designed and painted for King Haakon of Norway, Queen Victoria, Catherine of Russia and many of the crowned heads of Europe are irreplaceable.

The service plates made for Catherine, banded in turquoise with a design overlaid in quill gold and accented with cameo-like figures and hand painted flowers would cost \$12,000 a dozen if they could be manufactured today.

Most Pointers particularly admire the services which once graced the dinner tables of early Americans. There is a reproduction of a design used by Jefferson at Monticello using a shield in the center with his initial, and a plate copied from the original Chinese service used by George Washington at Mount Vernon.

The cobalt blue and gold paste butterflies of the famous Mecklenburg service has been selected by the British Royal family as a present to other royalty since 1763. A Chinese design in red and blue, richly gilded, from the 1000 plates made for the Coronation service of George IV (1820-1830) is another rare Spode piece.

Queen Victoria's dessert plates with the order of the Star of India in the center would cost \$2,148 a dozen today. The breakfast service Queen Elizabeth and Prince Philip use today is a mere \$150.

The priceless collection has caused much comment by Pointers pausing to admire the rare china, a truly artistic high point in this community. The Dants have had the display on exhibit for the past ten days. Today is the final day before the plates must be packed away in special trunks for shipment back to New York.

Mrs. George Haggarty, who visited many china shops on a recent trip to England, said, "It reminded me so much of the London shops. Truly unusual."

Mrs. Maurice, an English woman herself who knows fine Spode remarked that the collection was the "finest thing we've ever had in the Pointe."

Mrs. William Black, whose hobby is china, called it the most beautiful collection she had ever seen.

Although the collection is insured, most of the pieces could not be duplicated. This has caused the Dants some concern. Last week they heard a frightful crash in the front of the shop and feared one of the irreplaceable plates was smashed. A small male shopper had dropped his mother's jar of instant coffee at the doorway of the shop. The collection is still intact.

This is an unusual opportunity for Pointers, many of whom have favorite and prized Spode plates in their own cupboards, to see one of the most artistic and beautiful exhibits of rare china in the country.

1,000 Volunteers Making Preparations for the 28th Annual Mart at the International Institute From November 20 through 23

Communities all over the Detroit Metropolitan area and some fifty nationality groups are among the 1,000 volunteers making preparations for the 28th Annual Old World Market at the International Institute, East Kirby at John R. For four days, Thursday through Sunday, Nov. 20-23, Detroit's annual folk fair will be open daily from noon till 10 p.m.

National colors of many homelands will be shown in decorations to create the atmosphere of a village fair, with strolling musicians and entertainers to provide continuous entertainment on all three floors of the building.

Imported gifts from all over the world will be displayed in the market stalls. Kites and Kimonos from Japan, pewter and textiles from Holland, wood carvings from Switzerland and Lithuania; South Pacific crafts from the Philippines, fine Finnish porcelain and pottery, to name a few.

Different nationality foods will be starred on luncheon and dinner menus daily. Opening day, dishes of the Near East will include Albanian spinach pie, Armenian roast turkey, Greek chicken-lemon soup, and the toothsome pastry "Baclava" common throughout eastern Mediterranean countries.

There will also be continuous coffee-shop service for shoppers, students and other drop-in visitors. Hearty winter soups, like Bulgarian meatball and Czech mushroom-barley, home-made from family recipes, will be served, with choice of sandwiches and selected international pastries.

For information about daily events, or for pick-up service for donated books or articles for the Treasure Shop, phone Trinity 1-8600.

Many imported food items, packaged for gifts will be offered in the market booths, from dried fruits and cheeses to flower-bud tea. Hot tea will be served by young wives and girls of the Japanese Cherry Blossom Club.

Exhibits of fine and folk arts and demonstrations of

traditional arts and crafts will include paintings by German and Hungarian artists. There will also be demonstrations of bobbin and needle lace-making in patterns from Armenia, Belgium, and Poland; embroidery and Easter-egg painting from the Ukraine; "Oregami," the Japanese craft of paper folding to make small birds, flower and animal shapes for toys and decorations Swedish straw-work for holiday decorations; and American silk-screen stencils for homemade Christmas cards and banners.

Grosse Pointers active in the Old World Market include Mrs. Alfred Crabb, 1169 Devonshire, who will demonstrate how to make holiday decorations from driftwood, shells, dried floral and other materials. Mrs. Crabb is also taking phone calls about donations or pick-up service for the Treasure Shop of travel souvenirs and other unusual novelties; and books, magazines or travel pictures for resale in the Book Shop. Her phone number is VALLEY 2-4629, or messages may be left at the International Institute, TRINITY 1-8600.

Others are Mrs. Herbert J. Woodall, 75 Tonnancour of the International Gift Shop; Mrs. Ernst Milke, who runs the Christmas card shop, and Mrs. Dorothy Pfeiderer, 789 Lakepointe, of the Detroit Handweavers Group.

Others are Mrs. Ivan C. Dunlap, Mrs. John Ehrlich, and Mrs. Otto Lundell.

Old show posters and red and white checked table cloths will set the informal scene. Dancing will be to the Fenby Carr orchestra. Co-chairmen are the Charles L. Storms and the Robert A. Griersons.

On the committee are the James J. McIntoshes, the William J. Harrahans III and the John W. Budas.

The Henry G. Gildners will have as their guests the John O. MacFarlanes, the Milton Manleys, the E. T. Bennetts, the Robert Bentons, the Frederick Zoellins and the Victor D'hooges.

HOUSEHOLD HINT

A meat thermometer is the only sure test for doneness in a roast, point out foods specialists at Michigan State University. Insert the tip of the thermometer in the center of the thickest part of the roast. Make sure the top does not touch the bone or rest in a seam of fat. Place it so it is easy to read.

FASHION HINT

Short skirts tend to make women look taller, since more of the leg area shows. The short woman can use this to advantage, point out Michigan State University home economists. The tall woman might find a modified version of the short skirt more becoming to her.

SHOPPING ADVICE

In purchasing infant clothing, look for good workmanship, recommend Michigan State University home economists. Be careful to avoid raw seams in nightgowns, shirts and sleepers that might chafe baby's tender skin.

Woods Church Fair Friday

Grown-ups and youngsters too will have their innings at the Grosse Pointe Woods Presbyterian Church Harvest Dinner and Olde Time Towne Fair Arcade on Friday, November 14.

This event is sponsored by the Women's Association of the Church. Fine food for all ages is the boast of the Harvest Dinner Committee. Ham and turkey and all that goes with them will be served in generous portions from 5 to 8 p.m. The charge for adults is \$1.75 and for children 12 and under, \$1.00. Dinner reservations and tickets are in the

charge of Mrs. Gerald Schroeder, TU. 2-4335.

An ideal start for distinctive Christmas shopping will be the unique array of gifts in the various booths of the fair. They include the Kiddie Korner with things for kids and things for kids to buy their parents, Sweet Shoppe, Attic Treasures, Gift and Glamour Shoppe, Apron Park, Candy Cane Lane and Ye Florist Shoppe.

Fair hours are from 2 to 9 p.m.

CWVS to Celebrate 25th Birthday Today

Will Mark Occasion with Dinner Party at Merrill Palmer School This Evening; Four Pointers Charter Members of Volunteer Service Group

Mrs. G. Sam Zilly, president of the College Women's Volunteer Service, is one of four Pointer charter members of that organization who will mark the founding this evening at a dinner in the Merrill Palmer School.

Miss Louise Owen, Miss Loretta Sanders and Mrs. Charles B. Marks are the other local women who helped begin this community service group.

Over the past quarter of a century the College Women's Volunteer Service has helped establish the Central Volun-

teer Bureau, the Civil Defense Office, the USO, the Braille Bookbind and the Blood Bank.

CWVS also furnished a library and social club at Eloise, cared for babies at the Sarah Fisher Nursery, assisted at the St. Vincent's Home in Farmington. The organization was founded to offer the college-trained woman an outlet for her skills in the social services. It was a result of a study by the Merrill-Palmer School on "The Life Needs of College Women."

Currently the CWVS workers assist at Herman Keifer Hospital, a cancer center, a toy workshop, aid visiting teachers, help hospitals, clinics, nursing homes and homes for the aged. There are 242 members and last year these members reported 32,000 volunteer hours. CWVS has office and workshop space in the Merrill-Palmer School.

Mrs. Stanley MacKenzie, of Lochmoor road, is a past chairman and present committee heads include with Mrs. Zilly, Mrs. Maurice Strong, vice-president; Mrs. Louis Marick, treasurer; Mrs. Boyd Horne, publicity; Mrs. Russell Smith, delegate, and Mrs. Francis Steele, members at large.

Just to prove there's nothing new in the world, hi-fi fans may be surprised to learn that Thomas A. Edison, inventor of the Phonograph, spent a great deal of time trying to find a permanent needle or stylus and eventually found that a diamond point was the most satisfactory.

At a family dinner on Sunday, Dr. and Mrs. Wesley J. Wicks of Beaupre road announced the engagement of their daughter SALLY to Clifford A. Jablonski, son of Mr. and Mrs. Joseph C. Jablonski of Kerby road. A June wedding is planned.

Engaged

Photo by Alice Elizabeth Whitt

At a family dinner in their Touraine road home, Dr. and Mrs. John Palmer Ottaway recently announced the engagement of their daughter, JANE ANN, to Peter Anthony Dow.

Miss Ottaway is an alumna of the Grosse Pointe Country Day School and the College of William and Mary where she was affiliated with Alpha Chi Omega. She is a member of Tau Beta and a provisional member of the Junior League.

Mr. Dow, son of the Douglas Dows, of Seminole avenue, is an alumnus of Lawrenceville, Rugby School, England, and the University of Michigan where he was a member of Delta Kappa Epsilon, Sphinx and Michiganus.

Betrothed

A November 29 wedding in Our Lady Star of the Sea Church is being planned by MARILYNN JEAN BYRWAY, daughter of the John Byrwas, of Lexington road, and Jerome James Bocci, Jr., son of the Jerome James Bocci, of Bournemouth circle. A reception will follow the ceremony in the Lochmoor Club.

Voters League To Air Merger

Of high priority for the League of Women Voters in November will be the Unit Meetings for reports and discussion on a study of the governments of the five Grosse Pointe communities. Consideration will be given the proposed Grosse Pointe merger. Police and Fire protection in the five Pointes will also be discussed.

Members of the resource committee of the local item workshop, headed by Mrs. F. M. Tousey, will present a report on the merger proposition. Though the League has been making a study of the merger, it will not take a stand on this issue.

A comparative study of the Grosse Pointe communities and Shaker Heights, Ohio, will be reported. Shaker Heights has about the same population, and cultural and economic level as the three Pointes considered in the merger. It is also exclusively residential with no room for further expansion.

Members of the committee working on these studies are: Mrs. Harcourt Caverly, Mrs. William T. Krebs, Mrs. Bert L. Lipdzy, Mrs. Richard J. Lord and Mrs. Leonard Slowin.

Units will meet at the following places:

Monday, Nov. 17, 7:30 p.m., Hostess, Mrs. Robert Everett, 899 S. Brys Drive; Leader, Mrs. Robert Everett.

Tuesday, Nov. 18, 7:30 p.m., Hostess, Mrs. Patrick Frank, 1343 Harvard; Leader, Mrs. Joseph Thompson.

Thursday, Nov. 20, 10:30 a.m., Hostess, Mrs. Leonard Slowin, 1124 Nottingham; Leader, Mrs. Leonard Slowin.

Monday, Nov. 24, 1:15 p.m., Hostess, Mrs. M. E. Collinson, 704 Westchester; Leader, Mrs. Clarence Koebbe.

Vows Exchanged By Jean Ann Poole

Weds Charles McMillan Norlin in St. Ambrose Church Saturday Morning; On Return from Wedding Trip Pair Will Make Their Home in Warren

Jean Ann Poole and Charles McMillan Norlin spoke their marriage vows Saturday in St. Ambrose Church. A reception followed in Roma Hall.

The bride, daughter of Mrs. Albert M. Poole, Jr., of Maryland avenue, wore a white lace gown and a short coronet veil. She carried white orchids.

Mrs. Raymond Polosky was her sister's only attendant, in American Beauty velvet.

John Norlin came from Birmingham, Ala., to be best man for his brother. They are the sons of Mrs. Charles M. Norlin, of Cleveland, O.

Ushering were Arthur Olson, James E. Donnell and

David Cox, of Cleveland, O. Mrs. Poole wore a light blue tissue wool ensemble for her daughter's wedding and Mrs. Norlin was in beige silk.

When the newlyweds return from their wedding trip they will make their home in Warren, Mich.

Fete Mrs. Hertel On Reunion Visit

Mrs. Frederick C. Hertel, the former Janet Holtz, left Tuesday, November 11, to fly back to her home in San Antonio, Tex., after a 10-day visit with her parents, Mr. and Mrs. E. Richard Holtz, of Lakeland Ave.

It was a visit filled with excitement for the whole family, especially this past week-end when Janet's husband, Lieut. Hertel, flew up from Lakeland Air Force Base Nov. 7 in an Air Force jet T33 to spend two days.

Janet and her parents drove over to Selfridge Field to meet him, then the foursome motored directly to Ann Arbor for Friday-to-Sunday with Mr. and Mrs. Holtz' other son-in-law and daughter, the Calvert Hugh Fletchers, Jr.

Joining them in Ann Arbor were Lieut. Hertel's parents, the Frederick J. Hertels of Chicago, whose long-arranged plans to attend the U. of M.-Illinois football game, merged into a delightful family reunion.

The fun included a festive dinner at the Town Club Friday night, the Saturday football game, when the family group was enlarged by arrival of the senior Calvert H. Fletchers, of Dearborn, and a Saturday night dinner party hosted by their Ann Arbor home.

The week-end was an advance Thanksgiving and Christmas rolled in one, as the young Hertels will be spending both holidays in San Antonio—Lieut. Hertel's tour of duty will not be completed until spring.

As the air force officer had to report back to Lackland Base Sunday, the family accompanied him early to Selfridge for his jet, take-off, Janet remaining for two more days before her plane trip back.

Opening Performance To Benefit St. Mary's

Three Grosse Pointe women are actively involved in last minute preparations to guarantee the success of their alma mater's sponsorship of an opening night benefit performance.

Mrs. Patric O'Connell, of 924 Trombley road, is one of the three co-chairmen of St. Mary Academy's Alumnae Association, which is supporting the first performance in Detroit of the Broadway hit "Li'l Abner." The show will open at the Riviera Theater on Wednesday, November 19.

For tickets, or further information, call local committee members, Mrs. Cyril DeFeaver, of 1113 Kensington road, TU 2-4542; or Mrs. Thomas Blesing, 181 Lewiston road, at TU 2-3631.

Muellers Honor Lost Lake Group

Mrs. John H. Mueller, of Deming lane, entertained at a cocktail, dinner and dancing party at Grosse Pointe Yacht Club last Friday, for 54 guests, including members of the group who for the last five years have joined for a late September week-end at the Lost Lake Woods Club near Harrisville in Northern Michigan. The trip is named "The Lost Week-End."

Mrs. Mueller received in the Lake Shore Room where the cocktail hour took place.

Here and in the main dining room, scene of dinner and dancing, there was much reminiscing of September in the North, and an interlude for showing colored movies of scenic Lost Lake Woods and the "Lost Week-End" fun of golf, trap shooting and outdoor-steak roasts.

Dr. and Mrs. Stanley L. Smith originated the week-end. This year's chairmen were the Richard J. Martins.

Jimmy Dorsey Band To Play at GPYC

Lee Castle Now Conductor of the Late Leader's Orchestra; the Occasion Is the Club's Annual Thanksgiving Ball on November 22

Grosse Pointe Yacht Club members are looking forward excitedly to dancing to the fabulous Jimmy Dorsey Orchestra, conducted by Lee Castle, at the club's formal Thanksgiving Ball on November 22. Early response to the invitation from Commodore and Mrs. Charles L. Jacobson and the board of directors promises a throng at the glamorous event featuring the name band.

Lee Castle, now conductor of the original group, was in the Jimmy Dorsey orchestra for years, becoming musical director and featured trumpeter some time before the famed Jimmy's demise.

Plans for a superb party have been completed by the entertainment committee, including Chairman Eugene A. Casaroli, Vice Chairman J. Earl Fraser, George L. Cassidy, Haford Kerbawy, William M. Schmidt, and Russel D. VanHouten.

They've devised "something different" for this year's Thanksgiving festivity—namely, that party-goers have the option of attending both the preceding dinner (from 7 to 10 o'clock) and the ball, or of coming only to the ball (it begins at 9 p.m.). Needless to say, reservations are required for either or both.

The evening will start with cocktails in the Venetian and Lake Shore Rooms (cocktails to be served before, during and after dinner).

The Grand Ballroom is to be given over completely to dancing—dinner locales will be the main dining room, adjoining Commodore's Room, and grill room.

All the rooms will have a yellow and white decor—a canopy of streamers in the ballroom, clusters of balloons and arrangements of flowers everywhere.

During dancing, the orchestra will feature Frank Mathews and Diane Wisdom in special numbers.

Among those with reservations for groups are Commodore and Mrs. Jacobson, the Leonard George Hoopers, Dr. and Mrs. C. J. Williams, the Emmett McNamara's, the Dwight M. Nelsons, the George DeClerks, Mr. and Mrs. Fred J. Somes, Jr., the John P. Mansfields, Dr. and Mrs. Harold E. Cross, the A. J. Daltons, the Earl Frasers, the Glenn E. Walkers, the Arthur H. Wrocks, and Dr. and Mrs. Stanley Dolega.

Pi Kappa Sigma to Mark Founding at Dinner

The annual dinner celebrating the founding of Pi Kappa Sigma sorority will be held November 17 at the Veterans' Memorial Building.

Among the East Suburban Detroit Alumnae Chapter members who will be attending are Mrs. Arthur Weir, Mrs. J. Douglas Thomas, Miss Kathy Chavey, Miss Greta Buell, Mrs. J. H. Buell (of Gamma Chapter) and Mrs. Donald Littlefield. Co-chairman for the affair is Mrs. Thomas Peters.

Beta Y-Teens Hold Induction

By Judy Renke
Grosse Pointe High School

"Our purpose is to build a fellowship of women and girls devoted to the task of realizing in our common life ideals of personal and social faith as Christians. In this endeavor we seek to understand Jesus, to share in His love for all people, and to grow in the knowledge and love of God."

Girls of Grosse Pointe High School's Beta Y-Teens recited this basic purpose of all Y-Teens clubs at their induction service November 3.

This service made the girls official members of their club and also members of the Young Women's Christian Association, the largest women's organization in the world.

Edie Morris, president of Beta, explained to the newly inducted members that there are two goals every Y-Teen member should strive for. "First," said Edie, "a Y-Teen member should grow as a person in body, mind, and spirit. Secondly, she must grow in friendship with peoples of all races, religions, and nationalities."

The climax of the induction is the candle lighting ceremony, which describes the meaning of the Y-Teens symbol, a small globe with a triangle on it.

Andy Smart, 12B, began the ceremony with a short definition of body, which symbolizes the first side of the triangle.

She explained that if a person has a strong and healthy body it is much easier to accomplish fine things.

Andy said, "It is the aim of every Y-Teen to develop a well-balanced personality." Kathy Endres, 12B, analyzed the second side of the triangle, which represents mind.

"By knowledge we mean not only the things we find in textbooks, but all of the things there are in the world about us," she said.

Spirit represents the third side of the triangle.

Although it is the hardest to define, Diane Gierman, 12B, said, "It is the most important of all. As Y-Teens, we seek to discover what is real and true about spirit in human beings." She also told the girls that they must try to make their spirits more loving and Christ-like.

But the triangle is only a part of the Y-Teens symbol. The globe which represents the unbroken circle of friendship throughout the world is equally important.

Beth Ramsey, 12B, said, "Regardless of nationality, race, religion, or language, members of the Y.W.C.A. are united in friendship about the earth." Then a tall white candle was lighted.

Edie walked over to the burning light, lighted her candle, and said, "I take this light, representing the spirit of Y-Teens, and pass it on to you."

As each girl lighted her candle from Edie's she thought of the small flame which was

Four other Y-Teens clubs, Alpha, Delta, Kappa, and Theta, have yet to be inducted.

The November round of circle meetings of the Women of the Church Organization of St. Paul Ev. Lutheran Church, Chalfonte and Lothrop, Grosse Pointe Farms began with the meeting of the Naomi Circle at the home of Joyce Myers last Tuesday evening.

The Rachel Circle met at the Church yesterday morning.

Next Monday the Martha-Miriam Circle will meet at the church at 1, and the Esther Circle will meet at the home

Novaes to Play With Symphony

Guimar Novaes, one of the greatest living pianists, will be the soloist with the Detroit Symphony Orchestra Thursday at 8:30 p.m. and Friday at 2 p.m. in Ford Auditorium. Paul Paray will conduct.

Mrs. Novaes will play the Chopin Concerto No. 2 in F minor using special Paderewski materials. The program will open with Vaughan-Williams' "Fantasia on Green-sleeves," played in commemoration of the composer's death Aug. 26th, Brahms' Symphony No. 3 in F major, and Ravel's "Valses Nobles et Sentimentales."

Miss Isabelle Hoersch will discuss the program at 1:15 p.m. before the matinee Friday.

Mrs. Novaes, now at the apex of her career, is Brazilian born and Paris trained. The great artist has played the Chopin Concerto repeatedly this season with all of the major orchestras.

Most recently, in Cleveland, October 24, Bain Murray of the Cleveland Plain Dealer, wrote, "Would that Madame Novaes could remain here indefinitely. The Chopin F

Minor is her concerto. She received a tremendous ovation from the audience, the conductor and the men of the orchestra."

Valter Poole will conduct the orchestra with Paul Olesky, cellist, as soloist Saturday at 8:30 p.m. in Ford Auditorium. At that time the Zionist Organization of Detroit will present the 26th annual Balfour Celebration Concert.

Olesky will play Bloch's "Schlomo" on a program which will include Mendelssohn's Symphony No. 4 in A major ("Italian"), Smetana's "The Moldau," Petrouchka's "Five Oriental Dances" and Tchaikovsky's Overture-Fantasy "Romeo and Juliet."

Tickets for the Saturday performance are available at Zionist House, 10424 W. McNichols, DI 1-8540.

scoring column again late in the second quarter on a 44-yard sustained drive that was set in motion after Mike Carrier recovered a fumble by halfback Fred Reid who bobbed Butch Hoyer 49-yard punt.

On the first play Harper and Nicholson worked the old Statue of Liberty play to perfection and Harper was thrown out of bounds on the Port Huron 20 after a beautiful 24-yard run. Harper followed this play with a sparkling 17-yard sweep around his own right end to the Port Huron three but the play was called back and the Devils penalized 15 yards back to the Big Reds' 35.

Here the drive appeared to stall until on third down and twenty-five to go Harper and Andris pulled a fake Statue of Liberty with Andris taking a pitchout from Harper and racing 20 yards to the Port Huron 5 and a first down. Hootch cracked the line for four and Nicholson tossed a perfect strike to Bruzese in the far corner of the end zone with 13 seconds left to half-time. Hanneman booted the extra point to give the Devils a 14-0 lead.

Rain Soaks Field
A cold drizzle set in during the halftime ceremonies and as the teams came back for the second half the field was soggy and made the underfooting hazardous for both teams.

With the strong wind at its back, Port Huron drove the Devils deep in their own territory with the kickoff to open the second half. Andris took the kick on the Devil 20 and was run out of bounds on the Devil 31.

Because of the slippery footing, quarterback Nicholson smartly chose to keep his attack on the ground and the Devils moved midfield before Butch Hoyer punted to the Port Huron 3, where Mike Carrier downed the ball.

Unable to move against the Pointers' defensive unit, the Big Reds were forced to punt with the ball going out of bounds at midfield.

Tally Nullified

Harper, Andris, Hootch and Punchy Andrews banged the Huron line for short gains to the Big Reds' 29. Harper raced around left end to the Huron 18 and on the next play circled right end for a touchdown. But it was called back, making the third time in succession Harper runs had been nullified due to penalties. This appeared to take the starch out of the Devil attack and Port Huron took over on its own 18.

Using its powerful fullback, Bernard Palmateer, to good advantage, Port Huron moved out to its own 28 in three plays as the third period ended.

Here the Devils dug in to halt the drive and Palmateer punt against the strong wind only traveled seven yards, being downed on the Pointer 43. Ron Lincoln took over the quarterback duties from Nicholson and in two plays lost 18 yards due to fumbles. Harper managed to get 12 of those yards back but Hoyer was forced to punt on fourth down from his own 37.

A combination of a fast charging Big Red line and Hoyer's slowness in getting the kick away resulted in a blocked kick which was recovered by Port Huron on the Devils' 18. On the third play, Palmateer broke over the Devils' right tackle and went in on the score with five minutes and nine seconds left. Mike MacDonald ran for the extra point and the Devils held a precarious 7-point lead.

Minutes later Hoyer had another punt blocked due to a bad pass from center and the Big Reds recovered on their own 49 with 4:53 remaining in the game.

Second Punt Blocked
On the second play, guard Dick Dowdell cracked the mounting tension in the Devil stands when he rattled the back teeth of MacDonald with a jarring tackle which separated the Port Huron back from the pignisk and tackle Al Allard recovered on the Devil 48-yard line. For the remainder of the game the Big Reds never got their hands on the ball as Nicholson kept his attack on the ground and ran out the clock.

Twenty-one seniors sang their "swan song" in this game and they left a lasting impression on the large rainsoaked group of fans who braved the elements to see the 1958 team for the last time. Because of the drive and desire displayed by the entire team, including the subs, it would be difficult to pick out any one player as the "best" on the field.

Mike Carrier Tops
But if one must be chosen then it would be guard-linebacker Mike Carrier. Mike was outstanding both for his offensive and defensive play. It was Mike who repeatedly threw the key blocks that shook halfback Ron Harper loose for long gains and once for a touchdown which was called back because of a penalty. As a matter of fact, Harper's end run sweeps were set in motion by Carrier's ability to delay Port Huron's charging left tackle with a jarring block and then go on to lead the play and chop down the Big Reds' left linebacker to break Harper into the open.

On three occasions Harper raced for more than 20 yards only to have the play called back because of a Grosse Pointe offense penalty. Had these penalties not occurred the Devils would have won by at least a three touchdown margin instead of being forced to depend upon the magnificent play of the defensive unit which contained the Big Reds throughout the afternoon on the slippery turf.

Seniors Take Curtain

This was one of the best games the Devils played this season and it can be attributed to the departing seniors who went all out in the final appearance in Blue Devil uniforms. Those seniors who will not be around next year and will be hard to replace are: John Nicholson, Mike Carrier, Butch Hoyer, Bill Hootch, Larry Bruzese, Chuck Hanneman, John Sparks, Tom Andris, John Stirling, Mike Holzer, Bill Porter, John Calder, Tom Standifer, Phil Grecco, Al Allard, Andy Critchfield, Dick Auble and Tom Dettmer.

Brownell School Has Newspaper

The first Junior High School newspaper in Grosse Pointe has made its debut. The publication, headed "B-Line," is published every Friday at the new Brownell Junior High School by its 34 journalism students. Miss Ann Campbell heads the department and is faculty advisor.

Donna Mahlin, a ninth-grade student, is editor of the paper and her associate editors, Jude Schiller, a fellow classmate, and Bob Wells, in the eighth grade, comprise the student management staff.

The University of Michigan established the nation's first Department of Pharmacology in 1891.

78ers Capture CYO Division Title

The 78ers CYO football team, sponsored by the St. Paul Dads' Club, captured the Northeast Division championship of the CYO League by beating St. Juliana 13-0 on Sunday, November 9, at Chandler Park field. Members of the championship squad are as follows: First row—left to right: DAVID VAN WASSENHOVE, MICHAEL FITZSIMMONS, FRANK WILBURDING, TOM CHRISTMAN, PAT GRIFFITH, DAVID SCHERVISH, NEIL HAYES, and

MICHAEL HENDRIE. Second row: — GEORGE JURGES, JOE COBB, TOM TRESZER, JOHN SCHOENHERR, BRIAN SCHICK, GARY GHESQUIERE, ED KOTZ, and WALLY AUCH. Back row: — Assistant Coach AL SCHICK, ANTHONY COSTRINI, CARY SCHAEFNER, NICK COSTRINI, COACH TOM PETERS, DICK OLIVER, DANIEL SHEA, PETER SCHULTE and assistant coach AL GHESQUIERE.

GPUS Defeats Lutheran East

Anyone who left the G.P.U.S. football game early last Friday missed all the fun. The Knights came from behind in the late stages of their game with Lutheran East to win by the score of 33-20.

A 25-yard touchdown pass from quarterback Andy Rio to Tom Inger put Lutheran out in front early in the first quarter. The Knights came back shortly thereafter when senior fullback Glynn Conley scored on a 30-yard run through the center of the Lutheran East line.

G.P.U.S. scored again when defensive linebacker John Barry picked off a Lutheran fumble and breezed unopposed for 25 yards and a score.

Lutheran's Rio closed out the scoring in the first half when Andy Rio got into the by the Knights' Dick Baron for a 75-yard touchdown run along the right sideline. An extra point was the difference at the end of the half; Lutheran led, 14-13.

Lutheran East drew first blood in the third quarter when Andy Rio got into the act again by climaxing a drive with a two-yard sneak play that made it 20-13.

The Knights tied it up early in the fourth quarter when Jack Pingel threw a touchdown pass to Dick Johnson. The play covered 55 yards and made the score 20-19. Pingel's conversion was good, and the Knights were back in the ball game. Most of the rest of the fourth quarter was played between the 40-yard lines.

With four and a half minutes left to play, the Knights' left end, Dick Baron, grabbed a Lutheran East fumble and ran 60 yards to the end zone. G.P.U.S. got the ball again with about a minute left to play. Then the Knights made the victory decisive when Glynn Conley again broke through the middle of Lutheran's line for his second touchdown of the day and his tenth of the season. The play covered 17 yards.

The game was the Knights' fourth victory against two defeats. G.P.U.S. ends its season tomorrow, Friday, November 14, when it plays Harper Woods at 3:30 p.m. The game will be played on the G.P.U.S. home field, across from the school, on Cook road.

Boat Banter

By Fred Rummels

For the first time in the history of the Detroit Power Squadron an exclusive Outboard Trophy was presented to the DPS by Past Commander Robert Stanley. The trophy will be awarded each year at the annual DPS boat handling contest to the outboard skipper who is the most proficient in handling his outboard boat.

The trophy symbolizes "the tremendous growth and present day popularity of outboard power" according to Commander Stanley. It is also in recognition of this outboard growth attributed to the free public elementary piloting courses given each year by the Detroit and other Power Squadrons throughout the area.

The Detroit Power Squadron is the largest squadron of the entire 253 United States Power Squadrons and boasts 1,000 members. The DPS first started back in 1916 with only a handful of members. The Detroit Squadron will honor 13 of the original 16 still living past Commanders at the Past Commanders Ball to be held at the Detroit Yacht Club on Saturday, November 15.

Al Pauly, editor of the Grosse Pointe Power Squadron monthly publication Tars and Trips, came up with a cute little poem that kinda tickled our funny bone. Here it is:

Dry Land Sailor
Oh! the voice of the sea keeps calling me,
I long to sail trawler or clipper;
But the terms of the sea are a puzzle to me
And I never could "make" like a skipper.

At sailing a junk, no doubt I would flunk,
Not knowing the jib from the spunk;
Should the bimble light "conk out"
I'd probably drop the port anchor.

While trying to cope with a hawser or rope,
I'd struggle in utter dejection;
When sighting a buoy, I'd cry, "Ship Ahoy!"
While sailing in every direction.

I am saying goodbye, with a tear and a sigh,
To the sea with its strange fascination.
I'll stay on the shore raising rabbits galore,

And marvel at multiplication.

Also from the same publication, Lt. Allan Foster informs the readers that while aboard the Queen Elizabeth on his trip across the Atlantic recently he learned that; it requires a half a day to get the ship up to full speed of 35 miles per hour and to bring her to a dead stop it requires a distance of eight miles.

And another tasty morsel is the information about Alger Shelden's 86-foot yacht "Strathbell." She wasn't always called by that name. As a matter of fact she was built for the Canadian government in 1914 as a survey ship and during her career has been an ice breaker, a ferry and a trawler. The original name was "LaSalle" which was later changed to "Strathbell" (without the E).

The Sheldens added the "E" when they converted her to her present beautiful state as a private yacht.

Old Timers Plan Bowling Tourney

The 28th annual "Old Timers Bowling Tournament," for men who have bowled 25 years or more, has been moved from its original December date up to the end of this month. The sporting affair will take place on Saturday, November 29 at the Great Lakes Bowling Center, Woodward at Baltimore.

Herbert C. Fach, who lives in South Renard road, is president of the group. For reservations, for either the tournament or the banquet, which follows, at 7 p.m., call secretary-treasurer Otto E. Auch, of 1241 Grayton road, at TU 5-0815. Mr. Auch, immediate past-president of the Detroit Bowling Ass'n., is currently a director of the American Bowling Congress.

Drivers' licenses of more than 3,400 Michigan motorists have been suspended or revoked in the past two months under stepped-up operations required by the state's new driver license point system, according to a report issued by Secretary of State James M. Hare.

Hare said that 5,126 hearings for drivers with bad records were held in the state during August and September and the privilege to drive an automobile was taken away in two thirds of the cases.

Larry's Grabs Pin Loop Lead

A new leader moved to the top of the Grosse Pointe Business Men's Bowling League standings last Friday, November 7, when Larry's, paced by John Hall's 546 series, humbled league leader Goebel One with a four point sweep.

The sweep moved Larry's from fifth place in the 16-team league to first by a single point over second place Maple Lanes, which is locked in a four-way tie with G. P. Pharmacy, Goebel One and Two at 26 points.

Barrett's scored a clean sweep over Cramer and moved from ninth to seventh place. Belding belted last place Beconsfield-Kercheval for four points and Mack-Prestwick notched four via the forfeit route over Cox and Baker.

John Hotia posted the high three individual series of the night with a 614 to pace the Pharmacy win over Woods. Atwell moved into the first division with a three-point win over Kennedy and Adam Simms nudged Wigle for three as did Goebel Two over Maple Lanes.

Only 11 200-plus games were bowled by John Hotia, 238-207; Mel DeCoker, 225; Roy Barrett, 224; Gil Sarkison, 207; John Vance, 206; Cy Van Fleet, 204; Jack Baker, Sweden Janson and Sam Kunath 201's, and George Sommerfeld, 200.

St. Ambrose Knocked Out Of Grid League Playoffs

"You can't score unless you have the ball" and that's just what the St. Ambrose Cavaliers learned last Sunday, November 9, in the first game of the Catholic League City playoffs. They bowed to U. of D., 20-7 on the University of Detroit gridiron.

The young, inexperienced St. Ambrose team, with only four seniors in the lineup, fumbled nine times and three of these miscues were turned into U. of D. touchdowns.

The U. of D. Cubs scored on the first play of the second quarter after recovering Jim Laskowski's fumble of a Cub punt on his own 24. Four plays later, Paul Ewing, the Cubs' star, smashed over from the 4-yard line.

St. Ambrose was successful in containing the larger U. of D. team until the third quarter, when another Cavalier fumble set up the second U. of D. touchdown. The Cavaliers fumbled on their own 29 and the Cubs drove in from there with Paul Ewing chalking up the second marker on a one-yard plunge. Ewing added the extra point to give the Cubs a 13-0 lead.

Once again a Cavalier fumble set up the third Cub score. Dick Czarnota plunged five yards for the score. Ewing added the extra point for a 20-0 lead.

St. Ambrose averted a shut-out when late in the final quarter they stalled the Cubs on their own 35 and forced them to punt. A bad pass from center, which sailed high over Ewing's head, rolled into the end zone where end Ken Kos-

mal fell on it for the Cavaliers' only touchdown. Bill Fournier plunged for the extra point to climax the scoring for the day.

Both teams exhibited fine defensive units and had it not have been for the Cavaliers' fumbles, the game could have gone either way. The fact that the Cavaliers gained only 195 yards and the Cubs 225 yards points out the defensive quality of the game.

Outstanding in the Cubs' victory were Paul Ewing who scored 14 of the Cubs' 20 points and Dave La Rou.

St. Ambrose, comprised mainly of sophomores and juniors, have nothing to be ashamed of. The Cavaliers spotted the Cubs a wide margin in experience and still, despite the fumbles, played on even terms throughout the contest.

Starring for the Cavaliers were Mike Currie, Larry Bringer, Dave Broza and Jim Laskowski.

U. of D. will now meet St. Mary's of Redford in the annual Soup Bowl game for the Catholic League City championship, to be played in the Titan Stadium on Sunday, November 16. The winner of this game will qualify to meet the Metropolitan champion in the annual Goodfellow game at Briggs Stadium, November 1.

Club Basketball Leagues Forming

The Giant and Midget Basketball Leagues are almost ready to initiate action on the courts of the Neighborhood Club.

These leagues have been very successful for several years and will need the continued help from parents and interested individuals to undertake the important responsibility of coaching the various teams.

Any father or interested person over the age of eighteen is asked to call the Grosse Pointe Neighborhood Club for additional information. The telephone number is TU 5-4800.

Registration and tryouts for the Midget League will be conducted on the following dates:

(a) Ages 9 and 10 from 6:30-8 p.m. Mondays, November 17 and 24.

(b) Ages 11 and 12 from 6:30-8 p.m. Tuesdays, November 18 and 25.

Registration and tryouts for the Giant League will be:

(a) Mondays, November 17 and 24, 8-9 p.m. Boys ages 13 and 14 from Grosse Pointe Woods and Farms.

(b) Tuesdays November 17 and 25, 8-9 p.m. Boys ages 13 and 14 from Grosse Pointe City and Park.

December 1, 1958 is the date to be used in figuring the age of the boys for eligibility in any of the Leagues.

St. Paul 78ers Take CYO Title

St. Paul grade school's hard-hitting 78ers football team won the Northeast Division championship of the CYO League Sunday, November 9, by blanking St. Juliana 13-0 at Chandler Park.

It was the sixth win in seven starts for the 78ers. The championship was doubly welcome because of last year's disappointment, when the team missed the title in the final game.

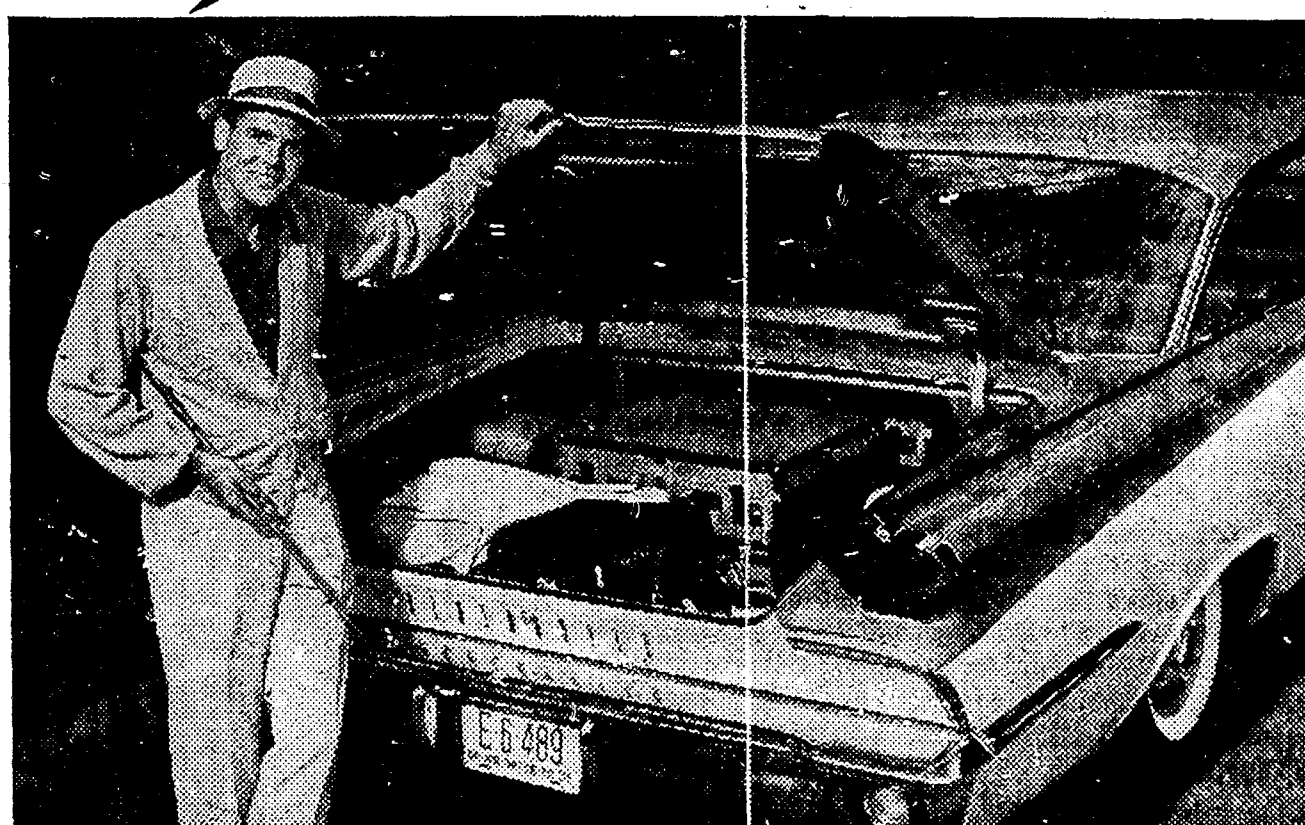

In Sunday's game, the stout 78ers' line held off the St. Juliana attack, and permitted the fleet Laker backs—Gary Ghesquiere, Joe Cobb, Brian Schick and George Jurgens—to slash the line and skirt the ends. Cobb scored one touchdown and extra point and Jurgens added the other tally. Both scores came on end runs.

Of the last 14 games played, the 78ers have cost only two. This year they downed St. David 7-0; St. Ambrose 4-0; Our Lady Star of the Sea 6-0; St. Philip 20-7; St. Martin 20-0, and St. Juliana 13-0. Their lone loss was to St. Clare, 13-6.

The 78ers are sponsored in league play by the St. Paul Dads' Club and are coached by Tom Peters, assisted by volunteer Dads, Al Schick, Al Ghesquiere and Jack Niensstedt, of the Dads' Club.

Mason P.T.A. Meets Nov. 18

The Parent-Teachers Association of Mason School will meet Tuesday evening, November 18, at 8 o'clock. The classrooms will be open from 8 to 8:30 to give the parents an opportunity to visit with the teachers and parents in their child's room. Room mothers will act as hostesses in the classrooms.

Following the room visitation period, the members will convene in the auditorium for a short business meeting. Mr. Bert Wicking of the Board of Education will speak briefly on the necessity for the renewal of the operational millage which expires at the end of the school fiscal year.

Robert Knapp will present the results of the recent program survey which was conducted by the P.T.A. Executive Board. The program for the evening will be based on this survey. A panel consisting of two parents, Mrs. Malcolm Jolliff representing the lower grades, and Bewley Priestman representing the upper grades, and two teachers, Miss Pauline Sagala for the lower grades, and Ted Jacobs for the upper grades, will discuss the question, "How can parents help their child's progress in school?" John Brubacher, principal, will act as moderator. After the panel discussion, questions from the floor will be welcomed.

An interesting display of new books for elementary children has been arranged by Miss Sagala. This display will be in the hall near the front entrance, and parents will find it well worth examining. Refreshments will be served by the room mothers after the program.

PTA at Barnes Holds Meeting

The second P.T.A. meeting of the year was held at Barnes School on Wednesday night, Nov. 12. It was a very well-attended occasion, with informal room visitations preceding an informative talk by Dr. H. Leroy Selmeier, the school system's Director of Instruction.

The school's next P.T.A. will be the annual Pancake Supper, to be held in December. As a P.T.A. sponsored fund-raising project last week, a bake sale was held on election day. It was a great success, and many mothers put in a lot of time prior to, and during, the occasion. What were formerly two unusually large third grades are now three of very desirable size. Several weeks ago, Mrs. Morris, a teacher with an excellent background, joined the staff to make possible the realignment.

Ticket Motorist Following Crash

Two cars involved in an accident at Webster and Belanger roads on Friday, November 7, were so badly damaged they had to be towed to service stations.

Farms police charged Carolyn D. Ewald of 284 Moross road, with failing to yield the right of way, and gave her a ticket, with the court date set for December 10.

According to police, Mrs. Ewald was driving her car north on Belanger, and failed to yield the right of way to Marie H. Kiefer of 427 Calvin, who was going west on Webster.

When the two cars collided, Mrs. Kiefer lost control of her vehicle, which jumped the curb at the northwest corner of Webster, knocked down a fence and ran into a tree on the lawn of 451 Belanger.

Police estimated damage to the two cars at about \$200 each, and about \$200 to the fence and \$75 to the lawn.

No one was injured.

Brownell PTA Meets Nov. 19

Brownell Junior High School's second P.T.A. meeting will be held on Wednesday, November 19, at 8 p.m.

A short business meeting will be conducted by president Thomas Munson.

Vance Powell, program

chairman, will introduce the principle speaker of the evening, Dr. Robert Hanson, Dr. Hanson's topic will deal with some of the problems of students who are anticipating going on to college, scholarships and college entrance requirements.

ments. A question and answer period will follow his speech.

Immediately following the program refreshments will be served under the direction of Mrs. William Frederick, social chairman.

PTA at Ferry Meets Nov. 19

The Ferry School PTA will hold its next regular meeting on Wednesday, November 19. It is anticipated that this should prove an effective follow-up to American Education Week.

In order to provide parents with an opportunity to visit in the classrooms and to view the work of the children, all teachers will be in their respective classrooms beginning at 7:30 p.m.

At 8:15 parents and teachers from all of the grades will be called together in the auditorium by PTA President Lorin Parmelee to hear a most interesting and informative talk by Dr. H. LeRoy Selmeier, Director of Instruction for the Grosse Pointe Public School System.

His talk, augmented with a series of colored slides, deals with an area sometimes overlooked in an age of Sputnik and ICBMs; and yet, it is an area, which, if given its proper perspective by peoples throughout the world, would serve to more effectively channel man's scientific advances toward peaceful use. His topic is, "Moral and Spiritual Values."

The series of colored slides which Dr. Selmeier will use were developed and produced by the School System's Philosophy Workshop.

Charles Treger To Play Here

The Tuesday Musicales will present Charles Treger, violinist, at 10:30 o'clock, Tuesday, November 25, in the Detroit Institute of Arts Lecture Hall. Mr. Treger is a former Detroit and a brilliant young concert violinist with a promising future. On the night of November 28, 1950, Mr. Treger gave his professional debut in the Detroit Institute of Arts, and this marked the beginning of a career which has taken him to almost every major city in the United States.

At present, Mr. Treger is serving in the U.S. Navy and appears as soloist with the Navy Band. In addition to his solo work, he is the founder and first violinist of the Washington String Quartet, and has been awarded the coveted Rockefeller Foundation Grant.

On February 25, 1959, Mr. Treger is giving a recital on the Young Artist Series at the Metropolitan Museum of Art in New York.

The second morning concert of the season for Tuesday Musicales will be November 18th, 10:30 o'clock, Detroit Institute of Arts Lecture Hall.

Members participating are Jeanne Jonoski, violinist; Mary Pardee, soprano; and Juliana Kan, pianist. Accompanists are Lauradell Peppard and Margaret Clifton. Lotta Winkler is chairman of the program.

DON'T YOU REALLY BELONG IN A BUICK?

Don't let the beauty of this Buick fool you for a minute... Nor the superb quality of its ride and performance when you try it.

For it's nowhere near as costly as it looks and feels. That's the BIG THING about the Buicks of today. Almost anyone who's out to get a car can get a Buick, and fit it into his budget with no struggle at all.

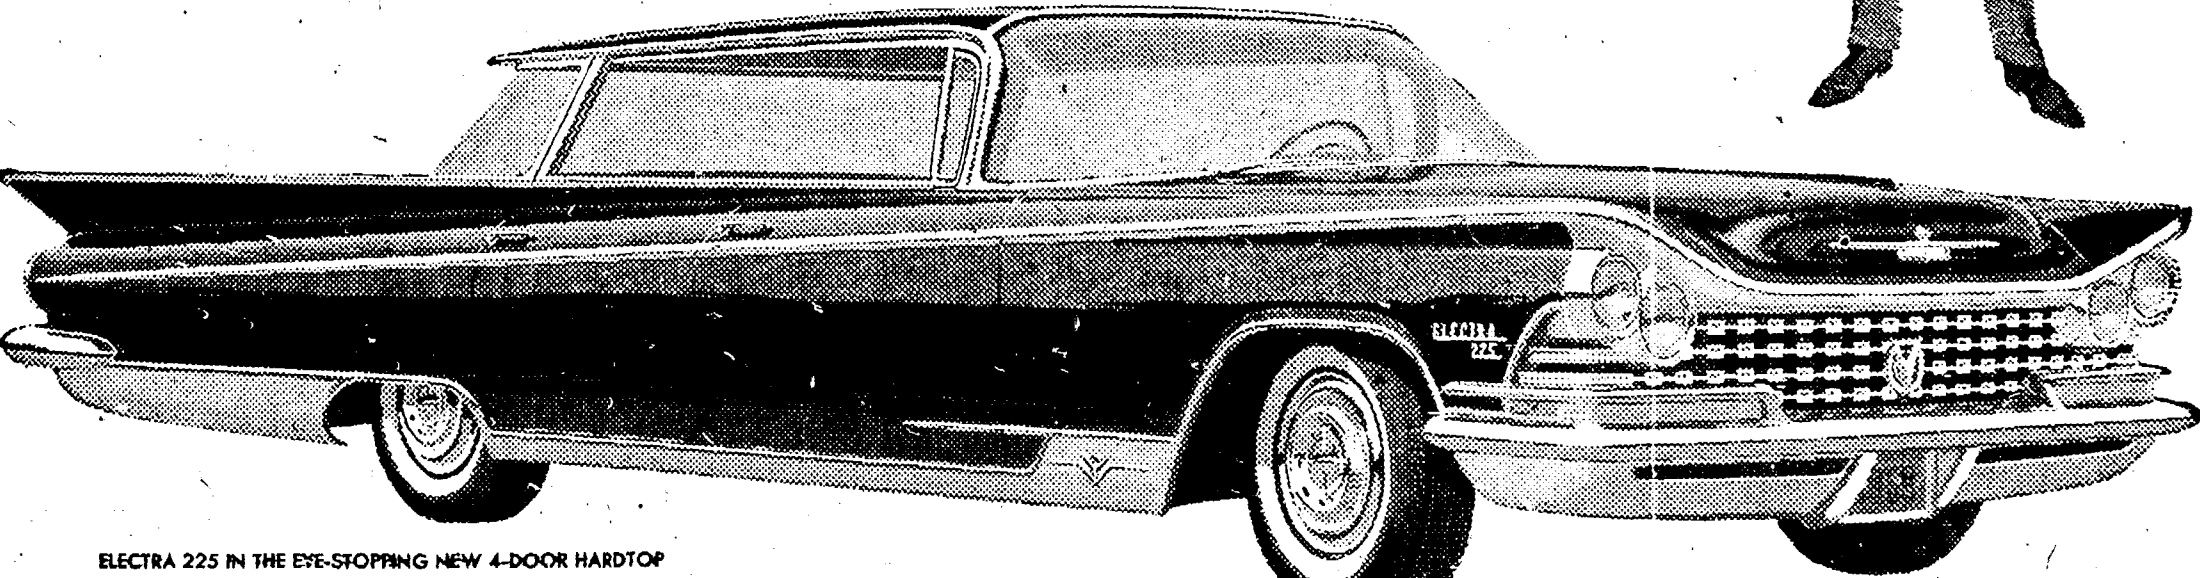

And a Buick is an awful lot of car... as more than 4 million Americans will gladly tell you. This '59 Buick, more than ever. It's THE car.

Never before, in fact, have new Buicks caught on so fast with so many people. A success due in no small part to buyers who switched to Buick '59 from other makes of car... in every price range.

For in a Buick, you own the *rightest-looking* car there is. In a Buick, you take charge of the *rightest-going* combination of engines, transmissions, braking and steering you can find.

And in a Buick, whatever the price, you own something that belongs to Buick alone. You own an automatic share of a special prestige and admiration that is universal. You own a BUICK!

New Equipped Buick • New Super-Quiet Bodies by Fisher • New Mag-Mirror Finishes • Safety-PLATE Glass all around • New Fin-Cooled Brakes, front and rear • Aluminum Front Brake Drums • New Electric Windshield Wipers • Thriftier, More Powerful Wildcat Engines • New Buick Easy Power Steering* • Exclusive Twin-Turbine and Triple-Turbine Transmissions* • New Automatic Heat and Fresh Air Control*
*Optional at extra cost on certain models.

An Apology to Mr. Harold Palmer

Our attention has been called to a recent article in this column concerning Harold Palmer, the adopted son of the late Senator Thomas W. Palmer. We mentioned that Harold Palmer was a street urchin. The Senator had met while traveling in Spain, where he was minister plenipotentiary from the U. S. This information is erroneous and a complete story of the meeting was printed in the Chicago Herald of September 24, 1890.

The Palmers saw young Higinio Pablacion swimming on the beach at San Sebastian, a fashionable resort of the Diplomatic Corps on the Bay of Biscay, with his Spanish nurse and were greatly attracted to him. He was of purest Castilian blood, the son of a Spanish infantry commandante, Don Pedro Pablacion, and his wife, Eupadia, a great Spanish beauty.

The Palmers persuaded the parents to let the child return to America with them. They educated him as they would their own son. He returned to Spain each year to visit his parents and at the time of the World's Fair they came to America to be the Palmers' guests for six months. The Palmers adopted the boy legally when he was 18.

We regret any embarrassment this story has caused Mr. Palmer or his family, some of whom are living in the Pointe.

Center Offers Travel Movies

Pointers are cordially invited to view without charge the J. Leslie Berry's colored films of the Orient and Middle East which were taken on their recent world tour, on Tuesday evening, November 25 at 8 at the Memorial Center.

Now that Mr. Berry has retired, this popular couple have become inveterate travellers. In fact they will just have returned from Florida and the Gulf in time for this showing.

On his trip around the world Mr. Berry took some 3,500 feet of color film, most of it concentrated on the Asian countries. In spite of troubled conditions in Syria when they

were there, Mr. Berry got some wonderful shots of Damascus and though Lebanon was shortly to erupt, all was sweetness and light when the Berrys visited, allowing them to photograph at will.

Mr. Berry will comment on his films and tell some of the interesting happenings of the trip together with his impressions. He is an excellent raconteur, has been a member of Players for years and served as their president. Just recently he served with Mrs. Berry as chairman of this Fall's Drama Festival in which the Theatre, Arts and Fine Arts Societies joined Players.

Pointer of Interest

MRS. EDWARD STANLEY, OF MERRIWEATHER ROAD
By Patricia Talbot

It is possible to spend too much time at church, Mrs. Edward Stanley thinks she may be doing just that these days as she heads the committee preparing for the Grosse Pointe Congregational Church's Mistletoe Mart on November 20.

From the day that the Stanleys moved here six years ago most of their leisure activities have been connected with the church. Mrs. Stanley has tried other activities, (she's a member of the DAR and served on the YWCA board), but none of them are as rewarding to her as her church-inspired hobbies.

She was chosen for the arduous job of chairman of the Mart because she did such a fine job on last season's Rummage Sale. Also she feels she may have asked for the job. She suggested to the Women's Association that this was the year for the Mart. The Church last held a Christmas Fair in 1956.

A devoted wife and mother,

she held a family conference before accepting the job, asking her husband and three sons for permission to head the Mart, telling them it might complicate their life and put their home hours off schedule. They were all for it.

Worked on All Committees In this week before the bazaar Mrs. Stanley is putting a full day, every day, on the preparations for November 20. She has worked on all 45 committees herself from aprons to Christmas decorations and is constantly urging her workers to finish up their tasks so all will be ready and waiting for Mart customers.

The Congregational Church has a membership of about 1000 and is still growing.

Money raised by the Mart will help support the Dick Fagans, Congregational missionaries in South Africa. The church has just bought a parsonage for the new associate minister, Arnold Johnson, in Yorkville road. Mart funds will help here, too.

Gourmet Emphasis

Variety is the keynote of this year's Mart and Mrs. Stanley hopes that parishioners will do their holiday shopping on November 20. The big emphasis is on food and such delectable goodies there will be topped off by dinner in a basket for shoppers who won't want to cook when they trudge home. A beef tenderloin dinner will be served at the Fair to the first 200 to sit down.

The Congregational Church, which is less than ten years old, has not been in the Fair business as long as some of the other Protestant churches in the area, Mrs. Stanley says. But what the women lack in experience they make up for in enthusiasm. She has the greatest praise for all the Mart workers.

Sons Keep Her Busy

When she isn't at the church, (where she's a fervent Women's Association worker, and even plays bridge with her husband to benefit the church weekly), she is busy with her three boys, Ted, 13, Ken, 15 and Dwight, 17. In turn she has been a den mother for Cub Scouts and a room mother for PTA. When the Mart is over and the holidays passed, she hopes Mr. Stanley will be able to escort her and Dwight on a tour of the East to look at colleges. Her real love is salt water and family vacations on Cape Cod are a high spot.

For six years she has been urging her mother-in-law to come for a visit. Now she has chosen the week of the Mart for the long anticipated trip, but Mrs. S. takes this all in stride and is convinced her visitor will enjoy all the hustle and bustle as much as she does herself.

Will Fill Her List at Mart

She has ordered her Christmas cards but most of her shopping will be a post-Mart affair. She intends to do a lot of it on November 20. When the doors close at 9 o'clock that evening her job won't be over. She has the usual report to compile and then in December there is the church candlelight supper and a sale of all the products left from the Mart.

Mrs. Stanley loves having something to do at the church every day. Each Sunday she and her husband count the Sunday School money as well as attend services. Church is not just a Sunday occupation with the Stanleys, but a daily activity. Through their church they have found friends, hobbies, satisfied spiritual needs and served the community.

After the Mistletoe Mart it won't be long before Mrs. Stanley will be searching for another job to further the church's aims and to bring her personal satisfaction through service.

VANDALS BLAMED

Woods police recorded a complaint from Herman Lambert of 2100 Lamaster on Saturday, November 8, in which it was disclosed that while his car was parked near his home during the night, vandals broke his car radio antenna and sideview mirror.

Club to Discuss Nov. 4 Election

An informal round table discussion of the November 4 election will be the program at the November meeting of the Women's Republican Club of Grosse Pointe which will be held at 12:30 on Thursday, November 13, at the Grosse Pointe War Memorial. Republican leaders of the 14th Congressional District will constitute the panel which will analyze the election results.

The panel will consist of Stanley Baldwin, district chairman; Richard Durant, district vice chairman; Palmer T. Heenan, president of R.R. Bikan Voters Associated; Emily Boylston, member of Republican State Central Committee, and Lillian Chambers, district executive secretary. Bernice Zilly will act as moderator.

The round table discussion will be conducted in the library following luncheon in the main reception room. Luncheon reservations must be made by noon of Tuesday, November 11, by telephoning Mrs. Fred Kaess at TU 4-5373 or Mrs. Henry Bodman at TU 1-6511. All Republican women are invited.

Legion Units Plan Program

American Legion Auxiliary Units throughout the country will take part in the observance of "Know Your America Week," November 23-29, Mrs. Frank Carlson, Americanism Chairman of Grosse Pointe Unit No. 303 of the Auxiliary, has announced. Many civic, patriotic, fraternal and veterans organizations will participate.

The purpose of "Know Your America Week" is to bring increased understanding and appreciation of free America to the American people," said Mrs. Carlson. "The sponsoring organization is the All-American Conference to Combat Communism, composed of 55 national organizations including The American Legion and Auxiliary. Each day of the week will have a special theme emphasizing basic American principles.

"Coming during the Thanksgiving period, the observance will be a reminder to Americans that they must not take for granted the freedom they enjoy. The week will give Americans an opportunity to re-dedicate themselves to democratic principles, to understand how our nation became strong and great, and to realize that knowledge of America and its free way of life is a strong barrier against communism."

A University of Michigan mushroom specialist who's assembled the nation's largest mushroom collection added another 2,500 to his cache this summer.

Get into print! Is the advice fashion experts give! This season the best prints are to be found on wool and crepe . . . for day time and after five. One beautiful black dress features a scattering of long stemmed roses . . . the idea is romantic . . . the cut . . . slim and the effect . . . flattering. This is but an example of the many new flowering dresses found in Jacobson's Dress Salon. Be sure to see a few preview pieces of the pastel wools that forecast things to come.

Come on in . . . Christmas is waiting at The League Shop. See the special collection of beautiful Christmas decor by Elise Platt, who does so much with the traditional Yuletide colors . . . BUT what soft luxuriant greens and rich reds they are! The antique feeling in her work is very much in evidence. For example, miniature kerosene lamps illuminate an antique finish wood compote base . . . wreathed for the holidays . . . brimming with flowers later. Cherubs, crimson winged cardinals and a variety of mantel decorations add inspired gaiety and splendor to welcome the on-rushing season.

The perfect foil . . . for the gift beautiful! Be sure to see Trail's outstanding collection of wrapping paper . . . glamorous and accented with imagination. Also note while you're there Beautiful Bows Instantly. This is a large bolt of ribbon PLUS a device through which the ribbon is pulled . . . it lives up to its name . . . and makes beautiful bows instantly . . . available in gold, silver, red and green.

R.S.V.P. . . . to a party invitation for a pre-teen is a happy duty! Shopping for her party dress at Young Clothes is a delight . . . because she'll have such lovely ones from which to choose. In passing we notice a white taffeta with tiny red dots . . . a white organza . . . a blue satin and a black velvet jumper with its own white lace blouse . . . those and more are designed to make her party entrance a pretty one.

Is it time for a change-maker at your house! Slipcovers can sometimes be the answer to a room's plea for attention . . . transforming the whole appearance with touches of needed color . . . or calmness. It's your choice . . . but Wanamaker's Studio can help you make the "beautiful" decision. Select from a wide variety of fabrics . . . rely on expert fitting . . . and have confidence in the subtle touch of a decorator's experience!

Lady Hathaway brings aristocratic tartans to Proper's. Diminutive versions of the standard designs. The shirt has . . . of course . . . a button down collar. New oxford cloths and battalion striped shirts . . . will top the leanest, neatest man tailored shorts for women in town.

The personal touch . . . appeals to all ages. Now tots and teens can enjoy the fun of this extra bonus. At Jacobson's Youth Center . . . you can order mittens, clutch bags, necklaces, overnight cases and many more items with a name printed in gold. Order from samples now and solve your Christmas gifting to the young in years.

Bon Secours To Have Fair

The Bon Secours Hospital Guild will present its annual Holiday Fair on November 14 and 15 from 10 to 9 o'clock in the Science Hall.

Mrs. Harold G. Frear is chairman and Mrs. John M. Nehra is co-chairman of the bazaar which will offer Christmas decorations, toys, gifts, baked goods, linens, dolls and novelties.
